Matter in Graytone is new, to be added; Matter in Strikeout is old, to be deleted; Matter within # # is defined in Sections 12-10 of the Zoning Resolution *** indicates where unchanged text appears in the Zoning Resolution

84-132 Mandatory front building walls

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides

of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(1) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

84-144 Location of curb cuts

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

COURT NOTICES

SUPREME COURT

NOTICE

SUPREME COURT OF THE STATE OF NEW YORK COUNTY OF NEW YORK : IA PART 24 NOTICE OF ACQUISITION INDEX NUMBER 402676/01

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1623	20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54
1745	20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

Dated: June 25, 2001, New York, New York

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBES) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, <http://NYC.GOV>.

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

- CSB **Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations/Summary of Circumstances:

- CP **Competitive Sealed Proposal** (including multi-step)
- CP/1 Specifications not sufficiently definite
- CP/2 Judgement required in best interest of City
- CP/3 Testing required to evaluate
- CB/PQ/4 **CB or CP from Prequalified Vendor List/Advance qualification screening needed**
- DP Demonstration Project
- SS **Sole Source Procurement/only one source**
- RS Procurement from a Required Source/ST/FED
- NA Negotiated Acquisition *For ongoing construction project only:*
- NA/8 Compelling programmatic needs
- NA/9 New contractor needed for changed/additional work
- NA/10 Change in scope, essential to solicit one or limited number of contractors
- NA/11 Immediate successor contractor required due to termination/default

For Legal services only:

- NA/12 Specialized legal devices needed; CP not advantageous
- WA **Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
- WA1 Prevent loss of sudden outside funding
- WA2 Existing contractor unavailable/immediate need
- WA3 Unsuccessful efforts to contract/need continues
- IG **Intergovernmental Purchasing** (award only)
- IG/F Federal
- IG/S State
- IG/O Other
- EM **Emergency Procurement** (award only) An unforeseen danger to:
- EMA Life
- EMB Safety
- EMC Property
- EMD A necessary service
- AC **Accelerated Procurement/markets with significant short-term price fluctuations**
- SCE **Service Contract Extension/insufficient time; necessary service; fair price**

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

- OLB/a anti-apartheid preference
- OLB/b local vendor preference
- OLB/c recycled preference
- OLB/d other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS

- Request for Proposals - DUE 07-20-01 AT 2:00 P.M. (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

OFFICE OF THE COMPTROLLER CITY OF NEW YORK PREVAILING WAGE SCHEDULE

LABOR LAW §220 PREVAILING WAGE SCHEDULE

Pursuant to Labor Law §220 (3) the Comptroller of the City of New York has promulgated this schedule solely for Workers, Laborers and Mechanics engaged by private contractors on New York City public work contracts. Contracting agencies anticipating doing work which requires the employment of a trade or classification not included in this schedule must request the Comptroller to establish a proper classification for the work pursuant to Labor Law §220 (3-a) (a). The prevailing rate schedule as promulgated by the Comptroller, must, in compliance with law, be annexed to and form part of the contract.

The appropriate schedule of prevailing wages and benefits must be posted at all public work sites pursuant to Labor Law §220 (3-a) (a).

This schedule is applicable for work performed from July 1, 2001 through June 30, 2002, unless otherwise noted. You will be notified of any changes to this schedule by addenda published in the City Record. The rate of wages and supplemental benefits to be paid or provided are those that prevail at the time the work is being performed. Preliminary schedules for future one year periods are published annually in the City Record on or about June 1st of each succeeding year, with final schedules published on or about July 1st.

The Comptroller's Office has attempted to include all overtime, shift and night differential, Holiday, Saturday, Sunday or other premium time work. However, this schedule does not set forth every prevailing practice with respect to such rates with which employers must comply. All such rates and practices are nevertheless part of the employer's prevailing wage obligation and contained in the collective bargaining agreements of the prevailing wage unions. These collective bargaining agreements are available for inspection by appointment. Requests for appointments may be made by calling (212) 669-4437, Monday through Friday between the hours of 9 a.m. and 5 p.m.

Answers to questions concerning the application of premium rates and or prevailing trade practices may be found in the collective bargaining agreements of the prevailing union or by requesting such information from the Bureau of Labor Law's Classification and Determination unit by calling Thomas C. Nodell, unit chief at (212) 669-4746.

All other inquiries concerning compliance with the Prevailing Wage Law, should be directed to; Bureau of Labor Law, Att: Thomas Nodell, Office of the Comptroller, 1 Centre Street, Room 629, New York, N.Y. 10007; Fax (212) 815-8636.

Prevailing rates and ratios for apprentices are attached to this schedule as Appendix #1. Pursuant to Labor Law §220 (3-e), only apprentices who are individually registered in a bona fide program to which the employer contractor is a participant, registered with the New York State Department of Labor, may be employed on a public work project. Trainees, Assistants and Helpers who are not journey persons or not registered apprentices pursuant to Labor Law §220 (3-e) may not be substituted for apprentices and must be paid as journey persons.

Workers, Laborers and Mechanics employed on a public work project must receive not less than the prevailing rate of wage and benefits for the classification of work performed by each upon such public work. Contractors are solely responsible for maintaining original payroll records which delineate, among other things, the hours each employee worked within a given classification. Contractors using rates and/or classifications not promulgated by the Comptroller do so at their own risk. Additionally, prior to bid, Agency Chief Contracting Officers must contact the Bureau of Labor Law when the need arises for a work classification not published in this schedule.

Prevailing Rate schedule Information: The information below is intended to assist you in meeting your prevailing wage rate obligation.

Covered Workers: Any and all individuals who are engaged, employed or otherwise occupied as Workers, Laborers or Mechanics on the public work site.

Supplemental Benefits: Employers may meet supplemental benefits obligation by paying the hourly supplemental benefits rate to their employees in cash. Such cash payments are considered income to the employee. Employers who elect to provide bona fide supplemental benefits to their employees will be given hourly cash credit for such benefits up to the hourly benefits rate set forth in the applicable schedule for the relevant trade or occupation at issue.

Particular attention should be given to the supplemental benefits requirement. Although in most instances the payment or provision for supplemental benefits is for each hour worked, some classifications require the payment or provision of supplemental benefits for each hour paid. Consequently, some prevailing practices require benefits to be purchased at the overtime, shift differential, Holiday, Saturday, Sunday or other premium time rate.

Contractors are advised to review the applicable Collective Bargaining Agreements and the Comptroller's Prevailing Wage Schedule before bidding on Public Work. If there are any questions concerning prevailing wages, benefits, overtime, Holiday pay, shift differentials or any prevailing practice, please contact this office.

Any error as to compensation under the prevailing wage law or other information as to trade classification, made by the contracting agency in the contract documents or in any other communication will not preclude a finding against the contractor of prevailing wage violation.

Thomas C. Nodell, Director
Classifications & Determinations
Bureau of Labor Law

CLASSIFICATION: WELDER

TO BE PAID AT THE RATE OF MECHANICS IN THE TRADE PERFORMING THE WORK.

EFFECTIVE PERIOD: JULY 1, 1999 THROUGH JUNE 30, 2000

OFFICE OF THE COMPTROLLER CITY OF NEW YORK

This schedule of prevailing wages and supplemental fringe benefits must be posted at the public work site pursuant to New York State Labor Law 231 (6).

LABOR LAW 230 BUILDING SERVICE EMPLOYEES

Pursuant to Labor Law 230 ET SEQ. the Comptroller of the City of New York has promulgated this schedule of prevailing wages and supplemental benefits solely for building service employees engaged on public building service contracts in excess of \$1,500.00. Contracting agencies anticipating doing work which requires the employment of a building service trade or classification not included in this schedule must request the Comptroller to establish a proper classification for the work pursuant to Labor Law 231 (4). The prevailing rate schedule as promulgated by the Comptroller, must, in compliance with the law, be annexed to and form part of the contract.

The appropriate schedule of prevailing wages and benefits must be posted at all public work sites pursuant to Labor Law 231 (6).

This schedule is applicable for work performed from July 1, 2001 through June 30, 2002, unless otherwise noted. You will be notified of any changes to this schedule by Addenda published in the City Record. The rate of wages and supplemental benefits to be paid or provided are those that prevail at the time the work is being performed. Preliminary schedules for future one year periods are published annually in the City Record on or about June 1st of each succeeding year with final schedules published on or about July 1st.

The Comptroller's Office has attempted to include all overtime, shift and night differential, Holiday, Saturday, Sunday, or other premium time work. However, this schedule does not set forth every prevailing practice with respect to such rates with which employers must comply. All such rates and practices are nevertheless part of the employer's prevailing wage obligation and contained in the collective bargaining agreements of the prevailing wage unions. These collective bargaining agreements are available for inspection by appointment. Requests for appointments may be made by calling (212) 669-4437, Monday through Friday between the hours of 9 a.m. and 5 p.m.

Answers to questions concerning the application of premium rates and or prevailing trade practices may be found in the collective bargaining agreements of the prevailing union or by requesting such information from the Bureau of Labor Law's Classification and Determination unit by calling Thomas C. Nodell, unit chief at (212) 669-4746. All other inquiries concerning compliance with the Prevailing Wage Law, should be directed to; Bureau of Labor Law, Attn: Thomas Nodell, Office of the Comptroller, 1 Centre Street, Room 629, New York, N.Y. 10007; Fax (212) 815-8636.

Building Service Workers employed on a public building service contract must receive not less than the prevailing rate of wage and benefits for the Classification of work performed by each upon such public work. Contractors are solely responsible for maintaining originals payroll records which delineate, among other things, the hours each employee worked within a given Classification. Contractors using rates and/or Classifications not promulgated by the Comptroller do so at their own risk. Additionally, prior to bid, Agency Chief Contracting Officers must contact the Bureau of Labor Law when the need arises for a work Classification not published in this schedule.

Prevailing Wage Rate Schedule Information

The information listed below is intended to assist you in meeting your prevailing wage rate obligation. Covered workers: Any and all individuals who are engaged, employed or otherwise occupied as building service employees on the public work site. Supplemental benefits: Employers may meet their supplemental benefits obligation by paying the hourly supplemental benefits in cash. Such cash payments are considered income to the employee. Employers who elect to provide bona fide supplemental benefits to their employees will be given hourly cash credit for such benefits up to the hourly benefits rate set forth in the applicable schedule for the relevant trade or occupation at issue.

Particular attention should be given to the supplemental benefits requirement. Although in most instances the payment or provision for supplemental benefits is for each hour worked, some Classifications require the payment or provision of supplemental benefits to be purchased at the overtime, shift differential, Holiday, Saturday, Sunday or other premium time rate. Contractors are advised to review the applicable collective bargaining agreements and the Comptroller's Prevailing Wage Schedule before bidding on public work. Any Prevailing Wage Rate error made by the Contracting Agency in the contract documents will not preclude a finding against the contractor of prevailing wage violation.

Benefit rates required to be annexed to and from part of the contract specifications for New York City Public Work Pursuant to New York State Labor Law §231 (4). However, only the prevailing rate for the specific building service trades or classifications anticipated by the contracting agency to be utilized upon such public work need be annexed to the contract.

The attached Schedule of wages and supplements are the prevailing rates and the contractor engaged in public work is obligated to pay each building service workers not less than the rates specified in this schedule for the trade or occupation utilized upon such public work.

Particular attention should be given to the supplemental benefits requirement. Although in most instances the payment or provision for supplemental benefits is for each hour worked, some classifications require the payment or provision of supplemental benefits for each hour paid. Consequently, some prevailing practices require benefits to be purchased at the overtime, shift differential, Saturday, Sunday or other premium time rate. Contractors are advised to review the applicable collective bargaining agreements and the Comptroller's prevailing wage schedule before bidding on public work. If there are any questions concerning prevailing wages, benefits,

overtime, Holiday, shift differential or any prevailing practice, please contact this office.
Any error as to compensation under the prevailing wage law or other information as to trade classification, made by the Contracting Agency in the contract document or in any other communication will not preclude a finding against the contractor of prevailing wage violation.

WATER BOARD

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT, pursuant to Section 1045-j(3) of the Public Authorities Law, after a public hearing was held on June 12, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on June 21, 2001, adopted a resolution approving an increase in the rate charged for water supply made available for customers outside of New York City by the Water Supply System of the City of New York (the "System"). The basis for this increase is contained in a report prepared by Black & Veatch, rate consultant to the Board, which sets forth the unit cost of water supply for facilities north of the City for the fiscal year commencing July 1, 2001. The following rate changes become effective as of July 1, 2001:

- The regulated rate for water provided to users outside the City, from either the Croton or Catskill/Delaware systems, which does not exceed the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York, will be increased from \$414.37 per million gallons ("AMG") to \$448.83 per MG; and

- The rate for water supply provided in excess of the allowance quantities set forth in the Section 24-360 of the Administrative Code of the City of New York be continued at a level equal to the in-city metered rate which will be increased from \$1,751.34 to \$1,804.81 per MG. Any member of the public who would like additional information regarding this matter should contact Kevin Kunkle, New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368, (718) 595-3601.

INVOCATION

God-Creator:

Throughout time and history you have chosen
"Stewards" "Guardians" of the Public Trust
"Leaders" of this great City-

People chosen to fulfill a vital role within
This City of New York.

Grant to those gathered here today
These "Stewards" ; these "guardians" ; these "leaders"
(All the Members of this City Council)-
A Sense of inner wisdom, strength, and social justice.

Assist these Stewards with counsel and inner fortitude.
Enable them to administer their office in righteousness
and respect for all life and diversity.

Assist those Guardians with a sense of wisdom-
May they execute the laws with mercy and justice as
they seek to promote the well being of us all.
Let our discussions this day-
Our voting and deliberations become the foundation of
order, rule, and good government.

Assist these Leaders of this city with the inner strength
to discharge their office with honesty and ability.
Enable them to guard our political and civic welfare
while speaking a healing word.
May we as members of the City Council
-Move with clear purpose to assume again our role as
Stewards within our greater community.

May we as the Leaders of this city -
Inspire our colleagues-
And be inspired as well by their commitment to service
So as to empower those that do not have a political
voice-

May we as the Guardians of the city
Find that same strength to
Foster and build a better future for all in this the
"Greatest" City in the world.

MESSAGES & PAPERS FROM THE MAYOR

M-1142

Communication from the Mayor - Mayor's veto and disapproval message of
Introductory Number 627-A, to amend the administrative code of the city of
New York, in relation to regulating the possession, use and sale of domestic
ferrets.

May 21, 2001

Hon. Carlos Cuevas
 City Clerk and Clerk of the City Council
 Municipal Building, 2nd floor
 New York, NY 10007
 Dear Mr. Cuevas:

Pursuant to section 37 of the New York City Charter, I hereby disapprove Introductory Number 627-A, which would amend the City's Administrative Code in relation to regulating the possession, use and sale of domestic ferrets. As set forth below, this bill is unenforceable, insofar as it is inconsistent with a validly promulgated Board of Health rule, and is unwise as a matter of public health policy.

This legislation would allow New York City residents to own ferrets if the ferrets have been spayed or neutered and inoculated against canine distemper and rabies. It would prohibit people from selling or giving away ferrets if the ferrets have not been spayed, neutered or inoculated, and would also prohibit ferrets from being set free or used in the hunting of other animals. Violations of this proposed law could lead to fines between \$250 and \$500, and civil penalties could also be levied by the tribunal of the Department of Health ("DOH"). The bill would not apply to certain zoos, parks, laboratories, circuses or exhibition halls, or to ferrets brought into the City for thirty or fewer days.

This bill is the latest in an on-going and longstanding attempt to undermine the efforts of the Board of Health ("Board") and DOH to prohibit ferret ownership, most recently as promulgated in the Board's 1999 amendments to the Health Code, pursuant to which ferrets are enumerated in a list of prohibited "wild animals." NYC Health Code § 161.01(b)(4). The Board and DOH have historically regarded ferrets as wild animals and have prohibited their possession since at least the mid-1960's because of public health and safety concerns. The prohibition against ferret ownership has already been the focus of Federal court litigation, and was resolved in the City's favor in 1995 New York City Friends of Ferrets v. The City of New York, et al., 876 F. Supp. 529 (S.D.N.Y.), aff'd, 71 F.3d 405 (2d Cir. 1995). That court recognized the City's right to proscribe ferret ownership based on a number of factors, including well-documented epidemiological studies and medical reports, both nationwide and local, showing a pattern of vicious and unpredictable attacks on human beings, particularly infants and young children.

Chapter 22 of the City Charter provides the enabling legislation establishing DOH and the Board. Charter § 556 sets forth a broad grant of power to DOH to regulate all matters concerning health, and § 558 establishes the Health Code, to be promulgated by the Board. Unlike simple rule-making authority vested in other City agencies, the City Charter vests in the Board primary authority to act as a legislative body in the area of public health and safety, and defines the parameters of those areas broadly. People v. Weil, 286 A.D. 753, 757, 146 N.Y.S.2d 416, 419 (1st Dep't 1955). To the extent that Introductory Number 627-A is meant to repeal §161.01(b)(4) of the Health Code, it is inconsistent with the powers granted by the Charter to the Board to adopt a Health Code with the force and effect of law. This in and of itself violates the mandate of Charter § 28, which allows the Council to adopt local laws so long as they "are not inconsistent with the provisions of this charter ..."

The Board's authority to prohibit ferrets in New York City is therefore clear. Its authority over such matters has been upheld for over one hundred years by the Courts of the State, which have continuously acknowledged the Board's role as the pre-eminent government entity responsible for public health issues in this City. Indeed, the Court of Appeals has noted that "the Board of Health has been recognized by the Legislature as the sole legislative authority in the field of health regulation in the City of New York." Schulman v. New York City Health and Hospitals Corp., 38 N.Y.2d 234, 237 (1975).

Furthermore, the City Charter's very broad delegation to, and vesting of legislative authority in, the Board is consistent with the necessity for expertise and consistency in the regulation of an area such as public health that is "incapable of statutory completion." See Nicholas v. Kahn, 47 N.Y.2d 24, 31, 416 N.Y.S.2d 565 (1979). Indeed, it is this expertise of the Board and the staff of DOH that makes it far more suited than the Council to promulgate rules on the ownership of animals believed to be dangerous. This medical and veterinarian expertise and reliance on solid data, the presentation of medical witnesses and the results of epidemiological studies were recognized by the Federal court in Friends of New York City Ferrets, supra. It is such expertise that forms the foundation of the Board's "Statement of Basis and Purpose" when the rule was published for comment. The Council's attempt to illegally reverse and circumvent the Board's ban on ferrets would be akin to the Council unilaterally deciding that tigers are no longer considered wild animals and thus should be legal pets in New York City.

The Board has determined that ferrets, due to their unpredictable behavior and ability to inflict harm on human beings, are not safe animals and should therefore be banned in New York City. According to a joint statement issued by the Council of State and Territorial Epidemiologists and the National Association of State Public Health Veterinarians, there are "several characteristics of attacks by ferrets that are of particular public health concern." Namely, ferrets have been shown to attack infants and small children, especially when lying down, and have climbed into cribs to inflict unprovoked attacks on defenseless victims.

In addition, the unique nature of New York City's housing configuration raises specific concerns about the danger of introducing ferrets into densely populated areas where millions of people live in multiple-residence dwellings. Ferrets are small enough to escape their owners' homes and travel into others' apartments through tiny openings in walls. Escaped ferrets can attack unsuspecting neighbors and are subject to establishing feral communities that may threaten native wildlife as well as the human population. For these reasons, the City's health professionals have determined that ferrets are not appropriate pets for New York City. The City Council should not interfere with that decision.

Introductory Number 627-A did not and cannot nullify the Board's rule. Therefore, DOH intends to adhere to the sound policies that are set forth in that rule on wild animals that has been promulgated by the Board, and will not take steps to implement the irresponsible and unwise provisions of Introductory Number 627-A.

For all the foregoing reasons, I hereby disapprove Introductory Number 627-A.

Sincerely,

Rudolph W. Giuliani
 Mayor

Referred to the Committee on Health.

Communication from the New York City Banking Commission – Transmitting recommendation that the discount rate to be allowed for prepayment of real estate taxes be continued at two percent (2%) per annum for Fiscal Year 2002, pursuant to Section 1519 of the City Charter.

May 16, 2001

Honorable Peter F. Vallone
 Speaker of the Council
 City Hall
 New York, NY 10007

Dear Mr. Vallone:

Pursuant to Section 1519 of the City Charter, the Banking Commission, at its meeting of May 16, 2001, adopted a resolution recommending to the Council that the discount rate to be allowed for prepayment of real estate taxes be continued at two percent (2%) per annum for the fiscal year 2002. A copy of the resolution is attached.

The Banking Commission will continue to review this recommendation and will issue revised recommendations, if appropriate.

Sincerely,

Robert Y. Lee

Resolution No. 4 – Discount Rate Recommendation

Whereas, pursuant to Section 1519 of the City Charter, the Banking Commission is required to recommend to the City Council, not later than the twenty fifth day of may, the proposed discount rate that shall be allowed for payments of real estate taxes prior to the dates on which such taxes become due and payable, now, therefore be it

Resolved, that the Banking Commission recommend to the City Council that the discount rate to be allowed to be set at two percent per annum for Fiscal Year 2002.

Referred to the Committee on Finance.

Communication from the New York City Banking Commission – Transmitting recommendation that the interest rate for non-payment of real estate taxes where annual tax is more than \$2,750, or vacant or unimproved land; and non-payment of charges for work performed pursuant to orders of the Board of Health or Department of Health be 18 percent (18%) for fiscal year 2002.

May 16, 2001

Honorable Peter Vallone
Speaker of the Council
City Hall
New York, NY 10007

Dear Mr. Vallone:

Pursuant to Local Law 47 of 1990, the Banking Commission, at its meeting of May 16, 2001, adopted a resolution recommending to the Council that the interest rate to be charged for Fiscal Year 2002 for non-payment of taxes on real estate in those cases in which the annual tax on the parcel other than a parcel that consists of vacant or unimproved land, is not more than \$2,750, be:

a. Eighteen percent (18%) per annum in the case of any parcel with respect to which the real estate taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent; and

b. Nine percent (9%) per annum in the case of all other such parcels.

A copy of the resolution is attached.

The Banking Commission will continue to review this recommendation and will issue revised recommendations, if appropriate.

Sincerely,

Robert Y. Lee

Resolution No. 2 – Interest Rate Recommendation

Whereas, pursuant to Local Law No. 47 of 1990, the Banking Commission is required to recommend to the City Council, not later than the twenty-fifth day of May, the proposed interest rate to be charged for nonpayment of taxes on real estate where the annual tax on a parcel, other than a parcel which consists of vacant or unimproved land, is not more than two thousand seven hundred fifty dollars, and

Whereas, in the case of any such parcel with respect to which the real estate taxes are held in escrow and paid to the Commissioner of Finance by a "mortgage escrow agent", as that term is defined in Section 1519 of the City Charter, the proposed interest rate shall be at least six percent per annum greater than the prevailing interest rate charged for commercial loans extended to prime borrowers by commercial banks in the City (the "prime rate"), and

Whereas, in the case of all other such parcels, the proposed interest rate shall be at least equal to the said prime rate, and

Whereas, the Banking Commission notes that the said prime rate stands at 7.50%,

Whereas, it is in the City's best interest to encourage the prompt payment of taxes on real estate by all taxpayers, now, therefore be it

RESOLVED, that the Banking Commission recommend to the City Council that the interest rate to be charged for non-payment of taxes on real estate where the real estate taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent, remain eighteen percent per annum for Fiscal Year 2002, and be it further

RESOLVED, that the Banking Commission recommend to the City Council the interest rate to be charged for non-payment of taxes on real estate in the case of all other such parcels in which the annual tax is not greater than two thousand seven hundred fifty dollars remain (9.00%) nine percent per annum for Fiscal Year 2002, and be it further

RESOLVED, that the Secretary's letter to the City Council be sent as close to May 25th as possible, to protect against fluctuations in interest rates.

Referred to the Committee on Finance.

M-1145

Communication from the New York City Banking Commission – Transmitting resolution recommending that the interest rate to be charged for non-payment of taxes on real property where the annual tax is not more than \$2,750 or where the real property taxes are held in escrow and paid by a mortgage escrow agent be eighteen percent (18%) and nine percent (9%) in all other such parcels.

May 16, 2001

Honorable Peter Vallone
Speaker of the Council
City Hall
New York, NY 10007

Dear Mr. Vallone:

Pursuant to Local Law 47 of 1990, the Banking Commission, at its meeting of May 16, 2001, adopted resolution recommending to the Council that the interest rate to be charged for Fiscal Year 2002 for non-payment of water rents and sewer rents be:

a. Eighteen percent (18%) per annum in those cases in which the annual tax on the parcel is more than \$2,750, or where the taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent, or where the parcel consists of vacant or unimproved land. This rate is more than six percent (6%) greater than the current prime rate in effect, in accordance with the requirement of the Local Law.

b. Nine percent (9%) per annum in all other cases.

A copy of the resolution is attached.

The Banking Commission will continue to review this recommendation and will issue revised recommendations, if appropriate.

Sincerely,

Robert Y. Lee

Resolution No. 3 – Interest Rate Recommendation

Dear Speaker Vallone:

Pursuant to Administrative Code Section 19-511(i), the Taxi and Limousine Commission must submit its approval of an application for a base station license to the City Council. Within ninety days of the first stated council meeting following receipt of such determination, the Council may approve or disapprove such determination by local law, after having adopted a resolution to review that determination. In the event the Council fails to act by local law within the ninety-day period provided for in Section 19-511.1, the determination by TLC shall remain in effect.

Enclosed is the TLC approval of the following base station renewal application:

F.J.A. Livery Corp.

If you or your staff have any questions with regard to the application, please feel free to contact me or Sheila M. Fitzpatrick of my staff at 788-2902.

Sincerely,

Joshua D. Filler

Referred to the Committee on Transportation.

Reports of the Committee on Finance

L.U. No. 1043

Report of the Committee on Finance in favor of approving Application no. 20015300 HAM, an Urban Development Action Area Project, located in Community Board 10, Council District no. 9, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

The Committee on Finance to which was referred on May 23, 2001 (see also earlier Report of the Committee on Land Use for L.U. No. 1043 printed in these Minutes) the annexed Land Use resolution respectfully

REPORTS:

Pursuant to Section 696 of the General Municipal Law (GML) and Section 577 of the Private Housing Finance Law, the Department of Housing Preservation and Development (HPD) requests partial property tax exemptions for properties that will provide housing for City residents as specified in the attached project summaries. These projects may be granted exemptions from real property taxes by the local legislative body for a period of up to forty years.

The City Council Land Use Committee has approved the disposition of these properties as Urban Development Action Area Projects.

NEIGHBORHOOD HOMES PROGRAM

PROGRAM SUMMARY:

Under the Neighborhood Homes Program, HPD conveys occupied one-to four-family buildings to selected community-based not-for-profit organizations for rehabilitation and eventual sale owner-occupants. The not-for-profit sponsor will receive funding in the form of an evaporating loan from HPD and a loan from the Local Initiative Support Corporation (LISC) or a conventional lender. Upon completion, each building is marketed to existing tenants or buyers who agree to reside in the building and who qualify for mortgage financing to purchase the property.

EXEMPTION DESCRIPTION:

Pursuant to Section 696 of the General Municipal Law, a full exemption from real property taxes is granted for ten years.

TENANT INTERIM LEASE (TIL)

PROGRAM SUMMARY:

HPD initiated TIL to encourage private ownership and management of low income housing properties and to divest the City of its in-rem stock. The City rehabilitates occupied in-rem buildings and sells them for a nominal fee of \$250 per dwelling unit to Housing Development Fund Companies (HDFC) organized pursuant to Article XI of State Private Housing Finance Law (PHFL). In TIL, they are managed by tenant HDFC's as low income housing cooperatives. Tenants are subject to income restrictions pursuant to Section 576 of the PHFL. Monthly rent for such apartments is typically \$80-\$90 per zoning room but does not exceed 30% of a tenant's annual income.

EXEMPTION DESCRIPTION:

An exemption from property taxes will be allowed for that portion of the assessed value of the property which exceeds the ceiling amount determined by HPD. The ceiling is increased annually by an amount not to exceed 6%, and cannot increase by more than 20% over 5 years. Full taxes are paid up to the ceiling amount and a total exemption is allowed on that portion of the assessed value which exceeds this amount. This ceiling level was calculated so property tax payments would be approximately 10 % of a buildings' entire budget. This level would reflect other property tax exemptions made available through Federal Section 202 and Mitchell-Lama programs.

The assessed value base amount for ceiling calculations was established at \$3,500 per residential unit in 1989-90. The Fiscal 2001 maximum ceiling amount has increased to \$5,040, which represents property tax payments of approximately \$542 for each dwelling unit.

Exemptions under this program are effective until July 1, 2029 and resale restrictions are placed on all properties pursuant to Board of Estimate Resolution 78 of 1980 as amended by Resolution 56 of 1982.

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Berman, Eisland and Linares offered the following resolution:

Res. No. 1927

Resolution approving an Urban Development Action Area Project located at 106 West 129th Street (Block 1913/Lot 137), 113 West 132nd Street (Block 1917/Lot 25) and 34 Edgecombe Avenue (Block 1960/Lot 33), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 1043; 20015300 HAM).

By Council Members Berman, Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on March 13, 2001, its request dated February 20, 2001 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 106 West 129th Street (Block 1913/Lot 137), 113 West 132nd Street (Block 1917/Lot 25) and 34 Edgecombe Avenue (Block 1960/Lot 33), Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 15, 2001;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of ten years commencing on the July 1st following the conveyance of the Disposition Area to the Sponsor.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and
5. Approve a partial exemption of the Project from real property taxes pursuant to Section 577 of Article XI of the Private Housing Finance Law (the "Tax Exemption");

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one- to four-unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, the project description that HPD provided to the Council states that the purchaser in connection with the Sale (the "Sponsor") is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

Whereas, upon due notice, the Council held a public hearing on the Project on May 15, 2001;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions set forth in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The Council approves the partial Tax Exemption as follows:

The partial tax exemption provided hereunder shall commence upon the date of conveyance of the housing project to Sponsor ("Effective Date") and shall terminate upon July 1, 2029 ("Expiration Date"); provided, however, that such partial tax exemption shall terminate if the Department of Housing Preservation and Development determines that Sponsor is not organized as a housing development fund company or that Sponsor is not operating the housing project in accordance with the requirements of Article XI of the Private Housing Finance Law.

Those portions of the property included in the housing project which are devoted to business or commercial use (collectively, "Commercial Property"), if any, shall not be eligible for real property tax exemption hereunder. The Commercial Property shall be subject to full real property taxation; provided, however, that nothing herein shall prohibit Sponsor from utilizing any abatement, exemption, or other tax benefit for which the Commercial Property would otherwise be eligible.

All of the value of the property, other than the Commercial Property, included in the housing project (collectively, "Residential Property") shall be exempt from real property taxes, other than assessments for local improvements; provided, however, that Sponsor shall make a partial annual real estate tax payment on the Residential Property. Sponsor shall make such partial annual real estate tax payment on an assessed valuation equal to the lesser of (i) an amount equal to the full assessed valuation of the Residential Property, or (ii) an amount calculated by multiplying \$3500 times the number of residential units included in the housing project and increasing such product by six percent (6%) on July 1, 1990 and on July 1 of each successive year, but not by more than twenty percent (20%) in any five-year period.

Reports of the Committee on Land Use

L.U. No. 763-A

Report of the Committee on Land Use in favor of approving Application no. 20005409 GFM, pursuant to §363 of the Charter of the City of New York, concerning a proposed Authorizing Resolution authorizing the Department Of Transportation to grant a franchise for the provision of aerial tramway service over the East River between Manhattan and Roosevelt Island to the Roosevelt Island Operating Corporation.

The Committee on Land Use to which was referred on May 10, 2000 (Minutes, page 1076) the annexed amended Land Use resolution respectfully

REPORTS:

An amended Authorizing Resolution pursuant to Section 363 of the Charter of the City of New York, authorizing the Department of Transportation to grant a franchise for the provision of aerial tramway service over the East River between Manhattan and Roosevelt Island to the Roosevelt Island Operating Corporation ("RIOCI").

The intent is to ensure that the tramway will be subject to the appropriate oversight and that it will continue to provide a public service. This resolution will also ensure that:

- RIOCI would assume all the costs and expenses for the maintenance and operation of the tramway and would not receive direct financial assistance from the City;
- The maximum fare for the tramway would be stated in the franchise agreement and any changes would be subject to approval by DOT and the FCRC;
- The franchise fee would be no more than one half of one percent (.5%) of the franchisee's gross receipts;
- The franchisee would be responsible for conducting annual engineering inspections of the tramway and reporting the findings to DOT; and
- No advertising will be placed on the interior or exterior of the tramway and related structures.

The Committee recommends that the Council approve the resolution as amended.

In connection herewith, Council Members Eisland and McCaffrey offered the following resolution:

Res. No. 1930

Resolution approving an Amended Authorizing Resolution pursuant to Section 363 of the Charter of the City of New York, authorizing the Department of Transportation to grant a franchise for the provision of aerial tramway service over the East River between Manhattan and Roosevelt Island to the Roosevelt Island Operating Corporation. (L.U. No. 763-A; 20005409 GFM)

By Council Members Eisland and McCaffrey (by request of the Mayor);

Whereas, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Transportation ("DOT") as the responsible agency for the granting of franchises for tramways; and

Whereas, by contract dated February 19, 1974, the City of New York granted to the New York State Urban Development Corporation ("UDC"), a public benefit corporation, the right to "...construct, maintain and use an aerial tramway from Roosevelt Island over the East River to the west side of Second Avenue between 59th and 60th Streets, Borough of Manhattan", ("Roosevelt Island Aerial Tramway" or "Tramway"); and

Whereas, in 1984 the Legislature of the State of New York created the Roosevelt Island Operating Corporation ("RIOCI") (Chapter 899, Laws of the State of New York, 1984) and granted the Corporation the power to "...assume and perform the obligations and responsibilities of the UDC under the ... tramway franchise ... and exercise all of the rights ... with respect thereto..."; and

Whereas, on June 29, 1990, the Board of Estimate granted RIOCI interim operating authority (the "Interim Authority") to continue to maintain and operate the tramway which was amended and approved by resolution dated May 13, 1992, which was adopted by the Franchise and Concession Review Committee ("FCRC"); and

Whereas, on August 9, 1996, the United States Coast Guard issued Bridge Permit Amendment 46-74a-1, stating that "the existing aerial tramway shall be removed in its entirety no later than 90 days after it ceases to operate for the purpose for which it was permitted or by the year 2068, whichever occurs first," and

Whereas, pursuant to Sections 363 and 378 of Chapter 14 of the New York City Charter ("the Charter"), the Commissioner of Transportation ("Commissioner") has made the determination of the need for a franchise for the Roosevelt Island Aerial Tramway; and

Whereas, the City Council has determined that the granting of such a franchise will promote the public interest by enhancing the health, welfare, and convenience of the public;

NOW, THEREFORE BE IT RESOLVED,

That the Council hereby authorizes DOT to grant the franchise for the provision of aerial tramway service between Manhattan and Roosevelt Island over the East River to RIOC, provided that such franchise shall be subject to the approval of the FCRC and the separate and additional approval of the Mayor. The authorization to grant a franchise pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council ("Expiration Date"). No franchise shall be granted pursuant to this resolution by DOT, nor approved by the FCRC or the Mayor after the Expiration Date;

AND BE IT FURTHER RESOLVED,

FIRST, that prior to the granting of such franchise, an environmental review, if necessary, shall be conducted in accordance with City Environmental Quality Review; and

SECOND, that no franchise granted pursuant to this Resolution may receive direct financial assistance from the City; and

THIRD, that any agreement authorized pursuant to this Resolution shall state the maximum fare to be charged passengers for services and shall also state that upon the request of the franchisee, DOT may, subsequently at any time, petition the FCRC for a modification of the maximum fare, and that upon the approval of the FCRC of any such proposed change, the franchise agreement shall be deemed to be modified to provide for the revised maximum fare; and

FOURTH, that the franchisee shall pay to the city a franchise fee of not more than one-half of one percent (1/2%) of the franchisee's gross receipts, which franchise fee shall be set forth in the franchise contract; and

FIFTH, that the franchise granted pursuant to this authorizing resolution shall be by written agreement that shall without limitation provide that:

(1) the term of the franchise shall not exceed 25 years, with the right to renew, at the option of the city, for a period not to exceed (a) the maximum period allowed under the Charter at the end of the term, or (b) the term of Bridge Permit Amendment 46-74a-1, whichever is less;

(2) the franchisee shall assume all the costs and expenses for the maintenance and operation of the tramway system and obtain all necessary licenses, permits, and consents therefor from governmental agencies having jurisdiction of the matter;

(3) the franchisee shall provide adequate service to the public at all times during operational hours in accordance with schedules as shall be published by the franchisee from time to time;

(4) there shall be provisions in the franchise agreement which establish standards of performance and reporting mechanisms related to the operation and maintenance of the tramway;

(5) the franchisee shall at all times maintain the tramway in good repair and safe condition;

(6) the tramway system shall be adequately illuminated between dusk and daylight of each day or whenever artificial lighting is required for the safety and welfare of the public;

(7) the enclosed portions of any tram shall be sufficiently lighted, heated, and properly ventilated to assure the safety and comfort of the public;

(8) the franchisee shall at all times maintain on file with DOT a complete, accurate, and current normal schedule of service and fares, which may be amended from time to time, constituting an appendix to the agreement and fully part of the agreement;

(9) the tramway shall be constructed and operated in such a manner as to prevent water, oil, grease, dirt or other substances from falling to the surface of the street or waterway;

(10) the franchisee shall, at its sole cost and expense, retain an independent licensed and qualified engineer for the purpose of conducting, on an annual basis, unless more frequently required by the American National Standards Institute, Inc. (ANSI), an examination and inspection to be made of the

structures, equipment, appliances and mechanical operation of said tramway system and filing with DOT a report documenting the conditions of the tramway system as observed during such inspection and examination;

(11) the City shall have the right at all times to inspect the facilities, service and equipment used by the franchisee and to order the franchisee to comply with operational requirements and performance standards set forth in the agreement;

(12) advertising upon the interior portions of the stations and the tramway shall not be permitted; provided, however, that advertising which is false or misleading, which promotes unlawful or illegal goods, services or activities, or which is otherwise unlawful or obscene as determined by the Department, including but not limited to advertising that constitutes the public display of offensive sexual material in violation of Penal Law Section 245.11, shall be prohibited. Advertising related to tobacco products shall also be prohibited. Advertising shall be prohibited upon the exterior of the stations, [and] the exterior of the tramway cars, the tramway and its appurtenances, and any related structure.

(13) the right of the City to perform public works or improvements in and around those areas subject to the franchise shall be preserved;

(14) the extent to which the public use of the streets of the City is disrupted in connection with the operation, maintenance, and repair of the tramway shall be minimized;

(15) the franchise is subject to whatever right, interest or privilege others may have in the use and occupation of affected streets and waterways;

(16) the franchisee shall, in constructing, reconstructing, maintaining, operating or dismantling said aerial tramway system, comply with the requirements of all applicable laws, ordinances, codes, charters or regulations of Federal, State, and City authorities having jurisdiction of the matter now in force or hereafter enacted;

(17) there shall be adequate insurance and/or indemnification requirements to protect the interests of the public and the City;

(18) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(19) unless otherwise provided by an act of the state legislature, or except in the case where there is an assignment to the Metropolitan Transportation Authority or any other public benefit corporation, there shall be provisions to restrict the assignment or other transfer of the franchise or portions thereof without the prior written consent of the City and provisions to restrict changes in control of the franchisee without the prior written consent of the City;

(20) there shall be provisions to allow the franchisee, with the approval of the Commissioner, to enter into an agreement with another entity to perform maintenance services on the tramway or to operate the tramway;

(21) the franchisee shall at all times keep complete and accurate books of account and records of said aerial tramway system in accordance with Generally Accepted Accounting Principles ("GAAP") and with any and all specific requirements for record keeping as shall be required by DOT. Such books and records shall be made available on demand to the City for inspection;

(22) the franchisee shall comply with all applicable federal, state and local laws, including those relating to accessibility for persons with disabilities;

(23) there shall be remedies to protect the City's interests in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(24) the franchise may be terminated or canceled by the Commissioner in the event of the franchisee's failure to comply with the material terms and conditions of the agreement; and

(25) the payment of compensation shall not be considered in any manner to be in the nature of a tax, but shall be in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid under any local law of the City of New York or by any law of the State of New York, or of the federal government, or pursuant to any contract, lease, or agreement;

AND BE IT FURTHER RESOLVED,

That DOT shall file with the Council the following documents:

(1) within fifteen (15) days of approval by the Mayor, a copy of the agreement for the franchise granted pursuant to this Resolution; a copy of any subsequent modification thereof or amendment thereto, and

(2) on or before September 1 of each year, for the preceding calendar year, a report detailing the revenues received by the City from the franchise granted pursuant to this Resolution.

L.U. No. 967

Report of the Committee on Land Use in favor of approving Uniform land use review procedure application no. C 010257 HDM, pursuant to §197-c and §197-4 of the New York City Charter, concerning the disposition of city-owned property within the Milbank Frawley Circle East Urban Renewal Area, Council Districts no. 8 and 9, Borough of Manhattan.

The Committee on Land Use to which was referred on January 24, 2001 (Minutes, page 288) the annexed Land Use resolution respectfully

REPORTS:

City Planning Commission decision approving an application submitted by the Department of Housing Preservation and Development, pursuant to Section 197-c of the New York City Charter for the disposition of city-owned property on sites 9, 13B, 37A and 37B within the Milbank Frawley Circle East Urban Renewal Area.

The intent is to facilitate new residential and retail development through the Madison Avenue Homeownership Cluster Project.

The Committee recommends that the subcommittee approve the decision of the City Planning Commission.

In connection herewith, Council Members Eisland and Linares offered the following resolution:

Res. No. 1931

Resolution approving the decision of the City Planning Commission on ULURP No. C 010257 HDM, for the disposition of city-owned property on Sites 9, 13B, 37A and 37B within the Milbank Frawley Circle East Urban Renewal Area, Manhattan (L.U. No. 967).

By Council Members Eisland and Linares

Whereas, the City Planning Commission filed with the Council on April 17, 2001 its decision dated April 11, 2001 (the "Decision") on the application submitted pursuant to Section 197-c of the New York City Charter by the New York City Department of Housing Preservation and Development for the disposition of city-owned property on Sites 9, 13B, 37A and 37B within the Milbank Frawley Circle East Urban Renewal Area, Borough of Manhattan (ULURP No. C 010257 HDM) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

Whereas, upon due notice, the Council held a public hearing on the Application and Decision on May 15, 2001;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on October 13, 2000 (CEQR No. 01HPD004M); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment;

Pursuant to Section 197-d of the City Charter and on the basis of the Application and the Decision, the Council approves the Decision.

The Committee recommends that the Council approve the proposals, grant the requests made by the Department of Housing Preservation and Development and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Eisland and Linares offered the following resolution:

Res. No. 1932

Resolution approving an Urban Development Action Area Project located at 2355 Frederick Douglass Boulevard (Block 1953/Lot 31) and 2357 Frederick Douglass Boulevard (Block 1953/Lot 32), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 1053; 20015333 HAM).

By Council Members Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on March 20, 2001 its request dated March 6, 2001 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 2355 Frederick Douglass Boulevard (Block 1953/Lot 31) and 2357 Frederick Douglass Boulevard (Block 1953/Lot 32), Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law;

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 15, 2001;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

L.U. No. 1090

Report of the Committee on Land Use in favor of approving Uniform Land Use Review Procedure application no. M 820995 (B) ZMQ, pursuant to §197-c and §197-d of the New York City Charter, concerning changes to the zoning map and related restrictive declaration Borough of Queens, Council District no. 21.

The Committee on Land Use to which was referred on May 9, 2001 (Minutes, page 1294) the annexed Land Use resolution respectfully

REPORTS:

City Planning Commission decision approving an application submitted by La Guardia Associates, L.P., for the second modification of Restrictive Declaration D-89 which was previously approved as part of an application for a Zoning Map Amendment (C 820995 ZMQ) and was subsequently modified (M 820995 ZMQ) in connection with development of a hotel and public parking garage on property located at 104-04 Ditmars Boulevard (Block 1640, Lots 20 and 25), in a C4-2 District.

The intent is to allow the construction of a new eleven-story hotel building, enclosed elevated walkways at the second level that will connect to the existing public garage and existing hotel building and a ground floor greenhouse enclosure.

The Committee recommends that the Council approve the decision of the City Planning Commission.

In connection herewith, Council Members Eisland and McCaffrey offered the following resolution:

Res. No. 1939

Resolution approving the decision of the City Planning Commission on ULURP No. M 820995 (B) ZMQ, the second modification of Restrictive Declaration D-89, relating to the development of a hotel and public parking garage on property located at 104-04 Ditmars Boulevard (Block 1640/Lots 20 and 25) in a C4-2 District (L.U. No. 1090).

By Council Members Eisland and McCaffrey

Whereas, the City Planning Commission filed with the Council on April 26, 2001 its decision dated April 25, 2001 (the "Decision"), on the application submitted by La Guardia Associates, L.P., for the modification of Restrictive Declaration D-89, that was entered into in connection with an amendment to the Zoning Map (ULURP No. C 820995 ZMQ) (the "Application");

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the subject application is a request by La Guardia Associates, L.P., to modify Restrictive Declaration D-89 as it relates to the subject property so as to permit the construction of a new eleven-story hotel building;

Whereas, upon due notice, the Council held a public hearing on the Decision and Application on May 17, 2001;

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

Whereas, the Council has considered the relevant environmental issues and the final Conditional Negative Declaration, issued on February 28, 2001 and an addendum for the modified application was issued on April 24, 2001;

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, the Council approves the decision.

L.U. No. 1093

Report of the Committee on Land Use in favor of approving Application no. 20015397 HAM, an Urban Development Action Area Project located in Community Board 11, Council District no. 8, Borough of Manhattan. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development.

The Committee on Land Use to which was referred on May 9, 2001 (Minutes, page 1294) the annexed Land Use resolution respectfully

REPORTS:

(For text of report, see Report of the Committee on Land Use for L.U. No. 1053 printed in these Minutes).

In connection herewith, Council Members Eisland and Linares offered the following resolution:

Res. No. 1940

Resolution approving an Urban Development Action Area Project located at 204-08 East 118th Street (Block 1667/Lot 43), 2294 Second Avenue (Block 1689/Lot 50), 2313 Second Avenue (Block 1783/Lot 26), 251 East 119th Street, a/k/a 2321-23 Second Avenue (Block 1784/Lot 21), 217 East 120th Street (Block 1785/Lot 09), and 348-50 East 119th Street (Block 1795/Lot 33), Manhattan, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 1093; 20015397 HAM).

By Council Members Eisland and Linares

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on April 24, 2001 its request dated April 4, 2001 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 204-08 East 118th Street (Block 1667/Lot 43), 2294 Second Avenue (Block 1689/Lot 50), 2313 Second Avenue (Block 1783/Lot 26), 251 East 119th Street, a/k/a 2321-23 Second Avenue (Block 1784/Lot 21), 217 East 120th Street (Block 1785/Lot 09), and 348-50 East 119th Street (Block 1795/Lot 33), Borough of Manhattan (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;
2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;
3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and
4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law;

Whereas, the Project is to be developed on land that is now a municipally-owned area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 15, 2001;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

Reports of the Committee on State and Federal Legislation

State Legislation Res. No. 21

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Assembly Member Boyland, et al, A.3443, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner Mellowrine Ford, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1551, Lot No. 54 on tax map for the borough of Brooklyn".

The Committee on State and Federal Legislation to which was referred on February 27, 2001 (Minutes, page 550) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

This legislation authorizes the city of New York to reconvey the real property designated as Block No. 1551, Lot No. 54 on the tax map of Brooklyn to the former owner Mellowrine Ford. Such reconveyance may be made upon approval of the In Rem Foreclosure Release Board subject to the grantee meeting certain conditions precedent.

The City of New York acquired title to these premises based on non-payment of taxes. Reportedly, the non-payment of taxes was due to an absence of notice and the inadvertent failure of, the former owner of such property, to pay taxes thereon.

Accordingly, Your Committee recommends its adoption.

(For text of the printed State Bill, please refer to the New York State Legislature).

On motion of the Speaker (Council Member Vallone), and adopted, the foregoing matter was coupled as a General Order for the day. (see ROLL CALL ON GENERAL ORDERS FOR THE DAY.)

State Legislation Res. No. 24

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S.1439, and Assembly Member Seminerio, A.771, "AN ACT to amend the administrative code of the city of New York, in relation to the designation of deputy warden (warden level II) in the department of correction of the city of New York".

The Committee on State and Federal Legislation to which was referred on February 27, 2001 (Minutes, page 567) the annexed resolution respectfully

REPORTS:

This legislation would amend section 9-117 of the Administrative Code to provide that assistant deputy wardens who are promoted to deputy warden and serve in that position for a at least a year would be permanently appointed to the rank of deputy warden. Thus, in order to revoke that designation, the Commissioner of the Department of Corrections would have to comply with the due process requirements of section 75 of the State Civil Service Law.

According to the Memorandum in Support, this change would ensure that union members who serve as deputy wardens for a year would be afforded appropriate civil service due process protections in the event their removal is sought. This protection is similar to that enjoyed by police officers who serve as detectives for eighteen months.

In 2000, this Committee passed a home rule message concerning similar legislation. The full Council, thereafter, approved it as well. At the State level, however, it passed the Assembly but died in the Senate Cities Committee.

This legislation shall take effect immediately.

Accordingly, Your Committee recommends its adoption.

(For text of the printed State Bill, please refer to the New York State Legislature).

State Legislation Res. No. 36

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.1055, and Assembly Member Kaufman, A.1291, "AN ACT to authorize the city of New York to reconvey its interest in certain real property under the waters of Hammond Creek acquired in rem in the borough of the Bronx to Maria Properties, Inc., without public auction".

The Committee on State and Federal Legislation to which was referred on February 27, 2001 (Minutes, page 577) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

This legislation authorizes the city of New York to reconvey the real property designated as Block No. 5524, Lot No. 192 on the tax map of the Bronx to Maria Properties, Inc. Such reconveyance may be made upon approval of the In Rem Foreclosure Release Board subject to the grantee meeting certain conditions precedent.

The City of New York acquired title to these premises based on non-payment of taxes. Reportedly, the non-payment of taxes was due to an absence of notice and the inadvertent failure of, the former owner of such property, to pay taxes thereon.

State Legislation Res. No. 37

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.1361, and Assembly Member Klein, A.2040, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Bronx to former owner Antoinette Torsiello notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 4046, Lot No. 12 on tax map for the borough of Bronx".

The Committee on State and Federal Legislation to which was referred on February 27, 2001 (Minutes, page 577) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

This legislation authorizes the city of New York to reconvey the real property designated as Block No. 4046, Lot No. 12 on the tax map of the Bronx to Antoinette Torsiello. State Legislation Res. No. 39

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S.367, and Assembly Member Pheffer, A.153, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Queens to former owner of the Estate of Anne Signorile Tomlinson, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 9137, Lot No. 252 on tax map for the borough of Queens".

The Committee on State and Federal Legislation to which was referred on February 27, 2001 (Minutes, page 589) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

This legislation authorizes the city of New York to reconvey the real property designated as Block No. 9137, Lot No. 252 on the tax map of Queens to the former owner of the estate of Anne Signorile Tomlinson. Such reconveyance may be made upon approval of the In Rem Foreclosure Release Board subject to the grantee meeting certain conditions precedent.

The City of New York acquired title to these premises based on non-payment of taxes. Reportedly, the non-payment of taxes was due to an absence of notice and the inadvertent failure of, the former owner of such property, to pay taxes thereon.

State Legislation Res. No. 48

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills Introduced by Senator Velella, S.2632, and Assembly Members Klein, Matusow, John, McEneny and Morelle, et al, A.2268, "AN ACT to amend the agriculture and markets law, in relation to the powers and duties of municipal directors in cities with a population of one million or more regarding enforcement of the payment of inspection and testing fees".

The Committee on State and Federal Legislation to which was referred on March 14, 2001 (Minutes, page 712) the annexed resolution respectfully

REPORTS:

Currently, subdivision eight of section 181 of the Agriculture and Markets Law grants all municipal directors of weights and measures the authority to establish and collect fees for the inspection and testing of all weights and measures, weighing and measuring devices and systems, and related accessories within their jurisdiction. While municipal directors are allowed to impose such fees (and fines if such fees remain unpaid), the current law does not provide a mechanism by which a municipal director can actually collect fees for having certified the accuracy of a particular weighing or measuring device.

This legislation would amend subdivision eight of section 181 of the Agriculture and Markets Law by allowing municipal directors of weights and measures in cities with a population of one million or more to, after notice and a hearing, confiscate or make inoperable weighing and measuring devices for which the inspection fee remains unpaid. The legislation would also provide that the devices would be safely stored and released upon payment of all outstanding fees and fines.

According to the Mayor's Memorandum in Support, the City's Department of Consumer Affairs is required to certify annually every weighing and measuring device used commercially within the City. The Memorandum states that many of these inspection fees remain unpaid, yet the Department of Consumer Affairs continues to perform its duties. In calendar year 1998, the City billed over \$1.1 million in fees and fines. Over 10% of this billed amount remains unpaid.

According to the Memorandum, while those who fail to pay the fee are subject to the imposition of fines, their certification, which is required by State Law, remains valid.

The law provides little incentive for the payment of the initial fee or subsequent fines, and only authorizes confiscation when the device's degree of accuracy exceeds authorized limits. Thus, the City now seeks the authority to confiscate, or otherwise make inoperable, certified weighing or measuring devices for which the fees remain unpaid.

In 2000, this Committee passed a home rule message concerning this legislation. The full Council, thereafter, approved it as well. At the State level, however, it died in both Assembly and Senate Agriculture Committees.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect on the thirtieth day after it becomes law, provided that the remedies granted by this legislation shall apply to the collection of (i) any inspection fees or fines for failure to pay such fees issued by a municipal director in a city having a population of one million or more on or after the effective date of this act and (ii) any such fees and fines that were imposed on or before this legislation was enacted that are outstanding on the effective date of this legislation.

State Legislation Res. No. 53

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Velella, S.2851, and Assembly Member Kaufman, A.1776, "AN ACT authorizing the city of New York to reconvey Its interest in certain real property acquired by in rem tax foreclosure in the borough of The Bronx to the person or persons who would have inherited said property from former owner Frank Switay, deceased, notwithstanding expiration of the two year period within which application may be made to the city to release its interest In property thus acquired; Block No. 3978, Lot No. 4 on tax map for the borough of The Bronx".

The Committee on State and Federal Legislation to which was referred on March 14, 2001 (Minutes, page 718) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

This legislation authorizes the city of New York to reconvey the real property designated as Block No. 3978, Lot No. 4 on the tax map of the Bronx to the person or persons who would have inherited said property from former owner Frank Switany, deceased. Such reconveyance may be made upon approval of the In Rem Foreclosure Release Board subject to the grantee meeting certain conditions precedent.

The City of New York acquired title to these premises based on non-payment of taxes. Reportedly, the non-payment of taxes was due to an absence of notice and the inadvertent failure of, the former owner of such property, to pay taxes thereon.

Accordingly, Your Committee recommends its adoption.

State Legislation Res. No. 59

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Marchi, S.3137, and Assembly Member Vitaliano, A.5995, "AN ACT to amend the retirement and social security law, in relation to employee contributions to the twenty year retirement program for New York city sanitation members and to allow sanitation workers who are members of the New York city employees' retirement system to elect the benefits provided by chapter 547 of the laws of 1992".

The Committee on State and Federal Legislation to which was referred on March 28, 2001 (Minutes, page 841) the annexed resolution respectfully

REPORTS:

This legislation would allow New York City sanitation employees who failed to elect participation in the twenty year retirement benefit program during the original "window period" to enroll in the program if on or before the one hundred eightieth day following the effective date of this legislation, such employees file with the New York City Employees' Retirement System, a written request to that effect. The legislation would require those sanitation employees who opt into the program to pay additional contributions retroactive to July 1, 1992. The rights of eligible members to opt for coverage by the provisions of either Section 445-b or 604-a of the New York State Retirement and Social Security Law ended with the close of the previous election period. This legislation would create a new election period ending one hundred and eighty days following the effective date of this legislation.

This legislation provides that a sanitation employee, who is participating in the twenty-year retirement program, would not contribute additional member contributions after he or she has twenty years of allowable service in the uniformed sanitation force.

According to Assemblyman Vitaliano's Memorandum in Support, sound public policy entails maintaining a young and vigorous refuse collection and disposal workforce. The enactment of this legislation would be consistent with this goal.

In 2000, this Committee passed a home rule message concerning similar legislation. The full Council, thereafter, approved it as well. At the State level, however, it passed the State Legislature but was vetoed by the Governor.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect immediately.

State Legislation Res. No. 70

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Santiago, S.2205-A, and Assembly Member Lopez, A.3998-A, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner Ramnauth Chetram, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 3220, Lot No. 44 on tax map for the borough of Brooklyn".

The Committee on State and Federal Legislation to which was referred on April 17, 2001 (Minutes, page 1023) the annexed resolution respectfully

REPORTS:

The New York City Charter requires that sale of city-owned property be at public auction or by sealed bids, except as otherwise provided by law. Therefore, state legislative authorization is necessary to permit reconveyance of city-owned property to the former owner.

State Legislation Res. No. 72

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York state Legislature to pass bills introduced by Senator Maltese, S.3962, and Assembly Members Pheffer, Vitaliano, Clark, M. Cohen, Colton, Lopez and Seddio, et al, A.7546, "AN ACT to amend the administrative code of the city of New York, in relation to calculating the benefits payable by the police superior officers' variable supplements fund provided for in such code".

The Committee on State and Federal Legislation to which was referred on April 25, 2001 (Minutes, page 1152) the annexed resolution respectfully

REPORTS:

This legislation would change the amount that a police superior officer retiree who was hired on or after July 1, 1988 would receive from the police superior officers' supplement fund. Currently, the defined benefit that such retiree receives from the police superior officers' supplement fund in his or her first year of retirement is \$2,500. This amount increases by \$500 each year until it reaches the maximum amount of \$12,000. This legislation would increase the amount a retiree who was hired on or after July 1, 1988 receives in his or her first year of retirement so that such retiree receives the same benefits provided to those police superior officer retirees who were hired prior to July 1, 1988. For example, a police superior

officer who retires this year with 20 or more years of service would receive a first year payment of \$8,500. This amount would increase by \$500 each year until the year 2008 when it reaches the maximum amount of \$12,000.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect immediately.

Accordingly, Your Committee recommends its adoption.

FISCAL IMPACT STATEMENT:

	Effective FY 03	FY Succeeding Effective FY 04	Full Fiscal Impact FY 03
Revenues (+)	\$0	\$0	\$0
Expenditures (-)	\$9.6 Million	\$9.6 Million	\$9.6 Million
Net	\$9.6 Million	\$9.6 Million	\$9.6 Million

IMPACT ON REVENUES: There would be no impact on revenues as a result of this legislation.

IMPACT ON EXPENDITURES: This proposed legislation would result in increased employer contributions by the City of New York as a result of an increase in the actuarial present value of benefits provided in this legislation. The current law provides that all superior officers who were hired after July 1, 1988 and retire for service with twenty or more years of service would receive a defined schedule of benefits starting at an annual rate of \$2,500 in calendar 2008 and increasing annually thereafter by \$500 to a maximum of \$12,000. This legislation changes this defined schedule of benefits to \$12,000 per year beginning with the benefits payable for calendar year 2008. If this bill were to be enacted in the 2001 Legislative session, the increase cost in pension contribution to the Police Variable Supplement Pension Fund by the City would be approximately \$9.6 million a year starting in Fiscal 2002. However, it is more likely that this legislation will not become law until Fiscal 2002(after July 1 2001) and as a result not increase New York City's pension contribution until Fiscal year 2003.

State Legislation Res. No. 82

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills Introduced by Senator Marchi, S.2767, and Assembly Member Abbate. A.5088, "AN ACT to amend the general municipal law and the retirement and social security law, in relation to benefits for employees of governmental entities performing peace officer services in the city of New York, who are injured in the performance of their duties".

The Committee on State and Federal Legislation to which was referred on May 9, 2001 (Minutes, page 1282) the annexed resolution respectfully

REPORTS:

This legislation would provide special officers, parking control specialists, school safety agents, campus peace officers, and New York City Taxi and Limousine inspectors a performance of duty disability retirement allowance if such person is injured while performing his or her duties. Currently, members of the NYCERS who are employed by the City of New York or by the New York City Health and Hospital Corporation in the position of emergency medical technician or advanced emergency medical technician are entitled to performance of duty disability retirement allowance benefits.

This legislation also provides that where a special officer, parking control specialist, school safety agent, campus peace officer, or New York City Taxi and Limousine inspector, who may have been exposed to a bodily fluid of a person under his or her care, contracts HIV, Tuberculosis, or Hepatitis, such disease shall be presumed to be contracted as part of employment unless evidence to the contrary can be shown. According to Senator Marchi's Memorandum in Support, this legislation

seeks to grant peace officers the same presumptive disease disability benefit that has been granted to paramedics, firefighters, police and correction officers. According to the Memorandum, peace officers work under extremely difficult conditions which expose them to deadly diseases such as HIV, Tuberculosis and Hepatitis.

Last year, this Committee passed a home rule message concerning this legislation. The full Council, thereafter, approved it as well. At the State level, however, it passed the Assembly but died in the Senate Rules Committee.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect immediately.

IMPACT ON REVENUES: There will be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: Assuming this bill does not get enacted prior to July 1, 2001, the cost to the city would begin in fiscal year 2003 and would be approximately \$350,000 a year.

Accordingly, Your Committee recommends its adoption.

State Legislation Res. No. 90

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senators Marchi and Leibell, S.5097, and by Committee on Rules, A.8482, "AN ACT to amend the retirement and social security law, in relation to the establishment of twenty-five year/age fifty retirement programs for senior automotive service workers, automotive service workers, auto body workers, auto mechanics, marine maintenance mechanics and oil burner specialists who are subject to articles 11 and 15 of such law; and in relation to providing for employer pick up, pursuant to provisions of the internal revenue code, of certain additional member contributions required to be made by certain participants in the twenty-five year/age fifty retirement programs".

The Committee on State and Federal Legislation to which was referred on May 9, 2001 (Minutes, page 1287) the annexed resolution respectfully

REPORTS:

In general, this legislation would establish twenty-five year/age fifty retirement programs for senior automotive service workers, automotive service workers, auto body workers, auto mechanics, marine maintenance mechanics and oil burner specialists. The legislation would provide current senior automotive service workers, automotive service workers, auto body workers, auto mechanics, marine maintenance mechanics and oil burner specialists with the option to elect into this new program. All new employees hired as senior automotive service workers, automotive service workers, auto body workers, auto mechanics, marine maintenance mechanics and oil burner specialists would be mandated to participate in the new

program. All members in the program would pay an additional 4.83 percent contribution.

According to the Memorandum in Support, the workers in the above titles perform extremely strenuous work. This legislation would provide a self-funded twenty-five year/age fifty retirement plan recognizing that such work may only realistically be performed for an abbreviated period of time in comparison to other professions.

Last year, this Committee passed a home rule message concerning similar legislation (This year the legislation includes marine maintenance mechanics as well as the other categories of auto workers and mechanics). The full Council, thereafter, approved it as well. At the State level, however, it passed the Legislature but was vetoed by the Governor.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect immediately.

IMPACT ON REVENUES: There would be no impact on revenues as a result of this legislation.

IMPACT ON EXPENDITURES: This proposed legislation will not have a cost to the City of New York in increased pension contribution to the New York City Employees Retirement System (NYCERS) because any cost associated with those employees that will benefit from this legislation would be offset by those employees that will be mandated into this retirement plan. In addition, the NYCERS has an Asset Cushion that would be sufficient to absorb any cost required for Fiscal 2002.

Accordingly, Your Committee recommends its adoption.

On motion of the Speaker (Council Member Vallone), and adopted, the foregoing matter was coupled as a General Order for the day. (see ROLL CALL ON GENERAL ORDERS FOR THE DAY.)

At this point the Speaker (Council Member Vallone) announced that the following item had been preconsidered by the Committee on State and Federal Legislation and had been favorably reported for adoption.

State Legislation Res. No. 91

Report of the Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S.4258-A, and Committee on Rules, A.8354-A, "AN ACT to amend the administrative code of the city of New York, in relation to the establishment of a twenty-five year retirement program for members of the New York city employees' retirement system or New York city board of education retirement system employed as special officers, parking control specialists, school agents, campus peace officers or New York city taxi and limousine inspectors; and to amend the retirement and social security law, in relation to the establishment of twenty-five year

retirement programs for such members who are subject to articles 11 and 15 of such law "

The Committee on State and Federal Legislation to which it was referred on May 9, 2001 (Minutes , page 1288) the annexed resolution respectfully.

REPORTS:

Currently, special officers, parking control specialists, school safety agents, campus peace officers and taxi and limousine inspectors are all categories of peace officers employed by various City agencies, by the Health and Hospitals Corporation or by the City University of New York, and are members of either the New York City Employees Retirement System or the Board of Education Retirement System. None of these programs include a twenty-five year retirement program which would allow members in these titles to retire after twenty-five years regardless of their age.

This legislation would create a twenty-five year retirement plan, regardless of age, for special officers, parking control specialists, school safety agents, campus peace officers and taxi and limousine inspectors. A current employee who is a special officer, parking control specialist, school safety agent, campus peace officer or taxi and limousine inspector member would have the option of participating in the new plan as long as he or she exercised that option within 180 days of the start of the program. An employee who becomes a member in one of the enumerated titles after the starting date of the program, but who is already an employee in another title, would have a window of 180 days within which to elect to participate. Any newly hired employee in one of the enumerated titles would be mandated to participate in the program unless he or she is over the age of thirty and elects not to participate within 180 days after becoming a member. The pension contributions of all members who participate in the program would be increased by an additional six and one-quarter percent.

According to the Memorandum in Support, special officers, parking control specialists, school safety agents, campus peace officers and taxi and limousine inspectors perform invaluable functions within the City. On a daily basis, these individuals execute arrests, which put them in physical contact with suspects, increasing their risk for exposure to disease and physical disabilities. According to the Memorandum, the stress and exertion levels of their work lead to health problems such as high blood pressure, heart disease and digestive problems, and the lack of a reasonable retirement program has contributed to high turnover in these titles.

For fiscal implications, see Council Finance Division fiscal impact statement.

This legislation shall take effect immediately.

Expenditures (-)	-\$0-	See Below	See Below -
Net	-\$0-	See Below	See Below -

IMPACT ON REVENUES: There will be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: Based on the assumption that only those employees who will elect into this plan will receive a benefit greater than the additional cost required to be paid by them, there will be a cost for this legislation. The cost will be spread over a period of time consistent with the actuarial methods used in calculating such costs. In order to determine the cost it would be necessary to know the number of employees in these titles and the length of service each of them have. This information is not available at this time but based on estimates, the cost should not exceed \$1 million a year and will probably be significantly less especially since some employees will elect into this plan and pay more in increased contributions than they will ultimately receive in benefits. If at a later date the Actuary for the City of New York determines that there is a cost for this legislation the first year any cost will be required by the City of New York will not be until fiscal year 2003.

Accordingly, Your Committee recommends its Adoption.

State Legislation Res. No. 98

Report of The Committee on State and Federal Legislation in favor of approving State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Maltese, S. 5095, and Committee on Rules, A.8480, "AN ACT to amend the retirement and social security law and the administrative code of the city of New York, in relation to the establishment of twenty-five year retirement programs for deputy sheriffs who are subject to articles 11 and 15 of such law; and in relation to providing for employer pick up, pursuant to provisions of the internal revenue code, of certain additional member contributions required to be made by certain participants in the twenty-five year retirement programs".

The Committee on State and Federal Legislation to which was referred on May 23, 2001 the annexed resolution respectfully

REPORTS:

In general, this legislation would establish twenty-five year retirement programs for New York City Deputy Sheriffs in the Department of Finance. The legislation would provide current New York City Deputy Sheriffs with the option to elect into this new program. All new employees hired as Deputy Sheriffs would be mandated to participate in the new program. All members would pay an additional six and three-quarters percent.

According to Senator Maltese's Memorandum in Support, during the last ten years, employment as a Deputy Sheriff in New York City has become increasingly hazardous and law enforcement oriented. The provision of a self-funded twenty-five year retirement plan is necessary to ensure the retention of well-trained and qualified officers.

For fiscal implications, see Council Finance Division fiscal impact statement.

GENERAL ORDER CALENDAR

Int. No. 895-A

An Amended Local Law in relation to a corner name, Joseph W. Queen Corner, Borough of Queens.

(The following is the text of the Report of the Committee on Parks, Recreation, Cultural Affairs and International Intergroup Relations for Int. No. 895-A).

The following biographical material was provided by New York Newsday and the Queens Tribune.

Joe Queen was born in 1963. He lived his entire life in Queens. He resided in Bayside at the time of his death, after an 18-month fight against cancer, at the age of 33, on Christmas morning in 1996. He graduated from the Bronx High School of Science in 1980 and New York University in 1984. His wife, Virginia Byrne, a reporter for the Associated Press, shared his love of journalism and community.

Joe Queen began his career as a fledgling reporter at the Queens Tribune during the late 1970s. He moved on to New York Newsday in the 1980s where, in 1987, he began to tirelessly report on the varied neighborhoods of his home borough. In 1988, he was promoted to a position as one of New York Newsday's regularly featured columnists. He was the recipient of two Pulitzer prizes for excellence in reporting.

Joe Queen was an ardent fan of the New York Mets and, long before his cancer diagnosis, he strongly supported the American Cancer Society. It is, therefore,

particularly fitting that in June of 1997, in the Shea Stadium parking lot, the inaugural Joe Queen Memorial 3-on-3 Basketball Tournament was held to benefit the American Cancer Society.

Diagnosed with cancer in April of 1996, Joe Queen underwent three different courses of chemotherapy and went into remission numerous times before he relapsed for the last time in November of 1996. Joe Queen is survived by his wife, Virginia Byrne, his mother, Bella Queen, his brother, Dr. Alan Queen and his sister, Ann Queen Klein.

The southwest corner of 80th Road and Kew Gardens Road is the location of New York Newsday's new community office. Queens Community Board No. 9 is in support of this corner designation.

Technical Correction -- On lines four and five of Int. No. 895, the reference to "Kew Garden Road" should be corrected to read "Kew Gardens Road."

On motion of the Speaker (Council Member Vallone), and adopted, the foregoing matter was coupled as a General Order for the day. (see ROLL CALL ON GENERAL ORDERS FOR THE DAY.)

Int. No. 927

A LOCAL LAW in relation to a street name, Veterans Memorial Boulevard, Borough of Queens.

(The following is the text of the Report of the Committee on Parks, Recreation, Cultural Affairs and International Intergroup Relations for Int. No. 927.)

In May of 1926, the citizens of Astoria and Long Island City erected the beautiful "Veterans Memorial Monument", on the Shore Boulevard between Ditmars Boulevard and Astoria Park south, to honor all those who gave their lives in the defense of their country. Though the original dedication was intended for American soldiers who died in World War I, the present day significance of the monument has been expanded to include all soldiers who have died in the defense of the United States.

On May 19, 2001, the Astoria and Long Island City community will commemorate the 75th Anniversary of the monument's dedication with a "Greater Love Than This" memorial celebration. The phrase refers to the monument's inscription, which reads "Greater Love Hath No Man Than This, That A Man Lay Down His Life For His Friends." As a part of the celebration the community has requested that the part of Shore Boulevard that is the site of the monument be named "Veterans Memorial Boulevard" to revive interest in the monument and to properly honor veterans.

This local law will take effect immediately.

Queens Community Board No. 1 supports this street name designation.

On May 9, 2001 the Committee on Parks, Recreation, Cultural Affairs and International Intergroup Relations adopted Int. No. 927.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED:
Fiscal 2001

FISCAL IMPACT STATEMENT:

	Effective FY 01	FY Succeeding Effective FY 02	Full Fiscal Impact FY 01
Revenues (+)	\$0	\$0	\$0
Expenditures (-)	(\$325)	(\$325)	(\$325)
Net	(\$325)	(\$325)	(\$325)

IMPACT ON REVENUES: There will be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: This legislation would require two signs at \$37.50 each and an additional \$250 for the installation of these signs. The total cost of enacting this legislation is \$325.

Accordingly, Your Committee recommends its adoption.

(For text of the bill, see Minutes of the Stated Council Meeting of May 9, 2001, page 1268).

On motion of the Speaker (Council Member Vallone), and adopted, the foregoing matter was coupled as a General Order for the day. (see ROLL CALL ON GENERAL ORDERS FOR THE DAY.)

INTRODUCTION AND READING OF BILLS

Int. No. 933

By The Speaker (Council Member Vallone), Council Members Wooten, Robles, Michels, Nelson, Malave-Dilan, Clarke, Henry, Moskowitz and Golden (in conjunction with the Mayor); also Council Members Fisher, Foster, Koslowitz, Leffler, O'Donovan, Reed and Abel

A LOCAL LAW to amend the New York city charter and the administrative code of the city of New York, in relation to submission to the police department and school principal of certain evidence or other information relating to suspected crimes involving the health or safety of a child.

Be it enacted by the Council as follows:

Section 1. Section 526 of the New York City charter is amended to read as follows:

§ 526. Powers of investigation.

a. The board of education may investigate, of its own motion or otherwise either in the board or by a committee of its own body, any subject of which it has cognizance or over which it has legal control, including the conduct of any of its members or employees or those of any local school board; and for the purpose of such investigation, such board or its president, or committee or its chairman, shall have and may exercise all the powers which a board of education has or may exercise in the case of a trial under the Education Law or the Civil Practice Law and Rules. Any action or determination of a committee appointed under the provisions of this section shall be subject to approval or reversal by the board, which may also modify the determination of the committee in such way as the board shall deem proper and just, and the judgment of the board thereon shall be final.

b. Where, in the course of an investigation by the board, a committee of the board or officer or employee of the city school district of the city of New York, evidence or other information relating to a suspected crime involving the health or safety of a child is obtained, the board committee officer or employee which has conducted such investigation shall immediately report such evidence or other information to the police department, in a form and manner prescribed by rule by the police department, and to the principal of the child's school. Provided, however, that if such evidence or other information directly or indirectly involves or implicates such school principal, the report shall be made to the district superintendent as well as the police department.

c. Any such committee or individual who in good faith reports such suspected crime to the police department and school principal or district superintendent in accordance with the provisions of subdivision b of this section shall have immunity from any civil liability that may arise from the making of such report, and the school district or any school district employee shall not take request or cause a retaliatory action against any such committee or individual who makes a report.

d. The provisions of this section shall not be construed as either (1) limiting the authority, of any agency, commission, other entity or its members to conduct any administrative, civil or criminal investigation that is within the scope of their authority, or (2) limiting any obligation to file a report with any city, state or federal agency concerning a suspected crime or other activity.

§ 2. Title 10 of the administrative code of the city of New York is amended by adding a new section 10-124, to read as follows:

§10-124. Reporting of suspected crimes involving the health or safety of a child.

a. For purposes of this section,

(1) the term "school premises" shall mean the buildings, grounds or facilities, or any portion thereof, owned, occupied by, or under the custody or control of public or private institutions for the primary purpose of providing educational or recreational instruction to students, and any vehicles owned, operated or leased by or on behalf of such institutions that are used to transport such students or the personnel of such institutions.

(2) the term "child" shall mean a person under the age of eighteen.

b. Whenever an employee of a public or private school witnesses or has reasonable cause to believe that a crime involving the health or safety of a child has occurred or will occur on or near school premises, at a school-related activity or

event, while traveling to or from school, or away from school premises but having a nexus to the school, such person shall immediately report such information to the police department, in such form and manner as prescribed by rule by the police department and to the principal of the child's school. Provided, however, that if such evidence or other information directly or indirectly involves or implicates a public school principal the report shall be made to the district superintendent as well as the police department.

c. Any individual who in good faith reports a suspected crime to the police department and a school principal or district superintendent, in accordance with the provisions of this section, shall have immunity from any civil liability that may arise from the making of such report and the public or private school, or any employee of such school, shall not take, request or cause a retaliatory action against any individual who makes a report.

d. Any person who knowingly violates any provision of this section shall be guilty of a misdemeanor.

e. The provisions of this section shall not be construed as either (1) limiting the authority of any agency, commission, other entity or its members to conduct any administrative, civil or criminal investigation that is within the scope of their authority, or (2) limiting any obligation to file a report with any city, state or federal agency concerning a suspected crime or other activity.

§ 3. This local law shall take effect sixty days after its enactment; provided, however; that the police commissioner may promulgate rules necessary for the implementation of this local law prior to its effective date.

Res. No. 1914

Resolution calling upon the United States Immigration and Naturalization Service and the United States Department of State to honor the request of the Haitian government for the extradition or deportation of Francois Emmanuel "Toto" Constant to Haiti where he may account for his crimes against humanity, and calling further upon any and all relevant agencies to investigate alleged involvement and complicity by the Central Intelligence Agency in the commission and subsequent concealment of said crimes.

By The Speaker (Council Member Vallone) and Council Members Henry, Lopez, Michels, Perkins and Golden; also Council Members Foster, Koslowitz, Leffler, Nelson, O'Donovan, Pinkett, Watkins, Wooten and Quinn

Whereas, Francois Emmanuel "Toto" Constant was the President of the Haitian paramilitary group known as the Front for the Advancement of the Haitian People, also known under the acronym FRAPH, an organization the he helped create and which terrorized and brutalized the citizens of Haiti for the three years 1991-1994, the period of President Jean-Bertrand Aristide's exile; and

Whereas, During this period, FRAPH and its leader, Francois Constant, were responsible for the torture, rape, kidnapping and murder of thousands of innocent Haitians; and

Whereas, Francois Constant led the riot that caused the U.S.S. Harlan County to turn back from Port au Prince and thus seriously harmed the effort to restore to office the democratically-elected President, Jean-Bertrand Aristide; and

Whereas, According to reports, the united States Department of State has labeled FRAPH a terrorist organization, and the Immigration and Naturalization Service has repeatedly asserted its knowledge of Constant's background as cofounder and leader of that organization; and

Whereas, The crimes committed by FRAPH and by Francois Constant constitute crimes against humanity, violate international law and are a violations of numerous international accords and conventions, including the Convention Against Torture; and

Whereas, On November 16, 2000, the trial court of Gonaives in Haiti convicted 37 in absentia defendants, including Francois Constant, of premeditated, voluntary homicide in connection with the 1994 Raboteau Massacre; and

Whereas, Following the verdict, the government of Haiti renewed its longstanding request for the United States government to extradite Francois Constant to Haiti so that he can stand trial in person, as is his right under Haitian law; and

Whereas, The State Department continues to deny the extradition request, and the Immigration and Naturalization Service, despite having obtained a final order of deportation against constant, and despite his conviction, and despite the other credible charges made against him, was granted a stay of deportation; and

Whereas, Francois Constant is presently residing in New York City, in the Laurelton section of the Borough of Queens; and

Whereas, The free residence of Francois Constant constitutes a potential threat and danger to the citizens of New York City, particularly to the Haitian community, some of whom were victims of the FRAPH reign of terror perpetrated by Mr. Constant; and

Whereas, His continued residence is a particular affront to the Haitian community of New York City, who constitute the largest Haitian population outside of Haiti; and

Whereas, In its June 2001 issue, the magazine *The Atlantic Monthly* published a piece of investigative journalism on the Constant case and his present whereabouts, written by David Grann; and

Whereas, In addition to bringing this important issue to light, the article details links maintained by the Central Intelligence Agency to Constant and to FRAPH during the early 1990's and further suggests that the CIA may be involved in the prevention of Constant's extradition to stand trial for his crimes, in the fear that such a trial would reveal CIA ties to Francois Constant; and

Whereas, Such charges must be investigated thoroughly and with all due diligence to prevent future abuses; and

Whereas, The continuing refusal of the State Department and the INS to heed the request of the Haitian government is unconscionable and could have dire consequences for the citizens of New York City; and

Whereas, Protecting war criminals from prosecution also sets a dangerous precedent, encouraging future atrocity by those despots who would expect to escape punishment; now, therefore, be it

Resolved, That the Council of the City of New York calls the United States Immigration and Naturalization Service and the United States Department of State to honor the request of the Haitian government for the extradition or deportation of Francois Emmanuel "Toto" Constant to Haiti where he may account for his crimes against humanity, and calling further upon any and all relevant agencies to investigate alleged involvement and complicity by the Central Intelligence Agency in the commission and subsequent concealment of said crimes.

Adopted as an Immediate Consideration.

Res. No. 1915

Resolution calling upon the United States Congress to adopt, and the President to sign, the Greater Access to Affordable Pharmaceuticals Act of 2001.

By The Speaker (Council Member Vallone) and Council Members Provenzano, Miller, Malave-Dilan, Eisland, Michels, Moskowitz and Nelson; also Council Members Espada, Fisher, Foster, Koslowitz, Marshall, Pinkett, Reed, and Robles

Whereas, Media reports, federal regulators, and consumer advocates have charged that current laws governing the relationship between name brand pharmaceuticals and generic drugs are subject to abuses which allow brand-name drug manufacturers to delay the approval of lower-cost generic versions, often for years; and

Whereas, The 1984 Hatch-Waxman Act, which governs prescription drug patents, was, according to reported statements of one of its authors, Senator Waxman, designed to increase competition between brand-name drugs and generic alternatives; and

Whereas, Loopholes in the Hatch-Waxman Act's patent provisions have, according to federal regulators and legislators, allowed drug companies to unilaterally block the marketing of generic drugs, or collude with the makers of generic alternatives - in either case resulting in the name-brand manufacturer maintaining a monopoly on the drug; and

Whereas, One example of the use of current law to stifle competition, according to media reports, can be found in a recent federal lawsuit filed by 15 states' attorneys general which alleges that one major pharmaceutical company which sued its generic competitor for patent violations, abused the Hatch-Waxman Act by paying the generic company/defendant an \$89 million settlement to keep the cheaper generic drug off the shelves for an additional period of time; and

Whereas, The Federal Trade Commission in April of this year, began a widespread investigation into other anti-competitive practices by brand-name drug

manufacturers, including similar settlements between brand-name manufacturers and generic manufacturers, to examine whether drug companies are manipulating the law to delay the marketing of generic drugs; and

Whereas, Under current law, when a generic drug manufacturer institutes a challenge to the name-brand manufacturer's patent in order to win the right to begin marketing a generic version, if the name-brand manufacturer files suit against the challenge, it is automatically entitled to a 30 month delay, during which time the generic drug cannot be marketed, which, according to media reports, has led to frivolous actions by brand-name manufacturers in order to delay competition; and

Whereas, Senators Charles Schumer of New York, and John McCain of Nevada, have introduced Senate Bill 807, entitled the Greater Access to Affordable Pharmaceuticals Act of 2001; and

Whereas, Among other changes to the current laws, this legislation would do away with the, automatic 30 month wait awarded to brand-name drug manufacturers who file suit against the patent challenges of generic competitors, instead forcing the brand-name manufacturers to obtain a preliminary injunction in order to stop the marketing of the generic drug; and

Whereas, The proposed legislation would require brand-name manufacturers to list all of a drug's patents and certify that the list is complete, and would allow generic competitors to go into court to seek a declaratory judgment as to the validity of any of the brand-name patents, apparently in an effort to prevent drug manufacturers from waiting until the expiration of one patent on a brand-name drug, to use another patent in an effort to extend the period during which the brand-name manufacturer is protected from competition; and

Whereas, The legislation's sponsors and supporters claim that by removing the current law's obstacles to fair competition between brand-name and generic drugs, consumers could save more than \$70 billion over the next ten years, because trends in prices under the current law show the average prescription drug costs over 330% more than the average generic drug -- a disparity which is increasing; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Congress to adopt, and the President to sign, the Greater Access to Affordable Pharmaceuticals Act of 2001.

Referred to the Committee on State and Federal Legislation.

Res. No. 1916

Resolution to establish that the interest rate to be charged for non-payment of taxes on real property where the annual tax on the parcel, other than a parcel that consists of vacant or unimproved land, is not more than \$2,750, be 18% per annum for Fiscal Year 2002 in the case of any such parcel where the real property taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent; and 9% per annum in the case of all other such parcels.

By Council Member Berman; also Council Member Marshall

Whereas, Local Law No. 47 of 1990 requires the Banking Commission to transmit a written recommendation to the City Council of proposed interest rates to be charged for non-payment of taxes on real property in those cases in which the annual tax on a parcel, other than a parcel which consists of vacant or unimproved land, is not more than two thousand seven hundred fifty dollars; and

Whereas, In the case of any such parcel where the real property taxes are held in escrow and paid to the Commissioner of Finance by a "mortgage escrow agent," as that term is defined in section fifteen hundred nineteen of the City Charter, the proposed interest rate shall be at least six percent per annum greater than the prevailing interest rate charged for commercial loans extended to prime borrowers by commercial banks operating in the City (the "Prime Rate"); and

Whereas, In the case of all other such parcels, the proposed interest rate shall be at least equal to such Prime Rate; and

Whereas, The Banking Commission notes that the Prime Rate is currently 7.5%; and

Whereas, The Banking Commission recommends to the City Council that the interest rate to be charged for non-payment of taxes on real estate where the annual tax on the parcel, other than a parcel that consists of vacant or unimproved land, is not more than \$2,750, be 18% per annum for Fiscal Year 2002 in the case of any such parcel where the real property taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent; and

Whereas, The Banking Commission recommends to the City Council that the interest rate to be charged for non-payment of taxes on real estate where the annual tax on the parcel, other than a parcel that consists of vacant or unimproved land, is not more than \$2750, be nine percent per annum for Fiscal Year 2002 in the case of all other parcels; now, therefore, be it

Resolved, That the City Council determines that the interest rate to be charged for non-payment of taxes on real property where the annual tax on the parcel, other than a parcel that consists of vacant or unimproved land, is not more than \$2,750, be 18% per annum for Fiscal Year 2002 in the case of any such parcel where the real property taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent; and, be it further

Resolved, That the Council determines that the interest rate to be charged for non-payment of taxes on real property where the annual tax on the parcel, other than a parcel that consists of vacant or unimproved land, is not more than \$2,750, be 9% per annum for Fiscal Year 2002 in the case of all other parcels; and, be it further

Resolved, That this resolution shall take effect immediately and shall be deemed to have been in effect as of July 1, 2001.

Referred to the Committee on Finance.

Res. No. 1917

Resolution to establish that the discount rate for the prepayment of real estate taxes be continued at 2% per annum for Fiscal Year 2002.

By Council Member Berman; also Council Members Koslowitz, Marshall, Nelson, O'Donovan and Pinkett

Whereas, Section fifteen hundred nineteen of Chapter fifty-eight of the New York City Charter requires the Banking Commission to recommend to the City Council, not later than the fifteenth day of May in each year, a proposed discount rate for the prepayment of real estate taxes to be effective for the ensuing fiscal year; and

Whereas, On May 16, 2001, the Banking Commission transmitted to the City Council its recommendation that the discount rate for the prepayment of real estate taxes for Fiscal Year 2002 be continued at two percent per annum; and

Whereas, This rate shall be applicable to the prepayment of second, third and fourth quarter installments only, and any such payment received prior to July 1, 2001 shall be discounted from July 1, 2001; now, therefore, be it

Resolved, That the Council determines that the discount rate for the prepayment of real estate taxes be continued at 2% per annum for Fiscal Year 2002.

Referred to the Committee on Finance.

Res. No. 1918

Resolution to establish that the interest rate to be charged for Fiscal Year 2002 for non-payment of water rents and sewer rents be 18% per annum for any parcel where the annual real estate tax is more than \$2,750 or where the real estate taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent or where the parcel consists of vacant or unimproved land; and 9% per annum in all other cases.

By Council Member Berman

Whereas, Local Law 47 of 1976 requires the Banking Commission to recommend to the City Council, not later than the 25th of May of each year, the proposed interest rate to be charged for non-payment of water rents and sewer rents; and

Whereas, The law requires the Banking Commission to propose a rate at least six percent (6%) per annum greater than the prevailing interest rates charged for commercial loans extended to prime borrowers by commercial banks operating in the City (the "Prime Rate"), to be charged for non payment of water rents and sewer rents on a parcel in which the annual real estate tax is greater than \$2,750, or where the parcel consists of vacant or unimproved land, or where the real estate taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent; and

Whereas, The law requires the Banking Commission to propose a rate at least equal to the Prime Rate, to be charged for non- payment of water rents and sewer rents on all other parcels; and

Whereas, The Banking Commission notes that the Prime Rate is currently 7.5%; and

Whereas, The Banking Commission recommends to the City Council that the interest rate to be charged for non-payment of water rents and sewer rents be 18% per annum for Fiscal Year 2002 where the annual real estate tax for a parcel is more than \$2,750, or for any parcel where the real property taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent, or where the parcel consists of vacant or unimproved land; and

Whereas, The Banking Commission further recommends that the interest rate to be charged for non-payment of water rents and sewer rents be 9% per annum in the case of all other parcels where the annual real estate tax is not more than \$2,750; now, therefore, be it

Resolved, That the Council determines that the interest rate to be charged for non-payment of water rents and sewer rents be 18% per annum for Fiscal Year 2002 for any parcel where the annual real estate tax is more than \$2,750 or where the real estate taxes are held in escrow and paid to the Commissioner of Finance by a mortgage escrow agent or where the parcel consists of vacant or unimproved land; and, be it further

Resolved, That the Council determines that the interest rate to be charged for non-payment of water rents and sewer rents be 9% per annum for Fiscal Year 2002 in the case of all other parcels where the annual real estate tax is not more than \$2,750; and, be it further

Resolved, That this resolution shall take effect immediately and shall be deemed to have been in effect as of July 1, 2001.

Referred to the Committee on Finance.

Res. No. 1919

Resolution to establish that the interest rate be 18% per annum for Fiscal Year 2002 for non-payment of taxes on real property where the annual tax on the parcel is more than \$2,750 or where, irrespective of the annual tax, the parcel consists of vacant or unimproved land; and for non-payment of charges for work performed pursuant to orders of the Board of Health or Department of Health.

By Council Member Berman; also Council Member Wooten

Whereas, Local Law 46 of 1976 requires the Banking Commission to recommend to the City Council, not later than the 25th of May of each year, the proposed interest rate to be charged for non-payment of taxes on real estate where the annual tax on the parcel is more than \$2,750 or where, irrespective of the annual tax, the parcel consists of vacant or unimproved land; and

Whereas, Local Law 44 of 1978 requires the Banking Commission to recommend to the City Council, not later than the 25th of May of each year, the proposed interest rate to be charged for non-payment of charges for work performed pursuant to orders of the Board of Health or Department of Health; and

Whereas, Such laws require the Banking Commission to propose a rate at least 6 percent per annum greater than the prevailing interest rates charged for commercial loans extended to prime borrowers by commercial banks operating in the City (the "Prime Rate"); and

Whereas, The Banking Commission notes that the Prime Rate is currently 7.5%; and

Whereas, It is in the best interest of the City to encourage the prompt payment of taxes by all large taxpayers; and

Whereas, The Banking Commission recommended, by letter to the City Council, that the interest rate to be charged for non-payment of taxes on real estate where the annual tax on the parcel is more than \$2,750 or where, irrespective of the annual tax, the parcel consists of vacant or unimproved land, and for non-payment of charges for work performed pursuant to orders of the Board of Health or Department of Health, be eighteen percent (18%) per annum for Fiscal Year 2002; now, therefore, be it

Resolved, That the Council determines that the interest rate to be charged be 18% per annum for Fiscal Year 2002 for non-payment of taxes on real property where the annual tax on the parcel is more than \$2,750 or where, irrespective of the annual tax, the parcel consists of vacant or unimproved land; and, be it further

Resolved, That the Council determines that the interest rate to be charged be 18% per annum for Fiscal Year 2002 for non-payment of charges for work performed pursuant to orders of the Board of Health or Department of Health; and, be it further

Resolved, That this resolution shall take effect immediately and shall be deemed to have been in effect as of July 1, 2000.

State Legislation Res. No. 92

State Legislation Resolution requesting the New York State Legislature to pass a bill introduced by Senator A. Smith, S.5308, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner Mellowrine Ford, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1551, Lot No. 54 on tax map for the borough of Brooklyn".

By Council Member Boyland; also Council Member Abel

Whereas, a bill has been introduced in the New York State Legislature by Senator A. Smith, S.5308, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owner Mellowrine Ford, notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1551, Lot No. 54 on tax map for the borough of Brooklyn"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bill.

Adopted.

Res. No. 1920

Resolution urging the United States Attorney General and the United States Immigration and Naturalization Service to immediately implement H.R. 4681 and create a process through which those formerly Syrian Jews who escaped persecution under the Syrian dictatorship and came to the United States seeking freedom may apply for and obtain permanent residency status.

By Council Members DiBrienza, Berman, Nelson, Fisher, Eisland, Henry, Michels and Moskowitz; also Council Members Clarke, Leffler, O'Donovan and Quinn.

Whereas, For decades the once thriving community of Jews in Syria had been held virtual hostage in its own country, persecuted, violated and denied any freedom of movement by Syria's harsh dictator; and

Whereas, The few thousand Jews that remained in Syria in the 1980's were subject to arrest on the mere suspicion of intention to leave the country, and even after this situation improved somewhat, could not travel abroad with their families; and

Whereas, In a good will gesture following the Persian Gulf War, then Syrian dictator, Hafez el Assad, agreed to loosen emigration restrictions on Jews and nearly all 4,000 Syrian Jews chose to seek freedom outside of Syria; and

Whereas, As a condition of their release, Assad insisted that the United States grant the Jews temporary visitor's visas and then grant them asylum upon their arrival in the United States instead of admitting them as refugees; and

Whereas, As a result of their asylum status, the approximately 2,000 Jews who escaped lives of persecution were met in the United States by a bureaucratic wall that

to this day has made many of them unable to obtain lawful permanent residence status; and

Whereas, Without permanent residence status, these formerly persecuted Jews face continued uncertainty in their lives and an inability to obtain all the benefits associated with permanent residence status in the United States; and

Whereas, In October 2000, in an attempt to remedy this situation, Congress passed H.R. 4681, a bill that provided for the expedited change of status to permanent resident for those Jews who escaped Syrian persecution; and

Whereas, Pursuant to H.R. 4681, those Jews who escaped persecution in Syria may obtain permanent residency status on an expedited basis as long as they apply for such status within one year of the enactment of the law; and

Whereas, The Attorney General and the Immigration and Naturalization Service have yet to create an application process for those Jews covered under H.R. 4681; and

Whereas, Since the ability to apply for permanent status will expire under the law in October of this year, and since there are approximately 2,000 formerly persecuted Jews who still need to apply for permanent resident status, an application process for such status must be in place by July of this year so that all those covered under H.R. 4681 may apply; and

Whereas, Unless an application process is created and permanent residency status granted, these formerly persecuted Jews will continue to face uncertainty in their lives as well as an inability to obtain benefits such as certain educational scholarships and opportunities and the ability to travel freely outside of the United States, benefits only afforded permanent residents; and

Whereas, Furthermore, unless an application process is created and permanent residency status granted, many of these formerly persecuted Jews will remain limited in their opportunities to become productive members of society because many companies will only hire permanent residents or full United States citizens; and

Whereas, As a result, unless an application process is created and permanent residency status granted, the promise of freedom for these formerly persecuted Jews will remain unfulfilled and, ironically, their former persecutors will continue to exercise control over their lives and freedom; now, therefore, be it

Resolved, That the Council of the City of New York urges the United States Attorney General and the United States Immigration and Naturalization Service to immediately implement H.R. 4681 and create a process through which those formerly Syrian Jews who escaped persecution under the Syrian dictatorship and came to the United States seeking freedom may apply for and obtain permanent residency status.

State Legislation Res. No. 93

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Padavan, S.5140, and Assembly Members Abbate and Pheffer, et al, A.7357, "AN ACT to amend the administrative code of the city of New York, in relation to the establishment of a twenty year retirement program for members of the New York city employees' retirement system employed as investigators by district attorneys' offices; and to amend the retirement and social security law, in relation to the establishment of twenty year retirement programs for such members who are subject to articles 11 and 15 of such law".

By Council Members DiBrienza, Miller and Michels; also Council Member Pinkett

Whereas, bills have been introduced in the New York State Legislature by Senator Padavan, S.5140, and Assembly Members Abbate and Pheffer, et al, A.7357, "AN ACT to amend the administrative code of the city of New York, in relation to the establishment of a twenty year retirement program for members of the New York city employees' retirement system employed as investigators by district attorneys' offices; and to amend the retirement and social security law, in relation to the establishment of twenty year retirement programs for such members who are subject to articles 11 and 15 of such law"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York,

does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Res. No. 1921

Resolution calling upon the New York State Legislature to adopt A. 2006, which would enhance health coverage for women.

By Council Members Eldridge and Moskowitz; also Council Members Eisland, Henry, Koslowitz, Leffler, Lopez, Marshall, Michels, Nelson, O'Donovan, Perkins, Pinkett, Reed, Watkins and Quinn

Whereas, Many health insurance companies offer coverage that does not include certain health procedures and services considered vital in helping women maintain good health; and

Whereas, Among such procedures are bone density measurement, mammograms for women in certain age groups, and cervical cytological screening; and

Whereas, Such simple diagnostic procedures very often save lives; and

Whereas, Many health insurance companies also do not offer coverage for contraceptive drugs and devices and other obstetrical and gynecological services; and

Whereas, Some health insurance companies provide medical coverage for many procedures deemed important to the health and safety of men, such as prostate cancer screening, and also offer prescription coverage for some medications for men, such as Viagra, yet limit coverage for similarly important procedures and medications for women; and

Whereas, Both houses of the New York State Legislature have adopted separate pieces of legislation seeking to address these deficiencies; and

Whereas, The respective pieces of legislation are similar but for two significant provisions; and

Whereas, The version adopted by the Senate (S.3) includes co-payments and other deductible requirements for certain procedures and medications deemed important in preserving the good health of women, while the version adopted by the Assembly (A.2006) does not contain such requirements; and

Whereas, While some statistics indicate that such co-payments and deductible requirements will affect only a small percentage of New York's population, other statistics indicate that such requirements could affect hundreds of thousands of New York women; and

Whereas, S.3 also includes a "conscience clause", which would allow religiously affiliated employers and other employers claiming connection to a religious entity to make a determination as to whether or not their female employees receive contraceptive coverage; and

Whereas, A.2006 does not contain such a "exclusion clause"; and

Whereas, The inconsistencies between the two bills are cause for great concern among many New Yorkers, who feel that A.2006 provides significantly stronger health coverage for women than S.3; and

Whereas, A. 2006 was overwhelmingly adopted by the Assembly on January 29, 2001 by a vote of 133-8; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to adopt A. 2006, which would enhance health coverage for women.

Res. No. 1922

Resolution condemning such stereotypical and racially insensitive remarks as those made recently made by David Letterman, host of the "The Late Show With David Letterman" on the CBS network, and further calling on all New Yorkers to repudiate such statements.

By Council Members Linares, Espada, Henry, Lopez, Michels, Perkins, Reed, Sabini and Watkins; also Council Members Eisland, Marshall, Robles and Wooten

Whereas, On May 11th, as part of the monologue with which he customarily opens his late-night talk show, David Letterman made a joke disparaging people of Colombian heritage; and

Whereas, The target of the insulting remark was Miss Colombia Andrea Nocetti, a contestant in this year's Miss Universe Pageant, whose participation in the talent competition was described by Letterman as having "swallowed 50 bags of heroin;" and

Whereas, Ms. Nocetti was terribly insulted by the remark, and the stereotypical image of Colombians that it perpetuates, a criticism echoed by Colombian Consul General Mauricio Suarez, who wrote a letter to CBS saying that the remark "hurt the feelings of our entire community; and

Whereas, As members of a multiethnic, multiracial city, we must ensure that the dignity of all the peoples that make up New York is protected; now, therefore, be it

Resolved, That the Council of the City of New York condemns such stereotypical and racially insensitive remarks as those made recently made by David Letterman, host of the "The Late Show With David Letterman" on the CBS network, and further calls on all New Yorkers to repudiate such statements.

A LOCAL LAW to amend the administrative code of the city of New York, in relation to establishing designated zones in which for-hire vehicles affiliated with base stations may accept passengers without prearrangement.

Be it enacted by the Council as follows:

Section 1. Chapter one of title 19 of the administrative code of the city of New York is amended by adding thereto a new section 19-167 to read as follows:

§19-167 Creation of zones in which acceptance of passengers on the street is permissible. The department, in consultation with the taxi and limousine commission and the livery advisory board, shall establish designated zones in each borough in which for-hire vehicles affiliated with base stations may accept passengers without prearrangement. The department shall create each zone no later than six months after the effective date of this section.

§2. Paragraph 4 of subdivision a of section 19-507 of the administrative code of the city of New York is amended to read as follows:

4. No driver of a for-hire vehicle shall accept passengers unless the passengers have engaged the use of the for-hire vehicle on the basis of telephone contract or prearrangement, *except that the driver of a for-hire vehicle affiliated with a base station may accept passengers without prearrangement when such vehicle is operating within a zone designated by the department for acceptance of passengers on the street.*

§3. Subdivision a of section 19-516 of the administrative code of the city of New York is amended to read as follows:

a. For-hire vehicles may accept passengers only on the basis of telephone contract or prearrangement, *except that for-hire vehicles affiliated with base stations may also accept passengers when the vehicle is operated within a zone designated by the department in accordance with section 19-167 of this title. Upon acceptance of a passenger or passengers within a zone designated in accordance with section 19-167 of this title, the driver of such affiliated for-hire vehicle shall notify the base station with which the for-hire vehicle is affiliated of the number of passengers, the location at which the passenger or passengers were accepted and their intended destination or destinations. Each base station shall maintain a record containing such information and the driver shall also enter this information on a trip record. The owner of a for-hire vehicle affiliated with a base station that accepts passengers without prearrangement within a zone designated in accordance with section 19-167 of this title shall conspicuously display its taxi and limousine commission license number and the telephone number and address of the base station with which it is affiliated on the back of the driver's seat in a clear, plastic enclosure so that it may be readily observed by a passenger. The commission may establish such disciplinary actions as it deems appropriate for failure to abide by the provisions of this chapter.*

§4. Subdivision e of section 19-520 of the administrative code of the city of New York is amended to read as follows:

e. Livery advisory board. There shall be a livery advisory board to consist of not more than [twenty] fifteen members to be appointed for two-year terms by the [chairman] commission, upon nomination by the council, to advise the commission concerning matters relating to the livery industry, including the preparation of rules and regulations for the class of for-hire vehicles commonly known as "liveries," for the owners and drivers thereof, and for livery vehicle base operators. *The livery advisory board shall be comprised of three members representing livery vehicle owners, three members representing livery drivers, two members representing the commission, one member representing the commissioner of transportation, one member representing the police department and five members of the general public, one from each of the boroughs of the city and shall meet no less often than once every three months. The livery advisory board shall, in consultation with the commission, issue a report to the mayor and the council on June 30 and December 31 of each year on the status of the livery industry, including any issues prevalent in the livery industry and suggestions and recommendations relevant to such issues.*

§5. This local law shall take effect thirty days after its enactment into law.

Res. No. 1923

Resolution calling upon the City of New York to join localities all over the world in the "Cities for Climate Protection" campaign.

By Council Members Michels, Henry, Lopez, Moskowitz, Perkins, Sabini and Watkins; also Council Members DiBrienza, Eisland, Espada, Leffler, Marshall, Pinkett, Wooten and Quinn

Whereas, A scientific consensus has developed that carbon dioxide and other greenhouse gases released into the atmosphere have a profound effect on the Earth's climate; and

Whereas, Scientific evidence, including the Third Assessment Report from the International Panel on Climate Change and the United States Global Change Research Program's First National Assessment, titled "Climate Change Impacts on the United States: The Potential Consequences of Climate Variability and Change," indicates that global warming is a fact, as the 1990's were the hottest decade in recorded history; and

Whereas, The United States previously has pledged, along with 160 countries under the United Nations Framework Convention on Climate Change, to reduce its greenhouse gas emissions; and

Whereas, Energy consumption, specifically the burning of fossil fuels such as coal, oil and natural gas to generate electricity, accounts for more than 80% of United States greenhouse gas emissions; and

Whereas, Local governments greatly influence their communities' energy usage by exercising key powers over land use, transportation, building construction, waste management and, in many cases, energy supply and management; and

Whereas, Actions taken by the City of New York to reduce greenhouse gas emissions and increase energy efficiency prove beneficial by decreasing air pollution, creating jobs, reducing energy expenditures and saving money for City government, businesses and citizens; and

Whereas, The International Council for Local Environmental Initiatives, of which the City of New York is a member, has invited the City to become a partner in its "Cities for Climate Protection" campaign; and

Whereas, As a participant in this voluntary and free campaign, the City of New York would take a leadership role in increasing energy efficiency, improving air quality and reducing greenhouse gas emissions and would plan for, monitor and quantify the benefits of actions already taken as well as future actions in those critical areas; now, therefore, be it

Resolved, The Council of the City of New York calls upon the City of New York to join localities all over the world in the "Cities for Climate Protection" campaign.

By Council Members Oddo, Reed, Abel, and Golden; also Council Members Linares, O'Donovan, Provenzano and Robinson

A, LOCAL LAW to amend the administrative code of the city of New York, in relation to penalties for commercial entities occupying buildings without a certificate of occupancy.

Be it enacted by the Council as follows:

Section 1. Chapter one of title 26 of the administrative code of the City of New York is amended by adding a new subdivision g to section 26-125 to read as follows:

a. Every person who shall violate any of the provisions of any laws, rules or regulations enforceable by the department or who shall knowingly take part or assist in any such violation regarding a building classified in occupancy group e occupied without a certificate of occupancy issued pursuant to subdivision b of section 27-219 of this chapter or without a temporary certificate of occupancy issued pursuant to section 27-218 of this chapter shall be guilty of an offense and upon conviction thereof shall be punishable by a fine of not more than fifteen thousand dollars. Such person shall also be subject to the payment of a penalty of not more than fifteen thousand dollars to be recovered in a civil action brought in the name of the city in any court of record in the city. This subdivision shall not apply to buildings covered under article 7-C of the multiple dwelling law.

Section 2. Section 27-219 of the administrative code of the City of New York is amended by lettering the existing section as subdivision a and by adding a new subdivision b to read as follows:

b. Before the commissioner shall issue a certificate of occupancy pursuant to subdivision a of this section, or temporary certificate of occupancy pursuant to section 218 of this article for all or any portion of a building classified in occupancy group e, the commissioner shall determine whether any portion of that building was occupied prior to issuance of a certificate of occupancy or temporary certificate of occupancy. If the commissioner determines that such building was occupied prior to issuance of a certificate of occupancy or temporary certificate of occupancy by the person now seeking a certificate of occupancy or temporary certificate of occupancy, in addition to any fine or penalty provided for in subdivision g of section 26-125 of this code, the commissioner shall not issue a certificate of occupancy or temporary certificate of occupancy until forty calendar days after submission of such application.

Section 3. This local law shall take effect immediately.

Res. No. 1924

Resolution calling on the appropriate committee of the City Council to hold a hearing to assess the feasibility, effectiveness and cost of requiring door restrictors in elevators in New York City.

By Council Members Oddo, Fiala, Henry, Abel and Golden; also Council Members Eisland and Linares

Whereas, On April 13, 2001, two 10 year old boys were traveling in their building's elevator when one of the boys fell to the bottom of the seven story shaft and died; and

Whereas, The incident occurred as a result of the boy stopping the elevator in between the fifth and sixth floors, prying open the elevator doors and attempting to swing onto the landing above; and

Whereas, While attempting this maneuver, the boy tragically lost his grip on the side of the car when it suddenly began to move, causing him to fall seven stories through the shaft to his death; and

Whereas, Elevator manufacturers produce a device known as a door restrictor that prevents passengers from opening elevator doors if the elevator stops between floors; and

Whereas, There are various types of door restrictors appropriate for different types of elevators; and

Whereas, Heavy-duty mechanical door restrictors mount directly on the elevator car door without the use of metal angles in the hoistway, while microprocessor-based electro-mechanical door restrictors integrate directly into an elevator's existing door system and are installed on top of the elevator door track, while collapsible door restrictors work in conjunction with a hoistway door angle to deter passengers from exiting the car outside the landing zone; and

Whereas, Elevator codes in virtually all states in the United States of America require evacuation deterrent devices on elevators; and

Whereas, In 1987, New York City adopted new design guidelines for elevators, within Reference Standard 18, which incorporate the American National Standards Institute/ American Society of Mechanical Engineers (ANSI/ASME) Safety Code for Elevators and Escalators; and

Whereas, Except for a limited number of provisions of these standards, the new guidelines were not made retroactive, meaning that elevators already installed as of

1987 are not required to meet many of the new safety standards, including door restrictor requirements; and

Whereas, As recently as 1997, New York City had over 60,000 elevators, more than triple the number of the city with the second most elevators in the United States, Los Angeles; and

Whereas, Buildings that have installed door restrictors have had varying results, ranging from the vandalization of such safety devices to the point of uselessness to positive results showing elevator related injuries dropping significantly with the installation of door restrictors; and

Whereas, Based upon available information, it is difficult to reach a satisfactory analytical conclusion regarding whether requiring door restrictors would be feasible, effective and not prohibitively costly; and

Whereas, Despite such uncertainty about the feasibility of door restrictors, it is clear that when an elevator stops between floors, tragic accidents can occur if passengers attempt to exit the car and leap to the landing; and

Whereas, Because the safest place for passengers to be until trained personnel arrive to remove them is in the elevator, door restrictors may save lives; now, therefore, be it

Resolved, that the appropriate committee of the City Council hold a hearing to assess the feasibility, effectiveness and cost of requiring door restrictors in elevators in New York City.

Referred to the Committee on Housing and Buildings.

Res. No. 1925

Resolution calling upon the appropriate committee of the Council of the City of New York to conduct an oversight hearing regarding the lack of tracking and reporting by City agencies in relation to City contracts awarded to women and minority owned businesses.

By Council Members Perkins, Freed, Eisland, Henry, Michels, Reed and Sabini; also Council Members DiBrienza, Linares, Marshall, Robinson and Quinn.

Whereas, The City's Minority and Women Business Enterprise ("M/WBE") Program went into effect in September 1992; and

Whereas, The M/WBE Program established a certification procedure for minority and women-owned businesses and developed outreach and assistance programs for M/WBE's, including bonding and technical assistance; and

Whereas, The M/WBE Program was in effect for six years and required the Department of Business Services ("DBS") to conduct an additional study prior to any extension of the Program to determine whether it was still necessary; and

Whereas, In June 1998 the M/WBE Program expired, and since then, neither the Administration nor DBS have attempted to conduct a study on whether there exists a disparity of City contracts awarded to women and minority owned businesses; and

Whereas, Despite repeated attempts by the Council to fund such a study, DBS has failed to use the appropriated funds to conduct a study or offer alternative solutions; and

Whereas, The City Charter requires the DBS Commissioner to produce an annual report on the activities and efforts made to enhance the ability of minority and women owned business enterprises to compete for City contracts; and

Whereas, In the past some information and indicators regarding M/WBE's was provided in the Mayor's Management Report, but that information is no longer being made available; and

Whereas, It is becoming increasingly difficult to monitor the number of City contracts being awarded to M/WBE's and it is believed that since the expiration of the Program there is a substantial decrease in the amount of citywide contract dollars being awarded to M/WBE's; now, therefore, be it

Resolved, That the appropriate committee of the Council of the City of New York conduct an oversight hearing in relation to City contracts awarded to women and minority owned businesses.

State Legislation Res. No. 101

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Montgomery, S.3351, and Assembly Member Norman, A.6782, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owners, Richard Mayers, Barbara E. Mayers and Beverly Mayers, without public auction and notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1249, Lot No. 23 on tax map for the borough of Brooklyn".

By Council Member Robinson and Abel

Whereas, bills have been introduced in the New York State Legislature by Senator Montgomery, S.3351, and Assembly Member Norman, A.6782, "AN ACT authorizing the city of New York to reconvey its interest in certain real property acquired by in rem tax foreclosure in the borough of Brooklyn to former owners, Richard Mayers, Barbara E. Mayers and Beverly Mayers, without public auction and notwithstanding expiration of the two year period within which application may be made to the city to release its interest in property thus acquired; Block No. 1249, Lot No. 23 on tax map for the borough of Brooklyn"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

Res. No. 1926

Resolution calling upon the New York State Legislature to pass A. 6075-A, a bill that would require special education teachers to be trained in the needs of children with autism and authorize the Commissioner of Education to create a special certification for teachers and administrators who work with autistic children.

By Council Members Stabile and Moskowitz; also Council Members Henry, Koslowitz, Linares, Marshall and Nelson

Whereas, Currently, the New York State Legislature is considering A.6075-A, a bill that would address the educational needs of autistic children; and

Whereas, A.6075-A would require that all persons applying for a teaching certificate or license as a special education teacher or instructor on or after February 2, 2002, complete course work or training in the needs of autistic children; and

Whereas, Furthermore, the bill would authorize the Commissioner of Education to institute regulations and establish programs and training for teachers and administrators who work with autistic children; and

Whereas, According to the State Education Department's Office of Special Education Programs, in 1994-1999 there was a 153.6 percent increase in the incidence of autism in students ages six to eleven; and

Whereas, Despite the growth in the number of children diagnosed with autism, educators in the New York City public school system lack appropriate training in autism spectrum disorders; now, therefore, be it

Resolved, That the New York City Council calls upon the New York State Legislature to pass A. 6075-A, a bill that would require special education teachers to be trained in the needs of children with autism and authorize the Commissioner of Education to create a special certification for teachers and administrators who work with autistic children.

Matter in Graytone is new, to be added; Matter in Strikeout is old, to be deleted; Matter within # # is defined in Sections 12-10 of the Zoning Resolution *** indicates where unchanged text appears in the Zoning Resolution

84-132 Mandatory front building walls

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

84-144 Location of curb cuts

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

COURT NOTICES

SUPREME COURT

NOTICE

SUPREME COURT OF THE STATE OF NEW YORK COUNTY OF NEW YORK: IA PART 24 NOTICE OF ACQUISITION INDEX NUMBER 402676/01

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in

the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK LOT(S)	
1623	20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54
1745	20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

Dated: June 25, 2001, New York, New York

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual. (see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing

(OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

- CSB Competitive Sealed Bidding (including multi-step)

Special Case Solicitations / Summary of Circumstances:

- CP Competitive Sealed Proposal (including multi-step)
CP/1 Specifications not sufficiently definite
CP/2 Judgement required in best interest of City
CP/3 Testing required to evaluate
CB/PQ/4 CB or CP from Prequalified Vendor List/Advance qualification screening needed
DP Demonstration Project
SS Sole Source Procurement/only one source
RS Procurement from a Required Source/ST/FED
NA Negotiated Acquisition For ongoing construction project only:
NA/8 Compelling programmatic needs
NA/9 New contractor needed for changed/additional work
NA/10 Change in scope, essential to solicit one or limited number of contractors
NA/11 Immediate successor contractor required due to termination/default

For Legal services only:

- NA/12 Specialized legal devices needed; CP not advantageous
WA Solicitation Based on Waiver/Summary of Circumstances (Client Services/BSB or CP only)

- WA1 Prevent loss of sudden outside funding
WA2 Existing contractor unavailable/immediate need
WA3 Unsuccessful efforts to contract/need continues
IG Intergovernmental Purchasing (award only)

- IG/F Federal
IG/S State
IG/O Other
EM Emergency Procurement (award only) An unforeseen danger to:
EM/A Life
EM/B Safety
EM/C Property
EM/D A necessary service
AC Accelerated Procurement/markets with significant short-term price fluctuations
SCE Service Contract Extension/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

- OLB/a anti-apartheid preference
OLB/b local vendor preference
OLB/c recycled preference
OLB/d other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and KeySpan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

NOTICE

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT

Notice of Public Hearing and Opportunity to Comment on Proposed Amendments to Rule Regarding Midtown Stores.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 20-104 (b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department intends to retitle the subchapter heading and amend an existing rule regarding midtown stores.

Written comments regarding this amendment may be sent to the office of Andrew Eiler, Office of the Commissioner, Department of Consumer Affairs, 42 Broadway, 8th floor, New York, N.Y. 10004 on or before August 13, 2001. A public hearing shall be held on August 13, 2001 at 2 p.m., 66 John Street, 11th floor, New York, N.Y. 10038. Persons seeking to testify are requested to notify the Director of Adjudication at the foregoing address. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided are asked to notify the Director of Adjudication at the foregoing address by July 31, 2001. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9 a.m. and 5 p.m. at the office of Andrew Eiler, Office of the Commissioner, Department of Consumer Affairs, 42 Broadway, 8th floor, New York, N.Y. 10004.

Material proposed to be deleted is shown below in brackets and material proposed to be added is underlined.

RULE

Section 1. The heading for subchapter CC of Chapter 2, of Title 6 of the Rules of the City of New York is amended to read as follows:

[Midtown]Electronic Stores

§2. Subchapter CC of Chapter 2, of Title 6 of the Rules of the City of New York is amended by inserting a new section 2-340 to read as follows:

§2-340 Audio Equipment. The meaning of the term "audio equipment" specified in section 20-484 (d) of the N.Y.C. Administrative Code includes devices such as telephones, cellular telephones, beepers or pagers.

§3. Subsection (a) Section 2-341 of subchapter CC of Chapter 2, of Title 6 of such Rules is amended to read as follows: (a) A designated [midtown]electronic store must:

- (1) offer a consumer a receipt for any retail purchase if the amount of the purchase is twenty dollars or more; and
(2) provide a consumer with a receipt upon request for any retail purchase if the amount of the purchase is between five and twenty dollars.

Statement of Basis and Purpose. Section 20-104(b) of the New York City Administrative Code authorizes the Commissioner to promulgate rules necessary to carry out the powers and duties of the Department.

One of the proposed amendments to subchapter CC of Title 6 of the Rules of the City of New York would change the subchapter heading from "Midtown" to "Electronic" stores and make an appropriate conforming change to that term in the rule. This is a technical change that reflects the expansion of the subject matter of the law that occurred when the provisions of former subchapter 29 of Chapter 2 of Title 20 of the New York City Administrative Code that applied only to electronic stores operating in midtown was repealed and a new subchapter enacted that applied to electronic stores citywide.

The other proposed amendment would make clear that the provision of section 20-484 (d) of subchapter 29 that defines audio equipment specifically applies to certain products that are not also listed as illustrative examples. Subdivision (d) defines audio equipment as any "apparatus or equipment that is used for sound reproduction." It also contains various illustrative examples that specifically includes radios and receivers, but does not list cellular telephone and beepers that have come into widespread use since subchapter 29 was enacted. The omission of those products from the listed examples has raised issues with respect to whether such products are covered by the law. The proposed amendment would make clear that the definition of audio equipment included in subchapter 29 clearly applies to and encompasses such products.

PROCUREMENT POLICY BOARD

NOTICE

NEW PROMPT PAYMENT INTEREST RATE

Section 4-06 of the Procurement Policy Board Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The current interest rate paid on late payments through June 30, 2001 has been 6.375%. The new Prompt Payment Interest Rate is 5.875% effective on payments for the six-month period July 1, 2001 through December 31, 2001.

Questions on this notice should be directed to:

WATER BOARD

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT, pursuant to Section 1045-j(3) of the Public Authorities Law, after a public hearing was held on June 12, 2001, in accordance with the provisions of such law, the New York City Water Board (the "Board") has, at its meeting held on June 21, 2001, adopted a resolution approving an increase in the rate charged for water supply made available for customers outside of New York City by the Water Supply System of the City of New York (the "System"). The basis for this increase is contained in a report prepared by Black & Veatch, rate consultant to the Board, which sets forth the unit cost of water supply for facilities north of the City for the fiscal year

commencing July 1, 2001. The following rate changes become effective as of July 1, 2001:

The regulated rate for water provided to users outside the City, from either the Croton or Catskill/Delaware systems, which does not exceed the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York, will be increased from \$414.37 per million gallons ("AMG") to \$448.83 per MG; and

The rate for water supply provided in excess of the allowance quantities set forth in the Section 24-360 of the Administrative Code of the City of New York will be continued at a level equal to the in-city metered rate which will be increased from \$1,751.34 to \$1,804.81 per MG.

Any member of the public who would like additional information regarding this matter should contact Kevin Kunkle, New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368, (718) 595-3601.

**84-132
Mandatory front building walls**

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown

in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

**84-144
Location of curb cuts**

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and

Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

Table with columns: BLOCK, LOT(S), listing parcel numbers and lot details.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.

This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

- Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

- Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

- Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual. (see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time,

unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, <http://NYC.GOV>.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations: Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. - (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences

in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Notice of Opportunity to Comment on Proposed Repeal of Rules Relating to the Burma Classification of Banks

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY vested in the Commissioner of Finance by sections 389(b) and 1043 (a) of the New York City Charter and in accordance with the requirements of section 1043 of the New York City Charter, that the New York City Department of Finance intends to repeal the Rules Relating to the Burma Classification of Banks. This rulemaking action was not included in the Fiscal Year 2001 Regulatory Agenda for the Department of Finance, as the basis for the determination to repeal this rule occurred after the publication of the agenda for such year.

Written comments regarding these proposed rules must be submitted to the office of Devora Cohn, Assistant Commissioner for Legal Affairs, 345 Adams Street, Brooklyn, New York, 11201 on or before August 9, 2001.

A hearing for public comment will be held on August 9, 2001 at 345 Adams Street, 3rd Floor, Brooklyn, New York 9:30 A.M. Persons seeking to testify are requested to notify Joan Best at (718)403-3669 at least three business days prior to the date scheduled for the hearing, although such notice is not required by law. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Joan Best at the foregoing number by July 26, 2001.

Written comments and an audio tape recording of oral comments received at the hearing will be available for public review by appointment, within a reasonable time after receipt, by appointment between the hours of 9:00 A.M. and 5:00 P.M. on weekdays at the office of Gerald Koszer, Records Access Officer, 345 Adams Street, 3rd Floor, Brooklyn, New York 11201, telephone number (718) 403-3600.

Matter underlined is new. Matter in brackets [] is to be deleted.

PROPOSED REPEAL OF RULES RELATING TO THE BURMA CLASSIFICATION OF BANKS

Section 1. Chapter 41 of Title 19 of the Rules of the City of New York (Rules Relating to the Burma Classification of Banks) is repealed as follows:

[§ 41-01. Purpose. Section 1523(3) of the Charter of the City of New York requires the Commissioner of Finance to establish by rule, criteria by which to evaluate whether banks are using the means at their disposal to comply with the embargo on trade and financial transactions with Burma and any other sanctions imposed by the United States government with regard to Burma.

(b) These rules establish such criteria and provide for hearings that offer to banks designated as depositories of City moneys pursuant to §1524 of the Charter and to the public an opportunity to be heard, before the Commissioner of Finance classifies such banks and publishes notice of such classification in the City Record. When choosing among banks offering comparable services at a comparable cost, City agencies are required, in a manner consistent with guidelines established by the Commissioner of Finance, to seek to deposit or invest funds at, and obtain services and obtain services from, the available banks that have received the highest classification.

§ 41-02 Definitions. When used in these rules:

(a) "Affiliate" of a bank or bank holding company shall mean an entity that, directly or indirectly, controls or is controlled by or is under common control with such bank or bank holding company.

(b) "Burma classification" shall mean the classification of a bank by the Commissioner in accordance with the criteria set forth in these rules as to how a bank is using the means at its disposal to comply with the embargo on trade and financial transactions with Burma and any other sanctions imposed by the United States government with regard to Burma.

(c) "Bank" shall mean a commercial bank or trust company or any other entity designated or applying to be designated by the Banking Commissioner pursuant to New York City Charter § 1524, except as expressly provided in subdivision (h) below.

(d) "Bank holding company" shall mean any entity that directly or indirectly controls either a bank or an entity directly or indirectly controlling a bank.

Notwithstanding the foregoing:

- (1) No entity shall be deemed a bank holding company by virtue of its ownership or control of securities or interests in a fiduciary capacity, except where such securities or interests are owned, controlled or held with power to vote for the benefit of the stockholders, members or employees of such entities.
- (2) nor shall any entity formed and operated for the sole purpose of participating in a proxy solicitation be deemed a bank holding company by virtue of its control of voting rights of securities or interests in any bank or bank holding company acquired in the course of each solicitation.
- (3) nor shall any entity be deemed a bank holding company by virtue of its ownership or control of securities or interests acquired in securing or collecting a debt previously contracted in good faith,

until two years after the date of acquisition.

(4) nor shall any entity be deemed a bank holding company by virtue of its ownership or control of securities or interests acquired by it in connection with its underwriting of securities or interests if such securities or interests are owned or controlled only for such period of time as will permit the sale thereof on a reasonable basis.

(e) "City" shall mean the City of New York.

(f) "Commissioner" shall mean the Commissioner of Finance of the City of New York.

(g) "Control" of an entity shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such entity.

Without limiting the generality of the foregoing, control

(1) exists when an entity directly or indirectly owns, controls or holds with power to vote at least 25% of any class of the voting securities or interests of another entity;

(2) exists if any of the following factors are present:

(i) ability to control in any manner the election of 25% of the board of directors, trustees or general partners (or individuals exercising similar functions) of an entity; or

(ii) ability to exercise a controlling influence over the policies or management of an entity;

(3) is rebuttably presumed not to exist when an entity directly or indirectly owns, controls or holds with power to vote less than 5% of each class of the voting securities or interests of another entity.

The presumption of lack of control (i.e., ownership of or holding with power to vote less than 5% of each class of the voting securities or interests of an entity) may be rebutted if it is established to the satisfaction of the Commissioner that a "control" relationship exists. Determinations as to whether the indicia of control enumerated above are present shall be made by the Commissioner. Except as provided in the immediately succeeding sentence, in making such determinations, the Commissioner shall give due consideration to whether the entity whose control is in question is or would be viewed as a "controlled" entity by the Federal Reserve Board or other relevant regulatory agency. Notwithstanding the foregoing, even if the Federal Reserve Board or other relevant regulatory agency has determined that an entity does not have control over another entity because either or both such entities are not organized under the laws of or doing business in the United States, Puerto Rico, Guam, American Samoa or the Virgin Islands, the Commissioner may, consistent with the provisions of this subdivision, find control to exist for purposes of these rules if, in the Commissioner's judgment, such a determination would have been made by such regulator had such entities been organized under the laws of or been doing business in any such jurisdiction.

(h) "Correspondent banking services" shall mean banking

services provided by one bank to another; provided, however, that for purposes of this subdivision, "bank" shall not be defined as provided in subdivision (c) above, but rather according to its general common usage in international finance.

(i) "Entity" shall mean any corporation, sole proprietorship, partnership, trust, joint venture, company, unincorporated association, joint stock association, limited liability company or partnership or any other form of doing business.

(j) "Indirect" shall mean through one or more intermediaries.

(k) "Investment" shall mean the beneficial ownership or control of a controlling interest in a Burmese entity, but shall not include the purchase of securities of a Burmese entity for a customer's account.

(l) "Known" shall mean the possession of actual knowledge, and shall not imply a duty of inquiry beyond the due diligence ordinarily exercised by an entity engaged in international finance.

(m) "Burma" shall include: the country of Burma otherwise known as Myanmar and any territory or area under its administration.

(n) "Burmese entity" shall mean:

(1) an entity organized under the laws of Burma;

(2) an entity known to the bank or its affiliates as having 25% or more of its equity directly or indirectly owned by one or more entities organized under the laws of Burma; or

(3) a branch or office in Burma of an entity that is domiciled or organized outside of Burma.

(o) "Burmese government" shall include any agency of the Burmese government or Burma, any political subdivision of such government and any corporation owned or controlled by such government.

§ 41-03. Burma Questionnaire.

(a) The Commissioner shall send to each bank a Burma Questionnaire, to elicit the information required for purposes of classifying banks in accordance with New York City Charter §1523(3) and these rules. Failure by a bank to respond timely and fully to any portion of the Questionnaire, to provide any of the documentation specified by the Commissioner or these rules or to provide such other information as may be sought by the Commissioner for purposes of such classification shall be grounds for a lower classification of the bank.

(b) Upon the first submission of the Burma Questionnaire to the Commissioner, each publicly owned bank shall also file with the Commissioner a copy of the most recent annual proxy statement to its shareholders that the bank filed with the Federal Reserve Board, the Office of the Comptroller of the Currency or the Federal Deposit Insurance Corporation, whichever is applicable.

(c) A bank affiliated with one or more bank holding companies as defined in the Bank Holding Company Act, 12 U.S.C. § 1841 shall, in addition, submit copies, with exhibits, of the most recent annual report filed by each affiliated bank holding company with the Federal Reserve Board; provided, however, that the bank may omit from submission portions of such report for which confidential treatment by the Federal Reserve Board has been requested and has not been denied. A bank shall also promptly submit all portions of such report for which confidential treatment is denied subsequent to the submission of the main body of such report. In addition, a bank shall submit to the Commissioner copies of subsequent annual reports filed by the bank and by each affiliated bank holding company with the applicable state and federal regulatory agencies, with exhibits, within thirty days after the filing of the reports with such agencies.

(d) After the initial submission of the Questionnaire by a bank to the Commissioner, the Commissioner may request a bank to submit additional Questionnaires from time to time as specified by the Commissioner. The Commissioner shall notify the bank of such request a reasonable time before the Questionnaires are due.

§ 41-04 Burma classification; Criteria.

(a) The Commissioner shall evaluate the record of performance of a bank designated pursuant to New York City Charter §1524 in complying with the embargo on trade and financial transactions with Burma and any other sanctions imposed by the United States government with regard to Burma, and shall classify such bank with a Burma classification. City agencies shall use such classification in their selection of banking service providers in a manner consistent with §41-06 of these rules and with guidelines established by the Commissioner.

(b) In classifying banks, the Commissioner shall first ascertain whether banks are providing any of the services prohibited under New York City Charter § 1524(2)(a)(3). Banks found to be violating these prohibitions shall be dropped from the list of designated banks. The prohibited services are:

(a) advertising or otherwise promoting the sale, outside of Burma, of coins minted in Burma;

(b) underwriting securities of the government of Burma; and

(c) making loans to the government of Burma.

(c) In classifying banks, the Commissioner shall consider the following attributes and practices of a bank and its affiliates as negative factors indicative of a bank's failure to comply with U.S. government sanctions. The bank and its affiliates:

(1) maintain an office, plant or employees in Burma or have investments in Burma, or are actively in the process of withdrawing such operations from Burma.

(2) provide loans, including, without limitation, trade credits, to Burmese entities or to the Burmese government.

(3) underwrite, maintain correspondent banking relations or provide correspondent banking services, including, without limitation, letters of credit, bankers acceptances and other banking services, with or to Burmese entities or the Burmese government.

(4) have not divested all outstanding debt owed them by Burmese entities or the Burmese government;

(5) have rescheduled loans owed them by Burmese entities or the Burmese government, and have converted outstanding debt owed them by the Burmese entities or the Burmese government into instruments whose maturities are longer than those of the original debt;

(6) are not actively engaged in the cessation of all of their operations, if any, described in paragraphs 1 through 5 above and will not have ceased such operations within six months.

(d) To the extent the bank or its affiliates engage in the activities described in paragraphs 1 through 5 above, the Commissioner may take into account the extent of such activities and the degree to which the level of such activities have been reduced since 1990. In classifying banks, the Commissioner shall, based on information acquired pursuant to §§41-03 and 41-05 of these rules, give weight in the proportions described below to the extent banks fail to cease activities described in paragraphs 1 through 6 above:

Para. 1 - eighteen percent (18%)

Para. 2 - eighteen percent (18%)

Para. 3 - eighteen percent (18%)

Para. 4 - eighteen percent (18%)

Para. 5 - eighteen percent (18%)

Para. 6 - ten percent (10%)

(e) Based on an assessment of their activities conducted in accordance with the foregoing, the Commissioner shall classify the banks in such manner as the Commissioner shall determine best advances the purposes of these rules

§ 41-05 Public Comment; Publication of Classification

(a) The Commissioner shall offer banks and the public an opportunity for comment concerning the Burma-related activities of banks at a public hearing to be held prior to classifying or reclassifying such banks. The Commissioner shall also accept written comments until the date of a public hearing from a bank and the public concerning such bank's activities. Notice of such public hearing shall be published in the City Record a reasonable time before such hearing shall be held. In addition to the information provided by banks pursuant to §41-03 of these rules, the Commissioner may consider any such comments received in the classification of a bank hereunder. The Commissioner shall provide banks a reasonable opportunity to respond to any such comment so considered.

(b) After evaluating a bank's record of performance in complying with U.S. sanctions against Burma, and within a reasonable time after the public hearing, the Commissioner shall classify such bank as to its efforts according to the criteria stated in these rules and shall publish notice of such classification in the City Record. Upon the request of a bank or the public, or upon the Commissioner's own initiative, and after offering the public and the bank an opportunity to be heard, the Commissioner may change the classification of the bank. Notice of such change shall be published in the City Record.

§ 41-06 Application of the Classification

The classification of the bank as determined by the Commissioner shall be a criterion used by City agencies in their selection of banking service providers. When choosing among banks offering comparable services at a comparable cost. City agencies shall, in a manner consistent with guidelines established by the Commissioner, deposit, or invest funds at, and obtain services from, banks that have received the highest classification.

§ 41-07 Severability.

If any provision of these rules or application thereof to any person, entity, bank or circumstance is adjudged invalid by a court of competent jurisdiction, such determination shall not affect or impair the validity of the other provisions of these rules or the application thereof to other persons, entities, banks or circumstances.]

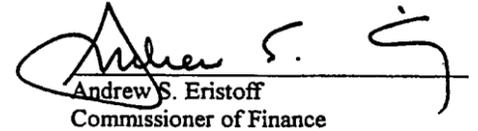

Basis and Purpose of Proposed Rulemaking Action

The purpose of this proposed repeal of Chapter 41 of Title 19 of the Rules of the City of New York Relating to the Burma Classification of Banks is to bring the Department of Finance's rules into compliance with a recent United States Supreme Court decision and a New York City Law Department opinion, which based on the Court's decision, found Local Law 33 of 1997 invalid and unenforceable. This local law amended the New York City Charter with respect to the depositing of City funds in banks doing business in Burma and amended the New York City Administrative Code in relation to City contracts with entities that do business in Burma.

Local Law 33 specifically required the Commissioner of Finance to establish by rule the criteria to evaluate whether banks were using the means at their disposal to comply with the embargo on trade and financial transactions with Burma and any other sanctions imposed by the United States government with regard to Burma. Accordingly, Chapter 41 of Title 19 of the Rules of the City of New York was added on March 10, 1998.

A recent Supreme Court decision, Crosby v. National Foreign

Trade Council, 530 U.S. 363 (2000), held that a Massachusetts law that restricted state contracts with companies doing business with Burma was preempted by federal law. The New York City Law Department determined that the findings of preemption made in that decision applied equally to Local Law No. 33 of 1997, thereby making the local law invalid and unenforceable. Therefore, the Department of Finance is proposing the repeal of these rules, which were promulgated pursuant to, and intended to implement, the now invalid local law.

PROCUREMENT POLICY BOARD

NOTICE

NEW PROMPT PAYMENT INTEREST RATE

Section 4-06 of the Procurement Policy Board Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The current interest rate paid on late payments through June 30, 2001 has been 6.375%. The new Prompt Payment Interest Rate is 5.875% effective on payments for the six-month period July 1, 2001 through December 31, 2001.

WATER BOARD

NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT, pursuant to Section 1045-j(3) of the Public Authorities Law, after a public hearing was held on June 12, 2001, in accordance with the provisions of such law, the New York City Water Board (

the "Board") has, at its meeting held on June 21, 2001, adopted a resolution approving an increase in the rate charged for water supply made available for customers outside of New York City by the Water Supply System of the City of New York (the "System"). The basis for this increase is contained in a report prepared by Black & Veatch, rate consultant to the Board, which sets forth the unit cost of water supply for facilities north of the City for the fiscal year commencing July 1, 2001. The following rate changes become effective as of July 1, 2001:

- The regulated rate for water provided to users outside the City, from either the Croton or Catskill/Delaware systems, which does not exceed the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York, will be increased from \$414.37 per million gallons ("AMG") to \$448.83 per MG; and

- The rate for water supply provided in excess of the allowance quantities set forth in the Section 24-360 of the Administrative Code of the City of New York be continued at a level equal to the in-city metered rate which will be increased from \$1,751.34 to \$1,804.81 per MG. Any member of the public who would like additional information regarding this matter should contact Kevin Kunkle, New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Corona, New York 11368, (718) 595-3601.

Mandatory front building walls**

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a

#development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

**84-144
Location of curb cuts**

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

COURT NOTICES

SUPREME COURT

NOTICE

COUNTY OF NEW YORK: 1A PART 24
NOTICE OF ACQUISITION
INDEX NUMBER 402676/01

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1623	20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54
1745	20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New

York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, <http://NYC.GOV>.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. - (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RFP FOR THE RESTAURANT AT RICHMOND COUNTY BANK BALLPARK - Request for Proposals - DUE 07-16-01 AT 2:00 P.M. - development of a restaurant / cafe located within the new minor league baseball stadium, the Richmond County Bank Ballpark, in the St. George community of Staten Island. The Ballpark is immediately north of the Staten Island Ferry Terminal.

The restaurant space is built into the facade of the stadium, next to the main plaza and entrance to the stadium and adjacent to the Ferry Terminal's commuter parking lots. The restaurant area is approximately 7,800 square feet consisting of three floors, including a basement with waterfront views and potential outdoor seating. EDC seeks the development and operation of this space as a restaurant or cafe to complement the Ballpark.

e-mail to info@newyorkbiz.com. Please refer to SGR-0501 in the subject line.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing

and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Comments as to whether harassment occurred at the premises should be submitted to the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8266.

PROCUREMENT POLICY BOARD

NOTICE

NEW PROMPT PAYMENT INTEREST RATE

Section 4-06 of the Procurement Policy Board Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The current interest rate paid on late payments through June 30, 2001 has been 6.375%. The new Prompt Payment Interest Rate is 5.875% effective on payments for the six-month period July 1, 2001 through December 31, 2001.

Questions on this notice should be directed to:

Toby Squitieri, Deputy Director Procurement Policy Board 51 Chambers Street - Room 1126 New York, New York 10007 Tel: (212) 788-7826

**84-132
Mandatory front building walls**

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the

mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

**84-144
Location of curb cuts**

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

ORDER TO SHOW CAUSE NEW YORK COUNTY INDEX NUMBER 403918/01

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for Bradhurst Urban Renewal Area (Phase III) located in the area generally bounded by West 155th Street on the north, Adam Clayton Powell Jr. Boulevard on the east, West 138th Street on the south and Edgecombe and Bradhurst Avenues on the west, in the Borough of Manhattan, City and State of New York.

Upon reading and filing this Order to Show Cause, the annexed Verified Petition and the exhibits annexed to said Petition,

IT IS ORDERED that all interested parties show cause before this Court at 60 Centre Street, New York, New York 10007, at IAS Part 24, in Room 690 on July 25, 2001, at 9:30 A.M., or as soon thereafter as counsel can be heard, why an Order should not be entered.

1. granting the Verified Petition in all respects;
2. authorizing the City to file an acquisition map in the office of the Clerk of New York County or the Office of the City Register;
3. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City (the property sought to be acquired is described below);
4. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
5. providing that notices of claim must be served and filed within one calendar year from the vesting date; and,

IT IS ORDERED that sufficient reason appearing, service by certified mail, return receipt requested (as provided in EDPL § 402(B)(2)) of a copy of this Order and the Verified Petition upon which it is based, upon the persons listed in Schedule A to the Notice of Pendency, which is annexed as Exhibit A to the Verified Petition annexed hereto, on or before July 5, 2001, shall be sufficient service; and,

IT IS ORDERED that pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Property Sought To Be Acquired In This Proceeding

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Bradhurst Urban Renewal Area (Phase III) in the Borough of Manhattan, City and State of New York. The description of the real property to be acquired is as follows:

Block 2045 Lot 7

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

COUNTY OF NEW YORK: IA PART 24 NOTICE OF ACQUISITION INDEX NUMBER 402676/01

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK LOT(S)

1623 20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54

1745 20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

- Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

- Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

- Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038.

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and

(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

REAL ESTATE DEVELOPMENT OPPORTUNITIES IN NEW YORK CITY - Request for Proposals - DUE 09-26-01 AT 2:00 P.M. - The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is selling a range of industrial, commercial and residential properties from the City's real estate portfolio.

South Street Seaport, Manhattan - Commercial and/or Residential - Seven lots are available for restoration and development. This unique 33,000 square foot assemblage includes a total of 15,565 square feet of vacant land, plus 80,000 square feet of distinctive historic loft buildings. The lots are zoned C6-4.

Alphabet City, Manhattan - Commercial and/or Residential - Approximately 15,100 square feet of vacant land is available for development on Avenue D between East 7th and 8th streets in Alphabet City. The site is zoned R7-2 with a C1-5 overlay.

East Harlem, Manhattan - Commercial and/or Residential - Approximately 7,525 square feet of vacant land is available in East Harlem on Fifth Avenue between East 115th and 116th streets. The site is zoned R7-2 with a C1-4 overlay.

Washington Heights, Manhattan - Commercial with Parking Potential - Approximately 22,400 square feet of vacant land is available for construction of a parking garage with street-level retail space on Broadway between 184th and 185th streets. The site is zoned C8-3 and ULURP was completed to permit a 375-space garage.

Downtown Brooklyn - Commercial with Parking

An approximately 50,000 square foot footprint and 16,000 square feet of retail space are available. The site is zoned C6-1, and has excellent access to transportation.

East New York, Brooklyn - Commercial - Six sites of primarily vacant land, totaling approximately 101,700 square feet, are available for commercial development along Livonin Avenue in a newly developed neighborhood in East New York. This retail strip, zoned R6-2 with a C2-3 overlay, is expected to serve the needs of its growing populations.

East New York, Brooklyn - Industrial - Three urban renewal sites, totaling approximately 66,900 square feet, are available in the East New York In-Place Industrial Park. The sites are zoned M1-4. These are the last remaining city-owned assemblages for industrial development in the park.

Development guidelines and submission requirements are outlined in the Request For Proposal (RFP) packages, available from EDC. In addition, there will be a special informational meeting about these sites on Wednesday, August 1, 2001. For details about the informational meeting or to request a complete RFP package for any of these items, please call (212) 312-3969 or e-mail info@newyorkbiz.com, referring to "Opportunities for Development" in the subject line.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PROCUREMENT POLICY BOARD

NOTICE

NEW PROMPT PAYMENT INTEREST RATE

Section 4-06 of the Procurement Policy Board Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The current interest rate paid on late payments through June 30, 2001 has been 6.375%. The new Prompt Payment Interest Rate is 5.875% effective on payments for the six-month period July 1, 2001 through December 31, 2001.

Questions on this notice should be directed to:

Toby Squitieri, Deputy Director

RFP FOR CONSULTANT FOR NYC EMPLOYER TRAINING PROGRAM - Request for Proposals - DUE 07-27-01 AT 5:00 P.M. - New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for a Consultant for its New York City Employer Training Program.

The program is designated to provide recruitment assistance and training subsidies for hard-to-fill positions to New York City businesses, thereby generating more job opportunities for City residents. The program will initially target companies receiving other economic development benefits.

EDC is issuing this RFP to identify firms specializing in consultant work for workforce development programs and experience in addressing employer needs for trained workers. Firms that are qualified will have in-house expertise in implementing the Workforce Investment Act, and extensive experience with private industry training and employment.

Services requested include advising on program structure and implementation; building and maintaining relationships with private employers, City agencies and educational institutions; keeping abreast of other training programs and funds; and program administration.

To obtain an RFP, please submit your name, company name, address and telephone number to Paul Tamboia, CPPB Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to CETP-0701 in the subject line. Development proposals must be submitted to EDC by 5:00 p.m. on Friday, July 27, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

84-132 Mandatory front building walls

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front

building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

84-144 Location of curb cuts

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

NOTICE

ORDER TO SHOW CAUSE NEW YORK COUNTY INDEX NUMBER 403918/01

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for Bradhurst Urban Renewal Area (Phase III) located in the area generally bounded by West 155th Street on the north, Adam Clayton Powell Jr. Boulevard on the east, West 138th Street on the south and Edgecombe and Bradhurst Avenues on the west, in the Borough of Manhattan, City and State of New York.

Upon reading and filing this Order to Show Cause, the annexed Verified Petition and the exhibits annexed to said Petition,

IT IS ORDERED that all interested parties show cause before this Court at 60 Centre Street, New York, New York 10007, at IAS Part 24, in Room 690 on July 25, 2001, at 9:30 A.M., or as soon thereafter as counsel can be heard, why an Order should not be entered.

1. granting the Verified Petition in all respects;

2. authorizing the City to file an acquisition map in the office of the Clerk of New York County or the Office of the City Register;

3. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City (the property sought to be acquired is described below);

4. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

5. providing that notices of claim must be served and filed within one calendar year from the vesting date; and,

IT IS ORDERED that sufficient reason appearing, service by certified mail, return receipt requested (as provided in EDPL § 402(B)(2)) of a copy of this Order and the Verified Petition upon which it is based, upon the persons listed in Schedule A to the Notice of Pendency, which is annexed as Exhibit A to the Verified Petition annexed hereto, on or before July 5, 2001, shall be sufficient service; and,

IT IS ORDERED that pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Property Sought To Be Acquired In This Proceeding

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Bradhurst Urban Renewal Area (Phase III) in the

Borough of Manhattan, City and State of New York. The description of the real property to be acquired is as follows:

Block 2045 Lot 7

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2045 Lot 9

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2051 Lots 125, 126, 127, 128, 129, 130, 132, 133 and 134

Each in its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

COUNTY OF NEW YORK: IA PART 24 NOTICE OF ACQUISITION INDEX NUMBER 402676/01

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK LOT(S)
1623 20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54

1745 20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days.

Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

- Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

- Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT FOR NYC EMPLOYER TRAINING PROGRAM - Request for Proposals - DUE 07-27-01 AT 5:00 P.M. - New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for a Consultant for its New York City Employer Training Program.

The program is designed to provide recruitment assistance and training subsidies for hard-to-fill positions to New York City businesses, thereby generating more job opportunities for City residents. The program will initially target companies receiving other economic development benefits.

EDC is issuing this RFP to identify firms specializing in consultant work for workforce development programs and experience in addressing employer needs for trained workers. Firms that are qualified will have in-house expertise in implementing the Workforce Investment Act, and extensive experience with private industry training and employment. Services requested include advising on program structure and implementation; building and maintaining relationships with private employers, City agencies and educational institutions; keeping abreast of other training programs and funds; and program administration.

To obtain an RFP, please submit your name, company name, address and telephone number to Paul Tamboia, CPPB Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to CETP-0701 in the subject line. Development proposals must be submitted to EDC by 5:00 p.m. on Friday, July 27, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
N.Y.C. Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038. Paul Tamboia, CPPB Director, Contract Administration and Procurement, at 212-312-3969.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RFP FOR THE RESTAURANT AT RICHMOND COUNTY BANK BALLPARK - Request for Proposals - DUE 07-16-01 AT 2:00 P.M. - development of a restaurant / cafe located within the new minor league baseball stadium, the Richmond County Bank Ballpark, in the St. George community of Staten Island. The Ballpark is immediately north of the Staten Island Ferry Terminal.

The restaurant space is built into the facade of the stadium, next to the main plaza and entrance to the stadium and adjacent to the Ferry Terminal's commuter parking lots. The restaurant area is approximately 7,800 square feet consisting of three floors, including a basement with waterfront views and potential outdoor seating. EDC seeks the development and operation of this space as a restaurant or cafe to complement the Ballpark.

e-mail to info@newyorkbiz.com. Please refer to SGR-0501 in the subject line.

REAL ESTATE DEVELOPMENT OPPORTUNITIES IN NEW YORK CITY - Request for Proposals - DUE 09-26-01 AT 2:00 P.M. - The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is selling a range of industrial, commercial and residential properties from the City's real estate portfolio.

South Street Seaport, Manhattan - Commercial and/or Residential

Seven lots are available for restoration and development. This unique 33,000 square foot assemblage includes a total of 15,565 square feet of vacant land, plus 80,000 square feet of distinctive historic loft buildings. The lots are zoned C6-4.

Alphabet City, Manhattan - Commercial and/or Residential

Approximately 15,100 square feet of vacant land is available for development on Avenue D between East 7th and 8th streets in Alphabet City. The site is zoned R7-2 with a C1-5 overlay.

East Harlem, Manhattan - Commercial and/or Residential

Approximately 7,525 square feet of vacant land is available in East Harlem on Fifth Avenue between East 115th and 116th streets. The site is zoned R7-2 with a C1-4 overlay.

Washington Heights, Manhattan - Commercial with Parking Potential

Approximately 22,400 square feet of vacant land is available for construction of a parking garage with street-level retail space on Broadway between 184th and 185th streets. The site is zoned C8-3 and ULURP was completed to permit a 375-space garage.

Downtown Brooklyn - Commercial with Parking

An approximately 50,000 square foot footprint and 16,000 square feet of retail space are available. The site is zoned C6-1, and has excellent access to transportation.

East New York, Brooklyn - Commercial

Six sites of primarily vacant land, totaling approximately 101,700 square feet, are available for commercial development along Livonin Avenue in a newly developed neighborhood in East New York. This retail strip, zoned R6-2 with a C2-3 overlay, is expected to serve the needs of its growing populations.

East New York, Brooklyn - Industrial

Three urban renewal sites, totaling approximately 66,900 square feet, are available in the East New York In-Place Industrial Park. The sites are zoned M1-4. These are the last remaining city-owned assemblages for industrial development in the park.

Development guidelines and submission requirements are outlined in the Request For Proposal (RFP) packages, available from EDC. In addition, there will be a special informational meeting about these sites on Wednesday, August 1, 2001. For details about the informational meeting or to request a complete RFP package for any of these items, please call (212) 312-3969 or e-mail info@newyorkbiz.com, referring to "Opportunities for Development" in the subject line.

Development proposals must be submitted by 2:00 p.m. on Wednesday, September 26, 2001 to Paul Tamboia, CPPB Director, Contract Administration and Procurement, 110 William Street, 4th Floor, New York, NY 10038.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that

they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Fitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

PROCUREMENT POLICY BOARD

■ NOTICE

NEW PROMPT PAYMENT INTEREST RATE

Section 4-06 of the Procurement Policy Board Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The current interest rate paid on late payments through June 30, 2001 has been 6.375%. The new Prompt Payment Interest Rate is 5.875% effective on payments for the six-month period July 1, 2001 through December 31, 2001.

Questions on this notice should be directed to:

IN THE MATTER OF an application submitted by the Battery Park City Authority, pursuant to Section 201 of the New York City Charter, for amendment of the Zoning Resolution of the City of New York relating to Article VIII, Chapter 4 concerning the mandatory front building walls, curb cut location and mandatory arcades regulations of Sections 84-132, 84-144 and Appendices 2.4 and 2.6 of the Special Battery Park City District.

Matter in Graytone is new, to be added; Matter in Strikeout is old, to be deleted; Matter within # # is defined in Sections 12-10 of the Zoning Resolution
*** indicates where unchanged text appears in the Zoning Resolution

**84-132
Mandatory front building walls**

Except as set forth in paragraph (f) and (i) of this Section, where Appendices 2.1 or 3.1 shows a requirement for a #development# in Zone A to be built to a #mandatory front building wall line#, any such #development# shall have a mandatory front building wall coincident with and constructed along such #mandatory front building wall line#, which shall rise without setback for a height above #curb level# as specified in this Section, except that, at building entrances, openings below the second #story# ceiling in the mandatory front building walls will be permitted to provide access to courtyards:

(a) except as set forth in paragraph (d) of this Section, with respect to any 60-85 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 60 feet nor more than 85 feet;

(b) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 2.1, a height of not less than 110 feet nor more than 135 feet. However, a setback of not more than 10 feet may be provided at a height of 85 feet or more above #curb level#;

(c) on the portion of any #zoning lot# designated as a #special height location# in Appendix 2.2, a height of not less than the applicable amount set forth in paragraphs (a) or (b) of this Section and not more than the maximum height indicated in Appendix 2.2 or in paragraph (d)(1) of Section 84-135 (Limited height of buildings);

(d) with respect to any #zoning lot# south of West Thames Street, east of South End Avenue, north of Third Place and west of Battery Place, a height of not less than 18 feet nor more than 85 feet above #curb level#;

(e) with respect to any 110-135 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 135 feet;

(f) with respect to any 110-230 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 110 feet nor more than 230 feet, except that:

(1) the length of the mandatory front building wall in excess of a height of 135 feet shall not exceed 120 feet along any frontage;

(2) where the length of the #mandatory front building wall line# along #street lines# intersecting North End Avenue exceeds 100 feet, the mandatory front building wall in excess of a height of 135 feet shall not exceed a length of 75 feet along North End Avenue. However, the length of the mandatory front building wall along #street lines# intersecting North End Avenue may be reduced to not less than 100 feet in order to accommodate landscaping and other improvements within or adjacent to the public open space areas shown in Appendix 3.6;

(3) a setback of ten feet at a height of 135 feet is required along all street frontages, except Park Place West, at a height of 135 feet;

(4) a setback of not less than five feet and not more than ten feet is required in other locations at a height of 135 feet, as shown in Appendix 3.1; and

(5) a setback of not less than five feet is required at a height of 210 feet on all sides of the building, except for #special height locations# provided in Section 84-135 (Limited height of buildings) and shown in Appendix 3.2;

(g) with respect to any 150-250 foot #mandatory front building wall line# shown in Appendix 3.1, a height of not less than 150 feet nor more than 250 feet; except that the height may not exceed either 150 feet for more than 120 feet or 75 percent of the length of the site's western property line, whichever is less, and a setback of not less than five feet and not more than ten feet is required at a height of 150 feet. Where Appendix 3.1 shows a requirement for a #development# to be built to a #mandatory front building wall line# along frontage on River Terrace, any such #development# may have a mandatory front building wall coincident with and constructed along a line set back one and one-half feet from the #street line# along River Terrace to accommodate landscaping treatment as required by the Battery Park City Authority; and

(h) on the portion of any #zoning lot# designated as a #special height location# in Appendix 3.2, a height of not less than the applicable amount set forth in paragraphs (e), (f) or (g) of this Section and not more than the height shown in Appendix 3.2.

(i) on the #zoning lot# south of First Place and west of Battery Place, the eastern mandatory front building wall may be located within 30 feet from the eastern #mandatory front building wall line#, and the southern mandatory front building wall may be reduced in length up to 30 feet along the southern #mandatory front building wall line# within 30 feet from the intersection with the eastern #mandatory building wall line#.

Subject to the provisions of Section 84-133 (Front wall recesses), the mandatory front building wall requirements set forth in this Section shall also apply to all #developments# along all #street lines# within 50 feet of their intersection with any #mandatory front building wall line#. For the next 20 feet along the #street line#, the mandatory front building wall requirements are optional except that, for any #development# north of Vesey Street and Vesey Place, the mandatory front building wall requirements are optional for the next 25 feet. The height limit of 85 feet shall apply along #street lines# or to #developments# not subject to the mandatory front building wall requirements.

**84-144
Location of curb cuts**

Curb cuts are permitted only in the areas or locations indicated in Appendix 2.6 and Appendix 3.5. The aggregate width of all curb cuts provided for any #development# shall not exceed 20 feet, except that:

(a) for the #zoning lot# bounded to the north by a mapped public place, to the west by North Park, to the south by Chambers Street, and to the east by Marginal Street, the aggregate width of all curb cuts shall not exceed 40 feet;

(b) for the #zoning lot# bounded by Warren Street to the north, River Terrace to the west, North End Avenue to the east and Park Place West to the south, the aggregate width of all curb cuts shall not exceed 30 feet, comprised of two 15 foot curb cuts;

(c) for the #zoning lot# bounded by Murray Street to the north, River Terrace to the west, North End Avenue to the east and Vesey Place to the south, the aggregate width of all curb cuts shall not exceed 40 feet, including a 25 foot wide curb cut to the #accessory# off-street parking facility;

(d) for the #zoning lot# south of First Place and east of Battery Place, the aggregate width of all curb cuts shall not exceed 50 feet; and

(e) for each #zoning lot# located on the east side of Battery Place between First Place and Third Place, the aggregate width of all curb cuts shall not exceed 40 feet.

(f) for the #zoning lot# south of First Place and west of Battery Place, the aggregate width of all curb cuts shall not exceed 24 feet.

SUPREME COURT

■ NOTICE

**ORDER TO SHOW CAUSE
NEW YORK COUNTY
INDEX NUMBER 403918/01**

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property

where not heretofore acquired for the same purpose, required as a site for Bradhurst Urban Renewal Area (Phase III) located in the area generally bounded by West 155th Street on the north, Adam Clayton Powell Jr. Boulevard on the east, West 138th Street on the south and Edgecombe and Bradhurst Avenues on the west, in the Borough of Manhattan, City and State of New York.

Upon reading and filing this Order to Show Cause, the annexed Verified Petition and the exhibits annexed to said Petition,

IT IS ORDERED that all interested parties show cause before this Court at 60 Centre Street, New York, New York 10007, at IAS Part 24, in Room 690 on July 25, 2001, at 9:30 A.M., or as soon thereafter as counsel can be heard, why an Order should not be entered.

1. granting the Verified Petition in all respects;
2. authorizing the City to file an acquisition map in the office of the Clerk of New York County or the Office of the City Register;
3. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City (the property sought to be acquired is described below);
4. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
5. providing that notices of claim must be served and filed within one calendar year from the vesting date; and,

IT IS ORDERED that sufficient reason appearing, service by certified mail, return receipt requested (as provided in EDPL § 402(B)(2)) of a copy of this Order and the Verified Petition upon which it is based, upon the persons listed in Schedule A to the Notice of Pendency, which is annexed as Exhibit A to the Verified Petition annexed hereto, on or before July 5, 2001, shall be sufficient service; and,

IT IS ORDERED that pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

**Property Sought To Be Acquired In
This Proceeding**

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Bradhurst Urban Renewal Area (Phase III) in the Borough of Manhattan, City and State of New York. The description of the real property to be acquired is as follows:

Block 2045 Lot 7

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2045 Lot 9

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2051 Lots 125, 126, 127, 128, 129, 130, 132, 133 and 134

Each in its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in *Crosby v. National Foreign Trade Council*, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.

This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

- Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

- Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

- Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual.(see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
(2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, http://NYC.GOV.

CONSULTANT FOR NYC EMPLOYER TRAINING PROGRAM - Request for Proposals - DUE 07-27-01 AT 5:00 P.M. - New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for a Consultant for its New York City Employer Training Program.

The program is designed to provide recruitment assistance and training subsidies for hard-to-fill positions to New York City businesses, thereby generating more job opportunities for City residents. The program will initially target companies receiving other economic development benefits.

EDC is issuing this RFP to identify firms specializing in consultant work for workforce development programs and experience in addressing employer needs for trained workers. Firms that are qualified will have

in-house expertise in implementing the Workforce Investment Act, and extensive experience with private industry training and employment. Services requested include advising on program structure and implementation; building and maintaining relationships with private employers, City agencies and educational institutions; keeping abreast of other training programs and funds; and program administration.

To obtain an RFP, please submit your name, company name, address and telephone number to Paul Tamboia, CPPB Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to CETP-0701 in the subject line. Development proposals must be submitted to EDC by 5:00 p.m. on Friday, July 27, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. - (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities, surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RFP FOR THE RESTAURANT AT RICHMOND COUNTY BANK BALLPARK - Request for Proposals - DUE 07-16-01 AT 2:00 P.M. - development of a restaurant / cafe located within the new minor league baseball stadium, the Richmond County Bank Ballpark, in the St. George community of Staten Island. The Ballpark is immediately north of the Staten Island Ferry Terminal.

The restaurant space is built into the facade of the stadium, next to the main plaza and entrance to the stadium and adjacent to the Ferry Terminal's commuter parking lots. The restaurant area is approximately 7,800 square feet consisting of three floors, including a basement with waterfront views and potential outdoor seating. EDC seeks the development and operation of this space as a restaurant or cafe to complement the Ballpark.

e-mail to info@newyorkbiz.com. Please refer to SGR-0501 in the subject line.

REAL ESTATE DEVELOPMENT OPPORTUNITIES IN NEW YORK CITY - Request for Proposals - DUE 09-26-01 AT 2:00 P.M. - The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is selling a range of industrial, commercial and residential properties from the City's real estate portfolio.

South Street Seaport, Manhattan - Commercial and/or Residential
 Seven lots are available for restoration and development. This unique 33,000 square foot assemblage includes a total of 15,565 square feet of vacant land, plus 80,000 square feet of distinctive historic loft buildings. The lots are zoned C6-4.

Alphabet City, Manhattan - Commercial and/or Residential
 Approximately 15,100 square feet of vacant land is available for development on Avenue D between East 7th and 8th streets in Alphabet City. The site is zoned R7-2 with a C1-5 overlay.

East Harlem, Manhattan - Commercial and/or Residential
 Approximately 7,525 square feet of vacant land is available in East Harlem on Fifth Avenue between East 115th and 116th streets. The site is zoned R7-2 with a C1-4 overlay.

Washington Heights, Manhattan - Commercial with Parking Potential
 Approximately 22,400 square feet of vacant land is available for construction of a parking garage with street-level retail space on Broadway between 184th and 185th streets. The site is zoned C8-3 and ULURP was completed to permit a 375-space garage.

Downtown Brooklyn - Commercial with Parking
 An approximately 50,000 square foot footprint and 16,000 square feet of retail space are available. The site is zoned C6-1, and has excellent access to transportation.

East New York, Brooklyn - Commercial
 Six sites of primarily vacant land, totaling approximately 101,700 square feet, are available for commercial development along Livonin Avenue in a newly developed neighborhood in East New York. This retail strip, zoned R6-2 with a C2-3 overlay, is expected to serve the needs of its growing populations.

East New York, Brooklyn - Industrial
 Three urban renewal sites, totaling approximately 66,900 square feet, are available in the East New York In-Place Industrial Park. The sites are zoned M1-4. These are the last remaining city-owned assemblages for industrial development in the park.

Development guidelines and submission requirements are outlined in the Request For Proposal (RFP) packages, available from EDC. In addition, there will be a special informational meeting about these sites on Wednesday, August 1, 2001. For details about the informational meeting or to request a complete RFP package for any of these items, please call (212) 312-3969 or e-mail info@newyorkbiz.com, referring to "Opportunities for Development" in the subject line.

Development proposals must be submitted by 2:00 p.m. on Wednesday, September 26, 2001 to Paul Tamboia, CPPB Director, Contract Administration and Procurement, 110 William Street, 4th Floor, New York, NY 10038.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

BINDING REPORTS

Table with 3 columns: ISSUE DATE, DOCKET #, SRB #, ADDRESS, BOROUGH, BLOCK/LOT. Row 1: 06/29/01, 017321, SRB 01-7654, 2 EASTERN PARKWAY, BROOKLYN, 1183 / 2

To the Mayor, the Council, and the Director of the Brooklyn Public Library.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for facade masonry restoration including repairs to the limestone such as patching with a cementitious material, Dutchman repairs and pinning loose panels; repointing brick and stone; patching and replacing stucco; cleaning with Sure Klean and Diedrich products as shown and described in drawings 1 through 20, revised May 24, 2001, and a Project Manual, dated May 29, 2001, prepared by Superstructures Engineers and Architects.

In reviewing this proposal, the Commission notes that the Brooklyn Public Library, Central Building designation report states that the building is a limestone-clad Modern Classical structure designed by Alfred Morton Githens and Francis Keally with Art Deco detailing by sculptors Thomas Hudson Jones and C. Paul Jennewein, and constructed in 1935-41; and that an addition was constructed in the rear in the 1960's.

With regard to this proposal, the Commission finds that all repairs to the limestone will match the color, texture, and finish of the surrounding masonry; that all stucco patches and replacement stucco will match the color, texture and finish of the existing; that new mortar joints will match the color, dimensions, strength and tooling of the existing; that the masonry will be cleaned using the gentlest effective method; and that the work will contribute to the long-term preservation of this individual landmark. Based on these findings, the Commission determines the proposed work to be appropriate to the Brooklyn Public Library, Central Building, Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

To the Mayor, the Council, and the Commissioner of the NYC Department of Parks and Recreation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission received a proposal for restorative exterior work including, the replacement of the deteriorated cedar shingles on the roof of the main house with new, pre-treated cedar shingles, cut and installed to match the existing 5 1/2-inch shingle exposure; the replacement of deteriorated copper apron flashing at selected areas on the roof of the main house with new, lead-coated copper flashing; the replacement of 84 linear feet of deteriorated cedar roof railing ("widow's walk balustrade") with a new cedar railing, including the replacement of latticework fencing, ten structural posts and decorative finials, painted white to match existing; the replacement of deteriorated wood sheathing inside the main house roof frame with new, pre-treated wood; the replacement of deteriorated wood sashes in the basement windows with new wood sashes, and the repair of muntins, to be painted white to match the existing color; and the removal, cleaning, and re-installation of basement window hardware, along with the replacement of inappropriate window hardware, including the replication of new custom-made hardware to match existing. The proposed work also includes the reconstruction of mechanical systems in the building's interior. This work is outlined in present condition photographs, specifications, and drawings 2 through 7, dated revised June 5, 2001, prepared by Koutsomitis Architects, and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Morris-Jumel Mansion is a free-standing, two-story wood frame Georgian house which was built in 1765; that the interiors of the mansion display fine Georgian architectural detail; and that its siting on sloping landscape grounds in Manhattan ranks among the most beautiful or our nation's historic monuments. The Commission further notes, that most of the existing cedar roof shingles, sections of the roof balustrade, as well as sections of the sheathing of the roof frame, and sections of the basement wood windows of the house are severely deteriorated.

With regard to this proposal, the Commission finds that in accordance to provisions of the Rules of the City of New York, Title 63, Section 2-17, that the basis of the design of the proposed restoration's authenticity is documented by photographic evidence and physical evidence on the building; that the replacement of deteriorated cedar shingles and copper apron flashing on the roof will improve the appearance of the roof; that the new shingles will match the existing cedar shingles in terms of material, size, color, texture, coursing and exposure; that this work will prevent future water penetration and damage; that the new lead-coated copper flashing will match the existing in terms of size and placement, and will also help keep away water and protect the underlying structure from water penetration; that the new wood sheathing inside the building's roof frame will provide reinforcement to the roof, adding structural stability to support the new shingles and flashing, as well as insuring the safety of occupants; that the reconstruction of the cedar roof railing ("widow's walk balustrade") will not cause damage to, or demolition of, any significant features of the building; that the new railing, posts, finials and latticework will match the existing in terms of design, height, material, and finish; and that the new railing will be in keeping with the character of the original historic railing, which is a significant historic and architectural feature of the building, and a common feature of other buildings of this age and style. The Commission further finds, in accordance with provisions of the RCNY, Title 63, Section 3-04 (e)(1), that the condition of the basement windows has deteriorated to a point that requires sash replacement; and that the new sashes will match the existing sashes in terms of configuration, operation, details, material, and finish. The Commission finally finds, that the restoration will not cause the removal of significant historic fabric that may have been added over time and that is evidence of the history and development of the building. Based on these findings, the Commission determined the work to be appropriate to the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Hansel Hernandez Navaroto.

Chapter 1 Special Midtown District

8/6/98

81-00 GENERAL PURPOSES

The "Special Midtown District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) to strengthen the business core of Midtown Manhattan by improving the working and living environments;
(b) to stabilize development in Midtown Manhattan and provide direction and incentives for further growth where appropriate;
(c) to control the impact of buildings on the access of light and air to the streets and avenues of Midtown;
(d) to link future Midtown growth and development to improved pedestrian circulation, improved pedestrian access to rapid transit facilities, and avoidance of conflicts with vehicular traffic;
(e) to preserve the historic architectural character of development along certain streets and avenues and the pedestrian orientation of ground floor uses, and thus safeguard the quality that makes Midtown vital;
(f) to continue the historic pattern of relatively low building bulk in midblock locations compared to avenue frontages;
(g) to improve the quality of new development in Midtown by fostering the provision of specified public amenities in appropriate locations;
(h) to preserve, protect and enhance the character of the Theater Subdistrict as the location of the world's foremost concentration of legitimate theaters and an area of diverse uses of a primarily entertainment and entertainment-related nature;
(i) to strengthen and enhance the character of the Eighth Avenue Corridor and its relationship with the rest of the Theater Subdistrict and with the Special Clinton District;
(j) to create and provide a transition between the Theater Subdistrict and the lower-scale Clinton community to the west;
(k) to preserve, protect and enhance the scale and character of Times Square, the heart of New York City's entertainment district, and the Core of the Theater Subdistrict, which are characterized by a unique combination of building scale, large illuminated signs and entertainment and entertainment-related uses;
(l) to preserve, protect and enhance

the character of Fifth Avenue as the showcase of New York and national retail shopping;

(m) to preserve the midblock area around north of the Museum of Modern Art for its special contribution to the historic continuity, function and ambience of Midtown;

(n) to expand and enhance the pedestrian circulation network connecting Grand Central Terminal to surrounding development, to minimize pedestrian congestion and to protect the area's special character;

(o) to expand the retail, entertainment, and commercial character of the area around Pennsylvania Station and to enhance its role as a major transportation hub in the city;

(p) to provide freedom of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms without the need for special development permissions or "negotiated zoning"; and

(r) to promote the most desirable use of land and building development in accordance with the District Plan for Midtown and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

8/6/98 81-024

Integration clauses

(a) The underlying zoning districts shall be deemed to be integral parts of the #Special Midtown District#. If the underlying zoning district of any #zoning lot# shall be amended or shall be nullified by any court of competent jurisdiction, such amendment or adjudication shall be construed to amend the #Special Midtown District# to remove such #zoning lot# from the #Special Midtown District# whereupon the regulations of the prior underlying district shall apply.

(b) The #bulk# regulations contained in Sections 81-20 through 81-29 shall be deemed to be an integral unit and no modification thereof shall be permitted, except in accordance with the provisions of Section 200 of the New York City Charter. If any sentence, clause, paragraph or part of Sections 81-20 through 81-29 shall be adjudged by any court of competent jurisdiction to be invalid, such judgement shall not be confined in its operation to the sentence, clause, paragraph or part thereof directly involved in the controversy in which such judgement shall have been rendered, but shall also be construed to invalidate and prohibit the application of the remainder of Sections 81-20 through 81-29. However, any such judgement shall not act to invalidate any other sentence, paragraph, clause, section or chapter of the Zoning Resolution.

8/26/92 81-03

District Plan

The regulations of this Chapter are designed to implement the #Special Midtown District# Plan.

The District Plan partly consists of the following four maps:

- Map 1 Special Midtown District and Subdistricts
Map 2 Retail and Street Wall Continuity
Map 3 Subway Station and Rail Mass Transit Facility Improvement Areas
Map 4 Network of Pedestrian Circulation

The maps are located in Appendix A of this Chapter and are hereby incorporated and made a part of this Resolution. They are incorporated for the purpose of specifying locations where special regulations and requirements set forth in the text of this Chapter apply.

8/6/98 81-04

Subdistricts

In order to carry out the purposes and provisions of this Chapter, four special Subdistricts are established within the #Special Midtown District#. In each of these Subdistricts certain special regulations apply which do not apply in the remainder of the #Special Midtown District#. The Subdistricts are outlined on Map 1 (Special Midtown District and Subdistricts) in Appendix A.

The Subdistricts, together with the Sections of this Chapter specially applying to each, are as follows:

Table with 2 columns: Subdistricts, Sections Having Special Application

Table with 2 columns: Penn Center Subdistrict, Grand Central Subdistrict, Theater Subdistrict, Fifth Avenue Subdistrict, Preservation Subdistrict, 81-50, 81-60, 81-70, 81-80, 81-90

The Subdistricts are also subject to all other regulations of the #Special Midtown District# and, where applicable pursuant to Section 81-023, the #Special Clinton District# and the underlying districts, except as otherwise specifically provided in the Subdistrict regulations themselves.

81-066

Special permit modifications of Section 81-40 and certain Sections of Article VII, Chapter 7

The City Planning Commission, by special permit, for #zoning lots# where the #lot area# is at least 60,000 square feet or that occupy an entire #block#, may permit modification of the mandatory district plan elements of Section 81-40 or the provisions of Article VII, Chapter 7, that determine the distribution of permitted #floor area# on such #zoning lots#, and, in conjunction with such modifications, may also modify the applicable #yard# and #court# requirements. However, no exception to the #street wall# or retail continuity requirements shall be permitted on Fifth Avenue or within 50 feet of Fifth Avenue within the #Special Midtown District#.

The modifications shall be subject to the following findings:

- (a) that the modifications of mandatory plan elements, or #floor area# allocation, or #rear yard# and #court# regulations, result in a better arrangement of required facilities or in better site planning on a uniquely large #zoning lot#;
(b) that a substantial majority of the #zoning lot# is either vacant at the time of certification for review, pursuant to Section 197-c of the New York City Charter, or contains #buildings# that will be an integral part of the #development#, both physically and programmatically;
(c) that the design, scale and location of the new #buildings# or #enlarged buildings# are compatible with the character of the surrounding area and existing #buildings# to remain on the #zoning lot#;
(d) that such modifications will not unduly obstruct the access of light and air to surrounding properties;
(e) that any adverse impact on retail continuity is minimized by a site plan that requires pedestrian-oriented #uses# along the boundaries of any open or enclosed public areas within the #development#;
(f) that such modifications of mandatory plan elements or #floor area# allocation are consistent with the basic strategy of the #Special Midtown District# and the purposes of the Mandatory District Plan Elements.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects of on the character of the surrounding area.

81-253
Special provisions for Grand Central, Theater, Fifth Avenue, Penn Center, and Preservation Subdistricts

The provisions of Sections 81-26 (Height and Setback Regulations) and 81-27 (Alternate Height and Setback Regulations) are supplemented and modified by special provisions applying in the Fifth Avenue Subdistrict, as set forth in Section 81-81 (General Provisions) and Section 81-83 (Special Street Wall Requirements) or in the Theater Subdistrict as set forth in Sections 81-71 (General Provisions) and 81-75 (Special Street Wall and Setback Requirements) or in the Grand Central Subdistrict as set forth in Sections 81-61 (General Provisions), 81-621 (Special street wall requirements) and 81-622 (Special height and setback requirements) or in the Penn Center Subdistrict as set forth in Section 81-532 (Special street wall requirements).

The provisions of Sections 81-26 and 81-27 are not applicable in the Preservation Subdistrict, where front wall heights and setbacks are regulated by the provisions of Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT).

[Note: this section 81-29 was formerly 81-50 which is now proposed for Special Regulations for the Penn Center Subdistrict.]

81-29
INCENTIVES BY SPECIAL PERMIT
FOR PROVISIONS OF PUBLIC AMENITIES

81-291
General Provisions and Procedures
The City Planning Commission may grant special permits authorizing, for non-residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of this Section.

81-292
Subway station improvements

Except in the Preservation Subdistrict and except for #zoning lots# located wholly within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission may grant special permits for #floor area# bonuses for non-residential# or #mixed buildings#, in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan).

The subway stations where such improvements are permitted are listed in the following table and shown on Map 3 (Subway Station and Rail Mass Transit Facility Improvement Areas) in Appendix A.

MANDATORY DISTRICT PLAN ELEMENTS

2/10/99
81-41
General Provisions

The provisions of Section 81-40 (MANDATORY DISTRICT PLAN ELEMENTS) specify mandatory planning and urban design features to be provided in connection with new #developments# or #enlargements#. Requirements which apply generally or with minor specified exceptions throughout the #Special Midtown District# are fully set forth in the provisions of Section 81-40. For requirements which are not generally applicable but tied to specific locations within the District, the locations where these requirements apply are shown on Map 2 (Retail and Street Wall Continuity)

or Map 3 (Subway Station and Rail Mass Transit Facility Improvement Areas) in Appendix A.

The provisions of Section 81-40 are all primarily oriented toward the accommodation and well-being of pedestrians. The requirements pertain to a number of elements which are interrelated and complement one another but are set forth in different sections because they can be treated separately. Sections 81-42 (Retail Continuity along Designated Streets), 81-43 (Street Wall Continuity along Designated Streets) and 81-44 (Curb Cut Restrictions) are a group of sections with closely related purposes concerned with amenity and the well-being and safety of pedestrians. Sections 81-45 to 81-48, inclusive, are all concerned primarily with pedestrian traffic circulation. Major building entrances are focal points of heavy pedestrian traffic, so that controls on the locations of these entrances as set forth in Section 81-48 are closely related to the pedestrian circulation space requirements.

Special district plan requirements for the Penn Center Subdistrict are set forth in Section 81-50 (SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT). Special district plan requirements for the Grand Central Subdistrict are set forth in Section 81-60 (SPECIAL REGULATIONS FOR THE GRAND CENTRAL SUBDISTRICT), special district plan requirements for the Theater Subdistrict are set forth in Section 81-70 (SPECIAL REGULATIONS FOR THEATER SUBDISTRICT), special district plan requirements for the Fifth Avenue Subdistrict are set forth in Section 81-80 (SPECIAL REGULATIONS FOR FIFTH AVENUE SUBDISTRICT) and special district plan requirements for the Preservation Subdistrict are set forth in Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT).

2/10/99
81-42
Retail Continuity along Designated Streets

On designated retail #streets# (see Appendix A, Map 2), for any #developments# or #enlargements# fronting on such #streets#, #uses# located on the ground floor level or within five feet of #curb level# shall be limited to retail, personal service or amusement #uses# permitted by the underlying zoning district regulations but not including #uses# in Use Groups 6B, 6E, 7C, 7D, 8C, 8D, 9B, 10B, 11 and 12D or automobile showrooms or plumbing, heating or ventilating equipment showrooms. Museums and libraries shall be permitted. A building's #street# frontage shall be allocated exclusively to such #uses#, except for:

- (a) lobby space or entrance space;
(b) entrance areas to subway station improvements for which bonus #floor area# is granted and #street wall# continuity restrictions waived pursuant to Sections 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and 81-51+292 (Subway station improvements);
(c) one or more of the following pedestrian circulation spaces subject to the #street wall# continuity requirements of Section 81-43 (Street Wall Continuity Along Designated Streets):

- (1) relocated subway stairs provided in accordance with Sections 37-03 and 81-46 (Off-Street Relocation or Renovation of a Subway Stair);
(2) through #block# connections provided in accordance with paragraph (h) of Section 37-073 (Design standards for pedestrian circulation spaces); and
(3) off-street improvements of access to rail mass transit facilities provided in accordance with Section 81-48 (Off-Street Improvement of Access to Rail Mass Transit Facility).

Except as provided in the following sentence, in no event shall the length of #street# frontage occupied by lobby space, entrance space and/or a building entrance recess exceed in total 40 feet or 25 percent of the building's total #street# frontage exclusive of any frontage occupied by a relocated subway stair, a through #block# connection, an off-street improvement of access to rail mass transit facility or the entrance area to a bonused subway station improvement. However, the total length of #street# frontage occupied by lobby space and/or entrance space need not be less than 20 feet.

Storefronts for the permitted ground floor #uses# shall be not more than 10 feet from the #street line# or, where an arcade is provided with supporting columns at the #street line#, not more than 10 feet from the supporting columns.

Access to each retail, personal service or amusement establishment required under this Section shall be provided directly from the designated retail #street#. Where more than one entrance is provided to the establishment, direct access from the designated retail #street# shall be provided via the entrance with the greatest aggregate clear opening width. At least 50 percent of the #street wall# surface of each required

establishment shall be glazed with clear untinted transparent material and not more than 50 percent of such transparent surface shall be painted or obstructed with #signs#. For the purpose of this glazing requirement, the establishment's #street wall# surface shall be measured from the floor to the height of the ceiling or 14 feet above grade, whichever is less.

#Developments# or #enlargements# on designated retail #streets# located within the boundaries of the Penn Center Subdistrict, the Theater Subdistrict, or the Fifth Avenue Subdistrict shall be subject to the respective Subdistrict retail requirements (Sections 81-531, 81-72 and 81-82).

All #street# frontages of #developments# or #enlargements# on #zoning lots# located within the Theater Subdistrict Core as defined in Section 81-71 (General Provisions) shall meet the ground level and entertainment-related #use# requirements of Section 81-72 (Use Regulations Modified).

2/10/99
81-43
Street Wall Continuity Along Designated Streets

On designated #streets# where #street wall# continuity is required (see Appendix A, Map 2) and, between 43rd and 50th Streets, on the #narrow street# frontages of #zoning lots# with #street# frontage on Seventh Avenue and/or Broadway, the surface of the #street wall# of a new #development# or #enlargement#, for the minimum length and height set forth in this Section, shall be within 10 feet of the #street line# or within 10 feet of a permitted arcade's supporting columns at the #street line#, except that on 57th Street, 42nd Street, 34th Street and Fifth Avenue, no #street wall# setback below a height of 85 feet is permitted. The length of the #street wall# subject to setback restrictions shall be at least 80 percent of the length of the #front lot line# along the specified #street#, measured at the specific heights or anywhere above the specific heights indicated on the following table. At those specific heights or anywhere above those specific heights, the #street wall# must extend continuously within 10 feet of the #street line# for all of its required length, except that: on 57th Street, 42nd Street, 34th Street, and Fifth Avenue, at a height of 85 feet or above, the #street wall# must extend continuously without setback for at least 75 percent of its required length and no portion of its required length shall be set back more than 10 feet from the #street line#; and, for #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway, any portion of the required length of a #street wall# which lies behind a #sign# required under the provisions of Section 81-732 (Special Times Square signage requirements) may be set back up to 15 feet from the #street line#.

The minimum height of a #street wall# subject to the setback restrictions shall be as follows:

Table with 2 columns: Length of #Zoning Lot#, Frontage Minimum Height of a #Street Wall# Subject to the Setback Restrictions

For #zoning lots# with frontages of 50 feet or less on the designated #street# Four #stories# or 50 feet above #curb level# whichever is less

For #zoning lots# with frontages of more than 50 feet on the designated #street# Six #stories# or 85 feet above #curb level# whichever is less

#Developments# which are in their entirety no more than two #stories# in height shall be exempt from the minimum #street wall# height requirements.

Pedestrian circulation spaces may be provided to meet the requirements of Sections 81-45 (Pedestrian Circulation Space), 81-46 (Off-street Relocation or Renovation of a Subway Stair) or 81-48 (Off-street Improvement of Access to Rail Mass Transit Facility) subject to the setback restrictions of this Section and to the minimum length of the #street wall# subject to such setback restrictions. However, the City Planning Commission may waive such restrictions for a subway entrance area which is part of a subway station or a rail mass transit facility improvement for which bonus #floor area# is granted, in accordance with the provisions of Sections 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and 81-51+292 (Subway station improvements), and 81-542 (Rail mass transit facility improvement), or an off-street improvement of access to a rail mass transit facility that has been certified in accordance with Section 81-48.

Except on 57th Street, 42nd Street, 34th Street and Fifth Avenue, below the minimum height of a #street wall# subject to the setback restriction, recesses (whose depth shall be measured in all cases from the #street line#) shall be permitted only as follows: no recesses greater than 15 feet deep shall be permitted, recesses up to 15 feet deep shall be limited in their aggregate area to no more than 30 percent of the area of the #street wall# below the minimum required #street wall# height; in addition,

recesses up to 12 feet deep shall be limited in their aggregate area to no more than 20 percent of the area of the #street wall# below the minimum required #street wall# height, and recesses up to 10 feet deep shall not be limited in their aggregate area.

On 57th Street, 42nd Street, 34th Street and Fifth Avenue, below the minimum height of a #street wall# subject to the setback restriction, recesses (whose depth shall be measured in all cases from the #street line#) shall be permitted only as follows: no recesses greater than 10 feet deep shall be permitted, recesses up to 10 feet deep shall be limited in their aggregate area to no more than 30 percent of the area of the #street wall# below the minimum required #street wall# height; in addition, recesses up to two feet deep shall be limited in their aggregate area to no more than 20 percent of the area of the #street wall# below the minimum required #street wall# height and recesses up to one foot deep shall not be limited in their aggregate area.

The restrictions on recesses shall not apply to arcades, corner arcades, subway stairs relocated within the #building#, through #block# connections within the #building# or building entrance recess areas within the #building#, where such spaces are provided in accordance with the requirements and design standards of Sections 81-45 or 81-46 and provided that such spaces shall be subject to a maximum height limit of 30 feet. Any recesses in the #residential# portion of a #building# shall comply with the #outer court# regulations of Section 23-84.

No arcades, sidewalk widenings or #urban plazas# shall be permitted on Fifth Avenue, 34th Street, 42nd Street or 57th Street frontages. Between 42nd and 56th Street, no arcades or #urban plazas# shall be permitted on Eighth Avenue. Between 43rd and 50th Streets, no arcades or #urban plazas# shall be permitted on Seventh Avenue or Broadway and, with the exception of marquees and #signs#, any area between the Seventh Avenue or Broadway #street line# and any required #street wall# below the height of the first required setback, including permitted recesses, shall be open from #curb level# to the sky in its entirety. Any such area shall be at the same elevation as the adjoining sidewalk, directly accessible to the public at all times and free of all obstructions at ground level, including #street# trees. On the remaining #streets# designated for #street wall# continuity, arcades, if provided, shall be not less than 10 feet in depth and not more than 30 feet high. Arcades shall not be counted toward the recess allowances.

For #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements).

For #zoning lots# located wholly or partially within the Eighth Avenue Corridor, the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75.

On Fifth Avenue, the minimum required #street wall# height without setback shall be 85 feet and the maximum allowable #street wall# height without setback shall be 125 feet. Above the maximum #street wall# height, a setback of at least 10 feet shall be required. (See Section 81-83).

Existing #buildings# on a #zoning lot# shall be included in measurements of the #street wall#. No existing #building# shall be altered such that a #non-compliance# with the provisions of this Section is created, nor shall an existing degree of #non-compliance# with these provisions be increased.

81-46
Off-Street Relocation or Renovation of a Subway Stair

Where a #development# or #enlargement# is constructed on a #zoning lot# that contains at least 5,000 square feet of #lot area# and fronts on a sidewalk containing a stairway entrance or entrances into a subway station, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair). A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The subway stations where such improvements are required are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

Table with 2 columns: Station, Line. Rows include 34th St-Penn Station, 34th St-Herald Square, 42nd St., 42nd St-Times Square.

81-50 SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT

81-51 General Provisions
In order to establish the Penn Center Subdistrict as a destination and enhance its retail, entertainment and commercial character and expand accessibility to its transportation network, special regulations are set forth governing the location and type of #signs#, urban design and streetscape relationships, and the improvement of pedestrian circulation to and from public transit facilities.

The regulations of Section 81-50 (SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT) are applicable only in the Penn Center Subdistrict, the boundaries of which are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A. These regulations supplement or modify the provisions of this Chapter applying generally to the #Special Midtown District#, of which this Subdistrict is a part.

81-52 Sign Regulations

The provisions of this section shall apply to all #zoning lots# with frontage along Seventh Avenue.

(a) #Signs# unlimited in area, including #advertising signs#, #flashing signs# and #illuminated signs# shall be permitted to a height of 60 feet above #curb level#. Below a height of 14 feet above #curb level#, such #signs# shall not occupy more than 50 percent glazed #street wall# surface required pursuant to Section 81-42, nor shall such #signs# be located within ten feet of an entrance to a rail mass transit facility or subway station.

No #signs# shall project across a #street line# more than 18 inches for double- or multi-faceted #signs# or 12 inches for other signs, except that #signs# within 40 feet of the intersection of two #streets# may project up to eight feet across a #street line#.

However, on a #zoning lot# that contains or is adjacent to an entrance or is adjacent to a rail mass transit facility or subway station, no permit shall be issued for any #signs# that extend or are located above a height of 40 feet above #curb level#, unless each such entrance is clearly identified with transit informational #signs# pursuant to Section 81-521 (Rail mass transit and subway entrance informational signs).

(b) #Signs# above a height of 40 feet on any #building# listed on the State and/or National Register of Historic Places, or any #building# formally determined eligible for inclusion on the Register, may be permitted upon authorization by the City Planning Commission that the proposed methodology for attaching such #signs# shall be reversible and such #signs# shall not be disruptive to the historic fabric of the #building#.

(c) #Signs# including #advertising signs#, #flashing signs# and #illuminated signs#, unlimited in area, above a height of 60 feet and below a height of 120 feet above #curb level#, may be permitted at the intersection of two #streets# by the City Planning Commission upon certification that:

- (a) such #signs# are located on #zoning lots# that contain an entrance to or are adjacent to an entrance to a rail mass transit facility and or subway station;
- (b) such #signs# and #sign# structure onto which #signs# are attached are within 40 feet of the intersection of two #streets#;
- (c) such #signs# project no more than 8 feet beyond the #street line#;
- (d) such #signs# are no wider than 40 feet each;
- (e) special lighting effects are provided at the top of any #sign# structure; and
- (f) the requirements for transit informational #signs# of Section 81-521 are met.

(d) #Signs# including #advertising signs#, #flashing signs# and #illuminated signs#, above a height of 60 feet and below a height of 120 feet above #curb level# may be permitted on the west blockfront of Seventh Avenue between West 31st and West 33rd Streets by the City Planning Commission upon certification that:

- (1) such #signs# are within 30 feet of the centerline of the westerly prolongation of West 32nd Street;
- (2) such #signs# are no wider than 40 feet each;
- (3) such #signs# and #sign# structure onto which #signs# are attached shall have a minimum of 10 feet clearance from the adjacent #building#;
- (4) such #sign# structure onto which #signs# are attached shall not unduly obstruct or impede pedestrian circulation into, through, or along the open area on the #zoning lot# and shall allow visibility throughout the open area;
- (5) special lighting effects are provided at the top of any #sign# structure; and
- (6) the requirements for transit informational #signs# of Section 81-521 are met.

(e) #Signs# including #advertising signs#, #flashing signs# and #illuminated signs# above a height of 150 feet and below a height of 180 feet above #curb level#, may be permitted along the #block# on the west blockfront of Seventh Avenue between West

31st and West 33rd Streets, upon authorization by the City Planning Commission that such #signs# are consistent with the goals of the Penn Center Subdistrict.

81-521
Rail mass transit and subway entrance informational signs
For a #zoning lot# that contains or is adjacent to an entrance or entrances to a rail mass transit facility or subway station, no permit shall be issued for any #signs# that extend or are located above a height of 40 feet above #curb level#, unless each such entrance is clearly identified with rail mass transit or subway entrance informational #signs# in accordance with the following paragraphs (a) and (b):

(a) Rail mass transit or subway entrance informational #signs# shall prominently and permanently identify the entrance on both #streets# of a #corner lot#. Where rail mass transit or subway entrance informational #signs# are provided at the western blockfront of Seventh Avenue between West 31st and West 33rd Streets, such #signs# shall prominently and permanently identify the entrance to Pennsylvania Station to pedestrians on both Seventh Avenue and West 32nd Street. All such informational #signs# shall comply with the following requirements:

- 1. such #signs# shall contain only transit information;
 - 2. such #signs# shall be illuminated and located no less than 12 feet above and no more than 25 feet above #curb level#;
 - 3. such #signs# shall contain the word "Subway" and/or appropriate other rail mass transit identification and transit line symbols. The graphic standards shall adhere to New York City Transit or other pertinent transit agency standards with all letters no less than 3 feet and transit symbols no less than 2 feet in dimension;
 - 4. such #signs# shall be no less than 30 feet in length on each #street# and shall extend farther than 30 feet in order to include the actual entrance; and
 - 5. such #signs# may project up to 5 feet beyond the #street line#.
2. At the rail mass transit or subway entrance, a marquee shall be provided to further identify the entrance. The entrance marquee shall comply with the following requirements:
- 1. such marquee shall contain only transit information;
 - (2) such marquee shall be illuminated and located no less than 12 feet above and no more than 25 feet above #curb level#;
 - (3) such marquee shall have a minimum length of 20 feet or the full width of the entry, whichever is less;
 - (4) such marquee shall project no less than 5 feet beyond the transit or subway informational #sign#; and
 - (5) such marquee shall include the mass transit identification and transit line symbols, which shall be illuminated and meet the minimum dimensions as per (a) above and, by doing so, shall satisfy those requirements.

81-53 Special Bulk and Urban Design Requirements

In addition to the requirements set forth in Section 81-25 (General Provisions Relating to Height and Setback of Buildings) and Section 81-40 (MANDATORY DISTRICT PLAN ELEMENTS), the provisions of this Section shall apply to a #development# or #enlargement# having 50 percent or more of its #zoning lot area# within the Penn Center Subdistrict. For the purposes of this Section, all such #zoning lots# shall be deemed to be entirely within the Subdistrict. If any of the provisions of Sections 81-25, 81-40 and 81-53 are in conflict, the regulations of this Section shall govern.

81-531 Special retail frontage requirements

The provisions of Section 81-42 (Retail Continuity along Designated Streets) shall apply within the Penn Center Subdistrict. However, the requirements that at least 50 percent of the #street wall# surface of each ground floor establishment be glazed with clear, untinted, transparent material, and not more than 50 percent of such transparent surface be painted or obstructed with #signs# shall not apply to any informational signs or marquees provided to identify rail mass transit or subway entrances in accordance with Section 81-52 (Sign Regulations).

81-532 Special street wall requirements

The provisions of Section 81-43 (Street Wall Continuity along Designated Streets) shall be modified to require that the front building wall of all #developments# and #enlargements# along the Seventh Avenue frontage of #zoning lots# shall be a minimum of 85 feet above #curb level# or the full height of the #building#, whichever is less.

In addition, the restrictions on permitted recesses contained in Section 81-43 shall not apply to pedestrian circulation spaces provided in accordance with Section 81-46 (Off-Street Relocation or Renovation of a Subway Stair) or Section 81-48 (Off-Street Improvement of Access to Rail Mass Transit Facility) nor to interstitial spaces between #signs# or between building walls and #signs#.

81-54 Floor Area Bonus in the Penn Center Subdistrict

81-541
Rail mass transit facility improvement. In addition to the provisions of Section 81-29 (Incentives by Special Permit for Provisions of Public Amenities), the City Planning Commission may grant #floor area# bonuses for subway station improvements for non-#residential# or #mixed buildings# in accordance with Section 81-29 (Incentives by Special Permit for Provisions of Public Amenities) and Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and may modify or waive the provisions of Section 81-43 (Street Wall Continuity Along Designated Streets) in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) provided that such improvement is approved by the entities which own and/or operate the rail mass transit facility.

For the purposes of this Section, improvements to any rail mass transit facility within the Subdistrict qualifies for bonus #floor area# in accordance with the provisions of Section 74-634, as modified herein.

81-542
Retention of floor area bonus for plazas or other public spaces. For the #zoning lot# bounded by West 34th Street, Seventh Avenue, West 33rd Street, and Eighth Avenue, which contains at least 10,000 square feet of existing #plaza# or other bonused public amenity in the Penn Center Subdistrict, the maximum allowed #floor area# bonus for all existing #plaza# or other public amenities on the #zoning lot# may be retained at the amount allowed prior to (date of the amendment), subject to all other provisions of this Resolution, notwithstanding inclusion of such #zoning lot# within the #Special Midtown District#.

SUPREME COURT

NOTICE

**ORDER TO SHOW CAUSE
NEW YORK COUNTY
INDEX NUMBER 403918/01**

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for Bradhurst Urban Renewal Area (Phase III) located in the area generally bounded by West 155th Street on the north, Adam Clayton Powell Jr. Boulevard on the east, West 138th Street on the south and Edgecombe and Bradhurst Avenues on the west, in the Borough of Manhattan, City and State of New York.

Upon reading and filing this Order to Show Cause, the annexed Verified Petition and the exhibits annexed to said Petition,

IT IS ORDERED that all interested parties show cause before this Court at 60 Centre Street, New York, New York 10007, at IAS Part 24, in Room 690 on July 25, 2001, at 9:30 A.M., or as soon thereafter as counsel can be heard, why an Order should not be entered.

1. granting the Verified Petition in all respects;

2. authorizing the City to file an acquisition map in the office of the Clerk of New York County or the Office of the City Register;

3. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City (the property sought to be acquired is described below);

4. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

5. providing that notices of claim must be served and filed within one calendar year from the vesting date; and,

IT IS ORDERED that sufficient reason appearing, service by certified mail, return receipt requested (as provided in EDPL § 402(B)(2)) of a copy of this Order and the Verified Petition upon which it is based, upon the persons listed in Schedule A to the Notice of Pendency, which is annexed as Exhibit A to the Verified Petition annexed hereto, on or before July 5, 2001, shall be sufficient service; and,

IT IS ORDERED that pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

**Property Sought To Be Acquired In
This Proceeding**

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Bradhurst Urban Renewal Area (Phase III) in the Borough of Manhattan, City and State of New York. The description of the real property to be acquired is as follows:

Block 2045 Lot 7

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2045 Lot 9

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2051 Lots 125, 126, 127, 128, 129, 130, 132, 133 and 134

Each in its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

**COUNTY OF NEW YORK: IA PART 24
 NOTICE OF ACQUISITION
 INDEX NUMBER 402676/01**

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1623	20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54

------	--

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363

(2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional.

This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

- Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

- Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

- Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual. (see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBES) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines from the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, <http://NYC.GOV>.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT FOR NYC EMPLOYER TRAINING PROGRAM - Request for Proposals - DUE 07-27-01 AT 5:00 P.M. - New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for a Consultant for its New York City Employer Training Program.

The program is designed to provide recruitment assistance and training subsidies for hard-to-fill positions to New York City businesses, thereby generating more job opportunities for City residents. The program will initially target companies receiving other economic development benefits.

EDC is issuing this RFP to identify firms specializing in consultant work for workforce development programs and experience in addressing employer needs for trained workers. Firms that are qualified will have in-house expertise in implementing the Workforce Investment Act, and extensive experience with private industry training and employment. Services requested include advising on program structure and implementation; building and maintaining relationships with private employers, City agencies and educational institutions; keeping abreast of other training programs and funds; and program administration.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. - (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

REAL ESTATE DEVELOPMENT OPPORTUNITIES IN NEW YORK CITY - Request for Proposals - DUE 09-26-01 AT 2:00 P.M. - The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is selling a range of industrial, commercial and residential properties from the City's real estate portfolio.

South Street Seaport, Manhattan - Commercial and/or Residential - Seven lots are available for restoration and development. This unique 33,000 square foot assemblage includes a total of 15,565 square feet of vacant land, plus 80,000 square feet of distinctive historic loft buildings. The lots are zoned C6-4.

Alphabet City, Manhattan - Commercial and/or Residential - Approximately 15,100 square feet of vacant land is available for development on Avenue D between East 7th and 8th streets in Alphabet City. The site is zoned R7-2 with a C1-5 overlay.

East Harlem, Manhattan - Commercial and/or Residential

Approximately 7,525 square feet of vacant land is available in East Harlem on Fifth Avenue between East 115th and 116th streets. The site is zoned R7-2 with a C1-4 overlay.

Washington Heights, Manhattan - Commercial with Parking Potential

Approximately 22,400 square feet of vacant land is available for construction of a parking garage with street-level retail space on Broadway between 184th and 185th streets. The site is zoned C8-3 and ULURP was completed to permit a 375-space garage.

Downtown Brooklyn - Commercial with Parking

An approximately 50,000 square foot footprint and 16,000 square feet of retail space are available. The site is zoned C6-1, and has excellent access to transportation.

East New York, Brooklyn - Commercial

Six sites of primarily vacant land, totaling approximately 101,700 square feet, are available for commercial development along Livonin Avenue in a newly developed neighborhood in East New York. This retail strip, zoned R6-2 with a C2-3 overlay, is expected to serve the needs of its growing populations.

East New York, Brooklyn - Industrial

Three urban renewal sites, totaling approximately 66,900 square feet, are available in the East New York In-Place Industrial Park. The sites are zoned M1-4. These are the last remaining city-owned assemblages for industrial development in the park.

Development guidelines and submission requirements are outlined in the Request For Proposal (RFP) packages, available from EDC. In addition, there will be a special informational meeting about these sites on Wednesday, August 1, 2001. For details about the informational meeting or to request a complete RFP package for any of these items, please call (212) 312-3969 or e-mail info@newyorkbiz.com, referring to "Opportunities for Development" in the subject line.

Development proposals must be submitted by 2:00 p.m. on Wednesday, September 26, 2001 to Paul Tamboia, CPPB Director, Contract Administration and Procurement, 110 William Street, 4th Floor, New York, NY 10038.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a

contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Flr., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.

Chapter 1 Special Midtown District

8/6/98

81-00 GENERAL PURPOSES

The "Special Midtown District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes: (a) to strengthen the business core of Midtown Manhattan by improving

- (b) to stabilize development in Midtown Manhattan and provide direction and incentives for further growth where appropriate;
(c) to control the impact of buildings on the access of light and air to the streets and avenues of Midtown;
(d) to link future Midtown growth and development to improved pedestrian circulation, improved pedestrian access to rapid transit facilities, and avoidance of conflicts with vehicular traffic;
(e) to preserve the historic architectural character of development along certain streets and avenues and the pedestrian orientation of ground floor uses, and thus safeguard the quality that makes Midtown vital;
(f) to continue the historic pattern of relatively low building bulk in midblock locations compared to avenue frontages;
(g) to improve the quality of new development in Midtown by fostering the provision of specified public amenities in appropriate locations;
(h) to preserve, protect and enhance the character of the Theater Subdistrict as the location of the world's foremost concentration of legitimate theaters and an area of diverse uses of a primarily entertainment and entertainment-related nature;
(i) to strengthen and enhance the character of the Eighth Avenue Corridor and its relationship with the rest of the Theater Subdistrict and with the Special Clinton District;
(j) to create and provide a transition between the Theater Subdistrict and the lower-scale Clinton community to the west;
(k) to preserve, protect and enhance the scale and character of Times Square, the heart of New York City's entertainment district, and the Core of the Theater Subdistrict, which are characterized by a unique combination of building scale, large illuminated signs and entertainment and entertainment-related uses;
(l) to preserve, protect and enhance the character of Fifth Avenue as the showcase of New York and national retail shopping;
(m) to preserve the midblock area around north of the Museum of Modern Art for its special contribution to the historic continuity, function and ambience of Midtown;
(n) to expand and enhance the pedestrian circulation network connecting Grand Central Terminal to surrounding development, to minimize pedestrian congestion and to protect the area's special character;
(o) to expand the retail, entertainment and commercial character of the area around Pennsylvania Station and to enhance its role as a major transportation hub in the city;
(p) to provide freedom of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms without the need for special development permissions or "negotiated zoning"; and
(r) to promote the most desirable use of land and building development in accordance with the District Plan for Midtown and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

8/6/98 81-024

Integration clauses

- (a) The underlying zoning districts shall be deemed to be integral parts of the #Special Midtown District#. If the underlying zoning district of any #zoning lot# shall be amended or shall be nullified by any court of competent jurisdiction, such amendment or adjudication shall be construed to amend the #Special Midtown District# to remove such #zoning lot# from the #Special Midtown District# whereupon the regulations of the prior underlying district shall apply.
(b) The #bulk# regulations contained in Sections 81-20 through 81-28 shall be deemed to be an integral

unit and no modification thereof shall be permitted, except in accordance with the provisions of Section 200 of the New York City Charter. If any sentence, clause, paragraph or part of Sections 81-20 through 81-28 shall be adjudged by any court of competent jurisdiction to be invalid, such judgement shall not be confined in its operation to the sentence, clause, paragraph or part thereof directly involved in the controversy in which such judgement shall have been rendered, but shall also be construed to invalidate and prohibit the application of the remainder of Sections 81-20 through 81-28. However, any such judgement shall not act to invalidate any other sentence, paragraph, clause, section or chapter of the Zoning Resolution.

8/26/92

81-03

District Plan

The regulations of this Chapter are designed to implement the #Special Midtown District# Plan.

The District Plan partly consists of the following four maps:

- Map 1 Special Midtown District and Subdistricts
Map 2 Retail and Street Wall Continuity
Map 3 Subway Station and Rail Mass Transit Facility Improvement Areas
Map 4 Network of Pedestrian Circulation

The maps are located in Appendix A of this Chapter and are hereby incorporated and made a part of this Resolution. They are incorporated for the purpose of specifying locations where special regulations and requirements set forth in the text of this Chapter apply.

8/6/98

81-04

Subdistricts

In order to carry out the purposes and provisions of this Chapter, four special Subdistricts are established within the #Special Midtown District#. In each of these Subdistricts certain special regulations apply which do not apply in the remainder of the #Special Midtown District#. The Subdistricts are outlined on Map 1 (Special Midtown District and Subdistricts) in Appendix A.

The Subdistricts, together with the Sections of this Chapter specially applying to each, are as follows:

Table with 2 columns: Subdistricts, Sections Having Special Application. Rows include Penn Center Subdistrict (81-50), Grand Central Subdistrict (81-60), Theater Subdistrict (81-70), Fifth Avenue Subdistrict (81-80), and Preservation Subdistrict (81-90).

The Subdistricts are also subject to all other regulations of the #Special Midtown District# and, where applicable pursuant to Section 81-023, the #Special Clinton District# and the underlying districts, except as otherwise specifically provided in the Subdistrict regulations themselves.

Special permit modifications of Section 81-40 and certain Sections of Article VII, Chapter 7

The City Planning Commission, by special permit, for #zoning lots# where the #lot area# is at least 60,000 square feet or that occupy an entire #block#, may permit modification of the mandatory district plan elements of Section 81-40 or the provisions of Article VII, Chapter 7, that determine the distribution of permitted #floor area# on such #zoning lots#, and, in conjunction with such modifications, may also modify the applicable #yard# and #court# requirements. However, no exception to the #street wall# or retail continuity requirements shall be permitted on Fifth Avenue or within 50 feet of Fifth Avenue within the #Special Midtown District#.

The modifications shall be subject to the following findings:

- (a) that the modifications of mandatory plan elements, #floor area# allocation, #rear yard# and #court# regulations, result in a better arrangement of required facilities or in better site planning on a uniquely large #zoning lot#;
(b) that a substantial majority of the #zoning lot# is either vacant at the time of certification for review, pursuant to Section 197-c of the New York City Charter, or contains #buildings# that will be an integral part of the #development#, both physically and programmatically;
(c) that the design, scale and location of the new #buildings# or #enlarged buildings# are compatible with the character of the surrounding area and existing #buildings# to remain on the #zoning lot#;

- (d) that such modifications will not unduly obstruct the access of light and air to surrounding properties;
(e) that any adverse impact on retail continuity is minimized by a site plan that requires pedestrian-oriented #uses# along the boundaries of any open or enclosed public areas within the #development#;
(f) that such modifications of mandatory plan elements or #floor area# allocation are consistent with the basic strategy of the #Special Midtown District# and the purposes of the Mandatory District Plan Elements.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects of on the character of the surrounding area.

Maximum floor area ratio for non-residential or mixed buildings

- (a) For non-#residential buildings# or #mixed buildings#, the basic maximum #floor area ratios# of the underlying districts shall apply as set forth in this Section.
(b) In the #Special Midtown District#, the basic maximum #floor area ratio# on any #zoning lot# may be increased by bonuses or other #floor area# allowances only in accordance with the provisions of this Chapter, and the maximum #floor area ratio# with such additional #floor area# allowances shall in no event exceed the amount set forth for each underlying district in the following table:

Special provisions for Grand Central, Theater, Fifth Avenue, Penn Center, and Preservation Subdistricts

The provisions of Sections 81-26 (Height and Setback Regulations) and 81-27 (Alternate Height and Setback Regulations) are supplemented and modified by special provisions applying in the Fifth Avenue Subdistrict, as set forth in Section 81-81 (General Provisions) and Section 81-83 (Special Street Wall Requirements) or in the Theater Subdistrict as set forth in Sections 81-71 (General Provisions) and 81-75 (Special Street Wall and Setback Requirements) or in the Grand Central Subdistrict as set forth in Sections 81-61 (General Provisions), 81-621 (Special street wall requirements) and 81-622 (Special height and setback requirements) or in the Penn Center Subdistrict as set forth in Section 81-532 (Special street wall requirements).

The provisions of Sections 81-26 and 81-27 are not applicable in the Preservation Subdistrict, where front wall heights and setbacks are regulated by the provisions of Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT).

[Note: this section 81-29 was formerly 81-50 which is now proposed for Special Regulations for the Penn Center Subdistrict.]

81-29
INCENTIVES BY SPECIAL PERMIT FOR PROVISIONS OF PUBLIC AMENITIES
81-291
General Provisions and Procedures

The City Planning Commission may grant special permits authorizing, for non-residential# or #mixed buildings#, #floor area# bonuses in accordance with the provisions of this Section.

81-292
Subway station improvements

Except in the Preservation Subdistrict and except for #zoning lots# located wholly within the Theater Subdistrict Core, as defined in Section 81-71 (General Provisions), the City Planning Commission may grant special permits for #floor area# bonuses for non-residential# or #mixed buildings# in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan).

The subway stations where such improvements are permitted are listed in the following table and shown on Map 3 (Subway Station and Rail Mass Transit Facility Improvement Areas) in Appendix A.

MIDTOWN SUBWAY STATIONS

Table with 2 columns: Station, Line. Lists stations like 34th St-Penn Station, 42nd St, 47th-50th St/Rockefeller Center, etc.

MANDATORY DISTRICT PLAN ELEMENTS

The provisions of Section 81-40 (MANDATORY DISTRICT PLAN ELEMENTS) specify mandatory planning and urban design features to be provided in connection with new #developments# or #enlargements#. Requirements which apply generally or with minor specified exceptions throughout the #Special Midtown District# are fully set forth in the provisions of Section 81-40. For requirements which are not generally applicable but tied to specific locations within the District, the locations where these requirements apply are shown on Map 2 (Retail and Street Wall Continuity) or Map 3 (Subway Station and Rail Mass Transit Facility Improvement Areas) in Appendix A.

The provisions of Section 81-40 are all primarily oriented toward the accommodation and well-being of pedestrians. The requirements pertain to a number of elements which are interrelated and complement one another but are set forth in different sections because they can be treated separately. Sections 81-42 (Retail Continuity along Designated Streets), 81-43 (Street Wall Continuity along Designated Streets) and 81-44 (Curb Cut Restrictions) are a group of sections with closely related purposes concerned with amenity and the well-being and safety of pedestrians. Sections 81-45 to 81-48, inclusive, are all concerned primarily with pedestrian traffic circulation. Major building entrances are focal points of heavy pedestrian traffic, so that controls on the locations of these entrances as set forth in Section 81-48 are closely related to the pedestrian circulation space requirements.

Special district plan requirements for the Penn Center Subdistrict are set forth in Section 81-50 (SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT), special district plan requirements for the Grand Central Subdistrict are set forth in Section 81-60 (SPECIAL REGULATIONS FOR THE GRAND CENTRAL SUBDISTRICT), special district plan requirements for the Theater Subdistrict are set forth in Section 81-70 (SPECIAL REGULATIONS FOR THEATER SUBDISTRICT), special district plan requirements for the Fifth Avenue Subdistrict are set forth in Section 81-80 (SPECIAL REGULATIONS FOR FIFTH AVENUE SUBDISTRICT) and special district plan requirements for the Preservation Subdistrict are set forth in Section 81-90 (SPECIAL REGULATIONS FOR PRESERVATION SUBDISTRICT).

81-42
Retail Continuity along Designated Streets

On designated retail #streets# (see Appendix A, Map 2), for any #developments# or #enlargements# fronting on such #streets#, #uses# located on the ground floor level or within five feet of #curb level# shall be limited to retail, personal service or amusement #uses# permitted by the underlying zoning district regulations but not including #uses# in Use Groups 6E, 6E, 7C, 7D, 8C, 8D, 9B, 10B, 11 and 12D or automobile showrooms or plumbing, heating or ventilating equipment showrooms. Museums and libraries shall be permitted. A building's #street# frontage shall be

allocated exclusively to such #uses#, except for:

- (a) lobby space or entrance space;
(b) entrance areas to subway station improvements for which bonus #floor area# is granted and #street wall# continuity restrictions waived pursuant to Sections 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and 81-511292 (Subway station improvements);
(c) one or more of the following pedestrian circulation spaces subject to the #street wall# continuity requirements of Section 81-43 (Street Wall Continuity Along Designated Streets):

- (1) relocated subway stairs provided in accordance with Sections 37-03 and 81-46 (Off-Street Relocation or Renovation of a Subway Stair);
(2) through #block# connections provided in accordance with paragraph (h) of Section 37-073 (Design standards for pedestrian circulation spaces); and
(3) off-street improvements of access to rail mass transit facilities provided in accordance with Section 81-48 (Off-Street Improvement of Access to Rail Mass Transit Facility).

Except as provided in the following sentence, in no event shall the length of #street# frontage occupied by lobby space, entrance space and/or a building entrance recess exceed in total 40 feet or 25 percent of the building's total #street# frontage exclusive of any frontage occupied by a relocated subway stair, a through #block# connection, an off-street improvement of access to rail mass transit facility or the entrance area to a bonused subway station improvement. However, the total length of #street# frontage occupied by lobby space and/or entrance space need not be less than 20 feet.

Storefronts for the permitted ground floor #uses# shall be not more than 10 feet from the #street line# or, where an arcade is provided with supporting columns at the #street line#, not more than 10 feet from the supporting columns.

Access to each retail, personal service or amusement establishment required under this Section shall be provided directly from the designated retail #street#. Where more than one entrance is provided to the establishment, direct access from the designated retail #street# shall be provided via the entrance with the greatest aggregate clear opening width. At least 50 percent of the #street wall# surface of each required establishment shall be glazed with clear untinted transparent material and not more than 50 percent of such transparent surface shall be painted or obstructed with #signs#. For the purpose of this glazing requirement, the establishment's #street wall# surface shall be measured from the floor to the height of the ceiling or 14 feet above grade, whichever is less.

#Developments# or #enlargements# on designated retail #streets# located within the boundaries of the Penn Center Subdistrict, the Theater Subdistrict, or the Fifth Avenue Subdistrict shall be subject to the respective Subdistrict retail requirements (Sections 81-531, 81-72 and 81-82).

All #street# frontages of #developments# or #enlargements# on #zoning lots# located within the Theater Subdistrict Core as defined in Section 81-71 (General Provisions) shall meet the ground level and entertainment-related #use# requirements of Section 81-72 (Use Regulations Modified).

2/10/99
81-43
Street Wall Continuity Along Designated Streets

On designated #streets# where #street wall# continuity is required (see Appendix A, Map 2) and, between 43rd and 50th Streets, on the #narrow street# frontages of #zoning lots# with #street# frontage on Seventh Avenue and/or Broadway, the surface of the #street wall# of a new #development# or #enlargement#, for the minimum length and height set forth in this Section, shall be within 10 feet of the #street line# or within 10 feet of a permitted arcade's supporting columns at the #street line#, except that on 57th Street, 42nd Street, 34th Street and Fifth Avenue, no #street wall# setback below a height of 85 feet is permitted. The length of the #street wall# subject to setback restrictions shall be at least 80 percent of the length of the #front lot line# along the specified #street#, measured at the specific heights or anywhere above the specific heights indicated on the following table. At those specific heights or anywhere above those specific heights, the #street wall# must extend continuously within 10 feet of the #street line# for all of its required length, except that: on 57th Street, 42nd Street, 34th Street, and Fifth Avenue, at a height of 85 feet or above, the #street wall# must extend continuously without setback for at least 75 percent of its required length and no portion of its required length shall be set back more than 10 feet from the #street line#; and, for #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway, any portion of the required length of a #street wall# which lies behind a #sign# required

under the provisions of Section 81-732 (Special Times Square signage requirements) may be set back up to 15 feet from the #street line#.

The minimum height of a #street wall# subject to the setback restrictions shall be as follows:

Table with 2 columns: Length of #Zoning Lot#, Frontage Minimum Height of a #Street Wall# Subject to the Setback Restrictions

For #zoning lots# with frontages of 50 feet or less on the designated #street# Four #stories# or 50 feet above #curb level# whichever is less

For #zoning lots# with frontages of more than 50 feet on the designated #street# Six #stories# or 55 feet above #curb level# whichever is less

#Developments# which are in their entirety no more than two #stories# in height shall be exempt from the minimum #street wall# height requirements.

Pedestrian circulation spaces may be provided to meet the requirements of Sections 81-45 (Pedestrian Circulation Space), 81-46 (Off-street Relocation or Renovation of a Subway Stair) or 81-48 (Off-street Improvement of Access to Rail Mass Transit Facility) subject to the setback restrictions of this Section and to the minimum length of the #street wall# subject to such setback restrictions. However, the City Planning Commission may waive such restrictions for a subway entrance area which is part of a subway station or a rail mass transit facility improvement for which bonus #floor area# is granted, in accordance with the provisions of Sections 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and 81-511292 (Subway station improvements), and 81-542 (Rail mass transit facility improvement), or an off-street improvement of access to a rail mass transit facility that has been certified in accordance with Section 81-48.

Except on 57th Street, 42nd Street, 34th Street and Fifth Avenue, below the minimum height of a #street wall# subject to the setback restriction, recesses (whose depth shall be measured in all cases from the #street line#) shall be permitted only as follows: no recesses greater than 15 feet deep shall be permitted, recesses up to 15 feet deep shall be limited in their aggregate area to no more than 30 percent of the area of the #street wall# below the minimum required #street wall# height; in addition, recesses up to 12 feet deep shall be limited in their aggregate area to no more than 20 percent of the area of the #street wall# below the minimum required #street wall# height, and recesses up to 10 feet deep shall not be limited in their aggregate area.

On 57th Street, 42nd Street, 34th Street and Fifth Avenue, below the minimum height of a #street wall# subject to the setback restriction, recesses (whose depth shall be measured in all cases from the #street line#) shall be permitted only as follows: no recesses greater than 10 feet deep shall be permitted, recesses up to 10 feet deep shall be limited in their aggregate area to no more than 30 percent of the area of the #street wall# below the minimum required #street wall# height; in addition, recesses up to two feet deep shall be limited in their aggregate area to no more than 20 percent of the area of the #street wall# below the minimum required #street wall# height and recesses up to one foot deep shall not be limited in their aggregate area.

The restrictions on recesses shall not apply to arcades, corner arcades, subway stairs relocated within the #building#, through #block# connections within the #building# or building entrance recess areas within the #building#, where such spaces are provided in accordance with the requirements and design standards of Sections 81-45 or 81-46 and provided that such spaces shall be subject to a maximum height limit of 30 feet. Any recesses in the #residential# portion of a #building# shall comply with the #outer court# regulations of Section 23-84.

No arcades, sidewalk widenings or #urban plazas# shall be permitted on Fifth Avenue, 34th Street, 42nd Street or 57th Street frontages. Between 42nd and 56th Street, no arcades or #urban plazas# shall be permitted on Eighth Avenue. Between 43rd and 50th Streets, no arcades or #urban plazas# shall be permitted on Seventh Avenue or Broadway and, with the exception of marquees and #signs#, any area between the Seventh Avenue or Broadway #street line# and any required #street wall# below the height of the first required setback, including permitted recesses, shall be open from #curb level# to the sky in its entirety. Any such area shall be at the same elevation as the adjoining sidewalk, directly accessible to the public at all times and free of all obstructions at ground level, including #street# trees. On the remaining #streets# designated for #street wall# continuity, arcades, if provided, shall be not less than 10 feet in depth and not more than 30 feet high. Arcades shall not be counted toward the recess allowances.

For #zoning lots# between 43rd and 50th Streets with #street# frontage on Seventh Avenue and/or Broadway the minimum and

maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75 (Special Street Wall and Setback Requirements).

For #zoning lots# located wholly or partially within the Eighth Avenue Corridor, the minimum and maximum heights of #street walls# subject to the setback restrictions on all #street# frontages shall be in accordance with Section 81-75.

On Fifth Avenue, the minimum required #street wall# height without setback shall be 85 feet and the maximum allowable #street wall# height without setback shall be 125 feet. Above the maximum #street wall# height, a setback of at least 10 feet shall be required. (See Section 81-83).

Existing #buildings# on a #zoning lot# shall be included in measurements of the #street wall#. No existing #building# shall be altered such that a #non-compliance# with the provisions of this Section is created, nor shall an existing degree of #non-compliance# with these provisions be increased.

8/6/98 81-46 Off-Street Relocation or Renovation of a Subway Stair

Where a #development# or #enlargement# is constructed on a #zoning lot# that contains at least 5,000 square feet of #lot area# and fronts on a sidewalk containing a stairway entrance or entrances into a subway station, the existing entrance or entrances shall be relocated from the #street# onto the #zoning lot#. The new entrance or entrances shall be provided in accordance with the provisions of Section 37-03 (Off-Street Relocation or Renovation of a Subway Stair). A relocated or renovated subway stair may be counted as pedestrian circulation space in accordance with the provisions of Section 37-07 (Requirements for Pedestrian Circulation Space).

The subway stations where such improvements are required are listed in the following table and shown on Map 3 (Subway Station Improvement Areas) in Appendix A.

81-50 SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT

81-51 General Provisions In order to establish the Penn Center Subdistrict as a destination and enhance its retail, entertainment and commercial character and expand accessibility to its transportation network, special regulations are set forth governing the location and type of #signs#, urban design and streetscape relationships, and the improvement of pedestrian circulation to and from public transit facilities.

The regulations of Section 81-50 (SPECIAL REGULATIONS FOR THE PENN CENTER SUBDISTRICT) are applicable only in the Penn Center Subdistrict, the boundaries of which are shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A. These regulations supplement or modify the provisions of this Chapter applying generally to the #Special Midtown District#, of which this Subdistrict is a part.

81-52 Sign Regulations The provisions of this section shall apply to all #zoning lots# with frontage along Seventh Avenue.

(a) #Signs# unlimited in area, including #advertising signs#, #flashing signs# and #illuminated signs# shall be permitted to a height of 60 feet above #curb level#. Below a height of 14 feet above #curb level#, such #signs# shall not occupy more than 50 percent glazed #street wall# surface required pursuant to Section 81-42, nor shall such #signs# be located within ten feet of an entrance to a rail mass transit facility or subway station.

However, on a #zoning lot# that contains or is adjacent to an entrance or entrances to a rail mass transit facility or subway station, no permit shall be issued for any #signs# that extend or are located above a height of 40 feet above #curb level#, unless each such entrance is clearly identified with transit informational #signs# pursuant to Section 81-521 (Rail mass transit and subway entrance informational signs).

(b) #Signs# above a height of 40 feet on any #building# listed on the State and/or National Register of Historic Places, or any #building# formally determined eligible for inclusion on the Register, may be permitted upon authorization by the City Planning Commission that the proposed methodology for attaching such #signs# shall be reversible and such #signs# shall not be disruptive to the historic fabric of the #building#.

(c) #Signs#, including #advertising signs#, #flashing signs# and #illuminated signs#, unlimited in area, above a height of 60 feet and below a height of 120 feet above #curb level#, may be permitted at the intersection of two #streets# by the City Planning Commission upon certification that:

(a) such #signs# are located on #zoning lots# that contain an entrance to or are adjacent to an entrance to a rail mass transit facility and or subway station;

(b) such #signs# and #sign# structure onto which #signs# are attached are within 40 feet of the intersection of two #streets#;

(c) such #signs# project no more than 8 feet beyond the #street line#;

(d) such #signs# are no wider than 40 feet each;

(e) special lighting effects are provided at the top of any #sign# structure; and

(f) the requirements for transit informational #signs# of Section 81-521 are met.

(d) #Signs# including #advertising signs#, #flashing signs# and #illuminated signs#, above a height of 60 feet and below a height of 120 feet above #curb level# may be permitted on the west blockfront of Seventh Avenue between West 31st and West 33rd Streets by the City Planning Commission upon certification that:

(1) such #signs# are within 30 feet of the centerline of the westerly prolongation of West 32nd Street;

(2) such #signs# are no wider than 40 feet each;

10. such #signs# and #sign# structure onto which #signs# are attached shall have a minimum of 10 feet clearance from the adjacent #building#;

11. such #sign# structure onto which #signs# are attached shall not unduly obstruct or impede pedestrian circulation into, through, or along the open area on the #zoning lot# and shall allow visibility throughout the open area;

12. special lighting effects are provided at the top of any #sign# structure; and

13. the requirements for transit informational #signs# of Section 81-521 are met.

(e) #Signs# including #advertising signs#, #flashing signs# and #illuminated signs# above a height of 150 feet and below a height of 180 feet above #curb level#, may be permitted along the #block# on the west blockfront of Seventh Avenue between West 31st and West 33rd Streets, upon authorization by the City Planning Commission that such #signs# are consistent with the goals of the Penn Center Subdistrict.

81-521 Rail mass transit and subway entrance informational signs

For a #zoning lot# that contains or is adjacent to an entrance or entrances to a rail mass transit facility or subway station, no permit shall be issued for any #signs# that extend or are located above a height of 40 feet above #curb level#, unless each such entrance is clearly identified with rail mass transit or subway entrance informational #signs# in accordance with the following paragraphs (a) and (b):

(a) Rail mass transit or subway entrance informational #signs# shall prominently and permanently identify the entrance on both #streets# of a #corner lot#. Where rail mass transit or subway entrance informational #signs# are provided at the western blockfront of Seventh Avenue between West 31st and West 33rd Streets, such #signs# shall prominently and permanently identify the entrance to Pennsylvania Station to pedestrians on both Seventh Avenue and West 32nd Street. All such informational #signs# shall comply with the following requirements:

1. such #signs# shall contain only transit information;

2. such #signs# shall be illuminated and located no less than 12 feet above and no more than 25 feet above #curb level#;

3. such #signs# shall contain the word "Subway" and/or appropriate other rail mass transit identification and transit line symbols. The graphic standards shall adhere to New York City Transit or other pertinent transit agency standards with all letters no less than 3 feet and transit symbols no less than 2 feet in dimension;

4. such #signs# shall be no less than 30 feet in length on each #street# and shall extend farther than 30 feet in order to include the actual entrance; and

5. such #signs# may project up to 5 feet beyond the #street line#.

2. At the rail mass transit or subway entrance, a marquee shall be provided to further identify the entrance. The entrance marquee shall comply with the following requirements:

1. such marquee shall contain only transit information;

(2) such marquee shall be illuminated and located no less than 12 feet above and no more than 25 feet above #curb level#;

(3) such marquee shall have a minimum length of 20 feet or the full width of the entry, whichever is less;

(4) such marquee shall project no less than 5 feet beyond the transit or subway informational #sign#; and

(5) such marquee shall include the mass transit identification and transit line symbols, which shall be illuminated and meet the minimum dimensions as per (a) above and, by doing so, shall satisfy those requirements.

81-53 Special Bulk and Urban Design Requirements

In addition to the requirements set forth in Section 81-25 (General Provisions Relating to Height and Setback of Buildings) and Section 81-40 (MANDATORY DISTRICT PLAN ELEMENTS), the provisions of this Section shall apply to a #development# or #enlargement# having 50 percent or more of its #zoning lot area# within the Penn Center Subdistrict. For the purposes of this Section, all such #zoning lots# shall be deemed to be entirely within the Subdistrict. If any of the provisions of Sections 81-25, 81-40 and 81-53 are in conflict, the regulations of this Section shall govern.

81-531 Special retail frontage requirements

The provisions of Section 81-42 (Retail Continuity along Designated Streets) shall apply within the Penn Center Subdistrict. However, the requirements that at least 50 percent of the #street wall# surface of each ground floor establishment be glazed with clear, untinted, transparent material, and not more than 50 percent of such transparent surface be painted or obstructed with #signs# shall not apply to any informational signs or marquees provided to identify rail mass transit or subway entrances in accordance with Section 81-52 (Sign Regulations).

81-532 Special street wall requirements

The provisions of Section 81-43 (Street Wall Continuity along Designated Streets) shall be modified to require that the front building wall of all #developments# and #enlargements# along the Seventh Avenue frontage of #zoning lots# shall be a minimum of 85 feet above #curb level# or the full height of the #building#, whichever is less.

In addition, the restrictions on permitted recesses contained in Section 81-43 shall not apply to pedestrian circulation spaces provided in accordance with Section 81-46 (Off-Street Relocation or Renovation of a Subway Stair) or Section 81-48 (Off-Street Improvement of Access to Rail Mass Transit Facility) nor to interstitial spaces between #signs# or between building walls and #signs#.

81-54 Floor Area Bonus in the Penn Center Subdistrict

81-541 Rail mass transit facility improvement

In addition to the provisions of Section 81-29 (Incentives by Special Permit for Provisions of Public Amenities), the City Planning Commission may grant #floor area# bonuses for subway station improvements for non-#residential# or #mixed buildings# in accordance with Section 81-29 (Incentives by Special Permit for Provisions of Public Amenities) and Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) and may modify or waive the provisions of Section 81-43 (Street Wall Continuity Along Designated Streets) in accordance with the provisions of Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan) provided that such improvement is approved by the entities which own and/or operate the rail mass transit facility.

For the purposes of this Section, improvements to any rail mass transit facility within the Subdistrict qualifies for bonus #floor area# in accordance with the provisions of Section 74-634, as modified herein.

81-542 Retention of floor area bonus for plazas or other public spaces

For the #zoning lot# bounded by West 34th Street, Seventh Avenue, West 33rd Street, and Eighth Avenue, which contains at least 10,000 square feet of existing #plaza# or other bonused public amenity in the Penn Center Subdistrict, the maximum allowed #floor area# bonus for all existing #plaza# or other public amenities on the #zoning lot# may be retained at the amount allowed prior to [date of the amendment], subject to all other provisions of this Resolution, notwithstanding inclusion of such #zoning lot# within the #Special Midtown District#.

SUPREME COURT

NOTICE

ORDER TO SHOW CAUSE NEW YORK COUNTY INDEX NUMBER 403918/01

In the Matter of the Application of the CITY OF NEW YORK, relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, required as a site for Bradhurst Urban Renewal Area (Phase III) located in the area generally bounded by West 155th Street on the north, Adam Clayton Powell Jr. Boulevard on the east, West 138th Street on the south and Edgecombe and Bradhurst Avenues on the west, in the Borough of Manhattan, City and State of New York.

Upon reading and filing this Order to Show Cause, the annexed Verified Petition and the exhibits annexed to said Petition,

IT IS ORDERED that all interested parties show cause before this Court at 60 Centre Street, New York, New York 10007, at IAS Part 24, in Room 690 on July 25, 2001, at 9:30 A.M., or as soon thereafter as counsel can be heard, why an Order should not be entered.

- 1. granting the Verified Petition in all respects;
2. authorizing the City to file an acquisition map in the office of the Clerk of New York County or the Office of the City Register;
3. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City (the property sought to be acquired is described below);
4. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
5. providing that notices of claim must be served and filed within one calendar year from the vesting date; and,

IT IS ORDERED that sufficient reason appearing, service by certified mail, return receipt requested (as provided in EDPL § 402(B)(2)) of a copy of this Order and the Verified Petition upon which it is based, upon the persons listed in Schedule A to the Notice of Pendency, which is annexed as Exhibit A to the Verified Petition annexed hereto, on or before July 5, 2001, shall be sufficient service; and,

IT IS ORDERED that pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Property Sought To Be Acquired In This Proceeding

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for Bradhurst Urban Renewal Area (Phase III) in the Borough of Manhattan, City and State of New York. The description of the real property to be acquired is as follows:

Block 2045 Lot 7

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2045 Lot 9

In its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

Block 2051 Lots 125, 126, 127, 128, 129, 130, 132, 133 and 134

Each in its entirety, as shown on the Tax Map of the City of New York for the Borough of Manhattan, as said Tax Map existed on July 19th, 2000.

The property shall be acquired subject to encroachments, if any, of the structures,

improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand. Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

**COUNTY OF NEW YORK: IA PART 24
 NOTICE OF ACQUISITION
 INDEX NUMBER 402676/01**

In the Matter of the Application of the City OF NEW YORK, relative to acquiring title in fee simple to certain real property where not heretofore acquired for the same purpose required for, MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I located in the area generally bound by East 119th Street on the north, Park Avenue on the east, East 117th Street on the south and Madison Avenue on the west in the Borough of Manhattan, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of New York, duly entered in the office of the Clerk of the County of New York on June 21, 2001, the application of the City of New York to acquire certain real property, for MILBANK-FRAWLEY CIRCLE EAST URBAN RENEWAL PROJECT, PHASE I, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of New York or the City Register. Said map, showing the property acquired by the City, was filed with said Clerk or with the City Register on June 21, 2001. Title to the real property vested in the City of New York on June 21, 2001.

The City has acquired the following parcels of real property:

BLOCK	LOT(S)
1623	20, 21, 23, 25, 26, 27, 29, 30, 31, 32, 132, 33, 35, 37, 41, 42, 43, 45, 47, 147, 48, 49, 50, 51, 52, 53, 54
1745	20, 23, 24, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 46, 47, 51, 52, 53

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 21, 2002 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of New York County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

- (A) the name and post office address of the condemnee;
- (B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
- (C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
- (D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Condemnation Division, 100 Church Street, New York, New York 10007 on or before June 21, 2003 (which is two (2) calendar years from the title vesting date).

PROCUREMENT

READER'S GUIDE

The City Record (CR), published each business day, lists notices of proposed New York City procurement actions, contract awards, and other procurement information. Solicitation notices for most procurements above \$25,000 for goods and services, \$50,000 for construction and construction-related services, and \$100,000 for information technology are published for at least one day. Other types of procurement such as sole source require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9 a.m. to 5 p.m. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in *Crosby v. National Foreign Trade Council*, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

BIDDERS LIST APPLICATIONS

New York City procures approximately \$7 billion worth of goods, services, construction and construction related services each year. The NYC's Procurement Policy Board rules require that agencies primarily solicit from bidder/proposer lists developed for each commodity/category. Suppliers interested in being placed on such lists may obtain an application from the following agencies:

Goods

● Department of Citywide Administrative Services, Division of Municipal Supplies, Office of Vendor Relations, 1 Centre St., 18th Floor, NY, NY 10007. (212) 669-8562.

Construction & Construction Related Services

● Mayor's Office of Construction, Bidders List Unit, 75 Park Place, 7th Floor, New York, NY 10007. (212) 788-2502.

All Other Services

● Mayor's Office of Contracts, Bidders List Unit, 253 Broadway, 9th Floor, New York, NY 10007. (212) 788-0010. Applications may also be obtained directly from each City agency. Relevant names, addresses, and telephone numbers are listed in Chapter 4 of the Vendor Information Manual. (see next section)

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Business Services, 110 William Street - 2nd floor, New York 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PREQUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from prequalified lists of vendors, under prescribed circumstance. When it is decided

by an agency to develop a prequalified list, criteria for prequalification must be clearly explained in the solicitation and notice of the opportunity to prequalify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questioner may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of prequalified status can be appealed to the Office of Administrative Trials and Hearing (OATH) Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Board of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10 am to 3 pm. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE

Join the growing number of Minority and Women Owned Business Enterprises (M/WBES) that are competing for New York City's business.

In order to become certified for the program, your company must substantiate that it:

- (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and
- (2) is either located in New York City or has a significant tie to New York City's business community.

To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 618-8782.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July. The Procurement Policy Board annually publishes prompt payment results, which may be obtained by calling (212) 788-7820.

To learn more about the City's prompt payment policy, you can obtain a copy of the City's Vendor Payment Guidelines form the Procurement Policy Board, 51 Chambers Street, Room 1126, New York 10007 by calling (212) 788-7820

PROCUREMENT POLICY BOARD RULES

To obtain a copy of the Procurement Policy Board Rules either in hard copy or on disk, call the Procurement Policy Board office, (212) 788-7820. The Rules may also be accessed on the City Website, <http://NYC.GOV>.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations; Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, to Services, or to Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSULTANT FOR NYC EMPLOYER TRAINING PROGRAM - Request for Proposals - DUE 07-27-01 AT 5:00 P.M. New York City Economic Development Corporation (EDC), on behalf of the City of New York, is issuing a Request for Proposals (RFP) for a Consultant for its New York City Employer Training Program.

The program is designed to provide recruitment assistance and training subsidies for hard-to-fill positions to New York City businesses, thereby generating more job opportunities for City residents. The program will initially target companies receiving other economic development benefits.

EDC is issuing this RFP to identify firms specializing in consultant work for workforce development programs and experience in addressing employer needs for trained workers. Firms that are qualified will have in-house expertise in implementing the Workforce Investment Act, and extensive experience with private industry training and employment. Services requested include advising on program structure and implementation; building and maintaining relationships with private employers, City agencies and educational institutions; keeping abreast of other training programs and funds; and program administration.

To obtain an RFP, please submit your name, company name, address and telephone number to Paul Tamboia, CPPB Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or by e-mail to info@newyorkbiz.com. Please refer to CETP-0701 in the subject line. Development proposals must be submitted to EDC by 5:00 p.m. on Friday, July 27, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PUBLICITY FOR COMMUNITY OUTREACH AND PUBLIC EVENTS COORDINATOR FOR THE MINOR LEAGUE BALLPARKS - Request for Proposals - DUE 07-20-01 AT 2:00 P.M. - (RFP) for an events coordinator for public events at two new minor league baseball stadiums, Richmond County Bank Ballpark in St. George, Staten Island and Keyspan Park in Coney Island, Brooklyn.

The selected consultant, whose contract will have a two-year term with an option to renew for a third year, will have responsibility for coordinating public events and marketing these events for both stadiums. Responsibilities will include outreach to various community groups across the City (with an emphasis on the communities surrounding the two facilities) and interaction with the two minor league teams regarding scheduling of public events. The consultant will also ensure that the public events are professionally operated and have secured all necessary approvals and permits, and will keep City officials updated on all activities at the stadiums.

Guidelines and submission requirements are outlined in the RFP package, which is available from EDC. To request a complete RFP package for this opportunity, please submit your name, company name, address and telephone number to Paul Tamboia, Director, Contract Administration, by telephone at (212) 312-3969; by mail to 110 William Street, 4th Floor, New York, NY 10038; or e-mail info@newyorkbiz.com, referring to "BSEC-0601" in the subject line. Proposals must be submitted to EDC no later than 2:00 p.m. on Friday, July 20, 2001.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RFP FOR THE RESTAURANT AT RICHMOND COUNTY BANK BALLPARK - Request for Proposals - DUE 07-16-01 AT 2:00 P.M. - development of a restaurant / cafe located within the new minor league baseball stadium, the Richmond County Bank Ballpark, in the St. George community of Staten Island. The Ballpark is immediately north of the Staten Island Ferry Terminal.

The restaurant space is built into the facade of the stadium, next to the main plaza and entrance to the stadium and adjacent to the Ferry Terminal's commuter parking lots. The restaurant area is approximately 7,800 square feet consisting of three floors, including a basement with waterfront views and potential outdoor seating. EDC seeks the development and operation of this space as a restaurant or cafe to complement the Ballpark.

e-mail to info@newyorkbiz.com. Please refer to SGR-0501 in the subject line.

REAL ESTATE DEVELOPMENT OPPORTUNITIES IN NEW YORK CITY - Request for Proposals - DUE 09-26-01 AT 2:00 P.M. - The New York City Economic Development Corporation (EDC), on behalf of the City of New York, is selling a range of industrial, commercial and residential properties from the City's real estate portfolio.

South Street Seaport, Manhattan - Commercial and/or Residential Seven lots are available for restoration and development. This unique 33,000 square foot assemblage includes a total of 15,565 square feet of vacant land, plus 80,000 square feet of distinctive historic loft buildings. The lots are zoned C6-4.

Alphabet City, Manhattan - Commercial and/or Residential Approximately 15,100 square feet of vacant land is available for development on Avenue D between East 7th and 8th streets in Alphabet City. The site is zoned R7-2 with a C1-5 overlay.

East Harlem, Manhattan - Commercial and/or Residential Approximately 7,525 square feet of vacant land is available in East Harlem on Fifth Avenue between East 115th and 116th streets. The site is zoned R7-2 with a C1-4 overlay.

Washington Heights, Manhattan - Commercial with Parking Potential Approximately 22,400 square feet of vacant land is available for construction of a parking garage with street-level retail space on Broadway between 184th and 185th streets. The site is zoned C8-3 and ULURP was completed to permit a 375-space garage.

Downtown Brooklyn - Commercial with Parking An approximately 50,000 square foot footprint and 16,000 square feet of retail space are available. The site is zoned C6-1, and has excellent access to transportation.

East New York, Brooklyn - Commercial Six sites of primarily vacant land, totaling approximately 101,700 square feet, are available for commercial development along Livonin Avenue in a newly developed neighborhood in East New York. This retail strip, zoned R6-2 with a C2-3 overlay, is expected to serve the needs of its growing populations.

East New York, Brooklyn - Industrial Three urban renewal sites, totaling approximately 66,900 square feet, are available in the East New York In-Place Industrial Park. The sites are zoned M1-4. These are the last remaining city-owned assemblages for industrial development in the park.

Development guidelines and submission requirements are outlined in the Request For Proposal (RFP) packages, available from EDC. In addition, there will be a special informational meeting about these sites on Wednesday, August 1, 2001. For details about the informational meeting or to request a complete RFP package for any of these items, please call (212) 312-3969 or e-mail infor@newyorkbiz.com, referring to "Opportunities for Development" in the subject line.

Development proposals must be submitted by 2:00 p.m. on Wednesday, September 26, 2001 to Paul Tamboia, CPPB Director, Contract Administration and Procurement, 110 William Street, 4th Floor, New York, NY 10038.

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - CSP - PIN# 071-00S003262 - The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families and drop-in centers for adults. **This is an open-ended solicitation; there is no due date for submission.** Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-fourth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 5 to 30 years and the drop-in centers will be for three years with one three year option to renew.

Pursuant to Section 312(c)(1)(ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03(c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated and 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed facility location.

Any organization that believes it can provide these services may contact: Calvin Pitter, Deputy Agency Chief Contracting Officer at the Department of Homeless Services at (212) 361-8000, 33 Beaver Street 13th Fl., New York, NY 10004, to request a copy of the application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.
