NOTICE

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.
The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

CHARTER REVISION COMMISSION

■ NOTICE

The New York City Charter Revision Commission is changing the location of its scheduled August 18th public meeting. The meeting has been moved to 2 Washington Street 19th Floor, in Manhattan. The Commission will vote to approve or disapprove amendments to the City Charter to be placed on the November ballot changing the City's campaign finance system. The proposal is intended to ensure the independence of the Campaign Finance Board, prevent corruption by banning campaign contributions from groups doing business with the City and reduce the influence of "soft money" in New York City elections. The text of the proposal is available from the Charter Revision Commission's office and will also be posted on its Internet site.

PUBLIC MEETING

Tuesday, August 18, 1998 2 Washington Street 19th Floor, Meeting Room 6:00 p.m.

This Meeting is open to the public but does not provide an opportunity for public participation.

All locations are accessible to people with disabilities.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

■ NOTICE

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.
The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

AGENCY RULES

CONSUMER AFFAIRS

NOTICE OF ADOPTION

Notice of Adoption of Amendments to Rule Regarding the Towing of Vehicles.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Sections 20-104(b), 20-509, 20-510, 20-518 and 20-525 of Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department promulgates and adopts amendments to an existing rule regarding the towing of vehicles.

These amendments were proposed and published on April 22 , 1998. The required public hearing was held on May 27, 1998.

Material being deleted is shown below in [brackets] and material being added is underlined.

RULE

Section 1. Paragraph (3) of subdivision (n) of section 2-362 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(3) As indicated in the diagram below, affix the license plate decals, which are assigned for each program in which the licensee has been approved to participate, on each license plate. If the licensee enrolled in the DARP, ROTOW, or EVIDENCE VEHICLE programs, those decals will be sent to the licensee only after this Department has conducted an inspection of his/her premises and the licensee has passed said inspection. [The Department will affix the SARD decal if the licensee has been approved to participate in the SARD program, and the licensee has passed an inspection conducted by the Department.]Failure to meet the application requirements for DARP, ROTOW or EVIDENCE VEHICLE programs will subject the applicant to immediate removal from such programs.

§ 2. Subdivision (j) of section 2-363 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(j) (1) Each licensee must notify the Department of any conviction for a crime [of which it has actual notice of]or the entry of a guilty or nolo contendere plea by:
([1]i) any licensed tow truck operator employed by the licensee or
([2]ii) any person required to be fingerprinted under this subchapter in connection with the licensee's application for a license or renewal thereof.
(2) There shall be a rebuttable presumption that a licensee had notice of such conviction for a crime or entry of a guilty or nolo contendere plea by any licensed tow operator in its employ or by any person required to be fingerprinted under this subchapter in connection with the licensee's application for a license or renewal thereof.

§ 3. Subdivision (b) of section 2-364 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

(b) Every such applicant must possess a valid New York State class A, B, CDL C [, D or E] or non-CDL C license, all of which shall also have an endorsement required by law for operating a tow truck, or an equivalent [out-of-state] license from another state of which he or she is a resident, provided, however that such person provides the Commissioner with an abstract of his or her driving record from such state. Applicants with out-of-state driver's licenses must present proof satisfactory to the Commissioner that such licenses are current and valid at the time of the filing of the application.

§ 4. Subdivision (e) of section 20-365 of subchapter EE of chapter 2 of Title 6 of the Rules of the City of New York is amended to read as follows:

(e) Every operator must promptly and in no event later than 5 days, notify the Department if he or she is convicted of a crime or [pleads guilty to a crime]enters a guilty or nolo contendere plea in any jurisdiction.

§ 5. Section 20-365 of subchapter EE of chapter 2 of Title 6 of the Rules of the City of New York is amended by adding a new subdivision (i) to read as follows:

(i) Operators shall continuously maintain a valid New York State class A, B, CDL C or non-CDL C license with the endorsement required by law for operating a tow truck, or a current and valid equivalent license from another state of which he or she is a resident.

§ 6. Section 2-367 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby amended to read as follows:

§2-367 Authorization to Tow.
(a) No tow truck operator shall tow a vehicle for which towing is necessary because of a vehicular accident without
(1) an authorization signed by the person in charge of the vehicle, or
(2) an authorization signed by a police officer who authorized the towing of such vehicle and where applicable, authorized the storage of such vehicle.

(c) No tow truck operator shall tow a vehicle for which towing is necessary because of a vehicular accident where the authorization of the commissioner of transportation or the police commissioner is required as provided in section 20-520 of the administrative code of the city of New York except pursuant to the authorization to tow form that tow truck operators towing such vehicles are required to use pursuant to such authorization: provided, however, that if such authorization does not require such tow truck operators to use an authorization to tow form, such operators shall use an authorization to tow form approved by the Commissioner.

§ 7. Subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby amended by adding a new section 2.367.1 to read as follows:

§2-367.1 Consumer Bill of Rights Regarding Towing of Accident Vehicles and Repair Shops.
(a) Every owner or person in charge of an accident vehicle subject to the Directed Accident Response Program shall be provided a document entitled "Consumer Bill of Rights Regarding Towing of Accident Vehicles and Repair Shops" before such person signs the authorization to tow form as provided in section 2-367 of this subchapter. If the towing of an accident vehicle is authorized by a police officer as provided in section 2-367 of this subchapter, the "Consumer Bill of Rights Regarding Towing of Accident Vehicles and Repair Shops" shall be provided to the owner or person in charge of the vehicle before such vehicle is towed from the accident scene, such as when that person discusses the disposition of the vehicle with such towing company; provided, however, that if the owner or other person in charge of such vehicle is injured and is to be removed to a hospital, such bill of rights shall be furnished by the towing company at the time such owner or other person in charge of such vehicle first appears at the premises of such towing company.
(b) The "Consumer Bill of Rights Regarding Towing of Accident Vehicles and Repair Shops" shall have printed on it at the top of the page in capital, block face letters and in 14 point bold face type the caption, CONSUMER BILL OF RIGHTS REGARDING TOWING OF ACCIDENT VEHICLES AND REPAIR SHOPS followed by statements in the sequence listed below in 10 point type in a color that sharply sets the text off from the background color of the document except that text included below in capital letters shall be in 10 point bold face type:

"NOTICE OF RIGHTS AND OPTIONS WHEN YOUR ACCIDENT VEHICLE IS TOWED."
Information about the towing of the vehicle.

"Your accident vehicle must be towed by the towing company that has been directed to do so by the Police Department."

YOU HAVE A RIGHT TO DIRECT THE TOWING COMPANY TO TOW THE VEHICLE TO ANY LOCATION WITHIN THE BOUNDARIES OF NEW YORK CITY, provided the vehicle can be legally left in the location you select. You must indicate on the tow authorization form where you want the vehicle towed. If you do not designate a location, the towing company is required to tow the vehicle to its authorized storage facility.

You or any person you select, including your insurance agent or adjuster, must be provided, at no extra charge, with reasonable access to view the accident vehicle during normal business hours at the towing company's storage facilities, but any insurance agent or insurance adjuster for a third party may have access only upon furnishing written confirmation they are representing such third party having a claim or defense arising from an accident involving such vehicle.

The Authorization to Tow form you sign ONLY AUTHORIZES the towing company to tow your vehicle and to store it at the storage facility of the towing company until you arrange to remove the vehicle. The towing company CANNOT use the towing authorization as an authorization to initiate repairs on the vehicle. UNLESS YOU HAVE SEPARATELY AUTHORIZED THE TOWING COMPANY'S REPAIR SHOP TO MAKE REPAIRS, YOU ARE NOT RESPONSIBLE FOR THE COST OF REPAIRS MADE BY SUCH REPAIR SHOP.

The rates charged for towing and storage cannot exceed those listed below for vehicles weighing 6,000 pounds or less :

Tow to towing company's storage facilities (including mileage plus storage for first calendar day).....$65.00
Tow to location other than towing company's storage facilities (excluding mileage) $65.00

*Rate does not apply to a vehicle with commercial plate and maximum gross vehicle weight of at least 6,000 pounds.

You have a right to pay towing and storage fees in cash or by at least two major credit cards identified by a decal on the tow truck, but a tow company is not obligated to take a check.

You may redeem your vehicle during a towing company's normal business hours.

Information about repair of vehicle

You are entitled to have the vehicle repaired by the repair shop of your choice. Within 30 minutes after the payment of all lawful charges (see above), the towing company must make the vehicle available to you or anyone you designate. A towing company may charge a fee of up to $25 for positioning your vehicle so it can be towed away by the tow truck of another company that is using a tow truck capable of towing three or more vehicles simultaneously.
No insurance company can require you to have the vehicle repaired by a specific repair shop.
You are entitled to request that your insurer recommend a repair shop. If you choose to have your vehicle repaired by a repair shop recommended by your insurer, your insurer becomes responsible for the adequacy of the repairs made by that repair shop.

§ 8. Subdivisions (a), (b), (c) , (d) and (f) of section 2-368 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York are hereby amended to read as follows:

(a) [The]Unless specifically provided otherwise by law or rule, the maximum rates as prescribed for towing are:
(1) $50 for the first mile or part thereof within the City of New York.
(2) $3.50 for each additional mile or part thereof within the City of New York.
(3) All tolls required to be paid while towing a vehicle.
(b) The maximum rates as prescribed for storage are $10.00 maximum for each [(24) hours or part thereof]calendar day for the first three days of storage and $15.00 for the fourth calendar day of storage and each calendar day thereafter. The calendar day the vehicle is towed shall be counted for this purpose.
(c) The rates in subdivision (a) shall not apply to:
(1) the towing of vehicles exceeding [four]six thousand [five hundred] pounds; [or]
(2) the towing of vehicles that are less than six thousands pounds that have commercial license plates and a maximum gross vehicle weight of at least six thousand pounds; or
(3) the towing of motor vehicles pursuant to a contract which was in existence prior to the need for the towing of such vehicles, provided that such motor vehicles are either owned or leased by the person who entered into such contract.
(d) The rates in subdivision (b) shall not apply to:
(1) [The]the storage of vehicles exceeding [four]six thousand [five hundred]pounds;[or]
(2) the storage of motor vehicles that are less than six thousand pounds that have commercial license plates and a maximum gross vehicle weight exceeding six thousand pounds; or
(3) [Storage]the storage of motor vehicles pursuant to a contract which was in existence prior to the need for storage of such vehicles, provided that such motor vehicles are either owned or leased by the person who entered into such contract.
(f) (1) Where unusual preparation is required before a vehicle can be towed, additional charges may be imposed not to exceed $12.00 per tow truck for each 1/4 hour or part thereof, provided, however, that no such charge may be imposed or collected if an accident vehicle is towed pursuant to the directed accident response program. Unusual preparation includes winching or righting a vehicle or any other preparation necessary to put the vehicle in a position where it can be hooked or raised to the tow truck.
(2) Notwithstanding paragraph one of this subdivision, a towing company which has towed a vehicle to its storage facilities may charge an additional amount not to exceed $25 for the positioning of such vehicle for removal from such storage facilities by the tow truck of another towing company that is capable of towing three or more vehicles simultaneously. Such other towing company must be licensed or otherwise exempt from the licensing provisions of subchapter 31 of chapter 2 of title 20 of the New York City Administrative Code, or must be based outside of New York City and thereby not be required to be licensed pursuant to such provisions of the New York City Administrative Code.

§ 9. Subdivisions (a) through the second subdivision lettered as subdivision (c) of section 2-371, of subchapter EE , chapter 2, title 6 of the Rules of the City of New York are hereby amended to read as follows:

(a) Applicants must be licensed to engage in the business of towing by the New York City Department of Consumer Affairs. Applicants who apply to be in the DARP program [on or after March 1, 1993] must be licensed to engage in the business of towing for a period of not less than one year immediately prior to the date of their application. The applicant's business premises, which include the applicant's storage facilities and auxiliary storage facilities, must be located within the geographic boundaries of New York City. In addition, all of the tow truck operators employed by the licensee must be licensed as such by the Department and comply with all applicable laws and rules.
(b) Any vehicle with a maximum gross vehicle weight of less than fifteen thousand pounds which has been involved in a vehicular accident and which cannot be safely driven under its own power must be removed from the accident scene by the authorized DARP tower to the premises address on the responding company's license or to a location designated by a person in charge of such vehicle; provided, however, that such location is within the [zone in which the vehicular accident occurred or a zone directly adjacent thereto]boundaries of the City of New York and placement of such vehicle is not in violation of any other law. [The tow truck operator shall provide a map of the zone and any adjacent zones to any person in charge of a vehicle who desires to designate such a location.] A police officer may make the determination whether the vehicle may be safely driven under its own power. No vehicle removed from the accident scene to the DARP tower's premises address shall be left by a licensee on the street in front of, or adjacent to, the licensee's business premises (which include the licensee's storage facilities and auxiliary storage facilities).
(c) Applicants who apply to be in the DARP program [on or after December 6, 1994] must make application to participate only in the zone in which their business premises is located. Such premises shall be under the exclusive control of the applicant, shall not be used by any other towing company and shall consist of a location that is open to the public, where towing company personnel are employed, calls requesting towing service are received and towers are dispatched, and where all records required by subchapter 31 of chapter 2 of title 20 of the New York City Administrative Code are maintained.
([c]d) Applications for the DARP program will be accepted by the Department on an ongoing basis. Upon approval, new participants will initially be placed at the bottom of the rotation list for the zone for which they have been accepted.

§ 10. Subdivision (g) of section 2-371 of subchapter EE, chapter 2, title 6 of the Rules of the City of New York is hereby amended to read as follows:
(g) Applicants for DARP must immediately respond to a rotation call[they accept]. To be eligible to participate in a particular zone, an applicant must be able to provide a tow truck at the disabled vehicle's location within thirty minutes after notification by the tow truck notification operator. If no DARP participant is available in the zone where the disabled vehicle is located the tow truck notification operator may call a DARP participant in a geographically adjacent zone.

§11. Subdivisions (h) through (j) and subdivision (s) of section 2-371 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York are hereby repealed.

§12. Subdivisions (k), (v), (x) and (y) of section 2-371 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York are hereby amended to read as follows:
(k) Applicants must have a minimum of two (2) tow trucks for each zone for which they apply to participate, at least one of which must be a flat-bed tow truck suitable for removing accident vehicles.
(v) Participants must be open for redemption of vehicles towed in the DARP program during the hours of 9 am to 4 pm, Monday through Friday. In addition, they must be open for redemption from 9 am to 4 pm on either Saturday or Sunday, as such participant has informed the Department in writing, provided, however, that if such participant fails to so notify the Department, the participant shall be deemed to have elected to be open for redemption from 9 am to 4 pm on both Saturday and Sunday. In all instances, participants shall make vehicles immediately available for redemption to the owner of the disabled vehicle, his or her agent, or an authorized insurance company representative. The participant may be closed for redemption on New York City public holidays.
(x) Participants shall not release vehicles towed in the DARP program unless the person redeeming the vehicle presents sufficient proof that he or she is the owner of the vehicle or is the owner's agent. Sufficient proof of ownership includes the vehicle's New York State Department of Motor Vehicles' registration receipt (or equivalent out-of-state vehicle registration) or certificate of title. If the vehicle is being redeemed by an insurance company as agent for the owner, the insurance company shall present a notarized "receipt for release form" on the insurance company's letterhead signed by a representative of the insurance company. Upon presentation of sufficient proof of ownership and payment of the authorized charges the disabled vehicle shall be immediately released. Payment of the authorized charges may be made in legal tender, by a major credit card [in accordance with generally accepted business practices]for which a decal is required to be affixed to a tow truck as provided in section 2-368.1 of this subchapter, by a first party insurance check or in any other form acceptable to the licensee. At any time when a participant is required to be open for redemption pursuant to subdivision (v) of this section, any vehicle owner [or agent] shall be permitted to inspect his or her vehicle and remove items of personal property contained therein if it can be dismantled and removed from the vehicle without the use of any tool, and any agent shall be permitted to inspect such vehicle, whether or not the payment for towing and storage has been made. No charge shall be assessed to the vehicle owner or the vehicle owner's agent for such inspection. The participant shall be given a receipt for any property removed from a vehicle while it is in the custody of the participant.
(y) After due notice and opportunity to be heard, the Commissioner may disqualify any towing company participating in the DARP program from continued participation in such program for violation of any of the provisions of §20-518 of the New York City Administrative Code or any rule promulgated thereunder or upon the occurrence of any one or more of the conditions set forth in subchapter 31 of chapter 2 of title 20 of the New York City Administrative Code which constitute grounds for suspension or revocation of any license issued under such subchapter[; provided, however, that the]. The Commissioner, for good cause, may, prior to giving notice and an opportunity to be heard, temporarily suspend a towing company from participation in the DARP program for up to ten days. Notice of such suspension shall be served on the towing company. The Commissioner shall provide the towing company with the opportunity for a hearing within ten days after the notification of suspension, after which the Commissioner shall forthwith make a determination as to whether such suspension should continue and the length of such suspension, and in addition may impose any penalty or sanction authorized by subchapter 31 of chapter 2 of title 20 of the New York City Administrative Code.

§13. Section §2-371.1 of subchapter EE of chapter 2 of title 6 of the Rules of the City of New York is hereby repealed.

Statement of Basis and Purpose: Local Law number 94 for the year 1997 amended subchapter 31 of Title 20 of the New York City Administrative Code which governs towing vehicles. The amendments made permanent the ban on consumers calling their own tower to an accident scene, terminated the Special Accident Response District pilot program that had been in operation in six police precincts as an alternative to the DARP program that remained in effect in the remaining precincts, specified additional qualifications to be satisfied by DARP participants, and strengthened program operating requirements that have to be met by DARP participants.

The proposed amendments to the towing rules would revise the current rule to implement the requirements that were enacted by Local Law number 94 for the year 1997 and make conforming amendments to incorporate requirements imposed by amendments to State law. The proposed amendments would: expand the requirement that applicants notify the Department of the conviction of a crime to include the entry of guilty and nolo contendere pleas; incorporate the requirement that tow truck drivers have the appropriate endorsement on their operator's license as required by State law; revise the content of the tow authorization form to be used; adopt the wording of the "Consumer Bill of Rights Regarding Towing of Accident Vehicles and Repair Shops" as mandated by Local Law number 94 for the year 1997; revise the fee schedule for towing and storage for DARP participants as mandated by such law and raise the weight limit that designates the vehicles to which the fees apply; implement the requirement that accident vehicles be towed to any legal location within the City limits as designated by the person in charge of the vehicle; specify that a DARP participant have at least one flat bed truck that is suitable for removing accident vehicles; and incorporate the failure to respond standard for suspending participants from the program. Finally, the proposed rule would repeal section 2-371.1 of subchapter EE, chapter 2, title 6 of the Rules of the city of New York which governed the SARD pilot project.

NOTICE OF COMPLETION AND PUBLIC HEARING ON THE DRAFT TARGETED ENVIRONMENTAL IMPACT STATEMENT FOR THE PROPOSED PARKING AT THE BROOKLYN HOSPITAL CENTER

The purpose of this Notice is to inform all concerned parties that the BSA has certified the Brooklyn Hospital Center Draft Targeted Environmental Impact Statement (DTEIS) as complete and that the BSA will hold a public hearing on September 22, 1998 at 2:00 PM, at 40 Rector Street, 6th Floor (Hearing Room 'E'). The public is invited to provide testimony and to submit comments relating to the DTEIS at this hearing. The hearing is being held pursuant to SEQRA regulations found in Article 8, 6 NYCRR, Part 617 of the State Environmental Quality Review Act and the New York City Mayoral Executive Order No. 91, as amended in 1991. Written comments will be considered by the BSA until the 10th calendar day following the close of the public hearing. All written comments and questions should be directed to John J. Strauss, Director of Environmental Review, New York City Board of Standards and Appeals, 40 Rector Street, 9th Floor, New York, NY 10006-1705, telephone number (212) 676-2818. Detailed information on this project is available at the same address.

DESCRIPTION OF THE PROPOSED PROJECT AND REQUIRED APPROVALS

The project involves an application for two BSA special permits pursuant to Z.R. §73-481 and §73-49 to allow, in an R6 zoning district, the proposed below grade construction of a three-level parking garage expansion with 212 parking spaces, which will be built below a proposed as-of-right 15-story staff housing building with 150 dwelling units. The total area of the staff housing building will be 128,192 square feet (sf). The proposal also includes the conversion of existing roof top tennis courts to a roof parking facility with 154 new parking stalls on the adjoining existing, three-story accessory parking garage. The parking garage would be increased in total floor area by 58,812 sf to 18[illegible] sf.

The project site is located at 240-260 Willoughby Street, Block 2088, Lot 30, Community District 2, Brooklyn (Kings County), New York. Note that this is a Type I action as the subject site is adjacent to the Fort Greene Historic District and historic Fort Greene Park. The build year for the proposed project is 1999.

BOARD OF STANDARDS AND APPEALS
NOTICE OF PROPOSED CONDITIONAL NEGATIVE DECLARATION

Notice is hereby given that the New York City Board of Standards and Appeals, as lead agency for the City Environmental Quality Review process pursuant to City Environmental Quality Review Lead Agency (New York City Board of Standards and Appeals) pursuant to CEQR Mayoral Executive Order No. 91 of 1977 and the CEQR Rules of Procedure adopted in 1991, and the Regulations of the State Environmental Quality Review Act (SEQRA) set forth in Article 8, Part 617 of the New York Code of Rules and Regulations (NYCRR). Executive Order No. 91, as amended, and 6 N.Y.C R.R., Part 617.6 (h) (1) (iv) and 6 N.Y.C.R.R., Part 617.2(h), has determined that the following proposal will not have significant environmental impacts provided that potential impacts are mitigated as indicated below. A 30-day public comment period commences with this notice.

Application for a BSA use variance pursuant to Z.R. § 72-21 to permit, in an R3-2 zoning district, the proposed construction of an automotive service station and an eating and drinking establishment with a drive-thru. The project site is located at 130-11 North Conduit Avenue, Block 11864, Lots 13 and 16 in the Borough of Queens

The traffic study identified a significant traffic impact at the intersection of North Conduit Avenue and 130th Street during the AM peak hour and at the intersection of Rockaway Boulevard and 130th Street during the AM and PM peak hours. The applicant shall notify the NYC DOT's Office of Project Analysis six months prior to completion and occupancy of the proposed project so that DOT can investigate the feasibility of implementing the following mitigation measures.

North Conduit Avenue and 130th Street

1. The impact at the westbound North Conduit Avenue approach during the AM peak hour can be mitigated by subtracting one second of green time from the north and south 130th Street phase and adding it to the North Conduit Avenue phase.

2. The impact at the southbound 130th Street approach during the AM peak hour can be mitigated by not permitting parking in the curb lane. Currently, there are no parking regulations signs posted at this approach, but parking was observed during surveys conducted by the applicant's environmental consultant.

3. The impact at the northbound 130th Street approach during the AM peak hour can be mitigated by changing the protected northbound left-turn phase to a leading northbound phase that would include both the northbound left-turn and through movements.

Rockaway Boulevard and 130th Street

The impact at the north (AM and PM peak hours) and south (AM peak hour) 130th Street approaches can be mitigated by subtracting one second of green time from the east and west Rockaway Boulevard phase and adding it to the 130th Street phase.

LANDMARKS PRESERVATION COMMISSION

ADVISORY REPORT

ISSUE DATE:	DOCKET #:	SRA #:
07/23/98	986127	SRA 99-0509

ADDRESS	BOROUGH:	BLOCK/LOT:
CENTRAL PARK-5AV@100 CENTRAL PARK SCENIC LANDMARK	MANHATTAN	1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

At the public hearing and public meeting of June 30, 1998, the Landmarks Preservation Commission reviewed a proposal to build an accessible comfort station, storage room, and wood pergola at the entrance to a perimeter playground near Fifth Avenue and East 100th Street in the Central Park Scenic Landmark. The proposed work was described on existing and proposed site plans, elevations, and photographs, all submitted as components of the application.

The Commission noted that the designation report describes Central Park as an English Romantic style public park designed by Frederick Law Olmsted and Calvert Vaux in 1856. The Commission also noted that the playground was recently reconstructed to be completely accessible to handicapped children.

With regard to this proposal, the Commission found that the new building follows the form of the playground perimeter, thereby keeping the loss of landscape to a minimum and helping the structure relate well to the playground; that the brick, limestone, and wood of the building and pergola are typical of materials used on many buildings in the park; that the articulated form and the detailing of the building, including the pitched roof, recall the similar characteristics of historic buildings within the park and help the building harmonize with the landscape, and that the wood pergola attached to the building at the playground entrance further helps subordinate the building to the playground and landscape. Based on these findings, the proposed work was found to be appropriate to the Central Park Scenic Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

ADDRESS	BOROUGH:	BLOCK/LOT:
CENTRAL PARK-BELVEDER CENTRAL PARK SCENIC LANDMARK	MANHATTAN	1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark

At the public hearing and public meeting of June 30, 1998, the Landmarks Preservation Commission reviewed a proposal to construct an accessible ramp at Belvedere Castle and to install a handrail at a walk leading to the castle The proposal was described on existing and proposed site plans, elevations, and in photographs, all submitted as components of the application

The Commission notes that the designation report describes Central Park as an English Romantic style public park designed in 1856 by Olmsted and Vaux.

With regard to this proposal, the Commission found that the ramp has been carefully located to have a minimal effect on the asymmetric composition of landscape, terrace, and Castle; that the asphalt pavement of the ramp will match that of adjacent paths, helping the ramp to harmonize with the landscape; that the railings on the ramp and on the nearby sidewalk use the park's traditional pipe rail form and details, thereby harmonizing with the landscape; and that the new opening in the terrace wall affects only undecorated stone is detailed to match other openings, and will not compromise the integrity of the terrace's design. Based on these findings, the proposed work is determined to be appropriate to the Central Park Scenic Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

To the Mayor, the Council, and the Commissioner, Department of Design and Construction.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for replacement of the apparatus floor, steel members, and floor drains; construction of a new sidewalk; and installation of a temporary street cage for apparatus storage during construction at the subject premises. The proposed work is described on drawings S-1 through S-8, P-1, and E-1, all dated 10/97, and in photographs, all submitted as components of the application.

The Commission finds that the interior alterations, sidewalk replacement off of the landmark site, and temporary street cage will have no effect on protected architectural features. The work is therefore found appropriate to the individual landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

HAMILTON TERRACE-LMPOSTS HISTORIC DISTRICT HAMILTON HEIGHTS	MANHATTAN	777 / 77

To the Mayor, the Council, and the Commissioner, Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace standard street lampposts with Type M decorative cast-iron lampposts replicating the historic Type 24-M lamppost. The proposed work would occur on Hamilton Terrace between West 141st and West 144th Streets, within the Hamilton Heights Historic District.

The Commission notes that the Hamilton Heights Historic District was developed in the late 19th and early 20th centuries, when electric street lighting was replacing gas lighting, and that the original electric street lampposts on this portion of Hamilton Terrace were Type F posts.

The Commission finds that the existing standard lampposts to be removed are not harmonious with the historic and architectural character of the historic district; that the scale, details, material, and color of the proposed Type M lampposts are harmonious with the architectural and historic character of the district and its buildings; that while the proposed lampposts are of a different style from the Type F posts historically found on this street, the two post types are contemporary with each other, share similar decorative features, and were both used on residential streets throughout the city; and that the proposed work will strengthen the historic and architectural character of the buildings and district. Based on these findings, the proposed work

■ NOTICE

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.
The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, September 2, 1998, commencing at 10:00 a.m.

BOROUGH OF THE BRONX
CD 4 C 980605 PCX

IN THE MATTER OF an application submitted by the Fire Department and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for site selection and acquisition of property located at 1061 Odgen Avenue** (Block 2526, Lot 32), **for use as a parking lot.**

BOROUGH OF BROOKLYN
CD 13 C 980494 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for acquisition of property located at 2012 Neptune Avenue, (Block 7018, Lot 1), for continued use as a garage.

BOROUGH OF MANHATTAN
CD 5 C 980571 ZMM

IN THE MATTER OF an application submitted by 1460 Fee TrizecHahn-Swig, L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 8d,** changing from a C5-3 District to a C6-7 District property bounded by West 41st Street, Seventh Avenue, a line midway between West 41st Street and West 42nd Street, and a line 200 feet easterly of Broadway, within the Special Midtown District, as shown on a diagram (for illustrative purposes only) dated May 18, 1998.

BOROUGH OF MANHATTAN
CD 4 C 980427 ZSM

IN THE MATTER OF an application submitted by 252 Seventh L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Sections 13-562 and 74-52 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 210 spaces** in portions of the main cellar, intermediate cellar and sub-cellar of an existing 16-story building located at 252 Seventh Avenue (Block 744, Lot 35), in C6-3X and C6-2 Districts.

The plan for the proposed public parking garage is on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

BOROUGH OF MANHATTAN
CD 2 C 980425 ZSM

IN THE MATTER OF an application submitted by DL Mercer Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-14D(2)(b) to allow a theater (Use Group 8A) with a maximum capacity of 99 seats in a portion of the cellar of an existing building located at 47-49 Mercer Street** (Block 474, Lot 16), in an M1-5B District, within the SoHo-Cast Iron Historic District.

Note: This special permit would modify a special permit (C 960136 ZSM) pursuant to Section 74-711 of the Zoning Resolution to modify the requirements of Section 42-14D(2)(b) to allow Use Group 6 (Retail) uses on the first floor and in the cellar, and which was approved by the City Planning Commission on May 8, 1996 (Cal. No. 34).

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFEI - GOVERNOR'S ISLAND – CP/2 – DUE 9-11-98 AT 3 PM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Expressions of Interest (RFEI) for the redevelopment of Governor's Island, which is located off the southern tip of Manhattan in New York's Upper Bay. EDC is preparing a comprehensive redevelopment plan and is inviting expressions of interest regarding all areas of the Island; acceptable uses include: residential, commercial, educational, recreational and entertainment. The Island is 172 acres. The northern half consists of 102 buildings on 90 acres and is designated as an Historic District. The southern 82 acres were built on landfill and offer the greatest potential for supporting new construction. Most recently, the island was occupied by the U.S. Coast Guard and housed a community of 4,000 military personnel and family members. Submission guidelines and requirements are outlined within the RFEI, which is available from EDC. All requests should be directed to Cheryl Elmore at 212-312-3969. If contacting her by e-mail at info@newyorkbiz.com. please use code 005-GI in the subject line. DATE OF NOTICE: August 26, 1998

PREMISES: 441-443 West 50 Street, Manhattan
RESPONSE REQUIRED BY: September 26, 1998

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential building in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify (1) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and (2) that the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.
The owner of the building located at the above-referenced address seeks the issuance of an HPD certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information, HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, hot water, gas or electricity, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above-referenced premises, please notify the Housing Litigation Bureau, SRO Unit, 100 Gold Street, 3rd floor, New York, NY 10038 Attention: Flora Simmons in writing within 30 days. If you wish to make an in-person statement, please call (212) 863-8266 within the same time period to schedule an appointment to do so .

■ NOTICE

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.
The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

TAXI AND LIMOUSINE COMMISSION

■ HEARINGS

The New York City Taxi and Limousine Commission will hold a public hearing on: Tuesday, September 1, 1998, 10:00 a.m., at 40 Rector Street, 5th Floor, New York, N.Y.

The purpose of the public hearing is to solicit public comment on the effect and the equity of the leasing system. In addition, the Commission welcomes public comment on the effect of Section 1-78 of the Taxicab Owners Rules on the taxicab industry. Section 1-78 is titled "Limitations of Lease Rates Charged to Drivers."

In particular, the Commission requests comments and testimony as to operating expenses, driver earnings and the retention of experienced drivers in the taxi industry in relation to the lease cap provisions. Any statistical date, studies and/or surveys would be of specific interest to the Commission.

Those persons who wish to testify at the hearing may reserve time to speak by calling the Legal Department at (212) 676-1117. Members of the public may also sign up to testify on the day of the public hearing. Speakers are requested to limit the presentation of testimony to three (3) minutes. Testimony may also be submitted in writing on or before September 1, 1998 to:

Matthew Daus, Deputy Commissioner for Legal Affairs, New York City Taxi and Limousine Commission, 40 Rector Street, 5th Floor, New York, NY 10006.

■ HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, September 2, 1998, commencing at 10:00 a.m.

BOROUGH OF THE BRONX
CD 4 C 980605 PCX

IN THE MATTER OF an application submitted by the Fire Department and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for site selection and acquisition of property located at 1061 Odgen Avenue** (Block 2526, Lot 32), **for use as a parking lot.**

BOROUGH OF BROOKLYN
CD 13 C 980494 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for acquisition of property located at 2012 Neptune Avenue, (Block 7018, Lot 1), for continued use as a garage.

BOROUGH OF MANHATTAN
CD 5 C 980571 ZMM

IN THE MATTER OF an application submitted by 1460 Fee TrizecHahn-Swig, L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 8d,** changing from a C5-3 District to a C6-7 District property bounded by West 41st Street, Seventh Avenue, a line midway between West 41st Street and West 42nd Street, and a line 200 feet easterly of Broadway, within the Special Midtown District, as shown on a diagram (for illustrative purposes only) dated May 18, 1998.

BOROUGH OF MANHATTAN
CD 4 C 980427 ZSM

IN THE MATTER OF an application submitted by 252 Seventh L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Sections 13-562 and 74-52 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 210 spaces** in portions of the main cellar, intermediate cellar and sub-cellar of an existing 16-story building located at 252 Seventh Avenue (Block 744, Lot 35), in C6-3X and C6-2 Districts.

The plan for the proposed public parking garage is on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

BOROUGH OF MANHATTAN
CD 2 C 980425 ZSM

IN THE MATTER OF an application submitted by DL Mercer Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-14D(2)(b) to allow a theater (Use Group 8A) with a maximum capacity of 99 seats in a portion of the cellar of an existing building located at 47-49 Mercer Street** (Block 474, Lot 16), in an M1-5B District, within the SoHo-Cast Iron Historic District.

Note: This special permit would modify a special permit (C 960136 ZSM) pursuant to Section 74-711 of the Zoning Resolution to modify the requirements of Section 42-14D(2)(b) to allow Use Group 6 (Retail) uses on the first floor and in the cellar, and which was approved by the City Planning Commission on May 8, 1996 (Cal. No. 34).

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES
The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER
The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE
Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT
It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES
To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFEI - GOVERNOR'S ISLAND – CP/2 – DUE 9-11-98 AT 3 PM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Expressions of Interest (RFEI)

for the redevelopment of Governor's Island, which is located off the southern tip of Manhattan in New York's Upper Bay. EDC is preparing a comprehensive redevelopment plan and is inviting expressions of interest regarding all areas of the Island; acceptable uses include: residential, commercial, educational, recreational and entertainment. The Island is 172 acres. The northern half consists of 102 buildings on 90 acres and is designated as an Historic District. The southern 82 acres were built on landfill and offer the greatest potential for supporting new construction. Most recently, the island was occupied by the U.S. Coast Guard and housed a community of 4,000 military personnel and family members. Submission guidelines and requirements are outlined within the RFEI, which is available from EDC. All requests should be directed to Cheryl Elmore at 212-312-3969. If contacting her by e-mail at info@newyorkbiz.com. please use code 005-GI in the subject line. Estoppel Notice

Capital Project Directives and Bond Resolutions of The City of New York, a summary of which is published herewith, were adopted on the following dates:

CAPITAL PROJECT DIRECTIVE AND BOND RESOLUTION	DATE
9800000050	June 5, 1998
9800000051	June 12, 1998
9800000052	June 19, 1998

The validity of the obligations authorized by such Capital Project Directives and Bond Resolutions may be hereafter contested only if such obligations were authorized for an object or purpose for which the City of New York is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of this publication, or such obligations were authorized in violation of the provisions of the New York State Constitution.

Carlos Cuevas
City Clerk of
The City of New York

Date: August 5, 1998

SUMMARY OF CAPITAL PROJECT DIRECTIVES AND BOND RESOLUTIONS
9800000050, 9800000051 and 9800000052
OF THE CITY OF NEW YORK
Summary of Determinations and Certifications
of Amount of Bonds to be Issued by
The City of New York

Pursuant to the New York Local Finance Law (the "Law") and Sections 6 and 219 of the New York City Charter, the Mayor of the City of New York (the "City"), acting as the Finance Board of the City, has determined in Capital Project Directives and Bond Resolutions 9800000050, 9800000051 and 9800000052, (the "Resolutions") that obligations shall be issued to finance the specific objects or purposes identified as Subprojects in the Resolutions, to the extent and in the amounts set forth in the Resolutions for such specific objects or purposes (the "Items") as are set forth therein, and has certified by the Resolutions to the Comptroller of the City the amounts of obligations to be issued for financing the Items. Said amounts have been duly appropriated for the Items in appropriations for capital projects to which the Subprojects relate.

The Resolutions request that the Comptroller determine the nature and terms of the obligations thereby authorized and that he arrange for the issuance of such obligations.

The period of probable usefulness for each Item is set forth in the description of such Item in exhibits to the Resolutions. Each of the capital projects listed in said exhibits (the "Projects") consists of one or more Items. The estimated maximum cost of each Item is its proportionate share of the estimated maximum cost of the Project of which such Item is a part. The estimated maximum costs of each such Project and the plan for financing the total costs of all of the Items comprising each Project are contained in the most recent capital budget in which funds for such Project were appropriated. Such total costs will be financed by the issuance of obligations of the City to the extent such costs are not financed by funds from other sources as indicated in such capital budget.

The Resolutions also authorize the temporary use of certain funds of the City for the purpose or purposes for which the issuance of obligations has been authorized by the Resolutions, and provide that suitable records are to be kept of such temporary diversion of funds, and that the City obtain reimbursement of such funds from the proceeds of the bonds authorized by the Resolutions, or from the sale of bond anticipation notes issued in anticipation of the sale of such obligations.

The validity of the obligations authorized by the Resolutions may be contested only if (1) such obligations are authorized for an object or purpose for which the City is not authorized to spend money, or the provisions of law which should be complied with as of this date of publication have not been substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of this publication or (2) such obligations are authorized in violation of the provisions of the New York State Constitution.

THE FOLLOWING IS A LISTING OF THE CLASSES OF OBJECTS OR PURPOSES FOR WHICH THE OBLIGATIONS AUTHORIZED BY THE RESOLUTIONS SUMMARIZED HEREIN ARE TO BE ISSUED, TOGETHER WITH THE PERIODS OF PROBABLE USEFULNESS AND THE AMOUNTS OF OBLIGATIONS AUTHORIZED TO BE ISSUED FOR EACH SUCH CLASS OF OBJECTS OR PURPOSES. A COPY OF THE RESOLUTIONS SUMMARIZED HEREIN, WITH THE FULL TEXT AND A DESCRIPTION OF ALL SUBPROJECTS FOR WHICH OBLIGATIONS ARE BEING AUTHORIZED TO BE ISSUED BY SUCH RESOLUTIONS, WILL BE AVAILABLE FOR PUBLIC INSPECTION DURING NORMAL BUSINESS HOURS AT THE OFFICE OF THE CHIEF ACCOUNTANT, OFFICE OF THE COMPTROLLER, ROOM 800, MUNICIPAL BUILDING, 1 CENTRE STREET, NEW YORK FOR TWENTY (20) DAYS FOLLOWING THE PUBLICATION OF THIS SUMMARY.

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.

The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

TAXI AND LIMOUSINE COMMISSION

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules to restructure the Driver License Applicant Training course, replacing a series of applicant training classes with one standardized eighty (80) hour course required of all applicants.

The Taxi and Limousine Commission ("TLC") is proposing such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held on September 23, 1998, at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York County.

Written comments in connection with these proposed regulations may be submitted through September 22, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303(a) of the Charter of the City of New York, which permits TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303(b)(5) of such Charter, authorizing TLC to promulgate rules and regulations regarding the licensing of taxicab drivers; under section 2303(b)(13) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulations would replace the series of fourteen (14), forty (40) and eighty (80) hour applicant training classes presently being offered with one standardized eighty (80) hour class required of all applicants. Applicants for a taxicab driver's license are currently administered an English proficiency test by the Commission upon submission of their application. This examination is administered in two parts: (1) applicants who pass only the first component of the exam qualify for the 80 hour course; and (2) applicants who pass both the first and second portions of the exam qualify for the 40 hour course. An applicant who fails both portions of the exam does not qualify for either the 40 hour or the 80 hour course, and he or she is eligible to be re-tested after three months.

The 40-hour course emphasizes taxi related subjects, including map reading and geography. The 80-hour course includes instruction in English language skills, as well as the same taxi related subjects that are covered in the 40 hour course. In addition, applicants may also qualify for a 14-hour advanced placement course – a condensed course which emphasizes geography and TLC regulations. Very few applicants have qualified for the 14-hour advanced placement class.

This proposed rule would standardize the applicant testing process by requiring that all applicants enroll in and complete a comprehensive eighty (80) hour training class. This class will expand and intensify instruction on such topics as geography and map reading, which would assure the driver's familiarity with New York City locations. It would also include extensive instruction on route design, passenger courtesy, and familiarity with TLC rules and the consequences of violating them. Changes in the rules recently enacted by the Commission will be highlighted in this course. Instruction in these subjects is particularly important in light of the recent rule changes mandating more serious penalties, including possible suspension or revocation of licenses, for certain TLC rule violations.

The Commission would no longer provide instruction in English language skills as part of the applicant training process. This change is consistent with existing TLC rules, which make English proficiency a prerequisite for licensure.

In order to assure integrity and proper control over the issuance of licenses, the Commission will incorporate an English proficiency component into the final examination, which covers taxi-related subjects, upon the completion of the eighty (80) hour course of study.

This proposed rule would abolish both the 40 hour class and the 14 hour Advanced Placement class, replacing it with a standardized 80 hour course for all applicants. This change is necessary because the material to be taught to all applicants, including essential taxi-related skills such as map reading and geography, driver courtesy, route design, and knowledge of TLC rules and procedures, cannot be adequately covered in less than eighty (80) hours of instruction.

The rule amendment would also delete references to the fee schedule charged for the course by the TLC designated taxi schools, thereby enabling the Commission to adjust the course fee, as necessary, without a rule amendment. The deletion of the fee schedule allows the Commission to exercise agency discretion and flexibility in its dealings with the taxi schools. Instead, the proposed amendment requires authorized providers of training courses to obtain TLC approval for charges to applicants who attend such courses. This amendment will enable the TLC to administratively monitor fees charged to taxicab driver applicants, as part of its oversight and control of the quality of the education offered by the designated schools.

It is hereby proposed that Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Rule 2-03, Driver License Applicant Training, be amended to read as follows:

[ ] Brackets indicate deleted material.
Italics indicate new material.

Section 2-03 **Driver License Applicant Training.**

(a)[(1)] All applicants for a taxicab driver's license are required to attend and pass an authorized course of training in taxi-related subjects. *This course shall contain eighty (80) hours of instruction. The course shall include, but not be limited to, instruction on Commission rules and procedures, geography, map reading skills, driver/passenger relations and courtesy, as well as any other material deemed appropriate or relevant by the Commission.* An applicant must [submit a certificate that he has] successfully complete[d] such course, *and pass an examination administered by the Commission on mandatory subjects, as well as proficiency in the English language,* as a prerequisite to obtaining a taxicab driver's license.

[(2) Prior to attending an authorized course, all applicants must take a two-part examination testing their knowledge of the English language. Part one of the examination tests whether applicants have English skills sufficient to understand a 40-hour course teaching English in taxi-related matters. Part two of the examination tests whether applicants have sufficient English skills to drive a taxicab and understand a 40-hour taxicab training program. Applicants may not take the English examination more often than once every three months.

(3) Applicants who pass both parts of the English examination will be permitted to take an "Advanced Placement" examination. The Advanced Placement examination tests whether applicants already possess knowledge of certain material taught in the 40-hour taxicab training program. This knowledge includes how to use and read a map atlas and basic geography of the city. Applicants who pass the Advanced Placement examination may enroll to complete a 14-hour course in taxi driver regulations, in fulfillment of the requirements of section 2-03(a)(1).

(4) Applicants who pass both parts of the English examination, and have not passed the Advanced Placement examination, will be required to complete a 40-hour taxicab training program in geography, TLC rules, driver-passenger relations, and defensive driving.

(5) Applicants who pass part one of the English examination, and have not passed part two, will be required to complete an 80-hour program, which includes 40 hours of training in English in taxi-related matters and 40 hours of taxicab training in geography, TLC rules, driver-passenger relations and defensive driving.]

FIRE

■ SALE

THE BUREAU OF OPERATIONS, FIRE DEPARTMENT OF THE CITY OF NEW YORK, has in its possession a variety of compressed gas cylinders including propane, oxygen, acetylene, and nitrogen, obtained by lawful confiscation. The compressed gas cylinders will be available for inspection for one (1) day on September 1, 1998 during the hours of 10:00 am to 12:00 pm at the Fire Department Division of Training Cylinder Storage Shed, Randalls Island, NY. Owners and other persons lawfully entitled to possession of a contraband cylinder or device who fail to timely reclaim the cylinder shall be deemed to have abandoned any right, title or interest they may have in the cylinder, and to have no objection to the Fire Department's disposal of the cylinder in such manner as the Fire Department's deems appropriate. Owners reclaiming contraband cylinders shall retrieve such cylinders from the Cylinder Storage Shed. Contraband cylinders reclaimed by their owners shall be handled only by persons possessing the requisite certifications where such certifications are required by law or rule, and shall be transported only in vehicles that comply with federal, state, and city rules and regulations. An owner reclaiming contraband cylinders or devices shall provide a sworn affidavit stating that he or she owns or is lawfully entitled to possession of the cylinder or device and will indemnify the City of New York, its agencies, officials, employees and agents from any all claims, suits, damages, and expenses arising from claims of ownership to the reclaimed cylinder. A removal and storage fee of sixty-five dollars ($65.00) shall be paid for each cylinder or device reclaimed. After inspection, owners must appear in person at the Bureau of Fire Prevention Technology Management, 9 Metro Tech Center, Brooklyn, NY 11201 for authorization to redeem the cylinders. The owner must present proof of ownership or other entitlement to possession, documentation or permits for transportation, and the appropriate fee in either cash or money order made payable to the Fire Department of the City of New York. Fee will be collected by the Bureau of Fiscal Services. Inquiries relating to the inspection and disposition of such property should be made to the Bureau of Fiscal Services, Room 5S-11, 9 MetroTech Center, Brooklyn, NY 11201, Att: B. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services.

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFEI - GOVERNOR'S ISLAND – CP/2 – DUE 9-11-98 AT 3 PM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Expressions of Interest (RFEI) for the redevelopment of Governor's Island, which is located off the southern tip of Manhattan in New York's Upper Bay. EDC is preparing a comprehensive redevelopment plan and is inviting expressions of interest regarding all areas of the Island; acceptable uses include: residential, commercial, educational, recreational and entertainment. The Island is 172 acres. The northern half consists of 102 buildings on 90 acres and is designated as an Historic District. The southern 82 acres were built on landfill and offer the greatest potential for supporting new construction. Most recently, the island was occupied by the U.S. Coast Guard and housed a community of 4,000 military personnel and family members. Submission guidelines and requirements are outlined within the RFEI, which is available from EDC. All requests should be directed to Cheryl Elmore at 212-312-3969. If contacting her by e-mail at info@newyorkbiz.com. please use code 005-GI in the subject line. DATE OF NOTICE: August 26, 1998

PREMISES: 441-443 West 50 Street, Manhattan
RESPONSE REQUIRED BY: September 26, 1998

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential building in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify (1) that prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and (2) that the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.
The owner of the building located at the above-referenced address seeks the issuance of an HPD certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information, HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, hot water, gas or electricity, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.
HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above-referenced premises, please notify the Housing Litigation Bureau, SRO Unit, 100 Gold Street, 3rd floor, New York, NY 10038 Attention: Flora Simmons in writing within 30 days. If you wish to make an in-person statement, please call (212) 863-8266 within the same time period to schedule an appointment to do so .

NOTICE OF EXTENSION ON THE PUBLIC REVIEW AND COMMENT PERIOD FOR NYCDOT'S DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR LEAD PAINT REMOVAL OPERATIONS ON NYCDOT BRIDGES

The New York City Department of Transportation (NYCDOT) has prepared a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of abrasive blasting and alternative methods of lead paint removal on public health and the environment, and the adequacy of the proposed containment system to protect against such effects during paint removal activities on NYCDOT bridges.
In response for additional opportunities for the public to review and comment on the DEIS for Paint Removal Operations on NYCDOT Bridges, NYCDOT has extended the public review and comment period from July 30, 1998 to August 24, 1998. Written comments will be accepted by the lead agency on or before August 24, 1998 and should be sent to the Office of Project Analysis/CEQR, New York City Department of Transportation, 40 Worth Street, New York, NY 10013, ATN: Naim Rasheed, Director, Tel: (212) 676-1680, Fax: (212) 442-7912.
The full DEIS is available for public review at NYCDOT's Office of Project Analysis/CEQR and at the NYC Office of Environmental Coordination, Municipal Building, 25th Floor, New York, NY 10007.

■ HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, September 2, 1998, commencing at 10:00 a.m.

BOROUGH OF THE BRONX
CD 4 C 980605 PCX

IN THE MATTER OF an application submitted by the Fire Department and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for site selection and acquisition of property located at 1061 Odgen Avenue** (Block 2526, Lot 32), **for use as a parking lot.**

BOROUGH OF BROOKLYN
CD 13 C 980494 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for acquisition of property located at 2012 Neptune Avenue, (Block 7018, Lot 1), for continued use as a garage.

BOROUGH OF MANHATTAN
CD 5 C 980571 ZMM

IN THE MATTER OF an application submitted by 1460 Fee TrizecHahn-Swig, L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 8d,** changing from a C5-3 District to a C6-7 District property bounded by West 41st Street, Seventh Avenue, a line midway between West 41st Street and West 42nd Street, and a line 200 feet easterly of Broadway, within the Special Midtown District, as shown on a diagram (for illustrative purposes only) dated May 18, 1998.

BOROUGH OF MANHATTAN
CD 4 C 980427 ZSM

IN THE MATTER OF an application submitted by 252 Seventh L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Sections 13-562 and 74-52 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 210 spaces** in portions of the main cellar, intermediate cellar and sub-cellar of an existing 16-story building located at 252 Seventh Avenue (Block 744, Lot 35), in C6-3X and C6-2 Districts.

The plan for the proposed public parking garage is on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

BOROUGH OF MANHATTAN
CD 2 C 980425 ZSM

IN THE MATTER OF an application submitted by DL Mercer Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-14D(2)(b) to allow a theater (Use Group 8A) with a maximum capacity of 99 seats in a portion of the cellar of an existing building located at 47-49 Mercer Street** (Block 474, Lot 16), in an M1-5B District, within the SoHo-Cast Iron Historic District.

Note: This special permit would modify a special permit (C 960136 ZSM) pursuant to Section 74-711 of the Zoning Resolution to modify the requirements of Section 42-14D(2)(b) to allow Use Group 6 (Retail) uses on the first floor and in the cellar, and which was approved by the City Planning Commission on May 8, 1996 (Cal. No. 34).

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,*18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES
The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER
The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE
Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT
It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES
To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

NEW YORK CITY TAXI AND LIMOUSINE COMMISSION

Notice of Opportunity to Comment

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Drivers Rules to restructure the Driver License Applicant Training course, replacing a series of applicant training classes with one standardized eighty (80) hour course required of all applicants.

The Taxi and Limousine Commission ("TLC") is proposing such regulations pursuant to authority vested in the TLC under Charter sections 2303(a) and 2303(b); and under section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held on September 23, 1998, at 10 a.m. at the NYC Taxi and Limousine Commission, 40 Rector Street, Fifth Floor, New York County.

Written comments in connection with these proposed regulations may be submitted through September 22, 1998, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, Fifth Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under section 2303(a) of the Charter of the City of New York, which permits TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for hire in the city; under section 2303(b)(5) of such Charter, authorizing TLC to promulgate rules and regulations regarding the licensing of taxicab drivers; under section 2303(b)(13) of such Charter, authorizing the TLC to promulgate rules and regulations reasonably designed to carry out its purposes; and under section 19-503 of the Administrative Code of the City of New York, authorizing TLC to promulgate rules and regulations necessary to exercise the authority conferred upon it by the Charter.

The proposed regulations would replace the series of fourteen (14), forty (40) and eighty (80) hour applicant training classes presently being offered with one standardized eighty (80) hour class required of all applicants. Applicants for a taxicab driver's license are currently administered an English proficiency test by the Commission upon submission of their application. This examination is administered in two parts: (1) applicants who pass only the first component of the exam qualify for the 80 hour course; and (2) applicants who pass both the first and second portions of the exam qualify for the 40 hour course. An applicant who fails both portions of the exam does not qualify for either the 40 hour or the 80 hour course, and he or she is eligible to be re-tested after three months.

The 40-hour course emphasizes taxi related subjects, including map reading and geography. The 80-hour course includes instruction in English language skills, as well as the same taxi related subjects that are covered in the 40 hour course. In addition, applicants may also qualify for a 14-hour advanced placement course – a condensed course which emphasizes geography and TLC regulations. Very few applicants have qualified for the 14-hour advanced placement class.

This proposed rule would standardize the applicant testing process by requiring that all applicants enroll in and complete a comprehensive eighty (80) hour training class. This class will expand and intensify instruction on such topics as geography and map reading, which would assure the driver's familiarity with New York City locations. It would also include extensive instruction on route design, passenger courtesy, and familiarity with TLC rules and the consequences of violating them. Changes in the rules recently enacted by the Commission will be highlighted in this course. Instruction in these subjects is particularly important in light of the recent rule changes mandating more serious penalties, including possible suspension or revocation of licenses, for certain TLC rule violations.

The Commission would no longer provide instruction in English language skills as part of the applicant training process. This change is consistent with existing TLC rules, which make English proficiency a prerequisite for licensure.

In order to assure integrity and proper control over the issuance of licenses, the Commission will incorporate an English proficiency component into the final examination, which covers taxi-related subjects, upon the completion of the eighty (80) hour course of study.

This proposed rule would abolish both the 40 hour class and the 14 hour Advanced Placement class, replacing it with a standardized 80 hour course for all applicants. This change is necessary because the material to be taught to all applicants, including essential taxi-related skills such as map reading and geography, driver courtesy, route design, and knowledge of TLC rules and procedures, cannot be adequately covered in less than eighty (80) hours of instruction.

The rule amendment would also delete references to the fee schedule charged for the course by the TLC designated taxi schools, thereby enabling the Commission to adjust the course fee, as necessary, without a rule amendment. The deletion of the fee schedule allows the Commission to exercise agency discretion and flexibility in its dealings with the taxi schools. Instead, the proposed amendment requires authorized providers of training courses to obtain TLC approval for charges to applicants who attend such courses. This amendment will enable the TLC to administratively monitor fees charged to taxicab driver applicants, as part of its oversight and control of the quality of the education offered by the designated schools.

It is hereby proposed that Title 35 of the Rules of the City of New York, Chapter 2, Taxicab Drivers Rules, Rule 2-03, Driver License Applicant Training, be amended to read as follows:

[ ] Brackets indicate deleted material.
Italics indicate new material.

Section 2-03 **Driver License Applicant Training.**

(a)[(1)] All applicants for a taxicab driver's license are required to attend and pass an authorized course of training in taxi-related subjects. *This course shall contain eighty (80) hours of instruction.*

The course shall include, but not be limited to, instruction on Commission rules and procedures, geography, map reading skills, driver/passenger relations and courtesy, as well as any other material deemed appropriate or relevant by the Commission. An applicant must [submit a certificate that he has] successfully complete[d] such course, *and pass an examination administered by the Commission on mandatory subjects, as well as proficiency in the English language,* as a prerequisite to obtaining a taxicab driver's license.

[(2) Prior to attending an authorized course, all applicants must take a two-part examination testing their knowledge of the English language. Part one of the examination tests whether applicants have English skills sufficient to understand a 40-hour course teaching English in taxi-related matters. Part two of the examination tests whether applicants have sufficient English skills to drive a taxicab and understand a 40-hour taxicab training program. Applicants may not take the English examination more often than once every three months.

(3) Applicants who pass both parts of the English examination will be permitted to take an "Advanced Placement" examination. The Advanced Placement examination tests whether applicants already possess knowledge of certain material taught in the 40-hour taxicab training program. This knowledge includes how to use and read a map atlas and basic geography of the city. Applicants who pass the Advanced Placement examination may enroll to complete a 14-hour course in taxi driver regulations, in fulfillment of the requirements of section 2-03(a)(1).

(4) Applicants who pass both parts of the English examination, and have not passed the Advanced Placement examination, will be required to complete a 40-hour taxicab training program in geography, TLC rules, driver-passenger relations, and defensive driving.

(5) Applicants who pass part one of the English examination, and have not passed part two, will be required to complete an 80-hour program, which includes 40 hours of training in English in taxi-related matters and 40 hours of taxicab training in geography, TLC rules, driver-passenger relations and defensive driving.]

(b) [The authorized providers of a course of training may charge each applicant enrolled in such course a fee as follows:

(1) for the Advanced Placement course described in section 2-03(a)(3), a fee not to exceed forty-five dollars, ($45).

(2) for the 40-hour taxicab training course described in section 2-03(a)(4), a fee not to exceed One Hundred Twenty-five Dollars ($125).

(3) for the 80-hour course described in section 2-03(a)(5), a fee not to exceed Two Hundred Fifty Dollars ($250).] *Providers of authorized training services must be approved by the Commission and must administer the curriculum required by the Commission as set forth in subdivision (a). The Commission must also approve any and all charges to applicants by authorized providers of training services.*

including all or part of the beds of the following mapped streets: Winans Street, east of Weiner Street; and Weir Street, west of Amboy Road; within the area generally bounded by the West Shore Expressway/Richmond Parkway Interchange, Amboy Road, the Staten Island Rapid Transit Right-of-Way, Richmond Valley Road and The Arthur Kill.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named proceeding and having any claim or demand on account thereof is hereby required, on or before January 28, 1999, to file a claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, 100 Church Street, Room 5-236A, Borough of Manhattan, City of New York.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by the condemnee or in which the condemnee claims an interest, the nature of the condemnee's interest in the property, a general statement of the nature and type of damages claimed including, if applicable, a schedule of fixture items comprising part or all of the damages claimed, and, if the condemnee is represented, the name, address and telephone number of the condemnee's attorney. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Pursuant to the Uniform Civil Rules for the Supreme Court and the County Court, §202.61 (a)(1), appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand or notice of appearance, unless the time therefor is extended by the court.

The claimant will be required to appear in person to present proof of title and to produce the deed or instrument under which he, she or it claims title, or a certified copy thereof together with copies of leases and rental agreements.

Proof of title will be received by the Corporation Counsel at his office, 100 Church Street, Room 5-236A, Borough of Manhattan, on or before January 28, 1999.

FIRE

■ SALE

THE BUREAU OF OPERATIONS, FIRE DEPARTMENT OF THE CITY OF NEW YORK, has in its possession a variety of compressed gas cylinders including propane, oxygen, acetylene, and nitrogen, obtained by lawful confiscation. The compressed gas cylinders will be available for inspection for one (1) day on September 1, 1998 during the hours of 10:00 am to 12:00 pm at the Fire Department Division of Training Cylinder Storage Shed, Randalls Island, NY. Owners and other persons lawfully entitled to possession of a contraband cylinder or device who fail to timely reclaim the cylinder shall be deemed to have abandoned any right, title or interest they may have in the cylinder, and to have no objection to the Fire Department's disposal of the cylinder in such manner as the Fire Department's deems appropriate. Owners reclaiming contraband cylinders shall retrieve such cylinders from the Cylinder Storage Shed. Contraband cylinders reclaimed by their owners shall be handled only by persons possessing the requisite certifications where such certifications are required by law or rule, and shall be transported only in vehicles that comply with federal, state, and city rules and regulations. An owner recaliming contraband cylinders or devices shall provide a sworn affidavit stating that he or she owns or is lawfully entitled to possession of the cylinder or device and will indemnify the City of New York, its agencies, officials, employees and agents from any all claims, suits, damages, and expenses arising from claims of ownership to the reclaimed cylinder. A removal and storage fee of sixty-five dollars ($65.00) shall be paid for each cylinder or device reclaimed. After inspection, owners must appear in person at the Bureau of Fire Prevention Technology Management, 9 Metro Tech Center, Brooklyn, NY 11201 for authorization to redeem the cylinders. The owner must present proof of ownership or other entitlement to possession, documentation or permits for transportation, and the appropriate fee in either cash or money order made payable to the Fire Department of the City of New York. Fee will be collected by the Bureau of Fiscal Services. Inquiries relating to the inspection and disposition of such property should be made to the Bureau of Fiscal Services, Room 5S-11, 9 MetroTech Center, Brooklyn, NY 11201, Att: B. Greenspan (718) 999-2332.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explanined in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invioce. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certin types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFEI - GOVERNOR'S ISLAND – CP/2 – DUE 9-11-98 AT 3 PM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Expressions of Interest (RFEI) for the redevelopment of Governor's Island, which is located off the southern tip of Manhattan in New York's Upper Bay. EDC is preparing a comprehensive redevelopment plan and is inviting expressions of interest regarding all areas of the Island; acceptable uses include: residential, commercial, educational, recreational and entertainment. The Island is 172 acres. The northern half consists of 102 buildings on 90 acres and is designated as an Historic District. The southern 82 acres were built on landfill and offer the greatest potential for supporting new construction. Most recently, the island was occupied by the U.S. Coast Guard and housed a community of 4,000 military personnel and family members. Submission guidelines and requirements are outlined within the RFEI, which is available from EDC. All requests should be directed to Cheryl Elmore at 212-312-3969. If contacting her by e-mail at info@newyorkbiz.com. please use code 005-GI in the subject line. PRIME SYSTEM REMEDIATION – 07199S002151 – DUE 9-9-98 AT 5 PM – The Department of Homeless Services (DHS) intends to enter into negotiations with a qualified firm or consortium to modify and convert two critical computer systems residing on the Department's Prime Computer System to achieve Year 2000 compliance. The systems, written in QUEO-IV, (a proprietary programming language) are the Homeless Emergency Referral Tracking and Billing Systems and the Shelter Care Information Management Systems. QUEO IV is not Year 2000 compliant; therefore, both systems must be upgraded and all existing codes must be converted. DHS intends to use the negotiated acquisition procurement process due to the need to quickly retain an experienced contractor who has the experience and administrative capacity of starting upon notice to proceed to ensure completion by December 31, 1998. It is estimated that this project will take approximately three (3) months. There may be an incentive payment for timely completion. Any firms or consortiums that can provide these services are invited to submit an application detailing its experience, administrative capacity, staffing and budget for the QUEO Software Package and Year 2000 conversion. A completed application must be received no later than Wednesday, September 9, 1998 5:00 PM at: DHS, Office of Information Technology, 161 William St., New York, NY 10038, 13 Floor, Contact: Lula Urquhart at 212-788-9525.
Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

FINANCE

THE CITY OF NEW YORK
DEPARTMENT OF FINANCE

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED AMENDMENTS TO RULES RELATING TO THE EXEMPTION FROM THE 8% ADDITIONAL PARKING TAX ON RESIDENTS OF NEW YORK COUNTY

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of Finance by sections 389(b) and 1043 of the New York City Charter and section 11-2052(b) of the Administrative Code of the City of New York, and in accordance with the requirements of section 1043 of the New York City Charter, that the New York City Department of Finance intends to adopt the following proposed Amendments to Rules Relating to the Exemption from the Additional 8% Parking Tax on Residents of New York County which are necessary to carry out the powers and duties delegated to the Commissioner of Finance by chapter 20 of title 11 of the Administrative Code of the City of New York.

Written comments regarding these proposed rules must be submitted to the office of Devora B. Cohn, Assistant Commissioner for Legal Affairs, 345 Adams Street, Brooklyn, New York, 11201 on or before September 28, 1998.

A hearing for public comment shall be held on September 28, 1998, at 345 Adams Street, 3rd Floor, Brooklyn, New York at 9:30 A.M. Persons seeking to testify are requested to notify Elmon Curtis at (718) 403-3904 at least three business days prior to the date scheduled for the hearing, although such notice is not required by law.

Written comments and an audio tape recording of oral comments received at the hearing will be available for public review within a reasonable time after receipt, by appointment between the hours of 9:00 A.M. and 5:00 P.M. on weekdays at the office of Gerald Koszer, Records Access Officer, 345 Adams Street, Brooklyn, New York.

Note: New matter underscored; old matter in brackets [] to be deleted.

Section 1. The definition of "motor vehicle" contained in section 19-01 of the Rules of the City of New York promulgated August 26, 1985 and last amended June 10, 1991 is hereby amended to read as follows:

Motor vehicle. "Motor vehicle" means a motor vehicle registered by an individual resident pursuant to the vehicle and traffic law at the address of his or her primary residence in New York County or, in the case of a leased vehicle, registered pursuant to the vehicle and traffic law and leased to an individual resident at the address of his or her primary residence in New York County, and, in either case, which is not used in carrying on any trade, business or commercial activity. The term includes passenger and suburban vehicles, trucks, motorcycles and recreational vehicles.

Examples:

Example 1: A passenger motor vehicle which is owned and used by an individual resident for family or personal use, and for traveling to and from his or her place of employment, but not used in carrying on a trade, business or other commercial activity, may qualify for exemption.

Example 2: A delivery van used in carrying on the individual's trade or business does not qualify for exemption.

Example 3: A passenger motor vehicle leased for three years by an individual resident from a leasing company located in Kings County and registered pursuant to the vehicle and traffic law in the name of the leasing company at the address of the leasing company in Kings County will qualify for exemption provided the lease shows the address of the individual resident's primary residence in New York County and the vehicle is not used in the individual resident's trade or business.

Example 4: A passenger motor vehicle leased for three years by an individual resident from a leasing company located in New Jersey and registered in New Jersey in the name of the leasing company does not qualify for exemption because the vehicle is not registered pursuant to the vehicle and traffic law which requires a vehicle operated in New York State by a resident to be registered in New York State.

§2. Subdivision b of section 19-02 of such rules is hereby amended to read as follows:

(b) An exemption certificate will be issued when services are rendered on a monthly or longer term basis at the principal location for the parking, garaging or storing of a motor vehicle owned by an individual resident and registered at his or her primary residence in the County of New York or leased for a term of one year or more by an individual resident and registered pursuant to the vehicle and traffic law.

BASIS AND PURPOSE OF PROPOSED AMENDMENTS

These amendments amend the Rules Relating to Exemption from the Additional 8% Parking Tax for Residents of New York County to reflect the extension of the exemption to receipts on or after December 1, 1996 for the parking of vehicles leased under long-term leases by Local Law 74 of 1996.

Alfred C. Cerullo, III
Commissioner of Finance

■ NOTICE

DETERMINATION AND FINDINGS OF THE DEPARTMENT OF DESIGN AND CONSTRUCTION PURSUANT TO SECTIONS 201-204 (INCLUSIVE) OF THE EMINENT DOMAIN PROCEDURE LAW

WHEREAS, the acquisition of the portion of Block No. 4012, Lot No. 1, and portion of Block No. 4011, Lot No. 1, alongside 14th Avenue near its intersection with 132nd Street, in the Borough of Queens, City of New York has been proposed by the Department of Design and Construction; and,

WHEREAS, effective July 1, 1978, the State Legislature enacted the Eminent Domain Procedure Law ("EDPL") which law provides for a uniform procedure for condemnation by municipalities and others throughout the State: and,

WHEREAS, the Department of Design and Construction is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above mentioned property and the impact of such acquisition on the locality where the project is to be conducted; and,

WHEREAS, the Department of Design and Construction held such hearing on July 28, 1998;

NOW THEREFORE, be it known that the Department of Design and Construction, pursuant to the EDPL hereby determines and finds:

1. The public use, purpose and benefit of this project is to improve the traffic flow conditions along 14th Avenue and in the adjacent busy commercial area, by modifying existing curb alignment to accommodate a dedicated left turn lane in 14th Avenue near its intersection with 132nd Street, and,

2. The location of the proposed acquisition is: portion of Block No. 4012, Lot No. 1 and portion of Block NO. 4011, Lot NO. 1, alongside 14th Avenue near its intersection with 132nd Street in the Borough of Queens, City of New York, and;

3. No concerns were raised at the July 28, 1998 public hearing regarding the proposed project.

Copies of the Determination and Findings of Design and Construction will be forwarded upon written request without cost by writing to:

Jacek Piskozub, P.E., Project Manager - Infrastructure, Department of Design and Construction, 30-30 Thompson Avenue - 3rd Floor, Long Island City, New York 11101

■ HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held in City Hall, New York, New York 10007, on Wednesday, September 2, 1998, commencing at 10:00 a.m.

BOROUGH OF THE BRONX
CD 4 C 980605 PCX

IN THE MATTER OF an application submitted by the Fire Department and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for site selection and acquisition of property located at 1061 Odgen Avenue** (Block 2526, Lot 32), **for use as a parking lot.**

BOROUGH OF BROOKLYN
CD 13 C 980494 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for acquisition of property located at 2012 Neptune Avenue, (Block 7018, Lot 1), for continued use as a garage.

BOROUGH OF MANHATTAN
CD 5 C 980571 ZMM

IN THE MATTER OF an application submitted by 1460 Fee TrizecHahn-Swig, L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 8d,** changing from a C5-3 District to a C6-7 District property bounded by West 41st Street, Seventh Avenue, a line midway between West 41st Street and West 42nd Street, and a line 200 feet easterly of Broadway, within the Special Midtown District, as shown on a diagram (for illustrative purposes only) dated May 18, 1998.

BOROUGH OF MANHATTAN
CD 4 C 980427 ZSM

IN THE MATTER OF an application submitted by 252 Seventh L.L.C. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Sections 13-562 and 74-52 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 210 spaces** in portions of the main cellar, intermediate cellar and sub-cellar of an existing 16-story building located at 252 Seventh Avenue (Block 744, Lot 35), in C6-3X and C6-2 Districts.

The plan for the proposed public parking garage is on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

BOROUGH OF MANHATTAN CD 2 C 980425 ZSM

WATER BOARD

■ HEARINGS

The City of New York, The New York City Water Board and The New York City Municipal Water Finance Authority

Pursuant to section 1045-i(4) and (6) of the Public Authorities Law, The City of New York, the New York City Water Board and the New York City Municipal Water Finance Authority hereby given notice of a public hearing:

Date and Time: October 13, 1998, 10:00 a.m.
Place: The New York City Municipal Water Finance Authority, 75 Park Place, Room 6M4, New York, N.Y. 10007
Purpose: The purpose of this hearing is to receive public comment upon proposed amendments to the Financing Agreement (the "Agreement") by and among The City of New York (the "City"), the New York City Municipal Water Finance Authority (the "Authority") and the New York City Water Board (the "Board"), which would, among other things, (i) require the Board to discontinue the provision of operating and maintenance services by the City in the event of the City's failure or imminent threat of failure to provide service to users of the Water System below a certain threshhold; (ii) require the Board to discontinue billing and collection services by the City in the event of certain reductions in revenues; and (iii) establish a new Supplemental Reserve Account which could be used, among other things, to fund operating and maintenance expenses in the event of the discontinuance of operating and maintenance services by the City.
Members of the public who wish to testify at the public hearing or who would like more information should contact Mr. Patrick McCoy, Investor Relations Manager of the Authority, at 75 Park Place, New York, New York 10007, 6th Fl. (Tel. (212) 788-9170), no later than October 5, 1998.

FIRE

■ SALE

THE BUREAU OF OPERATIONS, FIRE DEPARTMENT OF THE CITY OF NEW YORK, has in its possession a variety of compressed gas cylinders including propane, oxygen, acetylene, and nitrogen, obtained by lawful confiscation. The compressed gas cylinders will be available for inspection for one (1) day on September 1, 1998 during the hours of 10:00 am to 12:00 pm at the Fire Department Division of Training Cylinder Storage Shed, Randalls Island, NY. Owners and other persons lawfully entitled to possession of a contraband cylinder or device who fail to timely reclaim the cylinder shall be deemed to have abandoned any right, title or interest they may have in the cylinder, and to have no objection to the Fire Department's disposal of the cylinder in such manner as the Fire Department's deems appropriate. Owners reclaiming contraband cylinders shall retrieve such cylinders from the Cylinder Storage Shed. Contraband cylinders reclaimed by their owners shall be handled only by persons possessing the requisite certifications where such certifications are required by law or rule, and shall be transported only in vehicles that comply with federal, state, and city rules and regulations. An owner reclaiming contraband cylinders or devices shall provide a sworn affidavit stating that he or she owns or is lawfully entitled to possession of the cylinder or device and will indemnify the City of New York, its agencies, officials, employees and agents from any all claims, suits, damages, and expenses arising from claims of ownership to the reclaimed cylinder. A removal and storage fee of sixty-five dollars ($65.00) shall be paid for each cylinder or device reclaimed. After inspection, owners must appear in person at the Bureau of Fire Prevention Technology Management, 9 Metro Tech Center, Brooklyn, NY 11201 for authorization to redeem the cylinders. The owner must present proof of ownership or other entitlement to possession, documentation or permits for transportation, and the appropriate fee in either cash or money order made payable to the Fire Department of the City of New York. Fee will be collected by the Bureau of Fiscal Services. Inquiries relating to the inspection and disposition of such property should be made to the Bureau of Fiscal Services, Room 5S-11, 9 MetroTech Center, Brooklyn, NY 11201, Att: B. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PRIME SYSTEM REMEDIATION – 07199S002151 – DUE 9-9-98 AT 5 PM – The Department of Homeless Services (DHS) intends to enter into negotiations with a qualified firm or consortium to modify and convert two critical computer systems residing on the Department's Prime Computer Systems to achieve Year 2000 compliance. The systems, written in QUEO-IV, (a proprietary programming language) are the Homeless Emergency Referral Tracking and Billing Systems and the Shelter Care Information Management Systems. QUEO IV is not Year 2000 compliant; therefore, both systems must be upgraded and all existing codes must be converted. DHS intends to use the negotiated acquisition procurement process due to the need to quickly retain an experienced contractor who has the experience and administrative capacity of starting upon notice to proceed to ensure completion by December 31, 1998. It is estimated that this project will take approximately three (3) months. There may be an incentive payment for timely completion. Any firms or consortiums that can provide these services are invited to submit an application detailing its experience, administrative capacity, staffing and budget for the QUEO Software Package and Year 2000 conversion. A completed application must be received no later than Wednesday, September 9, 1998 5:00 PM at: DHS, Office of Information Technology, 161 William St., New York, NY 10038, 13 Floor, Contact: Lula Urquhart at 212-788-9525.

CITY ALTERNATIVE FUELS PROGRAM – REQUEST FOR INFORMATION – DUE 9-30-98 – The New York City Department of Transportation is seeking to identify vendors who are capable of providing complete bus maintenance and repair service including retrofitting twelve (12) methanol buses to be capable of operating on a combination of compressed natural gas (CNG) and diesel. These buses were manufactured in 1994 by TMC and currently utilize Detroit Diesel 6V92 methanol engines. We seek information from vendors who provide turnkey service for the following:

- Retrofit the 6V92 engines so that they are capable of operating on CNG. Use of diesel fuel for pilot ignition is acceptable. The technology of interest would utilize a high pressure direct inject system for natural gas.

- The engine should be certified by USEPA as part of the urban retrofit program or under certification review

- Provide roof-top natural gas fueling that, combined with any diesel operations, assures a 300 mile range.

- Provide all appropriate piping and regulaors.

- Be familiar with Federal and State DOT requirements as they relate to CNG buses.

- Be able to provide a complete warranty for all equipment installed and work performed. Extended warranties are preferable.

Any firm that believes it can provide the services listed above is Invited to so indicate by letter, which must be received no later than September 30, 1998, 5 pm, at Department of Transportation, 40 Worth Street, Room 1002, New York, NY 10013 Attn: Susan McSherry. AGENCY RULES

ENVIRONMENTAL PROTECTION

STATEMENT OF BASIS AND PURPOSE

Over 90% percent of the dry cleaning industry uses the cleaning solvent tetrachloroethylene which is also known as perchloroethylene or "PERC." PERC is classified as a hazardous air pollutant by the federal Clean Air Act and is an "A3" animal carcinogen according to the American Conference of Governmental Industrial Hygienists. PERC has also been associated with damage to the central nervous system, liver, and kidneys. The health risks associated with involuntary, non-occupational exposure to PERC are most acute in New York City because of the high concentration of drycleaners that are co-located in residential buildings. There are approximately 1,500 drycleaners in New York City of which as many as 900 are co-located in residential buildings.

The United States Environmental Protection Agency promulgated a rule to control the PERC emissions from drycleaners. New York State promulgated a more stringent rule to control PERC emissions in May, 1997. The impetus for the state rule was based in part on findings by the New York State Department of Health that the ambient air near drycleaners and the indoor air in residences co-located in the same building as a drycleaner contained elevated PERC concentrations. The New York City Department of Environmental Protection ("DEP"), which already regulates dry cleaning machines, now promulgates a rule virtually identical to the State rule so that DEP will have the authority to take enforcement actions and write permit terms and conditions consistent with the State standards.

The requirements of the proposed DEP rule include the use of vapor barriers, room enclosures and general exhaust ventilation systems in mixed-use residential buildings; the phase out of old first and second generation machines; control equipment requirements for new installations; leak inspection and self-monitoring, operation and maintenance requirements, and a regular program of compliance inspections. The DEP rule, as well as a companion sewer use rule, also limits the concentration of PERC that a drycleaner may discharge into the public sewer system.

Department of Environmental Protection
Notice of Promulgation of Amendments and Addition to Chapter 19 of Title 15 of the Rules of the City of New York Relating to the Control of Perchloroethylene Discharges into the Public Sewer System from Dry Cleaning Facilities

NOTICE OF PROMULGATION OF AMENDMENTS AND ADDITION TO THE NEW YORK CITY DEPARTMENT OF ENVIRONMENTAL PROTECTION'S RULES.

PLEASE TAKE NOTICE that pursuant to the authority invested in the Commissioner of the Department of Environmental Protection by section 1043 of the New York City Charter and section 24-523(e) of the Administrative Code of the City of New York that the Department of Environmental Protection hereby promulgates amendments and an addition to Chapter 19 of Title 15 of the Rules of the City of New York relating to the control of perchloroethylene discharges into the public sewer system from dry cleaning facilities.

PLEASE BE ADVISED that the amendments and addition were previously noticed in the April 30th, 1998 City Record and a public hearing was held on June 15, 1998.

PLEASE BE FURTHER ADVISED that the proposed amendments and addition were listed in the Department's FY 98 Regulatory Agenda.

New material is underscored; deleted material is in [brackets].

Chapter 19 of Title 15 of the Rules of the City of New York is amended by adding thereto new definitions to read as follows:

19-01 Definitions. For the purpose of this chapter, the meaning of terms shall be as follows (unless the context specifically indicates otherwise):

Articles. "Articles" shall mean clothing, garments, textiles, fabrics, leather goods, and the like, that are dry cleaned.

Dip tank. " Dip tank" shall mean a separate tank that contains perchloroethylene and is used for purposes other than dry cleaning.

Dry cleaning. " Dry cleaning" shall mean the process used to remove soil, greases, paints and other unwanted substances from articles with the use of perchloroethylene.

Dry cleaning facility. "Dry cleaning facility" shall mean an establishment with one or more dry cleaning systems.

Dry cleaning equipment. "Dry cleaning equipment" shall mean any machine, device, or apparatus used to dry clean articles.

Dry cleaning system. "Dry cleaning system" shall mean all of the following equipment, devices, or apparatus associated with the perchloroethylene dry cleaning operations, including, but not limited to: dry cleaning equipment; filter or purification systems; waste holding; treatment or disposal systems; water separators; perchloroethylene supply systems; dip tanks; pumps; gaskets; piping, ducting, fittings, valves, or flanges that convey perchloroethylene-contaminated air; and dry cleaning control systems.

Perchloroethylene (perc). " Perchloroethylene" shall mean a colorless volatile chlorinated hydrocarbon. Perc is also known as tetrachloroethylene and PCE. The chemical formula for perc is Cl2C:CCl2. The CAS (chemical abstract service) registry number for perc is 00127-18-4.

ppb. "ppb" shall mean parts per billion by volume in air or by weight in water.

Water separator. "Water separator" shall mean a vessel that uses gravity to physically separate liquid perc from liquid water.

Section 19-03(a)(15) of Title 15 RCNY is amended to read as follows:

(15) Any still bottom or sludge residues resulting from dry cleaning processes including, but not limited to, dirt, lint, soils, [perchloroethylene tetrachloroethylene, solvents,] and any other deposits or residues extracted as a result of any dry cleaning processes. The discharge of filters or filter media used in dry cleaning processes is also prohibited.

Chapter 19 of Title 15 RCNY is amended by adding thereto a new section 19-12 to read as follows:

19-12 Best Management Practices for Perchloroethylene Discharges to the Public Sewer System from Dry Cleaning Facilities

(a) Perc-contaminated wastewater management. Perc-contaminated wastewater generated by all new and existing perc dry cleaning facilities shall be managed as follows:

(1) Perc-contaminated wastewater discharges- Perc- contaminated wastewater that is discharged to the public sewer shall be treated by physical separation (water separator) and double carbon filtration, or an equivalent control which has been approved by the New York State Department of Environmental Conservation, which has been properly designed to assure an effluent quality that is less than or equal to 20ppb perc without evaporation; and
(2) Evaporation of perc-contaminated wastewater- Perc-contaminated wastewater that is evaporated must be treated by physical separation (water separator) and double carbon filtration prior to evaporation.

(b) Perc-contaminated wastes. Except as provided for by paragraph (a)(1) of this section, no person may discharge into the public sewer system any perc-contaminated wastewater or wastes resulting from dry cleaning processes including, but not limited to, still bottom or sludge residues, dirt, lint, soils, or any other deposits or residues extracted as a result of dry cleaning processes. The discharge into the public sewer system of filters or other filter media used in dry cleaning processes is prohibited.

(c) Operation and maintenance.
(1) Dry cleaning facilities must be maintained and operated to minimize the release of perc to the environment. All components of the dry cleaning system shall be properly operated and maintained in accordance with the provisions of these, as well as applicable Federal, State and other local, regulations.

(2) Perc-contaminated wastewater treatment units. (i) Carbon filtration units- Carbon cartridges shall be replaced according to a schedule as specified by the manufacturer to assure an effluent quality that does not exceed 20ppb perc.
(ii) Evaporators- Perc-contaminated wastewater evaporators shall be operated to ensure that no liquid perc or visible emulsion is allowed to vaporize.
(iii) Water Separators- Water separators shall be maintained as recommended by manufacturer specifications.

(d) Preparedness and prevention. All dry cleaning operations must be equipped with the following:
(1) adequate spill control equipment including sorbent materials, or alternative methods for absorbing spills;
(2) vapor-proof containers for storing spill-contaminated material; and
(3) fire control equipment.

(e) Reporting and record keeping. (1)Each owner or operator of a dry cleaning facility or their designees shall record the following:
(i) The date, duration and nature of any malfunction, spill, incident, or emergency response at the facility, the notification procedures and the corrective action taken;
(ii) The dates of perc-contaminated wastewater treatment unit carbon cartridge replacement;
(iii) The date and volume of any perc-contaminated hazardous waste shipments;
(iv) The dates when the dry cleaning system components are inspected for perceptible leaks , and the name or location of dry cleaning system components where perceptible leaks are detected;
(v) The dates of repair and records of written or verbal orders for repair parts for the dry cleaning system; and
(vi) The dates of maintenance of water separators.
(2) Each owner or operator of a dry cleaning facility shall keep receipts of perc purchases, and a log of the volume of perc purchased each month by the dry cleaning facility as recorded from perc purchases.
(3) Each owner or operator of a dry cleaning facility shall retain on site a copy of the design specifications and the operating manuals for each dry cleaning system and each emission control device located at the dry cleaning facility.
(4) All records must be maintained on site for at least five years and must be made available to the Department upon written or verbal request.

Section 12-01 Applicability. This Rule applies to all new and existing perchloroethylene (perc) dry cleaning facilities in the City of New York.

Section 12-02 Definitions. (a) For the purpose of this Rule, the definitions of the New York City Air Pollution Control Code apply.

(b) For the purpose of this Rule, the following definitions also apply:

(1) Adsorptive cartridge filter. A replaceable cartridge filter that contains diatomaceous earth or activated clay as the filter medium.

(2) Ancillary equipment. The equipment used with a dry cleaning machine in a dry cleaning system including, but not limited to, emission control devices, pumps, filters, muck cookers, stills, solvent tanks, solvent containers, water separators, exhaust dampers, diverter valves, interconnecting piping, hoses and ducts.

(3) Articles. Clothing, garments, textiles, fabrics, leather goods, and the like, that are dry cleaned.

(4) Azeotropic control device. A dry cleaning control system where the vapor stream from the dry cleaning machine drum is first cooled and condensed to reduce the concentration of perc in the vapor stream, and is then treated with water to further enhance the displacement of perc from the articles when the vapor stream is returned to the machine drum. There is no exhaust to the atmosphere during the drying cycle.

(5) Carbon adsorber. An air cleaning device that consists of an inlet for exhaust gases from a dry cleaning machine; activated carbon in the form of a fixed bed, cartridge, or canister, as an adsorbent; an outlet for exhaust gases; and a system to regenerate, or reclaim saturated adsorbent.

(6) Cartridge filter. A replaceable cartridge filter that contains one of the following as the filter medium: paper, activated carbon, or paper and activated carbon. A cartridge filter contains no diatomaceous earth or activated clay. Cartridge filters include, but are not limited to: standard filters, split filters, "jumbo" filters, and all carbon polishing filters.

(7) Closed-loop machine. Dry cleaning equipment in which washing, extraction, and drying are all performed in the same single unit (also known as a dry-to-dry unit) and which recirculates perc-laden vapor through a primary control system (e.g. refrigerated condenser) with no exhaust to the atmosphere during the drying cycle. A closed-loop machine may allow for venting to the ambient air through a local exhaust ventilation system, such as a door fan, after the drying cycle is complete and only while the machine door is open.

(8) Co-located. Sharing a common wall, floor, or ceiling with a residence or business.

(9) Colorimetric detector tube. A glass tube (sealed prior to use), containing material impregnated with a chemical that is sensitive to perc and is designed to measure the concentration of perc in air.

(10) Commercial building. Any building where only commercial business is conducted, such as an office building or strip mall.

(11) Condenser. An air cleaning device that removes condensable vapors by a reduction in the temperature of the exhaust gases or, in the case of a surface condenser, by contact of the exhaust gases with structures that are cooled by a circulating cooling fluid.

(12) Converted machine. An existing vented machine that has been modified to be a closed-loop machine by eliminating the aeration step, installing a primary control system, and providing for recirculation of the perc-laden vapor with no exhaust to the atmosphere or workroom during the drying cycle. A converted machine may allow for venting to the ambient air through a local exhaust ventilation system, such as a door fan, after the drying cycle is complete and only while the machine door is open.

(13) Cool-down. The portion of the drying cycle that begins when the heating mechanism deactivates and the refrigerated condenser continues to reduce the temperature of the air recirculating through the drum to reduce the concentration of perc in the drum.

(14) Department. The New York City Department of Environmental Protection.

(15) Desorption. Regeneration or stripping of an activated carbon bed, or any other type of vapor adsorber by removal of the adsorbed solvent using hot air, steam, or other means.

(16) Dip tank. A separate tank that contains perc and is used for purposes other than dry cleaning (e.g., waterproofing).

(17) Diverter valve. A flow control device that prevents room air from passing through a refrigerated condenser when the door of a dry cleaning machine is open.

(18) Door fan. A local exhaust ventilation system designed to provide for a minimum 100 fpm inward air velocity into the effective door open area of a dry cleaning machine whenever the door is opened, and where the perc emissions are controlled by a carbon adsorber or equivalent control prior to venting to the outer air.

(19) Drum. The rotating cylinder or wheel of the dry cleaning machine that holds the articles being cleaned.

(20) Dry cleaning. The process used to remove soil, greases, paints and other unwanted substances from articles with the use of perc.

(21) Dry cleaning control system. Equipment (e.g., carbon adsorber, refrigerated condenser, azeotropic unit, etc.) or an air cleaning device used to reduce the amount of air pollutant(s) in an air stream prior to discharge to the atmosphere.

(22) Dry cleaning equipment. Any machine, device, or apparatus used to dry clean articles.

(23) Dry cleaning facility. A facility with one or more dry cleaning systems.

(24) Dry cleaning system. All of the following equipment, devices, or apparatus associated with the perc dry cleaning operations, including, but not limited to: dry cleaning equipment; filter or purification systems; waste holding, treatment, or disposal systems; perc supply systems; dip tanks; pumps; gaskets; piping, ducting, fittings, valves, or flanges that convey perc-contaminated air; and dry cleaning control systems.

(25) Drying cabinet. A housing in which materials that have been previously dry cleaned in perc are dried instead of being dried by tumbling in a dry cleaning machine.

(26) Drying cycle. The operation used to actively remove the perc remaining in the materials after washing and extraction. For closed-loop machines, the heated portion of the cycle is followed by cool-down and may be extended beyond cool-down by the activation of a control system. The drying cycle begins when heating coils are activated and ends when the machine ceases rotation of the drum.

(27) Drying sensor. A device that senses when articles being cleaned are relatively dry and automatically controls the drying cycle. Drying sensors include but are not limited to: infrared analyzers, float switches, and resistance probes. The device detects the concentration of synthetic solvents in the drying air or that the liquid solvent recovery rate is at a minimal rate. The drying sensor extends the drying cycle for a minimum time beyond the activation point to ensure dry articles.

(28) Dry-to-dry machine. A one-machine dry cleaning operation in which drying and washing are performed in the same machine.

(29) Dry-to-dry vented machine. Dry cleaning equipment in which washing, extraction, and drying are all performed in the same single unit and in which fresh air is introduced into the drum in the last step of the drying cycle and exhausted to the outdoor atmosphere, either directly or through a control device (2nd generation equipment).

(30) Environmental training program. An initial course or a refresher course of the environmental training program, described in section 12-14 of this Rule and section 232.14 of Title 6 of the Codes, Rules, and Regulations of the State of New York for owners and operators of perc dry cleaning operations that has been authorized by the New York State Department of Environmental Conservation or the Department.

(31) Equivalent closed-loop vapor recovery system. A device or combination of devices that achieves, in practice, a perc recovery performance equal to or exceeding that of refrigerated condensers.

(32) Existing facility. Any facility at which dry cleaning equipment was installed or operated prior to May 15, 1997.

(33) Facility. All emission sources located at one or more adjacent or contiguous properties owned or operated by the same person or persons under common control.

(34) Filter muck. The residue from a filter using loose diatomaceous earth, which must be replaced periodically.

(35) First generation equipment. Transfer machines where cleaning and drying (reclaiming) take place in separate machines with the manual transfer of articles from one machine to another.

(36) Fourth generation equipment. A primary closed-loop refrigerated dry cleaning machine that has a "secondary control system" (e.g., closed-loop refrigerated condenser with a drying sensor and an integral carbon adsorber).

(37) Fugitive emissions. Emissions of air contaminants which could not reasonably pass through a stack, vent, chimney, or other functionally equivalent opening.

(38) fpm. Feet per minute.

(39) Full-size carbon unit. A carbon unit that is used to adsorb perc from a dry cleaning machine when the vapors are recirculating or venting from the drum during the drying cycle. (Normally used on first and second generation equipment).

(40) General exhaust ventilation system. A mechanical exhaust ventilation system consisting of fresh air makeup inlets and one or more exhaust fans in a dry cleaning facility. This type of system would commonly be used to exhaust a dry cleaning workroom or a room enclosure.

(41) Halogenated-hydrocarbon detector. A portable device capable of detecting vapor concentrations of perc and indicating an increasing concentration by emitting an audible signal or visual indicator that varies as the concentration changes.

(42) Liquid leak. A leak of liquid containing perc of more than one drop every three minutes.

(43) Local exhaust ventilation system. A mechanical exhaust ventilation system connected directly to a dry cleaning machine or other related dry cleaning equipment. For example, the exhaust system on a door fan for a third generation machine constitutes a local exhaust ventilation system.

(44) Major source. A dry cleaning facility that emits or has the potential to emit more than 9.1 megagrams per year (10 tons per year) of perc to the atmosphere. In lieu of measuring a facility's potential to emit perc or determining a facility's potential to emit perc, a dry cleaning facility is a major source if: (1) it includes only dry-to-dry machine(s) and has a total yearly perc consumption greater than 8,000 liters (2,100 gallons) as determined according to section 12-12, subdivision (b); or, (2) it includes only transfer machine system(s) or both dry-to-dry machine(s) and transfer machine system(s) and has a total yearly perc consumption greater than 6,800 liters (1,800 gallons) as determined according to section 12-12, subdivision (b).

(45) Mixed-use facility. A facility that is co-located.

(46) Muck cooker. A device for heating filter muck to drive off perc vapors for reclaiming.

(47) New facility. A facility that was not used for the operation of any dry cleaning equipment prior to May 15, 1997.

(48) Occupancy. Any building or part of a building, excluding the dry cleaning facility.

(49) Openings. Any window, door or air intake.

(50) Perceptible leak. Any perc vapor or liquid leaks that are obvious from the odor of perc, pools or droplets of perc or the detection of gas flow by passing a finger over the surface of the equipment, or as detected by an appropriate portable monitoring instrument.

(51) Perc. A colorless volatile chlorinated hydrocarbon. Perc is also known as perchloroethylene, tetrachloroethylene, tetrachloroethene, and PCE. The chemical formula for perc is $Cl_2C{:}CCl_2$. The CAS registry number for perc is 00127-18-4.

(52) Perc-contaminated wastewater evaporator. A device that vaporizes wastewater through physical action or the addition of thermal energy.

(53) ppb. Parts per billion by volume in air or by weight in water.

(54) ppm. Parts per million by volume in air or by weight in water.

(55) Primary control system. A refrigerated condenser or equivalent closed-loop vapor recovery system approved by the Department.

(56) Process ventilation emission. An emission from any dry cleaning machine normally vented to the outer air that occurs both during the aeration cycle and when the machine door is open, excluding any emissions from door fans on azeotropic control devices and third generation equipment.

(57) Refrigerated condenser. A closed-loop vapor recovery system into which perc vapors are condensed by cooling below the dew point of the perc using a mechanical refrigerated system.

(58) Residential building. Any dwelling or housing that is owned, rented, or occupied by the same person for a period of 180 days or more in a year, excluding short-term housing such as a motel or hotel room rented and occupied by the same person for a period of less than 180 days.

(59) Room enclosure. A room that encloses the dry cleaning machine or equipment. It is constructed of material that is impermeable to perc and designed and operated to maintain negative pressure at all times that the equipment is operating and is used with a general exhaust ventilation system.

(60) Second generation equipment. A dry-to-dry vented-dry cleaning machine which is not vented to a refrigerated condenser. Typically these machines are properly vented to a control device which may, for example, consist of a carbon adsorber or azeotropic control device plus a small carbon adsorber.

(61) Secondary control system. A device or apparatus that reduces the concentration of perc in the recirculating air at the end of the drying cycle beyond the level achievable with a refrigerated condenser alone. For example, an integral carbon adsorber used in fourth generation equipment constitutes a secondary control system.

(i) An "integral" secondary control system is designed and offered as an integral part of a production package with a single make and model of dry cleaning machine and primary control system.

(ii) An "add-on" secondary control system is designed or offered as a separate retrofit system for use on multiple machine makes and models.

(62) Self-service dry cleaning machine. A perc dry cleaning machine that is loaded, activated, or unloaded by the customer.

(63) Small carbon adsorbers. A carbon unit that is used to adsorb perc from the machine drum when the machine door is opened to remove clothes at the end of the drying cycle. For example, the adsorbers used to control emissions from supplemental door fans or azeotropic control devices would constitute small carbon adsorbers.

(64) Solvent mileage. The average weight of articles cleaned per volume of perc used.

(65) Solvent tank. Any container that is used to store perc prior to use in the dry cleaning operation and from which the perc is introduced into the drum of the machine at the start of the cleaning cycle.

(66) Stand-alone facility. A facility that is not co-located.

(67) Still. Distillation equipment used to volatilize and recover perc from contaminated solvent removed from the cleaned materials.

(68) Third generation equipment. A closed-loop dry cleaning machine equipped with a refrigerated condenser or other equivalent primary control system.

(69) Trained operator. A person who holds a certificate of completion for the initial course of an environmental training program and maintains her/his status by successfully completing refresher courses as required.

(70) Transfer machine. Perc dry cleaning equipment in which washing and extraction are performed in one unit and drying is performed in a separate unit. (First generation equipment)

(71) Vapor adsorber. A bed of activated carbon or other adsorbent into which vapors are introduced and trapped for subsequent desorption.

(72) Vapor barrier. A material surface or coating that is impermeable to perc.

(73) Vapor leak. A fugitive emission of perc vapor from unintended openings in the dry cleaning system. A vapor leak can be indicated by a rapid audible signal or visual signal from a halogenated-hydrocarbon detector or other approved instrument.

(74) Water separator. A vessel that uses gravity to physically separate liquid perc from liquid water.

Section 12-03 Variances. (a) Unless otherwise precluded by federal or state statute or regulation, or subdivision (d) of this section, the Department may, upon written application from any person who is subject to this Rule, grant a variance from one or more specific provisions of this Rule consistent with section 24-110 of the Administrative Code of the City of New York and under the conditions set forth in this subchapter.

(b) Every application for a variance must:

(1) identify the specific provisions of this Rule from which a variance is sought;

(2) demonstrate that compliance with the identified provisions would, on the basis of conditions unique to the person's particular situation in contrast to the rest of the industry or any segment thereof, impose unreasonable hardship;

(3) demonstrate that the proposed activity will have no significant adverse impact on the public health, safety, or welfare, the environment or natural resources and will be consistent with the provisions of the New York City Air Pollution Control Code and the performance expected from an activity permitted under the provisions of this Rule; and

(4) include a copy of any variance granted by the New York State Department of Environmental Conservation. If no variance has been granted by the New York State Department of Environmental Conservation then the application to the Department shall state that no variance has been granted by the New York State Department of Environmental Conservation.

(c) In granting any variance under this subchapter, the Department may impose specific conditions necessary to assure that the subject activity will have no significant adverse impact on the public health, safety, or welfare, the environment, or natural resources.

(d) Phase-out dates for dry cleaning equipment cannot be extended by a variance.

Section 12-04 Prohibitions. (a) The use of any dry-to-dry vented or non-vented equipment as a transfer machine is prohibited.

(b) The installation of any self-service dry cleaning machine(s) after May 15, 1997 is prohibited.

(c) The use or offering for use of any self-service dry cleaning machine(s) after May 15, 1997 is prohibited.

(d) The use of immersion heaters to evaporate solvent from the untreated water effluent of solvent water separators is prohibited.

(e) Except as provided in section 12-05 of this Rule, the installation, construction, alteration, modification, or operation of a perc dry cleaning facility without first obtaining an installation or alteration permit or an operating certificate issued by the Department in accordance with the requirements of section 12-15 of this Rule is prohibited.

(f) Venting of perc emissions from dry cleaning equipment or emission control devices into the workroom or facility is prohibited.

Section 12-05 Pre-permitting requirements for existing facilities.

Existing facilities with a valid operating certificate(s) issued by the Department must comply with the following requirements in accordance with the timeframes established in this section in advance of applying for and obtaining an operating certificate amendment(s) required under section 12-15. Prior approvals from the Department are not needed for construction of room enclosures, vapor barriers, general exhaust ventilation systems, or changes in vent stack locations. New facilities must comply with all the applicable requirements contained in this section at the time of installation.

(a) Room enclosures, vapor barriers, and general exhaust ventilation.

(1) Stand-alone dry cleaning facilities that are designated as major sources, pursuant to the National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities under Title 40, Part 63 of the Code of Federal Regulations, Subpart M and that have transfer type machines should have contained all such machines inside room enclosures by September 23, 1996. Each room enclosure must be:

(i) Constructed of materials impermeable to perc; and,

(ii) Designed and operated to maintain a negative pressure at each opening at all times that the machine is operating.

(2) Co-located dry cleaning facilities must be equipped with a vapor barrier or room enclosure(s) and general exhaust ventilation that meets the design and performance requirements established in section 12-06, subdivision (a), of this Rule by the following dates:

(i) transfer machines - immediately upon the effective date of this Rule.

(ii) dry-to-dry vented machines - by no later than August 15, 1998.

(iii) 3rd generation dry-to-dry machines - by no later than November 15, 1998.

(iv) 4th generation dry-to-dry machines - by no later than May 15, 1999.

(3) The facility owner shall notify the Department by mail no later than 30 days after the installation of the required vapor barrier and general exhaust ventilation system and certify that it meets all regulatory requirements. Such notification shall be sent by certified mail to the Department.

(b) Relocation of emission points. The relocation of process ventilation emission point(s) to the outdoor atmosphere must comply with the retrofitting requirements and be completed by the deadlines established under section 12-06(b)(3) and (b)(6).

(c) Public information notice. The facility owner must post a copy of the notice required under section 12-18 of this Rule immediately upon the effective date of this Rule.

(d) Leak inspection. The facility owner must initiate the leak inspection requirements established in section 12-07 of this Rule immediately upon the effective date of this Rule.

(e) Operation and maintenance. The facility owner must initiate all operation and maintenance requirements which apply to dry cleaning machines and existing emission control systems established in section 12-08 of this Rule immediately upon the effective date of this Rule. However, all requirements established under section 12-08 that are already in effect pursuant to the National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities in Title 40 Part 63 Subpart M of the Code of Federal Regulations continue to be in effect.

(f) Compliance inspections. The compliance inspection requirements under section 12-16 of this Rule are effective immediately upon the effective date of this Rule. Facility owners must initiate the first compliance inspection at their facility immediately upon the effective date of this Rule.

(g) Recordkeeping. The facility owner must initiate all applicable recordkeeping required under section 12-12 of this Rule immediately upon the effective date of this Rule. Such recordkeeping must cover all requirements established under section 12-12 for dry cleaning systems and facilities in general and must also comply with requirements for specific dry cleaning machine types and emission control systems. However, all requirements established under section 12-12 that are already in effect pursuant to the National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities in Title 40, Part 63, Subpart M of the Code of Federal Regulations, continue to be in effect.

(h) Perc-contaminated wastewater management. Facilities must comply with the perc-contaminated wastewater management requirements under section 12-09 of this Rule and under chapter 19 of Title 15 of the Rules of the City of New York governing the use of the public sewer system by no later than May 15, 1998.

(i) Hazardous waste management and emergency response. The hazardous waste management requirements under section 12-10 of this Rule and the emergency response requirements under section 12-11 of this Rule are effective immediately upon the effective date of this Rule.

Section 12-06 Equipment Standards and Specifications. (a) Specific equipment standards and emission control specifications:

(1) Vapor barriers. Vapor barriers must, at a minimum, enclose the dry cleaning equipment. Vapor barriers can be constructed of polyvinyl chloride, PVC sheet 22 mil thick (0.022 in.), sheet metal, metal foil face composite board, or other equivalent materials that are impermeable to perc vapors. Vapor barriers must be constructed so that all joints and seams are sealed except for inlet make-up air and exhaust openings and entry doors. Entry doors may only be open when a person is entering or exiting the room enclosure.

(2) General exhaust ventilation system. Dry cleaning facilities which are co-located must be equipped with a vapor barrier and with a general exhaust ventilation system that is completely separate from the ventilation system(s) serving other areas of the building. The general exhaust ventilation system must be located near the dry cleaning machinery or connected to a separate room enclosure with a vapor barrier exhausting emissions to the outer air. This dry cleaning general exhaust ventilation system must be operated at all times when the dry cleaning machine(s) is in operation, and during maintenance operations and must be capable of at least one air change per five minutes.

(3) Door fan/local exhaust ventilation systems:

(i) All first, second and third generation dry cleaning equipment must be equipped with a door

fan/local exhaust ventilation system. This system must include a mechanical exhaust fan that is activated when the loading door is open, drawing air from the machine drum causing fresh air to be drawn in through the loading door. A minimum inward air velocity of 100 fpm, must be maintained through the effective door opening area of the loading door of the machine.

(ii) Door fan/local exhaust ventilation systems must not recirculate vapors into the workroom and must be properly vented to the outer air.

(iii) Door fan/local exhaust ventilation emissions must be controlled to a design emission standard of five ppm perc with an in-use maximum compliance standard of 20 ppm.

(4) Process Ventilation Emissions- Interim Standards

(i) Process ventilation emission points on first and second generation machines that exhaust during the aeration cycle and when the machine door is open must be vented to the outer air above the roof and more than 25 feet from all openings in nearby occupancies.

(ii) Process ventilation emissions from existing first and second generation vented machines having emission controls as part of the original equipment or retrofitted to comply with the 100 ppm perc emission standard effective May 10, 1981 under the repealed version of Title 6, Part 232 of Codes, Rules, and Regulations of the State of New York must continue to meet this standard until such time as retrofitting, replacement, or shutdown is required under this section.

(iii) Process ventilation emissions from existing second generation machines that are retrofitted with control equipment to comply with interim standards established under (b)(3) or (b)(6) in this section must be designed to achieve a perc concentration of five ppm or less in the exhaust and achieve an in-use compliance standard of less than 20 ppm perc in the exhaust.

(iv) The exhaust damper of a vented first or second generation machine must be completely closed when the machine is not being vented, and must not leak vapors into the workroom or the outer air.

(5) Primary emission control systems. Refrigerated condensers or equivalent closed-loop vapor recovery systems must meet the following requirements;

(i) Refrigerated condensers must be capable of achieving an outlet vapor temperature downstream of any by-pass of the condenser less than or equal to 45° F (7.2° C) during the final cool down cycle, and achieve a concentration of 8600 ppm or less perc in the drum upon completion of the drying cycle.

(ii) Refrigerated condensers must have a graduated thermometer, thermocouple or equivalent instrument with a minimum range from 0° F (-18° C) to 150° F (66° C), that measures the temperature of the outlet vapor stream downstream of any by-pass of the condenser, and is easily visible to the operator.

(iii) New third and fourth generation equipment with refrigerated condenser control systems must be equipped with a drying sensor/controller that extends the drying time at least four minutes beyond the point that the solvent recovery rate is less than 40 ml/min or solvent vapor concentration in the drum is less than 8600 ppm perc.

(iv) The refrigerated condenser must be operated with a diverter valve.

(v) Equivalent closed-loop vapor recovery systems or other control device must use a technology that has been demonstrated, pursuant to the requirements of section 12-17 of this Rule, to achieve at least 90 percent by weight emission reduction based upon the amount of perc entering and leaving the control device.

(6) A secondary control system must:

(i) be designed to function with a primary control system complying with all requirements for third generation equipment.

(ii) be capable of reducing the perc concentration in the drum from 8600 ppm or greater to 300 ppm.

(iii) Any integral carbon adsorber used as a secondary control system must be sized correctly for the machine and be capable of reducing the perc concentration in the drum from 8,600 ppm or greater to 300 ppm or less.

(iv) The integral carbon adsorber must be designed for non-contact steam or hot air stripping operation, and must be stripped or desorbed in accordance with manufacturer's instructions or at least weekly, whichever is more stringent.

(7) Spill containment. All new third and fourth generation, or used, reinstalled dry cleaning equipment must be equipped with a spill containment system capable of containing 125 percent of the capacity of the largest dry cleaning perc tank or vessel associated with the dry cleaning machine.

(b) To determine which standards will apply to a particular dry cleaning facility, first determine whether the facility is new or existing. Then determine whether the facility is a stand-alone or is co-located. If co-located, determine whether it is in a commercial or residential building. Finally, for each piece of equipment there are two primary issues addressed by this Rule --the type of emissions control and the location of any process ventilation emission points. Process ventilation emissions apply only to transfer and dry-to-dry vented equipment, not to door fans, general or other ventilation.

In all, there are six different categories for which equipment standards are provided as follows:

1) New stand-alone facilities--Equipment requirements

2) Existing stand-alone facilities--Replacement or addition of equipment

3) Existing stand-alone facilities--Retrofitting of equipment

4) New mixed-use facilities--New equipment

5) Existing mixed-use facilities--Replacement or addition of equipment

6) Existing mixed-use facilities--Retrofitting of equipment

(1) New stand-alone facilities--equipment requirements.

The following types of new and/or used equipment are allowed in new stand-alone facilities.

(i) New equipment - Fourth generation.

(A) Vapor barrier - Not Required.

(B) Spill containment - Required as specified in paragraph (a)(7) of this section.

(C) General exhaust ventilation system - Optional.

(D) Primary and secondary control systems, and drying sensor - Required as specified in paragraphs (a)(5) and (6) of this section.

(E) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(ii) New equipment - Third generation. The installation of this type of equipment is prohibited after December 31, 1999.

(A) Vapor barrier - Not Required.

(B) Spill containment - Required as specified in paragraph (a)(7) of this section.

(C) General exhaust ventilation system - Optional.

(D) Primary control system, drying sensor, and door fan - Required as specified in paragraph (a)(3) and (5) of this section.

(E) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(F) An additional option would be to convert to a fourth generation machine with less than or equal to 300 ppm in drum. Under this option a door fan would not be required.

(iii) Used equipment - Third generation

(A) Vapor barrier - Not Required.

(B) Spill containment - Required as specified in paragraph (a)(7) of this section.

(C) General exhaust ventilation system- Optional.

(D) Primary control system and door fan - Required as specified in paragraphs (a)(3) and (5) of this section.

(E) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm perc at any time.

(F) An additional option would be to convert to a fourth generation machine with less than or equal to 300 ppm perc in the drum. Under this option a door fan would not be required.

(2) Existing stand-alone facilities - replacement or addition of equipment. The equipment standards for new stand-alone facilities must be followed. However, transfer machines may be replaced with upgraded dry-to-dry vented equipment in accordance with the retrofitting requirements.

(3) Existing stand-alone facilities - retrofitting of equipment.

(i) Transfer machines - no retrofitting is allowed. All transfer machines must be removed from service on the following schedule.

(A) If the process ventilation emission point is located above the roof and more than 25 feet from all openings in nearby occupancies, and if previously retrofitted to meet the less than 100 ppm perc vented emission level (see subparagraph (a)(4)(ii) of this section) and is operating in compliance with that emission level, the equipment must be replaced with third or fourth generation equipment by January 1, 2000.

(B) If the process ventilation emission point is located below the roof or less than 25 feet from any opening in a nearby occupancy, or if process ventilation emissions do not meet the 100 ppm perc emission level, the equipment must be replaced with third or fourth generation equipment immediately upon the effective date of this Rule.

(C) Vapor barrier - not required.

(D) General exhaust ventilation system- Optional.

(ii) Dry-to-dry vented (Second generation)

(A) Vapor barrier - Not required.

(B) General exhaust ventilation system- Optional.

(C) Process ventilation emission point location -

((a)) If the process ventilation emission point is above the roof and more than 25 feet from all openings in nearby occupancies, the relocation of the process ventilation emission point is not required.

((b)) If the process ventilation emission point is below the roof or less than 25 feet from any opening in a nearby occupancy, the process ventilation emission point must be changed to be over the roof and more than 25 feet from all openings in nearby occupancies immediately upon the effective date of this Rule. Alternatively, the equipment may be replaced with third or fourth generation equipment within the same time limit.

(D) Emission controls

((a)) Controlled

((1)) If the machine has been controlled with either an azeotropic control device plus small carbon adsorber or converted to a closed-loop third generation machine having an integral or external primary refrigerated condenser (the water cooled condensing system having been eliminated) and has a door fan, meeting the requirements of paragraph (a)(3) of this section, no additional control is required.

((2)) If the machine is equipped with either a full sized carbon adsorber or a refrigerated condenser with a water cooled condensing system, it must be retrofitted with either an azeotropic control device plus small carbon adsorber (provided EPA publishes a determination that an azeotropic control device is equivalent to a refrigerated condenser), or converted to a closed-loop third generation machine by adding an integral or external primary refrigerated condenser (eliminating the water cooled condensing system) and a door fan with a small carbon adsorber by December 31, 1999. Alternatively, the equipment may be replaced with a third generation machine with a door fan by December 31, 1999, or with a fourth generation by January 1, 2001.

((b)) Uncontrolled. Equipment must be retrofitted with either an azeotropic control device plus small carbon adsorber (provided EPA publishes a determination that an azeotropic control device is equivalent to a refrigerated condenser), or converted to closed-loop third generation by adding an integral or external primary refrigerated condenser (eliminating the water cooled condensing system) and a door fan with a small carbon adsorber immediately upon the effective date of this Rule. Alternatively, equipment may be replaced with third or fourth generation equipment within the same time limit.

(E) Fugitive perc emissions from any part of the dry cleaning system, must not exceed 50 ppm at any time.

(iii) Dry-to-dry non-vented. Third generation.

(A) Vapor barrier - Not Required.

(B) General exhaust ventilation system- Optional.

(C) Equipment must be retrofitted with a door fan meeting the requirement of paragraph (a)(3) of this section by no later than May 15, 2001; or,

(D) An additional option would be to convert this type of equipment to a fourth generation machine that achieves a perc concentration of less than or equal to 300 ppm in the drum by no later than May 15, 2001. Under this option a door fan would not be required.

(E) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(iv) Dry-to-dry non-vented. Fourth generation.

(A) Vapor barrier - Not Required.

(B) General exhaust ventilation system- Optional.

(C) Primary and secondary control system and drying sensors must meet requirements specified in paragraphs (a)(5) and (6) of this section. However, for non-major facilities that purchased machines prior to May 15, 1997 the following provision applies: If the owner/manager or operator can demonstrate that the machine is operating in the best possible working condition, no action is required if the measured perc concentration in the drum is less than 500 ppm. If the level exceeds 500 ppm, a door fan that meets the requirements of paragraph (a)(3) of this section must be installed by January 1, 2000.

(D) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(4) New mixed-use facilities--new equipment. Only new dry-to-dry fourth generation equipment is allowed in new mixed-use facilities. No used or retrofitted equipment is allowed.

(i) Vapor barrier and general exhaust ventilation system- Required as specified in paragraphs (a)(1) and (2) of this section.

(ii) Spill containment - Required as specified in paragraph (a)(7) of this section.

(iii) Primary and secondary control systems and drying sensor - Required as specified in paragraphs (a)(5) and (6) of this section. Note: Any machine not meeting the 300 ppm requirement, and, where the owner/manager or operator can demonstrate that the machine is operating in the best possible working condition must have a door fan installed that meets the requirements of paragraph (a)(3) of this section within six months of an inspection indicating high ppm levels.

(iv) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(5) Existing mixed-use facilities -- replacement or addition of equipment. The equipment standards for new mixed-use facilities must be followed.

(6) Existing mixed-use facilities -- retrofitting of equipment.

(I) Transfer machines. No emission control retrofitting is allowed. All transfer machines must be removed from service on the following schedule

(A) If the process ventilation emission point is located above the roof and more than 25 feet from all openings in nearby occupancies, and if the equipment has been previously retrofitted to comply with the less than 100 ppm perc vented emission level (see subparagraph (a)(4)(ii) of this section) and is operating in compliance with that emission level, the equipment must be removed from service by September 22, 1998

(B) If the process ventilation emission point is located at or below the roof or is 25 feet or less from all openings in nearby occupancies, or if the equipment has not previously been retrofitted or is not in compliance with the less than 100 ppm perc emission level (see subparagraph (a)(4)(ii) of this section), the equipment must be removed from service immediately upon the effective date of this Rule.

(C) A vapor barrier and general exhaust ventilation system are required immediately upon the effective date of this Rule as specified in paragraphs (a)(1) and (2) of this section.

(ii) Dry-to-dry vented. Second generation.

(A) Vapor barrier and general exhaust ventilation system - Required immediately upon the effective date of this Rule as specified in paragraphs (a)(1) and (2) of this section.

(B) Process vent emission location

((a)) If the process ventilation emission point is above the roof and more than 25 feet from all openings in nearby occupancies, the relocation of the process ventilation emission point is not required.

((b)) If the process ventilation emission point is at or below the roof or 25 feet or less from any opening in a nearby occupancy, the process ventilation emission point must be changed to be over the roof and more than 25 feet from all openings in nearby occupancies immediately upon the effective date of this Rule. Alternatively, equipment may be replaced with fourth generation equipment within the same time limit.

(C) Emission Controls

((a)) Mixed-use - commercial - uncontrolled. Equipment must be retrofitted with either an azeotropic control device plus a small carbon adsorber (provided EPA publishes a determination that an azeotropic control device is equivalent to a refrigerated condenser), or converted to a closed-loop third generation machine by adding an integral or external primary refrigerated condenser (eliminating the water cooled condensing system) and a door fan as specified in paragraph (a)(3) of this section immediately upon the effective date of this Rule. Alternatively, equipment may be replaced with fourth generation equipment within the same time limit.

The retrofit of this equipment is only an interim measure, and all retrofitted equipment of this type must be removed from service by January 1, 2005.

((b)) Mixed-use - commercial - controlled.

((1)) If the machine has been controlled with either an azeotropic control device plus small carbon adsorber or converted to a third generation machine having an integral or external primary refrigerated condenser (the water cooled condensing system having been eliminated) and has a door fan as specified in paragraph (a)(3) of this section, no interim retrofitting action is required. This equipment must be removed from service and replaced with fourth generation equipment by January 1, 2005.

((2)) If the machine is equipped with either a full-sized carbon adsorber or a refrigerated condenser with a water cooled condensing system, it must be retrofitted with either an azeotropic control device plus small carbon adsorber (provided EPA publishes a determination that an azeotropic control device is equivalent to a refrigerated condenser), or converted to a third generation machine by adding an integral or external primary refrigerated condenser (eliminating the water cooled condensing system) and a door fan as specified in paragraph (a)(3) of this section by January 1, 2001. Alternatively, equipment may be replaced with fourth generation equipment by January 1, 2001. The retrofit of this equipment is an interim measure only and all retrofitted equipment must be replaced with fourth generation equipment by January 1, 2005.

((c)) Mixed-use - residential - uncontrolled. Equipment must be retrofitted with either an azeotropic control device plus small carbon adsorber (provided EPA publishes a determination that an azeotropic control device is equivalent to a refrigerated condenser), or converted to third generation equipment by adding an integral or external primary refrigerated condenser (eliminating the water cooled condensing system) and a door fan as specified in paragraph (b)(3) of this section immediately upon the effective date of this Rule. Alternatively, the equipment must be replaced with fourth generation equipment within the same time limit. The retrofit of this equipment is only an interim measure and all retrofitted equipment of this type must be removed from service by January 1, 2000.

((d)) Mixed-use - residential - controlled.

((1)) If the machine has been controlled with either an azeotropic control device plus a small carbon adsorber or has been converted to a third generation machine having an integral or external primary refrigerated condenser (the water cooled system having been eliminated) and has a door fan as specified in paragraph (b)(3) of this section, no additional retrofitting is required. However, all equipment of this type must be replaced with fourth generation equipment by January 1, 2000.

((2)) If the machine is equipped with a full-sized carbon adsorber with a water cooled condensing system, it must be operated in compliance with the 100 ppm standards of the previous version of Part 232 of Title 6 of the Codes, Rules, and Regulations of the State of New York and must be replaced with fourth generation equipment by January 1, 2000.

(D) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(iii) Dry-to-dry non-vented. Third generation

(A) Vapor barrier and general exhaust ventilation system - Required by no later than November 15, 1998 as specified in paragraphs (a)(1) and (2) of this section.

(B) Equipment must be retrofitted with a door fan meeting the requirements of paragraph (a)(3) of this section by no later than May 15, 2001; or,

(C) An additional option is to convert this piece of equipment to a fourth generation machine that achieves a perc concentration of less than or equal to 300 ppm in the machine drum by no later than May 15, 2001. Under this option a door fan would not be required.

(D) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

(iv) Dry-to-dry non-vented. Fourth generation.

(A) Vapor barrier and general exhaust ventilation system - Required by no later than May 15, 1999 as specified in paragraphs (a)(1) and (2) of this section.

(B) Primary and secondary controls and drying sensor - Required as specified in paragraphs (a)(5)and (6) of this section. However, for non-major facilities that purchased machines prior to May 15, 1997 the following provision applies: If the owner/manager or operator can demonstrate that the machine is operating in the best possible working condition, no action is required if the measured perc concentration in the drum is less than 500 ppm. If the level exceeds 500 ppm, a door fan as specified in paragraph (a)(3) of this section is required.

(C) Fugitive perc emissions from any part of the dry cleaning system must not exceed 50 ppm at any time.

Section 12-07 Leak inspection and self monitoring requirements.

(a) Leak check requirements. The trained operator, must inspect the dry cleaning system for perceptible liquid and vapor leaks and other fugitive emissions. The trained operator, or a designee, must record the status of each component on a checklist supplied by the New York State Department of Environmental Conservation. Completed checklists must be kept for at least five years from the date of the inspection.

(1) The dry cleaning system must be thoroughly inspected, at least weekly, for vapor leaks using one of the following devices or methods for detecting vapor leaks:

(i) a halogenated-hydrocarbon detector;

(ii) a portable gas analyzer;

(iii) an air sampling pump and colorimetric tube; or

(iv) an alternative method approved by the New York State Department of Environmental Conservation.

(2) all equipment referenced in paragraph (a)(1) of this section must be properly calibrated.

(b) The following components of the dry cleaning system must be inspected weekly for perceptible liquid and vapor leaks and for proper operation as required by subchapter 8 of this Rule (operation and maintenance requirements) while the dry cleaning system is operating:

(1) hose and pipe connections, fittings, couplings and valves;

(2) door gaskets and seatings;

(3) filter gaskets and seatings;

(4) pumps;

(5) solvent (including spent solvent) tanks and containers;

(6) water separators;

(7) muck cookers;

(8) stills;

(9) exhaust dampers;

(10) diverter valves; and

(11) cartridge filter housings.

© Carbon adsorber vents must be tested weekly using colorimetric detector tubes or portable halogen detectors and the test results must be noted on the checklist.

(d) The temperature of the vapor stream on the inlet and outlet side of a refrigerated condenser must be measured weekly and recorded on the checklist.

(e) Preparedness and prevention equipment and conditions as required in paragraph (d)(7) of section 12-08 of this Rule must be inspected weekly to ensure proper operation and maintenance. A notation must be made on the checklist at the time of inspection.

(f) The inward air velocity for a loading door fan must be checked weekly with a portable velometer or equivalent measurement instrument. A notation of the instrument reading must be made on the checklist.

(g) Any liquid leak, vapor leak, or malfunction that has been detected by the operator must be noted on the checklist and, if at all possible, repaired immediately. If the leak cannot be repaired at the time of detection, the leaking component must be physically marked or tagged in a manner that is readily observable by an inspector and must be repaired within 24 hours of detection, unless repair parts are unavailable.

(1) If repair parts are not available at the facility, the parts must be ordered within two working days of detecting such a leak. Such repair parts must be installed within five working days after receipt. Equipment with a leak that has been repaired by the end of the 15th working day after detection must not be operated until the leak is repaired, unless the facility owner or operator receives a leak-repair extension from the Department.

(2) The Department may grant a leak-repair extension to a facility owner for a single period of thirty days or less. Any person applying to the Department for a leak-repair extension shall include a copy of a leak-repair extension granted by the New York State Department of Environmental Conservation. If no leak-repair extension has been granted by the New York State Department of Environmental Conservation, then the application to the Department shall state that no leak-repair extension has been granted by the New York State Department of Environmental Conservation. A leak-repair extension may be granted only if the Department makes the following findings:

(i) the delay in repairing the leak could not have been avoided by action on the part of the facility owner or operator;

(ii) the facility owner and operator used reasonable preventive measures and acted promptly to initiate the repair;

(iii) the leak will not significantly increase perc exposure near the facility; and

(iv) the facility is in compliance with all other requirements of this section and has a history of compliance.

(3) Once a repair is completed, the completion date must be recorded on the checklist.

(4) Where a hazard is imminent or has already occurred, remedial action must be taken immediately.

(5) [illegible] uncontainable releases, fires or explosions must be reported to the Department and appropriate emergency response agencies immediately.

(h) A fugitive emission concentration of 50 ppm of perc emanating from any part of the dry cleaning system is a violation; except for short-term maintenance operations involving the opening of dry cleaning system components for inspection or repair.

(i) Any exceedance of the leak inspection requirements of this Rule that has been detected by the operator must be noted on the checklist and repaired/adjusted immediately.

Section 12-08 Operation and maintenance requirements. (a) Dry cleaning facilities must be maintained and operated to minimize the release of perc to the environment.

(b) The operator must operate and maintain all components of the dry cleaning system in accordance with the requirements of this Rule and the conditions specified in a facility's operating permit. For operations not specifically addressed, the components must be operated and maintained in accordance with the manufacturer's recommendations. The facility operator must retain, on-site, a copy of the design specifications and the operating manuals for each dry cleaning system and each emission control device located at the dry cleaning facility.

(c) Each operation and maintenance function and the date performed must be recorded on a checklist supplied by the New York State Department of Environmental Conservation. Completed checklists must be maintained on-site for at least five years from the date of the checklist.

(d) Operators must comply with the following operation and maintenance requirements, as applicable:

(1) Fourth generation machines.

(i) Refrigerated condensers must be operated in accordance with manufacturer's specifications.

(ii) Integral refrigerated condensers must be operated to ensure that exhaust gases are recirculated until the air-vapor stream temperature is 45° F or less at the outlet. The difference between the temperature of the air-perc gas vapor stream entering and exiting the refrigerated condenser must be greater than or equal to 20° F (11.1° C). The temperature differential must be determined at least weekly with a thermometer with a temperature range of from 32° F (0° C) to 120° F (48.9° C) to an accuracy of ±2 F (1.1 C) (see section 12-07 of this Rule).

(iii) Vapor adsorbers used with a primary control system or secondary control system must be operated to ensure that exhaust gases are recirculated at the temperature specified for optimum adsorption.

(iv) Cartridge filters and adsorptive cartridge filters must be handled using one of the following methods:

(A) Drained in the filter housing, before disposal, for no less than 24 hours for cartridge filters and 48 hours for adsorptive cartridge filters. If the filters are then transferred to a separate device to further reduce the volume of perc, this treatment must be done in a system that routes any vapor to a primary closed-loop control system, with no exhaust to the atmosphere. In performing such a transfer the filter housing must be closed as soon as possible to minimize vapor leaks. The general exhaust ventilation system must be operated during this activity.

(B) Dried, stripped, sparged, or otherwise treated, within the sealed filter housing, to reduce the volume of perc contained in the filter.

(v) All steam and condensing coils must be maintained to be free of lint and hard lint build-up on interior surfaces.

(vi) For dry cleaning equipment equipped with a door fan the operator must use a portable velometer or equivalent measurement instrument to verify that the required 100 fpm inward air velocity is maintained through the effective door opening when the loading door is open. The inward air velocity must be checked on a weekly basis.

(2) Third Generation Machines.

(i) Refrigerated condensers must be operated in accordance with manufacturer's specifications.

(ii) Integral and external refrigerated condensers must be operated to ensure that exhaust gases are recirculated until the air-vapor stream temperature is 45° F or less at the outlet. The difference between the temperature of the air-perc gas vapor stream entering and exiting the refrigerated condenser must be greater than or equal to 20° F (11.1° C). The temperature differential must be determined at least weekly with a thermometer with a temperature range of from 32° F (0° C) to 120° F (48.9° C) to an accuracy of ±2 F (1.1 C) (see section 12-07 of this Rule).

(iii) Vapor adsorbers used when the machine has been retrofitted as a fourth generation machine must be operated to ensure that exhaust gases are recirculated at the temperature specified by the manufacturer for optimum adsorption.

(iv) Cartridge filters and adsorptive cartridge filters must be handled using one of the following methods:

(A) Drained in the filter housing, before disposal, for no less than: 24 hours for cartridge filters and 48 hours for adsorptive cartridge filters. If the filters are then transferred to a separate device to further reduce the volume of perc, this treatment must be done in a system that routes any vapor to a primary closed-loop control system, with no exhaust to the atmosphere. In performing such a transfer the filter housing must be closed as soon as possible to minimize vapor leaks. The general exhaust ventilation system must be operated during this activity.

(B) Dried, stripped, sparged, or otherwise treated, within the sealed filter housing, to reduce the volume of perc contained in the filter.

(v) All steam and condensing coils must be maintained to be free of lint and hard lint build-up on interior surfaces.

(vi) For dry cleaning equipment equipped with a door fan, the operator must use a portable velometer or equivalent measurement instrument to verify that the required 100 fpm inward air velocity is maintained through the effective door opening when the loading door is open. The inward air velocity must be checked on a weekly basis.

(3) Second Generation Machines.

(i) A vented machine operated with full-sized carbon adsorbers (dry-to-

dry vented) that function during the drying cycle must meet the following requirements:

(A) Desorption must be performed at the frequency specified by the manufacturer or as specified by this clause, whichever is more stringent. The minimum frequency for desorption of full-size carbon units is as follows, each time all dry cleaning equipment exhausted to the device has cleaned a total of three pounds of articles for each pound of activated carbon. Desorption must be performed with the minimum steam pressure and air flow capacity specified by the manufacturer.

(B) Once desorption is complete, the carbon bed must be fully dried according to the manufacturer's instructions.

(C) No perc vapors may bypass the carbon adsorber to the outdoor atmosphere at any time, nor be recirculated into the facility.

(D) The filter located in front of the carbon adsorber must be checked and cleaned weekly.

(E) For dry cleaning equipment in mixed-use settings, the carbon adsorber vent must be tested weekly using colorimetric detector tubes. Test results must be recorded on the checklist. Test results of five ppm or greater of perc will require an immediate stripping of the carbon adsorber.

(ii) Small external carbon adsorbers used for azeotropic control systems, must be stripped at least weekly when in use. If not in continuous daily use, adsorbers must be stripped after they have been used for ten days.

(A) Small external carbon adsorbers must be vented to outside the building and must not recirculate vapor into the facility.

(B) Small external carbon adsorbers used in mixed-use settings must be tested weekly using colorimetric detector tubes or equivalent measuring devices. Test results must be recorded on the inspection checklist. A test result of five ppm or greater of perc will require an immediate stripping of the carbon adsorber.

(iii) The exhaust damper of a vented machine must be completely closed when the machine is not being vented and must be repaired or replaced within five working days if malfunctioning.

(iv) Cartridge filters and adsorptive cartridge filters must be handled using one of the following methods:

(A) Drained in the filter housing, before disposal, for no less than 24 hours for cartridge filters and 48 hours for adsorptive cartridge filters. If the filters are then transferred to a separate device to further reduce the volume of perc, this treatment must be done in a system that routes any vapor to a primary closed-loop control system, with no exhaust to the atmosphere. In performing such a transfer the filter housing must be closed as soon as possible to minimize vapor leaks. The general exhaust ventilation system must be operated during this activity.

(B) Dried, stripped, sparged, or otherwise treated, within the sealed filter housing, to reduce the volume of perc contained in the filter.

(v) All water-cooled condensers must include temperature gauges installed in the inlet and outlet water lines of the condensing coil on the dryer. The temperature difference must be maintained according to manufacturer's specifications.

(vi) Azeotropic control devices must be maintained and operated in accordance with manufacturer's instructions and specifications.

(4) First generation machines. An existing facility with a transfer machine operating a full-sized carbon adsorber or azeotropic control device, and cartridge filters must meet the applicable requirements of paragraph (d)(3) of this section.

(5) Ancillary Equipment.

(i) All filter muck must be treated in a still or muck cooker, which routes perc-contaminated vapors to a condenser or other control device and recycles condenser vapors into the machine. Still or muck cooker emissions must not be vented into the facility. Any still or muck cooker must not be operated in a manner that exceeds 75 percent of its capacity or other alternate value recommended by the manufacturer. Any still or muck cooker must be cooled to 100°F (38°C) or less before being emptied or cleaned.

(ii) Button and lint traps must be cleaned each working day and the lint must be placed in a tightly sealed container. Whenever possible such operations must be performed so that the opening of such traps is done quickly with the local or general exhaust ventilation system operating to minimize perc emissions.

(iii) Perc-contaminated wastewater treatment units.

(A) Carbon filtration units - carbon cartridges must be replaced according to a schedule as specified by the manufacturer to assure an effluent quality that does not exceed 20 ppb perc.

(B) Evaporators - perc contaminated wastewater evaporators must be operated to ensure that no liquid perc or visible emulsion is allowed to vaporize.

(iv) Dip tanks and drying cabinets must be exhausted to maintain an inward air flow, and be maintained under negative pressure, to ensure that fugitive emissions will be no greater than 50 ppm. Vented emissions from dip tanks and drying cabinets must not exceed 20 ppm.

(6) The owner or operator of a dry cleaning system must maintain the following equipment as recommended by manufacturer's specifications:

(i) hose and pipe connections, fittings, couplings, and valves;

(ii) door gaskets and seatings;

(iii) filter gaskets and seatings;

(iv) pumps;

(v) water separators;

(vi) muck cookers;

(vii)

(viii) exhaust dampers,

(ix) diverter valves;

(x) cartridge filter housings;

(xi) drying sensors

(7) Preparedness and prevention.

(i) All dry cleaning operations must be equipped with the following:

(A) adequate spill control equipment including sorbent materials, or alternative method for absorbing spills,

(B) vapor-proof containers for storing spill-contaminated material, and

(C) fire control equipment.

(ii) The facility owner must maintain aisle space to allow proper inspection of the dry cleaning equipment.

(iii) A reasonable supply of spare parts for repairing dry cleaning equipment must be available at the dry cleaning facility.

(8) All parts of the dry cleaning system including solvent containers where perc may be emitted to the atmosphere must be kept closed at all times except when access is required for proper operation and maintenance.

Section 12-09 Perc-contaminated wastewater management.

Perc-contaminated wastewater generated by all new and existing facilities subject to this Rule must be managed as follows:

(a) Perc-contaminated wastewater discharges.

(1) Perc-contaminated wastewater that is discharged to to the public sewer system must be treated by physical separation (water separator) and double carbon filtration, or an equivalent control which has been approved by the Department, which has been properly designed to assure an effluent quality that:

(i) is less than or equal to 20 ppb perc without perc evaporation; and

(ii) complies in all other respects to the requirements of chapter 19 of Title 15 of the Rules of the City of New York regulating the use of the public sewer system.

(2) Except as provided for by subparagraph (a)(1)(i) of this section, no person may discharge into the public sewer system any perc-contaminated wastewater or wastes resulting from dry cleaning processes including, but not limited to, still bottom or sludge residues, dirt, lint, soils, or any other deposits or residues extracted as a result of dry cleaning processess. The discharge into the public sewer system of filters or other filter media used in dry cleaning processes is prohibited.

(3) No person may discharge perc-contaminated wastewater to the surface or groundwaters within New York City except in compliance with the terms and conditions of a valid State Pollution Discharge Elimination Permit.

(b) Evaporation of perc-contaminated wastewater.

Perc-contaminated wastewater that is evaporated must be treated by physical separation (water separator) and double carbon filtration prior to evaporation.

Section 12-10 Hazardous waste management.

(a) Any perc-contaminated wastes generated must be managed in accordance with Parts 370 through 376 of Title 6 of the Codes, Rules, and Regulations of the State of New York. Perc-contaminated wastewater must be handled as provided in section 12-09 of this Rule.

(b) All perc-contaminated wastes (including spent cartridge filters, spent carbon, still bottoms, and lint) must be stored in tightly sealed containers, which are impermeable to the solvent, so that no perc is emitted to the atmosphere.

(c) Containers must be appropriately labeled and stored in a designated area.

(d) Containers must be in good condition and must be kept closed except when necessary to add or remove waste.

(e) Receipts or records showing the date and volume of any perc-contaminated hazardous waste shipments must be retained for five years.

Section 12-11 Emergency response.

(a) Dry cleaning systems must be operated and maintained to ensure that perc releases are contained and do not migrate to sewer systems or groundwater.

(1) For existing dry cleaning equipment -

(i) floor drains and flooring in the vicinity of the equipment must be sealed so as to be impermeable to spills, or

(ii) temporary dikes, berms and containment devices must be placed in areas where spills are most likely to occur and procedures for preventing spill migration must be established and followed.

(2) For new dry cleaning equipment, a spill containment system must be installed under the equipment as specified in paragraph (a)(7) of section 12-06 of this Rule.

(b) In the event of a perc release, the owner, operator or a designee must take all reasonable measures to ensure the release is contained. These measures must include, where applicable, stopping processes and operations, increasing room exhaust ventilation, collecting and containing released perc and removing and maintaining containers.

(c) If the facility owner and/or operator knows or has reason to know of any release of one (1) pound or more of perc (1 pound of perc is equivalent to 0.0740 gallons of perc), a fire, or an explosion, then the facility owner and/or operator shall report the perc release, fire, or explosion to the Department immediately and shall also comply with all other reporting requirements of chapter 11 of Title 15 of the Rules of the City of New York governing Hazardous Substances Emergency Response.

(d) Any emergency response action must be recorded as specified in section 12-12 of this Rule. This record must include, at a minimum:

(1) The date, duration and nature of any malfunction, spill or incident of the dry cleaning system;

(2) The notification procedures; and,

(3) The corrective actions taken.

Section 12-12 Reporting and recordkeeping.

(a) Operators of all dry cleaning facilities or their designees must record the following:

(1) The date, duration and nature of any malfunction, spill, incident, or emergency response at the facility as outlined in paragraph (d) of section 12-11 of this Rule;

(2) The date of maintenance on any air cleaning component or exhaust system (such as the regeneration and/or replacement of the carbon in a carbon adsorber);

(3) The number of loads between regenerations, cleaning and replacement of lint filters and carbon adsorber pre-filters, repair or replacement of exhaust fans;

(4) The amount of activated carbon in carbon adsorbers (dry weight in pounds);

(5) The date of maintenance of drying sensors;

(6) The date and volume of any perc-contaminated hazardous waste shipments; and

(7) The dates of perc-contaminated wastewater treatment unit carbon cartridge replacement.

(b) Each owner or operator of a dry cleaning facility must keep receipts of perc purchases, a log of the following information, maintain such information on-site and provide it upon request for a period of five years:

(1) The volume of perc purchased each month by the dry cleaning facility as recorded from perc purchases; if no perc is purchased during a given month then the owner or operator would enter zero gallons into the log;

(2) The owner or operator must perform the following calculation on the first day of every month:

(i) Sum the volume of all perc purchases made in each of the previous twelve months, as recorded in the log described in paragraph (1) above.

(ii) If no perc purchases were made in a given month, then the perc consumption for that month is zero gallons.

(iii) The total sum calculated is the yearly perc consumption at the facility.

(c) Each owner or operator of a dry cleaning facility must record the following information on an inspection checklist as described in section 12-07 of this Rule.

(1) The dates when the dry cleaning system components are inspected for perceptible leaks as specified under the inspection and testing requirements, and the name or location of dry cleaning system components where perceptible leaks are detected;

(2) The date, time and colorimetric detector tube monitoring results as specified in section 12-07 of this Rule, if a carbon adsorber is used for primary or secondary emission control;

(3) The date, time and temperature sensor monitoring results for refrigerated condensers, as specified in section 12-07 of this Rule; and.

(4) The dates of repair and records of written or verbal orders for repair parts to demonstrate compliance with the inspection and testing requirements in section 12-07 of this Rule.

(d) Each owner or operator of a dry cleaning facility must retain on-site copies of the operation and maintenance checklists required under section 12-08 of this Rule and compliance inspection reporting forms required under section 12-16 of this Rule.

(e) Each owner or operator of a dry cleaning facility must retain on-site a copy of the design specifications and the operating manuals for each dry cleaning system and each emission control device located at the dry cleaning facility.

(f) All records must be maintained on-site for at least five years and must be made available to the Department upon written or verbal request.

(g) In addition to the permitting requirements of section 12-15 of this Rule, new facilities, or facilities installing new equipment, must submit to the Department a copy of the compliance report submitted to the New York State Department of Environmental Conservation within 30 days of commencing operation to certify compliance with the federal National Emission Standard for Hazardous Air Pollutants requirements. This statement must include:

(1) The name and address of the owner or operator;

(2) The address (that is, physical location) of the dry cleaning facility;

(3) An estimation of the annual perc consumption;

(4) A description of the machines' control devices;

(5) A statement verifying compliance with each applicable requirement under Title 40 of the Code of Federal Regulations subchapters 63.322, 63.323, and 63.324; and,

(6) A statement certifying that all information contained in the statement is accurate and true.

(h) In addition to the permitting requirements of section 12-15 of this Rule, facilities exceeding the consumption thresholds identified in Title 40 of the Code of Federal Regulations subchapter 63.620(d),(e), or (g) must submit to the Department a copy of the compliance report submitted to the New York State Department of Environmental Conservation within 30 days of the compliance deadline of 180 days certifying compliance with any additional federal requirements. This statement must include:

(1) The name and address of the owner or operator;

(2) The address (that is, physical location) of the dry cleaning facility;

(3) An estimation of the annual perc consumption;

(4) A description of the machines' control devices;

(5) A statement verifying compliance with each applicable requirement under 40 CFR subchapters 63.322, 63.323, and 63.324; and,

(6) A statement certifying that all information contained in the statement is accurate and true.

Section 12-13 Equipment testing and certification.

(a) Prohibitions and requirements. The provisions of this section will be effective 60 days after the date that the first qualifying testing program is approved by the New York State Department of Environmental Conservation or its agent.

(1) Only the following kinds of dry cleaning equipment are permitted to be installed in perc dry cleaning facilities subject to this Rule: new closed-loop dry cleaning machines; converted dry cleaning machines; door fan systems; or, add-on secondary control systems which meet the design and performance standards in section 12-06 of this Rule and testing requirements of this section. Unless otherwise specified in this Rule, the dry cleaning equipment as manufactured and installed must comply in all respects with the unit upon which certification by the New York State Department of Environmental Conservation or its agent was based.

(2) Any manufacturer or vendor of any new closed-loop dry cleaning equipment that is to be installed in and used by a dry cleaning facility in New York City must apply for and receive certification from the New York State Department of Environmental Conservation or its agent that the equipment to be installed and operated complies in all respects with the performance standards and the testing requirements of Part 232 of Title 6 of the Codes, Rules, and Regulations of the State of New York. Such certification must include the operating parameters under which the equipment was tested to receive certification.

(3) It is unlawful for any person to sell, offer for sale, cause to be offered for sale, lease or represent new closed-loop dry cleaning equipment or any other machine or system described in paragraph (a)(1) of this section as one which can be used by a dry cleaning facility in New York City unless it has been certified by the New York State Department of Environmental Conservation or its agent.

(4) The contract of sale, lease, or use between the manufacturer or vendor and dry cleaning equipment user must contain, at a minimum, a provision stating that the manufacturer or vendor must, upon request, provide the user with a copy of the certification of the equipment by the New York State Department of Environmental Conservation or its agent, as required by section 232.13 of Title 6 of the Codes, Rules, and Regulations of the State of New York.

(5) The manufacturer or vendor must provide immediate notification to the Department of any generic design or functional defect discovered in the equipment. Such notice must include a detailed plan of the manufacturer's or vendor's remedy.

(6) After the certified dry cleaning equipment has been installed at the user's facility, the manufacturer or manufacturer's representative must supply at least a two-day training session to the purchaser or leassee. The training must include instruction on how to maintain and operate the dry cleaning machine. This requirement does not apply to add-on door fan systems designed to capture drum vapors when the door is open.

(b) Equipment testing. All persons conducting equipment testing must comply with the equipment testing requirements, protocols, methods, and procedures of section 232.13(b) of Title 6 of the Codes, Rules, and Regulations of the State of New York.

Section 12-14 Dry cleaning owner/manager, operator and inspector training and certification.

(a) Except for the conditions established in subdivision (b) and the effective date provisions of subdivision (f) of this subchapter, it is unlawful for any person to operate a dry cleaning facility subject to this Rule unless:

(1) the facility manager and/or owner has a current and valid Dry Cleaning Owner/Manager Certification; and

(2) the person operating the dry cleaning machine has a current and valid Dry Cleaning Operator Certification.

(b) In the event that an unforeseen/unpredictable situation prevents a dry cleaning facility from having a certified operator operating the dry cleaning equipment, the owner/manager will be allowed to continue operation of the dry cleaning machine with a non-certified operator for a period not to exceed three days per occurrence. Under no circumstances may an uncertified operator operate dry cleaning equipment at any facility for a total of more than ten days in any calendar year. If the use of an uncertified operator would cause nonperformance of required maintenance and leak detection, the facility must suspend dry cleaning operations until a certified operator is available. The purpose of this provision is to accommodate emergencies or unforeseen extenuating circumstances and must not be used to cover routine situations such as vacations or other scheduled absences.

(c) A Dry Cleaning Owner/Manager Certification may be issued by any organization that offers a training program (including refresher courses) approved by the New York State Department of Environmental Conservation in accordance with the requirements of section 232.14(c) of Title 6 of the Codes, Rules, and Regulations of the State of New York.

(d) A Dry Cleaning Operator Certification may be issued by any organization that offers a training and testing program (including refresher courses) approved by the New York State Department of Environmental Conservation in accordance with the requirements of section 232.14(d) of Title 6 of the Codes, Rules, and Regulations of the State of New York.

(e) Individuals that inspect drying cleaning facilities, either as a registered inspector or under the supervision of a registered inspector, must obtain a Dry Cleaner Owner/Manager Certification.

(f) Effective date for Dry Cleaning Owner/Manager and Dry Cleaning Operator Certification. After the date of the first qualifying training program approved by the New York State Department of Environmental Conservation, the requirements of this subdivision will take effect and the first training and certification will be mandatory according to the following schedule:

(1) upon start up for all operators of new dry cleaning facilities unless the facility Owner/Manager can demonstrate that compliance with this requirement poses an unreasonable burden because of the unavailability of scheduled training courses or testing facilities;

(2) three months for operators of all existing dry cleaning facilities that are in mixed-use locations and that contain transfer machines;

(3) six months for operators of all existing dry cleaning facilities in mixed-use locations that contain dry-to-dry vented machines but do not contain transfer machines;

(4) nine months for operators of all the rest of the existing dry cleaning facilities in mixed-use locations;

(5) twelve months for operators of all existing dry cleaning facilities in stand-alone locations that contain transfer machines;

(6) fifteen months for operators of existing dry cleaning facilities in stand-alone locations that contain dry-to-dry vented machines but do not contain transfer machines; and,

(7) eighteen months for operators of all the rest of existing dry cleaning facilities in stand-alone locations.

(g) A Dry Cleaning Operator Certification will be valid for a three year period and may be renewed upon completion of a refresher course.

(h) Persons or organizations authorized to offer operator training and certification courses may not require membership in an association or purchase of a product as a prerequisite to enrollment or successful completion of the course.

(i) An authorization to offer operator training and certification courses is valid for a maximum of five years. The authorization may be renewed by filing an application provided by the New York State Department of Environmental Conservation. Such application must be filed at least six months prior to the expiration of the current authorization.

(j) If the New York State Department of Environmental Conservation fails to approve and implement the training programs set forth in section 232.14 of Title 6 of the Codes, Rules, and Regulations of the State of New York in a timely manner then the Department may elect, in its sole discretion, to implement such training programs consistent with this subchapter and section 232.14 of Title 6 of the Codes, Rules, and Regulations of the State of New York.

Section 12-15 Permits and Certificates.

(a) Alterations or Modifications to Existing Certificated Dry Cleaning Facilities Required by Section 12-05 of this Rule. Any person who owns or operates an existing perc dry cleaning facility which has a valid operating certificate and who is required to perform alterations or modifications in order to comply with the requirements of section 12-05 of this Rule shall submit to the Department by means of certified mail a copy of the same notice submitted to the New York State Department of Environmental Conservation in accordance with the requirements of section 232.5(a)(3) of Title 6 of the Official Compilation of Codes, Rules, and Regulations of the State of New York.

(b) New Installations that are Not Major Sources of Perc and Alterations or Modifications to Existing Certificated Dry Cleaning Facilities. No person may install or construct a new perc dry cleaning facility or undertake alterations or modifications to an existing certificated perc dry cleaning facility, except for alterations or modifications required by section 12-05 of this Rule, without first submitting an application on a form to be supplied by the Department and obtaining an installation or alteration permit. All installation and alteration permit applications shall reference any process application number(s) previously assigned to the facility by the Department and shall also include a copy of the facility's New York State Department of Environmental Conservation air permit or registration. Except as provided for by subdivision (c) of this section, the Department shall issue an installation or alteration permit or an operating certificate to any new or existing perc dry cleaning facility that the Department determines is in full compliance with all the provisions, requirements, and standards of this Rule.

(c) New Installations that are Major Sources of Perc. The Department may grant an installation permit to a new dry cleaning facility that will be a major source of perc only after the Department has determined that the proposed dry cleaning facility is in full compliance with the provisions, requirements, and standards of this Rule and that the proposed dry cleaning facility will not cause detriment to the health, safety, welfare or comfort of any person. The Department may impose such additional permit and/or certificate terms and conditions as it determines may be necessary to protect the health, safety, welfare, or comfort of any person. In addition to the requirements of this section, any new perc dry cleaning facility which is a major source of perc must comply with all requirements under federal and state law including, but not limited to, the National Emission Standard for Hazardous Air Pollutants for Perchloroethylene Dry Cleaning Facilities and shall also obtain a Title V permit as required by the federal Clean Air Act.

Section 12-16 Compliance inspections.

(a) Stand-alone dry cleaning facilities must be inspected at least annually, and mixed-use facilities must be inspected according to the following schedule:

(1) At least twice annually where any transfer or dry-to-dry vented equipment is operated; or

(2) At least annually where only non-vented equipment is operated.

(b) Such inspections must be performed by an inspector registered with the New York State Department of Environmental Conservation or by an individual working under the supervision of a registered inspector.

(c) All registered inspectors must meet the requirements of paragraphs (1), (2) and (3) of this subdivision. All individuals working under the supervision of a registered inspector must meet the requirements of paragraphs (2) and (3) of this subdivision.

(1) The inspector must be one of the following:

(i) a licensed professional engineer;

(ii) a registered architect; or

(iii) a certified industrial hygienist.

(2) Must possess a Dry Cleaner Owner/Manager certification in accordance with section 12-14 of this Rule and complete other appropriate training as specified by the New York State Department of Environmental Conservation on topics related to inspections.

(3) Must not be engaged in the sales or marketing of dry cleaning equipment. Must not be engaged in providing services to the dry cleaning industry. Employees of trade associations may not conduct inspections, but trade associations may solicit bids for performing inspections on behalf of their members.

(d) Inspections must be conducted in accordance with protocols specified by the New York State Department of Environmental Conservation, using an inspection reporting form supplied by the New York State Department of Environmental Conservation.

(e) Analysis of air samples collected by passive sampling devices or the equivalent must be conducted by a laboratory certified by the Environmental Laboratory Approval Program (ELAP) of the New York State Department of Health.

(f) The inspection will verify that the NOTICE required by section 12-18 of this Rule is posted in a conspicuous location in the facility.

(g) After the inspection is completed, the registered inspector must provide a completed inspection reporting form to the Department and to the facility owner within 45 days of the inspection.

(h) Failure of the registered inspector to comply with the above requirements may result in the removal of the registered inspector from the Department's list of registered inspectors.

(i) The owner/manager or operator must:

(1) Make available upon request the most recent completed inspection reporting form to interested individuals for review on premises during normal business hours.

(2) If the inspection reveals a leak or malfunction, the facility must be repaired within the timeframes established in section 12-07 of this Rule and reinspected within one month.

Section 12-17 Equivalency.

Any person requesting that use of alternative equipment or procedures be considered as equivalent to the requirements under subchapter 6 of this Rule shall make an application to the New York State Department of Environmental Conservation in accordance with the requirements of section 232.17 of Title 6 of the Codes, Rules, and Regulations of the State of New York and shall submit a copy of the New York State Department of Environmental Conservation's equivalency determination to the Department.

Section 12-18 Posting notice. The facility owner must post the notice required by section 232.18 of Title 6 of the Official Compilation of Codes, Rules, and Regulations of the State of New York in a conspicuous location in the dry cleaning facility to inform building tenants and/or customers of the substances used in the dry cleaning system and potential health effects associated with exposure to them.

Section 12-19 Enforcement.

Any person who is in violation of or fails to comply with any provision, standard, or requirement of this Rule or the terms and conditions of any permit issued pursuant to this Rule shall be subject to the issuance of notice(s) of violation and other enforcement action(s) pursuant to the provisions of the Administrative Code of the City of New York including, but not limited to, the payment of civil penalties and compliance with orders of the Environmental Control Board.

Section 12-20 Severability.

If any provision of this Rule or its application to any person or circumstance is held invalid, the remainder of this Rule, and the application of those provisions to persons other than those to which it is held invalid, will not be affected thereby.

Section 2.

The terms "employee" and "employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of 35 hours. *An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate - 1/261 of the appropriate minimum basic salary.

Hourly Rate - 35 hour week basis - 1/1827 of the appropriate minimum basic salary.

Hourly Rate - 40 hour week basis - 1/2088 of the appropriate minimum basic salary

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

* Effective on or about July 5, 1998, the normal work week will increase to 40 hours.

Section 2.

Section 3. - General Wage Increase:

a. i. Effective January 1, 1997, employees shall receive a general increase of 3 percent.

ii. Effective April 1, 1998, employees shall receive a general increase of 3 percent.

iii. Effective March 1, 1999, employees shall receive a general increase of 3 percent.

iv. Part-time per annum, per session, hourly paid and per diem employees (including seasonal appoint and Employees whose normal work year is less than a full calendar year shall receive the increases provided in Sections 4(a)(I) 4(a)(ii) and 4(a)(iii) on the basis of computations heretofore utilized by the parties for all such Employees.

b. The increases provided for in Section 3 (a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on December 31, 1996;

ii. The general increase in Section 3(a)(ii) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on March 31, 1998.

iii. The general increase in Section 3(a)(iii) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on February 28, 1999.

c. i. The general increases provided for in this Section 3 shall be applied to the base rates incremental salary levels and the minimum "hiring rates," minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The general increases provided for in this Section 3 shall be applied to the following "additions to gross:" uniform allowances, equipment allowances, transportation allowances, uniform maintenance allowances, assignment differentials, service increments, longevity differentials, longevity increments, advancement increases, assignment (level) increases, and experience, certification, educational, license, evening, or night shift differentials.

Section 4 New Hires

a. For the purposes of Sections 4 (c) and 4(d), employees 1) who were in active pay status before January 1, 1995 and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum "incumbent rate" see forth in subsections 2 (a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part-time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Section 4(b)(iv) of the 1992-95 Building and Construction Inspectors, Local 211, I.U.O.E., AFL-CIO agreement, shall be paid the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1) of this Article III.

c. The appointment rate for any employee newly hired between January 1, 1995 and July 14, 1996, shall be the applicable minimum "hiring rate" set forth in subsections 2(a)(i)(1) and 2(b)(i)(1) of this Article III. Upon completion of one year of service, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2) and 2(b)(i)(2) of this Article III.

d. i The appointment rate for any employee newly hired after July 14, 1996 shall be the applicable minimum "hiring rate" set forth in subsections 2(a)(i)(1), 2(b)(i)(1),2(c)(i)(1) and 2(d)(i)(1) of this Article III. Upon completion of two (2) years of active or qualified inactive service, such employee shall be paid the indicated minimum "incumbent rate" for such title that is in effect on the two year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III.

ii. For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III.

iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsections 4(c) and 4(d).

f. Upon completion of four (4) years of active or qualified inactive service, an employee appointed pursuant to the provisions set forth in subsection 4(d) shall receive a one-time lump sum payment calculated by taking the difference between the minimum "hiring rate" received by the employee and indicated minimum "incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in subsections 2(a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee actually earned during the employee's second year of service.

i. The intent of this Section 4 (f) is to treat the employee as if the employee had moved to the higher minimum "incumbent rate" after one year of service rather than after two years. Only the difference between the applicable minimum "hiring rate" and the minimum "incumbent rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.

ii. All overtime, night shift differential, or other percentage based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.

iii. For a title subject to an incremental pay plan, the one-time lump sum payment shall be calculated by taking the difference between the "hiring rate" increment(s) received by the employee and the "incumbent rate" increment(s) received by the employee and the "incumbent rate" increment(s) that was in effect on the one year anniversary of the employee's original date of appointment to their title. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III. In the case where there are increments payable between the employee's first and second anniversaries, the lump sum will be prorated to reflect such increments.

iv. Employees who change titles or levels before attaining two years of service will be treated in the new title or level or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

For the purposes of Sections 4(d) and 4(f), "qualified inactive service" is defined to include the following employees:

i. Those who are on preferred or recall lists; or

ii. Those who are on the following unpaid approved leaves

(1) Maternity/child care leave;

(2) unpaid military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay.

Section 5

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 4 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 4 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 6.

In the case of an employee on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with the Rules and Regulations of the New York City Personnel Director or, where the Rules and Regulations of the New York City Personnel Director are not applicable to a public employer, such other Rules or Regulations as are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted, shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

(An additional)	($1,010)

ARTICLE IV - WELFARE FUND

Section 1.

(a) In accordance with the election by the Union pursuant to the provisions of Article XIII of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers, or its successor Agreement(s), the Welfare Fund provisions of that *Citywide Agreement* as amended or any successor(s) thereto shall apply to employees covered by this Agreement.

(b) When an election is made by the Union pursuant to the provisions of Article XIII, Section 1b, of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers or any successor(s) thereto, the provisions of Article XIII, Section 1b of the *Citywide Agreement* as amended or any successor(s) thereto, shall apply to employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section 1b of the *Citywide Agreement* as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Section 2.

The union agrees to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

ARTICLE V - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their

respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms

Section 1. - Performance Levels

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

(b) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. - Supervisory Responsibility

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. - Definition:

The term "*Grievance*" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Rules and Regulations of the New York City Personnel Director or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. Failure to serve written charges as required by Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation upon a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation where any of the penalties (including a fine) set forth in Section 75(3) of the Civil Service Law have been imposed

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1(d) and 1(e) of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance.

Step I — The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

NOTE: *The following STEP I(a) shall be applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1a through 1c of this Article and shall be applied prior to Step II of this Section.*

STEP I(a) — An appeal from an unsatisfactory determination at STEP I shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the STEP I determination. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for the review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

STEP II — An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III — An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV — An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

a. Any grievance under Section 1(d) relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning Employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 5

In any case involving a grievance under Section 1(e) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A — Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i) — If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) — If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C — If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D — If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 7.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 8.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 9.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 10.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 11.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved

Section 12.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 13. Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 12 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extend possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party and the Arbitrators discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE VIII - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX - CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the *Citywide Agreement* unless otherwise specifically excluded herein.

ARTICLE X - UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and its Employees and on Union Activity" or any other applicable Executive Order

ARTICLE XI - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairperson ship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee

ARTICLE XII - TRANSFERS & REASSIGNMENTS

For purposes of this Article, a transfer shall mean the shifting of an employee from one location to another without any significant change in duties and responsibilities. Reassignment shall mean a change in assignment involving a substantial change in duties and responsibilities. The

Employer shall not transfer or reassign any employee covered by this Agreement as a penalty without the presentation of charges in accordance with established disciplinary procedures.

In all transfers and reassignments of employees covered by this Agreement, the Employer shall give consideration to the employee's past record of performance, his ability to perform the duties required in the new assignment, seniority, travel distance and availability of a vacancy which can be filled. In the Department of Buildings and the Department of Housing Preservation and Development, a detailed schedule of all assignments and tours in all boroughs shall be given to the Union. These schedules shall show the Inspectors and Senior Inspectors assigned to each district and all such employees on special assignments. The Union shall have the opportunity to examine any new schedule at least eight (8) days before the effective date of such schedule.

The Employer agrees not to transfer or reassign duly elected officers, delegates and alternates of the Union without prior consultation with the Union. The number of elected officers, delegates and alternates shall not number more than thirty-five (35) for this purpose. The Union shall keep the Employer informed in writing of the names of its officials, delegates and alternate delegates and shall notify the Employer within eight (8) calendar days of any changes.

ARTICLE XIII - PHYSICAL FACILITIES & SAFETY

Section 1.

The Employer shall make reasonable effort to provide adequate, clean, safe and sanitary office and working space, in compliance with the applicable laws for all employees covered by this Agreement. The Employer shall, where feasible, provide each employee covered by this Agreement with the basic equipment, forms, books and other supplies required in the performance of the employee's work together with space for the overnight storage of same.

Section 2.

Whenever possible, all new code enforcement centers shall be air-conditioned and, if practicable, old centers not yet air-conditioned shall be converted to such as soon as possible.

Section 3.

The Department of Housing Preservation and the Department of Buildings' employees covered by this Agreement who are assigned to field inspection work in areas where there is a high incidence of crime, as may be determined by the City, shall be assigned to work in two-men teams. The two men assigned to such a team need not necessarily both be inspectors. The additional person, if not an inspector, shall be an able bodied civil service employee. The determination of the City in this matter shall not be subject to the grievance procedure. The operation of this provision shall be reviewed on a regular basis by the Labor-Management Committee.

ARTICLE XIV - WORK SCHEDULE

A change in work schedules affecting 50% of a unit or 30 or more in a unit of employees shall be made by the Employer only after prior discussion with the Union.

A unit of employees shall consist of a group of employees in the Department of Housing Preservation and Development and the Department of Buildings performing like or comparable functions, i.e., night emergency, Citywide squad, Borough operations, RESCU, Manhattan Plumbing Inspectors and Citywide Borough Inspectors.

ARTICLE XV - PERSONNEL RECORDS

Within one week following a written request by the Union, the Employer shall make available for perusal by the Union such records in the possession of the Employer which indicate the name, address, employee number, status and effective dates of the appointment, reinstatement, promotion, retirement or other separation of any employee.

ARTICLE XVI - PARKING FACILITIES

The Employer shall, where feasible, make parking spaces available for the personal cars of employees receiving car allowances, on-street or off-street, near the various reporting locations, without any cost to the employee.

ARTICLE XVII - MISCELLANEOUS PROVISIONS

Section 1.

Where feasible, the Employer agrees to determine and set aside during part of the regular work days the appropriate amount of time necessary for employees covered by this Agreement to perform the required writing, filing of forms and filing of papers regarding each inspection, observance or examination they perform.

Section 2.

Supervisory personnel or their subordinates selected by the Employer to present the Employer's position at any step of the grievance or disciplinary procedure set forth in Article VI of this Agreement shall not serve as either Hearing Examiner or Hearing Officer in the same matter at any other step of said procedure

ARTICLE XVIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIX - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XX - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XXI - CONTRACTING-OUT CLAUSE

The problem of "Contracting Out" or "Farming Out" of work normally performed by personnel covered by this Agreement shall be referred to the Labor-Management Committee as provided for in Article XI of this Agreement.

ARTICLE XXII - CIVIL SERVICE AND CAREER DEVELOPMENT

A joint committee composed of representatives of the Offices of Management and Budget, Labor Relations, the Department of Citywide Administrative Services, the Department of Housing Preservation and Development, the Department of Buildings and the Union shall meet to study problems related to career development and retention of personnel, and where necessary make recommendations to the appropriate Employer officials.

Re: 1995-99 Building and Construction Inspectors Agreement

Dear Mr. Corso:

This is to clarify our mutual understanding that the addition of the word *written* in the grievance procedure in Article VI, Section 1 of the Agreement between the City of New York and the Allied Building Inspectors for the above period will not change the Union's ability to grieve a verbal order of a superior which is alleged to violate a written policy or order of an agency.

Very truly yours,

Dear Mr. Corso:

This is to confirm our mutual agreement and understanding that the work week of all titles currently members of your bargaining unit, shall be increased from thirty five (35) hours per week to forty (40) hours per week with a corresponding hourly increase in salary and benefits for the additional five (5) hours of employment.

The increased work week is anticipated to be implemented on or about July 5, 1998.

Very truly yours,
James F. Hanley

ASSISTANT DEPUTY WARDENS/DEPUTY WARDENS
1995-2000 Agreement

AGREEMENT made this 3rd day of August, 1998, by and between the City of New York (hereinafter called the "City"), acting by the Commissioner of Labor Relations, and the Assistant Deputy Wardens Association (hereinafter called the "Union"), for the sixty-four month period from August 1, 1995 to November 30, 2000.

WITNESSETH:

WHEREAS, the Assistant Deputy Wardens, Deputy Wardens, Deputy Wardens-in-Command, Warden (Correction) Level I, and Warden (Correction) Level II employed by the City have duly designated the Union as their exclusive bargaining representative for the purpose of collective bargaining with the City with respect to wages, hours and conditions of employment; and

WHEREAS, the Union and the City desire to cooperate in establishing conditions which will tend to secure standards and conditions of employment consistent with the dignity of Assistant Deputy Wardens, Deputy Wardens, Deputy Wardens-in-Command, Warden (Correction) Level I, and Warden (Correction) Level II, and to provide methods for fair and peaceful adjustment of disputes that may arise between the Union and the City; and

WHEREAS, as a result of collective bargaining the parties have reached an agreement which they desire to reduce to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The City recognizes the Union as the sole and exclusive collective bargaining representative for the unit consisting of the employees of New York City in the titles of Assistant Deputy Warden; Warden (Correction) Level I; Warden (Correction) Level II detailed as Deputy Warden; and Warden (Correction) Level II detailed as "Deputy Warden-in-Command") (except for the position found to be confidential in Decision #21-95) hereinafter referred to under the general term of "Assistant Deputy Warden", "Deputy Warden", and "Deputy Warden-in-Command," respectively.

Section 2.

Except as otherwise provided herein, for purposes of this Agreement, the terms "employee", "employees", "Assistant Deputy Warden", "Deputy Warden" and "Deputy Warden-in-Command" shall be interchangeable and shall relate solely to employees in the unit described in Section 1 of this Article.

ARTICLE II - UNION SECURITY- DUES CHECKOFF

Section 1.

All employees covered by this Agreement shall be free to become and remain members of the Union in good standing.

Section 2.

The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in the unit in accord with the Mayor's Executive Order No. 98, dated May 15, 1969 entitled "Regulations Regulating the Checkoff of Union Dues" and in accord with the Mayor's Executive Order No. 107, dated December 29, 1986 entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" and any executive orders which amend or supersede said Executive Orders.

Section 3.

An employee may consent in writing to the authorization of the deduction of dues from his wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form, acceptable to the City, which bears the signature of the employee.

Section 4.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference.

ARTICLE III - HOURS AND OVERTIME

Section 1.

Overtime performed by Deputy Wardens and Deputy Wardens-in-Command shall be compensated for in compensatory time off at the rate of time and one-half when such overtime is ordered by the Commissioner, or the Chief of Department, N.Y.C. Department of Correction, or their designee, or is performed during an emergency without prior approval and when requests for compensation therefor after performance of such overtime are forwarded through channels together with recommendations and are approved by the Chief of Department, or designee, for such purposes.

Section 2.

a. All ordered and/or authorized overtime in excess of forty (40) hours in any week or in excess of the hours required of an Assistant Deputy Warden by reason of his/her regular duty chart if a week's measurement is not appropriate, whether of an emergency nature or of a non-emergency nature, shall be compensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the Assistant Deputy Warden. Such cash payments or compensatory time off shall be computed on the basis of fifteen (15) minute segments.

b. In order to preserve the intent and spirit of this Section on overtime compensation, there shall be no rescheduling of Assistant Deputy Wardens' days off and/or tours of duty except as provided below. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory re-assignment of personnel to different days off and/or tours of duty. Notwithstanding anything to the contrary contained herein, the Department shall not have the right to reschedule Assistant Deputy Wardens' tours of duty, except that the Department shall have the right to reschedule Assistant Deputy Wardens' tours of duty on five occasions per year for training purposes without payment of pre or post-tour overtime provided that the Department gives at least 24 hours advance notice to the employee whose tours are to be rescheduled.

c. Overtime shall be computed on a monthly basis and the Department shall make every reasonable effort to pay such overtime within six (6) weeks following the submission of the monthly report.

d. Effective July 1, 1990 the Department shall establish a 21 hour overtime bank for all Assistant Deputy Wardens whereby the first 21 hours of overtime actually worked each year by an Assistant Deputy Warden shall not be compensable.

In addition, the Department shall establish a 47.5 hour overtime bank for all Assistant Deputy Wardens promoted on or after November 1, 1992 whereby the first 47.5 hours of overtime actually worked each year by an Assistant Deputy Warden promoted on or after November 1, 1992 shall not be compensable.

Effective July 1, 1994, the overtime banks in this section will be reduced according to the following schedule:

1. After four (4) years in service as an Assistant Deputy Warden, the overtime bank will be reduced by 8-1/2 hours.

2. After five (5) in service as an Assistant Deputy Warden, the overtime bank will be reduced by an additional 8-1/2 hours, for a total reduction of 17 hours.

3. After six (6) years in service as an Assistant Deputy Warden, the overtime bank will be reduced by an additional four hours for a total reduction of 21 hours.

ARTICLE IV - RECALL AFTER TOUR

Any Assistant Deputy Warden who is recalled to duty after having completed the employee's regular tour of duty shall receive pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off at the sole option of the employee at the rate of time and one-half for the time actually worked. The Department will issue a directive to the heads of all commands informing them that an Assistant Deputy Warden who is recalled shall be put to work.

ARTICLE V - COMPUTATION OF BENEFITS

Since the average basic forty-hour week has not been changed by this Agreement, the current standard practice for the computation of compensation for holidays, vacation days, personal leave days, annuity fund contributions and other relevant benefits, shall continue to be calculated on the basis of an eight-hour work day.

b. Increments - granted annually on anniversary date.

Section 2.

A laid off employee who is returned to service in the employee's former title or in a comparable title from a preferred list, shall receive the basic salary rate that would have been received by the employee had the employee never been laid off, up to a maximum of two (2) years of general salary increases.

Section 3. - General Wage Increase

a. (i) Effective August 1, 1997, Employees shall receive a rate increase of 3%.

(ii) Effective November 1, 1998, Employees shall receive an additional rate increase of 3%.

(iii) Effective October 1, 1999, Employees shall receive an additional rate increase of 6%.

b. The increases provided for in this Section 3a above shall be calculated as follows:

(i) The increase in Section 3a(i) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on July 31, 1997; and

(ii) The rate increase in Section 3a (ii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on October 31, 1998.

(iii) The rate increase in Section 3a (iii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on September 30, 1999.

c. The general increase provided in this Section 3 shall be applied to the base rates and salary grades fixed for the applicable titles, except to the extent that the base rates and salary grades are modified by Section 3d and 3e below.

d. Employees promoted to Assistant Deputy Warden on or after January 1, 1995 and prior to July 1, 1998 shall be subject to the salary schedule set forth in Section 1a(iv) above.

e. Employees promoted to Assistant Deputy Warden on or after July 1, 1998 shall be subject to the salary schedule set forth in Section 1a(v) above.

Section 4.

Paychecks shall be delivered to commands by 3:00 p.m. on the Thursday preceding payday for distribution after 3:00 p.m. on said Thursday.

Section 5. - Salary Itemization

The Department shall make available in convenient places in each command the appropriate payroll work sheets for the purpose of enabling each employee to verify the salary components of the employee's paycheck. The parties will review further the feasibility of otherwise advising each employee of all payroll components along with the employee's paycheck.

ARTICLE VII - UNIFORM ALLOWANCE

In Fiscal Years 1996, 1997, 1998, 1999, 2000 and 2001, the City shall pay to each employee, except as noted below, a uniform allowance of $980 in accord with the existing standard procedures.

In FY 1996, the City shall pay to each Deputy Warden and/or Deputy Warden-in-Command a uniform allowance of $980 in accord with the existing standard procedures pro-rated for the period of FY 1996 during which the uniform allowance is deemed to have been included in the employees' regular earnings.

ARTICLE VIII - LONGEVITY ADJUSTMENTS

Section 1.

a. Longevity adjustments shall continue to be paid as follows:

(i) Upon the completion of five years of service, employees shall receive a longevity adjustment of $2,000.

(ii) Upon completion of ten years of service, employees shall receive a longevity adjustment of an additional $1,000.

(iii) Upon completion of fifteen years of service, employees shall receive a longevity adjustment of an additional $1,000.

(iv) Upon completion of twenty years of service, employees shall receive a longevity adjustment of an additional $1,000.

b. Effective August 1, 2000, the annual longevity differential payments shall be increased from $2,000 to $2,595 after five years of service; $3,000 to $3,595 after 10 years of service; $4,000 to $4,595 after 15 years of service; and $5,000 to $5,595 after 20 years of service.

c. The adjustment after the 5th and 10th years shall not be computed as salary for pension purposes until after completing 20 years of service. The adjustment after the 15th and 20th years shall not be computed as salary for pension purposes until after completion of 25 years of service. In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments. Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

d. The calculation of night shift differential payments shall be based upon the same factors, amounts and methodology as previous utilized.

e. ITHP and pension benefit calculations shall only include the amount of the longevity payment that is pensionable.

ARTICLE IX - PAYMENT FOR HOLIDAY WORK

Each employee shall receive eleven (11) paid holidays annually, payments for which shall be made in accord with existing procedures.

The payment for calendar year 1996 shall be pro-rated for Deputy Warden and Deputy Warden-in-Command for the period of CY 1996 during which the payment for holidays is deemed to have been included in the employees' regular earnings.

ARTICLE X - LEAVES

Section 1. - Sick Leave

a. Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect, whether or not service-connected in accordance with existing procedures.

b. Effective January 1, 1990:

(i) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect which is service-connected pursuant to Section 14-122.1 of the Administrative Code.

(ii) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect, whether or not service-connected.

Section 2. - Death-in-Family Leave

In the event of a death in an employee's immediate family and upon application to and approval of the employee's commanding officer or supervisory head, an employee shall receive leave with pay not exceeding four (4) consecutive regular tours of duty. For the purposes of this Section, the phrase, "Immediate Family", shall include any of the following: (a) a spouse; (b) a natural, foster or step-parent, child, brother or sister; (c) a father-in-law or mother-in-law or (d) any relative residing in the employee's household. The commanding officer or supervisory head granting such leave shall verify the death and relationship of the deceased. If the deceased was in the military service of the United States at the time of death, the employee requesting leave shall produce the official notice of death.

Section 3. - Military Leave

Military leave not exceeding a total of thirty (30) days in one calendar year and not exceeding thirty (30) days in any one continuous period of such absence shall be granted with pay to satisfy military obligations.

Section 4. - Special Excusals

Excused time accorded to other personnel employed by the City under circumstances such as excusals for the Dr. Martin Luther King, Jr. and the Senator Robert F. Kennedy funerals and the Moon Landing Observation Day shall be granted equally to employees covered by this Agreement. All compensating days off shall be subject to the exigencies of the Department.

Section 5. - Leave to Attend Hearings

Individual employee grievants shall be granted leave with pay for such time as is necessary to testify at arbitration hearings.

Leave with pay shall be granted to three (3) employees who are named grievants in a group arbitration proceeding, for such time as is necessary for them to testify at their group arbitration hearings.

Leave with pay for such time as is necessary to testify at their hearings shall be granted to employees who, after final adjudication of proceedings under Section 210 paragraph 2h of the Civil Service Law are determined not to have been in violation of Section 210.

ARTICLE XI - VACATIONS

Section 1.

a. Effective July 1, 1994, the Department shall provide the authorized annual vacations of twenty-seven (27) work days to Assistant Deputy Wardens promoted prior to November 1, 1992.

b. Effective July 1, 1994, for Assistant Deputy Wardens promoted on or after November 1, 1992 and prior to January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	21 days
2nd year	22 days
3rd year	23 days
4th year	24 days
5th year	25 days
6th year	27 days

c. Effective July 1, 1994, for Assistant Deputy Wardens promoted on or after January 1, 1995 the Department shall provide the authorized annual vacations as follows:

1st year	20 days
2nd year	21 days
3rd year	22 days
4th year	23 days
5th year	24 days
6th year	26 days

d. Employees covered by Article XI, Section 1. b. and c. who are promoted to Deputy Warden and/or Deputy Warden-in-Command on or after June 18, 1996, shall continue on their respective reduced vacation schedule for the portion of time remaining as if they had remained in the title Assistant Deputy Warden.

e. Effective July 1, 1998, the Department shall provide all employees the authorized annual vacations of twenty-six (26) work days.

f. Effective July 1, 1998, for employees promoted on or after November 1, 1992 and prior to January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	20 days
2nd year	21 days
3rd year	22 days
4th year	23 days
5th year	24 days
6th year	26 days

g. Effective July 1, 1998, for employees promoted on or after January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	19 days
2nd year	20 days
3rd year	21 days
4th year	22 days
5th year	23 days
6th year	25 days

h. In addition to the reduced schedule set forth in this Section 1. e., f. and g., in the vacation year July 1998 through June 1999, only, all employees shall have their annual leave entitlement reduced by one (1) annual leave day.

Section 2.

Vacations shall be scheduled in accordance with existing procedures.

Section 3.

The Department agrees to allow employees to use their accrued vacation days in the vacation year in which they are earned subject to the exigencies of the Department.

Section 4. - Accrual of Vacation

If the Department of Correction calls upon an employee in writing to forego the employee's vacation or any part thereof that portion up to a maximum of three (3) weeks of vacation shall be carried over until such time as it can be liquidated in the following calendar year subject to the following conditions:

(1) the selection of such vacation days shall be in the discretion of and subject to the exigencies of the Department; and

(2) the selection of such days in the following calendar year shall be made after the regular vacation picks; and

(3) the utilization of this vacation time shall be restricted to the months of January through May and September through November.

It is the intention of the Department of Correction to allow an employee to request permission to accrue vacation consistent with this provision and to grant such requests which are reasonable.

ARTICLE XII - HEALTH AND HOSPITALIZATION BENEFITS

Section 1.

The City shall continue to provide a fully paid choice of health and hospitalization insurance plans for each employee, not to exceed 100% of the full cost of HIP-HMO on a category basis. There will be an annual reopening period during the term of this Agreement for active employees to exercise their choice among medical plans.

Section 2.

Retirees shall have the option of changing their previous choice of Health Plans. This option shall be:

(a) a one time choice;

(b) exercised only after one (1) year of retirement; and

(c) can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three (3) months after the month in which the application has been received by the New York City Health Insurance Program.

Effective with the reopener period for Health Insurance subsequent to July 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

Section 3.

a. Effective July 1, 1983 and thereafter, the City's cost for each employee and for each retiree under age 65 shall be equalized at the community rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family, e.g. the GHI-CHP/Blue Cross payment for family coverage shall be equal to the HIP/HMO payment for family coverage.

b. If a replacement plan is offered to employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided in Section 3a, the City shall not bear the additional costs.

c. The City (and other related Employers) shall continue to contribute on a City employee benefits program-wide basis the additional annual amount of $30 million to maintain the health insurance stabilization reserve fund which shall be used to continue equalization and protect the integrity of health insurance benefits. The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the GHI-CBP/Blue Cross plan; and, if sufficient funds are available, to fund new benefits.

The health insurance stabilization reserve fund shall be credited with the divisions or reduced by the losses attributable to the GHI-CBP/Blue Cross plan.

d. In the event that there is a Citywide or program-wide health insurance package which exceeds the cost of the equalization and stabilization fund described above, the parties may negotiate reconfiguration of this package which in no event will provide for costs in excess of the total costs of this Agreement as set forth herein. However, it is understood that the ADW/DWA will not be treated any better or any worse than any other Union Participating in the Citywide or Program-wide Health Program with regard to increased health insurance costs.

Section 4.

Where an employee is suspended without pay prior to disciplinary trial for disciplinary reasons for more than 30 days, the employee shall receive full health and hospitalization benefit coverage during the period of the suspension following the first 30 days. Where an employee is subsequently restored to full pay status, as of the date of suspension, the employee shall be restored to full health and hospitalization coverage for the first 30 days of the suspension.

Section 5. Health Care Flexible Spending Account.

a. A flexible health care spending account shall be established after July 1993 pursuant to Section 125 of the IRS Code. Those employees eligible for New York City health plan coverage as defined on page 32, section 4(B) of the 1992 New York City Health Summary Program Description shall be eligible to participate in the account. Participating employees shall contribute at least $260 per year up to a maximum of $1,000 per year. Said contribution minimum and maximum levels may be modified by the MLC Health Advisory Committee based on experience of the plan. Any unfunded balance may be deducted from final salary payments due an employee.

b. Expenses of the account shall include but not be limited to deductibles, co-insurance, co-payments, excess expenses beyond plan limits, physical exams and health related transportation costs for vision, dental, medical and prescription drug plans where the employee and dependents are covered. In no case will any of the above expenses include those non-deductible expenses defined as non-deductible in IRS Publication 502.

c. An administrative fee of $1.00 per week for the first year shall be charged for participation in the program. An employee's participation in the account is irrevocable during a plan year. At the close of the plan year any excess balance in an employee's account will not be refunded.

ARTICLE XIII - SECURITY BENEFITS FUND

Section 1.

a. Effective August 1, 1995, the City shall contribute the pro-rata annual amount of $925 for each Assistant Deputy Warden for remittance to the Security Benefits Fund of the Assistant Deputy Wardens Association of the City of New York ("Welfare Fund") pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

Effective with the start of the twenty-eight day cycle beginning June 29, 1996, the City shall contribute the pro-rata annual amount of $925.00 for each active Deputy Warden and/or Deputy Warden-in-Command to the Security Benefits Fund of the Assistant Deputy Wardens Association of the City of New York ("Welfare Fund") pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

b. Effective August 1, 2000, the Employer shall increase the pro-rata annual amount to $978.

c. Effective October 1, 2000, the Employer shall increase the pro-rata annual amount to $1,125.

d. To the extent permitted by law, part of the amounts so contributed may be applied to maintain an appropriate legal services plan, pursuant to the terms of a supplemental agreement between the parties as approved by the Corporation Counsel.

e. Effective August 1, 1995, employees who have been separated from service subsequent to December 31, 1970, and who were covered by the Security Benefits Fund of the Assistant Deputy Wardens Association at the time of such separation pursuant to a supplementary agreement between the City and the ADWA shall continue to be so covered, subject to the provisions of Section 1(a) hereof, on the same contributory basis as incumbent employees. Contributions shall be made only for such time as said individuals remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such Program.

f. Deputy Wardens and Deputy Wardens-in-Command who have retired and have been covered by the Management Benefits Fund shall remain in the Management Benefits Fund for as long as they are otherwise entitled.

g. The Union agrees to provide Welfare Fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

h. Civil Legal Representation Fund

Effective August 1, 1995, the City shall contribute $75 per annum for each active Assistant Deputy Warden to the Welfare Fund to establish a civil legal representation fund pursuant to the terms of a supplemental agreement between the City and the Union as approved by the Corporation Counsel. While these funds shall be administered by the applicable Welfare Fund, they are to be maintained in a separate account and shall not be commingled with the other monies received by the Welfare Fund. Only the $75 provided above may be used for civil legal representation. No additional monies from the Welfare Fund may be used for civil legal representation.

Effective with the start of the twenty-eight day cycle beginning June 29, 1996, the City shall contribute the pro-rata annual amount of $75.00 for each active Deputy Warden and/or Deputy Warden-in-Command to the Welfare Fund to establish a civil legal representation fund pursuant to Article XIII, Section 1. h.

i. Such payments shall be made pro-rata by the City every twenty-eight (28) days.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the date of the suspension, the employee shall receive full Security Benefits Fund coverage for the period of the suspension.

ARTICLE XIV - ANNUITY FUND

Section 1.

a. Effective August 1, 1995, the City shall continue to contribute for each Assistant Deputy Warden the following amounts per day for each day for which such employee is paid by the City:

Daily Amount	Per Annum Amount
$2.79	$728.19

Effective with the start of the twenty-eight day cycle beginning June 29, 1996, the City shall contribute for each Deputy Warden and/or Deputy Warden-in-Command the following amounts per day for each day for which such employee is paid by the City:

Daily Amount	Per Annum Amount
$2.79	$728.19

The total annual contribution hereunder for each employee on a full pay status for an entire year shall be $728.19, provided however, that the total annual contribution hereunder for any employee shall not exceed $728.19. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

b. Effective August 1, 2000, the City shall contribute for all employees promoted to Assistant Deputy Warden prior to July 1, 1990, and for all Deputy Wardens and Deputy Wardens-in-Command $4.29 per day for which such employee is paid by the City up to a maximum annual contribution of $1,119.69.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the effective date of the suspension, the employee shall receive full annuity fund coverage for the period of the suspension.

ARTICLE XV - GENERAL

Section 1. - Safety Helmets

The City agrees to furnish a safety helmet and equipment when required.

Section 2. - Maintenance of Facilities

All commands and other Departmental places of assignment shall have adequate heating, hot water and sanitary facilities. The Union shall give notice to the Department of any failure to maintain these conditions. If not corrected by the Department within a reasonable time, the Union may commence a grievance at Step 2 of the grievance procedure concerning that failure.

Section 3. - Semi-Private Hospital Accommodations for Line-of-Duty Injuries

The City shall prepare, submit and support legislation to provide semi-private hospital accommodations for employees injured in the line-of-duty.

Section 4. - Meal Scheduling

Employees shall not be assigned meals as a matter of practice during either the first hour and one-half or last hour and one-half of their tours. In cases of emergency this practice may be altered.

Section 5. - Lump Sum Payments

Where an employee has an entitlement to accrued annual leave and/or compensatory time, and the City's fiscal condition requires employees who are terminated, laid off or who choose to retire in lieu of layoff to be removed from the payroll on or before a specific date, or where an employee reaches the mandatory retirement age, the Employer shall provide a monetary value of accumulated and unused annual leave and/or compensatory time allowances standing to this credit in a lump sum. Such payments shall be in accordance with the provisions of Executive Order 30, dated June 24, 1975.

Where an employee has an entitlement to terminal leave and the City's fiscal situation requires that employees who are terminated, laid off or retired be removed from the payroll on or before a specific date, or where an employee reached the mandatory retirement age, the Employer shall provide a monetary lump sum payment for terminal leave in accordance with the provisions of Executive Order 31, dated June 24, 1975.

Section 6. - Interest Payments

Interest on wage increases shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days after execution of this Agreement or one hundred-twenty (120) days after the effective date of the increase, whichever is later, to the date of actual payment. Interest on longevity and step-up increments, differentials and holiday pay shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days after the execution of this Agreement, or one hundred-twenty (120) days following its earning, whichever is later, to the date of actual payment. Interest on overtime pay shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days following its earning or one hundred-twenty (120) days following the employee's submission of an overtime report, whichever is later. Interest accrued pursuant to this paragraph shall be payable only if the amount of interest due to an individual employee exceeds five dollars ($5.00).

Section 7. - Layoffs

Where layoffs are scheduled the following procedure shall be used:

1. Notice shall be provided to the Union not less than thirty (30) days before the effective dates of such projected layoffs.

2. Within such 30-day period designated representatives of the Employer will meet and confer with the designated representatives of the Union with the objective of considering feasible alternatives to all or part of such scheduled layoffs, including but not limited to (a) the transfer of employees to agencies with re-training, if necessary, consistent with the Civil Service Law but without regard to Civil Service title, (b) the use of Federal and State funds whenever possible to retain or re-employ employees scheduled for layoff, (c) the elimination or reduction of the amount of work contracted out to independent contractors and (d) encouragement of early retirement and the expediting of the processing of retirement applications.

When a layoff occurs, the Department will provide the Union with a list of employees who are on a preferred list with the original date of appointment utilized for the purpose of such layoff.

Section 8. - Public Transportation

The City and the Union will use their best efforts to effect free transportation on buses and subways for employees covered by this Agreement.

Section 9. - Personnel Folder

The Department will upon written request to the Deputy Chief of Operations for Personnel by the individual employee, remove from the Personnel folder, investigative reports which upon completion of the investigation are classified exonerated and/or unfounded.

ARTICLE XVI - UNION ACTIVITY

Section 1.

Time spent by Union officials and representatives in the conduct of labor relations shall be governed by the provisions of Mayor's Executive Order No. 75, as amended, dated March 22, 1973, or any other applicable Executive Order or local law, or as otherwise provided in this Agreement. No employee shall otherwise engage in Union activities during the time the employee is assigned to the employee's regular duties.

Section 2.

Union officers and delegates shall be recognized as representatives of the Union within their respective commands. For the purpose of attending the regularly scheduled monthly meeting, Union delegates shall be excused from duty if the meeting coincides with the delegate's scheduled tour, provided that the command has received at least seventy-two (72) hours advance notice of such request for excusal.

Section 3.

The Department of Correction will issue a memorandum to all heads of institutions instructing them to discuss labor/management problems with alternate Union delegates when a regular delegate is not available, and such alternate will be released for the regularly scheduled monthly meeting when the regular delegate is unable to attend said monthly delegate meeting because of illness which requires remaining at home or hospitalization, or absence from the New York metropolitan area on leave or by assignment, or required court appearance.

ARTICLE XVII - NO DISCRIMINATION

In accord with applicable law, there shall be no discrimination by the City against any employee because of Union activity.

ARTICLE XVIII - BILL OF RIGHTS

The Guidelines for Interrogation of members of the Department in force at the execution date of this Agreement will not be altered during the term of this Agreement, except to reflect subsequent changes in the law or final decisions of the Supreme Court of the United States and the Court of Appeals of the State of New York regarding the procedures and conditions to be followed in the interrogation of a member of the Department. No less than two (2) weeks' written notice of such proposed alteration of the said Guidelines shall be given to the Union.

ARTICLE XIX - NIGHT SHIFT DIFFERENTIAL

a. Effective July 1, 1980 a 10% night shift differential shall continue to be paid to all employees assigned to rotating tours of duty for all work actually performed between the hours of 4:00 p.m. and 8:00 a.m. Effective July 1, 1980 a 10% night shift differential shall continue to be paid to all other employees for work actually performed between the hours of 4:00 p.m. and 8:00 a.m., provided that more than one (1) hour is actually worked after 4:00 p.m. and before 8:00 a.m.

b. Where overtime compensation is to be calculated for tours in the regular duty chart, the overtime calculation shall be based on the rate paid for the tour to which the overtime is attached; for tours not in the regular duty chart, the overtime calculation shall be based on that rate paid for half or more the hours of the tour to which the overtime is attached.

c. For all employees promoted to Assistant Deputy Warden on or after November 1, 1992:

Effective February 1, 1993, 75% of the night shift differential as described in paragraph "a" above earned by a similarly situated Assistant Deputy Warden promoted prior to November 1, 1992 shall be paid until the employee has completed five (5) years of service as an Assistant Deputy Warden.

d. Employees covered by paragraph c. who are promoted to Deputy Warden and/or Deputy Warden-in-Command on or after June 17, 1996, shall continue to receive the reduced night shift differential set forth in paragraph c. for the portion of time remaining as if they had remained in the title Assistant Deputy Warden.

This paragraph d. shall not apply to employees promoted to Deputy Warden and/or Deputy Warden-in-Command prior to June 17, 1996.

e. Night-shift differential for Deputy Wardens and Deputy Wardens-in-Command shall be applicable to paid tours only.

ARTICLE XX - GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. - Definition

For the purpose of this Agreement the term "grievance" shall mean:

a. a claimed violation, misinterpretation or inequitable application of the provisions of this Agreement;

b. a claimed violation, misinterpretation or misapplication of the rules, regulations, or procedures of the agency affecting terms and conditions of employment, provided that, except as otherwise provided in this Section 1a, the term "grievance" shall not include disciplinary matters;

c. a claimed violation, misinterpretation or misapplication of the Guidelines for Interrogation of Members of the Department referred to in Article XVIII of this Agreement;

d. a claimed improper holding of an open-competitive rather than a promotional examination;

e. a claimed assignment of the grievant to duties substantially different from those stated in the employee's job title specification.

Section 2.

The grievance procedure, except for paragraph d. of Section 1 above, shall be as follows:

Step I - The employee and/or the Union shall present the grievance or in the form of a memorandum to the "Head of the Facility" not later than ninety (90) days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The Head of the Facility shall take any steps necessary to a proper disposition of the grievance and shall reply in writing by the end of the third work day following the date of submission.

Step II - An appeal from an unsatisfactory decision at Step I shall be presented in writing to the agency head or the designated representative. The appeal must be made within five (5) working days of the receipt of the Step I decision. The agency head or the designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a decision by the end of the tenth work day following the date on which the appeal was filed.

Step III - An appeal from an unsatisfactory decision at Step II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations, in writing, within ten (10) working days of the receipt of the Step II decision. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or designee, shall review all appeals from Step II decision and shall answer such appeals within fifteen (15) working days.

Step IV - An appeal from an unsatisfactory decision at Step III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) working days of receipt of the Step III decision. In addition, the City shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance." The City shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accord with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the City. The decision or award of the arbitrator shall be final and binding in accord with applicable law and shall not add to, subtract from or modify any contract, rule, regulation, existing policy or order mentioned in Section 1 of this Article.

Section 3.

As a condition to the right of a Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee or employees and the Union to submit the underlying dispute to any other administration or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

Any grievance of a general nature affecting a large group of employees and which concerns the claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement shall be filed at the option of the Union at Step III of the grievance procedure, without resort to previous steps.

Section 5.

If a decision satisfactory to the Union at any level of the grievance procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at Step III of the grievance procedure; or if a satisfactory Step III decision has not been so implemented, the Union may institute a grievance concerning such failure to implement at Step

IV of the grievance procedure.

Section 6.

If the City exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may invoke the next step of the procedure, except, however, that only the Union may invoke impartial arbitration under Step IV.

Section 7.

The City shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty eight (48) hours' notice of all grievance hearings.

Section 8.

Each of the steps in the grievance procedure, as well as time limits prescribed at each step of this grievance procedure, may be waived by mutual agreement of the parties.

Section 9.

a. Any grievance relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The decision shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within fifteen (15) days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within seventy-five (75) days of its presentation to him. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Union and the City.

Section 10.

The availability of the grievance or arbitration procedure shall not justify a failure to follow orders.

Section 11.

The grievance and arbitration procedures contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievance" herein. This Section shall not be construed in any manner to limit the statutory rights and obligations of the City under Article XIV of the Civil Service Law.

ARTICLE XXI - LINE-OF-DUTY DEATH BENEFIT

In the event an employee dies because of line-of-duty injury received during the actual and proper performance of Assistant Deputy Warden, Deputy Warden, and/or Deputy Warden-in-Command service relating to the alleged or actual commission of an unlawful act, or directly resulting from a characteristic hazard of Assistant Deputy Warden, Deputy Warden, and/or Deputy Warden-in-Command duty, through no fault of the employee's, a payment of $25,000 shall be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the beneficiary designated under the Retirement System or, if no beneficiary is so designated to the estate of the deceased.

ARTICLE XXII - DEATH BENEFIT-UNUSED LEAVE AND COMPENSATORY TIME

If an employee dies while employed by the City, the employee's beneficiary designated under the Retirement System or, if no beneficiary is so designated, the deceased's estate shall receive payment in cash for the following as a death benefit:

a. All unused accrued leave up to a maximum of fifty-four (54) days' credit;

b. All unused accrued compensatory time earned subsequent to January 1, 1971 which is verifiable by official Department records up to a maximum of two hundred (200) hours.

ARTICLE XXIII - NO STRIKES

In accord with applicable law, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, or mass absenteeism, or induce any mass resignation during the term of this Agreement.

ARTICLE XXIV - BULLETIN BOARDS

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for employees to read. All notices shall be on Union stationery, shall be used only to notify employees of matters pertaining to Union affairs, and shall not contain any derogatory or inflammatory statements concerning the City, the Department, or personnel employed by either entity.

ARTICLE XXV - NO WAIVER

Except as otherwise provided in this Agreement, the failure to enforce any provision of this Agreement shall not be deemed a waiver thereof. This Agreement is not intended and shall not be construed as a waiver of any right or benefit to which Assistant Deputy Wardens, Deputy Wardens, and/or Deputy Wardens-in-Command are entitled by law.

ARTICLE XXVI - SAVINGS CLAUSE

If any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XXVII - LABOR-MANAGEMENT COMMITTEE

Section 1.

The City and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty (50) employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the grievance procedure shall not be appropriate items for consideration by the labor-management committees.

Section 3.

Each labor-management committee shall consist of six (6) members who shall serve for the term of this Agreement. The Union shall designate three (3) members and the agency head shall designate three (3) members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one (1) alternate. Each committee shall select a chairman from among its members at each meeting. The chairmanship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

At the request of either the Department of Correction or the Assistant Deputy Wardens/Deputy Wardens Association, a representative of the Office of Labor Relations will sit in on the Labor Management Committee.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the City members at times mutually agreeable to both parties. At least one (1) week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of a committee.

ARTICLE XXVIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law including the New York State Financial Emergency Act for the City of New York, as amended.

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement that the City and the Assistant Deputy Wardens Association ("ADWA") jointly drafted, introduced and supported legislation to be enacted providing Tiers 2 and 3 Assistant Deputy Wardens, Deputy Wardens and Deputy Wardens-in-Command represented by the ADWA with half pay pension after 20 years of service and the right to vest after 15 years of service. In addition, such legislation provided that upon the death of a plan participant with more than fifteen years of service, the plan participant's contributions shall be paid to his or her beneficiary.

Said Assistant Deputy Wardens, Deputy Wardens and Deputy Wardens-in-Command shall be required to make additional pension contributions in the amounts specified below:

Category of Employee	Additional Contributions
Employees who are in the rank of Captain or above prior to 11/1/92	5.59%
Employees who are promoted to the rank of Captain on or after 11/1/92	7.46%

These additional amounts shall not be subject to social security offset or loans.

Concurrent with the implementation of such legislation, there shall also be an additional employee contribution of .69% of payroll for employees who are in the rank of Captain or above prior to 11/1/92 and 1.06% of payroll for employees who are promoted to the rank of Captain on or after 11/1/92 to fund the increased cost of health insurance and welfare fund coverage for this new category of retirees. These amounts shall be paid into a separate fund maintained for this purpose.

It is further agreed that the parties will make their best efforts to provide that all contributions as provided herein will not be included in employees' income for federal income tax purposes while such contributions are being made, pursuant to the relevant provisions of the Internal Revenue Code.

In no event shall the enabling legislation result in a variation of the agreement between the City and the Assistant Deputy Wardens/Deputy Wardens Association.

The provisions of the above agreement shall not become final and binding unless and until the State Legislature and the Governor enact into law, the provisions of the enabling legislation. If for any reason the enabling legislation is not enacted into law, then the above agreement shall be rendered null and void from its inception, and the parties shall be required to negotiate an entirely new agreement.

In the event that any provision of the enabling legislation once enacted into law shall for any reason be adjudged to be invalid or unconstitutional by a Court of competent jurisdiction, the above agreement shall cease *nunc pro tunc* and the parties shall be required to negotiate a new agreement.

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding Article XIV of the above Agreement.

The ADW/DWA has sufficient funds available from its collective bargaining agreement to provide a one-time payment to the Civil Legal Representation Fund in the amount of $26,758.00.

As soon as practicable, the Civil Legal Representation Fund Agreement will be amended in order to effectuate the one-time payment of these monies.

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding the increased number of appearances required by certain Assistant Deputy Wardens as follows:

Each employee promoted to Assistant Deputy Warden after July 1, 1990 shall be required to work six (6) additional tours per year beyond the number required for a similarly situated incumbent Assistant Deputy Warden.

Effective July 1, 1998, upon completion of six (6) years of service as an Assistant Deputy Warden, employees promoted to Assistant Deputy Warden on or after July 1, 1990 shall be required to make the same number of appearances as a similarly situated Assistant Deputy Warden who had been promoted before July 1, 1990.

The parties agree that the increased number of appearances required by certain employees who are promoted to Assistant Deputy Warden on or after July 1, 1990, whereby they shall be required to work six (6) additional tours per year beyond the number required for a similarly situated incumbent Assistant Deputy Warden, shall cease to apply upon such employees' promotion to Deputy Warden and/or Deputy Warden-in-Command.

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

The City and the ADW/DWA recognize that, pursuant to Administrative Code Section 12-127, the City is obligated to pay for the cost of line of duty injury prescription drugs for ADW/DWA members. The parties further recognize that a significant number of ADW/DWA members have utilized the ADW/DWA Security Benefits Fund to pay for these prescription drugs without reimbursement by the City. The ADW/DWA agrees to waive any and all claims retroactively and prospectively against the City for the reimbursement of the cost of line of duty injury prescription drugs.

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

This is to confirm that during negotiations for the successor agreement to this 1995-2000 agreement the parties shall negotiate the issue of increasing the City's contribution to the ADW/DWA Security Benefits Fund as the first issue to be addressed. The issues to be negotiated shall include the intent of the parties to equalize the City's total contribution to the ADW/DWA Security Benefits Fund with the total contributions made by the City to other health and welfare funds on behalf of other employees and that the ADW/DWA shall be responsible for the cost of such increased contributions.

If the above conforms to your understanding, please execute the signature line below.

Very truly yours,

James F. Hanley

AGREED AND ACCEPTED ON BEHALF OF A.D.W./D.W.A.

Dear Mr Schwartzbaum:

This is to confirm our understanding that the issue of the usage of compensatory time for Assistant Deputy Wardens in the Department of Correction has been referred to the Labor-Management Committee provided for in this Collective Bargaining Agreement.

In addition, the parties agree to establish a Committee to discuss the issue of parking for the Assistant Deputy Wardens private cars.

Dear Mr. Schwartzbaum:

When the Departmental Doctor determines that an Assistant Deputy Warden is injured in the line of duty and is incapacitated and unable to return to work for a finite period of time, then the Department will not confine such officer to his residence for that period. If the administrative determination by the Commissioner or his designee is different from that of the Departmental Doctor, then the change will be communicated to the officer by telephone or in writing.

It is expressedly understood that the determination by the Commissioner or his designee is final and not subject to the grievance procedure. This procedure does not affect any other rule or regulation of the Department.

Sincerely,

Dear Mr. Schwartzbaum:

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding Article XII of the above Agreement. If the stabilization fund referred to in Section XII does not have sufficient monies to maintain the then current level of health insurance benefits provided under GHI-CBP/Blue Cross plan, payroll deductions in the appropriate amounts shall be taken from employees and retirees enrolled in such plan unless agreement is reached on a program wide basis to take the needed monies from the contributions to the welfare fund provided in Article XIII of the above Agreement.

Very truly yours,

Re: A.D.W./D.W.A. Agreement for the period August 1, 1995 to November 30, 2000.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding Article XVI of the above Agreement.

In consideration of the fact that the ADW/DWA agrees to forego seven (7) of the regularly scheduled monthly meetings, release time with pay shall continue to be permitted for one (1) day per week for each of the following positions: President; Vice President; and, one (1) other individual designated by the ADW/DWA, for a total of three (3) days per week. The ADW/DWA will give advance notice to the Department of Correction of its request for such release time.

For the purpose of attending the five (5) remaining regularly scheduled meetings (to be held in January, March, May, September, and November), Union delegates shall be excused from duty if the meeting coincides with the delegate's scheduled tour, provided that the command has received at least seventy-two (72) hours advance notice of such request for excusal.

Very truly yours,

Section 2.

The terms "employee" and "employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of varying hours of duration as indicated in Section 1 (c) of this Article. An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate - 1/261 of the appropriate minimum basic salary.

Hourly Rate - 40 hour week basis - 1/2088 of the appropriate minimum basic salary.

- 37.5 hour week basis 1/1957.5 of the appropriate minimum basic salary.

- 35 hour week basis 1/1827 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

e. Employees in titles preceded by an asterisk (*) in Article I, Section 1 are excluded from the provisions of Article III, including all sections contained herein.

Section 2.

Employees in the following titles(s) shall be subject to the following specified salary(ies) salary adjustment(s) and/or salary range(s):

# Individuals shall advance yearly step on January or July following attainment of the required time.
Upon completion of 1 year of satisfactory service, the incumbent shall receive the rate shown herein as the maximum.
Commencing each September 1, any incumbent below the maximum salary rate with 1 year of continuous service in the title shall advance to the next higher salary rate.

Section 3. - General Wage Increase:

a.

i. Effective January 1, 1997, employees shall receive a general increase of 3 percent.

ii. Effective April 1, 1998, employees shall receive a general increase of 3 percent.

iii. Effective March 1, 1999, employees shall receive a general increase of 4.75 percent.

iv. Part-time per annum, per session, hourly paid and per diem employees (including seasonal appointees) and employees whose normal work year is less than a full calendar year shall receive the increases provided in Sections 3(a)(i) 3(a)(ii) and 3(a)(iii) on the basis of computations heretofore utilized by the parties for all such employees.

b. The increases provided for in Section 3(a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on December 31, 1996.

ii. The general increase in Section 3(a)(ii) shall be based upon the base rates shall only (including salary or incremental salary schedules) of the applicable titles in effect on March 31, 1998.

iii. The general increase in Section 3(a)(iii) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on February 28,1999.

c. i. The general increases provided for in this Section 3 shall be applied to the base rates, and the minimum "hiring rates", minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The general increases provided for in this Section 3 shall be applied to the following "additions to gross:" uniform allowances, equipment allowances, transportation allowances, uniform maintenance allowances, assignment differentials, service increments, longevity differentials, longevity increments, advancement increases, assignment differentials, service increments, longevity differentials, longevity increments, advancement increases, assignment (level) increases, and experience, certification, educational, license, evening or night shift differentials.

Section 4. New Hires

a. For the purposes of Sections 4 (c) and 4 (d), employees 1) who were in active pay status before January 1, 1995, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum "incumbent rate" set forth in section 2 (a)(i)(2), 2(b)(i)(2), 2(c)(i)2 and 2(d)(i)(2) of this Article III

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii A provisional employee who is appointed directly from one provisional appointment to another.

vii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

b. Any employee hired prior to January 1, 1995 and appointed at a reduced hiring rate pursuant to Section 4(b)(iv) of the 1991-94 Special Officers et al. Agreement shall be paid at the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in subsection 2(a)(i)(2) of this Article III.

c. The appointment rate for any employee newly hired between January 1, 1995 and July 14, 1996, shall be the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1) and 2(b)(i)(1) of the Article III. Upon completion of one year of service, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)2) and 2(b)(i)(2) of this Article III.

d

i. The appointment rate for any employee newly hired to a title covered by this Agreement after July 14, 1996, shall be the applicable minimum "hiring rate" set forth in subsections 2 (a)(i)(1), 2(b)(i)(1) and 2(c)(i)(1) of this Article III. Upon completion of two (2) year of active or qualified inactive service, such employee shall be paid the indicated minimum "incumbent rate" for such title that is in effect on the two years anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2),2(c)(i)(2)and 2(d)(i)(2) of this Article III.

ii. For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3 (c)(i) of this Article III.

iii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s) exempt certain hard to recruit titles from the provisions of this subsection 4 (c) and 4 (d).

f. Upon completion of four (4) years of active or qualified inactive or qualified service, an employee appointed pursuant to the provisions set forth in subsection 4 (d) shall receive a one-time lump sum payment calculated by taking the difference between the minimum "hiring rate" received by the employee and indicated "incumbent rate" for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to his/her title (as set forth in subsections 2 (a)(i)(2), 2(b)(i)(2), 2(c)(i)(2) and 2(d)(i)(2) of this Article III). This one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service.

i. The intent of Section 4(f) is to treat the employee as if the employee had moved to the higher minimum "incumbent rate" after one year of service rather than after two years. Only the difference between the applicable minimum "hiring rate" and the minimum "incumbent rate" is guaranteed. Any additions-to-gross or merit increases are not to be included in the calculation of the one-time lump sum payment.

ii. All overtime, night shift differential, or other percentage- based premium payments received by an employee during the second year of service will be included in the calculation of the lump sum payment.

iii. For a title subject to an increment pay plan, the one-time lump sum payment shall be calculated by taking the difference between the "hiring rate" incremental(s) received by the employee and the "incumbent rate" increment(s) that was in effect on the one year anniversary of the employee's original date of appointment to their title. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III. In the case where there are increments payable between the employee's first and second anniversaries, the lump sum will be prorated to reflect such increments.

iv. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date and the lump sum will be prorated to reflect such change(s).

g. For the purposes of Sections 4(d) and 4(f), "qualified inactive service" is defined to include the following employees:

I. those who are on preferred or recall lists; or

ii. those who are on the following unpaid approved leaves:

(1) maternity/child care leave:

(2) unpaid military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay.

Section 5.

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 6.

In the case of an employee on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with the Rules and Regulations of the New York City Personnel Director or, where the Rules and Regulations of the New York City Personnel Director are not applicable to a public employer, such other Rules or Regulationsas are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted, shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

Section 10. Longevity Increment:

a. Employees with 15 years or more of "City" service in pay status who are not already eligible for a longevity differential or service increment established by the Salary Review or Equity Panel shall receive a longevity increment of $500 per annum.

b. The rules for eligibility for the longevity increment described above in subsection a, shall be set forth in Appendix A of this Agreement and are incorporated by reference herein. Additional rules for eligibility for the longevity increment described above in subsection a may be established.

Section 11. Annuity Fund.

a. The Employer shall continue to make contributions to the Annuity Fund established effective March 1, 1994, pursuant to Section 8 of the 1992-1995 Municipal Coalition Agreement in accordance with the provisions thereof, subject to the modification set forth in this Section 11.

b. "One-Time" Lump Sum Payment

i. To be eligible for the lump sum annuity fund payment described in Section 11(b)(ii) below, an employee must meet all of the following criteria:

(1) An employee must be serving in a title covered by this Agreement on March 1, 1999. Any employee who is not serving in a title covered by this Agreement on March 1, 1999, shall be ineligible for any annuity fund benefit or pro rata share thereof, regardless of prior service in a covered title. However, an employee serving in a covered title on March 1, 1999, shall have any service in either a covered or non-covered title during the qualifying period set forth in Section 11 (b)(i)(3) deemed qualifying service.

(2) An employee must be in active pay status on March 1, 1999.

(3) An employee must have been in active pay status in either a covered or non-covered title during all or part of the period March 1, 1996 through February 28, 1997 (the "qualifying period").

ii. Contributions on behalf of covered employees shall be remitted by the employer to a mutually agreed upon annuity fund no later than July 1, 1999, subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

(1) The employer shall pay into the fund on behalf of a covered full-time per annum and full time per diem employees a daily amount of two ($2.00) dollars for each paid working day up to a maximum of $522 per annum.

(2) For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two ($2.00) dollars for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, up to a maximum of $522 per annum.

(3) For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two ($2.00) dollars for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $522 per annum.

(4) For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two ($2.00) dollars for each paid working day up to a maximum of $522 per annum.

(5) The eligibility for payments set forth in this Section 11 (b) shall be based on working days between March 1, 1996 and February 28, 1997.

iii. For employees whose circumstances were not anticipated by the parties, the

First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning issues related to the implementation of this Section 11 (b). Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article vi of this Agreement.

c. Effective December 1, 1999, Section 11(a) shall be superseded by the following provisions:

i. Effective December 1, 1999, contributions on behalf of covered titles shall be remitted by the employer to the aforementioned mutually agreed upon annuity fund subject to the terms of a signed supplemental agreement approved by the Corporation Counsel.

ii. The employer shall pay into the fund on behalf of covered full-time per annum per diem employees a daily amount of two dollars and sixty-four and thirty six hundreds cents ($2.6436) for each paid working day up to a maximum of $690 per annum.

iii. For covered employees who work a compressed work week, the employer shall pay into the fund the amount of two dollars and sixty-four and thirty six hundreds cents ($2.6436) for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum $690 per annum.

iv. For covered employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund a daily amount of two dollars and sixty-four and thirty six hundreds cents ($2.6436) for each paid working day based on a prorated amount which is calculated against the number of hours associated with their full-time equivalent title, up to a maximum of $690 per annum.

v. For those covered employees who are appointed on a seasonal basis, the employer shall pay into the fund a daily amount of two dollars and sixty-four and thirty six hundreds cents ($2.6436) for each paid working day up to a maximum of $690.

d. For the purpose of Section 11, excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime. "All days in non-pay status" as used in this Section 11 shall be defined as including, but not limited to, the following:

i. time on preferred or recall lists;

ii. time on the following approved unpaid leaves:

(1) maternity/child care leave;

(2) military leave

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on worker's compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay;

iii. time while on absence without leave;

iv. time while on unapproved leave without pay; or

v. time while on unpaid suspensions.

e. DEFINITIONS:

covered title: A title that is covered by this Agreement for whom the certified bargaining agent has executed a written election to be covered by the annuity fund provisions set forth in Section 6 (a) of the 1995 MCMEA.

covered employee: An employee serving in a covered title on March 1, 1999.

non-covered title: A title that is covered by a unit agreement whose certified bargaining agent has waived the annuity fund

scheduled days off: An employee's regular days off ("RDOs"). For example, Saturday and Sunday would be the scheduled days off for a full-time per annum employee working a Monday through Friday schedule.

ARTICLE IV - WELFARE FUND

Section 1.

a. In accordance with the election by the Union pursuant to the provisions of Article XIII of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers, or its successor agreement(s), the Welfare Fund provisions of that *Citywide Agreement* as amended or any successor(s) thereto shall apply to employees covered by this Agreement.

b. When an election is made by the Union pursuant to the provisions of Article XIII, Section l(b), of the *1990-92 Citywide Agreement* as amended between the City of New York and related public employers or any successor(s) thereto, the provisions of Article XIII, Section lb of the *Citywide Agreement* as amended or any successor(s) thereto, shall apply to employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section l(b) of the *Citywide Agreement* as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Section 2

The unions agree to provide welfare fund benefits to domestics partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

ARTICLE V - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. - Performance Levels

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. - Supervisory Responsibility

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. - Definition:

The term "Grievance" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Rules and Regulations of the New York City Personnel Director or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetency or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. A claimed wrongful disciplinary action taken against a provisional employee who has served for two years in the same or similar title or related occupational group in the same agency.

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1(d) and 1(e) of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance.

Step I The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

NOTE: *The following STEP Not shall be applicable only in the Healthcare Hospitals Corporation in the case of grievances arising under Section 1 (a) through 1 (c) of this Article and shall be applied prior to Step II of this Section:*

STEP I(a) An appeal from an unsatisfactory determination at Step I shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the Step I determination. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

STEP II An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I.
The appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

a. Any grievance under Section l(d) relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 5

In any case involving a grievance under Section 1(e) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(I) If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6.

In any case involving a grievance under Section 1(f) of this Article, the following procedure shall govern upon service of written charges of incompetency or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee s suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 7.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 8.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 9.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 10.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 11.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 12.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 13.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 14 Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of the grievances as set forth below.

b The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply.

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in Section 14 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case., request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of

material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties, shall whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE VIII - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX - CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the *Citywide Agreement* unless otherwise specifically excluded herein.

ARTICLE X - UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its employees and on Union Activity" or any other applicable Executive Order.

ARTICLE XI - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIII - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XIV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees for the longevity increments provided for in Article III, Section 10 of the *Special Officers 1995-99 Agreement*:

§ 1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length work year and the applicable agency verifies that information.

§ 2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

§ 3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in Section 2 above:

a. Time on a leave approved by the proper authority which is consistent with the Rules and Regulations of the New York City Personnel Director or the appropriate personnel authority of a covered organization.

b. Time prior to a reinstatement.

c. Time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision.

d. Time not in pay status of 31 days or less.

Notwithstanding the above, such time as specified in subsections a, b and c above shall not be used to calculate the 15 years of service.

§ 4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500 longevity increment, the $500 shall become part of the employee's base rate for all purposes.

FIRE

■ SALE

THE BUREAU OF OPERATIONS, FIRE DEPARTMENT OF THE CITY OF NEW YORK, has in its possession a variety of compressed gas cylinders including propane, oxygen, acetylene, and nitrogen, obtained by lawful confiscation. The compressed gas cylinders will be available for inspection for one (1) day on September 1, 1998 during the hours of 10:00 am to 12:00 pm at the Fire Department Division of Training Cylinder Storage Shed, Randalls Island, NY. Owners and other persons lawfully entitled to possession of a contraband cylinder or device who fail to timely reclaim the cylinder shall be deemed to have abandoned any right, title or interest they may have in the cylinder, and to have no objection to the Fire Department's disposal of the cylinder in such manner as the Fire Department's deems appropriate. Owners reclaiming contraband cylinders shall retrieve such cylinders from the Cylinder Storage Shed. Contraband cylinders reclaimed by their owners shall be handled only by persons possessing the requisite certifications where such certifications are required by law or rule, and shall be transported only in vehicles that comply with federal, state, and city rules and regulations. An owner reclaiming contraband cylinders or devices shall provide a sworn affidavit stating that he or she owns or is lawfully entitled to possession of the cylinder or device and will indemnify the City of New York, its agencies, officials, employees and agents from any all claims, suits, damages, and expenses arising from claims of ownership to the reclaimed cylinder. A removal and storage fee of sixty-five dollars ($65.00) shall be paid for each cylinder or device reclaimed. After inspection, owners must appear in person at the Bureau of Fire Prevention Technology Management, 9 Metro Tech Center, Brooklyn, NY 11201 for authorization to redeem the cylinders. The owner must present proof of ownership or other entitlement to possession, documentation or permits for transportation, and the appropriate fee in either cash or money order made payable to the Fire Department of the City of New York. Fee will be collected by the Bureau of Fiscal Services. Inquiries relating to the inspection and disposition of such property should be made to the Bureau of Fiscal Services, Room 5S-11, 9 MetroTech Center, Brooklyn, NY 11201, Att: B. Greenspan (718) 999-2332.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,

Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFEI - GOVERNOR'S ISLAND – CP/2 – DUE 9-11-98 AT 3 PM – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Expressions of Interest (RFEI) for the redevelopment of Governor's Island, which is located off the southern tip of Manhattan in New York's Upper Bay. EDC is preparing a comprehensive redevelopment plan and is inviting expressions of interest regarding all areas of the Island; acceptable uses include: residential, commercial, educational, recreational and entertainment. The Island is 172 acres. The northern half consists of 102 buildings on 90 acres and is designated as an Historic District. The southern 82 acres were built on landfill and offer the greatest potential for supporting new construction. Most recently, the island was occupied by the U.S. Coast Guard and housed a community of 4,000 military personnel and family members. Submission guidelines and requirements are outlined within the RFEI, which is available from EDC. All requests should be directed to Cheryl Elmore at 212-312-3969. If contacting her by e-mail at info@newyorkbiz.com. please use code 005-GI in the subject line. Responses must be submitted to EDC, 110 William Street, 6th Floor, NY, NY 10037 by 3:00 PM on Friday, September 11, 1998.

PRIME SYSTEM REMEDIATION – 07199S002151 – DUE 9-9-98 AT 5 PM – The Department of Homeless Services (DHS) intends to enter into negotiations with a qualified firm or consortium to modify and convert two critical computer systems residing on the Department's Prime Computer Systems to achieve Year 2000 compliance. The systems, written in QUEO-IV, (a proprietary programming language) are the Homeless Emergency Referral Tracking and Billing Systems and the Shelter Care Information Management Systems. QUEO IV is not Year 2000 compliant; therefore, both systems must be upgraded and all existing codes must be converted. DHS intends to use the negotiated acquisition procurement process due to the need to quickly retain an experienced contractor who has the experience and administrative capacity of starting upon notice to proceed to ensure completion by December 31, 1998. It is estimated that this project will take approximately three (3) months. There may be an incentive payment for timely completion. Any firms or consortiums that can provide these services are invited to submit an application detailing its experience, administrative capacity, staffing and budget for the QUEO Software Package and Year 2000 conversion. A completed application must be received no later than Wednesday, September 9, 1998 5:00 PM at: DHS, Office of Information Technology, 161 William St., New York, NY 10038, 13 Floor, Contact: Lula Urquhart at 212-788-9525.

CITY ALTERNATIVE FUELS PROGRAM – REQUEST FOR INFORMATION – DUE 9-30-98 – The New York City Department of Transportation is seeking to identify vendors who are capable of providing complete bus maintenance and repair service including retrofitting twelve (12) methanol buses to be capable of operating on a combination of compressed natural gas (CNG) and diesel. These buses were manufactured in 1994 by TMC and currently utilize Detroit Diesel 6V92 methanol engines. We seek information from vendors who provide turnkey service for the following:

- Retrofit the 6V92 engines so that they are capable of operating on CNG. Use of diesel fuel for pilot ignition is acceptable. The technology of interest would utilize a high pressure direct inject system for natural gas.

- The engine should be certified by USEPA as part of the urban retrofit program or under certification review

- Provide roof-top natural gas fueling that, combined with any diesel operations, assures a 300 mile range.

- Provide all appropriate piping and regulators.

- Be familiar with Federal and State DOT requirements as they relate to CNG buses.
- Be able to provide a complete warranty for all equipment installed and work performed. Extended warranties are preferable.

Any firm that believes it can provide the services listed above is Invited to so indicate by letter, which must be received no later than September 30, 1998, 5 pm, at Department of Transportation, 40 Worth Street, Room 1002, New York, NY 10013 Attn: Susan McSherry. AGENCY RULES

BANKING

THE CITY OF NEW YORK
BANKING COMMISSION

Notice of Opportunity to Comment on Proposed Rule Amendment to the Rules Relating to Requirements for Designation of Depository Banks by the Banking Commission.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Banking Commission by Section 1524 of the New York City Charter, and in accordance with Section 1043 of the Charter, that the Banking Commission proposes to amend the Rules Relating to Requirements for Designation of Depository Banks by the Banking Commission. Matter underlined is new.

Written comments regarding the proposed rule amendment may be sent to Devora Cohn, Assistant Commissioner for Legal Affairs, 345 Adams Street, 3rd Floor, Brooklyn, NY 11201, on or before October 1, 1998. A public hearing shall be held on October 1, 1998 at 345 Adams Street, 3rd Floor, Brooklyn, New York, at 10:00 A.M.

Persons seeking to testify are requested to notify Sara Kobocow at 718-403-4298 at least three days prior to the date scheduled for the hearing, although such notice is not required by law. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Sara Kobocow at the foregoing number by September 28, 1998.

Written comments and an audio tape recording of oral comments received at the hearing will be available for public review by appointment, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. on weekdays at the Office of the Records Access Officer, Gerald Koszer, located at 345 Adams Street, 3rd Floor, Brooklyn, NY 11201, telephone number 718-403-3600.

Section 1. Paragraph (1) of subdivision (c) of section 1-03 of Chapter 1 of Title 22 of the Rules of the City of New York is amended to read as follows:

§ 1-03 Designation Requirements.

* * *

(c) *Application for designation.*

* * *

(1) *Filings.*

* * *

(vii) a list of all bank and bank holding company executives, employees, shareholders, legal counsel, consultants and advisors and/or their spouses or domestic partners, who

(A) individually, jointly or severally hold in excess of a five percent (5%) beneficial interest in the bank and/or in the bank holding company, and who

(B) are, or whose spouses or domestic partners are, contemporaneously elected or appointed holders of public office or of party office in any political party;

* * *

Each designated bank shall also submit to the Banking Commission any financial statements, CRA examination summary reports, CRA statements or CRA ratings (as described in subparagraphs (vi), (x), (xi) and (xii) above, respectively) issued by or with respect to the bank subsequent to its previous filings with the Banking Commission pursuant to paragraph 1 above.

For purposes of this paragraph, "domestic partner" shall mean a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered with the former City Department of Personnel are to be transferred to the City Clerk.)

STATEMENT OF BASIS AND PURPOSE

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the office of the City Clerk. Such orders have further provided, among other things, that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City housing authority and the department of housing preservation and development. By the end of April 1998, there were approximately 8,700 couples registered as domestic partners in New York City. More than 55% of those registered domestic partners were heterosexual couples, and less than 45% were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders, and pursuant to the powers of the Commission under sections 1524 and 1043 of the New York City Charter, the Commission is now acting to provide that a rule applicable to spouses should now be extended to domestic partners.

FINANCE

THE CITY OF NEW YORK
DEPARTMENT OF FINANCE

Notice of Opportunity to Comment on Proposed Amendments to the Rules relating to the right of domestic partners to request letter rulings from and appear at conciliation conferences at the Department of Finance.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Finance by Sections 389(b) and 1043 (a) of the New York City Charter, and in accordance with Section 1043 of the Charter, that the Department of Finance proposes to amend Chapters 16 and 38 of Title 19 of the Official Compilation of Rules of the City of New York by defining the term "domestic partner" and amending provisions relating to requests for letter rulings from and appearances at conciliation conferences at the Department of Finance by conferring upon the domestic partners of individuals rights held by the spouses of individuals to request letter rulings from and appear at conciliation conferences at the Department of Finance on behalf of such individuals. This rule proposal was not included in the regulatory agenda because it was not anticipated at the time of publication of the agenda.

Written comments regarding the proposed rule may be sent to Devora Cohn, Assistant Commissioner, New York City Department of Finance, 345 Adams Street, 3rd Floor, Brooklyn, New York 11201, on or before October 1, 1998. A public hearing shall be held on October 1, 1998 at 345 Adams Street, 3rd Floor, Brooklyn, New York, at 10:30 A.M.

Persons seeking to testify are requested to notify Sara Kobocow at (718) 403-4298 at least three days prior to the date scheduled for the hearing. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Sara Kobocow at the foregoing number by September 28, 1998.

Written comments and an audio tape recording of oral comments received at the hearing will be available for public review by appointment, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. on weekdays at the office of the Records Access Officer, Gerald Koszer, 718-403-3600, located at 345 Adams Street, 3rd Floor, Brooklyn, N.Y. 11201.

Note: New Matter is underlined.

§ 1. Subparagraph (iv) of paragraph 3 of subdivision b of section 16-02 of title 19 of the Rules of the City of New York is amended to read as follows:

(iv) the taxpayer's spouse, domestic partner, child or parent. For purposes of this subparagraph, "domestic partner" means a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)

§ 2. Section 38-01 of title 19 of the Rules of the City of New York is amended by adding a new definition to read as follows:

Domestic partner. The term "domestic partner" means a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)

§ 4. Subdivision (a) of section 38-03 of title 19 of the Rules of the City of New York is amended to read as follows:

(a) Personal appearance. An individual on whose behalf a conciliation conference is requested may appear and represent himself or herself or may be represented by his or her spouse, domestic partner, parent or child. A partnership may act through one of its general partners without filing a power of attorney, provided written evidence of such designation is presented. When a corporation requests a conciliation conference, it may act through one of its duly authorized officers or employees. When the corporation acts through an employee who is not a duly authorized officer, a power of attorney executed by a duly authorized officer of the corporation must be filed.

STATEMENT OF BASIS AND PURPOSE

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the office of the City Clerk. Such orders have further provided, among other things, that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City housing authority and the department of housing preservation and development. By the end of April, 1998, there were approximately 8700 couples registered as domestic partners in New York City. More than 55 percent of those registered domestic partners who reported demographic information were heterosexual couples, and less than 45 percent were same sex couples. Almost forty percent of the registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders, and the Commissioner's authority pursuant to Charter § 1043 and Tax Law § 1212-A, the Department is now acting to provide that rules applicable to spouses, as specified herein, should now be extended to domestic partners.

LANDMARKS PRESERVATION COMMISSION

BINDING REPORT

ISSUE DATE: 08/04/98	DOCKET #: 990556	SRB #: SRB 99-0761
ADDRESS: 425 LAFAYETTE; PUBLIC THEATER; INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 544 / 16

To the Mayor, the Council, and the Commissioner, Department of Cultural Affairs.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to install an exhaust duct along an exterior wall at the rear of the building, not visible from any public way. The proposed work is described on drawing K2s dated revised 6/30/98, which has been submitted as a component of the application.

The Commission finds that the duct will not be visible from any public way, and that it will not damage or affect any significant architectural features. Based on these findings, the proposed work is determined to be appropriate to the Joseph Papp Public Theater Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

ADDRESS: 363 BROOME STREET-1ST FL; FIRE ENGINE CO. 55; INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 470 / 12

To the Mayor, the Council, and the Commissioner, Department of Design and Construction.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for replacement of the apparatus floor, steel members, and floor drains; construction of a new sidewalk; and installation of a temporary street cage for apparatus storage during construction at the subject premises. The proposed work is described on the application and a letter dated July 17, 1998 from URS Greiner.

The Commission finds that the interior alterations, sidewalk replacement off of the landmark site, and temporary street cage will have no effect on protected architectural features. The work is therefore found appropriate to the individual landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jeremy Woodoff.

ADDRESS: 132 WEST 10TH STREET-1ST FL; ENGINE CO. NO. 18; GREENWICH VILLAGE	BOROUGH: MANHATTAN	BLOCK/LOT: 610 / 51

To the Mayor, the Council, and the Commissioner, Department of Design and Construction.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for replacement of the apparatus floor, steel members, and floor drains; construction of a new sidewalk; and installation of a temporary street cage for apparatus storage during construction at the subject premises. The proposed work is described on drawings S-1 through S-6, S-12, S-13, P-1, and E-1, all dated 10/97, and in photographs, all submitted as components of the application.

The Commission notes that original sidewalks at most buildings in this district were bluestone, some of which remains elsewhere in the district.

The Commission finds that the interior alterations and temporary street cage will have no effect on protected architectural features; that the concrete sidewalk to be removed is not a significant feature of the building or district; that the new concrete sidewalk, tinted dark blue-grey to match the color of bluestone and scored in a standard pattern, will be harmonious with the building and with bluestone and tinted concrete sidewalks elsewhere in the district; that the work will help maintain a consistent sidewalk treatment in the district; and that the new granite street curb maintains this historic material found throughout the district. Based on these findings, the work is found appropriate to the building and the Greenwich Village Historic District.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS: 2060 SEDGWICK AVENUE; Bronx Community College; INTERIOR LANDMARK	BOROUGH: BRONX	BLOCK/LOT: 3222 / 62

To the Mayor, the Council, and the Dormitory Authority, State of New York.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to undertake a probe of one of the plaster statues at the balcony level of the rotunda of Gould Memorial Library, an individual and interior landmark. The proposed work consists of removal of the statue to determine the method of attachment to the balustrade and reinstallation in its original location. The proposed work is described on the application and in photographs.

The Commission notes that the designation report describes the Gould Memorial Library and its rotunda as one of Stanford White's greatest works, built from 1894-99 in a Renaissance-inspired design. The Commission further notes that several of the plaster sculptures at the interior balcony are loose.

The Commission finds that the work will help determine how to secure these significant sculptures to prevent deterioration and damage, and that the temporary removal and reattachment of the sculpture will have no effect on protected features. Based on these findings, the proposed work is determined to be appropriate to the Gould Memorial Library Individual and Interior Landmark.

Please forward the results of the probe to the Commission for its files.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ISSUE DATE: 08/11/98	DOCKET #: 990904	SRA #: SRA 99-0929
ADDRESS: 0 FOLEY SQUARE; HISTORIC DISTRICT; AFRICAN BURIAL GROUND	BOROUGH: MANHATTAN	BLOCK/LOT: 7777 / 7777

To the Mayor, the Council, and the Commissioners of Depts. of Parks and Transportation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The proposed work consists of installing a new transit authority subway vent in Foley Square Area E as marked on Contract drawing M-30-193, titled, "General Plan Street Level Conditions, the Reconstruction of Foley Square," and dated 10/28/96 submitted to the Commission for review on 8/10/98. The proposed work for this application reflects additional clarification of plans reviewed in Commission Report 95-1117.

In reviewing this proposal, the Commission notes that the designation report states that the portion of lower Manhattan within the historic district has undergone intense public use since the mid-seventeenth century, resulting in an overlay of many significant historic improvements and resources--both above ground and below--all of which document the changing nature of the important area long devoted to communal, public, and civic purposes; and that, within the district, the African Burial Ground is historically significant in that it is one of the few preserved eighteenth-century African burial grounds in the Americas, and that it reflects the establishment at any early date the society of Africans in New York City, which had one of the largest urban populations of Africans in the American colonies. The Commission further notes that the location of the proposed work is inside the boundaries of the African Burial Ground, the boundaries of which have been established by historical documents.

With regard to this proposal, the Commission finds that, as the location of the proposed work is within an area heavily disturbed by subway construction, the proposed excavation appears to be limited to the disturbance of only previously excavated soils, and thus there is a very low probability of encountering intact human burials in the proposed work area.

Based on these findings, and provided that the stipulation outlined below is followed, the Commission determines the proposed work to be appropriate to The African Burial Ground and The Commons Historic District, and has no objection to the work proceeding. The proposed work is therefore approved.

In issuing this report, the Commission stipulates that should significant artifacts or other cultural materials be encountered during course of work, work should stop immediately pending Commission notification and review. If such materials are encountered, contact Amanda Sutphin at (212) 487-6844.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS: 1000 FIFTH AVENUE-2ND FL; METROPOLITAN MUSEUM OF ART; INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Cultural Affairs.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for work only in non-designated portions of the interior and non-visible portions of the roof of the Metropolitan Museum of Art, an individual and interior landmark. The work concerns relocation of the fresco ceiling in the Pinturricchio Galleries from the 2nd to 1st floors and renovation of four early Italian painting galleries, including installation of new skylights. The proposed work is described on drawings T.100, D.100, D.101, A.100-A.103, A.200-A.203, all dated 6/25/98; and M.100, M.200, M.300, M.400, E.100, and E.200, all dated 4/13/98.

The Commission has reviewed these drawings and finds that the interior work will not occur in any portion of the designated interior; that the roof work will not be visible from a public place; and that the work will therefore have no effect on protected architectural features. Based on these findings, the proposed work is determined to be appropriate to the Metropolitan Museum of Art Individual and Interior Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitations notices for most procurement above $25,000 for goods or services or above $50,000 for construction and construction related services are published for at least one day.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● *Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,* 18th Floor, NY, NY 10007 (212) 669-8562

Construction & Construction Related Services

● Mayor's Office of Construction,
Bidders List Unit, 52 Chambers Street, Room 307, New York, NY 10007 (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway 9th Floor,New York, NY 10007 (212) 788-0010 Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bill within 30 days after the receipt of a proper invoice. The City pays interest on any late invoice after the expiration of a 15-day "grace" period. There are certain types of payments that are not eligible for interest; these are listed in Section 6-07 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments every six months, in January and July of each year.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board51 Chambers Street Room 1126, New York 10007 (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://www.ci.nyc.ny.us

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PRIME SYSTEM REMEDIATION – 07199S002151 – DUE 9-9-98 AT 5 PM – The Department of Homeless Services (DHS) intends to enter into negotiations with a qualified firm or consortium to modify and convert two critical computer systems residing on the Department's Prime Computer Systems to achieve Year 2000 compliance. The systems, written in QUEO-IV, (a proprietary programming language) are the Homeless Emergency Referral Tracking and Billing Systems and the Shelter Care Information Management Systems. QUEO IV is not Year 2000 compliant; therefore, both systems must be upgraded and all existing codes must be converted. DHS intends to use the negotiated acquisition procurement process due to the need to quickly retain an experienced contractor who has the experience and administrative capacity of starting upon notice to proceed to ensure completion by December 31, 1998. It is

estimated that this project will take approximately three (3) months. There may be an incentive payment for timely completion. Any firms or consortiums that can provide these services are invited to submit an application detailing its experience, administrative capacity, staffing and budget for the QUEO Software Package and Year 2000 conversion. A completed application must be received no later than Wednesday, September 9, 1998 5:00 PM at: DHS, Office of Information Technology, 161 William St., New York, NY 10038, 13 Floor, Contact: Lula Urquhart at 212-788-9525.

CITY ALTERNATIVE FUELS PROGRAM – REQUEST FOR INFORMATION – DUE 9-30-98 – The New York City Department of Transportation is seeking to identify vendors who are capable of providing complete bus maintenance and repair service including retrofitting twelve (12) methanol buses to be capable of operating on a combination of compressed natural gas (CNG) and diesel. These buses were manufactured in 1994 by TMC and currently utilize Detroit Diesel 6V92 methanol engines. We seek information from vendors who provide turnkey service for the following:

- Retrofit the 6V92 engines so that they are capable of operating on CNG. Use of diesel fuel for pilot ignition is acceptable. The technology of interest would utilize a high pressure direct inject system for natural gas.

- The engine should be certified by USEPA as part of the urban retrofit program or under certification review

- Provide roof-top natural gas fueling that, combined with any diesel operations, assures a 300 mile range.

- Provide all appropriate piping ans regulators.

- Be familiar with Federal and State DOT requirements as they relate to CNG buses.

- Be able to provide a complete warranty for all equipment installed and work performed. Extended warranties are preferable.

Any firm that believes it can provide the services listed above is Invited to so indicate by letter, which must be received no later than September 30, 1998, 5 pm, at Department of Transportation, 40 Worth Street, Room 1002, New York, NY 10013 Attn: Susan McSherry. AGENCY RULES

CITYWIDE ADMINISTRATIVE SERVICES

THE CITY OF NEW YORK
DEPARTMENT OF CITYWIDE ADMINISTRATIVE SERVICES

The Department of Citywide Administrative Services hereby promulgates the amendments of Title 55 of the Official Compilation of Rules of the City of New York Sections 7-01 and 7-07 of Chapter 7 of such Title relating to the definition of the term "domestic partner" and the inheritance of burial rights pursuant to the Canarsie Cemetery Rules and Regulations, and Sections 11-01 and 11-02 relating to allowing eligibility for special examination or refund of civil service and license examination fees in the event of the death of certain family members pursuant to the Personnel Practice and Procedure Rules and Regulations.

CANARSIE CEMETERY RULES AND REGULATIONS

Section 7-01 of Title 55 of the Rules of the City of New York is amended by adding a new definition immediately after the definition of "Commissioner" to read as follows:

Domestic Partner. The term "Domestic Partner" means a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)

Subdivision (b) of Section 7-07 of Title 55 of the Rules of the City of New York is amended to read as follows:

(b) The surviving spouse or surviving domestic partner of the owner of the certificate of burial right of record has the right to be buried with his/her spouse or domestic partner. This right may be waived at any time but terminates with burial elsewhere.

Paragraph 4 of Subdivision (c) of Section 7-07 of Title 55 of the Rules of the City of New York is amended to read as follows:

(4) In the absence of valid and sufficient instructions filed with the commissioner by the owner of the certificate of burial right or a duly probated will, the privileges (rights) of interment shall devolve upon those entitled to succeed thereto by the intestate laws of the State of New York keeping in mind the vested right of interment of the surviving spouse or surviving domestic partner.

Subdivision (g) of Section 7-07 of Title 55 of the Rules of the City of New York is amended to read as follows:

(g) Notwithstanding the above provisions of this section, it shall be the obligation of the supervising spouse or surviving domestic partner and/or heirs to claim ownership of a burial right upon the death of a plot holder. In the event that the commissioner is not notified in writing of a claim to a burial right within five years of the death of the plot holder, such burial right shall terminate with respect to any empty grave covered by the deceased plot holder's certificate of burial.

PERSONNEL PRACTICES AND PROCEDURE
RULES AND REGULATIONS

Paragraph 1 of subdivision (k) of Section 11-01 of Title 55 of the Rules of the City of New York is amended to read as follows:

(k) *Special examinations.* (1) An applicant who is unable, for any of the reasons listed below, to take the regular examination as scheduled may be given a special examination upon written request. [The written request shall be made at the earliest possible date to the Examining Service Section of the Department of Citywide Administrative Services unless otherwise specified. Such written request must be made in person or by certified or registered mail.] Such applicant must submit a written request setting forth the reasons requiring the absence and providing documentary evidence which demonstrates to the satisfaction of the Commissioner of Citywide Administrative Services that the applicant was unable to take the regular examination as scheduled. Unless otherwise specified herein, such material must be submitted to the Examining Service Section either in person or by certified or registered mail no later than one week following close of the application period. If one of the following circumstances arises after that date, such documentation must be received within one week following the occurrence, but no later than one week before the special test.

(See main volume for 2 and 3.)

Paragraph 4 and subdivision (iv) thereunder of subdivision (k) of section 11-01 of Title 55 of the Rules of the City of New York are amended to read as follows:

(4) Other reasons: [An applicant claiming to be unable to take an examination when originally scheduled due to]

(See main volume for 4(i) to 4 (iii).)

(iv) absence from the test within one week after the date of death of a spouse, domestic partner, mother, father, sister, brother, child or child of a domestic partner of such applicant where such applicant is an officer or employee of the City; (For purposes of this subparagraph, a domestic partner shall mean a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)) [may request a special examination. Such applicant must submit a written request setting forth the reasons requiring the absence and providing documentary evidence which demonstrates to the satisfaction of the Commissioner of Citywide Administrative Services that the applicant was unable to take the regular examination as scheduled. Such material must be submitted to the Examining Service Section either in person or by certified or registered mail no later than one week following close of the application period. If one of the foregoing circumstances arises after that date, such documentation must be received within one week following the occurrence, but no later than one week before the special test.]

Subparagraph (iii) of paragraph 3 of subdivision (e) of Section 11-02 of Title 55 of the Rules of the City of New York is amended to read as follows:

(3) An applicant who was unable to take or complete an examination may apply to take or complete the examination or request a refund by submitting written request therefor to the Examining Service Section of the Department of Citywide Administrative Services within 60 days of the first test in the license examination at which the applicant was unable to appear with verification that such absence was due to:

(See main volume for (i) and (ii).)

(iii) death of a spouse, domestic partner, mother, father, sister, brother, child, or child of a domestic partner of such candidate within one week before the test; (For purposes of this subparagraph, a domestic partner shall mean a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the former City Department of Personnel are to be transferred to the City Clerk.)) or

These amendments will take effect 30 days following publication in the City Record. Material in [brackets] is deleted. Underlined material is added.

STATEMENT OF BASIS AND PURPOSE

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the office of the City Clerk. Such orders have further provided, among other things, that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City Housing Authority and the Department of Housing Preservation and Development. By the end of April, 1998, there were approximately 8,700 couples registered as domestic partners in New York City. More than 55 percent of those registered domestic partners who reported demographic information were heterosexual couples, and less than 45 percent were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders and the authority of the Commissioner of Citywide Administrative Services pursuant to New York City Charter §814(c) and Administrative Code §4-117, the Department is now acting to provide that rules applicable to spouses, as specified herein, should now be extended to domestic partners and/or children of domestic partners. These amendments will define domestic partner as a person who has registered a domestic partnership with the City Clerk; will grant the right to be buried with a domestic partner in the Canarsie Cemetery; and will allow eligibility for special examination or refund of fees for certain candidates for civil service and license examinations in the event of the death of a domestic partner and/or child of a domestic partner within one week prior to the date the test was originally held.
