It is anticipated that the contract term will be from July 1, 2005 to June 30, 2006. CONSTRUCTION MANAGEMENT – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-05S-002-829 – DUE 05-24-05 AT 5:00 P.M. – The New York City Department of Homeless Services ("DHS") is issuing a Request for Proposals seeking up to two appropriately qualified vendors to provide on-call Construction Management services for Capital and Expense renovation projects at Adult and Family residential shelter sites citywide. These services may include plans for general construction, plumbing, mechanical, electrical, HVAC and elevator systems, structural work and site work. DHS maintains approximately 200 homeless shelter sites citywide. To ensure that all applicable regulatory codes are met, DHS must undertake various construction and renovation projects at these locations. The size of the structures vary significantly from armories to residential brownstones. Additional shelter sites may be added during the term of this contract.

It is anticipated that the term of the contract(s) awarded from this RFP will be for three (3) years, subject to the availability of funds . The contract(s) may additionally include a one year option to renew, likewise subject to the availability of funds. The agency reserves the right prior to contract award to determine the length of the contract term and each option to renew, if any.

It is anticipated that the maximum available funding for Capital funded projects is $2,500,000 and for Expense funded projects $1,000,000.

The Request for Proposals will be available for pick-up beginning Friday, April 8, 2005 at the Department of Homeless Services, 33 Beaver Street, 13th Floor Bid Desk, New York, NY. 10004.

The pre-proposal conference will be held on Tuesday, April 26, 2005 at 1:30 P.M. at the Department of Homeless Services, 33 Beaver Street, 17th Floor Training Room, New York, NY 10004.

Any questions regarding this solicitation should be directed to Calvin Pitter, Deputy Agency Chief Contracting Officer, DHS, 33 Beaver Street, Room 1312, New York, N.Y. 10004 at (212) 361-8413 or e-mail at cpitter@dhs.nyc.gov

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON PROPOSED RULE CHANGES RELATING TO THE ISSUANCE OF PERMITS FOR SPECIAL ENTERTAINMENT EVENTS

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Community Assistance Unit by Executive Order No. 14 of 1990, and in accordance with section 1043 of the New York City Charter, that the Community Assistance Unit intends to amend its rule, Chapter 1 of Title 50 of the Official Compilation of Rules of the City of New York, relating to street activity permits as they pertain to permits for certain entertainment events. Matter underlined is new. The proposed amendment is set forth below. The proposed rule change was not included in the agency's regulatory agenda because the change to be established by the rule was not anticipated at the time the regulatory agenda was to be published.

Written comment regarding this proposed amendment may be sent to the office of Commissioner Jonathan Greenspun, Community Assistance Unit, 100 Gold Street, 2nd floor, New York, New York 10007, on or before May 23, 2005.

A hearing for public comment will be held on May 26, 2005 at Barish Hall, 22 Reade Street, 2nd Floor, New York, New York 10007, at 10:00 A.M. Persons seeking to testify are requested to notify the office of Commissioner Greenspun at the Community Assistance Unit office, 100 Gold Street, 2nd floor, New York, New York 10038 not less than five (5) days prior to the hearing. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Commissioner Greenspun's office at the foregoing address no later than two weeks prior to the hearing.

Written comments and a videotape recording of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, on week days between the hours of 9:00 A.M. and 5:00 P.M., at the office of Julianne Cho, Assistant Commissioner of the Mayor's Office of Film, Theatre & Broadcasting, 1697 Broadway, New York, NY 10019.

* * * *

Subdivision (b) of section 1-03 of Chapter 1 of Title 50 of the Compilation of Rules of the City of New York is amended to read as follows:

(b) Street activity permits for such events shall be issued to a sponsor, which shall take responsibility for the conduct of the event. A sponsor shall be a community-based, not-for-profit organization, association, or the like, which has an indigenous relationship to the specific street or community or both, for which the event is proposed and which demonstrates that it has the support of the community and is willing to take full responsibility for the conduct of the event. Street activity permits for business celebrations or the like, except for Special Event Permits for certain entertainment events that are issued by the Mayor's Office of Film, Theater and Broadcasting in accordance with chapter eight of title forty-three may, at the discretion of the Director of SAPO, be issued to individuals or commercial entities. All applications for street activity permits must be completed, endorsed and submitted by the applicant, who shall be a natural person authorized to act on behalf of the sponsor in connection with the application.

Statement of Basis and Purpose

The Community Assistance Unit's ("CAU") Street Activity Permit Office ("SAPO") is charged with administration of the permit system for street activities, block parties, fairs and various commercial or business events, which function is described in Section 1-03 of CAU's rules. This proposed rule change will implement a decision to transfer such function to the Mayor's Office of Film, Theater and Broadcasting ("MOFTB") as it pertains to certain entertainment events in New York City, and thus it is proposed simultaneously with the publication of a proposed new Chapter 8 of Title 43 relating to that function. MOFTB would now issue permits for Special Events that are held in New York City in the entertainment field. These include special promotional events in the entertainment field held in connection with movie premieres, theatre openings, and other promotional events held with respect to films, television commercials and radio promotion.

Because MOFTB has been, for almost forty years, the office providing one-stop clearance and permit operations for film and television productions in the City, it is logical that this permitting function be administered by MOFTB. Moreover, a primary mission of MOFTB is to attract business for the City in the entertainment industry, and thus as that industry's primary liaison to the City, this permitting function supports such mission.

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON RULE CHANGES RELATING TO THE ISSUANCE OF PERMITS FOR SPECIAL ENTERTAINMENT EVENTS

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Mayor's Office of Film, Theater & Broadcasting by sections 389(b) and 1043 of the New York City Charter, that the Mayor's Office of Film, Theater & Broadcasting intends to adopt the following proposed new rule, Chapter 8, governing the issuance of Special Event Permits in connection with certain entertainment events. Matter underlined is new. The proposed amendments are set forth below. The proposed rule was not included in the Department's regulatory agenda because the changes to be established by the rule were not anticipated at the time the regulatory agenda was to be published.

Written comment regarding this proposed amendment may be sent to John Battista, Deputy Commissioner, 1697 Broadway, New York, New York 10019, on or before May 26, 2005. Comments may be submitted electronically to jbattista@film.nyc.gov.

A hearing for public comment will be held on May 26, 2005, at Barish Conf. Room, 22 Reade Street, 2nd Floor, New York, New York 10007, at 9:00 AM. Persons seeking to testify are requested to notify Vivian Cannon at (212) 489-6710 not less than five (5) business days prior to the hearing. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Ms. Cannon at 1697 Broadway, New York, New York 10019 no later than two weeks prior to the hearing.

Written comments and a videotape recording of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, on week days between the hours of 9:00 A.M. and 5:00 P.M., at the office of Julianne Cho, Assistant Commissioner, 1697 Broadway, New York, NY 10019.

Title 43 of the Rules of the City of New York is amended by adding a new Chapter 8, to read as follows:

CHAPTER 8
PERMITS AND FEES

* * * *

§ 8-01. Special Event Permits Relating to Certain Entertainment Events.

The Mayor's Office of Film, Theater & Broadcasting ("MOFTB") shall issue Special Event Permits held in New York City in connection with certain entertainment promotional events. These include special events associated with movie premieres, theatre openings, and other promotional events held with respect to films, television commercials and radio promotion. Special Event Permits for such events may, at the discretion of the Commissioner of MOFTB, be issued to individuals or commercial entities. As used in this section, the term "sponsor" or "applicant" shall include the individual or commercial entity named in an application for a Special Event Permit, which application shall be submitted on forms prescribed by the Commissioner of MOFTB.

§ 8-02. Fees.

(a) Fees in the form of a certified check or money order made payable to "New York City Department of Finance" are based on the City resources required as determined by the occupancy capacity of the venues where events will be held, and will authorize activities including, for example, the placement of a "red carpet", the setting aside of a "limousine lane", or the siting of a tent or other structure. Fees shall be non-refundable. Such checks shall accompany each application for a Special Event Permit and are as follows:

(1) For a large event: up to $5,000.00
(2) For a medium event: up to $3,100.00
(3) For a small event: up to $1,750.00.

(b) For any given activity, if an application is for an event that will require fewer than all of the available event amenities, a proportionally lower fee will be assessed.

§ 8-03. Processing of Special Event Permits.

(a) Applications for Special Event Permits shall be submitted to the MOFTB no later than thirty (30) days prior to the date of the event. Upon receipt of an application, MOFTB shall notify and consult, as appropriate, with the Police Department Borough Commander and the commanding officer of the local Police Precinct in whose area the event would be held; the Fire Department; the Street Activities Permit Office ("SAPO") of the Community Assistance Unit; the Department of Transportation; and the Department of Sanitation. The Commissioner of MOFTB shall consider information, if any, submitted by any of the foregoing agencies in connection with such notification.

(b) The Commissioner of MOFTB shall determine whether to approve, approve with conditions, or deny a Special Event Permit. At any time during the review of an application for a Special Event Permit, the Commissioner of MOFTB may require that the applicant or sponsor submit such additional information as the Commissioner deems necessary, to evaluate the application or the particular facts surrounding the proposed event that is the subject of the permit request.

(c) The Commissioner of MOFTB shall have the authority to deny an application, to condition the approval of an application, or to revoke a Special Events Permit, based on the past or present failure of the applicant or sponsor

(1) to make payment of the application fee; or
(2) to present proof that all necessary and proper licenses, permits or authorizations have been received; or
(3) to comply with applicable laws or rules; or
(4) to comply with a condition imposed on a permit issued previously to the applicant or sponsor.

(d) The Commissioner of MOFTB shall have the authority to deny an application, condition the approval of an application or revoke a Special Event Permit on any or all of the following grounds:

(1) any of the City or other government agencies which were notified of the Special Event Permit application had reason to raise objections regarding the permit request; or

(2) the proposed activity, when considered in conjunction with other proposed activities, would produce an excessive burden on the community, City services or City personnel; or

(3) the information provided on the application or forms or documentation required to be submitted is false, misleading, incomplete or inaccurate; or

(4) approval of the application is not in the best interest of the community, the City or the general public for reasons that may include, but are not limited to, honesty, integrity or financial responsibility of the sponsor. If the Commissioner determines that the application is denied on the basis of any such grounds the Commissioner shall notify the applicant that the application has been denied and shall specify the reason for such denial.

(e) Permits received pursuant to this section shall be non-transferrable.

Statement of Basis and Purpose

This rule implements a decision to transfer a function that is currently administered by the Community Assistance Unit's ("CAU") Street Activity Permit Office ("SAPO"). It would add a new Chapter 8 to Title 43 to authorize the Mayor's Office of Film, Theater and Broadcasting ("MOFTB") to issue permits for special promotional events that are held in New York City in the entertainment field. These include special events held in connection with movie premieres, theatre openings, and other promotional events held with respect to films, television commercials and radio promotion.

Because MOFTB has been, for almost forty years, the office providing one-stop clearance and permit operations for film and television productions in the City, it is logical that this permitting function be administered by MOFTB. Moreover, a primary mission of MOFTB is to attract business for the City in the entertainment industry, and thus as that industry's primary liaison to the City, this permitting function supports such mission.

TRANSPORTATION

■ NOTICE

Notice of Opportunity to Comment on Proposed Rule regarding crosswalks and intersections.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by section 2903(a) of the New York City Charter, and in accordance with section 1043 of the Charter, that the Department of Transportation proposes to amend the definition of crosswalk in subdivision (b) of section 4-01 and paragraph (4) of subdivision (e) of section 4-08 of Chapter 4 of Title 34 of the Official Compilation of the Rules of the City of New York, the Traffic Rules. Matter underlined is new; matter [in brackets] is deleted. This rule was not included in the agency's regulatory agenda as it was not anticipated at the time the agenda was published.

Written comments regarding the proposed rules may be sent to Michael Primeggia, Deputy Commissioner, Division of Traffic Operations, Department of Transportation, 28-11 Queens Plaza North, Long Island City, NY 11101. A public hearing shall be held on May 23, 2005 at 40 Worth Street, Room 1015, New York, N.Y. at 10:00 a.m. Persons seeking to testify are requested to notify Deputy Commissioner Primeggia at the address stated above. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Deputy Commissioner Primeggia at the foregoing address by May 13, 2005. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Iris Weinshall, Commissioner.

Section 1. The definition of "crosswalk" in subdivision (b) of section 4-01 of Title 34 of the Rules of the City of New York is amended to read as follows:

Crosswalk.

(i) Marked crosswalk. That part of a roadway defined by two parallel lines or highlighted by a pattern of lines (perpendicular, parallel or diagonal used either separately or in combination) that is intended to guide pedestrians into proper crossing paths.
(ii) Unmarked crosswalk. That part of a roadway, [whether] other than a marked [or unmarked] crosswalk, which is included within the extensions of the sidewalk lines between opposite sides of the roadway at an intersection.

§2. Paragraph (4) of subdivision (e) of section 4-08 of Title 34 of the Rules of the City of New York is amended to read as follows:

(4) Intersections. Within an intersection, except on the side of a roadway opposite a street which intersects but does not cross such roadway and except as provided in paragraph (5), below.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding parking and traffic in the City pursuant to section 2903 of the New York City Charter.

The definition of "crosswalk" in subdivision (b) of section 4-01 is being amended to separate marked from unmarked crosswalks.

Paragraph (4) of subdivision (e) of section 4-08 of Title 34 of the Rules of the City of New York prohibits stopping, standing or parking at intersections, except for "T"-intersections. However, paragraph (5) of that same subdivision (e) prohibits stopping, standing or parking in crosswalks. Separating the definition of crosswalk into marked and unmarked crosswalks makes clear that unmarked crosswalks do not exist at two of the three crossings in a "T"-intersection. This is because the roadway that ends at a "T"-intersection has no "opposite side" across the intersection. Therefore, in the absence of a marked crosswalk, parking is permitted all along the top of a "T"-intersection, which is not interrupted by another roadway.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

It is anticipated that the contract term will be from July 1, 2005 to June 30, 2006. CONSTRUCTION MANAGEMENT – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-05S-002-829 – DUE 05-24-05 AT 5:00 P.M. – The New York City Department of Homeless Services ("DHS") is issuing a Request for Proposals seeking up to two appropriately qualified vendors to provide on-call Construction Management services for Capital and Expense renovation projects at Adult and Family residential shelter sites citywide. These services may include plans for general construction, plumbing, mechanical, electrical, HVAC and elevator systems, structural work and site work. DHS maintains approximately 200 homeless shelter sites citywide. To ensure that all applicable regulatory codes are met, DHS must undertake various construction and renovation projects at these locations. The size of the structures vary significantly from armories to residential brownstones. Additional shelter sites may be added during the term of this contract.

It is anticipated that the term of the contract(s) awarded from this RFP will be for three (3) years, subject to the availability of funds . The contract(s) may additionally include a one year option to renew, likewise subject to the availability of funds. The agency reserves the right prior to contract award to determine the length of the contract term and each option to renew, if any.

It is anticipated that the maximum available funding for Capital funded projects is $2,500,000 and for Expense funded projects $1,000,000.

The Request for Proposals will be available for pick-up beginning Friday, April 8, 2005 at the Department of Homeless Services, 33 Beaver Street, 13th Floor Bid Desk, New York, NY. 10004.

The pre-proposal conference will be held on Tuesday, April 26, 2005 at 1:30 P.M. at the Department of Homeless Services, 33 Beaver Street, 17th Floor Training Room, New York, NY 10004.

Any questions regarding this solicitation should be directed to Calvin Pitter, Deputy Agency Chief Contracting Officer, DHS, 33 Beaver Street, Room 1312, New York, N.Y. 10004 at (212) 361-8413 or e-mail at cpitter@dhs.nyc.gov

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

(B) certifies that it has a self-insuranc program in place that satisfies the requirements contained in subparagraph (i) and will continue it for the life of the permit and the guarantee period;

(C) agrees to provide the same defense of any suit against the City that alleges facts that bring the suit within the scope of the coverage required in subparagraph (i) as an insurer would be obligated to provide under the laws of New York;

(D) agrees that the applicant is fully liable to the City for satisfying the obligations set forth in this paragraph 3 by a writing signed by a person authorized to bind the applicant and acknowledged by a notary public, and

(E) provides the Department with the name and address of the office or official of its self-insurance program who is responsible for satisfying the self insurance obligations.

(vii) The permittee shall maintain insurance throughout the Guarantee Period, as defined in subparagraph (ii) of paragraph (16) of subdivision (e) of section 2-11 of these rules, satisfying the requirements in subparagraph (i) of this paragraph and providing coverage for all accidents arising out of defects discovered during such Guarantee Period.

(viii) The permittee shall state in each notice of an occurrence, claim or suit it provides to its insurer under the policy that the notice is also on behalf of the City of New York as additional insured;

(ix) In the event that a permittee negligently or intentionally fails to secure insurance in full compliance with subparagraphs (i), (ii) or (vii) or fails to self insure as provided in subparagraph (vi), or fails to provide notice to its insurance carrier, including notice on behalf of the City as required in subparagraph (viii), the permittee itself shall be liable to the City for the City's payment by settlement or judgment in any action that would have been covered by such insurance, plus reasonable attorneys fees and costs incurred in the City's defense of such action.

(x) The permittee shall, to the extent permitted by law, indemnify, defend and hold harmless the City of New York, the Department of Transportation, its Commissioners, officers, agents and employees from and against any and all loss, cost or expense (including, without limitation, reasonable attorneys' fees and disbursements) resulting from any claims, suits and demands for property damage or personal injury, including death, arising out of the permitted activity, whether just or unjust, fraudulent or not.

(xi) A failure by the City of New York or the Department to enforce any of the foregoing requirements shall not constitute a waiver of such requirement or any other requirement.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to regulate work taking place on City streets and sidewalks pursuant to section 2903 of the New York City Charter and Title 19 of the New York City Administrative Code.

Paragraph (3) of subdivision (a) of section 2-02 is being amended to clarify the insurance and indemnification requirements for our permit applicants and also to enhance the protection to the City. Permit applicants may now use a standard ISO form which contains the coverage required by the Department and permit applicants may now use out-of-state insurers. The requirements are also more in-line with insurance requirements from other City agencies.

Additionally, the amendment provides a procedure for applicants with self-insured programs.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CONSTRUCTION MANAGEMENT – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-05S-002-829 – DUE 05-24-05 AT 5:00 P.M. – The New York City Department of Homeless Services ("DHS") is issuing a Request for Proposals seeking up to two appropriately qualified vendors to provide on-call Construction Management services for Capital and Expense renovation projects at Adult and Family residential shelter sites citywide. These services may include plans for general construction, plumbing, mechanical, electrical, HVAC and elevator systems, structural work and site work. DHS maintains approximately 200 homeless shelter sites citywide. To ensure that all applicable regulatory codes are met, DHS must undertake various construction and renovation projects at these locations. The size of the structures vary significantly from armories to residential brownstones. Additional shelter sites may be added during the term of this contract.

It is anticipated that the term of the contract(s) awarded from this RFP will be for three (3) years, subject to the availability of funds . The contract(s) may additionally include a one year option to renew, likewise subject to the availability of funds. The agency reserves the right prior to contract award to determine the length of the contract term and each option to renew, if any.

It is anticipated that the maximum available funding for Capital funded projects is $2,500,000 and for Expense funded projects $1,000,000.

The Request for Proposals will be available for pick-up beginning Friday, April 8, 2005 at the Department of

Homeless Services, 33 Beaver Street, 13th Floor Bid Desk, New York, NY. 10004.

The pre-proposal conference will be held on Tuesday, April 26, 2005 at 1:30 P.M. at the Department of Homeless Services, 33 Beaver Street, 17th Floor Training Room New York, NY 10004.

Any questions regarding this solicitation should be directed to Calvin Pitter, Deputy Agency Chief Contracting Officer, DHS, 33 Beaver Street, Room 1312, New York, N.Y. 10004 at (212) 361-8413 or e-mail at cpitter@dhs.nyc.gov

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and

depending on the financial terms and conditions.
Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at

253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract at

(212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.
The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.
Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally

incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

AGENCY RULES

FINANCE

■ NOTICE

Regulatory Agenda for Fiscal Year 2006

In compliance with section 1042 of the New York City Charter, the following is the regulatory agenda for rules that the Department of Finance anticipates that it may promulgate during the fiscal year beginning July 1, 2005 and ending June 30, 2006.

An approximate schedule for adopting the proposed rules and the name and telephone number of a Department of Finance official knowledgeable about each subject area involved are listed below each section.

1. **AMENDMENTS TO GENERAL CORPORATION TAX RULES**

Pursuant to chapter 6, subchapter 2 of title 11 of the Administrative Code, the General Corporation Tax is imposed on every domestic or foreign corporation for the privilege of doing business, employing capital, owning or leasing property, or maintaining an office in the City of New York. Corporations subject to the tax will be subject to these rules. The Department intends to amend these rules to reflect legislative changes, court decisions and existing departmental policies not presently addressed by the rules and to eliminate obsolete provisions. The Department anticipates that the remainder of these changes will be completed during the coming fiscal year.

Second half of fiscal year 2006
Andrew Eisner (718) 403-3600

The Department is participating in a project with the New York State Department of Taxation & Finance and outside participants to develop guidelines for treating items of income, gain, loss, deduction and credits flowing through to a corporate partner from a partnership. When that project is completed, the Department will amend the General Corporation Tax rules to reflect the results of that project.

Second half of fiscal year 2006
Andrew Eisner (718) 403-3600

2. **AMENDMENTS TO UNINCORPORATED BUSINESS TAX RULES**

Pursuant to chapter 5 of title 11 of the Administrative Code, the Unincorporated Business Tax is imposed on unincorporated businesses carried on in the City of New York. Individuals and unincorporated entities are subject to these rules. The Department intends to amend these rules to reflect legislative changes and existing departmental policies not presently addressed by the rules and to eliminate obsolete provisions. The Department anticipates that due to the scope of this project, the rules will be amended in stages, several of which were completed in prior fiscal years but the remainder of which may not be completed during the coming fiscal year. The Department also intends to amend those sections of the rules relating to the treatment of employees' wages for purposes of the payroll percentage component of the formula allocation method, and those sections of the rules relating to the definition of a partner. In addition, the Department anticipates proposing rules relating to the treatment by corporate and unincorporated partners of their distributive share of items of income, gain, loss, deduction, and capital from partnerships.

First half of fiscal year 2006
Andrew Eisner (718) 403-3600

3. **AMENDMENTS TO REAL PROPERTY TRANSFER TAX RULES**

Pursuant to chapter 21 of title 11 of the Administrative Code, the Real Property Transfer Tax is imposed on transfers of real property or economic interests therein located in New York City. The rules contain provisions governing the application of the tax to transfers in connection with mortgage foreclosures and transfers in lieu of foreclosure. The New York State Department of Taxation and Finance made substantial changes to its regulations governing the New York Real Estate Transfer Tax governing those transactions in 1994. The Department intends to amend the provisions of the RPTT governing mortgage foreclosures and deeds in lieu of foreclosures and related transactions to more closely conform to the treatment of those transactions under the New York State Real Estate Transfer Tax.

First half of fiscal year 2006
Andrew Eisner (718) 403-3600

Sections 302 through 307 of chapter 170 of the Laws of 1994 amended the State enabling law authorizing the imposition of the Real Property Transfer Tax and chapter 21 of the Administrative Code to provide for temporary tax rate relief for qualifying real estate investment trust transfers. Chapter 309 of the Laws of 1996 further amended the State enabling law and the Administrative Code to make tax rate relief for qualifying real estate investment trust transfers permanent. Chapter 85 of the Laws of 2002 made technical corrections to those provisions. The Department intends to amend all those sections of the Rules Relating to the Real Property Transfer Tax that are affected by the enactment of the real estate investment trust transfer provisions.

Second half of fiscal year 2006
Andrew Eisner (718) 403-3600

4. **AMENDMENTS TO REAP RULES**

Pursuant to chapter 6-B of Title 22 of the Administrative Code, the Relocation and Employment Assistance Program provides for credits against the GCT, UBT, Bank Tax and Utility Tax for eligible businesses that relocate to eligible premises in New York City in areas other than Manhattan south of 96th Street. The Department intends to amend these rules to reflect legislative changes and to address certain issues pertaining to multiple relocations pursuant to the Commissioner's statutory discretion, if necessary.

First half of fiscal year 2006
Andrew Eisner (718) 403-3600

5. **AMENDMENTS TO COMMERCIAL RENT TAX RULES**

Chapter 7 of Title 11 of the Administrative Code imposes a tax on the amount of base rent paid by tenants of commercial premises located in New York County south of the center line of 96th Street. Local Law 57 of 1995 amended section 11-704 of the Administrative Code to provide a one-year exemption from the Commercial Rent Tax for the first year of a theatrical production. The Department intends to amend the rules relating to the tax to clarify how this exemption applies under various circumstances.

First half of fiscal year 2006
Andrew Eisner (718) 403-3600

6. **PROMULGATE RULES RELATING TO DISTRIBUTION OF VOTER REGISTRATION FORMS**

For the purpose of providing wider distribution of voter registration forms, Local Law 29 of 2000 added a new section 1058 to the New York City Charter to require that certain City agencies distribute voter registration forms to agency clients when they first apply for services or when they rectify or change their address. Completion of voter registration forms is voluntary. The law authorizes City agencies to adopt rules as may be necessary to implement the law.

Second half of fiscal year 2006
Robert Dauman (718) 403-3600

7. **AMENDMENTS TO RULES RELATING TO PARKING VIOLATIONS**

The Department plans to update the list of agencies that are authorized to issue parking summonses to ensure that the names of such agencies are accurate in light of renaming and reorganizations that have occurred in recent years.

First half of fiscal year 2006
Alan Roth (718) 403-3600

8. **AMENDMENTS TO RULES RELATING TO REFUNDS OF REAL PROPERTY TAXES**

The Department plans to amend these rules to conform with changes in policy and the availability of requesting refunds via the Department's website. The changes are intended to simplify the procedure for obtaining refunds, and the amendments will apply to any party seeking to obtain a refund of overpayments of real property taxes or property-related charges.

First half of fiscal year 2006
Robert Dauman (718) 403-3600

9. **PROMULGATE RULES RELATING TO THE VALUATION OF REAL PROPERTY**

The Department plans to promulgate new rules concerning the methodology used in the valuation of real property for real property taxation. The rules may include provisions for consistency in methodology used in determining building size, the manner in which capitalization rates are set and the manner in which income and expense information is used in valuation of real property.

Second half of fiscal year 2006
Robert Dauman (718) 403-3600

10. **UPDATE OF OUTDATED REFERENCES IN AGENCY RULES**

The Department plans to review all its rules to revise outdated references, which include changes to agency unit names and addresses.

First half of fiscal year 2006
Robert Dauman (718) 403-3600

11. **AMENDMENT TO RULES RELATING TO FEES CHARGED BY THE DEPARTMENT OF FINANCE**

The Department intends to amend these rules as needed to reflect fees charged by the agency, including conforming the rules with legislation that authorized an increase in the fee imposed for a dishonored check that was tendered to pay a City tax or charge. General Municipal Law §85 was amended to authorize cities to charge a fee of up to $20.00 for a dishonored check. The law had previously authorized a fee of up to $15.00. These rules will be amended to conform with the increase which was enacted by Executive Order.

First half of fiscal year 2006
Robert Dauman (718) 403-3600

12. **AMENDMENTS TO RULES RELATING TO THE INDUSTRIAL AND COMMERCIAL INCENTIVE PROGRAM**

The Industrial and Commercial Incentive Program ("ICIP"), enacted by Local Law 71 of 1984, provides for partial exemption or deferral of taxation on eligible industrial or commercial buildings that are constructed, modernized, rehabilitated, expanded or otherwise physically improved.

The Department plans to amend its rules to conform with recent legislative changes and changes in Department policy. This includes changes pursuant to commercial revitalization legislation and, if enacted legislatively, changes to streamline the application process.

Second half of fiscal year 2006
Bruce Brasky (212) 361-6705

13. **AMENDMENTS TO RULES RELATING TO THE FILING OF INCOME AND EXPENSE STATEMENTS**

The Department intends to amend these rules, which pertain to the requirement of Administrative Code §11-208.1 that owners of income producing property annually file income and expense statements. TAX APPEALS TRIBUNAL

■ NOTICE

Regulatory Agenda for Fiscal Year 2006

In compliance with Section 1042 of the New York City Charter, the following is the regulatory agenda for additions and changes to the Rules of Practice and Procedure of the New York City Tax Appeals Tribunal that the Tribunal anticipates may be promulgated during the fiscal year beginning July 1, 2005 and ending June 30, 2006. Since the planned agenda covers different sections of the rules, it is anticipated that the additions and changes will be adopted as one package during the second half of fiscal year 2006. The Tax Appeals Tribunal official knowledgeable about each subject area is Mary E. Gallagher. Her telephone number is (212) 669-2070.

The Rules of Practice and Procedure of the Tax Appeals Tribunal (enacted pursuant to sections 168 through 172 of the New York City Charter) provide taxpayers with a two-tiered quasi-judicial forum for resolving disputes with the New York City Department of Finance involving non-property taxes administered by the City of New York. The proposed changes are based on issues that have arisen in the course of hearing cases, and on suggestions from the Tribunal and taxpayers. The rules that are expected to be adopted will: add a subdivision on a power of attorney, change the pleadings section of the rules, change the motion practice provisions, provide for the filing of amicus briefs, provide a specific time period for the filing of reply briefs, create a uniform time period for the filing of cross-exceptions, and provide for technical changes to the rules.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 (as amended), except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. ARTICLE VI - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. - Performance Levels

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. - Supervisory Responsibility

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

Section 3. - Performance Compensation

The Union acknowledges the Employer's right to pay additional compensation for outstanding performance.

The Employer agrees to notify the Union of its intent to pay such additional compensation.

ARTICLE VII - EMPLOYEES' INDEMNIFICATION

Section 1.

The City shall be liable for and save harmless each employee covered hereunder for any claim for damages and/or personal injuries alleged to have been sustained by a claimant as a result of any action or omission occurring in the performance of the employee's duties and within the scope of his or her employment.

Section 2.

The foregoing is conditioned upon the following:

a. Each employee hereunder shall promptly forward to his/her agency of employment all summonses or notices of whatsoever nature, pertaining to claims received or served upon them or each of them.

b. Each employee hereunder shall cooperate fully in aiding the City to investigate, adjust, settle or defend each claim, action or proceeding.

c. The defense of all claims, actions and proceedings within the purview of this Article shall be conducted by the City. The Corporation Counsel of the City shall appear and defend such actions and proceedings on behalf of each employee covered hereunder.

d. No settlement shall be made without the approval of the City, including the Comptroller, and in accordance with procedures previously employed to settle actions involving municipal employees.

e. In the event of any appeal from a judgment against an employee hereunder, the City will promptly satisfy the judgment or stay the execution thereof by filing the appropriate bonds or instruments, so that execution shall not issue against the employee.

ARTICLE VIII - GRIEVANCE PROCEDURE

Section 1. - Definition:

The term "Grievance" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Personnel Rules and Regulations of the City of New York or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed wrongful disciplinary action taken against:

i. a permanent employee covered by Section 75(1) of the Civil Service Law;

ii. a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation;

iii. a non-competitive per annum employee appointed in a title in Section 3(a) of Article III hereof who was employed prior to September 1, 1983 or who has completed one year of service; or

iv. a per diem, hourly-paid or per tour employee of a Mayoral Agency who is regularly employed 17-1/2 or more hours per week and has completed one year of such employment; upon whom the agency head has served written charges of incompetence or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent or continued status of employment.

e. Per diem, hourly-paid or per tour employees in Mayoral Agencies who have been employed fewer than 17-1/2 hours but at least 4 years on a regular basis of at least ten (10) hours per week, will not be subject to termination of employment for arbitrary or capricious reasons; and any issues hereunder shall be subject to the contractual grievance procedure up to and including Step III (OLR) only.

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1(d), and 1(e) of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at **Step I**.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the **Step I** grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.

Step I The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The employee may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II An appeal from an unsatisfactory determination at **STEP I** or **STEP I(a)**, where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in **STEP I**. The appeal must be made within five (5) work days of the receipt of the **STEP I** or **STEP I(a)** determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at **STEP II** shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the **STEP II** determination. The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

NOTE: The following **STEP I(a)** shall be applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1(a) through 1(c) of this Article and shall be applied prior to **Step II** of this Section:

STEP I(a) An appeal from an unsatisfactory determination at **Step I** shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the **Step I** determination. A copy of the grievance appeal shall be sent to the person who initially passed upon the grievance. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4. Disciplinary Procedure

In any case involving a grievance under Section 1(d) or 1(e) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at **STEP I** of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in **STEP A** above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i) If the Employee is not satisfied with the determination at **STEP A** above, then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative for employees covered by subsections 1(e)(i) and (ii) or as the procedure for employees covered by subsection 1(e)(iii), the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

Because non-competitive per annum employees, appointed in titles listed in Section 3(a) of Article III hereof, are notcovered by the disciplinary procedures set forth in Section 75 of the Civil Service Law, such employees may proceed only in accord with the Grievance Procedure if not satisfied with the decision at **STEP A**, above.

STEP B(ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of **STEP A** above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) working days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth working day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative, the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head

or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) working days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement. This step is not applicable for those employees utilizing this procedure pursuant to Article VIII, Section 1(e).

Section 5.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 6.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 7.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 8.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 9.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 11.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 12. Disciplinary Rights of Dentists and Senior Dentists.

Incumbents in the classes of positions of Dentist and Senior Dentist who on November 30, 1988 were employed 12-1/2 or more hours per week by the City of New York and continue to be so employed shall be deemed covered by Article VIII, subsection 1(d)(iv), provided they have completed *or* shall complete one year of such employment.

Section 13. Expedited Arbitration Procedure.

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of propose hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

Re: 2002-2005 Doctors Council Agreement

Dear Dr. Liebowitz:

This letter will confirm the status of certain agreements reached prior to the negotiations for the 2002-2005 Doctors Council Agreement ("DCA") between the City of New York and the New York City Health and Hospitals Corporation, and the Doctors Council.

1. The following provisions (based on the letter attached to the 1984-1987 DCA dated October 2, 1986, captioned "Longevity Differential") concerning the proration of prior per-session service upon appointment to a per annum title eligible for longevity differentials pursuant to Article III, Section 8(c) of the 1995-2000 DCA shall be continued during the term of the 2002-2005 DCA.

   a. Incumbent employees who are members of the New York City Employees Retirement System ("NYCERS") or per-session employees who were appointed to a per annum title between July 1, 1982 and June 30, 1987, shall have their per-session service pro-rated in accordance with the methodology employed by NYCERS in determining service credit for per-session employees.

   b. Any per-session employee who shall be appointed to a per annum position after June 30, 1987, and who is not a member of NYCERS shall have his/her per-session service pro-rated based on the ratio of hours worked in each year as a per-session versus the number of hours listed for the per annum title in Article III.

   c. Nothing contained in these provisions shall modify any previous agreements on pro-ration of per-session time, except as it applies to the application to Article III, Section 8(c).

2. The following terms and conditions (based on the letter attached to the 1984-1987 DCA dated October 2, 1986 and captioned "1984-87 Doctors Council Agreement") shall be continued during the term of the 2002-2005 DCA. It is understood that the welfare fund payments described in paragraph 2(e) shall be continued solely for those Attending Physicians, if any, to whom payments were made during the term of said 1984-1987 DCA.

   a. The Employer shall make hepatitis B vaccine available at no cost to employees covered by the 2002-2005 DCA. In the event that the cost of such vaccine provided to said employees exceeds $25,000, the Doctors Council Welfare Fund shall reimburse the Employer for any such excess.

   b. The Employer shall provide the Doctors Council with list(s) of Employees and their addresses, insofar as such information is available.

   c. To the extent that the PMS and HHC payroll programs permit and when available to all employees paid via said payroll programs:

      i. all employees will be paid bi-weekly,

      ii. time and leave statements will be regularly provided to all employees, and

      iii. percentage due/fee deduction shall be available.

   d. With reference to and notwithstanding anything appearing to the contrary in Article V, Section 2(b) of the 1995-2000 DCA, a tour of duty for Medical Investigators for purposes of said Section 2(b) is understood by the parties to range between 5 and 24 hours. The City and the Doctors Council reserve all other rights and claims with respect to the definition or application for any other purpose of the number of hours in a tour for Medical Examiners.

   e. The New York City Health and Hospitals Corporation will make welfare fund payments to the Doctors Council on behalf of Attending Physicians employed more than (10) hours but less than 18-3/4 hours per week in the amount equal to that paid other part-time per annum employees covered by 1984-1987 DCA. These payments shall be made annually, or pro-rated and paid on such other basis as the HHC makes welfare fund contributions in its normal course of business on behalf of employees on the payroll as of July 1, 1984, July 1, 1985, and/or July 1, 1986. There shall be no presumption that this shall continue beyond the term of the 1984-1987 DCA.

3. Based on the side letter captioned "Kings County Hospital Emergency Room" (dated February 13 1990), all Physicians and Attending Physicians assigned to the King County Hospital Emergency Room shall receive the salary rates set forth below in lieu of the hourly and annual rates, including any assignment differential(s), contained in the 2002-2005 DCA. Re: 2002-2005 Doctors Council Agreement

Dear Dr. Liebowitz:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

For those employees hired between July 15, 1996 through March 31, 2000, upon completion of four (4) years of active or qualified inactive service, an employee in active pay status appointed pursuant to the provisions set forth in Section 5(b) of the 1995 MCMEA shall receive a one-time lump sum payment calculated by taking the difference between the "hiring rate" received by the employee and the indicated minimum for the applicable title that was in effect on the one year anniversary of the employee's original date of appointment to their title. Such one-time lump sum payment shall be equivalent to the difference between the annual salary rate the employee would have actually earned during the employee's second year of service had the higher salary rate been in effect and the annual salary rate they did earn.

"Qualified inactive service" is defined for the purposes of Section 4(f) to include the following employees:

i. those who are on preferred or recall lists; or
ii. those who are on the following unpaid approved leaves

(1) maternity/childcare leave;

(2) unpaid military leave;

(3) unpaid time while on jury duty;

(4) unpaid leave for union business pursuant to Executive Order 75;

(5) unpaid leave pending workers' compensation determination;

(6) unpaid leave while on workers' compensation option 2;

(7) approved unpaid time off due to illness or exhaustion of paid sick leave;

(8) approved unpaid time off due to family illness; and

(9) other pre-approved leaves without pay

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
