(n) **Use of Unsatisfactory or Less Than Satisfactory Performance Evaluation Data.** In accordance with these rules, a record of unsatisfactory or less than unsatisfactory performance may be grounds for further action. If the agency decides to take further action against a contractor, the agency must file an Advice of Caution form for inclusion in the VENDEX Caution Data Base. Among the actions that an agency might take are:

(1) A finding of non-responsibility;

(2) A denial or revocation of prequalification;

(3) Rejection or poor rating of proposals;

(4) *Suspension and debarment;*

(5) Default, termination or declaration of breach;

(6) Withholding payment or reimbursement;

(7) Decision not to renew the contract;

(8) Assessment of liquidated damages or reduction of fees; or

(9) A "buy against" action.]

NOTICE

OF OPPORTUNITY TO COMMENT

ON PROPOSED RULE AMENDMENT

The Procurement Policy Board (PPB) intends to promulgate an amendment to §3-04 Negotiated Acquisition of its Rules pursuant to Section 311 of the New York City Charter.

Basis and Purpose of the Proposed Amendment

This amended rule adds two categories to the cases in which a negotiated acquisition is permitted, both applicable to the selection of investments for the pension funds and variable supplements funds. These funds have assets totaling nearly $80 billion. In both cases the central decision-making body is a board of trustees composed of representatives of municipal labor unions and City elected and appointed officials, which, under State law, must set policy and priorities in accordance with fiduciary obligations to the beneficiaries of each plan. As noted above, these boards include both labor and management representatives, generally with equal votes, but a binding vote requires at least one vote from the minority side.

The first case in this amended rule allows for renewals of existing agreements where the service provider is performing at a level which is higher than the median, and it is in the best interest of the funds not to use a competitive sealed proposal process. Examples of when this Rule could be used include situations where emerging managers need to be graduated; where current vendors provide above average services at competitive costs, or where the Comptroller determines that transaction costs of changing vendors would not be in the best interest of the funds.

The second case allows for new selections through negotiated acquisition where there is a compelling reason to obtain the investment services being provided, and issuance of a general solicitation would not be in the best interest of the funds and it is necessary to use negotiated acquisition to obtain the services. An example of when this rule could be used is where an asset allocation change is being contemplated by the trustees on a trial basis so that the trustees may gain experience with a particular asset class, but no long-term commitment has been made.

In both cases, the Comptroller must prepare a determination explaining the basis for the Rule's application, and the procurement must be approved by vote of the trustees of the pension funds or variable supplements funds.

The Board is also requesting comment concerning the inclusion in this rule of other entities that procure investment services on behalf of City employees or for other purposes. Such entities include but are not limited to the Deferred Compensation Funds which are governed by a Board of Trustees consisting of representatives of labor and management and city officials.

Similar to the pension funds, there is a need to be able to continue existing agreements where the service provider is performing at a level which is higher than the median, and it is in the best interest of the funds not to use a competitive sealed bid or competitive sealed proposal process. Also, similar to the pension funds, there is a need to allow for new awards through negotiated acquisition where there is a compelling reason to obtain the investment services being provided and the issuance of a general solicitation would not be in the best interest of the funds.

For these cases, the Agency Chief Contracting Officer would prepare a determination explaining the basis of the rules application, which would be approved by a vote of the governing body of the entity and by the City Chief Procurement Officer.

How to Comment

A public hearing will be held on April 23, 1998, 10:00 am at the PPB office, 51 Chambers Street, Room 1126, New York City. In lieu of testimony, written comments may be sent to Brendan J. Sexton, Chair, Procurement Policy Board, 51 Chambers Street, Room 1126, New York, N.Y. 10007. To be considered, comments must be received by April 23, 1998.

The Proposed Amendment

In the amendment, which immediately follows this notice, new material is underlined and deletions are bracketed.

Dated: March 12, 1998
Brendan J. Sexton, Chair

Section 3-04 NEGOTIATED ACQUISITION.

(a) **Policy.** Negotiated acquisition may be used for negotiation of a contract for legal services or consulting services in support of current or anticipated litigation; investigative, confidential, human, investment-related or construction-related services; construction; information technology, or where there is termination, default, repudiation, non-renewal, or non-extension of a contract, and shall be used only under the circumstances and subject to the conditions set forth in this section. Authority for approvals or determinations required by this section shall not be delegated, unless otherwise stated herein.

***

(m) **Investment Services.** Negotiated acquisition may be used to obtain investment services on behalf of one or more City pension funds or variable supplements funds requiring such services, under the circumstances set forth below.

(1) **Circumstances Under Which Negotiated Acquisition from the Existing Supplier is Permissible.** Negotiated acquisition may be used to negotiate the renewal of a contract for investment services with an existing service provider on behalf of one or more City pension funds or variable supplements funds requiring such services if:

(i) The Comptroller or his designee prepares a written determination:

(A) that the service provider is performing in the top fifty (50%) percent of those firms that provide a similar kind of investment service, as measured by performance benchmark(s) contained in Comptroller's guidelines applicable to the investment services provided; and

(B) explaining why it is in the best interest of, and necessary for, the pension funds or variable supplements funds to renew this contract by negotiated acquisition rather than to use a competitive sealed proposal process to obtain the required services; and

(ii) the renewal of such contract is approved by a vote of the trustees of the pension funds or variable supplements funds receiving such services

(1) **Circumstances Under Which Negotiated Acquisition for New Contract Awards is Permissible.** Negotiated acquisition may be used to negotiate the award of a new contract for investment services with one or more service providers on behalf of one or more City pension funds or variable supplements funds requiring such services if:

(i) The Comptroller or designee prepares a written determination:

(A) that there is a compelling reason to obtain the investment services being provided by the investment services provider(s); and

(B) explaining why it is in the best interest of, and necessary for, the pension funds or variable supplements funds to use negotiated acquisition rather than a competitive sealed proposal process to obtain the required services, and the reasons for the selection of the supplier(s); and

(ii) the award of such contract is approved by a vote of the trustees of the pension funds or variable supplements funds receiving such services.

When using this method of procurement for the award of a new contract, the Comptroller or designee shall negotiate with three or more qualified suppliers (who performed in the top fifty (50%) percent of those firms that provide a similar kind of investment service, as measured by performance benchmark(s) appropriate to the investment services provided), unless the Comptroller or designee determines that there are fewer than three qualified suppliers in which case negotiations shall be conducted with all qualified suppliers.

[(m)](n) **Termination, Default, Repudiation, Non-Renewal, or Non-Extension of a Contract.**

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explanined in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SOUTH BROOKLYN MARINE TERMINAL (SBMT) – CP/2 – DUE 4-2-98 AT 11 AM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for the use and development of five non-adjacent sites at the South Brooklyn Marine Terminal (SBMT), located on Second Avenue between 29th and 39th Streets in Sunset Park, Brooklyn. The sites vary in size and type. There are 27 acres (three sites) of paved upland space, nine acres (one site) of paved landfill and 10,000 square feet of non-continuous enclosed office and/or light industrial space. The sites, close to a variety of transportation links, are located in one of the largest industrial neighborhoods in New York City. Short-term uses are being sought for these sites. Submission guidelines and requirements are outlined in the RFP, which is available from EDC. Proposals for one or more sites will be accepted. All requests should be directed to Cheryl Elmore at (212) 312-3969. Responses must be submitted to EDC, 110 William Street, 6th Floor, New York, NY 10038 by 11:00 am on Thursday, April 2, 1998.

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explanined in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. .The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SOUTH BROOKLYN MARINE TERMINAL (SBMT) – CP/2 – DUE 4-2-98 AT 11 AM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for the use and development of five non-adjacent sites at the South Brooklyn Marine Terminal (SBMT), located on Second Avenue between 29th and 39th Streets in Sunset Park, Brooklyn. The sites vary in size and type. There are 27 acres (three sites) of paved upland space, nine acres (one site) of paved landfill and 10,000 square feet of non-continuous enclosed office and/or light industrial space. The sites, close to a variety of transportation links, are located in one of the largest industrial neighborhoods in New York City. Short-term uses are being sought for these sites. Submission guidelines and requirements are outlined in the RFP, which is available from EDC. Proposals for one or more sites will be accepted. All requests should be directed to Cheryl Elmore at (212) 312-3969. Responses must be submitted to EDC, 110 William Street, 6th Floor, New York, NY 10038 by 11:00 am on Thursday, April 2, 1998.

SUPREME COURT OF THE STATE OF NEW YORK COUNTY OF BRONX

■ FILING TENTATIVE DECREE-NOTICE TO FILE OBJECTIONS

BRONX COUNTY INDEX NO. 1317/86.

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee to **WILLOW AVENUE SHELTER** required as site for a shelter for the homeless, located at 780 East 136th Street (Block 2587, part of Lot 1) in the areaof Willow Avenue, East 135th Street and East 136th Street, in the Borough of the Bronx, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted on the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owner of Damage Parcel 1 (Block 2587, part of Lot 1), real property which was acquired in this proceeding, and the Tentative Decree of the said Court as to the award for damages was signed by HON. DOUGLAS E. MCKEON, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Bronx on January 28, 1998, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector's post office address, with the Clerk of the County of Bronx, on or before April 21, 1998, and other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York at his office, 100 Church Street, Room 5-235, in the Borough of Manhattan, City and State of New York, a copy of such verified objections.

3. On May 5, 1998, at 2:00 P.M., or as soon thereafter as counsel can be heard, HON. DOUGLAS E. MCKEON, the Justice who signed the Tentative Decree, holding Court at the Supreme Court of Bronx County, 851 Grand Concourse, in the Borough of the Bronx, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.*,18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SOUTH BROOKLYN MARINE TERMINAL (SBMT) – CP/2 – DUE 4-2-98 AT 11 AM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for the use and development of five non-adjacent sites at the South Brooklyn Marine Terminal (SBMT), located on Second Avenue between 29th and 39th Streets in Sunset Park, Brooklyn. The sites vary in size and type. There are 27 acres (three sites) of paved upland space, nine acres (one site) of paved landfill and 10,000 square feet of non-continuous enclosed office and/or light industrial space. The sites, close to a variety of transportation links, are located in one of the largest industrial neighborhoods in New York City. Short-term uses are being sought for these sites. Submission guidelines and requirements are outlined in the RFP, which is available from EDC. Proposals for one or more sites will be accepted. All requests should be directed to Cheryl Elmore at (212) 312-3969. Responses must be submitted to EDC, 110 William Street, 6th Floor, New York, NY 10038 by 11:00 am on Thursday, April 2, 1998.

PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: A il 2, 1998
PREMISES: 696 Ninth Avenue, Manhattan
403 West 46 Street, Manhattan
RESPONSE REQUIRED BY: May 1, 1998

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential building in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify (1) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and (2) that the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.
The owner of the building located at the above-referenced address seeks the issuance of an HPD certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information, HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, hot water, gas or electricity, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.
HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above-referenced premises, please notify the Housing Litigation Bureau, SRO Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, Attention: Flora Simmons in writing within 30 days. If you wish to make an in-person statement please call (212) 386-8266 within the same period to schedule an appointment to do so.

LANDMARKS PRESERVATION COMMISSION

BINDING REPORT

ISSUE DATE: 03/10/98	DOCKET #: 981452	SRB #: SRB 98-4595
ADDRESS WATER MAINS CANAL STREET SOHO-CAST IRON	BOROUGH: MANHATTAN	BLOCK/LOT: 777 / 77

To the Mayor, the Council, and the Commissioner of the Department of Design and Construction.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for water main replacement and associated work on Canal Street within a portion of the SoHo-Cast Iron and TriBeCa East Historic Districts. The proposed work, a portion of Contract No. MED-581, is described on 11 drawings dated 12/97 and in a letter dated December 23, 1997, all prepared and submitted by the Department of Design and Construction as components of the application.

The Commission finds that the main portion of the work concerns underground utilities and will have no effect on protected features of the historic districts; that all disturbed or removed pavements, including roadway, curb, and sidewalk, will be replaced in kind, to match material, configuration, dimension, and color; that these procedures will ensure the retention of remaining historic paving materials and will allow new or repaired areas to blend harmoniously with adjacent areas; that all hydrants will be of the historic A.P. Smith design and that fenders will include decorative caps and be painted black, which will allow these elements to blend harmoniously with the character of the streetscapes in these districts. Based on these findings, the proposed work is determined to be appropriate to the TriBeCa East and SoHo-Cast Iron Historic Districts.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

INTENT TO NEGOTIATE

RENOVATIONS AT 280 BROADWAY – SS – 956980002510 – DUE 4-13-98 AT 4 PM – In March 1994 the Department of Citywide Administrative Services issued a Request for Expressions of Interest ("RFEI") for the redevelopment of 280 Broadway, Manhattan. An advertisement was placed in the New York Times on March 27, 1994 announcing the RFEI and the same was mailed directly to over 250 real estate developers operating in the City of New York. A Request for Proposals ("RFP") was subsequently issued in October or 1994 which called for the creation of Class "B" office space at 280 Broadway. An advertisement was placed in The New York Times on October 9, 1994 announcing the RFP in conjunction with the contemplated developer's utilization of the lower floor space for commercial purposes. The RFP notice was also mailed to the 250 recipients of the RFEI. DCAS received two responsive proposals to the RFP. After an evaluation of the responsive proposals, the developer, Starrett Corporation ("Starrett") was deemed the successful respondent in November of 1995. The RFP contemplated a unified real estate project which utilized a ground lease to Starrett and a sublease back to the City of the renovated office space; it was subsequently determined tha the project would be more effectively financed by a lease to Starrett covering the commercial portion of the space together with a construction contract for the renovation of the City's office space. As Starrett will be the tenant in the commercial portion of 280 Broadway it has been the intention of DCAS to enter into a sole source construction contract for the renovation of the City's office space therin. DCAS intends to enter into final negotiations with Starrett with respect to the aforesaid lease for the commercial space and the construction contract for the City's office space. Any qualified vendor which wishes to comment or is interested in providing similar services of like kind in the future is invited to so indicate by letter, which must be received no later than April 13, 1998 to: Joseph Milone, Agency Chief Contracting Officer, Municipal Building, 20th Floor North, New York, New YOrk 10007.
Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

SOUTH BROOKLYN MARINE TERMINAL (SBMT) – CP/2 – DUE 4-2-98 AT 11 AM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for the use and development of five non-adjacent sites at the South Brooklyn Marine Terminal (SBMT), located on Second Avenue between 29th and 39th Streets in Sunset Park, Brooklyn. The sites vary in size and type. There are 27 acres (three sites) of paved upland space, nine acres (one site) of paved landfill and 10,000 square feet of non-continuous enclosed office and/or light industrial space. The sites, close to a variety of transportation links, are located in one of the largest industrial neighborhoods in New York City. Short-term uses are being sought for these sites. Submission guidelines and requirements are outlined in the RFP, which is available from EDC. Proposals for one or more sites will be accepted. All requests should be directed to Cheryl Elmore at (212) 312-3969. Responses must be submitted to EDC, 110 William Street, 6th Floor, New York, NY 10038 by 11:00 am on Thursday, April 2, 1998.

DEPARTMENT OF HEALTH
BOARD OF HEALTH

NOTICE OF INTENTION TO AMEND ARTICLE 81 OF THE NEW YORK CITY HEALTH CODE

....

NOTICE OF PUBLIC HEARING

IN COMPLIANCE WITH SECTION 1043(b) OF THE NEW YORK CITY CHARTER and pursuant to the authority granted to the Board of Health by Section 558 of said Charter, notice is hereby given of the proposed amendments to Article 81 of the New York City Health Code.

NOTICE IS HEREBY GIVEN THAT THE DEPARTMENT WILL HOLD A PUBLIC HEARING ON THE PROPOSAL, ON MONDAY, MAY 4, 1998 FROM 10:00 A.M. TO 12:00 P.M. IN THE THIRD FLOOR BOARDROOM (ROOM 330) AT 125 WORTH STREET, NEW YORK, NEW YORK 10013.

PERSONS INTERESTED IN PRE-REGISTERING TO SPEAK SHOULD NOTIFY, IN WRITING, PATRICIA J. CARUSO, SECRETARY, 125 WORTH STREET, NEW YORK, NEW YORK 10013 - CN 31; (212) 788-5010 BY THURSDAY, APRIL 30, 1998. PLEASE INCLUDE A TELEPHONE NUMBER WHERE, IF NECESSARY, YOU MAY BE REACHED DURING NORMAL WORKING HOURS. SPEAKERS WILL BE LIMITED TO FIVE (5) MINUTES.

WRITTEN COMMENT REGARDING THE PROPOSAL MUST BE SUBMITTED TO PATRICIA J. CARUSO, SECRETARY, 125 WORTH STREET, NEW YORK, NEW YORK 10013-CN 31 ON OR BEFORE MONDAY, MAY 4, 1998.

REGISTRATION WILL BE ACCEPTED AT THE DOOR UNTIL 10:30 A.M. HOWEVER, PREFERENCE IN ORDER OF TESTIMONY WILL BE GIVEN TO THOSE WHO PREREGISTER.

WRITTEN COMMENTS RECEIVED BY THE SECRETARY AND A TRANSCRIPT OF THE PUBLIC HEARING WILL BE AVAILABLE FOR PUBLIC INSPECTION WITHIN A REASONABLE TIME AFTER RECEIPT, BETWEEN THE HOURS OF 9:00 A.M. AND 5:00 P.M. AT THE OFFICE OF THE SECRETARY.

STATUTORY AUTHORITY

This amendment to the New York City Health Code is promulgated pursuant to Sections 558 and 1043 of the New York City Charter ("Charter"). Sections 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 grants the Department of Health rulemaking authority.

STATEMENT OF BASIS AND PURPOSE

Article 81 of the New York City Health Code regulates the operations of food establishments for the purpose of preventing public health hazards. This Article applies to all food service establishments and non-retail food processing establishments, except as otherwise provided in the Code. It is proposed that Article 81 be amended to revise a number of provisions dealing with the preparation of food and the prevention of contamination.

In 1996, at the request of the Office of the Mayor, the Department of Health reviewed the regulations and laws affecting the food service industry. By amending Articles 5, 81 and 113 and repealing Articles 83, 85, 86 and 87 of the New York City Health Code, the Department modernized the Code, making it consistent with federal recommendations on the control of public health hazards, and making it consistent with the provisions of the New York State Sanitary Code dealing with food service establishments. [Title 10 New York Codes, Rules and Regulations, Section 14-1]. The changes became effective September 1, 1996.

The current proposal to amend these regulations is the result of having enforced the 1996 revisions of Article 81 for over one year and having conducted a review of the regulations contained therein. It is now proposed that certain sections of Article 81 be amended further to clarify their meaning, to eliminate redundancies, to maintain consistency with more recent revisions to the New York State Sanitary Code, and to adopt an additional recommendation from the FDA 1997 Food Code on the control of public health hazards. Some of the more significant amendments proposed are as follows.

It is proposed that the temperature at which cold foods are required to be cooled, held, displayed and stored, be amended throughout Article 81 from 45 degrees Fahrenheit (7.2 degrees Celsius) to 41 degrees Fahrenheit (5 degrees Celsius). This temperature requirement is recommended in the FDA 1997 Food Code, and would reduce the amount of growth of some bacteria that are known to grow at 45 degrees Fahrenheit, especially in ready-to-eat foods. However, the current refrigeration equipment in most food establishments is not capable of cooling foods to 41 degrees Fahrenheit. It is therefore proposed that parts of Section 3-501.16 of the FDA 1997 Food Code be incorporated into Article 81, allowing potentially hazardous foods to be maintained at 45 degrees Fahrenheit, or between 41 and 45 degrees Fahrenheit, in existing refrigeration equipment that is not capable of maintaining foods at 41 degrees Fahrenheit or less, but only when the equipment is in place and already in use in the establishment. It is proposed further, that food establishments be required to upgrade or replace existing equipment to maintain food at 41 degrees Fahrenheit or less within 5 years of the proposed adoption of the temperature requirements.

It is proposed that the definition of a food service establishment, as it now appears in Section 81.03(i) be expanded to clarify that Article 81 is applicable to mobile food carts. Although Article 81 was intended to be applicable to all food service establishments, the Code does not explicitly mention mobile food units.

It is also proposed that Section 81.07(a) be amended to require that raw fruits and raw vegetables be thoroughly washed with potable water before serving. Washing removes the majority of pathogenic organisms and chemicals which may be present on the exterior surfaces of raw fruits and vegetables. This is a requirement of Part 14-1.81 of the Sanitary Code.

The amended Article 81, as proposed, would include two additional subsections of Section 81.07. It is suggested that the expanded section include the requirement that food packages, including hermetically sealed containers, be in good condition to protect the contents from contamination. This is, in part, a requirement of Part 14-1.31(a) of the Sanitary Code. It is also proposed that Section 81 be expanded to include the requirement that only clean, whole eggs with shells intact and without cracks or splits, or pasteurized liquid, frozen or dry eggs or pasteurized dry egg products may be used, and that all containers in which shell eggs are received must identify the source. This is a requirement of Part 14-1.33 of the Sanitary Code.

In order to further maintain the Health Code's consistency with the Sanitary Code, it is proposed that Section 81.09(a)(4) be amended to require that every part of ground meat or foods containing ground meat are to be heated to 158 degrees Fahrenheit, with no time requirement (except poultry which must be cooked to 165 degrees Fahrenheit for 15 seconds), unless a consumer requests preparation of a single order of ground meat which must be prepared at a temperature less than 158 degrees Fahrenheit in order to comply with the request. The Sanitary Code was revised effective January 1, 1997 to include this temperature requirement. It is also a requirement of the U.S.D.A. regulations that govern commercial establishments that pre-cook ground meat prior to the freezing and packaging process.

Part 14-1.85 of the Sanitary Code now requires that metal stem-type, numerically scaled, indicating thermometers accurate to plus or minus two degrees Fahrenheit (1.1 degrees Celsius), or other acceptable devices made from materials that will not subject the product to contamination or toxic materials, are to be provided and used to determine that the internal cooking, holding or refrigeration of all potentially hazardous foods is done at the proper temperature. It is proposed that Section 81.09 of the Health Code be amended to include this requirement.

Section 81.13 outlines the requirements for the health and clothing of foodworkers to prevent contamination of foods and food contact surfaces. It is proposed that the section be expanded to prohibit the unnecessary traffic of unauthorized persons in the food preparation, storage or warewashing areas, except for brief authorized visits and tours, if steps are taken, during such visits or tours, to ensure that all foods and food contact surfaces are protected from contamination. The prohibition is a requirement of Part 14-1.180(c) of the Sanitary Code.

It is proposed that supervisors of mobile food non-processing units not be required to obtain a Food Protection Certificate. In Section 81.15, supervisors of all food service establishments and non-retail food processing establishments are required to complete courses in food protection. Since mobile food non-processing units are prohibited from preparing or processing foods and typically sell only fruits, candies, pretzels or boiled hot dogs, it is not necessary to require that operators of these units take a 15-hour food protection course.

Part 14-1.88(c) of the Sanitary Code requires that all artificial lighting fixtures located over, near or within food storage, preparation, service or display facilities, and facilities where utensils and equipment are cleaned and stored, must be covered with guards. Currently, Section 81.19(b) only requires such guards above food processing equipment or open containers of food. It is suggested that the section be amended to conform to the Sanitary Code requirements.

Section 81.21(d) of the Health Code deals with the proper discharge of waste water and condensation from refrigerators. It is proposed that this section be repealed and replaced by requirements which are more extensive and which apply not only to refrigerators but to other types of equipment that require the proper discharge of waste water and condensation.

It is proposed that Section 81.23 be amended to include requirements for the proper storage of poisonous and toxic materials including bactericides, cleaning compounds, insecticides and rodenticides. The section should be amended further to prohibit the spraying of insecticides in food preparation and service areas, while food is being processed, prepared or served, or where unprotected food, clean utensils or containers are displayed or stored. This is a requirement of Part 14-1.60 of the Sanitary Code.

Part 14-1.115 of the Sanitary Code requires that mechanical dishwashing machines be equipped with thermometers to check their operation. It is proposed that this requirement be added to Section 81.37(e) of the Health Code. It is also proposed that Section 81.37 be expanded to add the requirement that drainboards of adequate size be provided and used for the proper handling of soiled items prior to washing and of clean items following sanitization. This is a requirement of Part 14-1.114 of the Sanitary Code.

The proposal is as follows:

RESOLVED, Section 81.03 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended to re-letter subsections (a) through (w), as subsections (b) through (x); to further amend subsection (a), now re-lettered (b), subsection (i), now re-lettered (j), subsection (o), now re-lettered (p), and subdivision (4) of subsection (r), now re-lettered (s); and to add a new subsection (a); to be printed together with explanatory notes, to read as follows:

Section 81.03 Definitions

(a) Comminuted means reduced in size by methods including chopping, flaking, grinding, mincing; or a mixture of fish or meat products that have been reduced in size and restructured and reformulated.

(b) [(a)] Contaminated means adulterated or spoiled food, or food and equipment which is exposed to filth, toxic substances, rodent or insect contact or infestation, or potentially hazardous foods held at temperatures between [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius) and 140 degrees Fahrenheit (60 degrees Celsius) for a period of time exceeding that reasonably required for preparation, including potentially hazardous foods which are not heated or cooked to the temperatures specified in §81.09, or food in or subject to any condition which could permit the introduction of pathogenic microorganisms or foreign matter, including manual contact during service or preparation if such foods will not be subsequently cooked or heated to the temperatures specified in §81.09.

(j) [(i)] Food service establishment means a place where food is provided for individual portion service directly to the consumer whether such food is provided free of charge or sold, [and] whether consumption occurs on or off the premises or is provided from a pushcart, stand or vehicle.

(p) [(o)] Non-retail food processing establishment means a place where food is processed, prepared, stored or packed for consumption off the premises and not given or sold directly to the consumer. This shall include but not be limited to mobile food vending commissaries, food vending machine commissaries and places where fish or shellfish is kept, sold or offered for sale which are not otherwise regulated or permitted by the Department of Agriculture and Markets or other appropriate regulatory agency.

(s) [(r)] Sanitization means effective bactericidal treatment by heat or chemical means which destroys pathogens on surfaces treated. Acceptable sanitization methods are:

(1) immersion for at least one-half minute in clean hot water at a temperature of not less than 170 degrees Fahrenheit (76.7 degrees Celsius);

(2) immersion for at least one minute in a clean solution containing at least 50 parts per million of available chlorine at a temperature of at least 75 degrees Fahrenheit (23.9 degrees Celsius);

(3) immersion for at least one minute in a clean solution containing at least 12.5 parts per million of available iodine and having pH not higher than 5.0 and at a temperature of at least 75 degrees Fahrenheit (23.9 degrees Celsius);

(4) immersion in a clean solution containing any other food grade chemical sanitizing agent that will provide the equivalent bactericidal effect of a solution containing at least 50 parts per million of available chlorine as hypochlorite [hypochrite] which has been held at a temperature of at least 75 degrees Fahrenheit (23.9 degrees Celsius) for one minute;

(5) treatment with culinary-quality steam in the case of equipment too large to sanitize by immersion, but in which steam can be confined, or

(6) swabbing fixed equipment with a solution of at least twice the strength required for that sanitizing solution when used for immersion.

NOTES: Subsection (a) was added on _____ because the term "comminuted" was used, without definition, in Section 81.09(a)(5); and the new subsection (b) was amended to conform to a temperature requirement in the New York State Sanitary Code; the new subsection (j) was amended to clarify the definition of a food service establishment; the new subsection (p) was amended to add a missing word; and subdivision (4) of the new subsection (s) was amended to correct a typographical error.

RESOLVED FURTHER, that Section 81.07 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to add requirements to subsection (a); to add new subsections (b) and (c); to re-letter subsections (b) through (j) as subsections (d) through (l); and to clarify the language in the new subsection (e); to be printed together with explanatory notes to read as follows:

Section 81.07 Food; sanitary preparation, protection against contamination.

(a) Food shall be free of and protected against contamination and shall be manufactured, prepared, processed or packed with clean and sanitary utensils and equipment. Surfaces with which food comes in contact shall be impervious. Food which will not be washed or cooked shall be protected from cross-contamination from food which is required to be washed or cooked. Packaged food shall not be stored in direct contact with ice or water if packaging allows the entry of water. Unpackaged food may be stored in direct contact with drained ice, except that whole, raw fruits or vegetables, cut, raw vegetables such as celery or carrot sticks or cut potatoes, and tofu, may be immersed in clean and sanitary undrained ice or water. Raw fruits and vegetables shall be thoroughly washed with potable water before serving. Raw chicken and raw fish that are received in ice in shipping containers may remain in such condition while being stored or awaiting preparation, display, service or sale.

(b) Food packages, including hermetically sealed containers, shall be in good condition so that food is not exposed to spoilage, filth or other contamination and remains suitable for human consumption.

(c) Only clean, whole eggs with shells intact and free from cracks or splits; or pasteurized, liquid, frozen or dry eggs, or pasteurized dry egg products shall be used. All containers in which eggs are received in a food service establishment or non-retail food processing establishment must identify the source of the eggs.

(e) [(c)] Food shall be displayed only in equipment such as cleanable containers, cabinets, display cases or similar protective equipment, that protects such food from contamination [such as cleanable containers, cabinets, display cases or similar protective equipment]. Self-service equipment shall have protective shields or guards to prevent unnecessary contamination or contact by patrons. The quantity of food displayed shall be minimized to that necessary to meet immediate needs.

NOTES: Subsection (a) was amended and subsections (b) and (c) were added on _____ to conform to a requirement of the New York State Sanitary Code; and subsection (e) was amended to clarify the language

RESOLVED FURTHER, that Section 81.09 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to add requirements to subsection (a), subdivision (2) of subsection (c), subsection (e), subsection (f), subdivision (1) of subsection (g) and subsection (h); to add new subsections (i) and (k); and to re-letter subsection (i) as subsection (j); to be printed with explanatory notes to read as follows:

Section 81.09 Food; temperature requirements.

(a) Potentially hazardous food shall be refrigerated at a temperature of [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius) or below or kept heated to 140 degrees Fahrenheit (60 degrees Celsius) or above, except during necessary preparation. All parts of potentially hazardous foods requiring cooking are to be heated to 145 degrees Fahrenheit (62.7 degrees Celsius) or above for 15 seconds, except that:

(1) poultry, poultry stuffing, stuffed meats and stuffing containing meat shall be heated so all parts are at least 165 degrees Fahrenheit (73.9 degrees Celsius) for 15 seconds;

(2) pork and food containing pork shall be heated so all parts of the food are at least 155 degrees Fahrenheit (68.3 degrees Celsius) for 15 seconds;

(3) rare roast beef and/or rare beef steaks shall be heated to [held at] the following minimum temperatures unless otherwise ordered by the consumer:

Temperature °C (°F)	Time	Temperature °C (°F)	Time	Temperature °C (°F)	Time
54 (130)	121 minutes	58 (136)	32 minutes	61 (142)	8 minutes
56 (132)	77 minutes	59 (138)	19 minutes	62 (144)	5 minutes
57 (134)	47 minutes	60 (140)	12 minutes	63 (145)	3 minutes

(4) ground beef and food containing ground beef shall be heated so that all parts of the food are at least [155 degrees Fahrenheit (68.3 degrees Celsius) for 15 seconds] 158 degrees Fahrenheit (69.4 degrees Celsius), unless otherwise ordered by the consumer;

(5) poultry, poultry stuffing, stuffed meats and stuffing containing meat; ground or comminuted poultry, beef, pork and other meat products, shall be heated with no interruption of the cooking process;

(6) shell eggs or foods containing shell eggs shall be heated to 145 degrees Fahrenheit (62.8 degrees Celsius) or greater for 15 seconds unless the consumer requests preparation of a shell egg or food containing shell eggs in a style such as raw, poached or fried which must be prepared at a temperature less than 145 degrees Fahrenheit in order to comply with the request;

(7) potentially hazardous food that is cooked, cooled and reheated for hot holding shall be reheated so that all parts of the food reach a temperature of at least 165 degrees Fahrenheit (73.9 degrees Celsius) for 15 seconds. The minimum temperature of 165 degrees Fahrenheit (73.9 degrees Celsius) shall be reached within 2 hours of commencing reheating. Reheated food shall be held at or above 140 degrees Fahrenheit (60 degrees Celsius) until served;

(8) cooked and refrigerated food that is prepared for immediate service in response to an individual consumer order may be served at any temperature;

(9) food reheated in a microwave oven shall be covered during heating; food shall be rotated or stirred during heating, or otherwise manipulated according to label instructions, and shall be reheated to a temperature of at least 190 degrees Fahrenheit (88 degrees Celsius) and allowed to stand covered for 2 minutes after reheating;

(10) commercially processed pre-cooked potentially hazardous food in hermetically sealed containers and precooked potentially hazardous food in intact packages from non-retail food processing establishments shall be heated to 140 degrees Fahrenheit (60 degrees Celsius) within 2 hours of removal from container or package and held at such temperature until served.

(c) All processed fish products shall be prepared, distributed and sold at a temperature that does not exceed 38 degrees Fahrenheit (3.3 degrees Celsius) without interruption until served to the ultimate consumer, except that:

(1) processed fish which contains a water phase salt level of at least 17 percent shall not require refrigerated storage and;

(2) processed fish which contains a water phase level of at least 10 percent, salt water activity of less than 0.85 Aw, or a pH of 4.6 or lower may be distributed or sold at refrigerated temperatures that do not exceed [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius).

(e) Potentially hazardous food requiring refrigeration shall be cooled so that every part of the product is reduced from 140 degrees Fahrenheit (60 degrees Celsius) to 70 degrees Fahrenheit (21.1 degrees Celsius) within 2 hours and to [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius) or below within 4 additional hours.

(f) Potentially hazardous foods shall be cooled to [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius) or below within 4 hours of preparation when prepared from ingredients at ambient temperature, such as reconstituted foods and canned tuna.

(g) Potentially hazardous food shall be thawed:

(1) in refrigerated facilities at a temperature not to exceed [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius); or

(2) completely submerged under potable running water at a temperature of 70 degrees Fahrenheit (21.1 degrees Celsius) or below, with sufficient water velocity to agitate and float off loose particles into the overflow; or

(3) in a microwave oven when the food will be immediately transferred to conventional cooking facilities as part of a continuous cooking process, or when the entire uninterrupted cooking process takes place in a microwave oven; or

(4) as part of the conventional cooking process, without interruption.

(5) Whole frozen poultry shall be completely thawed prior to conventional cooking. A single portion may be thawed during the cooking process.

(h) Ready-to-eat potentially hazardous food shall be thawed for a period of time that does not allow thawed portions to rise above [45 degrees Fahrenheit (7.2 degrees Celsius)] 41 degrees Fahrenheit (5 degrees Celsius).

(i) Thermometers for measuring the temperature of food shall be provided and readily accessible to ensure compliance with the temperature requirements specified in this Section. Metal stem-type, numerically scaled, indicating thermometers accurate to plus or minus 2 degrees Fahrenheit (1.1 degrees Celsius) which are made from materials that will not subject the food to contamination or toxic materials, shall be provided to ensure that proper internal cooking holding and refrigeration temperatures of all potentially hazardous foods are maintained.

(k) Potentially hazardous foods may be maintained at 45 degrees Fahrenheit (7.2 degrees Celsius) or between 41 degrees Fahrenheit (5 degrees Celsius) and 45 degrees Fahrenheit in existing refrigeration equipment which is incapable of maintaining foods at 41 degrees Fahrenheit or less, but only when the equipment is in place and already in use in the establishment. However, operators of such establishments shall upgrade or replace existing equipment to maintain food at 41 degrees Fahrenheit or less no later than July 1, 2003.

NOTES: Subsection (a), subdivision (2) of subsection (c), subsection (e), subsection (f), subdivision (1) of subsection (g), subsection (h) were amended and new subsections (i) and (k) were added on _____ to conform to temperature requirements in the New York State Sanitary Code.

RESOLVED FURTHER, that Section 81.13 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to add a new subsection (c); to be printed together with explanatory notes to read as follows:

Section 81.13 Foodworkers; health; clothing.

(c) Persons who are not essential to the food establishment operations shall not be allowed in the food preparation, food storage or warewashing areas, except that brief visits and tours may be authorized by the operator if steps are taken to ensure that exposed food, clean equipment, utensils, linens and unwrapped single-service and single-use articles are protected against contamination.

NOTES: Section 81.13 was amended on _____ to conform to a requirement of the New York State Sanitary Code. The exception to allow for brief visits and tours is recommended in Section 2-103.11(b) of the F.D.A. 1997 Food Code.

RESOLVED FURTHER, that subsection (a) of Section 81.15 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to be printed together with explanatory notes to read as follows:

Section 81.15 Supervisors of food service establishments and non-retail food processing establishments to complete courses in food protection.

(a) No person who is charged with supervision of the operations of a food service establishment or non-retail food processing establishment shall engage or be employed in such capacity unless he or she obtains a certificate issued by the Department subsequent to successful completion of a course in food protection, and passage of an examination administered by the Department, except that supervisors of mobile food non-processing units as defined in Section 89.01(c) shall be exempt from this requirement. A person holding such certificate shall be on the premises and shall supervise all food preparation activities during all hours of operation.

NOTES: Subsection (a) of Section 81.15 was amended on _____ because mobile food non-processing units are prohibited from preparing or processing and typically sell only fruits, candies, pretzels or boiled hot dogs, it is not necessary to require that supervisors of these operations take a 15-hour food protection course.

RESOLVED FURTHER, that subsection (b) of Section 81.19 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to be printed together with explanatory notes to read as follows:

Section 81.19 Food service establishments and non-retail food processing establishments; premises; lighting and ventilation.

(b) [Electric light bulbs and other glass parts of lighting fixtures which are directly above food processing equipment or open containers of food, which may shatter due to extreme heat, temperature changes or accidental contact and are likely to contaminate food shall be provided with suitable guards.] All artificial lighting fixtures located over, by or within food storage, preparation, service or display facilities, and facilities where utensils and equipment are cleaned and stored, which may shatter due to extreme heat, temperature changes or accidental contact and are likely to contaminate food, shall be provided with suitable guards to prevent broken glass from falling into food or onto food-contact surfaces.

NOTES: Subsection (b) of Section 81.19 was amended on _____ to conform to requirements in the New York State Sanitary Code.

RESOLVED FURTHER, that Section 81.21 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to amend subsections (a) and (b); to delete subsections (c) and (d); and to add new subsections (c) and (d); to be printed together with explanatory notes to read as follows:

Section 81.21 Food service establishments and non-retail food processing establishments; premises, plumbing, water supply, floors, walls and ceilings, vehicles.

(a) Food service establishments and non-retail food processing establishments shall have plumbing and plumbing fixtures to carry potable hot and cold water adequate to supply all parts of the establishment. Plumbing and fixtures shall be properly connected, vented and drained to prevent contamination of the City water supply or any other potable water supply. Water supply outlets and connections to water supply fixtures or equipment [appliances] shall be designed and constructed to prevent back-flow into the water supply.

(b) Sewage and liquid wastes shall be carried to the sewer or sewage disposal system so as to prevent contamination of the premises and its contents. There shall be no direct connection between the sewage system and any drains from fixtures and equipment used for storage, preparation, or processing of food. [Waste lines from equipment required to have indirect drains shall be installed to prevent back-flow from sewers and other drains and waste lines.]

[(c) All lines conducting carbon dioxide gas or carbonated beverages shall be stainless steel, food-grade plastic or other material that will not produce toxic substances when exposed to carbon dioxide or carbonated water.

(d) Drain pipes from a refrigerator shall not be directly connected with the soil or waste pipes, but shall discharge into a properly trapped, sewer-connected clean, open sink or by another acceptable method of drainage. NOTES: Section 81.23 was amended on _____ to conform to requirements in the New York State Sanitary Code.

RESOLVED FURTHER, that Section 81.35 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to be printed together with explanatory notes to read as follows:

Section 81.35 Food service establishments and non-retail food processing establishments; refrigerators and hot storage facilities.

A food service establishment or non-retail food processing establishment shall have a sufficient number of refrigerators, hot food storage facilities, and accurate thermometers or other temperature recording instruments, to ensure food is kept at temperatures required by this Code. Temperature measuring devices shall be accurate to plus or minus two degrees Fahrenheit (1.1 degrees Celsius) and shall be located to measure the temperature in the warmest part of the refrigerator or coolest part of the hot storage facility. Refrigerators and hot storage facilities shall be kept clean, sanitary and in good repair, [, and shall be indirectly drained. Floors of walk-in refrigerators shall be constructed of smooth concrete or other non-absorbent material. There shall be no direct connection between the sewage system and any drain originating from the refrigerator or hot storage facility.]

NOTES: Section 81.35 was amended on _____ to delete a requirement which was already outlined in Section 81.21.

RESOLVED FURTHER, that Section 81.37 of the New York City Health Code as repealed and reenacted by resolution adopted on the tenth day of June, nineteen hundred and ninety-six, effective July 15, 1996, be and the same hereby is amended, to add requirements to subsection (e); to add a new subsection (j); to re-letter subsections (j) and (k) as subsections (k) and (l); to be printed together with explanatory notes to read as follows:

Section 81.37 Food service establishments and non-retail food processing establishments; cleaning of premises, equipment and utensils; cleaning methods.

(e) Cleaning and sanitizing machines or other mechanical equipment and devices used for the cleaning and sanitizing of utensils, equipment and food contact surfaces shall be installed and maintained in good repair and operated in accordance with manufacturer's instructions. Mechanical dishwashing machines shall be equipped with thermometers to check their operation.

(j) Drainboards of adequate size shall be provided and used for the proper handling of soiled items prior to washing and of clean items following sanitization. Drainboards shall be self-draining and located and constructed so that they do not interfere with the proper use of the dishwashing facilities. Use of easily movable tables for the storage of soiled items or the use of easily movable tables for the storage of clean items following sanitization is allowed.

NOTES: Section 81.37 was amended on _____ to conform to requirements of the New York State Sanitary Code.

If adopted, the proposal will take effect immediately in accordance with Section 1043 of the New York City Charter.

NOTICE OF PUBLIC HEARING

IN COMPLIANCE WITH SECTION 1043 (b) OF THE NEW YORK CITY CHARTER and pursuant to the authority granted to the Board of Health by Sections 556 and 558 of said Charter, notice is hereby given of proposed amendments to Section 205.01 of Article 205 of Title V of the New York City Health Code.

NOTICE IS HEREBY GIVEN THAT THE DEPARTMENT OF HEALTH WILL HOLD A PUBLIC HEARING ON THE PROPOSAL ON MONDAY, MAY 4, 1998 FROM 2:00 P.M. TO 4:00 P.M. IN THE THIRD FLOOR BOARD ROOM (ROOM 330) AT 125 WORTH STREET, NEW YORK, NEW YORK 10013.

PERSONS INTERESTED IN PRE-REGISTERING TO SPEAK SHOULD NOTIFY, IN WRITING, PATRICIA J. CARUSO, SECRETARY, 125 WORTH STREET, NEW YORK, NEW YORK 10013, BOX 31 (212-788-5010) BY THURSDAY, APRIL 30, 1998. PLEASE INCLUDE A TELEPHONE NUMBER WHERE, IF NECESSARY, YOU MAY BE REACHED DURING NORMAL WORKING HOURS. SPEAKERS WILL BE LIMITED TO FIVE (5) MINUTES.

WRITTEN COMMENT REGARDING THE PROPOSAL MUST BE SUBMITTED TO PATRICIA J. CARUSO, SECRETARY, 125 WORTH STREET, NEW YORK, NEW YORK 10013 - CN 31 ON OR BEFORE MAY 4, 1998.

REGISTRATION WILL BE ACCEPTED AT THE DOOR UNTIL 2:30 P.M. HOWEVER, PREFERENCE IN ORDER OF TESTIMONY WILL BE GIVEN TO THOSE WHO PRE-REGISTER.

WRITTEN COMMENTS RECEIVED BY THE SECRETARY AND A TRANSCRIPT OF THE PUBLIC HEARING WILL BE AVAILABLE FOR PUBLIC INSPECTION WITHIN A REASONABLE TIME AFTER RECEIPT BETWEEN THE HOURS OF 9:00 A.M. AND 5:00 P.M. AT THE OFFICE OF THE SECRETARY.

Statutory Authority

This amendment to the New York City Health Code ("Health Code") is promulgated pursuant to Sections 556 and 558 of the New York City Charter. Section 556 of the Charter grants the Department of Health jurisdiction to regulate all matters affecting health in the City of New York. Section 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends.

Statement of Basis and Purpose

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the office of the City Clerk. Such orders have further provided, among other things that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City Housing Authority and the Department of Housing Preservation and Development. By the end of 1997, there were approximately 8,000 couples registered as domestic partners in New York City. Approximately two thirds of those registered domestic partners who reported demographic information were heterosexual couples, and approximately one third were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders, this proposal would extend to domestic partners the same authority applicable to spouses, to obtain, correct, or amend vital records and make decisions concerning the deceased domestic partner as specified in Title V of the New York City Health Code.

Statement Pursuant to Charter Section 1042 - Regulatory Agenda

This rule is proposed at the request of the Administration, in conjunction with a citywide review of policies and practices relating to spouses and domestic partners. *Therefore, it did not appear in the 1997 Regulatory Agenda.*

THE PROPOSAL IS AS FOLLOWS:

Note: matter underlined is new.

RESOLVED, that paragraph (1) of subsection (d) of Section 205.01 of the New York City Health Code, as enacted by resolution adopted on the twenty-third day of March, nineteen hundred and fifty-nine and filed with the City Clerk on the twenty-fourth day of March, nineteen hundred and fifty-nine, be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(1) the spouse or the domestic partner who has registered a domestic partnership with the City Clerk or the City Department of Personnel in accordance with applicable law; or

NOTES:

Paragraph (1), of subsection (d) was amended by resolution dated _____ to add to the list of persons who are defined as next of kin, the domestic partner of the decedent.

Approximately two thirds of those registered domestic partners who reported demographic information were heterosexual couples, and approximately one third were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders, the proposal would extend to domestic partners the same right to retain the benefits of veteran permits and licenses as is now accorded to spouses.

Statement Pursuant to Charter Section 1042 - Regulatory Agenda

This rule is proposed at the request of the Administration, in conjunction with a citywide review of policies and practices relating to spouses and domestic partners. Therefore, it did not appear in the 1997 Regulatory Agenda.

THE PROPOSAL IS AS FOLLOWS:

Note: matter underlined is new.

RESOLVED, that subsection (e) of section 89.03 of the Health Code, as enacted by resolution adopted on the _____ and filed with the City Clerk on the _____ be and the same is hereby amended to be printed together with explanatory notes to read as follows:

NOTES:

(e) An honorably discharged member of the armed forces of the United States or the surviving spouse of any such veteran holding a license pursuant to the provisions of Article 4 of the General Business Law shall be exempt from the payment of the fees for a mobile food unit permit and food vendor license issued for the individual use of such veteran or surviving spouse. The surviving domestic partner of an honorably discharged member of the armed forces of the United States who held a license pursuant to the provisions of Article 4 of the General Business Law also shall be exempt from the payment of the fees for a mobile food unit permit and food vendor license issued for the individual use of such surviving domestic partner. For purposes of this subsection, "domestic partner" shall mean a person who has registered a domestic partnership with the City Clerk or the City Department of Personnel in accordance with applicable law. The non-fee permit or license granted under this subsection shall be personal to the holder thereof and shall have no application to any associate, partner, employee or other person.

NOTE:

Subsection (e) was amended by resolution dated _____ to authorize the Department to exempt the surviving domestic partner of a veteran from payment of certain fees.

If adopted, this resolution shall take effect immediately in accordance with Section 1043 of the New York City Charter.

WRITTEN COMMENTS RECEIVED BY THE SECRETARY AND A TRANSCRIPT OF THE PUBLIC HEARING WILL BE AVAILABLE FOR PUBLIC INSPECTION WITHIN A REASONABLE TIME AFTER RECEIPT BETWEEN THE HOURS OF 9:00 A.M. AND 5:00 P.M. AT THE OFFICE OF THE SECRETARY.

Statutory Authority

These amendments to the New York City Health Code ("Health Code") are promulgated pursuant to Sections 556(d), 556(r), 558(b) and 558(c) of the New York City Charter ("the Charter") empowering the Board of Health to prescribe in the Health Code the form and manner in which a registry of fetal deaths and deaths occurring in the City of New York shall be kept and death certificates filed. Section 17-166 of the Administrative Code of the City of New York ("Administrative Code") requires the Department to maintain, produce and provide birth, fetal death and death records, as well as certificates of induced termination of pregnancy. Further, Section 17-169 of the Code mandates that the Department prescribe the form of certified birth records and of fetal death and death records, as well as the age requirements necessary for individuals to obtain the aforementioned records.

Statement of Basis and Purpose

The proposed amendments to sections 203.03, 203.05, 205.03, 205.05 and 207.03 of the Health Code will authorize the Department to implement an "Electronic Death Registration System" ("EDRS") in the City of New York. Currently, terminations of pregnancy and deaths occurring in the City are reported on paper to the Department by those individuals and entities that are required to do so. For those that must comply with the Health Code reporting requirements, this process is labor and time intensive.

In collaboration with the New York State Department of Health, the Department is developing the EDRS, an automated electronic system that will ease the burden of filing, improve data quality, insure enhanced security, and greatly speed the flow of relevant information to and from those entities that are responsible for reporting deaths in New York City.

Although the fully rolled-out EDRS will not obligate all individuals to report via electronic devices, it is anticipated that a large number of individuals and organizations will utilize the system to report deaths in the City. An immediate benefit of EDRS will eliminate the need for funeral directors to travel to the Department's headquarters to file death certificates and obtain burial permits. More so, the system will be capable of accepting payment for certified copies by way of electronic funds transfer or other automated means. Additionally, certified copies of death certificates would then be available for pick-up, mail or overnight delivery, at the option of the requester. Finally, the EDRS will allow corrections to be made prior to filing without retyping the certificate. Ultimately, the relative ease and convenience of using the EDRS will prompt many to opt to file using the automated system.

Accordingly, the amendments to section 205.03 and 205.05 of the Health Code will allow an alternative electronic filing of information required for a certificate of death and confidential medical report by those entities specified in sections 205.03 and 205.05. Moreover, the amendment to be made to section 207.03 would allow corrections to be noted on electronic certificates and records in a different manner from paper documents. Currently, the Health Code requires that approved changes to certificates be clearly reflected on the certificate itself by requiring that a single line be drawn through the amended item, and the correct information inserted immediately above it. This method of recording approved changes on electronic certificates and records may be technologically infeasible and burdensome. As such, amending section 207.03 allows for a programmatic solution that would be technically practical, while still being functionally equivalent to the manner of noting changes on paper certificates and records.

Further, the proposed amendment to section 205.19 of the Health Code would no longer require that the Department be notified in cases where an autopsy is to be performed on unclaimed remains, pursuant to Section 4214(1) of the Public Health Law. This notification is redundant with that which is currently made, and will continue to be made, to the City mortuary.

Sections 201.11, 205.01, and 207.01 are amended to change the definition of a minor to mean a person under 18 years of age, thereby bringing the Health Code in conformity with the New York State Public Health Law. Section 201.11 is also amended to more strictly define a delayed registration of birth.

THE PROPOSAL IS AS FOLLOWS:
Note: matter underlined is new
matter in brackets [] is to be deleted.

RESOLVED, that subsection (a) of section 201.11 of the Health Code, as enacted by resolution adopted on the twenty-third day of March, nineteen hundred and fifty-nine and filed with the City Clerk on the twenty-fourth day of March, nineteen hundred and fifty-nine be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(a) When a birth in the City is not recorded in the Department [before the end of the calendar year following the year in which the birth occurred,] within one year following the birth, it may be recorded with the approval of the Commissioner or other personnel of the Department

designated by him. Application for such delayed registration shall be made on a form furnished by the Department by the parents or surviving parent, or by the guardian of the person whose birth is to be recorded, if he is a minor, or by the person himself if he is [21] 18 years of age or over and his parents are dead. The application shall be accompanied by the following:

(1) A certified statement issued by the Department that a search was made for the record of birth in question and that such record was not found;

(2) A certificate of birth on a delayed registration form prescribed by the Board and furnished by the Department. The certificate shall state the facts relating to the birth as of the date of birth, and shall be signed by the physician, nurse midwife or midwife who attended at the birth, or if the physician, nurse midwife or midwife is dead or not available, or if there was no such person in attendance, it shall be signed by the person in charge of the hospital in which the birth occurred or by the parents or surviving parent, or by the guardian of the person whose birth is to be recorded. If none of these persons is alive or available, and the person whose birth is to be recorded is over [21] 18 years of age, he shall sign the certificate himself, and,

(3) Such documentary and other evidence as will establish to the satisfaction of the Commissioner or his designee the facts and date of birth as alleged in the application. The burden of submitting convincing proof rests with the applicant.

NOTES:

Subsection (a) was amended by resolution adopted on _____ to require that unreported births are registered within one year of the date of birth. Subsection (a) was also amended to reflect the age of eighteen as the age of majority, thereby making the Health Code consistent with the New York State Public Health Law.

Paragraph (2) of subsection (a) was amended by resolution adopted on _____ to change the definition of a minor from a person less than 21 years of age to a person less than 18 years of age, thereby making the Health Code consistent with the New York State Public Health Law.

RESOLVED further, that subsection (d) of section 203.03 of the Health Code, as repealed and enacted by resolution adopted on the twenty-first day of September, nineteen hundred and seventy-seven, and filed with the City Clerk on the _____ day of _____, nineteen hundred and _____, be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(d) The requirement of filing the certificate required by this section may be fulfilled by delivery of the same immediately upon demand and within the time prescribed by subsection (c) of this section to a funeral director or undertaker authorized to take charge of the conceptus or to the person in charge of the city mortuary if the remains are to be buried in the city cemetery. Such funeral director, undertaker or person in charge of the city mortuary, shall then file the certificate within [24] 48 hours following the receipt of the certificate of termination of pregnancy. Funeral directors, undertakers and city mortuary personnel shall not divulge information in the confidential documents except to authorized personnel of the Department. Certificates required to be filed by this section may be filed with the Department electronically by means of computer programs specified and provided or otherwise authorized for use by the Department.

NOTES:

Subsection (d) was amended by resolution adopted on _____, to change the time required for the filing of the certificate of termination of pregnancy by funeral directors, undertakers and city mortuary personnel from 24 to 48 hours, thereby making the time frame consistent with the State requirements. The subsection was also amended to allow for filing via authorized electronic means.

RESOLVED further, that subsection (b) of section 203.05 of the Health Code, as repealed and enacted by resolution adopted on fifteenth day of September, nineteen hundred and seventy-seven, and filed with the City Clerk on the ____ day of _____, nineteen hundred and seventy-seven be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(b) The certificates specified in §203.03(b) shall be prepared on forms prescribed by the Board and furnished by the Department. Certificates that are electronically filed by means of computer programs specified and provided or otherwise authorized for use by the Department, must be filed in an electronic form prescribed by the Board and furnished by the Department. The person preparing the certificate shall enter all information required by the appropriate form. When a termination of pregnancy occurs in a hospital or on its ambulance service, the information shall be taken from the hospital record of the case.

NOTES:

Subsection (b) was amended by resolution adopted on _____ to allow for filing certificates via authorized electronic means on forms authorized by the Department.

RESOLVED further, that paragraph (2), (3), (5), (7) and (8) of subsection (d) of section 205.01 of the Health Code as enacted by resolution adopted on the twenty-third day of March, nineteen hundred and fifty-nine and filed with the City Clerk on the twenty-fourth day of March, nineteen hundred and fifty-nine, be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(2) The children who are [21] 18 years of age or over; or,

(3) The grandchildren and other descendants who are [21] 18 years of age or over; or,

(5) The brothers and sisters and their descendants who are [21] 18 years of age or over; or,

(7) The great grandparents and uncles and aunts who are [21] 18 years of age or over; or,

(8) Such other persons who are [21] 18 years of age or over and would be entitled to share in the estate of the decedent as specified in [§83 of the Decedent Estate Law] §4-1.1 of the Estates, Powers and Trusts Law.

NOTES:

Paragraphs (2), (3), (5), (7) and (8) of subsection (d) were amended by resolution dated _____ to change the definition of a minor next of kin from persons less than 21 years of age to persons less than 18 years of age, thereby making the Health Code consistent with the New York State Public Health Law. Paragraph (8) of subsection (d) was also amended to reflect the codification of former §83 of the Decedent Estate Law into Estates, Powers and Trusts Law §4-1.1.

RESOLVED further, that paragraph (2) of subsection (a) of section 205.03 of the Health Code, as last amended by resolution adopted on the twenty-fourth of December, nineteen hundred and sixty-eight and filed with the City Clerk on the seventh day of January, nineteen hundred and sixty-nine, be and the same is hereby amended, to be printed together with explanatory notes, to read as follows:

(a) When a death occurs in the City, it shall be reported to the Department as follows:

(1) If the death is from natural causes and occurs in a hospital, by the person in charge; or,

(2) If the death is from natural causes and occurs elsewhere than in a hospital, by the licensed physician in attendance or by his duly authorized medical associate, provided such associate [views the body] reviews the medical records of the decedent [after death] and certifies that he has found no evidence of suspicious or unusual circumstances; or,

(3) If the death is investigated by the office of the chief medical examiner pursuant to Title 17, Chapter 2 of the Administrative Code, and jurisdiction over the remains is assumed by that office, by the office of the chief medical examiner.

NOTES:

Paragraph (2) of subsection (a) was further amended by resolution adopted on _____ to eliminate the requirement that a medical associate view the body of the decedent after death, but instead review the medical records of the decedent to determine whether evidence of suspicious or unusual circumstances exist in the cause of death. This amendment only applies to deaths due to natural causes and occurring elsewhere than in a hospital. Viewing the body of the decedent, in and of itself, is not sufficient to determine the cause of death or to discover evidence of suspicious or unusual circumstances. Any time there is doubt about the circumstances of the death, the case must be referred to the Office of the Chief Medical Examiner.

RESOLVED further, that subsection (c) of section 205.03 of the Health Code as last amended by resolution of the Board adopted on the third day of September, nineteen hundred and seventy-seven, filed with the City Clerk on the ____ day of _____, nineteen hundred and _____ be and the same hereby is amended, to be printed together with explanatory notes, to read as follows:

(c) The requirement of filing the certificate of death and the confidential medical report, if any, may be fulfilled by delivering the same immediately upon demand and within the time prescribed by subsection (b) of this section, to a funeral director or undertaker authorized to take charge of the remains, or to the person in charge of the city mortuary if the remains are to be buried in the city cemetery. Such funeral director, undertaker or person in charge of the city mortuary shall file the certificate and confidential medical report with the Department within [48] 72 hours following the death or the finding of the remains. Funeral directors, undertakers and the person in charge of the City mortuary shall not divulge information contained in the confidential medical report of death except to authorized personnel of the Department. Certificates of death and confidential medical reports may be filed with the Department electronically by means of computer programs specified and provided or otherwise authorized for use by the Department.

NOTES:

Subsection (c) was further amended by resolution adopted on _____ to allow for filing certificates and reports via authorized electronic means. This subsection was also amended to allow a funeral director, undertaker or person in charge of the city mortuary to file the certificate of death and confidential medical report with the Department within 72 hours of death, thereby making the Health Code filing requirements consistent with the state Public Health Law.

RESOLVED further, that subsection (b) of section 205.05 of the Health Code, as _____, effective _____ be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(b) The certificate of death and confidential medical report shall be prepared on forms prescribed by the Board and furnished by the Department. Certificates of death and confidential medical reports may be filed with the Department electronically by means of computer programs specified and provided or otherwise authorized for use by the Department. The physician preparing the certificate shall enter the name of the deceased and all other information required by the form, but the personal information concerning the deceased shall be entered by the funeral director or undertaker except when the remains are to be buried in the city cemetery. The confidential medical report shall contain a statement of the cause of death which shall represent the physician's best opinion on the basis of all the evidence available to him. When the death occurs in a hospital, the information required by the forms shall be taken form the hospital records of the case.

NOTES:

Subsection (b) was amended by resolution adopted on _____ to allow for filing certificates and reports via authorized electronic means.

RESOLVED further, that section 205.19 of the Health Code, as amended by resolution adopted on the fifteenth day of September, nineteen hundred and seventy-seven and filed with the city clerk on the _____ day of _____, nineteen hundred and _____, be and the same is hereby amended to be printed together with explanatory notes to read as follows:

When a death or termination of pregnancy occurs in a hospital, the person in charge shall deliver the remains immediately upon demand and within the time for filing reports prescribed in §§203.03(c) and 205.03(b) to a funeral director or undertaker who presents a permit issued pursuant to §205.25 or a certification that he has been authorized to take charge of the remains by the next of kin as defined in §205.01 or by the Public Administrator. If the remains are not claimed within 24 hours following death or termination of pregnancy, the person in charge of the hospital shall immediately notify the person in charge of the City mortuary. If, however, an autopsy is to be performed pursuant to §4214(1) of the Public Health Law, [he shall notify the Department of the death, by telephone, within 24 hours of death, giving such information as the Department may require, and] he shall [also] notify the person in charge of the City mortuary within 48 hours of death and prior to the autopsy. Under such circumstances the filing of the certificate of death and confidential medical report may be postponed until 72 hours after death. The requirement of filing may be fulfilled by delivery of the certificate and confidential medical report to the person in charge of the City mortuary when the remains are removed from the hospital

NOTES:

This section was further amended by resolution adopted on _____ to eliminate the requirement of reporting to the Department the need for an autopsy pursuant to §4124(1) of the Public Health Law when remains have not been claimed within 24 hours of death or termination of pregnancy.

RESOLVED further, that subsection (a) of section 207.01 of the Health Code, as last amended by resolution adopted on the fifteenth day of _____ be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(a) The Commissioner or other personnel of the Department designated by him may approve the amendment of birth, termination of pregnancy or death certificate. Application shall be made on a form furnished by the Department. Application for amendment of a birth certificate shall be made by the parents or surviving parent, or by the guardian of the person whose birth certificate is to be corrected or by the person himself if he is [21] 18 years of age or over and his parents are dead. Application for amendment of a death or termination of pregnancy certificate shall be made by the next of kin or, if there is no next of kin, by the persons authorized to arrange for burial or cremation of the remains.

NOTES:

Subsection (a) was further amended by resolution dated_____ to reflect the age of eighteen as the age of majority, thereby making the Health Code consistent with the New York State Public Health Law.

RESOLVED further, that subsection (a) of section 207.03 of the Health Code, as _____, effective _____ be and the same is hereby amended to be printed together with explanatory notes to read as follows:

(a) Except as provided in §207.05, when an application for amendment is approved, a single line shall be drawn through the information subject to amendment, and the correct information shall be inserted immediately above it. The certificate shall be marked to show that it is amended, and the name of the person approving the amendment and the date thereof shall be noted on the certificate. When the name of a person is changed pursuant to court order, the new name shall be similarly inserted on the certificate together with a statement that the change of name is by court order and the date of the order. The Department may use an alternate method of recording corrections or other amendments to electronic records or forms. The history of these electronic corrections or amendments shall be clearly recorded within the electronic record or form by the Department.

NOTES:

Subsection (a) was amended by resolution adopted on _____ to allow corrections to certificates or records filed via authorized electronic means to be recorded in a technologically feasible and accurate manner. The "strike-out" method of noting corrections and the history of amendments on paper forms could not be utilized for electronic forms. With the changes to subsection (a) the Department would be enabled to employ an alternative method for noting electronic changes and corrections, while ensuring that the history of these amendments is reflected in the electronic record or form.

If adopted, this resolution shall take effect immediately in accordance with Section 1043 of the New York City Charter.

NEW YORK CITY LOFT BOARD

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY LOFT BOARD by Article 7-C of the Multiple Dwelling Law and Mayor's Executive Order No. 66, dated September 30, 1982, and pursuant to and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Loft Board intends to amend Chapter 1 of Title 29 of the Rules of the City of New York ("RCNY"), relating to reconsiderations and appeals from administrative determinations, by amending sections 1-06(p) and 1-07 and adding a new section 1-07.1, and Chapter 2 of 29 RCNY, section 2-04(e)(5), relating to appeals from determinations concerning housing maintenance standard violations. The text proposed to be added to the rules is underlined, and text proposed for deletion is bracketed.

Written comments regarding these proposed rules may be sent to the New York City Loft Board, 49-51 Chambers Street, Room 1006, New York, New York 10007 to the attention of Beverley Miller on or before April 15, 1998. A public hearing will be held on April 30, 1998 at 22 Reade Street, New York, New York, commencing at 1:30 p.m. Persons seeking to

testify are requested to notify Ms. Miller at the foregoing address or by telephone at (212) 788-7610. Written comments and an audiotape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. to 5:00 at the offices of the Loft Board.

These rules were not published in the regulatory agenda because it was not anticipated that they were needed.

§1-06 Applications to the Board.

* * * *

(p) The report and recommendation of the staff or administrative law judge on each application shall be promptly referred to the Loft Board and shall remain confidential pending the Board's determination. A copy of the Board's determination, including an order and any supporting opinion shall be mailed to the applicant and all parties who filed an answer. A determination of the Board [becomes final five days after such mailing] shall constitute a final agency determination for purposes of commencement of the running of the statute of limitations for the filing of an Article 78 C.P.L.R. petition challenging the Board's determination, unless a timely application for reconsideration has been filed (see § 1-07 of these rules).

§1-07 Reconsideration of Determinations. (a) The Loft Board, upon the application of a party aggrieved by a determination of the Board, may, in its sole discretion, reconsider such determination. An application for reconsideration will be granted only under [limited circumstances including but not limited to,] the following extraordinary circumstances: allegations of denial of due process or material fraud in the prior proceedings, an error of law, an erroneous determination based on a ground not argued by the parties at the time of the prior proceeding, and discovery of probative, relevant evidence which could not have been discovered at the time of the hearing despite the exercise of due diligence.

(b) An aggrieved party must file with the Board 12 copies[, plus one for each party who filed an application or answer,] of his or her reconsideration application, along with proof that the reconsideration application has been served on the affected parties to the prior proceeding and the application fee required by section 2-11(b)(15). Service of the application shall be made in accordance with the provisions of section 2-01(d)(1)(i). To be considered timely, a [The] reconsideration application must be received by the Loft Board within 30 days of the date of mailing by the Loft Board of the [final] determination [to the parties] sought to be reconsidered [If the reconsideration application is served upon the Board by certified mail return receipt requested, the application must be mailed within 30 days of service of the final determination and the date the application is certified, as indicated by the certification stamp on the envelope, will be deemed the filing date for such application.] The application must specify the questions presented for reconsideration and the facts and points of law relied upon as a basis for seeking reconsideration.

(c) [The Board shall promptly serve the other parties who have filed an application or answer in the original proceeding, with copies of the application for reconsideration.] Within [15] 20 days of service of the reconsideration application, any party supporting or opposing the application [may] shall file 12 copies of an answering brief or memorandum with the Board, with proof of service upon the applicant for reconsideration. Such brief [for] or memorandum must contain the facts and argument on which such party is relying. Upon determination of the reconsideration application, the decision of the Board will be [served by mail on] mailed to all parties who filed an application or answer in the [original] reconsideration proceeding.

(d) [Filing of an application for reconsideration shall not toll the statute of limitations for purposes of initiating an Article 78 proceeding.] A Loft Board determination pursuant to section 1-06 of these rules shall be the final agency determination for the purpose of judicial review, unless a timely application for reconsideration of the determination has been filed. In such case, (i) if the Loft Board modifies or revokes the underlying order, such revocation or modification shall be deemed the final agency determination from which judicial review may be sought; (ii) if the Loft Board denies the reconsideration application, the underlying order shall be deemed the final agency determination from which judicial review may be sought, and the date of the denial of the reconsideration application shall be deemed the date of the final agency determination; and (iii) if the Loft Board decides the reconsideration application by remanding the matter to the hearing officer for further proceedings, neither the underlying order nor the remand order shall constitute a final agency determination, and no judicial review may be sought until such time as the Loft Board issues a final agency determination following the remand.

§1-07.1 Appeal from Determination of the Director, or Determination of a Hearing Officer Under Section 2-04. (a) A person aggrieved by a written determination of the Director with respect to any matter that is not required by these rules to be determined by the full Board, or by a determination of a hearing officer with respect to housing maintenance standard violations under section 2-04 of these rules, may appeal from such determination to the full Board. The determination of the Loft Board deciding such appeal shall constitute the final agency determination from which judicial review may be sought. For the purposes of this section, a "person aggrieved by a determination of a hearing officer with respect to housing maintenance standard violations under section 2-04 of these rules" includes the Director of Enforcement of the Loft Board, in his or her capacity as prosecutor of housing maintenance standard violations.

(b) A person aggrieved by a determination as set forth in subdivision (a) of this section must file with the Loft Board 12 copies of an appeal application, along with proof of service of the appeal application upon the affected parties to the prior proceeding and, except where the Director of Enforcement of the Loft Board is the appellant, the application fee required by section 2-11(b)(14). Service of the application shall be made in accordance with the provisions of section 2-01(d)(1)(i). To be considered timely, an appeal application must be received by the Loft Board within 30 days of the date of mailing of the determination sought to be appealed. The application must specify the questions presented for appeal and the facts and points of law relied upon as a basis for seeking appeal.

(c) Within 20 days of service of the appeal application, any party supporting or opposing the application shall file 12 copies of an answering brief or memorandum with the Board, with proof of service, in accordance with the provisions of section 2-01(d)(1)(i) of these rules, upon the applicant. Such brief or memorandum must contain the facts and argument on which such party is relying. Upon determination of the appeal application, the decision of the Loft Board will be mailed to all parties who filed an application or answer in the appeal proceeding.

(d) In determining an appeal from a determination of a hearing officer with respect to housing maintenance standard violations under §2-04 of these rules, the Loft Board shall review the determination with regard to whether the facts found therein are supported by substantial evidence in the record, whether the law was correctly applied, and whether the penalty imposed is appropriate, but shall not consider any evidence not presented to the hearing officer, unless good cause is shown as to why the evidence was not previously available. The Loft Board shall have the power to reverse, remand, or modify any determination appealed from pursuant to this section and may reduce the penalty imposed by a hearing officer for a housing maintenance standard violation.

(e) The provisions of this section shall not apply to written determinations of the Director, or to determinations of hearing officers pursuant to section 2-04, issued prior to the effective date of this rule.

2-04 Minimum Housing Maintenance Standards.

(5) *Appeals to the Board.* [All decisions and orders of hearing examiners or OATH administrative law judges made pursuant to these regulations shall be the final determination of the Loft Board for the purpose of commencing a CPLR Article 78 proceeding therefrom; provided, however, that the Loft Board shall have jurisdiction to review all final decisions and orders of hearing examiners or OATH administrative law judges pursuant to this section. If a respondent elects to file such a discretionary appeal from any final decision and order of a hearing examiner or OATH administrative law judge, and timely files such an appeal, the order of the Loft Board deciding the appeal shall be the final determination of the Loft Board for the purpose of commencing a CPLR Article 78 proceeding . However, if a respondent files an appeal from a decision and order of a hearing examiner or OATH administrative law judge which is untimely, such an untimely appeal, unless good cause is shown in the application, shall be dismissed administratively within 30 days, without Loft Board action, and the hearing examiner's or OATH administrative law judge's decision and order shall be the final determination of the Loft Board for the purpose of commencing a CPLR Article 78 proceeding therefrom.

Any appeal made pursuant to this section shall be considered timely if, and only if, it is received by the Loft Board within thirty (30) days of the date of mailing of the hearing examiner's or OATH administrative law judge's decision and order. Any appeal shall be filed on a form prescribed by the Loft Board which shall be furnished to the respondent with the decision and order of the hearing examiner or OATH administrative law judge. Any appeal shall include a statement specifying why the decision and order of the hearing examiner or OATH administrative law judge should be reversed, remanded or modified. An appeal shall be made without the appearance of the respondent or its counsel unless requested by the Loft Board.

When an appeal is timely filed, the Loft Board shall review the decision and order of the hearing examiner or OATH administrative law judge with regard to whether the facts found therein are supported by substantial evidence in the record, whether the law was correctly applied, and whether the penalty imposed is excessive, but shall not consider any evidence not presented to the hearing examiner or OATH administrative law judge, unless good cause is shown as to why the evidence was not previously available. The Loft Board shall have the power to reverse, remand, or modify any decision and order appealed from and may reduce the penalty imposed. The Loft Board shall promptly issue a written decision and order respecting the appeal, a copy of which shall be served forthwith on the respondent by regular mail.

Both the decision and order of the hearing examiner or OATH administrative law judge or the order of the Loft Board on appeal, whichever is applicable, shall be deemed final five days after mailing of the decision and order or order, as the case may be, for the purpose of commencing a CPLR Article 78 proceeding] An appeal from a determination of a hearing officer issued pursuant to this section 2-04 shall be brought in accordance with the provisions of section 1-07.1 of these rules.

Statement of Basis and Purpose

The amendments to §1-07 provide that if a party files a timely application for reconsideration, the time to commence an Article 78 proceeding in court will be tolled until the Loft Board decides the reconsideration application. As in current practice, parties are not required to file a reconsideration application before seeking judicial review. This amendment is intended to save parties the effort and expense of commencing both a reconsideration application and an Article 78 proceeding, and save the Loft Board staff the effort of having to both defend an Article 78 and review an identical reconsideration application.

In the past, aggrieved parties often filed reconsiderations only to reargue legal issues that had been determined against them in the underlying proceeding. This was, however, never the purpose of the rule. The proposed amendments limit the grounds on which a person aggrieved by a Loft Board determination may seek reconsideration, to extraordinary grounds such as lack of due process or error in the determination which could not have been anticipated at the time of the underlying proceeding. An example of the latter would be a mathematics error made in the calculation of rent in a rent overcharge case.

Section 1-07.1 amends the Loft Board's rules to clarify when a person may obtain the full Loft Board's review (i.e., appeal) of a determination made by the Executive Director, or by a hearing officer in the context of a minimum housing standards violation case. A new provision states that an appeal from an administrative determination must be made within 30 days of the date of mailing of the determination sought to be appealed. In order to seek judicial review of such an administrative determination, the aggrieved party must first exhaust its administrative remedies by obtaining a Loft Board order upholding the administrative determination. The section also provides that the Loft Board's determination, rather than the Director's or hearing officer's determination, constitutes the final agency determination.

TRANSPORTATION

Department of Transportation

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by section 2903 of the New York City Charter and sections 1640 and 1642 of the New York State Vehicle and Traffic Law, and in accordance with section 1043 of the Charter, including a public hearing held on due notice, that the Department hereby adopts amended subdivision (c) of section 4-04 oc chapter 4 of title 34 of thre rules of the city of New York. Matter [in brackets] is deleted; matter underlined is new. Acting Commissioner Richard A. Malchow

This rule shall become effective 30 days from the date hereof.

Section 1. Subdivision (c) of section 4-04 of chapter 4 of title 34 of the rules of the city of New York is amended by adding a new paragraph (3) to read as follows:

(3) No pedestrian shall cross a roadway except at a crosswalk on any block in which traffic control signals are in operation at both intersections bordering the block.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to regulate the movement of vehicular and pedestrian traffic pursuant to section 2903 of the New York City Charter. The purpose of this rule is to enhance pedestrian and vehicular safety by providing that pedestrians shall cross the street only at crosswalks on blocks with traffic control signals in operation at the intersections bordering the blocks.

Currently, traffic rules clearly prohibit pedestrians from crossing against a traffic control signal or pedestrian control signal, crossing a roadway where signs or barriers prohibit such crossing and crossing at an intersection outside a crosswalk. However, a significant number of fatalities occur as a result of pedestrians crossing heavy traffic blocks at other than crosswalks. The Department believes that compliance with the proposed rule will significantly enhance safety for both pedestrians and motorists.

LANDMARKS PRESERVATION COMMISSION

BINDING REPORT

ISSUE DATE:	DOCKET #:	SRB #:
03/05/98	983946	SRB 98-4521

ADDRESS	BOROUGH:	BLOCK/LOT:
CENTRAL PARK-GTHSE HISTORIC DISTRICT SCENIC LANDMARK	MANHATTAN	1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Environmental Protection.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for painting windows, doors, and screens at the south gatehouse of the Central Park Reservoir. The proposal is described on the application, in photographs, and with a paint chip.

The Commission notes that Central Park is an English Romantic style public park designed in 1856 by Frederick Law Olmsted and Calvert Vaux. The Commission also notes that the one-story, hipped-roof, granite gatehouse was built in 1864 at the south edge of the new reservoir, in a style compatible with the park's other original buildings. The Commission finally notes that the door and window infill at the building are metal, probably dating from the mid-20th century, and have been painted bright blue.

With regard to this proposal, the Commission finds that the proposed dark brown paint color (Benjamin Moore "Deep Bronze 62") will be harmonious with the style and detail of the building; that it will help the modern door and window infill to recede visually, thus emphasizing the historic masonry; and that it will preserve the building infill, thus helping keep the building watertight. Based on these findings, the proposed work is determined appropriate to the building and the Central Park Scenic Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

BINDING REPORT

ADDRESS	BOROUGH:	BLOCK/LOT:
CENTRAL PARK-DELACOR DELACORTE THEATER, CENTRAL PARK SCENIC LANDMARK	MANHATTAN	1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for phase 1 renovations at the Delacorte Theater, within the Central Park Scenic Landmark. The proposed work includes replacement in kind of existing grandstand wood planking, replacement of fixed seating with new fixed seating, modifications to a an existing concrete ramp, and painting various railings and stairs. The proposed work is described on drawings A0.1, D1.2, A1.2, A5.1, S-1, and S-2, all undated, and prepared by Kapell & Kostow Architects for the New York Shakespeare Festival and the Department of Parks and Recreation.

In reviewing this proposal, the Commission notes that the designation report describes Central Park as an English-Romantic style public park designed in 1856 by Frederick Law Olmsted and Calvert Vaux. The Commission further notes that the Delacorte Theater was built in 1960 as a temporary structure at the southwest edge of the Great Lawn and that its siting and design are severely unharmonious with the park.

With regard to this proposal, the Commission finds that the work will essentially restore existing conditions within the theater; and that the work will not cause further physical or visual intrusion of the theater on the park landscape. Based on these findings, the proposed work is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

BINDING REPORT

ADDRESS	BOROUGH:	BLOCK/LOT:
STUYVESANT SQUARE STUYVESANT SQUARE PARK STUYVESANT SQUARE	MANHATTAN	897 / 40

To the Mayor, the Council, and the Sidewalk replacement.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace the existing asphalt sidewalk on 2nd Avenue between 15th and 17th Streets with bluestone pavers set on a concrete base to match existing pavers on the other perimeter streets of the park, installation of a black painted cast aluminum bollard at the main gate, installation of a park identification plaque, and repair to bluestone and asphalt pavers within the park. The proposed work is described on 5 drawings dated January 1998, prepared and submitted by the Department of Parks and Recreation as components of the application.

The Commission notes that Stuyvesant Square Park is a public park laid out in 1846; that the park, which is bisected by 2nd Avenue, is surrounded by its original cast-iron fence; that the perimeter sidewalks, except for those along 2nd Avenue, have been restored with bluestone pavers set in a historic pattern; and that the interior of the park has been reconstructed within the last 20 years using design and materials that reflect its historic designs and character; and that the cast-iron fence has recently been restored.

With regard to this proposal, the Commission finds that the existing asphalt sidewalk to be removed is not a significant feature and detracts from the park and district; that the new bluestone sidewalk, set on concrete, with hand-tight joints to match the work on adjacent streets, will be harmonious with the park, district, and adjacent sidewalks and will reflect historic sidewalks at this location; that the retention of the granite street curb will preserve this significant feature; that the single bollard, modelled after the historic fence posts, will be harmonious with the park and unobtrusive and will help protect pavements from vehicles; that in-kind repair of pavements within the park will restore these features to sound condition and uniform appearance; that the granite park identification plaque will be small and unobtrusive; and that the work will strengthen the architectural and historic character of Stuyvesant Square Park and the historic district. Based on these findings, the proposed work is determined appropriate to the park and the Stuyvesant Square Historic District.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. BINDING REPORT

ISSUE DATE:	DOCKET #:	SRB #:
03/11/98	984214	SRB 98-4610

ADDRESS	BOROUGH:	BLOCK/LOT:
2 LAFAYETTE STREET HISTORIC DISTRICT AFRICAN BURIAL GROUND	MANHATTAN	155 / 1

To the Mayor, the Council, and the Commissioner of the Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The proposed work consists of excavating an electric service line trench 39 feet long, 3 feet wide, and 2.5 feet deep from Con Edison manhole #59878 to the cellar of 2 Lafayette Street, as indicated on a scaled drawing submitted as a component of the application

In reviewing this proposal, the Commission notes that the designation report states that the portion of lower Manhattan within the historic district has undergone intense public use since the mid-seventeenth century, resulting in the overlay of many significant historic improvements and resources--both above ground and below--all of which document the changing nature of the important area long devoted to communal, public, and civic purposes; and that, within the district, the African Burial Ground is historically significant in that it is one of the few preserved eighteenth-century African burial grounds in the Americas, and that it reflects the establishment at an early date of the society of Africans in New York City, which had one of the largest urban populations of Africans in the American colonies. The report also cites the significance of structures related to the civic use of the Commons. The Commission further notes that the location of the proposed work is inside the boundaries of the African Burial Ground, the boundaries of which have been established based on historical documents.

With regard to this proposal, the Commission finds that the proposed work will not require the removal of or damage to any significant above-ground features of the historic district; that the removal of street paving will be temporary in nature; that the street paving to be excavated is composed of modern materials and is not a significant feature of the historic district; that the new paving will match the surrounding paving to remain in material, color, and detail, and therefore that the new paving will blend unobtrusively with the surrounding street and sidewalk paving.

The Commission also finds that, as the location of the proposed work appears to be within landfill above the 18th century ground surface, the proposed excavation will be limited to the disturbance of only previously excavated soils; that the proposed hand excavation methods will allow for observation of and minimal damage to any artifacts or other cultural material uncovered during the work; and there is low probability of encountering intact archaeological deposits, features, or human burials in the proposed work area.

Based on these findings, and provided that the stipulation outlined below is followed, the Commission determines the proposed work to be appropriate to The African Burial Ground and The Commons Historic District, and has no objection to the proposed work proceeding. The proposed work, therefore, is approved.

In issuing this report, the Commission stipulates that should artifacts or other cultural material be encountered during the course of work, work should stop immediately pending Commission notification and review. If artifacts or other cultural material are encountered, contact Daniel Pagano, Director of Archaeology at (212) 487-6848.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquires to Daniel Pagano.

SUPREME COURT OF THE STATE OF NEW YORK COUNTY OF BRONX

■ FILING INTENTATIVE DECREE-NOTICE TO FILE OBJECTIONS

BRONX COUNTY INDEX NO. 1317/86.

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee to **WILLOW AVENUE SHELTER** required as a site for a shelter for the homeless, located at 780 East 136th Street (Block 2587, part of Lot 1) in the area of Willow Avenue, East 135th Street and East 136th Street, in the Borough of the Bronx, City and State of New York.

NOTICE IS HEREBY GIVEN to all parties interested in the above entitled proceeding, as follows:

1. The above named Court, after considering the testimony and proofs submitted on the trial of the above proceeding, has completed its estimate of the compensation which should be made by the City of New York to the owner of Damage Parcel 1 (Block 2587, part of Lot 1), real property which was acquired in this proceeding, and the Tentative Decree of the said Court as to the award for damages was signed by HON. DOUGLAS E. MCKEON, Justice of the Supreme Court presiding at the trial of the above entitled proceeding, and was filed with the Clerk of the County of Bronx on January 28, 1998, for inspection by whomever it may concern.

2. The City of New York and all other parties interested in such proceeding or in any of the real property affected thereby, having any objections thereto, shall file such objections in writing, duly verified, in the manner required by law for the verification of pleadings in an action, setting forth the real property that is the subject of the objections, and the objector's post office address, with the Clerk of the County of Bronx, on or before April 21, 1998, and other than the City of New York shall within the same time serve on the Corporation Counsel of the City of New York at his office, 100 Church Street, Room 5-235, in the Borough of Manhattan, City and State of New York, a copy of such verified objections.

3. On May 5, 1998, at 2:00 P.M., or as soon thereafter as counsel can be heard, HON. DOUGLAS E. MCKEON, the Justice who signed the Tentative Decree, holding Court at the Supreme Court of Bronx County, 851 Grand Concourse, in the Borough of the Bronx, City and State of New York, will hear the parties who have filed objections to the Tentative Decree.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RENOVATIONS AT 280 BROADWAY – SS – 956980002510 – DUE 4-13-98 AT 4 PM

Intent to Negotiate

In March 1994 the Department of Citywide Administrative Services issued a Request for Expressions of Interest ("RFEI") for the redevelopment of 280 Broadway, Manhattan. An advertisement was placed in the New York Times on March 27, 1994 announcing the RFEI and the same was mailed directly to over 250 real estate developers operating in the City of New York. A Request for Proposals ("RFP") was subsequently issued in October or 1994 which called for the creation of Class "B" office space at 280 Broadway. An advertisement was placed in The New York Times on October 9, 1994 announcing the RFP in conjunction with the contemplated developer's utilization of the lower floor space for commercial purposes. The RFP notice was also mailed to the 250 recipients of the RFEI. DCAS received two responsive proposals to the RFP. After an evaluation of the responsive proposals, the developer, Starrett Corporation ("Starrett") was deemed the successful respondent in November of 1995. The RFP contemplated a unified real estate project which utilized a ground lease to Starrett and a sublease back to the City of the renovated office space; it was subsequently determined that the project would be more effectively financed by a lease to Starrett covering the commercial portion of the space together with a construction contract for the renovation of the City's office space. As Starrett will be the tenant in the commercial portion of 280 Broadway it has been the intention of DCAS to enter into a sole source construction contract for the renovation of the City's office space therein. DCAS intends to enter into final negotiations with Starrett with respect to the aforesaid lease for the commercial space and the construction contract for the City's office space. Any qualified vendor which wishes to comment or is interested in providing similar services of like kind in the future is invited to so indicate by letter, which must be received no later than April 13, 1998 to: Joseph Milone, Agency Chief Contracting Officer, Municipal Building, 20th Floor North, New York, New York 10007.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearings by Community Boards:

BOROUGH OF Queens.

Community Board No. 8 - Tuesday, March 31, 1998, 7:00 P.M.; Queens Hospital Center, "N" Building Auditorium, Jamaica, New York

C 980441 PPQ and C 980442 PQQ
Queens Hospital Center has developed a major reconstruction program designed to replace and/or upgrade campus structures to make for a more consolidated, modern and competitive facility. The major reconstruction program is to be completed by 2002, and includes the construction of a 310,000 gross square feet 200 bed acute care replacement hospital. Upon completion of the new facility the A building will be demolished. Total number of beds at Queens Hospital Center will be reduced from 408 to 200. This new building would be located in the area generally occupied by Buildings B, C and D, which would be demolished to make way for a new building. This ULURP application is for the disposition/acquisition actions for the parcel of property to contain the new 310,000 gross square feet hospital as well as as the demolished buildings (B, C and D).

m25-31

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RENOVATIONS AT 280 BROADWAY – SS – 956980002510 – DUE 4-13-98 AT 4 PM

INTENT TO NEGOTIATE

In March 1994 the Department of Citywide Administrative Services issued a Request for Expressions of Interest ("RFEI") for the redevelopment of 280 Broadway, Manhattan. An advertisement was placed in the New York Times on March 27, 1994 announcing the RFEI and the same was mailed directly to over 250 real estate developers operating in the City of New York. A Request for Proposals ("RFP") was subsequently issued in October or 1994 which called for the creation of Class "B" office space at 280 Broadway. An advertisement was placed in The New York Times on October 9, 1994 announcing the RFP in conjunction with the contemplated developer's utilization of the lower floor space for commercial purposes. The RFP notice was also mailed to the 250 recipients of the RFEI. DCAS received two responsive proposals to the RFP. After an evaluation of the responsive proposals, the developer, Starrett Corporation ("Starrett") was deemed the successful respondent in November of 1995. The RFP contemplated a unified real estate project which utilized a ground lease to Starrett and a sublease back to the City of the renovated office space; it was subsequently determined that the project would be more effectively financed by a lease to Starrett covering the commercial portion of the space together with a construction contract for the renovation of the City's office space. As Starrett will be the tenant in the commercial portion of 280 Broadway it has been the intention of DCAS to enter into a sole source construction contract for the renovation of the City's office space therein. DCAS intends to enter into final negotiations with Starrett with respect to the aforesaid lease for the commercial space and the construction contract for the City's office space. Any qualified vendor which wishes to comment or is interested in providing similar services of like kind in the future is invited to so indicate by letter, which must be received no later than April 13, 1998 to: Joseph Milone, Agency Chief Contracting Officer, Municipal Building, 20th Floor North, New York, New York 10007.

ON-CALL REPAIR OF HEATING VENTILATION AND AIR CONDITIONING (HVAC) AT RIKERS ISLAND FACILITIES – REQUIRED SOURCE – 072980077-AMG – DUE 3-31-98 – In accordance with Section 1-01(D)(1) of the Procurement Policy Board Rules, the Department of Correction currently intends to enter into an agreement with Bayside Refrigeration. They are familiar with the Department's HVAC equipment and has proven to be very competent and reliable, and has given an equitable price. With the Department's ability to provide heating services year-round at stake the need for continuing HVAC equipment repair capability appears to be clear. Without the services of on-call coverage availability, the Department would be placed in the position of having to bid out repetitive individual repairs as breakdowns occur. PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: April 2, 1998
PREMISES: 696 Ninth Avenue, Manhattan
403 West 46 Street, Manhattan
RESPONSE REQUIRED BY: May 1, 1998

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential building in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify (1) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and (2) that the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.
The owner of the building located at the above-referenced address seeks the issuance of an HPD certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information, HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, hot water, gas or electricity, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.
HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above-referenced premises, please notify the Housing Litigation Bureau, SRO Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, Attention: Flora Simmons in writing within 30 days. If you wish to make an in-person statement please call (212) 386-8266 within the same period to schedule an appointment to do so.
