DIVISION OF CITYWIDE PERSONNEL SERVICES PROPOSED AMENDMENT TO CLASSIFICATION

PUBLIC NOTICE IS HEREBY GIVEN of a public hearing to amend the Classification of the Classified Service of the City of New York.

A public hearing will be held by the Commissioner of Citywide Administrative Services in accordance with Rule 2.6 of the Rules and Regulations of the City of New York in Conference Room A, 14th Floor, at 1 Centre Street, New York, NY 10007 on

THURSDAY, MAY 24, 2001
at 10:30 a.m.

Copies of the proposal and the proposed resolution are available for review in the Office of Communications, Department of Citywide Administrative Services, 1 Centre Street, 17th Floor South, New York City, during regular office hours. Persons wishing to testify should contact the Office of Communications.

RESOLVED, That the classification of the Classified Service of the City of New York is hereby amended by classifying in the Non-Competitive Class, Rule XI, Part II, under the heading DEPARTMENT OF CORRECTION (DC) (072), the following title:

Title Code No.	No. Pos. Auth.	Class of Positions	Annual SalaryRange (Effective 4.1.00) Minimum Hiring Rate #	Minimum Incumbent Rate	Maximum
81803	Unl	Institutional Aide	$22,780	$24,411	$27,042

Employees shall be paid no less than the "Minimum Incumbent Rate" upon completion of one year of active or qualified inactive service.

Note: Part II positions are covered by Section 75.1.(c) of the Civil Service Law.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN pursuant to Section 1045-j(9-a) of the Public Authorities Law, that after public hearings were held on April 23, 24 and 25, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on May 3, 2001, adopted a resolution approving increases in water rates to users of the Water Supply System of the City of New York, including rates charged to users of the system within the City of New York, and rates charged to municipalities and water districts outside of the City for water provided which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York, for the fiscal year commencing July 1, 2001, from those rates currently in effect, and making certain customer service and billing policy changes, as follows:

Effective July 1, 2001, the water rate for all in-City customers, flat-rate and metered, will increase by 3.0 % over the rate in effect in Fiscal Year 2001, and the wastewater rate will remain at 159% of the applicable water charge.

Effective July 1, 2001, the rate charged for water provided to municipalities and water districts outside of the City which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York will be equal to the in-City metered rate of $1,804.81 per million gallons.

Certain customer service and billing policies have been changed or clarified, including the following:

(1) Multiple-Family Conservation Program Proposal

The program offers owners of multiple family housing consisting of six or more dwelling units, an option to elect billing based on a fixed charge per dwelling unit, if the owner invests in low-consumption plumbing hardware and fixtures, and cooperates with DEP in conservation efforts in their building. Under this program, the charge for each dwelling unit will be $436.72 per billable dwelling unit.

It is intended that as of July 1, 2004, the Multiple-Family Conservation Program will replace Frontage Billing, the Regular Bill Cap, the Renovation Bill Cap, the Transition Program and the Pre-Transition Program for Residential Premises with six or more dwelling units.

(2) Part IX - Customer Account Information and Complaint Resolution

The changes provide that a customer may request an explanation of a water and wastewater bill or charge by calling the DEP Customer Service Call Center at (718) 595-7000, by visiting a borough office of the Bureau of Customer Services (BCS), by writing DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055 or by visiting DEP's website www.nyc.gov/dep. If a customer is not satisfied with the initial review of their bill, a complaint must be made in writing to DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055. DEP will respond in writing within 90 days of receipt of the complaint. Should the customer wish to appeal this decision, a written appeal must be made within 90 days.

Copies of the New York City Water Board Water and Wastewater Rate Schedule are available for inspection by the public during regular business hours at the offices of the New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368.

Section 12-10
DEFINITIONS

***

Adult Establishment (10/25/95)

1. ***Adult Establishment:*** An "adult establishment" is a commercial establishment~~ where a "substantial portion" of the establishment~~ ***which is or*** includes an adult book store, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or any combination thereof as defined below:

(a) An adult book store is a book store ~~which has as~~ ***that offers "printed or visual material" for sale or rent to customers where*** a "substantial portion" of its stock-in-trade of ***"printed or visual material" consists of "adult printed or visual material", defined as*** ~~any one or more of the following:~~

(1) ~~books, magazines, periodicals or other printed matter which are characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas"; or~~

~~(2) photographs, films, motion pictures, video cassettes or other visual representations which are~~ ***"printed or visual material"*** characterized by an emphasis upon the depiction or description of "specified sexual activities" or "specified anatomical areas";

(b) An adult eating or drinking establishment is an eating or drinking establishment which regularly features ***in any portion of such establishment*** any one or more of the following:

(1) live performances which are characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; or

(2) films, motion pictures, video cassettes, slides or other photographic reproductions which are characterized by an emphasis upon the depiction or description of"specified sexual activities" or "specified anatomical areas"; or

(3) employees who, as part of their employment, regularly expose to patrons "specified anatomical areas"; and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

(c) An adult ~~theater~~ is a theater ***commercial establishment*** which regularly features one or more of the following:

(1) films, motion pictures, videocassettes, slides or similar photographic reproductions characterized by an emphasis on the depiction or description of "specified sexual activities" or "specified anatomical areas"; or

(2) live performances characterized by an emphasis on "specified anatomical areas" or "specified sexual activities"; and

which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~

An adult theater shall include commercial establishments where such materials or performances are viewed from ***one or more*** individual enclosures.

(d) An other adult commercial establishment is a facility - other than an adult book store, adult eating or drinking establishment, adult theater, commercial studio, or business or trade school - which features employees who as part of their employment, regularly expose to patrons "specified anatomical areas" and which is not customarily open to the general public during such features because it excludes ***or restricts*** minors ~~by reason of age.~~ ~~For the purpose of defining adult establishments,~~

2. ***Defined Terms:***

(a) For purposes of paragraph (1)(a), "printed or visual materials" are books, magazines, or other printed matter, including product packaging or wrapping, or photographs, films, motion pictures, video cassettes, slides or other visual matter;

(b) For purposes of paragraph (1)(a)(b) and (c), "specified sexual activities" are: (1 i) human genitals in a state of sexual stimulation or arousal; (~~2~~ ***ii***) actual or simulated acts of human masturbation, sexual intercourse or sodomy; or (~~3~~ ***iii***) fondling or other erotic touching of human genitals, pubic region, buttock, anus or female breast;

(c) For purposes of paragraph (1)(a)(b)(c) and (d), "specified anatomical areas" are: (~~1~~ ***i***) less than completely and opaquely concealed: (~~i~~ ***aa***) human genitals, pubic region,(ii bb) human buttock, anus, or (~~iii~~ ***cc***) female breast below a point immediately above the top of the areola; or (~~2~~ ***ii***) human male genitals in a discernably turgid state, even if completely and opaquely concealed.

~~For the purpose of determining whether a "substantial portion" of an establishment includes an adult bookstore, adult eating or drinking establishment, adult theater, or other adult commercial establishment, or combination thereof, the following factors shall be considered: (1) the amount of floor area and cellar space accessible to customers and allocated to such uses and (2) the amount of floor area and cellar space accessible to customers and allocated to such uses as compared to the total floor area and cellar space accessible to customers in the establishment.~~

(d) For the purpose of determining ***under paragraph (1)(a)*** whether ~~a bookstore has~~ a "substantial portion" of ~~its stock in materials defined in paragraphs (a)(1) or (a)(2) hereof~~ ***a book store's stock-in-trade of "printed or visual" material consists of "adult printed or visual material"***, the following factors shall be considered: (~~1~~) ***(i)*** the amount of ~~such~~ stock ***of "adult printed or visual material"*** accessible to customers as compared to the total stock ***of "printed or visual material"*** accessible to customers in the establishment; and (~~2~~) ***(ii)*** the amount of *floor area* and *cellar* space accessible to customers containing ~~such~~ stock ***of "adult printed or visual material"***; and (~~2~~) ***(iii)*** the amount of floor area and cellar space accessible to customers containing ~~such~~ stock ***"of adult printed or visual material"*** as compared to the ~~total~~ ***amount*** of *floor area* and *cellar* space accessible to customers ~~in the establishment~~ ***containing "printed or visual material" which is not "adult printed or visual material", provided that "printed or visual material" which is not "adult printed or visual material" (hereinafter for purposes of this***

paragraph "other printed or visual material") shall not be considered stock-in-trade for purposes of this paragraph where such store has one or more of the following features:

(aa) The absence of separate sections of the store with stock-in-trade of any "adult printed or visual material" and stock-in-trade of "other printed or visual material," or the presence of any "adult printed or visual material" in a section of the store otherwise consisting primarily of "other printed or visual material."

(bb) An absence of any fixed, permanent and complete visual partition between a section of the store with "adult printed or visual material" and a section of the store with "other printed or visual material";

(cc) An interior configuration and lay-out which requires customers to pass through a section of the store with "adult printed or visual material" in order to access a section of the store with "other printed or visual material";

(dd) One or more individual enclosures where adult movies or live performances are available for viewing by customers;

(ee) A method of operation which requires customer transactions with respect to "other printed or visual material" to be made in a section of the store which includes "adult printed or visual material";

(ff) A method of operation under which "other printed or visual material" is offered to customers on a substantially more limited basis than "adult printed or visual material," such as the offering of "other printed or visual material" for sale only and the offering of "adult printed or visual material" for sale or rental;

(gg) A greater number of different titles of "adult printed or visual material" than the number of different titles of "other printed or visual material";

(hh) A method of operation which excludes or restricts minors from the store as a whole or from any section of the store with "other printed or visual material";

(ii) A sign that advertises the availability of "adult printed or visual material" which is disproportionately large relative to a sign that advertises the availability of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(jj) A window display in which the number of products or area of display of "adult printed or visual material" is disproportionately high relative to the number of products or area of display of "other printed or visual material," when compared with the proportions of adult and other printed or visual materials offered for sale or rent in the store, or the proportions of floor area or cellar space accessible to customers containing stock of adult and other printed or visual materials;

(kk) Other features, as set forth in rules adopted by the commissioner of buildings, which render the sale or rental of "adult printed or visual material" a substantial purpose of the business conducted in such store as evidenced by an amount of customer activity and/or volume of sale or rental transactions involving "other printed or visual material" relative to the amount of customer activity and/or volume of sale or rental transactions involving "adult printed or visual material" which is disproportionately low by comparison with the proportion of "other printed or visual material" and "adult printed or visual material" offered for sale or rent in the store, or the proportion of #floor area# and #cellar# space accessible to customers containing stock of "adult printed or visual material" to that containing stock of "other printed or visual material."

(e) For the purposes of paragraph (1) (b), an "eating or drinking establishment" includes: (i) any portion of a commercial establishment within which food or beverages are offered for purchase, or are available to or are consumed by customers or patrons, and (ii) any portion of a commercial establishment from which a portion of a commercial establishment described in (i) above is accessible by customers or patrons.

EMPIRE STATE DEVELOPMENT CORPORATION

■ **PUBLIC HEARINGS**

QUEENS WEST DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING PURSUANT TO THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE HUNTERS POINT (QUEENS WEST) WATERFRONT DEVELOPMENT LAND USE IMPROVEMENT PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held in accordance with Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") by the Queens West Development Corporation ("QWDC"), a subsidiary of the New York State Urban Development Corporation d\b\a the Empire State Development Corporation (the "ESDC"), in connection with Stage II and Stage IV of the Hunters Point (Queens West) Waterfront Development Land Use Improvement Project (the "Project"). The hearing will be held on June 7, 2001 from 6:30 p.m. until 8:30 p.m. in the auditorium of the Consolidated Edison Learning Center, located at 43-82 Vernon Boulevard in Long Island City, Queens County, New York 11101.

The purpose of the hearing is to inform the public about, and to provide any interested party the opportunity to appear and comment on: (1) the proposed possible acquisition of certain property, in connection with Stages II and IV of the Project, generally described below; (2) Stages II and IV of the Project, and the Project generally; (3) the location and the public uses to be served by Stages II and IV, and the Project generally; and (4) the impact of Stages II and IV, and the Project generally, on the environment and the residents of the locality where the Project will be constructed. For information about the hearing, please contact Mr. Stewart Hanley at the Queens West Development Corporation/Empire State Development Corporation, 633 Third Avenue, New York, New York 10017 (telephone: (212) 803-3264).

The Project is located in Long Island City, Queens County. The overall Project area is generally bounded by the Anabel Basin (also known as the 11th Street Basin) to the north, by the U.S. pierhead line of the East River on the west, by the entrance to Newtown Creek on the south, and on the east by 5th Street between the Anabel Basin and 49th Avenue, by a line (between Lots 1 and 28 of Block 17) near the western end of the block between 49th and 50th Avenues, and by 2nd Street between Newtown Creek and 50th Avenue. The overall Project site also includes a strip of land between 5th and 21st Streets, which strip contains 48th Avenue, the Hunters Point Community Park and a portion of an existing but unused Long Island Rail Road cut.

The principal goal of the Project, including but not limited to Stages II and IV of the Project, is to replace the substandard and unsanitary conditions that currently impede effective and economic use of the Project site and to replace them with a viable development consisting of residential, commercial, cultural and recreational facilities and providing public access to the waterfront. ESDC, acting as lead agency, made findings pursuant to the New York State Environmental Quality Review Act ("SEQRA") with respect to the Project and adopted a Final Environmental Impact Statement ("FEIS") on January 31, 1991. Pursuant to the New York State Urban Development Corporation Act ("the Act"), ESDC has provided, in the General Project Plan for the Project (the "Plan"), for the override of the New York City Zoning Resolution and, in connection with the disposition of any property owned by the City, the Uniform Land Use Review Procedure of the New York City Charter. ESDC affirmed the plan on January 31, 1991, thereafter, re-affirmed the Plan on October 19, 1995 and made modification to the same on April 19, 2000. In all cases where the Plan has been modified, the appropriate environmental review has been performed to assure the Project's compliance with the SEQRA Findings. Each developer proposal has similarly been assessed for its consistency with the Plan and SEQRA Findings. With respect to Stage II, the Plan

provides for residential apartment buildings, public parks, a waterfront esplanade and a school. With respect to Stage IV, the Plan provides for commercial office space, retail stores, public park and a waterfront esplanade.

The Plan, which identifies Stages II and IV as well as other stages of the Project, was affirmed by the Directors of ESDC on January 31, 1991 and subsequently re-affirmed and modified. Copies thereof are available for inspection by the general public on any regular business day between the hours of 9:30 a.m. and 5:00 p.m., at the offices of the Queens West Development Corporation at 633 Third Avenue, New York, New York. Copies of the Plan are available without charge to any person who shall make a request therefor at the office of QWDC above. Copies of the Plan also will be available at the hearing location immediately prior to and during the hearing.

It is anticipated that the Project will be constructed in stages. Acquisition for Stage I was completed on August 13, 1998. The proposed possible acquisition subject to this hearing involves the Stage II area and a portion of the Stage IV area. The Stage II area extends generally (1) from the northwest corner of the intersection of the south boundary line of 47th Road and the west side of 5th Street northward along the west side of 5th Street to the Anabel Basin, (2) thence westward along the Basin until the U. S. pierhead line of the East River, (3) thence southerly along the pierhead line to a point where the U. S. pierhead line intersects with the south boundary of 47th Road, (4) thence in an easterly direction along the south boundary of 47th Road to the beginning point. This area is known on the New York City Tax Maps as Queens Tax Block 20, Lots 1, 5, 7 and 15 and Queens Tax Block 21, Lot 1, and the properties in this area are commonly known as the Pepsi Bottling Facility at 46-02 5th Street, Long Island City, New York and three additional parcels at 4-20, 4-50 and 4-88 47th Avenue, Long Island City, New York. The hearing will address, among other things, the possible acquisition by condemnation of the foregoing-described property.

The Stage IV area extends (1) from a point on the northwest corner formed by the intersection of the west side of 2nd Street and the northerly side of 50th Avenue, running thence westerly along the northerly side of 50th Avenue out to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line to a point where a line extending from the south side of 54th Avenue intersects the U. S. pierhead line, (3) thence easterly along the extended south side of 54th Avenue to a point at the intersection of the westerly side of 2nd Street and the south side of 54th Avenue, (4) thence northerly along the westerly side of 2nd Street to the point or place of beginning. This area includes all of Queens Tax Block 6, Lots 1, 2, 3, 14, and 38 as shown on the New York City Tax Maps.

The hearing will address, among other things, the possible acquisition by condemnation of property in Stage IV which extends (1) from the intersection of the north side of 50th Avenue and the west side of 2nd Street, running thence westerly along a line extending the north side of the 50th Avenue to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line approximately 427 feet, (3) thence in an easterly direction approximately 195 feet, (4) thence in a southerly direction approximately 20 feet, (5) thence in an easterly direction approximately 69 feet, (6) thence in a southerly direction approximately 189 feet, (7) thence in an easterly direction approximately 255 feet, (8) thence in a northerly direction approximately 137 feet, (9) thence in an easterly direction approximately 134 feet, (10) thence in a northerly direction approximately 5 feet, (11) thence in an easterly direction approximately 127 feet to the west side of 2nd Street, (12) thence north along the west side of 2nd Street to the beginning point. This property is shown on the New York City Tax Map as Queens Tax Block 6, Lot 1 and is commonly known as the Tennisport Center, 51-24 2nd Street, Long Island City, New York. The remaining portions of Stage IV are owned by either the Port Authority of New York and New Jersey or the National Railroad Passenger Corporation.

All acquisitions will be made in full compliance with the requirements of the Act, the EDPL and all other applicable law. The above-identified street addresses and facility names are included for ease of reference only. In the event of any inconsistency between the street address, facility names and the Tax Block and Lot, the Block and Lot shall control.

Comments on the proposed property acquisitions in furtherance of Stages II and IV of the Project are requested from all interested persons and may be made orally or in writing at the hearing. Comments may also be made after the hearing but must be in writing and received on or before 5:30pm on June 12, 2001. Comments received after 5:30pm on June 12, 2001 will not be considered. Written comments should be *addressed to the attention of Mr. Stewart* Hanley, Empire State Development Corporation/Queens West Development Corporation, 633 Third Avenue, 36th floor, New York, New York 10017.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before May 14, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;
2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before May 14, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PLEASE BE ADVISED THAT WRITTEN COMMENTS regarding the proposed rules may be sent on or before June 22, 2001 to the New York City Department of Environmental Protection, Office of Legal and Legislative Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368, Attention: Marcella Eckels, Esq.

PLEASE BE FURTHER ADVISED THAT ORAL COMMENTS regarding the proposed rules may be delivered at a public hearing to be held on June 22, 2001 at the Department of City Planning, Spector Hall, 22 Reade Street, 1st Fl., New York, NY 10007 (212) 720-3300 from 10 a.m. to 12 noon. If you have any questions about the location of the hearing, please contact Julia Bourdier at (718) 595-6555.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided

at the hearing are asked to notify Julia Bourdier at the phone number above within two weeks prior to the hearing.

PLEASE BE FURTHER ADVISED THAT COPIES OF ALL WRITTEN COMMENTS and a summary of the oral comments delivered at the public hearing will be available for inspection within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Department of Environmental Protection, Office of Legal Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368.

Please note that all of the text of the proposed Chapter 24 of Title 15 of the Rules of the City of New York is underlined because all of the language in the proposed Chapter 24 is new. The reason is that Chapter 24 in its entirety is proposed by this rulemaking.

The proposed rules were not listed in the Department of Environmental Protection's FY 2001 Regulatory Agenda because these rules were not anticipated at the time the agenda was published.

***

Chapter 24 of Title 15 of the Rules of the City of New York is repealed and a new Chapter 24 is added to read as follows:

§24-01 Authority.
These rules are promulgated pursuant to section 1403 of the Charter of the City of New York and in accordance with § 11-15(c), the Zoning Resolution of the City of New York.

§24-02 Applicability.
These rules shall apply in connection with the environmental review pursuant to City Environmental Quality Review (CEQR) of any Zoning Map Amendment subject to review and approval pursuant to section 197-c and 197-d of the New York City Charter where one or more tax lots in the area subject to the Zoning Map Amendment and not under the control or ownership of the person seeking such Zoning Map Amendment, have been identified by the Lead Agency as likely to be developed as a direct consequence of the action. These rules shall not apply to the environmental review by the City of any action that affects property under the control or ownership of such person, which shall be conducted in accordance with CEQR requirements governing the review of potential hazardous material contamination or noise or air quality impacts for such property.

§24-03 Definitions.
The following definitions shall apply to this rule, §24-01 et seq., unless the text specifically indicates otherwise.

CEQR. "CEQR" shall mean the City Environmental Quality Review, Chapter 5 of Title 62 of the Rules of the City of New York.

CEQR Technical Manual. "CEQR Technical Manual" shall mean the City Environmental Quality Review Technical Manual issued by OEC in December 1993 together with any updates, supplements and revisions thereto.

City. "City" shall mean the City of New York.

Contamination. "Contamination," "Contaminated," or "to Contaminate" shall mean the effect(s) on a tax lot(s) from hazardous materials, hazardous substances, hazardous wastes and/or petroleum.

Day. "Day" shall mean a business day.

DCP. "DCP" shall mean the New York City Department of City Planning.

DEC. "DEC" shall mean the New York State Department of Environmental Conservation.

Department. "Department" shall mean the New York City Department of Environmental Protection.

Development. "Development", or "Develop" shall mean a change of use and/or any work on a tax lot(s) that involves soil disturbance, including, but not limited to demolition, grading, or excavation related to the construction, enlargement, and/or extension of a new or existing structure(s) on a tax lot(s).

Development Site. "Development Site" shall mean a tax lot(s) located within the area of a proposed Zoning Map Amendment which is not under the control or ownership of the applicant for such Zoning Map Amendment and which the Lead Agency has identified pursuant to CEQR as likely to be developed as a direct consequence of the Zoning Map Amendment.
DOB. "DOB" shall mean the New York City Department of Buildings.

(E) Designation. "(E) Designation" shall mean the esignation of an "E" on the Zoning Map pursuant to §11-15 of the Zoning Resolution of the City of New York.

EPA. "EPA" shall mean the United States Environmental Protection Agency.

Hazardous Material. "Hazardous Material" shall mean any material, substance, chemical, element, compound, mixture, solution, product, solid, gas, liquid, waste, byproduct, pollutant, or contaminant which when released into the environment may present a substantial danger to the public health or welfare or the environment, including, but not limited to those classified or regulated as "hazardous" or "toxic" pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C.A. §9601 (1995) et seq., the Resource Conservation and Recovery Act (RCRA) 42 U.S.C.A. §6901 (1995) et seq., the Clean Water Act (CWA), 33 U.S.C.A. §1251 (1986) et seq., the Clean Air Act (CAA) 42 U.S.C.A. §7401 (1995) et seq., Toxic Substances Control Act (TSCA), 15 U.S.C.A. §2601 (1998) et seq., Transportation of Hazardous Materials Act, 49 U.S.C.A. §5101 (1997) et seq., the Hazardous Substances Emergency Response Regulations, 15 RCNY Chap. 11, and/or the List of Hazardous Substances, 6 NYCRR Part 597.

Hazardous Waste. "Hazardous Waste" shall mean any waste, solid waste or combination of waste and solid waste listed or regulated as a hazardous waste or characteristic hazardous waste pursuant to RCRA, 42 U.S.C.A. §6901 (1995), et seq. and/or Identification and Listing of Hazardous Wastes, 6 NYCRR Part 371, et seq.
Lead Agency. "Lead Agency" shall mean the agency responsible under CEQR for the conduct of environmental review in connection with a Zoning Map Amendment.

Notice of Satisfaction. "Notice of Satisfaction" shall mean a written notice issued by the Department pursuant to §24-07 of this rule documenting completion of all applicable (E) Designation requirements under this rule.

OEC. "OEC" shall mean the New York City Mayor's Office of Environmental Coordination.

Owner. "Owner" shall mean the person, including his or her designee, who is the recorded title holder of a tax lot(s).

Parties in Interest. "Parties-in-Interest" shall mean any person with an enforceable property interest in a tax lot(s).

PE Completion Confirmation. "PE Completion Confirmation" shall mean a written notice of completion of a Department approved remediation plan from a Professional Engineer, in a form acceptable to the Department.

Person. "Person" shall mean any individual, trust, firm, corporation, joint stock company, association, partnership, consortium, joint venture, commercial entity or governmental entity.

Petroleum. "Petroleum" shall mean oil or petroleum of any kind and in any form, including, but not limited to oil, petroleum, fuel oil, oil sludge, oil refuse, oil mixed with other waste, crude oil, gasoline and kerosene.

Project Site. "Project Site" shall mean a tax lot(s) that is under the control or ownership of the applicant for the removal of an (E) Designation from the Zoning Map and is subject to proposed development by such applicant.

Restrictive Declaration. "Restrictive Declaration" shall mean an instrument recorded against a tax lot(s) in the county office of land records and executed by all Parties-in-Interest to such tax lot(s), setting forth restrictions and enforcement provisions with respect to implementation of a Remediation Plan pursuant to §24-07 of these rules.

Tax Lot. "Tax Lot" shall mean a tax lot identified by parcel number on the official tax maps of the City of New York.

Zoning Map. "Zoning Map" shall have the meaning set forth in §12-10 of the Zoning Resolution of the City of New York.

Zoning Map Amendment. "Zoning Map Amendment" shall mean a proposed amendment to the Zoning Map subject to review and approval pursuant to §§ 197-c and 197-d of the New York City Charter.

§24-04 Preliminary Screening.
a. The Lead Agency may prepare or may cause to be prepared a preliminary screening assessment consisting of visual or historical documentation of any of the following past or current uses at a Development Site, and/or other tax lot(s) that might have affected or be affecting a Development Site.
(1) Incinerators;
(2) Underground and/or above ground storage tanks;
(3) Active solid waste landfills;
(4) Permitted hazardous waste management facilities;
(5) Inactive hazardous waste facilities;
(6) Suspected hazardous waste sites;
(7) Hazardous substance spill locations;
(8) Areas known to contain fill material;
(9) Petroleum spill locations;
(10) Any past use identified in Appendix A.

b. Based on the visual or historical documentation prepared under subdivision (A), the Lead Agency may determine that an (E) Designation should be placed on the Zoning Map for the tax lot(s) identified under subsection (A) in connection with adoption of the Zoning Map Amendment. In making such determination, the Lead Agency may consult with the Department.

c. A Phase I Environmental Site Assessment pursuant to §24-05 shall not be required prior to placement of an (E) Designation on the Zoning Map pursuant to this Section.

§24-05 Phase I Environmental Site Assessment.
a. For any Development Site that has not received an (E) Designation following review of visual or historical documentation pursuant to §24-04, the Lead Agency shall conduct, or shall cause to be conducted, a Phase I Environmental Site Assessment (Phase I ESA).

b. The Phase I ESA may be limited to:
(1) Historical land use review;
(2) Regulatory agency list review; and
(3) Site and surrounding area reconnaissance visit.

c. A report entitled "Phase I ESA Report" and any supplements thereto, summarizing the Phase I ESA shall be prepared by or for the Lead Agency and a copy of such report shall be provided to the Department. The Phase I ESA Report shall include any information discovered in the Phase I ESA. The Department may provide the Lead Agency with any additional information it deems relevant together with any comments regarding the contents of the Phase I ESA and any supplements thereto within twenty (20) days of receipt of the Phase I ESA Report.

d. The Lead Agency shall respond to the Department's comments and any additional information either by placing or causing DCP to place an (E) on the Zoning Map for the relevant tax lot(s) or by issuing a Final Phase I ESA Report that addresses any such comments and/or additional information. The Lead Agency shall inform the Department of such determination.

§24-06 Phase II Environmental Site Assessment.
a. Before an Applicant may seek any building permit for development from DOB with respect to a tax lot(s) subject to an (E) Designation, the applicant shall complete a Phase II Environmental Site Assessment (Phase II ESA) to determine the level and extent of contamination at the proposed Project Site.

b. The applicant shall prepare and submit to the Department a Work Plan to undertake the Phase II ESA, prepared in accordance with the CEQR Technical Manual. Such Work Plan shall also include:
(1) A detailed description of the proposed Project Site;
(2) A detailed description of the proposed development at the Project Site;
(3) A description of the projected timeframe for development at the Project Site;
(4) A description of the proposed use of the Project Site;
(5) Copies of reports of any previous investigations related to the presence or suspected presence of contamination on the Project Site.

c. Where applicable and at a minimum, the following procedures or requirements shall be implemented in the Phase II ESA for all sampling techniques and methods:
(1) All samples shall be analyzed by a laboratory accredited by the New York State Department of Health Environmental Laboratory Approval Program (ELAP);
(2) Samples from sites on the DEC Registry of Hazardous Waste Sites shall use a laboratory certified under EPA's Contract Laboratory Program or DEC's Analytical Services Program (ASP);
(3) EPA SW-846, 40 C.F.R. 261, which delineates the EPA Target Compound List/Target Analyte List shall be used;
(4) Toxicity Characteristic Leaching Procedure, Method 1311, as delineated in EPA SW-846, 40 C.F.R. 261 shall be used.

d. The Department will review the Work Plan in accordance with §24-09.

e. The applicant shall undertake the Work Plan as approved by the Department.

f. Upon completion of the Phase II ESA, a report entitled "Phase II ESA Report" summarizing the Phase II ESA shall be submitted to the Department. The Phase II ESA Report shall include:
(1) A summary of the findings of all the studies and/or investigations performed;
(2) A description of all assessment reconnaissance techniques in accordance with applicable Federal and State laws and Department guidelines;
(3) Sampling Results, which shall be presented in summary tables and compared to all relevant State and Federal guidance values, standards and regulations;
(4) Maps of the tax lots (1"=50') including but not limited to: USGS quadrangle map, name of quad and North arrow, on which the following is clearly indicated:
(i) All physical site characteristics with location of all soil borings, soil gas points, groundwater monitoring wells, USTs, vent lines, fill lines, and other pertinent information;
(ii) Where relevant based on the conditions of the Project Site, a depiction of groundwater elevation and flow direction;
(iii) Where relevant based on the conditions of the Project Site, a soil-gas concentration map with contours; and
(iv) All identified sources of releases and the extent and concentrations of contaminant plumes in all media.
(5) Appendices, which shall include:
(i) All raw data,
(ii) Laboratory methods,
(iii) Chain-of-custody forms,
(iv) QA/QC plan,
(v) Field notes,
(vi) Soil boring/monitoring well logs,
(vii) As-built well construction details,
(viii) Modeling programs used,
(ix) Calculations and formulas, and
(x) Physical/chemical properties of chemical compounds of concern.
(6) An assessment, based on findings of the Phase II ESA, of whether or not a Remediation Plan is required for the Project Site.

g. The applicant may submit a Remediation Plan with the Phase II ESA Report.

h. The Department will review the Phase II ESA Report in accordance with §24-09.

i. Upon completion of its review of the Phase II ESA Report, the Department will determine whether a Remediation Plan is required.
(1) If the Department determines that a Remediation Plan is not required, the Department will issue a Notice of Satisfaction letter to DOB;
(2) If a Remediation Plan has been submitted, the Department will review it in accordance with §§ 24-07 and 24-09;
(3) If the Department determines that a Remediation Plan is required and a Remediation Plan has not already been submitted by the applicant, the applicant shall submit a Remediation Plan for review by the Department in accordance with §§ 24-07 and 24-09.

§24-07 Remediation Plan.

a. Preparation of the Remediation Plan.

(1) Before an applicant may seek any building permits from DOB with respect to a tax lot(s) subject to an (E) Designation, where the Department has determined that Remediation Plan is required pursuant to §24-06, the applicant shall prepare a Remediation Plan. The Remediation Plan shall address all aspects of contamination, actual and/or potential, identified in the Phase II ESA Report, including, but not limited to:

(i) Elevated levels of contaminants pursuant to applicable DEC guidelines;
(ii) The sources of contamination;
(iii) The exposure pathways for contamination;
(iv) Environmental exposure to contamination;
(v) Human health exposure to contamination;
(vi) Proposed cleanup criteria;
(vii) Health and Safety of construction workers on the tax lot(s); and
(viii) Health and Safety of the public and future occupants of the tax lot(s) within the constraints of technical feasibility, remedial technology, and monitoring requirements.

(2) In preparing a Remediation Plan, the Applicant shall consider all applicable remediation techniques, including, but not limited to, those set forth in the CEQR Technical Manual. The Remediation Plan shall include a list of all techniques considered and an explanation for the acceptance or rejection of those techniques.

(3) The Department shall review the Remediation Plan in accordance with §24-09. In conjunction with its review of the Remediation Plan, the Department may require execution of a Restrictive Declaration for the tax lot(s) subject to the (E) Designation. Such Restrictive Declaration shall bind the owner/declarant to performance of the Remediation Plan in accordance with its terms, and shall include restrictions upon development of the subject tax lot(s) prior to issuance of a Notice of Satisfaction, as well as such other enforcement provisions as are applicable under Federal, State, or local law. The Restrictive Declaration shall be executed by all Parties-in-Interest to such tax lot(s) and shall be recorded against such tax lot(s) in the applicable county office of land records.

b. Implementation of the Remediation Plan.

(1) Prior to implementation of the Remediation Plan, the applicant shall:

(i) Provide the Department with ten (10) days written notice of such planned implementation; and
(ii) A copy of the recorded Restrictive Declaration, if such was required by the Department.

(2) After the Department has reviewed and approved the Remediation Plan in accordance with §24-09 and a Restrictive Declaration, if required by the Department, has been completed in accordance with paragraph (3) of subsection (a) of this section, the Department may recommend to DOB issuance of such building permit or permits as are necessary to undertake the approved Remediation. In no event, however, shall the applicant seek or accept from DOB a Temporary Certificate of Occupancy or a Certificate of Occupancy until the Department issues a Notice of Satisfaction pursuant to paragraph (2) of subsection (c) of this section.

(3) If implementation of a Department - approved Remediation Plan does not commence within one year of the date of the Department's approval thereof, such approval shall expire.

(i) The applicant may request in writing to extend a Department approval for a Remediation Plan not less than thirty (30) days prior to the expiration of such Department approval.

(a) Any written request for an extension shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(b) The Department shall review a written request for an extension by the applicant in accordance with §24-09.

(ii) If an approval for a Remediation Plan expires, the Applicant shall:

(a) Submit a new Remediation Plan for Department review in accordance with §24-09; or
(b) Submit a written request for a renewed approval of the expired Remediation Plan.

(1) Any written request for a renewed approval shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(2) The Department will review a written request for an extension by the Applicant in accordance with §24-09.

c. Completion of the Remediation Plan.

(1) Upon the completion of a the Department-approved Remediation Plan or a remediation certified by New York State, the Applicant shall deliver to the Department, a PE Completion Confirmation in a form satisfactory to the Department.
(2) Upon the Department's review and approval of the PE Completion Confirmation, the Department shall issue a Notice of Satisfaction to the Applicant, OEC, DOB and DCP.

§24-08 Satisfaction of (E) Designation Requirements.

a. Issuance of the Notice of Satisfaction by the Department constitutes the Department's report specifying that the environmental requirements relating to the (E) Designation have been satisfied.

b. The owner of any tax lot(s) subject to an (E) Designation may file a copy of a Notice of Satisfaction with the Department of City Planning. Upon receipt of such Notice of Satisfaction, DCP shall indicate such satisfaction as to the affected tax lot(s) on the listing of (E) Designations appended to the Zoning Map.

c. When DCP has received Notices of Satisfaction for all tax lot(s) specified in the CEQR declaration with respect to the placement of an (E) Designation on the Zoning Map, it shall administratively remove such (E) Designation from the Zoning Map.

d. DCP shall notify DOB, OEC and DEP in writing of the satisfaction of (E) Designation requirements for a tax lot(s) or of the removal of an (E) Designation from a Zoning Map.

§24-09 Department Review and Approval Procedure.

a. At the written request of the applicant, the Department will conduct a pre-submission conference with the applicant regarding the required contents of any submission required pursuant to §§ 24-06 and 24-07 of this rule and the schedule for proceeding with such submission.

b. Upon initial receipt of a submission required pursuant to this rule, the Department will review such submission and provide written comments within thirty (30) days of receipt of such initial submission.

c. If the Department requests additional information or a revised submission, the applicant shall resubmit the submission for review.

(1) Revised submissions will be reviewed by the Department as expeditiously as possible;
(2) Upon receipt of all information requested, the Department shall issue comments in writing with respect to the submission as expeditiously as possible.

d. If the applicant disagrees with the Department's comments, the applicant shall have thirty (30) days, or such time as agreed upon by the Department and the applicant, to respond.

e. Upon receipt and review of all required submissions, the Department will issue its determination either approving or disapproving the submission as expeditiously as possible.

f. If at any time the Department fails to provide written comments within a time period specified under this section, or such time as agreed upon by the Department and the applicant, the applicant may submit a written notification to the Department requesting that any comments be provided as expeditiously as possible.

§24-10 Notification.

a. Discovery of a petroleum spill or discharge on a tax lot(s) by the Department and/or the applicant must be reported in accordance with, Reporting of Spills and Discharges, 6 NYCRR §613.8 (1999).

b. Discovery of evidence of "reportable quantities" of hazardous materials or hazardous wastes by the Department and/or the applicant on a tax lot(s) that pose a potential or actual significant threat to public health or the environment under Federal, State or local guidelines, must be reported in accordance with, CERCLA, 42 U.S.C.A. §9603 (1995), Emergency Planning Community Right to Know Act, 42 U.S.C.S. §11004 (1995), Reporting of Hazardous Substance Releases, 6 NYCRR 595.3 (1999) and/or Hazardous Substances Emergency Response, 15 RCNY §11-03.

§24-11 Lead Agency Records/Agency Consultation.

a. The Lead Agency shall maintain a single file containing copies of all Phase I ESA Reports issued pursuant to §24-05 of this rule, together with the relevant Environmental Assessment Statement, Environmental Impact Statement, or other CEQR determinations made in connection therewith.

b. The Department, DCP, and OEC shall meet and confer on a periodic basis concerning the implementation of this rule.

APPENDIX A

List of Facilities, Activities or Conditions Requiring Assessment

1. A facility, on or adjacent to a tax lot, which generates (including small quantity generators), stores, treats or disposes of hazardous waste, as defined by RCRA and regulated by EPA and/or DEC.
2. A facility, on or adjacent to a tax lot, which manufactures, produces, prepares, compounds, processes uses, repackages or disposes of hazardous chemicals, as defined under New York City's Community Right-to-Know Law, N.Y.C. Admin. Code tit. 24, ch. 7 (1992).
3. A facility, on or adjacent to a tax lot, which is included on the following list:

- Adhesives and sealants manufacture
- Advertising displays manufacture
- Agricultural machinery manufacture (including repairs)
- Aluminum manufacture or aluminum products manufacture
- Aircraft manufacture (including parts)
- Airports Appliance (electrical) manufacture
- Art goods manufacturer
- Asphalt or asphalt products manufacture
- Athletic equipment manufacture
- Automobile and other laundries
- Automobile manufacture
- Automobile rental establishments
- Automobile wrecking establishments
- Automobile service stations
- Battery manufacture
- Bicycle manufacture
- Blacksmith shops
- Boat repair
- Boat fuel sales
- Boat storage
- Business machine manufacture
- Camera manufacture
- Canvas or canvas products manufacture
- Carpet cleaning establishments
- Carpet manufacture
- Cement manufacture
- Ceramic products manufacture
- Charcoal manufacture
- Chemical compounding or packaging
- Chemical manufacture
- Cleaning or cleaning and dyeing establishments
- Clock manufacture
- Clothing manufacture
- Coal products manufacture
- Coal sales or storage
- Coke products manufacture
- Coil coating
- College, university, trade school laboratories
- Construction machinery manufacture
- Copper forming or copper products manufacture
- Cosmetics or toiletries manufacture
- Dental instruments manufacture
- Dental laboratories
- Disinfectant manufacture
- Drafting instruments manufacture
- Dry cleaning establishments
- Dumps
- Electric power or steam generating plants
- Electric power substations
- Electric and electronic components manufacture
- Electric appliance manufacture
- Electric supplies manufacture
- Electroplating or stereotyping
- Engraving or photo-engraving
- Exterminators
- Explosives manufacture
- Felt products manufacture
- Felt products bulk processing, washing or curing
- Fertilizer manufacture
- Filling stations
- Film manufacture
- Fire stations
- Foundries ferrous or non-ferrous
- Fuel sales
- Fungicides manufacture
- Fur tanning, curing, finishing or dyeing
- Furniture manufacture
- Garbage incineration, storage or reduction
- Gas manufacture, storage
- Gasoline service stations
- Generating plants, electric or steam
- Glass manufacture
- Glue manufacture
- Golf courses
- Graphite or graphite products manufacture
- Gum and wood chemicals manufacture or processing
- Hair products manufacture
- Hardware manufacture
- Heliports
- Incineration or garbage reduction
- Ink or Ink ribbon manufacture
- Insecticides manufacture
- Inorganic chemicals manufacture
- Iron and steel manufacture
- Jewelry manufacture
- Junk yards
- Laboratories, medical, dental, research, experimental
- Leather tanning, curing, finishing or dyeing
- Linoleum manufacture
- Luggage manufacture
- Lumber processing
- Machine shops including tool, die, or pattern making
- Machine tools manufacture
- Machinery manufacture or repair
- Mechanical products manufacture
- Medical appliance manufacture
- Medical instruments manufacture
- Medical laboratories
- Metals manufacture including alloys or foil
- Metal casting or foundry products
- Metal finishing, plating, grinding, polishing, cleaning, rust-proofing, heat treatment
- Metal ores reduction or refining
- Metal product treatment or processing
- Metal reduction, refining, smelting or alloying
- Metal treatment or processing
- Mining machinery manufacture
- Mirror silvering shops
- Motorcycle manufacturer
- Motor freight stations
- Musical instrument manufacture
- Newspaper publishing
- Non-ferrous metals manufacture
- Office equipment or machinery repair shops
- Oil, public utility stations for metering or regulating oil sales
- Oil storage
- Optical equipment manufacture
- Organic chemicals manufacture
- Orthopedic appliance manufacture
- Ore mining
- Paint and ink manufacture
- Paper and pulp mills Paper products manufacture
- Pesticides manufacture
- Petroleum or petroleum products refining
- Petroleum or petroleum products storage and handling
- Pharmaceutical products manufacture or preparation
- Photographic equipment and supplies manufacture
- Plastics and synthetic products manufacture and processing
- Plastics raw manufacture
- Plumbing equipment manufacture
- Porcelain enameling
- Precision instruments manufacture
- Printing and publishing
- Pumping stations, sewage
- Radioactive waste disposal services
- Railroad equipment manufacture
- Railroad rights-of-ways, substations
- Railroad freight terminals, yards or appurtenances
- Refrigerating plants
- Rubber processing of manufacture
- Rubber products manufacture
- Sewage disposal plants, pumping stations
- Ship or boat building repair yards

- Shipping waterfront
- Shoes manufacture
- Sign painting shops
- Silver-plating shops
- Silverware manufacture, plate or sterling
- Slag piles
- Soap and detergent manufacture
- Soldering shops
- Solvent extraction
- Steam electric power plants
- Steel products manufacture
- Tar products manufacture
- Textiles bleaching, products manufacture or dyeing
- Textile mills
- Thermometer manufacture or assembly
- Tile manufacture
- Timber products manufacture
- Tool or hardware manufacture
- Toys manufacture
- Trailer manufacture
- Transit substations
- Truck manufacture
- Trucking terminal or motor freight stations
- Turpentine manufacture
- Varnish manufacture
- Vehicles manufacture
- Venetian blind manufacture
- Welding shops
- Wood distillation

Statement of Basis and Purpose

The provisions of the proposed new Chapter 24 of Title 15 of the Rules of the City of New York would contain practices and standards for determining when an (E) designation, as delineated in section 11-15 of the New York City Zoning Resolution, shall be imposed on any tax lot subject to a proposed zoning map amendment. In addition, the provisions of the proposed new Chapter 24 would contain standards and protocols for determining when the requirements for removal of such (E) designation from a tax lot have been satisfied. Thus the rules would specify the protocol for determining whether or not an (E) designation should be imposed on a tax lot as determined by visual or historical evidence of specific past or current uses on a tax lot and/or the completion of a Phase I Environmental Assessment and Report. For tax lots subject to an (E) designation, the rules would contain standards and protocols for testing and remediation of hazardous waste contamination to be used by the Department of Environmental Protection (DEP) in determining whether or not the environmental requirements relating to such (E) designation have been satisfied. As set forth in the rules, such determination would be based on the completion and submission of a Phase II Environmental Site Assessment Report and if required, the submission and implementation of a Remediation Plan and the execution of a Restrictive Declaration to the satisfaction of DEP. The rules would prescribe the procedure for notification to the relevant New York City agencies of satisfaction of the requirements for the removal of an (E) designation from the zoning map as well as subsequent removal of such (E) designation from the zoning map. The rules would delineate the procedures for DEP's review and approval of any submissions required under these rules. The rules would contain certain notification requirements for petroleum and hazardous materials and/or waste releases. The rules would require the maintenance of certain records generated under these rules. The rules would also require that DEP, the Department of City Planning and the Office of Environmental Coordination consult on a periodic basis regarding the implementation of the rules. The rules are authorized by section 1403 of the New York City Charter and section 11-15 of the Zoning Resolution of the City of New York.

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY GRANTED to the New York City Landmarks Preservation Commission by Section 25-303, 305-308, 310, 313 and 319 of Title 25, Chapter 3 of the Administrative Code of the City of New York, and in accord with Chapters 45 and 74 of the New York City Charter, that the Landmarks Preservation Commission, at the Public Meeting held on May 8, 2001, voted to amend Chapter 2 of Title 63 of the Rules of the City of New York by adding a new section 2-20, Bracket Signs in the Tribeca East, Tribeca West, Tribeca North, Tribeca South, SoHo Cast-Iron, NoHo, and Ladies' Mile Historic Districts, relating to the installation of bracket signs in certain historic districts.

Statement of Basis and Purpose of Rules

The Landmarks Preservation Commission is authorized to promulgate regulations governing the protection, preservation, enhancement, perpetuation and use of landmarks, interior landmarks and buildings in historic districts. The Commission issues permits authorizing work on such designated landmarks which, following procedures stated in Sections 25-305 - 308 and Section 25-310 of the Administrative Code of the City of New York, it determines to be appropriate in accordance with the factors and standards provided under Sections 25-306 - 307 and 25-310.

The purpose of these rules is to assist the public in applying to the Landmarks Preservation Commission for approval of bracket signs on landmarks and buildings in historic districts and to permit Commission staff to issue permits for work that is in accordance with these rules.

Chapter 2 of Title 63 of the Rules of the City of New York is amended by adding the following new section:

2-20 Bracket Signs in the Tribeca East, Tribeca West, Tribeca North, Tribeca South, SoHo Cast-Iron, NoHo, and Ladies' Mile Historic Districts.

a. Introduction. The large commercial buildings that substantially define the character of the Tribeca East, Tribeca West, Tribeca North, Tribeca South, SoHo Cast-Iron, NoHo, and Ladies' Mile Historic Districts historically had a wide variety of signage, including rigid projecting signs. These signs, known as "bracket signs" extended out perpendicularly from the building face and typically had signage on both sides of the sign.

b. Definitions. As used in this subsection 2-20, the following words shall have the following meanings:

"Armature" shall mean a metal structural support for a rigid projecting sign. The armature may support the bracket sign by means of one or two projecting arms.

"Bracket Sign" shall mean a rigid outdoor sign, with two display faces, installed perpendicular to a building facade and hanging from an armature, used as an announcement for an establishment in the building, consisting of the rigid display faces and all letters, words, numerals, illustrations, decorations, trade marks, emblems, symbols or their figures or characters associated with the name of the establishment that are applied to the faces. In addition, a bracket sign may consist solely of an outline of a shape and/or letters intended to act as a symbol or sign for the establishment.
"CNE" shall mean a Certificate of No Effect as defined by section 25-306 of the New York City Administrative Code.

"Establishment" shall mean a manufacturing, commercial or retail business or profession.

"Facade" shall mean an entire exterior face of a building.

"LPC" shall mean the Landmarks Preservation Commission.

"LPC staff" shall mean the staff of the Landmarks Preservation Commission acting in the Commission's agency capacity.

c. Installation of Bracket Signs. The LPC staff shall issue a CNE for a bracket sign if the proposed work meets all of the following criteria:

1. The armature shall be installed below the second story within the storefront opening or on the flat face of a plain masonry pier and shall be mechanically fastened into the storefront infill or into the mortar joints of a plain masonry pier, and such installation shall neither damage nor conceal any significant architectural features of the building.

2. The armature shall be a dark finished metal and shall be simply designed.

3. The display faces of the bracket sign may be made of wood or metal. If the bracket sign has display faces, the letters, words, numerals, illustrations or graphics, etc. may be painted or applied onto the display faces, and may be raised slightly from the surface. The overall width, as measured from face to face, shall not exceed 2 inches, and, if there are raised letters, illustrations, etc. the bracket sign shall not exceed a width of three inches as measured from the outside plane of such raised letters or illustrations. The display faces and the letters, words, numerals, illustrations or graphics, etc. shall be of a color or colors that do not detract from the significant architectural features of the building or neighboring buildings. No neon or other vividly bright colors shall be permitted.

4. The bracket sign shall not be internally illuminated, nor shall such sign have neon or L.E.D. (Light Emitting Diode) lighting of any kind, nor shall any lighting fixture or mechanism be attached to the armature.

5. The bracket sign may be fixed or may move freely from its points of attachment to the armature, but in no event shall the bracket sign be made to move by mechanized or controlled means.

6. Number of bracket signs for ground floor establishments.

i. Except for signs subject to subsection iii below, one bracket sign per ground floor establishment shall be permitted.
ii. In buildings with more than one ground floor establishment, one sign per establishment may be installed, provided that there is no more than one sign per 25 feet of building facade fronting on a street, and further provided that the size, design, placement, materials and details of all of the armatures match. The placement of the bracket sign on the building shall be in close proximity to the establishment that is identified on the bracket sign.
iii. A ground floor establishment with a corner storefront may have one bracket sign on each building facade with at least 25 feet of street frontage, provided that each facade has a primary entrance and each bracket sign is located in close proximity to an entrance, but in no event shall more than one bracket sign be located within 20 feet of the corner of the building.

7. Bracket signs for upper story establishments. A single armature for a bracket sign for an upper story establishment or establishments may be installed adjacent to the building entrance for such upper story establishments. This armature may hold one sign for each upper story establishment, provided such signs hang vertically underneath one another on the same armature, and further provided that in no event shall the total dimensions of such signs, taken together, exceed the size requirements specified in c.8. below.

8. The size of the bracket sign shall conform to the requirements of the Zoning Resolution, but in no event shall the size exceed 24 inches by 36 inches, oriented horizontally or vertically. Novelty shapes, such as circles, polygons and irregular shapes, may be permitted provided such shapes fall within the above dimensions.

9. The projection of the bracket sign and armature beyond the property line shall conform to the requirements of the Zoning Resolution and Building Code, but in no event shall extend more than 40 inches from the facade.

10. The bracket sign shall be installed so that the lowest portion of the sign is at least ten (10) feet above the sidewalk.

11. The establishment seeking approval for a bracket sign shall not, for the same building, already be utilizing an LPC-approved, grandfathered or unapproved flagpole and banner, nor shall it have approval from the LPC for installing a new flagpole and banner on the same building.

12. In approving an application for a bracket sign, the staff shall consider the overall amount of staff and Commission approved signage for the storefront. If the staff determines that the overall amount of signage with the proposed bracket sign is excessive and will detract from the architectural features of the building, the staff shall require that other types of existing or proposed staff approved or approvable signage, including but not limited to signs on awning skirts and signage applied to the storefront glazing, be eliminated or reduced.

13. The application is to install the bracket sign on a building designed as a commercial or loft building and zoned for commercial use and located within the Tribeca East, Tribeca West, Tribeca North, Tribeca South, SoHo Cast-Iron, NoHo, and Ladies' Mile Historic Districts.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN pursuant to Section 1045-j(9-a) of the Public Authorities Law, that after public hearings were held on April 23, 24 and 25, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on May 3, 2001, adopted a resolution approving increases in water rates to users of the Water Supply System of the City of New York, including rates charged to users of the system within the City of New York, and rates charged to municipalities and water districts outside of the City for water provided which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York, for the fiscal year commencing July 1, 2001, from those rates currently in effect, and making certain customer service and billing policy changes, as follows:

Effective July 1, 2001, the water rate for all in-City customers, flat-rate and metered, will increase by 3.0 % over the rate in effect in Fiscal Year 2001, and the wastewater rate will remain at 159% of the applicable water charge.

Effective July 1, 2001, the rate charged for water provided to municipalities and water districts outside of the City which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York will be equal to the in-City metered rate of $1,804.81 per million gallons.

Certain customer service and billing policies have been changed or clarified, including the following:

(1) Multiple-Family Conservation Program Proposal

The program offers owners of multiple family housing consisting of six or more dwelling units, an option to elect billing based on a fixed charge per dwelling unit, if the owner invests in low-consumption plumbing hardware and fixtures, and cooperates with DEP in conservation efforts in their building. Under this program, the charge for each dwelling unit will be $436.72 per billable dwelling unit.

It is intended that as of July 1, 2004, the Multiple-Family Conservation Program will replace Frontage Billing, the Regular Bill Cap, the Renovation Bill Cap, the Transition Program and the Pre-Transition Program for Residential Premises with six or more dwelling units.

(2) Part IX - Customer Account Information and Complaint Resolution

The changes provide that a customer may request an explanation of a water and wastewater bill or charge by calling the DEP Customer Service Call Center at (718) 595-7000, by visiting a borough office of the Bureau of Customer Services (BCS), by writing DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055 or by visiting DEP's website www.nyc.gov/dep. If a customer is not satisfied with the initial review of their bill, a complaint must be made in writing to DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055. DEP will respond in writing within 90 days of receipt of the complaint. Should the customer wish to appeal this decision, a written appeal must be made within 90 days.

Copies of the New York City Water Board Water and Wastewater Rate Schedule are available for inspection by the public during regular business hours at the offices of the New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368.

EMPIRE STATE DEVELOPMENT CORPORATION

■ PUBLIC HEARINGS

QUEENS WEST DEVELOPMENT CORPORATION NOTICE OF PUBLIC HEARING PURSUANT TO THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE HUNTERS POINT (QUEENS WEST) WATERFRONT DEVELOPMENT LAND USE IMPROVEMENT PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held in accordance with Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") by the Queens West Development Corporation ("QWDC"), a subsidiary of the New York State Urban Development Corporation d\b\a the Empire State Development Corporation (the "ESDC"), in connection with Stage II and Stage IV of the Hunters Point (Queens West) Waterfront Development Land Use Improvement Project (the "Project"). The hearing will be held on June 7, 2001 from 6:30 p.m. until 8:30 p.m. in the auditorium of the Consolidated Edison Learning Center, located at 43-82 Vernon Boulevard in Long Island City, Queens County, New York 11101.

The purpose of the hearing is to inform the public about, and to provide any interested party the opportunity to appear and comment on: (1) the proposed possible acquisition of certain property, in connection with Stages II and IV of the Project, generally described below; (2) Stages II and IV of the Project, and the Project generally; (3) the location and the public uses to be served by Stages II and IV, and the Project generally; and (4) the impact of Stages II and IV, and the Project generally, on the environment and the residents of the locality where the Project will be constructed. For information about the hearing, please contact Mr. Stewart Hanley at the Queens West Development Corporation/Empire State Development Corporation, 633 Third Avenue, New York, New York 10017 (telephone: (212) 803-3264).

The Project is located in Long Island City, Queens County. The overall Project area is generally bounded by the Anabel Basin (also known as the 11th Street Basin) to the north, by the U.S. pierhead line of the East River on the west, by the entrance to Newtown Creek on the south, and on the east by 5th Street between the Anabel Basin and 49th Avenue, by a line (between Lots 1 and 28 of Block 17) near the western end of the block between 49th and 50th Avenues, and by 2nd Street between Newtown Creek and 50th Avenue. The overall Project site also includes a strip of land between 5th and 21st Streets, which strip contains 48th Avenue, the Hunters Point Community Park and a portion of an existing but unused Long Island Rail Road cut.

The principal goal of the Project, including but not limited to Stages II and IV of the Project, is to replace the substandard and unsanitary conditions that currently impede effective and economic use of the Project site and to replace them with a viable development consisting of residential, commercial, cultural and recreational facilities and providing public access to the waterfront. ESDC, acting as lead agency, made findings pursuant to the New York State Environmental Quality Review Act ("SEQRA") with respect to the Project and adopted a Final Environmental Impact Statement ("FEIS") on January 31, 1991. Pursuant to the New York State Urban Development Corporation Act ("the Act"), ESDC has provided, in the General Project Plan for the Project (the "Plan"), for the override of the New York City Zoning Resolution and, in connection with the disposition of any property owned by the City, the Uniform Land Use Review Procedure of the New York City Charter. ESDC affirmed the plan on January 31, 1991, thereafter, re-affirmed the Plan on October 19, 1995 and made modification to the same on April 19, 2000. In all cases where the Plan has been modified, the appropriate environmental review has been performed to assure the Project's compliance with the SEQRA Findings. Each developer proposal has similarly been assessed for its *consistency with the Plan and SEQRA* Findings. With respect to Stage II, the Plan provides for residential apartment buildings, public parks, a waterfront esplanade and a school. With respect to Stage IV, the Plan provides for commercial office space, retail stores, public park and a waterfront esplanade.

The Plan, which identifies Stages II and IV as well as other stages of the Project, was affirmed by the Directors of ESDC on January 31, 1991 and subsequently re-affirmed and modified. Copies thereof are available for inspection by the general public on any regular business day between the hours of 9:30 a.m. and 5:00 p.m., at the offices of the Queens West Development Corporation at 633 Third Avenue, New York, New York. Copies of the Plan are available without charge to any person who shall make a request therefor at the office of QWDC above. Copies of the Plan also will be available at the hearing location immediately prior to and during the hearing.

It is anticipated that the Project will be constructed in stages. Acquisition for Stage I was completed on August 13, 1998. The proposed possible acquisition subject to this hearing involves the Stage II area and a portion of the Stage IV area. The Stage II area extends generally (1) from the northwest corner of the intersection of the south boundary line of 47th Road and the west side of 5th Street northward along the west side of 5th Street to the Anabel Basin, (2) thence westward along the Basin until the U. S. pierhead line of the East River, (3) thence southerly along the pierhead line to a point where the U. S. pierhead line intersects with the south boundary of 47th Road, (4) thence in an easterly direction along the south boundary of 47th Road to the beginning point. This area is known on the New York City Tax Maps as Queens Tax Block 20, Lots 1, 5, 7 and 15 and Queens Tax Block 21, Lot 1, and the properties in this area are commonly known as the Pepsi Bottling Facility at 46-02 5th Street, Long Island City, New York and three additional parcels at 4-20, 4-50 and 4-88 47th Avenue, Long Island City, New York. The hearing will address, among other things, the possible acquisition by condemnation of the foregoing-described property.

The Stage IV area extends (1) from a point on the northwest corner formed by the intersection of the west side of 2nd Street and the northerly side of 50th Avenue, running thence westerly along the northerly side of 50th Avenue out to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line to a point where a line extending from the south side of 54th Avenue intersects the U. S. pierhead line, (3) thence easterly along the extended south side of 54th Avenue to a point at the intersection of the westerly side of 2nd Street and the south side of 54th Avenue, (4) thence northerly along the westerly side of 2nd Street to the point or place of beginning. This area includes all of Queens Tax Block 6, Lots 1, 2, 3, 14, and 38 as shown on the New York City Tax Maps.

The hearing will address, among other things, the possible acquisition by condemnation of property in Stage IV which extends (1) from the intersection of the north side of 50th Avenue and the west side of 2nd Street, running thence westerly along a line extending the north side of the 50th Avenue to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line approximately 427 feet, (3) thence in an easterly direction approximately 195 feet, (4) thence in a southerly direction approximately 20 feet, (5) thence in an easterly direction approximately 69 feet, (6) thence in a southerly direction approximately 189 feet, (7) thence in an easterly direction approximately 255 feet, (8) thence in a northerly direction approximately 137 feet, (9) thence in an easterly direction approximately 134 feet, (10) thence in a northerly direction approximately 5 feet, (11) thence in an easterly direction approximately 127 feet to the west side of 2nd Street, (12) thence north along the west side of 2nd Street to the beginning point. This property is shown on the New York City Tax Map as Queens Tax Block 6, Lot 1 and is commonly known as the Tennisport Center, 51-24 2nd Street, Long Island City, New York. The remaining portions of Stage IV are owned by either the Port Authority of New York and New Jersey or the National Railroad Passenger Corporation.

All acquisitions will be made in full compliance with the requirements of the Act, the EDPL and all other applicable law. The above-identified street addresses and facility names are included for ease of reference only. In the event of any inconsistency between the street address, facility names and the Tax Block and Lot, the Block and Lot shall control.

Comments on the proposed property acquisitions in furtherance of Stages II and IV of the Project are requested from all interested persons and may be made orally or in writing at the hearing. Comments may also be made after the hearing but must be in writing and received on or before 5:30pm on June 12, 2001. Comments received after 5:30pm on June 12, 2001 will not be considered. Written comments should be addressed to the attention of Mr. Stewart Hanley, Empire State Development Corporation/Queens West Development Corporation, 633 Third Avenue, 36th floor, New York, New York 10017.

■ NOTICE

NEW YORK COUNTY
NOTICE OF ACQUISITION
INDEX NUMBER 401660/01

In the Matter of the Application of THE CITY OF NEW YORK, relative to acquiring title in fee simple and other interests in certain real property where not heretofore acquired for **THE HENRY STREET SETTLEMENT DAYCARE CENTER** Located at 710-712 East 9th Street, in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on May 4, 2001, the application of the City of New York to acquire certain real property, for THE HENRY STREET SETTLEMENT DAYCARE CENTER, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on May 14, 2001. Title to the real property vested in the City of New York on May 14, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT
378	10

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before May 14, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;
2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before May 14, 2003 (which is two (2) calendar years from the title vesting date).

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing

(OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

ENVIRONMENTAL PROTECTION

■ NOTICE

Notice of Opportunity to Comment on Proposed New Chapter 24 of Title 15 of the Rules of the City of New York Governing Placement and Removal of an (E) Designation on a tax lot in connection with a zoning map amendment to designate on the New York City Zoning Map the presence of contamination or potential contamination of the tax lot by hazardous materials and/or hazardous waste.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN The Department of Environmental Protection by section 1403 of the Charter of the City of New York and section 11-15 of the Zoning Resolution of the City of New York that the Department of Environmental Protection is proposing to promulgate rules to govern the placement and removal of an (E) designation on a tax lot in connection with a zoning map amendment to designate on the Zoning Map of the City of New York the presence of contamination or potential contamination of the tax lot by hazardous materials and/or hazardous waste.

PLEASE BE ADVISED THAT WRITTEN COMMENTS regarding the proposed rules may be sent on or before June 22, 2001 to the New York City Department of Environmental Protection, Office of Legal and Legislative Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368, Attention: Marcella Eckels, Esq.

PLEASE BE FURTHER ADVISED THAT ORAL COMMENTS regarding the proposed rules may be delivered at a public hearing to be held on June 22, 2001 at the Department of City Planning, Spector Hall, 22 Reade Street, 1st Fl., New York, NY 10007 (212) 720-3300 from 10 a.m. to 12 noon. If you have any questions about the location of the hearing, please contact Julia Bourdier at (718) 595-6555.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Julia Bourdier at the phone number above within two weeks prior to the hearing.

PLEASE BE FURTHER ADVISED THAT COPIES OF ALL WRITTEN COMMENTS and a summary of the oral comments delivered at the public hearing will be available for inspection within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Department of Environmental Protection, Office of Legal Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368.

Please note that all of the text of the proposed Chapter 24 of Title 15 of the Rules of the City of New York is underlined because all of the language in the proposed Chapter 24 is new. The reason is that Chapter 24 in its entirety is proposed by this rulemaking.

The proposed rules were not listed in the Department of Environmental Protection's FY 2001 Regulatory Agenda because these rules were not anticipated at the time the agenda was published.

***

Chapter 24 of Title 15 of the Rules of the City of New York is repealed and a new Chapter 24 is added to read as follows:

§24-01 Authority.
These rules are promulgated pursuant to section 1403 of the Charter of the City of New York and in accordance with § 11-15(c), the Zoning Resolution of the City of New York.

§24-02 Applicability.
These rules shall apply in connection with the environmental review pursuant to City Environmental Quality Review (CEQR) of any Zoning Map Amendment subject to review and approval pursuant to section 197-c and 197-d of the New York City Charter where one or more tax lots in the area subject to the Zoning Map Amendment and not under the control or ownership of the person seeking such Zoning Map Amendment, have been identified by the Lead Agency as likely to be developed as a direct consequence of the action. These rules shall not apply to the environmental review by the City of any action that affects property under the control or ownership of such person, which shall be conducted in accordance with CEQR requirements governing the review of potential hazardous material contamination or noise or air quality impacts for such property.

§24-03 Definitions.

Restrictive Declaration. "Restrictive Declaration" shall mean an instrument recorded against a tax lot(s) in the county office of land records and executed by all Parties-in-Interest to such tax lot(s), setting forth restrictions and enforcement provisions with respect to implementation of a Remediation Plan pursuant to §24-07 of these rules.

Tax Lot. "Tax Lot" shall mean a tax lot identified by parcel number on the official tax maps of the City of New York.

Zoning Map. "Zoning Map" shall have the meaning set forth in §12-10 of the Zoning Resolution of the City of New York.

Zoning Map Amendment. "Zoning Map Amendment" shall mean a proposed amendment to the Zoning Map subject to review and approval pursuant to §§ 197-c and 197-d of the New York City Charter.

§24-04 Preliminary Screening.
a. The Lead Agency may prepare or may cause to be prepared a preliminary screening assessment consisting of visual or historical documentation of any of the following past or current uses at a Development Site, and/or other tax lot(s) that might have affected or be affecting a Development Site.
(1) Incinerators;
(2) Underground and/or above ground storage tanks;
(3) Active solid waste landfills;
(4) Permitted hazardous waste management facilities;
(5) Inactive hazardous waste facilities;
(6) Suspected hazardous waste sites;
(7) Hazardous substance spill locations;
(8) Areas known to contain fill material;
(9) Petroleum spill locations;
(10) Any past use identified in Appendix A.
b. Based on the visual or historical documentation prepared under subdivision (A), the Lead Agency may determine that an (E) Designation should be placed on the Zoning Map for the tax lot(s) identified under subsection (A) in connection with adoption of the Zoning Map Amendment. In making such determination, the Lead Agency may consult with the Department.

c. A Phase I Environmental Site Assessment pursuant to §24-05 shall not be required prior to placement of an (E) Designation on the Zoning Map pursuant to this Section.

§24-05 Phase I Environmental Site Assessment.
a. For any Development Site that has not received an (E) Designation following review of visual or historical documentation pursuant to §24-04, the Lead Agency shall conduct, or shall cause to be conducted, a Phase I Environmental Site Assessment (Phase I ESA).

b. The Phase I ESA may be limited to:
(1) Historical land use review;
(2) Regulatory agency list review; and
(3) Site and surrounding area reconnaissance visit.

c. A report entitled "Phase I ESA Report" and any supplements thereto, summarizing the Phase I ESA shall be prepared by or for the Lead Agency and a copy of such report shall be provided to the Department. The Phase I ESA Report shall include any information discovered in the Phase I ESA. The Department may provide the Lead Agency with any additional information it deems relevant together with any comments regarding the contents of the Phase I ESA and any supplements thereto within twenty (20) days of receipt of the Phase I ESA Report.

d. The Lead Agency shall respond to the Department's comments and any additional information either by placing or causing DCP to place an (E) on the Zoning Map for the relevant tax lot(s) or by issuing a Final Phase I ESA Report that addresses any such comments and/or additional information. The Lead Agency shall inform the Department of such determination.

§24-06 Phase II Environmental Site Assessment.
a. Before an Applicant may seek any building permit for development from DOB with respect to a tax lot(s) subject to an (E) Designation, the applicant shall complete a Phase II Environmental Site Assessment (Phase II ESA) to determine the level and extent of contamination at the proposed Project Site.

b. The applicant shall prepare and submit to the Department a Work Plan to undertake the Phase II ESA, prepared in accordance with the CEQR Technical Manual. Such Work Plan shall also include:
(1) A detailed description of the proposed Project Site;
(2) A detailed description of the proposed development at the Project Site;
(3) A description of the projected timeframe for development at the Project Site;
(4) A description of the proposed use of the Project Site;

(5) Copies of reports of any previous investigations related to the presence or suspected presence of contamination on the Project Site.

c. Where applicable and at a minimum, the following procedures or requirements shall be implemented in the Phase II ESA for all sampling techniques and methods:
(1) All samples shall be analyzed by a laboratory accredited by the New York State Department of Health Environmental Laboratory Approval Program (ELAP);
(2) Samples from sites on the DEC Registry of Hazardous Waste Sites shall use a laboratory certified under EPA's Contract Laboratory Program or DEC's Analytical Services Program (ASP);
(3) EPA SW-846, 40 C.F.R. 261, which delineates the EPA Target Compound List/Target Analyte List shall be used;
(4) Toxicity Characteristic Leaching Procedure, Method 1311, as delineated in EPA SW-846, 40 C.F.R. 261 shall be used.

d. The Department will review the Work Plan in accordance with §24-09.

e. The applicant shall undertake the Work Plan as approved by the Department.

f. Upon completion of the Phase II ESA, a report entitled "Phase II ESA Report" summarizing the Phase II ESA shall be submitted to the Department. The Phase II ESA Report shall include:
(1) A summary of the findings of all the studies and/or investigations performed;
(2) A description of all assessment reconnaissance techniques in accordance with applicable Federal and State laws and Department guidelines;
(3) Sampling Results, which shall be presented in summary tables and compared to all relevant State and Federal guidance values, standards and regulations;
(4) Maps of the tax lots (1"=50') including but not limited to: USGS quadrangle map, name of quad and North arrow, on which the following is clearly indicated:
(i) All physical site characteristics with location of all soil borings, soil gas points, groundwater monitoring wells, USTs, vent lines, fill lines, and other pertinent information;
(ii) Where relevant based on the conditions of the Project Site, a depiction of groundwater elevation and flow direction;
(iii) Where relevant based on the conditions of the Project Site, a soil-gas concentration map with contours; and
(iv) All identified sources of releases and the extent and concentrations of contaminant plumes in all media.
(5) Appendices, which shall include:
(i) All raw data,
(ii) Laboratory methods,
(iii) Chain-of-custody forms,
(iv) QA/QC plan,
(v) Field notes,
(vi) Soil boring/monitoring well logs,
(vii) As-built well construction details,
(viii) Modeling programs used,
(ix) Calculations and formulas, and
(x) Physical/chemical properties of chemical compounds of concern.
(6) An assessment, based on findings of the Phase II ESA, of whether or not a Remediation Plan is required for the Project Site.

g. The applicant may submit a Remediation Plan with the Phase II ESA Report.

h. The Department will review the Phase II ESA Report in accordance with §24-09.

i. Upon completion of its review of the Phase II ESA Report, the Department will determine whether a Remediation Plan is required.
(1) If the Department determines that a Remediation Plan is not required, the Department will issue a Notice of Satisfaction letter to DOB;
(2) If a Remediation Plan has been submitted, the Department will review it in accordance with §§ 24-07 and 24-09;
(3) If the Department determines that a Remediation Plan is required and a Remediation Plan has not already been submitted by the applicant, the applicant shall submit a Remediation Plan for review by the Department in accordance with §§ 24-07 and 24-09.

§24-07 Remediation Plan.

a. Preparation of the Remediation Plan.
(1) Before an applicant may seek any building permits from DOB with respect to a tax lot(s) subject to an (E) Designation, where the Department has determined that Remediation Plan is required pursuant to §24-06, the applicant shall prepare a Remediation Plan. The Remediation Plan shall address all aspects of contamination, actual and/or potential, identified in the Phase II ESA Report, including, but not limited to:
(i) Elevated levels of contaminants pursuant to applicable DEC guidelines;
(ii) The sources of contamination;
(iii) The exposure pathways for contamination;
(iv) Environmental exposure to contamination;
(v) Human health exposure to contamination;
(vi) Proposed cleanup criteria;
(vii) Health and Safety of construction workers on the tax lot(s); and
(viii) Health and Safety of the public and future occupants of the tax lot(s) within the constraints of technical feasibility, remedial technology, and monitoring requirements.
(2) In preparing a Remediation Plan, the Applicant shall consider all applicable remediation techniques, including, but not limited to, those set forth in the CEQR Technical Manual. The Remediation Plan shall include a list of all techniques considered and an explanation for the acceptance or rejection of those techniques.
(3) The Department shall review the Remediation Plan in accordance with §24-09. In conjunction with its review of the Remediation Plan, the Department may require execution of a Restrictive Declaration for the tax lot(s) subject to the (E) Designation. Such Restrictive Declaration shall bind the owner/declarant to performance of the Remediation Plan in accordance with its terms, and shall include restrictions upon development of the subject tax lot(s) prior to issuance of a Notice of Satisfaction, as well as such other enforcement provisions as are applicable under Federal, State, or local law. The Restrictive Declaration shall be executed by all Parties-in-Interest to such tax lot(s) and shall be recorded against such tax lot(s) in the applicable county office of land records.

b. Implementation of the Remediation Plan.
(1) Prior to implementation of the Remediation Plan, the applicant shall:
(i) Provide the Department with ten (10) days written notice of such planned implementation; and
(ii) A copy of the recorded Restrictive Declaration, if such was required by the Department.
(2) After the Department has reviewed and approved the Remediation Plan in accordance with §24-09 and a Restrictive Declaration, if required by the Department, has been completed in accordance with paragraph (3) of subsection (a) of this section, the Department may recommend to DOB issuance of such building permit or permits as are necessary to undertake the approved Remediation. In no event, however, shall the applicant seek or accept from DOB a Temporary Certificate of Occupancy or a Certificate of Occupancy until the Department issues a Notice of Satisfaction pursuant to paragraph (2) of subsection (c) of this section.
(3) If implementation of a Department - approved Remediation Plan does not commence within one year of the date of the Department's approval thereof, such approval shall expire.
(i) The applicant may request in writing to extend a Department approval for a Remediation Plan not less than thirty (30) days prior to the expiration of such Department approval.
(a) Any written request for an extension shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(b) The Department shall review a written request for an extension by the applicant in accordance with §24-09.
(ii) If an approval for a Remediation Plan expires, the Applicant shall:
(a) Submit a new Remediation Plan for Department review in accordance with §24-09; or
(b) Submit a written request for a renewed approval of the expired Remediation Plan.
(1) Any written request for a renewed approval shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(2) The Department will review a written request for an extension by the Applicant in accordance with §24-09.

c. Completion of the Remediation Plan.
(1) Upon the completion of a the Department-approved Remediation Plan or a remediation certified by New York State, the Applicant shall deliver to the Department, a PE Completion Confirmation in a form satisfactory to the Department.
(2) Upon the Department's review and approval of the PE Completion Confirmation, the Department shall issue a Notice of Satisfaction to the Applicant, OEC, DOB and DCP.

§24-08 Satisfaction of (E) Designation Requirements.

a. Issuance of the Notice of Satisfaction by the Department constitutes the Department's report specifying that the environmental requirements relating to the (E) Designation have been satisfied.
b. The owner of any tax lot(s) subject to an (E) Designation may file a copy of a Notice of Satisfaction with the Department of City Planning. Upon receipt of such Notice of Satisfaction, DCP shall indicate such satisfaction as to the affected tax lot(s) on the listing of (E) Designations appended to the Zoning Map.
c. When DCP has received Notices of Satisfaction for all tax lot(s) specified in the CEQR declaration with respect to the placement of an (E) Designation on the Zoning Map, it shall administratively remove such (E) Designation from the Zoning Map.
d. DCP shall notify DOB, OEC and DEP in writing of the satisfaction of (E) Designation requirements for a tax lot(s) or of the removal of an (E) Designation from a Zoning Map.

§24-09 Department Review and Approval Procedure.

a. At the written request of the applicant, the Department will conduct a pre-submission conference with the applicant regarding the required contents of any submission required pursuant to §§ 24-06 and 24-07 of this rule and the schedule for proceeding with such submission.
b. Upon initial receipt of a submission required pursuant to this rule, the Department will review such submission and provide written comments within thirty (30) days of receipt of such initial submission.
c. If the Department requests additional information or a revised submission, the applicant shall resubmit the submission for review.
(1) Revised submissions will be reviewed by the Department as expeditiously as possible;
(2) Upon receipt of all information requested, the Department shall issue comments in writing with respect to the submission as expeditiously as possible.
d. If the applicant disagrees with the Department's comments, the applicant shall have thirty (30) days, or such time as agreed upon by the Department and the applicant, to respond.
e. Upon receipt and review of all required submissions, the Department will issue its determination either approving or disapproving the submission as expeditiously as possible.
f. If at any time the Department fails to provide written comments within a time period specified under this section, or such time as agreed upon by the Department and the applicant, the applicant may submit a written notification to the Department requesting that any comments be provided as expeditiously as possible.

§24-10 Notification.

a. Discovery of a petroleum spill or discharge on a tax lot(s) by the Department and/or the applicant must be reported in accordance with, Reporting of Spills and Discharges, 6 NYCRR §613.8 (1999).
b. Discovery of evidence of "reportable quantities" of hazardous materials or hazardous wastes by the Department and/or the applicant on a tax lot(s) that pose a potential or actual significant threat to public health or the environment under Federal, State or local guidelines, must be reported in accordance with, CERCLA, 42 U.S.C.A. §9603 (1995), Emergency Planning Community Right to Know Act, 42 U.S.C.S. §11004 (1995), Reporting of Hazardous Substance Releases, 6 NYCRR 595.3 (1999) and/or Hazardous Substances Emergency Response, 15 RCNY §11-03.

§24-11 Lead Agency Records/Agency Consultation.

a. The Lead Agency shall maintain a single file containing copies of all Phase I ESA Reports issued pursuant to §24-05 of this rule, together with the relevant Environmental Assessment Statement, Environmental Impact Statement, or other CEQR determinations made in connection therewith.
b. The Department, DCP, and OEC shall meet and confer on a periodic basis concerning the implementation of this rule.

Statement of Basis and Purpose

The provisions of the proposed new Chapter 24 of Title 15 of the Rules of the City of New York would contain practices and standards for determining when an (E) designation, as delineated in section 11-15 of the New York City Zoning Resolution, shall be imposed on any tax lot subject to a proposed zoning map amendment. In addition, the provisions of the proposed new Chapter 24 would contain standards and protocols for determining when the requirements for removal of such (E) designation from a tax lot have been satisfied. Thus the rules would specify the protocol for determining whether or not an (E) designation should be imposed on a tax lot as determined by visual or historical evidence of specific past or current uses on a tax lot and/or the completion of a Phase I Environmental Assessment and Report. For tax lots subject to an (E) designation, the rules would contain standards and protocols for testing and remediation of hazardous waste contamination to be used by the Department of Environmental Protection (DEP) in determining whether or not the environmental requirements relating to such (E) designation have been satisfied. As set forth in the rules, such determination would be based on the completion and submission of a Phase II Environmental Site Assessment Report and if required, the submission and implementation of a Remediation Plan and the execution of a Restrictive Declaration to the satisfaction of DEP. The rules would prescribe the procedure for notification to the relevant New York City agencies of satisfaction of the requirements for the removal of an (E) designation from the zoning map as well as subsequent removal of such (E) designation from the zoning map. The rules would delineate the procedures for DEP's review and approval of any submissions required under these rules. The rules would contain certain notification requirements for petroleum and hazardous materials and/or waste releases. The rules would require the maintenance of certain records generated under these rules. The rules would also require that DEP, the Department of City Planning and the Office of Environmental Coordination consult on a periodic basis regarding the implementation of the rules. The rules are authorized by section 1403 of the New York City Charter and section 11-15 of the Zoning Resolution of the City of New York.

■ NOTICE

AGENCY REGULATORY AGENDA

The New York City Landmarks Preservation Commission anticipates that rules may be promulgated in the following areas during the 2002 fiscal year:

1. Landmark and Historic District Alterations and Construction: It is proposed that rules will be promulgated for alterations, additions, and new construction on landmarks and historic districts. These rules may address the following types of alterations, additions and new construction:
   a. Installation of Public Pay Phones
   b. Masterplan: Alterations and additions in the Douglaston Historic District
   c. Masterplan: Storefront alterations for portions of the Upper West Side - Central Park West Historic District

The potential rules listed above will affect owners and tenants of landmarks and property in designated historic districts and the Community Boards which include landmarks and historic districts within their jurisdiction. These rules may also affect the Art Commission and other entities which perform or review work in historic districts.

The rules will be promulgated to provide for more effective administrative procedures; to enhance the special aesthetic, architectural and historic character of landmarks and historic districts; to preserve the special aesthetic, architectural and historic character of the proposed interior landmarks and historic district; and to coordinate the Commission's work with that of other agencies.

The rules will be promulgated pursuant to New York Administrative Code Sections 25-301; 25-305-308; 25-318-319. There are no federal, state, or local laws or rules of which the Landmarks Commission is aware which duplicate, overlap or conflict with the proposed rules.

The Commission may adopt the proposed rules in areas 1a and 1b during the first half of fiscal year 2002, and the proposed rules in area 1c in the second half of fiscal year 2002.

Questions on the above may be directed to Mark Silberman, General Counsel, NYC Landmarks Preservation Commission, 100 Old Slip, New York, New York 10005, 212-487-6822.

■ NOTICE

Notice of Adoption of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Police Commissioner by Sections 389(b) and 434(a) of the New York City Charter and section 14-115 of the New York City Administrative Code, and in accordance with Section 1043 of the Charter, that the Department has amended Title 38 of the of the Official Compilation of Rules of the City of New York by amending section 15-02 and by adding a new Subchapter B to Chapter 15 of such rules relating to Administrative Prosecutions by the Civilian Complaint Review Board.

Subchapter A of Chapter 15 of Title 38 of the Rules of the City of New York is renamed to read as follows:

A Disciplinary Proceedings Against Civilian and Uniform Members Before the Deputy Commissioner of Trials

The opening paragraph of §15-02 of Title 38 of the Rules of the City of New York is amended to read as follows:

§15-02 Jurisdiction. The Deputy Commissioner of Trials shall have jurisdiction over disciplinary matters adjudicated by the Department except as provided in subchapter B of this chapter. This jurisdiction shall include the authority to render any ruling or order necessary and appropriate for the efficient adjudication of disciplinary proceedings instituted against civilian and uniform members of the Department.

* * *

Subchapter B of Title 38 of the Rules of the City of New York is relettered C.

* * *

Chapter 15 of Title 38 of the Rules of the City of New York is amended by adding a new Subchapter B to read as follows:

Subchapter B
Substantiated Civilian Complaints Against Uniform Members

§15-11 Definitions.
Administrative Prosecution. "Administrative Prosecution" shall mean all actions taken after substantiation of a civilian complaint by CCRB in accordance with a Memorandum of Understanding executed by the CCRB and the Department during the period that such MOU is applicable.

Chair. "Chair" shall mean the Chair of the New York City Civilian Complaint Review Board.
Charges and Specifications. "Charges and Specifications" shall mean a written accusation or accusations of misconduct against a uniform member of the Department, specifying the activity or conduct at issue, along with the date, time and place of occurrence.
Civilian Complaint Review Board. "Civilian Complaint Review Board" or "CCRB" shall mean the New York City Civilian Complaint Review Board.
Department. "Department" shall mean the New York City Police Department.
Executive Director. "Executive Director" shall mean the Executive Director of the New York City Civilian Complaint Review Board.
Office of Administrative Trials and Hearings. "Office of Administrative Trials and Hearings" or "OATH" shall mean the New York City Office of Administrative Trials and Hearings.
Police Commissioner. "Police Commissioner" or "Commissioner" shall mean the Police Commissioner of the City of New York.

§15-12 Jurisdiction. Civilian complaints found to be substantiated by the Civilian Complaint Review Board (CCRB) shall be prosecuted by the CCRB pursuant to a Memorandum of Understanding (MOU) executed by the CCRB and the Department during the period that such MOU is applicable. Where such prosecutions include the filing of Charges and Specifications against the subject officer, an Administrative Law Judge of the Office of Administrative Trials and Hearings (OATH) shall conduct any hearing necessary to the prosecution of the case and issue a report containing proposed findings of fact and a recommended decision to the Police Commissioner.

§15-13 Application of Department Rules, Regulations, and Disciplinary Policies. To assist CCRB in its prosecutorial function and OATH in its adjudicatory function, the Department shall provide to CCRB and OATH all relevant Department rules, regulations, and disciplinary policies. To the extent practicable and relevant, CCRB shall comply with Department Patrol Guide Series 206, "Disciplinary Matters" and shall utilize Department forms such as Charges and Specifications (PD468-121) and Supervisor's Complaint Report/Command Discipline Election Report (PD468-123), provided that if amendments or variations in Department forms utilized by CCRB are appropriate, they shall be developed jointly by the parties.

§15-14 Expedited Cases. Where the nature of the substantiated allegation and the status of the subject officer requires expedited prosecution of the substantiated case, the Department shall notify the Chair and the Executive Director of the need for expedited prosecution. CCRB shall make every reasonable effort to conclude the prosecution and provide a recommendation to the Police Commissioner within the requested time frame, including contacting OATH as necessary to request expedited procedures as provided in §1-26(c) of Title 48 of the Rules of the City of New York.

§15-15 Summary of Employment History. Upon request by CCRB, the Department shall provide a summary of the employment history of the respondent as provided in the Memorandum of Understanding referenced in §15-12. CCRB may similarly obtain a summary of employment history for a witness officer upon demonstrating to the Department a particularized need for such summary based upon the facts and circumstances of a specific administrative prosecution. Such summary shall not include records relating to complaints against the respondent which are unsubstantiated, exonerated, unfounded, or open. Where the case has received a hearing at OATH and the Administrative Law Judge has determined that the petition shall be sustained in whole or in part, he or she may request the subject officer's summary of employment history from CCRB.

§15-16 Conclusion of Administrative Prosecution. At the conclusion of the administrative prosecution, in all instances other than cases culminating in a report and recommendation by OATH, the CCRB shall forward to the Commissioner a final recommendation reflecting the results of its prosecution of the case. The CCRB shall include all relevant forms, memoranda and background information to assist the Commissioner in making and implementing a final disciplinary determination. If the case culminated in a hearing before OATH, OATH shall forward to the Commissioner the report and recommendation accompanied by the transcript of the proceedings and the exhibits received in evidence, with a

copy of the report and recommendation to CCRB. Upon receipt of a copy of the report and recommendation, CCRB may provide to the Commissioner a letter commenting on the OATH report and recommendation.

§15-17 Police Commissioner's Determination. (a) In all instances other than cases culminating in a report and recommendation by OATH, upon receiving the final recommendation of CCRB with accompanying documents, the Commissioner may accept, reject, or modify the recommendation presented, or may ask CCRB for additional investigative or background information in its possession. He or she may also request further investigation or development of the record in the case. If CCRB's recommendation is rejected or modified, CCRB will then be responsible for implementing the Commissioner's decision and taking the appropriate follow-up action as directed. After taking the appropriate follow-up action, the CCRB shall forward to the Commissioner a final recommendation as provided in §15-16.

(b) In cases culminating in a report and recommendation by OATH, the Commissioner may accept, reject, or modify the report and recommendation based upon the record presented. He may in the alternative remand the matter to OATH, stating his reasons therefor, with instructions for further proceedings as appropriate. In the event of such a remand, CCRB shall take appropriate steps in conformance with the reasons set forth in the Police Commissioner's statement for remand to reopen the case.

(c) The Department shall notify CCRB of the final disciplinary result and specific penalty in each case within thirty calendar days of the imposition of the specific penalty.

STATEMENT OF BASIS AND PURPOSE

These proposed rules set forth amendments to the rules of the Department which implement the terms of a Memorandum of Understanding (MOU) between the Department and the Civilian Complaint Review Board. The MOU provides that the Board will take action to prosecute administratively all those cases in which the Board has substantiated civilian complaints. The Department's rules are being amended to set forth the procedures to be followed by the Department and the Board in those instances where the Board will act as the prosecutor in adjudications relating to charges against uniformed members found to be substantiated by the Board, as well as other actions which may be taken by the Board in the course of such administrative prosecutions.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN pursuant to Section 1045-j(9-a) of the Public Authorities Law, that after public hearings were held on April 23, 24 and 25, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on May 3, 2001, adopted a resolution approving increases in water rates to users of the Water Supply System of the City of New York, including rates charged to users of the system within the City of New York, and rates charged to municipalities and water districts outside of the City for water provided which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York, for the fiscal year commencing July 1, 2001, from those rates currently in effect, and making certain customer service and billing policy changes, as follows:

Effective July 1, 2001, the water rate for all in-City customers, flat-rate and metered, will increase by 3.0 % over the rate in effect in Fiscal Year 2001, and the wastewater rate will remain at 159% of the applicable water charge.

Effective July 1, 2001, the rate charged for water provided to municipalities and water districts outside of the City which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York will be equal to the in-City metered rate of $1,804.81 per million gallons.

Certain customer service and billing policies have been changed or clarified, including the following:

(1) Multiple-Family Conservation Program Proposal

The program offers owners of multiple family housing consisting of six or more dwelling units, an option to elect billing based on a fixed charge per dwelling unit, if the owner invests in low-consumption plumbing hardware and fixtures, and cooperates with DEP in conservation efforts in their building. Under this program, the charge for each dwelling unit will be $436.72 per billable dwelling unit.

It is intended that as of July 1, 2004, the Multiple-Family Conservation Program will replace Frontage Billing, the Regular Bill Cap, the Renovation Bill Cap, the Transition Program and the Pre-Transition Program for Residential Premises with six or more dwelling units.

(2) Part IX - Customer Account Information and Complaint Resolution

The changes provide that a customer may request an explanation of a water and wastewater bill or charge by calling the DEP Customer Service Call Center at (718) 595-7000, by visiting a borough office of the Bureau of Customer Services (BCS), by writing DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055 or by visiting DEP's website www.nyc.gov/dep. If a customer is not satisfied with the initial review of their bill, a complaint must be made in writing to DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055. DEP will respond in writing within 90 days of receipt of the complaint. Should the customer wish to appeal this decision, a written appeal must be made within 90 days.

Copies of the New York City Water Board Water and Wastewater Rate Schedule are available for inspection by the public during regular business hours at the offices of the New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

CEQR Technical Manual Update

In 1993 the Mayor's Office of Environmental Coordination (MOEC) and the City's agencies compiled the City Environmental Quality Review (CEQR) Technical Manual. The CEQR Technical Manual is intended to assist and guide agencies, project sponsors, and the public in understanding CEQR. The Manual provides a detailed discussion of environmental review in New York City and presents methodologies for the CEQR process.

The Technical Manual is being reviewed and updated this year. MOEC is coordinating this effort. The update relies upon the expertise of many city agencies. The goal of this process is to streamline the Manual and to revise it so that it reflects current practices, procedures, analytical techniques, and applicable regulations for environmental review in the City.

The CEQR Technical Manual is not available on line. If you have any comments or recommended changes to the CEQR Technical Manual, please send them to CEQR Technical Manual Project Manager, Mayor's Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038 by June 1, 2001. MOEC will give your comments due consideration. Copies are available for review at MOEC during business hours by appointment. If you have any questions or wish to make an appointment to view the Manual, please call (212) 341-3095.

This announcement was also posted on the NYC.gov homepage as of May 16, 2001. It appears under City Government Links, Publications.

EMPIRE STATE DEVELOPMENT CORPORATION

■ PUBLIC HEARINGS

QUEENS WEST DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING PURSUANT TO THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE HUNTERS POINT (QUEENS WEST) ATERFRONT DEVELOPMENT LAND USE IMPROVEMENT PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held in accordance with Sections 201-204 of the New York State Eminent Domain Procedure Law ("EDPL") by the Queens West Development Corporation ("QWDC"), a subsidiary of the New York State Urban Development Corporation d\b\a the Empire State Development Corporation (the "ESDC"), in connection with Stage II and Stage IV of the Hunters Point (Queens West) Waterfront Development Land Use Improvement Project (the "Project"). The hearing will be held on June 7, 2001 from 6:30 p.m. until 8:30 p.m. in the auditorium of the Consolidated Edison Learning Center, located at 43-82 Vernon Boulevard in Long Island City, Queens County, New York 11101.

The purpose of the hearing is to inform the public about, and to provide any interested party the opportunity to appear and comment on: (1) the proposed possible acquisition of certain property, in connection with Stages II and IV of the Project, generally described below; (2) Stages II and IV of the Project, and the Project generally; (3) the location and the public uses to be served by Stages II and IV, and the Project generally; and (4) the impact of Stages II and IV, and the Project generally, on the environment and the residents of the locality where the Project will be constructed. For information about the hearing, please contact Mr. Stewart Hanley at the Queens West Development Corporation/Empire State Development Corporation, 633 Third Avenue, New York, New York 10017 (telephone: (212) 803-3264).

The Project is located in Long Island City, Queens County. The overall Project area is generally bounded by the Anabel Basin (also known as the 11th Street Basin) to the north, by the U.S. pierhead line of the East River on the west, by the entrance to Newtown Creek on the south, and on the east by 5th Street between the Anabel Basin and 49th Avenue, by a line (between Lots 1 and 28 of Block 17) near the western end of the block between 49th and 50th Avenues, and by 2nd Street between Newtown Creek and 50th Avenue. The overall Project site also includes a strip of land between 5th and 21st Streets, which strip contains 48th Avenue, the Hunters Point Community Park and a portion of an existing but unused Long Island Rail Road cut.

The principal goal of the Project, including but not limited to Stages II and IV of the Project, is to replace the substandard and unsanitary conditions that currently impede effective and economic use of the Project site and to replace them with a viable development consisting of residential, commercial, cultural and recreational facilities and providing public access to the waterfront. ESDC, acting as lead agency, made findings pursuant to the New York State Environmental Quality Review Act ("SEQRA") with respect to the Project and adopted a Final Environmental Impact Statement ("FEIS") on January 31, 1991. Pursuant to the New York State Urban Development Corporation Act ("the Act"), ESDC has provided, in the General Project Plan for the Project (the "Plan"), for the override of the New York City Zoning Resolution and, in connection with the disposition of any property owned by the City, the Uniform Land Use Review Procedure of the New York City Charter. ESDC affirmed the plan on January 31, 1991, thereafter, re-affirmed the Plan on October 19, 1995 and made modification to the same on April 19, 2000. In all cases where the Plan has been modified, the appropriate environmental review has been performed to assure the Project's compliance with the SEQRA Findings. Each developer proposal has similarly been assessed for its consistency with the Plan and SEQRA Findings. With respect to Stage II, the Plan provides for residential apartment buildings, public parks, a waterfront esplanade and a school. With respect to Stage IV, the Plan provides for commercial office space, retail stores, public park and a waterfront esplanade.

The Plan, which identifies Stages II and IV as well as other stages of the Project, was affirmed by the Directors of ESDC on January 31, 1991 and subsequently re-affirmed and modified. Copies thereof are available for inspection by the general public on any regular business day between the hours of 9:30 a.m. and 5:00 p.m., at the offices of the Queens West Development Corporation at 633 Third Avenue, New York, New York. Copies of the Plan are available without charge to any person who shall make a request therefor at the office of QWDC above. Copies of the Plan also will be available at the hearing location *immediately prior to and during the hearing.*

It is anticipated that the Project will be constructed in stages. Acquisition for Stage I was completed on August 13, 1998. The proposed possible acquisition subject to this hearing involves the Stage II area and a portion of the Stage IV area. The Stage II area extends generally (1) from the northwest corner of the intersection of the south boundary line of 47th Road and the west side of 5th Street northward along the west side of 5th Street to the Anabel Basin, (2) thence westward along the Basin until the U. S. pierhead line of the East River, (3) thence southerly along the pierhead line to a point where the U. S. pierhead line intersects with the south boundary of 47th Road, (4) thence in an easterly direction along the south boundary of 47th Road to the beginning point. This area is known on the New York City Tax Maps as Queens Tax Block 20, Lots 1, 5, 7 and 15 and Queens Tax Block 21, Lot 1, and the properties in this area are commonly known as the Pepsi Bottling Facility at 46-02 5th Street, Long Island City, New York and three additional parcels at 4-20, 4-50 and 4-88 47th Avenue, Long Island City, New York. The hearing will address, among other things, the possible acquisition by condemnation of the foregoing-described property.

The Stage IV area extends (1) from a point on the northwest corner formed by the intersection of the west side of 2nd Street and the northerly side of 50th Avenue, running thence westerly along the northerly side of 50th Avenue out to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line to a point where a line extending from the south side of 54th Avenue intersects the U. S. pierhead line, (3) thence easterly along the extended south side of 54th Avenue to a point at the intersection of the westerly side of 2nd Street and the south side of 54th Avenue, (4) thence northerly along the westerly side of 2nd Street to the point or place of beginning. This area includes all of Queens Tax Block 6, Lots 1, 2, 3, 14, and 38 as shown on the New York City Tax Maps.

The hearing will address, among other things, the possible acquisition by condemnation of property in Stage IV which extends (1) from the intersection of the north side of 50th Avenue and the west side of 2nd Street, running thence westerly along a line extending the north side of the 50th Avenue to the U. S. pierhead line, (2) thence southerly along the U. S. pierhead line approximately 427 feet, (3) thence in an easterly direction approximately 195 feet, (4) thence in a southerly direction approximately 20 feet, (5) thence in an easterly direction approximately 69 feet, (6) thence in a southerly direction approximately 189 feet, (7) thence in an easterly direction approximately 255 feet, (8) thence in a northerly direction approximately 137 feet, (9) thence in an easterly direction approximately 134 feet, (10) thence in a northerly direction approximately 5 feet, (11) thence in an easterly direction approximately 127 feet to the west side of 2nd Street, (12) thence north along the west side of 2nd Street to the beginning point. This property is shown on the New York City Tax Map as Queens Tax Block 6, Lot 1 and is commonly known as the Tennisport Center, 51-24 2nd Street, Long Island City, New York. The remaining portions of Stage IV are owned by either the Port Authority of New York and New Jersey or the National Railroad Passenger Corporation.

All acquisitions will be made in full compliance with the requirements of the Act, the EDPL and all other applicable law. The above-identified street addresses and facility names are included for ease of reference only. In the event of any inconsistency between the street address, facility names and the Tax Block and Lot, the Block and Lot shall control.

Comments on the proposed property acquisitions in furtherance of Stages II and IV of the Project are requested from all interested persons and may be made orally or in writing at the hearing. Comments may also be made after the hearing but must be in writing and received on or before 5:30pm on June 12, 2001. Comments received after 5:30pm on June 12, 2001 will not be considered. Written comments should be addressed to the attention of Mr. Stewart Hanley, Empire State Development Corporation/Queens West Development Corporation, 633 Third Avenue, 36th floor, New York, New York 10017.

Citywide

The New York City Department of Health (NYCDOH), acting as lead agency, has completed a Draft Environmental Impact Statement (DEIS) analyzing the potential effects of the proposed Adult Mosquito Control Programs and issued a notice of completion on May 10, 2001. The Adult Mosquito Control Programs include a Mosquito-Borne Disease Control Program focusing on control of adult mosquitoes for disease control City-wide, and a Mosquito Population Control Program in the Rockaways focusing on control of adult mosquito populations in the Rockaways section of Queens. The proposed action would not require discretionary approvals from other agencies. Components of these programs may be partially reimbursed by the New York State Department of Health pursuant to State Law. The DEIS is available for review at 125 Worth Street, Room 618, New York, NY 10013. The DEIS will also be available on the NYCDOH website at: www.nyc.gov/health.

Notice is hereby given that public hearings will be held to accept comments on the NYCDOH Adult Mosquito Control Programs DEIS. A total of six public hearings will be held over a 3-day period, and at least one public hearing will be held in each county of New York City. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

DESIGN/BUILD REHAB. OF BELT PKWY. – Competitive Sealed Proposals* – PIN# 84100BKBR021 – DUE 08-06-01 AT 2:00 P.M. – Design, construction, resident engineer inspection and construction support services for the rehabilitation of the bridge carrying the Belth (shore) Parkway over Ocean Parkway and roadways adjacent to it in the Borough of Brooklyn. Maximum contract amount is $58,300,000.00. The City of New York Department of Transportation, Division of Bridges is requesting submission of proposals from qualified consulting engineering or construction contracting companies as well as joint ventures. The company shall be responsible for the construction of the bridge in conjunction with the interchange reconstruction as well as all aspects of planning, complete design,

preparation of construction documents, community coordination, resident engineering inspection and support services during construction. Request for Proposal documents will be available as of July 9, 2001. A pre-proposal conference will be held on July 26, 2001 at 10:00 A.M. at 2 Rector Street, 8th Floor, Conference Room, New York, NY 10006. Special Case Determination Pursuant to the Procurement Policy Board Rules: (See attached).

Special Case Determination
Pursuant to the Procurement Policy Board Rules:
● The preferred method of solicitation for construction is the competitive sealed bidding method. However, the Department of Transportation has determined that it is the best interest of the City to use the competitive sealed proposal method to obtain design/build services because of the exigent nature of the required reconstruction, the increasingly debilitative state of the subject sub and superstructures and the time savings (39 versus 95 months). Any other method or type of contract is estimated to last an additional four and two-thirds years, further risking potential threats to life and property, and perhaps leading to the closure of the bridge, thus exacerbating neighborhood traffic congestion and having a tremendous impact on the Belt system.

● The DOT ACCO has determined that it is not practicable or not advantageous to the City to use competitive sealed bidding because: a) specifications cannot be made sufficiently definite and certain to permit selection based on bid price or evaluated bid price alone; and b) judgement is required in evaluating competing proposals, and it is the best interest of the City to require a balancing of price, quality and other factors; and

● The Department of Transportation has determined it is not practicable and/or advantageous to award the subject contract by competitive sealed bidding because: a) safety concerns can be addresssed 56 months earlier with a design/build contract rather than with a conventional design, bid, build contract; b) separate procurement for the design and build phases would be required; c) construction could not commence until design is complete and d) extensive coordination between design and construction, especially as regards changes, would be enhanced and this is best achieved through a design/build contract.

● The Department of Transportation has determined that competitive sealed proposals is the most competitive method that is appropriate under the circumstances because, based on the above, the Department of Transportation has determined that competitive sealed bidding is not practical or not advantageous to the City.

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED RULE 20-03 RELATING TO STANDARDS FOR NON-MERCURY GAUGES.

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of Buildings by Sections 643 of the New York City Charter (the "Charter"), pursuant to §27-922(D)(4) of the Administrative Code of the City of New York, and in accordance with the requirements of Section 1043 of the Charter, that the Department of Buildings proposes to amend Department rules, Title 1 of RCNY §20-03 relating to standards for non-mercury gauges.

A public hearing on the proposed rule will be held at the Executive Offices of the Department of Buildings, 60 Hudson Street, 14th Floor Conference Room, New York, New York on June 28, 2001 at 1:00 p.m. Written comments regarding the proposed rule may be submitted to New York City Department of Buildings, Lisa Orrantia, Assistant General Counsel, Legal Division, 60 Hudson Street, 14th Floor, New York, New York 10013, on or before June 28, 2001.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Office of the Commissioner, Executive Offices, Department of Buildings.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Romona Franklin at the foregoing address by June 14, 2001.

These proposed rules were included in the Department of Buildings regulatory agenda for FY '02.

Chapter 20 of Title 1 of the Rules of the City of New York is amended by adding a new Section 20-03 as follows:

§ 20-03 Standards for Non-Mercury Gauges

(a) Applicability. In accordance with Local Law 17 for the year 2001, the rules in this section establish minimum standards for non-mercury gauges to test gas piping, drainage and vent systems.

(b) Minimum Requirements. Each gauge shall meet the following requirements:

(1) The gauge shall be manufactured and used in accordance with the ASME B40.100-1998 Standard for Pressure Gauges and Gauge Attachments, which incorporates ASME B40.1-1998 and ASME B40.7-1998, and the manufacturer shall provide with the gauge a written statement that the gauge is manufactured in accordance with such ASME standard,

(2) The gauge shall be labeled with the name of the manufacturer,

(3) The gauge shall be kept in a padded separate rigid box and the manufacturer's instructions for use and protection of the gauge shall be complied with,

(4) The units of measurement "psi" shall appear on the face of the gauge, and

(5) The gauge shall be kept in good working order.

(c) Analog Gauges Used to Measure Pressure in the Magnitude of 3 psig. Each analog gauge used to measure pressure in the magnitude of 3 psig shall meet the following requirements in addition to satisfying the minimum requirements set forth in subdivision (b):

(1) The face of the gauge shall not be smaller than 21/4 inches in diameter,

(2) The gauge shall have a minimum of 270-degree dial arc,

(3) The gauge shall be calibrated in increments of not greater than one-tenth of a pound,

(4) The range of the gauge shall not exceed 5 psig when a 21/4 inch diameter gauge is used,

(5) The 1/10th psig interval on the gauge shall not be smaller than 1/10th of an inch of arc,

(6) The gauge shall be provided with an effective stop for the indicating pointer at the zero point,

(7) The gauge shall be protected from excessive pressure with a shut off valve and prior to using the 5-psig gauge the snifter valve shall be tested with a tire gauge to determine the magnitude of pressure, and

(8) The gauge shall have a calibration screw.

(d) Analog Gauges Used to Measure Pressure in the Magnitude of 5 psig. Each analog gauge used to measure pressure in the magnitude of 5 psig shall meet the following requirements in addition to satisfying the minimum requirements set forth in subdivision (b):

(1) The face of the gauge shall not be smaller than 21/4 inches in diameter,

(2) The gauge shall have a minimum of 270-degree dial arc,

(3) The gauge shall be calibrated in increments not greater than one-fifth of a pound,

(4) The range of the gauge shall not exceed 10 psig when a 21/4 inch diameter gauge is used,

(5) The 1/5th psig interval on the gauge shall not be smaller than 1/10th of an inch of arc,

(6) The gauge shall be provided with an effective stop for the indicating pointer at the zero point,

(7) The gauge shall be protected from excessive pressure with a shut off valve and prior to using the 10-psig gauge the snifter valve shall be tested with a tire gauge to determine the magnitude of pressure, and

(8) The gauge shall have a calibration screw.

(e) Digital Gauges Used to Measure Pressure in the Magnitude of 3 psig and Higher. Each digital gauge used to measure pressure in the magnitude of 3 psig and higher shall meet the following requirements in addition to satisfying the minimum requirements set forth in subdivision (b):

(1) The gauge shall have a minimum reading of 1/100th of a psig, and

(2) An extra charged battery shall be readily available for immediate use with the gauge.

ENVIRONMENTAL PROTECTION

■ NOTICE

Notice of Opportunity to Comment on Proposed New Chapter 24 of Title 15 of the Rules of the City of New York Governing Placement and Removal of an (E) Designation on a tax lot in connection with a zoning map amendment to designate on the New York City Zoning Map the presence of contamination or potential contamination of the tax lot by hazardous materials and/or hazardous waste.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN The Department of Environmental Protection by section 1403 of the Charter of the City of New York and section 11-15 of the Zoning Resolution of the City of New York that the Department of Environmental Protection is proposing to promulgate rules to govern the placement and removal of an (E) designation on a tax lot in connection with a zoning map amendment to designate on the Zoning Map of the City of New York the presence of contamination or potential contamination of the tax lot by hazardous materials and/or hazardous waste.

PLEASE BE ADVISED THAT WRITTEN COMMENTS regarding the proposed rules may be sent on or before June 22, 2001 to the New York City Department of Environmental Protection, Office of Legal and Legislative Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368, Attention: Marcella Eckels, Esq.

PLEASE BE FURTHER ADVISED THAT ORAL COMMENTS regarding the proposed rules may be delivered at a public hearing to be held on June 22, 2001 at the Department of City Planning, Spector Hall, 22 Reade Street, 1st Fl., New York, NY 10007 (212) 720-3300 from 10 a.m. to 12 noon. If you have any questions about the location of the hearing, please contact Julia Bourdier at (718) 595-6555.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Julia Bourdier at the phone number above within two weeks prior to the hearing.

PLEASE BE FURTHER ADVISED THAT COPIES OF ALL WRITTEN COMMENTS and a summary of the oral comments delivered at the public hearing will be available for inspection within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Department of Environmental Protection, Office of Legal Affairs, 59-17 Junction Boulevard, 19th Floor, Corona, New York 11368.

Please note that all of the text of the proposed Chapter 24 of Title 15 of the Rules of the City of New York is underlined because all of the language in the proposed Chapter 24 is new. The reason is that Chapter 24 in its entirety is proposed by this rulemaking.

The proposed rules were not listed in the Department of Environmental Protection's FY 2001 Regulatory Agenda because these rules were not anticipated at the time the agenda was published.

***

Chapter 24 of Title 15 of the Rules of the City of New York is repealed and a new Chapter 24 is added to read as follows:

§24-01 Authority.
These rules are promulgated pursuant to section 1403 of the Charter of the City of New York and in accordance with § 11-15(c), the Zoning Resolution of the City of New York.

§24-02 Applicability.
These rules shall apply in connection with the environmental review pursuant to City Environmental Quality Review (CEQR) of any Zoning Map Amendment subject to review and approval pursuant to section 197-c and 197-d of the New York City Charter where one or more tax lots in the area subject to the Zoning Map Amendment and not under the control or ownership of the person seeking such Zoning Map Amendment, have been identified by the Lead Agency as likely to be developed as a direct consequence of the action. These rules shall not apply to the environmental review by the City of any action that affects property under the control or ownership of such person, which shall be conducted in accordance with CEQR requirements governing the review of potential hazardous material contamination or noise or air quality impacts for such property.

§24-03 Definitions.
The following definitions shall apply to this rule, §24-01 et seq., unless the text specifically indicates otherwise.

CEQR. "CEQR" shall mean the City Environmental Quality Review, Chapter 5 of Title 62 of the Rules of the City of New York.

CEQR Technical Manual. "CEQR Technical Manual" shall mean the City Environmental Quality Review Technical Manual issued by OEC in December 1993 together with any updates, supplements and revisions thereto.

City. "City" shall mean the City of New York.

Contamination. "Contamination," "Contaminated," or "to Contaminate" shall mean the effect(s) on a tax lot(s) from hazardous materials, hazardous substances, hazardous wastes and/or petroleum.

Day. "Day" shall mean a business day.

DCP. "DCP" shall mean the New York City Department of City Planning.
DEC. "DEC" shall mean the New York State Department of Environmental Conservation.

Department. "Department" shall mean the New York City Department of Environmental Protection.

Development. "Development", or "Develop" shall mean a change of use and/or any work on a tax lot(s) that involves soil disturbance, including, but not limited to demolition, grading, or excavation related to the construction, enlargement, and/or extension of a new or existing structure(s) on a tax lot(s).

Development Site. "Development Site" shall mean a tax lot(s) located within the area of a proposed Zoning Map Amendment which is not under the control or ownership of the applicant for such Zoning Map Amendment and which the Lead Agency has identified pursuant to CEQR as likely to be developed as a direct consequence of the Zoning Map Amendment.

DOB. "DOB" shall mean the New York City Department of Buildings.

(E) Designation. "(E) Designation" shall mean the esignation of an "E" on the Zoning Map pursuant to §11-15 of the Zoning Resolution of the City of New York.

EPA. "EPA" shall mean the United States Environmental Protection Agency.

Hazardous Material. "Hazardous Material" shall mean any material, substance, chemical, element, compound, mixture, solution, product, solid, gas, liquid, waste, byproduct, pollutant, or contaminant which when released into the environment may present a substantial danger to the public health or welfare or the environment, including, but not limited to those classified or regulated as "hazardous" or "toxic" pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C.A. §9601 (1995) et seq., the Resource Conservation and Recovery Act (RCRA) 42 U.S.C.A. §6901 (1995) et seq., the Clean Water Act (CWA), 33 U.S.C.A. §1251 (1986) et seq., the Clean Air Act (CAA) 42 U.S.C.A. §7401 (1995) et seq., Toxic Substances Control Act (TSCA), 15 U.S.C.A. §2601 (1998) et seq., Transportation of Hazardous Materials Act, 49 U.S.C.A. §5101 (1997) et seq., the Hazardous Substances Emergency Response Regulations, 15 RCNY Chap. 11, and/or the List of Hazardous Substances, 6 NYCRR Part 597.

Hazardous Waste. "Hazardous Waste" shall mean any waste, solid waste or combination of waste and solid waste listed or regulated as a hazardous waste or characteristic hazardous waste pursuant to RCRA, 42 U.S.C.A. §6901 (1995), et seq. and/or Identification and Listing of Hazardous Wastes, 6 NYCRR Part 371, et seq.

Lead Agency. "Lead Agency" shall mean the agency responsible under CEQR for the conduct of environmental review in connection with a Zoning Map Amendment.

Notice of Satisfaction. "Notice of Satisfaction" shall mean a written notice issued by the Department pursuant to §24-07 of this rule documenting completion of all applicable (E) Designation requirements under this rule.

OEC. "OEC" shall mean the New York City Mayor's Office of Environmental Coordination.

Owner. "Owner" shall mean the person, including his or her designee, who is the recorded title holder of a tax lot(s).
Parties in Interest. "Parties-in-Interest" shall mean any person with an enforceable property interest in a tax lot(s).

PE Completion Confirmation. "PE Completion Confirmation" shall mean a written notice of completion of a Department approved remediation plan from a Professional Engineer, in a form acceptable to the Department.

Person. "Person" shall mean any individual, trust, firm, corporation, joint stock company, association, partnership, consortium, joint venture, commercial entity or governmental entity.

Petroleum. "Petroleum" shall mean oil or petroleum of any kind and in any form, including, but not limited to oil, petroleum, fuel oil, oil sludge, oil refuse, oil mixed with other waste, crude oil, gasoline and kerosene.

Project Site. "Project Site" shall mean a tax lot(s) that is under the control or ownership of the applicant for the removal of an (E) Designation from the Zoning Map and is subject to proposed development by such applicant.

Restrictive Declaration. "Restrictive Declaration" shall mean an instrument recorded against a tax lot(s) in the county office of land records and executed by all Parties-in-Interest to such tax lot(s), setting forth restrictions and enforcement provisions with respect to implementation of a Remediation Plan pursuant to §24-07 of these rules.

Tax Lot. "Tax Lot" shall mean a tax lot identified by parcel number on the official tax maps of the City of New York.

Zoning Map. "Zoning Map" shall have the meaning set forth in §12-10 of the Zoning Resolution of the City of New York.

Zoning Map Amendment. "Zoning Map Amendment" shall mean a proposed amendment to the Zoning Map subject to review and approval pursuant to §§ 197-c and 197-d of the New York City Charter.

§24-04 Preliminary Screening.

a. The Lead Agency may prepare or may cause to be prepared a preliminary screening assessment consisting of visual or historical documentation of any of the following past or current uses at a Development Site, and/or other tax lot(s) that might have affected or be affecting a Development Site.

(1) Incinerators;
(2) Underground and/or above ground storage tanks;
(3) Active solid waste landfills;
(4) Permitted hazardous waste management facilities;
(5) Inactive hazardous waste facilities;
(6) Suspected hazardous waste sites;
(7) Hazardous substance spill locations;
(8) Areas known to contain fill material;
(9) Petroleum spill locations;
(10) Any past use identified in Appendix A.

b. Based on the visual or historical documentation prepared under subdivision (A), the Lead Agency may determine that an (E) Designation should be placed on the Zoning Map for the tax lot(s) identified under subsection (A) in connection with adoption of the Zoning Map Amendment. In making such determination, the Lead Agency may consult with the Department.

c. A Phase I Environmental Site Assessment pursuant to §24-05 shall not be required prior to placement of an (E) Designation on the Zoning Map pursuant to this Section.

§24-05 Phase I Environmental Site Assessment.

a. For any Development Site that has not received an (E) Designation following review of visual or historical documentation pursuant to §24-04, the Lead Agency shall conduct, or shall cause to be conducted, a Phase I Environmental Site Assessment (Phase I ESA).

b. The Phase I ESA may be limited to:
(1) Historical land use review;
(2) Regulatory agency list review; and
(3) Site and surrounding area reconnaissance visit.

c. A report entitled "Phase I ESA Report" and any supplements thereto, summarizing the Phase I ESA shall be prepared by or for the Lead Agency and a copy of such report shall be provided to the Department. The Phase I ESA Report shall include any information discovered in the Phase I ESA. The Department may provide the Lead Agency with any additional information it deems relevant together with any comments regarding the contents of the Phase I ESA and any supplements thereto within twenty (20) days of receipt of the Phase I ESA Report.

d. The Lead Agency shall respond to the Department's comments and any additional information either by placing or causing DCP to place an (E) on the Zoning Map for the relevant tax lot(s) or by issuing a Final Phase I ESA Report that addresses any such comments and/or additional information. The Lead Agency shall inform the Department of such determination.

§24-06 Phase II Environmental Site Assessment.

a. Before an Applicant may seek any building permit for development from DOB with respect to a tax lot(s) subject to an (E) Designation, the applicant shall complete a Phase II Environmental Site Assessment (Phase II ESA) to determine the level and extent of contamination at the proposed Project Site.

b. The applicant shall prepare and submit to the Department a Work Plan to undertake the Phase II ESA, prepared in accordance with the CEQR Technical Manual. Such Work Plan shall also include:
(1) A detailed description of the proposed Project Site;
(2) A detailed description of the proposed development at the Project Site;
(3) A description of the projected timeframe for development at the Project Site;
(4) A description of the proposed use of the Project Site;
(5) Copies of reports of any previous investigations related to the presence or suspected presence of contamination on the Project Site.

c. Where applicable and at a minimum, the following procedures or requirements shall be implemented in the Phase II ESA for all sampling techniques and methods:
(1) All samples shall be analyzed by a laboratory accredited by the New York State Department of Health Environmental Laboratory Approval Program (ELAP);
(2) Samples from sites on the DEC Registry of Hazardous Waste Sites shall use a laboratory certified under EPA's Contract Laboratory Program or DEC's Analytical Services Program (ASP);
(3) EPA SW-846, 40 C.F.R. 261, which delineates the EPA Target Compound List/Target Analyte List shall be used;
(4) Toxicity Characteristic Leaching Procedure, Method 1311, as delineated in EPA SW-846, 40 C.F.R. 261 shall be used.

d. The Department will review the Work Plan in accordance with §24-09.

e. The applicant shall undertake the Work Plan as approved by the Department.

f. Upon completion of the Phase II ESA, a report *entitled "Phase II ESA Report"* summarizing the Phase II ESA shall be submitted to the Department. The Phase II ESA Report shall include:
(1) A summary of the findings of all the studies and/or investigations performed;
(2) A description of all assessment reconnaissance techniques in accordance with applicable Federal and State laws and Department guidelines;
(3) Sampling Results, which shall be presented in summary tables and compared to all relevant State and Federal guidance values, standards and regulations;
(4) Maps of the tax lots (1"=50') including but not limited to: USGS quadrangle map, name of quad and North arrow, on which the following is clearly indicated:
(i) All physical site characteristics with location of all soil borings, soil gas points, groundwater monitoring wells, USTs, vent lines, fill lines, and other pertinent information;
(ii) Where relevant based on the conditions of the Project Site, a depiction of groundwater elevation and flow direction;
(iii) Where relevant based on the conditions of the Project Site, a soil-gas concentration map with contours; and
(iv) All identified sources of releases and the extent and concentrations of contaminant plumes in all media.
(5) Appendices, which shall include:
(i) All raw data,
(ii) Laboratory methods,
(iii) Chain-of-custody forms,
(iv) QA/QC plan,
(v) Field notes,
(vi) Soil boring/monitoring well logs,
(vii) As-built well construction details,
(viii) Modeling programs used,
(ix) Calculations and formulas, and
(x) Physical/chemical properties of chemical compounds of concern.
(6) An assessment, based on findings of the Phase II ESA, of whether or not a Remediation Plan is required for the Project Site.

g. The applicant may submit a Remediation Plan with the Phase II ESA Report.

h. The Department will review the Phase II ESA Report in accordance with §24-09.

i. Upon completion of its review of the Phase II ESA Report, the Department will determine whether a Remediation Plan is required.
(1) If the Department determines that a Remediation Plan is not required, the Department will issue a Notice of Satisfaction letter to DOB;
(2) If a Remediation Plan has been submitted, the Department will review it in accordance with §§ 24-07 and 24-09;
(3) If the Department determines that a Remediation Plan is required and a Remediation Plan has not already been submitted by the applicant, the applicant shall submit a Remediation Plan for review by the Department in accordance with §§ 24-07 and 24-09.

§24-07 Remediation Plan.

a. Preparation of the Remediation Plan.
(1) Before an applicant may seek any building permits from DOB with respect to a tax lot(s) subject to an (E) Designation, where the Department has determined that Remediation Plan is required pursuant to §24-06, the applicant shall prepare a Remediation Plan. The Remediation Plan shall address all aspects of contamination, actual and/or potential, identified in the Phase II ESA Report, including, but not limited to:
(i) Elevated levels of contaminants pursuant to applicable DEC guidelines;
(ii) The sources of contamination;
(iii) The exposure pathways for contamination;
(iv) Environmental exposure to contamination;
(v) Human health exposure to contamination;
(vi) Proposed cleanup criteria;
(vii) Health and Safety of construction workers on the tax lot(s); and
(viii) Health and Safety of the public and future occupants of the tax lot(s) within the constraints of technical feasibility, remedial technology, and monitoring requirements.
(2) In preparing a Remediation Plan, the Applicant shall consider all applicable remediation techniques, including, but not limited to, those set forth in the CEQR Technical Manual. The Remediation Plan shall include a list of all techniques considered and an explanation for the acceptance or rejection of those techniques.
(3) The Department shall review the Remediation Plan in accordance with §24-09. In conjunction with its review of the Remediation Plan, the Department may require execution of a Restrictive Declaration for the tax lot(s) subject to the (E) Designation. Such Restrictive Declaration shall bind the owner/declarant to performance of the Remediation Plan in accordance with its terms, and shall include restrictions upon development of the subject tax lot(s) prior to issuance of a Notice of Satisfaction, as well as such other enforcement provisions as are applicable under Federal, State, or local law. The Restrictive Declaration shall be executed by all Parties-in-Interest to such tax lot(s) and shall be recorded against such tax lot(s) in the applicable county office of land records.

b. Implementation of the Remediation Plan.
(1) Prior to implementation of the Remediation Plan, the applicant shall:
(i) Provide the Department with ten (10) days written notice of such planned implementation; and
(ii) A copy of the recorded Restrictive Declaration, if such was required by the Department.
(2) After the Department has reviewed and approved the Remediation Plan in accordance with §24-09 and a Restrictive Declaration, if required by the Department, has been completed in accordance with paragraph (3) of subsection (a) of this section, the Department may recommend to DOB issuance of such building permit or permits as are necessary to undertake the approved Remediation. In no event, however, shall the applicant seek or accept from DOB a Temporary Certificate of Occupancy or a Certificate of Occupancy until the Department issues a Notice of Satisfaction pursuant to paragraph (2) of subsection (c) of this section.
(3) If implementation of a Department - approved Remediation Plan does not commence within one year of the date of the Department's approval thereof, such approval shall expire.
(i) The applicant may request in writing to extend a Department approval for a Remediation Plan not less than thirty (30) days prior to the expiration of such Department approval.
(a) Any written request for an extension shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(b) The Department shall review a written request for an extension by the applicant in accordance with §24-09.
(ii) If an approval for a Remediation Plan expires, the Applicant shall:
(a) Submit a new Remediation Plan for Department review in accordance with §24-09; or
(b) Submit a written request for a renewed approval of the expired Remediation Plan.
(1) Any written request for a renewed approval shall explain the circumstances for the delay in implementation of the Remediation Plan and document that the Remediation Plan remains valid.
(2) The Department will review a written request for an extension by the Applicant in accordance with §24-09.

c. Completion of the Remediation Plan.
(1) Upon the completion of a the Department-approved Remediation Plan or a remediation certified by New York State, the Applicant shall deliver to the Department, a PE Completion Confirmation in a form satisfactory to the Department.
(2) Upon the Department's review and approval of the PE Completion Confirmation, the Department shall issue a Notice of Satisfaction to the Applicant, OEC, DOB and DCP.

§24-08 Satisfaction of (E) Designation Requirements.

a. Issuance of the Notice of Satisfaction by the Department constitutes the Department's report specifying that the environmental requirements relating to the (E) Designation have been satisfied.

b. The owner of any tax lot(s) subject to an (E) Designation may file a copy of a Notice of Satisfaction with the Department of City Planning. Upon receipt of such Notice of Satisfaction, DCP shall indicate such satisfaction as to the affected tax lot(s) on the listing of (E) Designations appended to the Zoning Map.

c. When DCP has received Notices of Satisfaction for all tax lot(s) specified in the CEQR declaration with respect to the placement of an (E) Designation on the Zoning Map, it shall administratively remove such (E) Designation from the Zoning Map.

d. DCP shall notify DOB, OEC and DEP in writing of the satisfaction of (E) Designation requirements for a tax lot(s) or of the removal of an (E) Designation from a Zoning Map.

§24-09 Department Review and Approval Procedure.

a. At the written request of the applicant, the Department will conduct a pre-submission conference with the applicant regarding the required contents of any submission required pursuant to §§ 24-06 and 24-07 of this rule and the schedule for proceeding with such submission.

b. Upon initial receipt of a submission required pursuant to this rule, the Department will review such submission and provide written comments within thirty (30) days of receipt of such initial submission.

c. If the Department requests additional information or a revised submission, the applicant shall resubmit the submission for review.
(1) Revised submissions will be reviewed by the Department as expeditiously as possible;
(2) Upon receipt of all information requested, the Department shall issue comments in writing with respect to the submission as expeditiously as possible.

d. If the applicant disagrees with the Department's comments, the applicant shall have thirty (30) days, or such time as agreed upon by the Department and the applicant, to respond.

e. Upon receipt and review of all required submissions, the Department will issue its determination either approving or disapproving the submission as expeditiously as possible.

f. If at any time the Department fails to provide written comments within a time period specified under this section, or such time as agreed upon by the Department and the applicant, the applicant may submit a written notification to the Department requesting that any comments be provided as expeditiously as possible.

§24-10 Notification.

a. Discovery of a petroleum spill or discharge on a tax lot(s) by the Department and/or the applicant must be reported in accordance with, Reporting of Spills and Discharges, 6 NYCRR §613.8 (1999).

b. Discovery of evidence of "reportable quantities" of hazardous materials or hazardous wastes by the Department and/or the applicant on a tax lot(s) that pose a potential or actual significant threat to public health or the environment under Federal, State or local guidelines, must be reported in accordance with, CERCLA, 42 U.S.C.A. §9603 (1995), Emergency Planning Community Right to Know Act, 42 U.S.C.S. §11004 (1995), Reporting of Hazardous Substance Releases, 6 NYCRR 595.3 (1999) and/or Hazardous Substances Emergency Response, 15 RCNY §11-03.

§24-11 Lead Agency Records/Agency Consultation.

a. The Lead Agency shall maintain a single file containing copies of all Phase I ESA Reports issued pursuant to §24-05 of this rule, together with the relevant Environmental Assessment Statement, Environmental Impact Statement, or other CEQR determinations made in connection therewith.

b. The Department, DCP, and OEC shall meet and confer on a periodic basis concerning the implementation of this rule.

APPENDIX A

List of Facilities, Activities or Conditions Requiring Assessment

1. A facility, on or adjacent to a tax lot, which generates (including small quantity generators), stores, treats or disposes of hazardous waste, as defined by RCRA and regulated by EPA and/or DEC.
2. A facility, on or adjacent to a tax lot, which manufactures, produces, prepares, compounds, processes uses, repackages or disposes of hazardous chemicals, as defined under New York City's Community Right-to-Know Law, N.Y.C. Admin. Code tit. 24, ch. 7 (1992).
3. A facility, on or adjacent to a tax lot, which is included on the following list:

- Adhesives and sealants manufacture
- Advertising displays manufacture
- Agricultural machinery manufacture (including repairs)
- Aluminum manufacture or aluminum products manufacture
- Aircraft manufacture (including parts)
- Airports Appliance (electrical) manufacture
- Art goods manufacturer
- Asphalt or asphalt products manufacture
- Athletic equipment manufacture
- Automobile and other laundries
- Automobile manufacture
- Automobile rental establishments
- Automobile wrecking establishments
- Automobile service stations
- Battery manufacture
- Bicycle manufacture
- Blacksmith shops
- Boat repair
- Boat fuel sales
- Boat storage
- Business machine manufacture
- Camera manufacture
- Canvas or canvas products manufacture
- Carpet cleaning establishments
- Carpet manufacture
- Cement manufacture
- Ceramic products manufacture
- Charcoal manufacture
- Chemical compounding or packaging
- Chemical manufacture
- Cleaning or cleaning and dyeing establishments
- Clock manufacture
- Clothing manufacture
- Coal products manufacture
- Coal sales or storage
- Coke products manufacture
- Coil coating
- College, university, trade school laboratories
- Construction machinery manufacture
- Copper forming or copper products manufacture
- Cosmetics or toiletries manufacture
- Dental instruments manufacture
- Dental laboratories
- Disinfectant manufacture
- Drafting instruments manufacture
- Dry cleaning establishments
- Dumps
- Electric power or steam generating plants
- Electric power substations
- Electric and electronic components manufacture
- Electric appliance manufacture
- Electric supplies manufacture
- Electroplating or stereotyping
- Engraving or photo-engraving
- Exterminators
- Explosives manufacture
- Felt products manufacture
- Felt products bulk processing, washing or curing
- Fertilizer manufacture
- Filling stations
- Film manufacture
- Fire stations
- Foundries ferrous or non-ferrous
- Fuel sales
- Fungicides manufacture
- Fur tanning, curing, finishing or dyeing
- Furniture manufacture
- Garbage incineration, storage or reduction
- Gas manufacture, storage
- Gasoline service stations
- Generating plants, electric or steam
- Glass manufacture
- Glue manufacture
- Golf courses
- Graphite or graphite products manufacture
- Gum and wood chemicals manufacture or processing
- Hair products manufacture
- Hardware manufacture
- Heliports
- Incineration or garbage reduction
- Ink or Ink ribbon manufacture
- Insecticides manufacture
- Inorganic chemicals manufacture
- Iron and steel manufacture
- Jewelry manufacture
- Junk yards
- Laboratories, medical, dental, research, experimental
- Leather tanning, curing, finishing or dyeing
- Linoleum manufacture
- Luggage manufacture
- Lumber processing
- Machine shops including tool, die, or pattern making
- Machine tools manufacture
- Machinery manufacture or repair
- Mechanical products manufacture
- Medical appliance manufacture
- Medical instruments manufacture
- Medical laboratories
- Metals manufacture including alloys or foil
- Metal casting or foundry products
- Metal finishing, plating, grinding, polishing, cleaning, rust-proofing, heat treatment
- Metal ores reduction or refining
- Metal product treatment or processing
- Metal reduction, refining, smelting or alloying
- Metal treatment or processing
- Mining machinery manufacture
- Mirror silvering shops
- Motorcycle manufacturer
- Motor freight stations
- Musical instrument manufacture
- Newspaper publishing
- Non-ferrous metals manufacture
- Office equipment or machinery repair shops
- Oil, public utility stations for metering or regulating oil sales
- Oil storage
- Optical equipment manufacture
- Organic chemicals manufacture
- Orthopedic appliance manufacture
- Ore mining
- Paint and ink manufacture
- Paper and pulp mills Paper products manufacture
- Pesticides manufacture
- Petroleum or petroleum products refining
- Petroleum or petroleum products storage and handling
- Pharmaceutical products manufacture or preparation
- Photographic equipment and supplies manufacture
- Plastics and synthetic products manufacture and processing
- Plastics raw manufacture
- Plumbing equipment manufacture
- Porcelain enameling
- Precision instruments manufacture
- Printing and publishing
- Pumping stations, sewage
- Radioactive waste disposal services
- Railroad equipment manufacture
- Railroad rights-of-ways, substations
- Railroad freight terminals, yards or appurtenances
- Refrigerating plants
- Rubber processing of manufacture
- Rubber products manufacture
- Sewage disposal plants, pumping stations
- Ship or boat building repair yards
- Shipping waterfront
- Shoes manufacture
- Sign painting shops
- Silver-plating shops
- Silverware manufacture, plate or sterling
- Slag piles
- Soap and detergent manufacture
- Soldering shops
- Solvent extraction
- Steam electric power plants
- Steel products manufacture
- Tar products manufacture
- Textiles bleaching, products manufacture or dyeing
- Textile mills
- Thermometer manufacture or assembly
- Tile manufacture
- Timber products manufacture
- Tool or hardware manufacture
- Toys manufacture
- Trailer manufacture
- Transit substations
- Truck manufacture
- Trucking terminal or motor freight stations
- Turpentine manufacture
- Varnish manufacture
- Vehicles manufacture
- Venetian blind manufacture
- Welding shops
- Wood distillation

Statement of Basis and Purpose

The provisions of the proposed new Chapter 24 of Title 15 of the Rules of the City of New York would contain practices and standards for determining when an (E) designation, as delineated in section 11-15 of the New York City Zoning Resolution, shall be imposed on any tax lot subject to a proposed zoning map amendment. In addition, the provisions of the proposed new Chapter 24 would contain standards and protocols for determining when the requirements for removal of such (E) designation from a tax lot have been satisfied. Thus the rules would specify the protocol for determining whether or not an (E) designation should be imposed on a tax lot as determined by visual or historical evidence of specific past or current uses on a tax lot and/or the completion of a Phase I Environmental Assessment and Report. For tax lots subject to an (E) designation, the rules would contain standards and protocols for testing and remediation of hazardous waste contamination to be used by the Department of Environmental Protection (DEP) in determining whether or not the environmental requirements relating to such (E) designation have been satisfied. As set forth in the rules, such determination would be based on the completion and submission of a Phase II Environmental Site Assessment Report and if required, the submission and implementation of a Remediation Plan and the execution of a Restrictive Declaration to the satisfaction of DEP. The rules would prescribe the procedure for notification to the relevant New York City agencies of satisfaction of the requirements for the removal of an (E) designation from the zoning map as well as subsequent removal of such (E) designation from the zoning map. The rules would delineate the procedures for DEP's review and approval of any submissions required under these rules. The rules would contain certain notification requirements for petroleum and hazardous materials and/or waste releases. The rules would require the maintenance of certain records generated under these rules. The rules would also require that DEP, the Department of City Planning and the Office of Environmental Coordination consult on a periodic basis regarding the implementation of the rules. The rules are authorized by section 1403 of the New York City Charter and section 11-15 of the Zoning Resolution of the City of New York.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN pursuant to Section 1045-j(9-a) of the Public Authorities Law, that after public hearings were held on April 23, 24 and 25, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on May 3, 2001, adopted a resolution approving increases in water rates to users of the Water Supply System of the City of New York, including rates charged to users of the system within the City of New York, and rates charged to municipalities and water districts outside of the City for water provided which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York, for the fiscal year commencing July 1, 2001, from those rates currently in effect, and making certain customer service and billing policy changes, as follows:

Effective July 1, 2001, the water rate for all in-City customers, flat-rate and metered, will increase by 3.0 % over the rate in effect in Fiscal Year 2001, and the wastewater rate will remain at 159% of the applicable water charge.

Effective July 1, 2001, the rate charged for water provided to municipalities and water districts outside of the City which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York will be equal to the in-City metered rate of $1,804.81 per million gallons.

Certain customer service and billing policies have been changed or clarified, including the following:

(1) Multiple-Family Conservation Program Proposal

The program offers owners of multiple family housing consisting of six or more dwelling units, an option to elect billing based on a fixed charge per dwelling unit, if the owner invests in low-consumption plumbing hardware and fixtures, and cooperates with DEP in conservation efforts in their building. Under this program, the charge for each dwelling unit will be $436.72 per billable dwelling unit.

It is intended that as of July 1, 2004, the Multiple-Family Conservation Program will replace Frontage Billing, the Regular Bill Cap, the Renovation Bill Cap, the Transition Program and the Pre-Transition Program for Residential Premises with six or more dwelling units.

(2) Part IX - Customer Account Information and Complaint Resolution

The changes provide that a customer may request an explanation of a water and wastewater bill or charge by calling the DEP Customer Service Call Center at (718) 595-7000, by visiting a borough office of the Bureau of Customer Services (BCS), by writing DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055 or by visiting DEP's website www.nyc.gov/dep. If a customer is not satisfied with the initial review of their bill, a complaint must be made in writing to DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055. DEP will respond in writing within 90 days of receipt of the complaint. Should the customer wish to appeal this decision, a written appeal must be made within 90 days.

Copies of the New York City Water Board Water and Wastewater Rate Schedule are available for inspection by the public during regular business hours at the offices of the New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

ATTENTION: CONTRACTORS, MAINTENANCE WORKERS, SECTION 8 PROPERTY OWNERS AVAILABILITY OF LEAD-BASED PAINT MAINTENANCE TRAINING AND LEAD-BASED PAINT RENOVATION AND REMODELING TRAINING

The Department of Housing and Urban Development (HUD) is offering one-day training courses to assist rehab contractors, maintenance workers, painters, and property owners working in federally assisted housing built before 1978, to comply with HUD's new Lead-Safe Housing rule (24 CFR Part 35).

Two courses will be held in New York City. The "Lead Based Paint Maintenance Training Program" is designed for contractors, maintenance workers, painters, and property owners (including Section 8) and managers and other staff who are responsible for activities such as repainting and minor repairs. The Lead-Based Paint Renovation and Remodeling Course is targeted to contractors and workers performing rehabilitation or remodeling activities including weatherization, structural repairs and unit upgrading. Participants will be provided with a "Notice of Completion" stating that they are "trained in lead-safe work practices" and meet the "interim control" training requirements of the HUD rule. These courses are not for the licensing of inspectors, risk assessors abatement supervisors or abatement workers.

The Lead-Based Paint Maintenance Training Program will be held on Thursday, June 7th, Monday, June 25th, and Thursday, July 19th at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

The Lead-Based Paint Renovation and Remodeling Course will be held on Friday, June 8th, at the Federal Building, 26 Federal Plaza, 32nd Floor in Manhattan. On Tuesday, June 26th and Friday, July 20th, this course will be held at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

Courses start at 8:00 AM sharp and end at 5:00 PM. On site sign-in is from 7:30 - 8:00 AM. There are two 15-minute breaks and one hour for lunch (on your own). There is a multiple-choice test at the end of the course; the passing score is 70%. You must pass this test (95% of students do) to receive a Notice of Completion. Students must bring a pen or a pencil to make notes and take the test.

To register online, visit www.leadlisting.org (click on "HUD-sponsored training" and follow the instructions). You may also request a fax registration form by calling HUD's Lead-Paint Compliance Assistance Center toll-free at 1-866-HUD-1012. Each person may only register for one course.

BINDING REPORT

ISSUE DATE: 04/26/01	DOCKET #: 015594	SRB #: SRB 01-6166
ADDRESS: CENTRAL PARK, Central Park Precinct, Temporary Building, SCENIC LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner of the Department of Design and Construction.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Commission has reviewed a proposal for the construction of a temporary building to house the staff and operations of the Central Park Police Precinct during the renovation and restoration of the existing historic building currently housing the Central Park Police Precinct. The existing and proposed buildings are sited on south side of the 86th Street Transverse, just north of the Great Lawn.

The proposed building is a two story slab on grade with a flat modified bituminous roof. The building will be clad in corrugated metal, and painted in terra cotta red, with slate blue trim. The footprint is a simple rectangle of 77' x 72'. The building will be located immediately adjacent to the fuel cell in the existing precinct parking lot. The rear wall of the building will be approximately 9'-6" from the existing old Croton Reservoir wall. The structure will be 28'-3' high and will extend above the old reservoir wall by 16'-3" and topped with a guide fence at the parapet. The reservoir wall is topped with an existing chain link fence. Some plant materials do exist on the upside of the wall, though they will not fully buffer the building elevation from the Great Lawn. Private vehicles currently parked in the parking lot will be relocated to the Bridal Path on the north side of the Transverse. Signage on the building will consist of non-illuminated individual aluminum channel letters mounted on a structural grid, spelling Central Park Precinct, and a series of informational panels on the Transverse side, highlighting the proposed work on the existing precinct building. These panels will inform the public of the pending renovation, explaining what will be done, and generally providing information about the temporary building and the renovation. The building will also have a flagpole, and a metal awning over the entrance.

The proposal is shown in the drawings labeled A-100, A-101, A-102, A-200, A-201, A-210, A-300, A-301, A-310, A-311, A-312, A-313, A-314, A-315, A-330, A-331, A-400, A-401, A-402, B1 and 623B, all dated March 21, 2001, prepared by Karlsberger Architecture, P.C. The proposal is further described in a letter dated April 10, 2001, prepared by Rebecca Clough of the Department of Design and Construction, existing condition photographs of the site, a computer rendering, and paint samples received April 24, 2001, which were submitted as components of the application.

With regard to this proposal, the Commission finds that the structure is temporary in nature; that it will be constructed on an existing parking lot, and that its construction will not cause the removal of significant landscape, architectural, or historic features of the park; and that this temporary new building will facilitate the restoration of the current police precinct building, which itself is an historic structure within the park in need of extensive repair. The work, therefore, is approved.

The temporary building will be in place until the completion of the renovation and reoccupation of the existing building, which is estimated at June of 2005. Any extension of the life of the temporary structure will require future review and approval by the Landmarks Preservation Commission.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Caroline Kane Levy.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

CEQR Technical Manual Update

In 1993 the Mayor's Office of Environmental Coordination (MOEC) and the City's agencies compiled the City Environmental Quality Review (CEQR) Technical Manual. The CEQR Technical Manual is intended to assist and guide agencies, project sponsors, and the public in understanding CEQR. The Manual provides a detailed discussion of environmental review in New York City and presents methodologies for the CEQR process.

The Technical Manual is being reviewed and updated this year. MOEC is coordinating this effort. The update relies upon the expertise of many city agencies. The goal of this process is to streamline the Manual and to revise it so that it reflects current practices, procedures, analytical techniques, and applicable regulations for environmental review in the City.

The CEQR Technical Manual is not available on line. If you have any comments or recommended changes to the CEQR Technical Manual, please send them to CEQR Technical Manual Project Manager, Mayor's Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038 by June 1, 2001. MOEC will give your comments due consideration. Copies are available for review at MOEC during business hours by appointment. If you have any questions or wish to make an appointment to view the Manual, please call (212) 341-3095.

This announcement was also posted on the NYC.gov homepage as of May 16, 2001. It appears under City Government Links, Publications.

INDUSTRIAL DEVELOPMENT AGENCY

■ PUBLIC HEARINGS

The New York City Industrial Development Agency (the "Agency") is empowered under the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law), and Chapter 1082 of the 1974 Laws of New York, as amended, to issue nonrecourse revenue bonds to provide financing for qualified projects, and to enter into industrial and small industry incentive program transactions and other straight-lease transactions for the benefit of qualified projects, and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York (the "State") and to improve their prosperity and standard of living. The Agency has been requested (i) to make available the proceeds of its bonds to be issued in the approximate aggregate dollar amounts, to be used by the persons, for the purposes, and at the addresses identified below, and (ii) to participate in industrial and small industry incentive program straight-lease transactions and other straight-lease transactions for the purposes and at the addresses also identified below. As used herein, "bonds" are bonds, the interest on which may be exempt from local and/or State and/or Federal income taxes; and the "City" shall mean The City of New York. As used herein with reference to bond amounts, "approximately" shall be deemed to mean up to such stated bond amount or a greater principal amount not to exceed 10 % of such stated bond amount.

Approximately $195,000,000 triple and double tax-exempt special exempt facility revenue bond transaction for Airis JFK I, LLC, developer, in connection with the lease, new construction, and equipping of (i) an approximately 262,515 square foot air cargo and aircraft related service facility, an approximately 305,770 square foot aircraft apron area, and an approximately 99,097 square foot ground service equipment area, all at a site known as Tract 8, and (ii) an approximately 172,100 square foot air cargo and aircraft related service facility and an approximately 190,339 square foot aircraft apron area at a site known as Tract 9A, both at JFK International Airport, Jamaica Queens, New York. The financial assistance proposed to be conferred by the Agency will consist of such triple and double tax-exempt bond financing, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Pursuant to Section 859a of the General Municipal Law of the State of New York and Internal Revenue Code Section 147(f), the Agency will hold a hearing on the proposed financings and transactions set forth above at the office of the New York City Industrial Development Agency, 110 William Street, 6th Floor, New York, New York commencing at 10:00 A.M. on Thursday, **June 7, 2001.** Interested members of the public are invited to attend. The Agency will present information at such hearing on the proposed financings and transactions set forth above and provide for a question and answer period. Pursuant to subdivision 3 of the above-referenced Section 859a, the Agency will, in addition, provide an opportunity for the public to review at such hearing the project application and the cost-benefit analysis for each of the proposed financings and transactions. Persons desiring to make a brief statement regarding the proposed financings and transactions should give prior notice to the Agency at the address or phone number shown below. Written comments may be submitted to the Agency at the address shown below.

PROCUREMENT

READER'S GUIDE
The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS
New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS
New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL
This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST
New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action

(approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the

Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

DESIGN/BUILD REHAB. OF BELT PKWY. – Competitive Sealed Proposals* – PIN# 84100BKBR021 – DUE 08-06-01 AT 2:00 P.M. – Design, construction, resident engineer inspection and construction support services for the rehabilitation of the bridge carrying the Belth (shore) Parkway over Ocean Parkway and roadways adjacent to it in the Borough of Brooklyn. Maximum contract amount is $58,300,000.00. The City of New York Department of Transportation, Division of Bridges is requesting submission of proposals from qualified consulting engineering or construction contracting companies as well as joint ventures. The company shall be responsible for the construction of the bridge in conjunction with the interchange reconstruction as well as all aspects of planning, complete design, preparation of construction documents, community coordination, resident engineering inspection and support services during construction. Request for Proposal documents will be available as of July 9, 2001. A pre-proposal conference will be held on July 26, 2001 at 10:00 A.M. at 2 Rector Street, 8th Floor, Conference Room, New York, NY 10006. For additional information please contact Ms. Chris Sklavounakis, P.E. at (212) 788-2078.

Special Case Determination Pursuant to the Procurement Policy Board Rules: (See attached).
Special Case Determination
Pursuant to the Procurement Policy Board Rules:

● The preferred method of solicitation for construction is the competitive sealed bidding method. However, the Department of Transportation has determined that it is the best interest of the City to use the competitive sealed proposal method to obtain design/build services because of the exigent nature of the required reconstruction, the increasingly debilitative state of the subject sub and superstructures and the time savings (39 versus 95 months). Any other method or type of contract is estimated to last an additional four and two-thirds years, further risking potential threats to life and property, and perhaps leading to the closure of the bridge, thus exacerbating neighborhood traffic congestion and having a tremendous impact on the Belt system.

● The DOT ACCO has determined that it is not practicable or not advantageous to the City to use competitive sealed bidding because: a) specifications cannot be made sufficiently definite and certain to permit selection based on bid price or evaluated bid price alone; and b) judgement is required in evaluating competing proposals, and it is the best interest of the City to require a balancing of price, quality and other factors; and

● The Department of Transportation has determined it is not practicable and/or advantageous to award the subject contract by competitive sealed bidding because: a) safety concerns can be addressed 56 months earlier with a design/build contract rather than with a conventional design, bid, build contract; b) separate procurement for the design and build phases would be required; c) construction could not commence until design is complete and d) extensive coordination between design and construction, especially as regards changes, would be enhanced and this is best achieved through a design/build contract.

● The Department of Transportation has determined that competitive sealed proposals is the most competitive method that is appropriate under the circumstances because, based on the above, the Department of Transportation has determined that competitive sealed bidding is not practical or not advantageous to the City.

AGENCY RULES

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN pursuant to Section 1045-j(9-a) of the Public Authorities Law, that after public hearings were held on April 23, 24 and 25, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on May 3, 2001, adopted a resolution approving increases in water rates to users of the Water Supply System of the City of New York, including rates charged to users of the system within the City of New York, and rates charged to municipalities and water districts outside of the City for water provided which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York, for the *fiscal year commencing July 1, 2001, from those rates* currently in effect, and making certain customer service and billing policy changes, as follows:

Effective July 1, 2001, the water rate for all in-City customers, flat-rate and metered, will increase by 3.0 % over the rate in effect in Fiscal Year 2001, and the wastewater rate will remain at 159% of the applicable water charge.

Effective July 1, 2001, the rate charged for water provided to municipalities and water districts outside of the City which exceeds the allowance quantities of water set forth in Section 24-360 of the Administrative Code of the City of New York will be equal to the in-City metered rate of $1,804.81 per million gallons.

Certain customer service and billing policies have been changed or clarified, including the following:

(1) Multiple-Family Conservation Program Proposal

The program offers owners of multiple family housing consisting of six or more dwelling units, an option to elect billing based on a fixed charge per dwelling unit, if the owner invests in low-consumption plumbing hardware and fixtures, and cooperates with DEP in conservation efforts in their building. Under this program, the charge for each dwelling unit will be $436.72 per billable dwelling unit.

It is intended that as of July 1, 2004, the Multiple-Family Conservation Program will replace Frontage Billing, the Regular Bill Cap, the Renovation Bill Cap, the Transition Program and the Pre-Transition Program for Residential Premises with six or more dwelling units.

(2) Part IX - Customer Account Information and Complaint Resolution

The changes provide that a customer may request an explanation of a water and wastewater bill or charge by calling the DEP Customer Service Call Center at (718) 595-7000, by visiting a borough office of the Bureau of Customer Services (BCS), by writing DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055 or by visiting DEP's website www.nyc.gov/dep. If a customer is not satisfied with the initial review of their bill, a complaint must be made in writing to DEP/BCS Customer Service, C.S. 739055, Elmhurst, NY 11373-9055. DEP will respond in writing within 90 days of receipt of the complaint. Should the customer wish to appeal this decision, a written appeal must be made within 90 days.

Copies of the New York City Water Board Water and Wastewater Rate Schedule are available for inspection by the public during regular business hours at the offices of the New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368.

ATTENTION: CONTRACTORS, MAINTENANCE WORKERS, SECTION 8 PROPERTY OWNERS AVAILABILITY OF LEAD-BASED PAINT MAINTENANCE TRAINING AND LEAD-BASED PAINT RENOVATION AND REMODELING TRAINING

The Department of Housing and Urban Development (HUD) is offering one-day training courses to assist rehab contractors, maintenance workers, painters, and property owners working in federally assisted housing built before 1978, to comply with HUD's new Lead-Safe Housing rule (24 CFR Part 35).

Two courses will be held in New York City. The "Lead Based Paint Maintenance Training Program" is designed for contractors, maintenance workers, painters, and property owners (including Section 8) and managers and other staff who are responsible for activities such as repainting and minor repairs. The Lead-Based Paint Renovation and Remodeling Course is targeted to contractors and workers performing rehabilitation or remodeling activities including weatherization, structural repairs and unit upgrading. Participants will be provided with a "Notice of Completion" stating that they are "trained in lead-safe work practices" and meet the "interim control" training requirements of the HUD rule. These courses are not for the licensing of inspectors, risk assessors abatement supervisors or abatement workers.

The Lead-Based Paint Maintenance Training Program will be held on Thursday, June 7th, Monday, June 25th, and Thursday, July 19th at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

The Lead-Based Paint Renovation and Remodeling Course will be held on Friday, June 8th, at the Federal Building, 26 Federal Plaza, 32nd Floor in Manhattan. On Tuesday, June 26th and Friday, July 20th, this course will be held at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

Courses start at 8:00 AM sharp and end at 5:00 PM. On site sign-in is from 7:30 - 8:00 AM. There are two 15-minute breaks and one hour for lunch (on your own). There is a multiple-choice test at the end of the course; the passing score is 70%. You must pass this test (95% of students do) to receive a Notice of Completion. Students must bring a pen or a pencil to make notes and take the test.

To register online, visit www.leadlisting.org (click on "HUD-sponsored training" and follow the instructions). You may also request a fax registration form by calling HUD's Lead-Paint Compliance Assistance Center toll-free at 1-866-HUD-1012. Each person may only register for one course.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

CEQR Technical Manual Update

In 1993 the Mayor's Office of Environmental Coordination (MOEC) and the City's agencies compiled the City Environmental Quality Review (CEQR) Technical Manual. The CEQR Technical Manual is intended to assist and guide agencies, project sponsors, and the public in understanding CEQR. The Manual provides a detailed discussion of environmental review in New York City and presents methodologies for the CEQR process.

The Technical Manual is being reviewed and updated this year. MOEC is coordinating this effort. The update relies upon the expertise of many city agencies. The goal of this process is to streamline the Manual and to revise it so that it reflects current practices, procedures, analytical techniques, and applicable regulations for environmental review in the City.

The CEQR Technical Manual is not available on line. If you have any comments or recommended changes to the CEQR Technical Manual, please send them to CEQR Technical Manual Project Manager, Mayor's Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038 by June 1, 2001. MOEC will give your comments due consideration. Copies are available for review at MOEC during business hours by appointment. If you have any questions or wish to make an appointment to view the Manual, please call (212) 341-3095.

This announcement was also posted on the NYC.gov homepage as of May 16, 2001. It appears under City Government Links, Publications.

VOTER ASSISTANCE COMMISSION

■ NOTICE

The Voter Assistance Commission proposes the following draft advisory agency guidelines, prepared pursuant to Local Law 29 of 2000, for public comment.
Those who wish to submit written comments about these guidelines should do so within 30 days of the date this notice is published. Comments should be sent to:

GUIDELINES FOR CITY AGENCIES PARTICIPATING IN VOTER REGISTRATION FORM DISTRIBUTION PURSUANT TO LOCAL LAW 29 OF 2000

The New York City Voter Assistance Commission is pleased to present the following as a guide for New York City agencies covered by Local Law 29 of 2000. Local Law 29 establishes a system for the distribution of voter registration forms with written applications for services, renewal or re-certification for services and change of address forms relating to such services.

The following City agencies and entities are covered by Local Law 29: the Administration for Children's Services, the City Clerk, the Civilian Complaint Review Board, the Commission on Human Rights, Community Boards, the Department of Business Services, the Department of Citywide Administrative Services, the Department of Consumer Affairs, the Department of Correction, the Department of Employment, the Department of Environmental Protection, the Department of Finance, the Department of Health, the Department of Homeless Services, the Department of Housing Preservation and Development, the Department of Mental Health, Mental Retardation and Alcoholism Services, the Department of Parks and Recreation, the Department of Probation, the Taxi and Limousine Commission, the Department of Transportation, and the Department of Youth and Community Development.

Local Law 29 also requires that the City agencies specified above include a mandate in all new or renewed agreements (since August 23, 2000) with contractors having regular contact with the public in the daily administration of the agency's business to follow the requirements of the law. These guidelines also apply to those contractors.

● Voter registration forms are to be distributed with all written applications for services, renewal or re-certification of services, and change of address forms distributed in person or by mail.

Distribution is NOT required with any applications for services that must be provided to prevent actual or potential danger to life, health, or safety of any individual or of the public.

● Your agency must also provide an opportunity to obtain voter registration forms on your agency's website (either directly or through a hyperlink) where applications for services, renewal or re-certification of services, and change of address forms are made available. It is advisable to provide instructions for the submissions of these forms to the New York City Board of Elections together with the forms.

● All persons seeking agency services must be advised in writing (through written material provided or appropriate publicity) that registering to vote is voluntary and that the services of the agency are not conditioned upon being registered to vote.

● Self-mailing postage paid voter registration forms, specifically coded for Local Law 29 agencies, must be used in your distribution program. Agencies should secure these forms from the New York City Board of Elections. Please contact:

New York City Board of Elections
Office of Supplies and Information
32 Broadway, 7th Floor
New York, NY 10004
(212) 487-5320

● At the earliest practicable printing of agency forms, a self-mailing postage paid voter registration form approved by the New York City Board of Elections is to become part of agency applications in a format that is detachable.

● Promotional materials designed and approved by the New York City Board of Elections or the New York State Board of Elections for use in state agency programs must be prominently displayed at each agency location where voter registration forms are being distributed.

● Language appropriate forms should be attached to all non-English forms to the extent practicable (e.g., Spanish language forms should be attached to Spanish language applications). In addition, alternative language (Spanish and Chinese) forms must be made available as necessary at agency locations.

● At your agency's discretion, clients may be assisted with the completion of a voter registration form.

● Local Law 29 contains certain prohibitions that should be communicated to agency employees and contractors as appropriate.

Agency employees or contractors shall not:
1. Seek to influence an applicant's political preference or party designation;

2. Display any political preference or party allegiance;

3. Make any statement to an applicant or take any action the purpose or effect of which is to discourage the applicant from registering to vote; or

4. Make any statement to an applicant or take any action the purpose or effect of which is to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of services or benefits.

● At your agency's discretion, completed voter registration forms may be received from those agency clients who wish to have their completed forms transmitted to the New York City Board of Elections. If your agency decides to collect forms, these forms must be transmitted within two weeks of receipt, unless a form is collected within five days of the last day for registration to vote in a citywide election. If a form is collected within five days of the last day to register, it must be transmitted to the New York City Board of Elections no later than five days after the date of acceptance.

● If your agency decides not to receive forms but a client inadvertently returns a completed voter registration form to the agency, agency employees should be instructed to promptly mail the form. If the voter registration form is not self-mailing, the form should be inserted in a stamped envelope addressed to the New York City Board of Elections, 32 Broadway, 7th Floor, New York, NY 10004 and mailed. Under no circumstances should completed forms be filed, discarded, or otherwise stored.

VAC's Additional Suggestions for Agency Voter Registration Efforts

The Voter Assistance Commission has the following additional suggestions for your agency's consideration in implementing Local Law 29:

Posters, Buttons and Stickers

Any items that may be available through the New York City Board of Elections, such as buttons, stickers, and educational materials may also be provided to clients in the reception room of each agency location.

Mail

A tag line imprinted with postage (a postage meter option) or other stamp indicating that voter registration forms are enclosed or are now available through the agency may be stamped on all outgoing mail.

Website

Agencies may add banners to their homepages announcing the availability of voter registration forms on certain of their web pages. Agencies may also provide a hyperlink to voter assistance related web pages.

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

DESIGN/BUILD REHAB. OF BELT PKWY. – Competitive Sealed Proposals* – PIN# 84100BKBR021 – DUE 08-06-01 AT 2:00 P.M. – Design, construction, resident engineer inspection and construction support services for the rehabilitation of the bridge carrying the Belth (shore) Parkway over Ocean Parkway and roadways adjacent to it in the Borough of Brooklyn. Maximum contract amount is $58,300,000.00. The City of New York Department of Transportation, Division of Bridges is requesting submission of proposals from qualified consulting engineering or construction contracting companies as well as joint ventures. The company shall be responsible for the construction of the bridge in conjunction with the interchange reconstruction as well as all aspects of planning, complete design, preparation of construction documents, community coordination, resident engineering inspection and support services during construction. Request for Proposal documents will be available as of July 9, 2001. A pre-proposal conference will be held on July 26, 2001 at 10:00 A.M. at 2 Rector Street, 8th Floor, Conference Room, New York, NY 10006. For additional information please contact Ms. Chris Sklavounakis, P.E. at (212) 788-2078.

Special Case Determination Pursuant to the Procurement Policy Board Rules: (See attached).

Special Case Determination
Pursuant to the Procurement Policy Board Rules:
● The preferred method of solicitation for construction is the competitive sealed bidding method. However, the Department of Transportation has determined that it is the best interest of the City to use the competitive sealed proposal method to obtain design/build services because of the exigent nature of the required reconstruction, the increasingly debilitative state of the subject sub and superstructures and the time savings (39 versus 95 months). Any other method or type of contract is estimated to last an additional four and two-thirds years, further risking potential threats to life and property, and perhaps leading to the closure of the bridge, thus exacerbating neighborhood traffic congestion and having a tremendous impact on the Belt system.

● The DOT ACCO has determined that it is not practicable or not advantageous to the City to use competitive sealed bidding because: a) specifications cannot be made sufficiently definite and certain to permit selection based on bid price or evaluated bid price alone; and b) judgement is required in evaluating competing proposals, and it is the best interest of the City to require a balancing of price, quality and other factors; and

● The Department of Transportation has determined it is not practicable and/or advantageous to award the subject contract by competitive sealed bidding because: a) safety concerns can be addresssed 56 months earlier with a design/build contract rather than with a conventional design, bid, build contract; b) separate procurement for the design and build phases would be required; c) construction could not commence until design is complete and d) extensive coordination between design and construction, especially as regards changes, would be enhanced and this is best achieved through a design/build contract.

● The Department of Transportation has determined that competitive sealed proposals is the most competitive method that is appropriate under the circumstances because, based on the above, the Department of Transportation has determined that competitive sealed bidding is not practical or not advantageous to the City.

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Amendment to Rule Determining Public Servants Charged with Substantial Policy Discretion

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Conflicts of Interest Board by Sections 2603(a), 2604(b)(12), and 2604(b)(15) of the New York City Charter that the Conflicts of Interest Board has adopted an amendment to its rule on public servants charged with substantial policy discretion, Section 1-02 of Title 53 of the Rules of the City of New York, authorizing agencies to make available for public inspection a copy of the agency's current list of those public servants whom the agency has designated as having substantial policy discretion.

Pursuant to a notice published on April 4, 2001, in The City Record, a public hearing was held on May 15, 2001, at 2 Lafayette Street, Suite 1010, New York, New York. The Board received no comments on the proposed amendment. The text of the amendment is set forth below.

§ 1-02. PUBLIC SERVANTS CHARGED WITH SUBSTANTIAL POLICY DISCRETION.

(a) For purposes of Charter §2604(b)(12) and §2604(b)(15), a public servant is deemed to have substantial policy discretion if he or she has major responsibilities and exercises independent judgment in connection with determining important agency matters. Public servants with substantial policy discretion include, but are not limited to: agency heads, deputy agency heads, assistant agency heads, members of boards and commissions, and public servants in charge of any major office, division, bureau or unit of an agency. Agency heads shall:

[(a)](1) designate by title, or position, and name the public servants in their agencies who have substantial policy discretion as defined by this section;

[(b)](2) file annually with the Conflicts of Interest Board, no later than September 30 of each year, a list of such titles or positions and the names of the public servants holding them; and

[(c)](3) notify these public servants in writing of the restrictions set forth in Charter § 2604(b)(12) and § 2604(b)(15) to which they are subject.

If the Conflicts of Interest Board determines that the title, position, or name of any public servant should be added to or deleted from the list supplied by an agency, the Board shall notify the head of the agency involved of that addition or deletion; the agency shall in turn promptly notify the affected public servant of the change.

(b) Each agency may make available for public inspection a copy of the most recent list filed by the agency, with any additions or deletions made by the Board pursuant to subdivision (a) of this section.

STATUTORY AUTHORITY: Sections 2603(a), 2604(b)(12), and 2604(b)(15) of the New York City Charter.

STATEMENT OF BASIS OF PURPOSE OF THE AMENDMENT:

Section 2604(b) of the New York City contains two provisions

imposing restrictions on political fundraising and the holding of political party office by certain high-level public servants. Included within the restriction are enumerated officials as well as those public servants who are charged with "substantial policy discretion as defined by rule of the board." Specifically, section 2604(b)(12) provides:

12. No public servant, other than an elected official, who is a deputy mayor, or head of an agency or who is charged with substantial policy discretion as defined by rule of the board, shall directly or indirectly request any person to make or pay any political assessment, subscription or contribution for any candidate for an elective office of the city or for any elected official who is a candidate for any elective office; provided that nothing contained in this paragraph shall be construed to prohibit such public servant from speaking on behalf of any such candidate or elected official at an occasion where a request for a political assessment, subscription or contribution may be made by others.

Section 2604(b)(15) provides:

15. No elected official, deputy mayor, deputy to a citywide or boroughwide elected official, head of an agency, or other public servant who is charged with substantial policy discretion as defined by rule of the board may be a member of the national or state committee of a political party, serve as an assembly district leader of a political party or serve as the chair or as an officer of the county committee or county executive committee of a political party, except that a member of the council may serve as an assembly district leader or hold any lesser political office as defined by rule of the board.

Pursuant to those Charter provisions, the Board adopted section 1-02 of Title 53 of the Rules of the City of New York, set forth above, defining "substantial policy discretion" and requiring each agency head to designate the public servants within the agency having such discretion, to file annually with the Board a list of those public servants, and to notify them of the restrictions set forth in Charter §§ 2604(b)(12) and 2604(b)(15). The rule further provides that the list supplied by the agency to the Board is subject to review and modification by the Board.

Although, as reflected in the Board's rule, the Charter vests in the Board the ultimate authority to determine whether any particular public servant is in fact charged with substantial policy discretion within the meaning of Chapter 68, prudent use of the Board's limited resources dictates that the Board not expend the enormous amount of staff time that would be required to review the actual duties of all higher level public servants throughout City service to determine whether the lists submitted by the agencies are accurate and complete. Instead, the Board currently reviews each list to determine whether it appears to include the types of positions required by the rule and then relies upon the public, the media, and other public servants to apprise the Board of possible errors in the lists submitted by agencies.

Thus, for example, if the media reports that a public servant, whose name does not appear on his or her agency's list, has hosted a fundraiser for a candidate for elective City office, the Board may investigate whether the duties and responsibilities of that public servant are such that he or she in fact possesses substantial policy discretion. Similarly, the Board sometimes receives a complaint that a public servant listed by his or her agency as having substantial policy discretion has acted in violation of Charter § 2604(b)(12) or § 2604(b)(15) but, upon investigation, determines that the public servant in fact possesses no such discretion and should be deleted from the agency's list.

Accordingly, in policing compliance with the requirements of Charter §§ 2604(b)(12) and 2604(b)(15), the Board must depend largely upon inquiries, reports, and complaints from the public, the media, and other public servants. Those communications, however, can prove meaningful only if the contents of the agencies' lists are available for public inspection. Therefore, the Board is amending its substantial policy discretion rule to provide for such public availability.

CORRECTION

■ NOTICE

NOTICE OF OPPORTUNITY to comment on proposed amendments to the rules relating to the Department of Correction's inmate rulebook imposing a $5.00 penalty upon inmates infracted and found guilty of internal disciplinary violations.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Correction by subdivision (b) of Section 389 and subdivision (a) of Section 1043 of the New York City Charter, and Section 9-114, subdivision (a), paragraph 2 of the Administrative Code, and in accordance with the requirements of Section 1043 (b) of the New York City Charter, that the Department of Correction proposes to amend Title 39 of the official compilation of the Rules of the City of New York. Matter underlined is new; matter in (brackets) is deleted.

Written comments regarding the proposed rules may be sent to:

Department of Correction
Office of the General Counsel
60 Hudson Street, Sixth Floor
New York, NY 10013

on or before June 29, 2001.

A public hearing shall be held on June 29, 2001 at 17 Battery Place, Fourth Floor, New York, NY at 10:00 a.m. Persons who need a sign language interpreter or other accommodations for a disability at the hearing are asked to notify the Office of the General Counsel at the foregoing address. Persons interested in receiving comments may request them by writing to: Department of Correction, Office of the General Counsel, 60 Hudson Street, Sixth Floor, New York, NY 10013.

Section I: Section 1-03, Subsection (b) of the Department of Correction Inmate Rule Book is amended by adding a new paragraph (7) to read as follows:

(7) Inmates, whether sentenced or detainees, who are found guilty of Grade I or Grade II offenses, shall be subject to a disciplinary surcharge of $5.00, to be deducted from the inmate's commissary account.

Section 2: Table I of subdivision (c), Section 1-03 of the Department of Correction Inmate Rule Book is amended by adding the following provision at the conclusion of Grade I and Grade II penalties:
Disciplinary Surcharge - $5.00

Section 3: Table II of subdivision (c), Section 1-03 of the Department of Correction Inmate Rule Book is amended by adding the following provision at the conclusion of Grade I and Grade II penalties:
Disciplinary Surcharge - $5.00

Statement of Basis and Purpose

The Commissioner of the Department of Correction is authorized by Sections 389, 1043 of the City Charter and Section 9-114 of the Administrative Code to adopt rules relating to the management of Department of Correction facilities and the conduct of inmates in such facilities.

The Department is proposing that its rules relating to the penalties that can be administered and the normative range of penalties be amended to include a $5.00 disciplinary surcharge pursuant to NYCRR 7006.9 (c), State Commission of Correction Minimum Standards.

The purpose of this rule is to further deter inmate misconduct and increase inmate compliance with institutional rules and regulations, thereby maintaining the good order of and increasing safety at the City's correctional institutions.

FY 02 REGULATORY AGENDA

SUBJECT AREA

Communicable Diseases and Veterinary Public Health Services

SUMMARY OF PROPOSED RULE

Amend Article 11 of the **New York City Health Code** to establish mandatory reporting to the Department of certain zoonotic diseases when found in animals.

REASON WHY ACTION IS BEING CONSIDERED

There is a recognized need to include "non-traditional partners" in the surveillance of public health diseases. As occurred in the case of the West Nile virus, animals may be the first indicator of the presence of an emerging pathogen. They may also be the first indicator of an act of biological bioterrorism.

INDIVIDUALS LIKELY TO BE AFFECTED

Animal health professionals (veterinarians, wildlife rehabilitators, animal care facilities) ; animal diagnostic laboratories

Safety Standards for Lead Paint Abatement

SUMMARY OF PROPOSED RULE

Amend Article 173 of the **New York City Health Code** to reflect new federal regulations and current industry standards.

REASON WHY ACTION IS BEING CONSIDERED

Recently enacted U.S. Environmental Protection Agency regulations establish national clearance for re-occupancy lead levels, which are more protective for children than the current levels specified in the Health Code. In addition, current industry standards have been established that specify how lead abatement contractors should seal off a work area while performing abatement. Changes to these sections of the Health Code are being considered to help further reduce children's exposure to lead hazards.

INDIVIDUALS LIKELY TO BE AFFECTED

Criteria and procedures, contained in 24 RCNY Chapter 16, for Issuing Special Vehicle Identification Parking Permits (also known as Parking Permits for People with Disabilities) to Disabled Persons

SUMMARY OF PROPOSED RULE

Amend Commissioner Regulations found at Chapter 16 of Title 24 of the Rules of the City of New York containing the medical standards and the procedures for issuing special vehicle identification parking permits ("SVIPP") by the Department of Transportation. Prior to 1998, when these rules were last amended, 24 RCNY Chapter 16 consisted solely of the medical criteria and standards followed by Department of Health Employees' Health Program physicians in determining medical eligibility for these permits. In light of the authority vested in the Department by Local Law No. 43 of 1995 to designate providers to perform these SVIPP certifications, the Department in 1998 amended these rules to authorize the use of city-employed physicians made available by the Health & Hospitals Corporation, pursuant to a contract with the Health & Hospitals Corporation and the Department of Transportation, to perform the medical certifications of SVIPP applications submitted to the Department of Transportation. Other changes to the rules were enacted at that time. Throughout this period, since about 1997, a Task Force in the Mayor's Office of Operations has monitored the operations of the SVIPP program. Over the past three years it has become apparent that additional changes need to be made to these rules to ensure that they are reflective of current practice and consistent with effective management of the SVIPP program.

REASON WHY ACTION IS BEING CONSIDERED

Based upon the recommendations of the Task Force, the Department's Office of Nursing and Quality Improvement, of which the Employee's Health Services Program is a part, is proposing that a number of changes be made to 24 RCNY Chapter 16 in order to ensure that they are more reflective of current practice and consistent with effective management of the SVIPP program.

INDIVIDUALS LIKELY TO BE AFFECTED

Persons applying for SVIPP permits in the future.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

ATTENTION: CONTRACTORS, MAINTENANCE WORKERS, SECTION 8 PROPERTY OWNERS AVAILABILITY OF LEAD-BASED PAINT MAINTENANCE TRAINING AND LEAD-BASED PAINT RENOVATION AND REMODELING TRAINING

The Department of Housing and Urban Development (HUD) is offering one-day training courses to assist rehab contractors, maintenance workers, painters, and property owners working in federally assisted housing built before 1978, to comply with HUD's new Lead-Safe Housing rule (24 CFR Part 35).

Two courses will be held in New York City. The "Lead Based Paint Maintenance Training Program" is designed for contractors, maintenance workers, painters, and property owners (including Section 8) and managers and other staff who are responsible for activities such as repainting and minor repairs. The Lead-Based Paint Renovation and Remodeling Course is targeted to contractors and workers performing rehabilitation or remodeling activities including weatherization, structural repairs and unit upgrading. Participants will be provided with a "Notice of Completion" stating that they are "trained in lead-safe work practices" and meet the "interim control" training requirements of the HUD rule. These courses are not for the licensing of inspectors, risk assessors abatement supervisors or abatement workers.

The Lead-Based Paint Maintenance Training Program will be held on Thursday, June 7th, Monday, June 25th, and Thursday, July 19th at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

The Lead-Based Paint Renovation and Remodeling Course will be held on Friday, June 8th, at the Federal Building, 26 Federal Plaza, 32nd Floor in Manhattan. On Tuesday, June 26th and Friday, July 20th, this course will be held at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

Courses start at 8:00 AM sharp and end at 5:00 PM. On site sign-in is from 7:30 - 8:00 AM. There are two 15-minute breaks and one hour for lunch (on your own). There is a multiple-choice test at the end of the course; the passing score is 70%. You must pass this test (95% of students do) to receive a Notice of Completion. Students must bring a pen or a pencil to make notes and take the test.

To register online, visit www.leadlisting.org (click on "HUD-sponsored training" and follow the instructions). You may also request a fax registration form by calling HUD's Lead-Paint Compliance Assistance Center toll-free at 1-866-HUD-1012. Each person may only register for one course.

CEQR Technical Manual Update

In 1993 the Mayor's Office of Environmental Coordination (MOEC) and the City's agencies compiled the City Environmental Quality Review (CEQR) Technical Manual. The CEQR Technical Manual is intended to assist and guide agencies, project sponsors, and the public in understanding CEQR. The Manual provides a detailed discussion of environmental review in New York City and presents methodologies for the CEQR process.

The Technical Manual is being reviewed and updated this year. MOEC is coordinating this effort. The update relies upon the expertise of many city agencies. The goal of this process is to streamline the Manual and to revise it so that it reflects current practices, procedures, analytical techniques, and applicable regulations for environmental review in the City.

The CEQR Technical Manual is not available on line. If you have any comments or recommended changes to the CEQR Technical Manual, please send them to CEQR Technical Manual Project Manager, Mayor's Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038 by June 1, 2001. MOEC will give your comments due consideration. Copies are available for review at MOEC during business hours by appointment. If you have any questions or wish to make an appointment to view the Manual, please call (212) 341-3095.

This announcement was also posted on the NYC.gov homepage as of May 16, 2001. It appears under City Government Links, Publications.

RFQ FOR THE NEW YORK STOCK EXCHANGE FACILITY – Request for Qualifications – DUE 06-19-01 AT 3:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York and in coordination with the New York State Urban Development Corporation, d/b/a Empire State Development Corporation, is issuing a Request for Qualifications (RFQ) for firms interested in providing Construction Management Services for the new proposed New York Stock Exchange Facility (NYSE Facility) to be located in lower Manhattan.

The planned NYSE Facility will accommodate the NYSE's trading operations and related activities within a state-of-the-art trading facility. In addition, EDC and New York City intend to offer for private development the right to construct an office tower above the NYSE Facility. The combined building will have in excess of 1.9 million square feet and rise 50 stories. The Project is currently in the design development stage. Work will include demolition of existing buildings on the site, core and shell construction of the NYSE Facility and the office tower. It is anticipated that the demolition phase of construction will begin in January 2002, with some pre-demolition work starting in October 2001.

EDC will review and evaluate the submitted RFQ packages and determine those qualified to receive a Request for Proposals (RFP). To receive a copy of the RFQ package, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to infor@newyorkbiz.com. Please refer to NYSE-0501 in the subject line. Four copies of your RFQ packages must be submitted to EDC by 3:00 p.m. on Tuesday, June 19, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.
Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.
This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the *Office of Administrative Trials* and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

RFQ FOR THE NEW YORK STOCK EXCHANGE FACILITY – Request for Qualifications – DUE 06-19-01 AT 3:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York and in coordination with the New York State Urban Development Corporation, d/b/a Empire State Development Corporation, is issuing a Request for Qualifications (RFQ) for firms interested in providing Construction Management Services for the new proposed New York Stock Exchange Facility (NYSE Facility) to be located in lower Manhattan.

The planned NYSE Facility will accommodate the NYSE's trading operations and related activities within a state-of-the-art trading facility. In addition, EDC and New York City intend to offer for private development the right to construct an office tower above the NYSE Facility. The combined building will have in excess of 1.9 million square feet and rise 50 stories. The Project is currently in the design development stage. Work will include demolition of existing buildings on the site, core and shell construction of the NYSE Facility and the office tower. It is anticipated that the demolition phase of construction will begin in January 2002, with some pre-demolition work starting in October 2001.

EDC will review and evaluate the submitted RFQ packages and determine those qualified to receive a Request for Proposals (RFP). To receive a copy of the RFQ package, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to infor@newyorkbiz.com. Please refer to NYSE-0501 in the subject line. Four copies of your RFQ packages must be submitted to EDC by 3:00 p.m. on *Tuesday, June 19, 2001.*

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the *Procurement Policy Board Rules, the open*

ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Special Case Determination Pursuant to the Procurement Policy Board Rules: (See attached).

Special Case Determination
Pursuant to the Procurement Policy Board Rules:

● The preferred method of solicitation for construction is the competitive sealed bidding method. However, the Department of Transportation has determined that it is the best interest of the City to use the competitive sealed proposal method to obtain design/build services because of the exigent nature of the required reconstruction, the increasingly debilitative state of the subject sub and superstructures and the time savings (39 versus 95 months). Any other method or type of contract is estimated to last an additional four and two-thirds years, further risking potential threats to life and property, and perhaps leading to the closure of the bridge, thus exacerbating neighborhood traffic congestion and having a tremendous impact on the Belt system.

● The DOT ACCO has determined that it is not practicable or not advantageous to the City to use competitive sealed bidding because: a) specifications cannot be made sufficiently definite and certain to permit selection based on bid price or evaluated bid price alone; and b) judgement is required in evaluating competing proposals, and it is the best interest of the City to require a balancing of price, quality and other factors; and

● The Department of Transportation has determined it is not practicable and/or advantageous to award the subject contract by competitive sealed bidding because: a) safety concerns can be addresssed 56 months earlier with a design/build contract rather than with a conventional design, bid, build contract; b) separate procurement for the design and build phases would be required; c) construction could not commence until design is complete and d) extensive coordination between design and construction, especially as regards changes, would be enhanced and this is best achieved through a design/build contract.

● The Department of Transportation has determined that competitive sealed proposals is the most competitive method that is appropriate under the circumstances because, based on the above, the Department of Transportation has determined that competitive sealed bidding is not practical or not advantageous to the City.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Section 2: Table I of subdivision (c), Section 1-03 of the Department of Correction Inmate Rule Book is amended by adding the following provision at the conclusion of Grade I and Grade II penalties:
Disciplinary Surcharge - $5.00

Section 3: Table II of subdivision (c), Section 1-03 of the Department of Correction Inmate Rule Book is amended by adding the following provision at the conclusion of Grade I and Grade II penalties:
Disciplinary Surcharge - $5.00

Statement of Basis and Purpose

The Commissioner of the Department of Correction is authorized by Sections 389, 1043 of the City Charter and Section 9-114 of the Administrative Code to adopt rules relating to the management of Department of Correction facilities and the conduct of inmates in such facilities.

The Department is proposing that its rules relating to the penalties that can be administered and the normative range of penalties be amended to include a $5.00 disciplinary surcharge pursuant to NYCRR 7006.9 (c), State Commission of Correction Minimum Standards.

The purpose of this rule is to further deter inmate misconduct and increase inmate compliance with institutional rules and regulations, thereby maintaining the good order of and increasing safety at the City's correctional institutions.

Storage permit. The term "[Storage] storage permit" shall mean the permit for the storage of more than two hundred (200) rounds of ammunition issued by the [New York City] Fire [Department] Commissioner.

§ 1-03 Applications. (a) A fee of $150 [must] shall accompany the application. All permits expire on [December 31st of each year] the first day of the second January following the date of issuance of the permit and [must] may be renewed thereafter. The renewal fee is also $150. The applicant [must make the] shall pay the applicable fee with a certified check or money order payable to "N.Y.C. Police Department."

(b) All applications, renewals, inquiries and information concerning licenses for dealers in [firearms] rifles and shotguns shall be made to the [Firearms Control] Rifle/Shotgun Section, License Division, New York City Police Department, 120-55 Queens Blvd., Kew Gardens, New York, 11424, (718) 520-9300. The [Firearms Control] Rifle/Shotgun Section shall prescribe the manner by which such license is issued.

(c) A valid license must contain the validation [stamp and] seal of the [Firearm Control] Rifle/Shotgun Section.

(d) No license shall be issued or renewed pursuant to these rules except by the Police Commissioner, and then only after investigation of the application including a review of the circumstances relevant to the answers provided in the application, and finding that all statements in a proper application for a license or renewal are true. The application may be disapproved if a false statement is made therein. No license shall be issued or renewed except for [any] an applicant:

(1) of good moral character;

(2) who has not been convicted anywhere of a felony or of any serious offense, as defined in § 265.00(17) of the New York State Penal Law, or of a misdemeanor crime of domestic violence as defined in § 921(a) of title 18, United States Code;

(3) who has stated whether s/he [or she] has ever suffered any mental illness or been confined to any hospital or institution, public or private, for mental illness and who is free from any [mental disorder, defects or diseases] disability or condition that would impair the ability to safely possess or use a [firearm] rifle or shotgun; [and]

(4) who has stated whether s/he is or has been the subject or recipient of an order of protection or a temporary order of protection, or the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act; and

(5) concerning whom no good cause exists for the denial of a license.

(e) An application for a license shall be made to the [Firearms Control] Rifle/Shotgun Section by submitting two copies of the prescribed form [P.D. 641-041] by the applicant, or in the case of a corporation or partnership, by a principal agent thereof. [This] All entries on this official form [must] shall be typewritten.

(f) An applicant, or principal agent, shall certify upon the application that s/he has been issued a [shotgun and] rifle/shotgun permit, the identification number thereof, that s/he maintains a regular place of business within New York City, the address of the same, that s/he is over the age of twenty-one, that s/he undertakes to supervise the acts of her/his, or in the case of a corporation or partnership, its employees, and that the applicant has not previously been refused a license as a dealer in [shotguns and] rifles and shotguns, and that no such license issued to her/him has been revoked.

(g) The [Firearms Control] Rifle/Shotgun Section shall reserve the right to require that every applicant for dealership and also any officer, partner, agent or employee of the proposed dealership be fingerprinted in contemplation of issuing a dealer's license. The [Firearms Control] Rifle/Shotgun Section shall also reserve the right to require photographs of all applicants and also of any officer, partner, agent, or employee of the proposed dealership.

(h) During the pendency of the application, the applicant shall notify the Rifle/Shotgun Section of any necessary correction to or modification of the information provided in the original application, or any change in her/his status or circumstances, which may be relevant to the application.

(i) If her/his license application is disapproved the applicant shall receive a written "Notice of Application Disapproval" from the Rifle/Shotgun Section indicating the reason(s) for the disapproval. If the applicant wishes to appeal the decision s/he shall submit a sworn written statement, which shall be known as an "Appeal of Application Disapproval," to the Division Head, License Division, One Police Plaza, Room 110A, New York, New York 10038 within thirty

(30) calendar days of the date on the "Notice of Application Disapproval" requesting an appeal of the denial, and setting forth the reasons supporting the appeal. The Appeal of Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant and notarized: "Under penalty of perjury, deponent being duly sworn, says that s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the applicant or her/his New York State licensed attorney shall not be accepted. All timely appeals shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the applicant of her/his determination. The Division Head, License Division shall not consider any documentation that was not submitted during the initial background investigation. There shall be no personal interviews to discuss appeals. If the appeal of her/his disapproval is denied, the applicant shall receive a "Notice of Disapproval After Appeal" letter from the Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

§ 1-04 Licenses and Licensees. (a) [All] For purposes of this section, all employees of a licensed dealer in [firearms] rifles and shotguns shall personally be in possession of a valid [firearms license] rifle/shotgun permit to purchase and possess rifles and shotguns issued by the [Firearms Control] Rifle/Shotgun Section. [This regulation shall not apply to a licensee whose business of dealing with firearms is secondary or incidental to its main merchandising operations. In such a business establishment, it shall apply only to those employees who have physical access to the firearms; this shall include, but not be limited to, clerks, salesmen, buyers, porters and cleaners.] Applications for dealer in [firearms] rifles and shotguns and for possession of [firearms licenses will] rifles and/or shotguns shall be processed together if submitted together.

(b) A dealer's license shall be valid for one year and may be renewed under the same conditions as for original issuance. All licensees shall be held responsible for renewing their licenses upon expiration. Any application to renew a license that has not previously expired, been revoked, suspended or cancelled shall thereby extend the term of the license until disposition is made of the application. Failure to renew a license after expiration shall result in [its] the cancellation [and revocation] of the license.

(c) [All licensees shall abide by the laws, rules, regulations, standards, and procedures promulgated by federal and state firearms enforcement agencies applicable to the licensee. Any violation thereof is cause for suspension and/or revocation of a license issued by the New York City Police Department.] Federal law requires that [firearms] dealers [must] in rifles and shotguns shall be licensed by the United States Government Bureau of Alcohol, Tobacco and Firearms (ATF). [If an applicant does not have a license from the ATF, he shall take steps to secure one before doing any business.] The New York City Police Department [will] shall notify the ATF of all dealer's [permits] licenses that are issued by the [Firearms Control] Rifle/Shotgun Section. The Police Department reserves the right to withhold a dealer's [permit] license from any applicant who does not have a federal license.

(d) All licensees shall be required to sign an acknowledgment that they shall be responsible for compliance with all laws, rules, regulations, standards, and procedures promulgated by federal, state, or local jurisdictions, and by federal, state, or local law enforcement agencies, that are applicable to each type of license or permit issued to them. The Rifle/Shotgun Section shall provide the licensee with the acknowledgment statement to be executed. This acknowledgment statement shall be notarized. Failure to execute the acknowledgment statement and to have it notarized shall result in the license application being denied.

(e) The licensee shall immediately notify the Rifle/Shotgun Section by telephone, followed by written notice within ten (10) calendar days, of any incident or violation of law or rules of federal, state, or local jurisdictions regarding her/himself, partners, officers, directors or stockholders of the licensed corporation or entity, or affecting the premises or business operations. For purposes of this subdivision, an incident includes:

(1) arrest, indictment or conviction in any jurisdiction;

(2) summons (except traffic infraction);

(3) suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act;

(4) the fact that the individual is or becomes the subject or recipient of an order of protection or a temporary order of protection;

(5) admission to any psychiatric institution, sanitarium and/or the receipt of psychiatric treatment;

(6) receipt of treatment for alcoholism or drug abuse;

(7) the presence or occurrence of a disability or condition that may affect the handling of a rifle/shotgun, including but not limited to epilepsy, diabetes, fainting spells, blackouts, temporary loss of memory, or nervous disorder;

(8) altered or mutilated license; or

(9) discharge of a rifle/shotgun on the licensee's premises.

(f) A dealer's license may be suspended and/or revoked [and repossessed] by the [Firearms Control] Rifle/Shotgun Section for good cause by the issuance of a Notice of Determination Letter to the licensee, which shall state in brief the grounds for the suspension or revocation and notify the licensee of the opportunity for a hearing [following notice and hearing]. The conviction of a licensee anywhere of a felony or serious offense as defined in § 265.00(17) of the Penal Law of New York State, or of a misdemeanor crime of domestic violence as defined in § 921(a) of title 18, United States Code, shall operate as a revocation of the license. [The licensee shall promptly report in writing to the Firearms Control Section any violations of law as regards himself, partners, officers, directors or stockholders of the licensed corporation, or any violation of law, rules of federal, state, or city jurisdictions affecting the premises or business operations.]

(g) If her/his license is suspended or revoked, the licensee shall be required to deposit any rifles or shotguns as well as any handgun license and any handguns in her/his possession with her/his local police precinct and forward a copy of the voucher together with her/his permit to the Rifle/Shotgun Section, 120-55 Queens Boulevard, Kew Gardens, N.Y. 11424, Room B-11. Her/his failure to comply within ten (10) calendar days from the date of suspension or revocation may result in the arrest of the licensee.

[(e)] (h) A license issued shall be valid only for the premises mentioned and described in the license. No license is transferable to another person or location. The license shall be prominently displayed on such premises, and available at all times for inspection by members of the New York City Police Department. Failure of any licensee to so exhibit or display her/his license shall be presumptive evidence that s/he is not duly licensed.

[(f) Licensees shall be held responsible to have knowledge of all new laws and/or amendments or regulations that may be enacted by the legislature or the New York City Police Department affecting dealers in firearms.] (i) Upon issuance of a written Notice of Determination Letter from the Rifle/Shotgun Section notifying the licensee of suspension or of revocation of the license, a suspended/former licensee shall have thirty (30) calendar days from the date of the notice to submit a written request for a hearing to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York, New York, 10038. A licensee whose arrest or summons resulted in suspension or revocation of her/his license may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the licensee becoming the subject of an order of protection or a temporary order of protection, the licensee may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply.

(j) Licensees shall be held responsible for having knowledge of all new laws and/or amendments or regulations that may be enacted through legislation or promulgated by the New York City Police Department affecting dealers in rifles and shotguns.

(k) Licensees shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to the license.

§ 1-05 [Firearms] Rifles/Shotguns and Ammunition. (a) No rifle or shotgun shall be sold, or given away, or disposed of, unless the transferee is authorized by law to possess such [firearm] rifle or shotgun. Any police officer[,] or peace officer [must] shall produce a shield and proper identification before purchasing a rifle or shotgun. A peace officer whose status does not confer authorization to possess firearms pursuant to § 2.10 of the New York State Criminal Procedure Law shall possess a rifle/shotgun permit in order to be a lawful transferee. Therefore, before delivering a rifle or shotgun to a peace officer without a rifle/shotgun permit, the licensee shall verify that person's status as a peace officer by telephoning the License Division Incident Section at (212) 374-5538 or 5539.

(b) Every dealer in [firearms] rifles and shotguns shall keep a record book provided by the [Firearms Control] Rifle/Shotgun Section (P.D. 641-50). This book shall contain a record of all dispositions and registrations of [firearms] rifles and shotguns purchased and disposed of by the dealer. Such records shall be maintained on the premises stated in the license and permanently preserved thereat. In the event of cancellation and/or revocation of the license, or discontinuance of business by a licensee, such records, as well as [firearms] rifles and shotguns stored on the premises, shall be surrendered to the New York City Police Department.

(c) In the event of loss or theft of any [longarm] rifle or shotgun, ammunition, dealer's license, or record, the licensee is required to report the loss or theft to her/his local precinct, and notify the [Firearm Control] Rifle/Shotgun Section by telephone on the next business day after discovery of the loss or theft. The licensee [must] shall follow up with a written notification to the [Firearm Control] Rifle/Shotgun Section within 10 calendar days of discovery of the loss or theft.

(d) In the event that any individual lacking authority to possess such weapon [leaves] attempts to leave any rifle or shotgun with a licensee for cleaning, repairing, or other processing, the licensee may accept the rifle or shotgun and obtain the name, address, telephone number, etc. of the person leaving the weapon. The licensee shall immediately report the incident to the precinct wherein the premises is located. If the licensee does not accept the rifle or shotgun for cleaning, repairing, or other processing, s/he shall report the incident to the precinct wherein the premises is located as soon as the individual possessing the weapon leaves the premises. [or in] In the event that such an individual offers to sell or otherwise dispose of such a weapon to a licensee, the licensee shall [immediately notify the Police Department] attempt to obtain the name, address, and telephone number of said individual and shall notify the precinct wherein the premises is located as soon as said individual leaves the premises.

(e) Any dealer who sells, offers to sell, stores, or otherwise disposes of ammunition in excess of two hundred (200) cartridges shall be required to obtain a storage permit from the Fire [Department] Commissioner. Dealer's licenses issued by the [Firearms Control] Rifle/Shotgun Section shall not be valid for the sale of ammunition unless the dealership is also in possession of a storage permit from the Fire Department. Upon receipt of an application which indicates an intention to sell or store ammunition, the [Firearms Control] Rifle/Shotgun Section [will] shall notify the Fire Department and ask them to conduct an inspection of the premises. The sale or storage of ammunition without a valid Fire Department permit [will] shall be deemed sufficient cause to revoke a dealer's license.

(f) No ammunition shall be stored, exhibited, or displayed in the windows, showcases, or doors of the licensee's premises.

(g) All other ammunition shall be stored in an area of the premises that can be reasonably secured, and is not in view of the public. Only the licensee and authorized employees shall have access to this storage area.

(h) (1) The quantities of cartridges and other ammunition stored on the premises shall not exceed the amounts fixed by the Fire Commissioner for storage of ammunition. These quantities so fixed shall be stated in the storage permit.

(2) All ammunition kept on the licensee's premises shall not be stored in an area where other materials of a highly flammable nature are manufactured, stored, or kept for sale. This restriction shall not apply to any person duly authorized to keep and sell gunpowder.

(i) (1) A record of all ammunition received and dispensed shall be registered in a bound book with pages consecutively numbered. This record book shall be separately maintained from the record book noting all [firearms] rifle and shotgun transactions. It shall be the responsibility of the licensee or a designated employee to make entries in this recordbook. This book, together with all invoices received, shall be kept in the ammunition storage area.

(2) This record shall be arranged in columnar form as outlined below. The first page of this book shall have an inscription bearing the name and address of the premises, license number, name of owner of premises, name of employee designated to make entries, and date of book being opened. Beginning with page 2, each even numbered page shall contain a record of ammunition received, and starting with page 3, each

odd numbered page shall contain a record of ammunition dispensed or sold.

(j) In the event of cancellation or revocation of the license or discontinuance of business by a licensee, such records shall be surrendered to the New York City Police Department.

(k) No ammunition suitable for use in a rifle of any [caliber] calibre, or for a shotgun of any gauge, shall be sold, given away, or otherwise disposed of to any person who has not been issued a rifle[and]/shotgun permit and a certificate of registration, and who does not exhibit the same to the dealer at the time of purchase. Rifle or shotgun ammunition shall not be sold to any such person except for the shotgun[,] or for the specific [caliber] calibre of rifle for which the certificate of registration has been issued.

(l) The [Firearms Control] Rifle/Shotgun Section advises all dealers that certain ammunition [calibers] calibres are considered to be interchangeable between rifles and handguns. Sales of ammunition in these [calibers must] calibres shall be recorded by dealers. The following list includes most of the [calibers] calibres likely to be sold as pistol, revolver, or interchangeable ammunition; however, it is not necessarily inclusive:

(m) Prospective buyers shall not be allowed to load weapons upon the premises of the licensee. If the sale of [both firearms and] one or more rifles and/or shotguns as well as ammunition is consummated, the ammunition box shall be sealed prior to the sale and the buyer shall be instructed that the [firearm] rifle or shotgun is not to be loaded on the premises. [This restriction is not meant to apply to a duly authorized rifle and shotgun range.]

(n) Pursuant to New York City Administrative Code § 10-312, it shall be a criminal violation for any person who is the lawful owner or lawful custodian of a rifle or shotgun to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of her/his immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device as defined in subdivision (o) of this section. Such offense shall constitute a misdemeanor if the offender has previously been found guilty of such violation or if the violation is committed under circumstances which create a substantial risk of physical injury to another person. The New York City Police Department recognizes that all licensees have incurred an obligation by being issued a dealer's [permit] license to maintain and dispose of [firearms] rifles and shotguns in a responsible fashion. In order to assist licensees, the [Firearms Control] Rifle/Shotgun Section has issued the following safety requirements in response to past incidents involving [firearm] dealers in rifles and shotguns:

(1) No weapons [should] shall be stored, exhibited or displayed in windows, [or] showcases, or doors of the premises. [Firearms] Rifle/shotgun storage or inventory areas [should] shall be physically separated from counter and display areas and access to these areas [should] shall be carefully controlled.

(2) All [firearm] rifle/shotgun display cases [should] shall be kept locked and secured at all times and not readily accessible to the public. All keys to such display cases [should] shall not leave the control of authorized personnel.

(3) All rifles and shotguns shall not be readily capable of firing. They shall be temporarily deactivated by removing magazines or bolts; or by securing with bars or chains through the trigger guard; or by using individual trigger locks or other safety locking devices composed primarily of steel or other metal of significant gauge to inhibit breaking.

(4) All [firearms] rifles and shotguns within a licensee's inventory [should] shall be tagged and cross referenced to the appropriate entry in the acquisition records.

(o) Pursuant to New York City Administrative Code § 10-311(a), it shall be unlawful for any person or business enterprise to dispose of any rifle or shotgun which does not contain a safety locking device, defined as a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user. The following types of safety locking devices will be deemed to comply with this provision:

(1) a trigger lock, which prevents the pulling of the trigger without the use of a key; or

(2) a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers; or

(3) a detachable or non-detachable locking device, composed primarily of steel or other metal of significant gauge to inhibit breaking, utilizing a metallic key or combination lock, rendering the weapon inoperable until the locking device is removed by an authorized person.

(p) Pursuant to New York City Administrative Code § 10-311(b), it shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to dispose of any rifle or shotgun in New York City unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the rifle or shotgun and on a separate sheet of paper included within the packaging enclosing the rifle or shotgun: "THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE WEAPON STORAGE. ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

(q) Pursuant to New York City Administrative Code § 10-311(c), any person who applies for and obtains authorization to purchase, or otherwise lawfully obtains, a rifle or shotgun shall be required to purchase or obtain a safety locking device at the time s/he purchases or obtains the rifle or shotgun.

(r) Pursuant to New York City Administrative Code § 10-311(d), the City of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of a safety locking device that may have been purchased in compliance with these rules.

§ 1-06 Security. A licensee [should] shall take all reasonable precautions to make the premises secure. These precautions [may] shall include but not be limited to all [or several of the following] applicable measures as listed below:

(a) Securing windows at or near ground level with expanded metal welded to bolted angle-iron frames.

(b) Securing the front of the premises with a metal folding scissors gate, roll-down door, or another similar device.

(c) Adequately protecting and securing all rear windows and doors, and skylights.

(d) Allowing the interior of the premises to be visible at all times; no drapes or blinds [should] shall be used that would block the view of police or passersby who might observe unusual activity within the premises.

(e) Illuminating fully the exterior and interior of the premises at night, and during the hours when business is not conducted within.

(f) Installing alarms, or other appropriate security/service systems upon the premises.

(g) Posting signs prominently on the premises warning of the presence of electronic or other types of security systems and containing penalties for criminal violations.

(h) [*Installing high-security cylinder locks in all doors.*] Installing high-security cylinder locks in all doors.

(i) In order to properly protect a licensee's premises and the weapons and ammunition stored within, the New York City Police Department requires that dealers [take advantage of] utilize its "Crime Prevention Security Survey." [This program, sponsored by the Department, has been proven effective in establishing a comprehensive security plan for both commercial and residential premises.] A member of the New York City Police Department[, who is an expert in crime prevention,] will come to a licensee's business establishment and inspect the building for security measures. After the inspection, the officer will recommend and suggest various methods in order to better protect the premises. These recommendations may include the choice of locks, gates, and alarm systems suitable for the licensee's premises. The inspection is free of charge. Licensees [should] shall contact their local [Police Precinct] police precinct, and [ask for] request an appointment with the Crime Prevention Officer or the Community Policing Supervisor for [an appointment] a survey of the premises.

Rifle/Shotgun Section. The term "Rifle/Shotgun Section" shall mean the Rifle/Shotgun Section of the License Division of the New York City Police Department. The "Rifle/Shotgun Section" was at one time known as the "Firearms Control Section."

Rifle[and]/shotgun permit. The term "rifle[and]/shotgun permit" shall mean the [license] permit issued by the [Firearms Control] Rifle/Shotgun Section for the possession and purchase of [longarms] rifles and shotguns.

Shotgun. [In accordance with the provisions and standards in § 265.00 of the New York State Penal Law, the] The term "shotgun" shall mean a [weapon designed or redesigned, and made or remade, and intended to be fired from the shoulder; and designed or redesigned, and made or remade, to use the energy of the explosive in a fixed shotgun to fire through a smooth bore either a number of ball shot or a single projectile for each single pull of the trigger. A] "shotgun" as defined in § 265.00 of the New York State Penal Law, except that for purposes of this chapter, a shotgun shall have a barrel length of no less than eighteen inches and an overall length of no less than twenty-six inches.

Storage permit. The term "storage permit" shall mean the permit for the storage of more than two hundred (200) rounds of ammunition issued by the Fire Commissioner.

§ 2-03 Applicability. These rules shall apply to any person, firm, partnership, corporation, company or other entity, association, educational institution, cultural institution, or paramilitary organization possessing rifles and/or shotguns for the purpose of holding itself out to the general public as a business providing security or protection services for compensation; or instructing individuals in the use of rifles and/or shotguns; or engaging in a military drill or parade with rifles and/or shotguns; or organizing and supervising a competition or target practice involving the use of rifles and/or shotguns.

§ 2-04 Original Applications and Renewals. (a) All applications, renewals, requests for information and inquiries by an organization pursuant to these regulations shall be made to the [Firearms Control] Rifle/Shotgun Section, License Division, New York City Police Department, [City of New York,] 120-55 Queens Blvd., Kew Gardens, N.Y. 11424, (718) 520-9300. The [Firearms Control] Rifle/Shotgun Section shall prescribe and enforce the manner in which an organization may be registered to possess [longarms] rifles and shotguns.

(b) A letter prepared on the letterhead of the organization [must] shall accompany the official application. In addition to a request to be designated an organization to possess [longarms] rifles and shotguns, this letter [must] shall set forth:

(1) the [name] names of the custodian and alternate custodian;

(2) the manner in which the [longarms will] rifles and shotguns shall be secured when not in use.

The applicant [must] shall also submit two (2) [recent] color photographs each of the designated custodian and alternate custodian, size 1-1/2 X 1-1/2 inches, taken within the past thirty (30) days, front view from the chest up, with the application.

(c) During the pendency of the application, the applicant shall notify the Rifle/Shotgun Section of any necessary correction to or modification of the information provided in the original application, or any change in her/his status or circumstances, which may be relevant to the application.

(d) If the application is disapproved the organization shall receive a written "Notice of Application Disapproval" from the Rifle/Shotgun Section indicating the reason(s) for the disapproval. If the organization wishes to appeal the decision it shall submit a sworn written statement, which shall be known as an "Appeal of Application Disapproval," to the Division Head, License Division, One Police Plaza, Room 110A, New York, New York 10038 within thirty (30) calendar days of the date on the "Notice of Application Disapproval" requesting an appeal of the denial, and setting forth the reasons supporting the appeal. The Appeal of Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant and notarized: "Under penalty of perjury, deponent being duly sworn, says that s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the organization or its New York State licensed attorney shall not be accepted. All timely appeals shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the organization of her/his determination. The Division Head, License Division shall not consider any documentation that was not submitted during the initial background investigation. There shall be no personal interviews to discuss appeals. If the appeal of the disapproval is denied, the organization shall receive a "Notice of Disapproval After Appeal" letter from the Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

(e) An organization registration certificate shall expire on the last day of the third [31st day of] December after the date of issue and [shall] may be renewed [for each additional year] every three (3) years thereafter. A renewal application shall be forwarded to the organization at least thirty (30) calendar days prior to the expiration date. If the renewal application is not received in a timely manner, the custodian or alternate custodian shall so notify the Rifle/Shotgun Section by telephone. Certificates may be renewed under the same conditions as original issuance. An application for issuance or renewal of a certificate may be disapproved if a false statement is made therein. All organizations shall be held responsible for renewing a certificate upon expiration. [Any application to renew a certificate that has not previously expired, been revoked, or cancelled shall extend the term of the registration until disposition is made of the application for renewal.] Failure to renew a registration [within thirty (30) days after] prior to its expiration date shall result in its cancellation [and revocation].

[(d)] (f) An organization registration certificate issued shall be valid only for the organization, [and] custodian and alternate custodian mentioned and described in the certificate. A certificate shall not be transferable to another organization. The certificate and all [longarms] rifles and shotguns possessed by an organization shall be available for inspection by members of the New York City Police Department. Failure by any organization to so exhibit a registration certificate shall be presumptive evidence that it is not duly registered.

[(e)] (g) All organizations shall abide by the laws, rules, standards, and procedures promulgated by federal, state and local [firearms] jurisdictions and law enforcement agencies applicable to the organization. A violation thereof is cause for suspension or revocation of a registration certificate issued by the [Firearms Control] Rifle/Shotgun Section. Upon suspension or revocation of a registration certificate, the custodian or alternate custodian shall deposit all rifles/shotguns in the organization's possession with her/his local police precinct and forward a copy of the voucher together with the registration certificate to the Rifle/Shotgun Section, 120-55 Queens Boulevard, Kew Gardens, N.Y. 11424, Room B-11. Her/his failure to comply within ten (10) calendar days from the date of suspension or revocation may result in arrest or other action by the Police Department.

[(f)] (h) An organization registration certificate may be revoked or suspended by the [Firearms Control] Rifle/Shotgun Section for good cause by the issuance of a Notice of Determination Letter to the organization, which shall state in brief the grounds for the suspension or revocation and notify the organization of the opportunity for a hearing [following notice and a hearing, or as provided in § 2-04(c)].

(i) Upon issuance of a written Notice of Determination Letter from the Rifle/Shotgun Section notifying the organization of suspension or revocation of a registration certificate by the Rifle/Shotgun Section, the organization shall have thirty (30) calendar days from the date of the notice to submit a written request for a hearing to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York, New York 10038.

§ 2-05 Custodian Appointment and Duties. (a) Upon application an organization shall appoint [an] two (2) active [member] members or [employee] employees of the organization to be personally responsible for all [longarms] rifles and shotguns possessed by the organization, its employees or members. [This individual] These individuals shall be known as the custodian and alternate custodian.

(b) It shall be certified upon an application for registration that the custodian [is a] and alternate custodian are rifle[and]/shotgun permit [holder] holders; the identification [number] numbers thereof; that [he is an] they are active [member] members or [employee] employees of the organization; that [he undertakes] they undertake to supervise the acts of the employees and members of the organization while they use any [longarms] rifles or shotguns possessed by the organization; and that [he has] they have not been previously denied or had revoked appointment as a custodian or alternate custodian for the applicant or any other organization. If the organization does not have two active members or employees, the custodian shall be an active member or employee and the alternate custodian shall be a suitable designated individual who possesses a rifle/shotgun permit.

(c) The [Firearms Control] Rifle/Shotgun Section reserves the right to require [a] the custodian and alternate custodian to be fingerprinted and/or photographed in contemplation of issuing an organization registration certificate.

(d) The custodian and alternate custodian shall ensure that all members or employees using [longarms] rifles and shotguns registered by the organization are licensed by the [Firearms Control] Rifle/Shotgun Section to possess rifles and shotguns. The provisions of § 2-05(d) shall not be applicable to the following organizations:

(1) An organization actively engaged in the instruction of minors in the use of [longarms] rifles and/or shotguns or the supervision of a competition or target practice for minors. A custodian and alternate custodian, designated by an organization of this nature, shall closely supervise all minors using [longarms] rifles and/or shotguns registered by the organization, and ensure that such minors are instructed in the safe use of [longarms] rifles and/or shotguns.

(2) A paramilitary organization actively engaged in the presentation of military drill or parade. A custodian and alternate custodian designated by an organization of this nature shall closely supervise all individuals using [longarms] rifles and/or shotguns during all military drills or parades. The custodian and alternate custodian shall also ensure that such [longarms] rifles and/or shotguns are not loaded during such events.

(e) The conviction of a custodian or alternate custodian anywhere of a felony or serious offense as defined in § 265.00(17) of the New York State Penal Law, or of a misdemeanor crime of domestic violence as defined in § 921 (a) of title 18, United States Code, [shall operate as a] may require suspension or revocation of an organization's registration certificate. An organization's registration certificate may be suspended or revoked if the custodian or alternate custodian is the subject or recipient of an order of protection or a temporary order of protection, or the subject of an ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(f) A custodian or alternate custodian shall [promptly report] immediately notify the Rifle/Shotgun Section by telephone, followed by written notice within ten (10) calendar days, of [in writing to the Firearms Control Section] any incident or violation of law[,] or rules [or regulations] of federal, state, or [municipal] local jurisdictions regarding the custodian or alternate custodian, or affecting the premises or business [operation] operations. For purposes of this subdivision, an incident includes:

(1) arrest, indictment or conviction in any jurisdiction;

(2) summons (except traffic infraction);

(3) suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act;

(4) the fact that the custodian or alternate custodian is or becomes the subject or recipient of an order of protection or a temporary order of protection;

(5) admission to any psychiatric institution, sanitarium and/or the receipt of psychiatric treatment;

(6) receipt of treatment for alcoholism or drug abuse;

(7) the presence or occurrence of a disability or condition that may affect the handling of a rifle/shotgun, including but not limited to epilepsy, diabetes, fainting spells, blackouts, temporary loss of memory, or nervous disorder;

(8) lost, stolen, altered or mutilated certificate of registration or organization registration

certificate; or

(9) unlawful discharge of a rifle/shotgun.

(g) An organization shall inform the [Firearms Control] Rifle/Shotgun Section in writing of any proposed change of custodianship or any other amendment of its registration. An organization shall not alter a registration certificate [of registration] without the permission of the [Firearms Control] Rifle/Shotgun Section.

(h) The custodian and alternate custodian shall each be required to sign an acknowledgment that s/he shall be responsible for compliance with all laws, rules, regulations, standards, and procedures promulgated by federal, state, or local jurisdictions, and by federal, state, or local law enforcement agencies, that are applicable to each type of license or permit issued to her/him and to the organization. The Rifle/Shotgun Section shall provide the custodian and alternate custodian with the acknowledgment statement. These acknowledgment statements shall be notarized. Failure to sign the acknowledgment statements and have them notarized shall result in denial of the application for the organization registration certificate. Upon appointment, each successive custodian and alternate custodian shall be required to sign an acknowledgment statement and have it notarized. Failure to do so shall result in the suspension or revocation of the organization's registration certificate. Custodians and alternate custodians shall be held responsible [to have] for having knowledge of all new laws and rules that may be enacted by [Municipal] local, [State] state, or [Federal] federal legislatures or promulgated by the New York City Police Department affecting their organization.

(i) The custodian and alternate custodian shall be responsible for securing all rifles and shotguns and all ammunition possessed by the organization at the close of business/activities every day. Failure to do so shall constitute good cause for suspension or revocation of the organization's registration certificate.

(j) Pursuant to New York City Administrative Code § 10-311(a), it shall be unlawful for any person or business enterprise to dispose of any rifle or shotgun which does not contain a safety locking device, defined as a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user. The following types of safety locking devices will be deemed to comply with this provision:

(1) a trigger lock, which prevents the pulling of the trigger without the use of a key; or

(2) a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers; or

(3) a detachable or non-detachable locking device, composed primarily of steel or other metal of significant gauge to inhibit breaking, utilizing a metallic key or combination lock, rendering the weapon inoperable until the locking device is removed by an authorized person.

(k) Pursuant to New York City Administrative Code § 10-311(b), it shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to dispose of any rifle or shotgun in New York City unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the rifle or shotgun and on a separate sheet of paper included within the packaging enclosing the rifle or shotgun: "THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE WEAPON STORAGE. ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

(l) Pursuant to New York City Administrative Code § 10-311(c), any person who applies for and obtains authorization to purchase, or otherwise lawfully obtains, a rifle or shotgun shall be required to purchase or obtain a safety locking device at the time s/he purchases or obtains the rifle or shotgun.

(m) Pursuant to New York City Administrative Code § 10-311(d), the City of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of a safety locking device that may have been purchased in compliance with these rules.

(n) Organizations, custodians and alternate custodians shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to the certificate.

§ 2-06 Storage of [Firearms] Rifles and Shotguns and Ammunition. (a) Pursuant to New York City Administrative Code § 10-312, it shall be a criminal violation for any person who is the lawful owner or lawful custodian of a rifle or shotgun to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of her/his immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device as defined in section 2-05(j) of this chapter. Such offense shall constitute a misdemeanor if the offender has previously been found guilty of such violation or if the violation is committed under circumstances which create a substantial risk of physical injury to another person. The [Firearms Control] Rifle/Shotgun Section recognizes that all organizations have incurred an obligation by being registered to maintain and use [longarms] rifles and shotguns in a responsible fashion. In order to assist organizations, the [Firearms Control] Rifle/Shotgun Section has issued the following safety guidelines for storing [longarms] rifles and shotguns on the premises:

(1) All rifle and shotgun cases shall be kept locked and secured at all times and shall be inaccessible to unauthorized individuals. All keys to such cases [should] shall not leave the control of the custodian or alternate custodian.

(2) Rifles and shotguns shall be incapable of firing when not in use. Rifles and shotguns may be temporarily deactivated by removing magazines or bolts; by securing with bars or chains through the trigger guard; or by using individual trigger locks or other safety locking devices composed primarily of steel or other metal of significant gauge to inhibit breaking.

(3) A custodian and alternate custodian shall keep [an] one updated inventory of all [longarms] rifles and shotguns possessed by the organization in the event of loss or theft. Such inventory shall include a full description of each [longarm] rifle and shotgun including manufacturer, model, serial number, if applicable, and calibre or gauge. The certificate of registration issued for each [longarm should] rifle and shotgun shall accompany these records.

(4) In the event of loss or theft of any [longarm] rifle or shotgun, certificate of registration, ammunition, or [Organization Certificate] organization registration certificate, the custodian or alternate custodian is required to report the loss or theft to her/his local precinct and notify the [Firearm Control] Rifle/Shotgun Section by telephone on the next business day after discovery of the loss or theft. Follow up with a written notification to the [Firearm Control] Rifle/Shotgun Section within 10 calendar days of discovery of the loss or theft is also required.

(b) Any organization that stores in excess of two hundred (200) cartridges shall be required to obtain a storage permit from the Fire Commissioner. The storage of ammunition without a valid permit issued by the Fire Commissioner [will] shall be deemed sufficient cause to revoke an organization's registration certificate.

(c) The quantities of cartridges and other ammunition stored on the premises shall not exceed the amounts fixed by the Fire Commissioner for storage of ammunition. The quantities so fixed shall be stated in the storage permit.

(d) All ammunition kept on the premises shall not be stored in an area where other materials of a highly flammable nature are manufactured or stored.

(e) Ammunition shall be stored in an area of the premises that can be reasonably secured. Only the custodian, alternate custodian, and authorized members or employees shall have access to this storage area.

(f) A custodian and alternate custodian shall take reasonable precautions to make the premises secure. These precautions [may] shall include but not be limited to all applicable measures as listed below:

(1) Adequately protecting and securing all rear windows, doors and skylights.

(2) Securing windows at or near ground level with expanded metal welded to belted angle-iron frames.

(3) Installing alarms or other appropriate security/service systems upon the premises.

(4) Posting signs prominently on the premises warning of the presence of electronic or other types of security systems and containing penalties for criminal violations.

(5) Installing high-security cylinder locks in all doors.

(6) Illuminating fully the exterior and interior of the premises at night, and during the hours when business is not conducted within.

§ 2-07 Security Plan. In order to properly protect an organization's premises and the [longarms] rifles, shotguns and ammunition stored within, the [Firearms Control] Rifle/Shotgun Section requires that custodians [take advantage of] utilize the New York City Police Department's Crime Prevention Security Survey. [This program, sponsored by the Police Department, has proven effective in establishing a comprehensive security plan for both commercial and residential premises.] A member of the New York City Police Department[, qualified as an expert in crime prevention,] will come to an organization's premises and inspect the building for security measures. After the inspection, the officer will recommend and suggest various methods designed to better protect the premises. These recommendations may include the choice of locks, gates, and alarm systems suitable for the premises. The inspection is free of charge. An organization [should] shall contact its local police precinct, and request an appointment with the Crime Prevention Officer or the Community Policing Supervisor for a survey of the premises of the organization.

§ 2-08 Separability. If any clause, sentence, paragraph, or part of these rules of the application to any organization, custodian, or circumstances shall be determined to be invalid, such determination shall not affect, impair or invalidate the remainder thereof.

Note: References within this chapter to the masculine shall be presumed to include the feminine and neuter. References to the singular shall be presumed to include the plural.

Chapter 3 of Title 38 of the Rules of the City of New York is amended to read as follows:

Chapter 3 Rifle[and]/Shotgun [Licensees] Permits

§ 3-01 Introduction. All New York City rifle and shotgun [licensees must] permittees shall be aware of the responsibilities incurred by accepting a permit. The [licensee] permittee should especially be familiar with the rules applicable to the possession of a rifle or shotgun or both. The following rules for the proper and safe use of rifles and shotguns have been promulgated by the Police Commissioner of the New York City Police Department. A violation of these provisions may be cause for suspension or revocation of a rifle/shotgun permit.

§ 3-02 Application for Permit. (a) The applicant [must] shall complete the application supplied to her/him by the Police Department.

(b) The minimum age for obtaining a permit is 18 years of age.

(c) (1) If the applicant was ever arrested for any crime or violation s/he [must] shall submit a certificate of disposition indicating the offense and final disposition of the charges. The applicant [must] shall do this even if the case was dismissed, the record sealed or the case nullified by operation of law ([i.e.] e.g., Youthful Offender Status). Any omission of a previous arrest may result in the [rejection] denial of the application.

(2) [If the applicant was ever convicted of a felony in the U.S. District Court or a court of another state, before his application can be considered the applicant must apply for a Certificate of Relief from Disabilities from the Bureau of Alcohol, Tobacco and Firearms, United States Department of Treasury.

(3)] If the applicant was ever convicted in New York State of a felony or a serious offense as defined in [§ 265.00, subdivision 17,] § 265.00(17) of the New York State Penal Law, s/he [must] shall get a New York State Certificate of Relief from [Forfeitures and] Disabilities.

(3) No permit shall be issued or renewed to any applicant who has been convicted of a misdemeanor crime of domestic violence, as defined in § 921(a) of title 18 of the United States Code, or who is the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(d) If the applicant was discharged from the Armed Forces under other than honorable conditions s/he [must] shall submit a copy of her/his separation papers and a notarized statement explaining the reason for discharge.

(e) If the applicant's answer to Question 2, 3 or 4 on the application is YES s/he [must] shall submit a letter from a licensed physician stating that s/he[/she] has examined the applicant within the last 30 days, that the examination included a review of the applicant's medical record and all pertinent hospital and institutional records, and [must] shall conclude that the applicant is capable of possessing a rifle or a shotgun without presenting a danger of harm to the applicant or to others. Further evidence may be requested.

(f) Four color photographs, [full face,] 1-1/2["] X 1-1/2["] inches, of the applicant, from the chest up, taken within the past thirty (30) days [must] shall accompany the application. The wearing of any article of clothing or other adornment obscuring the identification of the wearer is not acceptable.

(g) Payment of applicable fees shall be made by certified check or money order, made payable to the N.Y.C. Police Department or to the N.Y.S. Division of Criminal Justice Services, respectively.

(h) All permittees shall be required to sign an acknowledgment that they shall be responsible for compliance with all laws, rules, regulations, standards, and procedures promulgated by federal, state, or local jurisdictions, and by federal, state, or local law enforcement agencies, that are applicable to this permit. The Rifle/Shotgun Section shall provide the permittee with the acknowledgment statement. This acknowledgment statement shall be notarized. Failure to sign the acknowledgment statement and have it notarized shall result in denial of the permit application.

(i) During the pendency of the application, the applicant shall notify the Rifle/Shotgun Section of any necessary correction to or modification of the information provided in the original application, or any change in her/his status or circumstances, which may be relevant to the application.

§ 3-03 Grounds for Denial of Permit. An application for rifle/shotgun permit may be denied if:

(a) The applicant has been arrested, indicted or convicted for any crime or violation except minor traffic violations, in any jurisdiction, federal, state or local.

(b) The applicant has been other than honorably discharged from the [armed forces] Armed Forces of this country.

(c) The applicant has [suffered from any physical defect or sickness which interferes with or handicaps him in the handling of] or has had any disability or condition that may affect the ability to safely possess or use a rifle or a shotgun.

(d) The applicant has received psychiatric treatment or been confined for alcoholism, mental illness or drug addiction.

(e) The applicant makes a [material] false statement on her/his application.

(f) The applicant is the subject or recipient of an order of protection or a temporary order of protection.

§ 3-04 Right to Appeal Following Denial of Permit. If for any reason her/his application is denied the applicant has the right to an appeal.

(a) If the applicant's original application is denied, [he has the right to appeal the decision within twenty (20) days from the date of notice of denial. An appeal must be made in writing to the Commanding Officer, License Division, One Police Plaza, Room 110, New York, New York, 10038. This request must outline the grounds upon which the applicant's appeal is based] the applicant shall receive a written "Notice of Application Disapproval" from the Rifle/Shotgun Section indicating the reason(s) for the disapproval. If the applicant wishes to appeal the decision s/he shall submit a sworn written statement, which shall be known as an "Appeal of Application Disapproval," to the Division Head, License Division, One Police Plaza, Room 110A, New York, New York 10038 within thirty (30) calendar days of the date on the "Notice of Application Disapproval" requesting an appeal of the denial, and setting forth the reasons supporting the appeal. The Appeal of Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant and notarized: "Under penalty of perjury, deponent being duly sworn, says that s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the applicant or her/his New York State licensed attorney shall not be accepted.

(b) [If the appeal of his denial is unsuccessful, the applicant will receive a "Notice of Disapproval After Appeal" letter from the Commanding Officer, License Division.] All timely appeals shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the applicant of her/his determination. The Division Head, License Division shall not consider any documentation that was not submitted during the initial background investigation. There shall be no personal interviews to discuss appeals. If the appeal of her/his disapproval is denied, the applicant shall receive a "Notice of Disapproval After Appeal" letter from the Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

§ 3-05 Suspension or Revocation of Permit. (a) The permittee shall immediately notify the Rifle/Shotgun Section by telephone, followed by written notice within ten (10) calendar days, of any incident or violation of law or rules of federal, state, or local jurisdictions. For purposes of this subdivision, an incident includes:

(1) arrest, indictment or conviction in any jurisdiction;

(2) summons (except traffic infraction);

(3) suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act;

(4) the fact that the permittee is or becomes the subject or recipient of an order of protection or a temporary order of protection;

(5) admission to any psychiatric institution, sanitarium and/or the receipt of psychiatric treatment;

(6) receipt of treatment for alcoholism or drug abuse; or

(7) the presence or occurrence of a disability or condition that may affect the handling of a rifle/shotgun, including but not limited to epilepsy, diabetes, fainting spells, blackouts, temporary loss of memory, or nervous disorder; or

(8) unlawful discharge of a rifle/shotgun.

(b) The permittee's rifle/shotgun permit may be subject to suspension or revocation if:

[(a)] (1) The permittee is arrested, indicted or convicted for any crime or violation, except minor traffic violations, in any jurisdiction, federal, state or local, or is the subject or recipient of an order of protection or a temporary order of protection, or is the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

[(b)] (2) The permittee is other than honorably discharged.

[(c)] (3) The permittee [suffers from any physical defect or sickness which interferes with or handicaps him in the handling of] has or has had any disability or condition that may affect the ability to safely possess or use a rifle or a shotgun.

[(d)] (4) The permittee has received or is receiving psychiatric treatment or is or has been confined for alcoholism, mental illness or drug addiction.

[(e)] (5) The permittee violates any of the rules pertaining to the [license] permit to possess rifles and shotguns.

(c) If her/his [license] permit is suspended or revoked, the permittee [will] shall be required to deposit any [longarms] rifles or shotguns as well as any handgun license and any handguns in her/his possession with her/his local police precinct and forward a copy of the voucher together with her/his permit to the [Firearms Control] Rifle/Shotgun Section, 120-55 Queens Boulevard, Kew Gardens, N.Y. 11424, Room B-11. [His] Her/his failure to comply within ten (10) calendar days from the date of suspension or revocation may result in [legal action being taken by the Police Department] the arrest of the permittee.

[(f)] (d) If her/his [license] permit is suspended or revoked, the suspended/former permittee [will] shall be issued a Notice of Determination Letter by the Rifle/Shotgun Section, which shall state in brief the grounds for the suspension or revocation and notify the permittee of the opportunity for a hearing. The permittee shall have a right to submit a written request for a hearing[. A request for a hearing must be made in writing] within thirty (30) calendar days from the date of the Notice of Determination Letter [suspension to Firearms Control Section] to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York 10038. Before a hearing is scheduled the permittee [will] shall be required to submit the above documents and any additional documents requested in the suspension or revocation notice. [Failure to request a hearing will result in the revocation of the permittee's permit and the cancellation of his file.] A permittee whose arrest or summons resulted in suspension or revocation of her/his permit may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the permittee becoming the subject of an order of protection or a temporary order of protection, the permittee may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply.

(e) Upon receipt of the permittee's letter, the License Division shall schedule the permittee for a hearing and notify the permittee by mail. However, requests for hearings shall not be entertained, and a hearing shall not be scheduled, unless the permittee complies with the provisions of subdivision (c) above, and forwards a Certificate of Final Disposition or Certificate of Relief from Disabilities, if applicable, to the License Division.

[(g) If after a hearing the permittee wishes to appeal the decision he may do so in the same manner as set forth for denial of original applications.]

§ 3-06 Renewal of Permit. Prior to the expiration of her/his rifle/shotgun permit the permittee [will] shall be sent a renewal notice. The permittee [must] shall answer all questions, comply with all instructions, submit a certified check or money order made payable to the N.Y.C. Police Department as required, sign and date the notice and forward it to the [Firearms Control] Rifle/Shotgun Section. In the event the permittee does not wish to renew her/his permit, s/he [must] shall surrender her/his permit and all [firearms] rifles/shotguns to her/his local precinct or otherwise lawfully dispose of the rifles/shotguns in accordance with § 3-10 or § 3-12 below. Any delays in renewing the permit may result in confiscation of all the permittee's rifles/shotguns by the New York City Police Department. Renewal of the permit may be disapproved if the permittee makes a false statement in connection with the renewal.

§ 3-07 Possession and Registration of Permit. (a) The [license] permit issued to the permittee by the [Firearms Control] Rifle/Shotgun Section enables the permittee to possess only rifles or shotguns that are properly registered under her/his permit.

(b) The permittee [must] shall have the permit to possess rifles and shotguns in her/his possession at all times when in possession or carrying a rifle and/or shotgun in addition to a separate certificate of registration for that particular rifle and/or shotgun.

(c) Permittees are not permitted to purchase, acquire, sell, transfer or otherwise dispose of any rifle and/or shotgun and ammunition from or to gun dealers or individuals without exhibiting a [Firearms Control Section] Rifle/Shotgun Permit.

(d) The permit is not transferable.

§ 3-08 Change of Address. The permittee [must] shall notify [Firearms Control] the Rifle/Shotgun Section of any change in address within ten (10) calendar days. [The permittee must cross out old address and print new address and new police precinct using ink in space provided.]

§ 3-09 Lost or Stolen Documents and [Longarms] Rifles/Shotguns. All lost or stolen documents and [longarms must] rifles/shotguns shall be reported to the precinct in which the [licensee] permittee resides or the theft or loss was discovered. The permittee [must] shall obtain a complaint number from the precinct and report in person the loss or theft to the [Firearms Control] Rifle/Shotgun Section [on form PD 641-151] within [5] five (5) calendar days of the loss. [A separate report must be made for each lost or stolen firearms/document.] A fee of two (2) dollars is charged for each document for which a replacement is requested. This fee [must] shall be paid by certified check or money order made payable to the N.Y.C. Police Department and shall accompany the report. The permittee [should] shall not send cash. For lost permits two color [full face] photos of permittee, 1-1/2["] X 1-1/2["] inches, [must] from the chest up, taken within the past thirty (30) days shall also be provided. The wearing of any article of clothing or other adornment obscuring the identification of the wearer is not acceptable.

§ 3-10 Request to Cancel Permit. The permittee [must] shall notify the [Firearms Control] Rifle/Shotgun Section if s/he wishes to cancel or decline to renew her/his rifle/shotgun permit by forwarding the permit, certificate(s) of registration, and a notarized letter to the Rifle/Shotgun Section. The letter shall inform the [Firearms Control] Rifle/Shotgun Section [will supply a form to assist the permittee in cancelling his permit] where the rifles/shotguns are located or how they have otherwise been disposed of.

§ 3-11 Purchase of Ammunition. The certificate of registration [must] shall be presented to a [gun] dealer in rifles and shotguns at time of purchase of ammunition [for caliber] to confirm calibre or gauge of said specified rifle or shotgun.

§ 3-12 Disposal of Rifles and Shotguns. (a) The permittee may sell or dispose of her/his [firearm] rifle/shotgun only to a licensed dealer in rifles and shotguns, to the holder of a valid rifle[and]/shotgun permit, or to an individual who is exempt from [needing a permit by law (i.e. police officers) or to a nonresident not subject to] the permit requirements of the City of New York. When the permittee sells her/his rifle or shotgun, s/he [must] shall complete a certificate of registration. These forms may be obtained from the [Firearms Control] Rifle/Shotgun Section or the licensed dealer purchasing the [firearm] rifle/shotgun and [must] shall be forwarded to the [Firearms Control]

Rifle/Shotgun Section within 72 hours of disposition.

(b) Pursuant to New York City Administrative Code § 10-311(a), it shall be unlawful for any person or business enterprise to dispose of any rifle or shotgun which does not contain a safety locking device, defined as a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user. The following types of safety locking devices will be deemed to comply with this provision:

(1) a trigger lock, which prevents the pulling of the trigger without the use of a key; or

(2) a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers; or

(3) a detachable or non-detachable locking device, composed primarily of steel or other metal of significant gauge to inhibit breaking, utilizing a metallic key or combination lock, rendering the weapon inoperable until the locking device is removed by an authorized person.

(c) Pursuant to New York City Administrative Code § 10-311(b), it shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to dispose of any rifle or shotgun in New York City unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the rifle or shotgun and on a separate sheet of paper included within the packaging enclosing the rifle or shotgun: "THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE WEAPON STORAGE. ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

§ 3-13 Transfer of [Longarm] Rifles/Shotguns from an Estate. The following procedures [must] shall be followed to dispose of any [longarms] rifles/shotguns belonging to an estate:

(a) A copy of the death certificate [must] shall be provided.

(b) The legal heir, executor, executrix, administrator or administratrix [must] shall establish [his/] her/his claim to be legal heir, executor or administrator. This is done by one of the following means:

(1) [If there is no will but there is a surviving spouse then the surviving spouse will be required to submit a notarized statement indicating that he or she is the legal heir by reason of being the surviving spouse, that there is no will and concluding how the longarms will be disposed of.

(2)] If there is no [will] Will [and no surviving spouse], then any person claiming to be the administrator or administratrix [must] shall submit Letters [Testamentary] of Administration from the Surrogate's Court.

[(3)] (2) If there is a [will] Will then the executor or executrix [must] shall submit Letters Testamentary issued by the Surrogate's Court.

[(4)] (3) All requests for transfer of [longarms must] rifles/shotguns shall be made on [PD 641-121,] Police Department Disposition Report.

(c) If any [longarms] rifles/shotguns are to be transferred to a New York City resident the person receiving the [longarms must] rifles/shotguns shall have a valid New York City rifle/shotgun permit.

§ 3-14 Supplemental Rules. (a) The permittee's rifle or shotgun [cannot] shall not be loaded in a public place within New York City at any time except when using it at a licensed rifle and shotgun range.

(b) When the permittee travels to and from a licensed range or hunting area, or transports her/his [firearm] rifle/shotgun for any reason, it [must] shall be carried unloaded in a locked, non-transparent case, and the ammunition [must] shall be carried separately. If the permittee is transporting her/his [firearm] rifle/shotgun in a vehicle, it [should] shall be kept locked in the trunk or equivalent space, not in plain view. The permittee [must] shall never leave her/his [firearm] rifle/shotgun in a vehicle [unattended] unless s/he is physically present in or in close proximity to the vehicle.

(c) The permittee [may] shall never alter, remove, obliterate or deface any of the following markings that may be on her/his [firearm] rifle/shotgun:

(1) name of the manufacturer;

(2) model;

(3) serial number. This information identifies the rifle or shotgun in the permittee's possession.

(d) Pursuant to New York City Administrative Code § 10-311(c), any person who applies for and obtains authorization to purchase, or otherwise lawfully obtains, a rifle or shotgun shall be required to purchase or obtain a safety locking device at the time s/he purchases or obtains the rifle or shotgun. Pursuant to New York City Administrative Code § 10-311(d), the City of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of a safety locking device that may have been purchased in compliance with these rules. The permittee [must] shall take proper safety measures at all times to keep her/his [firearm(s)] rifle/shotgun from unauthorized persons -- especially children. The permittee's rifle or shotgun should be kept unloaded and locked in a secure location in her/his home. Ammunition [should] shall be stored separately from her/his rifle or shotgun.

Note: Many [firearms] rifles/shotguns that are stolen in residential burglaries are taken from bedroom closets.

(e) [A particularly effective safety measure when storing a rifle/shotgun, especially in homes with small children, is the use of a safety locking device on the rifle/shotgun, such as a trigger lock or other detachable or non-detachable locking device composed primarily of steel or other metal of significant gauge to inhibit breaking, utilizing a metallic key or combination lock, rendering the weapon inoperable until the locking device is removed by an authorized person. Safety locking devices may be obtained from most dealers in rifles and shotguns.] Pursuant to New York City Administrative Code § 10-312, it shall be a criminal violation for any person who is the lawful owner or lawful custodian of a rifle or shotgun to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of her/his immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device as defined in section 3-12(b) of this chapter. Such offense shall constitute a misdemeanor if the offender has previously been found guilty of such violation or if the violation is committed under circumstances which create a substantial risk of physical injury to another person.

(f) While there is no limit in the number of rifles or shotguns the permittee may possess, s/he should be advised that [licensees] permittees who own several [firearms will] rifles/shotguns shall be expected to safeguard and maintain each rifle or shotgun.

(g) Minors under the age of eighteen may carry or use the permittee's rifle or shotgun only in [his] the permittee's actual presence. The [licensee will] permittee shall be held responsible [to supervise] for supervising closely any minor using her/his [firearm] rifle/shotgun. The minor, in turn, [will] shall be expected to abide by the same rules and restrictions as a [licensee] permittee.

(h) It is recommended that new [licensees] permittees take advantage of instruction and safety courses in the use of [firearms] rifles/shotguns that are offered by the rifle ranges and clubs within the New York area. The [licensee] permittee should consult the local consumer telephone directory to find out more about a course offered in her/his area.

(i) New laws or amendments of existing rules may be enacted by [the Legislature] a legislature or promulgated by the Police Department affecting the ownership or use of [firearms] rifles/shotguns. The [licensee will] permittee shall be held responsible [to know of] for knowing any modification of rules pertaining to her/his permit.

(j) The [license] permit to possess a rifle or shotgun [is valid for three years after the date it is] expires three years after the last day of the month in which the permit was issued. The [licensee] permittee is held responsible [to] for applying to renew her/his [license] permit when it expires. Failure to apply to renew the permit at such time [will] shall result in [confiscation] cancellation of the [license] permit and confiscation of any [firearms] rifles/shotguns the permittee may possess.

(k) Permittees shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to the permit.

Note: References within these rules to the masculine shall be presumed to include the feminine and neuter. References to singular shall be presumed to include the plural.

(v) If her/his license application is disapproved the applicant shall receive a written "Notice of Application Disapproval" from the License Division indicating the reason(s) for the disapproval. If the applicant wishes to appeal the decision s/he shall submit a sworn written statement, which shall be known as an "Appeal of Application Disapproval," to the Division Head, License Division, within thirty (30) calendar days of the date on the "Notice of Application Disapproval" requesting an appeal of the denial, and setting forth the reasons supporting the appeal. The Appeal of Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant and notarized: "Under penalty of perjury, deponent being duly sworn, says that s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the applicant or her/his New York State licensed attorney shall not be accepted. All timely appeals shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the applicant of her/his determination. The Division Head, License Division shall not consider any documentation that was not submitted during the initial background investigation. There shall be no personal interviews to discuss appeals. If the appeal of her/his disapproval is denied, the applicant shall receive a "Notice of Disapproval After Appeal" letter from the Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

§ 4-04 Licensee Requirements. (a) [Prior to employment each prospective employee shall be fingerprinted at the precinct wherein the business is located; each prospective employee shall submit one photograph, not machine type, of recent date, 2" X 2"; written verification of fingerprinting shall be given to each prospective employee.] For purposes of this section, all employees, as defined in § 4-02 of this chapter, of a licensed gunsmith or dealer in firearms, shall personally be in possession of the required, valid license(s) or permit(s) issued by the License Division to possess handguns, rifles and/or shotguns. No person shall be employed who has been convicted [in this state, or elsewhere,] anywhere of a felony [or a], misdemeanor [or], serious offense as [listed in § 400.00 of the Penal Law] defined in § 265.00(17) of the New York State Penal Law, or a misdemeanor crime of domestic violence, as defined in § 921(a) of title 18 of the United States Code. No person shall be employed who is the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act. The fitness of any employee for continued employment is subject to review by the Commissioner. The licensee may be directed to terminate such employment if such employment involves access in any manner to firearms, rifles, shotguns, machine-guns, or assault weapons, based upon [a conviction] an arrest for any offense, or upon previous connection with a premises wherein the license was revoked or denied, or on said employee's character or reputation, or upon the employee's being or becoming the recipient or subject of an order of protection or a temporary order of protection. Licensees shall submit a roster of employees in triplicate on a form prescribed by the Commissioner, together with original application and with each renewal application. A report of any change of personnel, or change of residence address of an employee shall be filed in writing with the [commanding officer] Commanding Officer of the precinct wherein the [premise] premises is located, within 48 hours after such change becomes effective.

(b) No firearms shall be sold, or given away, or otherwise disposed of, except to a person expressly authorized under the [provision] provisions of [§§ 265.00 and 400.00] Articles 265 and 400 of the New York State Penal Law and [§§ 1.20] §§ 1.20 and 2.10 of the [C.P.L.] New York State Criminal Procedure Law to possess and have such firearm. Any police officer or [a] peace officer as defined in the Criminal Procedure Law[, must] shall produce her/his shield and proper identification card before purchasing a pistol or revolver. [In addition,] A peace officer whose status does not confer authorization to possess firearms pursuant to § 2.10 of the New York State Criminal Procedure Law shall possess a handgun license or rifle/shotgun permit in order to be a lawful transferee. Therefore, before delivering a firearm, rifle, shotgun, machine-gun or assault weapon to a peace officer, the licensee shall verify that person's status as a peace officer with the [division of State Police] License Division Incident Section at (212) 374-5538 or 5539. [No sale of a pistol or revolver shall be made to a special patrolman except upon presentation of form P.D. 643-053, Pistol Purchase Authorization.]

(c) Pursuant to New York City Administrative Code § 10-311(a), it shall be unlawful for any person or business enterprise to dispose of any [pistol or revolver] firearm which does not contain a safety locking device, defined as a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user. The following types of safety locking devices will be deemed to comply with this provision:

(1) a trigger lock, which prevents the pulling of the trigger without the use of a key; or

(2) a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers; or

(3) a detachable or non-detachable locking device, composed primarily of steel or other metal of significant gauge to inhibit breaking, utilizing a metallic key or combination lock, rendering the weapon inoperable until the locking device is removed by an authorized person.

(d) Pursuant to New York City Administrative Code § 10-311(b), it shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to [sell, deliver or transfer] dispose of any [pistol or revolver] firearm in New York City unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the [handgun] firearm and on a separate sheet of paper included within the packaging enclosing the [handgun] firearm: "THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE [FIREARM] WEAPON STORAGE. [FIREARMS] ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

(e) Pursuant to New York City Administrative Code § 10-311(c), any person who applies for and obtains authorization to purchase, or otherwise lawfully obtains, a firearm shall be required to purchase or obtain a safety locking device at the time s/he purchases or obtains the firearm.

(f) Pursuant to New York City Administrative Code § 10-311(d), the City of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of a safety locking device that may have been purchased in compliance with these rules.

(g) In the event that any individual lacking

authority to possess [such weapon leaves any] a firearm, rifle, [or] shotgun, machine-gun or assault weapon attempts to leave such weapon with a licensee for cleaning, repairing or other processing, [or in the event that such an individual offers to sell or otherwise disposes of such weapon to a licensee, the licensee shall attempt to detain such individual and immediately notify the precinct wherein the premises is located. If the licensee believes that attempting to detain such individual might endanger his life or that of his employees, he may refrain from such action; however, he shall report the incident to the precinct wherein the premises is located as soon as the threat of bodily harm has been removed] the licensee may accept the firearm, rifle, shotgun, machine-gun or assault weapon and obtain the name, address, telephone number, etc. of the person leaving the weapon. The licensee shall immediately report the incident to the precinct wherein the premises is located. If the licensee does not accept the firearm, rifle, shotgun, machine-gun or assault weapon for cleaning, repairing, or other processing, s/he shall report the incident to the precinct wherein the premises is located as soon as the individual possessing the weapon leaves the premises.

In the event that any individual lacking authority to possess a firearm, rifle, shotgun, machine-gun or assault weapon offers to sell or otherwise dispose of such weapon to a licensee, the licensee shall attempt to obtain the name, address, and telephone number of said individual and shall notify the precinct wherein the premises is located as soon as said individual leaves the premises. [(f)] (h) The licensee and all stockholders, officers, directors, applicants, agents and employees shall at all times comply with all laws, rules, regulations and requirements of all federal, state and [city] local jurisdictions and agencies having authority with respect to the premises and conduct and operation of the licensed business, now in effect or hereafter adopted.

[(g)] (i) The licensee shall [promptly report in writing to the commanding officer] immediately make a telephone notification to the Division Head, License Division and the Commanding Officer of the precinct wherein the premises is located, followed by written notice to both within ten (10) calendar days [with a copy to the commanding officer, License Division], of any incident or violations of law [as regards] or rules of federal, state or local jurisdictions regarding her/himself, partners, officers, directors, [or] stockholders, agents or employees of the licensed corporation[, or any violation of law, rules or regulations of federal, state or city jurisdictions] affecting the premises or business operations. For purposes of this subdivision, an incident includes:

(1) arrest, indictment or conviction in any jurisdiction;

(2) summons (except traffic infraction);

(3) suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act;

(4) the fact that the individual is or becomes the subject or recipient of an order of protection or a temporary order of protection;

(5) admission to any psychiatric institution, sanitarium and/or the receipt of psychiatric treatment;

(6) receipt of treatment for alcoholism or drug abuse;

(7) the presence or occurrence of a disability or condition that may affect the handling of a firearm, rifle, shotgun, machine-gun or assault weapon including but not limited to epilepsy, diabetes, fainting spells, blackouts, temporary loss of memory, or nervous disorder;

(8) lost, stolen, altered or mutilated license; or

(9) unauthorized discharge of a firearm, rifle, shotgun, machine-gun or assault weapon on the licensee's premises.

(j) The conviction of a licensee anywhere of a felony or any other "Serious Offense" as defined in § 265.00(17) of the New York State Penal Law, or of a misdemeanor crime of domestic violence, as defined in § 921(a) of title 18 of the United States Code, shall operate as a revocation of the license. A license may also be revoked or suspended by a court pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(k) If her/his license is suspended or revoked, the licensee shall be required to deposit any firearms, rifles, shotguns, machine-guns and assault weapons as well as any handgun license or rifle/shotgun permit in her/his possession with her/his local police precinct and forward a copy of the voucher together with her/his license to the License Division. Her/his failure to comply within ten (10) calendar days from the date of suspension or revocation may result in the arrest of the licensee.

(l) A license may be suspended and/or revoked by the License Division for good cause by the issuance of a Notice of Determination Letter to the licensee, which shall state in brief the grounds for the suspension or revocation and notify the licensee of the opportunity for a hearing. Upon issuance of a written Notice of Determination Letter notifying the licensee of suspension or revocation of the license, a suspended/former licensee shall have thirty (30) calendar days from the date of the notice of determination to submit a written request for a hearing to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York, New York, 10038. A licensee whose arrest or summons resulted in suspension or revocation of her/his license may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the licensee becoming the subject of an order of protection or a temporary order of protection, the licensee may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply.

[(h)] (m) A license issued shall be valid only for the premises mentioned and described in the license and shall be prominently displayed on such premises.

[(i) Serviceable small arms] (n) Pursuant to New York City Administrative Code § 10-312, it shall be a criminal violation for any person who is the lawful owner or lawful custodian of a firearm to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of her/his immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device as defined in subdivision (c) of this section. Such offense shall constitute a misdemeanor if the offender has previously been found guilty of such violation or if the violation is committed under circumstances which create a substantial risk of physical injury to another person. Firearms may be displayed so long as the firearms are enclosed in a glass case within the premises and are removed and adequately safeguarded during the hours the business is closed. [Firearm] Firearms dealers may not display firearms or ammunition in the store windows or doors. Licensees are responsible for the safeguarding of their firearm inventory and the loss of firearm(s) may result in the revocation of the [firearm] firearms dealer's license. All [serviceable small arms] firearms shall be locked in an enclosed security room or safe, when not properly displayed.

[(j)] (o) Each licensee shall cause a physical inventory to be taken prior to making application for renewal of her/his license, which shall include a listing of each firearm by make, calibre and serial number and shall be prepared in triplicate. The original copy of the inventory shall be maintained on the premises, the duplicate forwarded to the License Division and the triplicate filed in the precinct. In addition to the annual inventory, the licensee shall maintain a perpetual inventory and establish an internal security system acceptable to the Commissioner.

[(k)] (p) Ammunition shall not be displayed in any area. Any ammunition required in the selling area shall be kept in a locked container not visible to the public. All other ammunition shall be stored in an area of the premises that can be secured and is not in view of the public. Only the licensee and authorized employees shall have access to this area.

[(l)] (q) A record of all ammunition received and dispensed shall be maintained in a bound book with pages consecutively numbered. It shall be the responsibility of the licensee or a designated employee to make entries in this record. This book together with all invoices received shall be kept in the ammunition storage area.

[(m)] (r) This record shall be arranged in columnar form as outlined below. The first page of this book shall have an inscription bearing the name and address of the premises, license number, name of the owner of the premises, name of employee designated to make entries, and the date of the book being opened. Beginning on page 2, each even numbered page shall contain a record of ammunition received and starting with page 3, each odd numbered page shall contain a record of ammunition dispersed.

[(n)] (s) Permission to deviate from the above indicated procedure shall be requested from the [Commanding Officer] Division Head, License Division, through the Commanding Officer of the precinct in which the licensed premises is located.

(t) Licensees shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to the license.

§ 4-05 Rules Affecting Gunsmiths Only. (a) Every gunsmith shall keep a bound record book with pages numbered consecutively, in which the following information shall be entered:

(1) The name, address, age and occupation of every person for whom any work is performed on a rifle, shotgun, firearm, [or] machine-gun, or assault weapon.

(2) Make, model, calibre, serial number of the rifle, shotgun, firearm, [or] machine-gun, or assault weapon, and time, date and nature of the work performed.

(3) The authority to carry or possess such rifle, shotgun, firearm, [or] machine-gun, or assault weapon; enter date and number of license or permit, if any. If the owner is a police officer or a peace officer as defined in the New York State Criminal Procedure Law, enter rank, shield number, agency, unit assigned, identification number, and license/permit number or License Division notification reference in addition to other captioned information as required.

(b) Such records shall be maintained at the premises stated in the license and permanently preserved thereat. Such records, as well as the premises and all rifles, shotguns, firearms, [and] machine-guns, and assault weapons thereat, shall be subject to inspection at all times by members of the [N.Y.C.] New York City Police Department.

(c) In the event of cancellation, suspension or revocation of the license or discontinuance of the business by a licensee, such records shall be delivered to the precinct through which the license was issued and the license forwarded to the License Division.

(d) A gunsmith shall not engage in the licensed activities of a dealer in firearms, unless s/he has first obtained a license as a dealer in firearms.

§ 4-06 Rules Affecting Dealers in Firearms Only. (a) Every dealer in firearms shall keep a bound record book with pages numbered consecutively, in which the following information shall be entered:

(1) The date, time, name, address, age, occupation, and authority to possess, of every person or firm from whom a [pistol, revolver or] firearm is received, together with the make, calibre and serial number of each such [pistol, revolver or] firearm and the name of the employee of the dealer making the purchase. If the owner is a police officer or a peace officer as defined in the New York State Criminal Procedure Law, enter rank, shield number, agency, unit assigned, [and] identification number, and license/permit number or License Division notification reference, in addition to other captioned information as required.

(2) When a [pistol, revolver or] firearm[,] is sold, exchanged, or in any manner disposed of by the dealer, the name, age, occupation and address of the person accepting same, her/his authority to purchase, carry or possess, enter date, name of issuing officer and number of license, if any, the make, model, calibre and serial number, time and name of the dealer or person in her/his employ effecting the transaction. If the purchaser is a police officer or a peace officer, as defined in the New York State Criminal Procedure Law, rank, shield number, agency, unit assigned, [and] identification number and license/permit number or License Division notification reference, shall be entered in addition to other required information.

(3) Such records shall be maintained on the premises stated in the license and permanently preserved thereat. Such records, as well as the premises and firearms, shall be subject to inspection at all times by members of the Police Department.

(4) In the event of cancellation, suspension or revocation of the license, or discontinuance of business by a licensee, such records as well as the permanent inventory records, shall be delivered to the precinct through which license was issued and the license shall be forwarded to the [Commanding Officer] Division Head, License Division.

(b) Every licensed dealer who sells, gives or

otherwise provides any authorized person with a [pistol, revolver or] firearm[,] shall prepare and forward to Stolen Property Inquiry Section, Pistol Index, [1] One Police Plaza, New York [City], [N.Y.] New York 10038 within 72 hours, Form P.D. 524-101 (Pistol Index Card).

(c) Every acquisition of a second-hand [pistol, revolver or] firearm by a licensed dealer, by trade-in or otherwise, shall be reported and forwarded to Stolen Property Inquiry Section, Pistol Index, [1] One Police Plaza, New York [City], [N.Y.] New York 10038, within 72 hours on Form P.D. 524-151, Dealer's Report on Second-Hand Guns. Each report shall give the date, hour, name and address of each person from whom a [pistol, revolver or] firearm is received, the authority to possess and dispose of same, and the make, model, calibre and serial number of each such [pistol, revolver or] firearm. No second-hand [pistol, revolver or] firearm shall be sold or disposed of until the expiration of fifteen (15) days after its acquisition. The date and hour of transmission of each report required hereunder shall be entered in the permanent record book which each licensed dealer is required to maintain under these rules.

[(d) Subject to the discretion of the Commissioner, dealers who engage in both wholesale and retail fields of operation may be permitted a variance to the listed requirements based upon their degree of operation in the retail field. Any request for a variance shall be submitted in writing to the commanding officer of the precinct through which the license was issued.]

§ 4-07 Rules Affecting Air Pistol and Air Rifle Dealers Only.

[(a)] Every dealer shall keep a record of the name and address of each person purchasing [such instrument or] air pistols, air rifles, or similar instruments, together with place of delivery and said record shall be open to inspection during regular business hours by a member of the [N.Y.C.] New York City Police Department.

[(b) Every person to whom a license shall be granted to sell, possess and deliver air pistols/air rifles shall pay therefor the appropriate annual fee.]

§ 4-08 Validity of Licenses. (a) A license issued to a dealer in firearms, [or] gunsmith or manufacturer shall be valid until the 1st day of the second January after date of issuance, and may be renewed annually thereafter.

(b) A license for dealers in air pistols/air rifles is an annual license which may [shall] be renewed [annually] thereafter.

§ 4-09 Familiarity with Rules and Law. All licensees shall be required to sign an acknowledgment that they shall be responsible for compliance with all laws, rules, regulations, standards, and procedures promulgated by federal, state, or local jurisdictions, and by federal, state, or local law enforcement agencies, that are applicable to each type of license or permit issued to them. Licensees are specifically reminded of the prohibitions against possession of assault weapons in New York City pursuant to New York City Administrative Code, Title 10, Chapter 3. The License Division shall provide the licensee with the acknowledgment statement to be executed. This acknowledgment statement shall be notarized. Failure to execute the acknowledgment statement and to have it notarized shall result in the license application being denied.

Note: Reference within this chapter to the masculine shall be presumed to include the feminine and neuter. Reference to singular shall be presumed to include the plural.

Chapter 5 of Title 38 of the Rules of the City of New York is amended to read as follows:

Chapter 5 Handgun Licenses
Subchapter A Issuance Of Handgun Licenses

§ 5-01 Types of Handgun Licenses. As used in this chapter, the term "handgun" shall mean a pistol or revolver. This section contains a description of the various types of handgun licenses issued by the Police Department. Section 5-09 of this subchapter contains a description of the procedure for obtaining an exemption from New York State Penal Law Article 265, allowing pre-license possession of a handgun for the purpose of possessing and using a handgun for instructional purposes with a certified instructor in small arms at an authorized small arms range/shooting club.

(a) *Premises License -- Residence or Business.* This is a restricted handgun license, issued for a *specific business or residence location.* The handgun shall be safeguarded at the specific address indicated on the license. This license permits the transporting of an unloaded handgun directly to and from an authorized small arms range/shooting club, secured unloaded in a locked container. Ammunition shall be carried separately.

(b) [*Target License.* This is a handgun license which permits the transporting of an unloaded handgun in a locked container to and from an authorized range.

(c)] *Carry Business License.* This is an unrestricted class of license which permits the carrying of a handgun concealed on the person. In the event that an applicant is not found by the License Division to be qualified for a Carry Business License, the License Division, based on its investigation of the applicant, may offer a Limited Carry Business License or a Business Premises License to an applicant.

[(d)] (c) *Limited Carry Business License.* This is a restricted handgun license which permits the licensee to carry the handgun listed on the license concealed on the person to and from specific locations during the specific days and times set forth on the license. Proper cause, as defined in § 5-03, shall need to be shown only for that specific time frame that the applicant needs to carry a handgun concealed on her/his person. At all other times the handgun shall be safeguarded at the specific address indicated on the license, and secured unloaded in a locked container.

[(e)] (d) *[Security] Carry Guard License[/Courier/Private Investigator]/Gun Custodian License.* These are restricted types of carry licenses, valid when the holder is actually engaged in a work assignment as a security guard[, courier, private investigator] or gun custodian.

[(f)] (e) *Special Licenses.* Special licenses are issued according to the provisions of § 400.00 of the New York State Penal Law, to persons in possession of a valid New York State County License. The revocation, cancellation, suspension or surrender of [his] such person's County License automatically renders her/his [N.Y.C.] New York City license void. The holder of a Special License [must] shall carry her/his County License at all times when possessing a handgun pursuant to such Special License.

(1) [*Special Target License.* This is a restricted type of special license, permitting the transportation of an unloaded handgun in a locked container to and from an authorized range.

(2)] *Special [Limited] Carry Business License.* This is a special license, [limited to] permitting the carrying of a concealed handgun on the person [only] while the licensee is [actually engaged in the performance of his duties] in New York City.

[(3)] (2) *Special Carry Guard License [-- Security Guard/Courier/Private Investigator]/Gun Custodian License.* [This is a type] These are restricted types of special [license] licenses that [permits] permit the carrying of a concealed handgun on the person only when the licensee is actually engaged in the performance of her/his duties as a security guard[, courier, private investigator] or gun custodian.

§ 5-02 Premises [and Target] Licenses. The requirements for the issuance of a [premises and/or target license] Premises License are [as follows:] listed below. The license application shall be investigated, including a review of the circumstances relevant to the information provided in the application. During the pendency of the application, the applicant shall notify the License Division of any necessary correction to or modification of the information provided in the original application, or any change in her/his status or circumstances, which may be relevant to the application.

The applicant [must] shall:

(a) Be of good moral character;

(b) Have no prior conviction for a felony or other serious offense, as defined in § 265.00(17) of the New York State Penal Law, or of a misdemeanor crime of domestic violence, as defined in § 921(a) of title 18 of the United States Code;

(c) Disclose whether s/he is or has been the subject or recipient of an order of protection or a temporary order of protection;

(d) Have no prior revocation of a license nor be the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act;

(e) Disclose any history of mental illness;

[(d)] (f) Be free from any [mental disorders, defects, or disease] disability or condition that [would impair] may affect the ability to safely possess or use [firearm] a handgun;

[(e)] (g) Reside or maintain a principal place of business within the confines of New York City;

[(f)] (h) Be an applicant concerning whom no good cause exists for the denial of such license;

[(g)] (i) Be at least 21 years of age.

§ 5-03 Carry [Business] and Special [Validation Carry Business] Handgun Licenses. In addition to the requirements in § 5-02, an applicant seeking a carry or special [business] handgun license [will] shall be required to show "proper cause" pursuant to § 400.00(2)(f) of the New York State Penal Law. "Proper cause" is determined by a review of all relevant information bearing on the claimed need of the applicant for the license. The following are examples of factors which [will] shall be considered in such a review.

(a) Exposure of the applicant by reason of employment or business necessity to extraordinary personal danger requiring authorization to carry a [firearm] handgun.

Example: Employment in a position in which the applicant routinely engages in transactions involving substantial amounts of cash, jewelry or other valuables or negotiable items. In these instances, the applicant [must] shall furnish documentary proof that her/his employment actually requires that s/he be authorized to carry a [firearm] handgun, [or] and that s/he routinely engages in such transactions.

(b) Exposure of the applicant to extraordinary personal danger, documented by proof of recurrent threats to life or safety requiring authorization to carry a [firearm] handgun.

Example: Instances in which Police Department records demonstrate that the life and well-being of an individual is endangered, and that s/he should, therefore, be authorized to carry a [firearm] handgun. The factors listed above are not all inclusive, and the [Police Commissioner] License Division will consider any proof, including New York City Police Department records, which document the need for a [firearm] handgun license. It should be noted, however, that the mere fact that an applicant has been the victim of a crime or resides in or is employed in a "high crime area," does not establish "proper cause" for the issuance of a carry [business license] or special [validation carry business] handgun license.

§ 5-04 [Limited Carry Business, Special Limited Carry Business Licenses. Since this is a restricted class of carry license proper cause will need to be shown only for that specific time frame that the applicant needs to carry a firearm concealed on his/her person. Proper cause is described in § 5-03.

§ 5-05 Special Target Licenses. In addition to the requirements in § 5-02, an applicant must present satisfactory evidence that he/she will utilize the facilities of an authorized New York City range.

§ 5-06] Carry Guard License/Gun Custodian [Handgun Licenses] License and Special Carry Guard License/Gun Custodian License. (a) In addition to the requirements in § 5-02 [a corporation/] an applicant [must show a] shall demonstrate the employer's need to employ armed security guards/[couriers/private investigators]gun custodians.

(b) Such need may be shown and documented by memorandum, letters or contract(s) for the hiring of said [corporation/applicant] employer to provide armed security personnel[, couriers or private investigators] or otherwise require the services of gun custodians.

(c) Additionally, such need may be shown by other documentation or acceptable form as required by the License Division.

(d) If applicable, [a corporation/] an applicant [must] shall show satisfactory evidence that such business possesses a professional license, relevant to the need for a handgun, issued by the State of New York.

(e) In addition to the requirements in § 5-06 an applicant shall show proof of current employment which requires the need for a handgun license.

(f) If applicable, an applicant shall show satisfactory evidence of having a professional license, relevant to the need for a handgun issued by the State of New York.

[§ 5-07 Security Guard, Couriers, Private Investigator, Handgun License.

(a) In addition to the requirements in § 5-02 an applicant must show proof of current employment which requires the need for a handgun license.

(b) If applicable, an applicant must show satisfactory evidence of having a professional license, relevant to the need for a handgun issued by the State of New York.]

§ **[5-08] 5-05 Application Form.** (a) [Application forms will] An application form shall be distributed, one per person, at the License Division during normal business hours. Assistance in completing the form [will] shall be made available at the License Division. The application form [must] shall be completely filled out and submitted in person at the License Division, and only an original application form [will] shall be accepted. Special license applicants should also specifically refer to paragraph (9) of subdivision (b) of this section for application requirements.

(b) The applicant [must] shall furnish the items listed below which are applicable, either at the time s/he completes and submits her/his application in person, or [subsequent to such time] no later than fourteen (14) calendar days after the date of submission of the application, either in person or by mail. All documents, certificates, licenses, etc., [must] shall be submitted in the original. A copy certified by the issuing agency as true and complete is also acceptable. In addition, a legible photocopy of each item submitted [must] shall accompany the original or certified copy. Originals and certified copies [will] shall be returned. The application [will] shall not be accepted or processed without the required fee payments described in paragraph (10) of this subdivision.

(1) *Photographs.* Two (2) [recent black and white or] color photographs of the applicant taken within the past thirty (30) days. They should measure 1-1/2 X 1-1/2 inches and show applicant from the chest up. The wearing of any article of clothing or adornment that obscures identification is not acceptable. Special license applicants should refer to paragraph (9) of this subdivision[(b)].

(2) *Birth certificate.* If there is no record of the applicant's birth on file with the New York City Department of Health [or Bureau] Office of Vital Statistics, some other proof of applicant's birth date, [e.g.] *e.g.*, a military record, U.S. passport or baptismal certificate, [must] shall be submitted.

(3) *Proof of citizenship / alien registration.* If the applicant was born outside the United States, s/he [must] shall submit her/his naturalization papers or evidence of citizenship if derived from her/his parents. All other applicants born outside the United States [must] shall submit their Alien Registration Card. Additionally, applicants who are aliens and have resided in the United States for less than seven (7) years shall submit a good conduct certificate, or the equivalent thereof, from their country of origin and two (2) letters of reference which identify the writer's relationship to the applicant and which certify to the good character of the applicant. Inability to provide [these] the documents mentioned in this paragraph shall not operate as an absolute bar to issuance of a [pistol] handgun license.

(4) *Military discharge.* If the applicant served in the armed forces of the United States, s/he [must] shall submit her/his separation papers (DD 214) and her/his discharge papers.

(5) *Proof of residence.* The applicant [must] shall submit proof of [his or] her/his present address. Proof may consist of one of the following, but is not limited to[,]: a real estate tax bill, a copy of a lease indicating ownership shares in a cooperative or condominium or a current residential lease. [If the applicant cannot supply the aforementioned proof, he/she must submit a signed and notarized statement from the person with whom the applicant resides attesting to the fact that the applicant resides with him/her.] The [applicant's investigator] License Division may request further documentation, [e.g.] *e.g.*, a New York State Driver's License, a New York State Income Tax Return, a current utility bill, etc.

(6) *Arrest information.* If the applicant was ever arrested for any reason s/he [must] shall submit a Certificate of Disposition showing the offense and disposition of the charges. Also, the applicant [must] shall submit a detailed, notarized statement describing the circumstances surrounding each arrest. The applicant [must] shall do this even if the case was dismissed, the record sealed or the case nullified by operation of law. The New York State Division of Criminal Justice Services [will] shall report to the Police Department every instance involving the arrest of an applicant. The applicant [must] shall not rely on anyone's representation that s/he need not list a previous arrest. If the applicant was ever convicted or pleaded guilty to a felony [offense] or a serious offense, as defined in New York State Penal Law § 265.00(17), *an original Certificate of Relief* [of] from Disabilities, signed by a judge, [must] shall be submitted. [Box "C" of the certificate must be checked and the] The certificate [must] shall contain a statement granting the applicant firearm privileges under Penal Law Articles 265 and 400.

(7) *Proof of business ownership.* If the applicant is making application for a license in connection with a business, s/he [must] shall submit proof of ownership for that business. Such proof [must] shall clearly state the [names] name(s) of the owner(s), or, if a corporation, the [names] name(s) of the corporate officer(s). A corporation [must] shall submit its corporate book to include Filing Receipt, Certificate of Incorporation and minutes of the corporate meeting reflecting current corporate officers; others [must] shall provide their business certificate or partnership agreement, whichever is applicable. If the business requires a license or permit from any government agency, [e.g.] *e.g.*, alcohol or firearms sales, gunsmith, private investigation and guard agencies, the applicant [must] shall submit the license or permit or a certified copy thereof.

(8) *Letter of necessity.* (i) A letter of necessity explains the need for the license. It shall be typewritten on current letterhead stationery; signed by a corporate officer, partner, or in the case of a sole proprietorship, the owner of the business. Self-employed applicants may submit such letter under their own signature. The letter of necessity shall be notarized. A [notarized] letter of necessity [must] shall be submitted by the following applicants:

[(i)] (A) All applicants [for a Carry Business or Limited Carry/Business license] except applicants for a Premises Residence License.

[(ii)] (B) All employees seeking a [premises license] Premises Business License for use in connection with their employment [must] shall submit a letter of authorization signed by the owner of the business.

(ii) Regardless of whether a handgun license was previously issued by the New York City Police Department or any other issuing authority, the letter of necessity shall contain the following information:

(A) A detailed description of the applicant's employment and an explanation of why the employment requires the carrying of a concealed handgun.

(B) A statement acknowledging that the handgun shall only be carried during the course of and strictly in connection with the applicant's job, business or occupational requirements, as described herein.

(C) A statement explaining the manner in which the handgun shall be safeguarded by the employer and/or applicant when not being carried.

(D) A statement indicating that the applicant has been trained or shall receive training in the use and safety of a handgun.

The Appeal of [License] Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant [in the presence of a Notary Public] and notarized: "Under penalty of perjury, deponent being duly sworn, says that [he/she] s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the applicant [(]or [an applicant's] her/his New York State licensed attorney [who is duly licensed to practice law in the State of New York) will] shall not be accepted.

[(b)] (f) All timely appeals [will] shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the applicant of her/his determination. [However, the appeal will] The Division Head, License Division shall not consider [additional] any documentation that was not submitted during the initial background investigation[, e.g. deposit slips, tax records, etc., unless it is established that such documentation was unavailable during or prior to the initial background investigation. Requests to make personal appearances to discuss appeals will not be honored]. There shall be no personal interviews to discuss appeals. If the appeal of her/his disapproval is denied, the applicant [will] shall receive a "Notice of Disapproval After Appeal" letter from the [Commanding Officer] Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

§ [5-12] 5-08 **Limitations.** Applicants issued licenses pursuant to this subchapter [will] shall be subject to such conditions and limitations as established by the Police Commissioner regarding, but not necessarily limited to the permissible number, type, transportation and safeguarding of handguns.

§ 5-09 Application for Pre-License Exemption. Each applicant desiring to obtain the exemption set forth in New York State Penal Law § 265.20(a)(7-b), allowing pre-license possession of a handgun for the purpose of possessing and using a handgun for instructional purposes with a certified instructor in small arms at an authorized small arms range/shooting club, shall make such request in writing to the Division Head, License Division at the time the application for a handgun license is filed. Such request shall include a signed and verified statement by the person authorized to instruct and supervise the applicant, that s/he has met with the applicant and s/he has determined that, in her/his judgment, said applicant does not appear to be or pose a threat to be a danger to her/himself or others. S/he shall include a copy of her/his certificate as an instructor in small arms, if s/he is required to be certified, and state her/his address and telephone number. S/he shall specify the exact location by name, address and telephone number where such instruction shall take place. The Division Head, License Division shall, no later than ten (10) business days after such filing, commence an investigation and ascertain whether the applicant has a criminal record. The Division Head, License Division shall no later than ten (10) business days after the completion of such investigation determine if the applicant has been previously denied a license, been convicted of a felony, been convicted of a serious offense as defined in Penal Law § 265.00(17), been convicted of a misdemeanor crime of domestic violence, as defined in § 921(a) of Title 18 of the United States Code, been the subject or recipient of an order of protection or a temporary order of protection, been the subject of a suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act, or appears to be, or poses a threat to be, a danger to her/himself or others, and either approve or disapprove the applicant for exemption purposes based upon such determinations. If the applicant is approved for the exemption, the Division Head, License Division shall notify the applicant. Such exemption shall terminate if the application for the license is denied, or at any earlier time based upon any information obtained by the Division Head, License Division which would cause the application to be rejected. The applicant shall be notified of any such rejection.

Subchapter B Licensee Responsibilities

§ **5-21 Introduction.** Any violation of this subchapter and/or the restrictions of the license, if any, may result in the suspension and/or revocation of the license.

§ **5-22 Conditions of Issuance.** (a) A handgun license is issued under the following conditions:

(1) It is revocable at any time.

(2) It is not transferable to any other person or location.

(3) Any mutilation, alteration, or lamination of the license shall render it void. The licensee may not make any additions, deletions, or other changes on her/his license. Only License Division personnel may make changes on the license.

(4) If the license is mutilated, altered, laminated, lost, or destroyed an additional fee [will] shall be required for replacement. If any of these circumstances occur, the licensee [must] shall notify the License Division.

(5) When the license expires, and if the licensee has not renewed it, or if it is suspended, or revoked, the licensee [must] shall immediately surrender the license with the [firearms] handgun(s) to the precinct of her/his place of business or residence.

(6) The licensee [must] shall be in possession of her/his license at all times while carrying, transporting, possessing at residence, business, or authorized small arms range/shooting club, the handgun(s) indicated on said license.

(7) If the licensee has a "Carry" or "Special Carry" type license only one (1) handgun may be carried on her/his person at any time.

(8) The licensee is authorized to own only the handgun(s) that are listed on her/his license.

(9) The licensee shall not purchase or replace a [firearm] handgun prior to obtaining written permission from the [Commanding Officer] Division Head, License Division (see Handgun Purchase [Orders] Authorizations).

(10) A [firearm] handgun may be replaced or purchased only by requesting permission in writing from the [Commanding Officer] Division Head, License Division.

(11) The licensee shall not draw, expose or display [firearm(s)] handgun(s) unnecessarily.

(12) The licensee shall not leave handgun(s) in [Firearm(s) are not to be left in the glove compartment or trunk of] an auto, or in any place where [a thief or other] an unauthorized person may readily obtain them.

(13) To assure maximum safety, proper safeguards [must] shall be taken at all times to keep [firearms] handguns away from unauthorized persons, especially children. Pursuant to New York City Administrative Code § 10-312, it shall be a criminal violation for any person who is the lawful owner or lawful custodian of a handgun to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of her/his immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device as defined in section 5-25(a)(2) of this chapter. Such offense shall constitute a misdemeanor if the offender has previously been found guilty of such violation or if the violation is committed under circumstances which create a substantial risk of physical injury to another person.

(14) The licensee should endeavor to engage in periodic handgun practice at an authorized small arms range/shooting club.

(15) Any misuse of the purpose for which the license was issued, or any action or misconduct on the part of the licensee which may constitute just cause, [will] shall result in the suspension or revocation of the license.

(16) [Persons with "Target" licenses, and/or with "Premise" licenses and prior written approval, are restricted to transporting their firearm(s) unloaded in a locked container directly to and from an authorized range. Ammunition will be carried separately.] Except for licensees with unrestricted Carry Business licenses or Special Carry Business Licenses, a licensee wishing to transport her/his handgun to a gunsmith shall request permission in writing from the Division Head, License Division. Authorization shall be provided in writing. The licensee shall carry this authorization with her/him when transporting the handgun to the gunsmith, and shall transport the handgun directly to and from the gunsmith. The handgun shall be secured unloaded in a locked container during transport.

(17) Licensees shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to the license.

(b) In the following instances the licensee [must] shall make an immediate report to the License Division -- Incident Section, telephone #(212) 374-5538, 5539, and to the precinct where the incident occurred. (See additional requirements under "Incident [Unit]

Section" -- § 5-30).

(1) Theft/loss of [firearm] handgun.

(2) Discharge of [firearm] handgun other than during practice at an authorized small arms range/shooting club.

(3) Theft/loss of handgun license.

(4) Improper use/safeguarding of handgun(s).

(5) Public display of an unholstered handgun.

(c) In the following instances, the licensee [must] shall make an immediate report to the License Division -- Incident [Unit] Section (see Incident [Unit] Section -- § 5-30).

(1) Arrest, indictment, or conviction in any jurisdiction; summons other than traffic infraction; suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(2) Change of business or residence address (see Address Changes -- § 5-29).

(3) Change of business, occupation or employment (see Name Changes -- § 5-29).

(4) [If any] Any change in the circumstances for which the licensee received the license, [occurs, the] The licensee [must] shall immediately notify the License Division[. The licensee will] and shall then be instructed on how to proceed. The licensee may be required to report to the License Division with required documentation to have the change reviewed and effected by License Division personnel.

(5) Alteration, mutilation, destruction of handgun license.

(6) Intent to dispose of [firearm] handgun. Failure to notify in writing [Licensing Officer] the Division Head, License Division prior to disposing of [firearm] handgun is a Class A Misdemeanor pursuant to New York State Penal Law § 265.10(7).

(7) Receipt of psychiatric treatment or treatment for alcoholism or drug abuse, or the presence or occurence of any disability or condition that may affect the ability to safely possess or use a handgun.

(8) Licensee is or becomes the subject or recipient of an order of protection or a temporary order of protection.

§ 5-23 Types of Handgun Licenses. (a) *Premises License -- Residence or Business.* This is a restricted handgun license, issued for the protection of a business or residence [premise] premises.

(1) The [weapon(s)] handguns listed on this license may not be removed from the address specified on the license [without the expressed written permission of the Commanding Officer -- License Division and then only in the manner prescribed] except as otherwise provided in this chapter.

(2) The possession of the handgun for protection is restricted to the inside of the premises which address is specified on the license.

(3) To maintain proficiency in the use of the handgun, the licensee may transport her/his handgun(s) directly to and from an authorized small arms range/shooting club, unloaded, in a locked container, the ammunition to be carried separately[, after the licensee has requested and received written permission from the Commanding Officer, License Division].

(4) A licensee may transport her/his handgun(s) directly to and from an authorized area designated by the New York State Fish and Wildlife Law and in compliance with all pertinent hunting regulations, unloaded, in a locked container, the ammunition to be carried separately, after the licensee has requested and received a "Police Department -- City of New York Hunting Authorization" Amendment attached to her/his license.

(b) [*Target License.* This is a Handgun License which permits the transporting of an unloaded handgun in a locked container to and from an authorized range.

(1) Target license applicants shall provide evidence of intention to use licensed handguns for regular recreational target shooting purposes, which indicates where and when the handgun(s) will be used, e.g., documentation of participation or membership at a pistol range which is duly certified by the New York City Police Commissioner pursuant to the New York City Administrative Code. When a licensee is applying for renewal of such license, he/she must demonstrate that the license has been used for regular recreational target shooting purposes during the prior license period.

(2) Handgun(s) shall be stored only at the address indicated on the license.

(3) Handgun(s) must be stored unloaded, in a locked container, with the ammunition stored separately.

(4) When going to an authorized range, the handgun(s) must be transported unloaded, in a locked container, with the ammunition transported separately.

(5) The licensee may only remove the handgun(s) from his residence to transport them directly to and from an authorized range.

(6) A licensee may transport his handgun(s) directly to and from an authorized area designated by the New York State Fish and Wildlife Law and in compliance with all pertinent hunting regulations, unloaded, in a locked container, the ammunition to be carried separately, after the licensee has requested and received a "Police Department -- City of New York Hunting Authorization" Amendment attached to his license.

(c)] *Carry Business License.* This is an unrestricted class of license which permits the carrying of a handgun concealed on the person.

[(d)] (c) *Limited Carry Business License.* This is a restricted handgun license which permits the licensee to carry a handgun listed on the license concealed on the person to and from specific locations during the specific days and times set forth on the license. Proper cause, as defined in § 5-03, shall need to be shown only for that specific time frame that the applicant needs to carry a handgun concealed on her/his person. At all other times the handgun shall be safeguarded at the specific address indicated on the license and secured unloaded in a locked container.

[(e)] (d) *[Security] Carry Guard License[/Courier/Private Investigator]/Gun Custodian License.* These are restricted types of carry licenses, valid when the holder is actually engaged in a work assignment as a security guard[, courier, private investigator] or gun custodian.

[(f)] (e) *Special Licenses.* Special licenses are issued according to the provisions of § 400.00 of the New York State Penal Law, to persons in possession of a valid County License. The revocation, cancellation, suspension or surrender of her/his County License automatically renders her/his [N.Y.C.] New York City license void. The holder of a Special License [must] shall carry her/his County License at all times when possessing a handgun pursuant to such Special License.

(1) [*Special Target License.* This is a restricted type of special license. In New York City the handgun(s) listed on the license may only be transported unloaded in a locked container while going directly to and from an authorized range.

(2)] *Special [Limited] Carry Business.* This is a class of special license permitting the carrying of a concealed handgun on the person [only when] while the licensee is [actually engaged in the performance of his duties] in New York City.

[(3)] (2) *Special Carry Guard License[-Security/Courier/ Private Investigator/Other Business]/Gun Custodian License.* [This is a type] These are restricted types of Special Carry [License] Licenses. The handgun listed on the license may only be carried concealed on the licensee's person while the licensee is actively on duty and engaged in the work assignment which formed the basis for the issuance of the license. The licensee may only transport the handgun concealed on her/his person when travelling directly to and from home to a work assignment[, unless otherwise authorized by the Commanding Officer, License Division].

§ 5-24 [Security] Gun Custodians and Carry Guards[, Couriers and Private Investigators].

(a) Gun custodian. (1) Once a company employs and intends to arm additional employees, a gun custodian [must] and alternate custodian shall be designated by the company.

(2) [The] Each designee [must] shall submit to the License Division an additional handgun license application for gun custodian, typed and notarized, along with two (2) color photos, 1- 1/2["] X 1-1/2[" bust type] inches, taken within the past thirty (30) days, showing the applicant from the chest up, and the necessary fees.

(3) The responsibilities of the gun custodian and alternate custodian are as follows:

(i) To insure that an applicant works a minimum of twenty (20) hours per week for the company.

(ii) To insure that an applicant commences work within fifteen (15) days of issuance of license.

(iii) On a semiannual basis, the gun custodian [will] or alternate custodian shall be required to submit the following reports to the License Division:

(A) Employment Report -- indicating hours worked by each licensee per month.

(B) Employee Termination Report.

[(iv)] (C) Annual [Weapon] Handgun Inventory Report.

[(v)] (iv) The gun custodian or alternate custodian or an authorized designee of the company [will] shall be required to permit properly identified representatives of the New York City Police Department to examine company records pertaining to handgun licensees.

[(vi)] (v) During those periods that a security guard will not be reporting to work due to illness or vacation, the gun custodian or alternate custodian [will] shall be responsible for the security of the [weapon] handgun.

[(vii)] (vi) In the event of termination of employment, the custodian [must] or alternate custodian shall see to the immediate surrender of the licensee's handgun license to the New York City Police Department License Division and return of [gun] the handgun to the company.

[(viii)] (vii) In the event of a licensee's death, the gun custodian or alternate custodian is responsible for the security of the [gun] handgun and for the immediate notification, in writing, to the New York City Police Department License Division.

(viii) Where a licensee becomes involved in an incident or suffers a condition which shall be reported to the License Division and/or the precinct of occurrence pursuant to subdivision (b) of this section, the gun custodian or alternate custodian shall ensure that such report is made immediately.

(4) When appearing at the License Division to pick up a license, an applicant [must] shall present a [gun] handgun assignment letter from the gun custodian or alternate custodian. If no [weapon] handgun is available from the company [weapons] handgun inventory, the gun custodian [will] or alternate custodian shall request, in writing, a purchase order by following the rules set forth in § 5-25, "Handgun Purchase Authorizations," to obtain a new [weapon] handgun.

(5) The purchase order [will] shall be valid for only thirty (30) calendar days from the date of issuance.

(6) After the gun custodian or alternate custodian has purchased the handgun, s/he [must] shall return to the License Division within 72 hours to have the handgun inspected. This handgun [must] shall be unloaded in a locked container and accompanied by the purchase order authorization and a photocopy of the bill of sale. This handgun may not be carried or transported except as indicated in this paragraph before it has been inspected.

(7) If the gun custodian or alternate custodian makes her/his purchase from other than an authorized dealer, the seller [must] shall be either a New York City or New York State licensee, Police Officer or a Peace Officer.

(8) A [firearm] handgun may be replaced by requesting permission, in writing, from the [Commanding Officer] Division Head, License Division.

(b) *[Security/Guard/Courier/Private Investigator Licensee]* Carry Guard Licensee. (1) This license[, if granted,] is restricted to [when] the days and hours that the licensee is actually engaged in employment, or when a licensee is travelling from her/his residence to employment, or from employment to her/his residence. These restrictions [will] shall be [literally] strictly interpreted by the New York City Police Department and violation of these rules [will] shall result in the immediate suspension of the pistol license. [Point number 1 indicates] This means that the handgun may be carried [while] only when the licensee is actually engaged in employment[. This means while the licensee is employed for] by the [guard or] security company the name of which appears on the face of the license. This [statement] does not permit "freelancing" on the licensee's day off. [Point number 2 indicates that the] The handgun may only be carried from the licensee's residence [to the place of employment. This means from the licensee's residence, where the licensee indicated] as listed on the application [the handgun would be secured], to the licensee's place of employment or assignment for that particular day.

[Example: If the licensee does not intend to stay at his residence the evening prior to working at his place of assignment, he will be obligated to return home to pick up his gun just prior to going to work. Carrying his gun with him the entire evening preceding his next work day is a distinct violation of license restrictions.]

[Point number 3 indicates that the] The licensee may carry her/his handgun from employment back to her/his residence. This means that there [will] shall be no unreasonable delay in returning to the licensee's residence where the handgun [will] shall be secured.

Example: If the licensee does not intend to stay at her/his residence the evening prior to working

at her/his place of assignment, s/he will be obligated to return home to pick up her/his handgun just prior to going to work. Carrying her/his handgun with her/him the entire evening preceding her/his next work day is a distinct violation of license restrictions.

Example: If the licensee finishes a 4 p.m. to midnight shift and takes action involving the handgun at 3:30 a.m. in a local tavern, s/he is in violation of license restrictions and the New York State Penal Law.

(2) A licensee has the responsibility [to make] of making an immediate report to the [Commanding Officer] Division Head, License Division, the precinct where the incident occurred, and the gun custodian or alternate custodian in the following instances:

(i) Loss or theft of [firearm] handgun.

(ii) Discharge of [firearm] handgun (other than practice at an authorized small arms range/shooting club).

(iii) Loss or theft of handgun license.

(iv) Improper use/safeguarding of handgun(s).

(v) Public display of an unholstered handgun.

(3) An immediate report [must] shall be made in the following instances to the [Commanding Officer] Division Head, License Division and the gun custodian or alternate custodian:

(i) Change of residence.

(ii) Mutilation, alteration or destruction of handgun license.

(iii) Arrest, indictment, summons other than a traffic summons, or conviction in any jurisdiction; suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(iv) Receipt of psychiatric treatment or treatment for alcoholism or drug abuse, or the presence or occurrence of any disability or condition that may affect the ability to safely possess or use a handgun.

(v) Licensee is or becomes the subject or recipient of an order of protection or a temporary order of protection.

(4) The license [must] shall be in the possession of the licensee at all times while the licensee is carrying the [firearm] handgun.

(5) Misconduct or misuse of the purpose for which this license is issued may result in the suspension or revocation of the license.

(6) A handgun licensee is authorized to use only the [firearm] handgun that is endorsed on her/his license.

(c) Failure to comply with all of the above conditions set forth herein may result in the suspension, revocation, or cancellation of any/or all handgun licenses issued to employees of [this] the subject company.

§ 5-25 Handgun Purchase Authorizations. (a) The licensee may not obtain a handgun without prior written authorization from the [Commanding Officer] Division Head, License Division. This authorization [will] shall be provided in the nature of a "Handgun Purchase Authorization" form. The following are the rules concerning [firearms] handgun acquisition:

(1) The "Handgun Purchase Authorization" form is valid only for thirty (30) calendar days from the issuance date.

(2) Pursuant to New York City Administrative Code § 10-311(a), it shall be unlawful for any person or business enterprise to dispose of any [pistol or revolver] handgun which does not contain a safety locking device, defined as a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user. The following types of safety locking devices will be deemed to comply with this provision:

(i) a trigger lock, which prevents the pulling of the trigger without the use of a key; or

(4) A copy of the [buyers] buyer's "Handgun Purchase Authorization form."

(5) The licensee [will] shall be required to appear at the License Division -- Room 152, with her/his license, to process this transaction.

[(6) The licensee must also bring with him a copy of his "Permission to Sell Notice."]

[(e)] (h) Once the licensee has sold her/his [firearm(s)] handgun(s), s/he [must] shall appear in person to delete them from her/his license within ten (10) calendar days of the transaction.

[(f)] (i) If the licensee wishes to sell her/his handgun to a [N.Y.C.] New York State/[N.Y.S.] New York City Police Officer or Peace Officer the following documentation [will] shall be required to process the transaction:

(1) [The licensee's copy of the "Permission to Sell Notice."

(2)] A notarized "Bill of Sale" showing the make, model, calibre and serial number of the [weapon] handgun sold; the name, address, shield number, Agency and Command of the Police Officer/Peace Officer. The bill of sale [must] shall be signed by both the seller and the purchaser, dated, and each signature [must] shall be notarized.

[(3)](2) If the purchaser is a [N.Y.C.] New York City Police Officer or Peace Officer, the License Division requires prior written notification relative to the purchaser so that verification of employment, etc. can be obtained. [This information must be contained on the request for permission to sell the weapon.]

[(4)](3) Once the licensee has sold her/his [weapon] handgun s/he [must] shall appear at the License Division, Room 152, with her/his license and the aforementioned documentation to process this transaction.

[(g)] (j) If the licensee wants to transfer her/his [firearm(s)] handgun(s) to another [N.Y.C.] New York State/[N.Y.S.] New York City license s/he also possesses s/he [must] shall make a written request to the [Commanding Officer] Division Head, License Division. The request [must] shall include the following information:

(1) The licensee's name, address and telephone number.

(2) The license number; make, model, calibre, and serial number of the [firearm] handgun the licensee wishes transferred; and the number of the license to which the licensee [want] wants to transfer the [firearm] handgun.

(3) The licensee [must] shall enclose copies of both licenses front and back.

(4) The licensee [will] shall receive a written response. If the request is approved, the licensee [will] shall have to appear at the License Division with both licenses to process the transaction.

[(h)] (k) If the licensee wishes to sell all of her/his [firearms] handguns and cancel her/his license, s/he may do so by submitting the applicable documentation and her/his handgun license, by mail. (See Cancellation Procedures below.)

§ 5-27 Cancellation of the Handgun License. (a) Anyone cancelling a New York City Handgun License [must] shall:

(1) Legally dispose of handgun(s). To legally dispose of her/his handgun(s) the licensee shall either:

(i) Voucher the handgun at her/his local precinct, or

(ii) Sell to a licensed Firearms Dealer, or

(iii) Sell to a Police Officer or Peace Officer, or

(iv) Transfer handgun(s) to another license s/he may possess, if authorized to do so, or

(v) Sell to a licensee, if the licensee is authorized to purchase.

(2) Return license to the License Division and attach a copy of voucher or Bill of Sale.

(3) Attach letter briefly giving reason for cancellation.

(b) [To legally dispose of his handgun(s) the licensee must either:

(1) Voucher at his local precinct.

(2) Sell to Firearms Dealer.

(3) Sell to Police Officer or Peace Officer.

(4) Transfer handgun(s) to another license he may possess, if authorized to do so.

(5) Sell to a licensee, if authorized to purchase.

(c)] If the licensee intends to relocate out of State, the License Division requests verification from the local authorities of that particular jurisdiction that the licensee has notified them that s/he is in possession

of the handgun listed on her/his N.Y. license.

[(d)] (c) To document proper disposal of the handgun, follow the [guidelines] rules listed in [section] § 5-26 concerning "Disposal of a [handgun(s)] Handgun [listed] Listed on the [license] License."

[(e)] (d) All documents and the license [must] shall be returned to the License Division -- Cancellation [Section] Unit -- [Room 152, 1] One Police Plaza, [N.Y.C.] Room 152, New York, [N.Y.] New York 10038, within ten (10) calendar days of the disposal of [weapons] handguns, relocation, etc. If the licensee has any questions concerning these procedures s/he may call telephone number (212) 374-5531 or 5532.

Note: If the licensee relocates out of [N.Y.C.] New York City or [N.Y.S.] New York State, s/he [must] shall immediately contact her/his new local Police Department and receive instructions on how to legally possess her/his handgun(s) in their jurisdiction.

§ 5-28 Renewal of the [Pistol] Handgun License. The licensee is required to renew her/his handgun license every [two] three (3) years. The license expires on the licensee's birthday.

(a) The renewal process generally begins sixty (60) calendar days prior to the licensee's month of birth. The licensee [will] shall receive her/his renewal application, instructions, and other required forms and her/his invalidated license in the mail. As part of the renewal process, the License Division may require that the licensee produce all licensed handguns for inspection, either using a random selection procedure or when a review of the renewal package discloses the need for such an inspection, as directed by the Commanding Officer, License Division. The licensee shall receive appropriate instructions and a form, Affidavit of Handgun Possession, to be completed and notarized as part of the renewal package. If so directed, the licensee shall transport all licensed handguns to the License Division, One Police Plaza, Room 152, New York, New York or otherwise make the handguns available for inspection, in the manner directed by the instructions. The licensee [must] shall examine the license, complete all required forms including providing color photos, forwarding fees (payable by certified check or money order only), etc., and return [them] the renewal package to the License Division [via] by mail, as soon as possible. Upon receipt of the renewal material, the License Division [will] shall process the renewal and return the validated license to the [License Division] licensee [via] by mail.

(b) The license is not valid unless stamped and sealed by the License Division. The licensee [must] shall sign her/his license in the designated area on the back of the license.

(c) The renewal application and related documents [will] shall be mailed to the address on the license. If the licensee has moved and has not notified the License Division, the renewal documents [will] shall be returned to the License Division and her/his license [will] shall be [suspended] cancelled for failure to notify the License Division of an address change (see Address Change -- § 5-29).

(d) If the licensee has not received her/his renewal documents thirty (30) calendar days prior to her/his birth date, s/he [must] shall contact the Renewal Unit at telephone number (212) 374-5531, or 5532, for instructions. [(Special Licenses (212) 374-5522 or 5523.)]

(e) If the licensee has extenuating circumstances which prevent her/him from renewing prior to her/his birth date, s/he [must] shall submit a notarized letter to the Renewal Unit explaining the circumstances. The License Division [will] shall contact the licensee and advise her/him on how to proceed. However, if the licensee [does not hear from] is not notified by the License Division by her/his birth date, s/he [must] shall voucher her/his [weapon(s)] handgun(s) at her/his local precinct until the matter is resolved.

(f) Licensees [must] shall carefully read and comply with the instructions on their renewal documents.

(g) Incomplete or incorrectly prepared renewal documents [will] shall not be processed, and [will] shall be returned to the licensee for completion/correction, with a letter indicating the problem, information omitted, etc. Consequently, if as a result of the licensee's error, the licensee fails to submit the required material, fees, etc., by her/his birthday, s/he [will] shall be required to voucher her/his [firearm(s)] handgun(s) at her/his local precinct until the renewal process is completed.

(h) If the licensee's birthday has passed and s/he has not yet renewed, s/he [must] shall immediately voucher her/his [firearm(s)] handgun(s) at her/his local precinct. The License Division [will] shall not process any late renewals unless a copy of the voucher is [provided. This will require that the licensee appear in person with the required renewal documents and the voucher at the License Division] attached to the complete renewal application which is to be submitted by mail.

(i) Failure to renew the license on time is cause for [suspension/]cancellation of the license.

(j) Possession of any unlicensed [firearm] handgun is a violation of [§] Article 265 of the [N.Y.S.] New York State Penal Law, and may subject the licensee to arrest.

(k) Renewal fees [must] shall be in the form of a money order or a certified check made payable to the N.Y.C. Police Department. Cash and personal checks [will] shall not be accepted.

[(l) When a licensee is applying for renewal of such license, he must demonstrate that the license has been used for regular recreational target shooting purposes in accordance with the provisions of § 5-23(b)(1).]

§ 5-29 License Amendments. (a) Originals of all verifying documents [must] shall be presented along with photocopies. After the original documents have been reviewed, they [will] shall be returned to the licensee.

(1) *[Target/Premise] Premises Residence License -- address changes.*

(i) If the licensee has moved, s/he [must] shall change the address listed on her/his license. To do so the licensee [must] shall come to the License Division no later than ten (10) calendar days after her/his change becomes effective. [He must] S/he shall bring her/his license and verifying documents such as current utility bills. Any and all verifying documents [must] shall include the licensee's name and the licensee's new address.

(ii) [If the licensee resides with someone and the utility bills are not in his name, the licensee must provide a dated notarized letter from the owner/lessee, stating that the licensee resides with them and that they are aware that the licensee possesses a firearm, along with a current utility bill showing their name and address.

(iii)] If the licensee has relocated outside of New York City, s/he [must] shall follow the instructions for "Cancellation."

(2) *All Carry/[Premise]Premises Business Licenses -- address changes.* If the licensee's business name, principals, corporate [officer,] officers (if [Corp.] a corporation), and the nature of her/his business remain the same, but s/he has changed her/his business location, the licensee [must] shall within ten (10) calendar days, provide the License Division with a copy of a current utility bill verifying the name and new address of the business, and other verifying documents substantiating the move. [The licensee must contact the License Division for instruction as to what documents are required.] This transaction [must] shall be conducted in person. If the nature of the licensee's business has changed, s/he [must] shall follow the instructions for "Cancellation."

(3) [Premise]*Premises/business name changes.*

(i) If the licensee has a [Premise]Premises Business License and changes her/his business name, but her/his business is of the same nature and at the same location, s/he [must] shall provide the License Division with Amended Business Certificate, verifying documents, etc. within ten (10) calendar days.

(ii) If the licensee is an employee of a company, in addition to the documentation required in subparagraph (i) above, the licensee [must] shall submit a letter on company stationery signed by the company president or owner, which states that the licensee is still employed by them in the same capacity for which the license was issued, and that the licensee still requires the handgun license for her/his employment.

(iii) If the nature of the licensee's business has changed s/he [must] shall follow the instructions for Cancellation.

(4) *Carry Business License name changes.* If the licensee has a Carry Business [Permit] License and s/he changes her/his business name -- but not the nature of the business, the [Corporate Officers] corporate officers, or the location, s/he [must] shall contact the License Division immediately at telephone #(212) 374-[5538]5531 or [5539]5532 for instructions on how to proceed.

Questions may be directed to the Incident Section (212) 374-5538 or 5539.

(2) Handgun licenses are not transferable to new businesses. The licensee [must] shall re-apply for a new handgun license for her/his new business.

(3) New applications [will] shall not be accepted without proof of the surrender of the old license and proof of the proper disposal or surrender of the [firearm(s)] handgun(s).

(4) Failure to make proper notification of any of the above changes to the License Division [may] shall result in immediate cancellation of the license.

§ 5-30 Incidents Involving Suspension. (a) Whenever a handgun licensee is involved in an "Incident," the licensee [must] shall immediately report said incident to the License Division's Incident [Unit] Section -- Telephone number (212) 374-5538[,] or 5539. Certain "Incidents" [must] shall also be reported to the "Precinct of Occurrence" (where the incident took place).

(b) The following "Incidents" [must] shall be immediately reported to the "Precinct of Occurrence" and the License Division Incident Section:

(1) Lost [firearm(s)] handgun(s).

(2) Stolen [firearm(s)] handgun(s).

(3) Discharge of [firearm] handgun -- other than at [a licensed firearms] an authorized small arms range/shooting club.

(4) Lost handgun license (see lost/stolen license).

(5) Stolen handgun license (see lost/stolen license).

(6) Improper use/safeguarding of [firearm(s)] handgun(s).

(7) [Unnecessary] Public display of [firearm] an unholstered handgun.

(c) The following "Incidents" [must] shall be immediately reported to the License Division's Incident [Unit] Section:

(1) Arrest, summons, (except traffic infractions), [Indictment] indictment, or [Conviction] conviction of licensee, in any jurisdiction, federal, state, local, etc.; suspension or ineligibility order issued pursuant to § 530.14 of the New York State Criminal Procedure Law or § 842-a of the New York State Family Court Act.

(2) Admission of licensee to any psychiatric institution, sanitarium, and/or the receipt of psychiatric treatment by licensee.

(3) The receipt of treatment for alcoholism or drug abuse by licensee.

(4) [The suffering of the following conditions by the licensee:

(i) Epilepsy.

(ii) Diabetes.

(iii) Fainting spells.

(iv) Blackouts.

(v) Temporary loss of memory.

(vi) Nervous disorder.

(vii) Or any handicap that may effect the handling of a firearm.] The presence or occurrence of a disability or condition that may affect the handling of a handgun, including but not limited to epilepsy, diabetes, fainting spells, blackouts, temporary loss of memory, or nervous disorder.

(5) Licensee is or becomes the subject or recipient of an order of protection or a temporary order of protection.

(6) Alteration, mutilation or destruction of handgun license.

Note: The above "Incidents" [must] shall be reported if they were not previously disclosed by licensee to the License Division, or if previously disclosed, circumstances have changed.

(d) In addition to the aforementioned "Incidents," whenever the holder of a handgun license becomes involved in a situation which comes to the attention of any police department, or other [Law] law enforcement agency, the licensee [must] shall immediately notify the License Division's Incident [Unit] Section of the details.

(e) All "Incidents" [will] shall be reviewed and evaluated by License Division investigators. If, as a result of the "Incident," the License Division finds it necessary to suspend or revoke the license, the licensee [will] shall receive notification by mail. Said notification [will] shall advise the licensee of the status of her/his license and the reason for the suspension/revocation.

(f) The licensee [will] shall be directed to immediately voucher for safekeeping all [firearms(s)] handguns, rifles and/or shotguns listed on any license and any rifle/shotgun permit s/he possesses. After the [firearm(s)] handguns, rifles and/or shotguns have been vouchered, the licensee [must] shall immediately send her/his handgun license and any rifle/shotgun permit s/he possesses and a copy of the "Voucher" to the License Division's Incident [Unit] Section.

(g) Failure to comply with these directions is a violation of the [N.Y.S.] New York State Penal Law, and [will] shall result in summary action by the Police Department. Possession of an unlicensed [firearm(s)] handgun is a crime. If a license is suspended or revoked, the [firearm(s)] handgun(s) listed thereon are no longer considered licensed. Failure to comply with the License Division's directions may result in the permanent revocation of the licensee's handgun license.

(h) If her/his license is suspended or revoked, the licensee shall be issued a written Notice of Determination Letter, which shall state in brief the grounds for the suspension or revocation of the license and notify the licensee of the opportunity for a hearing. The suspended/former licensee has the right to submit a written request for a [Hearing] hearing to appeal the decision. This request [must] shall be made within thirty (30) calendar days of the [Suspension/Revocation Notice] date of the Notice of Determination Letter. The written request shall be submitted to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York, New York 10038. A licensee whose arrest or summons resulted in suspension or revocation of her/his license may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the licensee becoming the subject of an order of protection or a temporary order of protection, the licensee may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply. However, requests for [Hearings will] hearings shall not be entertained, nor [will] shall a [Hearing] hearing be scheduled until the licensee:

(1) [Vouchers the firearm(s);] Complies with the provisions of subdivision (f) above; and

(2) [Forwards a copy of the voucher receipt; and

(3) Forwards his handgun license to the License Division;

(4)] Provides a Certificate of Final Disposition, if applicable; and

[(5)] (3) Provides a Certificate of Relief from [Disability] Disabilities, if applicable, to the License Division.

(i) [If the suspension is based upon the licensee's having been arrested, the licensee must provide the License Division with the Final Certificate of Disposition, and a Certificate of Relief from Disability if the licensee were convicted for a felony or serious misdemeanor. A Hearing will not be held until all pending matters before the Court have been finalized.

(j) If it becomes necessary for the licensee to request a hearing, the licensee must do so by submitting a request to the Commanding Officer of the License Division.] The [letter must] written request for a hearing shall include:

(1) License number [-- Refer to Disapproval number if applicable].

(2) Reason(s) for the request.

(3) Disposition of license(s) and handgun(s).

[(k)] (j) Upon receipt of the licensee's letter, the License Division [will] shall schedule the licensee for a hearing and notify the licensee by mail.

§ 5-31 Mutilated, Lost or Stolen Licenses. (a) If her/his license was lost or stolen, the licensee [must] shall report the loss/theft to the "Precinct of Occurrence" and obtain a "Complaint Report Number."

(1) *If the licensee's license was lost, s/he [must] shall:*

(i) Obtain a "Complaint Report Number" from the precinct of occurrence.

Chapter 13 of Title 38 of the Rules of the City of New York is amended to read as follows:

Chapter 13 Special Patrolmen

§ 13-01 Appointment. (a) Pursuant to New York City Administrative Code § 14-106, the Police Commissioner may appoint Special Patrolmen upon application by individuals whose employers demonstrate need for such appointment.

(b) Applications for appointment as Special [Patrolmen] Patrolman from employees, properly endorsed by the following agencies or institutions, [will] shall be given consideration:

(1) City and state governmental agencies.

(2) Housing complexes.

(3) Hospitals, cemeteries and social welfare agencies.

(4) Educational and cultural institutions, schools, libraries, museums, etc.

(5) Financial institutions[,] and business entities.

(6) As deemed appropriate by the Police Commissioner.

[(b)] (c) Special Patrolmen are [designated] appointed in connection with special duties of employment, and such designation confers limited Peace Officer powers upon the employee pursuant to New York State Criminal Procedure Law § 2.10(27). The exercise of these powers is limited to the employee's geographical area of employment and only while such employee is actually on duty. Such duties of employment may include:

(1) Issuing of summonses [by governmental employees]; or

(2) Making arrests and issuing desk appearance tickets; or

(3) Controlling crowds and maintaining order in governmental or public buildings.

[(c)] (d) Special [Patrolmen deputizations will] Patrolman designations shall be renewed [biennially] every two years upon a showing, to the satisfaction of the Police Commissioner, of continuing fitness of the employee, continuing necessity by the employer, [i.e.] i.e., that the duties and responsibilities of the positions require the special powers conferred by the New York City Administrative Code and New York State Criminal Procedure Law.

[(d)] (e) To be eligible for appointment as a Special Patrolman, an applicant shall be of good character, as more specifically defined in these rules, cooperate in a background investigation by the License Division of the Police Department and possesses the following qualifications:

(1) A citizen of the United States and resident of the City of New York unless exempted by law.

(2) Presently employed or about to be employed for the purpose of performing duties as specified in § 13-01(b) above, within the City of New York for an employer approved by the Police Department. [Deputizations] Appointments are made for the [purposes] benefit of the employing agency, institution or business entity, at whose request the appointment is made, and the duration of the

[deputization] appointment shall be [coexistent] coterminous with such employment.

(3) No record of convictions for any felony or serious offense as enumerated in § 265.00 (17) of the New York State Penal Law. If an applicant presents a Certificate of Relief from [Disability] Disabilities for a conviction as aforesaid, consideration [will] shall be given to the circumstances of the underlying arrest, the age of the applicant when arrested, the time elapsed since the occurrence of the act which led to the arrest and conviction, and the subsequent conduct of the applicant.

(4) Be at least 21 years of age at the time of [deputization] appointment.

(5) If discharged from the military service, it [must] shall not have been dishonorably.

(6) Not possess a [physical, medical or mental impairment] condition or disability which, even with reasonable accommodations, would prevent the performance of the essential functions of Special Patrolman.

[(e)] (f) In addition to the above, applicants for Special Patrolman designation may be disapproved by failure to meet character requirements [where] as disclosed by a background investigation [discloses incidents in the applicant's background demonstrating a pattern of predisposition to violence, theft or other misconduct which would be inimical to the purpose of the deputization, i.e., the protection of property, or the safety of specific individuals or the public at large]. This determination [will] shall be based upon a review of the circumstances of previous arrests, employment records, mental history, [and] reports of misconduct reflecting on character as referred to above, and any other pertinent records or information.

[(f)] (g) An applicant may be disapproved if a false statement [of a material fact] is made on the application.

[(g)] (h) All applicants shall be fingerprinted upon the filing of the application on forms provided by the License Division. A processing fee, required by the New York State Division of Criminal Justice Services, shall be paid at the time the applicant is fingerprinted, by a money order payable to the N.Y.S. Division of Criminal Justice Services. An application fee shall also be paid at that time, by certified check or money order made payable to the N.Y.C. Police Department. The following items of information shall be provided by applicants: Court disposition of any arrest in which [our] Police Department records do not indicate a final determination; two color photos 1-1/2["] X 1-1/2[" bust types] inches, front view, taken within the past thirty (30) days; [photostat] certified copy of birth certificate; [photostat] certified copy of DD214 and military discharge; proof of residence; if foreign born, naturalization certificate; [pistol] handgun license or rifle/shotgun permit [license] if applicable; driver's license or New York State Department of Motor Vehicles identification card. All application forms [must] shall be typed and notarized, and co-signed by the employer's Chief of Security. [Form letters addressed to the applicant concerning his interviews, status of investigation, approval or disapproval should also be provided as they concern the items listed above; the] The Special [Patrolmen] Patrolman Section [must] shall be notified at least three (3) business days prior to any scheduled appointments if the applicant is unable to appear.

[(h)] (i) During the pendency of the application, the applicant shall notify the License Division of any necessary correction to or modification of the information provided in the original application, or any change in her/his status or circumstances, which may be relevant to the application.

(j) An employer seeking approval to employ one or more Special Patrolmen shall be evaluated utilizing the following criteria:

(1) Demonstrated need for Special Patrolman services.

(2) Financial ability to support adequate compensation, uniform, training, and supervision expenses.

(3) Establishment of training program and sufficient management supervision.

(4) Character and reputation of employer including any criminal activity associated with employer's operations.

(5) Prior experiences with Special Patrolmen engaged by employer.

(6) Compliance with the rules and requirements of this chapter.

[(i)] (k) Once an application for Special Patrolman [deputization] appointment has been disapproved, or [deputization] appointment once granted has been revoked [for cause], the disqualified individual [will] shall be ineligible to file a new application for at least [one (1) year] two (2) years, unless reinstated earlier after a suspension or revocation hearing.

(l) Each Special Patrolman shall be required to sign an acknowledgment that s/he shall be responsible for compliance with all laws, rules, regulations, standards, and procedures promulgated by federal, state, or local jurisdictions, and by federal, state, or local law enforcement agencies, that are applicable to her/his appointment. The License Division shall provide the Special Patrolman with the acknowledgment statement. This acknowledgment statement shall be notarized. Failure to execute the acknowledgment statement and to have it notarized shall result in disapproval of the application.

(m) Special Patrolmen shall cooperate with all reasonable requests by the Police Department for information and assistance in matters relating to their designation.

(n) If her/his application for special patrolman appointment is disapproved the applicant shall receive a written "Notice of Application Disapproval" from the License Division indicating the reason(s) for the disapproval. If the applicant wishes to appeal the decision s/he shall submit a sworn written statement, which shall be known as an "Appeal of Application Disapproval," to the Division Head, License Division, within thirty (30) calendar days of the date on the "Notice of Application Disapproval" requesting an appeal of the denial, and setting forth the reasons supporting the appeal. The Appeal of Application Disapproval shall become part of the application. It shall state the grounds for the appeal and shall contain the following statement to be signed by the applicant and notarized: "Under penalty of perjury, deponent being duly sworn, says that s/he is familiar with all of the statements contained herein and that each of these statements is true, and no pertinent facts have been omitted." Appeals that are unsworn by the applicant or submitted by individuals or business entities other than the applicant or her/his New York State licensed attorney shall not be accepted. All timely appeals shall receive a complete review of the applicant's entire file by the Division Head, License Division, who shall notify the applicant of her/his determination. The Division Head, License Division shall not consider any documentation that was not submitted during the initial background investigation. There shall be no personal interviews to discuss appeals. If the appeal of her/his disapproval is denied, the applicant shall receive a "Notice of Disapproval After Appeal" letter from the Division Head, License Division. This notice concludes the Police Department's administrative review procedure.

§ 13-02 Cancellations, Suspensions and Revocations. (a)[An] A Special Patrolman and her/his employer [must] shall immediately notify the License Division of the Police Department, Special [Patrolmen] Patrolman Section, whenever an employee, [deputized] appointed as Special Patrolman is:

(1) Arrested.

(2) Suspended from employment.

(3) Terminated from employment.

(4) Disabled [to the extent he will not be capable of performing special patrolman] or subject to a condition which prevents the Special Patrolman from being able to perform the duties of a Special Patrolman.

(5) Transferred to a position not requiring [deputization] such appointment.

(6) Involved in an incident which demonstrates conduct which is contrary to the purpose of appointment as a Special Patrolman, *i.e.*, the protection of property, or the safety of specific individuals or the public at large, and to her/his continued designation as a Special Patrolman.

(b) Upon receipt of this notice from the Special Patrolman, her/his employer, or otherwise, the License Division shall immediately notify the Special Patrolman and the employer that the [deputization] appointment is cancelled, suspended or revoked.

(c) A Special Patrolman and her/his employer shall immediately notify the License Division of the Police Department, Special Patrolman Section, whenever said employee changes her/his address. The failure of a Special Patrolman and/or her/his employer to report a Special Patrolman's change of address to the Special Patrolman Section may result in the immediate revocation of the appointment.

(d) The appointment of a Special Patrolman may also be cancelled, suspended or revoked by the Police Commissioner on her/his own initiative for any of the reasons enumerated in § 13-02(a) above, or upon a finding that a condition exists, which would be cause for a disapproval of an application, or revocation, as aforesaid. In appropriate circumstances, the approval for an employer to participate in the Special Patrolman program may be revoked.

[(d)] (e) When a cancellation, suspension or revocation is initiated by the Police Department, written notice [will] shall be given to the employer and the employee whose designation has been cancelled, suspended or revoked, advising them of the reasons for the action taken.

[(e) Within 30 days after a disposition of an arrest of a Special Patrolman, which resulted in revocation of deputization, the employer and the affected employee may request a hearing pursuant to § 13-03 of these rules.]

§ 13-03 [Appeals] Appeal from [Disqualification and] Written Notice of Determination of Suspension or Revocation. (a) [No applicant shall be disqualified pursuant to these rules, unless he is first given a written statement of the reasons therefor and an opportunity for an appeal.

(b) Upon receipt of a written notice of disqualification from the License Division, an applicant] An employer or suspended/ former Special Patrolman may within [ten (10)] thirty (30) calendar days from the date of the Notice of Determination Letter notifying the employer or Special Patrolman of suspension or revocation make a written [appeal] request for a hearing to the Commanding Officer, License Division, One Police Plaza, Room 110A, New York, New York 10038. [Only written appeals will be considered. The Commanding Officer, License Division shall review the applicant's entire file and notify the applicant in writing of his or her determination. If the appeal is denied, the applicant will receive a "Notice of Disapproval After Appeal" letter from the Commanding Officer, License Division. This notice concludes the Police Department's administrative review procedure.]

(b) A Special Patrolman whose arrest or summons resulted in suspension or revocation of her/his appointment may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the Special Patrolman becoming the subject of an order of protection or a temporary order of protection, the Special Patrolman may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply.

§ 13-04 Uniform and Equipment. (a) The [uniform and] shield of a Special Patrolman shall be of a design and color approved by the Police Commissioner. The Special Patrolman's [prescribed] uniform shall be prescribed by the employer, shall not resemble in any way the uniform of a New York City Police Officer, and shall be worn at all times while the Special Patrolman is on duty unless the Special Patrolman's [credentials permit] identification card authorizes the wearing of civilian clothes or s/he is otherwise excused by the Police Commissioner. A Special Patrolman [will] shall not wear her/his uniform while off-duty. ([§ 14-107 N.Y.C.] New York City Administrative Code § 14-107.)

(b) When appointed, a Special Patrolman [will] shall be provided with a shield and identification card. To insure the return of the shield, a $25 deposit [will] shall be required for each shield issued. The deposit [will] shall be refunded upon the return of the shield. The theft or loss of a shield or identification card [will] shall be reported without delay to the precinct of occurrence and in writing to the License Division.

(c) Identification cards bearing the raised seal of the License Division, [with a biennial] including an expiration date, [will] shall be issued to Special Patrolmen who are in compliance with [uniform and shield] all applicable standards.

(d) Upon the death, resignation, termination of employment, cancellation, suspension or revocation of the appointment of a Special Patrolman, the [Commanding Officer of the Special Patrolmen Section] employer shall cause the Special [Patrolman] Patrolman's shield, [credentials] identification card and pistol or revolver, if any, to be delivered to [departmental] Police Department custody immediately, if this has not already been done.

(e) If [firearms] handguns are required, applications for a [pistol] handgun license authorizing the possession of a [firearm] handgun in connection with Special [Patrolmen] Patrolman duties should be made to the License Division's [Pistol] Handgun License Application Section. A determination [will] shall be made as to whether sufficient need exists for approval. It is a crime for a Special Patrolman to possess a [firearm] handgun without having a valid [pistol] handgun license therefor, and grounds for revocation of the Special Patrolman designation.

(f) If handcuffs are required, Special Patrolmen are restricted to possession while on duty or while traveling to and from [his or her] their assigned place of duty. Unlawful possession of handcuffs is a criminal violation ([§ 10-147(b) N.Y.C.] New York City Administrative Code § 10-147(b)).

§ 13-05 Conduct. (a) It is a crime for a Special Patrolman to represent her/himself as a Police Officer (§ 190.25 of the New York State Penal Law).

(b) Unlawful use and possession of a police uniform, shields or emblems, as prescribed by § 14-107 of the New York City Administrative Code [of the City of New York], shall be cause for revocation of a Special Patrolman designation.

(c) A Special Patrolman [will] shall be subject to the orders and regulations of the Police Commissioner, and [will] shall cooperate in the performance of duty with members of the Police Department.

(d) Upon making an arrest, a Special Patrolman shall, without delay, bring the prisoner before the Desk Officer at the precinct in which the arrest is made, or directly to the Central Booking facility as appropriate. [An arrest by a Special Patrolman shall be recorded in the same series of consecutive numbers as an arrest by a member of the Police Department.]

(e) A Special Patrolman employed by a city or state governmental agency other than the New York City Police Department, which has a formalized procedure for the issuing, recording, and forwarding of summonses for personnel of the agency concerned, shall comply with the regulations of that agency. Any other Special Patrolman who serves a summons shall deliver the necessary papers to the Desk Officer of the precinct in which it was served, without delay.

(f) A Special Patrolman [will] shall promptly notify the Special [Patrolmen] Patrolman Section of a change in residence, telephone number or employment status.

(g) If a Special Patrolman is arrested, s/he shall immediately notify her/his employer and the Special [Patrolmen] Patrolman Section of that occurrence.

(h) Non-compliance with any provision of these rules by a Special Patrolman may result in suspension or revocation of her/his [deputization] designation. Non-compliance with any of these rules by an employer may result in revocation of its approval to participate in the Special [Patrolmen] Patrolman program.

§ 13-06 Training. (a) Persons [deputized] appointed as Special Patrolmen by the Police Commissioner are mandated to have received training pursuant to New York State Criminal Procedure Law[,] § 2.30(1), within 12 months of their designation. Employers are solely responsible for providing such training.

(b) Employers of Special Patrolmen [will] shall be responsible for certifying to the [Commanding Officer] Division Head, License Division that their [deputized] designated personnel have completed the required training and [will] shall submit copies of completion certificates to the License Division within 30 days of such training.

(c) Non-compliance with these mandated training provisions by employers or their [deputized] designated Special Patrolmen shall be cause for revocation of their designations and revocation of approval for the employer to participate in the Special [Patrolmen] Patrolman program.

§ 13-07 Required Reports. (a) Agencies, institutions, et[.] al., employing persons [deputized] appointed as Special Patrolmen are solely responsible for compliance with mandatory reporting requirements as established by the New York State Division of Criminal Justice Services. Tel: (518) 457-6101.

(b) Failure to comply with [N.Y.S.] New York State Division of Criminal Justice Services mandated reporting requirements may be grounds for removal from the Special [Patrolmen] Patrolman program.

Licensee. The term "Licensee" shall mean any person, business, organization or governmental agency which is requesting a hearing to contest a decision made by the Department regarding an individual license, permit or certificate.

Party. The term "Party" shall mean the Department or any licensee involved in a hearing.

Revocation. The term "Revocation" shall mean removal of a license and privilege to possess a [firearm] handgun or rifle/shotgun and/or be designated a special patrolman, or to conduct business as a dealer, gunsmith, or manufacturer, or to possess rifles or shotguns as an organization.

Special Patrolman. The term "Special patrolman" shall mean an individual who has been granted a designation as special patrolman by the Police Commissioner pursuant to New York City Administrative Code § 14-106.

Suspension. The term "Suspension" shall mean temporary removal of a license and privilege to possess a [firearm] handgun or rifle/shotgun and/or be designated a special patrolman, or to conduct business as a dealer, gunsmith, or manufacturer, or to possess rifles or shotguns as an organization.

§ 15-22 Commencement of Proceedings. (a) *Entitlement to a Hearing.* A licensee shall be entitled to submit a written request for a hearing following issuance of a Notice of Determination Letter notifying the licensee [upon notice] of suspension or revocation [or cancellation] of a [pistol or longarm] license [and/or special patrolman designation] and the opportunity for a hearing.

(b) *Scheduling of Hearings.* A licensee who wishes to request a hearing relating to a suspension[,] or revocation [or cancellation must notify the Assistant Commissioner, Civil Matters, in writing, of such request within 30 days of the date on the notice of suspension or cancellation. The Assistant Commissioner, Civil Matters] shall submit a written request to the Commanding Officer, License Division, following the issuance of a Notice of Determination Letter, within 30 calendar days of the date on the Notice of Determination Letter. A licensee whose arrest or summons resulted in suspension or revocation of her/his license may only submit a written request for a hearing within thirty (30) calendar days after the termination of the criminal action, as defined in New York State Criminal Procedure Law § 1.20(16)(c). If the suspension or revocation resulted from the licensee becoming the subject of an order of protection or a temporary order of protection, the licensee may only submit a written request for a hearing within thirty (30) calendar days after the expiration or voiding of the order of protection or temporary order of protection. If the suspension or revocation was related to both a criminal action and an order of protection or temporary order of protection, then the later of the two waiting periods shall apply. The License Division shall schedule a hearing within a reasonable time of receipt of the request.

(c) *Notice of Hearing.* [(1)] A licensee shall receive notification of the date, time and place of the hearing by regular mail addressed to the licensee's last known address. Additionally, a licensee's [legal representative will] New York State licensed attorney shall receive notification, if the [representative] attorney has filed an appearance with the Department.

[(2) The hearing notice shall state the reasons for the hearing including the legal authority for the hearing and reference to any particular sections of law or regulations involved.]

§ 15-23 Proceedings upon Default. (a) *Failure to Appear.* (1) Upon a licensee's failure to appear at a license suspension[, cancellation] or revocation hearing, or any adjournment thereof, without good cause, it shall be deemed that the licensee does not contest the issues underlying the suspension [, cancellation] or revocation of the license. The Hearing Officer may [suspend, cancel or revoke] recommend the suspension or revocation of the license and/or may proceed to take testimony with regard to the merits of the case.

(2) *Notice of Default.* The parties shall be notified of the [hearing] Hearing Officer's declaration of default.

(3) *Application to Vacate Default.* An application for a rehearing and stay of default may be made within 20 calendar days of the date of the notification of default/hearing results. Such application shall be made to the [Assistant Commissioner, Civil Matters] Hearing Officer and may be granted upon a showing of good cause.

§ 15-24 Adjournments. (a) A request for an adjournment shall be made at least 72 hours prior to the date of the hearing. An adjournment [will] shall not be granted except for good cause shown.

(b) (1) If an adjournment is granted, the adjourned hearing date [shall] may be marked final against the licensee [or applicant] requesting the adjournment.

(2) Attorneys requesting an adjournment because of a conflicting engagement shall submit an Affirmation of Actual Engagement, setting forth the name of the court, case, and date and time of the proceedings.

§ 15-25 Evidence. (a) *Evidence.* (1) Parties shall have the right to call witnesses, conduct examinations and cross-examinations, to present evidence, and make objections, motions and arguments.

(2) The rules of evidence governing proceedings in the courts of this State shall not be strictly enforced at hearings. Objections shall be timely and the basis for the objection shall be clearly stated.

(3) The introduction of cumulative or irrelevant evidence shall be avoided. The Hearing Officer may curtail the testimony of any witness which is deemed to be cumulative or irrelevant.

(4) Parties may stipulate to facts involved in the proceedings. Stipulations shall be noted on the record and [must] shall be approved by the Hearing Officer.

(b) *[Review of Folders] Requests for Records.* Licensees or their New York State licensed attorneys [who wish to review a file must make an appointment to do so] may request copies of records at least [one week] three weeks in advance of the date of the hearing. Documents shall not be provided in response to such request where: (1) the documents are privileged or confidential pursuant to law or rule, or (2) where disclosure of the documents would reveal investigative techniques, would impair active investigations or judicial proceedings, would constitute an unwarranted invasion of privacy, or would endanger the life or safety of any person.

(c) *Oral Argument.* Oral argument may be curtailed or limited, in the Hearing Officer's discretion, and shall be included in the record.

§ 15-26 Hearing Officers and Representation of Parties. (a) *Hearing Officer.* (1) The Hearing Officer shall serve both as impartial examiner and impartial judge and shall have the duty to conduct fair and impartial hearings, to take all necessary action to avoid delay in the disposition of the proceedings, and to maintain order. It shall be the duty of [each] a Hearing Officer to inquire fully into all matters at issue and to obtain a full and complete record. The Hearing Officer shall write a Hearing Report which includes a [decision] recommended disposition. A Hearing Officer's duties shall be restricted to adjudication and related matters.

(2) The Hearing Officer shall have all powers necessary to conduct a hearing, including the power to administer oaths and affirmations, rule upon offers of proof, receive evidence, regulate the course of hearings and the conduct of the parties and their counsel and to hold conferences, both on and off the record, for settlements, simplification of issues, or any other proper purposes.

(b) *Prosecuting Attorney.* An Attorney designated by the Department's Legal Bureau may act as prosecutor to present the [Police] Department's case.

(c) *Representation of Licensees.* Licensees may be represented by an attorney who is a member in good standing of the bar of the State of New York.

§ 15-27 Conduct of Hearings. (a) *Public Access to Hearings.* Hearings are generally open to the public. If good cause is shown by either party, the Hearing Officer may exclude the public from a particular hearing or portion of a hearing. Additionally, the public may be excluded at the Hearing Officer's discretion.

(b) *General Provisions.* (1) The Hearing Officer shall rule upon matters of procedure and introduction of evidence and shall conduct the hearing in such manner as will best serve the attainment of justice.

(2) Licensees shall appear and testify at the hearing. They may submit evidence relevant to the matter under consideration. If a licensee fails to testify an adverse inference may be drawn against him or her by the Hearing Officer.

(3) Any licensee desiring to subpoena a witness, document or other evidence may do so in the manner provided for in the New York Civil Practice Law and Rules. The Hearing Officer shall issue administrative subpoenas to necessary individuals and may issue administrative subpoenas upon request by a party.

(4) No ex parte communications relating to other than ministerial matters regarding a proceeding shall be received by a Hearing Officer, including internal agency directives not published as rules.

(c) *Disposition by Settlement.* Informal [Disposition] disposition may be made of any matter which is the subject of an adjudication by means of stipulation, agreed settlement or consent order.

(d) *Transcripts.* All hearings shall be recorded on a tape recorder. A transcript of the hearing may be ordered by any party to the hearing. The transcript shall be provided upon payment of reasonable transcription costs.

§ 15-28 [Decisions] Hearing Officer's Report and Recommendation. (a) [*Hearing Officer's Decision.*] After the conclusion of the hearing, the Hearing Officer shall prepare a written hearing report and [decision] recommended disposition. The report shall include a statement of the issues, findings of fact, and conclusions of law, as well as the reasons and basis [therefore] therefor. Findings of fact shall be based exclusively upon all the material issues of fact and law presented in the record. The Division Head, License Division shall review the report and recommendation and make a final determination. S/he may approve the recommendation or modify the findings or the penalty consistent with the record. The Division Head's determination is the final administrative determination.

(b) Licensees shall receive a copy of the Hearing Officer's [decision] report and the Division Head's final determination, by regular mail, within a reasonable time after the conclusion of the hearing.

§ 15-29 Penalties. Appropriate penalties may be imposed upon a licensee including [temporary or permanent loss] suspension or revocation of the license [and/or privilege to possess a firearm and/or be designated a special patrolman].

[**§ 15-30 Appeals.** (a) Licensees who wish to appeal the Hearing Officer's decision must submit a sworn written statement, which shall be known as a "Hearing Appeal", setting forth the basis for the hearing appeal, to the Commanding Officer, License Division. Such letter must be received by the Commanding Officer within 30 days of the date of the Notice of Hearing Results.

(b) Upon appeal, the Commanding Officer, License Division may approve, modify or reject the Hearing report and decision.

(c) The Commanding Officer's decision is the final administrative review.

(d) The hearing appeal shall be deemed part of the hearing process. It shall state the grounds for the appeal and shall contain the following statement to be signed by the licensee in the presence of a notary: "Under penalty of perjury deponent being duly sworn, says that he/she is familiar with all the statements contained herein and that each of these statements is true and no pertinent facts have been omitted." Hearing appeals that are unsworn by the applicant or submitted by individuals or business entity's other than the applicant (or an applicant's attorney who is duly licensed to practice law in the State of New York) will not be accepted.]

Chapter 16 of Title 38 of the Rules of the City of New York is amended to read as follows:

Chapter 16 Transport or Delivery of [Firearms] Weapons

§ 16-01 Definitions

[Antique Firearm. "Antique Firearm" shall mean any unloaded muzzle loading pistol or revolver with a matchlock, flintlock, percussion cap, or similar type of ignition system, or a pistol or revolver which uses fixed cartridges which are no longer available in the ordinary channels of commercial trade.

Firearm. "Firearm" shall mean (1) any pistol or revolver, or (2) shotgun having one or more barrels less than eighteen inches in length, or (3) a rifle having one or more barrels less than sixteen inches in length, or (4) any weapon made from a shotgun or rifle whether by alteration, modification, or otherwise if such weapon as altered, modified, or otherwise has an overall length of less than twenty-six inches. For purposes of this chapter the length of the barrel on a shotgun or rifle shall be determined by measuring the distance between the muzzle and the face of the bolt, breech, or breechlock when closed and when the shotgun or rifle is cocked; the overall length of a weapon made from a shotgun or rifle is the distance between the extreme ends of the weapon measured along a line parallel to the center line of the bore. "Firearm" shall not include an antique firearm, or a pistol or revolver that has been rendered permanently inoperable for use in a theatrical production.

Firearms Dealer. "Firearms Dealer" shall mean any person, firm, partnership, corporation or company who engages in the business of purchasing, selling, keeping for sale, loaning, leasing, or in any manner disposing of, any pistol or revolver, and who is licensed by the Police Commissioner pursuant to Article 400 of the Penal Law and § 10-302 of the Administrative Code.]

License Division. The term "License Division" shall mean the License Division of the New York City Police Department.

Person. ["Person"] The term "person" shall mean an individual, firm, partnership, corporation, company or other business entity, and shall include any common or contract carrier, shipper, transport company, [firearms] weapons manufacturer, distributor or dealer.

Police Commissioner. The term "Police Commissioner" shall mean the Police Commissioner of the City of New York or [his or] her/his designee(s).

Transitory Shipment. For purposes of this chapter, the term "transitory shipment" shall mean a shipment which begins outside of the City of New York, and moves continuously and without interruption through the City of New York to a final destination outside of the City of New York. A shipment which is within the City of New York and involves any off-loading of the weapons from one means of transportation, followed by subsequent on-loading of the weapons to another means of transportation, shall not be considered a transitory shipment.

Unanticipated Delay. For purposes of this chapter, the term "unanticipated delay" is an event involving the operator of a vehicle who intended to make a transitory shipment of weapons when s/he entered the City of New York with a shipment of weapons, and having done so, has experienced an unexpected mechanical problem, or other unexpected condition or set of circumstances which causes the operator to remain within the City, and off of a limited access highway, for a period of greater than one hour.

Weapon. For purposes of this chapter, the term "weapon" shall mean a "firearm," "rifle," "shotgun," or "machine-gun," as those terms are defined in § 265.00 of the New York State Penal Law and shall also include anything that is defined as an "assault weapon" in § 10-301 of the New York City Administrative Code.

Weapons Dealer. For purposes of this chapter, the term "weapons dealer" shall mean any person, firm, partnership, corporation or company who engages in the business of purchasing, selling, keeping for sale, loaning, leasing, or in any manner disposing of any weapon as defined in this chapter and who is licensed by the Police Commissioner pursuant to Article 400 of the New York State Penal Law and/or § 10-302 of the New York City Administrative Code.

§ 16-02 Applicability This chapter shall apply to all persons who transport or deliver one or more [firearms] weapons into or within any location in the City of New York, except that [they] it shall not apply to:

(a) the transitory shipment of [firearms] weapons through New York City to a final destination outside of New York City[, or]. However, if the operator of the vehicle containing a transitory shipment of weapons experiences an unanticipated delay as that term is defined in § 16-01 of this chapter, such operator shall immediately report to the nearest Police Department facility the following information:

(1) her/his current location;

(2) the location of the transporting vehicle;

(3) the cause of the unanticipated delay;

(4) the expected duration of the shipment's presence in the City; and

(5) how the shipment shall be secured during its stay in the City.

In the case of such delay, the officer receiving such notice may direct the vehicle operator to take reasonably necessary measures to secure the weapons shipment, or the officer may seize and secure the weapons until such time that the shipper makes alternative arrangements which are acceptable to the officer.

(b) the shipment or delivery of [firearms] five (5) or fewer weapons from one [firearms] licensed weapons dealer located in New York City directly to another [firearms] licensed weapons dealer located in New York City. However, the manner of storage of such weapons during their transportation shall be in compliance with § 16-05 of this chapter.

§ 16-03 Authorization to Transport or Deliver Firearms (a) No person shall transport or deliver, or cause to be transported or delivered, [firearms] weapons into or within the City of New York where s/he knows or has reasonable means of ascertaining what s/he is transporting, without first obtaining written authorization to do so from the Police Commissioner.

(b) A request by any person for authorization to transport or deliver [firearms] weapons shall be made in writing to the Commanding Officer, License Division, New York City Police Department, One Police Plaza, Room 110A, New York, New York 10038, or by Facsimile transmission (212) [571-5298] 374-2828, so as to be received by the License Division at least ten (10) calendar days prior to the transportation within the City of New York. Such request shall include the following information:

(1) [the] The name and address of the source of the shipment of [firearms:] weapons. If the source is a corporation, the name of the president or authorized representative of such corporation shall be included.

(2) [the nature of the shipment, including type and number of firearms to be delivered; and] The number of weapons, including the manufacturer's name, caliber, and model identification, for each type of weapon being transported.

(3) [the name and address of the person to receive the shipment in New York City] The name of the shipping company, if different from the source of the shipment, including the address and telephone number of the company's headquarters.

(4) The day, date, and the estimated time and place of arrival of the shipment into New York City.

(5) The name, address, and weapons dealer's or gunsmith's license number of the person authorized to receive the shipment in New York City.

(6) The type of vehicle to be used by the source of the shipment, or the shipping company, including any distinctive company logos or markings on the vehicle.

(7) A photocopy of the driver's license of the person scheduled to make the delivery, and a photocopy of the driver's license of an alternate driver who may be required by the source of the shipment, or the shipping company, to substitute for the principally scheduled delivery person.

(8) The application for permission to transport weapons shall contain the following statement, subscribed and sworn to by the applicant before a notary public, commissioner of deeds, or other comparable official: "I, [Name] ---------- , the applicant for permission to transport weapons within or through the City of New York, state that such weapons shall be transported in an unloaded condition, and in a manner that conforms with § 16-05 of Chapter 38 of the Rules of the City of New York, and if upon inspection of the contents of the transporting vehicle it is discovered that such weapons are not secured in a manner conforming with said section, then any permission issued by virtue of this application shall be void and deemed to have never been granted, and it is understood that I and any of my agents, employees, or assignees, may be prosecuted for transporting weapons without permission pursuant to the New York State Penal Law and the New York City Administrative Code, and that the property being transported as well as the means of transport may be seized and forfeited pursuant to law."

(c) If a person seeking permission to transport a weapon pursuant to this section is utilizing a shipping company or other delivery service and is unable to provide information relevant to paragraphs (4), (6) or (7) of subdivision (b) of this section, a separate request for permission to transport shall be submitted by the shipping company or delivery service, which shall include the required information.

(d) Upon receiving a request for authorization to transport or deliver [firearms] weapons, the Police Commissioner shall cause to be conducted a review of Police Department records to ascertain whether the intended recipient of the [firearms] weapons shipment or delivery is an authorized person, and whether there exists any information which would otherwise provide a basis for denying authorization to receive such [firearms] weapons shipment. [(d)] The Police Commissioner or her/his designee shall[, within ten business days of receiving a request for authorization to *transport or deliver firearms,*] then *notify the*

requesting person that such authorization has or has not been granted.

(e) In addition to any other applicable penalties, the Police Commissioner may deny an application submitted pursuant to this chapter if the applicant has previously failed to comply with the provisions of this chapter.

§ 16-04 Surrender of Firearms Not Authorized For Transportation or Delivery[.] Any person who transports or delivers [firearms] weapons without obtaining authorization pursuant to the requirements of [the] this chapter shall be liable for the penalties set forth in Article 265 of the New York State Penal Law and the New York City Administrative Code, and shall further be directed by any member of the Police Department to [either] surrender the [firearms] weapons to the Police Department [or immediately return such firearms to the sender]. In addition, the property being transported, as well as the means of transport, may be seized and forfeited pursuant to law.

§ 16-05 Required Security Measures for Weapons Shipments in Transit Any person, corporation, partnership, or other business entity using a vehicle to transport weapons within or through the City of New York shall, at a minimum, employ the following security measures while such weapons are in transit:

(a) All weapons shall be transported unloaded.

(b) All weapons shall be placed in one or more containers located within the vehicle used for transportation of the weapons. Such containers shall be constructed of materials of such a sturdy character that when the container is closed and locked, it cannot be forced open by hands alone, or sliced open with a common tool such as a knife or box cutter.

(c) The above referenced container(s) shall be securely fastened, with a combination or key locking device, to the interior body structure of the transporting vehicle, in such a manner that the containers cannot be manually removed without releasing the locks.

(d) Such containers, while in transit and carrying weapons, shall be closed and locked with a heavy-duty combination or key-type lock.

(e) Ammunition shall not be stored in the same container as weapons.

(f) At all times other than loading and unloading, the cargo area of the transporting vehicle in which all of the above referenced containers shall be stored shall be closed and locked with a heavy-duty combination or key-type lock.

(g) The driver of the transporting vehicle shall carry a manifest which declares the numbers and types of weapons being transported, and the intended point of delivery. Such manifest shall not be considered valid unless it shall have written upon it the permission serial number issued by the New York City Police Department License Division.

(h) (1) The Police Commissioner may require, as a condition of the authorization to transport or deliver weapons, that shipments of weapons which will be off-loaded from one means of transportation and subsequently on-loaded to the same means or another means of transportation within the city of New York, be escorted by a uniformed member of the New York City Police Department, from the time of on-loading until such point that the shipment has left the jurisdictional boundaries of the City of New York.

(2) If the Police Commissioner elects to impose the escort requirement as a condition of the authorization to transport or deliver weapons, the applicant shall notify the Commanding Officer, License Division, of the day, date, estimated time and place of on-loading of the shipment to the second means of transportation. The escort requirement shall be deemed waived if the escort is not present at the place within the City of New York where the weapons will be on-loaded within thirty minutes of the shipment's estimated time of on-loading and departure.

§ 16-06 Requirement to Report Theft, Loss or Misdelivery

(a) Any person, firm, corporation, or other business entity who has received permission to transport weapons pursuant to the provisions of this chapter, and who suffers a loss or theft of any part of her/his weapons shipment while it is located within New York City, shall forthwith report such loss or theft to the nearest Police Department facility and shall comply with all reasonable requests for assistance by police officers who investigate the circumstances of the loss or theft.

(b) Any person, firm, corporation or other business entity who has received permission to transport weapons pursuant to the provisions of this chapter, and who knows or reasonably should know that any part of her/his weapons shipment was delivered to a person other than the person designated in § 16-03(b)(5) of this chapter, shall forthwith report such misdelivery to the Police Department's Operations Unit, at (212) 374-5580.

Note: References within this chapter to masculine shall be presumed to include the feminine and neuter. References to the singular shall be presumed to include the plural.

STATEMENT OF BASIS AND PURPOSE

The Police Commissioner is responsible for the licensing and regulation of handguns, rifles, shotguns and other weapons in New York City, including activities such as possessing, carrying, selling, manufacturing, transporting or repairing such weapons. In addition, the Police Commissioner is authorized to designate individuals as "Special Patrolmen" pursuant to Section 14-106 of the New York City Administrative Code. The administrative arm of the Police Department which fulfills these functions at his direction is the New York City Police Department's License Division.

Since early 1997, the operation of the License Division has undergone extensive review and analysis. This continuous effort to improve the quality and timeliness of the application and renewal process, the investigation of incidents, the determination of fitness, and the safe transport of weapons through New York City has resulted in significant policy changes and organizational improvements under the present rules and practices. However, it became clear that in the interest of consistency, fairness, and efficiency, a close examination and restructuring of Chapters 1, 2, 3, 4, 5, 13, 15 (Subchapter B), and 16 of Title 38 of the Rules of the City of New York was equally necessary.

Chapters 1 through 5, regarding licensing and possession of handguns and rifles/shotguns, as well as the licensing of dealers in weapons (including air pistols and air rifles), have been amended to be internally consistent in application, renewal, and suspension/revocation procedures. The amendments incorporate recent changes to the law, such as federal and state law prohibitions against possession of firearms by perpetrators of domestic violence, as well as local laws regarding the possession and use of safety locking devices and the establishment of domestic partnership registration in New York City. The amendments clarify and streamline the application and review process, clarify the conditions of the issuance of a license including the obligation to observe applicable laws and rules, and set forth consistent procedures for the appeal of revocation or suspension of a license or permit. Specifically with respect to handgun licensing, the amendments eliminate as a separate category the "Target" handgun license, clarify the requirements for particular categories of handgun licenses, and require inspection of all handguns with each renewal of the license.

Chapter 13, "Special Patrolmen," has been similarly amended to streamline and clarify application, renewal, and suspension/ revocation procedures, including criteria to be considered when evaluating whether employers demonstrate sufficient need for the appointment of special patrolmen.

Subchapter B of Chapter 15, governing hearings conducted by the License Division, has been amended to conform the hearing process to the License Division rules as amended herein, as well as to clarify and streamline the hearing and disposition process.

Chapter 16 is amended to strengthen the already existing rules regarding the transport of weapons in New York City. The amendments clarify the definitions of applicable terms, strengthen notification requirements and security requirements when weapons are transported in and through New York City, and provide an appropriate procedure when a weapons shipment destined for a location outside of New York City is unexpectedly delayed in New York City. The chapter is also amended to exempt weapons shipments of five or fewer between licensed dealers within New York City from the operation of these rules.

In response to public comment on the proposed rule amendments and additional review by members of the Police Department, modifications have been made to rules contained in Chapters 1, 2, 3, 4, 5, 13, and 15, which include: addition of a provision requiring license or permit applicants to notify the License Division in the event that their circumstances change during the pendency of the application; restoration of the thirty-day period within which to request a hearing following suspension or revocation of a license or permit, rather than the ten-day period originally provided; addition of a provision requiring that a licensee or permittee whose license was suspended or revoked due to their becoming the subject of an order of protection must wait until the order of protection is expired or voided in order to request a hearing; and modification of a requirement in Chapter 5 providing that licensees may, rather than shall, be required to produce all handguns possessed for inspection upon renewal of a handgun license.

Consistent with the intent of the New York State Penal Law and the New York City Administrative Code, and pursuant to the powers of the Commissioner under sections 434(b) and 1043 of the New York City Charter, Title 10 of the New York City Administrative Code, and Articles 265 and 400 of the New York State Penal Law, the Police Department is now acting to amend its rules to create a comprehensive and reasonable regulatory scheme for the licensing and regulation of deadly weapons in New York City, and for the appropriate designation of Special Patrolmen.

TAXI AND LIMOUSINE SERVICES

■ NOTICE

Notice of Final Publication

Notice is hereby given in accordance with Section 1043(b) of the Charter of the City of New York, that the Taxi and Limousine Commission hereby amends the Taxicab Owners Rules to adjust the Flat Rate of Fare between Kennedy Airport and Manhattan.

The Taxi and Limousine Commission ("TLC") is promulgating such regulations pursuant to the authority vested in the TLC under Charter Sections 2303(a) and (b); and 2304; and under Section 19-503 of the Administrative Code of the City of New York.

A public hearing in connection with these proposed regulations was held on May 24, 2001, by the NYC Taxi and Limousine Commission at 40 Rector Street, New York, NY 10006.

Section 1. Title 35 of the Rules of the City of New York ("RCNY"), Chapter 1, Taxicab Owners Rules, Section 1-69, Flat Fares from Kennedy Airport to Manhattan, subdivisions (a) and (b), is amended to read as follows:

Italics indicate new material.
[ ] Brackets indicate deleted material.

Section 1-69 Flat Rates From Kennedy Airport to Manhattan

(a) Notwithstanding the rate of fare set forth in Sections 1-70 (a) and (b), the fare for trips beginning at Kennedy Airport with a Manhattan destination shall be a flat rate of [Thirty Dollars ($30)] *Thirty-Five Dollars ($35),* plus any tolls.

(1) The night surcharge set forth in Rule 1-70 (b) shall not be added to this flat rate.

(2) The taximeter shall reflect that this trip is a flat fare.

(b) If passengers request multiple stops, the fare shall be as follows: the first stop in Manhattan is paid in accordance with subdivision (a) of this section; the meter is then turned on for a separate trip at the rate of fare as set forth in Section 1-70, and the total on the meter is paid at the last stop by the remaining passenger. (For example, if three passengers request stops at 42nd St., 18th St. and 4th St., then [$30] $35 will be collected at 42nd St. and the meter will be turned on. When the second passenger exits at 18th St., the meter remains on, and no money is paid to the driver. The passenger dropped off at 4th St. must pay the fare on the meter.)

Statement of Basis and Purpose

The regulations promulgated herein by the New York City Taxi and Limousine Commission ("TLC") are authorized under Section 2303(a) of the Charter of the City of New York, which empowers the TLC to regulate and supervise the business and industry of transportation of persons by licensed vehicles for-hire in the City; Section 2303(b) of such Charter, authorizing the TLC to enact rules and regulations relating to standards and conditions of service which are reasonably designed to carry out its purposes; Section 2304(b) of such Charter, authorizing the Commission to establish rates of fare for taxicabs; and Section 19-503 of the Administrative Code of the City of New York, authorizing the TLC to promulgate rules and regulations necessary to exercise authority conferred upon it by the Charter.

The regulations promulgated herein raise the Flat Fare rate for a trip from Kennedy Airport in Manhattan from the present rate of $30, to a rate of $35, exclusive of tolls. The $30 flat fare rate has been in effect since April 29, 1996.

The Commission adopted the JFK flat fare rate in 1996 to provide passengers with a consistent and uniform fare that approximated the average cost of a metered trip from Kennedy Airport to typical destinations in Manhattan, taking into account differences in traffic conditions and other variables such as the selection of a faster, but longer alternative route by drivers or passengers. The flat fare was also adopted in 1996 to prevent overcharging of passengers by drivers. The purpose of this increase in the flat fare rate by $5 per trip is to more closely approximate the average cost of a metered trip between Kennedy Airport and various locations in Manhattan, based upon average distance and time traveled. Since 1996, the Commission has conducted analyses of sample trips from Kennedy Airport to various destinations in midtown, lower and upper Manhattan. The results of these studies demonstrate that the average recorded meter charge for trips to midtown Manhattan was approximately $30. However, fares for trips to destinations in lower Manhattan averaged in excess of $35, while fares for trips to destinations in the northern end of Manhattan were approximately $35.

Lower Manhattan has developed in recent years into a primary residential and commercial area. In 1970, the Community Planning District comprising lower Manhattan (generally below the City Hall area) had a population of approximately 6,000 persons. By 1990, the population had increased to in excess of 25,000, and preliminary census data for the year 2000 indicates that more than 30,000 people now live in lower Manhattan-a five-fold increase in thirty years. This demographic change has significantly impacted upon the use of taxicabs to destinations in lower Manhattan.

This rule establishes a Flat Fare rate that is more equitable to drivers transporting passengers traveling to destinations in upper and lower Manhattan. The existing Flat Fare structure does not adequately compensate drivers who are required to transport passengers to such destinations. By providing a Flat Fare rate that adequately compensates drivers for time and distance traveled with respect to trips to these destinations, drivers may also have a greater incentive to provide service at Kennedy Airport and seek fares to these destinations.

Accordingly, an increase in the flat fare rate is justified, consistent with the purposes of the Rule, to ensure that passengers traveling between Kennedy Airport and Manhattan are charged a fare that closely approximates the average metered fare for an average trip to destinations throughout Manhattan.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

ATTENTION: CONTRACTORS, MAINTENANCE WORKERS, SECTION 8 PROPERTY OWNERS AVAILABILITY OF LEAD-BASED PAINT MAINTENANCE TRAINING AND LEAD-BASED PAINT RENOVATION AND REMODELING TRAINING

The Department of Housing and Urban Development (HUD) is offering one-day training courses to assist rehab contractors, maintenance workers, painters, and property owners working in federally assisted housing built before 1978, to comply with HUD's new Lead-Safe Housing rule (24 CFR Part 35).

Two courses will be held in New York City. The "Lead Based Paint Maintenance Training Program" is designed for contractors, maintenance workers, painters, and property owners (including Section 8) and managers and other staff who are responsible for activities such as repainting and minor repairs. The Lead-Based Paint Renovation and Remodeling Course is targeted to contractors and workers performing rehabilitation or remodeling activities including weatherization, structural repairs and unit upgrading. Participants will be provided with a "Notice of Completion" stating that they are "trained in lead-safe work practices" and meet the "interim control" training requirements of the HUD rule. These courses are not for the licensing of inspectors, risk assessors abatement supervisors or abatement workers.

The Lead-Based Paint Maintenance Training Program will be held on Thursday, June 7th, Monday, June 25th, and Thursday, July 19th at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

The Lead-Based Paint Renovation and Remodeling Course will be held on Friday, June 8th, at the Federal Building, 26 Federal Plaza, 32nd Floor in Manhattan. On Tuesday, June 26th and Friday, July 20th, this course will be held at the Federal Building Atrium Conference Space, 290 Broadway, Manhattan.

Courses start at 8:00 AM sharp and end at 5:00 PM. On site sign-in is from 7:30 - 8:00 AM. There are two 15-minute breaks and one hour for lunch (on your own). There is a multiple-choice test at the end of the course; the passing score is 70%. You must pass this test (95% of students do) to receive a Notice of Completion. Students must bring a pen or a pencil to make notes and take the test.

To register online, visit www.leadlisting.org (click on "HUD-sponsored training" and follow the instructions). You may also request a fax registration form by calling HUD's Lead-Paint Compliance Assistance Center toll-free at 1-866-HUD-1012. Each person may only register for one course.

Jerilyn Perine, Commissioner, Department of Housing Preservation and Development

Date: May 25, 2001.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

CEQR Technical Manual Update

In 1993 the Mayor's Office of Environmental Coordination (MOEC) and the City's agencies compiled the City Environmental Quality Review (CEQR) Technical Manual. The CEQR Technical Manual is intended to assist and guide agencies, project sponsors, and the public in understanding CEQR. The Manual provides a detailed discussion of environmental review in New York City and presents methodologies for the CEQR process.

The Technical Manual is being reviewed and updated this year. MOEC is coordinating this effort. The update relies upon the expertise of many city agencies. The goal of this process is to streamline the Manual and to revise it so that it reflects current practices, procedures, analytical techniques, and applicable regulations for environmental review in the City.

The CEQR Technical Manual is not available on line. If you have any comments or recommended changes to the CEQR Technical Manual, please send them to CEQR Technical Manual Project Manager, Mayor's Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038 by June 1, 2001. MOEC will give your comments due consideration. Copies are available for review at MOEC during business hours by appointment. If you have any questions or wish to make an appointment to view the Manual, please call (212) 341-3095.

This announcement was also posted on the NYC.gov homepage as of May 16, 2001. It appears under City Government Links, Publications.

DESIGN AND PLANNING CONSULTANTS FOR THE FRESH KILLS LANDFILL CONCEPTUAL DESIGN AND PLANNING APPROACH COMPETITION AND MASTER PLAN SERVICES _ CP _ PIN# 030029402002 _ DUE 06-29-01 AT 5:00 P.M.

The Department of City Planning seeks to select up to six multi-disciplinary design teams, each of which would receive a contract with an "honorarium" to prepare a Conceptual Design and Planning Approach ("Concept Phase") for the phased end use of the Fresh Kills Landfill. The Conceptual Designs and Approaches submitted by the design teams will be the subject of a juried International Design Competition ("Competition"). The results of the Competition will be used by the City to select a single vendor for the preparation of a Draft Master Plan ("Master Plan Phase"). Following this phase, the City may seek to award a contract for a Final Design and related environmental, land use and other regulatory actions through a separate procurement that is not the subject of this RFP. There will be no Pre-proposal conference.

Use the following address to secure a printed copy of the RFP or to submit RFP-related documents: Department of City Planning, 22 Reade Street, New York, New York 10007. The RFP may be downloaded directly from the Competition Website at www.NYC.gov/freshkills. Contact: Bill Liskamm, at e-mail address: freshkillscomp@aol.com or (212) 720-3344.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above. Department of City Planning, 22 Reade Street, New York, N.Y. 10007 Contact: Bill Liskamm(212) 720-3344.
