2 COLUMBUS CIRCLE - RFP – CP/2 – DUE 05-02-00 AT 2:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for the redevelopment of 2 Columbus Circle in Manhattan. This 4,600 square-foot prime piece of real estate is currently the site of a vacant nine-story white marble block building. The land and building are located on the south side of Columbus Circle. The goal of this project is to redevelop the property for residential, hotel or other commercial uses. A design team has been selected to work on a permanent landscaping plan and redesign of the circle to smooth the flow of vehicular and pedestrian traffic. The site faces Central Park, the former New York Coliseum and 10 Columbus Circle, currently being redeveloped as Columbus Centre, Columbus Centre will be a 2.5 million-square-foot commercial development, consisting of headquarters for AOL-Time Warner, a luxury hotel and condominiums, retail space and an auditorium for Jazz at Lincoln Center. Complete guidelines and submission requirements are outlined in the RFP, which is available from EDC. To obtain an RFP, please contact Cheryl Elmore, Director, Contract Administration and Procurement, New York City Economic Development Corporation, 110 William Street, New York, New York 10038, at 212-312-3969; or by e-mail to info@newyorkbiz.com. Please refer to CC-0300 in the subject line. RFP submissions are due on Tuesday, May 2, 2000 by 2:00 p.m.

N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

m6-a25

TEMPORARY OPERATION OF INDOOR TENNIS AND RECREATIONAL FACILITY, PEIRS 13 AND 14, MANHATTAN – CP/PQ/4 – DUE 05-19-00 AT 3:00 PM – The New York City Economic Development Corporation (EDC) on behalf of the City of New York, is seeking proposals for the **temporary** operation of an indoor tennis and recreational facility located at Piers 13 and 14 in Lower Manhattan, just south of the South Street Seaport. EDC is seeking proposals for the operation of the facility on a one-year **permit. Renewal options may be exercised at the discretion of EDC.** Submission guidelines and requirements are outlined in the RFP. All requests and submissions for the RFP should be directed to Cheryl Elmore, Director, Contract Administration and Procurement, New York City Economic Development Corporation, 110 William Street, 6th Floor, New York 1008, (212) 312-969 or by e-mail to info@newyorkbiz.com, referring to TF-0400 in the subject line. Submissions are due by 3:00 p.m. on Friday, May 19, 2000.

N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

Construction Related Service

STUYVESANT COVE ENVIRONMENTAL CENTER – CP/2 – DUE 05-10-00 AT 3:00 P.M. – Is seeking the development of an Environmental Center that will successfully be integrated with a new two-acre riverfront park. Currently under construction, Stuyvesant Cove Park is located along the Manhattan waterfront, between East 18th Street and East 23rd Street. The design of the park interprets the relationship between the urban and the natural environment and the East River ecology. It is envisioned that the Environmental Center will use the park as a teaching tool and direct environmental programs serving the local community, adjacent schools and general public. Through this RFP we hope to solicit creative and innovative programming for the Environmental Center and Stuyvesant Cove Park. Complete development and guidelines and submission requirements are enclosed in the RFP. To obtain a copy of the RFP please contact Cheryl Elmore, Director Contract Administration and Procurement, EDC, 110 William Street, New York, NY 10038, 212-312-3969.
Requests for Proposals.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human Services

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

SPECIAL MATERIALS

HEALTH

■ NOTICE

Resolution of the Board of Health of the Department of Health of the City of New York

At a meeting of the Board of Health of the Department of Health, held April 18, 2000, the following resolution was adopted:

Whereas, the Board of Health has taken and filed among its records reports that in areas throughout the City of New York there are sunken lots, property below grade, or other places which are insufficiently drained and where water may accumulate and stagnant water may collect; and

Whereas, upon these and other properties, there are household and other items including, but not limited to, tires, flower pots, household or other containers such as, trash, garbage and recycling containers without drainage holes, roof gutters clogged with leaves or other debris, swimming and wading pools, bird baths, swimming pool covers, outdoor plumbing fixtures and hose bibs dripping water to the ground and other materials, appurtenances and fixtures which allow the accumulation of water; and

Whereas, such accumulations of water create conditions conducive to insect life in general, and to the breeding and nurturing of mosquitoes in particular; and

Whereas, certain mosquitoes have been found to harbor viral diseases, including West Nile Virus/encephalitis, which are transmissible to and may be fatal to humans; and

Whereas, mosquitoes breed rapidly, and the potential presence of West Nile Virus is immediately dangerous to life and health; and

Whereas, the Board of Health regards the aforesaid reports as sufficient proof to authorize the declaration that any accumulations of water in which mosquitoes may breed are in a condition and in effect immediately dangerous to human life and health and constitute a public nuisance; and

Whereas, immediate abatement of such nuisances is necessary to prevent the breeding and proliferation of infectious mosquitoes; and

Whereas, personal service or service pursuant to subdivisions (a) or (b) of §17-148 of the Administrative Code of the City of New York of orders requiring the abatement of such nuisance and conditions in effect dangerous to life and health upon each of the persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York, has a duty or liability to abate such nuisance and conditions, would result in a delay prejudicial to the public health, welfare, and safety; now, therefore, be it

Resolved, that the Board of Health hereby declares that such places having an accumulation of water capable of breeding mosquitoes are in a condition and in effect immediately dangerous to life and health and constitute a public nuisance; and be it further

Resolved, that the Board of Health hereby declares that such nuisances are widespread throughout the City; and be it further

Resolved, that all persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York and such other chapters, titles, sections, laws or rules as are applicable thereto, have the duty or liability to abate such nuisance and conditions in effect dangerous to life and health, are hereby ordered to forthwith abate such nuisance and conditions in effect dangerous to life and health by eliminating such accumulations of water and the conditions conducive to further accumulation, or by otherwise eliminating the capacity of accumulated water to support mosquito breeding; and be it further

Resolved, that in the event that such persons or any of them shall fail to comply with this order within five days after service thereof pursuant to §17-148 of the Administrative Code of the City of New York, the Department of Health is hereby authorized and directed to take all necessary steps to forthwith secure the abatement of said nuisances and conditions in effect dangerous to life and health.

Resolved further, that this resolution shall take effect immediately.

(As adopted by the Board of Health on April 18, 2000)

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

CITY OF NEW YORK
ECONOMIC DEVELOPMENT CORPORATION
OFFICE OF MANAGEMENT AND BUDGET

NOTICE OF AVAILABILITY OF THE FINAL SECTION 108 LOAN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)
FOR THE "INTERART REHEARSAL STUDIOS AND CULTURAL CENTER COMPLEX"

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

In accordance with the Section 108 Loan Program regulations at 24 CFR Part 570.704(a)(iv) regarding the application process for loan guarantees, notice is given that the Final Section 108 Loan application for the "Interart Rehearsal Studios and Cultural Center Complex" (IRSC) is available for viewing. The document will be submitted to HUD on April 25, 2000.

The Women's Interart Center, Inc. (WIC) proposes to create the IRSC by completely renovating 549-551 West 52nd Street in Manhattan (after the building is conveyed to it by the City of New York), an existing 10-story 49,190 gross sq. ft. building which it currently occupies. It will also construct a new 8-story addition containing 27,788 gross sq. ft. of studio and rehearsal space. The new construction will be fully integrated into the internal spaces of the renovated existing building. The building will be the home of four not-for-profit cultural tenants, as well as provide high quality dance and theater rehearsal studios for the profit and not-for-profit arts and entertainment community. The project as proposed will cost $18,469,824 to complete. The project already has received a HUD Economic Development Initiative Grant of $2 million to complement the requested Section 108 Loan of $13,595,000. A total of $2,874,824 in New York State grants and loans and WIC equity will also provide financing for the project.

The proposed project is eligible pursuant to HUD's Section 108 Loan regulations, 24 CFR 570.703(i)(2), which is consistent with the Community Development Block Grant Program's (CD) Section 570.204(a)(2) involving Special Activities by Community-Based Development Organizations. The project will meet the "National Objectives" requirements contained in 24 CFR 570.208(a)(4)(i) and (ii) through the retention of 114 full-time equivalent (fte) jobs and the creation of 493 fte jobs over the first three full years of the project's operation. According to 570.208(a)(4)(v), for the purposes of determining whether a job is held by or offered to a low- and moderate-income person, the person may be presumed to be a low-and moderate income person if the assisted business is located within a census tract with a poverty rate of at least 20%. The IRSC project meets this criteria as it is located within census tract 135, which has a poverty rate of more than 20%.

The City of New York is pledging its future CD funds as a condition of receiving the Section 108 Loan Guarantee. In the event the Section 108 Loan cannot be repaid by the Women's Interart Center, CD funds are pledged as security to ensure repayment.

The Final Section 108 Loan application for the IRSC may be viewed at the New York City Economic Development Corporation (EDC), 110 William Street, New York, New York. Please call Zsa Johnstone-Mosher at (212) 312-3572 to make an appointment to view the document.

Michael G. Carey, President, New York City Economic Development Corporation
Adam L. Barsky, Director, Office of Management and Budget

THE CITY OF NEW YORK - OFFICE OF MANAGEMENT AND BUDGET
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.)
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

This document constitutes the Notice of Intent to Request Release of Funds for the projects identified below. These projects are funded in the Twenty-Sixth Community Development Year (CD 26). The allocations for CD 26 reflect a spending pattern that is expected to be effective only in January - June 2000. Funds reserved for the last six months of CD 26 will be reallocated in accordance with the adopted City Fiscal Year 2001 Community Development budget. On April 27, 2000 the City will submit to HUD its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under the programs listed below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

NYCHA PUBLIC HOUSING MODERNIZATION
CD funds are used to improve buildings, grounds, dwelling units and community facilities operated by the New York City Housing Authority. Activities may include: window replacement, installation of child safety-guards, waterproofing of exterior walls, re-roofing, asbestos abatement, oil remediation, plumbing upgrade, alarm system installation, kitchen renovation, electrical wiring, lighting upgrade, new entrance doors, playground upgrade, elevator overhaul or replacement, heating plant upgrade, and installation of air conditioning systems, ramps and handrails. CD 26 Allocation: $2,744,000.

7A FINANCIAL ASSISTANCE PROGRAM
CD funds are used by the Department of Housing Preservation and Development (HPD) to provide emergency repairs and systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 26 Allocation: $1,776,000.

TENANT INTERIM LEASE PROGRAM
Under the supervision of the Tenant Interim Lease Program (TIL), tenant associations maintain and manage the City-owned buildings in which they live under an interim lease with HPD. CD funds are used for rehabilitation, operating expenses (including fuel and utilities), as well as to provide training and assistance to the tenants in learning how to establish and manage a co-op. CD 26 Allocation: $10,030,000.

NEIGHBORHOOD REDEVELOPMENT PROGRAM
The Neighborhood Redevelopment Program (NRP) provides financing to enable experienced, locally-based not for-profit organizations to acquire and rehabilitate occupied City-owned buildings. CD, HOME and City Capital Budget funds constitute the construction loans that provide the financing for the moderate rehabilitation of these buildings. CD funds are used as a grant in conjunction with the loan. CD 26 Allocation: $970,000.

INDUSTRIAL AREAS IMPROVEMENT PROGRAM
CD funds are used to remove abandoned vehicles, refuse, debris, rubble, and weeds on and around roads, sidewalks and City-owned land within industrial and in-place industrial parks (designated as eligible under the CD program) and their immediate vicinity. Waste is also removed from City-owned buildings within these areas. CD 26 Allocation: $1,240,000.

NEIGHBORHOOD COMMERCIAL REVITALIZATION PROGRAM
The Department of Business Services' Neighborhood Commercial Revitalization (NCR) Program promotes the economic viability of neighborhood retail areas. Some of the program's renovation activities established to deal with the most common problems confronting commercial streets include grants for facade improvement and security improvements such as buddy buzzers, gates, and storefront lighting. CD 26 Allocation: $1,868,000.

MAYOR'S OFFICE FOR PEOPLE WITH DISABILITIES HOUSING SERVICES: PROJECT OPEN HOUSE
Under Project Open House, CD funds are used to remove architectural barriers from the homes of New York City residents (Section 8 income eligible) who have mobility impairments. CD 26 Allocation: $248,000.

ELDERLY MINOR HOME REPAIR PROGRAM
This program, administered by the New York Foundation for Senior Citizens and overseen by the Department for the Aging, attempts to address many of the conditions which lead to elderly home abandonment. Some of the services which are included are minor home repairs and outreach and coordination with other agencies handling Senior Citizen problems. CD 26 Allocation: $362,000.

LANDMARKS HISTORIC PRESERVATION GRANT PROGRAM
The Landmarks Historic Preservation Grant Program is administered by the Landmarks Preservation Commission and provides grants to homeowners and not-for-profits who own or occupy a property that has been designated as a landmark, is located within a designated historic district or is listed in or is eligible to be listed in the National Register of Historic Places. Grants are awarded to homeowners and non-profits for facade improvement and to non-profits for interior improvements provided the building has a designated interior. CD funds are also used to provide staff to administer the program. CD 26 Allocation: $252,000.

COMMUNITY ARTS DEVELOPMENT PROGRAM
The Community Arts Development Program, administered by the Department of Cultural Affairs, funds improvements to publicly-owned, not-for-profit-owned and privately-owned facilities; acquisition and installation of works of art in public facilities and, under special circumstances, in non-profit owned facilities; and acquisition of equipment and materials for local arts organizations. CD 26 Allocation: $244,000.

UPGRADE OF DAY CARE CENTERS
The New York City Agency for Child Development (ACD) will use CD funds to pay for the design specifications and actual rehabilitation of City-owned or leased day care centers citywide. In some instances, CD funds may be used to acquire an existing day care facility. Work will include roof rehabilitation, rooftop playground rehabilitation or creation, facade rehabilitation, interior rehabilitation, asbestos abatement, lead-based paint abatement, handicapped access, fire code compliance, and installation of mechanical, electrical, plumbing and security systems. CD 26 Allocation: $9,611,000.

HRA TRADES STAFF
The Human Resources Administration will use CD funds to rehabilitate client service facilities using in-house workers. Rehabilitation will include upgrade of main lobby areas, client communication systems, client bathrooms, HVAC, electrical systems and construction of new partitions. CD 26 Allocation: $2,792,000.

CODE VIOLATION REMOVAL IN SCHOOLS
CD funds will be used by the Board of Education to prevent or remove code violations in New York City Schools. The activities may include the installation of emergency lighting, fire rated doors and hardware, fire alarm systems, fire suppression systems, fire extinguishers, flame proofing curtains, sprinkler/standpipe, potable water systems, sewage systems, kitchen ventilation/exhaust systems, heating/cooling/refrigeration systems; building elevator and sidewalk elevator upgrades; and the repair of damaged flooring, ceilings, electrical fixtures and wiring. CD 26 Allocation: $2,500,000.

Environmental Review Records respecting the within projects have been made by the City of New York which document the environmental review of the projects. These Environmental Review Records are on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10 a.m. and 5 p.m., Monday through Friday. Please call (212) 788-6177 to make an appointment to view or obtain a copy of the documents.

The City of New York certifies to HUD that Adam L. Barsky, in his capacity as certifying officer for the City's CD Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related authorities, and allows the City to use CD funds. HUD will accept objections to its release of funds and the certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on the following bases: (a) the certification was not executed by the certifying officer for the CD Program; (b) the City has omitted a step or failed to make a decision or finding required by HUD regulation 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. The proposed last date of comment is May 12, 2000, however, potential objectors should contact HUD to verify the actual last day of the objection period.
City of New York: Office of Management and Budget,
Adam L. Barsky, Budget Director.
Date: April 19, 2000.

CITY OF NEW YORK
DEPARTMENT OF CITY PLANNING
OFFICE OF MANAGEMENT AND BUDGET
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
NOTICE OF PROPOSED PROGRAM CHANGES TO THE 2000 CONSOLIDATED PLAN
NOTICE OF AVAILABILITY OF PROPOSED CITY FISCAL YEAR 2001
COMMUNITY DEVELOPMENT PROGRAM DESCRIPTIONS & BUDGET

TO ALL AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

Modification to the Community Development Block Grant Program
Pursuant to Section 91.105(c) of the Department of Housing and Urban Development's (HUD) Consolidated Plan Regulations, the City proposes changes in the 2000 Consolidated Plan/Twenty-Sixth Community Development Program Year (CD 26), effective July 1, 2000. The proposed changes to CD are identified in the "Proposed City Fiscal Year 2001 Community Development Program". This document also contains the Proposed Revised CD Year 26 Budget (which will be incorporated into the Amended 2000 Consolidated Plan) and the Proposed CD Year 27 Budget (which will be incorporated into the Proposed 2001 Consolidated Plan).

The "Proposed City Fiscal Year 2001 Community Development Program" document is available, one copy per person or organization, at the following locations:

The Department of City Planning, The Book Store, 22 Reade Street, 1st Floor, New York, New York 10007 10 a.m - 4 p.m.

The Office of Management and Budget, 75 Park Place, 8th Floor Reception Area, New York, New York 10007 10 a.m. - 5 p.m.

Written comments on the proposed changes should be directed to Charles Sorrentino, Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street, 4th Floor, New York, New York 10007 by May 19, 2000.

City of New York: Joseph B. Rose, Director, Department of City Planning
Adam L. Barsky, Budget Director, Office of Management and Budget

3 - 2791 - 43 - 21 Ten Eyck Street
3 - 2791 - 44 - 19 Ten Eyck Street
3 - 2791 - 45 - 17 Ten Eyck Street
3 - 2791 - 46 - 15 Ten Eyck Street
4 - 2791 - 27 - 46 Maujer Street
5 - 2791 - 23 - 38 Maujer Street
5 - 2791 - 24 - 40 Maujer Street
5 - 2791 - 25 - 42 Maujer Street
5 - 2791 - 32 - 433 Lorimer Street
5 - 2791 - 33 - 429 Lorimer Street
5 - 2791 - 35 - 37 Ten Eyck Street

BOROUGH OF BROOKLYN
CD 1 C 970371 HUK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the Maujer Street Urban Renewal Plan, for the Maujer Street Urban Renewal Area.

The proposed plan provides for the acquisition of 21 parcels (15 privately owned) to be designated as 5 sites for the development of 23 three-family homes.

The following properties are proposed for acquisition:

Site - Block - Lot - Address

1 - 2785 - 42* - 39 Maujer Street
1 - 2785 - 43* - 37 Maujer Street
1 - 2785 - 44 - 33 Maujer Street
2 - 2791 - 7 - 324 Union Avenue
2 - 2791 - 8 - 328 Union Avenue
2 - 2791 - 10 - 12 Maujer Street
3 - 2791 - 37* - 33 Ten Eyck Street
3 - 2791 - 16 - 24 Maujer Street
3 - 2791 - 17 - 26 Maujer Street
3 - 2791 - 41 - 23 Ten Eyck Street
3 - 2791 - 43 - 21 Ten Eyck Street
3 - 2791 - 44 - 19 Ten Eyck Street
3 - 2791 - 45* - 17 Ten Eyck Street
3 - 2791 - 46* - 15 Ten Eyck Street
4 - 2791 - 27 - 46 Maujer Street
5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35* - 37 Ten Eyck Street

All mapped and/or built streets within the Project Boundary.

* City Owned Property

BOROUGH OF BROOKLYN
CD 1 C 970372 HDK

IN THE MATTER OF an application, submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 197-c of the New York City Charter, for the disposition of city-owned property, comprising the following sites within the Maujer Street Urban Renewal Area to a developer to be selected by HPD.

Site - Block - Lot - Address

1 - 2785 - 42 - 39 Maujer Street

1 - 2785 - 43 - 37 Maujer Street

1 - 2785 - 44 - 33 Maujer Street

2 - 2791 - 7 - 324 Union Avenue

2 - 2791 - 8 - 328 Union Avenue

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37 - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45 - 17 Ten Eyck Street

3 - 2791 - 46 - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35 - 37 Ten Eyck Street

The disposition would facilitate development of 23 three-family homes.

BOROUGH OF BROOKLYN
CD 4 C 000290 HAK

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Tuesday, May 2, 2000:

BROOKLYN CB-1 C 990449 PPK

Application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the disposition of seven (7) city-owned properties located at South 8 Street (Block 2136/Lot 111), Driggs Avenue (Block 2446/Lot 62), 377 Broadway (Block 2463/Lot 34), 54 Morgan Avenue (Block 3003/Lot 3), 316 Maujer Street (Block 3021/Lot 22), 207 Meserole Street (Block 3045/Lot 23), and Varet Street (Block 3109/Lot 53), pursuant to zoning.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20005386 HAX through 20005395 HAK and Section 696 of the General Municipal Law for Non-ULURP Nos. 20005381 HAK through 20005385 HAX and 20005396 HAK.

Proposal subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law and Section 11-412.1 of the Administrative Code, at the request of the Department of Housing Preservation and Development ("HPD") and the Department of Finance which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

4. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law and Section 696 of the General Municipal Law.

SCHOOL CONSTRUCTION AUTHORITY

■ PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING PURSUANT TO ARTICLE 2 OF THE NEW YORK EMINENT DOMAIN PROCEDURE LAW

The New York City School Construction Authority ("SCA") will hold a public hearing on Wednesday, May 10, 2000 at 2:00 PM, pursuant to Article 2 of the New York State Eminent Domain Procedure Law with respect to the SCA's proposed acquisition, by condemnation, of Tax Block 9176, Lots 100 and 130 and Block 9172, Lots 85 (portion) and 150 (portion) and the intervening, unbuilt portions of the street beds of 99th Street between Rockaway Boulevard and Plattwood Avenue and 109th Avenue between 98th and 99th Streets, located at 109-01 98th Street in the borough of Queens, City and State of New York, for the purpose of constructing an intermediate school at the site, pursuant to the Board of Education's Five Year Capital Plan. The property is located in the Ozone Park section of Queens. The hearing will be held at the offices of Community School District 27, located at 82-01 Rockaway Boulevard, Ozone Park, New York.

The purposes of the hearing are to inform the public of the proposed project, to review the public use to be served by the proposed project and to give all interested persons and opportunity to be heard concerning the proposed public project. All persons are invited to attend the hearing and to present oral and/or written statements concerning the proposed acquisition. The SCA will accept written comments on the proposed project at the address listed below until May 16, 2000. Materials relating to the project are available for examination during normal business hours at the Legal Department of the SCA at 30-30 Thomson Avenue, Long Island City, New York 11101. For further information, contact Ross J. Holden, Vice President and General Counsel of the SCA at (718) 472-8220.

COURT NOTICES

SUPREME COURT

■ NOTICE

**SUPREME COURT, QUEENS COUNTY
NOTICE OF ACQUISITION.
QUEENS COUNTY
INDEX NUMBER 4333/00**

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT** located in an area generally bounded by Beach Channel Drive on the North, Beach 39th Street on the East, Rockaway Beach Boulevard on the South and Beach 46th Street on the West in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on April 4, 2000, the application of the City of New York to acquire certain real property, for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT,** was granted, however Block 15834 Lot 17 was excluded from the proceeding. The City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on February 11, 2000. Title to the real property vested in the City of New York on April 6, 2000.

The City has acquired the following parcels of real property:

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before April 6, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before April 6, 2002 (which is two (2) year calendar years from the title vesting date).

Dated: New York, New York, April 7, 2000

**SUPREME COURT, RICHMOND COUNTY
NOTICE OF PETITION
INDEX NO. CITY # CY 3019/00**

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property and a Sewer Easement where not heretofore acquired for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** located in the area generally bounded by Mace Street, Richmond Hill Road, St. George Road, Aultman Avenue, St. Andrews Road, Lighthouse Avenue and Boyle Place, including the portions of the mapped street beds of Mace Street, Spruce Street, Nugent Street, Eleanor Street and Ascot Avenue along Richmond Creek Community District 2, in the Borough of Staten Island, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Richmond County, IA Part 74, for certain relief.

The application will be made at the following time and place: At IA Part 74 of the Supreme Court, 360 Adams Street, in the Borough of Brooklyn, City and State of New York, on May 11, 2000, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Richmond County;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property and a sewer easement where not heretofore acquired for the same purpose, for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** in the Borough of Staten Island City and State of New York.

The description of the real property to be acquired is as follows:

All or part of those certain tracts of land, parcels, or places of land together with any improvements erected thereon, situated, lying, and being in Community District 2, Borough of Staten Island, County of Richmond, City and State of New York, delineating three sets of parcels situated within the Richmond Creek Staten Island Bluebelt System.

FIRST SET

The first set to be acquired in fee simple absolute includes: Block 2290, Lots 29, 31, and 37; Block 2283, Lot 66; and part of the bed of Spruce Street between St. George Road and St. Andrews Road described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Saint George Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 49 in Tax Block 2283 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Spruce Street (60 feet wide as adopted by The City of New York);

Running thence along the eastwardly prolongation of said southerly line of Saint George Road North 81 degrees 13 minutes 28 seconds East 30.00 feet to a point on the center line of Spruce Street (60 feet wide as adopted by The City of New York);

Thence along said center line of Spruce Street and along the southwardly prolongation of said center line of Spruce Street South 8 degrees 51 minutes 55 seconds East 225.00 feet to a point;

Thence South 81 degrees 13 minutes 28 seconds West 38.12 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 in Tax Block 2282 North 18 degrees 43 minutes 37 seconds West 25.38 feet to a point on the northerly line of St. Andrews Road (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southerly line of Tax Lot 66 in Tax Block 2283;

Thence along said northerly line of St. Andrews Road North 81 degrees 13 minutes 28 seconds East 12.46 feet to a point on said westerly line of Spruce Street;

Thence along said westerly line of Spruce Street North 8 degrees 51 minutes 55 seconds West 200.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Spruce Street, Part of the Bed of St. Andrews Road and Part of the Bed of the Intersection of Spruce Street and St. Andrews Road between the southerly line of St. George Road (50 feet wide) and a line parallel to and distant 225 feet southwardly from the southerly line of St. George Road (50 feet wide).

SECOND SET

The second set of properties to be acquired in fee simple absolute includes:

(A.) Part of mapped street bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 37, 29, 25 and 15 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Richmond Hill Road (70 feet wide as adopted by The City of New York);

Running thence along said southerly line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 481.77 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 15 and Tax Lot 67 in Tax Block 2290;

Thence north 09 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 481.77 feet to a point on the northwardly prolongation of said easterly line of Richmond Hill Road;

Thence along said northwardly prolongation of said easterly line of Richmond Hill Road south 09 degrees, 21 minutes, 28 seconds east 25.00 feet to the point or place of beginning.
The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290.

(B.) Part of Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 83, 6, 9 and 12 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 280.00 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 12 and Tax Lot 67 in Tax Block 2290;

Thence north 9 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 280.00 feet to a point on the northwardly prolongation of said westerly line of Lighthouse Avenue;

Thence along said northwardly prolongation of said westerly line of Lighthouse Avenue south 9 degrees, 21 minutes, 05 seconds east 25.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290.

(C.) Part of Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 8, 28, 15 and 18 in Tax Block 2281 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street (50 feet wide) north 80 degrees, 38 minutes, 55 seconds east 277.27 feet to the easterly line of Tax Lot 18 in Tax Bock 2281;

Thence along the easterly line of Tax Lot 18 in Tax Block 2281 south 10 degrees, 01 minutes, 33 seconds east 5 feet to a point on the southerly line of Mace Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island;

Thence along the southerly line of Mace Street (60 feet wide) through Tax Lot 171 in Tax Block 2281 north 77 degrees, 27 minutes, 33 seconds east 142.98 feet to a point on the westerly line of Tax Lot 162 in Tax Block 2281;

Thence north 16 degrees, 34 minutes, 37 seconds west 30.07 feet along the westerly line of Tax Lot 162 in Tax Block 2281 and to a point on the center line of Mace Street (60 feet wide);

Thence along the center line of Mace Street (60 feet wide) south 77 degrees, 27 minutes, 33 seconds west 140.03 feet to an angle point therein;

Thence still along the center line of Mace Street (60 feet wide) south 80 degrees, 38 minutes, 55 seconds west 276.97 feet to a point on the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide);

Thence along the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide) south 9 degrees, 21 minutes, 05 seconds east 25 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island.

(D.) Part of the bed of Spruce Street between Mace Street and St. Andrews Road, described as Staten Island Tax Block 2280 Tax Lot Part of 18, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 18, 15, 13, 7, 4, 1 and 61 in Tax Block 2280 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 440 feet westwardly, as measured along said northerly line of Mace Street, from the point formed by the intersection of said northerly line of Mace Street with the westerly line of Aultman Avenue, said point of beginning also being the point formed by the intersection of said northerly line of Mace Street with the prolongation southwardly of the easterly line of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island (60 feet wide);

Running thence along said prolongation southwardly and along said easterly line of Spruce Street through Tax Lot 18 in Tax Block 2280 North 8 degrees 51 minutes 55 seconds West 125 feet to a point on the line which divides Tax Lots 18 and 30 in Tax Block 2280;

Thence along the line which divides Tax Lots 18 and 30 in Tax Block 2280 South 81 degrees 13 minutes 28 seconds West 42.03 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 and an easterly line of Tax Lot 40 in Tax Block 2282 South 18 degrees 43 minutes 37 seconds East 126.91 feet to a point on said northerly line of Mace Street;

Thence along said northerly line of Mace Street North 81 degrees 13 minutes 28 seconds East 20.30 feet to the point or place of beginning.

The above described parcel consists of Part of Tax Lot 18 in Staten Island Tax Block 2280, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280.

(E.) Part of the bed of Nugent Street between Aultman Avenue and Ascot Avenue described as part of bed of Nugent Street and bed of intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 31 in Tax Block 2271 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Ascot Avenue;

Running thence along said southerly line of Nugent Street South 81 degrees 13 minutes 28 seconds West 40 feet to a point on the dividing line between Tax Lots 31 and 29 in Tax Block 2271;

Thence North 8 degrees 51 minutes 55 seconds West 50 feet to a point on the northerly line of Nugent Street;

Thence along the northerly line of Nugent Street and along the eastwardly prolongation of the northerly line of Nugent Street North 81 degrees 13 minutes 28 seconds East 100 feet to the point formed by the intersection of the northerly line of Nugent Street with the easterly line of Ascot Avenue;

Thence along the northwardly prolongation of the easterly line of Ascot Avenue and along the easterly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 60 feet to the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 7.50 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Nugent Street and the Bed of the Intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue.

(F.) Part of bed of Eleanor Street between Boyle Place and Lawn Avenue described as part of bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249; more particularly bounded and described as follows:

BEGINNING at a point on the northwesterly line of Eleanor Street (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southeasterly line of Tax Lot 2 in Tax Block 2250 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995 distant 480 feet southwestwardly, as measured along said northwesterly line of Eleanor Street, from the point formed by the intersection of said northwesterly line of Eleanor Street with the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Tax Block 2249 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Running thence South 22 degrees 57 minutes 20 seconds East 25 feet to a point on the center line of Eleanor Street;

Thence along the center line of Eleanor Street South 67 degrees 02 minutes 40 seconds West 132.71 feet to a point on the northeasterly line of Tax Block 2266 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Thence along said northeasterly line of Tax Block 2266 North 53 degrees 05 minutes 31 seconds West 28.91 feet to a point on said northwesterly line of Eleanor Street;

Thence along said northwesterly line of Eleanor Street North 67 degrees 02 minutes 40 seconds East 147.23 feet to the point or place of beginning.

The above described parcel consists of part of the bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249.

THIRD SET

The third set of properties to be acquired is a sewer easement between St. George Road and St. Andrews Road and part of Ascot Avenue in fee simple absolute between Nugent Street and St. George Road.

The sewer easement to be acquired is between St. George Road and St. Andrews road is described as a twenty foot wide sewer easement which runs through portions of Tax Lots 6, 14, 67 and 70 in Staten Island Tax Block 2292 between St. George Road and St. Andrews Road on and over the following described plot, piece or parcel of land; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Saint Andrews Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 14, 6 and 1 in Tax Block 2292 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 250.00 feet westwardly, as measured along said northerly line of Saint Andrews Road, from the point formed by the intersection of said northerly line of Saint Andrews Road with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence through Tax Lots 6 and 70 in Tax Block 2292 north 9 degrees, 21 minutes, 05 seconds west 200.00 feet to a point on the southerly line of Saint George Road;

Thence along said southerly line of Saint George Road south 80 degrees, 38 minutes, 55 seconds west 20.00 feet to a point;

Thence through Tax Lots 67 and 14 in Tax Block 2292 south 9 degrees, 21 minutes, 05 seconds east 200.00 feet to a point on said northerly line of Saint Andrews Road;

Thence along said northerly line of Saint Andrews Road north 80 degrees, 38 minutes, 55 seconds east 20.00 feet to the point or place of beginning.

The part of Ascot Avenue to be acquired in fee simple absolute is between Nugent Street and St. George Road included in the third set of properties to be acquired is described as part of bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Running thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 62.50 feet;

Thence South 89 degrees 18 minutes 56 seconds East 60.84 feet to the point formed by the intersection of the dividing line between Tax Lots 1 and 7 in Tax Block 2264 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998 with the easterly line of Ascot Avenue;

Thence along the easterly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 70 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF KINGS: IA PART 74

NOTICE OF ACQUISITION
INDEX NO. 45962/99

In the Matter of the Application of the **CITY OF NEW YORK,** relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for the **CROWN HEIGHTS 4TH AMENDED URBAN RENEWAL PLAN (Weeksville Sites 2A, 2B, 2C, 2D)** located in the area generally bounded by Rochester Avenue, Bergen Street, Ralph Avenue and St. Marks Avenue in the Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on January 27, 2000, the application of the City of New York to acquire certain real property, for the Crown Heights 4th Amended Urban Renewal Plan, was granted and the City was thereby authorized to file an acquisition map and the order with the Clerk of the Court of Kings County or with the City Register. Said map, showing the property acquired by the City, along with the order were filed with the City Register on January 27, 2000. Title to the real property vested in the City of New York on January 27, 2000.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1356	11,13,14,15,17,18,19, 21, 22,23,30,31,32,33, 34,35,37,38,39,40,41,42, 43,44,45, 49,50,51,53,54,57
1357	1,2,3

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before January 27, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

(A) the name and post office address of the condemnee;

(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before January 27, 2002 (which is two (2) year calendar years from the title vesting date).

DIVISION OF REAL ESTATE SERVICES

PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on January 26, 2000, February 9, 2000, and February 23, 2000 in the Public Hearing Chamber, Room 16, 2nd floor, City Hall, in the Borough of Manhattan.
These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated December 8, 1999. The mortgage interest rate is set at 8.5%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.

They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on May 10, 2000.

Brochures for this sale are available and may be obtained at 1 Centre Street, 19th Floor North, New York, New York 10007 or by calling (212) 669-8888.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed

qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of

submission. Any denial or revocation of prequalified status can be appealed to the

Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension

DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement**/only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition *For ongoing construction project only:*
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default

For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE.....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ SOLICITATIONS

Services

DAY CARE SERVICES – NA – PIN# 06800ACS0087 – DUE 06-09-00 AT 6:00 P.M. – The Administration for Children's Services/Agency for Child Development is soliciting proposals from qualified organizations to operate **existing** and **new** group and family day care programs located throughout New York City. The programs are listed in the RFP document.

To be eligible to apply, organizations must be incorporated, not-for-profit and tax exempt, and must be currently operating at least one human or client services program for which an evaluation is available from a funding, licensing or other oversight agency. An organization must submit a proposal in response to this RFP in order to be considered to operate that program in the future. The RFP specifies which programs shall continue at the same facility and the programs for which an organization shall propose a facility. In the latter case, proposed facilities shall be within a half-mile radius of the current facility, and shall be in licensable condition at the time of award for the same components and capacities, so that the program can continue to serve the children currently enrolled. (If a new program, the half mile radius does not apply). In addition, the RFP contains the requirements and specifications applicable for new solicitations. No facility renovation funds will be provided by ACD. The programs must be fully operational on October 1, 2000, i.e., must be licensed and serving children. ACS will hold two non-mandatory pre-proposal conferences on May 16, 2000 from 10:00 a.m. to 12:00 noon and 2:00 p.m. to 4:00 p.m., at ACD, 30 Main Street, Brooklyn, N.Y. 11201. Call the Agency contact person listed below no later than May 11, 2000 to make reservations. All Request For Proposals must be picked up at 150 William Street, 9th Fl., from 9:00 a.m. to 6:00 p.m., beginning on April 28, 2000. Proposals are due no later than 6:00 p.m. on June 9, 2000. From the date this RFP is issued until the award of the contracts, **no contact with Agency personnel related to this solicitation is permitted, except as shall be authorized by the Agency contact person:** Amorie Stephens, Administration for Children's Services, Office of Day Care Contracts, 150 William Street, New York, NY 10038, Telephone: (212) 341-3445; Fax: (212) 341-9828.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

STUYVESANT COVE ENVIRONMENTAL CENTER – CP/2 – DUE 05-10-00 AT 3:00 P.M. – Is seeking the development of an Environmental Center that will successfully be integrated with a new two-acre riverfront park. Currently under construction, Stuyvesant Cove Park is located along the Manhattan waterfront, between East 18th Street and East 23rd Street. The design of the park interprets the relationship between the urban and the natural environment and the East River ecology. It is envisioned that the Environmental Center will use the park as a teaching tool and direct environmental programs serving the local community, adjacent schools and general public. Through this RFP we hope to solicit creative and innovative programming for the Environmental Center and Stuyvesant Cove Park. Complete development and guidelines and submission requirements are enclosed in the RFP. To obtain a copy of the RFP please contact Cheryl Elmore, Director Contract Administration and Procurement, EDC, 110 William Street, New York, NY 10038, 212-312-3969.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for

homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

SPECIAL MATERIALS

HEALTH

■ NOTICE

Resolution of the Board of Health of the Department of Health of the City of New York

At a meeting of the Board of Health of the Department of Health, held April 18, 2000, the following resolution was adopted:

Whereas, the Board of Health has taken and filed among its records reports that in areas throughout the City of New York there are sunken lots, property below grade, or other places which are insufficiently drained and where water may accumulate and stagnant water may collect; and

Whereas, upon these and other properties, there are household and other items including, but not limited to, tires, flower pots, household or other containers such as, trash, garbage and recycling containers without drainage holes, roof gutters clogged with leaves or other debris, swimming and wading pools, bird baths, swimming pool covers, outdoor plumbing fixtures and hose bibs dripping water to the ground and other materials, appurtenances and fixtures which allow the accumulation of water; and

Whereas, such accumulations of water create conditions conducive to insect life in general, and to the breeding and nurturing of mosquitoes in particular; and

Whereas, certain mosquitoes have been found to harbor viral diseases, including West Nile Virus/encephalitis, which are transmissible to and may be fatal to humans; and

Whereas, mosquitoes breed rapidly, and the potential presence of West Nile Virus is immediately dangerous to life and health; and

Whereas, the Board of Health regards the aforesaid reports as sufficient proof to authorize the declaration that any accumulations of water in which mosquitoes may breed are in a condition and in effect immediately dangerous to human life and health and constitute a public nuisance; and

Whereas, immediate abatement of such nuisances is necessary to prevent the breeding and proliferation of infectious mosquitoes; and

Whereas, personal service or service pursuant to subdivisions (a) or (b) of §17-148 of the Administrative Code of the City of New York of orders requiring the abatement of such nuisance and conditions in effect dangerous to life and health upon each of the persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York, has a duty or liability to abate such nuisance and conditions, would result in a delay prejudicial to the public health, welfare, and safety; now, therefore, be it

Resolved, that the Board of Health hereby declares that such places having an accumulation of water capable of breeding mosquitoes are in a condition and in effect immediately dangerous to life and health and constitute a public nuisance; and be it further

Resolved, that the Board of Health hereby declares that such nuisances are widespread throughout the City; and be it further

Resolved, that all persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York and such other chapters, titles, sections, laws or rules as are applicable thereto, have the duty or liability to abate such nuisance and conditions in effect dangerous to life and health, are hereby ordered to forthwith abate such nuisance and conditions in effect dangerous to life and health by eliminating such accumulations of water and the conditions conducive to further accumulation, or by otherwise eliminating the capacity of accumulated water to support mosquito breeding; and be it further

Resolved, that in the event that such persons or any of them shall fail to comply with this order within five days after service thereof pursuant to §17-148 of the Administrative Code of the City of New York, the Department of Health is hereby authorized and directed to take all necessary steps to forthwith secure the abatement of said nuisances and conditions in effect dangerous to life and health.

Resolved further, that this resolution shall take effect immediately.

(As adopted by the Board of Health on April 18, 2000)

DEPARTMENT OF CITY PLANNING
OFFICE OF MANAGEMENT AND BUDGET
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
NOTICE OF PROPOSED PROGRAM CHANGES TO THE 2000 CONSOLIDATED PLAN
NOTICE OF AVAILABILITY OF PROPOSED CITY FISCAL YEAR 2001
COMMUNITY DEVELOPMENT PROGRAM
DESCRIPTIONS & BUDGET

TO ALL AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

Modification to the Community Development Block Grant Program
Pursuant to Section 91.105(c) of the Department of Housing and Urban Development's (HUD) Consolidated Plan Regulations, the City proposes changes in the 2000 Consolidated Plan/Twenty-Sixth Community Development Program Year (CD 26), effective July 1, 2000. The proposed changes to CD are identified in the "Proposed City Fiscal Year 2001 Community Development Program". This document also contains the Proposed Revised CD Year 26 Budget (which will be incorporated into the Amended 2000 Consolidated Plan) and the Proposed CD Year 27 Budget (which will be incorporated into the Proposed 2001 Consolidated Plan).

The "Proposed City Fiscal Year 2001 Community Development Program" document is available, one copy per person or organization, at the following locations:

The Department of City Planning, The Book Store, 22 Reade Street, 1st Floor, New York, New York 10007 10 a.m - 4 p.m.

The Office of Management and Budget, 75 Park Place, 8th Floor Reception Area, New York, New York 10007 10 a.m. - 5 p.m.

Written comments on the proposed changes should be directed to Charles Sorrentino, Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street, 4th Floor, New York, New York 10007 by May 19, 2000.

City of New York: Joseph B. Rose, Director, Department of City Planning

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37 - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45 - 17 Ten Eyck Street

3 - 2791 - 46 - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35 - 37 Ten Eyck Street

BOROUGH OF BROOKLYN
CD 1 C 970371 HUK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the Maujer Street Urban Renewal Plan, for the Maujer Street Urban Renewal Area.

The proposed plan provides for the acquisition of 21 parcels (15 privately owned) to be designated as 5 sites for the development of 23 three-family homes.

The following properties are proposed for acquisition:

Site - Block - Lot - Address

1 - 2785 - 42* - 39 Maujer Street

1 - 2785 - 43* - 37 Maujer Street

1 - 2785 - 44 - 33 Maujer Street

2 - 2791 - 7 - 324 Union Avenue

2 - 2791 - 8 - 328 Union Avenue

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37* - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45* - 17 Ten Eyck Street

3 - 2791 - 46* - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35* - 37 Ten Eyck Street

All mapped and/or built streets within the Project Boundary.

* City Owned Property

BOROUGH OF BROOKLYN
CD 1 C 970372 HDK

IN THE MATTER OF an application, submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 197-c of the New York City Charter, for the disposition of city-owned property, comprising the following sites within the Maujer Street Urban Renewal Area to a developer to be selected by HPD.

Site - Block - Lot - Address

1 - 2785 - 42 - 39 Maujer Street

1 - 2785 - 43 - 37 Maujer Street

1 - 2785 - 44 - 33 Maujer Street

2 - 2791 - 7 - 324 Union Avenue

2 - 2791 - 8 - 328 Union Avenue

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37 - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45 - 17 Ten Eyck Street

3 - 2791 - 46 - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35 - 37 Ten Eyck Street

The disposition would facilitate development of 23 three-family homes.

BOROUGH OF BROOKLYN
CD 4 C 000290 HAK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State **for:**

a) the designation of 68, 70, 72, 76 & 78 Troutman Street and 176, 178, 180, 186, 190 & 192 Evergreen Avenue (Block 3183, Lots 33-36, 38-43 & 45), as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor/ developer selected by HPD;

to facilitate construction of a six story building, tentatively known as Troutman-Evergreen Senior Housing, with 81 units of rental housing for elderly persons of low income (plus one unit for the superintendent), to be developed under the Federal Section 202 Supportive Housing Program for the Elderly.

BOROUGH OF MANHATTAN
CD 9 N 000518 HKM

IN THE MATTER OF a communication dated April 7, 2000 from the Executive Director of the Landmarks Preservation Commission regarding the landmark designation of the **Hamilton Heights Historic District Extension,** by the Landmarks Preservation Commission on March 28, 2000 (List No. 312). The boundaries are:

Area I: Property bounded by a line beginning at a point in the center of the intersection of St. Nicholas Avenue and West 145th Street, then extending southerly along a line in the middle of the roadbed of St. Nicholas Avenue to a point on a line extending easterly from the southern property line of 695 St. Nicholas Avenue (aka 394-398 West 145th Street), westerly along a line extending easterly from the southern property lines of 695 St. Nicholas Avenue (aka 394-398 West 145th Street) and 400 through 418 West 145th Street, northerly along the western property line of 418 West 145th Street, northerly along a line extending northerly from the western property line of 418 West 145th Street to a point in the middle of the roadbed of West 145th Street, and easterly along a line in the middle of the roadbed of West 145th Street, to the point of beginning.

Area II: Property bounded by a line beginning at the point of intersection of the northern and eastern property lines of 63-75 Hamilton Terrace, then extending southerly along the eastern property lines of 63-75 Hamilton Terrace and 53-61 Hamilton Terrace, westerly along the southern property line of 53-61 Hamilton Terrace, westerly along a line extending westerly from the southern property line of 53-61 Hamilton Terrace to a point on a line in the roadbed that extends southerly from the eastern property line of 413 West 144th Street, northerly along said line in the roadbed (this line is part of the eastern boundary of the Hamilton Heights Historic District), easterly along part of the southern property line of Lot 136, and easterly along the northern property line of 63-75 Hamilton Terrace, to the point of beginning.

Area III: Property bounded by a line beginning at a point in the center of the intersection of Convent Avenue and West 141st Street, then extending southerly along a line in the middle of the roadbed of Covent Avenue to a point in the middle of the intersection of Convent Avenue and West 140th Street, westerly along a line in the middle of the roadbed of West 140th Street to a point on a line extending southerly from the western property line of 260 Convent Avenue (aka 451 West 140th Street), northerly along a line extending southerly from the western property line of 260 Convent Avenue (aka 451 West 140th Street), northerly along the western property lines of 260 Convent Avenue (aka 451 West 140th Street) and 270 Convent Avenue (aka 444-50 West 141st Street), northerly along a line extending northerly from the western property line of 270 Convent Avenue (444-50 West 141st Street) to a point in the middle of the roadbed of West 141st Street, and easterly along the middle of the roadbed of West 141st Street, to the point of beginning.

Area IV: Property bounded by a line beginning a point in the center of the intersection of Amsterdam Avenue and West 145th Street, then extending easterly along a line in the middle of the roadbed of West 145th Street to a point on a line extending northerly from the eastern property line of 450 West 145th Street, southerly along a line extending northerly from the eastern property line of 450 West 145th Street, southerly along the eastern property line of 450 West 145th Street, westerly along the southern property lines of 450 through 476 West 145th Street, southerly along the

eastern property line of 477 West 144th Street (aka 1697-1705 Amsterdam Avenue), southerly across West 144th Street, southerly along the eastern property lines of 476 West 144th Street (aka 1689-1695 Amsterdam Avenue) and 477 West 143rd Street (aka 1681-1687 Amsterdam Avenue), southerly along a line extending southerly from the eastern property line of 477 West 143rd Street (aka 1689-1687 Amsterdam) to a point in the middle of the roadbed of West 143rd Street, easterly along a line in the middle of the roadbed of West 143rd Street to a point in the center of the intersection of West 143rd Street and Convent Avenue, southerly along a line in the middle of the roadbed of Convent Avenue to a point in the center of the intersection of Convent Avenue and West 142nd Street, westerly along a line in the middle of the roadbed of West 142nd Street to a point on a line extending northerly from part of the eastern property line of 1641-1659 Amsterdam Avenue, southerly along part of the eastern property line of 1641-1659 Amsterdam Avenue, easterly along part of the northern property line of 1641-1659 Amsterdam Avenue, southerly along part of the eastern property line of 1641-1659 Amsterdam Avenue, southerly across West 141st Street, southerly along the eastern property line of 476 West 141st Street (aka 1627-1633 Amsterdam Avenue), easterly along part of the northern property line of 477 West 140th Street (aka 1619-1625 Amsterdam Avenue), southerly along the eastern property line of 477 West 140th Street, southerly along a line extending southerly from the eastern property line of 477 West 140th Street (aka 1619-1625 Amsterdam Avenue), to point on a line in the middle of the roadbed of West 140th Street, westerly along a line in the middle of the roadbed of West 140th Street to a point in the center of the intersection of West 140th Street and Amsterdam Avenue, and northerly along a line in the middle of the roadbed of Amsterdam Avenue, to the point of beginning.

BOROUGH OF QUEENS
CD 12 C 990311 MMQ

IN THE MATTER OF an application submitted by the Queens Borough President's Office, pursuant to Sections 197-c and 199 of the New York City Charter, **for an amendment to the City Map involving the elimination of a portion of 158th Street between Beaver Road and Liberty Avenue,** the adjustment of grades necessitated thereby, and any acquisition or disposition of real property related thereto, in accordance with Map No. 4947 dated December 29, 1999 and signed by the Borough President.

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Tuesday, May 2, 2000:

BROOKLYN CB-1 C 990449 PPK

Application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the disposition of seven (7) city-owned properties located at South 8 Street (Block 2136/Lot 111), Driggs Avenue (Block 2446/Lot 62), 377 Broadway (Block 2463/Lot 34), 54 Morgan Avenue (Block 3003/Lot 3), 316 Maujer Street (Block 3021/Lot 22), 207 Meserole Street (Block 3045/Lot 23), and Varet Street (Block 3109/Lot 53), pursuant to zoning.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20005386 HAX through 20005395 HAK and Section 696 of the General Municipal Law for Non-ULURP Nos. 20005381 HAK through 20005385 HAX and 20005396 HAK.

HOUSING AUTHORITY

■ PUBLIC HEARINGS

Public Meetings: HOPE VI Revitalization Program
ALERT: CHANGE OF DATE AND LOCATION

The New York City Housing Authority plans to submit an application for HOPE VI funding to revitalize Randolph Houses pursuant to a Notice of Funding Availability (NOFA) for the Revitalization of Several Distressed Public Housing. The NOFA was issued by the U.S. Department of Housing and Urban Development (HUD) on February 24, 2000. Randolph Houses' building are located at 204-246 West 114th Street and 251-265 West 114th Street. The NOFA requires that applicants hold at least three public meetings with residents and

community members to involve them in the process of preparing the application.

New Date: May 10, 2000
Time: 7:00 PM

New Place: Wadleigh High School, 215 West 114th Street, New York, NY 10027

Copies of the Draft HOPE VI Application will be available for review. For further information please contact David Parsons, Assistant Director, Housing Finance and Development Department, at (212) 306-4391.

SCHOOL CONSTRUCTION AUTHORITY

■ PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING PURSUANT TO ARTICLE 2 OF THE NEW YORK EMINENT DOMAIN PROCEDURE LAW

The New York City School Construction Authority ("SCA") will hold a public hearing on Wednesday, May 10, 2000 at 2:00 PM, pursuant to Article 2 of the New York State Eminent Domain Procedure Law with respect to the SCA's proposed acquisition, by condemnation, of Tax Block 9176, Lots 100 and 130 and Block 9172, Lots 85 (portion) and 150 (portion) and the intervening, unbuilt portions of the street beds of 99th Street between Rockaway Boulevard and Plattwood Avenue and 109th Avenue between 98th and 99th Streets, located at 109-01 98th Street in the borough of Queens, City and State of New York, for the purpose of constructing an intermediate school at the site, pursuant to the Board of Education's Five Year Capital Plan. The property is located in the Ozone Park section of Queens. The hearing will be held at the offices of Community School District 27, located at 82-01 Rockaway Boulevard, Ozone Park, New York.

The purposes of the hearing are to inform the public of the proposed project, to review the public use to be served by the proposed project and to give all interested persons and opportunity to be heard concerning the proposed public project. All persons are invited to attend the hearing and to present oral and/or written statements concerning the proposed acquisition. The SCA will accept written comments on the proposed project at the address listed below until May 16, 2000. Materials relating to the project are available for examination during normal business hours at the Legal Department of the SCA at 30-30 Thomson Avenue, Long Island City, New York 11101. For further information, contact Ross J. Holden, Vice President and General Counsel of the SCA at (718) 472-8220.

COURT NOTICES

SUPREME COURT

■ NOTICE

SUPREME COURT, QUEENS COUNTY
NOTICE OF ACQUISITION.
QUEENS COUNTY
INDEX NUMBER 4333/00

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT** located in an area generally bounded by Beach Channel Drive on the North, Beach 39th Street on the East, Rockaway Beach Boulevard on the South and Beach 46th Street on the West in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on April 4, 2000, the application of the City of New York to acquire certain real property, for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT,** was granted, however Block 15834 Lot 17 was excluded from the proceeding. The City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on February 11, 2000. Title to the real property vested in the City of New York on April 6, 2000.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
15829	1, 2, 6, 8, 9, 11,13, 15, 21, 23, 24, 52, 54, 58
15830	6, 7, 9, 15, 16, 17, 19, 23, 26, 28, 30, 38, 39, 45, 46, 50, 51, 52, 53, 54, 55, 59
15831	1, 29,50
15833	1, 7, 9, 10, 12, 14, 16, 18, 20, 46, 55, 58, 71, 73
15834	1, 11, 19, 21, 24, 25, 26, 28, 38, 42, 43, 45, 53, 54, 56, 58, 62, 64, 158
15835	29
15836	1, 7, 22
15837	29, 31, 33, 41, 47, 49, 51, 52, 54, 64, 65, 66, 67, 69

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and

504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before April 6, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.
PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before April 6, 2002 (which is two (2) year calendar years from the title vesting date).

Dated: New York, New York, April 7, 2000
MICHAEL D. HESS, Corporation Counsel
of the City of New York
Attorney for the Condemnor
100 Church Street, New York,
New York 10007
Tel. (212) 788-0705

a17-28

SUPREME COURT, RICHMOND COUNTY
NOTICE OF PETITION
INDEX NO. CITY # CY 3019/00

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property and a Sewer Easement where not heretofore acquired for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** located in the area generally bounded by Mace Street, Richmond Hill Road, St. George Road, Aultman Avenue, St. Andrews Road, Lighthouse Avenue and Boyle Place, including the portions of the mapped street beds of Mace Street, Spruce Street, Nugent Street, Eleanor Street and Ascot Avenue along Richmond Creek Community District 2, in the Borough of Staten Island, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Richmond County, IA Part 74, for certain relief.

The application will be made at the following time and place: At IA Part 74 of the Supreme Court, 360 Adams Street, in the Borough of Brooklyn, City and State of New York, on May 11, 2000, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Richmond County;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property and a sewer easement where not heretofore acquired for the same purpose, for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** in the Borough of Staten Island City and State of New York.

The description of the real property to be acquired is as follows:

All or part of those certain tracts of land, parcels, or places of land together with any improvements erected thereon, situated, lying, and being in Community District 2, Borough of Staten Island, County of Richmond, City and State of New York, delineating three sets of parcels situated within the Richmond Creek Staten Island Bluebelt System.

FIRST SET

The first set to be acquired in fee simple absolute includes: Block 2290, Lots 29, 31, and 37; Block 2283, Lot 66; and part of the bed of Spruce Street between St. George Road and St. Andrews Road described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Saint George Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 49 in Tax Block 2283 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Spruce Street (60 feet wide as adopted by The City of New York);

Running thence along the eastwardly prolongation of said southerly line of Saint George Road North 81 degrees 13 minutes 28 seconds East 30.00 feet to a point on the center line of Spruce Street (60 feet wide as adopted by The City of New York);

Thence along said center line of Spruce Street and along the southwardly prolongation of said center line of Spruce Street South 8 degrees 51 minutes 55 seconds East 225.00 feet to a point;

Thence South 81 degrees 13 minutes 28 seconds West 38.12 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 in Tax Block 2282 North 18 degrees 43 minutes 37 seconds West 25.38 feet to a point on the northerly line of St. Andrews Road (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southerly line of Tax Lot 66 in Tax Block 2283;

Thence along said northerly line of St. Andrews Road North 81 degrees 13 minutes 28 seconds East 12.46 feet to a point on said westerly line of Spruce Street;

Thence along said westerly line of Spruce Street North 8 degrees 51 minutes 55 seconds West 200.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Spruce Street, Part of the Bed of St. Andrews Road and Part of the Bed of the Intersection of Spruce Street and St. Andrews Road between the southerly line of St. George Road (50 feet wide) and a line parallel to and distant 225 feet southwardly from the southerly line of St. George Road (50 feet wide).

SECOND SET

The second set of properties to be acquired in fee simple absolute includes:

(A.) Part of mapped street bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 37, 29, 25 and 15 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Richmond Hill Road (70 feet wide as adopted by The City of New York);

Running thence along said southerly line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 481.77 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 15 and Tax Lot 67 in Tax Block 2290;

Thence north 09 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 481.77 feet to a point on the northwardly prolongation of said easterly line of Richmond Hill Road;

Thence along said northwardly prolongation of said easterly line of Richmond Hill Road south 09 degrees, 21 minutes, 28 seconds east 25.00 feet to the point or place of beginning.
The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290.

(B.) Part of Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 83, 6, 9 and 12 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 280.00 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 12 and Tax Lot 67 in Tax Block 2290;

Thence north 9 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 280.00 feet to a point on the northwardly prolongation of said westerly line of Lighthouse Avenue;

Thence along said northwardly prolongation of said westerly line of Lighthouse Avenue south 9 degrees, 21 minutes, 05 seconds east 25.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290.

(C.) Part of Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 8, 28, 15 and 18 in Tax Block 2281 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street (50 feet wide) north 80 degrees, 38 minutes, 55 seconds east 277.27 feet to the easterly line of Tax Lot 18 in Tax Bock 2281;

Thence along the easterly line of Tax Lot 18 in Tax Block 2281 south 10 degrees, 01 minutes, 33 seconds east 5 feet to a point on the southerly line of Mace Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island;

Thence along the southerly line of Mace Street (60 feet wide) through Tax Lot 171 in Tax Block 2281 north 77 degrees, 27 minutes, 33 seconds east 142.98 feet to a point on the westerly line of Tax Lot 162 in Tax Block 2281;

Thence north 16 degrees, 34 minutes, 37 seconds west 30.07 feet along the westerly line of Tax Lot 162 in Tax Block 2281 and to a point on the center line of Mace Street (60 feet wide);

Thence along the center line of Mace Street (60 feet wide) south 77 degrees, 27 minutes, 33 seconds west 140.03 feet to an angle point therein;

Thence still along the center line of Mace Street (60 feet wide) south 80 degrees, 38 minutes, 55 seconds west 276.97 feet to a point on the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide);

Thence along the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide) south 9 degrees, 21 minutes, 05 seconds east 25 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island.

(D.) Part of the bed of Spruce Street between Mace Street and St. Andrews Road, described as Staten Island Tax Block 2280 Tax Lot Part of 18, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 18, 15, 13, 7, 4, 1 and 61 in Tax Block 2280 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 440 feet westwardly, as measured along said northerly line of Mace Street, from the point formed by the intersection of said northerly line of Mace Street with the westerly line of Aultman Avenue, said point of beginning also being the point formed by the intersection of said northerly line of Mace Street with the prolongation southwardly of the easterly line of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island (60 feet wide);

Running thence along said prolongation southwardly and along said easterly line of Spruce Street through Tax Lot 18 in Tax Block 2280 North 8 degrees 51 minutes 55 seconds West 125 feet to a point on the line which divides Tax Lots 18 and 30 in Tax Block 2280;

Thence along the line which divides Tax Lots 18 and 30 in Tax Block 2280 South 81 degrees 13 minutes 28 seconds West 42.03 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 and an easterly line of Tax Lot 40 in Tax Block 2282 South 18 degrees 43 minutes 37 seconds East 126.91 feet to a point on said northerly line of Mace Street;

Thence along said northerly line of Mace Street North 81 degrees 13 minutes 28 seconds East 20.30 feet to the point or place of beginning.

The above described parcel consists of Part of Tax Lot 18 in Staten Island Tax Block 2280, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280.

(E.) Part of the bed of Nugent Street between Aultman Avenue and Ascot Avenue described as part of bed of Nugent Street and bed of intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 31 in Tax Block 2271 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Ascot Avenue;

Running thence along said southerly line of Nugent Street South 81 degrees 13 minutes 28 seconds West 40 feet to a point on the dividing line between Tax Lots 31 and 29 in Tax Block 2271;

Thence North 8 degrees 51 minutes 55 seconds West 50 feet to a point on the northerly line of Nugent Street;

Thence along the northerly line of Nugent Street and along the eastwardly prolongation of the northerly line of Nugent Street North 81 degrees 13 minutes 28 seconds East 100 feet to the point formed by the intersection of the northerly line of Nugent Street with the easterly line of Ascot Avenue;

Thence along the northwardly prolongation of the easterly line of Ascot Avenue and along the easterly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 60 feet to the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 7.50 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Nugent Street and the Bed of the Intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue.

(F.) Part of bed of Eleanor Street between Boyle Place and Lawn Avenue described as part of bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249; more particularly bounded and described as follows:

BEGINNING at a point on the northwesterly line of Eleanor Street (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southeasterly line of Tax Lot 2 in Tax Block 2250 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995 distant 480 feet southwestwardly, as measured along said northwesterly line of Eleanor Street, from the point formed by the intersection of said northwesterly line of Eleanor Street with the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Tax Block 2249 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Running thence South 22 degrees 57 minutes 20 seconds East 25 feet to a point on the center line of Eleanor Street;

Thence along the center line of Eleanor Street South 67 degrees 02 minutes 40 seconds West 132.71 feet to a point on the northeasterly line of Tax Block 2266 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Thence along said northeasterly line of Tax Block 2266 North 53 degrees 05 minutes 31 seconds West 28.91 feet to a point on said northwesterly line of Eleanor Street;

Thence along said northwesterly line of Eleanor Street North 67 degrees 02 minutes 40 seconds East 147.23 feet to the point or place of beginning.

The above described parcel consists of part of the bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249.

THIRD SET

The third set of properties to be acquired is a sewer easement between St. George Road and St. Andrews Road and part of Ascot Avenue in fee simple absolute between Nugent Street and St. George Road.

The sewer easement to be acquired is between St. George Road and St. Andrews road is described as a twenty foot wide sewer easement which runs through portions of Tax Lots 6, 14, 67 and 70 in Staten Island Tax Block 2292 between St. George Road and St. Andrews Road on and over the following described plot, piece or parcel of land; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Saint Andrews Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 14, 6 and 1 in Tax Block 2292 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 250.00 feet westwardly, as measured along said northerly line of Saint Andrews Road, from the point formed by the intersection of said northerly line of Saint Andrews Road with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence through Tax Lots 6 and 70 in Tax Block 2292 north 9 degrees, 21 minutes, 05 seconds west 200.00 feet to a point on the southerly line of Saint George Road;

Thence along said southerly line of Saint George Road south 80 degrees, 38 minutes, 55 seconds west 20.00 feet to a point;

Thence through Tax Lots 67 and 14 in Tax Block 2292 south 9 degrees, 21 minutes, 05 seconds east 200.00 feet to a point on said northerly line of Saint Andrews Road;

Thence along said northerly line of Saint Andrews Road north 80 degrees, 38 minutes, 55 seconds east 20.00 feet to the point or place of beginning.

The part of Ascot Avenue to be acquired in fee simple absolute is between Nugent Street and St. George Road included in the third set of properties to be acquired is described as part of bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Running thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 62.50 feet;

Thence South 89 degrees 18 minutes 56 seconds East 60.84 feet to the point formed by the intersection of the dividing line between Tax Lots 1 and 7 in Tax Block 2264 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998 with the easterly line of Ascot Avenue;

Thence along the easterly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 70 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF KINGS: IA PART 74

NOTICE OF ACQUISITION
INDEX NO. 45962/99

In the Matter of the Application of the **CITY OF NEW YORK,** relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for the **CROWN HEIGHTS 4TH AMENDED URBAN RENEWAL PLAN (Weeksville Sites 2A, 2B, 2C, 2D)** located in the area generally bounded by Rochester Avenue, Bergen Street, Ralph Avenue and St. Marks Avenue in the Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on January 27, 2000, the application of the City of New York to acquire certain real property, for the Crown Heights 4th Amended Urban Renewal Plan, was granted and the City was thereby authorized to file an acquisition map and the order with the Clerk of the Court of Kings County or with the City Register. Said map, showing the property acquired by the City, along with the order were filed with the City Register on January 27, 2000. Title to the real property vested in the City of New York on January 27, 2000.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1356	11,13,14,15,17,18,19, 21, 22,23,30,31,32,33, 34,35,37,38,39,40,41,42, 43,44,45, 49,50,51,53,54,57
1357	1,2,3

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before January 27, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

(A) the name and post office address of the condemnee;

(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.
PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before January 27, 2002 (which is two (2) year calendar years from the title vesting date).

Dated: New York, New York
April 13, 2000

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

■ **PUBLIC HEARINGS**

DIVISION OF REAL ESTATE SERVICES

PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on January 26, 2000, February 9, 2000, and February 23, 2000 in the Public Hearing Chamber, Room 16, 2nd floor, City Hall, in the Borough of Manhattan.
These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated December 8, 1999. The mortgage interest rate is set at 8.5%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.

They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on May 10, 2000.

Brochures for this sale are available and may be obtained at 1 Centre Street, 19th Floor North, New York, New York 10007 or by calling (212) 669-8888.

a21-m4

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension

DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

*CP .....**Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition *For ongoing construction project only:*
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental**

Purchasing (award only)
IG/F.....Federal
IG/S.....State
IG/O.....Other
EM.....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC.....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE.....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

Numbered Notes are Footnotes. If a Numbered Note is referenced in a notice, the note so referenced must be read as part of the notice. **1.** All bid deposits must be by company certified check or money order made payable to Agency or Company.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ **SOLICITATIONS**

Services

DAY CARE SERVICES – NA – PIN# 06800ACS0087 – DUE 06-09-00 AT 6:00 P.M. – The Administration for Children's Services/Agency for Child Development is soliciting proposals from qualified organizations to operate **existing** and **new** group and family day care programs located throughout New York City. The programs are listed in the RFP document.

To be eligible to apply, organizations must be incorporated, not-for-profit and tax exempt, and must be currently operating at least one human or client services program for which an evaluation is available from a funding, licensing or other oversight agency. An organization must submit a proposal in response to this RFP in order to be considered to operate that program in the future. The RFP specifies which programs shall continue at the same facility and the programs for which an organization shall propose a facility. In the latter case, proposed facilities shall be within a half-mile radius of the current facility, and shall be in licensable condition at the time of award for the same components and capacities, so that the program can continue to serve the children currently enrolled. (If a new program, the half mile radius does not apply). In addition, the RFP contains the requirements and specifications applicable for new solicitations. No facility renovation funds will be provided by ACD. The programs must be fully operational on October 1, 2000, i.e., must be licensed and serving children. ACS will hold two non-mandatory pre-proposal conferences on May 16, 2000 from 10:00 a.m. to 12:00 noon and 2:00 p.m. to 4:00 p.m., at ACD, 30 Main Street, Brooklyn, N.Y. 11201. Call the Agency contact person listed below no later than May 11, 2000 to make reservations. All Request For Proposals must be picked up at 150 William Street, 9th Fl., from 9:00 a.m. to 6:00 p.m., beginning on April 28, 2000. Proposals are due no later than 6:00 p.m. on June 9, 2000. From the date this RFP is issued until the award of the contracts, **no contact with Agency personnel related to this solicitation is permitted, except as shall be authorized by the Agency contact person:** Amorie Stephens, Administration for Children's Services, Office of Day Care Contracts, 150 William Street, New York, NY 10038, Telephone: (212) 341-3445; Fax: (212) 341-9828.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

CONTRACT ADMINISTRATION AND PROCUREMENT

■ **SOLICITATIONS**

Construction / Construction Services

REAL ESTATE APPRAISAL SERVICES – CP/PQ/4 – DUE 05-30-00 AT 3:00 PM – Appraisal services are needed primarily for commercial, retail and industrial sites throughout New York City. EDC may enter into a retainer contract with qualified firms that submit proposals. The services provided under an agreement would include appraisal of both developed and undeveloped property as well as the review of appraisals performed by others. EDC will only consider firms with at least one principal designated, as an MAI and preference will be given to firms with experience appraising properties in the five boroughs of New York City.

Detailed guidelines and submission requirements are outlined in the RFP, which is available from EDC. To obtain an RFP, you may pick up the package at our office located at 110 William Street 6th Floor, New York, NY 10038 or submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; or by e-mail to info@newyorkbiz.com, referring to AS-0400 in the subject line. Proposals must be submitted to EDC by Tuesday, May 30, 2000, 3:00 pm.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

☛ **a27-m30**

TEMPORARY OPERATION OF INDOOR TENNIS AND RECREATIONAL FACILITY, PEIRS 13 AND 14, MANHATTAN – CP/PQ/4 – DUE 05-19-00 AT 3:00 PM – The New York City Economic Development Corporation (EDC) on behalf of the City of New York, is seeking proposals for the **temporary** operation of an indoor tennis and recreational facility located at Piers 13 and 14 in Lower Manhattan, just south of the South Street Seaport. EDC is seeking proposals for the operation of the facility on a one-year **permit. Renewal options may be exercised at the discretion of EDC.** Submission guidelines and requirements are outlined in the RFP. All requests and submissions for the RFP should be directed to Cheryl Elmore, Director, Contract Administration and Procurement, New York City Economic Development Corporation, 110 William Street, 6th Floor, New York 1008, (212) 312-969 or by e-mail to info@newyorkbiz.com, referring to TF-0400 in the subject line. Submissions are due by 3:00 p.m. on Friday, May 19, 2000.

N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

Construction Related Service

STUYVESANT COVE ENVIRONMENTAL CENTER – CP/2 – DUE 05-10-00 AT 3:00 P.M. – Is seeking the development of an Environmental Center that will successfully be integrated with a new two-acre riverfront park. Currently under construction, Stuyvesant Cove Park is located along the Manhattan waterfront, between East 18th Street and East 23rd Street. The design of the park interprets the relationship between the urban and the natural environment and the East River ecology. It is envisioned that the Environmental Center will use the park as a teaching tool and direct environmental programs serving the local community, adjacent schools and general public. Through this RFP we hope to solicit creative and innovative programming for the Environmental Center and Stuyvesant Cove Park. Complete development and guidelines and submission requirements are enclosed in the RFP. To obtain a copy of the RFP please contact Cheryl Elmore, Director Contract Administration and Procurement, EDC, 110 William Street, New York, NY 10038, 212-312-3969.
Requests for Proposals.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human Services

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

AGENCY RULES

TRANSPORTATION

■ **NOTICE**

CAPA REGULATORY AGENDA FY 2001
DEPARTMENT OF TRANSPORTATION

Pursuant to Section 1042 of the Charter, the Department of Transportation sets forth below its regulatory agenda for the City's fiscal year of 2001:

1. **SUBJECT:** Pavement Restoration on Protected Street

   1) Reason: There has been an increase in the number of non-emergency street openings in protected streets.

   2) Anticipated contents: Rule would include guidelines for roadway restorations in protected streets.

   3) Objective: To maximize the integrity of streets with protective street status.

   4) Legal basis: Section 2903 – New York City Charter.

   5) Types of individuals and entities likely to be affected: All DOT permittees – utilities, plumbers, etc.

   6) Other relevant law: N/A

   7) Approx. schedule: First Quarter FY 2001

Agency contact: John Liszczak – 442-7292

2. **SUBJECT:** Intersection and Block Segment Permit Requirements

   1) Reason: 34 RCNY Sections 2-01 and 2-11 will be amended in order to delineate the requirement that permittees obtain separate permits for working in intersections and block segments.

   2) Anticipated contents: The proposed rule amends Section 2-01 by adding the definitions of "intersection" and "block segment." Also, Section 2-11 (b) will be revised to include the following: "A permittee must obtain an intersection permit for work in the intersection and a block segment permit for work in block segment. Therefore, a permittee cannot work in an intersection with a block segment permit, nor can a permittee work anywhere in a block segment with an intersection permit.

   3) Objective: The objective of this amendment is to clarify this DOT policy in the Highway Rules and foster compliance with the policy.

   4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

   5) Types of individuals and entities likely to be affected: All permittees who obtain street opening permits.

   6) Other relevant law: None

   7) Approx. schedule: Third Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

3. **SUBJECT:** Corrective Action Requests

   1) Reason: 34 RCNY 2-11 (e) (10) (vi) will be added in order to

delineate the procedure that a Notice of Violation (NOV) will be issued for non-compliance with a Corrective Action Request (CAR).

2) Anticipated contents: The proposed rule amends Title 34 of the RCNY by adding Section 2-02 (d) (6), which will read as follows: "Failure to comply with a CAR within the applicable time shall result in penalties in accordance with section 19-149 or 19-150 of the Administrative Code."

3) Objective: The objective of this proposed rule is to increase compliance with CAR's.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: Any permittee who may receive a CAR.

6) Other relevant law: None

7) Approx. schedule: Third Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

4. SUBJECT: Permanent Restorations of Protected Streets

1) Reason: 34 RCNY 2-11 (e) (10) (vi) will be added in order to require permittees to more adequately repair and maintain permanent restorations of protected streets.

2) Anticipated contents: The proposed rule amends Title 34 of the RCNY by adding Section 2-11 (f) (4) (vi), which will read as follows: "The pavement surface shall not sink more than two inches from the surrounding existing surface during the life of the permanent restoration. More than two inches of settlement shall be deemed a failure of the compaction of the backfill and cause the removal of said backfill to the subsurface facility and new fill installed and properly compacted."

3) Objective: The objective of this proposed rule is to require permittees to maintain permanent restorations of protected streets the same way they must maintain restorations of non-protected streets.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: All permittees who perform permanent restorations of protected streets.

6) Other relevant law: None

7) Approx. schedule: Second Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

5. SUBJECT: Restorations of Protected Streets

1) Reason: 34 RCNY 2-11 (f) (4) (i) will be amended in order to codify current DOT policies with respect to protected streets. The Highway Rules do not require that a Highway Inspector or certified compaction tester be present during restorations of street openings in protected streets.

2) Anticipated contents: The current wording of 34 RCNY 2-11 (f) (4) (i) will be replaced by the following language: "No backfill, base, or wearing course of any opening or excavation on a protected street shall be performed unless the permittee notifies the Department at least two hours prior to the commencement of the work and a Highway Inspection & Quality Assurance Inspector is present, except as may otherwise be authorized by the Commissioner. In addition, during the phase of backfill and compaction, permittees must provide a certified tester, from an approved laboratory, on site to test the compaction of the backfill and such compaction test results must be in accordance with the Department's rules and specifications."

3) Objective: The amendment will allow the Department to better monitor all restoration activity in protected streets

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: All permittees who obtain protected street opening permits.

6) Other relevant law: N/A

7) Approx. schedule: Second Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

6. SUBJECT: Skid-Resistant Plates

1) Reason: 34 RCNY 2-11 (e) (10) will be amended to add new section (vi) in order to delineate the requirement that steel plates be skid-resistant for the safety of cyclists, motorists, pedestrians, etc.

2) Anticipated contents: The proposed rule amends Title 34 of the RCNY by adding Section 2-11 (e) (10) (vi), which will read as follows: "All plating and decking shall have a skid resistant surface equal to or greater than the adjacent existing street or roadway surface."

3) Objective: The objective of this proposed rule is to provide for the safe movement of pedestrians, cyclists and anyone traveling by various means around work sites that contain steel plates.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: All permittees that utilize plating and decking to cover street openings.

6) Other relevant law: None

7) Approx. schedule: Second Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

7. SUBJECT: Installation of Conduits and Pipes

1) Reason: 34 RCNY 2-11(e) (11) (vii) will be amended in order to establish a minimum depth requirement for the installation of conduits and pipes beneath the surface of roadways. The new rule will ensure that conduits and pipes are protected from damage caused by excavation and street openings, street resurfacing and reconstruction, and vehicular traffic.

2) Anticipated contents: The current wording of 34 RCNY 2-11 (e) (11) (vii) will be replaced by the following language: "Permittees shall install conduits and pipes at a minimum of 18" deep from the surface of the roadway or below the base, whichever depth is greater, except where the Department has consented thereto in writing prior to construction."

3) Objective: The objective of this proposed rule is to have permittees abide by a set footage regulation for pipe installation in the roadway.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: All permittees who install conduits and pipes.

6) Other relevant law: None

7) Approx. schedule: First Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

8. SUBJECT: Emergency Work Permit Duration

1) Reason: The proposed rule would conform the maximum duration of an emergency permit, which appears in the Schedule of Fees, to the correct maximum duration of 48 hours, as contained in the MOSAICS System.

2) Anticipated contents: The duration for emergency work permits will be changed from "2 Business Days" to "48 Hours."

3) Objective: The objective of the proposed rule is to conform the Schedule of Fees with the MOSAICS Computer System.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: All permittees who obtain emergency permits.

6) Other relevant law: None

7) Approx. schedule: Third Quarter FY 2001

Agency contact: Vincent Maniscalco – 442-7155

9. SUBJECT: Removal of Poles

1) Reason: 34 RCNY 2-03 will be amended in order to require a permit for both the installation and the removal of poles. Currently there is no provision in the Highway Rules, Schedule of Fees, for the removal of poles.

2) Anticipated contents: The "Permit or Activity" section of the Schedule of Fees of 34 RCNY 2-03 will be amended to include removal of poles under activities requiring a permit. The permit requirement description will be changed from "installation of poles" to "installation or removal of poles."

3) Objective: The proposed rule will allow the Department to better monitor traffic flow and construction activities on streets where poles are being removed. Also, permittees will become accountable for improper restoration of streets.

4) Legal basis: Section 2903 – New York City Charter and Title 19 of the NYC Administrative Code.

5) Types of individuals and entities likely to be affected: Any permittee that removes poles.

6) Other relevant law: None

7) Approx. schedule: Fourth Quarter FY 2001

Agency contact: Vincent Maniscalco - 442-7155

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45 - 17 Ten Eyck Street

3 - 2791 - 46 - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35 - 37 Ten Eyck Street

BOROUGH OF BROOKLYN
CD 1 C 970371 HUK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the Maujer Street Urban Renewal Plan, for the Maujer Street Urban Renewal Area.

The proposed plan provides for the acquisition of 21 parcels (15 privately owned) to be designated as 5 sites for the development of 23 three-family homes.

The following properties are proposed for acquisition:

Site - Block - Lot - Address

1 - 2785 - 42* - 39 Maujer Street

1 - 2785 - 43* - 37 Maujer Street

1 - 2785 - 44 - 33 Maujer Street

2 - 2791 - 7 - 324 Union Avenue

2 - 2791 - 8 - 328 Union Avenue

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37* - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street

3 - 2791 - 45* - 17 Ten Eyck Street

3 - 2791 - 46* - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35* - 37 Ten Eyck Street

All mapped and/or built streets within the Project Boundary.

* City Owned Property

BOROUGH OF BROOKLYN
CD 1 C 970372 HDK

IN THE MATTER OF an application, submitted by the Department of Housing Preservation and Development (HPD), pursuant to Section 197-c of the New York City Charter, for the disposition of city-owned property, comprising the following sites within the Maujer Street Urban Renewal Area to a developer to be selected by HPD.

Site - Block - Lot - Address

1 - 2785 - 42 - 39 Maujer Street

1 - 2785 - 43 - 37 Maujer Street

1 - 2785 - 44 - 33 Maujer Street

2 - 2791 - 7 - 324 Union Avenue

2 - 2791 - 8 - 328 Union Avenue

2 - 2791 - 10 - 12 Maujer Street

3 - 2791 - 37 - 33 Ten Eyck Street

3 - 2791 - 16 - 24 Maujer Street

3 - 2791 - 17 - 26 Maujer Street

3 - 2791 - 41 - 23 Ten Eyck Street

3 - 2791 - 43 - 21 Ten Eyck Street

3 - 2791 - 44 - 19 Ten Eyck Street
3 - 2791 - 45 - 17 Ten Eyck Street

3 - 2791 - 46 - 15 Ten Eyck Street

4 - 2791 - 27 - 46 Maujer Street

5 - 2791 - 23 - 38 Maujer Street

5 - 2791 - 24 - 40 Maujer Street

5 - 2791 - 25 - 42 Maujer Street

5 - 2791 - 32 - 433 Lorimer Street

5 - 2791 - 33 - 429 Lorimer Street

5 - 2791 - 35 - 37 Ten Eyck Street

The disposition would facilitate development of 23 three-family homes.

BOROUGH OF BROOKLYN
CD 4 C 000290 HAK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State **for:**

a) the designation of 68, 70, 72, 76 & 78 Troutman Street and 176, 178, 180, 186, 190 & 192 Evergreen Avenue (Block 3183, Lots 33-36, 38-43 & 45), as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor/ developer selected by HPD;

to facilitate construction of a six story building, tentatively known as Troutman-Evergreen Senior Housing, with 81 units of rental housing for elderly persons of low income (plus one unit for the superintendent), to be developed under the Federal Section 202 Supportive Housing Program for the Elderly.

BOROUGH OF MANHATTAN
CD 9 N 000518 HKM

IN THE MATTER OF a communication dated April 7, 2000 from the Executive Director of the Landmarks Preservation Commission regarding the landmark designation of the **Hamilton Heights Historic District Extension,** by the Landmarks Preservation Commission on March 28, 2000 (List No. 312). The boundaries are:

Area I: Property bounded by a line beginning at a point in the center of the intersection of St. Nicholas Avenue and West 145th Street, then extending southerly along a line in the middle of the roadbed of St. Nicholas Avenue to a point on a line extending easterly from the southern property line of 695 St. Nicholas Avenue (aka 394-398 West 145th Street), westerly along a line extending easterly from the southern property lines of 695 St. Nicholas Avenue (aka 394-398 West 145th Street) and 400 through 418 West 145th Street, northerly along the western property line of 418 West 145th Street, northerly along a line extending northerly from the western property line of 418 West 145th Street to a point in the middle of the roadbed of West 145th Street, and easterly along a line in the middle of the roadbed of West 145th Street, to the point of beginning.

Area II: Property bounded by a line beginning at the point of intersection of the northern and eastern property lines of 63-75 Hamilton Terrace, then extending southerly along the eastern property lines of 63-75 Hamilton Terrace and 53-61 Hamilton Terrace, westerly along the southern property line of 53-61 Hamilton Terrace, westerly along a line extending westerly from the southern property line of 53-61 Hamilton Terrace to a point on a line in the roadbed that extends southerly from the eastern property line of 413 West 144th Street, northerly along said line in the roadbed (this line is part of the eastern boundary of the Hamilton Heights Historic District), easterly along part of the southern property line of Lot 136, and easterly along the northern property line of 63-75 Hamilton Terrace, to the point of beginning.

Area III: Property bounded by a line beginning at a point in the center of the intersection of Convent Avenue and West 141st Street, then extending southerly along a line in the middle of the roadbed of Covent Avenue to a point in the middle of the intersection of Convent Avenue and West 140th Street, westerly along a line in the middle of the roadbed of West 140th Street to a point on a line extending southerly from the western property line of 260 Convent Avenue (aka 451 West 140th Street), northerly along a line extending southerly from the western property line of 260 Convent Avenue (aka 451 West 140th Street), northerly along the western property lines of 260 Convent Avenue (aka 451 West 140th Street) and 270 Convent Avenue (aka 444-50 West 141st Street), northerly along a line extending northerly from the western property line of 270 Convent Avenue (444-50 West 141st Street) to a point in the middle of the roadbed of West 141st Street, and easterly along the middle of the roadbed of West 141st Street, to the point of beginning.

Area IV: Property bounded by a line beginning a point in the center of the intersection of Amsterdam Avenue and West 145th Street, then extending easterly along a line in the middle of the roadbed of West 145th Street to a point on a line extending northerly from the eastern property line of 450 West 145th Street, southerly along a line extending northerly from the eastern property line of 450 West 145th Street, southerly along the eastern property line of 450 West 145th Street, westerly along the southern property lines of 450 through 476 West 145th Street, southerly along the eastern property line of 477 West 144th Street (aka 1697-1705 Amsterdam Avenue), southerly across West 144th Street, southerly along the eastern property lines of 476 West 144th Street (aka 1689-1695 Amsterdam Avenue) and 477 West 143rd Street (aka 1681-1687 Amsterdam Avenue), southerly along a line extending southerly from the eastern property line of 477 West 143rd Street (aka 1689-1687 Amsterdam) to a point in the middle of the roadbed of West 143rd Street, easterly along a line in the middle of the roadbed of West 143rd Street to a point in the center of the intersection of West 143rd Street and Convent Avenue, southerly along a line in the middle of the roadbed of Convent Avenue to a point in the center of the intersection of Convent Avenue and West 142nd Street, westerly along a line in the middle of the roadbed of West 142nd Street to a point on a line extending northerly from part of the eastern property line of 1641-1659 Amsterdam Avenue, southerly along part of the eastern property line of 1641-1659 Amsterdam Avenue, easterly along part of the northern property line of 1641-1659 Amsterdam Avenue, southerly along part of the eastern property line of 1641-1659 Amsterdam Avenue, southerly across West 141st Street, southerly along the eastern property line of 476 West 141st Street (aka 1627-1633 Amsterdam Avenue), easterly along part of the northern property line of 477 West 140th Street (aka 1619-1625 Amsterdam Avenue), southerly along the eastern property line of 477 West 140th Street, southerly along a line extending southerly from the eastern property line of 477 West 140th Street (aka 1619-1625 Amsterdam Avenue), to point on a line in the middle of the roadbed of West 140th Street, westerly along a line in the middle of the roadbed of West 140th Street to a point in the center of the intersection of West 140th Street and Amsterdam Avenue, and northerly along a line in the middle of the roadbed of Amsterdam Avenue, to the point of beginning.

BOROUGH OF QUEENS
CD 12 C 990311 MMQ

IN THE MATTER OF an application submitted by the Queens Borough President's Office, pursuant to Sections 197-c and 199 of the New York City Charter, **for an amendment to the City Map involving the elimination of a portion of 158th Street between Beaver Road and Liberty Avenue,** the adjustment of grades necessitated thereby, and any acquisition or disposition of real property related thereto, in accordance with Map No. 4947 dated December 29, 1999 and signed by the Borough President.

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Tuesday, May 2, 2000:

BROOKLYN CB-1 C 990449 PPK

Application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the disposition of seven (7) city-owned properties located at South 8 Street (Block 2136/Lot 111), Driggs Avenue (Block 2446/Lot 62), 377 Broadway (Block 2463/Lot 34), 54 Morgan Avenue (Block 3003/Lot 3), 316 Maujer Street (Block 3021/Lot 22), 207 Meserole Street (Block 3045/Lot 23), and Varet Street (Block 3109/Lot 53), pursuant to zoning.

Proposals subject to Council review and *action pursuant to the Urban Development* Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20005386 HAX through 20005395 HAK and Section 696 of the General Municipal Law for Non-ULURP Nos. 20005381 HAK through 20005385 HAX and 20005396 HAK.

INDUSTRIAL DEVELOPMENT AGENCY

■ PUBLIC HEARINGS

The New York City Industrial Development Agency (the "Agency") is empowered under the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law), and Chapter 1082 of the 1974 Laws of New York, as amended, to issue nonrecourse revenue bonds to provide financing for qualified projects, and to enter into industrial and small industry incentive program transactions and other straight-lease transactions for the benefit of qualified projects, and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York and to improve their prosperity and standard of living. The Agency has been requested (i) to make available the proceeds of its bonds to be issued in the approximate aggregate dollar amounts, to be used by the persons, for the purposes, and at the addresses identified below, and (ii) to participate in industrial and small industry incentive program straight-lease transactions and other straight-lease transactions for the purposes and at the addresses also identified below. As used herein with reference to bond amounts, "approximately" shall be deemed to mean up

to such stated bond amount or a greater principal amount not to exceed 10 % of such stated bond amount.

Approximately $160,000,000 triple tax-exempt special exempt facility revenue bond transaction for Airis JFK I, LLC and Airis JFK II, LLC, developers, in connection with the lease, new construction, and equipping of facilities for air cargo and other airport related services at Tracts 8 and 9A at JFK International Airport, Jamaica, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Commercial straight-lease transaction for the benefit of Bloomberg LP and its affiliates for the renovation of office space located at 731 Lexington Avenue, New York, New York (for approximately 465,000 square feet); and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 731 Lexington Avenue, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Commercial straight-lease transaction for the benefit of CBS Corporation and its affiliates for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 1515 Broadway, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Straight-lease (Small Industry Incentive Program) transaction for a real estate holding company to be determined on behalf of Electrovoice International Inc., a wholesale distributor of electronic goods, and Tober Group, Inc., a provider of warehouse and distribution facilities for international trade, in connection with the purchase, renovation, and equipping of an approximately 60,000 square foot building located at 1948 Troutman Street, Ridgewood, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of New York City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Approximately $9,100,000 triple tax-exempt civic facility revenue bond transaction for Friends Seminary of New York Quarterly Meeting, Religious Society of Friends, a 501(c)(3) provider of education, in connection with the purchase, renovation, equipping, and furnishing of an approximately 10,000 square foot building at 214 East 16th Street, New York, New York and the refunding of $5,600,000 of 1997 civic facility revenue bonds. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Approximately $2,000,000 triple tax-exempt civic facility revenue bond transaction for the benefit of HASC Center, Inc., a provider of services to people with developmental and mental disabilities, in connection with the acquisition, renovation, furnishing, equipping, and/or refinancing of an approximately 2,700 square foot parcel of land and an approximately 1,265 square foot building (Block 6771, Lot 61) located at 2416 Kings Highway and an approximately 7,500 square foot leased space at 1221 East 14th Street (Block 6734, Lot 86), all the foregoing properties being located in Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Approximately $1,000,000 triple tax-exempt civic facility revenue bond transaction for the benefit of Herbert G. Birch Community Services, Inc., a provider of services to people with developmental and mental disabilities, in connection with the acquisition, renovation, and/or refinancing of an approximately 2,900 square foot parcel of land and an approximately 2,206 square foot building (Block 8221, Lot 9) located at 1321 East 94th Street, Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Commercial straight-lease transaction for the benefit of Jupiter Communications, Inc. for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 21 Astor Place, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Approximately $1,500,000 triple tax-exempt civic facility revenue bond transaction for the benefit of Mercy Home for Children, Inc., a provider of services to people with developmental and mental disabilities, in connection with the acquisition, renovation, furnishing, equipping, and/or refinancing of an approximately 2,600 square foot parcel of land and an approximately 1,910 square foot building (Block 8381, Lot 18) located at 1519 East 59th Street, Brooklyn, New York and an approximately 8,382 square foot parcel of land and an approximately 3,115 square foot building (Block 5485, Lot 25) located at 4701 Parsons Blvd., Flushing, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (Small Industry Incentive Program) transaction for Metrometer Shop, Inc., a manufacturer of parts for taxi cabs, in connection with the construction and equipping of an approximately 5,000 square foot expansion to its existing approximately 5,000 square foot building located at 36-15 13th Street (Block 350, Lot 13) and the acquisition, renovation, and equipping of an approximately 2,500 square foot building at 36-11 13th Street (Block 350, Lot 15), both the foregoing properties being located in Long Island City, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of New York City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Commercial straight-lease transaction for OnSite Access, Inc. and its affiliates for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 1372 Broadway, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Approximately $3,100,000 triple tax-exempt civic facility revenue bond transaction for the benefit of QSAC, Inc., a provider of services to people with developmental, mental, and learning disabilities, in connection with the acquisition, renovation, and/or refinancing of facilities at the following addresses, with accompanying square footages (in approximate amounts), all the addresses being located in Queens, New York: (i) 2,600 square foot lot of land and a 2,800 building located at 25-53 14th Street, Astoria; (ii) 1,242 square feet of space at 75-32 Parsons Blvd., Bldg. E, 2nd floor, Kew Garden Hills; (iii) 10,000 square feet of leased space at 30-10 38th Street, Astoria; (iv) 4,000 square foot lot of land and a 3,000 square foot building at 230-48 146th Avenue, Rosedale; (v) 5,600 square foot lot of land and a 4,500 square foot building at 128-20 and 128-24 144th Street, South Ozone Park; and (vi) 4,800 square foot lot of land and a 1,700 square foot building at 196-24 Woodhull Avenue, Hollis. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Commercial straight-lease transaction for the benefit of RCN, Inc. and its affiliates for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 118-29 Queens Boulevard, Forest Hills, Queens, New York and 825 Third Avenue, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Commercial straight-lease transaction for the benefit of Scient Corporation, Inc. for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 405 Lexington Avenue, New York, New York and 222 East 41st Street, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Approximately $9,900,000 triple tax-exempt civic facility revenue bond transaction for St. Raymonds Community Outreach Inc., a 501(c)(3) community service organization, in connection with the new construction of an approximately 45,000 square foot building at 1701 Purdy Street, Bronx, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Approximately $1,000,000 triple tax-exempt civic facility revenue bond transaction for the benefit of St. Vincents Services, Inc., a provider of services to people with developmental and mental disabilities, in connection with the acquisition, renovation, furnishing, equipping, and/or refinancing of an approximately 4,800 square foot parcel of land and an approximately 4,200 square foot building located at 1441 East 92nd Street (Block 8257, Lot 0049), Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (Small Industry Incentive Program) transaction for Star Candle Company, a candle manufacturer, in connection with the acquisition, renovation, and equipping of an approximately 50,000 square foot building located at 29 Ash Street (a/k/a 49 Ash Street) in Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of New York City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Approximately $4,230,000 triple tax-exempt industrial development revenue bond transaction or straight-lease (Small Industry Incentive Program) transaction for the benefit of a real estate holding company to be formed on behalf of SWAK, Inc., a manufacturer of clothing sweaters, in connection with the acquisition, renovation, and equipping of an approximately 69,000 square foot building located at 30-15 48th Avenue, Long Island City, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing, if applicable, payments in lieu of New York City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Approximately $156,000,000 industrial development revenue bond transaction for The Equitable Life Assurance Society of the United States for the renovation of office space located on the 8th floor (approximately 42,922 square feet) and 9th floor (approximately 118,929 square feet) of 1290 Avenue of the Americas, New York, New York; and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at the above locations. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Commercial straight-lease transaction for the benefit of Universal Global e, Inc. for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures, and other tangible personal property, all for use at 619 West 54th Street, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes.

Approximately $1,000,000 triple tax-exempt civic facility revenue bond transaction for the benefit of Working Organization for Retarded Children & Adults, Inc., a provider of services to people with developmental and mental disabilities, in connection with the acquisition, renovation, furnishing, equipping, and/or refinancing of an approximately 2,395 square foot parcel of land and an approximately 2,375 square foot building (Block 11, Lot 279) located at 219-39 91st Road, Queens Village, Queens, New York and an approximately 8,000 square foot parcel of land with an approximately 2,650 square foot building (Block 1370, Lot 28) located at 147-24 Edgewood Street, Rosedale, Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Pursuant to Section 859a of the General Municipal Law of the State of New York and Internal Revenue Code Section 147(f), the Agency will hold a hearing on the proposed financings and transactions set forth above at the office of the New York City Industrial Development Agency, 110 William Street, 6th Floor, New York, New York commencing at 10:00 A.M. on Monday, May 8, 2000. Interested members of the public are invited to attend. The Agency will present information at such hearing on the proposed financings and transactions set forth above and provide for a question and answer period. Pursuant to subdivision 3 of the above-referenced Section 859a, the Agency will, in addition, provide an opportunity for the public to review at such hearing the project application and the cost-benefit analysis for each of the proposed financings and transactions. Persons desiring to make a brief statement regarding the proposed financings and transactions should give prior notice to the Agency at the address or phone number shown below. Written comments may be submitted to the Agency at the address shown below.

SCHOOL CONSTRUCTION AUTHORITY

■ PUBLIC HEARINGS

NOTICE OF PUBLIC HEARING PURSUANT TO ARTICLE 2 OF THE NEW YORK EMINENT DOMAIN PROCEDURE LAW

The New York City School Construction Authority ("SCA") will hold a public hearing on Wednesday, May 10, 2000 at 2:00 PM, pursuant to Article 2 of the New York State Eminent Domain Procedure Law with respect to the SCA's proposed acquisition, by condemnation, of Tax Block 9176, Lots 100 and 130 and Block 9172, Lots 85 (portion) and 150 (portion) and the intervening, unbuilt portions of the street beds of 99th Street between Rockaway Boulevard and Plattwood Avenue and 109th Avenue between 98th and 99th Streets, located at 109-01 98th Street in the borough of Queens, City and State of New York, for the purpose of constructing an intermediate school at the site, pursuant to the Board of Education's Five Year Capital Plan. The property is located in the Ozone Park section of Queens. The hearing will be held at the offices of Community School District 27, located at 82-01 Rockaway Boulevard, Ozone Park, New York.

The purposes of the hearing are to inform the public of the proposed project, to review the public use to be served by the proposed project and to give all interested persons and opportunity to be heard concerning the proposed public project. All persons are invited to attend the hearing and to present oral and/or written statements concerning the proposed acquisition. The SCA will accept written comments on the proposed project at the address listed below until May 16, 2000. Materials relating to the project are available for examination during normal business hours at the Legal Department of the SCA at 30-30 Thomson Avenue, Long Island City, New York 11101. For further information, contact Ross J. Holden, Vice President and General Counsel of the SCA at (718) 472-8220.

COURT NOTICES

SUPREME COURT

■ NOTICE

SUPREME COURT, QUEENS COUNTY
NOTICE OF ACQUISITION.
QUEENS COUNTY
INDEX NUMBER 4333/00

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT** located in an area generally bounded by Beach Channel Drive on the North, Beach 39th Street on the East, Rockaway Beach Boulevard on the South and Beach 46th Street on the West in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on April 4, 2000, the application of the City of New York to acquire certain real property, for the **EDGEMERE PHASE II URBAN RENEWAL PROJECT,** was granted, however Block 15834 Lot 17 was excluded from the proceeding. The City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on February 11, 2000. Title to the real property vested in the City of New York on April 6, 2000.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
15829	1, 2, 6, 8, 9, 11,13, 15, 21, 23, 24, 52, 54, 58
15830	6, 7, 9, 15, 16, 17, 19, 23, 26, 28, 30, 38, 39, 45, 46, 50, 51, 52, 53, 54, 55, 59
15831	1, 29,50
15833	1, 7, 9, 10, 12, 14, 16, 18, 20, 46, 55, 58, 71, 73
15834	1, 11, 19, 21, 24, 25, 26, 28, 38, 42, 43, 45, 53, 54, 56, 58, 62, 64, 158
15835	29
15836	1, 7, 22
15837	29, 31, 33, 41, 47, 49, 51, 52, 54, 64, 65, 66, 67, 69

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before April 6, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before April 6, 2002 (which is two (2) year calendar years from the title vesting date).

Dated: New York, New York, April 7, 2000
MICHAEL D. HESS, Corporation Counsel
of the City of New York
Attorney for the Condemnor
100 Church Street, New York,
New York 10007
Tel. (212) 788-0705

a17-28

SUPREME COURT, RICHMOND COUNTY
NOTICE OF PETITION
INDEX NO. CITY # CY 3019/00

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property and a Sewer Easement where not heretofore acquired for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** located in the area generally bounded by Mace Street, Richmond Hill Road, St. George Road, Aultman Avenue, St. Andrews Road, Lighthouse Avenue and Boyle Place, including the portions of the mapped street beds of Mace Street, Spruce Street, Nugent Street, Eleanor Street and Ascot Avenue along Richmond Creek Community District 2, in the Borough of Staten Island, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Richmond County, IA Part 74, for certain relief.

The application will be made at the following time and place: At IA Part 74 of the Supreme Court, 360 Adams Street, in the Borough of Brooklyn, City and State of New York, on May 11, 2000, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Richmond County;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property and a sewer easement where not heretofore acquired for the same purpose, for **RICHMOND CREEK STATEN ISLAND BLUEBELT SYSTEM PHASE 2** in the Borough of Staten Island City and State of New York.

The description of the real property to be acquired is as follows:

All or part of those certain tracts of land, parcels, or places of land together with any improvements erected thereon, situated, lying, and being in Community District 2, Borough of Staten Island, County of Richmond, City and State of New York, delineating three sets of parcels situated within the Richmond Creek Staten Island Bluebelt System.

FIRST SET

The first set to be acquired in fee simple absolute includes: Block 2290, Lots 29, 31, and 37; Block 2283, Lot 66; and part of the bed of Spruce Street between St. George Road and St. Andrews Road described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Saint George Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 49 in Tax Block 2283 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Spruce Street (60 feet wide as adopted by The City of New York);

Running thence along the eastwardly prolongation of said southerly line of Saint George Road North 81 degrees 13 minutes 28 seconds East 30.00 feet to a point on the center line of Spruce Street (60 feet wide as adopted by The City of New York);

Thence along said center line of Spruce Street and along the southwardly prolongation of said center line of Spruce Street South 8 degrees 51 minutes 55 seconds East 225.00 feet to a point;

Thence South 81 degrees 13 minutes 28 seconds West 38.12 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 in Tax Block 2282 North 18 degrees 43 minutes 37 seconds West 25.38 feet to a point on the northerly line of St. Andrews Road (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southerly line of Tax Lot 66 in Tax Block 2283;

Thence along said northerly line of St. Andrews Road North 81 degrees 13 minutes 28 seconds East 12.46 feet to a point on said westerly line of Spruce Street;

Thence along said westerly line of Spruce Street North 8 degrees 51 minutes 55 seconds West 200.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Spruce Street, Part of the Bed of St. Andrews Road and Part of the Bed of the Intersection of Spruce Street and St. Andrews Road between the southerly line of St. George Road (50 feet wide) and a line parallel to and distant 225 feet southwardly from the southerly line of St. George Road (50 feet wide).

SECOND SET

The second set of properties to be acquired in fee simple absolute includes:

(A.) Part of mapped street bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 37, 29, 25 and 15 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Richmond Hill Road (70 feet wide as adopted by The City of New York);

Running thence along said southerly line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 481.77 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 15 and Tax Lot 67 in Tax Block 2290;

Thence north 09 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 481.77 feet to a point on the northwardly prolongation of said easterly line of Richmond Hill Road;

Thence along said northwardly prolongation of said easterly line of Richmond Hill Road south 09 degrees, 21 minutes, 28 seconds east 25.00 feet to the point or place of beginning.
The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Richmond Hill Road and the westerly line of Tax Lot 67 in Staten Island Tax Block 2290.

(B.) Part of Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290 more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 83, 6, 9 and 12 in Tax Block 2290 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street south 80 degrees, 38 minutes, 55 seconds west 280.00 feet to the point where said southerly line of Mace Street is intersected by the dividing line between Tax Lot 12 and Tax Lot 67 in Tax Block 2290;

Thence north 9 degrees, 21 minutes, 05 seconds west 25.00 feet to a point on the center line of Mace Street;

Thence along said center line of Mace Street north 80 degrees, 38 minutes, 55 seconds east 280.00 feet to a point on the northwardly prolongation of said westerly line of Lighthouse Avenue;

Thence along said northwardly prolongation of said westerly line of Lighthouse Avenue south 9 degrees, 21 minutes, 05 seconds east 25.00 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the westerly line of Lighthouse Avenue and the easterly line of Tax Lot 67 in Staten Island Tax Block 2290.

(C.) Part of Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly lines of Tax Lots 8, 28, 15 and 18 in Tax Block 2281 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the easterly line of Lighthouse Avenue (70 feet wide);

Running thence along said southerly line of Mace Street (50 feet wide) north 80 degrees, 38 minutes, 55 seconds east 277.27 feet to the easterly line of Tax Lot 18 in Tax Bock 2281;

Thence along the easterly line of Tax Lot 18 in Tax Block 2281 south 10 degrees, 01 minutes, 33 seconds east 5 feet to a point on the southerly line of Mace Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island;

Thence along the southerly line of Mace Street (60 feet wide) through Tax Lot 171 in Tax Block 2281 north 77 degrees, 27 minutes, 33 seconds east 142.98 feet to a point on the westerly line of Tax Lot 162 in Tax Block 2281;

Thence north 16 degrees, 34 minutes, 37 seconds west 30.07 feet along the westerly line of Tax Lot 162 in Tax Block 2281 and to a point on the center line of Mace Street (60 feet wide);

Thence along the center line of Mace Street (60 feet wide) south 77 degrees, 27 minutes, 33 seconds west 140.03 feet to an angle point therein;

Thence still along the center line of Mace Street (60 feet wide) south 80 degrees, 38 minutes, 55 seconds west 276.97 feet to a point on the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide);

Thence along the northwardly prolongation of the easterly line of Lighthouse Avenue (70 feet wide) south 9 degrees, 21 minutes, 05 seconds east 25 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Mace Street between the easterly line of Lighthouse Avenue and the easterly line of Tax Lot 171 in Staten Island Tax Block 2281 which includes Part of Tax Lot 171 in Staten Island Tax Block 2281, said Part of Tax Lot 171 in Staten Island Tax Block 2281 being part of the Part of the Bed of Mace Street as described above and as shown on the Official Map of The City of New York for the Borough of Staten Island.

(D.) Part of the bed of Spruce Street between Mace Street and St. Andrews Road, described as Staten Island Tax Block 2280 Tax Lot Part of 18, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Mace Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 18, 15, 13, 7, 4, 1 and 61 in Tax Block 2280 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 440 feet westwardly, as measured along said northerly line of Mace Street, from the point formed by the intersection of said northerly line of Mace Street with the westerly line of Aultman Avenue, said point of beginning also being the point formed by the intersection of said northerly line of Mace Street with the prolongation southwardly of the easterly line of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island (60 feet wide);

Running thence along said prolongation southwardly and along said easterly line of Spruce Street through Tax Lot 18 in Tax Block 2280 North 8 degrees 51 minutes 55 seconds West 125 feet to a point on the line which divides Tax Lots 18 and 30 in Tax Block 2280;

Thence along the line which divides Tax Lots 18 and 30 in Tax Block 2280 South 81 degrees 13 minutes 28 seconds West 42.03 feet to a point on the easterly line of Tax Lot 140 in Tax Block 2282 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998;

Thence along the easterly line of Tax Lot 140 and an easterly line of Tax Lot 40 in Tax Block 2282 South 18 degrees 43 minutes 37 seconds East 126.91 feet to a point on said northerly line of Mace Street;

Thence along said northerly line of Mace Street North 81 degrees 13 minutes 28 seconds East 20.30 feet to the point or place of beginning.

The above described parcel consists of Part of Tax Lot 18 in Staten Island Tax Block 2280, said Part of Tax Lot 18 in Staten Island Tax Block 2280 being Part of the Bed of Spruce Street as shown on the Official Map of The City of New York for the Borough of Staten Island, which Part of the Bed of Spruce Street is between the northerly line of Mace Street (50 feet wide) and the southerly line of Tax Lot 30 in Staten Island Tax Block 2280.

(E.) Part of the bed of Nugent Street between Aultman Avenue and Ascot Avenue described as part of bed of Nugent Street and bed of intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northerly line of Tax Lot 31 in Tax Block 2271 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, with the westerly line of Ascot Avenue;

Running thence along said southerly line of Nugent Street South 81 degrees 13 minutes 28 seconds West 40 feet to a point on the dividing line between Tax Lots 31 and 29 in Tax Block 2271;

Thence North 8 degrees 51 minutes 55 seconds West 50 feet to a point on the northerly line of Nugent Street;

Thence along the northerly line of Nugent Street and along the eastwardly prolongation of the northerly line of Nugent Street North 81 degrees 13 minutes 28 seconds East 100 feet to the point formed by the intersection of the northerly line of Nugent Street with the easterly line of Ascot Avenue;

Thence along the northwardly prolongation of the easterly line of Ascot Avenue and along the easterly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 60 feet to the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 7.50 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Nugent Street and the Bed of the Intersection of Nugent Street and Ascot Avenue between the northwardly prolongation of the easterly line of Ascot Avenue and a line parallel to and distant 40 feet westwardly from the westerly line of Ascot Avenue.

(F.) Part of bed of Eleanor Street between Boyle Place and Lawn Avenue described as part of bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249; more particularly bounded and described as follows:

BEGINNING at a point on the northwesterly line of Eleanor Street (50 feet wide) as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with a southeasterly line of Tax Lot 2 in Tax Block 2250 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995 distant 480 feet southwestwardly, as measured along said northwesterly line of Eleanor Street, from the point formed by the intersection of said northwesterly line of Eleanor Street with the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Tax Block 2249 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Running thence South 22 degrees 57 minutes 20 seconds East 25 feet to a point on the center line of Eleanor Street;

Thence along the center line of Eleanor Street South 67 degrees 02 minutes 40 seconds West 132.71 feet to a point on the northeasterly line of Tax Block 2266 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on December 28, 1995;

Thence along said northeasterly line of Tax Block 2266 North 53 degrees 05 minutes 31 seconds West 28.91 feet to a point on said northwesterly line of Eleanor Street;

Thence along said northwesterly line of Eleanor Street North 67 degrees 02 minutes 40 seconds East 147.23 feet to the point or place of beginning.

The above described parcel consists of part of the bed of Eleanor Street between the northeasterly line of Staten Island Tax Block 2266 and a line parallel to and distant 480 feet southwestwardly from the northwestwardly prolongation of the southwesterly line of Lawn Avenue as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the northeasterly line of Tax Lot 75 in Staten Island Tax Block 2249.

THIRD SET

The third set of properties to be acquired is a sewer easement between St. George Road and St. Andrews Road and part of Ascot Avenue in fee simple absolute between Nugent Street and St. George Road.

The sewer easement to be acquired is between St. George Road and St. Andrews road is described as a twenty foot wide sewer easement which runs through portions of Tax Lots 6, 14, 67 and 70 in Staten Island Tax Block 2292 between St. George Road and St. Andrews Road on and over the following described plot, piece or parcel of land; more particularly bounded and described as follows:

BEGINNING at a point on the northerly line of Saint Andrews Road (50 feet wide), as shown on the Tax Map of The City of New York for the Borough of Staten Island as coincident with the southerly lines of Tax Lots 14, 6 and 1 in Tax Block 2292 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998, distant 250.00 feet westwardly, as measured along said northerly line of Saint Andrews Road, from the point formed by the intersection of said northerly line of Saint Andrews Road with the westerly line of Lighthouse Avenue (70 feet wide);

Running thence through Tax Lots 6 and 70 in Tax Block 2292 north 9 degrees, 21 minutes, 05 seconds west 200.00 feet to a point on the southerly line of Saint George Road;

Thence along said southerly line of Saint George Road south 80 degrees, 38 minutes, 55 seconds west 20.00 feet to a point;

Thence through Tax Lots 67 and 14 in Tax Block 2292 south 9 degrees, 21 minutes, 05 seconds east 200.00 feet to a point on said northerly line of Saint Andrews Road;

Thence along said northerly line of Saint Andrews Road north 80 degrees, 38 minutes, 55 seconds east 20.00 feet to the point or place of beginning.

The part of Ascot Avenue to be acquired in fee simple absolute is between Nugent Street and St. George Road included in the third set of properties to be acquired is described as part of bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom; more particularly bounded and described as follows:

BEGINNING at the point formed by the intersection of the southerly line of Nugent Street (60 feet wide) as shown on the Official Map of The City of New York for the Borough of Staten Island with the easterly line of Ascot Avenue;

Running thence along the eastwardly prolongation of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island South 83 degrees 36 minutes 36 seconds West 60.06 feet to the point formed by the intersection of the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island with the westerly line of Ascot Avenue;

Thence along the westerly line of Ascot Avenue South 8 degrees 51 minutes 55 seconds East 62.50 feet;

Thence South 89 degrees 18 minutes 56 seconds East 60.84 feet to the point formed by the intersection of the dividing line between Tax Lots 1 and 7 in Tax Block 2264 as shown on the Tax Map of The City of New York for the Borough of Staten Island as said Tax Map existed on September 25, 1998 with the easterly line of Ascot Avenue;

Thence along the easterly line of Ascot Avenue North 8 degrees 51 minutes 55 seconds West 70 feet to the point or place of beginning.

The above described parcel consists of Part of the Bed of Ascot Avenue between the southerly line of Nugent Street as shown on the Official Map of The City of New York for the Borough of Staten Island and a line distant from 62.50 feet to 70 feet southwardly therefrom.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF KINGS: IA PART 74

NOTICE OF ACQUISITION
INDEX NO. 45962/99

In the Matter of the Application of the **CITY OF NEW YORK,** relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for the **CROWN HEIGHTS 4TH AMENDED URBAN RENEWAL PLAN (Weeksville Sites 2A, 2B, 2C, 2D)** located in the area generally bounded by Rochester Avenue, Bergen Street, Ralph Avenue and St. Marks Avenue in the Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on January 27, 2000, the application of the City of New York to acquire certain real property, for the Crown Heights 4th Amended Urban Renewal Plan, was granted and the City was thereby authorized to file an acquisition map and the order with the Clerk of the Court of Kings County or with the City Register. Said map, showing the property acquired by the City, along with the order were filed with the City Register on January 27, 2000. Title to the real property vested in the City of New York on January 27, 2000.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1356	11,13,14,15,17,18,19, 21, 22,23,30,31,32,33, 34,35,37,38,39,40,41,42, 43,44,45, 49,50,51,53,54,57
1357	1,2,3

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before January 27, 2001 (which is one (1) year calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

(A) the name and post office address of the condemnee;

(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before January 27, 2002 (which is two (2) year calendar years from the title vesting date).

Dated: New York, New York

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

■ **PUBLIC HEARINGS**

DIVISION OF REAL ESTATE SERVICES

PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on January 26, 2000, February 9, 2000, and February 23, 2000 in the Public Hearing Chamber, Room 16, 2nd floor, City Hall, in the Borough of Manhattan.
These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated December 8, 1999. The mortgage interest rate is set at 8.5%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.

They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on May 10, 2000.

Brochures for this sale are available and may be obtained at 1 Centre Street, 19th Floor North, New York, New York 10007 or by calling (212) 669-8888.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension

DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition *For ongoing construction project only:*
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Numbered Notes are Footnotes. If a Numbered Note is referenced in a notice, the note so referenced must be read as part of the notice. **1.** All bid deposits must be by company certified check or money order made payable to Agency or Company.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ **SOLICITATIONS**

Services

DAY CARE SERVICES – NA – PIN# 06800ACS0087 – DUE 06-09-00 AT 6:00 P.M. – The Administration for Children's Services/Agency for Child Development is soliciting proposals from qualified organizations to operate **existing** and **new** group and family day care programs located throughout New York City. The programs are listed in the RFP document.

To be eligible to apply, organizations must be incorporated, not-for-profit and tax exempt, and must be currently operating at least one human or client services program for which an evaluation is available from a funding, licensing or other oversight agency. An organization must submit a proposal in response to this RFP in order to be considered to operate that program in the future. The RFP specifies which programs shall continue at the same facility and the programs for which an organization shall propose a facility. In the latter case, proposed facilities shall be within a half-mile radius of the current facility, and shall be in licensable condition at the time of award for the same components and capacities, so that the program can continue to serve the children currently enrolled. (If a new program, the half mile radius does not apply). In addition, the RFP contains the requirements and specifications applicable for new solicitations. No facility renovation funds will be provided by ACD. The programs must be fully operational on October 1, 2000, i.e., must be licensed and serving children. ACS will hold two non-mandatory pre-proposal conferences on May 16, 2000 from 10:00 a.m. to 12:00 noon and 2:00 p.m. to 4:00 p.m., at ACD, 30 Main Street, Brooklyn, N.Y. 11201. Call the Agency contact person listed below no later than May 11, 2000 to make reservations. All Request For Proposals must be picked up at 150 William Street, 9th Fl., from 9:00 a.m. to 6:00 p.m., beginning on April 28, 2000. Proposals are due no later than 6:00 p.m. on June 9, 2000. From the date this RFP is issued until the award of the contracts, **no contact with Agency personnel related to this solicitation is permitted, except as shall be authorized by the Agency contact person:** Amorie Stephens, Administration for Children's Services, Office of Day Care Contracts, 150 William Street, New York, NY 10038, Telephone: (212) 341-3445; Fax: (212) 341-9828.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
ACS, Office of Contracts, 150 William St. 9th Floor, NYC 10038, Contact: Amorie Stephens (212) 341-3445

CONTRACT ADMINISTRATION AND PROCUREMENT

■ SOLICITATIONS

Construction / Construction Services

REAL ESTATE APPRAISAL SERVICES – CP/PQ/4 – DUE 05-30-00 AT 3:00 PM – Appraisal services are needed primarily for commercial, retail and industrial sites throughout New York City. EDC may enter into a retainer contract with qualified firms that submit proposals. The services provided under an agreement would include appraisal of both developed and undeveloped property as well as the review of appraisals performed by others. EDC will only consider firms with at least one principal designated, as an MAI and preference will be given to firms with experience appraising properties in the five boroughs of New York City.

Detailed guidelines and submission requirements are outlined in the RFP, which is available from EDC. To obtain an RFP, you may pick up the package at our office located at 110 William Street 6th Floor, New York, NY 10038 or submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; or by e-mail to info@newyorkbiz.com, referring to AS-0400 in the subject line. Proposals must be submitted to EDC by Tuesday, May 30, 2000, 3:00 pm.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

TEMPORARY OPERATION OF INDOOR TENNIS AND RECREATIONAL FACILITY, PEIRS 13 AND 14, MANHATTAN – CP/PQ/4 – DUE 05-19-00 AT 3:00 PM – The New York City Economic Development Corporation (EDC) on behalf of the City of New York, is seeking proposals for the **temporary** operation of an indoor tennis and recreational facility located at Piers 13 and 14 in Lower Manhattan, just south of the South Street Seaport. EDC is seeking proposals for the operation of the facility on a one-year **permit. Renewal options may be exercised at the discretion of EDC.** Submission guidelines and requirements are outlined in the RFP. All requests and submissions for the RFP should be directed to Cheryl Elmore, Director, Contract Administration and Procurement, New York City Economic Development Corporation, 110 William Street, 6th Floor, New York 1008, (212) 312-969 or by e-mail to info@newyorkbiz.com, referring to TF-0400 in the subject line. Submissions are due by 3:00 p.m. on Friday, May 19, 2000.

N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Cheryl Elmore, Director, at 212-312-3969.

Construction Related Service

STUYVESANT COVE ENVIRONMENTAL CENTER – CP/2 – DUE 05-10-00 AT 3:00 P.M. – Is seeking the development of an Environmental Center that will successfully be integrated with a new two-acre riverfront park. Currently under construction, Stuyvesant Cove Park is

located along the Manhattan waterfront, between East 18th Street and East 23rd Street. The design of the park interprets the relationship between the urban and the natural environment and the East River ecology. It is envisioned that the Environmental Center will use the park as a teaching tool and direct environmental programs serving the local community, adjacent schools and general public. Through this RFP we hope to solicit creative and innovative programming for the Environmental Center and Stuyvesant Cove Park. Complete development and guidelines and submission requirements are enclosed in the RFP. To obtain a copy of the RFP please contact Cheryl Elmore, Director Contract Administration and Procurement, EDC, 110 William Street, New York, NY 10038, 212-312-3969.
Requests for Proposals.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

☛ **a28-m5**

Human Services

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

AGENCY RULES

AGING

■ NOTICE

New York City Department for the Aging
2000 - 2001 Regulatory Agenda
May 1, 2000

Pursuant to New York City Charter Section 1042, the Department for the Aging ("DFTA") hereby publishes its regulatory agenda for Fiscal Year 2001.

During Fiscal Year 2001, DFTA anticipates that rules may be promulgated governing the Senior Citizen Rent Increase Exemption Program ("SCRIE"), which presently has no official rules and regulations governing the program. The proposed rules, which would be promulgated pursuant to the powers granted to DFTA under New York City Administrative Code Sections 26-405(m), 26-406, and 26-509, would govern the eligibility, continued eligibility, and tax abatement redemption processes involved in the SCRIE Program and set forth the rights and responsibilities of applicants, eligible heads of household and owners of dwelling units of the eligible heads of household. Such rules will ensure that eligible heads of household are granted exemptions from certain future rent increases in order for them to maintain affordable housing in the City, and that owners of the dwelling units in which eligible heads of household reside will be issued appropriate tax abatements equivalent to the amount of the rent exemption. These rules would affect residents of the City of limited means who are sixty-two years of age or older, and owners of certain rent regulated apartment buildings.

These rules would be adopted after a public hearing during Fiscal Year 2001. Michael S. Rabin, Deputy Commissioner and General Counsel, may be contacted at (212) 442-1104 about the subject area involved.

OFFICE OF ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

OFFICE OF ADMINISTRATIVE TRIALS AND HEARINGS REGULATORY AGENDA FOR FISCAL YEAR 2001

Pursuant to section 1042 of the City Charter, the Office of Administrative Trials and Hearings (OATH) hereby gives notice of its anticipated regulatory agenda for Fiscal Year 2001.

1. Rules Governing Contractor Debarment Proceedings and Prequalified Vendor Appeals

Reason: To correct cross-references to amended rules.

Summary: Rule amendments by the Procurement Policy Board (PPB) resulted in revised section numbers. To the extent that OATH's rules of practice refer to the former section numbers of the PPB rules pertaining to contractor debarment and prequalified vendor appeals, these citations will be corrected to conform to the new section numbers.

The OATH rules to be amended are within subchapters A and B of chapter 2 of title 48 of the Rules of the City of New York.

Parties Affected: Agencies of the City of New York and such persons or entities that do business with the City of New York pursuant to the rules of the Procurement Policy Board, who are parties to or affected by prequalified vendor appeals or debarment proceedings.

Related Laws and Rules: Sections 324(b) and 335 of the New York City Charter, and sections 3-10 and 5-13 of title 9 of the Rules of the City of New York.

Adoption Schedule: No later than June 31, 2001

2. Other Rulemaking

Reason and Summary: OATH also anticipates rulemaking as may be found necessary to amend its existing rules of practice in light of experience with those rules, and to accommodate new classes of cases which may be referred to OATH for the first time.

Parties Affected: Persons and entities likely to be affected by such rules will be those individuals, corporations and government agencies conducting administrative adjudications before OATH, and other persons and entities seeking to obtain information about such administrative adjudications.

Contact Person: Charles D. McFaul, Deputy Chief Administrative Law Judge, by mail at 40 Rector Street, 6th Floor, New York, New York 10006; by e-mail at OATH@oathlan.ci.nyc.ny.us; by telephone at 212-442-4926; by fax at 212-442-4910; or by telecommunications device for the deaf (TDD) at 212-442-4939.

CAMPAIGN FINANCE BOARD

■ NOTICE

REGULATORY AGENDA FOR FISCAL YEAR 2001

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, the Campaign Finance Board hereby publishes its regulatory agenda:

1. The Board anticipates proposing rules to implement changes in the New York City Campaign Finance Program that were adopted by amendments to New York City Charter Chapter 46, enacted by referendum on November 3, 1998, including rules on the acceptance of contrubutions from individuals and entities who do business with the City of New York. The Board, moreover, has proposed amendments to the New York City Campaign Finance Act which have been forwarded to the Mayor and the New York City Council relating to the debate provisions of the Act and to maximum public funds payments in primaries in which the total eligible voters is fewer than 1,000. Should these or other amendments be adopted, the Board would anticipate proposing any necessary rules to implement the amendments. In addition, subject areas for proposed rules may include: simplifying and streamliining disclosure and recordkeeping requirements, safeguarding the disbursement of public matching funds, ethical guilelines for Board members and Board staff, codifying Board advisory opinions, and technical changes in existing rules.

2. Under applicable law, rules concerning the Campaign Finance Program apply to candidates for the offices of mayor, public adbocate, comptroller, borough president, and City Council member who have chosen to participate in the Program and their authorized political committees. Under Local Law No. 39 of 1998, the Board is authorized to issue rules to iimplement the regulation of inauguration and transition donations and expenditures which shall apply to every candidate elected to each such office, regardless whether the candidate is participating in the Campaign Finance Program. Under applicable law, the New York City Voter Guide rules apply to all candidates seeking these offices, regardless whether they are participating in the Campaign Finance Program. Voter Guides are required to be mailed to all City households having at least one person registered to vote in the election covered by the Guide.

3. The following laws, among others, are relevant to rulse promulgated and administered by the Campaign Finance Board:

- Local Law No. 8 of 1988
- Local Law No. 4 of 1989
- Local Law No. 69 of 1990
- Local Law No. 37 of 1994
- Local Law No. 90 of 1996
- Local Law No. 39 of 1998
- Local Law No. 48 of 1998
- New York City Charter Chapter 46, as last amended by the voters on November 3, 1998
- New York State Election Law
- Voting Rights Act (42 U.S.C.A. §1973, et seq.)

4. Amy Loprest, Acting Deputy General Counsel of the Campaign Finance Board, may be contacted at (212) 306-7118 concerning the subject areas of Board rule-makings.

CITYWIDE ADMINISTRATIVE SERVICES

■ NOTICE

CAPA Regulatory Agenda - FY 2001
Department of Citywide Administrative Services

Modification of 55 RCNY §11-02, entitled "License Examinations"

Two examinations previously administered by the Department of Citywide Administrative Services ("DCAS") are now administered by other city agencies. Specifically, the examination for Motion Picture Operator is now administered by the Department of Consumer Affairs ("DCA") and the examination for Site Safety Manager is now administered by the Department of Buildings ("DOB"). Accordingly, the DCAS rules regarding license examinations need to be modified to conform the rules with the current practice.

Accordingly, DCAS intends to amend:

55 RCNY §11-02, subsection (a) Applicability
55 RCNY §11-02, subsection (c) Filing fees
55 RCNY §11-02, subsection (e) Examinations
55 RCNY §11-02, subsection (h) Investigations

Rules of DCA and DOB have already been amended to reflect their administration of these examinations.

Anticipated date of action: First quarter of FY 2001

Contact Person: Mitchell J. Paluszek, Deputy General Counsel for Personnel Legal Matters (212) 669-4079

Promulgation of new rules relating to press conferences, demonstrations and similar activities in the immediate vicinity of City Hall

The permitting system relating to press conferences, demonstrations and similar activities in the immediate vicinity of City Hall promulgated as Chapter 9 of Title 55 of the compilation of the rules of the City of New York was stayed by order of the federal district court in April 2000. DCAS, therefore, anticipates the promulgation of new permitting rules for such expressive activities in the immediate vicinity of City Hall.

Anticipated date of action: First quarter of FY 2001

Contact Person: Mitchell J. Paluszek, Deputy General Counsel for Personnel Legal Matters (212) 669-4079

CONFLICTS OF INTEREST BOARD

■ NOTICE

CITY OF NEW YORK
CONFLICTS OF INTEREST BOARD

REGULATORY AGENDA
FISCAL YEAR 2001

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, the Conflicts of Interest Board hereby publishes its regulatory agenda:

1. The Board will be considering, among other items, an amendment to its rule on gifts to narrow the circumstances under which a public servant may accept a free ticket to an annual event of an organization which has business dealings with his or her agency.
2. Under the applicable law, rules promulgated by the Conflicts of Interest Board apply to officers and employees of the City.
3. The following laws and rules, among others, are relevant to rules promulgated and administered by the Conflicts of Interest Board:
   - Charter Chapter 68
   - Section 12-110 of the Administrative Code of the City of New York
   - Title 53 of the Rules of the City of New York
4. It is anticipated that the Board will consider the foregoing rules in early fiscal year 2001. Wayne G. Hawley, Deputy Counsel to the Conflicts of Interest Board, may be contacted at 212-442-1415 concerning the subject areas of the Board's rule making.

☛ a28

CONSUMER AFFAIRS

■ NOTICE

THE NEW YORK CITY DEPARTMENT OF CONSUMER AFFAIRS' REGULATORY AGENDA FOR FISCAL YEAR 2000-2001

Pursuant to Section 1042 of the New York City Charter, the New York City Department of Consumer Affairs hereby publishes its Regulatory Agenda for May, 2000 through May, 2001

1. The Department, pursuant to Section 17-624 (f) of Chapter 17 of Title 17 and Section 20-104(b) of Chapter 2 of Title 20 of the Administrative Code of the City of New York, intends to adopt a rule regarding retail cigarette dealers.

Local Law 2 for the Year 2000 was enacted that transferred the licensing of retail cigarette dealers from the Department of Finance to the Department of Consumer Affairs and strengthened the penalties and administrative remedies to enforce the law banning the sale of tobacco products to minors. The law provides for the adoption of rules specifying the content of training programs for employees that retailers could implement as one of the precautionary measures that would qualify a retailer for a waiver from the requirement that a retail cigarette license be revoked upon a finding of two violations of specific provisions of the Tobacco Product Regulation Act within a two-year period. The proposed rule would specify the content for such qualifying training programs.

At this time, the Department is not aware of any federal, state, or local laws or rules which conflict with the anticipated amendment. The Department anticipates the amendments to be promulgated in the Summer of 2000.

2. The Department, pursuant to Section 20-104 (b), 20-518 (g), 20-519(h) and Section 20-525 of Chapter 2, Title 20, of the Administrative Code of the City of New York, intends to amend the rule regarding towing vehicles.

The Department proposes to amend the rule governing towing amendments to conform the rule to the provisions of the Interstate Commerce Commission Termination Act of 1995 which narrowed the federal preemption of state and local government regulation of the towing industry by authorizing state and local governments to continue to regulate the price and related conditions of services involving non-consensual tows by tow truck operators; to clarify perceived ambiguities that have been raised with respect to program requirements involving the DARP and ROTOW programs requirements relating to "applicants" and "participants" and with respect to procedures participants are to follow to relocate its business premises from the location that qualified it to be in the program; to revise the means for identifying vehicles of participants in the DARP and ROTOW programs; and to objectify the standard for removing a ROTOW participant from the program from failing to accept or respond to rotational calls. The current rule governing tow truck licensees was adopted before Congress enacted the law that pre-empted of the regulation of the towing industry by state and local governments, and operational experience has brought to light ROTOW and DARP program features that need to updated to reflect current needs and practices. The proposed amendments would modify the provisions of the rule governing towing as necessary to conform them to the provisions of the federal pre-emption statute and appropriate court decisions on the subject and appropriately update DARP and ROTOW program requirements.

At this time, the Department is not aware of any federal, state, or local laws or rules which conflict with the anticipated amendment. The Department anticipates the amendments to be promulgated in the Fall of 2000.

3. The Department, pursuant to Section 2203(e) of Chapter 64 of the Charter of the City of New York, intends to amend the rule

The Department proposes to revise and update various provisions subchapter A, B and C of Chapter 6 of Title 6 of the Rules of the City of New York that govern adjudicatory proceedings. The proposed amendments will update, clarify and insert definitions and requirements governing the submission of documents; provide for appearances by non-attorneys; revise procedural requirements governing requests for adjournments, appeals of scheduling decisions, options for disposing of notice of hearings or violations before the scheduled hearing date; clarify procedures for settlements and appeal requirements; and specify conditions under which hearings may be recorded by the parties.

The adjudicatory procedures provisions have not be updated since January 1992. The Department has determined that the proposed definition changes and procedural adjustments would improve the efficiency of the process, open the process to non-attorney representatives, and prescribe procedures for disposing of matters that have arisen in the course of proceedings which are not clearly and adequately addressed by the current requirements.

At this time, the Department is not aware of any federal, state, or local laws or rules which conflict with the

anticipated amendment. The Department anticipates the amendments to be promulgated in the Spring of 2001.

4. The Department, pursuant to Section 20-104 (b) of Chapter 2, Title 20, of the Administrative Code of the City of New York, intends to amend the rule regarding dealers in second-hand articles.

The Department proposes to amend the rule governing dealers in second-hand articles to require that used car dealers maintain on their premises copies of documents evidencing a sale that dealers must provide to their consumers. The proposed rule would also require that such dealer display on each vehicle the Buyers Guide as provided by the Federal Trade Commission's "Used Motor Vehicle Trade Regulation Rule" (16 CFR Part 455). Although current rules require that used car dealers evidence a sale in a writing that includes prescribed information about the terms of the sale, dealers are currently not required to maintain such records or have them available for inspection on the premises. The proposed requirement that such records be available for inspection on the premises is needed to enforce compliance with the requirement that sales be evidenced in writing with the prescribed information about the terms of a sale. The proposed requirement that used car dealers post the Buyers Guide as provided by the FTC Trade Regulation Rule ensures that dealers are on notice that they must comply with that rule since failure to do so constitutes a deceptive practice under the City Consumer Protection Law.

At this time, the Department is not aware of any federal, state, or local laws or rules which overlap or conflict with the anticipated amendment. The Department anticipates the amendments to be promulgated in the Fall of 1999.

5. The Department, pursuant to Section 20-104 (b) of Chapter 2, Title 20, of the Administrative Code of the City of New York, intends to amend the rule regarding Midtown Stores.

The Department proposes to update the heading of subchapter CC of Chapter 2 of Title 6 of the Rules of the City of New York from "Midtown Stores" to "Electronic Stores" and to insert a definition for audio equipment to make clear that such equipment includes beepers, telephones and other similar communication devices. The proposed revision of the subchapter heading reflects the extension of the law to all electronic stores, and the proposed definition for audio equipment would eliminate confusion and conflicting interpretations that have arisen about whether the definition of "audio equipment" in the law specifically extends to such communication equipment.

At this time, the Department is not aware of any federal, state, or local laws or rules which overlap or conflict with the anticipated amendment. The Department anticipates the amendments to be promulgated in the Spring of 2001.

6. The Department, pursuant to subdivision 7 of Section 20-408 Chapter 2, Title 20 and Section 20-104 (b) of Chapter 1, Title 20, of the Administrative Code of the City of New York, anticipates promulgating an amendment to the rule governing process servers.

The Department proposes to amend the rule governing process servers to extend the retention period for records that process server licensees are required to keep from two to three years. This amendment would conform the record retention period in the rule to the period established under Article 8-A of the General Business Law that governs process servers in cities with a population of one million or more.

At this time, the Department is not aware of any federal, state, or local laws or rules which overlap or conflict with the anticipated regulatory amendments. The Department anticipates the amendments to be promulgated in the Winter of 2000.

Inquiries concerning these proposed rules/amendments should be addressed to Andrew Eiler, Chief Research Analyst, Department of Consumer Affairs, 42 Broadway, New York, NY 10004, (212) 487-4248.

☛ a28

ENVIRONMENTAL PROTECTION

■ NOTICE

Department of Environmental Protection
Notice of Opportunity to Comment on Proposed Repeal of Chapter 20, and the Promulgation of a New Chapter 20, of Title 15 of the Rules of the City of New York Governing and Restricting the Use and Supply of Water

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Department of Environmental Protection by section 1043 and subdivision (b) of section 1403 of the New York City Charter and sections 24-308, 24-309, 24-310, 24-332, 24-334, 24-337, 24-342, and 24-346 of the Administrative Code of the City of New York that the Department of Environmental Protection is proposing to promulgate a Rule to govern and restrict the use and supply of water in the City of New York.

PLEASE BE ADVISED THAT WRITTEN COMMENTS regarding the proposed Rule may be sent on or before May 30, 2000 to the New York City Department of Environmental Protection, Office of Legal and Legislative Affairs, 59-17 Junction Boulevard, 19th floor, Corona, New York 11368 Attention: Judah Prero, Esq.

PLEASE BE FURTHER ADVISED THAT ORAL COMMENTS regarding the proposed Rule may be delivered at a public hearing to be held on May 30, 2000 at 96-05 Horace Harding Expressway, 3rd Floor, Corona, NY (718) 595-5330 from 10am to 12 Noon. Any questions about the location of the hearing may be directed to Denise Hubbard at (718) 595-3521.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Denise Hubbard at the phone number above by two weeks prior to the hearing.

PLEASE BE FURTHER ADVISED THAT COPIES OF ALL WRITTEN COMMENTS and a summary of the oral comments delivered at the public hearing will be available for inspection within a reasonable time after receipt between the hours of 9:00 a.m. and 5:00 p.m. at the Department of Environmental Protection, Office of Legal Affairs, 59-17 Junction Boulevard, 19th floor, Corona, New York 11368.

Please note that the text of the proposed Chapter 20 of 15RCNY is underlined becuase all the language in the proposed Chapter 20 is new.

The proposed Rule was included in the Department's FY 99 Regulatory Agenda.

* * *

Chapter 20 of Title 15 of the Rules of the City of New York is repealed and a new Chapter 20 is added to read as follows:

Chapter 20
Governing and Restricting the Use and Supply of Water

§20-01 PERMITS

(a) **General Information**

Subject to the provisions of this chapter, permits will be issued for the following purposes upon receipt of proper applications and permit fee:

Hydrant, Use of
Meter Disconnect for Repair or Change of Piping
Meter Setting, New or Additional
Plug, Tap/Wet Connection (Termination of Service)
Service Pipe, Relay of
Service Pipe, Repair of
Service Pipe, Thawing of
Tap Installation
Tap Installation and Plug of Prior Tap
Tap Location, Electrical Indicator
Wet Connection Installation
Wet Connection Installation and Plug of Prior Tap or Wet Connection

All work under a permit shall be performed by the permittee and/or persons directly employed and supervised by the permittee.

(b) **Issuance**

Where permits involving plumbing work are required, such permits will be issued only to Licensed Master Plumbers, and to plumbers in the employ of municipal, state or federal agencies and authorities. Permits to set, reset, repair, or disconnect a water meter on service pipes with a diameter of less than one and one-half (1½) inches may be issued to persons who may lawfully perform such work under §20-05(c) of these Rules. Meter repair permits may also be issued to meter repair companies for repair on the premises of water meters.

1) Any work performed without a permit as required by these Rules shall be a violation.

2) Permits for all emergency work must be obtained within forty-eight (48) hours or by the end of the second business day following commencement of the work.

(c) **Regulation of Permit Work**

If a Licensed Master Plumber or meter repair company commits three (3) or more violations of these Rules during a three (3) month period, the Commissioner, after providing the Licensed Master Plumber or meter repair company with an opportunity to be heard, may refuse to issue additional permits to such Licensed Master Plumber or meter repair company in accordance with §24-309 of the Administrative Code.

(d) **Department of Transportation Approvals**

All permits for work requiring opening or obstructing a street and/or sidewalk shall be contingent upon approval by the Department of Transportation (DOT) or the agency having jurisdiction to authorize such opening.

(e) **Permits at Job Site**

All permits required by the Department must be displayed at the work site. Failure to display necessary permits shall be a violation of these Rules.

(f) **Emergency Repairs**

1) A Licensed Master Plumber may perform emergency repairs where a defective service or defective interior piping results in leakage of City water and/or immediate danger to the public safety. All required permits must be obtained in accordance with the provisions of §20-01(b)(2).

2) Where it is necessary to open a street for emergency repairs, a Licensed Master Plumber shall obtain an emergency permit from DOT or the agency having jurisdiction to authorize such an opening.

§20-02 TAPS TO CITY WATER MAINS

(a) **Separate Supply**

A separate corporation stop (tap) and service pipe shall be installed for each building supplied with City water, except for buildings that have service pipes supplied by internal water mains as described in § 20-03(b).
Siamese corporation stops (taps) or service pipes on the inlet side of the main house control valve are prohibited. A service pipe connected to the City main by a T-connection, or by any means other than a corporation stop (tap) or a wet connection, shall be controlled by a gate valve placed in the service pipe, and located within two (2) feet of the point of connection to the main.

(b) **Connections to City Mains**

1) Corporation stops (taps) and wet connections to a City Main shall be inserted or installed only by Department employees. Waivers may be granted for T-connections in extenuating circumstances (i.e. connections to two (2) inch mains and two (2) or three (3) inch connections to a four (4) inch main).

2) A two (2) or three (3) inch connection to any main four (4) inches in diameter or less shall be made by a T-Connection with an adjacent valve.

3) Direct corporation stop connections (taps) shall not exceed one (1) inch in diameter for mains four (4) inches or less in diameter. Each one and one-half (1 ½) inch corporation stop connection (tap) to such a main shall be made through a tapping saddle, as directed by the Department. The tapping saddle is to be provided and set by the Licensed Master Plumber.

4) Direct corporation stop connections (taps) shall not exceed one and one-half (1½) inches in diameter for six (6) inch mains. Larger connections to mains of this size shall be wet connections.

5) Direct corporation stop connections (taps) shall not exceed two (2) inches in diameter for all mains larger than six (6) inches in diameter. All connections larger than two (2) inches shall be wet connections.

6) Tapping saddles shall be provided by the Licensed Master Plumber whenever, in the opinion of the Department, a pipe to be tapped lacks sufficient wall thickness to securely hold the corporation stop (tap).

(c) **Spacing of Corporations Stops (Taps) and Wet Connections**

1) No corporation stop (tap) or wet connection shall be inserted on a fitting or within twenty-four (24) inches of a hub, fitting, hydrant branch, dead end, etc.

2) The minimum spacing interval for corporation stops (taps) and wet connections shall be eighteen (18) inches for both three quarter (3/4) inch and one (1) inch corporation stops (taps), and twenty-four (24) inches for one and one-half (1½) and two (2) inch corporation stops (taps) and wet connections.

3) No corporation stop (tap) or wet connection shall be installed below the horizontal diameter of the main.

(d) **Location of Corporation Stops (Taps)**

Water main corporation stops (taps) shall be installed in front of the property to be supplied with water. All old taps shall be plugged or destroyed prior to the installation of the new tap.

(e) **Charges for Corporation Stops (Taps) and Wet Connections**

The charges for the installation of a corporation stop (tap) or a wet connection shall be as fixed by the New York City Water Board Water and Wastewater Rate Schedule.

(f) **Permits at Job Site**

Permits for corporation stops (taps), wet connections and plugs shall be displayed at the work site.

(g) **Plugs**

If an approved excavation for the removal or destruction of a single corporation stop (tap) reveals that the service pipe is supplied by two (2) or more corporation stops (taps), the Licensed Master Plumber making the excavation shall plug or destroy the additional corporation stops (taps). The Department will make its records relative to the location of any corporation stop (tap) to be plugged or destroyed available to the licensed plumber. The Licensed Master Plumber shall be solely responsible for locating the corporation stop (tap). A separate permit will be required for each corporation stop (tap) destroyed.

(h) **Destruction of Wet Connections, Corporation Stops (Taps) and Three-Way Connections**

1) Destruction of a wet connection shall be performed by the Licensed Master Plumber engaged by the owner or the owner's duly authorized representative. The valve shall be closed, the stuffing box gland thoroughly tightened, the valve stem cut off flush with the stuffing box gland, the service pipe disconnected, and a plug inserted in the outlet end of the valve. The plug and wet connection valve shall be anchored to the main as directed by the Department.

2) A screw corporation stop (tap) shall be destroyed by removing a diagonal portion of the corporation stop thread. The corporation stop (tap) shall be closed, and the service pipe shall be disconnected. A driven corporation stop (tap) shall be removed and replaced with a screw plug, unless otherwise authorized by the Department.

3) All corporation stops (taps) and wet connections which are destroyed shall have the service pipes disconnected, the curb box (if any) removed, and a portion of the service pipe at the entry to the building removed.

4) When a corporation stop (tap) or wet connection has been shut off and the service pipe connected thereto is not to be used, the Licensed Master Plumber shall take the necessary steps to plug the corporation stop (tap), as outlined above.

5) Three-way connections to be abandoned shall have all piping disconnected and removed from the branch hub of the three-way, and an approved plug inserted into the hub. The plug shall be anchored to the main as directed by the Department. All work shall be done by a Licensed Master Plumber, and the permittee shall pay all costs associated with shutting the main.
When a three-way hub is not available, the existing three-way outlet shall be capped and anchored to the main. All work shall be consistent with the Standard Water Main Specifications of the Department of Design and Construction (DDC).

(i) **Use of Tap Location Electrical Indicator**

When a building is to be demolished and the Tap Location Electrical Indicator Permit has been obtained, the Department will assist a Licensed Master Plumber in locating a tap through the use of an electrical indicator. If the indicator fails to locate the tap within five (5) feet of the expected location, the Licensed Master Plumber will be relieved of the obligation to plug and destroy the tap. No refund or credit of the permit fee will be granted if the indicator fails to locate the tap.

(j) **Sizes of Corporation Stops (Taps) and Services Pipes**

The size of the corporation stop (tap) and service pipe to supply a premise shall be determined by the water demand load (gpm) of the premises, as determined by fixture units.

In premises used for commercial and industrial purposes, where it is not feasible to determine the size of the tap and service pipe as indicated above, these sizes shall be determined solely by the water demand load (gpm) of the premises. (Tables for determining the appropriate sizes of taps and service pipes are found in Appendix Tables #1, #2 and #3.) The minimum tap shall be three quarter (3/4) inch, and the service pipe shall be at least one (1) inch in diameter. Unless otherwise approved by the Department, all taps shall be the same size as their corresponding service pipes and the goosenecks required by §20-03(n) shall be the same size as the service pipes.

(k) **Fire Connections and Supply**

1) **Fire Connections**

The Department of Buildings shall determine the size of all fire service pipes to be installed. The size of corporation stops (taps) or wet connections for fire service pipes shall be subject to the approval of the Department.

All fire connection sizes shall be as follows:

(i) The size of the corporation stop (tap) or wet connection for fire service pipes up to, and including, four (4) inches in diameter shall be the same size as the fire service pipe.

(ii) For fire service pipes larger than four (4) inches in diameter, the size of the wet connection shall be one size smaller than the size of the fire service pipe.

2) **Combined Service Pipes/Dual Fire and Domestic Service Pipes**

A connection for domestic purposes may be made from a fire service pipe only upon approval of the Department of Buildings. For such installations, valve(s) and meter(s) must be installed as required by §20-05 of these Rules.

3) **Prohibitions**

Fire service pipes shall not be cross-connected with any system of piping except as described in §20-02(l)(2).

(l) **Appointments for Tapping, Wet Connections, and Inspections**

1) The Licensed Master Plumber shall provide the Department with advance notification of the requested corporation stop (tap) or wet connection installation date.

2) An inspection shall also be requested by the Licensed Master Plumber before backfill is placed on new or repaired service pipes.

3) The Department shall schedule corporation stop (tap) and wet connection installations during business hours, for the next available date.

(m) **Rescheduling of Corporation Stop (Tap), Wet Connection Installation or Service Pipe Inspection**

1) When a permittee fails to provide a safe and adequately sized excavation for installation of a corporation stop (tap) or wet connection on the date and time for which an appointment has been scheduled, the installation will not be made and the permittee will be required to schedule a new appointment.

2) When a permittee fails to have a completed service pipe installation or plug ready for inspection on the date and time for which an inspection has been scheduled, the permittee will be required to schedule a new appointment.

3) If a permittee must leave an excavation open for a subsequent corporation stop (tap)/ wet connection installation or service pipe inspection, the excavation shall be made safe, in accordance with DOT requirements.

(n) **Size of Excavation**

Sizes of excavations for wet connections and corporation stops (taps) shall be in accordance with the requirements of Appendix Table #4. If subsurface conditions prevent a plumber from making an excavation of the dimensions indicated therein, the plumber shall immediately notify the Department. The Department has the discretion to determine whether the dimensions should be changed, and what the new dimensions for the excavation shall be. All excavations shall be made safe by sheeting and bracing, where necessary, and shall conform with all applicable laws, rules and regulations.

(o) **Driven Corporation Stops (Taps)**

Where a driven corporation stop (tap) is uncovered, it must be maintained and protected. If a driven corporation stop (tap) is disturbed, it must be replaced with a screw corporation stop.

(p) **Service Pipe Leak**

1) Upon discovery of a leaking service pipe, the Department will shut the corporation stop (tap) or wet connection unless it determines that there is no immediate threat to life or property. When there is no immediate threat to life or property, a Three-Day Notice to Repair will be served upon the owner or occupant of the premises. If the notice is not complied with, the Department will shut the corporation stop (tap) or wet connection.

2) When the corporation stop (tap) or wet connection is shut off by the Department, the owner/occupant must engage a Licensed Master Plumber to assume responsibility for the street excavation and make the necessary repairs. If the owner/occupant fails to engage a Licensed Master Plumber, the corporation stop (tap) or wet connection will remain closed, the excavation will be backfilled, and the street will be properly restored.

(q) **Shut-Off of Tap by Licensed Plumber**

A Licensed Master Plumber must secure a permit to open or shut a tap controlling a service pipe connected to a City water main for any repair, replacement or installation. If it is necessary to shut off the water main while repairing, replacing or installing a service pipe, the Licensed Master Plumber shall immediately notify the Department. The shut off shall be made only by the Department, and the permittee must pay all costs associated with shutting off the main.

§20-03 WATER SERVICE PIPES

(a) **Advance Conceptual Design Approval**

1) A Licensed Professional Engineer, Registered Architect or Licensed Master Plumber may obtain advance conceptual design approval for corporation stops (taps), wet connections, service pipes or relays by submitting a conceptual design drawing to the Department and paying the required fee. Information on the related water demand, length of service pipe, proposed size of the corporation stop (tap)/ wet connection, service pipe and fire sprinkler heads to be utilized must also be provided.

2) The advance review and approval of a conceptual design may be the basis for a permit application for a period of two (2) years.

3) Prior to the expiration of an advance conceptual design approval, the Department may extend the approval for an additional sixty (60) days upon receipt of a written request for an extension.

(b) **Internal Water Main Approval**

1) Advance approval for internal water mains shall be obtained from the Department of Buildings by a Licensed Professional Engineer or Registered Architect.

2) Internal water mains shall have either an approved valve and valve box or an approved meter and meter pit installed in the property within two (2) feet of the property line in addition to meters required by 20 - 05 (a). After installation, such meters will be owned, maintained, repaired and read by the Department.

(c) **Department of Buildings Approval**

1) Evidence of prior Department of Buildings approval of service pipe size will be required before DEP approval of a permit application for:

(i) Any new corporation stop (tap), wet connection and/or service pipe installation which supplies water to a sprinkler,fire or standpipe system.

(ii) Any corporation stop (tap), wet connection and/or service pipe installation for a sprinkler, fire or standpipe system for a major renovation, or for any location where a new certificate of occupancy is required.

(iii) Any corporation stop (tap), wet connection and/or service pipe installation for a domestic water supply system to which fire sprinkler heads are connected.

(iv) Any corporation stop (tap) or wet connection installed in order to supply an internal water main.

2) For premises that are not under the jurisdiction of the Department of Buildings, or where the owner/developer is exempt from obtaining Department of Buildings approval, a Licensed Professional Engineer or Registered Architect may submit a letter to the Department that certifies that the corporation stop (tap), wet connection and service pipe are adequately sized, and will provide an adequate degree of fire protection and a sufficient supply of water for domestic purposes. This certification will be accepted by the Department in lieu of Department of Buildings approval for the purposes of processing a permit application.

(d) **Sizing Services**

1) Minimum acceptable sizes of corporation stops (taps), wet connections and service pipes that provide domestic water supply shall be determined by Department sizing tables. (See Appendix Tables #1, #2 and #3.)

2) Where the Department sizing tables indicate that a two (2) inch tap and a two and one-half (2 ½) inch service line are required, approval will also be granted for a two (2) inch tap and a three (3) inch service line.

3) Where a Licensed Professional Engineer, Registered Architect, or Licensed Master Plumber proposes sizes of taps, wet connections, service pipes, or internal water mains using methods other than Department sizing tables, all calculations shall be submitted to the Department for review and approval.

(e) **Department of Buildings Service Pipe Sizing**

For service pipes that supply water to both domestic and fire protection systems, the service pipe size shall be the larger of the size determined by the Department of Buildings or the size as determined by the Department sizing tables. (See Appendix Tables #1, #2, and #3.)

(f) **Materials for Service Pipes**

1) New service pipes two (2) inches in diameter or less shall be brass or copper tubing.

2) Service pipes larger than two (2) inches in diameter shall be either brass or ductile iron.

3) Only new materials shall be used for service pipes.

4) Service pipes shall be of uniform diameter and material unless otherwise approved by the Department.

5) All service pipes shall conform to the most recent revision of the following standards:

(i) Department of Citywide Administrative Services, Division of Municipal Supply Services 32-P-3 Standard for Brass and Copper.

(ii) Department of Citywide Administrative Services, Division of Municipal Supply Services 32-T-1 Standard for Copper Tubing.

(iii) For three (3) inch and four (4) inch diameter pipe: ANSI/AWWA C151/A21.51, Class 52, Standard for Ductile - Iron Pipe, Centrifugally Cast, for Water or Other Liquids.

(iv) For greater than four (4) inch diameter pipe: ANSI/AWWA C151/A21.51, Class 56, Standard for Ductile Iron, Centrifugally Cast, for Water or Other Liquids.

(g) **Approved Dimensions and Weights**

Pipe dimensions and weights shall be in accordance with Appendix Tables #5, #6 and #7. Ductile iron pipes shall be lined with a cement-mortar lining and coated with an asphaltic coating, in accordance with the latest revision of ANSI/AWWA C104/A21.4.

(h) **Joints**

Ductile iron pipe shall have mechanical or push-on joints with field-lock gaskets. Rodding of fittings, when necessary, shall be in accordance with DDC Specifications.

(i) **Mechanical and Flare Joints**

Connections of existing lead service pipes to copper tubing or brass service pipes shall be made using either a compression coupling or an equivalent approved by the Department.

(j) **House Control Valves**

House control valves, which shall be made of material similar to the corresponding service pipes, shall be gate type with the exception of those between the sizes of three quarter (¾) inch and two (2) inches, which may be full port ball valves. The house control valve shall be placed in the service pipe inside the building within two (2) feet of the building wall, and shall be located where it is accessible at all times. All valves shall be designed for a 150 psi minimum working pressure. For fire, sprinkler, and standpipe service pipes, and for any service pipe which supplies sprinkler heads, the house control valve shall be an OS&Y Valve or an indicating valve approved by the Department of Buildings.

(k) **Curb Valves**

1) Curb valves shall be full port ball valves or non-rising stem gate valves designed for a minimum of 150 psi of working pressure.

2) Curb valves shall be required on all domestic water service pipes larger than two (2) inch in size and on any water service pipe that provides for fire protection. All curb valves shall be set in the service pipe in the sidewalk area, and shall be located eighteen (18) inches from the curb or other such locations as may be approved by the Department.

3) All curb valves shall be provided with a tar coated iron extension box with a cover which is flush with the sidewalk. Each curb valve larger than two (2) inches in diameter shall be equipped with an operating nut at least one and one quarter (1¼) inch square. Curb valves two (2) inches and smaller in diameter may be full port ball valves equipped with a quarter turn shutoff nut.

(l) **Straight Service Pipes**

Service pipes shall be laid in a straight line at right angles to the street main, and shall extend from the corporation stop (tap) or wet connection to the main house control valve. Where conditions preclude such an installation, a Licensed Master Plumber shall submit a proposed alternate for review and approval.

(m) **Gooseneck and Offset Swing Joints on Service Pipe Connections**

Each brass or copper tubing service pipe must have at least three (3) feet of copper tubing formed in a gooseneck connection to the corporation stop (tap) and laid to the right hand facing the tap, as shown in Appendix Figure #2. Each brass service pipe with threaded joints shall be installed as shown in Appendix Figure #2. No offset swing joint shall be made for ductile iron connections.

Swing joints and/or goosenecks shall be located at the corporation stop (tap) or wet connection, and may also be placed immediately outside a building laid to the right hand facing the building where the building is constructed on a pile foundation or other unyielding support.

(n) **Service Pipe Depth**

All service pipes shall be installed at a depth of at least three and one-half (3 ½) feet, no more than six (6) feet below ground, unless a written waiver is obtained from the Department. Where a service pipe is installed with less than three and one-half (3 ½) feet of cover, it must be insulated and protected in accordance with Department requirements. A service pipe shall not be laid within twelve (12) inches of any other sub-surface structure, conduit or pipe. A service pipe shall not be laid directly below, and parallel with, any sub-surface structure, conduit or pipe.

(o) **Service in Construction Trench**

Service pipes laid in a construction trench shall be supported and protected from settlement.

(p) **Service Pipe in Subway Air Vent**

Where service pipes are installed through a subway vent or similar construction, the method of installation shall be as illustrated in Appendix Figure #4.

(q) **Backfill**

Backfill around and one foot over a service pipe shall be of clean earth, free of stones, and shall be carefully tamped and

compacted in accordance with the latest DOT specifications. The remainder of the backfill shall be free of stones larger than three (3) inches in diameter, and shall be satisfactorily compacted either by tamping, flushing or both. Where tunneling has been permitted, the backfilling of the tunnel portion shall be well compacted with clean earth fill free of stones.

(s) **Test of Service Pipe**

Each new or repaired service pipe shall be subject to a pressure test performed under street main pressure. This test shall be conducted by the Licensed Master Plumber in the presence of a Department inspector. All service pipes and appurtenances shall remain uncovered for the duration of the test for observance of leakage.

(t) **Service Pipe Repairs**

A new service pipe must be installed where more than one-half (½) of an existing service pipe is in need of a repair. All repairs must conform with these Rules.

(u) **Service Pipe Damaged by Electrolysis, Galvanic Action or Other Local Conditions**

When a service pipe has been damaged by electrolysis, galvanic action or other local conditions, it shall be repaired and protected against such damage in a manner approved by the Department.

(v) **Thawing**

Thawing of water service pipes shall be performed under permit only by Licensed Master Plumbers.

§20-04 BACKFLOW PREVENTION DEVICES, WATER HAMMER ARRESTERS, PUMPS AND SEPARATION VALVES

(a) **Backflow Prevention Devices**

Reduced Pressure Zone devices (RPZ's) and Double Check Valve Assemblies are backflow prevention devices. Backflow prevention devices shall be installed to prevent possible backflow / backsiphonage from a commercial property or dwelling unit into a City water main, private water main, or internal water main. A property owner shall install an approved backflow prevention device in every water service pipe that has a potential cross connection hazard, as determined by the Commissioner.

(b) **Backflow Prevention Device Requirements**

Backflow prevention devices shall be installed to address potential hazards, as follows:

DEP CONTAINMENT REQUIREMENT

DEGREE OF HAZARD	PROTECTION REQUIRED
Hazardous Facilities	Air Gap or Reduced Pressure Zone Device
Aesthetically Objectionable Non-Hazardous Facilities	Double Check Valve Assembly
with Hazardous Fixtures (such as treated boilers, cooling towers,etc.)	Double Check Valve Assembly (Provided that internal protective devices are installed for the hazardous fixtures in accordance with Department of Building requirements).
Non-Hazardous Facilities	None

Subject to review by the Department, the degree of hazard shall be determined by the property owner's Licensed Professional Engineer, Registered Architect or Licensed Master Plumber in accordance with guidelines established by the New York State Department of Health.

(c) **Cross Connection Control Reviews**

A Cross Connection Control Review shall be required prior to approval of a permit application for installation of a corporation stop (tap) or wet connection that will be used to supply water to a property that poses a backflow hazard. A Cross Connection Control Review shall also be required prior to installation of a two (2) inch corporation stop (tap) or wet connection.

(d) **Installation of Backflow Prevention Devices**

1) Where the Commissioner determines that a facility poses a potential hazard to the City Water Supply, he or she shall direct the building owner or customer to install an approved backflow prevention device in the service pipe.

2) A Licensed Master Plumber shall submit a plumber's repair application (PRA) to the Department of Buildings for the installation of a RPZ or a Double Check Valve Assembly. RPZ's and Double Check Valve Assemblies shall be installed in accordance with plans approved by the Department. A Licensed Professional Engineer or Registered Architect shall inspect and certify that the completed installation conforms to plans approved by the Department.

3) A building owner or customer who fails of install a backflow prevention device as directed by the Commissioner shall be subject to the issuance of notices of violation, cease and desist orders, other civil and criminal actions and proceedings, and such fines, penalties and other enforcement measures as may be imposed pursuant to section 24-346 of the Administrative Code, including but not limited to the termination of the water supply to the building or to any portion thereof or a facility therein which the Environmental Control Board or the Commissioner may deem necessary to prevent or alleviate any hazard to the City Water Supply.

4) The customer shall pay any fees which the New York City Water Board may establish in connection with the termination or restoration of Water service to the customer.

(e) **Backflow Prevention Device Testing Requirements**

1) Each RPZ or Double Check Valve must be tested upon installation and at least once annually, thereafter, by a backflow preventer tester who is certified by the New York State Department of Health. A test report certifying that the backflow prevention device is operating properly must be submitted to the Department.

2) Defects in any device tested shall be repaired within thirty (30) days, and the repair shall be followed by a retest. Retest results shall be submitted to the Department within thirty (30) days of completion of the repair.

3) Failure of a building owner or customer to provide an annual test report certifying that an existing backflow prevention device installed pursuant to this section or otherwise is properly operating shall be a violation of these rules.

(f) **Suspension of Service Due to Backflow**

1) Where a backflow is detected from premises into a City water main or a private water main, the water supply to the premises may be terminated by the Department.

2) Prior to restoration of water service, a Licensed Master Plumber must certify to the Department that the backflow has been eliminated, and an approved backflow prevention device has been installed.

3) The customer shall pay any fees that the New York City Water Board may establish in connection with the termination or restoration of water service to the customer.

(g) **Water Hammer Arresters**

Where flushometers, suction tanks, other fixtures or piping are equipped with quick closing valves and are supplied by direct street pressure, an approved water hammer arrester shall be installed in the service pipe two (2) feet downstream of the meter as required by Reference Standard P107-5 F of the NYC Building Code.

(h) **Suction Tanks**

1) Connections to premises with a pumped supply which exceeds 400 gpm (total) must be equipped with either a suction or a surge tank, as required by the Department of Buildings.

2) Suction tanks shall be sized as required by the Department of Buildings.

3) For premises with a pumped supply greater than 400 gpm and more than one water service pipe, the pumped capacity shall not be divided among the multiple service pipes for the purpose of determining the need for a suction tank.

(i) **Separation (Section) Valves**

The installation of a separation (section) valve in an existing City water main or private water main for the purpose of installing two separate sources of water for a property is prohibited, except upon a finding by the Department that the separation (section) valve is required for protection of life or property.

§20-05 METERS

(a) **Placement**

1) An approved water meter shall be installed wherever City water is supplied and for all wells or other water sources that discharge into the City sewer system.

2) Each building shall have one (1) meter on each service pipe supplying the building set at the point of entry. After acceptance by the Department such meters will be owned, maintained, repaired and read by the Department.

3) Placement During Building Construction

(i) All water used in the construction of buildings 75 feet or six (6) or more stories in height shall be metered.

(ii) Prior to the commencement of actual building construction, a meter of proper size shall be installed on each tap or service pipe supplying the premises.

(iii) The meter shall be placed in an accessible location at a point to be designated by the Department.

(iv) The meter shall be close to the point of entry of the service pipe, and shall be enclosed in a vault or box of ample size and substantial construction which will provide adequate protection against damage or injury from frost or any other cause.

(v) Each meter shall remain in service throughout the entire period of building construction and until such time as the permanent meter has been installed.

(vi) Where the meter is inoperable, has not accurately measured the water supplied to the premises, or has not been maintained in good working order during the entire period of building operations, the charge for water consumed during building construction shall be established as provided by the New York City Water Board in accordance with theWater and Wastewater Rate Schedule.

4) All water used in the construction of buildings less than six (6) stories in height shall either be metered or be supplied by a hydrant permitted in accordance with §20-08. If water used during construction is metered, the meter shall be placed as described in §20-05(a)(3).

5) Metering of Fire Service Pipes and Combined Service Pipes

(i) Fire service pipes in premises supplied with City water shall be metered with an approved detector assembly or an approved fire service meter.

(ii) Combined fire/domestic service pipes one and one half (1½) inches or smaller shall use a single meter approved by the Department on the combined service pipe. Combined fire/domestic service pipes larger than one and one half (1½) inches may use one meter specifically approved by the Department for this purpose on the combined service pipe, or a standard displacement or other meter approved by the Department on the domestic branch and a detector check valve assembly on the fire branch.

(iii) The use of water through meters or detector assemblies approved for fire sprinkler systems only is prohibited, except for fire suppression or the testing of the fire sprinkler system.

(iv) Inlet and outlet valves are not required for fire service meters or detector assemblies on combined service pipes, except for the building shut-off valve. A test tee must be provided for meter testing purposes.

(b) **Meter Permits**

1) No person shall set, reset, repair or disconnect a water meter used for Department billing purposes without having obtained a meter permit, except for sets, resets, repairs or disconnects done by the Department, its authorized agents or contractors. Applications for permits shall be made by a Licensed Master Plumber duly authorized by the customer; provided, however, that applications for permits to reset, repair or disconnect a water meter may be made by a meter repair company authorized by the Department.

2) Within seventy-two (72) hours following the completion of any work for which a meter permit has been issued, the permit, carrying a certification of the date of completion of the work, shall be returned to the Department.

(c) **Work on Small Meters**

(1) No person other than authorized Department personnel, its contractors or permit holders shall set, reset, repair or disconnect a water meter on service pipes of less than one and one-half (1 ½) inch diameter.

(2) A meter repair company authorized by the Department may obtain permits to perform repairs of water meters by demonstrating that it has detailed written repair procedures that have been approved by the Department and a detailed written training program. All training programs shall include meter repairs, meter testing, manufacturingspecifications,permitand specification requirements and the use of any testing and repair equipment.
Proposals for such authorization shall be forwarded to the Department. The Department reserves the right to withdraw its authorization if it finds that the meter repair company is not abiding by the standards set forth in the work procedures approved by the Department.

(d) **Approved Water Meters**

Meters shall meet the following requirements:

1) All water meters used for billing purposes must comply with applicable specifications of the most recent AWWA Standards for Water Meters, and/or be specifically tested and approved by the Department as to their accuracy, performance and construction. The Department shall maintain and regularly update a list of approved water meters, detector assemblies, pit meter equipment, meter attachments and meter-associated equipment.

2) The following information shall be on all meters used for billing purposes:

(i) Size and model of meter;

(ii) Trade or brand name of meter; and,

(iii) Direction of flow.

3) The serial number of the meter shall be imprinted on the case and all meter serial numbers shall be unique.

4) All meters used for billing purposes shall read in cubic feet.

5) All meters used for billing purposes shall be equipped with a touch-pad type remote meter reading receptacle that is compatible with the Department's meter reading probes, unless the meter has been approved by the Department for reading exclusively through an approved automatic meter reading system.

6) For displacement type water meters, the following shall also be required:

(i) All three quarter (¾) inch and one (1) inch meters shall be of frost protection design with cast-iron bottom plates. Cast-iron bottom plates shall be made corrosion resistant by suitable coating and/or internal lining as approved by the Department.

(ii) All casing bolts, studs, nuts, screws and other external fastening devices shall be made of a bronze alloy or stainless steel conforming to AWWA standards, and shall be designed for easy removal following lengthy service.

(iii) There shall be no stuffing box for displacement-type meters. The motion of the disc or piston measuring element shall be transmitted to the sealed register through the upper wall of the main case utilizing a magnetic coupling.

(iv) All displacement meters shall be provided with a plastic strainer that can be easily removed for cleaning.

(v) All meters installed at locations which may be subject to freezing temperatures shall be insulated with non-asbestos material having a thermal resistance of at least "R-6."

(e) **Turbine and Compound Meters**

1) Turbine and compound meters may be installed only upon approval of the Department upon filing of satisfactory proof that the quantity of water required will be drawn at a rate to insure proper registration.

2) An approved meter strainer shall be installed on all new or replacement compound and turbine meter installations.

3) There shall be no stuffing box for turbine, compound and fire service type water meters. The meter shall transmit the motion of the measuring elements to the register utilizing a magnetic coupling.

4) Compound meters shall not be used on service pipes that go directly to house pumps, unless there are connections before the pumps.

(f) **Used or Repaired Meters**

1) No used or repaired meter shall be installed to cover a service pipe at a new location unless it has been repaired, tested for accuracy and approved by the Department.

2) All used meters shall be repaired, conform to AWWA accuracy standards, and be approved under permit before being set at a new location.

(g) **Sizing**

1) A meter shall be restricted to a size and type that will insure accurate registration on the basis of the water requirements of the premises, or portion of the premises, to be metered. For residential premises, the permit applicant shall perform a fixture count and develop a peak flow estimate using Appendix Tables #1 and #2. The meter shall be sized according to Appendix Table #8. For non-residential premises, the flow rate shall be based on the analysis of a Licensed Professional Engineer or Registered Architect. The meter shall be sized according to that flow rate and Appendix Table #8.

2) A meter shall not be larger than the service pipe supplying the meter, unless specifically approved in writing by the Department. If two meters both cover the calculated peak flow rate, the smaller of the two meters shall be used unless approved in writing by the Department. Exceptions to these requirements, and the use of Appendix Table #8 for meter sizing, will be considered by the Department only when a building's plumbing system uses only street water pressure and documented incoming water pressure is less than 35 psi for buildings four (4) through six (6) stories high, or less than 30 psi for buildings less than four (4) stories in height.

3) The minimum size meter for new installations and replacements shall be three quarter (¾) inch, except that existing five eighths () inch cold water meters may be repaired and reset at their present locations.

4) The appropriate low-flow range for compound meters varies with the manufacturer. The ranges of sizes in Appendix Table #8 refer to the high-flow side. The Department may require that a permit applicant provide a basis for using a compound meter instead of another type of meter. That justification must outweigh the higher maintenance and other operating costs to the Department of the compound meter.

(h) **Tests**

The permit applicant shall submit the manufacturer's meter accuracy test results to the Department at the time of permit application. The Department retains the right, in specific instances, to require that a new, used or repaired meter be sent to a designated Department facility for testing at the owner's expense.

(i) **Settings**

Notwithstanding any other provisions to the contrary, all meters shall be set or reset according to the following requirements:

1) Meters shall be set as near as possible to the point of entry of the service pipe through the building or vault wall so that they may be easily inspected, maintained and replaced.

(i) Displacement meters shall not be set beyond three (3) feet of the entry point without written approval from the Department.

(ii) Turbine and compound meters shall be set with straight sections of pipe as provided in Appendix Figures #7, #7A, #9, #9A, #10 and #10A. If pipe lengths cannot conform to those indicated in Appendix Figures #7, #7A, #9, #9A, #10 and #10A, the meter shall be calibrated in place. An approved meter strainer is required unless one is included in the meter design.

2) No fittings shall be permitted in the section of pipe upstream of the meter or meter setter with the exception of an approved strainer. The strainer shall be located immediately before the inlet side of the meter. The service pipe between the point of entry and the meter setting shall be kept visible.

3) If conditions exist that prevent the setting of a meter in accordance with the above requirements, the meter may be set outside the building in a meter pit, vault or above-ground meter box (See §20-05(k)).

4) Meter settings shall have an inlet valve and outlet valve immediately upstream/downstream of the meter which shall be of a type approved by the Department. Except for meters two (2) inches or smaller, or as noted in §20-05(a)(5), a house control valve shall not be used in lieu of a meter inlet valve. An outlet valve is not required for fire meters or if the property has approved backflow prevention equipment which includes an outlet valve.
Where a meter is placed in an existing pit alongside a sewer trap, the meter test tee shall be located outside of the pit in an accessible location.

5) Connections shall be made by coupling, union, flange union or approved compression fittings and bored for sealing with holes not less than three thirty-seconds ($^3/_{32}$) of an inch in diameter. Compression fittings are permitted for three quarter (¾) inch through two (2) inch meters only. Unions, couplings or compression fittings that permit removal of the meter and/or setter without breaking the seal wire are prohibited. All water meter settings of two (2) inches and smaller sizes shall utilize valves and fittings constructed of bronze conforming to ASTM B-62(85-5-5-5), or copper alloys of commercially pure copper and bronze mill products. Bolts, studs, nuts, screws and other external fastening devices shall be made of a bronze alloy or stainless steel conforming to AWWA standards, and shall be designed for easy removal following lengthy service.

6) Meter Setters & ResettersMeter setters and resetters three quarter inch (¾) through two inch (2) shall conform to the following:

(i) Seamless copper tubing having a type "K" wall thickness in accordance with ASTM B-88 specifications shall be used for all prefabricated water meter setters.

(ii) The internal waterway shall be equal to the meter size to be installed, i.e. one (1) inch meter = one (1) inch internal diameter.

(iii) The end of the copper tubing at the meter coupling for three quarter (¾) inch and one (1) inch meters shall be spun and/or formed to produce a strong positive bearing surface on the full face of the gasket and meter spud.

(iv) Copper tubing arms shall be affixed to the setter body using leadless solder at the cup joint.

(v) All setters, valves and compression adapters shall be designed to ensure positive electrical bonding continuity with, or without, the meter being set, via an approved external method which can be confirmed visually.

(vi) All setters shall be designed to avoid any significant head loss.

(vii) An approved test port located between the meter and the outlet control valve shall be included in the design of all setters. The test port shall be capable of delivering flows from at least one quarter (¼) to two (2) gpm, but no more than four (4) gpm.

7) No galvanized pipe or fittings shall be installed in any meter setting.

8) Valves

All new displacement type water meter settings shall utilize full port ball valves or angle key valves for the inlet and outlet control of the meter. These valves shall be furnished with handles for the manual operation of the valves without the need of a wrench. Turbine and compound meters shall be installed with full port ball or gate type valves.

9) Meters shall be set as shown in Figures #7,#7A, #9, #9A, #10 and #10A.

10) All meter settings shall contain a test tee or test valve downstream of the meter and before the outlet valve. The test tee/valve can be incorporated as part of the outlet valve design.

11) Any connection to a test tee assembly is strictly forbidden.

(j) **By-Pass**

1) By-passes around meters are prohibited except those approved in writing by the Department, such as:

(i) Tunnels where hazardous conditions may exist.

(ii) Selected properties having only one (1) source of supply where any shut-down would endanger public health and safety.

2) If a by-pass is permitted by the Department, the installation shall conform to Appendix Figure #10 or #10A. The by-pass shall be configured so that the top case and interior meter can be removed for repairs or replacement.

(k) **Meter Pit/Meter Box Requirements**

Meter pits shall be constructed in accordance with the following requirements:

1) All electrical connections shall be factory sealed to be water proof.

2) The Department shall maintain detailed specifications for three quarter (¾) inch and one (1) inch pit meter installations and equipment including setters, enclosures and covers.

3) Meter Pits for Meters Less Than 3"

(i) For meters less than three (3) inches, the enclosure shall be frost- proof and shall follow one of these alternate requirements:

(a) Thermoplastic polyvinyl chloride (PVC) conforming to ANSI/ASTM D1785, Type I, Grade 1, seamless, extruded pipe with white interior. The enclosure shall be as uniform as commercially practicable in color, opacity, density and other physical properties. Thickness shall be at least one-half (½) inch.

(b) Polyethylene (PE) enclosures shall be constructed in accordance with the ANSI/ASTM D2104 latest revision. The PE shall be of medium density. Polyethylene shall conform to all applicable sections of the latest edition of ASTM D-1598, and ASTM D-1599. Thickness shall be at least one- half (½) of an inch.

(c) A composite of polyester resin, fiberglass and calcium carbonate. The composite material shall consist of non- aggregate base materials using the bulk molded compound process or the thick molded compound process. The thickness shall be at least one-half (½) inch.

(ii) Covers and lids shall be constructed in accordance with the following requirements:

(a) Covers shall be of cast iron conforming to ASTM A-48 Class 25 and have a protective coating.

(b) Lids shall have a lifter worm lock with a standard waterworks pentagon nut constructed of bronze.

(c) Extra heavy lids and covers shall be used for driveway and sidewalk applications.

(d) For three quarter (¾) inch and one (1) inch meter sets, covers shall fit on twenty (20) inch nominal I.D. meter vaults. Covers shall have thirteen and one-half (13½) inch to fifteen (15) inch openings and lid sizes.

(e) For one and one-half (1½) inch and two (2) inch meter sets, covers shall fit on thirty-six (36) inch nominal I.D. meter vaults. Covers shall have eighteen (18) inch to fifteen (15) inch openings and lid sizes.

4) Meter Vaults for Meters 3" and Larger

For meters three (3) inches in size and larger, a meter vault shall be constructed as follows (See Appendix Figures #11 through #17 for typical meter pit and vault installation details):

(a) Waterproof and frost proof and of sufficient size to permit easy access to all portions of the meter and connections with at least one (1) foot clearance on each side of meter.

(b) In conformance with any requirements of the U.S. Occupational Safety and Health Administration.

(c) Pits less than four (4) feet in depth shall not be less than two feet, six inches (2'6") wide and three feet, six inches (3'6") long. Pits less than four (4) feet in depth shall be provided with a hinged cover not to exceed forty (40) pounds in weight, with suitable handle and so constructed as to permit the uncovering of entire pit, or a circular cover as described above in (ii) provided that there is sufficient clearance to remove and replace the meter.

(d) Pits four (4) feet or more in depth shall be provided with an access opening of at least two feet, six inches (2'6") square, but of sufficient size to remove and replace the meter. The cover of such opening shall be hinged and shall be provided with a suitable handle. Covers exceeding forty (40) pounds in weight shall be counter balanced.

(e) Pits three (3) feet or more in depth shall be provided with permanent steps or a metal ladder.

(f) Pits containing sewer traps shall be provided with an air vent.

5) Meter Boxes (Above-Ground Enclosure)

(i) The enclosure shall be capable of housing the water meter with all required valves, strainer and above-ground appurtenances. It shall have easy access for testing and maintenance including at least one (1) foot, clearance around the meter, piping and valves. The boxes shall have lockable access doors or lids to prevent theft or vandalism. The enclosure shall be anchored to a concrete base of eight (8) inches minimum for meters one and one-half (1½) inches or larger, and four (4) inches for meters less than one and one-half (1½) inches. The enclosure shall an approved remote meter reading receptacle mounted on the exterior.

(ii) The enclosure shall be a minimum of:

(a) Eighteen (18) gauge reinforced aluminum, or;

(b) Extra heavy duty fiberglass reinforced polyester with high- gloss gelcoat finish, or;

(c) Twelve (12) gauge steel finished with three coats of baked enamel.

(iii) The enclosure shall be insulated with a material in addition to the enclosure itself which has a thermal resistance ("R-value") of at least 8.0.

(iv) The enclosure shall have a thermostatically-controlled heat source mounted to the interior wall for freeze protection down to -10F.

(l) **Metering Condominium and Homeowners' Association Developments**

An individual water meter to be read by the Department shall be installed for each separately-owned dwelling unit in all new condominium and homeowners' associations structures of three (3) stories or less when each such unit is supplied with hot water by its own separate hot water heater, and not by a common water heater.

(m) **Removal**

1) If a meter has been disconnected without securing a permit as per §20-05(b) and §20-05 (c), it shall not be reset until the Department has tested and approved the meter.

2) When a tap or wet connection is destroyed on a metered service pipe (See §20-02 (g) and §20-02 (h)), the meter shall be removed under permit and returned to the Department.

3) If a meter is moved, a permit shall be obtained to report the new location. Relocation of a meter from an outdoor pit to an indoor location shall include filling the pit with clean sand and restoring the surface in kind.

(n) **Seals**

A seal placed by the Department for the protection of any meter, valve, fitting or other water connection shall not be tampered with or defaced. The seal shall not be broken except after securing a permit from the Department. Breaking the seal without such a permit shall be a violation. The Department may also remove the meter for testing and resetting or replacement. The customer shall be responsible for safeguarding and protecting the seal and the meter.

(o) **Meter Shut-Off**

Where water is obtained through more than one (1) meter, and where tests indicate accurate registration is not being obtained by reason of the divided delivery of water, the Department may, at its discretion, shut off and seal the meter(s) to ensure accuracy of registration.

(p) **Protection of Meters and Settings**

(1) The property owner shall protect the meter, setting and remote against physical damage, freezing conditions and abuse. The property owner is responsible for preventing physical deterioration of a service pipe which may damage a meter.

(2) The property owner is prohibited from relocating the remote receptacle except upon securing a permit from the Department.

(3) The property owner's installation of branch meters or submeters for the owner's use shall not interfere with the City's meter setting.

(q) **Encoding Registers**

When used, all encoder-type remote registration systems shall comply with all applicable requirements of AWWA Standard C707 and the following requirements:

1) The register shall encode the six (6) most significant digits which will be read from the remote receptacle.

2) The unit shall employ a leak detection indicator or a test sweep hand on the face of the meter register.

3) Registers shall read in cubic feet.

4) The assembly shall have a tamper resistant locking device as well as a provision for seal wire, or other method approved by the Department.

5) The data stream must be, or be convertible to, seven-bit ASCII format, and is to be capable of interfacing directly to an automatic meter reading device to transmit data via radio, cable T.V. or telephone lines to a central location.

6) All encoder registration systems shall be capable of transmitting the data for a minimum distance of three hundred (300) feet utilizing solid twenty-two (22) gauge minimum non-shielded copper cable between the register and the remote receptacle or interface device.

7) All encoding registers shall be subject to the approval of the Department.

8) The register shall be capable of being read through a remote receptacle, and /or an automatic meter reading system.

(r) **Remote Receptacles**

1) Mechanical Construction

The assembly shall be resistant to accidental or unauthorized use and tampering without the need for seal wire. The device shall be sturdy and materials shall be corrosion resistant. The assembly's operation shall not be affected by rain, condensation or temperature variations from -40 degrees to +180 degrees Fahrenheit.

2) Electrical Construction

Pin-type remote receptacles are not permitted. Remote receptacles shall be touch-pad or proximity types. Connecting cable or wires shall be twenty-two (22) gauge and approved by the Department. The materials employed in contacts and connectors shall resist corrosion.

3) Placement of Receptacle

Placement of the remote receptacle shall comply with the following guidelines:

i) Location

Receptacles shall be located on the front or side exterior of the building. The remote receptacle shall be accessible to the meter reader and close to electric and gas meters. Receptacles shall not be installed behind bushes, locked gates, etc. If applicable, remotes shall be set inside storefront security gates. When meters are installed for a two (2) family home, the remotes should be as close together as possible so that both readings can be taken from the same location, preferably on the front of the building. For certain high-rise apartment or office buildings with glass, marble or other similar facades, the remote may be located in a publicly accessible location, such as the building lobby, where it will not require the meter reader to obtain keys or contact building personnel. The location of the remote must be indicated in the permit as returned to the Department.
For all underground meter installations, the remote pad shall be mounted in the meter pit lid or some support or structure immediately adjacent to the pit, to allow meter readings without opening the lid.

(ii) Height

The receptacle shall be set at forty-two (42) inches above ground, but may be set between twelve (12) and sixty (60) inches if circumstances preclude a better height. Receptacles may be installed beyond these limits only when approved in writing by the Department.

(s) **Meter Attachments**

1) No customer shall attach any device to the water meter unless such device has been submitted to, and approved by, the Department.

2) No device submitted for approval shall interfere with or affect the operation, inspection or reading of the meter in any way.

3) Any device approved shall be solely the responsibility of the customer unless it is installed by the Department. The Department shall not be liable for any maintenance or replacement of any approved attachments to the meter, and shall not perform any additional steps to salvage the devices should the meter require replacement.

4) The Department shall publish a list of approved meter attachments as part of its list of Approved Meters.

§20-06 AIR CONDITIONING AND REFRIGERATION

(a) **General Rules**

1) Air Conditioning and Refrigeration

(i) Each direct water connection to a refrigeration or air conditioning unit using City water for cooling purposes shall be equipped with a check valve set not more than two

(2) feet from the unit.

(ii) Each unit containing more than twenty (20) pounds of refrigerant shall be provided with a relief valve installed between the check valve and the unit. The relief valve shall be set at five (5) pounds above the maximum water pressure at the point of installation.

(iii) All water-cooled air conditioning or refrigeration systems shall be connected to a metered supply.

(iv) Water conserving devices shall be designed and operated in accordance with American Society for Heating, Refrigeration and Air Conditioning (ASHRAE) standards that consumes City water for make-up purposes at no more than two (2) percent of the total flow of water through the system. An additional two (2) percent shall be allowed for the purpose of bleeding and wash down.

(v) Where the City water is piped to a water conserving device, the piping supplying such water shall discharge at least two (2) inches above the over-flow rim of the pan.

(vi) Condensate from steam used directly or indirectly to produce the cooling effect in air conditioning or refrigeration systems shall be collected and used as part of the make-up water to the water conserving device or shall be put to some other beneficial use which displaces potable water.

2) Refrigeration

(i) All refrigeration systems in excess of six (6) tons of rated capacity using City water must be equipped with approved water conserving devices.

(ii) All refrigeration systems of six (6) tons of rated capacity or less using City water without an approved water conserving device shall be equipped with an automatic water regulating device on each individual unit.

3) Air Conditioning

(i) All air conditioning systems in excess of two (2) tons of rated capacity using City water must be equipped with an approved water conserving device.

(ii) All air conditioning systems of two (2) tons of rated capacity or less using City water without an approved water conserving device shall be equipped with an automatic water regulating device on each individual unit.

(b) **Hours of Use of Air Conditioning Systems**

1) Hours of use of air conditioning systems may be limited by the Department from time to time as water supply conditions so warrant.
2) Lists of "permissible hourly operation" will be on file in the Department and may be obtained upon request.

3) The hours during which air conditioning using City water is allowed shall be posted prominently in each building and establishment using such air conditioning.

(c) **Variances**

The Department will receive and review requests for variances from this section due to demonstrated peculiar individual situations.

§20-07 INSPECTIONS

(a) **General**

All corporation stops (taps), wet connections, meters, service pipe installations, repairs, plugs and relays shall be subject to inspection by the Department. A Licensed Master Plumber shall certify that all work was performed in accordance with these Rules and all other applicable rules.

(b) **Mandatory Inspections**

Inspections shall be mandatory, and may not be waived for the following categories of work:

1) Corporation stops (taps) and service pipes supplying fire sprinkler systems.

2) Corporation stops (taps) and service pipes supplying fire protection systems.

3) Corporation stops (taps) and service pipes supplying wet standpipes.

4) Corporation stops (taps) and service pipes supplying domestic water systems to which fire sprinkler heads are connected.

5) Water service terminations (plug only).

6) Destruction of any tap or wet connection which requires an excavation separate from the one required for the new tap or wet connection.

7) Installed new wet connections and corresponding service pipes.

8) Relay or repair of sprinkler, fire, standpipe and domestic service pipes to which fire sprinkler heads are connected.

9) Meters larger than one (1) inch.

Any parts of service pipes which are installed without excavation of a trench need not be made available for inspection.

(c) **Inspection Waiver**

For domestic water service pipe installations where inspections are not mandatory, as described in §20-07 (b), the Licensed Master Plumber shall request an inspection as described in §20-02 (l) and §20-02 (m). The Department in its discretion may waive such inspections. If the Department waives an inspection, the Licensed Master Plumber must submit the tap location with certification that all work was performed in accordance with these Rules and all other applicable rules.

(d) **Fee for Inspections**

A fee shall be paid for each inspection in accordance with the Water and Wastewater Rate Schedule of the New York City Water Board.

(e) **Inside Flow Test**

1) A Licensed Master Plumber may submit a written request for permission to conduct an Inside Flow Test in lieu of a mandatory inspection. Such requests may be granted, at the discretion of the Department, but *only* upon demonstration of substantial hardship.

2) Where a request for an Inside Flow Test is denied, the Licensed Master Plumber shall re-excavate and make the work available for an inspection.

3) When performing an Inside Flow Test, the Licensed Master Plumber shall provide all necessary tools, gauges, hoses, etc.

4) An Inside Flow Test shall be conducted, in the presence of a Department inspector, as follows:

(i) The Licensed Master Plumber installs a pressure gauge on the water service pipe near the entry to the premises.

(ii) The Department inspector records the static pressure.

(iii) The Licensed Master Plumber runs a large quantity of water to waste within the premises.

(iv) The Department inspector records the dynamic (with flow) pressure.

Pressure readings with a measurable difference between the static pressure and the dynamic (with flow) pressure shall be acceptable.

(f) **Permit at Work Site**

The Licensed Master Plumber must display the permit at the work site except for emergencies.

(g) **Inspection Hours**

The Department will conduct inspections Monday through Friday (except holidays) between the hours of 7:30 a.m. and 5:00 p.m., except upon a demonstration of substantial hardship.

(h) **Backfilling Before 2:00 PM**

Backfilling on installations where mandatory inspections are not required may not commence before 2:00 PM . Failure to observe this requirement may result in the suspension of the Licensed Master Plumber's privilege to self-inspect. The Licensed Master Plumber must comply with all DOT requirements.

§20-08 WATER USE RESTRICTIONS AND FIRE HYDRANT USE

(a) **Water Use Restrictions**

The use of water is permitted, subject to the following restrictions:

1) Prohibition of Use as a Source of Energy

The use of the pressure or flow of water as a source of energy is prohibited, except when specifically approved by the Department.

2) Restrictions on Use for Coolant Purposes

The use of City water for coolant purposes in industrial and commercial equipment is prohibited, except with the use of an approved "water conservation device,"in accordance with §20-06.

3) Required Recirculation in Fountains, Ornamental Pools, Aquariums and Similar Structures

Display fountains, ornamental pools, aquariums, and similar structures using water in excess of the rate of one-half (½) gpm shall be recirculated.

4) Restrictions on Serving of Water

No person or entity shall cause, permit or allow the serving of water from the City water system to any patron of a restaurant, club, or other eating place unless it is specifically requested by such patron.

5) Watering of Lawns and Gardens

(i) The use of a hose, automatic sprinkler or other means to water lawns or gardens is prohibited between the hours of 11:00 a.m. and 7:00 p.m. Automatic sprinkler or irrigation systems shall include a sensor or control which shall prevent operation during rain.

(ii) Between the first day of November and the last day of the following March, the following activities are prohibited: (a) the use of hoses and sprinklers, and (b) the watering of lawns and gardens.

(iii) The following activities are prohibited at all times: (a) the use of hoses without nozzles, and (b) the practice of allowing sprinklers to flood sidewalks, gutters and roadways.

6) Sidewalks Flushing

The flushing of sidewalks is prohibited between the hours of 11:00 a.m. and 7:00 p.m. In addition, the flushing of sidewalks by means of a hose or piping is prohibited between the first day of November and the last day of the following March.

7) Temporary Suspension of Permission to Use City Water for Purposes Listed in Subsections (5) and (6) Above

The Commissioner may suspend the authorization granted herein for the flushing of sidewalks and the watering of lawns and gardens. Such a suspension may be implemented without formal notice, through advisories issued via broadcast or print media. Upon the declaration of either a Water Pressure Alert or a Water Pressure Emergency, the use of City water to flush sidewalks and to water lawns or gardens is prohibited until the alert/emergency has ended.

8) Car Washing

(i) The use of City water for commercial car washing purposes is prohibited, except (a) where at least seventy-five (75) percent of the water is reused by means of a recirculating system which uses City water for the final rinse only, or (b) where coin operated automatic high pressure equipment is employed. Any premise using City water for commercial car washing must install an approved backflow prevention device.

(ii) Garages, gasoline service stations, and other similar establishments which furnish car washing as part of their regular service and do not employ automatic car washing equipment with appurtenances, as described above, may use buckets of water only.

(iii) Any hose used to supply City water for non-commercial car washing purposes must be equipped with a nozzle.

(b) **Fire Hydrant Use**

1) Fire hydrants may be routinely opened only by authorized employees of the Department and/or the Fire Department. All others seeking permission to open a fire hydrant must secure a permit from the Department. Fire Hydrant Use Permits must be displayed at the site where water is being used.

Only approved hydrant wrenches shall be used. Water shall be obtained from the smaller size hydrant nozzle only. Caps and chains are not to be broken and shall be securely replaced after use.

2) Fire Hydrant Use Permits shall be valid only between the hours of 7:30 a.m. and 7:30 p.m. on the days specified therein, unless otherwise approved by the Department.

3) Permits shall not be issued for use of fire hydrants supplied by water mains which are twenty (20) inches or larger in diameter. Fire hydrants may not be obstructed, and shall be available, at all times, for use by the Fire Department.

4) With the exception of hoses used to extinguish fires, any hose connected to a fire hydrant must be equipped with either an approved backflow prevention device or an approved four (4) inch air gap. (See Appendix Figure #6).

5) Connections to fire hydrants shall be made by valve and couplings which can be readily detached in case of emergency. Where valve and couplings are used, the hydrant must be fully open at all times. The rate of flow shall be governed by the installed valve, and all such connections shall be uncoupled immediately after use.

6) All fire hydrants used during the period from November 1st to April 15th shall be pumped out immediately after use. Hydrants Use Permits shall be invalid when the temperature is below thirty-two (32) degrees Fahrenheit.

7) Defective hydrants shall immediately be reported to the Department by the permit holder.

8) Opening a fire hydrant without a permit shall be a violation.

(c) **Installation and Maintenance of Corporation Stops (Taps), Wet Connections, Service Pipes and Curb Valves**

1) Installation and Maintenance

The property owner shall be responsible for installation and maintenance of corporations stops (taps), wet connection sleeves and valves, three-ways, service pipes, and curb valves.

2) Shut-off Charges

Should the Department shut a tap because of a leaking service pipe, non- payment of a bill, or non-compliance with Department rules, the owner shall pay a shut-off charge in accordance with the Water and Wastewater Rate Schedule of New York City Water Board.

§20-09 ENFORCEMENT

Any person who is in violation of or fails to comply with any provision, standard or requirement of these Rules or the terms and conditions of any permit issued pursuant to these Rules shall be subject to the issuance of notice(s) of violation and other civil or criminal enforcement action(s) pursuant to the provisions of §24-346 of the Administrative Code of the City of New York, including but not limited to payment of civil penalties and compliance with orders of the Commissioner and/or the Environmental Control Board.

§20-10 GLOSSARY

For the purposes of "The Rules Governing and Restricting the Use and Supply of Water", the following definitions shall apply:

Aesthetically Objectionable - A condition which could be objectionable to other water consumers, but would not adversely affect human health. Substances such as food-grade dyes, hot water, and stagnant water from fire lines in which no chemical additives are used may result in aesthetically objectionable conditions.

Air Gap - The unobstructed vertical distance through the free atmosphere between the lowest opening from any pipe or faucet supplying water to a tank, plumbing fixture, or other device, and the flood level rim of the receptacle, which shall be at least double the diameter of the supply pipe.

Applicant - Any person applying for a permit pursuant to these Rules.

ANSI - The American National Standards Institute.

ASCII - American Standard Code for Information Interchange.

ASTM - The American Society for Testing Materials.

AUTOMATIC WATER REGULATING DEVICE- A self regulating valve or other device, the purpose of which shall be to limit the maximum use of City water on air conditioning and refrigeration units that do not have a water conserving device to 1.5 gpm per ton of refrigeration or air conditioning.

AWWA - The American Water Works Association.

Backflow Prevention Device - An approved air gap, reduced pressure zone (RPZ) device, or double check valve assembly (DCV) used to contain potential contamination within a facility.

Backflow/Backsiphonage- The reversal of normal flow in a system caused by a negative pressure (vacuum or partial vacuum) in the supply piping.

Ball Valve - A valve capable of regulating, stopping or starting flow with a one-quarter (90) turn of the valve by means of a movable ball which fits in a spherical seat.

Booster System - A pumped system used to deliver water at a higher pressure within a building.

Building - An enclosed structure having a specific block and lot (or tax sub-lot) and a separate entry from the street or an outdoor area.

City - The City of New York.

City Water - Water supplied by the City of New York.

City Water Main - A water main owned and maintained by the City of New York under the jurisdiction of the Department.

Commissioner - The Commissioner of the New York City Department of Environmental Protection.

Cross Connection - A physical connection or arrangement between two separate piping systems where one system contains potable water; the other contains steam, gas, a chemical, or water of questionable safety, and there may be a flow from one system to the other.

Curb Valve - A shutoff valve on the service pipe in the sidewalk area outside the building, generally located eighteen (18) inches from the curb.

Customer - Any person to whom City water is supplied.

DDC- New York City Department of Design and Construction.

DOT- New York City Department of Transportation.

Degree of Hazard - The potential of a facility to cause contamination of the public water supply. A facility may be rated Hazardous, Aesthetically Objectionable or Non-Hazardous.

Department - The New York City Department of Environmental Protection.

Detector Assembly - A device installed in a water service pipe, in lieu of a meter, which indicates that flow has occurred.

Disinfection - Chlorination in accordance with methods approved by the Department.

Domestic Use- Water consumed for purposes other than extinguishing fire.

Double Check Detector Assembly- A device consisting of two (2) single independently acting check valves, suitable connections for testing the water tightness of each valve, and an indicator that shows whether flow has occurred from the water service pipe into the premises housed together as one unit.

Double Check Valve Assembly- A device consisting of two (2) single independently acting check valves, suitable connections for testing the water tightness of each valve, an inlet control valve and an outlet control valve housed together as one unit.

Encoder-Register - A device from which electronic meter reading data can be obtained from the meter semiautomatically and at a remote location.

Fee - A charge determined by the New York City Water Board.

Fire Department - The New York City Fire Department.

Fire Meter - A water meter used to monitor consumption by sprinklers or other fire protection systems.

Fire Pump - A pump installed on a service pipe to insure adequate flow for purposes of fire protection.

Fire Service - A service pipe that supplies water exclusively to a fire protection system.

Fixture Units - A measure of the probable hydraulic demand on the water supply by various types of plumbing fixtures.

Flood Level Rim - The edge of the receptacle from which water overflows.

Flushometer Valve - A device which discharges a predetermined quantity of water to fixtures for flushing purposes and is actuated by direct water pressure.

Gooseneck - An extra three (3) to five (5) feet of water service pipe installed to the right of the corporation stop (tap) when facing the corporation stop (tap). (See Appendix Figure # 2).

G.P.M. (gpm) - The rate of flow of water in a service pipe, or through a meter or a pump, measured in gallons per minute.

Hazardous Facility - A facility in which substances may be present that may endanger the health of other customers if introduced into the public water system. Examples include: laboratories, sewage treatment plants, chemical plants, hospitals, and mortuaries.

House Tank (Roof Tank) - An elevated water storage tank used to feed domestic and/or fire systems, which is usually located on the roof.

Hydrant - A standard New York City fire hydrant.

I. D. - The inside diameter of a pipe.

Internal Water Main - A water main constructed by a private entity in private property and not in a mapped street, record street or a street for which an opinion of dedication has been issued. Internal water mains are under the jurisdiction of the Department from the City or private water main up to and including the meter or first valve within the property.

Internal Fire Protection System - A fire pump system, a sprinkler system or a standpipe system.

Irrigation System - Piping used to supply water to vegetation.

Licensed Master Plumber - A plumber licensed by the City agency having jurisdiction over such licenses to perform plumbing work within New York City.

Mapped Street - A street that appears on the official map of New York City.

Meter - An instrument for measuring amounts of water consumed.

Meter Register - The system component that converts the movement of the meter's impeller, turbine, or disc into an electronic signal or display. This component consists of a meter register and a signal (data) encoder assembly, and is assembled as either a single unit, or as separate units to be mounted on the meter.

Meter Setter/Resetter - A shop or factory-fabricated set of piping installed as a unit designed to hold a water meter of two (2) inches or less in diameter.

New York City Water Board - A corporate municipal instrumentality of the State of New York established by Chapter 515 of the Laws of 1984 which is authorized to establish and collect fees, rates and other service charges for use of, or for services furnished by, the New York City water and sewer systems.

Nozzle - A spring loaded self-closing device used for controlling the flow of water from a hose.

Offset Swing Joint - An installation consisting of three (3) lengths of pipe and four (4) elbows which are installed in lieu of a gooseneck. (See Appendix Figure # 2.)

OSHA - The Occupational Safety and Health Administration of the United States Department of Labor.

OS & Y Valve - The outside screw and yoke valve used on fire lines.

Person - An individual, partnership, company, corporation, association, organization, governmental agency, administration, department, any other group of individuals, or an officer or an employee thereof.

Pit Meter - A water meter installed in an outside pit or vault.

Private Water Main - A water main constructed by a private person in the bed of a final mapped street or record street.

Professional Engineer - An engineer licensed by the New York State Education Department to practice professional engineering in New York State.

psi - The static pressure of water within a closed piping system, or the loss of water pressure due to flow through a piping system, flow control devices or flow measuring devices, measured in pounds per square inch.

Record Street - A street that appears on the Tax Map of the City but may not be a mapped street.

Reduced Pressure Zone (RPZ) Device - A minimum of two (2) independently acting check valves, with an automatically operated pressure differential relief valve located between the two (2) check valves.

Registered Architect - A person licensed by the New York State Education Department to practice architecture in New York State.

Relay - Replacement of an entire water service pipe without replacement of the corresponding corporation stop (tap) or wet connection.

Remote Receptacle - A system component at a location away from the meter that receives the probe of a portable visual-display unit, or a portable meter reading unit.

Rodding - The installation of steel rods in order to secure and prevent movement of joints, valves, caps, plugs, fittings and appurtenances.

Separation (Section) Valve - A valve installed in a City water main or private water main to ensure two (2) separate sources of water.

Service Pipe - A water supply pipe which connects the customer to a City water main,
private water main or internal water main. Service pipes connecting a single customer's premises to a City water main or a private water main are under the jurisdiction of the Department from the City or private water main up to and including the meter or first valve within the property.

Sidewalk Valve - A valve on a domestic service pipe located in the sidewalk area, at a distance of two (2) feet (street side) from the property line.

Stuffing Box - That part of a valve which contains packing or similar material which prevents leakage when the valve is operated.

Suction Tank - A tank used to protect the City distribution system from a large, sudden water demand.

Swing Joint Connection - An acceptable method of connecting to either well water or City water.

Tap - A corporation stop approved by the Department which controls the flow of water.

Tee Connection - A three-way pipe fitting installed in a private water main or internal water main in lieu of a tap or wet connection.

Title Vested Street - A mapped street or record street whose ownership has been accepted by the City of New York, or a street which has a Corporation Counsel Opinion of Dedication.

Valve - An non-rising stem gate valve.

Valve Box - A standard New York City valve enclosure including the skirt, head and cover.

Waiver- The act of intentionally relinquishing a right or privilege.

Water Conserving Device - With reference to air conditioning or refrigeration systems, an evaporative condenser, water cooling tower, spray pond or economizer.

Water Outlet - An orifice through which water is supplied to a fixture, into the atmosphere, to a boiler or heating system, or to any device which requires water to operate.

Wet Connection - The hardware required to install a connection larger than two (2) inches without interruption of water service. A wet connection shall consist of a sleeve and a corresponding valve approved by the Department.

§ 20-11

APPENDIX
TABLE #1
FIXTURE UNITS - TABLE OF EQUIVALENTS

FIXTURE	DWELLINGS	COMMERCIAL/INDUSTRIAL BUILDINGS
Kitchen & Laundry		
Kitchen Sink	2	4
Laundry Tray (1 to 3 Sections)	3	3
Dishwasher (½ Inch Outlet)	1	4
Washing Machine (Automatic)	2	*See Commercial Washing Machine Fixture Units Below
Bathroom, Washroom & Shower

Statement of Basis and Purpose

The provisions of the proposed new Chapter 20 revise and restate existing rules which are integrated with new provisions to provide a more complete compilation and codification of the Department's regulation of water use. The rules govern the review and approval of applications for permits to connect to city water mains. The rules regulate the placement of water taps and service pipes in the City and specify the requirements for their design and construction that must be satisfied to obtain permission to place such taps and service pipes into service. The Rules set forth procedures for the submission of plans to the Department for obtaining approval to place the taps and service pipes, as well as the requirements relating to permit application and filing fees. The rules also set forth requirements relating to the use of water in certain processes, and the metering of the supply of water. The Rules are authorized by sections 24-308, 24-309, 24-310, 24-332, 24-334, 24-337, 24-342, and 24-346 of the Administrative Code of the City of New York.

FINANCE

■ NOTICE

Regulatory Agenda for Fiscal Year 2001

In compliance with section 1042 of the New York City Charter, the following is the regulatory agenda for rules that the Department of Finance anticipates that it may promulgate during the fiscal year beginning July 1, 2000 and ending June 30, 2001.

An approximate schedule for adopting the proposed rules and the name and telephone number of a Department of Finance official knowledgeable about each subject area involved are listed below each section.

1. AMENDMENTS TO GENERAL CORPORATION TAX RULES

Pursuant to chapter 6, subchapter 2 of title 11 of the Administrative Code, the General Corporation Tax is imposed on every domestic or foreign corporation for the privilege of doing business, employing capital, owning or leasing property, or maintaining an office in the City of New York. Corporations subject to the tax will be subject to these rules.

The Department intends to amend those sections of these rules to reflect legislative changes, court decisions and existing departmental policies not presently addressed by the rules. The Department anticipates that due to the scope of this project, the rules will be amended in stages, several of which were completed in prior fiscal years but the remainder of which may not be completed during the coming fiscal year. During the coming fiscal year, the Department intends to amend those sections of the rules affected by chapter 485 of the Laws of 1994 and chapters 128 and 625 of the Laws of 1996 relating to the enactment of a credit against the General Corporation Tax for Unincorporated Business Tax paid by a partnership in which a taxpayer is a partner, the repeal of the regular place of business requirement, amendments to the alternative income plus compensation tax base and the enactment of a double weighted receipts factor for allocating entire net income of manufacturing corporations. The Department also intends to amend those sections of the rules relating to elections made under Internal Revenue Code section 338(h)(10). Finally, the Department intends to amend those sections of the rules relating to certain administrative aspects of combined returns.

Second half of fiscal year 2001
Andrew Eisner (718) 403-3600

2. AMENDMENTS TO BANKING CORPORATION TAX RULES

Pursuant to chapter 6, subchapter 3 of title 11 of the Administrative Code, the Banking Corporation Tax is imposed on banking corporations for the privilege of doing business in the City of New York in a corporate capacity. Banking corporations subject to the tax will be subject to these rules. The Department proposes to amend the rules relating to the Banking Corporation Tax to reflect amendments to the Administrative Code by chapter 485 of the Laws of 1994 and chapter 128 of the laws of 1996, relating to the replacement of the additional exemption under the Unincorporated Business Tax by a credit that can be taken by banks that are partners in unincorporated businesses.
Second half of fiscal year 2001
Andrew Eisner (718) 403-3600

3. AMENDMENTS TO UNINCORPORATED BUSINESS TAX RULES

Pursuant to chapter 5 of title 11 of the Administrative Code, the Unincorporated Business Tax is imposed on unincorporated businesses carried on in the City of New York. Individuals and unincorporated entities are subject to these rules.

The Department intends to amend those sections of the rules affected by chapter 485 of the Laws of 1994, chapters 128 and 625 of the Laws of 1996, and chapter 481 of the Laws of 1997 relating to changes in the general credit, filing requirements and estimated tax payment requirements, the enactment of a credit against the General Corporation Tax, Banking Corporation Tax and Unincorporated Business Tax for Unincorporated Business Tax paid by a partnership in which a taxpayer is a partner, the repeal of the regular place of business requirement, the enactment of special allocation rules for broadcasters and publishers and the enactment of a double weighted receipts factor for allocating entire net income.

Second half of fiscal year 2001
Andrew Eisner (718) 403-3600

4. AMENDMENT TO REAL PROPERTY TRANSFER TAX RULES

Pursuant to chapter 21 of title 11 of the Administrative Code, the Real Property Transfer Tax is imposed on transfers of real property or economic interests therein located in New York City. Sections 302 through 307 of chapter 170 of the Laws of 1994 amended the State enabling law authorizing the imposition of the Real Property Transfer Tax and chapter 21 of the Administrative Code to provide for temporary tax rate relief for qualifying real estate investment trust transfers. Chapter 309 of the Laws of 1996 further amended the State enabling law and the Administrative Code to make tax rate relief for qualifying real estate investment trust transfers permanent and to provide temporary expanded tax rate relief for certain other transfers to real estate investment trusts. The Department intends to amend all those sections of the Rules Relating to the Real Property Transfer Tax that are affected by the enactment of the real estate investment trust transfer provisions.

First half of fiscal year 2001
Andrew Eisner (718) 403-3600

5. PROMULGATE RULES RELATING TO BIDDERS IN TAX FORECLOSURE SALES

Section 11-354 authorizes the City to maintain an action in the State Supreme Court to foreclose unpaid tax liens on real property in the City of New York. This law was amended in 1996 to authorize the Commissioner of Finance, in consultation with the Commissioner of Housing Preservation and Development, to promulgate rules to establish guidelines for who may be deemed a responsible bidder for purposes of purchasing a property from the City following foreclosure under this law. The Department plans to promulgate such rules in fiscal year 2001.

First half of fiscal year 2001
Robert Dauman (718) 403-3600

6. AMENDMENTS TO RULES RELATING TO PARKING VIOLATIONS

Pursuant to the authority granted by Vehicle and Traffic Law §237, the Department plans three sets of amendments to the Rules Relating to Parking Violations. The first will amend the Fleet Program provisions to conform the rules to certain administrative practices currently in effect, to accord more time for program participants to comply with regulatory requirements, and to clarify requirements of the rule. The entities affected by this proposed amendments are those commercial organizations that choose to enroll their vehicles in the Parking Violations Fleet Program, whereby they can receive computer-generated hearing logs and schedule hearings in the Parking Violations Commercial Adjudication Unit.

The second proposed amendment to these rules will clarify hearing locations for respondents in parking violation matters, and to clarify the requirements for brokers, employees and attorneys who represent respondents in hearings.

The third proposed amendment will lengthen the time period during which a respondent may pay a fine and penalty after a hearing from seven to thirty days.

Second half of fiscal year 2001
Joyce Lippman (718) 403-3600

FIRE

■ NOTICE

NEW YORK CITY FIRE DEPARTMENT

Notice of Promulgation of the Repeal of 3 RCNY §13-01,
"Permit Fees and Certificate of Fitness for Low and Moderate Hazard Dry Cleaning Establishments"

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE FIRE COMMISSIONER OF THE CITY OF NEW YORK by Section 489 of the New York City Charter and Sections 27-4067, 27-4068, 27-4069 and 27-4070 of the New York City Administrative Code and in accordance with the requirements of Section 1043 of the New York City Charter that the New York City Fire Department hereby promulgates the repeal of the above rule. The entire rule is [bracketed] to indicate that it is being repealed.

The public hearing was held on October 26, 1999. In accordance with Section 1043(e)(1) of the New York City Charter, the repeal of this rule shall take effect on June 1, 2000.

This notice, the rule and the statement of basis and purpose will be available for at least 90 days on the Fire Department Internet Home Page at:

www.ci.nyc.ny.us/html/fdny/home.html

Thomas Von Essen
Fire Commissioner

Section 13-01 of Title 3 of the Rules of the City of New York is repealed.

[§13-01 Permit Fees and Certificates of Fitness for Low and Moderate Hazard Dry Cleaning Establishments.

(a) Scope. The following is applicable to low and moderate hazard dry cleaning establishments. Moderate and low hazard dry cleaning establishments are those wherein solvents with a flash point of one hundred degrees, Fahrenheit, or higher are stored and/or used.

(b) The storage and use of dry cleaning liquids for cleaning garments and textile materials, which will emit a flammable vapor at one hundred degrees Fahrenheit or higher, when tested in a Tagliabue open cup tester, shall be under the authority of a permit issued by the Fire Commissioner for low or moderate hazard dry cleaning establishments. The fee for such permit shall be in accordance with those charged for combustible liquids with a flash point 100 degrees Fahrenheit or higher but not more than 300 degrees Fahrenheit under §27-4027 of the Administrative Code to wit:

More than 10 gallons and not to exceed 250 gals.....$30.00
Over 250 gallons.....$60.00

(c) The storage and use of dry cleaning liquids for cleaning garments and textile materials which emit a flammable vapor at one hundred degrees Fahrenheit or higher, when tested in a Tagliabue open cup tester shall be under the supervision of a person holding a certificate of fitness issued by the Fire Commissioner.

(d) These regulations shall be effective for all new installations and at next permit renewal date for existing installations.]

STATEMENT OF BASIS AND PURPOSE OF REPEAL

The Fire Department is repealing this rule in conjunction with the promulgation of a new rule, 3 RCNY §20-11. The storage and use of combustible liquids in dry cleaning establishments will be governed by the new rule. The current fee for a permit to store and use combustible liquids is set forth in §27-4027(b)(1) of the New York City Administrative Code.

☛ a28

NEW YORK CITY FIRE DEPARTMENT

Notice of Promulgation of a New Rule, 3 RCNY §20-11, entitled
"Storage and Use of Combustible Liquids in Dry Cleaning Establishments".

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Fire Commissioner of the City of New York by Section 489 of the New York City Charter and Sections 27-4067, 27-4068, 27-4069 and 27-4070 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Fire Department hereby promulgates a new rule, 3 RCNY §20-11 entitled "Storage and Use of Combustible Liquids in Dry Cleaning Establishments". The entire rule is underlined to indicate that it is new.

The public hearing was held on October 26, 1999. In accordance with Section 1043(e)(1) of the New York City Charter, the new rule shall take effect on June 1, 2000.

This notice, the rule and the statement of basis and purpose will be available for at least 90 days on the Fire Department Internet Home Page at:

www.ci.nyc.ny.us/html/fdny/home.html

Thomas Von Essen
Fire Commissioner

A new rule, §20-11 of Title 3 of the Rules of the City of New York, is promulgated as follows:

§20-11 Storage and Use of Combustible Liquids in Dry Cleaning Establishments

(a) Applicability

This section applies to the storage and use, in dry cleaning establishments, of any combustible liquid for the dry cleaning or dry dyeing of any garment, fabric, fiber, or other article or substance.

(b) General Prohibitions. It shall be unlawful in any dry cleaning establishment to:

(1) use any flammable liquid to dry clean or dry dye a garment, fabric, fiber, substance or article, except as provided in paragraph (4) of subdivision (f) of this section.

(2) use any combustible liquid in any dry cleaning or dry dyeing equipment, unless use of such liquid has been approved in such equipment.

(3) store or use any combustible dry cleaning or dry dyeing liquid other than in the dry cleaning or dry dyeing equipment.

(4) store or use more than ten (10) gallons of any combustible dry cleaning or dry dyeing liquid without a combustible dry cleaning and dry dyeing liquid storage and use permit issued by the Department pursuant to this section.

(5) fill any dry cleaning or dry dyeing equipment with, or empty any such equipment of any combustible liquid, except under the personal supervision of a person holding a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids.

(c) Permits

(1) A permit shall be obtained from the Department for the storage or use of any combustible dry cleaning or dry dyeing liquid in a dry cleaning establishment in quantities exceeding ten (10) gallons. Applications for issuance of such a permit shall be submitted to the Department's Bureau of Fire Prevention at Fire Department Headquarters, and shall include such information and documentation as the Department may prescribe, including but not limited to a completed permit application form and the non-refundable permit fee set forth in §27-4027(b)(1) of the Administrative Code of the City of New York.

(2) The Department shall issue such a permit to any dry cleaning establishment that demonstrates to the satisfaction of the Department that:

(i) the use and occupancy of the premises for a dry cleaning establishment conforms to the provisions of the New York City Building Code and §§32-15(A) and 32-25(D) of the New York City Zoning Resolution;

(ii) the dry cleaning establishment is constructed and designed to be used in compliance with the provisions of the New York City Building Code, as set forth in Article 6 of Subchapter 7 of Chapter 1 of Title 27 of the New York City Administrative Code;

(iii) all dry cleaning and dry dyeing equipment on the premises using any combustible liquid has received a Material Equipment Acceptance from the New York City Department of Buildings and has been installed in compliance with the conditions of such acceptance and the work permit or other authorization issued by that agency; and

(iv) all dry cleaning and dry dyeing equipment using any combustible liquid will be operated under the general supervision of a person holding a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids.

(3) Dry cleaning equipment that utilizes a refrigerating system, as that term is defined by New York City Administrative Code §27-4112(qq), shall also obtain any refrigerating system permit required by New York City Administrative Code §27-4190.

(d) Certificates of Fitness and Supervision

(1) Except as otherwise provided in this subdivision, all dry cleaning and dry dyeing equipment using any combustible liquid shall be operated under the general supervision of an employee of the dry cleaning establishment who holds a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids. Such employee shall monitor the equipment and establishment and ensure that they are being operated and maintained in accordance with the requirements of this section, and shall instruct all employees of the establishment who use or supervise the use of the equipment in the proper operation and maintenance of the equipment.

(2) Dry cleaning and dry dyeing equipment using any combustible liquid may be operated under the general supervision of a person who is not an employee of the dry cleaning establishment, provided that such person:

(i) holds a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids;

(ii) is an authorized representative of the manufacturer of the equipment, and provides the owner of the dry cleaning establishment with appropriate proof of such authority;

(iii) instructs all employees of the dry cleaning establishment who use or supervise the use of the equipment in the proper operation and maintenance of the equipment;

(iv) personally conducts a monthly inspection of the equipment and the establishment to ensure that they are being operated and maintained in accordance with the requirements of this section; and

(v) records each monthly inspection in a log book maintained on the premises by the owner of the dry cleaning establishment, by making the following entries: the date of the inspection; the name, address, and certificate of fitness number and expiration date of the person conducting the inspection, and the certification required by subparagraph (iv) of this paragraph.

(3) Notwithstanding any other provision of this subdivision, all filling of dry cleaning or dry dyeing equipment with a combustible liquid and all emptying of combustible liquids from such equipment shall be performed under the personal supervision of a person holding a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids.

(4) A photocopy of the Certificate of Fitness of the person responsible for the supervision of the dry cleaning and dry dyeing equipment as required by this subdivision, and, if applicable, proof that such person is an authorized representative of the manufacturer, shall be maintained on the premises and made available for inspection upon request of a Department representative.

(5) Application for a Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids shall be made to the Department in accordance with the provisions of 3 RCNY §9-01.

(e) General Requirements

(1) All dry cleaning and dry dyeing equipment using any combustible liquid shall be installed, maintained and operated in compliance with the manufacturer's specifications and the conditions of the Material Equipment Acceptance for such equipment. The manufacturer's manuals for the installation, maintenance and operation of the equipment shall be maintained on the premises, and shall be made available for inspection upon request of a Department representative.

(2) All safety features and devices on dry cleaning and dry dyeing equipment using a combustible liquid shall be maintained at all times in operable condition.

(3) The name of the combustible liquid approved for use in each piece of dry cleaning or dry dyeing equipment shall be clearly and conspicuously marked or posted at the combustible liquid fill connection of the piece of equipment.

(4) A written record shall be kept of each filling or refilling of dry cleaning or dry dyeing equipment with a combustible dry cleaning or dry dyeing liquid, including any replacement of the dry cleaning or dry dyeing liquid. Such record shall indicate the date of the filling or refilling, the type and amount of dry cleaning or dry dyeing liquid, the equipment to which it was added, and the name and certificate number of the certificate of fitness holder under whose personal supervision the filling or refilling was performed. Such record shall be maintained on the premises and made available for inspection upon request of a Department representative.

(5) Smoking is prohibited in dry cleaning establishments. "NO SMOKING" signs shall be conspicuously posted throughout the establishment.

(6) Portable fire appliances shall be provided in accordance with the requirements of 3 RCNY §15-02.

(f) Dry Cleaning Operations

(1) Before any garment, fabric, fiber or other article or substance is dry cleaned or dry dyed, it shall be searched for foreign material, especially matches and metallic objects, and such foreign material shall be removed.

(2) Combustible liquids that are spilled or dripped shall be cleaned up immediately.

(3) Lint and refuse traps shall be securely in place at all times. Lint and refuse shall be removed from such traps at the end of the workday, deposited in covered metal containers, promptly removed from the premises and disposed of safely and lawfully.

(4) Flammable liquids may be used in a dry cleaning establishment solely for local application for stain removal from a garment or other article to be dry-cleaned. Such liquids shall not be used in any dry cleaning or dry dyeing equipment. Not more than a total of one (1) gallon of flammable liquids may be stored or used in a dry cleaning establishment, and all such flammable liquids shall be stored in metal containers with a capacity not to exceed two (2) quarts.

(g) Inspection and Testing of Dry Cleaning and Dry Dyeing Equipment

(1) All dry cleaning and dry dyeing equipment that uses any combustible liquid shall be inspected and tested at least once per year, and a certification obtained that the equipment can be safely operated in accordance with the requirements of this section.

(2) Inspection and testing of dry cleaning and dry dyeing equipment using any combustible liquid shall be performed by a representative of the manufacturer who holds a Department Certificate of Fitness for the Supervision, Storage and Use of Flammable and Combustible Liquids, or other qualified certificate holder acceptable to the Department. Such individual shall prepare a written inspection report specifying any defects in the condition or operation of the equipment, or certifying that the equipment can be safely operated in accordance with the requirements of this section. The owner of the dry cleaning establishment shall remove from service any equipment that is found to be defective, and shall promptly repair such equipment or remove it from the premises. Such equipment shall not be returned to service until it has been certified as safe upon re-inspection and re-testing.

(3) The inspection reports for the last three years shall be maintained on the premises and made available for inspection upon request of a Department representative.

(h) Modification

Whenever circumstances, conditions, limitations, or surroundings are unusual, or such as to render it impracticable to comply with any or all of the foregoing provisions, the commissioner may waive or modify such provisions to such extent as he or she may deem necessary, consistent with public safety.

STATEMENT OF BASIS AND PURPOSE OF RULE

Dry cleaning establishments have been required to obtain a Fire Department permit for the storage and use of combustible liquids whenever such liquids were used in their dry cleaning and dry dyeing equipment. In recent decades, however, most dry cleaning has been performed using perchloroethylene, a non-combustible liquid. With concern about possible environmental hazards and greater restrictions on the use of perchloroethylene, other, more combustible, cleaning agents are now being used in dry cleaning establishments. The increased fire safety risks associated with the use of such combustible cleaning agents have caused the Fire Department to promulgate this rule.

The rule formalizes or clarifies existing Department requirements for the issuance of Department permits for the storage and use of combustible liquids in dry cleaning establishments and the supervision of dry cleaning and dry dyeing equipment using such liquids. The rule requires the annual inspection and testing of such equipment and specifies certain maintenance requirements to ensure fire safety.

If any paragraph, subparagraph of subdivision of this section shall be adjudged by any court or agency of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the paragraph or subdivision directly involved in the controversy in which such judgment shall have been rendered.

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, THE NEW YORK CITY HUMAN RESOURCES ADMINISTRATION HEREBY PUBLISHES ITS REGULATORY AGENDA FOR THE PERIOD JULY 1, 2000 THROUGH JUNE 30, 2001.

SUBJECT AREA: EMPLOYMENT TRAINING PROGRAMS FOR PUBLIC ASSISTANCE RECIPIENTS

RATIONALE: Based upon the change in federal walfare law, through the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, and the state implementing legislation, public assistance recipients required to attend training must attend all classes, unless there is good cause for missing class. Certain portions of Title 68, Chapter 3 of the Rules of the City of New York are, therefore, in conflict with federal and state law.

RULE: The Human Resources Administration (the "Agency") will amend its rule so that it is in conformity with federal and state law.

INDIVIDUALS AND ENTITIES LIKELY TO BE AFFECTED BY PROPOSED RULE: Public Assistance recipients who wish to be or are engated in training activities; schools that provide training.

RELEVANT FEDERAL, STATE AND LOCAL LAWS AND RULES APPLICABLE TO PROPOSED RULES:

(a) 42 U.S.C. 601 et seq.;
(b) 45 C.F.R. Part 261;
(c) New York State Social Services Law §§ 131 (5) and (7) (b);
(d) New York State Social Services Law Title 9-B, §§ 330 et seq.;
(e) 12 NYCRR Part 1300;
(f) 18 NYCRR §§ 352.30 (d) (2) and (d) (3); and
(g) 18 NYCRR Parts 369, 370.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Rita Delespara, Director of Resource Development

TELEPHONE 212-845-5300

SANITATION

■ NOTICE

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, THE NEW YORK CITY DEPARTMENT OF SANITATION HEREBY PUBLISHES ITS REGULATORY AGENDA FOR JULY 1, 2000 THROUGH JUNE 30, 2001:

A. THE FOLLOWING RULES WILL BE PROMULGATED PURSUANT TO THE NEW YORK CITY RECYCLING LAW AS SET FORTH IN SECTIONS 16-301 THROUGH 16-324 OF THE ADMINISTRATIVE CODE OF THE CITY OF NEW YORK:

1. SUBJECT AREA: RECYCLING — CITY AGENCY AND INSTITUTIONAL RECYCLING RULES.

RATIONALE: In order to enhance recycling within the city agency/institutional recycling program, the Department will amend its city agency and institutional recycling rules by designating additional materials which must be recycled. Additionally, the Department will update these rules to clarify that "separate containers" used for pre-collection source separation of designated recyclable materials includes blue plastic bags and clear plastic bags, as well as rigid containers.

RULE: The Department will amend its rules by i) designating additional materials, including mixed paper and bulk metal items, which must be recycled, ii) establishing set-out requirements for such materials, and iii) authorizing the use of blue plastic bags and clear plastic bags as separate containers for the pre-collection source separation of recyclable materials designated under the city agency/institutional recycling program.

INDIVIDUALS AND ENTITIES LIKELY TO BE AFFECTED BY PROPOSED RULE:
Agencies and institutions that receive Department of Sanitation collection service or free dumping privileges at Department solid waste disposal facilities.

RELEVANT FEDERAL, STATE AND LOCAL LAWS AND RULES APPLICABLE TO PROPOSED RULE:
(a) Section 1-09 of Title 16 of the Rules of the City of New York governing agency and institutional recycling requirements;

(b) Section 16-301 et seq. of the Administrative Code of the City of New York;

(c) Tripartite General Order No. 1, Rules of the Department of Sanitation (Effective November 17, 1970);

(d) City Administrative Procedure Act: New York City Charter Section 1043.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Deputy Commissioner for Legal Affairs, Department of Sanitation.

TELEPHONE: (212) 788-3963.

2. RECYCLING — RULES GOVERNING THE RECYCLING OF PRIVATE CARTER-COLLECTED WASTE.

RATIONALE: In an effort to promote increased recycling within the commercial waste sector, the Department will amend its rules governing the recycling of private carter-collected waste by clarifying the source separation requirements for generators of private carter-collected waste, and designating additional materials which private carters and commercial establishments must arrange to be recycled.

RULE: The Department will amend its rules by i) clarifying the source separation requirements for generators of private carter-collected waste, and ii) designating additional materials which must be recycled and establishing set-out requirements for such materials.

INDIVIDUALS AND ENTITIES LIKELY TO BE AFFECTED BY PROPOSED RULE: Private carters and generators of private carter-collected waste.

RELEVANT FEDERAL, STATE AND LOCAL LAWS AND RULES APPLICABLE TO PROPOSED RULE:

(a) Section 1-10 of Title 16 of the Rules of the City of New York governing recycling of private-carter collected waste;

(b) Section 16-301 et seq. of the Administrative Code of the City of New York;

(c) City Administrative Procedure Act: New York City Charter Section 1043.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Deputy Commissioner for Legal Affairs, Department of Sanitation.

TELEPHONE: (212) 788-3963.

3. SUBJECT AREA: RECYCLING — RESIDENTIAL RECYCLING RULES.

RATIONALE: Since the inception of New York City's mandatory recycling law in 1989, the Department's residential recycling collection program has made significant advancements. Citywide recycling diversion rates continue to increase annually, and the percentage of materials from the waste stream targeted for recycling has increased from 30% to more than 40%. In addition, the Department is now completing its expansion of providing weekly recycling collections to all community districts citywide. To encourage increased recycling participation among City residents, the Department will amend its residential recycling rules by clarifying the source separation responsibilities of generators of residential waste based on the size of the dwelling in which they reside, own or manage, the type of collection service provided to the building by the Department, and the type of recyclable materials required to be set out for recycling collection.

RULE: The Department will amend its rules by clarifying the source separation requirements of private and multiple dwelling owners, building superintendents, and tenants which generate residential waste.

INDIVIDUALS AND ENTITIES LIKELY TO BE AFFECTED BY PROPOSED RULE: Generators of residential waste that receive Department of Sanitation collection service.

RELEVANT FEDERAL, STATE AND LOCAL LAWS AND RULES APPLICABLE TO PROPOSED RULE:
(a) Section 1-08 of Title 16 of the Rules of the City of New York governing agency and institutional recycling requirements;

(b) Section 16-301 et seq. of the Administrative Code of the City of New York; and

(c) City Administrative Procedure Act: New York City Charter Section 1043.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Deputy Commissioner for Legal Affairs, Department of Sanitation.

TELEPHONE: (212) 788-3963.

B. THE FOLLOWING RULES WILL BE PROMULGATED PURSUANT TO SECTION 753 OF THE NEW YORK CITY CHARTER:

1. SUBJECT AREA: COMMERCIAL WASTE REMOVAL — CONFORMANCE OF THE DEPARTMENT'S RULES GOVERNING PRIVATE CARTER-COLLECTED WASTE AND COMMERCIAL ESTABLISHMENTS WHICH DISPOSE OF THEIR OWN TRADE WASTE TO RULES OF THE NEW YORK CITY TRADE WASTE COMMISSION.

RATIONALE: Pursuant to Local Law 42 of 1996 the New York City Trade Waste Commission enacted Title 17 of the Rules of the City of New York establishing standards for the issuance, suspension and revocation of licenses, and governing the conduct of licensees engaged in commercial waste removal. The rules also set forth requirements for commercial establishments which remove, collect or dispose of trade waste generated in the course of their own businesses. In doing so, some of the rules promulgated by the Trade Waste Commission appear to overlap with those of the Department. The Department believes that conformance of its rules with those of the Trade Waste Commission will clarify the City's oversight and enforcement responsibilities in this area.

RULE: Amendments to Title 16 of the Rules of the City of New York to conform to rules established by the New York City Trade Waste Commission under Title 17.

RELEVANT FEDERAL, STATE AND LOCAL LAWS OR RULES APPLICABLE TO PROPOSED RULE:

(a) Title 16 of the Rules of the City of New York;

(b) Title 17 of the Rules of the City of New York;

(c) Section 16-116 of the Administrative Code of the City of New York;

(d) City Administrative Procedure Act: Section 1043 of the New York City Charter.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Deputy Commissioner for Legal Affairs, Department of Sanitation.

TELEPHONE: (212) 788-3963.

2. SUBJECT AREA: COMMERCIAL WASTE REMOVAL — RULES RELATING TO COMMERCIAL GENERATORS OF "INFREQUENT" OR "INSIGNIFICANT AMOUNTS" OF WASTE PURSUANT TO SECTION 16-116(c) OF THE NEW YORK CITY ADMINISTRATIVE CODE:

RATIONALE: Section 16-116(a) of the New York City Administrative Code requires commercial establishments in New York City to arrange for the removal of solid waste by a licensed private carter or by obtaining a trade waste permit from the New York City Department of Consumer Affairs allowing the establishment to dispose of its own solid waste. Section 16-116(c) authorizes the Sanitation Commissioner to promulgate rules which exempt from this requirement any commercial establishment which generates less than 20 gallons of waste within a seven day period.

RULE: The Department will amend its rules by establishing standards for verification that a commercial establishment meets the infrequent generator designation.

INDIVIDUALS AND ENTITIES LIKELY TO BE AFFECTED BY PROPOSED RULE:
Owners, lessees and/or persons in control of any commercial establishment.

RELEVANT FEDERAL, STATE AND LOCAL LAWS OR RULES APPLICABLE TO THIS PROPOSED RULE:

(a) Section 1-06 of Title 16 of the Rules of the City of New York;

(b) Section 16-116 of the Administrative Code of the City of New York;

(c) Section 753(a) of the New York City Charter relating to the Commissioner's authority to promulgate rules governing the removal of solid waste;

(c) City Administrative Procedure Act: New York City Charter Section 1043.

SCHEDULE FOR ADOPTION: As soon as possible.

OFFICIAL CONTACT: Deputy Commissioner for Legal Affairs, Department of Sanitation.

TELEPHONE: (212) 788-3963.

TAX APPEALS TRIBUNAL

■ NOTICE

Regulatory Agenda for Fiscal Year 2001

In compliance with Section 1042 of the New York City Charter, the following is the regulatory agenda for additions and changes to the Rules of Practice and Procedure of the New York City Tax Appeals Tribunal that the Tribunal anticipates may be promulgated during the fiscal year beginning July 1, 2000 and ending June 30, 2001. Since the planned agenda covers different sections of the rules, it is anticipated that the additions and changes will be adopted as one package during the second half of fiscal year 2001. The Tax Appeals Tribunal official knowledgeable about each subject area is Mary E. Gallagher. Her telephone number is (212) 669-2070.

The Rules of Practice and Procedure of the Tax Appeals Tribunal (enacted pursuant to sections 168 through 172 of the New York City Charter) provide taxpayers with a two-tiered quasi-judicial forum for resolving disputes with the New York City Department of Finance involving non-property taxes administered by the City of New York. The proposed changes are based on issues that have arisen in the course of hearing cases, and on suggestions from the Tribunal and taxpayers. The rules that are expected to be adopted will: change the motion practice provisions, change the pleadings section of the rules, change the small claims provisions, provide for the filing of amicus briefs, provide a specific time period for the filing of reply briefs, create a uniform time period for the filing of cross-exceptions, provide for the public availability of briefs filed with the Tribunal and provide for technical changes to the rules.

Mark Friedlander
Commissioner and President

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ NOTICE

NOTICE OF A RELEASE OF A REQUEST FOR EXPRESSIONS OF INTEREST IN POTENTIAL USES OF VACANT, SUBSURFACE, HIGH-PRESSURE WATER MAIN SYSTEM IN MANHATTAN AND BROOKLYN AS CONDUIT FOR OPTICAL FIBER SYSTEMS FOR TELECOMMUNICATIONS.

A copy of the proposed RFEI will be available upon written request to the Department of Information Technology and Telecommunications (DoITT), 11 MetroTech Center, 3rd Floor, Brooklyn, NY 11201, Attn: Elaine Reiss, Fax: 718-403-8504, e-mail: esr858@cscvm.ci.nyc.ny.us; or the Department of Environmental Protection, 59-17 Junction Boulevard, Corona, NY 11368, Attn: Mark Hoofer, fax: 718-595-6543, e-mail: markh@dep11an.nycnet.ci.nyc.us

The RFEI is also available on the Internet under News Flash and Press Release on New York City's website - www.ci.nyc.ny.us

An inspection of the water system has been scheduled for April 17, 2000 at Broome and Eldridge Sts. in Manhattan. A map of the Water System is available on disk upon receipt of a check made payable to the New York City Department of Environmental Protection in the amount of $5.00. To register for the inspection or for more information about the disk, contact the Department of Environmental Protection, Division of Water and Sewer Operations, 59-17 Junction Boulevard, Corona, NY 11368 Attn: Doug Greeley, Deputy Commissioner, 3rd Floor low rise telephone: 718-795-5330, fax: 718-795-5342.

LANDMARKS PRESERVATION COMMISSION

ADVISORY REPORTS

ISSUE DATE: 04/13/00	DOCKET #: 005921	SRA #: SRA 00-5967
ADDRESS 52 CHAMBERS STREET, NY County (Tweed) Courthouse, INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 122 / 1

To the Mayor, the Council, and the President of the New York City Economic Development Corporation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the replication of the rotunda laylight. The scope of work includes the restoration of the existing laylight framing and the replication and reinstallation of the decorative etched and stained glass rotunda laylight. The proposed work for the reconstruction is described in drawings labeled Tweed Courthouse Restoration & Rehabilitation -Rotunda Laylight Replication 28.A10 dated 3/08/00, project manual (specifications), prepared by John G. Waite Associates, and submitted as components of this application.

The Commission notes that the designation report describes the building as one of the city's grandest and most important 19th-century institutional buildings; that it was built over a period of twenty years, between 1861-1881, to the designs of John Kellum and Leopold Eidlitz and that consequently it was the product of two very different but equally significant architectural trends, the mid-century Italianate and the later High Victorian, that it is one of the few and one of the best remaining grand Italianate interior spaces in the city, and an excellent example of the Victorian Romanesque type; that the original laylight diffuser was located beneath the Rotunda skylight, that the original laylight consisted of ½" thick translucent glass panels with sand-blasted patterns resting in the iron frame, surmounted with bands of carved stained glass panels; and that during World War II the laylight was removed.

The Commission finds that the proposed work is primarily restorative; that the new laylight will replicate the exact patterns, colors, translucency, and techniques of the original fabrication and installation; that the motifs on the stained glass panels will be silkscreened and handpainted to achieve a visual effect similar to the original; that the stained glass will be framed by lead cames to match the original profiles and assembly; that the original ½" thick etched glass will be replaced with etched laminated glass to replicate the original thickness and provide modern, code-compliant assembly for overhead glazing; that modern structural silicone will be used to hold the glazing in the framing; and that all of the work will contribute to the long term preservation of this individual landmark. Based on these findings, the proposed work is determined to be appropriate to the individual landmark and is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Kim Hoyt.

ISSUE DATE: 04/13/00	DOCKET #: 005922	SRA #: SRA 00-5951
ADDRESS 52 CHAMBERS STREET, NY County (Tweed) Courthouse, INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 122 / 1

To the Mayor, the Council, and the President of the New York City Economic Development Corporation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for fire protection (sprinkler and standpipe) risers and distribution. The scope of work includes new standpipes to be located within both the new fire stairs shafts and one in the main elevator lobby; and sprinkler distribution will be provided within the basement, first floor, fourth floor and attic. The proposed work is described in drawings labeled Tweed Courthouse Restoration & Rehabilitation F1.1, F3.1, F4.0, F4.1, F4.2,, F4.3, F4.4, F4.5, F7.1 dated 1/10/00 and F4.2M & F4.3M dated 11/1/99 prepared by John G. Waite Associates and submitted as components of this application.

The Commission has reviewed these drawings and finds that the work will have no effect on the significant protected features of the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendment to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ISSUE DATE: 04/10/00	DOCKET #: 005465	SRA #: SRA 00-5858
ADDRESS RIVERSIDE PARK-@ W.83 ST, RIVERSIDE PARK SCENIC LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 777 / 77

To the Mayor, the Council, and the Commissioner, Dept. of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to reconstruct the south end of the Riverside Park promenade at West 83rd Street, an area which has been dedicated as a memorial to the Warsaw Ghetto Uprising of 1943. The proposed work includes restoration and reconfiguration of pavements; installation of benches, fences, and curbs; restoration of the drainage system; relocation of lampposts; and expansion of planting beds. The proposed work is described on five drawings dated March 22, 2000, historic drawings, and photographs, all prepared and submitted by the Riverside Park Administrator's Office as components of the application.

The Commission notes that Riverside Park is an English-Romantic style public park built in 1873-75 and designed by Frederick Law Olmsted and Calvert Vaux, with significant alterations and enlargements in 1937 designed by Gilmore Clarke and Clifton Lloyd. The Commission also notes that the area of proposed work dates from the 1937 expansion, and that it was dedicated in 1947as a memorial to the Warsaw Ghetto Uprising.

The Commission finds that the proposed design and materials will generally maintain the original Clarke and Lloyd design; that the bluestone curbs and granite set pavements match the higher quality materials shown on the original drawings but never installed; that the enlarged planting beds will not significantly affect the overall design of this plaza or the promenade; that the proposed furnishings, including wood and concrete backless benches, steel picket and wire wicket fences, metal bollards, and relocated lampposts with "Riverside" luminaires, are typical of furnishings used historically in Riverside Park and will be harmonious with adjacent areas of the park; and that underground work, including restoration of drainage, will help maintain the landscape in sound condition without otherwise affecting landscape features. Based on these findings, the proposed work is determined to be appropriate to the Riverside Park Scenic Landmark.

Please provide final contract drawings to the Commission for review.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

BINDING REPORT

ISSUE DATE: 04/07/00	DOCKET #: 004526	SRB #: SRB 00-5819
ADDRESS 1122 FRANKLIN AVENUE, FRANKLIN ARMORY INDIVIDUAL LANDMARK	BOROUGH: BRONX	BLOCK/LOT: 2613 / 1

To the Mayor, the Council, and the Commissioner, Dept. of Design and Construction.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for interior alterations, installation of louvers within existing window openings, and construction of a brick vent shaft on the rear elevation of the building, all for the purpose of improving fire, life safety, and egress provisions at the subject building. The proposed work is described on drawings T-1, T-2, A-1 through A-17, EG-1 through EG-5, all dated revised 7/30/99, SK-1, and SK-10 dated 3/13/00, and in photographs, all prepared and submitted by STV Inc. for the Department of Design and Construction as components of the application.

The Commission notes that the designation report describes the building as the first permanent armory in the Bronx, built in 1906-11 and designed by Charles C. Haight using boldly massed forms and restrained Gothic details.

The Commission finds that the interior work will have no effect on protected architectural features; that the louvers will affect only modern windows and will be installed within existing window openings not generally visible to the public; and that the new vent shaft, by being located on an undeveloped wall at the rear facade and by being constructed of brick matching the size, color, and texture of the existing brick on this facade, will be unobtrusive and will have no effect on protected architectural features of the building. Based on these findings, the proposed work is determined to be appropriate to the individual landmark.

Please provide one or more 8 by 10 inch black and white photographs of the completed vent shaft construction to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.
