CITYWIDE N 010439 ZRY

IN THE MATTER OF an application submitted by 9th and 33rd Associates, L.P., pursuant to Section 201 of the New York City Charter, **for amendment of the Zoning Resolution of the City of New York relating to Section 11-43 of Article I, Chapter 1, concerning an extension of the lapse period for a special permit for the construction of a permanent platform over a rail yard.**

Matter in***bolditalic*** is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter in italics or within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution.

* * *

11-43
Renewal *or Extension* of Authorization *or Special Permit*

(a) Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(b) ***Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:***

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.

For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITION
Index No. 102934/01

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand and consolidate

JOHN JAY COLLEGE OF CRIMINAL JUSTICE OF THE CITY UNIVERSITY OF NEW YORK
(Block 1087, Lots 1 and 5)

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on the 6th day of April, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand and consolidate John Jay College of Criminal Justice of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map was filed with said clerk on the 11th day of April, 2001. The property acquired by the Dormitory Authority includes tax lots 1 and 5 in tax block 1087 as is shown on the acquisition map filed with the Clerk or the City Register of the County of New York.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of New York, on or before April 29, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before April 29, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT PRE-QUALIFICATION FOR STRUCTURAL LISTS ON-GOING APPLICATION PERIOD – Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Structural Engineers - Piers/Waterfront Structures; and Structural Engineering- Building Structures.

PUBLIC NOTICE

Soliciting Architectural Firms to Pre-Qualify For Two Structural Engineering Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Division of Structures. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline. Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.

The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria.

Please address all correspondence to: Consultant Liaison, Office of the Agency Chief Contracting Officer, NYC Department of Design and Construction, 30-30 Thomson Avenue, Long Island City, NY 11101 Tel. (718) 391-1540. Fax (718) 391-1506. DDC is an Equal Opportunity Employer.

PREQUALIFICATION CRITERIA FOR LIST 15 STRUCTURAL ENGINEERING - PIERS AND WATERFRONT STRUCTURES

The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work in the relevant discipline despite being deficient in some portion of the criteria.

1. **Prime Consultant:** Firm shall have been a prime consultant for all work listed as past experience.

2. **Staff Size:** Employ at least a minimum of 20 full-time professionals. Principals must be licensed to practice in New York State. At least one principal or senior associate must be licensed in civil engineering.

3. **Longevity:** Firm in business at least four years.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

■ NOTICE

STATEMENT OF SUBSTANTIAL NEED FOR EARLY RULE IMPLEMENTATION

I hereby find, pursuant to § 1043, subdivision e, paragraph 1(c) of the City Charter, that there is substantial need for the implementation, immediately upon its publication in the City Record, of a rule prohibiting the sale of alcoholic beverages at events for which a street activity permit is required. The immediate implementation of such a rule is necessary to assure the applicability of the rule to all street activities to be held during the thirty days following such publication, when the major season for street activities in New York City begins. Such immediate implementation will assure that the rules will govern all street activities governed by street activity permits held in the City this spring, as well as those held during the summer and fall seasons.

Notice Of Rule Adoption

Notice of Adoption of Final Rule relating to the Sale of Alcoholic Beverages at Street Activities

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Community Assistance Unit by Executive Order No. 14 of 1990 and Executive Order No. 59 of 1993, Section 2903, subdivision 14 of the New York City Charter, and in accordance with Section 1043 of the Charter, that the Community Assistance Unit has adopted rules governing the sale of alcoholic beverages at street activities requiring a street activity permit. New material is underlined.

The Community Assistance Unit hereby adopts a new Chapter 2 of its rules in Title 50 of the Rules of the City of New York to read as follows:

Chapter 2 - Sale of Alcoholic Beverages at Events Authorized by a Street Activity Permit

§ 2-01 Sale of Alcoholic Beverages Prohibited.

No sponsor who has received a permit to conduct a street activity from the Street Activity Permit Office (SAPO) shall sell or otherwise distribute alcoholic beverages to any person during the course of such street activity, nor shall such sponsor allow any vendor or any other person or entity that participates in such street activity to sell or otherwise distribute alcoholic beverages to any person during the course of such street activity.

§ 2-02 Enforcement.

The director of SAPO shall have the authority to deny an application for a street activity permit, to condition the approval of an application for a street activity permit, or to revoke a street activity permit, based on the past or present failure of the applicant or sponsor to comply with the provisions of this chapter.

§ 2-03 Exception.

This prohibition shall not apply to entities or persons licensed by the New York state liquor authority to sell alcoholic beverages at retail to be consumed on the premises where sold, including those licensees who operate a sidewalk café pursuant to a license issued by the commissioner of consumer affairs.

STATEMENT OF BASIS AND PURPOSE

This rule is being adopted to ensure that all street events are conducted in an orderly manner and without interference with the rights of both the participants in street activities and the businesses and residents who operate or reside in the areas near or adjacent to the permitted street activities. The effect of the sale of alcoholic beverages can create disorder and disruptive behavior at street events which are dangerous to the participants and organizers of the event.

■ NOTICE

REGULATORY AGENDA
NEW YORK CITY LOFT BOARD FY2002

PURSUANT TO SECTION 1042 OF THE NEW YORK CITY CHARTER, THE NEW YORK CITY LOFT BOARD HEREBY PUBLISHES ITS REGULATORY AGENDA FOR JULY 1, 2001 THROUGH JUNE 30, 2002:

The following rules will be promulgated pursuant to authority granted the Loft Board by the Loft Law (Chapter 7-C of the Multiple Dwelling Law).

1. Subject Area: Precertified final rent orders

Rationale: The Loft Board's final rent order rule (section 2-01(i)(2)) was amended in 1996 to allow owners to file precertified applications for code compliance rent adjustments. Experience in processing and adjudicating such applications has led to the conclusion that the rule should be amended to facilitate processing, and to liberalize certain requirements concerning the time tenants have to answer such applications, who may file such applications on behalf of owners, and who may file answers on behalf of such tenants.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of IMD buildings, residential tenants in IMD buildings.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 2-01(i)(2) of Title 29 of the Rules of the City of New York

Schedule for Adoption
Fall, 2001

Official Contact:
Jeannette Koster, Executive Director

Telephone: (212) 788-7610

2. Subject Area: Extension applications

Rationale: Need to eliminate ex parte applications for extensions since tenants do not have opportunity to respond; Executive Director is not a hearing officer and should not make determinations; need to simplify extension application process. Same standard should apply regardless of length of extension sought.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of IMD buildings, residential tenants in IMD buildings.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 2-01(b) of Title 29 of the Rules of the City of New York

Schedule for Adoption
Fall, 2001

Official Contact:
Jeannette Koster, Executive Director

Telephone: (212) 788-7610

3. Subject Area: Elimination of Limitation on new coverage applications and new registrations of IMDs

Rationale: The Loft Law does not contain a provision that provides a statute of limitations for filing coverage applications for buildings not previously found covered and does not cut off owners' time to voluntarily register IMD buildings. The Loft Board promulgated a rule in 1993, the relevant provisions of which are codified at section 1-06.1(a) and (b), that purported to limit such new coverage applications and initial registrations. The proposed rule will repeal those rules.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of buildings that fall into the definition of IMD building under the Loft Law, if such buildings currently have any residential tenants living in units residentially occupied during the statutory window period (1980-1981); residential tenants living in units that fall into the definition of IMD unit.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 1-06.1(a) and (b) of Title 29 of the Rules of the City of New York

Schedule for Adoption
Fall, 2001

Official Contact:
Jeannette Koster, Executive Director

Telephone: (212) 788-7610

4. Subject Area: Noninstitutional lenders

Rationale: Section 2-01(k) allowed owners to recoup the expenses associated with borrowing funds for legalization from non-institutional lenders. That provision was promulgated with a "sunset" provision which expired in 1995. The sunset should be removed, as there is no basis on which to limit the availability of such funding sources, and the Board's reason for sunsetting the rule – a concern that owners might charge unfair interest rates and pass those rates onto the tenants – has not been borne out by experience.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of IMD buildings, residential tenants in IMD buildings.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 2-01(k) of Title 29 of the Rules of the City of New York

Schedule for Adoption
Spring, 2002
Official Contact:
Jeannette Koster, Executive Director

Telephone: (212) 788-7610

5. Subject Area: Narrative statement process

Rationale: Section 2-01(d) of the Loft Board's rules set forth the narrative statement process, which is a preliminary step to obtaining a work permit. The rules require revision to better facilitate the process.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of IMD buildings, residential tenants in IMD buildings.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 2-01(d) of Title 29 of the Rules of the City of New York

Schedule for Adoption
Spring, 2002

Official Contact:
Jeannette Koster, Executive Director

Telephone: (212) 788-7610

6. Subject Area: Owners to be required to update Loft Board upon change of address or ownership

Rationale: The registration rules do not explicitly require owners to inform the Loft Board when they change their address, and do not require new owners to inform the Loft Board that ownership of an IMD building has changed. There is no penalty for failure to so inform the Loft Board of either of these such changes. This results in the Loft Board sending mail to the wrong address, and occasionally, prosecutions resulting in defaults.

Individuals and Entities Likely to be Affected by Proposed Rule:
Owners of IMD buildings, residential tenants in IMD buildings.

Relevant Federal, State and Local Laws and Rules Applicable to Proposed Rule:
Section 2-05 of Title 29 of the Rules of the City of New York and any other affected provisions.

Schedule for Adoption
Spring, 2001

Jeannette Koster, Executive Director

Name, Description and Location of Proposal
770-780 Eighth Avenue (Biltmore Theater Project)

Biltmore 47 Associates, LLP is proposing to construct a new, 61 story, mixed-use building at 770-780 Eighth Avenue between West 47th and West 48th Streets, in Manhattan Community District 5 (Development Site: Block 1019, Lots 1, 2, 3, 63, and 64, Theater Rehabilitation and Air Rights Site; Block 1019, Lots 5, 8, 59, 60 and 61). The project site is situated within the following zoning districts: C6-4, C6-5, C1-5 overlay, C6-2, C6-7T, R8, Special Midtown District: Theater Subdistrict, Theater Subdistrict Core, Eighth Avenue Corridor and the Special Clinton District.

The building would contain approximately 444,248 gross square feet (gsf) of residential space (431,309 zoning square feet) with approximately 559 dwelling units, approximately 45,007 gsf (43,696 zsf) of retail and office space, and up to 62 accessory parking spaces. In total, the building would contain approximately 489,255 gsf (475,005 zsf). The project would include the rehabilitation of the existing 2-story Biltmore Theater located at 261-265 West 47th Street, immediately east of the development site. The theater would be expanded by approximately 1500 sq. ft. with the addition of exit ways and mechanical space, and would provide for approximately 650 seats.

The following discretionary approvals are being sought to facilitate this project:

- Special Permit (ULURP No. 010460ZSM)

The applicant is requesting a special permit granting a 4.4 floor area ratio (FAR) bonus under Zoning Resolution (ZR) Section 81-745 for Theater Rehabilitation of the Biltmore Theater. This bonus is possible because the Biltmore Theater is a Listed Theater pursuant to ZR Section 81-742. The special permit requires a commitment that the Biltmore Theater will be used as a theater for the life of the proposed project.

- Zoning Text Amendment to ZR Section 81-745 (ULURP No. N010459ZRM)

In connection with of the proposed project, Biltmore 47 Associates, LLP is proposing a zoning text amendment to restore two findings (findings 3 and 4) to ZR Section 81-745. The restored finding (3) would require that the City Planning Commission (CPC) find that the bonus floor area would not unduly increase the bulk of any new development or enlargement, density of population, or intensity of use to the detriment of occupants of buildings on the block or surrounding area. Finding (4) would require CPC to find that the bonus would not adversely effect the surrounding area by restricting light air or otherwise impair the essential character of the future development of the surrounding area. The text amendment would apply to the entire Theater Subdistrict within the Special Midtown Subdistrict.

- Disposition of City-owned Property (ULURP No. 010585PPM)

The transfer of development rights from lot 61 (currently a developed with a firehouse) requires a disposition of city-owned property by the Department of Administrative Services (DCAS). DCAS is requesting the disposition of all of the unused development rights (49,539 sq. ft.) on property occupied by the firehouse to the New York City Economic Development Corporation (EDC). Subsequently, EDC intends to dispose the development rights to the developer of the proposed building.

- Housing Development Corporation 80-20 Taxable Bond Financing Program

In addition, the project also anticipates an application for NYCHDC's 80-20 Taxable Bond Program.

Development under the proposed actions would result in the demolition of five vacant tenement buildings along Eighth Avenue (which has already been completed), the construction of the proposed residential tower, and rehabilitation of the vacant Biltmore Theater.

Without the proposed actions (No-Action condition), it is anticipated that the development site would be developed with an as-of-right 38 story building of approximately 317,111 gsf (or 307,875 zsf), which would include approximately 272,104 gsf of residential space totaling 342 dwelling units, 45,007 gsf of retail and office space, and up to approximately 62 accessory parking spaces. The project's proposed renovations to the Biltmore Theater would not occur under the No-Action condition.

Statement of No Significant Effect Upon Project Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, in coordination with New York City Housing Development Corporation, has completed its technical review of the Environmental Assessment Statement dated April 20, 2001, prepared in connection with ULURP Nos. N010460ZRM, 010460ZSM and 010585PPM. The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment upon modification to include the following condition;

1) The applicant agrees to contact the NYC Department of Transportation (NYCDOT) within six months after the completion of the project and to inform them of the need to implement traffic mitigation, as shown in the attached table.

2) The applicant agrees to provide window/wall attenuation consisting of high-quality double-glazed windows with good sealing properties, and air conditioning (which would provide alternate ventilation) to achieve 35 dBA of window/wall attenuation on all facades. These measures would provide sufficient attenuation to satisfy City Environmental Protection Order (CEPO)-CEQR requirements.

Supporting Statement:
The above determination is based on an environmental assessment which finds that:

1) The NYCDOT has completed its review of the traffic chapter of the Environmental Assessment Statement for this project. As per their letter dated April 19, 2001, which is included in the project's CEQR file, DOT has stated that the proposed mitigation measures appears reasonable and appropriate for the intersections of West 48th Street at Broadway, West 47th Street at Eighth Avenue, West 48th Street at Eighth Avenue and West 49th Street at Ninth Avenue. After being contacted by the applicant, following the completion of the project, DOT will investigate the feasability of implementing the mitigation measures.

2) While no noise measurement were taken at the project site, measurements were taken for the Regent Tower project (CEQR No. 00DCP065M), which is located slightly north of the project site These values are shown in Table 2 (page 26i) of the EAS. It is expected that on Eighth Avenue there is maximum level of approximately 78dBA, and on West 47th Street there is a maximum level of approximately 75 dBA. Recommended noise attenuation values for buildings are designed to maintain interior noise levels of 45 dBA or less. Condition 2 would provide an acceptable interior noise environment and ensure that significant adverse impacts would not occur.

3) No other effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

■ PUBLIC HEARING

NEW YORK CITY DEPARTMENT OF BUSINESS SERVICES On behalf of THE CITY COUNCIL

The City Council, by resolution adopted on April 25, 2001 set May 23, 2001 as the date, 10:00 a.m. as the time, and the City Council Committee Room, 2nd Floor, City Hall, New York, New York 10007, as the place for a public hearing (the "Public Hearing") to hear all persons interested in the proposed legislation which would establish the East Mid-Manhattan Business Improvement District (the "District") in the Borough of Manhattan. The District shall be established in accordance with a district plan (the "District Plan") on file at the Office of the City Clerk. The City Council has authorized the New York City Department of Business Services to publish, on its behalf, this notice of the Public Hearing containing the information required by Section 25-406(c) of the Administrative Code of the City of New York and summarizing the resolution adopted.

The District Plan was submitted to, and reviewed by, the City Planning Commission and Manhattan Community Boards Number 5, 6, and 8. The Community Boards and the City Planning Commission have approved the District Plan with qualifications or conditions.

The District Plan provides that the proposed District shall include properties on Madison Avenue between 53rd and 57th Streets; Park Avenue between 54th and 61st Streets; Lexington Avenue between 49th and 63rd Streets; Third Avenue between 49th and 63rd Streets; Second Avenue between 56th and 60th Streets; the midblocks between Madison and Third Avenues from 54th to 57th Streets; midblocks between Park and Third Avenues from 57th to 61st Streets; and midblocks to Second Avenue between 56th and 60th Streets. Services provided in the District shall include, but not be limited to: maintenance and sanitation, public safety and security, marketing and promotion of the local shopping District, beautification, homeless outreach, transportation and traffic management, administration, and additional services required for the enjoyment and protection of the public and the promotion and enhancement of the District. The District shall be managed by the East Mid-Manhattan District Management Association, Inc.

To defray the cost of services provided in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the services. Each property shall be assessed at a rate, determined annually by the East Mid-Manhattan District Management Association, Inc., to yield an amount sufficient to meet the District's annual budget. The annual budget for the District's first year of operation is $1,650,000.

Those properties within the District which are devoted in whole or in part to commercial, retail or professional uses shall constitute Class A properties and shall be assessed in accordance with the following formula:

Class A Rate = [Total Class A.1 lots (0.50 Class A) + Total Class B lots ($1.00) + Total Class D lots ($1.00) + Total Class D.1 lots (Class A)]
[Total Commercial Square Footage - Class A.1 Square Footage - Class D lots - Class D.1 lots]

Class A properties shall be assessed at a rate anticipated to be approximately $0.06 (six cents) per commercial square foot for the first Contract Year.

Those properties within the District devoted primarily to retail use with over 200,000 square feet of gross building area devoted to the sale of merchandise to the general public, such as shopping malls and department stores, shall be assessed in accordance with the following formula:

Class A.1 Rate = 0.5 x gross building commercial square footage x Class A rate

Those properties devoted primarily to commercial or professional use and incorporating 200,000 feet or more of retail use within the same tax lot shall be assessed at the Class A.1 rate for the retail portion and Class A rate for the commercial and professional portions.

Those properties within the District which are devoted exclusively to residential uses shall constitute Class B properties and shall be assessed one dollar ($1.00) per annum.

Those properties owned by not-for-profit and public agencies, which are exempt from real property tax, shall constitute Class C properties. Properties with exclusively not-for-profit tenants in One hundred percent (100%) of their commercial square footage shall be exempt from District assessments. Properties with both not-for-profit and for-profit tenants in their commercial square footage shall be assessed as Class A, commercial, subject to BID assessment. Those properties vacant, without structures or any commercial use, shall constitute Class D Vacant Parcels and shall be assessed at the rate of one dollar ($1.00) per annum until such time as they receive a temporary or permanent certificate of occupancy.

Those properties, without structures, used as parking lots shall constitute Class D.1 Parking Lots and shall be assessed on lot square footage and calculated at the Class A rate.

The amount, exclusive of debt service, assessed and levied in any given year against benefited real property within the District may not exceed twenty percent (20%) of the total general City taxes levied in such year against such properties.

Copies of the resolution adopted by the City Council, which includes a copy of the District Plan, are available for public inspection from 9:00 A.M. to 4:00 P.M. Monday through Friday at the Office of the City Clerk located at 265 Municipal Building (South Side), One Centre Street, New York, New York 10007. In addition, copies of the resolution are available free of charge to the public at the Office of the City Clerk.

Any owner of real property, deemed benefited and therefore within the District, objecting to the District Plan, must file an objection at the Office of the City Clerk, on forms made available by the City Clerk, within thirty (30) days of the close of the hearing on the proposed District. If owners of at least fifty-one percent (51%) of the assessed value of benefited real property situated within the boundaries of the District proposed for establishment, as shown on the latest completed assessment roll of the City, or at least fifty-one percent (51%) of the owners of benefited real property within the area included in the District proposed for establishment file objections with the City Clerk, the District shall not be established.

11-43
Renewal *or Extension* of Authorization or Special Permit

(a) Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(b) Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.

For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITION
Index No. 102934/01

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand and consolidate

JOHN JAY COLLEGE OF CRIMINAL JUSTICE OF THE CITY UNIVERSITY OF NEW YORK
(Block 1087, Lots 1 and 5)

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on the 6th day of April, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand and consolidate John Jay College of Criminal Justice of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map was filed with said clerk on the 11th day of April, 2001. The property acquired by the Dormitory Authority includes tax lots 1 and 5 in tax block 1087 as is shown on the acquisition map filed with the Clerk or the City Register of the County of New York.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of New York, on or before April 29, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before April 29, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT PRE-QUALIFICATION FOR STRUCTURAL LISTS ON-GOING APPLICATION PERIOD – Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Structural Engineers - Piers/Waterfront Structures; and Structural Engineering- Building Structures.

PUBLIC NOTICE

Soliciting Architectural Firms to Pre-Qualify For Two Structural Engineering Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Division of Structures. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline.

Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.

The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria.

Please address all correspondence to: Consultant Liaison, Office of the Agency Chief Contracting Officer, NYC Department of Design and Construction, 30-30 Thomson Avenue, Long Island City, NY 11101 Tel. (718) 391-1540. Fax (718) 391-1506. DDC is an Equal Opportunity Employer.

ON-CALL CONSTRUCTION MANAGEMENT SERVICES – Negotiated Acquisition (S) – Circumstances justifying use of Negotiated Acquisition – DUE 05-31-01 AT 5:00 P.M. – The NYC Department of Homeless Services intends to enter into negotiations with two (2) organizations-Liro Construction Management (PIN 07102S002397) and PMS Construction Management (PIN 07102S002398) to continue to provide construction management services in various DHS locations citywide.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DHS intends to use the negotiated acquisition process to extend the subject contracts. The term of the contract extensions for each provider will be from June 1, 2001 to May 31, 2002, with no option to renew.

Organizations interested in responding to a future solicitation for these services are invited to do so by writing to the Department of Homeless Services at 33 Beaver Street, Office of Contracts and Procurement, 13th Floor, Room 1311, New York, NY 10004, Attention: Sam Aliberti, Deputy Chief Contracting Officer.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

TUBERCULOSIS ULTRAVIOLET RESEARCH STUDY – Demonstration Project* – Testing or experimentation is required - PIN# 07101S004389 – DUE 05-11-01 AT 2:00 P.M. – intends to enter into negotiations with Saint Vincent's Catholic Medical Center for a demonstration project to support a Tuberculosis Ultraviolet (UV) research study at four DIIS homeless drop-in centers located in New York City. The study would focus on the efficacy of utilizing UV to prevent the spread of TB at the drop-in centers, which are common sites of transmission. This study is part of a larger project whereby St. Vincent's is studying the impact of UV energy on TB transmission in other urban areas, other than New York homeless facilities. It is anticipated that the maximum amount of funding available for the demonstration project, which will be 12 months, is $75,000. DHS has determined that the proposed study approach is not currently being utilized in regard to the City's homeless population. Should the UV technology be proven to successfully prevent the spread of TB, its benefits would have a significant impact on the spread of the epidemic.

Any organization that is interested in providing the subject services may contact, in writing, Calvin Pitter, Department of Homeless Services, 33 Beaver St. Room 1312, New York, NY 10004; or by Fax at (212) 361-8418.

■ PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT A REAL PROPERTY PUBLIC HEARING ON ACQUISITIONS AND DISPOSITIONS, in accordance with Section 824 of the New York City Charter, will be held at 10:00 a.m. on June 20, 2001 in the Public Hearing Chamber on the 2nd floor of City Hall in Manhattan in the matter of a proposed lease for The City of New York, as Tenant, of approximately 35,642 rentable square feet of space in the entire building located at 535 Johnson Avenue (Block 2987, Lot 16), in the Borough of Brooklyn for the Department of Sanitation to use as a garage or for such other use as the Commissioner of the Department of Citywide Administrative Services may determine.

The proposed lease shall be for a period of seven (7) years from August 1, 2000, at an annual rent of $319,469.20 ($8.96 per square foot) for the first five (5) years and $333,795.80 ($9.37 per square foot) for the last two (2) years of the term, payable in equal monthly installments at the end of each month. Tenant shall pay a one-time retroactive payment of $3.46 per square foot, per annum, which represents the differential between the rent under this Lease and the amount paid to Landlord under the lease registration program.

Further information, including public inspection of the proposed lease may be obtained at One Centre Street, Room 2000 North, New York, N.Y. 10007. To schedule an inspection, please contact Chris Fleming at (212) 669-7497.

Individuals requesting Sign Language Interpreters should contact the Mayor's Office of Contracts, Public Hearings Unit, 253 Broadway, Room 915, New York, N.Y. 10007, (212) 788-7490, no later than (SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING).

TDD users should call VERIZON relay services.

11-43
Renewal *or Extension* of Authorization or Special Permit

~~(a)~~ Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(*b*) ***Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:***

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.
For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITION
Index No. 102934/01

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand and consolidate

JOHN JAY COLLEGE OF CRIMINAL JUSTICE OF THE CITY UNIVERSITY OF NEW YORK
(Block 1087, Lots 1 and 5)

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on the 6th day of April, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand and consolidate John Jay College of Criminal Justice of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map was filed with said clerk on the 11th day of April, 2001. The property acquired by the Dormitory Authority includes tax lots 1 and 5 in tax block 1087 as is shown on the acquisition map filed with the Clerk or the City Register of the County of New York.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of New York, on or before April 29, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before April 29, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits *agencies to develop and solicit from* prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT PRE-QUALIFICATION FOR STRUCTURAL LISTS ON-GOING APPLICATION PERIOD – Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Structural Engineers - Piers/Waterfront Structures; and Structural Engineering- Building Structures.

PUBLIC NOTICE

Soliciting Architectural Firms to Pre-Qualify For Two Structural Engineering Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Division of Structures. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline.

Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.

The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria.

Please address all correspondence to: Consultant Liaison, Office of the Agency Chief Contracting Officer, NYC Department of Design and Construction, 30-30 Thomson Avenue, Long Island City, NY 11101 Tel. (718) 391-1540. Fax (718) 391-1506. DDC is an Equal Opportunity Employer.

PREQUALIFICATION CRITERIA FOR LIST 15 STRUCTURAL ENGINEERING - PIERS AND WATERFRONT STRUCTURES

ON-CALL CONSTRUCTION MANAGEMENT SERVICES – Negotiated Acquisition (S) – Circumstances justifying use of Negotiated Acquisition – DUE 05-31-01 AT 5:00 P.M. – The NYC Department of Homeless Services intends to enter into negotiations with two (2) organizations-Liro Construction Management (PIN 07102S002397) and PMS Construction Management (PIN 07102S002398) to continue to provide construction management services in various DHS locations citywide.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DHS intends to use the negotiated acquisition process to extend the subject contracts. The term of the contract extensions for each provider will be from June 1, 2001 to May 31, 2002, with no option to renew.

Organizations interested in responding to a future solicitation for these services are invited to do so by writing to the Department of Homeless Services at 33 Beaver Street, Office of Contracts and Procurement, 13th Floor, Room 1311, New York, NY 10004, Attention: Sam Aliberti, Deputy Chief Contracting Officer.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

TUBERCULOSIS ULTRAVIOLET RESEARCH STUDY – Demonstration Project* – Testing or experimentation is required - PIN# 07101S004389 – DUE 05-11-01 AT 2:00 P.M. – The Department of Homeless (DHS) services intends to enter into negotiations with Saint Vincent's Catholic Medical Center for a demonstration project to support a Tuberculosis Ultraviolet (UV) research study at four DIIS homeless drop-in centers located in New York City. The study would focus on the efficacy of utilizing UV to prevent the spread of TB at the drop-in centers, which are common sites of transmission. This study is part of a larger project whereby St. Vincent's is studying the impact of UV energy on TB transmission in other urban areas, other than New York homeless facilities. It is anticipated that the maximum amount of funding available for the demonstration project, which will be 12 months, is $75,000. DHS has determined that the proposed study approach is not currently being utilized in regard to the City's homeless population. Should the UV technology be proven to successfully prevent the spread of TB, its benefits would have a significant impact on the spread of the epidemic.

Any organization that is interested in providing the subject services may contact, in writing, Calvin Pitter, Department of Homeless Services, 33 Beaver St. Room 1312, New York, NY 10004; or by Fax at (212) 361-8418.

CITYWIDE N 010439 ZRY

IN THE MATTER OF an application submitted by 9th and 33rd Associates, L.P., pursuant to Section 201 of the New York City Charter, **for amendment of the Zoning Resolution of the City of New York relating to Section 11-43 of Article I, Chapter 1, concerning an extension of the lapse period for a special permit for the construction of a permanent platform over a rail yard.**

Matter in***bolditalic*** is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter in italics or within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution.

* * *

11-43
Renewal *or Extension* of Authorization or Special Permit

(a) Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(b) ***Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:***

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.
For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITON
Index No. 102934/01

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand and consolidate

JOHN JAY COLLEGE OF CRIMINAL JUSTICE OF THE CITY UNIVERSITY OF NEW YORK
(Block 1087, Lots 1 and 5)

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on the 6th day of April, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand and consolidate John Jay College of Criminal Justice of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map was filed with said clerk on the 11th day of April, 2001. The property acquired by the Dormitory Authority includes tax lots 1 and 5 in tax block 1087 as is shown on the acquisition map filed with the Clerk or the City Register of the County of New York.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of New York, on or before April 29, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before April 29, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced.
In light of the United States Supreme

Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year.

The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT PRE-QUALIFICATION FOR STRUCTURAL LISTS ON-GOING APPLICATION PERIOD – Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Structural Engineers - Piers/Waterfront Structures; and Structural Engineering- Building Structures.

PUBLIC NOTICE

Soliciting Architectural Firms to Pre-Qualify For Two Structural Engineering Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Division of Structures. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline. Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.

The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria.

Please address all correspondence to: Consultant Liaison, Office of the Agency Chief Contracting Officer, NYC Department of Design and Construction, 30-30 Thomson Avenue, Long Island City, NY 11101 Tel. (718) 391-1540. Fax (718) 391-1506. DDC is an Equal Opportunity Employer.

PREQUALIFICATION CRITERIA FOR LIST 15 STRUCTURAL ENGINEERING - PIERS AND WATERFRONT STRUCTURES

1. **Prime Consultant:** Firm shall have been a prime consultant for all work listed as past experience.

2. **Staff Size:** Employ at least a minimum of 20 full-time professionals. Principals must be licensed to practice in New York State. At least one principal or senior associate must be licensed in civil engineering.

3. **Longevity:** Firm in business at least four years.

4. **Volume of Work:** Firm shall submit a financial statement for the last full year of business which indicates that annual billings total at least $500,000.

5. **Prior Work:** Firm shall have completed in construction within the last five years ten projects.

6. **Quality Design:** Firm shall demonstrate a broad range of experience in structural engineering of piers and waterfront structures.

7. **New York City Experience:** Firm shall have had experience in the last five years on at least four completed projects located in New York City.

8. **Institutional and Public Sector Experience:** Firm shall have completed construction of at least four institutional and/or public sector projects.

9. **Past Performance:** Satisfactory references and an accomplished track record of completing programs/projects of the same scope and complexity as the list intended to be used.

10. **References:** Provide 254 form and names and phone numbers of contacts for the projects listed (completed and pending. Include illustrated brochure or other visual materials.

PREQUALIFICATION CRITERIA FOR LIST 17 STRUCTURAL ENGINEERING - BUILDING STRUCTURES

ON-CALL CONSTRUCTION MANAGEMENT SERVICES – Negotitated Acquisition (S) – Circumstances justifying use of Negotiated Acquisition – DUE 05-31-01 AT 5:00 P.M. – The NYC Department of Homeless Services intends to enter into negotiations with two (2) organizations-Liro Construction Management (PIN 07102S002397) and PMS Construction Management (PIN 07102S002398) to continue to provide construction management services in various DHS locations citywide.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DHS intends to use the negotiated acquisition process to extend the subject contracts. The term of the contract extensions for each provider will be from June 1, 2001 to May 31, 2002, with no option to renew.

Organizations interested in responding to a future solicitation for these services are invited to do so by writing to the Department of Homeless Services at 33 Beaver Street, Office of Contracts and Procurement, 13th Floor, Room 1311, New York, NY 10004, Attention: Sam Aliberti, Deputy Chief Contracting Officer.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

TUBERCULOSIS ULTRAVIOLET RESEARCH STUDY – Demonstration Project* – Testing or experimentation is required - PIN# 07101S004389 – DUE 05-11-01 AT 2:00 P.M. – The Department of Homeless (DHS) services intends to enter into negotiations with Saint Vincent's Catholic Medical Center for a demonstration project to support a Tuberculosis Ultraviolet (UV) research study at four DIIS homeless drop-in centers located in New York City. The study would focus on the efficacy of utilizing UV to prevent the spread of TB at the drop-in centers, which are common sites of transmission. This study is part of a larger project whereby St. Vincent's is studying the impact of UV energy on TB transmission in other urban areas, other than New York homeless facilities. It is anticipated that the maximum amount of funding available for the demonstration project, which will be 12 months, is $75,000. DHS has determined that the proposed study approach is not currenty being utilized in regard to the City's homeless population. Should the UV technology be proven to successfully prevent the spread of TB, its benefits would have a significant impact on the spread of the epidemic.

Any organization that is interested in providing the subject services may contact, in writing, Calvin Pitter, Department of Homeless Services, 33 Beaver St. Room 1312, New York, NY 10004; or by Fax at (212) 361-8418.

CITYWIDE N 010439 ZRY

IN THE MATTER OF an application submitted by 9th and 33rd Associates, L.P., pursuant to Section 201 of the New York City Charter, **for amendment of the Zoning Resolution of the City of New York relating to Section 11-43 of Article I, Chapter 1, concerning an extension of the lapse period for a special permit for the construction of a permanent platform over a rail yard.**

Matter in***bolditalic*** is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter in italics or within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution.

* * *

11-43
Renewal *or Extension* of Authorization or Special Permit

~~(a)~~ Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(*b*) ***Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:***

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.
For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

■ NOTICE

AMENDED NOTICE OF ACQUISITON
Index No. 102934/01

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand and consolidate

JOHN JAY COLLEGE OF CRIMINAL JUSTICE OF THE CITY UNIVERSITY OF NEW YORK
(Block 1087, Lots 1 and 5)

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on the 6th day of April, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand and consolidate John Jay College of Criminal Justice of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map was filed with said clerk on the 11th day of April, 2001. The property acquired by the Dormitory Authority includes tax lots 1 and 5 in tax block 1087 as is shown on the acquisition map filed with the Clerk or the City Register of the County of New York.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of New York, on or before April 29, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within nine months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before April 29, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

ON-CALL CONSTRUCTION MANAGEMENT SERVICES – Negotiated Acquisition (S) – Circumstances justifying use of Negotiated Acquisition – DUE 05-31-01 AT 5:00 P.M. – The NYC Department of Homeless Services intends to enter into negotiations with two (2) organizations-Liro Construction Management (PIN 07102S002397) and PMS Construction Management (PIN 07102S002398) to continue to provide construction management services in various DHS locations citywide.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DHS intends to use the negotiated acquisition process to extend the subject contracts. The term of the contract extensions for each provider will be from June 1, 2001 to May 31, 2002, with no option to renew.

Organizations interested in responding to a future solicitation for these services are invited to do so by writing to the Department of Homeless Services at 33 Beaver Street, Office of Contracts and Procurement, 13th Floor, Room 1311, New York, NY 10004, Attention: Sam Aliberti, Deputy Chief Contracting Officer.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

TUBERCULOSIS ULTRAVIOLET RESEARCH STUDY – Demonstration Project* – Testing or experimentation is required - PIN# 07101S004389 – DUE 05-11-01 AT 2:00 P.M. – The Department of Homeless (DHS) services intends to enter into negotiations with Saint Vincent's Catholic Medical Center for a demonstration project to support a Tuberculosis Ultraviolet (UV) research study at four DIIS homeless drop-in centers located in New York City. The study would focus on the efficacy of utilizing UV to prevent the spread of TB at the drop-in centers, which are common sites of transmission. This study is part of a larger project whereby St. Vincent's is studying the impact of UV energy on TB transmission in other urban areas, other than New York homeless facilities. It is anticipated that the maximum amount of funding available for the demonstration project, which will be 12 months, is $75,000. DHS has determined that the proposed study approach is not currenty being utilized in regard to the City's homeless population. Should the UV technology be proven to successfully prevent the spread of TB, its benefits would have a significant impact on the spread of the epidemic.

Any organization that is interested in providing the subject services may contact, in writing, Calvin Pitter, Department of Homeless Services, 33 Beaver St. Room 1312, New York, NY 10004; or by Fax at (212) 361-8418.

TRANSPORTATION

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by Section 2903 of the New York City Charter and in accordance with Section 1043 of the Charter, including a public hearing held on due notice, that the Department of Transportation hereby adopts amendments to sections 2-01, 2-02, 2-03, 2-04, 2-09 and 2-11 of Chapter 2 of Title 34 of the Official Compilation of the Rules of the City of New York, the Highway Rules, regarding permits for street excavations, conditions for issuing permits, canopies, permit requirements for property owners' maintenance of sidewalks, skid resistant plates and decking, installation of conduits and pipes and restoration of protected streets. These rules shall take effect 30 days from the date hereof.

Section one. Section 2-01 of Title 34 of the Rules of the City of New York is amended as follows:

Block Segment. The term "Block Segment" means the linear stretch of the street between the curblines of the cross streets that intersect such block.

Intersection. The term "Intersection" means the area contained within the grid created by extending the curblines of two or more streets at the point at which they cross each other.

Section two. Subdivision (b) of section 2-02 of Title 34 of the Rules of the City of New York is amended by adding a new paragraph 3 as follows:

(b) General conditions for all permits.

(3) Before issuing a permit the Department may demand that permittee show proof of required approvals from other governmental entities.

Section three. Section 2-03 of Title 34 of the Rules of the City of New York is amended as follows:

Permit Or Activity	Fee	Other Charges	Maximum Duration per Permit	Maximum Distance per Permit	Maximum Width per Permit
Installation and/orRemoval	$135.00 of poles		30 days	[300 lin. ft.] 2 sw flags	SW width

Section four. Paragraph 1 of subdivision (c) of section 2-04 of Title 34 of the Rules of the City of New York is amended as follows:

(c) Conditions.

(1) Canopy permits shall not be issued for:

(i) placement on streets listed in subdivision f of this section;

(ii) placement within the following: fifteen feet of fire hydrant or bus stop zones; beneath a fire escape or so located as to obstruct operation of fire escape drop ladders or counter-balanced stairs or so as to obstruct any exit from a building; within the area created by extending the building line to the curb (the "corner") or within the area from ten feet of either side of the corner (the "corner quadrant"); five feet of tree pit edges, four feet of street lights and utility hole or transformer vault covers or gratings; three feet of parking meters; or

(iii) placement without written approval from the property owner; or

(iv) placement without written approval from the Department of Consumer Affairs for locations licensed by the Department of Consumer Affairs[.] ; or

(v) placement at locations deemed by the Commissioner as inadequate with respect to public safety and convenience.

Section five. Subdivision (e) of section 2-04 of Title 34 of the Rules of the City of New York is amended by adding a new paragraph 3 as follows:

(e) Permit expiration, renewal and transferability.

(1) Each permit shall expire one year from the date of issuance, unless revoked sooner by the Commissioner. Applications for renewal of canopy permits shall be made at least one month prior to permit expiration dates.

(2) Canopy permits shall not be transferable from person to person or from the location of original issue.

(3) Notwithstanding any inconsistent provision of this section relating to the location of a canopy, where a permit was issued for a canopy erected prior to May 19, 1995 under the rules in effect prior to that date, a renewal permit may be issued for the continued maintenance of such canopy at such location provided that:

(i) The canopy is at the same location and was not altered on or after May 19, 1995;

(ii) The canopy is not on a street listed as restricted in subdivision f of this section; and

(iii) The department performs an on-site inspection and determines that the canopy does not present a hazard to public safety and convenience. For the purposes of this provision, hazards for which the department will refuse the renewal of a permit shall include, but not be limited to, the location of a canopy within fifteen feet of a fire hydrant or bus stop, beneath or obstructing a fire escape or within a corner or corner quadrant.

Section six. Paragraph 2 of subdivision f of section 2-09 of Title 34 of the Rules of the City of New York is amended as follows:

(f) Sidewalks
(2) Permit Required
(i) A permit is required to install, repave, reconstruct or repair any sidewalk [except where the work involves an area of twenty-five square feet or less] where the work involves an area of more than twenty-five square feet. Where the work involves an area of twenty-five square feet or less, a permit is only required where the purpose of the work is to remove a violation. [A sidewalk closing permit shall be required if a minimum of five feetcannot be maintained on the sidewalk for unobstructed pedestrian passage.]

(ii) A sidewalk closing permit shall be required if a minimum width of five feet cannot be maintained on the sidewalk for unobstructed pedestrian passage.

[(ii)] (iii) An applicant shall file:
(A) An application for a sidewalk construction permit stating the location of the sidewalk work, including driveway, if applicable, and the start and estimated completion dates. All subway gratings, utility covers and castings situated in the sidewalk area which are not at proper grade or are in a dangerous condition shall be noted in the application;
(B) A Commercial General Liability insurance policy in the amount of $250,000 combined single limit per occurrence for bodily injury and property damage;
(C) Workers' Compensation insurance;
(D) A plan for the restoration of the sidewalk, approved by the Department of Buildings, where the existing sidewalk is the structural roof of a vault or other opening.
[(iii)] (iv) An owner of the abutting property who files an affidavit stating therein that he/she will not employ any person or persons to repair the sidewalk for him/her, shall not be required to submit a commercial general liability insurance policy or workers' compensation insurance.

Section seven. Subdivision (b) of section 2-11 of Title 34 of the Rules of the City of New York is amended by adding a new paragraph 2 as follows:

(b) Permit Requirements

(1) All permits are subject to applicable provisions contained in Section 2-02 of these rules.

(2) A Permittee shall obtain a separate permit for each 300 linear feet of a block segment and for each intersection where work is to be performed.

Section eight. Paragraph 10 of subdivision e of section 2-11 of Title 34 of the Rules of the City of New York is amended by adding a new subparagraph (vi) to read as follows:

(vi) All plating and decking shall have a skid-resistant surface equal to or greater than the adjacent existing street or roadway surface, but in no event less than a New York State skid resistance number of 36.

Section nine. Paragraph 11 of subdivision e of section 2-11 of the Rules of the Department of Transportation is amended as follows:

(vii) Conduit or pipes shall [not be placed within the concrete base, except where the Department has consented thereto in writing prior to construction.] be installed at a minimum depth of 18 inches from the surface of the roadway, or below the base, whichever is greater. Where conduits and pipes cannot be installed at the required minimum depth, protective plating shall be installed over the facilities upon written request from the permittee and receipt of written approval of the Department.

Section ten. Paragraph 4 of subdivision f of section 2-11 of the Rules of the Department of Transportation is amended as follows:

(f) Excavations And Street Openings in Protected Streets.

(4) Restorations

(i) No backfill of any opening or excavation on a protected street shall be performed unless the permittee notifies the Department at least two hours prior to the [commencement of work.] scheduled start time for the backfill except as otherwise authorized by the Commissioner. In no case shall the permittee commence the backfill prior to the scheduled start time. For the base and wearing course, the permittee shall fax its daily paving schedule to the Department prior to commencing work. In addition, during the backfill and compaction phase of the work, permittees must provide, on site, a certified compaction tester from an approved laboratory or a licensed certified tester to test that the compaction of the backfill is in accordance with the Department's rules and specifications.

(ii) The Department may inspect any phase of the work, including but not limited to, initial excavation, backfill and compaction, performance of required cut backs, and final restoration.

(iii) A certification issued by a New York State licensed professional engineer shall be provided to the Department within thirty days of completion of work on protected streets. The certification shall state that the type of work performed was as described in the permit application, and that all phases of the restoration were performed in accordance with Department rules and specifications.

(iv) Permittees shall be responsible for the proper repair of the street opening or excavation for a period of three years from the date of completion or for the duration of the protected street guarantee period, whichever is longer.

(v) All restorations shall conform with the latest version of Department standard details 1042A and 1042B.

(vi) Where street openings cannot be confined to within 8 feet of the curb line, including the required cut back, and/ or within the sidewalk area, full curb to curb roadway restoration shall be required where protected street status has been in effect for 18 months or less, unless otherwise directed by the Commissioner.

(vii) In the event a permanent restoration pavement installed in violation of the provisions of subparagraph (i) of this paragraph (4) settles more than two inches below the surrounding existing surface during the life of such permanent restoration, this shall be deemed a failure of the backfill compaction, in which case, the permittee shall remove all of the failed backfill, down to the subsurface facility, and install new, properly compacted backfill.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULES

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding streets and highways in the City pursuant to Section 2903 of the New York City Charter and Title 19 of the New York City Administrative Code.

Section 2-01 is being amended to define block segments and intersections.

Section 2-02 of the Highway Rules is being amended to allow the Agency to better regulate the issuance of permits. The proposed rule allows the Department to demand that permittees show proof of required approvals from other governmental entities as a condition for issuing a Departmental permit. This revision should heighten public safety by allowing the Department to insure that permittees secure approval from other governmental entities as required.

Section 2-03 is being amended to require a permit to be obtained for pole removal. This will enable the Department to better regulate such activity by giving the Department notice of pole removals.

Section 2-04 is being amended in order that the Agency may better regulate the issuance of canopy permits. The proposed rules prohibit the placement of canopies under fire escapes or obstructing the use of fire escape drop ladders, counter-balanced stairs, and any building exits. The revision brings the current Highway Rules into compliance with the New York City Administrative Code, Title 19, Section 19-124(f). Additionally, this revision heightens public safety since canopies obstructing the use of fire escapes and building exits would render such fire escapes and building exits inoperable.

Additionally, the proposed rules enable the Department to renew permits for canopies constructed and approved before May 19, 1995 without imposing the newer construction restrictions, so long as a Department Inspector inspects the canopy and determines that such canopy does not present any hazards to public safety and convenience.

Section 2-09 is being amended to require property owners to obtain a permit for sidewalk work, even if the area of work is less than 25 square feet, where the purpose of the work is to remove a violation, thus enabling the Department to inspect and remove sidewalk violations.

Subdivision b of section 2-11 is being amended to alert Permittees to the necessity of obtaining separate permits for each block segment and intersection.

Paragraph 10 of subdivision e of section 2-11 is being amended to provide for the safe movement of pedestrians, cyclists and others around work sites that contain steel plates and decks.

Paragraph 11 of subdivision e of section 2-11 is being amended to establish a minimum depth for the installation of conduits and pipes beneath the surface of roadways. This amendment will ensure that conduits and pipes are protected from damage caused by excavation, street openings, resurfacing, reconstruction and vehicular traffic.

The Department has become aware of an increase in the number of non-emergency street openings in protected streets. Paragraph 4 of subdivision f of section 2-11 is being amended to allow the Department to better monitor restoration activity in protected streets. A new subparagraph vi is proposed in order to maximize the integrity of protected streets by setting forth opening and restoration guidelines for streets which have been reconstructed within 18 months of the present street opening. Where work cannot be performed within 8 feet of curbs or be confined to sidewalks, permittees will be required to restore the street from curb to curb. Finally, a new subparagraph vii is proposed to require permittees to maintain permanent restorations of protected streets in the same manner that they are required to maintain permanent restorations of non-protected streets.

ADDRESS	BOROUGH:	BLOCK/LOT:
TUDOR CITY PLACE BRIDGE HISTORIC DISTRICT TUDOR CITY	MANHATTAN	0 / 0

To the Mayor, the Council, and the Manhattan Borough Commissioner, Department of Transportation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for repairs to the Tudor City Place bridge over 42nd Street including repaving the bridge deck and replacing damaged granite curbs in kind; re-anchoring the granite panels facing the retaining walls and replacing missing or damaged panels in kind; and installing new lighting under the bridge as shown and described in drawings TG1, TS2, TS5, TS7, TE2, and TE1, dated April 9, 2001, TS1 and TS3, dated March 20, 2001, TS4, dated March 21, 2001, TS6, dated March 19, 2001, and TS8 and TS9, dated April 10, 2001, a scope of work, dated April 11, 2001, and photographs of the existing conditions, all prepared and submitted by Manuel Elken Co.

In reviewing this proposal, the Commission notes that the bridge was constructed in the 1950's at the time 42nd Street was widened; and that it does not contribute to the special historic and architectural character of the Tudor City Historic District.

With regard to this proposal, the Commission finds that the repair work will not cause the removal of any significant protected features of the historic district; that the new granite curbs will match the material and dimensions of the existing, and that the work will not affect the special historic and architectural character of the historic district. Based on these findings, the Commission determines the proposed work to be appropriate to the historic district.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS	BOROUGH:	BLOCK/LOT:
RIVERSIDE DRIVE Riverside Drive Bridge Over West 96th Street SCENIC LANDMARK	MANHATTAN	**********

To the Mayor, the Council, and the Department of Transportation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the dismantling, repair, and reconstruction of the Riverside Drive Bridge over West 96th Street, including the removal of the concrete sidewalk, the iron pedestrian railings, the masonry components, the underpass lighting fixtures, and the street lighting; the cleaning of the masonry with water at 500 psi; and the repair of the structural steelwork painted to match the existing; the replacement of the concrete sidewalk to match the existing; and the resetting of the masonry components and street lighting in their original locations. The iron railing will be duplicated, painted, replaced, and reset to match the existing. The underbridge lighting will be replaced with MagniFlood Underdeck Luminaire Cat. No. JJS-100 in MagniGray finish. The proposed work is described in photographs numbered 1 through 13; drawings RG-1, RS-1, RS-2, RS-3, RS-5, RS-7, RS-8, RS-9, RS-12, RS-15, RC-1, RC-3, dated April 17, 2001; RS-4, RS-6, RS-10, RS-13, RS-16, RS-17, RC-2, dated April 18, 2001; RS-11, dated April 16, 2001;RS-14, dated April 12, 2001; RE-1, RE-2, dated April 20, 2001; and specifications; prepared by Manuel Elken Co. P.C., and submitted as components of the application.

With regard to this proposal, the Commission finds that the proposed work will eliminate a potentially unstable condition; that the new concrete railings and other replacement units will match the existing; that the light fixtures will be small and placed in such a way that they will not call undue attention to themselves; and that the proposed work will aid in the long-term preservation of the bridge.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. 280 BROADWAY The Sun Building INDIVIDUAL LANDMARK	MANHATTAN	153 / 1

To the Mayor, the Council, and the Commissioner of NYC Dept. of Citywide Administrative Services.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for interior partitions, plumbing and mechanical systems for the 3rd to 7th floors and portions of the basement and cellar. The proposed work is described in drawings labeled Rehabilitation of the Marble Palace - Phase IIB - Tenant Fit-Out A5.07, A5.08, A5.09, dated 6/9/00, A1.01, A1.02, S-000, S-100, S-101, S-102, S-300, dated 8/3/00, FP-1, FP-2, FP-1.03, FP-1.04, dated 8/7/00, A4.04, dated 8/10/00, A0.01, A0.02, A0.03, A1.OC, A1.OB, A3.01, A3.02, A3.03, A4.01, A4.02, A4.03, A4.04, A4.05, A4.06, A4.07, FP-1.05, FP-1.06, FP-1.07, P-1, P-1.07, dated 8/31/00, A0.00, A1.03 A1.04, A1.04, A1.05, A1.06, A1.07, A2.03, A2.04, A2.05, A2.06, A2.07, A6.03, A6.04, A6.5, A6.06, A6.07, dated 1/1/01, M-1, M-1.03, M-1.03, M-1.04, M-1.05, M-1.06 and M-1.07, dated 2/2/01, prepared by Beyer Blinder Belle and submitted as components of this application.

The Commission has reviewed these drawings and finds that the work will have no effect on the significant protected features of the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRESS	BOROUGH:	BLOCK/LOT:
35 EMPIRE BOULEVARD Bureau of Fire Communications INDIVIDUAL LANDMARK	BROOKLYN	1183 / 51

To the Mayor, the Council, and the Fire Commissioner, New York City Fire Department.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon *property owned by the City and is or is to be located on a landmark site or in a historic district or which* contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of March 20, 2001, following the Public Hearing and Public Meeting of November 11, 2001, voted to issue a favorable report to the New York City Fire Department for the installation of a ramp and metal and glass entrance vestibule at the northwest corner of the building the removal of cyclone fencing and the replacement of the existing historic 4'-1" high perimeter fencing and gates with new 8'-0" fencing and gates. All work was shown on presentation boards consisting of existing condition photographs, and elevation and section drawings, dated received April 20, 2001, prepared by Joseph J. Aliotta, R.A., submitted as components of this application, and presented at the Public Hearing and Public Meetings.

In reviewing this proposal, the Commission noted that 35 Empire Boulevard is an Italian Renaissance/ Eclectic style public building built in 1913, designed by Frank J. Helme.

With regard to this proposal, the Commission found that the proposed fencing will facilitate the removal of the existing, unsightly 13'-0" high cyclone fence; that the proposed black-painted metal picket fence will match the historic fence in terms of material, detail and finish; that the height of the proposed fence will not cause the significant architectural features of this Individual Landmark to be obscured, as the open design of the pickets allows the building to be visible from the public thoroughfare; that the open design of the fence will not obstruct the view of this Individual Landmark from the surrounding public thoroughfare; that the fence will not cause the historic lamp posts, located to either side of openings located on Empire Boulevard and Washington Avenue, to be obscured; that the location of the ramp, to be set 50'- 0" behind the iron fence bordering Washington Avenue, will cause the ramp to be only minimally visible from at the public thoroughfare; that the iron pickets of the railing on the ramp will mimic the iron pickets of the iron fence bordering the property; that the proposed entry vestibule enclosure, to be located at the Western elevation facing the M.T.A. Franklin Avenue Shuttle right-of way, will not be visible from Empire Boulevard or Washington Avenue and will be only minimally visible from the Brooklyn Botanical Garden; and that the configuration of the glazed entry vestibule mimics the configuration of the adjacent arched windows.

However, in voting to approve this proposal, the Commission required that two complete sets of signed and sealed Department of Buildings filing drawings be submitted for review and approval by the staff of the Commission. Subsequently, on April 20, 2001, the staff received drawings labeled AD-0, and A-500 through A-503, dated April 6, 2001, A-001, dated revised April 18, 2001, and a reduced set of the presentation drawings. Accordingly the staff reviewed these drawings and determined that the approved design had been maintained. Therefore these drawings have been marked approved by the LPC with a perforated seal, and this report is being issued.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. ADDRESS	BOROUGH:	BLOCK/LOT:
LAMPPOSTS West End Avenue at West 90th Street RIVERSIDE- WEST END	MANHATTAN	777 / 77

To the Mayor, the Council, and the Director of Street Lighting, Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace standard street lampposts and traffic lights located on the four corners of West 90th Street and West End Avenue, with bishop's crook type posts and fixtures. The proposal is described on the application and shown in existing condition photographs, and drawings prepared by Spring City Electrical Manufacturing Company.

In reviewing this proposal, the Commission notes that the Riverside-West End Historic District was primarily developed in the late 19th and early 20th centuries, at the time that gas lighting was being replaced by cast-iron lampposts with electric lights, the most common type being the bishop's crook.

The Commission finds that the existing standard lampposts do not contribute to the special architectural and historic character of the historic district; that the new bishop's crook lampposts reproduce almost exactly the historic bishop's crook posts; that they are harmonious in scale, materials, design, and color with the character of the district; that the installation will strengthen the historic character of the street and district; and that the replacement of the existing posts with bishop's crook posts in the same locations will result in no damage to the sidewalks. Based on these findings, the Commission determines the proposed work to be appropriate to the Riverside-West End Historic District. The work, therefore, is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

2060 SEDGWICK AVENUE Gould Memorial Library INTERIOR LANDMARK	BRONX	3222 / 62

To the Mayor, the Council, and the Dormitory Authority of the State of New York.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the cleaning, repair of cracks, and consolidation of eroded surfaces of the plaster dome at the subject premises including the removal of dust and dirt from the decorative plaster ceiling by dry cleaning with brushes and hepa-filter vacuums; the repair of cracks by the injection of Rhoplex MC 76 adhesive; the repair of eroded surfaces of the plaster with molding plaster infill and consolidation with Rhoplex MC 76; and coloring to match the existing surrounding plaster. The proposed work is described through current condition photographs; a description of the scope of work from Historic Plaster Conservation Services Limited, dated April 12, 2001; a description of the conditions and recommendations for plaster conservation from Historic Plaster Conservation Services Limited, dated April 13, 2001; and a drawing of the interior dated April 19, 2001; prepared by Facade Maintenance Design and submitted as components of the application.

In reviewing this application, the Commission notes that the Gould Memorial Library interior rotunda was designed in 1892-96 by McKim Mead and White.

With regard to this proposal, the Commission finds that the work is restorative in nature and will return the interior plaster dome to its historic appearance; that the methods of cleaning and repair will not destroy any original fabric; and that the work will not result in damage to, or demolition of, any significant architectural features. Based on these findings, the proposed work is determined to be appropriate to the Gould Memorial Library individual landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Landmarks Preservation Commission has reviewed a proposal to replace standard street lampposts on East 63rd Street between Second and Third Avenue with bishop's crook lampposts. The proposal is described on the application and shown in existing condition photographs and drawings prepared by the Spring City Electrical manufacturing Company.

The Commission notes that the Treadwell Farm Historic District was primarily developed in the late 19th and early 20th centuries, at the time that gas lighting was being replaced by cast-iron lampposts with electric lights, the most common type being the bishop's crook. These posts remained in place into the 1960s.

Matter in***bolditalic*** is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter in italics or within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution.

* * *

11-43
Renewal *or Extension* of Authorization or Special Permit

~~(a)~~ Any authorization or special permit granted by the City Planning Commission, except one granted with a ten year lapse period, that would automatically lapse as set forth in Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) may be renewed without public hearing, for two additional three-year terms, provided that the Commission finds that the facts upon which the authorization or special permit was granted have not substantially changed. However, ***except as provided in paragraph (b) of this Section***, all special permits or authorizations granted by the Commission shall lapse after a total of ten years from the date of their original granting if substantial construction has not taken place at such time. An application for a renewal of an authorization or special permit shall be filed with the Commission before it lapses.

(b) Notwithstanding the provisions of paragraph (a) of this Section, a special permit granted pursuant to Section 74-68 (Development Within or Over a Right-of-Way or Yards) for a ten year period or renewed for additional terms pursuant to paragraph (a), shall not lapse where the railroad yard is in active use, is twenty-two acres or more and such yard occupies more than forty percent of the #zoning lot# for such #development#, and substantial construction of the permanent platform requires or depends upon work to be performed or agreed to by the railroad but such work has not been completed within the term of the special permit, provided that, prior to the date such special permit will have lapsed but for this paragraph:

(1) the railroad has entered into an agreement for the performance of work related to construction of the permanent platform, including a schedule for completion of the work; and

(2) substantial progress has been made on work unrelated to the permanent platform and/or substantial construction-related commitments have been made in connection with the #development#.

Work may start or continue pursuant to such special permit and any concurrently issued and related special permits in accordance with the plans pursuant to which such special permit was granted for a period of 36 months following the tenth anniversary of the original grant of the special permit, provided that such special permit and any concurrent and related special permits shall automatically lapse after the additional 36 month period has

expired unless the permanent platform has been substantially constructed or, but for suspension of or delays in work caused by requirements of the railroad or unanticipated difficulties with site conditions, would have been substantially constructed within the additional 36 month period.
For purposes of this provision, the term "substantial construction-related commitments" shall include, at a minimum, commitments for site acquisition, such as a purchase agreement, deed or ground lease, architectural and engineering agreements for design of the permanent platform, and a construction management or general contractor agreement for the construction of the platform.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFP: SUBSTITUTE TEACHER PLACEMENT – Competitive Sealed Proposals* – PIN# 1B611040 – DUE 05-16-01 AT 11:30 A.M. – Seeking proposals from organizations, which are capable of providing computer hardware, software, training, maintenance, and upgrade services to do the following: provide, implement, and maintain a telephonic and web enabled system that automates and manages the placement of substitute teachers and school staff for absentees. Periodic and contemporaneous reports are required. Develop and execute a cost effective plan for providing seamless linkages to existing personnel and payroll systems. The system must be centrally managed while allowing districts to customize the qualifications they require. The Pilot Program begins in the Fall 2001 with full deployment in Spring 2002. Minimum qualifications are the following: three years experience in providing large organizations (at least 40,000 employees) with substitute placement systems. Demonstrated success in developing and implementing a web enable substitute placement system.

There are two general purposes of the system. First, and most importantly, is to reduce uncovered absences. Second, is to provide sufficient documentation to establish when substitutes have or have not accepted job placement offers. If you download this RFP, please send an e-mail with your company name, address, phone, fax and e-mail address to (PMFREY@NYCBOE.NET) in order to receive amendments and other updates to the RFP. ON-CALL CONSTRUCTION MANAGEMENT SERVICES – Negotiated Acquisition (S) – Circumstances justifying use of Negotiated Acquisition – DUE 05-31-01 AT 5:00 P.M. – The NYC Department of Homeless Services intends to enter into negotiations with two (2) organizations-Liro Construction Management (PIN 07102S002397) and PMS Construction Management (PIN 07102S002398) to continue to provide construction management services in various DHS locations citywide.

In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, DHS intends to use the negotiated acquisition process to extend the subject contracts. The term of the contract extensions for each provider will be from June 1, 2001 to May 31, 2002, with no option to renew.

Organizations interested in responding to a future solicitation for these services are invited to do so by writing to the Department of Homeless Services at 33 Beaver Street, Office of Contracts and Procurement, 13th Floor, Room 1311, New York, NY 10004, Attention: Sam Aliberti, Deputy Chief Contracting Officer.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

TUBERCULOSIS ULTRAVIOLET RESEARCH STUDY – Demonstration Project* – Testing or experimentation is required - PIN# 07101S004389 – DUE 05-11-01 AT 2:00 P.M. – The Department of Homeless (DHS) services intends to enter into negotiations with Saint Vincent's Catholic Medical Center for a demonstration project to support a Tuberculosis Ultraviolet (UV) research study at four DIIS homeless drop-in centers located in New York City. The study would focus on the efficacy of utilizing UV to prevent the spread of TB at the drop-in centers, which are common sites of transmission. This study is part of a larger project whereby St. Vincent's is studying the impact of UV energy on TB transmission in other urban areas, other than New York homeless facilities. It is anticipated that the maximum amount of funding available for the demonstration project, which will be 12 months, is $75,000. DHS has determined that the proposed study approach is not currently being utilized in regard to the City's homeless population. Should the UV technology be proven to successfully prevent the spread of TB, its benefits would have a significant impact on the spread of the epidemic.

Any organization that is interested in providing the subject services may contact, in writing, Calvin Pitter, Department of Homeless Services, 33 Beaver St. Room 1312, New York, NY 10004; or by Fax at (212) 361-8418.

LEGAL REPRESENTATION ON BEHALF OF THE CITY IN WORKERS' COMPENSATION MATTERS HELD OUTSIDE OF THE CITY OF NEW YORK – Notice of Intent to Enter into Negotiations and Request for Expressions of Interest – Judgment required in evaluating proposals - PIN# 02501X000198 – DUE 05-23-01 AT 5:00 P.M. – seeks expressions of interest from law firms with expertise providing legal representation on behalf of employers before the New York State Workers' Compensation Board at hearings, appeals, and depositions conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the proposed contract will commence as of September 1, 2001 and continue through August 31, 2004. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: Steven Scotti, NYC Law Department, Workers' Compensation Division, 350 Jay Street, 9th Floor, Brooklyn, New York 11201 by no later than May 23, 2001. The EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in worker's compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the worker's compensation-related legal services.

The Law Department intends to award one contract with a three-year predicated upon a fee-per-hearing and fee-per-service basis. Based upon the Department's review of EOI's received by the above-stated deadline, firms whose EOIs are determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.

This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

LEGAL REPRESENTATION ON BEHALF OF THE CITY IN WORKER'S COMPENSATION MATTERS HELD OUTSIDE OF THE CITY OF NEW YORK – Notice of Intent to Enter into Negotiations and Request for Expressions of Interest – Judgment required in evaluating proposals - PIN# 02501X000198 – DUE 05-23-01 AT 5:00 P.M. – seeks expressions of interest from law firms with expertise providing legal representation on behalf of employers before the New York State Workers' Compensation Board at hearings, appeals, and depositions conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the proposed contract will commence as of September 1, 2001 and continue through August 31, 2004. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: Steven Scotti, NYC Law Department, Workers' Compensation Division, 350 Jay Street, 9th Floor, Brooklyn, New York 11201 by no later than May 23, 2001. The EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in workers' compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the workers' compensation-related legal services.

The Law Department intends to award one contract with a three-year predicated upon a fee-per-hearing and fee-per-service basis. Based upon the Department's review of EOI's received by the above-stated deadline, firms whose EOIs are determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

AGENCY RULES

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON PROPOSED RULE RELATING TO CHARGES AND FEES FOR REVOCABLE PERMITS FOR THE OCCUPATION OF CITY PROPERTY

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Environmental Protection by Section 1403(a) of the New York City Charter, and in accordance with Section 1043 of the Charter, that the Department of Environmental Protection proposed to amend Title 15, Section 17-06 of the Official Compilation of Rules of the City of New York by clarifying the calculations of fees relating to revocable permits, assigned to Rural Electric Cooperatives as well as to other permittees, to use City watershed and aqueduct property. The entire section is new, and replaces the old Section 17-06. This rule proposal was not included in the regulatory agenda because it was not anticipated at the time the agenda was prepared.

FURTHER NOTICE IS HEREBY GIVEN that the Department of Environmental Protection will hold hearings on the proposed rules on the following dates:

Location	Date	Time
NYCDEP 59-17 Junction Blvd. 6th floor Lecture Room Corona, New York	June 18, 2001	12-2 p.m.

Persons seeking to testify are requested to pre-register by giving written notice to Michele Festa-Pensabene, Assistant Counsel, New York City Department of Environmental Protection (NYCDEP), Bureau of Legal Affairs, 19th Floor, 59-17 Junction Blvd., Corona New York 11368. Please include a telephone number where you can be reached during normal working hours. Speakers will be limited to ten minutes.Written comments regarding the proposed rule may be sent to Michele Festa-Pensabene, Assistant Counsel at the above address on or before June 19, 2001.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at a hearing are asked to notify Michele Festa-Pensabene at the foregoing address by June 8, 2001.

Registration to testify at the hearings at the NYCDEP Office in Corona, New York will be accepted at the door until 1:30 p.m. on June 18, 2001.

A copy of the proposed rules may be obtained from the NYCDEP, Bureau of Legal Affairs, 19th Floor, 59-17 Junction Blvd., Corona, New York 11368.

Written comments and a transcript of the public hearing will be available for public inspection, within a reasonable time after receipt of a request, between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday at the offices of the NYCDEP, Bureau of Legal Affairs, 19th Floor, 59-17 Junction Blvd., Corona, New York 11368.

STATEMENT OF BASIS AND PURPOSE

The purpose of the proposed amendment is to replace 15 RCNY§ 17-06 with a fee structure pertaining to revocable permits issued for occupation of City owned watershed lands. The New York City Department of Environmental Protection (NYCDEP) has to date established fees for revocable permits pursuant to a schedule that has been adjusted annually in accordance with the consumer price index (CPI). On January 21, 1997, the City entered into the New York City Watershed Memorandum of Agreement (MOA) which provides, among other things, that the annual permit fees currently charged by NYCDEP to rural electric cooperatives shall be reduced by fifty percent from the fees in effect as of January 21, 1997. The MOA further provides that, through December 31, 2005, the annual permit fee for rural electric cooperatives will not be increased and will not exceed $200 per household served by the rural electric cooperative and that, after December 31, 2005, increases in the annual permit fees and per-household caps will be limited to the rate of inflation. This proposed amendment of 15 RCNY§ 17-06 reflects this requirement of the MOA and sets forth the rates and annual adjustments of all other permit fees as well. This proposed amendment does not affect any change to current permit fees.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Amended Notice of Opportunity to Comment

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission proposes to amend the Taxicab Owners Rules to adjust the Flat Rate of Fare between Kennedy Airport and Manhattan.

The Taxi and Limousine Commission ("TLC") is proposing such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and (b); and 2304; and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations will be held on May 24, 2001, at 9:30 a.m., by the NYC Taxi and Limousine Commission at 40 Rector Street, Fifth Floor, New York, NY 10006. Persons seeking to testify are requested to notify the Commission either in writing or by telephone: (212) 676-1117. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify the Commission by no later than May 22, 2001.

Written comments in connection with these proposed regulations may be sent through May 22, 2001, to:

Matthew W. Daus
Deputy Commissioner for Legal Affairs
New York City Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006

Written comments and a summary of all comments received at the hearing will be available for public inspection at that office.

This Notice supersedes the Notice of Opportunity to Comment published in the City Record on April 13, 2001. The public hearing on this proposal originally scheduled for May 16, 2001 has been cancelled and rescheduled to May 24, 2001. The Rule proposal contained in the April 13, 2001 Notice remains unchanged and is reprinted herein.

Section 1. It is hereby proposed that Title 35 of the Rules of the City of New York ("RCNY"), Chapter 1, Taxicab Owners Rules, Section 1-69, Flat Fares from Kennedy Airport to Manhattan, subdivisions (a) and (b), be amended to read as follows:

Italics indicate new material.
[ ] Brackets indicate deleted material.

Section 1-69 Flat Rates From Kennedy Airport to Manhattan

(a) Notwithstanding the rate of fare set forth in Sections 1-70 (a) and (b), the fare for trips beginning at Kennedy Airport with a Manhattan destination shall be a flat rate of [Thirty Dollars ($30)] *Thirty-Five Dollars* ($35), plus any tolls.

(1) The night surcharge set forth in Rule 1-70 (b) shall not be added to this flat rate.

(2) The taximeter shall reflect that this trip is a flat fare.

(b) If passengers request multiple stops, the fare shall be as follows: the first stop in Manhattan is paid in accordance with subdivision (a) of this section; the meter is then turned on for a separate trip at the rate of fare as set forth in Section 1-70, and the total on the meter is paid at the last stop by the remaining passenger. (For example, if three passengers request stops at 42nd St., 18th St. and 4th St., then [$30] $35 will be collected at 42nd St. and the meter will be turned on. When the second passenger exits at 18th St., the meter remains on, and no money is paid to the driver. The passenger dropped off at 4th St. must pay the fare on the meter.)

Statement of Basis and Purpose

The regulations proposed herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; Section 2303(b) of such Charter, authorizing the TLC to promulgate rules and regulations relating to standards and conditions of service which are reasonably designed to carry out its purposes; Section 2304(b) of such Charter, authorizing the Commission to establish rates of fare for taxicabs; and Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter.

The regulations proposed herein would raise the Flat Fare rate for a trip from Kennedy Airport in Manhattan from the present rate of $30, to a rate of $35, exclusive of tolls. The $30 flat fare rate has been in effect since April 29, 1996.

The Commission adopted the JFK flat fare rate in 1996 to provide passengers with a consistent and uniform fare that approximated the average cost of a metered trip from Kennedy Airport to typical destinations in Manhattan, taking into account differences in traffic conditions and other variables such as the selection of a faster, but longer alternative route by drivers or passengers. The flat fare was also adopted in 1996 to prevent overcharging of passengers by drivers. The purpose of this proposal to raise the flat fare rate by $5 per trip is to more closely approximate the average cost of a metered trip between Kennedy Airport and various locations in Manhattan, based upon average distance and time traveled. Since 1996, the Commission has conducted analyses of sample trips from Kennedy Airport to various destinations in midtown, lower and upper Manhattan. The results of this study show that the average recorded meter charge for trips to midtown Manhattan was approximately $30. However, fares for trips to destinations in lower Manhattan averaged in excess of $35, while fares for trips to destinations in the northern end of Manhattan were approximately $35.

Lower Manhattan has developed in recent years into a primary residential and commercial area. In 1970, the Community Planning District comprising lower Manhattan (generally below the City Hall area) had a population of approximately 6,000 persons. By 1990, the population had increased to in excess of 25,000, and preliminary census data for the year 2000 indicates that more than 30,000 people now live in lower Manhattan-a five-fold increase in thirty years. This demographic change has significantly impacted upon the use of taxicabs to destinations in lower Manhattan.

This rule proposal would establish a flat fare rate that is more equitable to drivers transporting passengers traveling to destinations in upper and lower Manhattan. The present flat fare structure does not adequately compensate drivers who are required to transport passengers to such destinations. By providing a flat rate fare that adequately compensates drivers for time and distance traveled with respect to trips to these destinations, drivers may also have a greater incentive to provide service at Kennedy Airport and seek fares to these destinations.

Accordingly, an increase in the flat fare rate is justified, consistent with the purposes of the Rule, to ensure that passengers traveling between Kennedy Airport and Manhattan are charged a fare that closely approximates the average metered fare for an average trip to destinations throughout Manhattan.

BINDING REPORT

ISSUE DATE: 04/19/01	DOCKET #: 015050	SRB #: SRB 01-6033
ADDRESS LAMPPOSTS West End Avenue at West 90th Street RIVERSIDE- WEST END	BOROUGH: MANHATTAN	BLOCK/LOT: 777 / 77

To the Mayor, the Council, and the Director of Street Lighting, Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace standard street lampposts and traffic lights located on the four corners of West 90th Street and West End Avenue, with 'M' type posts and fixtures. The proposal is described on the application and shown in existing condition photographs, and drawings prepared by Spring City Electrical Manufacturing Company.

In reviewing this proposal, the Commission notes that the Riverside-West End Historic District was primarily developed in the late 19th and early 20th centuries, at the time that gas lighting was being replaced by cast-iron lampposts with electric lights, the most common type being the bishop's crook.

The Commission finds that the existing standard lampposts do not contribute to the special architectural and historic character of the historic district; that the new 'M' type lampposts reproduce almost exactly the historic bishop's crook posts; that they are harmonious in scale, materials, design, and color with the character of the district; that the installation will strengthen the historic character of the street and district; and that the replacement of the existing posts with bishop's crook posts in the same locations will result in no damage to the sidewalks. Based on these findings, the Commission determines the proposed work to be appropriate to the Riverside-West End Historic District. The work, therefore, is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

Adult Establishment (10/25/95)

1. Adult Establishment: An "adult establishment" is a commercial establishment ~~where a "substantial portion" of the establishment~~ ***which is or*** includes an adult book store, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or any combination thereof as defined below:

(a) An adult book store is a book store ~~which has as~~ ***that offers "printed or visual material" for sale or rent to customers where*** a "substantial portion" of its stock-in-trade of ***"printed or visual material" consists of "adult printed or visual material", defined as*** ~~any one or more of the following:~~

(1) ~~books, magazines, periodicals or other printed matter which are characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas"; or~~

~~(2) photographs, films, motion pictures, video cassettes or other visual representations which are~~ ***"printed or visual material"*** characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas";

(b) An adult eating or drinking establishment is an eating or drinking establishment which regularly features ***in any portion of such establishment*** any one or more of the following:

(1) live performances which are characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; or

(2) films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by an emphasis upon the depiction or description of"specified sexual activities" or "specified anatomical areas"; or

(3) employees who, as part of their employment, regularly expose to patrons "specified anatomical areas"; and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

(c) An adult ~~theater~~ is a theater ***commercial establishment*** which regularly features one or more of the following:

(1) films, motion pictures, videocassettes, slides or similar photographic reproductions characterized by an emphasis on the depiction or description of "specified sexual activities" or "specified anatomical areas"; or

(2) live performances characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; and

which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

An adult theater shall include commercial establishments where such materials or performances are viewed from ***one or more*** individual enclosures.

(d) An other adult commercial establishment is a facility - other than an adult book store, adult eating or drinking establishment, adult theater, commercial studio, or business or trade school - which features employees who as part of their employment, regularly expose to patrons "specified anatomical areas" and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

~~For the purpose of defining *adult establishments,*~~
2. Defined Terms:

(a) For purposes of paragraph (1)(a), "printed or visual materials" are books, magazines, or other printed matter, including product packaging or wrapping, or photographs, films, motion pictures, video cassettes, slides or other visual matter;

(b) For purposes of paragraph (1)(a)(b) and (c), "specified sexual activities" are: (1 i) human genitals in a state of sexual stimulation or arousal; (~~2~~ ***ii***) actual or simulated acts of human masturbation, sexual intercourse or sodomy; or (~~3~~ ***iii***) fondling or other erotic touching of human genitals, pubic region, buttock, anus or female breast;

(c) For purposes of paragraph (1)(a)(b)(c) and (d), "specified anatomical areas" are: (~~1~~ ***i***) less than completely and opaquely concealed: (~~i~~ ***aa***) human genitals, pubic region,(ii bb) human buttock, anus, or (~~iii~~ ***cc***) female breast below a point immediately above the top of the areola; or (~~2~~ ***ii***) human male genitals in a discernibly turgid state, even if completely and opaquely concealed.

~~For the purpose of determining whether a "substantial portion" of an establishment includes an adult bookstore, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or combination thereof, the following factors shall be considered: (1) the amount of floor area and cellar space accessible to customers and allocated to such uses and (2) the amount of floor area and cellar space accessible to customers and allocated to such uses as compared to the total floor area and cellar space accessible to customers in the establishment.~~

(d) For the purpose of determining ***under paragraph (1)(a)*** whether ~~a bookstore has~~ a "substantial portion" of ~~its stock in materials defined in paragraphs (a)(1) or (a)(2) hereof~~ ***a book store's stock-in-trade of "printed or visual" material consists of "adult printed or visual material"***, the following factors shall be considered: (~~1~~) (***i***) the amount of ~~such~~ stock ***of "adult printed or visual material"*** accessible to customers as compared to the total stock ***of "printed or visual material"*** accessible to customers in the establishment; and (~~2~~) (***ii***) the amount of *floor area* and *cellar* space accessible to customers containing ~~such~~ stock ***of "adult printed or visual material"***; and (~~3~~) (***iii***) the amount of floor area and cellar space accessible to customers containing ~~such~~ stock ***"of adult printed or visual material"*** as compared to the ~~total~~ ***amount*** of *floor area* and *cellar* space accessible to customers ~~in the establishment~~ ***containing "printed or visual material" which is not "adult printed or visual material", provided that "printed or visual material" which is not "adult printed or visual material" (hereinafter for purposes of this paragraph "other printed or visual material") shall not be considered stock-in-trade for purposes of this paragraph where such store has one or more of the following features:***

(aa) The absence of separate sections of the store with stock-in-trade of any "adult printed or visual material" and stock-in-trade of "other printed or

visual material," or the presence of any "adult printed or visual material" in a section of the store otherwise consisting primarily of "other printed or visual material."

(bb) An absence of any fixed, permanent and complete visual partition between a section of the store with "adult printed or visual material" and a section of the store with "other printed or visual material";

(cc) An interior configuration and lay-out which requires customers to pass through a section of the store with "adult printed or visual material" in order to access a section of the store with "other printed or visual material";

(dd) One or more individual enclosures where adult movies or live performances are available for viewing by customers;

(ee) A method of operation which requires customer transactions with respect to "other printed or visual material" to be made in a section of the store which includes "adult printed or visual material";

(ff) A method of operation under which "other printed or visual material" is offered to customers on a substantially more limited basis than "adult printed or visual material," such as the offering of "other printed or visual material" for sale only and the offering of "adult printed or visual material" for sale or rental;

(gg) A greater number of different titles of "adult printed or visual material" than the number of different titles of "other printed or visual material";

(hh) A method of operation which excludes or restricts minors from the store as a whole or from any section of the store with "other printed or visual material";

(ii) A sign that advertises the availability of "adult printed or visual material" which is disproportionately large relative to a sign that advertises the availability of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(jj) A window display in which the number of products or area of display of "adult printed or visual material" is disproportionately high relative to the number of products or area of display of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(kk) Other features, as set forth in rules adopted by the commissioner of buildings, which render the sale or rental of "adult printed or visual material" a substantial purpose of the business conducted in such store as evidenced by an amount of customer activity and/or volume of sale or rental transactions involving "other printed or visual material" relative to the amount of customer activity and/or volume of sale or rental transactions involving "adult printed or visual material" which is disproportionately low by comparison with the proportion of "other printed or visual material" and "adult printed or visual material" offered for sale or rent in the store, or the proportion of #floor area# and #cellar# space accessible to customers containing stock of "adult printed or visual material" to that containing stock of "other printed or visual material."

(e) For the purposes of paragraph (1) (b), an "eating or drinking establishment" includes: (i) any portion of a commercial establishment within which food or beverages are offered for purchase, or are available to or are consumed by customers or patrons, and (ii) any portion of a commercial establishment from which a portion of a commercial establishment described in (i) above is accessible by customers or patrons.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year.The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor,
New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

LEGAL REPRESENTATION ON BEHALF OF THE CITY IN WORKER'S

COMPENSATION MATTERS HELD OUTSIDE OF THE CITY OF NEW YORK – Notice of Intent to Enter into Negotiations and Request for Expressions of Interest – Judgment required in evaluating proposals - PIN# 02501X000198 – DUE 05-23-01 AT 5:00 P.M. – seeks expressions of interest from law firms with expertise providing legal representation on behalf of employers before the New York State Workers' Compensation Board at hearings, appeals, and depositions conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the proposed contract will commence as of September 1, 2001 and continue through August 31, 2004. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: Steven Scotti, NYC Law Department, Workers' Compensation Division, 350 Jay Street, 9th Floor, Brooklyn, New York 11201 by no later than May 23, 2001. The EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in workers' compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the workers' compensation-related legal services.

The Law Department intends to award one contract with a three-year predicated upon a fee-per-hearing and fee-per-service basis. Based upon the Department's review of EOI's received by the above-stated deadline, firms whose EOIs are determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED AMENDMENTS TO THE BUILDING CODE REFERENCE STANDARDS RS 9-2 UNIFORMLY DISTRIBUTED AND CONCENTRATED LIVE LOADS, RS 9-5 DESIGN WIND PRESSURES, AND RS 10-10 SPECIFICATIONS FOR ALUMINUM STRUCTURES

NOTICE IS HEREBY GIVEN pursuant to the authority vested in the Commissioner of Buildings by Chapter 26 of the New York City Charter and Section 27-131.1 of the Administrative Code of the City Of New York and in accordance with the requirements of 1 RCNY §37-01(e) that the Department of Buildings intends to amend the NYC Building Code Reference Standards RS 9-2, relating to uniformly distributed and concentrated live loads; RS 9-5, relating to design wind pressures; and RS 10-10, relating to specifications for aluminum structures.

Written comments regarding these proposed amendments of the Building Code Reference Standards RS 9-2, RS 9-5 and RS 10-10 may be submitted to the New York City Department of Buildings, Executive Offices, 60 Hudson Street, 14th floor, New York, New York 10013, Attention: Office of Technical Affairs, on or before Monday, June 18, 2001.

A public hearing on these proposed amendments of the Building Code Reference Standards RS 9-2, RS 9-5 and RS 10-10 will be held at the Executive Offices of the Department of Buildings at the above address on Monday, June 11, 2001 at 11:00 AM. Persons seeking to testify and/or attend are requested to notify the Office of Technical Affairs at (212) 312-8140 or to indicate it in writing to the above address.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00AM and 5:00PM at the Department of Buildings, Executive Offices, 60 Hudson Street, 14th Floor, New York, New York.

Satish K Babbar, R.A.
Acting Commissioner

§1. Reference Standard RS 9-2 Minimum Requirements for Uniformly Distributed and Concentrated Live Loads of the appendix to chapter 1 of title 27 of the Administrative Code is hereby amended by adding the following under a new sub-heading titled Uniformly Distributed and Concentrated Live Loads for Construction Elevator and Material Hoist Tower Back Structures at the end of Reference Standard 9-2 following Boiler Rooms:

* * *

UNIFORMLY DISTRIBUTED AND CONCENTRATED LIVE LOADS FOR CONSTRUCTION ELEVATOR AND MATERIAL HOIST TOWER BACK STRUCTURES

DEFINITION:

Back Structure: A system of landing platforms and/or supports designed to transmit construction elevator or material hoist tower loads into the building structure.

WALKWAY PLATFORMS

{L} Live load
1. Uniformly Distributed: 100 psf defined by the area enclosed by handrail, or by the gross area of the walkway if handrails are not provided.
2. Concentrated: 40% of the highest rated capacity of the hoist cars, non-concurrently with the uniform load, acting on a 4 square inch area anywhere within the boundary of handrail, or within the gross area of the walkway if handrails are not provided.

FRAME STRUCTURE

{L} Live load values determined by detailed analysis performed by the design professional acting on any combination of differing floor levels equal to the number of *hoist cars plus one but not less than 50 psf or the carrying* capacity of the elevator cars and hoist cars, whichever is greater.

SNOW LOAD

{S} 20 psf acting on the top two floors of gross plan area of the back structure.

ICE LOAD

{I} 40% of the dead load or a detailed analysis performed by the design professional based on the equivalent of 1/4" ice.

DYNAMIC LOADING
{d} Lateral force and moment resulting from the starting and stopping of the hoist cars. When more than one car is in operation, the dynamic loading shall reflect the most critical combination. The Dynamic loading is to be considered basic loading. Impact loading need not be considered.

DEAD LOADS {D}- REFER TO RS 9-1
WIND LOADS {W} & {w}- REFER TO RS 9-5
DESIGN LOAD COMBINATIONS

For Allowable Stress Design, factors used in loading combinations conform to 27-594 of the Building Code. The back structures shall be designed for the critical combination of:

1. {D} + {L} + {d}
2. 0.67 ({D} + {W})
3. 0.75 ({D} + {L} + {d} + {w})
4. 0.67 ({D} + {I} + {w} + {S})

Load factors for LRFD designs shall adhere to the LRFD recommendations and guidelines contained in the reference standard for the material used.

§2. Reference Standard RS 9-5 Minimum Design Wind Pressures of the appendix to chapter 1 of title 27 of the Administrative Code is hereby amended by adding a new section 7 to follow section 6 as follows:

* * *

7. CONSTRUCTION ELEVATOR AND MATERIAL HOIST TOWER BACK STRUCTURES

DEFINITIONS:

Back Structure: A system of landing platforms and/or supports designed to transmit construction elevator or material hoist tower loads into the building structure.

Inland: As defined by ASCE 7-98, exposure Category A
Coastal: As defined by ASCE 7-98, exposure Category D

WIND LOADS

{W} Storm Wind Load: equivalent to 25 yr. Mean recurrence wind per ASCE 7-98 standard, taking into account the exposure terrain, height zone, shielding coefficients, etc. In lieu of detailed analysis by the design professional, the following values may be used:

Design storm wind (25 yr. Mean Recurrence)
Wind pressure loading (in psf) on gross cross sectional area of the back structure

Zone /Elevation	0-50 feet	50-150 feet	150-400 feet	400-700 feet	>700 feet
Inland	14.4	20.7	25.6	33.8	40
Coastal	14.4	25.6	43.2	65.5	69.6

Unless the structure is fully enclosed in curtain walls, the following wind loading shall be analyzed:

1. Parallel to the building façade per the above table.
2. Normal to the building façade at 1/2 the value of the above table.

Wind directions shall be considered to be non-concurrent.
{w} In-Service wind: a 35 mph (wind pressure of 3.13 psf) from any direction acting on the back structure.

§3. The list of referenced national standards at the beginning of Reference Standard RS-10 Structural Work of the appendix to chapter 1 of title 27 of the Administrative Code is hereby amended as follows:

* * *

AA [SAS 30] [Specification for Aluminum Structures (Fifth Edition, December 1986)..... 1986]

Specification for Aluminum Structures Allowable Stress Design (Seventh Edition, January2000).....2000

AA Specification for Aluminum Structures Load and Resistance Factor Design of Buildings and Similar Type Structures (Second Edition, January 2000).....2000

* * *

§4. Reference Standard RS 10-10 Specifications for Aluminum Structures of the appendix to chapter 1 of title 27 of the Administrative Code is hereby repealed and re-adopted as follows:

***REFERENCE STANDARD RS 10-10A SPECIFICATION FOR ALUMINUM STRUCTURES ALLOWABLE STRESS DESIGN**

AA Specification for Aluminum Structures Allowable Stress Design (Seventh Edition, January 2000).
Modification:

* * *

Section 2.3 Loads- is hereby amended to read as follows: The dead load to be used in the design of the structure is the weight of the structure and all material permanently attached to and supported by the structure.

Static and dynamic live loads, as well as snow, ice, ponding and wind loads shall be based on [appropriate building codes] the New York City Building Code and its appropriate Reference Standards. [Where building codes do not apply, requirements shall be established from performance specifications for the structure.

Allowable stresses provided in *Specification for Aluminum Structures* shall be permitted to be increased by one-third when stresses are produced by wind or seismic loading , acting alone or in combination with the dead load or in combination with dead and live loads. Allowable stresses shall not be increased by one-third if prohibited by the applicable code or specification used to determine the load. Also, the section shall be not less than that required for the dead and other live loads acting alone.]

Combination of loads shall be in accordance with section 27-594 of the Building Code, or, with Reference Standard RS 9-2 if applicable.

In the case of wind and ice loads, the form of the structure and any of its exposed components (e.g. increased area exposed to wind due to icing) shall be considered.

* * *

***REFERENCE STANDARD RS 10-10B SPECIFICATION FOR ALUMINUM STRUCTURES LOAD AND RESISTANCE FACTOR DESIGN OF BUILDINGS AND SIMILAR TYPE STRUCTURES**

AA Specification for Aluminum Structures Load and Resistance Factor Design of Buildings and Similar Type Structures (Second Edition, January 2000).

Modification:

* * *

Section 2.3 Loads- is hereby amended to read as follows: The nominal loads shall be the minimum design loads stipulated by the [applicable building code or performance specification] New York City Building Code and its applicable Reference Standards. Nominal loads shall be factored and combined in accordance with the [applicable building code or performance specification. In the absence of a code or performance specification, ASCE 7-98, Minimum Design Loads for Buildings and Other Structures, shall be used] New York City Building Code and its applicable Reference Standards.

* * *

STATEMENT OF BASIS AND PURPOSE

The design loads now used informally by the construction industry for the structural systems of landing platforms and/or supports that transmit construction elevator (personnel hoist) or material hoist tower loads into the building under construction (back structures) will be hereby standardized and codified.
Reference Standard RS 10-10, Specifications for Aluminum Structures, has not been updated since 1986. This update using the 2000 edition from the Aluminum Association will incorporate the results of the latest research involving structural aluminum technology, including load and resistance factor design.
These type of structures are used extensively for landing platforms and/or supports designed to transmit construction elevator (personnel hoist) and material hoist tower loads into buildings under construction.

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

BINDING REPORT

ISSUE DATE: 04/19/01	DOCKET #: 015050	SRB #: SRB 01-6033
ADDRESS LAMPPOSTS West End Avenue at West 90th Street RIVERSIDE- WEST END	BOROUGH: MANHATTAN	BLOCK/LOT: 777 / 77

To the Mayor, the Council, and the Director of Street Lighting, Department of Transportation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to replace standard street lampposts and traffic lights located on the four corners of West 90th Street and West End Avenue, with 'M' type posts and fixtures. The proposal is described on the application and shown in existing condition photographs, and drawings prepared by Spring City Electrical Manufacturing Company.

In reviewing this proposal, the Commission notes that the Riverside-West End Historic District was primarily developed in the late 19th and early 20th centuries, at the time that gas lighting was being replaced by cast-iron lampposts with electric lights, the most common type being the bishop's crook.

The Commission finds that the existing standard lampposts do not contribute to the special architectural and historic character of the historic district; that the new 'M' type lampposts reproduce almost exactly the historic bishop's crook posts; that they are harmonious in scale, materials, design, and color with the character of the district; that the installation will strengthen the historic character of the street and district; and that the replacement of the existing posts with bishop's crook posts in the same locations will result in no damage to the sidewalks. Based on these findings, the Commission determines the proposed work to be appropriate to the Riverside-West End Historic District. The work, therefore, is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

Adult Establishment (10/25/95)

1. Adult Establishment: An "adult establishment" is a commercial establishment~~where a "substantial portion" of the establishment~~ ***which is or*** includes an adult book store, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or any combination thereof as defined below:

(a) An adult book store is a book store ~~which has as~~ ***that offers "printed or visual material" for sale or rent to customers where*** a "substantial portion" of its stock-in-trade of ***"printed or visual material" consists of "adult printed or visual material", defined as*** ~~any one or more of the following:~~

(1) ~~books, magazines, periodicals or other printed matter which are characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas"; or~~

(2) ~~photographs, films, motion pictures, video cassettes or other visual representations~~ ~~which are~~ ***"printed or visual material"*** characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas";

(b) An adult eating or drinking establishment is an eating or drinking establishment which regularly features ***in any portion of such establishment*** any one or more of the following:

(1) live performances which are characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; or

(2) films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by an emphasis upon the depiction or description of"specified sexual activities" or "specified anatomical areas"; or

(3) employees who, as part of their employment, regularly expose to patrons "specified anatomical areas"; and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

(c) An adult ~~theater~~ is a theater ***commercial establishment*** which regularly features one or more of the following:

(1) films, motion pictures, videocassettes, slides or similar photographic reproductions characterized by an emphasis on the depiction or description of "specified sexual activities" or "specified anatomical areas"; or

(2) live performances characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; and

which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

An adult theater shall include commercial establishments where such materials or performances are viewed from ***one or more*** individual enclosures.

(d) An other adult commercial establishment is a facility - other than an adult book store, adult eating or drinking establishment, adult theater, commercial studio, or business or trade school - which features employees who as part of their employment, regularly expose to patrons "specified anatomical areas" and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

~~For the purpose of defining adult establishments,~~

2. Defined Terms:

(a) For purposes of paragraph (1)(a), "printed or visual materials" are books, magazines, or other printed matter, including product packaging or wrapping, or photographs, films, motion pictures, video cassettes, slides or other visual matter;

(b) For purposes of paragraph (1)(a)(b) and (c), "specified sexual activities" are: (1 i) human genitals in a state of sexual stimulation or arousal; (~~2~~ ***ii***) actual or simulated acts of human masturbation, sexual intercourse or sodomy; or (~~3~~ ***iii***) fondling or other erotic touching of human genitals, pubic region, buttock, anus or female breast;

(c) For purposes of paragraph (1)(a)(b)(c) and (d), "specified anatomical areas" are: (~~1~~ ***i***) less than completely and opaquely concealed: (~~i~~ ***aa***) human genitals, pubic region,(ii bb) human buttock, anus, or (~~iii~~ ***cc***) female breast below a point immediately above the top of the areola; or (~~2~~ ***ii***) human male genitals in a discernibly turgid state, even if completely and opaquely concealed.

~~For the purpose of determining whether a "substantial portion" of an establishment includes an adult bookstore, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or combination thereof, the following factors shall be considered: (1) the amount of floor area and cellar space accessible to customers and allocated to such uses and (2) the amount of floor area and cellar space accessible to customers and allocated to such uses as compared to the total floor area and cellar space accessible to customers in the~~

~~establishment.~~

(d) For the purpose of determining ***under paragraph (1)(a)*** whether ~~a bookstore has~~ a "substantial portion" of ~~its stock in materials defined in paragraphs (a)(1) or (a)(2) hereof~~ ***a book store's stock-in-trade of "printed or visual" material consists of "adult printed or visual material"***, the following factors shall be considered: (~~1~~) ***(i)*** the amount of ~~such~~ stock ***of "adult printed or visual material"*** accessible to customers as compared to the total stock ***of "printed or visual material"*** accessible to customers in the establishment; and (~~2~~) ***(ii)*** the amount of *floor area* and *cellar* space accessible to customers containing ~~such~~ stock ***of "adult printed or visual material"***; and (~~3~~) ***(iii)*** the amount of floor area and cellar space accessible to customers containing ~~such~~ stock ***"of adult printed or visual material"*** as compared to the ~~total~~ ***amount*** of *floor area* and *cellar* space accessible to customers ~~in the establishment~~ ***containing "printed or visual material" which is not "adult printed or visual material", provided that "printed or visual material" which is not "adult printed or visual material" (hereinafter for purposes of this paragraph "other printed or visual material") shall not be considered stock-in-trade for purposes of this paragraph where such store has one or more of the following features:***

(aa) The absence of separate sections of the store with stock-in-trade of any "adult printed or visual material" and stock-in-trade of "other printed or visual material," or the presence of any "adult printed or visual material" in a section of the store otherwise consisting primarily of "other printed or visual material."

(bb) An absence of any fixed, permanent and complete visual partition between a section of the store with "adult printed or visual material" and a section of the store with "other printed or visual material";

(cc) An interior configuration and lay-out which requires customers to pass through a section of the store with "adult printed or visual material" in order to access a section of the store with "other printed or visual material";

(dd) One or more individual enclosures where adult movies or live performances are available for viewing by customers;

(ee) A method of operation which requires customer transactions with respect to "other printed or visual material" to be made in a section of the store which includes "adult printed or visual material";

(ff) A method of operation under which "other printed or visual material" is offered to customers on a substantially more limited basis than "adult printed or visual material," such as the offering of "other printed or visual material" for sale only and the offering of "adult printed or visual material" for sale or rental;

(gg) A greater number of different titles of "adult printed or visual material" than the number of different titles of "other printed or visual material";

(hh) A method of operation which excludes or restricts minors from the store as a whole or from any section of the store with "other printed or visual material";

(ii) A sign that advertises the availability of "adult printed or visual material" which is disproportionately large relative to a sign that advertises the availability of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(jj) A window display in which the number of products or area of display of "adult printed or visual material" is disproportionately high relative to the number of products or area of display of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(kk) Other features, as set forth in rules adopted by the commissioner of buildings, which render the sale or rental of "adult printed or visual material" a substantial purpose of the business conducted in such store as evidenced by an amount of customer activity and/or volume of sale or rental transactions involving "other printed or visual material" relative to the amount of customer activity and/or volume of sale or rental transactions involving "adult printed or visual material" which is disproportionately low by comparison with the proportion of "other printed or visual material" and "adult printed or visual material" offered for sale or rent in the store, or the proportion of #floor area# and #cellar# space accessible to customers containing stock of "adult printed or visual material" to that containing stock of "other printed or visual material."

(e) For the purposes of paragraph (1) (b), an "eating or drinking establishment" includes: (i) any portion of a commercial establishment within which food or beverages are offered for purchase, or are available to or are consumed by customers or patrons, and (ii) any portion of a commercial establishment from which a portion of a commercial establishment described in (i) above is accessible by customers or patrons.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced.
In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

LEGAL REPRESENTATION ON BEHALF OF THE CITY IN WORKER'S COMPENSATION MATTERS HELD OUTSIDE OF THE CITY OF NEW YORK – Notice of Intent to Enter into Negotiations and Request for Expressions of Interest – Judgment required in evaluating proposals - PIN# 02501X000198 – DUE 05-23-01 AT 5:00 P.M. – seeks expressions of interest from law firms with expertise providing legal representation on behalf of employers before the New York State Workers' Compensation Board at hearings, appeals, and depositions conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the proposed contract will commence as of September 1, 2001 and continue through August 31, 2004. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: Steven Scotti, NYC Law Department, Workers' Compensation Division, 350 Jay Street, 9th Floor, Brooklyn, New York 11201 by no later than May 23, 2001. The EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in workers' compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the workers' compensation-related legal services.

The Law Department intends to award one contract with a three-year predicated upon a fee-per-hearing and fee-per-service basis. Based upon the Department's review of EOI's received by the above-stated deadline, firms whose EOIs are determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

■ NOTICE

FINAL ENVIRONMENTAL IMPACT STATEMENT ("FEIS") ON THE PROPOSED BLOOMINDALE PARK EASTERN RECREATIONAL FACILITY PROJECT, BOROUGH OF STATEN ISLAND

Notice is hereby given that the Final Environmental Impact Statement ("FEIS") on the proposed Bloomingdale Park Eastern Recreational Facility project, Borough of Staten Island, Richmond County, New York. The Final Environmental Impact Statement and the Notice of Completion was filed by the NYC Department of Design and Construction ("DDC") on May 7, 2001, pursuant to the City Environmental Quality Review ("CEQR") process.

The City of New York, through the New York City Department of Design and Construction as lead agency, working with the New York City Department of Parks and Recreation ("DPR"), is proposing the improvement of a portion of Bloomingdale Park (the "Park"), a 138 acre City-owned and mapped Park. The improvements will be located in the 38 acre eastern section of the Park and in the mapped street bed of Maguire Avenue. The Park is located at 225 Maguire Avenue, block 6950, lot 41, Staten Island, New York. The Park is located with in Community Board District # 3.

The proposed action is to develop approximately thirteen acres to construct soccer and baseball fields, tennis courts , basketball courts, a boccie court, a playground, walking and biking paths, and two comfort stations with in the eastern section of the Park. The proposed action also includes the development of approximately two and half acres to construct the north and south cul-de-sacs of Maguire Avenue with in the mapped street bed. The proposed action takes into consideration the location of on-site BMPs (Best Management Practices) by the New York City Department of Environmental Protection as part of the Blue Belt System in conjunction with the Lemon Creek/Sandy Brook Watershed Drainage Plan.

Copies of the Final Environmental Impact Statement are available for review at the Staten Island Community Board # 3, 655-218 Rossville Avenue, Staten Island. For an appointment please call Marie Bodnar at 718-356-7900. The FEIS is also available for review at DDC by appointment. Please contact Alexandra Ramos at 718-391-1420.

ADVISORY REPORT

ISSUE DATE: 04/25/01	DOCKET #: 016126	SRA #: SRA 01-6149
ADDRESS 1000 FIFTH AVENUE Metropolitan Museum of Art INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner of the Department of Cultural Affairs.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for work only in non-designated portions of the interior of the Metropolitan Museum of Art, an individual and interior landmark. The proposed work includes a new staff cafeteria, central kitchen and loading dock to be located on the ground floor of Wings A, C, S and K. The proposed work is described in drawings labeled " Metropolitan Museum of Art - Staff Cafeteria & Food Service Facilities" A.100 and A.113b, dated 1/29/01, A.102, dated 2/15/01, A.110a, dated 3/12/01, A.111, dated 3/13/01, A,101, A.112, A.113a and A.113.c, dated 3/14/01; prepared by Kevin Roche John Dinkeloo and Associates, and all submitted as components of this application.

The Commission has reviewed these drawings and finds that the interior work will not occur in any portion of the designated interior; and that the work will therefore have no effect on protected architectural features. Based on these findings, the proposed work is determined to be appropriate to the Metropolitan Museum of Art Individual and Interior Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Kim Hoyt.

Adult Establishment (10/25/95)

1. Adult Establishment: An "adult establishment" is a commercial establishment~~ where a "substantial portion" of the establishment~~ ***which is or*** includes an adult book store, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or any combination thereof as defined below:

(a) An adult book store is a book store ~~which has as~~ ***that offers "printed or visual material" for sale or rent to customers where*** a "substantial portion" of its stock-in-trade of ***"printed or visual material" consists of "adult printed or visual material", defined as*** ~~any one or more of the following:~~

(1) ~~books, magazines, periodicals or other printed matter which are characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas"; or~~

~~(2) photographs, films, motion pictures, video cassettes or other visual representations which are~~ ***"printed or visual material"*** characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas";

(b) An adult eating or drinking establishment is an eating or drinking establishment which regularly features ***in any portion of such establishment*** any one or more of the following:

(1) live performances which are characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; or

(2) films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by an emphasis upon the depiction or description of"specified sexual activities" or "specified anatomical areas"; or

(3) employees who, as part of their employment, regularly expose to patrons "specified anatomical areas"; and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

(c) An adult ~~theater~~ is a theater ***commercial establishment*** which

regularly features one or more of the following:

(1) films, motion pictures, videocassettes, slides or similar photographic reproductions characterized by an emphasis on the depiction or description of "specified sexual activities" or "specified anatomical areas"; or

(2) live performances characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; and

which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

An adult theater shall include commercial establishments where such materials or performances are viewed from ***one or more*** individual enclosures.

(d) An other adult commercial establishment is a facility - other than an adult book store, adult eating or drinking establishment, adult theater, commercial studio, or business or trade school - which features employees who as part of their employment, regularly expose to patrons "specified anatomical areas" and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

~~For the purpose of defining *adult establishments,*~~
2. Defined Terms:

(a) For purposes of paragraph (1)(a), "printed or visual materials" are books, magazines, or other printed matter, including product packaging or wrapping, or photographs, films, motion pictures, video cassettes, slides or other visual matter;

(b) For purposes of paragraph (1)(a)(b) and (c), "specified sexual activities" are: (1 i) human genitals in a state of sexual stimulation or arousal; (~~2~~ ***ii***) actual or simulated acts of human masturbation, sexual intercourse or sodomy; or (~~3~~ ***iii***) fondling or other erotic touching of human genitals, pubic region, buttock, anus or female breast;

(c) For purposes of paragraph (1)(a)(b)(c) and (d), "specified anatomical areas" are: (~~1~~ ***i***) less than completely and opaquely concealed: (~~i~~ ***aa***) human genitals, pubic region,(ii bb) human buttock, anus, or (~~iii~~ ***cc***) female breast below a point immediately above the top of the areola; or (~~2~~ ***ii***) human male genitals in a discernibly turgid state, even if completely and opaquely concealed.

~~For the purpose of determining whether a "substantial portion" of an establishment includes an adult bookstore, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or combination thereof, the following factors shall be considered: (1) the amount of floor area and cellar space accessible to customers and allocated to such uses and (2) the amount of floor area and cellar space accessible to customers and allocated to such uses as compared to the total floor area and cellar space accessible to customers in the establishment.~~

(d) For the purpose of determining ***under paragraph (1)(a)*** whether ~~a bookstore has~~ a "substantial portion" of ~~its stock in materials defined in paragraphs (a)(1) or (a)(2) hereof~~ ***a book store's stock-in-trade of "printed or visual" material consists of "adult printed or visual material"***, the following factors shall be considered: (~~1~~) (***i***) the amount of ~~such~~ stock ***of "adult printed or visual material"*** accessible to customers as compared to the total stock ***of "printed or visual material"*** accessible to customers in the establishment; and (~~2~~) (***ii***) the amount of *floor area* and *cellar* space accessible to customers containing ~~such~~ stock ***of "adult printed or visual material"***; and (~~3~~) (***iii***) the amount of floor area and cellar space accessible to customers containing ~~such~~ stock "***of adult printed or visual material"*** as compared to the ~~total~~ ***amount*** of *floor area* and *cellar* space accessible to customers ~~in the establishment~~ ***containing "printed or visual material" which is not "adult printed or visual material", provided that "printed or visual material" which is not "adult printed or visual material" (hereinafter for purposes of this paragraph "other printed or visual material") shall not be considered stock-in-trade for purposes of this paragraph where such store has one or more of the following features:***

(aa) The absence of separate sections of the store with stock-in-trade of any "adult printed or visual material" and stock-in-trade of "other printed or visual material," or the presence of any "adult printed or visual material" in a section of the store otherwise consisting primarily of "other printed or visual material."
(bb) An absence of any fixed, permanent and complete visual partition between a section of the store with "adult printed or visual material" and a section of the store with "other printed or visual material";

(cc) An interior configuration and lay-out which requires customers to pass through a section of the store with "adult printed or visual material" in order to access a section of the store with "other printed or visual material";

(dd) One or more individual enclosures where adult movies or live performances are available for viewing by customers;

(ee) A method of operation which requires customer transactions with respect to "other printed or visual material" to be made in a section of the store which includes "adult printed or visual material";

(ff) A method of operation under which "other printed or visual material" is offered to customers on a substantially more limited basis than "adult printed or visual material," such as the offering of "other printed or visual material" for sale only and the offering of "adult printed or visual material" for sale or rental;

(gg) A greater number of different titles of "adult printed or visual material" than the number of different titles of "other printed or visual material";

(hh) A method of operation which excludes or restricts minors from the store as a whole or from any section of the store with "other printed or visual material";

(ii) A sign that advertises the availability of "adult printed or visual material" which is disproportionately large relative to a sign that advertises the availability of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(jj) A window display in which the number of products or area of display of "adult printed or visual material" is disproportionately high relative to the number of products or area of display of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(kk) Other features, as set forth in rules adopted by the commissioner of buildings, which render the sale or rental of "adult printed or visual material" a substantial purpose of the business conducted in such store as evidenced by an amount of customer activity and/or volume of sale or rental transactions involving "other printed or visual material" relative to the amount of customer activity and/or volume of sale or rental transactions involving "adult printed or visual material" which is disproportionately low by comparison with the proportion of "other printed or visual material" and "adult printed or visual material" offered for sale or rent in the store, or the proportion of #floor area# and #cellar# space accessible to customers containing stock of "adult printed or visual material" to that containing stock of "other printed or visual material."

(e) For the purposes of paragraph (1) (b), an "eating or drinking establishment" includes: (i) any portion of a commercial establishment within which food or beverages are offered for purchase, or are available to or are consumed by customers or patrons, and (ii) any portion of a commercial establishment from which a portion of a commercial establishment described in (i) above is accessible by customers or patrons.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN that the New York City Water Board will consider an increase in the rate charged for water supply made available to customers outside of New York City by the Water and Wastewater System of the City of New York (the "System"). The basis for this increase is contained in a report prepared by Black & Veatch, rate consultant to the Board, which sets forth the unit cost of water supply for facilities north of the City for the fiscal year beginning July 1, 2001.

Therefore, in accordance with Section 1045-j(3) of the Public Authorities Law, a public hearing will be held as follows:

Tuesday, June 12, 2001, at 2:00 P.M., in Room 102 of the County Office Building, located at 148 Martine Avenue, White Plains, New York.

Specifically, it is proposed that the following rate changes become effective as of July 1, 2001:

- **The regulated rate for water supply provided to users outside the City, from either the Croton or Catskill/Delaware systems, be increased from $414.37 per million gallons ("MG") to $448.83 per MG.**

- **The rate for water supply provided in excess of the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York be continued at a level equal to the in-city metered rate which, as of July 1, 2001, will be increased from $1,751.34 to $1,804.81 per MG.**

Interested parties who wish to obtain copies of the Rate Consultant's report concerning the cost of supplying water to upstate customers or who wish to give comments to the Board should contact Kevin Kunkle, New York City Water Board, One Lefrak City Plaza, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368-5107, telephone (718) 595-3601. Oral testimony will be limited to five (5) minutes duration.

SUPREME COURT

■ NOTICE OF ACQUISITION

RICHMOND COUNTY

INDEX NUMBER CY4009/01

In the Matter of the Application of THE CITY OF NEW YORK relative to acquiring title in fee simple and other interests in certain real property where not heretofore acquired for **JACK'S POND PHASE II STATEN ISLAND BLUEBELT SYSTEM** located in the area bounded generally by Locust Place, Cleveland Avenue, Dent Road and Clovis Road in the County of Richmond, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Richmond, duly entered in the office of the Clerk of the County of Richmond on May 3, 2001, the application of the City of New York to acquire certain real property, for the conveyance and storage of storm water and as open space, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Richmond or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk of the County of Richmond on May 3, 2001. Title to the real property vested in the City of New York on May 3, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
5144	15 (partial taking)
5147	12 (partial taking)

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before May 3, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before May 3, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor *Information Manual) at the addresses given.*

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
