NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Thursday, February 1, 2001:

L.U. 940

Citywide **20015160 GFY**

Proposed Authorizing Resolution permitting the Department of Transportation to grant non-exclusive franchises for the provision of subsidized bus service.

WHEREAS, by Executive Order No. 25, dated August 23, 1995, the Mayor has designed the Department of Transportation ("DOT") as the responsible agency for the granting of franchises for bus lines; and
WHEREAS, pursuant to Sections 363 and 378 of Chapter 14 of the Charter of the City of New York ("The Charter") the Commissioner of Transportation ("Commissioner") has made the initial determination of the need for franchises for bus lines providing common carrier service to passengers along designated routes (hereinafter referred to as "bus service") in the City of New York; and

WHEREAS, the Council has determined that the granting of such franchises will promote the public interest, enhance the health, welfare and safety of the public and stimulate commerce by ensuring the continued availability of private bus service; and
WHEREAS, certain bus service would be provided by private companies only if public subsidy were made available; and

WHEREAS, it is necessary to provide for the preparation of solicitations for subsidized bus service, to conduct appropriate environment review, to review proposals to provide bus service; and to make such technical evaluations as may be necessary to determine appropriate service levels, subsidy needs, and fare structure;
NOW THEREFORE, BE IT RESOLVED,

That the Council hereby authorizes DOT to grant non-exclusive franchises of the provision of subsidized bus service in the City of New York, subject to the approval of the Franchise and Concession Review Committee ("FCRC") and the separate and additional approval of the Mayor,
and be it further RESOLVED,

FIRST, that there shall be one uniform maximum fare for interborough express service and one uniform maximum fare for local service. The appropriate fare shall be included in each solicitation and franchise agreement. The uniform maximum fare for local service or interborough express service shall be set equal to the fare charged by the New York City Transit Authority ("NYCT") for local service or interborough express service. Each franchise agreement for local service or interborough express service shall specify that if the NYCT raises its fare for local service or interborough express service, that any such franchise agreement shall be deemed to be modified to provide for such higher maximum fare. The Commissioner *may also direct a franchisee to participate in* integrated or reduced fare programs, including the MTA MetroCard One City-One Fare Program.

SECOND, that prior to the gaining of any such franchise, and RFP or other solicitation shall be issued by DOT for each route or group of routes. DOT may group routes in such a way as to maximize potential efficiencies, increase competition, reduce subsidy and/or increase revenue. For the purpose of conducting solicitations, routes authorized pursuant to this Resolution may be grouped with routes authorized under other Authorizing Resolutions where DOT determines that it is in the best interest of the City to do so. The City currently intends to issue the first RFP or other solicitation for a franchise to operate the bus routes currently franchised to Command Bus Company. Subsequent RFPs or other solicitations will be issued for the routes currently operated by the six remaining subsidized bus franchises and may be issued for new routes in accordance with Chapter 14 of the Charter. Unless a Request for Qualification ("RFQ") or Request for Expressions of Interest ("RFEI") is issued and the results show that only one provider of a particular bus service is available, or unless other special circumstance arise, franchises shall be granted pursuant to RFPs. Prior to issuing any such solicitation, environment and land use review, if necessary, shall be conducted in accordance with City Environmental Quality Review and Section 197c of the Charter. Upon request of the City, a proposed franchisee shall, as a condition of receiving a franchise, assume the cost, or reimburse the City for, the cost of any such environmental or land use review.

THIRD, that DOT shall, prior to issuing any RFP or other solicitation, determine the types of public funds, equipment and/or facilities that will be made available to the selected service provider. In making such determinations, DOT shall assess the following:

1) the role the bus service plays in the overall public transportation network, including the availability and effectiveness of other mass transit alternatives;

2) the potential profitability of the bus service;

3) whether the bus service is in a geographic area currently served by a company that receives public subsidy;

4) the usefulness to the public of the bus service and its need for public subsidy in relation to other franchised bus service;

5) the availability of funds to provide public subsidies;

6) the availability of equipment and/or facilities needed to provide the service;

7) other relevant factors.

FOURTH, the general evaluation criteria to be used in assessing the responses to such RFPs shall include, but not be limited to, the following:
1) An assessment of the relative fitness of the respondents with regard to:

- experience operating bus or other transportation services in New York City or other urban environments:

- demonstrated ability in the management of bus or other transportation service, including, without limitation, satisfactory performance on:

(a) service indicators (e.g. percentage of scheduled service actually operated, adherence to published schedules, interruptions to service resulting from mechanical failures, vehicle cleanliness, and handling of customer inquiries), and

(b) management indicators (e.g. employee absentee rates, number of vehicular accidents, driver training programs, ADA compliance, and bus scheduling efficiency and effectiveness);
- if applicable, demonstrated ability in the management of bus or other transportation facilities;

- business integrity and financial soundness, including without limitation adequate access to sources of operating capital and the demonstrated ability to adequately maintain books and records;

2) the amount and nature of public subsidy required;

3) if applicable, the amount of franchise fee proposed by the respondent;

Other provisions of this Resolution notwithstanding, nothing shall prohibit the City from accepting the proposal of a respondent to any solicitation pursuant to the Resolution that does not require cash subsidy or the provision of either facilities or equipment.

FIFTH, for City-subsidized bus service, the parameters of scheduled service shall be specified in the RFP or other solicitation.

SIXTH, that DOT shall apply the MacBride principles when making its selection of a franchisee.

SEVENTH, that any franchise granted pursuant to this authorizing resolution shall be by written agreement that shall without limitation, provide that:

1. the term of the franchise shall be fixed and shall be in accordance with the terms of the solicitation pursuant to which it was issued. A franchise may contain a renewal clause, however, in no case shall the term of a franchise, including all renewal periods, exceed twenty-five (25) years.

2. the compensation to be paid to the City, if any, shall be fixed as a percentage of the gross revenues derived by the franchisee from any source, in any manner, either directly or indirectly arising from or related to the operation of the bus service described in the franchise. Such shall not be considered in any manner to be in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description which are now or may at any time hereafter be required to be paid pursuant to any local law of the City or any law of the State of New York; or any law of the federal government.

3. for local service, the maximum rate or fare for one continuous trip in one direction on a single bus route shall be the fare charged by the New York City Transit Authority for local service, and the operator shall be required at all times to charge the maximum rate or fare unless directed by the Commissioner in writing to charge a reduced fare. Further, if the NYCT raises the fare for local bus service, each franchise agreement for local service shall be deemed to be modified to set the maximum local fare at such higher level.

4. for interborough express service, the maximum fare for one continuous trip in one direction on a single bus route shall be the fare charged by the New York City Transit Authority for express service and the operator shall be required at all times to charge the maximum rate of fare unless directed by the Commissioner in writing to charge a reduced fare. Further, if the NYCT raises the fare for express bus service, each franchise agreement for local service shall be deemed to be modified to set maximum express fare at such higher level.

5. the Commissioner may require a franchisee to maintain reduced fare programs, requirements for which may either be contained in the appropriate solicitation documents and franchise contracts or contained in a written directive to the subsidized operator from the Commissioner during the term of subsidized operations ordering the subsidized operator to either institute a new reduced fare program or to modify or discontinue an existing reduced fare program. Such requirements may include, inter alia, where appropriate, a requirement that a franchisee, with the assistance of DOT, must apply to the New York City Board of Education's Office of Pupil Transportation or its successor for reimbursement for the transportation of school students and to take all reasonable steps to qualify for such reimbursement.

6. the franchise may be terminated or canceled by the Commissioner in the event of the franchise's failure to comply with the material terms and conditions of the agreement;

7. there shall be remedies, including liquidated damages, to protect the City's interests in the event of the franchise's failure to comply with the terms and conditions of the agreement;

8. a security fund or other appropriate method shall be established to insure the performance of the franchise's obligations under the agreement;

9. the franchise may permit or require advertising in the interior and/or exterior of buses provided however, that advertising which is false or misleading, which promotes unlawful or illegal goods, services or activities, or which is otherwise unlawful or obscene as determined by the City, including but not limited to advertising that constitutes the public display of offensive sexual material in violation of Penal Law Section 245.11, shall be prohibited. In addition, advertising related to tobacco products shall be prohibited;

10. there shall be provisions regulating the technical specifications of bus equipment used to provide authorized bus service;

11. there shall be provisions to insure adequate oversight and regulation of the franchisee by the City, including adherence to standards of performance and guidelines for service;

12. the City shall have the right at all times to inspect the facilities, service and equipment used by the franchisee and to order compliance with operational requirements and performance standards set forth in the agreement;

13. there shall be adequate insurance and indemnification requirements to protect the interest of the public and the City;

14. all franchises shall be required to maintain complete and accurate books of account and records in compliance with any and all specific requirements for record keeping as shall be promulgated by DOT. Such books and records shall be made available on demand to the City for inspection:

15. there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

16. there shall be provisions requiring the franchisee to comply with applicable City laws, regulations and policies related to, but not limited to employment and investigation;

17. there shall be provisions requiring the franchisee to comply with all applicable federal, state, and local laws whatsoever, including those relating to accessibility for persons with disabilities;

18. there shall be provisions to restrict that assignment or other transfer of the franchise or portions thereof without the prior written consent of the City and provisions to restrict changes in control of the carrier without the prior written consent of the City.

19. all franchises, with the exception of public transportation authorities, shall submit to the City's Vendor Information Exchange System ("VENDEX") review and the Integrated Comprehensive Contract Information System ("ICCIS") review.

20. all franchises shall obtain all necessary authorizations, licenses, and/or permits from and comply with all applicable provisions of the New York State Vehicle and Traffic Law, and all applicable rules of the New York State Department of Motor Vehicles, the New York State Department of Transportation and any other governmental body having jurisdiction over bus operations;

21. if applicable, facility management services may be provided;

22. all franchises shall at all times maintain on file with DOT a complete, accurate and current schedule of service, which will constitute an appendix to the agreement(s) and shall be fully part of the agreement(s).

For subsidized bus service, all substantial changes to weekly scheduled vehicle revenue miles on any route or reductions to the span of service must receive the prior written approval of the Commissioner. Except for temporary changes in schedules, such as those made to reflect reduced seasonal ridership, any reduction in the number of weekly scheduled revenue vehicle miles on any route that exceeds ten percent, but is no more than twenty-five percent, or reductions in the span of service of greater than one hour but no more than four hours, either cumulatively within a one year period or at any one time must become the subject of a public hearing to be held by DOT, before it may receive the approval of the Commissioner. Any reduction in the number of weekly scheduled vehicle revenue miles included in the last approved schedule on any route that exceeds twenty five percent, either cumulatively within a one year period or at any one time, must receive the approval of the FCRC. In addition, reductions in the span of service of greater than four hours of any given route, either cumulatively within a one year period or any one time, must receive the approval of the FCRC.

There shall be provisions for liquidated damages if these requirements are not met.

23. There shall be provisions for free reciprocal transfer privileges between local routes operated by the franchisee and intersecting local surface routes of the NYCT, the Manhattan and Bronx Surface Transit Operating Authority and other private operators operating pursuant to operating authority granted by the City of New York (together "the Operators") and in addition with the franchise's own intersecting routes. To the extent that such reciprocal transfer privileges require the agreement of the Operators, the franchisee(s) shall take all reasonable steps to obtain such agreement and DOT shall

assist the franchisee(s) in obtaining such agreement.

EIGHTH, the streets over which franchised bus service may be provided shall be wholly described in the RFP or other solicitation and included in the agreement(s). Changes and/or additions to those streets may be approved by the Commissioner if the change, either cumulative within a one year period or at any one time, represents not greater than twenty-five percent of the total mileage of the route.

and be it further RESOLVED, that DOT shall file with the Council the following documents:

1. within fifteen days of issuance, a copy of each RFP or other solicitation issued pursuant to this Resolution;

2. within fifteen days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this Resolution

3. on or before July 1 of each year, for the preceding calendar year, a report detailing the revenues received by the City form each franchise granted pursuant to this Resolution.

MANHATTAN CB - 1 N 010057 ZRM

Application submitted by the Battery Park City Authority, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York relating to various sections of Article VIII, Chapter 4, amending the open space provisions of the Special Battery Park City District.

Matter in **Boldtone** is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Sections 12-10 or 84-01 of the Zoning Resolution

Article VIII: Special Purpose Districts
Chapter 4
Special Battery Park City District

84-10
ZONE A GENERAL DISTRICT REGULATIONS

Zone A is designed generally to provide for #residential development# with ancillary retail and service #uses#, and # **transient** hotels# (~~Use Group 5~~) as permitted pursuant to Section 84-12. Zone A is divided into six subzones: A-1, A-2, A-3, A-4, A-5 and A-6. The location and boundaries of the subzones are shown in Appendices 2 and 3.

84-11
General Provisions

Except as expressly modified by the provisions of this Chapter, the regulations applying to an R10 District shall apply in subzones A-1, A-2, A-3, A-5 and A-6 of Zone A of the #Special Battery Park City District#.

Notwithstanding any other provision of this Resolution, no #development# may be constructed in subzone A-4 except in accordance with certifications given by the City Planning Commission. #Residential open space#, in subzone A-4 shall be subject to the provisions of Sections 12-10 and 23-12 (**Permitted Obstructions in Open Space**). ~~of the Zoning Resolution, and~~ ~~F~~For every ~~#room#~~, **#dwelling unit#**, there shall be a minimum of ~~22.0~~ **55.0** square feet of #open space#, **and for every #rooming unit# there shall be a minimum of 44.0 square feet of #open space#**. All other provisions of this Chapter with respect to Zone A shall not apply to #developments# or #enlargements# in subzone A-4 unless otherwise indicated.

84-12
Use Regulations

In the areas indicated as permitted commercial locations in Appendices 2.3 and 3.3, the #use# regulations applying in a C2 District shall apply, except as provided in Sections 84-031 (Special permit uses), 84-032 (Uses not permitted), 84-121 (Uses along Esplanade) and this Section.
Notwithstanding any other provisions of this Resolution, the permitted #uses# listed in Use Groups 6, 7, 8, 9 or 14 and the additional #uses# permitted hereunder shall be limited, per establishment, to 10,000 square feet of #floor area# of any #story# and shall not be located above the first #story# ceiling, except that:

(a) in any #development# containing an #arcade# required in Section 84-134 (Mandatory arcades), any permitted #use# may be located above the first #story# ceiling and below the second #story# ceiling; and
(b) supermarkets are permitted with no limitation on #floor area#.
Notwithstanding any other provisions of this Resolution, the #zoning lot# south of First Place and east of Battery Place may be #developed# either with #residential uses#, #transient hotel uses#, or as a #building# containing both #residential# and hotel #uses#. In the case of a #development# containing hotel #uses# on this #**zoning lot**#, a #physical culture or health establishment# ~~shall~~ **may** be permitted.

For #developments# and #enlargements# located in subzone A-4, the City Planning Commission may, upon application, authorize modification of the supplementary #use# regulations of Section 32-422 (Location of floors occupied by non-residential uses), provided the following findings are made:

(1) that the non-#residential uses# are located in a portion of the #mixed building# that has separate access to the outside with no opening of any kind to the #residential# portion of the #building# at any #story#;

(2) that the non-#residential uses# are not located directly over any #story# containing #dwelling units#; and

(3) that the modifications shall not adversely affect the #residential# character of the area.

* * *

84-122
Uses permitted within public open space areas

Public open space areas located between Murray Street and Warren Street, as indicated in Appendix 3.6, shall be improved at or above grade for use by the public as open areas for passive and/or active recreational #uses#.

84-13
Bulk Regulations

#Residential# and community facility #bulk# regulations otherwise applicable in R10 Districts are modified to the extent set forth in this Section and Sections 84-131 through 84-135, **inclusive.**

The height and setback regulations otherwise applicable in R10 Districts are superseded by the regulations set forth in Sections 84-131 (Floor area regulations), 84-132 (Mandatory front building walls), 84-134 (Mandatory arcades) and 84-135 (Limited height of buildings).

The provisions of Section 23-533 (Required rear yard equivalents), Section 24-11 (Maximum Floor Area Ratio and Percentage of Coverage), Article VII, Chapter 8 (Special Regulations Applying to Large Scale Residential Developments), and Article VII, Chapter 9 (Special Regulations Applying to Large Scale Community Facility Development), are not applicable.

The provisions of Section 23-70 (MINIMUM DISTANCE BETWEEN BUILDINGS) may be modified by the Battery Park City Authority. Prior to the granting of any such modification, the Authority shall make the following findings:

(a) that such modification will aid in achieving the general purpose and intent of the #Special Battery Park City District#, as set forth in Section 84-01;
(b) that such modification will not unduly increase the #bulk# of #buildings#, the density of population, or the intensity of #use# on any #zoning lot# to the detriment of the occupants of #buildings# on such #zoning lot# or nearby #zoning lots#;

(c) that such modification will not adversely affect the #buildings# on the #zoning lot# **or nearby #zoning lots#** by restricting access to light and air; and

(d) that if an open area is provided, at any level, between two #buildings#, it shall have a width of not less than eight feet.

84-131
Floor area regulations

Notwithstanding any other provisions of this Resolution, the permitted #floor area ratio# for any #development# or #enlargement# on a #zoning lot# in subzones A-1 and A-5 shall not exceed 12.0, and in subzones A-2, A-3 and A-6 shall not exceed 8.0. However, within subzone A-6, the #floor area ratio# for the #zoning lot# on the southeast corner of Chambers Street and North End Avenue may be increased from 8.0 to a maximum of 12.0, provided that such additional #floor area# is occupied by a #school#.

The #floor area# bonus provisions with respect to R10 Districts shall not apply.

~~The provisions of Section 23-22 (Required Lot Area per Dwelling Unit, Lot Area per Room, or Floor Area per Room) shall not apply. For every 300 square feet of gross #residential floor area# provided within any #building#, there shall be no more than one #room#.~~ The minimum #floor area# contained within any #dwelling unit# shall not be less than 550 square feet.

84-132
Mandatory front building walls

Except as set forth in paragraph (f) of this Section, W~~w~~here Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# ~~not less nor more than the amount~~ **as** specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) ~~Except~~ as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet.;

(b) ~~W~~with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet, ~~provided,~~ ~~h~~**H**owever, **that** a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#.;

(c) ~~O~~**o**n the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the ~~otherwise~~ applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (~~e~~**d**)(1) of Section 84-135 (Limited height of buildings)~~;~~.

(d) ~~W~~with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#.**;**

(e) ~~W~~with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet.;
(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(~~f~~)(g) ~~W~~with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed **either** 150 feet for more than 120 feet or 75 percent of the length of a ~~building's~~ **the site's** western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. **Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority, and**

~~(g)~~(h) ~~O~~**o**n the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the ~~otherwise~~ applicable amount set forth in paragraphs (e)~~, or~~ (f) or ~~(g) of this~~ Section and not more than the height shown in Appendicesx ~~3.1 and 3.2.~~

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of the intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

84-135
Limited height of buildings

No portion of any #building or other structure# may be built to a height greater than 85 feet above #curb level#, except that:

(a) any portion of a #building# required to have an exterior wall coincident with a 110-135 foot #mandatory front building wall line#, as provided in Section 84-132 (Mandatory front building walls), may be built to a height of up to 135 feet above #curb level#;

(b) any portion of a #building# required to have an exterior wall coincident with a 110-230 foot #mandatory front building wall line#, as provided in Section 84-132 and should be builtubject to the requirements contained in paragraph (f) therein, may to a height of up to 230 feet above #curb level#;

(~~b~~)(c) portions of a #building# required to have an exterior wall coincident with a 150-250 feet #mandatory front building wall line#, as provided in Section 84-132, may be built to a height of up to 250 feet above #curb level#;

(~~c~~)(d) on the portion of any #zoning lot# designated as a #special height location# in Appendices 2.2 or 3.2, a #building# may be built to the height above #curb level# indicated in Appendices 2.2 or 3.2, subject to the following:

(1) on any #development# south of First Place and east of Battery Place with a mandatory front building wall, the area of which, below the level of the second story ceiling, occupies 100 percent of the frontage along its #mandatory front building wall line#, a height of not more than 450 feet, provided, however, that a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(2) on #zoning lots# located north of First Place, south of Third Place, and east of Battery Place, #special height locations# not to exceed heights of 135 feet or 360 feet above #curb level# are permitted as indicated in Appendix 2.2, provided that a setback of 10 feet is provided at a height of 85 feet above #curb level# along any #narrow street# frontage;

3. on the #zoning lot# at the southeast corner of Chambers Street and North End Avenue, the #special height location# indicated in Appendix 3.2 shall apply only if such #zoning lot# is occupied by #school# and #residential uses# and the portion of the #building# above a height of 135 feet above #curb level# does not exceed a #lot coverage# of 40 percent.; **and**

4. on the #zoning lot# at the northeast corner of Murray Street and North End Avenue, a #special height location# of 320 feet above #curb level# is permitted as indicated in Appendix 3.2, subject to the requirements contained in Section 84-132, paragraph (f);

~~(d)~~**(e)** Sections 23-62 (Permitted Obstructions) and 33-42 (Permitted Obstructions) are hereby made inapplicable. Any portion of a #building or other structure# that exceeds an established height limit shall be subject to the following provisions:

(1) The following shall not be considered obstructions and may thus penetrate a maximum height limit:

Chimneys or flues, with a total width not exceeding 10 percent of the **#aggregate** width of the street walls# of ~~the~~ **a** #building# ~~measured~~ at any level ~~where such penetration occurs~~

Elevator or stair bulkheads, roof water tanks, or cooling towers **or other #accessory# mechanical equipment** (including enclosures **walls**), ~~each of which shall have a width of no more than 30 feet. provided that either~~ The sum of the products, in square feet, of the **#aggregate** widths **of street walls#** of such obstructions **facing each #street# frontage** times their **average** heights, **in feet,** shall not exceed a figure equal to ~~four~~ **eight** times the width, **in feet,** of the #street wall# of the #building# facing such frontage at #curb level#., **or the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building# and the height of all such obstructions does not exceed 40 feet**

Flagpoles and aerials

Parapet walls, not more than four feet high

Wire, chain link or other transparent fences;

~~(2) The Chairperson of the City Planning Commission may, by certification, permit the obstructions set forth in paragraph (d)(1) of this Section to be concealed by an enclosure wall. PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PARCEL FOR ASSISTED LIVING ON THE GROUNDS OF KINGS COUNTY HOSPITAL CENTER RFP – Competitive Sealed Proposals (S/A) – DUE 03-13-01 AT 5:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, together with the New York City Health and Hospitals Corporation (HHC) is issuing a request for proposals (RFP) for the development of a parcel of the grounds of the Kings County Hospital Center in Brooklyn, N.Y. EDC and HHC are seeking to develop the parcel as an assisted living facility, which would complement existing and proposed functions of the Center and provide beneficial service to the community and City residents. Limited financial assistance from EDC and HHC will be made available to the selected developer.

The one-acre parcel is located on the west side of Albany Avenue between the extensions of Fenimore and Hawthorne streets in central Brooklyn. Currently, the parcel is used for surface parking for Kings County Hospital Center. To the north of the parcel is the Doctor Susan Smith McKinney Nursing and Rehabilitation Center. The 44-acre campus of Kings County Hospital Center is currently undergoing a four-phase redevelopment.

To obtain an RFP, please submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. SOUTH BROOKLYN MARINE TERMINAL RFP – CP/2 – DUE 02-16-01 AT 5:00 P.M. – (RFP) for the maritime development of the South Brooklyn Marine Terminal, located in Sunset Park, Brooklyn.

The South Brooklyn Marine Terminal is located on 95 acres situated between 29th Street and 39th Street and between the Bay Ridge Channel and 2nd Avenue. It is centrally located in the New York region, and its rail and highway connections can provide access to more than 18 million people within one day. In addition, South Brooklyn Marine Terminal offers the shortest sailing time to the open ocean of any port facility in New York and New Jersey. The site comprises three piers, seven berths and six buildings that range in size from 3,000 to 350,000 square feet. Several renovation projects are underway including the upgrading of rail lines and the installation of an on-dock rail facility.

To obtain an RFP, please submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; by mail to 110 William Street, 6th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.
Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

JOB TRAINING FOR HOMELESS ADULTS – CP/2 – PIN# 07101S003342 – DUE 02-22-01 AT 5:00 P.M. – Provide homeless adults with job training and subsequent placement in full time positions (at least 35 hours per week) that pay above minimum wage and offer benefits in areas including, but not limited to, retail sales, clerical work, hospitality, food and entry level computers positions.

Program funds are to be used to support P/S, OTPS and administrative overhead, which is capped at 8%. DHS will consider advancing a selected contractor up to 10% of their maximum potential annual contract amount for start-up funding against earned milestone payments. Greater consideration will be given to proposers that propose more competitive prices.

It is anticipated that the term of the contracts awarded from this RFP will be from July 1, 2001 to June 30, 2003. The contracts may include a one-year option to renew. Contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at 212-361-8413.

CONSULTANT PRE-QUALIFICATION FOR MUSEUMS AND THEATERS –
On-going application period.

Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Museums and Theaters.

PUBLIC NOTICE
Soliciting Architectural Firms to Pre-Qualify
For Museums and Theaters Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Cultural Facilities Program Unit. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline.

Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.
The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria. Each list (Museums and Theaters) will be subdivided into two groups, one designated "Y" for work of moderate difficulty, and one designated "Z" for complex work. Separate criteria for each subdivided group is also listed below.

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATE OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: February 1, 2001

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address - Inquiry Period

448 West 51st Street - MANHATTAN-September 5, 1973 - To Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2)the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8266.

SCHOOL CONSTRUCTION AUTHORITY

■ NOTICE

PLEASE TAKE NOTICE THAT the New York City School Construction Authority ("SCA"), pursuant to Section 204 of the New York State Eminent Domain Procedure Law ("EDPL"), has made the following Determination and Findings related to the Public School 66-Brooklyn Construction Project ("Project"): (1) The public purpose of the Project is to allow for the construction of a 900 seat elementary school to relieve overcrowding in Community School District 18; (2) the Project site, Block 8129, portion of Lot 1, located at 832-908 Rockaway Parkway and bounded by Avenue D to the north, Rockaway Parkway to the east, Foster Avenue to the south, and East 96th Street to the west in the Borough of Brooklyn, was selected because it is in an area in need of relief from severe school overcrowding; (3) the SCA has issued a Conditioned Negative Declaration under the New York State Environmental Quality Review Act for the Project; and (4) the SCA has determined that it should exercise its powers of condemnation under the EDPL to implement the Project. A complete copy of the SCA's Determinations and Findings will be forwarded without cost upon written request directed to the New York City School Construction Authority, 30-30 Thomson Avenue, Long Island City, New York, 11101, to the attention of Gregory P. Shaw, Principal Attorney.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PARCEL FOR ASSISTED LIVING ON THE GROUNDS OF KINGS COUNTY HOSPITAL CENTER RFP – Competitive Sealed Proposals (S/A) – DUE 03-13-01 AT 5:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, together with the New York City Health and Hospitals Corporation (HHC) is issuing a request for proposals (RFP) for the development of a parcel of the grounds of the Kings County Hospital Center in Brooklyn, N.Y. EDC and HHC are seeking to develop the parcel as an assisted living facility, which would complement existing and proposed functions of the Center and provide beneficial service to the community and City residents. Limited financial assistance from EDC and HHC will be made available to the selected developer.

The one-acre parcel is located on the west side of Albany Avenue between the extensions of Fenimore and Hawthorne streets in central Brooklyn. Currently, the parcel is used for surface parking for Kings County Hospital Center. To the north of the parcel is the Doctor Susan Smith McKinney Nursing and Rehabilitation Center. The 44-acre campus of Kings County Hospital Center is currently undergoing a four-phase redevelopment.

To obtain an RFP, please submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to KCHC-0101 in the subject line. RFP responses must be submitted to EDC by 5:00 p.m. on Tuesday, March 13, 2001.

The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

■ NOTICE

NOTICE OF AMENDMENT TO THE BUILDING CODE REFERENCE STANDARD RS 5-21 METHOD OF TEST FOR THE EVALUATION OF FLAMMABILITY CHARACTERISTICS OF NON-LOADBEARING EXTERIOR WALL PANEL ASSEMBLIES USING FOAM PLASTIC INSULATION

Pursuant to the authority vested in the Commissioner of Buildings by Chapter 26 of the New York City Charter and Section 27-131.1 of the Administrative Code of the City Of New York and in accordance with the requirements of 1 RCNY §37-01(e) the Department of Buildings hereby amends the NYC Building Code Reference Standard RS 5-21, relating to the method of test for the evaluation of flammability characteristics of non-loadbearing exterior wall panel assemblies using foam plastic insulation.

Date: January 26, 2001
New York, New York

Satish K. Babbar, R.A.
Acting Commissioner

Material to be deleted appears in [brackets]

New material is underlined

§1. The last entry on the list of referenced national standards at the beginning of Reference Standard RS-5 Fire Protection Construction Requirements of the appendix to chapter 1 of title 27 of the Administrative Code is hereby amended to read as follows:

*** REFERENCE STANDARD RS-5 FIRE PROTECTION CONSTRUCTION REQUIREMENTS**

*** LIST OF REFERENCED NATIONAL STANDARDS**

* * *

UBC Std. [17-6] 26-9	Method of Test for the Evaluation of Flammability Characteristics of Exterior, Nonload-Bearing Wall [Panel] Assemblies Containing Combustible Components Using [Foam Plastic Insulation] the Intermediate-Scale, Multistory Test Apparatus ....[1987] 1997

§2. Reference Standard RS 5-21 of the appendix to Chapter 1 of Title 27 of the Administrative Code is repealed in its entirety and re-enacted to read as follows:

***REFERENCE STANDARD RS 5-21**

UBC Std. 26-9-1997 Method of Test for the Evaluation of Flammability Characteristics of Exterior, Nonload-Bearing Wall Assemblies Containing Combustible Components Using the Intermediate-Scale, Multistory Test Apparatus.

STATEMENT OF BASIS AND PURPOSE

The International Conference of Building Officials renamed the current standard, UBC 17-6/87, as UBC 26-4. They later discontinued that standard in 1997 and replaced it with UBC 26-9. The test results obtained using the current building code reference standard, UBC 26-4, lacked uniformity whenever the tests were performed outdoors because the influence of the weather could not be completely eliminated.

Most of the laboratories performing fire tests do not use the current reference standard. Rather, they use UBC 26-9/97. Such tests may only be performed inside a test facility.

Therefore, the current outdated reference standard, UBC 17-6 (UBC 26-4), should be replaced by the current UBC 26-9/97.

Section 2-08 of Chapter 2 of Title 29 of the Rules of the City of New York is hereby amended as follows:

2-08 **Coverage and Issues of Status.**

[(For time limitations on certain applications asserting claims to coverage under Article 7-C, see § 1-06.1 of the Loft Board rules).] Registration as an interim multiple dwelling (hereinafter IMD) with the New York City Loft Board (hereinafter Loft Board) shall be required when a building, structure or portion thereof meets the criteria for an IMD set forth in § 281 of Article 7-C of the Multiple Dwelling Law as further delineated in the following regulations.

* * * * * *

[(j)] 2-08.1 **Eviction of residential occupants.**

[(1)] (a) *Grounds for eviction.* The landlord of an IMD registered with the Loft Board may bring eviction proceedings against the residential occupant of a unit in a court of competent jurisdiction on any of the following grounds:

[(i)] (1) that the unit is not the primary residence of such residential occupant, except that where a lease or rental agreement is in effect between the landlord and such residential occupant, the landlord may not seek to evict such occupant until such lease or rental agreement is no longer in effect[.]; or

[(ii)] (2) that the residential occupant is committing or permitting a nuisance in such unit; or is maliciously or by reason of gross negligence substantially damaging the building; or his or her conduct is such as to interfere substantially with the comfort and safety of the landlord or of the other occupants of the same building or of adjacent buildings or structures[.]; or

[(iii)] (3) any of the grounds for eviction specified in the Real Property Law or the Real Property Actions and Proceedings Law, to the extent that such grounds are not inconsistent with Article 7-C and any regulations promulgated by the Loft Board.

[(2)] (b) *Effect of eviction.* Any unit which becomes vacant as a result of the eviction of a protected occupant or occupants pursuant to [§2-08(j)(1)] §2-08.1(a), *supra,* of these [regulations] rules shall remain subject to all the requirements of Article 7-C, and [regulations] rules and orders of the Loft Board, including the legalization requirements of §284 of the Multiple Dwelling Law and rent guidelines issued by the Loft Board, except that the landlord may convert such unit to a non-residential conforming use, provided that the landlord file with the Loft Board a certified copy of an irrevocable recorded covenant in form satisfactory to the Loft Board, enforceable by the City of New York for fifteen (15) years from the date of recording, that the unit will not be re-converted to residential use during such time. When the conversion of such unit to a non-residential conforming use reduces the number of qualifying units below three, however, IMD status for such building and the remaining residential units covered under Article 7-C in such building, shall not be affected.

(c) *Succession rights.*

(i) Any family member, as defined in subparagraph (iii) of this subdivision, shall not be evicted under subparagraph (a) of section 2-08.1 where the protected occupant has permanently vacated the IMD unit and such family member has resided with the protected occupant in the unit as a primary residence for a period of no less than two years, or where such person is a "senior citizen" or a "disabled person," as defined in subparagraph (iii) of this subdivision, for a period of no less than one year, immediately prior to the permanent vacating of the unit by the protected occupant, or from the inception of the occupancy or commencement of the relationship, if for less than such periods. The minimum periods of required residency set forth in this subdivision shall not be deemed to be interrupted by any period during which the "family member" temporarily relocates because he or she:

(A) is engaged in active military duty;

(B) is enrolled as a full time student;

(C) is not in residence at the unit pursuant to a court order not involving any term or provision of the lease, and not involving any grounds specified in the Real Property Actions and Proceedings Law;

(D) is engaged in employment requiring temporary relocation from the housing unit;

(E) is hospitalized for medical treatment; or

(F) has such other reasonable grounds that shall be determined by a court of competent jurisdiction upon application by such person.

(ii) On a form prescribed by the Loft Board, a protected occupant may, at any time, advise the landlord of, or a landlord may at any time, request from the protected occupant, the information required in subparagraphs (A) through (D) of this paragraph (ii). Failure of the protected occupant to provide such information to the landlord, regardless of whether the landlord requests the information, shall place upon all such persons not so made known to the landlord, who seek to exercise the right to protection from eviction as provided for in this subdivision, the affirmative obligation to establish such right. Such required information is as follows:

(A) the names of all persons other than the protected occupant who are residing in the unit; and

(B) if such other person is a "family member" as defined in subparagraph (iii) of this subdivision; and

(C) if such other person is, or upon the passage of the applicable minimum period of required residency, may become a person entitled to protection from eviction pursuant to subparagraph (i) of this subdivision, and the date of the commencement of such person's primary residence with the protected occupant; and

(D) if such other person is a "senior citizen" or a "disabled person" as defined in subparagraph (iii) of this subdivision.

(iii) For the purposes of this subdivision:

(A) "family member" is defined as a husband, wife, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, or daughter-in-law of the protected occupant; or any other person residing with the protected occupant in the IMD unit as a primary residence who can prove emotional and financial commitment, and interdependence between such person and the protected occupant. Although no single factor shall be solely determinative, evidence which is to be considered in determining whether such emotional and financial commitment and interdependence existed, may include, without limitation, such factors as listed below. In no event would evidence of a sexual relationship between such persons be required or considered.

(1) longevity of the relationship;

(2) sharing of or relying upon each other for payment of household or family expenses, and/or other common necessities of life;

(3) intermingling of finances as evidenced by, among other things, joint ownership of bank accounts, personal and real property, credit cards, loan obligations, sharing a household budget for purposes of receiving government benefits, etc.;

(4) engaging in family-type activities by jointly attending family functions, holidays and celebrations, social and recreational activities, etc.;

(5) formalizing of legal obligations, intentions, and responsibilities to each other by such means as executing wills naming each other as executor and/or beneficiary, conferring upon each other a power of attorney and/or authority to make health care decisions each for the other, entering into a personal relationship contract, making a domestic partnership declaration, or serving as a representative payee for purposes of public benefits, etc.;

(6) holding themselves out as family members to other family members, friends, members of the community or religious institutions, or society in general, through their words or actions;

(7) regularly performing family functions, such as caring for each other or each other's extended family members, and/or relying upon each other for daily family services;

(8) engaging in any other pattern of behavior, agreement, or other action which evidences the intention of creating a long-term, emotionally committed relationship;

(B) a "senior citizen" is defined as a person who is sixty-two years of age or older;

(C) a "disabled person" is defined as a person who has an impairment which results from anatomical, physiological or psychological conditions, other than addiction to alcohol, gambling, or any controlled substance, which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques, and which are expected to be permanent and which substantially limit one or more of such person's major life activities.

(iv) Any persons in occupancy of an IMD unit on or after March 1, 2001 [E.D. note: or whatever the effective date of this rule is] who has then been in occupancy for the minimum periods of required residency set forth in this subdivision shall have the benefits of succession rights.

Statement of Basis and Purpose:

This rule codifies the Loft Board's position, previously set forth in Board decisions, that the family members who live with a protected occupant in the two years preceding a protected occupant's permanent vacancy from the IMD unit shall be protected from eviction. In addition, senior citizens and disabled persons who live with a protected occupancy in the one year preceding the protected occupant's permanent vacancy from the IMD unit are protected from eviction. The rule tracks the tenant succession law as it applies to rent stabilized units.

CONSULTANT PRE-QUALIFICATION FOR MUSEUMS AND THEATERS –
On-going application period.

Pursuant to the Procurement Policy Board Rules of September 2000, Chapter 3-10 (e)(1)(i), DDC is publishing the newly adopted admissions criteria for the Pre-Qualified Consultant Lists for Museums and Theaters.

PUBLIC NOTICE
Soliciting Architectural Firms to Pre-Qualify
For Museums and Theaters Consultant Lists

The Department of Design and Construction (DDC) requests applications from qualified architects who are interested in performing services for DDC's Cultural Facilities Program Unit. The Department has established new criteria for admission and is aiming for excellent quality in performing design work in what is expected to include rehabilitations as well as new construction. The application process is ongoing; there is no deadline.

Consultants are invited to submit a Federal Form 254 and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and client references with contact persons and telephone numbers. Respondents may be called in for an interview to validate credentials, and the Agency reserves the right to visit the firms at their place of business.
The following criteria are guidelines only. Firms may be admitted to the list if in the opinion of the Executive Consultant Selection Committee the firm is capable of performing the work despite being deficient in some portion of the criteria. Each list (Museums and Theaters) will be subdivided into two groups, one designated "Y" for work of moderate difficulty, and one designated "Z" for complex work. Separate criteria for each subdivided group is also listed below.

Please address all correspondence to:
Consultant Liaison, Office of the Agency Chief Contracting Officer
NYC Department of Design and Construction
30-30 Thomson Avenue
Long Island City, NY 11101
Tel. (718) 391-1540 Fax (718) 391-1506

DDC is an Equal Opportunity Employer.

SCHOOL CONSTRUCTION AUTHORITY

■ NOTICE

PLEASE TAKE NOTICE THAT the New York City School Construction Authority ("SCA"), pursuant to Section 204 of the New York State Eminent Domain Procedure Law ("EDPL"), has made the following Determination and Findings related to the Public School 66-Brooklyn Construction Project ("Project"): (1) The public purpose of the Project is to allow for the construction of a 900 seat elementary school to relieve overcrowding in Community School District 18; (2) the Project site, Block 8129, portion of Lot 1, located at 832-908 Rockaway Parkway and bounded by Avenue D to the north, Rockaway Parkway to the east, Foster Avenue to the south, and East 96th Street to the west in the Borough of Brooklyn, was selected because it is in an area in need of relief from severe school overcrowding; (3) the SCA has issued a Conditioned Negative Declaration under the New York State Environmental Quality Review Act for the Project; and (4) the SCA has determined that it should exercise its powers of condemnation under the EDPL to implement the Project. A complete copy of the SCA's Determinations and Findings will be forwarded without cost upon written request directed to the New York City School Construction Authority, 30-30 Thomson Avenue, Long Island City, New York, 11101, to the attention of Gregory P. Shaw, Principal Attorney.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

JOB ORDER CONTRACTS – CP2 – 03-01-01 AT 2:00 P.M.
JOB ORDER CONTRACTOR FOR GENERAL CONSTRUCTION:
SPEC. 0017J-00 at Various Schools - Queens

ELECTRICAL WORK:
SPEC. 0014J-00 at Various Schools - Manhattan/Bronx/Queens

The Electrical contract has a maximum value of $2,000,000, and the General Construction contract has a maximum value of $4,000,000.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

INVOCATION

God our Creator We gather here in this Chamber-Today on the eve of the most Sacred of Seasons.

We stop and reflect in gratitude for alt that has been given to each one of us. We stand in this Chamber in humility and deep gratitude.

We stop and pay inner attention on the eve of Religious celebrations... Holidays and Holy Seasons.

With a "New Year " on the Horizon, there is A sense of expectation in this great City.

In the Spirit of these Sacred Seasons and The "New Year": We bow our heads:

May we as members of this City Council Be guided by the divine and lead us to Rekindle our national heritage.

Let the wounds of Division be heated-allowing to find a higher truth in collaboration.

May we learn to celebrate our diversity
As the foundation of government.

May we as members of this Council Assume with clear purpose our roles again as stewards.

May we as leaders of this city Inspire and be inspired by all.

May the spirit of Wisdom be active in our hearts.

May the spirit of gratitude embrace all gathered here

Who have a commitment to public service And stewardship in this great City.

Let us all present speak in one voice
As stewards and public servants by saying:

Amen.

Motion to spread the invocation in full upon the record by Council Member Freed.

Communication from City, County & Borough Offices

Communication from the Comptroller – submitting the projection of the City's debt – incurring power as required by section 232 of the City Charter.

December 1, 2000

The Honorable Peter F. Vallone
Speaker and Majority Leader
The City Council
City Hall
New York, New York 10007

Dear Peter:

Projection of the city's debt-incurring power as required by section 232 of the City Charter.

Sincerely,

Alan G. Hevesi

In accordance with Section 232 of the City Charter, the following table represents estimates of New York City's debt-incurring power as July 1, 2000, and on each July 1 of the next three succeeding fiscal years.

Debt-Incurring Power ($millions)				
	July 1, 2000	July 1, 2001	July 1, 2002	July 1, 2003
Gross Statutory Debt-Incurring Power	$30,593	$32,579*	$34,386*	$36,393*
Actual Bonds Outstanding as of June 30, (net) **	26,022	24,788	23,446	22,104
Plus: New Capital Commitments				
FY 2001 ***		4,322	4,322	4,322
FY 2002 ***			4,475	4,475
FY 2003 ***				4,064
Less: Appropriations	(1,238)	(1,347)	(1,348)	(1,330)
Subtotal: Net Funded Debt Against the Limit	$24,784	$27,763	$30,895	$33,635
Plus: Contract and other Liability #	11,220	11,242	11,227	11,214

Plus: Total Authorized TSASC Debt-Incurring Power	2,400	2,400	2,400	2,400
Remaining Debt-Incurring Power within General Limit, TFA Capacity, and TSASC Capacity ##	$8,489	$7,474	$6,164	$5,444

* Based on preliminary data from the State Office of Real Property Services.

** Net adjusted for Original Issue Discount, Capital Appreciation Bonds, G.O. bonds issued for the water and sewer system, and Business Improvement District debt.

*** Reflects Capital Commitments as of the FY 01 Adopted Commitment Plan and includes cost of issuance and Inter-fund Agreements.

Contract liability is increased by $7.084 billion financed by TFA and TSASC debt.

The Debt Affordability Statement released by the City in April, 2000 presents data in an end-of-year format in lieu of the beginning-of-year format reflected in this table. In FY 01, for example, the City forecasts that indebtedness would be within the debt-limit by $2.63 billion at the end of the fiscal year. Source: NYC Comptroller's Office.

Reports of the Standing Committees

Reports of the Committee on Consumer Affairs

Int. No. 813-A

Report of the Committee on Consumer Affairs in favor of approving and adopting a Local Law to amend the administrative code of the City of New York, in relation to authorizing the commissioner of consumer affairs to require that the engines of sight-seeing buses comply with emission standards as a condition of licensing.

The Committee on Consumer Affairs to which it was referred on September 13, 2000 (Minutes, page 2249) the annexed amended local law respectfully

REPORTS:

Today the Committee on Consumer Affairs will hold a hearing on Proposed Int. No. 813-A, a proposal to amend subchapter twenty-one of chapter 2 of Title 20 of the Administrative Code which licenses sightseeing buses and horse-driven cabs, to require buses employed by sightseeing bus companies to comply with emission standards as a condition of licensing. In addition, the Committee will consider a Preconsidered Res., pursuant to the State Environmental Quality Review Act, which determines that the enactment of the proposed legislation would not have a significant adverse effect on the environment.

On October 23, 2000, the Committee considered the original legislation, Int. No. 813, and heard testimony from the Commissioner of the Department of Consumer Affairs, the sightseeing tour bus industry, and environmental advocates.

Proposed Int. No. 813-A differs in one respect from the original legislation. Int. No 813 would have required sightseeing tour bus companies to retire diesel engines after a certain period of time (determined by the Commissioner) without regard to whether tour buses were still able to meet emission requirements. The industry argued that as long as the engines passed all State and local emission requirements (including the inspections required under this legislation) an engine should not be "retired" solely based on its age. After careful consideration, the provision which required mandatory retirement of diesel engines was removed from the legislation.

On December 11, 2000, the Committee considered Proposed Int. No, 813-A, and heard testimony from the Deputy Director of the City's Department of Transportation concerning the methodology and data from a study on the emissions of vintage buses.

In the last five years, New York City has seen a dramatic increase in tourism. One of the sectors of the City's economy that has benefited from this increase has been the sightseeing tour bus industry.

The double-decker tour bus has become a common sight on the streets of Manhattan. Tourists view these tour buses as a convenient way to explore the numerous sights and attractions that New York City has to offer. A number of these buses, imported from abroad, lack catalytic converters and other emission devices required on motor vehicles made today. According to the Mayor's Memorandum In Support, the number of sightseeing buses operating with these non-certified engines has tripled from 32 in 1994 to over 100 today.

Tour buses without emission controlling devices have a significant negative impact on the environment. According to a study conducted by the City's Department of Transportation, one sightseeing bus with a non-EPA-certified engine generates particulate emissions equivalent to twenty-five diesel commuter-type buses.. This problem is compounded by the fact that these tour buses tend to operate in neighborhoods that already suffer from high levels of traffic congestion and pollution.

Subchapter twenty-one of chapter 2 of Title 20 of the Administrative Code currently requires any person, firm, partnership, corporation or association owning and operating a sight-seeing bus in the city of New York to have for each bus an operating license issued by the Department of Consumer Affairs ("DCA"). A sightseeing bus will be granted an operating license after being examined by DCA and found to comply with all the requirements of the New York State Vehicle and

Traffic Law. A sightseeing bus must also be certified by the Public Service Commission as being properly equipped and safe to operate. OX

Proposed Int. No. 813-A would deny a DCA operating license to the owner of a sight-seeing tour bus not equipped with an engine covered by a certificate of conformity stipulating that the engine is compliant with the most recent U.S. Environmental Protection Agency emissions standards unless such an engine was subsequently installed. Proposed Int. No. 813-A would also deny the renewal of an operating license to the owner of a bus without an engine covered by a certificate of conformity, which was initially licensed: (i) before the introduction of this legislation; or (ii) after the introduction of this legislation, and before the effective date of such legislation. Thus, sightseeing buses that have not been previously licensed would have to have engines that conform to EPA standards for emissions in order to obtain a license. Those buses already licensed but with non-conforming engines would have until their licenses expire to attain conformity with the proposed legislative requirements.

This proposed local law would authorize the Commissioner of Consumer Affairs to adopt rules governing the inspection of sightseeing tour buses. The Commissioner would also be authorized to delegate the inspections of such buses to the Department of Environmental Protection.

Proposed Int. No. 813-A would require the Commissioner to suspend or revoke any sightseeing bus license where the holder has either failed to comply with all applicable licensing requirements or the sightseeing bus is found to be unfit for operation. A license would remain suspended until DCA determined that the tour bus is in compliance with all licensing rules and regulations.

Int. No. 813-A would take effect immediately.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to authorizing the commissioner of consumer affairs to require that the engines of sight-seeing buses comply with emission standards as a condition of licensing.

Be it enacted by the Council as follows:

Section 1. Section 20-372 of the administrative code of the city of New York is amended by adding two new subdivisions 9 and 10 to read as follows:

9. "Certificate of conformity" shall mean that document issued by the Administrator of the United States environmental protection agency pursuant to section 206(a) of the Clean Air Act of 1990, 42 U.S.C. § 7525(a), reflecting such Administrator's determination that an engine conforms to emissions standards and other regulations issued under section 202 of the Clean Air Act of 1990, 42 U.S.C. § 7521 as well as the terms and the time periods prescribed thereon, and as such laws and such regulations may be amended from time to time.

10. "Fleet" shall mean a group of vehicles owned or operated by the same person.

§2. Section 20-376 of the administrative code of the city of New York is amended to read as follows:

§20-376 Inspection of sight-seeing [bus] *buses. a.* A vehicle shall be licensed as a sight-seeing bus only after it shall have been examined and inspected *to determine that it complies with this section,* and [found to comply] *that it also (1) complies* with all the requirements of the vehicle and traffic law of the state of New York, [and shall have been] *and (2)* is certified by the [public service commission] *department of transportation* of the state, as being safe and properly equipped to operate.

b. (1) On and after the effective date of the local law which added this amendment, the commissioner shall not issue a sight-seeing bus license to any vehicle that when originally manufactured was not equipped with an engine covered by a certificate of conformity unless an engine covered by a certificate of conformity for the model year applicable to the date on which a sight-seeing bus license application for such bus is submitted to the commissioner, has been installed in such vehicle.

(2) The commissioner shall not renew the license of any sight-seeing bus that was licensed as of the date of the introduction of the local law which added this amendment and that when originally manufactured, was not equipped with an engine covered by a certificate of conformity unless an engine covered by a certificate of conformity for a model year no earlier than the model year applicable to the date on which the local law which added this amendment was introduced, has been installed in such bus

(3) The commissioner shall not renew the license of any sight-seeing bus that was first issued a sight-seeing bus license on or after the date of introduction of the local law that added this amendment and before the effective date of such law and that, when originally manufactured, was not equipped with an engine covered by a certificate of conformity, unless an engine covered by a certificate of conformity for a model year no earlier than the model year applicable to the date on which the first sight-seeing bus license renewal application for such bus is submitted to the commissioner, has been installed in such bus.

c. The commissioner shall refuse a license to [, or if already issued, suspend the license of] any sight-seeing bus *not in compliance with the requirements of this section, any rules promulgated thereunder or with any other laws or rules governing sight-seeing buses, or which is otherwise* found to be unfit for operation. *Grounds for refusal to issue a license shall include, but not be limited to, installation of an engine which does not meet the requirements of subdivision b of this section, failure to submit a bus for inspection, installation of an engine not covered by a certificate of conformity in a vehicle which was originally manufactured with such an engine and installation of an engine of any model year preceding the year of manufacture in a vehicle which was originally manufactured with an engine covered by a certificate of conformity*

d. The commissioner may adopt rules (1) requiring the inspection by the department of sight-seeing buses to determine compliance with the requirements of subdivision b of this section; (2) delegating the performance of such inspections to the department of environmental protection; and (3) authorizing the acceptance of the results of inspections consistent with paragraph one of this subdivision conducted by a state or federal agency authorized to conduct such inspections on such buses.

§3. Subdivision a of section 20-383 of the administrative code of the city of New York, as amended by local law number 31 for the year 1995, is amended to read as follows:

a. [The] *After notice and opportunity to be heard, the* commissioner may suspend or revoke any sight-seeing bus license where the holder has failed to comply with any provisions of this subchapter or of the rules promulgated [by the commissioner] *thereunder, or with any other laws or rules governing sight-seeing buses, or which sight-seeing bus is otherwise found to be unfit for operations. Such suspension shall remain in effect until compliance and fitness have been established by the license and accepted by the department. Grounds for suspension or revocation shall include, but not be limited to, installation of an engine which does not meet the requirements of subdivision b of section 20-376 of this subchapter, failure to submit a bus for inspection, installation of an engine not covered by a certificate of conformity in a vehicle which was originally manufactured with such an engine and installation of an engine of any model year preceding the year of manufacture in a vehicle which was originally manufactured with an engine covered by a certificate of conformity.*

§4. This local law shall take effect immediately.

At this point the Speaker (Council Member Vallone) announced that the following item had been preconsidered by the Committee on Consumer Affairs and had been favorably reported for adoption.

Res. No. 1655

Report of the Committee on consumer Affairs in favor of approving a resolution determining that the enactment of Proposed Int. No. 813-A will not have a significant adverse effect on the environment.

The committee on consumer Affairs to which it was referred on December 15, 2000 the annexed resolution respectfully

REPORTS:

Pursuant to the New York State Environmental Quality Review Act, the Council has evaluated the appropriate criteria to determine the environmental significance of Proposed Int. No. 813-A, amending the Administrative Code of the City of New York, in relation to authorizing the Commissioner of Consumer Affairs to require that the engines of sight-seeing buses comply with emission standards as a condition of licensing. Preconsidered Res. No. finds that the enactment of Proposed Int. No. 813-A will not have a significant adverse effect on the environment.

Accordingly, Your Committee recommends its adoption, as amended.

Reports of the Committee on Finance

L.U. No. 561

Report of the Committee on Finance in favor of approving a Application no. 20005048 HAK, an Urban Development Action Area Project known as Red Hook HomeWorks, located in Community Board 6, Council District no. 38, Borough of Brooklyn. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for a real property tax exemption.

The Committee on Finance to which it was referred on September 29, 1999 (Minutes, page 2311) the annexed land use resolution respectfully

REPORTS:

((For text, see L.U. No. 934 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Berman, Eisland and Linares offered the following resolution:

Res. No. 1662

Resolution approving an Urban Development Action Area Project located at 68 Dikeman Street (Block 576/Lot 41) and 191 Richards Street (Block 588/Lot 5), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 561; 20005048 HAK).

By Council Members Berman, Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on September 21, 1999 its request dated August 30, 1999 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 68 Dikeman Street (Block 576/Lot 41) and 191 Richards Street (Block 588/Lot 5), Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on December 12, 2000;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of six years commencing on the July 1st following the conveyance of the Disposition Area to the Sponsor, during the last three years of which such exemption shall decrease in equal annual decrements.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time

period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve a partial exemption of the Project from real property taxes pursuant to Section 577 of Article XI of the Private Housing Finance Law (the "Tax Exemption");

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one- to four-unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, the project description that HPD provided to the Council states that the purchaser in connection with the Sale (the "Sponsor") is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

Whereas, upon due notice, the Council held a public hearing on the Project on December 12, 2000;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions set forth in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The Council approves the partial Tax Exemption as follows:

The partial tax exemption provided hereunder shall commence upon the date of conveyance of the housing project to Sponsor ("Effective Date") and shall terminate upon July 1, 2029 ("Expiration Date"); provided, however, that such partial tax exemption shall terminate if the Department of Housing Preservation and Development determines that Sponsor is not organized as a housing development fund company or that Sponsor is not operating the housing project in accordance with the requirements of Article XI of the Private Housing Finance Law.

Those portions of the property included in the housing project which are devoted to business or commercial use (collectively, "Commercial Property"), if any, shall not be eligible for real property tax exemption hereunder. The Commercial Property shall be subject to full real property taxation; provided, however, that nothing herein shall prohibit Sponsor from utilizing any abatement, exemption, or other tax benefit for which the Commercial Property would otherwise be eligible.

All of the value of the property, other than the Commercial Property, included in the housing project (collectively, "Residential Property") shall be exempt from real property taxes, other than assessments for local improvements; provided, however, that Sponsor shall make a partial annual real estate tax payment on the Residential Property. Sponsor shall make such partial annual real estate tax payment on an assessed valuation equal to the lesser of (i) an amount equal to the full assessed valuation of the Residential Property, or (ii) an amount calculated by multiplying $3500 times the number of residential units included in the housing project and increasing such product by six percent (6%) on July 1, 1990 and on July 1 of each successive year, but not by more than twenty percent (20%) in any five-year period.

Those portions of the property included in the housing project which are devoted to business or commercial use (collectively, "Commercial Property"), if any, shall not be eligible for real property tax exemption hereunder. The Commercial Property shall be subject to full real property taxation; provided, however, that nothing herein shall prohibit Sponsor from utilizing any abatement, exemption, or other tax benefit for which the Commercial Property would otherwise be eligible.

All of the value of the property, other than the Commercial Property, included in the housing project (collectively, "Residential Property") shall be exempt from real property taxes, other than assessments for local improvements; provided, however, that Sponsor shall make a partial annual real estate tax payment on the Residential Property. Sponsor shall make such partial annual real estate tax payment on an assessed valuation equal to the lesser of (i) an amount equal to the full assessed valuation of the Residential Property, or (ii) an amount calculated by multiplying $3500 times the number of residential units included in the housing project and increasing such product by six percent (6%) on July 1, 1990 and on July 1 of each successive year, but not by more than twenty percent (20%) in any five-year period.

At this point the Speaker (Council Member Vallone) announced that the following items had been preconsidered by the Committee on Finance and had been favorably reported for adoption.

L.U. No. 934

Report of the Committee on Finance in favor of approving a Application no. 20015125 HAM, an Urban Development Action Area Project, locate in Community Board 11, Council District no. 8, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to §696 of the General Municipal Law for a tax exemption.

The Committee on Finance to which it was referred on December 19, 2000 the annexed Land Use resolution respectfully

REPORTS:

Pursuant to Section 696 of the General Municipal Law (GML) and Section 577 of the Private Housing Finance Law, the Department of Housing Preservation and Development (HPD) requests partial property tax exemptions for properties that will provide housing for City residents as specified in the attached project summaries. Under State law, these projects may be granted exemptions from real property taxes by the local legislative body for a period of up to forty years.

These properties are currently owned by the City and therefore pay no property taxes. Approval of the exemptions will result in partial tax payment on every property. The City Council Land Use Committee has approved the disposition of these city-owned properties as Urban Development Action Area Projects.

In connection herewith, Council Members Berman, Eisland and Linares offered the following resolution:

Res. No. 1661

Resolution approving an Urban Development Action Area Project located at Block 1746/Lots p/o 21, 28, 30, 31, p/o 32, p/o 41, 141, 42, 43, 44, 45, 46, 47, and p/o 48, Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 934; 20015125 HAM).

By Council Members Berman, Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on November 30, 2000 its request dated November 28, 2000 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at Block 1746/Lots p/o 21, 28, 30, 31, p/o 32, p/o 41, 141, 42, 43, 44, 45, 46, 47, and p/o 48, Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on December 12, 2000;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the July 1st following the conveyance of the Disposition Area to the Sponsor, during the last ten years of which such exemption shall decrease in equal annual decrements.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

HERBERT BERMAN, Chairperson; MARY PINKETT, ARCHIE SPIGNER, WENDELL FOSTER, SHELDON S. LEFFLER, STANLEY E. MICHELS, JUNE EISLAND, NOACH DEAR, JEROME X. O'DONOVAN, PRISCILLA A. WOOTEN, VICTOR L. ROBLES, WALTER L. MCCAFFREY, A. GIFFORD MILLER, ANGEL RODRIGUEZ, Committee on Finance, December 19, 2000.

On motion of the Speaker (Council Member Vallone), and adopted, the foregoing matter was coupled as a General Order for the day. (see ROLL CALL ON GENERAL ORDERS FOR THE DAY.)

Report of the Committee on General Welfare

Int. No. 400-A

Report of the Committee on General Welfare in favor of approving and adopting the, as amended, a local law to amend the administrative code of the city of New York, to prohibit employment discrimination against victims of domestic violence.

The Committee on General Welfare to which it was referred on August 6, 1998 (Minutes, page 2999) the annexed amended local law respectfully

REPORTS:

The Committee on General Welfare and the Committee on Women's Issues will meet jointly today to consider Proposed Int. No. 400-A, a proposed local law that would prohibit employment discrimination against victims of domestic violence ("DV"). This proposed local law is being considered for the second time. The first joint hearing of the two committees to review the proposed local law was held on January 26, 2000. Invited to testify at today's joint hearing are: Julie Goldscheid, Acting Legal Director, NOW Legal Defense and Education Fund; Melanie M. McEvoy, Vice Chair, Public Policy, National Association of Women Business Owners, New York City Chapter; and Marta Varela, Commissioner, New York City Commission on Human Rights.

The pervasiveness of domestic violence is well documented. According to the Mayor's Management Report for Fiscal 2000, the Police Department made 23,935 family-related arrests for the year and there were 4,012 arrests for violations of orders of protection. Further, the police filed 252,902 domestic incident reports in fiscal 2000. (Advocates believe that since many domestic violence incidents are not reported, this figure does not reflect the true immensity of the domestic violence problem in New York City).

It is also well documented that "the effects of domestic violence on a woman's job performance can make it difficult for some women to maintain their employment or to advance in their jobs." U.S. General Accounting Office, Domestic Violence: Prevalence, and Implications for Employment among Welfare Recipients (1998). A study commissioned by the Women's Work Program at Liz Claiborne, Inc. found that fully 74% of surveyed DV victims who were employed were harassed by their abusers at work, and that domestic violence caused 56% of the surveyed victims to be late to work at least five times per month. (Women's Work Program, Liz 2

Claiborne, Inc., Survey conducted by Roper Starch Worldwide (1994)). The study further found that 28% of surveyed DV victims had to leave work early at least five days per month and 54% had to miss work at least three days per month. Victims also reported that abuse affected their ability to keep their jobs.

However, while New York State's penal, domestic relations and other laws have addressed the prevention of domestic violence and the punishment of abusers, there are no laws that provide protection for the economic interests of DV victims. Since it is through financial independence that a DV victim may be able to escape an abusive relationship and move forward with his/her life, the protection of these interests is vital.

While all victims of violent crime need and deserve protection, advocates have long maintained that DV victims have special needs. Domestic violence does not manifest itself in one act, but rather in a series of violent acts affecting a form of

subjugation not experienced by victims of random violence. Further, while victims of random acts of violence such as Nicole Barret may be deemed heroic in their plight to survive, the plight of DV victims is often minimized, if not scorned. Victims are often blamed for the violence. Indeed, advocates maintain that this view of domestic violence often leads to a psychology of shame and embarrassment for victims, driving them inward and making it nearly impossible for them to reach out for help. Witnesses who testified at the January hearing stated that, far from needing to remain unseen, if victims could feel safe about discussing this matter at work then perhaps they could more effectively create and execute an escape strategy to avoid further abuse. Proposed Int. 400-A certainly would not require DV victims to disclose their status to employers. However, it would protect those who have the courage to do so.

Proposed Int. No. 400-A would add a new protected class of DV victims to the City's Human Rights Law for purposes of employment discrimination protection. Proposed Int. No. 400-A would prohibit employers from refusing to hire DV victims, and from terminating or changing the terms and/or conditions of employment of DV victims simply because they are DV victims. Under Proposed Int. No. 400-A, a victim of DV would be defined as a person who has been subjected to acts or threats of violence by a current or former spouse, a person with whom the victim shares a child, a person who lives with or has lived with the victim, a person who is or has been in a continuing romantic or intimate relationship, or a person who lives in the same household as the victim. An act or threat of violence is defined as including that which would be a violation of the penal law.

Proposed Int. No. 400-A would only protect those victims who are otherwise able to perform the essential functions of their jobs. For example, Proposed Int. No. 400-A does not require an employer to provide time off of work for an employee to find shelter after a domestic violence incident if the employee is not otherwise entitled to such leave. Instead, Proposed Int. No. 400-A protects a DV victim from adverse employment action simply because of his/her status as a DV victim. Thus, while Proposed Int. No. 400-A would not require an employer to provide an accommodation such as time off or relocation, it would protect the DV victim from employment discrimination simply for making such a request. This legislation would enable victims of domestic violence to speak honestly about potentially dangerous situations that exist, without fear of jeopardizing their employment.

Since Proposed Int. No. 400-A would be part of the Human Rights law, the law would apply to employers with four or more employees, and DV victims would be able to file complaints of discrimination at the City Commission on Human Rights (CCHR), and would not need to hire a lawyer to do so. Currently, CCHR considers DV victims with physical or mental impairments as disabled and therefore protected under the Human Rights law. However, not all DV victims become so impaired, and even when they are, many DV victims do not consider themselves disabled. Proposed Int. No. 400-A would therefore serve a positive purpose in protecting all victims of DV from employment discrimination.

This local law would be effective immediately.

Accordingly, Your Committee recommends its adoption, as amended.

A LOCAL LAW to amend the administrative code of the city of New York, to prohibit employment discrimination against victims of domestic violence.

Be it enacted by the Council as follows:

Section 1. ***Legislative findings and intent.*** *The City Council finds and declares that domestic violence is a widely recognized problem in New York City. Indeed, New York City Police Department statistics indicate that although the overall crime rate has decreased in recent years, incidents of domestic violence have increased. However, little attention has been paid to the impact of domestic violence on the work lives of victims and on the City economy as a whole. In recent years, a growing body of evidence has documented the devastating impact of domestic violence on the ability of victims – over 90% of whom are women – to participate fully in the economy. Yet a victim's capacity to escape an abusive relationship is dependent in large part on economic factors such as finding and keeping a job and gaining economic security and independence. One study found that over one half of women surveyed who were victims of domestic violence stayed with their abusers because they lacked alternative resources with which to support themselves and their children. Other studies have determined that between twenty-four and fifty-two percent of battered women surveyed had lost their jobs at least in part due to domestic violence, which included harassment by the batterers both on and off the job.*

Employers are also affected by domestic violence. It has been estimated that absenteeism caused by domestic violence costs the nation's employers between three and five billion dollars annually. In a survey conducted by Roper Starch Worldwide for the Women's Work Program at Liz Claiborne, Inc., forty percent of the senior executives at Fortune 1000 companies surveyed reported that domestic violence had a harmful effect on their company's productivity, and sixty-six percent believed that their company's financial performance would benefit by addressing the issue. In response, several corporations have established policies and programs to assist employees struggling with domestic violence, and the State of New York has enacted legislation that established an executive office to develop model domestic violence policies for counties, state agencies and private employers, as well as an advisory council to develop strategies for domestic violence prevention. (N.Y. Exec. Law § 575). Further, the State of Maine has enacted legislation requiring employers to provide unpaid leaves of absence to victims of domestic violence, and similar legislation has been enacted in the City of Miami and is pending in the State of Pennsylvania.

Because they are embarrassed or because they fear losing their jobs, victims are often reticent about informing their employers about incidents of domestic violence or about requesting simple accommodations that might assist them in fulfilling their job duties. A growing body of anecdotal evidence suggests that the fear of negative employment actions such as demotion, suspension, loss of pay and/or benefits or termination against employees who have revealed that they are victims of domestic violence is not unwarranted. For example, victims of domestic violence have been terminated or demoted after requesting simple protective measures such as time off or flexible hours to confer with an attorney or a domestic violence counselor, obtain an order of protection or obtain medical or other services for themselves or family members.

The City Council finds that it is in the best interests of the City of New York to protect the economic viability of victims of domestic violence and to support their efforts to gain independence from their abusers. Victims of domestic violence who are receiving medical treatment or therapy for the physical and/or psychological effects of domestic violence may be covered under the disability provisions of sections 8-102(16) and 8-107 of the Human Rights Law. However, not all victims of domestic violence need or obtain such treatment and would therefore not be considered disabled. Further, many victims of domestic violence do not consider themselves disabled.

Accordingly, the Council further finds that in order to enable victims of domestic violence to speak with their employers without fear of reprisal, about a domestic violence incident or about possible steps that will enhance their ability to perform their job without causing undue hardship to the employer, the Human Rights Law should be amended to provide employment discrimination protection for New Yorkers who are actual or perceived victims of domestic violence.

§2. Title 8 of the administrative code of the city of New York is amended by adding a new section 8-107.1 which shall read as follows:

§8-107.1 Victims of Domestic Violence. *1. Definitions. Whenever used in this section the following terms shall have the following meanings:*

a. "Acts or threats of violence" shall include, but not be limited to, acts which would constitute violations of the penal law.

b. "Victim of domestic violence" shall mean a person who has been subjected to acts or threats of violence, not including acts of self-defense, committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim, by a person who is or has been in a continuing social relationship of a romantic or intimate nature with the victim, or a person who is or has continually or at regular intervals lived in the same household as the victim.

2. Unlawful discriminatory practices. It shall be an unlawful discriminatory practice for an employer, or an agent thereof, to refuse to hire or employ or to bar or to discharge from employment, or to discriminate against an individual in compensation or other terms, conditions, or privileges of employment because of the actual or perceived status of said individual as a victim of domestic violence.

§3. This local law shall take effect immediately.

Report of the Committee on Housing and Buildings

Int. No. 720-A

Report of the Committee on Housing and Buildings in favor of approving and adopting, a local law in relation to the exterior use of plastic pipes and fittings for underground yard drainage and storm water piping.

The Committee on Housing and Buildings to which it was referred on February 8, 2000 (Minutes, page 317) the annexed amended local law respectfully

REPORTS:

New York City has been extremely cautious about the use of plastic piping in construction. Currently plastic piping can only be used in residential buildings of three stories or less in height. Throughout the country, plastic pipes have been used increasingly because they are a cost efficient alternative to traditional piping materials. Int. No. 720-A expands the conditions for which plastic pipes can be used to permit the use of plastic piping, with a diameter of twelve inches or more, when used underground to carry yard drainage or when used to carry storm water. Thus, under this legislation, plastic piping could be used outside of a building's foundation during new construction or for the replacement of existing metal or concrete piping used to discharge to the sewer system. This piping cannot be connected to any piping system linking to the inside of the building.

Testimony concerning Int. No. 720 was first heard on April 18, 2000. As a result, Int. No. 720 was amended by eliminating the reference to the older commercial standards used for plastic pipe and fitting requirements in the interior of a residential building three stories or less, and by imposing the use of the newer American Society for Testing and Materials (ASTM) standards in this provision of the Reference Standards. In addition, the International Association of Plumbing and Mechanical Officials (IAPMO) Installation Standards were updated to conform the standards to those acceptable by the Department of Buildings (DOB). All standards updated in this provision are in conformity with those acceptable to DOB.

The Committee held a second hearing on June 27, 2000. Based on comments that were made at that hearing, additional research was conducted by Council staff and the Department of Buildings in order to ascertain the type and availability of plastic pipes that are on the market for use in outside drainage and storm water runoff. The bill was then further amended to specify that "corrugated polyethylene" as approved by the Department of Buildings could be used in this context.

FISCAL IMPACT STATEMENT:

Expenditures (-)	$0	$0	$0
Net	$0	$0	$0

SOURCE OF FUNDS TO COVER ESTIMATED COSTS: Not Applicable

Accordingly, Your Committee recommends its adoption.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to the exterior use of plastic pipes and fittings for underground yard drainage and storm water piping.

Be it enacted by the Council as follows:

Section 1. Subdivision b of section P102.2 of reference standard RS 16 of title 27 of the administrative code of the city of New York is amended to read as follows:

(b) Plastic piping and fittings-Plastic piping and fittings may be used only in residential buildings of three stories or less in height, *except that corrugated polyethylene piping with a diameter of twelve inches or more and plastic fittings may be used in connection with any type of building for underground yard drainage and storm water piping when used outside of the foundation walls of the building and not connecting to any piping system from the interior of the building* and shall be approved. [In addition, plastic] *Plastic* drain, waste and vent pipe and fittings *used inside of residential buildings of three stories or less in height* shall be required to conform with [Commercial Standard CS270-65 (ABS Plastic Drain, Waste, and Vent Pipe and Fittings)] *ASTM Standard D 2661-97 Specification for Acrylonitrile-Butadiene-Styrene (ABS) Schedule 40 Plastic Drain, Waste, and Vent Pipe and Fittings* or [Commercial Standard CS272-65 (PVC Plastic Drain, Waste and Vent Pipe Fittings)] *ASTM Standard D 2665-98 Specification for Poly (Vinyl Chloride) (PVC) Plastic Drain, Waste, and Vent Pipe and Fittings*, as well as the International Association of Plumbing and Mechanical Officials Installation Standards for ABS Building Drain, Waste, and Vent Pipe and Fittings (IAPMO [IS 5-71] *IS 5-92*) and PVC Building Drain, Waste and Vent Pipe and Fittings (IAPMO [IS 9-71)] *IS 9-95*) and Non-Metallic Building Sewers ([IAMPO IS 1-71] IAPMO *IS 1-91*).

§2. This local law shall take effect immediately.

The intent is to:

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

The Committee recommends that the Council approve the attached resolution.

Res. No. 1668

Resolution approving an Urban Development Action Area Project located at 1993 Morris Avenue (Block 2829/Lot 16), the Bronx, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 811; 20015019 HAX).

By Council Members Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on July 12, 2000 its request dated July 5, 2000 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 1993 Morris Avenue (Block 2829/Lot 16), Borough of the Bronx (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law;

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on August 21, 2000;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The Committee on Land Use to which it was referred on September 13, 2000 (Minutes, page 2216) the annexed land use resolution respectfully

REPORTS:

City Planning Commission decision approving an application submitted by Liberty Associates, LLC, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning map, Section No. 18a establishing within the existing R5 District a C1-2 District bounded by a line 265 feet north of Liberty

Avenue, 98th Street, a line 150 feet north of.. Liberty Avenue, and a line midway between 97th and 98th streets, as shown on .a diagram (for illustrative purposes only) dated July 24, 2000.

The intent is to amend Zoning Map, Section No. 18a.

The Committee recommends that the Council approve the attached resolution.

In connection herewith, Council Members Eisland and McCaffrey offered the following resolution:

Res. No. 1669

Resolution approving the decision of the City Planning Commission on ULURP No. C 990274 ZMQ, a Zoning Map Change (L.U. No. 863).

By Council Members Eisland and McCaffrey

Whereas, the City Planning Commission filed with the Council on November 30, 2000 its decision dated November 15, 2000 (the "Decision"), on the application submitted by Liberty Associates, LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment to the Zoning Map (ULURP No. C 990274 ZMQ) (the "Application");

Whereas, the Application is related to ULURP numbers C 990275 ZSQ (L.U. No. 930), special permit pursuant to Section 74-51; C 990276 ZSQ (L.U. No. 931), special permit pursuant to Section 74-922; C 990277 ZSQ (L.U. No. 932), special permit pursuant to 74-743; and C 990278 PPQ (L.U. No. 933), disposition of city-owned property;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on December 12, 2000;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the Conditional Negative Declaration, issued on July 21, 2000 (CEQR No. 99DCP023Q);

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, the Council approves the Decision.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section No. 18a establishing within the existing R5 District a C1-2 District bounded by a line 265 feet north of Liberty Avenue, 98th Street, a line 150 feet north of Liberty Avenue, and a line midway between 97th and 98th Streets, as shown on a diagram (for illustrative purposes only) dated July 24, 2000.

Whereas, the City Planning Commission filed with the Council on November 3, 2000, its decision dated November 18, 2000 (the "Decision") on the application submitted by 60 Greene Realty, LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for the grant of a special permit pursuant to Section 74-711 of the Zoning Resolution to modify the provisions of:

1. a. Section 42-14D(1)(a) to allow joint living-work quarters for artists in a proposed penthouse on the roof of a building erected prior to December 15, 1961; and

   b. Section 43-17 to allow a building that will contain joint living-work quarters for artists to be enlarged; and

2. Section 42-14D(2)(a) to allow retail use (Use Group 6) on the ground floor and in a portion of the cellar of a building occupying more than 3,600 square feet of lot area;

of an existing 5-story building at 60 Greene Street (Block 485/Lot 1), in an M1-5A District within the SoHo-Cast Iron Historic District, Borough of Manhattan (ULURP No. C 000106 ZSM) (the "Application");

Whereas, the City Planning Commission has made the findings required pursuant to Section 74-711 of the Zoning Resolution;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on December 12, 2000, on the Decision and Application;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on June 12, 2000 (CEQR No. 99DCP036M); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment; and

Pursuant to Sections 197-d and 200 of the New York City Charter and on the basis of the Decision and Application, the Council approves the Decision.

L.U. No. 920

Report of the Committee on Land Use in favor of approving a Application no. 20015110 HAK, an Urban Development Action Area, located at 438 Ashford Street, Council District no. 37, Borough of Brooklyn. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which it was referred on November 29, 2000 (Minutes, page 2694) the annexed Land Use resolution respectfully

REPORTS:

(For text, see L.U. No. 907 printed in these Minutes).

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Eisland and Linares offered the following resolution:

Res. No. 920

Resolution approving an Urban Development Action Area Project located at 438 Ashford Street (Block 4031/Lot 37), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 920; 20015110 HAK).

By Council Members Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on November 14, 2000 its request dated November 8, 2000 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 438 Ashford Street (Block 4031/Lot 37), Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law;

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on December 12, 2000;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

RESOLVED,

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

Whereas, the Application is related to ULURP numbers C 990274 ZMQ (L.U. No. 863), a change to the Zoning Map; C 990275 ZSQ (L.U. No. 930), special permit pursuant to Section 74-51; C 990276 ZSQ (L.U. No. 931), special permit pursuant to Section 74-922; and C 990277 ZSQ (L.U. No. 932), special permit pursuant to 74-743;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on December 12, 2000; and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

RESOLVED:

Pursuant to Section 197-d of the City Charter and on the basis of the Application and the Decision the Council approves the Decision.

Approved and Referred to Finance pursuant to Rule 6.50 of the Council.

Report of the Committee on Parks, Recreation, Cultural Affairs and International Intergroup Relations

Res. No. 1136

Report of the Committee on Parks, Recreation, Cultural Affairs & International Intergroup Relations in favor of filing a resolution by the Council of the City of New York calling upon the appropriate committee to hold an oversight hearing to review the operations, methodology, and regulatory procedures of the Mayor's Office of Film, Theatre, and Broadcasting.

The Committee on Parks, Recreation, Cultural Affairs and International Intergroup Relations to which it was referred on January 5, 2000 (Minutes, page 21) the annexed resolution respectfully

REPORTS:

This Resolution calls upon the appropriate committee of the Council to hold an oversight hearing to review the operations, methodology and regulatory procedures of the Mayor's Office of Film, Theatre and Broadcasting.

The Mayor's Office of Film, Theatre and Broadcasting ('the Office's provides economic development services to the film and video production industry and is responsible for issuing permits for location shooting throughout the five boroughs.

The Council Finance Division reports that the budget for the Office of Film, Theatre and Broadcasting indicates a headcount of 19 with total annual salaries of $891,463. The total OTPS budget for Fiscal Year 2000 was $173,501; with $ 1 20,3 27 being utilized for the rental of land, buildings and structures.

According to the Mayor's Management Report (Fiscal 2000, Volume One), the Office objective for Fiscal Year 200 1 is to facilitate provision of a minimum of 20,000 film and video production shooting days in the City. Its Fiscal Year 2000 actual production was 19,876 shooting days and 8,384 total productions. In comparison, in Fiscal Year 1999, the Office reported providing 19,542 shooting days and 7,937 total productions. If this rate of growth is sustained, the Office's Fiscal Year 2001 objective is attainable. In relation to these shooting day and production statistics, the Mayor's Management Report does not indicate the number or percentage of indoor versus outdoor shooting days or productions.

During Fiscal Year 2000, a total of 201 feature films and 547 broadcast and cable network television programs were produced, resulting in 4,096 and 4,985 shooting days respectively. In comparison, in Fiscal Year 1999, 224 feature films and 426 broadcast and cable network television programs were produced, resulting in 3,657 and 5,235 shooting days respectively. The Mayor's Management Report does not indicate what types of productions were involved in the other 54% of the production days reported for both Fiscal Years 1999 and 2000.

Also according to the Mayor's Management Report, in Fiscal Year 2000, the Office increased the number of personnel assigned as field representatives. Field representatives check production location parking to ensure production work proceeds according to permit guidelines and, where necessary, direct production crews to cut back on parking. After companies vacate the production site, field representatives verify whether public locations have been restored to their original condition. The Mayor's Management Report, however, does not provide data on the number of personnel assigned as such field representatives either before or subsequent to this reported increase nor on what other duties, if any, field representatives are assigned.

Responding to complaints from Council Members of a lack of timely notification when productions are scheduled in their districts, in August of 2000, the Office expanded its "flash" notification program to include Council Members. Under this flash notification program, Office field representatives notify Community Boards and Council Members of productions within their boundaries by faxing "flash" notifications to them. The Mayor's Management Report does not indicate: (1) how far ahead of the commencement of production these flash notifications are faxed to Council Members and Community Boards, (2) the information contained in these flash notifications and (3) to what extent, if any, these flash notifications provide an opportunity for timely effective community notification and consultation.

Res. No. 1136 recognizes the substantial contribution of these productions to the economic vitality of our City but, in light of the extensive community disruption that often accompanies these productions, this Resolution advocates more extensive advance notification to the community when a production is planned in order to facilitate establishment of additional measures to mitigate such community disruption.

Accordingly, Your Committee recommends its filing.

RE: Appointment to the New York City Board of Elections

The Committee o n Rules, Privileges and Elections will consider o n this date appointments to the New York City Board of Elections.

The Board of Elections within the City of New York consists of ten members appointed by the Council pursuant to Sections 3-200,202 and 204 of the Election Law. Said members are designated to the Council by the county committees of the major political parties of each respective borough, or by such other Committee as the rules of the party provides, within the City of New York for four year terms.

When the Council does not appoint within sixty (60) days of the filing of the designating certificate from the county committee, then the county committee may designate another person. If thirty (3 0) days pass and no person is designated, then the members of the Council of the same party may appoint an eligible person to this office.

Vacancies which occur during the term are filled for the remainder of the unexpired term in--the same manner which the original appointment was made. Pursuant to Section 3-2 0 8 of this statute as last amended by Chapter 14 7 of the Laws of 19 8 0, commissioners receive an annual salary of one hundred and twenty five dollars for each day's attendance at meetings of the board with a maximum of $12,500.00 per year.

The responsibilities of the Board of Elections and its commissioners include the maintenance and administration of voting records and elections incorporating the quasi-judicial functions of scrutinizing petitions of candidates for nomination to elective office.

The names of the following individuals has been recommended for a four year term which will expire on December 31,2004.

Res. No. 1639

Report of the Committee on Rules, Privileges and Elections in favor of approving a resolution amending Rule 11.20 of the Rules of the Council to provide that all applications submitted to the Council pursuant to Article 16 of the General Municipal Law shall be the subject of a public hearing within 150 days of submission.

The Committee on Rules, Privileges and Elections to which it was referred on December 19, 2000 the annexed resolution respectfully

REPORTS:

This resolution amends section 11.2 0 of the Rules of the Council, Referrals to the Land Use Committee, by adding subdivision f which requires that all matters subject to review by the Council pursuant to Article 16 of the General Municipal Law subdivision b of section 3 7 8 of the New York City Charter shall be referred to the subcommittee that has jurisdiction over the matter and that the subcommittee shall hold a public hearing on such matters within 150 days of filing with the office of the Speaker.

The Council reviews and approves Urban Development Action Area Projects ("UDAAPs") pursuant to Article 16 of the General Municipal Law. The vast majority of these projects meet the statutory requirements to have the Uniform Land Use Review Procedure ("ULURP") waived, and are referred to as "accelerated UDAAPs". While a project going through ULURP has an extensive public review process with public hearings being held by the affected Community Board(s), the Borough President, the City Planning Commission and the Council, this is not the case with an accelerated UDAAP. When ULURP is waived, the only possible venue for a public hearing is at the City Council in the Subcommittee on Permits, Dispositions and Concessions.

By law, the Council has the authority to approve or disapprove each project; it cannot modify. There have been concerns about certain of the projects and the practice has been to work with HPD to resolve the problems prior to having the public hearing and voting on the project.

On August 23,2000, Governor Patakis signed into law an amendment to Section 695 of the General Municipal Law. This amendment provides that if no action is taken on an application pursuant to Article 16 within 150 days of the application being submitted to the Council, the application shall be deemed approved. The Council retains the authority to approve or disapprove an application within the 15 0 days.

This amendment raises the possibility that an application could be approved without having been the subject of a public hearing. This is counter to the intent of the General Municipal Law and to public policy. This amendment to the Rules of the Council would insure that no application would be approved without a public hearing.

Therefore, this amendment to the Rules of the Council will ensure that a public hearing is held on each project submitted pursuant to Article 16 and a public record is created.

Accordingly, Your Committee recommends its adoption.

Report of the Committee on Transportation

At this point the Speaker (Council Member Vallone) announced that the following item had been preconsidered by the Committee on Transportation and had been favorably reported for adoption.

Res. No. 1648

Report of the Committee on Transportation in favor of approving a resolution pursuant to Section 19-511.1 of the administrative code of the city of New York to review five determinations by the Taxi and Limousine Commission to approve applications for the renewal of a license to operate a base station.

The Committee on Transportation to which it was referred on December 5, 2000 (Minutes, page 2723) the annexed resolution respectfully

REPORTS:

Pursuant to Local Law 51 of 1996 the Council has the authority to review determinations by the Taxi and Limousine Commission (TLC) to approve applications for base station licenses, including renewals of such licenses. The Council may, within ninety days after the first Stated Meeting following receipt of such a determination, "call up" a determination for review by passing a resolution and either approve or disapprove that determination by passing a local law. This resolution, a copy of which is annexed hereto, permits the Council to review five determinations of the Taxi and Limousine Commission to approve license renewals for base stations. The Council received these determinations in Communications by the Mayor numbers M-960 to M-964 at the Stated Meeting of November 15, 2 000. The names of these base station applicants are found in the Preconsidered Resolution which is attached to this memorandum.

(For text, see Introduction and Reading of Bills printed in the Minutes of December 5, 2000 (Minutes, page 2723)).

Accordingly, Your Committee recommends its adoption.

Introduction and Reading of Bills

Int. No. 852

By The Speaker (Council Member Vallone) and Council Members Dear, Espada, Freed, Henry, Michels, Moskowitz, Reed, Robles, The Public Advocate (Mr. Green) and Council Members Abel, Fiala, and Bolden; also Council Members Foster, Koslowitz, Leffler, Linares, McCaffrey, Nelson, O'Donovan, Provenzano, Rivera, Sabini, and Wooten.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to prohibiting the use of mobile telephones while operating a motor vehicle.

Be it enacted by the Council as follows:

Section 1. Declaration of Legislative Intent and Findings. The use of mobile telephones has dramatically increased in recent years, including the use of such telephones by drivers while operating a motor vehicle. A 1997 report in the New England Journal of Medicine found that the use of mobile telephones while driving a motor vehicle quadrupled the risk of a collision, creating the same risk as exists when a driver has a blood alcohol level of .10 percent, the legal limit. The National Highway Traffic Safety Administration concluded in a 1997 report that the use of a mobile telephone while driving increased the risk of a crash and that such risks will increase with the greater number of mobile telephones in use. In light of the inherent risks of using mobile telephones while operating a motor vehicle and an increased risk of accidents due to the distraction caused by the use of mobile telephones while driving, the Council believes that action is necessary to restrict the use of mobile telephones while operating a motor vehicle. This public safety concern endangers pedestrians and vehicle occupants, thus requiring legislative action.

§ 2. Title 19 of the administrative code of the city of New York is amended by adding thereto a new section 19-180 to read as follows:

§19-180 Use of mobile telephones while operating a motor vehicle prohibited.

a. Definitions. For purposes of this section: (1) The term "authorized emergency vehicle" shall mean every police vehicle, fire vehicle, emergency ambulance service vehicle and every other emergency vehicle as defined in section one hundred one of the vehicle and traffic law.

(2) The term "mobile telephone" shall mean a telephone which can be used without an access line for service, including, but not limited to, cellular, analog, wireless, and digital telephones and communications devices.

(3) The term "motor vehicle" shall mean every vehicle operated or driven upon a street which is propelled by any power other than muscular power, except as otherwise provided in section one hundred twenty-five of the vehicle and traffic law.

(4) The term "park" shall mean for a motor vehicle equipped with an automatic transmission that the motor vehicle is in the "park" gear and out of the stream of traffic, and for a motor vehicle equipped with a manual transmission that the vehicle is in the "neutral" gear, the brake is engaged and the motor vehicle is out of the stream of traffic.

(5) The term "use" shall mean to talk or listen on a mobile telephone.

(6) "Hands-free device" shall mean an attachment, add-on, addition to a mobile telephone, or other piece of equipment, whether or not permanently installed in a motor vehicle, that when operative allows the operator of a motor vehicle to maintain both hands (or prosthetic device or aid in the case of a physically disabled person) on the motor vehicle's steering device.

b. *No person shall use a mobile telephone while operating a motor vehicle on any street in the City of New York.*

c. Exceptions. The provisions of this section shall not apply to:

(1) The operator of an authorized emergency vehicle acting in his or her official capacity.

(2) The operator of a motor vehicle when such motor vehicle is in the "park" position.

(3) The use of a mobile telephone with a hands-free device in a manner that permits the operator of the motor vehicle to maintain both hands on the applicable steering device.

d. A violation of subdivision b of this section shall be an offense and shall be punishable by a fine of not less than one hundred fifty dollars nor more than three hundred dollars. Any person found liable for a second or subsequent violation of subdivision b of this section after having been convicted of such a violation within the preceding six months shall be guilty of an offense punishable by a fine of not less than three hundred dollars nor more than five hundred dollars or no more than ten days imprisonment.

e. It shall be an affirmative defense for an individual to produce documentary evidence that the telephone call which serves as the foundation for the alleged violation is for the sole purpose of communicating with any of the following in an emergency situation:

(1) an emergency response operator, such as 911 or any successor emergency number thereto;

(2) a hospital, physician's office or health clinic;

(3) an ambulance company or corps;

(4) a fire department, fire district, or fire company;

(5)a first aid squad; or

(6)a police department.

f. Nothing herein shall preclude any city agency, which by permit, license or registration regulates the business or professional activities of individuals, from imposing stricter restrictions than provided in this section for the use of mobile telephones upon such individuals during the course of engaging in the business or professional activity which is the subject of the city agency's permit, license or registration.

g. Nothing herein shall preclude the head of any city agency, the head of any entity a majority of whose members are elected or appointed by any city official, any elected official, or the speaker of the council from imposing upon their respective employees stricter restrictions on the use of mobile telephones in the course of their employment.

h. Nothing herein shall preclude stricter restrictions on the use of mobile telephones as a result of collective bargaining or contractual obligations.

§ 3. If any provision of this section, or the local law creating this section, or of any amendments thereto, shall be held invalid or ineffective in whole or in part or inapplicable to any person or situation, such holding shall not affect, impair or invalidate the remainder of this section or local law, and all other provisions thereof shall nevertheless be separately and fully effective and the application of any such provision to other persons or situations shall not be affected.

§ 4. This local law shall take effect 60 days after it is enacted.

Referred to the Committee on Transportation.

By the Speaker (Council Member Vallone) and Council Members Warden, Carrion, Malave-Dilan, Fisher, Freed, Henry, Marshall, Michels, Moskowitz, Robles, Spigner, The Public Advocate (Mr. Green) and Council Members Abel, Golden, and Oddo; also Council Members Eisland, Foster, Koslowitz, Linares, McCaffrey, Nelson, O'Donovan, Rivera and Wooten.

A LOCAL LAW to amend the administrative code of the city of New York to protect individuals who are the victims of violent crime.

Be it enacted by the Council as follows:

Section 1. A new chapter 4 is hereby added to title 10 of the administrative code of the city of New York to read as follows:

CHAPTER FOUR
ACTIONS BY VICTIMS OF VIOLENT CRIME

§10-401 ***Short Title.*** *This local law shall be known as the "Victims of Violent Crime Protection Act".*

§10-402 ***Definition.*** *For purposes of this chapter:*

a. "Crime of violence" means an act or series of acts that would constitute a misdemeanor or felony against the person as defined in state or federal law or that would constitute a misdemeanor or felony against property as defined in state or federal law if the conduct presents a serious risk of physical injury to another, whether or not those acts have actually resulted in criminal charges, prosecution, or conviction.

§10-403 ***Civil Cause of Action.*** *Except as otherwise provided by law, any person claiming to be injured by an individual who commits a crime of violence as defined in section 10-402 of this chapter, shall have a cause of action against such individual in any court of competent jurisdiction for any or all of the following relief*

1. compensatory and punitive damages;
2. injunctive and declaratory relief;
3. attorneys' fees and costs;
4. such other relief as a court may deem appropriate.

§ 10-404 ***Limitations.*** *a. A civil action under this chapter must be commenced within six years after the alleged crime of violence as defined in section 10-402 of this chapter occurred. If however, due to injury or disability resulting from an act or acts giving rise to a cause of action under this chapter, or due to infancy as defined in the civil procedure law and rules a person entitled to commence an action under this chapter is unable to do so at the time such cause of action accrues, then the time within which the action must be commenced shall be extended to six years after the inability to commence the action ceases.*

b. Nothing in this section requires a prior criminal complaint prosecution or conviction to establish the elements of a cause of action under this chapter.

§ 10-405 ***Burden of Proof.*** *Conviction of a crime arising out of the same transaction, occurrence or event giving rise to a cause of action under this chapter shall be considered conclusive proof of the underlying facts of that crime for purposes of an action brought under this chapter. That such crime was a crime of violence must be proved by preponderance of the evidence.*

§ 10-406 Severability. *If any section, subsection, sentence ,clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid in whole or in part, by any court of competent jurisdiction such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.*

§2. This local law shall take effect immediately after its enactment into law.

Referred to the Committee on Fire and Criminal Justice Service.

By Council Members Berman, Carrion, Freed, Henry, Marshall, Fiala, and Oddo; Also Council Members Koslowitz, McCaffrey, Nelson and Rivera.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to the regulation of unsolicited electronic mail advertisements.

Be it enacted by the Council as follows:

Section 1. Chapter four of title twenty of the administrative code of the city of New York is amended by adding a new subchapter 11 to read as follows:

SUBCHAPTER 11

UNSOLICITED ELECTRONIC MAIL ADVERTISEMENTS

§20-759 a. ***Definitions.*** *For purposes of this section:*

(1) "Electronic mail advertisement" means any electronic mail message, the principal purpose of which is to encourage the purchase, rental, lease or gift offer of, or investment in, property, goods or services, or an offer for the extension of credit, which is transmitted to the recipient;

(2) "Established business relationship" means a prior or existing relationship formed by a voluntary two-way communication between a person or entity and a consumer, with or without the exchange of any consideration, on the basis of an inquiry, application, or transaction by the consumer regarding products or services offered by such person, which relationship has not been terminated by either party prior to the sending of an electronic mail advertisement;

(3) "Person" means any individual, firm, company, partnership, corporation, association or other entity;

(4) "Unsolicited electronic mail advertisement" shall mean an electronic mail advertisement that (i) is addressed to a recipient with whom the sender does not have an established business relationship or personal relationship; and (ii) is not sent at the request or with the express consent of the recipient.

b. ***Transmission of unsolicited electronic mail advertisements.*** *It shall be unlawful for any person to transmit an unsolicited electronic mail advertisement unless the electronic mail advertisement clearly and conspicuously provides on the initial screen or page of such advertisement visible to the recipient upon the receipt or opening of such advertisement, the following information:*

(1) The initial sender's legal name;

(2) The initial sender's complete street address;

(3) A notice that the recipient may elect not to receive any further unsolicited electronic mail advertising from such sender and a provision for the means of so notifying such sender by the performance of a simple computer function such as hitting an indicated key or clicking on an indicated icon or symbol on the initial screen or page of such advertisement, or on the notice itself.

c. ***Prohibition against further unsolicited electronic mail advertisements.*** *No person shall transmit any unsolicited electronic mail advertisement to a recipient who has notified the sender pursuant to the provisions of subdivision (b) hereof that he or she elects not to receive any further unsolicited electronic mail advertising from such sender. The requirements of subdivision b and of this subdivision shall not apply to the transmission of electronic mail advertisements by a telecommunications utility or internet service provider, or other person who provides the ability to send or receive electronic mail as an intermediary, to the extent that such utility or service provider is only carrying the transmission of another person over its network or communication lines.*

d. ***Penalties.*** *Any person who violates the provisions of this section shall be subject to a civil penalty not to exceed five hundred dollars for each unsolicited electronic advertisement transmitted to a recipient.*

e. ***Civil Actions.*** *Any person who has received an unsolicited electronic mail advertisement in violation of the provisions of this section may enforce its provisions by means of a civil action to recover the actual damages as determined by a jury, or a court sitting without a jury, but in no case less than two hundred fifty dollars.*

§2. This local law shall take effect ninety days from its enactment

Res. No. 1654

Resolution calling upon the New York State Office of Mental Health to compile and publish an updated comprehensive needs assessment for the mentally ill, including an analysis of any unmet housing needs.

By Council Members Clarke, Robles, Carrion, Malave-Dilan, Fisher, Freed, Henry, Linares, Marshall, Reed and Fiala; also Council Members Foster, Leffler, Michels, O'Donovan, Rivera, Robles, Rodriquez and Wooten.

Whereas, Testimony received at a number of hearings held by the Council of the City of New York, Subcommittee on Mental Health, indicates that the lack of permanent supported housing in New York City is a barrier to the successful treatment of the mentally ill; and

Whereas, Dr. Neal Cohen, Commissioner of the New York City Department of Mental Health, at a hearing held on December 6, 2000, by the Subcommittee, entitled "Unlicensed Adult Homes for the Mentally Ill: The Problem of Placement and the Shortage of Supportive Housing", stated that housing "is an essential component of the mental health treatment system."; and

Whereas, Additional testimony given at the aforementioned hearing by Dr. Manuel Trujillo, Director of Psychiatry Bellevue Hospital Center, indicated that mentally ill patients discharged from Bellevue face a variety of unmet housing needs; and

Whereas, Testimony delivered at the aforementioned hearing by Barbara Messier, Associate Director of Psychiatry at Interfaith Medical Center, indicted that many mentally ill people who cannot locate appropriate supported housing must resort to living "unlicensed" adult homes that often dangerous; and

Whereas, According to Dr. Cohen, New York State and New York City have attempted to fill the need for unmet housing with a number of programs, including the New York/New York II Agreement, signed in 1999, which provides for the creation 690 housing units for homeless mentally ill adults; and

Whereas, Notwithstanding the implementation of the New York/New York II Agreement, the housing crisis and shortage of other services utilized by mentally ill people in New York City has not been fully addressed; and

Whereas, According to Dr. Cohen, the New York State Office of Mental Health has not performed a comprehensive assessment of the unmet needs of the mentally ill, including the dearth of supported housing, since 1992; and

Whereas, In his testimony at the aforementioned hearing, Dr. Cohen stated that an updated analysis of the unmet needs of the mentally ill would be helpful in assessing "how much progress we have made in filling the need for housing and of course [to] see how much further there is to go"; and

Whereas, Accordingly, in his testimony, Dr. Cohen called upon New York State Office of Mental Health to update its analysis unmet needs for housing and other services utilized by the mentally ill; and

Whereas, Dr. Trujillo and other HHC representatives testifying before the Subcommittee at the aforementioned hearing similarly endorsed Dr. Cohen's call for New York State Office of Mental Health to its analysis of unmet needs of mentally ill; now, therefore, be it

Resolved, That the New York State Office of Mental Health compile and publish an updated comprehensive needs assessment for the mentally ill, including an analysis of any unmet housing needs.

Referred to the Committee on Health.

Int. No. 855

By Council Members Dear, Marshall, Nelson and Fiala; also Council Members Eldridge, Foster, Watkins, White, Wooten, Abel and Golden.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to prohibiting the use of mobile telephones while operating a motor vehicle.

Be it enacted by the Council as follows:

Section 1. The administrative code of the city of New York is amended by adding a new section 10-137 to read as follows:

§10-137. Prohibition on the use of mobile telephones while operating a motor vehicle

a. Definitions. For purposes of this section:

1. "Hands-free device" shall mean an attachment, add-on or addition to a mobile telephone, whether or not permanently installed in a motor vehicle that when used allows the operator of a motor vehicle to maintain both hands (or prosthetic device or aid in the case of a physically disabled person) on the applicable steering mechanism.

2. "Mobile telephone" shall mean equipment capable of sending and/or receiving voice communications without a wired access line for service including but not limited to, cellular, wireless, and PCS (personal communications services) telephones.

3. "Motor vehicle" shall mean a motor vehicle as defined in section one hundred twenty-five of the vehicle and traffic law.

4. "Park" shall mean park as defined in section one hundred twenty-nine of the vehicle and traffic law.

5. "Public highway" shall mean a public highway as defined in section one hundred thirty-four of the vehicle and traffic law.

6. "Stand" shall mean stand as defined in section one hundred forty-five of the vehicle and traffic law.

7. "Stop" shall mean stop as defined in section one hundred forty-six of the vehicle and traffic law.

8. "Use" shall mean to talk or listen on a mobile telephone.

b. Except as provided in subdivision c of this section, no person shall operate a motor vehicle on a public highway while using a mobile telephone.

c. 1. The use of a mobile telephone by an operator of a motor vehicle shall not be a violation of subdivision b of this section where the operator was using such mobile telephone to contact a 911 emergency telephone number, or to make an emergency telephone call to a hospital or a medical doctor's office.

2. The use of a mobile telephone by an operator of a motor vehicle shall not be a violation of subdivision b of this section where the mobile telephone was equipped and used with a hands-free device.

3. The use of a mobile telephone by an operator of a motor vehicle shall not be a violation of subdivision b of this section where the motor vehicle is stopped standing, or parked.

d. Any person who operates a motor vehicle on a public highway in violation of subdivision b of this section shall be guilty of a traffic infraction and upon conviction thereof shall be liable for a fine of not less than fifty dollars nor more than one hundred fifty dollars. Such traffic infraction may be adjudicated pursuant to article two-A of the vehicle and traffic law.

§ 2. This local law shall take effect 60 days after it shall have become a law.

Int. No. 856

By Council Members Dear, Carrion, Espada, Fisher, Henry, Marshall, Nelson, Warden, Fiala and Oddo; also Council Members Eisland, Eldridge, Foster, Koslowitz, Leffler, Lopez, McCaffrey, O'Donovan, Provenzano, Rivera, Robinson, Sabini, Watkins, White, Wooten, Abel, and Golden.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to obligating the City to perform repairs upon sidewalks damaged by City-owned trees, fire hydrants, parking meters, emergency call boxes or other such public amenities.

Be it enacted by the Council as follows:

Section 1. Section 19-152 of the administrative code of the city of New York, as amended by local law number 64 for the year 1995, is amended by adding thereto a new subdivision to read as follows:

o. Notwithstanding any inconsistent provision of this section, the city of New York, and not the immediately adjacent property owner, shall be required at its own expense, to reinstall, reconstruct, repave or repair an existing sidewalk flag at legal grade when such property owner submits proof satisfactory to the department that:

i) (a) the sidewalk flag sustained damage as a result of a city capital construction project for street or sewer reconstruction; or

b) the sidewalk flag sustained damage from the installation. operation, maintenance, repair or removal of a fire hydrant, parking meter, emergency call box, or other such public amenity or from the growth of the roots of one or more trees under the exclusive care of the commissioner of parks and recreation; and

(ii) the owner notified the department of the damage to the sidewalk in accordance with the rules of the department.

§2 This local law shall take effect immediately after it is enacted into law.

Referred to the Committee on Transportation.

Res. No. 1655

Resolution determining that the enactment of Proposed Int. No. 813-A will not have a significant adverse effect on the environment.

By Council Members Koslowitz, Freed, Henry, Marshall, Michels, Moskowitz, Reed, Linares, Quinn, Abel, Fiala, Golden and Oddo (by request of the Mayor); also Council Members Carrion, DiBrienza, Eldridge, Espada, Fisher, Leffler, Nelson, Povman and Provenzano and Eisland.

Whereas, Pursuant to the New York State Environmental Quality Review Act, the Council has evaluated the appropriate criteria to determine the environmental significance of Proposed Int. No. 813-A, amending the Administrative Code of the City of New York, in relation to authorizing the commissioner of consumer affairs to require that the engines of sight-seeing buses comply with emission standards as a condition of licensing.

Whereas, The attached Negative Declaration represents the findings and conclusions of the Council; now, therefore, be it

Resolved, That the Council hereby determines that the enactment of Proposed Int. No. 813-A will not have a significant adverse effect on the environment.

Referred to the Committee on Transportation.

Res. No. 1656

Resolution urging the Board of Education to require background checks of all New York City Board of Education employees, including but not limited to, school maintenance personnel and other support staff.

By Council Members Koslowitz, Carrion, Lopez, Moskowitz, Nelson, Golden, and Oddo; Also Council Members Eisland, Foster, Rodriquez, Watkins and Ognibene.

Whereas, The safety of New York City's school children is of utmost importance; and

Whereas, Harm to New York City school children may be prevented through criminal background checks of persons working on school premises during school hours; and

Whereas, School maintenance personnel work on school grounds during school hours and may have contact with students; and

Whereas, In a report issued by the Special Commissioner of Investigations for the New York City School District, some incidents were describe as examples of how background checks would provide important and critical information when individuals who will be working near students are hired; and

Whereas, In one case, a custodian who was found to have been convicted of two violent felonies was not fingerprinted before working as a custodian at the Ida B. Wells school, a facility located in Queens designed exclusively for pregnant girls; and

Whereas, In another case sited in the report a van driver was found to have a criminal history of arrests that ranged from Grand Larceny to Rape in the First Degree; now, therefore, be it

Resolved, That the Council of the City of New York urges the Board of Education to require background checks on all New York City Board of Education employees, including but not limited to, school maintenance personnel and other support staff.

Referred to the Committee on Education.

Res. No. 1657

Resolution calling upon the Federal Bureau of Prisons to withdraw its plan to locate a halfway house at 566 West 182nd Street and to consider an alternate location within Manhattan.

By Council Members Linares, Berman, carrion, Clarke, DiBrienza, Eldridge, Freed, Koslowitz, Lopez, Marshall, Moskowitz, Perkins, Provenzano, Warden, Watkins, Abel and Fiala; Also Council Members Foster, O'Donovan, Rivera, Rodriquez, Sabini, Spigner, White and Ognibene.

Whereas, In October, 2000, community leaders in Washington Heights became aware of a plan by the Correctional Services Corporation ("CSC"), pursuant to a contractual agreement with the Federal Bureau of Prisons, to establish a halfway house at 566 West 182nd Street; and

Whereas, Residents of 566 West 182nd Street claim that they have been harassed and intimidated by the CSC to vacate the premises to make space available for the planned halfway house; and

Whereas, The proposed location of the halfway house is surrounded by seven of the most overcrowded schools in the City and in the heart of a highly congested residential community; and

Whereas, It appears that CSC planned to proceed with the halfway house project without soliciting any input from community leaders, the community board, or residents of the community, and it was only after they were confronted by strong opposition to the plan that they agreed to meet with community leaders and address the community board; and

Whereas, At a public hearing conducted by Community School Board District 6 on December 5, 2000, the Vice President of CSC represented that Congressman Charles Rangel supported the plan for the halfway house, however the Congressman's Chief of Staff, also in attendance, contradicted this statement, while the school board refuted claims by CSC that they supported the plan; and

Whereas, By misrepresenting the support they have received for this project, CSC has undermined their credibility within the Washington Heights community; and

Whereas, At public hearings held on November 22, 2000, and December 5, 2000, the vast majority of residents who testified opposed the plan for the halfway house; and

Whereas, On November 29, 2000, Community Board 12 adopted a Resolution formally opposing the CSC plan and sent the Resolution to the Department of Justice, the Federal Bureau of Prisons, and elected officials; and

Whereas, It is inappropriate and irresponsible to locate a prison halfway house in a predominantly residential neighborhood containing seven City schools; now, be it,

Resolved, That the Council of the City of New York calls upon the Federal Bureau of Prisons to withdraw its plan to locate a halfway house at 566 West 182nd Street and to consider an alternate location within Manhattan.

Referred to the Committee on Fire and Criminal Justice Service.

Int. No. 857

By Council Member Leffler; also Council Member Robinson.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to increasing the penalties for failure to use a safety locking device and requiring that in certain circumstances law enforcement officers be required to use a safety locking device.

Be it enacted by the Council as follows:

Section 1. Section 10-311 of the administrative code of the city of New York is amended to read as follows:

§ 10-311 Sale of weapons without safety locking device prohibited.

a. It shall be unlawful for any person or business enterprise to dispose of any weapon which does not contain a safety locking device. For the purposes of this section and section 10-312: (1) weapon shall mean a firearm, rifle, shotgun, or assault weapon, as such terms are defined in section 10-301; or a machine gun, as defined in the penal law; and (2) a safety locking device shall mean a design adaptation or attachable accessory that will prevent the use of the weapon by an unauthorized user, and includes, but is not limited to, a trigger lock, which prevents the pulling of the trigger without the use of a key, or a combination handle, which prevents the use of the weapon without the alignment of the combination tumblers.

b. It shall be unlawful for any licensed manufacturer, licensed importer, or licensed dealer to dispose of any weapon in the city of New York unless it is accompanied by the following warning, which shall appear in conspicuous and legible type in capital letters, and which shall be printed on a label affixed to the weapon and on a separate sheet of paper included within the packaging enclosing the weapon:

"THE USE OF A LOCKING DEVICE OR SAFETY LOCK IS ONLY ONE ASPECT OF RESPONSIBLE WEAPON STORAGE. ALL WEAPONS SHOULD BE STORED UNLOADED AND LOCKED IN A LOCATION THAT IS BOTH SEPARATE FROM THEIR AMMUNITION AND INACCESSIBLE TO CHILDREN AND ANY OTHER UNAUTHORIZED PERSONS."

c. Any person who applies for and obtains authorization to purchase a weapon or otherwise lawfully obtains a weapon pursuant to chapters one or three of title ten of this code shall be required to purchase or obtain a safety locking device at the time he or she purchases or obtains the weapon.

d. (1) The police commissioner is authorized to promulgate rules setting forth the types of safety locking devices which will comply with this section in accordance with subdivision a of this section. The city of New York and its agencies, officers or employees shall not be liable to any party by reason of any incident involving, or the use or misuse of, a safety locking device that may have been purchased in compliance with such rules promulgated by the commissioner.

(2) The police commissioner shall provide written notice of the requirements of this section and section 10-312 to all persons who receive an official authorization to purchase a weapon and all persons applying for renewal of a license or permit issued pursuant to chapters one or three of title ten, including any rules promulgated under this subdivision. All persons applying for a license or permit or applying for the renewal of a license or permit pursuant to chapters one or three of title ten of this code, shall receive from the commissioner information concerning the importance of using a safety locking device while a weapon is not in use, and a warning that weapons should be stored unloaded and locked in a location that is both separate from their ammunition and inaccessible to children and any other unauthorized persons.

e. Any violation of subdivisions a or b of this section or any rule promulgated thereunder shall be a misdemeanor and triable by a judge of the criminal court of the city of New York and punishable by imprisonment of not more than thirty days or by a fine of not more than five hundred dollars, or both.

f. Any person who violates this section having previously been found guilty of a violation of this section, or under circumstances which create a substantial risk of physical injury to another person, shall be guilty of a misdemeanor punishable by imprisonment of not more than six months, or by a fine of not more than five thousand dollars, or both.

g. Any person who violates this section having previously been found guilty on two or more occasions of a violation of this section shall be guilty of a misdemeanor punishable by imprisonment of not more than one year, or by a fine of not more than ten thousand dollars, or both.

h. In addition to the penalties prescribed in subdivisions e, f, and g of this section, any person who violates this section shall be liable for a civil penalty of not more than five thousand dollars.

§ 2. Section 10-312 of the administrative code of the city of New York is amended to read as follows:

§ 10-312 Use of safety locking device required under certain circumstances.

a. It shall be unlawful for any person who is the lawful owner or lawful custodian of a weapon, as that term is defined in section 10-311, to store or otherwise place or leave such weapon in such a manner or under circumstances that it is out of his or her immediate possession or control, without having rendered such weapon inoperable by employing a safety locking device. Any person who violates this subdivision shall be guilty of a violation, punishable by imprisonment of not more than ten days or by a fine of not more than two hundred fifty dollars, or both.

b. Any person who violates subdivision a of this section having previously been found guilty of a violation of such subdivision, or under circumstances which create a substantial risk of physical injury to another person, shall be guilty of a misdemeanor punishable by imprisonment of not more than [thirty days] ***six months or by a fine of*** **not more than [one] five thousand dollars, or both.**

c. *Any person who violates this section having previously been found guilty of a misdemeanor pursuant to this section shall be guilty of a misdemeanor punishable by imprisonment of not more than one year, or by fine of not more than ten thousand dollars, or both.*

d. *In addition to the penalties prescribed in subdivisions a, b, and c of this section, any person who violates this section shall be liable for a civil penalty of not more than five thousand dollars.*

e. The provisions of this section shall not apply to weapons owned or lawfully possessed by a police officer, as such term is defined in section 1.20 of the criminal procedure law, or a federal law enforcement officer, as such term is defined in section 2.15 of the criminal procedure law; *provided, however, that this section shall apply to weapons owned or lawfully possessed by a police officer or a federal law enforcement officer, if the police officer or federal law enforcement officer knows or has reason to believe that a minor under the age of 14 years is likely to gain access to the weapon.*

§ 3. This local law shall take effect 90 days after its enactment into law.

Referred to the Committee on Public Safety.

Int. No. 858

By Council Members Lopez, Carrion, Linares, Marshall, Perkins, and Warden; also Council Members O'Donovan, Rivera, Robinson, Watkins and White.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to requiring the city to secure the consent of a property owner prior to the city planting a tree adjacent to his or her property.

Be it enacted by the Council as follows:

Section 1. Section 19-152 of the administrative code of the city of New York, as amended by local law number 64 for the year 1995, is amended by adding thereto a new subdivision o to read as follows:

o. Notwithstanding any inconsistent provision of this section, an owner of real property shall not be required to pay for the cost of reinstalling, reconstructing, repaving or repairing sidewalk flags which are not at legal grade if: (1) the sidewalk flags have sustained damage caused by the growth of roots of a tree planted by or under the authority of the city of New York;

(2) the city agency responsible for planting the tree has not obtained the written consent of such adjacent property owner to plant such a tree; and

(3) the property owner has notified the department of such damage in accordance with the rules of the department. The city's failure to obtain the written consent of the adjacent property owner shall in no way preclude the city from planting trees. However, such failure shall absolve the property owner from the legal responsibility of reinstalling, reconstructing, repaving or repairing sidewalk flags that become damaged by the roots of such trees. The city shall bear the legal responsibility for reinstalling, reconstructing, repaving or repairing sidewalk flags damaged by the growth of roots of trees planted by or under the authority of the city without the written consent of the adjacent property owner. In the event that the city agency responsible for planting the tree is successful in obtaining the written consent of the adjacent property owner, such written consent shall be maintained on file by the department. The provisions of this subdivision shall apply only to trees planted subsequent to January first, two thousand one.

§2. This local law shall take effect immediately after it is enacted into law.

Referred to the Committee on Transportation.

Res. No. 1658

Resolution calling upon the appropriate committee of the Council of the City of New York to hold a hearing on the policies and practices of the New York City Police Department's Office of Equal Employment Opportunity.

By Council Members Lopez, Carrion, Espada, Freed, Linares and Perkins; Also Council Members Foster, Leffler, Robinson and Rodriquez.

Whereas, The Office of Equal Employment Opportunity (Office) of the New York City Police Department (NYPD) investigates allegations or complaints of employment discrimination based on sex, race, color, national origin, sexual preference, age, religion, or disability; and

Whereas, The Office is also charged with monitoring the NYPD's compliance with the City's Equal Employment Opportunity policy and to develop and implement the NYPD's annual Equal Employment Opportunity plan; and

Whereas, Recent cases involving NYPD officers who filed complaints with the Office raise serious questions regarding the ability of the Office to adequately investigate these complaints and to protect officers from retaliation and job transfers; and

Whereas, Detective Robert Chu, a Chinese-American and former member of the team that serves as bodyguard for Mayor Giuliani, filed a complaint with the Office based on ethnic slurs made against him, and four days later he was transferred from his Gracie Mansion job to a Brooklyn precinct; and

Whereas, Gloria Gonzalez, a former NYPD police officer, was recently awarded $1.25 million by a federal jury, who found that supervisors retaliated against her for complaints of sexual harassment she made to the Office; and

Whereas, Sandra Marsh, former head of the Office, recently settled her lawsuit with the City for $1 million dollars, after she alleged that she was forced out of her job after criticizing the NYPD's handling of a sexual harassment charge against police officials on Staten Island; and

Whereas, In the Staten Island case, Officer Virginia Duffy filed a lawsuit against the City, claiming that she was transferred and harassed after she reported to the Office sexual abuse by a superior; and

Whereas, In a case regarding Police Officer Elizabeth Bryant, who sued the NYPD for sexual harassment, an NYPD investigator testified that she was told by her supervisors not to pursue the allegations made by Officer Bryant, prompting the judge to comment that the NYPD's handling of the allegations was "outrageous"; and

Whereas, A recent New York Post article, which detailed accounts by female NYPD officers of sexual harassment by fellow officers and superiors, stated that "[a]ll of the women interviewed [for the article] were adamant the [NYPD's Special Litigation Support Unit] spends most of its resources trying to dig up dirt on those who file complaints"; and

Whereas, These reported incidents demonstrate the apparent inability of the Office to protect those who file a complaint and to investigate these complaints adequately; and

Whereas, The Office provides a vital function of insuring that discrimination does not go unnoticed or unpunished within the NYPD; and

Whereas, As the NYPD attempts to diversify, it is vital that the Office be able to do its job; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the appropriate committee of the Council of the City of New York to hold a hearing on the policies and practices of the New York City Police Department's Office of Equal Employment Opportunity.

By Council Members Michels, Linares, Perkins, Reed Marshall, Quinn, DiBrienza, Nelson, Carrion, Eldridge, Lopez, Miller and Moskowitz; also Council Members Clarke, Foster, Leffler, and Rodriquez.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to the appointment of members of the rent guidelines board.

Be it enacted by the Council as follows:

Section 1. Section 31 of the New York City Charter, as amended by the electors at the general election on November 7, 1989, is amended to read as follows:

§31. Power of advice and consent. Appointment by the mayor of the commissioner of investigation and of the members of the art commission, board of health (other than the chair), board of standards and appeals, city planning commission (other than the chair), civil service commission, landmarks preservation commission, rent guidelines board, tax commission [and commissioners of deeds] shall be subject to the power of advice and consent by the council as provided in this section and section 10-312: (1) weapon shall mean a firearm, rifle, shotgun, or assault

and the public members of the environmental control board shall be made with the advice and consent of the council after a public hearing. Within thirty days after the first stated meeting of the council after receipt of a nomination, the council shall hold a hearing and act upon such nomination, and in the event it does not at within such period, the nomination shall be deemed to be confirmed.

§2. Subdivision a of section 26-510 of the administrative code of the city of New York is amended to read as follows:

a. There shall be a rent guidelines board to consist of nine members, appointed by the mayor *with the approval of the council.* Two members shall be representative of tenants, two shall be representative of owners of property, and five shall be public members each of whom shall have had at least five years experience in either finance, economics or housing. One public member shall be designated by the mayor *with the approval of the Council* to serve as [chairman] *chair* and shall hold no other public office. No [member, office or] employee of any [municipal rent regulation] - *mayoral or non mayoral* agency or the state division of housing and community renewal [and no person who owns or manages real estate covered by this law or who is an officer of any owner or tenant organization] shall serve on a rent guidelines board. [One public member, one member representative of tenants and one member representative of owners shall serve for a term ending two years from January first next succeeding the date of their appointment; one public member, one member representative of tenants and one member representative of owners shall serve for terms ending three years from the January first next succeeding the date of their appointment and two public members shall serve for terms ending four years from January first next succeeding the dates of their appointment.] *Members of the board shall serve two-year terms, beginning after the expiration of the current terms.* The [chairman] *chair* shall serve at the pleasure of the mayor. Thereafter, all members shall continue in office until their successors have been appointed and qualified. The mayor *with the advice and consent of the council* shall fill any vacancy which may occur by reason of death, resignation or otherwise in a manner consistent with [the original appointment] *the provisions of this subdivision.* A member may be removed by the mayor for cause, but not without an opportunity to be heard in person or by counsel, in his or her defense, upon not less than ten days notice. *A successor to such member shall be appointed in accordance with this subdivision to serve the balance of the term of member who was removed.*

§3. This local law shall take effect ninety days after enactment.

Res. No. 1659

Resolution calling upon the Federal Aviation Administration to issue an expeditious response to the findings of the Aging Transport Systems Rulemaking Advisory Council concerning the crash of TWA Flight 800 and the maintenance of aging airplane systems including electric wiring and cables.

By Council Members Stabile, Malave-Dilan and Freed; Also Council Members Foster, Leffler, Nelson, O'Donovan, Rivera, Robinson and Golden.

Whereas, The sudden crash of TWA Flight 800 on July 17, 1996 near East Moriches, New York took the lives of 230 persons and caused widespread concern about the safety of aging aircraft; and

Whereas, The National Transportation Safety Board (NTSB) has concluded a far reaching and painstaking investigation into the procedures that might prevent such a crash and the Federal Aviation Administration (FAA) is nearing a conclusion; and

Whereas, The NTSB unanimously adopted findings on August 23, 2000 that the crash was caused by "an explosion of the center wing fuel tank" and while the source of "ignition energy for the explosion could not be determined with certainty," the most likely possibility "was a short circuit outside the center wing tank that allowed excessive voltage to enter it through electrical wiring associated with the fuel quantity indication system;" and

Whereas, The NTSB's approach was to seek the exact cause of the accident, and in addition to give its attention to the more comprehensive task of determining potential causes in order that all the hazards might be mitigated; and

Whereas, The Federal Aviation Administration (FAA) used a similar approach and on October 1, 1998 sought comprehensive revisions of its Aging Transport Non-Structural Systems Plan by enhancing the standards governing the maintenance and replacement of airplane systems including wires and cables; and

Whereas, The NTSB in its findings concluded that an industry-wide problem existed and that the wiring system of the Boeing 747-131 that crashed "was maintained in accordance with prevailing accepted industry practices" and concluded that "until recently, insufficient attention" was being paid to the condition of aircraft electrical wiring resulting "in potential safety hazards;" and

Whereas, A survey of six older aircraft in commercial service revealed, according to a Newsday Article "FAA Ponders Age Limits on Wiring" published on October 12, 2000, that there were two to five cases of damaged insulation for every thousand feet of wiring; and

Whereas, As part of its response to this crash and its investigative findings, the FAA is now examining a report by a committee of experts called the Aging Transport Systems Rulemaking Advisory Council; and

Whereas, Experts and members of the public have voiced the opinion that wire and cable systems should be taken out of service after a specified period of time; and

Whereas, Other experts believe that the widespread damage to wiring has causes other than normal wear and tear; and

Whereas, Under this alternative view, the damage to wiring is attributed to ill-considered maintenance procedures that led to chafing of the insulation and the exposure of the naked wires and cables; and

Whereas, Even if the wiring were replaced after a specified time, the insulation would be breeched if the old maintenance procedures were used; and

Whereas, In one of its findings, the NTSB called on the FAA to improve training of maintenance personnel to ensure adequate recognition and repair of potentially unsafe wiring conditions; and

Whereas, The FAA is now in a position to issue new rules; now, therefore, be it

Resolved that the Federal Aviation Administration issue an expeditious response to the findings of the Aging Transport Systems Rulemaking Advisory Council concerning the crash of TWA Flight 800 and the maintenance of aging airplane systems including electric wiring and cables.

Res. No. 1660

Resolution calling upon the appropriate Committee of the Council of the City of New York to conduct a hearing on the expanding role of DNA evidence in law enforcement and its effect on the administration of the death penalty.

By Council Members Warden and Lopez; also Council Members Clarke, Eisland, Foster, Leffler, Robinson and Rodriquez.

Whereas, Deoxyribonucleic acid ("DNA") is a molecule that is present in every cell of the body that contains a nucleus and is the chemical dispatcher of genetic information; and

Whereas, Each individual has a unique DNA pattern, and moreover, a person's DNA is specific to that person regardless of the biological sample from which it is taken, such as blood, hair and flesh; and

Whereas, By breaking open the nucleus of cells collected at a crime scene, lab technicians are able to extract DNA and amplify it; and

Whereas, DNA technology has revolutionized the use of forensics in law enforcement, since advancements in DNA research now allow lab technicians to identify precise genetic markers from bits of biological evidence typically left at a crime scene, including saliva, hair follicles, semen, blood and sweat; and

Whereas, Many law enforcement officials believe that DNA has become one of the most important crime solving tools since the development of fingerprinting nearly a century ago; and

Whereas, DNA evidence is playing an ever expanding role in law enforcement, as evidenced by the state-wide DNA Identification Index, established pursuant to the New York State Executive Law, which is a compilation of DNA samples from individuals convicted and sentenced for certain crimes and is available for comparison with DNA evidence recovered at crime scenes; and

Whereas, Increased utilization of DNA research may have a profound effect on the implementation of the death penalty; and

Whereas, One of the goals of the Innocence Protection Act, a bipartisan bill recently introduced in Congress, is to promote the use of DNA evidence; and

Whereas, Many officials have endorsed the retroactive testing of DNA evidence, where applicable, in death row convictions; and

Whereas, Through the increased testing of DNA evidence, states can increase the certainty of capital crimes convictions; now, therefore, be it

Resolved, That the appropriate Committee of the Council of the City of New York conduct a hearing on the expanding role of DNA evidence in law enforcement and its effect on the administration of the death penalty.

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PARCEL FOR ASSISTED LIVING ON THE GROUNDS OF KINGS COUNTY HOSPITAL CENTER RFP – Competitive Sealed Proposals (S/A) – DUE 03-13-01 AT 5:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, together with the New York City Health and Hospitals Corporation (HHC) is issuing a request for proposals (RFP) for the development of a parcel of the grounds of the Kings County Hospital Center in Brooklyn, N.Y. EDC and HHC are seeking to develop the parcel as an assisted living facility, which would complement existing and proposed functions of the Center and provide beneficial service to the community and City residents. Limited financial assistance from EDC and HHC will be made avilable to the selected developer.

The one-acre parcel is located on the west side of Albany Avenue between the extensions of Fenimore and Hawthorne streets in central Brooklyn. Currently, the parcel is used for surface parking for Kings County Hospital Center. To the north of the parcel is the Doctor Susan Smith McKinney Nursing and Rehabilitation Center. The 44-acre campus of Kings County Hospital Center is currently undergoing a four-phase redevelopment.

SOUTH BROOKLYN MARINE TERMINAL RFP – CP/2 – DUE 02-16-01 AT 5:00 P.M. – (RFP) for the maritime development of the South Brooklyn Marine Terminal, located in Sunset Park, Brooklyn.

The South Brooklyn Marine Terminal is located on 95 acres situated between 29th Street and 39th Street and between the Bay Ridge Channel and 2nd Avenue. It is centrally located in the New York region, and its rail and highway connections can provide access to more than 18 million people within one day. In addition, South Brooklyn Marine Terminal offers the shortest sailing time to the open ocean of any port facility in New York and New Jersey. The site comprises three piers, seven berths and six buildings that range in size from 3,000 to 350,000 square feet. Several renovation projects are underway including the upgrading of rail lines and the installation of an on-dock rail facility.

To obtain an RFP, please submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; by mail to 110 William Street, 6th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. JOB ORDER CONTRACTS – CP2 – 03-01-01 AT 2:00 P.M.
JOB ORDER CONTRACTOR FOR GENERAL CONSTRUCTION:
SPEC. 0017J-00 at Various Schools - Queens

ELECTRICAL WORK:
SPEC. 0014J-00 at Various Schools - Manhattan/Bronx/Queens

The Electrical contract has a maximum value of $2,000,000, and the General Construction contract has a maximum value of $4,000,000.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, *Auditorium, 201-15 115th Ave., St. Albans, New York 11412.*** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

■ NOTICE

NOTICE OF RULEMAKING

Pursuant to the power vested in me as Commissioner of Finance by sections 389(b) and 1043 of the New York New York City Charter and section 11-687(1) of the Administrative Code of the City of New York, I hereby promulgate the within amendment to the Rules Relating to the General Corporation Tax.

Andrew S. Eristoff
Commissioner of Finance

Section 1. Subdivision a of section 11-34 of Title 19 of the Rules of the City of New York Relating to the General Corporation Tax, promulgated August 15, 1968 is amended to read as follows:

(a) An alternative basis for measuring the primary tax is entire net income plus certain compensation with various adjustments, or the portion of such sum allocable to New York City, if such calculation results in a higher amount than that computed on any of the other three alternative bases. The rate of the tax measured by income plus compensation is five and one-half percent for taxable years beginning before January 1, 1971, [and] six and seven-tenths percent for taxable years beginning on or after [such date] January 1, 1971 and ending on or before December 31, 1974, ten and five one-hundredths percent for taxable years beginning on or after January 1, 1975 and before January 1, 1977, nine and one half percent for taxable years beginning on or after January 1, 1977 and before January 1, 1978, nine percent for taxable years beginning on or after January 1, 1978 and before January 1, 1987, and eight and eighty-five one-hundredths percent for taxable years beginning after December 31, 1986. The applicable rates for taxable years beginning in 1974 and ending in 1975 shall be those set forth in Ad. Code section 11-604(1)(C).

§ 2. Subdivision (b) of such section is amended to read as follows:

(b) The measure of the tax is computed as follows:

(1) [add] Add to the amount of entire net income or net loss (treated as a negative figure)(see example 4) for the year, if any,

(i) all salaries and other compensation paid to [the taxpayer's elected or appointed officers and to] every stockholder owning in excess of five percent of its issued capital stock, but only if and to the extent that a deduction was allowed for such salaries and compensation in computing entire net income (or net loss); and

(ii) to the extent not required by subparagraph (i),

(A) for taxable years beginning before July 1, 1996, all salaries and other compensation paid to the taxpayer's elected or appointed officers, but only if and to the extent that a deduction was allowed for such salaries and compensation in computing entire net income (or net loss);

(B) for taxable years beginning on or after July 1, 1996 but before July 1, 1998, 75 percent of the total amount of salaries and other compensation paid to the taxpayer's elected or appointed officers for which a deduction was allowed in computing entire net income (or net loss);

(C) for taxable years beginning on or after July 1, 1998 but before July 1, 1999, 50 percent of the total amount of salaries and other compensation paid to the taxpayer's elected or appointed officers for which a deduction was allowed in computing entire net income (or net loss); and

(D) for taxable years beginning on or after July 1, 1999, no part of salaries and other compensation paid to the taxpayer's elected or appointed officers.

(iii) Notwithstanding anything to the contrary in subparagraph (ii) of this paragraph (1), the full amount of salaries or other compensation paid to any elected or appointed officer for which a deduction was allowed in computing entire net income (or net loss) shall be added to that amount if such officer was, at any time during the taxable year, a stockholder owning more than five percent of the taxpayer's issued capital stock.

(2) [deduct] Deduct from such total

(i) for taxable years beginning before July 1, 1997, $15,000,

(ii) [any net loss for the fiscal or calendar year upon which the report is based to the extent not considered above in subparagraph (i);] for taxable years beginning on or after July 1, 1997 but before July 1, 1998, $30,000,

(iii) for taxable years beginning on or after July 1, 1998, $40,000,

(or a proportionate part [thereof] of the applicable amount in the case of a return for less than a year,) [and]

(3) [multiply] Multiply the balance by 30 percent.

§ 3. Such section is amended by adding a new subdivision (f) to read as follows:

(f) The provisions of subdivision (b) of this section are illustrated by the following examples:

Example 1:

HCO Corporation is a calendar year taxpayer with three shareholders, B, C and D. B owns 4% and C and D each own 48% of HCO's stock. HCO has two subsidiaries. For calendar year 1999, HCO's gross income, other than income from its subsidiaries is $2,000,000. HCO has no investment income or capital. HCO's business allocation percentage is 100%. B is an officer of HCO; C and D are employees but not officers. HCO pays B a salary of $250,000 and C and D each a salary of $500,000. All of B's salary is attributable to subsidiary capital. No portion of C's or D's salary is attributable to subsidiary or investment capital or income. HCO has other deductions of $700,000, of which HCO attributes $100,000 to subsidiary capital and $600,000 to business capital. HCO's federal taxable income is $50,000. After adding back deductions attributable to subsidiary capital, HCO's entire net income is $400,000. The tax on the entire net income base would be $35,400 (8.85% x $400,000). HCO is not subject to tax on the capital base.

HCO's alternative tax base is determined as follows:

entire net income	$400,000
plus	
C and D's salaries	$1,000,000
less	
fixed dollar amount	($40,000)
	$1,360,000
multiplied by 30%	x.30
	$408,000

B's salary is not added back because no deduction was allowed for it in determining entire net income. The tax on the alternative basis would be $36,108 ($408,000 x 8.85%). Therefore, HCO pays tax on the alternative tax basis.

Example 2:

The facts are the same as in example 1 except that only 60% of B's salary is attributable to subsidiary capital and, therefore, $150,000 of B's salary is disallowed as an expense attributable to subsidiary capital. After adding back that portion of B's salary attributable to subsidiary capital, HCO's entire net income is $300,000. For calendar year 1999, only 50% of that portion of B's salary deductible in determining HCO's entire net income is added back in calculating the alternative tax base.

HCO's alternative tax base is determined as follows:

Entire net income	$300,000
plus	
C&D's salaries	$1,000,000
plus 50% of B's	
deductible salary	$50,000
less	
Fixed dollar amount	($40,000)
	$1,310,000
Multiply by 30%	x.30
	$393,000

The tax on the alternative base would be $34,781 which is more than the tax calculated on the entire net income base ($26,550). Therefore, HCO would pay tax on the alternative base.

Example 3:

The facts are the same as in Example 1 but D is an officer but not a shareholder of HCO and the taxable year is calendar year 2000. No part of B's or D's salary is added back for years beginning after June 30, 1999.

HCO's alternative tax base is determined as follows:

entire net income	$400,000
plus	
C's salary	$500,000
less	
fixed dollar amount	($40,000)
	$860,000
multiplied by 30%	x.30
	$258,000

The tax on the alternative base would be $22,833 ($258,000 x 8.85%). Because that amount is less than the tax measured by entire net income, $35,400, HCO would pay tax on the entire net income basis.

Example 4:

ABC Corporation is a calendar year taxpayer. For calendar year 2000, ABC's gross income is $1,000,000 all of which is business income. ABC's business allocation percentage is 100%. ABC pays a salary of $700,000 to A, its vice president for finance. A also owns 6% of the stock of ABC. ABC has $400,000 of other deductions. ABC has a net loss for the year of ($100,000). ABC is not liable for tax on the capital base.

ABC's alternative tax base is calculated as follows:

Net loss	($100,000)
plus	
A's salary	$700,000
less	
fixed dollar amount	($40,000)
	$560,000
multiplied by 30%	x.30
	$168,000

Because A owns more than 5% of ABC's stock, all of A's salary is added back in calculating the alternative tax base. The tax calculated on the alternative base is $14,868, which is higher than the tax on the ENI base, $0. Therefore, ABC pays tax on the alternative base.

BASIS AND PURPOSE OF AMENDMENTS

These amendments affect the portion of the Rules Relating to the New York City General Corporation Tax governing the calculation of the tax on the alternative income-plus-compensation base to reflect legislative changes made by Ch. 625 of the Laws of 1996. These amendments also clarify that compensation is to be added back only to the extent a deduction was allowed for such compensation in determining entire net income and to clarify the calculation of the alternative base where entire net income is a net loss.

Determination and Findings by the New York State Urban Development Corporation, d/b/a the Empire State Development Corporation Pursuant to EDPL Section 204 with Respect to the New York Stock Exchange Project

A public hearing was held on September 7, 2000, in accordance with the provisions of Article 2 of the New York State Eminent Domain Procedure Law ("EDPL"), Article 8 of the Environmental Conservation Law ("SEQRA"), and Section 16 of the New York State Urban Development Corporation Act ("UDC Act"), in connection with the proposal of the New York State Urban Development Corporation, d/b/a the Empire State Development Corporation ("ESDC"), to acquire by condemnation certain real estate for use in the development of the New York Stock Exchange Project (the "Project") in an area bounded generally by Wall Street, Broad Street, William Street and Exchange Place, more precisely identified as Tax Block 26, Lots 1, 14 and 21 and the area beneath the surface of sidewalks surrounding Block 26 (for purposes of this Determination and Findings, the foregoing collectively are referred to as the "Project Area"), except that with respect to the proposed acquisition of the Project Area, as actually situated, public and governmental subterranean utilities and reasonable access thereto will not be acquired; the area beneath the sidewalks surrounding Block 26 will only be acquired as necessary or desirable for foundations and footings in order to build, construct, support, use and maintain any building(s) that may be hereafter built in or on Block 26; the proposed acquisition will not include the acquisition of any existing subway easements or rights of way running in favor of the New York City Transit Authority ("T.A."), nor will it involve acquisition of any existing T.A. substation facilities within the Project Area; however, said proposed acquisition will involve the acquisition of any rights of reverter to or in the Project Area.

A second public hearing was held pursuant to Article 2 of the EDPL on January 8, 2001.

At the hearings, the public was provided with information concerning the public use, benefits, and purposes to be served by the Project, the Project location and reasons for the

selection of that location, and other pertinent facts. This information was provided by the Hearing Officer and representatives of ESDC and the New York City Economic Development Corporation, as part of their opening remarks, and, among other things, through written materials made available to the public at the hearing, including the Draft Environmental Impact Statement ("DEIS") prepared pursuant to SEQRA, which was available at both hearings, and the Final Environmental Impact Statement, which was available at the January 8th hearing . The hearing provided ample opportunity for the public to comment upon the Project. The record of the September 7th hearing remained open for additional written comments until October 10, 2000. The record of the January 8th hearing remained open for additional written comments until January 12, 2001. All testimony and comments received, ESDC's General Project Plan and all other relevant documents have been reviewed, made part of the record and afforded full consideration.

Pursuant to EDPL Section 204, and having given due consideration to the complete hearing record, ESDC makes the following determination and findings concerning the proposed Project:

I. The Public Use, Benefit and Purpose to be Served by the Project (EDPL Section 204 (B) (1))

In legislation authorizing the New York Stock Exchange Project as a project of the ESDC, the legislature found and declared that it is in the best interests of the State, the City of New York and the people thereof, that the maintenance in the State and the City of New York of nationally recognized public securities markets is a matter of concern to the people of this State and the people of the City of New York; that the loss or reduction of such markets would materially and adversely impact upon the economic environment of the State and the City of New York; that the maintenance and promotion of such markets provides significant contributions to the taxing base of the State and political subdivisions thereof, including the City of New York, to the economic development of related industries, and to job opportunities in the State and the City of New York; and that the presence of such markets in the City of New York enhances the credibility and prestige of the State and the City of New York as a financial and commercial center worldwide. The legislature further found and declared that it is in the best interests of the State, the City of New York and the people thereof to provide support and financing for the expansion of facilities of the New York Stock Exchange in the downtown "Wall Street" area of the borough of Manhattan, City of New York. The legislature further found and declared that it is in the best interests of the State, the City of New York and the people thereof to provide support and financing for the New York Stock Exchange project by which (i) the ESDC will condemn or otherwise acquire premises to be developed for occupancy by the New York Stock Exchange and other tenants, and (ii) any or all of the State and its public entities and authorities, including the ESDC and others will enter into contractual arrangements directly or indirectly with the New York Stock Exchange and other persons (whether public or private) for development purposes, and with the State and the City of New York for financial support of the project. The information developed during the course of ESDC's consideration of the project is consistent with the findings of the legislature, and ESDC adopts the legislature's findings as its own.

II. Project Location and Reasons for Selection of that Location (EDPL Section 204 (B) (2))

The Project Area was selected for, among others, the following reasons: (1) its location in the lower Manhattan financial district; (2) its location proximate to the existing New York Stock Exchange facility permitting the continued use of that facility for executive and administrative operations; (3) the ownership and/or occupancy of more than one-half of the site by a single institution.

III. General Effect of the Project on the Environment and on the Residents of the Locality (EDPL Section 204 (B) (3))

The DEIS, the Final Environmental Impact Statement ("FEIS") and, more particularly, the Findings concurrently adopted under the State Environmental Quality Review Act ("SEQRA") are relied upon and hereby incorporated by reference. The FEIS identifies, in the first instance, that the proposed Project would have potential significant adverse environmental impacts on historic resources, neighborhood character, and traffic and transportation. The FEIS then identifies measures to mitigate all of the potential significant adverse traffic and transportation impacts. With respect to historic resources, the potential significant adverse impacts would be substantially mitigated and avoided through consultation with the Office of Parks, Recreation and Historic Preservation ("OPRHP") and adherence to the terms of a Letter of Resolution with that agency, which Letter provides, among other things, for photographic documentation and a Salvage Plan. Further, there would be a Construction Protection Plan ("CPP") for the facades and for the visible mosaics and marble work on the ground level inside 23 Wall Street and for historic resources within 90 feet of the Project Site. The CPP would be developed in consultation with OPRHP and would meet the requirements of the New York City Department of Buildings concerning procedures for avoidance of damage to historic structures resulting from adjacent construction. With respect to neighborhood character, the potential significant adverse impact would be substantially mitigated through the expansion of the Alliance for Downtown New York's streetscape program design to include the streets directly affected by the Project's security plan, allowing screened vans access to Wall Street between Broad and William Streets, coordination of deliveries, a quick identification system for vehicles frequently coming to the area directly affected by the security plan and developing a system for access to the ADA-accessible entrance for 25 Broad Street on Exchange Place.

DETERMINATION

Based on due consideration of the foregoing, it is determined that ESDC should acquire the Project Area by exercise of its power of condemnation in order to implement the Project.

Copies of this Determination and Findings of the Empire State Development Corporation are available and will be forwarded without cost and upon request by writing to:

ATTENTION: ANY PERSON WHO WISHES TO SEEK JUDICIAL REVIEW OF THE DETERMINATION AND FINDINGS OR WHO CLAIMS TO BE AGGRIEVED BY SUCH DETERMINATION AND FINDINGS AND WISHES TO CHALLENGE SAME MUST DO SO, IF AT ALL, (1) BY FILING A PETITION IN THE APPELLATE DIVISION, FIRST DEPARTMENT, 27 MADISON AVENUE, NEW YORK, NEW YORK, NO LATER THAN MARCH 9, 2001, OTHERWISE ANY SUCH CHALLENGE OR JUDICIAL REVIEW MAY BE TIME BARRED, AND (2) BY SERVING A DEMAND UPON THE EMPIRE STATE DEVELOPMENT CORPORATION TO FILE THE RECORD UNDERLYING THE DETERMINATION AND FINDINGS. THE APPELLATE DIVISION MAY CONSIDER THE PUBLIC USE, BENEFIT OR PURPOSE TO BE SERVED BY THE PROPOSED ACQUISITION AND THE OTHER MATTERS SET FORTH IN NEW YORK EMINENT DOMAIN PROCEDURE LAW SECTION 207. ANYONE WISHING TO CHALLENGE THE DETERMINATION AND FINDINGS IS ADVISED TO CONSULT AN ATTORNEY PROMPTLY.

MANHATTAN CB - 3 C 010108 HUM

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1st amendment to the Cooper Square Urban Renewal Plan for the Cooper Square Urban Renewal Area.

The proposed plan:
1. conforms to the most recently approved HPD language, terminology and methodology.

2. subdivides a portion of Site 2, designates the subdivided portion as Site 3 and removes the middle income designation from the new Site 3.

3. adds a new Exhibit A listing the properties in the urban renewal sites.

The proposed plan would facilitate development of 54 units of housing for low income homeless single adults on Site 3.

MANHATTAN CB - 3 C 010109 HAM

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of 29 East 2nd (Block 457, part of Lot 28), as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate construction of a six story building, with 54 units of housing for low income homeless single adults including persons with disabilities, to be developed through HPD's Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5.Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 20015205 HAK and 20015206 HAK.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

AGENCY RULES

JUVENILE JUSTICE

■ NOTICE

Notice of Opportunity to Comment on Proposed Rule Relating to Guidelines for the Continuity and Provision of Medical Care of Residents in the Custody of Department of Juvenile Justice

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Juvenile Justice ("DJJ") by Chapter 28 of the New York City Charter, and in accordance with Section 1043 of the Charter, that the Department of Juvenile Justice proposes to amend Title 41 of the Official Compilation of Rules of the City of New York by adding a new Chapter 3 relating to Guidelines for the Continuity and Provision of Medical Care. **Matter underlined is new. This rule proposal was not included in the regulatory agenda because it is proposed for promulgation in furtherance of the settlement of a motion brought by the Family Court in a juvenile delinquency proceeding.**

Written comments regarding the proposed rule may be sent to Kay Murray, General Counsel, Department of Juvenile Justice, 365 Broadway, New York, NY 10013 on or before March 12, 2001. No public hearing will be held because no public purpose would be served in holding such hearing, since text of the rule is the result of the settlement of litigation and has been approved by the Court in its current form. Written comments submitted as a result of this publication will be available for public inspections, within a reasonable time after receipt, between the hours of 9:00 AM and 5:00 PM at 365 Broadway, NY, NY, telephone number (212) 925-7779, ext. 211.

CHAPTER 3: GUIDELINES FOR CONTINUITY AND PROVISION OF MEDICAL CARE

§ 3-01 Purpose

(a) It is the treatment philosophy of the Department of Juvenile Justice ("the Department" or "DJJ") to seek the active participation of the resident, his/her parent(s) or legal guardian(s), and previous health care providers, in the care and treatment of residents in the custody of the Department.

(b) DJJ recognizes that, as the resident's primary medical provider while in the Department's custody, it is in the best interest of the resident to have accurate and current information concerning the resident's medical and psychiatric care and medication in order to provide continuity of care.

(c) As part of providing a continuum of appropriate health care services, DJJ endorses the principle of continuing previously provided medical and psychiatric care, including medications, in accordance with the procedures set forth below. Medical and psychiatric care and medication which the resident was receiving prior to admission to DJJ shall continue unless modified in accordance with the procedures set forth below.

§ 3-02 Parental Involvement

(a) Upon a youth's admission to a Department facility, DJJ shall promptly seek to have the parent/legal guardian execute appropriate consent forms authorizing routine medical treatment.

(b) Whenever, in the course of non-emergency or routine medical care, DJJ proposes a "substantial alteration" to a course of treatment that a resident was receiving prior to his/her admission to the Department, DJJ shall make reasonable efforts to seek the consent of the parent/legal guardian prior to initiating the "substantial alteration". The parent/legal guardian shall have the opportunity to consult with a DJJ physician, physician's assistant, or nurse practitioner regarding the proposed "substantial alteration".

(c) For purposes of this chapter, "substantial alteration" shall mean:

(i) The proposal to initiate medical or psychiatric care or medication where not previously prescribed for the resident, other than routine medical care or emergency medical treatment;

(ii) A change in a continuous and uninterrupted course of therapy or medication that had been in effect either at an inpatient facility or by a private physician prior to the resident's admission to the Department. However, changes in the dosage or timing in administering medication which remain consistent with the pharmacological intent of the medication and which are intended to enhance the resident's functional abilities while in DJJ's custody shall not constitute a substantial alteration of a medication regimen. Any such changes in the dosage or timing in administering medication must be based on a specific and clearly identified clinical requirement that is accordingly documented in the patient's record.

(iii) The substitution of a generic equivalent where the prescription states "dispense as written".

(d) If, after reasonable efforts to contact a parent/legal guardian, that person is non-responsive, absent or otherwise uninvolved, DJJ shall treat the resident consistent with his/her medical and psychiatric history and current symptomatology.

(e) In the event that DJJ proposes a "substantial alteration" but the parent/legal guardian refuses to consent, then, absent further court intervention, the only treatment that may occur is routine medical care, emergency treatment, and the administration of previously prescribed medications that have been confirmed in accordance with the procedures set forth in § 3-03 below.

§ 3-03 Consultation With Prior Medical Providers

(a) If a newly admitted resident had been under the continuous and uninterrupted care of a physician or hospital prior to admission to the Department, upon admission to a DJJ facility, DJJ shall make reasonable efforts to confirm with the prior provider the following information:

(i) If from a physician: prescribed medications; significant medical history; and current treatment recommendations;

(ii) If from a hospital: discharge information; current medications; significant medical history; current treatment recommendations;

(iii) If from a pharmacy: current medication and prescription renewal information.

(b) Where a youth is admitted to DJJ on a medication regimen that is confirmed pursuant to subdivision (a) of this section, DJJ shall continue that medication in accordance with the procedures set forth herein within twenty-four hours of the completion of the initial medical screening.

(c) Where the medication is not in the DJJ pharmacological inventory, DJJ will make every reasonable effort to obtain the medication and initiate it as soon thereafter as practicable.

(d) If unable to confirm information regarding a resident's medical or psychiatric regimen or medication after reasonable efforts, DJJ shall treat the resident consistent with his/her disclosed history and current symptomatology.

(e) In the event that DJJ does not authorize a continuation of the resident's medication regimen, DJJ shall have the resident seen by a doctor within twenty-four hours of the initial medical screening.

§ 3-04 Information Regarding Medical and Psychiatric Care and Medications

(1) When a youth is remanded to DJJ, DJJ shall use a Medication Referral Form (such as the form currently in use, annexed a Exhibit A, or a revised form which may be developed by DJJ as needed), to obtain information concerning a resident's current medication regimen from a parent, legal guardian, or prior provider. This form shall be made available in the Courthouse.

(2) When a resident is admitted to a DJJ facility, DJJ shall use an Initial Medical Screening Form (such as the form currently in use, annexed as Exhibit B, or a revised form which may be developed by DJJ as needed) to obtain information concerning a resident's current medical and psychiatric care.

§ 3-05 Routine Medical Care and Emergency Treatment

Nothing in these Guidelines shall preclude DJJ from administering routine medical care and emergency treatment.

§ 3-06 Disagreement With Prior Treatment and/or Court- Ordered Treatment

(1) In the event that the parent or legal guardian of a resident is absent, non-responsive or otherwise uninvolved, and DJJ proposes a "substantial alteration" to medical or psychiatric care or medication prescribed by a prior treatment provider, DJJ shall contact the prior treatment provider in accordance with the procedures set forth in § 3-03 above. In the event that DJJ and a resident's prior treatment provider disagree regarding the resident's treatment, DJJ shall provide written notification of its alternative treatment plan to the Court wherein the delinquency matter is pending by the next business day.

(2) At any stage of the proceeding, if a court order is entered directing a resident's course of treatment, that order will be followed unless DJJ returns to court to vacate or modify the order by the next business day. Where an application to vacate or modify cannot be made within 24 hours, DJJ will make every reasonable effort to comply with the court order until an application to vacate or modify can be heard.

Statement of Basis and Purpose

This rule is being proposed for promulgation in furtherance of the settlement of a motion brought by the Family Court (Hon. Paula J. Hepner, J.F.C.) in a juvenile delinquency proceeding under Article III of the Family Court Act. Its purpose is to establish guidelines for the continuity and provision of medical care for youths in the custody of DJJ.

LEGAL NOTICE

Determination and Findings by the New York State Urban Development Corporation, d/b/a the Empire State Development Corporation Pursuant to EDPL Section 204 with Respect to the New York Stock Exchange Project

A public hearing was held on September 7, 2000, in accordance with the provisions of Article 2 of the New York State Eminent Domain Procedure Law ("EDPL"), Article 8 of the Environmental Conservation Law ("SEQRA"), and Section 16 of the New York State Urban Development Corporation Act ("UDC Act"), in connection with the proposal of the New York State Urban Development Corporation, d/b/a the Empire State Development Corporation ("ESDC"), to acquire by condemnation certain real estate for use in the development of the New York Stock Exchange Project (the "Project") in an area bounded generally by Wall Street, Broad Street, William Street and Exchange Place, more precisely identified as Tax Block 26, Lots 1, 14 and 21 and the area beneath the surface of sidewalks surrounding Block 26 (for purposes of this Determination and Findings, the foregoing collectively are referred to as the "Project Area"), except that with respect to the proposed acquisition of the Project Area, as actually situated, public and governmental subterranean utilities and reasonable access thereto will not be acquired; the area beneath the sidewalks surrounding Block 26 will only be acquired as necessary or desirable for foundations and footings in order to build, construct, support, use and maintain any building(s) that may be hereafter built in or on Block 26; the proposed acquisition will not include the acquisition of any existing subway easements or rights of way running in favor of the New York City Transit Authority ("T.A."), nor will it involve acquisition of any existing T.A. substation facilities within the Project Area; however, said proposed acquisition will involve the acquisition of any rights of reverter to or in the Project Area.

A second public hearing was held pursuant to Article 2 of the EDPL on January 8, 2001.

At the hearings, the public was provided with information concerning the public use, benefits, and purposes to be served by the Project, the Project location and reasons for the selection of that location, and other pertinent facts. This information was provided by the Hearing Officer and representatives of ESDC and the New York City Economic Development Corporation, as part of their opening remarks, and, among other things, through written materials made available to the public at the hearing, including the Draft Environmental Impact Statement ("DEIS") prepared pursuant to SEQRA, which was available at both hearings, and the Final Environmental Impact Statement, which was available at the January 8th hearing . The hearing provided ample opportunity for the public to comment upon the Project. The record of the September 7th hearing remained open for additional written comments until October 10, 2000. The record of the January 8th hearing remained open for additional written comments until January 12, 2001. All testimony and comments received, ESDC's General Project Plan and all other relevant documents have been reviewed, made part of the record and afforded full consideration.

Pursuant to EDPL Section 204, and having given due consideration to the complete hearing record, ESDC makes the following determination and findings concerning the proposed Project:

I. The Public Use, Benefit and Purpose to be Served by the Project (EDPL Section 204 (B) (1))

In legislation authorizing the New York Stock Exchange Project as a project of the ESDC, the legislature found and declared that it is in the best interests of the State, the City of New York and the people thereof, that the maintenance in the State and the City of New York of nationally recognized public securities markets is a matter of concern to the people of this State and the people of the City of New York; that the loss or reduction of such markets would materially and adversely impact upon the economic environment of the State and the City of New York; that the maintenance and promotion of such markets provides significant contributions to the taxing base of the State and political subdivisions thereof, including the City of New York, to the economic development of related industries, and to job opportunities in the State and the City of New York; and that the presence of such markets in the City of New York enhances the credibility and prestige of the State and the City of New York as a financial and commercial center worldwide. The legislature further found and declared that it is in the best interests of the State, the City of New York and the people thereof to provide support and financing for the expansion of facilities of the New York Stock Exchange in the downtown "Wall Street" area of the borough of Manhattan, City of New York. The legislature further found and declared that it is in the best interests of the State, the City of New York and the people thereof to provide support and financing for the New York Stock Exchange project by which (i) the ESDC will condemn or otherwise acquire premises to be developed for occupancy by the New York Stock Exchange and other tenants, and (ii) any or all of the State and its public entities and authorities, including the ESDC and others will enter into contractual arrangements directly or indirectly with the New York Stock Exchange and other persons (whether public or private) for development purposes, and with the State and the City of New York for financial support of the project. The information developed during the course of ESDC's consideration of the project is consistent with the findings of the legislature, and ESDC adopts the legislature's findings as its own.

II. Project Location and Reasons for Selection of that Location (EDPL Section 204 (B) (2))

The Project Area was selected for, among others, the following reasons: (1) its location in the lower Manhattan financial district; (2) its location proximate to the existing New York Stock Exchange facility permitting the continued use of that facility for executive and administrative operations; (3) the ownership and/or occupancy of more than one-half of the site by a single institution.

III. General Effect of the Project on the Environment and on the Residents of the Locality (EDPL Section 204 (B) (3))

The DEIS, the Final Environmental Impact Statement ("FEIS") and, more particularly, the Findings concurrently adopted under the State Environmental Quality Review Act ("SEQRA") are relied upon and hereby incorporated by reference. The FEIS identifies, in the first instance, that the proposed Project would have potential significant adverse environmental impacts on historic resources, neighborhood character, and traffic and transportation. The FEIS then identifies measures to mitigate all of the potential significant adverse traffic and transportation impacts. With respect to historic resources, the potential significant adverse impacts would be substantially mitigated and avoided through consultation with the Office of Parks, Recreation and Historic Preservation ("OPRHP") and adherence to the terms of a Letter of Resolution with that agency, which Letter provides, among other things, for photographic documentation and a Salvage Plan. Further, there would be a Construction Protection Plan ("CPP") for the facades and for the visible mosaics and marble work on the ground level inside 23 Wall Street and for historic resources within 90 feet of the Project Site. The CPP would be developed in consultation with OPRHP and would meet the requirements of the New York City Department of Buildings concerning procedures for avoidance of damage to historic structures resulting from adjacent construction. With respect to neighborhood character, the potential significant adverse impact would be substantially mitigated through the expansion of the Alliance for Downtown New York's streetscape program design to include the streets directly affected by the Project's security plan, allowing screened vans access to Wall Street between Broad and William Streets, coordination of deliveries, a quick identification system for vehicles frequently coming to the area directly affected by the security plan and developing a system for access to the ADA-accessible entrance for 25 Broad Street on Exchange Place.

DETERMINATION

Based on due consideration of the foregoing, it is determined that ESDC should acquire the Project Area by exercise of its power of condemnation in order to implement the Project.

Copies of this Determination and Findings of the Empire State Development Corporation are available and will be forwarded without cost and upon request by writing to:

Empire State Development Corporation

New York, New York 10017-6754
Attention: Joseph C. Petillo, Esq.

ATTENTION: ANY PERSON WHO WISHES TO SEEK JUDICIAL REVIEW OF THE DETERMINATION AND FINDINGS OR WHO CLAIMS TO BE AGGRIEVED BY SUCH DETERMINATION AND FINDINGS AND WISHES TO CHALLENGE SAME MUST DO SO, IF AT ALL, (1) BY FILING A PETITION IN THE APPELLATE DIVISION, FIRST DEPARTMENT, 27 MADISON AVENUE, NEW YORK, NEW YORK, NO LATER THAN MARCH 9, 2001,

OTHERWISE ANY SUCH CHALLENGE OR JUDICIAL REVIEW MAY BE TIME BARRED, AND (2) BY SERVING A DEMAND UPON THE EMPIRE STATE DEVELOPMENT CORPORATION TO FILE THE RECORD UNDERLYING THE DETERMINATION AND FINDINGS. THE APPELLATE DIVISION MAY CONSIDER THE PUBLIC USE, BENEFIT OR PURPOSE TO BE SERVED BY THE PROPOSED ACQUISITION AND THE OTHER MATTERS SET FORTH IN NEW YORK EMINENT DOMAIN PROCEDURE LAW SECTION 207. ANYONE WISHING TO CHALLENGE THE DETERMINATION AND FINDINGS IS ADVISED TO CONSULT AN ATTORNEY PROMPTLY.

MANHATTAN CB - 3 C 010108 HUM

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1st amendment to the Cooper Square Urban Renewal Plan for the Cooper Square Urban Renewal Area.

The proposed plan:
1. conforms to the most recently approved HPD language, terminology and methodology.

2. subdivides a portion of Site 2, designates the subdivided portion as Site 3 and removes the middle income designation from the new Site 3.

3. adds a new Exhibit A listing the properties in the urban renewal sites.

The proposed plan would facilitate development of 54 units of housing for low income homeless single adults on Site 3.

MANHATTAN CB - 3 C 010109 HAM

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of 29 East 2nd (Block 457, part of Lot 28), as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate construction of a six story building, with 54 units of housing for low income homeless single adults including persons with disabilities, to be developed through HPD's Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5.Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 20015205 HAK and 20015206 HAK.

NOTICE OF ACQUISITION
KINGS COUNTY
INDEX NUMBER 493 34/00

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple and other interests to real property where not heretofore acquired for EMS STATION-GREENPOINT located at 322 Metropolitan Avenue in the Borough of Brooklyn, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on January 22, 2001, the application of the City of New York to acquire certain real property, for the EMS STATION-GREENPOINT, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Kings or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on January 29, 2001. Title to the real property vested in the City of New York on January 29, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT
2368	P/O 1

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before January 29, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Kings County and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before January 29, 2003 (which is two (2) calendar years from the title vesting date).

Dated: New York, New York, January 30, 2001

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education,

Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

JOB ORDER CONTRACTS – CP2 – 03-01-01 AT 2:00 P.M.
JOB ORDER CONTRACTOR FOR GENERAL CONSTRUCTION:
SPEC. 0017J-00 at Various Schools - Queens

ELECTRICAL WORK:
SPEC. 0014J-00 at Various Schools - Manhattan/Bronx/Queens

The Electrical contract has a maximum value of $2,000,000, and the General Construction contract has a maximum value of $4,000,000.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

MANHATTAN CB - 3 C 010108 HUM

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1st amendment to the Cooper Square Urban Renewal Plan for the Cooper Square Urban Renewal Area.

The proposed plan:
1. conforms to the most recently approved HPD language, terminology and methodology.

2. subdivides a portion of Site 2, designates the subdivided portion as Site 3 and removes the middle income designation from the new Site 3.

3. adds a new Exhibit A listing the properties in the urban renewal sites.

The proposed plan would facilitate development of 54 units of housing for low income homeless single adults on Site 3.

MANHATTAN CB - 3 C 010109 HAM

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of 29 East 2nd (Block 457, part of Lot 28), as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate construction of a six story building, with 54 units of housing for low income homeless single adults including persons with disabilities, to be developed through HPD's Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5.Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 20015205 HAK and 20015206 HAK.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PARCEL FOR ASSISTED LIVING ON THE GROUNDS OF KINGS COUNTY HOSPITAL CENTER RFP – Competitive Sealed Proposals (S/A) – DUE 03-13-01 AT 5:00 P.M. – The New York City Economic Development Corporation (EDC), on behalf of the City of New York, together with the New York City Health and Hospitals Corporation (HHC) is issuing a request for proposals (RFP) for the development of a parcel of the grounds of the Kings County Hospital Center in Brooklyn, N.Y. EDC and HHC are seeking to develop the parcel as an assisted living facility, which would complement existing and proposed functions of the Center and provide beneficial service to the community and City residents. Limited financial assistance from EDC and HHC will be made available to the selected developer.

The one-acre parcel is located on the west side of Albany Avenue between the extensions of Fenimore and Hawthorne streets in central Brooklyn. Currently, the parcel is used for surface parking for Kings County Hospital Center. To the north of the parcel is the Doctor Susan Smith McKinney Nursing and Rehabilitation Center. The 44-acre campus of Kings County Hospital Center is currently undergoing a four-phase redevelopment.

To obtain an RFP, please submit your name, address and telephone number to Cheryl Elmore, Director, Contract Administration and Procurement, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to KCHC-0101 in the subject line. RFP responses must be submitted to EDC by 5:00 p.m. on Tuesday, March 13, 2001.

JOB ORDER CONTRACTOR FOR GENERAL CONSTRUCTION:
SPEC. 0017J-00 at Various Schools - Queens

ELECTRICAL WORK:
SPEC. 0014J-00 at Various Schools - Manhattan/Bronx/Queens

The Electrical contract has a maximum value of $2,000,000, and the General Construction contract has a maximum value of $4,000,000.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 1st amendment to the Cooper Square Urban Renewal Plan for the Cooper Square Urban Renewal Area.

The proposed plan:
1. conforms to the most recently approved HPD language, terminology and methodology.

2. subdivides a portion of Site 2, designates the subdivided portion as Site 3 and removes the middle income designation from the new Site 3.

3. adds a new Exhibit A listing the properties in the urban renewal sites.

The proposed plan would facilitate development of 54 units of housing for low income homeless single adults on Site 3.

MANHATTAN CB - 3 C 010109 HAM

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of 29 East 2nd (Block 457, part of Lot 28), as an Urban Development Action Area;
b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate construction of a six story building, with 54 units of housing for low income homeless single adults including persons with disabilities, to be developed through HPD's Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5.Approve an exemption of the project from real property taxes pursuant to Section 696 of the General Municipal Law for Non-ULURP Nos. 20015205 HAK and 20015206 HAK.

NOTICE OF ACQUISITION
KINGS COUNTY
INDEX NUMBER 493 34/00

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple and other interests to real property where not heretofore acquired for EMS STATION-GREENPOINT located at 322 Metropolitan Avenue in the Borough of Brooklyn, City and State of New York.
PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on January 22, 2001, the application of the City of New York to acquire certain real property, for the EMS STATION-GREENPOINT, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Kings or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on January 29, 2001. Title to the real property vested in the City of New York on January 29, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT
2368	P/O 1

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before January 29, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Kings County and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before January 29, 2003 (which is two (2) calendar years from the title vesting date).

In the Matter of the Application of the Dormitory Authority of the State of New York to acquire title in fee to certain real property for use in a project to expand

MEDGAR EVERS COLLEGE OF THE CITY UNIVERSITY OF NEW YORK

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, duly entered in the office of the Clerk of the County of Kings on the 24th day of January, 2001, the application of the Dormitory Authority of the State of New York ("Dormitory Authority") to acquire certain real property for the project to expand Medgar Evers College of the City University of New York, was granted and the Dormitory Authority was thereby authorized to file an acquisition map with the Clerk of the County of Kings or the City Register. Said map was filed with said clerk on the 24th day of January, 2001. The property acquired by the Dormitory Authority includes tax lots 1, 48, 58, 59 and 60 in tax block 1287 and tax lot 1 in tax block 1288 as is shown on the acquisition map filed with the Clerk or the City Register of the County of Kings.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and Section 502(B) of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired for the above named project having any claim or demand on account thereof, is hereby required to file a claim with the Clerk of the Court of the County of Kings, on or before February 5, 2002, and to serve within the same time a copy thereof on Berger Stern & Webb, LLP, counsel to the Dormitory Authority, at their offices at 900 Third Avenue, New York, New York 10022.

The claim shall include the name and post office address of the condemnee, a description of the real property owned by or in which the condemnee claims an interest, a general statement or the nature and type of damages claimed including a schedule of fixture items comprising part or all of the damages claimed, and the name, address and telephone number of the condemnee's attorney if so represented. In the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim together with the schedule of fixture items shall also be served upon the fee owner of said real property.

Pursuant to said Order, appraisal reports must be filed or exchanged with the condemnor within six months after the filing of a post-vesting claim, demand, or notice of appearance, unless the time therefor is extended by the Court.

The claimant will be required to appear in person to present proof of title and produce the deed or instrument under which it claims title, or a certified copy thereof, together with copies of leases and rental agreements.

Proof of title will be received by Berger Stern & Webb, LLP on or before February 5, 2002.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above $25,000 for goods and services, $50,000 for construction and construction-related services, and $100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

BIDDERS LIST APPLICATIONS

New York City procures approximately $7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St.,18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority.Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

(1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services,

110 William Street, 2nd Floor,

New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

JOB ORDER CONTRACTOR FOR GENERAL CONSTRUCTION:
SPEC. 0017J-00 at Various Schools - Queens

ELECTRICAL WORK:
SPEC. 0014J-00 at Various Schools - Manhattan/Bronx/Queens

The Electrical contract has a maximum value of $2,000,000, and the General Construction contract has a maximum value of $4,000,000.

A job order contract is an indefinite quantity contract. The successful contractor will perform a series of projects at various schools. The bid documents include a book of construction tasks with preset unit prices and related specifications. The bidders will competitively bid two adjustment factors to be applied to the unit prices. The first adjustment factor is for performing work during Normal Working Hours and a second adjustment factor is for performing work during Other Than Normal Working Hours. The cost for each individual project is determined by multiplying the preset unit prices by appropriate quantities by one of the competitively bid adjustment factors.

For the bidder to be considered, it is mandatory to attend **two (2) Pre-Bid Conferences. The first Pre-Bid conference will be held at 10:00 am February 15, 2001,** at the Division of School Facilities, 28-11 Queens Plaza North, Room 606, Long Island City, New York 11101. **The second mandatory Pre-Bid conference will be held at 10:00 a.m., February 22, 2001 at Public School 136, Auditorium, 201-15 115th Ave., St. Albans, New York 11412.** Attendance at both Pre-Bid Conferences is mandatory. Failure to attend both conferences may result in a determination of non-responsiveness.

Specifications will be available for pick-up at the Pre-Bid Conference on February 15, 2001. There is a $100.00 charge for the complete set of specifications. Fee must be in the form of either a Certified Check or money order made payable to New York City Board of Education. Bid Security of $25,000.00 is required for each specification.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – CSP – PIN# 071-00S003262 – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.
