#Developments# or #enlargements# or portions thereof that occupy, in the aggregate, more than 40 percent of the #lot area# of a #zoning lot# (or, for #zoning lots# of less than 20,000 square feet, a greater percentage than set forth in the table in Section 23-651), shall comply with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

(2)Beyond 125 feet of the western #street line# of Eighth Avenue, and beyond 100 feet of the northern #street line# of 42nd Street, no #building or other structure# shall exceed a height of 66 feet, except in accordance with paragraph (3) below.

(3)Where the new or #enlarged building# abuts an existing #building# located entirely beyond 125 feet of the western #street line# of Eighth Avenue and the northern #street line# of 42nd Street, and such existing #building# exceeds a height of 66 feet, the new or enlarged #building# may exceed any height limits specified in this Section up to the height of the existing #building#, provided that, within 15 feet of the #narrow street line#, such portion of the new or #enlarged building# does not exceed either the height of the existing #building# or 85 feet, whichever is less.
For the purposes of this paragraph, the height of the existing #building# shall be the height of its #street wall#, before setback, if applicable, of that portion of the existing #building# abutting the new or #enlarged building#, fronting on the same #street line#, and located on the same or adjoining #zoning lot#.

Chapter 6
Special Clinton District

96-00
GENERAL PURPOSES

The "Special Clinton District" (hereinafter also referred to as the "Special District"), established in this Resolution, is designed to promote and protect public health, safety, general welfare and amenity.
Because of the unique geographical location of the Clinton community, situated between the waterfront on the west and a growing central business district on the east, it is necessary to provide specific programs and regulations which will assure realization of community and city-wide goals.

These goals include, among others, the following:

(a)to preserve and strengthen the residential character of the community;

(b)to permit rehabilitation and new construction within the area in character with the existing scale of the community and at rental levels which will not substantially alter the mixture of income groups presently residing in the area;

(c)to preserve the small-scale character and variety of existing stores and activities and to control new commercial uses in conformity with the existing character of the area;

(d)to recognize the unique character of the eastern edge of District as an integral part of the Theater Subdistrict within the Special Midtown District as well as the Special Clinton District;

(e)to provide an appropriate transition from the mixed-use character along Eighth Avenue to the lower-scale residential character of the Clinton community on the narrow streets;

*(d)(f)*to provide amenities, such as street trees, to improve the physical environment;

*(e)(g)*to restrict demolition of buildings that are suitable for rehabilitation and continued residential use; and

*(f)(h)*to promote the most desirable use of land in the area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues, consistent with the foregoing purposes.

96-01
Definitions

Definitions specially applicable to this Chapter are set forth in this Section.
The definitions of other defined terms are as set forth in Section 12-10 (DEFINITIONS).

Mixed building

For the purposes of this Chapter, a "mixed building" is a #building# in a #Commercial District# used partly for #residential use# and partly for #community facility# or #commercial use#, or a #building# in a #Residential District# used partly for #residential use# and partly for #community facility use#.

Special Clinton District
(repeated from Section 12-10)

The "Special Clinton District" is a Special Purpose District designated by the letters "CL" in which special regulations set forth in Article IX, Chapter 6 apply.

The #Special Clinton District# and its regulations supplement or supersede those of the districts on which it is superimposed.

Special Midtown District
(repeated from Section 12-10)

The #Special Midtown District# is a Special Purpose District designated by the letters "MiD", in which special regulations set forth in Article VIII, Chapter 1 apply.

96-02
General Provisions

Except as modified by the express provisions of this Chapter, the regulations of the underlying districts **or as modified by the Special Midtown District** remain in effect.

The Special Midtown District and its regulations, where applicable in the Special Clinton District, shall also apply and shall supplement or supersede regulations as set forth in this Chapter pursuant to Section 96-202 (Special regulations for perimeter area fronting Eighth Avenue). In the event of any conflict or discrepancy between the regulations the provisions of the Special Midtown District shall control. This portion of the Special Purpose District is designated on the #zoning map# by the letters "CL-MiD".

96-03
District Map

The District Map for the #Special Clinton District# (Appendix A) identifies specific areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Clinton District#. These areas and the sections of this Chapter which contain regulations pertaining thereto are as follows:

Area A - PRESERVATION AREA, Section 96-10
Area B - PERIMETER AREA, Section 96-20
Area C - OTHER AREAS, Section 96-30

96-10
PRESERVATION AREA

96-20
PERIMETER AREA

#Developments# within the Perimeter Area shall be eligible for increased #floor area# pursuant to Section 96-21 (Floor Area Bonus).
Because of increased pressures for #development#, the relocation and demolition provisions of Section 96-23 (Relocation and Demolition of Buildings in the Perimeter Area) shall apply therein for all demolition, #development#, #enlargement# or #extensions# on lots containing #residential uses#.
All existing legal #uses# in enclosed #buildings# shall be considered conforming #uses#.
Except as otherwise provided in this Chapter, any existing #commercial# or #manufacturing uses# may be changed to another #non-conforming use# only in accordance with the provisions of Sections 52-31 (General Provisions), 52-33 (Manufacturing or Related Uses in Residence Districts), 52-34 (Commercial Uses in Residence Districts, 52-35 (Manufacturing or Related Uses in Commercial Districts) and 52-36 (Non-Conforming Commercial Uses in Commercial Districts).

96-201
Special urban design regulations relating to retail continuity and street wall requirements
Special Regulations for 42nd Street Perimeter Area

(a) The provisions of this Section shall apply to #developments# or #enlargements# located in all #Commercial Districts# within the area bounded by the following:
Starting 150 feet west of Eighth Avenue, south to the southern boundary of West 41st Street, west to the east side of Twelfth Avenue, north along the eastern border of Twelfth Avenue to 43rd Street, east on West 43rd Street to the eastern side of Tenth Avenue, south along Tenth Avenue to the southern boundary of West 42nd Street, east on West 42nd Street to Ninth Avenue, north along the western boundary of Ninth Avenue to the midblock of 42nd/43rd Street, east to a point 150 feet west of Eighth Avenue, south to the southerly boundary of 41st Street.

(a)Retail Continuity Requirements

*(b)***(1)**For any #development# or #enlargement# fronting on West 42nd Street, between 9th and 12th Avenues, at least 50 percent of the street frontage of the ground floor, or within five feet of #curb level#, shall be limited to Use Groups 4A, 6A, 6C, 10A, 11, 12A and 12B.

*(c)***(2)**At least 50 percent of the length of the facade of such #street wall# fronting on West 42nd Street shall be glazed with transparent material to a height of not less than 16 feet above #curb level#. The lowest point of such glazed area shall not be higher than four feet above #curb level#.

***(d)*(b) Street Wall Continuity Requirements**

(1) At least 80 percent of the #aggregate width of street walls# of a #building# fronting on West 42nd Street, up to a height of 45 feet, shall be located within 10 feet of the #street line# of such #street#.

*(e)***(2)**The minimum height of the #street wall# of a #building# above #curb level# shall be no less than 45 feet and no more than 85 feet. Above this required height, the #street wall# of a #building# shall set back at least five feet. The requirements of this paragraph shall also apply to any #development# or #enlargement# on a #wide street# frontage within a distance of 50 feet from its intersection with West 42nd Street.

96-202
Special regulations for Eighth Avenue Perimeter Area

All #developments# or #enlargements# located in an area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue, and West 42nd Street shall comply with special regulations set forth in Article VIII, Chapter 1 (Special Midtown District), including Section 81-70 (Special Regulations for Theater Subdistrict).

96-21
Floor Area Increase

(a)**Except as specified in paragraph (b) of this Section,** *F*for any #development#, the #floor area ratio# permitted by the underlying district may be increased from 10.0 to 12.0 only by complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING). A permanent certificate of occupancy for any #building# incorporating #floor area# increase pursuant to this Section shall not be issued by the Department of Buildings until the issuance of a permanent certificate of occupancy for lower income housing. In addition to the requirements of Section 23-90 (INCLUSIONARY HOUSING), any units for which a #floor area# increase has been earned pursuant to Section 23-90 shall be within the #Special Clinton District#.

(b)For any #development# located within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), the #floor area ratio# permitted by the underlying district may be increased pursuant to the provisions of Section 81-21 (Floor Area Regulations) as set forth in Article VIII Chapter 1 (Special Midtown District).

96-22
Special Permit for Modification of Height and Setback Regulations

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special Regulations for Eighth Avenue Perimeter Area), *The* City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit modification of height and setback regulations for #developments# which have generated an increase in the #floor area ratio# of not more than 2.0 under the provisions of Section 96-21 provided that such modification is necessary to achieve better site planning.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

* * *

*96-52***496-52**
Bulk *Modifications* for *Public Parking Garages*

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), *In* in all other C6 Districts, the City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications the Commission shall make the following findings:

(a)that because of site limitations such modifications are necessary for the proper design and operation of the #public parking garage#; and

(b)that such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.

* * *

96-60
SPECIAL PERMIT PROCEDURE

96-601
Requirements for applications

An application to the City Planning Commission for the grant of a special permit under the provisions of this Chapter, shall include a site plan showing the location and proposed #use# of all #buildings or other structures# on the site, the location of all vehicular entrances and exits and off-street parking spaces, and such other information as may be required by the City Planning Commission.

Notwithstanding the foregoing, in the Eighth Avenue Perimeter Area all applications made pursuant to the Special Midtown District shall be subject to the guidelines and provisions of Article VIII, Chapter 1 (Special Midtown District) instead.

All applications relating to Section 96-52 (Off-Street Parking Regulations) shall be referred by the Commission to the Department of Transportation for its report with respect to the anticipated traffic congestion resulting from such special permit #use# in the proposed location.

If such agency shall report thereon within one month from the date of referral, the Commission shall, in its determination, give due consideration to such report and, further, shall have the power to substantiate the appropriate findings solely on the basis of the report by such agency with respect to the issues referred. If such agency does not report within one month, the Commission may make a final determination without reference thereto.

CITY PLANNING

HEARINGS

An informational symposium, and public hearing on the Proposed 1999 Consolidated Plan will be held on April 28, 1998 beginning at 3:00 PM at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan.
The Consolidated Plan defines the use of federal funds for housing, homeless assistance, supportive housing services and community development programs and is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy with the applications for the four HUD formula programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).
For more information contact: Irene Fanos, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New YOrk 10007, (212) 720-3444.

a14-28

COMMUNITY BOARDS

HEARINGS

Community Board 13, Brooklyn, will hold a public hearing on Wed, April. 29, 1998, 7:00 pm. Sea Gate Community Center, 3701 Sea Gate Avenue.
BSA Application No. 165-98-BZ/CEQR-BSA-065-K: in the matter of an application submitted by Za Zabrom, Inc. AKA (The Seagate Minimall/The Mermaid Spa) pursuant to BSA special permit as per section 32-31 (group 9) and 73-36 of the New York City charter for amendments of the Zoning Resolution of the City of New York, to permit an R3-1/C1-2 zone physical Health and Culture Establishment as defined in Section 12-10 for the term of ten years. Location: 3701 Mermaid Avenue, Block 7029; Lot 60.

a16-29

COURT NOTICE

SUPREME COURT

■ NOTICE

SUPREME COURT, KINGS COUNTY NOTICE OF PETITION. KINGS COUNTY INDEX NUMBER 12009/98

In the Matter of the Application of THE CITY OF NEW YORK, relative to acquiring title in fee simple and other interest in certain real property where not heretofore acquired for the same purpose as a site for **KENSINGTON BRANCH LIBRARY** generally located at 4209-17 18th Avenue situated in Community District 14, Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Kings County, at IA Part 74 , to be held in and for Kings County at the County Courthouse, 360 Adams St in the Borough of Kings, City of New York on the 14th day of May, 1998 at 9:30 A.M., or as soon thereafter as counsel can be heard for an order:

1) authorizing the City to file an acquisition map in the office of the Clerk of Kings County or the Office of the City Register;

2) directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City; and

3) providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property

where not heretofore acquired for the same purpose, as a site
for KENSINGTON BRANCH LIBRARY in the Borough of Brooklyn, City and State of New York.

The description of the real property to be acquired is as follows:

Beginning at a point on the southerly line of said 18th Avenue and the easterly line of Seton Place (3rd Street - 50 feet wide), which point of beginning is where the dividing line between tax lots 7 and 14 in Brooklyn tax block 5416, as shown on the "Tax Map" of the City of New York for the Borough of Brooklyn, as said "Tax Map" existed on June 25, 1997, is intersected by the southerly line of 18th Avenue (80 feet wide):

Running thence eastwardly and along the southerly line of the said 18th Avenue, for 80.09 feet (80 feet - Deed) to a point on the westerly line of lot 18 in block 5416, as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997;

Thence, southwardly, forming an interior angle of 90ō26'06" with the previous course, and along the said westerly line of lot 18 in block 5416, for 112.51 (112.33 feet - Deed) feet to a point on the northerly line of lot 112 in block 5416;

Thence, eastwardly, forming an interior angle of 89ō42'13" with the previous course, and along the said northerly line of lot 112 and northerly lines of lots 114, 115 and 116 in block 5416, for 80.09 feet (80 feet - Deed) to a point on the easterly line of lot 7 in block 5416;

Thence, northwardly, forming an interior angle of 90ō17'47" with the previous course, and along the said easterly line of lot 7 in block 5416, for 112.71 feet (112.58 feet - Deed) back to the point of beginning.

This parcel consists of lot 14 in block 5416 as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997, and comprises an area of 9,019 square feet or 0.20705 acres.

The above described property shall be acquired subject to encroachments, if any, of the structures, improvements, and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same so long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, Room 5-236A, New York, New York 10007.

Dated: New York, New York, April 8, 1998

SUPREME COURT, KINGS COUNTY

NOTICE OF FILING OF SECOND AND LAST SEPARATE AND PARTIAL TENTATIVE DECREE AND NOTICE TO FILE OBJECTIONS. KINGS COUNTY INDEX NO. 18454/82

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in simple absolute to certain real property where not heretofore acquired for the same purpose, required for the BUSHWICK II NEIGHBORHOOD PRESERVATION AREA SITE 22-A (SECOND TAKING) located at Linden Street between Wilson Avenue and Knickerbocker Avenue, within the area bounded generally by Flushing Avenue, Broadway, Eastern Parkway and the Brooklyn-Queens border in the Borough of Brooklyn, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted at the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owners of Damage Parcel 1 (Block 3334, Lot 15), Damage Parcel 2 (Block 3334, Lot 17), Damage Parcel 3 (Block 3334, Lot 18), Parcel 4 (Block 3334, Lot 19), Damage Parcel 5 (Block 3334, Lot 21), Damage Parcel 6 (Block 3334, Lot 22), Damage Parcel 7 (Block 3334, Lot 23), Damage Parcel 8 (Block 3334, Lot 24), Damage Parcel 9 (Block 3334, Lot 25), Damage Parcel 10 (Block 3334, Lot 27) ,Damage Parcel 11 (Block 3334, Lot 28), Damage Parcel 12 (Block 3334, Lot 30), and Damage Parcel 13 (Block 3334, Lot 31), real property which was acquired in this proceeding, and the Separate and Partial Tentative Decree of the said Court as to the award for damages was signed, by HON. LEONARD SCHOLNICK, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Kings on March 13, 1998, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector – s post office address, with the Clerk of the County of Kings, on or before May 18, 1998, and parties other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York, at his office, 100 Church Street, Room 5-212, in the Borough of Manhattan, City and State of New York, a copy of such verified objections. 3. On May 28, 1998, at 10:00 A.M., or as soon thereafter as counsel can be heard, HON. LEONARD SCHOLNICK, the Justice who signed the Tentative Decree, holding Court at IA Part 74 of the Supreme Court, to be held at the Supreme Court of Kings County, in the Borough of Brooklyn, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

Dated: New York, New York, April 13, 1998
MICHAEL D. HESS, Corporation Counsel
100 Church Street, Room 5-212, New York, New York, 10007 Tel. (212)788-0719

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA.....Date bid/proposal documents available
DUE.....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA.....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB.....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE.....Service Contract Short-Term Extension
DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement**/only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition *For ongoing construction project only:*
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE.....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, the Conflicts of Interest Board hereby publishes its regulatory agenda:

1. The Board will be considering, among other items, an amendment to its rule on adjustment of the dollar amount in the definition of "ownership interest" and a new rule specifying conduct in conflict with the proper discharge of official duties.

2. Under the applicable law, rules promulgated by the conflicts of Interest Board apply to officers and employees of the city.

3. The following laws and rules, among others, are relevant to rules promulgated and administered by the Conflicts of interest Board:

- Charter Chapter 68
- Section 12-110 of the Administrative Code of the City of New York
- Title 53 of the Rules of the City of New York.

4. It is anticipated that the Board will consider the foregoing rules in early fiscal year 1998. Mark Davies, Counsel to the Conflicts of Interest Board, may be contacted at 212-442-1400 concerning the subject areas of the Board's rule-making.

CONSUMER AFFAIRS

NOTICE OF ADOPTION

Notice of Adoption of Amendments to Rule Regarding the Booting of Motor Vehicles.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 19.169.2(k) of Chapter 1, Title 19 of the Administrative Code of the City of New York, Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York, and Section 20-537 of Chapter 2, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department promulgates and adopts amendments to an existing rule regarding the booting of motor vehicles.

These amendments were proposed and published on February 6, 1998. The required public hearing was held on March 9, 1998.

Material being deleted is shown below in brackets and material being added is underlined.

RULE

Section 1. Paragraph 1 of subdivision a of section 2-401 of subchapter FF of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(a) (1) The signs required to be posted on private parking lots pursuant to paragraph one of subdivision c of §19.169.2 of the New York City Administrative Code shall read substantially as follows (with the designated information to be inserted at the indicated spaces):

> WARNING! *(in red letters at least [two]five inches high.)*
>
> PRIVATE PARKING LOT *(in letters at least [one]two* and one half inches high.
>
> *(The following text shall be in letters at least [one inch] two inches high.)*
> PARKING PERMITTED *(insert if applicable* FROM TO *)* FOR *(insert exact conditions under which parking is allowed*).*
>
> VEHICLES ARE SUBJECT TO BOOTING *(insert if applicable* FROM TO *) (insert exact conditions under which vehicles are subject to booting**).*
>
> $*(insert applicable lawful fee)* FEE TO UNBOOT VEHICLE.
>
> *(The following text shall be at least three-fourths of an inch high.)*
> Booting performed by: *(insert name of licensee).*
> *(Insert licensee's business address).*
> Consumer Affairs License Number: *(insert licensee's license number).*
> Call: *(insert business phone number to unboot vehicle)* to unboot vehicle (or *(if applicable identify on site location where person can go to request the unbooting of the vehicle)).*
>
> DCA Complaint Number: *(insert current telephone number).*

*A statement that "Parking permitted for patrons only" or substantially similar statement shall be used to describe the condition that parking is permitted only while vehicle occupant is patronizing stores or business establishments contiguous to or near such lot.

**A statement that "Vehicles are subject to booting if their occupants leave the private parking lot or the stores or business establishments served by it for any reason or for any length of time" or substantially similar statement shall be used to describe the condition that vehicles are subject to booting if occupants leave the private parking lot or stores or business establishments contiguous to or near such lot for any reason or for any length of time.

§ 2. Paragraph 1 of subdivision b of section 2-401 of subchapter FF of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(b) (1) The signs required to be posted at the place where a private street intersects a public street pursuant to subparagraph (i) of paragraph two of subdivision c of §19-169.2 of the New York City Administrative Code shall read substantially as follows (with the designated information to be inserted at the indicated spaces):

> WARNING! *(in red letters at least [two]five inches high.)*
>
> ENTERING PRIVATE STREET *(in red letters or in such color as the following text and at least [one]two and one half inches high.)*
>
> (The following text shall be in letters at least *(one inch] two inches high.)*
> PARKING PERMITTED *(insert if applicable* FROM TO *)* FOR *(insert exact conditions under which parking is allowed*).*
>
> VEHICLES ARE SUBJECT TO BOOTING *(insert if applicable* FROM TO *) (insert exact conditions under which vehicles are subject to booting**).*
>
> $*(insert applicable fee)* FEE TO UNBOOT VEHICLE.
>
> *(The following text shall be at least three-fourths of an inch high.)*
> Booting performed by: *(insert name of licensee).*
> *(Insert licensee's business address).*
> Consumer Affairs License Number: *(insert licensee's license number).*
> Call: *(insert business phone number to unboot vehicle)* to unboot vehicle (or *(if applicable identify on site location where person can go to request the unbooting of the vehicle)).*
>
> DCA Complaint Number: *(insert current telephone number).*

*A statement that "Parking permitted only with written authorization" or substantially similar statement shall be used to describe the condition that persons must obtain written permission to park vehicles on such private street.

**A statement that "Vehicles are subject to booting if required written private parking authorization is not displayed on dashboard" or substantially similar statement shall be used to describe the condition that vehicles are subject to booting if the required written authorization is not properly displayed.

§ 3. Subdivision c of section 2-401 of subchapter FF of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(c) The background color for the signs specified in subdivisions a and b of this section shall be white, and the text for [the]such signs [specified in subdivisions a and b of this section] shall be composed of capital block letters in a color that is sharply distinct from the red color used for the word "warning" as required in such subdivisions, from the red color used for the words "entering private streets" as authorized by subdivision b of this section and from the solid white background [color] of such sign. The text and the background color shall be treated with a luminescent coating which shall make such text and such signs clearly visible twenty-four hours a day.

§ 4. Subdivision b of section 2-407 subchapter FF of chapter 2, title 6 of the Rules of the City of New York is hereby amended to read as follows:

(b) Such identification badges shall be made from forms to be furnished by the Department. There shall be affixed to such badge a current [1/2]two and one-half inch square or oval photograph of the individual to whom it is issued. The name of such individual and a sequentially issued, non-duplicative identification number shall be printed in capital letters in 24 point bold face type on such form. The licensee's business name also shall be printed on such form in capital letters and its license number shall be printed on such form in numerals in at least 12 point bold face type.

Statement of basis and purpose. Local Law 90 for the year 1997 amended Section 19-169.2 of the Administrative Code of the City of New York which governs the booting of vehicles on private property. The amendment required that the word "WARNING" be in red ink and specified height requirements for the lettering used on the signs to be posted at private parking lots and at intersections between public roads and private streets where vehicles are subject to booting. This amendment to the booting rule conforms the current lettering requirements in the rule to the requirements enacted by law. It also revises the requirements for the colors to be used on the signs to ensure that the red lettering that has been mandated to make the word "WARNING" stand out from the rest of the wording on the sign and the red lettering that has been authorized to make the words "entering private streets" stand out from the rest of the wording on the sign required to be posted at the intersections between private roads and public streets will not be obscured by other colors used on the sign. Finally, the amendment corrects an error in the size requirement for photographs to be used on identification badges.

☛ a23

HEALTH

DEPARTMENT OF HEALTH
COMMISSIONER OF HEALTH

NOTICE OF ADOPTION OF AN AMENDMENT TO CHAPTER 16 OF TITLE 24 OF THE RULES OF THE CITY OF NEW YORK (24 R.C.N.Y. CHAPTER 16) TO DESIGNATE THE USE OF PHYSICIANS EMPLOYED BY THE HEALTH & HOSPITALS CORPORATION TO MAKE CERTIFICATIONS OF DISABILITY FOR SPECIAL VEHICLE IDENTIFICATION PARKING PERMITS (ALSO KNOWN AS PPPD)

IN COMPLIANCE WITH SECTIONS 389(b) AND 1043(a) OF THE NEW YORK CITY CHARTER AND PURSUANT TO SECTION 2903(15) OF THE NEW YORK CITY CHARTER, NOTICE OF INTENTION TO AMEND THESE RULES AND NOTICE OF PUBLIC HEARING WAS PUBLISHED IN THE CITY RECORD ON DECEMBER 30, 1997. A public hearing was held on February 4, 1998. Testimony was given but no written comments were received. After a review of the transcript of the public hearing the proposed Rules were adopted on April 6, 1998.

Statutory Authority

This amendment to Chapter 16 of Title 24 of the Rules of the City of New York is authorized pursuant to Section 2903(15) and Sections 389(b) and 1043(a) of the New York City Charter. Section 2903(15) of the Charter provides that the Commissioner of Transportation shall issue a special vehicle identification parking permit "...when such person has been certified by the department of health or a provider designated by the department [of transportation] or the department of health, who shall make such certification in accordance with standards and guidelines prescribed by the department or the department of health as having a permanent disability seriously impairing mobility." Charter Section 389(b) provides that "heads of mayoral agencies shall have the power to adopt rules to carry out the powers and duties delegated to the agency head or the agency by or pursuant to federal, state or local law." Charter Section 1043(a) authorizes each agency to "adopt rules necessary to carry out the powers and duties delegated to it by or pursuant to federal, state or local law."

Statement of Basis and Purpose

Pursuant to Section 2903(15)(a) of the New York City Charter, the Department of Transportation issues special vehicle identification parking permits ("SVIPP" and also referred to as Parking Permits for People with Disabilities or "PPPD") to persons applying for such permits who are certified as having a "permanent disability seriously impairing mobility". A vehicle bearing such a permit when parked shall not be deemed to be in violation, with certain specified exceptions, of the rules and regulations governing parking in the city. Prior to the recent enactment of Local Law No. 43 of 1995, those persons claiming eligibility for a SVIPP due to a physical disability were required to possess a driver's license in order to be eligible to apply for a special vehicle identification permit. More specifically, eligibility for a SVIPP required that the applicant possess an operator's or chauffeur's license "with any restrictions indicating special devices or equipment required for the operation of a motor vehicle noted thereon." The medical certification to qualify for a SVIPP, or the determination not to certify, was required to be made by the Department of Health.

Local Law No. 43 of 1995 amended Section 2903(15) of the Charter by changing both the procedure by which an SVIPP is obtained from the Department of Transportation as well as the procedure for certifying a person as having a "permanent disability seriously impairing mobility." Section 2903(15)(a) as amended by Local Law No. 43 provides, in pertinent part, as follows:

> The commissioner shall issue a special vehicle identification parking permit to a New York City resident who requires the use of a private automobile for transportation and to a non-resident ... when such person has been certified by the department of health or a provider designated by the department or the department of health, who shall make such certification in accordance with standards and guidelines prescribed by the department or the department of health...."

[New York City Charter, Section 2903(15)(a), emphasis added].

Section 2903(15)(a), as amended, further provides that:

> "A permit shall be issued to such person upon his or her application. A permit shall also be issued to such person upon application made on such person's behalf by a parent, spouse, guardian or other individual having legal responsibility for the administration of such person's day to day affairs." [emphasis added].

Until now, the Department's Employees Health Services Program has carried out its responsibility in this area by allocating approximately twenty-five hours of physician time per month on these SVIPP certification applications. SVIPP evaluations involve an initial examination and sometimes as many as two appeals by the applicant from the original decision by the Department of Health physician. These SVIPP examinations, in accordance with Section 2903(15)(e) of the Charter, must be held in each of the boroughs. This has led to delays because space and staff constraints allow scheduling of SVIPP examinations only once per month in the outer boroughs. In addition, due to the nature of physician staffing at the Employees Health Services Program, physician specialists sought by many applicants were not available. The scheduling, tracking and holding of these SVIPP certification sessions has involved a significant expenditure of time by Employee Health Services Program staff.

The intent of Local Law No. 43 of 1995 is to make SVIPP's more widely available as they will now be obtainable by the non-driver having physical disabilities (for example, persons who would not be able to qualify for a driver's license at all by reason of a physical disability). SVIPP applications will now be able to be "made on such person's behalf by a parent, spouse, guardian or other individual having legal responsibility for the administration of such person's day to day affairs." That fact is expected to increase the SVIPP workload of both Departments of Transportation and Health as an increased volume of SVIPP applications and certifications is anticipated.

Prior to the enactment of Local Law No. 43, the Charter mandated that the Department of Health perform all medical certifications of SVIPP applications submitted to the Department of Transportation. This function cannot be said to be a purely public health function or part of the mission of the Department. The Office of Nursing and Quality Improvement, of which the Employees Health Services Program is a part, believes that the SVIPP applicants as well as the Department's employees, would be better served if physicians and other staff of the Department no longer perform the SVIPP certifications. Local Law No. 43, which amended Charter Section 2903(15) provides this agency with the legal authority and the opportunity to designate providers/physicians to make SVIPP certifications "in accordance with standards and guidelines prescribed by...the department of health." These guidelines are found in 24 R.C.N.Y. Chapter 16

In light of this authority vested in the Department to designate providers to perform SVIPP certifications, the Office of Nursing and Quality Improvement is proposing a change in the rules of the Department (24 R.C.N.Y. Chapter 16) to authorize the use of city-employed physicians, made available by the Health & Hospitals Corporation pursuant to a contract entered into by the Department with the Health & Hospitals Corporation and the Department of Transportation, to perform medical certifications of Special Vehicle Identification Parking Permit applications submitted to the Department of Transportation. This group of physicians shall be composed of practitioners in appropriate fields of medical specialization who are to be appointed by the Department to a two year renewable term. Persons are to be directed to particular physicians based upon their claimed impairment.

Applicants who are denied certification may appeal such determination. Such request for appeal must be made within fifteen business days of service of the decision on a form furnished with the decision. Where the denial of certification is based upon a determination that the person's medical history does not support a finding of permanent disability seriously impairing mobility, the Department shall provide a review of the person's file by a physician other than the physician who denied such certification. Where the denial was based upon clinical findings or where the findings were inconsistent with the person's medical history, the Department shall provide a second assessment, which may include a physical examination by a physician selected by the Department other than the one who denied certification. The applicant/appellant will not be precluded from engaging his (her) own expert or specialist whose findings would be received and considered in the appeal.

The certification of a person for a SVIPP, or denial thereof, shall constitute a final agency determination when it is adopted by the Department. The certification or denial thereof is to be adopted unless it is appealed from by the applicant within fifteen business days of service of the decision denying the certification upon the applicant on a form received with the decision. The result of any appeal shall be final when it is adopted by the Department. A final determination denying certification shall preclude the filing of an SVIPP application for the same condition by or on behalf of such person unless such person demonstrates that the condition has significantly worsened.

Physicians selected to perform an SVIPP certification would be required to complete a certification form which specifies which, if any, of the Department of Health medical standards, amounting to a "permanent disability seriously impairing mobility", are met by the person. The validity of physician certifications will be monitored by the Employees Health Services Program through a selective review of determinations. The providers will be certified by the Department for two year renewable terms. As a result of these proposed rule changes, the Department's daily role in the SVIPP program will be minimized.

Statement Pursuant to Charter Section 1042 - Regulatory Agenda

This proposal to allow for the designation of physicians employed by the Health and Hospitals Corporation to certify disabilities for the purpose of SVIPP applications was inadvertently not included in the Department's regulatory agenda, in part, because it had not been decided until after its publication that the Department of Health would maintain a role, albeit a diminished one, in SVIPP certifications.

Note-Matter [in brackets] to be deleted. Matter underlined is new:

Section 16-01	Introduction
Section 16-02	Designation as a Person with a Permanent Disability Seriously Impairing Mobility
Section 16-03	Physicians Employed by Health & Hospitals Corporation Designated To Perform Special Vehicle Identification Parking Permit Certifications
Section 16-04	Form of Certification
Section 16-05	Appeals

16-01 Introduction. This rule establishes criteria for the issuing of Special Vehicle Identification Parking Permits pursuant to Section 2903(a)(15)(a) of the New York City Charter to or on behalf of disabled persons who have a permanent disability seriously impairing [the] mobility [of the applicants.] and authorizes the use of physicians designated by the Department, including New York City Health & Hospitals Corporation employed physicians so designated pursuant to a contract entered into by the Department with the Health & Hospitals Corporation and the Department of Transportation, to make the decisions as to the eligibility of such persons for these special permits.

16-02 Designation as a Person with a Permanent Disability[.]Seriously Impairing Mobility.

(a) Complete monoplegia or paraplegia of lower extremities.

(b) Above ankle amputation of lower extremities, at the discretion of the examining physician.

(c) Arthritis of two major weight bearing joints of the lower extremities with substantial X-rays changes, such as loss of joint space, severe degenerative changes, plus one or more of the following:

(1) Objective finding of sizable effusion of joint(s) detected by clinical examination by the examiner

(2) Gross instability of joint(s) detected by clinical examination by the examiner

(3) Ankylosis or contractures of major joint(s) to such a degree as to preclude stair climbing.

Joint replacement does not qualify by itself unless accompanied by (1), (2) or (3).

(d) Severe discrepancy in leg lengths, uncorrectable, amounting to 3 inches or more.

(e) Spinal column abnormalities of severe degree with unequivocal motor involvements not amenable to bracing which [, in the examiner's opinion,] would seriously [affect one's locomotive ability.] impair the mobility of the [applicant] person. X-rays evidence of arthritis of the spine with or without pain is insufficient reason for approval.

(f) Neurological conditions, such as multiple sclerosis, myopathies or neuropathies of both lower extremities that [, in the examiner's opinion,] would seriously [affect their locomotive function without significant impairment of motor coordination in driving.] impair the mobility of the [applicant] person. Appropriate objective test results may be submitted [by applicant].

(g) Obliterating peripheral vascular diseases of severe degree accompanied by absence of pulses below inguinal ligament with objective ischaemic changes detected by physical examination by the examiner.

(h) Persistent and uncorrectable hemic disorders with hemoglobin of less than 8 gm.%. Hemophiliacs: same as (c) or (h).

(i) Renal insufficiency requiring frequent renal dialysis with significant objective finding of neural or hemic abnormalities.

(j) Any other permanent [disabilities] disability that [, in the opinion of the examining physician,], in the specific circumstances, would seriously [limit] impair the mobility of the [applicant] person.

16-03 Physicians Employed by Health & Hospitals Corporation Designated to Perform Special Vehicle Identification Parking Permit Certifications.

The Department may use physicians, made available for this purpose by the Health & Hospitals Corporation pursuant to a contract entered into by the Department with the Health & Hospitals Corporation and the Department of Transportation, to perform medical certifications of Special Vehicle Identification Parking Permit applications submitted to the Department of Transportation. Such physicians, employed by the Health & Hospitals Corporation, shall be qualified to certify persons for a Special Vehicle Identification Parking Permit as possessing a "permanent disability seriously impairing mobility" in accordance with Section 2903(15)(a) of the Charter and the criteria specified in Section 16-02 above. This group of physicians shall be composed of practitioners in appropriate fields of medical specialization who are to be appointed by the Department to a two year renewable term. Persons shall be directed to particular physicians based upon their claimed impairment.

16-04 Form of Certification.

Such certification, or denial of certification, shall include a complete applicant/patient medical history and shall also specify clinical findings and a diagnosis that supports, or does not support a determination of a "permanent disability seriously impairing mobility". Such finding shall be sworn to by the physician/provider. Except as otherwise provided in Section 16-05, such determination shall be final when it is adopted by the Department.

16-05 Appeals.

Where certification has been denied an applicant for a Special Vehicle Identification Parking Permit may appeal such determination. Such request for appeal must be made within fifteen business days of service of the decision denying the certification upon the applicant on a form received with the decision. Where the denial of certification was based upon a determination/finding that the medical history of the person does not support a finding of a "permanent disability seriously impairing mobility", the Department shall provide for a review of the file by a physician other than the physician who denied such certification. Where such denial was based upon clinical findings, or where the clinical findings were inconsistent with the medical history of the person, the Department shall provide a second assessment, which may include a physical examination by a physician selected by the Department other than the physician who denied certification. The applicant/appellant shall not be precluded from engaging an outside medical expert or specialist for purposes of his or her appeal. The results of any examination performed by such specialist and his or her conclusions shall be made part of the appeal record. The determination of such appeal shall be final when it is adopted by the Department. A final determination denying certification shall preclude the filing of a Special Vehicle Identification Parking Permit application for the same condition by or on behalf of such person unless such person demonstrates that the condition has significantly worsened.

NOTE: These rules were adopted on April 6, 1998.

This amendment will take effect immediately in accordance with Section 1043 of the New York City Charter.

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH

On June 22, 1998, the Department of Health will hold a lottery based on a strict random selection process to establish the following waiting lists for mobile food vendor permits:

- a full-term citywide mobile food vendor permit waiting list (2500 positions)
- a temporary (seasonal) citywide mobile food vendor permit waiting list (1000 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled veterans (100 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled persons (non-veterans) (100 positions)
- a full-term citywide mobile food vendor permit waiting list for veterans (nondisabled) (100 positions)

You must have a valid full-term mobile food vendor license issued to you at the time you submit the waiting list application form. The waiting list application form, with the mobile food vendor license number included in the application, must be submitted by mail only to the address listed in the application instructions on or before June 12, 1998 in order to be eligible for inclusion on such waiting lists.

The number of waiting list positions for each of the above categories is provided by 24 R.C.N.Y. Sections 19-07 and 20-07. Due to the limited number of waiting list positions and available permits, the Department of Health cannot guarantee that submission of a waiting list application will result in a place on a waiting list or the issuance of a permit.

Waiting List Applications: Application packages for inclusion in the lottery for the above waiting lists may be obtained through the mail by calling the New York City Department of Consumer Affairs at (212) 487-4436. Application packages are also available at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York, Monday through Friday from 8:30 AM to 5:00 PM. Completed applications must be submitted by mail only to the address listed in the application instructions and postmarked no later than June 12, 1998 in order to be eligible for inclusion on such waiting lists.

Mobile Food Vendor License Applications: Persons interested in applying for a mobile food vendor license may request an application by mail at the above address or by telephone to the above number. License applicants should allow at least twenty-five (25) business days to receive the necessary tax and ECB documentation required to apply for a license. *While this time span reflects the normal processing period, the Department of Health cannot guarantee that applicants will receive a license within this timeframe.*

Ferryboat Titles (Licensed)
1995-99 Agreement

AGREEMENT entered into this 1st day of April, 1998 by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf (hereinafter referred to jointly as the "Employer"), and District No. 1 - PCD/MEBA Licensed Division, AFL-CIO (hereinafter referred to as the "Union"), for the five year period from January 1, 1995 to December 31, 1999.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.
The Employer recognizes the Union as the exclusive collective bargaining representative of all Licensed Officers (hereinafter referred to as "Employees") in the bargaining unit composed of persons employed in the following titles: Captain (TC#91510), Assistant Captain (TC#91504), Mate (TC#91556), Chief Marine Engineer (TC#91522), Marine Engineer (TC#91542), Chief Marine Engineer(DC)(TC#91524), Marine Engineer(DC)(TC# 91544) and Mate(DC) (TC# 91555).

Section 2.
For purposes of this Agreement, employees in the above titles may generally be referred to as "Licensed Officers" as distinguished from other personnel whose duties with respect to the operation of a ferryboat or Department of Corrections ("DC") vessels do not require them to hold a license as a prerequisite for employment.

Section 3.
For purposes of this Agreement, per annum shall mean per annum paid employees, both permanent and provisional. Temporary means hiring-hall employees. Step up employees are per annum employees of the Ferry or DC operating service assigned to work in a higher title.

ARTICLE II - JOB SECURITY

During the term of this Agreement, the Employer will attempt to retain all per annum employees who hold positions by permanent appointment. If curtailment because of a reduced number of runs becomes necessary, no such curtailment shall become effective without prior discussion with the Union.

ARTICLE III - DUES CHECK-OFF

Section 1.
a. The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969 entitled "Regulations Relating to Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986 entitled "Procedures for Orderly Payroll Checkoff of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction from his or her wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the Employer, which bears the signature of the employee.

Section 2.
The parties agree to an agency shop to the extent permitted by applicable law, the provisions of which are contained in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE IV - WAGES

Section 1. - Agreed annual rates - per annum

a. Hiring Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$43,817	$45,132	$46,486	$48,694
Chief Marine Engineer	$42,498	$43,773	$45,086	$47,228
Chief Marine Engineer(DC)	$42,498	$43,773	$45,086	$47,228
Marine Engineer	$39,681	$40,871	$42,097	$44,097
Marine Engineer(DC)	$39,681	$40,871	$42,097	$44,097
Assistant Captain	$38,930	$40,098	$41,301	$43,263
Mate	$35,756	$36,829	$37,934	$39,736
Mate(DC)	$35,756	$36,829	$37,934	$39,736

b. Incumbent Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$46,955	$48,364	$49,815	$52,181
Chief Marine Engineer	$45,541	$46,907	$48,314	$50,609
Chief Marine Engineer(DC)	$45,541	$46,907	$48,314	$50,609
Marine Engineer	$42,524	$44,800	$45,114	$47,257
Marine Engineer(DC)	$42,524	$44,800	$45,114	$47,257
Assistant Captain	$41,718	$42,970	$44,259	$46,361
Mate	$38,316	$39,465	$40,649	$42,580
Mate(DC)	$38,316	$39,465	$40,649	$42,580

Section 2.
The rates contained in this Article shall not apply to persons hired as temporary replacements or Step up employees whose rates are set forth in Article VII of this Agreement.

Section 3 from 1991-94 is eliminated

This is a new Section 3

3. New Hires.
a. For the purposes of Sections 3(c) and 3(d), employees 1) who were in active pay status before January 1, 1995, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated "incumbent rate" set forth in Article IV 1(b), Article VI 3(b), Article VIII 1(b), Article IX (b), and Appendix B 1(b), 2(b), 3(b):

i. Employees who return to active status from an approved leave of absence.
ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.
iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.
iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.
v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.
vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.
vii. A provisional employee who is appointed directly from one provisional appointment to another.
viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 3. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article XVI of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Article IV Section 1 of the 1991-1994 Ferryboat Titles Agreement shall be paid at the applicable "hiring rate" set forth in Article IV 1(a), Article VI 3(a), Article VIII 1(a), Article IX (a), and Appendix B 1(a), 2(a), 3(a). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in Article IV 1(b), Article VI 3(b), Article VIII 1(b), Article IX (b), and Appendix B 1(b), 2(b), 3(b).

c. The appointment rate for any employee newly hired to a title covered by this Agreement between January 1, 1995 and July 14, 1996, shall be the applicable "hiring rate" set forth in Article IV 1(a), Article VI 3(a), Article VIII 1(a), Article IX (a), and Appendix B 1(a), 2(a), 3(a). Upon completion of one year of service, such employee shall be paid the indicated "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in Article IV 1(b), Article VI 3(b), Article VIII 1(b), Article IX (b), and Appendix B 1(b), 2(b), 3(b).

d. i. The appointment rate for any employee newly hired to a title covered by this Agreement after July 14, 1996, shall be the applicable "hiring rate" set forth in Article IV 1(a), Article VI 3(a), Article VIII 1(a), Article IX (a), and Appendix B 1(a), 2(a), 3(a). Upon completion of two (2) years of active or qualified inactive service, such employee shall be paid the indicated "incumbent rate" for such title that is in effect on the two year anniversary of the employee's original date of appointment as set forth in Article IV 1(b), Article VI 3(b), Article VIII 1(b), Article IX (b), and Appendix B 1(b), 2(b), 3(b).
ii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsections 3(c) and 3(d).

f. Upon completion of four (4) years of active or qualified inactive service, an employee appointed pursuant to the provisions set forth in subsection 3(d) shall receive a one-time lump sum payment calculated by taking the difference between the "hiring rate" received by the employee and the indicated "incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in Article IV 1(b), Article VI 3(b), Article VIII 1(b), Article IX (b), and Appendix B 1(b), 2(b), 3(b)). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the employee been paid at the higher "incumbent" salary rate and the annual salary rate the employee actually earned during the employee's second year of service.

i. The intent of this Section 3(f) is to treat the employee as if the employee had moved to the "incumbent rate" after one year of service rather than after two years. Only the difference between the applicable "hiring rate" and the "incumbent rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.
ii. All overtime, night shift differential, or other percentage based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.
iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

g. For the purposes of Sections 3(d) and 3(f), "qualified inactive service" is defined to include the following employees:

i. those who are on preferred or recall lists; or
ii. those who are on the following unpaid approved leaves:

(1) maternity/childcare leave;
(2) unpaid military leave;
(3) unpaid time while on jury duty;
(4) unpaid leave for union business pursuant to Executive Order 75;
(5) unpaid leave pending workers' compensation determination;
(6) unpaid leave while on workers' compensation option 2;
(7) approved unpaid time off due to illness or exhaustion of paid sick leave;
(8) approved unpaid time off due to family illness; and
(9) other pre-approved leaves without pay.

ARTICLE V - WORK DAY, WORK WEEK, AND WORK YEAR

Section 1.
The rates prescribed in Article IV of this Agreement shall constitute compensation in full for the regular work week for the operation of ferryboats or DC vessels as practiced in various agencies; that is, four (4) eight-hour (8) tours per week which shall be consecutive, and 207 eight-hour (8) days per annum of which 198 eight-hour (8) days are work days (representing 1484 hours work at straight time pay plus 100 hours worked at overtime pay), and nine (9) eight-hour days are paid holidays (representing 72 hours) of holiday pay at straight time.

Section 2.
Any regular work week may include work on a Saturday and/or Sunday at no additional compensation, it being understood that the rates set forth in this Agreement include Saturday and Sunday work.

ARTICLE VI - HOLIDAYS

Section 1.
The wage rates set forth in Article IV of this Agreement shall include payment for nine (9) holidays as follows: Independence Day, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day, New Year's Day, Washington's Birthday, Memorial Day, and Martin Luther King Jr. day.

Section 2.
During the term of this Agreement, the per annum Employees covered hereunder shall, during each year, also be entitled to receive three (3) non-paid holidays (holidays not included in the per annum wage rate). The three non-paid holidays are: Lincoln's Birthday, Columbus Day and Election Day. Any per annum Employee who is required to work on any such holidays shall receive compensatory time off equal to the number of hours actually worked.

Section 3. [1]
A per annum Employee who works on any of the nine (9) holidays as indicated in Section 1 shall receive, over and above his regular compensation, additional compensation in cash for each eight (8) hour day actually worked by him on any such holiday at the following rates:

a. Hiring Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$308.16	$317.44	$327.04	$342.48
Chief Marine Engineer	$298.96	$307.92	$317.20	$332.16
Chief Marine Engineer(DC)	$298.96	$307.92	$317.20	$332.16
Marine Engineer	$279.12	$287.52	$296.16	$310.24
Marine Engineer(DC)	$279.12	$287.52	$296.16	$310.24
Assistant Captain	$273.84	$282.00	$290.56	$304.32
Mate	$251.52	$259.12	$266.88	$279.52
Mate(DC)	$251.52	$259.12	$266.88	$279.52

[1] See Article IV Section 3

b. Incumbent Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$330.24	$340.24	$350.40	$367.12
Chief Marine Engineer	$320.32	$330.00	$339.84	$356.08
Chief Marine Engineer(DC)	$320.32	$330.00	$339.84	$356.08
Marine Engineer	$299.20	$308.08	$317.28	$332.40
Marine Engineer(DC)	$299.20	$308.08	$317.28	$332.40
Assistant Captain	$293.44	$302.32	$311.28	$326.16
Mate	$269.52	$277.60	$286.00	$299.52
Mate(DC)	$269.52	$277.60	$286.00	$299.52

ARTICLE VII - STEP,UP OR TEMPORARY REPLACEMENT HOURLY, DAILY HOLIDAY & OVERTIME RATES OF PAY

Section 1.
Step up replacements in the titles indicated below shall be paid in accordance with Appendix "B" attached to this Agreement.

Temporary replacements in the titles indicated below shall be paid an hourly rate of pay for the first thirty (30) hours of work per week as set forth in Article IX.

Captain (TC# 91510)
Marine Engineer (TC# 91542)
Chief Marine Engineer (TC# 91522)
Assistant Captain (TC# 91504)
Mate (TC# 91556)

Section 2.
If a step up or temporary replacement works on a paid holiday, as indicated below, he shall, according to the title of the position in which he is employed, receive holiday pay as follows:

A temporary replacement shall receive the hourly rate set forth in Article IX of this Agreement plus an additional amount as set forth in Article VIII, Section 1 of this Agreement for each hour worked on a holiday.

A step up Employee working on a holiday shall be paid in accordance with Appendix "B" attached to this Agreement.

Such holiday pay shall preclude any step up employee or temporary replacement Employee from claiming additional time off.

The holidays to which this Section refers are Independence Day, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day, New Year's Day, Washington's Birthday and Memorial Day and Martin Luther King Jr. Day.

Section 3.
A temporary replacement who works in excess of eight (8) hours per day or thirty (30) hours per week shall be compensated in cash at the respective rates and for the respective titles for each hour of overtime in increments of one-half (1/2) hour as set forth in Article VIII, Section 1 of this Agreement.

A step up Employee who works in excess of eight (8) hours per day or thirty (30) hours per week shall be paid in accordance with Appendix "B" attached to this Agreement.

ARTICLE VIII - OVERTIME

Section 1. [2]
A Per Annum Employee who works in excess of eight (8) hours per day or four (4) consecutive days per week or one hundred ninety-eight (198) days per year or eight (8) hours on a legal holiday shall be compensated in cash at the respective rates and for the respective titles for each hour of overtime in increments of one-half (1/2) hour as follows:

a. Hiring Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$38.52	$39.68	$40.88	$42.81
Chief Marine Engineer	$37.37	$38.49	$39.65	$41.52
Chief Marine Engineer(DC)	$37.37	$38.49	$39.65	$41.52
Marine Engineer	$34.89	$35.94	$37.02	$38.78
Marine Engineer(DC)	$34.89	$35.94	$37.02	$38.78
Assistant Captain	$34.23	$35.25	$36.32	$38.04
Mate	$31.44	$32.39	$33.36	$34.94
Mate(DC)	$31.44	$32.39	$33.36	$34.94

b. Incumbent Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$41.28	$42.53	$43.80	$45.89
Chief Marine Engineer	$40.04	$41.25	$42.48	$44.51
Chief Marine Engineer(DC)	$40.04	$41.25	$42.48	$44.51
Marine Engineer	$37.40	$38.51	$39.66	$41.55
Marine Engineer(DC)	$37.40	$38.51	$39.66	$41.55
Assistant Captain	$36.68	$37.79	$38.91	$40.77
Mate	$33.69	$34.70	$35.75	$37.44
Mate(DC)	$33.69	$34.70	$35.75	$37.44

Section 2.
Such overtime shall preclude any employee from claiming additional time off for the period of time that he has received paid overtime.

ARTICLE IX - HOURLY RATE [3]

Per Annum Employees in the titles indicated below shall be paid on an hourly basis for the first thirty (30) hours of work per week as follows:

a. Hiring Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$25.68	$26.45	$27.25	$28.54
Chief Marine Engineer	$24.91	$25.66	$26.43	$27.68
Chief Marine Engineer(DC)	$24.91	$25.66	$26.43	$27.68
Marine Engineer	$23.26	$23.96	$24.68	$25.85
Marine Engineer(DC)	$23.26	$23.96	$24.68	$25.85
Assistant Captain	$22.82	$23.50	$24.21	$25.36
Mate	$20.96	$21.59	$22.24	$23.29
Mate(DC)	$20.96	$21.59	$22.24	$23.29

b. Incumbent Rate

	EFFECTIVE 1/1/95	1/1/97	4/1/98	3/1/99
Captain	$27.52	$28.35	$29.20	$30.59
Chief Marine Engineer	$26.69	$27.50	$28.32	$29.67
Chief Marine Engineer(DC)	$26.69	$27.50	$28.32	$29.67
Marine Engineer	$24.93	$25.67	$26.44	$27.70
Marine Engineer(DC)	$24.93	$25.67	$26.44	$27.70
Assistant Captain	$24.45	$25.19	$25.94	$27.18
Mate	$22.46	$23.13	$23.83	$24.96
Mate(DC)	$22.46	$23.13	$23.83	$24.96

ARTICLE X - SPECIAL ADDITIONAL COMPENSATION

Section 1.
During the term of this contract, additional compensation shall be provided in the amount as indicated below per hour to Licensed Officers in the title of Captain, Assistant Captain, or Mate who are qualified by the possession of the appropriate Radio Operators License issued by the Federal Communications Commission to operate radio-telephone equipment. Such additional compensation shall be limited to the hours during which the Licensed Officer performs duties which will require and include operation of such radio-telephone equipment.

Effective 1/1/95	$0.19
Effective 1/1/97	$0.20
Effective 4/1/98	$0.21
Effective 3/1/99	$0.22

Section 2.
Each Licensed Officer shall be entitled to receive additional compensation in the amount indicated below for loss of clothing and personal effects resulting from the sinking of a ferryboat or DC vessel, such payment is deemed to be full compensation for such loss.

Effective 1/1/95	$161
Effective 1/1/97	$166
Effective 4/1/98	$171
Effective 3/1/99	$179

Section 3.
A differential in the pro-rata annual amount stated below shall be provided for each per annum Licensed Officer possessing the valid prerequisite license issued by the United States Coast Guard Inspection Service for the Licensed Officer's incumbent title.

Effective 1/1/95	$180
Effective 1/1/97	$185
Effective 4/1/98	$191
Effective 3/1/99	$200

ARTICLE XI - CONTRIBUTIONS TO UNION HEALTH AND WELFARE FUND

Section 1.
During the term of this Agreement the Employer shall provide a sum not to exceed the annual amount listed below for each incumbent per annum employee employed as a Captain, Assistant Captain, Mate, Mate (DC), Chief Marine Engineer, Chief Marine Engineer (DC), Marine Engineer and Marine Engineer (DC) or the pro rata share thereof for each such Licensed Officer employed during the term of this Agreement for a period less than the full term of this Agreement, for the purpose of furnishing, as provided in a separate agreement hereinafter referred to, certain supplementary benefits for the period of employment of such Licensed Officer by the Employer during the term of this Agreement as defined in said separate agreement entered into between the City of New York and District No. 1, Pacific Coast District of National Marine Engineers Beneficial Association, AFL-CIO.

Effective January 1, 1995	$1,125
Effective December 1, 1997	$1,200
Effective March 1, 1999	$1,275

The payments as above indicated shall be remitted by the City to: "M.E.B.A. City Employees' Beneficial Fund", subject to said separate agreement for the benefit of each incumbent Licensed Officer and further subject to periodic audit by the Comptroller of the City of New York.

Section 2.
Employees who have been separated from service subsequent to June 30, 1970, and who were covered by a welfare fund at the time of such separation pursuant to a separate agreement between the City and the certified union representing such employees, shall continue to be so covered, subject to the provisions hereof, on the same contributory basis as incumbent employees. Contributions shall be made only for such time as said individuals remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such Program, or are retirees of the New York City Employees Retirement System who have completed at least five (5) years of full-time service with the City of New York.

Section 3.
Pursuant to its commitment, the MEBA will continue to provide benefits to employees' domestic partners.

ARTICLE XII - ANNUITY FUND

Section 1.
Effective March 1, 1999, the parties agree to establish an annuity fund for all employees covered by this Agreement.

Section 2.
To be eligible for said annuity fund payment, an employee must meet all of the following criteria:

a. An employee must be serving in a title covered by this Agreement on March 1, 1999. Any employee who is not serving in a title covered by this Agreement on March 1, 1999, shall be ineligible for any annuity fund benefit or pro rata share thereof, regardless of prior service in a covered title. However, an employee serving in a covered title on March 1, 1999, shall have any service in either a covered or non-covered title during the qualifying period set forth in this Section 2(c) deemed qualifying service.

b. An employee must be in active pay status on March 1, 1999.

c. An employee must have been in active pay status in either a covered or non-covered title during all or part of the period March 1, 1996 through February 28, 1997 (the "qualifying period").

Section 3.
Contributions on behalf of covered employees shall be remitted by the employer to a mutually agreed upon annuity fund no later than July 1, 1999, subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

a. The employer shall pay into the fund on behalf of covered full-time per annum and full time per diem employees a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

b. For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two (2) dollars for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of $522 per annum.

c. For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two (2) dollars

for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $522 per annum.

d. For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

e. The eligibility for payments set forth in this Section 3 shall be based on paid working days between March 1, 1996 and February 28, 1997.

f. For the purpose of Section 3, excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime.

"All days in non-pay status" as used in this Section 3(f) shall be defined as including, but not limited to, the following:

(1) time on preferred or recall lists;

(2) time on the following approved unpaid leaves:
a. maternity/childcare leave;
b. military leave;
c. unpaid time while on jury duty;
d. unpaid leave for union business pursuant to Executive Order 75;
e. unpaid leave pending workers' compensation determination;
f. unpaid leave while on workers' compensation option 2;
g. approved unpaid time off due to illness or exhaustion of paid sick leave;
h. approved unpaid time off due to family illness; and
i. other pre-approved leaves without pay;

(3) time while on absence without leave;

(4) time while on unapproved leave without pay; or

(5) time while on unpaid suspensions.

Section 4. - Definitions

covered title: A title that is covered by this Agreement for whom the certified bargaining agent has executed a written election to be covered by the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA.

covered employee: An employee serving in a covered title on the March 1, 1999.

non-covered title: A title that is covered by a unit for whose certified bargaining agent has waived the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA and has elected to utilize the funding to provide alternative benefits in lieu of the annuity fund.

scheduled days off: An employee's regular days off ("RDOs"). For example, Saturday and Sunday would be the scheduled days off for a full-time per annum employee working a Monday through Friday schedule.

Section 5.
For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning issues related to the implementation of this Article XII. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article XVI of this Agreement.

Section 6.
Effective December 1, 1999 the employer shall contribute to an annuity fund $4.37 for each paid working day up to a maximum of $913.33 on behalf of full-time and full-time per diem employees. For part-time employees who work less than eight hours a day, the amount paid shall be based on a prorated amount which is calculated against an eight hour day, up to a maximum of $913.33 per annum. For the purpose of these payments, excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime.

Section 7.
Contributions hereunder shall be remitted by the employer each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

ARTICLE XIII - UNIFORM ALLOWANCE

Licensed Officers covered by this Agreement in the titles of Captain, Assistant Captain and Mate shall receive a pro-rated annual uniform allowance as indicated below:

Effective 1/1/95	$435
Effective 1/1/97	$448
Effective 4/1/98	$461
Effective 3/1/99	$483

Employees in the titles Chief Marine Engineer (DC) (TC#91524), Marine Engineer (DC) (TC#91544), and Mate (DC) (TC#91555) are not entitled to the Uniform Allowance.

ARTICLE XIV - ANNUAL LEAVE (VACATION), SICK LEAVE AND OTHER AUTHORIZED LEAVES

Section 1. - Annual Leave

a. Annual Leave shall consist of vacation with pay and leaves due to personal business and shall be granted and be applied only to per annum Employees, and not to temporary officers as defined in Article I, Section 3 of this Agreement.

b. Annual Leave shall be granted annually for vacation purposes on a per annum basis for a period not to exceed four (4) weeks and one (1) day. (17 working days).

c. Leaves for personal business shall be granted annually on a per annum basis not to exceed four (4) days.

d. The annual leave allowance for employees hired on or after July 1, 1985 shall accrue as follows:

The annual leave allowance for Employees hired on or after July 1, 1985 shall accrue as follows:

Years In Service	Annual Leave Allowance	Monthly Accrual
At the beginning of the employee's 1st year per month	15 work days	1.25days
At the beginning of the employee's 5th year per month	17 work days	1.41days

Section 2. - Sick Leave

a. Sick Leave benefits shall be granted and be applicable only to per annum Employees and not to temporary officers as defined in Article I, Section 3 of this Agreement.

b. Sick Leave shall be allowed to be earned and accrued on the basis of one (1) day for each month of employment and shall be cumulative up to two hundred and forty (240) days.

c. Sick Leave may be expended by a Licensed Officer as and when earned and accrued, excluding temporary officers as defined in Article I, Section 3 of this Agreement.

d. Employees may use one (1) day per year from their accrued sick leave balance for the care of ill family members. Approval of such leave is discretionary with the agency and proof of disability must be provided by the employee satisfactory to the agency within five (5) days of the employee's return to work.

e. (1) A verifying statement from the Licensed Officer's doctor shall not be required by the employer for sick day claims of two (2) days or less.

(2) For claims of more than two (2) working days, the Licensed Officer must secure a verifying statement from his doctor to support his claim. This statement should be sent in as soon as possible after the period of absence is over.

(3) A verifying statement from the Licensed Officer's doctor may be required by the department where there is absence of more than one (1) working day in the case of chronic absenteeism. The agency may require a doctor's note for one (1) day of sick leave where there is a pattern of sick leave abuse, such as consistently taking off the first or last day of work. Prior to determining that there is a pattern of abuse, a meeting will be conducted between the union and management to discuss the findings. An employee shall be deemed to be in the category of chronic absenteeism if such employee falls within the criteria set forth in Final Warning (Step 3) of the City of New York - Attendance Policy (commonly referred to as the "City's Absence Control Plan") or any successor thereto, whether of City-wide or Department-wide nature. *The Administration - Time Element* provisions of the Attendance Policy or any successor thereto shall likewise be applicable.

Section 3. - Other Authorized Leaves

a. Time off with pay shall be granted to per annum Licensed Officers not to exceed three (3) work days in case of death in the immediate family. Immediate family shall be defined for this purpose as spouse, parent, (natural, foster, step), mother-in-law, father-in-law, child, brother or sister; or any relative residing in the household.

b. Two (2) hours of credit (at straight time), providing the employee actually works, shall be granted for purposes of voting on Regular General Election Day.

c. In the event that the Office of the Mayor issues an order to the various department heads that City employees be granted a day off or alternate days, the same policy shall be applied to the Licensed Officers.

ARTICLE XIV-A - ABSENCE DUE TO INJURY INCURRED IN THE PERFORMANCE OF OFFICIAL DUTIES*

Section 1.

a. An employee physically disabled in the performance of official duties who has accrued sick and/or annual leave may elect one of the following, in addition to the benefits to which the employee is entitled under the Worker's Compensation Law, such election to be made within the first seven calendar days of absence by the employee or someone on his or her behalf:

---

*The provisions of Article XIII-A through Article XIII-C shall apply only to per annum employees.

(1) To receive the difference between the amount of his or her weekly salary and the compensation rate, provided that:

(a) the injured employee or any authorized person acting on behalf of such employee makes the request in writing, and

(b) the injured employee or any authorized person acting on behalf of such employee agrees that a pro-rated charge be made against the sick leave and/or annual leave balances equal to the number of working days of absence less the number of working days represented by the Worker's Compensation payments, and

(c) the injured employee has the necessary accrued sick leave and/or annual leave balance against which the supplementary pay can be charged, and

(d) the injured employee was not guilty of willful gross disobedience of safety rules or willful failure to use a safety device, or was not under the influence of alcohol or narcotics at the time of injury or did not willfully intend to bring about injury or death upon himself or herself or another, and

(e) the injured employee undergoes such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employing agency, and when found fit for duty by said physicians, returns to employment.

2. To receive Worker's Compensation benefits in their entirety with no charge against sick leave and/or annual leave.

b. During the period when an injured employee is receiving Worker's Compensation and the differential to bring the employee to full pay, the employee will be carried on full-pay status and this time shall be counted for retirement benefits.

Section 2.
The agency head is empowered to grant a leave of absence with pay for the first week's absence of an employee covered by Worker's Compensation who is physically disabled in the performance of official duties.

INTERPRETATIONS

A. Agencies should use election forms (DP-2002), which are obtainable from the Stock Section (Room 433) of the Department of Personnel.

B. The election of an option, as provided for in this section, should be made within the first seven consecutive calendar days following absence, in order that an employee, who so elects, is assured of receiving full pay during the period of Worker's Compensation coverage. The agency head's authority to grant leave with full pay, without charge to leave balances pursuant to Section 2, does not extend beyond the first seven consecutive calendar days following absence.

C. Where an employee has been absent for an initial period of less than a week and an extended subsequent absence may possibly result from the same disability or condition, the employee must elect a rate of charge (on Form DP-2002) within seven calendar days of the first day of absence in order to receive full pay, even though the employee has already returned to work.

D. An employee who fails to elect a rate of charge within the prescribed period shall be deemed to have selected Option 2 and will receive the benefits of Worker's Compensation only.

E. Provisional and temporary incumbents in per annum positions are also covered under the Worker's Compensation Law.

Section 3.

a. Upon the determination by the head of an agency that an employee has been physically disabled because of an assault arising out of and in the course of the employee's employment, the agency head will grant the injured employee a leave of absence with pay not to exceed eighteen (18) months. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the head of the agency in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law.

For a permanent employee who has five (5) years or more of service who does not have sufficient leave credit to cover his/her absence pending a determination by the Worker's Compensation Division of the Law Department, the agency head shall advance the employee up to forty-five (45) calendar days of paid leave. In the event the Worker's Compensation Division of the Law Department does not accept the injury as compensable under the law or the Worker's Compensation Board determines that such injury is not compensable under such law, the employee shall reimburse the City for the paid leave advance.

An employee who is granted a leave of absence with pay pursuant to this Section shall receive the difference between the employee's weekly salary and the compensation rate without charge against annual leave or sick leave. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgement or settlement in any third-party action arising from such injury in the amount of the pay and medical disbursements received pursuant to this Section, but NOT to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employing agency, and when found fit for duty by the Worker's Compensation Board shall return to employment.

No benefits shall be paid while an employee is suspended pending disciplinary action, or if an employee is subsequently found culpable of having commenced the assault or unnecessarily continued the assault.

Benefits provided under this section shall be in addition to, but not concurrent with, benefits provided under Sections 1 and 2 hereof.

For employees who do not come under the provisions of Section 3(a) hereof but who are injured in the course of employment, upon the determination of an agency head that an employee has been physically disabled because of an injury arising out of and in the course of employment, through no fault of the employee, the agency head will grant the injured employee an extended sick leave with pay not to exceed three months after all the employee's sick leave and annual leave balances have been exhausted. This additional leave must be taken immediately following the exhaustion of such balances. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the agency head in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law.

An employee who is granted extended sick leave with pay pursuant to this section, shall receive the difference between the employee's weekly salary and the compensation rate for the period of time granted. The employee shall, as a condition of receiving benefits under this section, execute an assignment of the proceeds of any judgment or settlement in any third-party action arising from such injury, in the amount of the pay and medical disbursements received pursuant to this section, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by Worker's Compensation Division of the Law Department and the employing agency, and when found fit for duty by the Worker's Compensation Board shall return to employment. Benefits provided under this section shall be in addition to but not concurrent with benefits provided under Sections 1 and 2 hereof. The benefits provided by this section shall not be provided or continued beyond the date on which disability retirement benefits become effective.

INTERPRETATION

A. An "assignment" Form (DP-2010 obtainable from the Department of Personnel Stock Section, Room 433) must be executed in duplicate by the injured employee and submitted to the employing agency. The employing agency shall forward the duplicate copy to the Worker's Compensation Section of the Law Department, and retain the original.

Section 4.
This Article XIII-A reflects the provisions currently applicable to other City employees. If the provisions applicable to other City employees are modified, they shall be deemed to be incorporated herein and shall supersede any conflicting section herein.

ARTICLE XIV-B - HEALTH INSURANCE[5]

Section 1.
Retirees shall have the option of changing their previous choice of Health Plans. This option shall be:

a. a one time choice;
b. shall be exercised only after one year of retirement; and
c. can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three months after the month in which the application has been received by the New York City Health Insurance Program.

Effective with the reopener period for Health Insurance subsequent to January 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

ARTICLE XIV-C - INTEREST[6]

1. Interest on wage increases shall accrue at the rate of three percent (3%) per annum from one-hundred twenty (120) days after the execution of this agreement or one hundred twenty (120) days after the effective date of the increase, whichever is later, to the date of actual payment.

2. Interest on shift differentials, holiday and overtime pay shall accrue at the rate of three percent (3%) per annum from one hundred twenty (120) days following their earning, or one hundred twenty (120) days after the execution of this agreement, whichever is later, to the date of actual payment, and

3. Interest accrued under (1) or (2) above shall be payable only if the amount of interest due to an individual employee exceeds five dollars ($5.).

ARTICLE XV - OTHER JOB TERMS AND CONDITIONS

Section 1. - Payment, Resignation, Lay-offs or Leave of Absence
All per annum Licensed Officers who resign, are laid off or go on leave of absence (except those Employees who may die while in service or those whose services are terminated while charges are pending) shall be paid in cash for all work actually performed including overtime, and earned vacation, at their respective annual or daily rates of pay as the case may be.

Section 2 - Death Benefits-Unused Annual Leave and Compensatory Time
If an employee dies while in the City's employ, his beneficiary or if no beneficiary is designated, then his estate, shall receive payment in cash for the following:

a. all unused accrued annual leave to a maximum of fifty-four (54) days credit.

b. all unused accrued compensatory time earned subsequent to March 15, 1968 and retained pursuant to this Agreement, verifiable by official agency records, to a maximum of two hundred (200) hours.

Section 3. - Death Benefits
If an employee dies during the term of this Agreement because of an injury arising out of and in the course of his employment through no fault of his own, and in the proper performance of his duties, a payment of twenty-five thousand dollars ($25,000) will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the same beneficiary designated for the purposes of Section 2 of this Article, or if no beneficiary is so designated, payment shall be made to the employee's estate.

Section 4. - Terminal Leave
The Employer shall provide to employees covered by this Agreement terminal leave in accordance with existing rules governing the grant to terminal leave to other City employees, pursuant to and limited by the provisions for terminal leave as outlined in the *1990-92 City-wide Agreement* between the City of New York and District Council 37, A.F.S.C.M.E., AFL-CIO.

Section 5. - New Vessels
In the event that the Employer introduces newly designed vessels to the ferry or DC service, the Employer agrees to negotiate with the Union wages and working conditions with respect to such newly designed vessels. The foregoing is not to be construed as a reopening of this Agreement in any respect covering Licensed Officers employed on existing vessels.

Section 6. - Job Bidding
Per annum Licensed Officers shall have the right to bid for jobs on the basis of seniority. Such bid will be permanent for one year.

Changes may be made before the expiration of the year by mutual consent of the Licensed Officers, subject to prior approval by the Employer. Such approval shall not be unreasonably withheld.

Section 7. - Prohibited Work
No Licensed Officer will be required to clean the vessels.

Section 8. - Assignment of Overtime

a. There shall be established in each title of Licensed Officers covered by this Agreement a list of Officers in seniority order who have signified in writing to the Office of the Director of Ferries or the Office of the Director of Maintenance (DC) that they will be available for overtime work.

b. The assignment of overtime work in each title will be made from the established list on a rotating basis. When a Licensed Officer accepts or refuses overtime assignment in his turn, he rotates to the bottom of the list and will not be called again until all the officers in that title have either accepted or refused an assignment to work overtime at least once.

c. If it is impractical to fill an overtime assignment in any particular title in the above manner the job may be assigned to another qualified employee of the agency to be selected at the sole discretion of the agency head.

ARTICLE XVI - GRIEVANCE AND ARBITRATION

Section 1. - Definition:
The term *grievance* shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting the terms and conditions of employment; provided, disputes involving the Rules and Regulations of the New York City Personnel Director shall not be subject to the Grievance Procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open competitive rather than a promotional examination; and

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75 (1) of the Civil Service Law upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in his permanent title or which affects the employee's permanent status.

Section 2.
The Grievance Procedure, except for paragraphs d. and e. of Section 1, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within (30) days of the assignment to alleged out-of-title work.

Step I. - The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head not later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

Step II. - An appeal from an unsatisfactory determination at Step I shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in Step I. The appeal must be made within five (5) working days of the receipt of the Step I determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

Step III. - An appeal from an unsatisfactory determination at Step II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations, in writing, within ten (10) working days of the receipt of the Step II determination. The grievant or the

Union should submit copies of the Step I and Step II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from Step II determinations and shall answer such appeals within fifteen (15) working days following the date on which the appeal was filed.

Step IV. - An appeal from an unsatisfactory determination at Step III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) working days of receipt of the Step III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accord with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any), shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accord with Article 75 of the Civil Practice Law and Rules. An arbitrator may provide for and direct such relief as the arbitrator deems shall be necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.
As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of Office of Collective Bargaining a written waiver of the right, if any, of the employee or employees and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.
In any case involving a grievance under Section 1e. of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

Step A. - Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at Step I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in Step A. above, the employee may choose to accept such decision as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law.

Step B(i). - If the employee is not satisfied with the decision at Step A. above, then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law. As an alternative, the Union with the consent of the employee may choose to proceed in accord with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to Step IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure, the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law, or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

Step B (ii) - If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of Step A. above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) working days of the receipt of the decision. The agency head or representative shall meet with the employee and the Union for review of the grievance and shall issue a written reply to the employee and the Union by the end of the tenth working day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totalling more than thirty (30) days, the Union with the consent of the grievant may elect to skip Step C of the Section and proceed directly to Step D.

Step C. - If the grievant is not satisfied with the determination of the agency head or designated representative, the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) working days.

Step D. - If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in Step IV of the Grievance Procedure set forth in this Agreement.

Section 5.
Any grievance concerning a large number of employees which concerns the claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of the Agreement may be filed directly at Step III of the Grievance Procedure. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 6.
If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at Step III of the Grievance Procedure; of if a satisfactory Step III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at Step IV of the Grievance Procedure.

Section 7.
If the employer exceeds any time limit prescribed at any Step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except, however, that only the Union may invoke impartial arbitration under Step IV.

Section 8.
The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 9.
Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.
a. Any grievance relating to a claimed improper holding of any open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within fifteen (15) days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 11.
A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) working days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or his designee, shall review all such appeals and answer all such appeals within fifteen (15) working days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 12.
The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 13. Expedited Arbitration Procedure.
a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 13 and notify the parties of proposed hearing dates for such cases.
(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE XVII - UNION REPRESENTATIVE - UNION ACTIVITY

Section 1.
Upon request, which shall not be unreasonably denied, and upon showing proper identification to the Employer's representatives, Union representatives shall have the right to go on the property and vessels of the Employer for the purpose of consulting with the Licensed Officers or the Employer or Agents of the Employer. Such visits shall be made at reasonable times and in no way interfere with the operation, loading or discharging of the Employer's vessels.

Section 2.
The Union will maintain and furnish the Employer a copy of an insurance policy which will protect the Employer against any claim for loss of life or injury occurring to a representative of the Union while on the property or a vessel of the Employer.

Section 3.
Time spent by Union officials and representatives in the conduct of labor relations shall be governed by the provisions of Mayor's Executive Order No. 75 dated March 22, 1973 as amended or superseded by subsequent Executive Orders. No Licensed Officers shall otherwise engage in union activities during the time he is assigned to his regular duties.

Section 4.
There shall be no union activity on Employer time other than that which is specifically permitted by the terms of this Agreement.

ARTICLE XVIII - LABOR MANAGEMENT COMMITTEE

Section 1.
The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty employees covered by this Agreement.

Section 2.
Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.
Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairperson of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.
The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of a committee.

ARTICLE XIX - BULLETIN BOARDS

The Union may maintain bulletin boards in places and locations where notices are usually posted by the Employer for the Licensed Officers to read. Such bulletin boards shall be used only for the purpose of notifying Licensed Officers in the Unit of matters pertaining to Union business. All notices shall be on Union stationery.

ARTICLE XX - NO STRIKES: NO LOCKOUT

Section 1.
Neither the Union nor any Licensed Officer covered by this Agreement shall induce or engage in any strikes, slowdowns, work stoppages, or mass absenteeism, nor shall the Union induce any mass resignation during the term of this Agreement.

Section 2.
The Employer shall not lock out any Licensed Officers covered by this Agreement.

Section 3.
The foregoing Sections "1" and "2" shall not be construed to limit the rights of the Employer or the duties of the Employees and the Union under State Law.

ARTICLE XXI - APPLICATION OF AGREEMENT

It is specifically understood and agreed that the terms and provisions of this Agreement and the benefits granted hereunder shall be applicable to each Employee in the Unit described in Section 1, Article I of this contract as of October 1, 1991, the effective date of this Agreement, provided, however, the Union executes the following instruments and the provisions of such instruments are complied with:

a. A waiver of any rights such Licensed Officer may have under Section 220 of the Labor Law in a form and manner approved by the Corporation Counsel's office for such purposes (see Appendix "A") and;

b. A Release to the City of New York in the form now used by the Employer for such purpose (see Appendix "A").

ARTICLE XXII - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. - Performance Levels
a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures may be used to determine acceptable performance levels, prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. - Supervisory Responsibility
a. The Union recognized the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1 of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE XXIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York, as amended.

ARTICLE XXIV - APPENDICES

The Appendix of Appendices attached hereto and initialled by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XXV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the invalidity and enforceability of the remaining provisions of this Agreement.

WHEREFORE, we have hereunto set our hands and seals this day of [illegible]

GENERAL RELEASE AND WAIVER

District No. 1-Pacific Coast District, MEBA, AFL-CIO bargaining representative of employees in the titles, Captain, Chief Marine Engineer, Marine Engineer, Assistant Captain, Chief Marine Engineer(DC), Marine Engineer(DC), Mate and Mate(DC) for and in consideration of the wage rates and supplemental benefit package negotiated and agreed upon by the Union and the City of New York as set forth in a collective bargaining agreement for the period beginning January 1, 1995 and terminating December 31, 1999, a copy of which has been made available to the Union, hereby voluntarily and knowingly agrees to:

1. Waive, withdraw, relinquish, and refrain from filing pursuing or instituting any claim for wages, supplements or other benefits, or any right, remedy, action or proceeding, which the Union has or may have under Section 220 of the Labor Law.

2. Discontinue any and all action or proceedings, if any, heretofore commenced by the Union on behalf of the above mentioned titles under and pursuant to Section 220 of the Labor Law applicable to the period 1/1/95 to 12/31/99.

3. Waive any and all interest on all differentials of basic rates of wages and supplemental benefits from 1/1/95 to 12/31/99 except as expressly agreed upon in writing by the Union and the City. It is expressly understood that such waiver shall include the waiver of any right to interest payments pursuant to subdivision 8c of Section 220 of the Labor Law (L. 1967, c., 502, Section 1).

4. Release and forever discharge the City of New York from all manner of actions, cause and causes of actions, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims and demands whatsoever in law or in equity which the Union, on behalf of employees in the above titles, shall or may have, by reason of any claim for wages or supplemental benefits pursuant to Section 220 of the Labor Law from January 1, 1995 to December 31, 1999 except as expressly agreed upon in writing by the Union and the City for that period.

	4/1/98			$2.82	$4.14
	3/1/99			$2.96	$4.34
Chief Marine Engineer	1/1/95				$1.24
	1/1/97				$1.28
	4/1/98				$1.32
	3/1/99				$1.38

NOTES:

A) The schedule set forth directly hereinabove (paragraph 2 (a) (b)) is applicable only when an employee works more than 30 hours per week in any one higher title on his regularly assigned tours. If a person works in more than one higher title during the week on such tours, use rates set forth in (1) above for all differentials payable for such tours.

B) For purposes only of determining when the rates for the thirty-first and thirty-second hour of work per week in one higher title are to be paid, tours from which an employee is excused by reason of the holiday provisions of the respective agreement are to be counted as time worked in the first 30 hours per week.

(3) Daily Differentials for Holidays not worked that falls in a pay period, provided the employees work in the higher category for all assigned shifts during the pay period.*

(a) Hiring Rate

	Effective	Assistant Captain	Marine Engineer	Chief Marine Engineer	Captain
Mate	1/1/95	$14.88	$18.40	$31.60	$37.76
	1/1/97	$15.28	$18.96	$32.56	$38.88
	4/1/98	$15.76	$19.52	$33.52	$40.08
	3/1/99	$16.56	$20.48	$35.12	$42.00
Assistant Captain	1/1/95		$3.52	$16.72	$22.88
	1/1/97		$3.68	$17.28	$23.60
	4/1/98		$3.76	$17.76	$24.32
	3/1/99		$3.92	$18.56	$25.44
Marine Engineer	1/1/95			$13.20	$19.36
	1/1/97			$13.60	$19.92

Assistant Buyer, *et al.*
1995-1999 Agreement

AGREEMENT entered into this 7th day of April, 1998, by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf and the New York City Health and Hospitals Corporation (hereinafter referred to jointly as "the Employer"), and Local 300, SEIU, AFL-CIO (hereinafter referred to as "the Union"), for the sixty month period from January 1, 1995 to December 31, 1999.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I -- UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

UNIT A

80935, 809350	Elevator Starter
82016	Senior Custodial Assistant [1]
90749	Window Cleaner
00442, 004420	Window Washer (Health Care Facilities)

UNIT B

12120, 963400	Assistant Purchasing Agent
71141	Associate Fingerprint Technician
34190, 34197	Associate Quality Assurance Specialist
70502	Associate Special Officer (Aqueduct Patrol)

12176	Senior Salvage Appraiser
30410	Senior Satisfaction Clerk
70501	Special Officer (Aqueduct Patrol)
40820	Supervising Auditor of Accounts
92170	Supervising Bookbinder

* For present incumbents only.
**Board of Certification Decision No. 7-95, dated May 17, 1995.

Section 2.

The terms "employee" and "employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II -- DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III -- SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of varying hours of duration as indicated in Section 1.c. of this Article. An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate: 1/261 of the appropriate minimum basic salary.

Hourly Rate: 40 hour week basis -- 1/2088 of the appropriate minimum basic salary.

Hourly Rate: 37-1/2 hour week basis -- 1/1957.5 of the appropriate minimum basic salary.

Hourly Rate: 35 hour week basis -- 1/1827 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

Section 2.

Employees in the following title(s) shall be subject to the following specified salary(ies), salary adjustment(s), and/or salary range(s):

a. Effective January 1, 1995

* Article III, Section 4 (New Hires)

' For present incumbents only.

² Candidates with only a High School Diploma will receive the minimum for the first year of a two-year trainee period. Those with an Associate Degree or a High School diploma and one year of appropriate experience will receive the maximum and serve a one-year trainee period.

Section 3. General Wage Increase

a. i. Effective January 1, 1997, employees shall receive a general increase of 3 percent.

ii. Effective April 1, 1998, employees shall receive a general increase of 3 percent.

iii. Effective March 1, 1999, employees shall receive a general increase of 4.75 percent.

iv. Part-time per annum, per session, hourly paid and per diem employees (including seasonal appointees) and Employees whose normal work year is less than a full calendar year shall receive the increases provided in Sections 3(a)(i) 3(a)(ii) and 3(a)(iii) on the basis of computations heretofore utilized by the parties for all such Employees.

b. The increases provided for in Section 3(a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (which shall only include salary or incremental salary schedules) of the applicable titles in effect on December 31, 1996.

ii. The general increase in Section 3(a)(ii) shall be based upon the base rates (which shall only include salary or incremental salary schedules) of the applicable titles in effect on March 31, 1998.

iii. The general increase in Section 3(a)(iii) shall be based upon the base rates (which shall only include salary or incremental salary schedules) of the applicable titles in effect on February 28, 1999.

c. i. The general increases provided for in this Section 3 shall be applied to the base rates, incremental salary levels and the minimum "hiring rates", minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The application of the general increases provided for in this Section 3 to "additions to gross" shall be subject to the terms and conditions set forth in Sections 4(d)(i) and 4(d)(ii) of the MCMEA.

Section 4. New Hires

a. For the purposes of Sections 4(c) and 4(d), employees who were in active pay status before January 1, 1995, who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum incumbent salary rate set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning the application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Section 4(b)(iv) of the 1991-94 *Assistant Buyers, et al.* Agreement, shall be paid at the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in subsection 2(a)(i)(2) of this Article III.

c. The appointment rate for any employee newly hired to a title covered by this Agreement between January 1, 1995 and July 14, 1996, shall be the applicable "minimum hiring rate" set forth in subsections 2(a)(i)(1), 2(b)(i)(1), 2(c)(i)(1) and 2(d)(i)(1) of this Article III. Upon completion of one year of service, such employee shall be paid the indicated "minimum incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III.

d. i. The appointment rate for any employee newly hired to a title covered by this Agreement after July 14, 1996, shall be the applicable "minimum hiring rate" set forth in subsections 2(a)(i)(1), 2(b)(i)(1), 2(c)(i)(1) and 2(d)(i)(1) of this Article III. Upon completion of two (2) years of active or qualified inactive service, such employee shall be paid the indicated minimum "incumbent rate" for such title that is in effect on the two year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III.

ii. For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(b)(i) of this Article III.

iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union, exempt certain hard to recruit titles from the provisions of subsections 4(c) and 4(d).

f. Upon completion of four (4) years of active or qualified inactive service, an employee appointed pursuant to the provisions set forth in Section 4(b) shall receive a one-time lump sum payment calculated by taking the difference between the "minimum hiring rate" received by the employee and indicated "minimum incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the employee been paid at the higher "minimum" salary rate and the annual salary rate the employee actually earned during the employee's second year of service.

i. The intent of this Section 4(f) is to treat the employee as if the employee had moved to the higher "minimum" salary rate after one year of service rather than after two years. Only the difference between the applicable "minimum" and "hiring rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.

ii. All overtime, night shift differential, or other percentage based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.

iii. For a title subject to an incremental pay plan, the one-time lump sum payment shall be calculated by taking the difference between the "hiring rate" increment(s) received by the employee and the "incumbent rate" increment(s) that was in effect on the one year anniversary of the employee's original date of appointment to their title. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c) of this Article III. In the case where there are increments payable between the employee's first and second anniversaries, the lump sum will be prorated to reflect such increments.

iv. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

g. For the purposes of Sections 4(d) and 4(f), "qualified inactive service" is defined to include the following employees:

i. those who are on preferred or recall lists; or

ii. those who are on the following unpaid approved leaves:

(1) maternity/childcare leave;

(2) unpaid military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay.

Section 5.

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 6.

In the case of an employee on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with Title 59, Appendix A of the Rules of the City of New York (City Personnel Director Rules) or, where the City Personnel Director Rules are not applicable to a public employer, such other Rules or Regulations as are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted, shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

ADVANCEMENT INCREASES

Title	Effective Jan. 1, 1995	Effective Jan. 1, 1997	Effective April 1, 1998	Effective March 1, 1999

Section 8. Assignment Differential

An assignment differential in the pro-rated annual amount as specified below shall continue to be paid to the Principal Mortuary Technician duly assigned as in charge of the Office of the Chief Medical Examiner and to each Laboratory Helper (Competitive) who is regularly assigned to the performance of tasks in connection with complex animal autopsies including work on rabid animals during the period for which any such differential is provided. The payment of such differential shall continue only during the period of such assignment. The payment of such differential and any specified assignment on which it may be based shall not be construed as an advancement to any higher title and any such assignment is revocable at any time. In the event that an affected employee is removed from such assignment the assignment differential shall be discontinued:

Title	Effective Jan. 1, 1995	Effective Jan. 1, 1997	Effective April 1, 1998	Effective March 1, 1999
PRINCIPAL MORTUARY TECHNICIAN IN CHARGE OF OCME	$450	$464	$478	$501

ELEVATOR STARTER (DCAS, DSS)	$118	$122	$126	$132

Section 10. Assignment Level Increase

An employee assigned to a higher assignment level shall receive as of the effective date of such assignment either the appointment rate for the assigned level or the rate received in the former level plus the specified amount listed below, whichever is greater:

Title	Effective Jan. 1, 1995	Effective Jan. 1, 1997	Effective April 1, 1998	Effective March 1, 1999
ASSOC. SPEC. OFFICER (AP) LEVEL II	$753	$776	$799	$837
LABORATORY HELPER LEVEL II	$646	$665	$685	$718
PURCHASING AGENT LEVEL II	$825	$850	$876	$918
LEVEL III	$969	$998	$1,028	$1,077
QUALITY ASSURANCE SPEC. LEVEL II	$897	$924	$952	$997

Section 11. Longevity Increment

a. Employees in Unit A with 15 years or more of "City" service in pay status who are not in a title already eligible for a longevity differential or service increment established by the Salary Review or Equity Panel shall receive a longevity increment of $500 per annum.

b. Employees in Unit B with 15 years or more of "City" service in pay status who are not in a title already eligible for a longevity differential or service increment established by the Salary Review or Equity Panel shall receive a longevity increment of $300 per annum.

c. The rules for eligibility for the longevity increment described in subsections a. and b. are set forth in Appendix A to this Agreement and are incorporated by reference herein.

Section 12. Annuity Fund

a. Effective March 1, 1999, the parties agree to establish an annuity fund for all employees covered by this Agreement.

b. DEFINITIONS:

covered title: A title that is covered by this Agreement for whom the certified bargaining agent has executed a written election to be covered by the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA.

non-covered title: A title that is covered by a unit agreement whose certified bargaining agent has waived the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA and has elected to utilize the funding to provide alternative benefits in lieu of the annuity fund.

scheduled days off: An employee's regular days off ("RDOs"). For example, Saturday and Sunday would be the scheduled days off for a full-time per annum employee working a Monday through Friday schedule.

c. One-Time Lump Sum Payment

i. To be eligible for said annuity fund payment, an employee must meet all of the following criteria:

(1) An employee must be serving in a title covered by this Agreement on March 1, 1999. Any employee who is not serving in a title covered by this Agreement on March 1, 1999, shall be ineligible for any annuity fund benefit or pro rata share thereof, regardless of prior service in a covered title. However, an employee serving in a covered title on March 1, 1999, shall have any service in either a covered or non-covered title during the qualifying period set forth in Section 12(c)(i)(3) deemed qualifying service.

(2) An employee must be in active pay status on March 1, 1999.

(3) An employee must have been in active pay status in either a covered or non-covered title during all or part of the period March 1, 1996 through February 28, 1997 (the "qualifying period").

ii. Contributions on behalf of covered employees shall be remitted by the employer to a mutually agreed upon annuity fund no later than July 1, 1999, subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

(1) The employer shall pay into the fund on behalf of covered full-time per annum and full time per diem employees a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

(2) For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two (2) dollars for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of $522 per annum.

(3) For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $522 per annum.

(4) For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

(5) The eligibility for payments set forth in this Section 12 (c) shall be based on working days between March 1, 1996 and February 28, 1997.

iii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning issues related to the implementation of this Section 12(c). Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in the 1995 MCMEA or in Article VI of this Agreement.

d. **Regular Contributions**

Effective December 1, 1999, contributions on behalf of covered employees shall be remitted by the Employer to the aforementioned mutually agreed upon annuity fund subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

i. The employer shall pay into the fund on behalf of covered full-time per annum and full-time per diem employees a daily amount of two dollars and fifty-one cents ($2.51) for each paid working day up to a maximum of six hundred fifty-five dollars ($655) per annum.

ii. For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two dollars and fifty-one cents ($2.51) for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of six hundred fifty-five dollars ($655) per annum.

iii. For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two dollars and fifty-one cents ($2.51) calculated against the number of hours associated with their full-time equivalent title, up to a maximum of six hundred fifty-five dollars ($655) per annum.

iv. For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two dollars and fifty-one cents ($2.51) for each paid working day, up to a maximum of six hundred fifty-five dollars ($655) per annum.

e. For the purpose of Sections 12(c) and (d), excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime. "All days in non-pay status" as used in this Section 12(e) shall be defined as including, but not limited to, the following:

i. time on preferred or recall lists;

ii. time on the following approved unpaid leaves:

(1) maternity/child care leave;

(2) military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay;

iii. time while on absence without leave;

iv. time while on unapproved leave without pay; or

v. time while on unpaid suspensions.

ARTICLE IV – WELFARE FUND

Section 1.

a. In accordance with the election by the Union pursuant to the provisions of Article XIII of the 1990-92 Citywide Agreement as amended between the City of New York and related public employers, or its successor Agreement(s), the Welfare Fund provisions of that Citywide Agreement as amended or any successor(s) thereto shall apply to employees covered by this Agreement.

b. When an election is made by the Union pursuant to the provisions of Article XIII, Section lb, of the 1990-92 Citywide Agreement as amended between the City of New York and related public employers or any successor(s) thereto, the provisions of Article XIII, Section lb of the Citywide Agreement as amended or any successor(s) thereto, shall apply to employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section lb of the Citywide Agreement as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Contributions remitted to the Union pursuant to this Section 1 and Article XIII of the Citywide Agreement are contingent upon a signed separate trusted fund agreement between the Employer and the Union.

Section 2.

The Union agrees to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

ARTICLE V – PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. Supervisory Responsibility

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE VI – GRIEVANCE PROCEDURE

Section 1. Definition

The term "Grievance" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving Title 59, Appendix A of the Rules of the City of New York (City Personnel Director Rules) or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. Failure to serve written charges as required by Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation upon a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation where any of the penalties (including a fine) set forth in Section 75(3) of the Civil Service Law have been imposed.

g. A claimed wrongful disciplinary action taken against a provisional employee who has served for two years in the same or similar title or related occupational group in the same agency.

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1.d., 1.e., and 1.g. of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1c, no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in Step I below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

Step I The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

NOTE: *The following STEP Ia shall be applicable only to the Health and Hospitals Corporation in the case of grievances arising under Sections 1.a. through 1.c. and 1.f. of this Article and shall be applied prior to Step II of this Section:*

STEP I(a) An appeal from an unsatisfactory determination at Step I shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the Step I determination. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

STEP II An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

a. Any grievance under Section 1.d. relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 5. Disciplinary Procedure for Permanent Competitive Employees

In any case involving a grievance under Section 1.e. of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i)

If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii)

If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totalling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6. Disciplinary Procedure for Provisional Employees

In any case involving a grievance under Section 1(g) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totalling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 7.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 8.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 9.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 10.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 11.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 12.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 13.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 14. Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not be limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. When the parties agree to submit a case to expedited arbitration, the following procedure shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

ii. CONDUCT OF HEARINGS

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended

to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII – BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE VIII – NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX – CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement. Employees in Rule X titles shall receive the benefits of the Citywide Agreement unless otherwise specifically excluded herein.

ARTICLE X – UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its employees and on Union Activity" or any other applicable Executive Order.

ARTICLE XI – LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty (50) employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XII – CAREER DEVELOPMENT

A joint Career Development Committee composed of representatives of the Office of Management and Budget, The Office of Labor Relations, the Department of Personnel, the Health and Hospitals Corporation and the Union shall be established. Said committee shall meet to study problems related to career development and training, and retention of personnel. These issues can be discussed in the Labor Management Committee provided in Article XI.

Where deemed necessary, said committees may make recommendations to the appropriate City officials.

ARTICLE XIII – FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIV – APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XV – SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

WHEREFORE, we have hereunto set our hands and seals this day of , 1998.

BY: JEFFREY D. FRIEDLANDER
Acting Corporation Counsel

CERTIFIED TO THE FINANCIAL CONTROL BOARD

NO: 97012 DATE: APR 07 1998

DATE:

UNIT: Assistant Buyer, *et al.*

TERM: January 1, 1995, to December 31, 1999

Appendix A to 1995-99 Local 300, SEIU Agreement
Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees in Unit A and Unit B, respectively, for the longevity increments provided for in Article III, Section 11, of the 1995-99 Local 300, SEIU Agreement:

1. Only service in pay status shall be used calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in the paragraph 2 above:

   a. time on a leave approved by the proper authority which is consistent with the rules and regulations of the Personnel Director or the appropriate personnel authority of a covered organization;

   b. time prior to a reinstatement;

   c. time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision;

   d. time not in pay status of 31 days or less.

   Notwithstanding the above, such time as specified in subsection a, b and c above shall not be used to calculate the 15 years of service.

4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500-Unit A/$300-Unit B longevity increment, the $500-Unit A/$300-Unit B shall go into the employee's base rate for all purposes except as provided in paragraph 5 below.

5. The $500-Unit A/$300-Unit B longevity increment shall not become pensionable until 15 months after the Employee becomes eligible to receive such payment.

1995-2000 Supervisor of Mechanics (M.E.) et al. Agreement

AGREEMENT entered into this day of , by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf (hereinafter referred to jointly as the "Employer"), and Local 621, Service Employees International Union, AFL-CIO (hereinafter referred to as the "Union"), for the five year period from January 1, 1995 to December 31, 1999 for all titles listed below in Article I Section 1 except for the Deputy Director of Motor Equipment Maintenance (Sanitation) where the five period from August 19, 1995 to August 18, 2000 shall apply.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.
The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

Supervisor Auto Mechanic
Supervisor Auto Machinist
Supervisor Machinist
Supervisor of Mechanics (Motor Vehicles)
Supervisor of Mechanics (Mechanical Equipment)
Supervisor of Iron Worx
Deputy Director of Motor Equipment Maintenance (Sanitation).

Section 2.
The terms "employee" and "employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article except that Articles VII and VIII shall not apply to employees assigned as Assistant Supervising Supervisor or Supervising Supervisor and paid in accordance with Comptroller's Determinations for such titles. Further, employees serving in the title of Deputy Director of Motor Equipment Maintenance shall be excluded from the aforementioned Articles VII and VIII.

ARTICLE II - DUES CHECKOFF

Section 1.
a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.
The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - UNION ACTIVITY

Section 1.
Time spent by Union officials and representatives in the conduct of labor relations shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its employees and on Union Activity" or any other applicable Executive Order. No employee shall otherwise engage in Union activities while assigned to regular duties.

Section 2.
The Employer agrees not to discriminate in any way against any employee for Union activity, but such activity shall not be carried on during working hours or in working areas.

Section 3.
The Union shall be entitled to designate one (1) shop steward for each Agency except in the case of the Department of Sanitation where the Union shall be entitled to designate one (1) shop steward for each borough of New York City.

Section 4.
The Union shall certify in writing to the Employer the names of its stewards and any changes in personnel serving in that capacity. No shop stewards may leave their regularly assigned work locations in order to investigate a grievance without first obtaining the approval of their supervisor.

Section 5.
There shall be no Union activity on Employer time other than that which is specifically permitted by the terms of this Agreement.

ARTICLE IV - WAGES AND SUPPLEMENTS

Section 1.
With the exception of those employees in the titles Supervisor of Iron Work and Deputy Director of Motor Equipment Maintenance (Sanitation) the wages and other supplements applicable to employees covered by this Agreement shall be in accordance with the respective Determinations of the Comptroller, subject to the terms and conditions thereof.

Section 2.
a. Except as indicated in Section 1 above, the provisions of this Article shall apply only to employees in the title Supervisor of Iron Work for the period January 1, 1995 to December 31, 1999, and to employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) for the period August 19, 1995 to August 18, 2000.

b. This Article IV is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

c. Unless otherwise specified, all salary provisions of this Agreement, including general increases and any other salary adjustments, are based upon a normal work week of 40 hours. An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

d. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

   Per diem rate - 1/261 of the appropriate minimum basic salary.

   Hourly Rate - 40 hour week basis - 1/2088 of the appropriate minimum basic salary.

Section 3.
Employees in the title Supervisor of Ironwork shall be subject to the following salaries during the term of this agreement:

Effective Date	(a) Hiring Rate	(b) Incumbent Rate
January 1, 1995	$62,961	$67,941
January 1, 1997	$64,869	$70,000
April 1, 1998	$66,835	$72,121
March 1, 1999	$70,036	$75,576
December 1, 1999	$70,995	$76,611

Section 4. New Hires.
This Section refers to employees in the title Supervisor of Ironwork.

a. For the purposes of Sections 4(c) and 4(d), employees 1) who were in active pay status before January 1, 1995, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated "incumbent rate" set forth in Section 3(b):

   i. Employees who return to active status from an approved leave of absence.
   ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.
   iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.
   iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.
   v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.
   vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.
   vii. A provisional employee who is appointed directly from one provisional appointment to another.
   viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article V of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Article IV Section 3a. of the 1991-1994 Local 621 Agreement shall be paid at the applicable "hiring rate" set forth in Section 3(a). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in Section 3(b).

c. The appointment rate for any employee newly hired to a title covered by this Agreement between January 1, 1995 and July 14, 1996, shall be the applicable "hiring rate" set forth in Section 3(a). Upon completion of one year of service, such employee shall be paid the indicated "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in Section 3(b).

d. i. The appointment rate for any employee newly hired to a title covered by this Agreement after July 14, 1996, shall be the applicable "hiring rate" set forth in Section 3(a). Upon completion of two (2) years of active or qualified inactive service, such employee shall be paid the indicated "incumbent rate" for such title that is in effect on the two year anniversary of the employee's original date of appointment as set forth in Section 3(b).
   ii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsections 4(c) and 4(d).

f. Upon completion of four (4) years of active or qualified inactive service, an employee appointed pursuant to the provisions set forth in subsection 4(d) shall receive a one-time lump sum payment calculated by taking the difference between the "hiring rate" received by the employee and the indicated "incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in Section 3(b)). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the employee been paid at the higher

"incumbent" salary rate and the annual salary rate the employee actually earned during the employee's second year of service.

i. The intent of this Section 4(f) is to treat the employee as if the employee had moved to the higher "incumbent rate" after one year of service rather than after two years. Only the difference between the applicable "hiring rate" and the "incumbent rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.

ii. All overtime, night shift differential, or other percentage based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.

iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

g. For the purposes of Sections 4(d) and 4(f), "qualified inactive service" is defined to include the following employees:

i. those who are on preferred or recall lists; or

ii. those who are on the following unpaid approved leaves:

a. maternity/child care leave;
b. unpaid military leave;
c. unpaid time while on jury duty;
d. unpaid leave for union business pursuant to Executive Order 75;
e. unpaid leave pending workers' compensation determination;
f. unpaid leave while on workers' compensation option 2;
g. approved unpaid time off due to illness or exhaustion of paid sick leave;
h. approved unpaid time off due to family illness; and
i. other pre-approved leaves without pay.

Section 5.
Employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) shall be subject to the following salary ranges during the term of this agreement:

Effective Date	Minimum	Maximum
August 19, 1995	$83,023	$89,333
September 15, 1997	$85,539	$92,040
November 19, 1998	$88,131	$94,829
October 19, 1999	$92,352	$99,371
July 19, 2000	$93,617	$100,732

Section 6.- General Wage Increase:

a. (i) Effective September 15, 1997, Employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) shall receive a rate increase of 3.03%.

(ii) Effective November 19, 1998, Employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) shall receive an additional rate increase of 3.03%.

(iii) Effective October 19, 1999, Employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) shall receive an additional rate increase of 4.79%.

(iv) Effective July 19, 2000, Employees in the title Deputy Director of Motor Equipment Maintenance (Sanitation) shall receive an additional rate increase of 1.37%.

b. The increases provided for in this Section 6 shall be calculated as follows:

(i) The increase in Section 6a (i) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on September 14, 1997; and

(ii) The rate increase in Section 6a (ii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on November 18, 1998.

(iii) The rate increase in Section 6a (iii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on October 18, 1999.

(iv) The rate increase in Section 6a (iv) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on July 18, 2000.

(v) Part-time per annum, per session, hourly and per diem employees (including seasonal appointees) and employees whose normal work year is less than a full calendar year shall receive the increases provided in Section 6a(i), (ii), (iii) and (iv) on the basis of computations heretofore utilized by the parties for all such employees.

Section 7.
In the case of an employee in the title of Supervisor of Iron Work or Deputy Director of Motor Equipment Maintenance (Sanitation) on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in this Article IV.

Section 8.
(a) In accordance with the election by the Union pursuant to the provisions of Article XIII of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, or its successor Agreement(s), the Welfare Fund provisions of that *Citywide Agreement* as amended or any successor(s) thereto shall apply to employees in the title Supervisor of Iron Work or Deputy Director of Motor Equipment Maintenance (Sanitation).

(b) When an election is made by the Union pursuant to the provisions of Article XIII, Section 1b, of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, or any successor(s) thereto, the provisions of Article XIII, Section 1b of the *Citywide Agreement* as amended or any successor(s) thereto, shall apply to employees in the title Supervisor of Iron Work or Deputy Director of Motor Equipment Maintenance (Sanitation), and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section 1b of the *Citywide Agreement* as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

ARTICLE V - GRIEVANCE PROCEDURE

Section 1. - Definition:
The term "*Grievance*" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement, any supplement thereto, or of a Comptroller's Determination, or wage or other agreement in lieu thereof, applicable to titles covered by this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Rules and Regulations of the New York City Personnel Director or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

Section 2.
The Grievance Procedure, except for grievances as defined in Section 1d of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.
All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1c, no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.

Step I - The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

NOTE: The following STEP I(a) shall applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1d and 1c of this article and shall be applied prior to Step II of that Section:

STEP I(a) - An appeal from an unsatisfactory determination at Step I shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the Step I determination. A copy of the grievance appeal shall be sent to the person who initially passed upon the grievance. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

STEP II - An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III - An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV - An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer. The determination or award of the arbitrator shall be final and binding in accord with applicable law and shall not add to, subtract from or modify any contract, rule, regulation, written policy or order mentioned in Section 1 of this Article.

Section 3.
As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.
In any case involving a grievance under Section 1d of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A - Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i) - If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) - If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C - If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D - If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 5.
A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure. All other individual grievances in process concerning the same issue shall be consolidated with the "*group*" grievance.

Section 6.
If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 7.
If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 8.
The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 9.
Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.
A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 11.
The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 12. Expedited Arbitration Procedure.

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 12 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VI - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE VII - TRANSFERS

Section 1.
The term *transfer* shall mean (i) the shifting of an employee to a position in charge of a division or shop, or (ii) the shifting of an employee from one work location to another without any significant change in the duties and responsibilities of the employee's civil service title.

Section 2.
The initial assignment of a newly appointed employee after an initial period of training to an existing or newly created position shall not constitute a transfer, except where the existing or newly created position is in charge of a department or shop.

Section 3.
A shifting of an employee to a position in which the said employee assumes the duties and responsibilities of a transferred employee shall not constitute a transfer, except where the vacant position is in charge of a department or shop.

Section 4.
For the purposes of this Article, the term *work location* shall mean a geographic area consisting of a garage, a group of garages, or a central repair shop.

Section 5.
With the exception of temporary transfers, voluntary transfers from one work location to another within an agency shall be made on the basis of greatest seniority in title in such agency from among employees who, in the judgement of the Employer, are otherwise equally qualified for the particular job opening.

Among the items to be assessed by the Employer to determine the qualifications of employees seeking transfers are the individual employee's abilities, performance, rate of absenteeism, general health and capabilities and disciplinary record.

Section 6.
With the exception of temporary transfers, involuntary transfers from one work location to another within an agency shall be made on the basis of least seniority in title in such agency from among employees who, in the judgement of the Employer, are otherwise equally qualified.

Section 7.
There shall be a six (6) month probationary period for all persons transferred. At or before the end of said probationary period, an employee who has been transferred may be returned to the work location from which transferred if, in the judgement of the Employer, said transferred employee's abilities, performance, rate of absenteeism, general health and capacities and disciplinary record in such new position warrant such return.

Section 8.
Temporary transfers are transfers which are limited to ninety (90) calendar days.

Section 9.
When possible, all vacancies that the Employer has decided to fill by permanent transfer shall be posted on a department bulletin board as far in advance of the date the transfer is to be effective as is practicable; however, the Employer need not post a job opening more than a month in advance. This section applies to job openings to be filled either on a voluntary or involuntary basis.

Section 10.
Any employee who voluntarily transfers to another location shall remain in that location for a period of not less than one year. No transfer requests shall be accepted from any employee so transferred within one year preceding the date of request. When an employee has been selected for a voluntary transfer but said transfer has not been implemented within 90 days of such selection, such employee shall have the option to withdraw the original bid and to bid for a different position. However, such withdrawal from the original bid shall be permanent, and the original bid may not be reactivated.

ARTICLE VIII - OVERTIME

Section 1.
All overtime shall, as far as practicable, be distributed equally among the employees within a department except as modified in Section 2 of this Article.

Section 2.
In the Department of Sanitation, overtime shall, as far as is practicable, be distributed equally among employees in each work area.
For purposes of this Article only, work areas as they presently exist in the Bureau of Motor Equipment of the Department of Sanitation are defined as follows:

a. Field Operations

Each Borough Shop including its satellite garages shall be deemed a separate work area.

Fresh Kills Landfill is also designated as a work area except that emergency overtime, including, but not limited to work in progress, will be given priority when assigning overtime in this location.

b. Central Repair Shop

Off-vehicle shops which presently include the Machine Shop, Engine Shop, Unit Repair Shop, Transmission Shop, Upholstery Shop, Electric Shop, and the Glass Shop shall be deemed a single work area.

On-vehicle mechanical repair shops which presently include Special Chassis and the Passenger Car Shop shall be deemed a single work area.

Metal working shops including the Body Shop and the Forge Shop shall be deemed a single work area.

The Tire Shop shall be deemed a single work area.

Employees, as defined herein, who work in locations other than those indicated above, shall work in accordance with the needs of their location.

Nothing herein shall be used to define a work area or location under Article VII of this agreement or for any purpose other than the distribution of overtime in the Department of Sanitation as defined herein.

ARTICLE IX - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. - Supervisory Responsibility
The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

Section 2.
Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE X - BULLETIN BOARDS AND NOTICES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. The minimum space to be provided on any such bulletin board shall be sufficient for a document on paper size 8½" x 13".

ARTICLE XI - PERSONNEL AND PAY PRACTICES

Section 1.
The Employer agrees to authorize all agencies, covered hereunder, effective January 1, 1971, to establish imprest funds for the reimbursement to employees of all necessary and authorized carfare, telephone, automobile and meal expenses and such other types of expenses as the Comptroller may approve. The funds shall be administered in accordance with the rules and regulations of the Comptroller.

Section 2.
In the scheduling of vacations for employees of agencies covered hereunder subject to the vacation policy and procedures of the respective agencies, the Employer agrees that all authorized vacation picks for employees covered by this Agreement shall be by seniority in the employee's civil service title.

ARTICLE XII - WORKING CONDITIONS

Section 1.
The Employer shall make all reasonable efforts to provide employees with adequate, clean and safe washing and toilet facilities.

Section 2.
All employees' work areas shall be adequately ventilated, lighted and otherwise maintained.

ARTICLE XIII - SAFETY

Section 1.
All unsafe conditions reported by the Union, concerning employees covered by this Agreement, shall be duly noted by the appropriate supervisor and acted upon expeditiously.

Section 2.
All unsafe conditions not acted upon expeditiously may become the subject of a grievance.

ARTICLE XIV - LABOR-MANAGEMENT COMMITTEE

Section 1.
The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty employees covered by this Agreement.

Section 2.
Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.
Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.
The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XV - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XVI - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XVII - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

WHEREFORE, we have hereunto set our hands and seals this day of

CITY PLANNING COMMISSION

■ HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, May 6, 1998, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN
CD 4 N 980429 HAK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Article 16 of the General Municipal Law of New York State for:

1) the designation of property generally located on the north side of Broadway between:

a) Jefferson Avenue and Hancock Street;
b)Covert and Schaeffer streets;
c) Decatur and Cooper streets; and
d)Moffat and Pilling streets;
as an Urban Development Action Area; and
2) an Urban Development Action Area Project for such area;
to facilitate commercial development under the ANCHOR/Partnership Retail Demonstration Program.

A list and description of the properties can be seen in the Brooklyn Office of the Department of City Planning, 16 Court Street, 7th floor, Brooklyn, NY 11241.

BOROUGH OF MANHATTAN
CD 4,5 C 980272 ZMM

(Proposed amendments to the zoning map and sections of the Zoning Resolution related to modifications to the Theater Subdistrict within the Special Midtown District, and the Perimeter Area of the Special Clinton District concerning bulk and use regulations, the preservation of theaters and the extension of the Theater Subdistrict to the west side of Eighth Avenue overlapping a portion of the Perimeter Area of the Special Clinton District.)

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section Nos. 8c and 8d,** establishing a Special Midtown District within a portion of the Special Clinton District bounded by West 56th Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue, as shown on a diagram (for illustrative purposes only) dated January 12, 1998.

BOROUGH OF MANHATTAN
CD 4,5 N 980271 ZRM

IN THE MATTER OF an application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, to amend various sections of the Zoning Resolution of the City of New York relating to the Theater Subdistrict within the Special Midtown District (Article VIII, Chapter 1), and the Special Clinton District (Article IX, Chapter 6), concerning use and bulk regulations, and the preservation of theaters, and other related sections concerning the reorganization and relocation of certain provisions relating to pedestrian circulation and subway stair relocation requirements and subway improvements.
Matter in **BOLDTONE** is new, to be added;
Matter in *ITAL* is old, to be deleted;
Matter within # # is defined in Section 12-10;
... indicate unchanged text omitted within a paragraph;
* * * indicate where unchanged text appears in the Zoning Resolution

ARTICLE III
COMMERCIAL DISTRICT REGULATIONS

* * *

Chapter 7
Special Regulations

* * *

The proposed Section 37-03 incorporates existing provisions of Section 81-47 (Off-street Relocation or Renovation of a Subway Stair) so that subway stair relocations or renovations city-wide will reference the same set of standards and procedures. No existing requirements will be removed or additional requirements imposed on Midtown. The proposed Section 81-47 will list the Midtown stations where relocations or renovations apply and reference the modified Section 37-03 for standards and procedures.

37-03
Off-Street Relocation **or Renovation** of a Subway Stair

37-031
Applicability of this Section

Where a #development# or #enlargement# is constructed on a #zoning lot# of *at least* 5,000 square feet **or more of #lot area#** that fronts on a portion of a sidewalk containing a stairway entrance or entrances into a subway station **located within the #Special Midtown District# as listed in Section 81-46 and those stations** listed in *this Section* **the following table**, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of this Section. *These provisions are in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised).*

A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

*37-03***237-031**
Standards for location, design and hours of public accessibility

In addition to the standards set forth in the **current station planning guidelines as issued by** New York City Transit *Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised)*, the following standards shall also apply:

(a)**Location**

The relocated **or renovated** entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk, *or from within a space accessible to the public, as those spaces are defined in the applicable zoning district regulations* **an #urban open space# or pedestrian circulation space as defined in Section 37-07 (Requirements for pedestrian circulation space). Any such #urban open space# or pedestrian circulation space shall have a minimum horizontal dimension equal to the width of the relocated stairs or the minimum width of the pedestrian circulation space, whichever is greater**.

*(b)*The relocated **or renovated** entrance may be provided within a #building#, but shall not be enclosed by any doors. The area occupied by a relocated **or renovated** entrance within a #building# shall not be counted towards the #floor area# of the #enlargement# or #development#.

Paragraphs (c) through (h) have been modified and rearranged as paragraph (b). Additional information from Section 81-47(b) has been incorporated.

(c**b**)**Design standards**

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

(c)The relocated entrance shall have a queuing space at the top and bottom of the stairs at least eight feet wide and 15 feet long, and such queuing space may overlap a #sidewalk widening#, an #arcade#, a #plaza#, a #residential plaza# or an #urban plaza#.

*(d)*Where two or more existing stairway entrances are being relocated **or renovated** as part of the same #development# or #enlargement#, the new entrance or entrances shall have *a* total stair *width or* widths equal to or greater than the sum of the stair widths of the**ose existing** stairway entrances *being relocated*, but in any case no less than eight feet in width.

The relocated entrance may be relocated within an #urban plaza#, provided that the minimum width of the stairs is ten feet and the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

*(c)***For a relocated entrance only, the entrance shall have a queuing space at the top and bottom of the stairs that is at least eight feet wide and 15 feet long. Such queuing space may overlap with an #urban plaza# or an #arcade# in accordance with the provisions of Sections 27-60 (ARCADES) or 37-073 (Design standards for pedestrian circulation spaces).**

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of five feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet, 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

*(e)*The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

(f)The relocated entrance may be relocated within a #plaza#, a #residential plaza# or an #urban plaza# provided that the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a #sidewalk widening#. A relocated entrance with a #plaza#, a #residential plaza# or an #urban plaza# is permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for a #plaza#, a #residential plaza# or an #urban plaza#.

*(g)*The relocated entrance shall connect to an existing or proposed subway passageway, or shall connect, via an underground passageway, to a mezzanine area of the subway station.

*(h)*The below-grade portion of a relocated entrance may be constructed within the #street#.

(c) Hours of public accessibility

*(i)*The relocated **or renovated** entrance shall be accessible to the public during the hours when the connected mezzanine area is

open to the public or as otherwise approved by *the* **New York City** Transit *Authority*.

*37-03*337-032
Administrative procedure for a subway stair relocation **or renovation**

*(a)***For any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), *Except as otherwise provided in paragraph (b) of this Section,*** no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued *for any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance*, unless **the following criteria are met**:

(*1*a)**for a relocated entrance,** sSuch plan includes a stair relocation plan and *the* related documents that bind the developer to:

(*i*1)construct the new stair entrance in accordance with such plan;

(*ii*2)demolish above-ground elements of the existing entrance; *and*

(*iii*3)seal the existing entrance at the sidewalk level.; **and**

(4)maintain the work performed on the relocated or renovated entrance; or

(2b)**for a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents that bind the developer to:**

(1)renovate or reconstruct the entrance in accordance with such plan; and

(2)maintain the work performed on the renovated or reconstructed entrance; and

(2c)Such plan and related documents bear *the* **New York City** Transit *Authority*'s approval ;

(*3*d)Such plan is accompanied by a certified copy of an agreement, as recorded between *the* **New York City** Transit *Authority* and the owner for an easement on the #zoning lot# for subway-related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York *(County of New York)* and is accompanied by the Register's receipt of recordation.; **and**

(4)Such plan is accompanied by any request for modification of special urban design guidelines pursuant to Section 37-034.

(b)In the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission, by joint certification, may release the developer from said requirement. In such event, the stair relocation requirement shall be satisfied by retention of the existing stair and provision on the #zoning lot# of an open area which accommodates pedestrian traffic passing the existing entrance. Such space shall have a width equal to at least one and one-half times the width of the existing stair entrance and shall extend along the full length of the stair entrance. ***Incorporated into Section 37-034.***

(ce)**no permanent certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), unless and until all of the work required under paragraphs (a) or (b) of this Section has been completed and New York City Transit has so certified in writing to the Department of Buildings.** *Prior to obtaining a permanent certificate of occupancy, the relocated subway stair must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.*

37-034 **37-033**
Modification of *special urban design guidelines and urban open space* **requirements for a relocated or renovated subway stair**

The City Planning Commission may, by certification to the Commissioner of Buildings, allow modifications of the requirements of Section 37-01 (Special Urban Design Guidelines - Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the applicable provisions of #urban open space# in Section 12-10 (DEFINITIONS), if it finds that the relocated subway stair cannot be accommodated without modification to these provisions.

Sections 37-01 (Special Urban Design Guidelines – Streetscape), 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), 37-031 (Standards for location, design and hours of public accessibility) and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) may be modified if the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that a relocated subway stair cannot be accommodated in any reasonable way without modification of these provisions.

* * *

*37-03*537-034
Waiver of requirements

Upon application the City Planning Commission may authorize a waiver of requirements of Section 37-03 if the Commission finds that:

(a)the total #floor area# of all #developments# or #enlargements# after November 8, 1984, is less than 70,000 square feet; or

(b)there are major structural problems in creating space for a relocated stairway entrance in the existing #building#; or

(c)the space in an existing #building# which is required to relocate the stairway entrance is occupied by a tenant on a lease which was in effect prior to March 1, 1984, to which a member of the Bar of the State of New York shall attest, and that there is no opportunity to relocate the tenant within the #enlargement#.

As a condition for granting such waiver the Commission shall determine that:

(1)in the case of paragraph (a), the City Planning Commission and the Transit Authority may require an easement to accommodate the future relocation of the subway stairway in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised);

(2)in the case of paragraphs (a) or (b), no construction is undertaken that would preclude the future relocation of a stairway entrance from the sidewalk to the #zoning lot#;

(3)in the case of paragraph (c), that at the expiration of the existing lease the applicant shall undertake the relocation of the stairway entrance according to the provisions of this Section.
The provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair) may be waived by joint certification of New York City Transit and the Chairperson of the City Planning Commission that major construction problems or operating design considerations render the stair relocation infeasible. In such event, the stair relocation requirement may be satisfied by retention of the existing stair and the provision on the #zoning lot# of an open area, qualifying under the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), that accommodates pedestrian traffic passing the existing stair entrance. ***Adapted from Section 37-032(b).***

* * *

The requirements for pedestrian circulation space will be relocated from Section 81-45 in Midtown to a new Section 37-07. No changes to these requirements are proposed, nor will any requirements be added. All special districts of the city that have requirements for pedestrian circulation space will refer to 37-07 for a common set of standards. Any specific pedestrian circulation space requirements that are unique to a special purpose district will remain in the special purpose district text.

37-07
Requirements for Pedestrian Circulation Space

All pedestrian circulation space required pursuant to the provisions of any special purpose district shall comply with the provisions of this Section.

37-071
Amount of pedestrian circulation space

The minimum amount of pedestrian circulation space to be provided for #developments# or #enlargements# shall be determined by the following table:

MINIMUM
PEDESTRIAN CIRCULATION SPACE REQUIREMENTS

Size of #zoning lot#FRLD Required #floor area#
MDIU
5,000 to 20,000 square feetFRLD 1 square foot per 350 square feet of new #floor area#

Above 20,000 square feetFRLD 1 square foot per 300 square feet of new #floor area#

37-072
Types of pedestrian circulation space

The pedestrian circulation space provided shall be of one or more of the following types: an arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types, or combinations of types, specified in the following table:

PROVISION OF PEDESTRIAN CIRCULATION SPACE ON CERTAIN TYPES OF LOTS

Type of Pedestrian Circulation Space #Corner lot# #Through lot# #Interior lot# Arcade X X X Building entrance recess area X X X Corner arcade X Corner circulation space X Relocation or renovation of subway stair X X X Sidewalk widening X X X Subway station improvement X X X Through #block# connection X X Urban plaza# X X X

Minimum design standards for each type of pedestrian circulation space and, where applicable, the maximum amount of each type of pedestrian circulation space that may be counted towards meeting the requirements of Section 37-071 (Amount of pedestrian circulation space) are set forth in Section 37-073 (Design standards for pedestrian circulation spaces).

37-073
Design standards for pedestrian circulation spaces

(a) Arcade

Arcades shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, the provisions of this Section shall apply.

An arcade is a continuous covered space that adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#. Where an arcade abuts another arcade, there shall be a clear, unobstructed passage between both arcades.

An arcade shall meet the following requirements:
(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet, exclusive of all columns, and a maximum width of 15 feet, inclusive of columns. No column width shall be greater than five feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet and not more than 30 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:
(a)it has a continuous, unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent #zoning lot#, matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater.

(iii)On a #corner lot# fronting on a #narrow street#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: a corner arcade, a #plaza#, an off-street rail mass transit access improvement, an intersecting sidewalk widening, an intersecting #street#, a relocated or renovated subway entrance, a through #block# connection, a through #block# galleria or an #urban plaza#.

(iv)On a #wide street#, an arcade shall be permitted, provided that:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block#front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: a corner circulation space, a #plaza#, an intersecting sidewalk widening or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment, a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block#front is provided by the arcade in combination with such existing spaces.

(2)Full #block#front arcade

When a #zoning lot# occupies a full #block#front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (a)(1) (Dimensions) of this Section, parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

In the Theater Subdistrict of the #Special Midtown District#, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, shall be permitted within such arcade, and the maximum height of such arcade shall be 20 feet and the maximum width shall be 10 feet.

(5)Illumination

All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(b)Building entrance recess area

A building entrance recess area is a space that adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to the entrance to a ground floor #use#.

A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line# and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least five feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with an arcade, a corner arcade, a corner circulation space or a

sidewalk widening, and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(c)Corner arcade

A corner arcade shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, a corner arcade shall be a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner arcade shall meet the following requirements:

(1)Dimensions

(i)a corner arcade shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#; and

(ii)the height of a corner arcade shall be not less than 12 feet and a clear path at least 12 feet wide shall be provided from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns, a corner arcade shall be free from obstructions of any kind.

(3)Specific prohibitions

The specific prohibitions pertaining to an arcade as described in paragraph (a)(4) of this Section shall also by applicable to a corner arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(d) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner circulation space shall meet the following requirements:

(1)Dimensions

A corner circulation space shall have the same minimum dimensions as a corner arcade, as described in paragraph (c)(1) of this Section.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements does not exceed 20 percent of the area of the corner circulation space and that such elements and any attachments thereto are at least eight feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings, except for drainage, shall be permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space.
An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(e)Relocation or renovation of a subway stair

When a #development# or #enlargement# is constructed on a #zoning lot# containing a relocated stairway entrance or entrances to a subway, or an existing stairway entrance or entrances to a subway, and such entrance or entrances are relocated or renovated in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair), one and a half times the area, measured at #street# level, of such entrance or entrances may count toward meeting the pedestrian circulation space requirement.

(f) Sidewalk widening

Sidewalk widenings provided to meet the requirements for pedestrian circulation space shall not be subject to the provisions of Sections 12-10 (DEFINITIONS), including the definition for #urban plaza#, and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas). In lieu thereof, the provisions of this Section shall apply.

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings.

A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than five feet nor more than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk.

A sidewalk widening shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#.

A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #street line# of the #wide street# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #street line# of the #wide street# to its intersection with the #street line# of the other #street# on which the #zoning lot# fronts.

Except for the permitted interruptions, as set forth in paragraph (f)(2) of this Section, a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

(2)Permitted interruptions

Interruptions of the continuity of a qualifying sidewalk widening shall be permitted only under the following conditions:

(i)by an arcade that has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening;

(ii)if overlapped by a corner circulation space or a building entrance recess area that permits uninterrupted pedestrian flow;

(iii)if overlapped by an #urban plaza#, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening;

(iv)by an off-street subway entrance provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#;

(v)if overlapped by the queuing space of a relocated or renovated subway entrance, provided that the queuing space for the entrance leaves at least a five foot uninterrupted width of sidewalk widening along the entire length of the queuing space; or

(vi)by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, a through #block# galleria or a through #block urban plaza# at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (f)(2) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements, measured on the plan, does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least eight feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or storage of trash is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than five feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture or building transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building# or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(g)Subway station improvement

For #developments# or #enlargements# that are granted a special permit pursuant to Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan), no more than 3,000 square feet may count toward meeting the pedestrian circulation space requirement.

Paragraph (h) has been adapted from Section 81-46 (Through Block Connection) which will be deleted. No new requirements have been added.

(h) Through #block# connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the building's main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#.

Up to a maximum of 3,000 square feet of a through #block# connection may count towards the minimum pedestrian circulation space requirement.

A through #block# connection shall meet the following requirements:

(1) Location

(i) A through #block# connection shall be located at least 150 feet from the intersection of two #streets#.

(ii)Where the #zoning lot# or a portion thereof is directly across a #street# from, and opposite to, an existing through #block# connection on an adjacent #block# and the existing connection is at least 150 feet from the intersection of two #streets#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(iii)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count towards meeting the pedestrian circulation space requirement.

(iv)No through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission, or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

(2)Design standards for a through #block# connection

(i)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(ii)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide a clear path, accessible to people with disabilities, through its entire length.

(iii)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(iv)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the building's main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(v)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the building's main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(vi)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(vii)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted, in prominent, visible locations at its entrances, signs meeting the standards set forth in paragraph (h)(2)(viii)(a) of this Section.

(viii)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(a)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(1)a public space symbol which is at least 14 inches square in dimension, has a white background, has a grid of four straight lines no greater than one-eighth inch wide and green in color and has a tree-shaped symbol as shown:

(Tree Symbol)

(2)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(3)an international Symbol of Access for people with disabilities that is at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent freestanding post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(b)For an enclosed through #block# connection or a portion thereof:

(1)a public space symbol as described in paragraph (h)(2)(viii) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(2)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block# connection passes and which lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol; and

(3)lettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow. The information shall be located not higher

than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

(i)Urban plaza

A maximum of 30 percent of the area of an #urban plaza# that faces a #street# intersection, or provides access to a major building entrance, may be counted toward meeting the pedestrian circulation space requirement.

A maximum of 3,000 square feet of a through #block urban plaza# may be counted toward meeting the pedestrian circulation space requirement.

For all other #urban plazas#, the first 10 feet of depth from the #street line# may be counted toward meeting the pedestrian circulation space requirement, provided that the #urban plaza# conforms to the design standards of a sidewalk widening as set forth in paragraph (f) of this Section.

All #urban plazas# shall comply with Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

Any area of permitted overlap between pedestrian circulation spaces or other amenities shall be counted only once toward meeting the required amount of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

The following is a revision of Section 81-454 (Modification of design standards of pedestrian circulation spaces within existing buildings) , which will be deleted. No new requirements will be added.

37-074
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of any required minimum amount of pedestrian circulation space to be provided on #wide street# frontages and design standards, as indicated, for the following required pedestrian circulation spaces, to be provided within or under an existing #building# to remain on a #zoning lot#:

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes

(b)Building entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall

(c)Corner arcade or corner circulation space: minimum depth, minimum width of clear path, minimum height, obstructions

(d)Through #block# connection: minimum width of unobstructed path, minimum height, through #block# level

The Commission may authorize a modification of design standards for pedestrian circulation spaces when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent, to the required space in terms of quality, effectiveness and suitability for public use.

* * *

Existing Sections 81-53 and 74-634 both permit bonus floor area for subway station improvements in accordance with essentially the same requirements. They are proposed to be combined into one action under Section 74-634 which would apply city-wide. No new requirements would be added.

74-634
Subway station improvements in commercial zones of 10 FAR and above in Manhattan

The City Planning Commission may **grant,** by special permit, *after public notice and hearing and subject to a Board of Estimate action, grant* **a** #floor area# bonuses, *modify Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), the provisions of #urban open space# in Section 12-10 (DEFINITIONS), and in a C5-5 District, height and setback and #rear yard# regulations* **up to but not exceeding 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations, and may waive or modify the provisions of Article III, Chapter 7 (Special Regulations) and the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity Along Designated Streets)** for #developments# or #enlargements# **located on #zoning lots# where** *which provide* major improvements *for to* adjacent subway stations **are provided** in accordance with the provisions of this Section. **For the purposes of this Section, "adjacent" shall mean that upon completion of the improvement, the #zoning lot# will** *The subway stations in districts where such improvements may be constructed are listed in paragraph (a) of this Section. The #zoning lot# for the #development# or #enlargement# on which such #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed. In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," it must* physically adjoin a **subway** station mezzanine, platform, concourse or connecting passageway, *with no tracks intervening to separate the #zoning lot# from these elements.* **Subway stations where such improvements may be constructed are those stations located within the #Special Midtown District# as listed in Section 81-511 (Subway Station Improvements) and those stations listed in the following table:**

(a)Bonus eligible subway stations by line and zone

#Developments# or #enlargements# which provide major improvements to adjacent subway stations are eligible for a #floor area# bonus which shall not exceed 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations. The stations eligible for bonus are as follows:

The selection of subway station improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, New York City Transit and the City Planning Commission. All such improvements shall comply with all applicable design standards of the current station planning guidelines of New York City Transit.

(b)Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975 and as may be subsequently revised).

(c)Procedure

(1)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the Metropolitan Transportation Authority, the Transit Authority and the City Planning Commission.

(2)Application pre-certification

After review and agreement on the concept by the Metropolitan Transportation Authority, Transit Authority and the City Planning Commission, the applicant shall submit necessary documentation in conformance with the New York City Transit Authority's "Guidelines for Submission and Approval of Outside Projects". Prior to certification by the City Planning Commission, the Transit Authority shall provide a letter to the Commission containing conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(3)The special permit application to the City Planning Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and for making the findings for the modifications of Section 37-01, Section 37-02 and height and setback regulations in C5-5 Districts.

(4)The special permit application shall include any request for modification of special urban design guidelines pursuant to Section 74-634 paragraph (e) and of height and setback and #rear yard# regulations pursuant to Section 74-634 paragraph (f).

(5)Uniform Land Use Review Procedure - certification

The City Planning Commission shall not certify any application under the Uniform Land Use Review Procedure until the requisite letter from the Transit Authority has been received and incorporated in the application. Such letter may be subject to subsequent execution of a final agreement with the developer.

(6)Prior to the granting of a special permit:

(i)the Transit Authority shall have submitted a letter to the City Planning Commission:

(a)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other elements as may be appropriate; and

(b)confirming that the construction of the subway improvement in accordance with such submission is feasible; and

(ii)the applicant shall sign a legally enforceable instrument, running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(7)The restrictive declarations and any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for the borough in which the improvement or easement is being created, and a certified copy of the instrument shall be submitted to the City Planning Commission and the Transit Authority.

(8)Prior to obtaining a temporary certificate of occupancy for the bonus #floor area#, the bonused subway improvement shall be substantially complete, which shall, for this purpose, mean usable by the public, as determined by the Transit Authority.

(9)Prior to obtaining a permanent certificate of occupancy, the bonused subway improvement must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.

(d)Floor area bonus

The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no #floor area# bonus to the maximum amount allowable by special permit pursuant to the provisions of this Section. For a #residential# or mixed-#use development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Section 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM, OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead for every 750 square feet of gross #residential floor area# provided, there shall be not more than one #dwelling unit#. In determining whether to grant a special permit and the precise amount of #floor area# bonus pursuant to the special permit, the Commission shall make all of the following findings:

(1)the degree to which the station's general accessibility, rider orientation and safety will be improved by the provision of new connections, additions to circulation space or easing of circulation bottlenecks;

(2)provision of escalators or elevators where justified by traffic or depth of mezzanine or platform below #street# level;
(3)convenience and spaciousness of #street# level entrance and compatible relationship to the ground floor #uses# of the #development# or #enlargement#;

(4)improvements in the station's environment by provision for daylight access, or improvements to noise control, air quality, lighting or other architectural treatments.

(e)Modification of special urban design guidelines and urban open space

The City Planning Commission may modify the requirements of Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the requirement for #urban open space# in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) if it finds the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(f)Modification of height and setback and yard regulations

In a C5-5 District, in the case of on-site subway station improvements that generate #floor area# bonus pursuant to Section 74-634, the City Planning Commission may permit modification of the applicable regulations in Sections 33-26 to 33-30, inclusive, relating to #rear yard# regulations, or in Sections 33-41 to 33-45, inclusive, relating to height and setback regulations.

The City Planning Commission may grant such modification upon consideration that the applicable height and setback or #rear yard# regulations cannot be complied with by some method feasible for the applicant to pursue because of the provision of a subway station improvement, the size or irregular shape of the lot, the size or irregular shape of the #block# or width of #streets#. The Commission shall also consider the characteristics of surrounding development. The Commission shall require, where appropriate, sufficient safeguards to insure the free flow of pedestrian and vehicular traffic in the general area.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

The following paragraphs incorporate existing requirements in the preceding paragraphs that are proposed to be deleted: (b), (c)(1) through (c)(9), (d)(1) through (d)(4), (e) and (f) – and those in Section 81-534 (Procedure) which would also be deleted.

(a)Pre-application requirements

Prior to submitting an application for a special permit pursuant to this Section, the applicant shall submit a schematic or concept plan for the proposed improvement to the Metropolitan Transportation Authority, New York City Transit and the Chairperson of the City Planning Commission.

(b)Requirements for application

An application for a special permit pursuant to this Section shall include a letter from New York City Transit to the City Planning Commission containing conceptual approval of the improvement and a statement of any special considerations regarding New York City Transit's future operation of the improvement. The applicant shall submit all information and justification sufficient to enable the Commission to:

(1)evaluate the benefits to the City;

(2)determine the appropriate amount of bonus #floor area#; and

(3)where applicable, assess the advantages and disadvantages of waiving or modifying #street wall# continuity requirements.

(c)Findings

(1)In determining the amount of #floor area# bonus, the City Planning Commission shall consider:

(i)the degree to which the general accessibility and/or security of the subway station will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(ii)the degree to which significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and appropriate integration of the #street# level entryway into the #development# or #enlargement# will occur.

(2)In determining modifications to the requirements of Article 3, Chapter 7 (Special Regulations), the Commission shall find that the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(3)In determining modifications to the #street wall# continuity provisions of Section 81-43 in the #Special Midtown District#, the Commission shall find that the modification will permit the proposed design to provide for improved access of daylight or air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# and retail continuity.

(4)Within the #Special Midtown District#, for a #development# or #enlargement# within the Theater Subdistrict on a #zoning lot# containing a theater designated as listed pursuant to Section 81-742 (Listed theaters), the Commission shall find that the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) have been met.

(5)Within the #Special Midtown District#, for a #development# or #enlargement# located on a #zoning lot# divided by a Theater Subdistrict Core boundary, as defined in Section 81-71 (General Provisions), the amount of #lot area# eligible for determining permitted bonus #floor area# shall not exceed an amount equal to twice the #lot area# of that portion of the #zoning lot# located outside the Theater Subdistrict Core.

(d)Procedural requirements

Prior to the granting of a special permit, the City Planning Commission shall be provided with the following:

(1)a letter from New York City Transit stating that the drawings and other documents submitted by the applicant have been determined by New York City Transit to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems, materials, relationship to existing site conditions and such other conditions as may be appropriate, and that the construction of the subway improvement in accordance with such submission is feasible.

(2)a legally enforceable instrument running with the land and signed by the applicant and all parties in interest, other than parties in interest who have waived and subordinated their interests, containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and provide capital maintenance for the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(e) Density

For a #residential# or mixed #development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Sections 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead, for every 790 square feet of #residential floor area# provided, there shall be not more than one #dwelling unit#.

(g) Recordation & completion procedures

Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York and a certified copy of the instrument shall be submitted to the City Planning Commission and New York City Transit. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until New York City Transit has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean open to and usable by the public.

The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy, until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by New York City Transit.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

Chapter 1
Special Midtown District

81-00
GENERAL PURPOSES

The "Special Midtown District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

(a)to strengthen the business core of Midtown Manhattan by improving the working and living environments;

* * *

(h)to preserve, protect and enhance the character of the Theater Subdistrict as the location of the world's foremost concentration of legitimate theaters and an area of diverse uses of a primarily entertainment and entertainment-related nature;

(i)to strengthen and enhance the character of the Eighth Avenue Corridor and its relationship with the rest of the Theater Subdistrict and with the Special Clinton District;

(j)to create and provide a transition between the Theater Subdistrict and the lower-scale Clinton Community to the west;

*(i)***(k)**to preserve, protect and enhance the scale and character of Times Square, the heart of New York City's entertainment district, and the Core of the Theater Subdistrict, which are characterized by a unique combination of building scale, large illuminated signs and entertainment and entertainment-related uses;

*(j)***(l)**to preserve, protect and enhance the character of Fifth Avenue as the showcase of New York and national retail shopping;

*(k)***(m)**to preserve the midblock area around the Museum of Modern Art for its special contribution to the historic continuity, function and ambience of Midtown;
*(l)***(n)**to expand and enhance the pedestrian circulation network connecting Grand Central Terminal to surrounding development, to minimize pedestrian congestion and to protect the area's special character;

*(m)***(o)**to provide freedom of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms without the need for special development permissions or "negotiated zoning"; and

*(n)***(p)**to promote the most desirable use of land and building development in accordance with the District Plan for Midtown and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

81-01
Definitions

For purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS), in Section 81-261 (Definitions), or in Section 81-271 (Definitions).

Special Midtown District
(repeated from Section 12-10)

The "Special Midtown District" is a Special Purpose District designated by the letters "MiD" in which special regulations set forth in Article VIII, Chapter 1, apply. The #Special Midtown District# appears on the #zoning maps# superimposed on other districts, and its regulations supplement and modify those of the districts on which it is superimposed.

Special Clinton District
(repeated from Section 12-10)

The #Special Clinton District# is a Special Purpose District designated by the letters "CL" in which the regulations set forth in Article IX, Chapter 6 apply.

81-02
General Provisions

81-021
Applicability of underlying district regulations

* * *

81-022
Applicability of Special Transit Land Use District regulations

* * *

81-023
Applicability of Special Clinton District Regulations

Wherever the #Special Midtown District# includes an area which also lies within the #Special Clinton District#, the regulations of the #Special Clinton District# as set forth in Article IX, Chapter 6, shall also apply. However, if there is any conflict or discrepancy between the regulations, the Special Midtown District regulations shall supersede the Special Clinton District regulations.

The portion of the #Special Clinton District# within the #Special Midtown District# includes the area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue and West 42nd Street. The area is designated on the #zoning maps# by the letters CL-MiD.
*81-023***81-024**
Integration clauses

* * *

81-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, four special subdistricts are established within the #Special Midtown District#. In each of these subdistricts certain special regulations apply which do not apply in the remainder of the #Special Midtown District#. The subdistricts are outlined on Map 1 (Special Midtown District and Subdistricts) in Appendix A.

The subdistricts, together with the sections of this Chapter specially applying to each, are as follows:

Sections Having Subdistricts
Special Application
The Grand Central Subdistrict
81-60
The Theater Subdistrict
81-70
The Fifth Avenue Subdistrict
81-80
The Preservation Subdistrict 81-90

The subdistricts are also subject to all other regulations of the #Special Midtown District#, **and, where applicable pursuant to Section 81-023, the #Special Clinton District#,** and the underlying districts, except as otherwise specifically provided in the subdistrict regulations themselves.

81-062
Applicability of Chapter 4 of Article VII

Within the #Special Midtown District#, the following provisions regarding special permits by the City Planning Commission shall not be applicable:

Section 74-72(Bulk Modification)

Section 74-74(General Large-Scale Development)

Section 74-75(Educational Construction Fund Projects)

* * *

81-063
Regulations for Developments or Enlargements on Lots Divided by District Boundaries, Within or Partially Within the Theater Subdistrict

Within the Theater Subdistrict of the #Special Midtown District#, the provisions of Chapter 7 of Article VII (Special Provisions for Zoning Lots Divided by District Boundaries) are modified in part by the provisions of Section 81-746 (*Special modification of* **Additional** provisions for zoning lots divided by district **or subdistrict core** boundaries).

* * *

81-20
BULK REGULATIONS

81-21
Floor Area Ratio Regulations

The #floor area ratio# regulations of the underlying districts are modified in accordance with the provisions of this Section or Section 81-241 (Maximum floor area ratios for a residential building or the residential portion of a mixed building).

81-211
Maximum floor area ratio for non-residential or mixed buildings

(a)For non-#residential buildings# or #mixed buildings#, the basic maximum #floor area ratios# of the underlying districts shall apply as set forth in this Section.

(b)In the #Special Midtown District, the basic maximum #floor area ratio# on any #zoning lot# may be increased by bonuses or other #floor area# allowances only in accordance with the provisions of this Chapter, and the maximum #floor area ratio# with such additional #floor area# allowances shall in no event exceed the amount set forth for each underlying district in the following table:

PG
TABLE NOT INCLUDED - AVAILABLE IN HARD COPY FORMAT IN THE PRINTED CALENDAR, WHICH IS AVAILABLE FROM THE CALENDAR OFFICE AT 22 READE STREET, NEW YORK, NEW YORK 10007PG

81-22
As-of-Right Floor Area Bonuses

As-of-right #floor area# bonuses are not permitted in the #Special Midtown District#, except in accordance with the provisions of the following Sections:

Section 81-23 (Floor Area Bonus for Urban Plazas)

Section 81-748 (Floor area bonus for through block gallerias)

In addition, the provisions of Article II, Chapter 3, Section 23-90 (Inclusionary Housing) shall be applicable in that portion of the #Special Midtown District# which is also within the *#Special Clinton District# pursuant to* Section 81-023 (Applicability of the Special Clinton District Regulations).

Any floor area bonus granted by certification for through block gallerias prior to (the effective date of this amendment) shall remain in effect, provided however that such certification shall automatically lapse if substantial construction, in accordance with the plans for which such certification was granted, has not been completed within four years from the effective date of such certification.

81-23
Floor Area Bonus for Urban Plazas

Within the #Special Midtown District#, for each square foot of #urban plaza# provided on a #zoning lot#, the basic maximum #floor area# permitted on that #zoning lot# under the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) may be increased by six square feet, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

This Section shall be applicable in all underlying districts throughout the #Special Midtown District#, except that:

(a)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the C5P District within the Preservation Subdistrict;

(b)no #development# or #enlargement# on a #zoning lot# shall receive a bonus for an urban plaza that is within 50 feet of a #street line# of a designated #street# on which retail or #street wall# continuity is required, pursuant to Sections 81-42 (Retail Continuity Along Designated Streets) or 81-43 (Street Wall Continuity Along Designated Streets);

(c)no #development# or #enlargement# on a #zoning lot#, **any portion of which is** within the Theater Subdistrict Core as defined in Section 81-71 (General Provisions), shall receive a bonus for an #urban plaza#; and

(d)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the Grand Central Subdistrict.

All #urban plazas# provided within the #Special Midtown District# shall comply with the requirements for #urban plazas# set forth in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

A major portion of an #urban plaza# may overlap with a sidewalk widening which may be provided to fulfill the minimum pedestrian circulation space requirements set forth in Section 81-45 (Provision of Pedestrian Circulation Space), provided that the overlapping portion of the #urban plaza# also conforms to the design standards of Section *81-45* **37-07** for a sidewalk widening. Such sidewalk widening may be included in the major portion of an #urban plaza# for purposes of calculating the proportional restrictions set forth in Section 37-04, paragraph (e).

* * *

81-24
Floor Area, Density and Building Spacing Regulations for Residential Uses

81-241
Maximum floor area ratios for a residential building or the residential portion of a mixed building

For #residential buildings# or #residential# portions of #mixed buildings# in the #Special Midtown District#, the maximum #floor area ratio# for each underlying district is as follows:

(a)In the C5-P District the maximum #floor area ratio# is 8.0, and no additional #floor area# shall be allowed above this limit.

(b)In all underlying districts other than the C5-P District, except as provided in paragraph (c) of this Section, the maximum #residential floor area ratio# is 10.0.

(c)A #residential building# or the #residential# portion of a #mixed building# in any underlying district other than a C5-P, C6-4 or C6-5 District **or a #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 District within the Theater Subdistrict which has been granted bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions),** shall qualify for a maximum #residential floor area ratio# of 12.0 if the #building# includes recreational space for the #residential# occupants in an amount not less than 6.5 square feet for each #room#, or a total area of at least 5,000 square feet, whichever is greater. The recreational space may be located at any level including a roof. Such recreational space shall:

(1)be restricted to #residential# occupants of the #building# and their guests for whom no admission or membership fees may be charged;

(2)be directly accessible from a lobby or other public area served by the #residential# elevators;

(3)be landscaped including trees or shrubbery, except where covered or developed with recreational facilities and seating areas;

(4)contain not less than 500 square feet of continuous area on a single level with no dimension of less than 15 feet;

(5)have not less than 50 percent of the area open from its lowest level to the sky. The remaining portion may be roofed and up to 50 percent of its perimeter may be enclosed. In no event may more than 25 percent of the required recreational space be fully enclosed. All enclosures shall be transparent except when located within the #building#. Covered areas shall contain recreational facilities or seating areas.

A copy of requirements (1) through (5) set forth in this paragraph shall be permanently posted in a conspicuous place within each recreational space.

(d)A #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 underlying district within the Theater Subdistrict may qualify for bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions), provided that the #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0 and that such #building# also provides recreational space for the #residential# occupants in accordance with the requirements of paragraph (c) of this Section.
(e)The applicable maximum #floor area ratio# for a #residential building# or the #residential# portion of a #mixed building# shall not be increased by any bonuses or other #floor area# allowances except as provided in paragraph (c) or (d) of this Section.

* * *

81-25
General Provisions Relating to Height and Setback of Buildings

For all #buildings# in the #Special Midtown District#, except as provided in Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT), the height and setback regulations of the underlying districts, *including tower regulations,* are superseded by the provisions of this Section, and by the two alternate sets of regulations controlling the height and setback of #buildings#, as set forth in Sections 81-26 and 81-27 respectively.

An applicant for plan approval by the Department of Buildings may elect to be governed by the provisions of either Section 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) in addition to the provisions of this Section. *and of Section 81-622 (Special height and setback requirements) applicable to a #development# or #enlargement# within the Grand Central Subdistrict.*

This Section sets forth the provisions which are common to both sets of regulations.

* * *

81-40
MANDATORY DISTRICT PLAN ELEMENTS

* * *

81-43
Street Wall Continuity Along Designated Streets

* * *

Pedestrian circulation spaces may be provided to meet the requirements of Section 81-45 **(Pedestrian Circulation Space),** *81-46 or 81-47* subject to the setback restrictions of this Section and to the minimum length of the #street wall# subject to such setback restrictions. However, the City Planning Commission may waive such restrictions for a subway entrance area which is part of a subway station improvement for which bonus #floor area# is granted, in accordance with the provisions of Section *81-53* **81-511** (Subway Station Improvements).

* * *

No arcades, sidewalk widenings or #urban plazas# shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages. **Between 42nd and 56th Street, no arcades or #urban plazas# shall be permitted on Eighth Avenue.** Between 43rd and 50th Streets, no arcades or #urban plazas# shall be permitted on Seventh Avenue or Broadway and, with the exception of marquees and #signs#, any area between the Seventh Avenue or Broadway #street line# and any required #street wall# below the height of the first required setback, including permitted recesses, shall be open from #curb level# to the sky in its entirety. Any such area shall be at the same elevation as the adjoining sidewalk, directly accessible to the public at all times and free of all obstructions at ground level, including #street# trees. On the remaining #streets# designated for #street wall# continuity, arcades, if provided, shall be not less than 10 feet in depth and not more than 30 feet high. Arcades shall not be counted toward the recess allowances.
For #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements).

For #zoning lots# located wholly or partially within the Eighth Avenue Corridor the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements.

On Fifth Avenue, the minimum required #street wall# height without setback shall be 85 feet and the maximum allowable #street wall# height without setback shall be 125 feet. Above the maximum #street wall# height, a setback of at least 10 feet shall be required. (See Section 81-83)

Existing #buildings# on a #zoning lot# shall be included in measurements of the #street wall#. No existing #building# shall be altered such that a #non-compliance# with the provisions of this Section is created, nor shall an existing degree of #non-compliance# with these provisions be increased.

* * *

81-45
Provision of Pedestrian Circulation Space

Within the boundaries of the #Special Midtown District#, except as provided in Section 81-453 (Exemptions from the pedestrian circulation space requirements), all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger and providing more than 70,000 square feet of new #floor area#, shall provide a minimum amount of pedestrian circulation space at the rate provided in Table A.

TABLE A
MINIMUM PEDESTRIAN CIRCULATION SPACE REQUIREMENTS

Lot Size in Square Feet	*Minimum Area of Pedestrian Circulation Space*
5,000 to 20,000	*1 square foot per 350 square feet of new #floor area#*
Above 20,000	*1 square foot per 300 square feet of new #floor area#*

The pedestrian circulation space provided shall be of one or more of the following types: sidewalk widening, arcade, corner arcade, corner circulation space, building entrance recess area, through #block# connection, subway stair relocation, renovation or reconstruction of a subway stair pre-existing on the #zoning lot#, or off-street rail mass transit access improvement.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types or combinations of types outlined in Table B.

Such pedestrian circulation space shall meet the requirements set forth in Sections 81-451 (Design standards for pedestrian circulation spaces), 81-46 (Through Block Connection), 81-47 (Off-Street Relocation or Renovation of a Subway Stair) or 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility). Arcades shall not be subject to the provisions of Section 27-60 (ARCADES), and sidewalk widenings shall not be subject to the provisions of Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

In addition, certain amenities for which bonuses are granted may count toward the minimum area of pedestrian circulation space in accordance with the provisions of Section 81-452 (Bonused amenities qualifying as pedestrian circulation spaces).

Any area of permitted overlap between pedestrian circulation spaces or amenities shall be counted only once toward the minimum area of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

TABLE B
LOT TYPE WHERE CIRCULATION SPACE MAY BE PROVIDED

Type of Circulation Space (Section 81-45)	*#Corner Lot#*	*#Through Lot#*	*#Interior Lot#*
Sidewalk Widening	*X*	*X*	*X*
Corner Circulation Space	*X*	*X*	*X*
Building Entrance Recess Area	*X*	*X*	*X*
Through #Block# Connection	*X*	*X*	*X*
Subway Stair Relocation of Renovation	*X*	*X*	*X*
Off Street Rail Mass Transit Access Improvement	*X*	*X*	*X*

arcades or sidewalk widenings shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to and along Seventh Avenue or Broadway and where pedestrian circulation space is provided along such #street# frontages, #signs# and marquees shall be permitted as exceptions to the requirements related to obstructions or permitted obstructions of Section 81-451 (Design standards for pedestrian circulation spaces). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity along Designated Streets).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street, or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #wide street#.

In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

Within the #Special Midtown District#, all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger with more than 70,000 square feet of new #floor area# shall provide pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The requirements for pedestrian circulation space may be met by providing one or more of the following types of spaces: arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#. Design requirements and, where applicable, the maximum amount of each space that may be counted towards the minimum pedestrian circulation space requirement are set forth in Section 37-07 (Requirements for Pedestrian Circulation Space).

In addition, the following may be counted towards meeting the minimum pedestrian circulation space requirement:

(a)up to a maximum of 3,000 square feet of an access improvement to rail mass transit provided pursuant to Section 81-49 (Off-street Improvement of Access to Rail Mass Transit Facility);

(b)within the Theater Subdistrict, theater waiting space provided pursuant to Section 81-451 (Theater waiting space).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #street#. In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

However, pedestrian circulation space shall not be required if any of the following conditions exist:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with less than 80 feet of #street# frontage;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where arcades, sidewalk widenings or #urban plazas# are prohibited;

(d)the #zoning lot# is an #interior lot# fronting on either 34th Street, 42nd Street, 57th Street or Fifth Avenue, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both #street# frontages less than 25 feet in length.

Arcades or sidewalk widenings shall not be permitted on 34th Street, 42nd Street, 57th Street or Fifth Avenue frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to and along Seventh Avenue or Broadway. Where pedestrian circulation space is provided along Seventh Avenue or Broadway between 43rd and 50th Streets, #signs# and marquees shall be permitted as exceptions to the requirements relating to obstructions or permitted obstructions in Section 37-07 (Requirements for Pedestrian Circulation Space). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity Along Designated Streets).

81-451
Design standards for pedestrian circulation spaces
Theater waiting space

(a) Sidewalk widening

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings. A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than 5 feet nor greater than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk. Except for the permitted interruptions, as set forth in paragraph (a)(2), a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

It shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#. A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #wide street line# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #wide street street line# to its intersection with the other #street street line# on which the #zoning lot# fronts.

(2)Permitted interruptions

Only under the following conditions shall any interruptions of the continuity of a qualifying sidewalk widening be permitted:

(i)A sidewalk widening may be interrupted by an arcade which has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening.

(ii)A sidewalk widening may be overlapped by a corner circulation space or a #building# entrance recess area which permits uninterrupted pedestrian flow.

(iii)A sidewalk widening may be overlapped by an #urban plaza# as set forth in Section 81-23, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening.

(iv)An off-street subway entrance may interrupt a sidewalk widening provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#.

(v)A sidewalk widening may be overlapped by the queuing space of a relocated or renovated subway entrance provided that the queuing space for the entrance leaves at least a 5 foot uninterrupted width of sidewalk widening along the entire length of the queuing space.

(vi)A sidewalk widening may be interrupted by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, or a through #block urban plaza#, or a through #block# galleria at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall

be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (5) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area (measured on the plan) of such elements does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least 8 feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or trash storage is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than 5 feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture, or #building# transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building#, or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(b) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner circulation space shall meet the following requirements:

(1)Dimensions
A corner circulation space shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies; provided that the total area of such elements does not exceed 20 percent of the corner circulation space area; and that such elements and any attachments thereto are at least 8 feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings except for drainage are permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space. An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(c) Arcade

An arcade is a continuous covered space which adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#.

An arcade shall meet the following requirements:

(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet exclusive of all columns and a maximum width of 15 feet inclusive of columns. No column width shall be greater than 5 feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:

(a)it has a continuous unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or on a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent lot matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, for the full length of the new #building# frontage, whichever is greater.

(iii On the #narrow street# frontage of a #corner lot#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: an intersecting #street#, an intersecting sidewalk widening, a corner arcade, a #plaza#, an #urban plaza#, a through #block# connection, a through #block# galleria, a relocated or renovated subway entrance, or an off-street rail mass transit access improvement.

(iv)On a #wide street#, an arcade is permitted only if:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block# front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: an intersecting sidewalk widening, a corner circulation space, a #plaza# or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment as required in this paragraph (iv)(c), a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block# front is provided by the arcade in combination with such existing spaces.

(2)Full #block# front arcade

When a #zoning lot# occupies a full #block# front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be completely free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (c)(1), parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

(5)In the Theater Subdistrict, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, are permitted within such arcade, and the height and width of such arcade shall be limited to a maximum of 20 feet and 10 feet respectively.
(6)All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(d)Corner arcade

A corner arcade is a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner arcade shall meet the following requirements:

(1)Dimensions

A corner arcade shall have the same minimum dimensions as a corner circulation space and in addition shall have a height of not less than 12 feet and shall provide a clear path at least 12 feet wide from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns a corner arcade shall be free of obstructions of any kind.

(3)Specific prohibitions

Same as for an arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(e)Building entrance recess area

A building entrance recess area is a space which adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to a ground floor #use# entrance. A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line#, and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least 5 feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with a sidewalk widening, an arcade, a corner arcade, or a corner circulation space and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(f) Through #block# connection

The design standards for a through #block# connection are set forth in Section 81-46 (Through Block Connection).

(g)Off-street relocation or renovation of a subway stair

The design standards for a relocated or renovated subway stair are set forth in Section 81-47 (Off-Street Relocation or Renovation of a Subway Stair).

(h)Off-street improvement of access to rail mass transit Facility

The design standards for an off-street rail mass transit access improvement are set forth in Section 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility).

Theater waiting space shall be an unobstructed area providing outdoor waiting space for a theater audience, located immediately adjacent to the sidewalk and to a theater listed in Section 81-742 (Listed Theaters) or a new theater designed and intended to show live theatrical performances. Theater waiting space may be located on the same #zoning lot# occupied by a theater or a #zoning lot# immediately adjacent to a theater, and shall meet the following requirements:

(a)such space shall adjoin and open onto a sidewalk or sidewalk widening for its entire length and shall have a minimum length of 30 feet measured parallel to the #street line# and a minimum clear depth of 10 feet measured perpendicular to the #street line# exclusive of any columns. Its level shall be entirely the same as that of the adjoining sidewalk. When located under an overhanging portion of a #building or other structure#, it shall have a minimum clear height of 15 feet and be free of any obstructions except for #building# columns;

(b)such space shall provide direct access to a #building's# entrance or the theater's lobby. Where the theater and the theater waiting space are on separate #zoning lots#, a plaque shall be provided within the theater waiting space adjacent to the theater stating that the space is available as a waiting area for the theater audience. Such plaque shall be placed between four feet and six feet above #curb level#, and shall be visible from the sidewalk;

(c)such space shall not adjoin a driveway or an off-#street# loading berth;

(d)the entire theater waiting space shall be illuminated with a minimum level of not less than eight horizontal foot-candles (lumens per foot), and

The theater waiting space may overlap with a sidewalk widening, an arcade, a corner arcade, a corner circulation space, or a building entrance recess area. However, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

81-452
Bonused amenities qualifying as pedestrian circulation spaces

A portion of the following amenities, for which bonuses are granted pursuant to this Chapter, may be counted toward the minimum pedestrian circulation space requirements:

(a)Through #block# galleria (see Section 81-748), up to a maximum of 3,000 square feet.
(b)Through #block urban plaza# (see Section 81-23), up to a maximum of 3,000 square feet.

(c)#Urban plaza# (see Section 81-23)

(1)For an #urban plaza# that faces a #street# intersection or provides access to a major #building# entrance: 30 percent of the #urban plaza's# area.

(2)For other #urban plazas#: the first 10 feet of depth from the #street line#, provided that it conforms to the design standards of a sidewalk widening.

(d)Subway station improvement (see Section 81-53), up to a maximum of 3,000 square feet.

81-453
Exemptions from the pedestrian circulation space requirements

Under any of the following conditions a #development# or #enlargement# shall not be required to provide pedestrian circulation space:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with frontage length less than 80 feet;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where no arcade, sidewalk widening or #urban plaza# is permitted, such as Fifth Avenue, 42nd Street, 34th Street and 57th Street or any #street# within the Preservation Subdistrict;

(d)the #zoning lot# is an #interior lot# fronting on either Fifth Avenue, 42nd Street, 34th Street or 57th Street, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both frontages less than 25 feet in length.

81-454
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of the minimum amount of pedestrian circulation space to be provided on #wide street# frontages as required in Section 81-45 (Provision of Pedestrian Circulation Space) and design standards, as indicated, for the required pedestrian circulation spaces listed below, to be provided within or under an existing #building# to remain on a #zoning lot#.

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes.

(b)Corner circulation space or corner arcade: minimum depth, minimum width of clear path, minimum height, obstructions.

(c)Entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall.

(d)Through #block# connection: minimum width of unobstructed path minimum height, #curb level# relationship.

The Commission may authorize a modification of the above design standards when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent to the required space in quality, effectiveness and suitability for public use.

81-46
Through Block Connection

A through #block# connection between two parallel or nearly parallel east-west #streets# may be provided for a #development# or #enlargement# on any #through lot# or

#through lot# portion of a #corner lot# and may count toward the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space) provided that it shall be located at least 150 feet from a north-south #street# and shall meet the standards set forth below in Section 81-461 (Locational standards) and in Section 81-462 (Design standards for a through block connection).

81-461
Locational standards

(a)A through #block# connection shall count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space) only if it is located not less than 150 feet from a north-south #wide street#.

(b)To count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space), a qualifying through #block# connection shall meet the following additional locational requirements:

(1)Where the #zoning lot# or a portion thereof is directly across a #street# from and opposite to an existing through #block# connection on an adjacent #block# to the north or south and the existing connection is at least 150 feet from a north-south #wide street#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(2)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space).

(3)Notwithstanding the provisions of paragraphs (1) and (2) of this Section, no through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

81-462
Design standards for a through block connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the #building's# main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#. A through #block# connection shall meet the following requirements:

(a)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(b)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide through its entire length a clear path accessible to the handicapped.

(c)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(d)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the #building's# main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(e)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the #building's# main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(f)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(g)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted in prominent, visible locations at its entrances signs meeting the standards set forth in paragraph (h) of this Section.

(h)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(1)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(i)a public space symbol which is at least 14 inches square in dimension; has a white background; has a grid of four straight lines no greater than one-eighth inch wide and green in color; and has a tree shaped symbol as shown:

(Tree Symbol)

(ii)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(iii an international Symbol of Access for the physically handicapped at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent free standing post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(2)For an enclosed through #block# connection or a portion thereof:

(i)a public space symbol as described in paragraph (h)(1)(i) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(ii)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block# connection passes. This lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol and

(iiil ettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow; the information shall be located not higher than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

*81-47***81-46**
Off-Street Relocation or Renovation of a Subway Stair

Where a #development# or #enlargement# is constructed on a #zoning lot# which fronts on a sidewalk containing a stairway entrance or entrances into a subway and such #zoning lot# contains 5,000 square feet or more of #lot area#, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

Where a #development# or #enlargement# is constructed on a #zoning lot# containing an existing stairway entrance or entrances into a subway and such entrance or entrances are renovated or reconstructed in accordance with the provisions of Sections 81-471 and 81-473, such entrance or entrances may count as pedestrian circulation space as set forth in Section 81-472 (Relocated or renovated subway stair as pedestrian circulation space).

81-471
Standards for location and design

(a) Location

The relocated or renovated entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk or at least one of the following public spaces, which shall have a minimum horizontal dimension equal to the width of the relocated stairs:

sidewalk widening (Section 81-45)
corner circulation space (Section 81-45)
arcade (Section 81-45)
corner arcade(Section 81-45)
building entrance recess area(Section 81-45)
#urban plaza# (Section 81-23)
The relocated or renovated entrance may be provided within a #building# but shall not be enclosed by any doors. The area occupied by a relocated or renovated entrance within a #building# shall not be counted toward the #floor area# of the #development# or #enlargement#.

(b) Design standards

The following standards are taken from the current New York City Transit Authority's station planning guidelines.

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of 5 feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

The relocated or renovated stairway entrance shall meet Transit Authority standards and requirements for all of the following: riser and tread relationships, handrails, passageways, ramps, lighting, finish material, ventilation, information signage, and (where provided) weather protection.

In addition and for a relocated entrance only, the relocated entrance shall have a queuing space at the top and bottom of the stairs at least 8 feet wide and 15 feet long. Such queuing space may overlap with a sidewalk widening, or an arcade, or an #urban plaza#.

Where two or more existing stairway entrances are being relocated and/or renovated as part of the same #development#, the new entrance or entrances shall have total stair widths whose sum is equal to or greater than the sum of the stair widths of those existing stairway entrances. The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

The relocated or renovated entrance may be located within an #urban plaza#, provided that the minimum width of the stairs is 10 feet and the queuing area required for a relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated or renovated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

The relocated or renovated entrance shall connect to an existing or proposed subway passageway or shall connect, via an underground passageway, to a mezzanine area of the subway station.

The below-grade portion of a relocated or renovated entrance may be constructed within the #street#.

These standards may be modified or waived by the City Planning Commission upon a finding that their enforcement would not contribute to good site planning.

(c) Hours of public accessibility

The relocated or renovated entrance shall be accessible to the public during the hours when the connected mezzanine area is open to the public or as otherwise approved by the Transit Authority.

81-472
Relocated or renovated subway stair as a pedestrian circulation space

One and a half times the area, measured at #street# level, of either of the following types of subway stair entrances may count toward meeting the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space):

(a)a new relocated subway entrance; or

(b)an existing subway stair entrance which is contained within the #zoning lot# and has been renovated or reconstructed so that it meets all of the requirements and standards set forth in Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

81-473
Administrative procedure for subway stair relocation or renovation

(a)Except as otherwise provided in paragraph (b) of this Section, no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued for any #development# or #enlargement# which is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space, unless:

(1)for a relocated entrance, such plan includes a stair relocation plan and related documents which bind the developer to:

(i)construct the new stair entrance in accordance with such plan;

(ii)demolish above ground elements of the existing entrance;

(iii seal the existing entrance at the sidewalk level; and

(iv)maintain the work performed on the stair.

For a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents which bind the developer to:

(i)renovate or reconstruct the entrance in accordance with such plan; and

(ii)maintain the work performed on the entrance.

(2)Such plan and related documents bear the Transit Authority's approval.

(3)Such plan is accompanied by a certified copy of an agreement, as recorded, between the Transit Authority and the owner for an easement on the #zoning lot# for subway related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and is accompanied by the Register's receipt of recordation.

(b)For a relocated entrance only, in the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission by joint certification may release the developer from the requirement. In such event, the stair relocation requirement shall be satisfied by retention of the existing stair and provision on the #zoning lot# of a pedestrian circulation space qualifying under the provisions of Section 81-45 (Provisions of Pedestrian Circulation Space) and which accommodates pedestrian traffic passing the existing stair entrance. Such space shall have a width equal to at least one and one half times the width of the existing stair entrance and shall extend along the full length of the stair entrance.

(c)No certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space unless and until all of the work required under paragraph (a)(1) of this Section has been completed and the Transit Authority has so certified in writing to the Department of Buildings.

Where a #development# or #enlargement# is constructed on a #zoning lot# that contains at least 5,000 square feet of #lot area# and fronts on a sidewalk containing a stairway entrance or entrances into a subway station, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair). A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The subway stations where such improvements are required are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-50
INCENTIVES BY SPECIAL PERMIT FOR PROVISIONS OF PUBLIC AMENITIES

81-51
General Provisions and Procedures

Except in the Preservation Subdistrict and except for #zoning lots# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action, may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 81 53 (Subway Station Improvements). However, in the Theater Subdistrict, no special permit shall be issued pursuant to th provisions of Section 81-53 without prior certification by the City Planning Commission that either:

(a)there is not available to the applicant any feasible alternative involving the preservation or rehabilitation of an existing theater for which bonus #floor area# may be authorized by special permit or certification; or

(b)the amenity for which the special permit is requested, because of its importance to the surrounding area, has priority over any

feasible alternative involving the preservation or rehabilitation of an existing theater.

The total additional #floor area# permitted on the #zoning lot# by such special permit shall in no event exceed the amount permitted in the underlying district by the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

Within the #Special Midtown District#, certain special permit provisions of Article VII, Chapters 3,4, 8 and 9 are inapplicable or subject to modification, as set forth in Section 81-60 (APPLICABILITY OF ARTICLE VII PROVISIONS).

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-53
Subway Station Improvements

The City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may grant #floor area# bonuses and waive or modify #street wall# continuity provisions for #developments# or #enlargements# which provide major improvements for adjacent subway stations in accordance with the provisions of this Section. The subway stations where such improvements may be constructed are listed in Section 81-531 (Midtown subway stations) and located as shown on Map 3 (Subway Station Improvement Areas) in Appendix A. The #zoning lot# for the #development# or #enlargement# on which such a #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed.

In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," upon completion of the improvement it must physically adjoin a station mezzanine, platform, concourse or connecting passageway.

81-532
Selection of improvements

The selection of improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, the New York City Transit Authority, and the City Planning Commission.

81-533
Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the current station planning guidelines of the Transit Authority.

81-534
Procedure

(a)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the MTA, Transit Authority and the Commission.

(b) Application - Pre-certification

After review and agreement on concept by the Metropolitan Transit Authority (MTA), the New York City Transit Authority and the New York City planning Commission, the applicant shall submit documentation deemed necessary by the reviewing agencies. Prior to certification by the Commission, the Transit Authority and the MTA shall each provide a letter to the Commission containing a conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(c)The special permit application to the Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and, where applicable, assessing the advantages and disadvantages of waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets).

(d)Uniform Land Use Review Procedure - Certification

The Commission shall not certify an application under the Uniform Land Use Review Procedure (ULURP) until the requisite letters from the Transit Authority and the MTA have been received and are incorporated in the application. Such letters may be subject to subsequent execution of a final agreement with the developer.

(e)Prior to the granting of a special permit the Transit Authority shall have submitted a letter to the Commission:

(1)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other conditions as may be appropriate; and

(2)confirming that the construction of the subway improvement in accordance with such submission is feasible.

The applicant shall sign a legally enforceable instrument running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(f)Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for New York County and a certified copy of the instrument shall be submitted to the Commission and the Transit Authority. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until the Transit Authority has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean usable by the public.

(g)The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by the Transit Authority.

81-535
Floor area bonus

(a)The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no bonus #floor area# to the maximum amount allowable by special permit, as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings). In determining the precise amount of #floor area# bonus, the Commission shall make findings on the following:

(1)the degree to which the station's general accessibility and security will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(2)significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and satisfactory integration of the #street# level entryway into the #development# or #enlargement#.

(b)No bonus #floor area# shall be granted for any #development# or #enlargement# located on a #zoning lot# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions).

(c)For a #development# or #enlargement# located on a #zoning lot# divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71, the amount of bonus #floor area# granted shall be subject to the provisions of paragraph (a) of this Section, but shall not exceed the amount of #floor area# derived from applying the maximum bonus #floor area# allowance as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) over the sum of:

(1)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

*

(2)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (c)(1) of this Section.

If the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, such bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

81-536
Waiver or modification of street wall continuity provisions

As a condition for waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets), the Commission shall find that the waiver or modifications will permit the proposed design to provide for access of daylight and air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# continuity and retail continuity.

The Commission in granting such waiver or modification shall specify the depth of the setback permitted and the amount by which the required length of #street wall# subject to setback restrictions is reduced.

81-51
General Provisions and Procedures

The City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of this Section.

81-511
Subway Station Improvements

Except in the Preservation Subdistrict and except for #zoning lots# wholly within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan). The subway stations where such improvements are permitted are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-70
SPECIAL REGULATIONS FOR THEATER SUBDISTRICT

81-71
General Provisions

The regulations of Sections 81-72 to 81-75, inclusive, relating to Special Regulations for the Theater Subdistrict are applicable only in the Theater Subdistrict, *and in* **of which** the Theater Subdistrict Core **and the Eighth Avenue Corridor are parts**. *The Theater Subdistrict extends from 40th Street to 57th Street and from Avenue of the Americas to Eighth Avenue.* **The Theater Subdistrict Core extends from 43rd Street to 50th Street and from a line 200 feet west of Avenue of the Americas to a line 100 feet east of Eighth Avenue.**

*

The Theater Subdistrict is bounded by West 57th Street, Avenue of the Americas, West 40th Street, Eighth Avenue, West 42nd Street, a line 150 feet west of Eighth Avenue, West 56th Street, and Eighth Avenue.

The Theater Subdistrict Core is bounded by West 50th Street, a line 200 feet west of Avenue of the Americas, West 43rd Street and a line 100 east of Eighth Avenue.

The Eighth Avenue Corridor is bounded by West 56th Street, a line 100 feet east of Eighth Avenue, West 43rd Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue.

The west side of Eighth Avenue between 42nd and 56th Street is also subject to the provisions of the Special Clinton District to the extent set forth in Article IX, Chapter 6 subject to Section 81-023 (Applicability of Special Clinton District Regulations).

Their **These** boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A.The regulations of Sections 81-72 to 81-75, inclusive, supplement or modify the regulations of this Chapter applying generally to the #Special Midtown District# of which the Subdistrict, *and the Core are* **is a** parts.

In order to preserve and protect the character of the Theater Subdistrict as a cultural, theatrical and entertainment showcase as well as to help insure a secure basis for the useful cluster of shops, restaurants and related amusement activities, special incentives and controls are provided for the preservation and rehabilitation of existing theaters, **and the creation of new legitimate theaters,** and special restrictions are placed on ground floor #uses# within the Subdistrict.In order to preserve and protect the special scale and character of the Theater Subdistrict Core, which includes Times Square, special #building street wall# height and setback controls and requirements for the inclusion of #illuminated signs# and entertainment and entertainment-related #uses# apply within the Subdistrict Core. **In order to ensure the orderly growth and development of the Eighth Avenue Corridor and its transition to the scale and character of adjoining midblocks, special building street wall, height and setback controls apply within the Corridor. In order to preserve and maintain the character of the western edge of the Theater Subdistrict as both an integral part of the Theater Subdistrict and as a transition to the Clinton neighborhood, the west side of Eighth Avenue between 42nd and 56th streets is also subject to the provisions of the Special Clinton District.**

The Mayor of the City of New York shall appoint a Theater Advisory Council (the Council) and name a chairperson. Other members of the Council shall include representatives of the performing arts, the theatrical industry and related professions.The Council shall advise the City Planning Commission concerning applications for special permits or certifications pursuant to Section 81-74.

The City of New York acting through the Mayor shall designate a Theater Subdistrict Council ("Council") comprised of representatives of the performing arts, the theatrical industry and related professions, and which may include government representatives and representatives of Business Improvement Districts and economic development projects active within the Theater Subdistrict.The Council shall be a not-for-profit organization whose organizational purpose shall be limited solely to promoting theater and theater-related use and preservation within the Theater Subdistrict and promoting the welfare of the Theater Subdistrict generally.The Council shall advise the Chairperson or the City Planning Commission concerning applications for any special permit or certification pursuant to the special regulations for the Theater Subdistrict and shall be the holder and administrator of the funds received in connection with transfers of development rights from listed theaters pursuant to Section 81-744 (Transfer of development rights from listed theaters) in accordance with the provisions for the Theater Subdistrict Fund set forth in paragraph (h) of Section 81-741 (General Provisions).

Applications shall be referred by the Commission to the Council for an advisory report prior to certification for ULURP (Uniform Land Use Review Procedure) review.Such advisory report shall assist the **Commission in evaluating each special permit application and in making each of the required findings therein concerning demolition pursuant to Section 81-742 or the #floor area# bonus pursuant to Sections 81-744 or 81-745.In all special permits or certifications involving the preservation or rehabilitation of existing theaters, the Council shall advise the Commission on the adequacy of the assurances required by Section 81-743 for continuance of legitimate theater #use#.**

81-72
Use Regulations Modified

Within that portion of the Theater Subdistrict bounded by West 40th Street, **a line 100 feet east of** Eighth Avenue, West 51st Street and **a line 200 feet west of** Avenue of the Americas, #uses# which are created by #development#, or which are #enlarged# or #extended#, shall be subject to the provisions of this Section.

* * *

81-723
Special ground floor street frontage restrictions

No single establishment shall have a #wide street front lot line# ground level frontage of less than 10 feet. *or, except in the case of theaters, greater than 40 feet.*

* * *

81-724
Requirements for entertainment-related uses

With the exception of a #development# or #enlargement# in which more than 50 percent of the new #floor area# is allocated to #transient hotel use#, a #development# or #enlargement# on a #zoning lot# with more than 50 percent of its #zoning lot# area located within the Theater Subdistrict Core shall meet the following requirements:

(a)If the new #floor area# of the #development# or #enlargement# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 60,000 square feet, an amount of floor space on the #zoning lot# equal to five percent of the amount by which the new #floor area# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 50,000 square feet shall be allocated to #uses# listed in Section 81-725 (Entertainment-related uses) or #front lot line# ground level #uses# designated thus (***) in Section 81-722 (Use Group T) as satisfying the requirements of this Section.

Except as provided below, the amount of floor space specified shall be located on the same #zoning lot# as the #development# or #enlargement# for which that floor space is provided to meet the requirements of this Section.

(b) Alternatively, *by authorization of the City Planning Commission,* a maximum of 75 percent of the amount of floor space specified *above* **in paragraph (a) of this Section** may be located on a separate #zoning lot#, with the remainder located on the same #zoning lot# as the #development# or #enlargement#, **by authorization of the City Planning Commission** provided, upon examination of proposed plans, the Commission finds that:

(1)either **of the following conditions exist**:

(i)more than 50 percent of the area of the separate #zoning lot# is located within the Theater Subdistrict Core; or

(ii)the *portion of* floor space located on the separate #zoning lot# is allocated in its entirety to studios; music, dancing or theatrical, as listed in Section 81-725 (Entertainment-related uses) and the separate #zoning lot# is located within the Theater Subdistrict;

(2)the *portion of* floor space located on the separate #zoning lot# is *provided separately from and* in addition to any floor space provided to meet the requirements of this Section for any other #development# or #enlargement#;

(3)the *portion of* floor space located on the separate #zoning lot# is constructed or renovated specifically for the purpose of meeting the requirements of this Section and has not been utilized for any of the #uses# listed in Section 81-725 (Entertainment-related uses) at any time during the *period of* two years **period** immediately prior to the date on which authorization described in this *paragraph (a)* **Section** is granted; and

(4)the #use# located on the separate #zoning lot# *maintains* **achieves** a reasonable distribution of entertainment-related #uses# and locations of such #uses#.

* * *

81-74
Special Incentives and Controls in the Theater Subdistrict

81-741
General provisions

(a)Special permits by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission, after public notice and hearing and subject to Board of Estimate action, may grant special permits:

(1)authorizing #floor area# bonuses for rehabilitation of existing theaters in accordance with the provisions of Section 81-745;
(2)authorizing transfer of development rights from #zoning lots# occupied by theaters which are designated landmarks in accordance with the provisions of Section 81-747; and

(3)authorizing demolition of theaters where permissible under the provisions of Section 81-742.

(b)Certification by the Chairperson of the City Planning Commission

By certification of the Chairperson of the City Planning Commission:

(1)bonus #floor area# may be authorized for the retention of any eligible existing listed theater in accordance with the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters);

(2)the Special Provisions for Zoning Lots Divided by District Boundaries (Article VII, Chapter 7) may be modified in the case of a #zoning lot# partly occupied by a listed theater in accordance with the provisions of Section 81-746 (Modification of special provisions for zoning lots divided by district boundaries); or

(3)bonus #floor area# may be authorized for a through #block# galleria in accordance with the provisions of Section 81-748 (Floor area bonus for through block galleria).

(a)Certification by the Chairperson of the City Planning Commission

In the Theater Subdistrict, the following actions are permitted upon certification by the Chairperson of the City Planning Commission:

(1)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(2)modification of the provisions of Article VII, Chapter 7 (Special Provisions for Zoning Lots Divided by District Boundaries) in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(b)Special Permit by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission may allow, by special permit:

(1)demolition of a theater where permissible under the provisions of Section 81-742 (Listed theaters);

(2)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(3)a #floor area# bonus for rehabilitation of an existing theater in accordance with the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing theaters);

(4)transfer of development rights from a #zoning lots# *occupied by a theater which is a designated landmark in accordance with the provisions of Section 81-747 (Transfer of development rights from landmark theaters), and*

(5)additional #floor area# and modifications to the special #street wall# and setback regulations set forth in Section 81-751 (Special street wall and setback regulations within the Theater Subdistrict Core) in connection with legitimate theater use within a #development# or #enlargement#, in accordance with the provisions of Section 81-748 (Floor area for new legitimate theaters).

(c)Additional floor area bonuses

All #developments# located on the west side of Eighth Avenue between 42nd and 56th Streets within the Theater Subdistrict may receive an increase in #floor area# pursuant to Section 96-21 (Floor Area Increase) for those #developments# complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING).

*(c)***(d)**Required assurances

All *such authorizations by* special permits or certifications *and* involving preservation of existing theaters shall be subject to the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use).

(d)(e) Limits on total additional #floor area#

Except as otherwise provided in Section 81-212 (Special provisions for transfer of development rights from landmark sites), the total additional #floor area# permitted on the #zoning lot# by such special permit or certification, together with all bonus #floor area# or #floor area# derived from transferred development rights under other provisions of this Chapter, shall in no event exceed the maximum amount permitted by **certification or** special permit as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

*(e)(f)*Limitations on non-theater related bonuses in C6-4, C6-5 or M1-6 Districts

For #zoning lots# or portions thereof in C6-4, C6-5 or M1-6 Districts, the total amount of #floor area# derived from non-theater related bonuses or other special #floor area# allowances pursuant to provisions of this Chapter other than those in Sections 81-744, 81-745, 81-746 or 81-747 *relating to the preservation of existing theaters* shall not exceed a #floor area ratio# of 2.0.

*(f)(g)*Theater-related bonus #floor area# for #residences# in C6-4 and C6-5 Districts

For #zoning lots# or portions thereof in C6-4 or C6-5 Districts, some or all of the bonus #floor area# or other special #floor area# allowances permitted pursuant to the provisions of Sections 81-744, 81-745, 81-746 or 81-747, relating to the preservation or rehabilitation of existing theaters, may be allocated to a #residential building# or the #residential# portion of a #mixed building#, provided that the total #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0.

(h)Theater Subdistrict Fund

In furtherance of the purposes of this Section, the Theater Subdistrict Council shall establish a separate interest-bearing account (the "Theater Subdistrict Fund" or "Fund") for the deposit and administration of the revenues received by the Theater Subdistrict Council generated by the transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Upon receipt of any revenue generated pursuant to such Section, the Theater Subdistrict Council shall notify the Comptroller and the Department of City Planning, and promptly deposit such revenues into the Theater Subdistrict Fund and shall expend such revenues and any interest accumulated thereon in the following manner:

(i) a portion of any such revenues shall be reserved, sufficient in the judgment of the Theater Subdistrict Council but in no event less than 20 percent of such revenues, to undertake the ongoing periodic inspection and maintenance report requirements pursuant of paragraph (c) of Section 81-743.

(ii)the remainder of such revenue shall be used for activities chosen by the Theater Subdistrict Council furthering the objectives and purposes of this Section, which activities may include judicial or administrative proceedings instituted by the Theater Subdistrict Council against any property owner or lessee to enforce the obligations of such owner or lessee pursuant to any restrictive declaration entered into in connection with a transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Notwithstanding the foregoing, funds shall not be used for the physical repair and preservation of theaters.

The Theater Subdistrict Council shall provide an annual report to the Department of City Planning indicating the amounts and dates of any deposits to the Theater Subdistrict Fund in the immediately preceding calendar year, the balance of the Theater Subdistrict Fund at the close of the calendar year, the amounts expended on activities within the Theater Subdistrict and the nature of those activities. The Theater Subdistrict Council shall maintain complete, accurate and detailed records, with supporting documentation, in respect to all deposits to and withdrawals from the Theater Subdistrict Fund, and shall make such records available to the City of New York and the Department of City Planning upon reasonable notice and during business hours for inspection and copying.

(g)Certification for subway station improvements

Within the Theater Subdistrict, any application for a special permit pursuant to the provisions of Section 81-53 (Subway Station Improvements) shall be subject to prior certification by the City Planning Commission in accordance with Section 81-51 (General Provisions).

81-742
Restrictions on demolition of theaters
Listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(a)it is an unsafe #building# and demolition is required pursuant to the provisions of Chapter 26, Title C, Part I, Article 8 of the New York City Administrative Code;

(b)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 207-8.0 of Chapter 8A of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(c)the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action permits its demolition upon making the following findings:

(1)that demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase, taking into consideration any or all of the following list of factors:

(i)current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(ii)history of its #use# as a legitimate theater, presenting legitimate attractions to the general public;

(iii)likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry;

(iv)applicant's plans, if any, for replacement of the theater structure with a #development# containing replacement #uses# supportive of the character of the Theater Subdistrict; and

(2)that there exists a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater shall reserve floor space at least equivalent in amount to the total #floor area# of the theater devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. If the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may authorize a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of Section 81-724 (Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

The theaters to which the provisions of this Section apply are predominantly free standing theaters with full stage and wings and are identified as listed theaters in Table A of this Section.

Indicates theater which may be retained for a #floor area# bonus under the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters), provided that it is not already subject to an agreement under Section 81-743 (Required assurances for continuance of legitimate theater use).

In the case of an existing legitimate theater for whose construction bonus #floor area# was granted pursuant to regulations in effect prior to the May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(a)Designation of listed theaters

Listed theaters are theaters to which special provisions of this and other Sections as set forth in 81-741 (General Provisions) apply, and are predominantly free-standing theaters with full stage and wings. The theaters identified in the following table are designated as "listed theaters."

***Indicates theaters which do not qualify as a "granting site" pursuant to Section 81-744 (Transfer of development rights from listed theaters).**

In the case of an existing legitimate theater that received a #floor area# bonus pursuant to regulations in effect prior to May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(b)Restrictions on demolition of listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(1)it is an unsafe #building# and demolition is required pursuant to the provisions of Section 26-127 of Title 26, Chapter 1 of the New York City Administrative Code;

(2)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 25-309 of Title 25, Chapter 3 of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(3)the City Planning Commission, by special permit, allows its demolition in accordance with the provisions of paragraph (c) of this Section.

(c)Special permit for demolition of listed theaters

The City Planning Commission may allow, by special permit, the demolition of a theater designated as a listed theater pursuant to this Section provided the Commission finds that the demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase. In making this determination, the Commission may consider any or all of the following:

(1)the current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(2)the history of the theater's #use# as a legitimate theater, presenting legitimate attractions to the general public;

(3)the likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry; and/or

(4)that the applicant's plans, if any, for replacement of the theater structure with a #development# contain replacement #uses# supportive of the character of the Theater Subdistrict.

As a condition of the special permit, there shall exist a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater, that floor space at least equivalent in amount to the total #floor area# of the theater shall be reserved or devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. Notwithstanding the foregoing, if the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may permit a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

81-743
Required assurances for continuance of legitimate theater use

(a)*As a condition for* **Prior to** the issuance of any special permit under the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing listed theaters) or Section 81-747 (Transfer of development rights from landmark theaters), or the issuance of a certification under the provisions of Section 81-744 *(Floor area bonus for retention of certain existing listed theaters)* **(Transfer of development rights from listed theaters)** or Section 81-746 *(Modification of special provisions for zoning lots divided by district boundaries* **Additional provisions for zoning lots divided by district or subdistrict core boundaries)**, *there* **the following conditions** shall exist:

*(a)(1)*a signed lease from a prospective theater operator, or a written commitment from the owner of the theater if such owner is also the operator, *with credentials acceptable to the City Planning Commission,* for occupancy of the theater and its operation as a legitimate theater for a period of not less than five years;

(2)a licensed engineer's and/or architect's report certifying either that the theater is physically and operationally sound so as to permit its use as a legitimate theater or, if it is determined that the theater is not physically or operationally sound, a plan and program for the upgrade of the theater to put it in condition of physical and operational soundness. For the purposes of this subsection, physical and operational soundness shall include the structural integrity of the exterior and interior elements of the building to the extent that they relate to the theater; compliance with applicable electrical and fire safety codes, and compliance with applicable building code standards.The plan and program shall further provide that adequate resourcesbe available to ensure timely completion of the scope of work identified in the plan and program as necessary to ensure the physical and operational integrity of the theater.

In the event that the theater has been designated as a landmark or an interior landmark by the Landmarks Preservation Commission, physical and operational soundness shall include preserving the integrity of existing significant architectural features identified in the Landmarks Preservation Commission designation report. In such case, a licensed engineer and/or architect with knowledge of historic preservation and credentials acceptable to the Landmarks Preservation Commission shall prepare a report documenting the condition of such significant architectural features and, if determined to be necessary, a plan and program to preserve such significant features in a state of good physical repair and sound proper condition. Such plan and program shall provide that adequate resources be available to ensure timely completion of the scope of work identified in the plan and program. Any certification report regarding a landmark or interior landmark theater shall be submitted concurrently to the Landmarks Preservation Commission and the Chairperson of the City Planning Commission;

(c)a plan and program approved by the Commission for periodic inspection and continuing maintenance of the theater to ensure its continuing availability for theater #use#. Inspections shall be conducted by a certified engineer and/or architect, and a report of each such inspection given to Commission at least once every three years. The plan and program shall further provide that adequate financial resources will be available to ensure the timely completion of all maintenance and repairs which the periodic inspection report determines are necessary to protect the integrity and functioning of the theater; and

(3)a legal commitment providing for inspection and ongoing maintenance of the theater to ensure its continued availability for theater use. Such inspection shall be conducted every ten years by a licensed engineer and/or architect or by the Theater Subdistrict Council, and a report issued to the Chairperson of the City Planning Commission. Such report shall also be issued to the Theater Subdistrict Council unless the Theater Subdistrict Council has performed such inspection, and, in the event the theater has been designated a landmark or an interior landmark, such report shall also be issued to the Landmark Preservation Commission. Such reports shall describe the condition of the theater and identify any maintenance or repair work necessary to ensure the physical and operational soundness of the theater and to maintain the condition of any landmark architectural features and establish a plan and program for such work, including providing that adequate resources be made available to ensure timely completion of such maintenance or repair work;

*(b)***(4)**a legal commitment *binding upon the owner and lessee of the theater* for continuance of its #use# as a legitimate theater for the life of the related #development#, **that may be modified only in accordance with paragraphs (b) or (c) of this Section.**

Such legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, lessee of the theater and their successors and assigns, a certified copy of which shall be submitted to the City Planning Commission. The filing of such declaration and the posting of any bond or other security required by the declaration and receipt of such certified copy shall be preconditions to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the receiving site.

(b)The City Planning Commission may authorize a temporary change of #use# of such theater, for a period no longer than a year, to other uses that contain a theatrical component and are consistent with the objectives and purpose of the Theater Subdistrict subject to the following findings:

(1)the theater has not been used for legitimate theater purposes for more than 60 percent of the days over a minimum period of five years;

(2)the change of #use# shall not include structural changes or other physical changes that would preclude or negatively impact the continued availability of the theater for legitimate theater, after such temporary #use#; and

(3)the theater has complied with all written agreements and commitments set forth in this Section.

Upon application, the authorization may be renewed or extended for two additional one-year terms, for a maximum total of three years by the Chairperson of the City Planning Commission based on the determination that the facts have not substantially changed.

(c)The City Planning Commission, after a period of no less than 25 years from the latter of either the date of approval of a certification or special permit resulting in the legal commitment for continuing #use# of a theater as legitimate theater pursuant to this Section, or (the effective date of this amendment), by special permit may reduce or discontinue such theater's #use# as a legitimate theater subject to a finding that the proposed reduction or discontinuance would result in a change of #use# that will provide a public benefit consistent with the objectives and purpose of the Theater Subdistrict as set forth in Section 81-71 (General Provisions).

81-744
Floor area bonus for retention of certain existing listed theaters

The Chairperson of the City Planning Commission by certification may authorize bonus #floor area# for any #development# or #enlargement# where an agreement exists to retain and maintain for legitimate theater #use# one or more eligible listed theaters as set forth in Section 81-742 (Restrictions on demolition of theaters). The #development# or #enlargement# and each listed theater to be retained may be located on the same or a separate #zoning lot#.

(a)Amount of retention bonus

(1)If the #zoning lot# on which the #development# or #enlargement# is located is within the Theater Subdistrict but wholly outside of the Theater Subdistrict Core, all as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the total area of the #zoning lot#.

If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the sum of:

(i)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

(ii)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (i).

(2)Such bonus #floor area# may be obtained at a rate of up to 50,000 square feet for each theater which is retained as a condition of the granting of the bonus.

(3)If the #zoning lot# on which the #development# or #enlargement# is located exceeds 50,000 square feet in area, agreements may be entered into to retain and maintain more than one theater for legitimate theater #use# so as to obtain bonus #floor area# not exceeding the amount specified in paragraph (1) of this Section.
(b)Location of development or enlargement

The #development# or #enlargement# for which a theater retention bonus is granted shall be located within the Theater Subdistrict, whose boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A, but shall not be located on a #zoning lot# which is contained entirely within the Theater Subdistrict Core. If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core and if the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or Subdistrict Core boundaries). Each listed theater which is retained as a condition of the granting of the bonus may be located on a #zoning lot# which is the same as or separate from the #zoning lot# containing the #development# or #enlargement#.

(c) Conditions for retention bonus

As a condition for the granting of bonus #floor area# under the provisions of this Section, the following requirements shall be satisfied:

(1)A written declaration to be recorded against both the #zoning lot# of each listed theater and the #zoning lot# of the #development# or #enlargement# shall exist meeting all of the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) that the listed theater will be retained and maintained for legitimate theater #use#. The certificates of occupancy for each listed theater and the #development# or #enlargement# for which bonus #floor area# is granted shall record and incorporate a copy of such agreement, and occupancy of the bonus #floor area# shall be conditioned upon continued compliance therewith.

(2)Bonus #floor area# under the provisions of this Section may only be granted for the retention of listed theaters indicated thus (*) in Table A of Section 81-742 (Restrictions on demolition of theaters); no bonus #floor area# shall be granted for retention of any listed theater already subject to an agreement pursuant to the conditions of Section 81-743 (Required assurances for continuance of legitimate theater use).

81-744
Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed" theater shall mean a theater designated as listed pursuant to Section 81-742 (Listed Theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed" theater and comprised of those block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters), as such block and lots existed on (the effective date of this amendment). However, a "granting site" shall not include any #zoning lot# occupied by a "listed" theater located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by

the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the #granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed" theaters, that portion of the #zoning lot# occupied by the "listed" theater and comprised of the block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters) shall not be included in the "receiving site".
Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate bulk in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(a)Transfer of development rights by certification

Within the Theater Subdistrict, the Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site" provided that:

(1)the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #granting site# as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the #granting site# and #floor area# attributed to the "granting site" that has been previously used or transferred;

(2)each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;

(3)the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #receiving site# by more than 20 percent or, for a "receiving site" or any portion of a "receiving site" located within the Eighth Avenue Corridor, by more than 44 percent.

MDIB(4)**the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and**

(5)appropriate legal documents are executed ensuring that a contribution in an amount equal to ten dollars per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to paragraph (h) of Section 81-741 (General Provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights.

The Chairperson of the City Planning Commission may adjust such amount no more than once every three years. Adjustments shall be based on the change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

The Chairperson shall not grant such certification prior to thirty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743(b), or the Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(b)Transfer of development rights by special permit

The City Planning Commission may allow by special permit an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in accordance with paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within C6-7T, C5-3, C6-6 and C6-7 districts subject to the following conditions:

(i)no feasible transfer of development rights is possible from landmark theaters pursuant to Section 81-747 (Transfer of development rights from landmark theaters) or other landmarks pursuant to Section 74-79 (Transfer of development rights from landmark sites) to the "receiving site";

(ii)the maximum amount of such additional #floor area# transferred to that portion of a "receiving site" located within such districts shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such portion of a "receiving site" by more than 20 percent; and

(iii)notwithstanding the maximum amount of #floor area# allowed to be transferred pursuant to paragraph (ii) above, such transfer complies with the conditions and limitations set forth for the transfer of development rights by certification in paragraph (a) of this Section.

In order to grant a special permit the City Planning Commission shall find:

(1)that such additional #floor area# will not unduly increase the bulk of any new #development# or #enlargement# on the "receiving site", density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(2)that the distribution and location of such bulk will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

(c)Requirements for Application

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to paragraph (a) of this Section or with the City Planning Commission for the transfer of development rights by special permit pursuant to paragraph (b) of this Section shall be made jointly by the owners of the "granting site" and "receiving site" and shall include:

(1)a site plan and #floor area# zoning calculations for the #granting site# and the #receiving site#, and, for special permit applications, any such other information as may be required by the City Planning Commission; and

(2)a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# of the "granting site" and the "receiving site". The notice of restrictions shall be filed by the owners of the respective lots in the Borough Office of the Register of the City of New York, indexed against the "granting site" and the "receiving site", a certified copy of which shall be submitted to the Chairperson of the City Planning Commission. Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the "receiving site".

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify by lot and block numbers the lots from which and the lots to which such transfer is made.

(3)demonstrations of compliance with the requirements of Section 81-743 and paragraph (a)(5) of Section 81-744, including all necessary legal documents. Issuance of any building permit, including any foundation or alteration permit, shall be conditioned upon the filing of such legal documents in the Borough Office of the Register of the City of New York and receipt by the City Planning Commission of certified copies of same as required pursuant to Section 81-743.

A separate application shall be filed for each transfer of development rights to an independent "receiving site".

81-745
Floor area bonus for rehabilitation of existing listed theaters

The Commission by special permit may authorize bonus #floor area# for substantial rehabilitation or restoration of any theater listed as a listed theater in Section 81-742 (Restrictions on demolition of theaters), in accordance with the provisions of this Section.

(a) Conditions for rehabilitation bonus

As a condition for the issuance of a special permit under the provisions of this Section, the following requirements shall be satisfied:

(1) Location of development

The #development# for which a theater rehabilitation bonus is granted shall be located on the same #zoning lot# as the listed theater.

(2)Qualification of substantial rehabilitation

Substantial rehabilitation work qualifying for a #floor area# bonus shall consist of major interior structural changes for the purpose of improving a theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater which has been designated as an interior landmark.

Substantial rehabilitation may include, without limitations, such work as expanding stage wings, re-raking the orchestra, increasing rehearsal, dressing room or lobby space, or historic restoration. It may also include reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#. Substantial rehabilitation does not mean normal theater maintenance, painting or improvements to mechanical systems alone.

(3) Timing and commitment

(i)There shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(ii)the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) shall be satisfied;

(iiia rehabilitation bonus shall not be granted for a substantial rehabilitation completed before May 13, 1982.

(b)Amount of rehabilitation bonus

The amount of bonus #floor area# granted for a qualifying theater rehabilitation shall be at the discretion of the City Planning Commission after consideration of the following findings by the Commission:

(1)how and to what extent the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater; and

(2)how the proposed rehabilitation will contribute toward satisfying the needs of the Theater Subdistrict.
Such bonus #floor area# shall not exceed 20 percent of the basic maximum #floor area# permitted on the development's #zoning lot# by the regulations of the underlying district, except that in the case of a C6-4, C6-5, or M1-6 underlying District, the bonus #floor area# shall not exceed 44 percent of the basic maximum #floor area# permitted in such underlying District.

The City Planning Commission may allow by special permit bonus #floor area# for substantial rehabilitation or restoration of any theater designated as listed theater pursuant to Section 81-742 (Listed Theaters), provided the following conditions are met:

(a)the #development# for which a theater rehabilitation bonus is granted is located on the same #zoning lot# as the listed theater;

(b)substantial rehabilitation will be performed, consisting of major interior structural changes for the purpose of improving the theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater designated as an interior landmark. Substantial rehabilitation may include, without limitation, such work as an expansion of stage wings, re-raking of the orchestra, an increase in the amount of rehearsal, dressing room or lobby space, historic restoration, or reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#, but shall not mean normal theater maintenance, painting or improvements to mechanical systems alone;

(c)the maximum amount of bonus #floor area# shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for the #zoning lot# by more than 20 percent, or, for #zoning lots# located in C6-4, C6-5, or M1-6 Districts, by more than 44 percent;

(d)there shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(e)the provisions of Section 81-743 (Required Assurances for continuance of legitimate theater use) are met, and

(f)no rehabilitation bonus shall be granted for a substantial rehabilitation completed before May 13, 1982.

In order to grant the special permit, the Commission shall make the following findings:

(1)the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater;

(2)the proposed rehabilitation will contribute towards satisfying the needs of the Theater Subdistrict;

(3)the bonus #floor area# will not unduly increase the bulk of any new #development# or #enlargement#, density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(4)the distribution and location of such #floor area# bonus will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

For purposes of applying the provisions of Section 11-42 (Lapse of Authorization or Special Permit by the City Planning Commission Pursuant to the 1961 Zoning Resolution) to a special permit granted pursuant to this Section, "substantial construction" shall mean substantial rehabilitation, as described in paragraph (b) of this Section, of the subject theater for which a #floor area# bonus has been granted to a related #development#.

81-746
Additional provisions for zoning lots divided by district or subdistrict core boundaries

(a)For any #zoning lot# which includes a listed theater as set forth in Section 81-742 *(Restrictions on demolition of theaters)* **(Listed Theaters) or is or contains a "receiving site" pursuant to Section 81-744 (Transfer of development rights from listed theaters),** and which is divided by a boundary between districts with different *#bulk# regulations,* **basic maximum #floor area ratios# as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings),** the Chairperson of the City Planning Commission, by certification, may authorize modifications of the provisions of Section 77-02 (Zoning Lots not Existing Prior to Effective Date or Amendment of Resolution), Section 77-21 (General Provisions), Section 77-22 (Floor Area Ratio) and Section 77-25 (Lot Area or Floor Area Requirements), as follows:

For any #zoning lot#, *whether or not it existed on December 15, 1961, or on the date of any applicable subsequent amendment thereto,* #floor area# or #rooms# permitted by the applicable district regulations on *that* **either** side of the district boundary *occupied by the theater* may be located on the other side of the district boundary *subject to the following conditions* **provided**:

(1)the amount of such #floor area# to be located on *the other* **either** side of the district boundary shall not exceed 20 percent of the basic maximum #floor area ratio# of the district in which it is to be located;

(2)the number of such #rooms#, if any, to be located on *the other* **either** side of the district boundary shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(3)*compliance with* the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) **are met**.

The Chairperson's certification approving modification of the provisions for **such** #zoning lots# divided by district boundaries shall state the total amount of #floor area#, including #floor area# of *the* **any** existing theater, to be provided on the #zoning lot# as a whole **and** the portion thereof to be located in each district, and the amount authorized herein to be located across the district boundary from the district in which the theater is located.

Notice of the restrictions upon further #development# of each portion of the #zoning lot# shall be recorded by the owner against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and a certified copy shall be submitted to the Commission.

(b)Notwithstanding any other provisions of this Resolution, for any #zoning lot# which is divided by a boundary of the Theater Subdistrict Core as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Theater Subdistrict Core, the applicable underlying #bulk# regulations shall be modified as follows:

(1)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# within the Theater Subdistrict Core may be located on the portion of the #zoning lot# outside the Core, provided that the number of such #rooms#, if any, to be located outside of the Core shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(2)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# outside of the Theater Subdistrict Core shall not be located on the portion of the #zoning lot# within the Core.

(c)Notwithstanding any other provisions of this Resolution, for any #zoning lot# located wholly within the Theater Subdistrict and outside of the Theater Subdistrict Core that is divided by a boundary of the Eighth Avenue Corridor as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Eighth Avenue Corridor, #floor area#, including bonus #floor area#, or #rooms# permitted by the applicable

district regulations may be located on either side of the Eighth Avenue Corridor boundary.

* * *

81-748
Floor area bonus for through block gallerias

Upon certification by the City Planning Commission that the requirements of this Section are satisfied, a #development# within the Theater Subdistrict, but outside of the Theater Subdistrict Core, which provides a through #block# galleria shall be eligible for bonus #floor area# in the amount of 6 square feet for each square foot of through #block# galleria area, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

A through #block# galleria is a continuous covered public space on a #zoning lot#, which connects two parallel or nearly parallel east-west #streets# and provides for through #block# pedestrian circulation as well as other pedestrian amenities appropriate to the Theater Subdistrict. A through #block# galleria shall satisfy the following requirements:

(a) District plan requirements

A through #block# galleria shall be located within the Theater Subdistrict but outside of the Theater Subdistrict Core.
It shall be located not less than 200 feet from a #wide# north-south #street#. It shall satisfy the requirements of Section 81-46 (Through Block Connection). It may be counted toward meeting the minimum pedestrian circulation space requirements as set forth in Section 81-45 (Provision of Pedestrian Circulation Space) up to a maximum of 3,000 square feet. For any #zoning lot# on which a through #block# connection is not permitted by the provisions of Section 81-46 as counting towards meeting the pedestrian circulation space requirements of Section 81-45, no bonus shall be allowed for a through #block# galleria.

(b) Location

At each end it shall adjoin and open onto a #street#, a sidewalk widening, a #plaza# or an #urban plaza# adjacent to the #street#. It shall provide continuous, unobstructed access from one end to the other.

(c) Elevation

It shall have the same grade elevation at each end as the sidewalk, sidewalk widening or #urban plaza# which it adjoins.
This elevation shall be maintained for at least 20 feet from the end, beyond which a grade change, if any, is permitted only to reconcile grade differences between the two ends.
Provisions for changes in grade shall include ramps for wheelchair users with a maximum slope of one to twelve.

(d) Access

It shall be open at each end, with width and height of opening not less than the applicable minimum width and height set forth in paragraph (e) of this Section.
It may connect with, but not serve as, lobby space for a new #building# or a theater.
It shall be open to the public between the hours of 8:00 a.m. and 7:00 except for certain legal holidays (December 25, January 1 and July 4).

(e) Minimum dimensions

Minimum dimensions depend on the length of the through #block# galleria, as follows:

THROUGH BLOCK GALLERIA

LENGTH		
less than 150 feet		
	150 feet	*or more*
Minimum width	*20 feet*	*25 feet*
Average width	*20 feet*	*30 feet*
Minimum heigh	*20 feet*	*25 feet*
Average heigh	*20 feet*	*20 feet*

(f) Minimum clear path

Except as provided in paragraph (g) (Permitted obstructions), there shall be a straight path, clear of all obstructions, including door swings, extending from one end of the galleria to the other, with a minimum width of 15 feet. Where the through #block# galleria is adjoined at one or both ends by a sidewalk widening, #plaza# or #urban plaza#, such minimum width of clear path shall be continued across the adjoining open space to the #street line#.

(g) Permitted obstructions

(1)Columns or posts are permitted obstructions provided that the minimum width of the through #block# galleria exclusive of column widths shall be 20 feet and that the clear path width is at least 15 feet or two clear paths are provided, the paths being separated by columns and each having a minimum width of 10 feet.

(2)In areas outside the minimum clear path or paths, obstructions such as the following are permitted: planters, seating areas, landscape features, fountains, works of art, food kiosks, litter receptacles, drinking fountains, lights or lighting stanchions, public telephones, temporary exhibitions, retractable awnings and canopies and movable tables and chairs, provided that the total area occupied by such obstructions is less than 50 percent of the total area of the through #block# galleria minus the required clear path area.

(3)For through #block# gallerias with areas larger than 3,000 square feet, public seating is required.
There shall be at least one linear foot of seating for each 20 square feet of through #block# galleria area in excess of 3,000 square feet.
The design standards for seating shall be as set forth in paragraph (j) of Section 37-043 (Urban plaza). Eating or drinking service may be provided adjacent to, but not within, the through #block# galleria. All seating within the through #block# galleria shall be accessible to the public.

(4)For through #block# gallerias with an average height of at least 45 feet, bridges or balconies are permitted as obstructions, provided that such bridges or balconies are at least 15 feet above the floor level of the galleria, the width of the bridge is not more than 8 feet, the width of a balcony is not more than 5 feet and the total area of such obstructions is not more than 10 percent of the total area of the galleria.
Such obstructions may be enclosed provided that such enclosures are not more than 15 feet in height.

(h)Treatment of bounding walls

Along the length of a through #block# galleria, the bounding walls, except for walls along a #side lot line#, shall be lined insofar as possible with areas accessible to the public, display windows, or other exhibits, and such bounding walls shall be of transparent material.
Walls along a #side lot line# may be treated with planting or other landscape features.

(i) Skylights

(1)Design standard

Skylights shall be provided having a minimum surface area equal to at least 75 percent of the through #block# galleria, and skylights shall cover at least 50 percent of the galleria's area as measured in plan and shall be unobstructed from the skylights up to the sky.

(2)Modification of design standard

The City Planning Commission may authorize a modification of the minimum area of a skylight for a through #block# galleria under the following conditions:

(i)the through #block# galleria contains a minimum area of 6000 square feet;

(ii)the minimum height of the through #block# galleria is at least double its average width; and

(iiithe exterior bounding walls of the through #block# galleria are open or glazed above a height of 30 feet so as to permit additional natural light into the space.

The total amount of such open or glazed area, including the skylight shall be equal to at least 75 percent of the area of the through #block# galleria.

(j) Penalties for violations

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-748
Floor Area for New Legitimate Theaters

Within the Theater Subdistrict in C6-7T, C5-3, C6-6 and C6-7 Districts, the City Planning Commission may, by special permit, allow additional #floor area# for new legitimate theater use. Such additional #floor area# shall be up to a maximum #floor area ratio# of 2.0 calculated over that portion of the #zoning lot# located within such districts. However, where more than half of the #lot area# of the #zoning lot# is located within such districts, and the remaining portion is located outside of such districts, such additional #floor area ratio# of 2.0 may be calculated over the entire #zoning lot#. The Commission may also permit the modification of the #street wall# and setback regulations of Section 81-751 (Special Street Wall and Setback Regulations within the Theater Subdistrict Core) in connection with such #floor area# for new theater, subject to the following conditions:

(a)the total maximum #floor area# ratio inclusive of all bonuses and #floor area# used for new legitimate theater shall not exceed 21.6 on that portion of the #zoning lot# located within such districts, and
(b)such #floor area# shall be limited to floor space exclusively associated with legitimate theater use, including auditorium, orchestra, balconies, stage and theater equipment space, wings, dressing rooms, lobbies, lounges, ticket offices and rest rooms and circulation space.

No modifications permitted by such special permit shall allow for the modification of signs required pursuant to Section 81-73 (Special Sign and Frontage Regulations).

In granting such special permit, the City Planing Commission shall make the following findings:

(1)such floor area allowance shall not unduly increase the #bulk# of any new #development# or #enlargement#, density of population, or intensity of use on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area;

(2)such modifications to #street wall# and setback regulations are necessary to accommodate the theater configuration and volume, are essential to ensure the proper functioning of the theater, and are limited to the minimum necessary to accommodate the theater; and

(3)such modifications to #street wall# and setback regulations do not adversely affect access to light and air at #street# level as compared to that which would result from the application of the regulations set forth in Section 81-75 (Special Street Wall and Height and Setback Regulations);

The Commission may prescribe appropriate conditions and safeguards to minimize other adverse effects on the character of the surrounding area.

An application filed with the City Planning Commission for special permit pursuant to this Section shall be made jointly by the owners of the #development# or #enlargement# and the owner and/or operator of the theater and shall include floor plans and zoning calculations indicating the location and size of the legitimate theater, and shall include a legal commitment made by the theater owner and the developer for continuance of the #use# of such #floor area# as a legitimate theater and prohibition of the #use# of such #floor area# for any #use# other than legitimate theater use for the life of the related #development# or #enlargement#.
The legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, any lessee of the theater and their successors and assigns. The certificate of occupancy for the #building# containing the theater shall describe all #floor area# allocated as legitimate theater #use# for which such special permit has been granted.

81-75
Special Street Wall and Setback Requirements
(existing Section 81-75 becomes new Section 81-751)

#Developments# or #enlargements# located on #zoning lots# or portions of #zoning lots# within the Theater Subdistrict Core or the Eighth Avenue Corridor shall comply with the regulations of this Section. The height of all #buildings or other structures# shall be measured from #curb level#.

*81-75***81-751**
Special Street Wall and Setback *Requirements* **Regulations within the Theater Subdistrict Core**

#Developments# or #enlargements# located on #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway, **or located partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor** shall comply with the requirements of this Section, and, in all other respects related to height and setback, with the provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings), **and either** 81-26 (Height and Setback Regulations - Daylight Compensation) *and* **or** 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

* * *

(b)TS10,13,15,20,25,30,35,40,45,50,55,60,65, 70,75The #street wall# of any #building# on a #zoning lot# between 43rd and 50th Streets and between Seventh Avenue and Broadway shall have a minimum #street wall# height of 50 feet *above #curb level#* on all #street# frontages.

(c)For #zoning lots# located in partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor, the #street wall# of any #building# or portion of a #building# within the Theater Subdistrict Core shall have a minimum #street wall# height of 50 feet, or the height of the #building#, whichever is less, and a maximum #street wall# height of 60 feet within 15 feet of the #narrow street line#.

81-752
Special Street Wall and Setback Regulations within the Eighth Avenue Corridor

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and east of Eighth Avenue shall comply with the requirements of this Section, and except as superseded by this Section, with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and west of Eighth Avenue shall comply with the requirements of this Section. The provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings), 81-26 (Height and Setback Regulations - Daylight Compensation) and 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) shall not apply except as set forth in paragraph (b)(1) of this Section.

(a)Street Wall Location and Minimum and Maximum Heights before Setbacks

(1) On Eighth Avenue and 42nd Street, #street walls# shall extend along the entire #street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall comply with the location requirements of paragraph (a)(3) of this Section. The maximum height of #street walls# within 10 feet of the #wide street line# shall be 150 feet beyond 15 feet of a #narrow street line# and 85 feet within 15 feet of a #narrow street line#.

(2)On a #narrow street# east of Eighth Avenue, and on a #narrow street# west of and within 100 feet of Eighth Avenue, #street walls# shall extend along the entire width of such #narrow street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# along such #narrow street# frontage shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall\comply with the location requirements of paragraph (a)(3) of this Section.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 85 feet.

No #street walls# are required along a #narrow street# west of and beyond 100 feet of Eighth Avenue provided at least 70 percent of the entire frontage of the #zoning lot# along such #narrow street# is occupied by #street walls# located on the #street line#.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 66 feet, except in accordance with paragraph (b)(3) of this Section.

(3)Within 30 feet of the intersection of two #street lines#, the #street wall# shall be located on the #street line# or anywhere within an area bounded by the two #street lines# and lines parallel to and 15 feet from such #street lines#.

(4)For #developments# that occupy the entire #block# frontage of a #wide street# and provide a continuous sidewalk widening along such #street line#, the boundary of the sidewalk widening shall be considered to be the #street line# for the purposes of this Section.

The #street wall# location and minimum height before setback regulations of this Section shall not apply to portions of #zoning lots# occupied by existing #buildings#.

(b)Special street wall regulations for buildings adjacent to listed theaters

For #developments# or #enlargements# that are adjacent to a theater listed pursuant to Section 81-742 (Listed Theaters), the maximum height of the #street wall# of the #development# or #enlargement# facing the same #street# as the listed theater shall be 60 feet within 15 feet of the #street line#.

(c)Additional Regulations Applying West of Eighth Avenue

(1)West of Eighth Avenue, at any level above a height of 85 feet, any

#development# or #enlargement# or portion thereof shall have a minimum #lot coverage# requirement of 33 percent of the #lot area# of the #zoning lot#, except that such minimum #lot coverage# requirement shall not apply to the highest four #stories# of the #building#.
#Developments# or #enlargements# or portions thereof that occupy, in the aggregate, more than 40 percent of the #lot area# of a #zoning lot# (or, for #zoning lots# of less than 20,000 square feet, a greater percentage than set forth in the table in Section 23-651), shall comply with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

(2)Beyond 125 feet of the western #street line# of Eighth Avenue, and beyond 100 feet of the northern #street line# of 42nd Street, no #building or other structure# shall exceed a height of 66 feet, except in accordance with paragraph (3) below.

(3)Where the new or #enlarged building# abuts an existing #building# located entirely beyond 125 feet of the western #street line# of Eighth Avenue and the northern #street line# of 42nd Street, and such existing #building# exceeds a height of 66 feet, the new or enlarged #building# may exceed any height limits specified in this Section up to the height of the existing #building#, provided that, within 15 feet of the #narrow street line#, such portion of the new or #enlarged building# does not exceed either the height of the existing #building# or 85 feet, whichever is less.
For the purposes of this paragraph, the height of the existing #building# shall be the height of its #street wall#, before setback, if applicable, of that portion of the existing #building# abutting the new or #enlarged building#, fronting on the same #street line#, and located on the same or adjoining #zoning lot#.

Chapter 6
Special Clinton District

96-00
GENERAL PURPOSES

The "Special Clinton District" (hereinafter also referred to as the "Special District"), established in this Resolution, is designed to promote and protect public health, safety, general welfare and amenity.
Because of the unique geographical location of the Clinton community, situated between the waterfront on the west and a growing central business district on the east, it is necessary to provide specific programs and regulations which will assure realization of community and city-wide goals.

These goals include, among others, the following:

(a)to preserve and strengthen the residential character of the community;

(b)to permit rehabilitation and new construction within the area in character with the existing scale of the community and at rental levels which will not substantially alter the mixture of income groups presently residing in the area;

(c)to preserve the small-scale character and variety of existing stores and activities and to control new commercial uses in conformity with the existing character of the area;

(d)to recognize the unique character of the eastern edge of District as an integral part of the Theater Subdistrict within the Special Midtown District as well as the Special Clinton District;

(e)to provide an appropriate transition from the mixed-use character along Eighth Avenue to the lower-scale residential character of the Clinton community on the narrow streets;

*(d)(f)*to provide amenities, such as street trees, to improve the physical environment;

*(e)(g)*to restrict demolition of buildings that are suitable for rehabilitation and continued residential use; and

*(f)(h)*to promote the most desirable use of land in the area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues, consistent with the foregoing purposes.

96-01
Definitions

Definitions specially applicable to this Chapter are set forth in this Section.
The definitions of other defined terms are as set forth in Section 12-10 (DEFINITIONS).

Mixed building

For the purposes of this Chapter, a "mixed building" is a #building# in a #Commercial District# used partly for #residential use# and partly for #community facility# or #commercial use#, or a #building# in a #Residential District# used partly for #residential use# and partly for #community facility use#.

Special Clinton District
(repeated from Section 12-10)

The "Special Clinton District" is a Special Purpose District designated by the letters "CL" in which special regulations set forth in Article IX, Chapter 6 apply.

The #Special Clinton District# and its regulations supplement or supersede those of the districts on which it is superimposed.

Special Midtown District
(repeated from Section 12-10)

The #Special Midtown District# is a Special Purpose District designated by the letters "MiD", in which special regulations set forth in Article VIII, Chapter 1 apply.

96-02
General Provisions

Except as modified by the express provisions of this Chapter, the regulations of the underlying districts **or as modified by the Special Midtown District** remain in effect.

The Special Midtown District and its regulations, where applicable in the Special Clinton District, shall also apply and shall supplement or supersede regulations as set forth in this Chapter pursuant to Section 96-202 (Special regulations for perimeter area fronting Eighth Avenue). In the event of any conflict or discrepancy between the regulations the provisions of the Special Midtown District shall control. This portion of the Special Purpose District is designated on the #zoning map# by the letters "CL-MiD".

96-03
District Map

The District Map for the #Special Clinton District# (Appendix A) identifies specific areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Clinton District#. These areas and the sections of this Chapter which contain regulations pertaining thereto are as follows:

Area A - PRESERVATION AREA, Section 96-10
Area B - PERIMETER AREA, Section 96-20
Area C - OTHER AREAS, Section 96-30

96-10
PRESERVATION AREA

96-20
PERIMETER AREA

#Developments# within the Perimeter Area shall be eligible for increased #floor area# pursuant to Section 96-21 (Floor Area Bonus).
Because of increased pressures for #development#, the relocation and demolition provisions of Section 96-23 (Relocation and Demolition of Buildings in the Perimeter Area) shall apply therein for all demolition, #development#, #enlargement# or #extensions# on lots containing #residential uses#.
All existing legal #uses# in enclosed #buildings# shall be considered conforming #uses#.
Except as otherwise provided in this Chapter, any existing #commercial# or #manufacturing uses# may be changed to another #non-conforming use# only in accordance with the provisions of Sections 52-31 (General Provisions), 52-33 (Manufacturing or Related Uses in Residence Districts), 52-34 (Commercial Uses in Residence Districts, 52-35 (Manufacturing or Related Uses in Commercial Districts) and 52-36 (Non-Conforming Commercial Uses in Commercial Districts).

96-201
Special urban design regulations relating to retail continuity and street wall requirements
Special Regulations for 42nd Street Perimeter Area

(a) The provisions of this Section shall apply to #developments# or #enlargements# located in all #Commercial Districts# within the area bounded by the following:
Starting 150 feet west of Eighth Avenue, south to the southern boundary of West 41st Street, west to the east side of Twelfth Avenue, north along the eastern border of Twelfth Avenue to 43rd Street, east on West 43rd Street to the eastern side of Tenth Avenue, south along Tenth Avenue to the southern boundary of West 42nd Street, east on West 42nd Street to Ninth Avenue, north along the western boundary of Ninth Avenue to the midblock of 42nd/43rd Street, east to a point 150 feet west of Eighth Avenue, south to the southerly boundary of 41st Street.

(a)Retail Continuity Requirements

*(b)***(1)**For any #development# or #enlargement# fronting on West 42nd Street, between 9th and 12th Avenues, at least 50 percent of the street frontage of the ground floor, or within five feet of #curb level#, shall be limited to Use Groups 4A, 6A, 6C, 10A, 11, 12A and 12B.

*(c)***(2)**At least 50 percent of the length of the facade of such #street wall# fronting on West 42nd Street shall be glazed with transparent material to a height of not less than 16 feet above #curb level#. The lowest point of such glazed area shall not be higher than four feet above #curb level#.

*(d)***(b) Street Wall Continuity Requirements**

(1) At least 80 percent of the #aggregate width of street walls# of a #building# fronting on West 42nd Street, up to a height of 45 feet, shall be located within 10 feet of the #street line# of such #street#.

*(e)***(2)**The minimum height of the #street wall# of a #building# above #curb level# shall be no less than 45 feet and no more than 85 feet. Above this required height, the #street wall# of a #building# shall set back at least five feet. The requirements of this paragraph shall also apply to any #development# or #enlargement# on a #wide street# frontage within a distance of 50 feet from its intersection with West 42nd Street.

96-202
Special regulations for Eighth Avenue Perimeter Area

All #developments# or #enlargements# located in an area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue, and West 42nd Street shall comply with special regulations set forth in Article VIII, Chapter 1 (Special Midtown District), including Section 81-70 (Special Regulations for Theater Subdistrict).

96-21
Floor Area Increase

(a)**Except as specified in paragraph (b) of this Section,** *For* any #development#, the #floor area ratio# permitted by the underlying district may be increased from 10.0 to 12.0 only by complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING). A permanent certificate of occupancy for any #building# incorporating #floor area# increase pursuant to this Section shall not be issued by the Department of Buildings until the issuance of a permanent certificate of occupancy for lower income housing. In addition to the requirements of Section 23-90 (INCLUSIONARY HOUSING), any units for which a #floor area# increase has been earned pursuant to Section 23-90 shall be within the #Special Clinton District#.

(b)For any #development# located within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), the #floor area ratio# permitted by the underlying district may be increased pursuant to the provisions of Section 81-21 (Floor Area Regulations) as set forth in Article VIII Chapter 1 (Special Midtown District).

96-22
Special Permit for Modification of Height and Setback Regulations

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special Regulations for Eighth Avenue Perimeter Area), *The* City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit modification of height and setback regulations for #developments# which have generated an increase in the #floor area ratio# of not more than 2.0 under the provisions of Section 96-21 provided that such modification is necessary to achieve better site planning.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

* * *

*96-52***96-52**
Bulk *Modifications* for *pPublic Parking Garages*

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), *In* in all other C6 Districts, the City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications the Commission shall make the following findings:

(a)that because of site limitations such modifications are necessary for the proper design and operation of the #public parking garage#; and

(b)that such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.

* * *

96-60
SPECIAL PERMIT PROCEDURE

96-601
Requirements for applications

An application to the City Planning Commission for the grant of a special permit under the provisions of this Chapter, shall include a site plan showing the location and proposed #use# of all #buildings or other structures# on the site, the location of all vehicular entrances and exits and off-street parking spaces, and such other information as may be required by the City Planning Commission.

Notwithstanding the foregoing, in the Eighth Avenue Perimeter Area all applications made pursuant to the Special Midtown District shall be subject to the guidelines and provisions of Article VIII, Chapter 1 (Special Midtown District) instead.

All applications relating to Section 96-52 (Off-Street Parking Regulations) shall be referred by the Commission to the Department of Transportation for its report with respect to the anticipated traffic congestion resulting from such special permit #use# in the proposed location.

If such agency shall report thereon within one month from the date of referral, the Commission shall, in its determination, give due consideration to such report and, further, shall have the power to substantiate the appropriate findings solely on the basis of the report by such agency with respect to the issues referred. If such agency does not report within one month, the Commission may make a final determination without reference thereto.

CITY PLANNING

HEARINGS

An informational symposium, and public hearing on the Proposed 1999 Consolidated Plan will be held on April 28, 1998 beginning at 3:00 PM at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan.
The Consolidated Plan defines the use of federal funds for housing, homeless assistance, supportive housing services and community development programs and is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy with the applications for the four HUD formula programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).
For more information contact: Irene Fanos, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New YOrk 10007, (212) 720-3444.

a14-28

LOFT BOARD

HEARINGS

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY LOFT BOARD by Article 7-C of the Multiple Dwelling Law and Mayor's Executive Order No. 66, dated September 30, 1982, and pursuant to and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Loft Board intends to amend Chapter 1 of Title 29 of the Rules of the City of New York ("RCNY"), relating to reconsideration and appeals from administrative determinations, by amending sections 1-06(p) and 1-07 and adding a new section 1-07.1, and Chapter 2 of 29 RCNY, section 2-04(e)(5), relating to appeals from determinations concerning housing maintenance standard violations.

Written comments regarding these proposed rules may be sent to the New York City Loft Board, 49-51 Chambers Street, Room 1006, New York, New York 10007 to the attention of Beverley Miller on or before April 15, 1998. A public hearing will be held on April 30, 1998 at 22 Reade Street, New York, New York, commencing at 1:30 p.m. Persons seeking to testify are requested to notify Ms. Miller at the foregoing address or by telephone at (212) 788-7610. Written comments and an audiotape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. to 5:00 p.m. at the office of the Loft Board. Copies of the proposed rules may be obtained by contacting Ms. Miller at the Loft Board's Offices.
NOTICE IS ALSO GIVEN PURSUANT TO ARTICLE 7 OF THE PUBLIC OFFICERS LAW that the Loft Board will conduct its regular monthly meeting immediately after the public hearing. The Board plans to discuss and vote on the proposed amendments to rules relating to reconsideration and appeals from administrative determinations. The Board also plans to discuss and vote on cases. The public is invited to attend and observe the proceedings.

COURT NOTICE

SUPREME COURT

■ NOTICE

SUPREME COURT, KINGS COUNTY NOTICE OF PETITION. KINGS COUNTY INDEX NUMBER 12009/98

In the Matter of the Application of THE CITY OF NEW YORK, relative to acquiring title in fee simple and other interest in certain real property where not heretofore acquired for the same purpose as a site for **KENSINGTON BRANCH LIBRARY** generally located at 4209-17 18th Avenue situated in Community District 14, Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Kings County, at IA Part 74 , to be held in and for Kings County at the County Courthouse, 360 Adams St in the Borough of Kings, City of New York on the 14th day of May, 1998 at 9:30 A.M., or as soon thereafter as counsel can be heard for an order:

1) authorizing the City to file an acquisition map in the office of the Clerk of Kings County or the Office of the City Register;

2) directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City; and

3) providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, as a site for KENSINGTON BRANCH LIBRARY in the Borough of Brooklyn, City and State of New York.

The description of the real property to be acquired is as follows:

Beginning at a point on the southerly line of said 18th Avenue and the easterly line of Seton Place (3rd Street - 50 feet wide), which point of beginning is where the dividing line between tax lots 7 and 14 in Brooklyn tax block 5416, as shown on the "Tax Map" of the City of New York for the Borough of Brooklyn, as said "Tax Map" existed on June 25, 1997, is intersected by the southerly line of 18th Avenue (80 feet wide):

Running thence eastwardly and along the southerly line of the said 18th Avenue, for 80.09 feet (80 feet - Deed) to a point on the westerly line of lot 18 in block 5416, as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997;

Thence, southwardly, forming an interior angle of 90°26'06" with the previous course, and along the said westerly line of lot 18 in block 5416, for 112.51 (112.33 feet - Deed) feet to a point on the northerly line of lot 112 in block 5416;

Thence, eastwardly, forming an interior angle of 89°42'13" with the previous course, and along the said northerly line of lot 112 and northerly lines of lots 114, 115 and 116 in block 5416, for 80.09 feet (80 feet - Deed) to a point on the easterly line of lot 7 in block 5416;

Thence, northwardly, forming an interior angle of 90°17'47" with the previous course, and along the said easterly line of lot 7 in block 5416, for 112.71 feet (112.58 feet - Deed) back to the point of beginning.

This parcel consists of lot 14 in block 5416 as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997, and comprises an area of 9,019 square feet or 0.20705 acres.

The above described property shall be acquired subject to encroachments, if any, of the structures, improvements, and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same so long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, Room 5-236A, New York, New York 10007.

Dated: New York, New York, April 8, 1998
MICHAEL D. HESS, Corporation Counsel of the City of New York Attorney for the Condemnor 100 Church Street, New York, New York 10007 Tel. (212) 788-0711

SUPREME COURT, KINGS COUNTY

NOTICE OF FILING OF SECOND AND LAST SEPARATE AND PARTIAL TENTATIVE DECREE AND NOTICE TO FILE OBJECTIONS. KINGS COUNTY INDEX NO. 18454/82

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in simple absolute to certain real property where not heretofore acquired for the same purpose, required for the BUSHWICK II NEIGHBORHOOD PRESERVATION AREA SITE 22-A (SECOND TAKING) located at Linden Street between Wilson Avenue and Knickerbocker Avenue, within the area bounded generally by Flushing Avenue, Broadway, Eastern Parkway and the Brooklyn-Queens border in the Borough of Brooklyn, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted at the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owners of Damage Parcel 1 (Block 3334, Lot 15), Damage Parcel 2 (Block 3334, Lot 17), Damage Parcel 3 (Block 3334, Lot 18), Parcel 4 (Block 3334, Lot 19), Damage Parcel 5 (Block 3334, Lot 21), Damage Parcel 6 (Block 3334, Lot 22), Damage Parcel 7 (Block 3334, Lot 23), Damage Parcel 8 (Block 3334, Lot 24), Damage Parcel 9 (Block 3334, Lot 25), Damage Parcel 10 (Block 3334, Lot 27) ,Damage Parcel 11 (Block 3334, Lot 28), Damage Parcel 12 (Block 3334, Lot 30), and Damage Parcel 13 (Block 3334, Lot 31), real property which was acquired in this proceeding, and the Separate and Partial Tentative Decree of the said Court as to the award for damages was signed, by HON. LEONARD SCHOLNICK, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Kings on March 13, 1998, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector – s post office address, with the Clerk of the County of Kings, on or before May 18, 1998, and parties other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York, at his office, 100 Church Street, Room 5-212, in the Borough of Manhattan, City and State of New York, a copy of such verified objections. 3. On May 28, 1998, at 10:00 A.M., or as soon thereafter as counsel can be heard, HON. LEONARD SCHOLNICK, the Justice who signed the Tentative Decree, holding Court at IA Part 74 of the Supreme Court, to be held at the Supreme Court of Kings County, in the Borough of Brooklyn, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

Dated: New York, New York, April 13, 1998
MICHAEL D. HESS, Corporation Counsel

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

■ AUCTION

DIVISION OF REAL ESTATE SERVICES
PROPOSED SALE OF CERTAIN NEW YORK CITY
REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT the Division of Real Estate Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on January 28, 1998, February 11, 1998 and February 25, 1998 in Room 16 on the 2nd floor of City Hall in Manhattan. These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated December 19, 1997 which terms include the following change: The mortgage interest rate is set at eight percent (8%) pursuant to Paragraph 8(b). An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.
They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on July 22, 1998.

Brochures for this sale are available and may be obtained at 1 Centre Street, 19th Floor North, New York, New York 10007.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations/Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition *For ongoing construction project only:*
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

ENVIRONMENTAL PROTECTION

BUREAU OF WATER SUPPLY

Construction

AGENCY RULES

HEALTH

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH

On June 22, 1998, the Department of Health will hold a lottery based on a strict random selection process to establish the following waiting lists for mobile food vendor permits:

- a full-term citywide mobile food vendor permit waiting list (2500 positions)
- a temporary (seasonal) citywide mobile food vendor permit waiting list (1000 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled veterans (100 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled persons (non-veterans) (100 positions)
- a full-term citywide mobile food vendor permit waiting list for veterans (nondisabled) (100 positions)

You must have a valid full-term mobile food vendor license issued to you at the time you submit the waiting list application form. The waiting list application form, with the mobile food vendor license number included in the application, must be submitted by mail only to the address listed in the application instructions on or before June 12, 1998 in order to be eligible for inclusion on such waiting lists.

The number of waiting list positions for each of the above categories is provided by 24 R.C.N.Y. Sections 19-07 and 20-07. Due to the limited number of waiting list positions and available permits, the Department of Health cannot guarantee that submission of a waiting list application will result in a place on a waiting list or the issuance of a permit.

Waiting List Applications: Application packages for inclusion in the lottery for the above waiting lists may be obtained through the mail by calling the New York City Department of Consumer Affairs at (212) 487-4436. Application packages are also available at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York, Monday through Friday from 8:30 AM to 5:00 PM. Completed applications must be submitted by mail only to the address listed in the application instructions and postmarked no later than June 12, 1998 in order to be eligible for inclusion on such waiting lists.

Mobile Food Vendor License Applications: Persons interested in applying for a mobile food vendor license may request an application by mail at the above address or by telephone to the above number. License applicants should allow at least twenty-five (25) business days to receive the necessary tax and ECB documentation required to apply for a license. *While this time span reflects the normal processing period, the Department of Health cannot guarantee that applicants will receive a license within this timeframe.*

TRANSPORTATION

CAPA REGULATORY AGENDA (FY 1999)
Department of Transportation

Pursuant to Section 1042 of the Charter, the Department of Transportation sets forth below its regulatory agenda for the City's fiscal year of 1999:

Subject: Truck Route - Truck Rules

1.) *Reason: To provide an appropriate southbound alternate local truck route for vehicles using the Lafayette Avenue truck route.*

2.) *Anticipated contents: Addition of Ashlord Place between Lafayette Avenue and Hanson Place to the designated Local Truck listing for the borough of Brooklyn (Section 4-13, e, 2).*

3.) *Objective: Reduce truck travel on adjacent residential streets.*

4.) *Legal basis for the proposed rule: §1642 of the Vehicle and Traffic Law and §2903 of the Charter.*

5.) *Types of individuals and entities likely to be affected: Truck operators.*

6.) *Other relevant rule: None*

7.) *Approximate schedule: 2nd Quarter, FY'99*

8.) *Contact person: Pete A. Pennica at (212)676-1684*

CITY PLANNING

■ NOTICE

A Conditional Negative Declaration was issued March 6, 1998 for CEQR NO. 98DCP008K, an application by Council Towers IV Housing Development Corporation for an authorization pursuant to ZR section 23-631 (h) to allow a 122 unit residence for the elderly to exceed height limits and to penetrate the sky exposure plane. The proposed project is located at 1180 Pennsylvania Avenue (Block 4431, Lot 70), Community District 5 in Brooklyn. The conditions involve the submission of a remediation protocol for hazardous materials for review and approval prior to construction. The project will not have a significant environmental impact provided the conditions are met. There will be a public comment period of 30 days commencing with the date of this notice.

☛ a24-27

SANITATION

CITY OF NEW YORK
DEPARTMENT OF SANITATION

Determination and Findings of the Department of Sanitation Pursuant to Sections 201 - 204 of the Eminent Domain Procedure Law

Whereas, the acquisition in fee of certain property for the construction and operation of two Department of Sanitation garages and an enclosed salt storage facility on the west side of Varick Avenue between Stagg and Meserole Streets in the Borough of Brooklyn has been proposed by the Department of Sanitation; and

Whereas, effective July 1, 1978, the state legislature enacted the Eminent Domain Procedure Law ("EDPL") which law provides for a uniform procedure for condemnation by governmental units and public corporations throughout the state; and

Whereas, the Department of Sanitation is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above mentioned property and the impact of such acquisition on the environment and residents of the locality where the project is to be constructed; and

Whereas, the Department of Sanitation held such a hearing on January 30, 1998 and accepted written comments on the proposed acquisition through February 13, 1998;

Now, therefore, be it known that the Department of Sanitation pursuant to section 204 of the EDPL hereby determines and finds

1 The public use, purpose and benefit of this project is to construct and operate two Department of Sanitation garages and an enclosed salt storgae facility to service Brooklyn Community Districts 1 and 4.

2 The property proposed to be acquired is located in the Borough of Brooklyn on the west side of Varick Avenue, and is bounded on the north by the former center line of Stagg Street, on the west by English Kills, and on the south by the center line of Meserole Street, encompassing tax block 2962, lots 1, 5 and 37 and tax block 2968, lots 1 and 20. This site was selected because it will provide for efficient delivery of Department services to Community Districts 1 and 4, it is in a manufacturing zone, and it is of a sufficient size to accommodate a double garage, a salt storage facility, and accessory parking

3 The proposed project is consistent with local planning and environmental objectives in that it provides for the delivery of efficient sanitation services to Brooklyn Community Districts 1 and 4, sufficient off-street parking to accommodate Department-owned and accessory vehicles, and it incorporates measures to control the potential for adverse environmental impacts, including those relating to traffic, truck maintenance and repair, and salt-contaminated rainwater runoff

4 Concerns raised at the January 30, 1998 public hearing and in subsequent written submissions that the proposed project would cause the displacement of Waste Management of New York ("Waste Management"), an existing business that employs local residents, are speculative because the property proposed to be acquired is used primarily by Waste Management for parking and storage and there exists in the immediate area appropriately zoned vacant property to accommodate Waste Management's parking and storage needs, including a large tract that is owned by Waste Management and is adjacent to its operations.

5 Pursuant to state and local environmental quality review requirements, the Department of Sanitation issued a determination that the proposed acquisition of the Varick Avenue site and the construction and operation of Department facilities on the site would not have a significant adverse effect on the environment The Department has considered all comments, including those submitted by or on behalf of Waste Management regarding the determination of no significant impact, and has determined that none of the comments raise new information or changes in circumstances related to the project that may result in a significant adverse environmental impact

Copies of the full text of the Department of Sanitation's Determination and Findings are available without cost upon written request to Valerie Budzik, Associate Attorney, New York City Department of Sanitation, Bureau of Legal Affairs, 125 Worth Street, Room 710, New York New York 10013

Parole Commission
Meets at its office, 100 Centre Street, Manhattan, New York 10013, on Thursday, at 10:30 a.m.

Board of Revision of Awards
Meets in Room 603, Municipal Building, Manhattan, New York 10007, at the call of the Chairman.

Board of Standards and Appeals
Meets at 40 Rector Street 6th, Floor Hearing Room "E" on Tuesdays at 10 a.m. Review Sessions begin at 10 a.m. and are customarily held on Friday preceding a Tuesday public hearing in the BSA conference room on the 9th Floor of 40 Rector Street. For changes in the schedule, or additional information, please call the Applications Desk at 676-2800 or consult the bulletin board at the Board's offices. at 40 Rector Street, 9th floor.

Tax Commission
Meets in Room 936, Municipal Building, Manhattan, New York 10007, each month at the call of the president.

Teacher's Retirement System
Meets in Room 1301, 40 Worth Street, Manhattan, New York 10013, on the third Thursday of each month at 3:30 p.m.

CITY PLANNING COMMISSION

■ **HEARINGS**

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, May 6, 1998, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN
CD 4 N 980429 HAK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Article 16 of the General Municipal Law of New York State for:

1) the designation of property generally located on the north side of Broadway between:

a) Jefferson Avenue and Hancock Street;
b)Covert and Schaeffer streets;
c) Decatur and Cooper streets; and
d)Moffat and Pilling streets;
as an Urban Development Action Area; and
2) an Urban Development Action Area Project for such area;
to facilitate commercial development under the ANCHOR/Partnership Retail Demonstration Program.

A list and description of the properties can be seen in the Brooklyn Office of the Department of City Planning, 16 Court Street, 7th floor, Brooklyn, NY 11241.

BOROUGH OF MANHATTAN
CD 4,5 C 980272 ZMM

(Proposed amendments to the zoning map and sections of the Zoning Resolution related to modifications to the Theater Subdistrict within the Special Midtown District, and the Perimeter Area of the Special Clinton District concerning bulk and use regulations, the preservation of theaters and the extension of the Theater Subdistrict to the west side of Eighth Avenue overlapping a portion of the Perimeter Area of the Special Clinton District.)

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section Nos. 8c and 8d,** establishing a Special Midtown District within a portion of the Special Clinton District bounded by West 56th Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue, as shown on a diagram (for illustrative purposes only) dated January 12, 1998.

BOROUGH OF MANHATTAN
CD 4,5 N 980271 ZRM

IN THE MATTER OF an application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, to amend various sections of the Zoning Resolution of the City of New York relating to the Theater Subdistrict within the Special Midtown District (Article VIII, Chapter 1), and the Special Clinton District (Article IX, Chapter 6), concerning use and bulk regulations, and the preservation of theaters, and other related sections concerning the reorganization and relocation of certain provisions relating to pedestrian circulation and subway stair relocation requirements and subway improvements.
Matter in **BOLDTONE** is new, to be added;
Matter in *ITAL* is old, to be deleted;
Matter within # # is defined in Section 12-10;
... indicate unchanged text omitted within a paragraph;
* * * indicate where unchanged text appears in the Zoning Resolution

ARTICLE III
COMMERCIAL DISTRICT REGULATIONS

* * *

Chapter 7
Special Regulations

* * *

The proposed Section 37-03 incorporates existing provisions of Section 81-47 (Off-street Relocation or Renovation of a Subway Stair) so that subway stair relocations or renovations city-wide will reference the same set of standards and procedures. No existing requirements will be removed or additional requirements imposed on Midtown. The proposed Section 81-47 will list the Midtown stations where relocations or renovations apply and reference the modified Section 37-03 for standards and procedures.

37-03
Off-Street Relocation **or Renovation** of a Subway Stair

37-031
Applicability of this Section

Where a #development# or #enlargement# is constructed on a #zoning lot# of *at least* 5,000 square feet **or more of #lot area#** that fronts on a portion of a sidewalk containing a stairway entrance or entrances into a subway station **located within the #Special Midtown District# as listed in Section 81-46 and those stations** listed in *this Section* **the following table**, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of this Section. *These provisions are in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised).*

A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

Standards for location, design and hours of public accessibility

In addition to the standards set forth in the **current station planning guidelines as issued by** New York City Transit *Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised)*, the following standards shall also apply:

(a)**Location**

The relocated **or renovated** entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk, *or from within a space accessible to the public, as those spaces are defined in the applicable zoning district regulations* **an #urban open space# or pedestrian circulation space as defined in Section 37-07 (Requirements for pedestrian circulation space). Any such #urban open space# or pedestrian circulation space shall have a minimum horizontal dimension equal to the width of the relocated stairs or the minimum width of the pedestrian circulation space, whichever is greater.**

*(b)*The relocated **or renovated** entrance may be provided within a #building#, but shall not be enclosed by any doors. The area occupied by a relocated **or renovated** entrance within a #building# shall not be counted towards the #floor area# of the #enlargement# or #development#.

Paragraphs (c) through (h) have been modified and rearranged as paragraph (b). Additional information from Section 81-47(b) has been incorporated.

(c**b**)**Design standards**

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

(c)The relocated entrance shall have a queuing space at the top and bottom of the stairs at least eight feet wide and 15 feet long, and such queuing space may overlap a #sidewalk widening#, an #arcade#, a #plaza#, a #residential plaza# or an #urban plaza#.

*(d)*Where two or more existing stairway entrances are being relocated **or renovated** as part of the same #development# or #enlargement#, the new entrance or entrances shall have *a* total stair *width or* widths equal to or greater than the sum of the stair widths of the**ose existing** stairway entrances *being relocated*, but in any case no less than eight feet in width.

The relocated entrance may be relocated within an #urban plaza#, provided that the minimum width of the stairs is ten feet and the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

*(c)***For a relocated entrance only, the entrance shall have a queuing space at the top and bottom of the stairs that is at least eight feet wide and 15 feet long. Such queuing space may overlap with an #urban plaza# or an #arcade# in accordance with the provisions of Sections 27-60 (ARCADES) or 37-073 (Design standards for pedestrian circulation spaces).**

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of five feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet, 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

*(e)*The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

(f)The relocated entrance may be relocated within a #plaza#, a #residential plaza# or an #urban plaza# provided that the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a #sidewalk widening#. A relocated entrance with a #plaza#, a #residential plaza# or an #urban plaza# is permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for a #plaza#, a #residential plaza# or an #urban plaza#.

*(g)*The relocated entrance shall connect to an existing or proposed subway passageway, or shall connect, via an underground passageway, to a mezzanine area of the subway station.

*(h)*The below-grade portion of a relocated entrance may be constructed within the #street#.

(c) **Hours of public accessibility**

*(i)*The relocated **or renovated** entrance shall be accessible to the public during the hours when the connected mezzanine area is open to the public or as otherwise approved by *the* **New York City** Transit *Authority*.

*37-03*337-032
Administrative procedure for a subway stair relocation **or renovation**

*(a)***For any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space),** ***Except as otherwise provided in paragraph (b) of this Section,*** no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued *for any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance*, unless **the following criteria are met**:

(*1*a)**for a relocated entrance,** sSuch plan includes a stair relocation plan and *the* related documents that bind the developer to:

(*i*1)construct the new stair entrance in accordance with such plan;

(*ii*2)demolish above-ground elements of the existing entrance; *and*

(*iii*3)seal the existing entrance at the sidewalk level.; **and**

(4)maintain the work performed on the relocated or renovated entrance; or

(2b)**for a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents that bind the developer to:**

(1)renovate or reconstruct the entrance in accordance with such plan; and

(2)maintain the work performed on the renovated or reconstructed entrance; and

(2c)Such plan and related documents bear *the* **New York City** Transit *Authority*'s approval **;**

(3d)Such plan is accompanied by a certified copy of an agreement, as recorded between *the* **New York City** Transit *Authority* and the owner for an easement on the #zoning lot# for subway-related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York *(County of New York)* and is accompanied by the Register's receipt of recordation.; **and**

(4)Such plan is accompanied by any request for modification of special urban design guidelines pursuant to Section 37-034.

(b)In the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission, by joint certification, may release the developer from said requirement. In such event, the stair relocation requirement shall be satisfied by retention of the existing stair and provision on the #zoning lot# of an open area which accommodates pedestrian traffic passing the existing entrance. Such space shall have a width equal to at least one and one-half times the width of the existing stair entrance and shall extend along the full length of the stair entrance. ***Incorporated into Section 37-034.***

(ce)**no permanent certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), unless and until all of the work required under paragraphs (a) or (b) of this Section has been completed and New York City Transit has so certified in writing to the Department of Buildings.** *Prior to obtaining a permanent certificate of occupancy, the relocated subway stair must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.*

37-034 **37-033**
Modification of *special urban design guidelines and urban open space* **requirements for a relocated or renovated subway stair**

The City Planning Commission may, by certification to the Commissioner of Buildings, allow modifications of the requirements of Section 37-01 (Special Urban Design Guidelines - Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the applicable provisions of #urban open space# in Section 12-10 (DEFINITIONS), if it finds that the relocated subway stair cannot be accommodated without modification to these provisions.

Sections 37-01 (Special Urban Design Guidelines – Streetscape), 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), 37-031 (Standards for location, design and hours of public accessibility) and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) may be modified if the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that a relocated subway stair cannot be accommodated in any reasonable way without modification of these provisions.

* * *

*37-03*537-034
Waiver of requirements

Upon application the City Planning Commission may authorize a waiver of requirements of Section 37-03 if the Commission finds that:

(a)the total #floor area# of all #developments# or #enlargements# after November 8, 1984, is less than 70,000 square feet; or

(b)there are major structural problems in creating space for a relocated stairway entrance in the existing #building#; or

(c)the space in an existing #building# which is required to relocate the stairway entrance is occupied by a tenant on a lease which was in effect prior to March 1, 1984, to which a member of the Bar of the State of New York shall attest, and that there is no opportunity to relocate the tenant within the #enlargement#.

As a condition for granting such waiver the Commission shall determine that:

(1)in the case of paragraph (a), the City Planning Commission and the Transit Authority may require an easement to accommodate the future relocation of the subway stairway in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised);

(2)in the case of paragraphs (a) or (b), no construction is undertaken that would preclude the future relocation of a stairway entrance from the sidewalk to the #zoning lot#;

(3)in the case of paragraph (c), that at the expiration of the existing lease the applicant shall undertake the relocation of the stairway entrance according to the provisions of this Section.

The provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair) may be waived by joint certification of New York City Transit and the Chairperson of the City Planning Commission that major construction problems or operating design considerations render the stair relocation infeasible. In such event, the stair relocation requirement may be satisfied by retention of the existing stair and the provision on the #zoning lot# of an open area, qualifying under the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), that accommodates pedestrian traffic passing the existing stair entrance. ***Adapted from Section 37-032(b).***

* * *

The requirements for pedestrian circulation space will be relocated from Section 81-45 in Midtown to a new Section 37-07. No changes to these requirements are proposed, nor will any requirements be added. All special districts of the city that have requirements for pedestrian circulation space will refer to 37-07 for a common set of standards. Any specific pedestrian circulation space requirements that are unique to a special purpose district will remain in the special purpose district text.

37-07
Requirements for Pedestrian Circulation Space

All pedestrian circulation space required pursuant to the provisions of any special purpose district shall comply with the provisions of this Section.

37-071
Amount of pedestrian circulation space

The minimum amount of pedestrian circulation space to be provided for #developments# or #enlargements# shall be determined by the following table:

MINIMUM PEDESTRIAN CIRCULATION SPACE REQUIREMENTS

Size of #zoning lot#FRLD Required #floor area#
MDIU
5,000 to 20,000 square feetFRLD 1 square foot per 350 square feet of new #floor area#

Above 20,000 square feetFRLD 1 square foot per 300 square feet of new #floor area#

37-072
Types of pedestrian circulation space

The pedestrian circulation space provided shall be of one or more of the following types: an arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types, or combinations of types, specified in the following table:

PROVISION OF PEDESTRIAN CIRCULATION SPACE ON CERTAIN TYPES OF LOTS

Type of Pedestrian Circulation Space
#Corner lot# #Through lot#
#Interior lot# Arcade X X
X Building entrance recess area
X X X Corner
arcade X Corner circulation
space X Relocation or
renovation of subway stair X X
X Sidewalk widening X
X X Subway station
improvement X X X
Through #block# connection X
X Urban plaza# X X
X

Minimum design standards for each type of pedestrian circulation space and, where applicable, the maximum amount of each type of pedestrian circulation space that may be counted towards meeting the requirements of Section 37-071 (Amount of pedestrian circulation space) are set forth in Section 37-073 (Design standards for pedestrian circulation spaces).

37-073
Design standards for pedestrian circulation spaces

(a) Arcade

Arcades shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, the provisions of this Section shall apply.

An arcade is a continuous covered space that adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#. Where an arcade abuts another arcade, there shall be a clear, unobstructed passage between both arcades.

An arcade shall meet the following requirements:
(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet, exclusive of all columns, and a maximum width of 15 feet, inclusive of columns. No column width shall be greater than five feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet and not more than 30 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:
(a)it has a continuous, unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent #zoning lot#, matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater.

(iii)On a #corner lot# fronting on a #narrow street#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: a corner arcade, a #plaza#, an off-street rail mass transit access improvement, an intersecting sidewalk widening, an intersecting #street#, a relocated or renovated subway entrance, a through #block# connection, a through #block# galleria or an #urban plaza#.

(iv)On a #wide street#, an arcade shall be permitted, provided that:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block#front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: a corner circulation space, a #plaza#, an intersecting sidewalk widening or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment, a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block#front is provided by the arcade in combination with such existing spaces.

(2)Full #block#front arcade

When a #zoning lot# occupies a full #block#front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (a)(1) (Dimensions) of this Section, parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

In the Theater Subdistrict of the #Special Midtown District#, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, shall be permitted within such arcade, and the maximum height of such arcade shall be 20 feet and the maximum width shall be 10 feet.

(5)Illumination

All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(b)Building entrance recess area

A building entrance recess area is a space that adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to the entrance to a ground floor #use#.

A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line# and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least five feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with an arcade, a corner arcade, a corner circulation space or a sidewalk widening, and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(c)Corner arcade

A corner arcade shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, a corner arcade shall be a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner arcade shall meet the following requirements:

(1)Dimensions

(i)a corner arcade shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#; and

(ii)the height of a corner arcade shall be not less than 12 feet and a clear path at least 12 feet wide shall be provided from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns, a corner arcade shall be free from obstructions of any kind.

(3)Specific prohibitions

The specific prohibitions pertaining to an arcade as described in paragraph (a)(4) of this Section shall also by applicable to a corner arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(d) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner circulation space shall meet the following requirements:

(1)Dimensions

A corner circulation space shall have the same minimum dimensions as a corner arcade, as described in paragraph (c)(1) of this Section.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements does not exceed 20 percent of the area of the corner circulation space and that such elements and any attachments thereto are at least eight feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings, except for drainage, shall be permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space.
An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(e)Relocation or renovation of a subway stair

When a #development# or #enlargement# is constructed on a #zoning lot# containing a relocated stairway entrance or entrances to a subway, or an existing stairway entrance or entrances to a subway, and such entrance or entrances are relocated or renovated in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair), one and a half times the area, measured at #street# level, of such entrance or entrances may count toward meeting the pedestrian circulation space requirement.

(f) Sidewalk widening

Sidewalk widenings provided to meet the requirements for pedestrian circulation space shall not be subject to the provisions of Sections 12-10 (DEFINITIONS), including the definition for #urban plaza#, and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas). In lieu thereof, the provisions of this Section shall apply.

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings.

A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than five feet nor more than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk.

A sidewalk widening shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#.

A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #street line# of the #wide street# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #street line# of the #wide street# to its intersection with the #street line# of the other #street# on which the #zoning lot# fronts.

Except for the permitted interruptions, as set forth in paragraph (f)(2) of this Section, a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

(2)Permitted interruptions

Interruptions of the continuity of a qualifying sidewalk widening shall be permitted only under the following conditions:

(i)by an arcade that has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening;

(ii)if overlapped by a corner circulation space or a building entrance recess area that permits uninterrupted pedestrian flow;

(iii)if overlapped by an #urban plaza#, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening;

(iv)by an off-street subway entrance provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#;

(v)if overlapped by the queuing space of a relocated or renovated subway entrance, provided that the queuing space for the entrance leaves at least a five foot uninterrupted width of sidewalk widening along the entire length of the queuing space; or

(vi)by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, a through #block# galleria or a through #block urban plaza# at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (f)(2) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements, measured on the plan, does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least eight feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or storage of trash is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than five feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture or building transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building# or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(g)Subway station improvement

For #developments# or #enlargements# that are granted a special permit pursuant to Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan), no more than 3,000 square feet may count toward meeting the pedestrian circulation space requirement.

Paragraph (h) has been adapted from Section 81-46 (Through Block Connection) which will be deleted. No new requirements have been added.

(h) Through #block# connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the building's main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#.

Up to a maximum of 3,000 square feet of a through #block# connection may count towards the minimum pedestrian circulation space requirement.

A through #block# connection shall meet the following requirements:

(1) Location

(i) A through #block# connection shall be located at least 150 feet from the intersection of two #streets#.

(ii)Where the #zoning lot# or a portion thereof is directly across a #street# from, and opposite to, an existing through #block# connection on an adjacent #block# and the existing connection is at least 150 feet from the intersection of two #streets#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(iii)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count towards meeting the pedestrian circulation space requirement.

(iv)No through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission, or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

(2)Design standards for a through #block# connection

(i)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(ii)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide a clear path,

accessible to people with disabilities, through its entire length.

(iii)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(iv)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the building's main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(v)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the building's main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(vi)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(vii)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted, in prominent, visible locations at its entrances, signs meeting the standards set forth in paragraph (h)(2)(viii)(a) of this Section.

(viii)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(a)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(1)a public space symbol which is at least 14 inches square in dimension, has a white background, has a grid of four straight lines no greater than one-eighth inch wide and green in color and has a tree-shaped symbol as shown:

(Tree Symbol)

(2)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(3)an international Symbol of Access for people with disabilities that is at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent freestanding post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(b)For an enclosed through #block# connection or a portion thereof:

(1)a public space symbol as described in paragraph (h)(2)(viii) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(2)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block# connection passes and which lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol; and

(3)lettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow. The information shall be located not higher than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

(i)Urban plaza

A maximum of 30 percent of the area of an #urban plaza# that faces a #street# intersection, or provides access to a major building entrance, may be counted toward meeting the pedestrian circulation space requirement.

A maximum of 3,000 square feet of a through #block urban plaza# may be counted toward meeting the pedestrian circulation space requirement.

For all other #urban plazas#, the first 10 feet of depth from the #street line# may be counted toward meeting the pedestrian circulation space requirement, provided that the #urban plaza# conforms to the design standards of a sidewalk widening as set forth in paragraph (f) of this Section.

All #urban plazas# shall comply with Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

Any area of permitted overlap between pedestrian circulation spaces or other amenities shall be counted only once toward meeting the required amount of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

The following is a revision of Section 81-454 (Modification of design standards of pedestrian circulation spaces within existing buildings) , which will be deleted. No new requirements will be added.

37-074
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of any required minimum amount of pedestrian circulation space to be provided on #wide street# frontages and design standards, as indicated, for the following required pedestrian circulation spaces, to be provided within or under an existing #building# to remain on a #zoning lot#:

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes

(b)Building entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall

(c)Corner arcade or corner circulation space: minimum depth, minimum width of clear path, minimum height, obstructions

(d)Through #block# connection: minimum width of unobstructed path, minimum height, through #block# level

The Commission may authorize a modification of design standards for pedestrian circulation spaces when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent, to the required space in terms of quality, effectiveness and suitability for public use.

* * *

Existing Sections 81-53 and 74-634 both permit bonus floor area for subway station improvements in accordance with essentially the same requirements. They are proposed to be combined into one action under Section 74-634 which would apply city-wide. No new requirements would be added.

74-634
Subway station improvements in commercial zones of 10 FAR and above in Manhattan

The City Planning Commission may **grant,** by special permit, *after public notice and hearing and subject to a Board of Estimate action, grant* a #floor area# bonuses, *modify Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), the provisions of #urban open space# in Section 12-10 (DEFINITIONS), and in a C5-5 District, height and setback and #rear yard# regulations* **up to but not exceeding 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations, and may waive or modify the provisions of Article III, Chapter 7 (Special Regulations) and the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity Along Designated Streets)** for #developments# or #enlargements# **located on #zoning lots# where** *which provide* major improvements *for to* adjacent subway stations **are provided** in accordance with the provisions of this Section. **For the purposes of this Section, "adjacent" shall mean that upon completion of the improvement, the #zoning lot# will** *The subway stations in districts where such improvements may be constructed are listed in paragraph (a) of this Section. The #zoning lot# for the #development# or #enlargement# on which such #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed. In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," it must* physically adjoin a **subway** station mezzanine, platform, concourse or connecting passageway, *with no tracks intervening to separate the #zoning lot# from these elements.* **Subway stations where such improvements may be constructed are those stations located within the #Special Midtown District# as listed in Section 81-511 (Subway Station Improvements) and those stations listed in the following table:**

(a)Bonus eligible subway stations by line and zone

#Developments# or #enlargements# which provide major improvements to adjacent subway stations are eligible for a #floor area# bonus which shall not exceed 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations. The stations eligible for bonus are as follows:

Station	Line	District
Wall Street	Broadway IRT (Lexington Ave)	*C5 5CR*
Fulton Street	Broadway IRT (Lexington Ave)	*C5 5CR*
Brooklyn Bridge	IRT (Lexington Ave)	*C6 4*

The selection of subway station improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, New York City Transit and the City Planning Commission. All such improvements shall comply with all applicable design standards of the current station planning guidelines of New York City Transit.

(b)Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975 and as may be subsequently revised).

(c)Procedure

(1)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the Metropolitan Transportation Authority, the Transit Authority and the City Planning Commission.

(2)Application pre-certification

After review and agreement on the concept by the Metropolitan Transportation Authority, Transit Authority and the City Planning Commission, the applicant shall submit necessary documentation in conformance with the New York City Transit Authority's "Guidelines for Submission and Approval of Outside Projects". Prior to certification by the City Planning Commission, the Transit Authority shall provide a letter to the Commission containing conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(3)The special permit application to the City Planning Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and for making the findings for the modifications of Section 37-01, Section 37-02 and height and setback regulations in C5-5 Districts.

(4)The special permit application shall include any request for modification of special urban design guidelines pursuant to Section 74-634 paragraph (e) and of height and setback and #rear yard# regulations pursuant to Section 74-634 paragraph (f).

(5)Uniform Land Use Review Procedure - certification

The City Planning Commission shall not certify any application under the Uniform Land Use Review Procedure until the requisite letter from the Transit Authority has been received and incorporated in the application. Such letter may be subject to subsequent execution of a final agreement with the developer.

(6)Prior to the granting of a special permit:

(i)the Transit Authority shall have submitted a letter to the City Planning Commission:

(a)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other elements as may be appropriate; and

(b)confirming that the construction of the subway improvement in accordance with such submission is feasible; and

(ii)the applicant shall sign a legally enforceable instrument, running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(7)The restrictive declarations and any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for the borough in which the improvement or easement is being created, and a certified copy of the instrument shall be submitted to the City Planning Commission and the Transit Authority.

(8)Prior to obtaining a temporary certificate of occupancy for the bonus #floor area#, the bonused subway improvement shall be substantially complete, which shall, for this purpose, mean usable by the public, as determined by the Transit Authority.

(9)Prior to obtaining a permanent certificate of occupancy, the bonused subway improvement must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.

(d)Floor area bonus

The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no #floor area# bonus to the maximum amount allowable by special permit pursuant to the provisions of this Section. For a #residential# or mixed-#use development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Section 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM, OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead for every 750 square feet of gross #residential floor area# provided, there shall be not more than one #dwelling unit#. In determining whether to grant a special permit and the precise amount of #floor area# bonus pursuant to the special permit, the Commission shall make all of the following findings:

(1)the degree to which the station's general accessibility, rider orientation and safety will be improved by the provision of new connections, additions to circulation space or easing of circulation bottlenecks;

(2)provision of escalators or elevators where justified by traffic or depth of mezzanine or platform below #street# level;
(3)convenience and spaciousness of #street# level entrance and compatible relationship to the ground floor #uses# of the #development# or #enlargement#;

(4)improvements in the station's environment by provision for daylight access, or improvements to noise control, air quality, lighting or other architectural treatments.

(e)Modification of special urban design guidelines and urban open space

The City Planning Commission may modify the requirements of Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the requirement for #urban open space# in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) if it finds the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(f)Modification of height and setback and yard regulations

In a C5-5 District, in the case of on-site subway station improvements that generate

#floor area# bonus pursuant to Section 74-634, the City Planning Commission may permit modification of the applicable regulations in Sections 33-26 to 33-30, inclusive, relating to #rear yard# regulations, or in Sections 33-41 to 33-45, inclusive, relating to height and setback regulations.

The City Planning Commission may grant such modification upon consideration that the applicable height and setback or #rear yard# regulations cannot be complied with by some method feasible for the applicant to pursue because of the provision of a subway station improvement, the size or irregular shape of the lot, the size or irregular shape of the #block# or width of #streets#. The Commission shall also consider the characteristics of surrounding development. The Commission shall require, where appropriate, sufficient safeguards to insure the free flow of pedestrian and vehicular traffic in the general area.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

The following paragraphs incorporate existing requirements in the preceding paragraphs that are proposed to be deleted: (b), (c)(1) through (c)(9), (d)(1) through (d)(4), (e) and (f) – and those in Section 81-534 (Procedure) which would also be deleted.

(a)Pre-application requirements

Prior to submitting an application for a special permit pursuant to this Section, the applicant shall submit a schematic or concept plan for the proposed improvement to the Metropolitan Transportation Authority, New York City Transit and the Chairperson of the City Planning Commission.

(b)Requirements for application

An application for a special permit pursuant to this Section shall include a letter from New York City Transit to the City Planning Commission containing conceptual approval of the improvement and a statement of any special considerations regarding New York City Transit's future operation of the improvement. The applicant shall submit all information and justification sufficient to enable the Commission to:

(1)evaluate the benefits to the City;

(2)determine the appropriate amount of bonus #floor area#; and

(3)where applicable, assess the advantages and disadvantages of waiving or modifying #street wall# continuity requirements.

(c)Findings

(1)In determining the amount of #floor area# bonus, the City Planning Commission shall consider:

(i)the degree to which the general accessibility and/or security of the subway station will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(ii)the degree to which significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and appropriate integration of the #street# level entryway into the #development# or #enlargement# will occur.

(2)In determining modifications to the requirements of Article 3, Chapter 7 (Special Regulations), the Commission shall find that the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(3)In determining modifications to the #street wall# continuity provisions of Section 81-43 in the #Special Midtown District#, the Commission shall find that the modification will permit the proposed design to provide for improved access of daylight or air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# and retail continuity.

(4)Within the #Special Midtown District#, for a #development# or #enlargement# within the Theater Subdistrict on a #zoning lot# containing a theater designated as listed pursuant to Section 81-742 (Listed theaters), the Commission shall find that the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) have been met.

(5)Within the #Special Midtown District#, for a #development# or #enlargement# located on a #zoning lot# divided by a Theater Subdistrict Core boundary, as defined in Section 81-71 (General Provisions), the amount of #lot area# eligible for determining permitted bonus #floor area# shall not exceed an amount equal to twice the #lot area# of that portion of the #zoning lot# located outside the Theater Subdistrict Core.

(d)Procedural requirements

Prior to the granting of a special permit, the City Planning Commission shall be provided with the following:

(1)a letter from New York City Transit stating that the drawings and other documents submitted by the applicant have been determined by New York City Transit to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems, materials, relationship to existing site conditions and such other conditions as may be appropriate, and that the construction of the subway improvement in accordance with such submission is feasible.

(2)a legally enforceable instrument running with the land and signed by the applicant and all parties in interest, other than parties in interest who have waived and subordinated their interests, containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and provide capital maintenance for the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(e) Density

For a #residential# or mixed #development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Sections 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead, for every 790 square feet of #residential floor area# provided, there shall be not more than one #dwelling unit#.

(g) Recordation & completion procedures

Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York and a certified copy of the instrument shall be submitted to the City Planning Commission and New York City Transit. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until New York City Transit has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean open to and usable by the public.

The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy, until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by New York City Transit.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

Chapter 1
Special Midtown District

81-00
GENERAL PURPOSES

The "Special Midtown District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

(a)to strengthen the business core of Midtown Manhattan by improving the working and living environments;

* * *

(h)to preserve, protect and enhance the character of the Theater Subdistrict as the location of the world's foremost concentration of legitimate theaters and an area of diverse uses of a primarily entertainment and entertainment-related nature;

(i)to strengthen and enhance the character of the Eighth Avenue Corridor and its relationship with the rest of the Theater Subdistrict and with the Special Clinton District;

(j)to create and provide a transition between the Theater Subdistrict and the lower-scale Clinton Community to the west;

*(i)***(k)**to preserve, protect and enhance the scale and character of Times Square, the heart of New York City's entertainment district, and the Core of the Theater Subdistrict, which are characterized by a unique combination of building scale, large illuminated signs and entertainment and entertainment-related uses;

*(j)***(l)**to preserve, protect and enhance the character of Fifth Avenue as the showcase of New York and national retail shopping;

*(k)***(m)**to preserve the midblock area around the Museum of Modern Art for its special contribution to the historic continuity, function and ambience of Midtown;
*(l)***(n)**to expand and enhance the pedestrian circulation network connecting Grand Central Terminal to surrounding development, to minimize pedestrian congestion and to protect the area's special character;

*(m)***(o)**to provide freedom of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms without the need for special development permissions or "negotiated zoning"; and

*(n)***(p)**to promote the most desirable use of land and building development in accordance with the District Plan for Midtown and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

81-01
Definitions

For purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS), in Section 81-261 (Definitions), or in Section 81-271 (Definitions).

Special Midtown District
(repeated from Section 12-10)

The "Special Midtown District" is a Special Purpose District designated by the letters "MiD" in which special regulations set forth in Article VIII, Chapter 1, apply. The #Special Midtown District# appears on the #zoning maps# superimposed on other districts, and its regulations supplement and modify those of the districts on which it is superimposed.

Special Clinton District
(repeated from Section 12-10)

The #Special Clinton District# is a Special Purpose District designated by the letters "CL" in which the regulations set forth in Article IX, Chapter 6 apply.

81-02
General Provisions

81-021
Applicability of underlying district regulations

* * *

81-022
Applicability of Special Transit Land Use District regulations

* * *

81-023
Applicability of Special Clinton District Regulations

Wherever the #Special Midtown District# includes an area which also lies within the #Special Clinton District#, the regulations of the #Special Clinton District# as set forth in Article IX, Chapter 6, shall also apply. However, if there is any conflict or discrepancy between the regulations, the Special Midtown District regulations shall supersede the Special Clinton District regulations.

The portion of the #Special Clinton District# within the #Special Midtown District# includes the area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue and West 42nd Street. The area is designated on the #zoning maps# by the letters CL-MiD.
*81-023***81-024**
Integration clauses

* * *

81-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, four special subdistricts are established within the #Special Midtown District#. In each of these subdistricts certain special regulations apply which do not apply in the remainder of the #Special Midtown District#. The subdistricts are outlined on Map 1 (Special Midtown District and Subdistricts) in Appendix A.

The subdistricts, together with the sections of this Chapter specially applying to each, are as follows:

Sections Having Subdistricts
Special Application
The Grand Central Subdistrict
81-60
The Theater Subdistrict
81-70
The Fifth Avenue Subdistrict
81-80
The Preservation Subdistrict 81-90

The subdistricts are also subject to all other regulations of the #Special Midtown District#, **and, where applicable pursuant to Section 81-023, the #Special Clinton District#,** and the underlying districts, except as otherwise specifically provided in the subdistrict regulations themselves.

81-062
Applicability of Chapter 4 of Article VII

Within the #Special Midtown District#, the following provisions regarding special permits by the City Planning Commission shall not be applicable:

Section 74-72(Bulk Modification)

Section 74-74(General Large-Scale Development)

Section 74-75(Educational Construction Fund Projects)

* * *

81-063
Regulations for Developments or Enlargements on Lots Divided by District Boundaries, Within or Partially Within the Theater Subdistrict

Within the Theater Subdistrict of the #Special Midtown District#, the provisions of Chapter 7 of Article VII (Special Provisions for Zoning Lots Divided by District Boundaries) are modified in part by the provisions of Section 81-746 (*Special modification of* **Additional** provisions for zoning lots divided by district **or subdistrict core** boundaries).

* * *

81-20
BULK REGULATIONS

81-21
Floor Area Ratio Regulations

The #floor area ratio# regulations of the underlying districts are modified in accordance with the provisions of this Section or Section 81-241 (Maximum floor area ratios for a residential building or the residential portion of a mixed building).

81-211
Maximum floor area ratio for non-residential or mixed buildings

(a)For non-#residential buildings# or #mixed buildings#, the basic maximum #floor area ratios# of the underlying districts shall apply as set forth in this Section.

(b)In the #Special Midtown District, the basic maximum #floor area ratio# on any #zoning lot# may be increased by bonuses or other #floor area# allowances only in accordance with the provisions of this Chapter, and the maximum #floor area ratio# with such additional #floor area# allowances shall in no event exceed the amount set forth for each underlying district in the following table:

PG

TABLE NOT INCLUDED - AVAILABLE IN HARD COPY FORMAT IN THE PRINTED CALENDAR, WHICH IS AVAILABLE FROM THE CALENDAR OFFICE AT 22 READE STREET, NEW YORK, NEW YORK 10007PG

81-22
As-of-Right Floor Area Bonuses

As-of-right #floor area# bonuses are not permitted in the #Special Midtown District#, except in accordance with the provisions of the following Sections:

Section 81-23 (Floor Area Bonus for Urban Plazas)

Section 81-748 (Floor area bonus for through block gallerias)

In addition, the provisions of Article II, Chapter 3, Section 23-90 (Inclusionary Housing) shall be applicable in that portion of the #Special Midtown District# which is also within the #Special Clinton District# pursuant to Section 81-023 (Applicability of the Special Clinton District Regulations).

Any floor area bonus granted by certification for through block gallerias prior to (the effective date of this amendment) shall remain in effect, provided however that such certification shall automatically lapse if substantial construction, in accordance with the plans for which such certification was granted, has not been completed within four years from the effective date of such certification.

81-23
Floor Area Bonus for Urban Plazas

Within the #Special Midtown District#, for each square foot of #urban plaza# provided on a #zoning lot#, the basic maximum #floor area# permitted on that #zoning lot# under the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) may be increased by six square feet, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

This Section shall be applicable in all underlying districts throughout the #Special Midtown District#, except that:

(a)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the C5P District within the Preservation Subdistrict;

(b)no #development# or #enlargement# on a #zoning lot# shall receive a bonus for an urban plaza that is within 50 feet of a #street line# of a designated #street# on which retail or #street wall# continuity is required, pursuant to Sections 81-42 (Retail Continuity Along Designated Streets) or 81-43 (Street Wall Continuity Along Designated Streets);

(c)no #development# or #enlargement# on a #zoning lot#, **any portion of which is** within the Theater Subdistrict Core as defined in Section 81-71 (General Provisions), shall receive a bonus for an #urban plaza#; and

(d)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the Grand Central Subdistrict.

All #urban plazas# provided within the #Special Midtown District# shall comply with the requirements for #urban plazas# set forth in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

A major portion of an #urban plaza# may overlap with a sidewalk widening which may be provided to fulfill the minimum pedestrian circulation space requirements set forth in Section 81-45 (Provision of Pedestrian Circulation Space), provided that the overlapping portion of the #urban plaza# also conforms to the design standards of Section *81-45* **37-07** for a sidewalk widening. Such sidewalk widening may be included in the major portion of an #urban plaza# for purposes of calculating the proportional restrictions set forth in Section 37-04, paragraph (e).

* * *

81-24
Floor Area, Density and Building Spacing Regulations for Residential Uses

81-241
Maximum floor area ratios for a residential building or the residential portion of a mixed building

For #residential buildings# or #residential# portions of #mixed buildings# in the #Special Midtown District#, the maximum #floor area ratio# for each underlying district is as follows:

(a)In the C5-P District the maximum #floor area ratio# is 8.0, and no additional #floor area# shall be allowed above this limit.

(b)In all underlying districts other than the C5-P District, except as provided in paragraph (c) of this Section, the maximum #residential floor area ratio# is 10.0.

(c)A #residential building# or the #residential# portion of a #mixed building# in any underlying district other than a C5-P, C6-4 or C6-5 District **or a #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 District within the Theater Subdistrict which has been granted bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions),** shall qualify for a maximum #residential floor area ratio# of 12.0 if the #building# includes recreational space for the #residential# occupants in an amount not less than 6.5 square feet for each #room#, or a total area of at least 5,000 square feet, whichever is greater. The recreational space may be located at any level including a roof. Such recreational space shall:

(1)be restricted to #residential# occupants of the #building# and their guests for whom no admission or membership fees may be charged;

(2)be directly accessible from a lobby or other public area served by the #residential# elevators;

(3)be landscaped including trees or shrubbery, except where covered or developed with recreational facilities and seating areas;

(4)contain not less than 500 square feet of continuous area on a single level with no dimension of less than 15 feet;

(5)have not less than 50 percent of the area open from its lowest level to the sky. The remaining portion may be roofed and up to 50 percent of its perimeter may be enclosed. In no event may more than 25 percent of the required recreational space be fully enclosed. All enclosures shall be transparent except when located within the #building#. Covered areas shall contain recreational facilities or seating areas.

A copy of requirements (1) through (5) set forth in this paragraph shall be permanently posted in a conspicuous place within each recreational space.

(d)A #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 underlying district within the Theater Subdistrict may qualify for bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions), provided that the #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0 and that such #building# also provides recreational space for the #residential# occupants in accordance with the requirements of paragraph (c) of this Section.
(e)The applicable maximum #floor area ratio# for a #residential building# or the #residential# portion of a #mixed building# shall not be increased by any bonuses or other #floor area# allowances except as provided in paragraph (c) or (d) of this Section.

* * *

81-25
General Provisions Relating to Height and Setback of Buildings

For all #buildings# in the #Special Midtown District#, except as provided in Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT), the height and setback regulations of the underlying districts, *including tower regulations*, are superseded by the provisions of this Section, and by the two alternate sets of regulations controlling the height and setback of #buildings#, as set forth in Sections 81-26 and 81-27 respectively.

An applicant for plan approval by the Department of Buildings may elect to be governed by the provisions of either Section 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) in addition to the provisions of this Section. *and of Section 81-622 (Special height and setback requirements) applicable to a #development# or #enlargement# within the Grand Central Subdistrict.*

This Section sets forth the provisions which are common to both sets of regulations.

* * *

81-40
MANDATORY DISTRICT PLAN ELEMENTS

* * *

81-43
Street Wall Continuity Along Designated Streets

* * *

Pedestrian circulation spaces may be provided to meet the requirements of Section 81-45 (**Pedestrian Circulation Space**), *81-46 or 81-47* subject to the setback restrictions of this Section and to the minimum length of the #street wall# subject to such setback restrictions. However, the City Planning Commission may waive such restrictions for a subway entrance area which is part of a subway station improvement for which bonus #floor area# is granted, in accordance with the provisions of Section *81-53* **81-511** (Subway Station Improvements).

* * *

No arcades, sidewalk widenings or #urban plazas# shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages. **Between 42nd and 56th Street, no arcades or #urban plazas# shall be permitted on Eighth Avenue.** Between 43rd and 50th Streets, no arcades or #urban plazas# shall be permitted on Seventh Avenue or Broadway and, with the exception of marquees and #signs#, any area between the Seventh Avenue or Broadway #street line# and any required #street wall# below the height of the first required setback, including permitted recesses, shall be open from #curb level# to the sky in its entirety. Any such area shall be at the same elevation as the adjoining sidewalk, directly accessible to the public at all times and free of all obstructions at ground level, including #street# trees. On the remaining #streets# designated for #street wall# continuity, arcades, if provided, shall be not less than 10 feet in depth and not more than 30 feet high. Arcades shall not be counted toward the recess allowances.
For #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements).

For #zoning lots# located wholly or partially within the Eighth Avenue Corridor the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements.

On Fifth Avenue, the minimum required #street wall# height without setback shall be 85 feet and the maximum allowable #street wall# height without setback shall be 125 feet. Above the maximum #street wall# height, a setback of at least 10 feet shall be required. (See Section 81-83)

Existing #buildings# on a #zoning lot# shall be included in measurements of the #street wall#. No existing #building# shall be altered such that a #non-compliance# with the provisions of this Section is created, nor shall an existing degree of #non-compliance# with these provisions be increased.

* * *

81-45
Provision of Pedestrian Circulation Space

Within the boundaries of the #Special Midtown District#, except as provided in Section 81-453 (Exemptions from the pedestrian circulation space requirements), all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger and providing more than 70,000 square feet of new #floor area#, shall provide a minimum amount of pedestrian circulation space at the rate provided in Table A.

TABLE A
MINIMUM PEDESTRIAN CIRCULATION SPACE REQUIREMENTS
Lot Size in Square Feet | *Minimum Area of Pedestrian Circulation Space*
5,000 to 20,000 of new #floor area# | *1 square foot per 350 square feet*
Above 20,000 of new #floor area# | *1 square foot per 300 square feet*

The pedestrian circulation space provided shall be of one or more of the following types: sidewalk widening, arcade, corner arcade, corner circulation space, building entrance recess area, through #block# connection, subway stair relocation, renovation or reconstruction of a subway stair pre-existing on the #zoning lot#, or off-street rail mass transit access improvement.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types or combinations of types outlined in Table B.

Such pedestrian circulation space shall meet the requirements set forth in Sections 81-451 (Design standards for pedestrian circulation spaces), 81-46 (Through Block Connection), 81-47 (Off-Street Relocation or Renovation of a Subway Stair) or 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility). Arcades shall not be subject to the provisions of Section 27-60 (ARCADES), and sidewalk widenings shall not be subject to the provisions of Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

In addition, certain amenities for which bonuses are granted may count toward the minimum area of pedestrian circulation space in accordance with the provisions of Section 81-452 (Bonused amenities qualifying as pedestrian circulation spaces).

Any area of permitted overlap between pedestrian circulation spaces or amenities shall be counted only once toward the minimum area of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

TABLE B
LOT TYPE WHERE CIRCULATION SPACE MAY BE PROVIDED

Type of Circulation Space (Section 81-45)	*#Corner Lot#*	*#Through Lot#*	*#Interior Lot#*
Sidewalk Widening	*X*	*X*	*X*
Corner Circulation Space	*X*	*X*	*X*
Building Entrance Recess Area	*X*	*X*	*X*
Through #Block# Connection	*X*	*X*	*X*
Subway Stair Relocation of Renovation	*X*	*X*	*X*
Off Street Rail Mass Transit Access Improvement	*X*	*X*	*X*

arcades or sidewalk widenings shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to and along Seventh Avenue or Broadway and where pedestrian circulation space is provided along such #street# frontages, #signs# and marquees shall be permitted as exceptions to the requirements related to obstructions or permitted obstructions of Section 81-451 (Design standards for pedestrian circulation spaces). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity along Designated Streets).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street, or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #wide street#.

In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

Within the #Special Midtown District#, all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger with more than 70,000 square feet of new #floor area# shall provide pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The requirements for pedestrian circulation space may be met by providing one or more of the following types of spaces: arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#. Design requirements and, where applicable, the maximum amount of each space that may be counted towards the minimum pedestrian circulation space requirement are set forth in Section 37-07 (Requirements for Pedestrian Circulation Space).

In addition, the following may be counted towards meeting the minimum pedestrian circulation space requirement:

(a)up to a maximum of 3,000 square feet of an access improvement to rail mass transit provided pursuant to Section 81-49 (Off-street Improvement of Access to Rail Mass Transit Facility);

(b)within the Theater Subdistrict, theater waiting space provided pursuant to Section 81-451 (Theater waiting space).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #street#. In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

However, pedestrian circulation space shall not be required if any of the following conditions exist:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with less than 80 feet of #street# frontage;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where arcades, sidewalk widenings or #urban plazas# are prohibited;

(d)the #zoning lot# is an #interior lot# fronting on either 34th Street, 42nd Street, 57th Street or Fifth Avenue, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both #street# frontages less than 25 feet in length.

Arcades or sidewalk widenings shall not be permitted on 34th Street, 42nd Street, 57th Street or Fifth Avenue frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to

and along Seventh Avenue or Broadway. Where pedestrian circulation space is provided along Seventh Avenue or Broadway between 43rd and 50th Streets, #signs# and marquees shall be permitted as exceptions to the requirements relating to obstructions or permitted obstructions in Section 37-07 (Requirements for Pedestrian Circulation Space). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity Along Designated Streets).

81-451
Design standards for pedestrian circulation spaces
Theater waiting space

(a) Sidewalk widening

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings. A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than 5 feet nor greater than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk. Except for the permitted interruptions, as set forth in paragraph (a)(2), a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

It shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#. A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #wide street line# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #wide street street line# to its intersection with the other #street street line# on which the #zoning lot# fronts.

(2)Permitted interruptions

Only under the following conditions shall any interruptions of the continuity of a qualifying sidewalk widening be permitted:

(i)A sidewalk widening may be interrupted by an arcade which has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening.

(ii)A sidewalk widening may be overlapped by a corner circulation space or a #building# entrance recess area which permits uninterrupted pedestrian flow.

(iiiA sidewalk widening may be overlapped by an #urban plaza# as set forth in Section 81-23, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening.

(iv)An off-street subway entrance may interrupt a sidewalk widening provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#.

(v)A sidewalk widening may be overlapped by the queuing space of a relocated or renovated subway entrance provided that the queuing space for the entrance leaves at least a 5 foot uninterrupted width of sidewalk widening along the entire length of the queuing space.

(vi)A sidewalk widening may be interrupted by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, or a through #block urban plaza#, or a through #block# galleria at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (5) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area (measured on the plan) of such elements does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least 8 feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or trash storage is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than 5 feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture, or #building# transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building#, or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(b) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner circulation space shall meet the following requirements:

(1)Dimensions
A corner circulation space shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies; provided that the total area of such elements does not exceed 20 percent of the corner circulation space area; and that such elements and any attachments thereto are at least 8 feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings except for drainage are permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space. An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(c) Arcade

An arcade is a continuous covered space which adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#.

An arcade shall meet the following requirements:

(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet exclusive of all columns and a maximum width of 15 feet inclusive of columns. No column width shall be greater than 5 feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:

(a)it has a continuous unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or on a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent lot matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, for the full length of the new #building# frontage, whichever is greater.

(iii On the #narrow street# frontage of a #corner lot#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: an intersecting #street#, an intersecting sidewalk widening, a corner arcade, a #plaza#, an #urban plaza#, a through #block# connection, a through #block# galleria, a relocated or renovated subway entrance, or an off-street rail mass transit access improvement.

(iv)On a #wide street#, an arcade is permitted only if:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block# front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: an intersecting sidewalk widening, a corner circulation space, a #plaza# or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment as required in this paragraph (iv)(c), a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block# front is provided by the arcade in combination with such existing spaces.

(2)Full #block# front arcade

When a #zoning lot# occupies a full #block# front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be completely free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (c)(1), parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

(5)In the Theater Subdistrict, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, are permitted within such arcade, and the height and width of such arcade shall be limited to a maximum of 20 feet and 10 feet respectively.
(6)All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(d)Corner arcade

A corner arcade is a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner arcade shall meet the following requirements:

(1)Dimensions

A corner arcade shall have the same minimum dimensions as a corner circulation space and in addition shall have a height of not less than 12 feet and shall provide a clear path at least 12 feet wide from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns a corner arcade shall be free of obstructions of any kind.

(3)Specific prohibitions
Same as for an arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(e)Building entrance recess area

A building entrance recess area is a space which adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to a ground floor #use# entrance. A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line#, and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least 5 feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with a sidewalk widening, an arcade, a corner arcade, or a corner circulation space and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(f) Through #block# connection

The design standards for a through #block# connection are set forth in Section 81-46 (Through Block Connection).

(g)Off-street relocation or renovation of a subway stair

The design standards for a relocated or renovated subway stair are set forth in Section 81-47 (Off-Street Relocation or Renovation of a Subway Stair).

(h)Off-street improvement of access to rail mass transit Facility

The design standards for an off-street rail mass transit access improvement are set forth in Section 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility).

Theater waiting space shall be an unobstructed area providing outdoor waiting space for a theater audience, located immediately adjacent to the sidewalk and to a theater listed in Section 81-742 (Listed Theaters) or a new theater designed and intended to show live theatrical performances. Theater waiting space may be located on the same #zoning lot# occupied by a theater or a #zoning lot# immediately adjacent to a theater, and shall meet the following requirements:

(a)such space shall adjoin and open onto a sidewalk or sidewalk widening for its entire length and shall have a minimum length of 30 feet measured parallel to the #street line# and a minimum clear depth of 10 feet measured perpendicular to the #street line# exclusive of any columns. Its level shall be entirely the same as that of the adjoining sidewalk. When located under an overhanging portion of a #building or other structure#, it shall have a minimum clear height of 15 feet and be free of any obstructions except for #building# columns;

(b)such space shall provide direct access to a #building's# entrance or the theater's lobby. Where the theater and the theater waiting space are on separate #zoning lots#, a plaque shall be provided within the theater waiting space adjacent to the theater stating that the space is available as a waiting area for the theater audience. Such plaque shall be placed between four feet and six feet above #curb level#, and shall be visible from the sidewalk;

(c)such space shall not adjoin a driveway or an off-#street# loading berth;

(d)the entire theater waiting space shall be illuminated with a minimum level of not less than eight horizontal foot-candles (lumens per foot), and

The theater waiting space may overlap with a sidewalk widening, an arcade, a corner arcade, a corner circulation space, or a building entrance recess area. However, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

81-452

Bonused amenities qualifying as pedestrian circulation spaces

A portion of the following amenities, for which bonuses are granted pursuant to this Chapter, may be counted toward the minimum pedestrian circulation space requirements:

(a)Through #block# galleria (see Section 81-748), up to a maximum of 3,000 square feet.
(b)Through #block urban plaza# (see Section 81-23), up to a maximum of 3,000 square feet.

(c)#Urban plaza# (see Section 81-23)

(1)For an #urban plaza# that faces a #street# intersection or provides access to a major #building# entrance: 30 percent of the #urban plaza's# area.

(2)For other #urban plazas#: the first 10 feet of depth from the #street line#, provided that it conforms to the design standards of a sidewalk widening.

(d)Subway station improvement (see Section 81-53), up to a maximum of 3,000 square feet.

81-453
Exemptions from the pedestrian circulation space requirements

Under any of the following conditions a #development# or #enlargement# shall not be required to provide pedestrian circulation space:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with frontage length less than 80 feet;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where no arcade, sidewalk widening or #urban plaza# is permitted, such as Fifth Avenue, 42nd Street, 34th Street and 57th Street or any #street# within the Preservation Subdistrict;

(d)the #zoning lot# is an #interior lot# fronting on either Fifth Avenue, 42nd Street, 34th Street or 57th Street, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both frontages less than 25 feet in length.

81-454
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of the minimum amount of pedestrian circulation space to be provided on #wide street# frontages as required in Section 81-45 (Provision of Pedestrian Circulation Space) and design standards, as indicated, for the required pedestrian circulation spaces listed below, to be provided within or under an existing #building# to remain on a #zoning lot#.

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes.

(b)Corner circulation space or corner arcade: minimum depth, minimum width of clear path, minimum height, obstructions.

(c)Entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall.

(d)Through #block# connection: minimum width of unobstructed path minimum height, #curb level# relationship.

The Commission may authorize a modification of the above design standards when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent to the required space in quality, effectiveness and suitability for public use.

81-46
Through Block Connection

A through #block# connection between two parallel or nearly parallel east-west #streets# may be provided for a #development# or #enlargement# on any #through lot# or #through lot# portion of a #corner lot# and may count toward the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space) provided that it shall be located at least 150 feet from a north-south #street# and shall meet the standards set forth below in Section 81-461 (Locational standards) and in Section 81-462 (Design standards for a through block connection).

81-461
Locational standards

(a)A through #block# connection shall count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space) only if it is located not less than 150 feet from a north-south #wide street#.

(b)To count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space), a qualifying through #block# connection shall meet the following additional locational requirements:

(1)Where the #zoning lot# or a portion thereof is directly across a #street# from and opposite to an existing through #block# connection on an adjacent #block# to the north or south and the existing connection is at least 150 feet from a north-south #wide street#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(2)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space).

(3)Notwithstanding the provisions of paragraphs (1) and (2) of this Section, no through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

81-462
Design standards for a through block connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the #building's# main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#. A through #block# connection shall meet the following requirements:

(a)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(b)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide through its entire length a clear path accessible to the handicapped.

(c)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(d)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the #building's# main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(e)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the #building's# main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(f)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(g)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted in prominent, visible locations at its entrances signs meeting the standards set forth in paragraph (h) of this Section.

(h)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(1)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(i)a public space symbol which is at least 14 inches square in dimension; has a white background; has a grid of four straight lines no greater than one-eighth inch wide and green in color; and has a tree shaped symbol as shown:

(Tree Symbol)

(ii)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(iii an international Symbol of Access for the physically handicapped at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent free standing post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(2)For an enclosed through #block# connection or a portion thereof:

(i)a public space symbol as described in paragraph (h)(1)(i) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(ii)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block# connection passes. This lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol and

(iii lettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow; the information shall be located not higher than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

81-4781-48
Off-Street Relocation or Renovation of a Subway Stair

Where a #development# or #enlargement# is constructed on a #zoning lot# which fronts on a sidewalk containing a stairway entrance or entrances into a subway and such #zoning lot# contains 5,000 square feet or more of #lot area#, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

Where a #development# or #enlargement# is constructed on a #zoning lot# containing an existing stairway entrance or entrances into a subway and such entrance or entrances are renovated or reconstructed in accordance with the provisions of Sections 81-471 and 81-473, such entrance or entrances may count as pedestrian circulation space as set forth in Section 81-472 (Relocated or renovated subway stair as pedestrian circulation space).

81-471
Standards for location and design

(a) Location

The relocated or renovated entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk or at least one of the following public spaces, which shall have a minimum horizontal dimension equal to the width of the relocated stairs:

sidewalk widening (Section 81-45)
corner circulation space (Section 81-45)
arcade (Section 81-45)
corner arcade(Section 81-45)
building entrance recess area(Section 81-45)
#urban plaza# (Section 81-23)
The relocated or renovated entrance may be provided within a #building# but shall not be enclosed by any doors. The area occupied by a relocated or renovated entrance within a #building# shall not be counted toward the #floor area# of the #development# or #enlargement#.

(b) Design standards

The following standards are taken from the current New York City Transit Authority's station planning guidelines.

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of 5 feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

The relocated or renovated stairway entrance shall meet Transit Authority standards and requirements for all of the following: riser and tread relationships, handrails, passageways, ramps, lighting, finish material, ventilation, information signage, and (where provided) weather protection.

In addition and for a relocated entrance only, the relocated entrance shall have a queuing space at the top and bottom of the stairs at least 8 feet wide and 15 feet long. Such queuing space may overlap with a sidewalk widening, or an arcade, or an #urban plaza#.

Where two or more existing stairway entrances are being relocated and/or renovated as part of the same #development#, the new entrance or entrances shall have total stair widths whose sum is equal to or greater than the sum of the stair widths of those existing stairway entrances. The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

The relocated or renovated entrance may be located within an #urban plaza#, provided that the minimum width of the stairs is 10 feet and the queuing area required for a relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated or renovated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

The relocated or renovated entrance shall connect to an existing or proposed subway passageway or shall connect, via an underground passageway, to a mezzanine area of the subway station.

The below-grade portion of a relocated or renovated entrance may be constructed within the #street#.

These standards may be modified or waived by the City Planning Commission upon a finding that their enforcement would not contribute to good site planning.

(c) Hours of public accessibility

The relocated or renovated entrance shall be accessible to the public during the hours when the connected mezzanine area is open to the public or as otherwise approved by the Transit Authority.

81-472
Relocated or renovated subway stair as a pedestrian circulation space

One and a half times the area, measured at #street# level, of either of the following types of subway stair entrances may count toward meeting the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space):

(a)a new relocated subway entrance; or

(b)an existing subway stair entrance which is contained within the #zoning lot# and has been renovated or reconstructed so that it meets all of the requirements and standards set forth in Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

81-473
Administrative procedure for subway stair relocation or renovation

(a)Except as otherwise provided in paragraph (b) of this Section, no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued for any #development# or #enlargement# which is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space, unless:

(1)for a relocated entrance, such plan includes a stair relocation plan and related documents which bind the developer to:

(i)construct the new stair entrance in accordance with such plan;

(ii)demolish above ground elements of the existing entrance;

(iii seal the existing entrance at the sidewalk level; and

(iv)maintain the work performed on the stair.

For a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents which bind the developer to:

(i)renovate or reconstruct the entrance in accordance with such plan; and

(ii)maintain the work performed on the entrance.

(2)Such plan and related documents bear the Transit Authority's approval.

(3)Such plan is accompanied by a certified copy of an agreement, as recorded, between the Transit Authority and the owner for an easement on the #zoning lot# for subway related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and is accompanied by the Register's receipt of recordation.

(b)For a relocated entrance only, in the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission by joint certification may release the developer from the requirement. In such event, the stair relocation requirement shall

be satisfied by retention of the existing stair and provision on the #zoning lot# of a pedestrian circulation space qualifying under the provisions of Section 81-45 (Provisions of Pedestrian Circulation Space) and which accommodates pedestrian traffic passing the existing stair entrance. Such space shall have a width equal to at least one and one half times the width of the existing stair entrance and shall extend along the full length of the stair entrance.

(c)No certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space unless and until all of the work required under paragraph (a)(1) of this Section has been completed and the Transit Authority has so certified in writing to the Department of Buildings.

Where a #development# or #enlargement# is constructed on a #zoning lot# that contains at least 5,000 square feet of #lot area# and fronts on a sidewalk containing a stairway entrance or entrances into a subway station, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair). A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The subway stations where such improvements are required are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-50
INCENTIVES BY SPECIAL PERMIT FOR PROVISIONS OF PUBLIC AMENITIES

81-51
General Provisions and Procedures

Except in the Preservation Subdistrict and except for #zoning lots# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action, may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 81-53 (Subway Station Improvements). However, in the Theater Subdistrict, no special permit shall be issued pursuant to the provisions of Section 81-53 without prior certification by the City Planning Commission that either:

(a)there is not available to the applicant any feasible alternative involving the preservation or rehabilitation of an existing theater for which bonus #floor area# may be authorized by special permit or certification; or

(b)the amenity for which the special permit is requested, because of its importance to the surrounding area, has priority over any feasible alternative involving the preservation or rehabilitation of an existing theater.

The total additional #floor area# permitted on the #zoning lot# by such special permit shall in no event exceed the amount permitted in the underlying district by the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

Within the #Special Midtown District#, certain special permit provisions of Article VII, Chapters 3,4, 8 and 9 are inapplicable or subject to modification, as set forth in Section 81-60 (APPLICABILITY OF ARTICLE VII PROVISIONS).

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-53
Subway Station Improvements

The City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may grant #floor area# bonuses and waive or modify #street wall# continuity provisions for #developments# or #enlargements# which provide major improvements for adjacent subway stations in accordance with the provisions of this Section. The subway stations where such improvements may be constructed are listed in Section 81-531 (Midtown subway stations) and located as shown on Map 3 (Subway Station Improvement Areas) in Appendix A. The #zoning lot# for the #development# or #enlargement# on which such a #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed.

In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," upon completion of the improvement it must physically adjoin a station mezzanine, platform, concourse or connecting passageway.

81-532
Selection of improvements

The selection of improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, the New York City Transit Authority, and the City Planning Commission.

81-533
Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the current station planning guidelines of the Transit Authority.

81-534
Procedure

(a)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the MTA, Transit Authority and the Commission.

(b) Application - Pre-certification

After review and agreement on concept by the Metropolitan Transit Authority (MTA), the New York City Transit Authority and the New York City planning Commission, the applicant shall submit documentation deemed necessary by the reviewing agencies. Prior to certification by the Commission, the Transit Authority and the MTA shall each provide a letter to the Commission containing a conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(c)The special permit application to the Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and, where applicable, assessing the advantages and disadvantages of waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets).

(d)Uniform Land Use Review Procedure - Certification

The Commission shall not certify an application under the Uniform Land Use Review Procedure (ULURP) until the requisite letters from the Transit Authority and the MTA have been received and are incorporated in the application. Such letters may be subject to subsequent execution of a final agreement with the developer.

(e)Prior to the granting of a special permit the Transit Authority shall have submitted a letter to the Commission:

(1)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other conditions as may be appropriate; and

(2)confirming that the construction of the subway improvement in accordance with such submission is feasible.

The applicant shall sign a legally enforceable instrument running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(f)Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for New York County and a certified copy of the instrument shall be submitted to the Commission and the Transit Authority. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until the Transit Authority has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean usable by the public.

(g)The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by the Transit Authority.

81-535
Floor area bonus

(a)The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no bonus #floor area# to the maximum amount allowable by special permit, as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings). In determining the precise amount of #floor area# bonus, the Commission shall make findings on the following:

(1)the degree to which the station's general accessibility and security will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(2)significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and satisfactory integration of the #street# level entryway into the #development# or #enlargement#.

(b)No bonus #floor area# shall be granted for any #development# or #enlargement# located on a #zoning lot# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions).

(c)For a #development# or #enlargement# located on a #zoning lot# divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71, the amount of bonus #floor area# granted shall be subject to the provisions of paragraph (a) of this Section, but shall not exceed the amount of #floor area# derived from applying the maximum bonus #floor area# allowance as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) over the sum of:

(1)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

(2)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (c)(1) of this Section.

If the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, such bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

81-536
Waiver or modification of street wall continuity provisions

As a condition for waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets), the Commission shall find that the waiver or modifications will permit the proposed design to provide for access of daylight and air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# continuity and retail continuity. The Commission in granting such waiver or modification shall specify the depth of the setback permitted and the amount by which the required length of #street wall# subject to setback restrictions is reduced.

81-51
General Provisions and Procedures

The City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of this Section.

81-511
Subway Station Improvements

Except in the Preservation Subdistrict and except for #zoning lots# wholly within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan). The subway stations where such improvements are permitted are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-70
SPECIAL REGULATIONS FOR THEATER SUBDISTRICT

81-71
General Provisions

The regulations of Sections 81-72 to 81-75, inclusive, relating to Special Regulations for the Theater Subdistrict are applicable only in the Theater Subdistrict, *and in* **of which** the Theater Subdistrict Core **and the Eighth Avenue Corridor are parts.** *The Theater Subdistrict extends from 40th Street to 57th Street and from Avenue of the Americas to Eighth Avenue.* **The Theater Subdistrict Core extends from 43rd Street to 50th Street and from a line 200 feet west of Avenue of the Americas to a line 100 feet east of Eighth Avenue.**

The Theater Subdistrict is bounded by West 57th Street, Avenue of the Americas, West 40th Street, Eighth Avenue, West 42nd Street, a line 150 feet west of Eighth Avenue, West 56th Street, and Eighth Avenue.

The Theater Subdistrict Core is bounded by West 50th Street, a line 200 feet west of Avenue of the Americas, West 43rd Street and a line 100 east of Eighth Avenue.

The Eighth Avenue Corridor is bounded by West 56th Street, a line 100 feet east of Eighth Avenue, West 43rd Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue.

The west side of Eighth Avenue between 42nd and 56th Street is also subject to the provisions of the Special Clinton District to the extent set forth in Article IX, Chapter 6 subject to Section 81-023 (Applicability of Special Clinton District Regulations).

Their **These** boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A.The regulations of Sections 81-72 to 81-75, inclusive, supplement or modify the regulations of this Chapter applying generally to the #Special Midtown District# of which the Subdistrict, *and the Core are* **is a** parts.

In order to preserve and protect the character of the Theater Subdistrict as a cultural, theatrical and entertainment showcase as well as to help insure a secure basis for the useful cluster of shops, restaurants and related amusement activities, special incentives and controls are provided for the preservation and rehabilitation of existing theaters**, and the creation of new legitimate theaters,** and special restrictions are placed on ground

floor #uses# within the Subdistrict.In order to preserve and protect the special scale and character of the Theater Subdistrict Core, which includes Times Square, special #building street wall# height and setback controls and requirements for the inclusion of #illuminated signs# and entertainment and entertainment-related #uses# apply within the Subdistrict Core. **In order to ensure the orderly growth and development of the Eighth Avenue Corridor and its transition to the scale and character of adjoining midblocks, special building street wall, height and setback controls apply within the Corridor. In order to preserve and maintain the character of the western edge of the Theater Subdistrict as both an integral part of the Theater Subdistrict and as a transition to the Clinton neighborhood, the west side of Eighth Avenue between 42nd and 56th streets is also subject to the provisions of the Special Clinton District.**

The Mayor of the City of New York shall appoint a Theater Advisory Council (the Council) and name a chairperson. Other members of the Council shall include representatives of the performing arts, the theatrical industry and related professions.The Council shall advise the City Planning Commission concerning applications for special permits or certifications pursuant to Section 81-74.

The City of New York acting through the Mayor shall designate a Theater Subdistrict Council ("Council") comprised of representatives of the performing arts, the theatrical industry and related professions, and which may include government representatives and representatives of Business Improvement Districts and economic development projects active within the Theater Subdistrict.The Council shall be a not-for-profit organization whose organizational purpose shall be limited solely to promoting theater and theater-related use and preservation within the Theater Subdistrict and promoting the welfare of the Theater Subdistrict generally.The Council shall advise the Chairperson or the City Planning Commission concerning applications for any special permit or certification pursuant to the special regulations for the Theater Subdistrict and shall be the holder and administrator of the funds received in connection with transfers of development rights from listed theaters pursuant to Section 81-744 (Transfer of development rights from listed theaters) in accordance with the provisions for the Theater Subdistrict Fund set forth in paragraph (h) of Section 81-741 (General Provisions).

Applications shall be referred by the Commission to the Council for an advisory report prior to certification for ULURP (Uniform Land Use Review Procedure) review.Such advisory report shall assist the **Commission in evaluating each special permit application and in making each of the required findings therein concerning demolition pursuant to Section 81-742 or the #floor area# bonus pursuant to Sections 81-744 or 81-745.In all special permits or certifications involving the preservation or rehabilitation of existing theaters, the Council shall advise the Commission on the adequacy of the assurances required by Section 81-743 for continuance of legitimate theater #use#.**

81-72
Use Regulations Modified

Within that portion of the Theater Subdistrict bounded by West 40th Street, **a line 100 feet east of** Eighth Avenue, West 51st Street and **a line 200 feet west of** Avenue of the Americas, #uses# which are created by #development#, or which are #enlarged# or #extended#, shall be subject to the provisions of this Section.

* * *

81-723
Special ground floor street frontage restrictions

No single establishment shall have a #wide street front lot line# ground level frontage of less than 10 feet. *or, except in the case of theaters, greater than 40 feet.*

* * *

81-724
Requirements for entertainment-related uses

With the exception of a #development# or #enlargement# in which more than 50 percent of the new #floor area# is allocated to #transient hotel use#, a #development# or #enlargement# on a #zoning lot# with more than 50 percent of its #zoning lot# area located within the Theater Subdistrict Core shall meet the following requirements:
(a)If the new #floor area# of the #development# or #enlargement# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 60,000 square feet, an amount of floor space on the #zoning lot# equal to five percent of the amount by which the new #floor area# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 50,000 square feet shall be allocated to #uses# listed in Section 81-725 (Entertainment-related uses) or #front lot line# ground level #uses# designated thus (***) in Section 81-722 (Use Group T) as satisfying the requirements of this Section.

Except as provided below, the amount of floor space specified shall be located on the same #zoning lot# as the #development# or #enlargement# for which that floor space is provided to meet the requirements of this Section.

(b) Alternatively, *by authorization of the City Planning Commission,* a maximum of 75 percent of the amount of floor space specified *above* **in paragraph (a) of this Section** may be located on a separate #zoning lot#, with the remainder located on the same #zoning lot# as the #development# or #enlargement#, **by authorization of the City Planning Commission** provided, upon examination of proposed plans, the Commission finds that:

(1)either **of the following conditions exist**:

(i)more than 50 percent of the area of the separate #zoning lot# is located within the Theater Subdistrict Core; or

(ii)the *portion of* floor space located on the separate #zoning lot# is allocated in its entirety to studios; music, dancing or theatrical, as listed in Section 81-725 (Entertainment-related uses) and the separate #zoning lot# is located within the Theater Subdistrict;

(2)the *portion of* floor space located on the separate #zoning lot# is *provided separately from and* in addition to any floor space provided to meet the requirements of this Section for any other #development# or #enlargement#;

(3)the *portion of* floor space located on the separate #zoning lot# is constructed or renovated specifically for the purpose of meeting the requirements of this Section and has not been utilized for any of the #uses# listed in Section 81-725 (Entertainment-related uses) at any time during the *period of* two years **period** immediately prior to the date on which authorization described in this *paragraph (a)* **Section** is granted; and

(4)the #use# located on the separate #zoning lot# *maintains* **achieves** a reasonable distribution of entertainment-related #uses# and locations of such #uses#.

* * *

81-74
Special Incentives and Controls in the Theater Subdistrict

81-741
General provisions

(a)Special permits by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission, after public notice and hearing and subject to Board of Estimate action, may grant special permits:

(1)authorizing #floor area# bonuses for rehabilitation of existing theaters in accordance with the provisions of Section 81-745;
(2)authorizing transfer of development rights from #zoning lots# occupied by theaters which are designated landmarks in accordance with the provisions of Section 81-747; and

(3)authorizing demolition of theaters where permissible under the provisions of Section 81-742.

(b)Certification by the Chairperson of the City Planning Commission

By certification of the Chairperson of the City Planning Commission:

(1)bonus #floor area# may be authorized for the retention of any eligible existing listed theater in accordance with the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters);

(2)the Special Provisions for Zoning Lots Divided by District Boundaries (Article VII, Chapter 7) may be modified in the case of a #zoning lot# partly occupied by a listed theater in accordance with the provisions of Section 81-746 (Modification of special provisions for zoning lots divided by district boundaries); or

(3)bonus #floor area# may be authorized for a through #block# galleria in accordance with the provisions of Section 81-748 (Floor area bonus for through block gallerias).

(a)Certification by the Chairperson of the City Planning Commission

In the Theater Subdistrict, the following actions are permitted upon certification by the Chairperson of the City Planning Commission:

(1)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(2)modification of the provisions of Article VII, Chapter 7 (Special Provisions for Zoning Lots Divided by District Boundaries) in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(b)Special Permit by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission may allow, by special permit:

(1)demolition of a theater where permissible under the provisions of Section 81-742 (Listed theaters);

(2)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(3)a #floor area# bonus for rehabilitation of an existing theater in accordance with the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing theaters);

(4)transfer of development rights from a #zoning lots# *occupied by a theater which is a designated landmark in accordance with the provisions of Section 81-747 (Transfer of development rights from landmark theaters), and*

(5)additional #floor area# and modifications to the special #street wall# and setback regulations set forth in Section 81-751 (Special street wall and setback regulations within the Theater Subdistrict Core) in connection with legitimate theater use within a #development# or #enlargement#, in accordance with the provisions of Section 81-748 (Floor area for new legitimate theaters).

(c)Additional floor area bonuses

All #developments# located on the west side of Eighth Avenue between 42nd and 56th Streets within the Theater Subdistrict may receive an increase in #floor area# pursuant to Section 96-21 (Floor Area Increase) for those #developments# complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING).

*(c)***(d)**Required assurances

All *such authorizations by* special permits or certifications *and* involving preservation of existing theaters shall be subject to the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use).

(d)(e) Limits on total additional #floor area#

Except as otherwise provided in Section 81-212 (Special provisions for transfer of development rights from landmark sites), the total additional #floor area# permitted on the #zoning lot# by such special permit or certification, together with all bonus #floor area# or #floor area# derived from transferred development rights under other provisions of this Chapter, shall in no event exceed the maximum amount permitted by **certification or** special permit as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

*(e)(f)*Limitations on non-theater related bonuses in C6-4, C6-5 or M1-6 Districts

For #zoning lots# or portions thereof in C6-4, C6-5 or M1-6 Districts, the total amount of #floor area# derived from non-theater related bonuses or other special #floor area# allowances pursuant to provisions of this Chapter other than those in Sections 81-744, 81-745, 81-746 or 81-747 *relating to the preservation of existing theaters* shall not exceed a #floor area ratio# of 2.0.

*(f)(g)*Theater-related bonus #floor area# for #residences# in C6-4 and C6-5 Districts

For #zoning lots# or portions thereof in C6-4 or C6-5 Districts, some or all of the bonus #floor area# or other special #floor area# allowances permitted pursuant to the provisions of Sections 81-744, 81-745, 81-746 or 81-747, relating to the preservation or rehabilitation of existing theaters, may be allocated to a #residential building# or the #residential# portion of a #mixed building#, provided that the total #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0.

(h)Theater Subdistrict Fund

In furtherance of the purposes of this Section, the Theater Subdistrict Council shall establish a separate interest-bearing account (the "Theater Subdistrict Fund" or "Fund") for the deposit and administration of the revenues received by the Theater Subdistrict Council generated by the transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Upon receipt of any revenue generated pursuant to such Section, the Theater Subdistrict Council shall notify the Comptroller and the Department of City Planning, and promptly deposit such revenues into the Theater Subdistrict Fund and shall expend such revenues and any interest accumulated thereon in the following manner:

(i) a portion of any such revenues shall be reserved, sufficient in the judgment of the Theater Subdistrict Council but in no event less than 20 percent of such revenues, to undertake the ongoing periodic inspection and maintenance report requirements pursuant of paragraph (c) of Section 81-743.

(ii)the remainder of such revenue shall be used for activities chosen by the Theater Subdistrict Council furthering the objectives and purposes of this Section, which activities may include judicial or administrative proceedings instituted by the Theater Subdistrict Council against any property owner or lessee to enforce the obligations of such owner or lessee pursuant to any restrictive declaration entered into in connection with a transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Notwithstanding the foregoing, funds shall not be used for the physical repair and preservation of theaters.

The Theater Subdistrict Council shall provide an annual report to the Department of City Planning indicating the amounts and dates of any deposits to the Theater Subdistrict Fund in the immediately preceding calendar year, the balance of the Theater Subdistrict Fund at the close of the calendar year, the amounts expended on activities within the Theater Subdistrict and the nature of those activities. The Theater Subdistrict Council shall maintain complete, accurate and detailed records, with supporting documentation, in respect to all deposits to and withdrawals from the Theater Subdistrict Fund, and shall make such records available to the City of New York and the Department of City Planning upon reasonable notice and during business hours for inspection and copying.

(g)Certification for subway station improvements

Within the Theater Subdistrict, any application for a special permit pursuant to the provisions of Section 81-53 (Subway Station Improvements) shall be subject to prior certification by the City Planning Commission in accordance with Section 81-51 (General Provisions).

81-742
Restrictions on demolition of theaters
Listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(a)it is an unsafe #building# and demolition is required pursuant to the provisions of Chapter 26, Title C, Part I, Article 8 of the New York City Administrative Code;

(b)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 207-8.0 of Chapter 8A of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(c)the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action permits its demolition upon making the following findings:

(1)that demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase, taking into consideration any or all of the following list of factors:

(i)current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(ii)history of its #use# as a legitimate theater, presenting legitimate attractions to the general public;

(iii)likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry;

(iv)applicant's plans, if any, for replacement of the theater structure with a #development# containing replacement #uses# supportive of the character of the Theater Subdistrict; and

(2)that there exists a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater shall reserve floor space at least equivalent in amount to the total #floor area# of the theater devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. If the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may authorize a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of Section 81-724

(Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

The theaters to which the provisions of this Section apply are predominantly free standing theaters with full stage and wings and are identified as listed theaters in Table A of this Section.

Indicates theater which may be retained for a #floor area# bonus under the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters), provided that it is not already subject to an agreement under Section 81-743 (Required assurances for continuance of legitimate theater use).

In the case of an existing legitimate theater for whose construction bonus #floor area# was granted pursuant to regulations in effect prior to the May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(a)Designation of listed theaters

Listed theaters are theaters to which special provisions of this and other Sections as set forth in 81-741 (General Provisions) apply, and are predominantly free-standing theaters with full stage and wings. The theaters identified in the following table are designated as "listed theaters."

LISTED THEATERS

Winter Garden 1634 Broadway 1022 2

***Indicates theaters which do not qualify as a "granting site" pursuant to Section 81-744 (Transfer of development rights from listed theaters).**

In the case of an existing legitimate theater that received a #floor area# bonus pursuant to regulations in effect prior to May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(b)Restrictions on demolition of listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(1)it is an unsafe #building# and demolition is required pursuant to the provisions of Section 26-127 of Title 26, Chapter 1 of the New York City Administrative Code;

(2)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 25-309 of Title 25, Chapter 3 of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(3)the City Planning Commission, by special permit, allows its demolition in accordance with the provisions of paragraph (c) of this Section.

(c)Special permit for demolition of listed theaters

The City Planning Commission may allow, by special permit, the demolition of a theater designated as a listed theater pursuant to this Section provided the Commission finds that the demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase. In making this determination, the Commission may consider any or all of the following:

(1)the current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(2)the history of the theater's #use# as a legitimate theater, presenting legitimate attractions to the general public;

(3)the likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry; and/or

(4)that the applicant's plans, if any, for replacement of the theater structure with a #development# contain replacement #uses# supportive of the character of the Theater Subdistrict.

As a condition of the special permit, there shall exist a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater, that floor space at least equivalent in amount to the total #floor area# of the theater shall be reserved or devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. Notwithstanding the foregoing, if the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may permit a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

81-743
Required assurances for continuance of legitimate theater use

(a)*As a condition for* **Prior to** the issuance of any special permit under the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing listed theaters) or Section 81-747 (Transfer of development rights from landmark theaters), or the issuance of a certification under the provisions of Section 81-744 *(Floor area bonus for retention of certain existing listed theaters)* **(Transfer of development rights from listed theaters)** or Section 81-746 *(Modification of special provisions for zoning lots divided by district boundaries* **Additional provisions for zoning lots divided by district or subdistrict core boundaries)**, *there* **the following conditions** shall exist:

*(a)(1)*a signed lease from a prospective theater operator, or a written commitment from the owner of the theater if such owner is also the operator, *with credentials acceptable to the City Planning Commission,* for occupancy of the theater and its operation as a legitimate theater for a period of not less than five years;

(2)a licensed engineer's and/or architect's report certifying either that the theater is physically and operationally sound so as to permit its use as a legitimate theater or, if it is determined that the theater is not physically or operationally sound, a plan and program for the upgrade of the theater to put it in condition of physical and operational soundness. For the purposes of this subsection, physical and operational soundness shall include the structural integrity of the exterior and interior elements of the building to the extent that they relate to the theater; compliance with applicable electrical and fire safety codes, and compliance with applicable building code standards.The plan and program shall further provide that adequate resourcesbe available to ensure timely completion of the scope of work identified in the plan and program as necessary to ensure the physical and operational integrity of the theater.

In the event that the theater has been designated as a landmark or an interior landmark by the Landmarks Preservation Commission, physical and operational soundness shall include preserving the integrity of existing significant architectural features identified in the Landmarks Preservation Commission designation report. In such case, a licensed engineer and/or architect with knowledge of historic preservation and credentials acceptable to the Landmarks Preservation Commission shall prepare a report documenting the condition of such significant architectural features and, if determined to be necessary, a plan and program to preserve such significant features in a state of good physical repair and sound proper condition. Such plan and program shall provide that adequate resources be available to ensure timely completion of the scope of work identified in the plan and program. Any certification report regarding a landmark or interior landmark theater shall be submitted concurrently to the Landmarks Preservation Commission and the Chairperson of the City Planning Commission;

(c)a plan and program approved by the Commission for periodic inspection and continuing maintenance of the theater to ensure its continuing availability for theater #use#. Inspections shall be conducted by a certified engineer and/or architect, and a report of each such inspection given to Commission at least once every three years. The plan and program shall further provide that adequate financial resources will be available to ensure the timely completion of all maintenance and repairs which the periodic inspection report determines are necessary to protect the integrity and functioning of the theater; and

(3)a legal commitment providing for inspection and ongoing maintenance of the theater to ensure its continued availability for theater use. Such inspection shall be conducted every ten years by a licensed engineer and/or architect or by the Theater Subdistrict Council, and a report issued to the Chairperson of the City Planning Commission. Such report shall also be issued to the Theater Subdistrict Council unless the Theater Subdistrict Council has performed such inspection, and, in the event the theater has been designated a landmark or an interior landmark, such report shall also be issued to the Landmark Preservation Commission. Such reports shall describe the condition of the theater and identify any maintenance or repair work necessary to ensure the physical and operational soundness of the theater and to maintain the condition of any landmark architectural features and establish a plan and program for such work, including providing that adequate resources be made available to ensure timely completion of such maintenance or repair work;

(b)(4)a legal commitment *binding upon the owner and lessee of the theater* for continuance of its #use# as a legitimate theater for the life of the related #development#, **that may be modified only in accordance with paragraphs (b) or (c) of this Section.**

Such legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, lessee of the theater and their successors and assigns, a certified copy of which shall be submitted to the City Planning Commission. The filing of such declaration and the posting of any bond or other security required by the declaration and receipt of such certified copy shall be preconditions to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the receiving site.

(b)The City Planning Commission may authorize a temporary change of #use# of such theater, for a period no longer than a year, to other uses that contain a theatrical component and are consistent with the objectives and purpose of the Theater Subdistrict subject to the following findings:

(1)the theater has not been used for legitimate theater purposes for more than 60 percent of the days over a minimum period of five years;

(2)the change of #use# shall not include structural changes or other physical changes that would preclude or negatively impact the continued availability of the theater for legitimate theater, after such temporary #use#; and

(3)the theater has complied with all written agreements and commitments set forth in this Section.

Upon application, the authorization may be renewed or extended for two additional one-year terms, for a maximum total of three years by the Chairperson of the City Planning Commission based on the determination that the facts have not substantially changed.

(c)The City Planning Commission, after a period of no less than 25 years from the latter of either the date of approval of a certification or special permit resulting in the legal commitment for continuing #use# of a theater as legitimate theater pursuant to this Section, or (the effective date of this amendment), by special permit may reduce or discontinue such theater's #use# as a legitimate theater subject to a finding that the proposed reduction or discontinuance would result in a change of #use# that will provide a public benefit consistent with the objectives and purpose of the Theater Subdistrict as set forth in Section 81-71 (General Provisions).

81-744
Floor area bonus for retention of certain existing listed theaters

The Chairperson of the City Planning Commission by certification may authorize bonus #floor area# for any #development# or #enlargement# where an agreement exists to retain and maintain for legitimate theater #use# one or more eligible listed theaters as set forth in Section 81-742 (Restrictions on demolition of theaters). The #development# or #enlargement# and each listed theater to be retained may be located on the same or a separate #zoning lot#.

(a)Amount of retention bonus

(1)If the #zoning lot# on which the #development# or #enlargement# is located is within the Theater Subdistrict but wholly outside of the Theater Subdistrict Core, all as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the total area of the #zoning lot#.

If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the sum of:

(i)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

(ii)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (i).

(2)Such bonus #floor area# may be obtained at a rate of up to 50,000 square feet for each theater which is retained as a condition of the granting of the bonus.

(3)If the #zoning lot# on which the #development# or #enlargement# is located exceeds 50,000 square feet in area, agreements may be entered into to retain and maintain more than one theater for legitimate theater #use# so as to obtain bonus #floor area# not exceeding the amount specified in paragraph (1) of this Section.
(b)Location of development or enlargement

The #development# or #enlargement# for which a theater retention bonus is granted shall be located within the Theater Subdistrict, whose boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A, but shall not be located on a #zoning lot# which is contained entirely within the Theater Subdistrict Core. If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core and if the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or Subdistrict Core boundaries). Each listed theater which is retained as a condition of the granting of the bonus may be located on a #zoning lot# which is the same as or separate from the #zoning lot# containing the #development# or #enlargement#.

(c) Conditions for retention bonus

As a condition for the granting of bonus #floor area# under the provisions of this Section, the following requirements shall be satisfied:

(1)A written declaration to be recorded against both the #zoning lot# of each listed theater and the #zoning lot# of the #development# or #enlargement# shall exist meeting all of the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) that the listed theater will be retained and maintained for legitimate theater #use#. The certificates of occupancy for each listed theater and the #development# or #enlargement# for which bonus #floor area# is granted shall record and incorporate a copy of such agreement, and occupancy of the bonus #floor area# shall be conditioned upon continued compliance therewith.

(2)Bonus #floor area# under the provisions of this Section may only be granted for the retention of listed theaters indicated thus (*) in Table A of Section 81-742 (Restrictions on demolition of theaters); no bonus #floor area# shall be granted for retention of any listed theater already subject to an agreement pursuant to the conditions of Section 81-743 (Required assurances for continuance of legitimate theater use).

81-744
Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed" theater shall mean a theater designated as listed pursuant to Section 81-742 (Listed Theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed" theater and comprised of those block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters), as such block and lots existed on (the effective date of this amendment). However, a "granting site" shall not include any #zoning lot# occupied by a "listed" theater located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the #granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed" theaters, that portion of the #zoning lot# occupied by the "listed" theater and comprised of the block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters) shall not be included in the "receiving site".
Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate bulk in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(a)Transfer of development rights by certification

Within the Theater Subdistrict, the Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site" provided that:

(1)the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #granting site# as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the #granting site# and #floor area# attributed to the "granting site" that has been previously used or transferred;

(2)each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;

(3)the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #receiving site# by more than 20 percent or, for a "receiving site" or any portion of a "receiving site" located within the Eighth Avenue Corridor, by more than 44 percent.

MDIB(4)**the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and**

(5)appropriate legal documents are executed ensuring that a contribution in an amount equal to ten dollars per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to paragraph (h) of Section 81-741 (General Provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights.

The Chairperson of the City Planning Commission may adjust such amount no more than once every three years. Adjustments shall be based on the change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

The Chairperson shall not grant such certification prior to thirty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743(b), or the Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(b)Transfer of development rights by special permit

The City Planning Commission may allow by special permit an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in accordance with paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within C6-7T, C5-3, C6-6 and C6-7 districts subject to the following conditions:

(i)no feasible transfer of development rights is possible from landmark theaters pursuant to Section 81-747 (Transfer of development rights from landmark theaters) or other landmarks pursuant to Section 74-79 (Transfer of development rights from landmark sites) to the "receiving site";

(ii)the maximum amount of such additional #floor area# transferred to that portion of a "receiving site" located within such districts shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such portion of a "receiving site" by more than 20 percent; and

(iii)notwithstanding the maximum amount of #floor area# allowed to be transferred pursuant to paragraph (ii) above, such transfer complies with the conditions and limitations set forth for the transfer of development rights by certification in paragraph (a) of this Section.

In order to grant a special permit the City Planning Commission shall find:

(1)that such additional #floor area# will not unduly increase the bulk of any new #development# or #enlargement# on the "receiving site", density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(2)that the distribution and location of such bulk will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

(c)Requirements for Application

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to paragraph (a) of this Section or with the City Planning Commission for the transfer of development rights by special permit pursuant to paragraph (b) of this Section shall be made jointly by the owners of the "granting site" and "receiving site" and shall include:

(1)a site plan and #floor area# zoning calculations for the #granting site# and the #receiving site#, and, for special permit applications, any such other information as may be required by the City Planning Commission; and

(2)a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# of the "granting site" and the "receiving site". The notice of restrictions shall be filed by the owners of the respective lots in the Borough Office of the Register of the City of New York, indexed against the "granting site" and the "receiving site", a certified copy of which shall be submitted to the Chairperson of the City Planning Commission. Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the "receiving site".

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify by lot and block numbers the lots from which and the lots to which such transfer is made.

(3)demonstrations of compliance with the requirements of Section 81-743 and paragraph (a)(5) of Section 81-744, including all necessary legal documents. Issuance of any building permit, including any foundation or alteration permit, shall be conditioned upon the filing of such legal documents in the Borough Office of the Register of the City of New York and receipt by the City Planning Commission of certified copies of same as required pursuant to Section 81-743.

A separate application shall be filed for each transfer of development rights to an independent "receiving site".

81-745
Floor area bonus for rehabilitation of existing listed theaters

The Commission by special permit may authorize bonus #floor area# for substantial rehabilitation or restoration of any theater listed as a listed theater in Section 81-742 (Restrictions on demolition of theaters), in accordance with the provisions of this Section.

(a) Conditions for rehabilitation bonus

As a condition for the issuance of a special permit under the provisions of this Section, the following requirements shall be satisfied:

(1) Location of development

The #development# for which a theater rehabilitation bonus is granted shall be located on the same #zoning lot# as the listed theater.

(2)Qualification of substantial rehabilitation

Substantial rehabilitation work qualifying for a #floor area# bonus shall consist of major interior structural changes for the purpose of improving a theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater which has been designated as an interior landmark.

Substantial rehabilitation may include, without limitations, such work as expanding stage wings, re-raking the orchestra, increasing rehearsal, dressing room or lobby space, or historic restoration. It may also include reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#. Substantial rehabilitation does not mean normal theater maintenance, painting or improvements to mechanical systems alone.

(3) Timing and commitment

(i)There shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(ii)the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) shall be satisfied;

(iiia rehabilitation bonus shall not be granted for a substantial rehabilitation completed before May 13, 1982.

(b)Amount of rehabilitation bonus

The amount of bonus #floor area# granted for a qualifying theater rehabilitation shall be at the discretion of the City Planning Commission after consideration of the following findings by the Commission:

(1)how and to what extent the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater; and

(2)how the proposed rehabilitation will contribute toward satisfying the needs of the Theater Subdistrict.
Such bonus #floor area# shall not exceed 20 percent of the basic maximum #floor area# permitted on the development's #zoning lot# by the regulations of the underlying district, except that in the case of a C6-4, C6-5, or M1-6 underlying District, the bonus #floor area# shall not exceed 44 percent of the basic maximum #floor area# permitted in such underlying District.

The City Planning Commission may allow by special permit bonus #floor area# for substantial rehabilitation or restoration of any theater designated as listed theater pursuant to Section 81-742 (Listed Theaters), provided the following conditions are met:

(a)the #development# for which a theater rehabilitation bonus is granted is located on the same #zoning lot# as the listed theater;

(b)substantial rehabilitation will be performed, consisting of major interior structural changes for the purpose of improving the theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater designated as an interior landmark. Substantial rehabilitation may include, without limitation, such work as an expansion of stage wings, re-raking of the orchestra, an increase in the amount of rehearsal, dressing room or lobby space, historic restoration, or reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#, but shall not mean normal theater maintenance, painting or improvements to mechanical systems alone;

(c)the maximum amount of bonus #floor area# shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for the #zoning lot# by more than 20 percent, or, for #zoning lots# located in C6-4, C6-5, or M1-6 Districts, by more than 44 percent;

(d)there shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(e)the provisions of Section 81-743 (Required Assurances for continuance of legitimate theater use) are met, and

(f)no rehabilitation bonus shall be granted for a substantial rehabilitation completed before May 13, 1982.

In order to grant the special permit, the Commission shall make the following findings:

(1)the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater;

(2)the proposed rehabilitation will contribute towards satisfying the needs of the Theater Subdistrict;

(3)the bonus #floor area# will not unduly increase the bulk of any new #development# or #enlargement#, density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(4)the distribution and location of such #floor area# bonus will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

For purposes of applying the provisions of Section 11-42 (Lapse of Authorization or Special Permit by the City Planning Commission Pursuant to the 1961 Zoning Resolution) to a special permit

granted pursuant to this Section, "substantial construction" shall mean substantial rehabilitation, as described in paragraph (b) of this Section, of the subject theater for which a #floor area# bonus has been granted to a related #development#.

81-746
Additional provisions for zoning lots divided by district or subdistrict core boundaries

(a)For any #zoning lot# which includes a listed theater as set forth in Section 81-742 *(Restrictions on demolition of theaters)* **(Listed Theaters) or is or contains a "receiving site" pursuant to Section 81-744 (Transfer of development rights from listed theaters),** and which is divided by a boundary between districts with different *#bulk# regulations,* **basic maximum #floor area ratios# as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings),** the Chairperson of the City Planning Commission, by certification, may authorize modifications of the provisions of Section 77-02 (Zoning Lots not Existing Prior to Effective Date or Amendment of Resolution), Section 77-21 (General Provisions), Section 77-22 (Floor Area Ratio) and Section 77-25 (Lot Area or Floor Area Requirements), as follows:

For any #zoning lot#, *whether or not it existed on December 15, 1961, or on the date of any applicable subsequent amendment thereto,* #floor area# or #rooms# permitted by the applicable district regulations on *that* **either** side of the district boundary *occupied by the theater* may be located on the other side of the district boundary *subject to the following conditions* **provided**:

(1)the amount of such #floor area# to be located on *the other* **either** side of the district boundary shall not exceed 20 percent of the basic maximum #floor area ratio# of the district in which it is to be located;

(2)the number of such #rooms#, if any, to be located on *the other* **either** side of the district boundary shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(3)*compliance with* the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) **are met**.

The Chairperson's certification approving modification of the provisions for **such** #zoning lots# divided by district boundaries shall state the total amount of #floor area#, including #floor area# of *the* **any** existing theater, to be provided on the #zoning lot# as a whole **and** the portion thereof to be located in each district, and the amount authorized herein to be located across the district boundary from the district in which the theater is located.

Notice of the restrictions upon further #development# of each portion of the #zoning lot# shall be recorded by the owner against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and a certified copy shall be submitted to the Commission.

(b)Notwithstanding any other provisions of this Resolution, for any #zoning lot# which is divided by a boundary of the Theater Subdistrict Core as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Theater Subdistrict Core, the applicable underlying #bulk# regulations shall be modified as follows:

(1)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# within the Theater Subdistrict Core may be located on the portion of the #zoning lot# outside the Core, provided that the number of such #rooms#, if any, to be located outside of the Core shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(2)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# outside of the Theater Subdistrict Core shall not be located on the portion of the #zoning lot# within the Core.

(c)Notwithstanding any other provisions of this Resolution, for any #zoning lot# located wholly within the Theater Subdistrict and outside of the Theater Subdistrict Core that is divided by a boundary of the Eighth Avenue Corridor as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Eighth Avenue Corridor, #floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations may be located on either side of the Eighth Avenue Corridor boundary.

* * *

Floor area bonus for through block gallerias

Upon certification by the City Planning Commission that the requirements of this Section are satisfied, a #development# within the Theater Subdistrict, but outside of the Theater Subdistrict Core, which provides a through #block# galleria shall be eligible for bonus #floor area# in the amount of 6 square feet for each square foot of through #block# galleria area, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

A through #block# galleria is a continuous covered public space on a #zoning lot#, which connects two parallel or nearly parallel east-west #streets# and provides for through #block# pedestrian circulation as well as other pedestrian amenities appropriate to the Theater Subdistrict. A through #block# galleria shall satisfy the following requirements:

(a) District plan requirements

A through #block# galleria shall be located within the Theater Subdistrict but outside of the Theater Subdistrict Core.
It shall be located not less than 200 feet from a #wide# north-south #street#. It shall satisfy the requirements of Section 81-46 (Through Block Connection). It may be counted toward meeting the minimum pedestrian circulation space requirements as set forth in Section 81-45 (Provision of Pedestrian Circulation Space) up to a maximum of 3,000 square feet. For any #zoning lot# on which a through #block# connection is not permitted by the provisions of Section 81-46 as counting towards meeting the pedestrian circulation space requirements of Section 81-45, no bonus shall be allowed for a through #block# galleria.

(b) Location

At each end it shall adjoin and open onto a #street#, a sidewalk widening, a #plaza# or an #urban plaza# adjacent to the #street#. It shall provide continuous, unobstructed access from one end to the other.

(c) Elevation

It shall have the same grade elevation at each end as the sidewalk, sidewalk widening or #urban plaza# which it adjoins.
This elevation shall be maintained for at least 20 feet from the end, beyond which a grade change, if any, is permitted only to reconcile grade differences between the two ends.
Provisions for changes in grade shall include ramps for wheelchair users with a maximum slope of one to twelve.

(d) Access

It shall be open at each end, with width and height of opening not less than the applicable minimum width and height set forth in paragraph (e) of this Section.
It may connect with, but not serve as, lobby space for a new #building# or a theater.
It shall be open to the public between the hours of 8:00 a.m. and 7:00 except for certain legal holidays (December 25, January 1 and July 4).

(e) Minimum dimensions

Minimum dimensions depend on the length of the through #block# galleria, as follows:

THROUGH BLOCK GALLERIA

LENGTH		
less than 150 feet		
	150 feet	*or more*
Minimum width	*20 feet*	*25 feet*
Average width	*20 feet*	*30 feet*
Minimum heigh	*20 feet*	*25 feet*
Average heigh	*20 feet*	*20 feet*

(f) Minimum clear path

Except as provided in paragraph (g) (Permitted obstructions), there shall be a straight path, clear of all obstructions, including door swings, extending from one end of the galleria to the other, with a minimum width of 15 feet. Where the through #block# galleria is adjoined at one or both ends by a sidewalk widening, #plaza# or #urban plaza#, such minimum width of clear path shall be continued across the adjoining open space to the #street line#.

(g) Permitted obstructions

(1)Columns or posts are permitted obstructions provided that the minimum width of the through #block# galleria exclusive of column widths shall be 20 feet and that the clear path width is at least 15 feet or two clear paths are provided, the paths being separated by columns and each having a minimum width of 10 feet.

(2)In areas outside the minimum clear path or paths, obstructions such as the following are permitted: planters, seating areas, landscape features, fountains, works of art, food kiosks, litter receptacles, drinking fountains, lights or lighting stanchions, public telephones, temporary exhibitions, retractable awnings and canopies and movable tables and chairs, provided that the total area occupied by such obstructions is less than 50 percent of the total area of the through #block# galleria minus the required clear path area.

(3)For through #block# gallerias with areas larger than 3,000 square feet, public seating is required.
There shall be at least one linear foot of seating for each 20 square feet of through #block# galleria area in excess of 3,000 square feet.
The design standards for seating shall be as set forth in paragraph (j) of Section 37-043 (Urban plaza). Eating or drinking service may be provided adjacent to, but not within, the through #block# galleria. All seating within the through #block# galleria shall be accessible to the public.

(4)For through #block# gallerias with an average height of at least 45 feet, bridges or balconies are permitted as obstructions, provided that such bridges or balconies are at least 15 feet above the floor level of the galleria, the width of the bridge is not more than 8 feet, the width of a balcony is not more than 5 feet and the total area of such obstructions is not more than 10 percent of the total area of the galleria.
Such obstructions may be enclosed provided that such enclosures are not more than 15 feet in height.

(h)Treatment of bounding walls

Along the length of a through #block# galleria, the bounding walls, except for walls along a #side lot line#, shall be lined insofar as possible with areas accessible to the public, display windows, or other exhibits, and such bounding walls shall be of transparent material.
Walls along a #side lot line# may be treated with planting or other landscape features.

(i) Skylights

(1)Design standard

Skylights shall be provided having a minimum surface area equal to at least 75 percent of the through #block# galleria, and skylights shall cover at least 50 percent of the galleria's area as measured in plan and shall be unobstructed from the skylights up to the sky.

(2)Modification of design standard

The City Planning Commission may authorize a modification of the minimum area of a skylight for a through #block# galleria under the following conditions:

(i)the through #block# galleria contains a minimum area of 6000 square feet;

(ii)the minimum height of the through #block# galleria is at least double its average width; and

(iiithe exterior bounding walls of the through #block# galleria are open or glazed above a height of 30 feet so as to permit additional natural light into the space.

The total amount of such open or glazed area, including the skylight shall be equal to at least 75 percent of the area of the through #block# galleria.

(j) Penalties for violations

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-748
Floor Area for New Legitimate Theaters

Within the Theater Subdistrict in C6-7T, C5-3, C6-6 and C6-7 Districts, the City Planning Commission may, by special permit, allow additional #floor area# for new legitimate theater use. Such additional #floor area# shall be up to a maximum #floor area ratio# of 2.0 calculated over that portion of the #zoning lot# located within such districts. However, where more than half of the #lot area# of the #zoning lot# is located within such districts, and the remaining portion is located outside of such districts, such additional #floor area ratio# of 2.0 may be calculated over the entire #zoning lot#. The Commission may also permit the modification of the #street wall# and setback regulations of Section 81-751 (Special Street Wall and Setback Regulations within the Theater Subdistrict Core) in connection with such #floor area# for new theater, subject to the following conditions:

(a)the total maximum #floor area# ratio inclusive of all bonuses and #floor area# used for new legitimate theater shall not exceed 21.6 on that portion of the #zoning lot# located within such districts, and
(b)such #floor area# shall be limited to floor space exclusively associated with legitimate theater use, including auditorium, orchestra, balconies, stage and theater equipment space, wings, dressing rooms, lobbies, lounges, ticket offices and rest rooms and circulation space.

No modifications permitted by such special permit shall allow for the modification of signs required pursuant to Section 81-73 (Special Sign and Frontage Regulations).

In granting such special permit, the City Planing Commission shall make the following findings:

(1)such floor area allowance shall not unduly increase the #bulk# of any new #development# or #enlargement#, density of population, or intensity of use on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area;

(2)such modifications to #street wall# and setback regulations are necessary to accommodate the theater configuration and volume, are essential to ensure the proper functioning of the theater, and are limited to the minimum necessary to accommodate the theater; and

(3)such modifications to #street wall# and setback regulations do not adversely affect access to light and air at #street# level as compared to that which would result from the application of the regulations set forth in Section 81-75 (Special Street Wall and Height and Setback Regulations);

The Commission may prescribe appropriate conditions and safeguards to minimize other adverse effects on the character of the surrounding area.

An application filed with the City Planning Commission for special permit pursuant to this Section shall be made jointly by the owners of the #development# or #enlargement# and the owner and/or operator of the theater and shall include floor plans and zoning calculations indicating the location and size of the legitimate theater, and shall include a legal commitment made by the theater owner and the developer for continuance of the #use# of such #floor area# as a legitimate theater and prohibition of the #use# of such #floor area# for any #use# other than legitimate theater use for the life of the related #development# or #enlargement#.
The legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, any lessee of the theater and their successors and assigns. The certificate of occupancy for the #building# containing the theater shall describe all #floor area# allocated as legitimate theater #use# for which such special permit has been granted.

81-75
Special Street Wall and Setback Requirements
(existing Section 81-75 becomes new Section 81-751)

#Developments# or #enlargements# located on #zoning lots# or portions of #zoning lots# within the Theater Subdistrict Core or the Eighth Avenue Corridor shall comply with the regulations of this Section. The height of all #buildings or other structures# shall be measured from #curb level#.

*81-75***81-751**
Special Street Wall and Setback *Requirements* **Regulations within the Theater Subdistrict Core**

#Developments# or #enlargements# located on #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway**, or located partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor** shall comply with the requirements of this Section, and, in all other respects related to height and setback, with the provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings), **and either** 81-26 (Height and Setback Regulations - Daylight Compensation) *and* **or** 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

* * *

(b)TS10,13,15,20,25,30,35,40,45,50,55,60,65, 70,75The #street wall# of any #building# on a #zoning lot# between 43rd and 50th Streets and between Seventh Avenue and Broadway shall have a minimum #street wall# height of 50 feet *above #curb level#* on all #street# frontages.

(c)For #zoning lots# located in partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor, the #street wall# of any #building# or portion of a #building# within the Theater Subdistrict Core shall have a minimum #street wall# height of 50 feet, or the height of the #building#, whichever is less, and a maximum #street wall# height of 60 feet within 15 feet of the #narrow street line#.

81-752
Special Street Wall and Setback Regulations within the Eighth Avenue Corridor

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and east of Eighth Avenue shall comply with the requirements of this Section, and except as superseded by this Section, with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations -

Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and west of Eighth Avenue shall comply with the requirements of this Section. The provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings), 81-26 (Height and Setback Regulations - Daylight Compensation) and 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) shall not apply except as set forth in paragraph (b)(1) of this Section.

(a)Street Wall Location and Minimum and Maximum Heights before Setbacks

(1) On Eighth Avenue and 42nd Street, #street walls# shall extend along the entire #street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall comply with the location requirements of paragraph (a)(3) of this Section. The maximum height of #street walls# within 10 feet of the #wide street line# shall be 150 feet beyond 15 feet of a #narrow street line# and 85 feet within 15 feet of a #narrow street line#.

(2)On a #narrow street# east of Eighth Avenue, and on a #narrow street# west of and within 100 feet of Eighth Avenue, #street walls# shall extend along the entire width of such #narrow street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# along such #narrow street# frontage shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall\comply with the location requirements of paragraph (a)(3) of this Section.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 85 feet.

No #street walls# are required along a #narrow street# west of and beyond 100 feet of Eighth Avenue provided at least 70 percent of the entire frontage of the #zoning lot# along such #narrow street# is occupied by #street walls# located on the #street line#.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 66 feet, except in accordance with paragraph (b)(3) of this Section.

(3)Within 30 feet of the intersection of two #street lines#, the #street wall# shall be located on the #street line# or anywhere within an area bounded by the two #street lines# and lines parallel to and 15 feet from such #street lines#.

(4)For #developments# that occupy the entire #block# frontage of a #wide street# and provide a continuous sidewalk widening along such #street line#, the boundary of the sidewalk widening shall be considered to be the #street line# for the purposes of this Section.

The #street wall# location and minimum height before setback regulations of this Section shall not apply to portions of #zoning lots# occupied by existing #buildings#.

(b)Special street wall regulations for buildings adjacent to listed theaters

For #developments# or #enlargements# that are adjacent to a theater listed pursuant to Section 81-742 (Listed Theaters), the maximum height of the #street wall# of the #development# or #enlargement# facing the same #street# as the listed theater shall be 60 feet within 15 feet of the #street line#.

(c)Additional Regulations Applying West of Eighth Avenue

(1)West of Eighth Avenue, at any level above a height of 85 feet, any #development# or #enlargement# or portion thereof shall have a minimum #lot coverage# requirement of 33 percent of the #lot area# of the #zoning lot#, except that such minimum #lot coverage# requirement shall not apply to the highest four #stories# of the #building#.

#Developments# or #enlargements# or portions thereof that occupy, in the aggregate, more than 40 percent of the #lot area# of a #zoning lot# (or, for #zoning lots# of less than 20,000 square feet, a greater percentage than set forth in the table in Section 23-651), shall comply with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

(2)Beyond 125 feet of the western #street line# of Eighth Avenue, and beyond 100 feet of the northern #street line# of 42nd Street, no #building or other structure# shall exceed a height of 66 feet, except in accordance with paragraph (3) below.

(3)Where the new or #enlarged building# abuts an existing #building# located entirely beyond 125 feet of the western #street line# of Eighth Avenue and the northern #street line# of 42nd Street, and such existing #building# exceeds a height of 66 feet, the new or enlarged #building# may exceed any height limits specified in this Section up to the height of the existing #building#, provided that, within 15 feet of the #narrow street line#, such portion of the new or #enlarged building# does not exceed either the height of the existing #building# or 85 feet, whichever is less.
For the purposes of this paragraph, the height of the existing #building# shall be the height of its #street wall#, before setback, if applicable, of that portion of the existing #building# abutting the new or #enlarged building#, fronting on the same #street line#, and located on the same or adjoining #zoning lot#.

Chapter 6
Special Clinton District

96-00
GENERAL PURPOSES

The "Special Clinton District" (hereinafter also referred to as the "Special District"), established in this Resolution, is designed to promote and protect public health, safety, general welfare and amenity.
Because of the unique geographical location of the Clinton community, situated between the waterfront on the west and a growing central business district on the east, it is necessary to provide specific programs and regulations which will assure realization of community and city-wide goals.

These goals include, among others, the following:

(a)to preserve and strengthen the residential character of the community;

(b)to permit rehabilitation and new construction within the area in character with the existing scale of the community and at rental levels which will not substantially alter the mixture of income groups presently residing in the area;

(c)to preserve the small-scale character and variety of existing stores and activities and to control new commercial uses in conformity with the existing character of the area;

(d)to recognize the unique character of the eastern edge of District as an integral part of the Theater Subdistrict within the Special Midtown District as well as the Special Clinton District;

(e)to provide an appropriate transition from the mixed-use character along Eighth Avenue to the lower-scale residential character of the Clinton community on the narrow streets;

*(d)(f)*to provide amenities, such as street trees, to improve the physical environment;

*(e)(g)*to restrict demolition of buildings that are suitable for rehabilitation and continued residential use; and

*(f)(h)*to promote the most desirable use of land in the area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues, consistent with the foregoing purposes.

96-01
Definitions

Definitions specially applicable to this Chapter are set forth in this Section.
The definitions of other defined terms are as set forth in Section 12-10 (DEFINITIONS).

Mixed building

For the purposes of this Chapter, a "mixed building" is a #building# in a #Commercial District# used partly for #residential use# and partly for #community facility# or #commercial use#, or a #building# in a #Residential District# used partly for #residential use# and partly for #community facility use#.

Special Clinton District
(repeated from Section 12-10)

The "Special Clinton District" is a Special Purpose District designated by the letters "CL" in which special regulations set forth in Article IX, Chapter 6 apply.

The #Special Clinton District# and its regulations supplement or supersede those of the districts on which it is superimposed.

Special Midtown District
(repeated from Section 12-10)

The #Special Midtown District# is a Special Purpose District designated by the letters "MiD", in which special regulations set forth in Article VIII, Chapter 1 apply.

96-02
General Provisions

Except as modified by the express provisions of this Chapter, the regulations of the underlying districts **or as modified by the Special Midtown District** remain in effect.

The Special Midtown District and its regulations, where applicable in the Special Clinton District, shall also apply and shall supplement or supersede regulations as set forth in this Chapter pursuant to Section 96-202 (Special regulations for perimeter area fronting Eighth Avenue). In the event of any conflict or discrepancy between the regulations the provisions of the Special Midtown District shall control. This portion of the Special Purpose District is designated on the #zoning map# by the letters "CL-MiD".

96-03
District Map

The District Map for the #Special Clinton District# (Appendix A) identifies specific areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Clinton District#. These areas and the sections of this Chapter which contain regulations pertaining thereto are as follows:

Area A - PRESERVATION AREA, Section 96-10
Area B - PERIMETER AREA, Section 96-20
Area C - OTHER AREAS, Section 96-30

96-10
PRESERVATION AREA

96-20
PERIMETER AREA

#Developments# within the Perimeter Area shall be eligible for increased #floor area# pursuant to Section 96-21 (Floor Area Bonus).
Because of increased pressures for #development#, the relocation and demolition provisions of Section 96-23 (Relocation and Demolition of Buildings in the Perimeter Area) shall apply therein for all demolition, #development#, #enlargement# or #extensions# on lots containing #residential uses#.
All existing legal #uses# in enclosed #buildings# shall be considered conforming #uses#.
Except as otherwise provided in this Chapter, any existing #commercial# or #manufacturing uses# may be changed to another #non-conforming use# only in accordance with the provisions of Sections 52-31 (General Provisions), 52-33 (Manufacturing or Related Uses in Residence Districts), 52-34 (Commercial Uses in Residence Districts, 52-35 (Manufacturing or Related Uses in Commercial Districts) and 52-36 (Non-Conforming Commercial Uses in Commercial Districts).

96-201
Special urban design regulations relating to retail continuity and street wall requirements
Special Regulations for 42nd Street Perimeter Area

(a) The provisions of this Section shall apply to #developments# or #enlargements# located in all #Commercial Districts# within the area bounded by the following:
Starting 150 feet west of Eighth Avenue, south to the southern boundary of West 41st Street, west to the east side of Twelfth Avenue, north along the eastern border of Twelfth Avenue to 43rd Street, east on West 43rd Street to the eastern side of Tenth Avenue, south along Tenth Avenue to the southern boundary of West 42nd Street, east on West 42nd Street to Ninth Avenue, north along the western boundary of Ninth Avenue to the midblock of 42nd/43rd Street, east to a point 150 feet west of Eighth Avenue, south to the southerly boundary of 41st Street.

(a)Retail Continuity Requirements

*(b)***(1)**For any #development# or #enlargement# fronting on West 42nd Street, between 9th and 12th Avenues, at least 50 percent of the street frontage of the ground floor, or within five feet of #curb level#, shall be limited to Use Groups 4A, 6A, 6C, 10A, 11, 12A and 12B.

*(c)***(2)**At least 50 percent of the length of the facade of such #street wall# fronting on West 42nd Street shall be glazed with transparent material to a height of not less than 16 feet above #curb level#. The lowest point of such glazed area shall not be higher than four feet above #curb level#.

*(d)***(b) Street Wall Continuity Requirements**

(1) At least 80 percent of the #aggregate width of street walls# of a #building# fronting on West 42nd Street, up to a height of 45 feet, shall be located within 10 feet of the #street line# of such #street#.

*(e)***(2)**The minimum height of the #street wall# of a #building# above #curb level# shall be no less than 45 feet and no more than 85 feet. Above this required height, the #street wall# of a #building# shall set back at least five feet. The requirements of this paragraph shall also apply to any #development# or #enlargement# on a #wide street# frontage within a distance of 50 feet from its intersection with West 42nd Street.

96-202
Special regulations for Eighth Avenue Perimeter Area

All #developments# or #enlargements# located in an area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue, and West 42nd Street shall comply with special regulations set forth in Article VIII, Chapter 1 (Special Midtown District), including Section 81-70 (Special Regulations for Theater Subdistrict).

96-21
Floor Area Increase

(a)**Except as specified in paragraph (b) of this Section,** *F*for any #development#, the #floor area ratio# permitted by the underlying district may be increased from 10.0 to 12.0 only by complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING). A permanent certificate of occupancy for any #building# incorporating #floor area# increase pursuant to this Section shall not be issued by the Department of Buildings until the issuance of a permanent certificate of occupancy for lower income housing. In addition to the requirements of Section 23-90 (INCLUSIONARY HOUSING), any units for which a #floor area# increase has been earned pursuant to Section 23-90 shall be within the #Special Clinton District#.

(b)For any #development# located within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), the #floor area ratio# permitted by the underlying district may be increased pursuant to the provisions of Section 81-21 (Floor Area Regulations) as set forth in Article VIII Chapter 1 (Special Midtown District).

96-22
Special Permit for Modification of Height and Setback Regulations

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special Regulations for Eighth Avenue Perimeter Area), *The* City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit modification of height and setback regulations for #developments# which have generated an increase in the #floor area ratio# of not more than 2.0 under the provisions of Section 96-21 provided that such modification is necessary to achieve better site planning.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

* * *

*96-52*96-52
Bulk *Modifications* for *Public Parking Garages*

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), *In* in all other C6 Districts, the City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications the Commission shall make the following findings:

(a)that because of site limitations such modifications are necessary for the proper design and operation of the #public parking garage#; and

(b)that such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.

* * *

96-60
SPECIAL PERMIT PROCEDURE

96-601
Requirements for applications

An application to the City Planning Commission for the grant of a special permit under the provisions of this Chapter, shall include a site plan showing the location and proposed #use# of all #buildings or other structures# on the site, the location of all vehicular entrances and exits and off-street parking spaces, and such other information as may be required by the City Planning Commission.

Notwithstanding the foregoing, in the Eighth Avenue Perimeter Area all applications made pursuant to the Special Midtown District shall be subject to the guidelines and provisions of Article VIII, Chapter 1 (Special Midtown District) instead.

All applications relating to Section 96-52 (Off-Street Parking Regulations) shall be referred by the Commission to the Department of Transportation for its report with respect to the anticipated traffic congestion resulting from such special permit #use# in the proposed location.

If such agency shall report thereon within one month from the date of referral, the Commission shall, in its determination, give due consideration to such report and, further, shall have the power to substantiate the appropriate findings solely on the basis of the report by such agency with respect to the issues referred. If such agency does not report within one month, the Commission may make a final determination without reference thereto.

CITY PLANNING

HEARINGS

An informational symposium, and public hearing on the Proposed 1999 Consolidated Plan will be held on April 28, 1998 beginning at 3:00 PM at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan.
The Consolidated Plan defines the use of federal funds for housing, homeless assistance, supportive housing services and community development programs and is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy with the applications for the four HUD formula programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).
For more information contact: Irene Fanos, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New YOrk 10007, (212) 720-3444.

a14-28

COMMUNITY BOARDS

HEARINGS

Community Board 13, Brooklyn, will hold a public hearing on Wed, April. 29, 1998, 7:00 pm. Sea Gate Community Center, 3701 Sea Gate Avenue.
BSA Application No. 165-98-BZ/CEQR-BSA-065-K: in the matter of an application submitted by Za Zabrom, Inc. AKA (The Seagate Minimall/The Mermaid Spa) pursuant to BSA special permit as per section 32-31 (group 9) and 73-36 of the New York City charter for amendments of the Zoning Resolution of the City of New York, to permit an R3-1/C1-2 zone physical Health and Culture Establishment as defined in Section 12-10 for the term of ten years.
Location: 3701 Mermaid Avenue, Block 7029; Lot 60.

a16-29

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:
BOROUGH OF Bronx.

Community Board No. 4 - Tuesday, April 28, 1998, 6:00 P.M.; 1650 Selwyn A[illegible] Community Room between East [illegible] Street & Mt. Eden Parkway [illegible] Lebanon Hospital.
C980308PPX
IN THE MATTER OF an appli[illegible] submitted by the Department of [illegible] Administrative Services, pursuant to Section 197-c of the New York City Charter, for the disposition of seven (7) city-owned properties, pursuant to zoning.

N980104ECX
IN THE MATTER OF an application from El Valle Restaurant, Inc., doing business as, El Valle Restaurant, for review, pursuant to Section 366-a(c) of the New York City Charter, of the grant of a one year revocable consent to operate under change of ownership an enclosed sidewalk cafe with 10-14 tables and 36 seats at 555 Grand Concourse on the northwest corner of East 149th Street, in the Borough of the Bronx.

C980391ZMX

IN THE MATTER OF an application submitted by Philip Agusta, AIA, MUP, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 3b:
a) eliminating from an R7-1 District a C1-4 District bounded by a line 50 feet southwesterly of East Mt. Eden Avenue, a line midway between Jerome Avenue and Townsend Avenue, a line 100 feet southwesterly of East Mt. Eden Avenue, and Jerome Avenue; and
b) changing from an R7-1 District to a C8-3 District property bounded by a line 50 feet southwesterly of East Mt. Eden Avenue, a line midway between Jerome Avenue and Townsend Avenue, a line 100 feet southwesterly of East Mt. Eden Avenue, and Jerome Avenue;
Borough of the Bronx, Community District 4, as shown on a diagram (for illustrative purposes only) dated March 16, 1998.

a22-28

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:
BOROUGH OF Brooklyn.

Community Board No. 15 - Tuesday, April 28, 1998, 7:00 P.M.; Kingsborough Community College, 2001 Oriental Boulevard, Faculty Dining Room, Brooklyn, New York 11235

BSA # 174-98-BZ

The proposed enlargement of the one story residence in an R3-1 zoning district:

1. Increases the degree of non-compliance and is contrary to sections 23-141 and 54-31 of the zoning resolution.

2. Creates new non-compliance with respect to lot coverage and open space ratio and is contrary to Section 23-141 and 54-31.

3. By increasing the height of the one story residence is contrary to Section 23-631(B).

LOFT BOARD

HEARINGS

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY LOFT BOARD by Article 7-C of the Multiple Dwelling Law and Mayor's Executive Order No. 66, dated September 30, 1982, and pursuant to and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Loft Board intends to amend Chapter 1 of Title 29 of the Rules of the City of New York ("RCNY"), relating to reconsideration and appeals from administrative determinations, by amending sections 1-06(p) and 1-07 and adding a new section 1-07.1, and Chapter 2 of 29 RCNY, section 2-04(e)(5), relating to appeals from determinations concerning housing maintenance standard violations.
Written comments regarding these proposed rules may be sent to the New York City Loft Board, 49-51 Chambers Street, Room 1006, New York, New York 10007 to the attention of Beverley Miller on or before April 15, 1998. A public hearing will be held on April 30, 1998 at 22 Reade Street, New York, New York, commencing at 1:30 p.m. Persons seeking to testify are requested to notify Ms. Miller at the foregoing address or by telephone at (212) 788-7610. Written comments and an audiotape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. to 5:00 p.m. at the office of the Loft Board. Copies of the proposed rules may be obtained by contacting Ms. Miller at the Loft Board's Offices.
NOTICE IS ALSO GIVEN PURSUANT TO ARTICLE 7 OF THE PUBLIC OFFICERS LAW that the Loft Board will conduct its regular monthly meeting immediately after the public hearing. The Board plans to discuss and vote on the proposed amendments to rules relating to reconsideration and appeals from administrative determinations. The Board also plans to discuss and vote on cases. The public is invited to attend and observe the proceedings.

COURT NOTICE

SUPREME COURT

NOTICE

SUPREME COURT, KINGS COUNTY NOTICE OF PETITION. KINGS COUNTY INDEX NUMBER 12009/98

In the Matter of the Application of THE CITY OF NEW YORK, relative to acquiring title in fee simple and other interest in certain real property where not heretofore acquired for the same purpose as a site for **KENSINGTON BRANCH LIBRARY** generally located at 4209-17 18th Avenue situated in Community District 14, Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Kings County, at IA Part 74 , to be held in and for Kings County at the County Courthouse, 360 Adams St in the Borough of Kings, City of New York on the 14th day of May, 1998 at 9:30 A.M., or as soon thereafter as counsel can be heard for an order:
1) authorizing the City to file an acquisition map in the office of the Clerk of Kings County or the Office of the City Register;
2) directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City; and
3) providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury.
The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, as a site for KENSINGTON BRANCH LIBRARY in the Borough of Brooklyn, City and State of New York.
The description of the real property to be acquired is as follows:
Beginning at a point on the southerly line of said 18th Avenue and the easterly line of Seton Place (3rd Street - 50 feet wide), which point of beginning is where the dividing line between tax lots 7 and 14 in Brooklyn tax block 5416, as shown on the "Tax Map" of the City of New York for the Borough of Brooklyn, as said "Tax Map" existed on June 25, 1997, is intersected by the southerly line of 18th Avenue (80 feet wide):

Running thence eastwardly and along the southerly line of the said 18th Avenue, for 80.09 feet (80 feet - Deed) to a point on the westerly line of lot 18 in block 5416, as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997;

Thence, southwardly, forming an interior angle of 90°26'06" with the previous course, and along the said westerly line of lot 18 in block 5416, for 112.51 (112.33 feet - Deed) feet to a point on the northerly line of lot 112 in block 5416;

Thence, eastwardly, forming an interior angle of 89°42'13" with the previous course, and along the said northerly line of lot 112 and northerly lines of lots 114, 115 and 116 in block 5416, for 80.09 feet (80 feet - Deed) to a point on the easterly line of lot 7 in block 5416;

Thence, northwardly, forming an interior angle of 90°17'47" with the previous course, and along the said easterly line of lot 7 in block 5416, for 112.71 feet (112.58 feet - Deed) back to the point of beginning.

This parcel consists of lot 14 in block 5416 as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997, and comprises an area of 9,019 square feet or 0.20705 acres.

The above described property shall be acquired subject to encroachments, if any, of the structures, improvements, and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same so long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, Room 5-236A, New York, New York 10007.

Dated: New York, New York, April 8, 1998
MICHAEL D. HESS, Corporation Counsel of the City of New York Attorney for the Condemnor 100 Church Street, New York, New York 10007 Tel. (212) 788-0711

SUPREME COURT, KINGS COUNTY

NOTICE OF FILING OF SECOND AND LAST SEPARATE AND PARTIAL TENTATIVE DECREE AND NOTICE TO FILE OBJECTIONS. KINGS COUNTY INDEX NO. 18454/82

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in simple absolute to certain real property where not heretofore acquired for the same purpose, required for the BUSHWICK II NEIGHBORHOOD PRESERVATION AREA SITE 22-A (SECOND TAKING) located at Linden Street between Wilson Avenue and Knickerbocker Avenue, within the area bounded generally by Flushing Avenue, Broadway, Eastern Parkway and the Brooklyn-Queens border in the Borough of Brooklyn, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted at the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owners of Damage Parcel 1 (Block 3334, Lot 15), Damage Parcel 2 (Block 3334, Lot 17), Damage Parcel 3 (Block 3334, Lot 18), Parcel 4 (Block 3334, Lot 19), Damage Parcel 5 (Block 3334, Lot 21), Damage Parcel 6 (Block 3334, Lot 22), Damage Parcel 7 (Block 3334, Lot 23), Damage Parcel 8 (Block 3334, Lot 24), Damage Parcel 9 (Block 3334, Lot 25), Damage Parcel 10 (Block 3334, Lot 27) ,Damage Parcel 11 (Block 3334, Lot 28), Damage Parcel 12 (Block 3334, Lot 30), and Damage Parcel 13 (Block 3334, Lot 31), real property which was acquired in this proceeding, and the Separate and Partial Tentative Decree of the said Court as to the award for damages was signed, by HON. LEONARD SCHOLNICK, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Kings on March 13, 1998, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector – s post office address, with the Clerk of the County of Kings, on or before May 18, 1998, and parties other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York, at his office, 100 Church Street, Room 5-212, in the Borough of Manhattan, City and State of New York, a copy of such verified objections. 3. On May 28, 1998, at 10:00 A.M., or as soon thereafter as counsel can be heard, HON. LEONARD SCHOLNICK, the Justice who signed the Tentative Decree, holding Court at IA Part 74 of the Supreme Court, to be held at the Supreme Court of Kings County, in the Borough of Brooklyn, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

Dated: New York, New York, April 13, 1998
MICHAEL D. HESS, Corporation Counsel
100 Church Street, Room 5-212, New York, New York, 10007 Tel. (212)788-0719

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES
The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER
The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE
Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT
It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES
To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR
The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ.....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

*CP .....**Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement**/only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition *For ongoing construction project only:*
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors

NA/11.....Immediate successor contractor required due to termination/default

For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE.....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

AGENCY RULES

BUILDINGS

NOTICE OF OPPORTUNITY TO COMMENT ON A PROPOSED AMENDMENT TO THE BUILDING CODE REFERENCE STANDARD 5-18, STANDARD FOR THE PRESSURIZATION OF STAIRS.

NOTICE IS HEREBY GIVEN pursuant to the authority vested in the Commissioner of Buildings of Chapter 26 of the New York City Charter and Section 27-131.1 of the Administrative Code of the City of New York and in accordance with the requirements of 1 RCNY §37-01(e) that the Department of Buildings intends to amend the Building Code Reference Standard RS 5-18, relating to Standard for the Pressurization of Stairs.

Written comments regarding this proposed amendment of the Building Code Reference Standard RS 5-18 may be submitted to the New York City Department of Buildings, Executive Offices, 60 Hudson Street, 14th floor, New York, NY 10013. Attention: Office of Technical Affairs, on or before Monday, May 18, 1998.

A public hearing on this proposed amendment of the Building Code Reference Standard RS 5-18 will be held at the Executive Offices of the Department of Buildings at the above address on Monday, May 11, 1998 at 2:30 p.m. Persons seeking to testify and/or attend are requested to notify the Office of Technical Affairs at (212) 312-8140 or to indicate same in writing to the above address.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Department of Buildings, Executive Offices, 60 Hudson Street, 14th floor, New York, New York.

Date: April 20, 1998
New York, New York

Gaston Silva, R.A.
Commissioner

DRAFT

NOTICE OF OPPORTUNITY TO COMMENT ON A PROPOSED AMENDMENT TO THE BUILDING CODE REFERENCE STANDARD RS 5-18 IN RELATION TO STANDARDS FOR THE PRESSURIZATION OF STAIRS.

Material to be deleted appears in [brackets]

New material is underlined

§1. Reference standard RS 5-18 of the appendix to chapter one of title twenty-seven of the administrative code is amended by adding the following:

REFERENCE STANDARD RS 5

FIRE PROTECTION

CONSTRUCTION REQUIREMENTS

****REFERENCE STANDARD RS 5-18**

STANDARD FOR THE PRESSURIZATION OF STAIRS

***

5. Full systems testing shall . . . in Section [C26-106.3] 27-132 for controlled inspection. A full system test shall be performed after any construction and/or modifications to the stair enclosures altering the volume of such enclosures.

6. Operational tests of the stair pressurization systems shall be conducted every twelve months by building maintenance personnel and witnessed by the Fire Safety Director or by a Registered Architect or Professional Engineer to ensure that each system functions. The owner or his authorized representative shall retain at the premises a record of each test performed for Building and Fire Departments' use.

7. Operational tests shall determine that initiating devices such as fire alarms, sprinkler alarms, elevator recall, manual switches, and smoke detectors other than those designed to cause the shutdown of outside air intake systems, will cause the stair pressurization systems' intake dampers to open and fans to start.

HISTORY:

** Local Law 84-1979

Amended by the City Council, effective date: December 13, 1979.

STATEMENT OF BASIS AND PURPOSE

This proposed amendment is a result of the work of the committee consisting of representatives of New York City agencies, the building industry, and the real estate industry which studied the effects of the bombing of the World Trade Center on February 26, 1993.

The committee formed a subcommittee which recommended that the stair pressurization systems for high-rise office buildings be tested annually to ensure that they are in working order. These tests shall be performed by a responsible person, and shall be operational in nature. Currently, there is no requirement for periodic testing of these systems.

Furthermore, because the pressure maintained in a stair enclosure will change if the volume of the stair enclosure is changed, the committee determined that if alteration work changes the volume of a pressurized stair enclosure, then the pressurization system shall undergo a test to determine whether or not the pressure is within the acceptable limits.

☛ a27

HEALTH

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH

On June 22, 1998, the Department of Health will hold a lottery based on a strict random selection process to establish the following waiting lists for mobile food vendor permits:

- a full-term citywide mobile food vendor permit waiting list (2500 positions)
- a temporary (seasonal) citywide mobile food vendor permit waiting list (1000 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled veterans (100 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled persons (non-veterans) (100 positions)
- a full-term citywide mobile food vendor permit waiting list for veterans (nondisabled)(100 positions)

You must have a valid full-term mobile food vendor license issued to you at the time you submit the waiting list application form. The waiting list application form, with the mobile food vendor license number included in the application, must be submitted by mail only to the address listed in the application instructions on or before June 12, 1998 in order to be eligible for inclusion on such waiting lists.

The number of waiting list positions for each of the above categories is provided by 24 R.C.N.Y. Sections 19-07 and 20-07. Due to the limited number of waiting list positions and available permits, the Department of Health cannot guarantee that submission of a waiting list application will result in a place on a waiting list or the issuance of a permit.

Waiting List Applications: Application packages for inclusion in the lottery for the above waiting lists may be obtained through the mail by calling the New York City Department of Consumer Affairs at (212) 487-4436. Application packages are also available at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York, Monday through Friday from 8:30 AM to 5:00 PM. Completed applications must be submitted by mail only to the address listed in the application instructions and postmarked no later than June 12, 1998 in order to be eligible for inclusion on such waiting lists.

Mobile Food Vendor License Applications: Persons interested in applying for a mobile food vendor license may request an application by mail at the above address or by telephone to the above number. License applicants should allow at least twenty-five (25) business days to receive the necessary tax and ECB documentation required to apply for a license. *While this time span reflects the normal processing period, the Department of Health cannot guarantee that applicants will receive a license within this timeframe.*

a22-28

TAXI AND LIMOUSINE COMMISSION

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi & Limousine Commission proposes to amend the Taxicab Drivers Rules and For-Hire Vehicle Rules to increase the penalties for discourteous conduct and smoking in a taxicab, to increase the penalty for smoking in a for-hire vehicle, and to prohibit discourteous conduct by for-hire vehicle licensees.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b)(2); and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments and a summary for all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under Section 2303(b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under Section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would increase the penalties for discourteous conduct and smoking in a taxicab, increase the penalty for smoking in a for-hire vehicle, and prohibit discourteous conduct by for-hire vehicle licensees.

The purpose of the proposed regulations is to protect the riding public and enhance the quality of life for passengers who utilize taxicab or for-hire vehicle services. The Rules of the Commission prohibit taxicab drivers from engaging in rude and discourteous conduct toward passengers. The existing penalty of $25.00 is not a deterrent to such misconduct. Increasing the penalty and providing for a range fine will afford greater discretion to Administrative Law Judges who preside at the Commission's Tribunal. Administrative Law Judges will be empowered to impose appropriate penalties commensurate with the varying degrees of misconduct that may be encompassed by a violation of this rule. Furthermore, there is no equivalent regulation prohibiting rude or discourteous conduct for for-hire vehicle licensees.

The purpose for increasing the penalty for smoking in a taxicab or a for-hire vehicle from the existing $25 penalty to $150 is to provide a greater deterrent to such misconduct, which may impact upon the quality of life for members of the riding public. Smoking and second-hand smoke pose serious health concerns. Furthermore, the City's Clean Indoor Air Act provides for substantially greater penalties for smoking in public places.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 2, Taxicab Drivers Rules, Section 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, to read as follows:

Italics indicate proposed material.

Section 2-86 Penalties for Violation of Rules Governing Taxicab Drivers.

Rule No.	Penalty	Personal Appearance Required
2-25(c)	$[25]*150*	No
2-42(a)	$[25]*150*	No

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 6, For-Hire Vehicles Rules, Section 6-18, Personal Conduct of Licensees, to add a new subsection (j), to read as follows:

Italics indicate proposed material.

Section 6-18 Personal Conduct of Licensees

(j) A licensee shall be courteous to passengers.

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 6, For-Hire Vehicles Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, to read as follows:

Italics indicate proposed material.

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

Rule Number	Penalty	Personal Appearance Required
6-16(j)	$[25]*150*	No
6-18(j)	*$150*	*No*

a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Drivers and For-Hire Vehicle Rules to provide for the automatic suspension of taxicab and for-hire licenses of drivers who accumulate six or more points on their State driving record, and the automatic revocation of taxicab or for-hire vehicle licenses of drivers who accumulate ten or more points on their State driving record.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.**, on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The rule proposed herein by the New York City Taxi and Limousine Commission ("TLC") is authorized under Section 2303(a) of the New York City Charter, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in New York City; under Section 2303(b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under Section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed rules establish the "Critical Driver Program," which will enable the Commission to review all driving infractions by taxicab and for-hire vehicle drivers.

The proposal will enable the Commission to closely monitor the records maintained by the New York State Department of Motor Vehicles, and promptly take action against the TLC licenses of taxicab and for-hire vehicle drivers who have unsatisfactory driving records. The Commission will hold taxicab and for-hire vehicle drivers to a higher standard than that applied to private operators. Those taxicab and for-hire vehicle drivers who accumulate six or more points on their New York State Department of Motor Vehicle Driver's Licenses within 18 months will have their TLC taxicab or for-hire vehicle driver licenses suspended for 30 days, even though this point total may not trigger action by the Department of Motor Vehicles. Similarly, taxicab or for-hire vehicle drivers who accumulate ten or more points within a period of 18 months will have their taxicab or for-hire vehicle driver licenses revoked. The operators of taxicabs and for-hire vehicles who drive unsafely or consistently violate traffic rules will be promptly removed from the industry.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RNCY"), Chapter 2, Taxicab Drivers Rules, by adding a new Section 2-07, Critical Driver Program, to read as follows:

Section 2-07 Critical Driver Program

(a) The taxicab driver's license of any driver who, within a period of eighteen months, accumulates six or more points against his license issued by the Department of Motor Vehicles or an equivalent license issued by the driver's state of residence shall, unless previously revoked, be suspended for a period of thirty days.

(b) The taxicab driver's license of any driver who, within a period of eighteen months, accumulates ten or more points against his license issued by the Department of Motor Vehicles or an equivalent license issued by the driver's state of residence shall be revoked.

(c) The Commission may at any time review the fitness of a driver to be licensed by the Commission in view of any moving violation, accident, or other driving related incident. The Commission may, in its discretion, schedule a licensing standards review fitness hearing in accordance with the provisions of Section 2-85 of these rules. The Commission may suspend or revoke a taxicab driver's license if it is determined after such hearing that the driver is no longer fit to remain licensed.

(d) For the purpose of this rule, the accumulation of points shall be based upon the date of occurrence.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 6, For-Hire Vehicles Rules, by adding a new Section 6-17, Critical Driver Program, to read as follows:

Section 6-17 Critical Driver Program

(a) The for-hire vehicle driver's license of any driver who, within a period of eighteen months, accumulates six or more points against his license issued by the Department of Motor Vehicles, or an equivalent license issued by the driver's state of residence shall, unless previously revoked, be suspended for a period of thirty days.

(b) The for-hire vehicle driver's license of any driver who, within a period of eighteen months, accumulates ten or more points against his license issued by the Department of Motor Vehicles, or an equivalent license issued by the driver's state of residence shall be revoked.

(c) The Commission may at any time review the fitness of a driver to be licensed by the Commission in view of any moving violation, accident, or other driving related incident. The Commission may, in its discretion, schedule a licensing standards fitness review hearing in accordance with the provisions of Section 6-21 of these rules. The Commission may suspend or revoke a for-hire vehicle driver's license if it is determined after such hearing that the driver is no longer fit to remain licensed.

(d) For the purpose of this rule, the accumulation of points shall be based upon the date of occurrence.

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Drivers Rules by deleting the provisions for a sponsorship program.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The rule proposed herein by the New York City Taxi and Limousine Commission ("TLC") is authorized under Section 2303(a) of the New York City Charter, which empowers the TLC to regulate and supervise the business and industry of transportation of such persons by licensed vehicles for-hire in New York City; under Section 2303(b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under Section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The Commission proposes to delete the rule concerning the sponsorship taxicab program, as it discontinued this program several years ago. The Commission further believes that no applicant should be permitted to drive a taxicab until all records of prior criminal acts and other licensing standards matters have been reviewed.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Taxicab Drivers Rules, by deleting Section 2-04, Sponsored Taxicab Driver Applicants, as follows:

[ ] indicate deleted material.

[Section 2-04 Sponsored Taxicab Driver Applicants.

Sponsored Taxicab Driver Applicants are individuals who are associated with a taxicab garage affiliated with a taxicab fleet.

Sponsored Taxicab Driver Applicants are candidates to receive a NYC Taxi and Limousine Commission Trainee License, which permits applicant to drive while the permanent license processing procedures take place. The Trainee License is issued to applicants who are affiliated with a Sponsoring Fleet.

(a) Sponsored Taxicab Applicants must:

(1) Meet all requirements of Sections 2-02 and 2-03.

(2) Submit proof of sponsorship from fleet on or before Application Interview date.

(b) Sponsored Taxicab Applicants who satisfactorily complete the above will be issued a Taxicab Trainee License, with the following conditions:

(1) Taxicab Trainee Licenses are issued directly to the Sponsoring Garage.

(2) The Taxicab Trainee License is valid for twelve weeks from date of issuance.

(3) Sponsored Taxicab Applicants must work for the Sponsoring Garage while they are in the Taxicab Trainee License Status.

(4) The Taxicab Trainee License must be returned to the sponsoring garage at the end of each shift.

(5) The Taxicab Trainee License will only be issued once to an applicant.

(6) The Sponsoring Fleet must return the Taxicab Trainee License to the Taxi & Limousine Commission when your status as a Taxicab Trainee has been terminated. The Taxicab Trainee has the right to apply and work for any Taxicab Fleet, Paratransit and/or For-Hire-Vehicle company once he/she receives their Permanent Taxicab Operator's License.

Note: The Taxi and Limousine Commission reserves the right to confiscate the Taxicab Trainee Licenses at its discretion at any time without prior notification. The Taxicab Trainee License is not a permanent license.]

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Drivers Rules and For-Hire Vehicle Rules to require all driver applicants to be tested for drugs and other controlled substances prior to receiving a hack license and authorizing the Commission to direct further drug testing if it has reasonable suspicion that a driver has a drug or controlled substance abuse problem, and to prohibit any taxicab or for-hire vehicle driver from operating a vehicle while impaired due to drugs, other controlled substances and intoxicating liquors.

The Taxi and Limousine Commission ("TLC") proposes the promulgation of such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at 9:00 a.m. on Thursday, May 28, 1998 at the NYC Taxi and Limousine Commission, 40 Rector Street, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement Of Basis And Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; under Section 2303(b) of such Charter authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purpose; and under Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed amendments would require the testing of new and renewal applicants for taxicab and for-hire vehicle driver's licenses for drugs and other controlled substances. The drugs and controlled substances that would be tested for include those listed in Section 3306 of the New York State Public Health Law. A positive test result would lead to the denial of a new license application, and may lead to the denial of a renewal application following a hearing.

In addition, if the Commission has reasonable suspicion to believe that a licensed taxicab or for-hire vehicle driver is impaired due to ingestion of a drug or other controlled substance and unable to drive his taxicab or for-hire vehicle safely, the Commission may direct that the driver be tested for such impairment. If the results of said test(s) or examination(s) are positive, the driver's license may be revoked following a hearing. Furthermore, if the taxicab or for-hire vehicle driver fails to be tested or examined as directed, the driver's license may be suspended or revoked.

The proposed regulations would also prohibit taxicab or for-hire vehicle drivers from consuming drugs or other controlled substances and intoxicating liquors while driving their vehicles or for six hours prior to driving their vehicles. This portion of the proposed regulation is similar to New York State Vehicle and Traffic Law ("VTL") Section 509-(l), which provides that no bus driver shall consume a drug, controlled substance or an intoxicating liquor regardless of its alcoholic content for six hours prior to going on duty or operating or physically controlling a bus.

The purpose of these proposed amendments to TLC regulations is to promote the safety of passengers and the general public by ensuring that taxicab and for-hire vehicle drivers are not operating their vehicles when they are unfit to do so.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section 2-02, Requirements for a Taxicab Driver's License to Operate a Medallion Taxicab, by adding a new subdivision (i), to read as follows:

Italics indicate new material.

Section 2-02 Requirements For A Taxicab Driver's License To Operate A Medallion Taxicab

(i) An applicant or renewal applicant for a taxicab driver's license shall be tested, at the applicant's expense, for drugs and controlled substances, as set forth in Section 3306 of the Public Health Law. Such testing shall be performed by an individual or entity designated by the Commission and possessing a requisite permit issued by the New York State Department of Health. A positive test result shall result in the denial of a new application and may result in the denial of a renewal application in accordance with the procedures set forth in Section 2-85 of these rules.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, to add a new Section 2-19(a), Drug Testing of Licensed Taxicab Drivers, to read as follows:

Italics indicate new material.

Section 2-19 Drug Testing of Licensed Taxicab Drivers

(a) If the Commission has reasonable suspicion to believe that a driver has a drug or controlled substance impairment that renders him unfit for the safe operation of a taxicab, it may direct that the driver be tested or examined for such impairment, at the driver's expense, by an individual or entity designated by the Commission and possessing a requisite permit issued by the New York State Department of Health. If the results of said test(s) or examination(s) are positive, the driver's license may be revoked in accordance with the procedures set forth in Section 2-85 of these rules. Failure of a driver to be tested or examined as directed may lead to suspension or revocation of such driver's license.

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-15, Driver License Requirements, by adding a new paragraph (a)(3), to read as follows

Italics indicate proposed material:

Section 6-15 Driver License Requirements.

(a)(3) An applicant or renewal applicant for a for-hire vehicle driver's license shall be tested at the applicant's expense, for drugs and for controlled substances as set forth in Section 3306 of the Public Health Law. Such testing shall be performed by an individual or entity designated by the Commission and possessing a requisite permit issued by the New York State Department of Health. A positive test result shall result in the denial of a new application, and may result in the denial of a renewal application in accordance with the procedures set forth in Section 6-21 of these rules.

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-16, Conditions of Operation for For-Hire Vehicle Drivers, by adding a new paragraph (s), to read as follows:

Italics indicate proposed material.

Section 6-16 Conditions of Operation for For-Hire Vehicle Drivers.

(s) If the Commission has reasonable suspicion to believe that a driver has a drug or controlled substance impairment that renders him unfit for the safe operation of a for-hire vehicle, it may direct the driver to be tested or examined for such impairment, at the driver's expense, by an individual or entity designated by the Commission and possessing a requisite permit issued by the New York State Department of Health. If the results of said test(s) or examination(s) are positive, the driver's license may be revoked in accordance with the procedures set forth in Section 6-21 of these rules. Failure of a driver to be tested or examined as directed may lead to suspension or revocation of such license in accordance with Section 6-21.

Section 5. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section2-20(a), Driving While Impaired, to read as follows:

[ ] Brackets include deleted material.
Italics indicate proposed material.

Section 2-20 Driving While Impaired.

(a) A driver shall not operate [or occupy] a taxicab while his driving ability is impaired by either [alcohol or drugs,] *intoxicating liquor (regardless of its alcoholic content), drugs or other controlled substances,* nor while driving [or occupying] such taxicab *or for six hours prior to driving or occupying such taxicab* shall he consume [any alcoholic beverage] *any intoxicating liquor regardless of its alcoholic content,* or any drugs *or other controlled substances* [that are illegal or may impair his driving ability].

Section 6. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Taxicab Drivers Rules, Section 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, to establish a new penalty for the violation of Section 2-20(a), to read as follows:

[ ] brackets indicate deleted material.
Italics indicate proposed material.

Section 2-86 Penalties for Violation of Rules Governing Taxicab Drivers.

Rule No.	Penalty	Personal Appearance Required
2-20(a)	[$100 - 350 and/or suspension up to 30 days] *Revocation*	Yes

Section 7. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-16, Conditions of Operation for For-Hire Vehicle Drivers, by adding a new subdivision (t) to read as follows:

Section 6-16 Conditions of Operation for For-Hire Vehicle Drivers.

(t) A driver shall not operate a for-hire vehicle while his driving ability is impaired by either intoxicating liquor (regardless of its alcoholic content), drugs or other controlled substances, nor while driving such for-hire vehicle or for six hours prior to driving or occupying such for-hire vehicle shall he consume any intoxicating liquor regardless of its alcoholic content, or any drugs or other controlled substances.

Section 8. It is hereby proposed to amend Title 35 of the Rules of the City of New York, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, to establish a penalty for the violation of Section 6-16(t), to read as follows:

[ ] brackets indicate deleted material.
Italics indicate proposed material.

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

Rule Number	Penalty	Personal Appearance Required
6-16(t)	*Revocation*	*Yes*

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules to require medallion owners to maintain a telephone number, pager number or telephone answering service phone number on file with the Commission so that the owner may be contacted by and may respond to the Commission within 24 hours for emergency or other situations.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Sections 19-503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at 9:00 A.M. on Thursday, May 28, 1998, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City, under Section 2303(b) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; under Section19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter, and under Section19-505 of said Administrative Code, authorizing the TLC to issue taxicab drivers licenses, for-hire vehicle drivers licenses and paratransit vehicle drivers licenses.

The amendment proposed herein consists of two provisions. First, it requires that medallion owners maintain a telephone number, pager number or answering service telephone number on file with the Commission, so that the Commission may contact any medallion owner in an emergency or for any other important purpose. Second, it requires that the medallion owner respond to the Commission within twenty-four (24) hours for the purpose of resolving the exigent situation in a timely manner.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-55, Reporting Requirements, by amending the heading of subdivision (b) and by adding new paragraphs (b)(3) and (b)(4), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-55 Reporting Requirements

(b) Address[.] *and Telephone Number.*

(3) An owner shall maintain on file with the Commission a current telephone number (which must be connected to an answering machine or recording device), pager number, answering service telephone number, or similar means of telephone contact, so that the owner may be reached by the Commission on a twenty-four hour basis.

(4) An owner must respond to any call from the Commission within twenty-four hours.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxicabs, by adding new penalties for violation of Section 1-55(b)(3) and Section 1-55(b)(4), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-86 Penalties for Violation of Rules Governing Owners of Medallion Taxicabs

Rule No.	Penalty	Personal Appearance Required
1-55(b)(3)	*$100*	*No*
1-55(b)(4)	*$500*	*No*

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Drivers Rules and the For-Hire Vehicle Rules to provide for the issuance of a one-year probationary license to all new applicants.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at 9:00 A.M. on Thursday, May 28, 1998, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The rule proposed herein by the New York City Taxi and Limousine Commission ("TLC") is authorized under Section 2303(a) of the New York

City Charter, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in New York; under Section 2303(b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under Section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The Commission proposes a rule providing for the issuance of a one-year probationary license to all new applicants.

The Commission is committed to raising the quality of service provided by taxicab and for-hire vehicle drivers, improving the driving habits of licensees, and identifying unsafe driving practices of licensees immediately after licensure. This proposal would result in the issuance of a one-year probationary license to all new applicants. All new drivers would be closely scrutinized during the probationary period, and would not be able to renew their licenses as a matter of right. Drivers who are convicted of a crime, commit serious driving infractions, or repeatedly violate Commission rules would not be permitted to renew their licenses.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 2, Taxicab Drivers Rules, by adding a new Section 2-04, Probationary Licenses, to read as follows:

Italics indicate proposed material.

Section 2-04 Probationary Licenses.

(a) All applicants will be issued a probationary license valid for a period of one year subsequent to the last day of the month in which the application was made. The Commission will evaluate the applicant at the conclusion of the one-year probationary period, and will determine if renewal of the license is appropriate. In making such determination, the Commission may consider the driving record, any violation of the Taxicab Drivers Rules, or any other evidence that suggests that the driver no longer meets all requirements for a license.

(b) Issuance of a license following the probationary period will be automatically barred or the Commission may revoke a probationary license at any time if any of the following occurs during the probationary period:

(1) The driver is convicted of a crime in any jurisdiction.

(2) The driver is convicted of driving while impaired by alcohol or drugs.

(3) The driver is convicted of refusing to submit to a breathalyzer or other chemical test.

(4) The driver is convicted of leaving the scene of an accident.

(5) The driver accumulates eight or more points against his New York State Chauffeur's License or a comparable license issued by his State of residence, the total of which shall include points existing on the driver's State license prior to his or her application for a license with the Commission.

(6) The driver is convicted of three or more moving violations.

(7) The driver is convicted of two speeding violations.

(8) The driver accumulates four or more points in accordance with the Commission's persistent violator program described in Drivers Rule 2-70.

(9) The driver is convicted of two or more violations of Drivers Rules 2-34(a), 2-34(b), 2-50(a), or 2-50(b).

(c) For purposes of subdivision (b) of this rule, the Commission will consider the date of occurrence rather than the date of conviction when determining if a violation occurred within the probationary period.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York ("RCNY"), Chapter 6, For-Hire Vehicle Rules, by adding a new Section 6-14, Probationary Licenses, to read as follows:

Italics and underline indicate proposed material.

Section 6-14 Probationary Licenses.

(a) All applicants will be issued a probationary license valid for a period of one-year subsequent to the last day of the month in which the application was made. The Commission will evaluate the applicant at the conclusion of the one-year probationary period and will determine if renewal of the license is appropriate. In making such determination, the Commission may consider the driving record, any violation of the For-Hire Vehicle Rules, or any other evidence that suggests that the driver no longer meets all requirements for a license.

(b) Renewal of a probationary license will be automatically barred or the Commission may revoke a probationary license at any time if any of the following occurs during the probationary period:

(1) The driver is convicted of a crime in any jurisdiction.

(2) The driver is convicted of driving while impaired by alcohol or drugs.

(3) The driver is convicted of refusing to submit to a breathalyzer or other chemical test.

(4) The driver is convicted of leaving the scene of an accident.

(5) The driver accumulates eight or more points against his New York State Chauffeur's License or comparable license issued by his State of residence, the total of which shall include points existing on the driver's State license prior to his or her application for a license with the Commission.

(6) The driver is convicted of three or more moving violations.

(7) The driver is convicted of two speeding violations.

(8) The driver accumulated four or more points in accordance with the Commission's persistent violator program described in Rule 6-23.

(9) The driver is convicted of two or more violations of Rule 6-16(d), 6-16(f), or 6-16(g).

(c) For purposes of subdivision (b) of this rule, the Commission will consider the date of occurrence rather than the date of conviction when determining if a violation occurred within the probationary period.

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules, Taxicab Drivers Rules, and For-Hire Vehicle Rules to augment the penalties for serious offenses committed against the public interest, including the imposition of substantial fines and mandatory license revocation.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and 2303(b); and under Sections 19-503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; under Section 2303 of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purpose; under Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter, and under Section 19-505 of said Administrative Code, authorizing the TLC to issue taxicab drivers licenses, for for-hire vehicle driver licenses and paratransit vehicle drivers licenses.

For serious acts committed against the riding public, Commission representatives and public servants, the current rules impose minimal fines with the possibility of a short term thirty day suspension. The proposed amendments include the increase of monetary fines and mandatory license revocation as the penalty for serious offenses.

The increased penalties involve amendments to the Taxicab Owners, Taxicab Drivers and For-Hire Vehicle Rules and apply to the violation of existing rules such as:

- ***Using a taxicab, garage or office for any unlawful purpose***
  {Taxicab Owners Rule 1-60(c)};
- ***Concealing evidence of a crime***
  {Taxicab Owners Rule 1-60(d); Taxicab Drivers Rule 2-61(c)};
- ***Offering gifts to Commission representatives, employees, public servants, dispatchers***
  {Taxicab Owners Rule 1-62(a); Taxicab Drivers Rule 2-62(a); FHV Rule 6-18(a)};
- ***Abuse, threats and harassment toward Commission representatives, public servants, passengers or other persons***
  {Taxicab Owners Rule 1-63(a); Taxicab Drivers Rule 2-60(a); FHV Rule 6-18(i)];
- ***Use of physical force against Commission representatives, public servants, passengers or other persons***
  {Taxicab Owners Rule 1-63(b); Taxicab Drivers Rule 2-60(b); FHV Rule 6-18(f)};
- ***Permitting another to use one's hack license***
  {Taxicab Drivers Rule 2-13(b)};
- ***Driving while ability is impaired by drugs or alcohol***
  {Taxicab Drivers Rule 2-20(a)};
- ***Discrimination by base owner against people with disabilities***
  {FHV Rule 6-07(e)};
- ***Base owner knowingly dispatches vehicle operated by a driver under the influence of drugs or alcohol***
  {FHV Rule 6-12(k)(3)};
- ***FHV driver refuses to transport a disabled person***
  {FHV Rule 6-16(l)}.

These proposed amendments will serve to deter licensed drivers and owners from committing serious acts against the riding public, Commission representatives and public servants, by imposing mandatory revocation and substantial fines as the penalties for such acts. Furthermore, the penalty of mandatory revocation for such offenses empowers the Commission to remove from the industry those licensees who endanger the safety of the public.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Taxicab Owners Rules, Section 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxicabs, to establish new penalties for the violation of Sections 1-60(c), 1-60(d), 1-62(a), 1-63(a), 1-63(b), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-86 Penalties for Violation of Rules Governing Owners of Medallion Taxicabs.

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
1-60(c)	[$100 - 350 and/or suspension up to 30 days] *$350 - 1000 or revocation*	Yes
1-60(d)	[$100 - 350 and/or suspension up to 30 days] *$350 - 1000 and/or suspension up to 30 days or revocation*	Yes
1-62(a)	[$100 - 350 and or suspension up to 30 days] *Revocation and $10,000*	Yes
1-63(a)	[$100 - 350 and/or suspension up to 30 days] *$350 - 1000 an/or suspension up to 30 days or revocation*	Yes
1-63(b)	[$100 - 350 and/or suspension up to 30 days] *$500 - 1500 and or suspension up to 60 days or revocation*	Yes

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Taxicab Drivers Rules, Section 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, to establish new penalties for the violation of Sections 2-13(b), 2-20(a), 2-60(a), 2-60(b), 2-61(c) and 2-62(a), to read as follows:

[ ] brackets indicate deleted material.
Italics indicate proposed material.

Section 2-86 Penalties for Violation of Rules Governing Taxicab Drivers.

Rule No.	Penalty	Personal Appearance Required
2-13(b)	[$100 - 350 and/or suspension up to 30 days] *Revocation*	Yes
2-20(a)	[$100 - 350 and/or suspension up to 30 days] *Revocation*	Yes
2-60(a)	[$50 - 350 and or suspension up to 30 days] *$350 - 1000 and suspension up to 30 days or revocation*	Yes
2-60(b)	[$100 - 350 and/or suspension up to 30 days] *$500 - 1500 and/or suspension up to 60 days or revocation*	Yes
2-61(c)	[$100 - 350 and/or suspension up to 30 days] *$350 - 1000 and/or suspension up to 30 days or revocation*	Yes
2-62(a)	[$100 - 350 and/or suspension up to 30 days] *Revocation and $10,000*	Yes

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, to establish new penalties for the violation of Sections 6-07(e), 6-12(k)(3), 6-16(l), 6-18(a), 6-18(f), 6-18(i), to read as follows:

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules and the For-Hire Vehicle Rules to require owners to provide information concerning motor vehicle accidents to the Commission, and for for-hire vehicle owners to immediately report all accidents in writing to insurance carriers.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b)(2); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303 (b)(13) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require owners of medallion taxicabs and for-hire vehicles to furnish the Commission with copies of reports of accidents involving their vehicles which are required to be filed with the Department of Motor Vehicles. The purpose of the regulation is to ensure public safety by enabling the Commission to maintain accurate and complete records of accidents involving medallion taxicabs and for-hire vehicles, and to enable the Commission to identify and take appropriate action against licensees who engage in unsafe driving practices which cause accidents.

Furthermore, the For-Hire Vehicle Rules would be amended to conform to the existing requirement in the Taxicab Owners Rules that vehicle owners immediately report, in writing, all accidents involved with said vehicle that are required to be reported to the insurance carrier. Imposing this similar requirement upon for-hire vehicle owners will ensure the prompt reporting of accidents so that insurance coverage will not be denied to persons injured thereby.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-40, Insurance Coverage, by renumbering subdivision (c) as paragraph (c)(1), and by adding a new paragraph (c)(2), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-40 Insurance Coverage.

(c)*(1)* An owner shall immediately report to his/her insurance carrier, in writing all accidents involving his/her taxicab which are required to be reported to the insurance carrier.

(c)(2) An owner shall immediately report to the Commission, in writing, all accidents involving his or her taxicab which are required to be reported to the Department of Motor Vehicles pursuant to Section 605 of the Vehicle and Traffic Law. A copy of any report furnished to the Department of Motor Vehicles pursuant to law shall be furnished to the Commission within ten (10) days of the date by which the owner is required to file such report with the Commissioner of Motor Vehicles.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Drivers Rules, Section 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxicabs, by amending the penalty for violation of Rule 1-40(c) to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-86 Penalties for Violation of Rules Governing Owners of Medallion Taxicabs.

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
1-40(c)*(1)*	[$150 - 350 and/or suspension up to 30 days] *$350*	No
1-40(c)(2)	*$150 and $25 for each day of violation thereafter and suspension until compliance*	*Yes*

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-11, For-Hire Vehicle Owner Licensing, by adding new paragraphs (d)(4) and (d)(5), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 6-11 For-Hire Vehicle Owner Licensing.

(d)(4) A for-hire vehicle owner shall immediately report to his/her insurance carrier, in writing all accidents involving his/her for-hire vehicle which are required to be reported to the insurance carrier.

(d)(5) A for-hire vehicle owner shall immediately report to the Commission, in writing, all accidents involving his or her vehicle which are required to be reported to the Department of Motor Vehicles pursuant to Section 605 of the Vehicle and Traffic Law. A copy of any report furnished to the Department of Motor Vehicles pursuant to law shall be furnished to the Commission within ten (10) days of the date by which the owner is required to file such report with the Commissioner of Motor Vehicles.

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, by adding penalties for violation of Rule 6-11(d)(4) and Rule 6-11(d)(5), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
6-11(d)(4)	*$350*	*No*
6-11(d)(5)	*$150 and $25 for each day of violation thereafter and suspension until compliance*	*Yes*

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules to require disclosure of certain ownership and financial information as a condition of medallion taxicab ownership, and establish penalties for providing false, incomplete or fraudulent information to the Commission.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303 (b)(13) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require corporate officers or shareholders of corporations owning medallions to reveal their ownership interests in other medallions to the Commission. It would also require all medallion owners to disclose financial information to the Commission.

The purpose of the regulation is to enable the Commission to identify officers, directors and shareholders who possess multiple ownership interests in corporations which own medallion taxicabs. This information can be used by the Commission to identify persons who have significant ownership interests in the industry and may be using the corporate structure to shield their assets. Although the Commission now requires corporations to identify their officers and shareholders, many of these individuals possess fragmented ownership and other interests in a large number of small corporations which are often undercapitalized. This proposed regulation will assist the Commission in protecting the riding public by assuring that beneficial ownership interests in medallion taxicabs are fully disclosed.

The proposed regulation requiring financial disclosure will enable the Commission to protect the public by assuring that medallion owners have sufficient income and assets to operate their businesses, and sufficient assets available to protect the public in the event of serious personal injury and/or other loss where the medallion owner is held liable.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Rule 1-02, General Provisions for Licensing, to amend subsection (g), which would read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-02. General Provisions for Licensing.

(g) If the applicant is a corporation, it shall file with its license application a certified copy of its certificate of incorporation. A list of officers and shareholders and a certified copy of the minutes of the meeting at which the current officers were elected shall also be furnished. *Each officer or shareholder shall disclose to the Commission each medallion in which he or she has any interest whatsoever, including but not limited to, any interest as individual owner, partner, shareholder, director or officer. Such disclosure shall be made upon original application for a vehicle license, upon application for renewal of such license, and upon application for transfer of such license.*

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Rule 1-02, General Provisions for Licensing, by adding a new subdivision (l), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-02. General Provisions for Licensing.

(l) Each individual medallion owner, member of a partnership owning one or more medallion taxicabs, or shareholder, director or officer of any corporation owning one or more medallion taxicabs shall furnish to the Commission a financial disclosure statement, executed under oath, together with all attachments and documentation required by the Commission. This disclosure statement will be completed on a form provided by the Commission, and shall include but not be limited to the entire disclosure of assets, liabilities, income and net worth of the owner, partner, shareholder, officer or director.

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Rule 1-61, Unlawful Acts, by adding a new subdivision (e), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-61. Unlawful Acts.

(e) An owner shall not file with the Commission any statement required to be filed pursuant to Rule 1-02(g) or Rule 1-02(l) which he or she knows or reasonably should have known to be false, misleading, deceptive or materially incomplete.

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Rule 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxicabs, to add a new penalty for the violation of proposed Rule 1-61(e) as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-86. Penalties for Violation of Rules Governing Owners of Medallion Taxicabs

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
1-61(e)	*A fine of up to $10,000 per medallion implicated in the violation and/or mandatory divestiture of any and all interests in any taxicab licenses held by the owner, shareholder, officer, director or partner in violation, plus a fine of up to $10,000 per medallion implicated in the violation.*	*Yes*

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Driver Rules and the For-Hire Vehicle Rules to require all taxicab drivers and for-hire vehicle drivers to complete a defensive driving course.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to the authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, N.Y. 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the city; under section 2303 (b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require all taxicab drivers and for-hire vehicle drivers to complete a Defensive Driving Program authorized by the Commission. New applicants for a taxicab or for-hire vehicle driver's license would be required to complete said course within six (6) months prior to the date of application. Licensed taxicab and for-hire vehicle drivers would be required to complete said course every three (3) years.

The purpose of the regulation is to promote the safety of drivers, passengers and the general public, by ensuring that taxicab drivers and for-hire vehicle drivers are skilled in defensive driving and other safe driving techniques.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section 2-02(a), Requirements for a Taxicab Driver's License to Operate a Medallion Taxicab, by amending subdivisions (8) and (9) and adding a new subdivision (10), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 2-02 Requirements for a Taxicab Driver's License to Operate a Medallion Taxicab.

(a) An applicant for a taxicab driver's license must be:

(8) familiar with the geography, streets and traffic regulations of the City of New York and the rules and regulations of the New York City Taxi and Limousine Commission, as well as the Vehicle and Traffic Law of the State of New York; [and]

(9) the holder of a certificate of attendance for the required hours of instruction in taxi related subjects at a school approved by the Commission[.]; *and*

(10) the holder of a certificate of completion for the required hours of instruction in a defensive driving course from a school, facility or agency authorized by the Commission and certified by the New York State Department of Motor Vehicles. The course must have been completed within six (6) months prior to the date of application.

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section 2-11, Driver Continuing Education, by adding a new subdivision (d), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 2-11 Driver Continuing Education

(d) All renewal applicants are required to attend and complete a defensive driving course from a school, facility or agency authorized by the Commission and certified by the New York State Department of Motor Vehicles. A renewal applicant who submits a certificate of completion for an authorized defensive driving course completed less than three (3) years from the date of the renewal application shall be exempt from this requirement.

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For Hire Vehicles Rules, Section 6-02(a), Terms of Licenses, by adding subdivisions (5) and (6), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 6-02 Terms of Licenses.

(a) The term of every driver and vehicle owner license issued by the Taxi and Limousine Commission under the For-Hire Vehicle Rules shall be as follows:

(5) All new applicants must attend and complete a defensive driving course from a school, facility or agency authorized by the Commission and certified by the New York State Department of Motor Vehicles. The course must have been completed within six (6) months prior to the date of application.

(6) All renewal applicants are required to attend and complete an authorized defensive driving course as described in subsection (5). A renewal applicant who submits a certificate of completion for an authorized defensive driving course completed less than three (3) years from the date of the renewal application shall be exempt from this requirement.

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules and the For-Hire Vehicle Rules to require owners to maintain higher levels of Personal Injury Protection (No-Fault) and liability insurance than are presently required.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303 (b) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require owners of both medallion taxicabs and for-hire vehicles to obtain and maintain significantly higher levels of liability insurance than presently required by TLC rules and New York State Law, which would be available to accident victims, including passengers, pedestrians, drivers, and occupants of other vehicles.

The purpose of the regulation is to protect the public by assuring that medallion and for-hire vehicle owners maintain reasonable levels of insurance sufficient to satisfy claims of those injured as a result of accidents involving their vehicles. The levels presently mandated by New York State Law and TLC regulations are substantially lower than those levels required by other jurisdictions, and are inadequate to satisfy the claims of many accident victims.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-40, Insurance Coverage, by amending subdivision (d), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-40 Insurance Coverage.

(d) Notwithstanding any inconsistent provision of subdivision a of this rule, each owner shall, for each taxicab owned by him, maintain for purposes of insurance or other financial security, coverage in an amount not less than [$100,000] *$200,000* per person, payable for those expenses specified in paragraphs 1, 2 and 3 of subdivision a of section 5102 of the New York State Insurance Law[.]. *and coverage in an amount of not less than $100,000 minimum liability and of not less than $300,000 maximum liability for bodily injury or death, as said terms are described and defined in section 370(1) of the Vehicle and Traffic Law.*

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxicabs, by amending the penalty for violation of Section 1-40(d), which would read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
1-40(d)	[$150 - 350 and/or suspension up to 30 days] *$350 and suspension until compliance*	Yes

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-02, General Provisions for Licensing, by amending subparagraph (c)(3), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-02 General Provisions for Licensing.

(c) The applicant must demonstrate to the satisfaction of the Commission:

(3) that he has liability insurance coverage by bond or policy as required by the State of New York *and the rules of the Commission.*

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-11, For-Hire Vehicle Owner Licensing, by adding a new paragraph (d)(4), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 6-11 For-Hire Vehicle Owner Licensing.

(d)*(4) Notwithstanding any inconsistent provision of paragraph (d)(1) of this rule, each for-hire vehicle owner shall, for each vehicle owned, maintain for purposes of insurance or other financial security, coverage in an amount of not less than $200,000 per person, payable for those expenses specified in paragraphs 1, 2 and 3 of subdivision a of section 5102 of the New York State Insurance Law, and coverage in an amount of not less than $100,000 minimum liability, and of not less than $300,000 maximum liability for bodily injury and death, as said terms are described and defined in section 370(1) of the Vehicle and Traffic Law.*

Section 5. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, by adding a new penalty for the violation of paragraph (4) of Section 6-11(d), to read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Rule Number	Penalty	Personal Appearance Required
6-11(d)(4)	*$350 and suspension until compliance*	*Yes*

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules to require medallion owners to post a surety bond obtained from a licensed surety authorized to do business in the State as a condition of taxicab ownership.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city under section 2303(b)(7) of such Charter, authorizing TLC to establish requirements for the maintenance of financial responsibility, insurance and minimum coverage for vehicles under its jurisdiction; under section 2303 (b)(13) of such Charter, authorizing TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require corporate officers or shareholders of corporations owning medallions to post a surety bond with the Commission. This bond, in the principal amount of $100,000, would be issued in favor of the City of New York for the benefit of a judgment creditor who is entitled to recovery for personal injury, property damage or other loss against a medallion owner which is not recoverable from insurance proceeds.

The purpose of the regulation is to provide additional protection to passengers, pedestrians, drivers, motorists, and others who sustain personal injury or property damage as a result of accidents involving medallion taxicabs. The surety would provide additional funds, above the levels provided by mandatory insurance, which would be available in circumstances where there are insufficient insurance funds to provide full recovery to the injured party. This bond requirement will also provide a financial disincentive to the fragmented ownership of medallions, since the common practice of establishing undercapitalized corporations to shield medallion owners from liability would no longer be effective.

It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, Rule 1-03, Standards and Criteria for Ownership, to add a new subsection (f), which would read as follows:

[ ] indicate deleted material.
Italics indicate proposed material.

Section 1-03 Standards and Criteria for Ownership.

(f) In addition to the foregoing, each medallion owner, whether an individual, partnership or corporation, shall file, and at all times maintain with the Commission, in form and substance satisfactory to it, a corporate surety bond issued by a company authorized to do business in the State of New York and approved as to solvency and responsibility by the Superintendent of Insurance, in the principal sum of one hundred thousand ($100,000) dollars, payable in favor of the City of New York, for the benefit of any person, corporation or other entity in favor of whom a judgment has been entered against the medallion owner as a result of death, personal injury, property damage or other loss which has not been compensated by such owner's policy of insurance. The bond filed and maintained pursuant to this section shall not be cancelled, revoked or terminated except after notice to and with the consent of the Commission at least forty-five (45) days in advance of such cancellation, revocation or termination. The owner shall notify the Commission in connection with an application for renewal of a taxicab license, of the name and address of the surety and the identification number of the bond, and shall submit proof of such coverage. The provision of such information shall be a condition of license renewal.

☛ a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Standards of Conduct for Representatives to require that an industry representative be sponsored by a practicing attorney who agrees to supervise the work product and the conduct of the representative in his or her activities before the Commission.

The Taxi and Limousine Commission ("TLC") proposes to promulgate such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 a.m.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York County.

Written comments in connection with these proposed regulations may be sent through May 27, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303 (a) of the Charter of the City of New York, authorizing the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303 (b) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulation would require that representatives appearing before the Commission's tribunal be sponsored by an attorney licensed to practice in New York State who agrees to directly supervise the work product and conduct of the representative.

The purpose of the regulation is to ensure that representatives appearing before the Commission on a regular basis are supervised by an attorney who shall assume ultimate responsibility for the representative's performance. The Commission's tribunal adjudicates matters involving the application and interpretation of Commission rules, the provisions of the Administrative Code and the Vehicle and Traffic Law as they apply to persons engaged in activities subject to Commission regulation. Respondents who appear before the TLC tribunal are entitled to a fair hearing and competent representation. In many cases, Respondents are unable to find licensed attorneys willing to appear before this tribunal and rely upon non-attorney representatives to appear on their behalf. These representatives are required to be familiar with the rules and procedures of the Commission; however, such representatives are frequently unable to provide the same level of competent representation as a licensed attorney. Requiring attorney oversight and supervision of a representative's work product and conduct will protect the interests of respondents appearing before the TLC tribunal by assisting them in obtaining competent representation directed and supervised by a member of the Bar.

It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 7, Standards of Conduct for Representatives Appearing Before the Commission Tribunal, Section 7-02, General Provisions for Representatives, to add a new subdivision (e), to read as follows:

Italics indicate proposed material.

Section 7-02 General Provisions for Representatives.

(e) An application for authorization to appear before the Commission as a representative will not be accepted unless such applicant shall have been sponsored by an attorney duly admitted to the practice of law in the State of New York. The attorney sponsor shall undertake that he or she will directly supervise and review the work product of the applicant and shall assume legal responsibility for the conduct of such applicant before the Commission.

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes an amendment to the Taxicab Owners Rules, Taxicab Driver's Rules and the For-Hire Vehicle Rules, to redefine and clarify the existing prohibition against fraud, larceny and other conduct against the best interest of the public, and to increase the penalties for said violations, up to and including mandatory revocation.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to the authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under sections 19-503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the city; under section 2303(b) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; under section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter; and under section 19-505 of said Administrative Code, authorizing the TLC to issue taxicab drivers licenses, for-hire vehicle drivers licenses and paratransit vehicle drivers licenses.

The proposed rule amendments would change the existing rules for taxicab and for-hire vehicle owners and drivers which prohibit fraud, misrepresentation, larceny or other actions against the best interest of the public, by dividing each rule into two subdivisions: one, prohibiting fraud, misrepresentation and larceny against either the Commission, a passenger, or another member of the public; and the other, prohibiting acts of commission or omission which are not otherwise prohibited by the rules but which are against the best interests of the public. Both subdivisions would now carry augmented fines and or suspensions or revocation as penalties which may be imposed within the sound discretion of the presiding Administrative Law Judge.

The purpose of these proposed rule changes is to protect the riding public from serious acts committed by owners and drivers of taxicabs and for-hire vehicles by enabling the Commission to impose severe penalties, up to and including license revocation, against those who commit serious acts of fraud or larceny against the Commission or the public. The rule, as presently drafted, is broad. Its provisions apply to both egregious forms of misconduct and less serious offenses. Establishing two separate classifications of offenses, with differing penalties, enables the Commission to better protect the public by ensuring that the penalties imposed under these rules are proportionate to the offense and have a significant deterrent effect.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 1, Taxicab Owners Rules, subdivision (b) of Section 1-60, Compliance With Law, to read as follows:

[ ] Indicate deleted material.
Italics indicate proposed material.

Section 1-60 Compliance With Law.

(b) *(1)* An owner, while performing his duties and responsibilities as a taxicab owner, shall not commit or attempt to commit, alone or in concert with another, any act of fraud, misrepresentation or larceny [or perform any willful act of omission or commission which is against the best interests of the public, although not specifically prescribed in these rules.] *against a passenger, Commission representative, public servant or any other person.*

(2) An owner, while performing his duties and responsibilities as a taxicab owner, shall not commit or attempt to commit, alone or in concert with another, any willful act of omission or commission which is against the best interests of the public, although not specifically prescribed in these rules.

Section 2. It is hereby proposed to amend Title 35 of the rules of the City of New York, Chapter 1, Taxicab Owners Rules, Section 1-86, Penalties for Violation of Rules Governing Owners of Medallion Taxes, to read as follows:

[ ] Indicate deleted material.
Italics indicate proposed material.

Section 1-86 Penalties for Violation of Rules Governing Owners of Medallion Taxicabs.

RULE NO.	PENALTY	PERSONAL APPEARANCE REQUIRED
1-60(b)*(1)*	[$50 - 350 and/or suspension up to 30 days] *$350 - 1000 and/or suspension up to 60 days or revocation*	Yes
1-60(b)(2)	*$150 - 350 and/or suspension up to 30 days or revocation*	*Yes*

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, subdivision (a) of Section 2-61, Compliance With Law, to read as follows:

[ ] Indicate deleted material.
Italics indicate proposed material.

Section 2-61 Compliance With Law.

(a)*(1)* A driver, while performing his duties and responsibilities as a driver, shall not commit or attempt to commit, alone or in concert with another, any act of fraud, misrepresentation or larceny [or perform any willful act of omission or commission which is against the best interests of the public, even though not specifically mentioned in these rules.] *against a passenger, Commission representative, public servant or any other person.*

(2) A driver, while performing his duties and responsibilities as a taxicab driver, shall not commit or attempt to commit, alone or in concert with another, any willful act of omission or commission which is against the best interests of the public, although not specifically prescribed in these rules.

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, to read as follows:

[ ] Indicate deleted material.
Italics indicate proposed material.

Section 2-86 Penalties for Violation of Rules Governing Taxicab Drivers.

Rule No.	Penalty	Personal Appearance Required
2-61(a)*(1)*	[$50 - 350] *$350 - 1000 and/or suspension up to 60 days or revocation*	Yes
2-61(a)(2)	*$150 - $350 and/or suspension up to 30 days or revocation*	*Yes*

Section 5. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, subdivision (d) of Section 6-18, Personal Conduct of Licensees, to read as follows:

[ ] Indicate deleted material.
Italics indicate proposed material.

Section 6-18 Personal Conduct Of Licensees.

(d)(1) A licensee, while performing his duties and responsibilities as a licensee, shall not commit or attempt to commit, alone or in concert with another, any act of fraud, misrepresentation or larceny [or perform any willful act of omission or commission which is against the best interests of the public and inconsistent with the proper operation of a base station, even though not specifically mentioned in these rules.] *against a passenger, Commission representative, public servant or any other person.*

(2) A licensee, while performing his duties and responsibilities as a licensee, shall not commit or attempt to commit, alone or in concert with another, any willful act of omission or commission which is against the best interests of the public, although not specifically prescribed in these rules.

Section 6. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, to read as follows:

[ ] indicated deleted material.
Italics indicate proposed material.

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

Rule Number	Penalty	Personal Appearance Required
6-18(d)*(1)*	[$50 - 350 and/or suspension up to 30 days] *Revocation and $10,000*	Yes
6-18(d)(2)	*$350 - 1000 and/or suspension up to 30 days or revocation*	*Yes*

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes an amendment to the Taxicab Drivers Rules and the For-Hire Vehicle Rules to reconstitute the provisions for unsafe driving violations and to augment the penalties which apply thereto.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to Charter Sections 2303(a) and 2303(b); and under Sections 19-503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; under Section 2303(b) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; under Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter; and under Section 19-505 of said Administrative Code, authorizing the TLC to issue taxicab drivers licenses, for-hire vehicle drivers licenses and paratransit vehicle drivers licenses.

The purpose of these proposed rules is to protect the riding public from drivers who operate their vehicles in an unsafe manner, and to provide for a more equitable penalty structure. Presently, all violations of the Vehicle and Traffic Law ("VTL"), Traffic Regulations and TLC Rules governing moving vehicles are treated identically. Under this proposed change, operating a vehicle with defective equipment, such as an inoperable tail light, would carry a set fine. Hazardous moving violations, such as passing red lights or stop signs, speeding, or failing to yield the right of way to emergency vehicles, are serious infractions which impact upon the quality of life in the City of New York, and place pedestrians, passengers and other members of the public at great risk of harm. The penalties for unsafe driving violations will be considerably augmented.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, to amend subdivision (b) of Section 2-21, Safe Driving and Traffic Accidents, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material.

Section 2-21 Safe Driving and Traffic Accidents.

(b) A driver shall operate his taxicab at all times in full compliance with all New York State and New York City traffic laws, rules and regulations *and all rules, regulations and procedures* of the Port Authority of New York and New Jersey, the Triboro Bridge and Tunnel Authority, and any regulatory body or governmental agency having jurisdiction over motor vehicles, with respect to matters not otherwise specifically covered in these rules. [Penalties for violation are as follows:] *Violations of the foregoing shall be classified as follows for purposes of this subdivision:*

(1) [$25 for a violation involving a law, rules, or regulation] *Laws, rules or regulations* governing stationary vehicles.

(2) [$50 - 350 and/or suspension up to thirty days for a violation involving a law, rule or regulation governing moving vehicles.] *Laws, rules or regulations governing moving vehicles, other than hazardous moving violations defined by paragraph (3) of this subdivision.*

(3) Laws, rules or regulations governing moving vehicles which involve hazardous moving violations defined as follows:

(i) Speeding;
(ii) Failing to stop for school bus;
(iii) Following too closely;
(iv) Inadequate brakes (own vehicle);
(v) Inadequate brakes (employer's vehicle);
(vi) Failing to yield right of way;
(vii) Traffic signal violation;
(viii) Stop sign violation;
(ix) Yield sign violation;
(x) Railroad crossing violation;
(xi) Improper passing;
(xii) Unsafe lane change;
(xiii) Driving left of center;
(xiv) Driving in wrong direction;
(xv) Leaving scene of an accident involving property damage or injury to animal.

Section 2. It is hereby proposed to amend Title 35, Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Section 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, as follows:

Rule No.	Penalty	Personal Appearance Required
2-21(a)	[$50 - 350] *$350 - 1,000* and/or suspension up to 30 days or revocation *if* driver is found guilty of having violated this rule more than 3 times within [a 12] *an 18* month period.	Yes
2-21(b)(1)	[$25 for a violation involving a law, rule or regulation governing stationary vehicles.] *$50*	No
2-21(b)(2)	[$50 - 350 and/or suspension up to 30 days for a violation involving a law, rule or regulation governing moving vehicles] *$150*	[Yes] *No*
2-21(b)(3)	*$250*	*No*

Section 3. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicles Rules, subdivision (c) of Section 6-16, Conditions of Operation for For-Hire Vehicle Drivers, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material.

Section 6-16 Conditions of Operation for For-Hire Vehicle Drivers.

(c) A driver shall operate his for-hire vehicle at all times in full compliance with all New York State and New York City traffic laws, rules and regulations and all rules, regulations and procedures of the Port Authority of New York and New Jersey, the Triboro Bridge and Tunnel Authority, and any regulatory body or governmental agency having jurisdiction over motor vehicles, with respect to matters not otherwise specifically covered in these rules. [Penalties for violation are as follows:] *Violations of the foregoing shall be classified as follows for purposes of this subdivision:*

(1) [$25 for a violation involving a law, rule or regulation] *Laws, rules or regulations* governing stationary vehicles.

(2) [$50 - 350 and/or suspension up to thirty days for a violation involving a law, rule or regulation governing moving vehicles.] *Laws, rules or regulations governing moving vehicles, other than hazardous moving violations defined by paragraph (3) of this subdivision.*

(3) Laws, rules or regulations governing moving vehicles which involve hazardous moving violations defined as follows:

(i) Speeding;
(ii) Failing to stop for school bus;
(iii) Following too closely;
(iv) Inadequate brakes (own vehicle);
(v) Inadequate brakes (employer's vehicle);
(vi) Failing to yield right of way;
(vii) Traffic signal violation;
(viii) Stop sign violation;
(ix) Yield sign violation;
(x) Railroad crossing violation;
(xi) Improper passing;
(xii) Unsafe lane change;
(xiii) Driving left of center;
(xiv) Driving in wrong direction;
(xv) Leaving scene of an accident involving property damage or injury to animal

Section 4. It is hereby proposed to amend Title 35, Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, as follows:

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

Rule Number	Penalty	Personal Appearance Required
6-16(a)	[$25 - 250] *$350 - 1,000 and/or suspension up to 30 days or revocation if driver is found guilty of having violated this rule more than 3 times within an 18 month period.*	Yes
6-16(c)(1)	[$25 for a violation involving a law, rule or regulation governing stationary vehicles.] *$50*	No
6-16(b)(2)	[$50 - 350 and/or suspension up to 30 days for a violation involving a law, rule or regulation governing moving vehicles] *$150*	[Yes] *No*
6-16(b)(3)	*$250*	*No*

a27

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes an amendment to the Taxicab Driver's Rules, and the For-Hire Vehicle Rules, to create a persistent violator program based upon a point system.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to the authority vested in the TLC under Charter Section 2303(a) and 2303(b); and under Sections 19- 503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The rules proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the New York City Charter, authorizing TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in New York City; under Section 2303(b) of such Charter, which empowers the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under Section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed rules, which amend and reconstitute the TLC's Persistent Violator Program, would replace the current system, where Taxicab Driver rule violations are assigned a class number, with a point system. Also, a Persistent Violator program with a similar point system will be established for for-hire vehicle drivers.

The Commission currently has a Persistent Violator Program in place which imposes progressive penalties upon taxicab drivers who chronically violate Commission rules. The proposed amendment would simplify the process by establishing a point system for certain rule violations. The new program will identify problem taxicab drivers more expeditiously, and unsafe drivers will be promptly removed from the industry. The Commission currently utilizes a separate review process that involves classifying rule violations and counting the different classes of violations to determine if any of the six combinations of rule violations have been met.

It is equally important to identify For-Hire Vehicle Drivers who chronically violate Commission rules. The Commission, by adding a point based "Persistent Violator Program" to the For Hire Vehicle Rules, will be able to promptly identify and discipline problematic drivers.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 2, Drivers Rules, Section 2-70. Program for Persistent Violators of Taxicab Drivers Rules, to read as follows:

Section 2-70 Program For Persistent Violators of Taxicab Drivers Rules

(a) Any driver who has been found guilty of [six] *three* or more rule violations that occurred within [a twenty-four] *eighteen* month period and whose license has not been revoked shall be required to attend a remedial or refresher course [.] *and will accumulate one point on his taxicab driver's license.* Any driver who does not complete such course *upon* [within sixty days of] notification by the Commission shall have his license suspended [for thirty days] *until compliance.*

(b) Any driver who has [been found guilty of two class I rule violations that occurred within a twenty-four month period] *accumulated five or more points against his taxicab driver's license within an eighteen month period* and whose license has not been revoked shall have his license suspended for thirty days.

(c) Any driver who has [been found guilty of a combination of five class I and class II rule violations that occurred within a twenty-four month period] *accumulated eight or more points against his taxicab driver's license within an eighteen month period* and whose license has not been revoked shall have his license [suspended for thirty days] *revoked.*

[(d) Any driver who has been found guilty of at least ten rule violations of any class that occurred within a twenty-four month period and whose license has not been revoked shall have his license suspended for 30 days.]

[(e) Any driver who has been found guilty of three class I rule violations and four class II violations that occurred within a twenty-four month period shall have his license revoked.]

[(f) Any driver who has been found guilty of two class I rule violations and four class II violations that occurred within a twenty-four month period shall have his license revoked.]

[(g)]*(d)* For the purposes of subdivisions (a) through [(f)] (c) of this section, a driver who has been found guilty of multiple violations arising from a single incident shall be deemed guilty of [one violation from such incident, of the most serious class of violation involved.] *the single violation with the highest point total for purposes of this section.*

[h]*(e)* The minimum penalties set forth in subdivisions (a) through [f] *(c)* of this section [herein] shall not preclude the imposition by the Commission of additional or more severe penalties in accordance with Rules of the Commission.

(f) The penalties set forth herein will be imposed following the hearing where the driver has been found in violation of rules that bring his accumulated point total to the level described in subdivisions (b) and (c). Persistent violator penalties will be in additon to those penalties imposed for the underlying rule violations.

(g) Rule violations that occurred prior to the enactment of the point system found in subdivision (h) will be deemed to have the point value provided for therein if they were designated as either a Class I, II, or III violation under the former rules.

[i] (h) THE SCHEDULE OF [RULE CLASSES] *POINTS* IS AS FOLLOWS:

Rule Number	[Class]	Reference Description	*Points*
2-12(a)	[III]	Operating a taxicab while taxi driver license is revoked, suspended or expired	2
2-12(b)	[III]	Operating a taxicab without a valid class 1, 2, 3, 4, or equivalent state driver license	2
2-12(c)	[III]	Failure to surrender taxi driver license	1
2-13(a)	[I]	Applying for or possession of more than one taxi driver license	3
[2-13(b)]	[I]	[Permitting another to use license]	
[2-13(c)]	[I]	[Permitting unlicensed driver to operate taxicab]	
2-15(a)	[III]	Altered or mutilated taxi driver license	1
2-17(a)	[I]	Operating an unlicensed vehicle	3
[2-20(a)]	[I]	[Driving while impaired by drugs or alcohol]	
2-21(a)	[I]	Reckless driving	5

Rule Number	[Class]	Reference Description	*Points*
2-21 (b)(2)(b)		*Hazardous moving violations as follows:*	
		1 to 10 miles above posted speed limit	3
		11 to 20 miles above posted speed limit	4
		21 to 30 miles above posted speed limit	5
		31 to 40 miles above posted speed limit	6
		41 or more miles above speed limit	8
		Failing to stop for school bus	5
		Following too closely	4
		Inadequate brakes (own vehicle)	4
		Inadequate brakes (employer's vehicle)	3
		Failing to yield right of way	3
		Traffic signal violation	3
		Stop sign violation	3
		Yield sign violation	3
		Railroad crossing violation	3
		Improper passing	3
		Unsafe lane change	3
		Driving left of center	3
		Driving in wrong direction	3
		Leaving scene of an accident involving property damage or injury to animal	5
2-21(c)	[I]	Failure to stop after an accident	3
2-21(d)		*Failure to report accident to owner*	3

Rule Number	[Class]	Reference Description	*Points*
2-23(a)		*Operation for more than 12 consecutive hours*	1
2-24 (a)(1)		*Driver's name not on rate card*	1
2-24(a)(2)		*Vehicle operated by unspecified driver*	1
2-24(b)		*Improper sublease*	2
[2-25(a)]	[I]	[Carrying a weapon]	
2-25(e)	[II]	Locking rear doors while on duty	2
2-25(g)		*Permitting operation by unlicensed driver*	5
2-26(d)	[I]	Operating taxicab with unauthorized equipment	1
[2-26(e)]	[III]	[Unauthorized sign]	
2-27 (a)(2)	[III]	Operating a taxicab without taxi driver License in the display frame	2
2-27 (a)(3)	[III]	Operating a taxicab without a rate card	1
[2-27 (b)(2)]	[III]	[Taxi driver license not illuminated]	
[2-27 (b)(3)]		[Rate card not illuminated]	

Rule Number	[Class]	Reference Description	*Point*
2-30(a)		Operating taxicab with broken meter seals, or unauthorized meter	2
[2-30(b)]	[III]	[Transporting passenger while taximeter lacks paper]	
2-30(c)	[III]	Rooflight not illuminated	1
2-31(a)	[I]	Operating with taximeter seals broken	3
2-31(b)	[I]	Tampering with taximeter or equipment	3
2-31(c)	[I]	Tampering with rooflight	3
2-32(a)	[I]	Failure to follow prescribed procedure when taximeter becomes defective during a trip	1
2-33(a)	[III]	Improper operation of roof light	1
2-33(c)	[III]	Improper operation of roof light after passenger leaves taxicab	1
2-34(b)	[I]	Collection of separate fares from individuals sharing taxicab ride	2
2-34(c)	[III]	Failure to give correct change	2
2-35 (a)(1-4)	[III]	Violation of rules applicable to trips beyond the limits of New York City	2

Rule No.	[Class]	Reference Description	*Points*
2-35 (b)(2)	[III]	Failure to inform a passenger of the rate of fare before the start of trips beyond the limits of New York City, or to inform a passenger when the taxi crosses the City limit	2
2-42(a)	[II]	Discourteousness to passengers	2
2-43(c)	[III]	Picking up additional passengers	2
2-45(a)	[II]	Not using shortest reasonable route	2
2-45(b)	[III]	Not complying with request to change destination	2
2-46(a)	[II]	Failure to comply with a reasonable request from a passenger	1
2-46(c)	[III]	Failure to give passenger a receipt	1
2-52(a-b)	[III]	Abuse of procedure to go "OFF DUTY"	1
2-53(a)	[III]	Abuses while "OFF DUTY"	1
2-54(a)	[III]	Soliciting	1
2-54(c)		*Soliciting passenger by giving misleading information*	3
2-55(a)	[III]	Soliciting near bus stop	1
2-55 (c)(1-4)	[III]	Soliciting at airports, near taxi stand. et. al.	1

2-66(a)	[III]	Failure to cooperate with law enforcement officials	2
2-66(b)	[III]	Failure to comply with Commission request	2

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, by adding a new section 6-23, Program for Persistent Violators of For-Hire Vehicle Rules, to read as follows:

Section 6-23 Program for Persistent Violators of For-hire Vehicle Rules

(a) *Any driver who has been found guilty of three or more violations that occurred within an eighteen month period and whose license has not been revoked will accumulate one point on his for-hire-vehicle driver's license.*

(b) *Any driver who has accumulated five or more points against his for-hire vehicle driver's license within an eighteen month period and whose license has not been revoked shall have his license suspended for thirty days.*

(c) *Any driver who has accumulated eight or more points against his for-hire vehicle driver's license within an eighteen month period shall have his license revoked.*

(d) *For the purpose of subdivisions (a) through (c) of this section, a driver who has been found guilty of multiple violations arising from a single incident shall be deemed guilty of the single violation with the highest point total for purposes of this section.*

(e) *The penalties set forth herein will be imposed following the hearing where the driver has been found in violation of the rules that bring his accumulated point total to the level described in subdivision (b) and (c). These penalties will be added to those imposed for the underlying rule violations.*

(f) *The minimum penalties set forth in subdivision (a) through (c) of this section shall not preclude the imposition by the Commission of additional or more severe penalties in accordance with Rules of the Commission.*

(g) *THE SCHEDULE OF POINTS IS AS FOLLOWS:*

Rule Number	Penalty	Personal Appearance Required	*Points*
6-15(a)(1)	[350 – first violation $500 – second violation in 24 months Revocation for third violation in 36 months]	Yes	2
6-15(a)(2)	[$100 – 350 and/or suspension for the same period of time imposed by the issuing Department of Motor Vehicles unless exempted by the Commission]	Yes	2

6-16(a)	[$25 – 250]	Yes	5
6-16(b)	[$25 – 250 and/or suspension up to 30 days]	Yes	2
6-16(c)(2)(b)	*Speeding:*		
	1 to 10 miles above posted speed limit		3
	11 to 20 miles above posted speed limit		4
	21 to 30 miles above posted speed limit		*6 (suspension)*
	31 to 40 miles above posted speed limit		*8 (suspension)*
	41 or more miles above speed limit		*11 (revocation)*
	Following too closely		4
	Inadequate brakes (own vehicle)		4
	Inadequate brakes (employer's vehicle)		2

Rule Number	Penalty	Personal Appearance Required	Points
	Failing to yield right of way		3
	Traffic signal violation		3
	Stop sign violation		3
	Yield sign violation		3
	Railroad crossing violation		3
	Improper passing		3
	Unsafe lane change		3
	Driving left of center		3
	Driving in wrong direction		3
	Leaving scene of accident involving property damage of injury to animals		3
6-16(d)	[$350 – first violation $500 – second violation in 24 months Revocation for third violation in 36 months]	Yes	3
6-16(e)	[$15 for each violation of this rule; however, no fine for a violation of this rule shall exceed $30]	Yes	2
6-16(g)	[$350 – first violation $500 – second violation in 24 months Revocation for third violation in 36 months]	Yes	2
6-16(i)(1)	[$50 – 100]	Yes	3

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes an amendment to the Taxicab Drivers Rules and the For-Hire Vehicle Rules to clarify and redefine the rule prohibiting a driver from carrying a weapon or other instrument intended to be used as a weapon while operating a taxicab or for-hire vehicle, and to impose the penalty of revocation for any violation thereof.

The Taxi and Limousine Commission ("TLC") proposes such regulations pursuant to the authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under sections 19-503 and 19-505 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held at **9:00 A.M.** on **Thursday, May 28, 1998**, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York, New York.

Written comments in connection with these proposed regulations may be sent through May 27, 1998 to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; under Section 2303(b) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; under Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter; and under Section 19-505 of said Administrative Code, authorizing the TLC to issue taxicab drivers licenses, for-hire vehicles drivers licenses and paratransit vehicle drivers licenses.

The proposed rule seeks to deter drivers from carrying dangerous weapons by increasing the penalty to mandatory revocation for all unauthorized possession that is prohibited by the New York State Penal Law, and for carrying instruments intended to be used as weapons.

The purpose for these proposed rules is to protect the riding public by providing for the mandatory revocation of a license held by a driver found to be carrying any weapon whose unauthorized possession is prohibited by the New York State Penal Law or these rules. The possession or carrying of a prohibited weapon in a taxicab is not justified and cannot be condoned. The riding public should be assured of their personal safety when they are in a licensed vehicle operated by a driver duly licensed by the Commission. Previous initiatives, such as the mandatory requirements for partitions and trouble lights, provide for the safety of drivers and the riding public. A licensee who places the public at risk by carrying an illegal weapon should not be permitted to operate a vehicle for-hire.

The proposed rule amendments further prohibit a driver from carrying any instrument not specifically prohibited by the Penal Law, but which is intended to be used as a weapon. Therefore, the TLC seeks to impose a higher standard upon its licensees than provided for by the New York State Penal Law in light of a licensed driver's privilege to transport passengers.

Section 1. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Taxicab Drivers Rules, subdivision (a) of Section 2-25, Driver's Shift Responsibilities, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material.

Section 2-25 Driver's Shift Responsibilities.

(a) A driver, while operating a taxicab, shall not [carry a weapon,] without the [Commission's] *Chairperson's* written authorization[.] *have in his or her possession or in the vehicle, a weapon as defined by Section 2-01 of these rules, or any other instrument which is intended to be used as a weapon.*

Section 2. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Taxicab Drivers Rules, Section 2-01, Definitions, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material

Section 2-01 Definitions.

Weapon: A ["weapon"] *weapon* is any firearm[,] *(as defined in the New York State Penal Law for which a license has not been issued as provided in the New York State Penal Law) and the Administrative Code of the City of New York*, electronic dartgun, gravity knife, switchblade knife, cane sword, billy, blackjack, bludgeon, metal knuckles, chuka stick, sandstick, [or] slingshot, *pilum ballistic knife, sand bag, sand club, wrist brace type slingshot, shirken, kung fu star, dagger, dangerous knife, dirk, razor, stiletto, imitation pistol* or any other instrument or thing whether real or simulated, and capable of inflicting or threatening bodily harm[.], *including but not limited to any other weapons, the possession of which is prohibited pursuant to the New York State Penal Law.*

Section 3. It is hereby proposed to amend Chapter 35 of the rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Rule 2-86, Penalties for Violation of Rules Governing Taxicab Drivers, by amending the penalty for violation of Rule 2-25(a), to read as follows:

Section 2-86 Penalties for Violation of Rules Governing Taxicab Drivers.

Rule No.	Penalty	Personal Appearance Required
2-25(a)	[$100 - 350 and/or suspension up to 30 days] *Revocation*	Yes

Section 4. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, subdivision (h) of Section 6-16, Conditions of Operation for For-Hire Vehicle Drivers, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material.

Section 6-16 Conditions of Operation for For-Hire Vehicle Drivers

(h) A driver, while operating a for-hire vehicle, shall not [carry a weapon,] without the [Commission's] *Chairperson's* written authorization[.] *have in his or her possession or in the vehicle, a weapon as defined by Section 6-01 of these rules, or any other instrument which is intended to be used as a weapon.*

Section 5. It is hereby proposed to amend Title 35 of the Rules of the City of New York, For-Hire Vehicle Rules, Section 6-01, Definitions, to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material.

Section 6-01 Definitions.

Weapon: A weapon is any firearm[,] *(as defined in the New York State Penal Law for which a license has not been issued as provided in the New York State Penal Law) and the Administrative Code of the City of New York*, electronic dartgun, gravity knife, switchblade knife, cane sword, billy, blackjack, bludgeon, metal knuckles, chuka stick, sandstick, or slingshot, *pilum ballistic knife, sand bag, sand club, wrist brace type slingshot, shirken, kung fu star, dagger, dangerous knife, dirk, razor, stiletto, imitation pistol* or any other instrument or thing whether real or simulated, and capable of inflicting or threatening bodily harm[.], *including but not limited to any other weapons, the possession of which is prohibited pursuant to the New York State Penal Law.*

Section 6. It is hereby proposed to amend Title 35 of the Rules of the City of New York, Chapter 6, For-Hire Vehicle Rules, Section 6-22, Penalties for Violation of For-Hire Vehicle Rules, by amending the penalty for violation of Section 6-16(h), to read as follows:

[ ] Indicates deleted material.
Italics indicate proposed material

Section 6-22 Penalties for Violation of For-Hire Vehicle Rules.

Rule Number	Penalty	Personal Appearance Required
6-16(h)	[$100 and/or suspension up to 30 days] *Revocation*	Yes

SPECIAL MATERIALS

AGING

New York City Department for the Aging
1998 - 1999 Regulatory Agenda
May 1, 1998

Pursuant to New York City Charter Section 1042, the Department for the Aging ("DFTA") hereby publishes its regulatory agenda for Fiscal Year 1999.

During Fiscal Year 1999, DFTA anticipates that rules may be promulgated governing the Senior Citizen Rent Increase Exemption Program ("SCRIE"), which presently has no official rules and regulations governing the program. The proposed rules, which would be promulgated pursuant to the powers granted to DFTA under New York City Administrative Code Sections 26-405(m), 26-406, and 26-509, would govern the eligibility, continued eligibility, and tax abatement redemption processes involved in the SCRIE Program and set forth the rights and responsibilities of applicants, eligible heads of household and owners of dwelling units of the eligible heads of household. Such rules will ensure that eligible heads of household are granted exemptions from certain future rent increases in order for them to maintain affordable housing in the City, and that owners of the dwelling units in which eligible heads of household reside will be issued appropriate tax abatements equivalent to the amount of the rent exemption. These rules would affect residents of the City of limited means who are sixty-two years of age or older, and owners of certain rent regulated apartment buildings.

These rules would be adopted after a public hearing during Fiscal Year 1999. Michael S. Rabin, Deputy Commissioner and General Counsel, may be contacted at (212) 442-1104 about the subject area involved.

CITY PLANNING

NOTICE

A Conditional Negative Declaration was issued March 6, 1998 for CEQR NO. 98DCP008K, an application by Council Towers IV Housing Development Corporation for an authorization pursuant to ZR section 23-631 (h) to allow a 122 unit residence for the elderly to exceed height limits and to penetrate the sky exposure plane. The proposed project is located at 1180 Pennsylvania Avenue (Block 4431, Lot 70), Community District 5 in Brooklyn. The conditions involve the submission of a remediation protocol for hazardous materials for review and approval prior to construction. The project will not have a significant environmental impact provided the conditions are met. There will be a public comment period of 30 days commencing with the date of this notice.

a24-27

COMPTROLLER

NOTICE OF ADVANCED PAYMENT OF AWARDS

PURSUANT TO THE STATUTES IN SUCH cases made and provided, notice is hereby given that the Comptroller of the City of New York, will be ready to pay, at 2 Lafayette Street, Room 206, New York, NY 10007, on May 12, 1998, to the person or persons legally entitled an amount as certified to the Comptroller by the Corporation Counsel on damage parcels, as follows:

Damage Parcel No. – Block – Lot

1,2,3,4 – 2409 – 50, 62
8 – 2391 – 5
7 – 2391 – 52

acquired in the proceeding, entitled: Melrose Ave Bridge subject to any liens and encumbrances of record on such property. The amount advanced shall cease to bear interest on the specified date above.
Alan G. Hevesi, Comptroller

NOTICE ERRATUM

In section 2 of the Croton Water Supply System Extended Special Study Program Report dated November, 1997 there are several references to a 25% public ownership of water and as a "target" being desired by the US Environmental Protection Agency. The references are incorrect and should instead have referred to the 25% land ownership as being a New York State Sanitary Code "target".

OFFICE OF MANAGEMENT AND BUDGET

CITY OF NEW YORK: OFFICE OF MANAGEMENT AND BUDGET
DEPARTMENT OF CITY PLANNING
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
NOTICE OF PROGRAM CHANGE
NOTICE OF AVAILABILITY OF PROPOSED CITY FISCAL YEAR 1999
COMMUNITY DEVELOPMENT PROGRAM

TO ALL AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

Pursuant to Section 91.105(c) of the Department of Housing and Urban Developments (HUD) Consolidated Plan Regulations, the City proposes the following change in the 1998 Consolidated Plan/Twenty-Fourth Community Development Program Year (CD 24).

FROM: Department of Homeless Services (DHS)
Shelter Renovations ($857,000)
Shelter Security Services for the Homeless ($3,518,000)

TO: Dept. of Youth and Community Development
Beacon School Program $4,375,000

The proposed reduction to CD funding in the DHS programs will be replaced with City tax levy funds. This switch is being made to maximize the use of State matching funds for activities benefitting the homeless. The primary purpose of the Beacon School Program is to establish safe havens for youth that will provide drug and alcohol prevention and referral services, homework and tutorial assistance, reading labs and recreational activities such as basketball leagues, arts and crafts, and dance. Beacons may also offer services to a limited number of adults, particularly those whose children are enrolled in the Beacon School Program as well as senior citizens who will be engaged in intergenerational activities with the youth enrolled in the Beacon Program. Beacons are required to operate a minimum of six days per week, for a minimum of 42 hours. There are currently 41 Beacon School and Mini-Beacon School Programs with at least one program located in each of the 32 Community School Districts throughout the City. An additional 31 Beacon Schools and 8 Mini-schools are being created. Community Development will fund 15 of the Beacon programs serving low and moderate income areas. The Beacon School Program is scheduled to start on June 1, 1998.

The City also proposes other substantial changes to the 1998 Consolidated Plan related to the CD budget, effective July 1, 1998. The proposed changes to CD are identified in the "Proposed City Fiscal Year 1999 Community Development Program". This document also contains the Proposed Revised CD Year 24 Budget (which will be incorporated into the Amended 1998 Consolidated Plan) and the Proposed CD Year 25 Budget (which will be incorporated into the Proposed 1999 Consolidated Plan).

Written comments on the proposed changes should be directed to Irene Fanos, Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street, 4th Floor, New York, New York 10007 by May 27, 1998.

The "Proposed City Fiscal Year 1999 Community Development Program" document is available, one copy per person or organization, at the following locations:

METROPOLITAN TRANSPORTATION AUTHORITY TRANSIT AUTHORITY

NOTICE

The New York City Transit Authority (NYCTA) invites vendors interested in doing business with NYCT who have not yet listed themselves with NYCT to do so. Vendors on NYCT's bidders lists are informed of solicitations for the types of goods and services they provide. Vendors are required to complete an application to be added to our bidders lists. We will provide you with general information on doing business with NYCT and other MTA agencies. We encourage minority and women owned business enterprises to participate in our solicitations. NYCT purchases bus parts, rail car parts, rail, railroad ties and other maintenance of way items and a wide variety of other materials and equipment.
The bidders list application can be obtained in person at the Bid Reception Desk at the below address, or by contacting Mr. Don Mulhern at the NYCTA Vendor Performance Unit at (718) 694-4015.
MTA - New York City Transit, 130 Livingston Street, Room 160, Brooklyn, NY 11201. Bid Reception Desk, Monday - Friday, except holidays 9:00 am - 4:00 pm.

SANITATION

CITY OF NEW YORK
DEPARTMENT OF SANITATION

Determination and Findings of the Department of Sanitation Pursuant to Sections 201 - 204 of the Eminent Domain Procedure Law

Whereas, the acquisition in fee of certain property for the construction and operation of two Department of Sanitation garages and an enclosed salt storage facility on the west side of Varick Avenue between Stagg and Meserole Streets in the Borough of Brooklyn has been proposed by the Department of Sanitation; and

Whereas, effective July 1, 1978, the state legislature enacted the Eminent Domain Procedure Law ("EDPL") which law provides for a uniform procedure for condemnation by governmental units and public corporations throughout the state, and

Whereas, the Department of Sanitation is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above mentioned property and the impact of such acquisition on the environment and residents of the locality where the project is to be constructed, and

Whereas, the Department of Sanitation held such a hearing on January 30, 1998 and accepted written comments on the proposed acquisition through February 13, 1998,

Now, therefore, be it known that the Department of Sanitation pursuant to section 204 of the EDPL hereby determines and finds

1. The public use, purpose and benefit of this project is to construct and operate two Department of Sanitation garages and an enclosed salt storgae facility to service Brooklyn Community Districts 1 and 4.

2. The property proposed to be acquired is located in the Borough of Brooklyn on the west side of Varick Avenue, and is bounded on the north by the former center line of Stagg Street, on the west by English Kills, and on the south by the center line of Meserole Street, encompassing tax block 2962, lots 1, 5 and 37 and tax block 2968, lots 1 and 20. This site was selected because it will provide for efficient delivery of Department services to Community Districts 1 and 4, it is in a manufacturing zone, and it is of a sufficient size to accommodate a double garage, a salt storage facility, and accessory parking.

3. The proposed project is consistent with local planning and environmental objectives in that it provides for the delivery of efficient sanitation services to Brooklyn Community Districts 1 and 4, sufficient off-street parking to accommodate Department-owned and accessory vehicles, and it incorporates measures to control the potential for adverse environmental impacts, including those relating to traffic, truck maintenance and repair, and salt-contaminated *rainwater runoff*.

4. Concerns raised at the January 30, 1998 public hearing and in subsequent written submissions that the proposed project would cause the displacement of Waste Management of New York ("Waste Management"), an existing business that employs local residents, are speculative because the property proposed to be acquired is used primarily by Waste Management for parking and storage and there exists in the immediate area appropriately zoned vacant property to accommodate Waste Management's parking and storage needs, including a large tract that is owned by Waste Management and is adjacent to its operations.

5. Pursuant to state and local environmental quality review requirements, the Department of Sanitation issued a determination that the proposed acquisition of the Varick Avenue site and the construction and operation of Department facilities on the site would not have a significant adverse effect on the environment. The Department has considered all comments, including those submitted by or on behalf of Waste Management regarding the determination of no significant impact, and has determined that none of the comments raise new information or changes in circumstances related to the project that may result in a significant adverse environmental impact.

Copies of the full text of the Department of Sanitation's Determination and Findings are available without cost upon written request to Valerie Budzik, Associate Attorney, New York City Department of Sanitation, Bureau of Legal Affairs, 125 Worth Street, Room 710, New York New York 10013

STATEN ISLAND BOROUGH PRESIDENT

PUBLIC MEETING

Staten Island Borough Board Conference Room 122 at 5:30 P.M., Wednesday, May 6, 1998, Borough Hall-Stuyvesant Place, Staten Island, New York 10301

a28-m6

CITY PLANNING COMMISSION

HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, May 6, 1998, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN
CD 4 N 980429 HAK

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Article 16 of the General Municipal Law of New York State for:

1) the designation of property generally located on the north side of Broadway between:

a) Jefferson Avenue and Hancock Street;
b)Covert and Schaeffer streets;
c) Decatur and Cooper streets; and
d)Moffat and Pilling streets;
as an Urban Development Action Area; and
2) an Urban Development Action Area Project for such area;
to facilitate commercial development under the ANCHOR/Partnership Retail Demonstration Program.

A list and description of the properties can be seen in the Brooklyn Office of the Department of City Planning, 16 Court Street, 7th floor, Brooklyn, NY 11241.

BOROUGH OF MANHATTAN
CD 4,5 C 980272 ZMM

(Proposed amendments to the zoning map and sections of the Zoning Resolution related to modifications to the Theater Subdistrict within the Special Midtown District, and the Perimeter Area of the Special Clinton District concerning bulk and use regulations, the preservation of theaters and the extension of the Theater Subdistrict to the west side of Eighth Avenue overlapping a portion of the Perimeter Area of the Special Clinton District.)

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section Nos. 8c and 8d,** establishing a Special Midtown District within a portion of the Special Clinton District bounded by West 56th Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue, as shown on a diagram (for illustrative purposes only) dated January 12, 1998.

BOROUGH OF MANHATTAN
CD 4,5 N 980271 ZRM

IN THE MATTER OF an application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, to amend various sections of the Zoning Resolution of the City of New York relating to the Theater Subdistrict within the Special Midtown District (Article VIII, Chapter 1), and the Special Clinton District (Article IX, Chapter 6), concerning use and bulk regulations, and the preservation of theaters, and other related sections concerning the reorganization and relocation of certain provisions relating to pedestrian circulation and subway stair relocation requirements and subway improvements.
Matter in **BOLDTONE** is new, to be added;
Matter in *ITAL* is old, to be deleted;
Matter within # # is defined in Section 12-10;
... indicate unchanged text omitted within a paragraph;
* * * indicate where unchanged text appears in the Zoning Resolution

ARTICLE III
COMMERCIAL DISTRICT REGULATIONS

* * *

Chapter 7
Special Regulations

* * *

The proposed Section 37-03 incorporates existing provisions of Section 81-47 (Off-street Relocation or Renovation of a Subway Stair) so that subway stair relocations or renovations city-wide will reference the same set of standards and procedures. No existing requirements will be removed or additional requirements imposed on Midtown. The proposed Section 81-47 will list the Midtown stations where relocations or renovations apply and reference the modified Section 37-03 for standards and procedures.

37-03
Off-Street Relocation **or Renovation** of a Subway Stair

37-031
Applicability of this Section

Where a #development# or #enlargement# is constructed on a #zoning lot# of *at least* 5,000 square feet **or more of #lot area#** that fronts on a portion of a sidewalk containing a stairway entrance or entrances into a subway station **located within the #Special Midtown District# as listed in Section 81-46 and those stations** listed in *this Section* **the following table**, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of this Section. *These provisions are in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised).*

A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

*37-03***237-031**
Standards for location, design and hours of public accessibility

In addition to the standards set forth in the **current station planning guidelines as issued by** New York City Transit *Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised)*, the following standards shall also apply:

(a)**Location**

The relocated **or renovated** entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk, *or from within a space accessible to the public, as those spaces are defined in the applicable zoning district regulations* **an #urban open space# or pedestrian circulation space as defined in Section 37-07 (Requirements for pedestrian circulation space). Any such #urban open space# or pedestrian circulation space shall have a minimum horizontal dimension equal to the width of the relocated stairs or the minimum width of the pedestrian circulation space, whichever is greater.**

*(b)*The relocated **or renovated** entrance may be provided within a #building#, but shall not be enclosed by any doors. The area occupied by a relocated **or renovated** entrance within a #building# shall not be counted towards the #floor area# of the #enlargement# or #development#.

Paragraphs (c) through (h) have been modified and rearranged as paragraph (b). Additional information from Section 81-47(b) has been incorporated.

(cb)**Design standards**

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

(c)The relocated entrance shall have a queuing space at the top and bottom of the stairs at least eight feet wide and 15 feet long, and such queuing space may overlap a #sidewalk widening#, an #arcade#, a #plaza#, a #residential plaza# or an #urban plaza#.

*(d)*Where two or more existing stairway entrances are being relocated **or renovated** as part of the same #development# or #enlargement#, the new entrance or entrances shall have *a* total stair *width or* widths equal to or greater than the sum of the stair widths of the**ose existing** stairway entrances *being relocated*, but in any case no less than eight feet in width.

The relocated entrance may be relocated within an #urban plaza#, provided that the minimum width of the stairs is ten feet and the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

*(c)***For a relocated entrance only, the entrance shall have a queuing space at the top and bottom of the stairs that is at least eight feet wide and 15 feet long. Such queuing space may overlap with an #urban plaza# or an #arcade# in accordance with the provisions of Sections 27-60 (ARCADES) or 37-073 (Design standards for pedestrian circulation spaces).**

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of five feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet, 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

*(e)*The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

(f)The relocated entrance may be relocated within a #plaza#, a #residential plaza# or an #urban plaza# provided that the queuing area of the relocated entrance is unobstructed and contiguous to a sidewalk or a #sidewalk widening#. A relocated entrance with a #plaza#, a #residential plaza# or an #urban plaza# is permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for a #plaza#, a #residential plaza# or an #urban plaza#.

*(g)*The relocated entrance shall connect to an existing or proposed subway passageway, or shall connect, via an underground passageway, to a mezzanine area of the subway station.

*(h)*The below-grade portion of a relocated entrance may be constructed within the #street#.

(c) Hours of public accessibility

*(i)*The relocated **or renovated** entrance shall be accessible to the public during the hours when the connected mezzanine area is open to the public or as otherwise approved by *the* **New York City** Transit *Authority*.

*37-033***37-032**
Administrative procedure for a subway stair relocation **or renovation**

*(a)***For any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space),** ***Except as otherwise provided in paragraph (b) of this Section,*** no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued *for any #development# or #enlargement# that is subject to the requirements for the relocation of a subway stair entrance*, unless **the following criteria are met**:

(*1*a)**for a relocated entrance, Such** plan includes a stair relocation plan and *the* related documents that bind the developer to:

(*i*1)construct the new stair entrance in accordance with such plan;

(*ii*2)demolish above-ground elements of the existing entrance; *and*

(*iii*3)seal the existing entrance at the sidewalk level.; **and**

(4)maintain the work performed on the relocated or renovated entrance; or

(2b)**for a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents that bind the developer to:**

(1)renovate or reconstruct the entrance in accordance with such plan; and

(2)maintain the work performed on the renovated or reconstructed entrance; and

(2c)Such plan and related documents bear *the* **New York City** Transit *Authority*'s approval ;

(3d)Such plan is accompanied by a certified copy of an agreement, as recorded between *the* **New York City** Transit *Authority* and the owner for an easement on the #zoning lot# for subway-related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York *(County of New York)* and is accompanied by the Register's receipt of recordation.; **and**

(4)Such plan is accompanied by any request for modification of special urban design guidelines pursuant to Section 37-034.

(b)In the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission, by joint certification, may release the developer from said requirement. In such event, the stair relocation requirement shall be satisfied by retention of the existing stair and provision on the #zoning lot# of an open area which accommodates pedestrian traffic passing the existing entrance. Such space shall have a width equal to at least one and one-half times the width of the existing stair entrance and shall extend along the full length of the stair entrance. ***Incorporated into Section 37-034.***

(ce)**no permanent certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), unless and until all of the work required under paragraphs (a) or (b) of this Section has been completed and New York City Transit has so certified in writing to the Department of Buildings.** *Prior to obtaining a permanent certificate of occupancy, the relocated subway stair must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.*

37-034 **37-033**
Modification of *special urban design guidelines and urban open space* **requirements for a relocated or renovated subway stair**

The City Planning Commission may, by certification to the Commissioner of Buildings, allow modifications of the requirements of Section 37-01 (Special Urban Design Guidelines - Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the applicable provisions of #urban open space# in Section 12-10 (DEFINITIONS), if it finds that the relocated subway stair cannot be accommodated without modification to these provisions.

Sections 37-01 (Special Urban Design Guidelines – Streetscape), 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), 37-031 (Standards for location, design and hours of public accessibility) and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) may be modified if the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that a relocated subway stair cannot be accommodated in any reasonable way without modification of these provisions.

* * *

*37-035***37-034**
Waiver of requirements

Upon application the City Planning Commission may authorize a waiver of requirements of Section 37-03 if the Commission finds that:

(a)the total #floor area# of all #developments# or #enlargements# after November 8, 1984, is less than 70,000 square feet; or

(b)there are major structural problems in creating space for a relocated stairway entrance in the existing #building#; or

(c)the space in an existing #building# which is required to relocate the stairway entrance is occupied by a tenant on a lease which was in effect prior to March 1, 1984, to which a member of the Bar of the State of New York shall attest, and that there is no opportunity to relocate the tenant within the #enlargement#.

As a condition for granting such waiver the Commission shall determine that:

(1)in the case of paragraph (a), the City Planning Commission and the Transit Authority may require an easement to accommodate the future relocation of the subway stairway in accordance with the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975, and as may be subsequently revised);

(2)in the case of paragraphs (a) or (b), no construction is undertaken that would preclude the future relocation of a stairway entrance from the sidewalk to the #zoning lot#;

(3)in the case of paragraph (c), that at the expiration of the existing lease the applicant shall undertake the relocation of the stairway entrance according to the provisions of this Section.
The provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair) may be waived by joint certification of New York City Transit and the Chairperson of the City Planning Commission that major construction problems or operating design considerations render the stair relocation infeasible. In such event, the stair relocation requirement may be satisfied by retention of the existing stair and the provision on the #zoning lot# of an open area, qualifying under the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space), that accommodates pedestrian traffic passing the existing stair entrance. ***Adapted from Section 37-032(b).***

* * *

The requirements for pedestrian circulation space will be relocated from Section 81-45 in Midtown to a new Section 37-07. No changes to these requirements are proposed, nor will any requirements be added. All special districts of the city that have requirements for pedestrian circulation space will refer to 37-07 for a common set of standards. Any specific pedestrian circulation space requirements that are unique to a special purpose district will remain in the special purpose district text.

37-07
Requirements for Pedestrian Circulation Space

All pedestrian circulation space required pursuant to the provisions of any special purpose district shall comply with the provisions of this Section.

37-071
Amount of pedestrian circulation space

The minimum amount of pedestrian circulation space to be provided for #developments# or #enlargements# shall be determined by the following table:

MINIMUM PEDESTRIAN CIRCULATION SPACE REQUIREMENTS

Size of #zoning lot#FRLD Required #floor area#
MDIU
5,000 to 20,000 square feetFRLD 1 square foot per 350 square feet of new #floor area#

Above 20,000 square feetFRLD 1 square foot per 300 square feet of new #floor area#

37-072
Types of pedestrian circulation space

The pedestrian circulation space provided shall be of one or more of the following types: an arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types, or combinations of types, specified in the following table:

PROVISION OF PEDESTRIAN CIRCULATION SPACE ON CERTAIN TYPES OF LOTS

Type of Pedestrian Circulation Space #Corner lot# #Through lot# #Interior lot# Arcade X X X Building entrance recess area X X X Corner arcade X Corner circulation space X Relocation or renovation of subway stair X X Sidewalk widening X X X Subway station improvement X X X Through #block# connection X X Urban plaza# X X X

Minimum design standards for each type of pedestrian circulation space and, where applicable, the maximum amount of each type of pedestrian circulation space that may be counted towards meeting the requirements of Section 37-071 (Amount of pedestrian circulation space) are set forth in Section 37-073 (Design standards for pedestrian circulation spaces).

37-073
Design standards for pedestrian circulation spaces

(a) Arcade

Arcades shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, the provisions of this Section shall apply.

An arcade is a continuous covered space that adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#. Where an arcade abuts another arcade, there shall be a clear, unobstructed passage between both arcades.

An arcade shall meet the following requirements:
(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet, exclusive of all columns, and a maximum width of 15 feet, inclusive of columns. No column width shall be greater than five feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet and not more than 30 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:
(a)it has a continuous, unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent #zoning lot#, matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, is unobstructed for the full length of the new #building# frontage, whichever is greater.

(iii)On a #corner lot# fronting on a #narrow street#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: a corner arcade, a #plaza#, an off-street rail mass transit access improvement, an intersecting sidewalk widening, an intersecting #street#, a relocated or renovated subway entrance, a through #block# connection, a through #block# galleria or an #urban plaza#.

(iv)On a #wide street#, an arcade shall be permitted, provided that:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block#front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: a corner circulation space, a #plaza#, an intersecting sidewalk widening or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment, a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block#front is provided by the arcade in combination with such existing spaces.

(2)Full #block#front arcade

When a #zoning lot# occupies a full #block#front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (a)(1) (Dimensions) of this Section, parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

In the Theater Subdistrict of the #Special Midtown District#, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, shall be permitted within such arcade, and the maximum height of such arcade shall be 20 feet and the maximum width shall be 10 feet.

(5)Illumination

All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(b)Building entrance recess area

A building entrance recess area is a space that adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to the entrance to a ground floor #use#.

A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line# and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least five feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with an arcade, a corner arcade, a corner circulation space or a sidewalk widening, and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(c)Corner arcade

A corner arcade shall not be subject to the provisions of Sections 12-10 (DEFINITIONS) and 27-60 (ARCADES). In lieu thereof, a corner arcade shall be a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner arcade shall meet the following requirements:

(1)Dimensions

(i)a corner arcade shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#; and

(ii)the height of a corner arcade shall be not less than 12 feet and a clear path at least 12 feet wide shall be provided from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns, a corner arcade shall be free from obstructions of any kind.

(3)Specific prohibitions

The specific prohibitions pertaining to an arcade as described in paragraph (a)(4) of this Section shall also by applicable to a corner arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(d) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times.

A corner circulation space shall meet the following requirements:

(1)Dimensions

A corner circulation space shall have the same minimum dimensions as a corner arcade, as described in paragraph (c)(1) of this Section.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements does not exceed 20 percent of the area of the corner circulation space and that such elements and any attachments thereto are at least eight feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings, except for drainage, shall be permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space.
An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(e)Relocation or renovation of a subway stair

When a #development# or #enlargement# is constructed on a #zoning lot# containing a relocated stairway entrance or entrances to a subway, or an existing stairway entrance or entrances to a subway, and such entrance or entrances are relocated or renovated in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair), one and a half times the area, measured at #street# level, of such entrance or entrances may count toward meeting the pedestrian circulation space requirement.

(f) Sidewalk widening

Sidewalk widenings provided to meet the requirements for pedestrian circulation space shall not be subject to the provisions of Sections 12-10 (DEFINITIONS), including the definition for #urban plaza#, and 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas). In lieu thereof, the provisions of this Section shall apply.

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings.

A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than five feet nor more than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk.

A sidewalk widening shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#.

A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #street line# of the #wide street# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #street line# of the #wide street# to its intersection with the #street line# of the other #street# on which the #zoning lot# fronts.

Except for the permitted interruptions, as set forth in paragraph (f)(2) of this Section, a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

(2)Permitted interruptions

Interruptions of the continuity of a qualifying sidewalk widening shall be permitted only under the following conditions:

(i)by an arcade that has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening;

(ii)if overlapped by a corner circulation space or a building entrance recess area that permits uninterrupted pedestrian flow;

(iii)if overlapped by an #urban plaza#, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening;

(iv)by an off-street subway entrance provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#;

(v)if overlapped by the queuing space of a relocated or renovated subway entrance, provided that the queuing space for the entrance leaves at least a five foot uninterrupted width of sidewalk widening along the entire length of the queuing space; or

(vi)by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, a through #block# galleria or a through #block urban plaza# at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (f)(2) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area of such elements, measured on the plan, does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least eight feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or storage of trash is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than five feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture or building transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building# or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(g)Subway station improvement

For #developments# or #enlargements# that are granted a special permit pursuant to Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan), no more than 3,000 square feet may count toward meeting the pedestrian circulation space requirement.

Paragraph (h) has been adapted from Section 81-46 (Through Block Connection) which will be deleted. No new requirements have been added.

(h) Through #block# connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the building's main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#.

Up to a maximum of 3,000 square feet of a through #block# connection may count towards the minimum pedestrian circulation space requirement.

A through #block# connection shall meet the following requirements:

(1) Location

(i) A through #block# connection shall be located at least 150 feet from the intersection of two #streets#.

(ii)Where the #zoning lot# or a portion thereof is directly across a #street# from, and opposite to, an existing through #block# connection on an adjacent #block# and the existing connection is at least 150 feet from the intersection of two #streets#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(iii)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count towards meeting the pedestrian circulation space requirement.

(iv)No through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission, or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

(2)Design standards for a through #block# connection

(i)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(ii)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide a clear path, accessible to people with disabilities, through its entire length.

(iii)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(iv)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the building's main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(v)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the building's main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(vi)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(vii)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted, in prominent, visible locations at its entrances, signs meeting the standards set forth in paragraph (h)(2)(viii)(a) of this Section.

(viii)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(a)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(1)a public space symbol which is at least 14 inches square in dimension, has a white background, has a grid of four straight lines no greater than one-eighth inch wide and green in color and has a tree-shaped symbol as shown:

(Tree Symbol)

(2)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(3)an international Symbol of Access for people with disabilities that is at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent freestanding post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(b)For an enclosed through #block# connection or a portion thereof:

(1)a public space symbol as described in paragraph (h)(2)(viii) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(2)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block#

connection passes and which lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol; and

(3)lettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow. The information shall be located not higher than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

(i)Urban plaza

A maximum of 30 percent of the area of an #urban plaza# that faces a #street# intersection, or provides access to a major building entrance, may be counted toward meeting the pedestrian circulation space requirement.

A maximum of 3,000 square feet of a through #block urban plaza# may be counted toward meeting the pedestrian circulation space requirement.

For all other #urban plazas#, the first 10 feet of depth from the #street line# may be counted toward meeting the pedestrian circulation space requirement, provided that the #urban plaza# conforms to the design standards of a sidewalk widening as set forth in paragraph (f) of this Section.

All #urban plazas# shall comply with Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

Any area of permitted overlap between pedestrian circulation spaces or other amenities shall be counted only once toward meeting the required amount of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

The following is a revision of Section 81-454 (Modification of design standards of pedestrian circulation spaces within existing buildings) , which will be deleted. No new requirements will be added.

37-074
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of any required minimum amount of pedestrian circulation space to be provided on #wide street# frontages and design standards, as indicated, for the following required pedestrian circulation spaces, to be provided within or under an existing #building# to remain on a #zoning lot#:

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes

(b)Building entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall

(c)Corner arcade or corner circulation space: minimum depth, minimum width of clear path, minimum height, obstructions

(d)Through #block# connection: minimum width of unobstructed path, minimum height, through #block# level

The Commission may authorize a modification of design standards for pedestrian circulation spaces when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent, to the required space in terms of quality, effectiveness and suitability for public use.

* * *

Existing Sections 81-53 and 74-634 both permit bonus floor area for subway station improvements in accordance with essentially the same requirements. They are proposed to be combined into one action under Section 74-634 which would apply city-wide. No new requirements would be added.

74-634
Subway station improvements in commercial zones of 10 FAR and above in Manhattan

The City Planning Commission may **grant,** by special permit, *after public notice and hearing and subject to a Board of Estimate action, grant* **a** #floor area# bonuses, *modify Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), the provisions of #urban open space# in Section 12-10 (DEFINITIONS), and in a C5-5 District, height and setback and #rear yard# regulations* **up to but not exceeding 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations, and may waive or modify the provisions of Article III, Chapter 7 (Special Regulations) and the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity Along Designated Streets)** for #developments# or #enlargements# **located on #zoning lots# where** *which provide* major improvements *for to* adjacent subway stations **are provided** in accordance with the provisions of this Section. **For the purposes of this Section, "adjacent" shall mean that upon completion of the improvement, the #zoning lot# will** *The subway stations in districts where such improvements may be constructed are listed in paragraph (a) of this Section. The #zoning lot# for the #development# or #enlargement# on which such #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed. In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," it must* physically adjoin a **subway** station mezzanine, platform, concourse or connecting passageway, *with no tracks intervening to separate the #zoning lot# from these elements.* **Subway stations where such improvements may be constructed are those stations located within the #Special Midtown District# as listed in Section 81-511 (Subway Station Improvements) and those stations listed in the following table:**

(a)Bonus eligible subway stations by line and zone

#Developments# or #enlargements# which provide major improvements to adjacent subway stations are eligible for a #floor area# bonus which shall not exceed 20 percent of the basic maximum #floor area ratio# permitted by the underlying district regulations. The stations eligible for bonus are as follows:

Station Line District
Wall Street-Broadway IRT (Lexington Ave) *C5 5CR*
Fulton Street-Broadway IRT (Lexington Ave) *C5 5CR*

The selection of subway station improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, New York City Transit and the City Planning Commission. All such improvements shall comply with all applicable design standards of the current station planning guidelines of New York City Transit.

(b)Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the New York City Transit Authority's "Station Planning Guidelines" (Revised, 1975 and as may be subsequently revised).

(c)Procedure

(1)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the Metropolitan Transportation Authority, the Transit Authority and the City Planning Commission.

(2)Application pre-certification

After review and agreement on the concept by the Metropolitan Transportation Authority, Transit Authority and the City Planning Commission, the applicant shall submit necessary documentation in conformance with the New York City Transit Authority's "Guidelines for Submission and Approval of Outside Projects". Prior to certification by the City Planning Commission, the Transit Authority shall provide a letter to the Commission containing conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(3)The special permit application to the City Planning Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and for making the findings for the modifications of Section 37-01, Section 37-02 and height and setback regulations in C5-5 Districts.

(4)The special permit application shall include any request for modification of special urban design guidelines pursuant to Section 74-634 paragraph (e) and of height and setback and #rear yard# regulations pursuant to Section 74-634 paragraph (f).

(5)Uniform Land Use Review Procedure - certification

The City Planning Commission shall not certify any application under the Uniform Land Use Review Procedure until the requisite letter from the Transit Authority has been received and incorporated in the application. Such letter may be subject to subsequent execution of a final agreement with the developer.

(6)Prior to the granting of a special permit:

(i)the Transit Authority shall have submitted a letter to the City Planning Commission:

(a)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other elements as may be appropriate; and

(b)confirming that the construction of the subway improvement in accordance with such submission is feasible; and

(ii)the applicant shall sign a legally enforceable instrument, running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(7)The restrictive declarations and any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for the borough in which the improvement or easement is being created, and a certified copy of the instrument shall be submitted to the City Planning Commission and the Transit Authority.

(8)Prior to obtaining a temporary certificate of occupancy for the bonus #floor area#, the bonused subway improvement shall be substantially complete, which shall, for this purpose, mean usable by the public, as determined by the Transit Authority.

(9)Prior to obtaining a permanent certificate of occupancy, the bonused subway improvement must be 100 percent complete in accordance with the approved plans and such completion shall have been certified by the Transit Authority.

(d)Floor area bonus

The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no #floor area# bonus to the maximum amount allowable by special permit pursuant to the provisions of this Section. For a #residential# or mixed-#use development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Section 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM, OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead for every 750 square feet of gross #residential floor area# provided, there shall be not more than one #dwelling unit#. In determining whether to grant a special permit and the precise amount of #floor area# bonus pursuant to the special permit, the Commission shall make all of the following findings:

(1)the degree to which the station's general accessibility, rider orientation and safety will be improved by the provision of new connections, additions to circulation space or easing of circulation bottlenecks;

(2)provision of escalators or elevators where justified by traffic or depth of mezzanine or platform below #street# level;
(3)convenience and spaciousness of #street# level entrance and compatible relationship to the ground floor #uses# of the #development# or #enlargement#;

(4)improvements in the station's environment by provision for daylight access, or improvements to noise control, air quality, lighting or other architectural treatments.

(e)Modification of special urban design guidelines and urban open space

The City Planning Commission may modify the requirements of Section 37-01 (Special Urban Design Guidelines-Streetscape), Section 37-02 (Applicability of Article II, Chapter 7, to Residential Plazas and Arcades), and the requirement for #urban open space# in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas) if it finds the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(f)Modification of height and setback and yard regulations

In a C5-5 District, in the case of on-site subway station improvements that generate #floor area# bonus pursuant to Section 74-634, the City Planning Commission may permit modification of the applicable regulations in Sections 33-26 to 33-30, inclusive, relating to #rear yard# regulations, or in Sections 33-41 to 33-45, inclusive, relating to height and setback regulations.

The City Planning Commission may grant such modification upon consideration that the applicable height and setback or #rear yard# regulations cannot be complied with by some method feasible for the applicant to pursue because of the provision of a subway station improvement, the size or irregular shape of the lot, the size or irregular shape of the #block# or width of #streets#. The Commission shall also consider the characteristics of surrounding development. The Commission shall require, where appropriate, sufficient safeguards to insure the free flow of pedestrian and vehicular traffic in the general area.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

The following paragraphs incorporate existing requirements in the preceding paragraphs that are proposed to be deleted: (b), (c)(1) through (c)(9), (d)(1) through (d)(4), (e) and (f) - and those in Section 81-534 (Procedure) which would also be deleted.

(a)Pre-application requirements

Prior to submitting an application for a special permit pursuant to this Section, the applicant shall submit a schematic or concept plan for the proposed improvement to the Metropolitan Transportation Authority, New York City Transit and the Chairperson of the City Planning Commission.

(b)Requirements for application

An application for a special permit pursuant to this Section shall include a letter from New York City Transit to the City Planning Commission containing conceptual approval of the improvement and a statement of any special considerations regarding New York City Transit's future operation of the improvement. The applicant shall submit all information and justification sufficient to enable the Commission to:

(1)evaluate the benefits to the City;

(2)determine the appropriate amount of bonus #floor area#; and

(3)where applicable, assess the advantages and disadvantages of waiving or modifying #street wall# continuity requirements.

(c)Findings

(1)In determining the amount of #floor area# bonus, the City Planning Commission shall consider:

(i)the degree to which the general accessibility and/or security of the subway station will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(ii)the degree to which significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and appropriate integration of the #street# level entryway into the #development# or #enlargement# will occur.

(2)In determining modifications to the requirements of Article 3, Chapter 7 (Special Regulations), the Commission shall find that the provisions of a subway improvement cannot be accommodated without modification to these requirements.

(3)In determining modifications to the #street wall# continuity provisions of Section 81-43 in the #Special Midtown District#, the Commission shall find that the modification will permit the proposed design to provide for improved access of daylight or air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# and retail continuity.

(4)Within the #Special Midtown District#, for a #development# or #enlargement# within the Theater Subdistrict on a #zoning lot# containing a theater designated as listed pursuant to Section 81-742 (Listed theaters), the Commission shall find that the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) have been met.

(5)Within the #Special Midtown District#, for a #development# or #enlargement# located on a #zoning lot# divided by a Theater Subdistrict Core boundary, as defined in Section 81-71 (General Provisions), the amount of #lot area# eligible for determining permitted bonus #floor area# shall not exceed an amount equal to twice the #lot area# of that portion of the #zoning lot# located outside the Theater Subdistrict Core.

(d)Procedural requirements

Prior to the granting of a special permit, the City Planning Commission shall be provided with the following:

(1)a letter from New York City Transit stating that the drawings and other documents submitted by the applicant have been determined by New York City Transit to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems, materials, relationship to existing site conditions and such other conditions as may be appropriate, and that the construction of the subway improvement in accordance with such submission is feasible.

(2)a legally enforceable instrument running with the land and signed by the applicant and all parties in interest, other than parties in interest who have waived and subordinated their interests, containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and provide capital maintenance for the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(e) **Density**

For a #residential# or mixed #development#, when a #floor area# bonus is granted pursuant to this Section, alone or in combination with other bonuses, the #lot area# requirements of Sections 23-20 (DENSITY REGULATIONS-REQUIRED LOT AREA PER DWELLING UNIT, LOT AREA PER ROOM OR FLOOR AREA PER ROOM) and 35-40 (APPLICABILITY OF LOT AREA REQUIREMENTS TO MIXED BUILDINGS) shall not apply. Instead, for every 790 square feet of #residential floor area# provided, there shall be not more than one #dwelling unit#.

(g) Recordation & completion procedures

Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York and a certified copy of the instrument shall be submitted to the City Planning Commission and New York City Transit. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until New York City Transit has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean open to and usable by the public.

The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy, until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by New York City Transit.

The City Planning Commission may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

Chapter 1
Special Midtown District

81-00
GENERAL PURPOSES

The "Special Midtown District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

(a)to strengthen the business core of Midtown Manhattan by improving the working and living environments;

* * *

(h)to preserve, protect and enhance the character of the Theater Subdistrict as the location of the world's foremost concentration of legitimate theaters and an area of diverse uses of a primarily entertainment and entertainment-related nature;

(i)to strengthen and enhance the character of the Eighth Avenue Corridor and its relationship with the rest of the Theater Subdistrict and with the Special Clinton District;

(j)to create and provide a transition between the Theater Subdistrict and the lower-scale Clinton Community to the west;

*(i)***(k)**to preserve, protect and enhance the scale and character of Times Square, the heart of New York City's entertainment district, and the Core of the Theater Subdistrict, which are characterized by a unique combination of building scale, large illuminated signs and entertainment and entertainment-related uses;

*(j)***(l)**to preserve, protect and enhance the character of Fifth Avenue as the showcase of New York and national retail shopping;

*(k)***(m)**to preserve the midblock area around the Museum of Modern Art for its special contribution to the historic continuity, function and ambience of Midtown;
*(l)***(n)**to expand and enhance the pedestrian circulation network connecting Grand Central Terminal to surrounding development, to minimize pedestrian congestion and to protect the area's special character;

*(m)***(o)**to provide freedom of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms without the need for special development permissions or "negotiated zoning"; and

*(n)***(p)**to promote the most desirable use of land and building development in accordance with the District Plan for Midtown and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

81-01
Definitions

For purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS), in Section 81-261 (Definitions), or in Section 81-271 (Definitions).

Special Midtown District
(repeated from Section 12-10)

The "Special Midtown District" is a Special Purpose District designated by the letters "MiD" in which special regulations set forth in Article VIII, Chapter 1, apply. The #Special Midtown District# appears on the #zoning maps# superimposed on other districts, and its regulations supplement and modify those of the districts on which it is superimposed.

Special Clinton District
(repeated from Section 12-10)

The #Special Clinton District# is a Special Purpose District designated by the letters "CL" in which the regulations set forth in Article IX, Chapter 6 apply.

81-02
General Provisions

81-021
Applicability of underlying district regulations

* * *

81-022
Applicability of Special Transit Land Use District regulations

* * *

81-023
Applicability of Special Clinton District Regulations

Wherever the #Special Midtown District# includes an area which also lies within the #Special Clinton District#, the regulations of the #Special Clinton District# as set forth in Article IX, Chapter 6, shall also apply. However, if there is any conflict or discrepancy between the regulations, the Special Midtown District regulations shall supersede the Special Clinton District regulations.

The portion of the #Special Clinton District# within the #Special Midtown District# includes the area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue and West 42nd Street. The area is designated on the #zoning maps# by the letters CL-MiD.
*81-023***81-024**
Integration clauses

* * *

81-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, four special subdistricts are established within the #Special Midtown District#. In each of these subdistricts certain special regulations apply which do not apply in the remainder of the #Special Midtown District#. The subdistricts are outlined on Map 1 (Special Midtown District and Subdistricts) in Appendix A.

The subdistricts, together with the sections of this Chapter specially applying to each, are as follows:

Sections Having Subdistricts
Special Application
The Grand Central Subdistrict
81-60
The Theater Subdistrict
81-70
The Fifth Avenue Subdistrict
81-80
The Preservation Subdistrict 81-90

The subdistricts are also subject to all other regulations of the #Special Midtown District#, **and, where applicable pursuant to Section 81-023, the #Special Clinton District#,** and the underlying districts, except as otherwise specifically provided in the subdistrict regulations themselves.

81-062
Applicability of Chapter 4 of Article VII

Within the #Special Midtown District#, the following provisions regarding special permits by the City Planning Commission shall not be applicable:

Section 74-72(Bulk Modification)

Section 74-74(General Large-Scale Development)

Section 74-75(Educational Construction Fund Projects)

* * *

81-063
Regulations for Developments or Enlargements on Lots Divided by District Boundaries, Within or Partially Within the Theater Subdistrict

Within the Theater Subdistrict of the #Special Midtown District#, the provisions of Chapter 7 of Article VII (Special Provisions for Zoning Lots Divided by District Boundaries) are modified in part by the provisions of Section 81-746 (*Special modification of* **Additional** provisions for zoning lots divided by district **or subdistrict core** boundaries).

* * *

81-20
BULK REGULATIONS

81-21
Floor Area Ratio Regulations

The #floor area ratio# regulations of the underlying districts are modified in accordance with the provisions of this Section or Section 81-241 (Maximum floor area ratios for a residential building or the residential portion of a mixed building).

81-211
Maximum floor area ratio for non-residential or mixed buildings

(a)For non-#residential buildings# or #mixed buildings#, the basic maximum #floor area ratios# of the underlying districts shall apply as set forth in this Section.

(b)In the #Special Midtown District, the basic maximum #floor area ratio# on any #zoning lot# may be increased by bonuses or other #floor area# allowances only in accordance with the provisions of this Chapter, and the maximum #floor area ratio# with such additional #floor area# allowances shall in no event exceed the amount set forth for each underlying district in the following table:

PG
TABLE NOT INCLUDED - AVAILABLE IN HARD COPY FORMAT IN THE PRINTED CALENDAR, WHICH IS AVAILABLE FROM THE CALENDAR OFFICE AT 22 READE STREET, NEW YORK, NEW YORK 10007PG

81-22
As-of-Right Floor Area Bonuses

As-of-right #floor area# bonuses are not permitted in the #Special Midtown District#, except in accordance with the provisions of the following Sections:

Section 81-23 (Floor Area Bonus for Urban Plazas)

Section 81-748 (Floor area bonus for through block gallerias)

In addition, the provisions of Article II, Chapter 3, Section 23-90 (Inclusionary Housing) shall be applicable in that portion of the #Special Midtown District# which is also within the #Special Clinton District# pursuant to Section 81-023 (Applicability of the Special Clinton District Regulations).

Any floor area bonus granted by certification for through block gallerias prior to (the effective date of this amendment) shall remain in effect, provided however that such certification shall automatically lapse if substantial construction, in accordance with the plans for which such certification was granted, has not been completed within four years from the effective date of such certification.

81-23
Floor Area Bonus for Urban Plazas

Within the #Special Midtown District#, for each square foot of #urban plaza# provided on a #zoning lot#, the basic maximum #floor area# permitted on that #zoning lot# under the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) may be increased by six square feet, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

This Section shall be applicable in all underlying districts throughout the #Special Midtown District#, except that:

(a)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the C5P District within the Preservation Subdistrict;

(b)no #development# or #enlargement# on a #zoning lot# shall receive a bonus for an urban plaza that is within 50 feet of a #street line# of a designated #street# on which retail or #street wall# continuity is required, pursuant to Sections 81-42 (Retail Continuity Along Designated Streets) or 81-43 (Street Wall Continuity Along Designated Streets);

(c)no #development# or #enlargement# on a #zoning lot#**, any portion of which is** within the Theater Subdistrict Core as defined in Section 81-71 (General Provisions), shall receive a bonus for an #urban plaza#; and

(d)there shall be no #floor area# bonus for an #urban plaza# on #zoning lots# in the Grand Central Subdistrict.

All #urban plazas# provided within the #Special Midtown District# shall comply with the requirements for #urban plazas# set forth in Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

A major portion of an #urban plaza# may overlap with a sidewalk widening which may be provided to fulfill the minimum pedestrian circulation space requirements set forth in Section 81-45 (Provision of Pedestrian Circulation Space), provided that the overlapping portion of the #urban plaza# also conforms to the design standards of Section *81-45* **37-07** for a sidewalk widening. Such sidewalk widening may be included in the major portion of an #urban plaza# for

purposes of calculating the proportional restrictions set forth in Section 37-04, paragraph (e).

* * *

81-24
Floor Area, Density and Building Spacing Regulations for Residential Uses

81-241
Maximum floor area ratios for a residential building or the residential portion of a mixed building

For #residential buildings# or #residential# portions of #mixed buildings# in the #Special Midtown District#, the maximum #floor area ratio# for each underlying district is as follows:

(a)In the C5-P District the maximum #floor area ratio# is 8.0, and no additional #floor area# shall be allowed above this limit.

(b)In all underlying districts other than the C5-P District, except as provided in paragraph (c) of this Section, the maximum #residential floor area ratio# is 10.0.

(c)A #residential building# or the #residential# portion of a #mixed building# in any underlying district other than a C5-P, C6-4 or C6-5 District **or a #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 District within the Theater Subdistrict which has been granted bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions),** shall qualify for a maximum #residential floor area ratio# of 12.0 if the #building# includes recreational space for the #residential# occupants in an amount not less than 6.5 square feet for each #room#, or a total area of at least 5,000 square feet, whichever is greater. The recreational space may be located at any level including a roof. Such recreational space shall:

(1)be restricted to #residential# occupants of the #building# and their guests for whom no admission or membership fees may be charged;

(2)be directly accessible from a lobby or other public area served by the #residential# elevators;

(3)be landscaped including trees or shrubbery, except where covered or developed with recreational facilities and seating areas;

(4)contain not less than 500 square feet of continuous area on a single level with no dimension of less than 15 feet;

(5)have not less than 50 percent of the area open from its lowest level to the sky. The remaining portion may be roofed and up to 50 percent of its perimeter may be enclosed. In no event may more than 25 percent of the required recreational space be fully enclosed. All enclosures shall be transparent except when located within the #building#. Covered areas shall contain recreational facilities or seating areas.

A copy of requirements (1) through (5) set forth in this paragraph shall be permanently posted in a conspicuous place within each recreational space.

(d)A #residential building# or the #residential# portion of a #mixed building# in a C6-4 or C6-5 underlying district within the Theater Subdistrict may qualify for bonus #floor area# or other #floor area# allowances in accordance with the provisions of Section 81- 741 (General provisions), provided that the #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0 and that such #building# also provides recreational space for the #residential# occupants in accordance with the requirements of paragraph (c) of this Section.
(e)The applicable maximum #floor area ratio# for a #residential building# or the #residential# portion of a #mixed building# shall not be increased by any bonuses or other #floor area# allowances except as provided in paragraph (c) or (d) of this Section.

* * *

81-25
General Provisions Relating to Height and Setback of Buildings

For all #buildings# in the #Special Midtown District#, except as provided in Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT), the height and setback regulations of the underlying districts, *including tower regulations,* are superseded by the provisions of this Section, and by the two alternate sets of regulations controlling the height and setback of #buildings#, as set forth in Sections 81-26 and 81-27 respectively.

An applicant for plan approval by the Department of Buildings may elect to be governed by the provisions of either Section 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) in addition to the provisions of this Section. *and of Section 81-622 (Special height and setback requirements) applicable to a #development# or #enlargement# within the Grand Central Subdistrict.*

This Section sets forth the provisions which are common to both sets of regulations.

* * *

81-40
MANDATORY DISTRICT PLAN ELEMENTS

* * *

81-43
Street Wall Continuity Along Designated Streets

* * *

Pedestrian circulation spaces may be provided to meet the requirements of Section 81-45 **(Pedestrian Circulation Space),** *81-46 or 81-47* subject to the setback restrictions of this Section and to the minimum length of the #street wall# subject to such setback restrictions. However, the City Planning Commission may waive such restrictions for a subway entrance area which is part of a subway station improvement for which bonus #floor area# is granted, in accordance with the provisions of Section *81-53* **81-511** (Subway Station Improvements).

* * *

No arcades, sidewalk widenings or #urban plazas# shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages. **Between 42nd and 56th Street, no arcades or #urban plazas# shall be permitted on Eighth Avenue.** Between 43rd and 50th Streets, no arcades or #urban plazas# shall be permitted on Seventh Avenue or Broadway and, with the exception of marquees and #signs#, any area between the Seventh Avenue or Broadway #street line# and any required #street wall# below the height of the first required setback, including permitted recesses, shall be open from #curb level# to the sky in its entirety. Any such area shall be at the same elevation as the adjoining sidewalk, directly accessible to the public at all times and free of all obstructions at ground level, including #street# trees. On the remaining #streets# designated for #street wall# continuity, arcades, if provided, shall be not less than 10 feet in depth and not more than 30 feet high. Arcades shall not be counted toward the recess allowances.
For #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements).

For #zoning lots# located wholly or partially within the Eighth Avenue Corridor the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements.

On Fifth Avenue, the minimum required #street wall# height without setback shall be 85 feet and the maximum allowable #street wall# height without setback shall be 125 feet. Above the maximum #street wall# height, a setback of at least 10 feet shall be required. (See Section 81-83)

Existing #buildings# on a #zoning lot# shall be included in measurements of the #street wall#. No existing #building# shall be altered such that a #non-compliance# with the provisions of this Section is created, nor shall an existing degree of #non-compliance# with these provisions be increased.

* * *

81-45
Provision of Pedestrian Circulation Space

Within the boundaries of the #Special Midtown District#, except as provided in Section 81-453 (Exemptions from the pedestrian circulation space requirements), all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger and providing more than 70,000 square feet of new #floor area#, shall provide a minimum amount of pedestrian circulation space at the rate provided in Table A.

TABLE A
MINIMUM PEDESTRIAN CIRCULATION SPACE REQUIREMENTS
Lot Size in Square Feet | *Minimum Area of Pedestrian Circulation Space*
5,000 to 20,000 | *1 square foot per 350 square feet of new #floor area#*
Above 20,000 | *1 square foot per 300 square feet of new #floor area#*

The pedestrian circulation space provided shall be of one or more of the following types: sidewalk widening, arcade, corner arcade, corner circulation space, building entrance recess area, through #block# connection, subway stair relocation, renovation or reconstruction of a subway stair pre-existing on the #zoning lot#, or off-street rail mass transit access improvement.

Each #zoning lot# shall be categorized as either a #corner lot#, #through lot# or #interior lot#, and pedestrian circulation space shall be provided on each #zoning lot# in at least one of the applicable types or combinations of types outlined in Table B.

Such pedestrian circulation space shall meet the requirements set forth in Sections 81-451 (Design standards for pedestrian circulation spaces), 81-46 (Through Block Connection), 81-47 (Off-Street Relocation or Renovation of a Subway Stair) or 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility). Arcades shall not be subject to the provisions of Section 27-60 (ARCADES), and sidewalk widenings shall not be subject to the provisions of Section 37-04 (Requirements for Open Air Concourses, Sidewalk Widenings and Urban Plazas).

In addition, certain amenities for which bonuses are granted may count toward the minimum area of pedestrian circulation space in accordance with the provisions of Section 81-452 (Bonused amenities qualifying as pedestrian circulation spaces).

Any area of permitted overlap between pedestrian circulation spaces or amenities shall be counted only once toward the minimum area of pedestrian circulation space. Unobstructed access shall be provided between overlapping spaces.

TABLE B
LOT TYPE WHERE CIRCULATION SPACE MAY BE PROVIDED

Type of Circulation Space (Section 81-45)	*#Corner Lot#*	*#Through Lot#*	*#Interior Lot#*
Sidewalk Widening	*X*	*X*	*X*
Corner Circulation Space	*X*	*X*	*X*
Building Entrance Recess Area	*X*	*X*	*X*
Through #Block# Connection	*X*	*X*	*X*
Subway Stair Relocation of Renovation	*X*	*X*	*X*
Off Street Rail Mass Transit Access Improvement	*X*	*X*	*X*

arcades or sidewalk widenings shall be permitted on Fifth Avenue, 42nd Street, 34th Street or 57th Street frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to and along Seventh Avenue or Broadway and where pedestrian circulation space is provided along such #street# frontages, #signs# and marquees shall be permitted as exceptions to the requirements related to obstructions or permitted obstructions of Section 81-451 (Design standards for pedestrian circulation spaces). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity along Designated Streets).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street, or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #wide street#.

In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

Within the #Special Midtown District#, all new #developments# or #enlargements# on #zoning lots# of 5,000 square feet or larger with more than 70,000 square feet of new #floor area# shall provide pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The requirements for pedestrian circulation space may be met by providing one or more of the following types of spaces: arcade, building entrance recess area, corner arcade, corner circulation space, relocation or renovation of a subway stair, sidewalk widening, subway station improvement, through #block# connection or #urban plaza#. Design requirements and, where applicable, the maximum amount of each space that may be counted towards the minimum pedestrian circulation space requirement are set forth in Section 37-07 (Requirements for Pedestrian Circulation Space).

In addition, the following may be counted towards meeting the minimum pedestrian circulation space requirement:

(a)up to a maximum of 3,000 square feet of an access improvement to rail mass transit provided pursuant to Section 81-49 (Off-street Improvement of Access to Rail Mass Transit Facility);

(b)within the Theater Subdistrict, theater waiting space provided pursuant to Section 81-451 (Theater waiting space).

New #developments# or #enlargements# on a #zoning lot# having a full #block# frontage on a #wide street# other than Fifth Avenue, 42nd Street, 34th Street or 57th Street shall provide a minimum of 50 percent of their required pedestrian circulation space on that #street#. In the case of a #zoning lot# having two full #block# frontages on #wide streets#, this minimum amount may be allocated on either one or both #wide streets#; where each #street# bounding a #zoning lot# with at least one full #block# frontage is a #wide street#, the minimum amount may be allowed on one or more of those #wide streets#.

However, pedestrian circulation space shall not be required if any of the following conditions exist:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with less than 80 feet of #street# frontage;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where arcades, sidewalk widenings or #urban plazas# are prohibited;

(d)the #zoning lot# is an #interior lot# fronting on either 34th Street, 42nd Street, 57th Street or Fifth Avenue, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both #street# frontages less than 25 feet in length.

Arcades or sidewalk widenings shall not be permitted on 34th Street, 42nd Street, 57th Street or Fifth Avenue frontages or on any #street# frontage within the Preservation Subdistrict. Between 43rd and 50th Streets, no arcades shall be permitted parallel to and along Seventh Avenue or Broadway. Where pedestrian circulation space is provided along Seventh Avenue or Broadway between 43rd and 50th Streets, #signs# and marquees shall be permitted as exceptions to the requirements relating to obstructions or permitted obstructions in Section 37-07 (Requirements for Pedestrian Circulation Space). Special dimensional requirements for arcades and sidewalk widenings along designated #streets# are set forth in Section 81-43 (Street Wall Continuity Along Designated Streets).

81-451
Design standards for pedestrian circulation spaces
Theater waiting space

(a) Sidewalk widening

A sidewalk widening is a continuous paved open area along the #front lot line# of a #zoning lot# at the same elevation as the adjoining sidewalk and directly accessible to the public at all times. A sidewalk widening shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where all existing #buildings# on the same #block# frontage, whether on the same or another #zoning lot#, provide sidewalk widenings. A sidewalk widening shall meet the following requirements:

(1)Dimensions

A sidewalk widening shall have a width of no less than 5 feet nor greater than 10 feet measured perpendicular to the #street line#, and shall be contiguous along its entire length to a sidewalk. Except for the permitted interruptions, as set forth in paragraph (a)(2), a sidewalk widening is permitted on a #narrow street# only if it has a length of at least 100 feet.

It shall extend along the full length of the #front lot line# except for the portion of the #front lot line# interrupted by an existing #building# which is located at a #side lot line# or, in the case of a full #block# frontage, located at the intersection of two #streets#. A required sidewalk widening on a #wide street# shall connect directly to any existing adjoining sidewalk widening and shall extend the entire length of the new #front lot line#.

The width of such a required sidewalk widening shall equal that of the existing adjoining sidewalk widening. If there is more than one such existing sidewalk widening, the width of such a required sidewalk widening shall equal that of the existing sidewalk widening that is longest.

A sidewalk widening is permitted on a #wide street# when not adjacent to an existing sidewalk widening only if either the sidewalk widening extends along the #wide street line# for the full length of the #block# front, or the #zoning lot# is a #corner lot# and the sidewalk widening extends along the full length of the #wide street street line# to its intersection with the other #street street line# on which the #zoning lot# fronts.

(2)Permitted interruptions

Only under the following conditions shall any interruptions of the continuity of a qualifying sidewalk widening be permitted:

(i)A sidewalk widening may be interrupted by an arcade which has a width equal to or greater than the width of the sidewalk widening and which is directly connected to the sidewalk widening.

(ii)A sidewalk widening may be overlapped by a corner circulation space or a #building# entrance recess area which permits uninterrupted pedestrian flow.

(iiiA sidewalk widening may be overlapped by an #urban plaza# as set forth in Section 81-23, provided that the overlapping portion of such #urban plaza# conforms to the design standard of a sidewalk widening.

(iv)An off-street subway entrance may interrupt a sidewalk widening provided such an entrance is located at a #side lot line# or is located at the intersection of two #street lines#.

(v)A sidewalk widening may be overlapped by the queuing space of a relocated or renovated subway entrance provided that the queuing space for the entrance leaves at least a 5 foot uninterrupted width of sidewalk widening along the entire length of the queuing space.

(vi)A sidewalk widening may be interrupted by a driveway that is located at a #side lot line#; however, where the #zoning lot# has a through #block# connection, or a through #block urban plaza#, or a through #block# galleria at such a #side lot line#, the location of its driveway is not restricted. The area occupied by the driveway, up to the width of the sidewalk widening, may be counted towards meeting the pedestrian circulation space requirement, provided that there shall be no change of grade within the area of the sidewalk widening.

(3) Permitted obstructions

A sidewalk widening shall be unobstructed from its lowest level to the sky except for those obstructions permitted under paragraph (5) of this Section and for temporary elements of weather protection, such as awnings or canopies, provided that the total area (measured on the plan) of such elements does not exceed 20 percent of the sidewalk widening area, and that such elements and any attachments thereto are at least 8 feet above #curb level#.

(4) Specific prohibitions

No #street# trees are permitted on a sidewalk widening. No vehicle storage, parking or trash storage is permitted on a sidewalk widening. Gratings may not occupy more than 50 percent of the sidewalk widening area nor be wider than one half the width of the sidewalk widening.

(5) Special design treatment

When one end of the sidewalk widening abuts an existing #building# on the #zoning lot# or an existing #building# on the #side lot line# of the adjacent #zoning lot#, design treatment of the termination of the sidewalk widening is required to smooth pedestrian flow. The portion of the sidewalk widening subject to design treatment, hereinafter called the transition area, shall not extend more than 10 feet nor less than 5 feet along the sidewalk widening from its termination.

The transition area shall receive special design treatment which may include, but is not limited to, landscaping, sculpture, or #building# transparency. The transition area shall be designed to effect a gradual change of the sidewalk widening width to match the #street wall# line of the existing #building# at the sidewalk widening's termination. This may be accomplished by a curved or diagonal edge of paving along a landscaped bed, the use of stepped edges of the #building#, or other architectural treatment of the #building# or paving which avoids an abrupt visual termination of the sidewalk widening. Such special design treatment may be considered a permitted obstruction.

(b) Corner circulation space

A corner circulation space is a small #open space# on the #zoning lot# of a #development# or #enlargement#, adjoining the intersection of two #streets#, at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner circulation space shall meet the following requirements:

(1)Dimensions
A corner circulation space shall have a minimum area of 200 square feet, a minimum depth of 15 feet measured along a line bisecting the angle of intersecting #street lines#, and shall extend along both #street lines# for at least 15 feet but not more than 40 feet from the intersection of the two #street lines#.

(2)Obstructions

A corner circulation space shall be completely open to the sky from its lowest level, except for temporary elements of weather protection, such as awnings or canopies; provided that the total area of such elements does not exceed 20 percent of the corner circulation space area; and that such elements and any attachments thereto are at least 8 feet above #curb level#. A corner circulation space shall be clear of all other obstructions including, without limitation, door swings, building columns, #street# trees, planters, vehicle storage, parking or trash storage. No gratings except for drainage are permitted.

(3)Building entrances

Entrances to ground level #uses# are permitted from a corner circulation space. An entrance to a building lobby is permitted from a corner circulation space, provided that the entrance is at no point within 20 feet of the intersection of the two #street lines# that bound the corner circulation space.

(4)Permitted overlap

A corner circulation space may overlap with a sidewalk widening.

(c) Arcade

An arcade is a continuous covered space which adjoins and extends along a #front lot line#, is at the same elevation as the adjoining sidewalk, is open for its entire length to the sidewalk except for columns and is accessible to the public at all times. An arcade shall be provided on the #wide street# frontage of a #zoning lot# of a new #development# or #enlargement# where the #zoning lot# lies directly adjacent to an existing arcade on a #wide street#, except where an existing #building# without an arcade extends along a portion of the #wide street front lot line# of the #zoning lot# containing the new #development# or #enlargement#.

An arcade shall meet the following requirements:

(1)Dimensions

An arcade with columns shall have a minimum clear width of 10 feet exclusive of all columns and a maximum width of 15 feet inclusive of columns. No column width shall be greater than 5 feet. Columns shall be spaced along the #street# with a minimum clear width between columns of 15 feet. An arcade shall have a clear height of not less than 12 feet.

(i)On an #interior lot# or a #through lot# fronting on a #narrow street#, an arcade without columns is permitted only if:

(a)it has a continuous unobstructed minimum length of 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, the full length of the new #building# frontage, whichever is greater; and

(b)the entire #front lot line# shall be unobstructed for the same depth of the arcade, except for that portion of the #front lot line# occupied by an existing #building#.

(ii)On an #interior lot# or on a #through lot# fronting on a #narrow street#, an arcade with columns is permitted only if it connects directly to an existing arcade on an adjacent lot matching it in width and alignment and has a continuous, unobstructed minimum length beyond the existing adjacent arcade of at least 100 feet or, with the exception of the width of driveways for the required loading berths located at the #side lot line# of the #zoning lot#, for the full length of the new #building# frontage, whichever is greater.

(iiiOn the #narrow street# frontage of a #corner lot#, an arcade is permitted only if it extends for the full length of the #street# frontage, with the exception of a driveway for a required loading berth located at the #side lot line# of the #zoning lot#, or if the arcade provides unobstructed pedestrian flow along such entire frontage in combination with one or more of the following other spaces with which it connects at one or both ends: an intersecting #street#, an intersecting sidewalk widening, a corner arcade, a #plaza#, an #urban plaza#, a through #block# connection, a through #block# galleria, a relocated or renovated subway entrance, or an off-street rail mass transit access improvement.

(iv)On a #wide street#, an arcade is permitted only if:

(a)the arcade extends along the full length of the #street line# between intersecting #streets#; or

(b)in the case of a #building# that occupies less than the entire #street# frontage between intersecting #streets#, on a full #block# front #zoning lot#, unobstructed pedestrian flow along the entire frontage is provided on the #zoning lot# by the arcade in combination with one or more of the following #open spaces# with which the arcade connects at one or both ends: an intersecting sidewalk widening, a corner circulation space, a #plaza# or an #urban plaza#; or

(c)in the case of a #building# whose #zoning lot# occupies less than the entire #street# frontage between intersecting #streets#, the arcade connects with an existing arcade of matching width and alignment as required in this paragraph (iv)(c), a #plaza# or an #urban plaza# on an adjacent #zoning lot#, so that unobstructed pedestrian flow along the entire #block# front is provided by the arcade in combination with such existing spaces.

(2)Full #block# front arcade

When a #zoning lot# occupies a full #block# front, both ends of the arcade on that #street# frontage shall be open and accessible directly from the sidewalk of the intersecting #street# or any other qualifying pedestrian circulation space.

(3)Permitted obstructions

Except for building columns, an arcade shall be completely free from obstructions of any kind.

(4)Specific prohibitions

No vehicular driveways, except as permitted under paragraph (c)(1), parking spaces, passenger drop-offs, loading berths or trash storage facilities are permitted within an arcade, nor shall such facilities be permitted immediately adjacent to an arcade.

(5)In the Theater Subdistrict, where a new #building# or #enlarged# portion of an existing #building# provides an arcade, no obstructions, including columns, are permitted within such arcade, and the height and width of such arcade shall be limited to a maximum of 20 feet and 10 feet respectively.
(6)All existing and new arcades shall maintain a minimum level of illumination of not less than five horizontal foot candles between sunset and sunrise.

(d)Corner arcade

A corner arcade is a small covered space adjoining the intersection of two #streets# at the same elevation as the adjoining sidewalk or sidewalk widening and directly accessible to the public at all times. A corner arcade shall meet the following requirements:

(1)Dimensions

A corner arcade shall have the same minimum dimensions as a corner circulation space and in addition shall have a height of not less than 12 feet and shall provide a clear path at least 12 feet wide from one #street line# to another #street line#.

(2)Permitted obstructions

Except for building columns a corner arcade shall be free of obstructions of any kind.

(3)Specific prohibitions

Same as for an arcade.

(4)Permitted overlap

A corner arcade may overlap with an arcade; however, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

(e)Building entrance recess area

A building entrance recess area is a space which adjoins and is open to a sidewalk or sidewalk widening for its entire length and provides unobstructed access to the building's lobby entrance or to a ground floor #use# entrance. A building entrance recess area shall meet the following requirements:

(1)Dimensions

A building entrance recess area shall have a minimum length of 15 feet and a maximum length of 50 feet measured parallel to the #street line# at a building's lobby entrance and a maximum length of 30 feet parallel to the #street line# at a ground floor #use# entrance. It shall have a maximum depth of 15 feet measured from the #street line#, and shall have a minimum depth of 10 feet measured from the #street line#.

(2)Obstructions

Any portion of a building entrance recess area under an overhanging portion of the #building# shall have a minimum clear height of 15 feet. It shall be free of obstructions except for building columns, between any two of which there shall be a clear space of at least 15 feet measured parallel to the #street line#. Between a building column and a wall of the #building#, there shall be a clear path at least 5 feet in width.

(3)Permitted overlap

A building entrance recess area may overlap with a sidewalk widening, an arcade, a corner arcade, or a corner circulation space and may adjoin or overlap and connect directly without obstruction to another building entrance recess area except that, on any one #street# frontage, each lobby or ground floor #use# shall connect to only one building entrance recess area.

(f) Through #block# connection

The design standards for a through #block# connection are set forth in Section 81-46 (Through Block Connection).

(g)Off-street relocation or renovation of a subway stair

The design standards for a relocated or renovated subway stair are set forth in Section 81-47 (Off-Street Relocation or Renovation of a Subway Stair).

(h)Off-street improvement of access to rail mass transit Facility

The design standards for an off-street rail mass transit access improvement are set forth in Section 81-49 (Off-Street Improvement of Access to Rail Mass Transit Facility).

Theater waiting space shall be an unobstructed area providing outdoor waiting space for a theater audience, located immediately adjacent to the sidewalk and to a theater listed in Section 81-742 (Listed Theaters) or a new theater designed and intended to show live theatrical performances. Theater waiting space may be located on the same #zoning lot# occupied by a theater or a #zoning lot# immediately adjacent to a theater, and shall meet the following requirements:

(a)such space shall adjoin and open onto a sidewalk or sidewalk widening for its entire length and shall have a minimum length of 30 feet measured parallel to the #street line# and a minimum clear depth of 10 feet measured perpendicular to the #street line# exclusive of any columns. Its level shall be entirely the same as that of the adjoining sidewalk. When located under an overhanging portion of a #building or other structure#, it shall have a minimum clear height of 15 feet and be free of any obstructions except for #building# columns;

(b)such space shall provide direct access to a #building's# entrance or the theater's lobby. Where the theater and the theater waiting space are on separate #zoning lots#, a plaque shall be provided within the theater waiting space adjacent to the theater stating that the space is available as a waiting area for the theater audience. Such plaque shall be placed between four feet and six feet above #curb level#, and shall be visible from the sidewalk;

(c)such space shall not adjoin a driveway or an off-#street# loading berth;

(d)the entire theater waiting space shall be illuminated with a minimum level of not less than eight horizontal foot-candles (lumens per foot), and

The theater waiting space may overlap with a sidewalk widening, an arcade, a corner arcade, a corner circulation space, or a building entrance recess area. However, the area of overlap may only be counted once toward the fulfillment of the required minimum area of pedestrian circulation space.

81-452
Bonused amenities qualifying as pedestrian circulation spaces

A portion of the following amenities, for which bonuses are granted pursuant to this Chapter, may be counted toward the minimum pedestrian circulation space requirements:

(a)Through #block# galleria (see Section 81-748), up to a maximum of 3,000 square feet.
(b)Through #block urban plaza# (see Section 81-23), up to a maximum of 3,000 square feet.

(c)#Urban plaza# (see Section 81-23)

(1)For an #urban plaza# that faces a #street# intersection or provides access to a major #building# entrance: 30 percent of the #urban plaza's# area.

(2)For other #urban plazas#: the first 10 feet of depth from the #street line#, provided that it conforms to the design standards of a sidewalk widening.

(d)Subway station improvement (see Section 81-53), up to a maximum of 3,000 square feet.

81-453
Exemptions from the pedestrian circulation space requirements

Under any of the following conditions a #development# or #enlargement# shall not be required to provide pedestrian circulation space:

(a)the #zoning lot# is entirely occupied by a #building# of no more than one #story# in height;

(b)the #zoning lot# is an #interior lot# fronting on a #wide street# with frontage length less than 80 feet;

(c)the #zoning lot# is an #interior# or #through lot# fronting only on a #street# or #streets# where no arcade, sidewalk widening or #urban plaza# is permitted, such as Fifth Avenue, 42nd Street, 34th Street and 57th Street or any #street# within the Preservation Subdistrict;

(d)the #zoning lot# is an #interior lot# fronting on either Fifth Avenue, 42nd Street, 34th Street or 57th Street, with another interior frontage of lesser length on any other #street#; or

(e)the #zoning lot# is a #through lot# with both frontages less than 25 feet in length.

81-454
Modification of design standards of pedestrian circulation spaces within existing buildings

The City Planning Commission may authorize a modification of the minimum amount of pedestrian circulation space to be provided on #wide street# frontages as required in Section 81-45 (Provision of Pedestrian Circulation Space) and design standards, as indicated, for the required pedestrian circulation spaces listed below, to be provided within or under an existing #building# to remain on a #zoning lot#.

(a)Arcade: minimum width, minimum height, obstructions, minimum clear width between obstructions, minimum length, column sizes.

(b)Corner circulation space or corner arcade: minimum depth, minimum width of clear path, minimum height, obstructions.

(c)Entrance recess area: minimum length, minimum depth from #street line#, minimum height, obstructions, clear space between obstructions and clear space between obstructions and building wall.

(d)Through #block# connection: minimum width of unobstructed path minimum height, #curb level# relationship.

The Commission may authorize a modification of the above design standards when the following conditions are met:

(1)a modification is needed because of the inherent constraints of the existing #building#;

(2)the modification is limited to the minimum needed because of the inherent constraints of the existing #building#; and

(3)the pedestrian circulation space being modified shall be equal in area, and substantially equivalent to the required space in quality, effectiveness and suitability for public use.

81-46
Through Block Connection

A through #block# connection between two parallel or nearly parallel east-west #streets# may be provided for a #development# or #enlargement# on any #through lot# or #through lot# portion of a #corner lot# and may count toward the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space) provided that it shall be located at least 150 feet from a north-south #street# and shall meet the standards set forth below in Section 81-461 (Locational standards) and in Section 81-462 (Design standards for a through block connection).

81-461
Locational standards

(a)A through #block# connection shall count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space) only if it is located not less than 150 feet from a north-south #wide street#.

(b)To count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space), a qualifying through #block# connection shall meet the following additional locational requirements:

(1)Where the #zoning lot# or a portion thereof is directly across a #street# from and opposite to an existing through #block# connection on an adjacent #block# to the north or south and the existing connection is at least 150 feet from a north-south #wide street#, the alignment of the new through #block# connection shall overlap with that of the existing connection. Such existing connection may also be a through #block# galleria, through #block urban plaza# or any through #block# circulation area with a minimum width of 12 feet, which is located within a #building#.

(2)Where there are already two through #block# connections located on the same #block#, a new through #block# connection shall not count as pedestrian circulation space meeting the requirements of Section 81-45 (Provision of Pedestrian Circulation Space).

(3)Notwithstanding the provisions of paragraphs (1) and (2) of this Section, no through #block# connection shall be permitted on any portion of a #zoning lot# occupied by a landmark or interior landmark so designated by the Landmarks Preservation Commission or occupied by a #building# whose designation as a landmark or interior landmark has been calendared for public hearing and is pending before the Landmarks Preservation Commission.

81-462
Design standards for a through block connection

A through #block# connection is a paved open or enclosed space providing unobstructed access to the #building's# main lobby and connecting, in a straight continuous unobstructed path, two parallel or nearly parallel #streets#. A through #block# connection shall meet the following requirements:

(a)A through #block# connection shall provide a straight continuous unobstructed path at least 15 feet wide. If covered, the clear unobstructed height of a through #block# connection shall not be less than 15 feet.

(b)At no point shall the level of a through #block# connection be more than five feet above or below #curb level#. In all cases, the through #block# connection must provide through its entire length a clear path accessible to the handicapped.

(c)A through #block# connection may be located inside or outside of a #building#. The area of a through #block# connection located within a #building# shall be counted as #floor area#.

(d)A through #block# connection located partially or wholly within a #building# shall adjoin and connect directly to the #building's# main lobby via unobstructed openings with an aggregate width exceeding that of any other entrances to the lobby.

(e)A through #block# connection located wholly or partially outside a #building# shall provide unobstructed access directly to the #building's# main lobby through the major entrance. For the purposes of this Section, the major entrance shall be that entrance to the main lobby which has the greatest aggregate width of clear openings for access.

(f)Any portion of a through #block# connection located outside a #building# shall be illuminated throughout with a minimum level of illumination of not less than five horizontal foot candles (lumens per candle). Such illumination shall be maintained throughout the hours of darkness.

(g)A through #block# connection shall at a minimum be accessible to the public from 8:00 a.m. to 7:00 p.m. on the days the #building# or #development# is open for business and shall have posted in prominent, visible locations at its entrances signs meeting the standards set forth in paragraph (h) of this Section.

(h)A through #block# connection shall provide the following information for public access at each public entry to the through #block# connection:

(1)For an unenclosed through #block# connection, the public access information shall be an entry plaque located at the entrance to the through #block# connection at each #street# frontage. The entry plaque shall contain:

(i)a public space symbol which is at least 14 inches square in dimension; has a white background; has a grid of four straight lines no greater than one-eighth inch wide and green in color; and has a tree shaped symbol as shown:

(Tree Symbol)

(ii)lettering at least two inches in height stating "OPEN TO PUBLIC." This lettering shall be located within nine inches of the public space symbol; and

(iiian international Symbol of Access for the physically handicapped at least three inches square.

The entry plaque shall be mounted with its center five feet above the elevation of the nearest walkable pavement on a wall or a permanent free standing post. It shall be placed so that the entire entry plaque is obvious and directly visible without any obstruction, along every line of sight from all paths of pedestrian access to the through #block# connection, in a position that clearly identifies the entry to the connection.

(2)For an enclosed through #block# connection or a portion thereof:

(i)a public space symbol as described in paragraph (h)(1)(i) of this Section, not less than six inches square, shall be mounted with its center five feet above the elevation of the nearest walkable pavement;

(ii)lettering stating "PUBLIC ACCESS TO STREET," indicating the opposite #street# to which the through #block# connection passes. This lettering shall not be less than three inches in height and located not more than three inches away from the public space symbol and

(iii lettering not more than two inches or less than one and a half inches in height stating "OPEN TO PUBLIC" with the hours and days of operation of the through #block# connection. This lettering shall be located not more than three inches from the public space symbol.

The above required information shall be permanently affixed on the glass panel of the entry doors of the through #block# connection clearly facing the direction of pedestrian flow; the information shall be located not higher than six feet or lower than three feet above the level of the pedestrian path at the entry, and shall be in a format and color which will ensure legibility.

81-4781-46
Off-Street Relocation or Renovation of a Subway Stair

Where a #development# or #enlargement# is constructed on a #zoning lot# which fronts on a sidewalk containing a stairway entrance or entrances into a subway and such #zoning lot# contains 5,000 square feet or more of #lot area#, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

Where a #development# or #enlargement# is constructed on a #zoning lot# containing an existing stairway entrance or entrances into a subway and such entrance or entrances are renovated or reconstructed in accordance with the provisions of Sections 81-471 and 81-473, such entrance or entrances may count as pedestrian circulation space as set forth in Section 81-472 (Relocated or renovated subway stair as pedestrian circulation space).

81-471
Standards for location and design

(a) Location

The relocated or renovated entrance shall be immediately adjacent to, and accessible without any obstruction from a public sidewalk or at least one of the following public spaces, which shall have a minimum horizontal dimension equal to the width of the relocated stairs:

sidewalk widening (Section 81-45)
corner circulation space (Section 81-45)
arcade (Section 81-45)
corner arcade(Section 81-45)
building entrance recess area(Section 81-45)
#urban plaza# (Section 81-23)
The relocated or renovated entrance may be provided within a #building# but shall not be enclosed by any doors. The area occupied by a relocated or renovated entrance within a #building# shall not be counted toward the #floor area# of the #development# or #enlargement#.

(b) Design standards

The following standards are taken from the current New York City Transit Authority's station planning guidelines.

The relocated or renovated entrance shall have a stair width of at least eight feet for each run.

No stairway shall have more than 14 risers without a landing, and each landing shall have a minimum width equal to the width of the stairs, and a minimum length of 5 feet.

Throughout the entire stairway entrance, including passageways, the minimum clear, unobstructed height shall be at least 7 feet 6 inches from finished floor to finished ceiling, including all lighting fixtures and #signs#.

The relocated or renovated stairway entrance shall meet Transit Authority standards and requirements for all of the following: riser and tread relationships, handrails, passageways, ramps, lighting, finish material, ventilation, information signage, and (where provided) weather protection.

In addition and for a relocated entrance only, the relocated entrance shall have a queuing space at the top and bottom of the stairs at least 8 feet wide and 15 feet long. Such queuing space may overlap with a sidewalk widening, or an arcade, or an #urban plaza#.

Where two or more existing stairway entrances are being relocated and/or renovated as part of the same #development#, the new entrance or entrances shall have total stair widths whose sum is equal to or greater than the sum of the stair widths of those existing stairway entrances. The entire entrance area, including passageways, shall be free of obstructions of any kind, except for projecting information signage.

The relocated or renovated entrance may be located within an #urban plaza#, provided that the minimum width of the stairs is 10 feet and the queuing area required for a relocated entrance is unobstructed and contiguous to a sidewalk or a sidewalk widening. A relocated or renovated entrance within an #urban plaza# is a permitted obstruction, but shall not be subject to the percentage limit on permitted obstructions for an #urban plaza#.

The relocated or renovated entrance shall connect to an existing or proposed subway passageway or shall connect, via an underground passageway, to a mezzanine area of the subway station.

The below-grade portion of a relocated or renovated entrance may be constructed within the #street#.

These standards may be modified or waived by the City Planning Commission upon a finding that their enforcement would not contribute to good site planning.

(c) Hours of public accessibility

The relocated or renovated entrance shall be accessible to the public during the hours when the connected mezzanine area is open to the public or as otherwise approved by the Transit Authority.

81-472
Relocated or renovated subway stair as a pedestrian circulation space

One and a half times the area, measured at #street# level, of either of the following types of subway stair entrances may count toward meeting the pedestrian circulation space requirements of Section 81-45 (Provision of Pedestrian Circulation Space):

(a)a new relocated subway entrance; or

(b)an existing subway stair entrance which is contained within the #zoning lot# and has been renovated or reconstructed so that it meets all of the requirements and standards set forth in Sections 81-471 (Standards for location and design) and 81-473 (Administrative procedure for subway stair relocation or renovation).

81-473
Administrative procedure for subway stair relocation or renovation

(a)Except as otherwise provided in paragraph (b) of this Section, no plan shall be approved by the Department of Buildings and no excavation permit or building permit shall be issued for any #development# or #enlargement# which is subject to the requirements for the relocation of a subway stair entrance or counts a renovated or reconstructed subway stair as pedestrian circulation space, unless:

(1)for a relocated entrance, such plan includes a stair relocation plan and related documents which bind the developer to:

(i)construct the new stair entrance in accordance with such plan;

(ii)demolish above ground elements of the existing entrance;

(iii seal the existing entrance at the sidewalk level; and

(iv)maintain the work performed on the stair.

For a renovated or reconstructed entrance, such plan includes a renovation or reconstruction plan and related documents which bind the developer to:

(i)renovate or reconstruct the entrance in accordance with such plan; and

(ii)maintain the work performed on the entrance.

(2)Such plan and related documents bear the Transit Authority's approval.

(3)Such plan is accompanied by a certified copy of an agreement, as recorded, between the Transit Authority and the owner for an easement on the #zoning lot# for subway related use of the new stair entrance and for public access via such entrance to the subway station, which agreement has been recorded against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and is accompanied by the Register's receipt of recordation.

(b)For a relocated entrance only, in the event that major construction problems render the stair relocation infeasible or that operating design considerations make it undesirable, the Transit Authority and the City Planning Commission by joint certification may release the developer from the requirement. In such event, the stair relocation requirement shall be satisfied by retention of the existing stair and provision on the #zoning lot# of a pedestrian circulation space qualifying under the provisions of Section 81-45 (Provisions of Pedestrian Circulation Space) and which accommodates pedestrian traffic passing the existing stair entrance. Such space shall have a width equal to at least one and one half times the width of the existing stair entrance and shall extend along the full length of the stair entrance.

(c)No certificate of occupancy shall be issued for any #development# or #enlargement# subject to the subway stair relocation requirement or counting a renovated or reconstructed subway stair as pedestrian circulation space unless and until all of the work required under paragraph (a)(1) of this Section has been completed and the Transit Authority has so certified in writing to the Department of Buildings.

Where a #development# or #enlargement# is constructed on a #zoning lot# that contains at least 5,000 square feet of #lot area# and fronts on a sidewalk containing a stairway entrance or entrances into a subway station, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair). A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The subway stations where such improvements are required are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-50
INCENTIVES BY SPECIAL PERMIT FOR PROVISIONS OF PUBLIC AMENITIES

81-51
General Provisions and Procedures

Except in the Preservation Subdistrict and except for #zoning lots# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action, may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 81-53 (Subway Station Improvements). However, in the Theater Subdistrict, no special permit shall be issued pursuant to the provisions of Section 81-53 without prior certification by the City Planning Commission that either:

(a)there is not available to the applicant any feasible alternative involving the preservation or rehabilitation of an existing theater for which bonus #floor area# may be authorized by special permit or certification; or

(b)the amenity for which the special permit is requested, because of its importance to the surrounding area, has priority over any feasible alternative involving the preservation or rehabilitation of an existing theater.

The total additional #floor area# permitted on the #zoning lot# by such special permit shall in no event exceed the amount permitted in the underlying district by the provisions of Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

Within the #Special Midtown District#, certain special permit provisions of Article VII, Chapters 3,4, 8 and 9 are inapplicable or subject to modification, as set forth in Section 81-60 (APPLICABILITY OF ARTICLE VII PROVISIONS).

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-53
Subway Station Improvements

The City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may grant #floor area# bonuses and waive or modify #street wall# continuity provisions for #developments# or #enlargements# which provide major improvements for adjacent subway stations in accordance with the provisions of this Section. The subway stations where such improvements may be constructed are listed in Section 81-531 (Midtown subway stations) and located as shown on Map 3 (Subway Station Improvement Areas) in Appendix A. The #zoning lot# for the #development# or #enlargement# on which such a #floor area# bonus is requested shall be adjacent to the subway station for which the improvement is proposed.

In order for the #zoning lot# of the #development# or #enlargement# to qualify as "adjacent," upon completion of the improvement it must physically adjoin a station mezzanine, platform, concourse or connecting passageway.

81-532
Selection of improvements

The selection of improvements shall be on a case-by-case basis and shall be subject to the approval of the Metropolitan Transportation Authority, the New York City Transit Authority, and the City Planning Commission.

81-533
Compliance with Transit Authority design standards

The subway station improvement shall comply with all applicable design standards of the current station planning guidelines of the Transit Authority.

81-534
Procedure

(a)Pre-application

The applicant shall submit schematic or concept plans for the proposed improvement to the MTA, Transit Authority and the Commission.

(b) Application - Pre-certification

After review and agreement on concept by the Metropolitan Transit Authority (MTA), the New York City Transit Authority and the New York City planning Commission, the applicant shall submit documentation deemed necessary by the reviewing agencies. Prior to certification by the Commission, the Transit Authority and the MTA shall each provide a letter to the Commission containing a conceptual approval of the improvement and a statement of any special considerations regarding the Transit Authority's future operation of the improvement.

(c)The special permit application to the Commission shall include information and justification sufficient to provide the Commission with a basis for evaluating the benefits to the City from the proposed improvement and determining the appropriate amount of bonus #floor area# and, where applicable, assessing the advantages and disadvantages of waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets).

(d)Uniform Land Use Review Procedure - Certification

The Commission shall not certify an application under the Uniform Land Use Review Procedure (ULURP) until the requisite letters from the Transit Authority and the MTA have been received and are incorporated in the application. Such letters may be subject to subsequent execution of a final agreement with the developer.

(e)Prior to the granting of a special permit the Transit Authority shall have submitted a letter to the Commission:

(1)stating that the drawings and other documents submitted by the applicant have been determined by the Transit Authority to be of sufficient scope and detail to fix and describe the size and character of the subway improvement as to architectural, structural, mechanical and electrical systems; materials; relationship to existing site conditions; and such other conditions as may be appropriate; and

(2)confirming that the construction of the subway improvement in accordance with such submission is feasible.

The applicant shall sign a legally enforceable instrument running with the land containing complete drawings of the improvement and setting forth the obligations of owner and developer, their successors and assigns, to construct and maintain the improvement, establish a construction schedule and provide a performance bond for completion of the improvement.

(f)Any instrument creating a transit easement on the #zoning lot# shall be recorded against the #zoning lot# in the Office of the Register of the City of New York for New York County and a certified copy of the instrument shall be submitted to the Commission and the Transit Authority. The applicant shall not apply for nor accept a temporary certificate of occupancy for the bonus #floor area#, and the Department of Buildings shall not issue such a temporary certificate of occupancy, until the Transit Authority has determined that the bonused subway improvement is substantially complete which shall, for this purpose, mean usable by the public.

(g)The applicant shall not apply for or accept a permanent certificate of occupancy for the #development# or #enlargement#, nor shall the Department of Buildings issue such permanent certificate of occupancy until the bonused subway improvement has been completed in accordance with the approved plans and such completion has been certified by the Transit Authority.

81-535
Floor area bonus

(a)The amount of the #floor area# bonus shall be at the discretion of the City Planning Commission and may range from no bonus #floor area# to the maximum amount allowable by special permit, as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings). In determining the precise amount of #floor area# bonus, the Commission shall make findings on the following:

(1)the degree to which the station's general accessibility and security will be improved by the provision of new connections, additions to or reconfiguration of circulation space, including provision of escalators or elevators; and

(2)significant improvements to the station's environment by provision for direct daylight access, or improvements to noise control, air quality, lighting or rider orientation and satisfactory integration of the #street# level entryway into the #development# or #enlargement#.

(b)No bonus #floor area# shall be granted for any #development# or #enlargement# located on a #zoning lot# wholly contained within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions).

(c)For a #development# or #enlargement# located on a #zoning lot# divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71, the amount of bonus #floor area# granted shall be subject to the provisions of paragraph (a) of this Section, but shall not exceed the amount of #floor area# derived from applying the maximum bonus #floor area# allowance as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) over the sum of:

(1)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

(2)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (c)(1) of this Section.

If the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, such bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

81-536
Waiver or modification of street wall continuity provisions

As a condition for waiving or modifying the #street wall# continuity provisions of Section 81-43 (Street Wall Continuity along Designated Streets), the Commission shall find that the waiver or modifications will permit the proposed design to provide for access of daylight and air to the subway platform, mezzanine or concourse and that the advantages of such access outweigh the disadvantages incurred by the interruption of #street wall# continuity and retail continuity.

The Commission in granting such waiver or modification shall specify the depth of the setback permitted and the amount by which the required length of #street wall# subject to setback restrictions is reduced.

81-51
General Provisions and Procedures

The City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of this Section.

81-511
Subway Station Improvements

Except in the Preservation Subdistrict and except for #zoning lots# wholly within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission may grant special permits authorizing, for non-#residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan). The subway stations where such improvements are permitted are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-70
SPECIAL REGULATIONS FOR THEATER SUBDISTRICT

81-71
General Provisions

The regulations of Sections 81-72 to 81-75, inclusive, relating to Special Regulations for the Theater Subdistrict are applicable only in the Theater Subdistrict, *and in* **of which** the Theater Subdistrict Core **and the Eighth Avenue Corridor are parts**. *The Theater Subdistrict extends from 40th Street to 57th Street and from Avenue of the Americas to Eighth Avenue.* **The Theater Subdistrict Core extends from 43rd Street to 50th Street and from a line 200 feet west of Avenue of the Americas to a line 100 feet east of Eighth Avenue.**

The Theater Subdistrict is bounded by West 57th Street, Avenue of the Americas, West 40th Street, Eighth Avenue, West 42nd Street, a line 150 feet west of Eighth Avenue, West 56th Street, and Eighth Avenue.

The Theater Subdistrict Core is bounded by West 50th Street, a line 200 feet west of Avenue of the Americas, West 43rd Street and a line 100 east of Eighth Avenue.

The Eighth Avenue Corridor is bounded by West 56th Street, a line 100 feet east of Eighth Avenue, West 43rd Street, Eighth Avenue, West 42nd Street, and a line 150 feet west of Eighth Avenue.

The west side of Eighth Avenue between 42nd and 56th Street is also subject to the provisions of the Special Clinton District to the extent set forth in Article IX, Chapter 6 subject to Section 81-023 (Applicability of Special Clinton District Regulations).

Their **These** boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A.The regulations of Sections 81-72 to 81-75, inclusive, supplement or modify the regulations of this Chapter applying generally to the #Special Midtown District# of which the Subdistrict, *and the Core are* **is a** parts.

In order to preserve and protect the character of the Theater Subdistrict as a cultural, theatrical and entertainment showcase as well as to help insure a secure basis for the useful cluster of shops, restaurants and related amusement activities, special incentives and controls are provided for the preservation and rehabilitation of existing theaters**, and the creation of new legitimate theaters,** and special restrictions are placed on ground floor #uses# within the Subdistrict.In order to preserve and protect the special scale and character of the Theater Subdistrict Core, which includes Times Square, special #building street wall# height and setback controls and requirements for the inclusion of #illuminated signs# and entertainment and entertainment-related #uses# apply within the Subdistrict Core. **In order to ensure the orderly growth and development of the Eighth Avenue Corridor and its transition to the scale and character of adjoining midblocks, special building street wall, height and setback controls apply within the Corridor. In order to preserve and maintain the character of the western edge of the Theater Subdistrict as both an integral part of the Theater Subdistrict and as a transition to the Clinton neighborhood, the west side of Eighth Avenue between 42nd and 56th streets is also subject to the provisions of the Special Clinton District.**

The Mayor of the City of New York shall appoint a Theater Advisory Council (the Council) and name a chairperson. Other members of the Council shall include representatives of the performing arts, the theatrical industry and related professions.The Council shall advise the City Planning Commission concerning applications for special permits or certifications pursuant to Section 81-74.

The City of New York acting through the Mayor shall designate a Theater Subdistrict Council ("Council") comprised of representatives of the performing arts, the theatrical industry and related professions, and which may include government representatives and representatives of Business Improvement Districts and economic development projects active within the Theater Subdistrict.The Council shall be a not-for-profit organization whose organizational purpose shall be limited solely to promoting theater and theater-related use and preservation within the Theater Subdistrict and promoting the welfare of the Theater Subdistrict generally.The Council shall advise the Chairperson or the City Planning Commission concerning applications for any special permit or certification pursuant to the special regulations for the Theater Subdistrict and shall be the holder and administrator of the funds received in connection with transfers of development rights from listed theaters pursuant to Section 81-744 (Transfer of development rights from listed theaters) in accordance with the provisions for the Theater Subdistrict Fund set forth in paragraph (h) of Section 81-741 (General Provisions).

Applications shall be referred by the Commission to the Council for an advisory report prior to certification for ULURP (Uniform Land Use Review Procedure) review.Such advisory report shall assist the **Commission in evaluating each special permit application and in making each of the required findings therein concerning demolition pursuant to Section 81-742 or the #floor area# bonus pursuant to Sections 81-744 or 81-745.In all special permits or certifications involving the preservation or rehabilitation of existing theaters, the Council shall advise the Commission on the adequacy of the assurances required by Section 81-743 for continuance of legitimate theater #use#.**

81-72
Use Regulations Modified

Within that portion of the Theater Subdistrict bounded by West 40th Street, **a line 100 feet east of** Eighth Avenue, West 51st Street and **a line 200 feet west of** Avenue of the Americas, #uses# which are created by #development#, or which are #enlarged# or #extended#, shall be subject to the provisions of this Section.

* * *

81-723
Special ground floor street frontage restrictions

No single establishment shall have a #wide street front lot line# ground level frontage of less than 10 feet. *or, except in the case of theaters, greater than 40 feet.*

* * *

81-724
Requirements for entertainment-related uses

With the exception of a #development# or #enlargement# in which more than 50 percent of the new #floor area# is allocated to #transient hotel use#, a #development# or #enlargement# on a #zoning lot# with more than 50 percent of its #zoning lot# area located within the Theater Subdistrict Core shall meet the following requirements:
(a)If the new #floor area# of the #development# or #enlargement# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 60,000 square feet, an amount of floor space on the #zoning lot# equal to five percent of the amount by which the new #floor area# **generated by that portion of the #zoning lot# located within the Theater Subdistrict Core** exceeds 50,000 square feet shall be allocated to #uses# listed in Section 81-725 (Entertainment-related uses) or #front lot line# ground level #uses# designated thus (***) in Section 81-722 (Use Group T) as satisfying the requirements of this Section.

Except as provided below, the amount of floor space specified shall be located on the same #zoning lot# as the #development# or #enlargement# for which that floor space is provided to meet the requirements of this Section.

(b) Alternatively, *by authorization of the City Planning Commission,* a maximum of 75 percent of the amount of floor space specified *above* **in paragraph (a) of this Section** may be located on a separate #zoning lot#, with the remainder located on the same #zoning lot# as the #development# or #enlargement#, **by authorization of the City Planning Commission** provided, upon examination of proposed plans, the Commission finds that:

(1)either **of the following conditions exist**:

(i)more than 50 percent of the area of the separate #zoning lot# is located within the Theater Subdistrict Core; or

(ii)the *portion of* floor space located on the separate #zoning lot# is allocated in its entirety to studios; music, dancing or theatrical, as listed in Section 81-725 (Entertainment-related uses) and the separate #zoning lot# is located within the Theater Subdistrict;

(2)the *portion of* floor space located on the separate #zoning lot# is *provided separately from and* in addition to any floor space provided to meet the requirements of this Section for any other #development# or #enlargement#;

(3)the *portion of* floor space located on the separate #zoning lot# is constructed or renovated specifically for the purpose of meeting the requirements of this Section and has not been utilized for any of the #uses# listed in Section 81-725 (Entertainment-related uses) at any time during the *period of* two years **period** immediately prior to the date on which authorization described in this *paragraph (a)* **Section** is granted; and

(4)the #use# located on the separate #zoning lot# *maintains* **achieves** a reasonable distribution of entertainment-related #uses# and locations of such #uses#.

* * *

81-74
Special Incentives and Controls in the Theater Subdistrict

81-741
General provisions

(a)Special permits by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission, after public notice and hearing and subject to Board of Estimate action, may grant special permits:

(1)authorizing #floor area# bonuses for rehabilitation of existing theaters in accordance with the provisions of Section 81-745;
(2)authorizing transfer of development rights from #zoning lots# occupied by theaters which are designated landmarks in accordance with the provisions of Section 81-747; and

(3)authorizing demolition of theaters where permissible under the provisions of Section 81-742.

(b)Certification by the Chairperson of the City Planning Commission

By certification of the Chairperson of the City Planning Commission:

(1)bonus #floor area# may be authorized for the retention of any eligible existing listed theater in accordance with the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters);

(2)the Special Provisions for Zoning Lots Divided by District Boundaries (Article VII, Chapter 7) may be modified in the case of a #zoning lot# partly occupied by a listed theater in accordance with the provisions of Section 81-746 (Modification of special provisions for zoning lots divided by district boundaries); or

(3)bonus #floor area# may be authorized for a through #block# galleria in accordance with the provisions of Section 81-748 (Floor area bonus for through block gallerias).

(a)Certification by the Chairperson of the City Planning Commission

In the Theater Subdistrict, the following actions are permitted upon certification by the Chairperson of the City Planning Commission:

(1)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(2)modification of the provisions of Article VII, Chapter 7 (Special Provisions for Zoning Lots Divided by District Boundaries) in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(b)Special Permit by the City Planning Commission

In the Theater Subdistrict, the City Planning Commission may allow, by special permit:

(1)demolition of a theater where permissible under the provisions of Section 81-742 (Listed theaters);

(2)transfer of development rights from any eligible theater in accordance with the provisions of Section 81-744 (Transfer of development rights from listed theaters);

(3)a #floor area# bonus for rehabilitation of an existing theater in accordance with the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing theaters);

(4)transfer of development rights from a #zoning lots# *occupied by a theater which is a designated landmark in accordance with the provisions of Section 81-747 (Transfer of development rights from landmark theaters), and*

(5)additional #floor area# and modifications to the special #street wall# and setback regulations set forth in Section 81-751 (Special street wall and setback regulations within the Theater Subdistrict Core) in connection with legitimate theater use within a #development# or #enlargement#, in accordance with the provisions of Section 81-748 (Floor area for new legitimate theaters).

(c)Additional floor area bonuses

All #developments# located on the west side of Eighth Avenue between 42nd and 56th Streets within the Theater Subdistrict may receive an increase in #floor area# pursuant to Section 96-21 (Floor Area Increase) for those #developments# complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING).

*(c)***(d)**Required assurances

All *such authorizations by* special permits or certifications *and* involving preservation of existing theaters shall be subject to the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use).

(d)(e) Limits on total additional #floor area#

Except as otherwise provided in Section 81-212 (Special provisions for transfer of development rights from landmark sites), the total additional #floor area# permitted on the #zoning lot# by such special permit or certification, together with all bonus #floor area# or #floor area# derived from transferred development rights under other provisions of this Chapter, shall in no event exceed the maximum amount permitted by **certification or** special permit as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings).

*(e)(f)*Limitations on non-theater related bonuses in C6-4, C6-5 or M1-6 Districts

For #zoning lots# or portions thereof in C6-4, C6-5 or M1-6 Districts, the total amount of #floor area# derived from non-theater related bonuses or other special #floor area# allowances pursuant to provisions of this Chapter other than those in Sections 81-744, 81-745, 81-746 or 81-747 *relating to the preservation of existing theaters* shall not exceed a #floor area ratio# of 2.0.

*(f)(g)*Theater-related bonus #floor area# for #residences# in C6-4 and C6-5 Districts

For #zoning lots# or portions thereof in C6-4 or C6-5 Districts, some or all of the bonus #floor area# or other special #floor area# allowances permitted pursuant to the provisions of Sections 81-744, 81-745, 81-746 or 81-747, relating to the preservation or rehabilitation of existing theaters, may be allocated to a #residential building# or the #residential# portion of a #mixed building#, provided that the total #residential floor area ratio# with such #floor area# allowances shall not exceed 12.0.

(h)Theater Subdistrict Fund

In furtherance of the purposes of this Section, the Theater Subdistrict Council shall establish a separate interest-bearing account (the "Theater Subdistrict Fund" or "Fund") for the deposit and administration of the revenues received by the Theater Subdistrict Council generated by the transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Upon receipt of any revenue generated pursuant to such Section, the Theater Subdistrict Council shall notify the Comptroller and the Department of City Planning, and promptly deposit such revenues into the Theater Subdistrict Fund and shall expend such revenues and any interest accumulated thereon in the following manner:

(i) a portion of any such revenues shall be reserved, sufficient in the judgment of the Theater Subdistrict Council but in no event less than 20 percent of such revenues, to undertake the ongoing periodic inspection and maintenance report requirements pursuant of paragraph (c) of Section 81-743.

(ii)the remainder of such revenue shall be used for activities chosen by the Theater Subdistrict Council furthering the objectives and purposes of this Section, which activities may include judicial or administrative proceedings instituted by the Theater Subdistrict Council against any property owner or lessee to enforce the obligations of such owner or lessee pursuant to any restrictive declaration entered into in connection with a transfer of development rights pursuant to Section 81-744 (Transfer of development rights from listed theaters). Notwithstanding the foregoing, funds shall not be used for the physical repair and preservation of theaters.

The Theater Subdistrict Council shall provide an annual report to the Department of City Planning indicating the amounts and dates of any deposits to the Theater Subdistrict Fund in the immediately preceding calendar year, the balance of the Theater Subdistrict Fund at the close of the calendar year, the amounts expended on activities within the Theater Subdistrict and the nature of those activities. The Theater Subdistrict Council shall maintain complete, accurate and detailed records, with supporting documentation, in respect to all deposits to and withdrawals from the Theater Subdistrict Fund, and shall make such records available to the City of New York and the Department of City Planning upon reasonable notice and during business hours for inspection and copying.

(g)Certification for subway station improvements

Within the Theater Subdistrict, any application for a special permit pursuant to the provisions of Section 81-53 (Subway Station Improvements) shall be subject to prior certification by the City Planning Commission in accordance with Section 81-51 (General Provisions).

81-742
Restrictions on demolition of theaters
Listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(a)it is an unsafe #building# and demolition is required pursuant to the provisions of Chapter 26, Title C, Part I, Article 8 of the New York City Administrative Code;

(b)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 207-8.0 of Chapter 8A of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(c)the City Planning Commission, by special permit after public notice and hearing and subject to Board of Estimate action permits its demolition upon making the following findings:

(1)that demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase, taking into consideration any or all of the following list of factors:

(i)current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(ii)history of its #use# as a legitimate theater, presenting legitimate attractions to the general public;

(iii)likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry;

(iv)applicant's plans, if any, for replacement of the theater structure with a #development# containing replacement #uses# supportive of the character of the Theater Subdistrict; and

(2)that there exists a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater shall reserve floor space at least equivalent in amount to the total #floor area# of the theater devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. If the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may authorize a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of Section 81-724 (Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

The theaters to which the provisions of this Section apply are predominantly free standing theaters with full stage and wings and are identified as listed theaters in Table A of this Section.

Indicates theater which may be retained for a #floor area# bonus under the provisions of Section 81-744 (Floor area bonus for retention of certain existing listed theaters), provided that it is not already subject to an agreement under Section 81-743 (Required assurances for continuance of legitimate theater use).

In the case of an existing legitimate theater for whose construction bonus #floor area# was granted pursuant to regulations in effect prior to the May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing

responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(a)Designation of listed theaters

Listed theaters are theaters to which special provisions of this and other Sections as set forth in 81-741 (General Provisions) apply, and are predominantly free-standing theaters with full stage and wings. The theaters identified in the following table are designated as "listed theaters."

LISTED THEATERS

Winter Garden 1634 Broadway 1022 2

***Indicates theaters which do not qualify as a "granting site" pursuant to Section 81-744 (Transfer of development rights from listed theaters).**

In the case of an existing legitimate theater that received a #floor area# bonus pursuant to regulations in effect prior to May 13, 1982, no provisions of this amendment shall be construed as changing any previously existing responsibility of the owner or lessee of such theater for continuance of its #use# as a legitimate theater.

(b)Restrictions on demolition of listed theaters

No demolition permit shall be issued by the Department of Buildings for any theater listed in this Section as a "listed theater," unless:

(1)it is an unsafe #building# and demolition is required pursuant to the provisions of Section 26-127 of Title 26, Chapter 1 of the New York City Administrative Code;

(2)it has been designated a landmark by the Landmarks Preservation Commission and a notice to proceed has been issued to the owner pursuant to Section 25-309 of Title 25, Chapter 3 of the New York City Administrative Code permitting demolition that contemplates removal of the theater from theater #use#; or

(3)the City Planning Commission, by special permit, allows its demolition in accordance with the provisions of paragraph (c) of this Section.

(c)Special permit for demolition of listed theaters

The City Planning Commission may allow, by special permit, the demolition of a theater designated as a listed theater pursuant to this Section provided the Commission finds that the demolition of the theater structure will not unduly diminish the character of the Theater Subdistrict as a cultural, entertainment and theatrical showcase. In making this determination, the Commission may consider any or all of the following:

(1)the current physical characteristics of the theater that affect its suitability as a legitimate theater, including but not limited to seating capacity, configuration and location;

(2)the history of the theater's #use# as a legitimate theater, presenting legitimate attractions to the general public;

(3)the likelihood of its future #use# for legitimate theater production under reasonable terms and conditions prevailing in the theater industry; and/or

(4)that the applicant's plans, if any, for replacement of the theater structure with a #development# contain replacement #uses# supportive of the character of the Theater Subdistrict.

As a condition of the special permit, there shall exist a legal commitment binding upon all parties in interest of the #zoning lot# containing the theater that any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of the listed theater, that floor space at least equivalent in amount to the total #floor area# of the theater shall be reserved or devoted exclusively to #uses# described in Section 81-725 (Entertainment-related uses) and meeting the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses) for the life of such #development# or #enlargement#. Notwithstanding the foregoing, if the area of the #zoning lot# containing the theater is less than 20,000 square feet and the Commission finds that the allocation of floor space at least equivalent in amount to the total #floor area# of the theater to #uses# described in Section 81-725 (Entertainment-related uses) is impractical or unreasonable, the Commission may permit a reduction in the amount of area allocated to such #uses#.

Any #development# or #enlargement# on a #zoning lot# containing a portion or all of the former site of a listed theater must, however, meet the requirements of paragraphs (b) and (c) of Section 81-724 (Requirements for entertainment-related uses), whether or not the #zoning lot# is located within the area described in that Section.

81-743
Required assurances for continuance of legitimate theater use

(a)*As a condition for* **Prior to** the issuance of any special permit under the provisions of Section 81-745 (Floor area bonus for rehabilitation of existing listed theaters) or Section 81-747 (Transfer of development rights from landmark theaters), or the issuance of a certification under the provisions of Section 81-744 *(Floor area bonus for retention of certain existing listed theaters)* **(Transfer of development rights from listed theaters)** or Section 81-746 *(Modification of special provisions for zoning lots divided by district boundaries* **Additional provisions for zoning lots divided by district or subdistrict core boundaries)**, *there* **the following conditions** shall exist:

*(a)(1)*a signed lease from a prospective theater operator, or a written commitment from the owner of the theater if such owner is also the operator, *with credentials acceptable to the City Planning Commission,* for occupancy of the theater and its operation as a legitimate theater for a period of not less than five years;

(2)a licensed engineer's and/or architect's report certifying either that the theater is physically and operationally sound so as to permit its use as a legitimate theater or, if it is determined that the theater is not physically or operationally sound, a plan and program for the upgrade of the theater to put it in condition of physical and operational soundness. For the purposes of this subsection, physical and operational soundness shall include the structural integrity of the exterior and interior elements of the building to the extent that they relate to the theater; compliance with applicable electrical and fire safety codes, and compliance with applicable building code standards.The plan and program shall further provide that adequate resourcesbe available to ensure timely completion of the scope of work identified in the plan and program as necessary to ensure the physical and operational integrity of the theater.

In the event that the theater has been designated as a landmark or an interior landmark by the Landmarks Preservation Commission, physical and operational soundness shall include preserving the integrity of existing significant architectural features identified in the Landmarks Preservation Commission designation report. In such case, a licensed engineer and/or architect with knowledge of historic preservation and credentials acceptable to the Landmarks Preservation Commission shall prepare a report documenting the condition of such significant architectural features and, if determined to be necessary, a plan and program to preserve such significant features in a state of good physical repair and sound proper condition. Such plan and program shall provide that adequate resources be available to ensure timely completion of the scope of work identified in the plan and program. Any certification report regarding a landmark or interior landmark theater shall be submitted concurrently to the Landmarks Preservation Commission and the Chairperson of the City Planning Commission;

(c)a plan and program approved by the Commission for periodic inspection and continuing maintenance of the theater to ensure its continuing availability for theater #use#. Inspections shall be conducted by a certified engineer and/or architect, and a report of each such inspection given to Commission at least once every three years. The plan and program shall further provide that adequate financial resources will be available to ensure the timely completion of all maintenance and repairs which the periodic inspection report determines are necessary to protect the integrity and functioning of the theater; and

(3)a legal commitment providing for inspection and ongoing maintenance of the theater to ensure its continued availability for theater use. Such inspection shall be conducted every ten years by a licensed engineer and/or architect or by the Theater Subdistrict Council, and a report issued to the Chairperson of the City Planning Commission. Such report shall also be issued to the Theater Subdistrict Council unless the Theater Subdistrict Council has performed such inspection, and, in the event the theater has been designated a landmark or an interior landmark, such report shall also be issued to the Landmark Preservation Commission. Such reports shall describe the condition of the theater and identify any maintenance or repair work necessary to ensure the physical and operational soundness of the theater and to maintain the condition of any landmark architectural features and establish a plan and program for such work, including providing that adequate resources be made available to ensure timely completion of such maintenance or repair work;

(b)(4)a legal commitment *binding upon the owner and lessee of the theater* for continuance of its #use# as a legitimate theater for the life of the related #development#, **that may be modified only in accordance with paragraphs (b) or (c) of this Section.**

Such legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, lessee of the theater and their successors and assigns, a certified copy of which shall be submitted to the City Planning Commission. The filing of such declaration and the posting of any bond or other security required by the declaration and receipt of such certified copy shall be preconditions to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the receiving site.

(b)The City Planning Commission may authorize a temporary change of #use# of such theater, for a period no longer than a year, to other uses that contain a theatrical component and are consistent with the objectives and purpose of the Theater Subdistrict subject to the following findings:

(1)the theater has not been used for legitimate theater purposes for more than 60 percent of the days over a minimum period of five years;

(2)the change of #use# shall not include structural changes or other physical changes that would preclude or negatively impact the continued availability of the theater for legitimate theater, after such temporary #use#; and

(3)the theater has complied with all written agreements and commitments set forth in this Section.

Upon application, the authorization may be renewed or extended for two additional one-year terms, for a maximum total of three years by the Chairperson of the City Planning Commission based on the determination that the facts have not substantially changed.

(c)The City Planning Commission, after a period of no less than 25 years from the latter of either the date of approval of a certification or special permit resulting in the legal commitment for continuing #use# of a theater as legitimate theater pursuant to this Section, or (the effective date of this amendment), by special permit may reduce or discontinue such theater's #use# as a legitimate theater subject to a finding that the proposed reduction or discontinuance would result in a change of #use# that will provide a public benefit consistent with the objectives and purpose of the Theater Subdistrict as set forth in Section 81-71 (General Provisions).

81-744
Floor area bonus for retention of certain existing listed theaters

The Chairperson of the City Planning Commission by certification may authorize bonus #floor area# for any #development# or #enlargement# where an agreement exists to retain and maintain for legitimate theater #use# one or more eligible listed theaters as set forth in Section 81-742 (Restrictions on demolition of theaters). The #development# or #enlargement# and each listed theater to be retained may be located on the same or a separate #zoning lot#.

(a)Amount of retention bonus

(1)If the #zoning lot# on which the #development# or #enlargement# is located is within the Theater Subdistrict but wholly outside of the Theater Subdistrict Core, all as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the total area of the #zoning lot#.

If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the amount of bonus #floor area# granted shall not exceed the amount of #floor area# derived from applying a #floor area ratio# of 1.0 over the sum of:

(i)the area of the #zoning lot# which is outside of the Theater Subdistrict Core; and

(ii)an area of the #zoning lot# within the Theater Subdistrict Core, not exceeding the area in paragraph (i).

(2)Such bonus #floor area# may be obtained at a rate of up to 50,000 square feet for each theater which is retained as a condition of the granting of the bonus.

(3)If the #zoning lot# on which the #development# or #enlargement# is located exceeds 50,000 square feet in area, agreements may be entered into to retain and maintain more than one theater for legitimate theater #use# so as to obtain bonus #floor area# not exceeding the amount specified in paragraph (1) of this Section.
(b)Location of development or enlargement

The #development# or #enlargement# for which a theater retention bonus is granted shall be located within the Theater Subdistrict, whose boundaries are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A, but shall not be located on a #zoning lot# which is contained entirely within the Theater Subdistrict Core. If the #zoning lot# on which the #development# or #enlargement# is located is divided by a boundary of the Theater Subdistrict Core and if the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion of the #zoning lot# within the Core and the portion outside of the Core, bonus #floor area# must be utilized on the #zoning lot# in accordance with the provisions of paragraph (b) of Section 81-746 (Additional provisions for zoning lots divided by district or Subdistrict Core boundaries). Each listed theater which is retained as a condition of the granting of the bonus may be located on a #zoning lot# which is the same as or separate from the #zoning lot# containing the #development# or #enlargement#.

(c) Conditions for retention bonus

As a condition for the granting of bonus #floor area# under the provisions of this Section, the following requirements shall be satisfied:

(1)A written declaration to be recorded against both the #zoning lot# of each listed theater and the #zoning lot# of the #development# or #enlargement# shall exist meeting all of the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) that the listed theater will be retained and maintained for legitimate theater #use#. The certificates of occupancy for each listed theater and the #development# or #enlargement# for which bonus #floor area# is granted shall record and incorporate a copy of such agreement, and occupancy of the bonus #floor area# shall be conditioned upon continued compliance therewith.

(2)Bonus #floor area# under the provisions of this Section may only be granted for the retention of listed theaters indicated thus (*) in Table A of Section 81-742 (Restrictions on demolition of theaters); no bonus #floor area# shall be granted for retention of any listed theater already subject to an agreement pursuant to the conditions of Section 81-743

(Required assurances for continuance of legitimate theater use).

81-744
Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed" theater shall mean a theater designated as listed pursuant to Section 81-742 (Listed Theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed" theater and comprised of those block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters), as such block and lots existed on (the effective date of this amendment). However, a "granting site" shall not include any #zoning lot# occupied by a "listed" theater located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the #granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed" theaters, that portion of the #zoning lot# occupied by the "listed" theater and comprised of the block and lot numbers specified for such theater pursuant to Table A of Section 81-742 (Listed Theaters) shall not be included in the "receiving site".
Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate bulk in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

(a)Transfer of development rights by certification

Within the Theater Subdistrict, the Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site" provided that:

(1)the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #granting site# as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the #granting site# and #floor area# attributed to the "granting site" that has been previously used or transferred;

(2)each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;

(3)the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such #receiving site# by more than 20 percent or, for a "receiving site" or any portion of a "receiving site" located within the Eighth Avenue Corridor, by more than 44 percent.

MDIB(4)**the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and**

(5)appropriate legal documents are executed ensuring that a contribution in an amount equal to ten dollars per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to paragraph (h) of Section 81-741 (General Provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights.

The Chairperson of the City Planning Commission may adjust such amount no more than once every three years. Adjustments shall be based on the change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

The Chairperson shall not grant such certification prior to thirty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743(b), or the Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(b)Transfer of development rights by special permit

The City Planning Commission may allow by special permit an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in accordance with paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within C6-7T, C5-3, C6-6 and C6-7 districts subject to the following conditions:

(i)no feasible transfer of development rights is possible from landmark theaters pursuant to Section 81-747 (Transfer of development rights from landmark theaters) or other landmarks pursuant to Section 74-79 (Transfer of development rights from landmark sites) to the "receiving site";

(ii)the maximum amount of such additional #floor area# transferred to that portion of a "receiving site" located within such districts shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for such portion of a "receiving site" by more than 20 percent; and

(iii)notwithstanding the maximum amount of #floor area# allowed to be transferred pursuant to paragraph (ii) above, such transfer complies with the conditions and limitations set forth for the transfer of development rights by certification in paragraph (a) of this Section.

In order to grant a special permit the City Planning Commission shall find:

(1)that such additional #floor area# will not unduly increase the bulk of any new #development# or #enlargement# on the "receiving site", density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(2)that the distribution and location of such bulk will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

(c)Requirements for Application

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to paragraph (a) of this Section or with the City Planning Commission for the transfer of development rights by special permit pursuant to paragraph (b) of this Section shall be made jointly by the owners of the "granting site" and "receiving site" and shall include:

(1)a site plan and #floor area# zoning calculations for the #granting site# and the #receiving site#, and, for special permit applications, any such other information as may be required by the City Planning Commission; and

(2)a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# of the "granting site" and the "receiving site". The notice of restrictions shall be filed by the owners of the respective lots in the Borough Office of the Register of the City of New York, indexed against the "granting site" and the "receiving site", a certified copy of which shall be submitted to the Chairperson of the City Planning Commission. Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the "receiving site".

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify by lot and block numbers the lots from which and the lots to which such transfer is made.

(3)demonstrations of compliance with the requirements of Section 81-743 and paragraph (a)(5) of Section 81-744, including all necessary legal documents. Issuance of any building permit, including any foundation or alteration permit, shall be conditioned upon the filing of such legal documents in the Borough Office of the Register of the City of New York and receipt by the City Planning Commission of certified copies of same as required pursuant to Section 81-743.

A separate application shall be filed for each transfer of development rights to an independent "receiving site".

81-745
Floor area bonus for rehabilitation of existing listed theaters

The Commission by special permit may authorize bonus #floor area# for substantial rehabilitation or restoration of any theater listed as a listed theater in Section 81-742 (Restrictions on demolition of theaters), in accordance with the provisions of this Section.

(a) Conditions for rehabilitation bonus

As a condition for the issuance of a special permit under the provisions of this Section, the following requirements shall be satisfied:

(1) Location of development

The #development# for which a theater rehabilitation bonus is granted shall be located on the same #zoning lot# as the listed theater.

(2)Qualification of substantial rehabilitation

Substantial rehabilitation work qualifying for a #floor area# bonus shall consist of major interior structural changes for the purpose of improving a theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater which has been designated as an interior landmark.

Substantial rehabilitation may include, without limitations, such work as expanding stage wings, re-raking the orchestra, increasing rehearsal, dressing room or lobby space, or historic restoration. It may also include reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#. Substantial rehabilitation does not mean normal theater maintenance, painting or improvements to mechanical systems alone.

(3) Timing and commitment

(i)There shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(ii)the requirements of Section 81-743 (Required assurances for continuance of legitimate theater use) shall be satisfied;

(iiia rehabilitation bonus shall not be granted for a substantial rehabilitation completed before May 13, 1982.

(b)Amount of rehabilitation bonus

The amount of bonus #floor area# granted for a qualifying theater rehabilitation shall be at the discretion of the City Planning Commission after consideration of the following findings by the Commission:

(1)how and to what extent the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater; and

(2)how the proposed rehabilitation will contribute toward satisfying the needs of the Theater Subdistrict.
Such bonus #floor area# shall not exceed 20 percent of the basic maximum #floor area# permitted on the development's #zoning lot# by the regulations of the underlying district, except that in the case of a C6-4, C6-5, or M1-6 underlying District, the bonus #floor area# shall not exceed 44 percent of the basic maximum #floor area# permitted in such underlying District.

The City Planning Commission may allow by special permit bonus #floor area# for substantial rehabilitation or restoration of any theater designated as listed theater pursuant to Section 81-742 (Listed Theaters), provided the following conditions are met:

(a)the #development# for which a theater rehabilitation bonus is granted is located on the same #zoning lot# as the listed theater;

(b)substantial rehabilitation will be performed, consisting of major interior structural changes for the purpose of improving the theater's design and its commercial viability for legitimate theater #use#, or historic restoration of the interior of a theater designated as an interior landmark. Substantial rehabilitation may include, without limitation, such work as an expansion of stage wings, re-raking of the orchestra, an increase in the amount of rehearsal, dressing room or lobby space, historic restoration, or reconversion to legitimate theater #use# of an original legitimate theater currently in other #use#, but shall not mean normal theater maintenance, painting or improvements to mechanical systems alone;

(c)the maximum amount of bonus #floor area# shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings) for the #zoning lot# by more than 20 percent, or, for #zoning lots# located in C6-4, C6-5, or M1-6 Districts, by more than 44 percent;

(d)there shall be a contractual commitment or commitments for the construction work involved in the substantial rehabilitation;

(e)the provisions of Section 81-743 (Required Assurances for continuance of legitimate theater use) are met, and

(f)no rehabilitation bonus shall be granted for a substantial rehabilitation completed before May 13, 1982.

In order to grant the special permit, the Commission shall make the following findings:

(1)the proposed rehabilitation will improve the theater's suitability for #use# as a legitimate theater;

(2)the proposed rehabilitation will contribute towards satisfying the needs of the Theater Subdistrict;

(3)the bonus #floor area# will not unduly increase the bulk of any new #development# or #enlargement#, density of population, or intensity of #use# on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area; and

(4)the distribution and location of such #floor area# bonus will not adversely affect the surrounding area by restricting light and air or otherwise impair the essential character or future #development# of the surrounding area.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding areas.

For purposes of applying the provisions of Section 11-42 (Lapse of Authorization or Special Permit by the City Planning Commission Pursuant to the 1961 Zoning Resolution) to a special permit granted pursuant to this Section, "substantial construction" shall mean substantial rehabilitation, as described in paragraph (b) of this Section, of the subject theater for which a #floor area# bonus has been granted to a related #development#.

81-746
Additional provisions for zoning lots divided by district or subdistrict core boundaries

(a)For any #zoning lot# which includes a listed theater as set forth in Section 81-742 *(Restrictions on demolition of theaters)* **(Listed Theaters) or is or contains a "receiving site" pursuant to Section 81-744 (Transfer of development rights from listed theaters),** and which is divided by a boundary between districts with different *#bulk# regulations,* **basic maximum #floor area ratios# as set forth in Section 81-211 (Maximum floor area ratio for non-residential or mixed buildings),** the Chairperson of the City Planning Commission, by certification, may authorize modifications of the provisions of Section 77-02 (Zoning Lots not Existing Prior to Effective Date or Amendment of Resolution), Section 77-21 (General Provisions), Section 77-22 (Floor Area Ratio) and Section 77-25 (Lot Area or Floor Area Requirements), as follows:

For any #zoning lot#, *whether or not it existed on December 15, 1961, or on the date of any applicable subsequent amendment thereto,* #floor area# or #rooms# permitted by the applicable district regulations on *that* **either** side of the district boundary *occupied by the theater* may be located on the other side of the district boundary *subject to the following conditions* **provided**:

(1)the amount of such #floor area# to be located on *the other* **either** side of the district boundary shall not exceed 20 percent of the basic maximum #floor area ratio# of the district in which it is to be located;

(2)the number of such #rooms#, if any, to be located on *the other* **either** side of the district boundary shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(3)*compliance with* the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) **are met**.

The Chairperson's certification approving modification of the provisions for **such** #zoning lots# divided by district boundaries shall state the total amount of #floor area#, including #floor area# of *the* **any** existing theater, to be provided on the #zoning lot# as a whole **and** the portion thereof to be located in each district, and the amount authorized herein to be located across the district boundary from the district in which the theater is located.

Notice of the restrictions upon further #development# of each portion of the #zoning lot# shall be recorded by the owner against the #zoning lot# in the Office of the Register of the City of New York (County of New York) and a certified copy shall be submitted to the Commission.

(b)Notwithstanding any other provisions of this Resolution, for any #zoning lot# which is divided by a boundary of the Theater Subdistrict Core as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Theater Subdistrict Core, the applicable underlying #bulk# regulations shall be modified as follows:

(1)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# within the Theater Subdistrict Core may be located on the portion of the #zoning lot# outside the Core, provided that the number of such #rooms#, if any, to be

located outside of the Core shall not exceed the number permitted by the #floor area per room# requirements as set forth in Section 81-242 (Density regulations for residential and mixed buildings); and

(2)#floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations on that portion of the #zoning lot# outside of the Theater Subdistrict Core shall not be located on the portion of the #zoning lot# within the Core.

(c)Notwithstanding any other provisions of this Resolution, for any #zoning lot# located wholly within the Theater Subdistrict and outside of the Theater Subdistrict Core that is divided by a boundary of the Eighth Avenue Corridor as defined in Section 81-71 (General Provisions) and for which the basic maximum #floor area ratio# as set forth in Section 81-211 (Maximum floor area ratios for non-residential or mixed buildings) is the same for both the portion within and the portion outside of the Eighth Avenue Corridor, #floor area#, including bonus #floor area#, or #rooms# permitted by the applicable district regulations may be located on either side of the Eighth Avenue Corridor boundary.

81-748
Floor area bonus for through block gallerias

Upon certification by the City Planning Commission that the requirements of this Section are satisfied, a #development# within the Theater Subdistrict, but outside of the Theater Subdistrict Core, which provides a through #block# galleria shall be eligible for bonus #floor area# in the amount of 6 square feet for each square foot of through #block# galleria area, provided that in no case shall such bonus #floor area# exceed a #floor area ratio# of 1.0.

A through #block# galleria is a continuous covered public space on a #zoning lot#, which connects two parallel or nearly parallel east-west #streets# and provides for through #block# pedestrian circulation as well as other pedestrian amenities appropriate to the Theater Subdistrict. A through #block# galleria shall satisfy the following requirements:

(a) District plan requirements

A through #block# galleria shall be located within the Theater Subdistrict but outside of the Theater Subdistrict Core.
It shall be located not less than 200 feet from a #wide# north-south #street#. It shall satisfy the requirements of Section 81-46 (Through Block Connection). It may be counted toward meeting the minimum pedestrian circulation space requirements as set forth in Section 81-45 (Provision of Pedestrian Circulation Space) up to a maximum of 3,000 square feet. For any #zoning lot# on which a through #block# connection is not permitted by the provisions of Section 81-46 as counting towards meeting the pedestrian circulation space requirements of Section 81-45, no bonus shall be allowed for a through #block# galleria.

(b) Location

At each end it shall adjoin and open onto a #street#, a sidewalk widening, a #plaza# or an #urban plaza# adjacent to the #street#. It shall provide continuous, unobstructed access from one end to the other.

(c) Elevation

It shall have the same grade elevation at each end as the sidewalk, sidewalk widening or #urban plaza# which it adjoins.
This elevation shall be maintained for at least 20 feet from the end, beyond which a grade change, if any, is permitted only to reconcile grade differences between the two ends.
Provisions for changes in grade shall include ramps for wheelchair users with a maximum slope of one to twelve.

(d) Access

It shall be open at each end, with width and height of opening not less than the applicable minimum width and height set forth in paragraph (e) of this Section.
It may connect with, but not serve as, lobby space for a new #building# or a theater.
It shall be open to the public between the hours of 8:00 a.m. and 7:00 except for certain legal holidays (December 25, January 1 and July 4).

(e) Minimum dimensions

Minimum dimensions depend on the length of the through #block# galleria, as follows:

THROUGH BLOCK GALLERIA

LENGTH		
less than 150 feet		
	150 feet	*or more*
Minimum width	*20 feet*	*25 feet*
Average width	*20 feet*	*30 feet*
Minimum heigh	*20 feet*	*25 feet*
Average heigh	*20 feet*	*20 feet*

(f) Minimum clear path

Except as provided in paragraph (g) (Permitted obstructions), there shall be a straight path, clear of all obstructions, including door swings, extending from one end of the galleria to the other, with a minimum width of 15 feet. Where the through #block# galleria is adjoined at one or both ends by a sidewalk widening, #plaza# or #urban plaza#, such minimum width of clear path shall be continued across the adjoining open space to the #street line#.

(g) Permitted obstructions

(1)Columns or posts are permitted obstructions provided that the minimum width of the through #block# galleria exclusive of column widths shall be 20 feet and that the clear path width is at least 15 feet or two clear paths are provided, the paths being separated by columns and each having a minimum width of 10 feet.

(2)In areas outside the minimum clear path or paths, obstructions such as the following are permitted: planters, seating areas, landscape features, fountains, works of art, food kiosks, litter receptacles, drinking fountains, lights or lighting stanchions, public telephones, temporary exhibitions, retractable awnings and canopies and movable tables and chairs, provided that the total area occupied by such obstructions is less than 50 percent of the total area of the through #block# galleria minus the required clear path area.

(3)For through #block# gallerias with areas larger than 3,000 square feet, public seating is required.
There shall be at least one linear foot of seating for each 20 square feet of through #block# galleria area in excess of 3,000 square feet.
The design standards for seating shall be as set forth in paragraph (j) of Section 37-043 (Urban plaza). Eating or drinking service may be provided adjacent to, but not within, the through #block# galleria. All seating within the through #block# galleria shall be accessible to the public.

(4)For through #block# gallerias with an average height of at least 45 feet, bridges or balconies are permitted as obstructions, provided that such bridges or balconies are at least 15 feet above the floor level of the galleria, the width of the bridge is not more than 8 feet, the width of a balcony is not more than 5 feet and the total area of such obstructions is not more than 10 percent of the total area of the galleria.
Such obstructions may be enclosed provided that such enclosures are not more than 15 feet in height.

(h)Treatment of bounding walls

Along the length of a through #block# galleria, the bounding walls, except for walls along a #side lot line#, shall be lined insofar as possible with areas accessible to the public, display windows, or other exhibits, and such bounding walls shall be of transparent material.
Walls along a #side lot line# may be treated with planting or other landscape features.

(i) Skylights

(1)Design standard

Skylights shall be provided having a minimum surface area equal to at least 75 percent of the through #block# galleria, and skylights shall cover at least 50 percent of the galleria's area as measured in plan and shall be unobstructed from the skylights up to the sky.

(2)Modification of design standard

The City Planning Commission may authorize a modification of the minimum area of a skylight for a through #block# galleria under the following conditions:

(i)the through #block# galleria contains a minimum area of 6000 square feet;

(ii)the minimum height of the through #block# galleria is at least double its average width; and

(iiithe exterior bounding walls of the through #block# galleria are open or glazed above a height of 30 feet so as to permit additional natural light into the space.

The total amount of such open or glazed area, including the skylight shall be equal to at least 75 percent of the area of the through #block# galleria.

(j) Penalties for violations

Failure to comply with the conditions or restrictions of the bonused amenity shall constitute a violation of this Resolution and shall constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

81-748
Floor Area for New Legitimate Theaters

Within the Theater Subdistrict in C6-7T, C5-3, C6-6 and C6-7 Districts, the City Planning Commission may, by special permit, allow additional #floor area# for new legitimate theater use. Such additional #floor area# shall be up to a maximum #floor area ratio# of 2.0 calculated over that portion of the #zoning lot# located within such districts. However, where more than half of the #lot area# of the #zoning lot# is located within such districts, and the remaining portion is located outside of such districts, such additional #floor area ratio# of 2.0 may be calculated over the entire #zoning lot#. The Commission may also permit the modification of the #street wall# and setback regulations of Section 81-751 (Special Street Wall and Setback Regulations within the Theater Subdistrict Core) in connection with such #floor area# for new theater, subject to the following conditions:

(a)the total maximum #floor area# ratio inclusive of all bonuses and #floor area# used for new legitimate theater shall not exceed 21.6 on that portion of the #zoning lot# located within such districts, and
(b)such #floor area# shall be limited to floor space exclusively associated with legitimate theater use, including auditorium, orchestra, balconies, stage and theater equipment space, wings, dressing rooms, lobbies, lounges, ticket offices and rest rooms and circulation space.

No modifications permitted by such special permit shall allow for the modification of signs required pursuant to Section 81-73 (Special Sign and Frontage Regulations).

In granting such special permit, the City Planing Commission shall make the following findings:

(1)such floor area allowance shall not unduly increase the #bulk# of any new #development# or #enlargement#, density of population, or intensity of use on any #block# to the detriment of occupants of #buildings# on the #block# or the surrounding area;

(2)such modifications to #street wall# and setback regulations are necessary to accommodate the theater configuration and volume, are essential to ensure the proper functioning of the theater, and are limited to the minimum necessary to accommodate the theater; and

(3)such modifications to #street wall# and setback regulations do not adversely affect access to light and air at #street# level as compared to that which would result from the application of the regulations set forth in Section 81-75 (Special Street Wall and Height and Setback Regulations);

The Commission may prescribe appropriate conditions and safeguards to minimize other adverse effects on the character of the surrounding area.

An application filed with the City Planning Commission for special permit pursuant to this Section shall be made jointly by the owners of the #development# or #enlargement# and the owner and/or operator of the theater and shall include floor plans and zoning calculations indicating the location and size of the legitimate theater, and shall include a legal commitment made by the theater owner and the developer for continuance of the #use# of such #floor area# as a legitimate theater and prohibition of the #use# of such #floor area# for any #use# other than legitimate theater use for the life of the related #development# or #enlargement#.
The legal commitments shall be in the form of a declaration of restrictions, filed and duly recorded in the Borough Office of the Register of the City of New York, binding upon the owner, any lessee of the theater and their successors and assigns. The certificate of occupancy for the #building# containing the theater shall describe all #floor area# allocated as legitimate theater #use# for which such special permit has been granted.

81-75
Special Street Wall and Setback Requirements
(existing Section 81-75 becomes new Section 81-751)

#Developments# or #enlargements# located on #zoning lots# or portions of #zoning lots# within the Theater Subdistrict Core or the Eighth Avenue Corridor shall comply with the regulations of this Section. The height of all #buildings or other structures# shall be measured from #curb level#.

*81-75***81-751**
Special Street Wall and Setback *Requirements* **Regulations within the Theater Subdistrict Core**

#Developments# or #enlargements# located on #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway**, or located partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor** shall comply with the requirements of this Section, and, in all other respects related to height and setback, with the provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings)**, and either** 81-26 (Height and Setback Regulations - Daylight Compensation) *and* **or** 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

* * *

(b)TS10,13,15,20,25,30,35,40,45,50,55,60,65, 70,75The #street wall# of any #building# on a #zoning lot# between 43rd and 50th Streets and between Seventh Avenue and Broadway shall have a minimum #street wall# height of 50 feet *above #curb level#* on all #street# frontages.

(c)For #zoning lots# located in partially within the Theater Subdistrict Core and partially within the Eighth Avenue Corridor, the #street wall# of any #building# or portion of a #building# within the Theater Subdistrict Core shall have a minimum #street wall# height of 50 feet, or the height of the #building#, whichever is less, and a maximum #street wall# height of 60 feet within 15 feet of the #narrow street line#.

81-752
Special Street Wall and Setback Regulations within the Eighth Avenue Corridor

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and east of Eighth Avenue shall comply with the requirements of this Section, and except as superseded by this Section, with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

#Developments# or #enlargements# on #zoning lots# located in whole or in part within the Eighth Avenue Corridor, as defined in Section 81-71, and west of Eighth Avenue shall comply with the requirements of this Section. The provisions of Sections 81-25 (General Provisions Relating to Height and Setback of Buildings), 81-26 (Height and Setback Regulations - Daylight Compensation) and 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation) shall not apply except as set forth in paragraph (b)(1) of this Section.

(a)Street Wall Location and Minimum and Maximum Heights before Setbacks

(1) On Eighth Avenue and 42nd Street, #street walls# shall extend along the entire #street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall comply with the location requirements of paragraph (a)(3) of this Section. The maximum height of #street walls# within 10 feet of the #wide street line# shall be 150 feet beyond 15 feet of a #narrow street line# and 85 feet within 15 feet of a #narrow street line#.

(2)On a #narrow street# east of Eighth Avenue, and on a #narrow street# west of and within 100 feet of Eighth Avenue, #street walls# shall extend along the entire width of such #narrow street# frontage of the #zoning lot# to a minimum height of 50 feet or the height of the #building#, whichever is less.
At least 70 percent of the #aggregate width of street walls# along such #narrow street# frontage shall be located on the #street line#, and the remaining 30 percent of the #aggregate width of street walls# may be located beyond the #street line# in compliance with #residential outer court# regulations for #residential# portions of #buildings#, and #community facility outer court# regulations for all other portions of #buildings#. However, within 30 feet of the intersection of two #street lines#, #street walls# shall\comply with the location requirements of paragraph (a)(3) of this Section.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 85 feet.

No #street walls# are required along a #narrow street# west of and beyond 100 feet of Eighth Avenue provided at least 70 percent of the entire frontage of the #zoning lot# along such #narrow street# is occupied by #street walls# located on the #street line#.
The maximum height of #street walls# within 15 feet of the #narrow street line# shall be 66 feet, except in accordance with paragraph (b)(3) of this Section.

(3)Within 30 feet of the intersection of two #street lines#, the #street wall# shall be located on the #street line# or anywhere within an area bounded by the two #street lines# and lines parallel to and 15 feet from such #street lines#.

(4)For #developments# that occupy the entire #block# frontage of a #wide street# and provide a continuous sidewalk widening along such #street line#, the boundary of the sidewalk

widening shall be considered to be the #street line# for the purposes of this Section.

The #street wall# location and minimum height before setback regulations of this Section shall not apply to portions of #zoning lots# occupied by existing #buildings#.

(b)Special street wall regulations for buildings adjacent to listed theaters

For #developments# or #enlargements# that are adjacent to a theater listed pursuant to Section 81-742 (Listed Theaters), the maximum height of the #street wall# of the #development# or #enlargement# facing the same #street# as the listed theater shall be 60 feet within 15 feet of the #street line#.

(c)Additional Regulations Applying West of Eighth Avenue

(1)West of Eighth Avenue, at any level above a height of 85 feet, any #development# or #enlargement# or portion thereof shall have a minimum #lot coverage# requirement of 33 percent of the #lot area# of the #zoning lot#, except that such minimum #lot coverage# requirement shall not apply to the highest four #stories# of the #building#.
#Developments# or #enlargements# or portions thereof that occupy, in the aggregate, more than 40 percent of the #lot area# of a #zoning lot# (or, for #zoning lots# of less than 20,000 square feet, a greater percentage than set forth in the table in Section 23-651), shall comply with the provisions of Section 81-25 (General Provisions Relating to Height and Setback of Buildings), and either 81-26 (Height and Setback Regulations - Daylight Compensation) or 81-27 (Alternate Height and Setback Regulations - Daylight Evaluation).

(2)Beyond 125 feet of the western #street line# of Eighth Avenue, and beyond 100 feet of the northern #street line# of 42nd Street, no #building or other structure# shall exceed a height of 66 feet, except in accordance with paragraph (3) below.

(3)Where the new or #enlarged building# abuts an existing #building# located entirely beyond 125 feet of the western #street line# of Eighth Avenue and the northern #street line# of 42nd Street, and such existing #building# exceeds a height of 66 feet, the new or enlarged #building# may exceed any height limits specified in this Section up to the height of the existing #building#, provided that, within 15 feet of the #narrow street line#, such portion of the new or #enlarged building# does not exceed either the height of the existing #building# or 85 feet, whichever is less.
For the purposes of this paragraph, the height of the existing #building# shall be the height of its #street wall#, before setback, if applicable, of that portion of the existing #building# abutting the new or #enlarged building#, fronting on the same #street line#, and located on the same or adjoining #zoning lot#.

Chapter 6
Special Clinton District

96-00
GENERAL PURPOSES

The "Special Clinton District" (hereinafter also referred to as the "Special District"), established in this Resolution, is designed to promote and protect public health, safety, general welfare and amenity.
Because of the unique geographical location of the Clinton community, situated between the waterfront on the west and a growing central business district on the east, it is necessary to provide specific programs and regulations which will assure realization of community and city-wide goals.

These goals include, among others, the following:

(a)to preserve and strengthen the residential character of the community;

(b)to permit rehabilitation and new construction within the area in character with the existing scale of the community and at rental levels which will not substantially alter the mixture of income groups presently residing in the area;

(c)to preserve the small-scale character and variety of existing stores and activities and to control new commercial uses in conformity with the existing character of the area;

(d)to recognize the unique character of the eastern edge of District as an integral part of the Theater Subdistrict within the Special Midtown District as well as the Special Clinton District;

(e)to provide an appropriate transition from the mixed-use character along Eighth Avenue to the lower-scale residential character of the Clinton community on the narrow streets;

*(d)(f)*to provide amenities, such as street trees, to improve the physical environment;

*(e)(g)*to restrict demolition of buildings that are suitable for rehabilitation and continued residential use; and

*(f)(h)*to promote the most desirable use of land in the area and thus to conserve the value of land and buildings, and thereby protect the City's tax revenues, consistent with the foregoing purposes.

96-01
Definitions

Definitions specially applicable to this Chapter are set forth in this Section.
The definitions of other defined terms are as set forth in Section 12-10 (DEFINITIONS).

Mixed building

For the purposes of this Chapter, a "mixed building" is a #building# in a #Commercial District# used partly for #residential use# and partly for #community facility# or #commercial use#, or a #building# in a #Residential District# used partly for #residential use# and partly for #community facility use#.

Special Clinton District
(repeated from Section 12-10)

The "Special Clinton District" is a Special Purpose District designated by the letters "CL" in which special regulations set forth in Article IX, Chapter 6 apply.

The #Special Clinton District# and its regulations supplement or supersede those of the districts on which it is superimposed.

Special Midtown District
(repeated from Section 12-10)

The #Special Midtown District# is a Special Purpose District designated by the letters "MiD", in which special regulations set forth in Article VIII, Chapter 1 apply.

96-02
General Provisions

Except as modified by the express provisions of this Chapter, the regulations of the underlying districts **or as modified by the Special Midtown District** remain in effect.

The Special Midtown District and its regulations, where applicable in the Special Clinton District, shall also apply and shall supplement or supersede regulations as set forth in this Chapter pursuant to Section 96-202 (Special regulations for perimeter area fronting Eighth Avenue). In the event of any conflict or discrepancy between the regulations the provisions of the Special Midtown District shall control. This portion of the Special Purpose District is designated on the #zoning map# by the letters "CL-MiD".

96-03
District Map

The District Map for the #Special Clinton District# (Appendix A) identifies specific areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Clinton District#. These areas and the sections of this Chapter which contain regulations pertaining thereto are as follows:

Area A - PRESERVATION AREA, Section 96-10
Area B - PERIMETER AREA, Section 96-20
Area C - OTHER AREAS, Section 96-30

96-10
PRESERVATION AREA

96-20
PERIMETER AREA

#Developments# within the Perimeter Area shall be eligible for increased #floor area# pursuant to Section 96-21 (Floor Area Bonus).
Because of increased pressures for #development#, the relocation and demolition provisions of Section 96-23 (Relocation and Demolition of Buildings in the Perimeter Area) shall apply therein for all demolition, #development#, #enlargement# or #extensions# on lots containing #residential uses#.
All existing legal #uses# in enclosed #buildings# shall be considered conforming #uses#.
Except as otherwise provided in this Chapter, any existing #commercial# or #manufacturing uses# may be changed to another #non-conforming use# only in accordance with the provisions of Sections 52-31 (General Provisions), 52-33 (Manufacturing or Related Uses in Residence Districts), 52-34 (Commercial Uses in Residence Districts, 52-35 (Manufacturing or Related Uses in Commercial Districts) and 52-36 (Non-Conforming Commercial Uses in Commercial Districts).

96-201
Special urban design regulations relating to retail continuity and street wall requirements
Special Regulations for 42nd Street Perimeter Area

(a) The provisions of this Section shall apply to #developments# or #enlargements# located in all #Commercial Districts# within the area bounded by the following:
Starting 150 feet west of Eighth Avenue, south to the southern boundary of West 41st Street, west to the east side of Twelfth Avenue, north along the eastern border of Twelfth Avenue to 43rd Street, east on West 43rd Street to the eastern side of Tenth Avenue, south along Tenth Avenue to the southern boundary of West 42nd Street, east on West 42nd Street to Ninth Avenue, north along the western boundary of Ninth Avenue to the midblock of 42nd/43rd Street, east to a point 150 feet west of Eighth Avenue, south to the southerly boundary of 41st Street.

(a)Retail Continuity Requirements

*(b)***(1)**For any #development# or #enlargement# fronting on West 42nd Street, between 9th and 12th Avenues, at least 50 percent of the street frontage of the ground floor, or within five feet of #curb level#, shall be limited to Use Groups 4A, 6A, 6C, 10A, 11, 12A and 12B.

*(c)***(2)**At least 50 percent of the length of the facade of such #street wall# fronting on West 42nd Street shall be glazed with transparent material to a height of not less than 16 feet above #curb level#. The lowest point of such glazed area shall not be higher than four feet above #curb level#.

*(d)***(b) Street Wall Continuity Requirements**

(1) At least 80 percent of the #aggregate width of street walls# of a #building# fronting on West 42nd Street, up to a height of 45 feet, shall be located within 10 feet of the #street line# of such #street#.

*(e)***(2)**The minimum height of the #street wall# of a #building# above #curb level# shall be no less than 45 feet and no more than 85 feet. Above this required height, the #street wall# of a #building# shall set back at least five feet. The requirements of this paragraph shall also apply to any #development# or #enlargement# on a #wide street# frontage within a distance of 50 feet from its intersection with West 42nd Street.

96-202
Special regulations for Eighth Avenue Perimeter Area

All #developments# or #enlargements# located in an area bounded by a line 150 feet west of Eighth Avenue, West 56th Street, Eighth Avenue, and West 42nd Street shall comply with special regulations set forth in Article VIII, Chapter 1 (Special Midtown District), including Section 81-70 (Special Regulations for Theater Subdistrict).

96-21
Floor Area Increase

(a)**Except as specified in paragraph (b) of this Section,** *F*for any #development#, the #floor area ratio# permitted by the underlying district may be increased from 10.0 to 12.0 only by complying with the provisions of Section 23-90 (INCLUSIONARY HOUSING). A permanent certificate of occupancy for any #building# incorporating #floor area# increase pursuant to this Section shall not be issued by the Department of Buildings until the issuance of a permanent certificate of occupancy for lower income housing. In addition to the requirements of Section 23-90 (INCLUSIONARY HOUSING), any units for which a #floor area# increase has been earned pursuant to Section 23-90 shall be within the #Special Clinton District#.

(b)For any #development# located within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), the #floor area ratio# permitted by the underlying district may be increased pursuant to the provisions of Section 81-21 (Floor Area Regulations) as set forth in Article VIII Chapter 1 (Special Midtown District).

96-22
Special Permit for Modification of Height and Setback Regulations

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special Regulations for Eighth Avenue Perimeter Area), *T*the City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit modification of height and setback regulations for #developments# which have generated an increase in the #floor area ratio# of not more than 2.0 under the provisions of Section 96-21 provided that such modification is necessary to achieve better site planning.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

* * *

*96-52***96-52**
Bulk *m*Modifications for *p*Public *Parking Garages*

Except within the Eighth Avenue Perimeter Area set forth in Section 96-202 (Special regulations for Eighth Avenue Perimeter Area), *In* in all other C6 Districts, the City Planning Commission by special permit after public notice and hearing and subject to Board of Estimate action, may permit for #public parking garages#, modification of the applicable #lot coverage#, #yard# and height and setback regulations. As a condition of permitting such modifications the Commission shall make the following findings:

(a)that because of site limitations such modifications are necessary for the proper design and operation of the #public parking garage#; and

(b)that such modifications will not unduly obstruct access to light and air in the #street# or on adjacent #zoning lots#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.

* * *

96-60
SPECIAL PERMIT PROCEDURE

96-601
Requirements for applications

An application to the City Planning Commission for the grant of a special permit under the provisions of this Chapter, shall include a site plan showing the location and proposed #use# of all #buildings or other structures# on the site, the location of all vehicular entrances and exits and off-street parking spaces, and such other information as may be required by the City Planning Commission.

Notwithstanding the foregoing, in the Eighth Avenue Perimeter Area all applications made pursuant to the Special Midtown District shall be subject to the guidelines and provisions of Article VIII, Chapter 1 (Special Midtown District) instead.

All applications relating to Section 96-52 (Off-Street Parking Regulations) shall be referred by the Commission to the Department of Transportation for its report with respect to the anticipated traffic congestion resulting from such special permit #use# in the proposed location.

If such agency shall report thereon within one month from the date of referral, the Commission shall, in its determination, give due consideration to such report and, further, shall have the power to substantiate the appropriate findings solely on the basis of the report by such agency with respect to the issues referred. If such agency does not report within one month, the Commission may make a final determination without reference thereto.

CITY PLANNING

HEARINGS

An informtional symposium, and public hearing on the Proposed 1999 Consolidated Plan will be held on April 28, 1998 beginning at 3:00 PM at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan.
The Consolidated Plan defines the use of federal funds for housing, homeless assistance, supportive housing services and community development programs and is requried by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy with the applications for the four HUD formula programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).
For more information contact: Irene Fanos, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New YOrk 10007, (212) 720-3444.

a14-28

LOFT BOARD

HEARINGS

NOTICE IS HEREBY GIVEN PUSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY LOFT BOARD by Article 7-C of the Multiple Dwelling Law and Mayor's Executive Order No. 66, dated September 30, 1982, and pursuant to and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Loft Board intends to amend Chapter 1 of Title 29 of the Rules of the City of New York ("RCNY"), relating to reconsideration and appeals from administrative determinations, by amending sections 1-06(p) and 1-07 and adding a new section 1-07.1, and Chapter 2 of 29 RCNY, section 2-04(e)(5), relating to appeals from determinations concerning housing maintenance standard violations.
Written comments regarding these proposed rules may be sent to the New York City Loft Board, 49-51 Chambers Street, Room 1006, New York, New York 10007 to the attention of Beverley Miller on or before April 15, 1998. A public hearing will be held on April 30, 1998 at 22 Reade Street, New York, New York, commencing at 1:30 p.m. Persons seeking to testify are requested to notify Ms. Miller at the foregoing address or by telephone at (212) 788-7610. Written comments and an audiotape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. to 5:00 p.m. at the office of the Loft Board. Copies of the proposed rules may be obtained by contacting Ms. Miller at the Loft Board's Offices.
NOTICE IS ALSO GIVEN PURSUANT TO ARTICLE 7 OF THE PUBLIC OFFICERS LAW that the Loft Board will conduct its regular monthly meeting immediately after the public hearing. The Board plans to discuss and vote on the proposed amendments to rules relating to reconsideration and appeals from administrative determinations. The Board also plans to discuss and vote on cases. The public is invited to attend and observe the proceedings.

COURT NOTICE

SUPREME COURT

NOTICE

SUPREME COURT, KINGS COUNTY NOTICE OF PETITION. KINGS COUNTY INDEX NUMBER 12009/98

In the Matter of the Application of THE CITY OF NEW YORK, relative to acquiring title in fee simple and other interest in certain real property where not heretofore acquired for the same purpose as a site for **KENSINGTON BRANCH LIBRARY** generally located at 4209-17 18th Avenue situated in Community District 14, Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Kings County, at IA Part 74 , to be held in and for Kings County at the County Courthouse, 360 Adams St in the Borough of Kings, City of New York on the 14th day of May, 1998 at 9:30 A.M., or as soon thereafter as counsel can be heard for an order:

1) authorizing the City to file an acquisition map in the office of the Clerk of Kings County or the Office of the City Register;

2) directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City; and

3) providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, as a site
for KENSINGTON BRANCH LIBRARY in the Borough of Brooklyn, City and State of New York.

The description of the real property to be acquired is as follows:

Beginning at a point on the southerly line of said 18th Avenue and the easterly line of Seton Place (3rd Street - 50 feet wide), which point of beginning is where the dividing line between tax lots 7 and 14 in Brooklyn tax block 5416, as shown on the "Tax Map" of the City of New York for the Borough of Brooklyn, as said "Tax Map" existed on June 25, 1997, is intersected by the southerly line of 18th Avenue (80 feet wide):

Running thence eastwardly and along the southerly line of the said 18th Avenue, for 80.09 feet (80 feet - Deed) to a point on the westerly line of lot 18 in block 5416, as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997;

Thence, southwardly, forming an interior angle of 90°26'06" with the previous course, and along the said westerly line of lot 18 in block 5416, for 112.51 (112.33 feet - Deed) feet to a point on the northerly line of lot 112 in block 5416;

Thence, eastwardly, forming an interior angle of 89°42'13" with the previous course, and along the said northerly line of lot 112 and northerly lines of lots 114, 115 and 116 in block 5416, for 80.09 feet (80 feet - Deed) to a point on the easterly line of lot 7 in block 5416;

Thence, northwardly, forming an interior angle of 90°17'47" with the previous course, and along the said easterly line of lot 7 in block 5416, for 112.71 feet (112.58 feet - Deed) back to the point of beginning.

This parcel consists of lot 14 in block 5416 as shown on the "Tax Map" of the City of New York, Borough of the Brooklyn, as the said "Tax Map" existed on June 25, 1997, and comprises an area of 9,019 square feet or 0.20705 acres.

The above described property shall be acquired subject to encroachments, if any, of the structures, improvements, and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same so long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, Room 5-236A, New York, New York 10007.

Dated: New York, New York, April 8, 1998
MICHAEL D. HESS, Corporation Counsel of the City of New York Attorney for the Condemnor 100 Church Street, New York, New York 10007 Tel. (212) 788-0711

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

■ AUCTION

DIVISION OF REAL ESTATE SERVICES
PROPOSED SALE OF CERTAIN NEW YORK CITY
REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT the Division of Real Estate Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on January 28, 1998, February 11, 1998 and February 25, 1998 in Room 16 on the 2nd floor of City Hall in Manhattan.

These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated December 19, 1997 which terms include the following change: The mortgage interest rate is set at eight percent (8%) pursuant to Paragraph 8(b). An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.

They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on July 22, 1998.

Brochures for this sale are available and may be obtained at 1 Centre Street, 19th Floor North, New York, New York 10007.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explanined in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Prequalified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Prequalified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Prequalified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition *For ongoing construction project only:*
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

AGENCY RULES

CONFLICTS OF INTEREST BOARD

CITY OF NEW YORK
CONFLICTS OF INTEREST BOARD

Notice of Opportunity to Comment on Proposed Amendment to Rule on the Dollar Amount with Respect to "Ownership Interest"

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Conflicts of Interest Board by Section 2603(a) of the New York City Charter that the Conflicts of Interest Board intends to amend its rule on Adjustment of Dollar Amount in Definition of Ownership Interest, Section 1-11 of Title 53 of the Rules of the City of New York, to adjust the dollar amount in the definition of "Ownership Interest" (Charter Section 2601(16)) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region published by the United States Department of Commerce, Bureau of Labor Statistics. The proposed amendment is set forth below.

Written comments regarding this Rule may be sent to the office of Mark Davies, Executive Director, Conflicts of Interest Board, 2 Lafayette Street, Suite 1010, New York, New York 10007 on or before May 29, 1998. A public hearing will be held on May 29, 1998, from 9:00 a.m. to 5:00 p.m., at the foregoing address. Persons seeking to testify are requested to notify the Executive Director at the foregoing address. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m., at the office of the Executive Director.

SECTION 1-11. ADJUSTMENT OF DOLLAR AMOUNT IN DEFINITION OF "OWNERSHIP INTEREST"

Effective as of January 1, (1994) 1998, the dollar amount in the definition of "Ownership Interest" in subdivision (16) of section 2601 of the New York City Charter shall be adjusted from $25,000 to ($29,000) $32,000.

STATUTORY AUTHORITY: Sections 2601(16) and 2603(a) of the New York City Charter.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED AMENDMENT: Subject to certain exceptions, the conflicts of interest provisions of Chapter 68 of the New York City Charter prohibit New York City public servants from having "interests" in firms engaged in business dealings with the City or from taking actions as a public servant particularly affecting the public servant's interest in a firm. See Charter §§ 2604(a) and 2604(b)(1). An interest may be either an ownership interest in a firm or a position with a firm. See Charter § 2601(12). "Ownership interest" is, in turn, defined in Charter § 2601(16) as

> an interest in a firm held by a public servant, or the public servant's spouse or unemancipated child, which exceeds five percent of the firm or an investment of twenty-five thousand dollars in cash or other form of commitment, whichever is less, or five percent or twenty-five thousand dollars of the firm's indebtedness, whichever is less, and any lesser interest in a firm when the public servant, or the public servant's spouse or unemancipated child exercises managerial control or responsibility regarding any such firm, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the public servant, the public servant's spouse or unemancipated child, or in any blind trust which holds or acquires an ownership interest. The amount of twenty-five thousand dollars specified herein shall be modified by the board pursuant to subdivision a of section twenty-six hundred three. (Emphasis added.)

Charter § 2603(a) requires the Conflicts of Interest Board, by amendment, once every four years to adjust the $25,000 dollar amount established in section 2601(16) to reflect changes in the Consumer Price Index for the metropolitan New York-New Jersey region published by the United States Bureau of Labor Statistics. The foregoing provision became effective on January 1, 1990.

The Rule was adopted in 1994 to reflect the change in the Consumer Price Index from 135.1 in January 1990 to 156.0 in January 1994, or an increase of 15.5%. Thus, the $25,000 dollar amount was adjusted to $29,000, reflecting an increase in the $25,000 dollar amount rounded to the nearest $1000.

According to the United States Department of Commerce, Bureau of Labor Statistics, for the eight-year period from January 1990 to January 1998, the Consumer Price Index for the metropolitan area increased from 135.1 to 172.1, or 27.4%. Thus, the $25,000 amount should be adjusted to $32,000, reflecting a 27.4% increase in the $25,000 Charter amount, rounded to the nearest $1,000.

HEALTH

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH

On June 22, 1998, the Department of Health will hold a lottery based on a strict random selection process to establish the following waiting lists for mobile food vendor permits:

- a full-term citywide mobile food vendor permit waiting list (2500 positions)
- a temporary (seasonal) citywide mobile food vendor permit waiting list (1000 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled veterans (100 positions)
- a full-term citywide mobile food vendor permit waiting list for disabled persons (non-veterans) (100 positions)
- a full-term citywide mobile food vendor permit waiting list for veterans (nondisabled) (100 positions)

You must have a valid full-term mobile food vendor license issued to you at the time you submit the waiting list application form. The waiting list application form, with the mobile food vendor license number included in the application, must be submitted by mail only to the address listed in the application instructions on or before June 12, 1998 in order to be eligible for inclusion on such waiting lists.

The number of waiting list positions for each of the above categories is provided by 24 R.C.N.Y. Sections 19-07 and 20-07. Due to the limited number of waiting list positions and available permits, the Department of Health cannot guarantee that submission of a waiting list application will result in a place on a waiting list or the issuance of a permit.

Waiting List Applications: Application packages for inclusion in the lottery for the above waiting lists may be obtained through the mail by calling the New York City Department of Consumer Affairs at (212) 487-4436. Application packages are also available at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York, Monday through Friday from 8:30 AM to 5:00 PM. Completed applications must be submitted by mail only to the address listed in the application instructions and postmarked no later than June 12, 1998 in order to be eligible for inclusion on such waiting lists.

Mobile Food Vendor License Applications: Persons interested in applying for a mobile food vendor license may request an application by mail at the above address or by telephone to the above number. License applicants should allow at least twenty-five (25) business days to receive the necessary tax and ECB documentation required to apply for a license. *While this time span reflects the normal processing period, the Department of Health cannot guarantee that applicants will receive a license within this timeframe.*

AGREEMENT entered into this 17th day of April, 1998 by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf (hereinafter referred to jointly as the "Employer"), and Local 237, International Brotherhood of Teamsters, AFL-CIO and its affiliate, the Civil Service Bar Association (hereinafter referred to jointly as the "Union"), for the sixty (60) month period from January 1, 1995 to December 31, 1999.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

TC# or TTC#	TITLE
30087	Agency Attorney
30086	Agency Attorney Interne
30091,30110	Assistant Attorney *
30126	Associate Attorney **
30097	Associate Attorney (Taxes) **
30085	Attorney at Law *
30115	Attorney **
30101	Attorney Trainee ***
30092	Attorney (Taxes) **
30113	Attorney (Law Librarian) **
30109	Law Clerk ***
30125	Senior Attorney *
30083	Senior Attorney (Taxes) *
06317	Senior Student Legal Specialist (Law Department)
06044	Student Legal Assistant (Sanitation)
05072	Student Legal Specialist
05073,30105	Student Legal Assistant

* For present incumbents only
** Permanent incumbents shall be reclassified to Attorney at Law; provisional incumbents shall be reclassified to Agency Attorney; all new appointments shall be to Agency Attorney.
*** Incumbents to be reclassified to Agency Attorney Interne.

Section 2.

The terms "employee" and "employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended to date, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of 35 hours. An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate - 1/261 of the appropriate minimum basic salary.

Hourly Rate - 35 hour week basis - 1/1827 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

Section 2.

Employees in the following title(s) shall be subject to the following specified salary(ies), salary adjustment(s), and/or salary range(s):

a. **Effective January 1, 1995**

	i. Minimum * (1) Hiring	(2) Incumbent	ii. Maximum

Section 3. General Wage Increase.

a. The general increases, effective as indicated, shall be:

i. Effective January 1, 1997, Employees shall receive a general increase of 3 percent.

ii. Effective April 1, 1998, Employees shall receive an additional general increase of 3 percent.

iii. Effective March 1, 1999, Employees shall receive an additional general increase of 4.75 percent.

iv. Part-time per annum, per session, hourly paid and per diem Employees (including seasonal appointees) and Employees whose normal work year is less than a full calendar year shall receive the increases provided in subsections 3(a)(i), 3(a)(ii), and 3(a)(iii) on the basis of computations heretofore utilized by the parties for all such Employees.

The increases provided for in Section 3(a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on December 31, 1996;

ii. The general increase in Section 3(a)(ii) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on March 31, 1998.

iii. The general increase in Section 3(a)(iii) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on February 28, 1999.

i. The general increases provided for in this Section 3 shall be applied to the base rates, incremental salary levels and the minimum "hiring rates," minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The general increases provided for in this Section 3 shall be applied to the following "additions to gross:" uniform allowances, equipment allowances, transportation allowances, uniform maintenance allowances, assignment differentials, service increments, longevity differentials, longevity increments, advancement increases, assignment (level) increases, and experience, certification, educational, license, evening, or night shift differentials.

Section 4. New Hires.

a.

For the purposes of Sections 4(c) and 4(d), employees 1) who were in active pay status before January 1, 1995, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum "incumbent rate" set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part-time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Section 4(b)(iv) of the 1991-94 Attorneys Agreement, shall be paid the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in subsection 2(a)(i)(2) of this Article III.

c. The appointment rate for any employee newly hired between January 1, 1995 and July 14, 1996, shall be the applicable minimum "hiring rate" set forth in subsections 2(a)(i)(1) and 2(b)(i)(1) of this Article III. Upon completion of one year of service, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2) and 2(b)(i)(2) of this Article III.

d. i. The appointment rate for any employee newly hired after July 14, 1996, shall be the applicable minimum "hiring rate" set forth in subsections 2(a)(i)(1), 2(b)(i)(1), 2(c)(i)(1) and 2(d)(i)(1) of this Article III. Upon completion of two (2) years of active or qualified inactive service, such employee shall be paid the indicated minimum "incumbent rate" for such title that is in effect on the two year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III.

ii. For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III.

iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsections 4(c) and 4(d).

f. Upon completion of four (4) years of active or qualified inactive service, an employee appointed pursuant to the provisions set forth in subsection 4(d) shall receive a one-time lump sum payment calculated by taking the difference between the minimum "hiring rate" received by the employee and indicated minimum "incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the employee been paid at the higher "minimum" salary rate and the annual salary rate the employee actually earned during the employee's second year of service.

i. The intent of this Section 4(f) is to treat the employee as if the employee had moved to the higher minimum "incumbent rate" after one year of service rather than after two years. Only the difference between the applicable minimum "hiring rate" and the minimum "incumbent rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.

ii. All overtime, night shift differential, or other percentage based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.

iii. For a title subject to an incremental pay plan, the one-time lump sum payment shall be calculated by taking the difference between the "hiring rate" increment(s) received by the employee and the "incumbent rate" increment(s) that was in effect on the one year anniversary of the employee's original date of appointment to their title. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III. In the case where there are increments payable between the employee's first and second anniversaries, the lump sum will be prorated to reflect such increments.

iv. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

g. For the purposes of Sections 4(d) and 4(f), "qualified inactive service" is defined to include the following employees:

i. those who are on preferred or recall lists; or

ii. those who are on the following unpaid approved leaves:

(1) maternity/childcare leave;

(2) unpaid military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay.

Section 5.

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied; but the general increase, if any, for the title formerly occupied, effective on the date indicated shall be applied.

Section 6.

In the case of an Employee on leave of absence without pay the salary rate of such Employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with Title 59, Appendix A of the Rules of the City of New York (City Personnel Director Rules) or, where Title 59, Appendix A is inapplicable to a public employer, such other Rules or Regulations as are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted.

shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

ADVANCEMENT INCREASES

Title	Effective 1/1/95	Effective 1/1/97	Effective 4/1/98	Effective 3/1/99
Associate Attorney	$1,355	$1,396	$1,438	$1,506

Section 8.

An employee when assigned to a higher level within a class of positions listed in this subsection shall receive for the period of such higher level assignment either the minimum basic salary of the assigned level or the rate received in the former assignment level plus the level increase specified below, whichever is greater. Assignments to a higher level shall not be considered a promotion

LEVEL INCREASES

Assignment Level	Effective 1/1/95	Effective 1/1/97	Effective 4/1/98	Effective 3/1/99
Agency Attorney Level II	$1,355	$1,396	$1,438	$1,506
Agency Attorney Level III	$1,355	$1,396	$1,438	$1,506
Agency Attorney Level IV	$1,355	$1,396	$1,438	$1,506
Attorney at Law Level II	$1,355	$1,396	$1,438	$1,506
Attorney at Law Level III	$1,355	$1,396	$1,438	$1,506
Attorney at Law Level IV	$1,355	$1,396	$1,438	$1,506

Section 9. Longevity Differential

a. All employees serving in the class of positions of Agency Attorney, Attorney at Law, Attorney (including specialties), Associate Attorney (including specialties) shall receive the longevity differential in the per annum amounts set forth below upon completion of ten (10) years of service in any class of positions contained in the Attorneys Occupational Group. Said longevity differential for employees qualifying subsequent to January 1, 1983, shall be effective on the January 1st, April 1st, July 1st, or October 1st subsequent to the employee's anniversary date of entry into the Attorneys Occupational Group. The differential shall not be part of the employee's basic salary and shall not be pensionable during the first two (2) years of payment.

Effective 1/1/95	Effective 1/1/97	Effective 4/1/98	Effective 3/1/99
$500	$515	$530	$555

b. Effective December 1, 1999, the longevity schedule set forth in Section 9(a) shall be superseded by the following longevity schedule:

Years of Service	Longevity Differential	Total Differential
after 5 years	$338	$338
after 10 years	$1,055	$1,393
after 15 years	$500	$1,893

Section 10. Longevity Increment

a. Employees with 15 years or more of "City" service in pay status (except those serving in a title eligible for a longevity differential pursuant to Section 9 above) shall receive a longevity increment of $500 per annum.

b. The rules for eligibility for the longevity increment described above in Section 10(a), shall be set forth in Appendix A of this Agreement and are incorporated by reference herein. Additional rules for eligibility for the longevity increment described above in subsection 10(a) may be established.

Section 11. Annuity Fund

a. Effective March 1, 1999, the parties agree to establish an annuity fund for all employees covered by this Agreement.

b. Definitions

covered title: A title that is covered by this Agreement for whom the Union has executed a written election to be covered by the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA.

non-covered title: A title that is covered by a unit agreement for whose certified bargaining agent has waived the annuity fund provisions set forth in Section 6(a) of the 1995 MCMEA and has elected to utilize the funding to provide alternative benefits in lieu of the annuity fund.

scheduled days off: An employee's regular days off ("RDOs"). For example, Saturday and Sunday would be the scheduled days off for a full-time per annum employee working a Monday through Friday schedule.

c. One-Time Lump Sum Payment

i. To be eligible for the one-time lump sum annuity fund payment, an employee must meet all of the following criteria:

(1) An employee must be serving in a title covered by this Agreement on March 1, 1999. Any employee who is not serving in a title covered by this Agreement on March 1, 1999, shall be ineligible for any annuity fund benefit or pro rata share thereof, regardless of prior service in a covered title. However, an employee serving in a covered title on March 1, 1999, shall have any service in either a covered or non-covered title during the qualifying period set forth in Section 11(c)(i)(3) deemed qualifying service.

(2) An employee must be in active pay status on March 1, 1999.

(3) An employee must have been in active pay status in either a covered or non-covered title during all or part of the period March 1, 1996 through February 28, 1997 (the "qualifying period").

ii. Contributions on behalf of covered employees shall be remitted by the employer to a mutually agreed upon annuity fund no later than July 1, 1999, subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

(1) The employer shall pay into the fund on behalf of covered full-time per annum and full time per diem employees a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

(2) For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two (2) dollars for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of $522 per annum.

(3) For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $522 per annum.

(4) For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

(5) The eligibility for payments set forth in this Section 11(c) shall be based on working days between March 1, 1996 and February 28, 1997.

iii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning issues related to the implementation of Section 6(a) of the 1995 MCMEA and this Section 11(c). Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in the 1995 MCMEA or the unit agreements.

d. Regular Contributions

Effective December 1, 1999, contributions on behalf of covered employees shall be remitted by the employer to aforementioned mutually agreed upon annuity fund subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

i. The employer shall pay into the fund on behalf of covered full-time per annum and full time per diem employees a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

ii. For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two (2) dollars for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of $522 per annum.

iii. For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two (2) dollars calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $522 per annum.

iv. For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two (2) dollars for each paid working day up to a maximum of $522 per annum.

e. For the purpose of Sections 11(c) and 11(d), excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime. "All days in non-pay status" as used in this Section 11(e) shall be defined as including, but not limited to, the following:

i. time on preferred or recall lists;

ii. time on the following approved unpaid leaves:

(1) maternity/childcare leave;

(2) military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay;

iii. time while on absence without leave;

iv. time while on unapproved leave without pay; or

v. time while on unpaid suspensions.

ARTICLE IV - WELFARE FUND

Section 1.

a. In accordance with the election by the Union pursuant to the provisions of Article XIII of the Citywide Agreement, the Welfare Fund provisions of the 1990-92 Citywide Agreement, as amended or any successor agreement(s) thereto, shall apply to Employees covered by this Agreement.

b. When an election is made by the Union pursuant to the provisions of Article XIII, Section 1b, of the Citywide Agreement, the provisions of Article XIII, Section 1(b) of the 1990-92 Citywide Agreement, as amended or any successor agreement(s) thereto, shall apply to Employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement, if any. In no case shall the single contribution provided in Article XIII, Section 1(b) of the 1990-92 Citywide Agreement, as amended or any successor agreement(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

c. Contributions remitted to the Union pursuant to this Article IV and Article XIII of the Citywide Agreement are contingent upon a signed separate trusted fund agreement between the Employer and the Union.

Section 2.

a. The contribution paid on behalf of each full-time per annum Employee to the welfare fund shall be *reduced* by one hundred dollars ($100) per annum for the period July 1, 1995 to June 30, 1996. This shall be in addition to the deferral amount set forth in Section 4 of the Transitional Funding Agreement.

b. Effective July 1, 1996, the contribution paid on behalf of each full-time per annum Employee to the welfare fund shall be increased by seventy-five dollars ($75) per annum.

c. Effective December 1, 1997, the contribution paid on behalf of each full-time per annum Employee to the welfare fund shall be increased by seventy-five dollars ($75) per annum.

d. Effective July 31, 1999, there shall be a one hundred dollar ($100) one-time payment to each Welfare Fund on behalf of each full-time per annum Employee who is receiving benefits on July 31, 1999.

e. The per annum contribution rates paid on behalf of eligible part-time per annum, hourly paid, per session and per diem (including seasonal appointees) Employees and Employees whose normal work year is less than a full calendar year and the one-time lump sum payment (for such employees who are receiving benefits on July 31, 1999) shall be adjusted in the same proportion heretofore utilized by the parties for all such Employees as the per annum contribution rates are adjusted in Sections 2(a), 2(b), 2(c), and 2(d) above for full-time Employees.

f. The per annum contribution rates paid on behalf of employees separated from service to a welfare fund which covers such employees and the one-time lump sum payment (for such employees who are receiving benefits on July 31, 1999) shall be adjusted in the same manner as the per annum contribution rates for other employees are adjusted pursuant to Sections 2(a), 2(b), 2(c), 2(d), and 2(e) above.

Section 3.

The Union agrees to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

ARTICLE V - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. - Performance Levels

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance levels, norms, or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

(b) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. - Supervisory Responsibility

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. - Definition:

The term " *Grievance* " shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the written rules or written regulations, existing written policy or written orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Rules and Regulations of the New York City Personnel Director shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. A claimed wrongful disciplinary action taken against a provisional full-time employee who has served for two years in the same or similar title or related occupational group in the same agency.

g. A claimed wrongful disciplinary action taken against a full-time non-competitive class employee with one year of service in title, except for employees during the period of a mutually-agreed upon extension of probation. This provision shall *not* be applicable to employees with rights pursuant to Section 75(1) of the Civil Service Law who are covered by Section 1(e) above.

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1(d), 1(e), 1(f) and 1(g) of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the STEP I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.

Step I — The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II — An appeal from an unsatisfactory determination at STEP I, where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III — An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV — An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

a. Any grievance under Section 1(d) relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 5. Disciplinary Procedure for Employees Covered by §75(1) of the Civil Service Law

In any case involving a grievance under Section 1(e) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A — Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. At the conference the person designated by the agency head to review the charges shall: (1) verbally communicate to the employee any information reasonably necessary for the employee to understand the nature of the charges; (2) furnish to the employee copies of documentary evidence necessary to support the charges; and (3) furnish to the employee the names of potential witnesses except under unusual circumstances. The employee shall have the right to make any statement or explanation as to the charges. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law.

STEP B(i) — If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) — If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C — If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D — If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement. The Employer shall furnish the names of any new witnesses or newly available documentary evidence to the Union at least ten (10) days prior to the actual arbitration, if the Employer has such knowledge at that time. The Union shall furnish the names of its witnesses and any documentary evidence to the Office of Labor Relations at least ten (10) days prior to the actual arbitration, if it has such knowledge at that time.

Section 6. Provisional Disciplinary Procedure

In any case involving a grievance under Section 1(f) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A — Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) — If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) — An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C — If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D — If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 7. Non-competitive Disciplinary Procedure

In any case involving a grievance under Section 1(g) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A — Following the service of written charges upon an employee a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this agreement. The employee may be represented at such conference by a representative of the Union. At the conference the person designated by the agency head to review the charges shall: (1) verbally communicate to the employee any information reasonably necessary for the employee to understand the nature of the charges; (2) furnish to the employee copies of documentary evidence necessary to support the charges; and (3) furnish to the employee the names of potential witnesses except under unusual circumstances. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B — If the employee is dissatisfied with the determination in STEP A above, he or she may appeal such determination. The appeal must be made within five (5) working days of the receipt of such determination. Such appeal shall be treated as a grievance appeal beginning with STEP II of the Grievance Procedure set forth herein.

Section 8.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply.

Section 9.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 10.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except however, that only the Union may invoke impartial arbitration under STEP IV.

Section 11.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 12.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 13.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 14.

The grievance and the arbitration procedures contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 15.

Where the Union desires a meeting on a STEP III grievance, requests therefor to the First Deputy Commissioner of Labor Relations shall be reviewed favorably

Section 16. Expedited Arbitration Procedure.

a. The parties agree that there is a need for an expedited arbitration process that allows for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 16 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case not entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE VIII - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX - CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the Citywide Agreement unless otherwise specifically excluded herein.

ARTICLE X - UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its Employees and on Union Activity" or any successor thereto.

ARTICLE XI - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

Section 5.

The issue of overtime being unreasonably denied where circumstances compel application therefor after the work has been performed, may be the subject of Labor-Management Committee meetings in each of the appropriate departments or agencies. Guidelines will be established to address this issue.

ARTICLE XII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIII - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XIV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XV - APPLICABILITY

Section 1.

The provisions of this Agreement are expressly made subject to and governed by all applicable existing and future laws and regulations and amendments thereto which are deemed applicable to this Agreement.

Section 2.

This Agreement expresses all agreements and understandings between the parties and no other agreement, understanding or practice shall be of any force or effect.

ARTICLE XVI - WORKING CONDITIONS

The impact of physical working conditions as it affects professional performance shall be referred to the Labor-Management Committee provided in Article XI of this Agreement. To the extent practicable, advance notice of major changes in physical working conditions affecting a substantial number of employees shall be given to the Union.

ARTICLE XVII - MERIT INCREASES

Section 1.

The following shall be the criteria for the granting of merit increases:

a. outstanding productivity in the work assigned;

b. outstanding performance in the work assigned;

c. outstanding initiative and resourcefulness;

d. increased importance of work;

e. increased supervisory responsibility;

f. willingness and availability to accept and perform assignments requiring work beyond regular hours.

Section 2.

The following shall be the procedure for the granting of merit increases:

The agency head shall notify the Union in writing of the name(s) of those selected to receive merit increases prior to approval by the Mayor or the Mayor's authorized representative. It is expressly understood that such notification to Union shall in no way interfere with the processing and implementation of the merit increases already proposed.

ARTICLE XVIII - CHANGED REQUIREMENTS FOR BAR MEMBERSHIP

If attorneys covered by this Agreement are mandated as a requirement of Bar membership in the State of New York to perform pro bono work and/or to participate in continuing legal education, a labor-management committee shall be established as soon as practicable to discuss the issues related to the implementation of such requirement(s).

ARTICLE XIX - PROFESSIONAL DEVELOPMENT COMMITTEE

A joint committee composed of representatives of the Office of Management and Budget, Office of Labor Relations, the Department of Citywide Administrative Services and the Union shall meet to study problems related to the recruitment and retention of qualified professional personnel and where deemed necessary, make recommendations to the appropriate City officials. The Professional Development Committee shall meet regularly so that it may be able to consider these matters in an expeditious fashion.

ARTICLE XX - PROFESSIONAL FEE ALLOWANCE

Section 1.

Qualifying full-time employees serving in the titles of Agency Attorney, Agency Attorney Interne, Assistant Attorney, Associate Attorney, Associate Attorney (Taxes), Attorney, Attorney at Law, Attorney (Law Librarian), Attorney (Taxes), Attorney Trainee, Law Clerk, Senior Attorney and Senior Attorney (Taxes) shall be reimbursed for the biennial New York State license fee for practicing attorneys.

Section 2.

To qualify for the such professional fee reimbursement a covered employee must have maintained a valid New York State license to practice law and have been in full-pay status with the Employer during the twelve (12) months immediately preceding the payment of the biennial New York State license fee for practicing attorneys.

Section 3.

Such reimbursement shall be made for the year in which the license fee was actually paid. Covered employees must submit proof of payment and be certified by their employing agency that they were in full-pay status during the twelve (12) months immediately preceding the payment the biennial New York State license fee for practicing attorneys.

Section 4.
