DEFERRED COMPENSATION BOARD

MEETING

The New York City Deferred Compensation Plan Board will hold its monthly meeting on Wednesday, August 2nd, 2006 from 10:00 A.M. to 1:00 P.M. The meeting will be held at 40 Rector Street, 3rd Floor, NYC.

jy31-a2

EDUCATION

NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M. Friday August 4, 2006.

ITEM(S) FOR CONSIDERATION:

Preamble to Items for Consideration Numbered 1-7

Starting in the 2006-07 school year, the DOE will provide schools with a comprehensive package of diagnostic and periodic assessments, expert

assistance to schools in using and designing diagnostic assessments, and training in data-driven differentiated education for all children. These supports will be identified and provided through one or more fully competitive Request for Proposal(s) to be issued by the DOE to all potential providers of these services in late 2006 or early 2007. The DOE intends to use the current school year to pilot a variety of options in different schools for a short period of time. The seven proposals that follow are designed to enable the DOE, on a pilot basis, to experiment with a variety of possibilities and to assist in planning more competitive procurements going forward.

1. Institute for Learning

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with the Institute for Learning (IFL). IFL, under the leadership of Dr. Lauren Resnick, is proposing to offer schools their Instructional Quality Assessment toolkit and accompanying training which would allow instructors to evaluate how instruction provides opportunities to study rigorous content and engage in high levels of learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $177,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $177,000

2. UniServices

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Auckland UniServices Limited (UniServices) to deliver their formative assessment solution. This will provide teachers with supported training and a test creation process that allows instructors to create assessments with levels of difficulty and other variables optimized to their instructional model.

The term of this agreement will be for 1 year from August 5, 2006 through August4, 2007 at an estimated cost of $250,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $250,000

3. America's Choice

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with America's Choice to assist schools in designing their own assessments and customizing default option assessments. America's Choice will also design and implement a study to establish the equivalent rigor of each school's system in relation to the default offering.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $154,000.

TERM: 8/5/06-8/4/07 Contract Cost: $154,000

4. Northwest Evaluation Association

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Northwest Evaluation Association (NWEA) to provide schools NWEA's Measures of Academic Progress (MAP) assessment solution. MAP evaluates functional level testing and reports growth measurement. NWEA will also provide professional development around data usage to the schools it serves.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $400,000.

TERM: 8/5/06 -8/4/07 Contract Cost: Estimated $400,000

5. ETS/Assessment Training Institute

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with ETS/Assessment Training Institute (ATI). ETS/ATI is proposing to conduct training and workshops for school-based teams. The trainings and workshops will focus on building assessment systems linked to everyday student learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $121,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $121,000

6. TERC/Using Data Project

Services: For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with TERC/Using Data Project to train data facilitators in schools and regional offices. The service will include training and technical assistance on the Using Data process to prepare instructors and administrators for the role of data facilitators.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $198,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $198,000

7. The Princeton Review

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting approval to enter in to an agreement with The Princeton Review for a one-year pilot program in high schools city wide to provide periodic assessments. The Princeton Review has experience in providing assessments of student abilities, both online and in print form, along with rapid scoring to allow high schools to focus on using data to improve instruction.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $1,738,565.

TERM: 8/5/2006-8/4/2007 Contract Cost: Estimated $1,738,565

jy31-a4

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing Clinton Hill Apartment Owners Corp. to continue to maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617
For the period July 1, 2014 to June 30, 2015 - $ 9,822
For the period July 1, 2015 to June 30, 2016 - $10,027
For the period July 1, 2016 to June 30, 2017 - $10,232

the maintenance of a security deposit in the sum of $10,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits and pipes, under and across Amity and Henry Streets, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006 to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $12,203
For the period July 1, 2007 to June 30, 2008 - $12,509
For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608

For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158

For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

WEB-BASED COURSEWARE AND PROFESSIONAL DEVELOPMENT FOR HIGH SCHOOL STUDENTS AND TEACHERS IN NON-PUBLIC SCHOOL – Negotiated Acquisition – PIN# 79640 – To enter into a negotiated acquisition to enter into an agreement with Bridges Transitions, Inc., located at 1628 Dickson Avenue, Kelowna, BC, Canada V1Y9X1 to provide web-based courseware and professional development for high school students and teachers in non-public schools. The No Child Left Behind Act of 2001 (NCLB) mandates that LEAs consult with non-public school officials during the design and development of its programs. During this consultation process, it was requested that Bridges continue to provide online access to New York Regents, SAT and PSAT courses to over 5,000 students and professional development to approximately 73 teachers from 36 non-public high schools. The students, teachers and principals are highly satisfied with Bridges, and the learning environment would be disrupted if the high school students and teachers were required to be retrained using a similar online product. The student-based courseware and professional development provided by Bridges meet the goals and objectives of the Title IIA Professional Development and/or Title IID Enhancing Education Through Technology program funded through NCLB and are correlated to the New York State Learning Standards in English Language Arts and Mathematics. The term of this contract is 9/1/06 - 8/31/09, for the following amounts: Year 1: $207,300; Year 2: $225,300; Year 3: $243,300.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

WEB-BASED COURSEWARE AND PROFESSIONAL DEVELOPMENT FOR HIGH SCHOOL STUDENTS AND TEACHERS IN NON-PUBLIC SCHOOL – Negotiated Acquisition – PIN# 79640 – To enter into a negotiated acquisition to enter into an agreement with Bridges Transitions, Inc., located at 1628 Dickson Avenue, Kelowna, BC, Canada V1Y9X1 to provide web-based courseware and professional development for high school students and teachers in non-public schools. The No Child Left Behind Act of 2001 (NCLB) mandates that LEAs consult with non-public school officials during the design and development of its programs. During this consultation process, it was requested that Bridges continue to provide online access to New York Regents, SAT and PSAT courses to over 5,000 students and professional development to approximately 73 teachers from 36 non-public high schools. The students, teachers and principals are highly satisfied with Bridges, and the learning environment would be disrupted if the high school students and teachers were required to be retrained using a similar online product. The student-based courseware and professional development provided by Bridges meet the goals and objectives of the Title IIA Professional Development and/or Title IID Enhancing Education Through Technology program funded through NCLB and are correlated to the New York State Learning Standards in English Language Arts and Mathematics. The term of this contract is 9/1/06 - 8/31/09, for the following amounts: Year 1: $207,300; Year 2: $225,300; Year 3: $243,300.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

BUREAU OF ENGINEERING DESIGN AND CONSTRUCTION

■ SOLICITATIONS

Construction / Construction Services

CORRECTION: CROTON WATER TREATMENT PLANT CONSTRUCTION - ELECTRICAL WORK, BRONX – Competitive Sealed Bids – DUE 09-26-06 AT 11:30 A.M. – PIN# 82606WM00187 - ELECT- LOW VOLTAGE
PIN# 82606WM00191 - ELECT- HIGH VOLTAGE
CORRECTION: CRO-312E1 and E2 - Electrical Work
CROTON WATER TREATMENT PLANT
CRO-312 E1 and E2 include the construction of the electrical systems necessary for the Croton Water Treatment Plant at Mosholu Golf Course in Van Cortlandt Park, Bronx.
CRO-312 E1 is for the Low Voltage and CRO-312 E2 is for the High Voltage. These two electrical contracts are in conjunction with Contracts CRO-312 G, H and P which are currently being advertised. A pre-bid meeting and job site inspection will be held at 10:00 A.M. on August 10th, 2006, at the Mosholu Croton Water Treatment Plant Construction Manager Office, 3701 Jerome Avenue, Bronx, NY 10467. All attendance is required security clearance from the DEP Police. Each person must e-mail a completed Non - Employee Facility Access Authorization Information form (as attached in the Invitation to Bid) to Mr. Francis Lo at flo@dep.nyc.gov, to be received by August 8th, 2006. Include in the e-mail, "Subject August 10th, 10:00 A.M., Site Visit for Contract CRO-312E1 and E2" as well as a contact name and phone number. Be advised that ONLY approved attendees will be admitted to the facility. There will be NO EXCEPTIONS. Attendees MUST present government issued photo

identification to gain entry. Expired identification will not be accepted. The entrance of the Mosholu Croton Water Treatment Plant site area is on Jerome Avenue near the IRT No. 4 Woodland Subway Station. Please be aware that there will be no parking in the site area. All attendees should find their own parking or use the parking lot at the Shandler Recreation Area which is about three hundred feet further north from the entrance of the site area.
The Mosholu Croton Water Treatment Plant is an ongoing construction site and all attendees should have their own personnel safety equipment (hard hat, boots, etc) to enter the site area. All attendees will remain with the group and in designated areas during the visit. Wandering around the site is not permitted. Cameras, videos and bags are not permitted on-site. Prospective bidders are encouraged to submit all questions in writing, prior to the pre-bid- meeting to Francis Lo, Project Manager, Division of Watershed Facilities Design, Bureau of Engineering Design and Construction, Department of Environmental Protection, 96-05 Horace Harding Expressway, 5th Floor, Corona, N. Y. 11373-5107.

Documents for this contract may be obtained from the Contract Division at 59-17 Junction Boulevard, 17th Floor, Elmhurst, N. Y. 11373-5107, for a fee of $100.00 per set to be paid by Company check or money order payable to the Department of Environmental Protection. No cash will be accepted. There will be no refund of monies received for, plans and specifications etc, so obtained. This advertisement and the award of the contract are subject to postponement or withdrawal without prior notice. The City is not responsible for cost incurred for the preparation of bids.The contract shall be subjected to Equal Opportunity provisions of City, State and Federal Laws. Vendor Source I.D.#: 34577.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the addition of Section 32-05 of Chapter 32 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding "Impact Resistant Stair and Elevator Enclosures."

This rule was first published on May 16, 2006 and a public hearing thereon was held on June 15, 2006. This rule shall take effect 30 days from the date of publication.

Dated: July 27, 2006
New York, New York

Patricia J. Lancaster, F.A.I.A.
Commissioner

Section 1. Title 1 of the Rules of the City of New York is amended by adding a new section 32-05 to read as follows:

New material is indicated by underlining.

Chapter 32

Walls

§ 32-05 Impact Resistant Stair and Elevator Enclosures In high rise buildings constructed pursuant to applications filed on or after July 1, 2006, stair and elevator enclosures serving occupancy group E spaces shall be constructed with impact resistant wall assemblies. A compliant wall assembly shall be substantially identical to, and shall provide an impact resistance equivalent to or exceeding, the performance of one of the following:

(a) **Stud wall.** Impact resistant construction boards shall satisfy the following requirements:
(1) Materials and assemblies shall comply with the following:
a Materials: Impact resistant construction board sheathed on the impact face of the stair or elevator enclosure wall assembly shall be tested by a laboratory acceptable to the commissioner in accordance with the requirements of ASTM C1629, (*Standard Classification for Abuse-Resistance - Non-Decorated Gypsum Panel Products & Fiberglass-Reinforced Cement Panels*). The impact face shall be considered as the exterior of the stair or elevator enclosure, on the occupied side of the building, and shall be comprised of

two layers of construction boards. The construction board used as the base layer panel shall meet or exceed Impact Classification Level 2, as measured by the method described in ASTM C1629, and the face panel shall be a minimum 5/8 inch gypsum construction board.

b. Assembly:
   i. The wall assembly shall have a minimum two-hour fire resistance rating as measured by the method described in ASTM E119.
   ii. The wall assembly shall meet or exceed Soft Body Impact Classification Level 2 (195 ft.- lbs) as measured by the method described in ASTM C1629.

(2) Installation:
   a. Studs shall be minimum 3-½ inch depth metal studs, at least 33 mils thick (20 gauge).
   b. Vertical studs shall be spaced at a maximum distance of 24 inches, on center.
   c. Runners shall be securely attached at the floor and ceiling to structural element members in such a manner that provides lateral resistance in excess of the equivalent energy of Soft Body Impact Classification Level 2 of ASTM C1629. The installation of top and bottom runner tracks shall be subject to controlled inspection.
   d. Construction boards shall be attached with No. 8 self-drilling bugle-head screws, 12 inches, on center maximum, with a minimum depth of ? inch penetration into the wall cavity. Screw attachments shall meet the requirements of ASTM C 1002, *Standard Specification for Steel Drill Screws for the Application of Gypsum Panel Products or Metal Plaster Bases.*
   e. Joints between adjoining sheets of construction board shall be staggered from base layer with face panel layer.

(b) **Concrete and masonry walls.** Concrete or masonry walls shall satisfy the impact resistance requirements of this section provided that the enclosure walls are anchored to structural members that provide lateral support as required by the seismic provisions of RS 10. The assembly shall be rated for two-hour fire resistance, as measured by the method described in ASTM E119.

(c) **Other Wall Assemblies.** Wall assemblies not classified in (a) and (b) of this section shall comply with the following criteria:

(1) Impact face: Boards or materials constituting the impact face of the stair or elevator enclosure assembly shall be tested by a laboratory, acceptable to the commissioner, to provide an impact resistance equivalent to gypsum panel meeting Hard Body Impact Classification Level 3 resistance (150 ft-lbs), as measured by ASTM C1629. When more than one layer of material is required to meet the impact resistance requirement, such layers shall be tested in tandem.

(2) Assembly:
   a. The wall assembly shall have a minimum two-hour fire resistance rating as measured by the method described in ASTM E119.
   b. The wall assembly shall meet or exceed Soft Body Impact Classification Level 2 as measured by the method described in ASTM C1629.

(3) Installation: Wall assemblies shall be anchored to structural members in such manner that provides lateral resistance in excess of the equivalent energy of Soft Body Impact Classification Level 2 of ASTM C1629. The installation shall be subject to controlled inspection.

STATEMENT OF BASIS AND PURPOSE

Local Law 26 of 2004 mandates that high rise office buildings, constructed pursuant to applications filed on or after July 1, 2006, be built with impact resistant stair and elevator enclosures, and requires that the Commissioner of Buildings adopt a rule establishing the technical standards for their installation.

Pursuant to Local Law 26 of 2004, as codified in §27-375(i)(6) and §27-987(c)(2) of the Administrative Code of the City of New York, this proposed rule establishes the technical standards for the installation of impact resistant stair and elevator enclosures in compliance with that mandate.

☛ a1

MAYOR'S OFFICE OF FILM, THEATRE AND BROADCASTING

■ NOTICE

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON AMENDMENTS TO RULES RELATING TO THE NEW YORK CITY MADE IN NEW YORK FILM PRODUCTION TAX CREDIT PROGRAM

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Mayor's Office of Film, Theatre and Broadcasting by sections 389(b) and 1043 of the New York City Charter and in accordance with the requirements of section 1043 of the New York City Charter, that the Mayor's Office of Film, Theatre and Broadcasting intends to adopt amendments to rules governing the film production tax credit program. These rules are necessary to carry out the powers and duties delegated to the Commissioner of the Mayor's Office of Film, Theatre and Broadcasting by (1) sections 2 and 3 of Part Y of Chapter 62 of the Laws of 2006 and (2) Local Law No. 24 of 2006, signed by the Mayor on July 11, 2006 and effective immediately.

Written comment regarding this proposed amendment may be sent to Julianne Cho, Assistant Commissioner, Mayor's Office of Film, Theatre and Broadcasting, 1697 Broadway, New York, NY 10019. Comments may be submitted electronically to Ms. Cho at jcho@film.nyc.gov.

A hearing for public comment will be held on August 31, 2006, at 1697 Broadway, 6th Floor, New York, New York 10019, at 9:00 AM. Persons seeking to testify are requested to notify Ms. Cho at (212) 489-6710 no fewer than five (5) business days prior to the hearing. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Ms. Cho at the above address no later than two weeks prior to the hearing.

Written comments and a recording of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, on week days between the hours of 9:00 A.M. and 5:00 P.M., at the office of Ms. Cho at the above address.

Matter underlined is new, and deleted material is bracketed. The proposed amendments are set forth below. The proposed rule was not included in the Department's regulatory agenda because the changes to be established by the rule were not anticipated at the time the regulatory agenda was to be published.

Section 1. Subdivision (a) of § 7-01 of Chapter 7 of Title 43 of the Rules of the City of New York is amended to read as follows:

(a) The purpose of these regulations is to set forth the application process for the New York City Made In New York Film Production Tax Credit program established by Local Law Number 2 of the Year 2005, as amended by Local Law No. 24 of the Year 2006, pursuant to subdivision (b) of section 1201-a of the Tax Law. The Mayor's Office of Film, Theatre and Broadcasting has authority to promulgate regulations to establish procedures for the allocation of such credits[,] including, but not limited to, the application process, standards for application evaluations, and any other provisions deemed necessary and appropriate. The Mayor's Office of Film, Theatre and Broadcasting shall administer the program, including[,] the issuance of tax credit certificates. These regulations do not govern the New York State film production tax credit program. Eligibility in and receipt of a tax credit in the New York State program does not guarantee eligibility in or receipt of a tax credit in the New York City Made In New York film production tax credit program. In addition, eligibility in and receipt of a tax credit in the New York City Made In New York film production tax credit program does not guarantee eligibility in or receipt of a tax credit in the New York State program.

§ 2. Subdivisions (a), (h), (q) and (s) of § 7-02 of Chapter 7 of Title 43 of the Rules of the City of New York are amended to read as follows:

(a) **Authorized applicant.** "Authorized applicant" means a qualified film production company that is scheduled to begin principal and ongoing photography on the qualified film no more than [one hundred eighty (180)] ninety (90) days after submitting an initial application to the Office and intends to shoot a portion of principal and ongoing photography on a stage at a qualified film production facility on a set or sets.

(h) **Effective date.** "Effective date" means the date the certificate of conditional eligibility becomes effective. Such date is determined by the date the initial application is received by the Office. In the event that the applicant's principal and ongoing photography on a qualified film does not actually begin within [one hundred eighty (180)] ninety (90) days of the submission of the initial application, the applicant's effective date will be recalculated to correspond to the date [one hundred eighty] ninety (90) days prior to the date that the approved applicant submits, and the Office receives, a notification of the actual commencement of principal and ongoing photography [to the Office]. If the actual commencement of principal and ongoing photography does not begin within one hundred eighty (180) days of submission of the initial application, the application shall no longer be deemed valid.

(q) **Priority number.** "Priority number" means the number used by the Office to determine allocation of the New York City Made In New York film production tax credit. Priority number shall be based on the applicant's effective date; provided, however, that in the event that there is more than one initial application with the same effective date, priority shall be given to the authorized applicant with the earliest anticipated date of commencement of principal and ongoing photography. Provided further that if the principal and ongoing photography does not begin on the anticipated date, and the commencement date is within the one hundred eighty (180)-day limitation provided in subdivision (h) of this section, such priority number shall be recalculated based upon the date that the Office receives notification of actual commencement of principal and ongoing photography from the approved applicant.

(s) **Premature application.** "Premature application" means an initial application in which the Office reasonably determines that the applicant cannot commence principal and ongoing photography within [one hundred eighty (180)] ninety (90) days of the date the initial application was submitted. Such determination may, but is not required to, be based on, among other things, vagueness of the applicant's answers on the initial application and during the initial interview and lack of documentation supporting an applicant's initial application.

§ 3. Paragraph 1 of subdivision (c) § 7-03 of Chapter 7 of Title 43 of the Rules of the City of New York is amended to read as follows:

(1) Within [sixty (60)] ninety (90) days after the completion of production of a qualified film, or, if a written extension request is submitted, one hundred fifty (150) days after the completion of production, the approved applicant shall submit a final application to the Office.

§ 4. Subdivision (a) of § 7-05 of Chapter 7 of Title 43 of the Rules of the City of New York is amended to read as follows:

[(a)] The Office shall allocate the amount of the credits allocated for each calendar year in order of priority based upon an applicant's effective date. In the event that an approved applicant's New York City Made In New York production tax credit would exceed the maximum amount of credits allowed for that given year, the approved applicant will be allocated credits on a priority basis in the immediately succeeding calendar year. A maximum of $12.5 million of credits may be allocated [to each calendar year] in 2004 and 2005, and $30 million in 2006 through 2011.

§ 5. Paragraph 3 of subdivision (a) of § 7-06 of Chapter 7 of Title 43 of the Rules of the City of New York is amended to read as follows:

(3) the application is submitted within one hundred eighty (180) days of the start of the principal and ongoing photography;

§ 6. Paragraphs 3 through 8 of subdivision (a) of § 7-06 of Chapter 7 of Title 43 of the Rules of the City of New York are renumbered 4 through 9.

§ 7. Paragraph 5 of subdivision (b) of § 7-06 of Chapter 7 of Title 43 of the Rules of the City of New York is amended to read as follows:

(5) the final application was submitted within [60] ninety (90) days after the completion of production of a qualified film, or, if a written extension request has been submitted, one hundred fifty (150) days after the completion of production;

§ 8. Section 7-06 of Chapter 7 of Title 43 of the Rules of the City of New York is amended by adding a new subdivision (c) to read as follows:

(c) For purposes of this section, the Office may consider whether an authorized applicant executes or has executed an agreement with the Office that obligates the authorized applicant to include the Office's "Made In New York" logo in the screen credits of the qualified film indicating receipt of the tax credit.

§ 9. Chapter 7 of Title 43 of the Rules of the City of New York is amended by adding a new § 7-09 to read as follows:

§ 7-09 **Applicability**

The amendments made by the rules that added this section shall not apply to initial or final applications submitted prior to the effective date of such amendments, with the exception of the amendments made to §7-05 of this chapter by section 4 of such rules.

STATEMENT OF BASIS AND PURPOSE

These rules are promulgated in accordance with recent State and local law amendments to the "Made In New York Film Production Tax Credit" program. State legislation enacted in 2004 had provided for State tax credits under the new "Empire State Film Production Tax Credit" program, and authorized New York City to establish such a program by local law with respect to local tax credits, which was accomplished by the passage of Local Law No. 2 of 2005. Both such laws were recently amended by the State Legislature (Chapter 62 of the Laws of 2006) and the City Council (Local Law No. 24 of 2006), resulting in an extension of the program through 2011, pursuant to which funds have been increased to support the State and City tax credits through that year.

Local Law No. 24 of 2006 requires that the Mayor's Office of Film, Theatre & Broadcasting ("MOFTB") amend the rules previously promulgated (effective June 12, 2005) with respect to procedures for the allocation of tax credits allowed under the Administrative Code. In the time since the original rules were promulgated, MOFTB has gained considerable experience administering the program and has determined that changes should be made to certain of these procedures.

Specifically, the rule changes set forth herein decrease the time period applicable to submissions for film production tax credits, shortening the period of time from 180 to 90 days, within which principal and ongoing photography must be commenced. Failure to meet such deadlines will result in the postponement of the application's effective date to a date 90 days prior to such date of actual commencement.

Moreover, under these changes the failure to commence the principal and ongoing photography within 180 days of the date of submission of the application will render the application invalid. An application will now be deemed premature if it is submitted more than 90 days prior to the commencement of the principal and ongoing photography. Final applications for the film production tax credits must be submitted within 90 (formerly 60) days after completion of the production. Applicants will be permitted to file a written request to extend such 90-day period to 150 days after completion of production.

The rules incorporate a new criterion for evaluating applications: whether an applicant agrees to include the MOFTB "Made In New York" logo in the screen credits of the qualified film, indicating receipt of the tax credit.

A new § 7-09, "Applicability", provides that these new rules do not apply to initial or final applications submitted prior to the effective date of the amendments, with the exception of the amendments made to § 7-05 which refer to the funds allocated to the film production tax credit program as provided by law.

Finally, the rules contain technical amendments that reference the enactment of the 2006 State legislation and the subsequent local law that was signed by the Mayor in July, 2006.

/s/ Katherine Oliver

TRANSPORTATION

■ NOTICE

Notice of Opportunity to Comment on Proposed Rule regarding the increase of fees collected for Jolt Elimination Team Backcharges (JETS).

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by subdivision (b) of Section 2903 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation proposes to amend Section 2-03 of Chapter 2 of Title 34 of the Official

Compilation of the Rules of the City of New York, the Highway Rules. Matter underlined is new; matter in [brackets] is deleted. This rule was included in the agency's regulatory agenda.

Written comments regarding the proposed rules may be sent to Conan Freud, Deputy Commissioner, Division of Administrative Services, Department of Transportation, 40 Worth Street, Room 1124, New York, NY 10013 on or before August 22, 2006. A public hearing shall be held on August 29, 2006 at 40 Worth Street, Room 1015, New York, NY at 10:00 A.M. Persons seeking to testify are requested to notify Deputy Commissioner Freud at the address stated above by August 22, 2006. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Deputy Commissioner Freud at the foregoing address by August 22, 2006. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Iris Weinshall, Commissioner.

Section 1. Section 2-03 of Title 34 of the Rules of the City of New York is amended to add the following entry under "Miscellaneous Charges and Fees":

Permit or Activity	Fee	Other Charges	Maximum Duration per Permit	Maximum Distance per Permit	Maximum Width per Permit
Backcharges and JETS	$[86.00] 134.00 per sq. yd.				

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULES

The Commissioner of the Department of Transportation is authorized to promulgate rules relating to fees collected by the Department of Transportation pursuant to Section 2903(b) of the New York City Charter and Title 19 of the New York City Administrative Code.

Section 2-03 is being amended to increase the fees collected for backcharges and JETS. This fee allows the Department of Transportation to recover the cost of temporarily restoring street defects caused by private entities, such as a plumbers and/or utility companies. The administrative fee currently charged no longer accurately reflects administrative and labor costs incurred in performing the required emergency repair work.

SPECIAL MATERIALS

CITY COUNCIL

■ NOTICE

NOTICE IS HEREBY GIVEN THAT this Resolution was submitted to the New York City Council on July 19, 2006 and is published pursuant to Section 363c of the New York City Charter:

L.U. No. 197

CITYWIDE

Resolution authorizing franchises for cable television services

By Council Members Katz and Avella (at the request of the Mayor).

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, the Commissioner of the Department of Information Technology and Telecommunications has made an initial determination, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), of the need for franchises for cable television services (as that term is defined hereinafter); and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for such franchises pursuant to Section 363 of the Charter; and

WHEREAS, use of the inalienable property of the City (as defined hereinafter) helps to facilitate the availability of cable television service;

The Council hereby resolves that:

A. The Council authorizes the Department of Information Technology and Telecommunications to grant non-exclusive franchises for the construction, installation, use, operation and/or maintenance of cable, wire and/or optical fiber and associated equipment on, over and under the inalienable property of the City (including through pipes, conduits and similar improvements thereto) for provision of cable television services in the City.

B. The public services to be provided under such franchises shall be cable television services, as defined hereinafter.

C. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located in, on, over or under the surface of such inalienable property of the City.

D. For purposes of this resolution, "cable television services" shall mean "cable service" as defined in the Cable Communications Policy Act of 1984, as amended (47 U.S.C. Sections 521 et seq.).

E. All franchises granted pursuant to this resolution shall require, as provided in Charter Sections 363 and 372, the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

F. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council.

G. Prior to the grant of any such franchise, and to the extent consistent with New York State and federal law, a request for proposals or other solicitation ("solicitation") shall be issued by the Department of Information Technology and Telecommunications. Prior to issuing any such solicitation, all legally required environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by the Department of Information Technology and Telecommunications to evaluate responses to such solicitation shall include, but not be limited to, the following, if and to the extent permitted by law:

(1) the adequacy of the proposed compensation to be paid to the City;

(2) the financial, legal, technical and managerial experience and capabilities of the applicant(s), including (without limitation, except as limited by law) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise; and

(3) the degree to which the public interest will be served by the service proposed to be provided.

H. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, terms and conditions consistent with the following to the extent permitted by law (and shall not include any provision which is prohibited by law from inclusion in such franchise agreement):

(1) no franchise granted pursuant hereto shall have a term that exceeds fifteen (15) years, including options to renew if any;

(2) the compensation for the franchise to be paid to the City shall be adequate and may include monetary compensation, the provision of facilities and/or services to the City, or both;

(3) the franchise may be terminated or cancelled in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;

(4) the franchisee shall be required to provide security to ensure the performance of the franchisee's obligations under the agreement;

(5) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(6) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;

(7) all franchisees shall be required to maintain complete and accurate books of account and records sufficient to assure franchisee's compliance with the franchise agreement, which books of account and records shall be made available on demand to the City for inspection;

(8) there shall be provisions to ensure quality workmanship and construction methods with respect to those facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property;

(9) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(10) there shall be provisions requiring the franchisee to comply with applicable City laws and regulations related to, but not limited to, employment and investigations;

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions requiring the consent of the City prior to an assignment or other transfer of, or change in control of, the franchise;

(13) there shall be provisions regarding City rights to inspect facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property, and regarding City rights to direct relocation of such facilities;

(14) all franchisees shall have been subject, prior to commencement of the franchise term, to review under the City's Vendor Information Exchange System ("VENDEX") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City from damage, and the delivery of public services from interruption, resulting from the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property;

(18) there shall be provisions designed to minimize the extent to which the public use of the streets of the City are disrupted in connection with the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property; and

(19) no franchise granted hereunder shall contain economic or regulatory burdens on the franchisee which when taken as a whole are greater or lesser than those burdens placed upon another cable television franchisee operating in the same area.

I. The Department of Information Technology and Telecommunications shall file with the Council the following documents:

(1) within fifteen (15) days of issuance, a copy of each solicitation issued pursuant to this resolution;

(2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this resolution; and

(3) on or before July 1 of each year, a report detailing the revenues received by the City from each franchise granted pursuant to this resolution during the preceding calendar year.

J. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

☛ a1-7

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

HEALTH AND MENTAL HYGIENE

Notice of Concept Paper

In advance of the release of a Request for Proposals for the NY/NY III Congregate Supportive Housing Programs, the Department of Health and Mental Hygiene (DOHMH) is issuing a concept paper presenting DOHMH's plan for this program citywide. The Congregate concept paper will be posted on the Department's website http://www.nyc.gov/html/doh/downloads/pdf/acco/acco-concept-NYCongregate-20060712.pdf beginning on August 8, 2006. Public comment is invited. The concept paper will be posted until September 22, 2006.

☛ a1-7

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEFERRED COMPENSATION BOARD

■ MEETING

The New York City Deferred Compensation Plan Board will hold its monthly meeting on Wednesday, August 2nd, 2006 from 10:00 A.M. to 1:00 P.M. The meeting will be held at 40 Rector Street, 3rd Floor, NYC.

jy31-a2

EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M. Friday August 4, 2006.

ITEM(S) FOR CONSIDERATION:

Preamble to Items for Consideration Numbered 1-7

Starting in the 2006-07 school year, the DOE will provide schools with a comprehensive package of diagnostic and periodic assessments, expert assistance to schools in using and designing diagnostic assessments, and training in data-driven differentiated education for all children. These supports will be identified and provided through one or more fully competitive Request for Proposal(s) to be issued by the DOE to all potential providers of these services in late 2006 or early 2007. The DOE intends to use the current school year to pilot a variety of options in different schools for a short period of time. The seven proposals that follow are designed to enable the DOE, on a pilot basis, to experiment with a variety of possibilities and to assist in planning more competitive procurements going forward.

1. Institute for Learning

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with the Institute for Learning (IFL). IFL, under the leadership of Dr. Lauren Resnick, is proposing to offer schools their Instructional Quality Assessment toolkit and accompanying training which would allow instructors to evaluate how instruction provides opportunities to study rigorous content and engage in high levels of learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $177,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $177,000

2. UniServices

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Auckland UniServices Limited (UniServices) to deliver their formative assessment solution. This will provide teachers with supported training and a test creation process that allows instructors to create assessments with levels of difficulty and other variables optimized to their instructional model.

The term of this agreement will be for 1 year from August 5, 2006 through August4, 2007 at an estimated cost of $250,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $250,000

3. America's Choice

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with America's Choice to assist schools in designing their own assessments and customizing default option assessments. America's Choice will also design and implement a study to establish the equivalent rigor of each school's system in relation to the default offering.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $154,000.

TERM: 8/5/06-8/4/07 Contract Cost: $154,000

4. Northwest Evaluation Association

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Northwest Evaluation Association (NWEA) to provide schools NWEA's Measures of Academic Progress (MAP) assessment solution. MAP evaluates functional level testing and reports growth measurement. NWEA will also provide professional development around data usage to the schools it serves.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $400,000.

TERM: 8/5/06 -8/4/07 Contract Cost: Estimated $400,000

5. ETS/Assessment Training Institute

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with ETS/Assessment Training Institute (ATI). ETS/ATI is proposing to conduct training and workshops for school-based teams. The trainings and workshops will focus on building assessment systems linked to everyday student learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $121,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $121,000

6. TERC/Using Data Project

Services: For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with TERC/Using Data Project to train data facilitators in schools and regional offices. The service will include training and technical assistance on the Using Data process to prepare instructors and administrators for the role of data facilitators.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $198,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $198,000

7. The Princeton Review

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting approval to enter in to an agreement with The Princeton Review for a one-year pilot program in high schools city wide to provide periodic assessments. The Princeton Review has experience in providing assessments of student abilities, both online and in print form, along with rapid scoring to allow high schools to focus on using data to improve instruction.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $1,738,565.

TERM: 8/5/2006-8/4/2007 Contract Cost: Estimated $1,738,565

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

NOTICE OF PUBLIC HEARING ON DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR THE NEW STAPLETON WATERFRONT DEVELOPMENT PLAN

PROJECT:
New Stapleton Waterfront Development Plan
Borough of Staten Island
CEQR: 06DME001R

LEAD AGENCY:
Office of the Deputy Mayor for Economic Development and Rebuilding
100 Gold Street, 2nd floor
New York, New York 10038

Notice is hereby given pursuant to Section 5-07(b) of the Rules of Procedure for City Environmental Public Review (CEQR) that a public hearing will be held to hear comments from the public on the Draft Environmental Impact Statement (DEIS) for the New Stapleton Waterfront Development Plan. The public hearing will be held in conjunction with the City Planning Commission's public hearing pursuant to the Uniform Land Use Review Procedure (ULURP).

The DEIS is available on the websites of the NYC Office of Environmental Coordination (http://www.nyc.gov/html/oec/html/ceqr/stapleton_deis.shtml), and the NYC Economic Development Corporation (http://www.nycedc.com/Library/Studies/StapletonWaterfront.html). The public hearing will be held on **Wednesday, August 23, 2006 at 10:00 A.M. at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, New York**. Interested persons are requested to appear at the hearing and present their comments, or submit written comments to the Contact Person noted below.

Contact: Mr. David Quart, Senior Planner
New York City Economic Development Corporation
110 William Street
New York, New York 10038
Telephone: (212) 312-3620
Fax: (212) 312-3989

or:

NYC Office of Environmental Coordination
100 Gold Street, 2nd Floor
New York, New York 10038

Written comments will be accepted until 5:00 P.M. on September 5, 2006 and may be submitted at the public hearing or to Mr. David Quart at the above address.

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing Clinton Hill Apartment Owners Corp. to continue to maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617
For the period July 1, 2014 to June 30, 2015 - $ 9,822
For the period July 1, 2015 to June 30, 2016 - $10,027
For the period July 1, 2016 to June 30, 2017 - $10,232

the maintenance of a security deposit in the sum of $10,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits and pipes, under and across Amity and Henry Streets, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006 to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $12,203
For the period July 1, 2007 to June 30, 2008 - $12,509
For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608
For the period July 1, 2010 to June 30, 2011 - $4,718
For the period July 1, 2011 to June 30, 2012 - $4,828
For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158
For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

■ SOLICITATIONS

Construction / Construction Services

CORRECTION: CROTON WATER TREATMENT PLANT CONSTRUCTION - ELECTRICAL WORK, BRONX – Competitive Sealed Bids – DUE 09-26-06 AT 11:30 A.M. – PIN# 82606WM00187 - ELECT- LOW VOLTAGE
PIN# 82606WM00191 - ELECT- HIGH VOLTAGE
CORRECTION: CRO-312E1 and E2 - Electrical Work
CROTON WATER TREATMENT PLANT
CRO-312 E1 and E2 include the construction of the electrical systems necessary for the Croton Water Treatment Plant at Mosholu Golf Course in Van Cortlandt Park, Bronx.
CRO-312 E1 is for the Low Voltage and CRO-312 E2 is for the High Voltage. These two electrical contracts are in conjunction with Contracts CRO-312 G, H and P which are currently being advertised. A pre-bid meeting and job site inspection will be held at 10:00 A.M. on August 10th, 2006, at the Mosholu Croton Water Treatment Plant Construction Manager Office, 3701 Jerome Avenue, Bronx, NY 10467. All attendance is required security clearance from the DEP Police. Each person must e-mail a completed Non - Employee Facility Access Authorization Information form (as attached in the Invitation to Bid) to Mr. Francis Lo at flo@dep.nyc.gov, to be received by August 8th, 2006. Include in the e-mail, "Subject August 10th, 10:00 A.M., Site Visit for Contract CRO-312E1 and E2" as well as a contact name and phone number. Be advised that ONLY approved attendees will be admitted to the facility. There will be NO EXCEPTIONS. Attendees MUST present government issued photo identification to gain entry. Expired identification will not be accepted. The entrance of the Mosholu Croton Water Treatment Plant site area is on Jerome Avenue near the IRT No. 4 Woodland Subway Station. Please be aware that there will be no parking in the site area. All attendees should find their own parking or use the parking lot at the Shandler Recreation Area which is about three hundred feet further north from the entrance of the site area.

The Mosholu Croton Water Treatment Plant is an ongoing construction site and all attendees should have their own personnel safety equipment (hard hat, boots, etc) to enter the site area. All attendees will remain with the group and in designated areas during the visit. Wandering around the site is not permitted. Cameras, videos and bags are not permitted on-site. Prospective bidders are encouraged to submit all questions in writing, prior to the pre-bid- meeting to Francis Lo, Project Manager, Division of Watershed Facilities Design, Bureau of Engineering Design and Construction, Department of Environmental Protection, 96-05 Horace Harding Expressway, 5th Floor, Corona, N. Y. 11373-5107.

Documents for this contract may be obtained from the Contract Division at 59-17 Junction Boulevard, 17th Floor, Elmhurst, N. Y. 11373-5107, for a fee of $100.00 per set to be paid by Company check or money order payable to the Department of Environmental Protection. No cash will be accepted. There will be no refund of monies received for, plans and specifications etc, so obtained. This advertisement and the award of the contract are subject to postponement or withdrawal without prior notice. The City is not responsible for cost incurred for the preparation of bids.The contract shall be subjected to Equal Opportunity provisions of City, State and Federal Laws. Vendor Source I.D.#: 34577.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. hbavaro@djj.nyc.gov Harry T. Bavaro (212) 925-7779 Ext. 324.

AGENCY RULES

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Adoption of Proposed Rules Governing Tax Exemptions under Section 489 of the Real Property Tax Law

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Housing Preservation and Development by New York City Charter § 1802 and in accordance with the requirements of § 1043 of the Charter, that the Department of Housing Preservation and Development is adopting amended rules governing tax exemptions under Section 489 of the Real Property Tax Law and Section 11-243 (formerly § J-51-2.5) of the New York City Administrative Code. A public hearing was held on July 14, 2006.

The proposed rule amendments were included in HPD's 2005-6 Regulatory Agenda.

Material to be added is underlined. Material to be deleted is in [brackets].

Section one. Subdivision (c) of Section 5-05 of Chapter 5 of Title 28 of the Rules of the City of New York is amended by adding new paragraphs (9) and (10) to read as follows:

(9) Proof that the building has been registered with HPD in accordance with the provisions of article two of subchapter four of the Housing Maintenance Code.

(10) (i) For applications received on or after March 19, 2006, an affidavit from the owner certifying that whenever any household appliance in any dwelling unit, or any household appliance that provides heat or hot water for any dwelling unit in the multiple dwelling, is installed or replaced with a new household appliance on or after March 19, 2006, such new appliance shall be certified as Energy Star. If applicable, such affidavit may instead certify (A) that an appropriately-sized Energy Star certified household appliance is not manufactured, such that movement of walls or fixtures would be necessary to create sufficient space for such appliance, and/or (B) that an Energy Star certified boiler or furnace of sufficient capacity is not manufactured.

(ii) For purposes of this paragraph (10), (A) "household appliance" shall mean any refrigerator, room air conditioner, dishwasher or clothes washer, within a dwelling unit in the multiple dwelling that is provided by the owner, and any boiler or furnace that provides heat or hot water for any dwelling unit in the multiple dwelling, and (B) "Energy Star" shall mean a designation from the United States Environmental Protection Agency or Department of Energy indicating that a product meets the energy efficiency standards set forth by the agency for compliance with the Energy Star program.

Statement of Basis and Purpose: The rule amendments require multiple dwelling registration in accordance with article two of subchapter four of the Housing Maintenance Code as a prerequisite for getting J-51 benefits. They also implement Local Law 107 of 2005, which requires recipients of J-51 tax exemption benefits to purchase certain Energy Star certified household appliances.

Shaun Donovan, Commissioner
August 2, 2006.

CITY COUNCIL

■ NOTICE

NOTICE IS HEREBY GIVEN THAT this Resolution was submitted to the New York City Council on July 19, 2006 and is published pursuant to Section 363c of the New York City Charter:

L.U. No. 197

CITYWIDE

Resolution authorizing franchises for cable television services

By Council Members Katz and Avella (at the request of the Mayor).

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, the Commissioner of the Department of Information Technology and Telecommunications has made an initial determination, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), of the need for franchises for cable television services (as that term is defined hereinafter); and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for such franchises pursuant to Section 363 of the Charter; and

WHEREAS, use of the inalienable property of the City (as defined hereinafter) helps to facilitate the availability of cable television service;

The Council hereby resolves that:

A. The Council authorizes the Department of Information Technology and Telecommunications to grant non-exclusive franchises for the construction, installation, use, operation and/or maintenance of cable, wire and/or optical fiber and associated equipment on, over and under the inalienable property of the City (including through pipes, conduits and similar improvements thereto) for provision of cable television services in the City.

B. The public services to be provided under such franchises shall be cable television services, as defined hereinafter.

C. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located in, on, over or under the surface of such inalienable property of the City.

D. For purposes of this resolution, "cable television services" shall mean "cable service" as defined in the Cable Communications Policy Act of 1984, as amended (47 U.S.C. Sections 521 et seq.).

E. All franchises granted pursuant to this resolution shall require, as provided in Charter Sections 363 and 372, the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

F. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council.

G. Prior to the grant of any such franchise, and to the extent consistent with New York State and federal law, a request for proposals or other solicitation ("solicitation") shall be issued by the Department of Information Technology and Telecommunications. Prior to issuing any such solicitation, all legally required environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by the Department of Information Technology and Telecommunications to evaluate responses to such solicitation shall include, but not be limited to, the following, if and to the extent permitted by law:

(1) the adequacy of the proposed compensation to be paid to the City;

(2) the financial, legal, technical and managerial experience and capabilities of the applicant(s), including (without limitation, except as limited by law) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise; and

(3) the degree to which the public interest will be served by the service proposed to be provided.

H. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, terms and conditions consistent with the following to the extent permitted by law (and shall not include any provision which is prohibited by law from inclusion in such franchise agreement):

(1) no franchise granted pursuant hereto shall have a term that exceeds fifteen (15) years, including options to renew if any;

(2) the compensation for the franchise to be paid to the City shall be adequate and may include monetary compensation, the provision of facilities and/or services to the City, or both;

(3) the franchise may be terminated or cancelled in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;

(4) the franchisee shall be required to provide security to ensure the performance of the franchisee's obligations under the agreement;

(5) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(6) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;

(7) all franchisees shall be required to maintain complete and accurate books of account and records sufficient to assure franchisee's compliance with the franchise agreement, which books of account and records shall be made available on demand to the City for inspection;

(8) there shall be provisions to ensure quality

workmanship and construction methods with respect to those facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property;

(9) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(10) there shall be provisions requiring the franchisee to comply with applicable City laws and regulations related to, but not limited to, employment and investigations;

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions requiring the consent of the City prior to an assignment or other transfer of, or change in control of, the franchise;

(13) there shall be provisions regarding City rights to inspect facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property, and regarding City rights to direct relocation of such facilities;

(14) all franchisees shall have been subject, prior to commencement of the franchise term, to review under the City's Vendor Information Exchange System ("VENDEX") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City from damage, and the delivery of public services from interruption, resulting from the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property;

(18) there shall be provisions designed to minimize the extent to which the public use of the streets of the City are disrupted in connection with the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property; and

(19) no franchise granted hereunder shall contain economic or regulatory burdens on the franchisee which when taken as a whole are greater or lesser than those burdens placed upon another cable television franchisee operating in the same area.

I. The Department of Information Technology and Telecommunications shall file with the Council the following documents:

(1) within fifteen (15) days of issuance, a copy of each solicitation issued pursuant to this resolution;

(2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this resolution; and

(3) on or before July 1 of each year, a report detailing the revenues received by the City from each franchise granted pursuant to this resolution during the preceding calendar year.

J. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.)
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:
This document constitutes the Notice of Intent to Request Release of Funds for the Primary Prevention Program. On August 9, 2006 the City will submit to U.S. Department of Housing and Urban Development (HUD) its Request for Release of Funds for this project. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under this program below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

Primary Prevention Program
The Primary Prevention Program, a joint initiative between the Department of Housing Preservation and Development (HPD) and the Department of Health and Mental Hygiene (DOHMH), uses federal funding from HUD to offer grants to building owners for lead treatment. CD funds are used for projects in which at least 51% of the households are at or below the low- and moderate-income levels. This initiative addresses a serious environmental threat to young children that results from deteriorated lead-based paint in apartments. The program, part of a broad City strategy to lower the hazards from lead-based paint, provides grants to owners of multi-unit apartment houses and one-, two-, and multi-family homes built before 1960, the year New York City banned the use of lead-based paint. In addition to federal funds, the Primary Prevention Program is also supported by City Capital funds to address lead-based paint hazards citywide. Work done at federally-funded sites is completed in accordance with HUD lead-based paint regulations at 24 CFR Part 35.

The Program gives owners the means to make their buildings lead-safe through low-level interim treatment work. Treatment concentrates on friction surfaces such as door jams, window sills and wells, and cabinets because friction creates lead dust. Common areas and fire escapes are also treated. Building owners apply for forgivable loans valued at $8,000 to $9,500 per apartment, the average cost of lead treatment work. Some units may receive up to $10,000 in conjunction with other moderate rehabilitation work. Owners, in turn, hire contractors who are trained in EPA certified courses in lead treatment. HPD inspects the work. The loan amount is secured by a mortgage on the property that evaporates after three years, provided the owner is in full compliance with the terms of the loan.
CD 32 Allocation: $240,000.

An Environmental Review Record respecting the within project has been made by the City of New York which documents the environmental review of the project. This Environmental Review Record is on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6150 to make an appointment to view or obtain a copy of the documents.

The City of New York will undertake the project described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director Mark Page, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, New York City may use the CD funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the recipient's Certifying Officer, b) the recipient has failed to make one of the two findings pursuant to 58.41 or to make the written determination decision required by 58.47, 58.53 or 58.64 for the project as applicable, c) the recipient has omitted one or more of the steps set forth at Subparts F and G for the preparation and completion of an environmental assessment, d) the recipient has omitted one or more of the steps set forth at Subparts H and I for the preparation and completion of an environmental impact statement, e) the recipient did not comply with the historic review provisions of 36 CFR Part 800, f) with respect to a project for which a recipient has decided that 58.47, 58.53 or 58.64 apply, the recipient has failed to include in the ERR the written decision required, or its decision is not supported by the facts specified by the objecting party. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after August 24, 2006 will be considered by HUD.

City of New York: Office of Management and Budget, Mark Page, Budget Director. Date: August 2, 2006.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

*CP .....**Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M. Friday August 4, 2006.

ITEM(S) FOR CONSIDERATION:

Preamble to Items for Consideration Numbered 1-7

Starting in the 2006-07 school year, the DOE will provide schools with a comprehensive package of diagnostic and periodic assessments, expert assistance to schools in using and designing diagnostic assessments, and training in data-driven differentiated education for all children. These supports will be identified and provided through one or more fully competitive Request for Proposal(s) to be issued by the DOE to all potential providers of these services in late 2006 or early 2007. The DOE intends to use the current school year to pilot a variety of options in different schools for a short period of time. The seven proposals that follow are designed to enable the DOE, on a pilot basis, to experiment with a variety of possibilities and to assist in planning more competitive procurements going forward.

1. Institute for Learning

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with the Institute for Learning (IFL). IFL, under the leadership of Dr. Lauren Resnick, is proposing to offer schools their Instructional Quality Assessment toolkit and accompanying training which would allow instructors to evaluate how instruction provides opportunities to study rigorous content and engage in high levels of learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $177,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $177,000

2. UniServices

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Auckland UniServices Limited (UniServices) to deliver their formative assessment solution. This will provide teachers with supported training and a test creation process that allows instructors to create assessments with levels of difficulty and other variables optimized to their instructional model.

The term of this agreement will be for 1 year from August 5, 2006 through August4, 2007 at an estimated cost of $250,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $250,000

3. America's Choice

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with America's Choice to assist schools in designing their own assessments and customizing default option assessments. America's Choice will also design and implement a study to establish the equivalent rigor of each school's system in relation to the default offering.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $154,000.

TERM: 8/5/06-8/4/07 Contract Cost: $154,000

4. Northwest Evaluation Association

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Northwest Evaluation Association (NWEA) to provide schools NWEA's Measures of Academic Progress (MAP) assessment solution. MAP evaluates functional level testing and reports growth measurement. NWEA will also provide professional development around data usage to the schools it serves.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $400,000.

TERM: 8/5/06 -8/4/07 Contract Cost: Estimated $400,000

5. ETS/Assessment Training Institute

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with ETS/Assessment Training Institute (ATI). ETS/ATI is proposing to conduct training and workshops for school-based teams. The trainings and workshops will focus on building assessment systems linked to everyday student learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $121,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $121,000

6. TERC/Using Data Project

Services: For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with TERC/Using Data Project to train data facilitators in schools and regional offices. The service will include training and technical assistance on the Using Data process to prepare instructors and administrators for the role of data facilitators.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $198,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $198,000

7. The Princeton Review

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting approval to enter in to an agreement with The Princeton Review for a one-year pilot program in high schools city wide to provide periodic assessments. The Princeton Review has experience in providing assessments of student abilities, both online and in print form, along with rapid scoring to allow high schools to focus on using data to improve instruction.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $1,738,565.

TERM: 8/5/2006-8/4/2007 Contract Cost: Estimated $1,738,565

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

NOTICE

NOTICE OF PUBLIC HEARING ON DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR THE NEW STAPLETON WATERFRONT DEVELOPMENT PLAN

PROJECT:
New Stapleton Waterfront Development Plan
Borough of Staten Island
CEQR: 06DME001R

LEAD AGENCY:
Office of the Deputy Mayor for Economic Development and Rebuilding
100 Gold Street, 2nd floor
New York, New York 10038

Notice is hereby given pursuant to Section 5-07(b) of the Rules of Procedure for City Environmental Public Review (CEQR) that a public hearing will be held to hear comments from the public on the Draft Environmental Impact Statement (DEIS) for the New Stapleton Waterfront Development Plan. The public hearing will be held in conjunction with the City Planning Commission's public hearing pursuant to the Uniform Land Use Review Procedure (ULURP).

The DEIS is available on the websites of the NYC Office of Environmental Coordination (http://www.nyc.gov/html/oec/html/ceqr/stapleton_deis.shtml), and the NYC Economic Development Corporation (http://www.nycedc.com/Library/Studies/StapletonWaterfront.html). The public hearing will be held on **Wednesday, August 23, 2006 at 10:00 A.M. at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, New York**. Interested persons are requested to appear at the hearing and present their comments, or submit written comments to the Contact Person noted below.

Contact: Mr. David Quart, Senior Planner
New York City Economic Development Corporation
110 William Street
New York, New York 10038
Telephone: (212) 312-3620
Fax: (212) 312-3989

or:

NYC Office of Environmental Coordination
100 Gold Street, 2nd Floor
New York, New York 10038

Written comments will be accepted until 5:00 P.M. on September 5, 2006 and may be submitted at the public hearing or to Mr. David Quart at the above address.

TRANSPORTATION

PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing Clinton Hill Apartment Owners Corp. to continue to maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617
For the period July 1, 2014 to June 30, 2015 - $ 9,822
For the period July 1, 2015 to June 30, 2016 - $10,027
For the period July 1, 2016 to June 30, 2017 - $10,232

the maintenance of a security deposit in the sum of $10,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits and pipes, under and across Amity and Henry Streets, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006 to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $12,203
For the period July 1, 2007 to June 30, 2008 - $12,509
For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608
For the period July 1, 2010 to June 30, 2011 - $4,718
For the period July 1, 2011 to June 30, 2012 - $4,828
For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158
For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

Construction / Construction Services

CORRECTION: CROTON WATER TREATMENT PLANT CONSTRUCTION - ELECTRICAL WORK, BRONX – Competitive Sealed Bids – DUE 09-26-06 AT 11:30 A.M. –
PIN# 82606WM00187 - ELECT- LOW VOLTAGE
PIN# 82606WM00191 - ELECT- HIGH VOLTAGE
CORRECTION: CRO-312E1 and E2 - Electrical Work
CROTON WATER TREATMENT PLANT
CRO-312 E1 and E2 include the construction of the electrical systems necessary for the Croton Water Treatment Plant at Mosholu Golf Course in Van Cortlandt Park, Bronx.
CRO-312 E1 is for the Low Voltage and CRO-312 E2 is for the High Voltage. These two electrical contracts are in conjunction with Contracts CRO-312 G, H and P which are currently being advertised. A pre-bid meeting and job site inspection will be held at 10:00 A.M. on August 10th, 2006, at the Mosholu Croton Water Treatment Plant Construction Manager Office, 3701 Jerome Avenue, Bronx, NY 10467. All attendance is required security clearance from the DEP Police. Each person must e-mail a completed Non - Employee Facility Access Authorization Information form (as attached in the Invitation to Bid) to Mr. Francis Lo at flo@dep.nyc.gov, to be received by August 8th, 2006. Include in the e-mail, "Subject August 10th, 10:00 A.M., Site Visit for Contract CRO-312E1 and E2" as well as a contact name and phone number. Be advised that ONLY approved attendees will be admitted to the facility. There will be NO EXCEPTIONS. Attendees MUST present government issued photo identification to gain entry. Expired identification will not be accepted. The entrance of the Mosholu Croton Water Treatment Plant site area is on Jerome Avenue near the IRT No. 4 Woodland Subway Station. Please be aware that there will be no parking in the site area. All attendees should find their own parking or use the parking lot at the Shandler Recreation Area which is about three hundred feet further north from the entrance of the site area.

The Mosholu Croton Water Treatment Plant is an ongoing construction site and all attendees should have their own personnel safety equipment (hard hat, boots, etc) to enter the site area. All attendees will remain with the group and in designated areas during the visit. Wandering around the site is not permitted. Cameras, videos and bags are not permitted on-site. Prospective bidders are encouraged to submit all questions in writing, prior to the pre-bid- meeting to Francis Lo, Project Manager, Division of Watershed Facilities Design, Bureau of Engineering Design and Construction, Department of Environmental Protection, 96-05 Horace Harding Expressway, 5th Floor, Corona, N. Y. 11373-5107. Documents for this contract may be obtained from the Contract Division at 59-17 Junction Boulevard, 17th Floor, Elmhurst, N. Y. 11373-5107, for a fee of $100.00 per set to be paid by Company check or money order payable to the Department of Environmental Protection. No cash will be accepted. There will be no refund of monies received for, plans and specifications etc, so obtained. This advertisement and the award of the contract are subject to postponement or withdrawal without prior notice. The City is not responsible for cost incurred for the preparation of bids.The contract shall be subjected to Equal Opportunity provisions of City, State and Federal Laws. Vendor Source I.D.#: 34577.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

AGENCY RULES

OFFICE OF THE MAYOR

■ **NOTICE**

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

EXECUTIVE ORDER No. 93

PROCLAMATION OF A STATE OF EMERGENCY

July 30, 2006

Section 1. Pursuant to the powers vested in me by laws of the State of New York and the City of New York, including but not limited to Executive Law § 24, I hereby declare a State of Emergency.

§ 2. This State of Emergency has been declared because of the extreme temperatures and humidity being experienced by the City. These extreme conditions can cause heat exhaustion and heat stroke in residents. The City already has taken steps to open cooling centers in senior and community facilities in all five boroughs. In addition, the increased demand for electricity by residents and businesses to run air conditioners and other cooling devices can cause power disruptions. These conditions imperil public safety and health.

§ 3. I hereby direct all City agencies and authorities over which I exercise executive authority including, but not limited to, the Police Department, Fire Department, Department of Emergency Management, Community Assistance Unit, Department of Health and Mental Hygiene, Department of Homeless Services, Department of Parks and Recreation, Human Resources Administration, Department for the Aging, Department of Environmental Protection, Department of Information Technology and Telecommunications, Department of Sanitation, Department of Transportation, Taxi and Limousine Commission, Department of Citywide Administrative Services, Department of Consumer Affairs and the Department of Small Business Services to take whatever steps are necessary to preserve public safety and maintain orderly travel within the City, and to render all required and available assistance to protect the physical and economic security, well-being and health of residents of the City.

§ 4. Any person who knowingly violates any provision of this Order is guilty of a class B misdemeanor.

§ 5. This Order shall take effect immediately. It shall remain in effect for 5 days unless it is terminated at an earlier date.

Michael R. Bloomberg
Mayor

SPECIAL MATERIALS

CITY COUNCIL

■ **NOTICE**

NOTICE IS HEREBY GIVEN THAT this Resolution was submitted to the New York City Council on July 19, 2006 and is published pursuant to Section 363c of the New York City Charter:

L.U. No. 197

CITYWIDE

Resolution authorizing franchises for cable television services

By Council Members Katz and Avella (at the request of the Mayor).

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, the Commissioner of the Department of Information Technology and Telecommunications has made an initial determination, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), of the need for franchises for cable television services (as that term is defined hereinafter); and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for such franchises pursuant to Section 363 of the Charter; and

WHEREAS, use of the inalienable property of the City (as defined hereinafter) helps to facilitate the availability of cable television service;

The Council hereby resolves that:

A. The Council authorizes the Department of Information Technology and Telecommunications to grant non-exclusive franchises for the construction, installation, use, operation and/or maintenance of cable, wire and/or optical fiber and associated equipment on, over and under the inalienable property of the City (including through pipes, conduits and similar improvements thereto) for provision of cable television services in the City.

B. The public services to be provided under such franchises shall be cable television services, as defined hereinafter.

C. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located in, on, over or under the surface of such inalienable property of the City.

D. For purposes of this resolution, "cable television services" shall mean "cable service" as defined in the Cable Communications Policy Act of 1984, as amended (47 U.S.C. Sections 521 et seq.).

E. All franchises granted pursuant to this resolution shall require, as provided in Charter Sections 363 and 372, the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

F. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council.

G. Prior to the grant of any such franchise, and to the extent consistent with New York State and federal law, a request for proposals or other solicitation ("solicitation") shall be issued by the Department of Information Technology and Telecommunications. Prior to issuing any such solicitation, all legally required environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by the Department of Information Technology and Telecommunications to evaluate responses to such solicitation shall include, but not be limited to, the following, if and to the extent permitted by law:

(1) the adequacy of the proposed compensation to be paid to the City;

(2) the financial, legal, technical and managerial experience and capabilities of the applicant(s), including (without limitation, except as limited by law) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise; and

(3) the degree to which the public interest will be served by the service proposed to be provided.

H. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, terms and conditions consistent with the following to the extent permitted by law (and shall not include any provision which is prohibited by law from inclusion in such franchise agreement):

(1) no franchise granted pursuant hereto shall have a term that exceeds fifteen (15) years, including options to renew if any;

(2) the compensation for the franchise to be paid to the City shall be adequate and may include monetary compensation, the provision of facilities and/or services to the City, or both;

(3) the franchise may be terminated or cancelled in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;

(4) the franchisee shall be required to provide security to ensure the performance of the franchisee's obligations under the agreement;

(5) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(6) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;

(7) all franchisees shall be required to maintain complete and accurate books of account and records sufficient to assure franchisee's compliance with the franchise agreement, which books of account and records shall be made available on demand to the City for inspection;

(8) there shall be provisions to ensure quality workmanship and construction methods with respect to those facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property;

(9) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(10) there shall be provisions requiring the franchisee to comply with applicable City laws and regulations related to, but not limited to, employment and investigations;

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions requiring the consent of the City prior to an assignment or other transfer of, or change in control of, the franchise;

(13) there shall be provisions regarding City rights to inspect facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property, and regarding City rights to direct relocation of such facilities;

(14) all franchisees shall have been subject, prior to commencement of the franchise term, to review under the City's Vendor Information Exchange System ("VENDEX") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City from damage, and the delivery of public services from interruption, resulting from the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property;

(18) there shall be provisions designed to minimize the extent to which the public use of the streets of the City are disrupted in connection with the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property; and

(19) no franchise granted hereunder shall contain economic or regulatory burdens on the franchisee which when taken as a whole are greater or lesser than those burdens placed upon another cable television franchisee operating in the same area.

I. The Department of Information Technology and Telecommunications shall file with the Council the following documents:

(1) within fifteen (15) days of issuance, a copy of each solicitation issued pursuant to this resolution;

(2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this resolution; and

(3) on or before July 1 of each year, a report detailing the revenues received by the City from each franchise granted pursuant to this resolution during the preceding calendar year.

J. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:
This document constitutes the Notice of Intent to Request Release of Funds for the Primary Prevention Program. On August 9, 2006 the City will submit to U.S. Department of Housing and Urban Development (HUD) its Request for Release of Funds for this project. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under this program below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

Primary Prevention Program
The Primary Prevention Program, a joint initiative between the Department of Housing Preservation and Development (HPD) and the Department of Health and Mental Hygiene (DOHMH), uses federal funding from HUD to offer grants to building owners for lead treatment. CD funds are used for projects in which at least 51% of the households are at or below the low- and moderate-income levels. This initiative addresses a serious environmental threat to young children that results from deteriorated lead-based paint in apartments. The program, part of a broad City strategy to lower the hazards from lead-based paint, provides grants to owners of multi-unit apartment houses and one-, two-, and multi-family homes built before 1960, the year New York City banned the use of lead-based paint. In addition to federal funds, the Primary Prevention Program is also supported by City Capital funds to address lead-based paint hazards citywide. Work done at federally-funded sites is completed in accordance with HUD lead-based paint regulations at 24 CFR Part 35.

The Program gives owners the means to make their buildings lead-safe through low-level interim treatment work. Treatment concentrates on friction surfaces such as door jams, window sills and wells, and cabinets because friction creates lead dust. Common areas and fire escapes are also treated. Building owners apply for forgivable loans valued at $8,000 to $9,500 per apartment, the average cost of lead treatment work. Some units may receive up to $10,000 in conjunction with other moderate rehabilitation work. Owners, in turn, hire contractors who are trained in EPA certified courses in lead treatment. HPD inspects the work. The loan amount is secured by a mortgage on the property that evaporates after three years, provided the owner is in full compliance with the terms of the loan.
CD 32 Allocation: $240,000.

An Environmental Review Record respecting the within project has been made by the City of New York which documents the environmental review of the project. This Environmental Review Record is on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6150 to make an appointment to view or obtain a copy of the documents.

The City of New York will undertake the project described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director Mark Page, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, New York City may use the CD funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the recipient's Certifying Officer, b) the recipient has failed to make one of the two findings pursuant to 58.41 or to make the written determination decision required by 58.47, 58.53 or 58.64 for the project as applicable, c) the recipient has omitted one or more of the steps set forth at Subparts F and G for the preparation and completion of an environmental assessment, d) the recipient has omitted one or more of the steps set forth at Subparts H and I for the preparation and completion of an environmental impact statement, e) the recipient did not comply with the historic review provisions of 36 CFR Part 800, f) with respect to a project for which a recipient has decided that 58.47, 58.53 or 58.64 apply, the recipient has failed to include in the ERR the written decision required, or its decision is not supported by the facts specified by the objecting party. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after August 24, 2006 will be considered by HUD.

City of New York: Office of Management and Budget, Mark Page, Budget Director. Date: August 2, 2006.

SCHOOL CONSTRUCTION AUTHORITY

■ NOTICE

PLEASE TAKE NOTICE THAT the New York City School Construction Authority ("SCA"), pursuant to Section 204 of the New York State Eminent Domain Procedure Law ("EDPL"), has made the following Determination and Findings related to the New Settlement School-Bronx Construction Project ("Project"): (1) The public purpose of the Project is to allow for the construction of a 1000-seat public school facility accommodating students in kindergarten through twelfth grades in Community School District No. 9 in DOE Region No. 1; (2) the Project site, Tax Block 2859, Lots 20, 58, 61, 65, 73, 77 & 90 located in the Mount Eden section of the Bronx on a block bounded by Goble Place to the north, Jerome Avenue to the east, West 172nd St. to the south and Inwood Avenue to the west, was selected to relieve high utilization at primary and intermediate schools in the district; (3) the SCA has issued a Conditioned Negative Declaration under the New York State Environmental Quality Review Act for the Project; and (4) the SCA has determined that it should exercise its powers of condemnation under the EDPL to implement the Project. A complete copy of the SCA's Determinations and Findings will be forwarded without cost upon written request directed to the New York City School Construction Authority, 30-30 Thomson Avenue, Long Island City, New York 11101, to the attention of Gregory P. Shaw, Principal Attorney.

EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M. Friday August 4, 2006.

ITEM(S) FOR CONSIDERATION:

Preamble to Items for Consideration Numbered 1-7

Starting in the 2006-07 school year, the DOE will provide schools with a comprehensive package of diagnostic and periodic assessments, expert assistance to schools in using and designing diagnostic assessments, and training in data-driven differentiated education for all children. These supports will be identified and provided through one or more fully competitive Request for Proposal(s) to be issued by the DOE to all potential providers of these services in late 2006 or early 2007. The DOE intends to use the current school year to pilot a variety of options in different schools for a short period of time. The seven proposals that follow are designed to enable the DOE, on a pilot basis, to experiment with a variety of possibilities and to assist in planning more competitive procurements going forward.

1. Institute for Learning

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with the Institute for Learning (IFL). IFL, under the leadership of Dr. Lauren Resnick, is proposing to offer schools their Instructional Quality Assessment toolkit and accompanying training which would allow instructors to evaluate how instruction provides opportunities to study rigorous content and engage in high levels of learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $177,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $177,000

2. UniServices

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Auckland UniServices Limited (UniServices) to deliver their formative assessment solution. This will provide teachers with supported training and a test creation process that allows instructors to create assessments with levels of difficulty and other variables optimized to their instructional model.

The term of this agreement will be for 1 year from August 5, 2006 through August4, 2007 at an estimated cost of $250,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $250,000

3. America's Choice

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with America's Choice to assist schools in designing their own assessments and customizing default option assessments. America's Choice will also design and implement a study to establish the equivalent rigor of each school's system in relation to the default offering.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $154,000.

TERM: 8/5/06-8/4/07 Contract Cost: $154,000

4. Northwest Evaluation Association

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Northwest Evaluation Association (NWEA) to provide schools NWEA's Measures of Academic Progress (MAP) assessment solution. MAP evaluates functional level testing and reports growth measurement. NWEA will also provide professional development around data usage to the schools it serves.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $400,000.

TERM: 8/5/06 -8/4/07 Contract Cost: Estimated $400,000

5. ETS/Assessment Training Institute

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with ETS/Assessment Training Institute (ATI). ETS/ATI is proposing to conduct training and workshops for school-based teams. The trainings and workshops will focus on building assessment systems linked to everyday student learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $121,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $121,000

6. TERC/Using Data Project

Services: For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with TERC/Using Data Project to train data facilitators in schools and regional offices. The service will include training and technical assistance on the Using Data process to prepare instructors and administrators for the role of data facilitators.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $198,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $198,000

7. The Princeton Review

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting approval to enter in to an agreement with The Princeton Review for a one-year pilot program in high schools city wide to provide periodic assessments. The Princeton Review has experience in providing assessments of student abilities, both online and in print form, along with rapid scoring to allow high schools to focus on using data to improve instruction.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $1,738,565.

TERM: 8/5/2006-8/4/2007 Contract Cost: Estimated $1,738,565

LANDMARKS PRESERVATION COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that pursuant to the provisions of Title 25, chapter 3 of the Administrative Code of the City of New York (Sections 25-307, 25-308, 25,309, 25-313, 25-318, 25-320) (formerly Chapter 8-A, Sections 207-6.0, 207-7.0, 207-12.0, 207-17.0, and 207-19.0), on Tuesday, **August 8th, 2006,** at 9:30 A.M. in the morning of that day, a public hearing will be held in the Conference Room at 1 Centre Street, 9th Floor, Borough of Manhattan with respect to the following properties and then followed by a public meeting. Any person requiring reasonable accommodation in order to participate in the hearing or attend the meeting should call or write the Landmarks Commission no later than five (5) business days before the hearing or meeting.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF THE BRONX 06-3830 - Block 2651, lot 52-
735 East 166th Street, aka 1095 Forest Avenue - Morris High School Historic District
A Renaissance Revival style tenement building designed by Hugo Auden and built in 1904. Application is to replace storefront infill installed without Landmarks Preservation Commission permits.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0102 - Block 88, lot 11-
22 Barclay Street - St. Peter's Church- Individual Landmark.
A classical style Catholic Church built in 1836. Application is to construct a barrier-free access lift.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 05-4474 - Block 147, lot 5-
141 Duane Street - Tribeca South Historic District
A store and loft building built in 1863 and altered in 1934-35 by Joseph J. Furman. Application is to modify a storefront infill installed without Landmarks Preservation Commission permits.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-8932 - Block 194, lot 40-
405 Broadway - Tribeca East Historic District
A store and loft building built ca. 1853-54 and altered in 1908. Application is to construct a rooftop addition, install a new storefront and windows, and replace a painted wall sign. Zoned M1-5.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0132 - Block 173, lot 19-
78 Leonard Street - Tribeca East Historic District
A Second Empire style store and loft building built in 1864-65. Application is to install new storefront infill.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-6858 - Block 194, lot 4-
56 Walker Street - Tribeca East Historic District
An Italianate/Second Empire style store and loft building built c.1866-67. Application is to construct a rooftop addition and install new storefront infill. Zoned M1-5 TMU.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-7898 - Block 228, lot 11-
307-309 West Broadway - SoHo-Cast Iron Historic District
A store and loft building designed by Douglas Smyth and built in 1892. Application is to replace a granite sidewalk.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 05-0675 - Block 515, lot 13-
475 West Broadway - SoHo-Cast Iron Historic District
A neo-Grec style building designed by Frederick H. Gross and built in 1878-79. Application is to install a painted wall sign. Zoned M1-5A.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-5356 - Block 620, lot 19-
350 Bleecker Street - Greenwich Village Historic District
An apartment house designed by H.I. Feldman and built in 1963. Application is to install new infill and paving at the entrance.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-8806 - Block 587, lot 56-
37 Barrow Street, aka 74-76 7th Avenue South - Greenwich Village Historic District
A commercial building built in 1921. Application is to alter the facade and sidewalk cafe. Zoned C2-6.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ NOTICE

NOTICE OF PUBLIC HEARING ON DRAFT ENVIRONMENTAL IMPACT STATEMENT FOR THE NEW STAPLETON WATERFRONT DEVELOPMENT PLAN

PROJECT:
New Stapleton Waterfront Development Plan
Borough of Staten Island
CEQR: 06DME001R

LEAD AGENCY:
Office of the Deputy Mayor for Economic Development and Rebuilding
100 Gold Street, 2nd floor
New York, New York 10038

Notice is hereby given pursuant to Section 5-07(b) of the Rules of Procedure for City Environmental Public Review (CEQR) that a public hearing will be held to hear comments from the public on the Draft Environmental Impact Statement (DEIS) for the New Stapleton Waterfront Development Plan. The public hearing will be held in conjunction with the City Planning Commission's public hearing pursuant to the Uniform Land Use Review Procedure (ULURP).

The DEIS is available on the websites of the NYC Office of Environmental Coordination (http://www.nyc.gov/html/oec/html/ceqr/stapleton_deis.shtml), and the NYC Economic Development Corporation (http://www.nycedc.com/Library/Studies/StapletonWaterfront.html). The public hearing will be held on **Wednesday, August 23, 2006 at 10:00 A.M. at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, New York.** Interested persons are requested to appear at the hearing and present their comments, or submit written comments to the Contact Person noted below.

Contact: Mr. David Quart, Senior Planner
New York City Economic Development Corporation
110 William Street
New York, New York 10038
Telephone: (212) 312-3620
Fax: (212) 312-3989

or:

NYC Office of Environmental Coordination
100 Gold Street, 2nd Floor
New York, New York 10038

Written comments will be accepted until 5:00 P.M. on September 5, 2006 and may be submitted at the public hearing or to Mr. David Quart at the above address.

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing Clinton Hill Apartment Owners Corp. to continue to maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617
For the period July 1, 2014 to June 30, 2015 - $ 9,822
For the period July 1, 2015 to June 30, 2016 - $10,027
For the period July 1, 2016 to June 30, 2017 - $10,232

the maintenance of a security deposit in the sum of $10,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing The Long Island College Hospital to continue to maintain and use conduits and pipes, under and across Amity and Henry Streets, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006 to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $12,203
For the period July 1, 2007 to June 30, 2008 - $12,509
For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608
For the period July 1, 2010 to June 30, 2011 - $4,718
For the period July 1, 2011 to June 30, 2012 - $4,828
For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158

For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

BUILDINGS

NOTICE

NOTICE OF OPPORTUNITY TO COMMENT ON A PROPOSED AMENDMENT TO THE NEW YORK CITY BUILDING CODE REFERENCE STANDARD RS 19-2 POWER OPERATED CRANES AND DERRICKS.

PURSUANT TO the authority vested in the Commissioner of Buildings by Chapter 26 of the New York City Charter and § 27-131.1 and 27-1057 of the Administrative Code of the City of New York and in accordance with the requirements of 1 RCNY §37-01, the Department of Buildings hereby gives notice that it proposes to amend the NYC Building Code Reference Standard RS 19-2 relating to power operated cranes and derricks.

NOTICE IS HEREBY GIVEN that a Public Hearing on the proposed reference standard amendment will be held on August 29, 2006 at 280 Broadway, 7th Floor Conference Room, Borough of Manhattan, (Identification must be provided to gain entry to the building) commencing at 9:30 A.M.

The final date for the receipt of written comments on this proposed amendment to the Reference Standard is August 24, 2006. Mail all written comments to: New York City Department of Buildings, Attention: Bethany Klein, PE, Director of Cranes and Derricks, 280 Broadway, 5th Floor, NY NY 10007.

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. at the Office of the Commissioner, Executive Offices, Department of Buildings.

Patricia J. Lancaster, F.A.I.A.
Commissioner

****

RS 19-2 POWER OPERATED CRANES AND DERRICKS

1.0 Scope.-This standard applies to the construction, installation, inspection, maintenance and use of power operated cranes and derricks used for hoisting and/or rigging purposes; or used for the construction, alteration, demolition, excavation and maintenance purposes, including highways or sewers; or used for the installation of piles; or used for the hoisting or lowering of any article on the outside of any building or structure.
1.1 Exemptions.-Exempt from the requirements of this reference standard are the following:
1.1.1 Cranes or derricks used in industrial or commercial plants or yards and floating cranes, floating derricks and cranes and derricks used on floating equipment. Also augers, churn-drills and other drilling equipment. Operators of such equipment shall be exempt from any licensing requirements.
1.1.2 Operators of cranes described in section C26-1909.4(a)(3) and (4) of the administrative code shall be exempt from any licensing requirements where the cranes are used in connection with the installation or maintenance of street lighting or public utility overhead power distribution systems.
1.1.3 Derricks having a maximum rated capacity not exceeding one ton.
2.0 Definitions.-
2.1 ACCESSORY. - A secondary part of assembly of parts which contributes to the overall function and usefulness of a machine.
2.2 APPOINTED. - Assigned specific responsibilities by the employer or by the employers representative.
2.3 ANGLE INDICATOR (boom). - An accessory which measures the angle of the boom to the horizontal.
2.4 AUXILIARY HOIST.-(See Whipline).
2.5 AXIS OF ROTATION.-The vertical axis around which the crane superstructure rotates.
2.6 AXLE.-The shaft or spindle with which or about which a wheel rotates. On truck and wheel mounted cranes it refers to an automotive type of axle assembly including housing, gearing, differential, bearings and mounting appurtenances.
2.7 AXLE (bogie).-Two or more automotive type axles mounted in tandem in a frame so as to divide the load between the axles and permit vertical oscillation of the wheels.
2.8 BASE (mounting).The base or carrier on which the rotating superstructure is mounted such as a truck, crawler or platform.
2.9 BOOM. A timber or metal section or strut. The heel (lower end) is affixed to a base, carriage or support, and the upper end supports a cable and sheaves where the load is lifted by means of wire rope and hook.
2.10 BOOM ANGLE. The angle between the longitudinal centerline of the boom and the horizontal. The boom longitudinal centerline is a straight line between the boom foot pin (heel pin) centerline, and boom point sheave pin centerline.
2.11 BOOM HARNESS. The block and sheave arrangement on the boom point to which the topping lift cable is reeved for lowering and raising the boom.
2.12 BOOM HOIST-A hoist drum and rope reeving system used to raise and lower the boom.
2.13 BOOM POINT.-The outward end of the top section of the boom.
2.14 BOOM STOP.- A device used to limit the angle of the boom at the highest position.
2.15 BRAKE. - A device used for retarding or stopping motion by friction or power means.
2.16 CAB.- A housing which covers the rotating superstructure machinery and/or operators station.
2.16. 1 CABLEWAY. - A power operated system for moving loads in a generally horizontal direction in which the loads are conveyed on an overhead cable, track or carriage.
2.16.2 CLIMBER CRANE. - A crane erected upon and supported by a building or other structure which may be raised or lowered to different floors or levels of the building or structure.
2.17 CLUTCH. - A friction, electromagnetic, hydraulic, pneumatic or positive mechanical device for engagement of power.
2.18 COUNTERWEIGHT.-Weight used to supplement the weight of the machine in providing stability for lifting working loads.
2.19 CRANE. - A power operated machine for lifting or lowering a load and moving it horizontally which utilizes wire rope and in which the hoisting mechanism is an integral part of the machine.
2.20 CRAWLER CRANE. - A crane consisting of a rotating superstructure with power plant, operating machinery and boom, mounted on a base, equipped with crawler treads for travel.
2.21 DERRICK. - An apparatus consisting of a mast or equivalent members held at the top by guys or braces, with or without a boom, for use with a hoisting mechanism and operating rope, for lifting or lowering a load and moving it horizontally.
2.21.1 A-FRAME DERRICK. - A derrick in which the boom is hinged from a cross member between the bottom ends of two upright members spread apart at the lower ends and joined at the top; the boom point secured to this junction of the side members, and the side members are braced or guyed from the junction point.
2.21.2 BASKET DERRICK. - A derrick without a boom, similar to a gin pole with its base supported by ropes attached to corner posts or other parts of the structure. The base is at a lower elevation than its supports. The location of the base of a basket derrick can be changed by varying the length of the rope supports. The top of the pole is secured with multiple reeved guys to position the top of the pole to the desired location by varying the length of the upper guy lines. The load is raised and lowered by ropes through a sheave or block secured to the top of the pole.
2.21.3 BREAST DERRICK-A derrick without a boom. The mast consists of two side members spread farther apart at the base than at the top and tied together at top and bottom by rigid members. The mast is prevented from tipping forward by guys connected to its top. The load is raised and lowered by ropes through a sheave or block secured to the top crosspiece.
2.21.4 CHICAGO BOOM DERRICK. - A boom which is attached to a structure, an outside upright member of the structure serving as the mast, and the boom being stepped in a fixed socket clamped to the upright. The derrick is complete with load, boom and boom point swing line falls.
2.21.5 GIN POLE 2 DERRICK-A derrick without a boom. Its guys are so arranged from its top to permit leaning the mast in any direction. The load is raised and lowered by ropes reeved through sheaves or blocks at the top of the mast.
2.21.6 GUY DERRICK. - A fixed derrick consisting of a mast capable of being rotated, supported in a vertical position by guys, and a boom whose bottom end is hinged or pivoted to move in a vertical plane with a reeved rope between the head of the mast and the boom point for raising and lowering the boom, and a reeved rope from the boom point for raising and lowering the load.
2.21.7 SHEARLEG DERRICK-A derrick without a boom. The mast, wide at the bottom and narrow at the top, is hinged at the bottom and has its top secured by a multiple reeved guy to permit handling loads at various radii by means of load tackle suspended from the mast top.
2.21.8 STIFFLEG DERRICK-A derrick similar to a guy derrick except that the mast is supported or held in place by two or more stiff members, called stifflegs, which are capable of resisting either tensile or compressive forces. Sills are generally provided to connect the lower ends of the stifflegs to the foot of the mast.
2.22 DRUM.-The cylindrical members around which ropes are wound for raising and lowering the load or boom.

2.23 DYNAMIC (loading).-Loads introduced into the machine or its components by forces in motion.
2.23.1 ENGINEER.-The word engineer as used in these regulations shall mean a licensed professional engineer except that the certifications for matters relating to crane design may be made by an engineer licensed by any state or foreign jurisdiction or upon proof, to the satisfaction of the commissioner, of his professional competence.
2.23.2 FOLDING BOOM. - A boom constructed of hinged sections which is articulated in a folding manner and may be folded for storage or transit.
2.24 GANTRY(A-Frame)-A structural frame, extending above the superstructure of a mobile crane, to which the boom supports ropes are reeved.
2.25 GUDGEON PIN. - A pin connecting the mast cap to the mast, allowing rotation of the mast.
2.26 GUY. - A rope used to steady or secure the mast or other members in the desired position.
2.26.1. HOISTING MACHINE-A power operated machine used for lifting or lowering a load, utilizing a drum and wire rope, excluding elevators. This shall include but not be limited to a crane, derrick, and cableway.
2.26.2 HYDRAULIC BOOM. - A boom which is operated by means of a hydraulic system.
2.27 JIB. - An extension attached to the boom point to provide added boom length for lifting specified loads. This jib may be in line with the boom or offset to various angles.
2.27.1 LAY.-That distance measured along a cable in which one strand makes a complete revolution around the cable axis.
2.28 LOAD (working).-The external load, in pounds, applied to the crane or derrick, including the weight of auxiliary load attaching equipment such as load blocks, shackles, and slings.
2.29 LOAD BLOCK (upper).-The assembly of hook or shackle, swivel, sheaves, pins, and frame suspended from the boom point.
2.30 LOAD BLOCK (lower).-The assembly of hook or shackle, swivel, sheaves, pins and frame suspended by the hoisting ropes.
2.31 LOAD HOIST. - A hoist drum and rope reeving system used for hoisting and lowering loads.

Section 2.31.1 shall be added as follows:
2.31.1 LOAD INDICATOR. - A device that measures the weight of the load.

2.32 LOAD RATINGS.-Maximum loads that may be lifted by a crane or derrick at various angles and positions as approved by the department.
2.33 MAST.-The upright member of a derrick.
2.33.1 MOBILE CRANE. - A crawler crane; a truck crane; or a wheel mounted crane.
2.34 OUTRIGGERS.-Extendable or fixed metal arms, attached to the mounting base, which rests on supports at the outer ends.

Section 2.34.1 shall be added as follows:
2.34.1 QUALIFIED PERSON. - A person who by possession of a recognized degree, certificate or professional standing or who by knowledge, training and experience has successfully demonstrated his/her ability to solve or resolve problems related to the subject matter, the work, or the project.

Section 2.34.2 shall be added as follows:
2.34.2 RATED CAPACITY INDICATOR. - A device that automatically monitors radius, load weight, and load rating and warns the crane operator of an overload condition.

Section 2.34.3 shall be added as follows:
2.34.3 RATED CAPACITY (LOAD) LIMITER. - A device that automatically monitors radius, load weight, and load rating and prevents movements of the crane which would result in an overload condition.

2.35 REEVING. - A rope system in which the rope travels around drums and sheaves.
2.36 ROPE.-Refers to wire rope unless otherwise specified.
2.37 SIDE LOADING. - A load applied at an angle to the vertical plane of the boom.
2.38 SILL. - A member connecting the foot block and stiffleg or a member connecting the lower ends of a double member mast.
2.39 STANDING (GUY) ROPE. - A supporting rope which maintains a constant distance between the points of attachment to the two components connected by the rope.
2.40 STRUCTURAL COMPETENCE.-The ability of the machine and its component to withstand the stresses imposed by applied loads.
2.41 SUPERSTRUCTURE. The rotating upper frame structure of the machine and the operating machinery mounted thereon.
2.42 SWING. Rotation of the superstructure for movement of loads in a horizontal direction about the axis of rotation.
2.43 SWING MECHANISM. The machinery involved in providing rotation of the superstructure.
2.44 TACKLE. An assembly of ropes and sheaves arranged for hoisting and pulling.
2.44.1 TELESCOPIC BOOM. A boom constructed of sections of diminishing cross sections in which the sections fit within each other. The boom may be extended in a manner similar to a telescope.
2.44.2 TOWER CRANE. - A crane in which a boom, swinging jib or other structural member is mounted upon a vertical mast or tower.
2.45 TRANSIT.-The moving or transporting of a crane from one job site to another.
2.46 TRAVEL.-The function of the machine moving from one location to another, on a job site.
2.47 TRAVEL MECHANISM.-The machinery involved in providing travel power.
2.48 TRUCK CRANE. - A crane consisting of a rotating superstructure with power plant, operating machinery and boom, mounted on an automotive truck equipped with a power plant for travel.
2.48.1 TRUCK MOUNTED TOWER CRANE. - A tower crane which is mounted on a truck or similar carrier for travel or transit.

Section 2.48.2 shall be added as follows:
2.48.2 TWO-BLOCKING. - A condition in which the lower load block or hook assembly comes into contact with the upper load block or boom point sheave assembly.

2.49 WHEEL BASE.-Distance between centers of front and rear axles. For a multiple axle assembly the axle center wheel base measurement is taken as the midpoint of the assembly.
2.50 WHEEL MOUNTED CRANE (wagon crane). - A crane consisting of a rotating superstructure with power plant, operating machinery and boom, mounted on a base or platform equipped with axles and rubber tired wheels for travel. The base is usually propelled by the engine in the superstructure, but it may be equipped with a separate engine controlled from the superstructure. Its function is to hoist and swing loads at various radii.
2.51 WHIPLINE (auxiliary hoist). - A separate hoist rope system of lighter load capacity and higher speed than provided by the main hoist.
2.52 WINCH HEAD. - A power driven spool for handling of loads by means of friction between fiber or wire rope and spool.

Section 3.0 deleted in its entirety as follows and replaced with the following:
[3.0 Filing Applications-for Approval and Operation of Cranes and Derricks.-
* 3.1.1 The following information shall be submitted by an engineer:
1. Design calculations for:
(a) Boom or mast
(b) Jib or extensions
(c) Gantries
(d) Counterweight supports and attachments
(e) Rope
(f) Overturning stability
Only items (a), (b) and (e) of this subparagraph shall apply to derricks.
2. Load test reports where required under this reference standard.
3. A material specification statement certifying the type of steel used in the construction of items (a) through (e) of subparagraph one above.
4. A list of standards used in design and testing.
5. The requirements of subparagraphs one through four above shall be waived for cranes where such information is not available, provided that the equipment satisfies the load test requirements of section 7.0 of this reference standard, which shall apply to the following categories:
(a) Cranes which had a certificate of inspection on or after January 1, 1965.
(b) Cranes manufactured on or April 1, 1962 and prior to April 1, 1970 provided that:
(1) The application is filed with the department of buildings and a certificate of approval is obtained within two years after the enactment of this local law, and
(2) Title to the crane has been in name of the applicant since December 31, 1971.
6. Where cranes manufactured after April 1, 1970 have been tested pursuant to subdivision 6.1 of this reference standard, the requirements of paragraph 3.1.1 above shall be waived, provided that:
(a) The tests are monitored and certified by a competent individual or group, other than the manufacturer, acceptable to the commissioner, or
(b) At the discretion of the commissioner, the tests are monitored and certified by the department, or
(c) In lieu of the monitoring and certification of the tests as provided in items (a) and (b) above, the commissioner shall require design calculations for those items in paragraph 3.1.1 as he shall deem necessary to supplement the tests and reference standard RS 10-5 need not apply.
Local Law 50-1973]
3.0 Filing Applications for Approval and Operation of Cranes and Derricks. -
3.1 Certificate of approval. -The application for a certificate of approval required by Subchapter 19, Article 10 of the New York City Building Code shall be filed by an engineer and shall include the following information:

1. Affidavit of compliance from the manufacturer as detailed in section 3.2 below.
2. Operator's manual showing all configurations for which the engineer is seeking approval, general equipment specifications and manufacturer's recommended maintenance procedures.
3. An advertising brochure or drawing showing the general configuration and specifications for which the engineer is seeking approval.
4. Load rating chart with chart number and page numbers for identification.
5. Certification from the engineer that he/she has reviewed the manufacturer's design calculations and testing or has prepared sufficient calculations, as prescribed in section 3.2 below and found that the design of the derrick or crane conforms to the New York City Building Code, and
6. Any supporting data, drawings, or calculations upon request.

Exception: Third party certification: In lieu of the engineer's certification of the design calculations, the engineer may submit a third-party certification by a competent individual or organization, other than the manufacturer, acceptable to the commissioner stating that the tests specified in section 4.2 below were monitored and certified.

3.2 Affidavit of compliance. - The affidavit of compliance from the manufacturer shall include the following:
1. List of all components; maximum boom length, maximum jib(s) length, maximum length of all other attachments.
2. List of all counterweight combinations.
3. List of standards used in the design of the boom and/or mast.
4. List of standards used in the design of the jib and/or extensions.
5. List of standards used in the design of the boom support system.
6. List of standards used in the design of the counterweight support system and attachments.
7. List of standards used in the design of the rope.
8. List of standards used in design of overturning stability.
9. List of standards used in the prototype testing, and
10. List of material(s) and material specifications used in the components listed in Numbered Items 3-7 above.

Exception to required items: Numbered items 2, 6, 8, and 9 above are not required for derricks.

Section 4.0 shall be deleted in its entirety as follows and replaced with the following:
[* **4.0 Design of Boom and Other Structural Members.**-The boom shall be designed as a beam column, subject simultaneously to axial force, torsion and bending. Stresses induced in the boom by its movement and due to wind during normal operation shall be considered. Stresses of the boom or other structural members enumerated in 1 of 3.1.1 shall not exceed those permitted by reference standard RS 10-5 for mobile cranes with hydraulic booms, for derricks and for tower and climber cranes.
Local Law 50-1973]
4.0 Design, construction, and testing of mobile cranes. -

4.1 Design and construction of mobile cranes.-
4.1.1 Design and construction of mobile cranes manufactured and submitted prior to September 1, 2006. Mobile cranes, and their components, manufactured and submitted prior to September 1, 2006 shall, in their entirety, be designed and constructed in accordance with ANSI B30.5 – 1968.

4.1.2 Design and construction of mobile cranes manufactured and submitted on or after September 1, 2006. Mobile cranes, and their components, manufactured and submitted on or after September 1, 2006, shall, in their entirety, be designed and constructed in accordance with one of the following standards:
1. ANSI B30.5 – 2004 Chapter 5-1 except Section 5-1.9.9
2. CEN EN 13000 (2004) except Section 4.2.6

4.1.3 Design and construction of mobile cranes manufactured prior to September 1, 2006 but submitted after September 1, 2006. Mobile cranes, and their components, submitted on or after September 1, 2006, but manufactured before September 1, 2006, shall, in their entirety, be designed and constructed in accordance with one of the following standards:
1. ANSI B30.5 – 2004 Chapter 5-1 except Section 5-1.9.9
2. ANSI B30.5 – 2000 Chapter 5-1 except Section 5-1.9.9
3. ANSI B30.5 – 1994 Chapter 5-1 except Section 5-1.9.9
4. ANSI B30.5 – 1989 Chapter 5-1 except Section 5-1.9.9
5. ANSI B30.5 – 1982 Chapter 5-1 except Section 5-1.9.9
6. CEN EN 13000 (2004) except Section 4.2.6
7. Such other standard as the Commissioner deems appropriate.

4.2 Prototype testing of mobile cranes. -
4.2.1 Prototype testing of mobile cranes submitted prior to September 1, 2006. A prototype of each mobile crane, and their components, submitted before September 1, 2006 shall be tested for strength and stability in accordance with ANSI B30.5-1968. Lattice boom cranes shall also be tested in accordance with SAE J987 and all mobile cranes with lattice or hydraulic booms shall also be tested in accordance with SAE J765.

4.2.2 Prototype testing of mobile cranes submitted on or after September 1, 2006. A prototype of each mobile crane, and their components, submitted on or after September 1, 2006 shall meet the prototype testing requirements in Test Option A or Test Option B as outlined below:

1. 1. Test Option A:

(a) The following applies to equipment with cantilevered booms (such as hydraulic boom cranes): All tests listed in SAE J1063 - 1993, Table 1, shall be performed to load all critical structural elements to their respective limits. All the strength margins listed in SAE J1063 - 1993, Table 2 shall be met.
(b) The following applies to equipment with pendant supported lattice booms: All the tests listed in SAE J987 - 2003, Table 1, shall be performed to load all critical structural elements to their respective limits. All the strength margins listed in SAE J987 – 2003, Table 2 shall be met.
(c) Load rating charts shall be established by tests performed in

accordance with SAE J765 - 1990, Crane Load Stability Test.

2. Test Option B:

(a) The following applies to equipment with cantilevered booms (such as hydraulic boom cranes): The analysis methodology, such as computer modeling, must demonstrate that all load cases listed in SAE J1063 - 1993 meet the strength margins listed in SAE J1063-1993 Table 2.

(b) The following applies to equipment with pendant supported lattice booms: The analysis methodology, such as computer modeling, must demonstrate that all load cases listed in SAE J987 - 2003 meet the strength margins listed in SAE J987- 2003 Table 2.

(c) The analysis methodology, such as computer modeling, must demonstrate that the load chart ratings meet the requirements of SAE J765 - 1990.

(d) Analysis verification. The physical testing requirements under SAE J1063 - 1993 and SAE J987 - 2003 must be met unless the reliability of the analysis methodology, such as computer modeling, has been demonstrated by a documented history of verification through strain gauge measuring or strain gauge measuring in combination with other physical testing. The physical testing requirements of SAE J765 – 1990 must be met unless the reliability of the analysis methodology, such as computer modeling, has been demonstrated by physical testing.

Section 5 shall be deleted in its entirety as follows:

[* **5.0 Use of Special Steels.** -All steel used in the construction of a crane or derrick not specifically accepted for use by the New York City Building Code or an appropriate reference standard thereof, must be approved by the commissioner.

Local Law 50-1973]

Section 6 shall be deleted in its entirety as follows:

[* **6.0 Load Tests for New Mobile Cranes.-**

6.1 A prototype of each mobile crane, except those with hydraulic booms, manufactured after April 1, 1970 shall be tested for strength and stability in accordance with ANSI B30.5-1968 of the American National Standard Safety Code for Crawler Locomotive and Truck Cranes and in compliance with SAE J987 and SAE J765.

6.2 For mobile cranes with hydraulic booms, a prototype shall be tested in accordance with SAE J765.

6.3 Prior approval of the testing program shall be obtained from the department before performing any load tests after the effective date of this section. The department shall be notified in writing, at least one week in advance, of the date and location of such testing.]

Section 7 shall be deleted in its entirety as follows:

[**7.0 Load Tests for Other Mobile Cranes.-**

* 7.1 Mobile cranes which comply with the provisions of 5 of 3.1.1 for which the information specified in 1 and 3 of 3.1.1. is not available, shall undergo a load test as follows:

1. Maximum load used shall not exceed 20,000 pounds.

2. The crane shall be tested at no more than two different radii determined by the commissioner to determine its compliance with manufacturer's load rated chart as required pursuant to these regulations. Upon satisfaction of this test requirement, the crane may be operated to the capacities represented on the chart.

Local Law 50-1973

** 3. A crane tested prior to July 1, 1972 shall be deemed to comply with the requirements of subdivision 13.1 of this standard, provided that the load ratings established by such tests are no greater than eighty (80%) percent of the test loads and in no case greater than those indicated on the manufacturer's load rating chart.

****731-71 BCR; 454-71 BCR***]

8.0 Certificate of On-Site Inspection.-

8.1 Use of cranes and derricks at job sites. -

8.1.1 In order to operate a crane or derrick at a job site, a certificate of on-site inspection is required as stipulated in C26-1909.4(d). The owner of the premises, building or structure, or his designated representative, shall file an application in quadruplicate at the department office in the borough where the premises is located. Such application shall be accompanied by plans showing proposed locations of the crane or derrick, pertinent features of the site such as assumed soil bearing values, ground elevations and slopes, vaults or other subsurface structures, supporting platforms or structures, and the swing of the crane or derrick. Also, a document shall be submitted, signed by a licensed engineer or registered architect which shall include the following information where the crane or derrick is to be supported by soil:

(a) That he has inspected the soil at the proposed location or locations of the crane or derrick;

(b) His estimate of the soil bearing value;

(c) That he has explored the existence of any sheeting or retaining walls supporting soil adjoining any excavation which may be affected and certifies as to its adequacy;

(d) If the crane or derrick is to be on the street, that he has explored the existence of vaults or other subsurface structures which could impair the bearing value of the street or sidewalk;

(e) That the load imposed upon the soil by the crane or derrick including supporting platform, does not exceed such bearing value under any condition of loading.

8.1.2 Where a crane not exceeding 160 feet in height, including jibs and any other extensions to the boom is to be used for a period not exceeding 24 hours, or a crane not exceeding 50 feet in height, including jibs and any other extensions to the boom with a maximum rated capacity of 20 tons, is to be positioned on the roadway or sidewalk, a certificate of on-site inspection shall be required. However, the requirements relating to plans and a document of a licensed professional engineer or registered architect enumerated in 8.1.1 of this reference standard shall not apply nor shall the three regular working day provisions of section C26-1909.4(d) be applicable under the following conditions:

(1) That a prototype approval has been obtained showing the means required to distribute the weight of the crane and the maximum working loads.

(2) A statement from the owner of the structure, building or premises or his authorized agent that he visited the site and that there are no excavations or retaining walls and that no vaults or subsurface construction exists at the site.

8.1.3 A certificate of on-site inspection shall not be required under the following conditions:

* 8.1.3.1 For a crane not exceeding 160 feet in height including jibs and any other extensions to the boom, which is to be used for a period not exceeding 48 hours and operating entirely within the property lines and in such locations which are at least a boom length, including jibs and any extensions thereof, distant from all lot lines.

Local Law 50-1973

8.1.3.2 For service cranes and clamshells operated entirely within the property lines and within such locations which do not involve the moving of any loads over the roadway or sidewalk. This exemption shall apply only to cranes with a boom length, including jibs and any extension thereof, not exceeding 110 feet.

* 8.1.3.3 For the use of cranes as provided for in 8.1.3.1 and 8.1.3.2, notice of the operation of the crane at the job site shall be given to the division of cranes and derricks, department of buildings, by telephone and confirmed in writing. It shall be the responsibility of an appointed person to provide firm and uniform footing and, when necessary, provide substantial timbers, cribbing or other structural members sufficient to distribute the load so as not to exceed the safe bearing capacity of the underlying material.

Local Law 50-1973

8.2 Cranes or Derricks Supported by a Building or Structure.-

8.2.1 Where the crane or derrick is supported by a building or a structure, the statement by the licensed engineer or registered architect referred to in 8.1.1 shall include the means of supporting and bracing the equipment.

The swing of the crane or derrick shall be shown on the plans to insure clearance during operation. Computations shall be submitted with the application showing all reactions imposed on the structure by the crane or derrick, including those due to impact and wind. Such computations shall verify that the stability of the building or structure will not be impaired when the crane or derrick is in operation and that no structural members will be overstressed due to forces induced by the crane or derrick.

8.2.2 Concrete Structures.-If the structure is a concrete structure, test reports of the compression strength of the concrete shall be submitted to insure that the concrete supports of the crane or derrick have developed sufficient strength to support the crane or derrick before it is installed.

The means for establishing concrete strength before imposing crane or derrick loads upon the structure shall be indicated on the application.

8.2.3 All anchorages for cranes and derricks shall be approved by an appointed person.

8.3 Use of Pile Drivers and Clamshells.-

8.3.1 A certificate of on-site inspection shall not be required for pile drivers or clamshells operating entirely within the lot lines under the following conditions:

8.3.1.1 Where pile driving equipment is designed or supported on a platform so that the soil bearing pressure does not exceed 500 pounds per square foot, a certificate of on-site inspection shall not be required.

8.3.1.2 Where clamshells are operating on construction sites and are at least the depth of excavation height from the edge of the excavation and where the soil bearing pressure does not exceed 500 lbs. per square foot, a certificate of on-site inspection shall not be required.

8.3.1.3 Where the pressure on the soil is in excess of 500 pounds per square foot but does not exceed 2,500 pounds per square foot, a pile driver or clamshell may be operated without a certificate of on-site inspection under the following conditions:

(1) That borings have been filed with the department in the construction application under which the work is being performed, and

(2) An amendment is filed to such application by an engineer or architect certifying that on the basis of the borings, the soil is adequate to support the load to be imposed thereon by the subject equipment.

8.4 The Requirements of 8.1.1, 8.2 and Sections C26-1909.4(d) Shall also Apply to Cableways.-

**8.5 Notwithstanding the provisions of 8.0 through 8.4 where a crane is operated on the sidewalk or roadway, a permit from the department of highways shall be obtained and the pressure on such surface shall not exceed 3500 pounds per square foot. The pressure shall be distributed on the roadway by means of timber platforms extending not less than twelve (12) inches beyond the base of the outriggers on all sides and sufficiently thick to uniformly distribute the pressure as required above of all the loads including the weight of the crane. The timber mats shall have a minimum thickness of two (2) inches. All cranes equipped with steel tracks shall be supported by timber platforms not less than six inches thick and covering the entire base of the crane.

*** Local Law 73-1969; 479-77 BCR***

9.0 Unsafe Hoisting Machines.-

9.1 When it is found that equipment is dangerous or unsafe a notice or order to stop work may be issued by the commissioner, or his authorized representative. Such notice or order may be given to the owner or lessee of the equipment involved, or to the agent of any of them, or to the person or persons executing the work or operating the equipment in writing. If the operation of the hoisting machine is not discontinued, the inspector shall report same to his superior and an engineer shall be sent to reinspect. Upon confirmation of the unsafe condition by the engineer, the hoisting machine shall be red tagged. All persons shall be prohibited from using the said equipment until the danger is removed or the unsafe condition is rectified. An unsafe notice shall not be removed from the equipment, except by an authorized inspector or representative of the department of buildings.

10.0 Annual Renewal of Certificate of Operation. - Application for renewal of a certificate of operation, as stipulated in C26-1909.4 (c), shall be accompanied by inspection and maintenance records in accordance with 15.1 and 18.1. Upon approval of the application, a new certificate of operation shall be issued after a satisfactory inspection by a department inspector.

Section 11 shall be deleted in its entirety as follows:

[**11.0 Welded Construction.-**

11.1 Welding of structural members of cranes and derricks enumerated in 1 and 2 of 3.1.1 shall conform to the recommended practices of the American Welding Society as outlined in specifications for welded highway and railway bridges AWS D2.0-66 or other recognized standards or pursuant to RS 19-2.

11.2 For welding of steels not covered by AWS D2.0-66, for all cranes manufactured after April 1, 1970 and all welding performed after that date shall conform to recognized standards.

11.3 The commissioner may require such welds to be tested as he deems necessary.]

Section 12 shall be deleted in its entirety as follows:

[**12.0 Load Ratings and Stability of Cranes and Derricks.-**

12.1 Load Ratings-Where Stability Governs Lifting Performance (Mobile Cranes).-

12.1.1 Load ratings for mobile cranes manufactured after April 1, 1970 shall be established by tests performed in accordance with crane load stability test code, SAE J765, April, 1961.

*12.1.2 The margin of stability for determination of load ratings, with booms of stipulated lengths at stipulated working radii for the various types of crane mountings shall be established at 75 percent of the load which will produce a condition of tipping or balance with the boom in the least stable direction relative to the mounting where overturning stability governs the lifting performance. The percentage may be increased to 85 percent for truck cranes which are provided with the safety devices specified in 19.1.1.

Local Law 50-1973]

13.0 Load Ratings Where Structural Competence Governs Lifting Performance.-

Section 13.1 shall be revised as follows:

13.1 [Load rating at some radii for mobile cranes and] Load ratings for climber, tower cranes and derricks are governed by structural competence. Therefore, the limitation on crane loading must be such that no structural member is overstressed, and load rating charts shall be subject to this limitation.

13.2 Load Rating Chart.-

Section 13.2.1 shall be deleted in its entirety as follows:

[13.2.1 Mobile cranes. - A durable angle and load chart with clearly legible letters and figures shall be provided with each mobile crane and securely fixed to the crane cab in a location easily visible to the operator while seated at his control station. The chart shall contain a full and complete range of crane load ratings, as approved by the department, at all stated operating radii and boom angles, and for all permissible boom lengths, job lengths and angles, also alternate ratings for use and non-use of optional equipment on the mobile crane, such as outriggers and counterweights which affect ratings. The chart shall also contain essential precautionary or warning notes relative to limitations on equipment and operating procedures, including indication of the least stable position. In addition, the chart shall include the following statement:

"Load ratings shown on this chart makes no allowance for such factors as the effect of freely suspended loads, wind, ground conditions, inflation of rubber tires and operating speeds. The operator therefore shall reduce load ratings in order to take these conditions into account."]

Section 13.2.2 shall be deleted in its entirety as follows:

[13.2.2 Each mobile crane, excluding those used with pile driving or dragline equipment, with a maximum rated capacity exceeding one ton shall be provided with a boom angle indicator that shall make the boom angle in degrees clearly visible to the operator at all times. Such crane, except when used with a clamshell, shall be equipped with safety devices as stipulated in 19.1(a), (c), (d) and (e).]

Section 13.2. 3 shall be renumbered as follows:

13.2.1 [3] Tower and climber cranes. - A substantial, durable and clearly legible rating chart shall be provided with each tower and climber crane and securely affixed in the cab. The chart shall include load ratings approved by the department for specific lengths of components, counterweights, swing, and radii.

Section 14 shall be deleted in its entirety as follows:

[**14.0 Backward Stability of Mobile Cranes.**-The backward stability of a mobile crane is its ability to resist overturning in the backward direction while in the unloaded condition. The degree of resistance to backward overturning is reflected in the margin of backward stability.

14.1 The general conditions applicable to mobile cranes for determination of backward stability margin are as follows:

14.1.1 Crane to be equipped for normal crane operation with shortest recommended boom.

14.1.2 Boom positioned at minimum recommended radius.

14.1.3 Crane to be unloaded.

14.1.4 Outriggers free of the bearing surface unless specified by manufacturer for stationary use.

14.1.4 Crane to be standing on firm supporting surface level within one percent grade.

14.1.6 All fuel tanks at least half full.

14.2 The following are minimum acceptable backward stability conditions for the various types of mobile cranes:
14.2.1 Crawler cranes.-The horizontal distance between the center of gravity of the crane and the axis of rotation shall not exceed 70% of the radial distance from the axis of rotation to the backward tipping fulcrum in the least stable direction.
14.2.2 Truck and wheel mounted cranes.-
(a) With the longitudinal axis of the rotating superstructure of the crane at 90 degrees to the longitudinal axis of the carrier, the total load on all wheels on the side of the carrier under the boom shall not be less than 15 percent of the total weight of the crane.
(b) With the longitudinal axis of the rotating superstructure of the crane in line with the longitudinal axis of the carrier, in either direction, the total load on all wheels under the lighter loaded end of the carrier shall not be less than 15 percent of the total weight of the crane.]

15.0 Inspection Required by Owner for Cranes and Derricks.-

15.1 Certification and inspections required.-The owner of a crane or derrick when applying for a certificate of approval in accordance with 3.0 shall certify that all applicable regulations regarding inspection and maintenance will be complied with. All inspections required by the owner shall be performed only by appointed personnel. The inspections shall be performed to provide information requested in a department supplied chart and all deficiencies shall be corrected. No record of information not required by such chart shall be required to be maintained in writing.
15.2 Inspection classification.-Inspection procedure for cranes and derricks in regular service is divided into two general classifications based upon the intervals at which inspection should be performed. The intervals in turn are dependent upon the nature of the critical components of the crane or derrick and the degrees of their exposure to wear, deterioration or malfunction. The two general classifications are herein designated as "frequent" and "periodic" with respective intervals between inspections as defined below:
15.2.1 Frequent inspection.-Daily to monthly intervals.
15.2.2 Periodic inspection.-1 to 12 month intervals or as specifically recommended by the manufacturer.
***15.3 Frequent inspection.**-Items such as the following shall be inspected for defects at intervals as defined in 15.2.1 or as specifically indicated, including observation during operation for any defects which might appear between regular inspections. Any defects revealed by inspection shall be corrected. Where such defects constitute a safety hazard, the crane or derrick shall not be operated until such defects are corrected.
Local Law 50-1973
15.3.1 All control mechanisms for maladjustment interfering with proper operation.-Daily.
15.3.2 All control mechanisms for excessive wear of components and contamination by lubricants or other foreign matter.
15.3.3 All safety devices for malfunction.
15.3.4 Deterioration or leakage in air or hydraulic systems.-Daily
*15.3.5 Crane or derrick hooks with deformations or cracks.-Refer to 17.3.3(c).
Local Law 50-1973
15.3.6 Rope reeving for non-compliance with crane or derrick manufacturer's recommendations.
15.3.7 Electrical apparatus for malfunctioning, signs of excessive deterioration, dirt, moisture accumulation, weatherproofing and grounding.
15.3.8 Tension in derrick guys.-Daily.
15.3.9 Plumb of derrick mast.
15.3.10 Hoist brakes, clutches and operating levers.-Check daily for proper functioning before beginning operations.
***15.4 Periodic inspections of cranes and derricks**.-Complete inspections of the crane or derrick shall be performed at intervals as generally defined in 15.2.2, depending upon its activity, severity of service, and environment, or as required by 15.5.1 or 15.5.2. These inspections shall include the requirements of 15.0, and in addition, items specifically indicated below. Any defects revealed by inspection shall be corrected. Where such defects constitute a safety hazard the crane or derrick shall not be operated until such defects are corrected.
Local Law 50-1973
15.4.1 Deformed, cracked or corroded members in the crane or derrick structure and boom.
15.4.2 Loose bolts or rivets.
15.4.3 Cracked or worn sheaves and drums.
15.4.4 Worn, cracked or distorted parts such as pins, bearings, shafts, gears, rollers and locking devices.
15.4.5 Excessive wear on brake and clutch system parts, linings, pawls and ratchets.
15.4.6 Load, boom angle and other indicators over their full range, for any significant inaccuracies.
15.4.7 Gasoline, diesel, electric or other power plants for improper performance or non-compliance with safety requirements.
15.4.8 Excessive wear of chain drive sprockets and excessive chain stretch.
15.4.9 Crane or derrick hooks.-Magnetic particle or other suitable crack detecting inspection should be performed at least once each year by an inspection agency retained by the owner and approved by the department. Certified inspection reports are to be made available to the department upon request.
15.4.10 Travel steering, braking and locking devices, for malfunction.
15.4.11 Excessively worn or damaged tires.
15.4.12 Derrick gudgeon pin for cracks, wear and distortion each time the derrick is to be erected.
15.4.13 Foundation or supports shall be inspected for continued ability to sustain the imposed loads.
15.5 Cranes or derricks not in regular use.-

Section 15.5.1 shall be revised as follows:
15.5.1 A crane or derrick which has been idle for the period of one month or more, but less than six months, shall be given an inspection by the owner conforming with requirements of 15.3 and [18.1.3] 18.1.2.1 before an application for a certificate of on-site inspection in accordance with [C26-1909.4(d)] 27-1057(d) is submitted to the department.

Section 15.5.2 shall be revised as follows:
15.5.2 A crane which has been idle for the period of over six months, shall be given a complete inspection by the owner conforming with requirements of 15.3, 15.4 and [18.13] 18.1.2 before an application for a certificate of on-site inspection in accordance with [C26-1909.4(d)] 27-1057(d) is submitted to the department.

16.0 Testing Required for Cranes and Derricks, Manufactured After April 1, 1970, by Manufacturer or Owner.-
16.1 Operational test.-
16.1.1 In addition to prototype tests and quality control measures, each new production crane and derrick shall be tested by the manufacturer to the extent necessary to insure compliance with the operational requirements of this section, including functions such as the following:
(a) Load hoisting and lowering mechanisms.
(b) Boom hoisting and lowering mechanisms.
(c) Swinging mechanism.
(d) Traveling mechanism.
(e) Safety devices.
16.1.2 Where the complete production crane or derrick is not supplied by one manufacturer such tests shall be conducted at final assembly.
6.1.3 Operational test and production test results certified by the manufacturer or a licensed professional engineer shall be made available to the department with each application for a certificate of approval for a crane or derrick, in accordance with 3.0.
16.1.4 For all cranes and derricks, where electrically powered, the trip setting of hoist limit switches shall be determined by tests with an empty hook traveling in increasing speeds to the maximum speed. The activating mechanism of the limit switch shall be located so that it will trip the switch under all conditions in sufficient time to prevent contact of the hook or load block with any part of the derrick or crane.

17.0 Maintenance of Cranes and Derricks.-
17.1 Preventive maintenance.-
17.1.1 A preventive maintenance program based on the crane or derrick manufacturer's recommendations shall be established. Dated and detailed records shall be readily available to the department.
17.1.2 It is recommended that replacement parts be obtained from the original equipment manufacturer.
17.2 Maintenance procedure.-
17.2.1 Before adjustments and repairs are started on a crane or derrick, the following precautions shall be taken as applicable:
(a) Crane or derrick placed or arranged where it will cause the least interference with other equipment or operations in the area.
(b) All controls at the "off" positions.
(c) Starting means rendered inoperative.
(d) Warning or "out of order" signs placed on the crane or derrick and hoist.
(e) Power plant stopped or disconnected at take-off.
(f) Boom lowered to the ground if possible or otherwise secured against dropping.
(g) Lower load block lowered to the ground or otherwise secured against dropping.
17.2.2 After adjustment and repairs have been made, the crane or derrick shall not be operated until all guards have been reinstalled, safety devices reactivated and maintenance equipment removed.
17.3 Adjustments and Repairs.-
*17.3.1 Any unsafe conditions disclosed by the inspection requirements of 15.0 shall be corrected before operation of the crane or derrick is resumed. Adjustments and repairs shall be done only by competent personnel.
Local Law 50-1973
17.3.2 Adjustments shall be maintained to assure correct functioning of components. The following are examples:
(a) All functional operating mechanisms.
(b) Safety devices.
(c) Control systems.
(d) Power plants.
(e) Tie downs or anchorages.
(f) Signal system.
(g) Guys.
17.33 Repairs or replacements shall be provided promptly as needed for safe operation. The following are examples:
(a) All critical parts of functional operating mechanisms which are cracked, broken, corroded, bent or excessively worn.
(b) All critical parts of the crane or derrick structure which are cracked, bent, broken or excessively corroded.
* (c) Crane or derrick hooks showing defects described in 15.3.5 shall be discarded. Repairs by welding or reshaping are not acceptable unless written approval of the department is obtained.
Local Law 50-1973
(d) Pitted or burned electrical contacts should be corrected only by replacement and in sets. Controller parts should be lubricated as recommended by the manufacturer.
17.3.4 All replacement parts or repairs shall have at least the original safety factor and be in accordance with the specifications of the manufacturer. Approval of the department shall be required for the replacement or repair of main structural members as enumerated in 1 and 2 of 3.1.1 for which no fee will be required.
17.4 Lubrication of Cranes and Derricks.-
17.4.1 All moving parts of the crane or derrick and hoist for which lubrication is specified, including rope and chain, shall be regularly lubricated. Lubricating systems shall be checked for proper delivery of lubricant. Particular care should be taken to follow manufacturer's recommendations as to point and frequency of lubrication, maintenance of lubricant levels and types of lubricants to be used. Lubrication shall be performed under the supervision of the crane operator, oiler or maintenance engineer.
*17.4.2 Machinery shall be stationary while lubricants are being applied and protection provided as called for in 17.2.1(b) through 17.2.1(e) inclusive, unless such machinery is equipped for automatic lubrication.
Local Law 50 -1973

18.0 Rope Inspection, Replacement and Maintenance by Owner for Cranes and Derricks.-

Section 18.1 shall be deleted in its entirety and replaced as follows:
[18.1 Inspection.-
*18.1.1 All ropes in continuous service should be visually inspected once every working day. A thorough inspection of all ropes in use shall be made at least once a month. All inspections shall be performed by an appointed person. Any deterioration resulting in measurable loss of original strength, such as described below shall be carefully noted and determination made as to whether further use of the rope would constitute a safety hazard:
(a) Reduction of rope diameter below nominal diameter due to loss of core support, internal or external corrosion or wear of outside wires.
(b) A number of broken outside wires and the degree of distribution of concentration of such broken wires.
(c) Worn outside wires, "birdcaging," or kinks.
(d) Corroded or broken wires at end connections.
(e) Corroded, cracked, bent, worn or improperly applied end connections.
(f) Severe kinking, crushing, cutting or unstranding.
Local Law 50-1973
18.1.2 Heavy wear and/or broken wires may occur in sections in contact with equalizer sheaves, or other sheaves where rope travel is limited, or with saddles. Particular care shall be taken to inspect ropes at these locations.
18.1.3 All rope which has been idle for a period of a month or more due to shutdown or storage of the crane or derrick on which it is installed shall be given a thorough inspection before it is placed in service. This inspection shall be for all types of deterioration and shall be performed by an appointed person whose approval shall be required for further use of the rope.
18.1.4 Particular care shall be taken in the inspection of non-rotating rope.]

18.1 Rope Inspection. -
18.1.1 Frequent Inspection. -
18.1.1.1 All ropes in continuous service shall be visually inspected once every working day. A visual inspection shall consist of observation of all rope that can reasonably be expected to be in use during the day's operation. This visual inspection shall be directed towards discovering gross damage that may be an immediate hazard, including, but not limited to, the following:

(a) Distortion of the rope such as kinking, crushing, unstranding, birdcaging, main strand displacement, or core protrusion. Loss of rope diameter in a short rope length or unevenness of outer strands should provide evidence that the rope or ropes must be replaced.
(b) General corrosion
(c) Broken or cut strands
(d) Number, distribution and type of visible broken wires (See Section 18.2.2 for further guidance)
(e) Core failure in rotation-resistant ropes. When such damage is discovered, the rope shall be either removed from service or given an inspection as detailed in Section 18.1.2

18.1.1.2 Care shall be taken when inspecting sections of rapid deterioration such as flange points, crossover points, and repetitive pickup points.
18.1.1.3 Care shall be taken when inspecting the following types of rope:

(a) Rotation-resistant rope.
(b) Boom hoist rope.

18.1.2 Periodic Inspection. -
18.1.2.1 There shall be periodic inspections performed at least annually. The inspection frequency shall be determined by a qualified person and shall be based on such factors as expected rope life as determined by experience on the particular installation or similar installations, severity of the environment, percentage of capacity lifts, frequency rates of operation, and exposure to shock loads. Inspections need not be at equal calendar intervals and should be more frequent as the rope approaches the end of its useful life.
18.1.2.2 In the event a periodic inspection is not feasible within a 12-month period due to existing set-up and configuration of the equipment or due to site conditions, such periodic inspection shall be performed as soon as it becomes feasible but no longer than an additional 6 months for running ropes and, for standing ropes, at the time of disassembly. Written notification and approval of the commissioner must be obtained prior to extending the use of the rope beyond the 12-month inspection period.
18.1.2.3 Periodic inspections shall be performed by a qualified person. This inspection shall cover the entire length of rope. Only the surface wires of the rope shall be inspected. Any deterioration resulting in an appreciable loss of original strength shall be noted and determination made as to whether further use of the rope would constitute a hazard. The periodic inspection shall include, but not be limited to, examination of the following:

(a) points listed in Section 18.1.1.1
(b) reduction of rope diameter below nominal diameter due to loss of core support, internal or external corrosion, or wear of outside wires.
(c) severely corroded or broken wires at end connections
(d) severely corroded, cracked bent, worn or improperly applied end connections

18.1.2.4 Care shall be taken when inspecting sections of rapid deterioration, such as the following:

(a) sections in contact with saddles, equalizer sheaves, or other sheaves

where rope travel is limited

(b) sections of the rope at or near terminal ends where corroded or broken wires may protrude.

18.1.2.5 All rope that has been idle for a period of a six months or more shall be given a periodic inspection before it is placed into service.

Section 18.2 shall be deleted in its entirety and replaced as follows:

[18.2 Rope Replacement.-

18.2.1 Safety in regard to rope replacement shall depend upon the use of good judgment by an appointed person in evaluating strength in used rope.

18.2.2 Conditions such as the following should be sufficient reason for replacement:

(a) In running ropes, six randomly distributed broken wires in one lay or three broken wires in one strand in one lay.

(b) Wear of one-third the original diameter of outside individual wires.

(c) Kinking, crushing, bird caging or any other damage resulting in distortion of the rope structure.

(d) Evidence of any heat damage from any cause.

(e) Reductions from nominal diameter of more than 3/64 inch for diameters to and including 3/4 inch, 1/16 inch for diameter 7/8 inch to 1 1/8 inches inclusive, 3/32 inch for diameters 1 1/4 inches to 1 1/2 inches inclusive.

(f) In standing ropes, more than two broken wires in one lay in sections beyond and connections or more than one broken wire at an end connection.

(g) In standing or running ropes noncompliance with section C26-1909.2(b), (c) or (d).

18.2.3 Discarded rope should not be used for slings.]

18.2 Rope Replacement. -

18.2.1 When a rope reaches any one of the specified removal criteria, it may be allowed to operate to the end of the work shift, based on the judgement of a qualified person. The rope shall be replaced after that work shift, at the end of the day, or at the latest time prior to the equipment being used by the next work shift.

18.2.2 Removal criteria for rope replacement shall meet manufacturer's specification or as follows:

(a) Broken Wires

(1) in running ropes, six randomly distributed broken wires in one lay or three broken wires in one strand in one lay.

(2) In rotation-resistant ropes, two randomly distributed broken wires in six diameters or four randomly distributed broken wires in 30 rope diameters.

(3) One outer wire broken at the point of contact with the core rope that has worked its way out of the rope structure and protrudes or loops out from the rope structure. Additional inspection of this section is required.

(4) Kinking, crushing, birdcaging, or any other damage resulting in distortion of the rope structure.

(5) Evidence of heat damage from any cause

(6) Reductions from nominal diameter of more than the following:

(a) 1/64 in. for diameters up to and including 5/16 in.

(b) 1/32 in. for diameters up to and including ½ in.

(c) 3/64 in. for diameters up to and including ¾ in.

(d) 1/16 in. for diameters up to and including 1 1/8 in.

(e) 3/32 in. for diameters up to and including 1 ½ in.

(7) In standing ropes, more than two broken wires in one lay in sections beyond end connections or more than one broken wire at an end connection.

18.2.3 Replacement rope shall have strength rating at least as great as the original rope furnished or recommended by the crane manufacturer. Any deviation from the original size, grade, or construction shall be specified by the rope manufacturer, the crane manufacturer, or a qualified person.

18.2.4 Discarded rope shall not be used for slings.

18.3 Rope Maintenance.-

18.3.1 Rope shall be stored to prevent damage or deterioration.

18.3.2 Unreeling or uncoiling of rope shall be done as recommended by the rope manufacturer and with extreme care to avoid kinking or inducing a twist.

18.3.3 Before cutting a rope, seizings shall be placed on each side of the place where the rope is to be cut to prevent unlaying of the strands. On preformed rope, one seizing on each side of the cut is required. On non-preformed ropes of 7/8 inch diameter or smaller, two seizings on each side of the cut are required, and for non-preformed rope of one inch diameter or larger, three seizings on each side of the cut are required.

18.3.4 During installation care shall be observed to avoid dragging of the rope in dirt or around objects which will scrape, nick, crush, or induce sharp bends in it.

18.3.5 Rope should be maintained in a well lubricated condition. It is important that lubricant applied as part of a maintenance program shall be compatible with the original lubricant and to this end the rope manufacturer should be consulted. Those sections of rope which are located over sheaves or otherwise hidden during inspection and maintenance procedures require special attention when lubricating rope. The object of rope lubrication is to reduce internal friction and to prevent corrosion. Periodic field lubrication is particularly important for non-rotating rope.

Section 19.0 shall be deleted in its entirety and replaced as follows.

[* 19.0 Safety Devices Required.-

***Local Law 50-1973**

* 19.1 All cranes or derricks having a maximum rated capacity exceeding one ton shall be equipped with safety devices as provided herein, except equipment used exclusively for pile driving, clamshell and dragline used for excavation. These safety devices shall be acceptable to the commissioner.

*19.1.1 All mobile cranes, including truck mounted tower cranes, shall be equipped with:

(a) A warning light and an acoustical signal located at the operator's position or cab to indicate overload and shall consist of either of the following devices:

***Local Law 50-1973**

(1) A load measuring device in combination with a load radius or boom angle measuring device with presettable load and angle or radius limits to activate the warning signals and to be used in conjunction with the approved load radius chart.

(2) A load and radius measuring device pre-programmed to continuously relate the measured data to the load radius chart as a direct reading of load or percentage of rated load.

(b) Where electrically powered, a deadman control on control levers in the cab or crane operator's station.

(c) An effective audible warning and operating signal on the outside of the cab.

(d) Boom stops and boom hoist safety shutoffs. However, boom stops shall not be required for telescoping booms.

(e) An indicator for leveling the crane.

19.1.2 All tower cranes and climber cranes excluding truck-mounted tower cranes, shall have the following safety devices:

(a) Warning light shall be activated at 100% allowable overturning moment.

(b) Acoustic signal shall sound at 105% allowable overturning moment.

(c) Automatic stop if 110% allowable overturning moment is reached.

(d) Automatic stop if load exceeds maximum rated load in high gear.

(e) Automatic stop if load exceeds maximum rated load in intermediate gear.

(f) Automatic stop if load exceeds maximum rated load in low gear.

(g) Predeceleration before top position of the hook.

(h) Limit switch for top position of the hook.

(i) Predeceleration before low position of the hook.

(j) Limit switch for the trolley traveling out.

(k) Limit switch for the trolley traveling in.

(l) Acceleration limitation on the hoist movement.

(m) Acceleration limitation on the swing movement.

(n) Acceleration limitation on the trolley movement.

(o) Deadman control on both joy sticks in box.

*19.1.3 Safety devices for derricks shall be acceptable to the commissioner and shall be installed within six months after said devices are accepted. However, where electrically powered, a deadman control on control levers shall be installed prior to applying for a certificate pursuant to section C26-1909.4.

***Local Law 50-1973**

*19.1.4 Any safety device previously approved by the board of standards and appeals shall be acceptable as meeting the requirements of the applicable subparagraphs of 19.1.1.

***Local Law 50-1973]**

19.0 Safety Devices Required. - All cranes and derricks shall be equipped with safety devices as provided herein, except equipment used exclusively for pile driving, clamshell and dragline used for excavation. The commissioner shall approve these safety devices.

19.1 Indicators or Limiters. - All mobile cranes with a maximum rated capacity of 3 tons or more shall be equipped with a load indicator, rated capacity indicator, or a rated capacity (load) limiter.

19.1.1 Cranes with a total boom length including jibs and any other extensions not exceeding 150 feet shall be exempt.

19.1.2 Cranes manufactured before December 30, 1993 shall be exempt. The margin of stability for determination of load ratings of these cranes shall be established at 75 percent of the load, which will produce a condition of tipping or balance with the boom in the least stable direction relative to the mounting where overturning stability governs the lifting performance.

19.1.3 Cranes shall have a radius or boom angle indicator provided in conjunction with a load indicator.

19.2 Anti-Two Blocking Features. - All mobile cranes with a maximum rated capacity exceeding one ton manufactured after February 28, 1992, shall be equipped with anti-two-blocking features as follows:

(a) Telescopic Boom Cranes shall have an anti-two-block device for all points of two-blocking that automatically prevents damage from contact between the load block, overhaul ball, or similar component, and the boom and/or jib tip.

(b) Lattice Boom Cranes shall have an anti-two-block device for all points of two-blocking that either automatically prevents damage from contact between the load block, overhaul ball, or similar component, and the boom and/or jib tip or warns the operator in time for the operator to prevent two-blocking.

19.3 Additional Safety Devices Required. - All mobile cranes with a maximum rated capacity exceeding one ton shall be equipped with the following additional safety devices:

(a) A deadman control on the control levers in the cab or crane operator's station, where the crane is electrically powered.

(b) An effective audible warning and operating signal on the outside of the cab.

(c) Boom stops and boom hoist safety shutoffs. However, boom stops shall not be required for telescoping booms.

(d) An indicator for leveling the crane.

(e) Hoist drum rotation indicator if the drum is not visible from the operator's station.

19.4 Malfunctioning Safety Devices. - The load indicator, rated capacity indicator, rated capacity (load) limiter, hoist drum rotation indicator, and the anti-two blocking devices shall also be known as operational aids, which provide information to facilitate the operation of a crane or that takes control of particular functions without action of the operator when a limiting condition is sensed. When any of these operational aids are inoperative or malfunctioning, the following alternative measures shall be implemented to allow continued use of the crane:

(a) Load indicator, Rated capacity indicator or Rated Capacity (Load) Limiter: The weight of the load shall be determined from a reliable source (such as the manufacturer's equipment specification), by a reliable calculation method (such as calculating a steel beam from measured dimensions and a known per foot weight) or by other equally reliable means before the load is hoisted. To ensure that the weight of the load does not exceed the crane ratings at the maximum radius at which the load is to be handled, the radius shall be determined through the use of a boom angle indicator, radius indicator or by measurement.

(b) Hoist drum rotation indicator: Mirrors and/or remote video cameras and displays shall be provided so that the operator can see the drum.

(c) Anti-two-block device: The cable shall be clearly marked (so that it can easily be seen by the operator) at a point that will give the operator sufficient time to stop the hoist to prevent two-blocking or an additional signal person shall be utilized to monitor the position of the load block or overhaul ball.

Recalibration or repair of the safety device shall be accomplished as soon as is reasonably possible, as determined by a qualified person.

19.5 Tower Cranes and Climber Cranes. - All tower cranes and climber cranes excluding truck-mounted tower cranes shall have the following:

(a) Warning light activated at 100% allowable overturning moment.

(b) Acoustic signal sounding at 105% allowable overturning moment.

(c) Automatic stop if 110% allowable overturning moment is reached.

(d) Automatic stop if load exceeds maximum rated load in high gear.

(e) Automatic stop if load exceeds maximum rated load in intermediate gear.

(f) Automatic stop if load exceeds maximum rated load in low gear.

(g) Predeceleration before top position of the hook.

(h) Limit switch for top position of the hook.

(i) Predeceleration before low position of the hook.

(j) Limit switch for the trolley traveling out.

(k) Limit switch for the trolley traveling in.

(l) Acceleration limit on the hoisting movement.

(m) Acceleration limit on the swing movement.

(n) Acceleration limit on the trolley movement, and

(o) Deadman control on both control levers in box.

19.6 Derricks.-Safety devices for derricks shall be approved by the commissioner and shall be installed within six months after said devices are accepted. However, where electrically powered, a deadman control on control levers shall be installed prior to applying for a certificate pursuant to section 27-1057 of the Administrative Code.

Section 20 shall be deleted in its entirety as follows:

[20.0 Characteristic and Special Requirements for Mobile Cranes.-

20.1 Hoists, load and swing mechanisms.-

20.1.1 Boom hoist.

(a) The boom hoist shall be capable of lifting the boom when the outer end is at the level of the surface on which the crane rest.

(b) The hoisting mechanism shall be provided with a suitable clutching or power engaging device permitting immediate starting or stopping of the boom drum motion. The hoisting mechanism also shall be provided with a self-setting safety brake, capable of supporting all rated loads, with recommended reeving.

(c) Brakes and clutches shall be arranged to be readily adjusted to compensate for wear and to maintain adequate tension in springs where used.

(d) The hoisting mechanism shall be provided with an auxiliary ratchet and pawl or other positive locking device for use as an added safety feature.

* (e) The hoist drum shall have sufficient rope capacity to operate the boom at all positions between the horizontal and the highest angle recommended by the manufacturer and submitted to the department of buildings for the appropriate reeving and rope size, and

***Local Law 50-1973**

(1) At least two full wraps of rope shall remain on the drum when the boom point is lowered to the level of the crane supporting surface.

(2) The drum end of the rope shall be anchored by a clamp securely attached to the drum or a wedge socket arrangement approved by the crane or rope manufacturer and submitted to the department of buildings.

(f) The drum diameter shall be sufficient to provide a first layer rope pitch diameter of not less than 15 times the nominal diameter of the rope used.

20.1.2 Load hoist.-
(a) The load hoist assemblies shall have power and operational characteristics adequate to perform all load hoisting and lowering functions required in crane service when operated under conditions recommended by the manufacturer and submitted to the department of buildings.
(b) Where brakes and clutches are used to control the motion of the load hoist drums, they shall be of sufficient size and thermal capacity to control all rated crane loads with minimum accepted reeving.
* (c) Load hoist drums shall have sufficient rope capacity size and reeving to perform crane service within the range of boom lengths, operating radii and vertical lifts stipulated by the manufacturer and submitted to the department of buildings.
Local Law 50-1973
* (d) No less than two full wraps of rope shall remain on the drum when the hook is in its extreme low position.
Local Law 50-1973
* (e) The drum end of the rope shall be anchored by a clamp securely attached to the drum or by a wedge socket arrangement approved by the crane or rope manufacturer and submitted to the department of buildings.
Local Law 50-1973
(f) Drums shall be provided with a means to prevent rope from jumping off the drum.
(g) The diameter of the load hoist drum shall be sufficient to provide a first layer rope pitch diameter of not less than 18 times the nominal diameter of the rope used.
(h) Positive means, controllable from the operator's station, shall be provided to hold the drum from rotating in the lowering direction and be capable of holding the rate load indefinitely without further attention from the operator.
* (i) Drum rotation indicators shall be provided and located to afford easy sensing by the operator except when a crane is used exclusively with a clamshell or dragline for excavation purposes or for pile driving.
20.1.3 Load hoist brakes.-
Local Law 50-1973
(a) When power-operated brakes having no continuous mechanical linkage between the actuating and braking means are used for controlling loads, an automatic means shall be provided to prevent the load from falling in event of loss of brake actuating power.
* (b) Foot-operated brake pedals shall be constructed so that the operator's feet will not easily slip off. Means for latching brake in the applied position shall be provided.
(c) Brakes and clutches shall be provided with adjustments where necessary to compensate for wear and to maintain adequate tension in springs where used.
Local Law 50-1973
* 20.1.4 Optional power-controlled lowering. - A power-controlled lowering device may be provided to obtain precision lowering and to reduce demand on the load brake. Such device shall be capable of handling rated loads and speeds as specified by the manufacturer and submitted to the department of buildings.
Local Law 50-1973
20.1.5 Swing control.-
(a) The swing mechanism shall be capable of smooth starts and stops with the varying degrees of acceleration and deceleration required in normal crane operation.
(b) A brake having adequate holding power in both directions shall be provided to prevent movement of the rotating superstructure, when desired under normal operation. The brake shall be capable of being set in the holding position and remaining so without attention on the part of the operator.
(c) A device for positively locking the rotating superstructure shall be provided. It shall be so constructed as to prevent accidental engagement or disengagement.
20.2 Travel controls.-
20.2.1 General.-
(a) On all mobile crane types except truck cranes the controls for the travel function shall be located at the operator's station in the crane cab.
(b) On truck cranes the main travel controls shall be located in the truck cab. Auxiliary travel controls may be provided in the crane cab.
20.2.2 Travel mechanism.-
(a) On crawler cranes, the travel and steering mechanism shall be arranged so that it is not possible for both crawlers to become disconnected simultaneously from the power train and to free wheel.
(b) On truck cranes, the carrier transmission shall have a gear-ratio pattern and adequate control to minimize stalling.
20.2.3 Travel brakes and locks.-
(a) On crawler cranes, brakes or other locking means shall be provided to hold the machinery stationary during working cycles on level grade or while the machine is standing on maximum grade recommended for travel. Such brakes or locks shall be arranged to remain in engagement in event of loss of operating power.
(b) On truck and wheel-mounted cranes, means shall be provided to control completely the crane carrier travel when descending maximum grades specified by the manufacturer under maximum loading conditions. Brakes shall be provided to bring the machine to a stop on level ground within a distance of 32 feet from a speed of 15 miles per hour. Where long or steep grades are to be negotiated, a retarder or similar device should be provided. Means shall be provided to hold the machine stationary on the maximum grade for travel recommended by the manufacturer.
20.3 Operating controls.-
20.3.1 General.-
(a) All controls used during the normal crane operating cycle shall be located within easy reach of the operator while seated at his station.
(b) Arrangement of controls shall be in accordance with applicable requirements of SAE recommended practice crane-shovel basic operating control arrangements, J983 as approved April 1967. Controls for load hoist, boom hoist, and swing clutches shall be provided with means for holding in neutral position, without the use of positive latches.
(c) Shielded panel lights shall be installed over controls.
20.3.2 Control forces and movements.-
(a) When the crane is operated within the ratings and reeving accepted by the department of buildings, controls shall meet the following requirements:
1-Forces required to operate shall not be greater than 35 pounds on hand levers nor greater than 50 pounds on foot pedals.
2-Travel distance on hand levers shall not be greater than 14 inches from the neutral position on two-way levers and not greater than 24 inches on one way levers. Travel distance on foot pedals shall not be greater than 10 inches.
20.3.3 Power plant controls.-Controls for operating the superstructure power plant shall be within easy reach of the operator and shall include:
(a) Means to start and stop.
(b) Means to control speed of internal combustion engines.
(c) Means for shifting selective transmission.
*20.3.4 Engine clutch. - All cranes with a direct mechanical drive to any crane function shall be provided with a clutch for disengaging power. The clutch control shall be within reach from the operator's position.
Local Law 50-1973
20.4 Ropes and reeving accessories.-
20.4.1 Ropes.-
(a) The hoisting rope shall be of a construction submitted to the department of buildings for crane service. Non-rotating rope shall not be used for boom hoist reeving nor for multiple part reeving.
(b) Socketing shall be done in a manner specified by the manufacturer of the assembly and submitted to the department of buildings.
(c) If a load is supported by more than one part of rope, the tension in the ropes shall be equalized.
(d) Whenever exposed to temperatures at which fiber cores would be damaged, ropes having an independent wire-rope or wire-strand core, or other temperature-damage-resistant core shall be used.
*(e) Replacement rope shall be the same size, grade and construction as the original rope furnished by the crane manufacturer and submitted to the department of buildings. Alternate replacement ropes may be used only if specifically recommended by a wire rope manufacturer or the crane manufacturer and submitted to the department of buildings.
Local Law 50-1973
20.4.2 Rope safety factors.-
(a) For supporting rated loads (including boom suspensions):
1-The safety factor for live or running ropes that wind on drums or pass over sheaves shall be not less than 3.5.
2-The safety factor for boom pendants or standing ropes shall not be less than 3.0.
* (b) For supporting the boom and working attachments at recommended travel or transit positions and boom lengths, the safety factor shall be:
Local Law 50-1973
1-For live or running ropes, not less than 3.5.
2-For boom pendants or standing ropes, not less than 3.0.
* (c) For supporting the boom under boom erection conditions, the safety factor shall be:
Local Law 50-1973
1-For live or running ropes, not less than 3.0.
2-For boom pendants or standing ropes, not less than 2.5.
20.4.3 Reeving accessories.-
* (a) Eye splices shall be made in an approved manner and rope thimbles shall be used in the eye.
* (b) U-bolt clips shall have the U-bolt section on the dead or short-end, and the saddle on the live or long end of the rope. Spacing and number of all types of clips shall be in accordance with the clip manufacturer's recommendation and submitted to the department of buildings. Clips shall be drop-forged in all sizes manufactured commercially. When a newly installed rope has been in operation for one hour, all nuts on the clip bolts shall be retightened, and they shall be checked for tightness at frequent intervals thereafter.
Local Law 50-1973
* (c) Swaged, compressed or wedge-socket fittings shall be applied as recommended by the rope or crane manufacturer or fitting manufacturer and submitted to the department of buildings.
20.4.4 Sheaves.-
Local Law 50-1973
(a) Sheave grooves shall be smooth and free from surface defects which could cause rope damage. The cross sectional radius at the bottom of the groove shall be such as to form a close-fitting saddle for the size of rope used and the sides of the groove shall be tapered outwardly to facilitate entrance of the rope into the groove. Flange corners shall be rounded and the rims shall run true about the axis of rotation.
(b) Sheaves carrying ropes which may be momentarily unloaded shall be provided with close-fitting guards or other suitable devices to guide the rope back into the groove when the load is reapplied.
(c) The sheaves in the lower load block shall be equipped with close-fitting guards that will prevent ropes from becoming fouled when the block is lying on the ground with ropes loose.
(d) Means shall be provided to prevent chafing of the ropes.
(e) All sheave bearings shall be provided with means for lubrication unless permanently lubricated bearings are provided.
20.4.5 Sheave sizes.-
(a) Boom hoisting sheaves shall have pitch diameters of not less than 15 times the nominal diameter of the rope used.
(b) Load hoisting sheaves shall have pitch diameters not less than 18 times the nominal diameter of the rope used.
(c) Load block sheaves shall have pitch diameters not less than 16 times the nominal diameter of the rope used.
20.5 Crane cabs.-
20.5.1 Crane cab construction.-
(a) Insofar as practical, all cabs shall be constructed to enclose the superstructure machinery, brakes and the operator's station to provide protection from the weather.
* (b) All windows shall be of, safety glass or equivalent. Windows shall be provided in the front and on both sides of the cab or operators compartment for visibility forward and to either side. Visibility forward shall include a vertical range adequate to cover the boom point at all times. The front window may have a section which can be readily removed or held open if desired. If the section is of the type held in the open position, it shall be well secured to prevent accidental closing.
Local Law 50-1973
(c) All cab doors whether of sliding or swinging type shall be adequately restrained from accidental opening or closing while traveling or operating the machine. The door adjacent to the operator, if of the swinging type, shall open outward and, if of the sliding type, shall slide rearward to open.
(d) A clear passageway shall be provided from the operator's station to an exit door on the operator's side.
(e) Principal walking surfaces in cabs shall be of anti-skid type.
(f) Outside platforms, if furnished, shall be provided with guard rails. Where platforms are too narrow to use guard rails, handholds shall be provided at convenient points above the platform.
20.5.2 Access to cab.- On all crawler, truck and wheel mounted cranes, suitable handholds and steps shall be provided to facilitate entrance to and exit from the operator's cab and the truck cab.
20.5.3 Access to cab roof.- Where access to the cab roof is necessary for rigging or service requirements, a ladder or steps shall be provided to give access thereto and the cab roof shall be capable of supporting, without permanent distortion, the weight of a 200 pound man.]

21.0 Characteristics and Special Requirements for Derricks.-
21.1 Load ratings.-
* 21.1.1 Rated load marking.-
Local Law 50-1973
(a) For derricks, a substantial, durable and clearly legible load rating chart shall be provided for each particular installation. The rating chart shall be securely affixed where it is visible to personnel responsible for the operation of, the equipment. The chart shall include but not be limited to the following data:
1-manufacturer's load ratings as approved by the department at corresponding ranges of boom angle or operating radii.
2-specific lengths of components on which the load ratings are based.
3-required parts for hoist reeving.
4-size and construction of all ropes shall be shown either on the rating chart or in the operating manual.
(b) For all other derricks, the manufacturer shall provide sufficient information from which capacity charts can be prepared and approved by the department for the particular installation. The capacity charts shall be located either at the derrick or the job site office.
21.2 Construction.-
21.2.1 General.-Derricks shall be constructed to adequately meet all stresses imposed on all members and components.
21.2.2 Guy derricks.-
(a) The minimum number of guys is six. Preferably, the guys should be equally spaced around the mast.
(b) The manufacturer shall furnish complete information recommending:
1- the number of guys.
2- the spacing around the mast;
3- the maximum vertical slope and initial tension or sag of all guys;
4- the size and construction of rope to be used in each.
(c) The mast base shall permit free rotation of the mast with allowance for slight tilting of the mast caused by guy slack.
(d) The mast cap shall:
1 - permit free rotation of the mast;
2 - adequately withstand tilting and cramping action imposed by the guy loads;
3 - be secured to the mast to prevent disengagement during erection;
4 - be provided with means for attachment of guy ropes.
21.2.3 Stiff leg derrick. -
(a) The mast shall be supported in the vertical position by two stiff legs one end of each being connected to the top of the mast and the other end securely anchored. The stiff legs shall be capable of withstanding the loads imposed by the boom at any point within its range of swing.
(b) The mast base shall:
1 - permit free rotation of mast;
2 - permit slight inclination of the mast without binding;
3 - provide means to prevent the mast from lifting out of its socket when the mast is in tension.
(c) The stiff leg connecting member at the top of the mast shall:
1 - permit free rotation of the mast;
2 - adequately withstand the loads imposed by the action of the stiff legs;
3 - be so secured as to oppose lift off forces at all times.
21.3 Ropes and reeving accessories.-
21.3.1 Guy ropes.-
(a) Guy ropes shall be of suitable size, grade and construction to withstand the maximum load imposed.
(b) The nominal breaking strength of each rope shall be no less than three times the load applied to the rope.
(c) Tie downs or kicker devices which may be easily loosened shall have locknuts or other suitable provision to prevent loosening.
21.3.2 Boom hoist ropes.-
(a) Boom hoist ropes shall be of suitable size, grade and construction to withstand the maximum load imposed.
(b) The live rope reeving system in a boom suspension shall withstand the maximum load imposed and be of sufficient length to permit lowering the boom point to horizontal position with at least three full wraps of rope remaining on the hoist drum.
(c) The nominal breaking strength of the most heavily loaded rope in a system shall be no less than three and a half times the loads applied to that rope.
21.3.3 Main hoist ropes.-
(a) Main hoist ropes shall be of a suitable size and construction to withstand the maximum load imposed.
(b) Ropes in the main hoisting system shall be of sufficient length for the entire range of movement specified for the application with at least three full wraps of rope on the hoist drum at all times.
(c) The nominal breaking strength of the most heavily loaded rope in a system shall be no less than three and a half times the load applied to that rope.
21.3.4 Reeving accessories.-
(a) Socketing shall be done in the manner specified by the manufacturer of the assembly.
(b) Rope end shall be anchored securely to the drum.
(c) Eyes shall be made in an approved manner and rope thimbles

should be used in the eye.
(d) U-bolt clips shall have the U-bolt on the dead or short end, and the saddle on the live or long end of the rope. Spacing and number of all types of clips shall be in accordance with the clip manufacturer's recommendation and submitted to the department. Clips shall be drop-forged steel in all sizes manufactured commercially. When a newly installed rope has been in operation for an hour, all nuts on the clip bolts shall be retightened, and they should be checked for tightness at frequent intervals thereafter.
(e) Swaged, compressed, or wedge-socket fittings shall be applied as recommended by the rope, derrick, or fitting manufacturer.
(f) Where a half wedge socket is used it shall be of a positive locking type.
(g) If a load is supported by more than one rope, the tension in the parts shall be equalized.
21.3.5 Sheaves.-
(a) Sheave grooves shall be smooth and free from surface defects which could cause rope damage. The cross sectional radius at the bottom of the groove should be such as to form a close fitting saddle for the size rope used and the sides of the groove should be tapered outwardly to facilitate entrance of the rope into the groove. Flange corners should be rounded and the rims should run true about the axis of rotation.
(b) Sheaves carrying ropes which can be momentarily unloaded shall be provided with close fitting guards or other suitable devices to guide the rope back into the groove when the load is applied again.
(c) The sheaves in the lower load block shall be equipped with close-fitting guards that will prevent ropes from becoming fouled when the block is lying on the ground with ropes loose.
(d) Means should be provided, if necessary, to prevent chafing of the ropes.
(e) All running sheaves shall be equipped with means for lubrication. Permanently lubricated, sealed and/or shielded bearings shall be acceptable.
(f) Boom and hoisting sheaves shall have pitch diameters not less than eighteen times the nominal diameter of the rope used.
(g) Boom point sheaves should be provided with suitable guides to limit the offlead angle of the rope when entering the grooves from either side.
21.4 Anchoring and guying.-
21.4.1 Guy derricks.-
(a) The mast base shall be securely anchored. Maximum horizontal and downward vertical thrusts encountered when handling rated loads with the particular guy slope and spacing stipulated for the application are among the design factors for which provision must be made.
(b) The guys shall be secured to the ground or other firm anchorage. Maximum horizontal and vertical pulls encountered while handling rated loads with the particular guy slope and spacing stipulated for the application are among the factors for which provision must be made.
21.4.2 Stiff leg derricks.-
(a) The mast base shall be securely anchored. Maximum horizontal and upward and downward vertical thrusts encountered while handling rated loads stipulated for the application with the particular stiff-leg spacing and slope are among the factors for which provision must be made.
(b) The stiff legs shall be securely anchored. Maximum horizontal and vertical upward and downward thrusts encountered while handling rated loads with the particular stiff-leg arrangement stipulated for the application are among the factors for which provision must be made.
21.5 Hoist.-
21.5.1 The hoist shall be suitable for the derrick work intended and shall be securely anchored to prevent displacement from the imposed loads.
* 21.6 Cranes manufactured prior to April 1, 1970 shall be modified to conform to the provisions of 20.1.1(d) and (f), 20.1.2(h) and (i), 20.2.3, 20.3.1(b) and (c), 20.3.2(a)(2), 20.4.5, 20.5.1(b) and derricks manufactured prior to April 1, 1970 shall be modified to conform to the provisions of 21.3.5(f), unless it can be shown to the satisfaction of the commissioner that the crane can not feasibly or economically be altered to comply.
Local Law 50-1973

22.0 Operation Cranes and Derricks. -
22.1 Operators.-
22.1.1 Cranes and derricks shall be operated only by the following persons:
(a) Persons licensed as operators by the department of buildings in accordance with section B26-5.0.
(b) Learners in the presence of and under the direct supervision of a licensed operator.
22.1.2 No person other than those listed under paragraph 22.1.1 above and persons such as oilers and supervisors, whose duties require them to do so, shall enter the cab of a crane and then only in the performance of his duties and with knowledge and consent of the operator.
22.2 Operating practices.-
22.2.1 The operator shall not engage in any practice which will divert his attention while actually engaged in operating the crane or derrick hoist.
22.2.2 The operator shall respond to signals only from the appointed signal men.
22.2.3 The operator shall be responsible for the operation of the crane or derrick hoist.
* 22.2.4 For mobile cranes, the warning signal shall be sounded each time before on-site traveling and intermittently during such travel, particularly when approaching workmen.
Local Law 50-1973
22.2.5 Before leaving his crane or derrick unattended, the operator shall:
(a) Land any attached load, bucket, lifting magnet, or other device.
(b) Disengage clutches.
(c) Set travel, swing, boom brakes and other locking devices.
(d) Put controls in the "off" position.
(e) Stop the engine.
(f) Secure mobile cranes against accidental travel.
(g) Lock and secure the equipment against unauthorized operation.
22.2.6 On leaving a mobile crane overnight, ground chocks shall be set and crane booms shall be lowered to ground level or otherwise fastened securely against displacement by wind loads or other external forces.
22.2.7 If there is a warning sign on the switch or engine starting controls, the operator shall not close the switch or start engine until the warning sign has been removed by the person placing it there.
22.2.8 Before closing the switch, or starting the engine, the operator shall see to it that all controls are in the "off " position and all personnel are in the clear.
22.2.9 If power fails during operation, the operator shall:
(a) Set all brakes and locking devices.
(b) Move all clutch or other power controls to the "off " position.
(c) Communicate with the appointed individual in charge of operations.
(d) If practical, the suspended load should be landed under brake control.
22.2.10 The operator shall familiarize himself with the equipment and its proper care. If adjustments or repairs are necessary, or any defects are known he shall report the same promptly to his employer or other person responsible for the equipment and shall also notify the next operator of the defects upon changing shifts.
22.2.11 All controls shall be tested by the operator at the start of a new shift. If any controls do not operate properly, they shall be adjusted or repaired before operations are begun.
22.2.12 Booms of mobile cranes which are being assembled or disassembled on the ground with or without support of the boom harness (equalizing sheaves, bridal and boom pendants) should be securely supported by proper blocking to prevent dropping of the boom sections.

23.0 Handling the Load.-No crane or derrick shall be loaded beyond the rated load.
23.1 Size of load.- On all operations involving cranes or derricks which are not equipped with those safety devices which make use of load measuring systems, there shall be a competent appointed individual assigned on a full-time basis to be responsible for determining the magnitude of loads to be lifted or lowered. The operator shall not make a lift unless he has first determined the weight of the load or is informed of such weight by the appointed person responsible for the operation.
23.2 Attaching the load.-
23.2.1 The hoist rope shall not be wrapped around the load.
23.2.2 The load shall be attached to the hook by means of slings or other approved devices.
23.3 Moving the load.-
23.3.1 The appointed individual directing the lift shall see that:
(a) In the case of a mobile crane, the crane is level and where necessary, chocked properly.
(b) The load is well secured and properly balanced in the sling or lifting device before it is lifted more than a few inches.
23.3.2 Before starting to hoist, he shall take care that:
(a) Hoist ropes are not kinked.
(b) Multiple part lines are not twisted around each other.
(c) The hook is brought over the load in such a manner as to prevent swinging.
(d) If there is a slack rope condition, the rope is properly seated on the drum and in the sheaves.
23.3.3 During hoisting, care should be taken that:
(a) There is no sudden acceleration or deceleration of the moving load.
(b) The load does not contact any obstructions.
23.3.4 Side loading of booms shall be limited to freely suspended loads. Cranes shall not be used for dragging loads sideways. Derricks shall not be used for side loading.

Section 23.3.5 shall be revised as follows:
23.3.5 The operator shall not lift, lower, swing or travel while any person is on the load or hook[.] unless notification is filed with the Department pursuant to Section 23.6 of this title. The operator shall not carry loads over people or over any occupied building [.] unless the top two floors are vacated or overhead protection with a design live load of 300 psf is provided.

23.3.6 On truck cranes, loads shall be lifted over the front area only as recommended by the manufacturer and submitted to the department of buildings.
23.3.7 The operator shall test the brakes each time a load approaching the rated load is handled by raising it a few inches and applying the brakes.
23.3.8 For mobile cranes, outriggers shall be used when the load to be handled at that particular radius exceeds the rated load without outriggers as given by the manufacturer for that crane and approved by the department of buildings.
23.3.9 Neither the load nor the boom shall be lowered below the point where less than three full wraps of rope remain on their respective drums.
23.3.10 When two or more cranes are used to lift one load, one appointed person shall be responsible for the operation. He shall analyze the operation and instruct all personnel involved in the proper positioning, rigging of the load, and the movements to be made.
23.3.11 In transit, the following additional precautions for mobile cranes shall be exercised:
(a) The boom shall be carried in line with the direction of motion.
(b) The superstructure shall be secured against rotation. When negotiating turns or when the boom is supported on a dolly, the superstructure may be rotated by a licensed crane operator only.
(c) The empty hook shall be lashed or otherwise restrained so that it cannot swing freely.
23.3.12 Before traveling a crane with a load, proposed travel should be shown on a plan of operation and approved by the department. Such data shall be filed with an application for on-site inspection.
23.3.13 A crane shall not be traveled with the boom so high that it may bounce back over the cab.
23.3.14 When rotating the crane or derrick, sudden stops shall not be made. Rotational speed shall be such that the load does not swing out beyond the radii at which it can be controlled. A tag or restraint line shall be used when rotation of the load is hazardous.
23.3.15 When a crane is to be operated at a fixed radius, the boom hoist pawl or other positive locking device shall be engaged.
23.3.16 Use of winch heads:
(a) Ropes shall not be handled on a winch head without knowledge of the operator.
(b) While a winch is being used, the operator shall be within convenient reach of the power unit control lever.
23.4 Holding the load.-
23.4.1 The operator shall not leave his position at the controls while the load is suspended.
23.4.2 People shall not be permitted to stand or pass under a load.
23.4.3 If the load must remain suspended for any considerable length of time, the operator shall hold the drum from rotating in the lowering direction by activating the positive controllable means at the operator's station.
23.4.4 In all cases, when booms are raised or lowered from the horizontal, load blocks including hooks and weight balls shall be left on the ground or deposited to the ground before raising or lowering booms.
23.5 Securing derrick booms.-
23.5.1 Dogs, pawls, or other positive braking mechanism on the hoist shall be engaged. When not in use, the derrick boom shall:
(a) Be laid down;
(b) Be secured to a stationary member, as nearly under the head as possible, by attachment of a sling to the load block; or
(c) Hoisted to a vertical position and secured to the mast.

Section 23.6 shall be added as follows:
23.6 Hoisting Personnel. - Written notification shall be submitted to the commissioner at least three (3) business days prior to the date the hoisting equipment may be used to move personnel. In addition to the requirements of this section, the applicant shall also comply with all applicable OSHA requirements.
23.6.1 The applicant shall be an engineer or a licensed master rigger. However, where the boom length, including jibs and any other extensions, is greater than 250 ft, the applicant shall be an engineer.
23.6.2 The notification shall include the following:
(a) A description of work,
(b) The start date and duration of the work,
(c) Manufacturer's information on the personnel platform used to perform the work,
(d) The number of people who will be on the platform,
(e) The actual pick load and the maximum radius of the pick,
(f) The allowable pick load for maximum radius from load chart approved by the commissioner,
(g) Description of how the person/people on the platform and the hoisting machine operator will communicate,
(h) Designation of Site Safety coordinator,
(i) Equipment user's company name, and address, and
(j) The name and title of principal from the equipment user company.
23.6.2.1 Where the applicant is an engineer, the request shall also include a copy of the Certificate of On-Site Inspection.
23.6.2.2 Where the applicant is a master rigger, the request shall also include:
(a) The make, model number and Certificate of Operation of the Hoisting Machine
(b) A sketch or description of the foundation for the hoisting machine
23.6.3 Exception: If the boom length, including jibs and any other extensions, is less than 100 ft and the lift is supervised by a master rigger, written notification is not required.

24.0 Signals.-
24.1 A signalman shall be provided when the point of operation is not in full and direct view of the operator unless an approved mechanical signaling or control device is provided for safe direction of the operator.
24.2 Only persons who are dependable and fully qualified by experience with the operation shall be used as signalmen.
24.3 A signalman or other appropriate controls shall be provided when operations or equipment on or adjacent to a highway create a traffic hazard.
24.4 Signalmen shall wear high visibility gloves.
24.5 A uniform hand signal system shall be used on all operations of a similar nature. The system in use by the U.S. Corps of Engineers *(EM 385-11) may be used as the model.
As enacted but*(EM 385-1-1) probably intended.
24.6 Manual hand signals may be used when the distance between the operator and the signalman is not more than 60 feet, but manual hand signals shall not be used when atmospheric conditions prevent clear visibility to the operator.
24.7 Mechanical signal systems shall be protected against unauthorized use, breakage, weather or obstruction which will interfere with safe operation. In the event of any malfunction, all motion shall be stopped immediately.

25.0 Miscellaneous.-
25.1 Ballast or counterweight. - Cranes shall not be operated without the full amount of any ballast or counterweight in place as specified by the maker, and approved by the department.
25.2 Wind speed limitations. - No crane or derrick operator shall start an operation when the wind speed exceeds 30 m.p.h., or when the wind is predicted to reach 30 m.p.h. before the operation can be completed. The U.S. weather bureau data from the nearest reporting station may be used for the determination of wind speed.
25.3 Operating near electric power lines. -
25.3.1 No crane or derrick shall be operated in such a location that any part of the machine or of its load shall at any time come within 15 feet of an energized power line.
25.3.2 Before the commencement of operations near electrical lines, the appointed person responsible for the operation shall notify the owners of the lines or their authorized representatives providing them with all pertinent information and requesting their cooperation.
25.3.3 Any overhead wire shall be considered to be an energized line unless and until the person owning such line or the electrical utility authorities certify that it is not an energized line.
25.4 Electrical equipment.-
25.4.1 General.-
(a) Wiring and equipment shall comply with the electrical code of the City of New York.

(b) The voltage used on control circuits shall not exceed 750 volts.
25.4.2 Equipment.-
(a) Electric equipment shall be so located or enclosed that live parts will not be exposed to accidental contact.
(b) All motor, controller and switch frames shall be grounded.
(c) Electric equipment shall be thoroughly protected from dirt, grease and oil, and where exposed to the weather, shall be thoroughly protected therefrom.
(d) Guards for live parts shall be substantial and so located that they cannot be deformed so as to make contact with the live parts.
(e) Name plates shall not be removed.
25.4.3 Controllers.-
(a) Each cage operated crane and derrick shall be provided with a device which will disconnect all motors from the line on failure of power and will not permit any motor to be restarted until the controller handle is brought to the "off" position, or a reset switch or button is operated.
(b) Lever operated controllers shall be provided with a notch or latch which in the "off" position prevents the handle from being inadvertently moved to the "on" position.
(c) The controller operating handle shall be located within convenient reach of the operator.
(d) As far as practicable, the movement of each controller handle shall be in the same general directions as the resultant movements of the load.
(e) For floor operated cranes and derricks, the controller or controllers, if rope operated, shall automatically return to the "off" position when released by the operator.
25.4.4 Grounding.-Each crane, which may be operated in the vicinity of a live power line, shall be effectively grounded as hereinafter provided. The crane shall be provided with a permanent clamp or other means for convenient and effective attachment of a grounding conductor. The cable connecting the clamp to the ground shall be equivalent to a No. 2 AWG or larger single conductor, superflexible, rope stranded copper, composed of not less than 1,600 individual wires, with 600 volt covering for mechanical protection and with terminal parts that insure a good connection with hand type screw clamps. An effective ground shall be one having a resistance of 25 ohms or less, which shall be measured, or a connection to a continuous underground metallic water piping system.
25.5 Demolition.-
25.5.1 Crane or derrick operation when used for mechanical demolition shall comply with section C26-1905.4(d) of the building code and, in addition, a crane or derrick operating with a demolition ball shall meet the following requirements:
(a) The weight of the demolition ball shall not exceed fifty percent of the rated capacity of the boom length at its maximum radius.
(b) The swing of the boom shall not exceed thirty degrees from the centerline, front to back of the crane mounting.
(c) The load line and attachment of the demolition ball to the load line shall be checked at least twice daily.
(d) Truck cranes without outriggers extended shall not be used to swing a demolition ball.

26.0 Storage.-
26.1 Necessary clothing and personal belongings shall be stored in or about the crane or derrick in such a manner as to not interfere with access or operation.
26.2 Tools, oil cans, waste, extra fuses, and other necessary articles shall be stored in a tool box and shall not be permitted to lie loose in or about the cab or cage.

27.0 Refueling.-
27.1 Refueling shall comply with section C26-1909.1(c).
27.2 Machines shall not be refueled with the engine running.

28.0 Fire Extinguishers.-
28.1 A carbon dioxide, dry chemical or equivalent fire extinguisher shall be kept in the cab or in the vicinity of the crane or derrick.
28.2 Operating and maintenance personnel shall be familiar with the use and care of the fire extinguishers provided.

29.0 Filing for Prototype Equipment.-Where the equipment is a duplicate of equipment previously filed with design information and approved by the department, the previous approval shall be accepted for the design. Evidence shall be submitted that the welding and other manufacturing processes affecting the structural integrity of the crane were performed in accordance with applicable specifications and that required controls were maintained and tests performed.

30.0 Waiver of Modification of Rules and Regulations.-The commissioner may, at his discretion, modify or waive any of the foregoing requirements where practical difficulties in complying with particular sections exist and the public safety is not endangered thereby.
***Local Law 73-1969*

***

STATEMENT OF BASIS AND PURPOSE

The proposed amendment to the Reference Standard furthers the safety of persons and property affected by the operation of power operated cranes and derricks. Specifically, the proposed amendment will refine the Certificate of Approval (Prototype) process by simplifying the submissions required and updating the reference standard to reflect Buildings' acceptance of the most current national and international standards for the design and construction of cranes and derricks. The proposed amendment will similarly update the requirements for rope inspection and replacement, safety devices, and minimum standards for operation where a safety device may not be functioning, to meet current national standards. Additionally, the proposed amendment will establish guidelines for the use of personnel hoisting equipment and the notification to Buildings of its use.

CORRECTED NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the addition of Section 32-05 of Chapter 32 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding "Impact Resistant Stair and Elevator Enclosures."

This rule was first published on May 16, 2006 and a public hearing thereon was held on June 15, 2006. This rule shall take effect 30 days from the date of publication.

Patricia J. Lancaster, F.A.I.A.
Commissioner

Dated: July 27, 2006
New York, New York

Section 1. Title 1 of the Rules of the City of New York is amended by adding a new section 32-05 to read as follows:

New material is indicated by underlining.

Chapter 32

Walls

§ 32-05 Impact Resistant Stair and Elevator Enclosures In high rise buildings constructed pursuant to applications filed on or after July 1, 2006, stair and elevator enclosures serving occupancy group E spaces shall be constructed with impact resistant wall assemblies. A compliant wall assembly shall be substantially identical to, and shall provide an impact resistance equivalent to or exceeding, the performance of one of the following:

(a) **Stud wall.** Impact resistant construction boards shall satisfy the following requirements:
(1) Materials and assemblies shall comply with the following:
a Materials: Impact resistant construction board sheathed on the impact face of the stair or elevator enclosure wall assembly shall be tested by a laboratory acceptable to the commissioner in accordance with the requirements of ASTM C1629, (*Standard Classification for Abuse-Resistance - Non-Decorated Gypsum Panel Products & Fiberglass-Reinforced Cement Panels*). The impact face shall be considered as the exterior of the stair or elevator enclosure, on the occupied side of the building, and shall be comprised of two layers of construction boards. The construction board used as the base layer panel shall meet or exceed Impact Classification Level 2, as measured by the method described in ASTM C1629, and the face panel shall be a minimum 5/8 inch gypsum construction board.
b. Assembly:
i. The wall assembly shall have a minimum two-hour fire resistance rating as measured by the method described in ASTM E119.
ii. The wall assembly shall meet or exceed Soft Body Impact Classification Level 2 (195 ft.- lbs) as measured by the method described in ASTM C1629.
(2) Installation:
a. Studs shall be minimum 3-½ inch depth metal studs, at least 33 mils thick (20 gauge).
b. Vertical studs shall be spaced at a maximum distance of 24 inches, on center.
c. Runners shall be securely attached at the floor and ceiling to structural element members in such a manner that provides lateral resistance in excess of the equivalent energy of Soft Body Impact Classification Level 2 of ASTM C1629. The installation of top and bottom runner tracks shall be subject to controlled inspection.
d. Construction boards shall be attached with No. 8 self-drilling bugle-head screws, 12 inches, on center maximum, with a minimum depth of 5/8 inch penetration into the wall cavity. Screw attachments shall meet the requirements of ASTM C 1002, *Standard Specification for Steel Drill Screws for the Application of Gypsum Panel Products or Metal Plaster Bases.*
e. Joints between adjoining sheets of construction board shall be staggered from base layer with face panel layer.

(b) **Concrete and masonry walls.** Concrete or masonry walls shall satisfy the impact resistance requirements of this section provided that the enclosure walls are anchored to structural members that provide lateral support as required by the seismic provisions of RS 10. The assembly shall be rated for two-hour fire resistance, as measured by the method described in ASTM E119.

(c) **Other Wall Assemblies.** Wall assemblies not classified in (a) and (b) of this section shall comply with the following criteria:

(1) Impact face: Boards or materials constituting the impact face of the stair or elevator enclosure assembly shall be tested by a laboratory, acceptable to the commissioner, to provide an impact resistance equivalent to gypsum panel meeting Hard Body Impact Classification Level 3 resistance (150 ft-lbs), as measured by ASTM C1629. When more than one layer of material is required to meet the impact resistance requirement, such layers shall be tested in tandem.

(2) Assembly:
a. The wall assembly shall have a minimum two-hour fire resistance rating as measured by the method described in ASTM E119.
b. The wall assembly shall meet or exceed Soft Body Impact Classification Level 2 as measured by the method described in ASTM C1629.

(3) Installation: Wall assemblies shall be anchored to structural members in such manner that provides lateral resistance in excess of the equivalent energy of Soft Body Impact Classification Level 2 of ASTM C1629. The installation shall be subject to controlled inspection.

STATEMENT OF BASIS AND PURPOSE

Local Law 26 of 2004 mandates that high rise office buildings, constructed pursuant to applications filed on or after July 1, 2006, be built with impact resistant stair and elevator enclosures, and requires that the Commissioner of Buildings adopt a rule establishing the technical standards for their installation.

Pursuant to Local Law 26 of 2004, as codified in §27-375(i)(6) and §27-987(c)(2) of the Administrative Code of the City of New York, this proposed rule establishes the technical standards for the installation of impact resistant stair and elevator enclosures in compliance with that mandate.

CITY COUNCIL

■ NOTICE

NOTICE IS HEREBY GIVEN THAT this Resolution was submitted to the New York City Council on July 19, 2006 and is published pursuant to Section 363c of the New York City Charter:

L.U. No. 197

CITYWIDE

Resolution authorizing franchises for cable television services

By Council Members Katz and Avella (at the request of the Mayor).

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, the Commissioner of the Department of Information Technology and Telecommunications has made an initial determination, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), of the need for franchises for cable television services (as that term is defined hereinafter); and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for such franchises pursuant to Section 363 of the Charter; and

WHEREAS, use of the inalienable property of the City (as defined hereinafter) helps to facilitate the availability of cable television service;

The Council hereby resolves that:

A. The Council authorizes the Department of Information Technology and Telecommunications to grant non-exclusive franchises for the construction, installation, use, operation and/or maintenance of cable, wire and/or optical fiber and associated equipment on, over and under the inalienable property of the City (including through pipes, conduits and similar improvements thereto) for provision of cable television services in the City.

B. The public services to be provided under such franchises shall be cable television services, as defined hereinafter.

C. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located in, on, over or under the surface of such inalienable property of the City.

D. For purposes of this resolution, "cable television services" shall mean "cable service" as defined in the Cable Communications Policy Act of 1984, as amended (47 U.S.C. Sections 521 et seq.).

E. All franchises granted pursuant to this resolution shall require, as provided in Charter Sections 363 and 372, the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

F. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council.

G. Prior to the grant of any such franchise, and to the extent consistent with New York State and federal law, a request for proposals or other solicitation ("solicitation") shall be issued by the Department of Information Technology and Telecommunications. Prior to issuing any such solicitation, all legally required environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by the Department of Information Technology and Telecommunications to evaluate responses to such solicitation shall include, but not be limited to, the following, if and to the extent permitted by law:

(1) the adequacy of the proposed compensation to be paid to the City;

(2) the financial, legal, technical and managerial experience and capabilities of the applicant(s), including (without limitation, except as limited by law) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise; and

(3) the degree to which the public interest will be served by the service proposed to be provided.

H. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, terms and conditions consistent with the following to the extent permitted by law (and shall not include any provision which is prohibited by law from inclusion in such franchise agreement):

(1) no franchise granted pursuant hereto shall have a term that exceeds fifteen (15) years, including options to renew if any;

(2) the compensation for the franchise to be paid to the City shall be adequate and may include monetary compensation, the provision of facilities and/or services to the City, or both;

(3) the franchise may be terminated or cancelled in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;

(4) the franchisee shall be required to provide security to ensure the performance of the franchisee's obligations under the agreement;

(5) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(6) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;

(7) all franchisees shall be required to maintain complete and accurate books of account and records sufficient to assure franchisee's compliance with the franchise agreement, which books of account and records shall be made available on demand to the City for inspection;

(8) there shall be provisions to ensure quality workmanship and construction methods with respect to those facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property;

(9) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(10) there shall be provisions requiring the franchisee to comply with applicable City laws and regulations related to, but not limited to, employment and investigations;

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions requiring the consent of the City prior to an assignment or other transfer of, or change in control of, the franchise;

(13) there shall be provisions regarding City rights to inspect facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property, and regarding City rights to direct relocation of such facilities;

(14) all franchisees shall have been subject, prior to commencement of the franchise term, to review under the City's Vendor Information Exchange System ("VENDEX") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City from damage, and the delivery of public services from interruption, resulting from the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property;

(18) there shall be provisions designed to minimize the extent to which the public use of the streets of the City are disrupted in connection with the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property; and

(19) no franchise granted hereunder shall contain economic or regulatory burdens on the franchisee which when taken as a whole are greater or lesser than those burdens placed upon another cable television franchisee operating in the same area.

I. The Department of Information Technology and Telecommunications shall file with the Council the following documents:

(1) within fifteen (15) days of issuance, a copy of each solicitation issued pursuant to this resolution;

(2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this resolution; and

(3) on or before July 1 of each year, a report detailing the revenues received by the City from each franchise granted pursuant to this resolution during the preceding calendar year.

J. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

a1-7

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to:
Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

Notice of Concept Paper

In advance of the release of a Request for Proposals for the NY/NY III Congregate Supportive Housing Programs, the Department of Health and Mental Hygiene (DOHMH) is issuing a concept paper presenting DOHMH's plan for this program citywide. The Congregate concept paper will be posted on the Department's website http://www.nyc.gov/html/doh/downloads/pdf/acco/acco-concept-NYCongregate-20060712.pdf beginning on August 8, 2006. Public comment is invited. The concept paper will be posted until September 22, 2006.

ADVISORY REPORTS

ISSUE DATE:	DOCKET #:	SRA #:
07/26/06	068447	SRA 07-0547
ADDRESS: CENTRAL PARK, Imagine Mosaic, SCENIC LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the modification of pavement surrounding the Imagine Mosaic, including the replacement of the asphalt paving immediately surrounding the mosaic with an 8" wide black granite band, installed flush with the mosaic and surrounding asphalt; installing a below-grade concrete foundation beneath the granite band; and sealing the 1/2" wide joint between the mosaic and band with joint filler and sealant. The work also includes the in-kind replacement of black asphalt paving surrounding the band. The proposed work is described in written specifications, dated June 14, 2006 and July 24, 2006, and shown on drawings 1, 2 and 3, dated received June 14, 2006 and prepared by the Central Park Conservancy, all submitted as components of the application.

The Commission notes that the designation report describes Central Park is an English-Romantic style public park designed in 1856 by Frederick Law Olmsted and Calvert Vaux. The Commission also notes that the Imagine Mosaic was installed in 1985 by Fabrizio Cassio and Stefano Gambarelli, in the Strawberry Fields section of the park. The Commission finally notes that water infiltration has contributed to deterioration of the mosaic.

With regard to this proposal, the Commission finds that the work will help protect the mosaic from further damage due to water penetration; that the finish, texture and flush installation of the granite will help the installation to blend with the adjoining asphalt, thereby making it to remain a discreet element and not drawing attention away from the mosaic and surrounding parkland; and that the work will not eliminate any significant features of the scenic landmark. Based on these findings, the proposed work is determined to be appropriate to the Central Park Scenic Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Bernadette Artus.

ISSUE DATE:	DOCKET #:	SRA #:
07/17/06	070144	SRA 07-0313
ADDRESS: 1 CENTRE STREET-20TH FLR, Municipal Building, INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 121 / 1

To the Mayor, the Council, and the Deputy Commissioner, DCAS.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for interior alterations at the 20th floor of the Municipal Building, as shown in drawings labeled T, A-0, A-1-A, A-1-B, A-2-A, A-2-B, A-7, A-9, A-14, all dated revised June 6, 2006, prepared by Frank S. Loffredo, R.A., M-1 through M-9, P-1 through P-5, SP-1 through SP-5, FA-1 through FA-3, and FP-1, all dated June 6, 2006, prepared by Michael Gerazounis, P.E.

The Commission has reviewed the application and these drawings and finds that the work will have no effect on the significant protected features of the Municipal Building. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

ISSUE DATE:	DOCKET #:	SRA #:
07/03/06	067978	SRA 06-9336
ADDRESS: CENTRAL PARK, Lake Shoreline, SCENIC LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the area surrounding the Lake in Central Park, including excavating and reconstructing the shoreline and adjoining waterways, including the removal of excess sediments and the reinstallation of boulders and vegetation; temporarily lowering and raising the lake water level to facilitate reconstruction; replacing rustic wood rails, benches and a bridge throughout the northern section of the shoreline; and replacing existing lampposts, benches, drinking fountains and asphalt paving at pathways surrounding the shoreline in-kind. The proposal also includes reconfiguring pathways and landscaping in the area near the southwest section of the shoreline, including the extension of an existing pathway southward and the elimination of a circular pathway around the Daniel Webster monument. The proposed work is described in written specifications, dated received May 25, 2006, June 16, 2006, and June 30, 2006, and shown in historic photographs and site plans of the Daniel Webster Monument, dated received June 28, 2006; photograph pages, labeled 3, 4, 5, and 6, dated May 2006; photograph page 6a, dated revised June 16, 2006; drawings 1, 2, 7, 9 and 10, dated May 2006; drawing 3a, dated June 2006; and drawings 3 and 8, dated revised June 16, 2006 and prepared by the Central Park Conservancy, all submitted as components of the application.

The Commission notes that the designation report describes Central Park is an English-Romantic style public park designed in 1856 by Frederick Law Olmsted and Calvert Vaux. The Commission also notes that the Lake's northern shoreline edge adjoins the Ramble, a rustic section of Central Park; and that the shoreline and related waterway passage edges throughout the area have deteriorated and expanded into the lake and waterways due to destabilization, erosion and other factors. The Commission finally notes that the area near the southwestern section of the lake, originally designed to include a traffic circle, has been has been reconfigured several times and now features asphalt pathways and landscaping.

With regard to this proposal, the Commission finds that the work is restorative in nature; that the reconstruction will help return the lake, shoreline and adjoining waterways to their historic footprints; that the lake will be returned to its historic water levels; that the proposed rustic bridge, rails and benches are in keeping with the style, scale and placement of furnishings throughout this section of the park and support the naturalistic character of the park; that the lampposts, benches, drinking fountains and asphalt paving to be replaced in-kind are harmonious with the park's character and in keeping with the vocabulary of fixtures and materials found throughout the park; that the reconfiguration of the pathways near the southwestern section of the lake will help consolidate areas of landscaping and be in keeping with the general design conception of the park; that the work will not eliminate any significant features of the scenic landmark; and that the cumulative effect of this proposal will enhance the special character of the Central Park Scenic Landmark. Based on these findings, the proposed work is determined to be appropriate to the Central Park Scenic Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Bernadette Artus.

BINDING REPORTS

ISSUE DATE:	DOCKET #:	SRB #:
07/20/06	070479	SRB 07-0461
ADDRESS: 233 WEST 10TH STREET, HISTORIC DISTRICT, GREENWICH VILLAGE	BOROUGH: MANHATTAN	BLOCK/LOT: 620 / 33

To the Mayor, the Council, and the Executive Commanding Officer, BMS Division, NYPD.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the removal and in-kind replacement of metal jalousie-type windows at all elevations; as shown in photographs and drawings submitted by Michael M. Robbins on behalf of the BMS Division of the New York City Police Department.

In reviewing this proposal the Commission notes that 229-235 West 10th Street (a.k.a. 104 Charles Street) is a police station constructed circa 1967.

With regard to this proposal, the Commission finds, in accordance with the provision of RCNY, Title 63, Section 3-04; that the proposed replacement windows match the historic windows in terms of configuration, operation, material, details and finish. Based on these findings the Commission finds the work to be appropriate to the building and the Greenwich Village Historic District. The work, therefore, is approved.

Please submit final drawings to the staff of the Commission once the window manufacturer has been selected.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

ISSUE DATE:	DOCKET #:	CRB #:
07/12/06	070088	CRB 07-0215
ADDRESS 200 CENTRAL PARK WEST The American Museum of Natural History UPPER WEST SIDE-CPW	BOROUGH: MANHATTAN	BLOCK/LOT: 1130 / 1

To the Mayor, the Council, and the Borough Commissioner, NYC Department of Parks & Recreation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of June 20, 2006, following the Public Hearing of the same date, voted to approve a proposal to replace the slate roof with a standing seam copper roofing system; as put forward in your application completed on May 22, 2006; and as you were notified in Status Update Letter 06-9036 (LPC 066879), issued June 21, 2006. All work was shown on presentation boards consisting of existing condition photographs, and drawings labeled A1 through A10, all dated March 3, 2006, prepared by WJE Engineers and Architects, P.C., submitted as components of this application, and presented at the Public Hearing.

In reviewing this proposal, the Commission noted that this portion of the American Museum of Natural History, the Hall of Ocean Life, is a building designed by Trowbridge & Livingston and built in 1913 as part of the museum complex. The Commission also noted that the building's style, scale, materials and details are among the features that contribute to the special architectural and historic character of the Upper West Side/Central Park West Historic District; and that while the building is part of the American Museum of Natural Historic complex, it is not part of the individual landmark designation of the Museum.

With regard to this proposal, the Commission found that the deteriorated condition of the slate roofing system warrants its replacement; that the Hall of Ocean Life has been surrounded by subsequent additions to the museum, therefore, the roof is not visible from any public thoroughfare; that the proposed standing seam material is a traditional roof material found on buildings of this age, style and type; and that the replacement of the roofing system will not preclude the reinstallation of the skylight at some future date. Based on these findings the Commisison dertermined the work to be appropriate to the building, and voted to approve it.

However, in voting to approve this proposal, the Commission required that two complete sets of drawings be submitted for review and approval by the staff of the Commission. Subsequently, on June 30, 2006, the staff received drawings labeled A1 through A10, dated May 30, 2006, prepared by Timothy Allanbrook, R.A. Accordingly the staff reviewed these drawings and determined that the approved design had been maintained.

Staff also noted that these drawings include additional restorative work including replacing the underlying roof sheathing, rebuilding the gutter system and associated flashing. Staff has reviewed the additional work and finds that the work will seal the building against potentially damaging water penetration and is supportive of the long term preservation of the building. Based on these and the above findings, the drawings has been marked approved by the Landmarks Preservation Commission with a perforated seal and Commission Binding Report 07-0215 is being issued.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

ISSUE DATE:	DOCKET #:	SRB #:
07/17/06	070192	SRB 07-0315
ADDRESS 1 CENTRE STREET-20 Municipal Building INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 121 / 1

To the Mayor, the Council, and the Deputy Commisisoner, DCAS.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the removal of the window sash from three openings, located at the 20th floor of the east elevation, and the installation louvers within the openings; and related interior alterations; as shown in drawings labeled T, A-0, A-1-A, A-1-B, dated June 6, 2006, prepared by Frank S. Loffredo, R.A., and M-3A, dated June 6, 2006, prepared by Michael Gerazounis, P.E. The Commission notes that the designation report describes the building as a Beaux-Arts style skyscraper office building designed by William M. Kendall of McKim, Mead and White and built from 1909-1914.

With regard to this report, the Commission finds that the proposal involves removing the window sash and retaining the window frame; that the louvers form a regular pattern of installations in window bays on this facade; that the louvers will be mounted flush with the frame; that the louvers will be finished to blend into the fenestration pattern; and that no significant architectural feature of the building will be affected by the installation. Based on these findings, the Commission determined the proposed work to be appropriate to this Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

ISSUE DATE:	DOCKET #:	SRB #:
	068827	SRB 07-0222
ADDRESS 71 EAST 94TH STREET Squadron A Armory INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1506 / 21

To the Mayor, the Council, and the Director, Dormitory Authority of the State of New York.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has received a proposal for restorative work including cleaning sections of the facade; repair or removal and replacement of deteriorated elements of the brick, brownstone and terra cotta structure; associated repointing and caulking; the removal and replacement of window sash and louvers; and removal and replacement of the roof structure, membrane and associated flashing at the tower roofs. The proposal is shown and described in photographs, specifications and drawings labeled A-1 through A-29, S-01, and ASB-01, all dated revised April 7, 2006, prepared by Paul Millman, P.E.

In reviewing this proposal the Commission notes that the designation report for the Squadron A Armory describes the building as an armory structure built in 1895 designed by John A. Thomas and partially demolished in 1966.

With regard to this proposal, the Commission finds that the proposed restorative work will not diminish the special architectural and historic character of this Individual Landmark; that the proposed replacement brick and terra cotta units will match the historic material in terms of dimension, texture, profile and color; that the mortar for repointing will match the historic mortar in terms of composition, texture, profile, tooling and color; that the proposed replacement windows match the historic windows in terms of configuration, operation, material, details and finish; and that the cumulative effect of the work will seal the building against potentially damaging water penetration and is supportive of the long term preservation of the building.

This permit is issued contingent upon the Commission's review and approval of test samples of the proposed brick and terra cotta units, brownstone patching material and mortar on a section of the facade that has been cleaned. Please contact staff to arrange a site visit.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.

07/11/06	068781	SRB 07-0179
ADDRESS 42 GREAT JONES STREET Fire Engine Co. #33 INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 531 / 49

To the Mayor, the Council, and the Project Manager, NYC DDC.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commisison has reviewed a proposal for interior mechanical alterations at the ground floor and basement; as shown on drawings labeled EL-03 and EL-03A, dated March 2006, prepared by John Grammas, P.E.

The Commission has reviewed the application and these drawings and finds that the work will have no effect on the significant protected features of this Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. OFFICE OF MANAGEMENT AND BUDGET

NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:
This document constitutes the Notice of Intent to Request Release of Funds for the Primary Prevention Program. On August 9, 2006 the City will submit to U.S. Department of Housing and Urban Development (HUD) its Request for Release of Funds for this project. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under this program below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

Primary Prevention Program
The Primary Prevention Program, a joint initiative between the Department of Housing Preservation and Development (HPD) and the Department of Health and Mental Hygiene (DOHMH), uses federal funding from HUD to offer grants to building owners for lead treatment. CD funds are used for projects in which at least 51% of the households are at or below the low- and moderate-income levels. This initiative addresses a serious environmental threat to young children that results from deteriorated lead-based paint in apartments. The program, part of a broad City strategy to lower the hazards from lead-based paint, provides grants to owners of multi-unit apartment houses and one-, two-, and multi-family homes built before 1960, the year New York City banned the use of lead-based paint. In addition to federal funds, the Primary Prevention Program is also supported by City Capital funds to address lead-based paint hazards citywide. Work done at federally-funded sites is completed in accordance with HUD lead-based paint regulations at 24 CFR Part 35.

The Program gives owners the means to make their buildings lead-safe through low-level interim treatment work. Treatment concentrates on friction surfaces such as door jams, window sills and wells, and cabinets because friction creates lead dust. Common areas and fire escapes are also treated. Building owners apply for forgivable loans valued at $8,000 to $9,500 per apartment, the average cost of lead treatment work. Some units may receive up to $10,000 in conjunction with other moderate rehabilitation work. Owners, in turn, hire contractors who are trained in EPA certified courses in lead treatment. HPD inspects the work. The loan amount is secured by a mortgage on the property that evaporates after three years, provided the owner is in full compliance with the terms of the loan.
CD 32 Allocation: $240,000.

An Environmental Review Record respecting the within project has been made by the City of New York which documents the environmental review of the project. This Environmental Review Record is on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6150 to make an appointment to view or obtain a copy of the documents.

The City of New York will undertake the project described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director Mark Page, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, New York City may use the CD funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the recipient's Certifying Officer, b) the recipient has failed to make one of the two findings pursuant to 58.41 or to make the written determination decision required by 58.47, 58.53 or 58.64 for the project as applicable, c) the recipient has omitted one or more of the steps set forth at Subparts F and G for the preparation and completion of an environmental assessment, d) the recipient has omitted one or more of the steps set forth at Subparts H and I for the preparation and completion of an environmental impact statement, e) the recipient did not comply with the historic review provisions of 36 CFR Part 800, f) with respect to a project for which a recipient has decided that 58.47, 58.53 or 58.64 apply, the recipient has failed to include in the ERR the written decision required, or its decision is not supported by the facts specified by the objecting party. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after August 24, 2006 will be considered by HUD.

City of New York: Office of Management and Budget,
Mark Page, Budget Director. Date: August 2, 2006

a2-8

SCHOOL CONSTRUCTION AUTHORITY

NOTICE

PLEASE TAKE NOTICE THAT the New York City School Construction Authority ("SCA"), pursuant to Section 204 of the New York State Eminent Domain Procedure Law ("EDPL"), has made the following Determination and Findings related to the New Settlement School-Bronx Construction Project ("Project"): (1) The public purpose of the Project is to allow for the construction of a 1000-seat public school facility accommodating students in kindergarten through twelfth grades in Community School District No. 9 in DOE Region No. 1; (2) the Project site, Tax Block 2859, Lots 20, 58, 61, 65, 73, 77 & 90 located in the Mount Eden section of the Bronx on a block bounded by Goble Place to the north, Jerome Avenue to the east, West 172nd St. to the south and Inwood Avenue to the west, was selected to relieve high utilization at primary and intermediate schools in the district; (3) the SCA has issued a Conditioned Negative

Declaration under the New York State Environmental Quality Review Act for the Project; and (4) the SCA has determined that it should exercise its powers of condemnation under the EDPL to implement the Project. A complete copy of the SCA's Determinations and Findings will be forwarded without cost upon written request directed to the New York City School Construction Authority, 30-30 Thomson Avenue, Long Island City, New York 11101, to the attention of Gregory P. Shaw, Principal Attorney.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

*CP .....**Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

TRANSPORTATION

■ **PUBLIC HEARINGS**

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing **Clinton Hill Apartment Owners Corp. to continue to** maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to **the following schedule:**

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617
For the period July 1, 2014 to June 30, 2015 - $ 9,822
For the period July 1, 2015 to June 30, 2016 - $10,027
For the period July 1, 2016 to June 30, 2017 - $10,232

the maintenance of a security deposit in the sum of $10,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#2 In the matter of a proposed revocable consent authorizing **The Long Island College Hospital to continue to maintain** and use conduits and pipes, under and across Amity and Henry Streets, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006 to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to **the following schedule:**

For the period July 1, 2006 to June 30, 2007 - $12,203
For the period July 1, 2007 to June 30, 2008 - $12,509
For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608
For the period July 1, 2010 to June 30, 2011 - $4,718
For the period July 1, 2011 to June 30, 2012 - $4,828
For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158
For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

COURT NOTICE

SUPREME COURT

■ **NOTICE**

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: July 31, 2006, New York, New York

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

SPECIAL MATERIALS

CITY COUNCIL

■ NOTICE

NOTICE IS HEREBY GIVEN THAT this Resolution was submitted to the New York City Council on July 19, 2006 and is published pursuant to Section 363c of the New York City Charter:

L.U. No. 197

CITYWIDE

Resolution authorizing franchises for cable television services By Council Members Katz and Avella (at the request of the Mayor).

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, the Commissioner of the Department of Information Technology and Telecommunications has made an initial determination, pursuant to Section 363 of the Charter (the "Charter") of the City of New York (the "City"), of the need for franchises for cable television services (as that term is defined hereinafter); and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for such franchises pursuant to Section 363 of the Charter; and

WHEREAS, use of the inalienable property of the City (as defined hereinafter) helps to facilitate the availability of cable television service;

The Council hereby resolves that:

A. The Council authorizes the Department of Information Technology and Telecommunications to grant non-exclusive franchises for the construction, installation, use, operation and/or maintenance of cable, wire and/or optical fiber and associated equipment on, over and under the inalienable property of the City (including through pipes, conduits and similar improvements thereto) for provision of cable television services in the City.

B. The public services to be provided under such franchises shall be cable television services, as defined hereinafter.

C. For purposes of this resolution, "inalienable property of the City" shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities "in the inalienable property" shall mean facilities located in, on, over or under the surface of such inalienable property of the City.

D. For purposes of this resolution, "cable television services" shall mean "cable service" as defined in the Cable Communications Policy Act of 1984, as amended (47 U.S.C. Sections 521 et seq.).

E. All franchises granted pursuant to this resolution shall require, as provided in Charter Sections 363 and 372, the approval of the Franchise and Concession Review Committee and the separate and additional approval of the Mayor.

F. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council.

G. Prior to the grant of any such franchise, and to the extent consistent with New York State and federal law, a request for proposals or other solicitation ("solicitation") shall be issued by the Department of Information Technology and Telecommunications. Prior to issuing any such solicitation, all legally required environmental and land use review shall be conducted in accordance with City Environmental Quality Review ("CEQR") and Section 197-c of the Charter. The criteria to be used by the Department of Information Technology and Telecommunications to evaluate responses to such solicitation shall include, but not be limited to, the following, if and to the extent permitted by law:

(1) the adequacy of the proposed compensation to be paid to the City;

(2) the financial, legal, technical and managerial experience and capabilities of the applicant(s), including (without limitation, except as limited by law) the ability of the applicant(s) to maintain the property of the City in good condition throughout the term of the franchise; and

(3) the degree to which the public interest will be served by the service proposed to be provided.

H. Any franchise granted pursuant to this authorizing resolution shall be by written agreement which shall include, but not be limited to, terms and conditions consistent with the following to the extent permitted by law (and shall not include any provision which is prohibited by law from inclusion in such franchise agreement):

(1) no franchise granted pursuant hereto shall have a term that exceeds fifteen (15) years, including options to renew if any;

(2) the compensation for the franchise to be paid to the City shall be adequate and may include monetary compensation, the provision of facilities and/or services to the City, or both;

(3) the franchise may be terminated or cancelled in the event of the franchisee's failure to comply with the material terms and conditions of the agreement;

(4) the franchisee shall be required to provide security to ensure the performance of the franchisee's obligations under the agreement;

(5) there shall be remedies to protect the City's interest in the event of the franchisee's failure to comply with the terms and conditions of the franchise agreement;

(6) there shall be adequate insurance and indemnification requirements to protect the interests of the public and the City;

(7) all franchisees shall be required to maintain complete and accurate books of account and records sufficient to assure franchisee's compliance with the franchise agreement, which books of account and records shall be made available on demand to the City for inspection;

(8) there shall be provisions to ensure quality workmanship and construction methods with respect to those facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property;

(9) there shall be provisions containing the agreements required pursuant to paragraph 6 of subdivision (h) of Section 363 of the Charter relating to collective bargaining and other matters;

(10) there shall be provisions requiring the franchisee to comply with applicable City laws and regulations related to, but not limited to, employment and investigations;

(11) there shall be provisions to ensure adequate oversight by the City of franchisee's performance of its franchise obligations;

(12) there shall be provisions requiring the consent of the City prior to an assignment or other transfer of, or change in control of, the franchise;

(13) there shall be provisions regarding City rights to inspect facilities constructed, installed, used, operated and/or maintained pursuant to the franchise and located in the inalienable property, and regarding City rights to direct relocation of such facilities;

(14) all franchisees shall have been subject, prior to commencement of the franchise term, to review under the City's Vendor Information Exchange System ("VENDEX") or any successor system;

(15) all franchises shall include provisions incorporating the MacBride Principles;

(16) there shall be provisions preserving the right of the City to perform public works or public improvements in and around those areas subject to the franchise;

(17) there shall be provisions requiring the franchisee to protect the property of the City from damage, and the delivery of public services from interruption, resulting from the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property;

(18) there shall be provisions designed to minimize the extent to which the public use of the streets of the City are disrupted in connection with the construction, installation, use, operation, maintenance and/or removal of franchisee's facilities in the inalienable property; and

(19) no franchise granted hereunder shall contain economic or regulatory burdens on the franchisee which when taken as a whole are greater or lesser than those burdens placed upon another cable television franchisee operating in the same area.

I. The Department of Information Technology and Telecommunications shall file with the Council the following documents:

(1) within fifteen (15) days of issuance, a copy of each solicitation issued pursuant to this resolution;

(2) within fifteen (15) days of approval by the Mayor, a copy of the agreement for each franchise granted pursuant to this resolution; and

(3) on or before July 1 of each year, a report detailing the revenues received by the City from each franchise granted pursuant to this resolution during the preceding calendar year.

J. If any clause, sentence, paragraph, section or part of this resolution shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this resolution or the application thereof but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

a1-7

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

OFFICE OF PRESERVATION SERVICES CERTIFICATION OF NO HARASSMENT UNIT

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATION OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: August 7, 2006

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address	Application #	Inquiry Period
733 8th Avenue, Manhattan a/k/a 301 West 46th Street	94/06	July 7, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:
This document constitutes the Notice of Intent to Request Release of Funds for the Primary Prevention Program. On August 9, 2006 the City will submit to U.S. Department of Housing and Urban Development (HUD) its Request for Release of Funds for this project. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under this program below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

Primary Prevention Program
The Primary Prevention Program, a joint initiative between the Department of Housing Preservation and Development (HPD) and the Department of Health and Mental Hygiene (DOHMH), uses federal funding from HUD to offer grants to building owners for lead treatment. CD funds are used for projects in which at least 51% of the households are at or below the low- and moderate-income levels. This initiative addresses a serious environmental threat to young children that results from deteriorated lead-based paint in apartments. The program, part of a broad City strategy to lower the hazards from lead-based paint, provides grants to owners of multi-unit apartment houses and one-, two-, and multi-family homes built before 1960, the year New York City banned the use of lead-based paint. In addition to federal funds, the Primary Prevention Program is also supported by City Capital funds to address lead-based paint hazards citywide. Work done at federally-funded sites is completed in accordance with HUD lead-based paint regulations at 24 CFR Part 35.

The Program gives owners the means to make their buildings lead-safe through low-level interim treatment work. Treatment concentrates on friction surfaces such as door jams, window sills and wells, and cabinets because friction creates lead dust. Common areas and fire escapes are also treated. Building owners apply for forgivable loans valued at $8,000 to $9,500 per apartment, the average cost of lead treatment work. Some units may receive up to $10,000 in conjunction with other moderate rehabilitation work. Owners, in turn, hire contractors who are trained in EPA certified courses in lead treatment. HPD inspects the work. The loan amount is secured by a mortgage on the property that evaporates after three years, provided the owner is in full compliance with the terms of the loan.
CD 32 Allocation: $240,000.

An Environmental Review Record respecting the within project has been made by the City of New York which documents the environmental review of the project. This Environmental Review Record is on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6150 to make an appointment to view or obtain a copy of the documents.

The City of New York will undertake the project described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director Mark Page, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, New York City may use the CD funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the recipient's Certifying Officer, b) the recipient has failed to make one of the two findings pursuant to 58.41 or to make the written determination decision required by 58.47, 58.53 or 58.64 for the project as applicable, c) the recipient has omitted one or more of the steps set forth at Subparts F and G for the preparation and completion of an environmental assessment, d) the recipient has omitted one or more of the steps set forth at Subparts H and I for the preparation and completion of an environmental impact statement, e) the recipient did not comply with the historic review provisions of 36 CFR Part 800, f) with respect to a project for which a recipient has decided that 58.47, 58.53 or 58.64 apply, the recipient has failed to include in the ERR the written decision required, or its decision is not supported by the facts specified by the objecting party. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after August 24, 2006 will be considered by HUD.

City of New York: Office of Management and Budget, Mark Page, Budget Director. Date: August 2, 2006

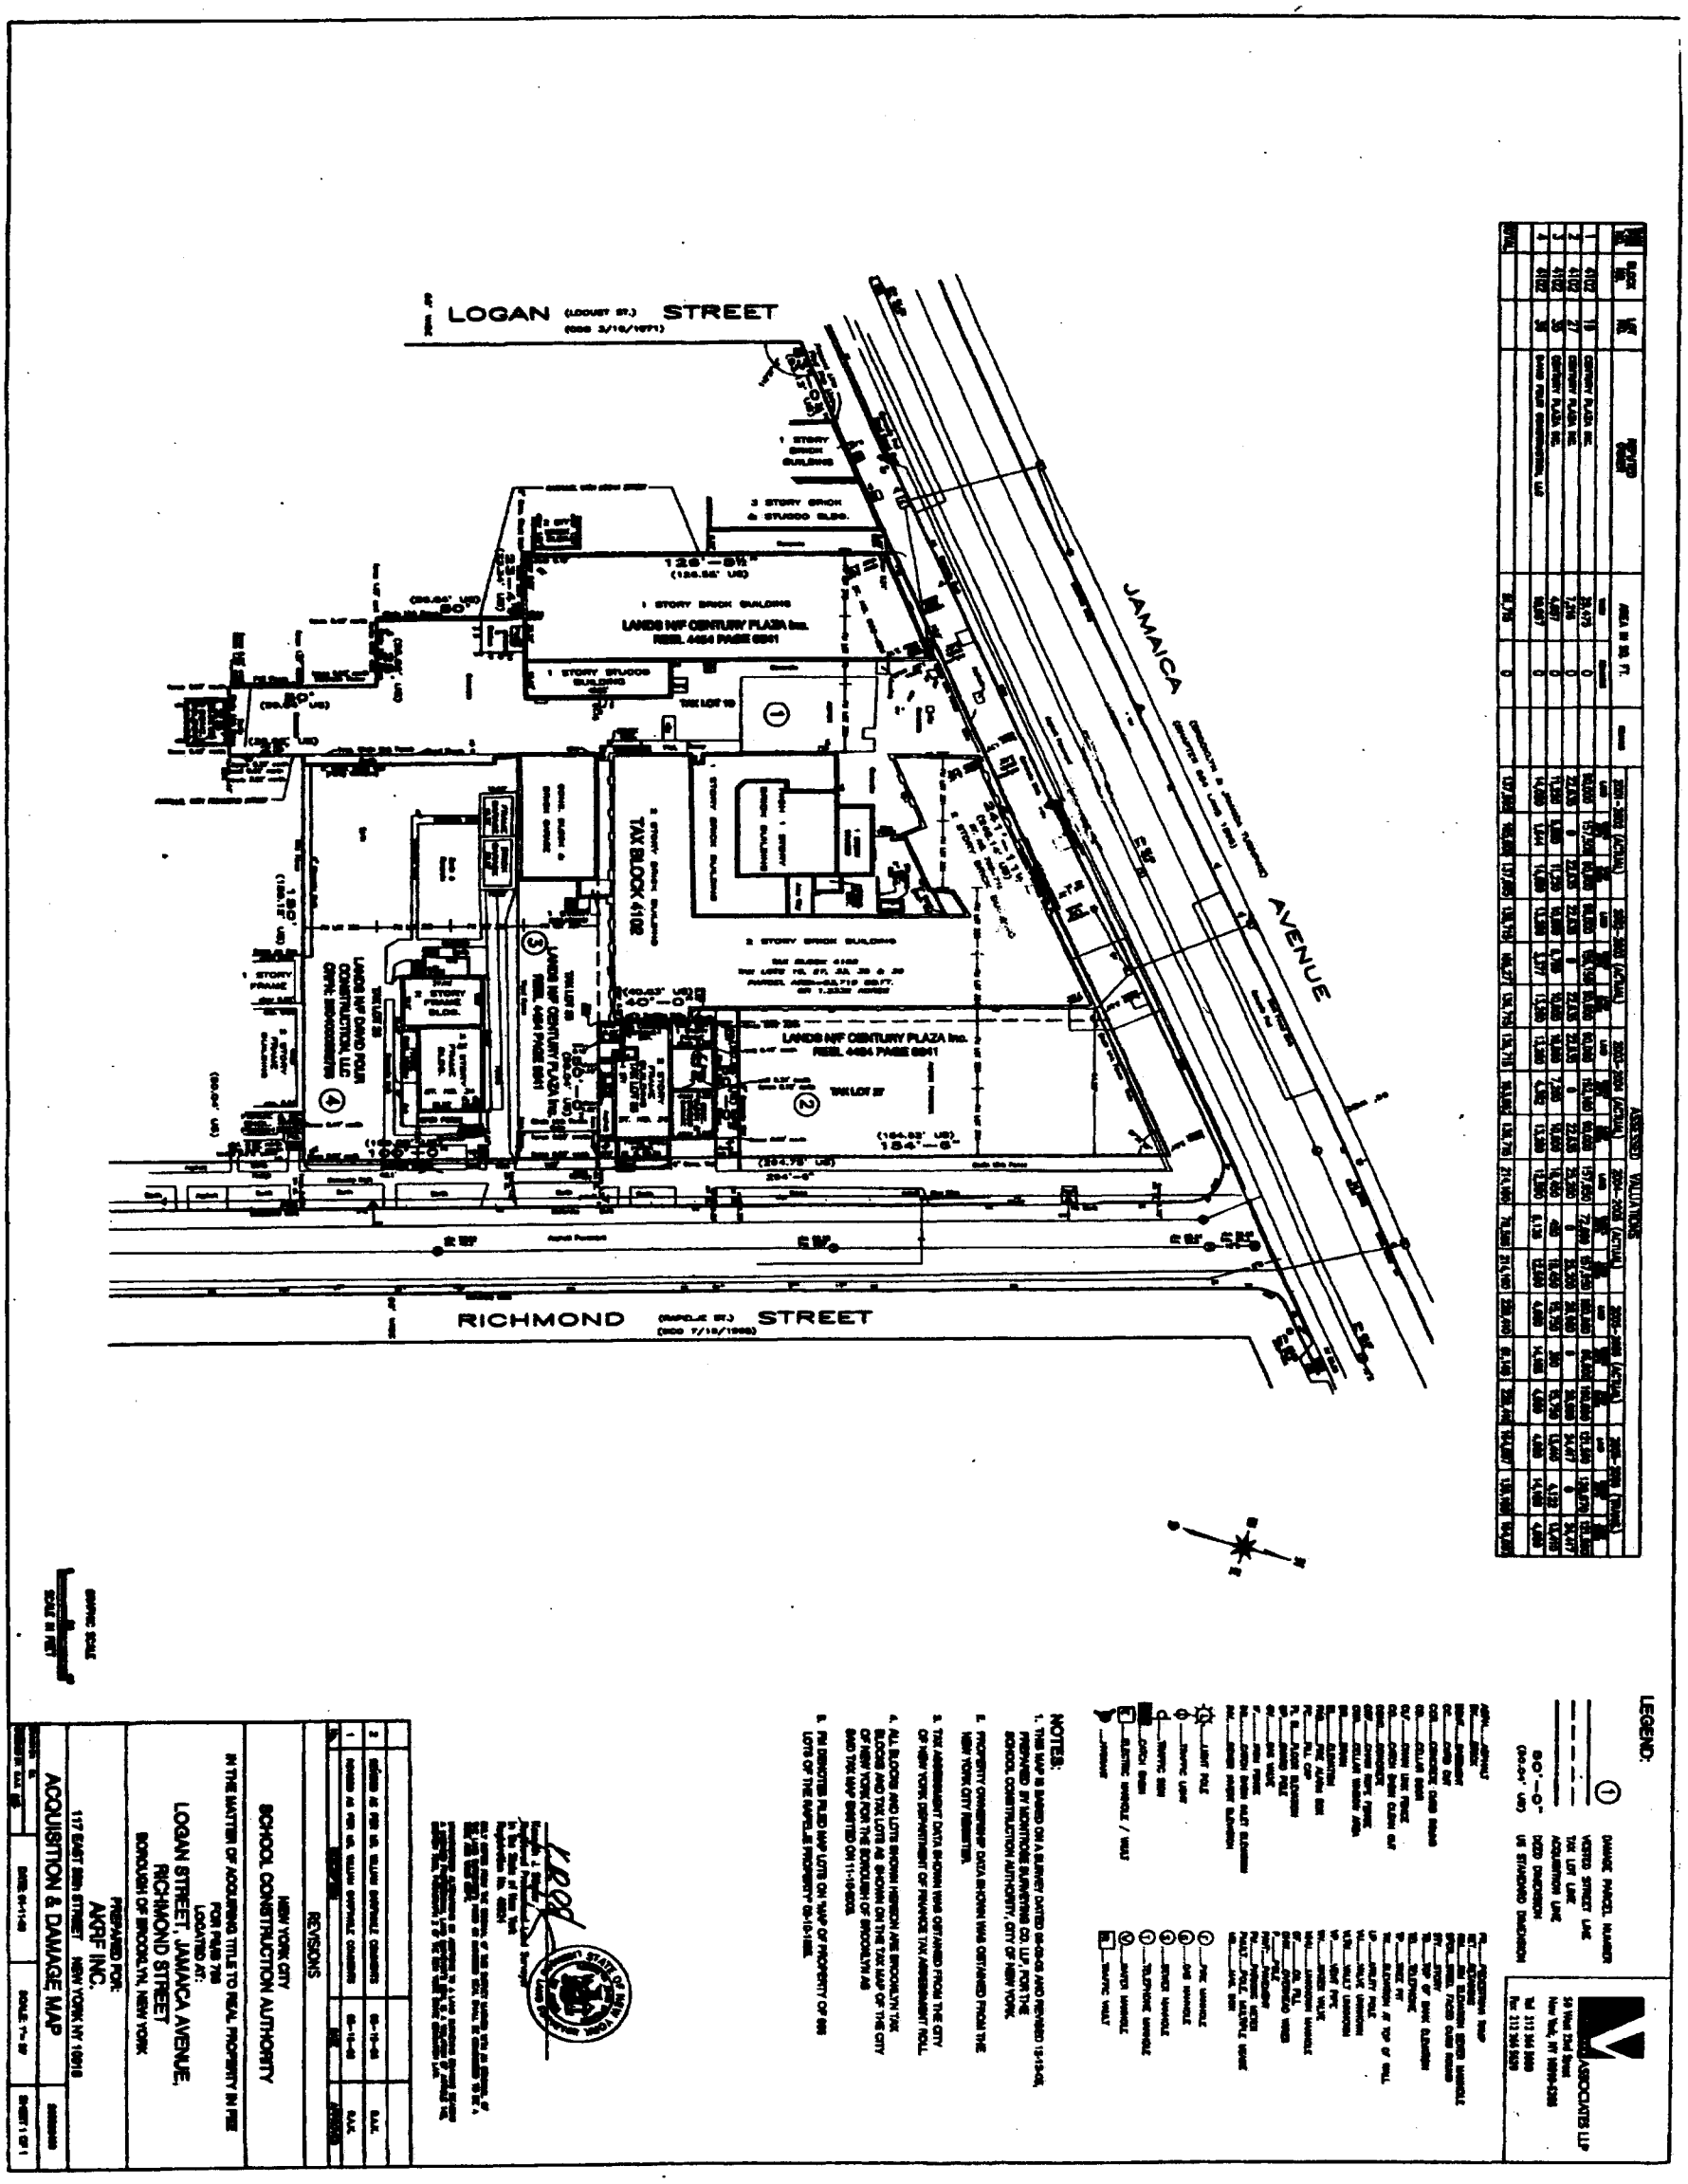
COURT NOTICE MAP FOR NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY
PS/IS 798K



READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

CITY COUNCIL

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearings on the matters indicated below:

The Subcommittee on Zoning and Franchises will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, August 14, 2006:

CITYWIDE **20075011 GFY**
Resolution authorizing franchises for cable television services.

MANHATTAN CB - 3 **20065428 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of 7th & Barrow LLC, d/b/a Sushi Samba, to establish, maintain and operate an unenclosed sidewalk café located at 87 Seventh Avenue.

MANHATTAN CB - 2 **20065509 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of LADL LLC, d/b/a Jack, to establish, maintain and operate an unenclosed sidewalk café located at 80 University Place.

QUEENS CB - 2 **C 050375 MMQ**
Application submitted by Terra Cotta LLC, c/o Silvercup Studios, pursuant to Sections 197-c and 199 of the New York City Charter, for an amendment to the City Map involving:

- a change of legal grades in 43rd Avenue between Vernon Boulevard and the East River, in accordance with Map No. 4988 dated February 7, 2006 and signed by the Borough President.

QUEENS CB - 2 **C 060323 ZMQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 9b:

1) changing from an M1-4 District to an M1-5/R10 District property bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River; and

2) establishing a Special Mixed Use District (MX-9) within the area bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River;

as shown on a diagram (for illustrative purposes only) dated February 21, 2006, and subject to the conditions of CEQR Declaration E-164.

QUEENS CB - 2 **N 060324 ZRQ**
Application submitted by Terra Cotta LLC pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York, relating to Article XII, Chapter 3 (Special Mixed Use District), to establish the Special Mixed Use District MX-9 and establish special permit provisions for signs in the MX-9 District in Community District 2.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

12/10/97

Article XII - Special Purpose Districts
Chapter 3
Special Mixed Use District

***

12/10/97

123-20
SPECIAL USE REGULATIONS
In #Special Mixed Use Districts#, all #uses# permitted in the designated #Residence District# and all #uses# permitted in the designated M1 District, as set forth in any other provision of this Resolution other than Special Purpose Districts, shall be permitted, except as superseded, modified or supplemented by this Section and provided that #signs# shall comply with the requirements of Section 123-40 (SIGN REGULATIONS).

***

12/10/97

123-40
SIGN REGULATIONS
In #Special Mixed Use Districts#, the provisions regulating #signs# in C6-1 Districts, as set forth in Section 32-60 (SIGN REGULATIONS), shall apply for any #sign#. For the purposes of applying such regulations in #Special Mixed Use Districts#, all references to #mixed buildings# shall include #mixed use buildings#.

In MX-9 Districts, the provisions of this section shall apply except that the City Planning Commission may permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions) and 32-65 (Permitted Projection or Height of Signs), provided the Commission finds that such #signs# are consistent with the character of the surrounding area. However, no modification shall be made to the applicable provisions of Section 32-644 (Illuminated or flashing signs in C4, C5-4, C6 or C7 Districts) relating to #flashing signs#.

SPECIAL MIXED USE DISTRICTS SPECIFIED

The #Special Mixed Use District# is mapped in the following areas:

#Special Mixed Use District# - 1: (12/10/97) Port Morris, The Bronx

The #Special Mixed Use District# - 1 is established in Port Morris in The Bronx as indicated on the #zoning maps#.

***

#Special Mixed Use District# - 9: (effective date) Northern Hunter's Point Waterfront, Queens.

The #Special Mixed Use District# - 9 is established in the Northern Hunter's Point Waterfront in Queens as indicated on the #zoning maps#.

QUEENS CB - 2 **C 060325 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-561 of the Zoning Resolution to allow an attended accessory parking garage with a maximum capacity of 1,400 spaces in a portion of the ground floor, mezzanine, cellar, and sub-cellar, in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060326 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 62-736 of the Zoning Resolution to modify the following Sections of the Zoning Resolution:

1. Section 123-662 and Section 62-341(c)1 to allow the building within an initial setback distance to exceed 65 feet in height for commercial use and to exceed 110 feet in height for residential and community facility use;

2. Section 123-662 and Section 62-341(c)2 to allow the maximum building height to exceed 185 feet in height for commercial use and to exceed 350 feet in height for residential and community facility use;

3. Section 62-341(c)4 to allow the residential story located entirely above the maximum base height to exceed a gross area of 8,100 square feet;

4. Section 62-341(c)5 to allow any story of a building located entirely above a height of 150 feet to exceed 85 percent of the gross area of the highest story of the same building located entirely below a height of 150 feet; and

5. Section 62-341(c)6 to allow the maximum length of a building which faces a shoreline and is entirely above the maximum base height to exceed 100 feet;

in connection with a proposed mixed use development on property generally bounded by Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20 and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060327 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 123-40 of the Zoning Resolution to permit the modification of signage regulations of Section 32-64 (Surface Area and Illumination Provisions) and Section 32-65 (Permitted Projection or Height of Signs), in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

MANHATTAN CB - 1 **C 040543 ZMM**
Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section 12a:

1. changing from an M1-5 District to a C6-2A District property bounded by Watts Street, Washington Street, Hubert Street, and a line 85 feet westerly of Washington Street; and

2. changing from an M1-5 District to a C6-3A District property bounded by Watts Street, a line 85 feet westerly of Washington Street, Hubert Street, and West Street;

within the Special Tribeca Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 6, 2006, and subject to conditions of CEQR Declaration E-162.

MANHATTAN CB - 1 **N 040544 ZRM**
Application submitted by Truffles LLC pursuant to Section 200 of the New York City Charter, for amendment of the Zoning Resolution of the City of New York relating to Section 111-00 (Special Tribeca Mixed Use District), to create a new Area A4 within the special district, and to apply certain use and bulk regulations within the proposed Area A4.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;

111-03
District Map

The District Map for the #Special Tribeca Mixed Use District# (Appendix A) identifies special areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Tribeca Mixed Use District#. These areas are as follows:

Area A1 - General Mixed Use Area
Area A2 - Limited Mixed Use Area (Commercial and Residential Uses)
Area A3 - General Mixed Use Area
Area A4- General Mixed Use Area
Area B1 - Limited Mixed Use Area
Area B2 - Limited Mixed Use Area

111-102
Ground floor use restrictions

(a) Areas A1, and A3 and A4

Ground floor spaces in separate #buildings# may not be combined for #uses# in Use Groups 3, 4, 5 and 6, except in those #buildings# having frontage on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway ~~or~~ West Street.

* * *

111-103
Additional use regulations

(a) Areas A1, ~~and~~ A3 and A4

(1) #Uses# in Use Groups 16 and 17 shall be permitted, except the following #uses# are prohibited in all #buildings#:

(i) within Use Group 16A: crematoriums, poultry or rabbit killing establishments, unenclosed automobile, boat, motorcycle or trailer sales, motorcycle rentals;

(ii) all Use Group 16B #uses#, except #automotive service stations# by special permit pursuant to Section 73-21;

(iii) all Use Group 16C #uses#;

(iv) within Use Group 16D: dry cleaning or cleaning or dyeing establishments, with no limitation on type of operation, solvents, #floor area# or capacity per establishment;

(v) within Use Group 17B: manufacture of aircraft, automobiles, trucks, trailers, boats, motorcycles or chemicals; and

(vi) all Use Group 17C #uses#, except agriculture.

(2) The following #uses# are prohibited in #buildings# that do not front on Chambers Street, Hudson Street ~~or~~, West Broadway or West Street:

(i) all Use Group 8A #uses#;

(ii) all Use Group 8D #uses#;

(iii) all Use Group 10A #uses#, except depositories, photographic or motion picture studios, radio or televisions studios; and

(iv) all Use Group 12A #uses#.

(3) In #buildings# fronting on Chambers Street, Church Street, Greenwich Street, Hudson Street or , West Broadway or West Street, the following retail facilities shall be limited to 20,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses#, except as otherwise provided in Section 11-40:

(i) all #uses# in Use Groups 6A and 6C;

(ii) all #uses# in Use Group 10 with parking categories B or B1; and

(iii) the above #uses# when listed in other use groups.

Separate #buildings# on separate #zoning lots# may not be combined for #uses# in Use Group 6A and 6C and all #uses# in Use Group 10 with parking categories B or B1.

In addition, in #buildings# not fronting on West Street, retail facilities in Use Groups 6A and 6C shall be limited to 10,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses# , except as other wise provided in Section 111-40.

* * *

(c) Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, as listed in Use Group 12A, in any location within a #building#, shall be permitted only by special permit of the Board of Standards and Appeals as provided in Section 73-244. In Areas A1, A2, and A3 and A4, the Board of Standards and Appeals shall additionally find for establishments of any capacity with dancing, as listed in Use Group 12A, that primary ingress and egress for such #uses# may only be located on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway, or West Street, with only fire or emergency egress on other #streets#, and that no portion of such #use# may be located more than 100 feet, measured perpendicularly, from the above-listed streets. Furthermore, such #uses# are restricted as provided in paragraph (a)(2) of this Section.

111-104
Special Provisions for Areas A1, A2, A3, A4 and B2

* * *

(d) Area A4

Except as set forth herein, the bulk regulations of the underlying district shall apply.

(1) Table A of Section 35-24 shall be modified in C6-3A districts to permit a maximum building height of 160 feet within 100 feet of a #wide street#.

(2) The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within Area A-4, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, their average height, I feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(3) In a C6-3A district, the maximum #floor area ratio# permitted on a #zoning lot# shall be 6.5.

~~(d)~~ (e) Area B2

MANHATTAN CB - 1 **C 040545 ZSM**
Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 180 spaces on a portion of the ground floor and cellar of a proposed mixed-use building on property located at 34-36 Debrosses Street (Block 224, Lots 1, 3, 7, 8, 13, 16, and 18) in C6-2A and C6-3A Districts, within the Special Tribeca Mixed Use District.

QUEENS CB - 5 **C 060411 ZMQ**
Application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 13d:

1. changing from an R5 District to an R4 District property bounded by:

   a. a line midway between 67th Road and 67th Drive, 78th Street, 67th Drive, a line 200 feet easterly of 78th Street, 68th Avenue, 78th Street, 69th Road, 76th Street, a line 200 feet southeasterly of 69th Road, 75th Street, 69th Road, a line midway between 75th Street and 76th Street, a line 100 feet southerly of 68th Avenue, and 75th Street; and

   b. 67th Drive, 79th Street, 68th Avenue, a line 100 feet easterly of 79th Street, a line midway between 68th Avenue and 68th Road, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, 68th Avenue, 80th Street, Cooper Avenue, 69th Drive, a line 100 feet easterly of 79th Street, a line 100 feet northerly of 69th Drive, a line 100 feet northwesterly of Cooper Avenue, 69th Road, a line 100 feet westerly of 80th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet easterly of 79th Street, 69th Road, a line 100 feet westerly of 79th Street, 69th Avenue, a line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, a line midway between 68th Road and 69th Avenue, and a line 100 feet westerly of 79th Street;

2. changing from an R5 District to an R4-1 District property bounded by:

   a. a line 100 feet northerly of Metropolitan Avenue, 71st Street, a line 100 feet southerly of 66th Drive, a line 200 feet westerly of Pleasantview Street, Metropolitan Avenue, and 70th Street;

   b. a line midway between Metropolitan Avenue and 67th Road, a line 125 feet easterly of 75th Street, 67th Road, and a line 100 feet easterly of 73rd Place;

   c. 67th Drive, a line 100 feet westerly of 79th Street, a line midway between 68th Road and 69th Avenue, a line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, 69th Avenue, a line 100 feet westerly of 79th Street, 69th Road, a line 100 feet easterly of 79th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet westerly of 80th Street, 69th Road, a line 100 feet northwesterly of Cooper Avenue, a line 100 feet northerly of 69th Drive, a line 100 feet easterly of 79th Street, 69th Drive and its westerly centerline prolongation, a line 200 feet southeasterly of 69th Road, 76th Street, 69th Road, 78th Street, 68th Avenue, and a line 200 feet easterly of 78th Street; and

   d. 68th Avenue, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, a line midway between 68th Avenue and 68th Road, and a line 100 feet easterly of 79th Street; and

3. changing from an R5 District to an R5B District property bounded by:

   a. a line 225 feet northerly of Metropolitan Avenue, 70th Street, Metropolitan Avenue, and 69th Street; and

   b. a line 100 feet southerly of 66th Drive, a line 425 feet easterly of Pleasantview Street, Metropolitan Avenue, and a line 200 westerly Pleasantview Street;

as shown on a diagram (for illustrative purposes only) dated April 3, 2006.

QUEENS CB - 2 **N 060504 ZRQ**
Application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York relating to Section 23-90 (Inclusionary Housing), to establish the Inclusionary Housing Program in two new R7X districts in Community District 2.

Matter in underline is new, to be added;

23-141
Open space and floor area regulations in Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5
Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

23-142
In R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in the following Sections:

Section 23-144	(In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable)
Section 23-145	(For residential buildings developed or enlarged pursuant to the Quality Housing Program) ~~and~~

Section 23-146 (Optional provisions for certain R5 and R6 Districts in Brooklyn), ~~and Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts)~~

Section 23-147 (For non-profit residences for the elderly)

in the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following table for #buildings# with the #height factor# indicated in the table.

* * *

23-143
For high buildings in R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7~~ Districts), in the districts indicated, for #buildings# with #height factors# greater than 21, the minimum required #open space ratio# shall be as set forth in the following table:

* * *

23-144
In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable

In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable, as listed in the table below, the maximum permitted #floor area ratios# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Community District	Zoning District
Community District 1, Brooklyn	R6 R6A R6B R7A
Community District 7, Brooklyn	R8A
Community District 2, Queens	R7X

23-145
For residential buildings developed or enlarged pursuant to the Quality Housing Program

R6 R7 R8 R9 R10

* * *

~~However, the #floor area ratios# in the table in this Section shall be modified in certain R6, R7 and R8A Districts within Community Districts 1 and 7, Borough of Brooklyn, as specified in Section 23-942 (In Community Districts 1 and 7, Borough of Brooklyn).~~

* * *

~~23-144~~ 23-147
For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~

(a) In R3, R4, R5, R6 and R7 Districts

R3 R4 R5 R6 R7

In the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

Districts	Maximum #Floor Area Ratio#	Minimum #Open Space Ratio#
R3	0.95	66.5
R4	1.29	39.4
R5	1.95	23.1
R6	3.90	17.7
R7	5.01	12.8

However, in R6 or R7 Districts, the minimum required #open space ratio# shall not apply to #non-profit residences for the elderly developed#, or #enlarged# where permitted, pursuant to the Quality Housing Program. Such #developments# or #enlargements# shall be subject to the requirements of R6A or R7A Districts, respectively, as set forth ~~in Section 23-147 (For non-profit residences for the elderly in R6A, R6B, R7A, R7B or R7X Districts).~~ paragraph (b) of this Section.

~~23-147~~
~~**For non-profit residences for the elderly in R6A, R6B, R7A, R7B and R7X Districts**~~

(b) In R6A R6B R7A R7B R7X Districts

R6A R6B R7A R7B R7X

In the districts indicated, the maximum #lot coverage# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

MAXIMUM LOT COVERAGE AND FAR FOR NON-PROFIT RESIDENCES FOR THE ELDERLY
(in percent)

Maximum #Lot Coverage# #Corner Lot#	#Floor Area Ratios	Maximum #Floor Area Ratio#	District
80	65	3.90	R6A
80	60	2.00	R6B
80	70	5.01	R7A
80	65	3.90	R7B
80	70	5.01	R7X

Applicability

23-921
R10 Districts

* * *

23-922
~~**Community Districts 1 and 7, Borough of Brooklyn**~~
Certain R6, R7 and R8 Districts

~~**The Inclusionary Housing Program shall apply:**~~

~~(a) In the following areas of Community District 1, in the Borough of Brooklyn: located in a area bounded by South 5th Street, Grand Street Extension/ Borinquen Place, Union Avenue, Metropolitan Avenue, Humboldt Street, Meeker Avenue, Russell Street, Engert Avenue, McGuinness Boulevard, the Newtown Creek and the East River:~~

~~(1) Waterfront Access Plan BK-1, as set forth in Section 62-352;~~

~~(2) all #Special Mixed Use Districts#;~~

~~(3) all R6A, R6B and R7A Districts; and~~

~~(4) R6 Districts within the following areas:~~

~~(i) the #block# bounded by Havemeyer Street, North Sixth Street, Metropolitan Avenue and North Fifth Street;~~

~~(ii) the #block# bounded by Roebling Street, North Fifth Street, Havemeyer Street, Metropolitan Avenue and North fourth Street;~~

~~(iii) those #blocks# bounded by Wythe Avenue, Grand Street, Berry Street and South Third Street;~~

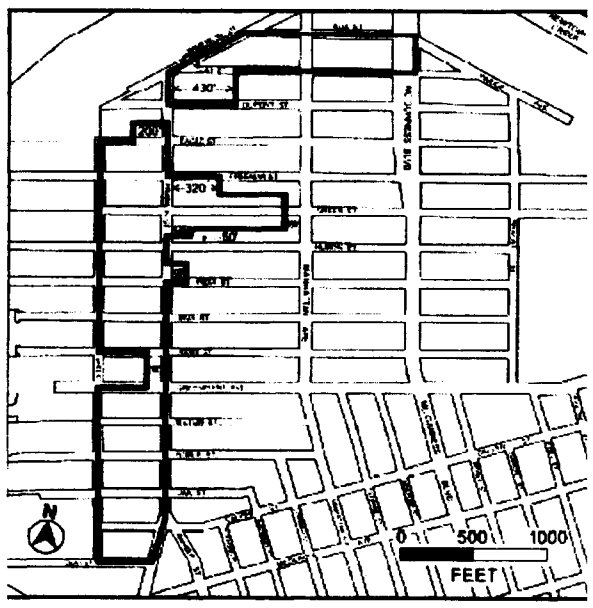
~~(iv) those #blocks# and portions of #blocks# bounded by Bedford Avenue, North 1st Street, Driggs Avenue, Fillmore Place, Roebling Street, and a line coincident with the centerline of the long dimension of the #block# bounded by Bedford Avenue, Grand Street, Roebling Street and South First Street;~~

~~(v) that portion of the #block# bounded by Havemeyer Street, Hope Street, Marcy Avenue and South First Street that is within 100 feet of Grand Street; and~~

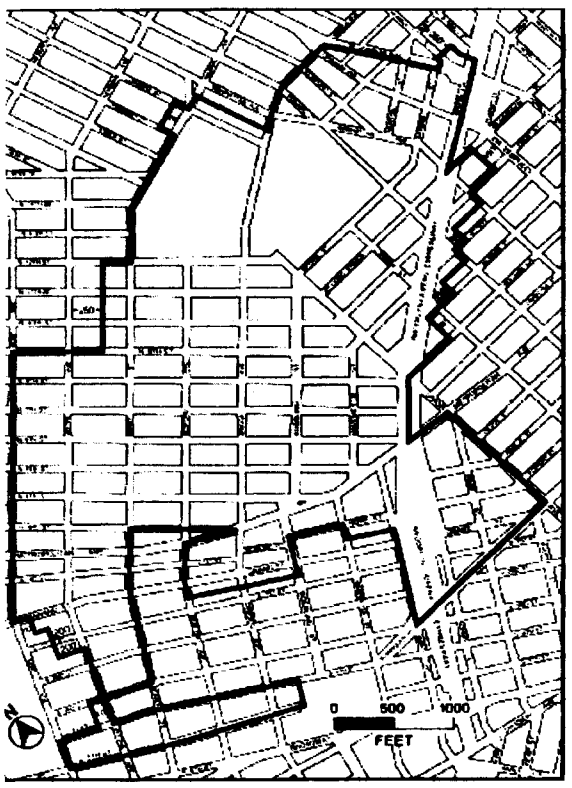
~~(vi) that portion of the #block# bounded by Franklin Street, Huron Street, Manhattan Avenue and India Street that is within 100 feet of Franklin Street and 100 feet of India Street.~~

The Inclusionary Housing Program shall apply in the following areas:

(a) In Community District 1, in the Borough of Brooklyn, in Waterfront Access Plan BK-1, as set forth in Section 62-352, and in the R6, R6A, R6B and R7A Districts within the areas shown on the following Maps 1 and 2:

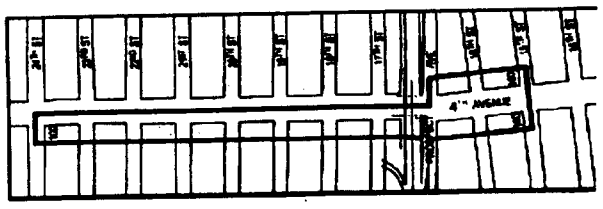


Map 1, Portion of Community District 1 Brooklyn



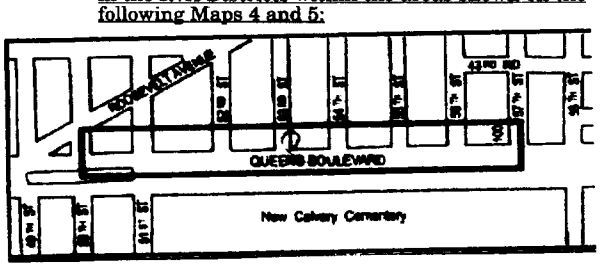
Map 2, Portion of Community District 1, Brooklyn

(b) In Community District 7, in the Borough of Brooklyn, in all the R8A districts within the area shown on the following Map 3:

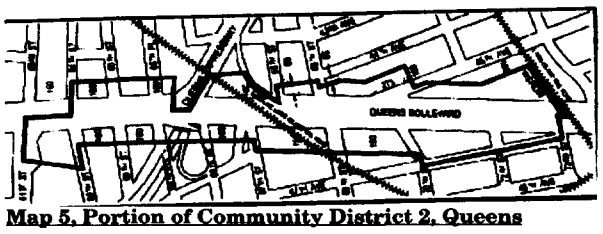


Map 3, Portion of Community District 7, Brooklyn

(c) In Community District 2, in the Borough of Queens, in the R7X Districts within the areas shown on the following Maps 4 and 5:



Map 4, Portion of Community District 2, Queens



Map 5, Portion of Community District 2, Queens

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

***

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In ~~Community Districts 1, 2 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, ~~in Community Districts 1 and 7, Borough of Brooklyn,~~ in #R6, R7 and R8 designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

Lower income housing plan

* * *

R6, R7 and R8 designated areas

"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts)

* * *

23-941
In R10 Districts

* * *

23-942
~~In Community Districts 1 and 7, Borough of Brooklyn~~ In R6, R7 and R8 Districts

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1.

(a) Maximum #floor area ratio#

The #floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the following table, except that such #floor area# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#, up to the maximum #floor area ratio# specified in the table. However, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#. In addition, the following rules shall apply:

District	Base #floor area ratio#	Maximum #floor area ratio#
R6*	2.2	2.42
R6**	2.7	3.6
R6A	2.7	3.6
R6B	2.0	2.2
R7A	3.45	4.6
R7X	3.75	5.0
R8A	5.4	7.2

* for #zoning lots#, or portions thereof, beyond 100 feet of a #wide street#

** for #zoning lots#, or portions thereof, within 100 feet of a #wide street#

(b) Height and setback

(1) Except in #Special Mixed Use Districts#, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Special Mixed Use Districts#, where the #residence district# designation has a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to paragraph (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations). Where the #residence district# designation does not have a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(c) #Lower income housing# requirements

The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements).

23-95
Lower Income Housing Requirements

* * *

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located in newly constructed #floor area# in the #compensated development#. The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contain two such units. The size of the designated #lower income housing# units shall at least be distributed among the various size units in proportion to the total distribution of unit size within the #building# in the following categories of unit sizes:

under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

For the new construction option the #lower income housing# shall be in a new #building#. For the substantial rehabilitation options, the #lower income housing# shall be in an existing #building# in which, prior to the submission of the #lower income housing plan# pursuant to this Section, any #residential# portion not in public ownership had been entirely vacant for not less than three years.

Furthermore, in Community Districts 1 and 7, Borough of Brooklyn, #R6, R7 and R8 designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

(b) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

Furthermore, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas# the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

R1 R2 R3-1 R3A R3X R4-1 R4A R4B R6A R6B R7-2 R7A R7B R7X R8 R9 R10

In the districts indicated, for #zoning lots# containing #community facility# and #residential uses#, the maximum #floor area ratio# permitted for a #community facility use# shall be as set forth in Section 24-11, inclusive, and the maximum #floor area ratio# permitted for a #residential use# shall be as set forth in Article II, Chapter 3, provided the total of all such #floor area ratios# does not exceed the greatest #floor area ratio# permitted for any such #use# on the #zoning lot#.

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

C1 C2 C3 C4 C5 C6

* * *

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

A non-#residential use# occupying a portion of a #building# that was in existence on December 15, 1961, may be changed to a #residential use# and the regulations on maximum #floor area ratio# shall not apply to such change of #use#.

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

Where the designated #Residence District# is an R6, R7, R8 or R9 District, ~~the provisions of Sections 23-142 (In R6, R7, R8 or R9 Districts) through 23-144 regulating minimum required #open space ratios# and maximum #floor area ratios#~~ minimum required #open space ratio# and maximum #floor area ratio# provisions of Sections 23-142, 23-143 and paragraph (a) of Section 23-147 shall not apply. In lieu thereof, all #residential buildings#, regardless of whether they are required to be #developed# or #enlarged# pursuant to the Quality Housing Program, shall comply with the maximum #floor area ratio# and #lot coverage# requirements set forth for the designated district in Section 23-145, or paragraph (b) of Section 23-147 for #non-profit residences for the elderly#. For purposes of this Section, #non-profit residences for the elderly# in R6 and R7 Districts without a letter suffix, shall comply with the provisions for R6A or R7A Districts, respectively, as set forth in paragraph (b) of Section 23-147.

Where the designated district is an R7-3 District, the maximum #floor area ratio# shall be 5.0 and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

Where the designated district is an R9-1 District, the maximum #floor area ratio# shall be 9.0, and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

However, in designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable, as listed below, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Special Mixed Use District	Designated Residence District
MX 8 Community District 1, Brooklyn	R6 R6A R6B R7A

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

* * *

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, August 14, 2006:

BRONX CB - 1 20065520 HKX (N 060511 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2195) pursuant to Section 3020 of the New York City Charter of The Estey Piano Company Factory, 112-128 Lincoln Avenue (also known as 15-19 Bruckner Boulevard and 270-278 East 134th Street) (Block 2309, Lot 1), as a historic landmark.

STATEN ISLAND CB - 3 20065521 HKR (N 060512 HKR)
Designation by the Landmarks Preservation Commission (List 374/LP-2192) pursuant to Section 3020 of the New York City Charter of the Theodore F. and Elizabeth J. DeHart House, located at 134 Main Street, (Block 8028, Lot 63), as a historic landmark.

BRONX CB - 5 20065522 HKX (N 060510 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2193) pursuant to Section 3020 of the New York City Charter of The Loew's Paradise Theater First Floor Interior, located at 2405-2419 Grand Concourse (also known as 2394-2408 Creston Avenue) (Block 3165, Lot 44), as a historic landmark.

STATEN ISLAND CB - 1 20065559 HKR (N 060552 HKR)
Designation by the Landmarks Preservation Commission (List 376/LP-2190) pursuant to Section 3020 of the New York City Charter of the Mark W. Allen House, located at 665 Clove Road (Block 314, Lot 1), as a historic landmark.

MANHATTAN CB - 9 20065560 HKM (N 060547 HKM)
Designation by the Landmarks Preservation Commission (List 375/LP-2198) pursuant to Section 3020 of the New York City Charter of the Clearmont Theater Building, located at 3320-3338 Broadway, aka 536-540 West 135th Street (Block 1988, p/o Lot 1), as a historic landmark.

BRONX CB - 11 20065552 SCX
Application pursuant to § 1732 of the New York State Public Authorities Law, concerning the proposed site selection for a 550-seat primary/intermediate school facility located at the southeast corner of Van Nest Avenue and Bronxdale Avenue in DOE Region No. 2/Community School District No. 11.

The Subcommittee on Planning, Dispositions and Concessions will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, August 14, 2006:

MANHATTAN CB - 8 N 060096 NPM
A Plan submitted by Manhattan Community Board 8 concerning the open spaces, parks and waterfront access in the Queensboro Bridge area of Community District 8, for consideration pursuant to Section 197-a of the New York City Charter. The proposed plan for adoption is called "The Manhattan Community Board 8 197-a Plan for the Queensboro Bridge Area".

BROOKLYN CB - 16 C 060457 HAK
Application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2335, 2341-49 Atlantic Avenue; 1870 and 1874 Eastern Parkway and 20-30 Sherlock Place (Block 1571, Lots 1-3, 26-30, and 32-36) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be determined by HPD;

to facilitate the development of three, four-story buildings, tentatively known as Atlantic Avenue Residence, with approximately 41 residential units to be developed under the Department of Housing Preservation and Development's Habitat for Humanity Program.

307-309 West Broadway - SoHo-Cast Iron Historic District
A store and loft building designed by Douglas Smyth and built in 1892. Application is to replace a granite sidewalk.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 05-0675 - Block 515, lot 13-
475 West Broadway - SoHo-Cast Iron Historic District
A neo-Grec style building designed by Frederick H. Gross and built in 1878-79. Application is to install a painted wall sign. Zoned M1-5A.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-5356 - Block 620, lot 19-
350 Bleecker Street - Greenwich Village Historic District
An apartment house designed by H.I. Feldman and built in 1963. Application is to install new infill and paving at the entrance.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-8806 - Block 587, lot 56-
37 Barrow Street, aka 74-76 7th Avenue South - Greenwich Village Historic District
A commercial building built in 1921. Application is to alter the facade and sidewalk cafe. Zoned C2-6.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-7196 - Block 619, lot 5-
510 Hudson Street - Greenwich Village Historic District
A Federal style rowhouse built in 1827. Application is to construct a rear yard addition. Zoned C1-6.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0510 - Block 616, lot 131-
9 1/2 Jane Street - Greenwich Village Historic District
A Greek Revival style house built in 1854. Application is to alter the facade and replace an entrance gate.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-8805 - Block 1121, lot 64-
199 Columbus Avenue - Upper West Side/Central Park West
A Renaissance/Romanesque Revival style flats building, designed by Gilbert A. Schellenger and built in 1892-93. Application is to install a bracket sign.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0390 - Block 1185, lot 19-
325 West End Avenue - West End-Collegiate Historic District
A neo-Renaissance style apartment building designed by Neville and Bagge and built in 1915-16. Application is to replace windows.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0283 - Block 1146, lot 103-
305 Amsterdam Avenue - Upper West Side/Central Park West Hisotric District
A Queen Anne/Romanesque Revival style rowhouse designed by Lamb and Rich and built in 1886. Application is to install a new storefront.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-0648 - Block 1211, lot 6-
167 West 80th Street - Upper West Side/Central Park West Historic District
A Renaissance/Romanesque Revival style flats building designed by Neville & Bagge and built in 1895-96. Application is to replace windows installed without Landmarks Preservation Commission permits.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 05-8658 - Block 1720, lot 58-
15 Mount Morris Park West - Mount Morris Park Historic District

A church designed by Thomas H. Poole and built in 1905. Application is to construct a barrier-free access lift.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 06-9023 - Block 1388, lot 1-
923 Fifth Avenue - Upper East Side Historic District
An apartment building designed by Sylvan Bien and built in 1949-51. Application is to alter window openings.

CERTIFICATE OF APPROPRIATENESS
BOROUGH OF MANHATTAN 07-0273 - Block 1393, lot 25-
45 East 78th Street - Upper East Side Historic District
A neo-Federal style residence designed by Arthur C. Jackson and built in 1913-14. Application is to modify a window opening to create a barrier-free entrance. Zoned R8B/C5-1.

MODIFICATION OF USE AND BULK
BOROUGH OF MANHATTAN 06-8185 - Block 1393, lot 25-
45 East 78th Street - Upper East Side Historic District
A neo-Federal style residence designed by Arthur C. Jackson and built in 1913-14. Application is a request that the Landmarks Preservation Commission issue a report to the City Planning Commitee relating to a Modification of Use pursuant to Section 74-711 of the Zoning Resolution. Zoned R8B/C5-1.

1145 Park Avenue - Carnegie Hill Historic District
A rowhouse built in 1884-85 and altered in the Modern Classical style by Emery Roth in 1920-21. Application is to construct a rooftop addition. Zoned R-10.

jy26-a8

TRANSPORTATION

■ PUBLIC HEARINGS

Notice is hereby given, pursuant to law, that the following proposed revocable consents have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 40 Worth Street, Room 814, Borough of Manhattan, commencing at 2:00 P.M. on Wednesday, August 9, 2006. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 40 Worth Street, 9 South, New York, NY 10013, or by calling (212) 442-8040.

#1 In the matter of a proposed revocable consent authorizing Clinton Hill Apartment Owners Corp. to continue to maintain and use two tunnels, one under and across Lafayette Avenue, west of Waverly Avenue, and the other, under and across Clinton Avenue, north of Willoughby Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of eleven years from July 1, 2006, to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $ 8,182
For the period July 1, 2007 to June 30, 2008 - $ 8,387
For the period July 1, 2008 to June 30, 2009 - $ 8,592
For the period July 1, 2009 to June 30, 2010 - $ 8,797
For the period July 1, 2010 to June 30, 2011 - $ 9,002
For the period July 1, 2011 to June 30, 2012 - $ 9,207
For the period July 1, 2012 to June 30, 2013 - $ 9,412
For the period July 1, 2013 to June 30, 2014 - $ 9,617

For the period July 1, 2008 to June 30, 2009 - $12,815
For the period July 1, 2009 to June 30, 2010 - $13,121
For the period July 1, 2010 to June 30, 2011 - $13,427
For the period July 1, 2011 to June 30, 2012 - $13,733
For the period July 1, 2012 to June 30, 2013 - $14,039
For the period July 1, 2013 to June 30, 2014 - $14,345
For the period July 1, 2014 to June 30, 2015 - $14,651
For the period July 1, 2015 to June 30, 2016 - $14,957
For the period July 1, 2016 to June 30, 2017 - $15,263

the maintenance of a security deposit in the sum of $15,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#3 In the matter of a proposed revocable consent authorizing the 75th St. Tenant's Corp. to construct, maintain and use stairs and a fenced-in area, on the east sidewalk of East 75th Street, south of Madison Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:
From the approval date to June 30, 2007 - $4,278/annum
For the period July 1, 2007 to June 30, 2008 - $4,388
For the period July 1, 2008 to June 30, 2009 - $4,498
For the period July 1, 2009 to June 30, 2010 - $4,608
For the period July 1, 2010 to June 30, 2011 - $4,718
For the period July 1, 2011 to June 30, 2012 - $4,828
For the period July 1, 2012 to June 30, 2013 - $4,938
For the period July 1, 2013 to June 30, 2014 - $5,048
For the period July 1, 2014 to June 30, 2015 - $5,158
For the period July 1, 2015 to June 30, 2016 - $5,268
For the period July 1, 2016 to June 30, 2017 - $5,378

the maintenance of a security deposit in the sum of $5,300, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#4 In the matter of a proposed revocable consent authorizing Matthew Lindenbaum to construct, maintain and use a fenced-in area, together with steps, trash bin storage area, and planters, on the south sidewalk of East 92nd Street, west of Lexington Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of eleven years from the date of approval by the Mayor to June 30, 2017, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

From the approval date to June 30, 2017 - $25/per annum

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

#5 In the matter of a proposed revocable consent authorizing the Riverbend Housing Company, Inc. to continue to maintain and use a conduit, under and across East 139th Street, east of Fifth Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2006 to June 30, 2016, and provides, among other terms and conditions, for compensation payable to the City according to the following schedule:

For the period July 1, 2006 to June 30, 2007 - $3,990
For the period July 1, 2007 to June 30, 2008 - $4,090
For the period July 1, 2008 to June 30, 2009 - $4,190
For the period July 1, 2009 to June 30, 2010 - $4,290
For the period July 1, 2010 to June 30, 2011 - $4,390
For the period July 1, 2011 to June 30, 2012 - $4,490
For the period July 1, 2012 to June 30, 2013 - $4,590
For the period July 1, 2013 to June 30, 2014 - $4,690
For the period July 1, 2014 to June 30, 2015 - $4,790
For the period July 1, 2015 to June 30, 2016 - $4,890

the maintenance of a security deposit in the sum of $5,000, and the filing of an insurance policy in the minimum amount of $250,000/$1,000,000 for bodily injury and property damage for each occurrence in the aggregate amount of $100,000.

COURT NOTICE

SUPREME COURT

■ NOTICE

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: July 31, 2006, New York, New York
MICHAEL A. CARDOZO
Corporation Counsel of the City of New York

JUVENILE JUSTICE

■ **SOLICITATIONS**

Human / Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. hbavaro@djj.nyc.gov Harry T. Bavaro (212) 925-7779 Ext. 324.

OFFICE OF PRESERVATION SERVICES CERTIFICATION OF NO HARASSMENT UNIT

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATION OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: August 7, 2006

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address	Application #	Inquiry Period
733 8th Avenue, Manhattan a/k/a 301 West 46th Street	94/06	July 7, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:
This document constitutes the Notice of Intent to Request Release of Funds for the Primary Prevention Program. On August 9, 2006 the City will submit to U.S. Department of Housing and Urban Development (HUD) its Request for Release of Funds for this project. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under this program below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. This notice is prepared on a programmatic basis.

Primary Prevention Program
The Primary Prevention Program, a joint initiative between the Department of Housing Preservation and Development (HPD) and the Department of Health and Mental Hygiene (DOHMH), uses federal funding from HUD to offer grants to building owners for lead treatment. CD funds are used for projects in which at least 51% of the households are at or below the low- and moderate-income levels. This initiative addresses a serious environmental threat to young children that results from deteriorated lead-based paint in apartments. The program, part of a broad City strategy to lower the hazards from lead-based paint, provides grants to owners of multi-unit apartment houses and one-, two-, and multi-family homes built before 1960, the year New York City banned the use of lead-based paint. In addition to federal funds, the Primary Prevention Program is also supported by City Capital funds to address lead-based paint hazards citywide. Work done at federally-funded sites is completed in accordance with HUD lead-based paint regulations at 24 CFR Part 35.

The Program gives owners the means to make their buildings lead-safe through low-level interim treatment work. Treatment concentrates on friction surfaces such as door jams, window sills and wells, and cabinets because friction creates lead dust. Common areas and fire escapes are also treated. Building owners apply for forgivable loans valued at $8,000 to $9,500 per apartment, the average cost of lead treatment work. Some units may receive up to $10,000 in conjunction with other moderate rehabilitation work. Owners, in turn, hire contractors who are trained in EPA certified courses in lead treatment. HPD inspects the work. The loan amount is secured by a mortgage on the property that evaporates after three years, provided the owner is in full compliance with the terms of the loan.
CD 32 Allocation: $240,000.

An Environmental Review Record respecting the within project has been made by the City of New York which documents the environmental review of the project. This Environmental Review Record is on file and copies may be obtained at the Office of Management and Budget, Community Development, 75 Park Place, 8th Floor, New York, New York 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6150 to make an appointment to view or obtain a copy of the documents.

The City of New York will undertake the project described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director Mark Page, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, New York City may use the CD funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the recipient's Certifying Officer, b) the recipient has failed to make one of the two findings pursuant to 58.41 or to make the written determination decision required by 58.47, 58.53 or 58.64 for the project as applicable, c) the recipient has omitted one or more of the steps set forth at Subparts F and G for the preparation and completion of an environmental assessment, d) the recipient has omitted one or more of the steps set forth at Subparts H and I for the preparation and completion of an environmental impact statement, e) the recipient did not comply with the historic review provisions of 36 CFR Part 800, f) with respect to a project for which a recipient has decided that 58.47, 58.53 or 58.64 apply, the recipient has failed to include in the ERR the written decision required, or its decision is not supported by the facts specified by the objecting party. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, New York 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after August 24, 2006 will be considered by HUD.

City of New York: Office of Management and Budget
Mark Page, Budget Director. Date: August 2, 2006

111-03
District Map

The District Map for the #Special Tribeca Mixed Use District# (Appendix A) identifies special areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Tribeca Mixed Use District#. These areas are as follows:

Area A1 - General Mixed Use Area
Area A2 - Limited Mixed Use Area (Commercial and Residential Uses)
Area A3 - General Mixed Use Area
Area A4- General Mixed Use Area
Area B1 - Limited Mixed Use Area
Area B2 - Limited Mixed Use Area

111-102
Ground floor use restrictions

(a) Areas A1, and A3 and A4

Ground floor spaces in separate #buildings# may not be combined for #uses# in Use Groups 3, 4, 5 and 6, except in those #buildings# having frontage on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway ~~or~~ West Street.

* * *

111-103
Additional use regulations

(a) Areas A1, ~~and~~ A3 and A4

(1) #Uses# in Use Groups 16 and 17 shall be permitted, except the following #uses# are prohibited in all #buildings#:

(i) within Use Group 16A: crematoriums, poultry or rabbit killing establishments, unenclosed automobile, boat, motorcycle or trailer sales, motorcycle rentals;

(ii) all Use Group 16B #uses#, except #automotive service stations# by special permit pursuant to Section 73-21;

(iii) all Use Group 16C #uses#;

(iv) within Use Group 16D: dry cleaning or cleaning or dyeing establishments, with no limitation on type of operation, solvents, #floor area# or capacity per establishment;

(v) within Use Group 17B: manufacture of aircraft, automobiles, trucks, trailers, boats, motorcycles or chemicals; and

(vi) all Use Group 17C #uses#, except agriculture.

(2) The following #uses# are prohibited in #buildings# that do not front on Chambers Street, Hudson Street ~~or~~, West Broadway or West Street:

(i) all Use Group 8A #uses#;

(ii) all Use Group 8D #uses#;

(iii) all Use Group 10A #uses#, except depositories, photographic or motion picture studios, radio or televisions studios; and

(iv) all Use Group 12A #uses#.

(3) In #buildings# fronting on Chambers Street, Church Street, Greenwich Street, Hudson Street or , West Broadway or West Street, the following retail facilities shall be limited to 20,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses#, except as otherwise provided in Section 11-40:

(i) all #uses# in Use Groups 6A and 6C;

(ii) all #uses# in Use Group 10 with parking categories B or B1; and

(iii) the above #uses# when listed in other use groups.

Separate #buildings# on separate #zoning lots# may not be combined for #uses# in Use Group 6A and 6C and all #uses# in Use Group 10 with parking categories B or B1.

In addition, in #buildings# not fronting on West Street, retail facilities in Use Groups 6A and 6C shall be limited to 10,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses# , except as other wise provided in Section 111-40.

* * *

(c) Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, as listed in Use Group 12A, in any location within a #building#, shall be permitted only by special permit of the Board of Standards and Appeals as provided in Section 73-244. In Areas A1, A2, and A3 and A4, the Board of Standards and Appeals shall additionally find for establishments of any capacity with dancing, as listed in Use Group 12A, that primary ingress and egress for such #uses# may only be located on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway, or West Street, with only fire or emergency egress on other #streets#, and that no portion of such #use# may be located more than 100 feet, measured perpendicularly, from the above-listed streets. Furthermore, such #uses# are restricted as provided in paragraph (a)(2) of this Section.

111-104
Special Provisions for Areas A1, A2, A3, A4 and B2

* * *

(d) Area A4
Except as set forth herein, the bulk regulations of the underlying district shall apply.

(1) Table A of Section 35-24 shall be modified in C6-3A districts to permit a maximum building height of 160 feet within 100 feet of a #wide street#.

(2) The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within Area A-4, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, their average height, I feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(3) In a C6-3A district, the maximum #floor area ratio# permitted on a #zoning lot# shall be 6.5.

~~(d)~~ (e) Area B2

23-141
Open space and floor area regulations in R1, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

23-142
In R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in the following Sections:

Section 23-144	(In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable)
Section 23-145	(For residential buildings developed or enlarged pursuant to the Quality Housing Program) ~~and~~
Section 23-146	(Optional provisions for certain R5 and R6 Districts in Brooklyn), ~~and Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts)~~
Section 23-147	(For non-profit residences for the elderly)

in the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following table for #buildings# with the #height factor# indicated in the table.

* * *

23-143
For high buildings in R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7~~ Districts), in the districts indicated, for #buildings# with #height factors# greater than 21, the minimum required #open space ratio# shall be as set forth in the following table:

* * *

23-144
In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable

In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable, as listed in the table below, the maximum permitted #floor area ratios# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Community District	Zoning District
Community District 1, Brooklyn	R6 R6A R6B R7A
Community District 7, Brooklyn	R8A
Community District 2, Queens	R7X

23-145
For residential buildings developed or enlarged pursuant to the Quality Housing Program

R6 R7 R8 R9 R10

* * *

~~However, the #floor area ratios# in the table in this Section shall be modified in certain R6, R7 and R8A Districts within Community Districts 1 and 7, Borough of Brooklyn, as specified in Section 23-942 (In Community Districts 1 and 7, Borough of Brooklyn).~~

* * *

~~23-144~~ 23-147
For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~

(a) In R3, R4, R5, R6 and R7 Districts

R3 R4 R5 R6 R7

In the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

Districts	Maximum #Floor Area Ratio#	Minimum #Open Space Ratio#
R3	0.95	66.5
R4	1.29	39.4
R5	1.95	23.1
R6	3.90	17.7
R7	5.01	12.8

However, in R6 or R7 Districts, the minimum required #open space ratio# shall not apply to #non-profit residences for the elderly developed#, or #enlarged# where permitted, pursuant to the Quality Housing Program. Such #developments# or #enlargements# shall be subject to the requirements of R6A or R7A Districts, respectively, as set forth ~~in Section 23-147 (For non-profit residences for the elderly in R6A, R6B, R7A, R7B or R7X Districts).~~ paragraph (b) of this Section.

~~23-147~~
~~**For non-profit residences for the elderly in R6A, R6B, R7A, R7B and R7X Districts**~~

(b) In R6A R6B R7A R7B R7X Districts

R6A R6B R7A R7B R7X

In the districts indicated, the maximum #lot coverage# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

MAXIMUM LOT COVERAGE AND FAR FOR NON-PROFIT RESIDENCES FOR THE ELDERLY
(in percent)

Maximum #Lot Coverage# #Corner Lot#	#Floor Area Ratios	Maximum #Floor Area Ratio#	District

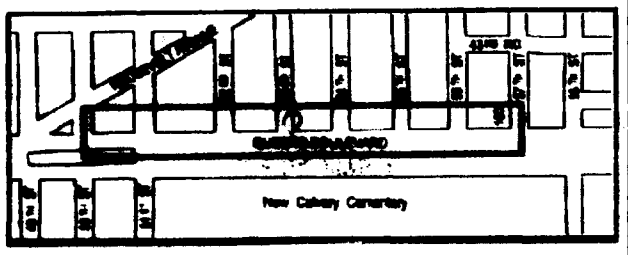
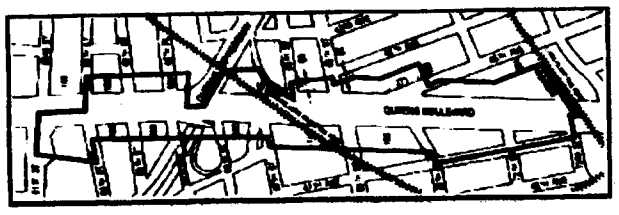
(c) In Community District 2, in the Borough of Queens, in the R7X Districts within the areas shown on the following Maps 4 and 5:



Map 4, Portion of Community District 2, Queens



Map 5, Portion of Community District 2, Queens

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

***

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In ~~Community Districts 1, 2 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, ~~in Community Districts 1 and 7, Borough of Brooklyn,~~ in #R6, R7 and R8 designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

Lower income housing plan

***

R6, R7 and R8 designated areas

"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts)

***

23-941
In R10 Districts

***

23-942
~~In Community Districts 1 and 7, Borough of Brooklyn~~
In R6, R7 and R8 Districts

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1.

(a) Maximum #floor area ratio#

The #floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the following table, except that such #floor area# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#, up to the maximum #floor area ratio# specified in the table. However, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#. In addition, the following rules shall apply:

District	Base #floor area ratio#	Maximum #floor area ratio#
R6*	2.2	2.42
R6**	2.7	3.6
R6A	2.7	3.6
R6B	2.0	2.2
R7A	3.45	4.6
R7X	3.75	5.0
R8A	5.4	7.2

* for #zoning lots#, or portions thereof, beyond 100 feet of a #wide street#

** for #zoning lots#, or portions thereof, within 100 feet of a #wide street#

(b) Height and setback

(1) Except in #Special Mixed Use Districts#, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Special Mixed Use Districts#, where the #residence district# designation has a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to paragraph (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations). Where the #residence district# designation does not have a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(c) #Lower income housing# requirements

The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements).

23-95
Lower Income Housing Requirements

***

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated

areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

* * *

23-951
On-site new construction option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located in newly constructed #floor area# in the #compensated development#. The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contain two such units. The size of the designated #lower income housing# units shall at least be distributed among the various size units in proportion to the total distribution of unit size within the #building# in the following categories of unit sizes:

under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

For the new construction option the #lower income housing# shall be in a new #building#. For the substantial rehabilitation options, the #lower income housing# shall be in an existing #building# in which, prior to the submission of the #lower income housing plan# pursuant to this Section, any #residential# portion not in public ownership had been entirely vacant for not less than three years.

Furthermore, in Community Districts 1 and 7, Borough of Brooklyn, #R6, R7 and R8 designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

(b) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

23-953
Preservation option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

Furthermore, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas# the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

R1 R2 R3-1 R3A R3X R4-1 R4A R4B R6A R6B R7-2 R7A R7B R7X R8 R9 R10

In the districts indicated, for #zoning lots# containing #community facility# and #residential uses#, the maximum #floor area ratio# permitted for a #community facility use# shall be as set forth in Section 24-11, inclusive, and the maximum #floor area ratio# permitted for a #residential use# shall be as set forth in Article II, Chapter 3, provided the total of all such #floor area ratios# does not exceed the greatest #floor area ratio# permitted for any such #use# on the #zoning lot#.

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings
C1 C2 C3 C4 C5 C6

* * *

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

A non-#residential use# occupying a portion of a #building# that was in existence on December 15, 1961, may be changed to a #residential use# and the regulations on maximum #floor area ratio# shall not apply to such change of #use#.

* * *

ARTICLE XII SPECIAL PURPOSE DISTRICTS

Chapter 3
Special Mixed Use Districts

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

Where the designated #Residence District# is an R6, R7, R8 or R9 District, ~~the provisions of Sections 23-142 (In R6, R7, R8 or R9 Districts) through 23-144 regulating minimum required #open space ratios# and maximum #floor area ratios#~~ minimum required #open space ratio# and maximum #floor area ratio# provisions of Sections 23-142, 23-143 and paragraph (a) of Section 23-147 shall not apply. In lieu thereof, all #residential buildings#, regardless of whether they are required to be #developed# or #enlarged# pursuant to the Quality Housing Program, shall comply with the maximum #floor area ratio# and #lot coverage# requirements set forth for the designated district in Section 23-145, or paragraph (b) of Section 23-147 for #non-profit residences for the elderly#. For purposes of this Section, #non-profit residences for the elderly# in R6 and R7 Districts without a letter suffix, shall comply with the provisions for R6A or R7A Districts, respectively, as set forth in paragraph (b) of Section 23-147.

Where the designated district is an R7-3 District, the maximum #floor area ratio# shall be 5.0 and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

Where the designated district is an R9-1 District, the maximum #floor area ratio# shall be 9.0, and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

However, in designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable, as listed below, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Special Mixed Use District	Designated Residence District
MX 8 Community District 1, Brooklyn	R6 R6A R6B R7A

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, August 14, 2006:

BRONX CB - 1 20065520 HKX (N 060511 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2195) pursuant to Section 3020 of the New York City Charter of The Estey Piano Company Factory, 112-128 Lincoln Avenue (also known as 15-19 Bruckner Boulevard and 270-278 East 134th Street) (Block 2309, Lot 1), as a historic landmark.

STATEN ISLAND CB - 3 20065521 HKR (N 060512 HKR)
Designation by the Landmarks Preservation Commission (List 374/LP-2192) pursuant to Section 3020 of the New York City Charter of the Theodore F. and Elizabeth J. DeHart House, located at 134 Main Street, (Block 8028, Lot 63), as a historic landmark.

BRONX CB - 5 20065522 HKX (N 060510 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2193) pursuant to Section 3020 of the New York City Charter of The Loew's Paradise Theater First Floor Interior, located at 2405-2419 Grand Concourse (also known as 2394-2408 Creston Avenue) (Block 3165, Lot 44), as a historic landmark.

STATEN ISLAND CB - 1 20065559 HKR (N 060552 HKR)
Designation by the Landmarks Preservation Commission (List 376/LP-2190) pursuant to Section 3020 of the New York City Charter of the Mark W. Allen House, located at 665

Clove Road (Block 314, Lot 1), as a historic landmark.

MANHATTAN CB - 9 20065560 HKM (N 060547 HKM)
Designation by the Landmarks Preservation Commission (List 375/LP-2198) pursuant to Section 3020 of the New York City Charter of the Clearmont Theater Building, located at 3320-3338 Broadway, aka 536-540 West 135th Street (Block 1988, p/o Lot 1), as a historic landmark.

BRONX CB - 11 20065552 SCX
Application pursuant to § 1732 of the New York State Public Authorities Law, concerning the proposed site selection for a 550-seat primary/intermediate school facility located at the southeast corner of Van Nest Avenue and Bronxdale Avenue in DOE Region No. 2/Community School District No. 11.

The Subcommittee on Planning, Dispositions and Concessions will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, August 14, 2006:

MANHATTAN CB - 8 N 060096 NPM
A Plan submitted by Manhattan Community Board 8 concerning the open spaces, parks and waterfront access in the Queensboro Bridge area of Community District 8, for consideration pursuant to Section 197-a of the New York City Charter. The proposed plan for adoption is called "The Manhattan Community Board 8 197-a Plan for the Queensboro Bridge Area".

BROOKLYN CB - 16 C 060457 HAK
Application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2335, 2341-49 Atlantic Avenue; 1870 and 1874 Eastern Parkway and 20-30 Sherlock Place (Block 1571, Lots 1-3, 26-30, and 32-36) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be determined by HPD;

to facilitate the development of three, four-story buildings, tentatively known as Atlantic Avenue Residence, with approximately 41 residential units to be developed under the Department of Housing Preservation and Development's Habitat for Humanity Program.

COURT NOTICE

SUPREME COURT

NOTICE

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./ I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: July 31, 2006, New York, New York

PROCUREMENT

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. As part of this effort, the City is pleased to announce the following contracting opportunities for construction/construction services and construction-related services.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ INTENT TO AWARD

Human / Client Service

EXTRAORDINARY NEEDS FOSTER CARE SERVICES – Negotiated Acquisition – DUE 08-24-06 AT 10:00A.M.
PIN# 06805NEGAQ02 - ENFC
PIN# 06805NEGAQ03 - ENFC
PIN# 06805NEGAQ05 - ENFC

To enter into negotiated acquisition with the three organizations cited below for the continued provision of extraordinary needs foster care services.
1. Devereux Foundation
2. Ferncliff Manor
3. Woods Services, Inc.
In accordance with Section 3-04(b)(2)(iii) of the Procurement Policy Board Rules, ACS intents to use the negotiated acquisition process to extend the subject contracts' terms to ensure continuity of mandated services. The term of the contracts is projected to be for one year, from July 1, 2006 to June 30, 2007. Suppliers may express interest in future procurements by contacting Rafael Asusta at ACS, Child Welfare Services Unit, 150 William Street, 9th Floor, NY, NY 10038 or by calling (212) 341-3511 between the hours of 10:00 A.M. and 4:00 P.M. on business days.

Human / Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

FIRE

■ NOTICE

Notice of Proposed Promulgation of a New Rule, 3 RCNY §9-08, entitled "Training Courses For Fire Safety/Emergency Action Plan Directors"

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Fire Commissioner of the City of New York by Section 489 of the New York City Charter and Sections 27-4014 and 27-4267.4 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the New York City Fire Department hereby promulgates the above rule. The entire rule is underlined to indicate that it is new.

The public hearing was held on June 13, 2006. In accordance with Section 1043(e)(1) of the New York City Charter, this rule shall take effect on September 10, 2006.

This notice, the rule, and the statement of basis and purpose will be available for at least 90 days on the Fire Department Internet website at: www.nyc.gov/fdny

Nicholas Scoppetta
Fire Commissioner

§9-08 Training Courses For Fire Safety/Emergency Action Plan Directors

(a) Applicability

(1) This section sets forth the requirements for Department accreditation of any training course offered by an educational institution or other entity for purposes of obtaining Department certification as a Fire Safety/Emergency Action Plan Director pursuant to 3 RCNY §6-02.

(2) A student must successfully complete an accredited training course in order to be eligible to seek Department certification as a Fire Safety/Emergency Action Plan Director.

(b) Definitions

EAP. Emergency Action Plan.

(c) General Prohibition

No educational institution or other entity shall offer a training course for Department certification as a Fire Safety/EAP Director that purports to be accredited by the Department without first having obtained Department accreditation pursuant to this section.

(d) Course Requirements

(1) Required Instruction. Training courses shall provide not less than seven (7) hours of classroom instruction, including not less than six (6) hours of instruction in Category 1 topics and not less than one (1) hour of instruction in Category 2 topics.

(i) Category 1 shall include the following instructional topics, and such other topics as the Department's Director of Licensing may from time to time designate by written notice to accredited educational institutions:

(A) Local Law 26 of 2004, Fire Department rule 3 RCNY §6-02, and any amendments or other rules promulgated pursuant thereto;

(B) Shelter in place, in-building relocation, partial building evacuation and full building evacuation concepts;

(C) Building communications and announcements;

(D) Building ventilation options;

(E) Use of elevators;

(F) Human services, including building occupants with special needs and related mobility and communications issues;

(G) Weapons of mass destruction, including dirty bombs and other radiological weapons;

(H) Hazardous material incidents involving biological agents, including contamination issues;

(I) Hazardous material incidents involving chemical agents;

(J) Bombs, bomb threats and suspicious packages;

(K) Weather-related emergencies;

(L) Failure of building utilities, mechanical systems and/or telecommunications systems; and

(M) Training methodology, including application protocols and post drill critiques.

(ii) Category 2 shall include the following instructional topics, and such other topics as the Department's Director of Licensing may from time to time designate by written notice to accredited educational institutions:

(A) Civil disturbances and blackouts;

(B) Familiarization with incident command structure and emergency response operations;

(C) Situational awareness in the context of non-fire emergencies; and

(D) Case studies, including Sao Paulo, the Coconut Grove fire and the World Trade Center.

(2) Course Administration.

(i) Students must attend all sessions of the training course in order to be eligible to be administered the final course examination and successfully complete the course.

(ii) A written final examination approved by the Department shall be administered by the educational institution to all students enrolled in the training course. Each student must achieve a passing grade approved the Department in order to have passed the examination and successfully complete the course. Students shall not be allowed more than two (2) opportunities to take the final examination. Students who fail the final examination twice must re-take the training course in its entirety.

(iii) Instruction shall be conducted by persons with law enforcement, fire prevention/suppression, engineering, environmental safety, fire safety director, meteorological, technological or other appropriate experience or expertise that qualifies them to teach the respective instructional topics of the training course.

(e) Application For Training Course Accreditation

(1) Except as otherwise provided in this section, applications for accreditation,

including applications regarding training course modifications, shall be submitted and will be approved in the same manner as set forth in 3 RCNY §9-05.

(2) Training course accreditation shall be valid for a term of one year, and may be renewed annually thereafter. Training course accreditation may be suspended or revoked in accordance with the provisions of 3 RCNY §905.

(3) Applications shall be accompanied by a non-refundable application fee as follows:

Original application for accreditation	$ 2,940.00
Renewal application	$ 420.00

(f) Modification

Whenever circumstances, conditions, limitations, or surroundings are unusual, or such as to render it impracticable to comply with any of the foregoing provisions, the commissioner may waive or modify such provisions to such extent as he or she may deem necessary, consistent with public safety.

STATEMENT OF BASIS AND PURPOSE OF FINAL RULE:

This rule sets forth minimum instructional and administration requirements for Fire Department accreditation of courses taught by educational institutions to qualify students for the Fire Safety/EAP Director Certificate of Fitness issued by the Department pursuant to Department rule 3 RCNY §6-02.

In response to public comment, the final rule requires that instructors possess appropriate experience or expertise qualifying them to teach the instructional topics of the training course. Public comment was also received indicating that the rule should require instruction greater than seven hours. The Department has determined to retain the seven-hour training course requirement, but will consider the need for additional instruction, perhaps in the form of a future training requirement at the time of renewal of the Fire Safety/EAP Director Certificate of Fitness.

If any paragraph, subparagraph or subdivision of this section shall be adjudged by any court or agency of competent jurisdiction to be invalid, such judgement shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the paragraph or subdivision directly involved in the controversy in which such judgement shall have been rendered.

OFFICE OF PRESERVATION SERVICES CERTIFICATION OF NO HARASSMENT UNIT

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATION OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: August 7, 2006

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address	Application #	Inquiry Period
733 8th Avenue, Manhattan a/k/a 301 West 46th Street	94/06	July 7, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

FIREFIGHTERS 2002-2006 AGREEMENT

COLLECTIVE BARGAINING AGREEMENT entered into this 28th day of July 2006, by and between the City of New York (hereinafter referred to as the "Employer"), and the Uniformed Firefighters Association of Greater New York, (hereinafter referred to as the "Union"), for the 50 month period from June 1, 2002 through July 31, 2006.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - RECOGNITION

Section 1.

The Employer recognizes the Union as the sole collective bargaining agent for the unit consisting of all Firefighters and Fire Marshals (Uniformed) employed by the Employer.

Section 2.

The terms "employee" and "employees" as used in the Agreement shall mean only those persons employed in the titles described in Section 1 of this Article.

ARTICLE II - UNION SECURITY

Section 1.

The Employer agrees that all employees may become and remain members of the Union in good standing.

Section 2.

The Employer further agrees that all new employees hired subsequent to the date of signing this Agreement may become and remain members of the Union in good standing.

Section 3.

It is further agreed that the decision to become or remain members of the Union in good standing shall remain discretionary both with the employees and with the Union subject to the provisions of Section 12-314(a) (formerly Section 1173100a) of the Administrative Code.

Section 4.

A. The Union shall have the exclusive right to the check off and transmittal of dues in behalf of each employee in the unit and the City shall check off and transmit such dues to the Union, all in accordance with the Mayor's Executive Order #98, dated May 15, 1969, entitled, "Regulations Regulating the Check Off of Union Dues" and in accordance with the Mayor's Executive Order #107, dated December 29, 1986, entitled "Regulations Governing Procedures for Orderly Payroll Check Off of Union Dues" and any other applicable Executive Order.

B. The employee may consent in writing to the authorization of the deduction of dues from his wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in the proper form acceptable to the City, which bears the signature of the employee.

Section 5.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - WORK SCHEDULE

Section 1.

Working hours of Firefighters shall be in accordance with Section 15-112 of the Administrative Code of the City of New York. It is understood and agreed that under the two-platoon system as herein set forth each Firefighter is scheduled to work in excess of a forty-hour week. To compensate Firefighters for working this specific additional time, each Firefighter shall be excused from one fifteen-hour tour of duty in each calendar year. In the event that a Firefighter does not receive such specific additional time or because of illness or the needs of the Fire Department is unable to take this adjusted tour off during the calendar year, the entitlement may be carried over into and shall be taken during the immediately succeeding year but not beyond. The fifteen-hour adjusted tour will be scheduled during the vacation cycle in accordance with Article XII Vacation and Leave.

Section 2.

Firefighters when specifically directed by the commissioner or chief of the department or their respective designated representatives to perform work in excess of "working hours" as noted in Section 1 of this Article III shall be compensated for by cash payment at the rate of time and one-half based on the regular salary for Firefighters for the actual period of overtime worked.

Section 3.

When Firefighters are not continued on duty but are ordered to report for emergency duty from a scheduled off tour or a scheduled rest period, they shall be compensated for a minimum of four hours if not assigned to duty and for a minimum of six hours if assigned to duty. Such compensation shall be by cash payment at the rate of time and one-half based on the regular salary for Firefighters.

Section 4.

Notwithstanding anything to the contrary provided herein, any Firefighter who is recalled to duty after having completed the regular tour of duty but before the commencement of the next regular tour and who is assigned to duty or held without assignment for a period which extends into the commencement of that next regular tour shall receive pay pursuant to the regular overtime provisions of this Agreement only for the actual time so assigned or held, and the same shall be deemed preshift overtime.

Section 5.

A. Fire Marshals shall be scheduled to work in accordance with the work chart requiring 34.5 hours every six days. To the extent that the schedule for Fire Marshals provides for more than 34.5 hours every six days, additional tours off shall be granted to offset the number of additional scheduled hours in each calendar year. In the event that a Fire Marshal does not receive such specific additional time or because of illness or the needs of the Fire Department is unable to take such additional tours off during the calendar year the entitlement may be carried over into and shall be taken during the immediately succeeding year but not beyond.

B. Ordered overtime authorized by the Commissioner or the Chief Fire Marshal as the Commissioner's designated representative which results in a Fire Marshal working in excess of that Marshal's normal tour of duty shall be compensable in cash at time and onehalf.

C. When Fire Marshals not continued on duty are ordered to report for court on a scheduled off-tour or a scheduled rest period, they shall be compensated for a minimum of four hours in cash at the overtime rate. The four hours of compensation shall include any travel time to which they are presently entitled.

Section 6.

When Fire Marshals are ordered to work overtime to complete required administrative duties, they shall be compensated for one hour of paid travel time at the rate of time and onehalf (11/2x).

Section 7.

The Fire Department agrees not to schedule roster staffing overtime on the following tours on the following holidays: New Years Eve: 6 x 9 tour; New Years Day: 9 x 6 and 6 x 9 tours; Easter: 9 x 6 tour; July 4th: 9 x 6 and 6 x 9 tours; Thanksgiving: 9 x 6 and 6 x 9 tours; Christmas Eve: 6 x 9 tour and Christmas Day: 9 x 6 and 6 x 9 tours.

ARTICLE IV - UNION REPRESENTATION

The elected officers of the Union shall be permitted to visit all fire units on the official business of the Union. The elected official shall announce that official's presence to the officer in command and carry out the function in a reasonable manner, subject to established labor relations and the Regulations for the Uniformed Forces.

ARTICLE V - JOB DESCRIPTION

Section 1.

The job description for firefighters shall be in Schedule A annexed hereto and made a part hereof as if fully set forth at length.

Section 2.

The current job description for Fire Marshals is annexed hereto as Schedule Aa and if a new job description is issued it shall be deemed to be annexed hereto as Schedule Aa.

ARTICLE VA - MEDICAL OFFICES

Section 1.

The City agrees to implement the recommendations of the Medical Practices Review Committee in accordance with Attachment B of this Agreement. Underlined portions of Attachment B. of the 1978-80 Agreement which have not been implemented shall be implemented forthwith. The UFA and the City shall jointly request the Medical Practices Review Committee to take whatever steps are necessary to review and make recommendations concerning the portions of Attachment B. which are not underlined.

Section 2.

A. Complaints concerning the handling of a medical matter or alleging unprofessional conduct by Medical Division personnel may be submitted in writing by the Union to the Chairman of the Medical Practices Review Committee within 15 days after the occurrence upon which the complaint is based. A copy of the complaint shall be submitted to the Chief, Bureau of Health Services of the Fire Department.

B. The Chief, Bureau of Health Services, shall issue a written determination responding to the complaint to the Union and to the Medical Practices Review Committee stating specific reasons for the determination within 5 working days after the Chief receives the complaint. If the Chief, Bureau of Health Services, rejects a complaint, or fails to answer within 5 working days, the Medical Practices Review Committee shall upon the request of the Union investigate the complaint and issue a written report to the Fire Commissioner advising the Commissioner of the facts and circumstances of the complaint and making recommendations with respect to the disposition of the complaint within 10 working days. A copy of the report and recommendations shall be sent by the Medical Practices Review Committee to the Union at the same time it is sent to the Fire Commissioner. If the Union and the Employer agree, a complaint may be investigated and a report and recommendations issued by one member of the Committee.

C. The Fire Commissioner shall issue a written determination accepting or rejecting the report and recommendations within 10 working days after the Commissioner receives them. If the Commissioner rejects all or any portion of the report or recommendations, the Commissioner shall state the reasons for rejections in writing as part of the determination. Copies of the determination of the Fire Commissioner shall be sent upon issuance to the Union and the Chairman of the Medical Practices Review Committee.

D. This Section shall not expand or reduce any rights previously held by the parties. The determinations of the Chief, Bureau of Health Services, the Medical Practices Review Committee and the Fire Commissioner shall not be subject to review under the grievance procedure of this Agreement, and do not create any judicially enforceable rights. They are not intended as an adjudication of the rights of the parties or to create judicially admissible evidence.

Section 3.

After receiving written authorization from the Personnel Division to obtain copies of his medical records, an employee shall between the hours of 1 p.m. and 3 p.m., Monday through Friday, excluding holidays, present the authorization to the Medical Division and shall be provided at that time with copies requested.

ARTICLE VI - SALARIES

Section 1. Salary Rates

A. During the term of this Agreement, the following basic amounts shall prevail for firefighters hired prior to January 17, 2006:

Grade-Service	Effective 6/1/02	Effective 6/1/03	Effective 8/1/04	Effective 8/1/05
Basic max – First Grade (after 5 years)	56,750	59,588	61,376	63,309
Second Grade	46,885	49,229	50,706	52,303
Third Grade	44,692	46,927	48,335	49,858
Fourth Grade	42,604	44,734	46,076	47,527
Fifth Grade	40,617	42,648	43,927	45,311
Sixth Grade	38,722	40,658	41,878	43,197

B. Effective after the first class of 2006, the Firefighter new hire salary schedule shall be:

Basic-max (after 5.5 years)	63,309
First Grade with 5-year longevity	48,854
Second Grade - after 4.5 years	46,854
Third Grade - after 3.5 years	44,091
Fourth Grade - after 2.5 years	40,373
Fifth Grade - after 1.5 years	36,123
Sixth Grade - after 13 weeks	32,700
First 13 weeks	25,100

C. During the term of this Agreement, the following base salary rates shall prevail for employees upon date of promotion to Fire Marshal:

	6/1/02	6/1/03	8/1/04	8/1/05
First Grade	63,561	66,739	68,741	70,906
Second Grade	51,569	54,147	55,771	57,528
Third Grade	49,113	51,569	53,116	54,789
Fourth Grade	46,773	49,112	50,585	52,178
Fifth Grade	44,549	46,776	48,179	49,697
Sixth Grade	42,428	44,549	45,885	47,330

Section 2. Longevity

Longevity pay shall continue to be paid to Fire Marshals and First Grade Firefighters as follows:

With 5 years of service.....$2,000
With 10 years of service.....$3,000
With 15 years of service.....$4,000
With 20 years of service.....$5,000

The adjustment after the 5th and 10th years shall not be computed as salary for pension purposes until after completion of 20 years of service.
The adjustment after the 15th and 20th years shall not be computed as salary for pension purposes until after completion of 25 years of service.

In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments. Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

B. The calculation of night shift differential payments shall be based only upon the applicable amounts of night shift differential provided prior to July 1, 1989.

C. ITHP and pension benefit calculations shall only include the amount of the longevity payment that is pensionable.

Section 3. Differential

A differential in the amount equal to 2.05% of the employee's hourly base salary shall be paid for time spent actually performing chauffeur or tillerman duties pursuant to the terms as agreed upon by the parties.

Section 4. Holidays

Holidays - Each employee shall receive eleven paid holidays annually.

Section 5. General Wage Increase

a. Effective June 1, 2002, incumbent Employees shall receive a general wage increase of five percent (5%).

b. Effective June 1, 2003, incumbent Employees shall receive a general wage increase of five percent (5%).

c. Effective August 1, 2004, incumbent Employees shall receive a general wage increase of three percent (3%).

d. Effective August 1, 2005, incumbent Employees shall receive a general wage increase of three and fifteen hundredths percent (3.15%).

e. The increases provided for in this Section shall be calculated as follows:

i. The general increase in Section 5(a) shall be based upon the base rates (including salary and salary step schedules) in effect on May 31, 2002.

ii. The general increase in Section 5(b) shall be based upon the base rates (including salary and salary step schedules) in effect on May 31, 2003.

iii. The general increase in Section 5(c) shall be based upon the base rates (including salary and salary step schedules) in effect on July 31, 2004.

iv. The general increase in Section 5(d) shall be based upon the base rates (including salary and salary step schedules) in effect on July 31, 2005.

v. Notwithstanding the provisions set forth in this Section, the appointment rate for any Employee newly hired after the first class of calendar year 2006 shall be in accordance with the new hire rates in Section 1.B. of this Article.

Section 6.

If another uniform collective bargaining unit has an adjustment made to their salary schedule outside of the collective bargaining or arbitration process during the term of this agreement, then the parties shall reopen this agreement for the purposes of discussing that issue.

Section 7.

Paychecks shall be distributed to the employee's unit by 6:00 P.M. but not before 3:00 P.M. on the Thursday preceding payday.

ARTICLE VII - TEMPORARY ASSIGNMENTS

Whenever an Employee is assigned to the duties of a higher rank (i.e., Officer, Marine Engineer or Pilot) for more than two hours in any tour, that Employee shall be paid in cash for the entire tour at the rate of pay for the higher rank in which that Employee served, even though the Department may replace that Employee at any time with an appropriate Officer, provided that if the Employee is replacing a Fire Officer who is attending an authorized meeting of a certified labor organization as a delegate, the Employee shall be paid in cash at the rate of pay for the higher rank in which that Employee served only for the actual number of hours so served. The intent is that the Department shall have two hours to obtain an Officer, Marine Engineer or Pilot qualified in the higher rank. Payment shall be made within a reasonable time.

ARTICLE VIII - NIGHT SHIFT DIFFERENTIAL

Section 1.

There shall be a 10% differential continued for all work actually performed between the hours of 4:00 P.M. and 8:00 A.M., provided that more than one hour is actually worked after 4:00 P.M. and before 8:00 A.M.

Section 2.

A. In lieu of the payments required by Article VIII, Section 1, of this Collective Bargaining Agreement, the employer shall pay all employees except those probationary Firefighters who are attending the Probationary Firefighters' School, pro rata, an annual amount equal to 5.7 percent of the sum of each such employee's base annual salary rate plus longevity adjustments. This benefit shall be computed on the basis of the rates set forth in Article IV, including longevity adjustments, for all Firefighters and Fire Marshals.

B. For all employees hired after September 30, 1994:

1. No night shift differential shall be paid those employees during their first six months of service.

2. Thereafter, 90% of the night shift differential as described in Section 2.A. of this Article earned by a similarly situated employee hired prior to October 1, 1994 shall be paid until the employee reaches Fifth Grade after one year.

ARTICLE IX - SECURITY BENEFIT FUND

A.

1. Effective January 1, 2005, the City shall continue to contribute the pro-rata annual amount $1,425 for each full-time employee for remittance to the mutually agreed upon security benefit fund, the Security Benefit Fund of the Uniformed Firefighters Association, pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel. Such payment shall be made pro rata by the City each twentyeight days.

2. Effective January 1, 2005, the City shall continue to contribute the pro-rata annual amount $1,575 for each retired employee for remittance to the mutually agreed upon security benefit fund, the Security Benefit Fund of the Uniformed Firefighters Association, pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

3. Pursuant to its commitment, the UFA will continue to provide benefits to employees' domestic partners.

B. Effective January 1, 1995, employees who have been separated from service subsequent to December 31, 1970, and who were covered by the Security Benefit Fund of the Uniformed Firefighters Association at the time of such separation pursuant to a supplementary agreement between the City and the UFA shall continue to be so covered, subject to the provisions of Section 1A and 1B hereof, on the same contributory basis as incumbent employees. Contributions shall be made only for such time as said individuals are eligible to be primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such Program.

C. Firefighters Health and Safety Fund

Effective January 1, 1995, the City shall continue to contribute $75 per annum for each active Employee to the Welfare Fund (Security Benefit Fund) to an established Health and Safety Fund pursuant to the terms of a supplemental agreement between the City and Union as approved by the Corporation Counsel. While these funds shall be administered by the applicable Welfare Fund, they are to be maintained in a separate account and shall not be commingled with the other monies received by the Welfare Fund. Only the $75 provided above may be used for the Health and Safety Fund. No additional monies from the Welfare Fund may be used for the Health and Safety Fund.

Upon execution of a new supplemental agreement between the City of New York and the Union, subject to approval by the Corporation Counsel, the $75.00 pro-rata per annum contribution to the Health and Safety Fund shall cease and shall be converted to a $75.00 pro-rata per annum increase for active employees to the Welfare Fund (Security Benefit Fund.) In addition, the existing corpus of the Health and Safety Fund referred to above shall be transferred to the Welfare Fund (Security Benefit Fund) for active employees.

D. Such payment shall be made pro-rata by the City every twenty-eight (28) days.

ARTICLE X - HEALTH AND HOSPITALIZATION BENEFITS

Section 1.

The City shall continue to provide a fully paid choice of health and hospitalization insurance plans for each employee, not to exceed 100% of the full cost of HIP-HMO on a category basis. There will be an annual reopening period during the term of this Agreement for active employees to exercise their choice among medical plans.

Where an employee is suspended without pay for disciplinary reasons, the employee shall continue to receive health and hospitalization benefit coverage during the period of suspension.

Section 2.

Retirees shall continue to have the option of changing their previous choice of Health Plans. This option:

(a) shall be a one-time choice;
(b) shall be exercised only after one year of retirement;
(c) can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three months after the month in which the application has been received by the New York City Health Insurance Program.

Effective with the reopener period for Health Insurance subsequent to January 1, 1980 and every two years thereafter retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

Section 3.

A. Effective July 1, 1983 and thereafter, the City's cost for each employee and each retiree under age 65 shall be equalized at the community rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family e.g. the Blue Cross/GHI-CBP payment for family coverage shall be equal to the HIP/HMO payment for family coverage.

B. If a replacement plan is offered to employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided in Section 3a, the City shall not bear the additional costs.

C. The City (and other related Employers) shall continue to contribute on a City employee benefits program-wide basis the additional annual amount of $30 million to maintain the health insurance stabilization reserve fund which shall be used to continue equalization and protect the integrity of health insurance benefits.

The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the Blue Cross/GHI-CBP plan; and, if sufficient funds are available, to fund new benefits.

The health insurance stabilization reserve fund shall be credited with the dividends or reduced by the losses attributable to the Blue Cross/GHI-CBP plan.

D. Pursuant to paragraph 7 of MLC Health Benefits Agreement, notwithstanding the above, in each of the fiscal years 2001 and 2002, the City shall not make the annual $35 million contributions to the health insurance stabilization fund.

E. With respect to section 12f of the MLC Health Benefits Agreement, the Welfare Fund contributions shall be made on behalf of the families who qualify for health insurance coverage under Section 12-126(b)(2) of the Administrative Code. The cost of providing this benefit shall be funded solely by the Health Insurance Stabilization Fund.

F. In the event that there is a Citywide or program-wide health insurance package which exceeds the cost to the equalization and stabilization fund described above, the parties may negotiate reconfiguration of this package which in no event will provide for costs in excess of the total costs of this Agreement as set forth herein. However, it is understood that the UFA will not be treated any better or any worse than any other Union Participating in the Citywide or Program-wide Health Program with regard to increased health insurance costs.

Section 4. Health Care Flexible Spending Account.

a. A flexible health care spending account shall be established after July 1993 pursuant to Section 125 of the IRS Code. Those employees eligible for New York City health plan coverage as defined on page 32, section 4(B) of the 1992 New York City Health Summary Program Description shall be eligible to participate in the account. Participating employees shall contribute at least $260 per year up to a maximum of $5,000 per year. Said contribution minimum and maximum levels may be modified by the MLC Health Advisory Committee based on experience of the plan. Any unfunded balance may be deducted from final salary payments due an employee.

b. Expenses of the account shall include but not be limited to deductibles, co-insurance, co-payments, excess expenses beyond plan limits, physical exams and health related transportation costs for vision, dental, medical and prescription drug plans where the employee and dependents are covered. In no case will any of the above expenses include those non-deductible expenses defined as non-deductible in IRS Publication 502.

b. An administrative fee of $1.00 per week for the first year shall be charged for participation in the program. An employee's participation in the account is irrevocable during a plan year. At the close of the plan year any excess balance in an employee's account will not be refunded.

ARTICLE XI - ANNUITY FUND

Effective June 1, 2000, the City shall continue to contribute for each Firefighter and Fire Marshal, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such Firefighter or Fire Marshal is paid by the City, which amount shall not exceed $522.00 per annum for each Firefighter or Fire Marshal in full pay status in the prescribed twelve month period. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to the Uniformed Firefighters Association Compensation Accrual Fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

Effective May 31, 2002, the total annual contribution for each Firefighter shall not exceed $1,044.

Effective May 31, 2002, the total annual contribution for each Fire Marshal shall not exceed $1,566.

Effective after the first class of 2006, new employees in the first 1.5 years of service shall receive an additional $1,150 annuity contribution on an annual basis.

ARTICLE XII - VACATION AND LEAVE

Section 1.

A. Effective July 1, 1997, the yearly annual leave accrual shall be increased by 39 hours. Such accrual shall be implemented as follows: effective calendar year 1997 - two 9 hour tours; effective calendar year 1998 - 39 hours. Each Firefighter hired prior to July 1, 1988 shall be entitled to vacation leave as prescribed in the annual Leave Allowance Program for the Fire Department, as established by the Board of Estimate Resolution-6/27/57-(Cal. No. 580) as amended to date, and in Regulations for the Uniformed Force. Annual Leave Credit shall be pro-rated each year for Firefighters appointed after January 1.

B. Each Firefighter hired prior to December 31, 1992 (inclusive) shall be entitled to vacation leave as prescribed in the annual Leave Allowance Program for the Fire Department, as established by the Board of Estimate Resolution-6/27/57-(Cal. No. 580) as amended to date, and in Regulations for the Uniformed Force. Annual Leave Credit shall be pro-rated each year for Firefighters appointed after January 1.

An annual leave allowance, based on service in the Department, shall be granted to members in accordance with the following:

SERVICE	ANNUAL LEAVE ACCRUAL	MONTHLY ACCRUAL
5 years and over	210 hours (10-9 hr. tours; 8-15 hr. tours)	17.5 hours

Effective January 1, 2006, the annual leave allowance shall be as follows:

SERVICE	ANNUAL LEAVE ACCRUAL	MONTHLY ACCRUAL
5 years and over	195 hours (10-9 hr. tours; 7-15 hr. tours)	16.25 hours

Vacations shall be in accordance with a nine-group chart which is hereby incorporated by reference and made a part of the agreement.

C. Each Firefighter hired after December 31, 1992 shall be entitled to vacation leave as prescribed in the annual Leave Allowance Program for the Fire Department, as established by the Board of Estimate Resolution-6/27/57-(Cal. No. 580) as amended to date, and in Regulations for the Uniformed Force. Annual Leave Credit shall be pro-rated each year for Firefighters appointed after January 1.

An annual leave allowance, based on service in the Department, shall be granted to members in accordance with the following:

SERVICE	ANNUAL LEAVE ACCRUAL	MONTHLY ACCRUAL
6 years and over	210 hours (10-9 hr. tours; 8-15 hr. tours)	17.5 hours
5 years	177 hours (8-9 hr. tours; 7-15 hr. tours)	14.75 hours
3 years and 4 years	114 hours (6-9 hr. tours; 4-15 hr. tours)	9.5 hours
1 year and 2 years	72 hours (3-9 hr. tours; 3-15 hr. tours)	6 hours

Effective January 1, 2006, the annual leave allowance shall be as follows:

SERVICE	ANNUAL LEAVE ACCRUAL	MONTHLY ACCRUAL
6 years and over	195 hours (10-9 hr. tours; 7-15 hr. tours)	16.25 hours
5 years	162 hours (8-9 hr. tours; 6-15 hr. tours)	13.5 hours
3 years and 4 years	99 hours (6-9 hr. tours; 3-15 hr. tours)	8.25 hours
1 year and 2 years	57 hours (3-9 hr. tours; 2-15 hr. tours)	4.75 hours

Vacations shall be in accordance with a nine-group chart which is hereby incorporated by reference and made a part of the agreement.

Section 2.

Present practice regarding annual leave for Fire Marshals shall continue, except that as of January 1, 2006, Fire Marshals will be entitled to 211 hours of annual leave per year, accrued at a rate of 17 hours and 35 minutes per month.

Section 3.

A. If an employee does not receive, or because of illness or the needs of the Fire Department, is unable to take all or part of that employee's vacation in a calendar year, that employee may be entitled to carry the unused portion over into and take such unused portion during the succeeding year but not beyond.

B. An employee's annual leave shall be changed to sick leave during a period of verified hospitalization or if that employee is seriously disabled but not hospitalized while on annual leave. The medical leave provided herein shall be administered in the same way as the medical leave program for employees who are not on leave. The Department's decision shall be final in granting leave under this paragraph provided, however, that complaints concerning the refusal of the Chief Medical Officer to change an employee's annual leave to sick leave may be submitted to the Medical Practices Review Committee as complaints pursuant to Article VA, Section 3 of this Agreement.

Section 4.

Excused time accorded to all other personnel employed by the City such as excusals for the Dr. Martin Luther King, Jr. and the Senator Robert F. Kennedy funerals and the Moon Landing Observation Day, shall be granted equally to employees covered by this Agreement. Employees not accorded the day off shall be credited with compensatory time off.

Section 5.

Compensatory days shall be subject to the exigencies of the Department. Where any employee is entitled to receive a compensatory day and is denied the request of that employee's choice of a compensatory day, that employee shall have the right, in accordance with existing procedures, to take such compensatory time subsequently, or, subject to the discretion of the Department, receive cash, at straight time, for the applicable period in which event payment shall be made as soon as possible.

Section 6.

Any employee who is on light duty as a result of a line of duty illness or injury and who has not yet taken that employee's vacation shall not be required to take the vacation while that employee is continued on light duty.

Rescheduling of any such vacation shall be subject to the exigencies of the Department.

Section 7.

Before commencing duty with a new group, a Firefighter who has completed working two 9-hour or two 15-hour tours and who is entitled to a 48-hour or a 72-hour leave shall be permitted to complete the full 48-hour or 72-hour leave.

Section 8.

The Fire Department agrees to make its best efforts to promulgate the vacation chart at least ninety (90) days prior to January 1st of each year.

ARTICLE XIII - SAFETY STANDARDS AND EQUIPMENT

Section 1.

The Department shall establish minimum safety standards for all Firefighting and Fire Marshal vehicles, consistent with the standards of the State Motor Vehicle Bureau for comparable vehicles, and shall have annual inspections to insure the maintenance of these standards.

Section 2.

The assigned Engine or Ladder Chauffeurs, in the presence of the House Watchperson, shall notify the Company Officer of defects in apparatus so that an inspection of the apparatus may be undertaken and a recording of the Officer's findings made in the Company Journal pursuant to Chapter 13.2.6 of the Fire Department's Regulations.

Section 3.

When a company receives new equipment, replacement equipment, equipment repaired by the Division of Repair and Transportation, and when equipment is repaired in quarters by a mechanic, the Officer on duty shall inspect such equipment to insure that it is in proper working order. Such officer shall make a signed notation in the Company Journal regarding the results of such inspection.

Section 4.

In selecting chauffeurs and tillerpersons, the Department recognizes the importance of seniority (measured by time in the rank) provided the senior applicant has the ability and qualifications to perform the work. However, the Department's decision is final.

Section 5.

A medical expert designated by the UFA and a representative designated by the Fire Department shall meet to develop procedures to monitor Firefighters and Fire Marshals who may be exposed to hazardous materials.

ARTICLE XIV - FACILITIES

Section 1.

All quarters shall have adequate heating, hot water, sanitary and sanitation facilities and Fire Marshal quarters shall have adequate desks, telephones and locker space.

Notice of any claimed violation shall be given to the Department. If the Department does not correct the claimed violation within a reasonable time the Union may file a grievance at Step III of the grievance procedure.

Section 2.

When it is anticipated that a fire house or Fire Marshal quarters will be without heat (during the heating season), water, power or sanitation facilities for the duration of a tour or longer the Department will relocate affected companies or Fire Marshal units to an alternate location until the condition is corrected.

ARTICLE XV - TRANSPORTATION

The Department recognizes its responsibility to provide transportation to and from fires and in emergencies. When transportation is not made available, and an employee is authorized to use and uses that employee's personal car, that employee shall be paid $1.75 for that use. Payment shall be made within a reasonable time.

ARTICLE XVI - VACANCIES

The Department shall periodically list vacancies in Department Orders. In filling vacancies, the Department recognizes the importance of seniority (measured by time in the Department) provided the senior applicant has the ability and qualifications to perform the work involved. However, the Department's decision is final.

ARTICLE XVII - INDIVIDUAL RIGHTS

Preamble.

It is the policy of the Fire Department of the City of New York to secure for all employees their rights and privileges as citizens in a democratic society, consistent with their duties and obligations as employees of the Fire Department and the City of New York. To further the administration of this policy, the following guidelines are established:

Section 1.

Interrogations, interviews, trials and hearings conducted by duly authorized representatives of the Fire Department shall be conducted during reasonable hours, preferably when an employee is on duty. If an interrogation, interview, or hearing takes place when an employee is not on duty, that employee shall be compensated by cash payment for the time spent, including two hours of travel time, at the rate of time and one-half. If a trial takes place when an employee who is a witness is not on duty, that employee shall be compensated by cash payment for the time spent including two hours of travel time, at the rate of time and one-half. If a trial takes place when an employee who is an accused is not on duty, that employee shall be compensated by cash payment for the time spent, including two hours of travel time, at the rate of straight time, unless the trial was postponed by the accused for that employee's convenience or for the convenience of that employee's counsel and/or that employee's union representative, in which case the accused shall receive no compensation.

Section 2.

At the time an employee is notified to appear for interrogation, interview, trial or hearing at Department headquarters, the Fire Department shall advise that employee either in writing, when practicable, or orally to be later confirmed in writing of (1) the specific subject matter of such interrogation, interview, trial or hearing; and (2) whether that employee is a suspect or non-suspect. If notified orally, the employee shall be given a written notice before the interrogation, interview, trial or hearing.

Section 3.

Notice of trial shall be in writing at least ten (10) days in advance of such trial, unless the employee waives such notice or unless that employee applies or has applied for a service retirement.

Section 4.

The employee who is the subject of interrogation, interview, trial or hearing shall be advised of the name, rank, and unit of the officer in charge of the interrogation, interview, trial or hearing and of the name, rank and unit or other identification of all persons present connected with the interrogation, interview or hearing. The questioning of employees shall be of reasonable duration and the employee shall be allowed time for personal needs, meals and necessary telephone calls. Offensive or profane language shall not be used, nor shall the employee be threatened for failure to answer questions nor promised anything if the member does answer questions.

Section 5.

When an employee is a suspect in a departmental investigation or trial, the officer in charge of the investigation shall give the employee the following warning before the member is questioned:

> I wish to advise you that you have all the rights and privileges guaranteed by the Laws of the State of New York and the Constitution of this State and the United States, including the right not to be compelled to incriminate yourself. You have the right to an attorney present if you wish. I wish to further advise you that if you refuse to answer any questions relating to the performance of your duties, you will be subject to dismissal from your employment with the City. However, if you do answer questions, neither your answers nor any information or evidence which is gained by reason of such answers can be used against you in any criminal proceeding. You are advised, however, that if you knowingly make any false answers or deceptive statements, you may be subject to criminal prosecution and disciplinary action by reason thereof.

Such employee shall be advised of the right to union representation. When the interrogating officer is advised by the employee that the member desires the aid of counsel and/or a union representative, the interrogation shall be suspended and the employee shall be granted a reasonable time to obtain counsel and/or a union representative, which time shall not be less than twenty-four (24) hours.

If it appears that the investigation may result in a disciplinary proceeding based on the employee's answer to questions or on the employee's refusal to answer, a stenographic or electronic record of the questioning of the employee shall be made unless the exigencies of the situation prevent such recording.

In the event that an employee is subject to charges by the Department, any such record shall be made available to the employee or the employee's representative. The cost of the recording shall be shared equally by the parties.

Section 6.

A. An employee shall not be questioned by the Fire Department on personal behavior while off-duty and out of uniform except that the Department shall continue to have the right to question an employee about personal behavior while off-duty and out of uniform in the following areas:

i. matters pertaining to official department routine or business;
ii. extra departmental employment;
iii. conflict of interest;
iv. injuries or illnesses;
v. residency;
vi. performance as a volunteer firefighter;
vii. loss or improper use of department property.

B. If an employee alleges a breach of subdivision A of this section 6, the member has the right to a hearing and determination by the Impartial Panel within 24 hours following the claimed breach.

To exercise this right, the employee must request such determination at the time when an Official of the Department asks questions in an area which is disputed under subdivision A of this section. If the employee requests such determination, the member shall not be required to answer such questions until the Impartial Panel makes a determination.

Section 7.

All employees are reminded that failure to answer relevant questions may result in disciplinary action including dismissal from the Department.

Section 8.
In the course of an investigation or interrogation, an employee who is not a suspect is required to cooperate in the investigation of a complaint. Statements the member has made in the course thereof may not be used against the member in a subsequent proceeding in which the member becomes a suspect.

Section 9.

If an employee is found not guilty in a disciplinary hearing, the record of the proceedings shall not become part of that employee's personal record. An employee who is found not guilty shall have the right to examine that employee's personal record in the presence of an official of the Department after written request to the Department to ascertain compliance.

Section 8.

If the Department fails to comply with the provisions of this Article, any questions put to the employee shall be deemed withdrawn and the refusal to answer any such questions shall not be prejudicial to the employee. Withdrawal as herein described shall not preclude the Department from proceeding anew in the manner prescribed herein.

Section 9.

The employee shall have the right, at that employee's own expense, to have that employee's physician consult with the Department Medical Board after the examination and interview of the employee, but before the Departmental Board completes its record and makes its recommendation. Present practice regarding filing of medical statements and documentation shall continue.

Section 10.

If an employee is subpoenaed to testify before a governmental body up to a maximum of two employees "per day" in a proceeding, the employee shall be compensated by cash payment for the time spent testifying, plus two hours travel time, provided that no compensation be paid unless the employee notifies the Department that employee has received a subpoena within 72 hours after that employee has received it; or as soon as that employee has received it if the return date is within 72 hours thereafter. Any amounts received by the employee as witness fees shall be deducted from compensation received by the employee from the Department pursuant to this Section.

ARTICLE XVIII - GRIEVANCE PROCEDURE

Section 1.

A grievance is defined as a complaint arising out of a claimed violation, misinterpretation or inequitable application of the provisions of this contract or of existing policy or regulations of the Fire Department affecting the terms and conditions of employment. A direct order by a Superior Officer, under all circumstances, must be carried out and objections raised at a later date through the formal grievance procedure. Prior to the formal presentation of the grievance, every effort shall be made to find ways and means of identifying and removing the cause of the grievance by discussions with the employee's immediate superior. In the event that any employee and/or the Union shall present a grievance, such grievance shall be handled in the following manner:

STEP I. A. Within 120 days following the date on which the grievance arose, an aggrieved employee shall initiate the grievance, in writing, on the prescribed form to the Company Commander. The determination of the Company Commander passing on the grievance shall be in writing and a report shall be forwarded on the prescribed form to the Fire Commissioner, the aggrieved employee and the Company Delegate within five (5) days after the submission of the grievance. If the grievance is not resolved to the satisfaction of the aggrieved employee, the employee shall have the right to process the grievance to the next step in the grievance procedure.

B. The Company Delegate shall be the employee's representative at the first step in the grievance procedure.

STEP II. A. An appeal from the Company Commander's determination at Step I shall be forwarded in writing on the prescribed form to the Borough Commander within five (5) days after the aggrieved employee receives a copy of the Company Commander's determination.
The Borough Commander shall schedule a Step II meeting which shall take place within seven (7) days after the filing of an appeal.

The Company Commander and the Battalion Chief on duty in the employee's Battalion on the date of the proposed meeting shall be notified of the meeting and directed to attend. The Borough Commander may direct the attendance of any subordinate officer or other witness within the Department, and shall consider any request by the grievant or the Union to direct the attendance of witnesses at the Step II meeting.

The determination of the Borough Commander passing upon the Step I appeal shall be in writing and a report shall be forwarded on the prescribed form to the Fire Commissioner, the aggrieved employee and representative within three (3) days after the hearing. If the grievance is not resolved at Step II, the aggrieved employee has the right to proceed to the next step in the grievance procedure.

B. A member of the Union's Executive Board shall be the employee's representative at the second step in the grievance procedure.

STEP III. A. An appeal from the Borough Commander's determination at a Step II meeting must be forwarded in writing on the prescribed form to the Fire Commissioner within five (5) days after receipt by the aggrieved employee and the Union of a copy of the Borough Commander's determination. The Commissioner, the Chief of the Department and the Chief-in-Charge Bureau of Personnel and Administration and/or their designees and the aggrieved employee and representative shall meet within ten (10) days of the receipt of the appeal from the Borough Commander's decision at Step II. The parties shall work for a satisfactory resolution of the grievance through conference, negotiations and agreement. The Commissioner shall within five (5) days of the Step III meeting issue a determination, in writing, to the aggrieved employee and representative.

B. A member of the Union's Executive Board shall be the employee's representative at the third step of the grievance procedure. No more than four (4) members of the Executive Board are to attend a Step III meeting.

STEP IV. If, after completion of all of the steps provided for above, the grievance has not been resolved, the Union solely shall have the right to bring such grievance to the Impartial Panel for arbitration in accordance with the applicable provisions of the New York City Collective Bargaining Law and Consolidated Rules promulgated by the Office of Collective Bargaining with respect to arbitration. Notice of the union's intent to proceed to arbitration shall be served on the Commissioner of Labor Relations within ten (10) days of receipt by the union of the decision of the Commissioner or designated representative. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined as a "grievance" herein. The Employer shall commence such arbitration by submitting a written request therefor to the Impartial Panel, with a copy to the Union, and the matter shall proceed in accordance with the Consolidated Rules of the Office of Collective Bargaining. The Impartial Panel shall hold a hearing within ten (10) days after the Panel receives a request for arbitration at a time and place convenient to the parties, and the Panel shall issue an award within ten (10) days after the completion of the hearing.

Section 2.

The time limits contained in this Article may be modified by mutual agreement. Any grievance decision not appealed within the time limits prescribed in this agreement after receipt of the determination of the appropriate department official shall not be subject to further appeal.

In the event that the Department or the City fails to comply with the time limits prescribed herein, the grievance automatically shall be advanced to the next step.

Section 3.

It is understood and agreed by and between the parties that there are certain grievable disputes which are of a department level or of such scope as to make adjustments at Step I and Step II of the grievance procedure impracticable, and, therefore, such grievance shall be instituted at Step III of the grievance procedure. The Union may petition the Impartial Panel for leave to file a grievance involving potential irreparable harm concerning safety and health directly at Step IV. The Impartial Panel shall have the power to permit such grievance at Step IV for good cause shown or direct said grievance to be instituted at Step III. If the Impartial Panel determines that the grievance may be properly filed directly at Step IV, the City retains its right to assert all defenses which may be properly raised at Step IV.

Section 4.

When possible, every effort shall be made to hold grievance hearings when a union representative involved is on duty. However, time lost by union representatives and aggrieved employees shall not be compensable.

Section 5.

Grievances raised by Fire Marshals shall be processed according to the Grievance Procedure set forth in this Article except as follows:

A. In Step I, grievances shall be forwarded to the Deputy Chief Fire Marshal in charge of the member's base.

B. In Step II, appeals shall be forwarded to the Chief Fire Marshal.

Section 6.

A copy of every Borough policy directive shall be sent to the Union when issued. If the Union informs the Department that the Union believes that the Borough policy directive is in violation of the terms of this agreement or of existing policy or regulations of the Fire Department affecting the terms and conditions of employment, the Borough policy directive shall be considered official department policy, unless the department modifies or revokes such Borough policy directive prior to its effective date.

Section 7.

Whenever the Department intends to alter an existing policy or program or to establish a new policy or program, the Department shall give the union at least fourteen (14) days notice of the intended change or new implementation, except in situations when the Department must act more quickly because of emergency or other good cause. The Department shall use its best efforts to notify the union of the intended change between the hours of 9:00 A.M. to 5:00 P.M., and shall endeavor to provide said notice electronically. This shall not affect the Department's right to implement or change such policies or programs nor the union's right to oppose such programs.

ARTICLE XIX - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union recognize that cooperation between labor and management is indispensable to the accomplishment of sound and harmonious labor relations and agree to jointly maintain and support a Labor-Management Committee ("Committee").

Section 2.

The Committee shall consider and may recommend to the Fire Commissioner changes in working conditions of the employees, including, but not limited to, health and safety issues. Matters subject to the grievance procedure contained in this Agreement shall be appropriate items for consideration by the Committee, but submission of a matter to the Committee shall not affect the right to grieve the matter.

Section 3.

The Committee shall consist of six members. The Fire Commissioner and the President of the Union shall each select three members, and may designate an alternate for each member authorized to act in the absence of a member. Members shall serve for the term of this Agreement, provided, however, that the appointing party may remove members that party has appointed at any time. Vacancies shall be filled by the appointing party.

Section 4.

The Committee shall select a Chair from among its members at each meeting. The chairship of the Committee shall alternate between the members designated by the Fire Commissioner and the members designated by the President of the Union. A quorum shall consist of a majority of the total membership of the Committee. The Committee shall meet at the call of either the Union members or the City members at times mutually agreeable to both parties. A written agenda of matters to be discussed shall be provided by the party calling the meeting at least one week in advance of the meeting, and the other party shall provide any additions to the agenda at least one day in advance. Minutes shall be kept of each meeting with responsibility for keeping minutes alternating between the members designated by each of the parties. Copies of minutes shall be typed and promptly distributed to all members of the Committee. The Committee shall make its recommendations to the Fire Commissioner in writing.

Section 5.

The Department and the union shall use their best efforts to schedule two (2) labor-management committee meetings per month.

ARTICLE XX - DELEGATES

The Union may designate a delegate for each company or special unit with 10 or more Firefighters or Fire Marshals who shall be the representative of the Union. Where there are more than 25 Fire Marshals in a location, the Union may designate additional delegates in a ratio of one delegate for each additional 25 Marshals at such location. The delegate shall perform the regular duties as an employee. A mutual made by a delegate to enable the delegate to attend a Union meeting shall be considered a variance and shall be exempt from the then-existing mutual policy.

The Fire Department shall make every effort to assist Company Delegates in providing coverage whenever Delegates are excused to attend UFA meetings. Only members who are available to perform duty at straight time salary shall be selected to replace Delegates whether selected by the Fire Department or an individual Delegate.

ARTICLE XXI - NO STRIKE

The Union and the Employees shall not induce or engage in any strikes, slowdowns, work stoppages or mass absenteeism nor shall the Union induce any mass resignations during the term of the Agreement.

ARTICLE XXII - IMPARTIAL PANEL

As soon as practicable after the execution of this Agreement, a permanent rotating Panel of a minimum of three (3) Arbitrators shall be established, drawn from the official panel of the Office of Collective Bargaining, as agreed to by both parties, to act during the term of this Agreement. The members of the Panel shall be assigned on a rotating basis to arbitrate in all instances where arbitration is called for under the terms and conditions of this Agreement.

The assigned Arbitrator shall hold a hearing at a time and place convenient to the parties and a transcript shall be taken unless the taking of a transcript is waived by both parties. The arbitrator shall attempt to issue an award within ten (10) days after the completion of the hearing.

Should any member(s) of the three-person rotating Impartial Panel resign, refuse to act or be incapable of acting or should any of the offices become vacant for any reason, the parties shall immediately designate another person(s) to act on such Impartial Panel. If the parties cannot agree on the successor(s), then arbitrations under the grievance procedures of this Agreement shall be held pursuant to the Consolidated Rules of the Office of Collective Bargaining.

ARTICLE XXIII - DETAILS TO OTHER UNITS

Section 1.

A. In the event that a Firefighter or Fire Marshal is detailed to a unit other than the unit to which that employee is permanently assigned, if that employee is required to report at the other unit at the start of a respective tour (e.g., 0900, 1800, etc.), that employee shall receive compensation for travel to the unit to which that employee is detailed at the rate of time and one-half for 45 minutes of travel time if the detailed unit is within the same borough as that employee's permanent unit or 1-1/4 hours if the detailed unit is in a different borough than that of that employee's permanent unit.

B. In the event that a Firefighter or Fire Marshal is detailed to a unit other than the unit to which that employee is permanently assigned and that employee cannot return to the permanent unit within a regular tour of duty (e.g. by 1800, 0900, etc.), that employee shall receive compensation for travel to the permanent unit at the same rates as stated in paragraph A hereof.

C. In any event, if the Department transports such detailed Firefighter or Fire Marshal, then that employee shall receive compensation at time and one-half only for the actual travel time outside of that employee's regular tour of duty.

Section 2.

In the event that a Firefighter is detailed for more than a single tour and is entitled to receive compensation for travel time, the Firefighter so detailed shall receive compensation for travel time in the manner prescribed in Section 1 of this Article only for the beginning of the first and the end of the last day of such detail.

Section 3.

A Firefighter or Fire Marshal shall not be eligible for compensation for travel time as provided in this Article if:

A. the detail is for a training assignment of any type or to any training location;

B. the Firefighter is detailed while on light duty status;

C. the Firefighter who is detailed is assigned to the limited service squad;

D. the Firefighter is detailed from a staffing pool;

E. the Firefighter who is detailed earns overtime on the detail;

F. the Firefighter is detailed to a company in the same quarters as that employee's own or in adjacent quarters.

Section 4.

When computing overtime compensation for travel time as required by this Article, the basic hourly rate excluding all premiums shall be used.

Section 5.

The Fire Department agrees to continue its practice of not detailing firefighters to a unit for the purpose of placing a unit on-line for CFR-D purposes.

ARTICLE XXIV - LINE-OF-DUTY DEATH BENEFIT

In the event that an employee dies because of an injury incurred through no fault of that employee's own while actually responding to, working at or returning from an alarm, a payment of $25,000 will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the estate of the deceased.

ARTICLE XXV - DEATH BENEFIT - UNUSED LEAVE AND COMPENSATORY TIME

If an employee dies while employed by the City, that employee's estate shall receive payment in cash for the following as a death benefit:

A. All unused accrued annual leave up to a maximum of 54 days credit;

B. All unused accrued compensatory time earned subsequent to March 15, 1968 which is verifiable by official Department records up to a maximum of two hundred (200) hours.

ARTICLE XXVI - PARKING FACILITIES

To the maximum extent practicable and consistent with City policy, parking spaces up to a maximum of six spaces per company, will be made available for the cars of employees adjacent to, part of, or as close as possible to firehouses, and such spaces will be marked appropriately. The Department will issue appropriate parking permits for the designated spaces. The UFA shall notify the Department, the Transportation Administration, and the Commissioner of Labor Relations of any requests for parking spaces. The City shall have 10 days to respond to such requests. If the response is a denial, it shall be specific as to the reasons. If the UFA disagrees with any such denial, it shall inform the Commissioner of Labor Relations as to the specific reasons for its disagreement, and may refer the matter to the Impartial Panel for advisory arbitration.

ARTICLE XXVII - MEAL PERIODS

In order to improve the efficiency, productivity, health and morale of Firefighters, existing practices regarding meal periods shall be modified as follows:

Each unit shall be scheduled to receive one half-hour meal period in each tour as described in AUC -Response to fires and other emergencies by a unit during its meal period shall be governed by the provisions of that circular.

ARTICLE XXVIII - OCCUPATIONAL HEALTH AND SAFETY

A. All protective gear required by the Department shall be provided without cost to the firefighter in a quartermaster system. The Department shall also provide dress uniforms and work station uniforms via the quartermaster system.
In addition, effective August 1, 2005, the City shall provide a $450 per year per firefighter cleaning allowance. This provision applies only to firefighters.

B. The City shall pay to each Fire Marshal a uniform allowance of $1,000 per annum, and effective August 1, 2005, the uniform allowance shall be $1,100 per annum, to be paid in accord with existing standard procedures.

ARTICLE XXIX - PERFORMANCE COMPENSATION

The City acknowledges that each of the uniformed forces performs an important service that reflects the diverse missions of the City's uniformed agencies. In order to reward service of an outstanding, exceptional nature, each of the uniformed agencies will establish a performance compensation program to recognize and reward such service, tailored to the unique missions of the individual uniformed agency.

The parties agree that additional compensation may be paid to employees performing outstanding, exemplary, difficult and/or unique assignments. The City will notify and discuss with each affected union of its intent to pay such additional compensation and the individuals to be compensated.

The criteria for the granting of performance-based compensation shall be based upon outstanding performance in the work assigned, and/or performance of unique and difficult work.

The performance-based compensation payments provided for in this section shall be one-time, non-recurring cash payments subject to applicable pension law. An employee can receive no more than one payment annually.

This provision shall not affect any existing productivity programs covered in any existing collective bargaining agreements. Nor shall this provision be construed to waive any obligation of the City to negotiate over future productivity programs as required by applicable law.

ARTICLE XXX - APPLICABLE LAWS

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York, as amended.

ARTICLE XXXI - SAVINGS CLAUSE

Should any part of this Agreement or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation, or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions thereof.

WHEREFORE, we have hereunto set our hands and seals this 28th day of July, 2006.

UNIT: FIREFIGHTERS

TERM: June 1, 2002 to July 31, 2006

OFFICE OF LABOR RELATIONS
REGISTRATION
OFFICIAL CONTRACT
NO: 07004 DATE: JUL 26 2006

SCHEDULE A.

JOB DESCRIPTION - FULL DUTY FIREFIGHTER

1. Fire and Emergency Operations.

Under immediate supervision of company officers a Firefighter while engaged in fire and emergency operations performs emergency duties varying from those requiring minimal individual judgment to those requiring some independent judgment but in accordance with prescribed methods and procedures. These duties are performed in responding to, working at and returning from fire and emergency operations. They shall include but are not limited to:

a) Monitoring all alarm circuits and equipment, recording of all alarms received and proper performance of housewatch duty.
b) Operation of apparatus and other automotive equipment of the department.
c) Rescue, search, ventilation, laddering, overhauling and forcible entry.
d) Stretching of hose lines, directions of streams and use of nozzles.
e) All chauffeuring duties and related duties.
f) Operations of small boats, deckhands and mariner duties on fireboats.
g) Use of tools and equipment made available for accomplishment of duties.
h) Patrolling and responding, as necessitated by fire and/or emergency conditions and fire protection needs.

2. Fire Prevention Operations.

Under normal supervision of company officers a Firefighter individually or collectively with other Firefighters, performs inspectional, investigational, educational and regulative duties in the area of fire prevention operations. These activities involve separate procedures and the making of decisions requiring individual judgment but in accordance with prescribed methods and procedures and/or direction of immediate superiors. This shall include but is not limited to:

a) Inspection of buildings, structures, tunnels, enclosures, vessels, piers, terminals, bridges, carriers, containers places or premises including fire protective equipment contained therein.
b) Dissemination of information and education to the public.
c) Investigation of perilous or fire breeding conditions.
d) Issuance of summonses, violation orders or referrals to other city agencies as required by law.
e) Recording and clerical procedures in connection with all of the above items.

This shall exclude but is not limited to:

a) Electrical inspections, except for those which create fire breeding potentials.
b) Alarm Box inspections, except in cases of emergencies affecting fire alarm circuits.
c) Clerical, other than those specifically related to required duties.

3. Quarters and Apparatus Operations.

Under general supervision of company officers a Firefighter performs routine preventive maintenance operations in areas of quarters and apparatus. Work is performed with all methods and procedures defined and duties assigned at frequent intervals under complete supervisory controls. This shall include but is not limited to:

a) Apparatus and equipment as noted in Chapter 13 of the Regulations for the Uniformed Force.
b) Company quarters as noted in Chapter 19 of the Regulations for the Uniformed Force.
c) Marine Administration Division as noted in Chapter 14 of the Regulations for the Uniformed Force.

Certain specific quarters and apparatus operations have been delegated to Civilian personnel within the civil service framework where budget authorization has been obtained. Examples of such inclusions are listed below:

a) Tire changing for heavy apparatus, as opposed to passenger vehicle type.
b) Major painting and major chipping of vessels, and major painting in quarters or for apparatus.
c) Removal of rubbish work after completion of work by contractors.
d) Major mechanical repairs, such as brake adjustments and clutch repair.
e) Assisting in contract work on Fire Department buildings.
f) Moving and vanning of furniture and equipment.

However, in an emergency situation Firefighters may be required to perform any duty assigned, including duties listed above, when the Fire Commissioner or the Chief of Department believes that the exigency of the situation requires the performance of such duties.

4. Training.

Under direct supervision of superior officers, Firefighters engage in training and drill activities to attain and maintain that degree of knowledge and skill required to perform their proper functions as Firefighters in the Fire Department of the City of New York.

5. General Department

Under normal supervision of company officers a Firefighter shall be responsive to the immediate demands of and the service function to the general public and to the lawful orders and directives of that employee's immediate supervisors and the regulations for the Uniformed Force as promulgated by the Fire Commissioner.

6. Limiting Clause

Nothing herein contained is intended to, nor shall it, contravene any law of the State and/or the City of New York or the rules and regulations of the Fire Department of the City of New York.

SCHEDULE Aa

Job Description - FIRE MARSHAL (UNIFORMED)

Duties and Responsibilities
Under supervision, performs responsible work in the investigation of the causes, circumstances and origins of fires and/or explosions; performs related work including but not limited to:

a) Looks for and examines evidence at the fire scene to determine origin and cause of fire; collects, preserves, and requests analysis of evidence; completes the required forms; directs and/or coordinates photographing fire scene and related evidence; analyzes and interprets laboratory results to determine its potential value and relevance to the investigation.
b) Performs mobile and fixed surveillance, including the use of electronic devices, to gather intelligence, to identify, locate and apprehend suspects and to locate witnesses; prepares and serves subpoenas to ensure the appearance of witnesses and production of records relevant to the investigation; administers oaths to witnesses; obtains sworn oral and/or written testimony from witnesses; interviews witnesses and/or suspects to obtain information about investigations.
c) Applies for and executes search and arrest warrants; effects arrests of suspects; transports suspect to police precinct and central booking and completes related paperwork, including On-Line-Booking Sheet.
d) Gives testimony as expert and lay witness at hearings, jury proceedings, and criminal and civil trials.
e) Operates star-wars handie-talkie and fire department's radio to receive and transmit information.
f) Makes recommendations to immediate supervisor regarding the status of investigations.
g) Coordinates investigative activities with various federal, state, local and private agencies.
h) Provides guidance and assistance to recently trained and graduated fire marshals.
i) Prepares fire investigation reports, including the completion of related forms.
j) Coordinates, prepares and manages a schedule for daily activities.
k) Maintains and safeguards personal firearms and equipment and demonstrates proficiency in the use of firearms, as required by department's policy.
l) Ensures the proper maintenance of department vehicles and equipment.

FIRE DEPARTMENT
9 MetroTech Center Brooklyn, N.Y. 11201-3857

NICHOLAS SCOPPETTA
Fire Commissioner

April 27, 2006

ATTACHMENT A

Stephen J. Cassidy, President
Uniformed Firefighters Association
204 East 23rd Street
New York, NY 10007

Re: 2002-2006 UFA Agreement

Dear Mr. Cassidy:

All overtime worked shall be paid no later than sixty days after the end of the month in which the overtime is worked. Any errors will be paid within fourteen days of the payday on which the overtime was to have been paid.

Very truly yours,

Nicholas Scoppetta
Commissioner

ATTACHMENT B

Based upon the July 28, 1978 Report of the Fire Department Medical Practices Review Committee ("Committee") the parties agree as follows:

1. The underlined portions of the annexed Recommendations of the Committee shall be implemented immediately, and all legal steps and administrative orders and directives necessary for such implementation shall be effectuated forthwith.

2. To the extent the remaining recommendations require further study, consultations, or contact with other institutions or persons, such actions shall be undertaken as soon as possible, pursued vigorously and the recommendations implemented in accordance with the result of such actions as expeditiously as possible.

3. The Ongoing Panel recommended by the Committee shall be the original Committee.

(1) Finding:

The Fire Department Medical Division in general is performing its required functions as prescribed by the Department and has the interest of the health of the members of the Department as its overall objective. Our evidence indicates that many members of the Department are in favor of retaining this service. However, the Committee finds that certain problems exist which need prompt resolution.

Recommendation:

The Fire Department Medical Division should be maintained and specific changes made as recommended below.

(2) Finding:

Some members of the Department and their Union leadership believe that the Medical Division has acted more as an arm of management's absence control efforts rather than in the interest of the health and well being of the Firefighters. This negative opinion tends to be based on a series of incidents occurring over a period of time, although it is suggested that it became accentuated in the years just prior to this administration. This negative perception is not directed against all of the medical officers, staff, or practices of the Medical Division, but tends to focus on rather specific recurrent types of incidents.

Recommendation:

It is clear to the Committee that so long as the Medical Division remains part of the Department and is responsible for fitness for duty evaluations, inevitably a conflict of interest will be perceived by some. The leadership of the Department should reinforce the need for concrete actions to reverse the negative perceptions voiced by a number of patients. Patients at all times must be addressed and treated with respect. Inappropriate professional behavior must be effectively dealt with administratively. The Department should give high priority to minimizing this perception by positive and ongoing actions. This report hopefully points to some beginning directions but cannot be the end of a new Departmental effort.

(3) Finding:

Physicians reporting to fires are sometimes delayed for a variety of reasons. Furthermore, fire calls during the day when the clinic is in session, depletes the clinic's medical staff. In addition, the areas of medical subspecialization of some of the medical officers appear not to be those urgently required at the scene of a fire.

Recommendations:

(a) Medical officers on call, particularly during the day time hours, and at times of heavy traffic congestion should not be relied upon for prompt responses to the scene of a fire or to fire houses. Their later response and night time coverage may still be desirable as a back-up resource or during a transition to the arrangements recommended below (b).

(b) Specific, preselected hospitals, preferably those with relevant tertiary care capabilities, should respond to the fire scene with physician(s); either a senior level resident or attending physician specially trained and oriented in fire injuries. A physician in internal medicine trained in cardiopulmonary problems, smoke inhalation, etc., and/or one trained to deal with trauma such as fractures, sprains, burns, etc., should respond. Consideration should be given to the possible use of the City's MERVANS, and the Emergency Medical Service should participate in planning this response system.

(c) If possible, standardized criteria should be developed to assist in more uniform medical evaluation and treatment planning.

(d) It is desirable that for every tour of duty, at each fire house a trained EMT (Emergency Medical Technician) be on duty. The member should be specifically trained in assisting at the scene of a fire in the emergency treatment and triage of common fire fighter injuries and illnesses.

(4) Finding:

On occasion Firefighters injured in line of duty have been taken to hospitals not appropriate for the specialty care they require.

Recommendation:

Specific pre-selected institutions with appropriate specialized tertiary care resources should be identified and used promptly for particular injuries - (e.g. eye injuries). If a Firefighter is initially brought to another institution and the determination made that a specialty service is required, after stabilization, the member should be promptly moved to the appropriate institution. A list of these specialty services should be made and updated annually. If the Emergency Medical Services can be of assistance in this effort they should be so involved.

(5) Finding:

On occasion there appears to be undue delay in authorizing or arranging for appropriate specialty consultation for sick or injured Firefighters.

Recommendation:

Procedures and policies should be established to assure prompt referral of any individual for specialty consultation. A relationship should be established with a number of institutions and individuals expert in their fields and capable of in depth evaluation and treatment. Where possible the consultants should be located in each borough.

(6) Finding:

The medical officers' visits to hospitals is reportedly sporadic and on occasion the patient is disturbed rather than helped.

Recommendation:

A standard procedure should be established and followed with regard to prompt and regular visits to hospitalized Firefighters. The medical officer should, in consultation with the responsible physician, review the medical records and history and make suggestions with regard to the patient's treatment, discharge or other disposition. If transfer to another facility is deemed necessary, it should be expedited. In the event of a disagreement between the responsible physician and the medical officer, the Firefighters should be advised of this and counseled as to the reason for the medical officer's recommendation. If necessary a third party specialist should be called promptly. In no event should a patient be subjected to harsh physical or mental treatment. Problem cases should be seen by the Chief Medical Officer whenever necessary.

(7) Finding:

There are certain routine policies and practices of the Medical Division and the Department that appear to be unnecessary and potentially counter-productive.

Recommendations:

(a) There do not seem to be compelling reasons for the medical officers to see Firefighters who have themselves determined that they are sufficiently recovered from an acute short term illness to return to duty. This procedure should be eliminated and replaced by self declaration by the Firefighters with the concurrence of his commanding officer.

(b) A procedure should be established to avoid frequent visits to clinic for routine check-ups in the case of intermediate term illness or injuries such as fractures or coronaries. An initial evaluation of each case and consultation with the private physician should enable the establishment of a reasonable recovery period. Toward the end of this predetermined period a re-evaluation, if necessary in person, should be performed. A weekly desk audit of these patients should be formed and appropriate appointments and consultations scheduled. Specialists selected by the Department and located in each borough could be delegated the responsibility to review and recommend duty status in their field of expertise.

(c) Uniformity requiring that a non-bedded sick or disabled Firefighter remain at home while on sick leave should be discontinued, particularly in instances of illness or injuries with prolonged recuperation periods.

(d) Surprise visits by physicians for the purpose of determining whether a Firefighter is at home should be discontinued. This "truancy" function is not an appropriate medical responsibility.

(e) The elimination of physician visits at home for purpose of return-to-duty status determination should be evaluated in a pilot study to ascertain whether this procedure in fact results in a significantly more rapid return to duty.

(8) Finding:

The Medical Division's function in review of health status and duty fitness evaluation is necessary but should not be its sole objective. The Medical Division should also provide services of primary care treatment for minor illnesses as well as certain other evaluation, treatment, rehabilitation and preventative services. These health services, if available, would result in more rapid recovery or actual avoidance of illness, injury or disability both short and long term. They would undoubtedly result in an improved perception of the Department's Medical Services. In the Committee's opinion, some of these services will be reimbursable by third party insurance.

Recommendations:

(a) Minor illness and injuries should be evaluated and treatment initiated by the medical staff. Full-time seven days a week primary care physicians and nurse practitioners or physician assistants, trained and experienced in primary care, should be selectively recruited. The current mix of subspecialists in the Department seems somewhat inappropriate and should be re-evaluated.

(b) Back ailments and other musculoskeletal problems are of high incidence in the Department. A special group of physicians and support staff (including physio-therapists) should be developed to diagnose, treat and provide rehabilitation programs. This program should be designed in consultation with individuals expert in this area. Appropriate members of the current medical staff may be suitable for assignment to this program but it will require additional expert medical and auxiliary staff. A special site will be required which could be in the clinic building. Establishing this program at another site may be considered, including the possibility of a health care institution based facility. Eventually, depending on workload, additional decentralized sites may be needed.

(c) A hypertension screening and treatment program should be developed and implemented for members of the Department, in consulting with individuals familiar with such programs. It should be staffed by appropriately trained and experienced physicians and nurse practitioners. This program could initially be situated in the clinic area, and ultimately depending on workload, may be decentralized.

(d) A cardiac evaluation and rehabilitation program modeled after existing programs should be developed. This program should be made available to members of the Department with cardiac illnesses.

(e) The physical re-examination program initiated by the Department is a commendable first step towards health maintenance. This program should be expanded to provide complete examinations and appropriate laboratory studies and should be integrated with the programs noted above.

(9) Finding:

The clinic area is physically uncomfortable and impersonal. Waiting time is often prolonged. For some members, visits to the clinic are made more difficult because of lack of nearby parking.

Recommendations:

(a) Prompt action should be given towards improving the environmental qualities of the clinic and related facilities. The waiting area should be redesigned to create a more comfortable and warm atmosphere. Some of the modern health institutions can provide suitable models.

(b) Individual scheduled or block scheduled appointments at the clinic should be implemented to avoid prolonged waiting times.

(c) If possible arrangements should be made to provide parking facilities for Firefighters when they must visit the clinic.

(10) Finding:

The organization, structure and staff utilization of the Medical Division are not optimal for the Division to accomplish its goals.

Recommendations:

(a) Serious consideration should be given to reorganizing the Medical Division consistent with the findings and recommendations of this Committee. The recruitment of an Administrator, preferably a physician, with practical experience in primary ambulatory care should be aggressively pursued. The Committee believes this would assist in the implementation of these recommendations.

(b) Nurse practitioners and/or physician assistants should be employed to serve in the clinic to assist in the work-up and examination of all patients and the staffing of the programs recommended above. Recruitment of these individuals should focus not only on their professional skills and experience but also on their ability to help create a more positive atmosphere. The current nurse utilization does not appear to provide critically needed services. The maintenance of this staff may not be essential unless they can be effectively integrated into the proposed structure.

(11) Finding:

There is need for the development of a process by which the quality of medical care provided to the members of the Department can be evaluated on an ongoing basis.

Recommendations:

(a) A systematic Departmental recording and analysis of patients' complaints should be established to evaluate progress and to permit prompt corrective action. A patient satisfaction questionnaire of the Medical Division's performance should be developed to enable regular measurement of the Medical Division's performance and to assist in making necessary changes. To the degree that expectations and practical realities do not coincide, effective communication and education must be provided.

(b) An ongoing medical care review panel independent of the Medical Division should be established to assist the Department in monitoring the quality and nature of its medical services. This panel, which should be of the nature of a medical advisory board to the Commissioner, will help assist him in evaluating the quality of medical services, recommend changes to improve these services, and help assess their implementation. The panel should meet on a regular basis (at least quarterly), and receive relevant reports and information as to the medical services provided, and make appropriate recommendations to the Commissioner. While it is not within the scope of this Committee's mandate, it is not unreasonable to suggest that some mechanism be established to assist other agencies in the ongoing evaluation of the medical services they provide to their employees.

FROM: Chief of Department

RE: Use of Department Vans and Spare Chiefs' Cars

In order to clarify existing policies regarding assignments of firefighters to operate Department Vans and Spare Chiefs' Cars whereby manning is reduced below minimum manning levels your attention is called to the following guidelines set forth in Cases Nos. A-830-79 and A-840-79.

Minimum manning may not be reduced in the following situations:

1. Messenger Duty
Department Vans and Spare Chiefs' Cars may not be used for messenger duty between command locations and firehouses when it reduces minimum manning. Non-emergency messages, including Department orders and directives, may not be carried between divisional headquarters and divisional headquarters and command headquarters by Department Vans and Spare Chiefs' Cars in a manner that reduces minimum manning.

2. Transportation of Non-Firefighting Equipment
Department Vans and Spare Chiefs' Cars may not be used to transport non-firefighting equipment between locations, including firehouses, borough and divisional headquarters and repair shops when it reduces minimum manning and no emergency requires such use.

3. Transportation of Apparatus and Equipment
Department Vans and Spare Chiefs' Cars may not be used to transport firefighting apparatus or equipment when it reduces minimum manning and no emergency exists except that firefighting equipment requiring immediate repair or replacement as a result of loss or damage during a tour are not included. Scheduled inspection, maintenance, repair or replacement on a regular basis, particularly when items are accumulated until a number of items are available or until a particular date is reached, is prohibited. Examples of this category are movement of spare apparatus to and from Department shops and accumulation of radios for repair on a regular scheduled basis.

A company that is out of service may use Department Vans and Spare Chiefs' Cars to obtain spare apparatus. However, the movement of broken down apparatus, the "jockeying" of vehicles from one location to another until the repair shop is capable of receiving those vehicles, and the return of the apparatus from the repair shop in a manner that reduces minimum manning when there is no emergency is not permissible. A company may use Department Vans and Spare Chiefs' Cars to obtain vital and unique tools essential to firefighting duties which require immediate replacement, e.g., power saws, generators and Hurst tools.

4. Delivery of Department Forms, Records, or Regular Payroll
Delivery of Department records, forms and regular payrolls among command headquarters or to firehouses which reduces minimum manning is prohibited when no emergency exists.

5. Transportation of Personnel
Department personnel and other persons may not be transported in a manner which reduces minimum manning when no emergency exists.
Routine movement of uniformed personnel for foreseeable or planned reasons, such as interviews, the transportation of firefighters from fires with non-serious injuries, when ambulances should be used, and the transportation of non-departmental personnel such as official visitors (e.g. picked-up at the airport) is not permissible. Emergency transportation of a firefighter who has suffered a serious injury at a fire for treatment even though it reduces minimum manning is permissible, but every effort should be made to transport such a firefighter by ambulance or other emergency vehicle.
Accordingly, all assignments shall be made in accordance with the foregoing.

Re: 2002-2006 UFA Agreement

Dear Mr. Cassidy:

This will confirm our mutual understanding that the parties agree to jointly support legislation to amend Section 15-111 of the Administrative Code of the City of New York, so that members of the uniformed force of the FDNY, who were New York City police officers prior to joining the Fire Department, shall no longer have their prior police service counted in determining their compensation. Upon appointment to the FDNY, they shall be considered newly appointed employees for purposes of salary and all other economic benefits (excluding pensions) – with no prior service.

Former correction officers shall be treated the same as former police officers for purposes of salary and all other economic benefits (excluding pensions) when they join the Fire Department.

If this provision is challenged, the parties shall take all reasonable steps to defend fully the lawfulness of such provision. Moreover, should the parties be unsuccessful, for whatever reason, in implementing such change, including if the provision is overturned by a judicial or administrative tribunal, the parties agree to reopen the contract to bargain over alternative savings that are equivalent in value to that which the Union was credited under this contract. In the event the parties are unable to agree, this issue may be submitted to interest arbitration for final and binding resolution.

Re: 2002-2006 UFA Agreement

Dear Mr. Cassidy:

This will confirm our mutual understanding that effective January 1, 2003, 96 hours of roster staffing overtime for UFA Board Members to be used consistent with the roster staffing agreement dated January 31, 1996.

Very truly yours,

AGREED AND ACCEPTED ON BEHALF OF THE UFA:

JAMES F. HANLEY

Re: 2002-2006 UFA Agreement

Dear Mr. Cassidy:

This will confirm our mutual understanding regarding the taxability of the Uniform Allowance for Fire Marshals. Upon execution of the parties' agreement, the parties shall establish a labor management committee to explore whether the Uniform Allowance payment for Fire Marshals can be made non-taxable.

Very truly yours,

AGREED AND ACCEPTED ON BEHALF OF THE UFA:

JAMES F. HANLEY

Re: 2002-2006 UFA Agreement

Dear Mr. Cassidy:

This is to confirm the parties' understanding with respect to assignment of Firefighters to schedules that do not conform to duty schedules as described in Article III of the parties' collective bargaining agreement. The parties' existing practices of scheduling Firefighters (line) to duties requiring schedules not in conformance with Article III of the parties' collective bargaining agreement (including those which had been the subject of the following actions: A-10691-04; A10883-05; BCB-2478-05; A-8502-00 and Index No. 1634/04 (Supreme Court of the State of New York, County of Kings)) shall continue.

The Department shall also continue to make such assignments in the following manner. Prior to any involuntary assignment, the Department shall endeavor to obtain qualified volunteers, subject to their qualifications. The involuntary assignment of a Firefighter shall be limited to one year. Extensions of such assignments shall be consistent with the existing practices not to exceed two years. Such assignments shall not be made on a punitive basis.

The Parties agree to meet and discuss any issues regarding these matters in a Labor-Management Committee.

Regarding arbitration award No. A-8502-00 and Index No. 16348/04 (Supreme Court, Kings County), the parties agree that they shall disregard these cases and not refer to either case in the future, other than for the purpose of enforcing this letter agreement. The parties also agree that the stipulated issue in the above-referenced arbitration shall be governed by this letter agreement.

Very truly yours,

JAMES F. HANLEY

AGREED AND ACCEPTED ON BEHALF OF THE UFA:

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

CITY COUNCIL

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearings on the matters indicated below:

The Subcommittee on Zoning and Franchises will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, August 14, 2006:

CITYWIDE **20075011 GFY**
Resolution authorizing franchises for cable television services.

MANHATTAN CB - 3 **20065428 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of 7th & Barrow LLC, d/b/a Sushi Samba, to establish, maintain and operate an unenclosed sidewalk café located at 87 Seventh Avenue.

MANHATTAN CB - 2 **20065509 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of LADL LLC, d/b/a Jack, to establish, maintain and operate an unenclosed sidewalk café located at 80 University Place.

QUEENS CB - 2 **C 050375 MMQ**
Application submitted by Terra Cotta LLC, c/o Silvercup Studios, pursuant to Sections 197-c and 199 of the New York City Charter, for an amendment to the City Map involving:

- a change of legal grades in 43rd Avenue between Vernon Boulevard and the East River, in accordance with Map No. 4988 dated February 7, 2006 and signed by the Borough President.

QUEENS CB - 2 **C 060323 ZMQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 9b:

1) changing from an M1-4 District to an M1-5/R10 District property bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River; and

2) establishing a Special Mixed Use District (MX-9) within the area bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River;

as shown on a diagram (for illustrative purposes only) dated February 21, 2006, and subject to the conditions of CEQR Declaration E-164.

QUEENS CB - 2 **N 060324 ZRQ**
Application submitted by Terra Cotta LLC pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York, relating to Article XII, Chapter 3 (Special Mixed Use District), to establish the Special Mixed Use District MX-9 and establish special permit provisions for signs in the MX-9 District in Community District 2.

Article XII - Special Purpose Districts
Chapter 3
Special Mixed Use District

***

12/10/97

123-20
SPECIAL USE REGULATIONS
In #Special Mixed Use Districts#, all #uses# permitted in the designated #Residence District# and all #uses# permitted in the designated M1 District, as set forth in any other provision of this Resolution other than Special Purpose Districts, shall be permitted, except as superseded, modified or supplemented by this Section and provided that #signs# shall comply with the requirements of Section 123-40 (SIGN REGULATIONS).

***

12/10/97

123-40
SIGN REGULATIONS
In #Special Mixed Use Districts#, the provisions regulating #signs# in C6-1 Districts, as set forth in Section 32-60 (SIGN REGULATIONS), shall apply for any #sign#. For the purposes of applying such regulations in #Special Mixed Use Districts#, all references to #mixed buildings# shall include #mixed use buildings#.

In MX-9 Districts, the provisions of this section shall apply except that the City Planning Commission may permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions) and 32-65 (Permitted Projection or Height of Signs), provided the Commission finds that such #signs# are consistent with the character of the surrounding area. However, no modification shall be made to the applicable provisions of Section 32-644 (Illuminated or flashing signs in C4, C5-4, C6 or C7 Districts) relating to #flashing signs#.

***

123-90
SPECIAL MIXED USE DISTRICTS SPECIFIED
The #Special Mixed Use District# is mapped in the following areas:

#Special Mixed Use District# - 1: (12/10/97) Port Morris, The Bronx

The #Special Mixed Use District# - 1 is established in Port Morris in The Bronx as indicated on the #zoning maps#.

***

#Special Mixed Use District# - 9: (effective date) Northern Hunter's Point Waterfront, Queens.

The #Special Mixed Use District# - 9 is established in the Northern Hunter's Point Waterfront in Queens as indicated on the #zoning maps#.

QUEENS CB - 2 **C 060325 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-561 of the Zoning Resolution to allow an attended accessory parking garage with a maximum capacity of 1,400 spaces in a portion of the ground floor, mezzanine, cellar, and sub-cellar, in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060326 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 62-736 of the Zoning Resolution to modify the following Sections of the Zoning Resolution:

1. Section 123-662 and Section 62-341(c)1 to allow the building within an initial setback distance to exceed 65 feet in height for commercial use and to exceed 110 feet in height for residential and community facility use;

2. Section 123-662 and Section 62-341(c)2 to allow the maximum building height to exceed 185 feet in height for commercial use and to exceed 350 feet in height for residential and community facility use;

3. Section 62-341(c)4 to allow the residential story located entirely above the maximum base height to exceed a gross area of 8,100 square feet;

4. Section 62-341(c)5 to allow any story of a building located entirely above a height of 150 feet to exceed 85 percent of the gross area of the highest story of the same building located entirely below a height of 150 feet; and

5. Section 62-341(c)6 to allow the maximum length of a building which faces a shoreline and is entirely above the maximum base height to exceed 100 feet;

in connection with a proposed mixed use development on property generally bounded by Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20 and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060327 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the

grant of a special permit pursuant to Section 123-40 of the Zoning Resolution to permit the modification of signage regulations of Section 32-64 (Surface Area and Illumination Provisions) and Section 32-65 (Permitted Projection or Height of Signs), in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

MANHATTAN CB - 1 **C 040543 ZMM**
Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section 12a:

1. changing from an M1-5 District to a C6-2A District property bounded by Watts Street, Washington Street, Hubert Street, and a line 85 feet westerly of Washington Street; and

2. changing from an M1-5 District to a C6-3A District property bounded by Watts Street, a line 85 feet westerly of Washington Street, Hubert Street, and West Street;

within the Special Tribeca Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 6, 2006, and subject to conditions of CEQR Declaration E-162.

MANHATTAN CB - 1 **N 040544 ZRM**
Application submitted by Truffles LLC pursuant to Section 200 of the New York City Charter, for amendment of the Zoning Resolution of the City of New York relating to Section 111-00 (Special Tribeca Mixed Use District), to create a new Area A4 within the special district, and to apply certain use and bulk regulations within the proposed Area A4.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;

111-03
District Map

The District Map for the #Special Tribeca Mixed Use District# (Appendix A) identifies special areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Tribeca Mixed Use District#. These areas are as follows:

Area A1 - General Mixed Use Area
Area A2 - Limited Mixed Use Area (Commercial and Residential Uses)
Area A3 - General Mixed Use Area
Area A4- General Mixed Use Area
Area B1 - Limited Mixed Use Area
Area B2 - Limited Mixed Use Area

111-102
Ground floor use restrictions

(a) Areas A1, and A3 and A4

Ground floor spaces in separate #buildings# may not be combined for #uses# in Use Groups 3, 4, 5 and 6, except in those #buildings# having frontage on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway ~~or~~ West Street.

* * *

111-103
Additional use regulations

(a) Areas A1, ~~and~~ A3 and A4

(1) #Uses# in Use Groups 16 and 17 shall be permitted, except the following #uses# are prohibited in all #buildings#:

(i) within Use Group 16A: crematoriums, poultry or rabbit killing establishments, unenclosed automobile, boat, motorcycle or trailer sales, motorcycle rentals;

(ii) all Use Group 16B #uses#, except #automotive service stations# by special permit pursuant to Section 73-21;

(iii) all Use Group 16C #uses#;

(iv) within Use Group 16D: dry cleaning or cleaning or dyeing establishments, with no limitation on type of operation, solvents, #floor area# or capacity per establishment;

(v) within Use Group 17B: manufacture of aircraft, automobiles, trucks, trailers, boats, motorcycles or chemicals; and

(vi) all Use Group 17C #uses#, except agriculture.

(2) The following #uses# are prohibited in #buildings# that do not front on Chambers Street, Hudson Street ~~or~~, West Broadway or West Street:

(i) all Use Group 8A #uses#;

(ii) all Use Group 8D #uses#;

(iii) all Use Group 10A #uses#, except depositories, photographic or motion picture studios, radio or televisions studios; and

(iv) all Use Group 12A #uses#.

(3) In #buildings# fronting on Chambers Street, Church Street, Greenwich Street, Hudson Street or , West Broadway or West Street, the following retail facilities shall be limited to 20,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses#, except as otherwise provided in Section 11-40:

(i) all #uses# in Use Groups 6A and 6C;

(ii) all #uses# in Use Group 10 with parking categories B or B1; and

(iii) the above #uses# when listed in other use groups.

Separate #buildings# on separate #zoning lots# may not be combined for #uses# in Use Group 6A and 6C and all #uses# in Use Group 10 with parking categories B or B1.

In addition, in #buildings# not fronting on West Street, retail facilities in Use Groups 6A and 6C shall be limited to 10,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses# , except as other wise provided in Section 111-40.

* * *

(c) Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, as listed in Use Group 12A, in any location within a #building#, shall be permitted only by special permit of the Board of Standards and Appeals as provided in Section 73-244. In Areas A1, A2, and A3 and A4, the Board of Standards and Appeals shall additionally find for establishments of any capacity with dancing, as listed in Use Group 12A, that primary ingress and egress for such #uses# may only be located on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway, or West Street, with only fire or emergency egress on other #streets#, and that no portion of such #use# may be located more than 100 feet, measured perpendicularly, from the above-listed streets. Furthermore, such #uses# are restricted as provided in paragraph (a)(2) of this Section.

111-104
Special Provisions for Areas A1, A2, A3, A4 and B2

* * *

(d) Area A4
Except as set forth herein, the bulk regulations of the underlying district shall apply.

(1) Table A of Section 35-24 shall be modified in C6-3A districts to permit a maximum building height of 160 feet within 100 feet of a #wide street#.

(2) The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within Area A-4, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, their average height, I feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(3) In a C6-3A district, the maximum #floor area ratio# permitted on a #zoning lot# shall be 6.5.

~~(d)~~ (e) Area B2

23-141
Open space and floor area regulations in R1, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

23-142
In R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in the following Sections:

Section 23-144	(In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable)
Section 23-145	(For residential buildings developed or enlarged pursuant to the Quality Housing Program) ~~and~~
Section 23-146	(Optional provisions for certain R5 and R6 Districts in Brooklyn), ~~and Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts)~~
Section 23-147	(For non-profit residences for the elderly)

in the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following table for #buildings# with the #height factor# indicated in the table.

* * *

23-143
For high buildings in R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7~~ Districts), in the districts indicated, for #buildings# with #height factors# greater than 21, the minimum required #open space ratio# shall be as set forth in the following table:

* * *

23-144
In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable

In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable, as listed in the table below, the maximum permitted #floor area ratios# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Community District	Zoning District
Community District 1, Brooklyn	R6 R6A R6B R7A
Community District 7, Brooklyn	R8A
Community District 2, Queens	R7X

23-145
For residential buildings developed or enlarged pursuant to the Quality Housing Program

R6 R7 R8 R9 R10

* * *

~~However, the #floor area ratios# in the table in this Section shall be modified in certain R6, R7 and R8A Districts within Community Districts 1 and 7, Borough of Brooklyn, as specified in Section 23-942 (In Community Districts 1 and 7, Borough of Brooklyn).~~

* * *

~~23-144~~ 23-147
For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~

(a) In R3, R4, R5, R6 and R7 Districts

R3 R4 R5 R6 R7

In the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

Districts	Maximum #Floor Area Ratio#	Minimum #Open Space Ratio#
R3	0.95	66.5
R4	1.29	39.4
R5	1.95	23.1
R6	3.90	17.7
R7	5.01	12.8

However, in R6 or R7 Districts, the minimum required #open space ratio# shall not apply to #non-profit residences for the elderly developed#, or #enlarged# where permitted, pursuant to the Quality Housing Program. Such #developments# or #enlargements# shall be subject to the requirements of R6A or R7A Districts, respectively, as set forth ~~in Section 23-147 (For non-profit residences for the elderly in R6A, R6B, R7A, R7B or R7X Districts).~~ paragraph (b) of this Section.

~~23-147~~
~~**For non-profit residences for the elderly in R6A, R6B, R7A, R7B and R7X Districts**~~

(b) In R6A R6B R7A R7B R7X Districts

R6A R6B R7A R7B R7X

In the districts indicated, the maximum #lot coverage# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

MAXIMUM LOT COVERAGE AND FAR FOR NON-PROFIT RESIDENCES FOR THE ELDERLY
(in percent)

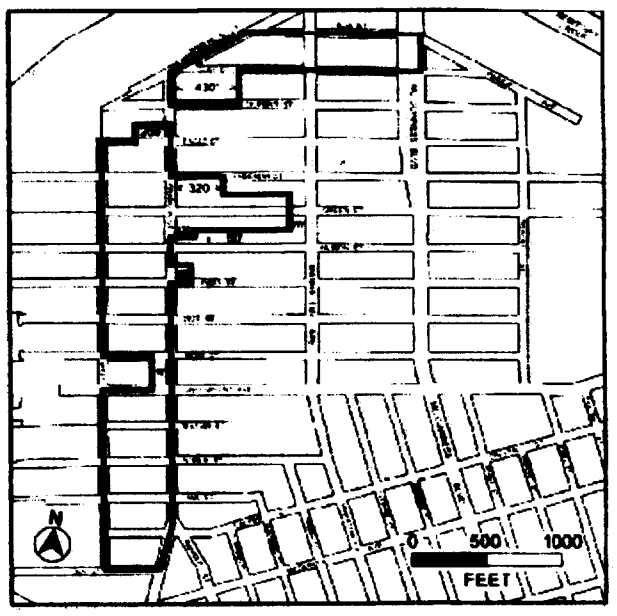
~~(v) that portion of the #block# bounded by Havemeyer Street, Hope Street, Marcy Avenue and South First Street that is within 100 feet of Grand Street; and~~

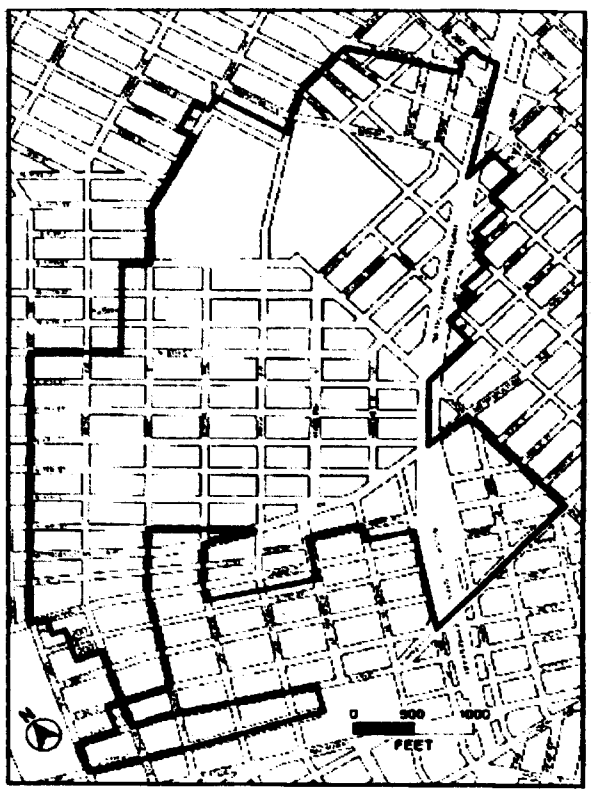
~~(vi) that portion of the #block# bounded by Franklin Street, Huron Street, Manhattan Avenue and India Street that is within 100 feet of Franklin Street and 100 feet of India Street.~~

The Inclusionary Housing Program shall apply in the following areas:

(a) In Community District 1, in the Borough of Brooklyn, in Waterfront Access Plan BK-1, as set forth in Section 62-352, and in the R6, R6A, R6B and R7A Districts within the areas shown on the following Maps 1 and 2:



Map 1. Portion of Community District 1 Brooklyn



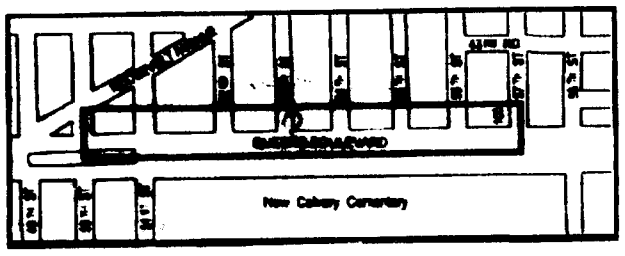
Map 2. Portion of Community District 1, Brooklyn

(b) In Community District 7, in the Borough of Brooklyn, in

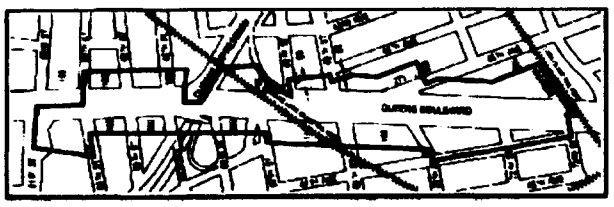
all the R8A districts within the area shown on the following Map 3:

Map 3. Portion of Community District 7, Brooklyn

(c) In Community District 2, in the Borough of Queens, in the R7X Districts within the areas shown on the following Maps 4 and 5:



Map 4. Portion of Community District 2, Queens



Map 5. Portion of Community District 2, Queens

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

***

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard. At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In ~~Community Districts 1, 2 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, ~~in Community Districts 1 and 7, Borough of Brooklyn~~, in #R6, R7 and R8 designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

Lower income housing plan

* * *

R6, R7 and R8 designated areas

"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts)

* * *

23-941
In R10 Districts

* * *

23-942
~~In Community Districts 1 and 7, Borough of Brooklyn~~
In R6, R7 and R8 Districts

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1.

(a) Maximum #floor area ratio#

The #floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the following table, except that such #floor area# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#, up to the maximum #floor area ratio# specified in the table. However, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#. In addition, the following rules shall apply:

District	Base #floor area ratio#	Maximum #floor area ratio#
R6*	2.2	2.42
R6**	2.7	3.6
R6A	2.7	3.6
R6B	2.0	2.2
R7A	3.45	4.6
R7X	3.75	5.0
R8A	5.4	7.2

* for #zoning lots#, or portions thereof, beyond 100 feet of a #wide street#

** for #zoning lots#, or portions thereof, within 100 feet of a #wide street#

(b) Height and setback

(1) Except in #Special Mixed Use Districts#, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Special Mixed Use Districts#, where the #residence district# designation has a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to paragraph (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations). Where the #residence district# designation does not have a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(c) #Lower income housing# requirements

The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements).

23-95
Lower Income Housing Requirements
* * *

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn~~, #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that

is assisted under City, State or Federal programs.

* * *

23-951
On-site new construction option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located in newly constructed #floor area# in the #compensated development#. The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contain two such units. The size of the designated #lower income housing# units shall at least be distributed among the various size units in proportion to the total distribution of unit size within the #building# in the following categories of unit sizes:

under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

For the new construction option the #lower income housing# shall be in a new #building#. For the substantial rehabilitation options, the #lower income housing# shall be in an existing #building# in which, prior to the submission of the #lower income housing plan# pursuant to this Section, any #residential# portion not in public ownership had been entirely vacant for not less than three years.

Furthermore, in Community Districts 1 and 7, Borough of Brooklyn, #R6, R7 and R8 designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

(b) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

23-953
Preservation option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

Furthermore, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas# the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

R1 R2 R3-1 R3A R3X R4-1 R4A R4B R6A R6B R7-2 R7A R7B R7X R8 R9 R10

In the districts indicated, for #zoning lots# containing #community facility# and #residential uses#, the maximum #floor area ratio# permitted for a #community facility use# shall be as set forth in Section 24-11, inclusive, and the maximum #floor area ratio# permitted for a #residential use# shall be as set forth in Article II, Chapter 3, provided the total of all such #floor area ratios# does not exceed the greatest #floor area ratio# permitted for any such #use# on the #zoning lot#.

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings
C1 C2 C3 C4 C5 C6

* * *

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

A non-#residential use# occupying a portion of a #building# that was in existence on December 15, 1961, may be changed to a #residential use# and the regulations on maximum #floor area ratio# shall not apply to such change of #use#.

* * *

ARTICLE XII SPECIAL PURPOSE DISTRICTS

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

Where the designated #Residence District# is an R6, R7, R8 or R9 District, ~~the provisions of Sections 23-142 (In R6, R7, R8 or R9 Districts) through 23-144 regulating minimum required #open space ratios# and maximum #floor area ratios#~~ minimum required #open space ratio# and maximum #floor area ratio# provisions of Sections 23-142, 23-143 and paragraph (a) of Section 23-147 shall not apply. In lieu thereof, all #residential buildings#, regardless of whether they are required to be #developed# or #enlarged# pursuant to the Quality Housing Program, shall comply with the maximum #floor area ratio# and #lot coverage# requirements set forth for the designated district in Section 23-145, or paragraph (b) of Section 23-147 for #non-profit residences for the elderly#. For purposes of this Section, #non-profit residences for the elderly# in R6 and R7 Districts without a letter suffix, shall comply with the provisions for R6A or R7A Districts, respectively, as set forth in paragraph (b) of Section 23-147.

Where the designated district is an R7-3 District, the maximum #floor area ratio# shall be 5.0 and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

Where the designated district is an R9-1 District, the maximum #floor area ratio# shall be 9.0, and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

However, in designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable, as listed below, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Special Mixed Use District	Designated Residence District
MX 8 Community District 1, Brooklyn	R6 R6A R6B R7A

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

* * *

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, August 14, 2006:

BRONX CB - 1 20065520 HKX (N 060511 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2195) pursuant to Section 3020 of the New York City Charter of The Estey Piano Company Factory, 112-128 Lincoln Avenue (also known as 15-19 Bruckner Boulevard and 270-278 East 134th Street) (Block 2309, Lot 1), as a historic landmark.

STATEN ISLAND CB - 3 20065521 HKR (N 060512 HKR)
Designation by the Landmarks Preservation Commission (List 374/LP-2192) pursuant to Section 3020 of the New York City Charter of the Theodore F. and Elizabeth J. DeHart House, located at 134 Main Street, (Block 8028, Lot 63), as a historic landmark.

BRONX CB - 5 20065522 HKX (N 060510 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2193) pursuant to Section 3020 of the New York City Charter of The Loew's Paradise Theater First Floor Interior, located at 2405-2419 Grand Concourse (also known as 2394-2408 Creston Avenue) (Block 3165, Lot 44), as a historic landmark.

STATEN ISLAND CB - 1 20065559 HKR (N 060552 HKR)
Designation by the Landmarks Preservation Commission (List 376/LP-2190) pursuant to Section 3020 of the New York City Charter of the Mark W. Allen House, located at 665 Clove Road (Block 314, Lot 1), as a historic landmark.

MANHATTAN CB - 9 20065560 HKM (N 060547 HKM)
Designation by the Landmarks Preservation Commission (List 375/LP-2198) pursuant to Section 3020 of the New York City Charter of the Clearmont Theater Building, located at 3320-3338 Broadway, aka 536-540 West 135th Street (Block 1988, p/o Lot 1), as a historic landmark.

BRONX CB - 11 20065552 SCX
Application pursuant to § 1732 of the New York State Public Authorities Law, concerning the proposed site selection for a 550-seat primary/intermediate school facility located at the southeast corner of Van Nest Avenue and Bronxdale Avenue in DOE Region No. 2/Community School District No. 11.

The Subcommittee on Planning, Dispositions and Concessions will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, August 14, 2006:

MANHATTAN CB - 8 N 060096 NPM
A Plan submitted by Manhattan Community Board 8 concerning the open spaces, parks and waterfront access in the Queensboro Bridge area of Community District 8, for consideration pursuant to Section 197-a of the New York City Charter. The proposed plan for adoption is called "The Manhattan Community Board 8 197-a Plan for the Queensboro Bridge Area".

BROOKLYN CB - 16 C 060457 HAK
Application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2335, 2341-49 Atlantic Avenue; 1870 and 1874 Eastern Parkway and 20-30 Sherlock Place (Block 1571, Lots 1-3, 26-30, and 32-36) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be determined by HPD;

to facilitate the development of three, four-story buildings, tentatively known as Atlantic Avenue Residence, with approximately 41 residential units to be developed under the Department of Housing Preservation and Development's Habitat for Humanity Program. **a8-14**

CITY PLANNING COMMISSION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS Have been adopted by the City Planning Commission Scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York on Wednesday, August 23, 2006, commencing at 10:00 A.M.

BOROUGH OF MANHATTAN
No. 1
ELLINGTON ON THE PARK

CD 10 C 060474 HAM
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 120-128 Bradhurst Avenue, 305-307 W148th Street, 2789 and 2791 Frederick Douglass Boulevard (Block 2045; Lots 64-68, 70, 71, 82 and 166) within the Bradhurst Urban Renewal Area, part of Site 33 within the Bradhurst Urban Renewal Area, as an Urban Development Action Area; and

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 8 and 12-story mixed-use building, tentatively known as Ellington on the Park, with approximately 134 cooperative units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 2
CORNERSTONE ROUND 3 – SITE 4

CD 10 **C 060409 HAM**
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 362-364 St. Nicholas Avenue (Block 1955; Lots 2 and 3) as an Urban Development Action Area; and

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 11-story building with approximately 22 residential units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

BOROUGH OF STATEN ISLAND
Nos. 3, 4, 5, 6 & 7
STAPLETON WATERFRONT DEVELOPMENT
No. 3

CD 1 **C 060293 MMR**
IN THE MATTER OF an application, submitted by the Department of City Planning and Economic Development Corporation (EDC) pursuant to Sections 197-c and 199 of the New York City Charter and Section 5-430 *et seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of Front Street between Bay Street and Hannah Street, Canal Street between Bay Street and Front Street, Water Street between Bay Street and Front Street, Cross Street between Bay Street and the Staten Island Rapid Transit R.O.W., Prospect Street between Bay Street and Front Street, Sands Street between Bay Street and the Staten Island Rapid Transit R.O.W., and Baltic Street between Bay Street and Front Street;
- the elimination, discontinuance and closing of Marginal Street, Wharf or Place within an area bounded by the extension of Hannah Street, the U.S. Bulkhead Line, the extension of Greenfield Avenue, and the Staten Island Rapid Transit R.O.W.;
- the elimination, discontinuance and closing of a portion of Murray Hulbert Avenue between the north and south exits of Hannah Street;
- the realignment of Thompson Street and Hannah Street at the intersection with Front Street;
- the extinguishment of Murray Hulbert Avenue from Hannah Street to Edgewater Street, and Front Street from Murray Hulbert Avenue to Bay Street;
- the adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

all within an area bounded by Willow Avenue, Bay Street, Hannah Street, and the U.S. Bulkhead Line, in accordance with Map No. 4202 dated May 3, 2006 and signed by the Borough President.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 4

CD 1 **C 060469 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, **for the disposition of two (2) city-owned properties** located on Block 487, p/o lot 110 and Block 487 p/o lot 100 (within the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 5

CD 1 **C 060470 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, for the disposition of one (1) city-owned property located on Block 487, p/o lot 110 (up to 10,000 square feet within Public Area comprised of Esplanade, Pier Place and The Cove in the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 6

CD 1 **C 060471 ZMR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 21c and 21d:

1. changing from an M21 District to a C4-2A District property bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, Front Street*, Thompson Street, and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

2. changing from an M31 District to a C4-2A District property bounded by a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way, Thompson Street, and Front Street*; and

3. establishing a Special Stapleton Waterfront District (SW) bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the southwesterly street line of Front Street* and the southeasterly prolongation of the straight line portion, a northeasterly property line of the Staten Island Rapid Transit (SIRT), and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

as shown on a diagram (for illustrative purposes only) dated May 8, 2006 and subject to the conditions of CEQR Declaration E168.

* Note: Portions of Front Street are proposed for realignment and for mapping under a related application (C 060293 MMR) for a change in the City Map.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 7

CD 1 **N 060468 ZRR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, creating the Special Stapleton Waterfront District in Article XI, Chapter 6, and amending related sections of the Zoning Resolution.

Matter in Graytone or Underlined is new, to be added;
Matter in ~~Strikeout~~ is old, to be deleted;
Matter within # # is defined in Section 12-10;

Special Stapleton Waterfront District

The "Special Stapleton Waterfront District" is a Special Purpose District designated by the letters "SW" in which special regulations set forth in Article XI, Chapter 6, apply. The #Special Stapleton Waterfront District# appears on the #zoning maps# superimposed on other districts and its regulations supplement or supersede those of the districts on which it is superimposed.

Special Transit Land Use District

14-44
Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted

#Enclosed# or #unenclosed sidewalk cafes# shall be permitted, as indicated, in the following special zoning districts, where allowed by the underlying zoning. #Small sidewalk cafes#, however, may be located on #streets# or portions of #streets# within special zoning districts pursuant to the provisions of Section 14-43 (Locations Where Only Small Sidewalk Cafes Are Permitted).

Article XI – Special Purpose Districts

Chapter 6
Special Stapleton Waterfront District

116-00
GENERAL PURPOSES

The "Special Stapleton Waterfront District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include among others, the following specific purposes:

(a) encourage design of new development that is in character with the neighborhood and surrounding community;

(b) maintain and reestablish physical and visual public access to and along the waterfront;

(c) strengthen the traditional town center of Stapleton by allowing the development of new residential and commercial uses;

(d) encourage the creation of a lively and attractive environment that will provide daily amenities and services for the use and enjoyment of the working population and the new residents;

(e) take maximum advantage of the beauty of the New York Harbor waterfront, thereby best serving the business community, the residential population and providing regional recreation; and

(f) promote the most desirable use of land and thus conserve and enhance the value of land and buildings, and thereby protect City tax revenues.

116-01
Definitions

For the purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS) or in this Section.

Esplanade

The "Esplanade" is a park extending along all waterfront edges of the #Special Stapleton Waterfront District#. The #Esplanade# is shown in the District Plan, Map 1 (Special Stapleton Waterfront District, Subareas and Public Spaces), in the Appendix to this Chapter.

Mandatory front building wall

A "mandatory front building wall" is the front wall of a building that generally coincides with a #mandatory front building wall line#, as provided in Section 116-232 (Street Wall Location).

Mandatory front building wall line

"Mandatory front building wall lines" are imaginary lines extending through Subarea B of the #Special Stapleton Waterfront District# which are shown on Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, and with which building walls must generally coincide, as provided in Section 116-232 (Street Wall Location).

Pier Place and the Cove

"Pier Place" and the "Cove" are designated open spaces accessible to the public, located within the #Special Stapleton Waterfront District" as shown in the District Plan, Map 1 in the Appendix to this Chapter.

Upland connection

An "upland connection" is a pedestrian way which provides a public access route from the #Esplanade# to a public sidewalk within a public #street#. Required #upland connections# are shown in the District Plan, Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter.

Visual corridor

A "visual corridor" is a public #street# or tract of land within a #block# that provides a direct and unobstructed view to the water from a vantage point within a public #street#. Required #visual corridors# are shown in the District Plan, Map 5 in the Appendix to this Chapter.

116-02
General Provisions

In harmony with the general purposes and content of this Resolution and the general purposes of the #Special Stapleton Waterfront District#, the provisions of this Chapter shall apply to all #developments#, #enlargements# and changes of #use# within the #Special Stapleton Waterfront District#. The regulations of all other Chapters of this Resolution are applicable except as modified, supplemented or superseded by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

Within the #Special Stapleton Waterfront District#, the regulations of the underlying C4-2A District shall apply, as modified in this Chapter.

116-03
District Plan and Maps

The District Plan for the #Special Stapleton Waterfront District# identifies specific areas comprising the Special District in which special zoning regulations are established in order to carry out the general purposes of the #Special Stapleton Waterfront District#. These areas shall include the #Esplanade#, Subareas A, B1, B2, B3, B4, B5, C, and two designated public open spaces: the #Cove# and the #Pier Place#.

The District Plan includes the following maps in the Appendix to this Chapter.

Map 1 - Special Stapleton Waterfront District, Subareas and Public Spaces
Map 2 - Ground Floor Use and Frontage Requirements
Map 3 - Mandatory Front Building Wall Lines
Map 4 - Restricted Curb Cut and Off-Street Loading Locations
Map 5 - Upland Connections and Visual Corridors

The maps are hereby incorporated and made part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in the text of this Chapter shall apply.

116-04
Subareas

In order to carry out the purposes and provisions of this Chapter, the following subareas are established within the #Special Stapleton Waterfront District#: Subarea A, Subarea B, comprised of Subareas B1, B2, B3, B4 and B5, Subarea C, #Esplanade#, #Pier Place# and the #Cove#. In each of these subareas, special regulations apply that may not apply in other subareas.

116-05
Applicability

The provisions of Article VI, Chapter 2 (Special Regulations Applying in the Waterfront Area) shall not apply in the #Special Stapleton Waterfront District#, except where specifically stated otherwise in this Chapter.

#Lower density growth management area# regulations shall not apply in the #Special Stapleton Waterfront District#.

116-10
SPECIAL USE REGULATIONS

Within the #Special Stapleton Waterfront District#, the following special #use# regulations shall apply. The #use# regulations of the underlying C4-2A District shall be modified by the following Sections 116-101 through 116-13:

116-101
Use Groups 12 and 14

The #uses# listed in Section 32-21 (Use Group 12) shall not be permitted in Subarea C.

The #uses# listed in Section 32-23 (Use Group 14) shall be permitted in the #Special Stapleton Waterfront District#; however, boat storage, repair or painting shall be allowed without restriction relating to boat length.

116-102
Special permit uses

#Physical culture or health establishments# shall be permitted in Subarea B2. The special permit provisions of Section 73-36 shall not apply.

116-103
Supplementary use regulations

The provisions of Section 32-41 (Enclosure within Buildings) shall be modified as follows: In Subarea B3, a Farmers Market may be unenclosed.

The provisions of Section 32-423 (Limitation on ground floor location) shall be modified as follows: In Subareas B1 and B2, the #uses# listed in Section 32-18 (Use Group 9) may be located on the ground floor and within 50 feet of any #street wall# of the #building# and with #show windows# facing on the #street#.

116-11
Special Sign Regulations

The #sign# regulations of the underlying C4-2 District in Section 32-60 (Sign Regulations) shall be modified as follows: #flashing signs# shall not be permitted in the #Special Stapleton Waterfront District#.

116-12
Mandatory Ground Floor Use and Frontage Requirements

The provisions of Section 32-433 (Ground floor use in C1, C2 and C4 Districts in the Borough of Staten Island) shall not apply in the #Special Stapleton Waterfront District#. However, on designated #streets# and #mandatory front building wall lines# in Subareas B3 and C, as shown on Map 2 in the Appendix to this Chapter, the special ground floor #use# and frontage regulations of this Section shall apply to any #development# or #enlargement#.

#Uses# located on the ground floor level, or within two feet of the as-built level of the adjoining sidewalk, shall be limited to the non-#residential uses# permitted by the underlying district regulations, as modified by the special #use# provisions of this Chapter. A building's ground floor frontage shall be allocated exclusively to such #uses#, and shall have a depth of at least 30 feet from the #street wall# of the #building# and extend along the entire width of the #building#, except for lobbies or entrances to #accessory# parking spaces.

In no event shall lobbies and entrances to #accessory# parking spaces occupy more than 50 percent of the building's total frontage along such #street# or #mandatory front building wall line#, or 35 feet, whichever is less. However, the total length of such frontage occupied by such lobbies and entrances need not be less than 25 feet.

116-13
Transparency Requirements
Within the #Special Stapleton Waterfront District#, the transparency requirements of this Section shall apply to any #development# or an #enlargement# where the #enlarged# portion of the ground floor of the #building# is within eight feet of the #street line# and where non-#residential uses# are located on the ground floor level or within two feet of the as-built level of the adjoining sidewalk.

At least 50 percent of a building's front building wall surface shall be glazed and transparent at the ground floor level. For the purpose of the glazing requirements, the building's #street wall# surface at the ground floor level shall be measured from the floor to the height of the ceiling or 14 feet above grade, whichever is less. The lowest point of any transparency that is provided to satisfy the requirements of this Section shall not be higher than four feet above the as-built level of the adjoining sidewalk.

116-20
SPECIAL BULK REGULATIONS
The special #bulk# regulations of this Section shall apply within the #Special Stapleton Waterfront District#.

116-21
Residential Bulk Regulations in C4-2A Districts

The provisions of Sections 34-112 and 35-23 (Residential Bulk Regulations in other C1 or C2 Districts or in C3, C4, C5 or C6 Districts) are modified as follows:

The applicable #bulk# regulations for #residential uses# in C4-2A Districts shall be those for R6B districts.

116-22
Maximum Floor Area Ratio

The maximum #floor area ratio# for all #uses# shall be 2.0.

116-221
Special floor area regulations for mixed buildings

For #buildings# containing #residences#, the area in such #buildings# occupied by non-#residential uses# on the ground floor, or within two feet of the as-built level of the adjoining sidewalk, shall be excluded from the definition of #floor area# in Section 12-10.

116-23
Special Height and Setback Regulations

The special height and setback regulations set forth in this Section shall apply.

116-231
Special rooftop regulations

The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings or other structures# in the #Special Stapleton Waterfront District#, except the provisions of paragraph(c) of Section 33-42 shall not apply. In lieu thereof, the following regulations shall apply:

Elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures) may exceed a maximum height limit provided that either:

(a) the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage; or,

(b) the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 20 feet.

In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

116-232
Street wall location

In Subarea A, the underlying #street wall# location regulations shall apply.

In Subareas B and C, the underlying #street wall# location regulations of a C4-2A District, or an R6B District as applicable, shall be modified as set forth in this Section. Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, specifies locations in Subareas B and C where #mandatory front building wall# requirements apply as follows:

(a) Type 1: Front building walls shall be coincident with and extend along the entire length of the #mandatory front building wall line#, except to allow articulation at the intersection of two such lines, the front building wall may be located anywhere within 15 feet of their point of intersection.

(b) Type 2: Front building walls shall be located within eight feet of and extend along at least 70 percent of the length of the #mandatory front building wall line#. For phased #development#, this requirement may be satisfied by more than one # building#, provided that upon completion 70 percent of the length of the #mandatory front building wall line# is occupied by such front building walls.

(c) Wherever Map 3 does not indicate a #mandatory front building wall line#, the underlying #street wall# location rules shall apply.

If more than one #building# is developed in Subareas B1, B2, B3 or B4, the first #building# shall be located along a Type 1 #mandatory front building wall line#. Subsequent buildings shall locate along a Type 2 #mandatory front building wall line# until 70 percent of the length of the #mandatory front building wall line# is occupied.

All #mandatory front building walls# shall rise without setback to a maximum height of 40 feet or the height of the #building#, whichever is less. A #building# may exceed a height of 40 feet, up to the maximum building height specified in Section 116-233 if a setback is provided at a minimum height of 35 feet. Such setback shall have a minimum depth of 10 feet and shall be measured from the front building wall. Recesses shall be permitted on the ground floor where required to provide access to the #building#. Above the ground floor, up to 30 percent of the aggregate width of the front building wall may be recessed.

However, in Subarea B2, the #mandatory front building wall# may rise without setback to the permitted maximum height of the #building#.

116-233
Maximum building height

Within the #Special Stapleton Waterfront District#, the maximum height of a #building or other structure# shall not exceed 50 feet, except in Subarea B2 where the maximum height of a #building or other structure# shall not exceed 60 feet.

116-30
SPECIAL ACCESSORY OFF-STREET PARKING AND LOADING REGULATIONS

Within the #Special Stapleton Waterfront District#, the parking and loading regulations of the underlying C4-2A District shall apply, except as modified in this Section.

116-31
Modification of Required Accessory Off-Street Parking Spaces Regulations for Certain Commercial Uses

The following #uses# listed in Section 32-23 (Use Group 14) shall be subject to the parking requirements applicable to a C4-2 District pursuant to Section 62-53 (Parking Requirements for Commercial Docking Facilities):

Boat rentals, open or enclosed [PRC–H]

Docks for ferries, other than #gambling vessels#, limited to an aggregate operational passenger load, per #zoning lot#, of 150 passengers per half hour [PRC-H]

Docks for sightseeing, excursion or sport fishing vessels, other than #gambling vessels#

Docks or mooring facilities for non-commercial pleasure boats [PR-H]

116-32
Modification of Waiver of Requirements

The provisions of Section 36-362(For new development or enlargements in other C1 or C2 Districts or in C4, C5 or C6 Districts) shall not apply.

All other waivers of parking requirements shall only apply to #zoning lots# existing both on (the effective date of amendment) and on the date of application for a building permit.

116-33
Modification of Location of Parking Spaces

For all #zoning lots# with frontage on Front Street, no #accessory# off-street parking spaces shall be located in any open area that is between the #street wall# of the #building# and the Front Street #street line#; except that such spaces may be located between the #street wall# of the #building# and the Front Street #street line# in Subarea B5.

116-34
Location and Width of Curb Cuts

Curb cuts are prohibited in the locations shown on Map 4 (Restricted Curb Cut and Off-Street Loading Locations), in the Appendix to this Chapter.

In Subarea C, for #zoning lots# with access only to Front Street, only one curb cut shall be permitted along Front Street.

Within the #Special Stapleton Waterfront District#, the maximum width of curb cuts shall not exceed 25 feet, including splays.

116-35
Screening and Tree Planting Requirements for Parking Facilities

The provisions of this Section shall apply to any new or #enlarged# open off-street parking facility with ten spaces or more.

(a) Screening

Such off-street parking facilities shall be screened in accordance with the provisions of this Section from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, and from any designated open space accessible to the public situated on the same #zoning lot#, including the #Esplanade#.

Such screening shall consist of a strip at least four feet wide, densely planted with evergreen shrubs at least four feet high at the time of planting and which are of a type which may be expected to form a year–round dense screen at least six feet high within three years.

#Accessory# parking spaces that front upon a #street# shall be screened by a strip at least four feet wide and densely planted with evergreen shrubs to be maintained at all times at a height not less than two and one-half feet and not more than four feet.
In addition, a wall or barrier or uniformly-painted fence of fire-resistant material at least four feet high but not more than eight feet above finished grade may be provided. Such wall, barrier, or fence must be 100 percent opaque up to a

height of four feet above the finished grade of the parking facility and not more than 35 percent opaque above four feet. No chain link fences shall be permitted. All permitted fences shall be located behind landscaped areas when viewed from the street.

Such screening shall be maintained in good condition at all times, may be interrupted by normal entrances or exits, and shall have no signs hung or attached thereto other than those permitted in Sections 32-60 (Sign Regulations) inclusive, or 62-674 (Signage).

(b) Tree planting requirements

Trees, pre-existing or newly-planted, shall be provided at the rate of one tree for every eight open parking spaces within the off-street parking facility and may be located on the perimeter of the parking facility or in planting islands within the parking area. For parking facilities with more than 25 open parking spaces, at least 30 percent of trees provided to meet this requirement shall be located in planting islands within the parking area. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-40
UPLAND CONNECTIONS AND VISUAL CORRIDORS

116-41
Upland Connections

In the locations shown on Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter, #upland connections# shall be provided. An #upland connection# traversing a #zoning lot# shall consist of a single pedestrian circulation zone bordered continuously along both sides by buffer zones.

(a) Required Dimensions

The minimum width of the #upland connection# shall be 30 feet, within which the pedestrian circulation zone shall have a minimum width of 16 feet and each buffer zone shall have a minimum width of seven feet. When an #upland connection# or a portion thereof is located within a private drive, no buffer zone is required.

(b) Buffer zone

The provisions of paragraph(b)(2)of Section 62-62 (General Requirements for Public Access Areas) shall apply.

(c) Permitted Obstructions

The provisions of Section 62-626 (Permitted obstructions) shall apply to #upland connections# within the #Special Stapleton Waterfront District#. Certain permitted obstructions listed in sub-paragraph (a)(2)(iii)of Section 62-626, are further subject to the tree and planting requirements of Section 62-675. WD (Water-dependent)uses referenced in paragraph (c) of Section 62-626 shall be as listed in Section 62-211.

116-42
Visual Corridors

#Visual corridors# shall be provided for #developments# in the locations shown on Map 5 in the Appendix to this Chapter. Such #visual corridors# shall be subject to the requirements of Section 116-522 (Design requirements for visual corridors).

116-50
Special Urban Design Requirements

The special urban design requirements of this Section, inclusive, shall apply to all #developments# and #enlargements# within the #Special Stapleton Waterfront District#:

116-51
#Street# trees

#Street# trees, pre-existing or newly-planted, shall be provided along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line and shall be provided at the rate of one tree for each 25 feet of frontage. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-52
Design Requirements for Upland Connections and Visual Corridors

116-521
Design requirements for upland connections

(a) Circulation and access

(1) Where an #upland connection# is located within a private drive, a circulation path with a minimum clear width of six feet shall be provided in each pedestrian circulation zone. The remaining area shall be planted pursuant to the provisions of paragraph (c) of this Section.

(2) All other #upland connections# through #zoning lots# shall have a circulation path with a minimum clear width equal to the minimum required width of the pedestrian circulation zone.

(b) Seating

For #upland connections# 100 feet in length or greater, a minimum of 24 linear feet of seating shall be provided.

(c) Planting
Where an #upland connection# is located within a private drive, a single row of shade trees shall be planted adjoining a required circulation path in accordance with the standards of Section 62-675 (Planting and trees). Within all #upland connections#, any unpaved area shall be planting area.

116-522
Design requirements for visual corridors

The requirements of this Section shall apply to all #visual corridors#. When a #visual corridor# coincides with an #upland connection#, the provisions of Section 116-521 (Design requirements for upland connections) shall also apply.

No #building or other structure# shall be erected within the width of a #visual corridor#, except as provided in this Section. #Visual corridors# shall be the width of the #street# but shall not be less than 50 feet wide.

Permitted obstructions within #visual corridors# shall be limited to:

(a) boats, ships or other vessels, and #floating structures# permitted as-of-right by paragraph (a)of Section 62-25 (Uses on Floating Structures);

(b) any moving or parked vehicles or street furniture, including but not limited to, benches, seats, kiosks, carts and open display booths, lighting fixtures, flagpoles, trash receptacles, drinking fountains and public telephones;

(c) guardrails and fences provided they comply with the design standards of Section 62-671 (Guardrails, gates and other protective barriers), except that fences may be eight feet high;

(d) sculpture;

(e) planting areas, provided that no shade trees are planted within a 15 foot wide area along both sides of the center line of the #visual corridor#; and

(f) those obstructions permitted in #rear yards# as listed in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), except walls exceeding four feet in height shall not be permitted.

116-53
Waterfront public access signage

The New York City Waterfront Symbol Plaque shall be used to direct the public to waterfront public access areas including the #Esplanade# and #upland connections# and to identify the entry points of these areas. Such signage shall be provided in accordance with requirements of Section 62-674 (Signage).

116-54
Refuse Storage Areas

Refuse shall be stored within a completely enclosed #building#.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

NOTICE

On Wednesday, August 23, 2006 at 10:00 A.M., at the New York City Department of City Planning located at 22 Reade Street, New York, New York, a public hearing is being held by the Office of the Deputy Mayor for Economic Development and Rebuilding in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning the Stapleton Waterfront

Development Plan, a proposal involving the establishment of the Special Stapleton Waterfront District, and including zoning map and text amendments, city map amendments and the disposition of city-owned property, affecting the Stapleton area of Staten Island, Community District 1. The New York City Office of the Deputy Mayor for Economic Development and Rebuilding is the lead agency for the City Environmental Quality Review (CEQR) review.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 06DME001R.

No. 8
CLIFTON REZONING

CD 1 **C 060536 ZMR**

IN THE MATTER OF an application submitted by Rosebank Homeowners and Tenants Association and City Council Member Michael E. McMahon pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 21d changing from an R3-2 District to an R3X District property bounded by Vanderbilt Avenue, a line 200 feet southwesterly of Bay Street, Townsend Avenue, a line perpendicular to the southeasterly street line of Townsend Avenue distant 225 feet southwesterly (as measured along the street line) from the intersection of the southwesterly street line of Bay Street and the southeasterly street line of Townsend Avenue, a line 110 feet southeasterly of Townsend Avenue, a line perpendicular to the northwesterly street line of Greenfield Avenue distant 390 feet northeasterly (as measured along the street line) from the intersection of the northwesterly street line of Greenfield Avenue and the northeasterly street line of Tompkins Avenue, Greenfield Avenue, Tompkins Avenue, the southwesterly prolongation of the southeasterly street line of Townsend Avenue, a line 90 feet northeasterly, southeasterly, and southwesterly of Park Hill Court, a line 90 feet southeasterly of Fairway Avenue, a line 375 feet northeasterly of Park Hill Lane, Park Hill Circle, a line 150 feet northeasterly of Osgood Avenue, Fairway Avenue, and Park Hill Court, as shown on a diagram (for illustrative purposes only) dated June 19, 2006.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

Nos. 9 & 10
PRINCE'S BAY REZONING
No. 9

CD 3 **C 060465 ZMR**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 35a and 35c:

1. changing from an R3X District to an R1-2 District property bounded by Hylan Boulevard, Indale Avenue, Johnston Terrace, and Sharrott Avenue; and

2. changing from an R3-2 District to an R3X District property bounded by the southwesterly centerline prolongation of Sherwood Avenue, Sharrott Avenue, Hylan Boulevard, and a line 100 feetnortheasterly of Richard Avenue;

within the Special South Richmond Development District, as shown on a diagram (for illustrative purposes only) dated May 8, 2006.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

COURT NOTICE

SUPREME COURT

■ NOTICE

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: July 31, 2006, New York, New York

Human/Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. hbavaro@djj.nyc.gov Harry T. Bavaro (212) 925-7779 Ext. 324.

Human/Client Service

SAFE HORIZON (VICTIM SERVICES) – Negotiated Acquisition – PIN# 00207DMPS153 – DUE 08-14-06 AT 5:00 P.M. – CJC intends to enter into negotiations with only the existing provider of victim services for the provision of court and community-based services including the operation of crime victims and domestic violence hotlines, restitution services, counseling, child advocacy services, domestic violence prevention programs, lock replacement, and

assistance with applying to the Crime Victim Compensation Board.

In accordance with Section 3-01(d)(1)(iv) of the Procurement Policy Board Rules, CJC intends to use the negotiated acquisition process to extend the terms of the subject contract from July 1, 2006 to June 30, 2008, and hence will negotiate with the existing contractor only. Vendors interested in responding to a future solicitation for these services should so indicate either in writing to the address listed or via-email to the e-mail address listed by the due date.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

96-20 Rockaway Beach Boulevard, Queens	111/06	July 24, 2003 to Present

The Department of Housing Preservation and Development has received an application for a certification that during the inquiry period noted for the premises above, that no harassment has occurred at such premises in the form of threats, use of physical force, deprivation of essential services such as heat, water, gas or electric, or by any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy. Upon the issuance of a Certification, an owner can legally convert the premises to non-single room occupancy use.

Comments as to whether harassment has occurred at the premises should be submitted to the Operations Division, Anti-Harassment Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

OFFICE OF PRESERVATION SERVICES CERTIFICATION OF NO HARASSMENT UNIT

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATION OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: August 7, 2006

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address	Application #	Inquiry Period
733 8th Avenue, Manhattan a/k/a 301 West 46th Street	94/06	July 7, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

CITY COUNCIL

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearings on the matters indicated below:

The Subcommittee on Zoning and Franchises will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, August 14, 2006:

CITYWIDE **20075011 GFY**
Resolution authorizing franchises for cable television services.

MANHATTAN CB - 3 **20065428 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of 7th & Barrow LLC, d/b/a Sushi Samba, to establish, maintain and operate an unenclosed sidewalk café located at 87 Seventh Avenue.

MANHATTAN CB - 2 **20065509 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of LADL LLC, d/b/a Jack, to establish, maintain and operate an unenclosed sidewalk café located at 80 University Place.

QUEENS CB - 2 **C 050375 MMQ**
Application submitted by Terra Cotta LLC, c/o Silvercup Studios, pursuant to Sections 197-c and 199 of the New York City Charter, for an amendment to the City Map involving:

- a change of legal grades in 43rd Avenue between Vernon Boulevard and the East River, in accordance with Map No. 4988 dated February 7, 2006 and signed by the Borough President.

QUEENS CB - 2 **C 060323 ZMQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 9b:

1) changing from an M1-4 District to an M1-5/R10 District property bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River; and

2) establishing a Special Mixed Use District (MX-9) within the area bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River;

as shown on a diagram (for illustrative purposes only) dated February 21, 2006, and subject to the conditions of CEQR Declaration E-164.

QUEENS CB - 2 **N 060324 ZRQ**
Application submitted by Terra Cotta LLC pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York, relating to Article XII, Chapter 3 (Special Mixed Use District), to establish the Special Mixed Use District MX-9 and establish special permit provisions for signs in the MX-9 District in Community District 2.

Article XII - Special Purpose Districts
Chapter 3
Special Mixed Use District

***

12/10/97

123-20
SPECIAL USE REGULATIONS
In #Special Mixed Use Districts#, all #uses# permitted in the designated #Residence District# and all #uses# permitted in the designated M1 District, as set forth in any other provision of this Resolution other than Special Purpose Districts, shall be permitted, except as superseded, modified or supplemented by this Section and provided that #signs# shall comply with the requirements of Section 123-40 (SIGN REGULATIONS).

***

12/10/97

123-40
SIGN REGULATIONS
In #Special Mixed Use Districts#, the provisions regulating #signs# in C6-1 Districts, as set forth in Section 32-60 (SIGN REGULATIONS), shall apply for any #sign#. For the purposes of applying such regulations in #Special Mixed Use Districts#, all references to #mixed buildings# shall include #mixed use buildings#.
In MX-9 Districts, the provisions of this section shall apply except that the City Planning Commission may permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions) and 32-65 (Permitted Projection or Height of Signs), provided the Commission finds that such #signs# are consistent with the character of the surrounding area. However, no modification shall be made to the applicable provisions of Section 32-644 (Illuminated or flashing signs in C4, C5-4, C6 or C7 Districts) relating to #flashing signs#.

The #Special Mixed Use District# is mapped in the following areas:

#Special Mixed Use District# - 1: (12/10/97) Port Morris, The Bronx

The #Special Mixed Use District# - 1 is established in Port Morris in The Bronx as indicated on the #zoning maps#.

***

#Special Mixed Use District# - 9: (effective date) Northern Hunter's Point Waterfront, Queens.

The #Special Mixed Use District# - 9 is established in the Northern Hunter's Point Waterfront in Queens as indicated on the #zoning maps#.

QUEENS CB - 2 **C 060325 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-561 of the Zoning Resolution to allow an attended accessory parking garage with a maximum capacity of 1,400 spaces in a portion of the ground floor, mezzanine, cellar, and sub-cellar, in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060326 ZSQ**
Application submitted by Terra Cotta LLC pursuant to

Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 62-736 of the Zoning Resolution to modify the following Sections of the Zoning Resolution:

1. Section 123-662 and Section 62-341(c)1 to allow the building within an initial setback distance to exceed 65 feet in height for commercial use and to exceed 110 feet in height for residential and community facility use;

2. Section 123-662 and Section 62-341(c)2 to allow the maximum building height to exceed 185 feet in height for commercial use and to exceed 350 feet in height for residential and community facility use;

3. Section 62-341(c)4 to allow the residential story located entirely above the maximum base height to exceed a gross area of 8,100 square feet;

4. Section 62-341(c)5 to allow any story of a building located entirely above a height of 150 feet to exceed 85 percent of the gross area of the highest story of the same building located entirely below a height of 150 feet; and

5. Section 62-341(c)6 to allow the maximum length of a building which faces a shoreline and is entirely above the maximum base height to exceed 100 feet;

in connection with a proposed mixed use development on property generally bounded by Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20 and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060327 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 123-40 of the Zoning Resolution to permit the modification of signage regulations of Section 32-64 (Surface Area and Illumination Provisions) and Section 32-65 (Permitted Projection or Height of Signs), in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

MANHATTAN CB - 1 **C 040543 ZMM**
Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section 12a:

1. changing from an M1-5 District to a C6-2A District property bounded by Watts Street, Washington Street, Hubert Street, and a line 85 feet westerly of Washington Street; and

2. changing from an M1-5 District to a C6-3A District property bounded by Watts Street, a line 85 feet westerly of Washington Street, Hubert Street, and West Street;

within the Special Tribeca Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 6, 2006, and subject to conditions of CEQR Declaration E-162.

MANHATTAN CB - 1 **N 040544 ZRM**
Application submitted by Truffles LLC pursuant to Section 200 of the New York City Charter, for amendment of the Zoning Resolution of the City of New York relating to Section 111-00 (Special Tribeca Mixed Use District), to create a new Area A4 within the special district, and to apply certain use and bulk regulations within the proposed Area A4.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;

111-03
District Map

The District Map for the #Special Tribeca Mixed Use District# (Appendix A) identifies special areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Tribeca Mixed Use District#. These areas are as follows:

Area A1 - General Mixed Use Area
Area A2 - Limited Mixed Use Area (Commercial and Residential Uses)
Area A3 - General Mixed Use Area
Area A4- General Mixed Use Area
Area B1 - Limited Mixed Use Area
Area B2 - Limited Mixed Use Area

111-102
Ground floor use restrictions

(a) Areas A1, and A3 and A4

Ground floor spaces in separate #buildings# may not be combined for #uses# in Use Groups 3, 4, 5 and 6, except in those #buildings# having frontage on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway ~~or~~ West Street.

* * *

111-103
Additional use regulations

(a) Areas A1, ~~and~~ A3 and A4

(1) #Uses# in Use Groups 16 and 17 shall be permitted, except the following #uses# are prohibited in all #buildings#:

(i) within Use Group 16A: crematoriums, poultry or rabbit killing establishments, unenclosed automobile, boat, motorcycle or trailer sales, motorcycle rentals;

(ii) all Use Group 16B #uses#, except #automotive service stations# by special permit pursuant to Section 73-21;

(iii) all Use Group 16C #uses#;

(iv) within Use Group 16D: dry cleaning or cleaning or dyeing establishments, with no limitation on type of operation, solvents, #floor area# or capacity per establishment;

(v) within Use Group 17B: manufacture of aircraft, automobiles, trucks, trailers, boats, motorcycles or chemicals; and

(vi) all Use Group 17C #uses#, except agriculture.

(2) The following #uses# are prohibited in #buildings# that do not front on Chambers Street, Hudson Street ~~or~~, West Broadway or West Street:

(i) all Use Group 8A #uses#;

(ii) all Use Group 8D #uses#;

(iii) all Use Group 10A #uses#, except depositories, photographic or motion picture studios, radio or televisions studios; and

(iv) all Use Group 12A #uses#.

(3) In #buildings# fronting on Chambers Street, Church Street, Greenwich Street, Hudson Street or , West Broadway or West Street, the following retail facilities shall be limited to 20,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses#, except as otherwise provided in Section 11-40:

(i) all #uses# in Use Groups 6A and 6C;

(ii) all #uses# in Use Group 10 with parking categories B or B1; and

(iii) the above #uses# when listed in other use groups.

Separate #buildings# on separate #zoning lots# may not be combined for #uses# in Use Group 6A and 6C and all #uses# in Use Group 10 with parking categories B or B1.

In addition, in #buildings# not fronting on West Street, retail facilities in Use Groups 6A and 6C shall be limited to 10,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses# , except as other wise provided in Section 111-40.

* * *

(c) Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, as listed in Use Group 12A, in any location within a #building#, shall be permitted only by special permit of the Board of Standards and Appeals as provided in Section 73-244. In Areas A1, A2, and A3 and A4, the Board of Standards and Appeals shall additionally find for establishments of any capacity with dancing, as listed in Use Group 12A, that primary ingress and egress for such #uses# may only be located on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway, or West Street, with only fire or emergency egress on other #streets#, and that no portion of such #use# may be located more than 100 feet, measured perpendicularly, from the above-listed streets. Furthermore, such #uses# are restricted as provided in paragraph (a)(2) of this Section.

111-104
Special Provisions for Areas A1, A2, A3, A4 and B2

* * *

(d) Area A4
Except as set forth herein, the bulk regulations of the underlying district shall apply.

(1) Table A of Section 35-24 shall be modified in C6-3A districts to permit a maximum building height of 160 feet within 100 feet of a #wide street#.

(2) The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within Area A-4, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, their average height, I feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(3) In a C6-3A district, the maximum #floor area ratio# permitted on a #zoning lot# shall be 6.5.

~~(d)~~ (e) Area B2

QUEENS CB - 5 **C 060411 ZMQ**
Application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 13d:

1. changing from an R5 District to an R4 District property bounded by:

   a. a line midway between 67th Road and 67th Drive, 78th Street, 67th Drive, a line 200 feet easterly of 78th Street, 68th Avenue, 78th Street, 69th Road, 76th Street, a line 200 feet southeasterly of 69th Road, 75th Street, 69th Road, a line midway between 75th Street and 76th Street, a line 100 feet southerly of 68th Avenue, and 75th Street; and

   b. 67th Drive, 79th Street, 68th Avenue, a line 100 feet easterly of 79th Street, a line midway between 68th Avenue and 68th Road, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, 68th Avenue, 80th Street, Cooper Avenue, 69th Drive, a line 100 feet easterly of 79th Street, a line 100 feet northerly of 69th Drive, a line 100 feet northwesterly of Cooper Avenue, 69th Road, a line 100 feet westerly of 80th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet easterly of 79th Street, 69th Road, a line 100 feet westerly of 79th Street, 69th Avenue, a

line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, a line midway between 68th Road and 69th Avenue, and a line 100 feet westerly of 79th Street;

2. changing from an R5 District to an R4-1 District property bounded by:

a. a line 100 feet northerly of Metropolitan Avenue, 71st Street, a line 100 feet southerly of 66th Drive, a line 200 feet westerly of Pleasantview Street, Metropolitan Avenue, and 70th Street;

b. a line midway between Metropolitan Avenue and 67th Road, a line 125 feet easterly of 75th Street, 67th Road, and a line 100 feet easterly of 73rd Place;

c. 67th Drive, a line 100 feet westerly of 79th Street, a line midway between 68th Road and 69th Avenue, a line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, 69th Avenue, a line 100 feet westerly of 79th Street, 69th Road, a line 100 feet easterly of 79th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet westerly of 80th Street, 69th Road, a line 100 feet northwesterly of Cooper Avenue, a line 100 feet northerly of 69th Drive, a line 100 feet easterly of 79th Street, 69th Drive and its westerly centerline prolongation, a line 200 feet southeasterly of 69th Road, 76th Street, 69th Road, 78th Street, 68th Avenue, and a line 200 feet easterly of 78th Street; and

d. 68th Avenue, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, a line midway between 68th Avenue and 68th Road, and a line 100 feet easterly of 79th Street; and

3. changing from an R5 District to an R5B District property bounded by:

a. a line 225 feet northerly of Metropolitan Avenue, 70th Street, Metropolitan Avenue, and 69th Street; and

b. a line 100 feet southerly of 66th Drive, a line 425 feet easterly of Pleasantview Street, Metropolitan Avenue, and a line 200 westerly Pleasantview Street;

as shown on a diagram (for illustrative purposes only) dated April 3, 2006.

QUEENS CB - 2 **N 060504 ZRQ**

Application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York relating to Section 23-90 (Inclusionary Housing), to establish the Inclusionary Housing Program in two new R7X districts in Community District 2.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

23-141
Open space and floor area regulations in R1, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5
Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

23-142
In R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in the following Sections:

Section 23-144	(In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable)
Section 23-145	(For residential buildings developed or enlarged pursuant to the Quality Housing Program) ~~and~~
Section 23-146	(Optional provisions for certain R5 and R6 Districts in Brooklyn), ~~and Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts)~~
Section 23-147	(For non-profit residences for the elderly)

in the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following table for #buildings# with the #height factor# indicated in the table.

* * *

23-143
For high buildings in R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7~~ Districts), in the districts indicated, for #buildings# with #height factors# greater than 21, the minimum required #open space ratio# shall be as set forth in the following table:

* * *

23-144
In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable

In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable, as listed in the table below, the maximum permitted #floor area ratios# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Community District	Zoning District
Community District 1, Brooklyn	R6 R6A R6B R7A
Community District 7, Brooklyn	R8A
Community District 2, Queens	R7X

23-145
For residential buildings developed or enlarged pursuant to the Quality Housing Program

R6 R7 R8 R9 R10

* * *

~~However, the #floor area ratios# in the table in this Section shall be modified in certain R6, R7 and R8A Districts within Community Districts 1 and 7, Borough of Brooklyn, as specified in Section 23-942 (In Community Districts 1 and 7, Borough of Brooklyn).~~

* * *

~~23-144~~ **23-147**
For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~

(a) In R3, R4, R5, R6 and R7 Districts

R3 R4 R5 R6 R7

In the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

Districts	Maximum #Floor Area Ratio#	Minimum #Open Space Ratio#
R3	0.95	66.5
R4	1.29	39.4
R5	1.95	23.1
R6	3.90	17.7
R7	5.01	12.8

However, in R6 or R7 Districts, the minimum required #open space ratio# shall not apply to #non-profit residences for the elderly developed#, or #enlarged# where permitted, pursuant to the Quality Housing Program. Such #developments# or #enlargements# shall be subject to the requirements of R6A or R7A Districts, respectively, as set forth ~~in Section 23-147 (For non-profit residences for the elderly in R6A, R6B, R7A, R7B or R7X Districts).~~ paragraph (b) of this Section.

~~23-147~~
~~**For non-profit residences for the elderly in R6A, R6B, R7A, R7B and R7X Districts**~~

(b) In R6A R6B R7A R7B R7X Districts

R6A R6B R7A R7B R7X

In the districts indicated, the maximum #lot coverage# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

MAXIMUM LOT COVERAGE AND FAR FOR
NON-PROFIT RESIDENCES FOR THE ELDERLY
(in percent)

Maximum #Lot Coverage# #Corner Lot#	#Floor Area Ratio#	Maximum #Floor Area Ratio#	District
80	65	3.90	R6A
80	60	2.00	R6B
80	70	5.01	R7A
80	65	3.90	R7B
80	70	5.01	R7X

INCLUSIONARY HOUSING

* * *

23-92
Applicability

23-921
R10 Districts

* * *

23-922
~~**Community Districts 1 and 7, Borough of Brooklyn**~~
Certain R6, R7 and R8 Districts

~~**The Inclusionary Housing Program shall apply:**~~

~~(a) In the following areas of Community District 1, in the Borough of Brooklyn: located in a area bounded by South 5th Street, Grand Street Extension/ Berinquen Place, Union Avenue, Metropolitan Avenue, Humboldt Street, Meeker Avenue, Russell Street, Engert Avenue, McGuinness Boulevard, the Newtown Creek and the East River:~~

~~(1) Waterfront Access Plan BK-1, as set forth in Section 62-352;~~

~~(2) all #Special Mixed Use Districts#;~~

~~(3) all R6A, R6B and R7A Districts; and~~

~~(4) R6 Districts within the following areas:~~

~~(i) the #block# bounded by Havemeyer Street, North Sixth Street, Metropolitan Avenue and North Fifth Street;~~

~~(ii) the #block# bounded by Roebling Street, North Fifth Street, Havemeyer Street, Metropolitan Avenue and North fourth Street;~~

~~(iii) those #blocks# bounded by Wythe Avenue, Grand Street, Berry Street and South Third Street;~~

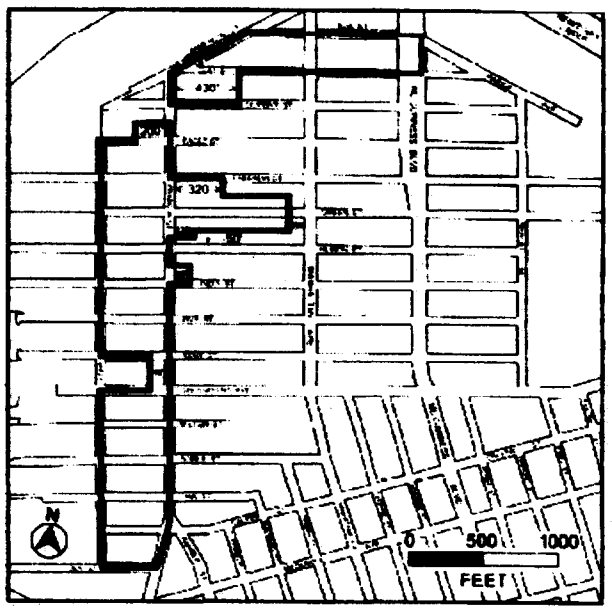
~~(iv) those #blocks# and portions of #blocks# bounded by Bedford Avenue, North 1st Street, Driggs Avenue, Fillmore Place, Roebling Street, and a line coincident with the centerline of the long dimension of the #blocks# bounded by Bedford Avenue, Grand Street, Roebling Street and South First Street;~~

~~(v) that portion of the #block# bounded by Havemeyer Street, Hope Street, Marcy Avenue and South First Street that is within 100 feet of Grand Street; and~~

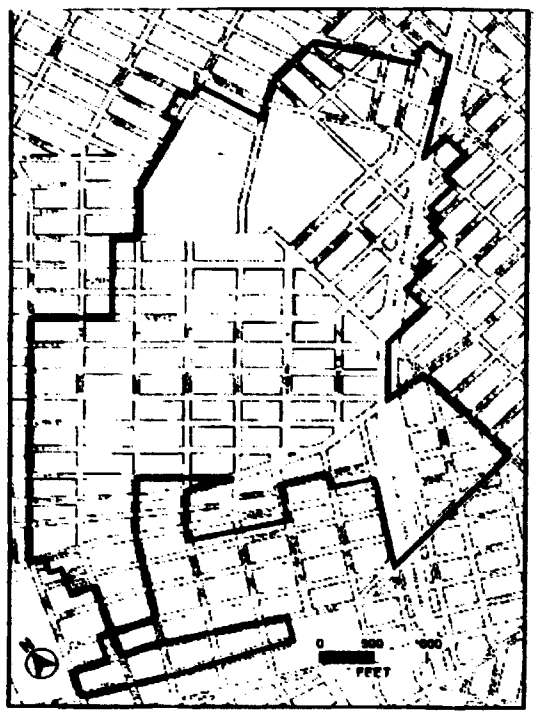
~~(vi) that portion of the #block# bounded by Franklin Street, Huron Street, Manhattan Avenue and India Street that is within 100 feet of Franklin Street and 100 feet of India Street.~~

The Inclusionary Housing Program shall apply in the following areas:

(a) In Community District 1, in the Borough of Brooklyn, in Waterfront Access Plan BK-1, as set forth in Section 62-352, and in the R6, R6A, R6B and R7A Districts within the areas shown on the following Maps 1 and 2:

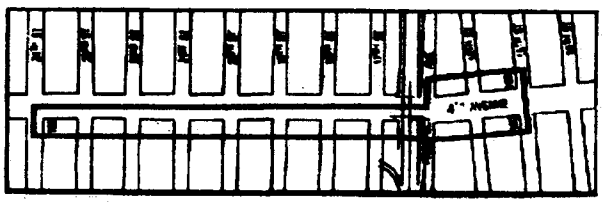


Map 1. Portion of Community District 1 Brooklyn



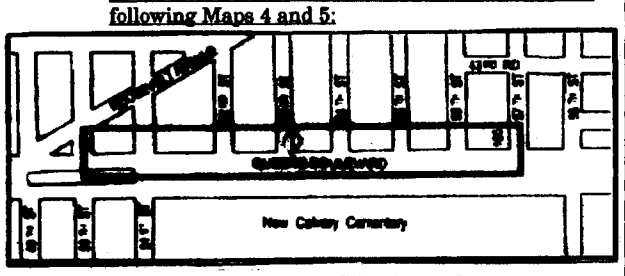
Map 2. Portion of Community District 1, Brooklyn

(b) In Community District 7, in the Borough of Brooklyn, in all the R8A districts within the area shown on the following Map 3:



Map 3. Portion of Community District 7, Brooklyn

(c) In Community District 2, in the Borough of Queens, in the R7X Districts within the areas shown on the following Maps 4 and 5:



Map 4. Portion of Community District 2, Queens

Map 5. Portion of Community District 2, Queens

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

***

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In ~~Community Districts 1, 2 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, ~~in Community Districts 1 and 7, Borough of Brooklyn,~~ in #R6, R7 and R8 designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

Lower income housing plan

***

R6, R7 and R8 designated areas

"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts)

***

23-941
In R10 Districts

***

23-942
~~In Community Districts 1 and 7, Borough of Brooklyn~~
In R6, R7 and R8 Districts

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1.

(a) Maximum #floor area ratio#

The #floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the following table, except that such #floor area# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#, up to the maximum #floor area ratio# specified in the table. However, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#. In addition, the following rules shall apply:

District	Base #floor area ratio#	Maximum #floor area ratio#
R6*	2.2	2.42
R6**	2.7	3.6
R6A	2.7	3.6
R6B	2.0	2.2
R7A	3.45	4.6
R7X	3.75	5.0
R8A	5.4	7.2

* for #zoning lots#, or portions thereof, beyond 100 feet of a #wide street#

** for #zoning lots#, or portions thereof, within 100 feet of a #wide street#

(b) Height and setback

(1) Except in #Special Mixed Use Districts#, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Special Mixed Use Districts#, where the #residence district# designation has a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to paragraph (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations). Where the #residence district# designation does not have a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(c) #Lower income housing# requirements

The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements).

23-95
Lower Income Housing Requirements

***

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.

No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

* * *

23-951
On-site new construction option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located in newly constructed #floor area# in the #compensated development#. The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contain two such units. The size of the designated #lower income housing# units shall at least be distributed among the various size units in proportion to the total distribution of unit size within the #building# in the following categories of unit sizes:

under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

For the new construction option the #lower income housing# shall be in a new #building#. For the substantial rehabilitation options, the #lower income housing# shall be in an existing #building# in which, prior to the submission of the #lower income housing plan# pursuant to this Section, any #residential# portion not in public ownership had been entirely vacant for not less than three years.

Furthermore, in Community Districts 1 and 7, Borough of Brooklyn, #R6, R7 and R8 designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

(b) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

23-953
Preservation option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

Furthermore, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas# the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

Where the designated #Residence District# is an R6, R7, R8 or R9 District, ~~the provisions of Sections 23-142 (In R6, R7, R8 or R9 Districts) through 23-144 regulating minimum required #open space ratios# and maximum #floor area ratios#~~ minimum required #open space ratio# and maximum #floor area ratio# provisions of Sections 23-142, 23-143 and paragraph (a) of Section 23-147 shall not apply. In lieu thereof, all #residential buildings#, regardless of whether they are required to be #developed# or #enlarged# pursuant to the Quality Housing Program, shall comply with the maximum #floor area ratio# and #lot coverage# requirements set forth for the designated district in Section 23-145, or paragraph (b) of Section 23-147 for #non-profit residences for the elderly#. For purposes of this Section, #non-profit residences for the elderly# in R6 and R7 Districts without a letter suffix, shall comply with the provisions for R6A or R7A Districts, respectively, as set forth in paragraph (b) of Section 23-147.

Where the designated district is an R7-3 District, the maximum #floor area ratio# shall be 5.0 and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

Where the designated district is an R9-1 District, the maximum #floor area ratio# shall be 9.0, and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

However, in designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable, as listed below, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Special Mixed Use District	Designated Residence District
MX 8 Community District 1, Brooklyn	R6 R6A R6B R7A

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, August 14, 2006:

BRONX CB - 1 20065520 HKX (N 060511 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2195) pursuant to Section 3020 of the New York City Charter of The Estey Piano Company Factory, 112-128 Lincoln Avenue (also known as 15-19 Bruckner Boulevard and 270-278 East 134th Street) (Block 2309, Lot 1), as a historic landmark.

STATEN ISLAND CB - 3 20065521 HKR (N 060512 HKR)
Designation by the Landmarks Preservation Commission (List 374/LP-2192) pursuant to Section 3020 of the New York City Charter of the Theodore F. and Elizabeth J. DeHart House, located at 134 Main Street, (Block 8028, Lot 63), as a historic landmark.

BRONX CB - 5 20065522 HKX (N 060510 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2193) pursuant to Section 3020 of the New York City Charter of The Loew's Paradise Theater First Floor Interior, located at 2405-2419 Grand Concourse (also known as 2394-2408 Creston Avenue) (Block 3165, Lot 44), as a historic landmark.

STATEN ISLAND CB - 1 20065559 HKR (N 060552 HKR)
Designation by the Landmarks Preservation Commission (List 376/LP-2190) pursuant to Section 3020 of the New York City Charter of the Mark W. Allen House, located at 665 Clove Road (Block 314, Lot 1), as a historic landmark.

MANHATTAN CB - 9 20065560 HKM (N 060547 HKM)
Designation by the Landmarks Preservation Commission (List 375/LP-2198) pursuant to Section 3020 of the New York City Charter of the Clearmont Theater Building, located at 3320-3338 Broadway, aka 536-540 West 135th Street (Block 1988, p/o Lot 1), as a historic landmark.

BRONX CB - 11 20065552 SCX
Application pursuant to § 1732 of the New York State Public Authorities Law, concerning the proposed site selection for a 550-seat primary/intermediate school facility located at the southeast corner of Van Nest Avenue and Bronxdale Avenue in DOE Region No. 2/Community School District No. 11.

The Subcommittee on Planning, Dispositions and Concessions will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, August 14, 2006:

MANHATTAN CB - 8 N 060096 NPM
A Plan submitted by Manhattan Community Board 8 concerning the open spaces, parks and waterfront access in the Queensboro Bridge area of Community District 8, for consideration pursuant to Section 197-a of the New York City Charter. The proposed plan for adoption is called "The Manhattan Community Board 8 197-a Plan for the Queensboro Bridge Area".

BROOKLYN CB - 16 C 060457 HAK
Application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2335, 2341-49 Atlantic Avenue; 1870 and 1874 Eastern Parkway and 20-30 Sherlock Place (Block 1571, Lots 1-3, 26-30, and 32-36) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City

Charter for the disposition of such property to a sponsor to be determined by HPD;

to facilitate the development of three, four-story buildings, tentatively known as Atlantic Avenue Residence, with approximately 41 residential units to be developed under the Department of Housing Preservation and Development's Habitat for Humanity Program.

a8-14

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS Have been adopted by the City Planning Commission Scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York on Wednesday, August 23, 2006, commencing at 10:00 A.M.

BOROUGH OF MANHATTAN
No. 1
ELLINGTON ON THE PARK

CD 10 **C 060474 HAM**
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 120-128 Bradhurst Avenue, 305-307 W148th Street, 2789 and 2791 Frederick Douglass Boulevard (Block 2045; Lots 64-68, 70, 71, 82 and 166) within the Bradhurst Urban Renewal Area, part of Site 33 within the Bradhurst Urban Renewal Area, as an Urban Development Action Area; and

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 8 and 12-story mixed-use building, tentatively known as Ellington on the Park, with approximately 134 cooperative units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 2
CORNERSTONE ROUND 3 – SITE 4

CD 10 **C 060409 HAM**
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

a) the designation of property located at 362-364 St. Nicholas Avenue (Block 1955; Lots 2 and 3) as an Urban Development Action Area; and

b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 11-story building with approximately 22 residential units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

BOROUGH OF STATEN ISLAND
Nos. 3, 4, 5, 6 & 7
STAPLETON WATERFRONT DEVELOPMENT
No. 3

CD 1 **C 060293 MMR**
IN THE MATTER OF an application, submitted by the Department of City Planning and Economic Development Corporation (EDC) pursuant to Sections 197-c and 199 of the New York City Charter and Section 5-430 *et seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of Front Street between Bay Street and Hannah Street, Canal Street between Bay Street and Front Street, Water Street between Bay Street and Front Street, Cross Street between Bay Street and the Staten Island Rapid Transit R.O.W., Prospect Street between Bay Street and Front Street, Sands Street between Bay Street and the Staten Island Rapid Transit R.O.W., and Baltic Street between Bay Street and Front Street;
- the elimination, discontinuance and closing of Marginal Street, Wharf or Place within an area bounded by the extension of Hannah Street, the U.S. Bulkhead Line, the extension of Greenfield Avenue, and the Staten Island Rapid Transit R.O.W.;
- the elimination, discontinuance and closing of a portion of Murray Hulbert Avenue between the north and south exits of Hannah Street;
- the realignment of Thompson Street and Hannah Street at the intersection with Front Street;
- the extinguishment of Murray Hulbert Avenue from Hannah Street to Edgewater Street, and Front Street from Murray Hulbert Avenue to Bay Street;
- the adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

all within an area bounded by Willow Avenue, Bay Street, Hannah Street, and the U.S. Bulkhead Line, in accordance with Map No. 4202 dated May 3, 2006 and signed by the Borough President.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 4

CD 1 **C 060469 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, **for the disposition of two (2) city-owned properties** located on Block 487, p/o lot 110 and Block 487 p/o lot 100 (within the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 5

CD 1 **C 060470 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, for the disposition of one (1) city-owned property located on Block 487, p/o lot 110 (up to 10,000 square feet within Public Area comprised of Esplanade, Pier Place and The Cove in the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 6

CD 1 **C 060471 ZMR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 21c and 21d:

1. changing from an M21 District to a C4-2A District property bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, Front Street*, Thompson Street, and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

2. changing from an M31 District to a C4-2A District property bounded by a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way, Thompson Street, and Front Street*; and

3. establishing a Special Stapleton Waterfront District (SW) bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the southwesterly street line of Front Street* and the southeasterly prolongation of the straight line portion, a northeasterly property line of the Staten Island Rapid Transit (SIRT), and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

as shown on a diagram (for illustrative purposes only) dated May 8, 2006 and subject to the conditions of CEQR Declaration E168.

* Note: Portions of Front Street are proposed for realignment and for mapping under a related application (C 060293 MMR) for a change in the City Map.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 7

CD 1 **N 060468 ZRR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, creating the Special Stapleton Waterfront District in Article XI, Chapter 6, and amending related sections of the Zoning Resolution.

Note: No underlining in Article XI, Chapter 6, all text is new.

Article XI – Special Purpose Districts

Chapter 6
Special Stapleton Waterfront District

116-00
GENERAL PURPOSES

The "Special Stapleton Waterfront District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include among others, the following specific purposes:

(a) encourage design of new development that is in character with the neighborhood and surrounding community;

(b) maintain and reestablish physical and visual public access to and along the waterfront;

(c) strengthen the traditional town center of Stapleton by allowing the development of new residential and commercial uses;

(d) encourage the creation of a lively and attractive environment that will provide daily amenities and services for the use and enjoyment of the working population and the new residents;

(e) take maximum advantage of the beauty of the New York Harbor waterfront, thereby best serving the business community, the residential population and providing regional recreation; and

(f) promote the most desirable use of land and thus conserve and enhance the value of land and buildings, and thereby protect City tax revenues.

116-01
Definitions

For the purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS) or in this Section.

Esplanade

The "Esplanade" is a park extending along all waterfront edges of the #Special Stapleton Waterfront District#. The #Esplanade# is shown in the District Plan, Map 1 (Special Stapleton Waterfront District, Subareas and Public Spaces), in the Appendix to this Chapter.

Mandatory front building wall

A "mandatory front building wall" is the front wall of a building that generally coincides with a #mandatory front building wall line#, as provided in Section 116-232 (Street Wall Location).

Mandatory front building wall line

"Mandatory front building wall lines" are imaginary lines extending through Subarea B of the #Special Stapleton Waterfront District# which are shown on Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, and with which building walls must generally coincide, as provided in Section 116-232 (Street Wall Location).

Pier Place and the Cove

"Pier Place" and the "Cove" are designated open spaces accessible to the public, located within the #Special Stapleton Waterfront District" as shown in the District Plan, Map 1 in the Appendix to this Chapter.

Upland connection

An "upland connection" is a pedestrian way which provides a public access route from the #Esplanade# to a public sidewalk within a public #street#. Required #upland connections# are shown in the District Plan, Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter.

Visual corridor

A "visual corridor" is a public #street# or tract of land within a #block# that provides a direct and unobstructed view to the water from a vantage point within a public #street#. Required #visual corridors# are shown in the District Plan, Map 5 in the Appendix to this Chapter.

116-02
General Provisions

In harmony with the general purposes and content of this Resolution and the general purposes of the #Special Stapleton Waterfront District#, the provisions of this Chapter shall apply to all #developments#, #enlargements# and changes of #use# within the #Special Stapleton Waterfront

District#. The regulations of all other Chapters of this Resolution are applicable except as modified, supplemented or superseded by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

Within the #Special Stapleton Waterfront District#, the regulations of the underlying C4-2A District shall apply, as modified in this Chapter.

116-03
District Plan and Maps

The District Plan for the #Special Stapleton Waterfront District# identifies specific areas comprising the Special District in which special zoning regulations are established in order to carry out the general purposes of the #Special Stapleton Waterfront District#. These areas shall include the #Esplanade#, Subareas A, B1, B2, B3, B4, B5, C, and two designated public open spaces: the #Cove# and the #Pier Place#.

The District Plan includes the following maps in the Appendix to this Chapter.

Map 1 - Special Stapleton Waterfront District, Subareas and Public Spaces
Map 2 - Ground Floor Use and Frontage Requirements
Map 3 - Mandatory Front Building Wall Lines
Map 4 - Restricted Curb Cut and Off-Street Loading Locations
Map 5 - Upland Connections and Visual Corridors

The maps are hereby incorporated and made part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in the text of this Chapter shall apply.

116-04
Subareas

In order to carry out the purposes and provisions of this Chapter, the following subareas are established within the #Special Stapleton Waterfront District#: Subarea A, Subarea B, comprised of Subareas B1, B2, B3, B4 and B5, Subarea C, #Esplanade#, #Pier Place# and the #Cove#. In each of these subareas, special regulations apply that may not apply in other subareas.

116-05
Applicability

The provisions of Article VI, Chapter 2 (Special Regulations Applying in the Waterfront Area) shall not apply in the #Special Stapleton Waterfront District#, except where specifically stated otherwise in this Chapter.

#Lower density growth management area# regulations shall not apply in the #Special Stapleton Waterfront District#.

116-10
SPECIAL USE REGULATIONS

Within the #Special Stapleton Waterfront District#, the following special #use# regulations shall apply. The #use# regulations of the underlying C4-2A District shall be modified by the following Sections 116-101 through 116-13:

116-101
Use Groups 12 and 14

The #uses# listed in Section 32-21 (Use Group 12) shall not be permitted in Subarea C.

The #uses# listed in Section 32-23 (Use Group 14) shall be permitted in the #Special Stapleton Waterfront District#; however, boat storage, repair or painting shall be allowed without restriction relating to boat length.

116-102
Special permit uses

#Physical culture or health establishments# shall be permitted in Subarea B2. The special permit provisions of Section 73-36 shall not apply.

116-103
Supplementary use regulations

The provisions of Section 32-41 (Enclosure within Buildings) shall be modified as follows: In Subarea B3, a Farmers Market may be unenclosed.

The provisions of Section 32-423 (Limitation on ground floor location) shall be modified as follows: In Subareas B1 and B2, the #uses# listed in Section 32-18 (Use Group 9) may be located on the ground floor and within 50 feet of any #street wall# of the #building# and with #show windows# facing on the #street#.

116-11
Special Sign Regulations

The #sign# regulations of the underlying C4-2 District in Section 32-60 (Sign Regulations) shall be modified as follows: #flashing signs# shall not be permitted in the #Special Stapleton Waterfront District#.

116-12
Mandatory Ground Floor Use and Frontage Requirements

The provisions of Section 32-433 (Ground floor use in C1, C2 and C4 Districts in the Borough of Staten Island) shall not apply in the #Special Stapleton Waterfront District#. However, on designated #streets# and #mandatory front building wall lines# in Subareas B3 and C, as shown on Map 2 in the Appendix to this Chapter, the special ground floor #use# and frontage regulations of this Section shall apply to any #development# or #enlargement#.

#Uses# located on the ground floor level, or within two feet of the as-built level of the adjoining sidewalk, shall be limited to the non-#residential uses# permitted by the underlying district regulations, as modified by the special #use# provisions of this Chapter. A building's ground floor frontage shall be allocated exclusively to such #uses#, and shall have a depth of at least 30 feet from the #street wall# of the #building# and extend along the entire width of the #building#, except for lobbies or entrances to #accessory# parking spaces.

In no event shall lobbies and entrances to #accessory# parking spaces occupy more than 50 percent of the building's total frontage along such #street# or #mandatory front building wall line#, or 35 feet, whichever is less. However, the total length of such frontage occupied by such lobbies and entrances need not be less than 25 feet.

116-13
Transparency Requirements

Within the #Special Stapleton Waterfront District#, the transparency requirements of this Section shall apply to any #development# or an #enlargement# where the #enlarged# portion of the ground floor of the #building# is within eight feet of the #street line# and where non-#residential uses# are located on the ground floor level or within two feet of the as-built level of the adjoining sidewalk.

At least 50 percent of a building's front building wall surface shall be glazed and transparent at the ground floor level. For the purpose of the glazing requirements, the building's #street wall# surface at the ground floor level shall be measured from the floor to the height of the ceiling or 14 feet above grade, whichever is less. The lowest point of any transparency that is provided to satisfy the requirements of this Section shall not be higher than four feet above the as-built level of the adjoining sidewalk.

116-20
SPECIAL BULK REGULATIONS

The special #bulk# regulations of this Section shall apply within the #Special Stapleton Waterfront District#.

116-21
Residential Bulk Regulations in C4-2A Districts

The provisions of Sections 34-112 and 35-23 (Residential Bulk Regulations in other C1 or C2 Districts or in C3, C4, C5 or C6 Districts) are modified as follows:

The applicable #bulk# regulations for #residential uses# in C4-2A Districts shall be those for R6B districts.

116-22
Maximum Floor Area Ratio

The maximum #floor area ratio# for all #uses# shall be 2.0.

116-221
Special floor area regulations for mixed buildings

For #buildings# containing #residences#, the area in such #buildings# occupied by non-#residential uses# on the ground floor, or within two feet of the as-built level of the adjoining sidewalk, shall be excluded from the definition of #floor area# in Section 12-10.

116-23
Special Height and Setback Regulations

The special height and setback regulations set forth in this Section shall apply.

116-231
Special rooftop regulations

The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings or other structures# in the #Special Stapleton Waterfront District#, except the provisions of paragraph(c) of Section 33-42 shall not apply. In lieu thereof, the following regulations shall apply:

Elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures) may exceed a maximum height limit provided that either:

(a) the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage; or,

(b) the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 20 feet.

In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

116-232
Street wall location

In Subarea A, the underlying #street wall# location regulations shall apply.

In Subareas B and C, the underlying #street wall# location regulations of a C4-2A District, or an R6B District as applicable, shall be modified as set forth in this Section. Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, specifies locations in Subareas B and C where #mandatory front building wall# requirements apply as follows:

(a) Type 1: Front building walls shall be coincident with and extend along the entire length of the #mandatory front building wall line#, except to allow articulation at the intersection of two such lines, the front building wall may be located anywhere within 15 feet of their point of intersection.

(b) Type 2: Front building walls shall be located within eight feet of and extend along at least 70 percent of the length of the #mandatory front building wall line#. For phased #development#, this requirement may be satisfied by more than one # building#, provided that upon completion 70 percent of the length of the #mandatory front building wall line# is occupied by such front building walls.

(c) Wherever Map 3 does not indicate a #mandatory front building wall line#, the underlying #street wall# location rules shall apply.

If more than one #building# is developed in Subareas B1, B2, B3 or B4, the first #building# shall be located along a Type 1 #mandatory front building wall line#. Subsequent buildings shall locate along a Type 2 #mandatory front building wall line# until 70 percent of the length of the #mandatory front building wall line# is occupied.

All #mandatory front building walls# shall rise without setback to a maximum height of 40 feet or the height of the #building#, whichever is less. A #building# may exceed a height of 40 feet, up to the maximum building height specified in Section 116-233 if a setback is provided at a minimum height of 35 feet. Such setback shall have a minimum depth of 10 feet and shall be measured from the front building wall. Recesses shall be permitted on the ground floor where required to provide access to the #building#. Above the ground floor, up to 30 percent of the aggregate width of the front building wall may be recessed. However, in Subarea B2, the #mandatory front building wall# may rise without setback to the permitted maximum height of the #building#.

116-233
Maximum building height

Within the #Special Stapleton Waterfront District#, the maximum height of a #building or other structure# shall not exceed 50 feet, except in Subarea B2 where the maximum height of a #building or other structure# shall not exceed 60 feet.

116-30
SPECIAL ACCESSORY OFF-STREET PARKING AND LOADING REGULATIONS

Within the #Special Stapleton Waterfront District#, the parking and loading regulations of the underlying C4-2A District shall apply, except as modified in this Section.

116-31
Modification of Required Accessory Off-Street Parking Spaces Regulations for Certain Commercial Uses

The following #uses# listed in Section 32-23 (Use Group 14) shall be subject to the parking requirements applicable to a C4-2 District pursuant to Section 62-53 (Parking Requirements for Commercial Docking Facilities):

Boat rentals, open or enclosed [PRC–H]

Docks for ferries, other than #gambling vessels#, limited to an aggregate operational passenger load, per #zoning lot#, of 150 passengers per half hour [PRC-H]

Docks for sightseeing, excursion or sport fishing vessels, other than #gambling vessels#

Docks or mooring facilities for non-commercial pleasure boats [PR-H]

116-32
Modification of Waiver of Requirements

The provisions of Section 36-362(For new development or enlargements in other C1 or C2 Districts or in C4, C5 or C6 Districts) shall not apply.

All other waivers of parking requirements shall only apply to #zoning lots# existing both on (the effective date of amendment) and on the date of application for a building permit.

116-33
Modification of Location of Parking Spaces

For all #zoning lots# with frontage on Front Street, no #accessory# off-street parking spaces shall be located in any open area that is between the #street wall# of the #building# and the Front Street #street line#; except that such spaces may be located between the #street wall# of the #building# and the Front Street #street line# in Subarea B5.

116-34
Location and Width of Curb Cuts

Curb cuts are prohibited in the locations shown on Map 4 (Restricted Curb Cut and Off-Street Loading Locations), in the Appendix to this Chapter.

In Subarea C, for #zoning lots# with access only to Front Street, only one curb cut shall be permitted along Front Street.

Within the #Special Stapleton Waterfront District#, the maximum width of curb cuts shall not exceed 25 feet, including splays.

116-35
Screening and Tree Planting Requirements for Parking Facilities

The provisions of this Section shall apply to any new or #enlarged# open off-street parking facility with ten spaces or more.

(a) Screening

Such off-street parking facilities shall be screened in accordance with the provisions of this Section from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, and from any designated open space accessible to the public situated on the same #zoning lot#, including the #Esplanade#.

Such screening shall consist of a strip at least four feet wide, densely planted with evergreen shrubs at least four feet high at the time of planting and which are of a type which may be expected to form a year–round dense screen at least six feet high within three years.

#Accessory# parking spaces that front upon a #street# shall be screened by a strip at least four feet wide and densely planted with evergreen shrubs to be maintained at all times at a height not less than two and one-half feet and not more than four feet.

In addition, a wall or barrier or uniformly-painted fence of fire-resistant material at least four feet high but not more than eight feet above finished grade may be provided. Such wall, barrier, or fence must be 100 percent opaque up to a height of four feet above the finished grade of the parking facility and not more than 35 percent opaque above four feet. No chain link fences shall be permitted. All permitted fences shall be located behind landscaped areas when viewed from the street.

Such screening shall be maintained in good condition at all times, may be interrupted by normal entrances or exits, and shall have no signs hung or attached thereto other than those permitted in Sections 32-60 (Sign Regulations) inclusive, or 62-674 (Signage).

(b) Tree planting requirements

Trees, pre-existing or newly-planted, shall be provided at the rate of one tree for every eight open parking spaces within the off-street parking facility and may be located on the perimeter of the parking facility or in planting islands within the parking area. For parking facilities with more than 25 open parking spaces, at least 30 percent of trees provided to meet this requirement shall be located in planting islands within the parking area. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-40
UPLAND CONNECTIONS AND VISUAL CORRIDORS

116-41
Upland Connections

In the locations shown on Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter, #upland connections# shall be provided. An #upland connection# traversing a #zoning lot# shall consist of a single pedestrian circulation zone bordered continuously along both sides by buffer zones.

(a) Required Dimensions

The minimum width of the #upland connection# shall be 30 feet, within which the pedestrian circulation zone shall have a minimum width of 16 feet and each buffer zone shall have a minimum width of seven feet. When an #upland connection# or a portion thereof is located within a private drive, no buffer zone is required.

(b) Buffer zone

The provisions of paragraph(b)(2)of Section 62-62 (General Requirements for Public Access Areas) shall apply.

(c) Permitted Obstructions

The provisions of Section 62-626 (Permitted obstructions) shall apply to #upland connections# within the #Special Stapleton Waterfront District#. Certain permitted obstructions listed in sub-paragraph (a)(2)(iii)of Section 62-626, are further subject to the tree and planting requirements of Section 62-675. WD (Water-dependent)uses referenced in paragraph (c) of Section 62-626 shall be as listed in Section 62-211.

116-42
Visual Corridors

#Visual corridors# shall be provided for #developments# in the locations shown on Map 5 in the Appendix to this Chapter. Such #visual corridors# shall be subject to the requirements of Section 116-522 (Design requirements for visual corridors).

116-50
Special Urban Design Requirements

The special urban design requirements of this Section, inclusive, shall apply to all #developments# and #enlargements# within the #Special Stapleton Waterfront District#:

116-51
#Street# trees

#Street# trees, pre-existing or newly-planted, shall be provided along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line and shall be provided at the rate of one tree for each 25 feet of frontage. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-52
Design Requirements for Upland Connections and Visual Corridors

116-521
Design requirements for upland connections

(a) Circulation and access

(1) Where an #upland connection# is located within a private drive, a circulation path with a minimum clear width of six feet shall be provided in each pedestrian circulation zone. The remaining area shall be planted pursuant to the provisions of paragraph (c) of this Section.

(2) All other #upland connections# through #zoning lots# shall have a circulation path with a minimum clear width equal to the minimum required width of the pedestrian circulation zone.

(b) Seating

For #upland connections# 100 feet in length or greater, a minimum of 24 linear feet of seating shall be provided.

(c) Planting

Where an #upland connection# is located within a private drive, a single row of shade trees shall be planted adjoining a required circulation path in accordance with the standards of Section 62-675 (Planting and trees). Within all #upland connections#, any unpaved area shall be planting area.

116-522
Design requirements for visual corridors

The requirements of this Section shall apply to all #visual corridors#. When a #visual corridor# coincides with an #upland connection#, the provisions of Section 116-521 (Design requirements for upland connections) shall also apply.

No #building or other structure# shall be erected within the width of a #visual corridor#, except as provided in this Section. #Visual corridors# shall be the width of the #street# but shall not be less than 50 feet wide.

Permitted obstructions within #visual corridors# shall be limited to:

(a) boats, ships or other vessels, and #floating structures# permitted as-of-right by paragraph (a)of Section 62-25 (Uses on Floating Structures);

(b) any moving or parked vehicles or street furniture, including but not limited to, benches, seats, kiosks, carts and open display booths, lighting fixtures, flagpoles, trash receptacles, drinking fountains and public telephones;

(c) guardrails and fences provided they comply with the design standards of Section 62-671 (Guardrails, gates and other protective barriers), except that fences may be eight feet high;

(d) sculpture;

(e) planting areas, provided that no shade trees are planted within a 15 foot wide area along both sides of the center line of the #visual corridor#; and

(f) those obstructions permitted in #rear yards# as listed in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), except walls exceeding four feet in height shall not be permitted.

116-53
Waterfront public access signage

The New York City Waterfront Symbol Plaque shall be used to direct the public to waterfront public access areas including the #Esplanade# and #upland connections# and to identify the entry points of these areas. Such signage shall be provided in accordance with requirements of Section 62-674 (Signage).

116-54
Refuse Storage Areas

Refuse shall be stored within a completely enclosed #building#.

COURT NOTICE

SUPREME COURT

NOTICE

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

JUVENILE JUSTICE

■ SOLICITATIONS

Human / Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. hbavaro@djj.nyc.gov

■ INTENT TO AWARD

Human / Client Service

SAFE HORIZON (VICTIM SERVICES) – Negotiated Acquisition – PIN# 00207DMPS153 – DUE 08-14-06 AT 5:00 P.M. – CJC intends to enter into negotiations with only the existing provider of victim services for the provision of court and community-based services including the operation of crime victims and domestic violence hotlines, restitution services, counseling, child advocacy services, domestic violence prevention programs, lock replacement, and assistance with applying to the Crime Victim Compensation Board.

In accordance with Section 3-01(d)(1)(iv) of the Procurement Policy Board Rules, CJC intends to use the negotiated acquisition process to extend the terms of the subject contract from July 1, 2006 to June 30, 2008, and hence will negotiate with the existing contractor only. Vendors interested in responding to a future solicitation for these services should so indicate either in writing to the address listed or via-email to the e-mail address listed by the due date.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Proposed Rules

Notice of Opportunity to Comment On Proposed Rules Governing

Tax Exemption under §421-b of the Real Property Tax Law

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Housing Preservation and Development by §1802 (6)(c) and in accordance with the requirements of §1043 of the New York City Charter that the Department of Housing Preservation and Development intends to modify the rules governing tax exemption under §421-b of the Real Property Tax Law of the State of New York. Additions to the rules are underlined and proposed deletions are [bracketed].

Written comments regarding these rules may be sent to the Department of Housing Preservation and Development, Attention: Lisa S.J. Yee, TIP Director, 100 Gold Street, Room 9U-7A, New York, New York 10038, on or before September 15, 2006. A public hearing shall be held from 10:00 A.M. to 1:00 P.M. on September 15, 2006, at 100 Gold Street, 9th floor, Room 9V-6, New York, New York. Persons seeking to testify are requested to notify the TIP Director at the foregoing address. Written comments and a summary of oral comments received at the hearing will be available for public inspection within a reasonable time after receipt between the hours of 9:00 A.M. and 5:00 P.M. at the Office of the TIP Director.

Persons that request that a sign language interpreter or other form of a reasonable accommodation for a disability be provided at the hearing are requested to notify the TIP Director by September 8, 2006.

The proposed rule amendments were included in HPD's 2006-7 Regulatory Agenda.

Section one. Section 7-01 of Chapter 7 of Title 28 of the Rules of the City of New York is amended by adding a new definition to read as follows:

Department. "Department" means the Department of Housing Preservation and Development of the City of New York.

§2. Section 7-05 of Chapter 7 of Title 28 of the Rules of the City of New York is amended by adding two new subdivisions (g) and (h) to read as follows:

(g) All applicants for a Preliminary or Final Certificate of Eligibility must, in addition to the timely filing of an application, provide all of the required documentation for such application on or before December 31, 2008.

(h) Notwithstanding anything to the contrary contained in this section, the Department may waive the filing deadlines for an application for a Final Certificate of Eligibility set forth in Sections 7-05(d) and 7-05(e) of this chapter if (1) the Department, in its sole discretion, determines that the owner of such private dwelling reasonably relied upon a representation by the seller of such private dwelling that the seller would file or had filed the application for the Final Certificate of Eligibility, and (2) the owner of such private dwelling provides all of the required documentation for such application on or before December 31, 2008.

Statement of Basis and Purpose. HPD's rules require applications for Final Certificates of Eligibility for 421-b tax benefits to be filed within 90 days of issuance of a Certificate of Occupancy for a new private dwelling. The proposed rule amendment allows HPD to waive the filing deadline for such applications in certain instances in order to ensure that homeowners who purchase private dwellings with the reasonable expectation that their new homes will be eligible for 421-b benefits are not penalized due to the seller's misrepresentations regarding the filing of a 421-b application. The proposed rule amendments also provide that all of the required documentation for any application for a Preliminary or Final Certificate of Eligibility must be filed on or before December 31, 2008.

Shaun Donovan, Commissioner

OFFICE OF THE MAYOR

■ NOTICE

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

EXECUTIVE ORDER No. 94

August 10, 2006

TRANSFER TO DEPARTMENT OF INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS OF SPECIFIED FUNCTIONS OF THE DEPARTMENT FOR THE AGING

WHEREAS, the Department of Information Technology and Telecommunications and its 311 Citizen Service Center have successfully provided New Yorkers with rapid and efficient access to City services;

WHEREAS, the Department of Information Technology and Telecommunications is now engaged in a major initiative to provide information and referrals relating to human services, including enhancing the capability of the 311 Citizen Service Center;

WHEREAS, the transfer of certain informational functions currently performed by the Department for the Aging would further that initiative and assist in providing quality service to the City's seniors; and

WHEREAS, section 1072(p) of the Charter grants the Department of Information Technology and Telecommunications power to perform such responsibilities with respect to information technology and telecommunications as the Mayor shall direct;

NOW, THEREFORE, by the power vested in me as Mayor of the City of New York, it is hereby ordered:

Section 1. Effective November 19, 2006, or as soon as practicable thereafter, the function of receiving requests for assistance from the public and providing responses and appropriate referrals in the Department for the Aging and functions ancillary thereto shall be transferred to the Department of Information Technology and Telecommunications.

§ 2. The function of directly supervising operations in relation to the functions described in Section 1 shall also be transferred to the Department of Information Technology and Telecommunications.

§ 3. The Department of Citywide Administrative Services, the Department of Information Technology and Telecommunications, and the Department for the Aging shall take all steps necessary, consistent with applicable law, to implement Sections 1 and 2 of this Order, including the transfer, pursuant to section 70(2) of the Civil Service Law, of employees substantially engaged in the performance of the functions described in Sections 1 and 2. Employees who are subject to pending disciplinary charges on the date of the functional transfer, or against whom a disciplinary penalty has been assessed but not yet served or paid on or prior to such date, shall be retained by the Department for the Aging until the resolution of the adjudicative or administrative proceedings and until any outstanding disciplinary penalty has been served or paid.

§ 4. Section 6 of Executive Order No. 46 for the year 2004 is hereby revoked.

§ 5. The Director of the Mayor's Office of Operations is hereby delegated the authority specified in section 1072(p) of the Charter to direct the transfer of functions of receiving calls or other requests for assistance from the public and providing responses and appropriate referrals and similar or ancillary functions to the Department of Information Technology and Telecommunications in addition to those functions transferred in accordance with this Order, Executive Order No. 31 for the year 2002, and Executive Order No. 46 for the year 2004. Any such transfers shall be consistent with section 70(2) of the Civil Service Law, where such provision is applicable.

§ 6. This Order shall take effect immediately, and shall be filed with the City Clerk who shall forward it to the City Record for publication.

Michael R. Bloomberg
Mayor

96-20 Rockaway Beach Boulevard, Queens	111/06	July 24, 2003 to Present

The Department of Housing Preservation and Development has received an application for a certification that during the inquiry period noted for the premises above, that no harassment has occurred at such premises in the form of threats, use of physical force, deprivation of essential services such as heat, water, gas or electric, or by any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy. Upon the issuance of a Certification, an owner can legally convert the premises to non-single room occupancy use.

Comments as to whether harassment has occurred at the premises should be submitted to the Operations Division, Anti-Harassment Unit, 100 Gold Street, 3rd Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

OFFICE OF PRESERVATION SERVICES
CERTIFICATION OF NO HARASSMENT UNIT

REQUEST FOR COMMENT ON APPLICATION FOR CERTIFICATION OF NO HARASSMENT PURSUANT TO THE SPECIAL CLINTON DISTRICT PROVISIONS OF THE ZONING RESOLUTION

DATE OF NOTICE: August 7, 2006

TO: OCCUPANTS, FORMER OCCUPANTS AND OTHER INTERESTED PARTIES OF

Address	Application #	Inquiry Period
733 8th Avenue, Manhattan a/k/a 301 West 46th Street	94/06	July 7, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the Special Clinton District, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Housing Litigation Division, SRO Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

AGENCY PUBLIC HEARINGS ON CONTRACT AWARDS

"These Hearings may be cablecast on NYC TV Channel 74 on Sundays, from 5:00 p.m. to 7:00 p.m. For more information, visit: www.nyc.gov/tv" NOTE: Individuals requesting Sign Language Interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, N.Y. 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay services.

OFFICE OF THE CRIMINAL JUSTICE COORDINATOR

PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a **Special Contract Public Hearing** will be held on **Monday, August 21, 2006,** in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M. on the following:

IN THE MATTER of a proposed contract between the Criminal Justice Coordinator's Office and Safe Horizon, Inc., located at 2 Lafayette Street, New York, NY 10007, for the provision of services to victims of crime throughout New York City. The contract shall be in an amount not to exceed $16,971,776. The contract term shall be from July 1, 2006 to June 30, 2008. There shall be no option to renew.

PIN #: 00207DMPS153.

The proposed contractor has been selected by means of Negotiated Acquisition Extension, pursuant to Section 3-04 (b) (2) (iii) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Office of the Criminal Justice Coordinator, One Centre Street, Room 1012N, New York, NY 10007, from August 10, 2006 to August 21, 2006, excluding Saturdays, Sundays and Holidays, from 9:00 A.M. to 12:00 P.M. and from 2:00 P.M. to 4:00 P.M.

YOUTH AND COMMUNITY DEVELOPMENT

PUBLIC HEARINGS

PUBLIC HEARING WITHDRAWN

NOTICE IS HEREBY GIVEN that a Special Contract Public Hearing **originally scheduled to be held on Monday, August 21, 2006,** in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M., **is hereby withdrawn**.

IN THE MATTER of a proposed contract between the Department of Youth and Community Development and the contractor detailed below, for the operation of New York Immigration/Refugee Assistance ESOL which seeks to provide ESOL programs for adults. The provider, contract amount and PIN number is indicated below. The term of the contract shall be from July 1, 2006 to June 30, 2007 and shall contain no options to renew.

Contractor

Institute for Puerto Rican Hispanic Elderly, Inc. 105 East 22nd Street, New York, NY 10010

Amount	Location	PIN Number
$120,960	Citywide	26007077681C

The proposed contractor has been selected by means of a Negotiated Acquisition Extension, pursuant to Section 3-04 (b) (2) (iii) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Department of Youth and Community Development, Office of the ACCO, 156 William Street, 2nd Floor, New York, NY 10038, on business days, from August 8, 2006 to August 21, 2006, between the hours of 9:00 A.M. and 5:00 P.M., excluding Holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within 5 days after publication of this notice. Written requests to speak should be sent to Ms. Patricia Chabla, Agency Chief Contracting Officer, 156 William Street, 2nd Floor, New York, NY 10038, pchabla@dycd.nyc.gov. If the Department of Youth and Community Development receives no written requests to speak within the prescribed time, the Department reserves the right not to conduct the public hearing.

COMMUNICATION dated August 9, 2006, from the Department of Youth and Community Development, requesting withdrawal of this contract.

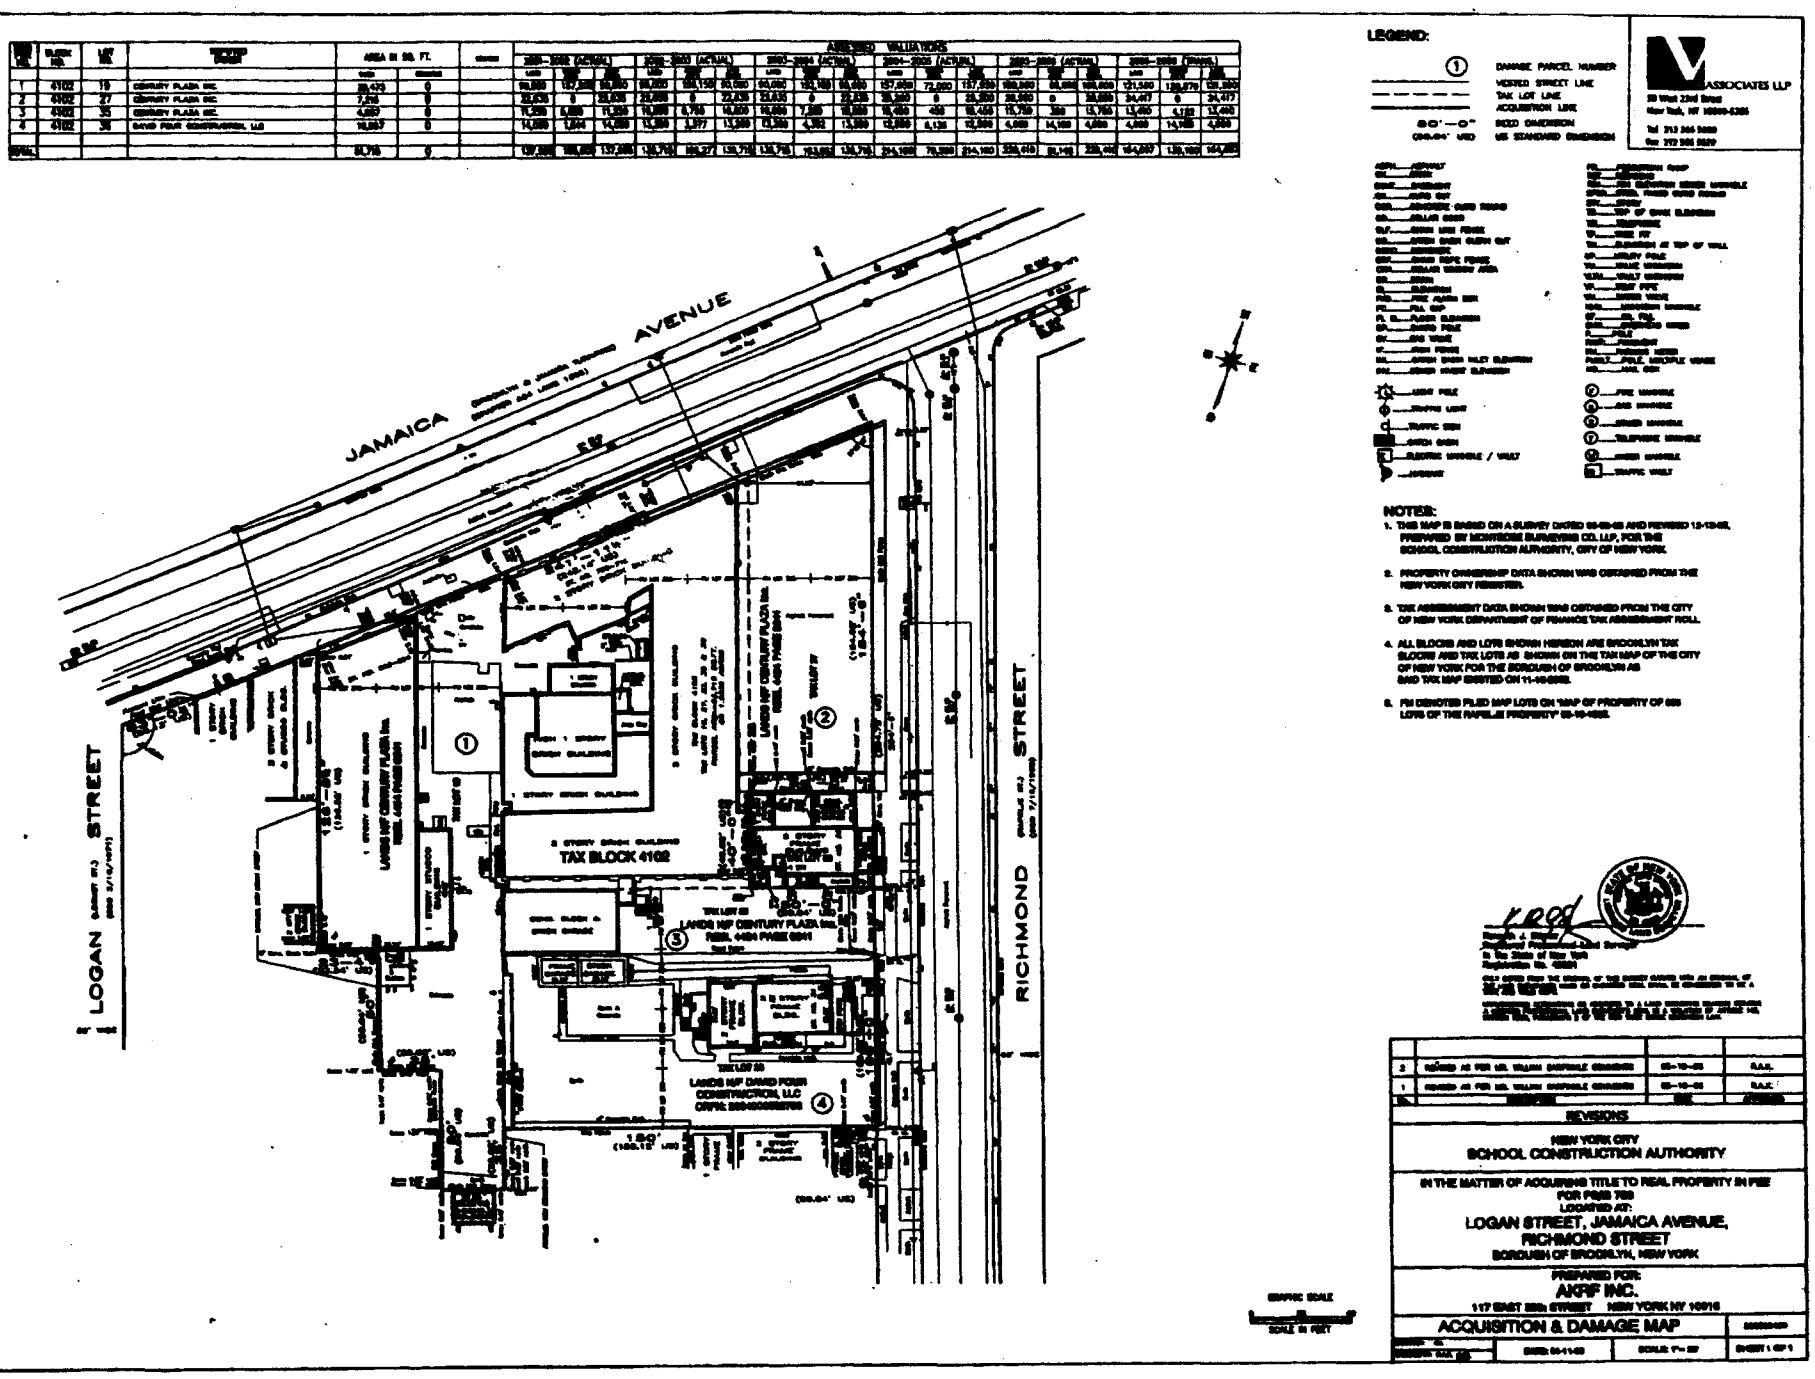
COURT NOTICE MAP FOR NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY PS/IS 798K



READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal (including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)

Special Case Solicitations / Summary of Circumstances:

CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/** Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition

For ongoing construction project only:

NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default

For Legal services only:

NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price

Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)

OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

CITY COUNCIL

■ **PUBLIC HEARINGS**

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearings on the matters indicated below:

The Subcommittee on Zoning and Franchises will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Monday, August 14, 2006:

CITYWIDE **20075011 GFY**
Resolution authorizing franchises for cable television services.

MANHATTAN CB - 3 **20065428 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of 7th & Barrow LLC, d/b/a Sushi Samba, to establish, maintain and operate an unenclosed sidewalk café located at 87 Seventh Avenue.

MANHATTAN CB - 2 **20065509 TCM**
Application pursuant to §20-226 of the Administrative Code of the City of New York, concerning the petition of LADL LLC, d/b/a Jack, to establish, maintain and operate an unenclosed sidewalk café located at 80 University Place.

QUEENS CB - 2 **C 050375 MMQ**
Application submitted by Terra Cotta LLC, c/o Silvercup Studios, pursuant to Sections 197-c and 199 of the New York City Charter, for an amendment to the City Map involving:

- a change of legal grades in 43rd Avenue between Vernon Boulevard and the East River, in accordance with Map No. 4988 dated February 7, 2006 and signed by the Borough President.

QUEENS CB - 2 **C 060323 ZMQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 9b:

1) changing from an M1-4 District to an M1-5/R10 District property bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River; and

2) establishing a Special Mixed Use District (MX-9) within the area bounded by the southwesterly boundary line of Queensbridge Park, Vernon Boulevard, 43rd Avenue, and the U.S. Pierhead and Bulkhead Line of the East River;

as shown on a diagram (for illustrative purposes only) dated February 21, 2006, and subject to the conditions of CEQR Declaration E-164.

QUEENS CB - 2 **N 060324 ZRQ**
Application submitted by Terra Cotta LLC pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York, relating to Article XII, Chapter 3 (Special Mixed Use District), to establish the Special Mixed Use District MX-9 and establish special permit provisions for signs in the MX-9 District in Community District 2.

Chapter 3
Special Mixed Use District

***

12/10/97

123-20
SPECIAL USE REGULATIONS
In #Special Mixed Use Districts#, all #uses# permitted in the designated #Residence District# and all #uses# permitted in the designated M1 District, as set forth in any other provision of this Resolution other than Special Purpose Districts, shall be permitted, except as superseded, modified or supplemented by this Section and provided that #signs# shall comply with the requirements of Section 123-40 (SIGN REGULATIONS).

***

12/10/97

123-40
SIGN REGULATIONS
In #Special Mixed Use Districts#, the provisions regulating #signs# in C6-1 Districts, as set forth in Section 32-60 (SIGN REGULATIONS), shall apply for any #sign#. For the purposes of applying such regulations in #Special Mixed Use Districts#, all references to #mixed buildings# shall include #mixed use buildings#.

<u>In MX-9 Districts, the provisions of this section shall apply except that the City Planning Commission may permit the modification of the applicable provisions of Sections 32-64</u>

(Surface Area and Illumination Provisions) and 32-65 (Permitted Projection or Height of Signs), provided the Commission finds that such #signs# are consistent with the character of the surrounding area. However, no modification shall be made to the applicable provisions of Section 32-644 (Illuminated or flashing signs in C4, C5-4, C6 or C7 Districts) relating to #flashing signs#.

6/23/05

123-90
SPECIAL MIXED USE DISTRICTS SPECIFIED
The #Special Mixed Use District# is mapped in the following areas:

#Special Mixed Use District# - 1: (12/10/97) Port Morris, The Bronx

The #Special Mixed Use District# - 1 is established in Port Morris in The Bronx as indicated on the #zoning maps#.

***

#Special Mixed Use District# - 9: (effective date) Northern Hunter's Point Waterfront, Queens.

The #Special Mixed Use District# - 9 is established in the Northern Hunter's Point Waterfront in Queens as indicated on the #zoning maps#.

QUEENS CB - 2 **C 060325 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-561 of the Zoning Resolution to allow an attended accessory parking garage with a maximum capacity of 1,400 spaces in a portion of the ground floor, mezzanine, cellar, and sub-cellar, in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060326 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 62-736 of the Zoning Resolution to modify the following Sections of the Zoning Resolution:

1. Section 123-662 and Section 62-341(c)1 to allow the building within an initial setback distance to exceed 65 feet in height for commercial use and to exceed 110 feet in height for residential and community facility use;

2. Section 123-662 and Section 62-341(c)2 to allow the maximum building height to exceed 185 feet in height for commercial use and to exceed 350 feet in height for residential and community facility use;

3. Section 62-341(c)4 to allow the residential story located entirely above the maximum base height to exceed a gross area of 8,100 square feet;

4. Section 62-341(c)5 to allow any story of a building located entirely above a height of 150 feet to exceed 85 percent of the gross area of the highest story of the same building located entirely below a height of 150 feet; and

5. Section 62-341(c)6 to allow the maximum length of a building which faces a shoreline and is entirely above the maximum base height to exceed 100 feet;

in connection with a proposed mixed use development on property generally bounded by Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20 and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

QUEENS CB - 2 **C 060327 ZSQ**
Application submitted by Terra Cotta LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 123-40 of the Zoning Resolution to permit the modification of signage regulations of Section 32-64 (Surface Area and Illumination Provisions) and Section 32-65 (Permitted Projection or Height of Signs), in connection with a proposed mixed use development on property generally bounded by the Queensboro Bridge, Vernon Boulevard, 43rd Avenue, and the East River (Block 477, Lots 13, 15, 20, and 24), in an M1-5/R10 District, within the Special Mixed Use District (MX-9).

MANHATTAN CB - 1 **C 040543 ZMM**
Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section 12a:

1. changing from an M1-5 District to a C6-2A District property bounded by Watts Street, Washington Street, Hubert Street, and a line 85 feet westerly of Washington Street; and

2. changing from an M1-5 District to a C6-3A District property bounded by Watts Street, a line 85 feet westerly of Washington Street, Hubert Street, and West Street;

within the Special Tribeca Mixed Use District, as shown on a diagram (for illustrative purposes only) dated February 6, 2006, and subject to conditions of CEQR Declaration E-162.

MANHATTAN CB - 1 **N 040544 ZRM**
Application submitted by Truffles LLC pursuant to Section 200 of the New York City Charter, for amendment of the Zoning Resolution of the City of New York relating to Section 111-00 (Special Tribeca Mixed Use District), to create a new Area A4 within the special district, and to apply certain use and bulk regulations within the proposed Area A4.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;

111-03
District Map

The District Map for the #Special Tribeca Mixed Use District# (Appendix A) identifies special areas comprising the Special District in which special zoning regulations carry out the general purposes of the #Special Tribeca Mixed Use District#. These areas are as follows:

Area A1 - General Mixed Use Area
Area A2 - Limited Mixed Use Area (Commercial and Residential Uses)
Area A3 - General Mixed Use Area
Area A4- General Mixed Use Area
Area B1 - Limited Mixed Use Area
Area B2 - Limited Mixed Use Area

111-102
Ground floor use restrictions

(a) Areas A1, and A3 and A4

Ground floor spaces in separate #buildings# may not be combined for #uses# in Use Groups 3, 4, 5 and 6, except in those #buildings# having frontage on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway ~~or~~ West Street.

***

111-103
Additional use regulations

(a) **Areas A1, ~~and~~ A3 and A4**

(1) #Uses# in Use Groups 16 and 17 shall be permitted, except the following #uses# are prohibited in all #buildings#:

(i) within Use Group 16A: crematoriums, poultry or rabbit killing establishments, unenclosed automobile, boat, motorcycle or trailer sales, motorcycle rentals;

(ii) all Use Group 16B #uses#, except #automotive service stations# by special permit pursuant to Section 73-21;

(iii) all Use Group 16C #uses#;

(iv) within Use Group 16D: dry cleaning or cleaning or dyeing establishments, with no limitation on type of operation, solvents, #floor area# or capacity per establishment;

(v) within Use Group 17B: manufacture of aircraft, automobiles, trucks, trailers, boats, motorcycles or chemicals; and

(vi) all Use Group 17C #uses#, except agriculture.

(2) The following #uses# are prohibited in #buildings# that do not front on Chambers Street, Hudson Street ~~or~~, West Broadway or West Street:

(i) all Use Group 8A #uses#;

(ii) all Use Group 8D #uses#;

(iii) all Use Group 10A #uses#, except depositories, photographic or motion picture studios, radio or televisions studios; and

(iv) all Use Group 12A #uses#.

(3) In #buildings# fronting on Chambers Street, Church Street, Greenwich Street, Hudson Street or , West Broadway or West Street, the following retail facilities shall be limited to 20,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses#, except as otherwise provided in Section 11-40:

(i) all #uses# in Use Groups 6A and 6C;

(ii) all #uses# in Use Group 10 with parking categories B or B1; and

(iii) the above #uses# when listed in other use groups.

Separate #buildings# on separate #zoning lots# may not be combined for #uses# in Use Group 6A and 6C and all #uses# in Use Group 10 with parking categories B or B1.

In addition, in #buildings# not fronting on West Street, retail facilities in Use Groups 6A and 6C shall be limited to 10,000 square feet of #floor area# on a #zoning lot#, including retail #cellar# space allotted to such #uses# , except as other wise provided in Section 111-40.

***

(c) Eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, as listed in Use Group 12A, in any location within a #building#, shall be permitted only by special permit of the Board of Standards and Appeals as provided in Section 73-244. In Areas A1, A2, and A3 and A4, the Board of Standards and Appeals shall additionally find for establishments of any capacity with dancing, as listed in Use Group 12A, that primary ingress and egress for such #uses# may only be located on Chambers Street, Church Street, Greenwich Street, Hudson Street, or West Broadway, or West Street, with only fire or emergency egress on other #streets#, and that no portion of such #use# may be located more than 100 feet, measured perpendicularly, from the above-listed streets. Furthermore, such #uses# are restricted as provided in paragraph (a)(2) of this Section.

111-104
Special Provisions for Areas A1, A2, A3, A4 and B2

***

(d) Area A4
Except as set forth herein, the bulk regulations of the underlying district shall apply.

(1) Table A of Section 35-24 shall be modified in C6-3A districts to permit a maximum building height of 160 feet within 100 feet of a #wide street#.

(2) The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within Area A-4, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, their average height, I feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(3) In a C6-3A district, the maximum #floor area ratio# permitted on a #zoning lot# shall be 6.5.

~~(d)~~ (e) Area B2

MANHATTAN CB - 1 **C 040545 ZSM**

Application submitted by Truffles LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Sections 13-562 and 74-52 of the Zoning Resolution to allow an attended public parking garage with a maximum capacity of 180 spaces on a portion of the ground floor and cellar of a proposed mixed-use building on property located at 34-36 Debrosses Street (Block 224, Lots 1, 3, 7, 8, 13, 16, and 18) in C6-2A and C6-3A Districts, within the Special Tribeca Mixed Use District.

QUEENS CB - 5 **C 060411 ZMQ**

Application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 13d:

1. changing from an R5 District to an R4 District property bounded by:

   a. a line midway between 67th Road and 67th Drive, 78th Street, 67th Drive, a line 200 feet easterly of 78th Street, 68th Avenue, 78th Street, 69th Road, 76th Street, a line 200 feet southeasterly of 69th Road, 75th Street, 69th Road, a line midway between 75th Street and 76th Street, a line 100 feet southerly of 68th Avenue, and 75th Street; and

   b. 67th Drive, 79th Street, 68th Avenue, a line 100 feet easterly of 79th Street, a line midway between 68th Avenue and 68th Road, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, 68th Avenue, 80th Street, Cooper Avenue, 69th Drive, a line 100 feet easterly of 79th Street, a line 100 feet northerly of 69th Drive, a line 100 feet northwesterly of Cooper Avenue, 69th Road, a line 100 feet westerly of 80th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet easterly of 79th Street, 69th Road, a line 100 feet westerly of 79th Street, 69th Avenue, a line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, a line midway between 68th Road and 69th Avenue, and a line 100 feet westerly of 79th Street;

2. changing from an R5 District to an R4-1 District property bounded by:

   a. a line 100 feet northerly of Metropolitan Avenue, 71st Street, a line 100 feet southerly of 66th Drive, a line 200 feet westerly of Pleasantview Street, Metropolitan Avenue, and 70th Street;

   b. a line midway between Metropolitan Avenue and 67th Road, a line 125 feet easterly of 75th Street, 67th Road, and a line 100 feet easterly of 73rd Place;

   c. 67th Drive, a line 100 feet westerly of 79th Street, a line midway between 68th Road and 69th Avenue, a line perpendicular to the northerly street line of 69th Avenue distant 100 feet easterly (as measured along the street line) from the point of intersection of the northerly street line of 69th Avenue and the northeasterly street line of 78th Street, 69th Avenue, a line 100 feet westerly of 79th Street, 69th Road, a line 100 feet easterly of 79th Street, a line midway between 68th Road and 69th Avenue, a line 100 feet westerly of 80th Street, 69th Road, a line 100 feet northwesterly of Cooper Avenue, a line 100 feet northerly of 69th Drive, a line 100 feet easterly of 79th Street, 69th Drive and its westerly centerline prolongation, a line 200 feet southeasterly of 69th Road, 76th Street, 69th Road, 78th Street, 68th Avenue, and a line 200 feet easterly of 78th Street; and

   d. 68th Avenue, a line perpendicular to the southerly street line of 68th Avenue distant 110 feet westerly (as measured along the street line) from the point of intersection of the southerly street line of 68th Avenue and the westerly street line of 80th Street, a line midway between 68th Avenue and 68th Road, and a line 100 feet easterly of 79th Street; and

3. changing from an R5 District to an R5B District property bounded by:

   a. a line 225 feet northerly of Metropolitan Avenue, 70th Street, Metropolitan Avenue, and 69th Street; and

   b. a line 100 feet southerly of 66th Drive, a line 425 feet easterly of Pleasantview Street, Metropolitan Avenue, and a line 200 westerly Pleasantview Street;

as shown on a diagram (for illustrative purposes only) dated April 3, 2006.

QUEENS CB - 2 **N 060504 ZRQ**

Application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York relating to Section 23-90 (Inclusionary Housing), to establish the Inclusionary Housing Program in two new R7X districts in Community District 2.

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;
Matter in # # is defined in Section 12-10;
* * * indicates where unchanged text appears in the Zoning Resolution

* * *

23-141
Open space and floor area regulations in Rl, R2, R3, R4 or R5 Districts

R1 R2 R3 R4 R5

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~), in the districts indicated, the minimum required #open space# or #open space ratio#, the maximum #lot coverage# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following tables:

* * *

23-142
In R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in the following Sections:

Section 23-144	(In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable)
Section 23-145	(For residential buildings developed or enlarged pursuant to the Quality Housing Program) ~~and~~
Section 23-146	(Optional provisions for certain R5 and R6 Districts in Brooklyn), ~~and Section 23-144 (For non-profit residences for the elderly in R3, R4, R5, R6 and R7 Districts)~~
Section 23-147	(For non-profit residences for the elderly)

in the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for any #building# on a #zoning lot# shall be as set forth in the following table for #buildings# with the #height factor# indicated in the table.

* * *

23-143
For high buildings in R6, R7, R8 or R9 Districts

R6 R7 R8 R9

Except as otherwise provided in paragraph (a) of Section ~~23-144~~ 23-147 (For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7~~ Districts), in the districts indicated, for #buildings# with #height factors# greater than 21, the minimum required #open space ratio# shall be as set forth in the following table:

* * *

23-144
In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable

In R6, R7 and R8 Districts where the Inclusionary Housing Program is applicable, as listed in the table below, the maximum permitted #floor area ratios# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Community District	Zoning District
Community District 1, Brooklyn	R6 R6A R6B R7A
Community District 7, Brooklyn	R8A
Community District 2, Queens	R7X

23-145
For residential buildings developed or enlarged pursuant to the Quality Housing Program

R6 R7 R8 R9 R10

* * *

~~However, the #floor area ratios# in the table in this Section shall be modified in certain R6, R7 and R8A Districts within Community Districts 1 and 7, Borough of Brooklyn, as specified in Section 23-942 (In Community Districts 1 and 7, Borough of Brooklyn).~~

* * *

~~23-144~~ 23-147
For non-profit residences for the elderly ~~in R3, R4, R5, R6 and R7 Districts~~

(a) In R3, R4, R5, R6 and R7 Districts

R3 R4 R5 R6 R7

In the districts indicated, the minimum required #open space ratio# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

Districts	Maximum #Floor Area Ratio#	Minimum #Open Space Ratio#
R3	0.95	66.5
R4	1.29	39.4
R5	1.95	23.1
R6	3.90	17.7
R7	5.01	12.8

However, in R6 or R7 Districts, the minimum required #open space ratio# shall not apply to #non-profit residences for the elderly developed#, or #enlarged# where permitted, pursuant to the Quality Housing Program. Such #developments# or #enlargements# shall be subject to the requirements of R6A or R7A Districts, respectively, as set forth ~~in Section 23-147 (For non-profit residences for the elderly in R6A, R6B, R7A, R7B or R7X Districts).~~ paragraph (b) of this Section.

~~23-147~~
~~For non-profit residences for the elderly in R6A, R6B, R7A, R7B and R7X Districts~~

(b) In R6A R6B R7A R7B R7X Districts

R6A R6B R7A R7B R7X

In the districts indicated, the maximum #lot coverage# and the maximum #floor area ratio# for #non-profit residences for the elderly# shall be as set forth in the following table:

MAXIMUM LOT COVERAGE AND FAR FOR NON-PROFIT RESIDENCES FOR THE ELDERLY
(in percent)

Maximum #Lot Coverage# #Corner Lot#	#Floor Area Ratios	Maximum #Floor Area Ratio#	District
80	65	3.90	R6A
80	60	2.00	R6B
80	70	5.01	R7A
80	65	3.90	R7B
80	70	5.01	R7X

INCLUSIONARY HOUSING

* * *

23-92
Applicability

23-921
R10 Districts

* * *

23-922
~~Community Districts 1 and 7, Borough of Brooklyn~~
Certain R6, R7 and R8 Districts

~~The Inclusionary Housing Program shall apply:~~

~~(a) In the following areas of Community District 1, in the Borough of Brooklyn: located in a area bounded by South 5th Street, Grand Street Extension/ Berinquen Place, Union Avenue, Metropolitan Avenue, Humboldt Street, Meeker Avenue, Russell Street, Engert Avenue, McGuinness Boulevard, the Newtown Creek and the East River:~~

~~(1) Waterfront Access Plan BK-1, as set forth in Section 62-352;~~

~~(2) all #Special Mixed Use Districts#;~~

~~(3) all R6A, R6B and R7A Districts; and~~

~~(4) R6 Districts within the following areas:~~

~~(i) the #block# bounded by Havemeyer Street, North Sixth Street, Metropolitan Avenue and North Fifth Street;~~

~~(ii) the #block# bounded by Roebling Street, North Fifth Street, Havemeyer Street, Metropolitan Avenue and North fourth Street;~~

~~(iii) those #blocks# bounded by Wythe Avenue, Grand Street, Berry Street and South Third Street;~~

~~(iv) those #blocks# and portions of #blocks# bounded by Bedford Avenue, North 1st Street, Driggs Avenue, Fillmore Place, Roebling Street, and a line coincident with the centerline of the long dimension of the #blocks# bounded by Bedford Avenue, Grand Street, Roebling Street and South First Street;~~

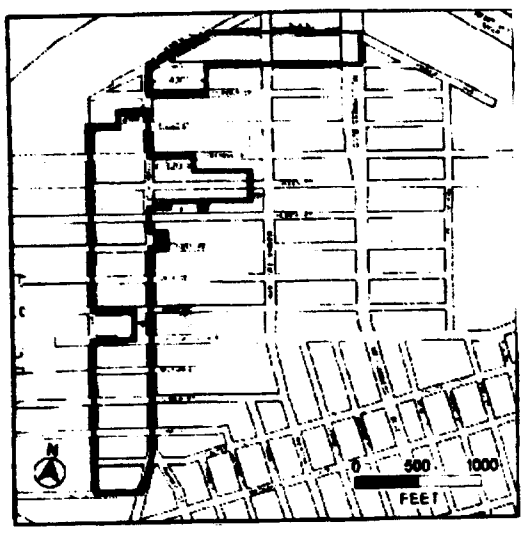
~~(v) that portion of the #block# bounded by Havemeyer Street, Hope Street, Marcy Avenue and South First Street that is within 100 feet of Grand Street; and~~

~~(vi) that portion of the #block# bounded by Franklin Street, Huron Street, Manhattan Avenue and India Street that is within 100 feet of Franklin Street and 100 feet of India Street.~~

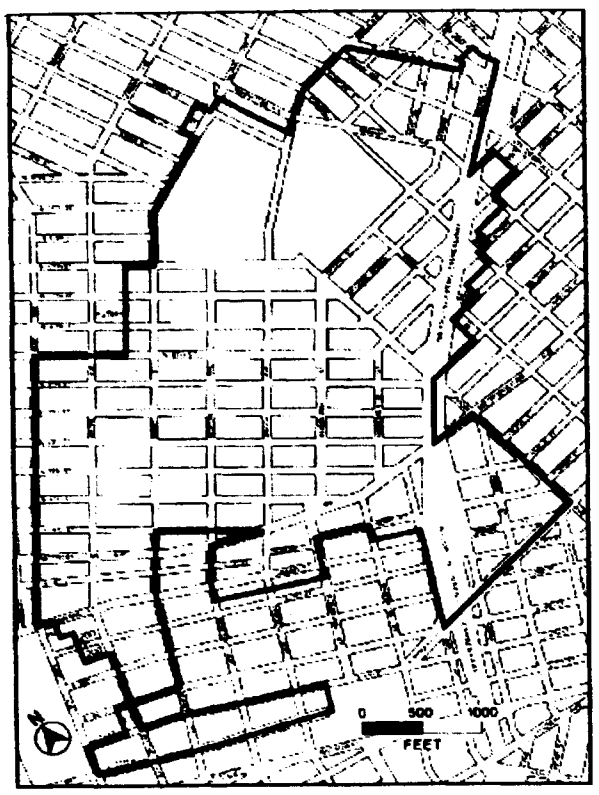
The Inclusionary Housing Program shall apply in the following areas:

(a) In Community District 1, in the Borough of Brooklyn, in Waterfront Access Plan BK-1, as set forth in Section 62-352, and in the R6, R6A, R6B

and R7A Districts within the areas shown on the following Maps 1 and 2:



Map 1. Portion of Community District 1 Brooklyn

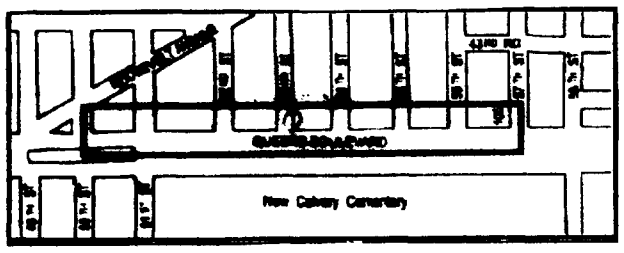


Map 2. Portion of Community District 1, Brooklyn

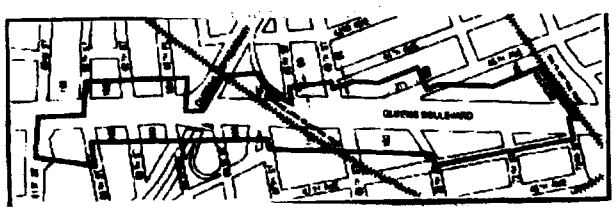
(b) In Community District 7, in the Borough of Brooklyn, in all the R8A districts within the area shown on the following Map 3:

Map 3. Portion of Community District 7, Brooklyn

(c) In Community District 2, in the Borough of Queens, in the R7X Districts within the areas shown on the following Maps 4 and 5:



Map 4. Portion of Community District 2, Queens



Map 5. Portion of Community District 2, Queens

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

***

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In ~~Community Districts 1, 2 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, ~~in Community Districts 1 and 7, Borough of Brooklyn,~~ in #R6, R7 and R8 designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

Lower income housing plan

* * *

R6, R7 and R8 designated areas

"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts)

* * *

23-941
In R10 Districts

* * *

23-942
~~In Community Districts 1 and 7, Borough of Brooklyn~~
In R6, R7 and R8 Districts

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1.

(a) Maximum #floor area ratio#

The #floor area# of a #development# or #enlargement# may not exceed the base #floor area ratio# set forth in the following table, except that such #floor area# may be increased by one and one-quarter square feet for each square foot of #floor area# provided for #lower income housing#, up to the maximum #floor area ratio# specified in the table. However, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#. In addition, the following rules shall apply:

District	Base #floor area ratio#	Maximum #floor area ratio#
R6*	2.2	2.42
R6**	2.7	3.6
R6A	2.7	3.6
R6B	2.0	2.2
R7A	3.45	4.6
R7X	3.75	5.0
R8A	5.4	7.2

* for #zoning lots#, or portions thereof, beyond 100 feet of a #wide street#

** for #zoning lots#, or portions thereof, within 100 feet of a #wide street#

(b) Height and setback

(1) Except in #Special Mixed Use Districts#, the compensated #building# must be #developed# or #enlarged# pursuant to the height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

(2) In #Special Mixed Use Districts#, where the #residence district# designation has a letter suffix, the compensated #building# must be #developed# or #enlarged# pursuant to paragraph (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations). Where the #residence district# designation does not have a letter suffix, the compensated #building# must be #developed# or

#enlarged# pursuant to the height and setback regulations of Section 23-633 regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

(c) #Lower income housing# requirements

The #lower income housing# must be provided in accordance with the provisions set forth in Section 23-95 (Lower Income Housing Requirements).

23-95
Lower Income Housing Requirements
* * *

(f) Permits and certificates of occupancy

No building permit for the #compensated development# shall be issued until the Commissioner of Housing Preservation and Development certifies that an acceptable #lower income housing plan# has been filed and approved.

No temporary certificate of occupancy shall be issued for any part of the #compensated development# until a temporary certificate of occupancy for each unit of #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#.
No permanent certificate of occupancy shall be issued for any part of the #compensated development# until a permanent certificate of occupancy for each unit of the #lower income housing# has been issued or, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas#, if the #building# has a valid certificate of occupancy and no new certificate of occupancy is required under the preservation option, until the Commissioner has certified to the Department of Buildings that the applicant has fulfilled its obligations with respect to the #lower income housing#. Prior to the issuance of any temporary or permanent certificate of occupancy for the #compensated development#, the Commissioner of Housing Preservation and Development shall certify that the #lower income housing# is in compliance with the #lower income housing plan#.

(g) Insurance

The #administering agent# of the #lower income housing# shall have said housing insured against any damage or destruction in an amount equal to no less than the replacement value of such housing.

Any insurance proceeds received as a result of damage or destruction of all or part of such housing shall be used first for restoring such damaged or destroyed housing to #lower income housing#, free of violations under the New York City Building Code, the New York State Multiple Dwelling Law, the New York City Housing Maintenance Code and this Resolution. However, in ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, the Commissioner of Housing Preservation and Development may modify this requirement to provide priority for lenders participating in the financing of #lower income housing# that is assisted under City, State or Federal programs.

* * *

23-951
On-site new construction option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located in newly constructed #floor area# in the #compensated development#. The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(b) #Dwelling units# designated as #lower income housing# shall be distributed throughout the #development#. No #story# shall contain more than two such units unless at least 80 percent of all #stories# contain two such units. The size of the designated #lower income housing# units shall at least be distributed among the various size units in proportion to the total distribution of unit size within the #building# in the following categories of unit sizes:

under 600 net square feet
600 - 749 net square feet
750 - 949 net square feet
950 - 1149 net square feet
1150 or more net square feet

In ~~Community Districts 1 and 7, Borough of Brooklyn~~ #R6, R7 and R8 designated areas#, if the #lower income housing# is subject to the requirements of city, state or federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

For the new construction option the #lower income housing# shall be in a new #building#. For the substantial rehabilitation options, the #lower income housing# shall be in an existing #building# in which, prior to the submission of the #lower income housing plan# pursuant to this Section, any #residential# portion not in public ownership had been entirely vacant for not less than three years.

Furthermore, in Community Districts 1 and 7, Borough of Brooklyn, #R6, R7 and R8 designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

(b) The #lower income housing# shall be maintained and leased to #lower income households# for the life of the increased #floor area#.

(c) On-site substantial rehabilitation units shall be those units on the same #zoning lot# as the #compensated development#.

23-953
Preservation option
To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

(1) within the same Community District as the #compensated development#; or

(2) within an adjacent Community District and within a one-half mile radius of the #compensated development#, except that #lower income housing# located within a one-half mile radius of a #compensated development# in Community District 1, Borough of Brooklyn, shall be located in an adjacent Community District in the Borough of Brooklyn.

The #lower income housing# shall be in an existing occupied #residential# or #mixed building#. Only #standard units# occupied by #lower income households# shall be #lower income housing#. For each #standard unit# designated as #lower income housing# the #administering agent# shall verify the income of the household in tenancy.

Furthermore, in ~~Community Districts 1 and 7, Borough of Brooklyn,~~ #R6, R7 and R8 designated areas# the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

R1 R2 R3-1 R3A R3X R4-1 R4A R4B R6A R6B R7-2 R7A R7B R7X R8 R9 R10

In the districts indicated, for #zoning lots# containing #community facility# and #residential uses#, the maximum #floor area ratio# permitted for a #community facility use# shall be as set forth in Section 24-11, inclusive, and the maximum #floor area ratio# permitted for a #residential use# shall be as set forth in Article II, Chapter 3, provided the total of all such #floor area ratios# does not exceed the greatest #floor area ratio# permitted for any such #use# on the #zoning lot#.

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings
C1 C2 C3 C4 C5 C6

* * *

In the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

A non-#residential use# occupying a portion of a #building# that was in existence on December 15, 1961, may be changed to a #residential use# and the regulations on maximum #floor area ratio# shall not apply to such change of #use#.

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

Where the designated #Residence District# is an R6, R7, R8 or R9 District, ~~the provisions of Sections 23-142 (In R6, R7, R8 or R9 Districts) through 23-144 regulating minimum required #open space ratios# and maximum #floor area ratios#~~ minimum required #open space ratio# and maximum #floor area ratio# provisions of Sections 23-142, 23-143 and paragraph (a) of Section 23-147 shall not apply. In lieu thereof, all #residential buildings#, regardless of whether they are required to be #developed# or #enlarged# pursuant to the Quality Housing Program, shall comply with the maximum #floor area ratio# and #lot coverage# requirements set forth for the designated district in Section 23-145, or paragraph (b) of Section 23-147 for #non-profit residences for the elderly#. For purposes of this Section, #non-profit residences for the elderly# in R6 and R7 Districts without a letter suffix, shall comply with the provisions for R6A or R7A Districts, respectively, as set forth in paragraph (b) of Section 23-147.

Where the designated district is an R7-3 District, the maximum #floor area ratio# shall be 5.0 and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

Where the designated district is an R9-1 District, the maximum #floor area ratio# shall be 9.0, and the maximum #lot coverage# shall be 70 percent on an #interior# or #through lot# and 80 percent on a #corner lot#.

However, in designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable, as listed below, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In R6, R7 and R8 Districts). The locations of such districts are specified in Section 23-922 (Certain R6, R7 and R8 Districts).

Special Mixed Use District	Designated Residence District
MX 8 Community District 1, Brooklyn	R6 R6A R6B R7A

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Community Districts 1 and 7, Borough of Brooklyn~~ Certain R6, R7 and R8 Districts), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

* * *

The Subcommittee on Landmarks, Public Siting and Maritime Uses will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 11:00 A.M. on Monday, August 14, 2006:

BRONX CB - 1 20065520 HKX (N 060511 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2195) pursuant to Section 3020 of the New York City Charter of The Estey Piano Company Factory, 112-128 Lincoln Avenue (also known as 15-19 Bruckner Boulevard and 270-278 East 134th Street) (Block 2309, Lot 1), as a historic landmark.

STATEN ISLAND CB - 3 20065521 HKR (N 060512 HKR)
Designation by the Landmarks Preservation Commission (List 374/LP-2192) pursuant to Section 3020 of the New York City Charter of the Theodore F. and Elizabeth J. DeHart House, located at 134 Main Street, (Block 8028, Lot 63), as a historic landmark.

BRONX CB - 5 20065522 HKX (N 060510 HKX)
Designation by the Landmarks Preservation Commission (List 374/LP-2193) pursuant to Section 3020 of the New York City Charter of The Loew's Paradise Theater First Floor Interior, located at 2405-2419 Grand Concourse (also known as 2394-2408 Creston Avenue) (Block 3165, Lot 44), as a historic landmark.

STATEN ISLAND CB - 1 20065559 HKR (N 060552 HKR)
Designation by the Landmarks Preservation Commission (List 376/LP-2190) pursuant to Section 3020 of the New York City Charter of the Mark W. Allen House, located at 665 Clove Road (Block 314, Lot 1), as a historic landmark.

MANHATTAN CB - 9 20065560 HKM (N 060547 HKM)
Designation by the Landmarks Preservation Commission (List 375/LP-2198) pursuant to Section 3020 of the New York City Charter of the Clearmont Theater Building, located at 3320-3338 Broadway, aka 536-540 West 135th Street (Block 1988, p/o Lot 1), as a historic landmark.

BRONX CB - 11 20065552 SCX
Application pursuant to § 1732 of the New York State Public Authorities Law, concerning the proposed site selection for a 550-seat primary/intermediate school facility located at the

southeast corner of Van Nest Avenue and Bronxdale Avenue in DOE Region No. 2/Community School District No. 11.

The Subcommittee on Planning, Dispositions and Concessions will hold a public hearing on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Monday, August 14, 2006:

MANHATTAN CB - 8 **N 060096 NPM**
A Plan submitted by Manhattan Community Board 8 concerning the open spaces, parks and waterfront access in the Queensboro Bridge area of Community District 8, for consideration pursuant to Section 197-a of the New York City Charter. The proposed plan for adoption is called "The Manhattan Community Board 8 197-a Plan for the Queensboro Bridge Area".

BROOKLYN CB - 16 **C 060457 HAK**
Application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2335, 2341-49 Atlantic Avenue; 1870 and 1874 Eastern Parkway and 20-30 Sherlock Place (Block 1571, Lots 1-3, 26-30, and 32-36) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor to be determined by HPD;

to facilitate the development of three, four-story buildings, tentatively known as Atlantic Avenue Residence, with approximately 41 residential units to be developed under the Department of Housing Preservation and Development's Habitat for Humanity Program.

CITY PLANNING COMMISSION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS Have been adopted by the City Planning Commission Scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York on Wednesday, August 23, 2006, commencing at 10:00 A.M.

BOROUGH OF MANHATTAN
No. 1
ELLINGTON ON THE PARK

CD 10 **C 060474 HAM**
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 120-128 Bradhurst Avenue, 305-307 W148th Street, 2789 and 2791 Frederick Douglass Boulevard (Block 2045; Lots 64-68, 70, 71, 82 and 166) within the Bradhurst Urban Renewal Area, part of Site 33 within the Bradhurst Urban Renewal Area, as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 8 and 12-story mixed-use building, tentatively known as Ellington on the Park, with approximately 134 cooperative units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 2
CORNERSTONE ROUND 3 - SITE 4

CD 10 **C 060409 HAM**
IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 362-364 St. Nicholas Avenue (Block 1955; Lots 2 and 3) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer to be selected by HPD.

to facilitate the development of an 11-story building with approximately 22 residential units to be developed under the Department of Housing Preservation and Development's Cornerstone Program.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

BOROUGH OF STATEN ISLAND
Nos. 3, 4, 5, 6 & 7
STAPLETON WATERFRONT DEVELOPMENT
No. 3

CD 1 **C 060293 MMR**
IN THE MATTER OF an application, submitted by the Department of City Planning and Economic Development Corporation (EDC) pursuant to Sections 197-c and 199 of the New York City Charter and Section 5-430 *et seq.* of the New York City Administrative Code, for an amendment to the City Map involving:

- the establishment of Front Street between Bay Street and Hannah Street, Canal Street between Bay Street and Front Street, Water Street between Bay Street and Front Street, Cross Street between Bay Street and the Staten Island Rapid Transit R.O.W., Prospect Street between Bay Street and Front Street, Sands Street between Bay Street and the Staten Island Rapid Transit R.O.W., and Baltic Street between Bay Street and Front Street;
- the elimination, discontinuance and closing of Marginal Street, Wharf or Place within an area bounded by the extension of Hannah Street, the U.S. Bulkhead Line, the extension of Greenfield Avenue, and the Staten Island Rapid Transit R.O.W.;
- the elimination, discontinuance and closing of a portion of Murray Hulbert Avenue between the north and south exits of Hannah Street;
- the realignment of Thompson Street and Hannah Street at the intersection with Front Street;
- the extinguishment of Murray Hulbert Avenue from Hannah Street to Edgewater Street, and Front Street from Murray Hulbert Avenue to Bay Street;
- the adjustment of grades necessitated thereby; and
- any acquisition or disposition of real property related thereto,

all within an area bounded by Willow Avenue, Bay Street, Hannah Street, and the U.S. Bulkhead Line, in accordance with Map No. 4202 dated May 3, 2006 and signed by the Borough President.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 4

CD 1 **C 060469 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, **for the disposition of two (2) city-owned properties** located on Block 487, p/o lot 110 and Block 487 p/o lot 100 (within the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 5

CD 1 **C 060470 PPR**
IN THE MATTER OF an application submitted by the New York City Department of Small Business Services (SBS), pursuant to Section 197-c of the New York City Charter, for the disposition of one (1) city-owned property located on Block 487, p/o lot 110 (up to 10,000 square feet within Public Area comprised of Esplanade, Pier Place and The Cove in the Special Stapleton Waterfront District), pursuant to zoning.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 6

CD 1 **C 060471 ZMR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 21c and 21d:

1. changing from an M21 District to a C4-2A District property bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, Front Street*, Thompson Street, and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

2. changing from an M31 District to a C4-2A District property bounded by a line 175 feet southerly of the easterly prolongation of the northerly street line of Wave Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way, Thompson Street, and Front Street*; and

3. establishing a Special Stapleton Waterfront District (SW) bounded by a line perpendicular to the easterly street line of Bay Street distant 525 feet southerly (as measured along the street line) from the intersection of the easterly street line of Bay Street and the southerly street line of Hannah Street, a U.S. Pierhead Line, the northeasterly prolongation of the southerly street line of Greenfield Avenue, the southwesterly street line of Front Street* and the southeasterly prolongation of the straight line portion, a northeasterly property line of the Staten Island Rapid Transit (SIRT), and the easterly boundary line of the Staten Island Rapid Transit (SIRT) Right of Way;

as shown on a diagram (for illustrative purposes only) dated May 8, 2006 and subject to the conditions of CEQR Declaration E168.

* Note: Portions of Front Street are proposed for realignment and for mapping under a related application (C 060293 MMR) for a change in the City Map.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 7

CD 1 **N 060468 ZRR**
IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, creating the Special Stapleton Waterfront District in Article XI, Chapter 6, and amending related sections of the Zoning Resolution.

Note: No underlining in Article XI, Chapter 6, all text is new.

Article XI - Special Purpose Districts

Chapter 6
Special Stapleton Waterfront District

116-00
GENERAL PURPOSES

The "Special Stapleton Waterfront District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include among others, the following specific purposes:

(a) encourage design of new development that is in character with the neighborhood and surrounding community;

(b) maintain and reestablish physical and visual public access to and along the waterfront;

(c) strengthen the traditional town center of Stapleton by allowing the development of new residential and commercial uses;

(d) encourage the creation of a lively and attractive environment that will provide daily amenities and services for the use and enjoyment of the working population and the new residents;

(e) take maximum advantage of the beauty of the New York Harbor waterfront, thereby best serving the business community, the residential population and providing regional recreation; and

(f) promote the most desirable use of land and thus conserve and enhance the value of land and buildings, and thereby protect City tax revenues.

116-01
Definitions

For the purposes of this Chapter, matter in italics is defined in Section 12-10 (DEFINITIONS) or in this Section.

Esplanade

The "Esplanade" is a park extending along all waterfront edges of the #Special Stapleton Waterfront District#. The #Esplanade# is shown in the District Plan, Map 1 (Special Stapleton Waterfront District, Subareas and Public Spaces), in the Appendix to this Chapter.

Mandatory front building wall

A "mandatory front building wall" is the front wall of a building that generally coincides with a #mandatory front building wall line#, as provided in Section 116-232 (Street Wall Location).

Mandatory front building wall line

"Mandatory front building wall lines" are imaginary lines extending through Subarea B of the #Special Stapleton Waterfront District# which are shown on Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, and with which building walls must generally coincide, as provided in Section 116-232 (Street Wall Location).

Pier Place and the Cove

"Pier Place" and the "Cove" are designated open spaces accessible to the public, located within the #Special Stapleton Waterfront District" as shown in the District Plan, Map 1 in the Appendix to this Chapter.

Upland connection

An "upland connection" is a pedestrian way which provides a public access route from the #Esplanade# to a public sidewalk within a public #street#. Required #upland connections# are shown in the District Plan, Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter.

Visual corridor

A "visual corridor" is a public #street# or tract of land within a #block# that provides a direct and unobstructed view to the water from a vantage point within a public #street#. Required #visual corridors# are shown in the District Plan, Map 5 in the Appendix to this Chapter.

116-02
General Provisions

In harmony with the general purposes and content of this Resolution and the general purposes of the #Special Stapleton Waterfront District#, the provisions of this Chapter shall apply to all #developments#, #enlargements# and changes of #use# within the #Special Stapleton Waterfront District#. The regulations of all other Chapters of this Resolution are applicable except as modified, supplemented or superseded by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

Within the #Special Stapleton Waterfront District#, the regulations of the underlying C4-2A District shall apply, as modified in this Chapter.

116-03
District Plan and Maps

The District Plan for the #Special Stapleton Waterfront District# identifies specific areas comprising the Special District in which special zoning regulations are established in order to carry out the general purposes of the #Special Stapleton Waterfront District#. These areas shall include the #Esplanade#, Subareas A, B1, B2, B3, B4, B5, C, and two designated public open spaces: the #Cove# and the #Pier Place#.

The District Plan includes the following maps in the Appendix to this Chapter.

Map 1 - Special Stapleton Waterfront District, Subareas and Public Spaces
Map 2 - Ground Floor Use and Frontage Requirements
Map 3 - Mandatory Front Building Wall Lines
Map 4 - Restricted Curb Cut and Off-Street Loading Locations
Map 5 - Upland Connections and Visual Corridors

The maps are hereby incorporated and made part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in the text of this Chapter shall apply.

116-04
Subareas

In order to carry out the purposes and provisions of this Chapter, the following subareas are established within the #Special Stapleton Waterfront District#: Subarea A, Subarea B, comprised of Subareas B1, B2, B3, B4 and B5, Subarea C, #Esplanade#, #Pier Place# and the #Cove#. In each of these subareas, special regulations apply that may not apply in other subareas.

116-05
Applicability

The provisions of Article VI, Chapter 2 (Special Regulations Applying in the Waterfront Area) shall not apply in the #Special Stapleton Waterfront District#, except where specifically stated otherwise in this Chapter.

#Lower density growth management area# regulations shall not apply in the #Special Stapleton Waterfront District#.

116-10
SPECIAL USE REGULATIONS

Within the #Special Stapleton Waterfront District#, the following special #use# regulations shall apply. The #use# regulations of the underlying C4-2A District shall be modified by the following Sections 116-101 through 116-13:

116-101
Use Groups 12 and 14

The #uses# listed in Section 32-21 (Use Group 12) shall not be permitted in Subarea C.

The #uses# listed in Section 32-23 (Use Group 14) shall be permitted in the #Special Stapleton Waterfront District#; however, boat storage, repair or painting shall be allowed without restriction relating to boat length.

116-102
Special permit uses

#Physical culture or health establishments# shall be permitted in Subarea B2. The special permit provisions of Section 73-36 shall not apply.

116-103
Supplementary use regulations

The provisions of Section 32-41 (Enclosure within Buildings) shall be modified as follows: In Subarea B3, a Farmers Market may be unenclosed.

The provisions of Section 32-423 (Limitation on ground floor location) shall be modified as follows: In Subareas B1 and B2, the #uses# listed in Section 32-18 (Use Group 9) may be located on the ground floor and within 50 feet of any #street wall# of the #building# and with #show windows# facing on the #street#.

116-11
Special Sign Regulations

The #sign# regulations of the underlying C4-2 District in Section 32-60 (Sign Regulations) shall be modified as follows: #flashing signs# shall not be permitted in the #Special Stapleton Waterfront District#.

116-12
Mandatory Ground Floor Use and Frontage Requirements

The provisions of Section 32-433 (Ground floor use in C1, C2 and C4 Districts in the Borough of Staten Island) shall not apply in the #Special Stapleton Waterfront District#. However, on designated #streets# and #mandatory front building wall lines# in Subareas B3 and C, as shown on Map 2 in the Appendix to this Chapter, the special ground floor #use# and frontage regulations of this Section shall apply to any #development# or #enlargement#.

#Uses# located on the ground floor level, or within two feet of the as-built level of the adjoining sidewalk, shall be limited to the non-#residential uses# permitted by the underlying district regulations, as modified by the special #use# provisions of this Chapter. A building's ground floor frontage shall be allocated exclusively to such #uses#, and shall have a depth of at least 30 feet from the #street wall# of the #building# and extend along the entire width of the #building#, except for lobbies or entrances to #accessory# parking spaces.

In no event shall lobbies and entrances to #accessory# parking spaces occupy more than 50 percent of the building's total frontage along such #street# or #mandatory front building wall line#, or 35 feet, whichever is less. However, the total length of such frontage occupied by such lobbies and entrances need not be less than 25 feet.

116-13
Transparency Requirements

Within the #Special Stapleton Waterfront District#, the transparency requirements of this Section shall apply to any #development# or an #enlargement# where the #enlarged# portion of the ground floor of the #building# is within eight feet of the #street line# and where non-#residential uses# are located on the ground floor level or within two feet of the as-built level of the adjoining sidewalk.

At least 50 percent of a building's front building wall surface shall be glazed and transparent at the ground floor level. For the purpose of the glazing requirements, the building's #street wall# surface at the ground floor level shall be measured from the floor to the height of the ceiling or 14 feet above grade, whichever is less. The lowest point of any transparency that is provided to satisfy the requirements of this Section shall not be higher than four feet above the as-built level of the adjoining sidewalk.

116-20
SPECIAL BULK REGULATIONS

The special #bulk# regulations of this Section shall apply within the #Special Stapleton Waterfront District#.

116-21
Residential Bulk Regulations in C4-2A Districts

The provisions of Sections 34-112 and 35-23 (Residential Bulk Regulations in other C1 or C2 Districts or in C3, C4, C5 or C6 Districts) are modified as follows:

The applicable #bulk# regulations for #residential uses# in C4-2A Districts shall be those for R6B districts.

116-22
Maximum Floor Area Ratio

The maximum #floor area ratio# for all #uses# shall be 2.0.

116-221
Special floor area regulations for mixed buildings

For #buildings# containing #residences#, the area in such #buildings# occupied by non-#residential uses# on the ground floor, or within two feet of the as-built level of the adjoining sidewalk, shall be excluded from the definition of #floor area# in Section 12-10.

116-23
Special Height and Setback Regulations

The special height and setback regulations set forth in this Section shall apply.

116-231
Special rooftop regulations

The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings or other structures# in the #Special Stapleton Waterfront District#, except the provisions of paragraph(c) of Section 33-42 shall not apply. In lieu thereof, the following regulations shall apply:

Elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures) may exceed a maximum height limit provided that either:

(a) the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage; or,

(b) the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 20 feet.

In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

116-232
Street wall location

In Subarea A, the underlying #street wall# location regulations shall apply.

In Subareas B and C, the underlying #street wall# location regulations of a C4-2A District, or an R6B District as applicable, shall be modified as set forth in this Section. Map 3 (Mandatory Front Building Wall Lines) in the Appendix to this Chapter, specifies locations in Subareas B and C where #mandatory front building wall# requirements apply as follows:

(a) Type 1: Front building walls shall be coincident with and extend along the entire length of the #mandatory front building wall line#, except to allow articulation at the intersection of two such lines, the front building wall may be located anywhere within 15 feet of their point of intersection.

(b) Type 2: Front building walls shall be located within eight feet of and extend along at least 70 percent of the length of the #mandatory front building wall line#. For phased #development#, this requirement may be satisfied by more than one # building#, provided that upon completion 70 percent of the length of the #mandatory front building wall line# is occupied by such front building walls.

(c) Wherever Map 3 does not indicate a #mandatory front building wall line#, the underlying #street wall# location rules shall apply.

If more than one #building# is developed in Subareas B1, B2, B3 or B4, the first #building# shall be located along a Type 1 #mandatory front building wall line#. Subsequent buildings shall locate along a Type 2 #mandatory front building wall line# until 70 percent of the length of the #mandatory front building wall line# is occupied.

All #mandatory front building walls# shall rise without setback to a maximum height of 40 feet or the height of the #building#, whichever is less. A #building# may exceed a height of 40 feet, up to the maximum building height specified in Section 116-233 if a setback is provided at a minimum height of 35 feet. Such setback shall have a minimum depth of 10 feet and shall be measured from the front building wall. Recesses shall be permitted on the ground floor where required to provide access to the #building#. Above the ground floor, up to 30 percent of the aggregate width of the front building wall may be recessed. However, in Subarea B2, the #mandatory front building wall# may rise without setback to the permitted maximum height of the #building#.

116-233
Maximum building height

Within the #Special Stapleton Waterfront District#, the maximum height of a #building or other structure# shall not exceed 50 feet, except in Subarea B2 where the maximum height of a #building or other structure# shall not exceed 60 feet.

116-30
SPECIAL ACCESSORY OFF-STREET PARKING AND LOADING REGULATIONS

Within the #Special Stapleton Waterfront District#, the parking and loading regulations of the underlying C4-2A District shall apply, except as modified in this Section.

116-31
Modification of Required Accessory Off-Street Parking Spaces Regulations for Certain Commercial Uses

The following #uses# listed in Section 32-23 (Use Group 14) shall be subject to the parking requirements applicable to a C4-2 District pursuant to Section 62-53 (Parking Requirements for Commercial Docking Facilities):

Boat rentals, open or enclosed [PRC–H]

Docks for ferries, other than #gambling vessels#, limited to an aggregate operational passenger load, per #zoning lot#, of 150 passengers per half hour [PRC-H]

Docks for sightseeing, excursion or sport fishing vessels, other than #gambling vessels#

Docks or mooring facilities for non-commercial pleasure boats [PR-H]

116-32
Modification of Waiver of Requirements

The provisions of Section 36-362(For new development or enlargements in other C1 or C2 Districts or in C4, C5 or C6 Districts) shall not apply.

All other waivers of parking requirements shall only apply to #zoning lots# existing both on (the effective date of amendment) and on the date of application for a building permit.

116-33
Modification of Location of Parking Spaces

For all #zoning lots# with frontage on Front Street, no #accessory# off-street parking spaces shall be located in any open area that is between the #street wall# of the #building# and the Front Street #street line#; except that such spaces may be located between the #street wall# of the #building# and the Front Street #street line# in Subarea B5.

116-34
Location and Width of Curb Cuts

Curb cuts are prohibited in the locations shown on Map 4 (Restricted Curb Cut and Off-Street Loading Locations), in the Appendix to this Chapter.

In Subarea C, for #zoning lots# with access only to Front Street, only one curb cut shall be permitted along Front Street.

Within the #Special Stapleton Waterfront District#, the maximum width of curb cuts shall not exceed 25 feet, including splays.

116-35
Screening and Tree Planting Requirements for Parking Facilities

The provisions of this Section shall apply to any new or #enlarged# open off-street parking facility with ten spaces or more.

(a) Screening

Such off-street parking facilities shall be screened in accordance with the provisions of this Section from all adjoining #zoning lots#, including such #zoning lots# situated across a #street#, and from any designated open space accessible to the public situated on the same #zoning lot#, including the #Esplanade#.

Such screening shall consist of a strip at least four feet wide, densely planted with evergreen shrubs at least four feet high at the time of planting and which are of a type which may be

expected to form a year–round dense screen at least six feet high within three years.

#Accessory# parking spaces that front upon a #street# shall be screened by a strip at least four feet wide and densely planted with evergreen shrubs to be maintained at all times at a height not less than two and one-half feet and not more than four feet.

In addition, a wall or barrier or uniformly-painted fence of fire-resistant material at least four feet high but not more than eight feet above finished grade may be provided. Such wall, barrier, or fence must be 100 percent opaque up to a height of four feet above the finished grade of the parking facility and not more than 35 percent opaque above four feet. No chain link fences shall be permitted. All permitted fences shall be located behind landscaped areas when viewed from the street.

Such screening shall be maintained in good condition at all times, may be interrupted by normal entrances or exits, and shall have no signs hung or attached thereto other than those permitted in Sections 32-60 (Sign Regulations) inclusive, or 62-674 (Signage).

(b) Tree planting requirements

Trees, pre-existing or newly-planted, shall be provided at the rate of one tree for every eight open parking spaces within the off-street parking facility and may be located on the perimeter of the parking facility or in planting islands within the parking area. For parking facilities with more than 25 open parking spaces, at least 30 percent of trees provided to meet this requirement shall be located in planting islands within the parking area. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-40
UPLAND CONNECTIONS AND VISUAL CORRIDORS

116-41
Upland Connections

In the locations shown on Map 5 (Upland Connections and Visual Corridors) in the Appendix to this Chapter, #upland connections# shall be provided. An #upland connection# traversing a #zoning lot# shall consist of a single pedestrian circulation zone bordered continuously along both sides by buffer zones.

(a) Required Dimensions

The minimum width of the #upland connection# shall be 30 feet, within which the pedestrian circulation zone shall have a minimum width of 16 feet and each buffer zone shall have a minimum width of seven feet. When an #upland connection# or a portion thereof is located within a private drive, no buffer zone is required.

(b) Buffer zone

The provisions of paragraph(b)(2)of Section 62-62 (General Requirements for Public Access Areas) shall apply.

(c) Permitted Obstructions

The provisions of Section 62-626 (Permitted obstructions) shall apply to #upland connections# within the #Special Stapleton Waterfront District#. Certain permitted obstructions listed in sub-paragraph (a)(2)(iii)of Section 62-626, are further subject to the tree and planting requirements of Section 62-675. WD (Water-dependent)uses referenced in paragraph (c) of Section 62-626 shall be as listed in Section 62-211.

116-42
Visual Corridors

#Visual corridors# shall be provided for #developments# in the locations shown on Map 5 in the Appendix to this Chapter. Such #visual corridors# shall be subject to the requirements of Section 116-522 (Design requirements for visual corridors).

116-50
Special Urban Design Requirements

The special urban design requirements of this Section, inclusive, shall apply to all #developments# and #enlargements# within the #Special Stapleton Waterfront District#:

116-51
#Street# trees

#Street# trees, pre-existing or newly-planted, shall be provided along the entire length of the #street# frontage of the #zoning lot#. The trees shall be located between the #front lot line# and the curb line and shall be provided at the rate of one tree for each 25 feet of frontage. Trees shall be planted in accordance with the requirements of the Department of Parks and Recreation.

116-52
Design Requirements for Upland Connections and Visual Corridors

116-521
Design requirements for upland connections

(a) Circulation and access

(1) Where an #upland connection# is located within a private drive, a circulation path with a minimum clear width of six feet shall be provided in each pedestrian circulation zone. The remaining area shall be planted pursuant to the provisions of paragraph (c) of this Section.

(2) All other #upland connections# through #zoning lots# shall have a circulation path with a minimum clear width equal to the minimum required width of the pedestrian circulation zone.

(b) Seating

For #upland connections# 100 feet in length or greater, a minimum of 24 linear feet of seating shall be provided.

(c) Planting

Where an #upland connection# is located within a private drive, a single row of shade trees shall be planted adjoining a required circulation path in accordance with the standards of Section 62-675 (Planting and trees). Within all #upland connections#, any unpaved area shall be planting area.

116-522
Design requirements for visual corridors

The requirements of this Section shall apply to all #visual corridors#. When a #visual corridor# coincides with an #upland connection#, the provisions of Section 116-521 (Design requirements for upland connections) shall also apply.

No #building or other structure# shall be erected within the width of a #visual corridor#, except as provided in this Section. #Visual corridors# shall be the width of the #street# but shall not be less than 50 feet wide.

Permitted obstructions within #visual corridors# shall be limited to:

(a) boats, ships or other vessels, and #floating structures# permitted as-of-right by paragraph (a)of Section 62-25 (Uses on Floating Structures);

(b) any moving or parked vehicles or street furniture, including but not limited to, benches, seats, kiosks, carts and open display booths, lighting fixtures, flagpoles, trash receptacles, drinking fountains and public telephones;

(c) guardrails and fences provided they comply with the design standards of Section 62-671 (Guardrails, gates and other protective barriers), except that fences may be eight feet high;

(d) sculpture;

(e) planting areas, provided that no shade trees are planted within a 15 foot wide area along both sides of the center line of the #visual corridor#; and

(f) those obstructions permitted in #rear yards# as listed in Section 23-44 (Permitted Obstructions in Required Yards or Rear Yard Equivalents), except walls exceeding four feet in height shall not be permitted.

116-53
Waterfront public access signage

The New York City Waterfront Symbol Plaque shall be used to direct the public to waterfront public access areas including the #Esplanade# and #upland connections# and to identify the entry points of these areas. Such signage shall be provided in accordance with requirements of Section 62-674 (Signage).

116-54
Refuse Storage Areas

Refuse shall be stored within a completely enclosed #building#.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

NOTICE

On Wednesday, August 23, 2006 at 10:00 A.M., at the New York City Department of City Planning located at 22 Reade Street, New York, New York, a public hearing is being held by the Office of the Deputy Mayor for Economic Development and Rebuilding in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning the Stapleton Waterfront Development Plan, a proposal involving the establishment of the Special Stapleton Waterfront District, and including zoning map and text amendments, city map amendments and the disposition of city-owned property, affecting the Stapleton area of Staten Island, Community District 1. The New York City Office of the Deputy Mayor for Economic Development and Rebuilding is the lead agency for the City Environmental Quality Review (CEQR) review.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 06DME001R.

No. 8
CLIFTON REZONING

CD 1 **C 060536 ZMR**

IN THE MATTER OF an application submitted by Rosebank Homeowners and Tenants Association and City Council Member Michael E. McMahon pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 21d changing from an R3-2 District to an R3X District property bounded by Vanderbilt Avenue, a line 200 feet southwesterly of Bay Street, Townsend Avenue, a line perpendicular to the southeasterly street line of Townsend Avenue distant 225 feet southwesterly (as measured along the street line) from the intersection of the southwesterly street line of Bay Street and the southeasterly street line of Townsend Avenue, a line 110 feet southeasterly of Townsend Avenue, a line perpendicular to the northwesterly street line of Greenfield Avenue distant 390 feet northeasterly (as measured along the street line) from the intersection of the northwesterly street line of Greenfield Avenue and the northeasterly street line of Tompkins Avenue, Greenfield Avenue, Tompkins Avenue, the southwesterly prolongation of the southeasterly street line of Townsend Avenue, a line 90 feet northeasterly, southeasterly, and southwesterly of Park Hill Court, a line 90 feet southeasterly of Fairway Avenue, a line 375 feet northeasterly of Park Hill Lane, Park Hill Circle, a line 150 feet northeasterly of Osgood Avenue, Fairway Avenue, and Park Hill Court, as shown on a diagram (for illustrative purposes only) dated June 19, 2006.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

Nos. 9 & 10
PRINCE'S BAY REZONING
No. 9

CD 3 **C 060465 ZMR**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 35a and 35c:

1. changing from an R3X District to an R1-2 District property bounded by Hylan Boulevard, Indale Avenue, Johnston Terrace, and Sharrott Avenue; and

2. changing from an R3-2 District to an R3X District property bounded by the southwesterly centerline prolongation of Sherwood Avenue, Sharrott Avenue, Hylan Boulevard, and a line 100 feetnortheasterly of Richard Avenue;

within the Special South Richmond Development District, as shown on a diagram (for illustrative purposes only) dated May 8, 2006.

Resolution for adoption scheduling August 23, 2006 for a public hearing.

No. 10

CD 3 **N 060464 ZRR**

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Section 201 of the New York City Charter, for an amendment to the Zoning Resolution of the City of New York, relating to Article X, Chapter 7 (Special South Richmond Development District), concerning Section 107-06 (District Plan Appendix A) creating new Areas LL and SH, Section 107-40 (Special Use, Bulk and Parking regulations and Section 107-60 (Authorizations) relating to the new Areas.:

Matter in underline is new, to be added;
Matter in ~~strikeout~~ is old, to be deleted;'
Matter within # # is defined in Section 12-10 (DEFINITIONS);
* * * indicates where unchanged text appears in the Resolution

Article X - Special Purpose Districts

Chapter 7
Special South Richmond Development District

* * *

107-40
SPECIAL USE, BULK AND PARKING REGULATIONS

107-41
Type of Residence

* * *

107-411
Non-profit residences for the elderly in Area SH

In Area SH, as shown on the District Plan, #non-profit residences for the elderly# comprised of not more than 250 #dwelling units# shall be permitted upon certification of the Chairperson of the City Planning Commission that:

(a) a site plan has been submitted showing a detailed plan demonstrating compliance with the provisions of this Chapter;

(b) Area SH will not contain more than 250 such #residences#; and

(c) such #residences# comply with the #use# and #bulk# regulations of R3-2 Districts, except that the maximum #floor area ratio#, maximum #lot coverage# and minimum required #open space# shall be as set forth for R3-2 Districts in Section 23-141 (Open space and floor area regulations in R1, R2, R3, R4 and R5 Districts), as modified by this Chapter. The provisions of Section 23-144 (For non-profit residences for the elderly in R3, R4 R5 R6 and R7 Districts shall not apply.

Any #development# or #enlargement# that results in more then 250 #dwelling units# of #non-profit residences for the elderly# in Area SH shall be permitted only upon authorization of the City Planning Commission pursuant to Section 107-672 (In Area SH)

107-42
Minimum Lot Area and Lot Width for Residences

For the purposes of this Chapter, all #residences# permitted by the underlying district regulations shall comply with the minimum #lot area# and #lot width# requirements which shall vary with the building height as set forth in Table A.

* * *

TABLE A

District	Type of #Residence#	#Lot Area# (in sq.ft.)	Minimum Lot Width (in feet)	Minimum Height (in stories)
* * *				
R3A	#detached#	3,325	35	1-3
R3X*	#detached#	3,800	40	1-2
		4,750	50	3
		5,700	60	4

* * *

* In Area LL as shown on the District Plan, all #residences# shall have a minimum #lot area# of 5,700 square feet and a minimum #lot width# of 50 feet.

* * *

107-46
Yard and Court Regulations

107-461
Front yards

In all underlying #Residence Districts#, except R1 Districts and those districts subject to paragraph (b) in Section 23-45, #front yards# shall be at least 18 feet in depth. On #corner lots# one #front yard# may have a lesser depth as permitted by the underlying district regulations. In area LL, as shown on the District Plan, #front yards# shall be at least 18 feet in depth, except that on #corner lots#, one #front yard# may have a depth of at least ten feet.

107-462
Side yards

In all districts, except R1 Districts, for all #single-# or #two-family detached# and #semi-detached residences#, the #side yards# shall relate to the height of the #building# as set forth in the following table, except that in R1, R2, R3, R4A and R4-1 Districts, on a #corner lot#, one #side yard# shall be at least 20 feet in width:

REQUIRED SIDE YARDS

District	Type of #Residence#	Height in (#stories#)	Number of #Side Yards# Required	Required Total Width	Required Minimum Width of any #Side Yard

COURT NOTICE

SUPREME COURT

■ NOTICE

KINGS COUNTY
IA PART 74
NOTICE OF ACQUISITION
INDEX NUMBER 18717/06

In the Matter of the Application of the **NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,** Petitioner, To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 4102, Lots 19, 27, 35 & 36, Located in the Borough of Brooklyn City of New York, in Connection With the Construction of P.S./I.S. 798K.

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Kings, IA Part 74 (Hon. Abraham G. Gerges, J.S.C.), duly entered in the office of the Clerk of the County of Kings on July 26, 2006, the application of the Petitioner, New York City School Construction Authority (the Authority"), to acquire certain real property, for the construction of P.S./I.S. 798K, was granted and the City was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on July 27, 2006. Title to the real property vested in the Authority on July 27, 2006.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcels of real property:

Damage Parcel	Block	Lot
1	4102	19
2	4102	27
3	4102	35
4	4102	36

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Kings County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;
B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: July 31, 2006, New York, New York

ARCHITECTURAL/ENGINEERING REQUIREMENTS CONTRACTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 04207DDCM002 – DUE 09-06-06 AT 3:00 P.M. – The City University of New York (CUNY) is New York City's public university system, CUNY, was created in 1847, and is the third largest university system in the nation; it is comprised of eleven senior colleges, six community colleges, a graduate school, a law school, a school of biomedical education, a graduate school of journalism and a central office ("Colleges"). Historically, the Department of Design, Construction and Management ("DDCM") issued RFP's to solicit proposals for Architectural/Engineering services on an individual project basis. This "by project" solicitation process is burdensome, inefficient, expensive to adminsiter, and does not allow DDCM to expeditiously meet the needs of the University. This is crucial for the University's older colleges, where the ability to act quickly can mitigate further damages to the College infrastructure. To address this need, DDCM is seeking to award up to twenty-four (24) separate requirements contracts to provide Architectural/Engineering services on an expedited "As needed" term basis for small, medium and large projects with a cap of $5 million dollar. Requirements: Interested, proposing entities should submit seven (7) copies of their firm brochure, a list of client names and telephone numbers, their latest SF254 and 255 forms of SF330 form, a copy of their EEO Policy Statements, their latest audited financial statement, a document which lists and describes in detail work/contracts of similar nature, with a list of the proposed project team. Proposing entities shall: demonstrate their ability to perform requested services based on prior related experience in the design and programming specialties for higher education facilities in similar urban environments, and shall submit examples of comparable, satisfactorily completed projects. Proposing entities shall be licensed to practice in the State of New York. Selection of proposing entities shall be made in accordance with CUNY policies and solicitation procedures. Minority Sub-Contracting Goals: 20%. Women-Owned Sub-Contracting Goals: 10%.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor

ARCHITECTURAL/ENGINEERING REQUIREMENTS CONTRACTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 04207DDCM002 – DUE 09-06-06 AT 3:00 P.M. – The City University of New York (CUNY) is New York City's public university system, CUNY, was created in 1847, and is the third largest university system in the nation; it is comprised of eleven senior colleges, six community colleges, a graduate school, a law school, a school of biomedical education, a graduate school of journalism and a central office ("Colleges"). Historically, the Department of Design, Construction and Management ("DDCM") issued RFP's to solicit proposals for Architectural/Engineering services on an individual project basis. This "by project" solicitation process is burdensome, inefficient, expensive to adminsiter, and does not allow DDCM to expeditiously meet the needs of the University. This is crucial for the University's older colleges, where the ability to act quickly can mitigate further damages to the College infrastructure. To address this need, DDCM is seeking to award up to twenty-four (24) separate requirements contracts to provide Architectural/Engineering services on an expedited "As needed" term basis for small, medium and large projects with a cap of $5 million dollar. Requirements: Interested, proposing entities should submit seven (7) copies of their firm brochure, a list of client names and telephone numbers, their latest SF254 and 255 forms of SF330 form, a copy of their EEO Policy Statements, their latest audited financial statement, a document which lists and describes in detail work/contracts of similar nature, with a list of the proposed project team. Proposing entities shall: demonstrate their ability to perform requested services based on prior related experience in the design and programming specialties for higher education facilities in similar urban environments, and shall submit examples of comparable, satisfactorily completed projects. Proposing entities shall be licensed to practice in the State of New York. Selection of proposing entities shall be made in accordance with CUNY policies and solicitation procedures. Minority Sub-Contracting Goals: 20%. Women-Owned Sub-Contracting Goals: 10%.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
City University of New York, Department of Design, Construction and Management, 555 W57 Street, 10th Floor, New York, NY 10019. Diana Zayas (212) 541-0440.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. hbavaro@djj.nyc.gov
