iv. the product name or names and the United States environmental protection agency registration number or numbers of the pesticide or pesticides to be applied; and

v. a prominent statement that reads: "This notice is to inform you of a pending pesticide application to neighboring property. You may wish to take precautions to minimize pesticide exposure to yourself, family members, pets or family possessions. Further information about the product or products being applied, including any warnings that appear on the labels of such pesticide or pesticides that are pertinent to the protection of humans, animals or the environment, can be obtained by calling the National Pesticides Telecommunications Network at 1-800-858-7378 or the New York State Department of Health Center for Environmental Health Info line at 1-800-458-1158."

(3) The prior notification provisions of paragraph one of this subdivision shall not apply to the following:

i. the application of anti-microbial pesticides and anti-microbial products as defined by the federal insecticide, fungicide and rodenticide act (FIFRA) in 7 U.S.C. sections 136(mm) and 136q(h)(2);

ii. the use of an aerosol product with a directed spray, in containers of eighteen fluid ounces or less, when used to protect individuals from an imminent threat from stinging and biting insects, including venomous spiders, bees, wasps and hornets. This section shall not exempt from notification the use of any fogger product or aerosol product that discharges to a wide area;

iii. the use of non-volatile insect or rodent bait in a tamper resistant container;

iv. the application of a pesticide classified by the United States environmental protection agency as an exempt material under section 152.25 of title forty of the code of federal regulations;

v. the application of a pesticide which the United States environmental protection agency has determined satisfies its reduced risk criteria, including a biopesticide;

vi. the use of boric acid and disodium octaborate tetrahydrate;

vii. the use of horticultural soap and oils that do not contain synthetic pesticides or synergists;

viii. the application of a granular pesticide, where granular pesticide means any ground applied solid pesticide that is not a dust or powder;

ix. the application of a pesticide by direct injection into a plant or the ground;

x. the spot application of a pesticide, where spot application means the application of pesticide in a manually pressurized or non-pressurized container of thirty-two fluid ounces or less to an area of ground less than nine square feet;

xi. the application of a pesticide to the ground or turf of any cemetery; and an emergency application of a pesticide when necessary to protect against an imminent threat to human health, provided, however, that prior to any such emergency application, the person providing such application shall make a good faith effort to supply the written notice required pursuant to this title. Upon making an emergency application, the person making such application shall notify the New York state commissioner of health, using a form developed by such commissioner for such purposes that shall include minimally the name of the person making such application, the pesticide business registration number or certified applicator number of the person making such application, the location of such application, the date of such application, the product name and United States environmental protection agency registration number of the pesticide applied and the reason for such application.

c. (1) All persons performing residential lawn applications treating an area more than one

hundred square feet shall affix markers to be placed within or along the perimeter of the area where pesticides will be applied. Markers are to be placed so as to be clearly visible to persons immediately outside the perimeter of such property. Such markers shall be posted at least twelve inches above the ground and shall be at least four inches by five inches in size.

(2) The markers required pursuant to paragraph one of this subdivision shall be in place on the day during which the pesticide is being applied and shall instruct

persons not to enter the property and not to remove the signs for a period of at least twenty-four hours. Such instruction shall be printed boldly in letters at least three-eighths of an inch in height.

§ 17-903 Enforcement. Pursuant to section 33-1004 of the environmental conservation law, the department of health and mental hygiene shall have concurrent authority with the state of New York to enforce the provisions of this chapter, provided that all penalties, which shall be assessed after providing a hearing or opportunity to be heard, shall be as specified in section 17-904 of this chapter and shall be payable to and deposited with New York city.

§17-904 Civil and criminal penalties. a. (1) Any person providing a commercial lawn application who violates any provision of subdivision b of section 17-902 of this chapter or any rule promulgated pursuant thereto shall be liable for a civil penalty not to exceed five thousand dollars for a first violation, and not to exceed ten thousand dollars for a subsequent offense.

(2) Notwithstanding any provision of law to the contrary, an owner or owner's agent of a multiple dwelling or owner, owner's agent or a person in a position of authority for all other types of premises who violates any provision of subdivision b of section 17-902 of this chapter or any rule or regulation promulgated pursuant thereto and any person who violates any provision of subdivision c of section 17-902 of this chapter or any rule promulgated pursuant thereto shall, for a first such violation, in lieu of a penalty, be issued a written warning and shall also be issued educational materials pursuant to subdivision two of section 33-1005 of the environmental conservation law. Such persons shall, however, be liable for a civil penalty not to exceed one hundred dollars for a second violation, and not to exceed two hundred fifty dollars for any subsequent violation.

(3) Notwithstanding any provision of law to the contrary, any person who violates the provisions of subdivision a of section 17-902 of this chapter shall be issued a warning for the first violation and shall be provided seven days to correct such violation. Such person shall, however, be liable for a civil penalty not to exceed one hundred dollars for a second violation and not to exceed two hundred fifty dollars for any subsequent violation.

b. (1) Any person providing a commercial lawn application who, having the culpable mental states defined in subdivision one or subdivision two of section 15.05 or in section 20.20 of the penal law, violates any provision of subdivision b of section 17-902 of this chapter, except an offense relating to the application of a general use pesticide, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed five thousand dollars for each day during which such violation continues or by imprisonment for a term of not more than one year, or by both such fine and imprisonment. If the conviction is for a subsequent offense committed after a first conviction of such person under this subdivision, punishment shall be by a fine not to exceed ten thousand dollars for each day during which such violation continues or by imprisonment for a term of not more than one year, or by both such fine and imprisonment.

(2) Any person providing a commercial lawn application who violates any provision of subdivision b of section 17-902 of this chapter relating to the use of a general use pesticide shall be guilty of a violation and, upon conviction thereof, shall be punished by a fine not to exceed two thousand five hundred dollars. If the conviction is for a subsequent offense committed after a first such conviction of such person under this subdivision, punishment shall be by a fine not to exceed five thousand dollars.

c. A proceeding to recover any civil penalty authorized pursuant to subdivision a of this section shall be commenced by the service of a notice of violation which shall be returnable to the administrative tribunal established by the board of health.

§ 3. Within twenty days after the enactment of this local law, the clerk of the city of New York shall forward one certified copy of this law to the New York state commissioner of environmental conservation and one to the New York state attorney general.

§ 4. If any section, subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§ 5. This local law shall take effect on the first day of January after it shall have been enacted into law.

Referred to the Committee on Health.

Int. No. 329

By Council Members Gennaro, Quinn, Boyland, Gerson, Gioia, Koppell, Liu, Lopez, Martinez, Nelson, Perkins, Sanders Jr., Vallone Jr. and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to the reduction of pesticide use by city agencies.

Be it enacted by the Council as follows:

Section 1. Title 17 of the administrative code of the city of New York is amended by adding thereto a new Chapter 9 to read as follows:

Chapter 9

Pesticide Use by City Agencies

§ 17-901 Definitions
§ 17-902 Reduction of pesticide use
§ 17-903 Interagency pest control committee
§ 17-904 Exemptions
§ 17-905 Waiver
§ 17-906 Notification
§ 17-907 Recordkeeping and reporting
§ 17-908 Enforcement

§17-901 Definitions. For the purposes of this chapter only, the following terms shall have the following meanings:

(1) "Anti-microbial pesticide" shall mean:

i. disinfectants intended to destroy or irreversibly inactivate infectious or other undesirable bacteria, pathogenic fungi, or viruses on surfaces or inanimate objects;

ii. sanitizers intended to reduce the number of living bacteria or viable virus particles on inanimate surfaces, in water, or in air;

iii. bacteriostats intended to inhibit the growth of bacteria in the presence of moisture;

iv. sterilizers intended to destroy viruses and all living bacteria, fungi and their spores, on inanimate surfaces;

v. fungicides and fungistats intended to inhibit the growth of, or destroy, fungi (including yeasts), pathogenic to humans or other animals on inanimate surfaces; and

vi. commodity preservatives and protectants intended to inhibit the growth of, or destroy bacteria in or on raw materials (such as adhesives and plastics) used in manufacturing, or manufactured products (such as fuel, textiles, lubricants, and paints), but not those utilized in the pulp and paper process or cooling towers.

(2) "City agency" means a city, county, borough, administration, department, division, bureau, board or commission, or a corporation, institution or agency of government, the expenses of which are paid in whole or in part from the city treasury.

(3) "Contractor" means any person or entity that enters into a contract with a city agency, or any person or entity that enters into an agreement with such person or entity, to perform work or provide labor or services related to such contract.

(4) "Pest" shall mean:

i. any insect, rodent, fungus, weed, or

ii. any other form of terrestrial or aquatic plant or animal life or virus, bacteria or other microorganism (except viruses, bacteria or other microorganisms on or in living man or other living animals) which the commissioner of environmental conservation declares to be a pest.

(5) "Pesticide" shall mean:

i. any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest; and

ii. any substance or mixture of substances intended for use as a plant regulator, defoliant, or desiccant.

§ 17-902 Reduction of pesticide use. a. Effective September 1, 2004, no city agency,

or contractor in the fulfillment of a contract with a city agency, shall apply to any property owned or leased by the city any pesticide classified as Toxicity Category I by the United States environmental protection agency, or any pesticide classified as a known, likely, or probable carcinogen by the United States environmental protection agency or the department of environmental conservation, except as provided in sections 17-904 or 17-905 of this chapter.

b. Effective September 1, 2005, no city agency, or contractor in the fulfillment of a contract with a city agency, shall apply to any property owned or leased by the city any pesticide classified by the United States environmental protection agency as Toxicity Category II, as a possible carcinogen, or as a restricted use pesticide pursuant to section 3(d)(1)(C) of the federal insecticide, fungicide and rodenticide act, as amended, or classified by the department of environmental conservation as a possible carcinogen or as a restricted use pesticide pursuant to article 33 of the environmental conservation law, except as provided for in sections 17-904 or 17-905 of this chapter.

c. All city agencies, and contractors in the fulfillment of contracts with city agencies, shall use a non-pesticide alternative, whenever such alternative is available, for the control of pests on property owned or leased by the city.

d. Whenever a pesticide is used by a city agency, or by a contractor in the fulfillment of a contract with a city agency, the pesticide used shall have the least acute and chronic toxic effects of the possible pesticides available for controlling the target pest.

§ 17-903 Interagency pest control committee. a. By January 1, 2005, an interagency pest control committee shall be formed, which shall be headed by the commissioner, or a designee, and which shall include the commissioners of sanitation, environmental protection, citywide administrative services and parks and recreation, the chair of the New York city housing authority and the chancellor of education, or their designees. Such committee shall share information related to the pest control strategies and experience of city agencies and shall meet on a semi-annual basis.

b. Based, in part, on pesticide use by city agencies reported pursuant to section 17-907 of this chapter, by January 1, 2006, the interagency pest control committee

shall develop a plan to further reduce pesticide use by city agencies, which shall be updated on an annual basis, as necessary. The plan, and any updates of such plan, shall be submitted to the speaker of the council immediately upon their issuance.

§17-904 Exemptions. a. The restrictions imposed by section 17-902 of this chapter shall not apply to the following:

(1) pesticides otherwise lawfully used for the purpose of maintaining a safe drinking water supply at drinking water treatment plants, wastewater treatment plants, reservoirs, and related collection, distribution and treatment facilities;

(2) anti-microbial pesticides;

(3) pesticides in contained baits for the purposes of rodent control; and

(4) pesticides classified by the United State environmental protection agency as exempt materials under section 152.25 of title forty of the code of federal regulations.

§ 17-905 Waiver. a. Any city agency that determines that a human health emergency warrants the use of a pesticide that is banned or restricted pursuant to section 17-902 of this chapter may apply to the department for a pesticide application waiver from complying with the requirements of that section. Such application shall be in a form and manner prescribed by the commissioner and shall contain such information as the commissioner deems reasonable and necessary to determine whether such waiver should be granted.

§ 17-906 Notification. a. Any city agency, or contractor in the fulfillment of a contract with a city agency, shall post a notice at the site of any pesticide application by such city agency or contractor on property owned or leased by the city at least forty-eight hours prior to any such application, in the form and manner prescribed by the commissioner, which shall include, but not be limited to:

(1) Date of posting, proposed date of pesticide application and two alternative dates to the proposed date of application when, due to weather conditions, the pesticide application on the proposed date is precluded;

(2) Address of pesticide application and specific sites to which the pesticide is to be applied;

(3) Pest to be controlled and method of pesticide application;

(4) Common and trade names of the pesticide;

(5) United States environmental protection agency registration number of the pesticide and active ingredient(s) contained in the pesticide;

(6) Possible health effects of the pesticide and appropriate warnings associated with exposure to such pesticide, which shall include visual warnings, the meaning of which is broadly understood; and

(7) Name and telephone number of the city agency or contractor responsible for the application.

b. The notice required pursuant to subdivision a of this section shall remain in place for the longer of either five days subsequent to the last moment of pesticide application or for the number of days required on the pesticide product label.

§17-907 Recordkeeping and reporting. a. Each city agency that uses pesticides shall keep records, for a minimum of five years or such longer time period required by statute, regulation, or agency directive, of each pesticide application by such agency, which shall include, but not be limited to:

(1) The date and location of the specific site of pesticide use;

(2) The target pest;

(3) The name and quantity of the pesticide used, including the trade name of such pesticide, if applicable;

(4) The United States environmental protection agency registration number of the pesticide used;

(5) The active ingredient(s) contained in the pesticide used;

(6) The acute and chronic toxicity of the pesticide used;

(7) The name of the pesticide applicator;

(8) The reason why a non-pesticide alternative was not employed; and

(9) If applicable, any waiver that was granted pursuant to section 17-905 of this chapter, for the use of the pesticide.

b. Beginning September 1, 2005, and every September first thereafter, each city agency that is subject to the requirements of subdivision a of this section shall submit a report to the commissioner and the speaker of the council, which shall contain the information required to be maintained pursuant to that subdivision.

§ 17-908 Enforcement. a. Any contractor who violates this section shall be liable for a civil penalty not to exceed five hundred dollars for a first violation; one thousand dollars for a second violation within a period of five years; and, two thousand dollars for a third or subsequent violation within a period of five years.

b. Each application of a pesticide in violation of this law shall be considered a separate violation.

c. A proceeding to recover any civil penalty authorized pursuant to this section shall be commenced by the service of a notice of violation which shall be returnable to the administrative tribunal established by the board of health.

§ 2. If any section, subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§ 3. This local law shall take effect immediately.

Referred to the Committee on Health.

Int. No. 330

By Council Members Gennaro, Addabbo Jr., Comrie Jr., Gerson, Jennings, Jr., Koppell, Weprin, Clarke, Fidler, Liu, Martinez, Nelson, Recchia Jr., Reed, Rivera and Sears.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the city to assume responsibility for cleaning sidewalks that abut certain retaining walls.

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 16 of the administrative code of the city of New York is hereby amended by adding a new section 16-123.1 to read as follows:

§16.123.1 Sidewalk cleaning near retaining walls. Notwithstanding any other provision of law, the department shall have the responsibility for cleaning all sidewalks that abut a retaining wall where such retaining wall is at least ten feet in height and three hundred fifty feet in length. Such cleaning shall include the removal of snow, ice, litter and vegetation growth.

§2. This local law shall take effect immediately upon its enactment into law.

Referred to the Committee on Sanitation and Solid Waste Management.

Int. No. 331

By Council Members Gennaro, McMahon, Addabbo Jr., Avella, Baez, Clarke, Comrie Jr., Fidler, Foster, Gentile, Katz, Koppell, Liu, Nelson, Quinn, Recchia Jr., Reed, Rivera, Seabrook, Sears, Serrano, Stewart, Weprin, Yassky, Felder, Brewer, Jennings Jr., Lopez, Martinez, Sanders Jr. and Vann.

A Local Law to amend the administrative code of the city of New York, in relation to the frequency of street litter basket collection.

Be it enacted by the Council as follows:

Section 1. Chapter one of title 16 of the administrative code of the city of New York is hereby amended by the addition of a new section 16-111.1 to read as follows:

§16-111.1 Street litter basket collection frequency. The commissioner shall conduct daily collection service, excluding Sundays, from street litter baskets in all local service delivery districts in which such baskets are located.

§2. This law shall take effect immediately.

Referred to the Committee on Sanitation and Solid Waste Management.

Int. No. 332

By Council Members Gennaro, McMahon, Addabbo Jr., Avella, Comrie Jr., Koppell, Liu, Nelson, Sears, Weprin, Serrano, Felder, Clarke, Fidler, Lopez, Recchia Jr. and Stewart.

A Local Law to amend the administrative code of the City of New York, in relation to the regulation of receptacles for removal of waste material.

Be it enacted by the Council as follows:

Section one. Subdivision c of section 16-120 of the administrative code of the city of New York, as amended by local law 22 of the year 2002 is hereby amended to read as follows:

c. Incinerator, residue, ashes, refuse and liquid waste shall be stored in the building or dwelling or at the rear of the building or dwelling as may be required by the department of health and mental hygiene or the department of housing preservation and development until time for removal and kept in tightly covered metal receptacles or containers made of other materials of a type and grade acceptable to the department, department of health and mental hygiene, and the department of housing preservation and development. *Said receptacles may be placed out for collection as early as one hour before sunset on the day prior to the scheduled pickup.* After the contents have been removed by the department or other collection agency any receptacles remaining shall immediately be removed from the front of the building or dwelling. The receptacles shall at all times be kept covered or closed and kept in a manner satisfactory to the department, the department of health and mental hygiene, and in the case of residential premises, the department of housing preservation and development. No receptacles, refuse, incinerator residue or ashes, or liquid waste shall be kept so as to create a nuisance. Yard sweepings, hedge cuttings, grass, leaves, earth, stone or bricks shall not be mixed with household wastes.

§2. This local law shall take effect immediately.

Referred to the Committee on Sanitation and Solid Waste Management.

Int. No. 333

By Council Members Gennaro, Gerson, Jennings Jr., Lopez and Martinez.

A Local Law to amend the administrative code of the city of New York, in relation to the use of fees established under the New York city community right-to-know law.

Be it enacted by the Council as follows:

Section 1. Subdivision d of section 24-706 of the administrative code of the city of New York, as enacted by local law 54 for the year 1993, is amended to read as follows:

(d) [On or before December thirty-first, nineteen hundred ninety-three, the] *The* commissioner shall by rule establish a schedule of fees that shall be paid upon the filing of the facility inventory form required by this chapter. Such fees shall be based on the amount of hazardous substances present, the number of different hazardous substances present and the type of hazardous substances present, including the presence or absence of substances classified as extremely hazardous in rules and regulations promulgated by The United States environmental protection agency pursuant to 42 U.S.C. section 11001, et seq. *and shall be used exclusively for the purposes of conducting inspections of facilities subject to the provisions of this chapter and for enforcement of the provisions of this chapter.*

§2. This local law shall take effect thirty days after its enactment into law, provided, however, that the commissioner of environmental protection shall undertake all actions necessary for the implementation of its provisions prior to such effective date.

Referred to the Committee on Environmental Protection.

Int. No. 334

By Council Members Gennaro, Addabbo Jr., Avella, Gerson, Nelson, Rivera, Serrano, Jennings Jr., Koppell, Liu, Sears and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to prohibiting the operation of one or more circulation devices that create a sound level in excess of the permitted decibel level.

Be it enacted by the Council as follows:

Section 1. Section 24-237 of the administrative code of the city of New York is amended to read as follows:

§24-237 Circulation devices. No person shall operate or permit to be operated a circulation device *or circulation devices, alone or in combination,* in such a manner as to create a sound level in excess of 45 dB (A) when measured inside the dwelling unit affected in a line with the window nearest the exterior face of such circulation device *or devices*. The measurement shall be taken with the window fully open at a point three feet from the open portion of the window.

§2. This local law shall take effect ninety days after it shall have become a law.

Referred to the Committee on Environmental Protection.

Int. No. 335

By Council Members Gennaro, Addabbo, Jr., Fidler, Gentile, Gerson, Jennings, Jr., Koppell, Nelson, Recchia, Jr., Sanders, Jr., Serrano, Stewart, Weprin, Clarke and Martinez.

A Local Law to amend the administrative code of the city of New York, in relation to the planting of drought-resistant trees and vegetation on city-owned property.

Be it enacted by the Council as follows:

Section 1. Title 24 of the administrative code of the city of New York is hereby amended by adding a new section 24-340 to read as follows:

§ 24-340 Planting of drought-resistant trees and vegetation on city-owned property. a. For purposes of this section only, the following terms shall have the following meanings:

(1) "Drought-resistant" means having low water requirements.

"Trees" means all forms of plants having permanent woody self-supporting trunks.

(3) "Turf" means a surface layer of soil containing a dense growth of grass and its matted roots.

(4) "Vegetation" means plants collectively of whatever name or nature not included under the term "trees".

b. In any landscaping project conducted on city-owned property for which the use of turf is not necessary for functional or recreational purposes, drought-resistant trees and vegetation shall be planted.

c. When renovating existing turf or installing new turf on city-owned property, varieties of turf with reduced water needs shall be selected.

§ 2. This local law shall take effect sixty days after its enactment.

Referred to the Committee on Environmental Protection.

Int. No. 336

By Council Members Gennaro, Gerson, Jackson, Jennings, Jr., Koppell, Reed, Sanders, Jr., Serrano, Weprin, Fidler, Gioia and Liu.

A Local Law to amend the administrative code of the city of New York, in relation to low-flow sink and lavatory faucets.

Be it enacted by the Council as follows:

Section 1. Section 24-339 of the administrative code of the city of New York is amended by adding thereto a new subdivision c to read as follows:

c. All sink and lavatory faucets that have been installed in spaces or buildings classified in occupancy groups J-1, J-2 and J-3, as defined in article eleven of subchapter three of chapter one of title twenty-seven of the code, shall meet the water-saving performance standards of paragraph b of subdivision P.104.2 of section P.104.0 of reference standard RS sixteen. An aerator may be installed on a sink or lavatory faucet to meet the requirements of this subdivision. For the purposes of this section, "aerator" shall mean a device that is placed on a faucet, which mixes air with water to reduce water flow.

§2. Subparagraph (1) of paragraph b of subdivision P.104.2 of section P.104.0 of reference standard RS 16 of the administrative code of the city of New York is amended to read as follows:

(b) The water-saving performance standards for sink and lavatory faucets, shower heads, drinking water fountains, urinals and water closets shall be as follows:

(1) for sink and lavatory faucets, a constant water pressure of sixty pounds per square inch, and a maximum flow not to exceed [three] *2.2* gallons of water per minute *or a constant water pressure of eighty pounds per square inch and a maximum flow not to exceed 2.5 gallons of water per minute*; faucet models installed in public buildings or facilities must be of a self-closing variety and shall comply with reference standard RS 4-6.

§ 3. This local law shall take effect ninety days after its enactment.

Referred to the Committee on Environmental Protection.

Res. No. 284

Resolution calling upon the United States Environmental Protection Agency to create a program for water-efficient products similar to the ENERGY STAR® program for energy-efficient products.

By Council Members Gennaro, Addabbo, Jr., Baez, Fidler, Gerson, Jackson, Koppell, Nelson, Quinn, Reed, Sanders, Jr., Serrano, Stewart, Barron, Brewer, Clarke, Gioia, Jennings Jr., Liu, Lopez, Martinez, Recchia Jr., Rivera, Vallone Jr. and Weprin.

Whereas, New York City's drinking water supply is a critical resource for eight million New York City residents, approximately one million residents of Westchester County, and a multitude of others who work in and visit the City; and

Whereas, New York City has experienced seven droughts over the last forty years, two of which lasted for over a year; and

Whereas, Conserving water is an aggressive way to better ensure that there will be a sufficient supply of water to meet all of the City's needs; and

Whereas, Using less water reduces wastewater flows, thus easing the burden on the City's wastewater treatment plants and enhancing the environmental and ecological health of the City's receiving waters; and

Whereas, According to the United States Environmental Protection Agency (EPA), efficient water use can have major environmental, public health, and economic benefits by helping to improve water quality, maintain aquatic ecosystems, and protect drinking water resources; and

Whereas, The EPA introduced ENERGY STAR® as a voluntary labeling program in 1992 to identify and promote energy-efficient products in order to reduce greenhouse gas emissions; and

Whereas, In 1996, the EPA partnered with the United States Department of Energy for particular ENERGY STAR® product categories; and

Whereas, The ENERGY STAR® label now appears on many types of energy-using equipment, such as major appliances, office equipment, lighting and home electronics and the EPA has extended the label to cover new homes and commercial and industrial buildings; and

Whereas, The ENERGY STAR® program provides technical information and tools to help organizations and consumers choose energy-efficient solutions and best management practices; and

Whereas, According to the EPA, its ENERGY STAR® partnerships with businesses offer a proven energy management strategy that helps in measuring current energy performance, setting goals, tracking savings, and rewarding improvements; and

Whereas, More than 630 million products with the ENERGY STAR® label have been purchased to date; and

Whereas, Consumers would be able to more easily identify water-efficient products and their associated benefits and make more educated purchasing decisions if such products bore a label that presented the products' water-saving characteristics; and

Whereas, A water efficiency program, similar to the ENERGY STAR® program, would help organizations and consumers choose water-efficient solutions and best management practices; and

Whereas, According to the EPA, its Office of Water strongly encourages all sectors of society to achieve efficient water use and, to promote such use, the EPA's primary role is to provide technical assistance and information concentrating on improved management practices, better science, effective planning and coordination, market incentives, and public education; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Environmental Protection Agency to create a program for water-efficient products similar to the ENERGY STAR® program for energy-efficient products.

Referred to the Committee on Environmental Protection.

Res. No. 285

Resolution calling upon the United States Environmental Protection Agency to establish a mandatory 90 percent plant-by-plant mercury emission reduction standard for coal-fired power plants by the year 2008 and withdraw its proposed Utility Mercury Reductions Rule.

By Council Members Gennaro, The Speaker (Council Member Miller), Quinn, Yassky, Barron, Brewer, Clarke, Gioia, Jennings Jr., Liu, Lopez, Nelson, Perkins, Recchia Jr., Rivera, Sanders Jr., Vallone Jr. and Weprin.

Whereas, On December 2003 the United States Environmental Protection Agency ("EPA") issued a proposed Utility Mercury Reductions Rule (Docket ID No. OAR-2002-0056) to limit mercury emissions by coal-fired power plants; and

Whereas, The EPA's proposed rule consists of two inadequate proposed alternatives for controlling mercury, one alternative requiring power plants to install controls loosely following a maximum achievable control technology (MACT) standard pursuant to section 112 of the Clean Air Act, and one alternative creating a market-based "cap-and-trade" plan allowing power plants to buy and sell the rights to emit mercury into to the air; and

Whereas, The Council of the City of New York ("The Council") is deeply concerned that power plants are likely to purchase pollution rights under a "cap-and-trade" system, rather than cut emissions, and both proposed alternatives fail to provide a mercury emissions plan that will benefit both personal and environmental health by reducing mercury emissions from power plants using the best control technologies available; and

Whereas, Mercury, as noted in the EPA's website, "is a toxic, persistent pollutant that accumulates in the food chain"; and

Whereas Fossil fuel-fired utilities are the largest source of human-generated mercury emissions in the United States and coal-burning power plants account for about 40% of the mercury emissions in the United States, by far the nation's largest single source of unregulated emissions of mercury, spewing about 48 tons of it a year; and

Whereas, New York is particularly vulnerable to mercury pollution because many of these utilities are upwind of New York and are disproportionately responsible for our acid rain, ozone-smog and mercury problems; and

Whereas, Mercury can fall to the ground with rain and enter water bodies in a process known as deposition and, once there, it can be transformed into its most toxic form, methyl mercury, and accumulate in fish and animal tissues; and

Whereas, According to the New York State Department of Health, fish from 44 water bodies in New York State have mercury levels that are greater than federal standards, which is a troubling fact since recreational fishing generates over $1 billion annually for the New York State economy alone and the expanding number of water bodies with contaminated fish will affect fishing habits and may drive away much-needed recreational dollars; and

Whereas, The American Heart Association recommends that people eat a variety of fish at least twice a week, even more for those diagnosed with heart disease because of the omega-3 compounds it contains that can benefit the heart; and

Whereas, The EPA noted that "Fish remains one of the most healthful foods to include in a well-balanced diet"; and

Whereas, According to the EPA, "Americans are exposed to mercury primarily by eating contaminated fish"; and

Whereas, Humans who unknowingly eat contaminated fish are at great risk of ingesting dangerous levels of mercury and, once in the human body, mercury acts as a neurotoxin, interfering with the brain and nervous system; and

Whereas, The EPA, the United States Department of Health and Human Services and the United States Food and Drug Administration are so concerned with the high levels of mercury contained in some fish and shellfish that they jointly issued in March 2004 a federal advisory for mercury in fish noting that consumption "may harm an unborn baby or young child's developing nervous system"; and

Whereas, According to a news article which appeared in the March 16, 2004 issue of The New York Times, the "Centers for Disease Control and Prevention has estimated that one in eight women have mercury concentration in their bodies that exceeds safety levels"; and

Whereas, According to the EPA "[c]hildren who are exposed to low concentrations of methylmercury prenatally are at increased risk of poor performance on neurobehavioral tasks, such as those measuring attention, fine motor function, language skills, visual-spatial abilities, and verbal memory"; and

Whereas, In light of the alarming health threats posed by mercury, it is incumbent upon us as public servants to address the root of the problem by requiring power plants to reduce their mercury emissions using the best control technologies available; and

Whereas, The EPA's proposed MACT alternative seeks to reduce nationwide utility emissions of mercury by about only 30 percents by early 2008 and the "cap-and-trade" alternative seeks a national reduction of nearly 70 percent by 2018; and

Whereas, There are air pollution controls that achieve mercury reductions of more than 90 percent; and

Whereas, The Public Service Enterprise Group (PSEG), an energy services company headquartered in Newark, New Jersey, worked together with several environmental groups in developing legislation to limit mercury emissions from coal-fired power plants in Connecticut, which is effective in July 2008, and will result in up to 92 percent reduction in the mercury emissions at the PSEG's Bridgeport Harbor station;

Whereas, Mercury is acutely toxic even at low levels and, as such, should be subject to much more stringent plant-by-plants controls; and

Whereas, No geographic area should suffer disproportionately as the EPA's proposed rule would allow; and

Whereas, According to an April 6, 2004 op-ed column in The New York Times, "In 2000, the E.P.A. determined that mercury is a hazardous substance as defined by the Clean Air Act, which requires that such substances be strictly controlled. E.P.A.

staff estimated that enforcing this requirement would lead to a 90 percent reduction in power-plant mercury emissions by 2008"; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Environmental Protection Agency to establish a mandatory 90 percent plant-by-plant mercury emission reduction standard for coal-fired power plants by the year 2008 and withdraw its proposed Utility Mercury Reductions Rule.

Referred to the Committee on Environmental Protection.

Res. No. 286

Resolution calling upon the New York City Department of Education to include instruction in environmental science at all appropriate grade levels of the New York City public school system.

By Council Members Gennaro, Fiddler, Jackson, Seabrook, Barron, Gentile, Gerson, James, Lopez, Martinez, Nelson, Perkins, Recchia Jr., Stewart and Weprin.

Whereas, Approximately 1.1 million schoolchildren attend public school within the City of New York; and

Whereas, These schoolchildren are required by State law to receive instruction in science throughout their education, including two credits of science in grades seven and eight, and two credits of science during their high school years; and

Whereas, Furthermore, all such schoolchildren must pass a Regents examination in science in order to graduate with a high school diploma; and

Whereas, "Environmental science" – meaning the branch of biology concerned with the relations between organisms and their environment – has become increasingly important to society as the human population and its demands on the Earth's resources have grown, and continue to grow; and

Whereas, In order for New York City schoolchildren to develop into productive citizens, they must develop an understanding of the principles of environmental science, so that they can incorporate those principles into their adult lives; now, therefore, be it

Resolved, That the City Council calls upon the New York City Department of Education to include instruction in environmental science at all appropriate grade levels of the New York City public school system.

Referred to the Committee on Education.

Res. No. 287

Resolution calling upon the Council of the City of New York to request the Lower Manhattan Development Corporation to promptly approve the allocation and award of $70 million in Community Development Block Grant funds under its control to the Hudson River Park Trust for the purpose of constructing the section of Hudson River Park running from Houston Street on the north to Chambers Street on the south and to call on the Governor of the State of New York and the Mayor of the City of New York to support such allocation and award.

By Council Members Gerson, Addabbo Jr., Brewer, Gentile, Lopez, Reed, Sanders Jr. and Sears.

Whereas, The State and the City of New York, through the Hudson River Park Trust, have planned and are now in the process of constructing a new waterfront park (Park) along the Hudson River from 59th Street south to Battery Park, which will provide extraordinary recreational benefits to the citizens of the City and the State, and will also help the economic revitalization of areas adjacent to the Park; and

Whereas, The first section of the Park in Greenwich Village has opened to rave reviews, demonstrating the extraordinary public benefits of this new park; and

Whereas, Portions of the Clinton section of the Park are now under construction, but the $200 million needed to complete the rest of the Park, including the sections in Tribeca and Chelsea, has not been identified, much less committed, by the State and City and, as a result, the construction of these sections is very much in doubt; and

Whereas, The citizens of Downtown Manhattan and Tribeca were severely affected by the tragic events of September 11 and will continue to be affected for many years as the reconstruction process goes forward, creating many difficult impacts within those communities; and

Whereas, The Lower Manhattan Development Corporation has under its control $1.2 billion of Community Development Block Grant Funds to use for projects in Manhattan south of Houston Street; and

Whereas, The Hudson River Park Trust has applied to the Lower Manhattan Development Corporation for $70 million, which it would use to construct the otherwise-unfunded Tribeca section of Hudson River Park; and

Whereas, The Tribeca section of Hudson River Park would provide residents and businesses in Tribeca and downtown Manhattan with extraordinary recreational resources, including two 1,000 foot long park piers, with ample open space that is sorely lacking in the area, plus a museum of the estuary, a boathouse for kayaks and other human-powered craft, docks for recreational boaters, places to eat, volleyball courts and a host of facilities for kids, together with a mile-long stretch of lawns, trees, play areas and gardens paralleling the Hudson; and

Whereas, All this can be provided at an early date compared with most other projects under consideration by the Lower Manhattan Development Corporation, because the environmental review of the Tribeca section has already been completed and the final constructions are nearly finished; and

Whereas, If the Lower Manhattan Development Corporation acts promptly on the Hudson River Park Trust's application, construction of the Tribeca section could get underway next spring and possibly be complete by the spring of 2006; and

Whereas, The Tribeca section of Hudson River Park would offer residents and businesses in Tribeca and downtown Manhattan a place of respite and recreation at a time when reconstruction will be imposing very significant burdens on them; and

Whereas, The application of the Hudson River Park Trust for $70 million is broadly supported by elected officials and community groups, members of Council whose districts include portions of the Hudson River Park, Community Board 1 (which serves the area), the Tribeca Organization, and more than 40 environmental, civic and community groups concerned with Hudson River Park; and

Whereas, Prompt action by the Lower Manhattan Development Corporation is essential;

Now therefore be it **Resolved,** That the Council of the City of New York requests that the Lower Manhattan Development Corporation promptly approve the allocation of $70 million in Community Development Block Grant funds under its control to the Hudson River Park Trust for the purpose of constructing the section of Hudson River Park running from Houston Street on the north to Chambers Street on the south, and calls on the Governor of the State of New York and the Mayor of the City of New York to support such allocation and award.

Referred to the Committee on Parks and Recreation.

Int. No. 337

By Council Members Koppell, James and Vann.

A Local Law to amend the New York city charter, in relation to the establishment of an independent police investigation and audit board.

Be it enacted by the Council as follows:

Section 1. Legislative Findings of Fact and Declaration of Policy. The Council hereby finds that it is essential to the safety and well-being of the residents of the City of New York that members of the New York City Police Department be held to the highest standard of conduct and integrity in the performance of their professional responsibilities. As a society, we confer upon police officers the power to make arrests and, where necessary, use force, in order to protect public order, prevent crime and apprehend criminals. If the trust and confidence of the public is to be maintained, members of the police force must conduct themselves honestly, in a manner commensurate with the high degree of trust placed in them.

The Council finds that the vast majority of police officers discharge their duties honestly and with integrity. A relatively small number of police officers, however, have been found to engage in serious criminal activities, particularly in connection with the illegal drug trade. This was the finding of the Commission to Investigate Allegations of Police Corruption and the Anti-Corruption Procedures of the Police Department, better known as the "Mollen Commission." In July 1994, after an extensive investigation lasting almost two years, the Mollen Commission issued its final report. Among its key findings, the Commission concluded that the Police Department's internal anti-corruption systems had been allowed to deteriorate to the point where they "minimized, ignored and at times concealed corruption, rather than root it out."

The Commission concluded that the Department must retain primary responsibility for policing itself and maintaining integrity within its ranks. To that

end, the Commission recommended a "dual track approach" calling for reform of the Department's internal anti-corruption structure and the creation of an independent police monitor to ensure that the structure is working effectively.

The Council finds, as did the Mollen Commission, that once the glare of publicity has dimmed, the Police Department's commitment to zealously root out corruption will eventually diminish unless an independent entity continues to closely monitor the Department's anti-corruption efforts as well as independently investigate allegations of illegal activities. The purpose of this legislation is to create such an independent mechanism based upon the model proposed by the Mollen Commission.

The Independent Police Investigation and Audit Board created herein will have both the power to audit and examine the Police Department's own anti-corruption efforts and the ability to conduct independent corruption investigations backed by the power to issue subpoenas. In addition, the board shall issue an annual report to the mayor and the city council summarizing its activities, and shall include information on the number of investigations conducted and indictments rendered. It is, however, the Council's intention that the Police Department continue to have the primary responsibility for detecting and preventing internal corruption. The Council is also aware of the vital role played by other offices, such as the City's District Attorneys, in exposing and prosecuting acts of official corruption. The Council recognizes the need for cooperation and coordination among the responsible agencies in order to avoid duplication of efforts and interference with ongoing investigations and other legitimate law enforcement activities. For these reasons, the legislation requires the Board to enter into protocols with the Police Commissioner, the District Attorneys and the Civilian Complaint Review Board in order to create a structure in which such cooperation and coordination will be facilitated.

§2. The New York city charter is amended to add a new chapter eighteen-b to read as follows:

CHAPTER 18-B

INDEPENDENT POLICE INVESTIGATION AND AUDIT BOARD

§450. Independent police investigation and audit board; membership. a. There shall be an independent police investigation and audit board, which shall consist of five members of the public who shall be residents of the city of New York. The members of the board shall be appointed as follows: (i) two members shall be appointed by the mayor; (ii) two members shall be appointed by the city council; and (iii) the chair of the board shall be jointly appointed by the mayor and the speaker of the city council. No member of the board shall hold any other public office or employment.

b. The members of the board shall be appointed for terms of three years, except that of the members first appointed, two shall be appointed for terms of one year, of whom one shall have been appointed by the council and one shall have been appointed by the mayor, two shall be appointed for terms of two years, of whom one shall have been appointed by the council and one shall have been appointed by the mayor, and the chair shall be appointed for a term of three years.

c. In the event of a vacancy on the board during the term of office of a member by reason of removal, death, resignation, or otherwise, a successor shall be chosen in the same manner as the original appointment. A member appointed to fill a vacancy shall serve for the balance of the unexpired term.

§451. Powers and duties of the board. a. The board shall have the power to:

1. perform assessments and audits of the police department's internal systems for detecting, investigating and preventing corruption among uniformed and civilian members of the police department, and make recommendations for the improvement of those systems;

2. assist the police department to formulate and implement policies and programs to detect and eliminate corruption;

3. undertake independent investigations of possible corruption within the police department; and

4. undertake investigations of possible corruption within the police department at the request of the mayor or the police commissioner.

b. If during the course of any assessment, audit or investigation undertaken pursuant to subdivision a of this section, the board forms a reasonable belief that criminal activity or other wrongdoing has occurred or is occurring, the board shall, as soon as practicable, report the facts that support such belief to the police commissioner and the appropriate prosecuting attorney.

§452. Subpoenas. The board, by majority vote of its members, may compel the attendance of witnesses and require the production of such records and other materials as are necessary for the investigation of any matter within its jurisdiction pursuant to this chapter. The board may designate those of its employees it deems necessary to administer oaths and to examine persons in connection with any such matter.

§453. Board staff. The board is authorized, within appropriations available therefor, to appoint such employees as are necessary to exercise its powers and fulfill its duties.

§454. Annual report. The board shall issue to the mayor and the city council an annual report that shall describe its activities and summarize its actions and shall include the numbers of investigations conducted and indictments rendered.

§455. Cooperation of the police department. a. It shall be the duty of the police department to provide such assistance as the board may reasonably request, to cooperate fully with investigations by the board, and to provide to the board upon request records and other materials which are necessary for the investigation of any matter within its jurisdiction pursuant to this chapter, except such records or materials that cannot be disclosed by law.

b. The police commissioner shall ensure that officers and employees of the police department appear before and respond to inquiries of the board in connection with the investigation of any matter within the board's jurisdiction pursuant to this chapter, provided that such inquiries are conducted in accordance with department procedures for interrogation of members.

§456. Authority of the police commissioner to investigate corruption to remain unimpaired; law enforcement agencies. The provisions of this chapter shall not be construed to limit or impair the authority of the police commissioner to investigate corruption within the department, or to discipline members of the department. Nor shall the provisions of this chapter be construed to prevent or hinder the investigation or prosecution of members of the department for violations of law or rules and regulations of the department by any court of competent jurisdiction, a grand jury, district attorney, or other authorized officer, agency or body.

§457. Protocols. a. Police Department. Within ninety days after the appointment of the last member of the board pursuant to section four hundred and fifty, the board and the police commissioner shall establish a protocol pursuant to which information shall be exchanged and cooperation between the board and the department facilitated in accordance with the provisions of this chapter. Such protocol shall also provide for means of avoiding and resolving potential disputes arising out of investigations independently undertaken by both the board and the department.

b. District Attorneys. Within ninety days after the appointment of the last member of the board pursuant to section four hundred and fifty, the board shall enter into a protocol with each of the city's district attorneys pursuant to which information shall be exchanged, cooperation between the board and the district attorneys facilitated, and potential disputes arising out of investigations independently undertaken by the board and a district attorney's office shall be avoided and resolved. Any investigation undertaken by the board pursuant to paragraphs three or four of subdivision a of section four hundred and fifty-one shall be conducted in accordance with the provisions of the applicable protocol, if any, entered into pursuant to this subdivision. Provided, however, that the lack of a protocol pursuant to this subdivision shall not prohibit the board from undertaking any investigation authorized by this chapter.

c. Civilian Complaint Review Board. Within ninety days after the appointment of the last member of the board pursuant to section four hundred and fifty, the board and the civilian complaint review board established pursuant to chapter eighteen-a of this charter shall establish a protocol pursuant to which (i) the board, if in the course of any assessment, audit or investigation undertaken pursuant to subdivision a of section four hundred and fifty-one, forms a reasonable belief that any act of misconduct, as defined in paragraph one of subdivision c of section four hundred and forty of this charter, has occurred or is occurring, shall as soon as practicable, report the facts that support such belief to the civilian complaint review board; (ii) the civilian complaint review board, if in the course of an investigation authorized pursuant to chapter eighteen-a of the charter, forms a reasonable belief that any act of corruption has occurred or is occurring, shall as soon as practicable, report the facts that support such belief to the board; and (iii) information shall be exchanged and cooperation between the boards facilitated.

§3. This local law shall take effect immediately after it shall be approved by the voters of the city at the next general election held after its enactment.

Referred to the Committee on Public Safety.

Int. No. 338

By Council Members Liu, Addabbo Jr., Barron, Clarke, Foster, Gennaro, James, Katz, Martinez, McMahon, Nelson, Reed, Sanders Jr., Stewart, Vann and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to the establishment of maximum school zone speed limits.

Be it enacted by the Council as follows:

Section 1. Section 19-177 of title 19 of the administrative code of the city of New York is amended by adding thereto a new subdivision d to read as follows:

19-177 Speed Limits. a. The official speed limit for a vehicle in the city of New York shall be thirty miles per hour except where an official sign indicates that a different speed limit is in effect.

b. No person shall drive a vehicle on any street in excess of the speed limit in effect for that street.

c. The commissioner shall post a sign at each exit within the city of New York of each bridge and tunnel having only one terminus in the city of New York that states the speed limit within the city.

d. Maximum school zone speed limits shall be established on all highways adjacent to schools and shall be indicated on school zone speed limit signs posted at all such locations. Such school zone speed limit shall not exceed fifteen miles per hour during: (i) school days at times indicated on the school zone speed limit sign, provided, however, that such times shall be between the hours of seven o'clock a.m. and six o'clock p.m. or alternative times within such hours; or (ii) a period when the beacons attached to the school zone speed limit sign are flashing and such sign is equipped with a notice that indicates that the school zone speed limit is in effect when such beacons are flashing, provided, however, that such beacons shall only flash during student activities at the school and up to thirty minutes immediately

before and up to thirty minutes immediately after such student activities. School speed zone limits established pursuant to this subdivision shall only apply for a distance not to exceed one thousand three hundred twenty feet from a school, on a highway passing a school building and to an entrance or exit of a school abutting on the highway. The provisions of this section shall apply to all schools of high school level and below.

§2. This act shall take effect immediately.

Referred to the Committee on Transportation.

Res. No. 288

Resolution calling upon the State Legislature and the Governor to enact legislation designed to bring transparency to the functioning of State Authorities, which under current law are too often able to operate in secrecy and without meaningful oversight and accountability to taxpayers and elected officials.

By Council Members Liu, Brewer, Fidler, Gennaro, Gerson, James, Nelson, Reed and Rivera.

Whereas, According to the State Comptroller, there are over 50 authorities in the State of New York that conduct public business and issue much of the debt paid for by taxpayers, yet because of their status as authorities are able to evade public scrutiny and accountability; and

Whereas, Over the last two years, a string of incidents have occurred, ranging from the indictment of the New York Racing Authority on tax evasion charges, to the charges and ensuing litigation against the Metropolitan Transportation Association (MTA) for its bookkeeping and budgeting practices, which many believe resulted in an unnecessary fare increase; and

Whereas, According to a recent investigation by the State Comptroller into the power and lack of accountability of State public authorities, there are numerous other examples of mismanagement or corruption among public authorities, including the hiring by the Long Island Power Authority of a chief financial officer who was paid almost $600,000 for 14 months' work and the construction by the MTA of elevators that should have cost about $700,000 for $6 million; and

Whereas, In April 2004, the State Comptroller and Attorney General released the findings of a survey of 212 State public authorities and two international or bi-state authorities, announcing that the public authority debt exceeds $114.6 billion and that the State-supported component of this figure amounts to 90% of New York State's total debt; and

Whereas, This same survey revealed that although the 44 public authorities that report procurement activity to the Comptroller's Office awarded 11,270 contracts worth over $10.5 billion in 2002 alone, the Comptroller's Office only had the authority to review 100 of the 11,270 contracts; and

Whereas, At least 35 business, civic, environmental, labor, good government and other organizations have joined the State Comptroller and Attorney General in urging wide-scale reform of the State's public authorities; and

Whereas, Numerous pieces of legislation to improve public authorities have been introduced in the State Legislature including A 09012, which would create a Public Authorities Independent Budget Office to which public authorities would be required to submit their budgets and quarterly financial information, and which would have the authority to question these submissions and require the production of additional information that would be shared with local governments, officials and advocate groups interested in the authorities' functioning; and

Whereas, In addition, A 09010, which has been introduced and passed by the Assembly, would require each authority or public benefit corporation to set up a central procurement office through which such authority's contracting would be conducted and which would maintain information on the authority's procurements and make this information available to the public, and S 012008, which has been introduced in the Senate, would create an MTA oversight committee whose membership would include a regular transit rider, and which would be charged with reviewing the MTA's proposed budget and financial records, and

Whereas, The State Comptroller has also proposed extensive legislation to classify and name public authorities, mandate strengthened corporate governance, improve procurement practices, expand lobbying disclosure, create a commission on public authority reform, and foster public authority oversight responsibility; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the State Legislature and the Governor to enact legislation designed to bring transparency to the functioning of State Authorities, which under current law are too often able to operate in secrecy and without meaningful oversight and accountability to taxpayers and elected officials.

Referred to the Committee on State and Federal Legislation.

Int. No. 339

By Council Members López, Barron, Brewer, Clarke, Gennaro, Gentile, Gerson, Koppell, Liu, Martinez, Nelson, Stewart and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to the distribution and completion of the Metropolitan Transportation Authority's Half-Fare Program Application for the Mentally Disabled.

Be it enacted by the Council as follows:

Section 1. Legislative findings and intent. The Council finds that it is in the public interest that all those who are eligible for the Metropolitan Transportation Authority's Half-Fare Program apply for and receive this benefit. The Council also finds that few of those who are eligible to receive benefits under the Half-Fare Program for the Mentally Disabled apply for such benefits, and of those who do apply, many are denied the benefits as a result of submitting incomplete or incorrectly completed applications.

The Council consequently finds that greater public awareness of the Half-Fare Program for the Mentally Disabled must be promoted, and that eligible persons should be assisted in properly completing the related Metropolitan Transportation Authority's Half-Fare Program Application for the Mentally Disabled. The Council further finds that providers of services to the mentally disabled within New York City who are awarded service contracts by the State Department for Mental Health, Mental Retardation, and Alcoholism Services are well-positioned to distribute the appropriate Half-Fare Program application to their clients, and assist them in completing such application. Because the Division of Mental Hygiene within the Department of Health and Mental Hygiene is charged with coordinating the fiscal and programmatic administration of all such contracts within New York City, it is the most appropriate agency to oversee the implementation of this legislation.

§2. Title 17 of the administrative code of the city of New York is amended by adding a new chapter 10 to read as follows:

CHAPTER 10

THE DIVISION OF MENTAL HYGIENE SERVICES

§17-1001 Half-fare program assistance.

§17-1001 Half-fare program assistance. a. Definitions. For purposes of this section, the following terms shall be defined as follows:

1. "Division" shall mean the division of mental hygiene services, as defined under section 552 of the New York city charter.

2. "Half-Fare Program for the Mentally Disabled" shall mean the reduced-fare program available to persons receiving federal social security income benefits for serious mental illness, as implemented by the MTA pursuant to the New York state public authorities law.

3. "Metropolitan Transportation Authority's Half-Fare Program Application for the Mentally Disabled" shall mean the "Application for MTA Reduced-Fare MetroCard for People With Disabilities" distributed by the MTA, or such application's equivalent as may be renamed by the MTA.

4. "MTA" shall mean the Metropolitan Transportation Authority of the State of New York.

5. "Provider" shall mean any entity with respect to which the division is authorized under the New York city charter to coordinate fiscal and programmatic administration of contracts for the provision of services to mentally disabled individuals who reside in the city of New York awarded by the New York State department for mental health, mental retardation, and alcoholism services.

b. Application distribution, completion and submission. 1. All providers shall make available and distribute to patients or clients utilizing their services, copies of the Metropolitan Transportation Authority's Half-Fare Program Application for the Mentally Disabled. Such providers shall also offer such persons assistance in properly completing and submitting such application.

2. The department of health and mental hygiene shall promulgate such rules as may be necessary to implement and carry out the provisions of this section.

§2. Effective date. This local law shall take effect within thirty days after its enactment into law.

Referred to the Committee on Transportation.

Res. No. 289

Resolution calling upon the United States Department of Housing and Urban Development to create and implement policies that provide greater transparency regarding the status of buildings whose Section 8 status is set to expire or which have been labeled "distressed" by the Department of Housing and Urban Development.

By Council Members López, Reyna, Gerson, DeBlasio, Brewer, Clarke, Gennaro, James, Liu, Martinez, Nelson, Reed, Rivera, Sanders Jr. and Vann.

Whereas, The Section 8 Program (Program), currently administered by the United States Department of Housing and Urban Development (HUD), is the nation's primary form of low-income housing assistance; and

Whereas, Under the Section 8 Program, HUD provides direct subsidies to private property owners who provide affordable units for low-income families; and

Whereas, These properties are referred to as "project-based" Section 8 and house 72,000 low-income, elderly and disabled New York City residents; and

Whereas, Data compiled from the HUD website on April 15, 2004 estimates that there are more than 50,000 units of project-based housing that could be lost by 2009 due to the expiration of Section 8 contracts resulting from building owners opting out of the Program; and

Whereas, In January of 2003 the Director of HUD's Office of Asset Management, issued a memo to all HUD field offices encouraging aggressive enforcement action for buildings that are at-risk due to financial mismanagement or failing physical conditions; and

Whereas, These buildings are known by HUD as "distressed properties," wherein if a building owner has the financial means, HUD encourages him or her to pre-pay his or her mortgage, opt-out of the Section 8 Program and keep the property; and

Whereas, Another enforcement tool utilized by HUD is foreclosure, where HUD seizes the property and sells it at public auction; and

Whereas, Since 2003, a large number of foreclosure actions have been initiated in New York City and as many as 10 buildings (more than 2000 families) are already actively being targeted by HUD for enforcement actions, and another nearly 17,000 units are potentially at risk of foreclosure due to poor building conditions; and

Whereas, In several recent "enforcement" cases, HUD has allowed delinquent owners to opt out of the Program and deregulate the housing stock despite being in default of their regulatory agreement; and

Whereas, Often these deregulated units do not meet basic quality standards and are burdensome troubled housing stock that is destined to further drain New York City's already limited resources; and

Whereas, In other cases, HUD has proceeded with foreclosure actions while ignoring federal statutes, such as 12 U.S.C. §1701-z, that stress tenant participation, community input, and local control; and

Whereas, HUD's actions have left low-income families watching their homes sold at public auction to speculators looking to maximize investment dollars on the backs of low-income families; and

Whereas, HUD has no policies or procedures in place which would adequately pre-qualify bidders prior these auctions to ensure that they are responsible landlords with experience owning and operating multi-family affordable housing; and

Whereas, Such a system shuts out responsible developers committed to preservation, as well as low-income families who may want to attempt collective tenant ownership; and

Whereas, HUD places no cap at these auctions, often resulting in inflated purchase prices, new owners finding that they are not generating enough money to make necessary repairs to a building and maintain a reasonable profit, and ultimately leading to a building's further deterioration; and

Whereas, HUD is currently obligated to provide one year notice to tenants that their property owner might opt-out of the project-based Section 8 and tenants who face foreclosure are guaranteed only sixty days notice before their building is scheduled to be auctioned; and

Whereas, HUD should take steps towards greater disclosure by sending notification regarding any threat to or potential loss of subsidized status in a more timely manner to tenants, technical assistance providers, elected officials and other community stakeholders while ensuring that these materials are translated into languages other than English; and

Whereas, If HUD is making a recommendation for foreclosure, approving a sale, or approving an owner's pre-payment of a mortgage, that information should be shared with the appropriate housing agency in New York City well in advance of the action so these local housing agencies can take appropriate actions to preserve the City's affordable housing stock; and

Whereas, HUD should transform its foreclosure process to make it easier for tenants to obtain information on the status of their buildings so they can play a more proactive role in preserving their housing; now, therefore, be it

Resolved, That the New York City Council calls upon the United States Department of Housing and Urban Development to create and implement policies that provide greater transparency regarding the status of buildings whose Section 8 status is set to expire or which have been labeled "distressed" by the Department of Housing and Urban Development.

Referred to the Committee on Housing and Buildings.

Res. No. 290

Resolution calling upon the New York State Legislature to pass and the Governor to approve, A.3297, in relation to protecting the occupancy of a dwelling unit by a tenant sought by a landlord for personal use.

By Council Members Lopez and James.

Whereas, New York City continues to have a severe housing crisis; and

Whereas, Assembly bill A.3297 would protect tenants whose apartments are sought by their landlords for "personal use and occupancy" by bringing an end to evictions from rent regulated apartments, for personal use as a primary residence; and

Whereas, The Rent Stabilization Law and the Emergency Housing Rent Control Law allow a landlord to evict a tenant and take possession of the apartment, on the grounds that the apartment is needed for the personal use and occupancy of the landlord or the landlord's immediate family member; and

Whereas, A tenant should have the right remain in an apartment, to make it their home, to put down roots and to build a family; and

Whereas, There are circumstances where it can be beneficial to have a landlord living in a building but this should not be at the expense of a tenant; and

Whereas, Individuals whose financial status affords them the opportunity to purchase apartment buildings, often have more housing options than their tenants do; and

Whereas, When a tenant does not have the financial ability to purchase a house or an apartment, the right of a landlord to evict that tenant based on a claim of "personal use" can demoralize that tenant; and

Whereas, The laws of this City and State should protect a tenant's right to reside in his or her home for as long as that tenant chooses to, subject to the provisions of his or her lease, and compliance with all other relevant laws and rules; now, therefore be it,

Resolved, that the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to approve, A.3297, in relation to protecting the occupancy of a dwelling unit by a tenant sought by a landlord for personal use.

Res. No. 291

Resolution calling upon the Congress of the United States to approve S.50, the Veterans Health Care Guarantee Act, and H.R. 2318, the Assured Funding for Veterans Health Care Act, which would institute a mandatory funding mechanism for the Department of Veterans Affairs health care system.

By Council Members Monserrate, Barron, Foster, Gennaro, Gerson, Liu, Nelson and Sanders Jr.

Whereas, According to the "Independent Budget – Fiscal Year 2005" (the "Independent Budget"), a publication that represents the collaborative efforts of the Veterans of Foreign Wars (the "VFW"), Disabled American Veterans, Paralyzed Veterans of America and AMVETS, federal funding for health care provided by the Department of Veterans Affairs (the "VA") is discretionary, with funding levels determined through an annual appropriations bill process; and

Whereas, As a result of funding shortfalls with respect to this discretionary funding mechanism, the needs of our nation's sick and disabled veterans are not being adequately addressed; and

Whereas, In an article entitled Mandatory Funding for Veterans Health Care, the VFW stated that the level of discretionary funding allocated to the VA health care system consistently falls short of VFW and Independent Budget recommendations, forcing the VA to add to the inadequate appropriation by requesting supplemental funding, which still does not approach proper funding levels; and

Whereas, The President's own Task Force to Improve Health Care Delivery for Our Nation's Veterans recognized that even if the VA was operating at maximum efficiency, it would not have the capacity to meet its obligations to enrolled veterans with its current level of funding; and

Whereas, The Partnership for Veterans Health Care Budget Reform, an umbrella organization that represents nine of the nation's most prominent veterans organizations, indicated in its pamphlet entitled Honor American's Commitment to Veterans (the "Partnership Pamphlet"), its belief that the current discretionary funding method for veterans health care is broken; and

Whereas, According to the Partnership Pamphlet, the enrolled patient population in the VA health care system has surged from 2.9 million in 1996 to 6.8 million in 2003, a 134 percent increase, while monies appropriated by the federal government and earmarked to be received by the VA health care system have only increased 44 percent during the same time period; and

Whereas, According to the Partnership Pamphlet, as a direct result of the unreliable and insufficient discretionary funding mechanism, the VA has been forced to ration care by denying services to veterans and by curtailing needed medical treatment; and

Whereas, According to South Dakota Senator Tim Johnson, as a direct result of the current discretionary funding systems shortfalls, there are currently 300,000 veterans waiting for appointments at VA hospitals; and

Whereas, Because of these funding shortfalls, the VA has also been unable to modernize a number of its facilities and cannot purchase sufficient state of the art medical equipment; and

Whereas, The Veterans Health Care Guarantee Act, Senate Bill 50, introduced by Senator Johnson, and the Assured Funding for Veterans Health Care Act, House Bill 2318, introduced by Congressman Lane Evans, would provide an assured and adequate level of funding for veterans health care; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Congress of the United States to approve S.50, the Veterans Health Care Guarantee Act, and H.R. 2318, the Assured Funding for Veterans Health Care Act, which would institute a mandatory funding mechanism for the Department of Veterans Affairs health care system.

Referred to the Committee on Veterans.

Res. No. 292

Resolution calling upon the New York State Legislature to reject the Governor's proposed four percent surcharge on admission to sporting events and amusement parks.

By Council Members Nelson, Avella, Gennaro, Gentile and Liu.

Whereas, The Governor's Executive Budget for State Fiscal Year 2004-05 contains a proposal for the enactment of a four percent surcharge on admission charges to or for the use of amusement parks and sporting events other than race tracks, boxing or wrestling matches or sporting events in which the attendee is a participant; and

Whereas, This surcharge would be in addition to the State and local sales taxes, currently totaling 8.625 percent, already imposed on such admission charges pursuant to Articles 28 and 29 of the State Tax Law; and

Whereas, News reports have indicated that this surcharge could add one to two dollars to the cost of the average sporting event; and

Whereas, This surcharge could impact working families and have an adverse impact on the State's sports franchises, two concerns raised by the Chair of the Assembly's Tourism, Arts and Sports Development Committee; and

Whereas, This surcharge could also impact tourism, especially domestic visitors who come to the City for the day and who, according to NYC and Company, spend on average over $150, because in 2001 11 percent of the almost 17 million daytrips to the City involved a trip to a sporting event; and

Whereas, Although the Governor's proposal would require the revenue raised by this surcharge to be deposited into an account in order to fund certain public safety initiatives including homeland security initiatives, this proposal is another example of the State raising revenues in the City and spending these revenues in other parts of the State; and

Whereas, The proposed surcharge on admission charges, together with a related surcharge on detective and protective services proposed by the Governor, would generate approximately $29 million from New York City, yet, according to the State Department of the Budget, New York City's public safety agencies would only realize a net benefit of $22 million from the Governor's budget proposals; and

Whereas, Most of the $22 million which City public safety agencies would receive from the Governor's proposed budget could be accounted for from revenues proposed to be raised within the City by other initiatives proposed by the Governor, including a proposed tax on City residents' vehicle insurance policies and charges on City probationers; and

Whereas, In effect the Governor is proposing that the City tax and charge itself to fund its security and public safety needs -- while calling this State assistance-- and further proposing to levy additional surcharges including the one on admission charges to help fund the rest of the State's public safety needs; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to reject the Governor's proposed four percent surcharge on admission to sporting events and amusement parks.

Referred to the Committee on State and Federal Legislation.

Int. No. 340

By Council Members Oddo, Avella, Comrie Jr., Liu, Martinez, Provenzano, Quinn, Recchia Jr., Reed, Sears, Weprin, Felder, Nelson, Brewer, Clarke, Fidler, Gennaro, Gentile, Rivera and Sanders Jr.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the inspection, testing, cleaning and maintenance of fire alarm systems in public schools by certified, independent contractors.

Be it enacted by the Council as follows:

Section 1. Legislative findings. Pursuant to Section 27-4265 of the Administrative Code, public schools are subject to certain fire safety precautions, including the installation and use of smoke detectors and fire alarms. Such fire safety equipment must be inspected regularly by a person holding a certificate of fitness.

Until recently, the New York City Department of Education hired outside contractors to perform this work. In order to save money, however, the Department of Education recently began delegating these responsibilities to school custodians, some of whom are not certified to perform the necessary work and others of whom, although certified, are not capable of performing it competently. As a result, the City Council has learned, some smoke detectors and fire alarms in schools have been deactivated, disabled, or otherwise made inoperable or ineffective. In order to ensure safety in city schools, outside, independent entities with experience in fire safety systems should oversee the inspection, testing, cleaning and maintenance of fire and smoke detection equipment within city schools.

§ 2. Subdivision g of section 27-4265 of chapter 4 of title 27 of the administrative code of the city of New York is hereby amended by adding a new paragraph 8 to read as follows:

8. Notwithstanding any provision of law to the contrary, if any inspection, testing, cleaning or maintenance of any smoke detector or fire safety system installed in any public school within the city of New York is required by any local or other law, rule or regulation, such inspection, testing, cleaning or maintenance shall be performed by a person holding a valid, unexpired certificate of fitness for smoke detector maintenance issued by the New York city fire department (or by another entity authorized by the city of New York to issue such certificates). In addition, such work shall be performed under the supervision of a company holding a smoke detector maintenance company certificate issued by the New York city fire department (or by another entity authorized by the city of New York to issue such certificates).

§ 3. If any subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of the local law that added this section, which remaining portions shall remain in full force and effect.

§ 4. This local law shall take effect ninety days after its enactment.

Referred to the Committee on Education.

Res. No. 293

Resolution commemorating the 36th Anniversary of the death of Martin Luther King, Jr. on April 4, 2004.

By Council Members Perkins, Barron, Boyland, Clarke, Fidler, Foster, Gennaro, Gerson, James, Martinez, McMahon, Monserrate, Nelson, Rivera, Sanders Jr., Vann and Weprin.

Whereas, Martin Luther King, Jr. is one of America's greatest heroes and a symbol of the struggle for racial equality and civil rights that occurred in the United States during the 1950's and 1960's; and

Whereas, Martin Luther King, Jr. was born on January 15, 1929 in Atlanta, Georgia, attended segregated public schools in Georgia, graduating from high school at the age of fifteen and attended Morehouse College, a distinguished black institution of higher learning from which both his father and grandfather had graduated and where he earned his Bachelor of Arts degree in Sociology in 1948; and

Whereas, After Graduating from Morehouse College, Martin Luther King, Jr. enrolled in Crozer Theological Seminary in Chester, Pennsylvania where he was elected president of the predominately white senior class, won the Peral Plafkner Award as most outstanding student, delivered the valedictory address, graduated with a Bachelor of Divinity in 1951 and was awarded the J. Lewis Crozer Fellowship for graduate study at a university of his choice; and

Whereas, With the J. Lewis Crozer Fellowship, Martin Luther King, Jr. enrolled for graduate studies in Systematic Theology at Boston University, completing his residence for the doctorate in 1953 and receiving the degree on June 5, 1955 at the age of twenty-six after completing his dissertation; and

Whereas, Upon completion of his theological studies at Boston University, Martin Luther King, Jr. accepted a position as Pastor of the Dexter Avenue Baptist Church in Montgomery, Alabama; and

Whereas, As a strong worker for the civil rights for members of his race, by the time Martin Luther King, Jr. took over the pastorate of the Dexter Avenue Baptist Church, he was already a member of the executive committee of the National Association for the Advancement of Colored People; and

Whereas, In December 1955 Martin Luther King, Jr. led the first great nonviolent demonstration of contemporary times in the United States against segregation on buses that resulted in a bus boycott that lasted 382 days and culminated with the United States Supreme Court declaring unconstitutional the laws requiring segregation on buses; and

Whereas, During the bus boycott, Martin Luther King, Jr. was arrested, subjected to personal abuse, and had his home bombed, however, he never lost the resolve of his cause and emerged as a first-rate leader; and

Whereas, In 1957 Martin Luther King, Jr. was elected President of the Southern Christian Leadership Conference, an organization formed to provide new leadership for the country's burgeoning civil rights movement; and

Whereas, Between 1957 and 1968, Martin Luther King, Jr. traveled over six million miles and spoke over twenty-five hundred times, appearing at places where there was injustice, protest and action; and

Whereas, Between 1957 and 1968, Martin Luther King, Jr. also wrote five books, led a massive civil rights protest in Birmingham, Alabama, wrote his inspiring "Letter from a Birmingham Jail," and planned voter registration drives for blacks in Alabama; and

Whereas, On August 28, 1963, Martin Luther King, Jr. delivered his famous "I Have a Dream" address during a peaceful march for jobs and freedom held in Washington, D.C which drew more than 250,000 people; and

Whereas, Martin Luther King, Jr. was also the recipient of five honorary degrees, was named Man of the Year by Time Magazine in 1963, and was the symbolic leader of American blacks during their quest for civil rights; and

Whereas, At the age of thirty-five, Martin Luther King, Jr. became the youngest man ever to receive the Nobel Peace Prize when he won the award in 1964; and

Whereas, On the evening of April 4, 1968, while standing on the balcony of his motel room in Memphis, Tennessee, where he was to lead a protest March in sympathy with striking sanitation workers, Martin Luther King, Jr.'s life was cut short by an assassins bullet at the age of 39; and

Whereas, Until the day he died Martin Luther King, Jr. stood for peace, racial harmony, non-violence and courage; now, therefore, be it

Resolved, That the Council of the City of New York commemorates the 36th Anniversary of the death of Martin Luther King, Jr. on April 4, 2004.

Referred to the Committee on Cultural Affairs, Libraries & International Intergroup Relations.

Int. No. 341

By Council Members Recchia Jr., Brewer, Comrie Jr., Fidler, Foster, Gerson, Jennings, Jr., Koppell, McMahon, Provenzano, Quinn, Sanders Jr., Stewart, Felder, Nelson, Clarke, Gentile, Liu, Reed, Rivera and Sears.

A Local Law to amend the administrative code of the city of New York, in relation the replacement of trees removed during construction projects.

Be it enacted by the Council as follows:

Section 1. Section 18-107 of the administrative code of the city of New York, is hereby amended to read as follows:

§18-107 Replacement of trees removed during construction. *a.* Any individual, firm, or corporation that [intends to remove] during construction *removes, destroys or severely damages* any tree that is within the jurisdiction of the commissioner, shall [post a bond with the commissioner to insure that within thirty days after the], *within thirty days of the* completion of *such* construction, *replace, at the expense of the permittee,* all *such* trees [removed, destroyed or severely damaged shall be replaced] *with trees to be located in as close proximity as possible to the location of the removed, destroyed or severely damaged trees* [at the expense of the permittee]. [The total caliper of all trees planted in the course of restoration shall in no event be less than the total caliper of all trees removed.] *The number of replacement trees shall be determined by measuring the sum of the basal areas of all trees removed, destroyed or severely damaged which shall mean the cross-sectional area, including the bark, of such trees measured at a point four and one-half feet from the ground. The sum of the basal area of the replacement trees shall be equal to the sum of the basal area of all trees removed, destroyed or severely damaged where all such trees are in excellent condition. In the event that some or all of such trees are in only good, fair or poor condition or are dead, the number of replacement trees shall be reduced accordingly.* Replacement shall be made with 2 ½ to 6 inch caliper trees. [and/or directed by the department horticultural officer. The replacement shall be made in the spring or fall season, as determined by such horticultural officer.]

b. Notwithstanding the provisions of subdivision a of this section, the commissioner may extend the period of time within which the replacement of trees is required when such replacement would not occur within a tree planting season or when the commissioner determines that replacement of one or more trees in accordance with subdivision a of this section would be detrimental to the healthy planting or development of such replacement tree or trees. An application for an extension of time in which to comply with subdivision a shall be made by the permittee no later than thirty days prior to the completion of construction or, when such construction occurs entirely within a thirty day period, no later than the date such construction is completed.

c. Where the commissioner, in consultation with the permittee, determines that it is not feasible to plant the total number of replacement trees at the subject property, the permittee shall only be required to plant at that property the number of trees that is feasible. In making such determination, the commissioner shall consider such criteria as the physical configuration of the subject property, construction and engineering constraints and utility and other infrastructure requirements. In such case, the remaining replacement trees shall be planted at other locations as close as possible to the property from which the trees were removed, destroyed or severely damaged as the commissioner deems feasible. It shall be the responsibility of the permittee to propose in writing to the commissioner such alternate locations and the number of trees the permittee believes may be planted at each such location so that provision is made for the planting of each remaining replacement tree. Where the commissioner determines that a proposed alternate location or the number of replacement trees proposed to be planted at an alternate location is not feasible, the commissioner may select such other locations as are necessary to accommodate planting all of the remaining replacement trees. The justification for the selection of any alternate location for the planting of remaining replacement trees shall be set forth in writing, shall be kept on file at the department and shall be available for public examination upon request.

d. *Prior to the removal of one or more trees subject to the provisions of this section, the permittee shall post a bond in an amount equal to the estimated aggregate cost to the city of replacing such tree or trees.* [The amount of the bond as determined by the commissioner shall be sufficient to cover the cost of replacement.]

§2. This local law shall take effect immediately after it is enacted into law.

Referred to the Committee on Parks and Recreation.

Res. No. 294

Resolution calling upon the New York State Legislature to pass and the Governor to enact legislation permitting reciprocal, direct-to-consumer wine shipment in and out of New York State.

By Council Members Reed, Brewer and Stewart.

Whereas, New York is the second largest wine market in the nation, home to extremely sophisticated wine consumers; and

Whereas, New York State ranks third nationally in wine production, boasting nearly 1,000 family-owned vineyards and producing roughly 100,000,000 bottles of wine annually; and

Whereas, The grape and wine sector is the fastest growing industry in agriculture and tourism in New York, generating some $40 million annually; and

Whereas, The current Alcohol Beverage Control Law prohibits the direct shipment of out-of-state wine to consumers in New York; and

Whereas, Because many states have reciprocal wine shipping requirements, this law effectively bars New York vineyards from shipping their wines directly to consumers around the country; and

Whereas, The majority of New York State wineries are too small to partner with wine distributors or wholesalers and are thus unable to sell their wines to out-of-state consumers; and

Whereas, In 1995, both the State Senate and Assembly passed legislation to allow direct wine sales to New York consumers by out-of-state wineries from states that give the reciprocal right to New York wineries; this bill was vetoed by the Governor; and

Whereas, Wine makers and wine connoisseurs alike have continued to call for such legislation in recent years; and

Whereas, New York is the largest wine producing State in the nation that does not allow direct shipment; and

Whereas, Governor Pataki's 2004-2005 budget proposal includes provisions to allow reciprocal direct-to-consumer wine shipment in and out of New York; and

Whereas, The proposal would allow adults 21 or older to have up to two cases of wine delivered to their homes each month for personal use and would charge a license fee and taxes for out-of-state wineries shipping into New York; and

Whereas, The New York Division of the Budget estimates that such a system would raise about $2 million in 2004 and 2005 and more money in following years; and

Whereas, New York Senators Schumer and Clinton, along with United States Representatives from around New York State, have called on the State Legislature to pass the proposed legislation; and

Whereas, The Federal Trade Commission recently issued an independent economic analysis of prohibitions against direct shipment of wine and found that such prohibitions are anticompetitive, result in higher prices for consumers, and that permitting the direct shipment of wine to consumers does not yield problems related to underage drinking or tax evasion; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass and the Governor to enact legislation permitting reciprocal, direct-to-consumer wine shipment in and out of New York State.

Referred to the Committee on State and Federal Legislation.

Res. No. 295

Resolution Supporting the Elimination of the Sunset Provisions of the Local Government Records Management Improvement Fund (LGRMIF) and the Cultural Education Fund (CEF).

By Council Member Rivera.

Whereas, The Local Government Records Management Improvement Fund (LGRMIF) was created in 1989 to provide technical assistance and grants to establish, improve or enhance records management programs New York's more than 4300 local governments; and

Whereas, The closely related Documentary Heritage Program (DHP) for grants and technical assistance to non-governmental historical records repositories also is supported by the LGRMIF; and

Whereas, A sunset date for the LGRMIF was established in the original legislation to permit its operation as a five-year experiment; and

Whereas, The New York State Legislature in 1995 twice has extended the sunset date most recently to December 31, 2005; and

Whereas, The LGRMIF has effectively supported essential advisory services and 6,300 grants totaling over $113 million to improve the management of records for over half of all NYS local governments; and

Whereas, The LGRMIF and the programs its supports continue to operate at a high standard of excellence and provide direct and significant benefit to local governments at no cost to the taxpayers; and

Whereas, The City of New York has benefited from technical assistance, training, publications and grants supported by the LGRMIF; and

Whereas, The State Legislature created the closely-related Cultural Education Fund (CEF) to support the New York State Archives, New York State Library and New York State Museum on behalf of all New Yorkers, and the Office for Public Broadcasting, and provided the CEF with an identical sunset date; and

Whereas, The LGRMIF and CEF continue to be critically important in the fulfillment of the many records and information related responsibilities of the Clerk of the City Council, and to the cultural and scientific needs of the people of New York State; now, therefore, be it

Resolved, That the Council of the City of New York supports the elimination of said sunset provisions in order to make the LGRMIF and the CEF permanent.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 89

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Paterson, S.5305-A, and Committee on Rules, A.8701-A, "AN ACT authorizing the city of New York to reconvey title of certain property to Gus Jenkins".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Paterson, S.5305-A, and Committee on Rules, A.8701-A, "AN ACT authorizing the city of New York to reconvey title of certain property to Gus Jenkins"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 90

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Marchi, S.3299-A, and Assembly Member Abbate, A.5982-A, "AN ACT to amend the general municipal law, in relation to certain disabilities incurred by members of the uniformed force of sanitation departments and providing for the repeal of such provisions of such law upon expiration thereof".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Marchi, S.3299-A, and Assembly Member Abbate, A.5982-A, "AN ACT to amend the general municipal law, in relation to certain disabilities incurred by members of the uniformed force of sanitation departments and providing for the repeal of such provisions of such law upon expiration thereof"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 91

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Marchi, S.3300-A, and Assembly Member Abbate, A.5981-A, "AN ACT to amend the general municipal law, in relation to certain lung disabilities incurred by members of the uniformed force of sanitation departments in certain cities".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Marchi, S.3300-A, and Assembly Member Abbate, A.5981-A, "AN ACT to amend the general municipal law, in relation to certain lung disabilities incurred by members of the uniformed force of sanitation departments in certain cities"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 92

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Marchi, S.3376-A, and Assembly Members Abbate and Cohen, A.5923-A, "AN ACT to amend the retirement and social security law and the administrative code of the city of New York, in relation to permitting certain New York city sanitation members to borrow from their accumulated member contributions and to repeal certain provisions of the retirement and social security law relating thereto".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Marchi, S.3376-A, and Assembly Members Abbate and Cohen, A.5923-A, "AN ACT to amend the retirement and social security law and the administrative code of the city of New York, in relation to permitting certain New York city sanitation members to borrow from their accumulated member contributions and to repeal certain provisions of the retirement and social security law relating thereto"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 93

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S.6189, and Assembly Member Seminerio, A.9799, "AN ACT to amend the civil service law, in relation to suspension of employees of the department of correction in cities having a population of one million or more".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Maltese, S.6189, and Assembly Member Seminerio, A.9799, "AN ACT to amend the civil service law, in relation to suspension of employees of the department of correction in cities having a population of one million or more"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 97

State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Committee on Rules, A.8484, "AN ACT to amend the vehicle and traffic law, in relation to fines and penalties for handicapped parking violations in a city with a population of one million or more".

By Council Members Rivera and Liu

Whereas, a bill has been introduced in the New York State Legislature by Committee on Rules, A.8484, "AN ACT to amend the vehicle and traffic law, in relation to fines and penalties for handicapped parking violations in a city with a population of one million or more"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bill.

Referred to the Committee on State and Federal Legislation.

Res. No. 296

Resolution in support of thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

By Council Members Sanders Jr., Barron, Gennaro, James and Liu.

Whereas, The New York State Empire Zones Program contains provisions that apply to Zone Equivalent Areas (ZEAs), which are areas that, although not within the boundaries of Empire Zones, are nonetheless characterized by high unemployment and poverty rates; and

Whereas, The Empire Zones Program provides that businesses located in ZEAs or which relocate to ZEAs may become eligible to receive New York State Wage Tax Credits if they receive certification from the New York State Department of Economic Development (DED) and also meet the requirements of the New York State Department of Finance to receive the New York State Wage Tax Credit; and

Whereas, The Empire Zones Program requires that businesses which seek State Wage Tax Credits must either project job creation within a ZEA, or, if job creation is unlikely, must state in writing how certification will result in maintaining employment in the firm within a ZEA; and

Whereas, Bowles Corporate Services, Inc.; Premier & Companies Inc.; Winged Keep Group Inc.; Nederlander Productions; Molod Spitz & DeSantis, P.C.; Stern and Montana, LLP; Gumley-Haft, LLC; Yahoo! Inc.; The Adstore, Inc.; Google Inc.; The Sockyard Co., Inc.; Wellchoice Inc.; and Pinnacle Associates LTD (the Applicants) each desire to be certified to receive New York State Wage Tax Credits under the ZEA provision of the Empires Zones Program; and

Whereas, Under the Empire Zones Program, application for certification by DED to become eligible to receive New York State Wage Tax Credits under the ZEA provisions of the Empire Zones Program requires approval by the governing body of the local municipality within which the business has relocated of the businesses' intent to apply for certification by DED; and

Whereas, The Applicants have requested that the Council of the City of New York adopt a resolution in support of their applications to DED for certification of eligibility to receive New York State Wage Tax Credits under the ZEA provisions of the New York State Empire Zones Program; and

Whereas, The creation or retention of jobs within ZEAs, as required in order to qualify for the New York State Wage Tax Credits sought by the Applicants, will contribute to the economic development of the distressed areas where the Applicants are located; now, therefore, be it

Resolved, That the Council of the City of New York supports the thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

Referred to the Committee on Economic Development.

Res. No. 297

Resolution calling upon the District Attorney, the New York State Attorney General and the United States Department of Justice to launch a full scale independent investigation into the shooting death of Timothy Stansbury by an officer of the New York City Police Department.

By Council Members Seabrook, Barron, Clarke, Foster, James and Vann.

Whereas, On January 24, 2004, 19-year-old Timothy Stansbury was fatally shot by a police officer in a stairway to the rooftop of Louis Armstrong Houses in Beford-Stuyvesant, Brooklyn; and

Whereas, Richard Neri, a housing officer of the New York City Police Department, fired at the unarmed teenager and caused the death of Stansbury, who tried to use the roof as a shortcut to another building and opened the door of the stairway at the same time as Neri did; and

Whereas, After the incident, Police Commissioner Raymond Kelly admitted that the shooting is "apparently unjustified" and Mayor Michael Bloomberg expressed concern regarding the tragedy; and

Whereas, The police officer later avoided indictment by the Grand Jury and is currently on a modified position within the Police Department; and

Whereas, Although the Grand Jury declined to indict Neri for the fatal shooting, the New York City Police Department and several federal prosecutors announced they would review the shooting; and

Whereas, Neri still faces the possibility of Police Department disciplinary charges and federal civil rights probes, as the justification for the shooting and the appropriate use of guns will be reviewed; and

Whereas, The fact that Neri, a white and armed police officer, shot a black and unarmed teenager, angered many residents, and the incident also recalled past police misconduct in other minority communities; and

Whereas, While the crime rate has declined during the past few years, the complaints filed to the Civilian Complaint Review Board (CCRB) have soared in the past year, an indication of potential misconduct by police officers; and

Whereas, Whether Timothy Stansbury was the victim of an accident or criminal activity, the NYPD needs to secure public safety by reviewing its gun policy during patrols and improving the training of the use of guns; and

Whereas, Furthermore, the Police Department and the United States Justice Department owe the family and friends of Timothy Stansbury a thorough investigation into this case in order to restore justice and regain the public's trust toward the Police Department and justice system; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the District Attorney, the New York State Attorney General and the United States Department of Justice to launch a full scale independent investigation into the shooting death of Timothy Stansbury by an officer of the New York City Police Department.

Referred to the Committee on Public Safety.

Int. No. 342

By Council Members Serrano, DeBlasio, Quinn, Addabbo Jr., Avella, Baez, Barron, Brewer, Clarke, Comrie Jr., Felder, Fidler, Foster, Gennaro, Gerson, Gioia, Jackson, Jennings, Jr., Koppell, Lopez, Martinez, McMahon, Monserrate, Nelson, Recchia Jr., Rivera, Sanders Jr., Sears, Stewart, Vann, Weprin, Yassky, Moskowitz, Boyland and Reed.

A Local Law to amend the New York city charter, in relation to requiring the distribution of a public health insurance program options pamphlet to parents and guardians of public school students.

Be it enacted by the Council as follows:

Section 1. Legislative findings. The Council finds that children without health insurance are more likely to suffer from preventable illnesses. Many of these illnesses, if not appropriately treated, can become chronic or have other permanent consequences which can affect a child's ability to learn and develop the skills that will allow him or her to become a productive adult.

While all children in New York City are eligible for health insurance, many children do not have such insurance. For example, 19% of the uninsured individuals in New York City are children. Such an alarming figure may be due to a number of factors. For instance, many parents and guardians may be afraid to seek insurance because of their immigration status. Indeed, according to the United Hospital Fund, 43% of New York City's uninsured individuals are non-citizens. Parents and guardians who are not citizens may not be aware that children in New York City are eligible for health insurance regardless of immigration status. In addition, as a result of job losses and a struggling economy, a family's need for health insurance may change over a period of time.

Although the Department of Education provides a public health insurance program options pamphlet to parents and guardians when they appear in person to register a child in the public school system, this distribution is insufficient to ensure that such individuals remain informed of student health insurance options. For example, a parent or guardian who receives the pamphlet when appearing in person to register a student in the second grade may never receive the pamphlet again throughout the student's educational career in the public school system. This law will ensure that parents and guardians are regularly informed of health insurance options for their children.

§ 2. Subdivision b of section 1069 of chapter forty-seven of the New York city charter is hereby amended to read as follows:

b. Participating agencies shall be required to: (i) distribute such public health insurance program options pamphlet to all persons requesting a written application for services, renewal or recertification of services or request for a change of address relating to the provision of services by such agency; provided, however, that this section shall not apply to services that must be provided to prevent actual or potential danger to the life, health or safety of any individual or to the public; (ii) include a public health insurance program options pamphlet with any agency communication sent through the United States mail for the purpose of supplying an individual with a written application for services, renewal or recertification of services or with a request for a change of address form relating to the provision of services by such agency; and (iii) provide an opportunity for an individual requesting a written application for services, renewal or recertification for services or change of address form relating to the provision of services by such agency via the Internet to request a public health insurance program options pamphlet, and provide such pamphlet, by United States mail or an Internet address where such pamphlet may be viewed or downloaded, to any person who indicates via the Internet that they wish to be sent a public health insurance program options pamphlet; provided, however, that the taxi and limousine commission shall only be required to distribute the public health insurance program options pamphlet to those persons applying for or renewing a driver's license or vehicle license as those terms are defined in section 19-502 of this code; and provided further, that the [board] *department* of education shall be

required only to ensure that the public health insurance program options pamphlet is distributed to *(a)* those individuals who appear in person to register a child in the public school system[.] , *(b) the parents or guardians of every student before the beginning of each school year, by the inclusion of a copy of the pamphlet in the mailing of the code of conduct to such individuals as required by section 2801(4) of the education law, and, (c) where it has been ascertained that a student does not have health insurance, to the parents or guardians of such student by the mailing of a copy of such pamphlet to such parents or guardians along with an explanatory letter. Such letter shall (A) describe, in plain language, the health insurance options that are available and the fact that all children are eligible for public health insurance regardless of immigration status; (B) include contact information of a person or office knowledgeable about public health insurance options available to children; and (C) provide an address or phone number at the department of education which a parent or guardian may use to inform the department of education as to whether the student has health insurance or needs such insurance. Such letter shall be printed in multiple languages, including, but not limited to, English, Spanish, Chinese, Russian, Yiddish, Korean and Haitian-Creole.*

The department of education shall also be required to maintain a database indicating the health insurance status of each student in the public school system. In particular, such database shall indicate whether: the student has health insurance; the student does not have health insurance and the department of education has permission to share contact information with a health care provider; or the student does not have health insurance and the department of education does not have permission to share contact information with a health care provider. The department of education shall make every reasonable effort to maintain the accuracy of such database and review the status of children who do not have health insurance so as to facilitate the efforts of parents or guardians to register a child with a public health insurance program.

§3. If any subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of the local law that added this section, which remaining portions shall remain in full force and effect.

§4. This local law shall take effect one hundred and eighty days after its enactment.

Referred to the Committee on Education.

Int. No. 343

By Council Members Vallone Jr., Clarke, Fidler, Foster, Gennaro, Gentile, Gerson, Nelson, Reed, Rivera, Sanders Jr., Sears and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to increasing the fines for the offense of failing to yield the right of way to emergency vehicles en route to an emergency.

Be it enacted by the council as follows:

Section One. Legislative findings and intent. Traffic congestion in New York presents an ongoing problem to emergency services. Emergency vehicles en route to an emergency are often forced to contend with stubbornly apathetic drivers who refuse to yield the right of way.

State law currently sets the fine schedule for consecutive traffic infractions. The density of the population in New York City, however, increases not only automobile congestion, but also the number of emergency situations that arise and the scale of the response required to address many emergencies, thus posing a risk to public safety and health. Drivers who are unwilling to yield the roadway for emergency vehicles obstruct not only emergency vehicles, but also other drivers who attempt to yield the roadway. Many of the city's roadways are narrow enough that one such unwilling driver has the ability to obstruct completely the progress of an emergency vehicle.

The City Council, in an effort to protect those in emergency situations by opening up the city's streets to emergency vehicles, creates a new section of the administrative code that increases the fines for failing to yield the right of way for an emergency vehicle.

§ 2. Chapter one of title 10 of the administrative code of the city of New York is amended to add a new section 10-163, to read as follows:

§10-163 Operation of vehicles on approach of authorized emergency vehicles.

a. Upon the immediate approach of an authorized emergency vehicle, as defined in the vehicle and traffic law, equipped with at least one lighted lamp exhibiting red light visible under normal atmospheric conditions from a distance of five hundred feet to the front of such vehicle other than a police vehicle or bicycle when operated as an authorized emergency vehicle, and when audible signals are sounded from any said vehicle by siren, exhaust whistle, bell, air-horn or electronic equivalent; the driver of every other vehicle shall yield the right of way and shall immediately drive to a position parallel to, and as close as possible to the right-hand edge or curb of the roadway, or to either edge of a one-way roadway three or more lanes in width, clear of any intersection, and shall stop and remain in such position until the authorized emergency vehicle has passed, unless otherwise directed by a police officer.

b. Every person convicted of a violation of this provision shall for a first conviction thereof be punished by a fine of not more than three hundred dollars or by imprisonment for not more than thirty days or by both such fine and imprisonment; for a conviction of a second violation, both of which were committed within a period of ten years, such person shall be punished by a fine of not more than six hundred dollars or by imprisonment for not more than ninety days or by both such fine and imprisonment; upon a conviction of a third or subsequent violation, all of which were committed within a period of ten years, such person shall be punished by a fine of not more than nine hundred dollars or by imprisonment for not more than one-hundred eighty days or by both such fine and imprisonment. Conviction for a violation of this section shall constitute a traffic infraction.

§ 3. This local law shall take effect immediately.

Referred to the Committee on Public Safety.

Int. No. 344

By Council Members Vallone Jr., Addabbo Jr., Fidler, Foster, Gennaro, Gentile, Gerson, Martinez, Nelson, Rivera, Sears and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to requiring identifying numbers on the roof of any school bus.

Be it enacted by the Council as follows:

Section One. Legislative Intent and Findings.

In order to enhance the public safety, and ensure that school buses can be tracked from the air if they are lost or stolen, the City Council finds that operators of school buses should be required to place an identifying number unique to each bus on the roof of the bus. By doing so, law enforcement will be in a better position to locate a school bus from the air, should the need arise.

§2. Section 19-607 of the administrative code of the city of New York is renumbered as section 19-608, to read as follows:

[§19-607] *§19-608* Penalty. Any person, firm or corporation who shall violate the provisions of this chapter shall be punished by a fine of five hundred dollars, or by imprisonment not to exceed three months or by both such fine and imprisonment.

§3. Chapter six of title 19 of the administrative code of the city of New York is amended by adding thereto a new section 19-607 to read as follows:

§19-607. Identifying Numbers. Every omnibus having a seating capacity of more than seven passengers, used to transport pupils, teachers and other persons acting in a supervisory capacity to and from school or school activities, must have an identifying number unique to that vehicle conspicuously lettered on the roof of the omnibus.

§4. This local law shall take effect sixty days after its enactment into law.

Referred to the Committee on Public Safety.

State Legislation Res. No. 98

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Dilan, S.4973-A, and Committee on Rules, A.8397-A, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner George Black, or if he is deceased, to the person or persons who would have inherited said property from him or to their successors in interest, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1762, Lot No. 62 on tax map for the borough of Brooklyn".

By Council Member Vann

Whereas, bills have been introduced in the New York State Legislature by Senator Dilan, S.4973-A, and Committee on Rules, A.8397-A, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner George Black, or if he is deceased, to the person or persons who would have inherited said property from him or to their successors in interest, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1762, Lot No. 62 on tax map for the borough of Brooklyn"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

Int. No. 345

By Council Members Weprin, Quinn, Lopez, Reed and Sanders Jr. (by request of the Mayor).

A Local Law to amend the administrative code of the city of New York, in relation to the establishment of the Madison/23rd/Flatiron/Chelsea business improvement district.

Be it enacted by the Council as follows:

Section 1. Chapter 5 of title 25 of the administrative code of the city of New York is amended by adding a new section 25-463 to read as follows:

§25-463 Madison/23rd/Flatiron/Chelsea business improvement district.

a. The city council having determined, pursuant to section 25-407 of chapter four of this title: that notice of hearing for all hearings required to be held was published and mailed as required by law and was otherwise sufficient; that, except as otherwise provided in section 25-403 of chapter four of this title, all the real property within the boundaries of the district will benefit from the establishment of the district; that all the real property benefited is included within the limits of the district; and that the establishment of the district is in the public interest; and the council having determined further that the requisite number of owners have not objected as provided in section 25-406 of chapter four of this title, there is hereby established in the borough of Manhattan, the Madison/23rd/Flatiron/Chelsea business improvement district. Such district is established in accordance with the district plan required to be filed with the city clerk pursuant to subdivision (b) of this section.

b. Immediately upon adoption of this local law by the council, the council shall file with the city clerk the district plan upon which the Madison/23rd/Flatiron/Chelsea business improvement district is based.

c. The district plan shall not be amended except in accordance with chapter four of this title.

§ 2. This local law shall take effect upon compliance with section 25-408 of chapter 4 of title 25 of the administrative code of the city of New York.

Referred to the Committee on Finance.

Res. No. 298

Resolution concerning the establishment of the Madison/23rd/Flatiron/Chelsea Business Improvement District in the Borough of Manhattan and setting the date, time and place for the public hearing to hear all persons interested in the establishment of such district.

By Council Members Weprin, Clarke and Sanders Jr. (by request of the Mayor).

Whereas, pursuant to the authority granted by Chapter 4 of Title 25 of the Administrative Code of the City of New York (the "Law"), the Mayor, by authorization dated October 31, 2003, provided for the preparation of a district plan (the "Plan") for the Madison/23rd/Flatiron/Chelsea Business Improvement District (the "District") in the Borough of Manhattan; and

Whereas, pursuant to Local Law No. 82 for the year 1990, the City Council assumed responsibility for adopting legislation establishing Business Improvement Districts; and

Whereas, pursuant to section 25-405 (c) of the Law, the New York City Department of Small Business Services ("SBS") submitted the Plan to the City Planning Commission (the "CPC") on December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the City Council on December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the Council Members representing the council districts in which the proposed District is located on December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the community boards (Manhattan Community Boards Numbers 4, 5 and 6, hereinafter referred to as the "Community Boards") for the community districts in which the proposed District is located on December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the Community Boards notified the public of the Plan in accordance with the requirements established by the CPC; and

Whereas, pursuant to section 25-405 (c) of the Law, the Community Boards conducted public hearings on January 7, 2004 (CB#4), December 11, 2003 (CB#5) and December 10, 2003 (CB#6); and

Whereas, on January 7, 2004, Community Board 4 voted to approve the establishment of the District; on December 11, 2003, Community Board 5 voted to approve the establishment of the District; and on December 10, 2003, Community Board 6 voted to approve the establishment of the District; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC reviewed the Plan, held a public hearing and prepared a report certifying its unqualified approval of the Plan; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted its report to the Mayor, to the City Council and to the Council Member representing the council district in which the proposed District is located; and

Whereas, pursuant to section 25-405 (c) of the Law, a copy of the CPC's report, together with the original Plan, was transmitted for filing with the City Clerk on March 4, 2004; and

Whereas, pursuant to section 25-406 (a) of the Law, a copy of the Plan and the CPC's report are annexed hereto and are made part of this Resolution; and

Whereas, pursuant to section 25-406 (a) of the Law, the Plan is on file for public inspection in the Office of the City Clerk, Municipal Building, Room 265, New York, New York; and

Whereas, pursuant to Section 25-406 (b) of the Law, any owner of real property, deemed benefited and therefore within the District, objecting to the plan must file an objection at the Office of the City Clerk within thirty days of the conclusion of the hearing held by the City Council, notice of which is provided by this Resolution, on forms made available by the City Clerk; and

Whereas, pursuant to Section 25-406 (b) of the Law, if owners of at least fifty-one percent of the assessed valuation of all the benefited real property situated within the boundaries of the District proposed for establishment, as shown upon the latest completed assessment roll of the City, or at least fifty-one percent of the owners of benefited real property within the area included in the District proposed for establishment, file objections to the Plan with the City Clerk within the thirty-day objection period, the District will not be established; now, therefore, be it

Resolved, that the Council of the City of New York, pursuant to Section 25-406 of the Law, hereby directs that:

(i) May 19, 2004 is the date and 10:00 a.m. is the time and the City Council Committee Meeting Room, 2nd Floor, City Hall is the place for a public hearing (the "Public Hearing") to hear all persons interested in the establishment of the District;

(ii) the Madison/23rd/Flatiron/Chelsea BID Steering Committee shall, not less than ten nor more than thirty days before the date of the Public Hearing, mail a copy of this Resolution or a summary thereof to each owner of real property within the proposed District at the address shown on the latest City assessment roll, to such other persons as are registered with the City to receive tax bills concerning real property within the proposed District, and to the tenants of each building within the proposed District;

(iii) the Department of Small Business Services shall arrange for the publication of a copy of this Resolution or a summary thereof at least once in the City Record or a newspaper in general circulation in the City, the first publication to be not less than ten nor more than thirty days before the date of the Public Hearing; and

(iv) in the event that the Madison/23rd/Flatiron/Chelsea BID Steering Committee mails, or the Department of Small Business Services arranges for the publication of, a summary of this Resolution, such summary shall include the information required by section 25-406(c) of the Law.

Referred to the Committee on Finance.

Int. No. 346

By Council Members Yassky, Gennaro, Koppell, Nelson, Reed, Stewart and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to creating civil penalties and a private right of action for false or fraudulent claims.

Be it enacted by the Council as follows:

Section One. Legislative findings and intent. The Council finds that the city of New York, which engages in the annual disbursement of billions of dollars in public funds through one of the largest budgets in the United States, is responsible for preventing the submission of fraudulent claims for reimbursement to the city. Compensation by the city of claims that are false or fraudulent has a considerable impact upon the city's treasury through the loss of untold amounts of public dollars.

The Council finds that the federal false claims act is a superb method of combating fraud by government contractors and other parties. Since the federal false claims act was substantially amended in 1986, the federal government has recovered billions of dollars under the act. The Council further finds that a number of states have enacted civil false claims statutes of their own in order to impede fraud in state programs and to protect state treasuries.

The Council therefore finds that the city of New York should enact legislation similar to the federal false claims act, whereby the city can recover monetary damages from parties who file fraudulent claims for payment of funds from the city's treasury, strengthen the ability of private parties to initiate false claims actions on the city's behalf, and recover the substantial costs that are incurred in protecting the taxpayers against such fraud.

§2. Title 7 of the administrative code of the city of New York is hereby amended by creating a new chapter 8 to read as follows:

CHAPTER 8
NEW YORK CITY FALSE CLAIMS ACT

*§ 7-801. **Short title.***
*§ 7-802. **Definitions.***
*§ 7-803. **False claims.***
*§ 7-804. **Civil actions for false claims.***
*§ 7-805. **Remedies of employees.***
*§7-806. **Limitation of actions; burden of proof.***
*§7-807. **Other law enforcement authority and duties.***
*§7-808. **Regulations.***

*§7-801. **Short title.** This chapter shall be known as the "New York city false claims act."*

*§7-802. **Definitions.** For purposes of this chapter, the following terms shall mean:*

1. "Claim" means any request or demand, whether under a contract or otherwise, for money or property which is made to any employee, officer, or agent of the city, or to any contractor, grantee or other recipient, if the city provides the money or property which is requested or demanded or will reimburse such contractor, grantee or other recipient for the money or property which is requested or demanded.

2. "False claim" means any claim, which is, either in whole or part, false or fraudulent.

3. "Knowing and knowingly" means that with respect to information, a person: (a) has actual knowledge of the information, or (b) acts in deliberate ignorance of the truth or falsity of the information, or (c) acts in reckless disregard of the truth or falsity of the information. Proof of specific intent to defraud is not required, provided however that acts occurring by mistake or as a result of mere negligence are not covered by this chapter.

4. "Senior city official" means the mayor, deputy mayor, department heads and agency commissioners and their deputies and assistants, city comptroller and his or her deputies and assistants, city public advocate and his or her deputies and assistants, and officers and employees of city department boards, bureaus, commissions, or other city agencies who are required to file an annual statement of financial disclosure pursuant to subparagraph a of paragraph 3 of subdivision a of section 12-110 of the administrative code.

5. "Person" means any natural person, corporation, partnership, firm, organization, association or other legal entity or individual, other than the city.

6. "Qui tam plaintiff" means any person who has initiated a qui tam civil action pursuant to paragraph 2 of section 7-804 of this chapter.

*§7-803. **False claims.** 1. Subject to the provisions of paragraph two of this section, any person who:*

a. knowingly presents, or causes to be presented, to any city officer or employee, a false or fraudulent claim for payment or approval;

b. knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the city;

c. conspires to defraud the city by getting a false or fraudulent claim allowed or paid;

d. has possession, custody, or control of property or money used, or to be used, by the city and, intending to defraud the city or willfully conceal the property or money, delivers, or causes to be delivered, less property or money than the amount for which the person receives a certificate or receipt;

e. is authorized to make or deliver a document certifying receipt of property used, or to be used, by the city and, intending to defraud the city, makes or delivers the receipt without completely knowing that the information on the receipt is true;

f. knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the city knowing that such officer or employee lawfully may not sell or pledge the property; or

g. knowingly makes, uses, or causes to be made or used, a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the city; shall be liable to the city for a civil penalty of not less than five thousand dollars and not more than ten thousand dollars, plus three times the amount of damages which the city sustains because of the act of that person.

2. A person who violates this section shall also be liable for the costs, including attorneys' fess, of a civil action brought to recover any such penalty or damages, pursuant to article eighty-one of the civil practice law and rules.

3. Courts may assess not more than two times the amount of damages sustained because of the act of the person described in paragraph one of this section if the court finds, after an opportunity to be heard, all of the following:

a. The person committing the violation of section 7-803 of this chapter had furnished all information known to such person about the violation, to those officials responsible for investigating false claims violations on behalf of the city within thirty days after the date on which such person first obtained the information;

b. Such person fully cooperated with any government investigation of such violation; and

c. At the time such person furnished information about the violation, no criminal prosecution, civil action or administrative action had commenced with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation.

4. This section shall not apply to claims, records, or statements made pursuant to federal, state or local law that relate or refer to taxation.

*§7-804. **Civil actions for false claims.** 1. Civil enforcement action. The corporation counsel shall investigate, with such assistance from other agencies as may be required, violations pursuant to section 7-803 of this chapter. If the corporation counsel finds that a person has violated or is violating the provisions of section 7-803 of this chapter, the corporation counsel may institute a civil enforcement action against that person in any court of competent jurisdiction.*

2. Qui tam private right of action. a. Any person may bring a qui tam civil action for violation of section 7-803 of this chapter on behalf of the people of the city of New York. Once filed, the action may be dismissed only if the court and the corporation counsel provide written consent. Under no circumstances may a qui tam action be filed against the federal government, the state of New York or the city.

b. A copy of the complaint and written disclosure of all material evidence and information the person possesses shall be served upon the city pursuant to paragraph two of subdivision a of section three hundred eleven of the civil practice law and rules. The complaint shall be filed in supreme court in camera and may remain under seal for at least one hundred-twenty days, unless the court extends the seal. The complaint shall not be served on the defendant until the court so orders. Upon a showing of good cause, the corporation counsel may move the court for extensions of the time during which the complaint remains under seal. Any such motions may be supported by affidavits or other submissions in camera.

c. Prior to the expiration of the one hundred-twenty day period or any extensions obtained under paragraph b of this subdivision, the city shall notify the court that he or she: (i) intends to file a complaint against the defendant on behalf of the people of the city, and thereby be substituted as the plaintiff in the action and convert the action in all respects from a qui tam civil action brought by a private person into a civil enforcement action by the corporation counsel under subdivision one of this section, (ii) intends to intervene in such action, as of right, so as to aid the qui tam plaintiff in the action, or (iii) declines to take over the action. If the city declines to take over such action, then the plaintiff may have the right to continue such action.

d. If the corporation counsel notifies the court that it intends to file a complaint against the defendant and thereby be substituted as the plaintiff in the action, such complaint must be filed within sixty days after the notification to the court.

e. If the corporation counsel notifies the court that it intends to intervene in the action, then such motion for intervention shall be filed within sixty days after the notification to the court.

3. Time to answer. If the city decides to participate in a qui tam action, the court may, in its discretion, order that the qui tam complaint be unsealed and served at the time of the filing of the complaint or intervention motion by the city. After the complaint is unsealed, or if a complaint is filed by the corporation counsel pursuant to paragraph one of this section, the defendant shall be served with the complaint and summons pursuant to article three of the civil practice law and rules. The defendant shall be required to respond to the summons and complaint within the time allotted under article three of the civil practice law and rules.

4. Related actions. When a qui tam plaintiff brings an action under this section and the complaint in such section has been unsealed, no person other than the corporation counsel may intervene or bring a related action based upon the facts underlying the pending action, unless such other person has first obtained the permission of the corporation counsel to intervene or to bring such related action.

5. Rights of the parties of qui tam actions. a. If the corporation counsel elects to convert the qui tam civil action into a civil enforcement action, then the city shall have the primary responsibility for investigating and prosecuting the action. If the corporation counsel intervenes in the qui tam civil action, then the city and the qui tam plaintiff shall share primary responsibility for investigating and prosecuting the action. Under no circumstances shall the city be bound by an act of the person bringing the original action. Such qui tam plaintiff who shared primary responsibility for the action shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph b of this subdivision.

b. (i) The city may move to dismiss the action notwithstanding the objections of the person initiating the action if such person has been served with a motion to dismiss and the court has provided such person with an opportunity to be heard on the motion.

(ii) The city may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines that the proposed settlement is fair, adequate, and reasonable with respect to all parties under all the circumstances. Any determination made by the court pursuant to this subparagraph shall be made only after the court has provided such person an

opportunity to be heard. Upon a showing of good cause, such opportunity to be heard may be held in camera.

(iii) The city may apply to the court for an order to restrict the qui tam plaintiff's participation in the litigation notwithstanding the objections of the person initiating the action if the court determines that the original qui tam plaintiff's unrestricted participation during the course of the litigation would interfere with or unduly delay the prosecution of the case, or would be repetitious or irrelevant, or upon a showing by the defendant that the original qui tam plaintiff's unrestricted participation during the course of the litigation would be for purposes of harassment or would cause the defendant undue burden, the court may, in its discretion, impose limitations on the original qui tam plaintiff's participation in the case. Any determination made by the court pursuant to this subparagraph shall be made only after the court has provided such person an opportunity to be heard. Such limitations shall include, but not be limited to: (1) limiting the number of witnesses the qui tam plaintiff may call, (2) limiting the length of the testimony of such witnesses, (3) limiting the qui tam plaintiff's cross-examination of witnesses, or (4) otherwise limiting the participation by the qui tam plaintiff in the litigation.

c. The city may elect to concurrently pursue any other remedy available with respect to the criminal or civil prosecution of the presentation of false claims, including any administrative proceeding to determine a civil penalty.

d. The city may apply to the court for an order to restrict the discovery of the qui tam plaintiff notwithstanding the objections of the person initiating the action if the court determines that certain actions of discovery by such a person would interfere with the city's investigation or prosecution of a criminal or civil matter arising out of the same facts. Any determination made by the court pursuant to this paragraph shall be made only after the court has provided such person an opportunity to be heard.

6. Awards to qui tam plaintiff. a. If the corporation counsel elects to convert the qui tam civil action into a civil enforcement action pursuant to subdivision two of this section, then the person or persons who initiated the qui tam civil action collectively shall be entitled to receive between ten and twenty percent of the proceeds recovered in the action or in settlement of such action.

b. If the city intervenes in the qui tam civil action pursuant to subdivision two of this section, then the city and the person or persons who initiated the qui tam civil action collectively shall be entitled to receive between fifteen percent and twenty-five percent of the proceeds recovered in the action or settlement of such action.

c. If the city declines to take over the action pursuant to subdivision two of this section, then the person or persons who initiated the qui tam civil action collectively shall be entitled to receive between twenty-five and thirty percent of the proceeds recovered in the action or in settlement of such action.

d. The court shall determine the percentage of the proceeds to which a person commencing a qui tam civil action is entitled, taking into account all of the following factors:

(i) The extent to which the qui tam plaintiff initially contributed to the prosecution of the action, either in time, effort or finances;

(ii) Whether the action was based primarily on information provided by the person bringing the action; rather than information derived from public sources such as allegations or transactions in a criminal, civil or administrative hearing, in a legislative or administrative report, hearing, audit or investigation, or from the news media; and

(iii) The extent to which damage to the city could have been mitigated if the qui tam plaintiff's knowledge and information concerning the presentment of the false claim had been immediately brought to the attention of the appropriate authorities.

e. Any payment to a person pursuant to paragraph six of this section shall be made from the proceeds. A court award of costs, expenses or attorneys' fees shall be made pursuant to subdivision seven of this section and may be awarded separately and in addition to any payment made pursuant to this subdivision.

7. Costs, disbursements and attorneys' fees. In any action brought pursuant to this chapter, the court may award the corporation counsel on behalf of the people of the city and any person who is a party to a qui tam civil action, an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees, plus costs pursuant to article eighty-one of the civil practice law and rules. All such expenses, fees and costs shall be awarded directly against the defendant and shall not be charged from the proceeds, but shall only be awarded if the city or qui tam plaintiff prevails in the action.

8. Exclusion from recovery. If the court finds that the qui tam civil action was brought by a person who planned or initiated the violation of section 7-803 of this chapter upon which the action was brought, then the court may reduce the share of the proceeds of the action that the person who planned or initiated the action would otherwise receive under this section, taking into account the role of such person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the qui tam plaintiff is convicted of criminal conduct arising from his or her role in the violation of section 7-803 of this chapter, that person shall be dismissed from the qui tam civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the city to supersede or intervene in such action.

9. Certain actions barred. No person may bring an action pursuant to section 7-803 of this chapter:

a. Based upon one or more false or fraudulent claims with a cumulative value of less than one thousand dollars;

b. Based upon allegations or transactions which are the subject of a pending civil enforcement action or an administrative action in which the city is already a party;

c. Based upon public disclosure of allegations or transactions in a criminal, civil or administrative hearing, in a legislative or administrative report, hearing, audit or investigation, or upon allegations or transactions disclosed by the news media, unless the person who initiated the action is a primary source of the information;

d. Based upon information discovered by a present or former employee of the city or other state or federal governmental agency in the course of his or her employment, unless: (i) that employee first in good faith exhausted existing procedures for reporting and seeking recovery of such falsely claimed money or property through official channels or, if no such procedures exist, by reporting such information in writing to the head of the agency that had paid the false or fraudulent claims and stating that such information is being provided pursuant to this section, (ii) that employee thereafter reported such information in writing to the corporation counsel, stating that such information is being provided pursuant to this section, and (iii) the city failed to act on the information within a reasonable period of time, which shall be no less than six months after such information is reported to the corporation counsel;

e. If the agency or department has reached a binding settlement or other agreement with the person who submitted such false claims thereby resolving the matter, and such agreement has been approved by the corporation counsel;

f. If the person has been convicted of a criminal offense in connection with any false claim that is the subject of the action; or

g. Against a member of the city council, a borough president or a senior city official if the action is based on evidence or information known to the city when the action was brought.

10. The city shall not be liable for any expenses that any person incurs when a qui tam civil action is brought under this chapter.

§7-805. Remedies of employees. *1. Any employee of any private or public employer who is discharged, demoted, suspended, threatened, harassed or in any other manner discriminated against in the terms and conditions of employment by his or her employer because of lawful acts done by the employee on behalf of the employer or others in furtherance of an action brought under this section, including the investigation for, initiation of, testimony for, or assistance in, an action filed or to be filed under this section, shall be entitled to all relief necessary to make the employee whole. Such relief shall include but not be limited to: (i) an injunction to restrain continued discrimination, (ii) reinstatement to the position such employee would have had but for the discrimination or to an equivalent position, (iii) reinstatement of full fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees.*

2. An employee described in paragraph one of this section may bring an action in any court of competent jurisdiction for the relief provided in this section.

§7-806. Limitation of actions; burden of proof. *1. A civil action under section 7-804 of this chapter shall be commenced no later than the latest following date: (i) six years after the date on which the violation of section 7-803 is committed, or (ii) three years after the date when facts material to the right of action are known or reasonably should have been known by the city official or employee charged with responsibility to act in the circumstances, not to exceed ten years after the date on which the violation is committed. Notwithstanding any other provision of law, for the purposes of this chapter, an action under this chapter is commenced by the filing of the complaint in any court of competent jurisdiction.*

2. In any action brought under section 7-804 of this chapter, the city or the person or persons bringing the qui tam civil action shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

§7-807. Other law enforcement authority and duties. *This chapter shall not: (i) preempt the authority, or relieve the duty, of other law enforcement agencies to investigate and prosecute suspected violations of law, (ii) prevent or prohibit a person from voluntarily disclosing any information concerning a violation of this chapter to any law enforcement agency, or (iii) limit any of the powers granted elsewhere in this chapter and other laws to the city to investigate possible violations of this chapter and take actions against wrongdoers.*

§7-808. Regulations. *The corporation counsel is authorized to adopt such rules and regulations as is necessary to effectuate the purposes of this chapter.*

§3. Severability. If any provision of this act is adjudged by any court of competent jurisdiction to be invalid, such judgment will not affect, impair or invalidate the remainder thereof, but will be confined in its operation to the provision thereof directly involved in the controversy in which such judgment was rendered.

§4. This local law shall take effect ninety days after it shall have been enacted into law, and shall apply to claims filed or presented prior to, on or after such date.

Referred to the Committee on Governmental Operations.

L.U. No. 134

By Council Member Weprin:

Section 202 Supportive Housing Program for the Elderly Robert Moore Senior Housing, 147 Nostrand Ave., 7 Vernon Avenue, Brooklyn, Community District #3.

Adopted by the Council (preconsidered and approved by the Committee on Finance.)

1. **changing from an M1-2 District to an M1-2/R8 District property bounded by** Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street; and

2. **establishing a Special Mixed Use District (MX-2) within the area bounded** by Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street;

as shown on a diagram (for illustrative purposes only) dated March 24, 2004, and subject to the conditions of CEQR Declaration E-132.

CD 2 **C 010646 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-743(a)(2) of the Zoning Resolution **to allow the location of a proposed 16-story mixed use building without regard for the applicable yard, court and height and setback regulations, on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 010647 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-512 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 327 spaces on portions of the cellar floor, ground floor and second floor, and to allow floor space up to a height of 23 feet above curb level to be exempted from the definition of floor area as set forth in Section 1210 (DEFINITIONS), in a proposed 16-story mixed use building on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 030492 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (Use Regulations) to allow residential use (Use Group 2 uses) on the 2nd floor, 3rd floor and 4th floor of an existing 4-story building on a zoning lot located at 85 Water Street** (Block 26, Lots 33 and 38), in an M3-1 District, within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

NOTICE

On Wednesday, July 14, 2001, at 10:00 a.m., in Spector Hall at the Department of City Planning, 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an amendment to the zoning map to change an M1-2 zoning district to an M1-2/R8 (MX-2) zoning district, for the western portion of the block bounded by Water, Front, Dock and Main Streets in the DUMBO area of Community District 2, Brooklyn, as well as a Special Permit pursuant to Section 74-743 of the Zoning Resolution for bulk modifications in a General Large Scale Development, a Special Permit pursuant to Section 74-512 of the Zoning Resolution to permit the construction of a public parking garage in excess of 150 spaces and to allow a portion of the garage floor area to be exempted from the definition of floor area, and a Special Permit pursuant to Section 74-711 of the Zoning Resolution to allow use modifications for a building located within a Historic District.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 00DCP015K.

BOROUGH OF MANHATTAN

CD 3 **C 040314 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 59-61 East 4th Street (Block 460, Lot 56), 62-72 East 4th Street (Block 459, Lots 17-19, 21-22) and 19 East 3rd Street (Block 459, Lot 40), Sites 4 and 5 within the Cooper Square Urban Renewal Area, as an Urban Development Action Area;

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate the rehabilitation and disposition of six buildings and a vacant lot, tentatively known as the East 4th Street Cultural District, to preserve and promote the cultural activity of East 4th Street.

(On June 23, 2004, Cal. No. 5, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 8 **C 030284 MMM**

IN THE MATTER OF an application, submitted by Hudson Related Associates, LLC, pursuant to Sections 197-c and 199 of the New York City Charter and section 5-430 *et. seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of a southerly extension of Main Street;
- the elimination, discontinuance and closing of a portion of Main Street at the existing southerly terminus;
- adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

Community District 8, Borough of Manhattan, in accordance with Map No. 30212 dated March 4, 2004 and signed by the Borough President.

CD 11 **C 040443 ZMM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 6a and 6b:**

1. **eliminating from an existing R7-2 District a C1-4 District bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 100 feet westerly of Park Avenue;

2. **changing from an R7-2 District to a C4-7 District property bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 85 feet easterly of Madison Avenue; and

3. **changing from a C4-4 District to a C4-7 District property bounded by** East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, and a line 215 feet westerly of Park Avenue;

as shown on a diagram (for illustrative purposes only) dated May 10, 2004 and subject to the conditions of CEQR Declaration E-133.

(On June 23, 2004, Cal. No. 6, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 11 **C 040444 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-721(a) of the Zoning Resolution **to modify the height and setback regulations of Section 3343 (Maximum Height of Walls and Required Setbacks) and the tower regulations of Section 3345 (Tower Regulations) of the Zoning Resolution to facilitate the development of a 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY, the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

12-10
Definitions

* * *

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

(1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

(2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

(3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2,

R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:

The Borough of Staten Island

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#.

An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

Use Regulations

* * *

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

23-00
APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44 Authorizations or Permits in Lower Density Growth Management Areas
12-10 (DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43 (Detached and Semi-Detached Two-Family Residences)
23-141 (Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32 (Minimum Lot Area or Lot Width for Residences)
23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461 (Side yards for single-or two-family residences)
23-462 (Side yards for all other residential buildings)
23-533 (Required rear yard equivalents)
23-541 (Within 100 feet of corners)
23-542 (Along short dimension of block)
23-544 (For portions of through lots)
23-631 (Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711 (Standard minimum distance between buildings)
23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22 (Requirements Where Individual parking Facilities Are Provided)
25-23 (Requirements Where Group parking Facilities Are Provided)
25-621 (Location of parking spaces in certain districts)
25-622 (Location of parking spaces in lower density growth management areas)
25-631 (Location and width of curb cuts in certain districts)
25-632 (Driveway and curb cut regulations in lower density growth management areas)
25-64 (Restrictions on Use of Open Space for Parking)
25-66 (Screening)
26-30 (SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40 (STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702 (Applicability of lower density growth management area regulations)
119-05 (Applicability of Parking Location Regulations)
119-214 (Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In R1, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50~~*~~
R4A R4-1	governed by #yard# requirements		.75~~*~~
R2X	governed by #yard# requirements		.85~~*~~
R3-1			
R3-2~~**~~	35	65	.50~~*~~
R4~~**~~	45	55	.75~~*~~
R4B	55	45	.90
R5~~**~~	55	45	1.25
R5B	55	45	1.35

~~* the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

~~** The permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or #two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required,provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in

any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total With# (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-2 R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10
In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1 within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;

"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (f) shall apply to any #zoning lot# with a #building# located behind another #building# so that lines drawn perpendicular to the #street line# intersect both such #buildings#, and where the #private road# provisions do not apply. For the purposes of this paragraph, a "front building" shall be any #building# with no #building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any rear building and any front building.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (b), shall apply to any #zoning lot# not accessed by #private roads# where a #residential building# is located wholly beyond 50 feet of a #street line# and behind another #residential building# fronting upon the same #street line# so that lines drawn perpendicular to the #street line# intersect both such #buildings#. For the purposes of this paragraph, a "front building" shall be any #building# with no #building#located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

* * *

Chapter 5
Accessory Off-Street Parking and Loading Regulations

* * *

25-20
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES

* * *

25-22
Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In the districts indicated, within #lower density growth management areas#, where #group parking

facilities are not provided, two #accessory# off-street parking spaces shall be provided for each#single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE
GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total #Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, two #accessory# off-street parking spaces shall be provided for each #single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

The provisions of this Section shall apply within all #lower density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(c) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64
Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied bydriveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.

In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~; (2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

* * *

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or

(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or

(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30.(SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS , and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high

within three years.

26-32
Minimum Distance Between Walls and Lot Lines

For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.
No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and
(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20feet of being opposite to one another, and
(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening

All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

* * *

Article X - Special Purpose Districts

* * *

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts
Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback
Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet~~. Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage~~. These trees shall be planted in accordance with the requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one #story# or two #story detached residence#, existing prior to September 9, 1999, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~
~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~

107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space). ~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:

(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required#open space# not within the #designated open space#;
(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#;
(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#

However, in all districts, a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their

common #lot lines#.

As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~107-465~~
~~Rear yards~~

~~In all underlying districts, except R1 Districts, for permitted #single# or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 feet rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts
Chapter 9
Special Hillsides Preservation District

* * *

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, July 28, 2004. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing 2700 Broadway LLC to construct, maintain and use an underground structure under the north sidewalk of West 103rd Street, east of Broadway, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $11,744/per annum.

For the period July 1, 2005 to June 30, 2006 - $12,034
For the period July 1, 2005 to June 30, 2006 - $12,324
For the period July 1, 2006 to June 30, 2007 - $12,614
For the period July 1, 2007 to June 30, 2008 - $12,904
For the period July 1, 2008 to June 30, 2009 - $13,194
For the period July 1, 2009 to June 30, 2010 - $13,484
For the period July 1, 2010 to June 30, 2011 - $13,774
For the period July 1, 2011 to June 30, 2012 - $14,064
For the period July 1, 2012 to June 30, 2013 - $14,354
For the period July 1, 2013 to June 30, 2014 - $14,644
For the period July 1, 2014 to June 30, 2015 - $14,934

the maintenance of a security deposit in the sum of $14,950, and the filing of an insurance policy in the minimum amount of $1,250,000/$5,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $1,000,000.

#2 In the matter of a proposed revocable consent authorizing East 76th Street, LLC to install, maintain and use planter on the north sidewalk of East 76th Street, between first and York Avenues, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2015 - $25/per annum.

the maintenance of a security deposit in the sum of $200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#3 In the matter of a proposed revocable consent authorizing The American Jewish Committee to install, maintain and use planters on the north sidewalk of West 56th Street, west of Third Avenue and on the west sidewalk of Third Avenue, north of East 56th Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2004 to June 30, 2014, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2014 - $444/per annum.

the maintenance of a security deposit in the sum of $1,800, and the filing of an insurance policy in the minimum amount of $1,000,000/$250,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#4 In the matter of a proposed revocable consent authorizing ExxonMobile Oil Corporation to continue to maintain and use conduits, together with cleanouts and pull boxes, in Van Dam Street, Nassau Avenue, Varick Street, Meeker Avenue, Bridgewater Street and Garden Avenue, and recovery well "G" in Meeker Avenue, east of Gardner Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $24,295
For the period July 1, 2005 to June 30, 2006 - $24,881
For the period July 1, 2006 to June 30, 2007 - $25,467
For the period July 1, 2007 to June 30, 2008 - $26,053
For the period July 1, 2008 to June 30, 2009 - $26,639
For the period July 1, 2009 to June 30, 2010 - $27,225
For the period July 1, 2010 to June 30, 2011 - $27,811
For the period July 1, 2011 to June 30, 2012 - $28,397
For the period July 1, 2012 to June 30, 2013 - $28,983
For the period July 1, 2013 to June 30, 2014 - $29,569
For the period July 1, 2014 to June 30, 2015 - $30,155

the maintenance of a security deposit in the sum of $30,200, and the filing of an insurance policy in the minimum amount of $500,000/$2,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $200,000.

DIVISION OF REAL ESTATE SERVICES

■ AUCTION

DIVISION OF REAL ESTATE SERVICES PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction.

In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on April 28, 2004 and May 12, 2004 at 22 Reade Street, in the Borough of Manhattan.

These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated March 8, 2004. The mortgage interest rate is set at 6%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.

They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on August 4, 2004.

Brochures for this sale are available at 1 Centre Street, 19th Floor North, New York, New York 10007, or by calling (212) 669-8888. Brochures are also available on the DCAS website at nyc.gov/dcas.

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit www.nycedc.com/BTMRCrfp or call (212) 312-3969.

■ **SOLICITATIONS**

Services

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit www.nycedc.com/BTMRCrfp or call (212) 312-3969.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

ST. GEORGE FERRY TERMINAL TILE AND TERRAZZO AND SITE IMPROVEMENTS – Public Bid – PIN# 11490019 AND 11490021 – DUE 08-05-04 AT 11:00 A.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the phased rehabilitation of the St. George Ferry Terminal located on Staten Island. This Project is in progress and the existing Terminal building is being completely rehabilitated.

Construction has been planned and is being performed in phases to ensure that the ferry operations continue safely, without interruption throughout the construction period. This multi-million project will be completed in December of 2004.

The estimated total construction cost of the project is approximately $80 to $90 million and is funded by New York State, New York City, and the US DOT FTA. At the present time, Invitations to Bid are being made for two (2) contract packages:

(1) EDC Contract 11490019: Tile and Terrazzo
Work includes: Wall Tile, Composite Stone Floor Tile, Poured Epoxy Terrazzo (3800 sq. ft.), Gypsum Boad Assemblies, Expansion Joint covers. Work associated with these areas, e.g. Grout, is also included.
(2) EDC Contract 11490021: Site Improvements
Work includes: Limited Site Demolition (Sidewalk and Curb), Milling (limited), Drainage and Dewatering (limited), Portland Cement Steel-Faced Curbs, Grout, Concrete and Asphaltic Concrete Sidewalks and Driveways, Concrete and Asphalt Unit Pavers, Fences and Gates, Steel Pipe Bollards, Site Furnishings, Exterior Plants, Signage and Wayfinding, Double Cantilever Sign Structure, Ornamental Handrails and Railings, Ornamental Metal Work. Work associated with these areas is also included.

11% DBE participation is required. The successful bidder will be required to provide a Payment and Performance Bond and a 10% Proposal (Bid) Bond.

Bid Packages can be obtained as of July 6th 2004, by sending a written request to the Site Office of EDC, located at 1 Richmond Terrace, Staten Island, NY 10301, attention of Mr. Tarek Hatab, Fax Number (718) 981-9948. Each interested Bidder will pay for shipping only of the Bid package(s). Please provide FedEx/UPS/other account number for shipment charge. When requesting this package, please refer to the respective contract numbers.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

QUEENS FAMILY COURTHOUSE – RFP – DUE 09-14-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for the sale and redevelopment of the approximately 1.75-acre former Queens Family Courthouse in Jamaica (the "Site") as a high-quality, mixed-use development. This RFP is intended to reinforce a standard of quality development in Jamaica. The Site is located in the heart of Downtown Jamaica, bounded by 89th Avenue to the north and Parsons Boulevard to the east.

Prospective developers should address several important goals, including:

- Maintain the original courthouse exterior;
- Address local housing demand;
- Help stabilize the Jamaica Avenue retail market by enhancing the surrounding residential community;
- Address commercial/neighborhood retail needs in the area;
- Address community- or cultural-use needs; and
- Serve as a clear example of high-quality, sustainable design and construction that will raise the standard for private investment in Jamaica.

A question-and-answer session to discuss the Site, followed by a site visit, will be held on July 20 at 9:30 a.m.; to attend, call (212) 312-3871 on or before July 16, 2004. Interested parties are strongly encouraged to attend the informational meeting.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 28, 2004 from NYCEDC. The RFP may be picked up at the office of NYCEDC located at 110 William Street, New York, NY, 6th Floor between the hours of 9:30 a.m. and 4:30 p.m. For more information, or to request an electronic version of the RFP, visit www.nycedc.com/QFCrfp or call (212) 312-3969. Five (5) copies of the proposal identified by "Queens Family Courthouse" on the envelope are to be submitted.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation
Contract Administration, 110 William Street, 6th Floor

DISTRIBUTION ANCILLARY WATER MAIN WORK WITHIN THE NEW YORK BOTANICAL GARDENS AREA – Sole Source – Available only from a single source - PIN# 82604BOTGRDN – DUE 07-19-04 AT 4:00 P.M. – DEP, Bureau of Water and Sewer Operations, intends to enter into an Agreement with The New York Botanical Garden for Distribution/Ancillary Water main work within the New York Botanical Gardens Area. This contract will allow the New York Botanical Gardens to install an 8" water main and pump station to provide adequate fire protection throughout the grounds of the Gardens. This determination was made because the Botanical Gardens is the only entity that has the unique knowledge and experience to perform the work in a manner that will preserve and protect the Garden's rare flora and fauna and prevent possible damage to the historic displays and rare plant collections that abound in and around the work area. It is absolutely imperative that NYBG conduct this work. Any firm which believes it can also provide the required service is invited to do so, is indicated by letter, which must be received no later than July 19, 2004, at: Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Boulevard, 17th Floor, Flushing, New York 11373. Ms. Debra Butlien (718) 595-3423.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ SOLICITATIONS

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of

Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.
Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement
33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

VENDOR LISTS

Goods & Services

SUMMER FOOD SERVICE PROGRAM – Addition: The Program was established to ensure that children (ages 6-18) can be provided with healthy, well balanced meals during their school vacations. Snacks and lunch will be available to all children meeting the age requirements in each development. Each serving must be nutritious, well balanced, and appetizing they must also meet the necessary meal pattern requirements. Meals are served according to the Department of Health Guidelines therefore the program will begin July 7, 2004 and end August 27, 2004. Locations serving an AM Snack will begin 9:30 a.m. - 10:30 a.m. (snack) and 12:30 p.m. - 1:30 p.m. (lunch). Locations serving a PM Snack will begin 11:30 a.m. - 12:30 p.m. (lunch) and 2:30 p.m. - 3:30 p.m. (Snack). We are looking forward to serving approximately 223,080 meals citywide throughout the 78 New York City Housing Authority Summer Developments. "In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basic of race, color, national origin, sex, age, or disability.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W Whitten Building, 1400 Independence Avenue, S.W. Washington, DC 20250-9410 or call (202) 720-5964 (voice and TDD).

Name, Description and Location of Proposal:

Rego Park Mall Expansion

The applicant, Alexanders of Rego II, Inc., is seeking the following actions in connection with the proposed expansion of the Rego Park Mall on a 226,737 square foot site (the project site) in the Rego Park neighborhood of Queens Community District 6:

- A text amendment to Zoning Resolution (ZR) Section 74-93 (Special Commercial Developments in Commercial Districts) to allow its text to apply to mixed-use, commercial and residential development;
- An amendment of a Restrictive Declaration which limits development of the project site, which is located in a C4-2F zoning district, to residential uses pursuant to R7-1 zoning district regulations. The proposed amendment would allow the project site to be developed by special permit pursuant to ZR Section 74-93 in accordance with C4-2F zoning district regulations that would otherwise apply;
- A text amendment to ZR Section 74-93 to allow height and setback modifications by special permit;
- A text amendment to ZR Section 74-93 to allow it to apply to the modification of signage regulations by special permit to appropriately integrate signage into the proposed development;
- A text amendment to ZR Section 74-93 to allow by special permit a reduction of the parking requirement for retail uses, by an amount not to exceed 50 percent; and
- A special permit pursuant to the proposed modified special permit text of ZR Section 74-93, allowing construction of a bridge over 62nd Drive; height and setback modifications along Junction Boulevard and 62nd Drive to accommodate the proposed residential towers; signage modifications to appropriately integrate signage into the proposed development; and modification of parking requirements for the proposed retail uses.

The project site is located at 62-01 - 62-27 Junction Boulevard (Block 2080, Lot 101) in a C4-2F zoning district and is adjacent to the existing Rego Park Mall. The project site is subject to a restrictive declaration that permits only residential development allowable in an R7-1 zoning district despite the underlying C4-2F zoning. The site is bounded by the Long Island Expressway service road to the north, 62nd Drive to the south, Junction Boulevard to the west and 97th Street to the east. The project site is currently developed with a 300 space parking lot.

The proposed action would facilitate a proposal by the applicant to redevelop the subject property with a two-tower 1,182,467 square-foot mixed-use building. One tower would contain 300 dwelling units and the second 150 dwelling units (occupying a total of 427,500 square feet of floor area); 544,976 square feet of retail use; 1,222 public parking spaces located in five levels; 315 accessory parking spaces in the basement level of the parking garage; and 23,400 square feet of publicly assessable indoor and outdoor open space. A two-level vehicular and pedestrian bridge across 63nd Drive would link the second and third floors of the proposed project to the existing Rego Park Mall. Pedestrian bridges within the proposed development would connect the proposed parking garage and the retail use. Construction is expected to be completed in 2009.

Without the proposed action the applicant has stated that the subject property would be redeveloped as-of-right in accordance with the provisions of the existing Restrictive Declaration. The as-of right development would contain 900 dwelling units and 540 accessory parking spaces.

Statement of Significant Effect:

On behalf of the City Planning Commission, the Environmental Assessment and Review Division has determined, pursuant to 6 NYCRR Part 617.7, that the proposed action may have a significant effect on the quality of the environment as detailed in the following environmental impacts, and that an environmental impact statement will be required:

1. The action, as proposed, may result in significant adverse impacts related to land use, zoning, and public policy in the vicinity of the affected area.
2. The action, as proposed, may result in significant adverse impacts on socioeconomic conditions in the vicinity of the affected area.
3. The action, as proposed, may result in significant adverse impacts on publicly accessible open space facilities in the vicinity of the affected area.
4. The action, as proposed, may result in significant adverse shadow impacts in the vicinity of the affected area.
5. The action, as proposed, may result in significant

adverse impacts on historic resources (architectural and archaeological resources) in the affected area.

6. The action, as proposed, may result in significant adverse impacts on urban design and visual resources in the vicinity of the affected area.

7. The action, as proposed, may result in significant adverse impacts on neighborhood character in the vicinity of the affected area.

8. The action, as proposed, may result in significant adverse hazardous materials impacts in the affected area.

9. The action, as proposed, may result in significant adverse impacts to traffic and parking conditions in the vicinity of the affected area.

10. The action, as proposed, may result in significant adverse impacts on transit services and pedestrian flows in the vicinity of the affected area.

11. The action, as proposed, may result in significant adverse impacts to air quality in the vicinity of the affected area.

12. The action, as proposed, may result in significant adverse noise impacts in the vicinity of the affected area.

13. The action, as proposed, may result in significant adverse construction-related impacts.

14. The action, as proposed, may result in significant adverse public health impacts in the vicinity of the affected area.

Supporting Statement:

The above determination is based on an Environmental Assessment Statement prepared for the actions which finds that:

1. The proposed actions raise issues concerning compatibility with surrounding land uses and zoning in the Rego Park area, as well as consistency with long-term plans for the area.

2. The proposed actions would result in the development of a large retail facility, which could substantially affect socioeconomic conditions.

3. The proposed project would bring new shoppers, workers, and visitors to the area, potentially placing additional demands on available open space resources.

4. The proposed project would have the potential to cast new shadows on the Lost Battalion Park located west of the site and on any nearby light sensitive historic resources.

5. The project site could contain potential prehistoric archaeological resources. The project site may be located in proximity to a number of known architectural resources. Construction of the proposed project could result in impacts to these resources.

6. The proposed project would change the appearance of the project site by replacing a parking lot with a large retail development, a large parking garage, and a residential development. Therefore, the proposed project may affect the urban design character and visual resources of the project site and surrounding area.

7. The potential effects of the proposed actions on urban design, noise, traffic, socioeconomic conditions, and historic resources could alter the existing neighborhood character of the Rego Park area, resulting in significant impacts.

8. The proposed project would result in demolition and construction on the project site which could potentially expose construction workers and the public to hazardous materials.

9. The proposed project would attract new users to the project site, increasing vehicular traffic and increasing the demands for parking in the neighborhood, which could affect street and roadway conditions and parking facilities in the vicinity of the affected area.

10. The proposed project would attract new users to the project site, potentially resulting in a significant impact on public transportation facilities and services and on pedestrian flows in the vicinity of the affected area.

11. The proposed project could potentially impact the air quality in the vicinity of the project due to increased vehicular traffic and the proposed parking facility. In addition, the proposed project's HVAC system could significantly affect buildings in the surrounding area.

12. The proposed project would increase the volume of traffic in the area, which could result in additional traffic noise in the area. The proposed project's mechanical systems could significantly increase the noise levels in the surrounding area. In addition, the proposed project would introduce additional residential users to the area who could be significantly impacted by noise stationary or mobile noise sources.

13. The proposed project would result in new development that would involve demolition and construction activities which may result in construction-related impacts.

14. The proposed project could potentially result in public health concerns.

Public Scoping:

A public scoping meeting has been scheduled for Tuesday, August 10, 2004 at 10:00 AM at City of New York Department of City Planning, Spector Hall, 22 Reade Street, New York, New York, 10007. Written comments will be accepted by the lead agency through the tenth day following the scoping meeting.

This determination has been prepared in accordance with Article 8 of the Environmental Conservation Law.

The CEQR lead agency hereby requests that the applicant prepare or have prepared at their option, a Draft Environmental Impact Statement in accordance with 6 NYCRR 617.9(b) and Sections 6-08 and 6-12 of Executive Order No. 91 of 1977 as amended (City Environmental Quality Review).

Should you have any questions pertaining to this Positive Declaration, you may contact Katherine Bucke, the project manager, at (212) 720-3493.

☛ jy9

A SCOPING MEETING
DRAFT ENVIRONMENTAL IMPACT STATEMENT
(CEQR No.04DCP040Q)

Notice is hereby given that pursuant to Section 5-07 of the Rules of Procedure for Environmental Review (CEQR) and 6 NYCRR 617.8 (State Environmental Quality Review) that the New York City Department of City Planning, acting on behalf of the City Planning Commission as CEQR lead agency, has determined that a draft environmental impact statement is to be prepared. The applicant, Alexanders of Rego II, Inc., is seeking the following actions in connection with a proposal to redevelop a 276,737 square foot site (the project site) in the Rego Park neighborhood of Queens Community District 6:

- An amendment of a Restrictive Declaration which limits development of the project site, which is located in a C4-2F zoning district, to residential uses pursuant to R7-1 zoning district regulations. The proposed amendment would allow the project site to be developed by special permit pursuant to ZR Section 74-93 in accordance with C4-2F zoning district regulations that would otherwise apply;

- A text amendment to Zoning Resolution (ZR) Section 74-93 (Special Commercial Developments in Commercial Districts) to allow its text to apply to mixed-use, commercial and residential development;

- A text amendment to ZR Section 74-93 to allow height and setback modifications by special permit;

- A text amendment to ZR Section 74-93 to allow it to apply to the modification of signage regulations by special permit to appropriately integrate signage into the proposed development;

- A text amendment to ZR Section 74-93 to allow by special permit a reduction of the parking requirement for retail uses, by an amount not to exceed 50 percent; and

- A special permit pursuant to the proposed modified special permit text of ZR Section 74-93, allowing construction of a bridge over 62nd Drive; height and setback modifications along Junction Boulevard and 62nd Drive to accommodate the proposed residential tower; signage modifications to appropriately integrate signage into the proposed development; and modification of parking requirements for the proposed retail uses.

The project site is located at 62-01 - 62-27 Junction Boulevard (Block 2080, Lot 101) in a C4-2F zoning district and is adjacent to the existing Rego Park Mall. The project site is subject to a restrictive declaration that permits only residential development allowable in an R7-1 zoning district despite the underlying C4-2F zoning. The site is bounded by the Long Island Expressway service road to the north, 62nd Drive to the south, Junction Boulevard to the west and 97th Street to the east. The project site is currently developed with a 300 space parking lot.

The proposed action would facilitate a proposal by the applicant to redevelop the subject property with a two-tower 1199,856 square-foot mixed-use building. One tower would contain 300 dwelling units and the second 150 dwelling units (occupying a total of 427,500 square feet of floor area); 544,967 square feet of retail use; 1,222 public parking spaces located in five levels; 315 accessory parking spaces in the basement level of the parking garage; and 23,4000 square feet of publicly assessable indoor and outdoor open space. Construction is expected to be completed in 2009.

Without the proposed action the applicant has stated that the subject property would be redeveloped as-of-right in accordance with the provisions of the existing Restrictive Declaration. The as-of right development would contain 900 dwelling units.

Public comments are requested with respect to issues to be addressed in the draft Environmental Impact Statement Scope of Work.

A public scoping meeting has been scheduled for Tuesday, August 10, 2004 at 10:00 AM at the City of New York Department of City Planning, Spector Hall, 22 Reade Street, New York, New York 10007. Written comments will be accepted by the lead agency through the tenth day following the scoping meeting.

Copies of the Draft Scope of Work and the Environmental Assessment Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038, Robert Kulikowski, Ph.D., Director (212) 788-2937.

ECONOMIC DEVELOPMENT CORPORATION

■ NOTICE

NEGATIVE DECLARATION
For
BRICKTOWN CENTER AT CHARLESTON

Office of the Deputy Mayor for Economic Development and Rebuilding

NOTICE IS HEREBY GIVEN THAT, the Office of the Deputy Mayor for Economic Development and Rebuilding has reviewed information about the project contained in an Environmental Assessment Statement dated June 25, 2004 pursuant to Article 8 of the New York State Environmental Conservation Law and 6NYCRR, Part 617.7, and has determined that the project will not have a significant adverse impact on the environment.

The Project site is located in the Charleston area of Staten Island, New York, bounded by Veterans Road West to the south and east, on portions of 18 tax blocks 7364, 7368, 7369, 7370, 7374, 7375, 7440, 7441, 7442, 7446, 7447, 7448, 7452, 7453, 7454, 7469, 7481, and 7487.

After the conclusion of the 2002 Bricktown Centre at Charleston Final Environmental Impact Statement (FEIS), but prior to any construction activities, population of Torrey's mountainmint *(Pycnanthemum torrei)*, an endangered perennial herbaceous forb, and a large population of blunt spikerush *(Eleocharis obtuse var. ovata)*, a rare annual in New York State, were identified adjacent to the southern portion of the project site. To protect the Torrey's mountainmint and blunt spikerush, the applicant proposes to modify the site plan for the previously approved project (CEQR NO. 96DME001R). The modification involves creation of a preservation area west of Tyrellan Avenue along the north side of Veterans Road West, where the Torrey's mountainmint and blunt spikerush are located.

Additional blunt spikerush, as well as three individual short-leaf pine *(Pinus echinata)*, a rare species in New York State, several fringed boneset *(Eupatorium hyssopifolium var. lacinuatum)*, a threatened species in New York State, and one population of pink wild bean *(Strophostyles umbellate)*, an historical species in New York State, were identified on the project site. As part of the proposed action, these individuals would be collected from the site and transferred to the New York City Department of Parks and Recreation's Native Plant Center for use as parental stock and propagation and/or trans-location to the 20-acre NYCDPR nature preserve located adjacent to the project site (immediately northeast of the project site and south of the unpaved portion of Englewood Avenue and west of Veterans Road West).

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of

physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272 or (212) 863-8266.

The Department of Housing Preservation and Development has received an application for a certification that during the inquiry period noted for the premises above, that no harassment has occurred at such premises in the form of threats, use of physical force, deprivation of essential services such as heat, water, gas or electric, or by any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy. Upon the issuance of a Certificate, an owner can legally convert the premises to non-single room occupancy use.

Comments as to whether harassment has occurred at the premises should be submitted to the Housing Litigation Division, SRO Anti-Harassment Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call **(212) 863-8272 or (212) 863- 8266.**

HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC NOTICE

CORRECTED PUBLIC NOTICE

URBAN RENEWAL PROJECT

Pursuant to Article 15 of the General Municipal Law ("GML") and Section 1804 of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the acquisition of certain real property in the 5th Amended Crown Heights Urban Renewal Area ("Area") through condemnation proceedings.

The Area consists of certain property located in the Borough of Brooklyn, City and State of New York, and generally bounded by Pacific and Atlantic Avenues on the north, Ralph, Rochester, East New York and Utica Avenues on the east, Clarkson and Parkway Avenue south, and Flatbush, Washington and Ocean Avenues and Plaza Street on the west. The 5th Amended Crown Heights Urban Renewal Plan ("Plan") for the redevelopment of the Area provides for the acquisition of certain real property in the Area known as:

Block	Lot(s)
1356	46, 47, 48

on the Tax Map of the City, together with the beds of any streets in the Area ("Acquisition Parcels"). The acquisition of the Acquisition Parcels by the City is necessary to carry out a program of renewal in the Area, as is more particularly described in the Plan.

The Plan is available for public examination at the office of HPD, 100 Gold Street, Room 5M, New York, New York during its regular hours on weekdays from 9:00 a.m. to 5:00 p.m.

PLEASE TAKE NOTICE that a public hearing will be held on August 11, 2004 at the 2nd floor Conference Room, 22 Reade Street, Manhattan at 10:00 a.m., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed acquisition of the Acquisition Parcels pursuant to Section 506 of the GML and Section 1804 of the Charter.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

Excused: Council Member Recchia Jr.

The presence of a quorum was announced by The Public Advocate (Ms. Gotbaum).

INVOCATION

The Invocation was delivered by Reverend Henrietta Carter, Mariner's Temple Baptist Church, 3 Henry Street, New York.

Lord, in not every country is liberty available, in not every land does freedom ring, in not every city does a Council of Legislators sit, therefore we pause on this day to acknowledge your blessings upon this city council, and the people they represent.

We invoke your presence within these hallowed walls, and call to your remembrance the leaders of this council. We pray that Your Spirit of Wisdom, Knowledge and Understanding rest upon them. No one knows better than you how the peace and justice of our city depend on those who lead. Meet each member of this City Council at their point of need, give each the power and conviction of his/her calling that each may fulfill the high purpose of their seat on this council. Fill these halls with your presence. We ask these blessing with humbled hearts and gratitude for your presence. In The Name of the One who sustains us all, Amen.

Council Member Gerson moved to spread the Invocation in full upon the Record.

ADOPTION OF MINUTES

Council Member Jackson moved that the Minutes of the Stated Meeting of April 1, 2004 be adopted as printed.

MESSAGES & PAPERS FROM THE MAYOR

M-99

Communication from the Mayor - Mayors veto and disapproval message of Introductory Number 179, in relation to littering to include all premises in the citywide routing system.

April 26, 2004

Honorable Victor L. Robles
City Clerk and Clerk of the Council
Municipal Building, 2nd Floor
New York, NY 10007

Dear Mr. Robles:

Transmitted herewith is the bill disapproved by the Mayor. The bill is as follows:

Introductory Number 179

A Local Law to amend the administrative code of the city of New York, in relation littering to include all premises in the citywide routing system.

Sincerely,

Karen Meara

(The following in the text of the Mayor's Veto Message:)

April 26, 2004

Hon. Victor L. Robles
City Clerk and Clerk of the Council
Municipal Building
New York, New York 10007

Dear Mr. Robles:

Pursuant to Section 37 of the New York City Charter, I hereby disapprove Introductory Number 179, in relation to littering to include all property in the citywide routing system.

I disapprove Introductory Number 179 because it is costly, interferes with the operations of the Sanitation department, puts an unfair burden on homeowners and will result in dirtier streets. The Council's proposal restricts the authority of the Department of Sanitation to issue summonses for dirty sidewalks adjacent to residential property to "predetermined periods of a total of no more than two hours each day," with the possibility of "an additional predetermined period of one hour per day."

While a routing system for enforcement of dirty sidewalk violations may work well for commercial property, such a system will not work when applied to residential property. I oppose Introductory Number 179's expansion of enforcement routing to residential property for several reasons.

Extending the routing system to residential property would place an unfair burden on residential property owners. Many residents of one-, two- and three-family homes work during regular business hours and therefore would be unable to monitor their property during the designated enforcement periods. Even if a routing schedule were developed to accommodate residents working during typical business hours, such a schedule would fail to accommodate the many New Yorkers, such as nurses, doctors and police officers, that work non-conventional hours. Small multiple dwellings (unlike large apartment buildings) do not always have staff to clean sidewalks and therefore might be unable to keep their sidewalks clean during the designated enforcement periods. Commercial properties, on the other hand, have the personnel on site during business hours to comply with enforcement routing and, additionally, if located in a business improvement district, benefit from supplemental cleaning services provided by the

For these reasons, Introductory Number 179 is hereby disapproved.

Sincerely,

Michael Bloomberg
Mayor

Referred to the Committee on Sanitation and Solid Waste Management.

M-100

Communication from the Mayor – Submitting report reviewing the community district map, pursuant to section 2702 of the Charter.

(For text, please refer to the City Hall Library at 31 Chambers Street, Suite 112, New York, N.Y. 10007.)

Referred to the Committee on Finance.

LAND USE CALL UPS

M-110

By Council Member Perkins:

Pursuant to Rule 11.20(b) of the Council and Section 20-226(g) of the New York City Administrative Code, the Council resolves that the action of the Department of Transportation approving an enclosed sidewalk café located at 161 Lenox Avenue, Borough of Manhattan, Council District no. 9, shall be subject to review by the Council. (Application no. 20045468 TCM.)

Coupled on Call Up Vote.

Land Use Call Up Vote

The Public Advocate (Ms. Gotbaum) put the question whether the Council would agree with and adopt such motion which was decided in the **affirmative** by the following vote:

Affirmative – Addabbo, Avella, Baez, Barron, Boyland, Brewer, Clarke, Comrie, DeBlasio, Dilan, Felder, Fidler, Foster, Gallagher, Gennaro, Gentile, Gerson, Gioia, Gonzalez, Jackson, James, Jennings., Katz, Koppell, Lanza, Liu, Lopez, Martinez, McMahon, Monserrate, Moskowitz, Nelson, Palma, Perkins, Provenzano, Quinn, Reed, Reyna, Sanders., Seabrook, Sears, Serrano, Stewart, Vallone Jr., Vann, Weprin, Yassky, Oddo, Rivera and the Speaker (Council Member Miller) – **50**.

At this point, the Public Advocate (Ms. Gotbaum) stated that the aforementioned item was adopted and referred to the Committee on Land Use and to the appropriate Land Use subcommittee.

Report for Int. No. 143-A

Report of the Committee on Consumer Affairs in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to rates for arterial towers.

The Committee on Consumer Affairs to which was referred on February 4, 2004 (Minutes, page 621) the annexed amended proposed local law respectfully

REPORTS:

Introduction

On May 3, 2004, the Committee on Consumer Affairs, chaired by Council Member Philip Reed, will conduct its second hearing on Proposed Introductory Bill Number ("Pro. Int. No.") 143-A, a proposal to amend the administrative code, in relation to altering the rates charged by tow companies for the removal of disabled motor vehicles from arterial roadways. The Committee will also conduct a second hearing on Int. No. 138, a proposal to amend the administrative code, in relation to the expiration of licenses and license plates for tow trucks and tow truck drivers.

Background

Under subchapter thirty-one of chapter 2 of Title 20 of the Administrative Code, the Department of Consumer Affairs is responsible for the licensing and regulation of the towing industry. Much of this legislation found its genesis in Local Law 28 of 1987, which was enacted by the Council in order to address several predominant concerns that: (i) consumers needed to be protected from "over-reaching by certain members of the towing industry," and (ii) members of the public were at risk from the "reckless conduct" of members of the towing industry that threatened life and property.[1]

Specifically, Local Law 28 of 1987 attempted to preclude private tow trucks from engaging in reckless driving on city streets while traveling to accident scenes. Prior to the enactment of this law, some tow truck operators who became aware of accidents by monitoring police-band radios would drive, often at dangerous speeds and in violation of other traffic laws, to accident scenes in an effort to obtain new business. According to published reports, the New York State Department of Motor Vehicles linked tow trucks to "seven deaths, approximately 800 injuries, more than 350 incidents of reported property damage and 1,200 collisions" between 1983 and 1986.[2] This practice was publicly described by former Mayor Edward I. Koch as "chasing." Local Law 28 of 1987 mandated, among other things, that tow trucks be assigned to accidents in rotation from Police Department lists and that tow truck operators refrain from using police band radios.[3]

In addition to enacting legislation designed to enhance both the towing industry and consumer and public safety, the Council recognized that "the regulation of the towing industry is a more appropriate function for the department of consumer affairs than the police department."[4] Consequently, DCA, in conjunction with the Police Department, was then charged with administering the Directed Accident Response Program ("DARP") and the Rotation Tow Program ("ROTOW"). DARP is a program that was established to remove vehicles that have been involved in an accident and cannot be safely driven under their own power. ROTOW was created to remove stolen and other abandoned vehicles that have been discarded on City streets. Both of these programs have been subjected to changes as recently as December 2001, when Local Law 72 of 2001, which increased the towing, storage and mileage fees collected by tow operators who remove vehicles under the DARP and ROTOW programs, was enacted.[5]

PROVISIONS OF PRO. INT. NO. 143-A

Pro. Int. No. 143-A would create a new section 20-509.1 of the administrative code, which would establish the rates for tow truck operators who hold permits to tow disabled vehicles from New York City's arterial roadways. These operators, referred to as arterial tow permittees, are currently restricted to charging a maximum of fifty dollars for the first mile and four dollars for each additional mile per towed passenger vehicle.[6] Moreover, arterial tow permittees, unlike the tow operators in the aforementioned DARP and ROTOW programs, did not receive the rate increase authorized by Local Law 72 of 2001. Pro. Int. No. 143-A would authorize arterial tow permittees to charge seventy dollars for the first mile and four dollars for each additional mile for the towing of disabled passenger vehicles. It would not affect the current rates of storage or the towing of non-passenger vehicles.

Effective Date/Applicability

Pro. Int. No. 143-A would take effect ninety days after its enactment into law.

Provisions of int. no. 138

for the Lower Ma———————————

[1] Local Law 28 of 1987, Legislative Intent and Findings.
[2] Merle English, "Tow-Truck Backlash Gets in High Gear," Newsday (April 6, 1987).
[3] William Murphy, "Koch Signs Tow Truck Legislation," Newsday (June 10, 1987).
[4] Local Law 28 of 1987, Legislative Intent and Findings.
[5] Details of the DARP program may be found at NYC Admin. Code § 20-518 and details regarding the ROTOW program may be found at NYC Admin. Code § 20-519.
[6] See NYC Admin. Code § 20-509, 34 RCNY 4-07 and 6 RCNY 2-368.

There are three basic licenses that must be acquired before a person may engage in the towing of vehicles within New York City: a "license to engage in towing," a license plate for each tow truck in operation, and a tow truck driver license for each driver.[7] Currently, section 20-497 (c) mandates that all towing licenses and license plates expire on December 31st in odd numbered years. Int. No. 138 would change the expiration date for tow truck company licenses and tow truck license plates to April 30th in even numbered years and would also establish October 31st in even numbered years as the expiration date for licenses issued to tow truck drivers.

Effective Date/Applicability

Int. No. 138 would take effect immediately, except that all licenses to engage in towing, all license plates and all tow truck driver licenses which are valid as of the effective date of Int. No. 138 will be valid for an extended term. The first renewal of such licenses and license plates under the amended provisions would be for an extended term that would end: (i) for tow truck drivers on October 31st of 2006, and (ii) for tow truck license plates and tow truck company licenses, on April 30th of 2006.

Int. No. 138 would also authorize the DCA to prorate the license fee for this extended license term and establish that unless a licensee surrenders his or her license by January 15, 2006, the person holding a license to engage in towing, tow truck license plate or tow truck license will be considered to have operated continuously with such license during the entire extended term.

Accordingly, Your Committee recommends the adoption of Int. No. 143-A and Int. No. 138.

(The following is the text of Int. No. 143-A:)

Int. No. 143-A

By Council Members Reed, Reyna, Dilan, Stewart and Gonzalez.

A Local Law to amend the administrative code of the city of New York, in relation to rates for arterial towers.

Be it enacted by the Council as follows:

Section 1. A new section 20-509.1 shall be added to subchapter 31 of chapter 2 of title 20 of the administrative code of the city of New York to read as follows:

§20-509.1 ***Rates for arterial tow permittees.*** *Notwithstanding any other provisions of this subchapter, charges for the towing of disabled passenger vehicles from an arterial roadway by an arterial tow permittee authorized by the commissioner of transportation or the police commissioner shall be seventy dollars for the first mile or fraction thereof and four dollars for each additional mile or fraction thereof.*

§2. This local law shall take effect ninety days after it shall have been enacted into law; provided that the commissioner, the commissioner of transportation or the police commissioner may take any actions necessary prior to such effective date for the implementation of this local law including, but not limited to, the adoption of any necessary rules.

PHILIP REED, Chairperson; JOSEPH P. ADDABBO JR., G. OLIVER KOPPELL, JAMES SANDERS JR., VINCENT J. GENTILE, Committee on Consumer Affairs, May 3, 2004.

Report of the Committee on Contracts

Report for Int. No. 137-B

Report of the Committee on Contracts in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to the provision of equal employment benefits to the employees of city contractors.

The Committee on Contracts to which was referred on February 4, 2004 (Minutes, page 601) the annexed amended proposed local law respectfully

REPORTS:

for the Lower Ma———

[7] See NYC Admin. Code § 20-496 (a) and (b).

INTRODUCTION

On May 5, 2004, after its fourth hearing on the matter, the Committee on Contracts (the "Committee") voted to approve Int. No. 137-B, more commonly known as the Equal Benefits Bill (the "EBB" or "Int. 137-B"), a full copy of which is attached to this report. The Committee respectfully urges the Council to approve the measure.

Intro. 137-B would generally require that the City do business only with those companies that provide the same employment benefits to employees with domestic partners as they provide to their married employees. This bill would apply to all contracts for goods, services, construction and real estate valued at over one hundred thousand dollars.

Simply, the EBB is meant to save the City money by requiring a measure of fairness in the way City contractor employees are paid. The Committee has heard extensive testimony indicating that companies that provide equal benefits attract and retain better-qualified, more productive employees. Such companies, the Committee has found, have a competitive edge and provide superior, less expensive goods and services and give the City better value for its dollar. At the same time, the EBB will result in expanded access to health insurance, which will result in improved public health as well as savings on health care costs for the uninsured that would otherwise be borne by the City.

Indeed, the Committee has heard testimony from experts throughout the country, and particularly from New York State Comptroller, Alan Hevesi, that on purely economic grounds, the EBB will be a great financial benefit to the City. Accordingly, the EBB will help ensure that the City obtains the best value for taxpayer dollars by contracting with employers that provide employees with domestic partners the same benefits they provide to employees with spouses.

The EBB is not intended to, nor will it, regulate business in any way or to affect the conditions in any market. Nor is it possible, given the size of the City's economy and the relative buying power of the City, for it to regulate behavior in the markets in which it participates simply through changing its buying practices.[8] Rather, the City here acts in its proprietary capacity, as a common, purely economic market participant seeking to obtain the best value for its dollar.

BACKGROUND

Employment benefits, including medical and dental insurance, life insurance, pension benefits, family/bereavement/sick leave, relocation benefits, access to employer facilities and memberships, and education and tuition assistance, have long been a way for employers to compensate their workers, and to attract and retain highly qualified employees, thereby reducing turnover and recruitment expenses and increasing productivity and quality of work. In addition, the provision of benefits has highly significant value, as it has been estimated that employee benefits generally comprise between 37 and 40 percent of an employee's total compensation.[9]

Employers benefit from being able to recruit employees from as wide a pool of applicants as possible. At the same time there are many couples in committed relationships that either choose not to marry or who cannot marry because of their sexual orientation.[10] Employers now recognize that in order to be able to attract and retain the best employees it is in their best interests to offer spousal-type benefits or equal compensation to unmarried but committed couples. Indeed, a wide array of government employers, public institutions and private companies now offer various types of domestic partnership benefits packages.[11] The Committee has found that it is in the City's economic interest to do business with such companies since better-paid and satisfied employees produce better goods and services less expensively.

a. Equal Benefits Throughout the Nation

The City of Berkeley was one of the first municipalities to extend domestic partner benefits to its employees. Thereafter, in 1997, San Francisco became the first city to impose a benefits requirement on city contractors.[12] Since then, other cities, including Minneapolis, Los Angeles and Seattle, Berkeley and San Mateo County, have followed San Francisco's lead by requiring contractor non-discrimination in the provision of employment benefits. The experience of San Francisco, in particular, has provided a valuable model for other municipalities seeking to successfully and efficiently implement equal benefits requirements upon municipal contractors. Finally, the State of California recently enacted legislation requiring its contractors to provide equal benefits to their employees.

b. Cost

The primary concern for most employer/contractors confronted with the possibility of extending employment benefits to domestic partners, is the potential cost associated with these benefits, particularly with regard to health and medical benefits. The two components most integral to this cost analysis are: (1) how many new enrollees the plan can expect to receive; and (2) what risks are likely to be associated with these individuals. Actuarial data and studies collected since 1982, when the Village Voice and a few other employers began extending medical

for the Lower Ma———

[8] Indeed, the City does not limit itself to City markets when acquiring goods and services, so the relevant market for its purchases is national, if not global, further indicating its limited power to regulate through its participation in the market.

[9] A 1992 U.S. Census Bureau study estimated that 37-40% of all employee compensation comes in the form of benefits.

[10] In New York City, according to the City Clerk, as of November 2003, approximately 76% of the 2,981 registered domestic partnerships are heterosexual couples.

[11] According to the Human Rights Campaign Fund, 5,798 employers currently offer domestic partner benefits and as of March 2000, only a total of 2,933 employers offered domestic partner benefits. The Human Rights Campaign tracks employers with domestic partner benefits through surveys, partnerships with other organizations, news articles and other informal means. Human Rights Campaign, on the web at: <www.hrc.org>.

[5] See San Francisco Admin. Code Chapter 12B (Nondiscrimination in Contracts).

insurance to the domestic partners of employees, show that neither claims experience nor enrollment rates create a significant increase in expenses.[13]

Enrollment rates for domestic partners are generally low. A 2000 study of domestic partner benefits found that at over half of the companies offering domestic partner benefits surveyed, less than one percent of employees eligible for benefits actually elected coverage for a domestic partner.[14] This low enrollment rate may be attributed to a number of factors, including that unlike spousal insurance premiums, the value of the insurance premium paid by the employer for a domestic partner is considered taxable income to the employee, discouraging many employees from electing domestic partner coverage, especially where the partner already has coverage through his or her own employer.

In addition, data indicates that domestic partner medical insurance claims are generally the same as - or less than - that for spouses.[15] Apparently, this is due to the fact that there are more childbirth-related medical expenses for spouses than for domestic partners, and these expenses can often be quite high. Further, while some people fear the cost consequences of a large number of people with HIV/AIDS enrolling for domestic partner medical insurance, this fear appears to be unfounded. In addition, the costs associated with covering HIV-related medical claims have proven to be no more than those for other major medical expenses, such as heart disease and cancer.[16] Also, the costs of including domestic partners in other benefits programs, such as bereavement or family medical leave, have proven to be negligible.[17]

c. Authority

The State Constitution and the Municipal Home Rule Law expressly permit localities to adopt local laws that set standards for "the wages or salaries, the hours of work or labor, and the protection, welfare and safety of persons employed by any contractor or sub-contractor performing work, labor or services for it."[18] In addition, the General City Law gives the city express authority to "contract or be contracted with..."[19] Taken together, "these provisions... certainly evince a design on the part of the State to provide a city, when contracting for the purchase of supplies or the hiring of labor, with full power to fix the terms and conditions upon which it chooses to deal—with the power [to regulate its affairs.]"[20] The Council's ability to enact Intro. 137-B falls squarely within this grant of authority. It is specifically not the intent of the EBB to regulate employers or employee benefits. Rather, New York City, acting under State Constitutional authority, and as a market participant and consumer of goods and services, is simply seeking to purchase goods and services from companies that provide compensational parity for their employees so as to obtain the highest quality goods and services at the lowest possible cost.

ANALYSIS OF PROPOSED INT. NO. 137-B

Generally, the EBB would prohibit the City from entering into or renewing any covered contract[21] with contractors that discriminate in the provision of benefits between employees with domestic partners and employees with spouses. Section 6-126-(c)(1). The term "Equal benefits" is defined as employment benefits, including, but not limited to, health insurance, pension, retirement, disability and life insurance, family, medical, parental, bereavement and other leave policies, tuition reimbursement, legal assistance, adoption assistance, dependent care insurance, moving and other relocation expenses, membership or membership discounts and travel benefits, equal to those provided to employees with spouses. Section 6-126(b)(8). Since the aim of the provision is to ensure compensational parity between employees with spouses and those with domestic partners, the non-discrimination provision is neutral, meaning that the benefits provided to either must be the same.

The EBB would further prohibit the City from entering into any covered contract unless the contractor certifies either that it offers equal benefits, as that term is defined in the EBB, to employees with domestic partners, or, if a contractor is a religious organization as defined in the bill and certifying that it offers equal benefits to employees with domestic partners would, in the opinion of such contractor, be inconsistent with the religious principles for which such organization was established or maintained, then they could, under the EBB, certify that they offer equal benefits to a member of each employee's household, designated by the employee, and provided the household member is eighteen years of age or older, lives permanently with the employee, is unmarried, is not a dependent of any other person and is not the tenant or landlord of the employee. Sections 6-126(b)(1), (5) and (9) and 6-126(c)(1)(i) and (ii). The EBB would prohibit contractors that certify that they offer household member coverage from requiring employees to disclose to the contractor the nature of their relationship with the designated household member other than, of course, information needed to determine whether a designated household member meets the definition of household member included in the EBB. So, for example, a religious organization that certifies that it offers household member coverage would be permitted to ask an employee the age of the designated household member or whether the designated household member is living permanently with the employee, but the organization may not ask whether the employee's relationship with the designated household member is romantic.

It should be noted that this alternate certification does not absolve a contractor that makes it from complying with the separate requirement that it not discriminate between employees with domestic partners and those with spouses. Instead this provision allows for religious-based contractors to comply with this requirement of the law without compromising religious conviction.

Further, the EBB would not apply to all employers in the City--only to those that enter into a contract with the City as described above. The EBB would not, for example, apply to an organization that is merely affiliated with a covered contractor be covered under the bill—only the organization with which the City has entered into a contract. So, for example, while a provider of social services that is affiliated with a church may be covered under the EBB, the church itself may not be, provided it is a separate entity and that it has no contract with the City itself.

In support of their certifications, pursuant to the EBB, contractors would also be required to provide copies of employee benefits plans. Section 6-126(c)(2). The EBB would apply to the employees of contractors with City contracts that work within the City and those outside of the City that work directly on fulfilling the terms of a City contract. Section 6-126(e).

The EBB would define domestic partners as those persons who are domestic partners pursuant to section 3-240(a) of the Administrative Code. Section 3-240(a) of the Administrative Code defines domestic partners as those who have registered as domestic partners pursuant to that section as well as "persons who are members of a marriage that is not recognized by the state of New York, domestic partnership, or civil union, lawfully entered into in another jurisdiction." As a result, to the extent that the EBB applies to employees located outside of the City, those employees would be considered domestic partners under the law and entitled to its benefits if they were members of any form of civil union under the laws of their respective jurisdiction. The EBB would also allow companies to set up in-house domestic partnership registries so long as the requirements for registration are no more stringent than those applied under the City's domestic partnership registration law. Section 6-126(n).

The EBB would forbid retaliation against employees who request domestic partnership benefits or who inform the City that a contractor that is required to provide such benefits has failed to do so. Section 6-126(c)(1)(iii).

The EBB would also require that a provision detailing its requirements be included in every City contract, and that a violation of the provision be considered a material breach of the contract. Section 6-126(d).

The aim of the EBB would be to get the best value for taxpayer dollars by doing business with companies that provide compensational equity between employees with domestic partners and employees with spouses—not parity of opportunity. Accordingly, under the EBB a contractor would be required to pay no more for benefits to domestic partners than it does to married couples and may require domestic partners to cover any cost differential. Section 6-126(f). Indeed, the EBB would specifically exempt contractors from paying any tax liability incurred by domestic partners as a result of being given spousal-type benefits. Section 6-126(g). Further, if a contractor is unable, after making reasonable efforts, to provide a certain benefit—say health insurance--because there is simply no carrier in the market willing to provide coverage to domestic partners, then the contractor would, under the EBB, only be required to provide the cash equivalent of the spousal benefit. Section 6-126(h).

Further, following the same example, pursuant to the EBB, if the employer requires its eligible employees to pay for a spousal health insurance benefit, then the employer could similarly require its employees with domestic partners to pay for their benefits. And if, continuing this example, a contractor is unable, after making reasonable attempts, to obtain domestic partnership coverage, then the contractor would not, under the EBB, be required to pay a cash equivalent since it provides no such remuneration for employees with spouses.

The EBB would take several steps to minimize or eliminate interference with competition for City contracts including the following: First, the EBB would allow for extensions of time to comply in the event that a contractor needs to take administrative action to offer benefits. Section 6-126(h)(2). Second, pursuant to the EBB, and as noted above, for those companies that choose not to recognize domestic partnerships, the law would allow an alternative compliance mechanism that would allow them to offer spousal-type benefits to one designated adult member of the employee's household. Section 6-126(c)(1)(ii). Further, the EBB would allow the administration to exempt certain types of contracts from its requirements altogether including emergency and sole source contracts. Section 6-126(k)(1). The EBB would exempt altogether from its requirements, contracts related to the investment of assets held in trust by the City or of City monies. Section 6-126(l). Finally, the EBB would not apply in circumstances where there are no bidders who will comply with the law and that are willing to bid on a contract for essential goods or services. Section 6-126(k)(1)(iv).

Contracting agencies would be allowed to apply for a waiver at the request of a contractor, and waiver applications would be required to be made in writing by the contracting agency to the agency implementing the EBB. All decisions regarding waivers would be made by the agency implementing the law and would be required to be made within a reasonable period of time. Section 6-126(k)(2). Under the EBB, decisions granting waivers would be required to become part of the contracting file.

for the Lower Ma

[17] Id.

[18] N.Y. Const. Art. IX, § 2(c)(9); Mun. Home Rule L. § 10(1)(a)(10).

[19] Gen. City L. § 20(1).

[20] McMillen v. City of N.Y., 14 N.Y.2d 326, 330 (1964). Similarly, in City of New York v. Diamond, 379 F.Supp. 503 (S.D.N.Y. 1974), the Court recognized the City's authority to apply equal employment standards to contractors working on a sewer treatment facility. The Court in Diamond noted that nothing in state law, including, presumably, the General Municipal Law, conflicted with this exercise of the Home Rule Provisions holding that "where there is no actual conflict with state law, the City has the power to impose requirements on contractors working on its own projects as an incident to its contracting powers." Diamond at 515 (quoting McMillen).

[21] The term "covered contract" is defined in the EBB as a contract for goods, services, construction or real estate between a contracting agency and a contractor which by itself or when aggregated with all contracts awarded to such contractor by any contracting agency during the immediately preceding twelve months has a value of one hundred thousand dollars or more. **Section 6-126(b)(1) and (4).**

Id. Finally, the agency implementing the law would be required to report to the Council annually on the number of waivers requested, granted and denied or withdrawn broken down by type of waiver and agency as well, as the total dollar values of the contracts for which the waivers were requested, granted and denied or withdrawn. Section 6-126(k)(3).

To ensure compliance, the EBB would require all contractors it covers to make their records available for inspection and requires the Comptroller to conduct annual investigations regarding contractor compliance with the EBB. Section 6-126(m).

Finally, the EBB would authorize the Procurement Policy Board to promulgate rules to implement its requirements. Section 6-126(q).

EFFECTIVE DATE

The EBB would take effect 120 days after it is enacted.

(The following is the Fiscal Impact Statement for Int. No. 137-B:)

FISCAL IMPACT STATEMENT:

	Effective FY 05	FY Succeeding Effective FY 06	Full Fiscal Impact FY 06
Revenues (+)	0	0	0
Expenditures (-)	De minimus	De minimus	De minimus
Net	De minimus	De minimus	De minimus

IMPACT ON REVENUES AND EXPENDITURES: To comply with the investigation requirement of this local law, the Comptroller might need to hire a small number of additional staff. The fiscal impact on the City's expenditures would therefore be de minimus.

Int. No. 137-B

By The Speaker (Council Member Miller) and Council Members Quinn, Lopez, Reed, Jackson, Yassky, Katz, Baez, Brewer, Avella, Barron, Clarke, Comrie Jr., Gerson, Martinez, Sanders Jr., Seabrook, Stewart, Vann, Liu, Serrano, Reyna, McMahon, Rivera, Sears, Boyland, Koppell, Perkins, Gioia, Weprin, Monserrate, Moskowitz, Gonzalez, Recchia Jr., James, Foster, DeBlasio and The Public Advocate (Ms. Gotbaum).

A Local Law to amend the administrative code of the city of New York, in relation to the provision of equal employment benefits to the employees of city contractors.

Be it enacted by the Council as follows:

Section 1. Title 6 of the Administrative Code of the City of New York is hereby amended by adding a new section 6-126 to read as follows:

Section 6-126. a. This section shall be known and may be cited as the "Equal Benefits Law."

b. For purposes of this section only, the following terms shall have the following meanings:

(1) "Contract" means any written agreement, purchase order or instrument whereby the city is committed to expend or does expend funds in return for an interest in real property, work, labor, services, supplies, equipment, materials, construction, construction related service or any combination of the foregoing.

(2) "Contracting agency" means a city, county, borough, or other office, position, administration, department, division, bureau, board or commission, or a corporation, institution or agency of government, the expenses of which are paid in whole or in part from the city treasury.

(3) "Contractor" means any individual, sole proprietorship, partnership, joint venture, corporation or other form of doing business.

(4) "Covered contract" means a contract between a contracting agency and a contractor which by itself or when aggregated with all contracts awarded to such contractor by any contracting agency during the immediately preceding twelve months has a value of one hundred thousand dollars or more.

(5) "Domestic partners" means persons who are domestic partners as defined in section 3-240(a) of the administrative code, or who have registered as domestic partners with a contractor pursuant to subdivision n of this section.

(6) "Employee" means a person employed by a contractor.

(7) "Employment benefits" means benefits including, but not limited to, health insurance, pension, retirement, disability and life insurance, family, medical, parental, bereavement and other leave policies, tuition reimbursement, legal assistance, adoption assistance, dependent care insurance, moving and other relocation expenses, membership or membership discounts, and travel benefits provided by a contractor to its employees.

(8) "Equal benefits" means employment benefits equal to those provided to employees with spouses and to their spouses.

(9) "Household member coverage" means the provision of equal benefits to an employee and to one designated member of such employee's household provided that such household member is eighteen years of age or older, lives permanently with the employee, is unmarried, is not a dependent of any other person and is not the tenant or landlord of the employee.

(10) "Implementing agency" means the city chief procurement officer or any agency or officer that the mayor designates.

c. (1) No contracting agency shall enter into or renew any covered contract with a contractor that discriminates in the provision of employment benefits between employees with spouses and employees with domestic partners and/or between the domestic partners and spouses of such employees; and unless the contractor certifies that:

(a)(i) it offers equal benefits to employees with domestic partners; or

(ii) if the contractor is a religious or denominational institution or organization, or an organization operated for charitable or educational purposes which is operated, supervised or controlled by or in connection with a religious organization, and the certification required in subsection c(1)(a)(i) of this section would, in the opinion of such contractor, be inconsistent with the religious principles for which such organization was established or maintained, it offers household member coverage to its employees, provided that such employees shall not be required to disclose to the contractor information concerning the nature of their relationship with a designated household member beyond that which such contractor deems necessary to determine eligibility for household member coverage; and

(b) it will not retaliate against an employee in the terms and conditions of employment in the event that such employee requests equal benefits or informs the city that such contractor has failed to provide equal benefits in violation of this section.

(2) Such certification shall be in writing and shall be signed by an authorized officer of the contractor and delivered, along with a description of the contractor's employee benefits plan or plans, to the contracting agency and to the implementing agency prior to entering into a covered contract. The implementing agency shall reject a contractor's certification if it determines that such contractor discriminates in the provision of employment benefits in violation of this section, or if the implementing agency determines that the contractor was created, or is being used, for the purpose of evading the requirements of this section.

d. Every covered contract shall contain a provision detailing the contractor's obligations pursuant to this section, which shall be a material provision of such contract.

e. The requirements of subdivision c shall apply to the employees of a contractor who, during the term of such contract, work within the city of New York, and to those employees of a contractor who work outside of the city of New York and who work directly on fulfilling the terms of a covered contract.

f. In the event that a contractor's actual cost of providing an equal benefit or benefits exceeds that of providing the equivalent spousal benefit or benefits, such contractor shall not be deemed to have discriminated in the provision of employment benefits if such contractor conditions the provision of such equal benefit or benefits upon the employee agreeing to pay the excess costs.

g. Nothing in this section shall be construed to require a contractor to pay income tax liabilities incurred through the provision of equal benefits as required under this section.

h. (1) In the event a contractor is unable to provide a particular equal benefit or benefits as required pursuant to this section despite taking all reasonable measures to do so, such contractor shall not be deemed to have discriminated in the provision of employment benefits for failure to provide such employment benefit or benefits if such contractor provides the cash equivalent of such employment benefit or benefits to the affected employee(s). The contractor shall provide the implementing agency with sufficient proof of such inability to provide such benefit or

benefits, which shall include the measures taken to provide such benefit or benefits and the cash equivalent proposed, along with certification required pursuant to subdivision c of this section. The implementing agency shall, based on submitted evidence, determine whether the contractor's failure to provide such employment benefit or benefits precludes such contractor from entering into a covered contract pursuant to the requirements of this section.

(2) In the event that a contractor is unable to provide a particular equal benefit or benefits as required pursuant to this section because it would require administrative action that would delay the provision of such equal benefit or benefits, then the contractor may request an extension of time to take such administrative action which shall not exceed three months. Applications for such extensions of time shall be submitted to the implementing agency, which shall have the discretion to grant such applications. A contractor may, if necessary, request an additional extension of time to provide the delayed equal benefit or benefits. Applications for such additional extensions of time shall be submitted to the implementing agency, which shall have the discretion to grant such applications provided that the contractor provides the cash equivalent of any delayed equal benefit or benefits to the affected employee(s) during the additional extension period. The implementing agency shall monitor contracting agencies to which it grants extensions of time to ensure compliance with the requirements of this section within such extension periods.

i. Every contractor shall, to the extent permitted by law, provide the contracting agency and the implementing agency access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the contractor is in compliance with the provisions of this section.

j. If during the term of a covered contract a contractor fails to provide equal benefits as required pursuant to this section, or if a contractor retaliates against an employee in the terms and conditions of employment for requesting equal benefits or for informing the city that such contractor has failed to provide equal benefits, such failure and/or retaliation shall be deemed a material breach of such contract. Upon receiving information that a contractor has failed to provide equal benefits as required pursuant to this section and/or retaliated against an employee in violation of this section, the implementing agency shall review such information, notify the contractor of such information and offer the contractor an opportunity to respond. If it is found that a violation has occurred, the implementing agency shall take such action as may be appropriate and provided by law, rule or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the contractor in default and/or seeking a finding that the contractor is not a responsible contractor pursuant to section 335 of the charter. Nothing in this subdivision shall be construed to limit the remedies a contractor's employee or the domestic partner of such employee may seek in law or equity in the event of such contractor's non-compliance.

k. (1) The requirements of this section may be waived by the implementing agency upon application by a contracting agency under the following circumstances:

(i) for sole source contracts entered into pursuant to section 321 of the charter, where the sole source is unwilling to comply with the requirements of this section; or

(ii) for emergency contracts entered into pursuant to section 315 of the charter and for which no entity which complies with the requirements of this section and which is capable of fulfilling such contract is immediately available; or

(iii) where compliance with the requirements of this section would violate or be inconsistent with the terms or conditions of a grant, subvention or contract with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or contract; or

(iv) where there are no prospective bidders for a contract that are willing to comply with the requirements of this section and it is essential for the city to enter into such contract.

(2) All applications for waivers pursuant to this subdivision shall be made in writing. The implementing agency shall, within a reasonable period of time, determine whether to grant such waiver applications. All decisions regarding waivers shall be issued in writing and shall include the reason for the granting or denial of such application. All decisions granting waivers shall become part of the relevant contract file.

(3) Beginning twelve months after the effective date of the local law that added this section and annually thereafter, the implementing agency shall report to the council regarding the twelve month period immediately preceding the report, the number and total dollar value of waivers for which it received applications disaggregated by type of waiver and contracting agency; the number and total dollar value of waivers granted disaggregated by type of waiver and contracting agency; and the number and total dollar value of waivers denied or withdrawn disaggregated by type of waiver and contracting agency.

l. The requirements of this section shall not apply to contracts relating to the investment of assets held in trust by the city or to the investment of city monies.

m. The comptroller shall conduct annual investigations, on a sample basis, to measure contractor compliance with the requirements of this section. Contractors shall make such information available as is necessary to conduct such investigations. Beginning twelve months after the effective date of the local law that added this section and annually thereafter, the comptroller shall report the results of such investigations to the mayor and the council.

n. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partners who are not domestic partners as defined in section 3-240(a) of the administrative code, or who are located in a jurisdiction where no such governmental domestic partnership registry exists; provided, however, that a contractor that institutes such a registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the city of New York. A contractor may also verify the existence of a domestic partnership or marriage to the extent such verification is undertaken equally for employees with domestic partners and employees with spouses.

o. Nothing in this section shall be construed to limit the city's authority to cancel or terminate a contract, deny or withdraw approval to perform a subcontract or provide supplies, issue a non-responsibility finding, issue a non-responsiveness finding, deny a person or entity pre-qualification, or to otherwise deny a person or entity city business.

p. This section shall only apply to contracts entered into or renewed on or after the effective date of the local law that added this section.

q. The procurement policy board may promulgate rules to implement the requirements of this section.

§2. If any section, subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§3. This local law shall take effect one hundred and twenty days after its enactment.

ROBERT JACKSON, Chairperson; MARGARITA LOPEZ, JOSEPH P. ADDABBO JR., YVETTE D. CLARKE, JOHN C. LIU, KENDALL B. STEWART, DAVID YASSKY, Committee on Contracts, May 5, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report of the Committee on Economic Development

Report for Res. No. 296-A

Report of the Committee on Economic Development in favor of approving, as amended, a Resolution in support of thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

The Committee on Economic Development to which was referred on April 21, 2004 (Minutes, page 1763) the annexed amended resolution respectfully

REPORTS:

On April 23th, 2004 at 1pm, the Committee on Economic Development, chaired by Council Member James Sanders, Jr. conducted a hearing to consider requests for Council resolutions in connection with the New York State Zone Equivalent Area benefits program. Zone Equivalent Areas (ZEAs), authorized by the New York State Legislature, and designated by the New York State Department of Economic Development (DED), are census tracts that have poverty and unemployment demographics that are equivalent to that found in Empire Zones.[1] ZEA-certified businesses are not entitled to the array of Empire Zone benefits, but rather, are only entitled to a wage tax credit under state tax law upon certification by the New York State Department of Economic Development (DED). In addition to locating in a ZEA, the business seeking this benefit must either project job creation within the ZEA, or, if job creation is unlikely, must state in writing how certification will result in maintaining employment in the firm within the ZEA. The wage tax credit is earned by a business that has complied with program requirements, including a demonstration that it has created or retained jobs within the ZEA-certified business. When the business files for the ZEA benefit with their tax return, they receive the wage tax credit against taxes that the business would ordinarily owe to New York State. The amount of tax credit a business receives is determined by the employment level compared to the average of the four prior years (the base period). The company receives $1,500 per new job created above the average of the base period or $3,000 per new job if that new employee is a targeted worker (e.g. welfare recipients) as defined in the Labor Law.[2]

A basic requirement of the law governing Empire Zones, which extends to ZEAs, is the requirement for approval by the local governing body of the area from which a business is shifting. The law states in pertinent part:

> "...a business enterprise that has shifted its operations, or some portions thereof, from an area within New York State not designated as an empire zone or zone equivalent area to an area so designated shall not be certified to receive such benefits except where such shift

is entirely within a municipality and has been approved by the local governing body of such municipality "[3]

Thus, even a business moving within a municipality from a "non-zone" into a zoned area has to obtain a "shift resolution" in order to be certified by DED. The explanation given by DED for the resolution requirement is that it concerns the economic impact that could derive from the relocation or "shift" of a significant business from one area to another within a municipality. [4]

[1] ZEA areas designations were made in 1994 and the program is scheduled to sunset in June 2004.

[2] A targeted employee in the state law is defined as a New York State resident who receives empire zone wages pursuant to subdivision 19 of Section 210 of the Tax Law and who is 1. an eligible individual under the provision of the targeted jobs tax credit (section fifty-one of the internal revenue code) 2. eligible for benefits under the provisions of the work-force investment act (P.L. 105-220) as a dislocated worker or low income individual. 3. a recipient of public assistance benefits or 4. an individual whose income is below the most recently established poverty rate promulgated by the united States department of commerce, or a member of a family whose family income is below the most recently promulgated by the federal agency.

[3] Article 18-B of the General Municipal Law 18-B, section 959 (a) (iii).

[4] Based upon conversations with DED Empire Zones Specialist

New York City does not designate, approve, nor certify a business for tax benefits. The resolution simply indicates that New York City supports the application for certification of a particular business by DED. After the Council issues a resolution, the business must submit the resolution to DED to complete its application for certification. Once the application is complete, DED will review and process the application to determine whether the business meets Program eligibility criteria and whether the business is in good standing with the State of New York.

The Council has received thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area Provisions of the New York State Empire Zone Program. The applicants for certification are:

Bowles Corporate Services, Inc.; Premier & Companies Inc.; Winged Keel Group Inc.; Nederlander Productions; Molod Spitz & DeSantis, PC; Stem and Montana, LLP; Gumley-Haft, LLC; Yahoo! Inc.; The Adstore, Inc.; Google Inc.; The Sockyard Co., Inc.;' Landesbank Baden Wurttemberg; and Pinnacle Associates LTD. (the Applicants).

A copy of Proposed Res. No. 296-A is attached.

FOLLOWUP

On May 4, 2004 at 10:00 AM, the Committee on Economic Development is expected vote on Proposed Res. No. 296-A. Resolution No. 296 was amended since the original hearing on the resolution on April 23, 2004. In this amended version, Well Choice Inc. is no longer an applicant because they were found to be located outside a Zone Equivalent Area. One new application was submitted by Landesbank Baden Wurttemberg subsequent to the original hearing. This applicant, like all others, was reviewed with all due diligence.

On May 4, 2004 the Committee on Economic Development passed Proposed Res. No. 296-A with seven votes in the affirmative, no negative votes and no abstentions.

Accordingly, Your Committee recommends its adoption, as amended.

(The following is the text of Res. No. 296-A:)

Res. No. 296-A

Resolution in support of thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

By Council Members Sanders Jr., Barron, Gennaro, James and Liu.

Whereas, The New York State Empire Zones Program contains provisions that apply to Zone Equivalent Areas (ZEAs), which are areas that, although not within the boundaries of Empire Zones, are nonetheless characterized by high unemployment and poverty rates; and

Whereas, The Empire Zones Program provides that businesses located in ZEAs or which relocate to ZEAs may become eligible to receive New York State Wage Tax Credits if they receive certification from the New York State Department of Economic Development (DED) and also meet the requirements of the New York State Department of Finance to receive the New York State Wage Tax Credit; and

Whereas, The Empire Zones Program requires that businesses which seek State Wage Tax Credits must either project job creation within a ZEA, or, if job creation is unlikely, must state in writing how certification will result in maintaining employment in the firm within a ZEA; and

Whereas, Bowles Corporate Services, Inc.; Premier & Companies Inc.; Winged Keep Group Inc.; Nederlander Productions; Molod Spitz & DeSantis, P.C.; Stern and Montana, LLP; Gumley-Haft, LLC; Yahoo! Inc.; The Adstore, Inc.; Google Inc.; The Sockyard Co., Inc.; Landesbank Baden Wurttemberg; and Pinnacle Associates LTD (the Applicants) each desire to be certified to receive New York State Wage Tax Credits under the ZEA provision of the Empires Zones Program; and

Whereas, Under the Empire Zones Program, application for certification by DED to become eligible to receive New York State Wage Tax Credits under the ZEA provisions of the Empire Zones Program requires approval by the governing body of the local municipality within which the business has relocated of the businesses' intent to apply for certification by DED; and

Whereas, The Applicants have requested that the Council of the City of New York adopt a resolution in support of their applications to DED for certification of eligibility to receive New York State Wage Tax Credits under the ZEA provisions of the New York State Empire Zones Program; and

Whereas, The creation or retention of jobs within ZEAs, as required in order to qualify for the New York State Wage Tax Credits sought by the Applicants, will contribute to the economic development of the distressed areas where the Applicants are located; now, therefore, be it

Resolved, That the Council of the City of New York supports the thirteen applications for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

JAMES SANDERS, JR., Chairperson; YVETTE D. CLARKE, ERIK MARTIN DILAN, ALAN J. GERSON, ERIC N. GIOIA, SARA M. GONZALEZ, LETITIA JAMES, Committee on Economic Development, May 4, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report of the Committee on Education

Report for Int. No. 188-A

Report of the Committee on Education in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to prohibiting acts of harassment at schools.

The Committee on Education to which was referred on February 26, 2004 (Minutes; page 863) the annexed amended proposed local law respectfully

REPORTS:

On, April 26, 2004, at 10:00 a.m., the Committee on Education, chaired by Council Member Eva Moskowitz, will hear testimony on Int. 118-A, entitled the "Dignity for All Students Act" ("DASA"). This proposed law would amend the Administrative Code to prohibit acts of harassment at New York City public schools. Those expected to testify include the NAACP, the United Federation of Teachers, parents, teachers and students.

Background And Rationale For the Proposed Local Law

Int. 118-A was proposed to address harassment and bullying that occurs in the New York City School system and the failure of current laws to address that problem. At its core, DASA would require the Department of Education (the "Department") to (i) establish policies and guidelines that would prohibit most forms of harassment and bullying, (ii) train pedagogical staff and school safety officers to enforce such polices and guidelines to prevent such incidents from occurring and (iii) establish appropriate reporting mechanisms. DASA would also prohibit the Department from retaliating against the victims of harassment and those who report on, complain about, or testify concerning incidents of harassment.

The Education Committee held a hearing on the proposed Local Law on October 7, 2003.[22] At that hearing, the Committee heard testimony from the Department and from a dozen interest groups and members of the public. The Department testified that it was aware that students bullied each other, viewed that as a problem, but could not quantify that problem or explain how it intended to eliminate it. The public testified, generally, as to the need for such a law due to the bullying and harassment that students endure while at school, and the Department's inability to stop it.

A few weeks after the October hearing, the school system was engulfed in what seemed to be a wave of violent crime, which resulted in the Mayor and the Department creating an "Impact Schools" program to address crime in the dozen most dangerous City schools. These events, while diverting attention from the

for the Lower Ma

[22] At that hearing, which during the Council's prior legislative session, DASA was numbered Int. 418-A.

problems of bullying and harassment, underscore the atmosphere of lawlessness in which many teachers try to teach and many students are expected to learn.

At the October hearing, the Department refused to provide the Education Committee with information it requested regarding the number and nature of harassment and bullying incidents within the school system and how the Department handles such behavioral problems. Few dispute, however, that the school system is plagued by conduct that, while not rising to the level of criminal misconduct, clearly interferes with learning and with the schools' obligation to provide a safe environment for all students. While violent crime in schools grabs headlines, many advocates believe that day-to-day bullying and harassment of students has a greater overall effect on the quality of education provided to the entire school system. Certainly, as advocates testified at the October hearing, the effect of bullying on individual students can be extreme. In addition to creating socialization and self-esteem problems, students subject to aggressive and continuous harassment from their peers are less likely to develop confidence skills that they need to excel in life and are more likely to skip school or perform poorly in class and on tests. In the most egregious cases, advocates note that students are unable to attend school and drop out of the school system without graduating. In other cases, bullying escalates into episodic conflict and results in violence.

Although some programs exist to remedy these problems, they are not widespread and are limited in scope. Schools like Harvey Milk high school, which was established to educate homosexual and transgendered students who have been unable to obtain harassment-free education in more traditional settings, seem to be effective. No such programs exist for children of a particular religion, national original, race, gender, disability, etc., and the Department could not, realistically, create a magnet school for every child who is bullied. Moreover, such schools may be seen as a form of last resort, not a cure to the problem of student misbehavior. The Department is required to provide a safe, excellent education to all students at all schools, and not to remove well-behaved students because of anti-social behavior by other students.

State law already prohibits misconduct of the kind that DASA addresses. Education Law § 2801 requires the Department to develop a code of conduct to, among other things, "maintain order . . . govern the conduct of students, teachers and other personnel . . . [and] assure security and safety," impose limitations upon conduct and language employed by students and discipline students who violate the rules of conduct. Section 2801 specifically addresses students' civil rights and the protection of children with disabilities, and reaches not only violent conduct but also "threats of violence." This section also requires school districts to develop a code of conduct through appropriate regulations and to disseminate and enforce those regulations. The State legislature has considered, in recent years, enacting a law similar to DASA but has not done so.

The Department of Education, in turn, has created a number of regulations including, of most relevance to today's hearing, Chancellor's Regulation A-830, which governs complaints of discrimination and harassment, and Regulation A-831, which regulates student-to-student sexual harassment. Regulation A-830, in particular, guarantees students "equal educational . . . opportunities" without regard to race, color, religion, creed, national origin, alienage, citizenship status, age, marital status, disability, sexual orientation, gender (sex) or prior record of arrest or conviction . . . ." and "prohibit[s] retaliation against any individuals for utilizing the [Department's] procedures or [for] filing complaints . . . or commencing litigation" concerning the protections of the regulation. See Chancellor's Regulation A-830 I.A and I.B.

Notwithstanding these regulations, many advocates believe that the Department's efforts are ineffective. They argue that such regulations are neither publicized nor enforced. Advocates also point to systemic problems within the school system, such as lack of staffing, lack of facilities for segregating disruptive students, lack of peer or mentor counseling, and intolerance or indifference on the parts of teachers, principals and administrators (although, certainly, not all of such employees). Finally, advocates note that the Chancellor's Regulations do not cover all conduct that should be prohibited. Regulation A-830 is designed to prevent discrimination in the delivery of educational services; Regulation A-831 addresses sexual misconduct between students. Neither specifically addresses bullying or harassment, or student/staff sexual or other misconduct.

The Proposed Local Law – Int 188-A

The proposed Local Law would add a new section 137 to Title 10 of the New York City Administrative Code. Subdivision (a) of § 10-137 would contain definitions that include New York City public school students, faculty and school buildings and functions within the scope of the proposed law. These definitions include "gender," "retaliatory action," "school," "school function," and "school premises," the latter of which includes not only school buildings and facilities but also school buses and public transportation when used by students to come or go from school buildings and school functions. It would also define "harassment" to mean:

the creation of a hostile environment by, in whole or in part, conduct or verbal threats, taunting, intimidation or abuse, including conduct, verbal threats, intimidation or abuse for any reason, including, but not limited to, a person's actual or perceived race, color, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, sex, family composition or circumstance, economic circumstance, physical characteristic, medical condition, school performance or any other characteristic or reason that has or would reasonably have the effect of substantially interfering with a student's educational performance, opportunities or benefits, or a student's mental, emotional or physical well-being, or that reasonably causes or would reasonably be expected to cause a student or other person to fear for his or her physical safety.

Subdivision (b) of § 10-137 would prohibit acts of harassment on school premises and at school functions. Subdivision (c) would require the Department to create policies and guidelines to create a school environment that is free of harassment. Pursuant to paragraphs (1) and (2) of subdivision (c), these policies and guidelines must be consistent with Education Law § 2801, and include guidelines for use in employee training programs and in presentations to students. These policies and guidelines must be incorporated into a code of conduct that the Chancellor must disseminate under Education Law § 2801. In addition, under paragraph (3) of subdivision (c), the principal at each school or such principal's designee would be required to ensure the training and dissemination of materials required by this proposed local law, and must make available to all students, parents, guardians, staff and the school safety committee the name and contact information of an employee who can provide copies of the policies and guidelines. Furthermore, pursuant to paragraph (2) of subdivision (c), such policies and guidelines must be included in mail to parents or guardians of students at the beginning of each school year, posted in prominent places within each school, and made available in multiple languages as specified in the bill.

Subdivision (d) of the proposed § 10-137 would require the Chancellor to create procedures for tracking and reporting incidents of harassment, to appoint school principals or their designees to enforce the Department's new anti-harassment policies and guidelines, and to complete incident reports on each incident of harassment that occurs within the school year. The Chancellor would also appoint a superintendent to receive and resolve complaints that concern principals or their designees. Pursuant to this subdivision, the Department would, by July 30 each year, make a summary of such information available to the public. Such summary report would indicate, at a minimum, the number and nature of incidents of harassment by school, community school district, region, borough and grade level, and must be published on the Department's website. The Department would also be required to include in each school's "report card" summary information about incidents of harassment at such school, including comparisons of such incidents with all similar schools, as determined by the Department, and the number of safety transfers such school granted during the preceding school year.

Subdivision (e) would protect victims of harassment, as well as persons who report upon or instigate proceedings concerning incidents of harassment, from retaliatory action, as defined in the bill.

Section 3 of the proposed local law would contain a severability clause.

Section 4 of the proposed local law would provide that DASA, if enacted, would take effect one hundred and eighty days after its enactment. A copy of the proposed local law follows.

Accordingly, Your Committee recommends its adoption, as amended.

(The following is the text of Int. No. 188-A:)

Int. No. 188-A

By the Speaker (Council Member Miller) and Council Members Gerson, Avella, Barron, Boyland, Brewer, Clarke, Dilan, Fidler, Jackson, Koppell, Liu, Lopez, Martinez, McMahon, Quinn, Nelson, Perkins, Recchia Jr., Reed, Rivera, Seabrook, Sears, Serrano, Vann, Yassky, Baez, Comrie Jr., DeBlasio, Felder, Foster, Gonzalez, Jennings Jr., Monserrate, Reyna, Stewart, Weprin, Moskowitz, Gentile, Gioia, Gennaro, Sanders Jr., Palma and James.

A Local Law to amend the administrative code of the city of New York, in relation to prohibiting acts of harassment at schools.

Be it enacted by the Council as follows:

Section 1. Legislative findings: The Council finds that many students, teachers, administrators and others in the New York city school communities are plagued by harassing behavior that interferes with students' educational performance, opportunities and emotional or physical well-being and the well-being of the entire school community. Accordingly, the Council finds that it is necessary to establish strong policies in our City's schools prohibiting harassment for any reason including reasons based, in whole or in part, upon, but not limited to, a person's actual or perceived race, color, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, sex, family composition or circumstance, economic circumstance, physical characteristic, medical condition or school performance.

§ 2. Chapter 1 of title 10 of the administrative code of the city of New York is hereby amended by adding a new section 137 to read as follows:

*§10-137. **Prevention of harassment on school premises.***

a. Definitions. For the purposes of this section, the following terms shall have the following meanings:

1. "Department" shall mean the New York city department of education.

2. "Gender" shall mean actual or perceived sex and shall also include a person's gender identity, self-image, appearance, behavior or expression, whether or not that gender identity, self-image, appearance, behavior or expression is

different from that traditionally associated with the legal sex assigned to that person at birth.

3. "Harassment" shall mean the creation of a hostile environment by, in whole or in part, conduct or verbal threats, taunting, intimidation or abuse, including conduct, verbal threats, intimidation or abuse for any reason, including, but not limited to, a person's actual or perceived race, color, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, sex, family composition or circumstance, economic circumstance, physical characteristic, medical condition, school performance or any other characteristic or reason that has or would reasonably have the effect of substantially interfering with a student's educational performance, opportunities or benefits, or a student's mental, emotional or physical well-being, or that reasonably causes or would reasonably be expected to cause a student or other person to fear for his or her physical safety.

4. "Retaliatory action" shall mean, but not be limited to, dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, compensation or other benefit, failure to hire, failure to appoint, failure to promote, or transfer or assignment or failure to transfer or assign against the wishes of the affected person.

5. "School" shall mean each school within the New York city public school system that provides educational instruction to students at or below the twelfth grade level.

6. "School function" shall mean a school-sponsored extra-curricular event or activity or any event that takes place on school premises.

7. "School premises" shall mean the buildings, grounds or facilities, or any portion thereof, owned, occupied by, or under the custody or control of the department or of a school, used for the primary purpose of providing educational instruction to students at or below the twelfth grade level, and any vehicles owned, operated or leased by or on behalf of such institutions that are used to transport such students or the personnel of such institutions. School premises shall also include public transportation, such as subways, buses and ferries, when students use such public transportation to attend school or a school function.

b. Prohibition of harassment. No person shall subject another person to harassment on school premises or at a school function.

c. Policies and guidelines. 1. The chancellor of the city public school system shall create policies and guidelines, in accordance with the procedures set forth in subdivision three of section 2801 of the New York state education law, designed to create an environment for each school that is free from harassment. Such policies and guidelines shall include, but not be limited to, penalties or disciplinary measures for those found to have violated such policies and guidelines, and shall indicate when incidents of harassment must be reported to law enforcement authorities. Such policies and guidelines shall also specify that harassment is a basis for granting to a student who has been harassed a transfer to another school, commonly called a "safety transfer," and that harassment is a basis for disciplining any student who engages or has engaged in the harassment of others.

2. Such policies and guidelines required by paragraph 1 of this subdivision shall also: (i) include guidelines to be used in employee training programs, which training shall be given on a regular basis to all pedagogical staff and school safety officers to discourage the development of harassment by (a) raising the awareness and sensitivity of school employees to potential harassment, and (b) enabling employees to prevent and respond to harassment;

(ii) include guidelines to be used in presentations given to students about conduct and harassment issues; such guidelines shall be designed to discourage the development of harassment by (a) raising the awareness and sensitivity of pupils regarding potential harassment, and (b) fostering empathy and empathetic conduct among students;

(iii) be included in the code of conduct which the chancellor is required to disseminate pursuant to subdivision four of section 2801 of the New York state education law;

(iv) be included in mail to parents or guardians of students at each school at the beginning of each school year, be posted in prominent places within each school and be translated and made available in the ten most common languages spoken in New York city and in any other language spoken by more than ten percent of the parents or guardians of children attending any individual school; and

(v) be distributed to all staff, school safety officers and members of school safety committees.

3. The chancellor of the city public school system shall appoint the principal of each school as the person responsible for ensuring the dissemination of the anti-harassment policies and guidelines to all staff of each school, all school safety officers, all members of the school safety committee, and to all students and their parents or guardians, and for providing training to pedagogical staff and school safety officers. Such principal shall also ensure that the name and contact information of a school employee who can provide copies of such policies and guidelines is made available to all students, parents, guardians, staff and to the school safety committee. Such principal may designate a subordinate to assume the responsibilities required by this paragraph.

d. Reporting. 1. The chancellor of the city public school system shall appoint the principal of each school as the enforcement officer responsible for ensuring the enforcement of the anti-harassment policies and guidelines established pursuant to subdivision c of this section and to whom reports of incidents of harassment on school premises or at a school function may be made. Each such principal may designate a subordinate to assume these responsibilities. The chancellor shall also appoint the superintendent of each region and/or district within his or her jurisdiction, or the designee of such superintendent, as the person to whom reports of incidents of harassment on school premises or at a school function may be made when such report concerns the principal or other person appointed or designated as the enforcement officer of a school.

2. The chancellor shall create procedures under which incidents of harassment on school premises or at school functions are tracked centrally for record keeping purposes, and procedures under which such incidents of harassment are reported promptly to the principal or his or her designee, or the superintendent of each region and/or district or his or her designee, who must complete, for each such incident, an incident report indicating information about the incident, including, but not limited to, the parties, the location where such incident took place, the date and time such incident occurred and type of harassment involved.

3. By no later than July 30 of each year, the department shall publish a statistical summary of all incidents of harassment that occurred on school premises or at a school function during the preceding school year. Such summary report shall indicate, at a minimum, the number and nature of incidents of harassment broken down by school, school district, region, borough and grade level, and shall be published on the department's website and by such other means as, in the chancellor's discretion, are reasonably determined to best disseminate such information to the public.

4. The department shall also include, on each school's annual report card or any similar document that the department creates, summary information about incidents of harassment at such school, which information shall include (i) a comparison of all incidents of harassment at such school with all incidents of harassment in all similar schools, as determined by the department and (ii) the number of safety transfers that were granted from such school to another school during the preceding school year.

e. Protection of people who report incidents of harassment. Any person subjected to harassment or having reasonable cause to suspect that another person has been subjected to harassment on school premises or at a school function, who reasonably and in good faith either reports such information to appropriate school officials or to law enforcement authorities, or who initiates, testifies, participates or assists in any formal or informal proceedings pursuant to this section, shall not be liable for civil damages that may arise from the making of such report or from initiating, testifying, participating or assisting in such formal or informal proceedings, and no school official or employee shall take, request or cause a retaliatory action against any such person who either makes such a report or initiates, testifies, participates or assists in such formal or informal proceeding.

§3. If any subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of the local law that added this section, which remaining portions shall remain in full force and effect.

§4. Effective date. This local law shall take effect one hundred and eighty days after its enactment.

EVA S. MOSKOWITZ, Chairperson; LEROY G. COMRIE, BILL DEBLASIO, HELEN D. FOSTER, ROBERT JACKSON, G. OLIVER KOPPELL, JOHN C. LIU, DAVID YASSKY, Committee on Education, April 26, 2004.

Laid Over.

Report of the Committee on Finance

Report for Res. No. 298-A

Report of the Committee on Finance in favor of approving, as amended, a Resolution concerning the establishment of the Madison/23rd /Flatiron/Chelsea Business Improvement District in the Borough of Manhattan and setting the date, time and place for the public hearing to hear all persons interested in the establishment of such district.

The Committee on Finance to which was referred on April 21, 2004 (Minutes, page 1771) the annexed resolution respectfully

REPORTS:

ANALYSIS:

This Resolution is required by the existing law, Chapter 4 of Title 25 of the New York City Administrative Code, as amended by Local Law 82 of 1990, which authorized the City Council to establish Business Improvement Districts (BIDs).

The main purpose of this Resolution is to set the public hearing date, time and place for the review of the local law, which would establish the Madison/23rd/Flatiron/Chelsea Business Improvement District.

The hearing on the local law and the BID plan, will be held on May 19, 2004 in the City Council Committee Room, 2nd Floor, City Hall at 10 a.m., before the Committee on Finance.

This Resolution also directs that all notices required under the BID law be properly given by the Department of Small Business Services and the Madison /23rd /Flatiron /Chelsea BID Steering Committee, respectively.

BIDs, which are specifically established areas, use the City's property tax collection mechanism to approve a special tax assessment with which to fund additional services that would enhance the area and improve local business. The additional services are normally in the areas of security, sanitation, physical/capital improvements (lighting, landscaping, sidewalks, etc.), seasonal activities (Christmas lighting) and related business services (marketing and advertising). The BID demarcates the areas in which services will be enhanced and also establishes the mechanism for the assessment needed to generate the required budget.

Accordingly, Your Committee recommends its adoption, as amended.

(The text of Res. No. 298-A may be found at the end of the following Committee Report attachment:)

ATTACHMENT to Committee Report:

CITY PLANNING COMMISSION

February 25, 2004 Calendar No. 14 N 040200 BDM

IN THE MATTER of an application submitted by the Department of Small Business Services on behalf of the Madison/ 23rd/ Flatiron/ Chelsea Business Improvement District pursuant to Section 25-405 of the Administrative Code of the City of New York, as amended, concerning the formation of the Madison/ 23rd/ Flatiron/ Chelsea Business Improvement District, Borough of Manhattan, Community Districts 4,5 and 6.

On October 31, 2003 the Mayor authorized the preparation of a district plan for the Madison /23rd /Flatiron /Chelsea Business Improvement District (BID). On December 2, 2003 on behalf of the Madison /23rd /Flatiron /Chelsea District Management Association, the Department of Small Business Services (DSBS) submitted to the Department of City Planning the district plan located in Community Districts 4, 5 and 6 in the Borough of Manhattan.

BACKGROUND

The proposed Madison /23rd /Flatiron /Chelsea BID is located in the Flatiron section of Manhattan. The proposed BID boundaries are: east to west from Third Avenue to Sixth Avenue along 23rd Street; south to north, 'including all side streets from 21s' Street to 29th Street, along Broadway, Sixth, Fifth and Park avenues; Madison Avenue between 23rd and 29th streets; and Lexington Avenue from 22nd to 26th streets.

The proposed BID area is primarily commercial and mixed-use residential with some not-for-profits. Historic buildings, such as the Flatiron Building, as well as the Metropolitan Life and New York Life Insurance buildings, are a central focal point in the district. Baruch College is also partially located within the BID's boundaries.

There are 4,927 businesses located within 1,533 properties of the proposed BID area. There are over 600 retail stores in the District.

The services of the proposed BID will primarily focus on sanitation, security, holiday lighting and marketing. The sanitation program may include cleaning and sweeping of sidewalks and gutters, emptying garbage receptacles and removal of graffiti. The BID proposes to employ a team of sanitation workers, that will operate 365 days a year. The program will supplement the existing municipal sanitation program.

The budget for the first year of the BID is projected to be $1,680,000. The budget will allocate $713,00 towards the sanitation program; $238,000 to security; $204,000 to marketing; $100,000 towards outreach to the homeless; $311,000 to administration and a reserve fund of $114,000.

The BID assessment is six cents ($0.06) per commercial square foot on twenty-eight million square feet in the District. Any building over one million square feet would be assessed at eighty percent of the total rate. All wholly residential properties shall be assessed one dollar, annually. Not-for-profit and public institutions shall be exempt, except that if the building contains commercial uses, the assessment will be six cents per commercial square foot.

Extensive outreach to property owners, merchants and residents was done by the BID Steering Committee. There were public meetings, mailings and door to door outreach conducted by the sponsor. All property owners were informed of the approximate BID assessment for their properties. The outreach for the BID was documented and submitted to City" Planning. The BID's sponsor obtained support statements from 87% of the assessed value property owners.

The Madison/ 23rd/ Flatiron/ Chelsea BID area is in close proximity to the Union Square BID. There are properties between the Union Square BID and the proposed BID, that are not included within any BID. However, the Union Square BID has future plans to expand and plans to include properties north of their boundary at 17th. Street.

ENVIRONMENTAL REVIEW

The district plan was reviewed pursuant to the New York State Environmental Quality Review Act (SEQRA) and the SEQRA regulations set forth in Volume 6 of the New York State Code of Rules and Regulations, Section 617.00 et seq.; and the New York City Environmental Quality Review (CEQR) Rules of Procedure of 1991 and Executive Order No. 91 of 1977. The designated CEQR number is 04SBS001M. The lead agency is the Department of Small Business Services.

After a study of the potential environmental impact of the proposed action, a negative declaration was issued on November 24, 2003.

LAND USE REVIEW

On December 2, 2003 the Department of Small Business Services submitted the district plan for the Madison/ 23rd/ Flatiron/ Chelsea Business Improvement District(BID) to the Department of City Planning. The plan was then transmitted for review to the Office of the Mayor, Office of the Manhattan Borough President, City Council Speaker, City. Council Members for Council Districts 2 and 3 and Manhattan Community Boards 4, 5 and 6.

Community Board Public Hearing

Community Boards 4, 5 and 6 adopted resolutions recommending approval of this application (N 040200 BDM) . Community Board z recommended approval on December 3, 2003 by a vote of 32 in favor, 0 opposed and 0 abstentions. Community Board 5 voted 26 in favor; 0 opposed and 1 abstention, on December 11, 2003, to approve the application. On December 10, 2003, Community Board 6 voted 36 in favor; 0 in opposition and 0 abstentions.

City Planning Commission Public Hearing

On January 7, 2004 (Calendar No. 2) the Commission scheduled January 28, 2004 for a public hearing on the district plan. On January 28, 2004 (Calendar No. 5), the hearing was duly held. There were four speakers in favor of the proposal and none in opposition.

The chair pro tem of the 23rd Street Association spoke in support of the BID expansion. She spoke about the growth of the businesses in the area and the sanitation problems that developed as a result. She spoke about how important it was to establish a BID to address the sanitation problem of the area. She stated that the proposed BID had the support of the three Community Boards that cover the proposed BID.

The president of the Union Square BID spoke in support of the proposed BID. She stated that the Union Square BID is planning to expand its boundaries to include properties that were not included in the proposed Madison/23rd/Flatiron/Chelsea BID, but that are situated between the existing Union Square and the proposed BID.

The chairperson of Community Board 5 spoke in support of the BID. He spoke of his involvement with several BIDs that are within the boundaries of the Community District. He stated that the BID would be beneficial to the residents of the area as well as the businesses. He said that the BID would unify and brand the area as a neighborhood.

The president of the 23rd Street Association and member of the Steering Committee spoke in favor of the proposed BID. She spoke about previous short-termed successful events that were conducted to address sanitation problems and to give the businesses an idea of how a BID would be beneficial to them.

There were no other speakers and the hearing was closed.

CONSIDERATION

The Commission believes that the proposal to establish the Madison/ 23rd/ Flatiron/ Chelsea Business Improvement District in Manhattan is appropriate.

The Commission believes that it is important for the proposed BID to work together with the Union Square BID to include properties that are not within either BID, but are situated between the existing Union Square and proposed

Madison/23rd/Flatiron/Chelsea BIDs. Based on testimony provided at the public hearing, the Commission believes that these properties will be included in future expansion plans for the Union Square BID.

The Commission also encourages both BIDs to coordinate the provision of homeless outreach services and other social services in the area. It believes a collaborative effort will strengthen the entire area.

The Commission has carefully reviewed the documents that the proposed BID sponsor submitted regarding notification . of constituents about the pending BID. It believes that these outreach efforts for the BID were adequate and satisfactory.

BIDs are important to the City because they improve the business environment and aid in promoting healthy economic development for the City. The proposed BID area encompasses a diverse area that includes a huge residential component. The propose BID would establish a cohesiveness thereby unifying the area that can be identified by one image or brand.

RESOLUTION

The Commission supports the proposed plan and has adopted the following resolution:

Resolved, that the City Planning Commission certifies its unqualified approval of the proposed district plan for the Madison /23rd/Flatiron/Chelsea Business Improvement District.

The above resolution duly adopted by the City Planning Commission .on February 25, 2004 (Calendar No. 14) is filed with the City Council and the City Clerk pursuant to Section 25-405 of the Administrative Code of the City of New York.

Re: Madison Square Business Improvement District

Dear Chair Burden,

Manhattan Community Board No. 4 voted 32 in favor, none opposed, none abstaining, and none not eligible, to confirm our full support of the proposed Madison Square Business Improvement District at its January 7th meeting. Because of various failures of communication it was not clear from the first materials received or the presentation made to the Chelsea Preservation and Planning Committee on November 17th or at the full Board meeting on December 7th that the procedure was so far advanced that that meeting was the last opportunity to give a conforming response to City Planning.

The presentation to the Committee and the comments and overwhelming vote at the earlier Committee and full Board meetings show the Board's support for the proposed BID. While the Committee had anticipated further discussion about some details of the BID, such as the services to be offered and the relationship with the two Historic Districts that overlap a good portion of its area, the approach and openness of the proposers of the BID and their concern with establishing an identity based on the historic character of the neighborhood give us assurances of the BID's responsiveness in the future.

Sincerely,

Walter Mankoff

RE: Establishment of a Business Improvement District in the Madison/23rd Street/Flatiron/Chelsea area

Dear Commissioner Walsh and Commissioner Burden:

At the regularly scheduled monthly meeting of Community Board Five on Thursday, December 11, 2003, the Board passed the following resolution by a vote of 26 in favor, 0 opposed, 1 abstaining:

WHEREAS, A group of real estate owners, retailers, and business professionals have sponsored a plan for the establishment of the Madison/23rd/Flatiron/Chelsea Business Improvement District pursuant to Section 25-405.a of the Administrative Code of New York, and

WHEREAS, The plan was presented to the BID committee of Community Board Five in conjunction with a Public Hearing on December 9, 2003, and

WHEREAS, The committee explored and reviewed the reasons for and the organization of the BID including its financials; and

WHEREAS, The proposed BID comprises an area generally centered around Madison Square Park, primarily the area from West 21st street to West 29th Street, 6th Avenue to Park Avenue South and Park Avenue South to Lexington Avenue from East 22nd Street to East 26th Street, and East 23rd Street to Third Avenue; and

WHEREAS, It is Community Board Five's understanding that the Union Square Partnership will be expanding its northern boundary to meet the south boundary of the Madison/23rd Street/Flatiron/Chelsea BID; and

WHEREAS, The proposed BID calls for program areas to include Maintenance and Supervision, Safety and Security, Identity and Marketing, and Homeless Outreach; and

WHEREAS, The total proposed BID annual budget is $1,680,000; and

WHEREAS, The proposed district plan includes Community Board Five representation on the Board of Directors; and

WHEREAS, The sponsors have requested that Community Board Five approve the establishment of the proposed BID; therefore, be it

RESOLVED, That Community Board Five approves the establishment of the Madison/23rd Street/Flatiron/Chelsea Business Improvement District (BID) with the following stipulations:

Email: cb5manhattan@nyc.rr.com

1. that an overall streetscape, signage program, awning guidelines and other appropriate plans for the improvement of the district be developed and presented to Community Board Five;
2. that the name and graphic image of the BID be thoughtfully reconceived to reflect the nature of the district;
3. that the BID will consult with Community Board Five prior to the selection and placement of all future street furniture, including but not limited to planters, news boxes, streetlights, kiosk information booths etc;
4. that if the Union Square Partnership is not successful in the expansion of it's BID area north to 20th Street within a year, that the Madison/23rd Street/Flatiron/Chelsea area BID consider including 20th Street in its BID area.
5. that Community Board Five reserves the right to withdraw from support of the BID should substantive changes of mission take place

Thank you for the opportunity to comment on this matter.

Sincerely

Kyle Merker

Re: Application # 04DSBS001M for a Madison/23rd/Flatiron/Chelsea Business Improvement District

WHEREAS, representatives from our board attended a meeting where we were provided detailed information about this proposal; and

WHEREAS, this new BID would impact Community Board Six minimally, with greater impact in Community Boards Four and Five; and

WHEREAS, the Department of Business Services has determined this project will not have a significant effect on the environment; and

WHEREAS, it is felt that this new BID will be an amenity to the community it serves; now

THEREFORE, be it

RESOLVED, that Community Board Six supports the application for a Madison/23rd /Flatiron/Chelsea Business Improvement District

1. MAP OF THE DISTRICT

The *Madison/23rd/Flatiron/Chelsea* Business Improvement District (hereinafter the "District") extends east and west from Third Avenue to Sixth Avenue along 23rd Street, and south to north including all side streets from 21st Street to 29th Street along Broadway, Sixth, Fifth and Park Avenues; Madison Avenue between 23rd and 29th Streets; and Lexington Avenue from 22nd to 26th Streets as shown in *Exhibit I.*

The Mayor, by a Resolution, a copy of which is annexed hereto as *Exhibit B,* has provided for the preparation of this District Plan pursuant to authority granted by Local Law 96 of 1989 (the "Law").

2. PRESENT USES OF DISTRICT PROPERTY & DISTRICT PROFILE

A. Area Profile

The proposed District is primarily commercial, with not-for-profit and mixed-use residential throughout, in buildings constructed as early as the turn of the century Metropolitan Life Insurance Building (1893) and the Flatiron Building (1902) and as recently as the new Baruch College (2002). There is street level retail on every blockfront - restaurants, apparel shops, shoes, sporting goods, cosmetics, bookstores, dry goods - in every price range. The toy industry, insurance companies, and table and home furnishings are prominent, traditional commercial uses in the District. Sixth Avenue, the "Ladies' Mile" between 20th and 23rd Streets, has had a resurgence in its nineteenth century cast iron buildings with the influx of big box stores.

B. Area History

As Manhattan moved north early in the nineteenth century, City Hall was considered uptown in 1820, and by 1850, 14th Street marked the city's northern boundary. In a few short short years just prior to and following the Civil War, Madison Square/23rd Street became the center of everything exciting and fashionable in New York.

By the late 1800's, Madison Square and 23rd Street had a mix of stately homes and establishments for elegant entertaining. Here were fine restaurants, the very best theaters and some of the most luxurious hotels in the city. In the 1860's, private houses lined three sides of Madison Square Park, and Broadway and Fifth Avenue were the locations for shops, hotels and restaurants. Broadway became known as

"Ladies' Mile" for its many fine shops. Lord & Taylor opened its store at the southwest corner of Broadway and 20th Street in 1871.

The Fifth Avenue Hotel was built in 1859 on the west blockfront of Fifth Avenue between 23rd and 24th Streets, followed by the Albemarle on Broadway and 24th in 1860. These hotels were followed between 1863 and 1871 by the St. James, Hoffman House, Victoria, the Brunswick and the Gilsey on Broadway and Fifth Avenue generally between 24th and 29th Streets. Many were gathering places for the Democratic and Republican parties; U.S. Presidents and foreign dignitaries stayed here.

Restaurants and theaters followed the hotels to Madison Square. Delmonico's moved to West 26th Street between Broadway and Fifth Avenue overlooking Madison Square Park with private dining rooms and a grand ballroom, the scene of the city's many leading social events.

Enormous rents for residential properties around the Square soon forced owners out (and further north), and the properties were used by boarding houses, shops and clubhouses. The Jerome mansion, home to Jenny Jerome, Winston Churchill's mother, at 32 East 26th Street, was rented in 1868 to the Union League Club. The residence boasted a private theater, a gold ballroom holding 300 people, a breakfast room for 70, and three-storied tall stables with black walnut paneling and wall-to-wall carpeting. The residence, reconstructed, at 28 East 20th Street was the home of Theodore Roosevelt, descended from one of New York's original Dutch families and the only native-born New Yorker to become President of the United States.

O. Henry wrote several of his short stories about life in and around Madison Square. Stanford White's first (Fifth Avenue Hotel) and last (Madison Square Garden) commissions were created around the Square. John Sloan captured the area in painting; Stieglitz and Streichen captured it on film. The publicized affair of Evelyn Nesbit and Stanford White took place here. This was where "23 skidoo" was born - at the windiest spot in the city, the point of the Flatiron Building, where ladies' skirts flew up and police chased the lookers-on.

Fourth Avenue was devoted "to the trade" from the beginning, in three- and four-story flats with stores on the ground floor. Residential hotels stood on many corners. Wide, stately and quiet, Fourth Avenue was a link between the aristocratic Fifth, Madison and Lexington Avenues and the unpretentious bustle of Third and Sixth Avenues.

With the movement of prominent wealthy families north to new mansions on Fifth, Park and Madison Avenues at turn of the century, Madison Square/23rd Street lost its exciting mix of fine shops, restaurants, clubs and theaters. The hotels began to fade because the establishments favored by the elite were now further uptown.

Madison Square was then on its way to the office building center that it became. Metropolitan Life moved from Park Place in 1893 to a $3 million nine-story building at the northeast corner of Madison Avenue and 23rd Street. Office buildings, especially those occupied by publishers, soon rose along Fifth Avenue. Sixth Avenue in the 20's with its department stores became a busy shopping area for the middle class.

The Flatiron, or Fuller, Building was built in 1902 at the crossroad of Fifth Avenue and Broadway, 22nd to 23rd Streets. It was one of the tall buildings of the time, and an early example of construction to be entirely supported on a steel frame.

The location of the New York Life Insurance building at Madison Avenue between

26th and 27th Streets, marks the site of several notable earlier buildings. Originally it was the site of the Union Depot, terminal of the New York and Harlem railroad. After 1871 when Grand Central Terminal opened, it became Gilmore's Garden, then P.T. Barnum's Hippodrome, later refinanced as Madison Square Garden. Noted architect Stanford White designed a replacement building, and it was on that roof that he was shot by the husband of Evelyn Nesbit. New York Life was built in 1928, architect Cass Gilbert.

C. Commercial Profile

With few exceptions, the office buildings in the District today were constructed just prior to and following the turn of the twentieth century. Uses of the buildings, at the outset publishing, printing and related uses along Fifth Avenue, have changed to architects' offices, graphic design firms, TV and film producers, writers and photographers. The upper floors of Sixth Avenue buildings and on Broadway, Park Avenue South and side streets are taken up by advertising and finance firms, imaging companies and import/export. Insurance companies on the east side of the park, Metropolitan Life and New York Life have remained since 1893 and 1928. The Flatiron building, 1902, is one of the few commercial buildings to be a designated landmark together with the insurance companies' buildings.

Many of the commercial buildings, solidly built granite structures, house significant industries, such as the toy industry, textiles, tabletop and gift industries, all of which sponsor trade shows throughout the year, bringing large numbers of buyers to the District. The toy industry's buildings on the west side of the park are a striking example. Other buildings from the earlier era put to twenty-first century use, are the Goelet Building, 900 Broadway; the Methodist Book Concern, 150 Fifth (1889); Presbyterian Building, 154-158 Fifth; Mohawk Building, 160 Fifth (1891); Spero Building, 19, West 21st; Scribner Building, 153-157 Fifth (1894); Brooks Brothers Building, 938 Broadway (1884); Western Union Telegraph. One of the few recently constructed commercial buildings is the New York Merchandise Mart at Madison Avenue and 26th Street, built in 1967.

D. Hotel Profile

Hotels in the District include the Giraffe at 365 Park Avenue South, Gershwin, 7 East 27th Street, Arlington, 18 West 25th Street, La Samanna, 25 West 24th Street, Latham, 4 East 28th Street, Carlton, 22 East 29th Street.

E. Retail and Restaurant Profile

There is an eclectic mix of retail stores, shops and restaurants throughout the District, and retail exists at the ground level of every building in the District, with few exceptions. In the Ladies' Mile cast iron buildings along Sixth Avenue are Burlington Coat Factory, ,Men's Wearhouse, Best Buy, Just Bulbs, Staples and Barnes & Noble. On Fifth, Broadway and Park Avenue South are Domain Furniture, Eneslow Shoes, Ann Taylor, Origins, Sprint, Joe Malone, Club Monaco, Restoration Hardware, Door Store, Home Depot, Today's Man, Princeton Ski Shop.

There are banks, nightclubs and cabarets throughout, together with gyms, fitness and healing centers.

Restaurants represent every palate and preference, from upscale 11 Madison Park, Tabla and Blue Smoke to Daily Soup and Outback Steakhouse, and include Bolo, Georgio's, Olive Garden, Ottomo, Chazel Bistro, Mad 28, Danzoor, Enoteca i Trulli, La Petite Auberge, Les Halles, Bondi's,' Scopa, Novita, Justine's, The Punch, Union Pacific and Mae Rose Diner.

F. Residential Profile

Most residential use is located to the east and west of the District with a major

apartment building on 23rd Street between Broadway and Madison Avenue, and several important recently constructed apartment buildings on Sixth Avenue: the Caroline,

the Vanguard, the Capital at Chelsea, and the Chelsea Tower. Many loft buildings in the District contain residential and commercial use above the ground floor, with retail at grade, and several office buildings on Park Avenue have been converted to residential use.

G. Not for-Profit and Public Uses

Public uses include the New York State Appellate Court at Madison Avenue and 25th Street; the New York State Armory at Lexington Avenue and 25th Street; and the Madison Square United States Post Office on 23rd Street between Lexington and Third Avenues.

Not-for-Profit uses include the National Multiple Sclerosis Society, United Cerebral Palsy organization, Common Ground Community residence, Federation of Protestant Welfare Agencies, Community Service Society. Schools are Baruch College, School for the Physical City, Touro College. Churches include Calvary Episcopal, Church of the Transfiguration and Marble Collegiate.

Madison Square Park between Fifth and Madison Avenues, 23rd to 26th Streets, holds an important place in the history of the City, and has been recently restored as a handsome public urban space.

H. Transportation Profile

The District is well served by mass transportation, and includes bus routes 1, 2, 3, 5, 6, 7, 101, 102, 103, 23, and subway lines N, R, F and 6. Vehicular traffic has access to 23rd Street from the FDR Drive and West Side Highway.

I. Public Services

The District falls within the boundaries primarily of Community Board 5, with a small portion on the east side of Lexington Avenue to the west side of Third Avenue along 23rd Street that is within Community Board 6, and extending along the west side of Sixth Avenue, between 21st and 29th Streets a portion that is within the boundary of Community Board 4. The District is covered by the New York City 13th Police Precinct.

J. Current Zoning

M1-6, Ml-6M, Ml-5M, C6-4M, C5-3, C5-2, C6-1, and Cl-8 as shown on *Exhibit IV.*

3. PROPOSED SERVICES

The services to be provided pursuant to this Plan (the "Services") may include any services required for the enjoyment and protection of the public, and the promotion and enhancement of the District. The BID is committed to ensuring that its proposed services and improvements incorporate universal design concepts that enhance accessibility for persons of all ages with diverse physical abilities.

A. Maintenance and Sanitation

The goal of the BID Maintenance and Sanitation program is to achieve a state of cleanliness in the BID area that can be quantified and so that the District will be perceived by the public as being "remarkably cleaner." New York City has a street and sidewalk cleanliness rating system called Operation Scorecard in which unannounced inspections of the City's streets and sidewalks are conducted on a regular basis. Most of the City's business improvement districts participate in this system; it will be an effective way to measure the success of this BID's cleaning program.

The business improvement district may provide in-house or may contract out for a "Clean Team" of workers to provide BID sanitation services to the area 9 hours per day, 362 days per year. This service is in addition to, and does not replace, municipal services currently provided in the area. The service does not substitute for private property owners' and tenants' responsibilities for clean sidewalks. The service will include: sweeping corners and crosswalks; clearing catch basins of debris, water and ice; emptying corner trash receptacles; removing graffiti and posters from light poles, roll down gates and construction fencing. The team will also, from time to time, sweep sidewalks where special problems occur. The program will purchase identifiable BID trash receptacles and refuse bags stamped with the BID name and logo, and BID workers will wear special BID uniforms. The BID will purchase 44 pedestrian trash receptacles with the BID logo at the outset of the program at a cost of $500 per receptacle.

The estimated annualized cost of Sanitation/Maintenance services is $713,000.

B. Safety and Security

The BID Security program may be performed in-house or may be contracted out in order to interact in the public environment, the setting for quality of life challenges and offenses. It will consist of at least five uniformed personnel and a supervisor working six days a week, linked by radio to the 13th Precinct through the Association for A Better New York's Interlock program. Personnel will serve as "eyes on the street" for illegal peddling, safety and medical emergencies and tourist assistance, working closely with the precinct's peddler task force. Security personnel and the BID director will seek compliance with the City on issues of illegal awnings and signage, and illicit activities. Estimated annualized cost of Safety and Security program, $238,000

C. Identity and Marketing

Almost all of New York City's business improvement districts carry out marketing programs for their areas to call attention to improved conditions, highlight restaurants, stores and hotels located there, influence levels of retail operation, and inform District members and the public of the BID's work. The strong focus of the Madison/23rd/Flatiron BID will be the creation of a "brand" or image for the area so that property owners can better market their individual properties. The program will include the development of a logo and may include installation of banners on City street light poles; development of newsletters, maps, restaurant and shopping guides, to-the-trade lists; creation of dining and shopping discounts; maintenance of a Web site; joint advertising; sponsorship of special events such as walking tours; and staffing of an information kiosk.

In addition, as part of its effort to upgrade the physical environment of the District, the BID will provide architectural services to property owners and their retail tenants to address issues such as changing solid roll-down gates to see-through gates, and provide free design services up to a specified dollar amount to create visual improvements in storefront and facade design. A set of design guidelines will be prepared for owners to incorporate in their retail leases if they so desire.

The Image/Marketing program will be in-house and contracted out at an estimated annual cost of $204,000.

D. Outreach to the Homeless

A BID Outreach program will work with social services programs in the area to provide a team of social workers who will establish contact with and provide ongoing assistance to homeless individuals, offering referral, transportation, physical assistance to emergency rooms, clinics, food programs, drop-in centers, temporary shelters, substance abuse programs, housing programs, and other types of appropriate assistance.

The program will be contracted out at an annualized cost of $100,000.

E. Administration and OTPS

BID administrative personnel to supervise services, direct the work of consultants and carry out day-to-day mandates of the BID may include an Executive Director or President, a Deputy Director and clerical staff. Staff responsibilities include the administration of the not-for-profit District Management Association corporation; executive staff to the Board of Directors; management of the services; ombudsman for owners and tenants; and public spokesperson and marketing executive for the District.

Administration and OTPS including rent, accounting and legal services, and insurance total $311,000 on an annualized basis.

F. Contingency

Contingency is included at approximately seven per cent (0.07) of the annual budget to accommodate late payments of the BID assessment as well as repayment without interest of seed funds provided for the establishment of the BID by Steering Committee members and others. Total, $114,000.

G. Additional Services

Subject to any approvals and controls that may be required by any City agency having jurisdiction thereof, and in addition to the approval of the Board of Directors of the District Management Association, in subsequent years, the District may provide such additional services as are permitted by law.

H. General Provisions

i. All services shall be in addition to, and not in substitution of, required and customary municipal services provided by the City on a citywide basis.

ii. All services need not be performed in every Contract Year.

iii. The staff and/or subcontractors of the District Management Association may render such administrative services as are needed to support performance of the Services.

iv. In the event that in any given Contract Year the sources of funding (as same are described in Section 5 of this Plan) do not in the aggregate produce revenues equal to the Total Annual Budget Amount (hereinafter described) for such Contract Year, the District Management Association may, subject to the Contract (hereinafter defined) forgo providing one or more or all Services in order to have revenues sufficient to pay the debt service required in the Budget (hereinafter defined) for such Contract Year.

4. PROPOSED IMPROVEMENTS

The improvements (the "Improvements") to be provided pursuant to this Plan may include, but are not limited to, the following, provided that any improvements that require review and approval by an appropriate City agency shall be submitted to that City agency and to Community Board 4, 5 and 6 prior to undertaking any improvement. No improvements are planned during the first year of operation. During the existence of the BID the maximum cost of improvements, if any, shall not exceed $16,000,000.00

i. Exterior lighting to enhance security, or for aesthetic or marketing purposes;

ii. Street and sidewalk improvements to improve vehicular and pedestrian circulation or for aesthetic or marketing purposes;

iii. Signs, artwork, marketing graphics and enhancement of the street environment from time to time as may be warranted, including but not limited to decorative barriers during street or private construction;

iv. Lighting and decoration;

v. Such other improvements as may from time to time be deemed desirable in furthering the goals of the District.

These improvements may be implemented on an as-needed basis. All improvements shall be in addition to and not in substitution for required and customary municipal improvements provided by the City on a citywide basis. The staff and/or subcontractors of the District Management Association may render such administrative services as are needed to support construction of the improvements.

5. PROPOSED SOURCES OF FUNDING

The sources of funding for all Services, Improvements, debt service as permitted pursuant to paragraph C below, and administrative costs necessary to support the programs contemplated under this Plan, shall be the sources of funding described in paragraphs A through F. Subject to requirements of the law, the *Madison/23rd/Flatiron/Chelsea* District Management Association (DMA) may apply all monies derived from the sources of funding permitted herein toward funding any expenditure permitted under this Plan.

A. Source of Funding: Assessments.

The DMA may enter into the Contract (hereinafter defined) for the purpose of having the City levy and collect, and then disburse to the DMA, assessments with respect to the Benefited Properties. Such assessments, as described herein below, shall be defined as "Assessments." To defray the cost of Services and Improvements in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the Services and Improvements. Each property will be assessed at a rate determined by the DMA and yielding an amount sufficient to meet the Annual Budget. The rate will be arrived at by dividing the total District Budget by the total Adjusted Commercial Square Footage of the District.

All properties as classified in the most recent New York City tax rolls and as described below as Classes A, A.1, B, C, D and D.1 will be assessed on current calculations as follows:

Class A: Retail/Commercial/Professional

All properties within the District devoted in whole or in part to retail, commercial or professional use shall be assessed at a rate anticipated to be approximately $0.06 (six cents) per commercial square foot for the first Contract Year.

Class A Rate = Budget -f Total Class B lots ($1.00) + Total Class D lots ($1.00) + Total Class D. I lots (Class A)] [Total Commercial Square Footage - Class D lots - Class D.1 lots]

Class A. 1 Retail/Commercial/Professional

Any building over 1.0 million square feet covering a single city block would be assessed at 80% of the total rate otherwise applicable to that building.

Class B: Residential

All properties devoted exclusively to residential uses shall be assessed one dollar ($1.00) per annum.

Class C: Not-for-Profit and Public

Properties owned by not-for-profit and public agencies which are exempt from real property tax shall be exempt from BID assessment. Properties with exclusively not-for-profit tenants in one hundred percent of their commercial square footage shall be assessed as Class C, exempt from BID assessment. Properties with both not-for-profit and for-profit tenants in their commercial square footage shall be assessed as Class A, commercial, subject to BID assessment.

Class D: Vacant Parcels

All properties vacant, without structures or any commercial use, shall be assessed at the rate of one dollar ($1.00) per annum until such time as they receive a temporary or permanent certificate of occupancy.

Class D. 1: Parking Lots

All properties without structures, used as parking lots shall be assessed on lot square footage and calculated at the Class A rate.

Limitations on Assessment:

The amounts, exclusive of debt service, assessed and levied in any given year against the Benefited Properties shall not exceed 20% of the total general City real property tax levied in that year against Benefited Properties.

B. Source of Funding: Donations

The District Management Association may accept grants and donations from private institutions, the City, other public agencies, corporations, partnerships or individuals and from other not-for-profit agencies.

C. Source of Funding: Borrowings

Subject to the following conditions, the District Management Association, subject to the review and approval of the City, may borrow money from private lending institutions, the City, other public entities, individuals, firms, corporations or partnerships and other not-for-profit organizations for the purposes of funding operations or financing improvements. Such borrowings may be in the nature of a line of credit for short term working capital needs.

The use of monies received by the District Management Association from the City or from any other public entity, whether in the form of a grant or as proceeds from a loan, shall be subject to all statutory requirements applicable to the expenditure and use of such monies, and any contractual agreements imposed by the City (whether pursuant to the Contract or otherwise) or by any other public entity, as the case may be. Any loans which the District Management Association may enter into as borrower shall be subject to Section 6 of this Plan.

D. Source of Funding: Charges for User Rights

The District Management Association may undertake or permit commercial activities or other private uses of the streets or other parts of the District in which the City has any real property interest (the "User Rights"), provided, however, that (i) the User Rights to be so undertaken or permitted by the District Management Association shall have been set forth in this Plan or authorized for licensing or granting by the City to the District Management Association in a Local Law adopted by the City Council and (ii) licensed or granted to the District Management Association by the City, and (iii) authorized by the appropriate City agency having jurisdiction thereof. Once so granted or licensed, the User Rights in question shall be undertaken or permitted by the District Management Association in such a manner as to conform to the requirements, if any, set forth in the Plan or the aforesaid Local Law with respect to User Rights, and conform to the requirements authorized by the appropriate City agency having jurisdiction thereof. Such requirements may include but shall not be limited to:

(1) requirements as to what consideration the District Management Association shall pay to the City for the grant and/or license in question;

(ii) requirements as to whether and how the District Management Association may permit others to undertake the User Rights in question pursuant to a sub-grant or sub-license;

(iii) requirements as to what charges the District Management Association may impose upon other persons as consideration for such sub-grant or sub-license; and

(iv) requirements as to the general regulation of the User Rights by whomsoever undertaken.

Subject to the approval and control of the foregoing, the District Management Association may undertake or permit the following User Rights:

1. Taxi Stand Kiosks
2. Information and Promotion Kiosks
3. News Racks
4. Such other User Rights as may be appropriate to the District.

E. Source of Funding: Other

The District Management Association may derive revenues from any other sources of funding not heretofore mentioned as are permitted by law.

F. Assignment of Funding

The District Management Association may assign revenues from the sources of funding described in paragraphs B, C and E of this Section 5 for the purpose of securing loans which the District Management Association may enter into pursuant to paragraph C of this Section 5, provided such assignments are subject to the requirements of Section 6 of this Plan.

6. PROPOSED EXPENDITURES & ANNUAL BUDGETS

The total amount proposed to be expended by the District Management Association for improvements, if any, services and operations in the first Contract Year is $1,680,000. During the existence of this BID, the maximum cost of the improvements, if any, will not exceed $16,000,000 as more fully set forth in Subsection A of this Section 6. The total, as proposed to be expended for any subsequent Contract Year, shall not be greater than the aggregate amount of all monies which the District Management Association may collect from all funding sources permitted under Section 5 of this Plan.

A. First Year Assessment Budget

It is estimated that the annualized budget of proposed expenditures to be made during the first Contract Year shall be as follows:

Maintenance and Sanitation	$ 713,000
Safety and Security	238,000
Identity and Marketing	204,000
Outreach to the Homeless	100,000
Administration and OTPS	311,000
Contingency, 7%	114,000
Total First Year BID Budget	$1,680,000

Assessment Rate:
Six cents ($0.06) approximated per commercial square foot on twenty-eight million (28,000,000) approximate commercial square feet in the District.

B. Subsequent Budgets

The District Management Association shall establish for each Contract Year after the first Contract Year, a proposed budget of expenditures including both assessments and contributions. Such proposed budget shall reasonably itemize the purposes for which monies are proposed to be expended by the District Management Association; specify the amount (if any) proposed to be expended by the District Management Association for debt service and set forth the total amount proposed to be expended (the "total Annual Budget amount"). A proposed budget, whether for the first Contract Year or for a subsequent Contract Year shall be referred to as a "Budget."

C. General Provisions

The District Management Association shall make no expenditure other than in accordance with and pursuant to (i) a Budget for which a Total Annual Budget amount has been approved by the City and the Board of Directors of the District Management Association; (ii) any provisions in the Contract providing for the satisfaction of outstanding obligations of the District Management Association; (iii) any provisions in the Contract providing for the expenditure of amounts provided in the Budget for but expended in a previous Contract Year.

The Total Annual Budget Amount shall not exceed the maximum total and annual amount which the District Management Association may expend for the Contract Year in question pursuant to Paragraph A of this Section 6.

The Total Annual Budget Amount shall not be less than the amount needed to satisfy the District Management Association's debt service obligations for the contract year in question.

Subject to the District Management Association's need to satisfy its debt service obligations for the Contract Year in question, the District Management Association may revise the itemizations within any Budget.

In the event that in any given Contract Year the sources of funding do not in the aggregate produce revenues equal to the Total Annual Budget Amount for such Contract Year, the District Management Association may, subject to the Contract, forego some or all of the non-debt service expenditures as are provided for in the Budget in question in order to have revenues sufficient to pay the debt service provided for in such Budget.

7. BENEFITED PROPERTIES

The providing of Services and Improvements shall benefit all properties within the District (the "Benefited Properties"). The Benefited Properties are described by the District Map *(Exhibit I* and the tax blocks and lots listed in *Exhibit III.*

8. DISTRICT MANAGEMENT ASSOCIATION

The District Management Association established for the *Madison/23rd/Flatiron/Chelsea* Business Improvement District (the "District Management Association") will be incorporated under Section 402 of the New York State Not-for-Profit Law. The District Management Association is organized for the purpose of executing the responsibilities of a district management association as set forth in the Law. Furthermore, the District Management Association will carry out the activities prescribed in the Plan and will promote and support the District. In the final year of BID operation, the DMA will poll District property owners and commercial tenants to determine whether goals and expectations have been met and whether the BID should continue in operation for a subsequent Contract period.

The DMA is organized exclusively for purposes 501(c)(3) of Internal Revenue Code. The District Management Association will have four classes of voting membership and one class of non-voting membership. The voting classes are composed of (i) owners of record of real property located within the District; (ii) retail and commercial tenants leasing space within the District; (iii) not-for-profit and residential tenants leasing space within the District; (iv) four public representatives required by the Law. The non-voting class shall include a designated representative of Community Board 5, Community Board 4 and Community Board 6, and may include others with an interest in the welfare of the District, including representatives of community groups and other not-for-profit institutions within the District.

Each voting class will elect members to the Board of Directors in the manner prescribed by the Bylaws of the Corporation. The Board of Directors will include representatives of the owners of record of real property within the District (which shall constitute a majority of the Board), the representatives of retail and commercial tenants leasing space within the District, a representative of not-for-profit tenants and of residential tenants leasing space within the District, and one member appointed by each of the following public officials: the Mayor of the City of New York, the Comptroller of the City of New York, the President of the Borough of Manhattan, the City Council member who represents the District or, if more than one Council Member represents the District, then a representative designated by the Speaker of the City Council.

9. USER RIGHTS

A. User Rights: General

The DMA may undertake or permit commercial activities or other private uses of the streets or other parts of the District in which the City has any real property interest (the "User Rights"), provided, however, that the User Rights to be so undertaken or permitted by the DMA shall have been: (i) set forth in this Plan or authorized for licensing or granting by the City Council, and/or (ii) licensed or granted to the DMA by the City, pursuant to the Contract, and/or (iii) authorized by the appropriate City Agency having jurisdiction thereof. Once so granted or licensed, the User Right(s) in question shall be undertaken or permitted by the DMA in such a manner as to conform to the requirements, if any, set forth in this Plan, or the aforesaid Local Law with respect to User Right(s), and conform to the requirements authorized by the appropriate City Agency having jurisdiction thereof. Such requirements may include but shall not be limited to: (i) requirements as to what consideration the DMA shall pay to the City for the grant and/or license in question; (ii) requirements as to whether and how the DMA may permit other persons to undertake the User Right(s) in question pursuant to a sub-grant or sub-license; (iii) requirements as to what charges the DMA may impose upon other persons as consideration for such sub-grant or sub-license; and (iv) requirements as the general regulation of the User Right(s) by whomsoever undertaken.

B. User Rights: Proposed

Subject to the approval and control of the appropriate City Agency and/or subject to any requirements set forth by the City, the DMA may undertake or permit the following User Rights, subject to the requirements set forth in Section X, such as information and promotion kiosks, newsstands, news boxes.

10. REGULATIONS

The rules and regulations proposed for governing the operation of the District and the provision of Services and Improvements by the District Management Association (the "Regulations") are set forth below:

i. The District Management Association shall obligate itself to provide the Services and Improvements in a Contract or Contracts into which both the City and the District Management Association shall enter (collectively, the "Contract") for a specified term. Each year of the Contract shall be defined as a "Contract Year." The City shall, pursuant to the terms, conditions and requirements of the Contract, levy and collect and then disburse to the District Management Association the Assessments. Such disbursements shall be made in accordance with general procedures for the payment of other City expenditures.

ii The District Management Association shall comply with all terms, conditions and requirements elsewhere set forth in this Plan, and to be set forth in the Contract, and shall comply with all terms, conditions and requirements set forth by the appropriate City agency which is required by law to give its approval.

iii. The District Management Association shall let any sub-contracts that it intends to enter into in connection with providing the Services.

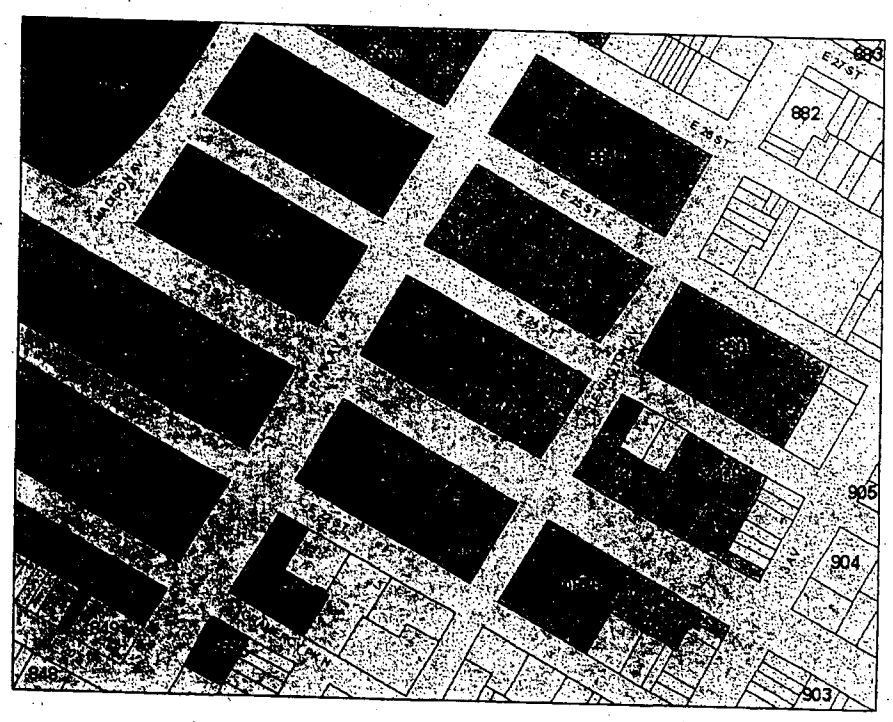

EXHIBIT II: MAYORAL LETTER OF AUTHORIZATION

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

October 31, 2003

Honorable Robert W. Walsh
Commissioner
Department of Small Business Services
110 William Street, 3rd Floor
New York, NY 10038

Dear Commissioner Walsh:

Pursuant to Section 25-405(a) of the Administrative Code of the City of New York, I hereby authorize the preparation of the district plan for the City's business improvement district, to be located in the Borough of Manhattan and generally bounded by:

East:	Third Avenue
West:	Avenue of the Americas
South:	21st Street
North:	29th Street
Sponsor Organization:	Madison Square BID Steering Committee

The Department of Small Business Services shall prepare the District Plan pursuant to authority granted by Section 25-405(a) of this law.

The authorization shall take effect immediately.

Sincerely,

Michael R. Bloomberg
MAYOR

c: Hon. A. Gifford Miller, Speaker of the City Council
Hon. David L. Weprin, Chair of the City Council Finance Committee
Hon. C. Virginia Fields, Queens Borough President
Hon. Christine Quinn, Council Member
Hon. Margarita Lopez, Council Member
Hon. Members of the City Council
Daniel L. Doctoroff, Deputy Mayor for Economic Development and Rebuilding
Andrew Schwartz, First Deputy Commissioner, Department of Small Business Services
Mark Newhouse, Deputy Commissioner, Department of Small Business Services
George Glatter, Assistant Commissioner, Department of Small Business Services

(The following is the text of Res. No. 298-A:)

Res. No. 298-A

Resolution concerning the establishment of the Madison/23rd/Flatiron/Chelsea Business Improvement District in the Borough of Manhattan and setting the date, time and place for the public hearing to hear all persons interested in the establishment of such district.

By Council Members Weprin, Quinn, Lopez, Clarke and Sanders Jr. (by request of the Mayor).

Whereas, pursuant to the authority granted by Chapter 4 of Title 25 of the Administrative Code of the City of New York (the "Law"), the Mayor, by authorization dated October 31, 2003, provided for the preparation of a district plan (the "Plan") for the Madison/23rd/Flatiron/Chelsea Business Improvement District (the "District") in the Borough of Manhattan; and

Whereas, pursuant to Local Law No. 82 for the year 1990, the City Council assumed responsibility for adopting legislation establishing Business Improvement Districts; and

Whereas, pursuant to section 25-405 (c) of the Law, the New York City Department of Small Business Services ("SBS") submitted the Plan to the City Planning Commission (the "CPC") on December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the City Council on or about December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the Council Members representing the council districts in which the proposed District is located on or about December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the community boards (Manhattan Community Boards Numbers 4, 5 and 6, hereinafter referred to as the "Community Boards") for the community districts in which the proposed District is located on or about December 1, 2003; and

Whereas, pursuant to section 25-405 (c) of the Law, the Community Boards notified the public of the Plan in accordance with the requirements established by the CPC; and

Whereas, pursuant to section 25-405 (c) of the Law, the Community Boards conducted public hearings on January 7, 2004 (CB#4), December 11, 2003 (CB#5) and December 10, 2003 (CB#6); and

Whereas, on January 7, 2004, Community Board 4 voted to approve the establishment of the District; on December 11, 2003, Community Board 5 voted to approve the establishment of the District; and on December 10, 2003, Community Board 6 voted to approve the establishment of the District; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC reviewed the Plan, held a public hearing and prepared a report certifying its unqualified approval of the Plan; and

Whereas, pursuant to section 25-405 (c) of the Law, the CPC submitted its report to the Mayor, to the City Council and to the Council Member representing the council district in which the proposed District is located; and

Whereas, pursuant to section 25-405 (c) of the Law, a copy of the CPC's report, together with the original Plan, was transmitted for filing with the City Clerk on March 4, 2004; and

Whereas, pursuant to section 25-406 (a) of the Law, a copy of the Plan and the CPC's report are annexed hereto and are made part of this Resolution; and

Whereas, pursuant to section 25-406 (a) of the Law, the Plan is on file for public inspection in the Office of the City Clerk, Municipal Building, Room 265, New York, New York; and

Whereas, pursuant to Section 25-406 (b) of the Law, any owner of real property, deemed benefited and therefore within the District, objecting to the plan must file an objection at the Office of the City Clerk within thirty days of the conclusion of the hearing held by the City Council, notice of which is provided by this Resolution, on forms made available by the City Clerk; and

Whereas, pursuant to Section 25-406 (b) of the Law, if owners of at least fifty-one percent of the assessed valuation of all the benefited real property situated within the boundaries of the District proposed for establishment, as shown upon the latest completed assessment roll of the City, or at least fifty-one percent of the owners of benefited real property within the area included in the District proposed for establishment, file objections to the Plan with the City Clerk within the thirty-day objection period, the District will not be established; now, therefore, be it

Resolved, that the Council of the City of New York, pursuant to Section 25-406 of the Law, hereby directs that:

(i) May 19, 2004 is the date and 10:00 a.m. is the time and the City Council Committee Meeting Room, 2nd Floor, City Hall is the place for a public hearing (the "Public Hearing") to hear all persons interested in the establishment of the District;

(ii) the Madison/23rd/Flatiron/Chelsea BID Steering Committee shall, not less than ten nor more than thirty days before the date of the Public Hearing, mail a copy of this Resolution or a summary thereof to each owner of real property within the proposed District at the address shown on the latest City assessment roll, to such other persons as are registered with the City to receive tax bills concerning real

property within the proposed District, and to the tenants of each building within the proposed District;

(iii) the Department of Small Business Services shall arrange for the publication of a copy of this Resolution or a summary thereof at least once in the City Record or a newspaper in general circulation in the City, the first publication to be not less than ten nor more than thirty days before the date of the Public Hearing; and

(iv) in the event that the Madison/23rd/Flatiron/Chelsea BID Steering Committee mails, or the Department of Small Business Services arranges for the publication of, a summary of this Resolution, such summary shall include the information required by section 25-406(c) of the Law.

DAVID I. WEPRIN, Chairperson; TRACY L. BOYLAND, MARGARITA LOPEZ, BILL PERKINS, MADELINE PROVENZANO, MICHAEL C. NELSON, CHRISTINE C. QUINN, EVA S. MOSKOWITZ, JOEL RIVERA, GALE A. BREWER, LEROY G. COMRIE, BILL DEBLASIO, SIMCHA FELDER, LEWIS A. FIDLER, JAMES F. GENNARO, ERIC N. GIOIA, ROBERT JACKSON, MICHAEL E. MCMAHON, HELEN SEARS, ALBERT VANN, DENNIS P. GALLAGHER, JAMES S. ODDO, Committee on Finance, May 5, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Reports of the Committee on Land Use

Report for L.U. No. 34

Report of the Committee on Land Use in favor of approving Uniform Land Use Review Procedure application no. 020654 ZMX, pursuant to §197-c and §197-d of the New York City Charter, concerning changes to the zoning map, Borough of Bronx, Council District no. 18.

The Committee on Land Use to which was referred on February 4, 2004 (Minutes, page 712) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

BRONX CB - 9 **C 020654 ZMX**

City Planning Commission decision approving an application submitted by Jocques Graham, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 4b and 7a, establishing within an existing R5 District a C2-1 District bounded by White Plains Road, a line 290 feet northerly of Bruckner Expressway, a line midway between White Plains Road and Virginia Avenue, and a line 150 feet northerly of Bruckner Expressway, as shown on a diagram (for illustrative purposes only) dated November 3, 2003.

INTENT

To amend Zoning Map, Section Nos. 4b and 7a.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 339

Resolution approving the decision of the City Planning Commission on ULURP No. C 020654 ZMX, a Zoning Map change (L.U. No. 34).

By Council Members Katz and Avella.

Whereas, the City Planning Commission filed with the Council on April 2, 2004 its decision dated March 24, 2004 (the "Decision"), on the application submitted by Jocques Graham, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment to the Zoning Map (ULURP No. C 020654 ZMX) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 27, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on November 3, 2003 (CEQR No. 02DCP060X);

Resolved:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, the Council approves the Decision.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section Nos. 4b and 7a, establishing within an existing R5 District a C2-1 District bounded by White Plains Road, a line 290 feet northerly of Bruckner Expressway, a line midway between White Plains Road and Virginia Avenue, and a line 150 feet northerly of Bruckner Expressway, as shown on a diagram dated November 3, 2003, Community District 9, Borough of the Bronx.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 54

Report of the Committee on Land Use in favor of approving Application no. 20045350 HAM, an Urban Development Action Area Project known as Marcus Garvey Park Homes, located in Community Board 10, Council District no. 9, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

The Committee on Land Use to which was referred on February 4, 2004 (Minutes, page 719) the annexed Land Use resolution respectfully

REPORTS:

INTENT

HPD requests that the Council:

1. Find that the present status of the Disposition Areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the projects as Urban Development Action Area Projects pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption o f the projects from real property taxes pursuant to Section 696 of the General Municipal Law for L.U. Nos. 54, 55 and 95.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the proposals, grant the requests made by the Department of Housing Preservation and Development, and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 340

Resolution approving an Urban Development Action Area Project located at 42 West 119th Street (Block 1717/Lot 53), 46 West 120th Street (Block 1718/Lot 55), 125 West 122nd Street (Block 1907/Lot 119), 127 West 123rd Street (Block 1908/Lot 19), 135 West 119th Street (Block 1904/Lot 15), 147 West 122nd Street (Block 1907/Lot 11), 158 West 123rd Street (Block 1907/Lot 157), and 225 West 113th Street (Block 1829/Lot 24), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 54; 20045350 HAM).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on December 15, 2003, its request dated November 24, 2003 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 42 West 119th Street (Block 1717/Lot 53), 46 West 120th Street (Block 1718/Lot 55), 125 West 122nd Street (Block 1907/Lot 119), 127 West 123rd Street (Block 1908/Lot 19), 135 West 119th Street (Block 1904/Lot 15), 147 West 122nd Street (Block 1907/Lot 11), 158 West 123rd Street (Block 1907/Lot 157), and 225 West 113th Street (Block 1829/Lot 24), Community District 10, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on April 27, 2004;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of ten years commencing on the date of the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

PROJECT SUMMARY

1. **PROGRAM:** Neighborhood Homes Program
2. **PROJECT:** Marcus Garvey Park Homes Housing Development Fund Corporation
3. **LOCATION:**
   a. **BOROUGH:** Manhattan
   b. **COMMUNITY DISTRICT:** 10
   c. **COUNCILMANIC DISTRICT:** 9
   d. **DISPOSITION AREA:**

BLOCKS	LOTS	ADDRESSES
1717	53	42 West 119th Street
1718	55	46 West 120th Street
1907	119	125 West 122nd Street
1908	19	127 West 123rd Street
1904	15	135 West 119th Street
1907	11	147 West 122nd Street
1907	157	158 West 123rd Street
1829	24	225 West 113th Street

4. **BASIS OF DISPOSITION PRICE:** Nominal ($1 per building)
5. **TYPE OF PROJECT:** Moderate Rehabilitation
6. **APPROXIMATE NUMBER OF BUILDINGS:** 8 One-to-Four Family Homes
7. **APPROXIMATE NUMBER OF UNITS:** 20
8. **HOUSING TYPE:** Family Home. If homes remain unsold at the end of the Marketing Period and HPD determines in writing that (i) sale is not feasible within a reasonable time, and (ii) a rental fallback is the best available alternative, then the unsold homes may be sold to a non-profit company and rented in accordance with the written instructions of HPD.
9. **ESTIMATE OF INITIAL PRICE:** Market Value. Purchasers must also repay the HPD subsidy attributable to their homes by delivering cash and/or notes and appropriate security instruments to the City. A portion of the subsidy may be forgiven or unsecured based on the home's post-rehabilitation appraised value.
10. **INCOME TARGETS:** Families with annual household incomes up to 165% of the area median. With HPD approval, up to 10% of the homes may be sold to over-income families, but such purchasers must repay the subsidies attributable to their units in cash at closing and obtain prior approval from HPD. Buildings are sold subject to existing tenancies.
11. **PROPOSED FACILITIES:** None

MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 55

Report of the Committee on Land Use in favor of approving Application no. 20045352 HAK, an Urban Development Action Area Project known as PACC Community Homes, located in Community Board 3, Council District no. 36, Borough of Brooklyn.

The Committee on Land Use to which was referred on February 4, 2004 (Minutes, page 719) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 54 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 341

Resolution approving an Urban Development Action Area Project located at 39 Monroe Street (Block 1985/Lot 58), 175 Herkimer Street (Block 1861/Lot 46), and 443 Classon Avenue (Block 1973/Lot 5), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 55; 20045352 HAK).

By Council Members Katz and Martinez.

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on December 30, 2003 its request dated December 15, 2003 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 39 Monroe Street (Block 1985/Lot 58), 175 Herkimer Street (Block 1861/Lot 46), and 443 Classon Avenue (Block 1973/Lot 5), Community District 3, Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on April 27, 2004;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

a. The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows: a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local

improvements and land value, for a period of ten years commencing on the date of the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

PROJECT SUMMARY

1.	**PROGRAM:**	Neighborhood Homes Program
2.	**PROJECT:**	PACC Community Homes Housing Development Fund Corporation
3.	**LOCATION:**	
	a. **BOROUGH:**	Brooklyn
	b. **COMMUNITY DISTRICT:**	3
	c. **COUNCILMANIC DISTRICT:**	36
	d. **DISPOSITION AREA:**	BLOCKS / LOTS / ADDRESSES 1985 / 58 / 39 Monroe Street 1861 / 46 / 175 Herkimer Street 1973 / 5 / 443 Classon Avenue
4.	**BASIS OF DISPOSITION PRICE:**	Nominal ($1 per building)
5.	**TYPE OF PROJECT:**	Moderate Rehabilitation
6.	**APPROXIMATE NUMBER OF BUILDINGS:**	3 One-to-Four Family Homes
7.	**APPROXIMATE NUMBER OF UNITS:**	12
8.	**HOUSING TYPE:**	Family Home. If homes remain unsold at the end of the Marketing Period and HPD determines in writing that (i) sale is not feasible within a reasonable time, and (ii) a rental fallback is the best available alternative, then the unsold homes may be sold to a non-profit company and rented in accordance with the written instructions of HPD.
9.	**ESTIMATE OF INITIAL PRICE:**	Market Value. Purchasers must also repay the HPD subsidy attributable to their homes by delivering cash and/or notes and appropriate security instruments to the City. A portion of the subsidy may be forgiven or unsecured based on the home's post-rehabilitation appraised value.
10.	**INCOME TARGETS:**	Families with annual household incomes up to 165% of the area median. With HPD approval, up to 10% of the homes may be sold to over-income families, but such purchasers must repay the subsidies attributable to their units in cash at closing and obtain prior approval from HPD. Buildings are sold subject to existing tenancies.
11.	**PROPOSED FACILITIES:**	None
12.	**PROPOSED CODES/ORDINANCES:**	None
13.	**ENVIRONMENTAL STATUS:**	Type II
14.	**PROPOSED TIME SCHEDULE:**	Approximately 18 months from closing to completion of construction

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 81

Report of the Committee on Land Use in favor of approving Zoning resolution amendment application no. N 030228 ZRY, pursuant to §197-d and §201 of the New York City Charter, relating to Article VII, Chapter 4.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 997) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

CITYWIDE **N 030228 ZRY**

City Planning Commission decision approving an application submitted by Columbia University and the New York City Economic Development Corporation, pursuant to Section 201 of the New York City Charter, for an amendment to the Zoning Resolution of the City of New York, relating to Article VII, Chapter 4, (Special Permits by the City Planning Commission), to modify the provisions of Section 74-48 concerning height and setback regulations for scientific research and development facilities in C6 Districts.

INTENT

To facilitate development of the proposed Audubon IV project.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 342

Resolution approving the decision of the City Planning Commission on Application No. N 030228 ZRY, an amendment to the text of the Zoning Resolution relating to Article VII, Chapter 4 (Special Permits by the City Planning Commission), to modify the provisions of Section 74-48 concerning height and setback regulations for scientific research and development facilities in C6 Districts (L.U. No. 81).

By Council Members Katz and Avella

Whereas, the City Planning Commission filed with the Council on March 31, 2004 its decision dated March 24, 2004 (the "Decision"), on the application submitted by Columbia University and the New York City Economic Development Corporation, pursuant to Section 201 of the New York City Charter, for an amendment to the text of the Zoning Resolution (Application No. N 030228 ZRY) (the "Application");

Whereas, the Application is related to ULURP Applications Numbers C 030229 ZSM (L.U. No. 82), a special permit pursuant to Section 74-48 of the Zoning Resolution and C 030230 PPM (L.U. No. 83), disposition of city-owned property;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 27, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on December 18, 2002 (CEQR No. 02DME010M);

Resolved:

The Council finds that the action described herein will have no significant effect on the environment;

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application the Council approves the Decision; and

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended as follows:

Matter in Underline is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within *italics* is defined in Section 12-10;
* * * indicate where unchanged text appears in the Zoning Resolution

Article VII – Administration

Chapter 4 – Special Permits by the City Planning Commission

* * *

74-48
Scientific Research and Development Facility
In C6 Districts, the City Planning Commission may permit a scientific research and development facility containing laboratories for medical, biotechnical, chemical or genetic research, including space for production, storage and distribution of scientific products generated through research and may modify height and setback regulations for the facility. Such facility must conform to the performance standards applicable to M1 Districts and occupy a *zoning lot* that either contains a minimum *lot area* of 40,000 square feet or comprises an entire *block*. No *residential use* is to be located anywhere on a *zoning lot* containing such a facility.

As a condition for granting a special permit, the Commission shall find that the scientific research and development facility:

(a) will not unduly affect the essential character or impair the future use and development of the surrounding areas;

(b) will be located so as to draw a minimum of vehicular traffic to and through local *streets*; and

(c) provides fully enclosed storage space for all raw materials, finished products, by-products and waste materials including debris, refuse and garbage.

(d) that the modification of such height and setback regulations will not unduly obstruct the access of light and air to adjoining properties or public streets.

All applications for the grant of a special permit pursuant to this Section shall be referred to the Commissioner of Health of the City of New York or its successor for a report and recommendations on matters relating to health, safety and general welfare of the public with regard to the proposed facility. If the report is received within 45 days from the date of referral, the Commission shall, in its determination, give due consideration to the report and its recommendations. If such agency does not report within 45 days, the Commission may make a final determination without reference thereto.

To minimize traffic congestion in the area, the Commission shall require the provision of off-street loading berths conforming to the requirements set forth in Section 36-62 (Required Accessory Off-Street Loading Berths) for *commercial uses*.

The Commission may also require the provision of *accessory* off-street parking facilities to prevent the creation of traffic congestion caused by the curb parking of vehicles generated by such *use*. The size and location of such parking and loading facilities shall comply with the applicable provisions of Section 36-00 (OFF-STREET PARKING REGULATIONS: GENERAL PURPOSES AND DEFINITIONS). In order to promote and protect the public health, safety and general welfare, the City Planning Commission may impose additional conditions and safeguards and more restrictive performance standards where necessary.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 82

Report of the Committee on Land Use in favor of approving Uniform land use review procedure application no. C 030229 ZSM, pursuant to §201 and §197-d of the Charter of the City of New York concerning a special permit under the Zoning Resolution in the Borough of Manhattan, Council District no. 10 to allow a scientific research and development facility.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 997) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

MANHATTAN CB - 12 **C 030229 ZSM**

City Planning Commission decision approving, subject to certain terms and conditions, an application submitted by the Trustees of Columbia University in the City of New York and the Economic Development Corporation pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 74-48 of the Zoning Resolution to allow a scientific research and development facility and to allow the modification of the height and setback regulations of Section 33432 to facilitate the development of a 12-story scientific research and development facility on a zoning lot occupying an entire block bounded by West 165th Street, Broadway, West 166th Street and St. Nicholas Avenue (Block 2124/Lot 43), in a C6-2 District.

INTENT

To facilitate development of the proposed Audubon IV project.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 343

Resolution approving the decision of the City Planning Commission on ULURP No. C 030229 ZSM (L.U. No. 82), grant of a special permit pursuant to Section 74-48 of the Zoning Resolution to allow a scientific research and development facility and to allow the modification of the height setback regulations of Section 33-342.

By Council Members Katz and Avella.

Whereas, the City Planning Commission filed with the Council on March 31, 2004 its decision dated March 24, 2004 (the "Decision") on the application submitted by the Trustees of Columbia University in the City of New York and the Economic Development Corporation, pursuant to Sections 197-c and 201 of the New York City Charter, for the grant of a special permit pursuant to Section 74-48 of the Zoning Resolution to allow a scientific research and development facility and to allow the modification of the height and setback regulations of Section 33-432 to facilitate the development of a 12-story scientific research and development facility on a zoning lot occupying an entire block bounded by West 165th Street, Broadway, West 166th Street and St. Nicholas Avenue (Block 2124/Lot 43) in a C6-2 District, Community District 12, Borough of Manhattan (ULURP No. C 030229 ZSM) (the "Application");

Whereas, the Application is related to Applications Numbers N 030228 ZRY (L.U. No. 81), a zoning text amendment and C 030230 PPM (L.U. No. 83), disposition of city-owned property;

Whereas, the City Planning Commission has made the findings required pursuant to Section 74-48 of the Zoning Resolution;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on April 27, 2004 on the Decision and Application;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on December 18, 2002 (CEQR No. 02DME010M); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

Resolved:

The Council finds that the action described herein will have no significant effect on the environment subject to the conditions; and

Pursuant to Sections 197-d and 200 of the New York City Charter and on the basis of the Decision and Application, the Council approves the Decision.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 83

Report of the Committee on Land Use in favor of approving Uniform land use review procedure application no. C 030230 PPM, pursuant to §197-c and §197-d of the New York City Charter concerning the removal of the floor area restriction on property located at West 165th Street and St. Nicholas Avenue, Borough of Manhattan, Council District no. 10.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 998) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

MANHATTAN CB - 12 **C 030230 PPM**

City Planning Commission decision approving an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the removal of the floor area restriction on property located at West 165th Street and St. Nicholas Avenue (Block 2124/Lot 43), pursuant to zoning.

INTENT

To facilitate development of the proposed Audubon IV project.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 344

Resolution approving the decision of the City Planning Commission on ULURP No. C 030230 PPM, for the removal of the floor area restriction on property located at West 165th Street and St. Nicholas Avenue (Block 2124/Lot 43), Manhattan (L.U. No. 83).

By Council Members Katz and Avella

Whereas, the City Planning Commission filed with the Council on March 31, 2004 its decision dated March 24, 2004 (the "Decision") on the application submitted pursuant to Section 197-c of the New York City Charter by the Department of Citywide Administrative Services, for the removal of the floor area restriction on property located at West 165th Street and St. Nicholas Avenue (Block 2124/Lot 43), Community District 12, Borough of Manhattan (ULURP No. C 030230 PPM) (the "Application");

Whereas, the Application is related to Applications Numbers N 030228 ZRY (L.U. No. 81), an amendment to the text of the Zoning Resolution and C 030229 ZSM (L.U. No. 82), a special permit pursuant to Section 74-48 of the Zoning Resolution;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 27, 2004;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on December 18, 2002 (CEQR No. 02DME010M); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

Resolved:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Section 197-d of the City Charter and on the basis of the Application and the Decision, the Council approves the Decision.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 95

Report of the Committee on Land Use in favor of approving Application no. 20045381 HAK, an Urban Development Action Area Project located at 252 4th Avenue, 384 Bergen Street, 426 54th Street and 713 3rd Avenue, Council Districts no. 33, 38 and 39, Borough of Brooklyn. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 1002) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 54 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 345

Resolution approving an Urban Development Action Area Project located at 252 4th Avenue (Block 448/Lot 38), 384 Bergen Street (Block 932/Lot 17), 426 54th Street (Block 823/Lot 17), 713 Third Avenue, a/k/a 129 23rd Street (Block 645/Lot 67), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 95; 20045381 HAK).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on February 11, 2004 its request dated January 26, 2004 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 252 4th Avenue (Block 448/Lot 38), 384 Bergen Street (Block 932/Lot 17), 426 54th Street

(Block 823/Lot 17), 713 Third Avenue, a/k/a 129 23rd Street (Block 645/Lot 67), Community Districts 6 and 7, Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on April 27, 2004;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement pursuant to Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of ten years commencing on the date of the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

Report for L.U. No. 128

Report of the Committee on Land Use in favor of approving Application no. 20045424 HAM, an Urban Development Action Area Project, located at 355 West 30th Street, Council District no. 3, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on April 1, 2004 (Minutes, page 1526) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 54 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 346

Resolution approving an Urban Development Action Area Project located at 355 West 30th Street (Block 754/Lot 11), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 128; 20045424 HAM).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on March 17, 2004 its request dated March 1, 2004 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 355 West 30th Street (Block 754/Lot 11), Community District 4, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on April 27, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

Report for L.U. No. 132

Report of the Committee on Land Use in favor of approving The submission of a site plan by the New York City School Construction Authority, pursuant to §1732 of the New York State Public Authorities Law, for a school, 20045392 SCX, generally located at 50 Antin Place, Borough of the Bronx, Council District no. 13 (Non-ULURP no. 20045392 SCX).

The Committee on Land Use to which was referred on April 1, 2004 (Minutes, page 1527) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

BRONX CB -11 20045392 SCX

Application submitted by the New York City School Construction Authority pursuant to Section 1732 of the New York State Public Authorities Law for a proposed new 630-seat high school facility for instructional region no. 2 located at 50 Antin Place (Block 4290/Lots 32,36,48, and 100), and any other property in the proposed area that may be necessary for the proposed facility.

INTENT

To construct a new 630-seat high school facility for Instructional Region No. 2.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the site plan.

In connection herewith, Council Members Katz and Felder offered the following resolution:

Res. No. 347

Resolution approving the site plan for a public school facility to be located at 50 Antin Place, the Bronx (Non-ULURP No. 20045392 SCX; L.U. No. 132).

By Council Members Katz and Felder

Whereas, the New York City School Construction Authority submitted to the Council on April 15, 2004, a site plan pursuant to Section 1732 of the New York State Public Authorities Law for a 630-seat high school facility in Instructional Region No. 2, to be located at 50 Antin Place (Block 4290/Lots 32, 36, 48, and 100), and any other property in the proposed area that may be necessary for the proposed facility, Community District 11, Borough of The Bronx (the "Site Plan");

Whereas, the Site Plan is subject to review and action by the Council pursuant to Section 1732 of the New York State Public Authorities Law;

Whereas, upon due notice, the Council held a public hearing on the Site Plan on April 27, 2004;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration issued on April 12, 2004 (SEQR Project Number 04-002); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Site Plan;

Resolved:

The Council finds that the action described herein will have no significant effect on the environment;

Pursuant to Section 1732 of the Public Authorities Law, the Council approves the Site Plan.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 133

Report of the Committee on Land Use in favor of approving Uniform Land Use Review Procedure application no. 030289 ZMK, pursuant to §197-c and §197-d of the New York City Charter, concerning changes to the zoning map, Borough of Brooklyn, Council District no. 35.

The Committee on Land Use to which was referred on April 1, 2004 (Minutes, page 1528) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

BROOKLYN CB - 2 **C 030289 ZMK**

City Planning Commission decision approving an application submitted by 99 Gold Street Associates pursuant to Sections 197-c and 201 of the New York City Charter for an Amendment of the Zoning Map, Section No. 12d, changing from an Ml-2 District to an R6A District property bounded by Front Street, a line 125 feet easterly of Gold Street, a line 100 feet northerly of York Street, and Gold Street, as shown on a diagram (for illustrative purposes only) Dated November 3, 2003 and subject to CEQR Declaration E- 126.

INTENT

To amend the Zoning Map, Section No. 12d.

COMMITTEE ACTION

April 29, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 348

Resolution approving the decision of the City Planning Commission on ULURP No. C 030289 ZMK, a Zoning Map change (L.U. No. 133).

By Council Members Katz and Avella

Whereas, the City Planning Commission filed with the Council on March 31, 2004 its decision dated March 24, 2004 (the "Decision"), on the application submitted by 99 Gold Street Associates, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment to the Zoning Map (ULURP No. C 030289 ZMK) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 27, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on November 3, 2003 (CEQR No. 03DCP040K);

Resolved:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, the Council approves the Decision.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section No. 12d, changing from an M1-2 District to an R6A District property bounded by Front Street, a line 125 feet easterly of Gold Street, a line 100 feet northerly of York Street, and Gold Street, as shown on a diagram (for illustrative purposes only) Dated November 3, 2003 and subject to CEQR Declaration E-126, Community District 2, Borough of Brooklyn.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, MARIA BAEZ, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Reports of the Committee on Rules, Privileges and Elections

At this point the Speaker (Council Member Miller) announced that the following item had been **preconsidered** by the Committee on Rules, Privileges and Elections and had been favorably reported for adoption.

Report for M-111

Report of the Committee on Rules, Privileges and Elections in favor of approving the re-appointment by the Council of JOEL ARNOLD SHUFRO as a member of the New York City Hazardous Substance Advisory Board.

The Committee on Rules, Privileges and Elections to which was referred on May 5, 2004 the annexed communication respectfully

REPORTS:

BRIEFING PAPER FOR THE COMMITTEE ON RULES, PRIVILEGES & ELECTIONS

May 5, 2004

Topic: ***New York City Hazardous Substance Advisory Board - (Candidates for direct re-appointment by the Council)***

- Joel Shufro, Pre-considered-M-111
- Philip Weinberg, Pre-considered-M-112

According to New York City Administrative Code (the "Administrative Code") section 24-717(b), the Hazardous Substance Advisory Board ("HSAB") totals nine persons.[1] The Commissioner of the New York City Department of Environmental Protection ("DEP") serves as HSAB's Chair. Of the remaining members, the Mayor appoints four, and four are appointed by the City Council. Each member may serve for a three-year term or until such time as HSAB ceases to exist or until such member resigns or is removed from office for good cause. Members are required to have a working knowledge of emergency response procedures or in managing hazardous substances. HSAB members serve without compensation except that each shall be allowed reimbursement for the necessary and actual expenses such member incurs in the performance of his or her official duties.

HSAB, which is required to meet at least once a quarter, four times per year, serves as a working forum for the exchange of views, concerns, ideas, information and recommendations relating to the management of hazardous substances and the planning of emergency response measures. HSAB is responsible for reviewing: (a) existing hazardous substances emergency response training programs; (b) existing requirements for handling extremely-hazardous-substances emergency responses as established under the *Emergency Planning and Community Right-to-Know Act of 1986*; and (c) the annual summary of hazardous substance incident reports. HSAB also assists the DEP Commissioner in the development, review and revision of the hazardous substance list and corresponding threshold levels where appropriate. *Administrative Code* sections 24717(e) & (f).

Also, HSAB is required to keep a record of its deliberations and to determine its own rules of procedure.

If re-appointed by the Council, Mr. Shufro, a resident of Brooklyn, will be eligible to serve for the remainder of a three-year term that began on August 10, 2003, and will expire on August 9, 2006. Mr. Shufro has been serving in a holdover capacity since the expiration of his prior term on August 9, 2003.

If re-appointed by the Council, Mr. Weinberg, a resident of Queens, will be eligible to serve for the remainder of a three-year term that began on August 10, 2003, and will expire on August 9, 2006. Mr. Weinberg has been serving in a holdover capacity since the expiration of his prior term on August 9, 2003.

Copies of candidate resumes and Committee reports/resolutions are annexed.

[1] Administrative Code section 24-717(a) provides for the creation of HSAB with seven members. This apparent inconsistency is explained by the fact that when HSAB was initially created pursuant to Local Law 26 of 1988, its membership consisted of seven persons: the Commissioner of DEP, three mayoral appointees and three Council appointees. However, pursuant to Local Law 24 of 1989, HSAB's membership was expanded from seven to nine persons: the Commissioner of DEP, four mayoral appointees and four Council appointees. Administrative Code section 24-717(b). When subdivision b was amended in 1989, it appears Administrative Code section 24-717(a) was not adjusted to reflect the expansion in HSAB's membership.

After interviewing the candidates and reviewing the relevant material, the Committee decided to approve the nominees.

(For the nominee, Philip Weinberg, please see the Report for M-112.)

In regard to the nominee Joel Arnold Shufro, the Committee found as follows:

Pursuant to section 24-717(b) of the *New York City Administrative Code*, the Committee on Rules, Privileges and Elections, hereby approves the re-appointment by the Council of JOEL ARNOLD SHUFRO as a member of the New York City Hazardous Substance Advisory Board to serve for the remainder of a three-year term that began on August 10, 2003, and expires on August 9, 2006.

In connection herewith, Council Member Comrie Jr. offered the following resolution:

Res. No. 349

Resolution approving the re-appointment by the Council of Joel Arnold Shufro as a member of the New York City Hazardous Substance Advisory Board.

By Council Member Comrie

Resolved, that pursuant to section 24-717(b) of the *New York City Charter*, the Council does hereby approve the re-appointment of JOEL ARNOLD SHUFRO as a member of the New York City Hazardous Substance Advisory Board to serve for the remainder of a three-year term that began on August 10, 2003, and expires on August 9, 2006.

LEROY G. COMRIE, Chairperson; BILL PERKINS, MADELINE PROVENZANO, CHRISTINE C. QUINN, JOEL RIVERA, DIANA REYNA, MARIA BAEZ, YVETTE D. CLARKE, LEWIS A. FIDLER, MELINDA R. KATZ, DAVID I. WEPRIN, JAMES S. ODDO, A. GIFFORD MILLER, Committee on Rules, Privileges and Elections, May 5, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point the Speaker (Council Member Miller) announced that the following item had been **preconsidered** by the Committee on Rules, Privileges and Elections and had been favorably reported for adoption.

Report for M-112

Report of the Committee on Rules, Privileges and Elections in favor of approving PHILIP WEINBERG as a member of the New York City Hazardous Substance Advisory Board.

The Committee on Rules, Privileges and Elections to which was referred on May 5, 2004 the annexed communication respectfully

REPORTS:

(For text of the Briefing Paper, please see the Report of the Committee on Rules, Privileges and Elections for M-111 printed in these Minutes.)

After interviewing the candidate reviewing the relevant material, the Committee decided to approve the appointment of the nominee, Philip Weinberg.

Pursuant to section 24-717(b) of the *New York City Administrative Code*, the Committee on Rules, Privileges and Elections, hereby approves the re-appointment by the Council of PHILIP WEINBERG as a member of the New York City Hazardous Substance Advisory Board to serve for the remainder of a three-year term that began on August 10, 2003, and expires on August 9, 2006.

This matter was referred to the Committee on May 5, 2004.

In connection herewith, Council Member Comrie offered the following resolution:

Res. No. 350

Resolution approving the re-appointment by the Council of Philip Weinberg as a member of the New York City Hazardous Substance Advisory Board.

By Council Member Comrie

Resolved, that pursuant to section 24-717(b) of the *New York City Charter*, the Council does hereby approve the re-appointment of PHILIP WEINBERG as a member of the New York City Hazardous Substance Advisory Board to serve for the remainder of a three-year term that began on August 10, 2003, and expires on August 9, 2006.

LEROY G. COMRIE, Chairperson; BILL PERKINS, MADELINE PROVENZANO, CHRISTINE C. QUINN, JOEL RIVERA, DIANA REYNA, MARIA BAEZ, YVETTE D. CLARKE, LEWIS A. FIDLER, MELINDA R. KATZ, DAVID I. WEPRIN, JAMES S. ODDO, A. GIFFORD MILLER, Committee on Rules, Privileges and Elections, May 5, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Reports of the Committee on State and Federal Legislation

Report for State Legislation Res. No. 59

Report of the Committee on state and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Skelos, S.2124-B, and Assembly Members DiNapoli, Hooper, Sidikman and Weisenberg, et al, A.6064-A, "AN ACT to amend the retirement and social security law, in relation to allowing the transfer of membership from the New York city police pension fund to the metropolitan transportation authority police pension fund".

The Committee on State and Federal Legislation to which was referred on March 10, 2004 (Minutes, page 1175) the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

According to the Sponsor's Memorandum in Support (MOU), Chapter 327 of the Laws of 1997 created the Metropolitan Transportation Authority (MTA) police pension fund. This legislation required the MTA to establish a pension plan for its police officers in accordance with Chapter 628 of the Laws of 1991. However, section 343 of the retirement and social security law, as amended, does not provide for the transfer of pension credits from the New York city police pension fund to the MTA police pension fund. This bill would allow any police officer employed by the MTA who is a member of the MTA police pension fund to make such a transfer.

PROPOSED LEGISLATION:

Section 343 of the retirement and social security law provide for transfers by any member of any retirement system maintained by the State or a municipality thereof, to certain specified retirement systems. Subdivision a of section 343 would allow any police officer employed by the MTA who is a member of the MTA police pension fund to transfer his or her membership in the New York City police pension fund to the MTA police pension fund. Added subdivision b(2) would require a member of the New York City police pension fund attempting to effect a transfer from that pension fund to the MTA police pension fund to give notice to the administrative head of the New York City police pension fund, prior to his or her withdrawal from said pension fund, of his or her intention to enter the MTA police pension fund within one year or within one year of the effective date of this legislation. Any member who transfers from one retirement system to another would be entitled to the same rights, privileges and benefits and would be subject to the same obligations as a transferee who transfers subsequent to the effective date of this subdivision. Subdivision b would also be amended by adding gender neutral language and correcting certain grammatical mistakes.

FISCAL IMPLICATIONS:

See Finance Division Fiscal Impact Statement.

EFFECTIVE DATE:

This legislation would take effect immediately.

Accordingly, Your Committee recommends its adoption.

(The following is the Fiscal Impact Statement for State Legislation Res. No. 59:)

FISCAL IMPACT STATEMENT:

	Effective FY 05	FY Succeeding Effective FY 06	Full Fiscal Impact FY 05
Revenues (+)	0	0	0
Expenditures (-)	$200,000	$200,000	$200,000
Net	($200,000)	($200,000)	($200,000)

IMPACT ON REVENUES: There is no impact on revenue.

IMPACT ON EXPENDITURES: It is estimated that the cost of this legislation for the City will be $200,000, per year, beginning in Fiscal 2005.

SOURCE OF FUNDS To COVER ESTIMATED COSTS: General Fund

SOURCE OF INFORMATION: City Council Finance Division

ESTIMATE PREPARED BY: Frank Tramontano, Deputy First Director Daniel Turriago, Principal Financial Analyst, City Council Finance Division

FIS HISTORY: Last year City Council provided a Home Rule for a similar bill which failed to pass the State Assembly.

DATE SUBMITTED TO COUNCIL: MARCH 10, 2004

Accordingly, Your Committee recommends its adoption.

(For text of the printed State bill, please refer to the New York State Legislature.)

This is a Home Rule Request proposal asking the New York State Legislature in Albany to act favorably in this particular matter.

JOEL RIVERA, Chairperson; MARIA BAEZ, ERIK MARTIN DILAN, MICHAEL E. MCMAHON, HIRAM MONSERRATE, VINCENT J. GENTILE, Committee on State and Federal Legislation, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for State Legislation Res. No. 76

Report of the Committee on State and Federal Legislation in favor of approving a State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S.6223, and Assembly Member Colton, A.9810, "AN ACT to amend the administrative code of the city of New York and the retirement and social security law, in relation to including a twenty-five year retirement program for members of the New York city employees' retirement system employed by the police department of the city of New York or by the office of the chief medical examiner of such city in the title evidence and property control specialist who are subjects to articles 11 and 15 of the retirement and social security law".

The Committee on State and Federal Legislation to which was referred on March 24, 2004 (Minutes, page 1424)the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

According to the Sponsor's Memorandum in Support (MOU), Evidence and Property Control Specialists are responsible for the security of vouchered property and often work alone as couriers moving evidence from precincts to central property locations, police labs, medical examiners' offices and the bomb squad. These specialists are charged with the inspection, storage, security and transport of various legal and illegal property including firearms, narcotics, jewelry, vehicles and currency which are being held in evidence by the Property Clerk Division, Forensic Investigation Division and precinct commands. These specialists are unarmed and face tremendous pressures in this line of work. Accordingly, this bill would provide for a member paid twenty-five year retirement program.

PROPOSED LEGISLATION:

Sections 1, 4 and 6 of the proposed legislation would amend paragraph 1 of subdivision a of section 13-157.3 of the Administrative Code of the City of New York, paragraph 2 of subdivision a of section 445-f of the retirement and social security law, and paragraph 1 of subdivision a of section 604-f of the retirement and social security law to broaden the definition of "special officers" to include all persons who are employed by the New York City police department or by the office of the chief medical examiner in the title evidence and property control specialist.

New sections 3 and 5 of the proposed legislation would amend section 445 of the retirement and social security law to include Evidence and Property Control Specialists within those entitled to join the twenty-five year retirement program.

Sections 2 and 7 of the proposed bill would amend the Administrative Code of the City of New York and the retirement and social security law to provide a starting date for the twenty-five year retirement program for these officers as the effective starting date of the amendments to the laws.

Sections 8, 9 and 10 of the proposed bill, would amend subparagraph (i) of paragraph 8 of subdivision d of section 613 of the retirement and social security law, subdivision a-5 of section 13-125.2 of the Administrative Code of the City of New York, and subdivision a-6 of section 13-125.2 of the Administrative Code of the City of New York. Such amendments would require that in the case of persons employed by the New York City police department or by the office of the Chief Medical Examiner in the title evidence and property control specialist, the City of New York would pick up and pay to the retirement system of which a participant is a member all additional member contributions which otherwise would be required to be deducted from such member's compensation.

FISCAL IMPLICATIONS:

See Finance Division Fiscal Impact Statement.

EFFECTIVE DATE:

This legislation would take effect immediately.

	Effective FY 05	FY Succeeding Effective FY 07	Full Fiscal Impact FY 06
Revenues (+)	0	0	0
Expenditures (-)	0	0	0
Net	0	0	0

IMPACT ON REVENUES: There is no impact on revenue.

IMPACT ON EXPENDITURES: There is no cost to the city of New York in the fiscal year 2004-2005 or in any subsequent fiscal year.

SOURCE OF FUNDS To COVER ESTIMATED COSTS: General Fund
SOURCE OF INFORMATION: City Council Finance Division

ESTIMATE PREPARED BY: Frank Tramontano, Deputy First Director
Daniel Turriago, Principal Financial Analyst, City Council Finance Division

FIS HISTORY: This is a New Bill.

DATE SUBMITTED TOCOUNCIL: MARCH 24, 2004

Accordingly, Your Committee recommends its adoption.

(For text of the printed State bill, please refer to the New York State Legislature.)

This is a Home Rule Request proposal asking the New York State Legislature in Albany to act favorably in this particular matter.

JOEL RIVERA, Chairperson; MARIA BAEZ, ERIK MARTIN DILAN, MICHAEL E. MCMAHON, HIRAM MONSERRATE, VINCENT J. GENTILE, Committee on State and Federal Legislation, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for State Legislation Res. No. 86

Report of the Committee on State and Federal Legislation in favor of approving a State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.5968, and Assembly Member Abbate, A.9484, "AN ACT to amend the retirement and social security law, in relation to benefits for certain peace officers in the city of New York who are injured in the performance of their duties".

The Committee on State and Federal Legislation to which was referred on April 1, 2004 (Minutes, page 1514) the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

According to the Sponsor's Memorandum in Support (MOU), the approximately 6000 peace officers working for the City of New York, Health and Hospitals Corporation, Taxi and Limousine Commission and the New York City Housing Authority work under extremely taxing conditions. By the very nature of their work, these officers are placed at heightened risk of injury. Accordingly, this bill would provide these officers with a disability retirement allowance of 75 percent of their final average compensation.

PROPOSED LEGISLATION:

Section 1 of this bill would reletter subdivision b of section 607-b of the retirement and social security law as subdivision c and create a new subdivision b. The new subdivision b would apply to any member of the New York City employees' retirement system or New York City board of education retirement system employed as a special officer of any rank, parking control specialist of any rank, school safety agent of any rank, campus peace officer of any rank or New York City taxi and limousine inspector of any rank. If such persons become physically or mentally incapacitated for the performance of their duties as a natural or proximate result of an accident sustained in the course of the performance of his or her duties, while actually a member of the retirement system, they would be paid an accidental disability retirement allowance equal to three-quarters of final average compensation. Injuries caused by such officers willful negligence would not constitute grounds for payment of the disability benefit.

FISCAL IMPLICATIONS:

See Finance Division Fiscal Impact Statement.

EFFECTIVE DATE:

This legislation would take effect immediately.

Accordingly, Your Committee recommends its adoption.

(The following is the Fiscal Impact Statement for State Legislation Res. No. 86:)

Report for State Legislation Res. No. 89

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Paterson, S.5305-A, and Committee on Rules, A.8701-A, "AN ACT authorizing the city of New York to reconvey title of certain property to Gus Jenkins".

The Committee on State and Federal Legislation to which was referred on April 21, 2004 (Minutes, page 1757) the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

According to the Sponsor's Memorandum in Support (MOU), the city of New York acquired title to premises designated as lot no. 43 in tax block 2068, also known as 1893 Amsterdam Avenue, on the tax map of the borough of Manhattan through an in rem tax foreclosure action. This action was based on non-payment of taxes due to inadvertence by Gus Jenkins, the former owner of the property.

PROPOSED LEGISLATION:

Section 1 of the bill would restate the authority of the state legislature to make this reconveyance. Section 2 would authorize the city of New York to release its interest and reconvey the real property designated as tax block 2068, lot no. 43 on the tax map of the city for the borough of Manhattan to Gus Jenkins. Section 3 of the bill would condition the release and reconveyance of New York City's interest upon the meeting of two conditions precedent. Mr. Jenkins would be required to submit an application for release in writing to the commissioner of the department of citywide administrative services accompanied by a certified title search, affidavit of ownership and all fees and payments required by section 11-424 of the administrative code of the city of New York. Mr. Jenkins would also be required to pay all taxes, interest, penalties and charges otherwise required by the same section upon approval of the application by the in rem foreclosure release board.

FISCAL IMPLICATIONS:

See Council Finance Division fiscal impact statement.

EFFECTIVE DATE:

This legislation shall take effect immediately.

Accordingly, Your committee recommends its adoption.

JOEL RIVERA, Chairperson; MARIA BAEZ, ERIK MARTIN DILAN, MICHAEL E. MCMAHON, HIRAM MONSERRATE, VINCENT J. GENTILE, Committee on State and Federal Legislation, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point the Speaker (Council Member Miller) announced that the following item had been **preconsidered** by the Committee on State and Federal Legislation and had been favorably reported for adoption.

Report for State Legislation Res. No. 100

Report of the Committee on State and Federal Legislation in favor of approving State Legislation resolution requesting the New York State Legislature to pass bills introduced by Senator Padavan, S.6430-A, and Assembly Members Grannis, McLaughlin, Dinowitz, Grodenchik, Lafayette, Bing, Gianaris, O'Donnell, Werpin, Perry, Sanders and Stringer, et al, A.9610-B, "AN ACT to amend the real property tax law, in relation to partial abatement of real property taxes".

The Committee on State and Federal Legislation to which as referred on May 5, 2004 the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

This legislation would extend the coop/condo partial real property tax abatement first begun in 1997, for an additional four years.

The proposed legislation would extend the current partial abatement of real property taxes for cooperative apartments and condominiums for the City's fiscal years 2005, 2006, 2007 and 2008. Those abatements are 25% for units in buildings with average unit assessed valuations of $15,000 or less, and 17.5% for units in buildings with average unit assessed valuations greater than $15,000. The proposed legislation contains provisions concerning procedures for applications for the extended period. This version of the legislation adds specific application provisions for the first year of the extended period, *i.e.* fiscal year 2005. The proposed legislation also requires the City of New York to present a plan to the State Legislature, "no later than July 1, 2005, containing recommendations to address the disparity in real property taxation between residential real property in class one and residential real property in class two held in the cooperative or condominium form of ownership."

According to the Memorandum in Support, while the this partial abatement on real property taxes for cooperative and condominium apartments is no substitute for real property tax reform to address the inequity in the tax burden between these homeowners and one, two and three family homeowners, extending the current abatement will at least continue the current level of relief for hundreds of thousands of City coop and condo owners.

FISCAL IMPLICATIONS:

See Council Finance Division fiscal impact statement.

EFFECTIVE DATE:

This legislation shall take effect immediately.

Accordingly, Your Committee recommends its adoption.

(For text of the State bills, Please refer to the New York State Legislature.)

This is a Home Rule Request proposal asking the New York State Legislature in Albany to act favorably in this particular matter.

JOEL RIVERA, Chairperson; MARIA BAEZ, ERIK MARTIN DILAN, MICHAEL E. MCMAHON, HIRAM MONSERRATE, VINCENT J. GENTILE, Committee on State and Federal Legislation, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point the Speaker (Council Member Miller) announced that the following item had been **preconsidered** by the Committee on State and Federal Legislation and had been favorably reported for adoption.

Report for State Legislation Res. No. 101

Report of the committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Paterson, S.5394-B, and Committee on Rules, A.8718-B, "AN ACT to establish the date of commencement of membership of certain individuals in the New York city employees' retirement system".

The Committee on State and Federal Legislation to which as referred on May 5, 2004 the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

According to the Sponsor's Memorandum in Support (MOU), certain individuals who were employed by the City of New York from February 27, 1967 through July 12, 1972, failed to become members of the New York City Employees Retirement System (NYCERS) for reasons other than their own negligence. This bill would deem these individuals to have become members of NYCERS on February 27, 1967 if she or he files a request within one year of the effective date of the act.

PROPOSED LEGISLATION:

Section 1 of this bill would apply to any employee of the city of New York from February 27, 1967 through July 12, 1972, who did not become a member of NYCERS at that time for reasons other than their own negligence, and who returned to City employment in 1985, and then became a member of NYCERS, and remain so employed until the present. Such persons would be deemed to have become a member of NYCERS on February 27, 1967 if he or she files a request within one year of the effective date of this act.

Section 2 would state that all costs pursuant to this legislation would be borne by the city of New York.

FISCAL IMPLICATIONS:

See Finance Division Fiscal Impact Statement.

EFFECTIVE DATE:

This legislation would take effect immediately.

(The following is the Fiscal Impact Statement for State Legislation Res. No. 101:)

FISCAL IMPACT STATEMENT:

	Effective FY 05	FY Succeeding Effective FY 06	Full Fiscal Impact FY 05
Revenues (+)	0	0	0
Expenditures (-)	$8,000	$8,000	$8,000
Net	($8,000)	($8,000)	($8,000)

IMPACT ON REVENUES: There is no impact on revenue.

IMPACT ON EXPENDITURES: It is expected that this bill will not become law until the beginning of Fiscal 2005. As a result, there would be no increase in employer contributions required by the City of New York until Fiscal 2005. The cost is estimated to be approximately $8,000 in Fiscal 2005 and would remain constant in subsequent fiscal years.

SOURCE OF FUNDS TO COVER ESTIMATED COSTS: General Fund

SOURCE OF INFORMATION: City Council Finance Division

ESTIMATE PREPARED BY: Frank Tramontano, First Deputy Director Daniel Turriago, Principal Financial Analyst, City Council Finance Division. Jonathan Schwartz, consulting actuary.

FIS HISTORY: There was a home rule passed on June 17, 2003 by the City Council. That bill passed the State Senate but did not pass the Assembly.

DATE SUBMITTED TO COUNCIL: MAY 5, 2004

Accordingly, Your Committee recommends its adoption.

(For text of the State bills, Please refer to the New York State Legislature.)

This is a Home Rule Request proposal asking the New York State Legislature in Albany to act favorably in this particular matter.

JOEL RIVERA, Chairperson; MARIA BAEZ, ERIK MARTIN DILAN, MICHAEL E. MCMAHON, HIRAM MONSERRATE, VINCENT J. GENTILE, Committee on State and Federal Legislation, April 29, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

GENERAL ORDER CALENDAR

Report for L.U. No. 80

Report of the Committee on Land Use in favor of approving and adopting, an application no. N 040197 ZRY with modifications, an amendment to the Zoning Resolution of the City of New York, Community Boards 2, 3, 4, 5, 6, 8, 10 and 11, Borough of Manhattan.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 997) and originally reported to the Council on April 21, 2004 (Minutes, page 1595) the annexed resolution respectfully

REPORTS:

SUBJECT

MANHATTAN CBs - 2-6, 8, 10, & 11 **N 040197 ZRY**

City Planning Commission decision approving a revised application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment to the Zoning Resolution of the City of New York relating to Sections 12-10 (Definitions) and 14-00 (Sidewalk Café Regulations) establishing a new category of unenclosed sidewalk cafes, Small Sidewalk cafes, and permitting such cafes on selected streets in Manhattan where sidewalk cafes are prohibited.

INTENT

To permit small sidewalk cafés on selected streets as to add to the vitality of street life.

COMMITTEE ACTION

April 21, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the decision of the City Planning Commission as modified.

FILING OF MODIFICATION WITH THE CITY PLANNING COMMISSION

The Committee's proposed modification was filed with the City Planning Commission on April 21, 2004. The City Planning Commission filed a letter dated April 26, 2004, with the Council indicating that the proposed modification is not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter. In its letter, the Commission recommended that the

Council revised the language of its proposed modification in order to better effectuate the intent and to make the format consistent with the text as adopted.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 351

Resolution approving with a modification the decision of the City Planning Commission on Application No. N 040197 ZRY, an amendment to the text of the Zoning Resolution relating to Sections 12-10 (Definitions) and 14-00 (Sidewalk Café Regulations) establishing a new category of unenclosed sidewalk cafes, Small Sidewalk cafes, and permitting such cafes on selected streets in Manhattan where sidewalk cafes are prohibited (L.U. No. 80).

By Council Members Katz and Avella

Whereas, the City Planning Commission filed with the Council on March 31, 2004 its decision dated March 24, 2004 (the "Decision"), on the application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment to the text of the Zoning Resolution, Community Districts 2, 3, 4, 5, 6, 8, 10 and 11 (Application No. N 040197 ZRY) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 19, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on December 1, 2003 (CEQR No. 04DCP020Y);

Resolved:

The Council finds that the action described herein will have no significant effect on the environment;

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application the Council approves the Decision with modification; and

---

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended as follows:

Matter Graytone/Underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter in *italics* or within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution;

Matter in [redacted] is to be added by the Council;
Matter in [ ] brackets is to be deleted by the Council.

ARTICLE I
General Provisions

* * *

Chapter 2
Construction of Language and Definitions

* *

12-10
DEFINITIONS

* * *

Sidewalk cafe

A "sidewalk cafe" is a portion of an eating or drinking place that is located on a public sidewalk, as defined in Section 20-223, subdivision (a), of the Administrative Code, and is either an #enclosed#, ~~or~~ #unenclosed# or small #sidewalk cafe#, as defined herein.

Sidewalk cafe, enclosed

An "enclosed sidewalk cafe" is a #sidewalk cafe# that is contained within a structure constructed predominantly of light materials such as glass, slow-burning plastic, or lightweight metal.

Sidewalk cafe, small

A "small sidewalk cafe" is an #unenclosed sidewalk café# containing no more than a single row of tables and chairs adjacent to the #street line# where such tables and chairs occupy a space on the sidewalk no greater than 4½ feet from the #street line#.

Sidewalk cafe, unenclosed

An "unenclosed sidewalk cafe" is a space on the sidewalk that contains readily removable tables, chairs or railings~~.~~ with no overhead coverage other than umbrellas or a retractable awning that is affixed to the building wall and does not extend further than the width of the #unenclosed sidewalk cafe#.

* * *

Chapter 4
Sidewalk Cafe Regulations

14-00
GENERAL PURPOSES

The sidewalk cafe regulations as established in this Resolution are city-wide regulations, designed to encourage sidewalk cafes in locations where they are appropriate, discourage them in locations where they are inappropriate, and ~~to~~ promote and protect public health, safety, general welfare and amenity. These general goals include, among others, the following specific purposes:

(a) To ensure adequate space for pedestrians on the sidewalk adjacent to sidewalk cafes.

(b) To promote sidewalk cafes as visual amenities ~~which~~ that better relate to the streetscape.

(c) To preserve and enhance the character of neighborhoods throughout the City.

(d) To simplify administrative regulations and strengthen enforcement procedures for sidewalk cafes and ensure that such requirements are effective, efficient and enforceable.

(e) To promote the most desirable use of land and thus to conserve the value of land and buildings and thereby protect the City's tax revenues.

14-01
General Provisions

In harmony with the general purpose and intent of this Resolution, and the general purposes of the #sidewalk cafe# regulations, certain specified regulations concerning area eligibility, sidewalk locational criteria and physical criteria for #sidewalk cafes#, in general, and specifically for #enclosed sidewalk cafes#, are herein established.

The three types of #sidewalk cafes# that are permitted by the regulations of this Chapter and defined in Section 12-10 (DEFINITIONS) are #enclosed sidewalk cafes#, #unenclosed sidewalk cafes# and #small sidewalk cafes#.

The amendments to Article I, Chapter 4, adopted by the City Council on January 29, 2003, shall become effective ~~upon the effective date of legislation~~ March 27, 2003. ~~amending the Administrative Code of the City of New York respecting the approval process for #unenclosed sidewalk cafes#.~~

Physical criteria, including structural and operational requirements for #sidewalk cafes#, and #unenclosed sidewalk cafes# in particular, shall be regulated by the Department of Consumer Affairs and found in Title 6, Chapter 2, Subchapter F., of the Rules of the City of New York. Licenses for all #sidewalk cafes# must be obtained from the Department of Consumer Affairs, or its successor.

14-011
Sidewalk cafe locations

#Sidewalk cafes# may be located in all R10H Districts, in all #Commercial Districts# other than C3 Districts and in all #Manufacturing Districts# other than M1-5A or M1-5B Districts south of Houston Street, except in those areas where #sidewalk cafes# are specifically prohibited or permitted, as provided in Section 14-40 (AREA ELIGIBILITY FOR SIDEWALK CAFES).

The following ~~s~~Sections identify ~~specific~~ #streets#, ~~malls,~~ areas, special districts and malls and or portions of #streets# for which special area eligibility regulations apply:

Section 14-41 - (~~Area Restrictions for All Sidewalk Cafes~~ Locations Where Certain Sidewalk Cafes Are Not Permitted)

Section 14-42 - (~~Area Restrictions for All Enclosed Sidewalk Cafes~~ Locations Where Enclosed Sidewalk Cafes Are Not Permitted)

Section 14-43 - (Locations Where Only Small Sidewalk Cafes Are Permitted) Section ~~14-43~~ 14-44 - (Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted)

Section ~~14-44~~ 14-45 - (Street Malls Where Certain Sidewalk Cafes Are Permitted)

#Sidewalk cafes# shall be permitted in Historic Districts or in designated Landmark Buildings only if such #sidewalk cafe# is approved by the Landmarks Preservation Commission.

14-10
ENCLOSED SIDEWALK CAFES

14-11
~~LOCATIONAL CRITERIA FOR ENCLOSED SIDEWALK CAFES~~ Locational Criteria for Enclosed Sidewalk Cafes

The regulations of this Section, governing clear path, clearance at intersection of #streets#, clearance from large obstructions and minimum distance between two cafes shall apply to all #enclosed sidewalk cafes#.

(a) Clear path

There shall be a minimum of 8 feet, 0 inches clear distance or 50 percent of the sidewalk width, whichever is greater, free of all obstructions, in order to allow adequate pedestrian movement.

The minimum distance shall be measured from the portion of the #enclosed sidewalk cafe# frontage that is nearest either the curb line or the nearest obstruction. In no event may recesses in the #enclosed sidewalk cafe# frontage be used to satisfy this unobstructed width requirement, except that the corners of the #enclosed sidewalk cafe# may be rounded or mitered. A clearance of 8 feet, 0 inches shall be maintained around the corners of #enclosed sidewalk cafes#, measured in radius.

For the purpose of the minimum clear path, but not the clearance from corners of #enclosed sidewalk cafes#, parking meters, traffic signs, and trees that have gratings flush to grade, without fences or guards, shall not count as obstructions.

In the case of a #street# for which a mall plan or other special plan has been adopted, the clear path requirements pursuant to this Section shall be deemed satisfied if there is not less than an 8 feet, 0 inches clear path.

(b) Clearance at intersections of street line

There shall be a minimum of 9 feet, 0 inches clearance, free of all obstructions with no exception, measured from the outer edge of the #enclosed sidewalk cafe# to the curbside obstacle. The corner of the #enclosed sidewalk cafe# wall may be rounded or mitered. Such distance shall be measured from the outer edge of the #enclosed sidewalk cafe# to either the curb line or the nearest obstruction.

(c) Clearance from large obstructions

All #enclosed sidewalk cafes# shall be a minimum of 15 feet from large obstructions. For the purposes of this Section, large obstructions shall be bus stop shelters, newsstands, subway entrances or any other object greater than 15 square feet in area. The closed end of a subway entrance located along the #front lot line# may abut an #enclosed sidewalk cafe#.

(d) Minimum distance between enclosed sidewalk cafes

There shall be a minimum distance of 40 feet between the near end walls of two #enclosed sidewalk cafes# if an entrance to a ground floor #commercial use#, other than an entrance to the eating or drinking place associated with either #enclosed sidewalk cafe#, is located between them.

There shall be a minimum distance of 15 feet between the near end walls of two #enclosed sidewalk cafes# if an entrance to a ground floor non-#commercial use#, or a #use# located above or below the ground floor, other than an entrance to the eating or drinking place associated with either #enclosed sidewalk cafe#, is located between them.

~~14-20~~ 14-12
~~PHYSICAL CRITERIA FOR ENCLOSED SIDEWALK CAFES~~ Physical Criteria for Enclosed Sidewalk Cafes

~~14-21~~ 14-121
Structural Requirements for Enclosed Sidewalk Cafes

The regulations of this Section governing certain structural and operational requirements shall apply to all #enclosed sidewalk cafes#.

(a) Ceiling

The ceiling of an #enclosed sidewalk cafe# shall be of incombustible materials, including colored or colorless safety glass or fabric which has been treated to be fire resistant as approved by the Department of Buildings.

At no point shall the height of the ceiling of an #enclosed sidewalk cafe# be lower than 7 feet, 0 inches above the floor of the #sidewalk cafe#.

(b) Transparency - exterior walls

An #enclosed sidewalk cafe# may provide a base wall of opaque material up to a maximum height of 12 inches from the finished floor level. The base wall shall include any horizontal structural members that support transparent materials above.

All enclosing walls, doors and windows, except for the structural members, above finished floor level or base wall as provided in this Section, up to a height of 7 feet, 0 inches above finished floor level, must be of colorless, untinted, non-reflective, transparent material, as approved by the Department of Buildings. In order to maximize transparency, the horizontal as well as vertical structural members shall not be sized more than 10 inches wide.

At least 50 percent of the walls, up to a height of 7 feet, 0 inches above finished floor level, shall consist of operable transparent windows.

(c) Elevation

The #enclosed sidewalk cafe# floor shall not be more than seven inches above the level of the adjoining sidewalk.

In the event of a major grade change, however, the City Planning Commission may, by certification, permit the floor level to be more than seven inches above the level of the adjoining sidewalk.

(d) Designated boundaries

No portion of #enclosed sidewalk cafes#, such as doors, windows, walls or any objects placed within an #enclosed sidewalk cafe#, shall swing or project beyond the designated exterior perimeter of the #enclosed sidewalk cafe#. However, fire exit doors that are used exclusively as emergency fire exit doors shall be exempt from this provision.

(e) Fixtures

The furnishings of the interior of an #enclosed sidewalk cafe# shall consist solely of moveable tables, chairs and decorative accessories. No objects, except lighting fixtures and HVAC installations, may be permanently affixed onto any portion of the wall of the #enclosed sidewalk cafe#. In no event shall such objects penetrate the exterior perimeter of the wall or the roof of the #enclosed sidewalk cafe# or impede the transparency as required by this Chapter. The exhaust for such HVAC installations on the adjacent walls shall not be less than 10 feet above #curb level#.

(f) Refuse storage area

No structure or enclosure to accommodate the storage of garbage may be erected or placed adjacent to or separate from the #enclosed sidewalk cafe# on the public right-of-way.

~~14-22~~ 14-122
Access for Persons with Physical Disabilities

An #enclosed sidewalk cafe# or its restaurant shall be directly accessible to persons with physical disabilities. In the event the main restaurant has provided such access, the #enclosed sidewalk cafe# shall be accessible to persons with disabilities from the interior of the restaurant.

In order to ensure access for persons with physical disabilities:

(a) at least one door leading into the #enclosed sidewalk cafe# or restaurant from the adjoining sidewalk shall be not less than three feet wide, clear; and

(b) a ramp with non-skid surface, if there is change of grade, having a minimum width of three feet and a slope of not greater than 1 in 12, shall be provided. Such ramp may be of portable type for #enclosed sidewalk cafes# that are six feet wide or less, except if such #sidewalk cafe# is at least 180 square feet in area.

~~14-23~~ 14-123

Signage

No #signs# are permitted on an #enclosed sidewalk cafe#, except that the name and type of establishment may be placed upon the glass wall but shall not obscure the required transparency.

~~14-24~~ 14-124

Music and Noise Amplification

Musical instruments or sound reproduction devices shall not be operated or used within an #enclosed sidewalk cafe# for any purpose.

~~14-30~~ 14-13

~~SPECIAL PERMIT MODIFICATIONS OF LOCATIONAL OR PHYSICAL CRITERIA FOR ENCLOSED SIDEWALK CAFES~~ **Special Permit Modifications of Locational or Physical Criteria for Enclosed Sidewalk Cafes**

In all #Commercial# or #Manufacturing Districts#, where #enclosed sidewalk cafes# are permitted in accordance with the provisions of this Chapter, the City Planning Commission may permit, upon application, modifications to the locational or physical criteria regulations for #enclosed sidewalk cafes#, except that there shall be no modification of Sections 14-41 (~~Area Restrictions for All~~ Locations Where Certain Sidewalk Cafes Are Not Permitted), 14-42 (~~Area Restrictions for All~~ Locations Where Enclosed Sidewalk Cafes Are Not Permitted), ~~14-43~~ 14-44 (Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted) and ~~14-44~~ 14-45 (Street Malls Where Certain Sidewalk Cafes Are Permitted), provided the Commission finds that:

(1) the #enclosed sidewalk cafe# is developed consistent with the general purposes and objectives of this Chapter;

(2) any proposed modification to the requirements of this Chapter will result in good overall design~~,~~ and enhance the general character of the #street# and the neighborhood;

(3) any proposed modifications to the requirements of this Chapter will not cause a serious adverse effect on pedestrian traffic;

(4) the restaurant or #enclosed sidewalk cafe# provides access for persons with disabilities;

(5) where a proposed #enclosed sidewalk cafe# is located between two existing stoops, it will not project beyond the stoops; and

(6) modifications to the provisions of paragraph (a) of Section ~~14-10~~ 14-11 (Locational Criteria for Enclosed Sidewalk Cafes) shall be limited to the minimum clear path for a proposed #enclosed sidewalk cafe# that would be located on a #street# with a special pedestrian plan.

14-20

UNENCLOSED SIDEWALK CAFES

Physical criteria for #unenclosed sidewalk cafes#, including structural and operational requirements, shall be regulated by the Department of Consumer Affairs pursuant to the Rules of the City of New York as described in Section 14-01 (General Provisions). #Small sidewalk cafes#, however, shall also conform to the requirements of Section 14-30.

14-30

SMALL SIDEWALK CAFES

#Small sidewalk cafes# shall be subject to the regulations of Section 14-01 (General Provisions), and, in addition, shall comply with the requirements for the definition of #small sidewalk cafes# in Section 12-10 as well as the following physical criteria:

(a) no form of serving station or any other type of furniture, other than the single row of tables and chairs set adjacent to the #street line#, may be placed within that space occupied by a #small sidewalk cafe#;

(b) there shall be no railing, structure or other form of barrier between a #small sidewalk cafe# and the remaining area of the sidewalk; and

(c) there shall be no overhead coverage other than a retractable awning that is affixed to the building wall and does not extend further than 4½ feet.

#Small sidewalk cafes# are permitted wherever #sidewalk cafes# may be located pursuant to the requirements of 14-011. Section 14-43 (Streets Where Only Small Sidewalk Cafes Are Permitted) lists specific #streets# and areas where no #sidewalk cafes# other than #small sidewalk cafes# may be located.

14-40

AREA ELIGIBILITY FOR SIDEWALK CAFES

In addition to the general eligibility criteria for #sidewalk cafes# in Section 14-011 (Sidewalk cafe locations), this Section identifies those locations where specific area eligibility regulations apply, subject to the underlying zoning.

#Enclosed# and #unenclosed sidewalk cafes# are not permitted on the streets and areas listed in Sections 14-41 (Locations Where Certain Sidewalk Cafes Are Not Permitted) and #enclosed sidewalk cafes# are not permitted on the streets listed in 14-42 (Locations Where Enclosed Sidewalk Cafes Are Not Permitted).

In all special zoning districts, #enclosed# and #unenclosed sidewalk cafes#, other than #small sidewalk cafes# pursuant to Section 14-43 (Locations Where Only Small Cafes Are Permitted), shall not be permitted, except as indicated in Section 14-44 (Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted.

In addition to the #streets# where all #sidewalk cafes# may be located as listed in Section 14-011, #small sidewalk cafes# shall be permitted on the #streets#, portions of #streets, areas and special zoning districts listed in Section 14-43.

For the purposes of this Chapter, the length of a #street# shall run the full #block# to the nearest intersections with cross #streets#, unless otherwise stated.

Areas bounded by #streets# shall include both sides of such #streets# and shall be subject to the regulations of this Chapter pertaining to such areas, subject to the underlying zoning. When a #street# forms the boundary of a special district, however, only that side of the street located within the special district shall be subject to the regulations pertaining to the special district.

14-41

~~Area Restrictions for All~~ **Locations Where Certain Sidewalk Cafes Are Not Permitted**

No #enclosed# or #unenclosedsidewalk cafes# shall be permitted on any of the following #streets#, portions of #streets# and areas, except that #small sidewalk cafes# may be permitted pursuant to the provisions of Section 14-43 (Locations Where Only Small Sidewalk Cafes Are Permitted).~~:~~

City Wide

1. All #streets# with elevated rail transit lines, unless specifically permitted in Section 14-43.

Manhattan

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 109

Report of the Committee on Land Use in favor of approving and adopting a ULURP Application no. C 040121 PPM with modifications, disposition of city-owned properties, Community Board 9, Borough of Manhattan.

The Committee on Land Use to which was referred on March 24, 2004 (Minutes, page 1442) and originally reported to the Council on April 21, 2004 (Minutes, page 1600) the annexed resolution respectfully

REPORTS:

SUBJECT

MANHATTAN CB - 9 **C 040121 PPM**

City Planning Commission decision approving an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the disposition of two (2) city-owned properties located at 434 West 119th Street (Block 1962/Lot 35) and Riverside Drive (Block 2001/Lot 2), pursuant to zoning.

INTENT

To return the properties to private ownership.

COMMITTEE ACTION

DATE: April 21, 2004

The Committee recommends that the Council approve the decision as modified.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSION

The Committee's proposed modifications were filed with the City Planning Commission on April 21, 2004. The City Planning Commission filed a letter dated April 26, 2004, with the Council indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 352

Resolution approving with modifications the decision of the City Planning Commission on ULURP No. C 040121 PPM, the disposition of two (2) city-owned properties located at 434 West 119th Street (Block 1962/Lot 35) and Riverside Drive (Block 2001/Lot 2), Manhattan (L.U. No. 109).

By Council Members Katz and Martinez

Whereas, the City Planning Commission filed with the Council on March 15, 2004 its decision dated March 10, 2004 (the "Decision") on the application submitted pursuant to Section 197-c of the New York City Charter by the Department of Citywide Administrative Services, for the disposition of two (2) city-owned properties pursuant to zoning, located at 434 West 119th Street (Block 1962/Lot 35) and Riverside Drive (Block 2001/Lot 2), Community District 9, Borough of Manhattan (ULURP No. C 040121 PPM) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on April 21, 2004; and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

Resolved:

Pursuant to Section 197-d of the City Charter and on the basis of the Application and the Decision the Council approves the Decision with the following modifications:

1. The property located at 434 West 119th Street (Block 1962/Lot 35) shall be withheld from public auction until a date no earlier than April 30, 2006

2. The property located at Riverside Drive (Block 2001/Lot 2) is deleted.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Resolution approving various persons Commissioners of Deeds.

By the Presiding Officer –

Resolved, that the following named persons be and hereby are appointed Commissioners of Deeds for a term of two years:

John Boyne	4-21 27th Avenue Apt. 101	Astoria NY 11102
William Edwards	1725 Bruckner Blvd.	Bronx NY 10472
Raul Fong	48-50 187 Street	Queens NY 11365
Beverly D. Gray	774 E. 225th Street Apt. 3B	Bronx NY 10466
Yvonne Hernandez	206 Cleveland Street #1	Brooklyn NY 11208
Chrystal R. Howard	359 Adelphi Street	Brooklyn NY 11238
Teguh Juwono	87-21 57th Road #1	Elmhurst NY 11373
Monique Lauderdale	180-09 140th Avenue	Queens NY 11434
Jin Ho Lee	13-48 146 Street	Whitestone NY 11357
Blanca Martinez	164 Sherman Avenue	New York NY 10034
Evelyn Mirabel	884 East 161st Street 1st Fl	Bronx NY 10459
George Norman	540 St. John's Place Apt. 2B	Brooklyn NY 11238
Manuel Ramos	1214 Noble Avenue	Bronx NY 10472
Betsaida Santana	1455 Sheridan Avenue #3K	Bronx NY 10457
Jerome Smith	47-07 169th Street	Flushing NY 11358
Michael Stephens	560 Balcom Ave. Apt. 7M	Bronx NY 10465
Paula L. Syphrett-Moss	2181 Madison Avenue #4C	New York NY 10037
Gail A. Zanoni	94-16 Park Lane S.	Woodhaven NY 11421
Eileen Flannelly	84-36 60th Road	Queens NY 11373

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

The Public Advocate (Ms. Gotbaum) put the question whether the Council would agree with and adopt such reports, which were decided in the **affirmative** by the following vote:

Affirmative – Addabbo, Avella, Baez, Barron, Boyland, Brewer, Clarke, Comrie, DeBlasio, Dilan, Felder, Fidler, Foster, Gallagher, Gennaro, Gentile, Gerson, Gioia, Gonzalez, Jackson, James, Jennings., Katz, Koppell, Lanza, Liu, Lopez, Martinez, McMahon, Monserrate, Moskowitz, Nelson, Palma, Perkins, Provenzano, Quinn, Reed, Reyna, Sanders., Seabrook, Sears, Serrano, Stewart, Vallone Jr., Vann, Weprin, Yassky, Oddo, Rivera and the Speaker (Council Member Miller) – **50**.

with the exception of the following legislative item:

The following was the vote recorded for **Int No. 137-B**:

Affirmative – Addabbo, Avella, Baez, Barron, Boyland, Brewer, Clarke, Comrie, DeBlasio, Dilan, Fidler, Foster, Gentile, Gerson, Gioia, Gonzalez, Jackson, James, Katz, Koppell, Lanza, Liu, Lopez, Martinez, McMahon, Monserrate, Moskowitz, Palma, Perkins, Provenzano, Quinn, Reed, Reyna, Sanders., Seabrook, Sears, Serrano, Stewart, Vann, Weprin, Yassky, Rivera and the Speaker (Council Member Miller) – **43**.

Negative - Felder, Gallagher, Gennaro, Oddo and Vallone Jr. – **5**.

Not Voting (Abstain) – Jennings and Nelson – **2**.

For **Introduction and Reading of Bills**, see the material following the **Resolutions** section below:

RESOLUTIONS

The following are the respective Committee Reports for each of the Resolutions referred to the Council for a voice-vote pursuant to Rule 8.50 of the Rules of the Council:

Report for voice-vote Res. No. 42

Report of the Committee on Immigration in favor of approving a Resolution calling upon the United States Congress to oppose the proposed federal temporary guest worker program and to support the passing of comprehensive immigration reform that includes permanent legalization and fair worker protection for immigrants.

The Committee on Immigration to which was referred on February 4, 2004 (Minutes, page 464) the annexed resolution respectfully

REPORTS:

The Committee on Immigration, chaired by Council Member Kendall Stewart, will meet on Wednesday, April 28, 2004 to vote on Resolution 42, which calls upon the United States Congress to oppose President Bush's federal temporary guest worker program and to support comprehensive immigration reform that includes permanent legalization and fair worker protection for immigrants. The Committee previously met on April 14, 2004 to consider Resolution 42.

Background

Two thirds of New Yorkers are either immigrants or the children of immigrants and almost 40% of New Yorkers are foreign born.[1] According to the 2000 United States Census, 13.5 million immigrants came to the United States between 1990 and 2000.[2] The Urban Institute estimates that 9.3 million of the 34.5 million foreign born residents currently living in the United States are undocumented immigrants.[3]

Immigrants make invaluable contributions to the U.S. economy. In 2002 immigrant workers made up 14.6% of the nation's full-time labor force.[4] Immigrant workers pay more taxes than they receive in government services,[5] help increase output of goods and services, and benefit the Social Security system.[6] Immigrant-run businesses

generate substantial revenue and immigrant laborers work difficult jobs; both contribute to the sentiment, reported by the Cato Institute in its policy recommendations to the 108th Congress, that "immigration gives America an economic edge in the global economy." [7]

The Proposal

On January 7, 2004, President Bush proposed a new program that would give temporary guest worker status to undocumented immigrants and new foreign workers. President Bush's proposal would grant legal status to undocumented immigrants already living in the United States who apply for temporary worker permits jointly with their employers. For three years undocumented immigrants with temporary worker status would be eligible to receive benefits and rights associated with legal status, including the right to obtain a driver's license and to travel freely. Guest worker status would also be available for those in other countries who wish to come to the United States to work and can enlist support from an employer. The proposal projects that after three years, unless they attempt to renew their status, temporary workers would return to their countries of origin.[8]

While President Bush's proposal acknowledges the necessity for a national dialogue about immigration, his proposed program does not incorporate essential needs of immigrants, including pathways to permanent residency and citizenship, worker's rights, and family unity. In addition, President Bush has not followed up on his proposal, which is not in legislative format. When asked about the proposal during a press conference on March 6, 2004, Bush answered that he hoped Congress would take up the issue, but gave no timeline for the proposal's progression.[9] Advocacy groups and labor organizations ranging from the AFL-CIO and the Immigrant Worker Freedom Ride to the Mexican American Legal Defense Fund ("MALDEF"), the New York Immigration Coalition and the National Immigration Law Center have argued that the proposal is contrary to the interests of immigrant workers and families and lacks comprehensiveness. Democratic and Republican members of Congress have expressed concerns regarding the proposal, including Arizona Republican Representative Jim Kolbe, primary sponsor of similar guest worker legislation, who acknowledged that any bill enacted into law must provide some permanent way for immigrants to legalize their status. [10]

Resolution 42 questions several aspects of President Bush's proposal, touching upon worker's rights, family unity, and a path to citizenship. The proposal requires that employers seek out American workers before hiring immigrant employees. Groups such as the AFL-CIO have expressed concern that this system would create an underclass of workers overly dependent on their employers for their continued stay in the United States and therefore vulnerable to workplace abuse.[11] As a result, the proposal could lower the wage standards and exacerbate current workplace abuse of immigrants rather than ensure fair and equal treatment of immigrant workers. In addition, the proposal does not take into account the thousands of immigrants who are self-employed.

The proposal does not meet the realistic needs of immigrant families and the Administration has not addressed the potential splintering of immigrant families that this proposal could catalyze. The proposal does not indicate what status family members of guest workers would have. In addition, there are 3 million children with undocumented parents who were born in the United States and are U.S. citizens whose parents could be forced to leave under this proposal.[12]

Further, President Bush's proposal does not provide any paths to citizenship for undocumented immigrants living and working in the United States. Rather, it clearly envisions and encourages temporary worker status[13] and assumes that workers will return to their countries of origin without realistically addressing the potential numbers of immigrants who consider the United States their permanent home. Resolution 42 calls for immigration reform that recognizes the invaluable contributions of immigrants to the United States by providing viable paths towards permanent legal residency and citizenship.

President Bush acknowledged during his January 7, 2004 speech that, "our current limits on legal immigration are too low,"[14] and pledged to work with Congress to increase the number of green cards issued annually. Since then President Bush has not specified the degree of the increase, nor is there evidence that his Administration has actively worked with Congress to increase the issuance of green cards. Furthermore, the Administration's proposal fails to address how U.S. Citizenship and Immigration Services ("USCIS"), which currently faces substantial backlog[15] and an overwhelming caseload, could cope with significant increases in applications for green cards,

[11] *See http://www.aflcio.org/mediacenter/prsptm/vrOlO82004.cfm.*

[12] Urban Institute, *Undocumented Immigrants: Facts and Figures*, January 12, 2004. Available at http://www.urban.org/UploadedPDF/1000587.undoc immigrants facts.pdf

[13] The proposal would provide monetary incentives for immigrants who return to their countries of origin. Bush also pledged to "work with foreign governments on a plan to give temporary workers credit, when they enter their own nation's retirement system, for the time they have worked in America." *See http://www.whitehouse.gov/news/releases/2004/01 /20040107-3.html.*

[15] Because agents have been reassigned from issuing documents to performing security checks post 9/11, the number of pending applications at USCIS has increased by nearly 60% over the last 3 years. *See* Nina Bernstein, Wait for Residency Soars Over 18 Month Span, New York Times, April 6, 2004.

citizenship, renewals of guest worker permits or deportation orders. While the proposal would allow temporary workers to apply for permanent status through existing channels, this process could take longer than their guest worker status permits.

Current Legislation

The President's proposal disregards pending legislation in Congress that attempts to enact effective immigration reform by providing paths to citizenship while protecting worker's rights and family unity. Resolution 42 urges the passage of legislation leading to citizenship such as the DREAM Act and the AgJobs Act and denounces legislation such as the CLEAR Act that infringes on immigrants' rights.

The Development, Relief, and Education for Alien Minors Act of 2003 ("DREAM Act") ("S. 1545")[16] empowers states to allow undocumented immigrants who have lived continuously in the United States for more than five years and who were underthe age of 16 upon arrival to receive access to the same tuition and financial aid as citizens when they attend institutions of higher education. The bill also would authorize the Department of Homeland Security to grant conditional permanent resident status to undocumented immigrants who meet specific criteria set forth in the bill.[17] By making it easier for immigrant students to attend college, The DREAM Act would provide new educational opportunities to over 50,000 undocumented high school students that graduate each year,[18] and would reduce dropout rates, [19] empower the immigrant student community, add skilled professionals to communities and create a path towards citizenship. The DREAM Act has accumulated substantial bipartisan support in Congress and currently has 43 sponsors.

[16] A Similar bill H.R. 1684 (the "Student Adjustment Act"), was introduced in the House by Representative Chris Cannon and currently has 129 cosponsors.

[17] In order to be eligible for cancellation of removal and adjustment of status under the bill, a person must:

1) Have been physically present in the United States for at least 5 years immediately before enactment of the bill and been under 16 years old when s/he arrived in the United States

2) Have been a person of good moral character

3) Not be inadmissible or deportable under specific grounds set forth in the Immigration and Nationality Act

4) Have been admitted to an institution of higher education, earned a high school diploma or obtained a GED; and

5) From the age of 16 and older, never had been under a federal order of exclusion, deportation, or removal. *(See:* http://thomas.loc.gov/cgi-binlbdquery/z?dlO8:SNO1545:(a 21 (iDD&summ2=m&).

[18] National Immigration Law Center, *The DREAMAct: Basic Information*, January 2003. *See http://www.nilc.org/immlawpolic'V/DREAM/DREAM* Basic Info.pdf

[19] The Urban Institute estimates that 15,000 undocumented immigrant students drop out of high school annually. *See, Further Demographic Information Relating to the DREAM Act, at http://www.nilc.org/immlawpolicy/DREAM/DREAM* Demographics.pdf.

Another pending legislative proposal is the Agricultural Job Opportunity, Benefits, and Security Act of 2003 ("AgJobs Act") ("S. 1645") introduced by Senators Kennedy and Craig with 56 cosponsors. [20] The AgJobs Act would give agricultural workers a new opportunity for legalization while maintaining family unity and "preserving and enhancing key labor protections."[21] Under the AgJobs Act, undocumented agricultural workers currently employed in the U.S. for a specified amount of time[22] could obtain a worker's visa that would not bind them to a single employer. Immediate family members could join the visa holder in the United States, and all visa holders would have the right to travel freely and to apply for permanent status after working in the United States for three out of the following six years. The AgJobs Act would give at least 500,000 currently undocumented agricultural workers who remain in agriculture an opportunity to apply for permanent visas for themselves and their families.[23]

Conversely, Resolution 42 denounces the Clear Law Enforcement for Criminal Alien Removal Act of 2003 ("CLEAR Act") ("H.R. 2671 "), which authorizes state and local law enforcement personnel to investigate, apprehend, detain, or remove undocumented immigrants from the United States. Not only does the CLEAR Act encourage states to pass their own versions of the legislation, the act threatens to cut all funding allocated by section 241(i) of the Immigration and Nationality Act [24] for any state or locality that does not create a law allotting these powers to law enforcement officials. The CLEAR Act, which currently has 120 cosponsors, would increase fear of the police among immigrant communities, discourage immigrants from reporting crimes or seeking police assistance and hinder the ability of the police to ensure the safety of all New Yorkers regardless of immigrant status.

Conclusion

In the aftermath of September 11, 2001, immigrants have faced increased difficulties both in their communities and with immigration services. As a country of immigrants, the United States must seek fair immigration reform that protects immigrant families, preserves worker's rights and provides paths to citizenship. Resolution 42 contends that President Bush's guest worker proposal falls short of the needs of immigrants in New York City and nationwide.

[20] A similar bill, H.R.3142, was introduced in the House of Representatives by Rep. Chris Canon and currently has 103 cosponsors.

KENDALL STEWART, Chairperson; CHARLES BARRON, LEWIS A. FIDLER, MIGUEL MARTINEZ; ANNABEL PALMA, Committee on Immigration, April 28, 2004.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing those in favor, the Public Advocate (Ms. Gotbaum) declared **Res. No. 42** to be adopted. The following 6 Council Members formally **objected** to the passage of this item: Council Members Avella, Felder, Gallagher, Lanza, Vallone Jr. and Oddo.

Adopted by the Council by voice-vote.

Report for voice-vote Res. No. 165

Report of the Committee on Aging in favor of approving a Resolution acknowledging the crucial role that grandparents in New York City play in raising grandchildren, and calling upon the appropriate Council committee to hold a hearing to further explore this issue.

The Committee on Aging to which was referred on February 26, 2004 (Minutes, page 925) the annexed resolution respectfully

REPORTS:

Background

On April 27, 2004, the Committee on Aging will hold a hearing on Res. No. 165, which acknowledges the crucial role that grandparents in New York City play in raising grandchildren, and calls upon the appropriate Council committee to hold a hearing to further explore this issue. Invited to testify at the hearing are the Department for the Aging, grandparents who care for their grandchildren, advocates for grandparents' rights and organizations that operate programs that assist grandparents who are caretakers of their grandchildren.

Analysis

Res. No. 165 would note that according to the 2000 Census, over 2.4 million grandparents nationwide are responsible for meeting the basic needs of their grandchildren, 84,000 of whom live in New York City. Res. No. 165 would also note that over the past 25 years, the number of children being raised by grandparents has increased considerably. Furthermore, Res. No. 165 would point out that according to the intergenerational organization Generations United, between 1990 and 1998 alone, the number of grandparent-headed households without the presence of either parent increased by 53 percent.

Res. No. 165 would indicate that grandparent kinship care is often required because parents are unable to care for children due to substance abuse, teenage pregnancy, HIV/AIDS and other illnesses, death, abuse, neglect, incarceration, divorce and other crises. Additionally, Res. No. 165 would note that grandparents raising grandchildren face numerous challenges, including legal custody issues, lack of financial resources, inadequacy of housing and medical care, children's behavioral problems, child care, education and the need for respite care and emotional support. Res. No. 165 would also point out that despite these multiple challenges, children raised by grandparents benefit from daily familial contact and grandparents are frequently the last line of defense in keeping children out of non-kinship foster care.

Accordingly, Your Committee recommends its adoption.

(For text of the bill, please see the Introduction and Reading of Bills section printed in the Minutes of the Stated Council Meeting of February 26, 2004, page 925.)

MARIA BAEZ, Chairperson; MICHAEL C. NELSON, ERIK MARTIN DILAN, DOMENIC M. RECCHIA JR., KENDALL B. STEWART, Committee on Aging, April 27, 2004.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing no objections, the Public Advocate (Ms. Gotbaum) declared **Res. No. 165** to be adopted.

Adopted by the Council by unanimous voice vote.

Report for voice-vote Res. No. 199

Report of the Committee on Civil Service and Labor in favor of approving a Resolution commending the New York State Assembly for passing A.9710, a bill that would increase the minimum wage to $7.10, and calling upon the New York State Senate to pass the accompanying legislation, S.3291-C, and for the Governor to sign the bill into law.

The Committee on Civil Service and Labor to which was referred on March 10, 2004 (Minutes, page 1140) the annexed resolution respectfully

REPORTS:

On Wednesday, April 28, 2004, 2004, the Committee on Civil Service and Labor, chaired by Council Member Joseph P. Addabbo, Jr., will hold a hearing to consider Res. No. 199, a resolution commending the New York State Assembly for passing a bill that would increase the minimum wage to $7.10 and calling upon the New York State Senate to pass the accompanying legislation in the Senate and the Governor to sign the bill into law. A copy of the resolution is attached.

Res. No. 199

Resolution No. 199 would note that the minimum wage was first enacted in 1938 as part of the Fair Labor Standards Act (FLSA) and was originally set at just 25 cents per hour. The Resolution would state that the minimum wage has been raised several times in the decades since its establishment. The Resolution would indicate that, according to the Coalition for Human Needs, when adjusted for inflation, the minimum wage reached its peak in 1968 and the real value of today's minimum wage is 40% below that peak. The Resolution would also note that despite increases to the minimum wage during the 1990s, the buying power of the federal minimum wage has declined by nearly 25% over the last 20 years.

Resolution 199 would also point out that New York's minimum wage is currently at the minimum FLSA level of $5.15 an hour, which means a full time worker earns just $10,700 a year, which is well below the federal poverty level of $15,260 for a family of one adult and two children. Additionally, the Resolution would indicate that according to the New York City Central Labor Council (NYCLC), 74% of minimum wage earners are, in fact, adults. The Resolution would also indicate that according to the NYCLC, a disproportionate number of immigrants, people of color and women are minimum wage earners.

The Resolution would note that a 1998 report by the Economic Policy Institute indicated that the 1996 increase in minimum wage (which raised it to its current level of $5.15 per hour) had no measurable effect on unemployment or inflation. Resolution 199 would also point out that a report by The Fiscal Policy Institute (FPI), entitled "Raising the Minimum Wage in New York: Helping Working Families and Improving the State's Economy" shows that an increase in the minimum wage to $7.00 and hour would directly benefit almost 700,000 workers statewide who earn between $5.15 and $6.99 an hour, with almost 290,000 in New York City alone. Additionally, this report states that approximately 500,000 workers statewide, with 220,000 workers in the City, who earn between $7.00 and $7.99 per hour, would likely benefit from a "spillover" effect that would increase their wages once the minimum wage is increased. Moreover, the Resolution would note that according to the FPI, there is no evidence that increasing the minimum wage would be harmful to the economy of New York State.

Resolution 199 would indicate that the New York State Assembly passed A.9710, a bill which would increase the minimum wage incrementally to $7.10 on and after January 1, 2006, on March 1, 2004, and the accompanying legislation, S.3291-C was amended and referred to the New York State Senate Committee on Labor.

The Resolution would indicate that 12 states have enacted laws increasing the minimum wage above $5.15 an hour and, Alaska, Connecticut, Oregon, Vermont and Washington all have minimum wages that exceed $7.00 an hour. Additionally, the Resolution would note that the City of San Francisco has enacted an ordinance effectively making the minimum wage $8.50 an hour.

The Resolution would note that raising the New York State minimum wage to $7.10 an hour would allow a wage earner who works 40 hours per week, 52 weeks per year to earn $14,768. Resolution 199 would assert that the Governor and State Legislature should periodically study the minimum wage as compared to the consumer price index, and provide for annual inflationary adjustments to the minimum wage in order to ensure that minimum wage earners are able to provide for themselves and their families.

Finally, Resolution 199 would state that the Council commends the New York State Assembly for passing A.9710, a bill that would increase the minimum wage to $7.10, and calls upon the New York State Senate to pass the accompanying legislation, S.3291-C, and for the Governor to sign this bill into law.

Accordingly, Your Committee recommends its adoption.

(For text of the resolution, please see the Minutes of the Stated Council Meeting of March 10, 2004, page 1140.)

JOSEPH P. ADDABBO JR., Chairperson; ALLAN W. JENNINGS, LARRY B. SEABROOK, SARA M. GONZALEZ, Committee on Civil Service and Labor, April 28, 2004.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing those in favor, the Public Advocate (Ms. Gotbaum) declared **Res. Adopted by the Council by voice-vote.

Report for voice-vote Res. No. 235

Report of the Committee on State and Federal Legislation in favor of approving a Resolution calling upon the United States Government to initiate an immediate inquiry into the handling of the case of United States Army Chaplain, Captain James Y. Lee.

The Committee on State and Federal Legislation to which was referred on March 24, 2004 (Minutes, page 1402) the annexed resolution respectfully

REPORTS:

BACKGROUND:

On May 5, 2004, the Committee on State and Federal Legislation will hold a hearing on Res. 235, which calls upon the United States Government to initiate an immediate inquiry into the handling of the case of United States Army Chaplain, Captain James Y. Yee.

Analysis:

Resolution No. 235 would note that United States Army Chaplain, Captain James Y. Yee, is an American born Chinese-American, raised in Springfield, New Jersey and a graduate of the United States Military Academy at West Point. The resolution would also note that Captain Yee became a trained Muslim imam after four years of study in Damascus, Syria after being discharged from his first tour of duty with the Army as a Patriot missile officer in Saudi Arabia. Subsequently, the resolution would note that Captain Yee re-enlisted in the Army as a Muslim chaplain upon his return to the United States.

Next, Resolution No. 235 would state that, after the attacks of September 11, 2001, Captain Yee became an important officer for the Army by working to diffuse misguided anger against Muslims, educating the military about Islam and helping to counsel Muslim soldiers. The resolution would then note that Captain Yee was assigned to a tour of duty at the United States military prison at Guantanamo Bay, Cuba where he provided counseling for Muslim detainees captured in Afghanistan and Pakistan.

Additionally, Resolution No. 235 would note that Captain Yee was arrested on suspicion of espionage for allegedly carrying classified documents out of the Guantanamo Bay facility, and was imprisoned in a naval brig in Charleston, South Carolina for almost three months. Resolution No. 235 would state that, according to Captain Yee's father, Joseph Yee, Captain Yee was not allowed to contact his family or an attorney, was denied reading material and held in solitary confinement, often in chains and manacles. The Resolution would also note that Captain Yee was not charged with any crimes until October 10, 2003, one month after he was detained and that such charges did not include the crimes of espionage and aiding and abetting the enemy. Resolution No. 235 would also note that Captain Yee has been allowed to resume his duties as a chaplain at a base in Fort Benning, Georgia. Finally, the Resolution would note that Captain Yee's father believes that the charges and confinement of his son were based on ethnic and religious profiling and should be dropped.

Accordingly, Your Committee recommends its adoption.

(For text of the resolution, please see the Introduction and Reading of Bills section printed in the Minutes of the Stated Meeting of March 24, 2004, page 1402.)

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing those in favor, the Public Advocate (Ms. Gotbaum) declared **Res. No. 235** to be adopted. The following 2 Council Members formally **objected** to the passage of this item: Council Members Avella and Lanza. The following 2 Council Members formally **abstained** to vote on this matter: Council Members Vallone Jr. and Oddo.

Adopted by the Council by voice-vote.

Report for voice-vote Res. No. 262

Report of the Committee on Fire and Criminal Justice Services in favor of approving a Resolution calling upon the New York State Division of Probation and Correctional Alternatives to distribute State Probation funding equitably, especially recognizing the disproportionate share of adult felons and juvenile delinquents supervised by the New York City Department of Probation who would otherwise be confined in State custody.

The Committee on Fire and Criminal Justice Services to which was referred on March 24, 2004 (Minutes, page 1482) the annexed resolution respectfully

REPORTS:

I. Introduction

On May 3, 2004, the Committee on Fire and Criminal Justice Services, chaired by Council Member Yvette Clarke, will hold a hearing on Res. 262, calling upon the New York State Division of Probation and Correctional Alternatives to distribute State Probation funding equitably, especially recognizing the disproportionate share of adult felons and juvenile delinquents supervised by the New York City Department of Probation who would otherwise be confined in State custody. The Committee previously considered this resolution on April 14, 2004 and April 26, 2004.

II. History of Underfunding

As detailed by Probation Commissioner Martin Horn in numerous budget hearings, the State has chronically underfunded the New York City Department of Probation. Forty percent of all probationers in New York State are on probation in New York City and fifty-four percent of all felons, who would otherwise be in State prison at a cost of $32,400, are on probation in New York City. Moreover, if the 711 juvenile probationers supervised in the City's Juvenile Intensive Supervision Program last year were instead placed with OCFS, the cost to the State would have been $75,000 per probationer or $53,325,000.

Nonetheless, New York City receives only 26% of available State funding for probation, or $18.45 million annually. New York City only receives $468 on average per probationer versus the rest of the State, which receives an average of $647 per probationer, despite the City's more difficult felony-skewed caseload. In addition, nearly 50% of New York State counties have a higher reimbursement rate per probationer than New York City.

Accordingly, Your Committee recommends its adoption.

(For text of the resolution, please see the Minutes of the Stated Council Meeting of March 24, 2004, page 1482.)

YVETTE D. CLARKE, Chairperson; TRACY L. BOYLAND, TONY AVELLA, HIRAM MONSERRATE, JAMES SANDERS JR., DAVID YASSKY, Committee on Fire and Criminal Justice Services, May 3, 2004.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing no objections, the Public Advocate (Ms. Gotbaum) declared **Res. No. 262** to be adopted.

Adopted by the Council by unanimous voice-vote.

Report for voice-vote Res. No. 274-A

Report of the Committee on Cultural Affairs, Libraries & International Intergroup Relations in favor of approving, as amended, a Resolution calling upon United States Attorney General John Ashcroft and the Department of Justice to reopen the case of Emmett Till, in light of the discovery of new information, for a complete and thorough investigation into his 1955 murder.

The Committee on Cultural Affairs, Libraries & International Intergroup Relations to which was referred on April 1, 2004 (Minutes, page 1504) the annexed amended resolution respectfully

REPORTS:

On Monday, April 19, 2004, the City Council's Committee on Cultural Affairs, Libraries and International Intergroup Relations, chaired by Council Member José M. Serrano, will conduct a hearing to consider Proposed Resolution No. 274-A, a resolution calling upon United States Attorney General John Ashcroft and the Department of Justice to reopen the case of Emmett Till, in light of the discovery of new information, for a complete and thorough investigation into his 1955 murder, and to move aggressively to indict the murderers of Emmett Till, and bring them to justice. A copy of the Resolution is attached.

PROPOSED RESOLUTION NO. 274-A

Proposed Resolution No. 274-A would note that in August of 1955, Mamie Till Mobley said good-bye to her son, 14 year-old Emmett Till, as he boarded a bus from his hometown of Chicago bound for Mississippi, to spend the last days of his summer vacation visiting with relatives living in Money. The Proposed Resolution would note that after traveling with friends to Bryant's Grocery in the center of town to purchase gum and soda, Emmett Till was alleged to have been "too familiar" with the store owner's wife – a white woman.

The Proposed Resolution would note that at approximately 2:00 a.m. on August 28, 1955, young Emmett Till was abducted at gunpoint from the Money, Mississippi home of his uncle, Preacher Moses Wright, by storeowner Roy Bryant and Bryant's brother, J.W. Milam. The Proposed Resolution would state that the men drove Emmett Till to Tallahatchie County, where he was brutally beaten, pistol-whipped, bludgeoned and shot, and thrown into the Tallahatchie River to drown in a vicious hate crime that sparked collective outrage across the nation and helped light the spark that ignited the burgeoning Civil Rights Movement.

The Proposed Resolution would note that Bryant and Milam admitted to abducting Emmett Till from his uncle's home, but that they both claimed they had released him unharmed on the same night. The Proposed Resolution would also note that Bryant and Milam were subsequently tried for the murder of Emmett Till, their trial beginning on September 19, 1955, but that despite a large amount of evidence against them, and eyewitness testimony, the two men were acquitted of all charges on September 23, 1955, by an all-white jury which deliberated for 1 hour and 7 minutes.

The Proposed Resolution would point out that in January 1956, Bryant and Milam admitted their guilt in an interview they sold to Look magazine for $4,000, an interview which, they would later claim, had been fabricated, but which included admissions of their involvement in the slaying and provided gruesome details of their brutality that night. The Proposed Resolution would also point out that despite these glaring inconsistencies and the fact that their apparent confessions contradicted trial testimony by other witnesses which suggested that accomplices were involved in Till's slaying, the inconsistencies were never investigated and no one ever did time for Emmett Till's murder.

The Proposed Resolution would indicate that until their deaths in 1981 and 1994, respectively, nothing more was ever said by either Milam or Bryant about the murder or about the possibility that other people had been involved. The Proposed Resolution would also indicate that Emmett Till's mother, Mamie Till Mobley, worked diligently until her death on January 6, 2003 at age 81, to reopen her son's case, with the intent of bringing all guilty parties to justice, without success.

The Proposed Resolution would note that a young documentary filmmaker named Keith Beauchamp began conducting research for a film he was making about the case, and that during the course of his research, Beauchamp uncovered compelling new evidence that at least 10 people – five whites and five blacks – had been involved in the kidnapping and killing of Emmett Till. The Proposed Resolution would indicate that Mr. Beauchamp's new evidence, contained in his film, "The Untold Story of Emmett Louis Till," which Beauchamp recently showed to federal prosecutors in Mississippi, asserts that there were a number of individuals – several of them still alive -- who were present at the time of the murder and that, if the case is reopened, these witnesses could lead investigators to other suspects who may still be alive.

Additionally, the Proposed Resolution would note that while re-examining the nearly 50-year-old case poses some challenges, federal law provides the U.S. Department of Justice with wide latitude and discretion in conducting such an investigation, and advanced technology and modern resources have made the solving of many old cases possible. The Proposed Resolution also notes that since 1989, as many as 22 old murder cases that occurred both before and during the Civil Rights Movement, including the killing of NAACP field secretary Medgar Evers by Byron De La Beckwith, have been reopened and tried in recent years, and have resulted in convictions.

The Proposed Resolution would state that given the historical significance of the Emmett Till case and in light of the compelling new facts uncovered surrounding his murder, family members of Till, as well as members of Congress, including Rep. Bobby Rush (D-Ill.), are urging the federal government to reopen its investigation of the case, just as it has with several other civil rights murders that were committed decades ago but solved only recently. The Proposed Resolution would also note that Mississippi State Senator David Jordan has stated that, "If there are ones alive who took part in the killing of Emmett Till, they should be investigated," and "they should tell what they know and the case should be brought to justice."

The Proposed Resolution would state that according to John Dittmer, author of Local People: The Struggle for Civil Rights in Mississippi, "there's a real historical need to set the record straight," especially since "that case was so crucial in the development of the civil rights movement, we need to know as much as we can about what happened." Finally, the Proposed Resolution would note that we, as American citizens and members of the New York City Council, believe in justice and equal protection under the law.

Accordingly, Your Committee recommends its adoption.

(The following is the text of Res. No. 274-A:)

Res. No. 274-A

Resolution calling upon United States Attorney General John Ashcroft and the Department of Justice to reopen the case of Emmett Till, in light of the discovery of new information, for a complete and thorough investigation into his 1955 murder, and to move aggressively to indict the murderers of Emmett Till, and bring them to justice.

By Council Members Perkins, James, Barron, Clarke, Foster, Koppell, Lopez, Sanders Jr., Serrano, Vann, Boyland, Brewer, Liu, Comrie Jr., Jennings Jr., Reyna, Weprin and Gonzalez.

Whereas, In August of 1955, Mamie Till Mobley said good-bye to her son, 14 year-old Emmett Till, as he boarded a bus from his hometown of Chicago bound for Mississippi, to spend the last days of his summer vacation visiting with relatives living in Money; and

Whereas, After traveling with friends to Bryant's Grocery in the center of town to purchase gum and soda, Emmett Till was alleged to have been "too familiar" with the store owner's wife – a white woman; and

Whereas, At approximately 2:00 a.m. on August 28, 1955, young Emmett Till was abducted at gunpoint from the Money, Mississippi home of his uncle, Preacher Moses Wright, by store-owner Roy Bryant and Bryant's brother, J.W. Milam; and

Whereas, The men drove Emmett Till to Tallahatchie County, where he was brutally beaten, pistol-whipped, bludgeoned and shot, and thrown into the Tallahatchie River to drown in a vicious hate crime that sparked collective outrage across the nation and helped light the spark that ignited the burgeoning Civil Rights Movement; and

Whereas, Bryant and Milam admitted to abducting Emmett Till from his uncle's home, but both claimed they released him unharmed on the same night; and

Whereas, Bryant and Milam were subsequently tried for the murder of Emmett Till, their trial beginning on September 19, 1955, but despite a large amount of evidence against them, and eyewitness testimony, the two men were acquitted of all charges on September 23, 1955, by an all-white jury which deliberated for 1 hour and 7 minutes; and

Bobby Rush (D-Ill.), are urging the federal government to reopen its investigation of the case, just as it has with several other civil rights murders that were committed decades ago but solved only recently; and

Whereas, Mississippi State Senator David Jordan has stated that, "If there are ones alive who took part in the killing of Emmett Till, they should be investigated," and "they should tell what they know and the case should be brought to justice;" and

Whereas, According to John Dittmer, author of Local People: The Struggle for Civil Rights in Mississippi, "There's a real historical need to set the record straight," especially since "that case was so crucial in the development of the civil rights movement, we need to know as much as we can about what happened;" and

Whereas, We, as American citizens and members of the New York City Council, believe in justice and equal protection under the law; now, therefore, be it

Resolved, That the Council of the City of New York calls upon United States Attorney General John Ashcroft and the Department of Justice to reopen the case of Emmett Till, in light of the discovery of new information, for a complete and thorough investigation into his 1955 murder, and to move aggressively to indict the murderers of Emmett Till, and bring them to justice.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing those in favor, the Public Advocate (Ms. Gotbaum) declared **Res. No. 274-A** to be adopted.

The following Council Member formally **abstained** to vote on this item: Council Member Oddo.

Adopted by the Council by voice-vote.

Report for voice-vote Res. No. 294

Report of the Committee on State and Federal Legislation in favor of approving a Resolution calling upon the New York State Legislature to pass and the Governor to enact legislation permitting reciprocal, direct-to-consumer wine shipment in and out of New York State.

The Committee on State and Federal Legislation to which was referred on April 21, 2004 (Minutes, page 1755) the annexed State Legislation Resolution respectfully

REPORTS:

BACKGROUND:

On May 5, 2004, the Committee on State and Federal Legislation will hold a hearing on Res. 294, which calls upon the New York State Legislature to pass and the Governor to enact legislation permitting reciprocal, direct-to-consumer wine shipment in and out of New York State.

Analysis:

Resolution 294 would note that New York is the second largest wine market in the nation, boasts nearly 1,000 family-owned vineyards, produces roughly 100 million bottles of wine annually and generates approximately $40 million annually. The resolution would also note that the current Alcohol and Beverage Law prohibits the direct shipment of wine produced outside the state to consumers in New York, which, given the fact that many states have reciprocal wine shipping regulations, effectively bars New York vineyards from shipping their wines directly to consumers across the country.

Resolution No. 294 would also note that the State Legislature passed legislation authorizing direct wine sales to New York consumers by out-of-state wineries from states that grant the reciprocal right to New York wineries, only to have the bill vetoed by the Governor. The Resolution would also note that there have been many calls for such legislation in recent years and that New York is the largest wine-producing state to not allow direct shipment.

Resolution 294 would then note that Governor Pataki's 2004-2005 budget proposal includes provisions to allow reciprocal direct-to-consumer wine shipment in and out of New York. The Resolution would also note that adults 21 or older could have up to two cases of wine delivered to their homes each month for personal use and would charge a license fee and taxes for out-of-state wineries shipping into New York. The resolution would also note that the New York Division of Budget estimates that such a system would raise approximately $2 million in 2004 and 2005 and more in following years.

Finally, Resolution 294 would note that both New York Senators along with many Representatives from across New York State have called on the State Legislature to pass this legislation. The Resolution would also note that recent independent economic analysis issued by the Federal Trade Commission found that prohibitions against the direct shipment of wine are anticompetitive, result in higher prices for consumers, and that permitting the direct shipment of wine to consumers does not lead to problems related to underage drinking or tax evasion.

Accordingly, Your Committee recommends its adoption.

(For text of the resolution, please see the Minutes of the Stated Council Meeting of April 21, 2004, page 1755.)

JOEL RIVERA, Chairperson; JOSEPH P. ADDABBO JR., MARIA BAEZ, ERIK MARTIN DILAN, LEWIS A. FIDLER, MICHAEL E. MCMAHON, HIRAM MONSERRATE, HELEN SEARS, VINCENT J. GENTILE, Committee on State and Federal Legislation, May 5, 2004.

Pursuant to Rule 8.50 of the Rules of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing those in favor, the Public Advocate (Ms. Gotbaum) declared **Res. No. 294** to be adopted.

The following Council Members formally **abstained** to vote on this item: Council Member Vallone Jr.

Adopted by the Council by voice vote.

INTRODUCTION AND READING OF BILLS

Res. No. 318

Resolution designating the month of May 2004 as Security Officers Appreciation Month.

By the Speaker (Council Member Miller) and Council Members Addabbo Jr., Baez, Clarke, Comrie Jr., Fidler, Gerson, Lopez, Martinez, Nelson, Rivera, Serrano, Stewart, Vann, Weprin, Yassky, Jackson and Gioia.

Whereas, Security concerns have become foremost in our daily lives since the tragic events of September 11, 2001, and the new threat of terrorism has heightened our need for security and security technology where we live, work, shop and spend leisure time; and

Whereas, Security officers take great risks to their personal safety, whether in the mail room, in dealing with clients or visitors to buildings, coming into contact with suspicious individuals, or investigating packages; and

Whereas, Private security officers put their lives on the line every day to protect millions of New Yorkers; and

Whereas, Security officers are an integral part of New York's first responder network; and

Whereas, Security officers also protect businesses and cultural institutions, helping to ensure that New York remains the country's business and cultural capital; and

Whereas, The City Council of the City of New York appreciates the important services provided by security officers to the residents, visitors and business in the City of New York; now, therefore, be it

Resolved, That the Council of the City of New York designates the month of May 2004 as Security Officers Appreciation Month.

Referred to the Committee on Cultural Affairs, Libraries & International Intergroup Relations.

Int. No. 347

By Council Members Avella, Fidler, Gentile, Gerson, Koppell, Lopez, Nelson, Rivera, Serrano, Stewart and Gonzalez.

A Local Law to amend the administrative code of the city of New York, in relation to requiring that commercial shopping establishments that maintain a parking area of at least 200 spaces install, maintain and operate surveillance cameras in order to deter crime.

Be it enacted by the Council as follows:

Section One. Legislative Intent and Findings.

In order to continue the dramatic decrease in crime in New York City of the past decade, every reasonable effort should be made to deter crime from taking place. Surveillance cameras, for example, have proven effective in fighting and deterring crime, as evidenced by maintaining such cameras at ATM locations and in certain housing developments operated by the New York City Housing Authority.

Large parking lots adjacent to large stores and shopping centers are especially vulnerable to crime, particularly the theft of automobiles. These parking lots are unfortunately well suited for crime as a result of their size and proximity to major highways and thoroughfares, thus making escape easier.

In order to deter crime, the Council finds that commercial shopping areas that maintain parking lots with 200 or more parking spaces should be required to install and maintain surveillance cameras.

§2. Chapter one of title 10 of the administrative code of the city of New York is amended to add a new section 10-164, to read as follows:

§10-164. Surveillance cameras required in parking lots of certain shopping malls and shopping establishments.

The owner or operator of a shopping mall or shopping establishment that operates and maintains, on its own or through an agent or other entity, a parking area with 200 or more parking spaces, shall install video security cameras in each such parking area. Such cameras shall be placed so that the entire parking area may be viewed by a security camera, otherwise the number, type, placement, and location of such cameras shall be within the discretion of the owner or operator. The owner or operator shall be responsible for monitoring the cameras installed at each parking lot. The owner or operator is also responsible for the maintenance and upkeep of the cameras installed.

b. An owner or operator found to be in violation of this section shall be subject to a civil penalty of not more than five hundred dollars. An owner or operator found to be in violation of this section shall correct the violation within seven days after such finding. Failure to correct the violation within seven days after such finding shall subject the owner or operator to a civil penalty of not less than five hundred

dollars or more than one thousand dollars and an additional civil penalty of two hundred fifty dollars per day for each day such violation continues.

§3. This local law shall take effect 90 days after its enactment.

Referred to the Committee on Public Safety.

Res. No. 319

Resolution calling upon the Council of the City of New York to support the Kingsbridge Heights community in its efforts to play a decisive role in the utilization of the Kingsbridge Armory.

By Council Members Baez, Barron, Brewer, Koppell, Lopez, Rivera, Sanders Jr. and Seabrook.

Whereas, The Kingsbridge Armory (the Armory), located at the intersection of Jerome Avenue and West Kingsbridge Road was completed in 1917; and

Whereas, Until 1994 it had been the home of 258th Field Artillery Unit of the National Guard; and

Whereas, The building has remained largely unused for much of the last decade and New York City, the owner, has invested in stabilizing certain building elements, such as the roof, that may forestall additional deterioration; and

Whereas, The Armory occupies four city blocks in the heart of Kingsbridge Heights neighborhood, which is part of Bronx Community District 7 (BCD 7); and

Whereas, The total population of BCD 7 is approximately 140,000 persons and the total area is significantly "under-retailed" in that less than 12% of BCD 7's area is devoted to commercial and retail uses, including mixed uses; and

Whereas, The Armory site borders Bronx Community District 8 (BCD 8) which has a total population of approximately 100,000 persons and BCD 8 is also substantially "under-retailed" in that only 5% of the total area is devoted to commercial and retail uses a even when accounting for mixed uses.

Whereas, The demographics of Kingsbridge Heights have resulted in a public school system in the immediate vicinity that is well over intended capacity, and; as a result the community surrounding the Armory has independently advocated for its use as an educational facility; and

Whereas, Ultimate utilization of the Armory should factor in the educational, recreational and business interests of the community, with space being allotted on the Armory's grounds for educational purposes. Space should be recreational facilities such a theaters and gyms, for the development of businesses that enhance the community and do not compete with the local mom and pop shops, now, therefore, be it

Resolved, That the Council of the City of New York supports the Kingsbridge Heights community in its efforts to play a decisive role in the utilization of the Armory.

Referred to the Committee on Economic Development.

Res. No. 320

Resolution in support of H.R. 141, sponsored by Congresswoman Barbara Lee, which would disavow the "doctrine of preemption."

By Council Members Barron, Lopez, Perkins, Seabrook and Vann.

Whereas, As a result of the September 11, 2001 terrorists attacks on America, President George W. Bush launched a global war against terrorism intended to find and hold accountable those individuals or regimes responsible for the attacks and others who may be deemed as posing a continuing threat to the security of the United States; and

Whereas, President Bush's global war against terrorism has caused the United States to engage in military operations in Afghanistan to remove the country's ruling Taliban from power, to capture or kill Osama Bin Laden and the leadership of the Al-Qaeda terrorist organization, and to shut down any terrorist training camps; and

Whereas, The global war against terrorism has also caused the United States to engage in Operation Iraqi Freedom, an operation that, according to President Bush, was intended to disarm Iraq of weapons of mass destruction, free its people, defend the world from grave danger and remove Saddam Hussein and his sons from power; and

Whereas, President Bush has indicated that the United States has the right to unilaterally exercise military action, including preemptive nuclear strikes, against nations that have not attacked the United States, creating what has been termed as a "doctrine of preemption;" and

Whereas, Recently, Congresswoman Barbara Lee introduced H.R. 141, which would disavow the "doctrine of preemption" because it allows military operations against nations that might not pose an imminent threat of harm to the United States; and

Whereas, H.R. 141 would state that the "doctrine of preemption" far exceeds the commonly understood view, set forth in the Charter of the United Nations and recognized in international and United States law, that nations enjoy the right of self defense, and that such self defense might include undertaking military action to prevent an imminent attack; and

Whereas, H.R. 141 would also state that the "doctrine of preemption" represents a radical departure from the official position of the United States since the adoption of the Charter of the United Nations, and sets a dangerous precedent that might then be cited by other nations to justify preemptive military action against perceived threats; and

Whereas, Additionally, H.R. 141 would note that the "doctrine of preemption" contradicts Article 2, Section 4 of the Charter of the United Nations, which states that "all members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the purposes of the United Nations;" and

Whereas, H.R. 141 would also note that Article 51 of the Charter of the United Nations does not preclude military actions of self-defense, and acknowledges that under the United States Constitution, the President, as Commander and Chief, possesses the authority to use military force to protect the United States from attack or imminent attack; and

Whereas, H.R. 141 would also acknowledge that the inherent right of the United States to defend itself against imminent or actual attack does not extend to undertaking military action in the absence of such imminent or actual attack; now; therefore, be it

Resolved, That the Council of the City of New York supports H.R. 141, sponsored by Congresswoman Barbara Lee, which would disavow the "doctrine of preemption."

Referred to the Committee on State and Federal Legislation.

Res. No. 321

Resolution in support of H.R. 3919, sponsored by Congresswoman Barbara Lee, which would establish an Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti.

By Council Members Barron, Lopez, Martinez, Perkins, Sanders Jr., Seabrook and Stewart.

Whereas, The Republic of Haiti marked its 200th year of independence on January 1, 2004, a feat which makes the Caribbean island nation the world's oldest Black republic; and

Whereas, The Republic of Haiti has been plagued by political violence and unrest for most of its years as an independent nation, including over three decades of dictatorship followed by military rule that ended in 1990, when Jean-Bertrand Aristide was democratically elected as president; and

Whereas, On September 30, 1991, during his first term in office, President Aristide was usurped by a military takeover that removed him from power until October 15, 1994, when he was returned to office with the assistance of the United States; and

Whereas, Constitutionally barred from running for a second consecutive term in 1995, President Aristide oversaw the installation of a close associate, Rene Preval, as President in 1996; and

Whereas, In 2000, President Aristide ran successfully once again for the presidency of the Republic of Haiti, winning a second term with approximately 92% of the vote, in an election that created a political crisis stemming from fraudulent legislative elections, and

Whereas, Unable to resolve the political crisis during the first three years of his second term, on February 29, 2004, President Aristide resigned and went into exile in the Central African Republic after several months of violent and deadly unrest between government forces and opposition rebels who had taken control of several Haitian cities and who had stated that the only peaceful way out of the political crisis was President Aristide's immediate resignation; and

Whereas, Upon President Aristide's departure from Haiti, published reports claimed that he was forced by the United States to resign and leave the country, a claim that has been denied by The White House and American officials; and

Whereas, Recently, Congresswoman Barbara Lee and 46 of her colleagues in the United States House of Representatives have introduced H.R. 3919, which would establish an Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti; and

Whereas, H.R. 3919 would direct the Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti to examine the United States' role in the coup, including the extent to which the United States impeded the democratic process in Haiti and any actions and policies by the United States that may have contributed to the overthrow of the democratically elected government of Haiti; and

Whereas, H.R. 3919 would also direct the Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti to examine the circumstances of President Aristide's resignation and exile and the extent to which the United States fulfilled its obligations under the Organization of American States ("OAS") Inter-American

Democratic Charter that requires each OAS member country to aid another OAS government under attack; and

Whereas, Additionally, H.R. 3919 would direct the Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti to examine the extent to which the United States impeded international efforts, particularly those of the Caribbean Community countries, to prevent the overthrow of President Aristide; now, therefore, be it

Resolved, That the Council of the City of New York supports H.R. 3919, sponsored by Congresswoman Barbara Lee, which would establish an Independent Commission on the 2004 Coup d'Etat in the Republic of Haiti.

Referred to the Committee on State and Federal Legislation.

Res. No. 322

Resolution in support of H.R. 3386, sponsored by Congresswoman Barbara Lee, which would provide assistance to combat infectious diseases and establish a comprehensive health infrastructure in the Republic of Haiti.

By Council Members Barron, James, Lopez, Martinez, Sanders Jr., Stewart and Vann.

Whereas, The Republic of Haiti is currently celebrating its 200th year of independence from France, which makes the Caribbean island nation the world's oldest Black republic; and

Whereas, The Republic of Haiti has an estimated population of 7.5 million people with a median age of 17.9; and

Whereas, According to The World Factbook, the Republic of Haiti is one of the poorest nations in the Western hemisphere, with about 80% of the population living below the poverty level; and

Whereas, According to statistics reported in The World Factbook, the Republic of Haiti has an infant mortality rate of 76 deaths for every 1,000 live births, and a life expectancy of approximately 52 years; and

Whereas, Additional statistics in The World Factbook indicate that the Republic of Haiti has an HIV/AIDS adult prevalence rate of 6.1%, with about 250,000 people living with HIV/AIDS and 30,000 people succumbing to the disease in 2001; and

Whereas, Recently, Congresswoman Barbara Lee and 33 of her colleagues in the United States House of Representatives introduced H.R. 3386, which would direct the President of the United States to work with the government of Haiti and international organizations to establish a comprehensive and integrated strategy to combat infectious diseases, including HIV/AIDS, and to establish a comprehensive health infrastructure in the Republic of Haiti; and

Whereas, H.R. 3386 would authorize the President of the United States, acting through the Administrator of the United States Agency for International Development and the Director of the Center for Disease Control and Prevention, to provide assistance to the Republic of Haiti to develop its health sector, including supporting its health infrastructure and its education and prevention activities; and

Whereas, H.R. 3386 would also authorize the President of United States, acting through the Secretary of State and the Corps of Engineers, to provide assistance to develop Haiti's basic sanitation and transportation infrastructure; and

Whereas, Additionally, H.R 3386 would direct the President of the United States to establish a program to recruit health care professionals and engineers to help rebuild the health care and physical infrastructure of the Republic of Haiti, and would authorize the President to provide financial incentives to encourage such individuals to participate in the program; now, therefore, be it

Resolved, That the Council of the City of New York supports H.R. 3386, sponsored by Congresswoman Barbara Lee, which would provide assistance to combat infectious diseases and establish a comprehensive health infrastructure in the Republic of Haiti.

Referred to the Committee on State and Federal Legislation.

Int. No. 348

By Council Members Boyland, Jackson, Barron, Clarke, Comrie Jr., Gennaro, Jennings Jr., Koppell, Lopez, Martinez, Perkins, Quinn, Sanders Jr., Yassky, Gerson, Brewer, Liu, Stewart, Vann and Gonzalez.

A Local Law to amend the New York city charter in relation to the timely and efficient procurement of client services.

Be it enacted by the Council as follows:

Section 1. Section 311 of the charter of the city of New York is amended to read as follows:

§ 311. Procurement Policy Board. a. There shall be a procurement policy board consisting of five members, three of whom shall be appointed by the mayor and two of whom shall be appointed by the comptroller. Each member shall serve at the pleasure of the appointing official. Members shall have demonstrated sufficient business or professional experience to discharge the functions of the board. At least one member appointed by the mayor and one member appointed by the comptroller shall not hold any other public office or public employment. The remaining members shall not be prohibited from holding any other public office or employment provided that no member may have substantial authority for the procurement of goods, services or construction pursuant to this chapter. The mayor shall designate the chair.

b. The board shall promulgate rules as required by this chapter, including rules establishing:

1. the methods for soliciting bids or proposals and awarding contracts, consistent with the provisions of this chapter;

2. the manner in which agencies shall administer contracts and oversee the performance of contracts and contractors;

3. standards and procedures to be used in determining whether bidders are responsible;

4. the circumstances under which procurement may be used for the provision of technical, consultant or personal services, which shall include, but not be limited to, circumstances where the use of procurement is (a) desirable to develop, maintain or strengthen the relationships between non-profit and charitable organizations and the communities where services are to be provided, (b) cost-effective, or (c) necessary to (i) obtain special expertise, (ii) obtain personnel or expertise not available in the agency, (iii) to provide a service not needed on a long-term basis, (iv) accomplish work within a limited amount of time, or (v) avoid a conflict of interest;

5. the form and content of the files which agencies are required to maintain pursuant to section three hundred thirty-four and such other contract records as the board deems necessary and appropriate;

6. the time schedules within which city officials shall be required to take the actions required by this chapter, sections thirteen hundred four and thirteen hundred five, or by any rule issued pursuant thereto, in order for contracts to be entered into, registered or otherwise approved, and [recommended] time schedules within which city officials should take action pursuant to any other provision of law or rule regarding individual contracts, *which rules shall specify the appropriate remedies, including monetary remedies, for failure to meet the terms of any applicable schedule for taking such actions. The board may set forth exceptions to these rules.* The promulgation of rules defining time schedules for actions by the division of economic and financial opportunity of the department of *small* business services and the division of labor services of such department shall require the approval of each division, as such rules pertain to actions required of such divisions, prior to the adoption of such rules by the procurement policy board;

7. procedures for the fair and equitable resolution of contract disputes; and

8. such other rules as are required by this chapter.

c. The board may promulgate such additional rules, policies and procedures consistent with and as may be necessary to implement the provisions of this chapter. The board shall annually review all of its rules, policies and procedures and make such revisions as the board deems necessary and desirable. Nothing herein shall prevent the board from reviewing its rules, policies and procedures, and making such revisions as the board deems necessary and desirable, more than once per year.

d. The board shall promulgate rules to facilitate the timely and efficient procurement of client services, and to ensure that such contracts are administered in the best interests of the city. Such rules shall include but not be limited to: (i) rules authorizing city agencies to meet annual financial audit requirements through the acceptance of consolidated audits across multiple contracts and multiple agencies; (ii) rules providing for expedited renewal or extension of existing client services contracts; (iii) rules mandating the promulgation of draft and final contract plans by all agencies procuring client services.

e. The board shall submit an annual report to the mayor, comptroller, and council setting forth the professional standards for agency contracting officers adopted by the mayor, including any applicable certification process.

[d] *f.* In the promulgation of any rules pertaining to the procurement of construction or construction related services, the board shall consult with any office designated by the mayor to provide overall coordination to the city's capital construction activities.

[e] *g.* The board shall make such recommendations as it deems necessary and proper to the mayor and the council regarding the organization, personnel structure and management of the agency procurement function including, where appropriate, recommendations for revision of this charter or local laws affecting procurement by the city. Such reports may include recommendations regarding agency use of advisory groups to assist in preparation of bids or proposals and selection of contractors. The board shall also review the form and content of city contract documents and shall submit to the law department recommendations for standardization and simplification of contract language.

[f] *h.* The board shall not exercise authority with respect to the award or administration of any particular contract, or with respect to any dispute, claim or litigation pertaining thereto.

§ 2. Section 332 of the charter of the city of New York charter is amended to read as follows:

§ 332. Payments procedure. The procurement policy board shall promulgate rules for the expeditious processing of payment vouchers by city agencies and departments including (i) the maximum amount of time allowed for the processing and payment of such vouchers from the later of (a) the date such vouchers are

received by the agency, or (b) the date on which the goods, services or construction to which the voucher relates have been received and accepted by the agency, (ii) a program for the payment of interest, *at a uniform rate,* to vendors on vouchers not paid within the maximum amount of time pursuant to clause i of this subdivision, (iii) a process for the allocation and charging of any such interest payments to the budget of the agency responsible for the delay leading to the interest payments and (iv) agency reporting on the promptness of such payments in such form and containing such information as the board shall prescribe. The board shall coordinate and publish such prompt payment reports.

§ 3. This local law shall take effect 45 days after its enactment.

Referred to the Committee on Contracts.

State Legislation Res. No. 99

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Smith, S.6685, and Assembly Member Clark, A.10485, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Queens to former owner Tiberian Baptist Church, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 10950, Lot No. 161 on tax map for the borough of Queens".

By Council Members Comrie Jr., Jennings Jr., Seabrook and Weprin.

Whereas, bills have been introduced in the New York State Legislature by Senator Smith, S.6685, and Assembly Member Clark, A.10485, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Queens to former owner Tiberian Baptist Church, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 10950, Lot No. 161 on tax map for the borough of Queens"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

Res. No. 323

Resolution calling upon the appropriate committee of the Council to hold an oversight hearing on the implementation of a Communications Based Train Control system on the Canarsie Line and into the further intentions of the New York City Transit Authority regarding the continued assignment of trained conductors to trains in the City of New York.

By Council Members Fidler, Liu, Reyna, Dilan, Lopez, Barron, Quinn, Brewer, Jennings Jr., Katz, Nelson, Palma and Seabrook.

Whereas, The New York City Transit Authority is presently installing and testing a Communications Based Train Control ("CBTC") system on the Canarsie Line; and

Whereas, Revenue service of the new system is scheduled to begin in the middle of 2004; and

Whereas, The CBTC system will cause trains on the Canarsie Line, more commonly known as the "L" train, to become computerized and communicate their position, speed and direction to wayside computers; and

Whereas, It is the intention of the New York City Transit Authority to expand the CBTC system to all trains in the City of New York if the system is successful on the Canarsie Line; and

Whereas, The people who will ride the Canarsie Line will effectively be an "experimental group" for the new system, as no matter how much it is tested in simulated environments, there is no substitute for its actual use; and

Whereas, Distinctions between the CBTC system for the Régie Autonome des Transports Parisiens ("RATP") Meteor Line in Paris and the Canarsie Line, such as the Meteor Line's use of inductive loop and the Canarsie Line's use of radio frequency, make the performance and safety records of the Meteor Line inadequate indicators of the safety of the CBTC system for the Canarsie Line; and

Whereas, The future riders of the Canarsie Line need to be absolutely assured that the new system satisfies all existing and applicable safety requirements before they are asked to board a train that is operated by the new CBTC system; and

Whereas, Although present plans call for trains operated by the CBTC system to continue to be manned by trained conductors, there is no certainty that the New York City Transit Authority will not seek to remove trained conductors in the future; and

Whereas, Questions abound as to whether the public would be better served and better safeguarded by trains operating without trained conductors; and

Whereas, It is the duty of the City Council to protect the people of the City of New York from any potential danger, including riders of the city mass transit system and of the Canarsie Line; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the appropriate committee of the Council to hold an oversight hearing on the implementation of a Communications Based Train Control system on the Canarsie Line and into the further intentions of the New York City Transit Authority regarding the continued assignment of trained conductors to trains in the City of New York.

Referred to the Committee on Transportation.

Res. No. 324

Resolution offering the Council's full support for the "Invisible No More!" campaign that is dedicated to winning home health aide contracts that mandate a Living Wage of $10 an hour by 2006, health benefits for home health aides and their families, paid vacation time and sick leave.

By Council Members Foster, Palma, Addabbo Jr., Baez, Barron, Boyland, Fidler, Gerson, James, Jennings Jr., Koppell, Lopez, Martinez, Monserrate, Perkins, Reed, Reyna, Rivera, Sanders Jr., Seabrook, Serrano, Vann, Weprin, Yassky and DeBlasio.

Whereas, While home health aides provide compassionate care for people discharged from hospitals and nursing homes who need ongoing medical and personal assistance in their homes, they are often not provided with health benefits for themselves; and

Whereas, According to the New York Department of Labor statistics, home health aides working in New York City are among the lowest paid workers in the State, often earning less than $7.00 an hour (or about $12,500 a year) with no health, pension, paid sick or vacation time benefits; and

Whereas, According to the Paraprofessional Healthcare Institute, such poor pay and benefits result in high rates of turnover of workers – as much as 50 percent to 60 percent annually; and

Whereas, Furthermore, Medicaid dollars fund more than half of the home care services provided in New York State; and

Whereas, According to 1199 SEIU's report entitled, "The Plight of New York's Home Health Aides," home health aides are left with little compensation in terms of wages and benefits because a complicated regulatory system allows home health agencies to siphon off as much as two thirds of the funding received from Medicaid for administrative overhead – including exorbitant executive salaries – before the money reaches those who actually provide the services; now, therefore, be it

Resolved, That the Council of the City of New York offers the Council's full support for the "Invisible No More!" campaign that is dedicated to winning home health aide contracts that mandate a Living Wage of $10 an hour by 2006, health benefits for home health aides and their families, paid vacation time and sick leave.

Referred to the Committee on Civil Service and Labor.

Int. No. 349

By Council Members Gentile, Jackson, Clarke, Comrie Jr., Gennaro, Gerson, Jennings Jr., Koppell, Lopez, Perkins, Quinn, Stewart, Yassky, Moskowitz, Boyland, Brewer, Liu, Nelson and Weprin.

A Local Law to amend the charter of the city of New York in relation to the department of citywide administrative services.

Be it enacted by the Council as follows:

Section 1. Section 329 of the charter of the city of New York, as amended by local law number 59 of the year 1996, is hereby amended by adding a new subdivision e to read as follows:

e. Subject to the approval of the comptroller, a specific procurement of a specific good may be delegated by the commissioner of citywide administrative services, in the best interest of the city, to any agency for direct purchase by such agency, and shall not be subject to the provisions of subdivisions b, c or d of this section; provided, however, that such delegation shall not be made for goods that are to be generally used by city agencies.

§2. This local law shall take effect 45 days after adoption.

Referred to the Committee on Contracts.

Int. No. 350

By Council Members Gentile, Clarke, Comrie Jr., Gerson, Jennings Jr., Koppell, Martinez, Nelson, Perkins, Sanders Jr., Stewart, Weprin and Gonzalez.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the Department of Education to provide personnel and disciplinary records to any nonpublic school that considers hiring a former or current Department of Education employee.

Be it enacted by the Council as follows:

Section One. Legislative Intent and Findings. Education Law §549 declares that it is the state's "primary responsibility to ensure the health, welfare and safety of children attending both public and nonpublic schools," and one way this mandate is effected is by requiring that all public school teachers, administrators and supervisors undergo a criminal background check. This mandatory procedure for public school personnel is designed to discover whether those with any criminal history, particularly of sex offenses or other acts injurious to children, are applying for these sensitive positions of trust within our public school system.

Unfortunately, state law does not mandate the same type of criminal background check for nonpublic school personnel. As recent incidents demonstrate, though, teachers and other school personnel who may prey on our students are not limited to public schools. In an incident in Brooklyn in March, a nonpublic schoolteacher was arrested on child pornography charges, and had previously been arrested for the same charge in 1999, yet the school was not aware of his criminality when he was hired. In fact, this teacher had been employed by the Department of Education and subsequently terminated after the initial 1999 charge.

This incident, and others like it, points not only to the importance of an amendment to State law to mandate that nonpublic school personnel be subject to the same criminal background checks as those who teach and work in our public schools, but to the significance of requiring the Department of Education to supply personnel records and other criminal background information to nonpublic schools that are considering hiring a current or former DOE employee. When it comes to the safety of our children, there should not be any hesitation in sharing this type of vital information. Until state law is changed, the Department of Education should provide this information to ensure the safety of all our schoolchildren.

§ 2. Chapter 20 of the charter of the city of New York is amended to add a new section 528, to read as follows:

§528. Department of Education to Provide Nonpublic Schools with Criminal Background Information on Employees.

The department of education shall, upon written request of a nonpublic school, provide the nonpublic school with any relevant personnel records, and the results of any criminal background check conducted by the department of education on current or former employees of the department. The written request shall only be made by a nonpublic school that has interviewed and is considering hiring a current or former employee of the department of education. All information requested by the nonpublic school shall remain strictly confidential, and the department of education may not take any adverse personnel action against any individual who seeks other employment. In addition, the department of education, in its discretion, may redact any portions of any records that it provides to the nonpublic school. The department of education may also promulgate any rules and regulations it deems necessary to implement the provisions of this section and to ensure the confidentiality of personnel records.

§3. This local law shall take effect immediately.

Referred to the Committee on Education.

Int. No. 351

By Council Members Gentile, Barron, Brewer, Fidler, Foster, Jennings Jr., McMahon, Monserrate, Nelson, Recchia Jr., Reyna, Seabrook, Stewart, Yassky, Addabbo Jr., Avella, Baez, Gioia, James, Katz, Martinez, Palma, Perkins, Rivera, Vallone Jr., Vann, Weprin and Gonzalez.

A Local Law to amend to administrative code of the city of New York, in relation to the suspension of parking meter regulations on Sundays.

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-163.1 to read as follows:

§19-163.1 Sunday suspension of parking meters. Time limitations and payment requirements in parking meter zones, as indicated on meters and other timing devices, and on official signs, shall be suspended on Sundays.

§2. This local law shall take effect thirty days after its enactment into law, except that, the commissioner of transportation shall take all actions necessary for its implementation prior to such effective date.

Referred to the Committee on Transportation.

Res. No. 325

Resolution calling upon the Metropolitan Transportation Authority to maintain weekend express service on the X27 and X28 lines running from Bay Ridge and Bensonhurst to Midtown Manhattan beyond the May 31, 2004 termination date.

By Council Members Gentile and Yassky.

Whereas, The Metropolitan Transportation Authority (MTA) established weekend express bus service with the X27 and X28 buses in Bay Ridge and Bensonshurst over the last two years reportedly to compensate for decreased subway service due to the Manhattan Bridge construction; and

Whereas, The MTA is planning to terminate weekend express bus service on the X27 and X28 in Bay Ridge and Bensonhurst after May 31, 2004 because no additional funding has been approved for continuing this service; and

Whereas, The MTA has argued that weekend express bus service to South Brooklyn is no longer necessary due to enhancements made to subway service along the N and D lines; and

Whereas, While the MTA contends that express service to South Brooklyn would be duplicative because the trip to and from Manhattan has been "expedited" along the subway lines, there are reasons why the subway enhancements are not duplicative; and

Whereas, Many of the South Brooklyn weekend express bus riders are senior citizens or disabled persons who use the buses because there are no subway stations in the area with an elevator or escalator; and

Whereas, In many cases these riders would have to traverse several dozen steps to reach the platform, which is difficult for an elderly person or a disabled person, especially in the rain or snow, and

Whereas, It is impossible for a wheelchair-bound MTA rider in the area to access a subway while weekend express buses are wheelchair accessible; and

Whereas, Many people in the area also work on the weekends and rely on these buses to get to and from their jobs in Manhattan, including those traveling late at night and who do not feel comfortable taking the subway or taking long walks to and from the subway at these late hours; and

Whereas, Subway service from the Bay Ridge and Bensonhurst communities, even with recent improvements along the N line, is still seen as taking a long time to reach Midtown Manhattan; and

Whereas, Just as the City encourages tourists from around the world to visit the various attractions in Manhattan to foster the City's economic growth, the City should preserve and not discourage access to these sites for our seniors and disabled persons who reside outside Manhattan; and

Whereas, The cost to fund the operation of these weekend lines is approximately $1 million per year, which is a small amount compared to the funding needed to subsidize private bus lines in the outer boroughs and is a fraction of the $231 million the MTA has dedicated toward refurbishing and expanding the fleet of commuter trains operated by MetroNorth and the Long Island Railroad , now, therefore, be it

Resolved, that the Council of the City of New York calls upon the Metropolitan Transportation Authority to maintain weekend express service on the X27 and X28 lines running from Bay Ridge and Bensenhurst to Midtown Manhattan beyond the May 31, 2004 termination date.

Referred to the Committee on Transportation.

Int. No. 352

By Council Members Gonzalez, Jackson, Clarke, Comrie Jr., Gennaro, Jennings Jr., Koppell, Lopez, Martinez, Perkins, Quinn, Stewart, Yassky, Boyland, Gerson, Brewer, Fidler and Liu.

A Local Law to amend the administrative code of the city of New York, in relation to multiple submissions of contractor information.

Be it enacted by the Council as follows:

Section 1. Subdivision h of section 6-116.2 of the administrative code of the city of New York is hereby amended to read as follows:

h. *Except for submissions to elected officials or to the council, contractors or subcontractors may only be required to submit information required under subdivision b of this section to a single agency, and any such submission shall be applicable to all contracts or subcontracts or bids for contracts or subcontracts of that contractor or subcontractor with any agency.* Any contractor or subcontractor that has submitted to any agency, elected official or the council, the information required to be provided in accordance with subdivision b of this section shall be required to update that information only at three-year intervals [except that information required by paragraphs 6, 11, 12, 14, 15, 19, 20 and 21 of subdivision b shall be updated at each time the contractor or subcontractor is considered for the award of another contract or subcontract], and except as provided in paragraph iv or v of subdivision b, no contract or subcontract shall be awarded unless the contractor

or subcontractor has certified that information previously submitted as to those requirements is correct as of the time of the award of the contract or subcontract. *The contractor or subcontractor may only be required to submit such updated information to a single agency and such submission shall be applicable to all contracts or subcontracts or bids for contracts or subcontracts of that contractor or subcontractor with any agency. The procurement policy board may, by rule, provide for exceptions to this subdivision.*

§ 2. This local law shall take effect 45 days after its enactment.

Referred to the Committee on Contracts.

Int. No. 353

By Council Members Jackson, Clarke, Comrie Jr., Perkins, Stewart and Gerson (by request of the Mayor).

A Local Law to amend the charter of the city of New York, in relation to alternatives to competitive sealed bidding.

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 317 of the charter of the city of New York, as amended by a vote of the electorate at a general election held November 7, 1989, is hereby amended to read as follows:

b. Each contract for goods, services or construction in value of more than [two] *five* million dollars proposed by an agency to be awarded which is let by other than (i) competitive, sealed bidding, (ii) competitive sealed bids from prequalified vendors, or (iii) competitive sealed proposals, where the weight assigned to each of the factors or criteria to be considered in selecting the proposal most advantageous to the city was set forth in a writing filed in the agency contract file prior to the opening of proposals, shall require the approval of the mayor [or a deputy mayor] prior to its execution. [The mayor or deputy mayor shall not delegate the authority to make such approvals to any other body or official.] *Notwithstanding the preceding sentence, the mayor may, where the mayor has determined that it is appropriate, exclude an agency's contracts or a particular category of contracts from the approval requirement of this subdivision.*

§2. This local law shall take effect 45 days after adoption, provided that the City agencies affected, including, but not limited to, the procurement policy board may take any actions necessary to effectuate the provisions of this local law prior to its effective date.

Referred to the Committee on Contracts.

Int. No. 354

By Council Members Jackson, Perkins, Martinez, Dilan, Reyna, Brewer, Reed, Barron, Gerson, Lopez and Yassky.

A Local Law to amend the administrative code of the city of New York, in relation to certain benefits and real property tax exemptions for housing development fund companies organized under article eleven of the private housing finance law.

Be it enacted by the Council as follows:

Section 1. Subchapter 1 of chapter 2 of title 11 of the administrative code of the city of New York is hereby amended by adding a new section 11-238 to read as follows:

Section 11-238 Special benefits and exemptions for certain housing corporations. a. The benefits of this section shall apply with respect to any housing development fund company organized under article eleven of the private housing finance law when (1) such housing development fund company owns real property that was under the jurisdiction of the department of housing preservation and development during any portion of the period from January first, nineteen hundred eighty-eight through December thirty-first, nineteen hundred ninety-five prior to the transfer of title by the city; and

(2) such housing development fund company owned such real property on the effective date of this section; and

(3) such housing development fund company agrees to be subject to the oversight of the department of housing preservation and development, with the terms and the conditions of such obligation to be negotiated and agreed upon in writing, but which in no case shall be for less than five years.

The benefits of this section shall also apply to any housing development fund company organized under article eleven of the private housing finance law that is a successor in interest to a housing development fund company that met the requirements contained in this subdivision and provided that such succession is approved in writing by the department of housing preservation and development.

b. (1) Any real property owned by a housing development fund company that satisfies the criteria set forth in subdivision a of this section, other than commercial property, shall be exempt from the real property tax allocable to the residential portion of such real property that exceeds an assessed valuation equal to the amount calculated by multiplying two thousand five hundred dollars times the number of dwelling units in such real property. This tax exemption shall be effective only for as long as the housing development fund company is owned and operated in accordance with the requirements of article eleven of the private housing finance law. Such real property shall not be exempt from assessments made for local improvements.

(2) Any non-exempt portion of the assessed valuation of such real property attributable to the residential portion of the property owned by such housing development fund company shall be fully taxed at the applicable tax rate.

(3) The benefits of the tax exemption described in paragraph one of this subdivision may be revoked by the department of housing preservation and development if at any time such department determines that the real property owned by any housing development fund company organized under article eleven of the private housing finance law is not owned and operated in accordance with such private housing finance law.

c. Any real property owned by a housing development fund company organized under article eleven of the private housing finance law (1) shall be subject to an interest rate on late payments of the real property tax imposed pursuant to subdivision b of this section limited to six percent per annum or the interest rate established pursuant to section 11-224 of this code, whichever is lower; and

(2) shall have the interest and penalties on late payments of real property taxes and the interest and penalties on city-held mortgages owed by such housing development fund company based on rates that were in effect prior to the date of enactment of this subdivision shall be cancelled whether or not such housing development fund company has entered into an installment agreement with the city of New York.

d. Any housing development fund company organized under article eleven of the private housing finance law that has contractual or other legal obligations that allocate forty percent of the profits on the resale of either the shares allocated to a dwelling unit within such real property, or the real property itself, to the city of New York that avails itself of the provisions of subdivision b of this section shall no longer be required to give such forty percent to the city of New York and shall instead receive, for a period of ten years from the effective date of this section, seventy-five percent of the profits on the resale of either the shares allocated to a dwelling unit within such real property or the real property itself, with the selling shareholder receiving the remaining twenty-five percent, to be immediately followed by an additional period of fifteen years during which time such housing development fund company shall receive fifty percent of the profits on the resale of either the shares allocated to a dwelling unit within such real property or the real property itself, so long as the income of the purchasers of such shares does not exceed one hundred and twenty percent of the median income for the city of New York.

Such housing development fund company shall include that the provisions of this subdivision in the by-laws of such housing development fund company and any proprietary lease between the housing development fund company and any shareholder.

§2. This local shall take effect immediately, provided however, that the benefits of subdivision b of section 11-238 of the administrative code of the city of New York, as added by section one of this local law, shall apply to real estate taxes due for the tax year commencing July first, two thousand four.

Referred to the Committee on Housing and Buildings.

Res. No. 326

Resolution calling upon the Congress of the United States to pass H.R. 3444, introduced by Representative DeLauro, and S.2108, introduced by Senator Harkin, which would ensure that consumers receive information about the nutritional content of restaurant and vending machine food.

By Council Members James, Quinn, Baez, Barron, Gerson, Lopez, Nelson, Palma, Perkins, Sanders Jr., Seabrook and Vann.

Whereas, According to the Centers for Disease Control and Prevention, two-thirds of American adults are overweight or obese, and the rates of obesity have doubled in children and tripled in teens since 1980; and

Whereas, A study by the Medical and Health Research Association of New York City's Neighborhood WIC Program, which provides food for women, infants and children up to age 5, found that 14% of 2-year-olds and 25% of 3 to 4 year-olds are overweight; and

Whereas, The American Obesity Association ("AOA") reports that obesity increases the risk of developing a number of health conditions including type 2 diabetes, hypertension, coronary heart disease, ischemic stroke, colon cancer, post menopausal breast cancer, endrometrial cancer, gall-bladder cancer, infertility, osteoarthritis and obstructive sleep apnea; and

Whereas, According to Congressional findings, the annual cost of obesity to families, businesses, and governments in the United States is approximately $117,000,000,000; and

Whereas, Furthermore, over the past two decades, there has been a significant increase in the number of meals prepared or eaten outside the home, with an estimated one-third of the calories consumed from and almost half of total food

dollars spent on food purchased from or eaten at restaurants and other food service establishments; and

Whereas, While federal law currently requires nutrition labeling on most processed foods, nutrition information is not generally required for menu items at restaurants and other food service establishments; and

Whereas, Use of food labels is associated with healthier eating habits; and

Whereas, Given the limited availability of nutrition information and the larger-than-standard serving portions, it may be difficult for consumers to make informed choices regarding their intake of calories at restaurants; and

Whereas, Studies have shown that consumers are interested in receiving nutrition information when ordering their food at a restaurant so that they may make an educated decision regarding what to purchase; and

Whereas, The Surgeon General and Secretary of Health and Human Services recommends that, to reduce the incidence of obesity, there be increased availability of nutrition information for food eaten and prepared away from home; and

Whereas, On November 5, 2003, Representative DeLauro introduced H.R. 3444, to be cited as the Menu Education and Labeling Act, which would amend the Federal Food, Drug, and Cosmetic Act to ensure that consumers receive information about the nutritional content of restaurant and vending machine food; and

Whereas, On February 24, 2004, Senator Harkin introduced a companion bill, S.2108, also to be known as the Menu Education and Labeling Act; and

Whereas, This legislation would require that restaurants that are part of a chain of at least 20 outlets doing business under the same trade name provide a listing of the total number of calories, grams of saturated fat, and milligrams of sodium adjacent to any item on menus in a clear and conspicuous manner; and

Whereas, This legislation would also require that vending machines and restaurant menu boards display the total number of calories of each item; now, therefore, be it

Resolved, That the Council of The City of New York calls upon the Congress of the United States to pass H.R. 3444, introduced by Representative DeLauro, and S.2108, introduced by Senator Harkin, which would ensure that consumers receive information about the nutritional content of restaurant and vending machine food.

Referred to the Committee on Health.

Int. No. 355

By Council Members Jennings, Avella, Comrie Jr., Jackson, Monserrate, Perkins, Sanders Jr., Clarke, Martinez, Seabrook and Stewart.

A Local Law to amend the administrative code of the city of New York, in relation to the retention of candidates on eligible lists.

Be it enacted by the Council as follows:

Section 1. **Legislative findings and intent.** The Council finds that many candidates for employment by the city and related public employers who are on eligible lists are "considered and not selected" by agencies, often without interviews. After three such "considered and not selected" actions, such candidates are removed from the appropriate eligible list. When such eligible list is exhausted, many agencies hire individuals who have never taken or passed a civil service examination. This situation undermines the civil service law and the merit and fitness system on which it is based. This legislation is intended to uphold the merit and fitness requirements of city employees.

§2. Chapter 2 of title 12 of the administrative code of the city of New York is hereby amended by adding a new §12-206 to read as follows:

§12-206 ***Requirement of retention of candidates on eligible lists.*** *The commissioner of citywide administrative services shall keep all candidates who are considered and not selected for appointment to a particular position by an agency pursuant to section 61 of title B of article 4 of the civil service law on the appropriate eligible list until a new eligible list is created.*

§3. This local law shall take effect immediately.

Referred to the Committee on Civil Service and Labor.

Int. No. 356

By Council Members Jennings Jr., Reed, Sears, Barron, Moskowitz, Boyland, Seabrook, Stewart, Clarke and Perkins.

A Local Law to amend the administrative code of the city of New York, in relation to increasing the penalties for failure to use a safety locking device and requiring that in certain circumstances law enforcement officers be required to use a safety locking device.

Be it enacted by the Council as follows:

Section 1. Section 10-311 of the administrative code of the city of New York is amended to read as follows:

§ 10-311 Sale of weapons without safety locking device prohibited.

a. It shall be unlawful for any person or business enterprise to dispose of any weapon which does not contain a safety locking device. For the purposes of this section and section 10-312: (1) weapon shall mean a firearm, rifle, shotgun, or assault weapon, as such terms are defined in section 10-301; or a machine gun, as defined in the penal law; and (2) a safety locking device shall mean a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user, and includes, but is not limited to, a trigger lock, which prevents the pulling of the trigger without the use of a key, or a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers.

b. It shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to dispose of any weapon in the city of New York unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the weapon and on a separate sheet of paper included within the packaging enclosing the weapon:

> "THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE WEAPON STORAGE. ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

c. Any person who applies for and obtains authorization to purchase a weapon or otherwise lawfully obtains a weapon pursuant to chapters one or three of title ten of this code shall be required to purchase or obtain a safety locking device at the time he or she purchases or obtains the weapon.

d. (1) The police commissioner is authorized to promulgate rules setting forth the types of safety locking devices which will comply with this section in accordance with subdivision a of this section. The city of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of, a safety locking device that may have been purchased in compliance with such rules promulgated by the commissioner.

(2) The police commissioner shall provide written notice of the requirements of this section and section 10-312 to all persons who receive an official authorization to purchase a weapon and all persons applying for renewal of a license or permit issued pursuant to chapters one or three of title ten, including any rules promulgated under this subdivision. All persons applying for a license or permit or applying for the renewal of a license or permit pursuant to chapters one or three of title ten of this code, shall receive from the commissioner information concerning the importance of using a safety locking device while a weapon is not in use, and a warning that weapons should be stored unloaded and locked in a location that is both separate from their ammunition and inaccessible to children and any other unauthorized persons.

e. Any violation of subdivisions a or b of this section or any rule promulgated thereunder shall be a misdemeanor and triable by a judge of the criminal court of the city of New York and punishable by imprisonment of not more than thirty days or by a fine of not more than five hundred dollars, or both.

f. Any person who violates this section having previously been found guilty of a violation of this section, or under circumstances which create a substantial risk of physical injury to another person, shall be guilty of a misdemeanor punishable by imprisonment of not more than six months, or by a fine of not more than five thousand dollars, or both.

g. Any person who violates this section having previously been found guilty on two or more occasions of a violation of this section shall be guilty of a misdemeanor punishable by imprisonment of not more than one year, or by a fine of not more than ten thousand dollars, or both.

h. In addition to the penalties prescribed in subdivisions e, f, and g of this section, any person who violates this section shall be liable for a civil penalty of not more than five thousand dollars.

§ 2. Section 10-312 of the administrative code of the city of New York is amended to read as follows:

§ 10-312 Use of safety locking device required under certain circumstances.

a. It shall be unlawful for any person who is the lawful owner or lawful custodian of a weapon, as that term is defined in section 10-311, to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of his or her immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device. Any person who violates this subdivision shall be guilty of a violation, punishable by imprisonment of not more than ten days or by a fine of not more than two hundred fifty dollars, or both.

b. Any person who violates subdivision a of this section having previously been found guilty of a violation of such subdivision, or under circumstances which create a substantial risk of physical injury to another person, shall be guilty of a misdemeanor punishable by imprisonment of not more than [thirty days] *six months* or by a fine of not more than [one] *five* thousand dollars, or both.

c. *Any person who violates this section having previously been found guilty of a misdemeanor pursuant to this section shall be guilty of a misdemeanor punishable*

by imprisonment of not more than one year, or by fine of not more than ten thousand dollars, or both.

d. *In addition to the penalties prescribed in subdivisions a, b, and c of this section, any person who violates this section shall be liable for a civil penalty of not more than five thousand dollars.*

e. The provisions of this section shall not apply to weapons owned or lawfully possessed by a police officer, as such term is defined in section 1.20 of the criminal procedure law, or a federal law enforcement officer, as such term is defined in section 2.15 of the criminal procedure law; *provided, however, that this section shall apply to weapons owned or lawfully possessed by a police officer or a federal law enforcement officer, if the police officer or federal law enforcement officer knows or has reason to believe that a minor under the age of 14 years is likely to gain access to the weapon.*

§ 3. This local law shall take effect 90 days after its enactment into law.

Referred to the Committee on Public Safety.

Res. No. 327

Resolution calling upon the Board of Education to mandate that all school children in grade five or lower be required to remain at school until a parent or authorized person of responsible age picks them up.

By Council Members Jennings Jr., Avella, Baez, Barron, Boyland, Brewer, Clarke, DeBlasio, Dilan, Felder, Fidler, Foster, Gennaro, Gerson, Gioia, Katz, Koppell, Liu, Lopez, Martinez, McMahon, Monserrate, Nelson, Perkins, Provenzano, Reed, Reyna, Rivera, Seabrook, Sears, Serrano, Stewart, Vann, Weprin and Yassky.

Whereas, The safety of our City's children is paramount; and

Whereas, According to the New York City Board of Education's Regulations, sustaining "a safe and secure school environment is the shared responsibility of the entire school community, including school safety, pedagogical, non-pedagogical and custodial personnel, parents and students"; and

Whereas, The Board of Education's Regulations further state that the "maintenance of order and security in and around public schools is essential to creating learning environments in which students can meet high academic standards, educators can teach to those standards, and parents can be assured that the children are guaranteed their right to learn"; and

Whereas, In March 2002, a series of reported incidents have occurred in Queens involving pedophiles who have molested, exposed themselves, or tried to lure school children into their cars; and

Whereas, Several of these reported incidents involved elementary school children who were on their way to and from school; and

Whereas, Multiple suspects have been arrested for allegedly exposing themselves to school children in Queens; and

Whereas, Parents of children who attend P.S. 223 in Queens have been advised to escort their children to and from school, and to create a buddy system; and

Whereas, These incidents may have been averted if the children had been accompanied by an adult or authorized person of responsible age; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Board of Education to mandate that all school children in grade five or lower be required to remain at school until a parent or authorized person of responsible age picks them up.

Referred to the Committee on Education.

Int. No. 357

By Council Members Lanza, Oddo, Gallagher, Liu, Addabbo Jr., Avella, Barron, Baez, Boyland, Clarke, Comrie Jr., Felder, Fidler, Foster, Gerson, Gioia, Jackson, Jennings Jr., Lopez, Monserrate, Nelson, Recchia Jr., Reed, Reyna, Rivera, Sears, Serrano, Stewart, Vann, McMahon, Gentile, Katz, Palma, Sanders Jr., Seabrook, Vallone Jr., Weprin and Gonzalez.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the installation of a stop sign or traffic control signal at every intersection immediately adjacent to any high school or other school below high school level in New York City.

Be it enacted by the Council as follows:

Section 1. Subchapter 3 of chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-180 to read as follows:

19-180. School intersections. The department shall install stop signs or traffic control signals at all intersections immediately adjacent to any high school or other school below high school level in the city of New York in order to control motor vehicle traffic on streets near such schools. The department shall evaluate and install at such locations either a stop sign or traffic control signal, whichever the department deems appropriate, based upon the volume of motor vehicle traffic and the sight-lines of persons crossing at such intersections. For purposes of this section, the term "intersection" shall have the meaning set forth in section 120 of the vehicle and traffic law.

§2. This local law shall take effect one hundred eighty days after it is enacted into law.

Referred to the Committee on Transportation.

Res. No. 328

Resolution calling on the New York City Police Department to accept electronic benefit transfer cards that have the cardholder's photograph as a valid form of identification.

By Council Members Lopez, Barron, Brewer, Martinez, Palma, Perkins and Stewart.

Whereas, In New York City, public assistance benefits and food stamps are provided electronically through an electronic benefit transfer (EBT) system administered by the New York State Office of Temporary and Disability Assistance (OTDA); and

Whereas, EBT cards enable public assistance recipients to access essential benefits such as food stamps or cash assistance at venues including grocery stores and ATM machines; and

Whereas, In order to obtain an EBT card, an individual must be fingerprinted and submit proof of identity such as a birth certificate, Social Security card or passport; and

Whereas, EBT cards do not include an address but often have the cardholder's photograph; and

Whereas, Pursuant to the New York City Police Department Patrol Guide, Police Officers who encounter persons committing offenses or crimes are required to ask for a valid form of identification and a verifiable address; and

Whereas, Producing a verifiable address is impossible for many of New York City's 38,000 homeless persons; and

Whereas, Those who have committed infractions or minor crimes and cannot produce government issued identification and a verifiable address may be subject to arrest or held in police custody until arraigned in court, while persons who have committed equivalent offenses but who have a verifiable address and valid identification may receive a summons or a desk appearance ticket allowing them to attend court at a later date; and

Whereas, Penalizing homeless persons who lack a verifiable address or government issued identification other than an EBT card by arresting them causes great harm to the persons who are arrested and places additional financial and bureaucratic burdens on the city; and

Whereas, Accepting EBT cards that have the cardholder's photograph as a valid form of identification without requiring a verifiable address could reduce unnecessary arrests of homeless persons; now, therefore, be it

Resolved, That the New York City Council calls on the NYPD to accept Electronic Benefit Transfer cards that have the cardholder's photograph as a valid form of identification.

Referred to the Committee on General Welfare.

Res. No. 329

Resolution supporting the families of the victims of Flight 587 in their efforts to establish a permanent memorial on a piece of land located at Beach Channel Drive and 126th Street in the Queens community of Belle Harbor to honor all those who died tragically on that flight on November 12, 2001.

By Council Members Lopez, Barron, Boyland, Clarke, Koppell, Perkins, Seabrook, Sears and Vann.

Whereas, On November 12, 2001, American Airlines Flight 587 crashed into the Belle Harbor community in Queens, New York while en route to the Dominican Republic; and

Whereas, The crash of Flight 587 claimed the lives of all 260 passengers on board the plane as well as five other victims on the ground, constituting the second worst passenger aircraft disaster in the history of the United States; and

Whereas, Since the crash of Flight 587, the families who lost loved ones on that day have hoped that a portion of the crash site would be dedicated as the setting for a permanent memorial, an endeavor that has been quite difficult because the actual crash site is spread out through several private properties; and

Whereas, The families of the victims of Flight 587 understand that the actual crash site is located within private properties and recognize the rights of the owners

and the desires of the entire Belle Harbor community to put the tragic event behind them and regain a sense of normalcy; and

Whereas, Most of the families of the victims of Flight 587 are nevertheless adamant that a suitable location be obtained in order to erect a permanent dignified memorial which will commemorate their lost loved ones and the tragic event that cost them their lives; and

Whereas, The Flight 587 Families Association was created to help the families of the victims of Flight 587 in their quest to have a permanent memorial erected; and

Whereas, According to The Flight 587 Families Association, two locations have been suggested as possible site for a memorial, both of which have been deemed unacceptable by the majority of the families because of the distance of those locations from the actual crash site; and

Whereas, According to The Flight 587 Families Association, all of the families of the passengers on Flight 587 are in agreement that a piece of land located at Beach Channel Drive and 126th Street in Belle Harbor overlooking Jamaica Bay, where the tail fell off the plane, provides the most desirable location for a permanent dignified memorial; and

Whereas, Although some of the families of the victims of Flight 587 have argued that even this location is too distant from the actual crash site, they believe that under the current circumstances this location provides the best available option; now, therefore, be it

Resolved, That the Council of the City of New York supports the families of the victims of Flight 587 in their efforts to establish a permanent memorial on a piece of land located at Beach Channel Drive and 126th Street in the Queens community of Belle Harbor to honor all those who died tragically on that flight on November 12, 2001.

Referred to the Committee on Cultural Affairs, Libraries & International Intergroup Relations.

Res. No. 330

Resolution calling upon the New York State Legislature to enact A.7018-A/S.3109-A, the New York State Cultural Development Areas Act, which creates the New York State cultural development program; provides for the designation of cultural development areas and provides for certain tax benefits within those areas.

By Council Members Lopez, Gerson, Serrano, Barron, Fidler, Gentile, James, Perkins, Seabrook and Sears.

Whereas, Cultural institutions have proven to be a social and economic benefit to the communities, in which they are located; and

Whereas, New York State Assembly bill A.7018-A and New York State Senate bill S3109-A would create a New York State Cultural Development Areas Program; and

Whereas, The New York State Cultural Development Areas Program would provide for the designation of Cultural Development Areas; and

Whereas, There shall be a total of no fewer than six but no more than nine Cultural Development Areas in New York State to be approved by the New York State Commissioner of Economic Development; and

Whereas, To qualify as a Cultural Development Area, the area must have one or more arts corporations, or the county executive must certify that it will within a year of its designation; shall not exceed two square miles, and shall be defined by one or more borders as determined by the applicant, which, where appropriate, shall include major natural or man-made physical boundaries, such as bodies of water, railroad lines, or limited access highways.

Whereas, Such borders must be contiguous and 25% of the total land and/or the total square footage of facilities within a proposed Cultural Development Area must be vacant, abandoned, or otherwise available for development; and

Whereas, The New York State Cultural Development Areas program would provide that capital improvements to qualified buildings within a Cultural Development Area are eligible for real property tax exemptions; and

Whereas, The New York State Cultural Development Areas program would also provide for a personal income tax credit for donations made on behalf of a qualifying capital project; and

Whereas, The New York State Cultural Development Areas Program allows for the designation of "Cultural Assets" outside of the Cultural Development Area, that are defined as a single building owned in whole or in part by an arts corporation the purpose of which is the presentation or exhibition of artistic or cultural performances or exhibits to the public; and

Whereas, The New York State Cultural Development Areas program allows the designation and creation of an Arts and Cultural Development Area by passage of local law and submission of an application for approval to a newly created Culture Areas Council, the New York State Council on the Arts and the Department of Economic Development and other entities to ensure that the geographic area chosen can support and sustain a revitalized arts community; and

Whereas, The New York City Council has historically been a strong supporter and advocate for cultural institutions throughout the five boroughs;

Now therefore be it **Resolved,** That the Council of the City of New York calls upon the New York State legislature to enact A.7018-A/S.3109-A, the New York State Cultural Development Areas Act, which creates the New York State cultural development program; provides for the designation of cultural development areas; and provides for certain tax benefits within those areas.

Referred to the Committee on Cultural Affairs, Libraries & International Intergroup Relations.

Int. No. 358

By Council Members McMahon, Brewer, Fidler, Reyna, Yassky and Gentile.

A Local Law to amend the administrative code of the city of New York, in relation to the shipment of solid waste between boroughs and the alteration of solid waste management facilities.

Be it enacted by the Council as follows:

Section one. Section 16-201 of the administrative code of the city of New York is amended by adding thereto new subdivisions g and h to read as follows:

g. As of July 1, 2008, the commissioner shall be prohibited from delivering, transferring, relocating, sending, carrying, shifting, removing, reassigning, or distributing solid waste collected from within any borough to any other borough for any purpose without the prior consent of the council by local law. The provisions of this section shall not apply to any recyclable materials as designated pursuant to sections 16-305, 16-306, 16-308, 16-309 or 16-310 of this chapter.

h. No approval shall be granted for the construction of any new facility or an alteration to any existing facility used by the department for the processing and/or storage of solid waste that will increase the ability of said facility to process residential or commercial solid waste from any borough other than the borough in which the facility is located, without the prior approval of the council by local law. This section shall not apply to any facilities used for the collection of or processing of recyclable materials.

§2. This local law shall take effect immediately after its enactment into law.

Referred to the Committee on Sanitation and Solid Waste Management.

By Council Members Monserrate, Seabrook, Addabbo Jr., Baez, Barron, Boyland, Clarke, Jennings Jr., Katz, Martinez, Palma, Rivera, Weprin and Gonzalez.

A Local Law to amend to administrative code of the city of New York, in relation to suspending the activation of parking meters on Sundays.

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-167 to read as follows:

§19-167 Suspending the activation of parking meters on Sundays. Notwithstanding any other provision of law, no person parking a vehicle at a parking meter is required to activate such meter on a Sunday and no notice of violation or summons may be issued solely for the failure to activate such parking meter on a Sunday.

§2. This local law shall take effect thirty days after its enactment into law, except that, the commissioner of transportation shall take all actions necessary for its implementation prior to such effective date.

Referred to the Committee on Transportation.

By Council Members Moskowitz, Addabbo Jr., Baez, Brewer, Clarke, Gerson, Jennings Jr., Nelson, Yassky and Gentile.

A Local Law to amend the administrative code of the city of New York, in relation to emergency power in firehouses.

Be it enacted by the Council as follows:

Section 1. Chapter one of title 15 is amended by adding a new section 15-129 to read as follows:

§ 15-129. Firehouse emergency power. a. By January 1, 2007, all firehouses shall be equipped with an emergency power source sufficient to operate essential equipment for at least 48 hours.

b. Firehouse emergency power sources shall be tested annually, including, when practicable, testing under loss of power conditions.

§ 2. This local law shall take effect immediately upon its enactment.

Referred to the Committee on Fire and Criminal Justice Services.

Int. No. 361

By Council Members Moskowitz, Addabbo Jr., Baez, Brewer, Boyland, Gerson, Jennings Jr., Nelson, Yassky and Gentile.

A Local Law to amend the administrative code of the city of New York, in relation to emergency power in police precincts.

Be it enacted by the Council as follows:

Section 1. Chapter one of title 14 is amended by adding a new section 14-151 to read as follows:

§ 14-151. Police precinct emergency power. a. By January 1, 2007, all police precincts shall be equipped with an emergency power source sufficient to operate essential equipment for at least 48 hours.

b. Police precinct emergency power sources shall be tested annually, including, when practicable, testing under loss of power conditions.

§ 2. This local law shall take effect immediately upon its enactment.

Referred to the Committee on Public Safety.

Res. No. 331

Resolution urging the United States Congress and the President to repeal the 2003 tax breaks for wealthy Americans and large corporations, and restore funding for critical domestic priorities.

By Council Members Perkins, Barron, James, Lopez, Monserrate, Stewart, Vann, Baez, Gerson, Palma, Rivera, Sanders Jr. and Seabrook.

Whereas, The City Council believes the City of New York must provide quality services to its residents; and

Whereas, The City of New York has experienced cuts to public services because of New York's budget cuts over the last few years, e.g. firehouse closings, child health clinic closings and CUNY underfunding; and

Whereas, New York needs new revenue to prevent these and other deep budget cuts and to pay for education, affordable housing, child care, health care, prescription drugs, public safety, environmental programs, local aid, human services, and other badly needed state and local programs; and

Whereas, If significant revenue is not forthcoming, the City of New York will face increased pressure to raise property taxes and/or fees, and/or cut vital services; and

Whereas, New York is in this fiscal crisis because the sluggish national economy has resulted in a substantial loss of tax revenues; and

Whereas, President Bush and the U.S. Congress could have provided $85 billion in aid to the states during this nationwide fiscal crisis, which would have eliminated every state's deficit, but instead chose to pass a tax bill that provides only $20 billion in aid to states and gives away $330 billion in tax breaks, primarily to the wealthiest Americans; and

Whereas, President Bush and Congress' 2003 tax law will cost New York millions of dollars over the next decade in federal subsidies; and

Whereas, The 2003 tax law will yield an average four-year tax cut totaling only $339 over four years to the bottom 60% percent of New York taxpayers, while the richest 1% in our state will receive an average four-year tax break of $147,526, and, by 2006, 87% of New York residents will receive less than $100 in tax cuts; and

Whereas, There is little evidence that tax breaks for the wealthy "trickle down" and help middle and low-income people and history shows that large tax giveaways for the rich alongside extreme inequalities in wealth are followed by weak economic growth and job loss; and

Whereas, The permanent repeal of the federal estate tax will divert almost $1 trillion dollars from domestic priorities over the next 20 years, while only benefiting multi-millionaires; and

Whereas, New York relies on federal aid in the form of Medicaid reimbursements, general economic assistance, increased spending on transportation and housing development, direct homeland security funding, and Social Security payments; and

Whereas, President Bush and Congress' 2003 tax law undermines our state and local efforts in various areas, and provides little tax relief to the vast majority of the citizens of New York; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the members of the New York Delegation to the United States Congress to vote to repeal the 2003 tax breaks that benefit only upper-income taxpayers, and redirect a portion of the restored funds to the states so they can fund much needed services; and be it further

Resolved, That the Council of the City of New York urges the United States Congress and the President to repeal the 2003 tax breaks for wealthy Americans and large corporations, and restore funding for critical domestic priorities.

Referred to the Committee on State and Federal Legislation.

Res. No. 332

Resolution commemorating the 79th birthday of Malcolm X on May 19th, 2004.

By Council Members Perkins, Baez, Barron, Clarke, Lopez, Palma, Sanders Jr., Seabrook, Serrano and Vann.

Whereas, Malcolm X is one of America's leading figures in the movement for Black liberation in the United States and was active in the civil rights movement during the 1960's; and

Whereas, Malcolm X was born Malcolm Little on May 19, 1925, in Omaha, Nebraska to Louisa Norton Little and Earl Little, a Baptist Minister who's outspoken civil rights activism prompted death threats from the white supremacist organization Black Legion forcing Malcolm's family to relocate twice before Malcolm's fourth birthday; and

Whereas, Malcolm X excelled in school and graduated Junior High School at the top of his class and was discouraged from pursuing his desire to become a lawyer by a teacher who told him that becoming a lawyer was "no realistic goal for a ni---er" destroying Malcolm's interest in school; and

Whereas, Malcolm fell into a life of crime and was sentenced to seven years in prison in 1946 and used this time to further his education and to study the teachings of Nation of Islam (NOI) leader Elijah Muhammad; and

Whereas, By the time Malcolm was paroled in 1952 he was a devoted follower of the NOI and had adopted a new name, Malcolm X; and

Whereas, Malcolm X was appointed a minister and national spokesman for the NOI and was responsible for the establishment of new mosques in cities across the United States including Mosque No. 7 in Harlem, New York; and

Whereas, Malcolm X grew further in his faith and went on a religious pilgrimage to Mecca, Saudi Arabia in 1964 and returned to the United States having adopted the name of El-Hajj Malik El-Shabazz and preaching a message of unity to all races; and

Whereas, At a speaking engagement in the Audubon Ballroom in Harlem on February 21, 1965, Malcolm X was shot 15 times and was pronounced dead at Columbia Presbyterian Hospital at the age of 39 and was funeralized at the Faith Temple Church of God In Christ in Harlem on February 27, 1965 where over 1500 mourners attended his funeral; and

Whereas, Malcolm X is a symbol of courage and strength and is recognized as a hero to many Americans; and his widow, Dr. Betty Shabazz, continued his tradition of supporting social justice and educational excellence; now, therefore, be it

Resolved, That the Council of the City of New York commemorates May 19th, 2004 as Malcolm X's 79th birthday.

Referred to the Committee on Cultural Affairs, Libraries & International Intergroup Relations.

Res. No. 333

Resolution calling upon the State Legislature to adopt A.3897/A.6251/S.680, which would restrict the consecutive number of hours that nurses are required to work, except in emergencies.

By Council Members Quinn, Clarke, Oddo, Sears, Stewart, Vann, Palma, Avella, Barron, Brewer, Boyland, Fidler, Gerson, Lopez, Nelson, Perkins, Rivera, Seabrook and Weprin.

Whereas, Currently, employer reliance on mandatory overtime to fill staffing gaps creates unsafe and unsatisfying working conditions, which are a contributing factor to the nursing shortage; and

Whereas, According to a recent survey of the State Office of the Professions, almost 45% of full-time, single-job Registered Nurses (RNs) work overtime, and for nearly 15% of this group, overtime work is always mandatory, while for another 43% the overtime work is sometimes mandatory; and

Whereas, Abuses of mandatory overtime create ethical, professional and personal dilemmas for many nurses; and

Whereas, Mandatory overtime also creates a tremendous burden on nurses who are primary care providers and must make arrangements to care for children or other dependents; and

Whereas, According to the New York State Nurses Association, while the nursing profession's code of conduct and licensure regulations prohibit nurses from abandoning their patients, if the nurse is so tired that safe care cannot be assured, the same rules of professional conduct require that the nurse notify the employer that a replacement must be found; and

Whereas, A.3897/A.6251/S.680 would prohibit health care employers from requiring an RN or Licensed Practical Nurse (LPN) to remain on duty for a period longer than 8 consecutive hours or 40 hours in a 7 day workweek, except as consistent with those hours a nurse has agreed to work and is normally scheduled to work; and

Whereas, Pursuant to the legislation, no employer would require a nurse to work more than that nurse's regularly scheduled work hours; and

Whereas, According to the legislation, the limit on consecutive hours worked would not apply in the case of (1) a health care disaster that unexpectedly increases the need for the nurse and affects the county in which the nurse is employed or (2) a federal, state or county declaration of emergency in effect in the county in which the nurse is employed; and

Whereas, Additionally, the legislation would not prohibit nurses from using their professional judgment to volunteer for additional hours based on their capabilities; and

Whereas, A.3897/A.6251/S.680 would also allow a nurse to refuse work beyond regularly scheduled hours, and such refusal would not constitute patient abandonment or neglect if the nurse has notified his or her supervisor in a reasonable manner after learning of such overtime work assignment; and

Whereas, Furthermore, the legislation would eliminate an employer's ability to schedule mandatory overtime and would promote quality patient care by encouraging nurses to enter, remain in or return to the profession; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the State Legislature to adopt A.3897/A.6251/S.680, which would restrict the consecutive number of hours that nurses are required to work, except in emergencies.

Referred to the Committee on Health.

Res. No. 334

Resolution calling upon the State Legislature to adopt A.8560-A/S.4713, which would establish a reporting system to monitor the supply and demand for registered professional nurses and establish minimum RN to patient ratios within a staffing system designed to promote quality health care.

By Council Members Quinn, Clarke, Oddo, Sears, Stewart, Vann, Palma, Addabbo Jr. Avella, Barron, Brewer, Boyland, Fidler, Gerson, Lopez, Nelson, Perkins, Rivera, Seabrook and Weprin.

Whereas, New York State and the City continue to experience a severe shortage of registered professional nurses (RNs) due to a combination of the increased demand for health care services of an aging population, the aging of the current RN workforce and a lack of job satisfaction because of long hours and high stress associated with low staffing; and

Whereas, Approximately 37,852 RNs, or 22.9%, of the current workforce in New York State, said they plan on leaving the profession in the next 5 years, according to a recent survey of nurses conducted by the State Office of the Professions; and

Whereas, A study on nurse "burnout" published in the October 2002 issue of the Journal of the American Medical Association asserts that "40% of hospital nurses have burnout levels that exceed norms for health care workers" and that "job dissatisfaction among hospital nurses is four times greater than the average for all U.S. workers;" and

Whereas, Moreover, the Joint Committee on Accreditation of Healthcare Organizations (JCAHO), states that low RN staff levels contribute to at least 24% of all patient injuries and preventable deaths; and

Whereas, Legislation which is currently before the New York State Legislature, seeks to improve the quality of patient care received in acute care facilities by increasing the number of hours of patient care delivered by RNs, as well as by ensuring an adequate supply of RNs; and

Whereas, A.8560-A/S.4713 would amend the State Labor Law to require that the State Labor Commissioner present an annual report to the legislature identifying various factors that have resulted in a nursing shortage in New York State and projecting supply and demand for RNs for the coming year; and

Whereas, The legislation would also amend the State Public Health Law to require acute care facilities to include a basic staffing plan when seeking an operating certificate, and make such plan available to the public; and

Whereas, A.8560-A/S.4713 would also require acute care facilities to report to the State Health Commissioner incidents of failure to staff according to the basic staffing plan, as well as incidents when emergency patients have to be diverted to other facilities due to insufficient RN staffing; and

Whereas, The legislation would also establish minimum nurse to patient ratios in the following service units: Critical Care, Emergency Departments, Perioperative Care, Maternal or Child Care, Medical/Surgical Care, Behavioral Care and Rehabilitative Care; and

Whereas, The legislation would create a nursing advisory committee to counsel the State Health Commissioner in relation to acuity systems, staffing plans and RN to patient ratios in service units not specified in the legislation; and

Whereas, Additionally, the legislation would provide the State Health Commissioner with the authority to establish safe staffing standards to reflect the personnel needed, beyond the minimum RN to patient ratios, to meet patient care needs, prevent adverse patient outcomes and minimize the amount of non-nursing tasks performed by licensed nurses; and

Whereas, A.8560-A/S.4713 would also require each acute care facility to establish a committee of RNs to assist in the development of the facility's basic staffing plan and nursing orientation plans; now, therefore, be it,

Resolved, That the Council of the City of New York calls upon the State Legislature to adopt A.8560-A/S.4713, which would establish a reporting system to monitor the supply and demand for registered professional nurses and establish minimum RN to patient ratios within a staffing system designed to promote quality health care.

Referred to the Committee on Health.

Res. No. 335

Resolution calling upon the State Senate to adopt the "Nursing Care Quality Protection Act" (S.3255), which would provide the public with information regarding nursing staffing levels at hospitals and nursing homes and prohibit those who are not registered nurses (RNs) or licensed practical nurses (LPNs) from portraying themselves to the public as "nurses."

By Council Members Quinn, Clarke, Oddo, Sears, Stewart, Vann, Palma, Addabbo Jr., Avella, Barron, Brewer, Fidler, James, Lopez, Nelson, Perkins, Rivera and Weprin.

Whereas, As articulated in a May 30, 2002 article of the New England Journal of Medicine, short-staffing nurses can lead to dangerous, even deadly complications when overburdened nurses are unable to monitor patients closely and detect ailments early; and

Whereas, The disclosure of staffing ratios provides consumers with essential information needed to make informed decisions related to choice of hospitals and nursing homes; and

Whereas, The "Nursing Care Quality Protection Act," S.3255, a bill currently before the New York State Senate, would require facilities to disclose the numbers of RNs and LPNs providing direct care, the ratio of patients per RNs and LPNs providing direct care and the number of unlicensed personnel utilized to provide direct patient care, as well as the methods the hospital uses for determining and adjusting staffing levels; and

Whereas, The legislation would also require facilities to disclose the number of adverse patient care incidents, such as medication errors and patient injuries; and

Whereas, In addition, facilities would be required to report data regarding complaints filed with state or federal regulatory agencies or accrediting agencies, and the investigations that resulted from such complaints, to the Commissioner of any state agency responsible for licensing or accrediting the facility or responsible for overseeing its delivery of services, as well as to the public; and

Whereas, Further, S.3255 would eliminate confusion and misrepresentation by prohibiting anyone who is not an RN or LPN from using the title "nurse" or any other title or abbreviation that would represent to the public that the person is authorized to practice nursing; and

Whereas, The State Assembly passed the "Nursing Care Quality Protection Act" (A.5591) on March 8, 2004; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the State Senate to adopt the "Nursing Care Quality Protection Act" (S.3255), which would provide the public with information regarding nursing staffing levels at hospitals and nursing homes and prohibit those who are not registered nurses (RNs) or licensed practical nurses (LPNs) from portraying themselves to the public as "nurses."

Referred to the Committee on Health.

Int. No. 362

By Council Members Recchia Jr., Jackson, Clarke, Comrie Jr., Gennaro, Gerson, Jennings Jr., Koppell, Liu, Lopez, Perkins, Quinn, Sanders Jr., Stewart, Yassky, Brewer, Boyland and Moskowitz.

A Local Law to amend the charter of the city of New York in relation to agencies that contract with not-for-profit organizations.

Be it enacted by the Council as follows:

Section 1. Section 325 of the charter of the city of New York, as amended by local law 59 of the year 1996 is hereby amended to read as follows:

§ 325. Planning and Notification. a. Agencies that award client services contracts shall produce a draft and final plan and schedule detailing anticipated contracting actions for the upcoming fiscal year, and shall hold at least one public hearing each year immediately following the release of the draft plan and schedule to receive testimony regarding the plan and schedule. The draft and final plan and schedule shall include, but not be limited to: the type of services to be provided, the authorized maximum amount of funding associated with the program, the authorized number of contracts to be let for a particular program, the month and year of the next planned competitive solicitation. Failure to include a contract in the plan and schedule issued pursuant to this section shall not be grounds for invalidating the contract. The procurement policy board shall promulgate rules governing the issuance of the draft and final plans and schedules, which shall ensure that the draft plan and schedule is issued promptly following the submission of the executive budget and that the final plan and schedule is issued no later than September thirtieth each year.

[a.] *b.* Pursuant to rules of the procurement policy board, each agency shall

1. for each category of goods, services or construction which is regularly procured by the agency, periodically publish in the City Record a notice soliciting the names of vendors interested in being notified of future procurement opportunities in each such category,

2. for each category of goods, services or construction for which the agency prequalifies vendors for future procurement, periodically publish in the City Record a notice soliciting the names and qualifications of vendors interested in being considered for prequalification for such category, and

3. publish in the City Record, and where appropriate, in newspapers of city, state or national distribution and trade publications, notice of

(a) the solicitation of bids or proposals pursuant to section three hundred thirteen and three hundred seventeen through three hundred twenty-two, where the value of a contract is estimated to be above the small purchase limits, except where the agency has determined pursuant to section three hundred eighteen or three hundred twenty that solicitation should be limited to prequalified vendors,

(b) the award of a contract exceeding the small purchase limits in value. Each such notice of award shall indicate the name of the contractor, the dollar value of the contract, the procurement method by which the contract was let, and for contracts let by other than competitive sealed bidding, a citation of the clause of subdivision b of section three hundred twelve pursuant to which a procurement method other than competitive sealed bidding was utilized.

[b.] *c.* The procurement policy board, in consultation with the commissioner of general services, shall promulgate rules providing for the publication and content of notices of contract actions required by this chapter. Such rules shall include provisions regarding,

i. the timing and frequency of notices,

ii. required duration of solicitation periods,

iii. the form and content of notices, including the organization and presentation of such notices within standard categories of goods, services and construction which are sufficiently detailed to provide meaningful distinctions among categories.

[c.] *d.* The notice required by subparagraph a of paragraph three of subdivision a of this section shall not apply to contracts awarded on an emergency basis pursuant to section three hundred fifteen, provided that the agency shall, as soon as is practicable, publish notice that such a contract has been entered into, pursuant to rules of the procurement policy board, nor shall such notice requirements apply where the notice would disclose litigation strategy or otherwise impair the conduct of litigation by the city.

§ 2. This local law shall take effect 45 days after its enactment.

Referred to the Committee on Contracts.

Int. No. 363

By Council Members Recchia Jr., Liu, Fidler, Nelson and Gentile.

A Local Law to amend the administrative code of the city of New York, in relation to newsracks.

Be it enacted by the Council as follows:

Section 1. Paragraph 4 of subdivision b of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York, as added by local law number 23 of 2002, is amended to read as follows:

4. The owner or person in control of each newsrack shall affix his or her name, address, telephone number, and email address, if any, on the newsrack in a readily visible location. *The owner or person in control of a newsrack may also affix the name, address, telephone number, and email address, if any, of a duly appointed agent for purposes of notification and service of any notice to correct under the provisions of this section.* In no event shall a post office box be considered an acceptable address for purposes of this paragraph.

§2. Paragraph 2 of subdivision c of section 19-128.1 of chapter 1 title 19 of the administrative code of the city of New York is amended to read as follows:

2. Subsequent to the initial notification requirements set forth in paragraph [1] *one* of this subdivision, the owner or person in control of any newsrack shall submit the information set forth in paragraph one of this subdivision *together with the name, address, telephone number, and email address, if any, of any duly appointed agent* [four] *three* times a year to the commissioner in accordance with a [quarterly] notification schedule to be established by the commissioner.

§3. Subdivision e of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York is amended to read as follows:

e. Maintenance, continuous use[, repair] and removal. 1. [Each newsrack shall be maintained in a clean and neat condition and shall be kept in good repair.] Any person who owns or is in control of a newsrack shall be required to [monitor] *certify to the commissioner in writing that* each newsrack [so that it is kept clean and free] *under his or her ownership or control has been repainted or that best efforts have been made to clean each newsrack* of graffiti and other unauthorized writing, painting, drawing, or other markings or inscriptions [and is kept good repair] *at least once during the immediately preceding four month period. Such certification shall be incorporated into the notification schedule required by paragraph two of subdivision c of this section.*

2. [Such] *Any* person *who owns or is in control of a newsrack* shall [also] use best efforts to ensure that each newsrack under his or her ownership or control is not used as a depository for the placement of refuse and shall be required to remove any refuse placed within such newsrack within [twenty-four] *seventy-two* hours of [being made aware of such condition] *receipt of written notice from the commissioner regarding such condition.*

[2] *3.* In no event shall the owner or person in control of a newsrack fail to keep such newsrack supplied with written matter for a period of more than [seven] *thirty* consecutive days without securing the door so as to prevent the deposit of refuse therein. In no event shall such newsrack remain empty for a period of more than [twenty-one] *forty-five* consecutive days.

[3] *4.* Any newsrack that has been damaged or vandalized shall be repaired, replaced or removed by the owner or person in control of such newsrack within [ten] *seven business* days of receipt of notice of such damage or vandalism. If such newsrack has been damaged or vandalized so as to constitute a danger to persons or property, it shall be made safe within a reasonable time following *receipt of written* notice [of] *from the commissioner regarding* such condition.

[4] *5.* Any damage to city property resulting from the placement, installation, maintenance or removal of a newsrack shall be repaired promptly by the owner or person in control of such newsrack. If a newsrack is removed from its location on a sidewalk, the owner or person in control of such newsrack shall be responsible for restoring the sidewalk and any other affected city property to the condition existing prior to installation of that newsrack.

§4. Paragraphs 1, 2 and 3 of subdivision f of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York are amended to read as follows:

f. Enforcement. 1. (a) Whenever any newsrack is found to be in violation of this section, the commissioner shall issue a notice of correction by [affixing it to such newsrack] *regular mail and by electronic mail to the owner or person in control of the newsrack and to any duly appointed agent if specified on the newsrack* specifying the date and nature of the violation [and shall send written notification, by regular mail, to the owner or person in control of the newsrack]. *The commissioner shall cause photographic evidence of such violation to be taken which shall be sent by regular mail together with the notice of correction. No such photographic evidence shall be required where such violation is based upon a failure to certify repainting or cleaning of newsracks in accordance with paragraph one of subdivision e of this section.* Such person shall within seven business days from the date of receipt of notification via regular mail cause the violation to be corrected *and may submit proof to the commissioner, by photographic evidence or in any other manner satisfactory to the commissioner, that such violation has been corrected within the correction period.*

(b) If an owner or other person in control of a newsrack fails to comply with a notice of correction issued pursuant to subparagraph a of this subdivision or an order by the commissioner to remove served pursuant to paragraph three of this subdivision, a notice of violation returnable to the board shall be served on such owner or person in control of such newsrack. *No notice of violation shall be issued for the failure to comply with a notice of correction issued pursuant to subparagraph a of paragraph one of this subdivision unless the commissioner has caused a second inspection of the violation to take place at which new photographic evidence shall be taken illustrating that the violation remains uncorrected. Such new photographic evidence shall be served upon such owner or person in control of such newsrack together with the notice of violation. If the second inspection reveals that the original condition upon which the notice of correction was premised has in fact been corrected, the second inspection shall be deemed a new inspection, requiring a new notice of correction to be issued should such inspection reveal any new violation of this section. No such second inspection shall be required where a notice of violation is based upon failure to comply with a notice of correction issued for failure to certify repainting or cleaning of newsracks in accordance with paragraph one of subdivision e of this section.* If the return date of the notice of violation is more than five business days after the service of such notice, the board shall, upon the request of the respondent, in person at the office of the board, provide a hearing on such violation prior to such return date and no later than five business days after the date of such request. At the time set for such hearing, or at the date to which such hearing is continued, the board shall receive all evidence, *including photographic evidence,*

relevant to the occurrence or non-occurrence of the specified violation(s), the compliance or noncompliance with any of the provisions of this section, and any other relevant information. Such hearing need not be conducted according to technical rules relating to evidence and witnesses. Oral evidence shall be taken only on oath or affirmation. Within five business days after the conclusion of the hearing, the board shall render a decision, based upon the facts adduced at said hearing, whether the newsrack violates this section. The decision shall be in writing and shall contain findings of fact and a determination of the issues presented. The board shall send to the owner or person in control of the newsrack by regular mail, a copy of its decision and order.

2. If the board renders a decision upholding the finding of a violation against the respondent upon default or after a hearing held pursuant to paragraph one of this subdivision, *other than a decision finding a violation of the provisions of paragraph one of subdivision e of this section,* and the violation is not remedied within seven days of receipt of the decision of the board, the commissioner or his or her designee is authorized to provide for the removal of such newsrack and any contents thereof to a place of safety. If such newsrack and any contents thereof are not claimed within thirty days after their removal by a person entitled to their return, they shall be deemed to be abandoned and may be either sold at a public auction after having been advertised in the City Record, the proceeds thereof being paid into the general fund, used or converted for use by the department or another city agency, or otherwise disposed of, and the owner or person in control shall be liable to the City for the costs of removal and storage and shall be subject to a civil penalty pursuant to paragraph five of subdivision f of this section. Newsracks and the contents thereof that are removed pursuant to this subparagraph shall be released to the owner or other person lawfully entitled to possession upon payment of the costs for removal and storage and any civil penalty or, if an action or proceeding concerning the violation is pending, upon the posting of a bond or other form of security acceptable to the department in an amount that will secure the payment of such costs and any penalty that may be imposed hereunder.

3. The commissioner may, upon notice, serve an order upon the owner or other person in control of a newsrack *or any duly appointed agent if specified on a newsrack* requiring such person to remove or cause to be removed such newsrack within seven business days of [the issuance] *receipt* of such order where such removal is required because the site or location at which such newsrack is placed is used or is to be used for public utility purposes, public transportation, or public safety purposes, or when such newsrack unreasonably interferes with construction activities in nearby or adjacent buildings, or if removal is required in connection with a street widening or other capital project or improvement. If such person does not remove such newsrack within seven business days of [the issuance] *receipt* of such order, the provisions contained in subparagraph b of paragraph one of this subdivision and paragraph two of this subdivision regarding issuance of a notice of violation and alternatives for removal, storage, abandonment, disposal, and release, shall apply.

§5. Paragraph 6 of subdivision f of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York is amended to read as follows:

6. Any owner or person in control of a newsrack found to be in violation of any provision of this section shall, after a board decision has been issued [upon default or] after a hearing, be subject to a civil penalty in the amount of *(i) no less than fifty dollars and no more than one hundred dollars for each violation for a specific newsrack of the provisions of paragraphs two, three, four or five of subdivision e of this section or paragraph four of subdivision b of this section, and (ii) one thousand dollars for each violation of paragraph one of subdivision e of this section, and (iii)* no less than one hundred dollars and no more than five hundred dollars for each violation *of any other provision of this section. Any owner or person in control of a newsrack found to be in violation of any provision of this section shall, after a board decision has been issued upon default, be subject to a civil penalty in the amount of no less than fifty dollars and no more than five hundred dollars, except for failure to certify in accordance with paragraph one of subdivision e of this section which shall carry a civil penalty of not more than one thousand dollars for each violation.* Paragraph 7 of subdivision f of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York is amended to read as follows:

§6. Paragraph 7 of subdivision f of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York is amended to read as follows:

7. The commissioner, shall remove or cause to be removed from any sidewalk for a period of three consecutive months, every newsrack and the contents thereof under the ownership or control of any person who repeatedly violates any provision or provisions of this subdivision *other than the provisions of paragraph one of subdivision e of this section.* For purposes of this paragraph, a person shall be deemed to have repeatedly violated this section if such person has been determined by the board, upon default or after a hearing, to have violated the provisions of this section ten or more times within [any-six month] *any six-month* period and that person has failed to pay three or more civil penalties imposed during that same time period. *A board determination that a person has violated the provisions of paragraph one of subdivision e of this section shall not be applicable to this paragraph.* The department shall maintain a record of all persons who repeatedly violate any provision or provisions of this subdivision. In the event that the commissioner removes or causes to be removed all newsracks and the contents thereof under the ownership or control of any person based upon this paragraph, such person shall be permitted to replace all such newsracks at the locations from which they were removed upon payment in full of all outstanding civil penalties imposed for violations of this section and the reasonable costs of removal and storage, provided that such newsracks meet the requirements of this section. If any newsracks or contents thereof removed pursuant to this paragraph are not claimed within thirty days after the expiration of the three-month removal period, such newsracks or the contents thereof shall be deemed abandoned and may be either sold at public auction after having been advertised in the City Record, the proceeds thereof being paid into the general fund, used or converted for use by the department or another city agency or otherwise disposed of.

§7. Paragraph 8 of subdivision f of section 19-128.1 of chapter 1 of title 19 of the administrative code of the city of New York is amended to read as follows:

8. In giving any notice of correction or serving any commissioners order required under this section, except as otherwise provided by law, the commissioner may rely on the validity of any address (a) posted on the newsrack pursuant to paragraph four of subdivision b of this section as the address of the owner or person in control of the newsrack *or any duly appointed agent if specified on the newsrack,* or (b) submitted to the department pursuant to subdivision c of this section, and shall provide such notice by regular mail. If the owner of a newsrack or person in control of a newsrack shall have failed to comply with paragraph four of subdivision b or with subdivision c of this section, the commissioner shall make reasonable efforts to ascertain the identity and address of the owner or person in control of such newsrack for the purpose of giving any required notice, and having done so, may take action as if any required notice had been given.

§8. This local law shall take effect immediately after its enactment into law.

Referred to the Committee on Transportation.

State Legislation Res. No. 100

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Padavan, S.6430-A, and Assembly Members Grannis, McLaughlin, Dinowitz, Grodenchik, Lafayette, Bing, Gianaris, O'Donnell, Weprin, Perry, Sanders and Stringer, et al, A.9610-B, "AN ACT to amend the real property tax law, in relation to partial abatement of real property taxes".

By Council Members Rivera, Avella, Gentile, Sears and Weprin.

Whereas, bills have been introduced in the New York State Legislature by Senator Padavan, S.6430-A, and Assembly Members Grannis, McLaughlin, Dinowitz, Grodenchik, Lafayette, Bing, Gianaris, O'Donnell, Weprin, Perry, Sanders and Stringer, et al, A.9610-B, "AN ACT to amend the real property tax law, in relation to partial abatement of real property taxes"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Adopted by the Council (preconsidered and approved by the Committee on State and Federal Legislation.)

State Legislation Res. No. 101

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Paterson, S.5394-B, and Committee on Rules, A.8718-B, "AN ACT to establish the date of commencement of membership of certain individuals in the New York city employees' retirement system".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Paterson, S.5394-B, and Committee on Rules, A.8718-B, "AN ACT to establish the date of commencement of membership of certain individuals in the New York city employees' retirement system"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Adopted by the Council (preconsidered and approved by the Committee on State and Federal Legislation.)

State Legislation Res. No. 102

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senators Marchi, Morahan, Padavan and Trunzo, S.2234-B, and Assembly Members Lavelle, Seddio and Weisenberg, et al, A.1349-C, "AN ACT to amend the administrative code of the city of New

York, in relation to extending the benefits of the variable supplements fund to all New York city police officers, firefighters, housing police and transit police".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senators Marchi, Morahan, Padavan and Trunzo, S.2234-B, and Assembly Members Lavelle, Seddio and Weisenberg, et al, A.1349-C, "AN ACT to amend the administrative code of the city of New York, in relation to extending the benefits of the variable supplements fund to all New York city police officers, firefighters, housing police and transit police"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 103

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senators Hassell-Thompson, S.7002, and Committee on Rules, A.10913, "AN ACT to authorize James M. James to transfer retirement service credit from the New York state and local employees' retirement system to the New York city employees' retirement system".

By Council Members Rivera, Monserrate and Seabrook

Whereas, bills have been introduced in the New York State Legislature by Senators Hassell-Thompson, S.7002, and Committee on Rules, A.10913, "AN ACT to authorize James M. James to transfer retirement service credit from the New York state and local employees' retirement system to the New York city employees' retirement system"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 104

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.4961-A, and Assembly Members Abbate and Klein, A.7187-A, "AN ACT to amend the retirement and social security law, in relation to refunding certain member contributions made pursuant to chapter 96 of the laws of 1995".

By Council Member Rivera.

Whereas, bills have been introduced in the New York State Legislature by Senator Velella, S.4961-A, and Assembly Members Abbate and Klein, A.7187-A, "AN ACT to amend the retirement and social security law, in relation to refunding certain member contributions made pursuant to chapter 96 of the laws of 1995"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 105

State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Assembly Members A. Perry, Jacobs, McLaughlin, P. Rivera, Seddio, Heastie and A. Cohen, et al, A.5229, "AN ACT to amend the New York city charter, the vehicle and traffic law and the administrative code of the city of New York, in relation to the environmental control board adjudication of disputes concerning the blocking of a driveway; and providing for the repeal of such provisions upon expiration thereof".

By Council Members Rivera and Fidler.

Whereas, a bill has been introduced in the New York State Legislature by Assembly Members A. Perry, Jacobs, McLaughlin, P. Rivera, Seddio, Heastie and A. Cohen, et al, A.5229, "AN ACT to amend the New York city charter, the vehicle and traffic law and the administrative code of the city of New York, in relation to the environmental control board adjudication of disputes concerning the blocking of a driveway; and providing for the repeal of such provisions upon expiration thereof"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bill.

Referred to the Committee on State and Federal Legislation.

Res. No. 336

Resolution requesting that the Congress of the United States and the New York State Legislature renew the Temporary Extended Unemployment Compensation (TEUC) program.

By Council Members Seabrook, Barron, Gentile, Gerson, James, Jennings Jr., Lopez, Monserrate, Palma and Perkins.

Whereas, The Temporary Extended Unemployment Compensation (TEUC) program was created in March 2002 to provide additional weeks of federally funded unemployment benefits to unemployed workers who have exhausted their regular, state-funded unemployment benefits, but have still not found a job; and

Whereas, In the past, economic downturns have always been met with extended unemployment benefits which would only be terminated once the labor market recovered; and

Whereas, According to the Center on Budget and Policy Priorities, since late December 2003, when the TEUC program began phasing out, through the end of March 2004, an estimated 1.1 million jobless workers nationwide will have exhausted their unemployment benefits without receiving additional help; and

Whereas, The Center on Budget and Policy Priorities also estimate that in New York State, more than 100,000 people found themselves in this situation during the same time period; and

Whereas, According to the Center on Budget and Policy Priorities, in no other comparable period recorded have there been so many "exhaustees"; and

Whereas, Since the horrific attacks on September 11, 2001, New York City has suffered disproportionately with respect to job loss and sky rocketing unemployment rates; and

Whereas, Resuming the TEUC would be beneficial to both unemployed workers in particular and the economy in general by helping these hard working Americans to continue to support themselves and their families; and

Whereas, According to key findings in a report by the Center on Budget and Policy Priorities, resuming the TEUC could provide assistance to an estimated 2 million Americans by extending benefits for an extra six months and providing extra assistance to workers in high unemployment states, such as New York; and

Whereas, The Center on Policy and Budget Priorities recommends that Congress extend the TEUC and resume the extended benefits until the job market improves; and

Whereas, Such an extension would allow New York State to make such additional benefits available to eligible New Yorkers; now, therefore, be it

Resolved, That the Council of the City of New York requests that the Congress of the United States and the New York State Legislature renew the Temporary Extended Unemployment Compensation (TEUC) program.

Referred to the Committee on General Welfare.

Int. No. 364

By Council Members Vallone Jr., Liu, Weprin, Addabbo Jr., Avella, Comrie Jr., Fidler, Gerson, Katz, Koppell, Monserrate, Nelson, Palma, Sanders Jr. and Sears.

A Local Law to amend the administrative code of the city of New York, in relation to increasing the penalties for drag racing.

Be it enacted by the Council as follows:

Section One. Legislative Findings and Intent.

The incidence of illegal street racing has increased and with it the number of injuries and fatalities attributable to illegal races; in fact, according to news reports, police estimate that street racing accidents increased by 50% nationwide in 2003. The serious problem posed by drag racing was again brought to light recently in Fresh Meadows, Queens, where, while attempting to cross Francis Lewis Boulevard, two fourteen-year-olds were seriously injured when they were hit by a car engaged in a drag race.

Although law enforcement has targeted drag racing though such programs as Queens District Attorney Brown's Operation Hermes in 1995, which resulted in numerous arrests and car seizures, the minimal penalties involved for committing this crime do not adequately deter this potentially deadly behavior. Under the Vehicle and Traffic Law and Penal Law, those who engage in drag racing may be charged with, among other things, prohibited speed contests and races. However, a person charged with engaging in a prohibited speed contest or race under the Vehicle and Traffic Law only faces up to thirty days in jail and up to a five hundred twenty-five dollar fine for a first offense, and only a jail term of up to six months and a fine of up to seven hundred fifty dollars for the second offense within twelve months of the first offense. This penalty is inadequate, and the City Council finds that engaging in drag racing, particularly within the congested environs of New York City, warrants an increased penalty.

§ 2. Chapter one of title 10 of the administrative code of the city of New York is amended to add a new section 10-163, to read as follows:

§10-163. Speed Contests and Races.

a. Except as provided in the Vehicle and Traffic Law, no person shall engage in or participate in any race, exhibition or contest of speed, or aid or abet in such race, exhibition or contest of speed, on any highway, street, alley, sidewalk, or any public or private parking lot or area. Under this subsection, "engage in" and "participate" shall include, but not be limited to, the operation of a motor vehicle in a manner where the operator accelerates at a high rate of speed in competition with another operator; the revving of engines; the positioning of vehicles at a starting point; and any other activity prior to the acceleration of the motor vehicles.

b. Except as provided in the Vehicle and Traffic Law, no person shall, after traveling to a location with the intent of being a spectator, attend as a spectator any event or gathering held for the purpose of operating a motor vehicle at a high rate of speed with another motor vehicle or vehicles.

c. A violation of subsection a shall constitute a misdemeanor and be punishable by imprisonment of six months or a fine of six hundred dollars, or both such fine and imprisonment. A second conviction within ten years of a violation of this section shall be punishable by imprisonment of one year or a fine of one thousand dollars, or both such fine and imprisonment. A violation of subsection b shall constitute a violation punishable by imprisonment of up to fifteen days in jail or a fine of two hundred fifty dollars, or both such fine and imprisonment.

§3. This local law shall become effective immediately.

Referred to the Committee on Public Safety.

Res. No. 337

Resolution calling upon the State Legislature to make drag racing a felony.

By Council Members Vallone Jr., Liu, Weprin, Avella, Fidler, Gerson, Koppell, Nelson and Sanders Jr.

Whereas, The incidence of illegal street racing has increased and with it the number of injuries and fatalities attributable to illegal races; and

Whereas, According to news reports, police estimate that street racing accidents increased by 50% nationwide in 2003; and

Whereas, According to a Newsday analysis of traffic deaths on Long Island from 1999 to 2001, 35% of all drivers involved in fatal crashes were younger than 30, even though people in this age group held only 20 percent of drivers licenses on Long Island, and many of these crashes involved excessive speed and drag racing; and

Whereas, The serious problem posed by drag racing was again brought to light recently in Fresh Meadows, Queens, where, while attempting to cross Francis Lewis Boulevard, two fourteen-year-olds were seriously injured when they were hit by a car engaged in a drag race; and

Whereas, Although law enforcement has targeted drag racing though such programs as Queens District Attorney Brown's Operation Hermes in 1995, which resulted in numerous arrests and car seizures, the minimal penalties involved for committing this crime do not adequately deter this potentially deadly behavior; and

Whereas, Under the Vehicle and Traffic Law and Penal Law, those who engage in drag racing may be charged with reckless driving in the second degree, prohibited speed contests and races, or reckless endangerment in the second degree, all misdemeanors, with, in most cases, only up to one year in jail as a penalty; and

Whereas, In fact, a person charged with engaging in a prohibited speed contest or race under the Vehicle and Traffic Law only faces up to thirty days in jail and up to a five hundred twenty-five dollar fine for a first offense, and only a jail term of up to six months and a fine of up to seven hundred fifty dollars for the second offense within twelve months of the first offense; and

Whereas, Although Queens District Attorney Brown has recently charged drivers engaged in drag racing with reckless endangerment in the first degree, a Class D felony, proving the elements of this crime, including that the behavior was reckless and under circumstances evincing a depraved indifference to human life, may be difficult; and

Whereas, Drag racing clearly rises to the level of a felony when a serious injury or death is involved; however, stiff penalties should be imposed, and convictions easier to prove, from the mere fact of drag racing, before injury or death occurs; and

Whereas, To assist law enforcement in preventing this dangerous and potentially deadly activity, the State Legislature must amend the law so that the penalty matches the crime; now, therefore, be it

Resolved, That the Council of the City of New York calls on the State Legislature to make drag racing a felony.

Referred to the Committee on Public Safety.

Res. No. 338

Resolution calling on the State Legislature to adopt more stringent legislation for punishing dangerous and deadly drivers, particularly in relation to drivers who cause death or serious injury due to intoxication or criminal negligence.

By Council Members Vallone Jr., Liu, Addabbo Jr., Avella, Clarke, Fidler, Gerson, Nelson, Sanders Jr., Sears and Weprin.

Whereas, An unacceptably and unnecessarily high rate of negligent and reckless traffic accidents continue to endanger the lives and property of law-abiding drivers and pedestrians in New York, despite recent successful efforts by the New York City and State Police Departments to reduce the number of such accidents; and

Whereas, In 2001 alone, the New York State Department of Motor Vehicles reported 1,554 traffic fatalities and some 260,000 injuries, 15,000 of which occurred in New York City; and

Whereas, Adding to the difficulties encountered by law enforcement officials and prosecutors in effectively dealing with this problem, current New York state law categorizes many of these egregious offenses, including criminally negligent homicide, as class E felonies, which carry the lowest possible felony punishments; and

Whereas, The absence of appropriate penalties for harm caused by dangerous and deadly driving habits creates insufficient disincentive to deter would-be offenders; and

Whereas, Governor Pataki has called upon the State Legislature to adopt proposals that would greatly augment the arsenal of tools currently available to the law enforcement officials and prosecutors who are charged with combating this problem; and

Whereas, Part of the Governor's five-point plan would, if enacted, remove the prosecutorial burden of proving negligence in situations in which the defendant was under the influence of drugs or alcohol at the time of the incident, as well as in certain other specified circumstances; and

Whereas, The Governor's plan would also enhance sentencing limits for drivers causing death or serious injury, increase penalties for deadly hit-and-run drivers, create greater controls on unlicensed drivers operating vehicles illegally, and authorize automatic license revocation for any driver who kills or seriously injures others while in violation of the Vehicle and Traffic Law; and

Whereas, These steps would create a vastly improved deterrent effect on potential dangerous or deadly drivers, while ensuring that those drivers who violate the Vehicle and Traffic Law will be kept off the roads for a sufficient and appropriate amount of time; now, therefore, be it

Resolved, That the Council of the City of New York urges the New York State Legislature to adopt more stringent legislation for punishing dangerous and deadly drivers, particularly in relation to drivers who cause death or serious injury due to intoxication or criminal negligence.

Referred to the Committee on Public Safety.

Int. No. 365

By Council Members Yassky, Moskowitz, Vann, Nelson, Stewart, Brewer, Boyland, Clarke, Comrie Jr., Fidler, Gentile, Koppell, Seabrook, Weprin and The Public Advocate (Ms. Gotbaum).

A Local Law to amend the administrative code of the city of New York, in relation to creating a cause of action against certain weapons dealers and manufacturers.

Be it enacted by the Council as follows:

Section 1. Legislative Findings and Intent.

In its most recent annual summary, the Office of Vital Statistics of the New York City Department of Health and Mental Hygiene reported a total of 461 firearm deaths in New York City in 2002. The report further shows that, of the 625 homicides committed in New York City in that year, 365, or roughly 58%, were caused by firearms discharges. In addition to the deaths, a smaller but significant number of victims suffered serious injuries resulting from firearms discharges. Though by far the most serious concern, homicide is only one of the many classifications of crimes involving firearms. Other armed crimes, including robbery, burglary, rape and kidnapping, account for over 5,000 additional incidents each year.

In order to reduce gun related crime, New York City has in the past two decades adopted a thorough background check and licensing scheme aimed at ensuring the responsible handling of firearms and the registration of all firearm owners in the City. Unfortunately, despite such efforts, the problem of gun crime persists at the alarming rate of approximately one firearm death per day. This fact is largely a result of the proliferation of illegal means of firearm procurement, such as unlicensed importation from other States with less restrictive gun laws, unregistered sales at trade shows, and so-called "straw purchases," in which authorized purchasers buy guns and provide them to unauthorized users, including minors and convicted felons.

With regard to the origin of guns used to commit crime in New York City, the United States Treasury Department's Bureau of Alcohol, Tobacco and Firearms (BATF) reports that at least 75% of all guns used in crimes in New York City were originally purchased legally from Federal firearms licensees (FFLs) located more than 250 miles from the City. In the same report, the BATF found that virtually 100% of all recovered crime guns in the United States have been traced to only 7% of the 200,000 FFLs in the country. Though these figures may only reflect the relatively high volume of sales these dealers generate, it is at least clear that this small group is the common root through which the vast majority of crime guns are obtained.

To effectively combat this threat against the safety of New York City, measures must be taken to stem the flow of illegal firearms at its source. Retailers who fail to abide by certain practices that will stem the flow of illegal weapons must be held to a higher standard of liability, as should manufacturers who sell their products to retailers knowing that such retailers have sold five or more gun crimes during a twelve month period. The Council therefore finds the imposition of civil liability for negligent distribution of firearms by retailers and manufacturers essential to the maintenance of public safety and health.

§ 2. A new section 10-303.2 is hereby added to chapter three of title ten of the administrative code of the city of New York to read as follows:

§ 10-303.2 Civil penalty; weapons dealers and manufacturers.

*a. **Definitions.** For purposes of this section, the following terms shall have the following meanings: (i) "weapon" shall mean a firearm, rifle, shotgun, or assault weapon, as such terms are defined in section 10-301; or a machine gun, as defined in the penal law; (ii) "dealer" shall mean any person, firm, partnership, corporation or company who engages in the business of purchasing, selling, keeping for sale, loaning, leasing, or in any manner disposing of any weapon; (iii) "manufacturer" shall mean any person, firm, partnership, corporation or company who engages in the business of manufacturing and selling any weapon.*

*b. **Dealer Liability.** A dealer shall be liable for any injuries or death if a weapon it sold, loaned, leased or disposed of is used to injure or kill another individual within the city of New York by a person who is not lawfully authorized to possess such weapon in the city of New York. Such liability also includes the possible imposition of punitive damages. The liability under this section does not apply to dealers that comply with the following provisions:*

(i) has not sold more than twenty of all weapons within any continuous twelve month period in the preceding five years traced to use in a crime or illegal possession, as determined by the Bureau of Alcohol, Tobacco and Firearms;

(ii) makes no sales at gun shows or alternate venues unless such sales at the gun show or alternate venue are conducted upon completion of a background check;

(iii) only operates a retail shop located at a fixed address where:

(a) a record is maintained of make, model, caliber or gauge, and serial number of all weapons held in inventory or offered for sale;

(b) a record is maintained of make, model, caliber or gauge, and serial number of all weapons sold and the name and license number of all purchasers;

(c) all permits and legally required signage are visible to the public;

(iv) provides full access of aforementioned records to law enforcement and government regulators conducting compliance inspections;

(v) limits purchases of firearms by any individual to one firearm in any given thirty day period;

(vi) implements a security plan for securing weapons in transit.

*c. **Manufacturer Liability.** A manufacturer shall be liable for any injuries or death resulting from the use of its weapon within the city of New York by a person who is not lawfully authorized to possess such weapon in the city of New York, if the manufacturer sold such weapon to a dealer knowing that such dealer had sold twenty or more crime guns during any twelve month period in the five years preceding the manufacturer's sale to the dealer as determined by the Bureau of Alcohol, Tobacco and Firearms.*

*d. **Exceptions.** (1) No action may be commenced pursuant to this section by any person injured or killed by the discharge of a weapon by a law enforcement official who is acting in his or her official capacity.*

(2) This section shall not limit in scope any cause of action, other than that provided by this section, available to a person injured by or killed by a weapon.

(3) Nothing in this section shall prevent a dealer or manufacturer from seeking whole or partial indemnity or contribution for any liability incurred under this section from any third party wholly or partially responsible for the injury or death.

(4) Notwithstanding the provisions of subdivision a, there shall be no basis for liability under this section if the dealer or manufacturer proves by a preponderance of the evidence that: (i) the person injured or killed by the discharge of a weapon was committing or attempting to commit a crime (whether or not such crime is actually charged); (ii) the unlawful possession of the weapon is solely a result of the failure of the owner of the weapon to renew a permit or registration within six months of the date such renewal is required; (iii) the dealer or manufacturer disposed of the weapon to the armed forces of the United States, or a federal, state or local law enforcement agency; or (iv) prior to the seizure of the weapon, a lawful possessor of the weapon has reported its theft to a federal, state or local law enforcement agency.

§ 3. This local law shall take effect 60 days after it has been enacted.

Referred to the Committee on Public Safety.

L.U. No. 141

By Council Member Katz:

Application no. 20045500 HAM, an Urban Development Action Area Project located at 250 Manhattan Avenue, Council District no. 9, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

Referred to the Committee on Land Use and the Subcommittee on Planning, Dispositions and Concessions.

L.U. No. 142

By Council Member Katz:

Application no. 20045501 HAM, an Urban Development Action Area Project located at 208 East 122nd Street, Council District no. 11, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

Referred to the Committee on Land Use and the Subcommittee on Planning, Dispositions and Concessions.

L.U. No. 143

By Council Member Katz:

Uniform Land Use Review Procedure application no. C 040314 HAM, an Urban Development Action Area Designation and Project located at 59-61 and 62-72 East 4th Street and 19 East 3rd Street, and the disposition of such property, Borough of Manhattan, Council District no. 2. This matter is subject to Council Review and action pursuant to §197-c and §197-d of the New York City Charter and Article 16 of the General Municipal Law.

Referred to the Committee on Land Use and the Subcommittee on Planning, Dispositions and Concessions.

L.U. No. 144

By Council Member Katz:

Application no. 20045468 TCM pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of Smoke City Enterprises, LLC, to establish, maintain and operate an unenclosed sidewalk café located at 161 Lenox Avenue, Borough of Manhattan, Council District no. 9. This application is subject to review and action by the Land Use Committee only if called-up by vote of the Council pursuant to Rule 11.20b of the Council and §20-226(g) of the New York City Administrative Code.

Referred to the Committee on Land Use and the Subcommittee on Zoning and Franchises.

At this point the Speaker (Council Member Miller) made the following announcements:

Wednesday, May 5, 2004

partially within a Special Natural Area District (NA-2), Community District 8, Borough of The Bronx, as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

CB 8-ULURP APPLICATION NO: C 040516 ZMX-IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 1d;

a) changing from an R7-1 District property bounded by:

1) a line from a point on the bisector of an angle formed by extending the southeasterly street line of Orloff Avenue (straight portion) and the northerly street line of Cannon Place (straight portion) distant 175 feet northeasterly from its intersection with the street line, extending northwesterly perpendicular to the southeasterly street line of Orloff Avenue (straight portion);
2) a 200 feet line on the aforementioned bisector running northeasterly from the aforementioned point;
3) a line parallel to West 238th Street passing through the northeasterly terminus of the second-named course;
4) Orloff Avenue;
5) Vancortlandt Avenue West;
6) A line 100 feet northerly of Sedgwick Avenue;
7) A line perpendicular to a point on the southeasterly street line of Cannon Place district 450 feet (as measured along the street line) northeasterly from the point of intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street;
8) Cannon Place;
9) Orloff Avenue;
10) West 238th Street;
11) A line perpendicular to a point on the easterly street line of West 238th Street distant 175 feet southerly (as measured along the street line) from the point of intersection of the southeasterly street lne of Bailey Avenue and the easterly street line of West 238th Street, extending 100 feet southeasterly; and
12) A line perpendicular to the southeasterly terminus of the eleventh-named course;

b) changing from an R7-1 District to an R6A District property bounded by:

1) Van Cortlandt Avenue West;
2) Stevenson Place and its easterly and westerly prolongation;
3) A line 360 feet southwesterly of Stevenson Place;
4) Sedgwick Avenue;
5) West 238th Streetl
6) Orloff Avenue;
7) Cannon Place;
8) A line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet northeasterly (as measured along the street line) from the intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street; and
9) A line 100 feet northerly of Sedgwick Avenue.

c) changing from an R6 District to an R4A District property bounded by:

1) Fort Independence Street;
2) Cannon Place and its westerly prolongation;
3) Giles Place;
4) A line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the point of intersection of the easterly prolongation of the center line of Cannon Place and the easterly street line of Giles Place;
5) A line 100 fee easterly of Giles Place;
6) A line 70 feet northwesterly of Sedgwick Avenue;
7) Giles Place
8) Kingsbridge Terrace;
9) A line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10) A line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the point of intersection of the southeasterly street line of Kingbridge Terrace and the northeasterly street line of Perot Street;
11) Perot Street;
12) A line 185 feet northwesterly of Sedgwick Avenue;
13) A line 100 feet southwesterly of Perot Street;
14) A line 100 feet northwesterly of Sedgwick Avenue;
15) West 231st Street;
16) Kingsbridge Terrace;
17) Albany Crescent;
18) A line 50 feet southeasterly of Bailey Avenue;
19) A line 100 feet northeasterly of Albany Crescent;
20) A line 85 feet northwesterly of Heath Avenue;
21) Summit Place;
22) Heath Avenue;
23) A line 125 feet westerly of Giles Place (the southerly section) and its southerly prolongation, extending 175 feet northerly from its intersection with Heath Avenue; and
24) A line perpendicular to the northerly terminus of the last-named course;

d) changing form an R6 District to an R6A District property bounded by:

1) West 238th Street;
2) Sedgwick Avenue;
3) West 231st Street;
4) a line 100 feet northwesterly of Sedgwick Avenue;
5) a line 100 feet southwesterly of Perot Street;
6) a line 185 feet northwesterly of Sedgwick Avenue;
7) Perot Street;
8) a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
9) a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10) Kingsbridge Terrace;
11) Giles Place;
12) a line 70 feet northwesterly of Sedgwick Avenue;
13) a line 100 feet easterly of Giles Place;
14) a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured alone the street line) from the intersection of the easterly center line prolongation of Cannon Place and the easterly street line of Giles Place;
15) Giles Place;
16) Cannon Place;
17) a line 375 feet northerly of the westerly center line prolongation of Cannon Place (east east-west section);
18) Fort Independence Street;
19) a line 300 feet southwesterly of West 238th Street; and
20) Cannon Place;

Community District 8, Borough of The Bronx as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

NOTE: Individuals requesting Sign Language Interpreters should contact the Borough President's Office, (718) 286-2860, TDD users should call (718) 286-2656, no later than FIVE BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

jy8-15

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, July 14, 2004, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN

CD 2 **C 010645 ZMK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section No. 12d:**

1. **changing from an M1-2 District to an M1-2/R8 District property bounded by** Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street; and

2. **establishing a Special Mixed Use District (MX-2) within the area bounded** by Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street;

as shown on a diagram (for illustrative purposes only) dated March 24, 2004, and subject to the conditions of CEQR Declaration E-132.

CD 2 **C 010646 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-743(a)(2) of the Zoning Resolution **to allow the location of a proposed 16-story mixed use building without regard for the applicable yard, court and height and setback regulations, on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 010647 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-512 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 327 spaces on portions of the cellar floor, ground floor and second floor, and to allow floor space up to a height of 23 feet above curb level to be exempted from the definition of floor area as set forth in Section 1210 (DEFINITIONS), in a proposed 16-story mixed use building on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 030492 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (Use Regulations) to allow residential use (Use Group 2 uses) on the 2nd floor, 3rd floor and 4th floor of an existing 4-story building on a zoning lot located at 85 Water Street** (Block 26, Lots 33 and 38), in an M3-1 District, within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

NOTICE

On Wednesday, July 14, 2001, at 10:00 a.m., in Spector Hall at the Department of City Planning, 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an amendment to the zoning map to change an M1-2 zoning district to an M1-2/R8 (MX-2) zoning district, for the western portion of the block bounded by Water, Front, Dock and Main Streets in the DUMBO area of Community District 2, Brooklyn, as well as a Special Permit pursuant to Section 74-743 of the Zoning Resolution for bulk modifications in a General Large Scale Development, a Special Permit pursuant to Section 74-512 of the Zoning Resolution to permit the construction of a public parking garage in excess of 150 spaces and to allow a portion of the garage floor area to be exempted from the definition of floor area, and a Special Permit pursuant to Section 74-711 of the Zoning Resolution to allow use modifications for a building located within a Historic District.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 00DCP015K.

BOROUGH OF MANHATTAN

CD 3 **C 040314 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 59-61 East 4th Street (Block 460, Lot 56), 62-72 East 4th Street (Block 459, Lots 17-19, 21-22) and 19 East 3rd Street (Block 459, Lot 40), Sites 4 and 5 within the Cooper Square Urban Renewal Area, as an Urban Development Action Area;

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate the rehabilitation and disposition of six buildings and a vacant lot, tentatively known as the East 4th Street Cultural District, to preserve and promote the cultural activity of East 4th Street.

(On June 23, 2004, Cal. No. 5, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 8 **C 030284 MMM**

IN THE MATTER OF an application, submitted by Hudson Related Associates, LLC, pursuant to Sections 197-c and 199 of the New York City Charter and section 5-430 *et. seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of a southerly extension of Main Street;
- the elimination, discontinuance and closing of a portion of Main Street at the existing southerly terminus;
- adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

Community District 8, Borough of Manhattan, in accordance with Map No. 30212 dated March 4, 2004 and signed by the Borough President.

CD 11 **C 040443 ZMM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 6a and 6b:**

1. **eliminating from an existing R7-2 District a C1-4 District bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 100 feet westerly of Park Avenue;

2. **changing from an R7-2 District to a C4-7 District property bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 85 feet easterly of Madison Avenue; and

3. **changing from a C4-4 District to a C4-7 District property bounded by** East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, and a line 215 feet westerly of Park Avenue;

as shown on a diagram (for illustrative purposes only) dated May 10, 2004 and subject to the conditions of CEQR Declaration E-133.

(On June 23, 2004, Cal. No. 6, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 11 **C 040444 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-721(a) of the Zoning Resolution **to modify the height and setback regulations of Section 3343 (Maximum Height of Walls and Required Setbacks) and the tower regulations of Section 3345 (Tower Regulations) of the Zoning Resolution to facilitate the development of a 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 11 **C 040445 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 7452 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 369 spaces on portions of the ground floor, cellar 1 level, cellar 2 level and cellar 3 level of a proposed 42 story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street,

New York, N.Y. 10007.
(On June 23, 2004, Cal. No. 8, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

Citywide **N 040414 ZRY**

IN THE MATTER OF an Application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, **for an amendment to the Zoning Resolution** of the City of New York to establish a lower density growth management area, as follows:

Matter in underline is new, to be added;
matter in ~~strikeout~~ is old, to be deleted;
Matter within # # is defined in Section12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

* * *

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY, the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

12-10
Definitions

* * *

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

(1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

(2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

(3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2, R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:
The Borough of Staten Island

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#.
An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

Use Regulations

* * *

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

23-00
APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44	Authorizations or Permits in Lower Density Growth Management Areas
12-10	(DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43	(Detached and Semi-Detached Two-Family Residences)
23-141	(Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32	(Minimum Lot Area or Lot Width for Residences)
23-44	(Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461	(Side yards for single-or two-family residences)
23-462	(Side yards for all other residential buildings)
23-533	(Required rear yard equivalents)
23-541	(Within 100 feet of corners)
23-542	(Along short dimension of block)

23-544 (For portions of through lots)
23-631 (Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711 (Standard minimum distance between buildings)
23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22 (Requirements Where Individual parking Facilities Are Provided)
25-23 (Requirements Where Group parking Facilities Are Provided)
25-621 (Location of parking spaces in certain districts)
25-622 (Location of parking spaces in lower density growth management areas)
25-631 (Location and width of curb cuts in certain districts)
25-632 (Driveway and curb cut regulations in lower density growth management areas)
25-64 (Restrictions on Use of Open Space for Parking)
25-66 (Screening)
26-30 (SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40 (STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702 (Applicability of lower density growth management area regulations)
119-05 (Applicability of Parking Location Regulations)
119-214 (Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50*
R4A R4-1	governed by #yard# requirements		.75*
R2X	governed by #yard# requirements		.85*
R3-1			
R3-2**	35	65	.50*
R4**	45	55	.75*
R4B	55	45	.90
R5**	55	45	1.25
R5B	55	45	1.35

* ~~the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

** ~~The permitted #floor area# of a #single # or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

* * *

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or #two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required,provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total With# (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-2 R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear

180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10
In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1 within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;
"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (f) shall apply to any #zoning lot# with a #building# located behind another #building# so that lines drawn perpendicular to the #street line# intersect both such #buildings#, and where the #private road# provisions do not apply. For the purposes of this paragraph, a "front building" shall be any #building# with no #building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any rear building and any front building.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (b), shall apply to any #zoning lot# not accessed by #private roads# where a #residential building# is located wholly beyond 50 feet of a #street line# and behind another #residential building# fronting upon the same #street line# so that lines drawn perpendicular to the #street line# intersect both such #buildings#. For the purposes of this paragraph, a "front building" shall be any #building# with no #building#located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

* * *

Chapter 5
Accessory Off-Street Parking and Loading Regulations

* * *

25-20
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES

* * *

25-22
Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In the districts indicated, within #lower density growth management areas#,where #group parking facilities are not provided, two #accessory# off-street parking spaces shall be provided for each#single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total #Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, two #accessory# off-street parking spaces shall be provided for each #single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(e) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64
Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied bydriveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.

In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~; (2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

* * *

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or

(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or

(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30.(SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS , and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high within three years.

26-32
Minimum Distance Between Walls and Lot Lines

For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.
No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and

(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20 feet of being opposite to one another, and

(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening

All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

Article X - Special Purpose Districts

* * *

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts
Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback
Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet.~~ Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

* * *

107-30
TOPOGRAPHIC AND TREE REGULATIONS

* * *

107-321
Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage.~~ These trees shall be planted in accordance with the requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one #story# or two #story detached residence#, existing prior to September 9, 1999, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~
~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~

107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space). ~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:
(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required#open space# not within the #designated open space#;
(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#;
(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#

However, in all districts, a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their common #lot lines#.

As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~**107-465**~~
~~**Rear yards**~~

~~In all underlying districts, except R1 Districts, for permitted #single# or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 foot rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts
Chapter 9
Special Hillsides Preservation District

* * *

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

COMPTROLLER

■ PUBLIC HEARINGS

Notice is hereby given that a Public Hearing will be held in the Municipal Building, One Centre Street, Room 736 - conference room, on July 20, 2004 at 2:30 p.m. on the following item.

In The Matter Of a proposed contract between the Office of the Comptroller and Security Capital Research & Management, Inc., 11 South LaSalle Street, Chicago, Illinois 60603 for the provision of U.S. Real Estate Equity Securities Investment Advisory Services for the Teachers' Retirement System for the City of New York, acting on behalf of said SYSTEM, and such other additional Systems, funds and accounts as may be designated in writing from time to time by the Comptroller with the concurrence of the Advisor (collectively, the "SYSTEMS") and Security Capital Research & Management, Inc.

The term of the contract will commence August 1, 2004 and will end June 30, 2007 with options to renew. The amount of the contract is not to exceed $3,090,000 of which NO DOLLARS will be paid with city funds.

PIN #015-0286404 RS

The proposed contractor was selected pursuant to a competitive sealed proposal process in accordance with Section 3-03 of the PPB Rules.

A copy of the contract, or excerpts thereof, can be seen at the Office of the Comptroller, One Centre Street, Room 736, New York, New York 10007, Monday through Friday excluding holidays commencing July 9, 2004 through July 20, 2004 between 9:30 a.m. – Noon and 1:30 - 4:30 p.m.

jy9-20

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN that the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BROOKLYN

COMMUNITY BOARD NO. 13 - Wednesday, July 14, 2004, 7:00 P.M., Coney Island Hospital-2nd fl., 2601 Ocean Parkway, Brooklyn, NY

C 040199 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the acquisition of property located at 2012 Neptune Avenue (Block 7018, Lot 1) Brooklyn, for continued use as a garage.

jy8-14

ENVIRONMENTAL PROTECTION

■ PUBLIC HEARINGS

Notice is hereby given that a Public Hearing will be held at the Department of Environmental Protection offices at 59-17 Junction Boulevard, Seventeenth Floor Conference Room, Corona, Queens, on Thursday, July 22, 2004 commencing at 10:00 am on the following: In the Matter Of a proposed contract between the Department of Environmental Protection and The Cornell Cooperative Extension of Ulster County, 10 Westbrook Lane, Kingston, New York 12401-2928, for CAT-249: Esopus Creek Stream Management Plan. The Contract term shall be 1,096 consecutive calendar days from the date of the written notice to proceed. The Contract amount shall be $589,742.86—Location: New York City Watershed Region—PIN 82605WS00002.

The Contract is exempt from the PPB rules.

A copy of the Contract may be inspected at the Department of Environmental Protection, 59-17 Junction Boulevard, Flushing, New York 11373, on the 17TH floor Bid Room, on business days from July 9, 2004 to July 22, 2004, between the hours of 9:30am - 12:00pm and 1:00pm - 4:00pm.

Note: Individuals requesting Sign Language Interpreters should contact Debra Butlien, Office of the ACCO, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373 (718) 595-3423, no later than FIVE (5) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

jy9-15

FRANCHISE AND CONCESSION REVIEW COMMITTEE

■ MEETING

PUBLIC NOTICE IS HEREBY GIVEN THAT the Franchise and Concession Review Committee will hold a Public Meeting on Wednesday, July 14, 2004, at 2:30 p.m., at 22 Reade Street, 2nd Floor Conference Room, Borough of Manhattan.

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, July 28, 2004. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing 2700 Broadway LLC to construct, maintain and use an underground structure under the north sidewalk of West 103rd Street, east of Broadway, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $11,744/per annum.

For the period July 1, 2005 to June 30, 2006 - $12,034
For the period July 1, 2005 to June 30, 2006 - $12,324
For the period July 1, 2006 to June 30, 2007 - $12,614
For the period July 1, 2007 to June 30, 2008 - $12,904
For the period July 1, 2008 to June 30, 2009 - $13,194
For the period July 1, 2009 to June 30, 2010 - $13,484
For the period July 1, 2010 to June 30, 2011 - $13,774
For the period July 1, 2011 to June 30, 2012 - $14,064
For the period July 1, 2012 to June 30, 2013 - $14,354
For the period July 1, 2013 to June 30, 2014 - $14,644
For the period July 1, 2014 to June 30, 2015 - $14,934

the maintenance of a security deposit in the sum of $14,950, and the filing of an insurance policy in the minimum amount of $1,250,000/$5,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $1,000,000.

#2 In the matter of a proposed revocable consent authorizing East 76th Street, LLC to install, maintain and use planter on the north sidewalk of East 76th Street, between first and York Avenues, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2015 - $25/per annum.

the maintenance of a security deposit in the sum of $200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#3 In the matter of a proposed revocable consent authorizing The American Jewish Committee to install, maintain and use planters on the north sidewalk of West 56th Street, west of Third Avenue and on the west sidewalk of Third Avenue, north of East 56th Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2004 to June 30, 2014, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2014 - $444/per annum.

the maintenance of a security deposit in the sum of $1,800, and the filing of an insurance policy in the minimum amount of $1,000,000/$250,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#4 In the matter of a proposed revocable consent authorizing ExxonMobile Oil Corporation to continue to maintain and use conduits, together with cleanouts and pull boxes, in Van Dam Street, Nassau Avenue, Varick Street, Meeker Avenue, Bridgewater Street and Garden Avenue, and recovery well "G" in Meeker Avenue, east of Gardner Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $24,295
For the period July 1, 2005 to June 30, 2006 - $24,881
For the period July 1, 2006 to June 30, 2007 - $25,467
For the period July 1, 2007 to June 30, 2008 - $26,053
For the period July 1, 2008 to June 30, 2009 - $26,639
For the period July 1, 2009 to June 30, 2010 - $27,225
For the period July 1, 2010 to June 30, 2011 - $27,811
For the period July 1, 2011 to June 30, 2012 - $28,397
For the period July 1, 2012 to June 30, 2013 - $28,983
For the period July 1, 2013 to June 30, 2014 - $29,569
For the period July 1, 2014 to June 30, 2015 - $30,155

the maintenance of a security deposit in the sum of $30,200, and the filing of an insurance policy in the minimum amount of $500,000/$2,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $200,000.

HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC NOTICE

CORRECTED PUBLIC NOTICE
URBAN RENEWAL PROJECT

Pursuant to Article 15 of the General Municipal Law ("GML") and Section 1804 of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the acquisition of certain real property in the 5th Amended Crown Heights Urban Renewal Area ("Area") through condemnation proceedings.

The Area consists of certain property located in the Borough of Brooklyn, City and State of New York, and generally bounded by Pacific and Atlantic Avenues on the north, Ralph, Rochester, East New York and Utica Avenues on the east, Clarkson and Parkway Avenue south, and Flatbush, Washington and Ocean Avenues and Plaza Street on the west. The 5th Amended Crown Heights Urban Renewal Plan ("Plan") for the redevelopment of the Area provides for the acquisition of certain real property in the Area known as:

Block	Lot(s)
1356	46, 47, 48

on the Tax Map of the City, together with the beds of any streets in the Area ("Acquisition Parcels"). The acquisition of the Acquisition Parcels by the City is necessary to carry out a program of renewal in the Area, as is more particularly described in the Plan.

The Plan is available for public examination at the office of HPD, 100 Gold Street, Room 5M, New York, New York during its regular hours on weekdays from 9:00 a.m. to 5:00 p.m.

PLEASE TAKE NOTICE that a public hearing will be held on August 11, 2004 at the 2nd floor Conference Room, 22 Reade Street, Manhattan at 10:00 a.m., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed acquisition of the Acquisition Parcels pursuant to Section 506 of the GML and Section 1804 of the Charter.

ECONOMIC DEVELOPMENT CORPORATION

CONTRACT ADMINISTRATION AND PROCUREMENT

■ **SOLICITATIONS**

Services

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. **RESPONSES ARE DUE NO LATER THAN 4:00 p.m., Monday, August 9, 2004.** Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit www.nycedc.com/BTMRCrfp or call (212) 312-3969.

DOWNTOWN FLUSHING STREETSCAPE – Public Bid – Contract #8260004 – DUE 08-09-04 AT 11:00 A.M. – The project will consist of roadway, sidewalk and curb reconstruction at select locations, street lighting, traffic signals and water mains and streetscape features such as decorative pavers, trail signs, pedestrian lighting, crosswalks, trees and benches.

Bid packages consist of one set of specs and one set of plans. The bid packages are available through August 5th, 2004. The cost of the bid package is $100.00 per set. If you require additional bid packages you will be charge $100.00 for each set you request. EDC will only accept certified check, money order or exact cash.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

Construction / Construction Services

ST. GEORGE FERRY TERMINAL TILE AND TERRAZZO AND SITE IMPROVEMENTS – Public Bid – PIN# 11490019 AND 11490021 – DUE 08-05-04 AT 11:00 A.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the phased rehabilitation of the St. George Ferry Terminal located on Staten Island. This Project is in progress and the existing Terminal building is being completely rehabilitated. Construction has been planned and is being performed in phases to ensure that the ferry operations continue safely, without interruption throughout the construction period. This multi-million project will be completed in December of 2004.

The estimated total construction cost of the project is approximately $80 to $90 million and is funded by New York State, New York City, and the US DOT FTA. At the present time, Invitations to Bid are being made for two (2) contract packages:

(1) EDC Contract 11490019: Tile and Terrazzo
Work includes: Wall Tile, Composite Stone Floor Tile, Poured Epoxy Terrazzo (3800 sq. ft.), Gypsum Boad Assemblies, Expansion Joint covers. Work associated with these areas, e.g. Grout, is also included.
(2) EDC Contract 11490021: Site Improvements

QUEENS FAMILY COURTHOUSE – RFP – DUE 09-14-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for the sale and redevelopment of the approximately 1.75-acre former Queens Family Courthouse in Jamaica (the "Site") as a high-quality, mixed-use development. This RFP is intended to reinforce a standard of quality development in Jamaica. The Site is located in the heart of Downtown Jamaica, bounded by 89th Avenue to the north and Parsons Boulevard to the east.

Prospective developers should address several important goals, including:

- Maintain the original courthouse exterior;
- Address local housing demand;
- Help stabilize the Jamaica Avenue retail market by enhancing the surround ing residential community;
- Address commercial/neighborhood retail needs in the area;
- Address community- or cultural-use needs; and
- Serve as a clear example of high-quality, sustainable design and construction that will raise the standard for private investment in Jamaica.

A question-and-answer session to discuss the Site, followed by a site visit, will be held on July 20 at 9:30 a.m.; to attend, call (212) 312-3871 on or before July 16, 2004. Interested parties are strongly encouraged to attend the informational meeting.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 28, 2004 from NYCEDC. The RFP may be picked up at the office of NYCEDC located at 110 William Street, New York, NY, 6th Floor between the hours of 9:30 a.m. and 4:30 p.m. For more information, or to request an electronic version of the RFP, visit www.nycedc.com/QFCrfp or call (212) 312-3969. Five (5) copies of the proposal identified by "Queens Family Courthouse" on the envelope are to be submitted.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

PROCUREMENT CARD FROM AMERICAN EXPRESS – Negotiated Acquisition – PIN# 00204MAY0463 – DUE 07-22-04 AT 11:00 A.M. – The Office of the Mayor/Fiscal Operations intends to enter into a Negotiated Acquisition with American Express to acquire Procurement Cards. Any firm which believes it can also provide this service in the future is invited to so indicate by letter, which must be received no later than 07/22/04 by 11:00 AM (NYC Time), sent to: the Office of the Mayor/Fiscal Operations, 100 Gold Street, 2nd floor, New York, N.Y. 10038, Attention: Marie Delus or faxed to (212) 788-2406, 100 Gold Street, 2nd Floor, New York, N.Y. 10038, (212) 788-2400. Attention: Marie Delus.
The ACCO has determined that for this particular procurement it is in the City's best interest to negotiate with only the subject contractor based on the fact the supplier is the current contractor and pursuant to 3-04(b) (2) of the PPB Rules there is a compelling need to negotiate with the subject contractor to ensure continuity of services.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

SANITATION

■ NOTICE

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON A PROPOSED RULE RELATING TO RESIDENTIAL ENFORCEMENT ROUTING HOURS

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by section 753(a) and (b) of the New York City Charter that the Department proposes to adopt the following rule governing the designation of certain hourly periods during the day when authorized Department representatives may issue notices of violation to residential property owners for litter conditions in front of their premises. This rule adds a new Chapter 15 to Title 16 of the Rules of the City of New York.

Written comments regarding these rules and regulations may be sent to the Office of the Deputy Commissioner for Legal Affairs, Department of Sanitation, 125 Worth Street, Room 710, New York, New York 10013 on or before August 11, 2004. In addition, a public hearing regarding the proposed amendments will be held on August 11, 2004 at 125 Worth Street, Room 819, New York, New York from 9:30 A.M. to 11:00 A.M. Persons seeking to testify are requested to notify the Deputy Commissioner at the foregoing address. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify the Deputy Commissioner at the foregoing address by August 11, 2004. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Office of the Deputy Commissioner.

The rule was not included in the Department's FY 2005 regulatory agenda because it was not contemplated at the time the Department published its FY 2005 regulatory agenda in the *City Record* on April 30, 2004.

Additions to the rules are underlined and proposed deletions are [bracketed].

Dated: July 12, 2004.

John J. Doherty, Commissioner.

Section 1. Title 16 of the Rules of the City of New York is amended by adding a new chapter 15 to read as follows:

Chapter 15

RESIDENTIAL ENFORCEMENT ROUTING

§ 15-01 Designation of Enforcement Routing Hours for Residential Buildings.

(a) *Purpose.* The purpose of this chapter is to designate two (2) one-hour periods each day when the Department will conduct citywide enforcement routing for residential premises pursuant to §16-118.1 of the Administrative Code of the City of New York.

(b) *Definition.* For purposes of this chapter, "citywide enforcement routing for residential premises" means enforcement by authorized Department representatives of subdivision two of §16-118 of the Administrative Code of the City of New York, as such subdivision relates to cleaning of sidewalks, flagging, curbstones and roadway areas by owners, lessees, tenants, occupants or persons in charge of residential premises.

(c) *Hours of Residential Enforcement Routing.* The Department establishes the periods from 8:00 A.M. to 9:00 A.M. and from 12:00 P.M. to 1:00 P.M. as the two (2) one-hour periods during which time the Department will conduct citywide enforcement routing for residential premises.

§ 15-02 Applicability.

This chapter shall apply only to residential premises and shall not apply to commercial premises. The schedule for citywide enforcement routing for commercial premises in effect as of the effective date of this chapter shall continue in effect until such time as such schedule is changed by the Department in accordance with §16-118.1 of the Administrative Code of the City of New York.

STATEMENT OF BASIS AND PURPOSE

The Commissioner of the New York City Department of Sanitation is authorized to adopt rules relating to street cleanliness pursuant to section 753(a) and (b) of the New York City Charter. Pursuant to Administrative Code §16-118(2), owners, lessees, tenants, occupants, and persons in charge of any building or dwelling, or portion thereof, are responsible for maintaining the sidewalks in front of their premises, and eighteen inches from the curb into the street, free of litter.

In 2003, the City Council introduced Int. No. 179 to amend Administrative Code §16-118.1. By its terms, Int. No. 179 limited the period of time when the Department could issue notices of violation to owners, lessees, tenants, occupants, and persons in charge of residential premises for violations §16-118(2) to not more than two pre-determined one-hour periods each day, similar to the Department's current enforcement routing program for commercial premises. On May 19, 2004, the City Council overrode the Mayor's veto of Int. No. 179, which became Local Law 9 of 2004.

The purpose of this rule is to designate two one-hour periods during the day when authorized representatives for the Department may issue notices of violation to residential property owners for litter conditions in front of their properties pursuant to Local Law 9 of 2004.

SPECIAL MATERIALS

ECONOMIC DEVELOPMENT CORPORATION

■ NOTICE

NEGATIVE DECLARATION
For
BRICKTOWN CENTER AT CHARLESTON

Office of the Deputy Mayor for Economic Development and Rebuilding

NOTICE IS HEREBY GIVEN THAT, the Office of the Deputy Mayor for Economic Development and Rebuilding has reviewed information about the project contained in an Environmental Assessment Statement dated June 25, 2004 pursuant to Article 8 of the New York State Environmental Conservation Law and 6NYCRR, Part 617.7, and has determined that the project will not have a significant adverse impact on the environment.

The Project site is located in the Charleston area of Staten Island, New York, bounded by Veterans Road West to the south and east, on portions of 18 tax blocks 7364, 7368, 7369, 7370, 7374, 7375, 7440, 7441, 7442, 7446, 7447, 7448, 7452, 7453, 7454, 7469, 7481, and 7487.

After the conclusion of the 2002 Bricktown Centre at Charleston Final Environmental Impact Statement (FEIS), but prior to any construction activities, population of Torrey's mountainmint *(Pycnanthemum torrei)*, an endangered perennial herbaceous forb, and a large population of blunt spikerush *(Eleocharis obtuse var. ovata)*, a rare annual in New York State, were identified adjacent to the southern portion of the project site. To protect the Torrey's mountainmint and blunt spikerush, the applicant proposes to modify the site plan for the previously approved project (CEQR NO. 96DME001R). The modification involves creation of a preservation area west of Tyrellan Avenue along the

north side of Veterans Road West, where the Torrey's mountainmint and blunt spikerush are located.

Additional blunt spikerush, as well as three individual short-leaf pine *(Pinus echinata)*, a rare species in New York State, several fringed boneset *(Eupatorium hyssopifolium var. lacinuatum)*, a threatened species in New York State, and one population of pink wild bean *(Strophostyles umbellate)*, an historical species in New York State, were identified on the project site. As part of the proposed action, these individuals would be collected from the site and transferred to the New York City Department of Parks and Recreation's Native Plant Center for use as parental stock and propagation and/or trans-location to the 20-acre NYCDPR nature preserve located adjacent to the project site (immediately northeast of the project site and south of the unpaved portion of Englewood Avenue and west of Veterans Road West).

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272 or (212) 863-8266.

The Department of Housing Preservation and Development has received an application for a certification that during the inquiry period noted for the premises above, that no harassment has occurred at such premises in the form of threats, use of physical force, deprivation of essential services such as heat, water, gas or electric, or by any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy. Upon the issuance of a Certificate, an owner can legally convert the premises to non-single room occupancy use.

Comments as to whether harassment has occurred at the premises should be submitted to the Housing Litigation Division, SRO Anti-Harassment Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call **(212) 863-8272 or (212) 863- 8266.**

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

ADVISORY REPORT

ISSUE DATE:	DOCKET #:	SRA #:
06/23/04	046903	SRA 04-7993

ADDRESS	BOROUGH:	BLOCK/LOT:
FORT GREENE PARK HISTORIC DISTRICT FORT GREENE	BROOKLYN	2088 / 1

To the Mayor, the Council, and the Commissioner, Dept. of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

On October 31, 2003, The Landmarks preservation Commission issued Advisory - Staff Report 04-2914 for the reconstruction, conservation, and replanting of portions of the Prison Ship Martyrs Monument and the Martyrs Memorial Plaza in Fort Greene Park. On April 20, 2004, the Commission issued Advisory - Staff Report 04-6510 which reviewed final plans for the previously approved work at the Prison Ship Martyrs Monument and the Martyrs Memorial Plaza in Fort Greene Park.

Subsequently, on May 10, 2004, the staff of the Commission received a request from the City of New York Parks and Recreation Historic Preservation Departmentto review drawings showing a proposed change from the previously approved globe light fixture to a cut-off fixture, as shown in drawings LT1 and LT3, both dated April 30, 2004, and in catalog cuts of the F1 light fixture, dated April 28, 2004, all prepared Horton Lee Brogden Lighting Design.

With regard to this proposal, the Commission finds that similar light fixtures are used to illuminate many New York City monuments and parks; that the cut-off fixture is similar in scale and materials to the previously approved globe fixture; that the change in the fixture design will not cause the destruction of any significant features of the Monument or Memorial Plaza; that the work will not diminish the special architectural and historic character of the Monument or Plaza; and that it is in keeping with the spirit of the previously issued Report. Based on these findings, Advisory -Staff Report 04-2914 has been amended to incorporate this additional material.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to John Graham.

BINDING REPORT

ISSUE DATE:	DOCKET #:	SRB #:
06/28/04	047442	SRB 04-8122

ADDRESS	BOROUGH:	BLOCK/LOT:
1617 AMSTERDAM AVENUE-COMPTON City College, City University of NY, North Campus INDIVIDUAL LANDMARK	MANHATTAN	1957 / 200

To the Mayor, the Council, and the Chairman of the New York State Dormitory Authority.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for replacing an existing air-conditioning unit in the front areaway with a new smaller unit; and interior alterations, as shown in drawings G100 and LM100, issued June 4, 2004, and G102, and A100 through a104, issued January 9, 2004, prepared by DEL Architects, and photographs of the existing conditions. In reviewing this proposal, the Commission notes that the existing air-conditioning unit is located behind a fence, and below grade.

With regard to this proposal, the Commission finds that the new air-conditioning unit will be minimally visible from a public thoroughfare; that the smaller size of the new unit will help minimize its visibility further; and that the proposed work will not detract from the special historic and architectural character of the landmark. Based on these findings, the Commission determines the proposed work to be appropriate to the City College, City University of NY, North Campus Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ SOLICITATIONS

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

BRONX BOROUGH PRESIDENT

■ PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. on Tuesday, July 20, 2004 at 10:00 am in the office of the Borough President, 198 East 161st Street (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CB 1- ULURP APPLICATION NO: C 040521 HAX: IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:
   a. the designation of property located at 3104, 3106, and 3110 Park Avenue (Block 2418, Lots 2-4), and 308, 314 and 320 East 159th Street (Block 2418, Lots 10, 12, and 14) 821 Courtlandt Avenue (Block 2418, Lots 16 and 18), 301, 303, 305, 307, 309, 313, 317 and 321 East 158th Street (Block 2418, Lots 25, 26, 28, 29, 31-34) Site 22 within the Melrose Commons Urban Renewal Area as an Urban Development Action Area;

   b. an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate development of a five-story building, tentatively known as Courtlandt Avenue Apartments, with approximately 167 units of housing for low income families and 1 unit for a superintendent, to be developed under HPD's Cornerstone Program.

CB 3-ULURP APPLICATION NO: C 040456 HAX- IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:
   a. The designation of property located at 436 East 161st Street; 867, 869, 871 and 875 Elton Avenue' 421, 425, 429 and 433 East 160th Street and a portion of the demapped street bed of East 160th Street between Elton Avenue and Melrose Avenue, part of Site 43 within the Melrose Commons Urban Renewal Area (Block 2382, Lots 16, 20, 22-25, 27-28 and 30), as an Urban Development Action Area; and

   b. An Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a nine-story building tentatively known as Parkview Commons, with approximately 109 units of low-income housing and one unit for a superintendent, to be developed under New York State Housing Trust Fund Program.

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE BOROUGH PRESIDENT'S OFFICE (718) 590-6124 WITH ANY QUESTIONS CONCERNING THESE MATTERS.

☛ jy13-19

A PUBLIC HEARING is being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. for Friday, July 16, 2004 at 10:00 am in the office of the Borough President, 198 East 161st Street, (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451,on the following items:

CB 8-ULURP APPLICATION NO: C 040515 ZMX- IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 1b and 1d:

1. changing from an R6 District to an R6A District property bounded by West 232nd Street, Fairfield Avenue and its southwesterly centerline prolongation, a line 150 feet southwesterly of West 227th Street, Arlington Avenue, a line 300 feet southwesterly of West 227th Street, Netherland Avenue, Kappock Street, Johnson Avenue, Edsall Avenue, (northerly portion) and its southwesterly centerline prolongation, the northeasterly boundary line of the Penn Central Railroad Right-of Way, a line perpendicular to the southeasterly street line of Palisade Avenue and passing through the point of intersection of the southeasterly street line of Palisade Avenue and the northerly boundary line of a Park, Palisade Avenue, Independence Avenue, West 231st Street, and a line perpendicular to the northerly street line of West 231st Street, distant 100 feet (as measured alone the street line) from the point of intersection of the northerly street line of West 231st Street and the easterly street line of Independence Avenue;

2. changing from an R7-1 District to an R6A district property bounded by West 246th Street, Oxford Avenue, West 235th Street, Johnson Avenue, West 232nd Street, a line 150 feet easterly of Fairfield Avenue, a line 200 feet northerly of West 232nd Street, Arlington Avenue, West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), a line 100 feet northerly of West 235th Street, and a line 100 feet northwesterly of Netherland Avenue; and

3. changing from an R7-1 District to an R7A District property bounded by West 239th Street, Johnson Avenue, West 238th Street, a line 100 feet easterly of Johnson Street, Oxford Avenue, West 236th Street, a line 100 feet northwesterly of Netherland Avenue, a line 100 feet northerly of West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), West 235th Street, Arlington Avenue, a line 200 feet northerly of West 232nd Street, a line 150 feet easterly of Fairfield Avenue, West 232nd Street, and Independence Avenue;

partially within a Special Natural Area District (NA-2), Community District 8, Borough of The Bronx, as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

ANYONE WISHING TO SPEAK MAY REGISTER AT THE DOOR. PLEASE CONTACT THE BOROUGH PRESIDENT'S OFFICE AT (718) 590-6124 WITH ANY QUESTIONS CONCERNING THIS MATTER.

QUEENS CB - 13 **C 040115 ZMQ**

Application submitted by Queens Community Board 13 and the Royal Ranch Civic Association, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 11d, changing from an R3-2 District to an R2 District, property bounded by:

a) Bridgewater Avenue, a line 100 feet northerly of 267th Street, 73rd Avenue, and 267th Street; and

b) 267th Street, a line 100 feet easterly of 73rd Avenue, the easterly prolongation of the southerly street line of 260th Place, and 73rd Avenue;

as shown on a diagram (for illustrative purposes only) dated March 22, 2004.

QUEENS CB - 2 **N 040272 ZRQ**

Application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter for amendments of the Zoning Resolution of the City of New York, concerning Article XI, Chapter 7, (Special Long Island City Mixed Use District), relating to the revision of mixed use zoning regulations within the Hunters Point Subdistrict and expansion of the Special Long Island City Mixed Use District and the Hunters Point Subdistrict boundaries.

Underlined matter is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;
* * * indicate where unchanged text appears in the Zoning Resolution

CHAPTER 7
SPECIAL LONG ISLAND CITY MIXED USE DISTRICT

* * *

~~7/26/01~~
117-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, three subdistricts are established within the #Special Long Island City Mixed Use District#. In each of these subdistricts certain regulations apply that do not apply within the remainder of the #Special Long Island City Mixed Use District#. The Special District and Subdistricts are shown in Appendix A of this Chapter.

Special regulations set forth in Sections 117-0~~5~~ -10 through 117-30, inclusive, shall apply to the Hunters Point Subdistrict and shall supplement or supersede the provisions of Sections 117-00 through 117-03, inclusive.

* * *

~~7/26/01~~
117-0~~5~~ 10
~~**Hunters Point Subdistrict**~~ **HUNTERS POINT SUBDISTRICT**

In the #Special Long Island City Mixed Use District#, the special regulations of Sections 117-10 through 117-30, inclusive, shall apply within the Hunters Point Subdistrict and, where noted in Sections 117-40 through 117-45, inclusive, shall also apply within the Court Square Subdistrict.

(Note: the proposed amendment would delete the contents of Sections 117-10 through 117-24 pertaining to the Hunters Point Subdistrict and new regulations would be inserted in some of those section numbers.)

~~7/26/01~~
~~**117-10**~~
~~**SPECIAL USE REGULATIONS FOR M1-4 DISTRICTS**~~

~~10/25/05~~

~~**117-11**~~
~~**Residential Use Regulations**~~

~~#Uses# listed in Use Groups 1 and 2 are allowed subject to the conditions set forth in Sections 117-111 through 117-114, inclusive, and subject to the #bulk# regulations set forth in Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS).~~

~~10/25/05~~

~~**117-111**~~
~~**Residential enlargements**~~

~~A #residential building# may be #enlarged# provided that the #enlargement# does not result in a new #dwelling unit#.~~

~~10/25/05~~

~~**117-112**~~
~~**Residential developments**~~

~~#Residential developments# are permitted, provided that:~~

~~(a) the #side lot lines# of the #zoning lot#, on which such #development# will be located, abut #zoning lots# occupied by #residential#, #community facility# or #commercial uses# other than #uses# listed in Use Groups 13 or 16;~~

~~(b) the frontage along the #street line# of such #zoning lot# does not exceed 60 feet and the total area of such #zoning lot# does not exceed 7,800 square feet; and~~

~~(c) no #use# listed in Use Groups 16, 17 or 18 is located on such #zoning lot#, or on the zoning lot# or lots abutting the rear #lot line# of such #zoning lot#.~~

~~10/25/05~~

~~**117-113**~~
~~**Changes in use**~~

~~A #residential use# may be changed to a #community facility use#.~~

~~10/25/05~~

~~**117-114**~~
~~**Authorizations for residential uses**~~

~~The City Planning Commission may authorize a #residential enlargement# resulting in additional #dwelling units# or a #residential development# on a #zoning lot# that does not comply with the requirements of Section 117-112 (Residential developments) provided it finds that the #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# on the same or abutting #zoning lot#.~~

~~In addition, for #residential developments#, the Commission shall find that:~~

~~(a) the #zoning lot# on which such #development# would be located has been vacant or #land with minor improvements#, continuously, for the five years immediately prior to the date of application for such authorization; and~~

~~(b) the #development# will not preempt any #zoning lot# which is essential to the normal functioning or growth of #manufacturing uses# within the District.~~

~~10/25/05~~

~~**117-12**~~
~~**Community Facility Use Regulations**~~

~~#Uses# in Use Groups 3 and 4 may be #developed# or #enlarged# subject to the #bulk# regulations set forth in Section 117-20.~~

~~10/25/05~~
~~**117-121**~~
~~**Changes of use**~~

~~A #community facility use# may be converted to a #residential use# provided a #use# listed in Use Group 16, 17 or 18 is not located within the #building#.~~

~~The City Planning Commission may authorize the change of a #community facility use# in a #building# also occupied by a #residential use# to a #commercial use# or a #manufacturing use#, pursuant to Section 117-132 (Authorizations for community facility uses).~~

~~The Commission may authorize the change of a #community facility use# in a #building# also occupied by a #use# listed in Use Group 16, 17 or 18 to a #residential use# pursuant to Section 117-122.~~

~~10/25/05~~
~~**117-122**~~
~~**Authorizations for community facility uses**~~

~~The City Planning Commission may authorize the following changes of #use# provided it finds that the #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from new or existing #commercial# or #manufacturing uses#:~~

~~(a) from a #community facility use# to a #use# listed in Use Group 5, 6, 7, 8, 9, 10, 12, 14, 16 or 17 in a #building#, or portion thereof, occupied by a #residential# and #community facility use#; or~~

~~(b) from a #community facility use# to a #residential use# in a #building# also occupied by a #use# listed in Use Group 16, 17 or 18.~~

~~10/25/05~~
~~**117-13**~~
~~**Commercial and Manufacturing Use Regulations**~~

~~#Commercial# and #manufacturing uses# are permitted subject to the provisions set forth in Sections 117-131 through 117-134, inclusive, and subject to the #bulk# regulations set forth in Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS), except that #uses# listed in Use Groups 13, 15 and 18 are not permitted.~~

~~10/25/05~~
~~**117-131**~~
~~**Developments, enlargements and extensions**~~

~~#Developments# containing #uses# listed in Use Group 5, 6, 7, 8, 9, 10, 11, 12 or 14 are permitted, provided that the #zoning lot# on which such #development# will be located has a #street line# abutting Fifth Street.~~

~~#Developments# containing #uses# listed in Use Group 16 or 17 are permitted, provided that the #zoning lot# on which such #development# will be located is not occupied by a #residential building#.~~

~~These restrictions shall not apply to the #enlargement# or #extension# of such #uses#.~~

~~10/25/05~~
~~**117-132**~~
~~**Changes of use**~~

~~Any #commercial# or #manufacturing use# may be changed to a #community facility use#. On #zoning lots# not exceeding 2,500 square feet, any #commercial# or #manufacturing use# may be converted to a #residential use#. On #zoning lots# exceeding 2,500 square feet, a #commercial# or #manufacturing use# may be converted to a #residential use# only pursuant to the provisions of Section 117-134 (Special permit for changes in use).~~

~~10/25/05~~
~~**117-133**~~
~~**Authorizations for commercial or manufacturing uses**~~

~~The City Planning Commission may authorize a #development# containing #uses# listed in Use Group 5, 6, 7, 8, 9, 10, 11, 12 or 14 to locate on a #zoning lot# with no #street line# abutting Fifth Street, provided it finds that the #use# will be #developed# on a #zoning lot# that has been vacant or #land with minor improvements#, continuously, for the five years immediately prior to the date of application for such authorization.~~

~~In addition, the Commission may authorize a #development# containing #uses# listed in Use Groups 16, 17 or 18 to locate on a #zoning lot# that is also occupied by a #residential building# provided it finds that the #development# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~**117-134**~~
~~**Special permit for changes in use**~~

~~On a #zoning lot# exceeding 2,500 square feet, the City Planning Commission may permit the conversion of a #building#, or portion thereof, in #manufacturing# or #commercial use# to #residential use#, provided it finds that:~~

~~(a) such #building#, or portion thereof, has been vacant, continuously, for a period of one year immediately prior to the date of such application;~~

~~(b) such #residential use# will not preempt any #building#, or portion thereof, that is essential to the normal functioning or growth of #manufacturing uses# within the District; and~~

~~(c) such #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# located either on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~**117-14**~~
~~**Authorizations for Mixed Use Buildings**~~

~~The regulations set forth in Sections 117-141 and 117-142, inclusive, apply to #mixed use buildings#, as defined in Section 117-01 (Definitions).~~

~~10/25/05~~

~~**117-141**~~
~~**Developments and enlargements**~~

~~The City Planning Commission may, subject to the #use# regulations of Section 117-13 (Commercial and Manufacturing Use Regulations) and the #bulk# regulations of Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS), authorize a mixed #use development# or an #enlargement# of an existing #mixed use building#, provided it finds that:~~

~~(a) the #street wall# of the #development# or #enlargement# shall align with the #street wall# of an adjacent existing #building#;~~

~~(b) the #commercial# or #manufacturing use# in the #development# or #enlargement# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located either on the same #zoning lot# or on abutting #zoning lots#; and~~

~~(c) in the case of an #enlargement# of the portion of an existing #mixed use building# that is in #residential use#, such #use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~117-142~~
~~Changes of use~~

~~The City Planning Commission may authorize a change of #use# in the portion of a #mixed use building# in #commercial use# to a #use# listed in Use Groups 16 or 17, provided it finds that the new #use# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~117-20~~
~~SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS~~
~~10/25/05~~
~~117-21~~
~~Residential Uses~~

~~The #bulk# regulations for #residential uses# in R6B Districts shall apply.~~

~~10/25/05~~
~~117-22~~
~~Community Facility Uses~~

~~The #bulk# regulations for #community facility uses# in R6B Districts shall apply.~~

~~7/26/01~~
~~117-23~~
~~Commercial and Manufacturing Uses~~

~~The #bulk# regulations of an M1-4 District shall apply to #commercial# or #manufacturing uses#.~~

~~10/25/05~~
~~117-24~~
~~Mixed use Buildings~~

~~The maximum #floor area ratio# for a #mixed use building# shall be 2.0.~~

117-11
General provisions

In special areas of the Hunters Point Subdistrict of the #Special Long Island City Mixed Use District#, an M1 District is paired with a #Residence District#. For the purposes of this Chapter, such #Residence# and M1 Districts are referred to as the "designated districts." The designated districts within the Hunters Point Subdistrict are indicated on the #zoning map# and are as follows:

M1-4/R6A
M1-4/R6B
M1-4/R7A
M1-5/R7X
M1-5/R8A

117-20
SPECIAL PROVISIONS IN THE DESIGNATED DISTRICTS

117-21
Special Provisions for Use, Bulk and Parking

M1-4/R6A M1-4/R6B M1-4/R7A M1-5/R7X M1-5/R8A

The special #use#, #bulk# and parking provisions of Article XII, Chapter 3, of the #Special Mixed Use District# shall apply to the designated districts within the Hunters Point Subdistrict, except where modified by the provisions of this Section, and shall supplement or supersede the provisions of the designated #Residence# or M1 District, as applicable.

117-22
Modification of Use Group 6A

M1-4/R6A M1-4/R6B M1-4/R7A M1-5/R7X M1-5/R8A

The provisions of Section 42-12 (Use Groups 3A, 6A, 6B, 6D, 6F, 7B, 7C, &D, 7E, 8, 10A, 10B, 10C, 11, 12A, 12C, 12D, 12 E, 13, 14,and 16) pertaining to Use Group 6A shall be modified as follows:

> Food stores, including supermarkets, grocery stores, or delicatessen stores, shall not be limited as to #floor area# per establishment.

~~10/25/05~~

117-30
SPECIAL PROVISIONS FOR C1 AND C2 DISTRICTS

10/25/95

117-31
Special Use Regulations

For #residential developments# or #enlargements#, #uses# on the ground floor shall be limited to non-#residential uses# and lobby space. Not more than 8,000 square feet of the ground floor shall be devoted to #uses# listed in Use Group 6B.

10/25/95

117-32
Special Bulk Regulations

For #developments# or #enlargements#, any #street wall# shall be built coincident with the #street line#.

10/25/95

117-40
COURT SQUARE SUBDISTRICT

117-401
General provisions

* * *

7/26/01

117-41
Court Square Subdistrict Plan

The Subdistrict Plan for the Court Square Subdistrict identifies the improvements to be provided in the District under the provisions of this Chapter. The elements of the Subdistrict Plan are set forth in Appendix B of this Chapter, which consists of the Subdistrict Plan Map and the Description of Improvements, and is incorporated into the provisions of this Chapter.

~~7/26/01~~

117-42
Special Bulk and Use Regulations in the Court Square Subdistrict

#Developments# or #enlargements# containing at least 70,000 square feet of #floor area# on #zoning lots# of at least 10,000 square feet are subject to the provisions of the underlying C5-3 District, as modified by Sections 117-40 through 117-45, inclusive.

Other #developments# or #enlargements# are subject to the #use# provisions of the underlying C5-3 District and the #bulk# provisions of an ~~M1-4 District~~ M1-4/R6B designated district pursuant to the regulations of Article XII, Chapter 3 (#Special Mixed Use District#), as modified by Sections 117-00 through ~~117-24~~ 117-22, inclusive.

~~7/26/01~~

117-421
Special bulk regulations

(a) #Developments# or #enlargements# that meet the minimum #floor area# and #zoning lot# standards of Section 117-44 (Mandatory subway improvements) and provide mandatory subway improvements as required by Section 117-44, may #develop# to a #floor area ratio# of 15.0. #Developments# or #enlargements# that do not meet the minimum standards of Section 117-44 shall not exceed the maximum #floor area ratios# ~~set forth in Sections 117-20 through 117-23, inclusive,~~ of the designated district for the applicable #use#.

(b) The following provisions shall not apply within the Court Square Subdistrict:

Section 33-14 (Floor Area Bonus for an Urban Plaza)

Section 33-15 (Floor Area Bonus for Arcades)

Section 33-26 (Minimum Required Rear Yards)

Section 34-223 (Floor area bonus for a residential plaza)

Section 34-224 (Floor area bonus for an urban plaza)

Section 34-225 (Floor area bonus for an arcade)

Section 34-23 (Density Bonus for a Residential Plaza, Urban Plaza or Arcade).

(c) The height and setback regulations of the underlying C5-3 District shall apply, except that no #building or other structure# shall exceed a height of 85 feet above the #base plane# within the area bounded by 23rd Street, 44th Road, a line 60 feet east of and parallel to 23rd Street, and a line 75 feet north of and parallel to 45th Road.

QUEENS CB - 2 C 040273 ZMQ

Application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 8d and 9b:

1. eliminating from an existing R6A District a C1-5 District bounded by:

   a. 51st Avenue, Vernon Boulevard, Borden Avenue, and a line 100 feet westerly of Vernon Boulevard; and

   b. 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street

2. eliminating from an existing R7A District a C1-5 District bounded by 44th Drive, a line 45 feet westerly of 23rd Street, a line midway between 44th Drive and 45th Avenue, and a line 100 feet westerly of 11th Street;

3. eliminating from an existing R7A District a C2-5 District bounded by Jackson Avenue, 21st Street, and 47th Road;

4. eliminating a Special Long Island City Mixed Use District (LIC) bounded by 51st Avenue, Jackson Avenue, and Vernon Boulevard;

5. changing from an M1-4 District to an R6B District property bounded by 44th Drive, 23rd Street, 45th Avenue, a line 90 feet westerly of 23rd Street, a line midway between 45th Avenue and 45th Road, a line 90 feet easterly of 21st Street, a line midway between 44th Drive and 45th Avenue, and a line 45 feet westerly of 23rd Street;

6. changing from an R6A District to an R7X District property bounded by 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street;

7. changing from an R7A District to an R7X District property bounded by:

   a. a line 100 feet northerly of 46th Avenue and its easterly prolongation, 23rd Street, Jackson Avenue, 21st Street, 46th Road, a line 90 feet easterly of 21st Street, 46th Avenue, and a line 215 feet westerly of 23rd Street; and

   b. 47th Avenue, Jackson Avenue, the

northerly boundary line of the Long Island Railroad right-of-way, 11th Street, 50th Avenue, a line 100 feet southeasterly of Jackson Avenue, 51st Avenue, Vernon Boulevard, 50th Avenue, a line 250 feet easterly of Vernon Boulevard, a line 100 feet northwesterly of Jackson Avenue, 49th Avenue, a line 120 feet westerly of 11th Street, 48th Avenue, 11th Street, 47th Road, a line 235 feet easterly of 11th Street, and a line 100 feet northwesterly of Jackson Avenue;

8. changing from an M1-4 District to an M1-4/R6A District property bounded by:

a. the southerly boundary of a Canal, a line 100 feet easterly of 5th Street and its northerly prolongation, a line midway between 47th Road and 48th Avenue, and 5th Street and its northerly centerline prolongation;

b. 48th Avenue, a line 100 feet easterly of 5th Street, Borden Avenue, and 5th Street; and

c. the northerly boundary line of John F. Murray Playground, a line 90 feet westerly of 21st Street, 46th Road, and a line 60 feet easterly of 11th Street;

9. changing from an M1-4 District to an M1-4/R6B District property bounded by:

a. 45th Avenue, 23rd Street, a line 100 feet northerly of 46th Avenue, a line 215 feet westerly of 23rd Street, 46th Avenue, a line 90 feet westerly of 21st Street, a line midway between 45th Avenue and 45th Road, and a line 90 feet westerly of 23rd Street;

b. 46th Road, a line 90 feet westerly of 21st Street, 47th Avenue, a line 100 feet northwesterly of Jackson Avenue, a line 235 feet easterly of 11th Street, 47th Road, and a line 60 feet easterly of 11th Street;

c. 49th Avenue, a line 90 feet westerly of 21st Street, 50th Avenue, 21st Street, the Queens Midtown Expressway, the Queens Midtown Tunnel Plaza, 11th Street, 51st Avenue, a line 100 feet southeasterly of Jackson Avenue, 50th Avenue, and 11th Place;

d. 46th Road, a line 100 feet westerly of 11th Street, 48th Avenue, a line 120 feet westerly of 11th Street, 49th Avenue, a line 100 feet northwesterly of Jackson Avenue, a line 250 feet easterly of Vernon Boulevard, 50th Avenue, and a line 100 feet easterly of Vernon boulevard;

e. 47th Avenue, a line 100 feet westerly of Vernon Boulevard, a line midway between 47th Road and 48th Avenue, and a line 100 feet easterly of 5th Street;

f. 48th Avenue, a line 100 feet westerly of Vernon Boulevard, a line midway between 51st Avenue and Borden Avenue, and a line 100 feet easterly of 5th Street; and

g. 51st Avenue, 5th Street, a line 50 feet southerly of the northerly street line of Borden Avenue, and 2nd Street;

10. changing from an R7A District to an M1-4/R7A District property bounded by 44th Drive, a line 45 feet westerly of 23rd Street, a line midway between 44th Drive and 45th Avenue, and a line 100 feet westerly of 11th Street;

11. changing from an M1-4 District to an M1-4/R7A District property bounded by:

a. a line 100 feet northerly of 44th Drive, 23rd Street, 44th Drive, and a line 100 feet westerly of 11th Street;

b. a line midway between 44th Drive and 45th Avenue, a line 90 feet westerly of 21st Street, the northerly boundary line of John F. Murray Playground, a line 60 feet easterly of 11th Street, 47th Road, 11th Street, 48th Avenue, and a line 100 feet westerly of 11th Street; c. a line midway between 47th Road and 48th Avenue, a line 100 feet westerly of Vernon Boulevard, 48th Avenue, and 5th Street; and d. 49th Avenue, 5th Street, 51st Avenue, and a line 100 feet westerly of 5th Street;

12. changing from an R6A District to an M1-5/R7X District property bounded by 51st Avenue, Vernon Boulevard, Borden Avenue, and a line 100 feet westerly of Vernon Boulevard;

13. changing from an R7A District to an M1-5/R7X District property bounded by 21st Street, 47th Road, and Jackson Avenue;

14. changing from an M1-4 District to an M1-5/R7X District property bounded by:

a. the northerly boundary line of the Long Island Railroad right-of-way, 11th Place and its northerly centerline prolongation, 50th Avenue, and 11th Street; and

b. a line midway between 51st Avenue and Borden Avenue, a line 100 feet westerly of Vernon Boulevard, Borden Avenue, and a line 100 feet easterly of 5th Street;

15. changing from an M1-6 District to an M1-5/R7X District property bounded by 47th Road, 21st Street, the northerly boundary line of the Long Island Railroad right-of-way, and Jackson Avenue;

16. changing from an M3-1 District to an M1-5/R7X District property bounded by Jackson Avenue, Crane Street, a line 250 feet southeasterly of Jackson Avenue, and 21st Street;

17. changing from an M1-4 District to an M1-5/R8A District property bounded by 49th Avenue, a line 100 feet westerly of 5th Street, 51st Avenue, 2nd Street, 50th Avenue, and a line 400 feet westerly of 5th Street;

18. establishing within a proposed R7X District a C2-5 District bounded by 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street; and

19. establishing a Special Long Island City Mixed Use District (LIC) bounded:

a. a line 100 feet northerly of 44th Drive, a line 90 feet westerly of 21st Street, 44th Drive, and a line 100 feet westerly of 11th Street;

b. a line 100 feet northerly of 44th Drive, a line 115 feet westerly of 23rd Street, 44th Drive, and 21st Street;

c. a line midway between 44th Drive and 45th Avenue, 11th Street, 45th Avenue, and a line 100 feet westerly of 11th Street;

d. 46th Avenue, 11th Street, 46th Road, and a line 100 feet westerly of 11th Street;

e. Jackson Avenue, Crane Street, a line 250 feet southeasterly of Jackson Avenue, 21st Street, the northerly boundary line of the Long Island Railroad right-of-way, the northerly centerline prolongation of 11th Place, 49th Avenue, 11th Street, Jackson Avenue, 47th Road, and 21st Street;

f. the service road of the Queens Midtown Tunnel Plaza, 21st Street, Queens Midtown Expressway, the Queens Midtown Tunnel Plaza, and 11th Street;

g. the southerly boundary of a Canal, a line 100 feet easterly of 5th Street and its northerly prolongation, 47th Avenue, and 5th Street and its northerly centerline prolongation; and

h. 49th Avenue, 5th Street, a line 50 feet southerly of the northerly street line of Borden Avenue, 2nd Street, 50th Avenue and a line 400 feet westerly of 5th Street;

within the Special Long Island City Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 9, 2004, and subject to the conditions of CEQR Declaration E-129.

MANHATTAN CB - 5 C 040331 ZMM

Application submitted by the Department of City Planning and Richard Chapman and Associates pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 8d and 12c, changing from an M1-6M District to a C6-4A District property bounded by West 22nd Street, a line 100 feet westerly of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet easterly of Avenue of the Americas, as shown on a diagram (for illustrative purposes only) dated March 22, 2004, and subject to the conditions of CEQR Declaration E-131.

MANHATTAN CB - 5 N 040332 ZRM

Application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York relating to an increase in street wall height within the Ladies' Mile Rezoning Area, the grandfathering of an existing special permit, and a clarification of the zoning text.

Matter underlined is new, to be added;
Matter in ~~strikeout~~ is to be deleted; and
*** represents text for which no change is proposed

Article I, Chapter 1

Section 11-44
Special Permits Granted Prior to (effective date of amendment)

Within the area bounded by West 22 Street, a line 100 feet west of Fifth Avenue, a line midway between West 16 Street and West 17 Street, and a line 100 feet east of Sixth Avenue, any special permit granted by the City Planning Commission may be started or continued, in accordance with the terms thereof, or as such terms may be subsequently modified, pursuant to the #bulk# regulations in effect at the time such special permit was granted, subject to the provisions of Sections 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and 11-43 (Renewal of Authorization or Special Permit).

23-633
Street wall location and height and setback regulations in certain districts

R6A R7A R8A R9A R10A R6B R7B R8B R7X R8X R9X R10X

In the districts indicated, #street wall* location and height and setback regulations are set forth in this Section. The height of all #buildings or other structures* shall be measured from the #base plane#. The provisions of Sections 23-64 (Alternate Front Setbacks) and 23-65 (Tower Regulations) shall not apply, except as otherwise set forth for #buildings# in R10X Districts.

***

R6A R6B R7A R7B R7X R8A R8B R8X R9A R9X R10A R10X

(b) Setback regulations

In the districts indicated, and for #buildings developed# or #enlarged)# pursuant to the Quality Housing Program in other R6, R7, R8, R9 and R10 Districts, setbacks are required for all portions of #buildings# that exceed the maximum base height specified in ~~Table A of~~ the table in this Section. Such setbacks shall be provided in accordance with the following regulations:

R6A R6B R7A R7B R7X R8A R8B R8X R9A R9X R10A R10X

(d) Additional regulations

In the districts indicated, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6, R7, R8, R9 and R10 Districts, the following additional regulations shall apply:

***

(4) For any #zoning lot# located in a Historic District designated by the Landmarks Preservation Commission, the minimum base height and #street wall# location regulations of this Section, or as modified in any applicable Special District, shall be modified as follows:

(i) The minimum base height of a #street wall# may vary between the height of the #street wall# of an adjacent #building# before setback, if such height is lower than the minimum base height required, up to the minimum base height requirements of this Section, or as modified in any applicable Special District.

(ii) the maximum base height of a #street wall# may vary between the height of the #street wall# of an adjacent #building# before setback, if such height is higher than the maximum base height allowed, and the maximum base height requirements of this Section, provided that such height not exceed 150 feet, and provided such #zoning lot# is located within the area bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue.

~~(ii)~~(iii) The location of the #street wall# of any #building# may vary between the #street wall# location requirements of this Section, or as modified in any applicable Special District, and the location of the #street wall# of an adjacent #building# fronting on the same #street line#.

~~TABLE A~~

MINIMUM BASE HEIGHT, MAXIMUM BASE HEIGHT AND MAXIMUM BUILDING HEIGHT

~~(ii)~~(iii) The location of the #street wall# of any #building# may vary between the #street wall# location requirements of this Section, or as modified in any applicable Special District, and the location of the #street wall# of an adjacent #building# fronting on the same #street line#.

***

32-21
Use Group 12

C4 C6 C7 C8

Use Group 12 consists primarily of fairly large entertainment facilities that:

(1) have a wide service area and generate considerable pedestrian, automotive or truck traffic; and

(2) are, therefore, appropriate only in secondary, major or central commercial areas.

Certain public service establishments are also included.

A. Amusements

***

** Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing [PRC-D]

In C4 Districts, a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. In C4 Districts, such establishment shall be a minimum of 100 feet from a #Residence District# boundary, except that within 100 feet from a #Residence District# boundary, such establishment is permitted only by special permit pursuant to Section 73-244.

In C6-1, C6-2, C6-3 and C6-4 Districts, a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. In these districts, the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residential District# boundary.

Historical exhibits, provided such #use# is contained within a #completely enclosed building# [PRC-D]

***

E. #Accessory Uses#

* In a C4 District, a #use# in Use Group 12, marked with an asterisk, shall not be located on the ground floor of a #building# unless such #use# is at least 50 feet from the #street wall# of the #building# in which it is located, as provided in Section 32-423 (Limitation on ground floor location).

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22th Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue, eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, are permitted only by special permit of the Board of Standards and Appeals in accordance with Section 73-244.

***

32-31
By the Board of Standards and Appeals

In the districts indicated, the following #uses# are permitted by special permit of the Board of Standards and Appeals, in accordance with standards set forth in Article VII, Chapter 3.

***

C3
Eating or drinking establishments with musical entertainment but not dancing, with a capacity of 200 persons or less [PRC-B]

C2 C3 C4* C6-4**
Eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing [PRC-D]

***

* In C4 Districts, such #use# is permitted within 100 feet from a #Residence District# boundary only as provided in Section 73-244.

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue, such #use# is permitted only as provided in Section 73-244.

***

73-244
In C2, C3, C4*, C6-4, M1-5A, M1-5B, M1-5M and M1-6M Districts and the Special Tribeca Mixed Use District**

In C2, C3, C4*, C6-4**, M1-5A, M1-5B, M1-5M and M1-6M Districts and the #Special Tribeca Mixed Use District#, the Board of Standards and Appeals may permit eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing, for a term not to exceed three years, provided that the following findings are made:

(a) that a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. A plan shall be provided to the Board to ensure that the operation of the establishment will not result in the gathering of crowds or the formation of lines on the #street#;

(b) that the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residence District# boundary;

(c) that such #use# will not cause undue vehicular or pedestrian congestion in local #streets#;

(d) that such #use# will not impair the character or the future use or development of the surrounding #residential# or mixed use neighborhoods;

(e) that such #use# will not cause the sound level in any affected conforming #residential use#, #joint living-work quarters for artists# or #loft dwelling# to exceed the limits set forth in any applicable provision of the New York City Noise Control Code; and

(f) that the application is made jointly by the owner of the #building# and the operators of such eating or drinking establishment.

The Board shall prescribe appropriate controls to minimize adverse effects on the character of the surrounding area, including, but not limited to, location of entrances and operable windows, provision of sound-lock vestibules, specification of acoustical insulation, maximum size of establishment, kinds of amplification of musical instruments or voices, shielding of flood lights, adequate screening, curb cuts or parking.

Any violation of the terms of a special permit may be grounds for its revocation.

* In C4 Districts where such #use# is within 100 feet from a #Residence District# boundary.

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue.

***

MANHATTAN CB - 5 **C 040333 ZSM**

Application submitted by Richard Chapman & Associates pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 363 spaces on a portion of the first floor, cellar and sub-cellar of a proposed mixed building at 7-13 West 21st Street a.k.a. 6-14 West 22nd Street (Block 823, Lot 31), in a C6-4A District, within the Ladies' Mile Historic District.

MANHATTAN CB - 5 **C 040334 ZSM**

Application submitted by Richard Chapman & Associates pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 105 spaces on a portion of the first floor, cellar and sub-cellar of a proposed mixed building at 4 West 21st Street (Block 822, Lot 45), in a C6-4A District, within the Ladies' Mile Historic District.

QUEENS CB - 13 **C 040344 ZMQ**

Application submitted by the Department of City Planning, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 11d and 15c:

1. changing from an R3-2 District to an R2 District property bounded by Union Turnpike, the southwesterly service road of the Cross Island Parkway, a line parallel to Union Turnpike passing through a point on the southwesterly line of the southwesterly service road of the Cross Island Parkway at a point distant 43 feet southerly from the intersection of Union Turnpike, a line 90 feet westerly of the westerly street line of 242nd Street and its northerly prolongation, a line at right angles to the previous course distant 630 feet southerly of Union Turnpike, a line 170 feet westerly of 242nd Street, 82nd Avenue and its westerly prolongation, a line 150 feet westerly of 242nd Street, a line 220 feet northerly of 83rd Avenue, the westerly street line of 240th Street and its southerly and northerly prolongation, Hillside Avenue, and Commonwealth Boulevard; and

2. changing from an R3-2 District to an R3A District property bounded by Hillside Avenue, a line 100 feet westerly of 239th Street, 87th Avenue, and the easterly service road of the Cross Island Parkway;

as shown on a diagram (for illustrative purposes only) dated March 22, 2004.

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, July 19, 2004:

MANHATTAN CB - 6 **20045503 HKM**

Designation (List No. 351, LP-2140) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Murray Hill Historic District Extension, located within the current Murray Hill Historic District.

MANHATTAN CB - 3 **20045615 HKM**

Designation (List No. 352, LP-2143) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Kehila Kadosha Janina Synagogue, located at 280 Broome Street.

BROOKLYN CB - 1 **20045617 HKK**

Designation (List No. 352, LP-2152) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the F.J. Birlenbach House, located at 174 Meserole Street.

BROOKLYN CB - 4 **20045633 HKK**

Designation (List No. 353, LP-2054) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Brooklyn Public Library, Dekalb branch, located at 790 Bushwick Avenue (a.k.a. 1176 Dekalb Avenue).

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, July 19, 2004:

BROOKLYN CB - 5 **C 040203 HAK**

Application submitted by the Department of Housing Preservation and Development (HPD)

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 433-439 DeWitt Avenue (Block 4318, Lots 31-34), as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of 433, 437, and 439 DeWitt Avenue (Block 4318, Lots 31-32 and 34) to developer selected by HPD;

to facilitate development of a four-story building tentatively known as the PSCH DeWitt Residence, with approximately 19 apartments for low income persons with mental illness, to be developed under the HUD Section 811 Supportive Housing for Persons with Disabilities Program.

MANHATTAN CB - 10 **C 040269 HUM**

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1ST amendment to the Bradhurst Urban Renewal Plan for the Bradhurst Urban Renewal Area.

MANHATTAN CB - 10 **C 040270 ZMM**

Application submitted by the Department of Housing Preservation and Development, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1) eliminating from an existing R7-2 District, a C1-4 District bounded by West 146th Street, Frederick Douglass Boulevard, West 145th Street, and a line 100 feet westerly of Frederick Douglass Boulevard;

2) changing from an R7-2 District to a C4-4D District property bounded by West 146th Street, Frederick Douglass Boulevard, West 145th Street, and a line 100 feet westerly of Frederick Douglass Boulevard; and

3) changing from an R8 District to a C4-4D District property bounded by West 146th Street, a line 100 feet westerly of Frederick Douglass Boulevard, West 145th Street and Bradhurst Avenue;

within the Bradhurst Urban Renewal Area, as shown on a diagram (for illustrative purposes only) dated February 9, 2004.

MANHATTAN CB - 10 **C 040271 HAM**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of 301, 303, 305, 307-311, 313, 315 and 317 West 145th Street, 2731 Frederick Douglass Boulevard, 304-306 West 146th Street and 68 Bradhurst Avenue (Block 2045, Lots 1-4, 7-10, 18, 21 and 110), as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of 307-311, 313, 315 West 145th Street, 2731 Frederick Douglass Boulevard, 304-306 West 146th Street and 68 Bradhurst Avenue (Block 2045, Lots 110, 21, 18, 10, 2-4) to a developer to be selected by HPD;

to facilitate development of an eleven-story mixed-use building with 185 units of cooperative housing and retail space to be developed through HPD's Cornerstone Program.

BRONX CB - 12 **C 040274 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) The designation of property located at 3377 White Plains Road (Block 4624, Lot 37), as an Urban Development Action Area Project for such area; and

   b) An Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a seven-story building tentatively known as RAIN Apartments for the Elderly, with approximately 72 units of low-income housing for senior citizens, plus one unit for a superintendent, and a senior citizens center to be developed under the New York State Housing Trust Fund Program.

BRONX CB - 6 **N 040352 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Article 16 of the General Municipal Law of New York State for:

1. The designation of property located at 2339 Prospect Avenue (Block 3102, Lot 47), as an Urban Development Action Area; and

2. An Urban Development Action Area Project for such area;

to facilitate development of a six-story building tentatively known as Residencial Estrella-Vargas, with approximately 32 units of permanent housing for low-income families and one unit for the superintendent, to be developed under the HPD Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 1 and 20045650 HAX through 20045653 HAK.

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, July 14, 2004, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN

CD 2 **C 010645 ZMK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section No. 12d:**

1. **changing from an M1-2 District to an M1-2/R8 District property bounded by** Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street; and

2. **establishing a Special Mixed Use District (MX-2) within the area bounded** by Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street;

as shown on a diagram (for illustrative purposes only) dated March 24, 2004, and subject to the conditions of CEQR Declaration E-132.

CD 2 **C 010646 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-743(a)(2) of the Zoning Resolution **to allow the location of a proposed 16-story mixed use building without regard for the applicable yard, court and height and setback regulations, on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 010647 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-512 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 327 spaces on portions of the cellar floor, ground floor and second floor, and to allow floor space up to a height of 23 feet above curb level to be exempted from the definition of floor area as set forth in Section 1210 (DEFINITIONS), in a proposed 16-story mixed use building on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 030492 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (Use Regulations) to allow residential use (Use Group 2 uses) on the 2nd floor, 3rd floor and 4th floor of an existing 4-story building on a zoning lot located at 85 Water Street** (Block 26, Lots 33 and 38), in an M3-1 District, within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning

Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

NOTICE

On Wednesday, July 14, 2001, at 10:00 a.m., in Spector Hall at the Department of City Planning, 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an amendment to the zoning map to change an M1-2 zoning district to an M1-2/R8 (MX-2) zoning district, for the western portion of the block bounded by Water, Front, Dock and Main Streets in the DUMBO area of Community District 2, Brooklyn, as well as a Special Permit pursuant to Section 74-743 of the Zoning Resolution for bulk modifications in a General Large Scale Development, a Special Permit pursuant to Section 74-512 of the Zoning Resolution to permit the construction of a public parking garage in excess of 150 spaces and to allow a portion of the garage floor area to be exempted from the definition of floor area, and a Special Permit pursuant to Section 74-711 of the Zoning Resolution to allow use modifications for a building located within a Historic District.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 00DCP015K.

BOROUGH OF MANHATTAN

CD 3 **C 040314 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 59-61 East 4th Street (Block 460, Lot 56), 62-72 East 4th Street (Block 459, Lots 17-19, 21-22) and 19 East 3rd Street (Block 459, Lot 40), Sites 4 and 5 within the Cooper Square Urban Renewal Area, as an Urban Development Action Area;

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate the rehabilitation and disposition of six buildings and a vacant lot, tentatively known as the East 4th Street Cultural District, to preserve and promote the cultural activity of East 4th Street.

(On June 23, 2004, Cal. No. 5, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 8 **C 030284 MMM**

IN THE MATTER OF an application, submitted by Hudson Related Associates, LLC, pursuant to Sections 197-c and 199 of the New York City Charter and section 5-430 *et. seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of a southerly extension of Main Street;
- the elimination, discontinuance and closing of a portion of Main Street at the existing southerly terminus;
- adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

Community District 8, Borough of Manhattan, in accordance with Map No. 30212 dated March 4, 2004 and signed by the Borough President.

CD 11 **C 040443 ZMM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 6a and 6b:**

1. **eliminating from an existing R7-2 District a C1-4 District bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 100 feet westerly of Park Avenue;

2. **changing from an R7-2 District to a C4-7 District property bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 85 feet easterly of Madison Avenue; and

3. **changing from a C4-4 District to a C4-7 District property bounded by** East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, and a line 215 feet westerly of Park Avenue;

as shown on a diagram (for illustrative purposes only) dated May 10, 2004 and subject to the conditions of CEQR Declaration E-133.

(On June 23, 2004, Cal. No. 6, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 11 **C 040444 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-721(a) of the Zoning Resolution **to modify the height and setback regulations of Section 3343 (Maximum Height of Walls and Required Setbacks) and the tower regulations of Section 3345 (Tower Regulations) of the Zoning Resolution to facilitate the development of a 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 11 **C 040445 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 7452 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 369 spaces on portions of the ground floor, cellar 1 level, cellar 2 level and cellar 3 level of a proposed 42 story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.
(On June 23, 2004, Cal. No. 8, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

Citywide **N 040414 ZRY**

IN THE MATTER OF an Application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, **for an amendment to the Zoning Resolution** of the City of New York to establish a lower density growth management area, as follows:

Matter in underline is new, to be added;
matter in ~~strikeout~~ is old, to be deleted;
Matter within # # is defined in Section12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

* * *

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

   1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

   2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY, the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

   1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

   2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

12-10
Definitions

* * *

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

   (1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

   (2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

   (3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a

#yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2, R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:
The Borough of Staten Island

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#.
An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

* * *

Chapter 2
Use Regulations

* * *

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

* * *

Chapter 3
Bulk Regulations for Residential Buildings in Residence Districts

* * *

23-00
APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44	Authorizations or Permits in Lower Density Growth Management Areas
12-10	(DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43	(Detached and Semi-Detached Two-Family Residences)
23-141	(Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32	(Minimum Lot Area or Lot Width for Residences)
23-44	(Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461	(Side yards for single-or two-family residences)
23-462	(Side yards for all other residential buildings)
23-533	(Required rear yard equivalents)
23-541	(Within 100 feet of corners)
23-542	(Along short dimension of block)
23-544	(For portions of through lots)
23-631	(Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711	(Standard minimum distance between buildings)
23-88	(Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22	(Requirements Where Individual parking Facilities Are Provided)
25-23	(Requirements Where Group parking Facilities Are Provided)
25-621	(Location of parking spaces in certain districts)
25-622	(Location of parking spaces in lower density growth management areas)
25-631	(Location and width of curb cuts in certain districts)
25-632	(Driveway and curb cut regulations in lower density growth management areas)
25-64	(Restrictions on Use of Open Space for Parking)
25-66	(Screening)
26-30	(SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40	(STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702	(Applicability of lower density growth management area regulations)
119-05	(Applicability of Parking Location Regulations)
119-214	(Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50*
R4A R4-1	governed by #yard# requirements		.75*
R2X	governed by #yard# requirements		.85*
R3-1			
R3-2**	35	65	.50*
R4**	45	55	.75*
R4B	55	45	.90
R5**	55	45	1.25
R5B	55	45	1.35

* ~~the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

** ~~The permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~
In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

* * *

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or #two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and

the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required,provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total With# (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-2 R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10
In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1 within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;
"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (f) shall apply to any #zoning lot# with a #building# located behind another #building# so that lines drawn perpendicular to the #street line# intersect both such #buildings#, and where the #private road# provisions do not apply. For the purposes of this paragraph, a "front building" shall be any #building# with no #building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any rear building and any front building.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the

provisions of this paragraph, (b), shall apply to any #zoning lot# not accessed by #private roads# where a #residential building# is located wholly beyond 50 feet of a #street line# and behind another #residential building# fronting upon the same #street line# so that lines drawn perpendicular to the #street line# intersect both such #buildings#. For the purposes of this paragraph, a "front building" shall be any #building# with no #building#located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

* * *

Chapter 5
Accessory Off-Street Parking and Loading Regulations

* * *

25-20
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES

* * *

25-22
Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In the districts indicated, within #lower density growth management areas#,where #group parking facilities are not provided, two #accessory# off-street parking spaces shall be provided for each#single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total #Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, two #accessory# off-street parking spaces shall be provided for each #single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

The provisions of this Section shall apply within all #lower density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(c) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64
Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied bydriveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.

In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~; (2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section

26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or

(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or

(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30.(SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS , and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high within three years.

26-32
Minimum Distance Between Walls and Lot Lines

For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.
No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and
(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20feet of being opposite to one another, and
(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening
All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

Article X - Special Purpose Districts

* * *

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts
Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback
Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet~~. Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

* * *

107-30
TOPOGRAPHIC AND TREE REGULATIONS

* * *

107-321
Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage~~. These trees shall be planted in accordance with the requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one #story# or two #story detached residence#, existing prior to September 9, 1999, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~
~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~
107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space). ~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:

(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required#open space# not within the #designated open space#;
(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#;
(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#

However, in all districts, a greater percentage may be so

occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their common #lot lines#.
As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~**107-465**~~
~~**Rear yards**~~

~~In all underlying districts, except R1 Districts, for permitted #single# or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 foot rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts
Chapter 9
Special Hillsides Preservation District

* * *

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

COMPTROLLER

■ **PUBLIC HEARINGS**

Notice is hereby given that a Public Hearing will be held in the Municipal Building, One Centre Street, Room 736 - conference room, on July 20, 2004 at 2:30 p.m. on the following item.

In The Matter Of a proposed contract between the Office of the Comptroller and Security Capital Research & Management, Inc., 11 South LaSalle Street, Chicago, Illinois 60603 for the provision of U.S. Real Estate Equity Securities Investment Advisory Services for the Teachers' Retirement System for the City of New York, acting on behalf of said SYSTEM, and such other additional Systems, funds and accounts as may be designated in writing from time to time by the Comptroller with the concurrence of the Advisor (collectively, the "SYSTEMS") and Security Capital Research & Management, Inc.

The term of the contract will commence August 1, 2004 and will end June 30, 2007 with options to renew. The amount of the contract is not to exceed $3,090,000 of which NO DOLLARS will be paid with city funds.
PIN #015-0286404 RS

The proposed contractor was selected pursuant to a competitive sealed proposal process in accordance with Section 3-03 of the PPB Rules.

A copy of the contract, or excerpts thereof, can be seen at the Office of the Comptroller, One Centre Street, Room 736, New York, New York 10007, Monday through Friday excluding holidays commencing July 9, 2004 through July 20, 2004 between 9:30 a.m. – Noon and 1:30 - 4:30 p.m.

jy9-20

COMMUNITY BOARDS

■ **PUBLIC HEARINGS**

PUBLIC NOTICE IS HEREBY GIVEN that the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BROOKLYN

COMMUNITY BOARD NO. 13 - Wednesday, July 14, 2004, 7:00 P.M., Coney Island Hospital-2nd fl., 2601 Ocean Parkway, Brooklyn, NY

C 040199 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the acquisition of property located at 2012 Neptune Avenue (Block 7018, Lot 1) Brooklyn, for continued use as a garage.

jy8-14

DEFERRED COMPENSATION BOARD

■ **MEETING**

The City of New York Deferred Compensation Board will be holding its monthly meeting on Thursday, July 15, 2004, 10:00 a.m. to 2:00 p.m. The meeting will be held at 40 Rector Street, 3rd Floor, NYC.

☛ **jy13-15**

ENVIRONMENTAL PROTECTION

■ **PUBLIC HEARINGS**

Notice is hereby given that a Public Hearing will be held at the Department of Environmental Protection offices at 59-17 Junction Boulevard, Seventeenth Floor Conference Room, Corona, Queens, on Thursday, July 22, 2004 commencing at 10:00 am on the following: In the Matter Of a proposed contract between the Department of Environmental Protection and The Cornell Cooperative Extension of Ulster County, 10 Westbrook Lane, Kingston, New York 12401-2928, for CAT-249: Esopus Creek Stream Management Plan. The Contract term shall be 1,096 consecutive calendar days from the date of the written notice to proceed. The Contract amount shall be $589,742.86—Location: New York City Watershed Region—PIN 82605WS00002.

The Contract is exempt from the PPB rules.

A copy of the Contract may be inspected at the Department of Environmental Protection, 59-17 Junction Boulevard, Flushing, New York 11373, on the 17TH floor Bid Room, on business days from July 9, 2004 to July 22, 2004, between the hours of 9:30am - 12:00pm and 1:00pm - 4:00pm.

Note: Individuals requesting Sign Language Interpreters should contact Debra Butlien, Office of the ACCO, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373 (718) 595-3423, no later than FIVE (5) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

TRANSPORTATION

■ **PUBLIC HEARINGS**

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, July 28, 2004. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing 2700 Broadway LLC to construct, maintain and use an underground structure under the north sidewalk of West 103rd Street, east of Broadway, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $11,744/per annum.

For the period July 1, 2005 to June 30, 2006 - $12,034
For the period July 1, 2005 to June 30, 2006 - $12,324
For the period July 1, 2006 to June 30, 2007 - $12,614
For the period July 1, 2007 to June 30, 2008 - $12,904
For the period July 1, 2008 to June 30, 2009 - $13,194
For the period July 1, 2009 to June 30, 2010 - $13,484
For the period July 1, 2010 to June 30, 2011 - $13,774
For the period July 1, 2011 to June 30, 2012 - $14,064
For the period July 1, 2012 to June 30, 2013 - $14,354
For the period July 1, 2013 to June 30, 2014 - $14,644

For the period July 1, 2014 to June 30, 2015 - $14,934

the maintenance of a security deposit in the sum of $14,950, and the filing of an insurance policy in the minimum amount of $1,250,000/$5,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $1,000,000.

#2 In the matter of a proposed revocable consent authorizing East 76th Street, LLC to install, maintain and use planter on the north sidewalk of East 76th Street, between first and York Avenues, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2015 - $25/per annum.

the maintenance of a security deposit in the sum of $200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#3 In the matter of a proposed revocable consent authorizing The American Jewish Committee to install, maintain and use planters on the north sidewalk of West 56th Street, west of Third Avenue and on the west sidewalk of Third Avenue, north of East 56th Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2004 to June 30, 2014, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2014 - $444/per annum.

the maintenance of a security deposit in the sum of $1,800, and the filing of an insurance policy in the minimum amount of $1,000,000/$250,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#4 In the matter of a proposed revocable consent authorizing ExxonMobile Oil Corporation to continue to maintain and use conduits, together with cleanouts and pull boxes, in Van Dam Street, Nassau Avenue, Varick Street, Meeker Avenue, Bridgewater Street and Garden Avenue, and recovery well "G" in Meeker Avenue, east of Gardner Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $24,295
For the period July 1, 2005 to June 30, 2006 - $24,881
For the period July 1, 2006 to June 30, 2007 - $25,467
For the period July 1, 2007 to June 30, 2008 - $26,053
For the period July 1, 2008 to June 30, 2009 - $26,639
For the period July 1, 2009 to June 30, 2010 - $27,225
For the period July 1, 2010 to June 30, 2011 - $27,811
For the period July 1, 2011 to June 30, 2012 - $28,397
For the period July 1, 2012 to June 30, 2013 - $28,983
For the period July 1, 2013 to June 30, 2014 - $29,569
For the period July 1, 2014 to June 30, 2015 - $30,155

the maintenance of a security deposit in the sum of $30,200, and the filing of an insurance policy in the minimum amount of $500,000/$2,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $200,000.

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE

08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

ST. GEORGE FERRY TERMINAL TILE AND TERRAZZO AND SITE IMPROVEMENTS – Public Bid – PIN# 11490019 AND 11490021 – DUE 08-05-04 AT 11:00 A.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the phased rehabilitation of the St. George Ferry Terminal located on Staten Island. This Project is in progress and the existing Terminal building is being completely rehabilitated.

Construction has been planned and is being performed in phases to ensure that the ferry operations continue safely, without interruption throughout the construction period. This multi-million project will be completed in December of 2004.

The estimated total construction cost of the project is approximately $80 to $90 million and is funded by New York State, New York City, and the US DOT FTA. At the present time, Invitations to Bid are being made for two (2) contract packages:

(1) EDC Contract 11490019: Tile and Terrazzo
Work includes: Wall Tile, Composite Stone Floor Tile, Poured Epoxy Terrazzo (3800 sq. ft.), Gypsum Board Assemblies, Expansion Joint covers. Work associated with these areas, e.g. Grout, is also included.
(2) EDC Contract 11490021: Site Improvements
Work includes: Limited Site Demolition (Sidewalk and Curb), Milling (limited), Drainage and Dewatering (limited), Portland Cement Steel-Faced Curbs, Grout, Concrete and Asphaltic Concrete Sidewalks and Driveways, Concrete and Asphalt Unit Pavers, Fences and Gates, Steel Pipe Bollards, Site Furnishings, Exterior Plants, Signage and Wayfinding, Double Cantilever Sign Structure, Ornamental Handrails and Railings, Ornamental Metal Work. Work associated with these areas is also included.

11% DBE participation is required. The successful bidder will be required to provide a Payment and Performance Bond and a 10% Proposal (Bid) Bond.

Bid Packages can be obtained as of July 6th 2004, by sending a written request to the Site Office of EDC, located at 1 Richmond Terrace, Staten Island, NY 10301, attention of Mr. Tarek Hatab, Fax Number (718) 981-9948. Each interested Bidder will pay for shipping only of the Bid package(s). Please provide FedEx/UPS/other account number for shipment charge. When requesting this package, please refer to the respective contract numbers.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

QUEENS FAMILY COURTHOUSE – RFP – DUE 09-14-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for the sale and redevelopment of the approximately 1.75-acre former Queens Family Courthouse in Jamaica (the "Site") as a high-quality, mixed-use development. This RFP is intended to reinforce a standard of quality development in Jamaica. The Site is located in the heart of Downtown Jamaica, bounded by 89th Avenue to the north and Parsons Boulevard to the east.

Prospective developers should address several important goals, including:

- Maintain the original courthouse exterior;
- Address local housing demand;
- Help stabilize the Jamaica Avenue retail market by enhancing the surround ing residential community;
- Address commercial/neighborhood retail needs in the area;
- Address community- or cultural-use needs; and
- Serve as a clear example of high-quality, sustainable design and construction that will raise the standard for private investment in Jamaica.

A question-and-answer session to discuss the Site, followed by a site visit, will be held on July 20 at 9:30 a.m.; to attend, call (212) 312-3871 on or before July 16, 2004. Interested parties are strongly encouraged to attend the informational meeting.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 28, 2004 from NYCEDC. The RFP may be picked up at the office of NYCEDC located at 110 William Street, New York, NY, 6th Floor between the hours of 9:30 a.m. and 4:30 p.m. For more information, or to request an electronic version of the RFP, visit www.nycedc.com/QFCrfp or call (212) 312-3969. Five (5) copies of the proposal identified by "Queens Family Courthouse" on the envelope are to be submitted.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human/Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004. John Iaffaldano, ASA (212) 361-8435.

SUMMER FOOD SERVICE PROGRAM – Addition: The Program was established to ensure that children (ages 6-18) can be provided with healthy, well balanced meals during their school vacations. Snacks and lunch will be available to all children meeting the age requirements in each development. Each serving must be nutritious, well balanced, and appetizing they must also meet the necessary meal pattern requirements. Meals are served according to the Department of Health Guidelines therefore the program will begin July 7, 2004 and end August 27, 2004. Locations serving an AM Snack will begin 9:30 a.m. - 10:30 a.m. (snack) and 12:30 p.m. - 1:30 p.m. (lunch). Locations serving a PM Snack will begin 11:30 a.m. - 12:30 p.m. (lunch) and 2:30 p.m. - 3:30 p.m. (Snack). We are looking forward to serving approximately 223,080 meals citywide throughout the 78 New York City Housing Authority Summer Developments.

AGENCY RULES

HOUSING PRESERVATION & DEVELOPMENT

■ **NOTICE**

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED RULE PERTAINING TO CARBON MONOXIDE DETECTING DEVICES

Notice is hereby given pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development ("Department") by Chapter 61 of the New York City Charter and Article 14 of Subchapter 2 of Chapter 2 of Title 27 of the New York City Administrative Code that the Department intends to amend Chapter 12 of Title 28 of the Official Compilation of Rules of the City of New York concerning smoke detecting devices to add provisions concerning installation of carbon monoxide detecting devices to implement the New York City Carbon Monoxide Detecting Device Act of 2004 (Local Law # 7 of 2004). This proposed rulemaking was omitted from the agency's regulatory agenda because it is the result of the enactment of new legislation by the New York City Council.

Written comment regarding these rules may be sent to Vito Mustaciuolo Associate Commissioner for Enforcement Services, 100 Gold Street, Room 4-P3, New York, N.Y. 10038 on or before August 12, 2004. A public hearing shall be held at 100 Gold Street, New York, N.Y., Room 1R3 on August 12, 2004 from 10:00 a.m. until 12:00 p.m. Persons seeking to testify are requested to notify the Associate Commissioner at the foregoing address prior to the date of the hearing. Speakers will be limited to five minutes. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify the Associate Commissioner at the foregoing address by July 25, 2004. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Office of the Associate Commissioner for Enforcement Services, telephone number (212) 863-8594.

Dated: July 13, 2004

Section one. The title of chapter 12 of title 28 of the rules of the city of New York is amended to read as follows:

Chapter 12

Smoke Detecting and Carbon Monoxide Detecting Devices and Systems in Multiple Dwellings

§2. The titles to sections 12-01 through 12-04 of chapter 12 of title 28 of the rules of the city of New York are amended to read as follows:

§12-01 Owner Responsibilities for Smoke Detecting Devices for Class A Multiple Dwellings.

§12-02 Occupant Responsibilities for Smoke Detecting Devices for Class A Multiple Dwellings

§12-03 Owner Responsibilities for Smoke Detecting Devices for Class B Multiple Dwellings

§12-04 Form for Records for Smoke Detecting Devices

§3. Chapter 12 of title 28 of the rules of the city of New York is amended by adding the following sections:

§12-05. Definitions.

For the purposes of this chapter

(a) CO means carbon monoxide; and

(b) CO alarm means a "carbon monoxide alarm" as defined in 1 RCNY Chapter 28 and shall' also mean a "carbon monoxide detecting device" as such term is used in subchapter 7 of chapter 1 and subchapter 2 of chapter 2 of title 27 of the administrative code of the city of New York.1

---

1 1 RCNY §28-02(a)(2) states: The term "CO alarm" means a "carbon monoxide alarm" as defined in NFPA 720, as adopted and modified in § 28-02(e)(4) of this rule, and shall also mean a "carbon monoxide detecting device" as such term is used in the Subchapter 17 of Chapter 1, and Subchapter 2 of Chapter 2, of Title 27 of the Administrative Code of the City of New York.

1 RCNY § 28-02(e)(4) states: Existing buildings. Buildings in existence on November 1, 2004, and buildings with work permits issued prior to November 2, 2004, may, in the alternative, be equipped with battery-operated CO alarms compliant with NFPA §5.2.3 or plug-in type CO alarms with a back-up battery compliant with NFPA 720 §5.2.4, except where such buildings are substantially improved or altered on or after November 2, 2004.

§12-06. Owner Responsibilities for CO Alarms for Class A Multiple Dwellings.

Pursuant to §27-2046.1 of the administrative code of the city of New York, the owner of a Class A multiple dwelling that is required to be equipped with carbon monoxide detecting devices pursuant to article 7 of subchapter 17 of chapter 1 of title 27 of the administrative code of the city of New York and as prescribed by the Department of Buildings ("DOB") pursuant to chapter 28 of title 1 of the rules of the city of New York shall comply with the following requirements:

(a) Provide and install one or more approved and operational CO alarms in eachdwelling unit, provided that there shall be installed at least one approved and operational CO alarmwithin 15 feet of each room lawfully used for sleeping purposes;

(b) Post a notice in a form approved by the Commissioner of the Department of Housing Preservation and Development ("HPD" or "the Department") in a common area of a Class A multiple dwelling, readily visible and preferably in the area of the inspection certificate informing the occupants of such building that:

(1) the owner is required by law to install one or more approved and operational CO alarm in each dwelling unit in the building within 15 feet of each room lawfully used for sleeping purposes;

(2) each occupant is responsible for the maintenance and repair of such alarms and for replacing any or all such alarms that are stolen, removed, missing, or rendered inoperable during the occupancy of such dwelling unit; and

(3) the occupant of a dwelling unit in which a CO alarm is newly installed or in which a CO alarm is installed by the owner as a result of such occupant's failure to maintain such alarm or where such alarm has been lost or damaged by such occupant, shall reimburse the owner in the amount of $25.00 per device for the cost of such work, and such occupant shall have one year from the date of installation to make such reimbursement.

(4) An owner may choose to post a single notice that complies with this provision as well as the provisions of 28 RCNY §12-01(b).

(5) The notice required by this subdivision shall conform with the following requirements:

(i) the notice shall have letters not less than three-sixteenths of an inch in height;

(ii) the lettering of the notice shall be of bold type and shall be properly spaced to provide good legibility and the background shall be of contrasting colors;

(iii) the notice shall be durable and shall be substantially secured to the common area where posted;

(iv) the notice shall be of metal, plastic, or decal; and

(v) lighting shall be sufficient to make the notice easily legible; and

(vi) A sample of an approved notice is attached and made part of these rules.

(c) Replace any CO alarm that has been stolen, removed, found missing, or rendered inoperable during a prior occupancy of the dwelling unit and which has not been replaced by the prior occupant before the commencement of a new occupancy of the dwelling unit;

(d) Replace within 30 calendar days after receipt of written notice any such alarm that becomes inoperable within one year of the installation of such alarm due to a defect in the manufacture of such alarm through no fault of the occupant of the dwelling unit;

(e) Provide written information regarding the testing and maintenance of CO alarms to at least one adult occupant of each dwelling unit, including, but not limited to, general information concerning carbon monoxide poisoning and what to do if a CO alarm goes off. Such information may include material that is distributed by the manufacturer or any material prepared or approved by DOB;

(f) Keep the following records, on the premises unless another location is approved by HPD, relating to the installation and maintenance of CO alarms in the building:

(1) date notice posted pursuant to §12-06(b) of this chapter;

(2) date of installation of each CO alarm;

(3) whether each CO alarm receives its primary power from the building wiring or whether it is a battery-operated alarm;

(4) apartment number and location within apartment where each alarm was installed;

(5) date each alarm tested to determine if it is in operable condition;

(6) maintenance work performed on each alarm; and

(7) date occupant requested replacement/repair. These records must be made available to HPD, DOB, the Fire Department, or the Department of Health and Mental Hygiene ("DOHMH") upon request; and

(g) File a certification of satisfactory installation within 10 days after completion with the HPD Borough Division of Code Enforcement in the borough where the dwelling is located. This certification shall be set forth on a form available at each HPD Borough Office and/or on HPD's website.

§12-07. Owner Responsibilities for CO Alarms for Private Dwellings.

Pursuant to §27-2046.1 of the administrative code of the city of New York, the owner of a private dwelling that is required to be equipped with CO alarms pursuant to article 7 of subchapter 17 of chapter 1 of title 27 of the administrative code of the city of New York and as prescribed by DOB pursuant to chapter 28 of title 1 of the rules of the city of New York shall comply with the following requirements:

(a) Provide and install one or more approved and operational CO alarm in each welling unit, provided that there shall be installed at least one approved and operational CO alarm within 15 feet of each room lawfully used for sleeping ,as prescribed in the DOB rules and regulations relating to CO alarms.

(b) For purposes of (c) through (g) of this section, "private dwelling" shall mean a dwelling unit in a one-family or two-family home that is occupied by a person or persons other than the owner of such unit or the owner's family.

(c) Provide notice in a form approved by the Department to the occupants of such dwelling that:

(1) the owner is required by law to install an approved and operational CO alarm in each dwelling or dwelling unit in the building, within 15 feet of each room lawfully used for sleeping;

(2) each occupant is responsible for the maintenance and repair of such alarms and for replacing any or all such alarms that are stolen, removed, missing, or rendered inoperable during the occupancy of such dwelling or dwelling unit; and

(3) the occupant of a dwelling or dwelling unit in which a CO alarm is newly installed or in which a CO alarm is installed by the owner as a result of such occupant's failure to maintain such alarm or where such alarm has been lost or damaged by such occupant shall reimburse the owner in the amount of $25.00 per alarm for the cost of such work, and the occupant shall have one year from the date of installation to make such reimbursement;

(d) Replace any CO alarm that has been stolen, removed, found missing, or rendered inoperable during a prior occupancy of the dwelling or dwelling unit and that has not been replaced by the prior occupant before commencement of a new occupancy of the dwelling or dwelling unit;

(e) Replace within 30 calendar days after receipt of written notice any such alarm that becomes inoperable within one year of the installation of such alarm due to a defect in the manufacture of such alarm through no fault of the occupant of the dwelling or dwelling unit;

(f) Provide written information regarding the testing and maintenance of CO alarms to at least one adult occupant of each dwelling or dwelling unit, including, but not limited to, general information concerning carbon monoxide poisoning and what to do if a CO alarm goes off. Such information may include material that is distributed by the manufacturer or any material prepared or approved by DOB; and

(g) Keep the following records relating to the installation and maintenance of CO alarms in the dwelling or dwelling unit:

(1) date of installation of each CO alarm;

(2) whether each CO alarm receives its primary power from the building wiring or whether it is a battery-operated device;

(3) location within dwelling or dwelling unit where each alarm is installed;

(4) date each alarm was tested to determine if it is in operable condition;

(5) maintenance work performed on each alarm; and

(6) date occupant requested replacement/repair.

These records must be made available to HPD, DOB, the Fire Department, or DOHMH upon request.

§12-08. Occupant Responsibilities for CO Alarms for Class A Multiple Dwellings and Private Dwellings.

(a) Pursuant to §27-2046.1 of the administrative code of the city of New York, it shall be the sole duty of the occupant of each unit in a Class A multiple dwelling and the occupant of a dwelling or dwelling unit in a private dwelling in which a CO alarm has been provided and installed by the owner to:

(1) Keep and maintain such CO alarm in good repair; and

(2) Replace any alarm that is either stolen, removed, missing, or rendered inoperable during the occupancy of such dwelling or dwelling unit.

(b) The occupant of a dwelling or dwelling unit in which a CO alarm is newly installed or in which a CO alarm is installed by the owner as a result of such occupant's failure to maintain such alarm where such alarm has been removed or damaged by such occupant shall reimburse the owner in the amount of $25.00 per alarm for the cost of such work. Such occupant shall have one year from the date of installation to make such reimbursement.

(c) Except as provided in §12-06(c) and (d) and §12-07(d) and (e) above, an owner who has provided and installed a CO alarm in a dwelling or dwelling unit shall not be required to keep and maintain such alarm in good repair or to replace any such alarm that is stolen, removed, or rendered inoperable during the occupancy of such dwelling or dwelling unit.

§12-09. Owner Responsibilities for CO Alarms for Class B Multiple Dwellings.

Pursuant to §27-2046.2 of the administrative code of the city of New York, the owner of a Class B multiple dwelling that is required to be equipped with one or more CO alarms pursuant to article 7 of subchapter 17 of chapter 1 of title 27 of the administrative code of the city of New York and as prescribed by DOB pursuant to chapter 28 of title 1 of the rules of the city of New York shall:

(a) Provide and install one or more approved and operational CO alarm in each dwelling unit or in the alternative, provide and install a line operated zoned CO detecting system with central annunciation and central office tie-in for all public corridors and public spaces;

(b) Keep and maintain CO alarms or systems in good repair;

(c) Replace any CO alarm that has been stolen, removed, found missing, or rendered inoperable prior to the commencement of a new occupancy of a dwelling unit;

(d) Keep the following records, on the premises unless another location is approved by HPD, relating to the installation and maintenance of CO alarms or systems:

(1) date of installation of each CO alarm or system;

(2) whether the CO alarm receives its primary power from the building wiring or whether it is a battery-operated alarm or in the alternative whether it is a line operated zoned CO detecting system with central annunciation and central office tie-in for all public corridors and public spaces;

(3) room number and location within room where each CO alarm was installed;

(4) date each alarm was tested to determine if it is in operable condition;

(5) maintenance work performed on each alarm; These records must be made available to HPD, DOB, the Fire Department, or DOHMH upon request; and

(e) File certification of satisfactory installation within 10 days after completion with the HPD Borough Division of Code Enforcement in the borough where the dwelling is located. This certification shall be set forth on a form available at each HPD Borough Office and/or on HPD's website.

§12-10. Form for Notices for CO Alarms

A sample form for providing notice to occupants pursuant to §12-06 is attached and made a part of this chapter.

NOTICE

The owner, _____, of this building located at _____ is required by law to post this notice advising tenants that the owner is required by law to provide a CO alarm in each apartment in this building within 15 feet of each room lawfully used for sleeping. The law further makes the tenant of each apartment responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment. The law also provides that the occupant of each Class A apartment in the building in which a CO alarm is provided and installed shall pay the owner $25.00 per alarm for the cost of such work. The occupant has one year from the date of installation to make such payment to the owner.

STATEMENT OF BASIS AND PURPOSE

The Department of Housing Preservation and Development is amending Chapter 12 to include new provisions relating to owner and occupant responsibilities with respect to installation and maintenance of carbon monoxide detecting devices in multiple and private dwellings. These amendments are made in order to implement Local Law #7 of 2004, known as the New York City Carbon Monoxide Detecting Device Act of 2004. The rules specify the obligations of owners to install, maintain, and keep records relating to such devices, and the duties of occupants to reimburse an owner for such installation under certain circumstances and to maintain or replace such devices as specified herein.

ECONOMIC DEVELOPMENT CORPORATION

■ NOTICE

NEGATIVE DECLARATION
For
BRICKTOWN CENTER AT CHARLESTON

Office of the Deputy Mayor for Economic Development and Rebuilding

NOTICE IS HEREBY GIVEN THAT, the Office of the Deputy Mayor for Economic Development and Rebuilding has reviewed information about the project contained in an Environmental Assessment Statement dated June 25, 2004 pursuant to Article 8 of the New York State Environmental Conservation Law and 6NYCRR, Part 617.7, and has determined that the project will not have a significant adverse impact on the environment.

The Project site is located in the Charleston area of Staten Island, New York, bounded by Veterans Road West to the south and east, on portions of 18 tax blocks 7364, 7368, 7369, 7370, 7374, 7375, 7440, 7441, 7442, 7446, 7447, 7448, 7452, 7453, 7454, 7469, 7481, and 7487.

After the conclusion of the 2002 Bricktown Centre at Charleston Final Environmental Impact Statement (FEIS), but prior to any construction activities, population of Torrey's mountainmint *(Pycnanthemum torrei)*, an endangered perennial herbaceous forb, and a large population of blunt spikerush *(Eleocharis obtuse var. ovata)*, a rare annual in New York State, were identified adjacent to the southern portion of the project site. To protect the Torrey's mountainmint and blunt spikerush, the applicant proposes to modify the site plan for the previously approved project (CEQR NO. 96DME001R). The modification involves creation of a preservation area west of Tyrellan Avenue along the north side of Veterans Road West, where the Torrey's mountainmint and blunt spikerush are located.

Additional blunt spikerush, as well as three individual short-leaf pine *(Pinus echinata)*, a rare species in New York State, several fringed boneset *(Eupatorium hyssopifolium var. lacinuatum)*, a threatened species in New York State, and one population of pink wild bean *(Strophostyles umbellate)*, an historical species in New York State, were identified on the project site. As part of the proposed action, these individuals would be collected from the site and transferred to the New York City Department of Parks and Recreation's Native Plant Center for use as parental stock and propagation and/or trans-location to the 20-acre NYCDPR nature preserve located adjacent to the project site (immediately northeast of the project site and south of the unpaved portion of Englewood Avenue and west of Veterans Road West).

703 Ninth Avenue, Manhattan	C14/04	September 5, 1973 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272 or (212) 863-8266.

439 Waverly Avenue, Brooklyn	134/04	June 14, 2001 to Present

The Department of Housing Preservation and Development has received an application for a certification that during the inquiry period noted for the premises above, that no harassment has occurred at such premises in the form of threats, use of physical force, deprivation of essential services such as heat, water, gas or electric, or by any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy. Upon the issuance of a Certificate, an owner can legally convert the premises to non-single room occupancy use.

Comments as to whether harassment has occurred at the premises should be submitted to the Housing Litigation Division, SRO Anti-Harassment Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call **(212) 863-8272 or (212) 863- 8266.**

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

Simcha Felder	Michael E. McMahon	Kendall B. Stewart
Lewis A. Fidler	Hiram Monserrate	Peter F. Vallone Jr.
Dennis P. Gallagher	Eva S. Moskowitz	Albert Vann
James F. Gennaro	Michael C. Nelson	David I. Weprin
Vincent J. Gentile	James S. Oddo	David Yassky

Excused: Council Member Foster.

The presence of a quorum was announced by The Public Advocate (Ms. Gotbaum).

INVOCATION

The Invocation was delivered by Pastor Mitchell G. Taylor, Center of Hope International, 12-11 40th Avenue, Long Island City, NY 11101

I want to thank Councilman Gioia, who is very proactive in our district in Long Island City, for inviting me today. And to Speaker Miller and to Betsy Gotbaum, we thank you for this opportunity.

Queens is one of the most diverse boroughs in New York City, 2.2 million people, public housing developments, and we have one of the largest ones in Long Island City, QueensBridge Houses, in which we have one of the most proactive and largest churches in Long Island City, the Center of Hope International, and we're grateful to be here to deliver this invocation. Let's bow our heads.

Heavenly Father, we thank you for this opportunity to come and to share and to discuss the great business of this City;

We pray your blessings and your wisdom upon those that are gathered; and we pray that we would centralize our thoughts for the better good and the greater good for the communities at large.

We thank you now, amen.

Council Member Gioia moved to spread the Invocation in full upon the record.

ADOPTION OF MINUTES

Council Member James moved that the Minutes of the Stated Meeting of April 21, 2004 be adopted as printed.

LAND USE CALL UPS

M-113

By the Chair of the Land Use Committee Council Member Katz:

Pursuant to Rule 11.20(c) of the Council and Section 197-d (b)(3) of the New York City Charter, the Council hereby resolves that the action of the City Planning Commission on Uniform Land Use Procedure Application Number 030514 MMK, 030515 MMK, 030516 MMK, 030517 MMK, a map change shall be subject to Council review.

Coupled on Call – Up Vote

M-114

By the Chair of the Land Use Committee Council Member Katz:

Pursuant to Rule 11.20(c) of the Council and Section 197-d (b)(3) of the New York City Charter, the Council hereby resolves that the action of the City Planning Commission on Uniform Land Use Procedure Application Number 040177 HDK, 040178 HDK, 040179 HDK, a disposition shall be subject to Council review.

Coupled on Call – Up Vote

M-115

By the Chair of the Land Use Committee Council Member Katz:

Pursuant to Rule 11.20(c) of the Council and Section 197-d (b)(3) of the New York City Charter, the Council hereby resolves that the action of the City Planning Commission on Uniform Land Use Procedure Application Number 040181 ZSK, 040182 ZSK, 040183 ZSK, 040184 ZSK, a special permit shall be subject to Council review.

Coupled on Call – Up Vote

M-116

By the Chair of the Land Use Committee Council Member Katz:

Pursuant to Rule 11.20(c) of the Council and Section 197-d (b)(3) of the New York City Charter, the Council hereby resolves that the action of the City Planning Commission on Uniform Land Use Procedure Application Number 040185 PSK, a site selection shall be subject to Council review.

Coupled on Call – Up Vote

M-117

By the Chair of the Land Use Committee Council Member Katz:

Pursuant to Rule 11.20(c) of the Council and Section 197-d (b)(3) of the New York City Charter, the Council hereby resolves that the action of the City Planning Commission on Uniform Land Use Procedure Application Number 040125 PPK, a disposition of city-owned property shall be subject to Council review.

Coupled on Call – Up Vote

M-118

By Council Member Provenzano:

Pursuant to Rule 11.20(b) of the Council and Section 20-226(g) of the New York City Administrative Code, the Council resolves that the action of the Department of Transportation approving an enclosed sidewalk café located at 64 City Island Avenue, Borough of the Bronx, Council District no. 13, shall be subject to review by the Council. (Application no. 20045399 TCX.)

Coupled on Call – Up Vote

M-119

By Council Member Vallone:

Pursuant to Rule 11.20(b) of the Council and Section 20-226(g) of the New York City Administrative Code, the Council resolves that the action of the Department of Transportation approving an enclosed sidewalk café located at 35-01 Ditmars Blvd., Borough of Queens, Council District no. 22, shall be subject to review by the Council. (Application no. 20045412 TCQ.)

Coupled on Call – Up Vote.

Land Use Call Up Vote

The Public Advocate (Ms. Gotbaum) put the question whether the Council would agree with and adopt such motion which was decided in the **affirmative** by the following vote:

Affirmative – Addabbo, Avella, Baez, Barron, Boyland, Brewer, Clarke, Comrie, DeBlasio, Dilan, Felder, Fidler, Gallagher, Gennaro, Gentile, Gerson, Gioia, Gonzalez, Jackson, James, Jennings., Katz, Koppell, Lanza, Liu, Lopez, Martinez, McMahon, Monserrate, Moskowitz, Nelson, Palma, Perkins, Provenzano, Quinn, Recchia., Reed, Reyna, Sanders., Seabrook, Sears, Serrano, Stewart, Vallone Jr., Vann, Weprin, Yassky, Oddo, Rivera and the Speaker (Council Member Miller) – **50**.

At this point, the Public Advocate (Ms. Gotbaum) declared that the aforementioned items were adopted and referred to the Committee on Land Use and to the appropriate Land Use subcommittee.

Int. No. 29-A

By: Council Members Brewer, Jackson, Clarke, Comrie Jr., Gennaro, Gentile, Gerson, Koppell, Liu, Lopez, Perkins, Quinn, Recchia Jr., Stewart, Weprin, Yassky, Moskowitz and Gonzalez.

A Local Law to amend the administrative code of the city of New York, in relation to a pilot program for online reverse auctions.

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 6 of the administrative code of the city of New York is amended by adding a new section 6-111.3 to read as follows:

6-111.3. Online reverse auction pilot program. a. The mayor may create a pilot program to determine the efficacy of online reverse auctions. The pilot program shall be for a period of twenty-four months during which period the mayor shall conduct at least six online reverse auctions for purchase contracts chosen by the mayor the combined value of which shall not be less than six million dollars. For purposes of this section the term, "online reverse auction," shall mean an auction for the purchase of goods by the city which is conducted online in electronic interactive format during which potential vendors bid against one another to provide goods for the city. The mayor may promulgate rules to implement the requirements of this section. The mayor shall submit a report to the Council and the Comptroller detailing the results of the online reverse auction pilot program no more than 60 days after the completion of such pilot program.

§2. This local law shall take effect forty-five days after its enactment provided that the mayor and any affected agency may take action necessary to effectuate the requirements of this section prior to the effective date.

ROBERT JACKSON, Chairperson; MARGARITA LOPEZ, JOSEPH P. ADDABBO JR., YVETTE D. CLARKE, JOHN C. LIU, KENDALL B. STEWART; DAVID YASSKY, Committee on Contracts, May 19, 2004.

To be considered by the Committee on May 19, 2004.

Accordingly, Your Committee recommends its adoption, as amended.

(The following is the text of Int. No. 46-A:)

Int. No. 46-A

By Council Members Fidler, Jackson, Comrie Jr., Gennaro, Perkins, Quinn, Seabrook, Weprin, Yassky, Nelson, Gerson, Liu, Gonzalez and Palma.

A Local Law to amend the administrative code of the city of New York, in relation to the publication of concept reports regarding requests for proposals.

Be it enacted by the Council as follows:

Section 1. Legislative Findings and Intent. The Council hereby finds that the request for proposal process for human service contracts for vital services is long, inefficient and cumbersome. The Council further finds that currently, community input into requests for proposals is inadequate leading to amendments, long delays and sometimes the outright cancellation of requests for proposals for contracts in vital areas such as youth development and summer jobs. The Council finds that community-based organizations—those who provide human services and who will likely be responding to the requests for proposals--are important sources of information on best practices, program design and community needs and trends. Without such information and input the city cannot competently craft requests for proposals. The Council therefore finds and declares that it is the policy of the city to allow ample opportunity and notice regarding imminent requests for proposals for human services to provide input into the proposed content of such proposals and ensure more efficient and timely letting of human services contracts.

§ 2. Chapter 1 of title 6 of the administrative code of the city of New York is amended by adding a new section 6-111.2 to read as follows:

6-111.2 Client services contracts. No request for proposal for new client services program contracts shall be released to the public unless at least 45 days prior to such release a concept report regarding such request for proposal is released to the public. Prior to the release of concept reports, the city shall publish a notification of the release in five consecutive editions of the city record and electronically on the city's website in a location that is accessible to the public, and upon release, concept reports shall be posted on the city's website in a location that is accessible by the public. For purposes of this subdivision, the term, "new client services program" shall mean any program that differs substantially in scope from an agency's current contractual client services programs, including, but not limited to, substantial differences in the number or types of clients, geographic areas, evaluation criteria, service design or price maximums or ranges per participant if applicable. For purposes of this subdivision, the term, "concept report", shall mean a document outlining the basic requirements of a request for proposal for client services contracts and shall include, but not be limited to, statements explaining:

(i) the purpose of the request for proposal;

(ii) the planned method of evaluating proposals;

(iii) the proposed term of the contract;

(iv) the procurement timeline, including, but not limited to, the expected start date for new contracts, expected request for proposal release date, approximate proposal submission deadline and expected award announcement date;

(v) funding information, including but not limited to, total funding available for the request for proposal and sources of funding, anticipated number of contracts to be awarded, average funding level of contracts, anticipated funding minimums, maximums or ranges per participant, if applicable, and funding match requirements;

(vi) program information, including, but not limited to, as applicable, proposed model or program parameters, site, service hours, participant population(s) to be served and participant minimums and/or maximums; and

(vii) proposed vendor performance reporting requirements.

b. Notwithstanding the issuance of a concept report, the agency may change the above-required information at any time after the issuance of such concept report. Non-compliance with this section shall not be grounds to invalidate a contract.

§3. If any section, subsection, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§4. This local law shall take effect one hundred twenty days after its enactment.

ROBERT JACKSON, Chairperson; MARGARITA LOPEZ, JOSEPH P. ADDABBO JR., YVETTE D. CLARKE, JOHN C. LIU, KENDALL B. STEWART, DAVID YASSKY, Committee on Contracts, May 19, 2004.

Int. No. 265-A

By Council Members Jackson, James, Stewart, Weprin and Gonzalez (by request of the Mayor).

A Local Law to amend the New York city charter, in relation to public hearings on contract awards.

Be it enacted by the Council as follows:

Section 1. Section 326 of the New York city charter, as amended by local law number 8 for the year 2002, is amended to read as follows:

§ 326. Public hearings on contract awards. a. Prior to entering into any contract for goods, services or construction to be awarded by other than competitive sealed bidding or competitive sealed bids from prequalified vendors, the value of which exceeds one hundred thousand dollars, the agency shall upon reasonable public notice conduct a public hearing to receive testimony regarding the proposed contract. Notwithstanding the preceding sentence, if within a period of time after such notice, which period of time shall be determined by the procurement policy board, no individual requests an opportunity to speak at such a public hearing with respect to any such proposed contract the value of which does not exceed [five hundred thousand] *one million* dollars, then such public hearing need not be conducted. The procurement policy board may by rule exempt from this public hearing requirement contracts to be let which do not differ materially in terms and conditions, as defined by the board, from contracts currently held by the city where the parties to such contracts are the same; provided, that under no circumstance may such exemption apply to any contract in value exceeding ten million dollars.

b. The requirements of this section shall not apply to any procurement (i) let pursuant to a finding of an emergency under section three hundred fifteen, (ii) required to be made on an accelerated basis due to markets which experience significant, short-term price fluctuations, as identified by rule of the board, or (iii) where a public hearing would disclose litigation strategy or otherwise impair the conduct of litigation by the city.

§ 2. This local law shall take effect 45 days after adoption, provided that the City agencies affected, including, but not limited to, the procurement policy board may take any actions necessary to effectuate the provisions of this local law prior to its effective date.

ROBERT JACKSON, Chairperson; MARGARITA LOPEZ, JOSEPH P. ADDABBO JR., YVETTE D. CLARKE, JOHN C. LIU, KENDALL B. STEWART, DAVID YASSKY, Committee on Contracts, May 19, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for Int. No. 348

Report of the Committee on Contracts in favor of approving and adopting, a Local Law to amend the Charter of the City of New York, in relation to the timely and efficient procurement of client services.

The Committee on Contracts to which was referred on May 5, 2004 (Minutes, page 1980) the annexed proposed local law respectfully

Int. No. 348

By Council Members Boyland, Jackson, Barron, Clarke, Comrie Jr., Gennaro, Jennings Jr., Koppell, Lopez, Martinez, Perkins, Quinn, Sanders Jr., Yassky, Gerson, Brewer, Liu, Stewart, Vann, Weprin, Gonzalez and James.

A Local Law to amend the New York city charter in relation to the timely and efficient procurement of client services.

Be it enacted by the Council as follows:

Section 1. Section 311 of the New York city charter, as added by vote of the electors of the city of New York at a general election held on November 7, 1989, paragraph 6 of subdivision b as amended by local law number 34 for the year 2002, and subdivision c as amended by local law number 91 for the year 1996, is amended to read as follows:

§ 311. Procurement Policy Board. a. There shall be a procurement policy board consisting of five members, three of whom shall be appointed by the mayor and two of whom shall be appointed by the comptroller. Each member shall serve at the pleasure of the appointing official. Members shall have demonstrated sufficient business or professional experience to discharge the functions of the board. At least one member appointed by the mayor and one member appointed by the comptroller shall not hold any other public office or public employment. The remaining members shall not be prohibited from holding any other public office or employment provided that no member may have substantial authority for the procurement of goods, services or construction pursuant to this chapter. The mayor shall designate the chair.

b. The board shall promulgate rules as required by this chapter, including rules establishing:

1. the methods for soliciting bids or proposals and awarding contracts, consistent with the provisions of this chapter;

2. the manner in which agencies shall administer contracts and oversee the performance of contracts and contractors;

3. standards and procedures to be used in determining whether bidders are responsible;

4. the circumstances under which procurement may be used for the provision of technical, consultant or personal services, which shall include, but not be limited to, circumstances where the use of procurement is (a) desirable to develop, maintain or strengthen the relationships between non-profit and charitable organizations and the communities where services are to be provided, (b) cost-effective, or (c) necessary to (i) obtain special expertise, (ii) obtain personnel or expertise not available in the agency, (iii) to provide a service not needed on a long-term basis, (iv) accomplish work within a limited amount of time, or (v) avoid a conflict of interest;

5. the form and content of the files which agencies are required to maintain pursuant to section three hundred thirty-four and such other contract records as the board deems necessary and appropriate;

6. the time schedules within which city officials shall be required to take the actions required by this chapter, sections thirteen hundred four and thirteen hundred five, or by any rule issued pursuant thereto, in order for contracts to be entered into, registered or otherwise approved, and [recommended] time schedules within which city officials should take action pursuant to any other provision of law or rule regarding individual contracts, *which rules shall specify the appropriate remedies, including monetary remedies, for failure to meet the terms of any applicable schedule for taking such actions. The board may set forth exceptions to these rules.* The promulgation of rules defining time schedules for actions by the division of economic and financial opportunity of the department of *small* business services and the division of labor services of such department shall require the approval of each division, as such rules pertain to actions required of such divisions, prior to the adoption of such rules by the procurement policy board;

7. procedures for the fair and equitable resolution of contract disputes; and

8. such other rules as are required by this chapter.

c. The board may promulgate such additional rules, policies and procedures consistent with and as may be necessary to implement the provisions of this chapter. The board shall annually review all of its rules, policies and procedures and make such revisions as the board deems necessary and desirable. Nothing herein shall prevent the board from reviewing its rules, policies and procedures, and making such revisions as the board deems necessary and desirable, more than once per year.

d. The board shall promulgate rules to facilitate the timely and efficient procurement of client services, and to ensure that such contracts are administered in the best interests of the city. Such rules shall include but not be limited to: (i) rules authorizing city agencies to meet annual financial audit requirements through the acceptance of consolidated audits across multiple contracts and multiple agencies; (ii) rules providing for expedited renewal or extension of existing client services contracts; (iii) rules mandating the promulgation of draft and final contract plans by all agencies procuring client services.

e. The board shall submit an annual report to the mayor, comptroller, and council setting forth the professional standards for agency contracting officers adopted by the mayor, including any applicable certification process.

[d] *f.* In the promulgation of any rules pertaining to the procurement of construction or construction related services, the board shall consult with any office designated by the mayor to provide overall coordination to the city's capital construction activities.

[e] *g.* The board shall make such recommendations as it deems necessary and proper to the mayor and the council regarding the organization, personnel structure and management of the agency procurement function including, where appropriate, recommendations for revision of this charter or local laws affecting procurement by the city. Such reports may include recommendations regarding agency use of advisory groups to assist in preparation of bids or proposals and selection of contractors. The board shall also review the form and content of city contract

documents and shall submit to the law department recommendations for standardization and simplification of contract language.

[f] *h*. The board shall not exercise authority with respect to the award or administration of any particular contract, or with respect to any dispute, claim or litigation pertaining thereto.

§ 2. Section 332 of the New York city charter, as amended by vote of the electors of the city of New York at a general election held on November 7, 1989, is amended to read as follows:

§ 332. Payments procedure. The procurement policy board shall promulgate rules for the expeditious processing of payment vouchers by city agencies and departments including (i) the maximum amount of time allowed for the processing and payment of such vouchers from the later of (a) the date such vouchers are received by the agency, or (b) the date on which the goods, services or construction to which the voucher relates have been received and accepted by the agency, (ii) a program for the payment of interest, *at a uniform rate,* to vendors on vouchers not paid within the maximum amount of time pursuant to clause i of this subdivision, (iii) a process for the allocation and charging of any such interest payments to the budget of the agency responsible for the delay leading to the interest payments and (iv) agency reporting on the promptness of such payments in such form and containing such information as the board shall prescribe. The board shall coordinate and publish such prompt payment reports.

§ 3. This local law shall take effect 45 days after its enactment.

INTENT

HPD requests that the Council:

1. Find that the present status of the Disposition Areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the projects as Urban Development Action Area Projects pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the projects from real property taxes pursuant to Section 696 of the General Municipal Law for L.U. Nos. 57 and 58.

COMMITTEE ACTION

May 13, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the proposals, grant the requests made by the Department of Housing Preservation and Development, and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 374

Resolution approving an Urban Development Action Area Project located at 113 West 111th Street (Block 1821/Lot 21),206 West 112th Street (Block 1827/Lot 37), 361 West 122nd Street (Block 1949/Lot 5), 489 Manhattan Avenue (Block 1947/Lot 16), 523 Manhattan Avenue (Block 1948/Lot 50), and 1893 Amsterdam Avenue (Block 2068/Lot 43), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 57; 20045354 HAM).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on December 30, 2003, its request dated December 15, 2003 that the Council take the following actions regarding the following Urban Development Action Area Project (the " Project") located at 113 West 111th Street (Block 1821/Lot 21), 206 West 112th Street (Block 1827/Lot 37), 361 West 122nd Street (Block 1949/Lot 5), 489 Manhattan Avenue (Block 1947/Lot 16), 523 Manhattan Avenue (Block 1948/Lot 50), and 1893 Amsterdam Avenue (Block 2068/Lot 43), Community Districts 9 and 10, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 11,
2004;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section *693* of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of ten years commencing on the date of the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

PROJECT SUMMARY

1. **PROGRAM:** Neighborhood Homes Program
2. **PROJECT:** West Harlem Renaissance Homes II Housing Development Fund Company, Inc.
3. **LOCATION:**
   a. **BOROUGH:** Manhattan
   b. **COMMUNITY DISTRICT:** 9 and 10
   c. **COUNCILMANIC DISTRICT:** 7 and 9
   d. **DISPOSITION AREA:**

BLOCKS	LOTS	ADDRESSES
1821	21	113 West 111th Street
1827	37	206 West 112th Street
1949	5	361 West 122nd Street
1947	16	489 Manhattan Avenue
1948	50	523 Manhattan Avenue
2068	43	1893 Amsterdam Avenue

4. **BASIS OF DISPOSITION PRICE:** Nominal ($1 per building)
5. **TYPE OF PROJECT:** Moderate Rehabilitation
6. **APPROXIMATE NUMBER OF BUILDINGS:** 6 One-to-Four Family Homes
7. **APPROXIMATE NUMBER OF UNITS:** 12
8. **HOUSING TYPE:** Family Home. If homes remain unsold at the end of the Marketing Period and HPD determines in writing that (i) sale is not feasible within a reasonable time, and (ii) a rental fallback is the best available alternative, then the unsold homes may be sold to a non-profit company and rented in accordance with the written instructions of HPD.
9. **ESTIMATE OF INITIAL PRICE:** Market Value. Purchasers must also repay the HPD subsidy attributable to their homes by delivering cash and/or notes and appropriate security instruments to the City. A portion of the subsidy may be forgiven or unsecured based on the home's post-rehabilitation appraised value.
10. **INCOME TARGETS:** families with annual household incomes up to 165% of the area median. With HPD approval, up to 10% of the homes may be sold to over-income families, but such purchasers must repay the subsidies attributable to their units in cash at closing and obtain prior approval from HPD. Buildings are sold subject to existing tenancies.
11. **PROPOSED FACILITIES:** None
12. **PROPOSED CODES/ORDINANCES:** None

20045354 HAM
Page 2 of 2
L.U. No. 57

13. **ENVIRONMENTAL STATUS:** Type II
14. **PROPOSED TIME SCHEDULE:** Approximately 18 months from closing to completion of construction

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, CHARLES BARRON, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, G. OLIVER KOPPELL, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, May 13, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L. U. No. 58

Report of the Committee on Land Use in favor of approving Application no. 20045355 HAM, an Urban Development Action Area Project known as Harlem Village Homes II, located in Community Board 10, Council District no. 9, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

The Committee on Land Use to which was referred on February 4, 2004 (Minutes, page 720) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 57 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 375

Resolution approving an Urban Development Action Area Project located at 128 West 136 Street (Block 1920/Lot 45), 134 West 136 Street (Block 1920/Lot 47), 145 West 120 Street (Block 1905/Lot 10), 154 West 120 Street (Block 1904/Lot 154), and 253 West 132 Street (Block 1938/Lot 14), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 58; 20045355 HAM).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on December 30, 2003, its request dated December 15, 2003 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 128 West 136 Street (Block 1920/Lot 45), 134 West 136 Street (Block 1920/Lot 47), 145 West 120 Street (Block 1905/Lot 10), 154 West 120 Street (Block 1904/Lot 154), and 253 West 132 Street (Block 193 8/Lot 14), Community District 10, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 11,
2004;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of ten years commencing on the date of the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

PROJECT SUMMARY

1. **PROGRAM:** Neighborhood Homes Program
2. **PROJECT:** Harlem Village Homes II Housing Development Fund Company, Inc.
3. **LOCATION:**
   a. **BOROUGH:** Manhattan
   b. **COMMUNITY DISTRICT:** 10
   c. **COUNCILMANIC DISTRICT:** 9
   d. **DISPOSITION AREA:**

BLOCKS	LOTS	ADDRESSES
1920	45	128 West 136 St.
1920	47	134 West 136 St.
1905	10	145 West 120 St.
1904	154	154 West 120 St.
1938	14	253 West 132 St.

4. **BASIS OF DISPOSITION PRICE:** Nominal ($1 per building)
5. **TYPE OF PROJECT:** Moderate or Gut Rehabilitation
6. **APPROXIMATE NUMBER OF BUILDINGS:** 5 One-to-Four Family Homes
7. **APPROXIMATE NUMBER OF UNITS:** 15
8. **HOUSING TYPE:** Family Home. If homes remain unsold at the end of the Marketing Period and HPD determines in writing that (i) sale is not feasible within a reasonable time, and (ii) a rental fallback is the best available alternative, then the unsold homes may be sold to a non-profit company and rented in accordance with the written instructions of HPD.
9. **ESTIMATE OF INITIAL PRICE:** Market Value. Purchasers must also repay the HPD subsidy attributable to their homes by delivering cash and/or notes and appropriate security instruments to the City. A portion of the subsidy may be forgiven or unsecured based on the home's post-rehabilitation appraised value.
10. **INCOME TARGETS:** Families with annual household incomes up to 165% of the area median. With HPD approval, up to 10% of the homes may be sold to over-income families, but such purchasers must repay the subsidies attributable to their units in cash at closing and obtain prior approval from HPD. Buildings are sold subject to existing tenancies.
11. **PROPOSED FACILITIES:** None
12. **PROPOSED CODES/ORDINANCES:** None

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 90

Report of the Committee on Land Use in favor of approving Uniform land use review procedure application no. C 040218 HAX, an Urban Development Action Area Designation, Project, and the disposition of such property located on Melrose Avenue between East 157th and East 158th Streets, Borough of the Bronx, Council District no. 17. This matter is subject to Council Review and action pursuant to §197-c and §197-d of the New York City Charter and Article 16 of the General Municipal Law.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 1000) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

BRONX CB - 1 **C 040218 HAX**

City Planning Commission decision approving an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of 403, 407, 411, 413 and 415 East 157th Street, 404 and 412 East 158th Street, and 768 and 776 Melrose Avenue (Site 12) within the Melrose Commons Urban Renewal Area (Block 2379/Lots 1,6,7,9,12,3438), as an Urban Development Action Area (the "Area"); and

b) an Urban Development Action Area Project for such area (the "Project"); and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property, to a developer selected by HPD.

INTENT

To facilitate construction of a nine-story building tentatively known as Peter Cintron Apartments, with approximately 162 units of housing for low-income families and one unit for a superintendent.

COMMITTEE ACTION

May 13, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the designation and project, make the findings required by Article 16 of the General Municipal Law and approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 376

Resolution approving the decision of the City Planning Commission on an application submitted by the Department of Housing Preservation and Development, ULURP No. C 040218 HAX, approving the designation of 403, 407, 411, 413 and 415 East 157th Street, 404 and 412 East 158th Street, and 768 and 776 Melrose Avenue (Site 12) within the Melrose Commons Urban Renewal Area (Block 2379/Lots 1, 6,7,9,12,34-38), the Bronx, as an Urban Development Action Area, approving the project for the area as an Urban Development Action Area Project, and approving the disposition of such property to a developer to be selected by the Department of Housing Preservation and Development (L.U. No. 90; C 040218 HAX).

By Council Members Katz and Martinez

Whereas, the City Planning Commission filed with the Council on April 30, 2004 its decision dated April 28, 2004 (the "Decision"), on the application submitted by the Department of Housing Preservation and Development pursuant to Section 197-c of the New York City Charter and Article 16 of the General Municipal Law of New York State regarding:

a) the designation of 403, 407, 411, 413 and 415 East 157th Street, 404 and 412 East 158th Street, and 768 and 776 Melrose Avenue (Site 12) within the Melrose Commons Urban Renewal Area (Block 2379/Lots 1, 6,7,9,12,34-38), as an Urban Development Action Area (the "Area");

b) an Urban Development Action Area Project for such area (the "Project"); and

pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer to be selected by the Department of Housing Preservation and Development to facilitate the construction of a nine-story residential building, tentatively known as Peter Cintron Apartments, with approximately 162 units of housing for low-income families and one unit for the superintendent, to be developed under the 421-a Affordable Housing Program, Community District 1, Borough of the Bronx (the "Disposition") (ULURP No. C 040218 HAX) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council its recommendations regarding the Application on April 12,2004;

Whereas, upon due notice, the Council held a public hearing on the Application and Decision on May 11, 2004;

Whereas, the Council has considered the relevant environmental review and the Final Environmental Impact Statement ("FEIS") for the Melrose Commons Urban Renewal Area project for which a Notice of Completion was issued on April 15, 1994 and the determination that said notice remains in effect (CEQR No. 88-087X);

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Application;

Resolved,

The Council finds that the actions described herein will have no significant effect on the environment;

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 040218 HAX).

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Council approves the disposition of said property to a developer selected by the Department of Housing Preservation and Development.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, CHARLES BARRON, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, G. OLIVER KOPPELL, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, May 13, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 94

Report of the Committee on Land Use in favor of approving Application no. 20045380 HAK, an Urban Development Action Area Project located at 2966 Fulton Street, Council District no. 37, Borough of Brooklyn. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 1001) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

Proposal subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"),

ADDRESS	BLOCK/LOT	NON-ULURP NO.	L.U. NO.	PROGRAM PROJECT
2966 Fulton Street Brooklyn	3954/19	20045380 HAK	94	Neighborhood Homes

On March 29, 2004 by submission dated March 12, 2004 the Department of Housing Preservation and Development withdrew the proposal.

COMMITTEE ACTION

May 13, 2004

The Committee recommends that the Council approve the attached resolution and thereby approve the motion to file pursuant to withdrawal.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 377

Resolution approving a motion to file pursuant to withdrawal of an Urban Development Action Area Project located at 2966 Fulton Street (Block 3954/Lot 19), Brooklyn, (L.U. No. 94; 20045380 HAK).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on February 11, 2004 its request dated January 26, 2004 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 2966 Fulton Street (Block 3954/Lot 19), Community District 5, Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, on March 29, 2004 by submission dated March 12, 2004 the New York City Department of Housing Preservation and Development withdrew the application;

Resolved,

The Council approves the motion to file pursuant to withdrawal of the application and pursuant to Sections 6.40a and 11.80 of the Rules of the Council.

MELINDA R. KATZ, Chairperson; BILL PERKINS, MICHAEL C. NELSON, CHRISTINE C. QUINN, JOEL RIVERA, TONY AVELLA, CHARLES BARRON, LEROY G. COMRIE, SIMCHA FELDER, ERIC N. GIOIA, G. OLIVER KOPPELL, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, May 13, 2004.

Filed pursuant to a Letter of Withdrawal.

Report for L.U. No. 96

Report of the Committee on Land Use in favor of approving Application no. 20045382 HAM, an Urban Development Action Area Project, located at 747 St. Nicholas Avenue, Council District no. 7, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on February 26, 2004 (Minutes, page 1002) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 57 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 378

Resolution approving an Urban Development Action Area Project located at 747 St. Nicholas Avenue (Block 2062/Lot 132), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 96; 20045382 HAM).

By Council Members Katz and Martinez ,

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on February 11, 2004 its request dated January 26, 2004 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 747 St. Nicholas Avenue (Block 2062/Lot 132), Community District 9, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 11, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

Resolved,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

Report for L.U. No. 101

Report of the Committee on Land Use in favor of approving Application no. 20045397 HAM, an Urban Development Action Area Project known as Arthur Ransome Houses, L.P., located in Community Board 10, Council District no. 9, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on March 10, 2004 (Minutes, page 1198) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 57 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 379

Resolution approving an Urban Development Action Area Project located at 62 W. 124 Street (Block 1721/part of Lot 63), 64 W. 124 Street (Block 1721/part of Lot 63), 141 W. 117 Street (Block 1902/Lot 13), 151 W. 123 Street a.k.a. 153 West 123 Street (Block 1908/Lot 7), 152 W. 118 Street (Block 1902/Lot 56), 221 W. 121 Street (Block 1927/Lot 20), 280 W. 119 Street (Block 1924/Lot 160), and 356 W. 116 Street (Block 1849/Lot 41), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to

Sections 693 and 694 of the General Municipal Law (L.U. No. 101; 20045397 HAM).

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on February 27, 2004 its request dated February 9, 2004 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 62 W. 124 Street (Block 1721/part of Lot 63), 64 W. 124 Street (Block 1721/part of Lot 63), 141 W. 117 Street (Block 1902/Lot 13),151 W. 123 Street a.k.a. 153 West 123 Street (Block 1908/Lot 7), 152 W. 118 Street (Block 1902/Lot 56), 221 W. 121 Street (Block 1927/Lot 20), 280 W. 119 Street (Block 1924/Lot 160), and 356 W. 116 Street (Block 1849/Lot 41), Community District 10, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal aw pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 11,
2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

Resolved,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

OLIVER KOPPELL, MIGUEL MARTINEZ, MICHAEL E. MCMAHON, JAMES SANDERS JR., ALBERT VANN, ANDREW J. LANZA, JAMES S. ODDO, Committee on Land Use, May 13, 2004.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 121

Report of the Committee on Land Use in favor of approving Application no. 20045417 HAX, an Urban Development Action Area Project known as Bella Vista, L.P., located in Community Board 1, Council Districts no. 8 and 17, Borough of the Bronx. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on April 1, 2004 (Minutes, page 1524) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 57 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Martinez offered the following resolution:

Res. No. 380

Resolution approving an Urban Development Action Area Project located at 213 Jackson Avenue (Block 2566/Lot 20), 363 East 150th Street (Block 2397/Lot 1), 370 St. Ann's Avenue (Block 2556/Lot 22), 442 Wales Avenue (Block 2576/Lot 11), 531 East 148th Street (Block 2275/Lot 37), 544 East 134th Street (Block 2261/Lot 37), 673 East 137th Street (Block 2566/Lot 39), and 674 East 138th Street (Block 2566/Lot 3), the Bronx, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 121;

By Council Members Katz and Martinez

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on March 17, 2004 its request dated March 1, 2004 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 213 Jackson Avenue (Block 2566/Lot 20), 363 East 150th Street (Block 2397/Lot 1), 370 St. Ann's Avenue (Block 2556/Lot 22), 442 Wales Avenue (Block 2576/Lot 11), 531 East 148th Street (Block 2275/Lot 37), 544 East 134th Street (Block 2261/Lot 37), 673 East 137th Street (Block 2566/Lot 39), and 674 East 138th Street (Block 2566/Lot 3), Community District 1, Borough of the Bronx (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 11, 2004;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

Resolved,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

On motion of the Speaker (Council Member Miller), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for L.U. No. 126

Report of the Committee on Land Use in favor of approving Application no. 20045422 HAM, an Urban Development Action Area Project known as George Barbee, L.P., located in Community Board 9, Council District no. 7, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on April 1, 2004 (Minutes, page 1526) the annexed Land Use resolution respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 57 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 116

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.6942, and Committee on Rules, A.11018, "AN ACT to amend the general municipal law, in relation to certain lung disabilities incurred by emergency medical technicians and advanced emergency medical technicians".

By Council Members Rivera, Jennings Jr. and Monserrate.

Whereas, bills have been introduced in the New York State Legislature by Senator Velella, S.6942, and Committee on Rules, A.11018, "AN ACT to amend the general municipal law, in relation to certain lung disabilities incurred by emergency medical technicians and advanced emergency medical technicians"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 117

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senators Golden, Maltese, Marchi, Mendez, Padavan and Velella, S.6699, and Committee on Rules, A.10883, "AN ACT to amend the administrative code of the city of New York, in relation to including in a twenty-five year retirement program members of the New York city employees' retirement system employed as traffic enforcement agents (level 4); and to amend the retirement and social security law, in relation to including in a twenty-five year retirement program members of the New York city employees' retirement system employed as traffic enforcement agents (level 4) who are subject to articles 11 and 15 of such law".

By Council Members Rivera and Jennings Jr.

Whereas, bills have been introduced in the New York State Legislature by Senators Golden, Maltese, Marchi, Mendez, Padavan and Velella, S.6699, and Committee on Rules, A.10883, "AN ACT to amend the administrative code of the city of New York, in relation to including in a twenty-five year retirement program members of the New York city employees' retirement system employed as traffic enforcement agents (level 4); and to amend the retirement and social security law, in relation to including in a twenty-five year retirement program members of the New York city employees' retirement system employed as traffic enforcement agents (level 4) who are subject to articles 11 and 15 of such law"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 118

State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Senators Golden, Maltese, Marchi, Mendez, Padavan and Velella, S.4185-A, "AN ACT to amend the retirement and social security law, in relation to providing accidental disability retirement benefits for certain transit authority members of the New York city employees' retirement system".

By Council Members Rivera, Monserrate and Seabrook.

Whereas, a bill has been introduced in the New York State Legislature by Senators Golden, Maltese, Marchi, Mendez, Padavan and Velella, S.4185-A, "AN ACT to amend the retirement and social security law, in relation to providing accidental disability retirement benefits for certain transit authority members of the New York city employees' retirement system"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bill.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 119

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Golden, S.6974, and Committee on Rules, A.10886-A, "AN ACT to amend the administrative code of the city of New York, in relation to eligibility for benefits payable by the firefighters' variable supplements fund".

By Council Members Rivera, Gentile, Gerson, Jennings Jr. and Monserrate.

Whereas, bills have been introduced in the New York State Legislature by Senator Golden, S.6974, and Committee on Rules, A.10886-A, "AN ACT to amend the administrative code of the city of New York, in relation to eligibility for benefits payable by the firefighters' variable supplements fund"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Referred to the Committee on State and Federal Legislation.

State Legislation Res. No. 120

State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Senator Golden, S.6993, "AN ACT requiring notice to be given before the closure of a fire station or police station in a city of one million or more inhabitants".

By Council Members Rivera, Avella, Fidler, Gerson and Recchia Jr.

Whereas, a bill has been introduced in the New York State Legislature by Senator Golden, S.6993, "AN ACT requiring notice to be given before the closure of a fire station or police station in a city of one million or more inhabitants"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bill.

Referred to the Committee on State and Federal Legislation.

Int. No. 372

By the Committee on Rules (by request of the Mayor).

A Local Law to amend the administrative code of the city of New York, in relation to animal shelters.

Be it enacted by the Council as follows:

Section 1. Section 17-802 of the administrative code of the city of New York is amended by adding a new subdivision f to read as follows:

f. "Receiving shelter" shall mean a facility required to have a permit in accordance with subdivision (b) of section 161.09 of the New York city health code that receives lost, stray or homeless animals and:

(1) accepts dogs and cats pursuant to section 17-809 of this chapter; and

(2) has an adoption program open pursuant to such section 17-809.

§ 2. Section 17-803 of the administrative code of the city of New York, as added by local law number 26 for the year 2000, is amended to read as follows:

§ 17-803 Animal shelters. The department shall ensure that a full-service shelter is maintained in [each borough of the city of New York] *the boroughs of Manhattan, Brooklyn and Staten Island and that a receiving shelter is maintained in the boroughs of Bronx and Queens. The department shall ensure that the full-service shelter maintained in Brooklyn be available to accept animals from the New York city police department twenty-four hours each day, seven days a week.*

§ 3. The opening paragraph of subdivision a of section 17-804 of the administrative code of the city of New York, as added by local law number 26 for the year 2000, is amended to read as follows:

a. No full-service shelter, *receiving shelter* or other shelter for homeless animals required to have a permit issued pursuant to subdivision (b) of section 161.09 of the New York city health code shall release a dog or cat to a person claiming ownership thereof, or to a person adopting such dog or cat, unless such dog or cat has been sterilized by a licensed veterinarian; provided, however, that such requirement shall not apply:

§ 4. Section 17-805 of the administrative code of the city of New York, as added by local law 26 for the year 2000, subdivision (h) as added by local law number 12 for the year 2002, is amended to read as follows:

§ 17-805 Reporting requirement. The department shall provide the mayor and the city council with a report by February twenty-eighth of each year which shall set forth information regarding the management and operation of all full-service shelters *and receiving shelters* performing services pursuant to a contract with the city of New York, including but not limited to:

a. the number of animals accepted by each full-service shelter *and receiving shelter* during the previous calendar year;

b. the number of animals that were sterilized at each full-service shelter *and receiving shelter* during the previous calendar year;

c. the number of animals that were humanely euthanized at each full-service shelter *and receiving shelter* during the previous calendar year;

d. the number of adoptable animals that were humanely euthanized at each full-service shelter *and receiving shelter* during the previous calendar year;

e. the number of animals that were adopted at each full-service shelter *and receiving shelter* during the previous calendar year;

f. the number of animals at each full-service shelter *and receiving shelter* that were returned to their owner during the previous calendar year; and

g. the number of animals at each full-service shelter *and receiving shelter* that were provided to other shelters for adoption during the previous calendar year.

h. Provided, however, that the department shall report to the council each month the number of adoptable animals that were humanely euthanized at each [full service] *full-service* shelter *and receiving shelter* during the previous month.

§ 5. Section 17-809 of the administrative code of the city of New York, as added by local law number 12 for the year 2002, is amended to read as follows:

§ 17-809 Hours of operation and adoption program at full-service shelters *and receiving shelters*. [From July first, two thousand two until December thirty-first, two thousand four, a] *Each* [full service] *full-service* shelter *and receiving shelter* shall accept dogs and cats twelve hours per day, [seven days per week] *Monday through Friday, and eight hours per day Saturday and Sunday* and shall operate an adoption program [during weekends and three additional days during each week. The adoption program shall be operational for a minimum of six hours during each day the adoption program is required to be operational as provided by this section. After January first, two thousand five, a full service shelter shall accept dogs and cats twenty-four hours per day, seven days per week and shall operate an adoption program] *eight hours per day,* seven days per week.

§ 6. Section 2 of local law number 26 for the year 2000, as amended by local law number 12 for the year 2002, is amended to read as follows:

2. This local law shall take effect one hundred eighty days after its enactment[; provided, however, that Section 17-803 shall take effect January 1, 2001 with respect to the boroughs of Brooklyn, Manhattan and Staten Island and July 1, 2006 with respect to the boroughs of the Bronx and Queens, and provided, further, that with respect to the boroughs of the Bronx and Queens, the city shall acquire the sites and comply with the provisions of section 197-c of the New York city charter by July first, two thousand four, and shall complete construction of the shelter facilities by July first, two thousand six].

§ 7. This local law shall take effect July first, two thousand four, except that section 6 of this local law shall take effect immediately.

Referred to the Committee on Health.

Int. No. 373

By Council Members Sanders Jr., Barron, Gonzalez, James, Jennings Jr., Quinn, Recchia Jr. and Stewart.

A Local Law to amend the New York City charter, in relation to requiring an annual report by certain entities which enter into contracts with the department of small business services.

Be it enacted by the Council as follows:

Section 1. Paragraph b of subdivision 1 of section 1301 of the New York city charter is amended to read as follows:

b. to serve as liaison for the city with local development corporations, other not-for-profit corporations and all other entities involved in economic development within the city. In furtherance of this function, the department shall include in any contract with a local development corporation under which such local development corporation is engaged in providing economic development services on behalf of the city and expending city capital appropriations in connection therewith, a requirement that such local development corporation submit to the mayor, the council, *the city comptroller, the public advocate and the borough presidents* by May 1, 1994 and by January 31 of each succeeding year, a report for the prior year in the form prescribed hereunder with regard to projected and actual jobs created and retained in connection with any project undertaken by such local development corporation for the purpose of the creation or retention of jobs, whether or not such project involves the expenditure of city capital appropriations, if in connection with such project assistance to a business entity was provided by such local development corporation in the form of a loan, grant or tax benefit in excess of [two] *one* hundred fifty thousand dollars, or a sale or lease of land where the project is estimated to retain or create not less than [25] *twenty-five* jobs. The report shall be made with regard to each such project [for the first seven years] *from the date when any agreement relating to the project is signed by said entity with New York city through the final year that* [after any such] assistance was [first provided] *received by said entity.* The report shall contain the following information with respect thereto: (i) its name; (ii) its location; (iii) the time span over which the project is to receive any such assistance; (iv) the type of such assistance provided, *including the name of the program through which assistance is provided*; (v) the [number of jobs projected to be created or retained for the first seven years after any such assistance was first provided] *total number of jobs of employees at each job site within the city at the time of the agreement including the number of permanent full-time jobs, the number of part-time jobs, and the number of temporary jobs*; (vi) [an estimate of the actual number of jobs created or retained to date] *the number of jobs that the company is contractually obligated to maintain or create each reporting year, specifying each year, through the year that the benefit is last used by the business entity*; (vii) the estimated amount, for that year and cumulatively to date, of such assistance; (viii) *a detailed list of the occupation or job classifications and number of new employees or retained employees to be hired in permanent full-time jobs, a schedule of anticipated starting dates of the new hires, the actual average wage by occupation or job classification and the total increase in payroll as a result of the development assistance; (ix) the actual number of jobs created or retained by the company in the city of New York to date by occupation and job classification, including the number of full-time, permanent jobs, the number of part-time jobs, the number of temporary jobs, a computation of the gain or loss of jobs in each category and the actual average wage by occupation or job classification; (x) an estimate of the present value for the year covered by the report and cumulatively to date, of such assistance; (xi) the total number of jobs projected to be created as a result of the agreement; (xii)* the estimated amount, for that year and cumulatively to date, of retained or additional tax revenue derived from the project, *excluding real property tax revenue other than revenue generated by property improvements*; [and] *(xiii) a projection of the additional assistance for which the company is qualified; and* [ix] *(xiv)* a projection of the retained or additional tax revenue to be derived from the project for the remainder of the [seven year] project period beginning when assistance was first provided.

[Notwithstanding the foregoing, if the assistance provided for a project for which a report must be made under this subdivision is in the form of a loan, tax benefit, or lease of less than seven years duration, reports shall be made with respect to such project for such shorter period only and the information provided in any such report shall be reflective only of such period.] *For business entities for which project assistance was provided by such local development corporation in the form of a loan, grant or tax benefit of one hundred fifty thousand dollars or less, or a sale or lease of land where the project is estimated to retain or create less than twenty-five jobs, the data should be included in such report aggregately using the format required for all other loans, grants or tax benefits.*

The source of all data relating to numbers of jobs shall be indicated. Documentation of assistance amounts reported shall be maintained for seven years. The report shall be submitted by the statutory due date and shall bear the actual date that the report was submitted. Such report shall include a statement explaining any delay in its submission past the statutory due date. Upon its submission, the

report shall simultaneously be made available in electronic form on the website of the city of New York. Reports with regard to projects for which assistance was rendered prior to January 1, 1994 need only contain such information required by this subdivision as is available to the local development corporation, can be reasonably derived from available sources, and can be reasonably obtained from the business entity to which assistance was provided.

§2. This local law shall take effect immediately.

Referred to the Committee on Economic Development.

Res. No. 370

Resolution in support of the applications of the Applicants for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

By Council Members Sanders Jr., Gonzalez, James, Jennings Jr., Liu and Quinn.

Whereas, The New York State Empire Zones Program contains provisions that apply to Zone Equivalent Areas (ZEAs), which are areas that, although not within the boundaries of Empire Zones, are nonetheless characterized by high unemployment and poverty rates; and

Whereas, The Empire Zones Program provides that businesses located in ZEAs or which relocate to ZEAs may become eligible to receive New York State Wage Tax Credits if they receive certification from the New York State Department of Economic Development (DED) and also meet the requirements of the New York State Department of Finance to receive the New York State Wage Tax Credit; and

Whereas, The Empire Zones Program requires that businesses which seek State Wage Tax Credits must either project job creation within a ZEA, or, if job creation is unlikely, must state in writing how certification will result in maintaining employment in the firm within a ZEA; and

Whereas, B & H Foto & Electronics Corp. and Fine Point Technologies, Inc. ("the Applicants") each desire to be certified to receive New York State Wage Tax Credits under the ZEA provision of the Empires Zones Program; and

Whereas, Under the Empire Zones Program, application for certification by DED to become eligible to receive New York State Wage Tax Credits under the ZEA provisions of the Empire Zones Program requires approval by the governing body of the local municipality within which the business has relocated of the businesses' intent to apply for certification by DED; and

Whereas, The Applicants have requested that the Council of the City of New York adopt a resolution in support of their applications to DED for certification of eligibility to receive New York State Wage Tax Credits under the ZEA provisions of the New York State Empire Zones Program; and

Whereas, The creation or retention of jobs within ZEAs, as required in order to qualify for the New York State Wage Tax Credits sought by the Applicants, will contribute to the economic development of the distressed areas where the Applicants are located; now, therefore, be it

Resolved, That the Council of the City of New York supports the applications of the Applicants for certification of eligibility to apply for New York State Wage Tax Credits under the Zone Equivalent Area provisions of the New York State Empire Zones Program.

Referred to the Committee on Economic Development.

Res. No. 371

Resolution urging the New York State Senate to adopt S.5161B and the New York State Assembly to adopt A.5431B, which would require hospitals to provide patient language assistance services for the communication of clinical and other information.

By Council Members Stewart, Quinn, Reyna, Martinez, Palma, Liu, Barron, Fidler, Gentile, Gonzalez, James, Jennings Jr., Monserrate, Seabrook, Sears, Yassky and Gennaro.

Whereas, In a March, 2002 report prepared for the United States Congress, The Institute of Medicine cited language barriers as one of the primary causes for health disparities between various racial and ethnic groups; and

Whereas, New York State Public Health Law 2803 (1) (g), "Patient's Rights", and the regulations promulgated pursuant to this law, also known as the "Patient Bill of Rights," requires that if English is not an individual's first language, skilled interpreters must be provided to assist the patient; and

Whereas, The Patient Bill of Rights requires that translations and/or transcriptions of important hospital forms, instructions and information must be provided to patients if they feel they need them; and

Whereas, The New York State Attorney General testified at a November 2003 hearing on A.5431B that, "While some may argue that the standards in current law and regulation suffice, the recurrence of these systemic problems, across hospitals of varying types, sizes, demographics and locations, demonstrates the need for legislation codifying and strengthening this obligation"; and

Whereas, A significant percentage of New York State's population has limited proficiency in English; and

Whereas, According to the 2000 Census, 13% of people in the State speak English less than "very well," with a substantial segment speaking English "not well" or "not at all"; and

Whereas, A recent report (the "Report") conducted by the Immigrant Health Access and Advocacy Collaborative, found that lack of language services resulted in poor health outcomes for immigrant patients and violated patients' rights; and

Whereas, The Report found that 21% of patients did not understand their diagnosis or treatment, 36% of patients reported that staff who tried to communicate with them in a language other than English did not do an adequate job, 14% of patients did not understand follow-up treatment, such as how to take their medication, 9% of patients had decisions made without their consent, 75% of patients who signed hospital forms did not understand what was written on the forms, and 64% of patients wanted to ask questions about their medical condition, treatment and diagnosis, but were unable to; and

Whereas, Language barriers within the health system can lead to problems in continuity of care for individuals who do not speak English as their primary language; and

Whereas, Individuals who are not proficient in English can also have a more difficult time understanding various hospital payment options, such as access to charity care and sliding pay scales; and

Whereas, Individuals who do not speak English as their primary language also have disproportionately worse health outcomes compared to the rest of the population, since many of those individuals feel that they cannot afford to access medical care; and

Whereas, Two bills currently before the New York State Legislature, S.5161B and A.5431B, would help alleviate many problems caused by language barriers in New York's health care system by requiring that actual patient visits be used as a criterion to establish the need for expanded interpretation services, as opposed to the current system which uses census data, which can undercount some immigrant populations; and

Whereas, S.5161B and A.5431B would also require that language assistance services be available for all hospitals programs and services, at all locations and at all times that patient care is available; now, therefore, be it

Resolved, That the Council of the City of New York urges the New York State Senate to adopt S.5161B and the New York State Assembly to adopt A.5431B, which would require hospitals to provide patient language assistance services for the communication of clinical and other information.

Referred to the Committee on Health.

Res. No. 372

Resolution calling on the Members of the House of Representatives to vote against House Resolution 3722, also referred to as the Undocumented Alien Emergency Medical Assistance Amendments of 2004, which would place harsh restrictions on undocumented immigrants' access to emergency medical services, impose burdensome requirements on hospitals' participation in Congressionally authorized fiscal relief programs, place persons with emergency health needs at risk of deportation, and attempt to make employers directly liable for undocumented workers' emergency health costs, and offering the Council's full support in ensuring that everyone in the City, regardless of immigration status, is entitled to health care, including emergency care, without fear of immigration or employment consequences.

By Council Members Stewart, Quinn, Reyna, Martinez, Palma, Liu, Barron, Fidler, Gonzalez, Lopez, Perkins, Seabrook and Sears.

Whereas, The written purpose of House Resolution 3722 is to 1) to protect the health and safety of US citizens, 2) save an undocumented person's life in a life-threatening emergency, and 3) stabilize an emergency medical condition so that such person could be deported; and

Whereas, Under House Resolution 3722, hospitals would be required to deny medical treatment to undocumented people that they would otherwise be required to provide under Emergency Medical Treatment and Labor Act of 1986 (EMTALA); and

Whereas, Under House Resolution 3722, hospitals would only be able to access certain federal funds allocated in the Medicare bill to reimburse hospitals for the costs of providing uncompensated care to undocumented people by: 1) obtaining sworn statements of patients' immigration status, address, employer and other personal and non-financial data, including insurance information, 2) obtaining from the patients "one or more identifiers" compatible with Department of Homeland Security (DHS) databases for the purpose of verifying identity and immigration status (although not specifically required, these might include fingerprints or photographs), and 3) transmiting the sworn statements and identifiers to DHS; and

Whereas, Since it would not be immediately obvious who was undocumented, House Resolution 3722 would result in delayed treatment for all individuals seeking emergency room services and would create a disproportionate delay on people from specific racial or ethnic groups suspected of being undocumented, which would be a violation of civil rights law; and

Whereas, House Resolution 3722 would also create a tremendous burden upon many small businesses by making employers who do not complete employment authorization verification procedures liable for uncompensated emergency services of their workers; and

Whereas, The purpose of emergency care is to provide health care to sick or injured individuals who are in need of immediate care; and

Whereas, New York City Mayor Michael Bloomberg's Executive Order 41 and President of the Health and Hospitals Corporation, Dr. Benjamin Chu's June 10, 2003 Memorandum (the "Memorandum"), maintain that the New York City public health system guarantees health care to all individuals, regardless of immigration status; and

Whereas, Executive Order 41 and the Memorandum state that all information related to a patient's immigration status obtained by a City employee during the course of his or her duties may not be disclosed to any third party; and

Whereas, Treating all sensitive patient information as confidential is critical to the relationship of trust necessary between health care providers and patients, a relationship which lowers barriers to access and helps to foster the full and free communication that helps health care providers render the best care possible; and

Whereas, House Resolution 3722 would create a public health burden for all citizens if undocumented people are afraid to seek needed health services; and

Whereas, Hospitals must reassure the immigrant community that its primary mission is providing health services, not policing; and

Whereas, The federal government should be looking at ways to increase funding streams to hospitals, such as increasing the Federal Medicaid Matching Rate, in order to secure our health care system, instead of trying to save money by denying individuals emergency care; now, therefore, be it

Resolved, That the Council of the City of New York calls on the Members of the House of Representatives to vote against House Resolution 3722, also referred to as the Undocumented Alien Emergency Medical Assistance Amendments of 2004, which would place harsh restrictions on undocumented immigrants' access to emergency medical services, impose burdensome requirements on hospitals' participation in Congressionally authorized fiscal relief programs, place persons with emergency health needs at risk of deportation, and attempt to make employers directly liable for undocumented workers' emergency health costs; and, be it further

Resolved, That the Council of the City of New York offers the Council's full support in ensuring that everyone in the City, regardless of immigration status, is entitled to health care, including emergency care, without fear of immigration or employment consequences.

Referred to the Committee on Immigration.

Res. No. 373

Resolution calling on the New York City Planning Commission to commence public review of amendments to the New York City Zoning Resolution, pursuant to charter sections 200 and 201, to create one or more "Affordable Housing Zoning Districts" in order to establish additional inclusionary zoning provisions to provide for the creation of affordable housing for low- and moderate-income New Yorkers.

By Council Members Yassky, Monserrate, Barron, Jackson, James, Koppell, Liu, Lopez, Perkins, Quinn, Seabrook, Brewer, Clarke, Gerson, Gonzalez, Nelson, Palma, Gioia and DeBlasio.

Whereas, the City is in a state of housing emergency with a citywide vacancy rate of 2.94%; and

Whereas, twenty five percent of renter households are paying more than fifty percent of their income for rent and nearly half of all New Yorkers pay more than thirty percent of their income in rent; and

Whereas, it is almost five times more difficult for low-income families to find an apartment than it is for those who can afford to pay over two thousand dollars a month on rent, according to the 2002 New York City Housing and Vacancy Survey; and

Whereas, New York City and the region suffer from housing segregation, and New York is the most segregated metropolitan area for Hispanics and Latinos in the United States, according to the U.S. Census Bureau; and

Whereas, the Department of City Planning is proposing to change the zoning in dozens of New York City neighborhoods to encourage extensive new residential development to create more than sixty thousand new residential units; and

Whereas, these developments will overwhelmingly create market rate housing far beyond the means of most New Yorkers—with many developments selling units for five hundred thousand dollars to three million dollars; and

Whereas, these developments will also likely induce rent hikes and displacement in the areas affected by the proposed rezoning actions, and perpetuate segregation within New York City; and

Whereas, the existing inclusionary housing program in the New York City Zoning Resolution is inapplicable in the vast majority of communities in New York City; and

Whereas, Council Member David Yassky and Community Board 1 of Brooklyn submitted an application to the Department of City Planning on November 12, 2003 for an amendment to the text of the Zoning Resolution to create an "affordable housing zoning district" as a tool that could address these negative effects; and

Whereas, this tool, also known as inclusionary zoning, would require developers to build a percentage of affordable housing in areas which are being rezoned from manufacturing to residential or being upzoned from a lower residential density to a higher residential density; and

Whereas, other elected officials, community organizations, and policy research and advocacy groups have also proposed the establishment of affordable housing zoning in New York City; and

Whereas, requiring affordable housing in these circumstances would not create an undue hardship because according to the Independent Budget Office, upzoning or changing the zoning of land from manufacturing to residential can increase the value of the property many times over, thereby giving landowners a substantial windfall; and

Whereas, there should be a public gain as a result of this windfall to private landowners; and

Whereas, similar inclusionary zoning programs are working successfully and creating affordable housing in communities with lower densities and weaker real estate markets such as Chicago, Cambridge and San Diego; and

Whereas, similar inclusionary zoning programs around the United States have been determined not to be an impediment to development; and

Whereas, mandatory inclusionary zoning programs have been demonstrated to be more effective at creating affordable housing units at a wide range of incomes than have voluntary programs; and

Whereas, implementation of such an affordable housing zoning program is a way to stretch scarce resources in a time of fiscal constraint and housing crisis by leveraging market rate housing to help subsidize affordable housing; therefore be it

Resolved, that the Council of the City of New York calls upon the New York City Planning Commission to commence public review of amendments to the New York City Zoning Resolution, pursuant to charter sections 200 and 201, to create one or more "Affordable Housing Zoning Districts" in order to establish additional inclusionary zoning provisions to provide for the creation of affordable housing for low- and moderate-income New Yorkers.

Referred to the Committee on Land Use.

L.U. No. 145

By Council Member Katz:

Application no. 20045428 HAM, In Rem Action no. 42, Application submitted by the Department of Finance and the Department of Housing Preservation and Development, pursuant to Section 412 of the Administrative Code and Article 16 of the General Municipal Law for the transfer and disposition of property and pursuant to Section 577 of the Private Housing Finance Law and Section 696 of the General Municipal Law for related tax exemptions, in Community Board 8, Council District 4, Borough of Manhattan.

Adopted by the Council (preconsidered and approved by the Committee on Land Use and the Subcommittee on Planning, Dispositions and Concessions).

L.U. No. 146

By Council Member Katz:

Application no. 20045399 TCX pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of T. P. Restaurant Group, Inc., d/b/a Tito Puentes, to maintain and operate an unenclosed sidewalk café located at 64 City Island Avenue, Borough of the Bronx, Council District no. 13. SPECIAL SUPPLEMENT to MAY 2004 Stated Council Meetings

The following two items printed below, M-109 and the Report for Int. No. 323, were inadvertently omitted form the Minutes of the Stated Council Meeting of May 5, 2004.

The following text of the item M-109 was inadvertently omitted from the Messages and Papers from the Mayor section of the Minutes of the Stated Council Meeting of May 5, 2004:

M-109

April 26, 2004

Honorable Members of the Council

Honorable William C. Thompson, Jr., Comptroller

Honorable Adolfo Carrion, Jr., Bronx Borough President
Honorable Marty Markowitz, Brooklyn Borough President
Honorable C. Virginia Fields, Manhattan Borough President
Honorable Helen M. Marshall, Queens Borough President
Honorable James P. Molinaro, Staten Island Borough President

Honorable Members of the City Planning Commission

Ladies and Gentlemen:

I hereby certify that, as of this date, in my opinion, the City of New York (the "City"), the New York City Municipal Water Finance Authority, and TSASC, Inc. may soundly issue debt and expend reserves to finance total capital expenditures of the City for fiscal year 2005 and the ensuing three fiscal years, in maximum annual amounts as set forth below:

2005	$5,160	Million
2006	5,728	Million
2007	5,967	Million
2008	5,838	Million

Certain water and sewer capital expenditures are herein assumed to be financed from the proceeds of the sale of bonds by the New York City Municipal Water Finance Authority. Amounts of expenditures to be so financed have been included in the total amounts listed above and are estimated to be as follows in fiscal years 2005 – 2008:

2005	$1,538	Million
2006	1,743	Million
2007	1,641	Million
2008	1,618	Million

Certain capital expenditures are herein assumed to be financed from the proceeds of the sale of bonds by TSASC, Inc. Amounts of expenditures to be so financed have been included in the total amounts listed above and are estimated to be as follows in fiscal years 2005 – 2008:

2005	$45	Million
2006	-0-	Million
2007	-0-	Million
2008	-0-	Million

I further certify that, as of this date, in my opinion, the City may newly appropriate in the Capital Budget for fiscal year 2005, and may include in the capital program for the ensuing three fiscal years, amounts to be funded by City debt and TSASC, Inc. debt or, with respect to water and sewer projects, debt of the New York City Municipal Water Finance Authority, not to exceed the following in fiscal years 2005 – 2008:

2005	$7,723	Million
2006	5,028	Million
2007	5,476	Million
2008	4,583	Million

Sincerely,

Michael R. Bloomberg
Mayor

Referred to the Committee on Finance.

The following material was inadvertently omitted from the Reports of the Committee on Finance of the Minutes of the Stated Council Meeting of May 5, 2004. Int. No. 323 was passed by the Council at this same meeting by a vote of 50-0-0 (see Roll Call on General Orders for the Day, Minutes, page 1954-1955).

Report for the Committee on Finance

Report for Int. No. 323

Report of the Committee on Finance in favor of approving and adopting, a Local Law to amend the administrative code of the city of New York, in relation to authorizing an increase in the amount to be expended in five business improvement districts.

The Committee on Finance to which was referred on April 1, 2004 (Minutes, page 1521) the annexed proposed local law respectfully

REPORTS:

This proposed local law would authorize an increase in the annual expenditures for five Business Improvement Districts ("BIDs") effective as of July 1, 2003. Resolution No. 278, adopted by the Council on April 21, 2004, set today as the date for the public hearing on the proposed local law authorizing the increases.

According to §25-410(b) of the Administrative Code, a BID may obtain an increase in its budget (i.e. the total amount allowed to be expended annually by the BID for improvements, services maintenance and operation) by means of the adoption of a local law amending the BID's district plan. Such a local law may be adopted by the City Council after a determination that it is in the public interest to authorize such an increase in the maximum annual amount, and that the tax and debt limits prescribed in section 25-412 of the Administrative Code will not be exceeded. Notice of the hearing on this local law must be published in at least one newspaper having general circulation in the district specifying the time when and the place where the hearing will be held and stating the increase proposed in the maximum amount to be expended annually. Although this is the only relevant legal requirement

for the provision of notice prior to the Council approving these BID budget increases, in 2002 when the Committee considered budget increases for 19 BIDs, the Finance Committee Chair informed the Department of Small Business Services (DSBS) that it desired written notices of the proposed increases and the hearing date to be mailed to property owners within the BIDs, and would only consider budget increases for those BIDs providing such additional notice. The Chair requested that the same procedure be followed with regard to the increases that are the subject of this local law, and at the April 21, 2004 hearing on the Resolution setting the date for this hearing, DSBS committed to having these written notices mailed.

The proposed local law would authorize the following increases to the budgets of the BIDs as indicated below:

BID	Current Budget	Proposed Budget
34th Street*	$7,994,000	$8,198,500
82nd Street*	$ 157,420	$ 187,000
Flatbush Avenue*	$ 291,200	$ 314,520
47th Street	$ 300,000	$ 331,367
Columbus/Amsterdam	$ 168,000	$ 201,600

*indicates that BID sought and obtained increase to its budget in 2002

These increase proposals have already been approved by the District Management Associations of the five BIDs. According to DSBS, the written notices were mailed out to the property owners in the five districts.

The proposed local law would take effect immediately but is retroactive to July 1, 2003.

(The following is the Fiscal Impact Statement for Int. No. 323:)

FISCAL IMPACT STATEMENT:

	Effective FY 04	FY Succeeding Effective FY 05	Full Fiscal Impact FY 04
Revenues (+)	0	0	0
Expenditures (-)	0	0	0
Net	0	0	0

IMPACT ON REVENUES AND EXPENDITURES: There will be no net impact on revenues or expenditures resulting from the enactment of this legislation on the City's budget adopted for Fiscal 2004. The BID assessments are charges separate from the City's property tax levy and thus do not impact the General Fund. The assessments are levied on the businesses located in the impacted BID. The five BIDs' budgets for Fiscal 2004 will increase from the Fiscal 2003 amounts (see below) as a result of this legislation. The Fiscal 2004 BIDs' budget changes are:

the 34th Street BID increase is from $7,994,000 to $8,198,500 (a three percent increase);

the 82nd Street BID increase is from $157,420, to $187,000 (a nineteen percent increase); the Flatbush Avenue BID increase is from $291,200 to $314,520 (an eight percent increase); the 47th Street BID increase is from $300,000 to $331,367 (a ten percent increase); and

the Columbus/Amsterdam BID increase is from $168,000 to $201,600 (a twenty percent increase) if this legislation is approved.

SOURCE OF FUNDS TO COVER ESTIMATED COSTS: BID special assessments.

SOURCE OF INFORMATION: City Council Finance Division
NY City Department of Small Business Services

ESTIMATE PREPARED BY: Latonia McKinney, Assistant Director
Michael Reid, Financial Analyst

FIS HISTORY: To be considered by the Committee on May 5, 2004.

Accordingly, Your Committee recommends its adoption.

(For text of the bill, please see the Introduction and Reading of Bills section printed in the Minutes of the Stated Council Meeting of April 1, 2004, page 152).

DAVID I. WEPRIN, Chairperson; TRACY L. BOYLAND, MARGARITA LOPEZ, BILL PERKINS, MADELINE PROVENZANO, MICHAEL C. NELSON, CHRISTINE C. QUINN, EVA S. MOSKOWITZ, JOEL RIVERA, GALE A. BREWER, LEROY G. BRONX BOROUGH PRESIDENT

PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. on Tuesday, July 20, 2004 at 10:00 am in the office of the Borough President, 198 East 161st Street (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CB 1- ULURP APPLICATION NO: C 040521 HAX: IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a. the designation of property located at 3104, 3106, and 3110 Park Avenue (Block 2418, Lots 2-4), and 308, 314 and 320 East 159th Street (Block 2418, Lots 10, 12, and 14) 821 Courtlandt Avenue (Block 2418, Lots 16 and 18), 301, 303, 305, 307, 309, 313, 317 and 321 East 158th Street (Block 2418, Lots 25, 26, 28, 29, 31-34) Site 22 within the Melrose Commons Urban Renewal Area as an Urban Development Action Area;

   b. an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate development of a five-story building, tentatively known as Courtlandt Avenue Apartments, with approximately 167 units of housing for low income families and 1 unit for a superintendent, to be developed under HPD's Cornerstone Program.

CB 3-ULURP APPLICATION NO: C 040456 HAX-IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a. The designation of property located at 436 East 161st Street; 867, 869, 871 and 875 Elton Avenue' 421, 425, 429 and 433 East 160th Street and a portion of the demapped street bed of East 160th Street between Elton Avenue and Melrose Avenue, part of Site 43 within the Melrose Commons Urban Renewal Area (Block 2382, Lots 16, 20, 22-25, 27-28 and 30), as an Urban Development Action Area; and

   b. An Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a nine-story building tentatively known as Parkview Commons, with approximately 109 units of low-income housing and one unit for a superintendent, to be developed under New York State Housing Trust Fund Program.

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE BOROUGH PRESIDENT'S OFFICE (718) 590-6124 WITH ANY QUESTIONS CONCERNING THESE MATTERS.

jy13-19

A PUBLIC HEARING is being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. for **Friday, July 16, 2004 at 10:00 am** in the office of the Borough President, 198 East 161st Street (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451, on the following item:

CB 8-ULURP APPLICATION NO: C 040516 ZMX-IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 1d;

a) changing from an R7-1 District property bounded by:

1) a line from a point on the bisector of an angle formed by extending the southeasterly street line of Orloff Avenue (straight portion) and the northerly street line of Cannon Place (straight portion) distant 175 feet northeasterly from its intersection with the street line, extending northwesterly perpendicular to the southeasterly street line of Orloff Avenue (straight portion);

2) a 200 feet line on the aforementioned bisector running northeasterly from the aforementioned point;

3) a line parallel to West 238th Street passing through the northeasterly terminus of the second-named course;

4) Orloff Avenue;

5) Vancortlandt Avenue West;

6) A line 100 feet northerly of Sedgwick Avenue;

7) A line perpendicular to a point on the southeasterly street line of Cannon Place district 450 feet (as measured along the street line) northeasterly from the point of intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street;

8) Cannon Place;

9) Orloff Avenue;

10) West 238th Street;

11) A line perpendicular to a point on the easterly street line of West 238th Street distant 175 feet southerly (as measured along the street line) from the point of intersection of the southeasterly street lne of Bailey Avenue and the easterly street line of West 238th Street, extending 100 feet southeasterly; and

12) A line perpendicular to the southeasterly terminus of the eleventh-named course;

b) changing from an R7-1 District to an R6A District property bounded by:

1) Van Cortlandt Avenue West;
2) Stevenson Place and its easterly and westerly prolongation;
3) A line 360 feet southwesterly of Stevenson Place;
4) Sedgwick Avenue;
5) West 238th Streetl
6) Orloff Avenue;
7) Cannon Place;
8) A line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet northeasterly (as measured along the street line) from the intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street; and
9) A line 100 feet northerly of Sedgwick Avenue.

c) changing from an R6 District to an R4A District property bounded by:

1) Fort Independence Street;
2) Cannon Place and its westerly prolongation;
3) Giles Place;
4) A line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the point of intersection of the easterly prolongation of the center line of Cannon Place and the easterly street line of Giles Place;
5) A line 100 fee easterly of Giles Place;
6) A line 70 feet northwesterly of Sedgwick Avenue;
7) Giles Place
8) Kingsbridge Terrace;
9) A line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10) A line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the point of intersection of the southeasterly street line of Kingbridge Terrace and the northeasterly street line of Perot Street;
11) Perot Street;
12) A line 185 feet northwesterly of Sedgwick Avenue;
13) A line 100 feet southwesterly of Perot Street;
14) A line 100 feet northwesterly of Sedgwick Avenue;
15) West 231st Street;
16) Kingsbridge Terrace;
17) Albany Crescent;
18) A line 50 feet southeasterly of Bailey Avenue;
19) A line 100 feet northeasterly of Albany Crescent;
20) A line 85 feet northwesterly of Heath Avenue;
21) Summit Place;
22) Heath Avenue;
23) A line 125 feet westerly of Giles Place (the southerly section) and its southerly prolongation, extending 175 feet northerly from its intersection with Heath Avenue; and
24) A line perpendicular to the northerly terminus of the last-named course;

d) changing form an R6 District to an R6A District property bounded by:

1) West 238th Street;
2) Sedgwick Avenue;
3) West 231st Street;
4) a line 100 feet northwesterly of Sedgwick Avenue;
5) a line 100 feet southwesterly of Perot Street;
6) a line 185 feet northwesterly of Sedgwick Avenue;
7) Perot Street;
8) a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
9) a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10) Kingsbridge Terrace;
11) Giles Place;
12) a line 70 feet northwesterly of Sedgwick Avenue;
13) a line 100 feet easterly of Giles Place;
14) a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured alone the street line) from the intersection of the easterly center line prolongation of Cannon Place and the easterly street line of Giles Place;
15) Giles Place;

16) Cannon Place;
17) a line 375 feet northerly of the westerly center line prolongation of Cannon Place (east east-west section);
18) Fort Independence Street;
19) a line 300 feet southwesterly of West 238th Street; and
20) Cannon Place;

Community District 8, Borough of The Bronx as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE BOROUGH PRESIDENT'S OFFICE AT (718) 590-6124 WITH ANY QUESTIONS CONCERNING THIS MATTER..

QUEENS BOROUGH PRESIDENT

■ PUBLIC HEARINGS

Notice is hereby given that a Public Hearing will be held by the Borough President of Queens, Helen Marshall, on Thursday, July 15, 2004 at 10:30 A.M., in the Borough Presidents Conference Room located at 120-55 Queens Boulevard, Kew Gardens, New York 11424, on the following items:

NOTICE: Due to ongoing renovations at Queens Borough Hall, until further notice entry to the building will be from the Ground Level lobby at the rear of the building. The Ground Level lobby can be accessed by walking around either side of the building from Queens Boulevard, or through the east and west parking lots located at the rear of Borough Hall.

CD 06 - BSA #221-88 BZ – IN THE MATTER of an application submitted by Kramer Levin Naftalis & Frankel LLP on behalf of North Shore University Hospital, pursuant to Section 73-49 of the NYC Zoning Resolution, to waive the rules of procedure and reopen and amend a previously granted special permit allowing open parking on the roof of an accessory parking garage in an R7-1 district located at **102-01 66th Road,** Block 2131, portion of Lot 16, Zoning Map 14a, Forest Hills, Borough of Queens.

CD 05 - BSA #70-04 BZ – IN THE MATTER of an application submitted by Rothkrug Rothkrug Weinberg & Spector LLP on behalf of Rudolph Semar, pursuant to Section 73-36 of the NYC Zoning Resolution for a special permit to legalize a change in occupancy from a factory & storage building to a physical culture establishment in an M1-1 district located at **69-91 75th Street,** Block 3794, Lot 77, Zoning Map 13d, Middle Village, Borough of Queens (Laid over from the June 24, 2004 Land Use Public Hearing).

CD 04 - BSA #141-04 BZ – IN THE MATTER of an application submitted by Sheldon Lobel, P.C. on behalf of Major Air LLC, pursuant to Section 73-53 of the Zoning Resolution, for a special permit to allow an enlargement of an existing warehouse (Use Group 16) in an R6B district located at **94-34 45th Avenue,** Block 1602, Lot 18, Zoning Map 9d, Corona, Borough Queens (Laid over from the June 24, 2004 Land Use Public Hearing).

CD 13 - ULURP #040309 PPQ – IN THE MATTER of an application submitted by the Department of Small Business Services, pursuant to Section 197(c) of the NYC Charter, for disposition of one (1) city owned property located in an M1-1district adjacent to JFK International Airport bounded by **Rockaway Boulevard, Eastern Road and North Boundary Road,** Block 14260, part of Lot 1, Zoning Map 19b, Springfield Gardens, Borough of Queens.

CD 13 - ULURP #040310 PPQ – IN THE MATTER of an application submitted by the Department of Small Business Services, pursuant to Section 197(c) of the NYC Charter, for disposition of one (1) city owned property located in an M1-1district adjacent to JFK International Airport **bounded by Rockaway Boulevard, Eastern Road and North Boundary Road,** Block 14260, part of Lot 1, Zoning Map 19b, Springfield Gardens, Borough of Queens.

CD 08 - ULURP #040356 PPQ – IN THE MATTER of an application submitted by the Department of Citywide Administrative Services pursuant to Section 197(c) of the NYC Charter, for the disposition to the NYC Health & Hospitals Corporation of one (1) city-owned property in an R4 district located at 82-68 164th Street, Block 6858, part of Lot 1, Zoning Map 14c, Hillcrest, Borough of Queens. (Related applications ULURP#s 040357 ZSQ, N040358 ZAQ)

CD 08 - ULURP #040357 ZSQ – IN THE MATTER of an application submitted by the NYC Health & Hospitals Corporation and the Margaret Tietz Nursing and Rehabilitation Center, pursuant to Sections 197(c) and 201 of the NYC Charter, for the grant of a special permit pursuant to Section 74-90 of the NYC Zoning Resolution to allow a forty bed nursing home within an existing 10-story building in an R4 district located at **82-68 134th Street,** Block 6858, part of Lot 1, Zoning Map 14c, Hillcrest, Borough of Queens. (Related applications ULURP#s 040356 PPQ, N040358 ZAQ)

CD 08 - ULURP #N040358 ZAQ – IN THE MATTER of an application submitted by the NYC Health & Hospitals Corporation and the Margaret Tietz Nursing and Rehabilitation Center, pursuant to Section 23-631(h) of the NYC Zoning Resolution, for an authorization to allow penetration of the height and setback limitations to facilitate renovation of a building for use as a nursing home in an R4 district located at **82-68 164th Street,** Block 6858, part of Lot 1, Zoning Map 14c, Hillcrest, Borough of Queens. (Related applications ULURP#s 040356 PPQ, 040357 ZSQ)

CD 13 - ULURP #040446 ZMQ – IN THE MATTER of an application submitted by the Department of City Planning pursuant to Sections 197(c) and 201 of the NYC Charter for an amendment of the Zoning Map Section 19b, Brookville, Borough of Queens.

1. eliminating a C2-2 district within an existing R3-2 district in an area bounded by South Conduit Avenue, 224th Street, 144th Avenue, 223rd Street, a line 150 feet southerly of South Conduit Avenue, and Springfield Boulevard

2. changing an R3-2 district to R3-2 district in an area bounded by South Conduit Avenue, Lansing Avenue, 230th Place, 143rd Road, boundary of Brookville Park, 149th Avenue, Springfield Boulevard

3. changing an R3-2 district to an R3-1 district in an area bounded by South Conduit Avenue, Brookville Park, 143rd road, 230th Place, and Lansing Avenue

4. establish a C1-3 district to a depth of 100 feet in an area bounded by South Conduit Avenue, 223rd Street, and Springfield Boulevard.

CD 08 - ULURP #040492 ZMQ – IN THE MATTER of an application submitted by the Department of City Planning pursuant to Sections 197(c) and 201 of the NYC Charter for an amendment of the Zoning Map, Sections 14c and 14d, Jamaica Hill, Borough of Queens.

1. changing an R3-2 district to an R3X in an area bounded by 82nd Avenue, 175th Street, Grand Central Parkway service road, Utopia Parkway, Homelawn Street, Gothic Drive, 169th Street, and 172nd Street;

2. changing an R4 district to an R3X in an area bounded by 82nd Avenue, 172nd Street, Grand Central Parkway service road, 169th Street, 84th Avenue, Abigail Adams Avenue, 168th Street, 169th Street;

3. changing an R3-2 district to R4A in an area bounded by Gothic Drive, Homelawn Street, Highland Avenue, and 169th Street;

4. changing an R4 district to an R4A district in an area bounded by Gothic Drive, 168th Place, Gothic Drive and 168th Street;

5. changing an R5 district to an R4A in an area bounded by Gothic Drive, 169th Street, Highland Avenue, Homelawn Street, a line north of Hillside Avenue

NOTE: Individuals requesting Sign Language Interpreters should contact the Borough President's Office, (718) 286-2860, TDD users should call (718) 286-2656, no later than FIVE BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

jy8-15

CITY COUNCIL

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold a public hearing on the following matter in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, July 19, 2004:

Resolution amending Resolution No. 1043 (L.U. 423-A) adopted by the Council on October 15, 2003.

([Bracketed matter is deleted] Underlined matter is new).

The public service to be provided pursuant to this resolution shall be public communication services, including but not limited to, public pay telephone service, web telephones, public internet terminals, WIFI access points and other telecommunications services to the extent permitted by law.

Any franchise granted pursuant to this resolution shall be by written agreement and shall include, but not be limited to, the following terms and conditions to the extent permitted by law:

(1) the term of the franchise shall be [not exceed] fifteen (15) years;"

jy13-19

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, July 19, 2004:

QUEENS CB - 6 20045438 TCQ

Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of LNC Café Corp. to establish, maintain and operate an unenclosed sidewalk café located at 106-03 Metropolitan Avenue.

QUEENS CB - 11 C 020666 ZMQ

Application submitted by Lawrence Avroch, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 11b, establishing within an existing R2 District a C1-2 District bounded by Francis Lewis Boulevard, a line 250 feet northerly of the Horace Harding Expressway, a line midway between Francis Lewis Boulevard and 201st Street, and a line 150 feet northerly of the Horace Harding Expressway, as shown on a diagram (for illustrative purposes only) dated January 26, 2004.

BROOKLYN CB - 8 C 030294 ZMK

Application submitted by Artopolis and CPC Resources, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 16c and 17a;

1. changing from an M1-1 District to an R6 District property bounded by a line 150 feet westerly of Franklin Avenue, Dean Street, Franklin Avenue, and Bergen Street;

2. establishing within the proposed R6 District a C2-3 district bounded by a line 150 feet westerly of Franklin Avenue, Dean Street, Franklin Avenue, and Bergen Street;

as shown on a diagram (for illustrative purposes only) dated January 5, 2004 and subject to the conditions of CEQR Declaration E-128.

MANHATTAN CB - 2 C 040021 ZMM

Application submitted by Lafayette Commercial Condominium, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 12c, changing from an M1-5B District to a C6-2 District property bounded by Cleveland Place, Broome Street and Lafayette Street, as shown on a diagram (for illustrative purposes only) dated March 8, 2004, partially within the Special Little Italy District, and subject to the conditions of CEQR Declaration E-120.

QUEENS CB - 13 C 040115 ZMQ

Application submitted by Queens Community Board 13 and the Royal Ranch Civic Association, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 11d, changing from an R3-2 District to an R2 District, property bounded by:

a) Bridgewater Avenue, a line 100 feet northerly of 267th Street, 73rd Avenue, and 267th Street; and

b) 267th Street, a line 100 feet easterly of 73rd Avenue, the easterly prolongation of the southerly street line of 260th Place, and 73rd Avenue;

as shown on a diagram (for illustrative purposes only) dated March 22, 2004.

QUEENS CB - 2 N 040272 ZRQ

Application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter for amendments of the Zoning Resolution of the City of New York, concerning Article XI, Chapter 7, (Special Long Island City Mixed Use District), relating to the revision of mixed use zoning regulations within the Hunters Point Subdistrict and expansion of the Special Long Island City Mixed Use District and the Hunters Point Subdistrict boundaries.

Underlined matter is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;
* * * indicate where unchanged text appears in the Zoning Resolution

CHAPTER 7
SPECIAL LONG ISLAND CITY MIXED USE DISTRICT

* * *

~~7/26/01~~
117-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, three subdistricts are established within the #Special Long Island City Mixed Use District#. In each of these subdistricts certain regulations apply that do not apply within the remainder of the #Special Long Island City Mixed Use District#. The Special District and Subdistricts are shown in Appendix A of this Chapter.

Special regulations set forth in Sections 117-0~~5~~ -**10** through 117-30, inclusive, shall apply to the Hunters Point Subdistrict and shall supplement or supersede the provisions of Sections 117-00 through 117-03, inclusive.

* * *

~~7/26/01~~
117-~~05~~ 10
~~**Hunters Point Subdistrict**~~ **HUNTERS POINT SUBDISTRICT**

In the #Special Long Island City Mixed Use District#, the special regulations of Sections 117-10 through 117-30, inclusive, shall apply within the Hunters Point Subdistrict and, where noted in Sections 117-40 through 117-45, inclusive, shall also apply within the Court Square Subdistrict.

(Note: the proposed amendment would delete the contents of Sections 117-10 through 117-24 pertaining to the Hunters Point Subdistrict and new regulations would be inserted in some of those section numbers.)

~~7/26/01~~
~~**117-10**~~
~~**SPECIAL USE REGULATIONS FOR M1-4 DISTRICTS**~~

~~10/25/05~~

~~**117-11**~~
~~**Residential Use Regulations**~~

~~#Uses# listed in Use Groups 1 and 2 are allowed subject to the conditions set forth in Sections 117-111 through 117-114, inclusive, and subject to the #bulk# regulations set forth in Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS).~~

~~10/25/05~~

~~**117-111**~~
~~**Residential enlargements**~~
~~A #residential building# may be #enlarged# provided that the #enlargement# does not result in a new #dwelling unit#.~~

~~10/25/05~~

~~**117-112**~~
~~**Residential developments**~~

~~#Residential developments# are permitted, provided that:~~

~~(a) the #side lot lines# of the #zoning lot#, on which such #development# will be located, abut #zoning lots# occupied by #residential#, #community facility# or #commercial uses# other than #uses# listed in Use Groups 13 or 16;~~

~~(b) the frontage along the #street line# of such #zoning lot# does not exceed 60 feet and the total area of such #zoning lot# does not exceed 7,800 square feet; and~~

~~(c) no #use# listed in Use Groups 16, 17 or 18 is located on such #zoning lot#, or on the zoning lot# or lots abutting the rear #lot line# of such #zoning lot#.~~

~~10/25/05~~

~~**117-113**~~
~~**Changes in use**~~
~~A #residential use# may be changed to a #community facility use#.~~

~~10/25/05~~

~~**117-114**~~
~~**Authorizations for residential uses**~~
~~The City Planning Commission may authorize a #residential enlargement# resulting in additional #dwelling units# or a #residential development# on a #zoning lot# that does not comply with the requirements of Section 117-112 (Residential developments) provided it finds that the #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# on the same or abutting #zoning lot#.~~

~~In addition, for #residential developments#, the Commission shall find that:~~

~~(a) the #zoning lot# on which such #development# would be located has been vacant or #land with minor improvements#, continuously, for the five years immediately prior to the date of application for such authorization; and~~

~~(b) the #development# will not preempt any #zoning lot# which is essential to the normal functioning or growth of #manufacturing uses# within the District.~~

~~10/25/05~~

~~**117-12**~~
~~**Community Facility Use Regulations**~~

~~#Uses# in Use Groups 3 and 4 may be #developed# or #enlarged# subject to the #bulk# regulations set forth in Section 117-20.~~

~~10/25/05~~
~~**117-121**~~
~~**Changes of use**~~

~~A #community facility use# may be converted to a #residential use# provided a #use# listed in Use Group 16, 17 or 18 is not located within the #building#.~~

~~The City Planning Commission may authorize the change of a #community facility use# in a #building# also occupied by a #residential use# to a #commercial use# or a #manufacturing use#, pursuant to Section 117-122 (Authorizations for community facility uses).~~

~~The Commission may authorize the change of a #community facility use# in a #building# also occupied by a #use# listed in Use Group 16, 17 or 18 to a #residential use# pursuant to Section 117-122.~~

~~10/25/05~~
~~**117-122**~~
~~**Authorizations for community facility uses**~~

~~The City Planning Commission may authorize the following changes of #use# provided it finds that the #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from new or existing #commercial# or #manufacturing uses#:~~

~~(a) from a #community facility use# to a #use# listed in Use Group 5, 6, 7, 8, 9, 10, 12, 14, 16 or 17 in a #building#, or portion thereof, occupied by a #residential# and #community facility use#; or~~

~~(b) from a #community facility use# to a #residential use# in a #building# also occupied by a #use# listed in Use Group 16, 17 or 18.~~

~~10/25/05~~
~~**117-13**~~
~~**Commercial and Manufacturing Use Regulations**~~

~~#Commercial# and #manufacturing uses# are permitted subject to the provisions set forth in Sections 117-131 through 117-134, inclusive, and subject to the #bulk# regulations set forth in Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS), except that #uses# listed in Use Groups 13, 15 and 18 are not permitted.~~

~~10/25/05~~
~~**117-131**~~
~~**Developments, enlargements and extensions**~~

~~#Developments# containing #uses# listed in Use Group 5, 6, 7, 8, 9, 10, 11, 12 or 14 are permitted, provided that the #zoning lot# on which such #development# will be located has a #street line# abutting Fifth Street.~~

~~#Developments# containing #uses# listed in Use Group 16 or 17 are permitted, provided that the #zoning lot# on which such #development# will be located is not occupied by a #residential building#.~~

~~These restrictions shall not apply to the #enlargement# or #extension# of such #uses#.~~

~~10/25/05~~
~~**117-132**~~
~~**Changes of use**~~

~~Any #commercial# or #manufacturing use# may be changed to a #community facility use#. On #zoning lots# not exceeding 2,500 square feet, any #commercial# or #manufacturing use# may be converted to a #residential use#. On #zoning lots# exceeding 2,500 square feet, a #commercial# or #manufacturing use# may be converted to a #residential use# only pursuant to the provisions of Section 117-134 (Special permit for changes in use).~~

~~10/25/05~~
~~**117-133**~~
~~**Authorizations for commercial or manufacturing uses**~~

~~The City Planning Commission may authorize a #development# containing #uses# listed in Use Group 5, 6, 7, 8, 9, 10, 11, 12 or 14 to locate on a #zoning lot# with no #street line# abutting Fifth Street, provided it finds that the #use# will be #developed# on a #zoning lot# that has been vacant or #land with minor improvements#, continuously, for the five years immediately prior to the date of application for such authorization.~~

~~In addition, the Commission may authorize a #development# containing #uses# listed in Use Groups 16, 17 or 18 to locate on a #zoning lot# that is also occupied by a #residential building# provided it finds that the #development# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~**117-134**~~
~~**Special permit for changes in use**~~

~~On a #zoning lot# exceeding 2,500 square feet, the City Planning Commission may permit the conversion of a #building#, or portion thereof, in #manufacturing# or #commercial use# to #residential use#, provided it finds that:~~

~~(a) such #building#, or portion thereof, has been vacant, continuously, for a period of one year immediately prior to the date of such application;~~

~~(b) such #residential use# will not preempt any #building#, or portion thereof, that is essential to the normal functioning or growth of #manufacturing uses# within the District; and~~

~~(c) such #residential use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# located either on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~**117-14**~~
~~**Authorizations for Mixed Use Buildings**~~

~~The regulations set forth in Sections 117-141 and 117-142, inclusive, apply to #mixed use buildings#, as defined in Section 117-01 (Definitions).~~

~~10/25/05~~

~~**117-141**~~
~~**Developments and enlargements**~~

~~The City Planning Commission may, subject to the #use# regulations of Section 117-13 (Commercial and Manufacturing Use Regulations) and the #bulk# regulations of Section 117-20 (SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS), authorize a mixed #use development# or an #enlargement# of an existing #mixed use building#, provided it finds that:~~

~~(a) the #street wall# of the #development# or #enlargement# shall align with the #street wall# of an adjacent existing #building#;~~

~~(b) the #commercial# or #manufacturing use# in the #development# or #enlargement# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located either on the same #zoning lot# or on abutting #zoning lots#; and~~

~~(c) in the case of an #enlargement# of the portion of an existing #mixed use building# that is in #residential use#, such #use# will not be exposed to excessive noise, traffic, smoke, dust, noxious odor, or other impacts from #commercial# or #manufacturing uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~
~~**117-142**~~
~~**Changes of use**~~

~~The City Planning Commission may authorize a change of #use# in the portion of a #mixed use building# in #commercial use# to a #use# listed in Use Groups 16 or 17, provided it finds that the new #use# will not cause excessive noise, traffic, smoke, dust, noxious odor, or other impacts on #residential uses# located on the same #zoning lot# or on abutting #zoning lots#.~~

~~10/25/05~~

~~**117-20**~~
~~**SPECIAL BULK REGULATIONS FOR M1-4 DISTRICTS**~~

~~10/25/05~~
~~**117-21**~~
~~**Residential Uses**~~

~~The #bulk# regulations for #residential uses# in R6B Districts shall apply.~~

General provisions

In special areas of the Hunters Point Subdistrict of the #Special Long Island City Mixed Use District#, an M1 District is paired with a #Residence District#. For the purposes of this Chapter, such #Residence# and M1 Districts are referred to as the "designated districts." The designated districts within the Hunters Point Subdistrict are indicated on the #zoning map# and are as follows:

M1-4/R6A
M1-4/R6B
M1-4/R7A
M1-5/R7X
M1-5/R8A

117-20
SPECIAL PROVISIONS IN THE DESIGNATED DISTRICTS

117-21
Special Provisions for Use, Bulk and Parking

M1-4/R6A M1-4/R6B M1-4/R7A M1-5/R7X M1-5/R8A

The special #use#, #bulk# and parking provisions of Article XII, Chapter 3, of the #Special Mixed Use District# shall apply to the designated districts within the Hunters Point Subdistrict, except where modified by the provisions of this Section, and shall supplement or supersede the provisions of the designated #Residence# or M1 District, as applicable.

117-22
Modification of Use Group 6A

M1-4/R6A M1-4/R6B M1-4/R7A M1-5/R7X M1-5/R8A

The provisions of Section 42-12 (Use Groups 3A, 6A, 6B, 6D, 6F, 7B, 7C, &D, 7E, 8, 10A, 10B, 10C, 11, 12A, 12C, 12D, 12 E, 13, 14,and 16) pertaining to Use Group 6A shall be modified as follows:

> Food stores, including supermarkets, grocery stores, or delicatessen stores, shall not be limited as to #floor area# per establishment.

~~10/25/05~~

117-41
Court Square Subdistrict Plan

The Subdistrict Plan for the Court Square Subdistrict identifies the improvements to be provided in the District under the provisions of this Chapter. The elements of the Subdistrict Plan are set forth in Appendix B of this Chapter, which consists of the Subdistrict Plan Map and the Description of Improvements, and is incorporated into the provisions of this Chapter.

~~7/26/01~~

117-42
Special Bulk and Use Regulations in the Court Square Subdistrict

#Developments# or #enlargements# containing at least 70,000 square feet of #floor area# on #zoning lots# of at least 10,000 square feet are subject to the provisions of the underlying C5-3 District, as modified by Sections 117-40 through 117-45, inclusive.

Other #developments# or #enlargements# are subject to the #use# provisions of the underlying C5-3 District and the #bulk# provisions of an ~~M1-4 District~~ M1-4/R6B designated district pursuant to the regulations of Article XII, Chapter 3 (#Special Mixed Use District#), as modified by Sections 117-00 through ~~117-24~~ 117-22, inclusive.

~~7/26/01~~

117-421
Special bulk regulations

(a) #Developments# or #enlargements# that meet the minimum #floor area# and #zoning lot# standards of Section 117-44 (Mandatory subway improvements) and provide mandatory subway improvements as required by Section 117-44, may #develop# to a #floor area ratio# of 15.0. #Developments# or #enlargements# that do not meet the minimum standards of Section 117-44 shall not exceed the maximum #floor area ratios# ~~set forth in Sections 117-20 through 117-23, inclusive,~~ of the designated district for the applicable #use#.

(b) The following provisions shall not apply within the Court Square Subdistrict:

Section 33-14 (Floor Area Bonus for an Urban Plaza)

Section 33-15 (Floor Area Bonus for Arcades)

Section 33-26 (Minimum Required Rear Yards)

Section 34-223 (Floor area bonus for a residential plaza)

Section 34-224 (Floor area bonus for an urban plaza)

Section 34-225 (Floor area bonus for an arcade)

Section 34-23 (Density Bonus for a Residential Plaza, Urban Plaza or Arcade).

(c) The height and setback regulations of the underlying C5-3 District shall apply, except that no #building or other structure# shall exceed a height of 85 feet above the #base plane# within the area bounded by 23rd Street, 44th Road, a line 60 feet east of and parallel to 23rd Street, and a line 75 feet north of and parallel to 45th Road.

QUEENS CB - 2 **C 040273 ZMQ**

Application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 8d and 9b:

1. eliminating from an existing R6A District a C1-5 District bounded by:
   a. 51st Avenue, Vernon Boulevard, Borden Avenue, and a line 100 feet westerly of Vernon Boulevard; and
   b. 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street

2. eliminating from an existing R7A District a C1-5 District bounded by 44th Drive, a line 45 feet westerly of 23rd Street, a line midway between 44th Drive and 45th Avenue, and a line 100 feet westerly of 11th Street;

3. eliminating from an existing R7A District a C2-5 District bounded by Jackson Avenue, 21st Street, and 47th Road;

4. eliminating a Special Long Island City Mixed Use District (LIC) bounded by 51st Avenue, Jackson Avenue, and Vernon Boulevard;

5. changing from an M1-4 District to an R6B District property bounded by 44th Drive, 23rd Street, 45th Avenue, a line 90 feet westerly of 23rd Street, a line midway between 45th Avenue and 45th Road, a line 90 feet easterly of 21st Street, a line midway between 44th Drive and 45th Avenue, and a line 45 feet westerly of 23rd Street;

6. changing from an R6A District to an R7X District property bounded by 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street;

7. changing from an R7A District to an R7X District property bounded by:
   a. a line 100 feet northerly of 46th Avenue and its easterly prolongation, 23rd Street, Jackson Avenue, 21st Street, 46th Road, a line 90 feet easterly of 21st Street, 46th Avenue, and a line 215 feet westerly of 23rd Street; and
   b. 47th Avenue, Jackson Avenue, the northerly boundary line of the Long Island Railroad right-of-way, 11th Street, 50th Avenue, a line 100 feet southeasterly of Jackson Avenue, 51st Avenue, Vernon Boulevard, 50th Avenue, a line 250 feet easterly of Vernon Boulevard, a line 100 feet northwesterly of Jackson Avenue, 49th Avenue, a line 120 feet westerly of 11th Street, 48th Avenue, 11th Street, 47th Road, a line 235 feet easterly of 11th Street, and a line 100 feet northwesterly of Jackson Avenue;

8. changing from an M1-4 District to an M1-4/R6A District property bounded by:
   a. the southerly boundary of a Canal, a line 100 feet easterly of 5th Street and its northerly prolongation, a line midway between 47th Road and 48th Avenue, and 5th Street and its northerly centerline prolongation;
   b. 48th Avenue, a line 100 feet easterly of 5th Street, Borden Avenue, and 5th Street; and
   c. the northerly boundary line of John F. Murray Playground, a line 90 feet westerly of 21st Street, 46th Road, and a line 60 feet easterly of 11th Street;

9. changing from an M1-4 District to an M1-4/R6B District property bounded by:
   a. 45th Avenue, 23rd Street, a line 100 feet northerly of 46th Avenue, a line 215 feet westerly of 23rd Street, 46th Avenue, a line 90 feet westerly of 21st Street, a line midway between 45th Avenue and 45th Road, and a line 90 feet westerly of 23rd Street;
   b. 46th Road, a line 90 feet westerly of 21st Street, 47th Avenue, a line 100 feet northwesterly of Jackson Avenue, a line 235 feet easterly of 11th Street, 47th Road, and a line 60 feet easterly of 11th Street;
   c. 49th Avenue, a line 90 feet westerly of 21st Street, 50th Avenue, 21st Street, the Queens Midtown Expressway, the Queens Midtown Tunnel Plaza, 11th Street, 51st Avenue, a line 100 feet southeasterly of Jackson Avenue, 50th Avenue, and 11th Place;
   d. 46th Road, a line 100 feet westerly of 11th Street, 48th Avenue, a line 120 feet westerly of 11th Street, 49th Avenue, a line 100 feet northwesterly of Jackson Avenue, a line 250 feet easterly of Vernon Boulevard, 50th Avenue, and a line 100 feet easterly of Vernon boulevard;
   e. 47th Avenue, a line 100 feet westerly of Vernon Boulevard, a line midway between 47th Road and 48th Avenue, and a line 100 feet easterly of 5th Street;
   f. 48th Avenue, a line 100 feet westerly of Vernon Boulevard, a line midway between 51st Avenue and Borden Avenue, and a line 100 feet easterly of 5th Street; and
   g. 51st Avenue, 5th Street, a line 50 feet southerly of the northerly street line of Borden Avenue, and 2nd Street;

10. changing from an R7A District to an M1-4/R7A District property bounded by 44th Drive, a line 45 feet westerly of 23rd Street, a line midway between 44th Drive and 45th Avenue, and a line 100 feet westerly of 11th Street;

11. changing from an M1-4 District to an M1-4/R7A District property bounded by:
   a. a line 100 feet northerly of 44th Drive, 23rd Street, 44th Drive, and a line 100 feet westerly of 11th Street;
   b. a line midway between 44th Drive and 45th Avenue, a line 90 feet westerly of 21st Street, the northerly boundary line of John F. Murray Playground, a line 60 feet easterly of 11th Street, 47th Road, 11th Street, 48th Avenue, and a line 100 feet westerly of 11th Street; c. a line midway between 47th Road and 48th Avenue, a line 100 feet westerly of Vernon Boulevard, 48th Avenue, and 5th Street; and d. 49th Avenue, 5th Street, 51st Avenue, and a line 100 feet westerly of 5th Street;

12. changing from an R6A District to an M1-5/R7X District property bounded by 51st Avenue, Vernon Boulevard, Borden Avenue, and a line 100 feet westerly of Vernon Boulevard;

13. changing from an R7A District to an M1-5/R7X District property bounded by 21st Street, 47th Road, and Jackson Avenue;

14. changing from an M1-4 District to an M1-5/R7X District property bounded by:
   a. the northerly boundary line of the Long Island Railroad right-of-way, 11th Place and its northerly centerline prolongation, 50th Avenue, and 11th Street; and
   b. a line midway between 51st Avenue and Borden Avenue, a line 100 feet westerly of Vernon Boulevard, Borden Avenue, and a line 100 feet easterly of 5th Street;

15. changing from an M1-6 District to an M1-5/R7X District property bounded by 47th Road, 21st Street, the northerly boundary line of the Long Island Railroad right-of-way, and Jackson Avenue;

16. changing from an M3-1 District to an M1-5/R7X District property bounded by Jackson Avenue, Crane Street, a line 250 feet southeasterly of

Jackson Avenue, and 21st Street;

17. changing from an M1-4 District to an M1-5/R8A District property bounded by 49th Avenue, a line 100 feet westerly of 5th Street, 51st Avenue, 2nd Street, 50th Avenue, and a line 400 feet westerly of 5th Street;

18. establishing within a proposed R7X District a C2-5 District bounded by 46th Road, 21st Street, 47th Avenue, and a line 90 feet westerly of 21st Street; and

19. establishing a Special Long Island City Mixed Use District (LIC) bounded:

a. a line 100 feet northerly of 44th Drive, a line 90 feet westerly of 21st Street, 44th Drive, and a line 100 feet westerly of 11th Street;

b. a line 100 feet northerly of 44th Drive, a line 115 feet westerly of 23rd Street, 44th Drive, and 21st Street;

c. a line midway between 44th Drive and 45th Avenue, 11th Street, 45th Avenue, and a line 100 feet westerly of 11th Street;

d. 46th Avenue, 11th Street, 46th Road, and a line 100 feet westerly of 11th Street;

e. Jackson Avenue, Crane Street, a line 250 feet southeasterly of Jackson Avenue, 21st Street, the northerly boundary line of the Long Island Railroad right-of-way, the northerly centerline prolongation of 11th Place, 49th Avenue, 11th Street, Jackson Avenue, 47th Road, and 21st Street;

f. the service road of the Queens Midtown Tunnel Plaza, 21st Street, Queens Midtown Expressway, the Queens Midtown Tunnel Plaza, and 11th Street;

g. the southerly boundary of a Canal, a line 100 feet easterly of 5th Street and its northerly prolongation, 47th Avenue, and 5th Street and its northerly centerline prolongation; and

h. 49th Avenue, 5th Street, a line 50 feet southerly of the northerly street line of Borden Avenue, 2nd Street, 50th Avenue and a line 400 feet westerly of 5th Street;

within the Special Long Island City Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 9, 2004, and subject to the conditions of CEQR Declaration E-129.

MANHATTAN CB - 5 C 040331 ZMM

Application submitted by the Department of City Planning and Richard Chapman and Associates pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 8d and 12c, changing from an M1-6M District to a C6-4A District property bounded by West 22nd Street, a line 100 feet westerly of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet easterly of Avenue of the Americas, as shown on a diagram (for illustrative purposes only) dated March 22, 2004, and subject to the conditions of CEQR Declaration E-131.

MANHATTAN CB - 5 N 040332 ZRM

Application submitted by the Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York relating to an increase in street wall height within the Ladies' Mile Rezoning Area, the grandfathering of an existing special permit, and a clarification of the zoning text.

Matter underlined is new, to be added;
Matter in ~~strikeout~~ is to be deleted; and
*** represents text for which no change is proposed

Article I, Chapter 1

Section 11-44
Special Permits Granted Prior to (effective date of amendment)

Within the area bounded by West 22 Street, a line 100 feet west of Fifth Avenue, a line midway between West 16 Street and West 17 Street, and a line 100 feet east of Sixth Avenue, any special permit granted by the City Planning Commission may be started or continued, in accordance with the terms thereof, or as such terms may be subsequently modified, pursuant to the #bulk# regulations in effect at the time such special permit was granted, subject to the provisions of Sections 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and 11-43 (Renewal of Authorization or Special Permit).

32-21
Use Group 12

C4 C6 C7 C8

Use Group 12 consists primarily of fairly large entertainment facilities that:

(1) have a wide service area and generate considerable pedestrian, automotive or truck traffic; and

(2) are, therefore, appropriate only in secondary, major or central commercial areas.

Certain public service establishments are also included.

A. Amusements

***

** Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing [PRC-D]

In C4 Districts, a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. In C4 Districts, such establishment shall be a minimum of 100 feet from a #Residence District# boundary, except that within 100 feet from a #Residence District# boundary, such establishment is permitted only by special permit pursuant to Section 73-244.

In C6-1, C6-2, C6-3 and C6-4 Districts, a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. In these districts, the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residential District# boundary.

Historical exhibits, provided such #use# is contained within a #completely enclosed building# [PRC-D]

***

E. #Accessory Uses#

* In a C4 District, a #use# in Use Group 12, marked with an asterisk, shall not be located on the ground floor of a #building# unless such #use# is at least 50 feet from the #street wall#

of the #building# in which it is located, as provided in Section 32-423 (Limitation on ground floor location).

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22th Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue, eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, are permitted only by special permit of the Board of Standards and Appeals in accordance with Section 73-244.

***

32-31
By the Board of Standards and Appeals

In the districts indicated, the following #uses# are permitted by special permit of the Board of Standards and Appeals, in accordance with standards set forth in Article VII, Chapter 3.

***

C3
Eating or drinking establishments with musical entertainment but not dancing, with a capacity of 200 persons or less [PRC-B]

C2 C3 C4* C6-4**
Eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing [PRC-D]

***

* In C4 Districts, such #use# is permitted within 100 feet from a #Residence District# boundary only as provided in Section 73-244.

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue, such #use# is permitted only as provided in Section 73-244.

***

73-244
In C2, C3, C4*, C6-4, M1-5A, M1-5B, M1-5M and M1-6M Districts and the Special Tribeca Mixed Use District**

In C2, C3, C4*, C6-4**, M1-5A, M1-5B, M1-5M and M1-6M Districts and the #Special Tribeca Mixed Use District#, the Board of Standards and Appeals may permit eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing, for a term not to exceed three years, provided that the following findings are made:

(a) that a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. A plan shall be provided to the Board to ensure that the operation of the establishment will not result in the gathering of crowds or the formation of lines on the #street#;

(b) that the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residence District# boundary;

(c) that such #use# will not cause undue vehicular or pedestrian congestion in local #streets#;

(d) that such #use# will not impair the character or the future use or development of the surrounding #residential# or mixed use neighborhoods;

(e) that such #use# will not cause the sound level in any affected conforming #residential use#, #joint living-work quarters for artists# or #loft dwelling# to exceed the limits set forth in any applicable provision of the New York City Noise Control Code; and

(f) that the application is made jointly by the owner of the #building# and the operators of such eating or drinking establishment.

The Board shall prescribe appropriate controls to minimize adverse effects on the character of the surrounding area, including, but not limited to, location of entrances and operable windows, provision of sound-lock vestibules, specification of acoustical insulation, maximum size of establishment, kinds of amplification of musical instruments or voices, shielding of flood lights, adequate screening, curb cuts or parking.

Any violation of the terms of a special permit may be grounds for its revocation.

* In C4 Districts where such #use# is within 100 feet from a #Residence District# boundary.

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue.

***

MANHATTAN CB - 5 **C 040333 ZSM**

Application submitted by Richard Chapman & Associates pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 363 spaces on a portion of the first floor, cellar and sub-cellar of a proposed mixed building at 7-13 West 21st Street a.k.a. 6-14 West 22nd Street (Block 823, Lot 31), in a C6-4A District, within the Ladies' Mile Historic District.

MANHATTAN CB - 5 **C 040334 ZSM**

Application submitted by Richard Chapman & Associates pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 105 spaces on a portion of the first floor, cellar and sub-cellar of a proposed mixed building at 4 West 21st Street (Block 822, Lot 45), in a C6-4A District, within the Ladies' Mile Historic District.

QUEENS CB - 13 **C 040344 ZMQ**

Application submitted by the Department of City Planning, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 11d and 15c:

1. changing from an R3-2 District to an R2 District property bounded by Union Turnpike, the southwesterly service road of the Cross Island Parkway, a line parallel to Union Turnpike passing through a point on the southwesterly line of the southwesterly service road of the Cross Island Parkway at a point distant 43 feet southerly from the intersection of Union Turnpike, a line 90 feet westerly of the westerly street line of 242nd Street and its northerly prolongation, a line at right angles to the previous course distant 630 feet southerly of Union Turnpike, a line 170 feet westerly of 242nd Street, 82nd Avenue and its westerly prolongation, a line 150 feet westerly of 242nd Street, a line 220 feet northerly of 83rd Avenue, the westerly street line of 240th Street and its southerly and northerly prolongation, Hillside Avenue, and Commonwealth Boulevard; and

2. changing from an R3-2 District to an R3A District property bounded by Hillside Avenue, a line 100 feet westerly of 239th Street, 87th Avenue, and the easterly service road of the Cross Island Parkway;

as shown on a diagram (for illustrative purposes only) dated March 22, 2004.

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, July 19, 2004:

MANHATTAN CB - 6 **20045503 HKM**

Designation (List No. 351, LP-2140) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Murray Hill Historic District Extension, located within the current Murray Hill Historic District.

MANHATTAN CB - 3 **20045615 HKM**

Designation (List No. 352, LP-2143) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Kehila Kadosha Janina Synagogue, located at 280 Broome Street.

BROOKLYN CB - 1 **20045617 HKK**

Designation (List No. 352, LP-2152) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the F.J. Birlenbach House, located at 174 Meserole Street.

BROOKLYN CB - 4 **20045633 HKK**

Designation (List No. 353, LP-2054) by the Landmarks Preservation Commission pursuant to Section 3020 of the New York City Charter of the Brooklyn Public Library, Dekalb branch, located at 790 Bushwick Avenue (a.k.a. 1176 Dekalb Avenue).

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, July 19, 2004:

BROOKLYN CB - 5 **C 040203 HAK**

Application submitted by the Department of Housing Preservation and Development (HPD)

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 433-439 DeWitt Avenue (Block 4318, Lots 31-34), as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of 433, 437, and 439 DeWitt Avenue (Block 4318, Lots 31-32 and 34) to developer selected by HPD;

to facilitate development of a four-story building tentatively known as the PSCH DeWitt Residence, with approximately 19 apartments for low income persons with mental illness, to be developed under the HUD Section 811 Supportive Housing for Persons with Disabilities Program.

MANHATTAN CB - 10 **C 040269 HUM**

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1ST amendment to the Bradhurst Urban Renewal Plan for the Bradhurst Urban Renewal Area.

MANHATTAN CB - 10 **C 040270 ZMM**

Application submitted by the Department of Housing Preservation and Development, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1) eliminating from an existing R7-2 District, a C1-4 District bounded by West 146th Street, Frederick Douglass Boulevard, West 145th Street, and a line 100 feet westerly of Frederick Douglass Boulevard;

2) changing from an R7-2 District to a C4-4D District property bounded by West 146th Street, Frederick Douglass Boulevard, West 145th Street, and a line 100 feet westerly of Frederick Douglass Boulevard; and

3) changing from an R8 District to a C4-4D District property bounded by West 146th Street, a line 100 feet westerly of Frederick Douglass Boulevard, West 145th Street and Bradhurst Avenue;

within the Bradhurst Urban Renewal Area, as shown on a diagram (for illustrative purposes only) dated February 9, 2004.

MANHATTAN CB - 10 **C 040271 HAM**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of 301, 303, 305, 307-311, 313, 315 and 317 West 145th Street, 2731 Frederick Douglass Boulevard, 304-306 West 146th Street and 68 Bradhurst Avenue (Block 2045, Lots 1-4, 7-10, 18, 21 and 110), as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of 307-311, 313, 315 West 145th Street, 2731 Frederick Douglass Boulevard, 304-306 West 146th Street and 68 Bradhurst Avenue (Block 2045, Lots 110, 21, 18, 10, 2-4) to a developer to be selected by HPD;

to facilitate development of an eleven-story mixed-use building with 185 units of cooperative housing and retail space to be developed through HPD's Cornerstone Program.

BRONX CB - 12 **C 040274 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) The designation of property located at 3377 White Plains Road (Block 4624, Lot 37), as an Urban Development Action Area Project for such area; and

   b) An Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a seven-story building tentatively known as RAIN Apartments for the Elderly, with approximately 72 units of low-income housing for senior citizens, plus one unit for a superintendent, and a senior citizens center to be developed under the New York State Housing Trust Fund Program.

BRONX CB - 6 **N 040352 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Article 16 of the General Municipal Law of New York State for:

1. The designation of property located at 2339 Prospect Avenue (Block 3102, Lot 47), as an Urban Development Action Area; and

2. An Urban Development Action Area Project for such area;

to facilitate development of a six-story building tentatively known as Residencial Estrella-Vargas, with approximately 32 units of permanent housing for low-income families and one unit for the superintendent, to be developed under the HPD Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 1 and 20045650 HAX through 20045653 HAK.

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, July 14, 2004, commencing at 10:00 a.m.

BOROUGH OF BROOKLYN

CD 2 **C 010645 ZMK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section No. 12d:**

1. **changing from an M1-2 District to an M1-2/R8 District property bounded by** Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street; and

2. **establishing a Special Mixed Use District (MX-2) within the area bounded** by Water Street, a line 230 feet westerly of Main Street, Front Street, and Dock Street;

as shown on a diagram (for illustrative purposes only) dated March 24, 2004, and subject to the conditions of CEQR Declaration E-132.

CD 2 **C 010646 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-743(a)(2) of the Zoning Resolution **to allow the location of a proposed 16-story mixed use building without regard for the applicable yard, court and height and setback regulations, on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 010647 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-512 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 327 spaces on portions of the cellar floor, ground floor and second floor, and to allow floor space up to a height of 23 feet above curb level to be exempted from the definition of floor area as set forth in Section 1210 (DEFINITIONS), in a proposed 16-story mixed use building on a zoning lot located at 38-64 Water Street a.k.a. 9-43 Dock Street** (Block 36, Lots 1, 3, and 14), within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

CD 2 **C 030492 ZSK**

IN THE MATTER OF an application submitted by the Two Trees Management Co. pursuant to Sections 197c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (Use Regulations) to allow residential use (Use Group 2 uses) on the 2nd floor, 3rd floor and 4th floor of an existing 4-story building on a zoning lot located at 85 Water Street** (Block 26, Lots 33 and 38), in an M3-1 District, within a General Large Scale Development (Block 36, Lots 1, 3, 14, 16, and 116, Block 26, Lots 33 and 38), within M1-2/R8*, M1-2/R8A and M3-1 Districts, partially within a Special Mixed Use District (MX-2)*, partially within the Fulton Ferry Historic District.

* Note: A portion of the site is proposed to be rezoned by changing an M1-2 District to an M1-2/R8 District, and by establishing a Special Mixed Use District (MX-2), under a related application (C 010645 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y.

NOTICE

On Wednesday, July 14, 2001, at 10:00 a.m., in Spector Hall at the Department of City Planning, 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an amendment to the zoning map to change an M1-2 zoning district to an M1-2/R8 (MX-2) zoning district, for the western portion of the block bounded by Water, Front, Dock and Main Streets in the DUMBO area of Community District 2, Brooklyn, as well as a Special Permit pursuant to Section 74-743 of the Zoning Resolution for bulk modifications in a General Large Scale Development, a Special Permit pursuant to Section 74-512 of the Zoning Resolution to permit the construction of a public parking garage in excess of 150 spaces and to allow a portion of the garage floor area to be exempted from the definition of floor area, and a Special Permit pursuant to Section 74-711 of the Zoning Resolution to allow use modifications for a building located within a Historic District.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 00DCP015K.

BOROUGH OF MANHATTAN

CD 3 **C 040314 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 59-61 East 4th Street (Block 460, Lot 56), 62-72 East 4th Street (Block 459, Lots 17-19, 21-22) and 19 East 3rd Street (Block 459, Lot 40), Sites 4 and 5 within the Cooper Square Urban Renewal Area, as an Urban Development Action Area;

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate the rehabilitation and disposition of six buildings and a vacant lot, tentatively known as the East 4th Street Cultural District, to preserve and promote the cultural activity of East 4th Street.

(On June 23, 2004, Cal. No. 5, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 8 **C 030284 MMM**

IN THE MATTER OF an application, submitted by Hudson Related Associates, LLC, pursuant to Sections 197-c and 199 of the New York City Charter and section 5-430 *et. seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of a southerly extension of Main Street;
- the elimination, discontinuance and closing of a portion of Main Street at the existing southerly terminus;
- adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

Community District 8, Borough of Manhattan, in accordance with Map No. 30212 dated March 4, 2004 and signed by the Borough President.

CD 11 **C 040443 ZMM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 6a and 6b:**

1. **eliminating from an existing R7-2 District a C1-4 District bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 100 feet westerly of Park Avenue;

2. **changing from an R7-2 District to a C4-7 District property bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 85 feet easterly of Madison Avenue; and

3. **changing from a C4-4 District to a C4-7 District property bounded by** East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, and a line 215 feet westerly of Park Avenue;

as shown on a diagram (for illustrative purposes only) dated May 10, 2004 and subject to the conditions of CEQR Declaration E-133.

(On June 23, 2004, Cal. No. 6, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

CD 11 **C 040444 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-721(a) of the Zoning Resolution **to modify the height and setback regulations of Section 3343 (Maximum Height of Walls and Required Setbacks) and the tower regulations of Section 3345 (Tower Regulations) of the Zoning Resolution to facilitate the development of a 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 11 **C 040445 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 7452 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 369 spaces on portions of the ground floor, cellar 1 level, cellar 2 level and cellar 3 level of a proposed 42 story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4-7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.
(On June 23, 2004, Cal. No. 8, the Commission scheduled July 14, 2004 for a public hearing which has been duly advertised.)

Citywide **N 040414 ZRY**

IN THE MATTER OF an Application submitted by the Department of City Planning pursuant to Section 201 of the

New York City Charter, **for an amendment to the Zoning Resolution** of the City of New York to establish a lower density growth management area, as follows:

Matter in underline is new, to be added;
matter in ~~strikeout~~ is old, to be deleted;
Matter within # # is defined in Section12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

* * *

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY, the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

(1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

(2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

(3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2, R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:

The Borough of Staten Island

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#.
An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44	Authorizations or Permits in Lower Density Growth Management Areas
12-10	(DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43	(Detached and Semi-Detached Two-Family Residences)
23-141	(Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32	(Minimum Lot Area or Lot Width for Residences)
23-44	(Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461	(Side yards for single-or two-family residences)
23-462	(Side yards for all other residential buildings)
23-533	(Required rear yard equivalents)
23-541	(Within 100 feet of corners)
23-542	(Along short dimension of block)
23-544	(For portions of through lots)
23-631	(Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711	(Standard minimum distance between buildings)
23-88	(Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22	(Requirements Where Individual parking Facilities Are Provided)
25-23	(Requirements Where Group parking Facilities Are

Provided)
25-621 (Location of parking spaces in certain districts)
25-622 (Location of parking spaces in lower density growth management areas)
25-631 (Location and width of curb cuts in certain districts)
25-632 (Driveway and curb cut regulations in lower density growth management areas)
25-64 (Restrictions on Use of Open Space for Parking)
25-66 (Screening)
26-30 (SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40 (STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702 (Applicability of lower density growth management area regulations)
119-05 (Applicability of Parking Location Regulations)
119-214 (Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50*
R4A R4-1	governed by #yard# requirements		.75*
R2X	governed by #yard# requirements		.85*
R3-1			
R3-2**	35	65	.50*
R4**	45	55	.75*
R4B	55	45	.90
R5**	55	45	1.25
R5B	55	45	1.35

* ~~the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

** ~~The permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1980 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

* * *

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or #two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required,provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total With# (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-2 R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10
In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1 within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;
"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (f) shall apply to any #zoning lot# with a #building# located behind another #building# so that lines drawn perpendicular to the #street line# intersect both such #buildings#, and where the #private road# provisions do not apply. For the purposes of this paragraph, a "front building" shall be any #building# with no #building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any rear building and any front building.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph, (b), shall apply to any #zoning lot# not accessed by #private roads# where a #residential building# is located wholly beyond 50 feet of a #street line# and behind another #residential building# fronting upon the same #street line# so that lines drawn perpendicular to the #street line# intersect both such #buildings#. For the purposes of this paragraph, a "front building" shall be any #building# with no #building#located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #building#, and a "rear building" shall be any other #building# on the #zoning lot#. An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

* * *

Chapter 5
Accessory Off-Street Parking and Loading Regulations

* * *

25-20
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES

* * *

25-22
Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In the districts indicated, within #lower density growth management areas#, where #group parking facilities are not provided, two #accessory# off-street parking spaces shall be provided for each#single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total #Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, two #accessory# off-street parking spaces shall be provided for each #single-family residence# and three #accessory# off-street parking spaces shall be provided for each #two-family residence#. For all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

The provisions of this Section shall apply within all #lower density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(e) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64
Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied bydriveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.

In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~; (2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

* * *

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or
(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or
(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30.(SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS , and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high within three years.

26-32
Minimum Distance Between Walls and Lot Lines

For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.
No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and
(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20feet of being opposite to one another, and
(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening

All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

* * *

Article X - Special Purpose Districts

* * *

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts
Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback

Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet~~. Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

* * *

107-30
TOPOGRAPHIC AND TREE REGULATIONS

* * *

107-321
Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage~~. These trees shall be planted in accordance with the requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one #story# or two #story detached residence#, existing prior to September 9, 1990, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~

~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~

107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space). ~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:

(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required#open space# not within the #designated open space#;

(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#;

(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#

However, in all districts, a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their common #lot lines#.

As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~**107-465**~~
~~**Rear yards**~~

~~In all underlying districts, except R1 Districts, for permitted #single#- or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 foot rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts
Chapter 9
Special Hillsides Preservation District

* * *

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on

both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

COMPTROLLER

■ **PUBLIC HEARINGS**

Notice is hereby given that a Public Hearing will be held in the Municipal Building, One Centre Street, Room 736 - conference room, on July 20, 2004 at 2:30 p.m. on the following item.

In The Matter Of a proposed contract between the Office of the Comptroller and Security Capital Research & Management, Inc., 11 South LaSalle Street, Chicago, Illinois 60603 for the provision of U.S. Real Estate Equity Securities Investment Advisory Services for the Teachers' Retirement System for the City of New York, acting on behalf of said SYSTEM, and such other additional Systems, funds and accounts as may be designated in writing from time to time by the Comptroller with the concurrence of the Advisor (collectively, the "SYSTEMS") and Security Capital Research & Management, Inc.

The term of the contract will commence August 1, 2004 and will end June 30, 2007 with options to renew. The amount of the contract is not to exceed $3,090,000 of which NO DOLLARS will be paid with city funds.

PIN #015-0286404 RS

The proposed contractor was selected pursuant to a competitive sealed proposal process in accordance with Section 3-03 of the PPB Rules.

A copy of the contract, or excerpts thereof, can be seen at the Office of the Comptroller, One Centre Street, Room 736, New York, New York 10007, Monday through Friday excluding holidays commencing July 9, 2004 through July 20, 2004 between 9:30 a.m. – Noon and 1:30 - 4:30 p.m.

jy9-20

COMMUNITY BOARDS

■ **PUBLIC HEARINGS**

PUBLIC NOTICE IS HEREBY GIVEN that the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BROOKLYN

COMMUNITY BOARD NO. 13 - Wednesday, July 14, 2004, 7:00 P.M., Coney Island Hospital-2nd fl., 2601 Ocean Parkway, Brooklyn, NY
C 040199 PQK

IN THE MATTER OF an application submitted by the Department of Sanitation and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the acquisition of property located at 2012 Neptune Avenue (Block 7018, Lot 1) Brooklyn, for continued use as a garage.

TRANSPORTATION

■ **PUBLIC HEARINGS**

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, July 28, 2004. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing 2700 Broadway LLC to construct, maintain and use an underground structure under the north sidewalk of West 103rd Street, east of Broadway, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $11,744/per annum.
For the period July 1, 2005 to June 30, 2006 - $12,034
For the period July 1, 2005 to June 30, 2006 - $12,324
For the period July 1, 2006 to June 30, 2007 - $12,614
For the period July 1, 2007 to June 30, 2008 - $12,904
For the period July 1, 2008 to June 30, 2009 - $13,194
For the period July 1, 2009 to June 30, 2010 - $13,484
For the period July 1, 2010 to June 30, 2011 - $13,774
For the period July 1, 2011 to June 30, 2012 - $14,064
For the period July 1, 2012 to June 30, 2013 - $14,354
For the period July 1, 2013 to June 30, 2014 - $14,644
For the period July 1, 2014 to June 30, 2015 - $14,934

the maintenance of a security deposit in the sum of $14,950, and the filing of an insurance policy in the minimum amount of $1,250,000/$5,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $1,000,000.

#2 In the matter of a proposed revocable consent authorizing East 76th Street, LLC to install, maintain and use planter on the north sidewalk of East 76th Street, between first and York Avenues, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2015 - $25/per annum.

the maintenance of a security deposit in the sum of $200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#3 In the matter of a proposed revocable consent authorizing The American Jewish Committee to install, maintain and use planters on the north sidewalk of West 56th Street, west of Third Avenue and on the west sidewalk of Third Avenue, north of East 56th Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2004 to June 30, 2014, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2014 - $444/per annum.

the maintenance of a security deposit in the sum of $1,800, and the filing of an insurance policy in the minimum amount of $1,000,000/$250,000 for bodily injury and property damage for each occurrence in the aggregate amount of $50,000.

#4 In the matter of a proposed revocable consent authorizing ExxonMobile Oil Corporation to continue to maintain and use conduits, together with cleanouts and pull boxes, in Van Dam Street, Nassau Avenue, Varick Street, Meeker Avenue, Bridgewater Street and Garden Avenue, and recovery well "G" in Meeker Avenue, east of Gardner Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $24,295
For the period July 1, 2005 to June 30, 2006 - $24,881
For the period July 1, 2006 to June 30, 2007 - $25,467
For the period July 1, 2007 to June 30, 2008 - $26,053
For the period July 1, 2008 to June 30, 2009 - $26,639
For the period July 1, 2009 to June 30, 2010 - $27,225
For the period July 1, 2010 to June 30, 2011 - $27,811
For the period July 1, 2011 to June 30, 2012 - $28,397
For the period July 1, 2012 to June 30, 2013 - $28,983
For the period July 1, 2013 to June 30, 2014 - $29,569
For the period July 1, 2014 to June 30, 2015 - $30,155

the maintenance of a security deposit in the sum of $30,200, and the filing of an insurance policy in the minimum amount of $500,000/$2,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $200,000.

COURT NOTICES

SUPREME COURT

■ **NOTICE**

COUNTY OF QUEENS:
IA PART 8

NOTICE OF ACQUISITION
Index No. 10240/04

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, to all or part of **Beach 40th Street, Beach 41st Street, Beach 42nd Street, Beach 43rd Street, Beach 44th Street, and Beach 45th Street from Beach Channel Drive to Rockaway Beach Boulevard; Reinhart Road from Beach 44th Street to Beach 45th Street; and Rockaway Beach Boulevard from Beach 40th Street to Beach 45th Street,** in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on June 28, 2004, the application of the City of New York to acquire certain real property, for street widening and sewer and drainage purposes, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on June 29, 2004.
Title to the real property vested in the City of New York on June 29, 2004.

The City has acquired the following parcels of real property:

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to sections 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 29, 2005 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL section 504, the claim shall include:

(A) the name and post office address of the condemnee;

(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL section 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to section 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 29, 2006 (which is two (2) calendar years from the title vesting date).

Dated: July 7, 2004, New York, New York

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.
All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. **RESPONSES ARE DUE NO LATER THAN 4:00 p.m., Monday, August 9, 2004.** Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit www.nycedc.com/BTMRCrfp or call (212) 312-3969.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation Contract Administration, 110 William Street, 6th Floor New York, New York 10038. Paul Tamboia, CPPB Agency Chief Contracting Officer.

Construction / Construction Services

ST. GEORGE FERRY TERMINAL TILE AND TERRAZZO AND SITE IMPROVEMENTS – Public Bid – PIN# 11490019 AND 11490021 – DUE 08-05-04 AT 11:00 A.M. – The New York City Economic Development Corporation, in conjunction with the New York City Department of Transportation, is currently seeking interested contractors to participate in the phased rehabilitation of the St. George Ferry Terminal located on Staten Island. This Project is in progress and the existing Terminal building is being completely rehabilitated.

Construction has been planned and is being performed in phases to ensure that the ferry operations continue safely, without interruption throughout the construction period. This multi-million project will be completed in December of 2004.

The estimated total construction cost of the project is approximately $80 to $90 million and is funded by New York State, New York City, and the US DOT FTA. At the present time, Invitations to Bid are being made for two (2) contract packages:

(1) EDC Contract 11490019: Tile and Terrazzo
Work includes: Wall Tile, Composite Stone Floor Tile, Poured Epoxy Terrazzo (3800 sq. ft.), Gypsum Boad Assemblies, Expansion Joint covers. Work associated with these areas, e.g. Grout, is also included.
(2) EDC Contract 11490021: Site Improvements
Work includes: Limited Site Demolition (Sidewalk and Curb), Milling (limited), Drainage and Dewatering (limited), Portland Cement Steel-Faced Curbs, Grout, Concrete and Asphaltic Concrete Sidewalks and Driveways, Concrete and Asphalt Unit Pavers, Fences and Gates, Steel Pipe Bollards, Site Furnishings, Exterior Plants, Signage and Wayfinding, Double Cantilever Sign Structure, Ornamental Handrails and Railings, Ornamental Metal Work. Work associated with these areas is also included.

11% DBE participation is required. The successful bidder will be required to provide a Payment and Performance Bond and a 10% Proposal (Bid) Bond.

Bid Packages can be obtained as of July 6th 2004, by sending a written request to the Site Office of EDC, located at 1 Richmond Terrace, Staten Island, NY 10301, attention of Mr. Tarek Hatab, Fax Number (718) 981-9948. Each interested Bidder will pay for shipping only of the Bid package(s). Please provide FedEx/UPS/other account number for shipment charge. When requesting this package, please refer to the respective contract numbers.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

QUEENS FAMILY COURTHOUSE – RFP – DUE 09-14-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for the sale and redevelopment of the approximately 1.75-acre former Queens Family Courthouse in Jamaica (the "Site") as a high-quality, mixed-use development. This RFP is intended to reinforce a standard of quality development in Jamaica. The Site is located in the heart of Downtown Jamaica, bounded by 89th Avenue to the north and Parsons Boulevard to the east.

Prospective developers should address several important goals, including:

- Maintain the original courthouse exterior;
- Address local housing demand;
- Help stabilize the Jamaica Avenue retail market by enhancing the surround ing residential community;
- Address commercial/neighborhood retail needs in the area;
- Address community- or cultural-use needs; and
- Serve as a clear example of high-quality, sustainable design and construction that will raise the standard for private investment in Jamaica.

A question-and-answer session to discuss the Site, followed by a site visit, will be held on July 20 at 9:30 a.m.; to attend, call (212) 312-3871 on or before July 16, 2004. Interested parties are strongly encouraged to attend the informational meeting.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 28, 2004 from NYCEDC. The RFP may be picked up at the office of NYCEDC located at 110 William Street, New York, NY, 6th Floor between the hours of 9:30 a.m. and 4:30 p.m. For more information, or to request an electronic version of the RFP, visit www.nycedc.com/QFCrfp or call (212) 312-3969. Five (5) copies of the proposal identified by "Queens Family Courthouse" on the envelope are to be submitted.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.
All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement
33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.
