OFFICE OF CONTRACTS AND PROCUREMENT

■ SOLICITATIONS

Human/Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

CORRECTION: WAREHOUSE SERVICES – Competitive Sealed Bids – PIN# 069-05-310-0002 – DUE 08-19-04 AT 3:00 P.M. – OPMM's Bureau of Warehousing and Transportation is responsible for receiving, storing, and delivery purchased commodities, records and forms for HRA's 117 facilities, which are located throughout the five boroughs. OPMM's 42,000 square foot warehouse, located in a one-story building at 111 29th Street, Brooklyh, stores approximately 700 different commodities and forms. The selected contractor will assist OPMM in receiving, handling, delivering and picking-up of commodities and forms. The contractor will assist OPMM to fulfill these responsibilities Monday through Friday, from 8:30 a.m. to 4:30 p.m. It is estimated that the services provided by the contractor for OPMM can be performed, on average, in 1,019 man-hours each month.

A mandatory pre-bid conference will be held on Monday, August 2, 2004 at 10:00 a.m. at 2 Washington Street, New York, NY in the Conference Room on the 22nd Floor. Vendor Source ID#: 19233.

AGENCY RULES

BUILDINGS

NOTICE

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED RULE 28-02 RELATING TO CARBON MONOXIDE DETECTING DEVICES AND SYSTEMS

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of Buildings by Section 643 of the New York City Charter (the "Charter"), pursuant to Local Law 7 of 2004, and in accordance with the requirements of Section 1043 of the Charter, that the Department of Buildings proposes to amend Department rules to add Title 1 of Rules of the City of New York § 28-02 relating to carbon monoxide detecting devices and systems.

A public hearing on the proposed rule will be held at the Executive Offices of the Department of Buildings, 280 Broadway, 3rd Floor Conference Room, New York, New York on August 27, 2004 at 1:00 p.m. Written comments regarding the proposed rule may be submitted to Scott Mason, Assistant General Counsel, New York City Department of Buildings, General Counsel's Office, 280 Broadway, 7th Floor, New York, New York 10007, on or before September 10, 2004.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Office of the Commissioner, Executive Offices, Department of Buildings.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Angela Orridge at the foregoing address by August 13, 2004.

The proposed rule was not included in the Department of Buildings regulatory agenda because it is the result of the enactment of new legislation by the New York City Council.

Section 1. It is proposed to amend the title of Chapter 28 of Title 1 of the Rules of the City of New York to read as follows:

New material is indicated by underlining.

CHAPTER 28 SMOKE DETECTING DEVICES AND SYSTEMS AND CARBON MONOXIDE DETECTING DEVICES AND SYSTEMS

Section 2. It is proposed to amend Chapter 28 of Title 1 of the Rules of the City of New York by adding a new section 28-02, to read as follows:

§ 28-02 Required Carbon Monoxide Detecting Devices and Systems.

(a) Definitions.

(1) The term "CO" means carbon monoxide.

(2) The term "CO alarm" means a "carbon monoxide alarm" as defined in RS 17-14, and shall also mean a "carbon monoxide detecting device" as such term is used in the Subchapter 17 of Chapter 1, and Subchapter 2 of Chapter 2, of Title 27 of the Administrative Code of the City of New York. Such CO alarms may be combined with smoke detecting devices provided that the combined unit complies with the respective provisions of the administrative code, reference standards and departmental rules relating to both smoke detecting devices and CO alarms.

(3) The term "dwelling unit" means one or more rooms in a dwelling or building that are arranged, designed, used or intended for use by one or more families, including such units in occupancy groups J-1 (hotels, motels, lodging houses, rooming houses, etc.), J-2 (apartment houses, apartment hotels, school dormitory buildings, etc.), and J-3 (one- and two-family dwellings, rectories, convents, group homes, etc.).

(4) The term "fossil fuel" means coal, kerosene, oil, wood, fuel gases and other petroleum products.

(5) The term "fuel gases" shall include, but not be limited to, methane, natural gas, liquified natural gas and manufactured fuel gases.

(6) The term "fossil fuel burning equipment" shall mean any furnace, boiler, water heater, apparatus, appliance or device, including ranges and cooking equipment, that burns fossil fuel.

(b) Location of CO alarms.

(1) In buildings containing dwelling units, including dwelling units classified in occupancy group J-1 (hotels, motels, lodging houses, rooming houses), J-2 (apartment houses, apartment hotels, school dormitory buildings) and J-3 (one-and two-family dwellings, rectories, convents, group homes), CO alarms shall be located as follows:

A. CO alarms shall be installed for the following affected dwelling units:

i. Every dwelling unit located within a building that contains any fossil fuel burning furnace, boiler, or water heater as part of a central system;

ii. Every dwelling unit located within a building served by a central fossil fuel burning furnace, boiler or water heater that is located in an adjoining or attached building.

iii. If not already provided for by (i) or (ii) above, every dwelling unit on the same floor as, the floor below, and the floor above any other fossil fuel burning equipment that is located within the same building; and

vi. If not already provided for by (i) or (ii) above, every dwelling unit on the same floor as, the floor below, and the floor above any enclosed parking that is located in the same building.

B. When a CO alarm is required by 28-02(b)(1)(A), such CO alarms shall be installed within fifteen feet of the primary entrance to any room used for sleeping purposes. Where the dwelling unit comprises only one room (as in hotels), the CO alarm shall be installed within such room.

C. In J-1 occupancies, the owner may in the alternative elect to install a line-operated zoned CO detecting system with central annunciation and central office tie-in. Such system shall provide a CO alarm:

i. in all public corridors and public spaces

ii. in every room or space that contains a fossil fuel burning furnace, boiler or water heater;

iii. in every room or space adjacent to and on the same floor as the fossil fuel burning furnace, boiler or water heater;

iv. in every dwelling unit on the same floor as, on the floor below, and the floor above a room that contains a the fossil fuel burning furnace, boiler or water heater; and

v. in every guest room connected by ductwork or ventilation shafts to a room that contains a the fossil fuel burning furnace, boiler or water heater.

(2) In buildings classified in occupancy groups G and H-2, CO alarms shall be located as follows:

A. Occupied rooms and spaces. CO alarms shall be installed within such rooms or spaces where such rooms or spaces contain any fossil fuel burning equipment.

B. Sleeping rooms. CO alarms shall be installed within fifteen feet of any room or space used for sleeping purposes in H-2 occupancies such as nursing homes, orphanages, and similar occupancies located within a building containing any fossil fuel burning furnace, boiler, or water heater as part of a central system. Such CO alarms may be located in public corridors.

C. Non-occupied rooms and spaces. Supervised CO alarms shall be installed within such rooms or spaces where such rooms or spaces contain any fossil fuel burning equipment. However, in existing buildings classified in occupancy groups G and H-2 that are not substantially altered or improved as per § 28-02(d)(2)(A) of this rule, any required CO alarms may, at the option of the owner, be single-station CO alarms.

(c) Equipment Requirements.

(1) All CO alarms for occupancy groups J-1, J-2, J-3, G, and H-2 shall be in compliance with RS 17-13.

(2) For J-1 occupancies, all line-operated zoned CO detecting system with central annunciation and central office tie-in shall also comply with the following:

A. Each CO alarm shall sound locally to warn occupants

B. Each CO alarm shall report as a "supervisory signal" to a central station monitoring company approved by the Fire Department of New York. CO alarm troubles shall be reported to the central station as a "trouble signal."

C. Such system shall be either:

i. powered by and monitored as "supervisory devices" by a fire alarm system, installed in accordance with RS 17-3, 3A, or 3B, and connected to a central station transmitter; such system shall comply with RS 17-14 §§ 5.3.7 and 5.3.9; or

ii. powered by and monitored as "supervisory devices" by a dedicated CO alarm system, installed in accordance with RS 17-3 and connected to a central station transmitter; such system shall comply with RS 17-14 § 5.3.9.

D. The CO alarms, control panels and central station transmitters of such systems must be approved by the Material Equipment Acceptance Division (MEA).

(3) For G and H-2 occupancies, except for existing buildings not substantially altered or improved as per § 28-02(d)(2)(A), supervised CO alarms for non-occupied rooms and spaces shall also comply with the following:

A. Each CO alarm shall sound locally within the non-occupied room or space;

B. Except where the CO alarm signal does not report to a central station monitoring company as provided for in i. or ii. below, each CO alarm shall report to a central station approved by the Fire Department as a "supervisory signal" CO alarm troubles shall be reported to the central station as a "trouble signal." Such system shall be either:

i. powered by and monitored as "supervisory devices" by a fire alarm system, installed in accordance with RS 17-3, 3A, or 3B, and in accordance with RS 17-14 § 5.3.7; however, such system is not required to transmit to a central station monitoring company provided that the system is continually monitored by full time on-site staff during periods that the building is occupied; or

ii. powered by and monitored as "supervisory devices" by a dedicated CO alarm system, installed in accordance with RS 17-3; however, such system is not required to transmit to a central station monitoring company provided that the system is continually monitored by full time on-site staff during periods that the building is occupied.

C. Such systems' CO alarms, and control panels must be approved by the Material Equipment Acceptance Division (MEA).

(d) Installation.

(1) Power source. All CO alarms shall be hard-wired, receiving their primary power from the building wiring, in compliance with RS 17-14 § 5.2.2, with secondary battery back-up in compliance with RS 17-14 § 5.2.4.

(2) Existing buildings. Buildings in existence on November 1, 2004, and buildings with work permits issued prior to November 1, 2004, may, in the alternative, be equipped with battery-operated CO alarms compliant with RS 17-14 § 5.2.3 or plug-in type CO alarms with a back-up battery compliant with RS 17-14 § 5.2.4, except where such buildings are substantially improved or altered on or after November 1, 2004.

A. A building shall be deemed to have been substantially improved or altered if:

i. 50 percent or more of the dwelling units in occupancy group J-1, J-2, or J-3 are improved or altered and the cost of such improvement or alteration exceeds the sum of $25,000 per dwelling unit;

ii. 50 percent or more of the square footage of the structure is improved or altered for J-1, J-2, J-3, G, or H-2 occupancies and the cost of the improvement or alteration exceeds $500,000; or

iii. there has been a change in the occupancy or use of the entire structure to J-1, J-2, J-3, G, or H-2 occupancies.

B. In applying the foregoing provisions where cost is the factor, items falling within the scope of minor alterations or ordinary repairs, as set forth in §§27-124 and 27-125 of the Administrative Code, thereby exempt from permit requirements based on §27-147, as well as any other cost associated with any matters that are not regulated by the Building Code are not included within calculation of the cost.

C. Cost of alterations are not cumulative, provided any application filed with this department is signed off as satisfactorily completed prior to the filing of a subsequent application; and, if a Certificate of Occupancy is involved, that a final Certificate of Occupancy has been issued for the pertinent application.

D. Time for compliance. The CO alarms shall be operational in existing buildings in occupancy groups J-1, J-2, J-3, G, and H-2 by November 1, 2004; however, the commissioner may upon good cause shown extend the period of compliance to June 30, 2005.

E. Where a dwelling has existing hard-wired smoke detecting devices installed pursuant to 1 R.C.N.Y § 28-01(b)(1), combination smoke detecting device/CO alarms are not permitted unless the combination units are hard wired.

F. Extension of time for compliance.

i. Appeals to the commissioner for extension of the period of compliance shall be set forth on a form filed at the applicable borough office of the Department of Buildings, no later than December 1, 2004, and contain the following information:

aa. Location of premises, block and lot, Building Department Application number, if any, Occupancy Classification, number of dwelling units, estimated number of CO alarms, type, and where they are to be installed.

bb. The hardship to be considered with regard to the delivery or installation of the equipment.

cc. The proposed time table for compliance.

dd. A copy of the signed contract for the purchase and/or installation of the system. (Cost figures may be deleted).

ii. The Commissioner will not consider "good cause" appeals unless all required annual boiler inspections for the building are filed and up to date and no open boiler violations exist and:

aa. The installation of the CO alarms is hard-wired into the building's electrical system in accordance with RS 17-14 § 5.2.2.; or

bb. The number of units in single ownership or management responsibility exceed 500, and a complete schedule for installation is submitted prior to December 1, 2004; or

cc. Special circumstances not covered by subdivisions (i) or (ii) above are involved.

iii. Notice of approved extensions for J-1, J-2, and J-3 occupancies are to be forwarded to the Commissioner of the Department of Housing Preservation and Development.

(3) Reference Standard. CO alarms for J-1, J-2, J-3, G, and H-2 occupancies shall be installed in accordance with RS 17-14.

(e) Filing requirements.

(1) Applications for the installation of any CO alarm system that connects to a fire alarm system shall be filed with the Department of Buildings following the same administrative procedures as would be required for the installation of system to which it connects.

(2) Applications for the installation of any CO alarm system in G or H-2 occupancies that is required to be continually monitored and which is not connected to a fire alarm system may be filed with the Department of Buildings under Directive 14 of 1975.

(3) Applications for the installation of other hard-wired CO alarms shall be filed with the Bureau of Electrical Control where filing is required by the New York City Electrical Code.

(4) For existing buildings that are not substantially improved or altered, installation of single station CO alarms that receive primary power from batteries or that are plug-in type with back-up batteries does not require filing with the Department of Buildings.

STATEMENT OF BASIS AND PURPOSE

The Department of Buildings, in consultation with the Fire Department and the Department of Health and Mental Hygiene, is promulgating new rule 1 RCNY § 28-02 relating to carbon monoxide detecting devices and systems. This rule is promulgated in order to implement Local Law #7 of 2004, known as the New York City Carbon Monoxide Detecting Device Act of 2004. The rules set forth the types of and general requirements for carbon monoxide detecting devices and systems to be provided for and installed in buildings within occupancy groups J-1, J-2, J-3, G, and H-2. The rules also define which dwelling units in buildings are in close proximity to carbon monoxide sources.

☛ jy27

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED AMENDMENTS TO BUILDING CODE REFERENCE STANDARDS RS 17-13 AND 17-14 RELATING TO CARBON MONOXIDE DETECTING DEVICES AND SYSTEMS

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of Buildings by Section 643 of the New York City Charter (the "Charter"), pursuant to Local Law 7 of 2004, and in accordance with the requirements of Chapter 37 of Title 1 of the Rules of the City of New York, that the Department of Buildings proposes to amend Building Code Reference Standards RS 17-13 and 17-14 relating to carbon monoxide detecting devices and systems.

A public hearing on the proposed rule will be held at the Executive Offices of the Department of Buildings, 280 Broadway, 3rd Floor Conference Room, New York, New York on August 27, 2004 at 1:00 p.m. Written comments regarding the proposed rule may be submitted to Scott Mason, Assistant General Counsel, New York City Department of Buildings, General Counsel's Office, 280 Broadway, 7th Floor, New York, New York 10007, on or before September 10, 2004.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 a.m. and 5:00 p.m. at the Office of the Commissioner, Executive Offices, Department of Buildings.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Angela Orridge at the foregoing address by August 13, 2004.

New material is indicated by *italicizing*.
Deleted material is [in brackets]

Reference Standard 17-13

UL No. 2034, Standard for Single and Multiple Station Carbon Monoxide Detectors, October 29, 1996, with revisions through June 28, 2002.

Reference Standard 17-14

NfiPA No. 720, Recommended Practice for the Installation of Household Carbon Monoxide (CO) Warning Equipment, 2003 Edition, as modified. The following sections of this standard are modified to read as follows (deleted text is in brackets; new text is italicized):
Title on page 720-4: "NFPA 720 Recommended Practice for the Installation of [Household] Carbon Monoxide (CO) Warning Equipment, 2003 Edition"

1.1.2 This document is limited to carbon monoxide warning equipment for use in *J-1, J-2, J-3, G and H-2 occupancies* [family living units] that contain fuel-burning *equipment*, appliances or fireplaces or have attached garages.

1.1.3 This document contains recommendations for the selection, installation, operation, and maintenance of equipment that detects concentrations of carbon monoxide that could pose a risk to the health of most occupants [in family living units].

2.3.1 UL Publication, Underwriters Laboratories, Inc., 333 Pfingsten Road, Northbrook, IL 60062, UL 2034, Standard for Single and Multiple Station Carbon Monoxide Detectors, October 29, 1996, *as revised through June 28, 2002.*

3.3.3 Dwelling [Family Living] Unit. *One or more rooms in a building occupied in whole or in part as the temporary or permanent home or residence of one or more families, where such room or rooms are arranged, designed, used or intended for use by one or more families, including such units in occupancy groups J-1 (hotels, motels, lodging houses, rooming houses, etc.), J-2 (apartment houses, apartment hotels, school dormitory buildings, etc.), and J-3 (one- and two-family dwellings, rectories, convents, group homes, etc.).* [One or more rooms in a single family detached dwelling, single family attached dwelling, multifamily dwelling, or mobile home for the use of one or more persons as a housekeeping unit with space for eating, living, and sleeping and permanent provisions for cooking and sanitation.]

3.3.9 Separate Sleeping Area. The area of a *dwelling* [family living unit] where the bedrooms or sleeping rooms are located.

3.3.10.1 Alarm Signal. A signal indicating a concentration of carbon monoxide that could pose a risk to the life safety of the occupants [in the family dwelling unit] and requiring immediate attention.

4.2 Supplemental Functions. Supplemental functions, including the transmission of an alarm beyond the *premises* [household] should be permitted and should not interfere with the performance recommendations of this document.

4.3 Total System. Where the AHJ requires both the alarm and transmission beyond the *premises* [household] and the total system to comply with the applicable sections of [NFPA 72, National Fire Alarm Code] *RS 17-3, 17-3A, or 17-3B*, the recommendation of Section 5.1 and 5.4.2 of this document *shall* [should] be followed.

Title of Chapter 5: Chapter 5 [Household] Carbon Monoxide Warning Equipment

5.1.1.1 A carbon monoxide detecting alarm or detector *shall* [should] be centrally located *as provided for in § 5.1.2 and 1 R.C.N.Y. § 28-02* [outside of each sleeping area in the immediate vicinity of the bedrooms.].

5.1.1.3 Each alarm or detector *shall* [should] be located on the wall, ceiling, or other location as specified in the installation instructions accompanying the unit. *To help prevent false alarms, such alarm or detector should be located away from sources of humidity such as bathrooms and should be located away from a range or other fossil fuel burning equipment.*

5.1.2 Alarm notification appliances. Each alarm or detector *shall* [should] cause the operation of an alarm notification

appliance that *shall* [should] be clearly audible in all bedrooms over background noise with all intervening doors closed. *in accordance with Annex A. § A.5.1.1.1.*

5.2.1.1 All power supplies *shall* [should] have sufficient capacity to operate the signal(s) for at least 12 continuous hours.

5.2.1.2 For electrically powered household carbon monoxide warning equipment, the primary (main) power source *shall* [should] be ac, unless otherwise permitted by the following:

(1) Detectors and alarms are permitted to be powered by a monitored dc circuit of a control unit when power for the control unit meets the recommendations of section 5.2 and the circuit remains operable upon the loss of primary (main) ac power.

(2) A detector and a wireless transmitter that serves only that detector are permitted to be powered from a monitored batter (main) source where part of a listed, monitored, low-power radio (wireless) system.

[(3) In existing construction, a monitored battery primary (main) power source, as described in 5.2.3, is permitted.]

5.2.2.1 An ac primary (main) power source *shall* [should] be a commercial light and power supply or other dependable source *and shall be provided with a secondary (standby) power supply complying with § 5.2.4.*

5.2.2.2 A visible "power on" indicator *shall* [should] be provided.

5.2.2.3 Primary (main) ac power *shall* [should] be supplied from either a dedicated branch circuit or the unswitched portion of a branch circuit also used for power and lighting.

5.2.2.4 All electrical systems *shall comply with the New York City Electrical Code* [designed to be installed by other than a qualified electrician should be powered from a source not in excess of 30 volts that meets the requirements for Class 2 circuits as defined in Article 725 of NFPA 70, National Electrical Code®].

5.2.2.7 The recommendation of 5.2.2.6 does not apply *in J-1, J-2, and J-3 occupancies* where a ground fault circuit interrupter serves all electrical circuits within the household.

5.2.2.9 [Where a secondary (standby) battery is provided, the] *The* primary (main) power supply should be of sufficient capacity to operate the system under all conditions of loading with the [any] secondary (standby) battery disconnected or fully discharged.

5.2.3 Primary Power Supply – Monitored Battery. [Household] carbon monoxide warning equipment *may* [should] be [permitted to be] powered by a battery *only where permitted by 1 R.C.N.Y. 28-02 and*[.] provided that the battery is monitored to ensure that the following conditions are met:

(1) All power recommendations are met for at least one year of battery life, including monthly testing.

(2) A distinctive audible trouble signal sounds before the battery is incapable of operating the device(s) (from causes such as aging or terminal corrosion) for alarm purposes.

(3) Automatic transfer is proved from alarm to a trouble condition for a unit employing a lock-in alarm feature.

(4) The unit is capable of producing an alarm signal for at least 12 hours at the battery voltage at which a trouble signal is normally obtained, followed by not less than 7 days of trouble signal operation.

(5) After the initial 4 minutes of alarm, the 5-second "off" time of the alarm signal should be permitted to be changed to 60 seconds ± 10 percent.

5.2.4.1 When provided, a secondary (standby) power supply *shall* [should] have sufficient capacity to power the unit for 8 hours, followed by not less than 12 hours of alarm, followed by not less than 7 consecutive days of trouble signals.

5.2.4.2 After the initial 4 minutes of alarm, the 5-second "off" time of the alarm signal *shall* [should] be permitted to be changed to 60 seconds ± 10 percent.

5.2.4.3 Removal or disconnection of a battery used as a secondary (standby) power source *shall* [should] cause an audible or visible trouble signal.

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:

5.2.4.6
5.3.1.3
5.3.2.1 through 5.3.2.4
5.3.3.1
5.3.4.1 and 5.3.4.2
5.3.5.1 through 5.3.5.3
5.3.6.1 through 5.3.6.4

5.3.6.5 Each electrical carbon monoxide system *shall* [should] have an integral test means to allow the *occupants* [householder] to test the system operation.

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:

5.3.7.1 and 5.3.7.2
5.3.8.1 through 5.3.8.3

5.3.9.1 Supervising station systems requiring transmission of signals to continually staffed locations providing supervising station services (for example, Central station service, proprietary stations, or remote stations) *shall* [should] also comply with the applicable requirements of [Chapter 8 of NFPA 72®, National Fire Alarm Code.®] *3 R.C.N.Y 17-01, Rules of the Fire Department of New York.*

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following section:
5.3.9.2

5.3.10.1 Carbon monoxide warning systems utilizing low-power wireless transmission of signals within the protected [household should] *premises shall* comply with the *applicable* requirements of [NFPA 72®, National Fire Alarm Code®] *RS 17-3, 17-3A, or 17-3B, and must be approved by the Material Equipment Acceptance Division (MEA).*

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:
5.4.1.1 through 5.4.1.6
5.6.1 through 5.6.3

STATEMENT OF BASIS AND PURPOSE

The Department of Buildings amending Building Code Reference Standards RS 17-13 and 17-14 relating to carbon monoxide detecting devices and systems. This rule is promulgated in order to implement Local Law #7 of 2004, known as the New York City Carbon Monoxide Detecting Device Act of 2004. The amendments address the types of and general requirements for carbon monoxide detecting devices and systems to be provided for and installed in buildings within occupancy groups J-1, J-2, J-3, G, and H-2.

TRANSPORTATION

■ **NOTICE**

COMMUTER VAN SERVICE AUTHORITY APPLICATION

Notice is hereby given that the Department of Transportation has received an application for a new commuter van authority. The applicant proposes to operate a commuter van service in a residential area in Queens bounded on the north by South Conduit Avenue, bounded on the east by Francis Lewis Boulevard, on the south by 148th Avenue and on the west by Farmers Boulevard. From said territory to mass transit facilities and shopping center of downtown Jamaica bounded on the north by Hillside Avenue, on the east by Merrick Boulevard, on the south by Liberty Avenue and on the west by Sutphin Boulevard. The applicant is Denbiegh Transportation, Inc. The can be reached at 145-90 183rd Street, Springfield Gardens, NY 11413. The applicant is proposing to use 10 vans daily to provide this service 24 hours a day.

There will be a public hearing on Thursday, August 12, 2004 at the Queens Borough Hall, 120-55 Queens Blvd., Kew Gardens, Hearing Room 213, Part 1 from 3:00 p.m. - 5:00 p.m. so you have an opportunity to voice your position on this application. In addition, written comments in support or in opposition to this application may be sent to Ms. Dorothy Szorc at the New York City Department of Transportation, Passenger Transport Division, Surface Transit Unit, 59 Maiden Lane, 35th Floor, New York, NY 10038 no later than August 12, 2004. Any written comments received after this date may not be considered. Those opposing the application must clearly specify why the proposed service will not meet present and/or future public convenience and necessity.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

BRONX BOROUGH PRESIDENT

PUBLIC HEARINGS

A PUBLIC HEARING is being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. on Thursday, July 29, 2004, at 10:00 a.m. to be held of the office of the Borough President, 198 East 161st Street (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York, 10451, on the following items:

CD 11- ULURP APPLICATION NO: C 030272 ZSX:
IN THE MATTER OF an application submitted by the Department of Environmental Protection pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 74-734 of the Zoning Resolution to allow a municipal sewage pumping station in connection with the development of the Westchester Creek Combined Sewer Overflow Storage Facility, on a zoning lot located at 1500 Waters Place (Block 4226, p/o lot 30), in an R5 District, Community District 11, Borough of The Bronx.

CD 11-ULURP APLICATION NO: C 030271 PCX:
IN THE MATTER OF an application submitted by the Department of Environmental Protection and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter for site selection and acquisition of property generally bounded by Waters Place and Eastchester Road (Block 4226, p/o Lot 30), The Bronx, for use as a combined sewer overflow storage facility.

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE DIRECT ANY QUESTIONS CONCERNING THIS MATTER TO THE BOROUGH PRESIDENT'S OFFICE, (718) 590-6124.

jy22-28

CITY PLANNING COMMISSION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, July 28, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD **C 040456 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1.) pursuant to Article 16 of the General Municipal Law of New York State for:

a) The designation of property located at 436 East 161st Street; 867, 869, 871 and 875 Elton Avenue; 421, 425, 429 and 433 East 160th Street and a portion of the demapped street bed of East 160th Street between Elton and Melrose avenues, part of Site 43 within the Melrose Commons Urban Renewal Area (Block 2382, Lots 16, 20, 22-25, 27-28 and 30), as an Urban Development Action Area; and

b) An Urban Development Action Area Project for such area; and

2.) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a nine-story building tentatively known as Parkview Commons, with approximately 109 units of low-income housing and one unit for a superintendent, to be developed under the New York State Housing Trust Fund Program.

BOROUGH OF BROOKLYN

* * *

CD 1 **C 040096 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for **the disposition of one (1) city-owned property located at 1063 Flushing Avenue** (Block 3013, Lot 30), pursuant to zoning.

CD 6 **C 030412 MMK**

IN THE MATTER OF an application, submitted by Ikea Properties, Inc., pursuant to Sections 197-c and 199 of the New York City Charter and section 5-430 *et. seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the elimination, discontinuance and closing of Otsego Street between Beard Street and the United States Bulkhead Line;
- the elimination, discontinuance and closing of Halleck Street between segments of Columbia Street;
- the widening of Beard Street between Otsego Street and Richards Street;
- the establishment of Ikea Plaza/Beard Street between Otsego Street and Richards Street.
- adjustment of grades necessitated thereby; and
- acquisition or disposition of real property related thereto,

in accordance with Map Nos. Y-2661 and X-2662 dated April 14, 2004 and signed by the Borough President.

CD 6 **C 030413 ZMK**

IN THE MATTER OF an application submitted by IKEA Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 16a and 16b, changing from an M3-1 District to an M1-1 District property bounded by** Beard Street, Halleck Street, a line 300 feet westerly of Columbia Street, a line 550 feet southerly of Halleck Street and its easterly prolongation, Columbia Street, a line 1190 feet southerly of Halleck Street and its easterly and westerly prolongation, and the southwesterly prolongation of a line 200 feet northwesterly of Dwight Street, as shown on a diagram (for illustrative purposes only) dated April 26, 2004.

CD 6 **C 030414 ZSK**

IN THE MATTER OF an application submitted by IKEA Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-922 of the Zoning Resolution **to allow the development of large retail establishments (Use Group 6 and 10A) with no limitation on floor area on a zoning lot located at 1 Beard Street, a.k.a. 21 Erie Basin** (Block 612, Lot 130), in M1-1** and M3-1 Districts.

** Note: A portion of the site is proposed to be rezoned from an M3-1 District to an M1-1 District under a related application (C 030413 ZMK) for a change in the Zoning Map. Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 6 **C 030415 ZSK**

IN THE MATTER OF an application submitted by IKEA Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit pursuant to Section 62-736 of the Zoning Resolution to modify the maximum building height requirements of Section 62-341(b)(3) to facilitate the development of a 3-story commercial building development on a zoning lot located at 1 Beard Street, a.k.a. 21 Erie Basin** (Block 612, Lot 130), in M1-1** and M3-1 Districts.

** Note: A portion of the site is proposed to be rezoned from an M3-1 District to an M1-1 District under a related application (C 030413 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 6 **N 030416 ZAK**

IN THE MATTER OF an application submitted by IKEA Property, Inc. for **the grant of an authorization pursuant to Section 62-722 of the Zoning Resolution to modify the requirements of Sections 62-40 (REQUIREMENTS FOR WATERFRONT PUBLIC ACCESS AND VISUAL CORRIDORS) and 62-60 (DESIGN STANDARDS FOR THE WATERFRONT AREA) to facilitate the development of a 3-story commercial building development on a zoning lot located at 1 Beard Street, a.k.a. 21 Erie Basin** (Block 612, Lot 130), in M1-1** and M3-1 Districts.

** Note: A portion of the site is proposed to be rezoned from an M3-1 District to an M1-1 District under a related application (C 030413 ZMK) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

NOTICE

On Wednesday, July 28, 2001, at 10:00 a.m., in Spector Hall at the Department of City Planning, 22 Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearings to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an amendment to the zoning map to change a M3-1 zoning district to a M1-1 zoning district on property located on Beard and Hallack streets, between Columbia and Dwight streets (Block 612, Lot 130) in the Red Hook section of Brooklyn Community Districts 6, as well as demapping portions of Beard and Otsego streets, widening a portion of Beard Street, special permits to allow a large retail establishment in a M1-1 zone and to modify bulk on a waterfront site, and an authorization and certification to modify waterfront public access and visual corridors.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 03DCP041K.

BOROUGH OF MANHATTAN

CD 11 **C 040443 ZMM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 6a and 6b:**

1. **eliminating from an existing R7-2 District a C1-4 District bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 100 feet westerly of Park Avenue;

2. **changing from an R7-2 District to a C4-7 District property bounded by** a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, East 124th Street, and a line 85 feet easterly of Madison Avenue; and

3. **changing from a C4-4 District to a C4-7 District property bounded by** East 125th Street/Dr. Martin Luther King Boulevard, the westerly boundary line of the Metro North Rail Road right-of-way, a line midway between East 124th Street and East 125th Street/Dr. Martin Luther King Boulevard, and a line 215 feet westerly of Park Avenue;

as shown on a diagram (for illustrative purposes only) dated May 10, 2004 and subject to the conditions of CEQR Declaration E-133.

CD 11 **C 040444 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-721(a) of the Zoning Resolution **to modify the height and setback regulations of Section 33-43 (Maximum Height of Walls and Required Setbacks) and the tower regulations of Section 33-45 (Tower Regulations) of the Zoning Resolution to facilitate the development of a 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4- 7 District under a related application (C 040443 ZMM) for a change in the Zoning Map. Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 11 **C 040445 ZSM**

IN THE MATTER OF an application submitted by 1800 Park Avenue LLC pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-52 of the Zoning Resolution **to allow an attended public parking garage with a maximum capacity of 369 spaces on portions of the ground floor, cellar 1 level, cellar 2 level and cellar 3 level of a proposed 42-story mixed use building on a zoning lot located at 1800 Park Avenue** (Block 1749, Lots 24, 31, 33, 35, 40 and 43), in a C4-7** District.

** Note: The site is proposed to be rezoned from R7-2, R7-2/C1-4 and C4-4 Districts to a C4- 7 District under a related application (C 040443 ZMM) for a change in the Zoning Map.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 10 **C 040476 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1.) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 246 West 116th Street (Block 1831, Lots 56) as an Urban Development Action Area; and

b) an Urban Development Action Area Project for such area; and

2.) pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by HPD;

to facilitate development of a seven-story building tentatively known as Cassiopeia Apartments, with approximately 32 units for low-income persons and one unit for a superintendent, to be developed under the New York State Housing Trust Fund Program.

BOROUGH OF STATEN ISLAND

CD 3 **C 040189 ZMR**

IN THE MATTER OF an application submitted by Gifford's Civic Association and Councilman Andrew J. Lanza pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section Nos. 26d and 33c:**

changing from an R3-1 District to an R2 District property bounded by:

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, August 11, 2004, Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing John de Neufville to construct, maintain and use a stoop and a fenced-in area on the north sidewalk of Horatio Street, east of Washington Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $1,500/per annum.

For the period July 1, 2005 to June 30, 2006 - $1,537
For the period July 1, 2006 to June 30, 2007 - $1,574
For the period July 1, 2007 to June 30. 2008 - $1,611
For the period July 1, 2008 to June 30, 2009 - $1,648
For the period July 1, 2009 to June 30, 2010 - $1,685
For the period July 1, 2010 to June 30, 2011 - $1,722
For the period July 1, 2012 to June 30, 2013 - $1,759
For the period July 1, 2013 to June 30, 2014 - $1,833
For the period July 1, 2014 to June 30, 2015 - $1,870

the maintenance of a security deposit in the sum of $5,500, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits under and across Henry Street, south of Pacific Street, in the Borough of Brooklyn. The proposed revocable consent is for a term of fourteen years from October 28, 2000 to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period Oct. 28, 2000 to June 30, 2004 - $10,226
For the period July 1, 2004 to June 30, 2005 - $ 2,939
For the period July 1, 2005 to June 30, 2006 - $ 3,010
For the period July 1, 2006 to June 30, 2007 - $ 3,081
For the period July 1, 2007 to June 30, 2008 - $ 3,152
For the period July 1, 2008 to June 30, 2009 - $ 3,223
For the period July 1, 2009 to June 30, 2010 - $ 3,294
For the period July 1, 2010 to June 30, 2011 - $ 3,365
For the period July 1, 2011 to June 30, 2012 - $ 3,436
For the period July 1, 2012 to June 30, 2013 - $ 3,507
For the period July 1, 2013 to June 30, 2014 - $ 3,578
For the period July 1, 2014 to June 30, 2015 - $ 3,649

the maintenance of a security deposit in the sum of $3,650, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across West 67th Street, east of Columbus Avenue, in the Borough of. Manhattan. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $5,285
For the period July 1, 2005 to June 30, 2006 - $5,412
For the period July 1, 2006 to June 30, 2007 - $5,539
For the period July 1, 2007 to June 30, 2008 - $5,666
For the period July 1, 2008 to June 30, 2009 - $5,793
For the period July 1, 2009 to June 30, 2010 - $5,920
For the period July 1, 2010 to June 30, 2011 - $6,047
For the period July 1, 2011 to June 30, 2012 - $6,174
For the period July 1, 2012 to June 30, 2013 - $6,301
For the period July 1, 2013 to June 30, 2014 - $6,428
For the period July 1, 2014 to June 30, 2015 - $6,555

the maintenance of a security deposit in the sum of $5,158, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across Columbus Avenue at the intersection with West 67th Street and under and along West 67th Street west of Columbus Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $4,946
For the period July 1, 2005 to June 30, 2006 - $5,068
For the period July 1, 2006 to June 30, 2007 - $5,190
For the period July 1, 2007 to June 30, 2008 - $5,312
For the period July 1, 2008 to June 30, 2009 - $5,434
For the period July 1, 2009 to June 30, 2010 - $5,556
For the period July 1, 2010 to June 30, 2011 - $5,678
For the period July 1, 2011 to June 30, 2012 - $5,800
For the period July 1, 2012 to June 30, 2013 - $5,922
For the period July 1, 2013 to June 30, 2014 - $6,044
For the period July 1, 2014 to June 30, 2015 - $6,166

the maintenance of a security deposit in the sum of $6,200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

COURT NOTICES

SUPREME COURT

■ NOTICE

NOTICE OF ACQUISITION

COUNTY OF QUEENS: IA PART 8

Index No. 10240/04

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, to all or part of **Beach 40th Street, Beach 41st Street, Beach 42nd Street, Beach 43rd Street, Beach 44th Street, and Beach 45th Street from Beach Channel Drive to Rockaway Beach Boulevard; Reinhart Road from Beach 44th Street to Beach 45th Street; and Rockaway Beach Boulevard from Beach 40th Street to Beach 45th Street,** in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on June 28, 2004, the application of the City of New York to acquire certain real property, for street widening and sewer and drainage purposes, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on June 29, 2004.
Title to the real property vested in the City of New York on June 29, 2004.

The City has acquired the following parcels of real property:

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to sections 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 29, 2005 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL section 504, the claim shall include:

(A) the name and post office address of the condemnee;

(B) reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

(C) a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

(D) if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL section 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to section 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 29, 2006 (which is two (2) calendar years from the title vesting date).

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

DIVISION OF REAL ESTATE SERVICES

■ **AUCTION**

DIVISION OF REAL ESTATE SERVICES PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction. In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on April 28, 2004 and May 12, 2004 at 22 Reade Street, in the Borough of Manhattan.

These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated March 8, 2004. The mortgage interest rate is set at 6%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.
They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on August 4, 2004.

Brochures for this sale are available at 1 Centre Street, 19th Floor North, New York, New York 10007, or by calling (212) 669-8888. Brochures are also available on the DCAS website at nyc.gov/dcas.

BRONX TERMINAL MARKET RELOCATION SERVICES CONSULTANT – Request for Proposals – DUE 08-09-04 AT 4:00 P.M. – The New York City Economic Development Corporation ("NYCEDC") is seeking proposals for business relocation consulting services for the in-place tenants of the Bronx Terminal Market (the "Market"). The Market is located along Exterior Street and Cromwell Avenue, between East 149 Street and Yankee Stadium, in the South Bronx. It consists of seven (7) occupied buildings, with a total of 23 food-related tenants. Tenant spaces range in size from approximately 6,000 to 52,000 square feet. In conjunction with NYCEDC, a development entity affiliated with The Related Companies, a New York real estate developer, expects

to seek approvals to redevelop the property occupied by the Market as a shopping center. The plan requires the Market buildings be vacated, in order for the shopping center to be constructed.

NYCEDC will coordinate relocation assistance for in-place commercial tenants and is seeking a consultant to support these efforts. The consultant will develop a relocation assistance strategy and, working closely with NYCEDC and the City, manage all day-to-day aspects of this relocation assistance effort on NYCEDC's behalf.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposals, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in August 2004.

All questions related to this RFP should be directed via e-mail to BTMRCrfp@nycedc.com by Wednesday, July 14, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Monday, July 19, 2004 at www.nycedc.com/BTMRCrfp. No contact with NYCEDC or the Related Companies regarding issues raised by this RFP will be permitted.

Detailed submission guidelines and requirements are outlined in the RFP, available as of June 29, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. **RESPONSES ARE DUE NO LATER THAN 4:00 p.m., Monday, August 9, 2004.** Three copies of the proposal, as described in Section VIII of the RFP, should be sent to 110 William Street, 6th Floor, New York, NY 10038, Attention: Paul Tamboia, Agency Chief Contracting Officer, Vice President, Administration. For more information and to get a copy of the RFP, visit www.nycedc.com/BTMRCrfp or call (212) 312-3969.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation
Contract Administration, 110 William Street, 6th Floor

LIFE SCIENCES INDUSTRY SECTOR GROWTH STRATEGY – Request for Proposals – DUE 08-27-04 AT 4:00 P.M. – New York City Economic Development Corporation (NYCEDC) is seeking a consultant team for the provision of consultant services (the "Services") in connection with NYCEDC's ongoing efforts to diversify the economy by growing the life sciences industry in New York and increasing the sector's economic contribution in terms of employment and tax revenues. To further NYCEDC's efforts, the consultant shall identify the best opportunities for growth in the sector given the City's planned real estate investments, unique assets and competitive position relative to other regions.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in September 2004.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 4:00 p.m. on Monday, August 9, 2004. Questions should be directed to lifesciRFP@nycedc.com Answers to all questions will be posted by August 18, 2004 to http://www.nycedc.com/lifesciRFP. Please submit three (3) sets of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038.

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

CORRECTION: WAREHOUSE SERVICES – Competitive Sealed Bids – PIN# 069-05-310-0002 – DUE 08-19-04 AT 3:00 P.M. – OPMM's Bureau of Warehousing and Transportation is responsible for receiving, storing, and delivery purchased commodities, records and forms for HRA's 117 facilities, which are located throughout the five boroughs. OPMM's 42,000 square foot warehouse, located in a one-story building at 111 29th Street, Brooklyh, stores approximately 700 different commodities and forms. The selected contractor will assist OPMM in receiving, handling, delivering and picking-up of commodities and forms. The contractor will assist OPMM to fulfill these responsibilities Monday through Friday, from 8:30 a.m. to 4:30 p.m. It is estimated that the services provided by the contractor for OPMM can be performed, on average, in 1,019 man-hours each month.

A mandatory pre-bid conference will be held on Monday, August 2, 2004 at 10:00 a.m. at 2 Washington Street, New York, NY in the Conference Room on the 22nd Floor. Vendor Source ID#: 19233.

AGENCY RULES

RENT GUIDELINES BOARD

■ NOTICE

2004 Apartment & Loft Order #36

June 17, 2004

Order Number 36 - Apartments and Lofts, rent levels for leases commencing **October 1, 2004** through **September 30, 2005.**

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY RENT GUIDELINES BOARD BY THE RENT STABILIZATION LAW OF 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended, implemented by Resolution No 276 of 1974 of the New York City Council and extended by Chapter 82 of the Laws of 2003, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Rent Guidelines Board (RGB) hereby **adopts** the following levels of fair rent increases over lawful rents charged and paid on **September 30, 2004.** These rent adjustments will apply to rent stabilized apartments with leases commencing on or after **October 1, 2004** and through **September 30, 2005.** Rent guidelines for loft units subject to Section 286 subdivision 7 of the Multiple Dwelling Law are also included in this order.

ADJUSTMENT FOR RENEWAL LEASES (APARTMENTS)

Together with such further adjustments as may be authorized by law, the annual adjustment for renewal leases for apartments shall be:

Where heat **is** provided or required to be provided to a dwelling unit by an owner from a central or individual system **at no charge** to the tenant, the adjustments are as follows:

For a **one**-year renewal lease commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 3.5%

For a **two**-year renewal lease commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 6.5%

Where heat is neither provided nor required to be provided to a dwelling unit by an owner from a central or individual system, the adjustments are as follows:

For a **one**-year renewal lease commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 3.0%

For a **two**-year renewal lease commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 6.0%

These adjustments shall also apply to dwelling units in a structure subject to the partial tax exemption program under Section 421a of the Real Property Tax Law, or in a structure subject to Section 423 of the Real Property Tax Law as a Redevelopment Project.

VACANCY ALLOWANCE FOR APARTMENTS

No vacancy allowance is permitted except as provided by sections 19 and 20 of the Rent Regulation Reform Act of 1997 as extended by Chapter 82 of the Laws of 2003.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

ADDITIONAL ADJUSTMENT FOR RENT STABILIZED APARTMENTS SUBLET UNDER SECTION 2525.6 OF THE RENT STABILIZATION CODE

In the event of a sublease governed by subdivision (e) of section 2525.6 of the Rent Stabilization Code, the allowance authorized by such subdivision shall be **10%**.

ADJUSTMENTS FOR LOFTS (UNITS IN THE CATEGORY OF BUILDINGS COVERED BY ARTICLE 7-C OF THE MULTIPLE DWELLING LAW)

The Rent Guidelines Board **adopts** the following levels of rent increase above the "base rent", as defined in Section 286, subdivision 4, of the Multiple Dwelling Law, for units to which these guidelines are applicable in accordance with Article 7-C of the Multiple Dwelling Law:

For **one**-year increase periods commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 2.5%

For **two**-year increase periods commencing on or after **October 1, 2004** and on or before **September 30, 2005**: 5.5%

VACANT LOFT UNITS

No Vacancy Allowance is permitted under this Order. Therefore, except as otherwise provided in Section 286, subdivision 6, of the Multiple Dwelling Law, the rent charged to any tenant for a vacancy tenancy commencing on or after **October 1, 2004** and on or before **September 30, 2005** may not exceed the "base rent" referenced above plus the level of adjustment permitted above for increase periods.

FRACTIONAL TERMS

For the purposes of these guidelines any lease or tenancy for a period up to and including one year shall be deemed a one year lease or tenancy, and any lease or tenancy for a period of over one year and up to and including two years shall be deemed a two-year lease or tenancy.

ESCALATOR CLAUSES

Where a lease for a dwelling unit in effect on May 31, 1968 or where a lease in effect on June 30, 1974 for a dwelling unit which became subject to the Rent Stabilization Law of 1969, by virtue of the Emergency Tenant Protection Act of 1974 and Resolution Number 276 of the New York City Council, contained an escalator clause for the increased costs of operation and such clause is still in effect, the lawful rent on **September 30, 2004** over which the fair rent under this Order is computed shall include the increased rental, if any, due under such clause except those charges which accrued within one year of the commencement of the renewal lease. Moreover, where a lease contained an escalator clause that the owner may validly renew under the Code, unless the owner elects or has elected in writing to delete such clause, effective no later than **October 1, 2004** from the existing lease and all subsequent leases for such dwelling unit, the increased rental, if any, due under such escalator clause shall be offset against the amount of increase authorized under this Order.

SPECIAL ADJUSTMENTS UNDER PRIOR ORDERS

All rent adjustments lawfully implemented and maintained under previous apartment orders and included in the base rent in effect on **September 30, 2004** shall continue to be included in the base rent for the purpose of computing subsequent rents adjusted pursuant to this Order.

SPECIAL GUIDELINE

Under Section 26-513(b)(1) of the New York City Administrative Code, and Section 9(e) of the Emergency Tenant Protection Act of 1974, the Rent Guidelines Board is obligated to promulgate special guidelines to aid the State Division of Housing and Community Renewal in its determination of initial legal regulated rents for housing accommodations previously subject to the City Rent and Rehabilitation Law which are the subject of a tenant application for adjustment. The Rent Guidelines Board hereby **adopts** the following Special Guideline:

For dwelling units subject to the Rent and Rehabilitation Law on **September 30, 2004**, which become vacant after **September 30, 2004**, the special guideline shall be the greater of:

4. **50%** above the maximum base rent, or

5. The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on **October 1, 2004**.

DECONTROLLED UNITS

The permissible increase for decontrolled units as referenced in Order 3a which become decontrolled after **September 30, 2004,** shall be the greater of:

(1) **50%** above the maximum base rent, or

(2) The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on **October 1, 2004**.

CREDITS

Rentals charged and paid in excess of the levels of rent increase established by this Order shall be fully credited against the next month's rent.

STATEMENT OF BASIS AND PURPOSE

The Rent Guidelines Board is authorized to promulgate rent guidelines governing apartment units subject to the Rent Stabilization Law of 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended. The purpose of these guidelines is to implement the public policy set forth in Findings and Declaration of Emergency of the Rent Stabilization Law of 1969 (§26-501 of the N.Y.C. Administrative Code) and in the Legislative Finding contained in the Emergency Tenant Protection Act of 1974 (L.1974 c. 576, §4 [§2]).

The Rent Guidelines Board is also authorized to promulgate rent guidelines for loft units subject to Section 286 subdivision 7 of the Multiple Dwelling Law. The purpose of the loft guidelines is to implement the public policy set forth in the Legislative Findings of Article 7-C of the Multiple Dwelling Law (Section 280).

Dated: June 17, 2004

Marvin Markus
Chair
New York City Rent Guidelines Board

EXPLANATORY STATEMENT - APARTMENT ORDER #36

Explanatory Statement and Findings of the Rent Guidelines Board In Relation to 2004-05 Lease Increase Allowances for Apartments and Lofts under the Jurisdiction of the Rent Stabilization Law[1]

Summary of Order No. 36

The Rent Guidelines Board (RGB) by Order No. 36 has set the following maximum rent increases for leases subject to renewal on or after October 1, 2004 and on or before September 30, 2005 for **apartments** under its jurisdiction:

LEASE RENEWALS - WHERE HEAT IS PROVIDED OR REQUIRED TO BE PROVIDED TO A DWELLING UNIT BY AN OWNER FROM A CENTRAL OR INDIVIDUAL SYSTEM AT NO CHARGE TO THE TENANT

1 Year	2 Years
3.5%	**6.5%**

LEASE RENEWALS - WHERE HEAT IS NEITHER PROVIDED NOR REQUIRED TO BE PROVIDED TO A DWELLING UNIT BY AN OWNER FROM A CENTRAL OR INDIVIDUAL SYSTEM

1 YEAR	2 YEARS
3%	**6%**

VACANCY ALLOWANCE

The vacancy allowance is now determined by a formula set forth in the State Rent Regulation Reform Act of 1997 and in Chapter 82 of the Laws of 2003, not by the Orders of the Rent Guidelines Board.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

SUBLET ALLOWANCE

The increase landlords are allowed to charge when a rent stabilized apartment is sublet by the primary tenant to another tenant on or after October 1, 2004 and on or before September 30, 2005 shall be **10%**.

[1] This Explanatory Statement explains the actions taken by the Board members on individual points and reflects the general views of those voting in the majority. It is not meant to summarize all the viewpoints expressed.

ADJUSTMENTS FOR LOFTS

For **Loft units** to which these guidelines are applicable in accordance with Article 7-C of the Multiple Dwelling Law, the Board established the following maximum rent increases for increase periods commencing on or after October 1, 2004 and on or before September 30, 2005. No vacancy allowance or low rent allowance is included for lofts.

1 Year	2 Years
2.5%	**5.5%**

The guidelines do not apply to hotel, rooming house, and single room occupancy units that are covered by separate Hotel Orders.

Any increase for a renewal lease may be collected no more than once during the guideline period governed by Order No. 36.

SPECIAL GUIDELINES

Leases for units subject to rent control on September 30, 2004 that subsequently become vacant and then enter the stabilization system are not subject to the above adjustments. Such newly stabilized rents are subject to review by the State Division of Housing and Community Renewal (DHCR). In order to aid DHCR in this review the Rent Guidelines Board has set a special guideline of whichever is greater:

1. **50%** above the maximum base rent, or

2. The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on October 1, 2004.

All rent adjustments lawfully implemented and maintained under previous apartment Orders and included in the base rent in effect on September 30, 2004 shall continue to be included in the base rent for the purpose of computing subsequent rents adjusted pursuant to this Order.

Background of Order No. 36

The Rent Guidelines Board is mandated by the Rent Stabilization Law of 1969 (Section 26-510(b) of the NYC Administrative Code) to establish annual guidelines for rent adjustments for housing accommodations subject to that law and to the Emergency Tenant Protection Act of 1974. In order to establish guidelines the Board must consider, among other things:

(1) the economic condition of the residential real estate industry in the affected area including such factors as the prevailing and projected (i) real estate taxes and sewer and water rates, (ii) gross operating and maintenance costs (including insurance rates, governmental fees, cost of fuel and labor costs), (iii) costs and availability of financing (including effective rates of interest), (iv) overall supply of housing accommodations and overall vacancy rates;

(2) relevant data from the current and projected cost of living indices for the affected area;

(3) such other data as may be made available to it.

The Board gathered information on the above topics by means of public meetings and hearings, written submissions by the public, and written reports and memoranda prepared by the Board's staff. The Board calculates rent increase allowances on the basis of cost increases experienced in the past year, its forecasts of cost increases over the next year, its determination of the relevant operating and maintenance cost-to-rent ratio, and other relevant information concerning the state of the residential real estate industry.

Material Considered by the Board

Order No. 36 was issued by the Board following one public hearing, seven public meetings, its review of written submissions provided by the public, and a review of research and memoranda prepared by the Board's staff. A total of 67 written submissions were received at the Board's offices from many individuals and organizations including public officials, owners and owner groups, and tenants and tenant groups. The Board members were provided with copies of public comments received by the **June 14th, 2004** deadline. All of the above listed documents were available for public inspection.

Open meetings of the Board were held following public notice on April 13th, April 20th, April 27th, April 30th, and June 3rd, 2004. A written transcription or audio recording was made of all proceedings. On **May 10th, 2004**, the Board adopted proposed rent guidelines for apartments, lofts, and hotels.

A public hearing was held on **June 15th, 2004** pursuant to Section 1043 of the New York City Charter and Section 26-510 (h) of the New York City Administrative Code. Testimony on the proposed rent adjustments for rent-stabilized apartments and lofts was heard from 10:00 a.m. to 10:30 p.m. on June 15th, 2004. Testimony from members of the public speaking at these hearings was added to the public record. The Board heard testimony from 109 apartment tenants and tenant representatives, 45 apartment owners and owner representatives and 7 public officials. On **June 17th, 2004** the guidelines set forth in Order No. 36 were adopted.

PRESENTATIONS BY HOUSING EXPERTS INVITED BY MEMBERS OF THE BOARD

Each year the staff of the New York City Rent Guidelines Board is asked to prepare numerous reports containing various facts and figures relating to conditions within the residential real estate industry. The Board's analysis is supplemented by testimony from industry and tenant representatives, housing experts, and by various articles and reports gathered from professional publications.

Listed below are the other experts invited and the dates of the public meetings at which their testimony was presented:

Meeting Date / Name	*Affiliation*
April 13th, 2004:	Staff presentation, *2004 Mortgage Survey*
	Guest Speakers
1. Michael Schill	Director, Furman Center for Real Estate and Urban Policy

1. Paul Roldan	Deputy Commissioner, Office of Rent Administration, DHCR
2. David Cabrera Deputy	Counsel/Assistant Commissioner, DHCR
3. Marcia Hirsch	General Counsel, DHCR

SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM TENANTS AND TENANT GROUPS[2]

Comments from tenants and tenant groups included:

"There is no economic justification for any rent increase this year. Every indicator before the RGB this year leads to the conclusion that rents for stabilized apartments should be frozen. Whether talking about the condition of the real estate industry or the condition of tenants, all data support a rent freeze...In sum, NYC is suffering from the worst housing affordability crisis it has experienced since the Great Depression. Instead of helping to mitigate this crisis, the RGB is a big contributing factor in making it worse, through its yearly habit of granting landlords overly generous rent increases."

"It is a basic fact that for millions of residents, rent regulation is what makes it possible to live in NYC. A poll conducted by *Housing First!* has found that one in every four New Yorker—over half a million families—spends more than 50% of their incomes on rent. In fact, NYC ranks as the least affordable housing market for middle-income earners in the U.S.... Unsurprising, a recent survey shows that 45% of all New Yorkers have seriously considered leaving the city because of the high cost of housing."

"The proposed rent adjustments for apartments adopted by the RGB are unfair. While property owners operating costs have gone up this year, the 3.5%-8.5% increases are much higher than needed. The present proposal will unjustly enrich the NYC property owners and be a tremendous financial burden on working families, if this body does not reduce it at the final vote on June 17. In real economic terms, wages declined 5 percent from 2001 to 2002; homelessness has hit record levels, with 38,310 people in the city shelters every night—77 percent of them families with children; NYC lost 31,000 jobs in 2001, 108,500 in 2002 and 55,000 in 2003; unemployment rose 8.4%; non-payment petitions remain at high levels with 318,077 filed in 2003; more than 230,000 households in NYC have been evicted in the past decade; rent-to-income ratios are 28.6% citywide—they were 20% in 1970."

"I write to you to request your consideration in a fairly unique set of circumstances for a NYC stabilized apartment. I live in an apartment where the tenant pays for his own heat and hot water. When I first moved in the landlords of such buildings would get a lower increase since fuel increases are paid directly by the tenant. Over the years that has disappeared, in essence, leaving us paying an increase based on higher fuel prices paid by landlords and then paying a second time to, in my case, Con Edison, because of increases in the fuel charges. I am paying twice. In consideration of readjusting stabilized rates, I respectfully request that you consider this small group of stabilized tenants by passing a lower increase for these buildings or even no increase to make up for the many years that we have paid double increases."

---

[2] Sources: Submissions by tenant groups and testimony by tenants.

SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM OWNERS AND OWNER GROUPS[3]

Comments from owners and owner groups included:

"This year, the RGB has for the first time proposed a range of preliminary rent guidelines...The lower end of this range is clearly inadequate and the higher end of the range barely encompasses the minimal guideline levels that property owners need to meet last year's increases in operating costs. Even the higher end of the range will not allow owners to maintain their current economic condition and provide a sound rental housing stock."

"This past year has been an ever-increasing difficult one for property owners. Our expenses continue to soar as evidenced in your *Price Index of Operating Costs*. The PIOC at 6.9% was indicative of our escalating expenses. More importantly, the CORE PIOC shows an increase of 9.2%."

"If you feel you must balance the interests of tenants and owners this year, please consider another balance point, a point when inadequate rent guidelines will force owners to cut back on their maintenance and investment in their properties, a point when, ultimately, your good intentions will backfire and result in deteriorating housing conditions. In the last two years, building operating costs have increased by nearly 24% as measured by the Price Index, and much more than that in terms of what owners have actually paid. The current year's cost increases alone, as measured by the Price Index, call for rent increases equal to or greater than last year's guidelines. This year, we ask you to provide the fair and reasonable guidelines necessary to cover unavoidable increases in operating costs, to maintain the City's rental housing stock and to support the City's tax base."

"Last year's guidelines did not come close to keeping us on a level playing field. One of the most telling signs, in your reports for this year, has been the fact the net operating income...declined by 0.1%. This decrease in NOI was the first decrease since the RGB began to use computerized records in 1994. It is obvious that the guidelines have not kept up with expenses. Next year the NOI will be lower if the board stays with the range of the proposed guidelines."

SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM PUBLIC OFFICIALS[4]

Comments from public officials included:

"Let me state for the record that given the affordability or lack thereof of renting an apartment in NYC, the vitality of the real estate industry, the costs of maintaining real estate versus the huge profits gained by owners, and the price index, there is absolutely no way that owners should benefit from the proposed rent increases of 3 to 5 percent for one year leases and 5.5 to 7.5 percent for two year leases...As a result, I am calling for a rent freeze. All economic indicators point to the need for relief for tenants who year after year endure the hardships of skyrocketing rents and plummeting wages."

"For many years, the Board has increased rents way above landlords' costs. This year's proposals are another example of this trend. These proposed increases...are unjustified and would make life harder for all New Yorkers. And this comes on top of the largest rent increase since 1989, which the board imposed last year...It is long past time to abandon the Price Index. It only reflects changes in prices, not in actual landlord expenditures. More importantly, it does not take into account the incomes of tenants, and its data on landlord income and expenses is outdated by the time the Board makes its decision."

"Every year, this Board has favored landlords and granted a rent increase, supposedly justified by the rising costs incurred by property owners. But the Board must also consider 'relevant data from the current and projected cost of living indices' in determining increases. A review of data of leading economic indicators affecting City tenants presented in the RGB's own *2004 Income and Affordability Study* reveals that NYC's economy shrunk by over 2% last year, indicating that we are still in the midst of a recession. The study also notes the continuing rise in unemployment... during this period, however, loans and refinancing were up by over 50%, a financial boon for landlords."

"I realize the increases are sometimes necessary to help owners—especially owners of small properties—maintain quality living conditions in their buildings in the face of increasing expenses, and I am not in the business of demonizing landlords...In the past two decades, however, rents have gone up so much faster than operating costs that, on average, landlords of rent stabilized properties in NYC have seen a sizeable increase in their net profits."

RENT GUIDELINES BOARD RESEARCH

The Rent Guidelines Board also based its determination on its consideration of the following reports and information prepared by the RGB's staff:

(1) *2004 Mortgage Survey Report*, April, 2004, (An evaluation of recent underwriting practices, financial availability and terms, and lending criteria);

(2) *2004 Income and Expense Study*, April, 2004, (Based on income and expense data provided by the Finance Department, the *Income and Expense Study* measures rents, operating costs and net operating income in rent stabilized buildings);

(3) *2004 Tenant Income and Affordability Study*, April, 2004, (Includes employment trends, housing court actions, changes in eligibility requirements and public benefit levels in New York City);

(4) *2004 Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City*, April, 2004, (Measures the price change for a market basket of goods and services which are used in the operation and maintenance of stabilized buildings);

(5) *2004 Housing Supply Report*, June, 2004, (Includes new housing construction measured by certificates of occupancy in new buildings and units authorized by new building permits, tax abatement and exemption programs, and cooperative and condominium conversion and construction activities in New York City); and,

(6) *Changes to the Rent Stabilized Housing Stock in NYC in 2003*, June 2004, (A report quantifying all the events that lead to additions to and subtractions from the rent stabilized housing stock).

2004 PRICE INDEX OF OPERATING COSTS FOR RENT STABILIZED APARTMENT HOUSES IN NEW YORK CITY

The *2004 Price Index of Operating Costs For Rent Stabilized Apartment Houses in New York City* found a 6.9% increase in costs for the period between April, 2003 and April, 2004.

This year, the PIOC for rent stabilized apartment buildings increased by 6.9%, ten percentage points below the PIOC percent change from the year before (16.9% in 2003). The PIOC was driven upward by the increase in property taxes (16.2%) and escalating insurance costs (14.7%). These increases were offset by the decrease in the cost of fuel (-2.8%) and low to moderate increases in the remaining six cost components that ranged from 0.8% to 4.5%. See Table 1 for changes in costs and prices for all rent stabilized apartment buildings from 2003-04.

The "core" PIOC, which excludes the erratic changes in fuel oil, natural gas and electricity costs, is useful for analyzing long-term inflationary trends. The core PIOC rose by 9.2% this year, propelled mainly by tax and insurance increases, and outpaced the growth in the Consumer Price Index (CPI) (2.96%), by over 6 percentage points.[5]

---

[5] The average CPI-U for All Urban Consumers, New York-Northeastern New Jersey for the year from April 2002 to March 2003 (193.4) compared to the average for the year from April 2003 to March 2004 (199.2) rose by 2.96%. This is the latest available CPI data and is roughly analogous to the 'PIOC year', which for the majority of components compares the most recent point-to-point figures from April to April, monthly cost-weighted figures from May to April, or the two most recent fiscal year bills.

Table 1 details the expenditure weights, the percentage change by component for the 2004 Price Index.

Table 1

[illegible] Percentage Changes in Components of the PIOC [illegible] Operating Costs for Rent Stabilized Apartment Houses in New York City

Item	Expenditure Weights	2003-04 Percentage Δ	2003-04 Weighted Percentage Δ

LOCAL LAW 63/ INCOME & EXPENSE REVIEW

Following computerization of I&E filings, the sample size for the I&E study has been greatly increased to over 12,000 buildings. This is the twelfth year that staff has been able to obtain longitudinal data in addition to cross-sectional data. The RGB staff found the following average monthly (per unit) operating and maintenance (O&M) costs in 2003 Real Property Income and Expense (RPIE) statements for the year 2002:

Table 2

***2004 Income and Expense Study* Average Monthly Operating and Maintenance Costs Per Unit** [7]

	Pre '47	Post '46	All Stabilized
Taxes	$119	$170	$133
Labor	59	106	72
Fuel	49	38	46
Utilities	52	57	53
Maintenance	111	108	110
Administration	68	81	72
Insurance	34	28	33
Miscellaneous	50	54	51
Total	**$543**	**$644**	**$570**

Source: *2004 Income and Expense Study*, from 2003 Real Property Income and Expense filings for 2002, NYC Department of Finance.

6 Totals may not add due to weighting and rounding.
7 Totals may not add due to weighting and rounding.

In 1992, the Board benefited from the results of audits conducted on a stratified sample of 46 rent stabilized buildings by the Department of Finance. Audited income and expense figures were compared to statements filed by owners. On average the audits showed an 8% over reporting of expenses. The categories, which accounted for nearly all of the expense over reporting, were maintenance, administration, and "miscellaneous." The largest over-reporting was in miscellaneous expenses.

If we assume that an audit of this year's income and expense data would yield similar findings to the 1992 audit, one would expect the average O&M cost for stabilized buildings to be $523, rather than $570. As a result, the following relationship between operating costs and residential rental income was suggested by the Local Law 63 data:

Table 2(a)

2002 Operating Cost to Rent/Income Ratio Adjusted to 1992 Audit

	O&M Costs[8]	Rent	O&M to Rent Ratio	Income	O&M to Income Ratio
All stabilized	$523	$821	0.64	$912	0.57
Stabilized Pre'47	$499	$760	0.66	$848	0.59
Stabilized Post'46	$591	$990	0.60	$1,088	0.54

FORECASTS OF OPERATING AND MAINTENANCE PRICE INCREASES FOR 2003-04

In order to decide upon the allowable rent increases for two-year leases, the Rent Guidelines Board considers price changes for operating costs likely to occur over the next year. In making its forecasts the Board relies on expert assessments of likely price trends for the individual components, the history of changes in prices for the individual components and general economic trends. The Board's projections for 2004-05 are set forth in Table 3, which shows the Board's forecasts for price increases for the various categories of operating and maintenance costs.

Table 3

Year-to-Year Percentage Changes in Components of the Price Index of Operating Costs: Actual 2003-04 and Projected 2004-05

	Price Index 2003-04	Projected Price Index 2004-05
Taxes	16.2%	3.0%
Labor Costs	4.5	3.5
Fuel Costs	-2.8	-8.1
Utility Costs	0.8	1.2
Contractor Services	4.1	4.2
Administrative Costs	4.0	4.7
Insurance Costs	14.7	23.4
Parts & Supplies	1.2	1.1
Replacement Costs	1.0	0.9
Total (Weighted)	**6.9%**	**3.6%**

Source: *2004 Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City*, which includes the 2005 PIOC Projection.

8 Overall O&M expenses were adjusted according to the findings of an income and expenses audit conducted by the Department of Finance in 1992. The unadjusted **O&M to Rent** ratios would be 0.69 (All), 0.71 (Pre-47), and 0.65 (Post-46), respectively. The unadjusted **O&M to Income** ratios would be 0.62 (All), 0.64 (Pre-47), and 0.59 (Post-46).

Overall, the PIOC is expected to grow by 3.6% from 2004 to 2005 due to a 3.0% projected increase in Taxes, a 23.4% estimated increase in Insurance Costs, and projected growth in Contractor Services (4.2%) and Administrative Costs (4.7%). Labor Costs are projected to increase by 3.5%. These increases in cost are expected to be offset by decreases in Fuel (-8.1%) and energy-related utility costs. The overall Utilities component is expected to increase by 1.2% in 2005 because water and sewer rates are expected to rise by 5.5% and will offset the anticipated decreases in electricity and gas charges. The core PIOC is projected to rise more rapidly than the overall PIOC, by 5.8%, as the energy-related costs that are predicted to decline are eliminated. The above table shows the predicted changes in the PIOC components for 2005.

COMMENSURATE RENT ADJUSTMENT

Throughout its history, the Rent Guidelines Board has used a formula, known as the commensurate rent adjustment, to help determine annual rent guidelines for rent stabilized apartments. In essence, the "commensurate" combines various data concerning operating costs, revenues, and inflation into a single measure indicating how much rents would have to change for net operating income (NOI) in stabilized buildings to remain constant. The different types of "commensurate" adjustments described below are primarily meant to provide a foundation for discussion concerning prospective guidelines.

In its simplest form, the commensurate rent adjustment is the amount of rent change needed to maintain landlords' current dollar NOI at a constant level. In other words, the formula provides a set of one- and two-year renewal rent increases or guidelines that will compensate owners for the change in prices measured by the PIOC and keep net operating income "whole".

The first commensurate method is called the "Net Revenue" approach. While this formula takes into consideration the types of leases actually signed by tenants, it does not adjust landlords' NOI for inflation. The "Net Revenue" formula is presented in two ways, first adjusting for the mix of lease terms and second, adding an assumption for stabilized apartment turnover and the impact of revenue from vacancy increases. Under the "Net Revenue" formula, a guideline that would preserve NOI in the face of this year's 6.9% increase in the PIOC, is 5.5% for a one-year lease and 9.0% for a two-year lease. Guidelines using this formula and adding assumptions for the impact of vacancy increases on revenues when apartments experience turnover are 2.5% for one-year leases and 4.5% for two-year leases.

The second commensurate method considers the mix of lease terms while adjusting NOI upward to reflect general inflation, keeping both O&M and NOI constant. This is commonly called the "CPI-Adjusted NOI" formula. A guideline that would preserve NOI in the face of the 2.96% increase in the Consumer Price Index (see Endnote 1) and the 6.9% increase in the PIOC is 7.0% for a one-year lease and 11.5% for a two-year lease. Guidelines using this formula and adding the estimated impact of vacancy increases are 4.0% for one-year leases and 7.0% for two-year leases.[9]

9 The following assumptions were used in the computation of the commensurates: (1) the required change in landlord revenue is 62.5% of the 2004 PIOC increase of 6.9%, or 4.3%. The 62.5% figure is the most recent ratio of average operating costs to average income in stabilized buildings; (2) for the "CPI-Adjusted NOI" commensurate, the increase in revenue due to the impact of inflation on NOI is 37.5% times the latest 12-month increase in the CPI ending March 2004 (2.96%) or 1.1%; (3) these lease terms are only illustrative. Other combinations of one- and two-year guidelines could produce the adjustment in revenue; (4) assumptions regarding lease renewals and turnover were derived from the 1999 Housing and Vacancy Survey; (5) for the commensurate formulae including a vacancy assumption, the 18.0% median increase in vacancy leases found in the rent stabilized apartments that reported a vacancy lease in the 2001 Apartment registration file from the Division of Housing and Community Renewal was used.

The original formula that has been in use since the inception of the Rent Guidelines Board, is called the "traditional" commensurate adjustment. The "traditional" commensurate yields 4.3% for a one-year lease and 5.5% for a two-year lease, given the increase in operating costs of 6.9% found in the 2004 PIOC, and the projection of a 3.6% increase next year.[10]

As a means of compensating for cost changes, this "traditional" commensurate rent adjustment has two major flaws. First, although the formula is supposed to keep landlords' current dollar income constant, the formula does not consider the mix of one- and two-year lease renewals. Since only about three-fifths of leases are renewed in any given year, with a preponderance of leases having a two-year duration, the formula does not necessarily accurately estimate the amount of income needed to compensate landlords for operating and maintenance (O&M) cost changes.

A second flaw of the "traditional" commensurate formula is that it does not consider the erosion of landlords' income by inflation. By maintaining current dollar NOI at a constant level, adherence to the formula may cause profitability to decline over time. However, such degradation is not an inevitable consequence of using the "traditional" commensurate formula.[11]

All of these methods have their limitations. The "traditional" commensurate formula is artificial and does not consider the impact of lease terms or inflation on landlords' income. The "Net Revenue" formula does not attempt to adjust NOI based on changes in interest rates or deflation of landlord profits. The "CPI-Adjusted NOI" formula inflates the debt service portion of NOI, even though interest rates have been generally falling, rather than rising over recent years. Including a consideration of the amount of income owners receive on vacancy assumes both that vacancy increases are charged and collected, and that turnover rates are constant across the City.

Finally, it is important to note that only the "traditional" commensurate formula uses the PIOC projection and that this projection is not used in conjunction with or as part of the "Net Revenue" and "CPI-Adjusted NOI" formulas. As stated previously, all three formulas attempt to compensate owners for the adjustment in their operating and maintenance costs measured each year in the PIOC. The "Net Revenue" and the "CPI-Adjusted NOI" formulas attempt to compensate owners for the adjustment in O&M costs by using only the known PIOC change in costs (6.9%). The traditional method differs from the other formulas in that it uses both the PIOC's actual change in costs as well as the projected change in costs (3.6%). If the change in projected costs, which may not end up being an accurate estimate of owner's costs, is added to the "Net Revenue" and "CPI-Adjusted NOI" formulas, the resulting guidelines will likely over- or under-compensate for the change in costs.

Each of these formulae may be best thought of as a starting point for deliberations. The other Rent Guidelines Board annual research reports (e.g., the *Mortgage Survey Report* and *the Income and Expense Study*) and testimony to the Board can be used to modify the various estimates depending on these other considerations.

10 The collectability of legally authorized adjustments is assumed. Calculating the "traditional" commensurate rent adjustment requires an assumption about next year's PIOC. In this case, the 3.6% PIOC projection for 2005 is used.

11 Whether profits will actually decline depends on the level of inflation, the composition of NOI (i.e. how much is debt service and how much is profit), changes in tax laws, and interest rates.

Consideration of Other Factors

Before determining the guideline, the Board considered other factors affecting the rent stabilized housing stock and the economics of rental housing.

EFFECTIVE RATES OF INTEREST

The Board took into account current mortgage interest rates and the availability of financing and refinancing. It reviewed the staff's *2004 Mortgage Survey* of lending institutions. Table 4 gives the reported rate and points for the past nine years as reported by the mortgage survey.

Table 4

2004 Mortgage Survey

CALCULATING OF THE CURRENT OPERATING AND MAINTENANCE EXPENSE TO RENT RATIO

Each year the Board estimates the current average proportion of the rent roll which owners spend on operating and maintenance costs. This figure is used to ensure that the rent increases granted by the Board compensate owners for the increases in operating and maintenance expenses. This is commonly referred to as the O&M to rent ratio.

Over the first two decades of rent stabilization, the change in the O&M to rent ratio contained in Table 8 (hereinafter, referred to as "Table 14" - its past designation) was updated each year to reflect the changes in operating costs as measured by the PIOC and changes in rents as measured by staff calculations derived from guideline increases. Over the years, some Board members and other housing experts have challenged the price index methodology and the soundness of the assumptions used in calculating the O&M to rent ratio in "Table 14". Several weaknesses in the table have been acknowledged for some time.

The first problem with "Table 14" is that the calculation does not account for the changes in the housing stock and market factors which have certainly affected the relationship between rents and operating costs to some degree. Next, for the purpose of measuring the relationship between legal regulated rents and operating cost changes, the usefulness of "Table 14" is also limited. The rent index contained in the table does not adjust for administrative rent increases (MCI's and Apartment Improvement increases) and rents charged below established guidelines (preferential).

The operating cost index contained in the table is more troublesome. The .55 base contained in the table reflects an estimate concerning nearly all post-war units. The vast majority of stabilized units (about 7 out of 10) are now in pre-war buildings, which had higher O&M ratios in 1970. The cost index was adjusted (departing from the PIOC) in the 1970's in an attempt to accommodate for this influx of pre-war buildings into the stabilized sector. This attempt was misguided. The rent index reflects changes in rents initially in the post-war sector - so adjustments to the cost index to reflect the influx of pre-war units' results in a one-sided distortion of the changing relationship between costs and rents.

Staff's research suggests that the PIOC may have overstated actual cost increases from 1970 to 1982. However, from 1989-90 to 2001-02, the I&E rose 70% and the adjusted PIOC rose 67%. What remains clear, however, is that "Table 14," in its current form, presents a highly misleading picture of the changing relationship of operating costs to rents over time.

---

13 The figures given above for eviction and non-eviction plans include those that are abandoned because an insufficient percentage of units were sold within the 15 month15-month deadline. In addition, some of the eviction plans accepted for filing may have subsequently been amended or resubmitted as non-eviction plans and therefore may be reflected in both categories. HPD sponsored plans are a subset of the total plans.

Table 8 (Formerly Table 14)[14]

Calculation of Operating and Maintenance Cost Ratio For Rent Stabilized Buildings from 1970 to 2004

---

14 Source: Price Index of Operating Costs 1970 – 2004, NYC Housing and Vacancy Surveys.

15 Estimate of percentage increases are based on the Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City for the relevant year and adjustments made by the Rent Guidelines Board; detailed explanations are available in the individual Explanatory Statements of the Board.

16 For explanation of the derivation of individual percentage rent increases see the Explanatory Statements of the Board's previous Orders.

17 The **5.72%** increase in rent roll estimated for leases signed during the period 10/1/0203-9/30/03 04 under Order 35 reflects the following: (1) Renewal guidelines are estimated to contribute a **1.313%** and **2.196%** increase in the rent roll with 29.2% of all units experiencing a one-year lease signing (4.5%) and 29.3% of all units experiencing two-year lease signings (7.5%). These figures are derived from the 1999 Housing and Vacancy Survey (HVS), Table 58, which gives reported lease terms. "Less than one year" was assumed to be a one-year lease and "More than one year" and "More than two years" were assumed to be a two-year lease. These figures for renewal leases (33% of stabilized households have a one-year lease and 67% have two-year leases) were reduced by the turnover rate of 12.3%, derived from the average households who moved in the 1999 HVS (125,134 is the average number of stabilized households that moved annually1996-98) and taken as percentages of all stabilized lease signers (1,020,588); (2) the vacancy allowance of 18.0%, which is the median vacancy increase found in the 2001 annual DHCR rent registration data for apartments is estimated to increase overall rent rolls by **2.207%** when multiplied by the HVS turnover rate (12.3%), which estimates the percentage of rent stabilized units that will enter into vacancy leases under Order 35.

For years the staff has expressed serious reservations about the usefulness and accuracy of "Table 14". With current longitudinal income and expense data staff has constructed a new and far more reliable index, using 1989 as a base year. Except for the most recent year and the coming year, this new index measures changes in building income and operating expenses as reported in annual income and expense statements. The second to last year in the table will reflect actual PIOC increases and projected rent changes. The last year in the table - projecting into the future - will include staff projections for both expenses and rents. The proposed new index is in Table 9.

While we believe this to be a more reliable index, it is not without limitations. First, as noted, for the past and coming year the index will continue to rely upon the price index and staff rent and cost projections. Second, while the new table looks at the overall relationship between costs and income, it does not measure the specific impact of rent regulation on that relationship. This new table is listed below as Table 9.

Table 9

	Average Monthly O & M Per d.u.[19]	Average Monthly Income Per d.u.	Average O & M to Income Ratio
1989	$370 ($340)	$567	.65 (.60)
1990	$382 ($351)	$564	.68 (.62)
1991	$382 ($351)	$559	.68 (.63)
1992	$395 ($363)	$576	.69 (.63)
1993	$409 ($376)	$601	.68 (.63)
1994	$415 ($381)	$628	.66 (.61)
1995	$425 ($391)	$657	.65 (.59)
1996	$444 ($408)	$679	.65 (.60)
1997	$458 ($421)	$724	.63 (.58)
1998	$459 ($422)	$755	.61 (.56)
1999	$464 ($426)	$778	.60 (.55)
2000	$503 ($462)	$822	.61 (.56)
2001	$531 ($488)	$868	.61 (.56)
2002	$570 ($524)	$912	.63 (.57)
2003[20]	$666 ($612)	$951	.70 (.64)
2004[21]	$712 ($654)	$994	.72 (.66)
2005[22]	$738 ($678)	$1,047	.71 (.65)

---

18 The **4.75%** increase in rent roll estimated for leases signed during the period 10/1/04-9/30/05 under Order 36 reflects the following: (1) Renewal guidelines are estimated to contribute a **1.052%** and **1.960%** increase in the rent roll with 30.1% of all units experiencing a one-year lease signing (3.5%) and 30.2% of all units experiencing two-year lease signings (6.5%). These figures are derived from the 2002 Housing and Vacancy Survey (HVS), Table 58, which gives reported lease terms. "Less than one year" was assumed to be a one-year lease and "More than one year" and "More than two years" were assumed to be a two-year lease. These figures for renewal leases (33% of stabilized households have a one-year lease and 67% have two-year leases) were reduced by the turnover rate of 9.6%, derived from the average households who moved in the 2002 HVS (95,239 is the average number of stabilized households that moved annually1999-2001) and taken as percentages of all stabilized lease signers (988,393); (2) the vacancy allowance of 18.0%, which is the median vacancy increase found in the 2001 annual DHCR rent registration data for apartments is estimated to increase overall rent rolls by **1.734%** when multiplied by the HVS turnover rate (9.6%), which estimates the percentage of rent stabilized units that will enter into vacancy leases under Order 36.

19 Operating and expense data listed is based upon unaudited filings with the Department of Finance. Audits of 46 buildings conducted in 1992 suggest that expenses may be overstated by 8% on average. See Rent Stabilized Housing in New York City, A Summary of Rent Guidelines Board Research 1992, pages 40-44. Figures in parentheses are adjusted to reflect these findings.

20 Estimated expense figure includes the 2002 I&E expense figure updated by the PIOC for the period from 4/1/02 through 3/31/03 (16.9%). Income includes the I&E income figure for 2002 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/02 through 3/31/03 (4.29% - i.e., the 10/1/01 to 9/30/02 rent projection (4.78) times (.583), plus the 10/1/02 to 9/30/03 rent projection (3.61) times (.417)).

CHANGES IN HOUSING AFFORDABILITY

For the third consecutive year, New York City's economy still struggled to recover from recession, rising unemployment rates, falling employment levels, and stagnant to declining real wages. The City's Gross City Product declined by 2.2% in 2003, despite growth of 2.2% in the fourth quarter. Unemployment rates also increased for the third year in a row, climbing .5 percentage points to 8.4%. Total employment levels in the City fell to 1998 levels, and both real and nominal wages fell to levels not seen in this decade. In addition, Housing and Vacancy Survey data published last year reveals that the vacancy rate remains well below the 5% threshold, at 2.94% citywide. But despite the poor economy, the number of persons receiving public assistance fell during Fiscal Year 2003, and rose again during the first four months of FY 2004. In addition, the number of homeless in City shelters grew to record numbers, especially among families, while non-payment filings in Housing Court decreased by 4.0%.

BUILDINGS WITH DIFFERENT FUEL AND UTILITY ARRANGEMENTS

The Board was also informed of the circumstances of buildings with different fuel and utility arrangements including buildings that are master-metered for electricity and that are heated with gas versus oil, and where heat is not a service provided by the owner but is paid for separately by tenants (see Table 10). Under some of the Board's Orders in the past, separate adjustments have been established for buildings in certain of these categories where there were indications of drastically different changes in costs in comparison to the generally prevailing fuel and utility arrangements. This year the Board made no distinction between guidelines for buildings with different fuel and utility arrangements under Order 36. However, the Board did make a distinction in guidelines for tenants who pay to heat their apartments as a separate expense from their rent.

Table 10

Changes in Price Index of Operating Costs for Apartments in Buildings with Various Heating Arrangements, 2003-04, and Commensurate Rent Adjustment		
Index Type	2003-04 Price Index Change	One-Year Rent Adjustment Commensurate With Adjusted O&M to Income Ratio of .625
All Dwelling Units Individually Metered for Electricity:	6.86%	4.29%
Pre 1947	6.39	3.99
Post 1946	6.91	4.32
Oil Used for Heating	6.40	4.00

Note: The O&M to Income ratio is from the *2004 Income and Expense Study*.
Source: RGB's *2004 Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City*.

---

21 Estimated expense figure includes 2003 expense estimate updated by the PIOC for the period from 4/1/03 through 3/31/04 (6.9%). Income includes the income estimate for 2003 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/03 through 3/31/04 (4.49% - i.e., the 10/1/02 to 9/30/03 rent projection (3.61) times (.583), plus the 10/1/03 to 9/30/04 rent projection (5.72) times (.417)).

22 Estimated expense figure includes 2004 expense estimate updated by the staff PIOC projection for the period from 4/1/04 through 3/31/05 (3.6%). Income includes the income estimate for 2004 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/04 through 3/31/05 (5.31% - i.e., the 10/1/03 to 9/30/04 rent projection (5.72) times (.583), plus the 10/1/04 to 9/30/05 rent projection (4.75) times (.417)).

ADJUSTMENTS FOR UNITS IN THE CATEGORY OF BUILDINGS

COVERED BY ARTICLE 7-C OF THE MULTIPLE DWELLING LAW (LOFTS)

Section 286 sub-division 7 of the Multiple Dwelling Law states that the Rent Guidelines Board "shall annually establish guidelines for rent adjustments for the category of buildings covered by this article." In addition, the law specifically requires that the Board, "consider the necessity of a separate category for such buildings, and a separately determined guideline for rent adjustments for those units in which heat is not required to be provided by the owner, and may establish such separate category and guideline."

In 1986, Abt Associates Inc. conducted an expenditure study of loft owners to construct weights for the Loft Board's index of operating costs and to determine year-to-year price changes. In subsequent years, data from the PIOC for stabilized apartments was used to compute changes in costs

and to update the loft expenditure weights. This is the procedure used this year.

The increase in the Loft Index this year was 8.2%, 1.3 percentage points higher than the increase for apartments. This difference is explained primarily by the fact that Insurance Costs, which increased by 14.7%, are much more important for lofts than for apartments and placed more upward pressure on the Loft Index.

This year's guidelines for lofts are: **2.5%** for a one-year lease and **5.5%** for a two-year lease.

Table 11

Changes in the Price Index of Operating Costs for Lofts from 2003-04

	Loft O & M Price Index Change
All Buildings	8.2%

SPECIAL GUIDELINES FOR VACANCY DECONTROLLED UNITS ENTERING THE STABILIZED STOCK

Pursuant to Section 26-513(b) of the New York City Administrative Code, as amended, the Rent Guidelines Board establishes a special guideline in order to aid the State Division of Housing and Community Renewal in determining fair market rents for housing accommodations which enter the stabilization system. This year, the Board set the guidelines at the greater of the following:

(1) 50% above the Maximum Base Rent, or
(2) The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

The Board concluded that for units formerly subject to rent control, either an increase to rent levels reflecting the Fair Market Rent guidelines established by the U.S. Department of Housing and Urban Development (HUD), or 50% above the maximum base rent was a desirable minimum increase. Notably, the HUD guidelines differentiate minimum rents on the basis of bedroom count.

INCREASE FOR UNITS RECEIVING PARTIAL TAX EXEMPTION PURSUANT TO SECTION 421 AND 423 OF THE REAL PROPERTY TAX LAW

The guideline percentages for 421-A and 423 buildings were set at the same levels as for leases in other categories of stabilized apartments.

This Order does not prohibit the inclusion of the lease provision for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 per cent per annum where the dwelling unit is receiving partial tax exemption pursuant to Section 421-A of the Real Property Tax Law. The cumulative but not compound charge of up to 2.2 per cent per annum as provided by Section 421-A or the rate provided by Section 423 is in addition to the amount permitted by this Order.

VACANCY ALLOWANCE

As of June 15, 1997, Vacancy Allowances are now determined by a formula set forth in the State Rent Regulation Reform Act of 1997 and in Chapter 82 of the Laws of 2003.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

SUBLET ALLOWANCE

The increase landlords are allowed to charge under Order 36 when a rent stabilized apartment is sublet by the primary tenant to another tenant on or after October 1, 2004 and on or before September 30, 2005 shall be **10%**.

VOTES

The votes of the Board on the adopted motion pertaining to the provisions of Order #36 were as follows:

	Yes	No	Abstentions
Guidelines for Apartment Order #36	6	3	-

2004 Hotel Order #34

June 17, 2004

Order Number 34 - Hotels, Rooming Houses, Single Room Occupancy Buildings and Lodging Houses. Rent levels to be effective for leases commencing **October 1, 2004** through **September 30, 2005**.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY RENT GUIDELINES BOARD BY THE RENT STABILIZATION LAW OF 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended, implemented by Resolution No. 276 of 1974 of the New York City Council and extended by Chapter 82 of the Laws of 2003, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Rent Guidelines Board hereby **adopts** the following levels of fair rent increases over lawful rents charged and paid on **September 30, 2004.**

APPLICABILITY

This order shall apply to units in buildings subject to the Hotel Section of the Rent Stabilization Law (Sections 26-504(c) and 26-506 of the N.Y.C. Administrative Code), as amended, or the Emergency Tenant Protection Act of 1974 (L.1974, c. 576 §4[§5(a)(7)]). With respect to any tenant who has no lease or rental agreement, the level of rent increase established herein shall be effective as of one year from the date of the tenant's commencing occupancy, or as of one year from the date of the last rent adjustment charged to the tenant, or as of **October 1, 2004**, whichever is later. This anniversary date will also serve as the effective date for all subsequent Rent Guidelines Board Hotel Orders, unless the Board shall specifically provide otherwise in the Order. Where a lease or rental agreement is in effect, this Order shall govern the rent increase applicable on or after **October 1, 2004** upon expiration of such lease or rental agreement, but in no event prior to one year from the commencement date of the expiring lease, unless the parties have contracted to be bound by the effective date of this Order.

RENT GUIDELINES FOR HOTELS, ROOMING HOUSES, SINGLE ROOM OCCUPANCY BUILDINGS AND LODGING HOUSES

Pursuant to its mandate to promulgate rent adjustments for hotel units subject to the Rent Stabilization Law of 1969, as amended, (§26-510(e) of the N.Y.C Administrative Code) the Rent Guidelines Board hereby **adopts** the following rent adjustments:

The allowable level of rent adjustment over the lawful rent actually charged and paid on **September 30, 2004** shall be:

1) Residential Class A (apartment) hotels -	0%
2) Lodging houses -	0%
3) Rooming houses (Class B buildings containing less than 30 units) -	0%
4) Class B hotels -	0%
5) Single Room Occupancy buildings (MDL section 248 SRO's) -	0%

NEW TENANCIES

No "vacancy allowance" is permitted under this order. Therefore, the rents charged for tenancies commencing on or after **October 1, 2004** and on or before **September 30, 2005** may not exceed the levels over rentals charged on **September 30, 2004** permitted under the applicable rent adjustment provided above.

ADDITIONAL CHARGES

It is expressly understood that the rents collectible under the terms of this Order are intended to compensate in full for all services provided without extra charge on the statutory date for the particular hotel dwelling unit or at the commencement of the tenancy if subsequent thereto. No additional charges may be made to a tenant for such services, however such charges may be called or identified.

STATEMENT OF BASIS AND PURPOSE

The Rent Guidelines Board is authorized to promulgate rent guidelines governing hotel units subject to the Rent Stabilization Law of 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended. The purpose of these guidelines is to implement the public policy set forth in Findings and Declaration of Emergency of the Rent Stabilization Law of 1969 (§26-501 of the N.Y.C. Administrative Code) and in the Legislative Finding contained in the Emergency Tenant Protection Act of 1974 (L.1974 c. 576, §4 [§2]).

Dated: June 17, 2004

Marvin Markus
Chair
New York City Rent Guidelines Board

EXPLANATORY STATEMENT - HOTEL ORDER #34
Explanatory Statement and Findings of the Rent Guidelines Board In Relation to 2004-05 Lease Increase Allowances for Hotels Under the Jurisdiction of the Rent Stabilization Law

Explanatory Statement and Findings of the Rent Guidelines Board Concerning Increase Allowances for Hotel Units Under the Jurisdiction of the Rent Stabilization Law, Pursuant to Hotel Order Number 34, Effective October 1, 2004 through and including September 30, 2005.[23]

Pursuant to the authority vested in it by the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974, implemented by Resolution Number 276 of 1974 of the New York City Council, and extended Chapter 82 of the Laws of 2003, it is the responsibility of the Rent Guidelines Board to establish guidelines for hotel increases. Hotel Order Number 34, adopted on June 17th, 2004, applies to stabilized hotel units occupied by non-transient tenants.

Hotel Order Number 34 provides for an allowable increase of **0%** over the lawful rent actually charged and paid on September 30, 2004 for rooming houses, lodging houses, Class B hotels, single room occupancy buildings, and Class A residential hotels. The Order does not limit rental levels for commercial space, non-rent stabilized residential units, or transient units in hotel stabilized buildings during the guideline period. The Order also provides that for any dwelling unit in a hotel stabilized building which is voluntarily vacated by the tenant thereof, the level of rent increase governing a new tenancy shall be the same as the guideline for rent increases set forth above.

SPECIAL NOTE

In the past the Board has adopted rent increases to the rent stabilized hotel universe. In recent years, when increases were granted, the Board adopted provisos that were designed to deny owners from taking these increases under certain conditions. Since the Board voted a 0% increase for all classifications of rent stabilized hotels, these provisos are not included in Hotel Order 34. In event that increases are considered for subsequent Hotel Orders, at such time the current members of the Rent Guidelines Board urge future Boards to adopt and reinstate these provisos. These provisos and explanatory language are as follows:

Rooming house, lodging house, Class B hotel, single room occupancy building, and Class A residential hotel owners shall not be entitled to any of the above rent adjustments, and shall receive a 0 percent adjustment if any or all of the following conditions exist:

1) If permanent rent stabilized or rent controlled tenants paying no more than the legal regulated rent, at the time that any rent increase in this Order would otherwise be authorized, constitute fewer than **75%** of all units in a building that are used or occupied, or intended, arranged or designed to be used or occupied in whole or in part as the home, residence or sleeping place of one or more human beings.

The following was read and entered into the public record of the June 17th meeting to outline the Rent Guidelines Board's intent of the above proviso:

The Board's intention for the meaning of this proviso is that ALL dwelling units in the hotel, whether occupied, vacant, rented to tourists, transients, contract clients, students or other non-permanent tenants, or to permanent rent stabilized tenants, be counted in the denominator of the calculation. The only type of units in the hotel that may be excluded from the denominator are units that are used as stores or for similar business purposes such as doctor's offices. The numerator of the calculation is the number of units occupied by permanent rent stabilized or rent controlled tenants.

Here are two examples. One: a hotel has 100 units and 2 stores. 32 units are rented to permanent rent stabilized tenants, 10 are vacant and 58 are rented to transients and tourists. The calculation is as follows, the denominator is 100 and the numerator is 32. This calculation results in an occupancy percentage of LESS than 75% under the formula (32%) and an increase CANNOT be taken for the permanent stabilized tenants.

Two: a hotel has 150 units, 2 of which are used by a dentist and a doctor for their businesses, 8 are rented to tourists, 20 are vacant and 120 are occupied by permanent rent stabilized tenants. The denominator would be 148 and the numerator would be 120. This calculation results in an occupancy percentage of GREATER than 75% under the formula (81%) and an increase CAN be taken for the permanent stabilized tenants.

2) If the owner has failed to provide to the new occupant of that unit a copy of the Rights and Duties of Hotel Owners and Tenants, pursuant to Section 2522.5 of the Rent Stabilization Code.

23 This Explanatory Statement explains the actions taken by the Board on individual points and reflects the general views of those voting in the majority. It is not meant to summarize all viewpoints expressed.

DEFINITIONS

For the purpose of determining the appropriate classification of a hotel stabilized unit, the Board has set its definitions as follows:

- Residential hotels are "apartment hotels" which are designated as Class A multiple dwellings on the Certificate of Occupancy.
- Rooming houses are Class B multiple dwellings having fewer than thirty sleeping rooms as defined in Section 4(13) of the multiple dwelling law.
- A single room occupancy building is a Class A multiple dwelling which is either used in whole or in part for single room occupancy or as a furnished room house, pursuant to Section 248 of the multiple dwelling law.
- A Class B hotel is a hotel, which carries a Class B Certificate of Occupancy and contains units subject to rent stabilization.
- Lodging houses are those buildings designated as lodging houses on the Certificate of Occupancy.

BACKGROUND

Public meetings of the Board were held on April 13th, 20th, 27th, and April 30th and June 3rd, 2004 following public notices. On May 10th, the Board adopted proposed rent guidelines for hotels, apartments, and lofts.

One public hearing was held on June 15th, 2004 to hear comments on the proposed rent adjustments for rent stabilized hotels and apartments. The hearing was held from 10:00 a.m. to 10:00 p.m. The Board heard testimony from 31 hotel tenants and tenant representatives, no hotel owners and owner representatives and 7 public officials. In addition, the Board's office received approximately 26 written statements from owners and owner groups, tenants and tenant groups, and public officials. On June 17th, 2004, the guidelines set forth in Hotel Order Number 34 were adopted.

Oral and Written Testimony from Owners and Owner Groups:

– "I ask for an 8% increase across-the-board (WITH NO RESTRICTIONS) for these [all hotel] categories."

– "The main issue at hand is the "PROVISO". As I previously discussed with you, due to inequities in the past, many property owners were either forced to diversify or just "give up". I believe we owe the owners who stayed and attempted to keep their buildings and tenants should be rewarded...not punished."

– "As we had previously discussed, the cost of these services [switchboard, linens, security, and housekeeping] have escalated greatly since those owners were able to take an increase. Along with these services, come the union increases, which includes salary raises of 4% per year, scholarship and education funds, insurance, annuities, pensions, etc. While union costs are escalating, increases from the City have not been forthcoming."

Oral and Written Testimony from Tenants and Tenant Groups:

– "SRO tenants generally maintain their subsistence-level incomes at jobs that pay minimum wage (or sadly less in some cases) or struggle to survive on fixed incomes that are getting progressives lower. While an increase of two or three percent may seem inconsequential for those of us fortunate enough to be able to sustain a higher standard of living, such increases will stretch these residents' already inelastic incomes beyond the breaking point, forcing more and more of them out onto the street and causing their low-income housing to disappear forever. Because of their low incomes and the fact that most SRO tenants are single adults often without families to fall back on, this is the population most at risk for becoming homeless."

– "The majority of SRO tenants have fixed incomes, and many struggle to be able to pay both their rent and afford the basic necessities. Conversely, hotel and lodging house owners saw their industry grow last year, and still do not depend on the comparatively small population of permanent SRO tenants to reap significant profit. As we do each year, we appear before you today to report on the fragile state of SRO housing and its tenants, and to urge you to grant SRO landlords no increase for the coming year."

– "I strongly recommend the establishment of a Mayor's Committee on fairness in housing, that will guarantee no rent increases imposed on tenants who reside in buildings with a history of discrimination, harassment, violations, false self-certifications, and owing the City money in fines and unpaid taxes. Until this is effect the Rent Guidelines Board should vote ZERO increases for all tenants Citywide. We want the RGB to keep the proviso of 75% intact."

– "Without the proviso my entire salary would go to rent. There would be nothing left to support my neighborhood merchants, barely enough for food. If you want to maintain the economic health of the City you must support the proviso."

– "Don't send a message that you don't care about affordable housing for low to moderate income tenants. Do the right thing this year [0% increase]. Tenants depend on this housing because it's affordable and they depend on you to keep it that way."

– "As a tenant since 1995 in a rent stabilized apartment...I strongly urge you to deny any rent increase to my landlords. For the past 23 years they have been getting rich by driving tenants like myself out of our homes in order to replace us with homeless people for whom the city government shells out $3,000 every 28 days for a single room or apartment. In November 2001 [hotel management] signed a contract with HASA, a division of New York Human Resources Administration, to provide emergency temporary housing. Since that time, they have made $12 million by intentionally engaging in an illegal campaign of harassment to force rent-stabilized tenants out of their homes....I implore you to freeze these criminal slumlords' rents."

Oral and Written Testimony from Public Officials:

– "Single Room Occupancy (SRO) buildings and residential hotels continue to constitute an important part of the rent-stabilized housing stock. SRO owners derive the bulk of their income from their transient guests, not from their permanent tenants. While a rent increase would have a minimal affect [sic] on the total income of these landlords, such an increase would have a very large impact on the incomes of tenants living in SROs. The Rent Guidelines Board should NOT issue any rent increase for permanent tenants of hotels, rooming houses, and lodging houses."

– "Any SRO rent increase is unsupportable. As anyone who has witnessed the conditions of most SRO housing knows, it is housing of last resort. For a person with a low income, even a small increase could mean the difference between being on the street or being in a [sic] one's own room. It is good to see that the Board has proposed rent increases for SROs that range from 0-2%. The Board should not approve any SRO rent increase, in order to protect vulnerable housing for those who need it most, and who can least afford to pay more."

– "I am here to urge the Rent Guidelines Board to vote to freeze the rents or not to increase them beyond a bare minimum. I also urge this Board to vote against any longevity tax or surcharge for the rents of rent stabilized apartments, lofts, Single Room Occupancy (SRO) units and hotels. Based on the findings of this Board, including the continued loss of jobs in this City, the rise in unemployment, homelessness, and the continued increase in rent to income ratios, it is clear that such a vote is necessary to protect not only the tenants but also the City's financial base."

– "On their behalf [rent stabilized tenants in my district], and for tenants Citywide, I urge the Board to impose an immediate freeze on rent increases for apartments, lofts, and SROs....I also urge the Board to pass a similar freeze for SRO tenants, approving the 0% increase at the bottom of the proposed range. This Board has an opportunity to shape New York City as a truly diverse and habitable place. You have the power to preserve housing for middle and working class people. Conversely, you also have the power to further divide New York City into the haves and have-nots....The only acceptable outcome of the Board's vote is no new increases."

MATERIAL CONSIDERED BY THE BOARD

In addition to oral and written testimony presented at its public hearing, the Board's decision is based upon material gathered from the 2004 Price Index of Operating Costs for Hotel Stabilized Units in New York City, prepared by the staff of the Rent Guidelines Board, reports and testimony submitted by owner and tenant groups relating to the hotel sector, and reports submitted by public agencies. The Board heard testimony from invited guest speakers on April 30th, 2004. Guest speakers representing hotel tenants included Terry Poe, Tenant Organizing Supervisor, from the Goddard-Riverside Community Center's West Side SRO Law Project and Christopher Schwartz, Staff Attorney, from the East Side SRO Law Project of MFY Legal Services. The guest speakers representing hotel landlords were Robert Eberhart, Owner and Manager of the SRO property located at 208 East 85th Street, who also spoke on behalf of Helen Maurizio, Executive Director, Associated Hotels and Motels of Greater New York.

PRICE INDEX OF OPERATING COSTS FOR RENT STABILIZED HOTEL UNITS

The Price Index for all stabilized Hotels increased 6.2% this year, 9.8 percentage points lower than the 16.0% increase found the year before. The Price Index for Hotels was just 0.7 percentage point lower overall than the increase in costs measured in the Apartment Price Index. The primary differences between the increase in the Hotel Index and the Apartment Price Index was in the Tax and Utilities components. The increase in taxes for all types of Hotels was 18.6% overall versus 16.2% in apartment buildings. Utility costs decreased in Hotels by 5.0%, compared to the 0.8% increase for apartments. The difference was due primarily to electricity costs, which decreased in both indexes, but are weighted more heavily in Hotels than in apartments.

Prices in all other components in the Hotel Index had similar changes in rates to the same components in the Apartment Index. Labor Costs increased more rapidly in Hotels (5.2%) versus the 4.5% rise in apartments. Hotels tend to employ more non-union labor than apartment buildings, and non-union labor costs increased at a higher rate than unionized labor costs did this year. Conversely, the rates for Contractor Services did not rise as quickly in Hotels (2.9%) as they did in apartments (4.1%) this year. Because the Contractor Services component is less important in the Hotel Index (accounting for about 9% of the weight) than in the Apartment Index (about 14% of the weight), the lower increase in maintenance rates did not offset the overall Hotel Index significantly. Fuel decreased at a lower rate in the Hotel Index (-2.3%) compared to the 2.8% decrease for apartments.

Changes in these components caused the Price Index for all stabilized Hotels to increase at a similar rate to the Price Index for all stabilized buildings. See the table on the following page for changes in costs and prices for all rent stabilized hotels from 2003-04.

Among the different categories of Hotels, the index for "traditional" hotels increased 7.2%, the index for Rooming Houses increased 5.4%, and SROs increased by 4.4%. The differences between these indices are primarily due to the increased weight placed on the Tax component for "traditional" hotels. (See Appendices 4 and 7)

There was diversity among hotel subgroups in tax expense this year, as real estate taxes increased in "traditional" stabilized hotels by 16.9%, by 20.5% in SROs, and by 17.5% in Rooming Houses. The lower increase in tax burden found for "traditional" hotels this year was caused by the lower tax rate for Hotels (7.6% compared to 9.0% and 9.2% for SROs and Rooming Houses), and a discount in tax bills from exemptions (-1.8%), that was larger than the discount found for SROs (-0.1%) and the almost negligible impact of exemptions on Rooming Houses (0.05%).

Percent Change in the Components of the Price Index of Operating Costs April 2003 to April 2004, By Hotel Type and All Hotels

TRANSPORTATION

■ NOTICE

Notice of Opportunity to Comment on Proposed Rule regarding insurance requirements.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by section 2903(b) of the New York City Charter, and in accordance with section 1043 of the Charter, that the Department of Transportation proposes to amend title 34 of the Official Compilation of the Rules of the City of New York by repealing and reenacting paragraph (3) of subdivision (a) of section 2-02 of Chapter 2 of Title 34 of the Official Compilation of the Rules of the City of New York, the Highway Rules. Matter underlined is new; matter [in brackets] is deleted. This rule was not included in the agency's regulatory agenda as it was not anticipated at the time the agenda was published.

Written comments regarding the proposed rules may be sent to John Liszczak, Executive Director, Permit Management, Department of Transportation, 40 Worth Street, 9th floor, New York, N.Y. 10013, on or before August 27, 2004. A public hearing shall be held on August 27, 2004 at 40 Worth Street, Room 999, New York, N.Y. at 10:00 a.m. Persons seeking to testify are requested to notify Mr. Liszczak at the address stated above. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Mr. Liszczak at the foregoing address by August 20, 2004. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Iris Weinshall, Commissioner.

Paragraph (3) of subdivision (a) of section 2-02 of title 34 of the Rules of the City of New York is repealed and reenacted as follows:

(3) Insurance requirements (for all applicants):

[(i) An original certificate of insurance and one copy shall be filed with the Department (a copy of the policy shall be

made available to the Department upon request) and shall include the following minimum requirements:

(A) the City of New York and the Department of Transportation shall be named as additional insured and named certificate holders;

(B) insurance shall include Commercial General Liability Insurance Coverage in the amount of $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, except that with respect to applications for permits to place a crane on a street, such amount shall be $3,000,000 combined single limit per occurrence and $1,000,000 automobile liability, if applicable, with respect to applications for permits to place a canopy on the street, such amount shall be $100,000 combined single limit and for sidewalk work, such amount shall be $250,000;

(C) the insurer shall give the Department at least sixty days written notice prior to expiration or cancellation of the policy;

(D) the policy or certificate shall indicate which borough(s) are covered by the policy; and,

(E) the policy or certificate shall indicate that the coverage is broad enough to cover all operations adjacent to the work site or premises, including roadways and sidewalks providing access to the work site or premises.

(ii) Workers' Compensation insurance shall also be provided.

(iii) A separate policy or certificate need not be filed for each location, provided such coverage is in force for all operations in the entire borough, City or state.]

(i) Each applicant shall, before applying for a permit, obtain a Commercial General Liability (CGL) insurance policy from an insurance company licensed to do business in the State of New York providing coverage for the City of New York:

(A) for all accidents arising out of operations performed by or on its behalf for which the City has issued it a permit, including:

1. coverage broad enough to cover the permitted activity, not limited to supervisory acts or vicarious liability;

2. coverage for all accidents arising out of defects in the restoration of the street cut for the Guarantee Period, as defined in subparagraph (ii) of paragraph (16) of subdivision (e) of section 2-11 of these rules; and

3. an endorsement naming the City as an additional insured for completed operations;

(B) in an amount no less than $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, except that with respect to applications for permits to place a crane on a street, such minimum amount shall be $3,000,000 combined single limit per occurrence in the applicable CGL or automobile liability policy;

(C) for applicants who obtain ten or more permits, the insurance shall include aggregate coverage as follows:

1. applicants who obtained between ten and fifty permits in the previous calendar year, or who expect to obtain between ten and fifty permits in the current calendar year shall obtain insurance with a minimum aggregate limit of $5,000,000;

2. applicants who obtained more than fifty permits in the previous calendar year or who expect to obtain more than fifty permits in the current calendar year shall obtain insurance with a minimum aggregate limit of $10,000,000.

(D) providing the Department at least thirty days written notice prior to expiration or cancellation of the policy; and

(E) providing that the City of New York and the Department of Transportation shall be named certificate holders and additional insureds.

(ii) Each applicant shall, before applying for a permit, obtain a Workers Compensation insurance policy from a licensed insurance company.

(iii) Each applicant shall, before applying for a permit file with the Department a sworn statement in a form prescribed by the Department from the insurer or from a licensed insurance broker certifying that the applicant has insurance in place that meets the requirements stated in this paragraph with respect to the permit period.

(iv) An applicant may obtain insurance policies applicable to more than one permit application, in which case the certification pursuant to subparagraph (iii) shall state that the policies cover all such permits in specified boroughs, or throughout the City, or throughout the State.

(v) Upon request, the applicant shall provide to the Department within ten business days a copy of the insurance policies secured in compliance with this paragraph.

(vi) At its discretion, the Department may allow applicants that frequently seek permits to self insure, provided the applicant presents proof of excess or umbrella Commercial General Liability and automobile coverage applicable to its operations under such permits and fully complies with the following conditions:

(A) The applicant, through its self-insurance program, shall protect the City as fully as provided for in subparagraphs (i) and (ii).

(B) The applicant shall submit to the Department a statement in a form prescribed by the Department and acknowledged by a notary public binding on the applicant agreeing to conduct a self-insurance program described in subparagraph (A), above, agreeing further that the applicant is fully liable to the City for satisfying the obligations set forth in subparagraph (A), above in the event applicant's self-insurance program fails to satisfy any such obligations promptly upon demand, and providing the City with the name and address of the office or official of its self-insurance program who is responsible for satisfying the self insurance obligations.

(vii) In the event that a permittee, for any reason whatever, failed to secure insurance in full compliance with subparagraphs (i) or (ii) or such insurance fails to fully defend and/or indemnify the City for any accident covered by such insurance, or fails to self insure as provided in subparagraph (vi), the permittee itself shall be liable to the City for the City's payment by settlement or judgment in any action which would have been covered by such insurance, plus reasonable attorneys fees and costs incurred in the City's defense of such action.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to regulate work taking place on City streets and sidewalks pursuant to section 2903 of the New York City Charter and Title 19 of the New York City Administrative Code.

Paragraph (3) of subdivision (a) of section 2-02 is being amended to make the insurance requirements more practical in terms of providing protection to the City.

CITY PLANNING COMMISSION

■ NOTICE

NOTICE OF COMPLETION OF THE FINAL ENVIRONMENTAL IMPACT STATEMENT

Community Facilities Text Amendment

Project Identification
CEQR No. 04DCP025Y
ULURP No. N040202 ZRY
SEQRA Classification: Type I

Lead Agency
City Planning Commission
22 Reade Street, 1W
New York, NY 10007

Contact Person
Robert Dobruskin, Director (212) 720-3423
Environmental Assessment and Review Division
New York City Department of City Planning

Pursuant to City Environmental Quality Review (CEQR), Mayoral Executive Order No. 91 of 1977, and the regulations of Article 8 of the State Environmental Conservation Law, State Environmental Quality Review Act (SEQRA) as found in 6 NYCRR Part 617, a Final Environmental Impact Statement (FEIS) has been prepared for the action described below. Copies of the FEIS are available for public inspection at the office of the undersigned. The proposal involves actions by the City Planning Commission and Council of the City of New York pursuant to Uniform Land Use Review Procedures (ULURP). A public hearing on the Draft Environmental Impact Statement (DEIS) was held on June 9, 2004. Written comments on the DEIS were requested and were received by the Lead Agency until the 10th calendar day following the close of the public hearing. This FEIS incorporates responses to the public comments received on the DEIS and additional analysis conducted subsequent to the completion of the DEIS.

The Department of City Planning (DCP) and the New York City Council Land Use Committee are proposing to modify and replace existing text, add new text, and reorganize various sections of the *Zoning Resolution (ZR)* regarding community facilities. The proposal would affect zoning regulations on a citywide basis, and would result in changes to the use, bulk and parking regulations included in the *Zoning Resolution* with regard to community facilities.

The FEIS has identified the potential for significant adverse impacts related to archaeological resources and hazardous materials. These impacts would be unmitigated, as there are no practicable or feasible measures available to mitigate them. The FEIS considers four alternatives to the proposed action: (1) a No Action Alternative, (2) a No Impact Alternative, (3) a CPC Chair Certification Alternative and (4) a 500 Foot Buffer Zone Alternative.

Copies of the Final Environmental Impact Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, NY 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, NY 10038, Robert Kulikowski, Ph.D., Director (212) 788-2924.

This notice has been prepared in accordance with Article 8 of the New York State Environmental Conservation Law.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

CITY PLANNING COMMISSION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, August 11, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 040521 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 3104, 3106 and 3110 Park Avenue (Block 2418 Lots 2-4), 308, 314 and 320 East 159th Street (Block 2418, Lots 10, 12 and 14), 821 and 817 Courtlandt Avenue (Block 2418, Lots 16 and 18), 301, 303, 305, 307, 309, 313, 317 and 321 East 158th Street (Block 2418, Lots 25, 26, 28, 29, 31-34), Site 22 within the Melrose Commons Urban Renewal Area, as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate development of a five-story building, tentatively known as Courtlandt Avenue Apartments, with approximately 167 units of housing for low-income families and 1 unit for a superintendent, to be developed under HPD's Cornerstone Program.

CD 10 **C 040479 ZMX**

IN THE MATTER OF an application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 4b, 4d, 7a, and 7c:**

1. changing from an R3-2 District to an R3-1 District property bounded by a line 100 feet southerly of Spencer Drive, a line 100 feet southerly of Lucerne Street and its easterly prolongation, the U.S. Pierhead Line, Club Road and its easterly centerline prolongation at its intersection with Campbell Drive, and a line 100 feet easterly of Reed Place;

2. changing from an R4 District to an R3-1 District property bounded by Throgs Neck Expressway, Throgs Neck Bridge Approach, the northwesterly centerline prolongation of Locust Point Drive, Chaffee Avenue, Longstreet Avenue, Harding Avenue, a line 100 feet southwesterly of Reynolds Avenue, Mullan Place, a line 500 feet southwesterly of Longstreet Avenue, a line 300 feet southwesterly of Longstreet Avenue and its northwesterly prolongation at its intersection with Shore Drive, the U.S. Pierhead and Bulkhead Line, the northwesterly boundary line of Ft. Schuyler (New York State Merchant Marine Academy), Pennyfield Avenue, Schurz Avenue, Kearney Avenue, Harding Avenue, Meagher Avenue, and Lawton Avenue and its northeasterly centerline prolongation;

3. changing from an R4 District to an R3-2 District property bounded by Sampson Avenue and its westerly centerline prolongation, Swinton Avenue, a line 100 feet southerly of Sampson Avenue, Brinsmade Avenue, a line 175 feet northerly of Miles Avenue, Huntington Avenue, Miles Avenue, a line midway between Swinton Avenue and Brinsmade Avenue, Lawton Avenue, Swinton Avenue, Harding Avenue, Balcom Avenue, a line 100 feet northerly of Harding Avenue, a line midway between Balcom Avenue and Graff Avenue, a line 100 feet southerly of Miles Avenue, Graff Avenue, Harding Avenue, Buttrick Avenue, Schurz Avenue and its westerly centerline prolongation, and the easterly boundary line of Ferry Point Park;

4. changing from an R4 District to an R3A District property bounded by:

a. Bruckner Expressway, Hollywood Avenue and its northwesterly centerline prolongation, the northeasterly centerline prolongation Otis Avenue, Throgs Neck Expressway, a line 250 feet southeasterly of Lafayette Avenue, a lone 100 feet northeasterly of Hollywood Avenue, a line 100 feet northwesterly of Philip Avenue, a line 75 feet northeasterly of Logan Avenue, Philip Avenue, a line 100 feet southwesterly of Hollywood Avenue, Randall Avenue, Logan Avenue, Schley Avenue, a line midway between Logan Avenue and Edison Avenue, a line perpendicular to the easterly street line of Edison Avenue distant 360 feet (as measure along the street line) from the point of intersection of the easterly street line of Edison Avenue and the northerly street line of Dewey Avenue, Edison Avenue and its southerly centerline prolongation, E. 177th Street, Throgs Neck Expressway Extension, a line 100 feet easterly of Logan Avenue, Miles Avenue, a line midway between Quincy Avenue and Swinton Avenue, Lawton Avenue, a line midway between Swinton Avenue and Brinsmade Avenue, Miles Avenue, Huntington Avenue, a line 175 feet northerly of Miles Avenue, Brinsmade Avenue, a line 100 feet southerly of Sampson Avenue, Swinton Avenue, Dewey Avenue, Revere Avenue, a line 300 feet southerly of Dewey Avenue, Calhoun Avenue, Sampson Avenue, Revere Avenue, a line 150 feet northerly of Sampson Avenue, East Tremont Avenue, a line 100 feet northwesterly of Philip Avenue, Calhoun Avenue, a line 425 feet northwesterly of Philip Avenue, Swinton Avenue, Lafayette Avenue, Brinsmade Avenue, a line 100 feet northwesterly of Lafayette Avenue, a line midway between Brinsmade Avenue and Huntington Avenue, Barkley Avenue, Brinsmade Avenue, Bruckner Boulevard, Calhoun Avenue, a line perpendicular to the northeasterly street line Calhoun Avenue distant 80 feet (as measured along the street line) front the point of intersection of the southeasterly street line of Bruckner Boulevard and the northeasterly street line of Calhoun Avenue, a line midway between Revere Avenue and Calhoun Avenue, a line 100 feet northwesterly of Barkley Avenue, Revere Avenue, Barkley Avenue, and East Tremont Avenue; and

b. Lafayette Avenue, Dean Avenue, a line 100 feet northwesterly of Philip Avenue, Clarence Avenue, Schley Avenue, Vincent Avenue, a line 250 feet southeasterly of Schley Avenue, a line midway between Vincent Avenue and Ellsworth Avenue, a line 300 feet southeasterly of Schley Avenue, Ellsworth Avenue, the southwesterly centerline prolongation of Schley Avenue, Throgs Neck Expressway, a line 250 feet northwesterly of Philip Avenue, a line midway between Vincent Avenue and Throgs Neck Expressway, a line 300 feet northwesterly of Philip Avenue, and Vincent Avenue;

5. changing from an R4 District to an R4A District property bounded by:

a. Middletown Road, Gillespie Avenue, a line 150 feet southerly of Middletown Road, Jarvis Avenue, Middletown Road, Bruckner Expressway, Waterbury Avenue and its westerly centerline prolongation, a line 100 feet southwesterly of Stadium Avenue, Fairmount Avenue, Clarence Avenue, Layton Avenue, Vincent Avenue, a line 200 feet southerly of Fairmount Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 100 feet northerly of Fairmount Avenue, a line 70 feet westerly of Vincent Avenue, Fairmount Avenue, Ellsworth Avenue, a line 100 feet southerly of Baisley Avenue and its westerly prolongation, Bruckner Boulevard, East Tremont Avenue, Ericson Place, and Hutchinson River Parkway East;

b. Shore Drive and its northeasterly centerline prolongation at its intersection with Longstreet Avenue, the U.S. Pierhead Line, a line perpendicular to the U.S. Pierhead Line passing through the point of intersection of the northeasterly street line of Shore Drive and a line a 100 feet northerly of Wissman Avenue, a line 100 feet northerly of Wissman Avenue, Longstreet Avenue and its southerly centerline prolongation, Throgs Neck Bridge Approach, Throgs Neck Expressway, Blair Avenue and its southerly centerline prolongation, a line 100 feet northerly of Throgs Neck Expressway, a line midway between Blair Avenue and Reynolds Avenue, Wissman Avenue and its southwesterly centerline prolongation, Throgs Neck Expressway, Sampson Avenue and its southwesterly centerline prolongation, and Pennyfield Avenue; and

c. Harding Avenue, Kearney Avenue, Schurz Avenue, Pennyfield Avenue, the northwesterly boundary line of Ft. Schuyler (New York State Merchant Marine Academy) and its southerly prolongation, the U.S. Pierhead and Bulkhead Line, a line perpendicular to the southerly street line of Marina Drive distant 245 feet (as measured along the street line) from the point of intersection of the southerly street line of Marina Drive and the easterly street line of Calhoun Avenue, Marina Drive, East Tremont Avenue, Msgr. Halpin Place, and Hollywood Avenue;

6. changing from an R4 District to an R4-1 District property bounded by:

a. Westchester Avenue, Hutchinson River Parkway

East, Ericson Place, East Tremont Avenue, Waterbury Avenue, Hutchinson River Parkway, Ericson Place, East Tremont Avenue, and the westerly boundary line of Samuel H. Young Park and its northwesterly prolongation;

b. the southerly boundary line of St. Raymonds Cemetery and its easterly and westerly prolongations, East Tremont Avenue, Barkley Avenue, Revere Avenue, a line 100 feet northeasterly of Barkley Avenue, a line midway between Revere Avenue and Calhoun Avenue, a line 80 feet southeasterly of Bruckner Boulevard, Calhoun Avenue, Bruckner Boulevard, Brinsmade Avenue, Barkley Avenue, a line 100 feet southwesterly of Huntington Avenue, Bruckner Boulevard, and Bacon Avenue;

c. a line 100 feet northerly of Fairmount Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 200 feet southerly of Fairmount Avenue, Vincent Avenue, Layton Avenue, a line 100 feet easterly of Throg-Morton Avenue, a line 90 feet southerly of Layton Avenue, a line 75 feet easterly of Throgs Neck Expressway, Layton Avenue, and Ellsworth Avenue;

d. Fairmount Avenue, Stadium Avenue, Shore Drive, Lafayette Avenue, Throgs Neck Expressway, Barkley Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 80 feet southerly of Layton Avenue, a line 70 feet westerly of Dean Avenue, Layton Avenue, and Clarence Avenue;

e. Lafayette Avenue, Swinton Avenue, a line 425 feet northwesterly of Philip Avenue, Calhoun Avenue, a line 100 feet northwesterly of Philip Avenue, East Tremont Avenue, a line 150 feet northwesterly of Sampson Avenue, Revere Avenue, Sampson Avenue, Calhoun Avenue, a line 300 feet southeasterly of Dewey Avenue, Revere Avenue, Dewey Avenue, Calhoun Avenue, and Cross Bronx Expressway; and

f. Miles Avenue, Throgs Neck Boulevard, Lawton Avenue, a line 110 feet westerly of Kearney Avenue, a line perpendicular to the westerly street line of Kearney Avenue distant 135 feet (as measured along the street line) from the point of intersection of the westerly street line of Kearney Avenue and the northerly street line of Harding Avenue, Kearney Avenue, Harding Avenue, Hollywood Avenue, Lawton Avenue, Revere Avenue, Marina Drive, Schurz Avenue, Buttrick Avenue, Harding Avenue, Graff Avenue, a line 100 feet southerly of Miles Avenue, a line midway between Balcom Avenue and Graff Avenue, a line 100 feet northerly of Harding Avenue, Balcom Avenue, Harding Avenue, Swinton Avenue, Lawton Avenue, and a line midway between Quincy Avenue and Swinton Avenue; and

7. changing from a C3 District to a C3A District property bounded by:

a. the easterly prolongation of a line 450 feet northerly of Ampere Avenue, the U.S. Pierhead Line, the easterly prolongation of a line 475 feet southerly of Griswold Avenue, Outlook Avenue and its southerly centerline prolongation, a line 200 feet southerly of Griswold Avenue, and Bay Shore Avenue and its southerly centerline prolongation,

b. the southerly property line of Country Club, the U.S. Pierhead Line, Shore Drive and its northeasterly centerline prolongation at its intersection with Longstreet Avenue, Ellsworth Avenue, a line 100 feet northwesterly of Shore Drive, Vincent Avenue, Schley Avenue, Clarence Avenue, a line 100 feet northwesterly of Philip Avenue, Dean Avenue, Lafayette Avenue, Shore Drive, and Stadium Avenue;

c. a line 100 feet northerly of Wissman Avenue, a line perpendicular to the U.S. Pierhead Line passing through the point of intersection of the northeasterly street line of Shore Drive and a line a 100 feet northerly of Wissman Avenue, the U.S. Pierhead Line, the U.S. Bulkhead Line, the northerly boundary line of a Park, Pedestrian Street, and Longstreet Avenue;

d. Harding Avenue, Longstreet Avenue, the U.S. Pierhead and Bulkhead Line, a line 300 feet southwesterly of Longstreet Avenue and its northwesterly prolongation at its intersection with Shore Drive, a line 500 feet southwesterly of Longstreet Avenue, Mullan Place, and a line 100 feet southwesterly of Reynolds Avenue; and

e. Schurz Avenue and its westerly centerline prolongation, Marina Drive, a line perpendicular to the southerly street line of Marina Drive distant 245 feet (as measured along the street line) from the point of intersection of the southerly street line of Marina Drive and the easterly street line of Calhoun Avenue, the U.S. Pierhead and Bulkhead Line, the southerly terminus of Emerson Avenue, and the easterly boundary line of Ferry Point Park;

as shown on a diagram (for illustrative purposes only) dated June 7, 2004.

CD 10 **N 040480 ZRX**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, relating to Article I, Chapter 1; Article III, Chapter 4 and Article III, Chapter 5.

Matter underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;

NOTE:
The proposed lower density growth management text amendments are the subject of a separate application. This application makes the proposed C3A District applicable to lower density growth management areas.

Lower Density Growth Management Area

A "lower density growth management area" is any R1, R2, R3, R4A, R4-1 or C3A District in the following designated areas, and any #development# accessed by #private roads# in R1, R2, R3, R4, R5 or C3A Districts within such areas:

The Borough of Staten Island

Community Board 10 in the Borough of The Bronx

* * *

ARTICLE 3
COMMERCIAL DISTRICT REGULATIONS

* * *

Chapter 2
Use Regulations

* * *

32-10
USES PERMITTED AS-OF-RIGHT

32-11
Use Group 1 and 2

C1 C2 C3 C4 C5 C6

Use groups 1 and 2, as set forth in Section 22-11 and 22-12. However, in C3A Districts, Use Group 2 shall be limited to #single#-or #two-family detached# or #zero lot line residences#.

* * *

34-00
APPLICABILITY AND DEFINITIONS

34-01
Applicability of this Chapter

The #bulk# regulations of this Chapter apply to any #residential building# located on any #zoning lot# or portion of a #zoning lot# in any #Commercial District# in which such #building# is permitted. In addition, the #bulk# regulations of this Chapter or of specified Sections thereof also apply in other provisions of this Resolution where they are incorporated by cross reference.

However, In C3A Districts, the #bulk# regulations of this Chapter shall not apply to any #residential building#. In lieu thereof, the #bulk# regulations# for R3A Districts of Article II Chapter 3 shall apply to #residential buildings#.

* * *

Chapter 5
Bulk Regulations for Mixed Buildings in Commercial Districts

* * *

35-00
APPLICABILITY AND DEFINITIONS

35-01
Applicability of this Chapter

The #bulk# regulations of this Chapter apply to any #mixed building# located on any #zoning lot# or portion of a #zoning lot# in any #Commercial District# in which such #building# is permitted. When two or more #buildings# on a single #zoning lot# are used in any combination for #uses# which, if located in a single #building#, would make it a #mixed building#, the regulations set forth in Sections 35-21 to 35-23, relating to Applicability of Residence District Bulk Regulations to Mixed Buildings, in Section 35-30 (APPLICABILITY OF FLOOR AREA AND OPEN SPACE REGULATIONS TO MIXED BUILDINGS), inclusive, and in Section 35-40 (APPLICABILITY OF DENSITY REGULATIONS TO MIXED BUILDINGS), inclusive, shall apply as if such #buildings# were a single #mixed building#. In addition, the #bulk# regulations of this Chapter, or of specified Sections thereof, also apply in other provisions of this Resolution where they are incorporated by cross-reference.

However, in C3A Districts, except for #community facility uses# that have received tax-exempt status from the New York City Department of Finance, or its successor, pursuant to Section 420 of the New York State Real Property Tax Law, or its successor, the #bulk# regulations of this Chapter shall not apply, and the #bulk# regulations for R3A Districts of Article II, Chapter 3 shall apply to any #building# that is used partly for #community facility use# and partly for #residential use#.

* * *

35-23
Residential Bulk Regulations in Other C1 or C2 Districts or in C3, C4, C5 or C6 Districts

C1-6 C1-7 C1-8 C1-9 C2-6 C2-7 C2-8 C3 C4 C5 C6

(a) In the districts indicated, the #bulk# regulations for #residential# portions of #mixed buildings# are the #bulk# regulations for the #Residence Districts# set forth in the following table. However, where the #residential# portion of a #mixed building# is #developed# or #enlarged# pursuant to the Quality Housing Program, the height and setback regulations of Sections 23-60 through 23-65, inclusive, shall not apply. In lieu thereof, Section 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts) shall apply to such #mixed building#.

* * *

District	Applicable #Residence District#
C3	R3-2
C3A	R3A
C4-1	R5

* * *

35-50
MODIFICATION OF YARD REGULATIONS FOR MIXED BUILDINGS

* * *

35-52
Modification of Side Yard Requirements

C1 C2 C3 C4 C5 C6

In the districts indicated, except as otherwise provided in Section 35-54 (Special Provisions Applying along District Boundaries), no #side yard# shall be required for any #mixed building#. ~~However~~although, if any open area extending along a #side lot line# is provided at any level, it shall have a width of not less than eight feet.

However, in C3A Districts, #side yard(s)# shall be provided for any #mixed building# in accordance with the regulations for R3A Districts as set forth in Section 23-461 (Side yards for single- or two-family residences).

* * *

35-60
MODIFICATION OF HEIGHT AND SETBACK REGULATIONS FOR MIXED BUILDINGS

35-61
Height and Setback Regulations

C1 C2 C3 C4 C5 C6

In the districts indicated, except as otherwise provided in Section 35-51 (Modification of Front Yard Requirements), no #front yard# is required for any portion of a #mixed building# in a #Commercial District#. Therefore, in applying the height and setback regulations, a #sky exposure plane# (which in a #Residence District# would be measured from a point above the #front yard line#) may be measured from a point above the #street line#.

In cases where the provisions of Section 34-243 paragraph (a), apply, as set forth in Section 35-51, the #sky exposure plane# is measured from a point above the #front yard line#.

In C1 or C2 Districts mapped within R3 or R4A Districts, the height and setback regulations applicable to R4 Districts, except R4A and R4B Districts, may be used for #mixed buildings#.

In C1 or C2 Districts mapped within R4, R4B or R4-1 Districts, the height and setback regulations applicable to an R5B District may be used for #mixed buildings#.

In C3A Districts, the height and setback regulations applicable to R3A Districts shall apply to #mixed buildings#.

35-62
Maximum Height of Front Wall in Initial Setback Distance

C1 C2 C3 C4 C5 C6

In the districts indicated, except in C3A Districts, ~~as otherwise provided in Sections 82-37 (Street Walls along Certain Street Lines) and 85-04 (Modifications of Bulk Regulations),~~ the maximum height of a front wall of a #mixed building# within the #initial setback distance# shall be the maximum height of a front wall permitted in the applicable district for a #residential#, #commercial# or #community facility building#, whichever permits the greatest maximum height.

* * *

Chapter 6
Accessory Off-Street Parking and Loading Regulations

* * *

36-30
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES WHEN PERMITTED IN COMMERCIAL DISTRICTS

* * *

36-322
In C3 or C4 Districts

C3 C4-1 C4-2 C4-3

In the districts indicated, where group parking facilities are not provided, one accessory off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except that in C3A Districts, the provisions applicable to R3 Districts in Sections 25-22 (Requirements Where Individual Parking Facilities Are Provided), and 25-60 (ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES) shall apply.

* * *

36-332
In other C1 or C2 Districts, or in C3, C4, C5 or C6 Districts

C1-6 C1-7 C1-8 C1-9 C2-6 C2-7 C2-8 C3 C4 C5 C6

In the districts indicated, the number of required #accessory# off-street parking spaces is as set forth in the following table:

REQUIRED PARKING SPACES AS A PERCENT OF TOTAL DWELLING UNITS

District	Percent
C3*	100
C4-1	85
C4-2 C4-2A C4-3 C4-3A	70
C1-6 C2-6 C4-4 C4-5 C6-1	50
C1-7 C1-8 C1-9 C2-7 C2-8 C4-6 C4-7 C5 C6-2 C6-3 C6-4 C6-5 C6-6 C6-7 C6-8 C6-9	40

* In C3A Districts the provisions applicable to R3 Districts in Sections 25-22 (Requirements Where Individual Parking Facilities Are Provided), and 25-60

(ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES) shall apply.

Chapter VII
Special Regulations

* * *

37-10
Applicability of Article II, Chapter 6, to Developments with Private Roads

In C1 or C2 Districts mapped within R3, R4 or R5 Districts, and in C3 Districts, the provisions of Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS) shall apply to any #development# containing #private roads#, except where such #developments# contain #private roads# constructed prior to February 6, 2002. In addition, the open area between #buildings# and sidewalks required pursuant to Section 26-25 need not be planted where such open areas front upon #commercial uses#.

However, in C3A Districts located within #lower density growth management areas#, the provisions of 26-30 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS) shall apply.

* * *

CD 10 **N 040482 ZRX**

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY (Lower Density Growth Management Area Text Amendments) and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY (Lower Density Growth Management Area Text Amendments), the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

* * *

12-10
Definitions

* * *

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

(1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

(2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

(3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2, R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:

The Borough of Staten Island
Community Board 10 in the Borough of the Bronx

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#. An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

23-00
APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44	Authorizations or Permits in Lower Density Growth Management Areas
12-10	(DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43	(Detached and Semi-Detached Two-Family Residences)
23-141	(Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32	(Minimum Lot Area or Lot Width for Residences)
23-44	(Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461	(Side yards for single-or two-family residences)
23-462	(Side yards for all other residential buildings)
23-533	(Required rear yard equivalents)
23-541	(Within 100 feet of corners)
23-542	(Along short dimension of block)
23-544	(For portions of through lots)
23-631	(Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711	(Standard minimum distance between buildings)
23-88	(Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22	(Requirements Where Individual parking Facilities Are Provided)
25-23	(Requirements Where Group parking Facilities Are Provided)
25-621	(Location of parking spaces in certain districts)
25-622	(Location of parking spaces in lower density

growth management areas)
25-631 (Location and width of curb cuts in certain districts)
25-632 (Driveway and curb cut regulations in lower density growth management areas)
25-64 (Restrictions on Use of Open Space for Parking)
25-66 (Screening)
26-30 (SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40 (STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702 (Applicability of lower density growth management area regulations)
119-05 (Applicability of Parking Location Regulations)
119-214 (Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50*
R4A R4-1	governed by #yard# requirements		.75*
R2X	governed by #yard# requirements		.85*
R3-1 R3-2**	35	65	.50*
R4**	45	55	.75*
R4B	55	45	.90
R5**	55	45	1.25
R5B	55	45	1.35

* ~~the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

** ~~The permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

* * *

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences
R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or # two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required, provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total Width (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1

within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;

"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph (f) shall apply to any #zoning lot# with two or more #buildings#, where at least one #building# is located wholly beyond 50 feet of a #street line# and the #private road# provisions do not apply. For the purposes of this paragraph, any #residential building# with no #residential building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #residential building# shall be considered a "front building", and any #residential building# located wholly beyond the #rear wall line#, or prolongation thereof, of a "front building" shall be considered a "rear building". The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any such front and rear #buildings#.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph (b) shall apply to any #zoning lot# with two or more #buildings#, where at least one #building# is located wholly beyond 50 feet of a #street line# and the #private road# provisions do not apply. For the purposes of this paragraph, any #residential building# with no #residential building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #residential building# shall be considered a "front building", and any #residential building# located wholly beyond the #rear wall line#, or prolongation thereof, of a "front building" shall be considered a "rear building". An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, 1.5 #accessory# off-street parking spaces shall be provided for each #dwelling unit#. However, in such districts in the Borough of Staten Island, two #accessory# off-street parking spaces shall be provided for each #single-family residence#, three #accessory# off-street parking spaces shall be provided for each #two-family residence#, and for all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total # Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, 1.5 #accessory# off-street parking spaces shall be provided for each #dwelling unit#. However, in such districts in the Borough of Staten Island, two #accessory# off-street parking spaces shall be provided for each #single-family residence#, three #accessory# off-street parking spaces shall be provided for each #two-family residence#, and for all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

The provisions of this Section shall apply within all #lower density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(e) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64

Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5 Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied by driveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.
In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~;~~

~~(2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

* * *

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or

(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or

(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS , and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high within three years.

26-32
Minimum Distance Between Buildings, Walls and Lot Lines

(a) Except in the Borough of Staten Island, the minimum distances set forth in Section 23-711 (Standard minimum distance between buildings) shall not apply between two #buildings# where each such #building# faces a #front yard# required pursuant to Section 26-31. In lieu thereof, such #buildings# shall be at least 13 feet apart.

(b) For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.

No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and

(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20 feet of being opposite to one another, and

(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening

All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-36
Modification and Waiver Provisions

Except in the Borough of Staten Island, the City Planning Commission may, by authorization, allow modifications to, or waivers of, the requirements of Sections 26-30 through 26-35, inclusive, provided that the depth of a #rear yard# shall not be less than 15 feet and the depth of a #front yard# shall not be less than five feet. In order to authorize such modifications or waivers, the Commission shall find that:

(a) Such modifications result in a site plan that provides sufficient open areas for the residents of the #development#;

(b) Any reduction in open areas shall be permitted only where the Commission finds that a good site plan has been provided that includes a superior landscaping plan, and

(c) Such modifications will not impair the essential character of the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

* * *

ARTICLE V
NON-CONFORMING USES AND NON-COMPLYING BUILDINGS

* * *

Chapter 4
Non-Complying Buildings

* * *

54-313
Single or two-family residences with non-complying front yards or side yards

(a) In R4 Districts, except R4A, R4-1 and R4B Districts, and in R5 Districts other than R5B Districts, f~~F~~or an existing #single# or #two-family residence# ~~in R4 Districts, except R4A, R4-1 and R4B Districts, and R5 Districts, except R5B Districts,~~ with a #non-complying front yard#, an #enlargement# involving a vertical extension of existing building walls facing such #non-complying front yard# is permitted, provided the following conditions are met:

(1) the portion of the #building# which is being vertically extended complies with the height and setback regulations specified for the district in which it is located; and

(2) the #non-complying front yard# where the building wall is being vertically extended is at least 10 feet in depth.

(b) In all districts, f~~F~~or an existing #single# or #two-family residence# with a #non-complying side yard#, an #enlargement# involving a vertical extension of existing building walls facing such #non-complying side yard# is permitted, provide the following conditions are met:

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts

Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback

Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet.~~ Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

* * *

107-30
TOPOGRAPHIC AND TREE REGULATIONS

* * *

107-321
Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage~~. These trees shall be planted in accordance with the

requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one-#story# or two-#story detached residence#, existing prior to September 0, 1999, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~

~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~

107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space).

~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:

(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required #open space# not within the #designated open space#;

(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#;

(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated ope space#

However, in all districts, a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their common #lot lines#.

As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~**107-465**~~
~~**Rear yards**~~

~~In all underlying districts, except R1 Districts, for permitted #single#- or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 feet rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts

* * *

Chapter 2
Special City Island District

* * *

112-101
Special open space~~,~~ and lot coverage ~~and floor area ratio~~ regulations

~~In R3A Districts, and in C1 and C2 Districts mapped within R3A Districts, and in C3 Districts, the provisions of Section 23-141 (In R1, R2, R3, R4 and R5 Districts) shall not apply. In lieu thereof, the maximum #floor area ratio# for a #residential use# shall be 0.5. Such #floor area ratio# may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance. In addition, the permitted #floor area# of a #single # or #two family detached# or #semi-detached residence developed# after September 30, 2003 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Sections 23-12 (Permitted Obstructions in Open Space), paragraph (f), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In C3 Districts, for a #residential use#, the maximum #lot coverage# shall be 65 percent and the minimum required #open space# shall be 35 percent.

* * *

~~**112-105**~~
~~**Authorization for multiple buildings on a single zoning lot**~~

~~On #zoning lots# of 25,000 square feet or more, the City Planning Commission may authorize modifications to the provisions of Section 23-711 (Standard minimum distance between buildings), provided:~~

~~(a) such modifications reduce the required distance between a building wall containing a #legally required window# and any other building wall to not less than 20 feet;~~

~~(b) such modifications reduce the required distance between two building walls, neither of which contains a #legally required window#, to not less than 13 feet; and~~

~~(c) at least 50 percent of the #zoning lot# not covered by #buildings# has a minimum dimension of 12 feet and is not used for driveways, #private streets# or parking spaces.~~

~~The Commission shall find that such modifications enhance the quality of the #open spaces# on the #zoning lot# and results in an improved site plan. The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.~~

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

Citywide **N 040481 ZRY**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, relating to Article VI, Chapter 2.

Matter underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;
* * * indicate where unchanged text appears in the Zoning Resolution

* * *

Article VI
Special Regulations Applicable to Certain Areas
Chapter 2
Special Regulations Applying in the Waterfront Area

* * *

62-11
Definitions

Definitions specially applicable to this Chapter are set forth

in this Section. The definitions of other defined terms are set forth in Section 12-10 (DEFINITIONS).

* * *

Waterfront block, waterfront public park or waterfront zoning lot

A "waterfront block", "waterfront public park" or "waterfront zoning lot" is a #block#, #public park# or #zoning lot# in the #waterfront area# having a boundary at grade coincident with or seaward of the #shoreline#. For the purposes of this Chapter:

(a) a #block# within the #waterfront area# shall include the land within a #street# that is not improved or open to the public, and such #street# shall not form the boundary of a #block#;

(b) a #block# within the #waterfront area# that abuts a #waterfront public park# shall be part of a #waterfront block#~~.~~; and

(c) a #zoning lot# shall include the land within any #street# that is not improved or open to the public and which is in the same ownership as that of any contiguous land.

~~For the purposes of this Chapter, a~~ Any #zoning lot#, the boundaries of which were established prior to November 1, 1993, and which is not closer than 1,200 feet from the #shoreline# at any point and which does not abut a #waterfront public park#, shall be deemed outside of the #waterfront block#.

* * *

62-711
Waterfront public access and visual corridors

No excavation or building permit shall be issued for any #development# on a #waterfront block#, or any other #block# included within a Waterfront Access Plan, until the Chairperson of the City Planning Commission certifies to the Department of Buildings or Department of Business Services, as applicable, that:

(a) there is no waterfront public access or #visual corridor# requirement for the #development# due to the following:

(1) the #development# is exempt pursuant to Sections 62-41 (Requirements for Waterfront Public Access) or 62-42 (Requirements for Visual Corridors); or

(2) the waterfront public access or #visual corridor# requirement has been waived pursuant to Section 62-80 (WATERFRONT ACCESS PLANS); or

(b) a site plan has been submitted showing compliance with the provisions of Section 62-40 (REQUIREMENTS FOR WATERFRONT PUBLIC ACCESS AND VISUAL CORRIDORS) and 62-60 (DESIGN STANDARDS FOR THE WATERFRONT AREA); or

(c) a site plan has been submitted showing compliance with the provisions of Section 62-80; or

(d) for #developments# listed in Section 62-40, paragraph (a)(1), on a #zoning lot# containing a public access area established prior to October 25, 1993 meeting the terms of Section 62-415, paragraph (c) by restrictive declaration, lease agreement, maintenance and operation agreement or other agreement with a public entity, which public access area is required to be provided for a period not less than the anticipated life of the new #development#, a copy of such restrictive declaration or agreement and a site plan indicating the location, area and design of the required public access area and showing substantial compliance with the provisions of the first paragraph of Section 62-415 (Requirements for supplemental public access areas), paragraph (b), have been submitted; or

(e) for the #development# of a park, a site plan and all other applicable data have been submitted showing compliance with the provisions of Section 62-416 (Special regulations for zoning lots that include parks).

A certification pursuant to paragraphs (b) or (c) of this Section shall be granted on condition that an acceptable restrictive declaration is executed and filed pursuant to Section 62-14 (Requirements for Recordation).

~~No waterfront public access is required for any #development# on a #zoning lot# that is separated from the #shoreline# by a #street#, #public park# or other tract of land constituting the boundary of a #block#.~~

Within 45 days of receipt of a complete application, the Chairperson shall either certify that the proposed #development# complies with the requirements of this Section or disapprove such application, citing the nature of any failure to comply. Failure to certify or disapprove such application within the 45 day period will release the Department of Buildings or the Development of Business Services from any obligation to withhold the excavation or building permit and authorize such agency to determine compliance with the provisions of this Section.

CD 11 **C 030272 ZSX**

IN THE MATTER OF an application submitted by the Department of Environmental Protection pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-734 of the Zoning Resolution **to allow a municipal sewage pumping station in connection with the development of the Westchester Creek Combined Sewer Overflow Storage Facility, on a property lot located at 1500 Waters Place** (Block 4226, p/o Lot 30), in an R5 District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

IN THE MATTER OF an application submitted by the Department of Environmental Protection and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the site selection and acquisition of property generally bounded by Waters Place and Eastchester Road (Block 4226, part of Lot 30), Bronx, for use as a combined sewer overflow storage facility.

CD 8 **C 040515 ZMX**

IN THE MATTER OF an application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 1b and 1d:**

1. **changing from an R6 District to an R6A District property bounded by** West 232nd Street, Fairfield Avenue and its southwesterly centerline prolongation, a line 150 feet southwesterly of West 227th Street, Arlington Avenue, a line 300 feet southwesterly of West 227th Street, Netherland Avenue, Kappock Street, Johnson Avenue, Edsall Avenue (northerly portion) and its southwesterly centerline prolongation, the northeasterly boundary line of the Penn Central Railroad Right-Of-Way, a line perpendicular to the southeasterly street line of Palisade Avenue and passing through the point of intersection of the southeasterly street line of Palisade Avenue and the northerly boundary line of a Park, Palisade Avenue, Independence Avenue, West 231st Street, and a line perpendicular to the northerly street line of West 231st Street distant 100 feet (as measured along the street line) from the point of intersection of the northerly street line of West 231st Street and the easterly street line of Independence Avenue;

2. **changing from an R7-1 District to an R6A District property bounded by** West 236th Street, Oxford Avenue, West 235th Street, Johnson Avenue, West 232nd Street, a line 150 feet easterly of Fairfield Avenue, a line 200 feet northerly of West 232nd Street, Arlington Avenue, West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), a line 100 feet northerly of West 235th Street, and a line 100 feet northwesterly of Netherland Avenue; and

3. **changing from an R7-1 District to an R7A District property bounded by** West 239th Street, Johnson Avenue, West 238th Street, a line 100 feet easterly of Johnson Street, Oxford Avenue, West 236th Street, a line 100 feet northwesterly of Netherland Avenue, a line 100 feet northerly of West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), West 235th Street, Arlington Avenue, a line 200 feet northerly of West 232nd Street, a line 150 feet easterly of Fairfield Avenue, West 232nd Street, and Independence Avenue;

partially within a Special Natural Area District (NA-2), as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

CD 8 **C 040516 ZMX**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section No. 1d;**

(A) changing from an R7-1 District to an R4A District property bounded by:

1. a line from a point on the bisector of an angle formed by extending the southeasterly street line of Orloff Avenue (straight portion) and the northerly street line of Cannon Place (straight portion) distant 175 feet northeasterly from its intersection with the street line, extending northwesterly perpendicular to the southeasterly street line of Orloff Avenue (straight portion);
2. a 200 feet line on the aforementioned bisector running northeasterly from the aforementioned point;
3. a line parallel to West 238th Street passing through the northeasterly terminus of the second-named course;
4. Orloff Avenue;
5. Van Cortlandt Avenue West;
6. a line 100 feet northerly of Sedgwick Avenue;
7. a line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet (as measured along the street line) northeasterly from the point of intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street;
8. Cannon Place;
9. Orloff Avenue;
10. West 238th Street;
11. a line perpendicular to a point on the easterly street line of West 238th Street distant 175 feet southerly (as measured along the street line) from the point of intersection of the southeasterly street line of Bailey Avenue and the easterly street line of West 238th Street; extending 100 feet southeasterly; and
12. a line perpendicular to the southeasterly terminus of the eleventh-named course;

(B) changing from an R7-1 District to an R6A District property bounded by:

(1) Van Cortlandt Avenue West;
(2) Stevenson Place and its easterly and westerly prolongation;
(3) a line 360 feet southwesterly of Stevenson Place;
(4) Sedgwick Avenue;
(5) West 238th Street;
(6) Orloff Avenue;
(7) Cannon Place;
(8) a line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet northeasterly (as measured along the street line) from the intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street; and
(9) a line 100 feet northerly of Sedgwick Avenue;

(C) changing from an R6 District to an R4A District property bounded by:

1. Fort Independence Street;
2. Cannon Place and its westerly prolongation;
3. Giles Place;
4. a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the point of intersection of the easterly prolongation of the center line of Cannon Place and the easterly street line of Giles Place;
5. a line 100 feet easterly of Giles Place;
6. a line 70 feet northwesterly of Sedgwick Avenue;
7. Giles Place;
8. Kingsbridge Terrace;
9. a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10. a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the point of intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
11. Perot Street;
12. a line 185 feet northwesterly of Sedgwick Avenue;
13. a line 100 feet southwesterly of Perot Street;
14. a line 100 feet northwesterly of Sedgwick Avenue;
15. West 231st Street;
16. Kingsbridge Terrace;
17. Albany Crescent;
18. a line 50 feet southeasterly of Bailey Avenue;
19. a line 100 feet northeasterly of Albany Crescent;
20. a line 85 feet northwesterly of Heath Avenue;
21. Summit Place;
22. Heath Avenue;
23. a line 125 feet westerly of Giles Place (the southerly section) and its southerly prolongation, extending 175 feet northerly from its intersection with Heath Avenue; and
24. a line perpendicular to the northerly terminus of the last-named course;

(D) changing from an R6 District to an R6A District property bounded by:

1. West 238th Street;
2. Sedgwick Avenue;
3. West 231st Street;
4. a line 100 feet northwesterly of Sedgwick Avenue;
5. a line 100 feet southwesterly of Perot Street;
6. a line 185 feet northwesterly of Sedgwick Avenue;
7. Perot Street;
8. a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
9. a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10. Kingsbridge Terrace;
11. Giles Place;
12. a line 70 feet northwesterly of Sedgwick Avenue;
13. a line 100 feet easterly of Giles Place;
14. a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the intersection of the easterly center line prolongation of Cannon Place and the easterly street line of Giles Place;
15. Giles Place;
16. Cannon Place;
17. a line 375 feet northerly of the westerly center line prolongation of Cannon place (the east-west section);
18. Fort Independence Street;
19. a line 300 feet southwesterly of West 238th Street; and
20. Cannon Place;

as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

TRANSPORTATION

■ **PUBLIC HEARINGS**

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 p.m. on Wednesday, August 11, 2004, Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing John de Neufville to construct, maintain and use a stoop and a fenced-in area on the north sidewalk of Horatio Street, east of Washington Street, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the date of approval to June 30, 2005 - $1,500/per annum.
For the period July 1, 2005 to June 30, 2006 - $1,537
For the period July 1, 2006 to June 30, 2007 - $1,574
For the period July 1, 2007 to June 30. 2008 - $1,611
For the period July 1, 2008 to June 30, 2009 - $1,648
For the period July 1, 2009 to June 30, 2010 - $1,685
For the period July 1, 2010 to June 30, 2011 - $1,722
For the period July 1, 2012 to June 30, 2013 - $1,759
For the period July 1, 2013 to June 30, 2014 - $1,833
For the period July 1, 2014 to June 30, 2015 - $1,870

the maintenance of a security deposit in the sum of $5,500, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits under and across Henry Street, south of Pacific Street, in the Borough of Brooklyn. The proposed revocable consent is for a term of fourteen years from October 28, 2000 to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period Oct. 28, 2000 to June 30, 2004 - $10,226
For the period July 1, 2004 to June 30, 2005 - $ 2,939
For the period July 1, 2005 to June 30, 2006 - $ 3,010
For the period July 1, 2006 to June 30, 2007 - $ 3,081
For the period July 1, 2007 to June 30, 2008 - $ 3,152
For the period July 1, 2008 to June 30, 2009 - $ 3,223
For the period July 1, 2009 to June 30, 2010 - $ 3,294
For the period July 1, 2010 to June 30, 2011 - $ 3,365
For the period July 1, 2011 to June 30, 2012 - $ 3,436
For the period July 1, 2012 to June 30, 2013 - $ 3,507
For the period July 1, 2013 to June 30, 2014 - $ 3,578
For the period July 1, 2014 to June 30, 2015 - $ 3,649

the maintenance of a security deposit in the sum of $3,650, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across West 67th Street, east of Columbus Avenue, in the Borough of. Manhattan. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $5,285
For the period July 1, 2005 to June 30, 2006 - $5,412
For the period July 1, 2006 to June 30, 2007 - $5,539
For the period July 1, 2007 to June 30, 2008 - $5,666
For the period July 1, 2008 to June 30, 2009 - $5,793
For the period July 1, 2009 to June 30, 2010 - $5,920
For the period July 1, 2010 to June 30, 2011 - $6,047
For the period July 1, 2011 to June 30, 2012 - $6,174
For the period July 1, 2012 to June 30, 2013 - $6,301
For the period July 1, 2013 to June 30, 2014 - $6,428
For the period July 1, 2014 to June 30, 2015 - $6,555

the maintenance of a security deposit in the sum of $5,158, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across Columbus Avenue at the intersection with West 67th Street and under and along West 67th Street west of Columbus Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $4,946
For the period July 1, 2005 to June 30, 2006 - $5,068
For the period July 1, 2006 to June 30, 2007 - $5,190
For the period July 1, 2007 to June 30, 2008 - $5,312
For the period July 1, 2008 to June 30, 2009 - $5,434
For the period July 1, 2009 to June 30, 2010 - $5,556
For the period July 1, 2010 to June 30, 2011 - $5,678
For the period July 1, 2011 to June 30, 2012 - $5,800
For the period July 1, 2012 to June 30, 2013 - $5,922
For the period July 1, 2013 to June 30, 2014 - $6,044
For the period July 1, 2014 to June 30, 2015 - $6,166

the maintenance of a security deposit in the sum of $6,200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

COURT NOTICES

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITION

QUEENS COUNTY IA PART 8

INDEX NUMBER 10240/04

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, to all or part of

Beach 40th Street, Beach 41st Street, Beach 42nd Street, Beach 43rd Street, Beach 44th Street, and Beach 45th Street from Beach Channel Drive to Rockaway Beach Boulevard; Reinhart Road from Beach 44th Street to Beach 45th Street; and Rockaway Beach Boulevard from Beach 40th Street to Beach 45th Street, in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on June 28, 2004, the application of the City of New York to acquire certain real property, for street widening and sewer and drainage purposes, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on June 29, 2004. Title to the real property vested in the City of New York on June 29, 2004.

The City has acquired the following parcels of real property:

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to sections 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 29, 2005 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL section 504, the claim shall include:

A. the name and post office address of the condemnee;

B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL section 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to section 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 29, 2006 (which is two (2) calendar years from the title vesting date).

Dated: July 19, 2004

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

DIVISION OF REAL ESTATE SERVICES

■ AUCTION

DIVISION OF REAL ESTATE SERVICES PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction. In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on April 28, 2004 and May 12, 2004 at 22 Reade Street, in the Borough of Manhattan.

These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated March 8, 2004. The mortgage interest rate is set at 6%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.
They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on August 4, 2004.

Brochures for this sale are available at 1 Centre Street, 19th Floor North, New York, New York 10007, or by calling (212) 669-8888. Brochures are also available on the DCAS website at nyc.gov/dcas.

HUNTS POINT WORKFORCE DEVELOPMENT INITIATIVE DEMONSTRATION PROJECT – Other – PIN# 8012004K3000 – DUE 08-19-04 AT 11:00 A.M. – The Department of Small Business Services intends to enter into negotiations with Hunts Point Economic Development Corporation to conduct a one-year demonstration project in the Hunts Point area.

As the City agency tasked with connecting Hunts Point residents to local jobs and to the training they need to advance their careers in the most efficient and expeditious manners possible, SBS seeks to obtain the services of a locally-based intermediary to facilitate the job development, recruitment and hiring process that will begin to take place very shortly through the Hunts Point development project.

Through the comprehensive workforce model, which will be evaluated for its efficacy, SBS and the City hope to affect a reduction in the Hunts Point unemployment rate, an increase in local hirs among neighborhood business, and enhanced employee retention and advancement. If the pilot model is successful, SBS and the City will work with neighborhood stakeholders to institutionalize the program through a competitive procurement.

Other qualified suppliers that submit an expression of interest outlining their qualifications and successful relevant experience for conducting the subject Demonstration Project will be also considered. Expressiosn of interest must be submitted to Tony E. Monroe, Agency Chief Contracting Officer at 110 William Street, 7th Floor, New York, NY 10038 by 11:00 a.m. on 08/19/04.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

Services

LIFE SCIENCES INDUSTRY SECTOR GROWTH STRATEGY – Request for Proposals – DUE 08-27-04 AT 4:00 P.M. – New York City Economic Development Corporation (NYCEDC) is seeking a consultant team for the provision of consultant services (the "Services") in connection with NYCEDC's ongoing efforts to diversify the economy by growing the life sciences industry in New York and increasing the sector's economic contribution in terms of employment and tax revenues. To further NYCEDC's efforts, the consultant shall identify the best opportunities for growth in the sector given the City's planned real estate investments, unique assets and competitive position relative to other regions.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in September 2004.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 4:00 p.m. on Monday, August 9, 2004. Questions should be directed to lifesciRFP@nycedc.com Answers to all questions will be posted by August 18, 2004 to http://www.nycedc.com/lifesciRFP. Please submit three (3) sets of your proposal.

Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Paul Tamboia, CPPB Agency Chief Contracting Officer or visit http://www.nycedc.com/lifesciRFP.

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

CORRECTION: WAREHOUSE SERVICES – Competitive Sealed Bids – PIN# 069-05-310-0002 – DUE 08-19-04 AT 3:00 P.M. – OPMM's Bureau of Warehousing and Transportation is responsible for receiving, storing, and delivery purchased commodities, records and forms for HRA's 117 facilities, which are located throughout the five boroughs. OPMM's 42,000 square foot warehouse, located in a one-story building at 111 29th Street, Brooklyh, stores approximately 700 different commodities and forms. The selected contractor will assist OPMM in receiving, handling, delivering and picking-up of commodities and forms. The contractor will assist OPMM to fulfill these responsibilities Monday through Friday, from 8:30 a.m. to 4:30 p.m. It is estimated that the services provided by the contractor for OPMM can be performed, on average, in 1,019 man-hours each month.

A mandatory pre-bid conference will be held on Monday, August 2, 2004 at 10:00 a.m. at 2 Washington Street, New York, NY in the Conference Room on the 22nd Floor. Vendor Source ID#: 19233.

PROCUREMENT

■ INTENT TO NEGOTIATE

Human / Client Service

HUNTS POINT WORKFORCE DEVELOPMENT INITIATIVE DEMONSTRATION PROJECT – Other – PIN# 8012004K3000 – DUE 08-19-04 AT 11:00 A.M. – The Department of Small Business Services intends to enter into negotiations with Hunts Point Economic Development Corporation to conduct a one-year demonstration project in the Hunts Point area.

As the City agency tasked with connecting Hunts Point residents to local jobs and to the training they need to advance their careers in the most efficient and expeditious manners possible, SBS seeks to obtain the services of a locally-based intermediary to facilitate the job development, recruitment and hiring process that will begin to take place very shortly through the Hunts Point development project.

Through the comprehensive workforce model, which will be evaluated for its efficacy, SBS and the City hope to affect a reduction in the Hunts Point unemployment rate, an increase in local hirs among neighborhood business, and enhanced employee retention and advancement. If the pilot model is successful, SBS and the City will work with neighborhood stakeholders to institutionalize the program through a competitive procurement.

Other qualified suppliers that submit an expression of interest outlining their qualifications and successful relevant experience for conducting the subject Demonstration Project will be also considered. Expression of interest must be submitted to Tony E. Monroe, Agency Chief Contracting Officer at 110 William Street, 7th Floor, New York, NY 10038 by 11:00 a.m. on 08/19/04.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Small Business Services, 110 William Street, 7th Floor, New York, NY 10038. Tony E. Monroe (212) 618-8772.

TRANSPORTATION

■ NOTICE

COMMUTER VAN SERVICE AUTHORITY APPLICATION

Notice is hereby given that the Department of Transportation has received an application for a new commuter van authority. The applicant proposes to operate a commuter van service in a residential area in Queens bounded on the north by South Conduit Avenue, bounded on the east by Francis Lewis Boulevard, on the south by 148th Avenue and on the west by Farmers Boulevard. From said territory to mass transit facilities and shopping center of downtown Jamaica bounded on the north by Hillside Avenue, on the east by Merrick Boulevard, on the south by Liberty Avenue and on the west by Sutphin Boulevard. The applicant is Denbiegh Transportation, Inc. The can be reached at 145-90 183rd Street, Springfield Gardens, NY 11413. The applicant is proposing to use 10 vans daily to provide this service 24 hours a day.

There will be a public hearing on Thursday, August 12, 2004 at the Queens Borough Hall, 120-55 Queens Blvd., Kew Gardens, Hearing Room 213, Part 1 from 3:00 p.m. - 5:00 p.m. so you have an opportunity to voice your position on this application. In addition, written comments in support or in opposition to this application may be sent to Ms. Dorothy Szorc at the New York City Department of Transportation, Passenger Transport Division, Surface Transit Unit, 59 Maiden Lane, 35th Floor, New York, NY 10038 no later than August 12, 2004. Any written comments received after this date may not be considered. Those opposing the application must clearly specify why the proposed service will not meet present and/or future public convenience and necessity.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, August 11, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 040521 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 3104, 3106 and 3110 Park Avenue (Block 2418 Lots 2-4), 308, 314 and 320 East 159th Street (Block 2418, Lots 10, 12 and 14), 821 and 817 Courtlandt Avenue (Block 2418, Lots 16 and 18), 301, 303, 305, 307, 309, 313, 317 and 321 East 158th Street (Block 2418, Lots 25, 26, 28, 29, 31-34), Site 22 within the Melrose Commons Urban Renewal Area, as an Urban Development Action Area;

b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be selected by HPD;

to facilitate development of a five-story building, tentatively known as Courtlandt Avenue Apartments, with approximately 167 units of housing for low-income families and 1 unit for a superintendent, to be developed under HPD's Cornerstone Program.

CD 10 **C 040479 ZMX**

IN THE MATTER OF an application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 4b, 4d, 7a, and 7c:**

1. changing from an R3-2 District to an R3-1 District property bounded by a line 100 feet southerly of Spencer Drive, a line 100 feet southerly of Lucerne Street and its easterly prolongation, the U.S. Pierhead Line, Club Road and its easterly centerline prolongation at its intersection with Campbell Drive, and a line 100 feet easterly of Reed Place;

2. changing from an R4 District to an R3-1 District property bounded by Throgs Neck Expressway, Throgs Neck Bridge Approach, the northwesterly centerline prolongation of Locust Point Drive, Chaffee Avenue, Longstreet Avenue, Harding Avenue, a line 100 feet southwesterly of Reynolds Avenue, Mullan Place, a line 500 feet southwesterly of Longstreet Avenue, a line 300 feet southwesterly of Longstreet Avenue and its northwesterly prolongation at its intersection with Shore Drive, the U.S. Pierhead and Bulkhead Line, the northwesterly boundary line of Ft. Schuyler (New York State Merchant Marine Academy), Pennyfield Avenue, Schurz Avenue, Kearney Avenue, Harding Avenue, Meagher Avenue, and Lawton Avenue and its northeasterly centerline prolongation;

3. changing from an R4 District to an R3-2 District property bounded by Sampson Avenue and its westerly centerline prolongation, Swinton Avenue, a line 100 feet southerly of Sampson Avenue, Brinsmade Avenue, a line 175 feet northerly of Miles Avenue, Huntington Avenue, Miles Avenue, a line midway between Swinton Avenue and Brinsmade Avenue, Lawton Avenue, Swinton Avenue, Harding Avenue, Balcom Avenue, a line 100 feet northerly of Harding Avenue, a line midway between Balcom Avenue and Graff Avenue, a line 100 feet southerly of Miles Avenue, Graff Avenue, Harding Avenue, Buttrick Avenue, Schurz Avenue and its westerly centerline prolongation, and the easterly boundary line of Ferry Point Park;

4. changing from an R4 District to an R3A District property bounded by:

a. Bruckner Expressway, Hollywood Avenue and its northwesterly centerline prolongation, the northeasterly centerline prolongation Otis Avenue, Throgs Neck Expressway, a line 250 feet southeasterly of Lafayette Avenue, a lone 100 feet northeasterly of Hollywood Avenue, a line 100 feet northwesterly of Philip Avenue, a line 75 feet northeasterly of Logan Avenue, Philip Avenue, a line 100 feet southwesterly of Hollywood Avenue, Randall Avenue, Logan Avenue, Schley Avenue, a line midway between Logan Avenue and Edison Avenue, a line perpendicular to the easterly street line of Edison Avenue distant 360 feet (as measure along the street line) from the point of intersection of the easterly street line of Edison Avenue and the northerly street line of Dewey Avenue, Edison Avenue and its southerly centerline prolongation, E. 177th Street, Throgs Neck Expressway Extension, a line 100 feet easterly of Logan Avenue, Miles Avenue, a line midway between Quincy Avenue and Swinton Avenue, Lawton Avenue, a line midway between Swinton Avenue and Brinsmade Avenue, Miles Avenue, Huntington Avenue, a line 175 feet northerly of Miles Avenue, Brinsmade Avenue, a line 100 feet southerly of Sampson Avenue, Swinton Avenue, Dewey Avenue, Revere Avenue, a line 300 feet southerly of Dewey Avenue, Calhoun Avenue, Sampson Avenue, Revere Avenue, a line 150 feet northerly of Sampson Avenue, East Tremont Avenue, a line 100 feet northwesterly of Philip Avenue, Calhoun Avenue, a line 425 feet northwesterly of Philip Avenue, Swinton Avenue, Lafayette Avenue, Brinsmade Avenue, a line 100 feet northwesterly of Lafayette Avenue, a line midway between Brinsmade Avenue and Huntington Avenue, Barkley Avenue, Brinsmade Avenue, Bruckner Boulevard, Calhoun Avenue, a line perpendicular to the northeasterly street line Calhoun Avenue distant 80 feet (as measured along the street line) front the point of intersection of the southeasterly street line of Bruckner Boulevard and the northeasterly street line of Calhoun Avenue, a line midway between Revere Avenue and Calhoun Avenue, a line 100 feet northwesterly of Barkley Avenue, Revere Avenue, Barkley Avenue, and East Tremont Avenue; and

b. Lafayette Avenue, Dean Avenue, a line 100 feet northwesterly of Philip Avenue, Clarence Avenue, Schley Avenue, Vincent Avenue, a line 250 feet southeasterly of Schley Avenue, a line midway between Vincent Avenue and Ellsworth Avenue, a line 300 feet southeasterly of Schley Avenue, Ellsworth Avenue, the southwesterly centerline prolongation of Schley Avenue, Throgs Neck Expressway, a line 250 feet northwesterly of Philip Avenue, a line midway between Vincent Avenue and Throgs Neck Expressway, a line 300 feet northwesterly of Philip Avenue, and Vincent Avenue;

5. changing from an R4 District to an R4A District property bounded by:

a. Middletown Road, Gillespie Avenue, a line 150 feet southerly of Middletown Road, Jarvis Avenue, Middletown Road, Bruckner Expressway, Waterbury Avenue and its westerly centerline prolongation, a line 100 feet southwesterly of Stadium Avenue, Fairmount Avenue, Clarence Avenue, Layton Avenue, Vincent Avenue, a line 200 feet southerly of Fairmount Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 100 feet northerly of Fairmount Avenue, a line 70 feet westerly of Vincent Avenue, Fairmount Avenue, Ellsworth Avenue, a line 100 feet southerly of Baisley Avenue and its westerly prolongation, Bruckner Boulevard, East Tremont Avenue, Ericson Place, and Hutchinson River Parkway East;

b. Shore Drive and its northeasterly centerline prolongation at its intersection with Longstreet Avenue, the U.S. Pierhead Line, a line perpendicular to the U.S. Pierhead Line passing through the point of intersection of the northeasterly street line of Shore Drive and a line a 100 feet northerly of Wissman Avenue, a line 100 feet northerly of Wissman Avenue, Longstreet Avenue and its southerly centerline prolongation, Throgs Neck Bridge Approach, Throgs Neck Expressway, Blair Avenue and its southerly centerline prolongation, a line 100 feet northerly of Throgs Neck Expressway, a line midway between Blair Avenue and Reynolds Avenue, Wissman Avenue and its southwesterly centerline prolongation, Throgs Neck Expressway, Sampson Avenue and its southwesterly centerline prolongation, and Pennyfield Avenue; and

c. Harding Avenue, Kearney Avenue, Schurz Avenue, Pennyfield Avenue, the northwesterly boundary line of Ft. Schuyler (New York State Merchant Marine Academy) and its southerly prolongation, the U.S. Pierhead and Bulkhead Line, a line perpendicular to the southerly street line of Marina Drive distant 245 feet (as measured along the street line) from the point of intersection of the southerly street line of Marina Drive and the easterly street line of Calhoun Avenue, Marina Drive, East Tremont Avenue, Msgr. Halpin Place, and Hollywood Avenue;

6. changing from an R4 District to an R4-1 District property bounded by:

a. Westchester Avenue, Hutchinson River Parkway

East, Ericson Place, East Tremont Avenue, Waterbury Avenue, Hutchinson River Parkway, Ericson Place, East Tremont Avenue, and the westerly boundary line of Samuel H. Young Park and its northwesterly prolongation;

b. the southerly boundary line of St. Raymonds Cemetery and its easterly and westerly prolongations, East Tremont Avenue, Barkley Avenue, Revere Avenue, a line 100 feet northeasterly of Barkley Avenue, a line midway between Revere Avenue and Calhoun Avenue, a line 80 feet southeasterly of Bruckner Boulevard, Calhoun Avenue, Bruckner Boulevard, Brinsmade Avenue, Barkley Avenue, a line 100 feet southwesterly of Huntington Avenue, Bruckner Boulevard, and Bacon Avenue;

c. a line 100 feet northerly of Fairmount Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 200 feet southerly of Fairmount Avenue, Vincent Avenue, Layton Avenue, a line 100 feet easterly of Throg-Morton Avenue, a line 90 feet southerly of Layton Avenue, a line 75 feet easterly of Throgs Neck Expressway, Layton Avenue, and Ellsworth Avenue;

d. Fairmount Avenue, Stadium Avenue, Shore Drive, Lafayette Avenue, Throgs Neck Expressway, Barkley Avenue, a line midway between Wilcox Avenue and Vincent Avenue, a line 80 feet southerly of Layton Avenue, a line 70 feet westerly of Dean Avenue, Layton Avenue, and Clarence Avenue;

e. Lafayette Avenue, Swinton Avenue, a line 425 feet northwesterly of Philip Avenue, Calhoun Avenue, a line 100 feet northwesterly of Philip Avenue, East Tremont Avenue, a line 150 feet northwesterly of Sampson Avenue, Revere Avenue, Sampson Avenue, Calhoun Avenue, a line 300 feet southeasterly of Dewey Avenue, Revere Avenue, Dewey Avenue, Calhoun Avenue, and Cross Bronx Expressway; and

f. Miles Avenue, Throgs Neck Boulevard, Lawton Avenue, a line 110 feet westerly of Kearney Avenue, a line perpendicular to the westerly street line of Kearney Avenue distant 135 feet (as measured along the street line) from the point of intersection of the westerly street line of Kearney Avenue and the northerly street line of Harding Avenue, Kearney Avenue, Harding Avenue, Hollywood Avenue, Lawton Avenue, Revere Avenue, Marina Drive, Schurz Avenue, Buttrick Avenue, Harding Avenue, Graff Avenue, a line 100 feet southerly of Miles Avenue, a line midway between Balcom Avenue and Graff Avenue, a line 100 feet northerly of Harding Avenue, Balcom Avenue, Harding Avenue, Swinton Avenue, Lawton Avenue, and a line midway between Quincy Avenue and Swinton Avenue; and

7. changing from a C3 District to a C3A District property bounded by:

a. the easterly prolongation of a line 450 feet northerly of Ampere Avenue, the U.S. Pierhead Line, the easterly prolongation of a line 475 feet southerly of Griswold Avenue, Outlook Avenue and its southerly centerline prolongation, a line 200 feet southerly of Griswold Avenue, and Bay Shore Avenue and its southerly centerline prolongation,

b. the southerly property line of Country Club, the U.S. Pierhead Line, Shore Drive and its northeasterly centerline prolongation at its intersection with Longstreet Avenue, Ellsworth Avenue, a line 100 feet northwesterly of Shore Drive, Vincent Avenue, Schley Avenue, Clarence Avenue, a line 100 feet northwesterly of Philip Avenue, Dean Avenue, Lafayette Avenue, Shore Drive, and Stadium Avenue;

c. a line 100 feet northerly of Wissman Avenue, a line perpendicular to the U.S. Pierhead Line passing through the point of intersection of the northeasterly street line of Shore Drive and a line a 100 feet northerly of Wissman Avenue, the U.S. Pierhead Line, the U.S. Bulkhead Line, the northerly boundary line of a Park, Pedestrian Street, and Longstreet Avenue;

d. Harding Avenue, Longstreet Avenue, the U.S. Pierhead and Bulkhead Line, a line 300 feet southwesterly of Longstreet Avenue and its northwesterly prolongation at its intersection with Shore Drive, a line 500 feet southwesterly of Longstreet Avenue, Mullan Place, and a line 100 feet southwesterly of Reynolds Avenue; and

e. Schurz Avenue and its westerly centerline prolongation, Marina Drive, a line perpendicular to the southerly street line of Marina Drive distant 245 feet (as measured along the street line) from the point of intersection of the southerly street line of Marina Drive and the easterly street line of Calhoun Avenue, the U.S. Pierhead and Bulkhead Line, the southerly terminus of Emerson Avenue, and the easterly boundary line of Ferry Point Park;

as shown on a diagram (for illustrative purposes only) dated June 7, 2004.

CD 10 **N 040480 ZRX**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, relating to Article I, Chapter 1; Article III, Chapter 4 and Article III, Chapter 5.

Matter underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;

NOTE:
The proposed lower density growth management text amendments are the subject of a separate application. This application makes the proposed C3A District applicable to lower density growth management areas.

Lower Density Growth Management Area

A "lower density growth management area" is any R1, R2, R3, R4A, R4-1 or C3A District in the following designated areas, and any #development# accessed by #private roads# in R1, R2, R3, R4, R5 or C3A Districts within such areas:

The Borough of Staten Island

Community Board 10 in the Borough of The Bronx

* * *

ARTICLE 3
COMMERCIAL DISTRICT REGULATIONS

* * *

Chapter 2
Use Regulations

* * *

32-10
USES PERMITTED AS-OF-RIGHT

32-11
Use Group 1 and 2

C1 C2 C3 C4 C5 C6

Use groups 1 and 2, as set forth in Section 22-11 and 22-12. However, in C3A Districts, Use Group 2 shall be limited to #single#-or #two-family detached# or #zero lot line residences#.

* * *

34-00
APPLICABILITY AND DEFINITIONS

34-01
Applicability of this Chapter

The #bulk# regulations of this Chapter apply to any #residential building# located on any #zoning lot# or portion of a #zoning lot# in any #Commercial District# in which such #building# is permitted. In addition, the #bulk# regulations of this Chapter or of specified Sections thereof also apply in other provisions of this Resolution where they are incorporated by cross reference.

However, In C3A Districts, the #bulk# regulations of this Chapter shall not apply to any #residential building#. In lieu thereof, the #bulk# regulations for R3A Districts of Article II Chapter 3 shall apply to #residential buildings#.

* * *

Chapter 5
Bulk Regulations for Mixed Buildings in Commercial Districts

* * *

35-00
APPLICABILITY AND DEFINITIONS

35-01
Applicability of this Chapter

The #bulk# regulations of this Chapter apply to any #mixed building# located on any #zoning lot# or portion of a #zoning lot# in any #Commercial District# in which such #building# is permitted. When two or more #buildings# on a single #zoning lot# are used in any combination for #uses# which, if located in a single #building#, would make it a #mixed building#, the regulations set forth in Sections 35-21 to 35-23, relating to Applicability of Residence District Bulk Regulations to Mixed Buildings, in Section 35-30 (APPLICABILITY OF FLOOR AREA AND OPEN SPACE REGULATIONS TO MIXED BUILDINGS), inclusive, and in Section 35-40 (APPLICABILITY OF DENSITY REGULATIONS TO MIXED BUILDINGS), inclusive, shall apply as if such #buildings# were a single #mixed building#. In addition, the #bulk# regulations of this Chapter, or of specified Sections thereof, also apply in other provisions of this Resolution where they are incorporated by cross-reference.

However, in C3A Districts, except for #community facility uses# that have received tax-exempt status from the New York City Department of Finance, or its successor, pursuant to Section 420 of the New York State Real Property Tax Law, or its successor, the #bulk# regulations of this Chapter shall not apply, and the #bulk# regulations for R3A Districts of Article II, Chapter 3 shall apply to any #building# that is used partly for #community facility use# and partly for #residential use#.

* * *

35-23
Residential Bulk Regulations in Other C1 or C2 Districts or in C3, C4, C5 or C6 Districts

C1-6 C1-7 C1-8 C1-9 C2-6 C2-7 C2-8 C3 C4 C5 C6

(a) In the districts indicated, the #bulk# regulations for #residential# portions of #mixed buildings# are the #bulk# regulations for the #Residence Districts# set forth in the following table. However, where the #residential# portion of a #mixed building# is #developed# or #enlarged# pursuant to the Quality Housing Program, the height and setback regulations of Sections 23-60 through 23-65, inclusive, shall not apply. In lieu thereof, Section 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts) shall apply to such #mixed building#.

* * *

District	Applicable #Residence District#
C3	R3-2
C3A	R3A
C4-1	R5

* * *

35-50
MODIFICATION OF YARD REGULATIONS FOR MIXED BUILDINGS

* * *

35-52
Modification of Side Yard Requirements

C1 C2 C3 C4 C5 C6

In the districts indicated, except as otherwise provided in Section 35-54 (Special Provisions Applying along District Boundaries), no #side yard# shall be required for any #mixed building#~~. However~~although, if any open area extending along a #side lot line# is provided at any level, it shall have a width of not less than eight feet.

However, in C3A Districts, #side yard(s)# shall be provided for any #mixed building# in accordance with the regulations for R3A Districts as set forth in Section 23-461 (Side yards for single- or two-family residences).

* * *

35-60
MODIFICATION OF HEIGHT AND SETBACK REGULATIONS FOR MIXED BUILDINGS

35-61
Height and Setback Regulations

C1 C2 C3 C4 C5 C6

In the districts indicated, except as otherwise provided in Section 35-51 (Modification of Front Yard Requirements), no #front yard# is required for any portion of a #mixed building# in a #Commercial District#. Therefore, in applying the height and setback regulations, a #sky exposure plane# (which in a #Residence District# would be measured from a point above the #front yard line#) may be measured from a point above the #street line#.

In cases where the provisions of Section 34-243 paragraph (a), apply, as set forth in Section 35-51, the #sky exposure plane# is measured from a point above the #front yard line#.

In C1 or C2 Districts mapped within R3 or R4A Districts, the height and setback regulations applicable to R4 Districts, except R4A and R4B Districts, may be used for #mixed buildings#.

In C1 or C2 Districts mapped within R4, R4B or R4-1 Districts, the height and setback regulations applicable to an R5B District may be used for #mixed buildings#.

In C3A Districts, the height and setback regulations applicable to R3A Districts shall apply to #mixed buildings#.

35-62
Maximum Height of Front Wall in Initial Setback Distance

C1 C2 C3 C4 C5 C6

In the districts indicated, except in C3A Districts, ~~as otherwise provided in Sections 82-37 (Street Walls along Certain Street Lines) and 85-04 (Modifications of Bulk Regulations),~~ the maximum height of a front wall of a #mixed building# within the #initial setback distance# shall be the maximum height of a front wall permitted in the applicable district for a #residential#, #commercial# or #community facility building#, whichever permits the greatest maximum height.

* * *

Chapter 6
Accessory Off-Street Parking and Loading Regulations

* * *

36-30
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES WHEN PERMITTED IN COMMERCIAL DISTRICTS

* * *

36-322
In C3 or C4 Districts

C3 C4-1 C4-2 C4-3

In the districts indicated, where group parking facilities are not provided, one accessory off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except that in C3A Districts, the provisions applicable to R3 Districts in Sections 25-22 (Requirements Where Individual Parking Facilities Are Provided), and 25-60 (ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES) shall apply.

* * *

36-332
In other C1 or C2 Districts, or in C3, C4, C5 or C6 Districts

C1-6 C1-7 C1-8 C1-9 C2-6 C2-7 C2-8 C3 C4 C5 C6

In the districts indicated, the number of required #accessory# off-street parking spaces is as set forth in the following table:

REQUIRED PARKING SPACES AS A PERCENT OF TOTAL DWELLING UNITS

District	Percent
C3*	100
C4-1	85
C4-2 C4-2A C4-3 C4-3A	70
C1-6 C2-6 C4-4 C4-5 C6-1	50
C1-7 C1-8 C1-9 C2-7 C2-8 C4-6 C4-7 C5 C6-2 C6-3 C6-4 C6-5 C6-6 C6-7 C6-8 C6-9	40

* In C3A Districts the provisions applicable to R3 Districts in Sections 25-22 (Requirements Where Individual Parking Facilities Are Provided), and 25-60

(ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES) shall apply.

Chapter VII
Special Regulations

* * *

37-10
Applicability of Article II, Chapter 6, to Developments with Private Roads

In C1 or C2 Districts mapped within R3, R4 or R5 Districts, and in C3 Districts, the provisions of Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS) shall apply to any #development# containing #private roads#, except where such #developments# contain #private roads# constructed prior to February 6, 2002. In addition, the open area between #buildings# and sidewalks required pursuant to Section 26-25 need not be planted where such open areas front upon #commercial uses#.

However, in C3A Districts located within #lower density growth management areas#, the provisions of 26-30 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS) shall apply.

* * *

CD 10 **N 040482 ZRX**

ARTICLE 1
GENERAL PROVISIONS

Chapter 1
Title, Establishment of Controls, and Interpretation of Regulations

* * *

11-40
EXCEPTIONS, VARIANCES, AUTHORIZATIONS OR PERMITS

* * *

11-44
Authorizations or Permits in Lower Density Growth Management Areas

The provisions of this Section 11-44 shall apply within #lower density growth management areas#.

(a) Notwithstanding the provisions of N040414ZRY (Lower Density Growth Management Area Text Amendments) and subject to the provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) with respect to amendments of this Resolution other than N040414ZRY, Section 11-42 (Lapse of Authorization or Special Permit Granted by the City Planning Commission Pursuant to the 1961 Zoning Resolution) and Section 11-43 (Renewal of Authorization or Special Permit), the following provisions shall apply with respect to special permits and authorizations granted by the City Planning Commission or for which certification or referral for public review has been made prior to (effective date of amendment):

1. Any #development# or #enlargement#, including minor modifications thereto, granted a special permit or authorization by the City Planning Commission and, where applicable, the City Council, prior to (the effective date of amendment) may be #developed# or #enlarged# pursuant to the terms of such permit or authorization and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such permit or authorization was granted.

2. Any application for a special permit certified by the Department of City Planning or application for an authorization referred by the Department of City Planning for public review prior to May 24, 2004 may be continued pursuant to the regulations in effect at the time of certification or referral and, if granted by the City Planning Commission, and, where applicable, the City Council, may be #developed# or #enlarged# pursuant to the terms of such permit or authorization, including minor modifications thereto, and, to the extent not modified under the terms of such permit or authorization, in accordance with the regulations in effect at the time such application was certified or referred for public review.

(b) Notwithstanding the provisions of N040414ZRY (Lower Density Growth Management Area Text Amendments), the following provisions shall apply to certain #developments# within the #Special South Richmond Development District#:

1. #Developments#, including minor modifications thereto, within the #Special South Richmond Development District# that contain #designated open space# and a portion of the #waterfront esplanade#, where such #development# is conditioned upon a restrictive declaration that includes a site plan for such #development#, including provisions for public access to such #designated open space# and #waterfront esplanade#, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

2. #Developments# within the #Special South Richmond Development District# accessed by in part by #private roads# and consisting in part of construction within #streets# that are unimproved, and for which a conservation easement has been granted to the City, and for which the Board of Standards and Appeals has granted a permit pursuant to Section 35 of the General City Law, and an application for an authorization for such #development# has been filed pursuant to paragraph (a) of Section 26-27 prior to May 1, 2004, may be #developed# in accordance with the regulations in effect prior to (effective date of amendment).

* * *

12-10
Definitions

* * *

Floor area

"Floor area" is the sum of the gross areas of the several floors of a #building# or #buildings#, measured from the exterior faces of exterior walls or from the center lines of walls separating two #buildings#. In particular, #floor area# includes:

* * *

(i) floor space used for #accessory# off-street parking spaces provided in any #story# after June 30, 1989:

(1) within #detached# or #semi-detached single-# or #two-family residences# in R2X, R3, R4 or R5 Districts, except that in R3, R4A and R4-1 Districts in #lower density growth management areas#, #floor area# within such #residences# shall include only floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces;

(2) within #residential buildings developed# or #enlarged# pursuant to the optional regulations applicable in a #predominantly built-up area#;

(3) in excess of 100 square feet per required space in individual garages within other #residential buildings# (#attached residential buildings#, rowhouses or multiple dwellings) in R3-2, R4 or R5 Districts, except that in R3-2 Districts within #lower density growth management areas#, #floor area# shall only include floor space in excess of 300 square feet for one such space and in excess of 500 square feet for two such spaces. However, all of the floor space within any #story# in individual garages shall be considered #floor area# where, subsequent to June 7, 1989, the level of any #yard# except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of:

(i) #curb level#; or

(ii) grade existing on June 7, 1989.

* * *

However, the #floor area# of a #building# shall not include:

* * *

(6) floor space used for #accessory# off-street parking spaces provided in any #story#:

(i) up to 200 square feet per required space existing on June 30, 1989 within #residential buildings# in R3, R4 or R5 Districts, except that for #detached# or #semi-detached single-# or #two-family residences# in R3, R4A and R4-1 Districts within #lower density growth management areas#, #floor area# shall not include up to 300 square feet for one required space and up to 500 square feet for two required spaces;

(ii) up to 100 square feet per required space in individual garages in #attached residential buildings#, rowhouses or multiple dwellings in R3, R4, or R5 Districts except that in R3-2 Districts within #lower density growth management areas#, up to 300 square feet for one such space and up to 500 square feet for two such spaces, except for:

(1) #residential buildings developed# or #enlarged# after June 30, 1989 pursuant to the optional regulations applicable in a #predominantly built-up area#;

(2) #residential buildings# where, subsequent to June 7, 1989, the level of any #yard#, except that portion of a #yard# in front of a garage on the #zoning lot# is lowered below the lower of #curb level# or grade existing on June 7, 1989.

* * *

Lower density growth management area

A "lower density growth management area" is any R1, R2, R3, R4A or R4-1 District in the following designated areas, and any #development# accessed by #private roads# in R1 through R5 Districts within such areas:

The Borough of Staten Island
Community Board 10 in the Borough of the Bronx

* * *

Private road

Except in #lower density growth management areas#, ~~A~~a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to any #dwelling unit# within a #development# where five or more #dwelling units# are within #buildings# or #building segments# that are located wholly beyond 50 feet of a #street line# or #street setback line#. An individual driveway serving fewer than five parking spaces shall not be considered a #private road#.

In #lower density growth management areas#, a private road is a right-of-way, other than a #street#, that provides vehicular access from a #street# to:

(a) three or more #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line#; or

(b) one or two #buildings# or #building segments# located wholly beyond 50 feet of a #street line# or #street setback line# that contain five or more #dwelling units#.

22-40
SUPPLEMENTAL USE REGULATIONS

* * *

22-43
Detached and Semi-Detached Two-Family Residences

~~R3-1 R3A R3X~~ R3 R4-1 R4A

In R3A, R3X or R4A Districts, and in R3-2 Districts within #lower density growth management areas#, a #detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other, and in R3-1 or R4-1 Districts, a #semi-detached two-family residence# shall be designed so that at least 75 percent of the #floor area# of one #dwelling unit# is located directly above or directly below the other.

The City Planning Commission may, upon application, authorize the waiver of these requirements provided that the Commission finds that:

(a) the #development# is compatible with the scale and character of the surrounding area; and

(b) the design of:

(1) the #detached building# does not give the appearance of a #semi-detached building#; or

(2) the #semi-detached building# does not give the appearance of an #attached building#; and each #dwelling unit# has a perimeter wall with windows facing a #side yard#.

Applications for authorizations shall be referred to the affected Community Board for a period of at least 30 days for comment. The City Planning Commission shall grant in whole or in part or deny the application within 60 days of the completion of the Community Board review period.

23-00
APPLICABILITY AND GENERAL PURPOSES

* * *

23-012
Lower Density Growth Management Areas

For areas designated as #lower density growth management areas# pursuant to Section 12-10 (DEFINITIONS), the underlying district regulations shall apply to all #residential developments# or #enlargements#. Such regulations are superceded or supplemented as set forth in the following Sections:

11-44	Authorizations or Permits in Lower Density Growth Management Areas
12-10	(DEFINITIONS) "floor area"; "lower density growth management area"; and 'private road"
22-43	(Detached and Semi-Detached Two-Family Residences)
23-141	(Open space and floor area regulations in R1, R2, R3 R4 or R5 Districts)
23-32	(Minimum Lot Area or Lot Width for Residences)
23-44	(Permitted Obstructions in Required Yards or Rear Yard Equivalents)
23-461	(Side yards for single-or two-family residences)
23-462	(Side yards for all other residential buildings)
23-533	(Required rear yard equivalents)
23-541	(Within 100 feet of corners)
23-542	(Along short dimension of block)
23-544	(For portions of through lots)
23-631	(Height and setback in R1, R2, R3, R4 and R5 Districts)
23-711	(Standard minimum distance between buildings)
23-88	(Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas)
25-22	(Requirements Where Individual parking Facilities Are Provided)
25-23	(Requirements Where Group parking Facilities Are Provided)
25-621	(Location of parking spaces in certain districts)
25-622	(Location of parking spaces in lower density

growth management areas)
25-631 (Location and width of curb cuts in certain districts)
25-632 (Driveway and curb cut regulations in lower density growth management areas)
25-64 (Restrictions on Use of Open Space for Parking)
25-66 (Screening)
26-30 (SPECIAL REGULATIONS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), inclusive
26-40 (STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS)
105-702 (Applicability of lower density growth management area regulations)
119-05 (Applicability of Parking Location Regulations)
119-214 (Tier II requirements for driveways, private roads and location of parking spaces)

* * *

23-10
OPEN SPACE AND FLOOR AREA REGULATIONS

* * *

23-141
In Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

(b)

District	Maximum #Lot Coverage# (in percent)	Minimum Required #Open Space# (in percent)	Maximum #Floor Area Ratio#
R3A R3X	governed by #yard# requirements		.50*
R4A R4-1	governed by #yard# requirements		.75*
R2X	governed by #yard# requirements		.85*
R3-1 R3-2**	35	65	.50*
R4**	45	55	.75*
R4B	55	45	.90
R5**	55	45	1.25
R5B	55	45	1.35

* ~~the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.~~

** ~~The permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In addition, the following rules shall apply:

(1) In R2X, R3, R4, R4A and R4-1 Districts, except R3, R4A and R4-1 Districts within #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 and 1/2 inches in vertical distance for each foot of horizontal distance and the structural headroom of such #floor area# is between 5 and 8 feet.

(2) In R3, R4A and R4-1 Districts in #lower density growth management areas#, the #floor area ratio# in this table may be increased by up to 20 percent provided that any such increase in #floor area# is located in a portion of a #building# covered by a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance.

(3) In R3-2, R4 and R5 Districts, except R4A, R4B, R4-1 and R5B Districts, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence developed# after June 30, 1989 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

(4) In R3, R4A and R4-1 Districts within #lower density growth management areas#, the permitted #floor area# of a #single-# or #two-family detached# or #semi-detached residence# may be increased by up to 300 square feet for one parking space and up to 500 square feet for two parking spaces provided such spaces are in a garage located in the #side lot ribbon# pursuant to Section 23-12 (f) (Permitted Obstructions in Open Space), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).

* * *

23-30
LOT AREA AND LOT WIDTH REGULATIONS

* * *

23-32
Minimum Lot Area or Lot Width for Residences
R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except as provided in Section 23-33 (Special Provisions for Existing Small Lots), no #residence# is permitted on a #zoning lot# with a total #lot area# or #lot width# less than as set forth in the following table:

REQUIRED MINIMUM LOT AREA AND LOT WIDTH

Type of #Residence#	Minimum #Lot Area# (in sq. ft.)	Minimum #Lot Width# (in feet)	District
#Single-family detached#	9,500	100	R1-1
	5,700	60	R1-2
	3,800	40	R2
	2,850	30	R2X
#Single-# or # two-family detached# or #zero lot line# where permitted	3,800	40	R3-1 R3-2 R4-R10
	3,325	35	R3X
	2,850	30	R4A*
	2,375	25	R3A* R4B R4-1* R5B
Any other permitted	1,700	18	R3-R10*

* In #lower density growth management areas#, for #two-family detached# and #two-family zero lot line residences#, where permitted, in R3A, R4A and R4-1 Districts, and for #two-family semi-detached residences# in R3-1, R3-2 and R4-1 Districts, the minimum #lot area# shall be 3,135 square feet and the minimum #lot width# shall be 33 feet.

23-40
YARD REGULATIONS

* * *

23-44
Permitted Obstructions in Required Yards or Rear Yard Equivalents

In all #Residence Districts#, the following shall not be considered obstructions when located within a required #yard# or #rear yard equivalent#:

(a) In any #yard# or #rear yard equivalent#:

* * *

~~Parking spaces, off-street, open, #accessory#, except such spaces located within a #front yard#, that are:~~

~~(1) #accessory# to any #residential use# in R4B or R5B Districts;~~

~~(2) #accessory# to a #residential building# where no more than two parking spaces are required in R1 or R2 Districts, except R2X Districts, or in R2X, R3, R4 or R5 Districts, unless such spaces are located in a permitted #side lot ribbon#;~~

~~(3) #accessory# to a #residential building# where more than two parking spaces are required in R3, R4 or R5 Districts unless such spaces or~~

~~(4) not screened from #zoning lots# situated across the #street# in the manner specified in Section 25-66 (Screening);~~

Parking spaces, off-street, open, #accessory#, within a #side # or #rear yard#;

Parking spaces, off-street, open, within a #front yard# that are #accessory# to a #residential building# where:

(1) in R2X, R3, R4 and R5 Districts, no more than two parking spaces are required, provided such spaces are located in a permitted #side lot ribbon#;

(2) in R3, R4 and R5 Districts, more than two parking spaces are required, provided such spaces meet all the requirements of paragraph (b) of Section 25-621 (Location of parking spaces in certain districts), and the screening requirements of Section 25-66.

However, no such parking spaces shall be permitted in any #front yard# within R4B or R5B Districts, and no such required spaces shall be permitted in any #front yard# within any R1, R2, R3, R4A or R4-1 District within a #lower density growth management area#.

Steps and ramps for access by the handicapped;

* * *

23-461
Side yards for single- or two-family residences

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, for #single-family detached residences# or, where permitted, for #two-family detached residences#, #side yards# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width:

MINIMUM REQUIRED SIDE YARDS

Number Required	Required Total Width (in feet)	Required Minimum Width of any #Side Yard# (in feet)	District
2	35	15	R1-1
2	20	8	R1-2
2	13	5	R2 R3-1 R3-R4-R10
2	10	2*	R2X R3X R4A
1	8	0*	R3A R4-1 R4B R5B

* * *

R3-1 R3-2 R4 R4-1 R4B R5

(b) In the districts indicated, for #single-# or #two-family semi-detached residences#, a #side yard# shall be provided as set forth in the following table, except that on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

MINIMUM REQUIRED SIDE YARD

Feet	District
8	R3-1 R3-2 R4 R5
4*	R4-1 R4B R5B

* * *

23-462
Side yards for all other residential buildings

R3-2 R4 R5 R6 R7 R8 R9 R10

In the districts indicated, for all other #residential buildings#, #side yards# shall be provided as follows:

R3-2 R4 R5

(a) In the districts indicated, except R4B or R5B Districts, two #side yards#, each with a minimum required width of eight feet, shall be provided. However, if a #detached residential building# has an #aggregate width of street walls# of more than 80 feet, two #side yards# shall be provided, each equal to not less than 10 percent of such #aggregate width of street walls#. For #residential buildings# not exceeding two #stories# and a #basement# in height, no such #side yard# need be more than 15 feet wide. However, on #corner lots# in #lower density growth management areas#, one #side yard# shall be at least 20 feet in width.

* * *

23-533
Required rear yard equivalents

R4 R5 R6 R7 R8 R9 R10

In the districts indicated, and in R1, R2 and R3 Districts within #lower density growth management areas#, on any #through lot# that is 110 feet or more in maximum depth from #street# to #street#, one of the following #rear yard equivalents# shall be provided:

(a) an open area with a minimum depth of 60 feet, linking adjoining #rear yards# or, if no such #rear yards# exist, an open area with a minimum depth of 60 feet, midway (or within five feet of being midway) between the two #street lines# upon which such #through lot# fronts; or

(b) two open areas, each adjoining and extending along the full length of a #street line# and each with a minimum depth of 30 feet measured from such #street line#, except that in R6, R7, R8, R9 or R10 Districts, the depth of such required open area along one #street line# may be decreased, provided that:

(1) a corresponding increase of the depth of the open area along the other #street line# is made; and

(2) any required front setback areas are maintained; or

(c) an open area adjoining and extending along the full length of each #side lot line# with a minimum width of 30 feet measured from each such #side lot line#.

However, in #lower density growth management areas# and in R6A, R6B, R7A, R7B, R7X, R8A, R8B, R8X, R9A, R9X, R10A and R10X Districts, and for #buildings developed# or #enlarged# pursuant to the Quality Housing Program in other R6 through R10 Districts, on any #through lot# at least 180 feet in maximum depth from #street# to #street#, a #rear yard equivalent# shall be provided only as set forth in paragraph (a) of this Section.

Any such #rear yard equivalent# shall be unobstructed from its lowest level to the sky, except as provided in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents).

23-54
Other Special Provisions for Rear Yards

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the #rear yard# requirements set forth in Section 23-47 (Minimum Required Fear Yards) shall be modified as set forth in this Section.

23-541
Within one hundred feet of corners

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, no #rear yard# shall be required within 100 feet of the point of intersection of two #street lines# intersecting at an angle of 135 degrees or less.

23-542
Along short dimension of block

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, except within #lower density growth management areas#, whenever a #front lot line# of a #zoning lot# coincides with all or part of a #street line# measuring less than 230 feet in length between two intersecting #streets#, no #rear yard# shall be required within 100 feet of such #front lot line#.

* * *

23-60
HEIGHT AND SETBACK REGULATIONS

* * *

23-631
Height and setback in R1, R2, R3, R4 and R5 Districts

* * *

R2X R3 R4 R4A R4-1

(b) In the districts indicated, the height and setback of a #building or other structure# shall be as set forth herein except where modified pursuant to paragraphs (g) and (h) of this Section.

For the purposes of this Section, where #base planes# of different elevations apply to different portions of a #building or other structure#, each such portion of the #building# may be considered to be a separate #building#. Furthermore, for the purposes of this Section, #building segments# may be considered to be separate #buildings# and abutting #semi-detached buildings# may be considered to be one #building#.

The perimeter walls of a #building or other structure# are those portions of the outermost walls enclosing the #floor area# within a #building or other structure# at any level and height is measured from the #base plane#. Perimeter walls are subject to setback regulations at a maximum height above the #base plane# of:

21 feet	R2X R3 R4A
25 feet	R4 R4-1
26 feet*	R3 R4A R4-1

within #lower density growth management areas#

* In R3, R4A and R4-1 Districts within #lower density growth management areas#, where a #base plane# is established at a #base flood elevation# higher than grade, the maximum perimeter wall height shall be 21 feet above such base flood elevation or 26 feet above grade, whichever is more.

* * *

23-70
MINIMUM REQUIRED DISTANCE BETWEEN TWO OR MORE BUILDINGS ON A SINGLE ZONING LOT

* * *

23-711
Standard minimum distance between buildings

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the required minimum distance between a #residential building# and any other #building# on the same #zoning lot# shall vary according to the height of such #buildings# and the presence of #legally required windows# in facing building walls. Such minimum distance shall be, in feet, as indicated in the following table:

	Maximum Building Height above #Base Plane# or #Curb Level#, as Applicable (in feet)				
Wall Condition*	25	35	40	50	Over 50
Wall to Wall	20	25	30	35	40
Wall to Window	30	35	40	45	50
Window to Window	40	45	50	55	60

* Wall condition shall be defined as:

"wall to wall" is a condition where two walls of #buildings# face each other, and neither wall contains a #legally required window#;

"wall to window" is a condition where two walls of #buildings# face each other, and one wall contains a #legally required window# and the other wall does not contain a #legally required window#;

"window to window" is a condition where two walls of #buildings# face each other, and both walls contain a #legally required window#.

In addition, the following rules shall apply:

(a) the minimum distances set forth in this table shall be provided at the closest point between #buildings#;

(b) any portion of a #building# that qualifies as a #building segment# may be treated as a separate #building# for the purposes of determining the minimum distance required between such #building segment# and another #building# or #building segment#;

(c) where #buildings# of different heights face each other, the average of the heights of such #buildings# shall determine the minimum distance required between them;

(d) projections having a maximum height of 25 feet above adjoining grade, a maximum depth of five feet, and an aggregate width not exceeding 25 percent of the building wall from which they project, may penetrate the minimum spacing requirements; and

(e) portions of #buildings# above 125 feet that exceed, in aggregate, a #lot coverage# of 40 percent, shall be spaced at least 80 feet apart.

(f) in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph (f) shall apply to any #zoning lot# with two or more #buildings#, where at least one #building# is located wholly beyond 50 feet of a #street line# and the #private road# provisions do not apply. For the purposes of this paragraph, any #residential building# with no #residential building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #residential building# shall be considered a "front building", and any #residential building# located wholly beyond the #rear wall line#, or prolongation thereof, of a "front building" shall be considered a "rear building". The minimum distances set forth in the table above shall apply, except that a minimum distance of 45 feet shall be provided between any such front and rear #buildings#.

* * *

23-88
Minimum Distance between Lot Lines and Building Walls in Lower Density Growth Management Areas

(a) On #corner lots# in #lower density growth management areas#, for #zoning lots# with multiple #buildings# or #building segments#, an open area at least 30 feet in depth shall be provided between the #side lot line# and the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety.

(b) In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of this paragraph (b) shall apply to any #zoning lot# with two or more #buildings#, where at least one #building# is located wholly beyond 50 feet of a #street line# and the #private road# provisions do not apply. For the purposes of this paragraph, any #residential building# with no #residential building# located between it and the #street line# so that lines drawn perpendicular to the #street line# do not intersect any other #residential building# shall be considered a "front building", and any #residential building# located wholly beyond the #rear wall line#, or prolongation thereof, of a "front building" shall be considered a "rear building". An open area with a minimum width of 15 feet shall be provided between any such rear building and the #side lot line# of an adjoining #zoning lot#, and an open area with a minimum width of 30 feet shall be provided between any such rear building and the #rear lot line# of an adjoining #zoning lot#. The permitted obstruction provisions of Sections 23-44 for #side yards# shall apply where such open areas adjoin a #side lot line#, and the permitted obstruction provisions of Section 23-44 for #rear yards# shall apply where such open areas adjoin a #rear lot line#.

* * *

Chapter 5
Accessory Off-Street Parking and Loading Regulations

* * *

25-20
REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR RESIDENCES

* * *

25-22
Requirements Where Individual Parking Facilities Are Provided

(a) R1 R2 R3 R4 R5 R6 R7-1

In the districts indicated, except in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, where #group parking facilities# are not provided, one #accessory# off-street parking space, open or enclosed, shall be provided for each #dwelling unit#, except in the case of two- or three-family #residential buildings# in a #predominantly built-up area#, two #accessory# parking spaces per #building# shall be provided.

(b) R1 R2 R3 R4A R4-1

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, 1.5 #accessory# off-street parking spaces shall be provided for each #dwelling unit#. However, in such districts in the Borough of Staten Island, two #accessory# off-street parking spaces shall be provided for each #single-family residence#, three #accessory# off-street parking spaces shall be provided for each #two-family residence#, and for all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#

25-23
Requirements Where Group Parking Facilities Are Provided

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, for all new #residences developed# under single ownership or control where #group parking facilities# are provided, #accessory# off-street parking spaces shall be provided for at least that percentage of the total number of #dwelling units# set forth in the following table. Such spaces shall be kept available to the residents of the #building# or #development#, in accordance with the provisions of Section 25-41 (Purpose of Spaces and Rental to Non-Residents).

PARKING SPACES REQUIRED WHERE GROUP PARKING FACILITIES ARE PROVIDED

Percent of Total # Dwelling Units#	District
100*	R1 R2 R3 R4A R4-1
100	R4 R4B
85	R5
70	R6
66	R5B
60	R7-1
50**	R6A R6B R7-2 R7A R7B R7X R8B***
40	R8 R9 R10

* In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, 1.5 #accessory# off-street parking spaces shall be provided for each #dwelling unit#. However, in such districts in the Borough of Staten Island, two #accessory# off-street parking spaces shall be provided for each #single-family residence#, three #accessory# off-street parking spaces shall be provided for each #two-family residence#, and for all other #residences#, #accessory# off-street parking space shall be provided for at least 150 percent of the total number of #dwelling units# within such #residences#.

** In R6 or R7 Districts for #residences developed# or #enlarged# pursuant to the Quality Housing Program, #accessory# off-street parking spaces shall be provided for at least 50 percent of the total number of #dwelling units#.

*** In the Borough of Brooklyn, R8B Districts are subject to the parking requirements applicable in R8 Districts.

* * *

25-60
ADDITIONAL REGULATIONS FOR PERMITTED OR REQUIRED ACCESSORY OFF-STREET PARKING SPACES

* * *

25-621
Location of parking spaces in certain districts

All #accessory# off-street parking spaces shall be located in accordance with the provisions of this Section, except that in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, the provisions of Section 25-622 shall apply. In addition, all such parking spaces shall be subject to the curb cut requirements of Section 25-63 (Location of Access to the Street).

* * *

25-622
Location of parking spaces in lower density growth management areas

The provisions of this Section 25-622 shall apply in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#.

Required #accessory# off-street parking spaces shall be permitted only within a #building# or in any open area on the #zoning lot# that is not between the #street line# and the #street wall# or prolongation thereof of the #building#.

For #zoning lots# with less than 33 feet of #street# frontage, access to all parking spaces through a #front yard# shall be only through a single driveway no more than 10 feet in width. For #zoning lots# with at least 33 feet of #street# frontage, access to all parking spaces though a #front yard# shall be only through a driveway no more than 20 feet in width.

No more than two unenclosed required parking spaces may be located in tandem (one behind the other), except that no tandem parking shall be permitted in any #group parking facility# with more than four spaces.

* * *

25-631
Location and width of curb cuts in certain districts

All curb cuts shall comply with the provisions of this Section, except that in #lower density growth management areas#, the provisions of Section 25-632 shall apply.

* * *

25-632
Driveway, curb cut and screening regulations in lower density growth management areas

The provisions of this Section shall apply within all #lower density growth management areas#, except that these provisions shall not apply to any #zoning lot# occupied by only one #single-family detached residence# with at least 60 feet of frontage along one #street# and, for such residences on #corner lots#, with at least 60 feet of frontage along two #streets#.

(a) For #zoning lots# with less than 33 feet of frontage along a #street#, only one curb cut, having a maximum width, including splays, of ten feet, shall be permitted.

(b) For #zoning lots# with at least 33 feet of frontage along a #street#, multiple curb cuts are permitted. The maximum width of a curb cut serving a driveway 12 feet or less in width shall be 10 feet, including splays. Driveways wider than 12 feet, at any point within a #front yard# shall be accessed by a single curb cut with a minimum width of 17 feet and a maximum width, including splays, of 18 feet.

(c) The center line of each curb cut shall be coincident with the centerline of the driveway that it serves;

(f) All driveways shall be located at least 13 feet from any other driveway on the same or adjoining #zoning lots#. However, driveways may be paired with other driveways on adjoining #zoning lots# provided the aggregate width of such paired driveways, including any space between them, does not exceed 20 feet.

(g) All #residential developments# shall maintain a minimum distance of 16 feet of uninterrupted curb space between all curb cuts constructed after June 30, 1989.

(h) The requirements of paragraphs (f) and (g) of this Section may be waived where the Commissioner of Buildings certifies that, due to the location of driveways and curb cuts on adjacent #zoning lots#, there is no way to locate the driveways and curb cuts in compliance with this requirement of this Section, and that at least 16 feet of uninterrupted curb space is maintained along the #street# in front of the #zoning lot#;

(i) The maximum grade of a driveway shall not exceed 11 percent.

(j) For multiple #buildings# on a single #zoning lot#, access to all parking spaces shall be provided entirely on the same #zoning lot#.

25-632 25-633
Prohibition of curb cuts in certain districts

* * *

25-64

Restrictions on Use of ~~Required~~ Open Space for Parking

Restrictions on the use of open space for parking and driveways are set forth in this Section. For #zoning lots# in #lower density growth management areas#, the provisions of paragraph (b) shall apply.

(a) In accordance with the provisions of Section 23-12 (Permitted Obstructions in Open Space), driveways, private streets, open #accessory# off-street parking spaces, or open #accessory# off-street loading berths may not use more of the required #open space# on any #zoning lot# than the percent set forth in the following table:

Percent	District
50	R1 R2 R3 R6 R7 R8 R9 R10
66	R4 R5

(b) In #lower density growth management areas#, the following regulations shall apply:

(1) Driveways, #private roads# and open #accessory# off-street parking spaces may occupy no more than 50 percent of the #lot area# not covered by #residential buildings# in R1, R2 and R3 Districts, and may occupy no more than 66 percent of the #lot area# not covered by #residential buildings# in R4 and R5 Districts, and

(2) The area within 30 feet and perpendicular to the #rear wall line# of any #building# or #building segment# that does not front upon two #streets# in its entirety shall not be occupied by driveways or off-street parking spaces, except that this provision shall not apply to any #zoning lot# occupied by only one #single# or #two-family detached# or #semi-detached residence#.

* * *

25-66
Screening

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

(a) In all districts, as indicated, except where such districts are located in #lower density growth management areas#, all open off-street parking areas or groups of individual garages with 10 spaces or more, which are located either at natural grade or on a roof, shall be screened from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, by either:

~~(a)~~(1) a strip at least four feet wide, densely planted with shrubs or trees that are at least four feet high at the time of planting and that are of a type which may be expected to form a year-round dense screen at least six feet high within three years; or

~~(b)~~(2) a wall or barrier or uniformly painted fence of fire-resistant material at least six feet high, but not more than eight feet above finished grade (or above the roof level, if on a roof). Such wall, barrier or fence may be opaque or perforated, provided that not more than 50 percent of the face is open.
In addition, such screening ~~(1)~~ shall be maintained in good condition at all times~~;~~

~~(2)~~, may be interrupted by normal entrances or exits~~;~~ and ~~(3)~~ shall have no #signs# hung or attached thereto other than those permitted in Section 22-323 (Signs for parking areas).

(b) In #lower density growth management areas#, all open parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year round dense screen six feet high within three years. Such screening shall be maintained in good condition at all times.

* * *

Chapter 6
Special Urban Design Guidelines - Streetscape
Special Requirements for Developments in R9 and R10 Districts, ~~and~~
~~Special Requirements for~~ Developments with Private Roads, and Street Tree Planting

26-00
Applicability of this Chapter

The regulations of this Chapter shall apply to:

(a) #developments# in R9 and R10 Districts, as set forth in Section 26-10 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS IN R9 AND R10 DISTRICTS). However, the provisions of Section 26-10 shall not apply within any Special Purpose District or to any #building developed# or #enlarged# pursuant to the Quality Housing Program;

(b) #developments# in R3, R4 and R5 Districts accessed by #private roads#, as set forth in Section 26-20 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS), except where such #developments#:

(1) consist entirely of #single-family detached residences#; or

(2) where such #developments# are accessed by #private roads# that existed on February 6, 2002; or

(3) are located within #lower density growth management areas#, in which case the provisions of paragraph (c) of this Section shall apply;

(c) #developments# in #lower density growth management areas# accessed by #private roads#, as set forth in Section 26-30 (SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS), and

(d) #developments# in R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, as set forth in Section 26-40 (SPECIAL REQUIREMENTS FOR STREET TREE PLANTING)

* * *

26-30
SPECIAL REQUIREMENTS FOR DEVELOPMENTS WITH PRIVATE ROADS IN LOWER DENSITY GROWTH MANAGEMENT AREAS

For all #developments# accessed by #private roads# in #lower density growth management areas#, the provisions of Section 26-20 through 26-27, inclusive, shall apply. In addition, such regulations are supplemented or superceded in accordance with the provisions of this Section.

26-31
Yards

For the purposes of this Section, a #private road# shall be considered to be a #street#, and a line seven feet from and parallel to the required curb of the #private road# shall be considered to be a #street line#, and the applicable #yard# regulations of Section 23-40, inclusive, and 23-50, inclusive, shall be applied accordingly. However, no #yard# shall be required along that side of a #private road#, or portion thereof, that does not have a building wall facing it. Furthermore, where a #building# on a #through lot# fronts upon a #street# and a #private road#, one #front yard# shall have a depth of at least 30 feet. Where such 30 foot #front yard# adjoins a #street#, such #yard# shall include a landscaped strip at least eight feet wide to screen the #yard# from such #street#, densely planted with evergreen shrubs at least four feet high at time of planting, and of a type expected to form a year round dense screen at least six feet high within three years.

26-32
Minimum Distance Between Buildings, Walls and Lot Lines

(a) Except in the Borough of Staten Island, the minimum distances set forth in Section 23-711 (Standard minimum distance between buildings) shall not apply between two #buildings# where each such #building# faces a #front yard# required pursuant to Section 26-31. In lieu thereof, such #buildings# shall be at least 13 feet apart.

(b) For the purposes of applying the provisions of Section 23-88 (Minimum Distance Between Lot Lines and Building Walls in Lower Density Growth Management Areas), the required curb of the #private road# shall be considered to be a #street line#.

26-33
Entrances, Parking Location and Curb Cuts

The entrances and exits of all #private roads# shall be located not less than 50 feet from the intersection of any two #street lines#.

No required #accessory# off-street parking spaces shall be located between the required curbs of a #private road#, except where such spaces:

(a) are perpendicular to the road bed, and

(b) are located on only one side of a #private road# or portion of a #private road#, so that no such spaces are located on opposite sides of the road bed, or within 20 feet of being opposite to one another, and

(c) are within rows of not more than 10 adjacent spaces. Such rows shall be separated one from another by a planting strip at least 18 feet deep and 8 feet wide, within which a tree of at least three inch caliper is planted.

All #accessory# off-street parking spaces shall comply with the parking location and curb cut regulations set forth in Section 25-632. For the purposes of applying such regulations, the #private road# shall be considered to be a #street#. In addition, the provisions of Section 25-64 (Restrictions on Use of Open Space) and Section 25-66 (Screening) shall apply.

26-34
Lighting, Signage and Crosswalks

All #private roads# shall be #developed# with street lighting, street signage and crosswalks to minimum Department of Transportation standards for public #streets#.

26-35
Screening

All #private roads# shall be screened from adjoining #zoning lots# by a landscaped strip at least eight feet wide, and all open off-street parking areas with five or more spaces shall be screened from adjoining #zoning lots# by a landscaped strip at least four feet wide. Such landscaped strips shall be densely planted with evergreen shrubs at least four feet high at time of planting, and of a type that may be expected to form a year-round dense screen at least six feet high within three years. Such screening shall be maintained in good condition at all times.

26-36
Modification and Waiver Provisions

Except in the Borough of Staten Island, the City Planning Commission may, by authorization, allow modifications to, or waivers of, the requirements of Sections 26-30 through 26-35, inclusive, provided that the depth of a #rear yard# shall not be less than 15 feet and the depth of a #front yard# shall not be less than five feet. In order to authorize such modifications or waivers, the Commission shall find that:

(a) Such modifications result in a site plan that provides sufficient open areas for the residents of the #development#;

(b) Any reduction in open areas shall be permitted only where the Commission finds that a good site plan has been provided that includes a superior landscaping plan, and

(c) Such modifications will not impair the essential character of the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

26-40
STREET TREE PLANTING REQUIREMENTS FOR LOWER DENSITY GROWTH MANAGEMENT AREAS

In R1, R2, R3, R4A and R4-1 Districts within #lower density growth management areas#, all #developments# shall provide and maintain along the entire #street# length of the #zoning lot#, one street tree for every 25 feet of #street# frontage of the #zoning lot#. Such trees shall be of at least three-inch caliper at the time of planting and be placed at approximately equal intervals, except where the Commissioner of Buildings determines that such tree planting would be unfeasible. All such trees shall be planted, maintained and replaced when necessary with the approval of and in accordance with the standards of the Department of Parks.

* * *

ARTICLE V
NON-CONFORMING USES AND NON-COMPLYING BUILDINGS

* * *

Chapter 4
Non-Complying Buildings

* * *

54-313
Single or two-family residences with non-complying front yards or side yards

(a) In R4 Districts, except R4A, R4-1 and R4B Districts, and in R5 Districts other than R5B Districts, f~~F~~or an existing #single# or #two-family residence# ~~in R4 Districts, except R4A, R4-1 and R4B Districts, and R5 Districts, except R5B Districts,~~ with a #non-complying front yard#, an #enlargement# involving a vertical extension of existing building walls facing such #non-complying front yard# is permitted, provided the following conditions are met:

(1) the portion of the #building# which is being vertically extended complies with the height and setback regulations specified for the district in which it is located; and

(2) the #non-complying front yard# where the building wall is being vertically extended is at least 10 feet in depth.

(b) In all districts, f~~F~~or an existing #single# or #two-family residence# with a #non-complying side yard#, an #enlargement# involving a vertical extension of existing building walls facing such #non-complying side yard# is permitted, provide the following conditions are met:

Chapter 5
Special Natural Area District

* * *

105-70
SPECIAL REGULATIONS FOR RESIDENTIAL DEVELOPMENT

In order to carry out the purposes of this Chapter, all #developments# used predominantly for #residential use# shall be subject to the provisions of this Section.

* * *

105-702
Applicability of lower density growth management area regulations

The regulations for #developments# or #enlargements# within #lower density growth management areas# are modified as follows:

(a) Parking location regulations

#Accessory# parking spaces shall be permitted within a #front yard#, and

(b) Private road regulations

The provisions of paragraph (b) of Section 119-214 (Tier II requirements for driveways and private roads) shall apply to all #developments# or #enlargements# accessed by #private roads#.

* * *

Article X - Special Purpose Districts

Chapter 7
Special South Richmond Development District

* * *

107-251
Special provisions for arterials

* * *

(b) Building setback

Along portions of the #arterials#, as indicated on the District Plan, a 20 foot #building# setback shall be provided for the full length of the #front lot line# abutting such #arterial#. The front #building# setback area shall be unobstructed from its lowest level to the sky except as permitted by this Section. ~~The front #building# setback area may be used for #accessory# off-street parking or loading facilities provided the depth of the setback area is at least 35 feet.~~ Where a front #building# setback area at least 35 feet in depth is provided, such setback area may be used for required #accessory# off-street parking or loading facilities. No portion of such required setback area may be used for open storage.

In the case of the service roads of the West Shore Expressway, a 30 foot #building# setback shall be provided and required off-street parking and loading facilities are permitted within such setback. Within the required front #building# setback, there shall be provided one tree of three-inch caliper or more, pre-existing or newly planted, for each 400 square feet of such front open area. The trees shall be selected in accordance with the table set forth in APPENDIX B.

* * *

107-30
TOPOGRAPHIC AND TREE REGULATIONS

* * *

107-321
Tree preservation

* * *

Replacement trees to be planted shall be of a caliper no less than ~~six~~ three inches and be of a species listed in Appendix B and the sum of whose calipers shall be at least equivalent to that of the trees removed.

* * *

107-322
Tree requirements

* * *

(b) Sidewalk trees

All #developments# and #site alterations# in the Special District shall preserve existing trees or provide and maintain trees of three-inch caliper or more at the time of planting along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line, and ~~20~~ 25 feet on center or one tree per ~~20~~ 25 feet of frontage. ~~On private streets, trees shall be planted between the curb and a line parallel to, and 10 feet from, the curb, and 20 feet on center or one tree per 20 feet of frontage~~. These trees shall be planted in accordance with the requirements of the ~~Department of Transportation and the~~ Department of Parks and Recreation, except where the

Commissioner of Buildings determines that such tree planting would be infeasible.

* * *

107-33
Preservation of Natural Features

For any #development# or #enlargement#, the Chairperson of the City Planning Commission may modify the applicable regulations governing the location of required parking spaces, driveways and curb cuts where the Chairperson certifies to the Commissioner of Buildings that such modifications are necessary so as to avoid the destruction of existing topography and trees of six inch caliper or more.

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

* * *

~~**107-421**~~
~~**Special provisions for existing detached residences**~~

~~In R3X Districts, a one #story# or two #story detached residence#, existing prior to September 9, 1999, may be enlarged to no more than three #stories#, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 3,800 square feet and a minimum #lot width# of 40 feet;~~

~~(b) such #enlargement# does not exceed a maximum perimeter wall height of 21 feet and a maximum building height of 35 feet; and~~

~~(c) such #enlargement# complies with all other applicable district regulations.~~

~~**107-43**~~
~~**Height and Setback Regulations**~~

~~**107-431**~~
~~**Maximum height of perimeter walls**~~

~~In R3X Districts, a #detached residence# may have a maximum perimeter wall height of 25 feet, provided that:~~

~~(a) it is located on a #zoning lot# having a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 60 feet; and~~

~~(b) the #development# complies with all other applicable district height and setback regulations.~~

~~**107-432**~~
~~**Maximum height for buildings or structures**~~

107-43
Maximum Height for Buildings or Structures

Subject to the requirements for maximum height of walls and required setbacks in Sections 23-63, 24-52 or 33-43, and Section 107431, no #building# shall exceed a height of four #stories# and no structure other than #buildings# shall exceed a height of 50 feet, unless modified by a special permit of the City Planning Commission, pursuant to Section 107-73 (Exceptions to Height Limit).

* * *

107-45
Required Open Space for Residences

Any required #open space# on a #zoning lot# which includes #designated open space# is subject to the special regulations set forth in Section 107-22 (Designated Open Space).

~~For #residential developments# which include #designated open space#, not more than 50 percent of the required #open space# not within the #designated open space# may be occupied by driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths, except that a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).~~

For #residential developments# which include #designated open space#, driveways, private streets, open #accessory# parking spaces or open #accessory# off-street loading berths may occupy not more than the area set forth below:

(a) In R1, R2, R3-1, R3-2 and R4 Districts, not more than 50 percent of the required #open space# not within the #designated open space#;

(b) In R3A and R3X Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated open space#;

(c) In R4A and R4-1 Districts, not more than 50 percent of the #lot area# not occupied by #residential buildings# and not within the #designated open space#

However, in all districts, a greater percentage may be so occupied if authorized by the City Planning Commission in accordance with the provisions of Section 107-661 (Modification of Permitted Obstructions).

107-46
Yard and Court Regulations

* * *

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height (in #stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard#
R2 R3-1	#detached#	1-2	2	15	5
R3-2	#detached#	3-4	2	20	5
	#semi-detached#	1-2	1	9	9
	#semi-detached#	3-4	1	15	15
R3A R4A	#detached#	1-4	2	15	5
R3X	#detached#	1-2	2	15	5
	#detached#	3	2	20	8
	#detached#	4	2	25	10
R4-1	#detached#	1-4	2	15	5
	#semi-detached#	1-4	1	9	9

In R1 Districts, the #side yard# regulations of Section 23-46 shall apply.

* * *

107-60
AUTHORIZATIONS

* * *

107-62
Yard and Court Regulations

For any #development#, the City Planning Commission may authorize variations in the #yard# or #court# regulations as set forth in Section 107-46 (Yard and Court Regulations) or in the location of parking, driveway, or curb cut regulations as set forth in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), Section 25-621 (Location of parking spaces in certain districts), Section 25-622 (Location of parking spaces in lower density growth management areas), and Section 25-631 (Location and width of curb cuts in certain districts) for the purpose of allowing proper arrangements of #buildings#, driveways or required parking areas so as to avoid the destruction of existing topography and individual trees of six inch caliper or more. #Rear yard#, #side yard# or #side yard# equivalent variations shall not be authorized on the periphery of a #development# unless acceptable agreements are jointly submitted for #development# of two or more adjacent #zoning lots# by the owners thereof, incorporating the proposed #yard# or #side yard# equivalent variations along their common #lot lines#.

As a condition for granting such authorizations, the Commission shall find that the proposed placement of #buildings# and arrangement of #open spaces# will not have adverse effects upon light, air and privacy on adjacent #zoning lots#.

* * *

~~**107-465**~~
~~**Rear yards**~~

~~In all underlying districts, except R1 Districts, for permitted #single# or #two family residences#, the required #rear yard# shall have a depth of at least 20 feet and there shall be a 10 foot rear setback above the first #story#.~~

* * *

107-467
Modifications of special yard regulations for certain zoning districts

On application, the City Planning Commission may, by certification, modify the underlying #rear yard# regulations and the requirements of Section ~~107-465 (Rear yards) and~~ 107-466 (Special yard regulations for certain zoning lots) and thereby allow #single# or #two-family residences# to be built on the #side# or #rear lot line#, provided the following conditions are satisfied:

* * *

Article XI - Special Purpose Districts

* * *

Chapter 2
Special City Island District

* * *

112-101
Special open space~~,~~ and lot coverage ~~and floor area ratio~~ regulations

~~In R3A Districts, and in C1 and C2 Districts mapped within R3A Districts, and in C3 Districts, the provisions of Section 23-141 (In R1, R2, R3, R4 and R5 Districts) shall not apply. In lieu thereof, the maximum #floor area ratio# for a #residential use# shall be 0.5. Such #floor area ratio# may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof that rises at least seven inches in vertical distance for each foot of horizontal distance. In addition, the permitted #floor area# of a #single- # or #two family detached# or #semi detached residence developed# after September 30, 2003 may be increased by 100 square feet if at least one enclosed #accessory# off-street parking space is provided in a garage located in the #side lot ribbon# pursuant to Sections 23-12 (Permitted Obstructions in Open Space), paragraph (f), 23-441 (Location of garages in side yards of corner lots) or 23-442 (Location of garages in side yards of other zoning lots).~~

In C3 Districts, for a #residential use#, the maximum #lot coverage# shall be 65 percent and the minimum required #open space# shall be 35 percent.

* * *

~~**112-105**~~
~~**Authorization for multiple buildings on a single zoning lot**~~

~~On #zoning lots# of 25,000 square feet or more, the City Planning Commission may authorize modifications to the provisions of Section 23-711 (Standard minimum distance between buildings), provided:~~

~~(a) such modifications reduce the required distance between a building wall containing a #legally required window# and any other building wall to not less than 20 feet;~~

~~(b) such modifications reduce the required distance between two building walls, neither of which contains a #legally required window#, to not less than 13 feet; and~~

~~(c) at least 50 percent of the #zoning lot# not covered by #buildings# has a minimum dimension of 12 feet and is not used for driveways, #private streets# or parking spaces.~~

~~The Commission shall find that such modifications enhance the quality of the #open spaces# on the #zoning lot# and results in an improved site plan. The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.~~

119-05
Applicability of Parking Location Regulations

The regulations for #developments# in #lower density growth management areas# are modified to allow required #accessory# parking spaces to be located in a #front yard#.

* * *

119-214
Tier II requirements for driveways and private roads

The provisions set forth in this Section and Section 119-213 (Grading controls) shall apply to driveways and to #private roads# that provide access to #buildings developed# after December 11, 1999. The provisions for #private roads# set forth in ~~Article II, Chapter 6,~~ Section 26-20, inclusive, shall not apply. However, the provisions for #private roads# in #lower density growth management areas# of Sections 26-31 through 26-34 shall apply.

(a) Driveways

(1) the maximum grade of a driveway shall not exceed 10 percent;

(2) the paved width of a driveway shall not exceed 18 feet; and

(3) the maximum length of a driveway from a #private road# or #street# to an #accessory# parking space shall not exceed 80 feet.

(b) #Private roads#

(1) the maximum grade of a #private road# shall not exceed 10 percent;

(2) the width of the graded section beyond the curb back or edge of pavement of a #private road# shall extend no more than three feet beyond the curb back or edge of pavement on both the cut and the fill sides of the roadway. If a sidewalk is to be installed parallel to the roadway, the graded section shall be increased by the width of the sidewalk plus no more than one foot beyond the curb back;

(3) the paved width of a #private road# shall not exceed 30 feet;

(4) curbs shall be provided along each side of the entire length of a #private road# and #accessory# parking spaces may be located between the required roadbed and curb;

(5) a curb cut, excluding splays, from a #street# to a #private road# may be as wide as such #private road#;

(6) curb cuts providing access from #private roads# to parking spaces shall not exceed the width of the driveway served and in no event shall exceed a width of 18 feet, including splays;

(7) a minimum distance of 16 feet of uninterrupted curb space shall be maintained between all curb cuts;

(8) along the entire length of a #private road#, trees shall be provided and maintained at the rate of one tree for every 25 feet of #private road# frontage and shall comply with the requirements set forth in Section 119-216 (Tier II tree planting requirements); and

(9) no building permit shall be issued by the Department of Buildings without approval by the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety. Such approval may include the modification of #private road# width as set forth in paragraph (b)(3) of this Section.

(10) For the purposes of applying the #yard# regulations of Section 26-31, the curb of the #private road# shall be considered to be the #street line#.

The City Planning Commission may by authorization or special permit, as applicable, pursuant to Section 119-30 (SPECIAL REVIEW PROVISIONS), allow modifications to, or waivers of, the requirements of this Section. The approval of the Fire Department regarding the adequacy of vehicular access to and within the #development# for fire safety shall be a condition precedent for any modification or waiver.

Citywide **N 040481 ZRY**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, relating to Article VI, Chapter 2.

Matter underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;
* * * indicate where unchanged text appears in the Zoning Resolution

* * *

Article VI
Special Regulations Applicable to Certain Areas
Chapter 2
Special Regulations Applying in the Waterfront Area

* * *

62-11
Definitions

Definitions specially applicable to this Chapter are set forth in this Section. The definitions of other defined terms are set forth in Section 12-10 (DEFINITIONS).

* * *

Waterfront block, waterfront public park or waterfront zoning lot

A "waterfront block", "waterfront public park" or "waterfront zoning lot" is a #block#, #public park# or #zoning lot# in the #waterfront area# having a boundary at grade coincident with or seaward of the #shoreline#. For the purposes of this Chapter:

(a) a #block# within the #waterfront area# shall include the land within a #street# that is not improved or open to the public, and such #street# shall not form the boundary of a #block#;

(b) a #block# within the #waterfront area# that abuts a #waterfront public park# shall be part of a #waterfront block#~~.~~; and

(c) a #zoning lot# shall include the land within any #street# that is not improved or open to the public and which is in the same ownership as that of any contiguous land.

~~For the purposes of this Chapter, a~~ Any #zoning lot#, the boundaries of which were established prior to November 1, 1993, and which is not closer than 1,200 feet from the #shoreline# at any point and which does not abut a #waterfront public park#, shall be deemed outside of the #waterfront block#.

* * *

62-711
Waterfront public access and visual corridors

No excavation or building permit shall be issued for any #development# on a #waterfront block#, or any other #block# included within a Waterfront Access Plan, until the Chairperson of the City Planning Commission certifies to the Department of Buildings or Department of Business Services, as applicable, that:

(a) there is no waterfront public access or #visual corridor# requirement for the #development# due to the following:

(1) the #development# is exempt pursuant to Sections 62-41 (Requirements for Waterfront Public Access) or 62-42 (Requirements for Visual Corridors); or

(2) the waterfront public access or #visual corridor# requirement has been waived pursuant to Section 62-80 (WATERFRONT ACCESS PLANS); or

(b) a site plan has been submitted showing compliance with the provisions of Section 62-40 (REQUIREMENTS FOR WATERFRONT PUBLIC ACCESS AND VISUAL CORRIDORS) and 62-60 (DESIGN STANDARDS FOR THE WATERFRONT AREA); or

(c) a site plan has been submitted showing compliance with the provisions of Section 62-80; or

(d) for #developments# listed in Section 62-40, paragraph (a)(1), on a #zoning lot# containing a public access area established prior to October 25, 1993 meeting the terms of Section 62-415, paragraph (c) by restrictive declaration, lease agreement, maintenance and operation agreement or other agreement with a public entity, which public access area is required to be provided for a period not less than the anticipated life of the new #development#, a copy of such restrictive declaration or agreement and a site plan indicating the location, area and design of the required public access area and showing substantial compliance with the provisions of the first paragraph of Section 62-415 (Requirements for supplemental public access areas), paragraph (b), have been submitted; or

(e) for the #development# of a park, a site plan and all other applicable data have been submitted showing compliance with the provisions of Section 62-416 (Special regulations for zoning lots that include parks).

A certification pursuant to paragraphs (b) or (c) of this Section shall be granted on condition that an acceptable restrictive declaration is executed and filed pursuant to Section 62-14 (Requirements for Recordation).

~~No waterfront public access is required for any #development# on a #zoning lot# that is separated from the #shoreline# by a #street#, #public park# or other tract of land constituting the boundary of a #block#.~~

Within 45 days of receipt of a complete application, the Chairperson shall either certify that the proposed #development# complies with the requirements of this Section or disapprove such application, citing the nature of any failure to comply. Failure to certify or disapprove such application within the 45 day period will release the Department of Buildings or the Development of Business Services from any obligation to withhold the excavation or building permit and authorize such agency to determine compliance with the provisions of this Section.

CD 11 **C 030272 ZSX**

IN THE MATTER OF an application submitted by the Department of Environmental Protection pursuant to Sections 197-c and 201 of the New York City Charter for **the grant of a special permit** pursuant to Section 74-734 of the Zoning Resolution **to allow a municipal sewage pumping station in connection with the development of the Westchester Creek Combined Sewer Overflow Storage Facility, on a property lot located at 1500 Waters Place** (Block 4226, p/o Lot 30), in an R5 District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

CD 11 **C 030271 PCX**

IN THE MATTER OF an application submitted by the Department of Environmental Protection and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the site selection and acquisition of property generally bounded by Waters Place and Eastchester Road (Block 4226, part of Lot 30), Bronx, for use as a combined sewer overflow storage facility.

CD 8 **C 040515 ZMX**

IN THE MATTER OF an application submitted by The Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section Nos. 1b and 1d:**

1. **changing from an R6 District to an R6A District property bounded by** West 232nd Street, Fairfield Avenue and its southwesterly centerline prolongation, a line 150 feet southwesterly of West 227th Street, Arlington Avenue, a line 300 feet southwesterly of West 227th Street, Netherland Avenue, Kappock Street, Johnson Avenue, Edsall Avenue (northerly portion) and its southwesterly centerline prolongation, the northeasterly boundary line of the Penn Central Railroad Right-Of-Way, a line perpendicular to the southeasterly street line of Palisade Avenue and passing through the point of intersection of the southeasterly street line of Palisade Avenue and the northerly boundary line of a Park, Palisade Avenue, Independence Avenue, West 231st Street, and a line perpendicular to the northerly street line of West 231st Street distant 100 feet (as measured along the street line) from the point of intersection of the northerly street line of West 231st Street and the easterly street line of Independence Avenue;

2. **changing from an R7-1 District to an R6A District property bounded by** West 236th Street, Oxford Avenue, West 235th Street, Johnson Avenue, West 232nd Street, a line 150 feet easterly of Fairfield Avenue, a line 200 feet northerly of West 232nd Street, Arlington Avenue, West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), a line 100 feet northerly of West 235th Street, and a line 100 feet northwesterly of Netherland Avenue; and

3. **changing from an R7-1 District to an R7A District property bounded by** West 239th Street, Johnson Avenue, West 238th Street, a line 100 feet easterly of Johnson Street, Oxford Avenue, West 236th Street, a line 100 feet northwesterly of Netherland Avenue, a line 100 feet northerly of West 235th Street, the northerly prolongation of a line 100 feet westerly of Netherland Avenue (between West 232nd Street and West 235th Street), West 235th Street, Arlington Avenue, a line 200 feet northerly of West 232nd Street, a line 150 feet easterly of Fairfield Avenue, West 232nd Street, and Independence Avenue;

partially within a Special Natural Area District (NA-2), as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

CD 8 **C 040516 ZMX**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter **for an amendment of the Zoning Map, Section No. 1d;**

(A) changing from an R7-1 District to an R4A District property bounded by:

1. a line from a point on the bisector of an angle formed by extending the southeasterly street line of Orloff Avenue (straight portion) and the northerly street line of Cannon Place (straight portion) distant 175 feet northeasterly from its intersection with the street line, extending northwesterly perpendicular to the southeasterly street line of Orloff Avenue (straight portion);
2. a 200 feet line on the aforementioned bisector running northeasterly from the aforementioned point;
3. a line parallel to West 238th Street passing through the northeasterly terminus of the second-named course;
4. Orloff Avenue;
5. Van Cortlandt Avenue West;
6. a line 100 feet northerly of Sedgwick Avenue;
7. a line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet (as measured along the street line) northeasterly from the point of intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street;
8. Cannon Place;
9. Orloff Avenue;
10. West 238th Street;
11. a line perpendicular to a point on the easterly street line of West 238th Street distant 175 feet southerly (as measured along the street line) from the point of intersection of the southeasterly street line of Bailey Avenue and the easterly street line of West 238th Street; extending 100 feet southeasterly; and
12. a line perpendicular to the southeasterly terminus of the eleventh-named course;

(B) changing from an R7-1 District to an R6A District property bounded by:

(1) Van Cortlandt Avenue West;
(2) Stevenson Place and its easterly and westerly prolongation;
(3) a line 360 feet southwesterly of Stevenson Place;
(4) Sedgwick Avenue;
(5) West 238th Street;
(6) Orloff Avenue;
(7) Cannon Place;
(8) a line perpendicular to a point on the southeasterly street line of Cannon Place distant 450 feet northeasterly (as measured along the street line) from the intersection of the southeasterly street line of Cannon Place and the northeasterly street line of West 238th Street; and
(9) a line 100 feet northerly of Sedgwick Avenue;

(C) changing from an R6 District to an R4A District property bounded by:

1. Fort Independence Street;
2. Cannon Place and its westerly prolongation;
3. Giles Place;
4. a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the point of intersection of the easterly prolongation of the center line of Cannon Place and the easterly street line of Giles Place;
5. a line 100 feet easterly of Giles Place;
6. a line 70 feet northwesterly of Sedgwick Avenue;
7. Giles Place;
8. Kingsbridge Terrace;
9. a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10. a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the point of intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
11. Perot Street;
12. a line 185 feet northwesterly of Sedgwick Avenue;
13. a line 100 feet southwesterly of Perot Street;
14. a line 100 feet northwesterly of Sedgwick Avenue;
15. West 231st Street;
16. Kingsbridge Terrace;
17. Albany Crescent;
18. a line 50 feet southeasterly of Bailey Avenue;
19. a line 100 feet northeasterly of Albany Crescent;
20. a line 85 feet northwesterly of Heath Avenue;
21. Summit Place;
22. Heath Avenue;
23. a line 125 feet westerly of Giles Place (the southerly section) and its southerly prolongation, extending 175 feet northerly from its intersection with Heath Avenue; and
24. a line perpendicular to the northerly terminus of the last-named course;

(D) changing from an R6 District to an R6A District property bounded by:

1. West 238th Street;
2. Sedgwick Avenue;
3. West 231st Street;
4. a line 100 feet northwesterly of Sedgwick Avenue;
5. a line 100 feet southwesterly of Perot Street;
6. a line 185 feet northwesterly of Sedgwick Avenue;
7. Perot Street;
8. a line perpendicular to the northeasterly street line of Perot Street distant 150 feet southeasterly (as measured along the street line) from the intersection of the southeasterly street line of Kingsbridge Terrace and the northeasterly street line of Perot Street;
9. a line 80 feet northwesterly of Sedgwick Avenue and its northwesterly prolongation;
10. Kingsbridge Terrace;
11. Giles Place;
12. a line 70 feet northwesterly of Sedgwick Avenue;
13. a line 100 feet easterly of Giles Place;
14. a line perpendicular to the easterly street line of Giles Place distant 300 feet (as measured along the street line) from the intersection of the easterly center line prolongation of Cannon Place and the easterly street line of Giles Place;
15. Giles Place;
16. Cannon Place;
17. a line 375 feet northerly of the westerly center line prolongation of Cannon place (the east-west section);
18. Fort Independence Street;
19. a line 300 feet southwesterly of West 238th Street; and
20. Cannon Place;

as shown on a diagram (for illustrative purposes only) dated June 21, 2004.

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ JOINT PUBLIC HEARING

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, August 9, 2004, commencing at 10:00 AM at Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, in the matter of a proposed agreement, subject to the proposed franchisee's interest, between the City of New York and NextG Networks, Inc. granting a franchise to use City property to provide mobile telecommunications services Citywide.

A draft copy of the proposed franchise agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Monday, July 19, 2004 through Monday, August 9, 2004, by appointment, between the hours of 9:30 AM and 3:30 PM, exclusive of Saturdays, Sundays and Holidays. Interested parties should contact Roxanne Chambers at 212-788-6610.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYC TV-CHANNEL 74, on Sundays from 5:00 PM to 7:00 PM.

jy19-a9

LANDMARKS PRESERVATION COMMISSION

■ PUBLIC HEARINGS

Notice is hereby given that pursuant to the provisions of Title 25, chapter 3 of the Administrative Code of the City of New York (Sections 25-307, 25-308, 25,309, 25-313, 25-318, 25-320) (formerly Chapter 8-A, Sections 207-6.0, 207-7.0, 207-12.0, 207-17.0, and 207-19.0), on Tuesday, **August 10, 2004** at 9:30 A.M. in the morning of that day, a public hearing will be held in the Conference Room at 1 Centre Street, 9th Floor, Borough of Manhattan with respect to the following properties and then followed by a public meeting. Any person requiring reasonable accommodation in order to participate in the hearing or attend the meeting should call or write the Landmarks Commission no later than five (5) business days before the hearing or meeting.

From the date of approval to June 30, 2005 - $1,500/per annum.

For the period July 1, 2005 to June 30, 2006 - $1,537
For the period July 1, 2006 to June 30, 2007 - $1,574
For the period July 1, 2007 to June 30. 2008 - $1,611
For the period July 1, 2008 to June 30, 2009 - $1,648
For the period July 1, 2009 to June 30, 2010 - $1,685
For the period July 1, 2010 to June 30, 2011 - $1,722
For the period July 1, 2012 to June 30, 2013 - $1,759
For the period July 1, 2013 to June 30, 2014 - $1,833
For the period July 1, 2014 to June 30, 2015 - $1,870

the maintenance of a security deposit in the sum of $5,500, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits under and across Henry Street, south of Pacific Street, in the Borough of Brooklyn. The proposed revocable consent is for a term of fourteen years from October 28, 2000 to June 30, 2015 and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period Oct. 28, 2000 to June 30, 2004 - $10,226
For the period July 1, 2004 to June 30, 2005 - $ 2,939
For the period July 1, 2005 to June 30, 2006 - $ 3,010
For the period July 1, 2006 to June 30, 2007 - $ 3,081
For the period July 1, 2007 to June 30, 2008 - $ 3,152
For the period July 1, 2008 to June 30, 2009 - $ 3,223
For the period July 1, 2009 to June 30, 2010 - $ 3,294
For the period July 1, 2010 to June 30, 2011 - $ 3,365
For the period July 1, 2011 to June 30, 2012 - $ 3,436
For the period July 1, 2012 to June 30, 2013 - $ 3,507
For the period July 1, 2013 to June 30, 2014 - $ 3,578
For the period July 1, 2014 to June 30, 2015 - $ 3,649

the maintenance of a security deposit in the sum of $3,650, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across West 67th Street, east of Columbus Avenue, in the Borough of. Manhattan. The proposed revocable consent is for a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $5,285
For the period July 1, 2005 to June 30, 2006 - $5,412
For the period July 1, 2006 to June 30, 2007 - $5,539
For the period July 1, 2007 to June 30, 2008 - $5,666
For the period July 1, 2008 to June 30, 2009 - $5,793
For the period July 1, 2009 to June 30, 2010 - $5,920
For the period July 1, 2010 to June 30, 2011 - $6,047
For the period July 1, 2011 to June 30, 2012 - $6,174
For the period July 1, 2012 to June 30, 2013 - $6,301
For the period July 1, 2013 to June 30, 2014 - $6,428
For the period July 1, 2014 to June 30, 2015 - $6,555

the maintenance of a security deposit in the sum of $5,158, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing American Broadcasting Companies, Inc. to continue to maintain and use a conduit under and across Columbus Avenue at the intersection with West 67th Street and under and along West 67th Street west of Columbus Avenue, in the Borough of Manhattan. The proposed revocable consent is for

a term of eleven years from July 1, 2004 to June 30, 2015, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2004 to June 30, 2005 - $4,946
For the period July 1, 2005 to June 30, 2006 - $5,068
For the period July 1, 2006 to June 30, 2007 - $5,190
For the period July 1, 2007 to June 30, 2008 - $5,312
For the period July 1, 2008 to June 30, 2009 - $5,434
For the period July 1, 2009 to June 30, 2010 - $5,556
For the period July 1, 2010 to June 30, 2011 - $5,678
For the period July 1, 2011 to June 30, 2012 - $5,800
For the period July 1, 2012 to June 30, 2013 - $5,922
For the period July 1, 2013 to June 30, 2014 - $6,044
For the period July 1, 2014 to June 30, 2015 - $6,166

the maintenance of a security deposit in the sum of $6,200, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

COURT NOTICES

SUPREME COURT

■ NOTICE

AMENDED NOTICE OF ACQUISITION

QUEENS COUNTY IA PART 8

INDEX NUMBER 10240/04

In the Matter of the Application of the City of New York relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, to all or part of

Beach 40th Street, Beach 41st Street, Beach 42nd Street, Beach 43rd Street, Beach 44th Street, and Beach 45th Street from Beach Channel Drive to Rockaway Beach Boulevard; Reinhart Road from Beach 44th Street to Beach 45th Street; and Rockaway Beach Boulevard from Beach 40th Street to Beach 45th Street, in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Queens, duly entered in the office of the Clerk of the County of Queens on June 28, 2004, the application of the City of New York to acquire certain real property, for street widening and sewer and drainage purposes, was granted and the City was thereby authorized to file an acquisition map with the Clerk of the County of Queens or the City Register. Said map, showing the property acquired by the City, was filed with the City Register on June 29, 2004. Title to the real property vested in the City of New York on June 29, 2004.

The City has acquired the following parcels of real property:

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to sections 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 29, 2005 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Queens County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL section 504, the claim shall include:

A. the name and post office address of the condemnee;

B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL section 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to section 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 29, 2006 (which is two (2) calendar years from the title vesting date).

Dated: July 19, 2004

PROPERTY DISPOSITION

CITYWIDE ADMINISTRATIVE SERVICES

DIVISION OF REAL ESTATE SERVICES

■ AUCTION

DIVISION OF REAL ESTATE SERVICES PROPOSED SALE OF CERTAIN NEW YORK CITY REAL PROPERTY PARCELS BY PUBLIC AUCTION

PUBLIC NOTICE IS HEREBY GIVEN THAT The Department of Citywide Administrative Services proposes to offer the properties listed herein for sale at Public Auction. In accordance with Section 384 of the City Charter, Public Hearings were held for these properties on April 28, 2004 and May 12, 2004 at 22 Reade Street, in the Borough of Manhattan.

These properties will be sold in accordance with the Standard Terms and Conditions of Sale dated March 8, 2004. The mortgage interest rate is set at 6%. An asterisk (*) appears adjacent to those parcels subject to Special Terms and Conditions.
They have been approved for sale by the Mayor of the City of New York, and will be offered at public auction on August 4, 2004.

Brochures for this sale are available at 1 Centre Street, 19th Floor North, New York, New York 10007, or by calling (212) 669-8888. Brochures are also available on the DCAS website at nyc.gov/dcas.

LIFE SCIENCES INDUSTRY SECTOR GROWTH STRATEGY – Request for Proposals – DUE 08-27-04 AT 4:00 P.M. – New York City Economic Development Corporation (NYCEDC) is seeking a consultant team for the provision of consultant services (the "Services") in connection with NYCEDC's ongoing efforts to diversify the economy by growing the life sciences industry in New York and increasing the sector's economic contribution in terms of employment and tax revenues. To further NYCEDC's efforts, the consultant shall identify the best opportunities for growth in the sector given the City's planned real estate investments, unique assets and competitive position relative to other regions.

NYCEDC plans to select a consultant on the basis of factors including, but not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee. NYCEDC reserves certain rights, including, but not limited to, the rights to waive irregularities and reject any or all proposals in its sole and absolute discretion. NYCEDC plans to select a consultant in September 2004.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 4:00 p.m. on Monday, August 9, 2004. Questions should be directed to lifesciRFP@nycedc.com Answers to all questions will be posted by August 18, 2004 to http://www.nycedc.com/lifesciRFP. Please submit three (3) sets of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Paul Tamboia, CPPB Agency Chief Contracting Officer or visit http://www.nycedc.com/lifesciRFP.

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004. John Iaffaldano, ASA (212) 361-8435.

Services (Other Than Human Services)

CORRECTION: WAREHOUSE SERVICES – Competitive Sealed Bids – PIN# 069-05-310-0002 – DUE 08-19-04 AT 3:00 P.M. – OPMM's Bureau of Warehousing and Transportation is responsible for receiving, storing, and delivery purchased commodities, records and forms for HRA's 117 facilities, which are located throughout the five boroughs. OPMM's 42,000 square foot warehouse, located in a one-story building at 111 29th Street, Brooklyh, stores approximately 700 different commodities and forms. The selected contractor will assist OPMM in receiving, handling, delivering and picking-up of commodities and forms. The contractor will assist OPMM to fulfill these responsibilities Monday through Friday, from 8:30 a.m. to 4:30 p.m. It is estimated that the services provided by the contractor for OPMM can be performed, on average, in 1,019 man-hours each month.

A mandatory pre-bid conference will be held on Monday, August 2, 2004 at 10:00 a.m. at 2 Washington Street, New York, NY in the Conference Room on the 22nd Floor. Vendor Source ID#: 19233.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HUNTS POINT WORKFORCE DEVELOPMENT INITIATIVE DEMONSTRATION PROJECT – Other – PIN# 8012004K3000 – DUE 08-19-04 AT 11:00 A.M. – The Department of Small Business Services intends to enter into negotiations with Hunts Point Economic Development Corporation to conduct a one-year demonstration project in the Hunts Point area.

As the City agency tasked with connecting Hunts Point residents to local jobs and to the training they need to advance their careers in the most efficient and expeditious manners possible, SBS seeks to obtain the services of a locally-based intermediary to facilitate the job development, recruitment and hiring process that will begin to take place very shortly through the Hunts Point development project.

Through the comprehensive workforce model, which will be evaluated for its efficacy, SBS and the City hope to affect a reduction in the Hunts Point unemployment rate, an increase in local hirs among neighborhood business, and enhanced employee retention and advancement. If the pilot model is successful, SBS and the City will work with neighborhood stakeholders to institutionalize the program through a competitive procurement.

Other qualified suppliers that submit an expression of interest outlining their qualifications and successful relevant experience for conducting the subject Demonstration Project will be also considered. Expression of interest must be submitted to Tony E. Monroe, Agency Chief Contracting Officer at 110 William Street, 7th Floor, New York, NY 10038 by 11:00 a.m. on 08/19/04.

HEALTH AND MENTAL HYGIENE

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, August 12, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 a.m. on the following:

IN THE MATTER of a proposed contract between the Department of Health & Mental Hygiene and the REMSCO (Regional Emergency Medical Services Council of NYC), 310 East 67th Street, New York, NY 10021, to train public health staff in Cardiopulmonary Resuscitation (CPR)/First Aid, in the amount of $105,881.50. The term of the contract will be from August 20, 2004 to June 30, 2007, with three one-year renewal options from July 1, 2007 to June 30, 2008, from July 1, 2008 to June 30, 2009 and from July 1, 2009 to June 30, 2010.

The proposed contractor has been selected by means of a Competitive Sealed Proposal method, pursuant to Section 3-03 of the Procurement Policy Board Rules.

A draft copy of the proposed contract is available for public inspection at the New York City Department of Health and Mental Hygiene, Office of the Agency Chief Contracting Officer, 93 Worth Street, Room 812, New York, N.Y. 10013, from July 30, 2004 to August 12, 2004, excluding Saturdays, Sundays and Holidays, between the hours of 10:00 A.M. and 4:00 P.M.

Anyone who wishes to speak at this Public hearing should request to do so in writing. The written request must be received by the Agency within 5 business days after publication of this notice. Written requests to speak should be sent to Huguette Beauport, Contract Analyst at Department of Health and Mental Hygiene, ACCO's Office, 93 Worth Street, Room 812, New York, NY 10013 or hbeaupor@health.nyc.gov. If DOHMH receives no written requests to speak within the prescribed time, DOHMH reserves the right not to conduct the public hearing.

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, August 12, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M. on the following;

IN THE MATTER OF a proposed contract between the Department of Health and Mental Hygiene and the contractor listed below, to provide mental health community support services. The term of the contract will be from July 1, 2004 to June 30, 2007, with two options to renew for three years each from July 1, 2007 to June 30, 2010 and from July 1, 2010 to June 30, 2013. The City's total payment shall not exceed $11,889,378.

AGENCY

Project Renewal
200 Varick Street, New York, NY 10014

PIN 816 0507 210 A0 **AMOUNT** $11,889,378

The proposed contractor was selected by means of the Required Method of Source Selection, pursuant to Section 1-02 (d)(1) of the Procurement Policy Board Rules.

A summary of the draft contract's scope, specification, terms and conditions is available for public inspection at the Department of Health and Mental Hygiene, ACCO's Office, Room 812, 93 Worth Street, New York, New York 10013, from July 30, 2004 to August 12, 2004, excluding Saturdays, Sundays and Holidays, between the hours of 10:00 A.M. and 5:00 P.M.

HUMAN RESOURCES ADMINISTRATION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, August 12, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 a.m. on the following:

IN THE MATTER of a proposed contract between the Human Resources Administration of the City of New York and the contractor listed below, for the provision of 95 units Transitional Congregate Housing & Supportive Services to Persons with AIDS or Advanced HIV Illness and their Families with Children. The term of the contract will be from October 1, 2004 to June 30, 2005.

Contractor/Name/Address
PRAXIS Housing Initiatives, Inc.
17 Battery Place, Suite 307, New York, NY 10004

PIN: 06905H050401 **Amount:** $1,147,104
Service Area: Manhattan

The proposed contractor was selected by means of the Negotiated Acquisition Extension method, pursuant to Section 3-04 (b)(2)(iii) of the Procurement Policy Board Rules. A draft copy of the proposed contract may be inspected at the Human Resources Administration (HRA), located at 180 Water Street, Room 1422, New York, New York 10038, on business days, from July 30, 2004 to August 12, 2004, between the hours of 10:00 a.m. and 4:00 p.m., excluding Saturdays, Sundays and holidays.

PARKS AND RECREATION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, August 12, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 a.m. on the following:

IN THE MATTER of a proposed contract between the Department of Parks & Recreation of the City of New York and New Yorkers for Parks, 457 Madison Avenue, New York, NY 10022, for the planting by volunteers of Daffodil Bulbs throughout New York City's parks as a symbol of renewal to memorialize victims of the terrorist attacks of September 11, 2001. The term of this contract will be for three years from the date of execution. The contract amount will be $300,000.00. PIN# 84604C000X12.

The proposed contractor is being funded through City Council Discretionary Funds appropriation, pursuant to Section 1-02(e) of the Procurement Policy Board Rules.

A draft copy of the proposed contract is available for public inspection at the Department of Parks & Recreation, the Arsenal West, Purchasing & Accounting, 3rd Floor, 24 West 61st Street, New York, NY 10023, from July 30, 2004 to August 12, 2004, excluding weekends and Holidays, during the hours of 9:00 A.M. and 5:00 P.M.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within (5) business days after publication of this notice. Written requests should be sent to Ines A. Santana, Analyst, Purchasing & Accounting, 24 West 61st Street, 3rd Floor, New York, NY 10023. ines.santana@parks.nyc.gov. If The Department of Parks & Recreation receives no written requests to speak within the prescribed time, Parks & Recreation reserves the right not to conduct the public hearing. In such case, a notice will be published in The City Record canceling the public hearing.

SMALL BUSINESS SERVICES

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, August 12, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 a.m. on the following:

IN THE MATTER of a proposed contract award between the Department of Small Business Services (DSBS) and the Consortium for Worker Education, Inc, located at 275 Seventh Avenue, New York, NY 10001, to continue employment services in the Borough of Staten Island until the new One Stop Center opens, in the amount of $273,618. The contract is for a six-month period from May 1, 2004 to October 31, 2004 with no option to renew.
PIN# 8012004K0009.

Program Site:
1141 Hyland Boulevard, Staten Island, NY 10305

The proposed contractor was selected by means of a Negotiated Acquisition Extension process, pursuant to Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules.

A draft copy of the proposed contract is available for public inspection at the Department of Small Business Services, 110 William Street, 7th Floor, New York, NY 10038, from July 30, 2004 to August 12, 2004, between the hours of 9:00 a.m. and 5:00 p.m., exclusive of Saturdays, Sundays and holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within five (5) business days after publication of this notice. Written requests to speak should be sent to:

Mr. Tony Monroe
Agency Chief Contracting Officer
110 William Street, 7th Floor
New York, NY 10038
tmonroe@doe.nyc.gov

If DSBS receives no written requests to speak within the prescribed time, DSBS reserves the right not to conduct the public hearing.

AGENCY RULES

HEALTH AND MENTAL HYGIENE

■ NOTICE

THE CITY OF NEW YORK
DEPARTMENT OF HEALTH AND MENTAL HYGIENE
Michael R. Bloomberg, Mayor — Thomas R. Frieden, M.D., M.P.H., Commissioner
nyc.gov/health

July 22, 2004

I hereby find, pursuant to section 1043 (e)(1)(c) of the New York City Charter, that there is a substantial need for the immediate implementation of amendments to Articles 45, 47 and 173 of the New York City Health Code ("amendments") adopted by the Board of Health (the "Board") harmonizing such provisions with Local Law 1 of 2004 ("New York City Childhood Lead Poisoning Prevention Act of 2003", hereinafter "LL 1") and with the rules of the New York City Department of Housing Preservation and Development ("HPD"), amending Chapter 11 of Title 28 of the Rules of the City of New York concerning lead-based paint, to enable such amendments to take effect on August 2, 2004, the day LL 1 and HPD's rules take effect.

The implementation of the amendments before the expiration of the thirty-day post-publication period required by Charter section 1043 (e)(1)(c) is necessary to avoid inconsistencies between the Health Code and LL 1 and the HPD rules for any period of time. Adoption of these amendments has required (a) an initial meeting of the Board on May 19, 2004 to approve the publication of the amendments in the City Register; (b) a public hearing held thirty days after the publication of the amendments; and (c) a second meeting of the Board to consider and adopt the amendments. The notice of intention to amend the Health Code was published in the City Record on May 21, 2004 and a public hearing held on June 23, 2004. The Board met to consider the public comments and adopted the final amendments on July 22, 2004. Adherence to the thirty-day post-publication requirements set forth in section 1043 of the Charter would mean that these amendments would not take effect until some time in late August, after HPD's rules are in effect.

Local Law 1 and HPD's rules contain extensive and complex provisions for lead-based paint remediation in multiple dwellings occupied by children under seven years of age, and in day care services caring for children under six years of age. Local Law 1 requires that the work practices in HPD's rules be "no less stringent than the safety standards required by the commissioner of health and mental hygiene whenever such commissioner shall order the abatement of lead-based paint hazards pursuant to section 173.13 of the health code or a successor rule. ..." See, Administrative Code §27-2056.11 (a)(1). HPD's rules were published in the City Record July 2, 2004, and will take effect on August 2, 2004. Simultaneous implementation of the amendments to the Health Code, the HPD rules and Local Law 1 on the same day will help avoid potential public and regulatory confusion.

Thomas R. Frieden, M.D., M.P.H.
Commissioner
Department of Health and Mental Hygiene

Approved by:
Michael R. Bloomberg
MAYOR

NOTICE OF ADOPTION OF AMENDMENTS TO §§45.12, 47.44 AND 173.13; REPEAL AND RE-ENACTMENT OF §173.14; AND REPEAL OF §173.15 OF THE NEW YORK CITY HEALTH CODE

In compliance with §1043(b) of the New York City Charter (the "Charter") and pursuant to the authority granted to the Board of Health by §558 of said Charter, a notice of public hearing and notice of intention to amend §§45.12, 47.44 and 173.13; repeal and re-enact §173.14; and repeal §173.15 of the New York City Health Code (the "Health Code") were printed in the City Record on May 21, 2004. A public hearing was held on June 23, 2004. Comments were received from 21 individuals and/or organizations. Several changes have been made in the amendments, in response to comments, for the purpose of clarification, and to further harmonize the Health Code provisions with the final rules of the City's Department of Housing Preservation and Development which were published in the City Record on July 2, 2004. At a meeting on July 22, 2004, the Board of Health adopted the resolution with the changes noted.

STATUTORY AUTHORITY

These amendments to the Health Code are promulgated pursuant to §§558 and 1043 of the Charter and Local Law 1 of 2004. Sections 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department=s authority extends. Section 1043 grants the Department rule-making authority. Local Law 1 of 2004 provides that the Department shall promulgate rules to implement certain provisions of such law on or before August 2, 2004.

STATEMENT OF BASIS AND PURPOSE

Introduction

The Board of Health has amended various provisions of the Health Code to harmonize current provisions of the Health Code, applicable to public and private lead poisoning prevention activities and safe lead-based paint work practices in child-occupied dwelling units and children's group day care and public kindergarten programs, with Local Law 1 of 2004 (Local Law 1) and current regulations of the U.S. Environmental Protection Agency ("EPA").

Over the past 30 years there has been a dramatic decline in childhood lead poisoning; however, childhood lead poisoning remains a significant public health concern. Elevated blood lead levels have been associated with intelligence deficiencies, reading and learning disabilities, reduced attention span, hyperactivity and behavior problems. The ingestion of household dust containing lead from deteriorating or abraded lead-based paint is believed to be a primary factor in lead poisoning occurring in children under six years of age.

In 1960, the Board of Health amended the Health Code to ban the use of lead-based paint on residential interior surfaces. In 1970, the Health Code was further amended to provide that the Department investigate a child's home for possible environmental lead hazards when there is a report of a child with an environmental intervention blood lead level ("EIBLL"). Local Law 1 of 1982, the City's first lead poisoning prevention law, amended the Housing Maintenance Code (Title 27 of the Administrative Code of the City of New York) to require owners to correct lead-based paint hazards in dwelling units in multiple dwellings where children under seven years of age resided, but was never fully implemented. Its provisions were interpreted as requiring abatement of all lead-based paint, not just deteriorating lead-based paint, despite the nearly universal consensus that requiring abatement of intact lead-based paint could result in increasing children's risk of lead poisoning. In 1999, after many years of litigation relating to implementation of Local 1 of 1982, the City Council enacted Local Law 38, repealing Local Law 1, to create a more pragmatic and workable approach to housing maintenance than was possible under Local Law 1 of 1982. However, on July 1, 2003, New York's highest court invalidated Local Law 38 on the grounds of inadequate review under the State and City environmental quality review laws and on February 5, 2004, the City Council, overriding the Mayor's veto, enacted Local Law 1 of 2004, repealing Local Law 1 of 1982 and Local Law 38 of 1999.

In 1992 the U.S. Congress enacted Title X - the Residential Lead-Based Paint Hazard Reduction Act (Title X), to develop a national strategy to build the infrastructure necessary to eliminate lead-based paint hazards in federally assisted housing. Throughout the 1990's, federal agencies sponsored studies and assessments to help determine how to best prevent lead poisoning in young children. The U.S. Department of Housing and Urban Development ("HUD") initially published guidelines for lead hazard assessment and remediation in 1995. Comprehensive HUD regulations did not become effective, however, until September 15, 2000, and are applicable to lead remediation in federally subsidized housing. It was not until March 1, 1999 that EPA's regulations for "abatement" of lead-based paint by certified workers and firms became effective in New York State.

Since 1993, Health Code §173.14 has specified procedures and methods for correcting lead-based paint hazards when ordered or directed by the Department, or, in some cases, when correcting violations placed by the City's Department of Housing Preservation and Development (HPD) pursuant to Title 27 of the Administrative Code of the City of New York (hereinafter "Administrative Code" or "Housing Maintenance Code"). Section 173.14 has been amended periodically by the Board to reflect prevailing safety standards and legal requirements. Methods and work practices for lead based paint abatement are specified in the Health Code and generally prohibited any person from performing an "abatement" if the person had not complied with applicable laws requiring training, licensing, certification, or other authorization. However, as noted, it is only since March 1, 1999 that EPA regulations have specified training, certification and work rules for firms and personnel performing various lead-based paint activities. See, e.g., EPA regulations at Title 40 Code of Federal Regulations Part 745 ("40 CFR 745").

EPA's rules now govern procedures and requirements for the certification of individuals and firms engaged in certain lead-based paint activities state-wide, and work practice standards for performing the activities defined in EPA's rules. These rules require certain changes in the Health Code. For example, EPA's rules define "abatement" as any measure or set of measures designed to permanently eliminate lead-based paint hazards, and any firm or individual performing abatement as defined by EPA must be EPA-trained and certified. EPA's definition of abatement excludes activities that are not designed to permanently correct lead-based paint hazards, such as renovation, remodeling, or repair activities that may incidentally result in a reduction or elimination of lead-based paint hazards or disturbing lead-based paint. Furthermore, EPA's certification requirements do not apply to interim controls or other operations and maintenance activities designed to temporarily, but not permanently, reduce lead-based paint hazards. EPA also does not regulate individuals or firms engaged in non-abatement activities.

Local Law 1 of 2004 requires owners of older multiple dwellings in which a child under seven resides to identify and remediate lead-based paint hazards. There is also a broad requirement for remediation of lead-based paint hazards whenever a tenant vacates a rental unit. Local Law 1 defines remediation as the "reduction or elimination of a lead-based paint hazard by wet scraping and repainting, removal, encapsulation, enclosure, or replacement ... or other method approved by the commissioner of health and mental hygiene." Local Law 1 does not specify a preferred method to be utilized in remediation. Although the method of remediation is optional, Local Law 1 requires lead dust clearance testing after correction of HPD violations and after voluntary repairs by owners which disturb two or more square feet of lead-based paint per room in housing subject to the law. Local Law 1 also specifies minimum training and certification requirements for individuals and firms engaged in remediation and conducting final lead dust clearance testing.

Local Law 1 also provides that the work practices in HPD rules "shall be no less stringent than the safety standards required by the commissioner of health and mental hygiene whenever such commissioner shall order the abatement of lead-based paint hazards pursuant to section 173.13 of the health code or a successor rule. ..." See, e.g., Administrative Code §27-2056.11 (a)(1). This and other requirements in Local Law 1 have resulted in parallel, nearly identical, work practices rules in both the amended Health Code and HPD rules.

There are differences between HPD's final rules and the Health Code, particularly pertaining to the use of wet scraping and repainting. This method was considered an "exclusive interim control" in Local Law 38, but is only one of several methods of remediation in the new Local Law 1 and in the proposed amended Health Code. While the amended Health Code no longer allows this as a method of "abatement" its limited use will be allowed in certain circumstances. Although EPA rules do not define wet scraping and repainting as a method of abatement, this method of lead-based paint hazard reduction will continue to be an acceptable way to correct violations, both pursuant to HPD rules and when ordered by the Department in certain circumstances. In the Notice of Intention to amend published for public comment, the Department initially proposed that wherever the term "abatement" appears in the current

Health Code with respect to lead-based paint and lead hazards, the term "remediation," a broader and more inclusive term, be used. In response to comments received objecting to this change in all cases, the final resolution retains the term "abatement" in §173.13 (d)(2) with respect to children with environmental intervention blood lead levels. The work practices governing remediation of lead-based paint hazards incorporate the provisions of Local Law 1, EPA rules applicable to "abatements" and nearly all the current provisions of existing Health Code §173.14 are reorganized according to the magnitude and permanence of the remediation work. Local Law 1 adds a new Chapter 9 ("Lead-Based Paint in Day Care Facilities") to Title 17 of the Administrative Code, imposing some additional requirements for lead-based paint hazard remediation and inspections on group day care operators and the owners of the buildings in which day care is located, which will need to be have been harmonized with existing provisions in Article 47 of the Health Code. Although Local Law 1 imposes no new requirements for remediation of lead-based paint hazards in Department of Education-operated kindergartens, the Department has imposed in the past, and proposes that the Board continue to impose, the same requirements for preventing exposure of children under six in public kindergartens to lead-based paint hazards as may be applicable to day care, pre-kindergarten classes and non-public kindergartens. See, e.g., Health Code §§45.12 and 47.44.

The Health Code is being amended as follows:

Amend Health Code §173.13 ("Lead Paint")

1. Amend Health Code §173.13 (a) by adding a provision to enhance enforcement of the prohibition in both Health Code §173.14 and Local Law 1 of dry sanding and scraping. This provision requires places of business selling paint or paint removal products to post a warning sign alerting consumers to the prohibition of this method in dwellings, day care centers and schools. This section is being further amended to authorize enforcement by the City's Department of Consumer Affairs, which currently inspects hardware and paint suppliers in the City to enforce laws restricting sales of box cutters and spray paints.

2. Amend Health Code §173.13 (d) (1) to better reflect national recognition, federal guidelines, and the Department's experience in identifying and ordering remediation of lead hazards in housing, other buildings, and the areas surrounding such structures, in which children may reside or spend time, but which are not subject to the lead poisoning prevention provisions of the Housing Maintenance Code. Such premises include owner-occupied cooperative, condominium and one- and two-family homes, and commercial buildings in which children's institutions and programs are located, or to which children at risk may have access. While the Department has exercised its general nuisance abatement authority (see, e.g., Health Code §3.11), in ordering the abatement of lead hazards on building exteriors, from fire escapes or yard soil and even at a museum exhibition of soft lead tiles, Health Code §173.13 (d)(1) is being amended to include a provision authorizing the Department to order the remediation of any leaded substances it finds which may present a hazard to children.

3. Amend §173.13 (d)(1) to authorize the Department to order remediation of lead-contaminated dust in a dwelling unit where the source of the lead-contaminated dust is not a condition of the dwelling in which the unit is located.

4. Amend §173.13 (d)(2) to change the mandatory environmental intervention action level for a lead poisoned child from a single 20 mcg/dL or greater blood lead level to a single 15 mcg/dL or greater. Local Law 1 amends Title 17 of the Administrative Code to provide for this intervention level.

5. Add a provision to §173.13 concerning the disposition of objections to Department orders to remediate lead hazards. From 1970 to 1997, the Department used X-ray fluorescent analysis (XRF) equipment for sampling lead-based paint. The particular model of the machine used became outdated in the early 1990's, because it was not able to adjust for composition of the substrate of building components in calculating the value of lead on surface paint. Because of these equipment limitations, the Department's orders to abate nuisance were subject to routine challenge by owners submitting contrary results of laboratory analysis of paint chip samples. The process of removing paint chips further damaged deteriorated lead painted surfaces and contestations delayed the correction of confirmed lead-based paint hazards in dwellings where children with an EIBLL resided. In 1997, the Department purchased XRF equipment that self-adjusts for substrate composition. At the same time, a new Health Code definition of lead-based paint was adopted which incorporated federal definitions and the availability of federal calibration standards for XRF equipment. This has resulted in the Department generally rejecting the challenges of owners who simply submitted results that differed from the Department's. This Department practice was challenged in two suits, but upheld by the courts. See, e.g., 601 *Realty Corp. v. City of New York Department of Health,* 269 AD2d 268, 703 NY2d 458 (AD 1st Dept. 2000). Processing such contestations unacceptably delays remediation of surfaces in the home of a lead poisoned child and promotes the taking of paint chips from deteriorating surfaces, further endangering such children. Currently, objections to Department orders are considered only if the objector presents evidence that the Department's XRF equipment is not functioning or was not calibrated properly, not merely because the owner's XRF or laboratory sampling results are different than the Department's. Two comments objecting to this amendment were received, but for the reasons already stated, no change has been made in the resolution.

Repeal and re-enact Health Code §173.14

1. Add definitions to Health Code §173.14(b). Define "abatement" as a set of measures specifically designed to permanently correct lead-based paint hazards, consistent with the federal definitions [24 CFR 35.110 (1999) and 40 CFR 745.223 (1997)]; "remediation" as the reduction or elimination of a lead-based paint hazard (Local Law 1, Administrative Code §27-2056.2); and "disturbance" as any action taken which breaks down, alters or changes lead-based paint (15 RCNY Chapter 1). Other applicable definitions of terms in the rules generally adopt the same definitions in Local Law 1 or in EPA rules.

2. Add provisions to Health Code §173.14(c), tracking Local Law 1 and EPA rules, differentiating training and credentialing requirements for abatement, other remediation of lead-based paint hazards, and disturbance of lead-based paint in the course of conducting other non-ordered repair and maintenance activities.

3. Amend the administrative requirements of Health Code §173.14 (c)

(i) Notification of commencement of work requirements. Local Law 1 [§27-2056.11(a)(2)(ii) of the Administrative Code] requires building owners or their representatives to notify the Department prior to performing work that will disturb greater that 100 square feet of paint per room or involve removing two or more windows. Comments received from owner and housing rehabilitation organizations indicated that such requirements would be excessively bureaucratic and burdensome and served no useful purpose. Comments supporting the notice requirement stated that the notice requirement was not "unreasonable." No change has been made in the resolution.

(ii) Recordkeeping. Currently, Health Code §173.14 (c)(3) requires building owners to maintain records for seven years; Local Law 1 [§27-2056.17 of the Administrative Code] requires building owners to maintain records for ten years.

4. Amend training and certification requirements in Health Code §173.14 (c)(2) to harmonize EPA, Local Law 1 and Department remediation requirements. EPA regulations (40 CFR Part 745, Subpart L) specify that firms, inspectors, risk assessors, supervisors, project designers and workers performing abatements be EPA certified. Local Law 1 specifies that only the *firms* engaged to perform work to remediate HPD violations, or non-violation work that disturbs greater than 100 square feet of paint per room or which involves the removal of two or more windows must be certified to perform lead abatements in accordance with 40 CFR Part 745, Subpart L. See, §27-2056.11(a)(2)(ii) of the Administrative Code. The amended Health Code requires that all *abatement* activities be performed only by firms and personnel who are EPA certified, but that only the firms require EPA-certification to conduct other lead-based paint remediation activities regulated by Local Law 1 or the Health Code, and that their workers be HUD trained. However, all work ordered by the Department pursuant to Health Code §173.13(d)(2) to correct interior lead-based paint hazards where there is a child with an environmental intervention blood lead level will be termed "abatements" and will require use of EPA-certified workers.

5. Workers performing work other than abatement. Local Law 1 specifies that persons performing work that disturbs from two to 100 square feet of paint per room or does not involve the removal of two or more windows must have successfully completed a course on lead safe work practices offered or approved by HUD or the Department. See, §27-2056.11 (a)(2)(i) of the Administrative Code. HUD regulations specify training requirements for persons performing interim control work (including remediation by the method of wet scraping and repainting) as defined in federal regulations. See, 24 CFR §35.1330 (a)(4). The amended Health Code requires workers performing such remediation pursuant to Local Law 1 [see, §27-2056.11 (a)(2)(i) of the Administrative Code] to be trained in accordance with these HUD regulations. Local Law 1 exempts from its worker training requirements any worker performing work that disturbs lead-based paint surfaces consisting of less than (a) two square feet of peeling lead-based paint per room or (b) ten percent of the total surface area of peeling paint on a type of component with a small surface area, such as a window sill or door frame in a multiple dwelling unit or day care facility. See, §§27-2056.11 (a)(2)(iii) and 17-912 of the Administrative Code.

6. The Department is conducting an ongoing public health education campaign to increase awareness of potential lead hazards to young children from exposure to leaded dust and debris resulting from even minimal home repairs and maintenance, and the Health Code requires that signs be posted at places where paints are sold and paint scrapers are sold or rented warning that dry scraping of lead-based paint is prohibited in the City in any building where children reside. The Health Code, Local Law 38, HPD rules and Local Law 1 contain provisions prohibiting dry scraping and sanding as a method of removal of lead-based paint, but the signage requirement is new and not mandated by any law. To enhance enforcement of this provision, Health Code §173.13(a) has been further amended to authorize enforcement by the City's Department of Consumer Affairs which already inspects hardware and paint stores to enforce laws restricting sales of box cutters and spray paints.

7. Workers remediating lead-based paint hazards violations pursuant to Department orders (other than when ordered to permanently abate lead-based paint), issued pursuant to Health Code §§45.12, 47.44 and 173.13(d)(1), HPD orders or violations issued under §27-2056.11 (a)(1) of the Administrative Code, or where any work disturbs greater than 100 square feet of paint per room or involves the removal of two or more windows pursuant to §27-2056.11 (a)(2)(ii) of the Administrative Code, will be required to be minimally trained in accordance with HUD regulations. See, 24 CFR §35.1330 (a).

8. Add requirements in Health Code §173.14 (c)(2)(bb) for qualifications of persons performing lead-contaminated clearance dust tests after the completion of non-abatement work that disturbs lead-based paint. Local Law 1 requires lead-contaminated dust clearance testing at the completion of all work performed in compliance with Department orders; to correct HPD violations pursuant to §27-2056.11 (a)(1) of the Administrative Code; that disturbs areas consisting of (a) two or more square feet of peeling lead-based paint per room or (b) ten percent of the total surface area of peeling paint on a type of component with a small surface area, such as a window sill or door frame, pursuant to §27-2056.11 (a)(2)(i) and (ii) of the Administrative Code; on turnover, pursuant to §27-2056.8 of the Administrative Code; and in day care facilities, pursuant to § 17-912 of the Administrative Code. Health Code §45.12 requires that lead-based paint work performed in kindergartens operated by the City Department of Education must be performed in accordance with Health Code §173.14, and dust wipe tests by similarly trained personnel will also be required after the completion of such work in these facilities.

9. As repealed and re-enacted, Health Code §173.14 (e)(1)(I)(iii) specifies that no person shall perform a lead - contaminated dust clearance test unless such person is a third-party, who is independent of the owner and firm that performs the work. Section 27-2056.11 (b) of the Administrative Code also specifies that no person shall perform a leadcontaminated dust clearance test unless such person has successfully completed a course approved or administered by the Department, EPA or HUD. HUD regulations specify training requirements and courses for persons performing clearance dust testing following work other than abatement. Health Code §173.14(c)(2)(A) requires all persons performing any abatement work, including dust test sampling, to be EPA certified. Health Code §173.14(c)(2)(B) specifies training of persons performing work disturbing lead-based paint, or paint of unknown lead content, in Department of Education kindergartens and work conducted in compliance with orders issued by the Department to remediate lead-based paint hazards, when such work would not be considered an "abatement." See, HUD regulations 24 CFR 35.1340 (b)(1). Although one comment requested that the requirement for dust testing to be conducted by an independent third party be deleted as economically burdensome, the Department does not believe that such a change would benefit the public health.

10. Revise work methods and occupant protection standards in Health Code §173.14 (d) and (e). Local Law 1 specifies that the rules for an owner correcting HPD violations, or doing any work that disturbs more than 100 square feet of lead-based paint per room without a violation, shall be no less stringent than those utilized in complying with an order issued pursuant to Health Code §173.13. The Health Code amendments accordingly specify work methods and occupant protection practices in buildings constructed before January 1, 1960, where children under 7 reside, for various types of lead-based paint activities. Required preparation of the work area is categorized in subdivision (e) as follows: (1) work to remediate lead-based paint hazards pursuant to a Department order, an HPD violation or non-ordered work that disturbs over 100 square feet of lead-based paint per room; (2) work performed that disturbs small or moderate amounts, i.e., two to 100 square feet per room, of lead-based paint, and the same amounts of non-ordered work performed in a day care facility or a Department of Education kindergarten; and (3) work performed in a dwelling unit upon turnover.

11. Remediation work to comply with a Department order or correct an HPD violation, or non-ordered work that disturbs more than 100 square feet of lead-painted surfaces per room, shall require that floors be cleaned before commencing work. In conducting work that disturbs lead-based paint in accordance with §17-911 (day care services), §27-2056.11(a)(2)(i) of the Administrative Code, or §45.12 (kindergartens) of the Health Code additional requirements would include using multiple layers of plastic or equivalent sheeting as needed to prevent dust from contaminating the floor; and, where applicable, turning off forced air systems in the work area and sealing off any vent openings in the work area with polyethylene.

12. Work to remediate lead-based paint hazards on turnover would require preparation of the work area using the procedures described above. However, since the dwelling unit will not be occupied while work is in progress, clean-up procedures are only specified at completion of all work, followed by lead-contaminated clearance dust testing.

13. In response to public comments, additional provisions have been added to §173.14 (d) and (e), reflecting HPD's final rules, to clarify under what conditions occupants of units undergoing work that disturbs lead-based paint must be relocated; and under what conditions occupants who do not relocate may have temporary access to work areas which have been adequately cleaned, but have not been cleared for "permanent re-occupancy" because work has not been completed, or where work has been completed and lead-contaminated dust test results have not been received.

Additional changes in subdivisions (d) and (e) have been made, deleting as unnecessary a provision which required a one hour delay after final cleaning before collecting lead-contaminated dust clearance test samples, and clarifying that only objects in the work area required pre-work cleaning, and that only doors and cabinets covered with lead-based paint or paint of unknown lead content require re-hanging or other treatment to avoid binding.

Subdivision (h) of §173.14 has been further amended to add that the Commissioner or designee may also issue modifications of the application of provisions in §173.13, when compliance with orders issued pursuant to such provisions present practical difficulties or unusual hardships. Articles 45 and 47 already contain a similar provision and do not require further amendment.

To facilitate use of this complex section, a new table of contents has been added to §173.14.

Repeal §173.15 ("Unsafe lead based paint work practices")

This section authorized the Department to respond to complaints of unsafe lead-based paint work practices, and its substantive provisions have been incorporated within §173.14 of the Health Code. The provision was originally adopted to implement Local Law 38 of 1999, and was modeled on the procedures in the repealed Health Code §173.14 (c)(1)(cc). Local Law 1 of 2004 includes such a provision in a new §17-185 of the Administrative Code, mandating that the Department respond to such complaints. It may be found in subdivision (f) of the Health Code §173.14, as re-enacted.

Ammend §§47.44 and 45.12

Amend §47.44 ("Lead Based Paint Restricted") of Article 47 ("Day Care Services") to harmonize Health Code provisions for remediation of lead-based paint hazards in day care services with new provisions added to Title 17 of the Administrative Code (Chapter 9: "Lead-Based Paint in Day Care Facilities") and amend §45.12 ("Lead Based Paint Restricted: Kindergartens") to track §47.44. The amendments to §47.44 include a new declaration of nuisance, modeled on that in §173.14, which will enable the City to recover its costs in remediating lead-based paint hazards in day care services whenever the Department determines that the operator of the day care service or the owner of the building in which the service is located who was ordered to remediate lead hazards has failed to substantially comply with such order. The resolution as adopted contains a new provision, similar to the provision in HPD's rules, establishing a procedure for owners or operators of day care services to present evidence opposing Department orders to remediate peeling paint of unknown lead content, by demonstrating that such paint does not contain lead. Each of these sections has also been further amended by adding provisions referencing the definitions in §173.14 of the Code.

STATEMENT PURSUANT TO SECTION 1042 – REGULATORY AGENDA

This proposal was not included in the Department's Regulatory Agenda because it was made necessary by the enactment of Local Law 1 of 2004 on February 5, 2004.

The proposal is as follows:

Note-matter in brackets [ ] to be deleted
Matter underlined is new

RESOLVED, that §45.12 of the New York City Health Code, as added by resolution on the second of October, nineteen hundred ninety-five, be, and hereby is, amended, to be printed together with explanatory notes, as follows:

§45.12 **[Lead Based] Lead-Based Paint Restricted: Kindergartens.** (a) This section shall apply to a kindergarten conducted as part of an elementary school by the [Board] Department of Education.

(b) Peeling lead-based paint prohibited.
(i) There shall be no peeling [lead based] lead-based paint or peeling paint of unknown lead content on any surface in a kindergarten.
(ii) Peeling [lead based] lead-based paint or peeling paint of unknown lead content shall be immediately abated or remediated upon discovery, [with such covering, materials and by such methods as may be authorized by] in accordance with §173.14 of this Code. [or as otherwise directed by the Department]
(iii) Children shall not be present and shall not have access to any room or area undergoing abatement, remediation or other work which disturbs lead-based paint or paint of unknown lead content until after completion of final clean-up and clearance dust testing.
(iv) The work practices of §173.14 of this Code shall not apply to repair and maintenance work which disturbs surfaces of less than two (2) square feet of peeling lead-based paint per room or ten (10) percent of the total surface area of peeling paint on a type of component with a small surface area, such as a window sill or door frame.
[(c) Effective January 1, 1997, interior window sills and window wells accessible to children, window friction surfaces, and other surfaces in kindergartens as may be determined by the Department, containing or covered with lead based paint or paint of unknown lead content shall be abated with such covering, materials and by such methods as may be authorized by §173.14 of this Code or as otherwise directed by the Department. Children shall not be present and shall not have access to any room undergoing abatement until completion of final clean-up. Abatement and clean-up shall be conducted in a manner consistent with §173.14 of this Code and as may further be directed by the Department.
(d) For purposes of this section "window well" shall mean the horizontal structure of the window frame that receives the window sash or the trough in which the lower part of the window fits or rests. The terms "peeling" "lead based paint," "abatement," and "friction surface" shall have the meanings as set forth in §173.14 of this Code.
(e)] (c) Painted equipment must have lead-free paint.
(d) *Annual survey.* Each year the Department of Education shall conduct a survey of the condition of surfaces in kindergarten classrooms, where the surfaces of such classrooms or other areas used by children under six years of age are covered with lead-based paint or paint of unknown lead content. Survey results shall be recorded on a form provided by or satisfactory to the Department, and copies of survey results shall be provided to the Department upon request.
(e) *Definitions.* All terms used in this section shall have the same meanings as the terms defined in §173.14 of this Code.

Notes:
Section 45.12 was amended by resolution adopted on July 22, 2004, effective August 2, 2004, to harmonize its provisions with the lead-based paint hazard remediation provisions applicable to children under six years of age in Local Law 1 of 2004 and in Health Code §47.44. Subdivision (a) was amended to indicate that these provisions are applicable to kindergartens in elementary schools operated by the City's Department of Education. Subdivision (b) was amended, by renumbering its provisions in separate paragraphs. Former subdivisions (c) and (d) have been repealed, and a new subdivision (e) indicates that terms used in the section have the same meaning as terms in §173.14 of this Code. Former subdivision (e) has been relettered as subdivision (c), and a new subdivision (d) requires an annual survey of surfaces covered with lead-based paint and paint of unknown lead content which are peeling in kindergartens in public elementary schools for children under six years of age similar to the survey to be conducted in day care services. See, Health Code §47.44.

RESOLVED, that section 47.44 of the New York City Health Code, as adopted by resolution on the twenty-second day of March nineteen hundred and ninety-six be, and the same hereby is amended, to be printed with explanatory notes, to read as follows:

§47.44 [Lead Based] Lead-Based Paint Restricted [(a) For purposes of this section "window well" shall mean the horizontal structure of the window frame that receives the window sash or the trough in which the lower part of the window fits or rests. The terms "peeling," "lead based paint," "abatement," and "friction surface" shall have the meanings as set forth in Section 173.14 of this Code.]
(a) *Peeling lead-based paint prohibited.*
[b] (1) There shall be no peeling [lead based] lead-based paint or peeling paint of unknown lead content on any surface in a day care service.
(2) Peeling [lead based] lead-based paint and peeling paint of unknown lead content shall be immediately abated or remediated upon discovery by the day care service operator or the owner of a building in which a day care service is located, regardless of whether there has been an inspection or order issued by the Department. [with such covering, materials and by such methods as may be authorized by] in accordance with §[Section] 173.14 of this Code. [or as otherwise directed by the Department.]
(3) When there has been an order to abate or remediate lead-based paint hazards issued by the Department, the day care service operator or owner of the building in which the service is located shall use only the methods specified in such order.
(4) The work practices of §173.14 of this Code shall not apply to repair and maintenance work in a day care service which disturbs surfaces of less than two (2) square feet of peeling lead-based paint per room or ten (10) percent of the total surface area of peeling paint on a type of component with a small surface area, such as a window sill or door frame.
(5) Children shall not be present and shall not have access to any room undergoing abatement, remediation or other work which disturbs lead-based paint or paint of unknown lead content until after completion of final cleanup and clearance dust testing.
(6) An operator of a day care service or the owner of a building in which a day care service is located, in which paint has not been tested by X-ray fluorescent (XRF) analysis by or on behalf of the Department for lead content, may object to an order issued to remediate peeling lead-based paint or peeling paint of unknown lead content, by submitting evidence satisfactory to the Department that the surface of any component cited in the order as requiring remediation does not contain lead-based paint, as follows:
(A) Such evidence shall consist of a sworn written statement by the person who performed the testing on behalf of the operator or owner supported by: lead-based paint testing or sampling results, including a description of the testing methodology and manufacturer and model of instrument used to perform such testing or sampling; a copy of the certificate of training of the certified lead-based paint inspector or risk assessor; a copy of the inspection report of the inspector or risk assessor, including a description of the surfaces in each room where such testing or sampling was performed; and a copy of the results of XRF testing and/or such laboratory tests of paint chip samples performed by an independent laboratory certified by the state of New York where such testing has been performed.
(B) Such written statement and all supporting documentation shall be submitted to the department not later than thirty (30) days before the date set for compliance with an order to remediate, and shall only be submitted where the Department has not performed an XRF test prior to issuing such order. Receipt by the Department of a complete application in accordance with this paragraph including such written statement and such supporting documentation shall toll the time period to comply with the order. Receipt of an incomplete application shall not toll the time period for compliance with the order.
(C) The Department shall notify the applicant of its determination in writing, and, if the Department rejects the application, such notice shall set a date for compliance.
(D) The performance of lead-based paint testing shall be in accordance with the definition of lead-based paint established in § 173.14 of the Code. Laboratory analysis of paint chip samples shall be permitted only where XRF tests fall within the inconclusive zone for the particular XRF machine or where the configuration of the surface or component to be tested is such that an XRF machine cannot accurately measure the lead content of such surface or component. Laboratory tests of paint chip samples, where performed, shall be reported in mg/cm^2, unless the surface area of a paint chip sample cannot be accurately measured, or if an accurately measured paint chip sample cannot be removed, in which circumstance the laboratory test may be reported in percent by weight. Where paint chip sampling has been performed, the sworn written statement by the person who performed the testing shall include a statement that such sampling was done in accordance with 40 CFR §745.227 or successor provision.
(E) Testing for lead-based paint may only be conducted by a person who has been certified as a lead-based paint inspector or risk assessor in accordance with subparts L and Q of 40 CFR part 745 or successor provisions and such testing shall be performed in accordance with 40 CFR §745.227(a) and (b) or successor provisions.
[(c) Effective May 1, 1997, no] (b) *Day care services in operation prior to May 1, 1997.* No day care service permit shall be issued or renewed, and no day care service for which no permit is required shall operate, unless all interior window sills and window wells accessible to children, [and window] chewable surfaces, deteriorated subsurfaces, friction surfaces, or impact surfaces, and such other surfaces in such day care service as may be determined by the Department, containing or covered with [lead based] lead-based paint or paint of unknown lead content shall have been abated [with such covering, materials and by such methods] or remediated in accordance with [as may be authorized by Section] §173.14 of this Code or as otherwise directed by the Department. [Children shall not be present and shall not have access to any room undergoing abatement until completion of final clean-up. Abatement and cleanup shall be conducted in a manner consistent with Section 173.14 of this Code and as may further be directed by the Department.]
(c) *Day care services commencing operation on or after May 1, 1997.* [(d)] No day care service which [would receive] received its first permit or which, if no permit was or is required, [would commence] commenced operation after May 1, 1997 shall be issued a permit or [commence operation] operate where there is lead-based paint[, as defined in Section 173.14,] on any interior surface in such day care service.
(d) Painted equipment must have lead-free paint.
(e) *Annual survey.* Each year the operator of any day care service where any surfaces are covered with lead-based paint or paint of unknown origin shall conduct a survey of the condition of all such surfaces, note the results of the survey on a form provided by or satisfactory to the Department, and shall provide to the Department a copy of the results of such survey. Submission of such survey shall coincide with the permit issuance date, or anniversary thereof, for day care services required to hold a permit issued by the Department, and shall be submitted annually, prior to commencement of the school year, for services not required to hold a permit. Copies of such survey results may be submitted by mail, fax or electronically.
(f) *Declaration pursuant to Administrative Code §17-145.* The existence of a lead-based paint hazard in a day care service, or failure to comply with this section or §173.14 of this Code in correcting such hazard, is hereby declared to constitute a public nuisance and a condition dangerous to life and health, pursuant to §17-145 of the Administrative Code. Every person obligated to comply with the provisions of this section of this Code is hereby ordered to abate or remediate such nuisance by complying with any order or direction issued by the Department.
(g) *Failure to comply with Department orders.* In the event that the Department determines that the operator of a day care service or the owner of a building in which a day care service is located has failed to substantially comply with an order issued pursuant to this section within forty-five (45) days after service thereof, the Department shall, in accordance with §17-911(d) of the Administrative Code, request an agency of the City to execute such order pursuant to the provisions of §17-147 of the Administrative Code.
(h) *Definitions.* Except as otherwise provided, all terms used in this section shall have the same meanings as the terms defined in §173.14 of this Code.

Notes:
Section 47.44 was amended by resolution adopted on July 22, 2004, effective August 2, 2004, to harmonize Health Code restrictions on lead-based paint in day care services with provisions of Local Law 1 (the "New York City Childhood Lead Poisoning Prevention Act") of 2004. Local Law 1 amended Title 17 of the Administrative Code by adding a new Chapter 9 ("Lead-Based Paint in Day Care Facilities"). Former subdivision (a)'s references to specific definitions related to lead remediation were repealed, and a new subdivision (h) added, indicating that the terms used in this section have the same definitions as §173.14 of this Code; former subdivision (b) was relettered as subdivision (a); and a new subdivision (e) was added to establish rules for submission of the annual survey results required by §17-913 of the Administrative Code. A new paragraph (2) was added to subdivision (b) establishing rules for rebutting the presumption in §17-910 of the Administrative Code. A declaration of nuisance pursuant to §17-145 of the Administrative Code was added in a new subdivision (f) to enable the City to follow the procedures authorized under Title 17 of the Administrative Code to recover the costs of remediating lead-based paint hazards, and a new subdivision (g) was added to indicate that when an owner or operator fails to substantially comply with an order of the Department the order will be referred to another City agency to abate or remediate such hazards pursuant to §17-911(d) of the Administrative Code. A new subdivision (h) indicates that terms used in the section have the same meaning as terms in §173.14 of this Code

RESOLVED, that the table of section headings of Article 173 of the New York City Health Code, as amended on the thirteenth day of December nineteen hundred ninety-nine be, and the same hereby is amended, to be printed with explanatory notes, to read as follows:

ARTICLE 173
Hazardous Substances

* * *

§173.13 Lead Paint
§173.14 Safety standards for [lead based] lead-based paint abatement and remediation, and work that disturbs lead-based paint
§173.15 [Unsafe lead based paint work practices] Repealed

* * *

Notes:
This article was further amended by resolution adopted on July 22, 2004, effective August 2, 2004, repealing and re-enacting §173.14, and repealing §173.15 (Unsafe lead based paint work practices) and including its substantive

provisions in §173.14.

RESOLVED, that subdivision (a) of section 173.13 of the New York City Health Code, as amended by resolution adopted on the twenty-fourth day of September nineteen hundred and ninety-six be, and the same hereby is amended, to be printed with explanatory notes, to read as follows:

§173.13 **Lead Paint**. (a) (1) *Lead-based paint prohibited.* No person shall possess, sell, hold for sale or give away paint or other similar surface-coating material which is intended or packaged in a form suitable for use in or around the household or otherwise for consumer use within the meaning of 15 U.S.C. section 2057 *et seq.* and 16 Code of Federal Regulations (C.F.R.) Part 1303 or its successor regulations, containing more than 0.06 percent of metallic lead, based upon the total non-volatile content of the paint or other similar surface-coating material.

(2) *Notice that dry sanding and scraping are prohibited.* Any place where paint and paint removal products are sold, or where sanding equipment is sold or rented for use in the City of New York, shall prominently post, or otherwise distribute to purchasers and renters of paint removal and sanding equipment, a notice, in a form provided or approved by the Department, warning that dry sanding and scraping is prohibited as a method of removal of lead-based paint or paint of unknown lead content in any dwelling, day care center or school, and is a public nuisance pursuant to §17-181 of the Administrative Code of the City of New York.

(3) *Enforcement by Department of Consumer Affairs.* The provisions of paragraph (2) of this subdivision may be enforced by agents and employees of the Department and the Department of Consumer Affairs, or successor agency. Any violation of paragraph (2) issued by the Department of Consumer Affairs may be adjudicated at any tribunal authorized to hear such agency's violations.

Notes:

Subdivision (a) was amended by resolution adopted July 22, 2004, effective August 2, 2004, by renumbering former subdivision (a) as paragraph (1). Paragraphs (2) and (3) require notices in certain businesses and authorize agents and employees of the City's Department of Consumer Affairs to enforce the placement of such notices, with respect to the prohibition of dry sanding and scraping as a method of removal of lead-based paint in §17-181 of the Administrative Code.

RESOLVED, that subdivision (d) of section 173.13 of the New York City Health Code, as amended by resolution adopted on the twenty-fourth day of September nineteen hundred and ninety-six be, and the same hereby is amended, to be printed with explanatory notes, to read as follows:

(d) *Orders for abatement or remediation.*

(1) *Generally.* When the Department finds that there is [lead based] lead-based paint, [as defined in Section 173.14(b)(16),] or dust with a lead content in excess of the clearance levels specified in §173.14 (e) of this Code, on the interior of any dwelling, or concentrations of lead in the paint on the exterior of a dwelling, that may be creating a danger to health, it may in such cases as it deems essential, order the abatement or remediation of any such condition in a manner and under such safety conditions as it may specify, [, and the refinishing of such interior surfaces of the apartment, room or part of a room with a suitable finish which is not in violation of subsection (c) of this section, or the covering of such surfaces with such materials and by such methods as the Department may direct to protect the life and health of the occupants of such apartment or room.] The Department may also order the removal or covering of soil appurtenant to any dwelling when it determines that there are concentrations of lead in such soil which exceed allowable limits of the U.S. Environmental Protection Agency found in 40 C.F.R. Part 745, or successor regulations, and further determines that such concentrations may be dangerous to health.

(2) *In a dwelling where a child with an elevated blood lead level resides.* When the Department finds that there is a child under 18 years of age with a [bloodlead] blood lead level of [20] fifteen (15) micrograms per deciliter or higher residing in any dwelling and further finds that the interior of such dwelling has [lead based] lead-based paint [as defined in Section 173.14(b)(16),] that is (a) peeling, (b) on a [window] friction, impact or chewable surface or (c) on any surface of the dwelling that, in the Department's determination, is a [lead] lead-based paint hazard because of its condition, location or accessibility to children, [it] the Department shall order the abatement of any such condition in a manner and under such safety conditions as it may specify, [, and the refinishing of such interior surfaces of the apartment, room or part of a room with a suitable finish which is not in violation of subsection (c) of this section, or the covering of such surfaces with such materials and by such methods as the Department may direct to protect the life and health of the occupants of such apartment or room. When the above conditions exist and the blood leadlevel of any child under 18 years of age residing in such dwelling is between15 and 19 micrograms per deciliter, the Department, may, in such cases as it deems essential, order the same actions to be taken as above.]

(3) *Objections to Department orders.* An owner or other person to whom an order issued pursuant to this subdivision is directed shall notify the Department that he or she objects to such order no later than three (3) days after service of the order. In deciding whether objections to an order issued pursuant to §173.13(d)(2) have merit, the Department may rely on the results of its lead-based paint sampling, provided such results are obtained in accordance with the methodology identified within the definition of "lead-based paint" in §173.14(b) of this Code and the Department has a reasonable belief that such reliance will be more protective of the health of a child with an elevated blood lead level.

(4) *Failure to comply with Department orders.* In the event that the Department determines that the owner or other person having the duty or liability to comply with [such] an order issued pursuant to this subdivision fails to substantially comply therewith within five (5) days after service thereof, [in accordance with the provisions of §17148 of the Administrative Code,] the Department shall in accordance with §27-2056.14 of the Administrative Code, request the Department of Housing Preservation and Development to execute such order pursuant to the provisions of §17147 of [such] the Administrative Code.

(5) *Definitions.* Except as otherwise provided, all terms used in this section shall have the same meanings as the terms defined in §173.14 of this Code.

Notes:

Subdivisions (1) and (2) of section (d) were amended, a new subdivision (3) was adopted, and a portion of former subdivision (2) was renumbered as subdivision (4) by resolution adopted on July 22, 2004, effective August 2, 2004. The amendments to subdivision (2) incorporate a provision of Local Law 1 of 2004, which further reduces the Department's "action level" or environmental intervention blood lead level to 15 micrograms per deciliter of blood. A provision of former paragraph (2) of subdivision (d) which affords the Department discretion to issue orders to abate or remediate lead hazards when a child with a blood lead level of 15 to 19 micrograms resides in a dwelling unit has been repealed, since the Department already has that authority pursuant to subdivision (c) of this section. Paragraph (3) of subdivision (d), concerning Department review of challenges to Department orders to correct lead hazards, is new. It incorporates in the Health Code the Department's practice, reviewed in *601 Realty Corp. v. City of New York Department of Health,* 269 AD2d 268, 703 NYS2d 458 (AD 1 Dept. 2000) of providing owners with an opportunity to object to an order to abate a lead nuisance but declining to accept an owner's findings of allegedly lower values of lead in paint in contestation of the Department's findings where there is a child with an elevated blood lead level. *601 Realty* held that the Department was not being arbitrary and capricious or denying due process to owners who contest orders to abate lead nuisances. If the Department uses appropriate equipment and methodology to measure lead in paint at the home of a child with an elevated blood lead level it may properly rely on its own findings since it is attempting to be more protective of the health of such a child. A new paragraph (5) indicates that terms used in the section have the same meaning as terms in §173.14 of this Code.

RESOLVED, that section 173.14 of the New York City Health Code, as amended by resolution adopted on the sixth day of September two thousand and one, be, and the same hereby is, repealed and re-enacted, to be printed with explanatory notes, to read as follows:

§173.14 Safety standards for lead-based paint abatement and remediation, and work that disturbs lead-based paint.

Table of Contents for §173.14

(a)Purpose, scope and applicability
(b)Definitions
(c)Administrative requirements
(1)Filing procedures
(A)Time for filing
(B)Content of notice
(2)Training and certification
(A)Abatement
(B)Other than abatement work
(3)Recordkeeping
(A)Records to be kept
(B)Time to maintain records
(d) Work methods and occupant relocation
(1)Minimizing dust dispersion
(2)Prohibited methods
(3)Work practices and surface finishing
(A)Tools and materials
(B)Seal surfaces
(C)Repair underlying conditions
(D)Adjust painted doors and windows
(E) Work area preparation completed before commencing remediation
(4) Relocation
(e) Occupant protection
(1)Work ordered by the Department, or work that disturbs over 100 square feet of lead-based paint per room, regardless of whether such work is ordered by the Department, which is conducted in a day care service or kindergarten pursuant to §§47.44 or 45.12 of this Code or 17-911 of the Administrative Code, or work ordered by HPD in accordance with §27-2056.11(a)(1) of the Administrative Code, or work performed pursuant to §27-2056.11(a)(2)(ii) of the Administrative Code
(A)Postings
(B)Pre-cleaning and protecting movable items
(C)Sealing vents
(D)Affixing doorway entrance flap
(E)Covering floors
(F)Sealing openings
(G)Instructing occupants
(H)Hazardous materials
(I)Clean-up and lead-contaminated dust clearance testing procedures
(J) Temporary access to work areas when occupants not relocated
(2) Work that disturbs between two (2) and 100 square feet of lead-based paint per room that is being performed in accordance with §§17-911 and 27-2056.11(a)(2)(i) of the Administrative Code, or §§45.12 or 47.44 of the Health Code
(A) Postings and warning sign
(B) Pre-cleaning and protecting movable items
(C) Covering floors
(D) Sealing openings
(E) Instructing occupants
(F) Hazardous materials
(G) Clean-up and lead-contaminated clearance dust testing
(H) Temporary access to work areas when occupants not relocated
(3)Work performed to remediate lead-based paint hazards on turnover in accordance with §27-2056.8 of the Administrative Code
(A)Preparation and work
(B)Clean-up
(C) Clearance dust testing.
(f) Investigation of unsafe work practices by the Department
(1) Authority to inspect
(2) Scope of authority
(3) Actions authorized
(g) Declaration pursuant to Administrative Code §17-145
(h) Modification by the Commissioner

(a) Purpose, scope and applicability. This section establishes work practices and safety standards for abatement and other reduction of lead-based paint hazards, and other work that disturbs surfaces covered with lead-based paint, or paint of unknown lead content, and the minimum qualifications of persons who conduct such activities, in premises where young children reside, or attend day care or kindergarten, and is intended to reduce the exposure of such children to the lead-based paint hazards associated with such work.

(b)Definitions. When used in this Article, or in §§45.12 or 47.44 of this Code, the following terms shall have the following meanings:

Abatement shall mean any set of measures designed to permanently eliminate lead-based paint or lead-based paint hazards. Abatement includes: (i) the removal of lead-based paint hazards, the permanent enclosure or encapsulation of lead-based paint, and the replacement of components or fixtures painted with lead-based paint; and (ii) all preparation, cleanup, disposal and post-abatement clearance testing associated with such measures. Abatement shall not include renovation, remodeling, landscaping or other activities, when such activities are not designed to permanently eliminate lead-based paint hazards, but, instead, are designed to repair, restore, or remodel a given structure or dwelling, even though these activities may incidentally result in a reduction or elimination of lead-based paint hazards. Furthermore, abatement shall not include interim controls, operations and maintenance activities, or other measures and activities designed to temporarily, but not permanently, reduce lead-based paint hazards.

Administrative Code shall mean the Administrative Code of the City of New York.

CFR shall mean this Code of Federal Regulations.

Chewable surface shall mean a protruding interior window sill (i) in a dwelling unit in a multiple dwelling where a child under seven years of age resides, which is readily accessible to such child, or (ii) such surface in a day care service, or kindergarten in an elementary school, that is readily accessible to a child under six years of age. "Chewable surface" shall also mean any other type of interior edge or protrusion in a dwelling unit in a multiple dwelling, day care service or kindergarten, such as a rail or stair, (i) where there is evidence that such other edge or protrusion has been chewed and where an occupant of the dwelling unit has notified the owner that a child under seven years of age resides in that multiple dwelling, or (ii) where the operator of a day care service or kindergarten has observed that a child under six years of age has mouthed or chewed such edge or protrusion.

Common area shall mean a portion of a multiple dwelling that is not within a dwelling unit and is regularly used by occupants for access to and egress from any dwelling unit within such multiple dwelling.

Contractor shall mean any person or firm engaged to perform work that disturbs lead-based paint pursuant to this section.

Deteriorated subsurface shall mean an unstable or unsound painted subsurface, an indication of which can be observed through a visual inspection, including, but not limited to, rotted or decayed wood, or wood or plaster that has been subject to moisture or disturbance.

Disturb shall mean any action taken, which breaks down, alters or changes lead-based paint. Lead-based paint disturbances shall include, but not be limited to wet sanding or scraping or routine painting and maintenance activities.

Dwelling shall mean any building or structure or portion thereof, which is occupied in whole or in part as the home, residence or sleeping place of one or more human beings. For the purpose of investigations and orders issued by the Commissioner pursuant to §173.13 of this Code, dwelling shall include exteriors, yards or other areas of the building, and shall also include any structure in which a child with a blood lead level equal to or in excess of 15 micrograms per deciliter spends more than five hours per week.

Dwelling unit shall mean any residential accommodation in multiple dwelling or private dwelling.

Encapsulation shall mean the application of a covering or coating that acts as a barrier between the lead-based paint and the environment and that relies for its durability on adhesion between the encapsulant and the painted surface, and on the integrity of the existing bonds between paint layers and between the paint and the substrate. Encapsulation may be used as a method of abatement if it is designed and performed so as to be permanent. Only encapsulants approved by the New York State Department of Health, or by another federal or state agency or jurisdiction which the Department or HPD has designated as acceptable may be used for performing encapsulation.

Enclosure shall mean the use of rigid, durable construction materials that are mechanically fastened to the substrate in order to act as a barrier between lead-based paint and the environment.

EPA shall mean the U.S. Environmental Protection Agency or successor agency.

Firm shall mean a company, partnership, corporation, sole proprietorship, association, or other business entity that performs lead-based paint activities to which EPA has issued a certificate of approval pursuant to 40 CFR 745.226(f) or successor regulation.

Friction surface shall mean any painted surface that touches or is in contact with another surface, such that the two

surfaces are capable of relative motion and abrade, scrape, or bind when in relative motion. Friction surfaces shall include, but not be limited to, window frames and jambs, doors, and hinges.

HEPA vacuum shall mean a vacuum cleaner device equipped with a high efficiency particulate air filter capable of filtering out monodispersive particles of 0.3 microns or greater in diameter from a body of air at 99.97 percent efficiency or greater.

HPD shall mean the Department of Housing Preservation and Development of the City of New York.

HUD shall mean the U.S. Department of Housing and Urban Development.

Impact surface shall mean any interior painted surface that shows evidence, such as marking, denting, or chipping, that it is subject to damage by repeated sudden force, such as certain parts of door frames, moldings, or baseboards.

Lead-based paint, for the purposes of this Code, shall mean paint or other similar surface coating material containing 1.0 milligram of lead per square centimeter (mg/cm2) or greater as determined by laboratory analysis, or by an x-ray fluorescence (XRF) analyzer. If an XRF analyzer is used, readings shall be corrected for substrate bias when necessary as specified by the Performance Characteristic Sheets (PCS) published by the United States Environmental Protection Agency (EPA) for the specific XRF instrument used. XRF readings shall be classified as positive, negative or inconclusive in accordance with the United States Department of Housing and Urban Development (HUD) "Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing" (June 1995, revised 1997), and the PCS published by the EPA and HUD for the specific XRF instrument used. XRF results which fall within the inconclusive zone, as determined by the PCS shall be confirmed by laboratory analysis of paint chips, results shall be reported in mg/cm2 and the measure of such laboratory analysis shall be definitive. If laboratory analysis is used to determine lead content, results shall be reported in mg/cm2. Where the surface area of a paint chip sample cannot be accurately measured or if an accurately measured paint chip sample cannot be removed, laboratory analysis may be reported in percent by weight. In such case, lead-based paint shall mean any paint or other similar surface coating material containing more than 0.5% of metallic lead, based on the non-volatile content of the paint or other similar surface coating material. In the absence of a PCS for a specific XRF instrument or a particular function of such instrument, substrate correction, classification of XRF readings, and determinations of inconclusive readings shall be performed in accordance with the manufacturer's instructions for the specific XRF instrument used.

Lead-based paint hazard shall mean any condition in a dwelling or dwelling unit that causes exposure to lead from lead-contaminated dust, from lead-based paint that is peeling, or from lead-based paint that is present on chewable surfaces, deteriorated subsurfaces, friction surfaces, or impact surfaces that would result in adverse human health effects.

Lead-contaminated clearance dust test shall mean a test for lead-contaminated dust on floors, window wells, and window sills in a dwelling, that is made in accordance with this Code or § 27-2056.11 of the Administrative Code.

Owner shall mean the owner, operator, managing agent or other person in control of the premises, dwelling, or dwelling unit subject to this section.

Peeling shall mean that the paint or other surfacecoating material is curling, cracking, scaling, flaking, blistering, chipping, chalking or loose in any manner, such that a space or pocket of air is behind a portion thereof or such that the paint is not completely adhered to the underlying surface.

Permanent shall mean an expected design life of at least 20 years.

Remediation shall mean the reduction or elimination of a lead-based paint hazard through the wet scraping and repainting, removal, encapsulation, enclosure, or replacement of lead-based paint, or other method approved by the Department.

Removal shall mean a method of abatement that completely eliminates lead-based paint from surfaces.

Replacement shall mean a strategy or method of abatement that entails the removal of building components that have surfaces coated with lead-based paint and the installation of new components free of lead-based paint.

Stabilization shall mean repairing any physical defect in the substrate of a painted surface that is causing paint deterioration, removing loose paint and other material from the surface to be treated and applying a new protective coating or paint.

Substrate shall mean the material directly beneath the painted surface out of which the components are constructed, including wood, drywall, plaster, concrete, brick or metal.

Turnover shall mean the occupancy of a dwelling unit subsequent to the termination of a tenancy and the vacatur by a prior tenant of such dwelling.

Underlying defect shall mean a physical condition in a dwelling or dwelling unit that is causing or has caused paint to peel or a painted surface to deteriorate or fail, such as a structural or plumbing failure that allows water to intrude into a dwelling or dwelling unit.

Wet sanding or wet scraping shall mean a process of removing loose paint in which the painted surface to be sanded or scraped is kept wet to minimize the dispersal of paint chips and airborne dust.

Work shall mean any activity that disturbs paint in accordance with Article 14 of subchapter 2 of Title27 of the Administrative Code or as otherwise ordered by the Department to remediate lead-based paint hazards.

Work area shall mean that part of a building where lead-based paint or paint of unknown lead content is being disturbed.

(c) Administrative requirements

(1) Filing procedures

(A) Time for filing. No less than twenty-four and no more than ninety-six hours prior to the commencement of work ordered by the Commissioner and not less than ten days prior to commencement of work that will disturb lead-based paint pursuant to §27-2056.11 (a)(2)(ii) of the Administrative Code, an owner shall file with the Department a notice of the commencement of the work. Such notice shall be signed by the owner or by a representative of the firm performing the work. Where work is required to commence in a lesser period of time than that specified herein for the filing of a notice of commencement of work, then such filing shall be made as soon as practicable but prior to the commencement of work.

(B) *Content of notice*. Such notice shall be in a form satisfactory to or prescribed by the Department and shall set forth at a minimum the following information:

(i)The address of the building and the specific location of the lead-based paint work within the building.

(ii) The name, address and telephone number of the owner of the premises in which the lead based paint work is to be performed.

(iii) The name, address, telephone number and EPA certification number of the firm that will be responsible for performing the work.

(iv) The date and time of commencement of the work, working or shift hours, and the expected date of completion.

(v) A complete description and identification of the surfaces and structures, and surface areas, subject to the work.

(vi) Any changes in the information contained in the notice required by this section, shall be filed with the Department prior to commencement of work, or if work has already commenced, within twenty-four hours of any change.

(2) Training and certification

(A) Abatement. All work conducted as part of an abatement as defined in this section shall be performed by firms and workers certified to perform lead-based paint activities in accordance with regulations issued by EPA at subpart L of 40 CFR Part 745, or successor rule, for the abatement of lead-based paint hazards.

(B) Other than abatement work.

(i) Other work to remediate lead-based paint hazards that is ordered by the Department or HPD, or work that disturbs large amounts of lead-based paint. All work ordered by the Department, or by the HPD in accordance with § 27-2056.11(a)(1) of the Administrative Code, or work that disturbs over 100 square feet per room conducted in accordance with §17-911 of the Administrative Code, or §§45.12 or 47.44 of this Code, or § 27-2056.11 (a)(2)(ii) of the Administrative Code, shall be performed by firms and trained workers meeting the following requirements:

(aa) Firm requirements. Firms conducting such work shall be certified to perform lead abatement by the EPA in accordance with subpart L of 40 CFR Part 745, or successor rule, for the abatement of lead hazards.

(bb) Worker requirements. Workers conducting such work shall be trained, at a minimum, in accordance with the regulations issued by HUD at 24 CFR 35.1330 (a)(4), or successor rule.

(cc) Clearance dust testing requirements. No person shall perform a leadcontaminated dust clearance test in relation to such work unless such person is a third-party, who is independent of the owner and any individual or firm that performs the work. All personnel performing lead-contaminated clearance dust testing upon completion of work shall be trained, at a minimum, in accordance with regulations issued by HUD at 24 CFR 35.1340 (b)(1), or successor rule.

(ii) Work not ordered by the Department or HPD that disturbs a small amount of paint in a multiple dwelling or in a day care facility or a kindergarten. Work which is not ordered by the Department and disturbs between two and 100 square feet per room, which is performed in accordance with §17-911 or §27-2056.11(a)(2)(i) of the Administrative Code, or §§45.12 and 47.44 of this Code, shall be performed by workers trained in accordance with the following requirements:

(aa) *Worker requirements*. Workers conducting such work shall be trained under regulations issued by HUD at 24 CFR 35.1330 (a)(4), or successor rule.

(bb) *Clearance dust testing requirements*. No person shall perform a leadcontaminated dust clearance test in relation to such work unless such person is a third-party, who is independent of the owner and any individual or firm that performs the work. Personnel performing lead-contaminated clearance dust testing after completion of work performed in accordance with § 27-2056.11(a)(2)(i) of the Administrative Code shall be trained in accordance with regulations issued by HUD at 24 CFR 35.1340 (b)(1), or successor rule.

(iii) *Work not ordered by the Department or HPD, which is performed in a dwelling unit upon turnover*. No person shall perform a leadcontaminated dust clearance test in relation to such work unless such person is a third-party, who is independent of the owner and any individual or firm that performs the work. Personnel performing lead-contaminated clearance dust testing after completion of work performed on turnover in accordance § 27-2056.8 of the Administrative Code shall be trained in accordance with regulations issued by HUD at 24 CFR 35.1340 (b)(1), or successor rule

(3) Recordkeeping.

(A) Records to be kept. An owner shall keep a record of the following information for all lead-based paint remediation work subject to the provisions of this Code or Title 27 of the Administrative Code:

(i) The name, address, and telephone number of the person or entity who performed the work; the start date and completion date for the work.

(ii) A copy of all training certificates, required pursuant to subsection (c)(2) of this section, for the firms and personnel who performed work and clearance dust testing.

(iii) The location of the work performed in each room including a description of such work and invoices for payment for such work.

(iv) Results of lead-contaminated dust clearance tests analyzed by an independent laboratory certified by the state of New York.

(v) Checklists completed pursuant to §173.14 (e)(1)(J) and (e)(2)(F) when occupants are allowed temporary access to a work area.

(B) *Time to maintain records*. Such records shall be maintained by an owner for a period of ten years from the date of completion of such work or transferred to a subsequent owner and maintained by such subsequent owner during such time period, and made available to the Department upon request.

(d) *Work methods and occupant relocation.*

(1) Minimizing dust dispersion.

(A) Work to remediate or that disturbs lead-based paint shall be conducted in such a manner as to minimize the penetration or dispersal of lead contaminants or lead-contaminated materials from the work area to other areas of the dwelling unit and building or adjacent outdoor areas.

(B) Areas designated as a clean changing area shall be segregated from the work area by a physical barrier to prevent the penetration or dispersal of lead contaminants or lead-contaminated materials from the work area to other areas of the dwelling unit and building and to prevent occupant exposure to materials containing lead.

(2) *Prohibited methods*. The following methods shall not be used while performing work that disturbs lead-based paint in accordance with this section:

(A) Open flame burning or touching

(B) Machine sanding or grinding without HEPA local exhaust control

(C) Abrasive blasting or sandblasting without HEPA local exhaust control.

(D) Heat guns operating above 1100 degrees Fahrenheit or charring the paint.

(E) Dry sanding or dry scraping

(F) Paint stripping in a poorly ventilated space using a volatile stripper that is a hazardous substance in accordance with regulations of the United States Consumer Product Safety Commission at 16 CFR 1500.3, and/or a hazardous chemical in accordance with the United States Occupational Safety and Health Administration regulations at 29 CFR 1910.1200 or 1926.59, as applicable to the work.

(3) *Work practices and surface finishing.*

(A) *Tools and materials*. All tools and materials used when disturbing paint shall be used in accordance with the manufacturer's instructions. Wet sanding, wet scraping, removal, encapsulation, enclosure, replacement and other maintenance and repair activities shall be performed using standard construction and treatment methods.

(B) *Seal surfaces*. All surfaces where paint has been disturbed shall be sealed and finished with appropriate materials. Underlying surface substrates shall be dry and protected from future moisture before applying a new protective coating or paint, and all paints and coatings shall be applied in accordance with the manufacturer's recommendations.

(C) *Repair underlying conditions*. Violations or conditions that cause or may cause paint to peel and which are readily observable and identifiable as to source, including but not limited to water leaks, shall be corrected as part of any lead-based paint remediation work.

(D) *Adjust painted doors and windows*. All painted windows and painted doors in the work area, including cabinet doors, shall be adjusted to ensure that they are properly hung, so that no painted surfaces bind or stick in a manner that movement of such windows and doors causes abrasion or friction of the surfaces.

(E) *Work area preparation completed before commencing remediation*. Work intended to remediate lead-based paint hazards shall not commence until work area preparation required by this section has been completed.

(4) *Relocation*. An owner shall request that an occupant temporarily relocate from a unit pending completion of work where it appears that work cannot be performed safely with occupants in residence. The owner shall offer a suitable, decent, safe and similarly accessible dwelling unit that does not have lead-based paint hazards to such occupants for temporary relocation. Unreasonable refusal by such occupants to relocate pursuant to such offer shall constitute a refusal of access pursuant to §§27-2009 and 27-2056.4(b) of the Administrative Code and, where applicable, 9 NYCRR §2524.3(e). Relocation shall not be required provided that the work can be done safely with occupants in residence, and provided further that at the end of each day of work, the work area is properly cleaned as specified in §173.14(e)(1) (I) (i); occupants have safe access to areas adequate for sleeping, use of bathroom and kitchen facilities and safe access to entry-/egress pathways; and the work does not create other safety hazards, as specified herein.

(e) Occupant protection.

(1) Work ordered by the Department, or work that disturbs over 100 square feet of lead-based paint per room, regardless of whether such work is ordered by the Department, which is conducted in a day care service or kindergarten pursuant to §§47.44 or 45.12 of this Code or §17-911 of the Administrative Code, or work ordered by HPD in accordance with §27-2056.11(a)(1) of the Administrative Code, or work performed pursuant to §27-2056.11 (a)(2)(ii) of the Administrative Code:

(A) *Postings*. The following information shall be

conspicuously posted no later than twenty-four hours prior to beginning work and shall remain in place until the work area has been cleared for re-occupancy:

(i) *Notice of commencement of work.* Information on the notice submitted to the Department pursuant to subparagraph (1) of subdivision (c) of this section shall be posted at the entrance to the dwelling and at the entrance to the dwelling unit.

(ii) *Warning sign.* A warning sign of at least 8-1/2" by 11" reading in letters at least one inch high, as follows: WARNING: LEAD WORK AREA — POISON — NO SMOKING OR EATING. Such information shall be posted adjacent to the work area.

(B) *Pre-cleaning and protecting movable items.* All floors, movable furniture, draperies, carpets, or other objects in the work area shall be HEPA-vacuumed or washed; all movable items shall then be moved out of the work area or otherwise covered with two layers of six-mil disposable polyethylene sheeting before work begins. Such sheeting shall be taped together with waterproof tape, and taped to the floors or bottom of the walls or baseboards, so as to form a continuous barrier to the penetration of dust.

(C) *Sealing vents.* Forced-air systems within the room where work that disturbs lead-based paint is occurring shall be turned off and covered with two layers of six-mil polyethylene sheeting and waterproof tape to prevent lead contamination and lead dispersal to other areas.

(D) *Affixing doorway entrance flap.* After all movable objects have been removed, the work area shall be sealed off from non-work areas by taping with waterproof tape, two layers of disposable, six-mil polyethylene sheeting over every entrance or doorway to the work area, as follows: To deter the dispersal of lead dust one sheet shall be taped along all sides of the doorway and a slit shall be cut down the middle of the sheeting, leaving intact at least six inches of sheeting on the top and six inches of sheeting on the bottom of the doorway. A second sheet of polyethylene large enough to cover the doorway, shall be attached to the top of the doorway in the room or area where work is being conducted and shall act as a flap opening into the work area.

(E) *Covering floors.* The floor of the work area shall be covered with at least two sheets of disposable six-mil polyethylene sheeting. Such sheeting shall be taped together with waterproof tape, and taped to the bottom of the walls or baseboard, so as to form a continuous barrier to the penetration of dust to the floor. The furniture and non-movable furnishings, such as counters, cabinets, and radiators in the work area shall be removed or covered with such taped sheeting.

(F) *Sealing openings.* All openings, including windows, except those required to be open for ventilation, not sealed off or covered in accordance with §173.14 (e)(1)(C) of this Code, shall be sealed with two layers of six-mil polyethylene sheeting and waterproof tape to prevent the penetration or dispersal of lead contaminants or lead-contaminated material.

(G) *Instructing occupants.* Occupants shall be instructed by the owner and contractor to avoid entering work areas in which work is ongoing until final clearance levels have been achieved.

(H) *Hazardous materials.* All paints, thinners, solvents, chemical strippers or other flammable materials shall be delivered to the building and maintained during the course of the work in their original containers bearing the manufacturer's labels, and all material safety data sheets, as may be required by law, shall be on-site and shall be made available upon request to the occupants of the dwelling unit.

(I) Clean-up and lead-contaminated dust clearance testing procedures.

(i) *Daily clean-up.* At the completion of work each day, the work area shall be thoroughly wet-mopped or HEPA vacuumed. No polyethylene sheeting, drop cloths, or other materials that are potentially hazardous to young children or infants shall be accessible outside the work area. In addition, any work area and other adjoining area exposed to lead or lead contaminated materials shall be cleaned as follows:

(aa) *Large debris.* Large demolition-type debris (e.g., door, windows, trim) shall be wrapped in six-mil polyethylene, sealed with waterproof tape, and moved to the area designated for trash storage on the property to be properly disposed of in a lawful manner.

(bb) *Small debris.* Small debris shall be HEPA-vacuumed or wet swept and collected. Before wet sweeping occurs, the affected surfaces shall be sprayed with a fine mist of water to keep surface dust from becoming airborne. Dry sweeping is prohibited. The swept debris and all disposable clothing and equipment shall be placed in double four-mil or single six-mil plastic bags which shall be sealed and stored along with other contaminated debris in the work area and shall be properly disposed of in a lawful manner.

(cc) *Clean-up adjacent to the work area.* On a daily basis, as well as during final clean-up, the area adjacent and exterior to the work area shall be examined visually to ensure that no lead debris has escaped containment. Any such debris shall be wet swept and HEPA vacuumed, collected and disposed of as described above.

(dd) *Supply storage.* Upon finishing work for the day, all rags, cloths and other supplies used in conjunction with chemical strippers or other flammable materials, or materials contaminated with lead dust or paint shall be stored at the end of each work day in sealed containers or removed from the premises, in a lawful manner.

(ii) *Final clean-up.* Final cleaning shall be conducted as follows, in the following sequence:

(aa) The final cleaning process shall start no sooner than one (1) hour after lead-based paint disturbance activities have been completed, but before repainting, if necessary.

(bb) First, all polyethylene sheeting shall be sprayed with water mist and swept prior to removal. Polyethylene sheeting shall be removed by starting with upper-level polyethylene, such as that on windows, cabinets and counters, folding the corners, ends to the middle, and placing in double four-mil or single six-mil plastic bags. Plastic bags shall be sealed and properly disposed of in a lawful manner.

(cc) Second, all surfaces in the work area shall be HEPA vacuumed. Vacuuming shall begin with ceilings and proceed down the walls to the floors and include furniture and carpets.

(dd) Third, all surfaces in the work area shall be washed with a detergent solution. Washing shall begin with the ceiling and proceed down the walls to the floor. Wash water shall be properly disposed of in a lawful manner.

(ee) Fourth, all surfaces exposed to lead dust generated by the lead-based paint disturbance process shall be HEPA vacuumed again. Vacuuming shall begin with ceilings and proceed down the walls to the floors and include furniture and carpets.

(ff) Fifth, all surfaces shall be inspected to ensure that all surfaces have been cleaned and all visible dust and debris have been removed. If all visible dust and debris have not been removed, affected surfaces shall be re-cleaned.

(iii) *Final inspection.* After final clean-up, and re-painting if necessary, has been completed, a final inspection shall be made by a third party retained by the owner who is independent of the owner and the contractor. The final clearance evaluation shall take place at least one (1) hour after the final cleaning and shall include a visual inspection and surface dust testing. Three wipe samples shall be collected and tested from each room or area where work has been conducted; one wipe sample each shall be taken from a window well, a window sill and the floor. In addition, wipe samples shall be collected and tested from the floor in rooms or areas immediately adjacent to the work area.

(iv) *Clearance for permanent re-occupancy after completion of work.* Dust lead levels in excess of the following constitute contamination and require repetition of the clean-up and testing process in all areas where such levels are found. Areas where every sample result is below the following dust lead levels may be cleared for permanent re-occupancy:

Floors:	40 micrograms of lead per square foot.
Window Sills:	250 micrograms of lead per square foot.
Window Wells:	400 micrograms of lead per square foot.

Only upon receipt of laboratory test results showing that the above dust lead levels are not exceeded in the dwelling may the work area be cleared for permanent re-occupancy. However, temporary access to work areas may be allowed, provided that clean-up is completed, and dust test samples have been collected, in compliance with §173.14(e)(1)(I)(i),(ii) and (iii). The owner shall provide a copy of all lead-contaminated dust clearance test results to the occupants of the dwelling or dwelling unit. Copies of lead-contaminated dust wipe clearance test results shall be submitted to the Department whenever abatement or remediation of lead-based paint hazards has been ordered by the Department or Commissioner.

(J) *Temporary access to work areas when occupants not relocated.* When occupants are not relocated, temporary access may be allowed to areas in which work is in progress after work has ceased for the day provided that at the end of each work day:

(i)Any work area to be accessed is to be properly cleaned as specified in the daily clean-up requirements of §173.14 (e)(1)(I)(i) and the final clean-up requirements of §173.14 (e)(1)(I)(ii)(bb)through (dd) and (ff);

(ii)There are no safety hazards (including, but not limited to, exposed electric wiring or holes in floor) or covered vents;

(iii)Floor coverings containing leaded dust and debris and hazardous materials are removed;

(iv)Floors in the work area are re-covered with a non-skid floor covering securely taped to the floor;

(v)Work areas are prepared in accordance with the requirements above when work recommences; and

(vi)At the end of each workday, and before access is permitted, a checklist indicating compliance with these conditions is completed and signed, in accordance with §3.19 of this Code, by the person responsible for overseeing the work.

(vii) Temporary access in accordance with these provisions may be allowed for no longer than five days. If work has not resumed within five days, temporary access may continue only if the person responsible for overseeing the work has repeated the work required by clauses (i)-(vi). Nothing herein shall extend the time for compliance with any order issued pursuant to this Code or for correction of any violation of the Administrative Code.

(2) Work that disturbs between two (2) and 100 square feet of lead-based paint per room that is being performed in accordance with §§17-911 and 27-2056.11(a)(2)(i) of the Administrative Code, or §§45.12 or 47.44 of the Health Code.

(A)Postings and warning sign. A warning sign shall be posted in accordance with subparagraph (1)(A)(ii) of subdivision (e) of this section and caution tape shall be placed across the entrance to the work area.

(B) *Pre-cleaning and protecting movable items.* All floors, movable furniture, draperies, carpets, or other objects in the work area shall be HEPA-vacuumed or washed; all movable items shall then be moved out of the work area or otherwise covered with polyethylene plastic or equivalent sheeting. All plastic or equivalent sheeting used during the performance of the work shall be of sufficient thickness and durability to prevent tearing during the performance of the work. Such sheeting shall be of sufficient length and width to prevent dust and other debris generated by the work from spreading to areas unprotected by such sheeting. Such sheeting must be adequately secured to prevent movement of the sheeting during the performance of the work.

(C) *Covering floors.* The floor of the work area shall be covered with polyethylene plastic or equivalent sheeting. All plastic or equivalent sheeting used during the performance of the work shall be of sufficient thickness and durability to prevent tearing during the performance of the work. Such sheeting shall be of sufficient length and width to prevent dust and other debris generated by the work from spreading to areas unprotected by such sheeting. Such sheeting must be adequately secured to prevent movement of the sheeting during the performance of the work. Multiple layers of polyethylene sheeting shall be used as needed to prevent dust from contaminating the floor.

(D) *Sealing openings.* Where applicable, forced air systems in the work area shall be turned off and any openings in the work area shall be sealed with polyethylene or equivalent sheeting to prevent the penetration or dispersal of lead contaminants or lead-contaminated material.

(E) *Instructing occupants.* Occupants shall be instructed by the owner and contractor to avoid entering the work area until final clean up has been completed. The owner shall provide temporary relocation of the occupants of a dwelling or a dwelling unit to appropriate housing when work cannot be performed safely.

(F) *Hazardous materials.* All paints, thinners, solvents, chemical strippers or other flammable materials shall be delivered to the building and maintained during the course of the work in their original containers bearing the manufacturer's labels, and all material safety data sheets, as may be required by law, shall be on-site and shall be made available upon request to the occupants of the dwelling unit.

(G) *Clean-up and lead-contaminated clearance dust testing.* Clean-up and lead-contaminated dust clearance testing shall be conducted in accordance with §173.14(e)(1)(I) of this Code.

(H) *Temporary access to work areas when occupants not relocated.* When occupants are not relocated, temporary access may be allowed to areas in which work is in progress after work has ceased for the day provided that at the end of each work day:

(i)Any work area to be accessed is to be properly cleaned as specified in the daily clean-up requirements of §173.14 (e)(1)(I)(i) and the final clean-up requirements of §173.14 (e)(1)(I)(ii)(bb)through (dd) and (ff);

(ii)There are no safety hazards (including, but not limited to, exposed electric wiring or holes in the floor) or covered vents;

(iii)Floor coverings containing leaded dust and debris and hazardous materials are removed;

(iv)Floors in the work area are re-covered with a non-skid floor covering securely taped to the floor;

(v)Work areas are prepared in accordance with the requirements above when work recommences; and

(vi)At the end of each workday, and before access is permitted, a checklist indicating compliance with these conditions is completed and signed, in accordance with §3.19 of this Code, by the person responsible for overseeing the work.

(vii) Temporary access in accordance with these provisions may be allowed for no longer than five days. If work has not resumed within five days, temporary access may continue only if the person responsible for overseeing the work has repeated the work required by clauses (i)-(vi). Nothing herein shall extend the time for compliance with any order issued pursuant to this Code or for correction of any violation of the Administrative Code.

(3) Work performed to remediate lead-based paint hazards on turnover in accordance with §27-2056.8 of the Administrative Code.

(A) *Preparation and work.* The procedures described in §173.14(e)(2)(A) through (D) of this Code shall be followed.

(B) *Clean-up.* At the completion of work, the work area shall be thoroughly wet-mopped or HEPA vacuumed and a visual examination shall be conducted in the work area and the area adjacent and exterior to the work area. Any noted lead-contaminated dust or debris shall be wet-mopped or HEPA vacuumed. All rags, cloths and other supplies used in conjunction with chemical strippers or other flammable materials, or materials contaminated with lead dust or paint shall be stored at the end of each work day in sealed containers or removed from the premises, in a lawful manner.

(C) *Clearance dust testing.* Clearance testing for lead-contaminated dust shall be conducted in accordance with §173.14 (e)(1)(I) of this Code.

(f) Investigation of unsafe lead work practices by the Department.

(1) *Authority to inspect.* The Department may inspect any premises where work that is subject to this section is in progress or has been completed.

(2) *Scope of authority.* Such inspection may include but not be limited to premises where abatement or remediation of lead-based paint hazards is being conducted, where any work which may disturb lead-based paint or paint of unknown lead content is being conducted, or which is the subject of a complaint to the Department pursuant to §17-185 of the Administrative Code, and any areas affected by the emission or release of leaded dust or debris.

(3) *Actions authorized.* If the Department determines that such work is not being conducted in accordance with the provisions of this section, or other applicable law, the Department may order that such work be stopped immediately; that the premises be cleared of uncontained leaded dust and debris; that the conditions or work practices constituting a departure from the provisions of this section be corrected; and that the owner and any persons performing such work submit a work plan prior to resuming work, to demonstrate their ability and willingness to comply with the provisions of this Code or other applicable law.

(g) *Declaration pursuant to Administrative Code §17-145.* The existence of a lead-based paint condition or lead-based paint hazard pursuant to §173.13 of this Code, or a failure to comply with this section is hereby declared to constitute a public nuisance and a condition dangerous to life and health, pursuant to §17-145 of the Administrative Code. Every person obligated to comply with the provisions of this section or §173.13 of this Code is hereby ordered to abate or remediate such nuisance by complying with any order or direction issued by the Department.

(h) Modification by the Commissioner. When the strict application of any provision of this section or §173.13 of this Code presents practical difficulties or unusual hardships, the Commissioner or designee may modify the application of such provision consistent with the general purposes of these sections. When granting a modification the Commissioner or designee may impose such conditions as are necessary in the opinion of the Commissioner or designee to prevent lead contamination and to protect the health and safety of any persons likely to be exposed to lead as a consequence of such modification.

Notes:

Section 173.14 was repealed and re-enacted by resolution adopted on July 22, 2004, effective August 2, 2004, to harmonize lead-based paint hazard remediation safety standards with Local Law 1 of 2004 (the New York City Childhood Lead Poisoning Prevention Act of 2003) and the rules of the City's Department of Housing Preservation and Development. See, Article 14 of Subchapter 2 of Chapter 2 of Title 27 of the Administrative Code, and Chapter 11 of Title 28 of the Rules of the City of New York.

RESOLVED, that §173.15, adopted on the thirteenth of December nineteen hundred ninety-nine be, and the same hereby is, repealed.

Notes:

Section 173.15 was repealed by resolution adopted July 22, 2004, effective August 2, 2004. Its provisions for responding to complaints regarding unsafe lead-based paint work practices have been incorporated in §173.14 (f) of the Health Code.

NOTICE OF ADOPTION OF AN AMENDMENT TO VARIOUS PROVISIONS OF ARTICLE 175 OF THE NEW YORK CITY HEALTH CODE

In compliance with Section 1043(b) of the New York City Charter (the "Charter"), a Notice of Intention to Amend Various Provisions of Article 175 of the New York City Health Code and Notice of Public Hearing was printed in the City Record on Wednesday, March 17, 2004. A public hearing was held on Wednesday, April 21, 2004. One person testified and submitted a written comment and four additional written comments were received. After a review of the transcript of the public hearing and the comments received, no changes were made in response to the comments. The Board of Health at its July 22, 2004 meeting adopted the following:

STATUTORY AUTHORITY

These amendments to the New York City Health Code ("Health Code") are promulgated pursuant to Sections 556, 558 and 1043 of the New York City Charter ("Charter"). Section 556 of the Charter grants the Department of Health and Mental Hygiene (the "Department") jurisdiction to regulate matters affecting health in the City of New York. Section 556(s) of the Charter specifically empowers the Department to regulate radioactive materials. Section 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 of the Charter grants the Department of Health rule making powers.

STATEMENT OF BASIS AND PURPOSE

The New York City Department of Health's Office of Radiological Health (ORH) supervises and regulates the public health aspects of ionizing radiation, including the handling and disposal of radioactive waste and responding to emergencies involving sources of ionizing radiation. The Office of Radiological Health carries out its mandate through its registration, licensing, inspection, emergency response and public education programs.

The Department is requesting the authority to use State Certified Radiation Safety Officers as part of its x-ray inspection program by amending Section175.51(n) of the New York City Health Code. **Section 175.51(n) covers inspections. It is proposed that a new paragraph (E) be added to paragraph 2 of subsection (n) of Section 175.51 to include language that would authorize the Department to utilize Certified Radiation Equipment Safety Officers (CRESO) for the inspections of dental and pediatric installations in lieu of or in addition to using the Department's ORH inspectors. This proposed amendment would allow the Department's ORH flexibility in assuring timely inspections for these types of installations during years when there are large numbers of these installations coming due for inspections.**

The proposal is as follows:

Note- matter in brackets [] to be deleted
matter underlined is new

RESOLVED, that paragraph(2) of subdivision (n) of Section 175.51 of the New York City Health Code as last repealed and re-enacted by resolution, on the seventh day of June, nineteen hundred and ninety-four, be and the same hereby is amended by adding a new subparagraph (E) , to be printed together with explanatory notes, to read as follows:

§175.51 Registration and inspection of installations with radiation equipment; other permitted activities

● ● ●

(n) Inspections

(E) The inspections shall be made by the Department or, as the Department shall direct for dental and pediatric installations, by Certified Radiation Equipment Safety Officers approved by the Department, to use the New York City Health Code, including Article 175 thereof, for compliance purposes.

(i) Certified Radiation Equipment Safety Officers shall furnish an inspection report, in a form prescribed by the Department, signed by the person who made the inspection to the operator of the installation and a copy thereof to the Department in accordance with the instructions of the prescribed form.

(ii) Certified Radiation Equipment Safety Officers shall not charge or propose to charge a fee for an inspection in excess of a fair and reasonable amount as determined by the New York State Department of Health.

Notes: Paragraph(2) of subdivision (n) of Section 175.51 was added on July 22, 2004 to authorize the Department to also utilize Certified Radiation Equipment Safety Officers for the inspections of dental and pediatric installations to assure timely inspections for such installations.

AGREEMENT entered into this 20th day of July, 2004 by and between the **City of New York** and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf (hereinafter referred to jointly as the "Employer"), and Local 1181 and Local 1182, **Communications Workers of America, AFL-CIO**, (hereinafter referred to jointly as the "Union"), for the thirty-six (36) month period from July 1, 2002 to June 30, 2005.

W I T N E S S E T H:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining units set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

UNIT "A" (Local 1181)

Title	Code #
Associate Sanitation Enforcement Agent	05219,71682
Associate Traffic Enforcement Agent	71652
Senior Parking Enforcement Agent*	71622

UNIT "B" (Local 1182)

Title	Code #
Parking Enforcement Agent*	71612
Sanitation Enforcement Agent	05218, 71681
Traffic Enforcement Agent**	71651

* for present incumbents only
** except Levels III and IV

Section 2.

The terms "Employee" and "Employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 99, dated May 15, 1969 entitled "Regulations Governing Procedures for Orderly Payroll Check-Off of Union Dues," or other applicable Mayoral Executive Order.

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the Employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

(a) This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended to date, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

(b) Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of 40 hours. In accordance with Article IX, Section 24 of the 1995–2001 Citywide Agreement, an Employee who works on a full-time, per-diem basis shall receive their base salary (including salary increment schedules) and/or additions-to-gross payment in the same manner as a full-time, per-annum employee. An Employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such Employee and the number of hours in the said normal work week, unless otherwise specified.

(c) Employees who work on a part-time per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate - 1/261 of the appropriate minimum basic salary.
Hourly Rate - 40 hour week basis - 1/2088 of the appropriate minimum basic salary.

(d) The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

Section 2.

Employees in the following title(s) shall be subject to the following specified salary(ies), salary adjustment(s), and/or salary range(s):

a. Effective July 1, 2002

NOTE:
* For Present Incumbents Only
** See Article III, section 4 "New Hires"

Section 3. Wage Increases

A. Lump Sum Cash Payment

i. Effective upon ratification, a lump sum cash payment in the amount of $1,000 shall be paid in accordance with the established eligibility guidelines contained in attached Letter of Agreement.

ii. Part-time per annum, part-time per diem (including seasonal appointees), per session and hourly paid Employees whose normal work year is less than a full calendar year shall receive a pro-rata portion of the lump sum cash payment set forth in Section 3. A. i. on the basis of computations heretofore utilized by the parties for all such Employees.

iii. The lump sum cash payment provided in Section 3. A. shall be pensionable, consistent with applicable law, and shall be paid as soon as practicable upon ratification.

iv. The lump sum cash payments provided for in this Section shall not become part of the Employee's basic salary rate nor be added to the Employee's basic salary for the calculation of any salary based benefits including the calculation of future collective bargaining increases.

B. General Wage Increase

a. The general increases, effective as indicated, shall be:

i. Effective July 1, 2003, Employees shall receive a general increase of 3 percent.

ii. Effective July 1, 2004, Employees shall receive an additional general increase of 2 percent.

iii. Part-time per annum, part-time per diem (including seasonal appointees), per session, and hourly paid Employees whose normal work year is less than a full calendar year shall receive the increases provided in subsections 3 B. a. i. and 3 B. a. ii., on the basis of computations heretofore utilized by the parties for all such Employees.

b. The increases provided for in Section 3 B. above shall be calculated as follows:

i. The general increase in Section 3 B. a. i. shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on June 30, 2003.

ii. The general increase in Section 3 B. a. ii. shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on June 30, 2004.

c. i. The general increases provided for in this Section 3 shall be applied to the base rates, incremental salary levels and the minimum "hiring rates," minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The general increases provided for in this Section 3 B. a. i. and 3. B. a. ii, shall be applied to the following "additions to gross": uniform allowance (Unit "B"/Local 1182) and longevity differential (Unit "A"/Local 1181).

Section 4. New Hires

a. For the purposes of Sections 4(c) and 4(d), employees 1) who were in active pay status before July 1, 2002, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum "incumbent rate" set forth in subsections 2(a)(i)(2), 2(b)(i)(2) and 2(c)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

b. Any newly hired employee hired prior to July 1, 2002 and appointed at a reduced hiring rate pursuant to Section 4

of the 2000-2002 *Traffic Enforcement Agents, et al.* Agreement, shall be paid the applicable minimum "hiring rate" set forth in subsection 2(a)(i)(1). On the one year anniversary of the employee's original date of appointment, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on such one year anniversary as set forth in subsection 2(a)(i)(2) and 2 (b) (i) (2) of this Article III.

c. The appointment rate for any employee newly hired between July 1, 2002 and June 30, 2004, shall be the applicable minimum "hiring rate" set forth in subsections 2(a)(i)(1) and 2(b)(i)(1) of this Article III. Upon completion of one year of service, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on the one year anniversary of the employee's original date of appointment as set forth in subsections 2(a)(i)(2), 2(b)(i)(2) and 2(c)(i)(2) of this Article III.

d. **i.** For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III.

ii. Employees who change titles or levels before attaining one year of service, will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

e. The following provisions shall apply to Employees newly hired on or after July 1, 2004:

i. During the first two (2) years of service, the "appointment rate" for a newly hired employee shall be fifteen percent (15%) less than the applicable "incumbent minimum" for said title that is in effect on the date of such appointment as set forth in this Agreement. The general increases provided for in subsections 3B(a)(i) and 3B(a)(ii) shall be applied to the "appointment rate."

ii. Upon completion of two (2) years of service such employees shall be paid the indicated "incumbent minimum" for the applicable title that is in effect on the two (2) year anniversary of their original date of appointment as set forth in this Agreement

f. For the purposes of Sections 4(e) and 4(g), employees 1) who were in active pay status before July 1, 2004, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum incumbent rate" set forth in subsections 2(a)(i)(2), 2(b)(i)(2) and 2(c)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

g. **i.** For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III.

ii. Employees who change titles or levels before attaining two years of service, will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

h. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsection 4 (c) and 4 (e).

Section 5.

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 6.

In the case of an employee on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with the Rules and Regulations of the New York City Personnel Director or, where the Rules and Regulations of the New York City Personnel Director are not applicable to a public employer, such other Rules or Regulations as are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted, shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

	ADVANCEMENT INCREASE		
TITLE	7/1/02	7/1/03	7/1/04
Assoc. Sanitation Enforcement Agent Level II	$569	$569	$569
Assoc. Traffic Enforcement Agent Level II	$569	$569	$569

Section 8.

An Employee when assigned to a higher level position within a class of positions listed in this subsection shall receive for the period of such higher level assignment either the minimum basic salary of the assigned level or the rate received in the former assignment level plus the level increase specified below, whichever is greater. Assignments to a higher level shall not be considered a promotion.

		LEVEL INCREASE		
TITLE		7/1/02	7/1/03	7/1/04
Associate Sanitation Enforcement Agent	Level II	$770	$770	$770
Associate Traffic Enforcement Agent	Level II	$770	$770	$770
Associate Traffic Enforcement Agent	Level III	$905	$905	$905
Traffic Enforcement Agent	Level II	$905	$905	$905

Section 9.

a. Effective as indicated a uniform allowance in the pro rata annual sum indicated below shall be paid to each covered employee required to wear a uniform.

As specified in Unit "B" (Local 1182):

Effective 7/1/02	Effective 7/1/03	Effective 7/1/04
$552	$569	$580

As specified in Unit "A" (Local 1181):

Effective 7/1/02	Effective 7/1/03	Effective 7/1/04
$552	$552	$552

Section 10.

Effective as indicated, an Associate Traffic Enforcement Agents Level I when detailed in writing to act in the capacity of a Staff Lieutenant of a Traffic Control Division District Office shall receive an assignment differential in the pro-rata annual amount listed below for the duration of such assignment.

Effective 7/1/02	Effective 7/1/03	Effective 7/1/04
$1,123	$1,123	$1,123

Section 11. Longevity Increment

a. Employees with 15 years or more of "City" service in pay status who are not in a title already eligible for a longevity differential or service increment established by the Salary Review or Equity Panel shall receive a longevity increment of $500 per annum.

b. The rules for eligibility for the longevity increment described in subsection a. are set forth in Appendix A to this Agreement and are incorporated by reference herein.

Section 12. Longevity Differential

A. Employees shall receive longevity differential payments for years of service in titles specified in Unit "B" (Local 1182) in the following amounts:

	Effective 7/1/02	Effective 7/1/03	Effective 7/1/04
After 5 Years	$300	$300	$300
After 6 Years	$729	$729	$729
After 7 Years	$1,347	$1,347	$1,347
After 9 Years	$1,776	$1,776	$1,776
After 10 Years	$2,126	$2,126	$2,126

B. Employees shall receive longevity differential payments for years of service in titles specified in Unit "A" (Local 1181) in the following amounts:

	Effective 7/1/02	Effective 7/1/03	Effective 7/1/04
After 5 Years	$300	$300	$300
After 6 Years	$729	$729	$729
After 9 Years	$1,158	$1,158	$1,158
After 10 Years	$1,508	$1,533	$1,551

ARTICLE IV - WELFARE FUND

Section 1.

(a) In accordance with the election by the Union pursuant to the provisions of Article XIII of the Citywide Agreement between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, the Welfare Fund provisions of the 1995-2001 Citywide Agreement, as amended or any successor(s) thereto, shall apply to Employees covered by this Agreement.

(b) When an election is made by the Union pursuant to the provisions of Article XIII, Section 1b, of the Citywide Agreement between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, the provisions of Article XIII, Section 1b of the 1995-2001 Citywide Agreement, as amended or any successor(s) agreement (s) thereto, shall apply to Employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement, if any. In no case shall the single contribution provided in Article XIII, Section 1b of the 1995-2001 Citywide Agreement, as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Section 2.

The Unions agree to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

Section 3.

In accordance with the Health Benefits Agreement dated January 11, 2001, each welfare fund shall provide welfare fund benefits equal to the benefits provided on behalf of an active employee to widow(er)s, domestic partners and/or children of any employee who dies in the line of duty as that term is referenced in Section 12-126(b)(2) of the New York City Administrative Code. The cost of providing this benefit shall be funded by the Stabilization Fund.

ARTICLE V - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures may be used to determine acceptable performance levels, prepare work schedules and to measure the performance of each Employee or group of Employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on Employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

(b) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. Supervisory Responsibility

(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for Employees in supervisory positions listed in Article I, Section 1 of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on Employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

(c) Each new Employee hired after the execution of this agreement will be given a copy of the Department's Rules and Regulations, Code of Conduct and Civilian Handbook.

Section 3. Performance Compensation

The Union acknowledges the Employer's right to pay additional compensation for outstanding performance.

The Employer agrees to notify the Union of its intent to pay such additional compensation.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. Definition:

The term **"Grievance"** shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, ***written*** policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Personnel Rules and Regulations of the City of New York or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an opencompetitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent competitive employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetence or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. Failure to serve written charges as required by Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation upon a permanent Employee covered by Section 75(1) of the Civil Service Law or a permanent Employee covered by the Rules and Regulations of the Health and Hospitals Corporation where any of the penalties (including a fine) set forth in Section 75(3) of the Civil Service Law have been imposed.

g. A claimed wrongful disciplinary action taken against a provisional employee who has served for two years in the same or similar title or related occupational group in the same agency.

Section 2.

The Grievance Procedure, except for grievances as defined in Section 1(d), 1 (e), and 1 (g) of this Article, shall be as follows: Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the

results of such a discussion are unsatisfactory, the employees may present the grievance at **Step I**.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the **Step I** grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in **Step I** below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

STEP I. The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The Employee may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II. An appeal from an unsatisfactory determination at **STEP I**, where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in **STEP I.** The appeal must be made within five (5) work days of the receipt of the **STEP I** determination. The agency head or designated representative, if any, shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III. An appeal from an unsatisfactory determination at **STEP II** shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the **STEP II** determination. The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV. An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the Employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

(a) Any grievance under Section 1(d) relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the Employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

(b) A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 5.

In any case involving a grievance under Section 1(e) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A. Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at **STEP I** of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the Employee is satisfied with the determination in **STEP A** above, the Employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the Employee shall sign a waiver of the Employee's right to the procedures available to him or her under Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i). If the Employee is not satisfied with the determination at **STEP A** above, then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the Employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii). If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of **STEP A** above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totalling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **Step C** of this Section and proceed directly to **Step D**.

STEP C. If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D. If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6.

In any case involving a grievance under Section 1(g) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A. Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at **STEP I** of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the Employee is not satisfied with the determination at **STEP A** above, then the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through **STEP III**. The Union, with the consent of the Employee, shall have the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance Procedure. The period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of **STEP A** above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the Employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totalling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D -If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in **STEP IV** of the Grievance Procedure set forth in this Agreement.

Section 7.

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at **Step III** of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at **Step II** of the grievance procedure. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 8.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 9.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **STEP IV**.

Section 10.

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 11.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 12.

A non-Mayoral agency not covered by this Agreement but which employs Employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 13.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 14. Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not be limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of propose hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request

shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. **CONDUCT OF HEARINGS:**

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify Employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with Employer business.

ARTICLE VIII - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any Employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX - CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the Employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the Citywide Agreement unless otherwise specifically excluded herein.

ARTICLE X - UNION ACTIVITY

Time spent by Employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its Employees and on Union Activity" or any other applicable Executive Order.

ARTICLE XI - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labormanagement committee in each of the agencies having at least fifty Employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the Employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labormanagement committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIII - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XIV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XV - CONTRACTING -OUT CLAUSE

The problem of "Contracting Out" or "Farming Out" of work normally performed by personnel covered by this Agreement shall be referred to the Labor-Management Committee as provided for in Article XI of this Agreement.

ARTICLE XVI - EDUCATION

Section 1.

a) The Employer shall make a reasonable effort to assign steady tours to Agents and Supervisors who register for classes related to their job functions. Approval for these classes and proof of attendance may be reviewed in order to maintain this tour.

b) This provision will not be the subject of a grievance or arbitration under Article VI of this Agreement.

WHEREFORE, we have hereunto set our hands and seals this 20th day of July, 2004.

Term: July 1, 2002 - June 30, 2005

Appendix A

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees for the longevity increments provided for in Article III, Section 11 of the 2002 –2005 Traffic Enforcement Agents et al. Agreement:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. When the regular and customary work year for a title is less than a twelve month year such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in the paragraph 2 above.

a. Time on a leave approved by the proper authority which is consistent with the **Rules and Regulations of the New York City Personnel Director** or the appropriate personnel authority of a covered organization.

b. Time prior to a reinstatement.

c. Time on a preferred list pursuant to **Civil Service Law Sections 80 and 81** or any similar contractual provision.

d. Time not in pay status of 31 days or less. Notwithstanding the above, such time as specified in subsection a, b and c above shall not be used to calculate the 15 years of service.

4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500 longevity increment, the $500 shall go into the employee's base rate for all purposes except as provided in paragraph 5 below.

5. The $500 longevity increment shall not become pensionable until 15 months after the Employee becomes eligible to receive such payment. Fifteen months after the Employee begins to receive the $500 longevity increment, such $500 longevity increment shall become pensionable and as part of the Employee's base rate, the $500 longevity increment shall be subject to the general increases provided in Article III, Section 3(a) of this **Agreement.**

Re: 2002 – 2005 CWA Locals 1181 and 1182 Agreement

Dear Mr. Diesso:

This letter is to confirm certain mutual understandings and agreements regarding the above-captioned agreement.

The parties agree to establish a "Joint Labor Management Committee on Productivity Initiatives" ("*Committee*").

Composition of the Committee

The Committee shall comprise representatives designated by: the Deputy Mayor for Operations, the Law Department, the Office of Labor Relations, the Office of Management and Budget, the Office of Operations, and CWA Local 1181 and 1182.

Goals and Objectives

The Committee shall work to identify efficiencies in the administration and delivery of governmental services which shall in turn be utilized to provide additional compensation to employees. This agreement expresses the joint labor and management commitment to associate improved City service and performance with appropriate compensation for the workforce.

The goal of the Committee's work shall be to identify, review, recommend and develop initiatives that generate workplace savings, maximize the potential of the City workforce and ensure the provision of essential services while at the same time improving compensation for the City workforce. To that end, the parties will seek to identify quantifiable savings while at the same time maintaining or improving City services.

The Committee shall make all reasonable efforts to issue a report or reports on or about October 1, 2004 which propose initiatives representing meaningful, quantifiable, recurring savings to the City and which generate funding to be utilized to compensate employees. Upon completion and acceptance of all committee members of the report, an additional one percent (1%) increase shall be paid to employees covered by this agreement.

The parties agree to meet and negotiate the application of any additional savings above 1% generated by the programs developed by the Committee.

Areas for Consideration

The Committee's study may encompass such matters, including, but not limited to, work rule modifications, absence control, contracting in, workers compensation and other efficiencies.

1. Sick leave usage. The Committee will seek to design a program to examine baseline data as to sick leave usage as a benchmark for comparison. The goal will be to reduce employee sick leave usage on an ongoing basis as a productivity enhancement.

2. Contracting-in. The Committee shall identify areas wherein City services are now being outsourced with the goal of providing those services by City employees with a cost savings to the City.

3. Workers Compensation Cost Containment Task Force. The Committee shall create a special task force, requesting such assistance of cost containment experts as necessary, with the goal of developing reforms that emphasize effective treatments and speed the return to work; that explore the manner in which treatment services are provided; that set specific standards of evaluation and treatment; and that serve to root out fraudulent claims.

4. Such other areas as the Committee may mutually agree.

Resolution of Disputes

The initiatives and programs developed pursuant to this Committee must be unanimously agreed upon. In the event there is a dispute as to the amount of savings generated by an initiative or the implementation of a program, or the savings generated by a program are not paid pursuant to this agreement, it shall be submitted to arbitration upon written notice therefor by any of the parties to this Agreement to the party with whom such dispute or controversy exists. The matter submitted for arbitration shall be submitted to an arbitration panel consisting of the three impartial members of the Board of Collective Bargaining pursuant to Title 61 of the Rules of the City of New York. Any award in such arbitration proceeding shall be final and binding and shall be enforceable pursuant to

Article 75 of the CPLR.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

Re: 2002–2005 CWA Locals 1181 and 1182 Agreement

Dear Mr. Diesso:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

1. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles, as defined in relevant cases by DCAS and by HHC, from the provisions of Section 4 of the *2002-2005* CWA Locals 1181 and 1182 *Agreement*.

2. For the purposes of Section 4 of the *2002-2005* CWA Locals 1181 and 1182 *Agreement*, employees who were in active pay status prior to the date of execution of the *2002-2005* CWA Locals 1181 and 1182 Agreement who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the minimum incumbent salary set forth in Section 3 on the dates indicated therein.

a. Employees who return to active pay status from an approved leave of absence.
b. Employees in active pay status (whether full or part-time) appointed to permanent status from a civil service list or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.
c. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.
d. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.
e. Permanent employees who resign and are reinstated within one year of such resignation.
f. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.
g. A provisional employee who is appointed directly from one provisional appointment to another.
h. For circumstances that were not anticipated by the parties, the First Deputy Commissioner of Labor Relations may elect to issue, on a case-by-case basis, interpretations concerning the application of Section 4 of the ***2002-2005*** CWA Locals 1181 and 1182 ***Agreement***.

3. For the purposes of Section 2(a), "approved leave" is further defined to include:

a. maternity/childcare leave
b. military leave
c. unpaid time while on jury duty
d. unpaid leave for union business pursuant to Executive Order 75
e. unpaid leave pending workers' compensation determination
f. unpaid leave while on workers' compensation option 2
g. approved unpaid time off due to illness or exhaustion of paid sick leave
h. approved unpaid time off due to family illness
i. other pre-approved leaves without pay

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

Lump Sum Cash Payment Guidelines

June 28, 2004

Joseph Diesso
Director, Civil Service Division
Communication Workers of America, AFL-CIO
80 Pine Street, 37th floor
New York, NY 10005

Re: 2002-2005 CWA Locals 1181 and 1182 Agreement

Dear Mr. Diesso:

This is to confirm the understanding and agreement of the parties concerning the guidelines for receipt of the lump sum cash payment provided in Section 3. A. of the *2002-2005* CWA Locals 1181 and 1182 *Agreement*.

A. Eligibility Guidelines

The following categories of Employees shall be eligible to receive a lump sum cash payment in the amount of $1,000, or a pro-rata portion thereof, in accordance with the further provisions of paragraph C, below.

i. Employees who are in active pay status between April 29, 2004 and the date of ratification of the *2002-2005 CWA Locals 1181 and 1182 Agreement*.

ii. Employees who worked the full period from July 1, 2002 through June 30, 2003 and who retired on or after June 30, 2003.

iii. Employees who had at least one year of service and who had been in service during the period from July 1, 2002 through June 30, 2003 and who were laid-off/terminated for economic reasons.

iv. Employees on active Military Duty pursuant to "Operation Enduring Freedom."

v. Employees who are in pay status between April 29, 2004 and the date of ratification of the *2002-2005 CWA Locals 1181 and 1182 Agreement*, albeit on approved leave without pay, will receive the applicable lump sum payment upon their return to work.

Note: Employees who were terminated for cause or who resigned shall not be eligible for the lump sum cash payment.

B. Proration of Lump Sum Cash Payment

i. Full-time per annum and full-time per diem Employees shall receive a lump sum cash payment in the amount of $1,000.

ii. Part-time per annum, part-time per diem, per session, hourly paid and per diem Employees (including seasonal appointees) and Employees whose normal work year is less than a full calendar year shall receive a pro-rata portion of the lump sum cash payment on the basis of computations heretofore utilized by the parties for all such Employees.

C. The lump sum cash payments shall not become part of the Employee's basic salary rate nor be added to the Employee's basic salary for the calculation of any salary based benefits including the calculation of future collective bargaining increases.

D. The lump sum cash payment shall be pensionable, consistent with applicable law, and shall be paid as soon as practicable upon ratification of the *2002-2005 CWA Locals 1181 and 1182 Agreement*.

E. For circumstances that were not anticipated by the parties, the First Deputy Commissioner of Labor Relations may elect to issue, on a case-by-case basis, interpretations concerning the application of Section 3. A. of the *2002-2005 CWA Locals 1181 and 1182 Agreement*.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

Re: 2002-2005 CWA Locals 1181 and 1182 Agreement

Dear Mr. Diesso:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

a. Funding was not provided to permit the application of the general increases to the 15 year longevity increments provided in various separate unit agreements. Therefore the provisions of Section 3 B (a)(i) and 3 B (a) (ii) of the *2002-2005 CWA Locals 1181 and 1182 Agreement* shall *not* apply to such longevity increments.

b. Notwithstanding the above, once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500 longevity increment, the $500 shall become part of the employee's base rate for all purposes except as provided in paragraph c. below.

c. The $500 longevity increment shall not become pensionable until fifteen months after the employee begins to receive such $500 increment. Fifteen months after the employee begins to receive the $500 longevity increment, such $500 longevity increment shall become pensionable and as part of the employee's base rate, the $500 longevity increment shall be subject to the general increases provided in Section 3 B(a) of this Agreement.

d. All other provisions of Appendix A shall remain in full force and effect.

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

Re: 2002-2005 CWA Locals 1181 and 1182 Agreement

Dear Mr. Diesso:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

For those employees hired between July 15, 1996 through March 31, 2000, upon completion of four (4) years of active or qualified inactive service, an employee in active pay status appointed pursuant to the provisions set forth in Section 5(b) of the 1995 MCMEA shall receive a one-time lump sum payment calculated by taking the difference between the "hiring rate" received by the employee and the indicated minimum for the applicable title set forth in this *Agreement* that was in effect on the one year anniversary of the employee's original date of appointment to their title. Such one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the higher salary rate been in effect and the annual salary rate they did earn.

"Qualified inactive service" is defined for the purposes of this agreement to include the following employees:

1. those who are on preferred or recall lists; or

2. those who are on an approved leave.

"Approved leave" is further defined to include:

a. maternity/childcare leave
b. military leave
c. unpaid time while on jury duty
d. unpaid leave for union business pursuant to Executive Order 75
e. unpaid leave pending workers' compensation determination
f. unpaid leave while on workers' compensation option 2
g. approved unpaid time off due to illness or exhaustion of paid sick leave
h. approved unpaid time off due to family illness
i. other pre-approved leaves without pay

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

VENDOR INFORMATION MANUAL

This manual contains information on how to do business with the City. It can be obtained, at no cost, from the Department of Small Business Services, 110 William Street - 2nd floor, New York, NY 10038. Request should be made to Gordon Richards, Director - Procurement Outreach Program, (212) 513-6356 (Tel) or (212) 618-8899 (Fax).

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List**/Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement**/only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement**/markets with significant short-term price fluctuations
SCE .....**Service Contract Extension**/insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.
