PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFP: SURR TO CHARTER SCHL SERVICES – Competitive Sealed Proposals* – PIN# 1B434040 – DUE 08-18-00 AT 11:30 A.M. – RFP: 1B434 converting low-performing schools to charter schools. The New York City Public School System is committed to exploring ways to improve the academic performance of all students with particular focus on students in the lowest performing schools. In this regard, the chancellor is seeking proposals from qualified management organizations (for-profit and not-for-profit) to convert certain low-performing public schools into charter schools. Subsequently, these organizations with the consent of the newly created charter school would operate/manage these schools. A pre-proposal conference will be on August 4, 2000 at 9AM to 12PM. At New York City Board of Education, 110 Livingston Street, Rm. 210, Brooklyn, NY 11201 proposal due date: Friday, August 18, 2000 at 11:30AM.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

BOARD OF STANDARDS AND APPEALS

■ NOTICE

NOTICE OF PROPOSED CONDITIONAL NEGATIVE DECLARATION

Notice is hereby given that the New York City Board of Standards and Appeals, as lead agency for the City Environmental Quality Review process pursuant to Executive Order No. 91, as amended, and 6 N.Y.C.R.R., Part 617.6(h)(1)(iv) and 6 N.Y.C.R.R., Part 617.2(h), has determined that the following proposal will not have a significant environmental impact provided that the potential impacts are mitigated as indicated below. A 30-day public comment period commences with this notice.

Application for a BSA variance pursuant to Z.R. §72-21 to permit, in an R3-1 zoning district, the proposed 126,000 square foot mini-storage facility. The project site is located at 6055/6065 Strickland Avenue, Block 8470, Lots1060,1064, 1070 & 1076, Brooklyn.

Potential impact of the proposed action will be mitigated as follows:

DEP's Bureau of Air, Noise and Hazardous Materials (BANHM) has reviewed the Sampling Protocol for soil gas and soil/groundwater testing on Block 8470, Lots 1060,1064, 1070 & 1076 and finds it acceptable. The applicant is required to conduct soil and groundwater testing on the project site to further characterize and delineate the potential for hazardous materials contamination. In addition, appropriate remediation actions, if necessary, would be undertaken by the applicant to address all contamination on the site prior to any site disturbance (i.e. - site grading, excavation, demolition, or building construction). Adherence to these procedures will ensure that no significant impact on the public health of future site occupants or construction workers would occur.

The applicant agrees through a Restrictive Declaration reviewed and approved by the NYC DEP to implement the approved sampling protocol and any necessary remediation measures.

BSA CAL. NO.: 281-99-BZ
CEQR NO.: 00-BSA-054K

Please refer to the project's BSA Calendar and CEQR numbers in all correspondence. The final date of the public comment period will be August 31, 2000. Written comments may be sent to:

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

ADVISORY REPORT

ISSUE DATE:	DOCKET #:	SRA #:
07/07/00	007602	SRA 00-7853

ADDRESS	BOROUGH:	BLOCK/LOT:
52 CHAMBERS STREET NY County (Tweed) Courthouse INDIVIDUAL LANDMARK	MANHATTAN	122 / 1

To the Mayor, the Council, and the President of the New York City Economic Development Corporation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for a new fire alarm system. The proposed work is described in drawings labeled Tweed Courthouse Restoration & Rehabilitation E3.2, E5.01, E5.11, E5.21, E5 21M, E5.31, E5.31M, E5.41 and E5.51 all dated 04/10/00 prepared by John G. Waite Associates and submitted as components of this application.

The Commission notes that the designation report describes the building as one of the city's grandest and most important 19th-century institutional buildings; that it was built over a period of twenty years, between 1861-1881, to the designs of John Kellum and Leopold Eidlitz, that consequently it was the product of two very different but equally significant architectural trends, the mid-century Italianate and the later High Victorian, that it is one of the few and one of the best remaining grand Italianate interior spaces in the city, and an excellent example of the Victorian Romanesque type; and that it is the sole known surviving cast-iron space in the city.

The Commission has reviewed the proposal and finds that the work will have no effect on the significant protected features of the building

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Kim Hoyt.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

AGENCY RULES

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

Notice of Opportunity to Comment

Notice of Opportunity to Comment On Proposed Rules Governing
Tax Exemption and Tax Abatement under §489 of the Real Property Tax Law and § 11-243 of the New York City Administrative Code

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Housing Preservation and Development by §1802 (6)(c) and in accordance with the requirements of §1043 of the New York City Charter that the Department of Housing Preservation and Development intends to modify the rules governing tax exemption under §489 of the Real Property Tax Law of the State of New York and §11-243, formerly §J-51-2.5, of the Administrative Code of the City of New York. Proposed additions to the rules are underlined and proposed deletions are [bracketed].

Written comments regarding these rules may be sent to the office of Alicia K. Glen, Assistant Commissioner for Housing Finance, Office Development, 100 Gold Street, Room 9-03, New York, New York 10038 on or before September 5, 2000. A public hearing shall be held on Wednesday, September 6, 2000 at 100 Gold Street, Room 8-I from 10:00 a.m. to 1:00 p.m. Persons seeking to testify are requested to notify the Assistant Commissioner at the foregoing address. Written comments and a summary of oral comments received at the hearing will be made available for public inspection within a reasonable time after receipt, between the hours of 9 A.M. and 5 P.M. at the Office of the Assistant Commissioner for Tax Programs and Policy. Persons who request that a sign language interpreter or other forms of reasonable accommodation for a disability be provided are asked to notify the Assistant Commissioner by September 5, 2000.

Jerilyn Perine, Acting Commissioner
August 3, 2000

Section 1. §5-07(f)(2) of Chapter 5 of Title 28 of the Rules of the City of New York is amended to read as follows:

The real estate taxes [or water or sewer charges] and other charges having tax lien status with respect to the building and land total $1,000 or more (including real estate tax liens) and remain unpaid for one year after the same are due and payable to the City and the applicant or his or her predecessor in title has not entered into an installment agreement with the City which provides for the payment of delinquent taxes, assessments or other legal charges pursuant to §11-401 et seq. of the Administrative Code or has entered into an installment agreement but all payments required by said agreement have not been paid when due.

Section 2. §5-07 of Chapter 5 of Title 28 of the Rules of the City of New York is amended by adding a new subdivision (j) to read as follows:

(j) The Department of Finance shall use the following procedure to effect revocation and re-instatement of tax benefits for non-payment of real estate taxes:

(1) In January of each calendar year, the Department of Finance shall notify the owner of such outstanding real estate taxes (as defined in paragraph 2 of §5-07 (f)) pursuant to §5-07(g) of these Rules. Following the date of this notification, the owner shall have sixty (60) days to pay such outstanding taxes. This shall constitute the first cure period.

(2) If the owner has paid such outstanding taxes during the first cure period (or entered into a valid installment agreement with the City), the tax exemption and/or abatement benefits shall continue on the property. If the owner has not paid such outstanding taxes before the expiration of the first cure period, the Department of Finance shall revoke all tax exemption and/or abatement benefits for the current tax year.

(3) Following the expiration of the first cure period, the Department of Finance shall again notify the owner of such outstanding real estate taxes (as defined in paragraph 2 of §5-07 (f)) pursuant to §5-07(g) of these Rules. Following the date of this notification, the owner shall have ninety (90) days to pay such outstanding taxes. This shall constitute the second cure period.

(4) If the owner has paid such outstanding taxes during the second cure period (or entered into a valid installment agreement with the City), the Department of Finance shall, upon notification by the taxpayer, reinstate tax exemption and/or abatement benefits to the property for the tax year commencing July 1 after the date of the beginning of the first cure period. If the owner has not paid such outstanding taxes before the expiration of the second cure period, the property shall irrevocably lose all tax exemption and/or abatement benefits for the current tax year.

(5) Following the expiration of the second cure period, the Department of Finance shall again notify the owner of such outstanding real estate taxes (as defined in paragraph 2 of §5-07 (f)) pursuant to §5-07(g) of these Rules. Following the date of this notification, the owner shall have one-hundred and eighty (180) days to pay such outstanding taxes. This shall constitute the third cure period.

(6) If the owner has paid such outstanding taxes during the third cure period (or entered into a valid installment agreement with the City), the Department of Finance shall reinstate the tax exemption and/or abatement benefits to the property for the tax year commencing July 1 after the date of the beginning of the third cure period. If the owner has not paid such outstanding taxes before the expiration of the third cure period, the property owner shall irrevocably lose all J-51 tax exemption and/or abatement benefits awarded by HPD.

(7) The Commissioner may exempt projects assisted with Substantial Governmental Assistance or projects supervised or monitored by HPD from the procedures in this division by giving notice in writing to the Department of Finance, Attn: Director of Exemptions, provided, further, that projects exempted from these procedures shall continue to have tax exemption and/or abatement benefits revoked for the period of their tax delinquency if they do not conform to requirements of §5-07(f)(2).

(8) All claims for reinstatement of J-51 tax exemption and/or abatement benefits resulting from revocations made prior to the effective date of these Rules must be made in writing to the Department of Finance, Property Exemption Unit, within one year of the effective date of these Rules.

Section 3. Paragraph 5 of subdivision f of §5-07 of Chapter 5 of Title 28 of the Rules of the City of New York is amended to read as follows:

(5) Benefits granted hereunder shall not be withdrawn if within thirty (30) days after notice of a breach or omission pursuant to §5-07(g), the purported breach or omission has been cured or the owner has established to the satisfaction of the Office or the Department of Finance that it did not occur.

Section 4. Subdivision (g) of §5-07 of Chapter 5 of Title 28 of the Rules of the City of New York is amended to read as follows:
(g) Prior to revocation or reduction of tax exemption and tax abatement hereunder, notice of the breach or omission shall be given either by the Office or by the Department of Finance to the applicant by [certified] regular mail to the address to which the Department of Finance sends tax bills, and to the mortgagee if registered with the Office or with the Department of Finance, or to such other address as may be provided by the applicant. Benefits shall not be withdrawn if within thirty (30) days after notice of breach or omission the owner establishes that such breach or omission did not occur.

Section 5. Subdivision (c) of §5-08 of Chapter 5 of Title 28 of the Rules of the City of New York is amended by adding a new item for food waste disposers to the Itemized Cost Breakdown Schedule:

ITEM	UNITS	ALLOWANCE
16. Food Waste Disposers.[13]	units	$300

Statement of Basis and Purpose

The proposed rules add the installation of food waste disposers in multiple dwellings as a J-51 eligible, non-MCI plumbing item. Local Law 74 of 1997 permits food waste disposers to be installed in residential kitchens throughout the City, as of October, 1997. Research also indicates that such devices can divert substantial amounts of solid waste from the City's landfills and enrich the quality of the septic sludge the City produces, thereby improving the City's solid waste management function. The proposed rules also change the procedures for revocation of tax benefits and adds a new procedure for re-instatement of tax benefits following revocation. These changes will make the process of revocation of J-51 tax benefits more efficient and less cumbersome for the Department of Finance, which implements all J-51 benefits awarded by HPD.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Lead Agency: NYC City Planning Commission

The New York City Department of City Planning, on behalf of the City Planning Commission as lead agency, has prepared a Draft Environmental Impact Statement (DEIS) on the proposed Unified Bulk Program and Related Zoning Map and Text Amendments in accordance with article 8 of the Environmental Conservation Law. The City Planning Commission, as lead agency, issued a Notice of Completion for the DEIS on February 14, 2000. A public hearing was held on the DEIS on April 25, 2000 and continued on May 23, 2000.

On June 14, 2000, the Department of City Planning, acting on behalf of the City Planning Commission as lead agency, issued a Notice of Modification for the DEIS. The Notice was issued in response to the Department's withdrawal of the two ULURP applications for the zoning map amendments analyzed in the DEIS – the Downtown Brooklyn Rezoning proposal (ULURP No. C000245ZMK) and the Lexington Avenue Rezoning proposal (ULURP No. C000246ZMM). These two applications, together with the ULURP application for the Madison Square Park Area Rezoning proposal (ULURP No. C000398ZMM), were combined into a new, single application (ULURP No. C000631ZMY) in order to allow the proposals to be considered simultaneously in the land use review process. The Madison Square Park Area Rezoning proposal was analyzed in an Environmental Assessment Statement (CEQR No. 00DCP048M) dated February 24, 2000 and received a Negative Declaration on February 28, 2000.

The individual rezoning proposals remain unchanged in the new ULURP application (ULURP No. C000631ZMY). Because their potential environmental effects would be identical to those disclosed in their respective environmental reviews, the environmental determinations issued for the proposals – the Notice of Completion for the Unified Bulk Program DEIS, and the Negative Declaration issued by the City Planning Commission for the Madison Square Park Area map change — remain valid. The Final Environmental Impact Statement to be prepared for the Unified Bulk Program and Related Zoning Map and Text Amendments will be updated to reflect the new ULURP application. No further environmental review is required for the Madison Square Park Area Rezoning proposal.

In connection with the new ULURP application, a public hearing on the DEIS will be held on August 23, 2000 at 10:00 a.m. at City Hall, 2nd floor public hearing room. Comments are requested on the DEIS and will be accepted by the contact person until ten days after the close of the public hearing.

The DEIS analyzes a proposal by the Department of City Planning for three interrelated zoning actions: 1) the Unified Bulk Program, a citywide zoning text amendment intended to simplify, rationalize and improve controls on the height and massing of development, 2) the Lexington Avenue Rezoning, which would rezone several blocks along Lexington Avenue between East 54th Street and East 57th Street in Manhattan Community Districts 5 and 6 from C5-2A to C5- 2.5(MiD) and extend the Special Midtown District to include this area, and 3) zoning map and text amendments to create a new special district in the central business district of Downtown Brooklyn and rezone selected areas within and adjacent to the proposed special district. These amendments to the text and maps of the Zoning Resolution would require approval of the City Planning Commission and the City Council. The DEIS treats each of these three elements separately, as well as considering any combined effects.

In general, the Unified Bulk Program is, in the context of the overall amount of development in the city and the distribution of development among the city's high-, medium- and low-density zoning districts, "development-neutral". The same amount of development that could be accommodated on a given site in the future without the action could be accommodated in the future with the action, in the same locations. Proposed changes to special districts, however, could induce relatively small amounts of new residential development in the Special Bay Ridge District and the Special Northside District.

The Lexington Avenue Rezoning would not change existing use regulations, but would moderately increase the maximum floor area ratio with bonuses to 13.0 on sites which can accommodate plazas, and modify other bulk regulations. The proposal is projected to increase the amount of development that could occur in the area by approximately 22 dwelling units and 2,400 square feet of retail space.

The Special Downtown Brooklyn Rezoning would increase permitted residential FAR in an area to be rezoned from C6-1 to C6-2A, which could result in the development of 2 additional dwelling units. The proposal would also allow residential development in an area to be rezoned from M1-6 to C6-4, which could result in the development of 83 additional dwelling units.

The DEIS identifies the potential for adverse shadow impacts. Because of the possibility that changes to the allowable building envelope could alter the extent of shadow cast on parks, including Fort Greene Park, which is adjacent to a potential development site in Downtown Brooklyn, additional analysis will be conducted prior to the issuance of a Final EIS. Pending this analysis, there may be the potential for unmitigated adverse shadow impacts resulting from the proposed action. If such impacts are identified, the Final EIS will consider appropriate mitigation measures.

ADVISORY REPORT

ISSUE DATE:	DOCKET #:	SRA #:
07/24/00	007657	SRA 00-7760

ADDRESS	BOROUGH:	BLOCK/LOT:
695 PARK AVENUE THOMAS HUNTER BUILDING - HUNTER COLLEGE UPPER EAST SIDE	MANHATTAN	1403 / 1

To the Mayor, the Council, and the Director of CUNY Capitol Programs.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has received a proposal for upgrading the plumbing and mechanical systems from the sub-basement through the 17th floor to the roof, including the installation of new chiller units, dunage and supporting mechanicals at the roof, not visible from the public thoroughfare. The proposed work is described in drawing labeled G-000, G.001, A.MD101, N.SD101, N.MD101, through N.MD104, N.MD106 through N.MD108, N.ED101, N.ED102, A.001, N.A101 through N.A103, S.001, N.S101, through N.S108, N.S501 through N.S507, N.SR101, P.001, N.P101 through N.P104, N.P501, N.P601, N.P701, M.001, M.002, A-MP101, B.MP101, through B.MP103, C.MP101 through C.MP103, N.MH101, through N.MH104, N.MH301, N.MH302, N.MH501, N.MP101 through N.MP110, and N.MP301 through N.MP306, N.MP501 through N.MP504, N.MP601 through N.MP603, N.MP701 through N.MP705, N.MP801 through N.MP804, N.MR101 through N.MR103 and AA1.S1, AA2.M1, AA3 M1 dated August 27, 1999, prepared by Phillip Castellano, P.E..

The Commission notes that the Upper East Side Historic District Designation Report describes 695 Park Avenue, also known as 101 East 68th Street, as an International Modern style college building designed by the architectural firm of Shreve, Lamb and Harmon and constructed in 1938-41.

With regard to this proposal, the Commission finds in accordance with the provisions of Title 63, of RCNY, Section 2-19, that the proposed work at the roof consists solely of mechanical equipment; that the installation of the mechanical equipment on the roof will not result in damage to or demolition of any significant architectural feature of the roof; that the proposed mechanical units on the roof will be not be visible from any public thoroughfares, and that they will not adversely affect significant architectural features or improvements. With regard to the interior alterations, the Commission finds that the work will have no effect on the significant architectural features of the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. BINDING REPORT

ISSUE DATE:	DOCKET #:	SRB #:
07/17/00	010259	SRB 01-0261

ADDRESS	BOROUGH:	BLOCK/LOT:
52 CHAMBERS STREET NY County (Tweed) Courthouse INDIVIDUAL LANDMARK	MANHATTAN	122 / 1

To the Mayor, the Council, and the President of the New York City Economic Development Corporation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the reconstruction of the Chambers Street Stair. The scope of work includes the demolition and removal of existing, non-original elements; the cleaning, restoration and refinishing of existing stair treads, risers and cheek walls; and the reconstruction of the original grand front entrance staircase in design, detail, and material. The proposed work is described in drawings labeled Tweed Courthouse Restoration & Rehabilitation - Chambers Street Stair 20.C01, 20.C02, 20.A10, 20.A11, 20.A12, 20.S-1, 20.S-2 and project manual, all dated 03/22/00 prepared by John G. Waite Associates and submitted as components of this application.

The Commission notes that the designation report for Tweed Courthouse describes the building as one of the city's grandest and most important 19th-century institutional buildings; that it was built over a period of twenty years, between 1861-1881, to the designs of John Kellum and Leopold Eidlitz; that consequently it was the product of two very different but equally significant architectural trends, the mid-century Italianate and the later High Victorian; that in the early 1940's Chambers Street was widened and the front staircase was truncated to accommodate the street and sidewalk changes; that approximately half of the original stairs survive intact beneath a temporary masonry and concrete structure, and the flanking cheekwalls are primarily intact; and that the original foundations were retired in place beneath the existing sidewalk.

The Commission finds that the proposed work is primarily restorative; that the existing stair treads, risers and cheekwalls will be restored; that the new stone elements for the reconstruction of the stair will match the existing marble and granite stair elements in profiling, detailing and material; that the existing foundations will be reused to avoid additional excavation in the surrounding areas; and that all of the work will contribute to the long term preservation of this individual landmark. Based on these findings and provided the stipulations outlined below are adhered to, the proposed work is determined to be appropriate to the individual landmark and is approved.

The Commission notes that the project is within the African Burial Ground and the Common Historic District. The Commission further notes that in this area there is potential for the recovery of human remains as it is in the vicinity of the First Almshouse and Bridewell Burial Ground and the burial site of revolutionary war prisoners. Therefore subsurface work must be kept within the limits of the original stair foundation. In the event excavation is needed outside this area, the Commission stipulates that the LPC must be contacted for approval.

This report is issued subject to the stipulation that samples of the stone be submitted for review and approval by the staff of the Commission.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. BINDING REPORT

07/18/00	007078	SRB 01-0258

ADDRESS	BOROUGH:	BLOCK/LOT:
1402 8TH AVENUE Fourteenth Regiment Armory INDIVIDUAL LANDMARK	BROOKLYN	1102 / 12

To the Mayor, the Council, and the Commissioner, Department of Design and Construction.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for alterations to the barrel-vaulted roof over the drill shed at the subject premises, including the removal of existing deteriorated black built-up roofing and wood decking under the built-up roof, the installation of new wood decking, the installation of new asphalt shingles with a dark gray/black granular surface on the sloped portions of the roof, the installation of a modified bitumen roof on the minimally sloped portions of the roof, adjacent to the ridge, the installation of black-finished snow guard rails, the installation of new black-finished pipe handrails at the parapets, the installation of copper gutter troughs and coping covers to match the dimensions, profiles, and materials of the existing, and the installation of new fiberglass panels at the narrow ends of the roof monitor, matching the existing cladding on the long sides of the monitor, as shown in drawings LPC-01 through LPC-04, all dated May 25, 2000, an "Exterior Envelope Report", and a "Technical Analysis of Roofing Systems", including photographs of the existing conditions, and materials samples, all prepared by Rogers Marvel Architects, PLLC, and submitted as components of this application

The Commission notes that the Park Slope Armory was designed by William A. Mundell in the castellated style and built in 1891-95. The Commission also notes that the existing built-up roofing is in a seriously deteriorated condition; that the upper portions of the roof and the monitor are only visible from several blocks away; that there are several layers of deteriorated roofing in place on the roof, and that asphalt shingles were used on the drill sheds of armories in New York when this building was built.

Staff has reviewed these drawings and finds that the proposed work will not require the destruction of any significant protected architectural features of this building, that the work will help in the long-term preservation of the structure of the building by helping to eliminate openings where water could penetrate into the building; that the installation of new copper gutters and coping will also help to maintain the water tight condition of the building, that the work will also help to bring the building closer to its original condition by eliminating obviously deteriorated material which diminishes the appearance of the building; that the dark gray/black color of the new roofing, matching the color of the existing roofing, will not draw undue attention to this portion of the building; that the black finish of the railings and snow guards, matching the color of the roofing, will help to minimize the visibility of these elements, that the new cladding on the monitor, matching the existing cladding, will help to unify this minimally visible rooftop element; and that the work will not adversely affect the significant protected architectural features or overall historic character of the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit, a copy must be prominently displayed at the site while work is in progress. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PUBLIC PAY TELEPHONES – CSB – DUE 08-28-00 – **The New York City Housing Authority ("NYCHA") has extended the deadline for submission of responses to its Request for Proposals (RFP) for Public Pay Telephones to August 28, 2000.**

Vendors are invited to submit responses to NYCHA's Request for Proposals ("RFP") for the installation, operation and maintenance of approximately 625 public pay telephones on NYCHA property. The contract term will be 3 years with 2 optional renewal terms of 5 years each.

NYCHA's objectives in issuing this RFP are as follows: 1) to improve public pay telephone service for NYCHA's residents, 2) to generate revenue and 3) to create job opportunities for NYCHA residents as employees of the selected vendors(s).

The scope of the work to be performed includes, but is not limited to, installation of new public pay telephones including enclosures and all necessary equipment, operation of all public pay telephones including operator service and maintenance. Vendors are required to state a guaranteed flat fee payable to NYCHA. Vendors are also required to state the number of jobs that will be made available to qualified NYCHA residents.

The RFP was released on July 17, 2000. Interested vendors may obtain a copy of the RFP between the hours of 9 a.m. and 4 p.m. through August 28, 2000 from Ms. Cavella James, or her designee, Department of Economic and Business Initiatives, New York City Housing Authority, 75 Park Place, 10th Floor, New York, NY 10007, (212) 776-5544.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

FINANCE

■ NOTICE

Notice of Opportunity to Comment on Proposed Rules Relating to Payment of Real Property Taxes by Electronic Funds Transfer

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Department of Finance by section 389 (b) of the New York City Charter and in accordance with the requirements of section 1043 of the New York City Charter, that the New York City Department of Finance proposes to add a new Chapter 43 to Title 19 of the Rules of the City of New York relating to Payment of Real Property Taxes by Electronic Funds Transfer. This proposal was not included in the Fiscal Year 2000 Regulatory Agenda for the Department of Finance, as the rule was not anticipated at the time of publication.

Written comments regarding these proposed rules must be submitted to the office of Devora Cohn, Assistant Commissioner for Legal Affairs, 345 Adams Street, Brooklyn, New York, 11201 on or before September 7, 2000.

A hearing for public comment will be held on September 7, 2000 at 345 Adams Street, 3rd Floor, Brooklyn, New York at 9:30 A.M. Persons seeking to testify are requested to notify Joan Best at (718)403-3669 at least three business days prior to the date scheduled for the hearing, although such notice is not required by law. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Joan Best at the foregoing number by August 24, 2000.

Written comments and an audio tape recording of oral comments received at the hearing will be available for public review by appointment, within a reasonable time after receipt, by appointment between the hours of 9:00 A.M. and 5:00 P.M. on weekdays at the office of Gerald Koszer, Records Access Officer, 345 Adams Street, 3rd Floor, Brooklyn, New York 11201, telephone number (718) 403-3600.

Matter underlined is new. Old matter in brackets [] to be deleted.

Rules Relating to Payment of Real Property Taxes by Electronic Funds Transfer

Section 1. A new chapter 43 is added to Title 19 of the Compilation of the Rules of the City of New York (Rule Relating to Payment of Real Property Taxes by Electronic Funds Transfer), to read as follows:

Chapter 43

Payment of Real Property Taxes by Electronic Funds Transfer

§ 43-01 Electronic Payment of Real Property Taxes. The Commissioner of Finance may, in his or her discretion, authorize payment of any real property tax by means of an electronic funds transfer (EFT) from the taxpayer's cash account.

(a) **Authorization.** Prior to making its first payment of real property tax by electronic funds transfer, a taxpayer must be authorized to make EFT payments by the Department of Finance. To receive authorization, the taxpayer must execute an agreement on a form prepared by the Department of Finance in which the taxpayer furnishes the Department with all the banking information requested by the Department to enable it to complete the EFT transaction. Such information shall include, but not be limited to, the name and address of the bank from which an EFT shall be authorized, the account number from which the payment shall be authorized and the borough, block and lot of the real property for which such payments shall be authorized. The agreement shall require that the taxpayer authorize the Commissioner of Finance to debit such account on the last date by which real property taxes may be paid without the accrual of interest in accordance with applicable law.

(b) **Timely Payment.** A taxpayer's payment of real property tax by EFT shall be deemed timely and not subject to interest charges if such taxpayer has authorized the Commissioner of Finance to debit the taxpayer's account on the statutory due date in accordance with subdivision (a) of this section, and such account is properly identified and on the date that the tax payment is due, such account contains sufficient funds to enable the successful completion of the EFT.

(c) **48 Hour Period for EFT Payments.** For real property tax payments made by EFT only, the Commissioner shall debit a taxpayer's account no less than 48 hours from the close of business on the last date on which the tax can be paid without interest.

Basis and Purpose of Proposed Rule

The purpose of this rule is to begin to modernize the New York City Department of Finance's method of collecting real property tax payments. This new chapter 43 of Title 19 of the Rules of the City of New York enables the Commissioner of Finance to authorize taxpayers to make real property tax payments by Electronic Funds Transfer (EFT).

The rule provides that to receive authorization to make payments by EFT, the taxpayer must execute an agreement with the Department of Finance which includes all the banking information necessary for the completion of the EFT transaction. Also, the taxpayer must properly identify by borough, block and lot, the parcel for which payments are authorized to be made from such account. The rule further provides that a real property tax payment made electronically will be deemed to have been made on the date on which the payment is authorized, provided that the cash account is properly identified and that the account contains sufficient funds to enable the successful completion of the EFT.

This new payment mechanism affords taxpayers the convenience of paying electronically, while enabling the City to reduce paperwork and processing time.

Name, Description and Location of Proposal:

Edward's Super Food Store
The proposal involves the following discretionary actions:

- an application by Liberty Leasing, LLC for a Special Permit (ULURP No. 990277ZSQ) pursuant to ZR Section 74-922 to allow a supermarket with more than 10,000 square feet of floor area within an M1-2 zoning district;

- an application by Liberty Leasing, LLC for a General Large Scale Development Special Permit (ULURP No. 990276ZSQ) pursuant to ZR Section 74-743 to allow modification of bulk regulations;

- an application by Liberty Leasing, LLC for a zoning map amendment (ULURP No. 990274ZMQ) to rezone Block 9120, Lots 25, 27, and 29 from R5 to R5/C1-2;

- an application by Liberty Leasing, LLC for a Special Permit (ULURP No. 990275ZSQ) pursuant to ZR Section 74-511 to allow a public parking lot in a C1-2 district; and,

- an application by the Department of Citywide Administrative Services for a disposition to Liberty Leasing, LLC of City-owned property located at 103-54 99th Street (Block 9121, Lot 30).

These action would facilitate a proposal by Liberty Leasing, LLC to develop a supermarket

Edwards Super Food Store – and a public parking lot on two blocks fronting on the northern side of Liberty Avenue between 97th Street and 99th Street in the Ozone Park section of Community District 10, Queens.

The proposed supermarket would be developed on an approximately two acre site (Block 9121, Lots 20, 21, 23, 24, 30, 32, 63, and 66) located at 9801-9915 Liberty Avenue in an M1-2 zoning district. Formerly occupied by Queens Farms Dairy, the site is currently used for automotive repair, parking, and storage purposes. The site also includes a vacant MTA electrical substation (Lot 30) which is the subject of the disposition application. The vacant buildings on the site would be demolished. The proposed supermarket would contain approximately 53,582 square feet of floor area in a new one-story building with 85 at-grade parking spaces and rooftop parking for 187 vehicles. The development would be accessed primarily from Liberty Avenue with additional curb cuts along 98th and 99th Streets. The at-grade parking would be located at the front of the store; the roof-top parking would be accessed by a ramp located along the 99th Street frontage and would contain 112 attended and 75 non-attended parking spaces. A loading area would be located at the rear of the property along 99th Street.

The proposed Special Permit pursuant to ZR Section 74-922 would allow a supermarket with more than 10,000 square feet of floor area to be developed in an M1-2 district. The proposed disposition of the MTA substation would allow the assemblage of a continuous site for development. Under the proposed General Large-Scale Development Special Permit, pursuant to ZR Section 74-743, the entire zoning lot on Block 9121 would be declared a general large-scale development. The Special Permit would modify bulk regulations to allow a front yard waiver. Ordinarily, ZR Section 43-304 would require that a front yard at least 20 feet in depth be provided along any front lot line forming the boundary between a zoning lot located within a Manufacturing District and that portion of the street which forms the boundary with a Residential District. The proposed Special Permit would allow a 14 foot deep yard landscaped with a double row of trees.

The proposed 100 space public parking lot would be developed on a parcel (Block 9120, Lots 25, 27, 29, 34, 40, and 42) located at 9709 Liberty Avenue in an R4/C1-2 district and an R5 district. The site is occupied by vacant buildings, an informal seller of used appliances, parking, and vehicular storage uses. The vacant buildings would be demolished. Primary access to the proposed parking lot would be provided from Liberty Avenue with additional access through two curb cuts on 98th Street. The lot would provide parking for the existing and proposed retail developments in the area. Because of the proximity of the lot to the proposed supermarket across the street, cart corrals would be provided within the lot to collect shopping carts.

The proposed zoning map amendment would extend the existing C1-2 commercial overlay district to include those portions of the parking lot site (Block 9120, Lots 25, 27, and 29) located within the R5 district, so that the entire parcel would be within a C1-2 district. The proposed Special Permit pursuant to ZR Section 74-511 would allow a public parking lot to be located within a C1-2 district.

Statement of No Significant Effect on Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated July 21, 2000, prepared in connection with the ULURP Application (990274ZMQ, 990275ZSQ, 990276ZSQ, 990277ZSQ, 990278PPQ). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once modified as follows:

6) Cleanup of hazardous materials present on the site of the former MTA substation (Block 9121, Lot 30) shall be conducted in accordance with the recommendations of the New York City Department of Environmental Protection (DEP) as per their letter of July 11, 2000, which is included in the project's CEQR file. Proposed mitigation measures include the following:

a) Oil soaked debris and/or leaking equipment shall be properly disposed of in accordance with federal, state, and local regulations. Based on asbestos survey results, a licensed asbestos abatement contractor should implement asbestos mitigating procedures.

b) Based on elevated VOC, PPM, and PCB laboratory results from specific subsurface samples, the applicant should asphalt pave, concrete cap, and/or place two feet of clean fill on grade within these areas. Should these areas be considered for below-grade development the applicant shall be responsible for properly disposing of the excavated soil in accordance with applicable federal, state and local regulations.

c) In accordance with CFR 29, 1910.120, a site specific health and safety plan (HASP) would be prepared and approved by the New York City Department of Environmental Protection (DEP) prior to any demolition or excavation activities. The HASP would address all appropriate city, state, and federal regulatory requirements necessary to undertake and successfully complete the proposed project. The HASP would include hospital route maps and written directions to the nearest hospital, as well as appropriate emergency phone numbers.

d) If potential leaking Underground Storage Tanks (USTs) and/or buried leaking above ground storage tanks are uncovered during the proposed demolition/development activities, encountered fuel oil/petroleum/waste oil spills must be reported to the New York State Department of Environmental Conservation (NYSDEC). In addition, removal of USTs greater than 1,100 gallons must be reported to the DEC and New York City Fire Department. If USTs have not been previously registered, they must be registered and consequently closed in place and/or removed in accordance with applicable federal, state and local regulations.

e) If noticeable quantities of dust are generated during demolition or construction, the contractor would implement proper "industry standard engineering controls" to suppress fugitive dust.

f) If dewatering is required on any part of the site, groundwater samples would be collected and analyzed in accordance with DEP Sewer Discharge Criteria. A DEP dewatering permit would be obtained prior to the commencement of construction activity.

The obligations set forth above shall take effect upon the Applicant (Liberty Leasing, LLC) becoming the fee owner of Block 9121, Lot 30. The Applicant acknowledges that such obligation may be incorporated into any or all of the approvals of the Applicant's requests for Special Permits pursuant to ZR Sections 74-922 and 74-743, the provisions of the land disposition agreement, and a restrictive declaration recorded against the property, as required by the City.

7) As per the April 26, 2000 letter from New York City Department of Transportation (DOT), which is included in the project's CEQR file, the applicant shall contact DOT within six months prior to the completion and occupation of the proposed project. At that time DOT will investigate the feasibility of implementing the following proposed mitigation measures:

a) At Woodhaven Boulevard and Jamaica Avenue, four seconds of green time would be reallocated from the northbound/southbound left turn phase to the eastbound/westbound phase.

b) At the intersection of the Woodhaven Boulevard northbound service road and Atlantic Avenue, one second of green time would be reallocated from the eastbound/westbound through phase to the eastbound left turn phase.

c) At the intersection of the Woodhaven Boulevard southbound service road and Atlantic Avenue, one second of green time would be reallocated from the eastbound/westbound through phase to the westbound left turn phase.

d) At the intersection of Woodhaven Boulevard and 103rd Avenue, one second of green time would be reallocated from the eastbound/westbound phase to the northbound/southbound phase. During the morning peak period (7 to 9 AM), parking would be prohibited on the south side of 103rd Avenue between 94th Street and Woodhaven Boulevard and on the north side of 103rd Avenue between Woodhaven Boulevard and 95th Street. This would eliminate approximately ten parking spaces during these hours.

e) At the intersection of Woodhaven Boulevard and Rockaway Boulevard, parking would be prohibited on the westbound approach, which would eliminate approximately five out of the existing eight metered spaces, and the travel lanes would be widened by one foot. In addition, green time would be reallocated from the north/south phase on Woodhaven Boulevard to the east/west phase on Rockaway Boulevard. One second of green time would be shifted during the weekday late afternoon peak period; two seconds would be shifted during the weekday morning peak period; and three seconds would be shifted during the Saturday and weekday midday peak periods.

f) At the intersection of Rockaway Boulevard and Liberty Avenue/96th Street, four seconds of green time would be reallocated from the northbound phase on 96th Street to the east/west phase on Liberty Avenue during the morning peak hour, and 11 seconds would be reallocated during the late afternoon peak hour. Of the additional seven seconds reallocated during the afternoon peak hour, four seconds would be taken from 96th Street and three seconds from Rockaway Boulevard.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1) A comprehensive Phase I and Phase II Environmental Site Assessment Protocol, prepared for the project and included in the project's CEQR file, disclosed that:

a) Interior site inspection of buildings on the site of the former MTA substation (Block 9121, Lot 30) revealed corroded 55-gallon drums, several transformers, fluid filled electrical equipment, and numerous pieces of electro-mechanical oil-soaked debris. On the unenclosed portions of the site stained soil was observed in areas where automotive-parts dumping was prevalent.

b) Soil tests (exterior) and surface wipe samples (interior) revealed elevated levels of heavy metals, particularly lead, and PCB's.

c) Testing revealed that roof membrane, transit panels, window caulk, and various wire wraps in buildings on the subject site are all asbestos containing materials.

With the implementation of the proposed mitigation measures described in Item 1 above, no significant adverse impacts related to the presence of hazardous materials on the affected portion of the project site (Block 9121, Lot 30) would occur.

There would be no significant adverse impacts related to the presence of hazardous materials on the former Queens Farm Dairy site (Block 9121 Lots 20, 21, 23, 24, 32, 63, 66). As per the June 16, 2000 letter from the New York State Department of Environmental Conservation (NYSDEC), which is included in the project's CEQR file, in 1997 gasoline contamination was encountered during the removal of underground storage tanks, under the supervision of this office, in the southwest corner of the property. Spill number 97-00678 was assigned to the site. The NYSDEC regulates underground storage tanks and related releases from them pursuant to the New York State Petroleum Bulk Storage Law, ECL article 17, Title 10, the New York State Navigation Law, and their respective regulations.

At the time of the tank removal contaminated soil was excavated and disposed of at a permitted offsite facility. Residual contaminated soil remains under the southwest corner of the existing building. It was agreed with the property owner that to the extent feasible, this soil would be excavated, under NYSDEC supervision, when the building is demolished (as a part of the contemplated redevelopment). After this excavation is completed a determination will be made by the NYSDEC respecting whether further remedial activities are required. Any further, or future, work would be performed under the oversight of the NYSDEC.

2) According to a detailed traffic analysis, six studied intersections would experience significant adverse impacts during at least one peak hour as a result of the proposed action.

a) *Woodhaven Boulevard and Jamaica Avenue* - Without mitigation, both the eastbound and westbound approaches of Jamaica Avenue would experience significant impacts during the weekday morning peak hour. The eastbound approach, which would operate at Level of Service (LOS) F under future no-build conditions, would experience a 7 second increase in delay, and the westbound approach would decline from LOS D to LOS E.

b) *Woodhaven Boulevard northbound service road and Atlantic Avenue* – The eastbound left turn lane of Atlantic Avenue would experience a significant impact during the weekday midday peak hour, with a 6 second increase in delay.

c) *Woodhaven Boulevard southbound service road and Atlantic Avenue* – The westbound left turn lane of Atlantic Avenue would experience a 14 second increase in delay time during the Saturday midday peak hour.

d) *Woodhaven Boulevard and 103rd Avenue* – The northbound mainline through lanes of Woodhaven Boulevard would experience a 5 second increase in delay time during the weekday morning peak hour

e) *Woodhaven Boulevard and Rockaway Boulevard* – The westbound approach along Rockaway Boulevard, which would be operating at LOS F during all peak hours under future baseline conditions, would experience significant increases in delay time during all four peak periods.

f) *Rockaway Boulevard and Liberty Avenue/96th Street* – The westbound approach of Liberty Avenue would experience significant impacts during the weekday morning and late afternoon peak hours. During the morning, there would be a 10 second increase in delay; during the afternoon peak hour, conditions would decline from LOS D to LOS F, with a 39 second increase in delay.

With the implementation of the proposed mitigation measures, described in detail in Item 2 above, no significant adverse impacts related to traffic would occur.

3) No other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modifications, and alterations are not fully incorporated into the proposed action that this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before proceeding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Conditional Negative Declaration, you may contact Ezra Polonsky at (212) 720-3321.

TRANSIT AUTHORITY

■ NOTICE

Notice to potential suppliers: The New York City Transit Authority (NYCTA) invites vendors interested in doing business with the NYCTA who have not yet listed themselves with the NYCTA to do so. Vendors on the NYCTA's bidders list are informed of solicitations for the types of goods and services they provide. Vendors are required to complete an application to be added to our bidders list. We will provide you with general information on doing business with The NYCTA's and other MTA agencies. We encourage minority and woman owned business enterprises to participate in our solicitations.

The NYCTA purchases bus parts, rail car parts, railroad ties and other maintenance of way items and a wide variety of other material and equipment.

The bidders list application can be obtained in person at the Bid Reception Desk at the below address, or by fax on company letterhead to the Vendor Relations unit at (718) 694- 4579.

MTA - New York City Transit, 130 Livingston Street, Room 160, Brooklyn, NY 11201. Bid Reception Desk Monday - Friday, except holidays 9:00am - 4:00pm (718) 694-3192.

URBAN DEVELOPMENT CORPORATION

■ NOTICE OF PUBLIC HEARING

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD THURSDAY, SEPTEMBER 7, 2000 PURSUANT TO SECTION 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, SECTIONS 201-204 OF THE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED NEW YORK STOCK EXCHANGE PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC" or the "Corporation") pursuant to Section 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "Act"), Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively, "SEQRA"), at the Alexander Hamilton United States Custom House, One Bowling Green, New York, New York 10004, in the auditorium located on the basement level of said facility (enter on Whitehall Street, opposite Stone Street), in two sessions from 3:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. on Thursday, September 7, 2000 to consider: (a) the General Project Plan for the proposed New York Stock Exchange Project (the "General Project Plan"); (b) the proposed acquisition by condemnation of certain property in furtherance of the proposed New York Stock Exchange Project (the "Project") in the Borough of Manhattan; and (c) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to be heard with respect to consideration by the Corporation of the General Project Plan, pursuant to Section 16 of the Act; (3) reviewing the public use to be served by the Project and impact of the Project on the environment and residents of the locality where the Project will be constructed, pursuant to Article 2 of the EDPL; and (4) offering all interested persons the opportunity to give testimony on the DEIS, pursuant to the applicable environmental laws.

Project Location and Description

The Project site consists of the entire block bounded by Wall Street on the north, Broad Street on the west, Exchange Place on the south and William Street on the east, in lower Manhattan. The Project site more precisely is identified as Manhattan Tax Block 26, Lots 1, 14 and 21.

The Project contemplates the development of a new, state-of-the-art trading facility for the New York Stock Exchange ("NYSE"). Above the trading facility a commercial office tower development (the "Tower") is proposed. The NYSE facility would comprise approximately 600,000 gross square feet ("gsf") and the Tower approximately 1.3 million gsf. The Project is being undertaken in cooperation with the City of New York (the "City") and the New York City Economic Development Corporation.

The purpose of the Project is to retain the NYSE in the lower Manhattan financial district to maintain its stabilizing presence in the area, to serve as a catalyst to continued revitalization of downtown Manhattan, and to retain and expand the NYSE's direct and indirect employment in the area. The Project is also expected to create new, needed Class A office space in the downtown financial district.

A number of ESDC discretionary actions are subject to review pursuant to the Act, EDPL and SEQRA, including ESDC's approval of the General Project Plan, and the condemnation of privately-owned land and its disposition by ESDC which is serving as the lead agency. ESDC's Directors have already adopted the proposed General Project Plan and certified the DEIS as complete. After the public hearing is held and the public comment period is concluded pursuant to applicable laws, a Final Environmental Impact Statement ("FEIS") will be completed and ESDC's Directors will be requested to issue the FEIS, affirm or, if appropriate, modify, the General Project Plan and make statutory findings under the condemnation and environmental laws.

Proposed Property Acquisitions

The General Project Plan contemplates that ESDC will acquire the following properties by exercise of its statutory power of eminent domain, either with or without negotiated agreement: Manhattan Tax Block 26, Lot 1 (15 Broad Street and 23 Wall Street); Manhattan Tax Block 26, Lot 14 (49 Exchange Place and 37 Wall Street); and Manhattan Tax Block 26, Lot 21 (45 Wall Street). All acquisitions will be made in full compliance with the requirements of the Act, SEQRA and the EDPL. The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street address and the Tax Block and Lot, the Block and Lot shall control.

Potential Impacts of the Project

A DEIS has been prepared in accordance with both City and State environmental regulations for the actions described above. The SEQRA Classification is Type I. The lead agency is ESDC, 633 Third Avenue, New York, N.Y. 10017. The lead agency contact is Rachel Shatz, ESDC's Director of Planning & Environmental Review. Further information concerning the DEIS can be obtained from Ms. Shatz at (212) 803-3254. The DEIS identifies the following areas of potential impact: vehicular traffic, subway access, pedestrian crossings, historic resources and neighborhood character. The DEIS describes mitigation measures to minimize these impacts.

Availability of the General Project Plan and DEIS

The General Project Plan and DEIS are on file at the Corporate Office of ESDC, 633 Third Avenue, New York, New York and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday. Copies of the General Project Plan and the Executive Summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. To inspect and/or obtain copies of the foregoing documents, please contact Rachel Shatz at ESDC at (212) 803-3254 to schedule an appointment. Pursuant to Section 16(2) of the Act, ESDC also has filed a copy of the General Project Plan, including the DEIS and the findings required pursuant to Section 10 of the Act, in the office of the Clerks of the County and City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of the Borough of Manhattan, the Chair of the City Planning Commission, and the Chair of Manhattan Community Board No. 1. Copies of the DEIS also have been provided by ESDC to involved and interested agencies and various community organizations. An additional copy of the DEIS is on file with the New Amsterdam Branch of the New York Public Library. Copies of the General Project Plan, Executive Summary of the DEIS and an inspection copy of the full DEIS also will be available at the hearing location during the hearing.

Receipt of Comments

Comments on the General Project Plan, proposed acquisitions and DEIS are requested and may be made orally or in writing at the hearing on September 7 or presented in writing to ESDC at 633 Third Avenue, New York, New York 10017 (Attention: Rachel Shatz) on or before October 10, 2000. Comments received after the close of business on October 10, 2000 will not be considered.

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PUBLIC PAY TELEPHONES – CSB – DUE 08-28-00 – **The New York City Housing Authority ("NYCHA") has extended the deadline for submission of responses to its Request for Proposals (RFP) for Public Pay Telephones to August 28, 2000.**

Vendors are invited to submit responses to NYCHA's Request for Proposals ("RFP") for the installation, operation and maintenance of approximately 625 public pay telephones on NYCHA property. The contract term will be 3 years with 2 optional renewal terms of 5 years each.

NYCHA's objectives in issuing this RFP are as follows: 1) to improve public pay telephone service for NYCHA's residents, 2) to generate revenue and 3) to create job opportunities for NYCHA residents as employees of the selected vendors(s).

The scope of the work to be performed includes, but is not limited to, installation of new public pay telephones including enclosures and all necessary equipment, operation of all public pay telephones including operator service and maintenance. Vendors are required to state a guaranteed flat fee payable to NYCHA. Vendors are also required to state the number of jobs that will be made available to qualified NYCHA residents.

The RFP was released on July 17, 2000. Interested vendors may obtain a copy of the RFP between the hours of 9 a.m. and 4 p.m. through August 28, 2000 from Ms. Cavella James, or her designee, Department of Economic and Business Initiatives, New York City Housing Authority, 75 Park Place, 10th Floor, New York, NY 10007, (212) 776-5544.

URBAN DEVELOPMENT CORPORATION

■ NOTICE OF PUBLIC HEARING

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD THURSDAY, SEPTEMBER 7, 2000 PURSUANT TO SECTION 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, SECTIONS 201-204 OF THE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED NEW YORK STOCK EXCHANGE PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC" or the "Corporation") pursuant to Section 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "Act"), Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively, "SEQRA"), at the Alexander Hamilton United States Custom House, One Bowling Green, New York, New York 10004, in the auditorium located on the basement level of said facility (enter on Whitehall Street, opposite Stone Street), in two sessions from 3:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. on Thursday, September 7, 2000 to consider: (a) the General Project Plan for the proposed New York Stock Exchange Project (the "General Project Plan"); (b) the proposed acquisition by condemnation of certain property in furtherance of the proposed New York Stock Exchange Project (the "Project") in the Borough of Manhattan; and (c) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to be heard with respect to consideration by the Corporation of the General Project Plan, pursuant to Section 16 of the Act; (3) reviewing the public use to be served by the Project and impact of the Project on the environment and residents of the locality where the Project will be constructed, pursuant to Article 2 of the EDPL; and (4) offering all interested persons the opportunity to give testimony on the DEIS, pursuant to the applicable environmental laws.

Project Location and Description

The Project site consists of the entire block bounded by Wall Street on the north, Broad Street on the west, Exchange Place on the south and William Street on the east, in lower Manhattan. The Project site more precisely is identified as Manhattan Tax Block 26, Lots 1, 14 and 21.

The Project contemplates the development of a new, state-of-the-art trading facility for the New York Stock Exchange ("NYSE"). Above the trading facility a commercial office tower development (the "Tower") is proposed. The NYSE facility would comprise approximately 600,000 gross square feet ("gsf") and the Tower approximately 1.3 million gsf. The Project is being undertaken in cooperation with the City of New York (the "City") and the New York City Economic Development Corporation.

The purpose of the Project is to retain the NYSE in the lower Manhattan financial district to maintain its stabilizing presence in the area, to serve as a catalyst to

continued revitalization of downtown Manhattan, and to retain and expand the NYSE's direct and indirect employment in the area. The Project is also expected to create new, needed Class A office space in the downtown financial district.

A number of ESDC discretionary actions are subject to review pursuant to the Act, EDPL and SEQRA, including ESDC's approval of the General Project Plan, and the condemnation of privately-owned land and its disposition by ESDC which is serving as the lead agency. ESDC's Directors have already adopted the proposed General Project Plan and certified the DEIS as complete. After the public hearing is held and the public comment period is concluded pursuant to applicable laws, a Final Environmental Impact Statement ("FEIS") will be completed and ESDC's Directors will be requested to issue the FEIS, affirm or, if appropriate, modify, the General Project Plan and make statutory findings under the condemnation and environmental laws.

Proposed Property Acquisitions

The General Project Plan contemplates that ESDC will acquire the following properties by exercise of its statutory power of eminent domain, either with or without negotiated agreement: Manhattan Tax Block 26, Lot 1 (15 Broad Street and 23 Wall Street); Manhattan Tax Block 26, Lot 14 (49 Exchange Place and 37 Wall Street); and Manhattan Tax Block 26, Lot 21 (45 Wall Street). All acquisitions will be made in full compliance with the requirements of the Act, SEQRA and the EDPL. The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street address and the Tax Block and Lot, the Block and Lot shall control.

Potential Impacts of the Project

A DEIS has been prepared in accordance with both City and State environmental regulations for the actions described above. The SEQRA Classification is Type I. The lead agency is ESDC, 633 Third Avenue, New York, N.Y. 10017. The lead agency contact is Rachel Shatz, ESDC's Director of Planning & Environmental Review. Further information concerning the DEIS can be obtained from Ms. Shatz at (212) 803-3254. The DEIS identifies the following areas of potential impact: vehicular traffic, subway access, pedestrian crossings, historic resources and neighborhood character. The DEIS describes mitigation measures to minimize these impacts.

Availability of the General Project Plan and DEIS

The General Project Plan and DEIS are on file at the Corporate Office of ESDC, 633 Third Avenue, New York, New York and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday. Copies of the General Project Plan and the Executive Summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. To inspect and/or obtain copies of the foregoing documents, please contact Rachel Shatz at ESDC at (212) 803-3254 to schedule an appointment. Pursuant to Section 16(2) of the Act, ESDC also has filed a copy of the General Project Plan, including the DEIS and the findings required pursuant to Section 10 of the Act, in the office of the Clerks of the County and City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of the Borough of Manhattan, the Chair of the City Planning Commission, and the Chair of Manhattan Community Board No. 1. Copies of the DEIS also have been provided by ESDC to involved and interested agencies and various community organizations. An additional copy of the DEIS is on file with the New Amsterdam Branch of the New York Public Library. Copies of the General Project Plan, Executive Summary of the DEIS and an inspection copy of the full DEIS also will be available at the hearing location during the hearing.

Receipt of Comments

Comments on the General Project Plan, proposed acquisitions and DEIS are requested and may be made orally or in writing at the hearing on September 7 or presented in writing to ESDC at 633 Third Avenue, New York, New York 10017 (Attention: Rachel Shatz) on or before October 10, 2000. Comments received after the close of business on October 10, 2000 will not be considered.

■ NOTICE

NOTICE OF FILING OF REGENT HOTEL TENTATIVE DECREE AND NOTICE TO FILE OBJECTIONS.
NEW YORK COUNTY
INDEX NO. 45886-92

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee to **REGENT HOTEL** required as transitional housing for homeless families, located at 2720-2724 Broadway (also known as 233 West 104th Street) Block 1876, Lot 20, in the Borough of Manhattan, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted at the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owners of Damage Parcel 1 (Block 1876, Lot 20), real property which was acquired in this proceeding, and the Tentative Decree of the said Court as to the award for damages was signed, by HON. STANLEY PARNESS, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of New York on May 26, 2000, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector's post office address, with the Clerk of the County of New York, on or before September 15, 2000, and parties other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York, at his office, 100 Church Street, Room 6-118, in the Borough of Manhattan, City and State of New York, a copy of such verified objections.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PUBLIC PAY TELEPHONES – CSB DUE 08-28-00 – **The New York City Housing Authority ("NYCHA") has extended the deadline for submission of responses to its Request for Proposals (RFP) for Public Pay Telephones to August 28, 2000.**

Vendors are invited to submit responses to NYCHA's Request for Proposals ("RFP") for the installation, operation and maintenance of approximately 625 public pay telephones on NYCHA property. The contract term will be 3 years with 2 optional renewal terms of 5 years each.

NYCHA's objectives in issuing this RFP are as follows: 1) to improve public pay telephone service for NYCHA's residents, 2) to generate revenue and 3) to create job opportunities for NYCHA residents as employees of the selected vendors(s).

The scope of the work to be performed includes, but is not limited to, installation of new public pay telephones including enclosures and all necessary equipment, operation of all public pay telephones including operator service and maintenance. Vendors are required to state a guaranteed flat fee payable to NYCHA. Vendors are also required to state the number of jobs that will be made available to qualified NYCHA residents.

The RFP was released on July 17, 2000. Interested vendors may obtain a copy of the RFP between the hours of 9 a.m. and 4 p.m. through August 28, 2000 from Ms. Cavella James, or her designee, Department of Economic and Business Initiatives, New York City Housing Authority, 75 Park Place, 10th Floor, New York, NY 10007, (212) 776-5544.

URBAN DEVELOPMENT CORPORATION

■ NOTICE OF PUBLIC HEARING

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD THURSDAY, SEPTEMBER 7, 2000 PURSUANT TO SECTION 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, SECTIONS 201-204 OF THE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED NEW YORK STOCK EXCHANGE PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC" or the "Corporation") pursuant to Section 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "Act"), Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively, "SEQRA"), at the Alexander Hamilton United States Custom House, One Bowling Green, New York, New York 10004, in the auditorium located on the basement level of said facility (enter on Whitehall Street, opposite Stone Street), in two sessions from 3:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. on Thursday, September 7, 2000 to consider: (a) the General Project Plan for the proposed New York Stock Exchange Project (the "General Project Plan"); (b) the proposed acquisition by condemnation of certain property in furtherance of the proposed New York Stock Exchange Project (the "Project") in the Borough of Manhattan; and (c) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to be heard with respect to consideration by the Corporation of the General Project Plan, pursuant to Section 16 of the Act; (3) reviewing the public use to be served by the Project and impact of the Project on the environment and residents of the locality where the Project will be constructed, pursuant to Article 2 of the EDPL; and (4) offering all interested persons the opportunity to give testimony on the DEIS, pursuant to the applicable environmental laws.

Project Location and Description

The Project site consists of the entire block bounded by Wall Street on the north, Broad Street on the west, Exchange Place on the south and William Street on the east, in lower Manhattan. The Project site more precisely is identified as Manhattan Tax Block 26, Lots 1, 14 and 21.

The Project contemplates the development of a new, state-of-the-art trading facility for the New York Stock Exchange ("NYSE"). Above the trading facility a commercial office tower development (the "Tower") is proposed. The NYSE facility would comprise approximately 600,000 gross square feet ("gsf") and the Tower approximately 1.3 million gsf.
The Project is being undertaken in cooperation with the City of New York (the "City") and the New York City Economic Development Corporation.

The purpose of the Project is to retain the NYSE in the lower Manhattan financial district to maintain its stabilizing presence in the area, to serve as a catalyst to continued revitalization of downtown Manhattan, and to retain and expand the NYSE's direct and indirect employment in the area. The Project is also expected to create new, needed Class A office space in the downtown financial district.

A number of ESDC discretionary actions are subject to review pursuant to the Act, EDPL and SEQRA, including ESDC's approval of the General Project Plan, and the condemnation of privately-owned land and its disposition by ESDC which is serving as the lead agency. ESDC's Directors have already adopted the proposed General Project Plan and certified the DEIS as complete. After the public hearing is held and the public comment period is concluded pursuant to applicable laws, a Final Environmental Impact Statement ("FEIS") will be completed and ESDC's Directors will be requested to issue the FEIS, affirm or, if appropriate, modify, the General Project Plan and make statutory findings under the condemnation and environmental laws.

Proposed Property Acquisitions

The General Project Plan contemplates that ESDC will acquire the following properties by exercise of its statutory power of eminent domain, either with or without negotiated agreement: Manhattan Tax Block 26, Lot 1 (15 Broad Street and 23 Wall Street); Manhattan Tax Block 26, Lot 14 (49 Exchange Place and 37 Wall Street); and *Manhattan Tax Block 26, Lot 21 (45 Wall Street). All acquisitions will be made in full* compliance with the requirements of the Act, SEQRA and the EDPL. The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street address and the Tax Block and Lot, the Block and Lot shall control.

Potential Impacts of the Project

A DEIS has been prepared in accordance with both City and State environmental regulations for the actions described above. The SEQRA Classification is Type I. The lead agency is ESDC, 633 Third Avenue, New York, N.Y. 10017. The lead agency contact is Rachel Shatz, ESDC's Director of Planning & Environmental Review. Further information concerning the DEIS can be obtained from Ms. Shatz at (212) 803-3254. The DEIS identifies the following areas of potential impact: vehicular traffic, subway access, pedestrian crossings, historic resources and neighborhood character. The DEIS describes mitigation measures to minimize these impacts.

Availability of the General Project Plan and DEIS

The General Project Plan and DEIS are on file at the Corporate Office of ESDC, 633 Third Avenue, New York, New York and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday. Copies of the General Project Plan and the Executive Summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. To inspect and/or obtain copies of the foregoing documents, please contact Rachel Shatz at ESDC at (212) 803-3254 to schedule an appointment. Pursuant to Section 16(2) of the Act, ESDC also has filed a copy of the General Project Plan, including the DEIS and the findings required pursuant to Section 10 of the Act, in the office of the Clerks of the County and City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of the Borough of Manhattan, the Chair of the City Planning Commission, and the Chair of Manhattan Community Board No. 1. Copies of the DEIS also have been provided by ESDC to involved and interested agencies and various community organizations. An additional copy of the DEIS is on file with the New Amsterdam Branch of the New York Public Library. Copies of the General Project Plan, Executive Summary of the DEIS and an inspection copy of the full DEIS also will be available at the hearing location during the hearing.

Receipt of Comments

Comments on the General Project Plan, proposed acquisitions and DEIS are requested and may be made orally or in writing at the hearing on September 7 or presented in writing to ESDC at 633 Third Avenue, New York, New York 10017 (Attention: Rachel Shatz) on or before October 10, 2000. Comments received after the close of business on October 10, 2000 will not be considered.

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to *renew.*

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.
Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

URBAN DEVELOPMENT CORPORATION

■ NOTICE OF PUBLIC HEARING

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD THURSDAY, SEPTEMBER 7, 2000 PURSUANT TO SECTION 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, SECTIONS 201-204 OF THE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED NEW YORK STOCK EXCHANGE PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC" or the "Corporation") pursuant to Section 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "Act"), Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively, "SEQRA"), at the Alexander Hamilton United States Custom House, One Bowling Green, New York, New York 10004, in the auditorium located on the basement level of said facility (enter on Whitehall Street, opposite Stone Street), in two sessions from 3:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. on Thursday, September 7, 2000 to consider: (a) the General Project Plan for the proposed New York Stock Exchange Project (the "General Project Plan"); (b) the proposed acquisition by condemnation of certain property in furtherance of the proposed New York Stock Exchange Project (the "Project") in the Borough of Manhattan; and (c) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to be heard with respect to consideration by the Corporation of the General Project Plan, pursuant to Section 16 of the Act; (3) reviewing the public use to be served by the Project and impact of the Project on the environment and residents of the locality where the Project will be constructed, pursuant to Article 2 of the EDPL; and (4) offering all interested persons the opportunity to give testimony on the DEIS, pursuant to the applicable environmental laws.

Project Location and Description

The Project site consists of the entire block bounded by Wall Street on the north, Broad Street on the west, Exchange Place on the south and William Street on the east, in lower Manhattan. The Project site more precisely is identified as Manhattan Tax Block 26, Lots 1, 14 and 21.
The Project contemplates the development of a new, state-of-the-art trading facility for the New York Stock Exchange ("NYSE"). Above the trading facility a commercial office tower development (the "Tower") is proposed. The NYSE facility would comprise approximately 600,000 gross square feet ("gsf") and the Tower approximately 1.3 million gsf.
The Project is being undertaken in cooperation with the City of New York (the "City") and the New York City Economic Development Corporation.

The purpose of the Project is to retain the NYSE in the lower Manhattan financial district to maintain its stabilizing presence in the area, to serve as a catalyst to continued revitalization of downtown Manhattan, and to retain and expand the NYSE's direct and indirect employment in the area. The Project is also expected to create new, needed Class A office space in the downtown financial district.

A number of ESDC discretionary actions are subject to review pursuant to the Act, EDPL and SEQRA, including ESDC's approval of the General Project Plan, and the condemnation of privately-owned land and its disposition by ESDC which is serving as the lead agency. ESDC's Directors have already adopted the proposed General Project Plan and certified the DEIS as complete. After the public hearing is held and the public comment period is concluded pursuant to applicable laws, a Final Environmental Impact Statement ("FEIS") will be completed and ESDC's Directors will be requested to issue the FEIS, affirm or, if appropriate, modify, the General Project Plan and make statutory findings under the condemnation and environmental laws.

Proposed Property Acquisitions

The General Project Plan contemplates that ESDC will acquire the following properties by exercise of its statutory power of eminent domain, either with or without negotiated agreement: Manhattan Tax Block 26, Lot 1 (15 Broad Street and 23 Wall Street); Manhattan Tax Block 26, Lot 14 (49 Exchange Place and 37 Wall Street); and Manhattan Tax Block 26, Lot 21 (45 Wall Street). All acquisitions will be made in full compliance with the requirements of the Act, SEQRA and the EDPL. The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street address and the Tax Block and Lot, the Block and Lot shall control.

Potential Impacts of the Project

A DEIS has been prepared in accordance with both City and State environmental regulations for the actions described above. The SEQRA Classification is Type I. The lead agency is ESDC, 633 Third Avenue, New York, N.Y. 10017. The lead agency contact is Rachel Shatz, ESDC's Director of Planning & Environmental Review. Further information concerning the DEIS can be obtained from Ms. Shatz at (212) 803-3254. The DEIS identifies the following areas of potential impact: vehicular traffic, subway access, pedestrian crossings, historic resources and neighborhood character. The DEIS describes mitigation measures to minimize these impacts.

Availability of the General Project Plan and DEIS

The General Project Plan and DEIS are on file at the Corporate Office of ESDC, 633 Third Avenue, New York, New York and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday. SUPREME COURT

■ NOTICE

NOTICE OF FILING OF REGENT HOTEL TENTATIVE DECREE AND NOTICE TO FILE OBJECTIONS.
NEW YORK COUNTY
INDEX NO. 45886-92

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee to **REGENT HOTEL** required as transitional housing for homeless families, located at 2720-2724 Broadway (also known as 233 West 104th Street) Block 1876, Lot 20, in the Borough of Manhattan, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted at the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owners of Damage Parcel 1 (Block 1876, Lot 20), real property which was acquired in this proceeding, and the Tentative Decree of the said Court as to the award for damages was signed, by HON. STANLEY PARNESS, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of New York on May 26, 2000, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector's post office address, with the Clerk of the County of New York, on or before September 15, 2000, and parties other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York, at his office, 100 Church Street, Room 6-118, in the Borough of Manhattan, City and State of New York, a copy of such verified objections.

3. On September 27, 2000, at 10:00 A.M., or as soon thereafter as counsel can be heard, HON. STANLEY PARNESS, the Justice who signed the Tentative Decree, holding Court at IA Part 24 of the Supreme Court, to be held at the Supreme Court of New York County, 60 Centre Street, in the Borough of Manhattan, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will *provide interested applicants* an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

ADVISORY REPORTS

ISSUE DATE:	DOCKET #:	SRA #:
07/26/00	010158	SRA 01-0512

ADDRESS	BOROUGH:	BLOCK/LOT:
74 MIDDAGH STREET-CLR-3RD HISTORIC DISTRICT BROOKLYN HEIGHTS	BROOKLYN	216 / 22

To the Mayor, the Council, and the Commissioner, Dept. of Design and Construction.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

.

The Landmarks Preservation Commission has reviewed a proposal for interior work only, at all floors, of the subject building. The proposed work is described on drawings L1, D-1, 1.A1 through 1.A5, 1.P1 through 1.P6, and 1.M1 through 1.M4, all dated 3/18/99, prepared and submitted by Joseph Pell Lombardi & Associates for the Department of Design and Construction.

.

The Commission has reviewed these drawings and finds that the work is interior only and will have no effect on protected features of the building or the Brooklyn Heights Historic District.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

To the Mayor, the Council, and the Commissioner, Dept. of Housing Preservation & Development.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

.

The Landmarks Preservation Commission has reviewed a proposal for interior alterations only, at the first floor of the subject building. The proposed work is described on drawings A000, A101, and D101, all dated June 1, 2000, prepared and submitted by Cowley & Prudon Architects.

.

The Commission has reviewed these drawings and finds that the work is limited to the interior of the building and will have no effect on protected architectural features.

.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

BINDING REPORTS

ISSUE DATE:	DOCKET #:	SRB #:
07/21/00	004084	SRB 01-0411

ADDRESS	BOROUGH:	BLOCK/LOT:
8TH STREET 6th Avenue to University Place GREENWICH VILLAGE	MANHATTAN	777 / 77

To the Mayor, the Council, and the President, Economic Development Corp.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for alterations to the public right of way on Eighth Street, from Avenue of the Americas to University Place, within the Greenwich Village Historic

District, and continuing from University Place to Broadway, outside of the district. The proposed work includes sidewalk widening; installation of new bluestone-tinted concrete sidewalks with special scoring to simulate bluestone pavers; restoration of the special pink and grey sidewalk at the New York Studio School at 8-14 West 8th Street; installation of new granite curbs, new tree wells with trees and granite block pavement, and stonewear planters at intersecting streets; removal of standard street lampposts and installation of type-F lampposts; removal of parking meters and installation of Muni-Meter boxes; installation of special street name signposts and location sign posts; and installation of decorative bollards to protect the Muni-Meters and fire hydrants. The proposed work is described on a drawing; illustration boards of proposed lampposts, street, and location signs, Muni-Meters, bollards, and a detail of the proposed sidewalk scoring pattern; and historic photographs of Eighth Street, all prepared by Daniel Frankfurt, P.C., Consulting Engineers and Donna Walcavage, Landscape Architecture and Urban Design, and submitted as components of the application.

The Commission notes that Eighth Street was developed from the 1830s as a residential street, with later new buildings and altered old buildings providing commercial storefronts at the lower floors. The Commission also notes that original sidewalks at the 19th century buildings on this street were bluestone, that the unusual pink and grey sidewalk at the Studio School was installed when the townhouses that make up the school were combined and redesigned in 1930 for use by the new Whitney Museum; that street curbs were bluestone or granite, and that original electric lampposts were of the bishop's crook type. The Commission finally notes that the sidewalks were narrowed in the early 20th century.

The Commission finds that widening the sidewalks by 2.5 feet will bring them closer to their historic width; that the offset resulting from retention of the existing curb line at several bus stops to allow additional space for buses to pull out of the traffic flow is relatively minor and will not significantly affect the visual character of the street; that the existing concrete sidewalks to be removed are not significant features of the buildings or district; that the new concrete sidewalks, tinted and scored to resemble bluestone will be harmonious with the buildings and with bluestone and tinted concrete sidewalks elsewhere in the district and will help maintain a consistent sidewalk treatment on the street and in the district; that retention and repair or replication of the special sidewalk at the Studio School will preserve this significant, historic feature; that the grey granite street curbs are typical of curb materials used historically in the district; that granite block pavers for the tree wells are typical of pavements in tree wells in historic districts and are harmonious with other streetscape materials; that the standard street lights to be removed are not harmonious in scale, material, design, and color with the historic buildings in the district; that the newly-reintroduced type-F lampposts to be installed are similar in scale, design, and detail to the bishop's crooks which existed historically on Eighth Street, and were found historically on other streets in the district; that the scale, cast-iron and cast-aluminum material, ornamental details, and dark painted finish of the lampposts are harmonious with the architectural and historic character of the buildings; that removal of the individual parking meters will eliminate clutter from the sidewalks; that the Muni-Meters to be installed to replace the parking meters are few in number and relatively unobtrusive; that the painted metal bollards, street signposts, and location signposts are harmonious with the other street furnishings and are more typical in design and detail of historic street furnishings; and that the work will strengthen the historic and architectural character of the buildings, street, and district. Based on these findings, the proposed work is determined to be appropriate to Eighth Street and the Greenwich Village Historic District.

This approval is contingent upon the following:

Submission and approval of final contract drawings for the project, including dimensioned drawings of the lampposts, location signposts, planters, and bollards;

Details, specifications, and material samples for the special sidewalk at the Studio School, and a sample of the bluestone-tinted concrete;

Sample of the curb material.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS	BOROUGH:	BLOCK/LOT:
EAST 94TH STREET-LAMPOSTS HISTORIC DISTRICT CARNEGIE HILL	MANHATTAN	777 / 77

To the Mayor, the Council, and the Commissioner, Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace all existing standard street lampposts on East 94th Street between Fifth and Madison Avenues with bishop's crook lampposts. The proposal is described on the application.

The Commission notes that the bishop's crook post was installed throughout the city beginning in the early 20th century, at the time when much of the Carnegie Hill Historic District was being developed.

The Commission finds that the existing standard lampposts are not harmonious in scale, material, detail, and color with the architectural and historic character of the historic district; that the new bishop's crook lampposts reproduce almost exactly the historic bishop's crook posts; that they are harmonious in scale, materials, design, and color with the character of the district, and that the replacement of the existing posts with bishop's crook posts in the same locations will result in no effect on any other protected features of the district, including sidewalks. Based on these findings, the Commission determines the proposed work to be appropriate to the Carnegie Hill Historic District.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. ADDRESS	BOROUGH:	BLOCK/LOT:
799 FORT WASHINGTON AVENUE The Cloisters INDIVIDUAL LANDMARK	MANHATTAN	2179 / 701

To the Mayor, the Council, and the Commissioner of the Department of Cultural Affairs.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which *contains an interior landmark.*

The proposal consists of restorative work, including re-roofing the Pontaut/Early Gothic Hall and the Administrative Wing; waterproofing, and relaying and selective in-kind replacement of damaged cobblestone pavers and stone facing at the Postern Gate and Wall; structural repairs and exterior restorative work at the Saint-Guilheim Cloister, including replacing the existing glass block roof with a 3'-9" high double-hipped glass skylight; rebuilding, repairing and in-kind replacement of damaged granite parapet and coping units; replacing the roofing and copper flashing system at the roof and arched casement windows; repair and selective in-kind replacement of clay tiles at the roof; restoration of the steel casement windows at the Administrative Offices, Museum Shop, Saint Guilheim Cloister, and Conservation Department, consisting of cleaning, caulking, selectively repairing, and repainting the window frames to match the existing color, and selective in-kind replacement of damaged steel window components; selective in-kind brick replacement and repointing; cleaning the masonry surfaces with chemical cleaners, bristle brushes and low-pressure water rinses; selective installation of control joints; replacing the protective glazing system and selective repairs to or in-kind replacement of damaged masonry tracery units at the Early Gothic Hall Windows; and interior alterations, including plumbing, HVAC, and electrical changes; as shown in Drawings The Saint-Guilheim Cloister: Existing and Proposed Conditions," "Proposed Design: Roofing/Parapet," and "Proposed Design: Skylight/Laylight," dated April 7, 2000, A001, A002, A003, AD001, AD002, AD003, A101, A102, A103, A201, A202, A401, A402, A403, A404, A405, A406, A407, A801, A901, S101, S102, P001, P101, P102, E001, E101, E501, H001, H101, dated revised July 10, 2000, prepared by Einhorn, Yaffee Prescott, S-01 through S-10, dated March 24, 2000, prepared by LZA Technology, written specifications titled "The Early Gothic Hall Window Openings Project: Protective Glazing Systems, Masonry Restoration and Conservation, and Stained Glass Installation Bronze Frame System," dated March 24, 2000, prepared by William Stivale, "Specification and bidding Requirements for the Saint-Guilheim Cloister," dated May 15, 2000, prepared by Einhorn Yaffee Prescott, Architects, "The Cloister Administrative Office Roof, Pontaut/Early Gothic Hall Roof, Casement Window Restoration, Pointing, Flashing Renovation, and Elevator Upgrades," dated April 3, 2000, prepared by The Cloisters Construction Office, "The Cloister Postern Gate Waterproofing Technical Specifications," dated April 9, 2000, prepared by Henshell & Buccellato Consulting Architects, a letter, dated April 27, 2000, prepared by Ann Kaufman Webster, and existing condition photographs, all submitted as components of the application.

In reviewing this proposal, the Commission noted that the designation report describes The Cloisters as a museum complex composed of portions of medieval buildings and modern structures designed by Charles Collens and constructed between 1934 and 1938.

With regard to this proposal, the Commission finds, in accordance with the provisions of Title 63 of the Rules of the City of New York, Section 2-19, that the proposed installations at the roof of the Saint-Guilheim Cloister will consist of mechanical equipment as defined by the Rules; that the skylight and mechanical equipment will not cause damage to or demolition of any significant architectural features of the roof; that the skylight and mechanical equipment will not be visible from any public thoroughfare either within the Cloisters complex or from Fort Tryon Park; that this skylight and mechanical equipment will not adversely affect significant architectural features of adjacent improvements; that the replacing the existing glass block skylight with a hipped-roof skylight, replacing the roofing membrane, and redesigning the drainage system will help to prevent water infiltration which could damage the Saint-Guilheim Cloister and the collection; that the quarry and clay tiles on the roof will be a combination of the historic tiles and replacement tiles as needed which match the size, color, texture and setting location of the historic tiles; that the new mortar will match the color, composition, profile and tooling of the historic mortar; that replacing the protective bronze glazing system at the Early Gothic Hall windows will help prevent future water infiltration and deterioration of the stained glass panels and masonry tracery; that the proposed work at the casement windows will be restorative in nature; that any new window components will match the existing in profile, dimensions, material, finish and details; that the introduction of reinforcement expansion joints will reduce stress imposed on the existing masonry joints; that cleaning of masonry surfaces will be undertaken using the gentlest effective methods that will not damage any historic fabric; and that the restorative work will enhance the special architectural and historic character of the building. Based on these findings, the Commission determines that the proposed work will be appropriate to the building. The work, therefore, is approved.

The issuance of this permit is contingent upon the review and approval of samples of the replacement tile, mortar, granite coping units, and dutchman and patching repairs. Please contact the staff of the Commission when samples are available for review.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Meisha Hunter-Bove.

Mandatory front building walls

Except as set forth in paragraph (f) of this Section, Wwhere Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# not less nor more than the amounts specified in this Section **as follows**, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) Except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet.

(b) With respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet, provided, however, that a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#.

(c) On the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the otherwise applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (c)(1) of Section 84-135 (Limited height of buildings).

(d) With respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#.

(e) With respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet.

(f) With respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed 150 feet for more than 120 feet or 75 percent of the length of a #building's# western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. **Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority.**

(g) On the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the otherwise applicable amount set forth in paragraphs (e) or (f) of this Section and not more than the height shown in Appendices 3.1 and 3.2.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

URBAN DEVELOPMENT CORPORATION

■ NOTICE OF PUBLIC HEARING

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD THURSDAY, SEPTEMBER 7, 2000 PURSUANT TO SECTION 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, SECTIONS 201-204 OF THE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED NEW YORK STOCK EXCHANGE PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC" or the "Corporation") pursuant to Section 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "Act"), Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively, "SEQRA"), at the Alexander Hamilton United States Custom House, One Bowling Green, New York, New York 10004, in the auditorium located on the basement level of said facility (enter on Whitehall Street, opposite Stone Street), in two sessions from 3:00 p.m. to 5:00 p.m. and from 6:00 p.m. to 9:00 p.m. on Thursday, September 7, 2000 to consider: (a) the General Project Plan for the proposed New York Stock Exchange Project (the "General Project Plan"); (b) the proposed acquisition by condemnation of certain property in furtherance of the proposed New York Stock Exchange Project (the "Project") in the Borough of Manhattan; and (c) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to be heard with respect to consideration by the Corporation of the General Project Plan, pursuant to Section 16 of the Act; (3) reviewing the public use to be served by the Project and impact of the Project on the environment and residents of the locality where the Project will be constructed, pursuant to Article 2 of the EDPL; and (4) offering all interested persons the opportunity to give testimony on the DEIS, pursuant to the applicable environmental laws.

Project Location and Description

The Project site consists of the entire block bounded by Wall Street on the north, Broad Street on the west, Exchange Place on the south and William Street on the east, in lower Manhattan. The Project site more precisely is identified as Manhattan Tax Block 26, Lots 1, 14 and 21.

The Project contemplates the development of a new, state-of-the-art trading facility for the New York Stock Exchange ("NYSE"). Above the trading facility a commercial office tower development (the "Tower") is proposed. The NYSE facility would comprise approximately 600,000 gross square feet ("gsf") and the Tower approximately 1.3 million gsf. The Project is being undertaken in cooperation with the City of New York (the "City") and the New York City Economic Development Corporation.

The purpose of the Project is to retain the NYSE in the lower Manhattan financial district to maintain its stabilizing presence in the area, to serve as a catalyst to continued revitalization of downtown Manhattan, and to retain and expand the NYSE's direct and indirect employment in the area. The Project is also expected to create new, needed Class A office space in the downtown financial district.

A number of ESDC discretionary actions are subject to review pursuant to the Act, EDPL and SEQRA, including ESDC's approval of the General Project Plan, and the condemnation of privately-owned land and its disposition by ESDC which is serving as the lead agency. ESDC's Directors have already adopted the proposed General Project Plan and certified the DEIS as complete. After the public hearing is held and the public comment period is concluded pursuant to applicable laws, a Final Environmental Impact Statement ("FEIS") will be completed and ESDC's Directors will be requested to issue the FEIS, affirm or, if appropriate, modify, the General Project Plan and make statutory findings under the condemnation and environmental laws.

Proposed Property Acquisitions

The General Project Plan contemplates that ESDC will acquire the following properties by exercise of its statutory power of eminent domain, either with or without negotiated agreement: Manhattan Tax Block 26, Lot 1 (15 Broad Street and 23 Wall Street); Manhattan Tax Block 26, Lot 14 (49 Exchange Place and 37 Wall Street); and Manhattan Tax Block 26, Lot 21 (45 Wall Street). All acquisitions will be made in full compliance with the requirements of the Act, SEQRA and the EDPL. The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street address and the Tax Block and Lot, the Block and Lot shall control.

Potential Impacts of the Project

A DEIS has been prepared in accordance with both City and State environmental regulations for the actions described above. The SEQRA Classification is Type I. The lead agency is ESDC, 633 Third Avenue, New York, N.Y. 10017. The lead agency contact is Rachel Shatz, ESDC's Director of Planning & Environmental Review. Further information concerning the DEIS can be obtained from Ms. Shatz at (212) 803-3254. The DEIS identifies the following areas of potential impact: vehicular traffic, subway access, pedestrian crossings, historic resources and neighborhood character. The DEIS describes mitigation measures to minimize these impacts.

Availability of the General Project Plan and DEIS

The General Project Plan and DEIS are on file at the Corporate Office of ESDC, 633 Third Avenue, New York, New York and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday. Copies of the General Project Plan and the Executive Summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. To inspect and/or obtain copies of the foregoing documents, please contact Rachel Shatz at ESDC at (212) 803-3254 to schedule an appointment. Pursuant to Section 16(2) of the Act, ESDC also has filed a copy of the General Project Plan, including the DEIS and the findings required pursuant to Section 10 of the Act, in the office of the Clerks of the County and City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of the Borough of Manhattan, the Chair of the City Planning Commission, and the Chair of Manhattan Community Board No. 1. Copies of the DEIS also have been provided by ESDC to involved and interested agencies and various community organizations. An additional copy of the DEIS is on file with the New Amsterdam Branch of the New York Public Library. In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for the **QUEENS PUBLIC LIBRARY, ARVERNE BRANCH** in the Borough of Queens, City of New York

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: At 88-11 Sutphin Boulevard, in the Borough of Queens, City and State of New York, on September 6, 2000, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County or the Office of the City Register;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Queens Public Library, Arverne Branch in the Borough of Queens City and State of New York.

The description of the real property to be acquired is as follows:

In the matter of describing the metes and bounds of real property to be acquired for Arverne Branch Library, located at Beach 54th Street (70 feet wide) between Rockaway Beach Boulevard (80 feet wide) and Amstel Boulevard (75 feet wide), in which all streets mentioned are laid out on the "City Map" of the City of New York, Borough of Queens, follows:

Beginning at a point distant 100.00 feet northerly from the intersection of the northerly line of the said Rockaway Beach Boulevard and the easterly line of the said Beach 54th Street;

Running thence, northwardly and along the said easterly line of Beach 54th Street, for 125.00 feet to a point on the southerly line of lot 30 in Queens tax block 15890;

Thence, eastwardly, forming an interior angle of 107 degrees 55' 15" with the previous course, and along the said southerly line of lot 30, for 100.00 feet to a point on the westerly line of lot 28 in Queens tax block 15890;

Thence, southwardly, forming an interior angle of 72 degrees 04' 45" with the previous course, and along the easterly lines of lots 28 and 97 in Queens tax block 15890, for 125.00 feet to a point on the northerly line of lot 8 in Queens tax block 15890;

Thence, westwardly, forming an interior angle of 107 degrees 55' 15" with the previous course, and along the northerly lines of lots 8, 16 and 17 in Queens tax block 15890, for 100.00 feet back to the point of beginning.

This parcel consists of lot 18 in Queens tax block 15890 as shown on the "Tax Map" of the City of New York, Borough of Queens, as said "Tax Map" existed on November 19, 1998, and comprises an area of 11,894 square feet or 0.27305 acres.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

AGENCY RULES

FINANCE

■ NOTICE

THE CITY OF NEW YORK DEPARTMENT OF FINANCE
NOTICE OF OPPORTUNITY TO COMMENT
ON PROPOSED AMENDMENT
TO THE RULES RELATING TO PARKING VIOLATIONS

NOTICE IS HEREBY GIVEN PUJRSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Finance by sections 389 (b) and 1043 of the New York City Charter, section 237 of the Vehicle and Traffic Law and section 19-203 of the Administrative Code of the City of New York, and in accordance with section 1043 of the New York City Charter, that the New York City Department of Finance proposes to adopt the following proposed amendment to the Rules Relating to Parking Violations which is necessary to carry out the powers and duties delegated to the Commissioner of Finance by sections 19-201 of et seq. of the Administrative Code of the City of New York. This rulemaking proposal was not included in the regulatory agenda of the Department of Finance for fiscal year 2000 because the legislation upon which it is based had not been enacted as of the date of publication of the agenda.

Written comments regarding the proposed rule amendment may be sent to the office of Devora Cohn, Associate Commissioner for Legal Affairs, 345 Adams Street, 3rd floor, Brooklyn, New York 11201 on or before September 14, 2000. A hearing to public comment will be held on September 14 at 9:30 A.M. at 345 Adams Street, 3rd floor, Brooklyn, New York 11201. Persons seeking to testify are requested to notify Carol Tierney at (718) 403-3609 at least three business days prior to the date scheduled for the hearing, although such notice is not required by law. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Carol Tierney at the foregoing number by August 31, 2000. Written comments and a summary of oral comments received at the hearing will be available for public review within a reasonable time after receipt at the office of Gerald Koszer, Records Access Officer, 345 Adams Street, 3rd floor, Brooklyn, New York 11201 between the hours of 9:00 a.m.and 5:00 p.m.

NOTE: New Matter is underlined: matter to be deleted is in brackets [ ].

Section 1. The violation letter (1) in the "Amount of Fines" provision of section 39-05 of Chapter 39 of title 19 of the Official Compilation of Rules of the City of New York (Rules relating to Parking Violations) is amended to read as follows:

§39-05 Amount of Fines. Scheduled Fines. The following schedule of fines shall apply to violations listed below:

	Violation	Location of Offense: Outside Restricted Area	Location of Offense: Within Restricted Area
(1)	[Unauthorized parking in off-street space reserved for handicapped	$50.00	$50.00]
	All handicapped parking Violations	$150.00	$150.00

Section 2. Subsection (b) of section 39-05 of such rules is amended to read as follows:

(b) Upon any finding of liability for a parking violation, the Parking Violations Bureau shall levy [a] such mandatory [five dollar] surcharge as may be imposed by law in addition to any other fine or penalty otherwise permitted or required by this chapter.

BASIS AND PURPOSE OF PORPOSED AMENDMENTS

These proposed rule amendments are designed to bring the parking violation rules applicable to a surcharge into accord with a recent amendment of the Vehicle and Traffic law (the "VTL"). The VTL (Section 3 of Chapter 498 of the Laws of 1999, codified as VTL Section 1809-b) was amended to require a $30.00 surcharge, instead of a $5.00 surcharge, for handicapped parking violations, effective April 1, 2000. These proposed rule amendments cause the New York City Department of Finance's rule applicable to parking violations surcharges to be worded generally so as to accommodate not only this amendment of the VTL, but any future amendments regarding the amounts of surcharges that the Legislature might hereafter enact.

These proposed rule amendments would also effect an increase in the scheduled fine from $50.00 to $150.00 for all handicapped violations. This would conform the rule with §237(2) of the New York Vehicle and Traffic Law which empowers the parking violations bureau to provide for monetary penalties which shall not exceed $150.00 for handicapped violations. These amendments are intended to deter illegal parking that blocks handicapped access by imposing the maximum fine allowable by law.

Andrew S. Eristoff
Commissioner of Finance

NOTICE OF PETITION
QUEENS COUNTY
INDEX NUMBER 18028/00

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for the **QUEENS PUBLIC LIBRARY, ARVERNE BRANCH** in the Borough of Queens, City of New York

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: At 88-11 Sutphin Boulevard, in the Borough of Queens, City and State of New York, on September 6, 2000, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County or the Office of the City Register;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Queens Public Library, Arverne Branch in the Borough of Queens City and State of New York.

The description of the real property to be acquired is as follows:

In the matter of describing the metes and bounds of real property to be acquired for Arverne Branch Library, located at Beach 54th Street (70 feet wide) between Rockaway Beach Boulevard (80 feet wide) and Amstel Boulevard (75 feet wide), in which all streets mentioned are laid out on the "City Map" of the City of New York, Borough of Queens, follows:

Beginning at a point distant 100.00 feet northerly from the intersection of the northerly line of the said Rockaway Beach Boulevard and the easterly line of the said Beach 54th Street;

Running thence, northwardly and along the said easterly line of Beach 54th Street, for 125.00 feet to a point on the southerly line of lot 30 in Queens tax block 15890;

Thence, eastwardly, forming an interior angle of 107 degrees 55' 15" with the previous course, and along the said southerly line of lot 30, for 100.00 feet to a point on the westerly line of lot 28 in Queens tax block 15890;

Thence, southwardly, forming an interior angle of 72 degrees 04' 45" with the previous course, and along the easterly lines of lots 28 and 97 in Queens tax block 15890, for 125.00 feet to a point on the northerly line of lot 8 in Queens tax block 15890;

Thence, westwardly, forming an interior angle of 107 degrees 55' 15" with the previous course, and along the northerly lines of lots 8, 16 and 17 in Queens tax block 15890, for 100.00 feet back to the point of *beginning.*

This parcel consists of lot 18 in Queens tax block 15890 as shown on the "Tax Map" of the City of New York, Borough of Queens, as said "Tax Map" existed on November 19, 1998, and comprises an area of 11,894 square feet or 0.27305 acres.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007 (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 5-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOPMENT TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

REMOVE, DISPOSE OF DERELICT VEHICLES – Competitive Sealed Bids – PIN# 82799CC00163 – DUE 09-26-00 AT 10:30 A.M. – As part of its derelict vehicle operation ("DVO") program, the NYC Department of Sanitation ("DOS") is soliciting qualified vehicle dismantlers and scrap processors to remove, process, and dispose of derelict autos and other small vehicles that have been abandoned in Brooklyn, where approximately 3000 of these derelict vehicles were collected in Fiscal Year 2000. DOS does not promise that any particular number of derelict vehicles will be available during the term of the new contract.
DOS will award this 3-year revenue contract (with two 1-year renewal options) to the highest responsive and responsible bidder that is either a licensed vehicle dismantler, a licensed scrap processor, or a joint venture between the two. Previous DVO bidders should note that some contract requirements differ from those in prior DVO contracts. There is no charge for bid solicitation documents, and no bid security deposit required.

An optional re-bid conference is scheduled for Friday, September 8, 2000 at 9:00 AM at 125 Worth Street, New York, NY 10013, in the 3rd Floor Conference Room. Although potential bidders are not required to attend, DOS encourages them to do so, and will welcome comments on the revised DVO Program requirements.

Mandatory front building walls

Except as set forth in paragraph (f) of this Section, *Where* Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# not less nor more than the amounts specified in this Section **as follows**, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) Except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet.

(b) With respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet, provided, however, that a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#.

(c) On the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the otherwise applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (c)(1) of Section 84-135 (Limited height of buildings).

(d) With respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#.

(e) With respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet.

(f) With respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed 150 feet for more than 120 feet or 75 percent of the length of a #building's# western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. **Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority.**

(g) On the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the otherwise applicable amount set forth in paragraphs (e) or (f) of this Section and not more than the height shown in Appendices 3.1 and 3.2.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.
