CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

These rules are promulgated pursuant to sections 1043 and 2303(b)(11) of the Charter and sections 19-503 and 19-532(b) of the Administrative Code of the City of New York.

These rules were published on January 24, 2007, for public comment in The City Record. On March 8, 2007, a public hearing on such proposed rules was held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006. At that time, Sections 1-85(b). 12-06(u)(4) and 15-44 and penalty sections 1-86, 12-08 and 15-43 pertaining to such sections were tabled at the public hearing and the remainder of these rules were voted on and passed. On May 10, 2007, the tabled sections were voted on and passed. On April 9, 2007, further modifications to these rules were published for public comment in The City Record. On May 10, 2007, a public hearing on such proposed rules was held, the rules were voted on and passed. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days following the publication in The City Record.

New material is underlined.

Section 1. Section 1-01 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding four new definitions to read as follows:

§ 1-01 Definitions.

Compliance date. The compliance date for the installation of taxicab technology systems in medallion taxicabs shall be the date of the first regularly scheduled inspection for each taxicab on or after October 1, 2007, unless extended pursuant to section 1-11(g) of this chapter.

Merchant. A "merchant" is an individual or business entity licensed by the Commission that contracts with a merchant bank provider of credit/debit card services and other merchant account related services, which merchant bank provider is approved by the Commission as a subcontractor to one or more taxicab technology service providers for the purpose of providing in-cab payment of taxicab fares, surcharges, tolls and tips by credit/debit cards.

. . .

Taxicab technology service provider. A "taxicab technology service provider" is a vendor who has contracted with the Commission to install and maintain the taxicab technology system in taxicabs.

Taxicab technology system. The "taxicab technology system" is hardware and software that provides the following four core services (collectively "four core services"): (i) allows credit, debit and prepaid card payment required by section 3-03(e)(7) of this title, (ii) text messaging required by section 3-03(e)(8) of this title, (iii) trip data collection and transmission required by section 3-06 of this title, and (iv) data transmission with the passenger information monitor required by section 3-07 of this title.

Section 2. Subdivisions (a), (e), (f) and (g) of section 1-11 of chapter 1 of Title 35 of the Rules of the City of New York are amended, and new subdivision (h) is added, to read as follows:

§1-11 Vehicle Condition.

(a) While a taxicab is in operation, all equipment, including brakes, tires, lights and signals must be in good working order and meet all requirements of the New York State Vehicle and Traffic Law, the Commission, and [Taxicab Specifications §] sections 3-03 and/or 3-03.1 or 3-03.2 of this title and these rules.

. . . .

(e) (i) For any taxicab that is required to be equipped with the [data collection and transmission equipment pursuant to §3-06 of this Title] taxicab technology system, such equipment shall at all times be in good working order and each of the four core services shall at all times be functioning. (ii) In the event of any malfunction or failure to operate of such taxicab technology system, the owner shall file an incident report with the authorized taxicab technology service provider promptly and in no event more than two (2) hours following the owner's discovery of such malfunction or failure to operate or such time as the owner reasonably should have known of such malfunction or failure to operate. If the driver or taxicab agent previously filed a timely incident report regarding such malfunction or failure to operate, the owner shall not be required to file a separate incident report but shall obtain an incident report number from the driver, agent or authorized taxicab technology service provider. The owner shall meet, or shall instruct the taxicab agent to meet the appointment for repair scheduled by the authorized taxicab technology service provider following the filing of an incident report with such authorized taxicab technology service provider. A taxicab in which any of the four core services of the taxicab technology system, or any part thereof, are not functioning shall not operate more than forty-eight (48) hours following the timely filing of an incident report by the owner, driver or agent.

(f) [For any taxicab that is required to be equipped with Passenger Information Monitor equipment pursuant to §3-06 of this Title, such equipment shall at all times be in good working order.] The owner of any taxicab required to be equipped with the taxicab technology system shall equip such taxicab, except as provided in subdivision (g) of this section, with a taxicab technology system as set forth in sections 3-03(e)(7) and (8), 3-06 and 3-07 of this title.

(g) The owner of any taxicab required to be equipped with a taxicab technology system shall contract to procure such equipment on or before August 1, 2007. Except as provided in this subdivision, the owner shall install a taxicab technology system no later than the compliance date set forth in section 1-01 of this chapter. Taxicabs that are to be retired within six (6) months of the compliance date for each such taxicab shall be exempt from the requirement that the taxicab technology system be installed in the taxicab. If any taxicab technology service provider contracts to provide more than three thousand (3,000) taxicabs with its taxicab technology system on or before August 1, 2007, the date by which each such taxicab is required to be equipped with such taxicab technology system may, upon prior written approval from the Chairperson, or his or her designee, be extended to each such taxicab's first scheduled inspection at the Commission's Safety and Emissions Facility on and after February 1, 2008.

(h) The owner of any taxicab requiring six (6) or more repairs of the taxicab technology system in any thirty (30) day period shall promptly take such vehicle for inspection to, or schedule an inspection with, the Commission's Safety and Emissions Facility. Such requirement shall not apply to the owner if compliance is made by the driver or agent of such vehicle.

Section 3. Subdivisions (a) and (b) of Section 1-23 of Chapter 1 of Title 35 of the Rules of the City of New York are amended to read as follows:

§1-23 Tampering Prohibited.

(a) Unless authorized by the [c]Commission no person shall tamper with, alter, repair or attempt to repair the taximeter or the taxicab technology system, or any seal affixed to the taxicab by a licensed taximeter repair shop or other authorized facility, cable connection or electrical wiring thereof or make any change in the vehicle's mechanism or its

tires which would affect the operation of the taximeter or the taxicab technology system; the owner is responsible for any tampering, alteration or any unauthorized repair or attempt to repair.

(b) It shall be an affirmative defense to a violation of [Rule] section 1-23(a) that the owner: (1) did not know of or participate in the alleged taximeter or taxicab technology system tampering; and (2) exercised due diligence to ensure that taximeter-tampering or tampering with the taxicab technology system does not occur. Examples of an owner's due diligence shall include, but are not limited to: (A) giving drivers a clear warning that violations of the taximeter or taxicab technology system tampering rules will result in the immediate termination of any lease agreement, the reporting to the Commission of driver tampering and the Commission's probable revocation of the driver's taxicab driver's license; (B) including on any written lease agreement provisions containing the warnings against violation of meter and taxicab technology system tampering rules; (C) stamping warnings regarding the illegality of meter and taxicab technology system tampering on the trip [cards] records issued, if applicable, to all drivers of an owner's taxicabs; (D) requiring management personnel or mechanics to periodically check for proper odometer and meter mileage comparisons in order to determine if there are inappropriate disparities between the two sets of figures; (E) conducting periodic random inspections of the taxicab meter and wiring and of the taxicab technology system for all such owner's taxicabs to detect any evidence of violation of meter or taxicab technology system tampering rules; and (F) having all such owner's taxicabs inspected by a licensed meter shop once every inspection cycle.

Section 4. Subdivision (c) of Section 1-35 of Chapter 1 of Title 35 of the Rules of the City of New York is amended to read as follows:

§1-35 Markings and Advertising.

. . . .

(c) An owner shall not display inside a taxicab any advertising or other notice not specifically authorized by these rules or the Commission's Marking Specifications for Taxicabs unless approved by the Commission[.] , except:

(1) industry signage/logos of all credit/debit cards accepted by the taxicab technology system, all of equal size, shown in the information content on the passenger information monitor screen; and

(2) advertising in the information content on the passenger information monitor screen as set forth in section 1-36 of this chapter and in section 3-07 of this title.

Section 5. Section 1-36 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (m), to read as follows:

Inscription	Location	Size
(m) Brand name of passenger information monitor manufacturer or taxicab technology service provider	On the bezel of the frame of the passenger information monitor	Not to exceed 11/4" in height and 4" in length

Section 6. Paragraph (1) of subdivision (a) of section 1-52 of Chapter 1 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) The following shall be present in the taxicab while it is in operation for hire:

(1) the driver's written trip record, also known as a "trip sheet" until [such time when] the taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider, as set forth in section 1-11(e) of this chapter;

Section 7. Subdivision (e) of Section 1-56 of Chapter 1 of Title 35 of the Rules of the City of New York is amended to read as follows:

§1-56 Records.

. . . .

(e) An owner shall take possession of the written trip records from the driver on a weekly basis, until [such time when] the taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider, as set forth in section 1-11(e) of this chapter.

Section 8. Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding a new section 1-85, to read as follows:

§1-85 Limitations on Credit and Debit Card Transaction Fees.

(a) A merchant shall not charge a mark-up to any passenger for credit/debit card transactions.

(b) A merchant who is an owner may charge a mark-up to a driver licensed by the Commission of not more than five percent (5 %) of the total credit/debit charges incurred during the driver's shift.

Section 9. Section 1-86 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by amending penalties labeled §1-11(e) and (f) and by adding new penalties labeled §1-11 (g) and (h) and §1-85(a) and (b), to read as follows:

Rule No.	Penalty	Personal Appearance Required
	. . . .	
§1-11(e)(i)[& (f)]	$[100] 250 and suspension [of the medallion] until [the defective condition is corrected] compliance.	[No] Yes
§1-11(e)(ii)	$250 and suspension until compliance	Yes
§1-11(f)	$1,000 and suspension until compliance.	Yes
§1-11(g)	$250 and suspension until compliance.	Yes
§1-11(h)	$250	No
	. . . .	
§1-85(a) and (b)	First violation: $200. Second violation: $300. Third violation: $500. In addition to the penalty payable to the Commission, the administrative law judge may order the owner to pay restitution to the passenger or driver, equal to the excess amount that was charged to the passenger or driver.	Yes

Section 10. Section 2-01 of Chapter 2 of Title 35 of the Rules of the City of New York is amended by adding two new definitions and amending a third definition to read as follows:

§ 2-01 Definitions.

Taxicab technology service provider. A "taxicab technology service provider" is a vendor who has contracted with the Commission to install and maintain the taxicab technology system in taxicabs.

Taxicab technology system. The "taxicab technology system" is hardware and software that provides the following four core services (collectively "four core services"): (i) credit, debit and prepaid card payment required by section 3-03(e)(7) of this title, (ii) text messaging required by section 3-03(e)(8) of this title, (iii) trip data collection and transmission required by section 3-06 of this title, and (iv) data transmission with the passenger information monitor required by section 3-07 of this title.

Trip Record. A "trip record" also known as a trip sheet or trip log, is the written, computerized, automated and/or electronic accounting of a taxicab ride. The trip data to be transmitted or recorded shall include the taxicab license number (medallion number); the taxicab driver's license number; the location of trip initiation; the time of trip initiation; the number of passengers, the location of trip termination; the time of trip termination; the itemized metered far for the trip (tolls, surcharge and tip, if paid by credit or debit card); the distance of the trip, the trip number, the method of payment, the total number of passengers, as well as such other information as may be required by the Commission. The electronic capture of required trip record data shall commence [as agreed upon between the TLC and the authorized contractor on a date certain to be set by the Commission] no later than the compliance date set forth in section 1-01 of this title. Trip record information shall be available to the TLC, the taxicab driver, medallion owner, taxicab owner and/or leasing agent upon reasonable demand based upon parameters set between the TLC and approved vendor(s). The trip record shall be kept in an approved archived form for a minimum of three years after the date of the taxicab ride.

Section 11. Section 2-26 of chapter 2 of Title 35 of the Rules of the City of New York is amended by adding new subdivisions (f) and (g), to read as follows:

§2-26 Condition of Taxicab.

. . . .

(f) (i) For any taxicab that is required to be equipped with the taxicab technology system, such equipment shall at all times be in good working order and each of the four core services shall at all times be functioning. (ii) In the event of any malfunction or failure to operate of such taxicab technology system, the driver shall file an incident report with the authorized taxicab technology service provider promptly and in no event more than one (1) hour following the driver's discovery of such malfunction or failure to operate or such time as the driver reasonably should have known of such malfunction or failure to operate, or the end of the driver's shift, whichever occurs first. If the owner or taxicab agent previously filed a timely incident report regarding such malfunction or failure to operate, the driver shall not be required to file a separate incident report but shall obtain an incident report number from the owner, agent or taxicab technology service provider. A taxicab in which any of the four core services of the taxicab technology system, or any part thereof, are not functioning shall not operate more than forty-eight (48) hours following the timely filing of an incident report by the owner, driver or agent.

(g) If any passenger information monitor is not operational and can be made operational by the driver, the driver shall do so.

Section 12. Paragraph (1) of subdivision (a) of section 2-27 of chapter 2 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) A driver shall not operate a taxicab unless the following are present in the taxicab:

(1) [Operable data collection and transmission equipment as described in §3-06 of the Taxicab Specifications as required pursuant to these rules.] The taxicab technology system as defined in section 2-01 of this chapter, provided, however, that, [If] if the taxicab is not yet required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications which has been approved by and meets all of the requirements of the Commission] such taxicab technology system and whenever such taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, [then] the driver must maintain a written trip record also known as a "trip sheet," containing such information as required by sections 2-01 and 2-28(a) of this chapter and section [§]3-06(b) [and § 2-01] of [TLC Rules] this title.

Section 13. Subdivisions (a), (b), (c), (d) and (e) of section 2-28 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

§2-28 Trip Records.

(a) Until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, a driver shall keep a written trip record in the taxicab as specified in [§] section 2-27(a) and shall enter the following information legibly in ink, as follows:

(1) at the start of each trip, the starting time, specific location and the number of passengers;

(2) on completion of the trip, the destination, the time, the amount of the fare, and any tolls paid;

(3) the taximeter readings [at finish] and the concluding time of his or her workshift;

(4) any toll bridges or tunnels used by the driver, whether or not with a passenger; and

(5) all other entries required by these rules.

(b) Until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, a driver shall, at the beginning of each workshift, sign and certify on the written trip record that, with the exception of the taxicab technology system, the taxicab and its equipment are in good working condition and that, with the exception of such taxicab technology system, the items required in the taxicab are present, before operating the taxicab.

(c) [A] For any taxicab that is required to be equipped with the taxicab technology system, a driver shall transmit to an electronic database all necessary corrections that need to be made to the electronic trip record. [Until such time when a taxicab is required to be equipped with data collection and transmission equipment as described in §3-06 of the Taxicab Specifications a] A driver shall [not] at no time make erasures or obliterations on any written trip record [and], shall correct any wrong entry only by drawing a single line through the incorrect entry and recording the date, time and reason for the change.[.Until such time when a taxicab is required to be equipped with data described in §3-06 of the Taxicab Specifications a driver] and shall not leave blank lines between entries on any written trip record.

(d) [Until such time when a taxicab is required to be equipped with data collection and transmission equipment as described in §3-06 of the Taxicab Specifications, a] A driver shall [not] at no time rewrite a written trip record either in whole or in part, unless authorized by the Commission.

(e) Until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, a driver shall submit his written trip sheet to the owner at the conclusion of [his] the driver's shift or lease period. [In the event that] Whenever a taxicab's [data collection and transmission equipment] taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider, the driver must maintain written trip records [until such time as when the data collection and transmission equipment is in good working order] during the forty-eight (48) hours immediately following the filing of such incident report.

Section 14. The section title and subdivisions (a), (b) and (d) of section 2-31 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

§2-31 Tampering with Taximeter, Taximeter Technology System and Rooflight Prohibited.

(a) A driver shall not operate a taxicab in which the taximeter or the seals affixed thereto by a licensed taximeter repair shop or the taxicab technology system have been tampered with, broken or altered in any manner. The operation of a taxicab with a broken taximeter seal shall give rise to a rebuttable presumption that the driver knew of the tampering or alteration and operated the taxicab with such knowledge.

(b) A driver shall not tamper with, repair or attempt to repair, or connect any unauthorized device to, the taximeter or the taxicab technology system, or any seal, cable connection or electrical wiring thereof, or make any change in the vehicle's mechanism or its tires which would affect the operation of the taximeter or the taxicab technology system.

. . . .

(d) It shall be an affirmative defense to a violation of [Rule] section 2-31(b) that the driver: (1) did not know of or participate in the alleged taximeter or taxicab technology system tampering; and (2) exercised due diligence to ensure that taximeter-tampering or tampering with the taxicab technology system does not occur.

Section 15. The section heading and subdivisions (a) and (b) of section 2-32 of chapter 2 of Title 35 of the Rules of the City of New York are amended, and a new subdivision (c) is added, to read as follow:

§2-32 If Taximeter or Credit/Debit Card Acceptance Equipment [Becomes] Is Defective During Shift.

(a) A driver shall not pick up or transport a passenger when the taximeter is defective, until it has been repaired at a licensed taximeter shop or replaced by such shop with a taximeter which has been inspected, sealed and approved within the preceding twelve (12) months. [If] Until a taxicab is required to be equipped with the taxicab technology system as defined in section 2-01 of this chapter, if the taximeter is [designed or] equipped to accept credit or debit card payments for fares, a driver may not pick up or transport a passenger when the taximeter is incapable of accepting or processing credit or debit card transactions. When a taxicab is required to be equipped with the taxicab technology system, the driver may not pick up or transport a passenger when the system is incapable of accepting or processing credit or debit card transactions, unless: (i) in the event of any malfunction or failure to operate of the credit or debit card acceptance equipment, the driver promptly files an incident report with the authorized taxicab technology service provider, as set forth in section 2-26 of this chapter, and obtains an incident report number, and not more than forty-eight (48) hours have passed following the filing of such incident report, and (ii) the driver advises the passenger of the malfunction or failure to operate of the credit or debit card acceptance equipment prior to engaging the meter. [A

driver may not refuse to accept credit or debit card payments from a passenger with valid credit or debit card for which payment has been authorized by the issuing or servicing financial institution.]In the event that the wireless payment equipment used to accept payment by credit and debit cards is inoperable at the destination of a trip as a result of a technical [reason] problem in the system's communication network [and] that is not related to the equipment in the taxicab, the customer has the option of either (i) paying cash or (ii) requesting the taxicab driver continue to a location where the wireless payment system may communicate with its network. If a taximeter or its parts become defective during the driver's shift while a passenger is in the taxicab, or if the taxicab technology system or its parts become defective while a passenger is in the taxicab such that the driver is unable to inform the passenger of the proper fare, the driver shall immediately notify the passenger and offer him or her the option of continuing the trip with a mutually agreed upon reasonable fare, or terminating the trip and paying the fare shown on the taximeter to that point.

(b) Upon terminating a trip because of a defective taximeter or defective taxicab technology system, the driver shall illuminate the "Off Duty" light, lock the rear doors, transmit to an electronic database for entry on the electronic trip record that the taximeter and/or the taxicab technology system is defective or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taximeter technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report as set forth in section 2-26 of this chapter, enter on the written trip record that the taximeter and/or the taxicab technology system is defective[, and]. Whether or not the taxicab is required to be equipped with the taxicab technology system, the driver shall return the taxicab immediately to the garage of record or a licensed taximeter repair shop.

(c) A driver shall not charge a mark-up to any passenger for credit/debit card transactions.

Section 16. Subdivision (a) of section 2-33 of chapter 2 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) When a taxicab is occupied by anyone in addition to the driver, the taximeter shall immediately be placed in the recording or "Hired" position and kept in that position until arrival at the destination, provided that if the passenger is not being charged a fare, the driver, in lieu of activating the meter, may illuminate the "Off Duty" light and transmit to an electronic database for entry on the electronic trip record that he or she is off duty and transporting a non-paying passenger and the details of time and distance of the free fare or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, enter on his or her written trip record, that he or she is off duty and transporting a non-paying passenger and the details of time, distance and reason for the transportation without charge. When the taxicab is engaged in a flat fare trip from Kennedy Airport to Manhattan or from Manhattan to Kennedy Airport in accordance with [Owners Rule §] section 1-69(a) of this title, the driver shall [not activate the meter, except in accordance with subdivision (b) of Rule §1-69, and shall] transmit to an electronic database for entry on the electronic trip record or enter on the written trip record that this is a flat fare trip to or from Kennedy Airport and the details of time and distance. When a taxicab is occupied by a passenger who is a person with a disability, the driver shall place the taximeter in the recording or "Hired" position only after the passenger has safely entered the taxicab. A taxicab driver shall not place the taximeter in the recording or "Hired" position while the driver is assisting a person with a disability to enter the taxicab or while assisting with that passenger's mobility aid.

Section 17. Paragraphs (3) and (4) of subdivision (a) and paragraph (4) of subdivision (b) of section 2-35 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

(a) For a trip beyond the City of New York, except for the counties of Westchester or Nassau, or the facilities of the Port Authority of New York and New Jersey at Newark Airport, the following shall be applicable:

. . .

(3) the out-of-City destination shall be transmitted to an electronic database upon arrival at the destination for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, entered on the written trip record; and

(4) the total charge shall be captured by an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, entered on the written trip record.

(b) For a trip to the counties of Westchester or Nassau, or Newark Airport, the following shall be applicable:

. . .

(4) the total charge shall be transmitted to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, entered on the written trip record.

Section 18. Subdivision (a) of section 2-39 of chapter 2 of Title 35 of the Rules of the City of New York is amended to read as follows:

§2-39 Non-Paying Passengers.

(a) If a passenger refuses to pay the metered fare, the driver must place the meter in the off or "Vacant" position, illuminate the "Off Duty" light, transmit the relevant information[,] and the amount of fare on the taximeter to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, enter the words "Off Duty" and the amount of fare on the taximeter on the written trip record[,]. Whether or not the taxicab is required to be equipped with the taxicab technology system, the driver shall proceed directly to the nearest police precinct, present the facts to the police and follow their instructions for resolving the dispute.

Section 19. The heading and subdivision (b) of section 2-45 of chapter 2 of Title 35 of the Rules of the City of New York are amended, and a new subdivision (c) is added, to read as follows:

§2-45 Route and Method of Payment.

. . .

(b) A driver shall comply with any request of a passenger during the trip to change his or her destination or terminate the trip, unless it is impossible or unsafe for the driver to comply with such request, and the passenger shall pay the amount shown on the taximeter until such time as the taxicab is required to be equipped with the taxicab technology system as defined in section 2-01 of this chapter or, after such time, the amount shown on the passenger information monitor, unless the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, or there is a discrepancy between the amount shown on the passenger information monitor and the taximeter. In that event, the passenger shall pay the amount shown on the taximeter, at the destination or time of termination.

(c) In a taxicab equipped with the taxicab technology system as defined in section 2-01 of this chapter or otherwise equipped to accept credit and debit card payment for fares, the driver shall comply with any request of a passenger as to the method for payment of the fare, whether in cash or by credit or debit card. Provided, however, that if such taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, the driver shall not be required to accept payment by credit or debit card.

Section 20. Subdivision (b) of section 2-47 of chapter 2 of Title 35 of the Rules of the City of New York is amended to read as follows:

(b) A driver must always be capable of making change of a $20 bill, provided that if the driver finds himself or herself unable to change a $20 bill during his or her workshift [he or she] the driver may, with the passenger's consent, place the meter in an off or "Vacant" position, illuminate the "Off Duty" light, transmit the relevant information to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, make an appropriate written trip record entry, [and] The driver shall then proceed to the nearest location where he or she may reasonably expect to obtain change.

Section 21. Paragraphs (4), (5) and (6) of subdivision (e) of section 2-50 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

(e) Justifiable grounds for the conduct otherwise prohibited by [§§] sections 2-50(a), 2-50(b), 2-50(c) and 2-50(d) shall be the following:

. . .

(4) the driver is ending his or her workshift [and], has already illuminated the "Off Duty" sign, locked both rear doors, and has transmitted the relevant information to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, indicated on the written trip record that he or she is off duty and proceeding to his or her garage or home;

(5) it is necessary to take the taxicab out of service for one of the reasons [given] specified in [§] section 2-52(a) [hereof] of this chapter, and the driver has already illuminated the "Off Duty" sign, transmitted the relevant information to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, made the appropriate written trip record entry, and the driver has further locked both rear doors;

(6) the driver is discharging his last passenger or [passenger] passengers prior to going off duty, [and] has already illuminated his "Off Duty" sign and transmitted the relevant information to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, made the appropriate written trip record entry;

Section 22. Subdivisions (a) and (b) of section 2-52 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

§2-52 Off-Duty Procedure.

(a) Before going off duty a driver shall transmit the relevant information to an electronic database for entry on the electronic trip record[,] or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, shall enter on his or her written trip record the time, place and reason for going off duty; he or she shall illuminate the "Off Duty" light or display a "Relief Time" sign inside the windshield and visible from the street and he or she shall lock the rear doors.

(b) Upon completion of the off duty activity a driver shall immediately transmit the relevant information to an electronic database for entry on the electronic trip record or, until [such time when] a taxicab is required to be equipped with [data collection and transmission equipment as described in §3-06 of the Taxicab Specifications] the taxicab technology system as defined in section 2-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider as set forth in section 2-26 of this chapter, enter on his or her written trip record the time thereof[,]. The driver shall then turn off the "Off Duty" light or remove the "Relief Time" sign and return to service.

Section 23. Subdivisions (a) and (b) of section 2-66 of chapter 2 of Title 35 of the Rules of the City of New York are amended to read as follows:

§2-66 Cooperating with TLC.

(a) A driver shall, at all times, cooperate with all law enforcement officers, authorized representatives of the Commission, [and] the NYC Department of Investigation, and dispatchers at public transportation terminals and at authorized group-ride taxi lines, and shall comply with all their reasonable requests, including but not limited to giving, upon request, his or her name and taxicab driver's license number and exhibiting the rate card, the required electronic or written trip record and, when the taxicab is required to be equipped with the taxicab technology system as defined in section 2-01 of this chapter, if off duty produce the off-duty code receipt, and other documents required to be in his or her possession.

(b) A driver shall promptly answer and comply as directed with all questions, communications, directives and summonses from the Commission or its representatives and the NYC Department of Investigation or its representatives. A driver shall produce his or her taxicab driver's license and DMV license, required electronic or written trip records and, when the taxicab is required to be equipped with the taxicab technology system as defined in section 2-01 of this chapter, if off duty produce the off-duty code receipt, or other documents whenever the Commission requires him or her to do so.

Section 24. Section 2-86 of Chapter 2 of Title 35 of the Rules of the City of New York is amended by adding new penalties labeled §2-26(f)(i), (f)(ii), 2-26(g), §2-32(c) and §2-45(c) as follows:

Rule No.	Penalty	Personal Appearance Required
	. . . .	
§2-26(f)(i)	$250 and suspension until compliance.	Yes
§2-26(f)(ii)	$250 and suspension until compliance.	Yes
§2-26(g)	$100	No
	. . . .	
§2-32(c)	First violation: $200; Second violation: $300; Third violation: $500; In addition to the penalty payable to the Commission, the administrative law judge may order the driver to pay restitution to the passenger, equal to the excess amount that was charged to the passenger.	Yes
	. . . .	
§2-45(c)	$150-350	Yes

Section 25. Subdivision (e) of section 3-03 of chapter 3 of Title 35 of the Rules of the City of New York is amended by adding a new paragraph (6) and by amending paragraphs (7) and (8), to read as follows:

(e) Vehicle Modifications for Taxicab Service.

. . . .

(6) [Repealed] Definitions.

Taxicab technology service provider. A "taxicab technology service provider" is a vendor who has contracted with the Commission to install and maintain the taxicab technology system in taxicabs.

Taxicab technology system. The "taxicab technology system" is hardware and software that provides the following four core services (collectively "four core services"): (i) credit, debit and prepaid card payment required by section 3-03(e)(7) of this chapter, (ii) text messaging required by section 3-03(e)(8) of this chapter, (iii) trip data collection and transmission required by section 3-06 of this chapter, and (iv) data transmission with the passenger information monitor required by section 3-07 of this chapter.

(7) Credit Card Acceptance Capability. Each taxicab that is required to be equipped with the taxicab technology system as defined in section 3-03 of this chapter must be capable of accepting all major credit [cards] and debit cards which are accepted by such taxicab technology system as payment for fares. This specification shall be implemented [as agreed upon between the Taxi and Limousine Commission and the authorized contractor(s) on a date certain to be set by the Commission] no later than the compliance date set forth in

section 1-01 of this title.

(8) Text [Message] Messaging Equipment. Each taxicab that is required to be equipped with the taxicab technology system as defined in section 3-03 of this chapter must be equipped with text messaging equipment [approved by the Chairperson capable of] enabling the driver to receive and send text messages [in a format approved by the Chairperson]. No [Text Message Equipment] text messaging equipment shall be installed unless it has been [approved by the Chairperson, based upon a determination] provided by a taxicab technology service provider and [that] the equipment conforms with [the] specifications [as] set forth herein, meets appropriate safety standards, and fulfills the intended purposes for such equipment. No [Text Message Equipment] text messaging equipment shall be used in contravention of TLC Rules[. No Text Message Equipment shall be used] or for dispatch purposes. This specification shall be implemented [as agreed upon between the Taxi and Limousine Commission and the authorized contractor(s) on a date certain to be set by the Commission] no later than the compliance date set forth in section 1-01 of this title.

Section 26. Paragraph (24) of subdivision (a) of section 3-04 of chapter 3 of Title 35 of the Rules of the City of New York is amended, and new paragraphs (25) and (26) are added, to read as follows:

(a) The Unit must:

. . . .

(24) be capable of calculating and displaying [either of two alternative rates of fare. In addition to displaying] the regular metered rate of fare [as] required by [Owner's Rule] section 1-70 of this title, [the meter unit shall also be capable of displaying instead] the flat rate of fare for a trip from Kennedy Airport to Manhattan or from Manhattan to Kennedy Airport, as required by [Owners Rule] section 1-69(a) of this title, the rate of fare for a trip to or from Newark Airport, as required by section 1-73 (c) of this title, the rate of fare for trips to Nassau and Westchester counties, as required by section 1-73(b) of this title, the negotiated flat fares to points outside New York City other than the Newark Airport and Westchester and Nassau counties, as required by section 1-73(b) of this title, and the flat fares per person for group rides, as required by section 1-71 of this title.

(25) for any taxicab required to be equipped with the taxicab technology system as defined in section 3-03 of this chapter, be capable of transferring data to the taxicab technology systems of all taxicab technology service providers which have chosen such taximeter, in order to allow credit and debit card payment required by section 3-03(e)(7) of this chapter, text messaging required by section 3-03(e)(8) of this chapter, trip data collection and transmission required by section 3-06 of this chapter and communication with the passenger information monitor required by section 3-07 of this chapter. This specification, unless the taxicab is exempt pursuant to section 1-11(g) of this title, shall be implemented no later than the compliance date set forth in section 1-01 of this title.

(26) use switches, wiring and wire caps in all connections to the taximeter harness, roof light wires and pulse wires that meet specifications of the Society of Automotive Engineers, where such specifications are applicable. All of the taxicab technology system ports and peripheral connections shall be physically secured from tampering that could disrupt the functionality or compromise the integrity of the taximeter.

Section 27. Subdivision (a) of section 3-06 of Chapter 3 of Title 35 of the Rules of the City of New York is amended to read as follows:

§3-06 Specifications for the Collection and Transmission of Required Trip Data.

(a) All vehicles, except as provided in section 1-11(g) of this title, shall comply with the data collection and transmission requirements of this [S]section. This specification shall be implemented [as agreed upon between the Taxi and Limousine Commission and the authorized contractor(s) on a date certain to be set by the Commission] no later than the compliance date set forth in section 1-01 of this title.

Section 28. Subdivision (a), paragraphs (ii), (iii), (iv) and (v) of subdivision (b) and subdivision (c) of section 3-07 of chapter 3 of Title 35 of the Rules of the City of New York are amended, and a new subdivision (d) is added, to read as follows:

§3-07 Passenger Information Monitor.

(a) All vehicles, except as provided in section 1-11(g) of this title, shall be equipped with a [P]passenger [I]information [M]monitor which meets all the requirements of this section. This specification shall be implemented [as agreed upon between the Taxi and Limousine Commission and the authorized contractor(s) [on a date certain to be set by the Commission] no later than the compliance date set forth in section 1-01 of this title.

(b) The [P]passenger [I]information [M]monitor shall have the following minimum specifications or capabilities:

. . . .

(ii) [Be of a size and construction, and placed in a location as approved by the Chairperson] Be provided with a screen that is no less than ten (10) inches measured diagonally and placed in the rear passenger compartment of the taxicab; provided, however, for hybrid electric vehicles and other small clean air or low emission vehicles without a partition, licensed by the Commission for use as taxicabs, the screen size may be less than ten (10) inches but not less than five and one-half (5½) inches measured diagonally;

(iii) Display a map [agreed upon between the TLC and the authorized vendor(s)] that indicates the current location of the vehicle as well as the route the vehicle has traveled from the point of trip initiation to the point of trip destination or termination;

(iv) Display [only] without limitation the following: TLC Public Service Announcements (PSAs) including but not limited to the Passenger Bill of Rights, the Flat Fare Notice and any other TLC PSAs as designated by the Chairperson and, at the medallion owner's option, limited media content, which may include commercial advertising and commercial sponsorships as enumerated in the contract(s) between the TLC and [approved vendor(s)] taxicab technology service provider(s);

(v) Display itemized metered fare information at destination or termination of trip;

. . . .

(c) No [P]passenger [I]information [M]monitor or related equipment shall be installed unless it has been [agreed upon between the TLC and the authorized contractor] provided by an authorized taxicab technology service provider on or before [a date certain to be set by the Commission based upon a determination by the Chairperson that the unit and equipment conforms with the specifications as set forth herein, meets appropriate safety standards and fulfills the intended purposes for such equipment] the compliance date set forth in section 1-01 of this title.

(d) If the credit/debit card acceptance equipment is not operational, but the passenger information monitor is operational, the passenger information monitor shall display the message, "Credit Card System Currently Not Available.

Section 29. Section 12-01 of chapter 12 of Title 35 of the Rules of the City of New York is amended by adding three new definitions to read as follows:

§12-01 Definitions.

Merchant. A "merchant" is an individual or business entity licensed by the Commission that contracts with a merchant bank provider of credit/debit card services and other merchant account related services, which merchant bank provider is approved by the Commission as a subcontractor to one or more taxicab technology service providers for the purpose of providing in-cab payment of taxicab fares, surcharges, tolls and tips by credit/debit cards.

Taxicab technology service provider. A "taxicab technology service provider" is a vendor who has contracted with the Commission to install and maintain the taxicab technology system in taxicabs.

Taxicab technology system. The "taxicab technology system" is hardware and software that provides the following four core services (collectively "four core services"): (i) credit/debit card payment required by section 3-03(e)(7) of this title, (ii) text messaging required by section 3-03(e)(8) of this title, (iii) trip data collection and transmission required by section 3-06 of this title, and (iv) data transmission with the passenger information monitor required by section 3-07 of this title.

Section 30. Subdivisions (m) and (q) and paragraph (1) of subdivision (r) of section 12-06 of Chapter 12 of Title 35 of the Rules of the City of New York are amended, and a new subdivision (u) is added, to read as follows:

§12-06 Standards of Conduct.

. . . .

(m) An agent shall not dispatch a taxicab unless all equipment, including brakes, tires, lights and signals are in good working order and meet all requirements of the New York State Vehicle and Traffic Law [and], the Commission, [Taxicab Specifications] section 3-03 and/or 3-03.1 and 3-03.2 of this title and these rules.

. . . .

(q) An agent shall not tamper with, alter, repair or attempt to repair a taximeter or any seal affixed thereto by a licensed taximeter repair shop or another authorized facility, or the taxicab technology system as defined in section 12-01 of this chapter, or alter, repair or attempt to repair any cable mechanism or electrical wiring of a taximeter or taxicab technology system, or make any change in a vehicle's mechanism or its tires which would affect the operation of the taximeter or of the taxicab technology system.

(r) An agent shall not dispatch a taxicab unless the following are present in the taxicab:

(1) the driver's written trip record, also known as a "trip sheet" until the taxicab is required to be equipped with the taxicab technology system as defined in section 12-01 of this chapter, and thereafter whenever the taxicab technology system is inoperable for not more than forty-eight (48) hours following the filing of an incident report with the authorized taxicab technology service provider, as set forth in subdivision (u) of this section;

. . . .

(u) Responsibilities of agent with regard to the taxicab technology system. (1) (i) For any taxicab that is required to be equipped with the taxicab technology system, such equipment shall at all times be in good working order and each of the four core services shall at all times be functioning. (ii) In the event of any malfunction or failure to operate of such taxicab technology system, the agent shall file an incident report with the authorized taxicab technology service provider promptly and in no event more than two (2) hours following the agent's discovery of such malfunction or failure to operate or such time as the agent reasonably should have known of such malfunction or failure to operate. If the driver or taxicab owner previously filed a timely incident report regarding such malfunction or failure to operate, the agent shall not be required to file a separate incident report but shall obtain an incident report number from the driver, owner or taxicab technology service provider. Upon instruction from the owner, the agent shall meet the appointment for repair scheduled by the authorized taxicab technology service provider following the filing of an incident report with such authorized taxicab technology service provider. A taxicab in which any of the four core services of the taxicab technology system, or any part thereof, are not functioning shall not operate more than forty-eight (48) hours following the timely filing of an incident report by the owner, driver or agent.

(2) The agent for any taxicab that is required to be equipped with the taxicab technology system shall equip such taxicab, except as provided in section 1-11(g) of this title, with a taxicab technology system as set forth in sections 3-03(e)(7) and (8), 3-06 and 3-07 of this title.

(3) An agent for any taxicab requiring six (6) or more repairs of the taxicab technology system in any thirty (30) day period shall promptly take such vehicle for inspection to or schedule an inspection with the Commission's Safety and Emissions Facility. Such requirement shall not apply to the agent if compliance is made by the owner or driver of such vehicle.

(4) A merchant who is an agent may charge a mark-up to a driver licensed by the Commission of not more than five percent (5%) of the total credit/debit card charges incurred during the driver's shift.

Section 31. Section 12-08 of chapter 12 of Title 35 of the Rules of the City of New York is amended by adding a penalty labeled §12-06(m) and penalties labeled §12-06(u)(1)(i), (u)(1)(ii), (u)(2), (3) and (4) as follows:

Rule No.	Penalty	Personal Appearance Required
. . .		
§12-06(m)	$100	No
§12-06(u)(1)(i)	$250 and suspension until compliance	Yes
§12-06(u)(1)(ii)	$250 and suspension until compliance	Yes
§12-06(u)(2)	$1000 and suspension until compliance	Yes
§12-06(u)(3)	$250	No
§12-06(u)(4)	First violation: $200. Second violation: $300. Third violation: $500. In addition to the penalty payable to the Commission, the administrative law judge may order the agent to pay restitution to the driver, equal to the excess amount that was charged to the driver.	Yes

Section 32. Section 15-01 of Chapter 15 of Title 35 of the Rules of the City of New York is amended by adding new subdivision (h), relettering existing subdivisions (h) and (i) as (i) and (j), adding subdivisions (k) and (l) and relettering existing subdivisions (l) through (n) inclusive as (m) through (q) inclusive, to read as follows:

§15-01 Definitions.

(h) **Representative.** "Representative" shall mean an individual, partnership, limited liability company or corporation appointed by a manufacturer of taximeters required to be licensed under this chapter to hold a license on behalf of such manufacturer and to carry out such manufacturer's duties and responsibilities as a licensee under this chapter.

. . . .

(k) **Taxicab technology service provider.** A "taxicab technology service provider" is a vendor who has contracted with the Commission to install and maintain the taxicab technology system in taxicabs.

(l) **Taxicab technology system.** The "taxicab technology system" is hardware and software that provides the following four core services (collectively "four core services"): (i) credit, debit and prepaid card payment required by section 3-03(e)(7) of this title, (ii) text messaging required by section 3-03(e)(8) of this title, (iii) trip data collection and transmission required by section 3-06 of this title, and (iv) data transmission with the passenger information monitor required by section 3-07 of this title.

Section 33. Section 15-02 of Chapter 15 of Title 35 of the Rules of the City of New York is amended to read as follows:

§15-02 Unlicensed Business Activities Prohibited.

(a) No individual, partnership, [or] corporation or other business entity shall manufacture, sell, install, repair, adjust, or calibrate taximeters or install or repair seals, wiring harnesses or other equipment relating to the operation of a taximeter or roof light for use upon any licensed vehicle in the City of New York unless he, she or it holds a current, valid taximeter business license issued by the [c]Commission, which license is neither suspended or revoked. No individual, partnership, corporation or other business entity shall manufacture, sell, install, repair, adjust, calibrate or maintain a taxicab technology system that is not provided by a taxicab technology service provider as defined in section 15-01 of this chapter.

(b) After July 18, 2007, no taximeter may be used in a taxicab licensed by the Commission unless the manufacturer thereof has been licensed by the Commission under these rules. Any manufacturer required to obtain a license under this subdivision must obtain such license separately and in addition to any other licenses such person or entity may hold from the Commission, including other licenses held for a taximeter business. A manufacturer required to be licensed under this chapter may appoint a representative to hold such license. Except as otherwise provided in this subdivision, such representative shall be required to meet all applicable conditions and qualifications of licensure provided by this chapter and must be authorized by appointment to act on behalf of the manufacturer pursuant to this chapter and to bind the manufacturer to the fulfillment of the duties and responsibilities of a licensee under this chapter, and the manufacturer, by such appointment, agrees to be so bound and shall be deemed to be bound hereby. Such licenses which a representative is appointed to hold shall be separate and in addition to any other licenses such person or entity may hold from the Commission, including other licenses held for a taximeter business. In the event a manufacturer chooses to appoint a representative to hold a license:

(1) The representative must have, and shall be deemed to have, the ability, on behalf of the manufacturer, to fulfill the requirements and obligations of a manufacturer, under this chapter, including the ability to implement the requirements of section 15-44 of this chapter as to the manufacturer, and to ensure that all persons and entities authorized to sell, install, or service taximeters manufactured by the manufacturer in taxicabs licensed by the Commission comply with all applicable provisions of these rules, except that such representative shall not be required to meet the requirements of section 15-12 of this chapter relating to premises and equipment of the manufacturer's manufacturing operations; notwithstanding the appointment of the representative, the manufacturer and its representative shall be jointly responsible for fulfilling the duties and responsibilities of a manufacturer as required by this chapter, including those set forth in section 15-44 of this chapter and the manufacturer's appointment of a representative shall not relieve it of responsibility for compliance;

(2) The manufacturer must inform the Commission at any time it appoints a representative and provide a copy of the appointment together with the name, address and license numbers, if any, of the representative. In addition, as a condition of renewal of such manufacturer's license, the manufacturer shall provide the Commission annually during the month of January with the name of the representative authorized by the manufacturer to hold a license from the Commission on behalf of the manufacturer, including the address, and, if already licensed by the Commission, license number(s) of such representative; and

(3) Each representative appointed under this subdivision must apply to hold a license under this chapter and must meet all applicable standards, criteria, and conditions of licensure, and must further provide to the Commission with its application for a license or renewal thereof an acceptance of the appointment and acceptance of the responsibilities imposed on such manufacturer by this chapter, except that

such representative shall not be required to meet the requirements of section 15-12 of this chapter relating to premises and equipment of the manufacturer's manufacturing operations and only individual representatives, partners of a representative, members of a representative or officers of a representative shall be required to be fingerprinted under section 15-03(e) of this chapter.

Section 34. Subdivision (a) of section 15-20 of Chapter 15 of Title 35 of the Rules of the City of New York is amended to read as follows:

§15-20 Personal conduct of Licensees.

(a) A taximeter business owner, while performing his, her or its duties and responsibilities as a taximeter business owner, shall not commit or attempt to commit, alone or in concert with another, any act of fraud, misrepresentation, or larceny. Examples of fraud, larceny or misrepresentation include, but are not limited to, calibration of a fare other than that set by the [c]Commission; adjustment of the tire size, driving axle, pinion gear, transducer, wiring, or other equipment, for the purpose of generating an inaccurate signal of time or distance into the taximeter or the taxicab technology system; [or] the manufacture, sale or installation of any device which is either designed to or does generate a false or inaccurate signal into the taximeter or the taxicab technology system; or the falsification of taxicab technology system records.

Section 35. The introductory sentence of subdivision (a) and paragraph (1) of subdivision (a) of section 15-29 of Chapter 15 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) A taximeter business shall notify the [c]Commission by telephone immediately and in writing within twenty-four (24) hours, of any of the following occurrences:

(1) A taximeter which the taximeter business knows or has reason to know has been reported to the Commission as lost or stolen or a taxicab technology system which the taximeter business knows or has reason to know has not been provided by a taxicab technology provider as defined in section 15-01 of this chapter has been presented to the taximeter business for installation, repair, adjustment or calibration [which the taximeter business knows or has reason to know has been reported lost or stolen to the commission].

Section 36. Section 15-43 of Chapter 15 of Title 35 of the Rules of the City of New York is amended by adding new penalties labeled §15-44(a) and (b), to read as follows:

Rule No.	Penalty	Personal Appearance Required
. . .		
§15-44(a) and (b)	First violation: $10,000 Second violation: revocation of license	Yes

Section 37. Chapter 15 of Title 35 of the Rules of the City of New York is amended by adding a new section 15-44, to read as follows:

Section 15-44 Cooperation with Taxicab Technology Service Providers.

Each taxicab technology service provider (as that term is defined in section 15-01 of this chapter) shall, with the approval of the Commission, choose one or more Commission-approved taximeters to interface and communicate data with its taxicab technology system, and shall communicate such choice or choices in writing to the Commission. When a taximeter business that manufactures taximeters approved by the Commission has been notified by the Commission that its taximeter has been chosen by a taxicab technology service provider to interface and communicate data with the taxicab technology system of such taxicab technology service provider, such taximeter business shall choose either of the following options: (a) Such taximeter business shall provide to such taxicab technology service provider such information relating to the design and inner operation of the taximeter that is necessary for such taxicab technology service provider to perform the work of effecting an interface and communication of data between its taxicab technology system and the taximeter. A taximeter business may require as a condition of providing such information to a taxicab technology service provider that such taxicab technology service provider execute a non-disclosure agreement that is substantially similar in form to Attachment NDA to the agreement between the Commission and the taxicab technology service providers or as agreed upon between the parties; or

(b) Such taximeter business shall, (i) for the purpose of receiving from such taxicab technology service provider such information relating to the design and inner operation of such provider's taxicab technology system, within five business days of notification by the Commission pursuant to this section that the taximeter of such taximeter business has been chosen by such provider to interface and communicate data with such taxicab technology system, execute a non-disclosure agreement substantially similar in form to Attachment NDA to the agreement between the Commission and the taxicab technology service providers or as agreed to between the parties, (ii) perform the work of effecting an interface and communication of data between such taximeter and such taxicab technology system, (iii) ensure that upon installation of such taxicab technology system and thereafter such interface and communication of data are effective, and (iv) submit to the Commission on an annual basis a signed certification that the taximeter business has effected and continues to effect an interface and communication of data between such taxicab technology system and such taximeter. Each failure on the part of a taximeter business that manufactures taximeters to cooperate with a taxicab technology service provider as provided in subdivision (a) or subdivision (b) of this section shall constitute a separate violation of this rule.

No taximeter manufactured by a taximeter business shall be used with any taxicab technology system unless such taximeter business is in compliance with this section insofar as it has cooperated to effect an interface of its taximeter with the taxicab technology systems of all taxicab technology service providers that chose such taximeter.

Statement of Basis and Purpose

These rules revise the existing Taxi and Limousine Commission ("TLC") rules applicable to the requirements of the taxicab technology system, which consists of hardware and software that allows credit and debit card payment of taxicab fares, text messaging to taxicab drivers, electronic taxicab trip data collection and transmission, and data transmission to a passenger information monitor. The rules provide exemptions from the system installation requirement to taxicabs that will be retired within six (6) months following the installation date, and provide that any taxicab technology service provider who has contracts for installation of the taxicab technology systems in more than three thousand (3,000) taxicabs may, upon prior written approval from the Chairperson, or his or her designee, extend the date for each taxicab to receive such taxicab technology system to the next date that each such taxicab is due for inspection at the TLC's Safety and Emissions Facility following February 1, 2008. The taxicab technology system is in development by vendors pursuant to contracts with the TLC. These rules require installation of the taxicab technology system in taxicabs on the date of the first regularly scheduled inspection for each taxicab on or after October 1, 2007, unless the taxicab is exempt.

The rules allocate responsibility for the operation and maintenance of the taxicab technology system among the taxicab driver, owner and agent, and require the driver, owner and agent to report malfunctions in the taxicab technology system within prescribed times after the malfunction is discovered or should reasonably have been discovered. Provided that those reporting requirements are met, the rules allow continued operation of the taxicab, with a written trip sheet if the electronic trip data collection is malfunctioning, for up to 48 hours after the malfunction is reported. If the taximeter fails to operate, however, the taxicab is prohibited from picking up a passenger. Further, if the taxicab technology system in a particular taxicab requires six or more repairs within any thirty-day period, the taxicab must promptly be brought for inspection to, or an inspection must be scheduled with, the TLC Safety and Emissions Facility. Pursuant to the contracts between the Commission and the taxicab technology service providers, the service providers are subject to audits by the City and the Commission, and they are required to provide the City and the Commission with periodic reports and reasonable access to the service providers' performance measurement and management reporting tools.

The rules increase from two to six the number of different fare calculations that the taximeter must be capable of processing. Existing rules require that the taximeter be capable of processing the regular fare pursuant to section 1-70 of the TLC rules, and the flat fare between Kennedy Airport and Manhattan pursuant to section 1-69 of the TLC rules. These rules require that the taximeter be capable of processing the fare to Newark Airport pursuant to section 1-73 of the TLC rules, the adjustment of the metered fare to points in Westchester and Nassau counties pursuant to section 1-73(b) of the TLC rules, the negotiated flat fares to points outside New York City other than the Newark Airport and Westchester and Nassau counties pursuant to section 1-73(a) of the TLC rules, and flat fares per person for group rides pursuant to section 1-71 of the TLC rules.

The rules also require taxicabs equipped with taxi technology systems to display signs or logos identifying the credit and debit cards that are accepted for payment on the passenger information monitor screen and to permit advertising on the passenger information monitor screen.

The rules also require that the taxicab technology system ports and peripheral connections be secured from tampering and that the connections to the taximeter harness, roof light wires and pulse wires use switches, wiring and wire caps meeting the specifications of the Society of Automotive Engineers.

The rules at Sections 1-85(b) and 12-06(u)(4) contained a cap of 5 % that medallion owners, or their agents, would be able to charge drivers for credit/debit card transactions. The rules set forth terms that explicitly require that each taximeter approved by the Commission be capable of transferring data and communicating with the taxicab technology system of all taxicab technology service providers that have chosen to interface with the taximeter. Section 15-44, added by the rules, requires that taximeter businesses which manufacture taximeters make available to taxicab technology service providers certain of their taximeter specifications, subject to appropriate confidentiality obligations, to enable the taxicab technology service providers to effect an interface between their systems and each taximeter; or, alternately, that the taxicab technology service providers make available to taximeter businesses which manufacture taximeters certain of their system specifications, again subject to appropriate confidentiality obligations, to enable the taximeter businesses to effect an interface between their taximeters and each of the taxicab technology systems.

The rules also make clear that, effective July 18, 2007, manufacturers of taximeter devices must be licensed by the TLC in order for their taximeters to be installed or maintained in taxicabs licensed by the TLC. Development and implementation of the taxicab customer service enhancements has made it clear that manufacturers of taximeters must work with the taxicab technology service providers, which are TLC contractors, to ensure that all equipment interfaces properly. The Commission achieves this purpose by requiring manufacturers to hold a license and to implement the interface requirements set forth in section 15-44 of the TLC rules.

To alleviate difficulties in licensing manufacturing entities which may not be located in New York City, the Commission allows that a manufacturer may meet its licensing requirement by designating a representative to hold a license on its behalf. Any representative designated must hold, and will be deemed to hold, all the necessary authority to carry out the manufacturer's duties as a licensee, including duties regarding interface requirements. The licensing of a representative shall not relieve a manufacturer of its duties with respect to such requirements.

Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

* * *

Fair rent

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.
Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.

* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

* * *

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

* * *

However, in ~~designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable~~ #Inclusionary Housing designated areas#, as listed ~~below~~ in the following table, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas). The locations of such districts are specified in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas).

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.
However, in the designated areas set forth in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

RENT GUIDELINES BOARD

■ NOTICE

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Tuesday, **June 19, 2007** at the LaGuardia Performing Arts Center, 31-10 Thomson Avenue, Long Island City, NY, 11101 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2007 through September 30, 2008.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will take place between the hours of **4:00 P.M. and 10:00 P.M.** on Tuesday, **June 19, 2007.** Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Monday, **June 18, 2007.** For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Frank at the above address by **Monday, June 4, 2007** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **Monday, May 7, 2007** and published in the City Record on **Friday, May 11, 2007.** Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address and at the Board's website: **housingnyc.com.**

In order to ensure that the members of the Rent Guidelines Board are able to deliberate and to hear members of the public with regard to renewal lease adjustments, and that members of the public are able to participate meaningfully in the public meeting and hearing process, items that are reasonably likely to disrupt the proceedings, such as noisemakers and drums, are prohibited and may not be brought into meeting and hearing venues. We encourage you to arrive early to avoid delays and help speed the entry of all members of the public. Your cooperation, patience and understanding are greatly appreciated.

PLEASE TAKE NOTICE that an application will be made by the CITY OF NEW YORK ("the City"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 12, 2007, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law: (a) authorizing the City to file an acquisition map, in connection with Phase 1, Stage 4 of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program, in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan; (b) directing that, upon the filing of the order and of such map, title to the real property sought to be acquired, and an estate for a term of years in one parcel, shall immediately vest in the City; (c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and (d) granting the City such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by the City is generally located between Tenth and Eleventh Avenues, and West 34th and West 36th Streets, in the Borough of Manhattan, City, County and State of New York, and includes:

(a) title in fee simple absolute to the entirety of Tax Block 706, Lots 15, 17, 48, 50 and 52, Tax Block 707, Lots 13, 16, 51, 54 and 56, and an unlotted strip of land between Lots 16 and 20, on Tax Block 707;

(b) title in fee simple absolute to an easterly portion of Tax Block 706, Lot 10; and

(c) an estate for a term of seven years in the remainder of Tax Block 706, Lot 10;

all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. Such properties are described in metes and bounds in Schedule A attached hereto.

The following interests are excluded from these acquisitions:

(a) All right, title and interest of the New York City Transit Authority in and to the following property, if and to the extent located within the property being acquired: (1) routes, tracks, tunnels, switches, sidings, extensions, connections, platforms, structures, or terminals; (2) wires, conduits, pipes, ducts, telephones, signal and other communication or service facilities; (3) columns, footings, bracings, foundations and other structural members; and (4) any other devices, equipment and facilities used in connection with the operation or maintenance of the subway system;

(b) Public and governmental utility facilities having a physical manifestation within the area being acquired; all recorded easements, licenses, and other agreements, if any, for such public and governmental utility facilities; and reasonable rights of access to such public and governmental utility facilities necessary for the maintenance, operation, repair, replacement or use of the same whether or not embodied in recorded instruments;

(c) So long as they stand, walls of buildings built on property not being acquired, which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map, and any cornices or lintels which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map, which shows the perimeters of the property to be acquired, is set forth below:

SOLICITATIONS

Services (Other Than Human Services)

MEDICAL WASTE REMOVAL – Competitive Sealed Bids – PIN# 81607ME32001 – DUE 07-26-07 AT 3:00 P.M. – This soliciation is for the provision of Regulated Medical Waste Removal Services at OCME locations in all five boroughs. The Office of Chief Medical Examiner ("OCME") investigates unusual and suspicious deaths which occur in NYC. This results in approximately 5,500 autopsies per year being conducted by the OCME. Regulated medical waste must be picked up, transported, and lawfully disposed of from all OCME facilities on a regular basis. The bidder should also be advised that the OCME is required to respond to emergency situations which may involve a mass disaster and that the prospective bidder should be prepared to be flexible in order to pick up, transport, and remove a greater than average volume of regulated medical waste in the case of an emergency. Bidder shall acquaint themselves with conditions to be found at the sites and shall assume all responsibility for placing and installing the equipment needed in the required locations.

A mandatory pre-bid conference will be held on Wednesday, June 20, 2007 at 10:00 A.M. at 421 East 26th Street, New York, NY 10016, in the Tenth Floor Conference Room East. Vendor Source ID#: 42094.

SOLICITATIONS

Services (Other Than Human Services)

MEDICAL WASTE REMOVAL – Competitive Sealed Bids – PIN# 81607ME32001 – DUE 07-26-07 AT 3:00 P.M. – This soliciation is for the provision of Regulated Medical Waste Removal Services at OCME locations in all five boroughs of NYC. The Office of Chief Medical Examiner ("OCME") investigates unusual and suspicious deaths which occur in NYC. This results in approximately 5,500 autopsies per year being conducted by the OCME. Regulated medical waste must be picked up, transported, and lawfully disposed of from all OCME facilities on a regular basis. The bidder should also be advised that the OCME is required to respond to emergency situations which may involve a mass disaster and that the prospective bidder should be prepared to be flexible in order to pick up, transport, and remove a greater than average volume of regulated medical waste in the case of an emergency. Bidder shall acquaint themselves with conditions to be found at the sites and shall assume all responsibility for placing and installing the equipment needed in the required locations.

A mandatory pre-bid conference will be held on Wednesday, June 20, 2007 at 10:00 A.M. at 421 East 26th Street, New York, NY 10016, in the Tenth Floor Conference Room East. Vendor Source ID#: 42094.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

NOTICE OF OPPORTUNITY TO COMMENT on Proposed Rule regarding penalties for offenses adjudicated by the Environmental Control Board (ECB).

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) by Section 1404(c)(3) of the New York City Charter, and in accordance with Section 1043(b) of the Charter, that the Environmental Control Board proposes to amend subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, setting forth penalties for offenses adjudicated by the Environmental Control Board. New matter in the following rule is underlined, and deleted material is in brackets. This rule was not included in the Environmental Control Board's regulatory agenda because it was not anticipated at the time the agenda was created.

Written comments regarding the proposed rule may be sent to James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, on or before July 19, 2007. A public hearing regarding the proposed rule will be held on July 19, 2007, at ECB, 66 John Street, 10th Floor, Reception, New York, N.Y. 10038, at 5:00 P.M. Persons seeking to testify are requested to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 on or before July 19, 2007. Persons who need a sign language interpreter or other accommodation for a disability are asked to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 by July 12, 2007. Persons interested in receiving written comments and a transcript of oral comments on the proposed rule may request them by writing to: James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038.

Section 1. Section 31-100, "General," found in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York

is amended to add new text at the end of that Section as set forth below.

New matter is underlined.

Please note that some of the penalties in the Penalty Schedules set forth below are established by law as flat penalties. Thus, for some of the penalties set forth below, no range of dollar amounts is set forth in the Administrative Code or other applicable law. However, solely for the convenience of the public, these flat penalties are included in the Penalty Schedules set forth below, to ensure, to the extent possible, that these Penalty Schedules are comprehensive.

Section 2. The Public Safety Graffiti Penalty Schedule found in Section 31-119 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended, to add at the end of that Penalty Schedule, immediately following the entry in that Penalty Schedule for Administrative Code Section 10-117.3, "Failure to remove graffiti," one new charge in that Penalty Schedule for Administrative Code Section 27-4047(a).

New matter is underlined.

SECTION/RULE	DESCRIPTION	PENALTY	DEFAULT
27-4047(a)	Use or discharge of fireworks without permit	750	750

Section 3. The Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended to change the text at the beginning of that penalty schedule that currently reads "**** For sections 10-119 and 10-120, a repeat violation is . . . of the date of occurrence of the previous violation" by adding a reference to Administrative Code Sections 16-308(g) and 16-308(h) and 16-404 and 16-405(a) and 16-405(b), as follows:

New matter is underlined.

*** For sections 10-119 and 10-120 and 16-308(g) and 16-308(h) and 16-404 and 16-405(a) and 16-405(b), a repeat violation is a violation by the same respondent of the same section of law as the previous violation with a date of occurrence within twelve months of the date of occurrence of the previous violation.

Section 4. The Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended, immediately following the entry in that penalty schedule for Administrative Code Section 16-118(1)**, "Throw out," and immediately before the entry in that Penalty Schedule for Administrative Code section 16-118(2)(a)*, "Failure to clean 18" into Street," to change the entry in that Penalty Schedule for Administrative Code Section of law 16-118(2)(a)*, from "Dirty sidewalk/Dirty Area" to "Dirty sidewalk," and to add one new entry in that Penalty Schedule for violation of Administrative Code section 16-118(2)(a)*, "Dirty Area", as follows:

New matter is underlined.
Deleted matter is in [brackets].

Section 7. The Department of Transportation Penalty Schedule found in Section 31-124 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended to change the entry in the "Section/Rule" column of that Penalty Schedule that currently reads "34 RCNY 2-11(g)(2)(iii)," to read as follows:

New matter is underlined.

SECTION/RULE	DESCRIPTION	PENALTY	DEFAULT
34 RCNY 2-11(g)(2)(viii)	Failure to apply for permit within two business days of emergency work	250	750

Statement of Basis and Purpose of Proposed Rule

(1) The Board is amending Section 31-100, "General," found in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to add new text at the end of that section clarifying the fact that some of the penalties in the ECB Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York are penalties that were set as flat penalties by law. Thus, for some of the penalties in the ECB Penalty Schedules, there is no range of penalties set forth in the Administrative Code or other applicable law. However, solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

(2) The Board is amending the Public Safety Graffiti Penalty Schedule found in Section 31-119 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add to that Penalty Schedule one new charge for Administrative Code Section 27-4047(a), "Use or discharge of fireworks without a permit." This charge is being added to enforce Section 27-4047(a), which provides that "It shall be unlawful to use or discharge any fireworks within the city without a permit." Pursuant to section 27-4047.1, which was enacted by Local Law 69/2005, section 27-4047(a) has a set statutory penalty of $750, rather than a range of penalties. However, the Board is including this penalty in the Public Safety Graffiti Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

(3) The Board is revising two entries and adding two entries to the Department of Sanitation's Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York. This is done (i) in order to distinguish the enforcement of Section 16-118(2)(a) when that Section is used in connection with Notices of Violation that are issued for Dirty Sidewalk, as opposed to the enforcement of Section 16-118(2)(a) when that Section is used in connection with Notices of Violation that are issued for Dirty Area; (ii) in order to distinguish the enforcement of Section 16-118(2)(b) when that Section is used in connection with Notices of Violation that are issued for Dirty Sidewalk (Vacant Lot), as opposed to the enforcement of Section 16-118(2)(b) when that Section is used in connection with Notices of Violation that are issued for Dirty Area (Vacant Lot). This will allow more accurate tracking of enforcement of Sections 16-118(2)(a) and 16-118(2)(b).

(4) The Board is amending the Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add three new entries in that Penalty Schedule for violation of Administrative Code Sections 16-308(g) and 16-308(h). These entries are being added in light of the enactment of Local Law 40/2006, which pertains to the composting of yard waste. This law amended the New York City recycling law, found in Title 16, Chapter 3 of the New York City Administrative Code, by requiring residents to place yard waste out for Department of Sanitation (DSNY) collection in paper bags or loose in rigid containers. The law also prohibits both licensed and unlicensed landscapers and gardeners from placing yard waste at the curb for DSNY collection and from dispersing such yard waste in or about the curb or street. As of October 2008, landscapers and gardeners must dispose of such yard waste at a permitted composting facility, provided that there is sufficient composting capacity in the City or at a facility within ten miles from the borough in which the yard waste was generated. If composting facilities with sufficient capacity do not exist, the yard waste may be disposed of at any appropriately permitted solid waste management facility. The provisions pertaining to residents found in Section 16-308(g) become effective on April 1, 2007, while the provisions pertaining to landscapers found in Section 16-308(h) became effective as of October 1, 2008. The law itself, in Section 16-324(a) of the New York City Administrative Code, imposes flat penalties for each level of offense, rather than a range of dollar amounts. However, the Board is including these penalties in the Sanitation Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. The Board is also amending the note that is prefaced with three asterisks in the Sanitation Penalty Schedule to reflect the fact that for Sections 16-308(g) and 16-308(h), the prior violations must have been within a twelve month period, to count as a prior violation.

(5) The Board is amending the Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add three new entries in that Penalty Schedule for violation of Administrative Code Sections 16-404, 16-405(a) and 16-405(b). These entries are being added in light of the enactment of Local Law 97/2005, which pertains to a recycling program for all rechargeable batteries. The law added a new chapter four to Title 16 of the New York City Administrative Code. The law requires New York City businesses that sell rechargeable batteries (except food stores under 14,000 square feet) to accept from consumers used rechargeable batteries for proper disposal. The law also requires manufacturers to submit a plan to the Department of Sanitation (DSNY) identifying the methods by which the manufacturers will collect, transport and recycle rechargeable batteries collected by retailers. The law also prohibits any person from knowingly disposing of rechargeable batteries as solid waste in New York City. The law itself, in Section 16-406 of the New York City Administrative Code, imposes flat penalties for each level of offense, rather than a range of dollar amounts. However, the Board is including these penalties in the Sanitation Penalty Schedule solely for the convenience of the public, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive. The Board is also amending the note that is prefaced with three asterisks in the Sanitation Penalty Schedule to reflect the fact that for Sections 16-404 and 16-405(a) and 16-405(b) the prior violations must have been within a twelve month period, to count as a prior violation.

(6) The Board is amending the Department of Transportation Penalty Schedule found in Section 31-124 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the entry in the "Section/Rule" column of that Penalty Schedule that currently reads "34 RCNY 2-11(g)(2)(iii)," for "Failure to apply for permit within two business days of emergency work," to instead read "34 RCNY 2-11(g)(2)(viii)." The reason for this change is to reflect the proper citation for the charge of "Failure to apply for permit within two business days of emergency work."

NOTICE OF OPPORTUNITY TO COMMENT on Proposed Rule regarding penalties for offenses adjudicated by the Environmental Control Board (ECB).

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board by section 1404(c)(3) of the New York City Charter, and in accordance with section 1043(b) of the Charter, that the Environmental Control Board proposes to amend subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, setting forth penalties for offenses adjudicated by the Environmental Control Board. New matter in the following rule is underlined, and deleted material is in brackets. This rule was not included in the Environmental Control Board's regulatory agenda because it was not anticipated at the time the agenda was created.

Written comments regarding the proposed rule may be sent to James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, on or before July 19, 2007. A public hearing regarding the proposed rule will be held on July 19, 2007, at the ECB, 66 John Street, 10th Floor, Reception, at 5:00 P.M. Persons seeking to testify are requested to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 on or before July 19, 2007. Persons who need a sign language interpreter or other accommodation for a disability are asked to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 by July 12, 2007. Persons interested in receiving written comments and a transcript of oral comments on the proposed rule may request them by writing to: James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038.

Section 1. The Buildings Penalty Schedule set forth in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended to change the penalty amounts and violation descriptions for two charges of violation of Section 26-172, namely, 26-172, "Supervision/use of rigging equipment without a master rigger's license," and Section 26-172, "Supervision/use of rigging equipment without a special rigger's license", as follows:

Statement of Basis and Purpose of Proposed Rule

1) The Board is revising the Buildings Penalty Schedule set forth in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the penalty amounts and violation descriptions for two charges of violations of Section 26-172, namely, 26-172, "Supervision/ use of rigging equipment without a master rigger's license," and Section 26-172, "Supervision/use of rigging equipment without a special rigger's license." The descriptions for those two charges are being revised to add the word "HAZARDOUS" to the descriptions. Regarding these charges, as to which the penalties are being increased, it should be noted that these were already hazardous offenses, but the word "HAZARDOUS" is now being added to the violation descriptions for further clarification of this fact. These new higher penalties are mandated by Administrative Code Section 26-181.1, which was enacted pursuant to Local Law 18 of 2007, effective on July 16, 2007. It should be noted that these higher penalties are set as flat penalties by Section 26-181.1. However, solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

2) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add two new charges relating to bond requirements and workers' compensation requirements relating to riggers licenses. Specifically, one of these two new charges is for violations of Administrative Code Section 26-178, "Failed to obtain or maintain a bond and/or insurance as required – HAZARDOUS." The other of the two new charges is for violations of Administrative Code Section 26-179, "Failed to obtain and/or maintain workers' comp. ins. as required by law – HAZARDOUS." These two new charges are being added in light of the enactment of Administrative Code Section 26-181.1, which was enacted pursuant to Local Law 18 of 2007, effective July 16, 2007, which sets new flat penalties for violations of these two Sections of the Administrative Code. The penalties for this part of subdivision (b) of Section 27-1045, as set forth in this proposed rule, reflect the new flat penalties for these charges as established by that local law. Solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

3) The Board is revising the Buildings Penalty Schedule set forth in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add one new charge for Section 26-181.1 of the Administrative Code, "Lic. Rigger failed to ensure Susp. Scaff. workers have valid Cert. of Fitness on site – HAZARDOUS." This new charge for violations of Section 26-181.1 is added in response to the enactment of Local Law Number 18 of 2007, effective July 16, 2007, which added Section 26-181.1 to Chapter 1 of Title 26 of the Administrative Code. That Local Law also sets flat penalties for violations of Section 26-181.1. The penalties for this part of subdivision (b) of Section 27-1045, as set forth in this proposed rule, reflect the new flat penalties for this charge. Solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

4) The Board is revising the Buildings Penalty Schedule set forth in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add two new charges relating to Administrative Code Section 27-1045.

One of the two new charges is for violation of one part of subdivision (b) of Administrative Code Section 27-1045, namely, the new charge: "No record of daily insp. of Susp. Scaff. performed by authorized person at site – HAZARDOUS." This new charge is added in response to the enactment of Local Law Number 16 of 2007, and Local Law Number 18 of 2007, both effective July 16, 2007. Local Law 16 of 2007amended subdivision (b) of Administrative Code Section 27-1045 to require that a record of daily inspections of suspended scaffolds be kept at the job site and be readily available upon request. Local Law 18 of 2007set new, flat penalties for violations of this part of subdivision (b) of Section 27-1045. The penalties set forth in this proposed rule for this part of subdivision (b) of Section 27-1045 reflect the new flat penalties for this charge. Solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

The other of the two new charges is for violation of the remaining provisions of Section 27-1045, namely, the new charge "Failed to perform safe/proper insp./install/maint. /operation of Susp. Scaff. - HAZARDOUS." This new charge for violations of those provisions of Section 27-1045 is being added in recognition of the need to increase safety in the use of suspended scaffolds and related rigging equipment. The penalties for this charge will ensure greater accountability on the part of licensed rigging personnel in managing construction sites and worker safety. These penalties are within the minimum and maximum penalties allowed for such charges by Administrative Code Section 26-126.1.

5) The Board is revising the Buildings Penalty Schedule set forth in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add one new charge for Section 27-1050.1 of the Administrative Code, "Failed to notify Dept. prior to use/inst. of C-hooks/outrigger beams in connection with Susp. Scaff. - HAZARDOUS." This new charge is added in response to the enactment of Local Law Number 17 of 2007, effective July 16, 2007, which added Section 27-1050.1 to Chapter 1 of Title 27 of the Administrative Code. That Local Law also sets flat penalties for violation of Section 27-1050.1, which are reflected in the penalties for violation of Section 27-1050.1 set forth in this proposed rule. Solely for the convenience of the public, ECB has decided to include these flat penalties in the Penalty Schedules set forth in Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, to ensure, to the extent possible, that ECB's Penalty Schedules are comprehensive.

Statutory Authority

This amendment is authorized by §§389(b) and 1043 (a) of the New York City Charter (the "Charter"). Charter §389(b) provides that "heads of mayoral agencies shall have the power to adopt rules to carry out the powers and duties delegated to the agency head or the agency by or pursuant to federal, state or local law." Charter §1043(a) authorizes each agency to "adopt rules necessary to carry out the powers and duties delegated to it by or pursuant to federal, state or local law." These rules are further authorized pursuant to §17-324 of the Administrative Code of the City of New York (the "Administrative Code") which provides that "the commissioner ... shall make such rules as deemed necessary for the proper implementation and enforcement of this subchapter."

Statement of Basis and Purpose

The Department of Health and Mental Hygiene proposes two amendments to Chapter 6 ("Food Units") of Title 24 of the Rules of the City of New York ("RCNY"). First, the Department proposes to clarify that the removal or transfer of a decal on a mobile food vending unit by persons other than employees of the Department shall constitute an illegal transfer that will result in the revocation of such permit or decal. Second, the Department proposes to codify the current practice of distinguishing violations received by mobile food vendor licensees. Since 1986, applicants for new and renewal licenses and permits have been required to pay only the fines and penalties accumulated for serious violations classified as "A" violations as a prerequisite before renewing or receiving a new license or permit. Fines and penalties accumulated for other less serious "B" violations must still be paid, but the satisfaction of such fines and penalties was not a prerequisite for the renewal or receipt of a license or permit. The proposed rule classifies all violations by mobile food vendors of any provisions of the New York City Health Code ("Health Code"), the State Sanitary Code [10 NYCRR Chapter 1] ("Sanitary Code"), and Chapter 6 of these rules as "A" violations for which fines and penalties must be paid before renewal or issuance of any mobile vending license or mobile vending unit permit. The proposed rule also codifies certain violations of Title 17 of the Administrative Code issued for improper street placement of mobile food units and unlicensed mobile vending as "A" violations.

Applicable Law

Mobile food vending in New York City is regulated by Subchapter 2 ("Food Vendors") of Chapter 3 of Title 17 of the Administrative Code; Articles 5, 81 and 89 of the Health Code; Part 14 of the Sanitary Code and Chapters 6 and 20 of 24 RCNY. Pertinent to the proposed rule change are the following provisions of these laws and rules applicable to renewal and issuance of mobile vending licenses and permits:

Administrative Code § 17-317(b) provides that the Commissioner "shall not issue or renew a food vendor license ... if the applicant, licensee, ... failed to pay any fine, penalty or judgment duly imposed pursuant to the provisions of this subchapter or any rules promulgated thereunder."

Health Code §5.05(f) bars the Commissioner from issuing a license or permit unless "there are no fines, penalties or forfeitures imposed by the Administrative Tribunal established by Article 7 which are due and payable by the applicant or the permittee."

Notices of violations ("summonses" or "NOV's") for which civil penalties are sought are adjudicated at the Environmental Control Board ("ECB"), in accordance with Administrative Code §17-325(d). Criminal summonses are returnable to Criminal Court. ECB's penalties for Health Code, Administrative Code and Chapter 6 mobile vendor violations are now codified in ECB's rules. *See*, 15 RCNY §§31-107 ("Food Vendor Administrative Code Penalty Schedule") and 31-110 ("Health Code and Miscellaneous Food Vendor Violations Penalty Schedule"). These fines and penalities will be unaffected by the proposed rule change.

Basis for rule regarding "A" violations

In 1981 certain mobile food vendor licensees challenged the Administrative Code provision that requires vendors to pay all fines and penalties for violations of the Administrative Code and Health Code prior to receiving or renewing a license or permit. See, *George Iliopoulos v. Koch* (Sup. Ct. NY Co.), Index No. 9342/81. In 1986, the City and plaintiffs

settled the action, the City agreeing that it would deny renewal or issuance of mobile vending licenses and permits only for non-payment of fines and penalties imposed for specific serious violations deemed "A" violations. Fines and penalties accumulated for other less-serious "B" violations would still need to be satisfied, but such satisfaction has not been a condition for the renewal or issuance of a mobile vending license or permit. *Iliopoulos* further distinguishes "A" and "B" violations for determining which violations may be predicates for denial, revocation or suspension of mobile vending licenses and permits pursuant to Administrative Code §17-317 (a)(2). This provision authorizes the Commissioner, after due notice and an opportunity to be heard, to refuse to issue, suspend or revoke a mobile vending permit or license if an applicant, licensee, permittee, or their employees "have been found guilty of four or more violations of this subchapter or any rules promulgated pursuant thereto within a two-year period or have been found guilty of a violation of the provisions of part fourteen of the state sanitary code or of the New York city health code, ..."

The proposed rule maintains the original *Iliopoulos* "A" classification of certain Title 17 mobile vending violations, related to street placement of carts, pedestrian public safety and adds to the "A" list vending foods without a license or permit. The New York City Police Department, which is also authorized to enforce these provisions of the Administrative Code, supports continuing these distinctions.

The rule eliminates any classifications for violations of applicable provisions of the Health Code, State Sanitary Code and Department regulations for a number of reasons. The passage of time, the repeal and reenactment of Article 81, and the Department's experience with mobile vending enforcement have made it clear that categorizing Health Code and Sanitary Code violations as more or less serious serves no public health purpose, since the only purpose in issuing summonses and trying to collect fines and penalties for such violations is to secure compliance with these important public health safeguards. If some Health Code violations are not punishable, and fines and penalties for such violations are not payable, why should any vendor *ever* comply with those Health Code provisions? As noted above, §17-317 (a)(2) of the Administrative Code authorizes the Commissioner to revoke a food vending license if the licensee has been found in violation of *four* violations of the Administrative Code in a two-year period, but only *one* violation of the Health Code or Sanitary Code during the same period, indicating that more weight is to be accorded compliance with the Health Code and Sanitary Code. Finally, when the Board of Health repealed and reenacted Article 81 of the Health Code in 1996, it eliminated, renumbered and combined many of the Health Code violations previously categorized in the *Iliopoulos* stipulation as "A" violations, and added important new provisions to that Article.

It should also be noted that, while Department rules that codify the Department's inspection procedures for food service establishments classify violations as critical and general, *all* fines and penalties imposed on such establishments for *all* sustained or defaulted violations of the Health Code and Sanitary Code must be paid before any such establishment's operator may renew its permit. See, 24 RCNY Chapter 23; Health Code §5.05(f). Accordingly, the classification of all mobile vendor Health Code and Sanitary Code violations as "A" violations is consistent with the Department's rules, as well as with the intent of the Health Code and the Administrative Code.

Basis for rule to clarify "transfer" and "assignment" of decals and licenses

The proposed rule further amends Chapter 6 by adding a provision to clarify which mobile vending industry practices will be regarded as prohibited transfers or assignments of vendor licenses, permits, and the decals or insignias that are affixed to mobile vending units. Health Code §5.11 provides that the "purported or attempted transfer of a permit to a person not named therein as permittee ... automatically revokes such permit." Health Code §5.13 holds permittees accountable for complying with the conditions of the permit and the Health Code and makes them jointly and severally liable for violations committed by their agents or employees. The Department is not proposing to prevent permittees from employing or authorizing other licensed vendors from operating their carts. However, licenses, permits and decals shall be subject to immediate seizure by Department inspectors if, upon inspection, the Department observes evidence of a prohibited transfer of a license, permit or decal. Under the proposed rule, a prohibited transfer of a decal will include the removal, for any reason, of a decal from the vending unit to which the decal was applied by the Department inspector at the time the unit passed inspection, and its reattachment to or use on the same or another vending unit. If a cart is in an accident, otherwise damaged, or requires repairs affecting the part of the cart unit to which the Department attached the decal, removal of the Department decal by anyone other than authorized Department inspectors is explicitly prohibited. Reinspection of the cart and attachment of a new decal by the Department will be required in every such instance. The rule is intended to enable the public, as much as possible, to buy food only from carts that have passed Department inspection. When the Department identifies an improper decal transfers, it will act to revoke both the mobile vending unit permit and the permittee's mobile vending license. This rule provides further notice to vendors that such practices constitute illegal transfers and are prohibited.

Use by a person other than the licensee of a licensed vendor's blue paper license or badge is also prohibited and the rule authorizes the immediate seizure of a vendor's blue paper license or laminate badge when either is found being used unlawfully by a person to whom it was not issued. The Department's concern is that only a food vendor who has a required food protection course and complied with all other legal duties be authorized to prepare and sell food to the public.

Statement Pursuant to Charter Section 1042 - Regulatory Agenda

Through an oversight the proposed rule change was not included in the Department's Regulatory Agenda.

THE PROPOSAL IS AS FOLLOWS:

Note - Matter to be deleted is in [brackets]

Matter underlined is new

Section 1. Subdivision (c) of §6-01 (Mobile Food Units) of Chapter 6 (Food Units) of Title 24 of the Rules of the City of New York, is amended, to be printed to read as follows:

§6-01 Mobile Food Units.

* * *

(c) [*Inspection.*] *Inspections.*

(1) *Pre-permit.* No mobile food unit permit or decal, plate or insignia shall be issued without [prior proof, satisfactory to the department,] a pre-permit inspection of the unit by the Department and its determination that the unit is of sanitary construction and design, equipped with adequate and sufficient facilities to properly handle and store the foods being vended, and that the unit is serviced and stored from a[n approved] depot, commissary or other facility operating with a permit issued pursuant to Article 81 of the Health Code.

(2) *Re-inspections required.* Any mobile food unit that has been damaged as a result of an accident, or that otherwise requires or has undergone any repair or alteration at any time after a pre-permit inspection, shall be re-inspected by the Department, and a new decal, plate or insignia shall be affixed by the Department, if the unit passes such inspection, before such unit may be used to vend food.

(3) *Unauthorized decal removal or transfer voids permit.* Any removal of a decal, plate or insignia from the place on a mobile food unit where an employee of the Department originally affixed the decal, plate or insignia, and the determination by the Department that the decal, plate or insignia has been reattached to another place on the same unit or to any place on any other unit by a person other than an employee of the Department, shall constitute a prohibited transfer of such decal, plate or insignia, voiding such decal, plate or insignia and permit. Such voided decal, plate or insignia and the vendor's mobile food unit permit may be seized by any employee or agent of the Department. Any permittee whose decal, plate or insignia and permit are seized pursuant to this paragraph may request an opportunity to be heard and to show cause why such decal, plate or insignia and permit should not be deemed permanently revoked.

§2. Chapter 6 ("Food Units") of Title 24 of the Rules of the City of New York, is amended, to add a new §6-05, to be printed to read as follows:

§6-05 Violations.

(a) *Health Code and Sanitary Code violations.* Every person renewing a mobile food vending license or a mobile food unit permit, or applying for a new mobile food vending license or mobile food unit permit shall pay all fines and penalties for all "A" violations as defined by subdivision (b) of this section that have been adjudicated, or for which the licensee, permittee or applicant for a license or permit has been found in default. Proof of payment of all such fines and penalties shall be submitted prior to issuance of a new or renewal license or permit.

(b) For the purposes of mobile vending permit or license renewal, or issuance of a new license or permit, all violations of the New York city health code, the state sanitary code, these rules and the violations of the administrative code of the city of New York listed in subdivision (d) of this section where the licensee, permittee or applicant is found in violation as a result of a hearing on the merits or by default, shall be deemed "A" violations.

(c) The commissioner may refuse to issue a mobile food vending license or a mobile food unit permit and may, after due notice and an opportunity to be heard, in addition to any other penalties, refuse to renew, suspend or revoke such a license or permit when the applicant, licensee, permittee, its officers, directors, shareholders, members, managers or employees have been found to be in violation of four or more of the provisions of subchapter 2 of chapter 3 of title 17 of the administrative code of the city of New York that are classified as "A" violations in subdivision (d) of this section within a two-year period or have been found to be in violation of the provisions of part fourteen of the state sanitary code or of the New York city health code, or the applicant, licensee, permittee, its officers, directors, shareholders, members, managers or employees have pending any unanswered summonses for a violation of a provision of subchapter 2 of chapter 3 of title 17 of the administrative code of the city of New York that is classified as an "A" violation in subdivision (d) of this section.

(d) *Administrative Code violations.* For the purposes of revocation or suspension of mobile food permits or licenses, or of determining whether permits or licenses shall be renewed or new licenses and permits issued, violations of the following provisions of subchapter 2 ("Food Vendors") of chapter 3 ("Licenses and Permits") of title 17 of the administrative code of the city of New York, or successor provisions, where the licensee, permittee or applicant is found in violation as a result of a hearing on the merits or by default, shall be deemed "A" violations:

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the check-off and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Check-off of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of varying hours of duration as indicated in Section 1.c. of this Article. An employee who works on a part-time per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate:	1/261 of the appropriate minimum basic salary.
Hourly Rate:	40 hour week basis - 1/2088 of the appropriate minimum basic salary.
Hourly Rate:	37-1/2 hour week basis - 1/1957.5 of the appropriate minimum basic salary.
Hourly Rate:	35 hour week basis - 1/1827 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

Section 2.

Employees in the following title(s) shall be subject to the following specified salary(ies), salary adjustment(s), and/or salary range(s):

Section 3. Wage Increases

a. The general wage increases, effective as indicated, shall be:

i. Effective April 17, 2007, employees shall receive a general increase of 2 percent.

ii. Effective October 17,2007, employees shall receive a general increase of 5 percent.

iii. Part-time per annum, per session, hourly paid and per diem employees (including seasonal appointees) and Employees whose normal work year is less than a full calendar year shall receive the increases provided in Sections 3(a)(i) and 3(a)(ii) on the basis of computations heretofore utilized by the parties for all such Employees.

b. The increases provided for in Section 3(a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (which shall only include salary or incremental salary schedules) of the applicable titles in effect on April 16, 2007.

ii. The general increase in Section 3(a)(ii) shall be based upon the base rates (which shall only include salary or incremental salary schedules) of the applicable titles in effect on October 16, 2007.

c. i. The general increases provided for in this Section 3 shall be applied to the base rates, incremental salary levels and the minimum "hiring rates", minimum "incumbent rates" and maximum rates (including levels), if any, fixed for the applicable titles.

ii. The general increases provided for in Section 3 (a) (i) and Section 3 (a) (ii) shall be applied to the following "additions to gross": assignment differentials, service increments, advancement increases, assignment level increases and experience differentials.

Section 4. New Hires.

a. The appointment rate for an employee newly hired on or after July 1, 2005 and appointed at a reduced hiring rate shall be the applicable minimum "hiring rate" set forth in subsections 2(a), 2(b) and 2(c). On the two year anniversary of the employee's original date of appointment, such employee shall be paid the indicated minimum "incumbent rate" for the applicable title that is in effect on such two year anniversary as set forth in subsection 2(a), 2(b), and 2(c) of this Article III.

b. i. For a title subject to an incremental pay plan, the employee shall be paid the appropriate increment based upon the employee's length of service. Section 2 of this Article III reflects the correct amounts and has been adjusted in accordance with the provisions of Section 3(c)(i) of this Article III.

ii. Employees who change titles or levels before attaining two years of service will be treated in the new title or level as if they had been originally appointed to said title or level on their original hiring date.

c. For the purposes of Sections 4(a) and 4(b), employees 1) who were in active pay status before July 1, 2005, and 2) who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the indicated minimum "incumbent rate" set forth in subsections 2(a)(i)(2), 2(b)(i)(2) and 2(c)(i)(2) of this Article III:

i. Employees who return to active status from an approved leave of absence.

ii. Employees in active status (whether full or part-time) appointed to permanent status from a civil service list, or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.

iii. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.

iv. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.

v. Permanent employees who resign and are reinstated or who are appointed from a civil service list within one year of such resignation.

vi. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.

vii. A provisional employee who is appointed directly from one provisional appointment to another.

viii. For employees whose circumstances were not anticipated by the parties, the First Deputy Commissioner of Labor Relations is empowered to issue, on a case-by-case basis, interpretations concerning application of this Section 4. Such case-by-case interpretations shall not be subject to the dispute resolution procedures set forth in Article VI of this Agreement.

d. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles from the provisions of subsection 4.

Section 5.

Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 6.

In the case of an employee on leave of absence without pay the salary rate of such employee shall be changed to reflect the salary adjustments specified in Article III.

Section 7.

A person permanently employed by the Employer who is appointed or promoted on a permanent, provisional, or temporary basis in accordance with the Personnel Rules and Regulations of the City of New York or, where the Personnel Rules and Regulations of the City of New York are not applicable to a public employer, such other Rules or Regulations as are applicable to the public employer, without a break in service to any of the following title(s) from another title in the direct line of promotion or from another title in the Career and Salary Plan, the minimum rate of which is exceeded by at least 8 percent by the minimum rate of the title to which appointed or promoted, shall receive upon the date of such appointment or promotion either the minimum basic salary for the title to which such appointment or promotion is made, or the salary received or receivable in the lower title plus the specified advancement increase, whichever is greater:

b. Employees in Unit B with 15 years or more of "City" service in pay status who are not in a title already eligible for a longevity differential or service increment established by the Salary Review or Equity Panel shall receive a longevity increment of $300 per annum.

b. The rules for eligibility for the longevity increment described in subsections a. and b. are set forth in Appendix A to this Agreement and are incorporated by reference herein.

Section 12. Annuity Fund

a. Effective June 30, 2002, the Employer shall contribute to an existing annuity fund on behalf of full-time per annum and full-time per diem Employees, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each paid working day which amount shall not exceed one thousand one hundred thirty-five dollars ($1135) for each Employee in full pay status in the prescribed twelve (12) month period, subject to the terms of a signed supplemental agreement approved by the Corporation Counsel. For Employees who work less than the number of hours for their full-time equivalent title, the employer shall pay into the fund, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution calculated against the number of hours associated with their full time equivalent title, which amount shall not exceed one thousand one hundred thirty-five dollars ($1135) per annum for each Employee in full pay status in the prescribed twelve (12) month period. Effective 2/22/09, the Employer shall contribute an additional $413 per annum, which shall be paid as above, for a total per annum amount not to exceed one thousand five hundred forty-eight dollars ($1548) for each Employee in full pay status in the prescribed twelve (12) month period.

b. For Employees who work a compressed work week, the Employer shall pay into the fund, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each set of paid working hours which equate to the daily number of hours that title is regularly scheduled to work, which amount shall not exceed one thousand one hundred thirty-five dollars ($1135) per annum for each Employee in full-pay status in the prescribed twelve (12) month period.

c. CONTRIBUTIONS:

For the purpose of Section 12(a), excluded from paid working days are all scheduled days off, all days in non-pay status, and all paid overtime. "All days in non-pay status" as used in this Section 12(d) shall be defined as including, but not limited to, the following:

(1) time on preferred or recall lists;

(2) time on the following approved unpaid leaves:

(a) maternity/child care leave;

(b) military leave;

(c) unpaid time while on jury duty;

(d) unpaid leave for union business pursuant to Executive Order 75;

(e) unpaid leave pending workers' compensation determination;

(f) unpaid leave while on workers' compensation option 2;

(g) approved unpaid time off due to illness or exhaustion of paid sick leave;

(h) approved unpaid time off due to family illness; and

(i) other pre-approved leaves without pay;

(3) time while on absence without leave;

(4) time while on unapproved leave without pay; or

(5) time while on unpaid suspensions.

ARTICLE IV - WELFARE FUND

Section 1.

a. In accordance with the election by the Union pursuant to the provisions of Article XIII of the 1995-2001 Citywide Agreement as amended between the City of New York and related public employers, or its successor Agreement(s), the Welfare Fund provisions of that Citywide Agreement as amended or any successor(s) thereto shall apply to employees covered by this Agreement.

b. When an election is made by the Union pursuant to the provisions of Article XIII, Section 1 b, of the 1995-2001 Citywide Agreement as amended between the City of New York and related public employers or any successor(s) thereto, the provisions of Article XIII, Section 1 b of the Citywide Agreement as amended or any successor(s) thereto, shall apply to employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section 1 b of the Citywide Agreement as amended or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Contributions remitted to the Union pursuant to this Section 1 and Article XIII of the Citywide Agreement are contingent upon a signed separate trusted fund agreement between the Employer and the Union.

Section 2.

The Union agrees to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

ARTICLE V - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. Supervisory Responsibility

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1. Definition

The term "Grievance" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Personnel Rules and Regulations of the City of New York, or the Rules and Regulations of the Health and Hospitals Corporation, with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

e. A claimed wrongful disciplinary action taken against a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetence or misconduct while the employee is serving in the employee's permanent title or which affects the employee's permanent status.

f. Failure to serve written charges as required by Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation upon a permanent employee covered by Section 75(1) of the Civil Service Law or a permanent employee covered by the Rules and Regulations of the Health and Hospitals Corporation where any of the penalties (including a fine) set forth in Section 75(3) of the Civil Service Law have been imposed.

g. A claimed wrongful disciplinary action taken against a provisional employee who has served for two years in the same or similar title or related occupational group in the same agency.

Section 2.

The Grievance Procedure, except for grievances as defined in Sections 1. d., 1.e., and 1.g. of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1 c, no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in **Step I** below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

Step I The employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

NOTE: *The following STEP I(a) shall be applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1.a. through 1.c. and 1.f. of this Article and shall be applied prior to* ***Step II*** *of this Section:*

STEP I(a) An appeal from an unsatisfactory determination at Step I shall be presented in writing to the person designated by the agency head for such purpose. The appeal must be made within five (5) work days of the receipt of the Step I determination. The person designated to receive the appeal at this Step shall meet with the employee and/or the Union for review of the grievance and shall issue a determination to the employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

STEP II An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

a. Any grievance under Section 1.d. relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to

the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

Section 5. Disciplinary Procedure for Permanent Competitive Employees

In any case involving a grievance under Section l.e. of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in STEP A above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i) If the employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6. Disciplinary Procedure for Provisional Employees

In any case involving a grievance under Section 1(g) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A Following the service of written charges, a conference with such employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B(i) If the employee is not satisfied with the determination at STEP A above, then the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through STEP III. The Union, with the consent of the employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B(ii) An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 7.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 8.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 9.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 10.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 11.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 12.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 13.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 14. Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not be limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. When the parties agree to submit a case to expedited arbitration, the following procedure shall apply:

i. **SELECTION AND SCHEDULING OF CASES:**

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

ii. **CONDUCT OF HEARINGS**

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE VIII - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE IX - CITYWIDE ISSUES

Section 1.

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement. Employees in Rule X titles shall receive the benefits of the Citywide Agreement unless otherwise specifically excluded herein.

ARTICLE X - UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its employees and on Union Activity" or any other applicable Executive Order.

ARTICLE XI - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty (50) employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

Each labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XII - CAREER DEVELOPMENT

A joint Career Development Committee composed of representatives of the Office of Management and Budget, The Office of Labor Relations, the Department of Personnel, the Health and Hospitals Corporation and the Union shall be established. Said committee shall meet to study problems related to career development and training, and retention of personnel. These issues can be discussed in the Labor Management Committee provided in Article XI.

Where deemed necessary, said committees may make recommendations to the appropriate City officials.

ARTICLE XIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIV - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

Appendix A to 2007-2009 Local 300, SEIU Agreement

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees in Unit A and Unit B, respectively, for the longevity increments provided for in Article III, Section 11, of the *2007-2009 Assistant Buyer, et al. Agreement*.:

1. Only service in pay status shall be used calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in the paragraph 2 above:

   a. time on a leave approved by the proper authority which is consistent with the rules and regulations of the Personnel Director or the appropriate personnel authority of a covered organization;

   b. time prior to a reinstatement;

   c. time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision;

   d. time not in pay status of 31 days or less.

   Notwithstanding the above, such time as specified in subsection a, b and c above shall not be used to calculate the 15 years of service.

4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500-Unit A/$300-Unit B longevity increment, the $500-Unit A/$300-Unit B shall go into the employee's base rate for all purposes except as provided in paragraph 5 below.

5. The $500-Unit A/$300-Unit B longevity increment shall not become pensionable until 15 months after the Employee becomes eligible to receive such payment.

Re: 2007-2009 Assistant Buyer, et al. Agreement

Dear Mr. Golden:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

1. The First Deputy Commissioner of Labor Relations may, after notification to the affected union(s), exempt certain hard to recruit titles, as defined in relevant cases by DCAS and by HHC, from the provisions of Section 4 of the *2007-2009 Assistant Buyer, et al. Agreement*.

2. For the purposes of Section 4 of the *2007-2009 Assistant Buyer, et al. Agreement*, employees who were in active pay status prior to the date of execution of the *2007-2009 Assistant Buyer, et al. Agreement* who are affected by the following personnel actions after said date shall not be treated as "newly hired" employees and shall be entitled to receive the minimum incumbent salary set forth in Section 3 on the dates indicated therein.

   a. Employees who return to active pay status from an approved leave of absence.
   b. Employees in active pay status (whether full or part-time) appointed to permanent status from a civil service list or to a new title (regardless of jurisdictional class or civil service status) without a break in service of more than 31 days.
   c. Employees who were laid off or terminated for economic reasons who are appointed from a recall/preferred list or who were subject to involuntary redeployment.
   d. Provisional employees who were terminated due to a civil service list who are appointed from a civil service list within one year of such termination.
   e. Permanent employees who resign and are reinstated within one year of such resignation.
   f. Employees (regardless of jurisdictional class or civil service status) who resign and return within 31 days of such resignation.
   g. A provisional employee who is appointed directly from one provisional appointment to another.
   h. For circumstances that were not anticipated by the parties, the First Deputy Commissioner of Labor Relations may elect to issue, on a case-by-case basis, interpretations concerning the application of Section 4 of the ***2002-2005 Assistant Buyer, et. al. Agreement.***

3. For the purposes of Section 2(a), "approved leave" is further defined to include:

   a. maternity/childcare leave
   b. military leave
   c. unpaid time while on jury duty
   d. unpaid leave for union business pursuant to Executive Order 75
   e. unpaid leave pending workers' compensation determination
   f. unpaid leave while on workers' compensation option 2
   g. approved unpaid time off due to illness or exhaustion of paid sick leave
   h. approved unpaid time off due to family illness
   i. other pre-approved leaves without pay

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,

JAMES F. HANLEY

Re: 2007-2009 Assistant Buyer, et al. Agreement

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

Transit Check
The parties agree that the City will expand the current Transit Check program to offer to eligible employees the ability to purchase a Transit Debit Card through payroll deductions in accordance with IRC Section 132. In addition to the current MTA Surface and Subway lines, the Transit Debit Card may be used to purchase tickets for mass transit commutation only (i.e. LIRR, LI MTA Buses, MetroNorth). The administrative fee for this benefit will be borne by the participants and will be deducted on a prorated basis from the participating employee's paycheck. After one year of experience with this benefit, the City will examine the level of participation and the associated costs of providing this benefit to determine whether or not the administrative fee requires adjustment.
The parties further agree to examine the possible expansion of this benefit to include other regional mass transit carriers.

Residency
The parties agree to support an amendment to Section 12-119 et seq. of the Administrative Code for the purpose of expanding permissible limits on residency to include the City of New York and Nassau, Westchester, Suffolk, Orange, Rockland or Putnam counties – with certain exceptions and limitations and except as may be prohibited by any other law requiring residency for appointment to certain positions including, but not limited to, the Public Officers Law – for employees covered by the terms of this Agreement.

Consistent with the above, Mayoral Directive 78-13, as amended July 26, 1978, and any other covered Employer's rules, regulations and/or operating procedures, shall be similarly modified to conform to the understanding of the parties.

Upon enactment of legislation to implement the provisions herein, employees shall be subject to Section 1127 of the New York City Charter.

Labor Management Committee on Pension Issues
There shall be a joint Labor Management Committee on Pensions with the appropriate parties. The committee shall analyze the actual costs and additional contribution rate(s) for members of the New York City Employees' Retirement System (NYCERS) and the Board of Education Retirement System (BERS) associated with Chapter 96 of the Laws of 1995. Such analysis shall be based on, among other factors, the actual number of people who elected to participate under the provisions of said Chapter 96 of the Laws of 1995 as of September 26, 1995. The committee shall make recommendations regarding the establishment of revised additional contribution rate(s) and other remedies it deems appropriate so as to reflect the actual cost to members of NYCERS and BERS. Regardless of the comparison of actual costs to additional contributions for members of NYCERS and BERS, there shall be no adjustment to contributions under Chapter 96 without first considering the contributions by the employer to NYCERS and BERS on behalf of all employees, and the comparison of those contributions to actual costs.

The appropriate parties further agree to discuss the following issues:
- Chapter 96 Reopener
- Chapter 96 Escape
- Age and Vesting Requirements
- Member Contribution Amounts and Duration
- Benefit Formula Changes
- Service Credits
- Any other areas the parties mutually agree to

Continuation of Certain Health Benefits
The parties acknowledge that collective bargaining regarding health benefits is within the purview of negotiations between the Municipal Labor Committee and the City. Cost-containment initiatives in the City Health Benefits Program shall be discussed with the Municipal Labor Committee.

Salary Review Panel
A Salary Review Panel shall be established to review selected

titles and occupational groups to determine whether or not salary adjustments or other compensation modifications appear to be indicated and, based on their findings, to make such recommendations as are appropriate. The Panel Procedures shall be set forth in a letter agreement. The parties further agree that no recommendation for salary modifications and/or other adjustments shall be implemented unless and until the parties have agreed on the source(s) of funding.

Additional Compensation Funds
Effective (last day of unit agreement), the bargaining unit shall have available funds not to exceed 0.34% to purchase recurring benefits, mutually agreed to by the parties, other than to enhance the general wage increases set forth in Section 4 or the hiring rate for new employees set forth in Section 5. The funds available shall be based on the December 31, 2005 1% book.

Performance Compensation Procedures
The Letter Agreement between the City of New York and District Council 37 regarding such criteria and procedures insofar as they relate to the City of New York's "Performance Compensation Procedures" shall apply (in lieu of the provisions in Article XVII ("Merit Increases"), Sections 1 and 2).

If the above accords with your understanding, please execute the signature line provided below.

Re: Salary Review Panel

Dear Mr. Golden:

This letter is to confirm certain mutual understandings and agreements pursuant to negotiations for the *2007-2009 Assistant Buyers, et al. Agreement* in which the parties agreed to establish the "Salary Review Panel" ("*Panel*").

Composition of the Panel

The Salary Review Panel shall consist of a member appointed by the Union, a member appointed by the City, and a neutral selected by the parties or such other arrangement as may be mutually acceptable to the parties.

Goals and Objectives

A Salary Review Panel shall be established to review selected titles and occupational groups to determine whether or not salary adjustments or other compensation modifications appear to be indicated and, based on their findings, to make such recommendations as are appropriate.

Criteria

The criteria to be used to determine the title(s) and/or occupational group(s) to be reviewed for such adjustments or modifications shall include the following:

1. Titles/occupational groups whose work was previously contracted out but is currently being performed by City employees.

2. Titles/occupational groups which perform revenue-producing and/or cost-containment functions.

3. Titles whose duties have evolved to require substantial additional skills and/or responsibilities.

4. Titles/occupational groups whose salary and/or total compensation benefits may not compare favorably vis-à-vis other public sector and/or private sector jurisdictions.

Notwithstanding the above, any other criteria that the parties may mutually agree upon may be considered by the Panel.

The parties mutually agree that any review undertaken by the Panel shall, where appropriate, include an analysis of the "total compensation" of a title. Total compensation includes wages and other salary-related benefits; time and leave benefits; health insurance; welfare fund benefits; pension benefits; and such other areas that are typically considered by the parties.

Written applications are to be submitted to the Panel within 120 days of the ratification of this Agreement unless the parties mutually agree to an extension. Applications submitted to the Panel must contain detailed information regarding the basis for the claim. Determinations and/or recommendations of the Panel shall not be grievable, arbitrable or otherwise reviewable in any other forum.

The parties further agree that no recommendation for salary modifications and/or other adjustments shall be implemented unless and until the parties have agreed on the source(s) of funding.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,
JAMES F. HANLEY

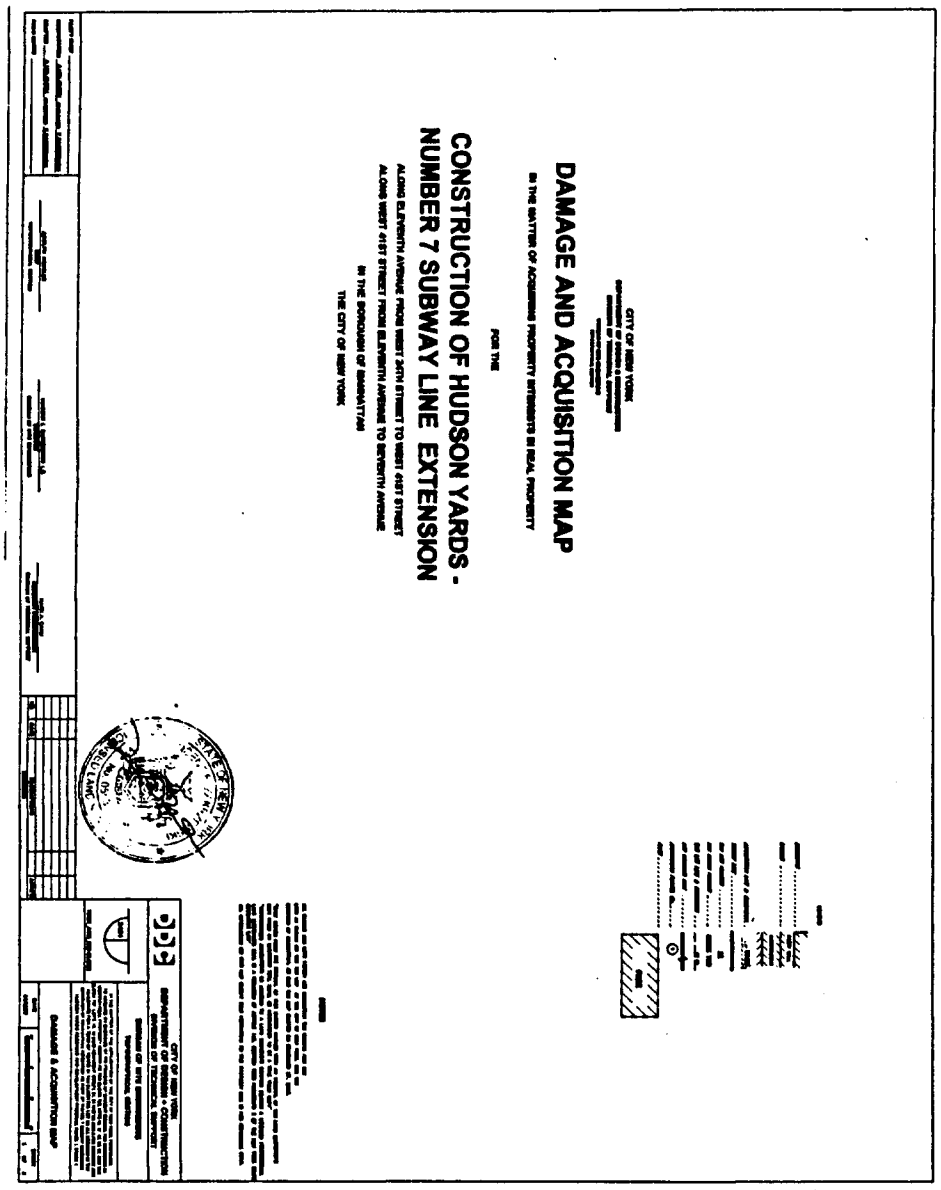
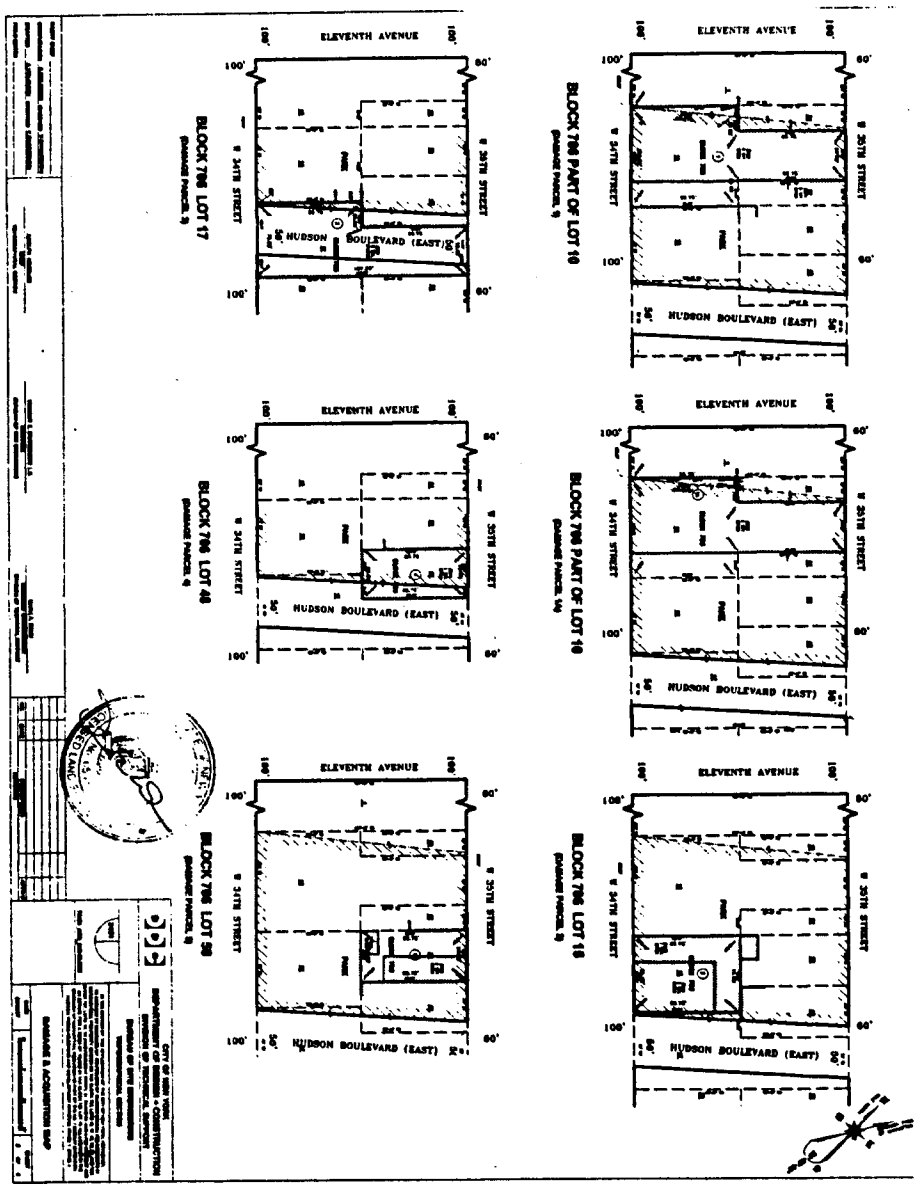
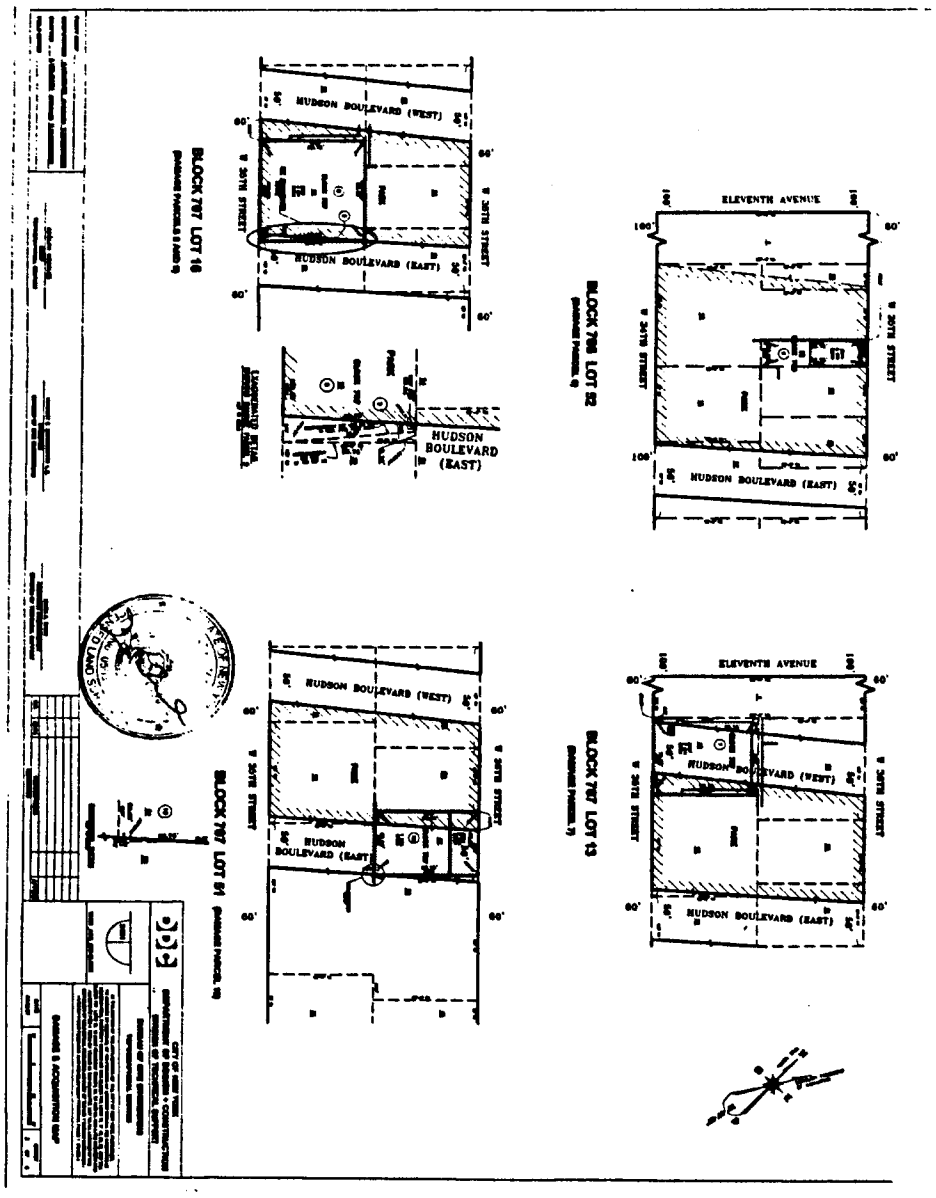
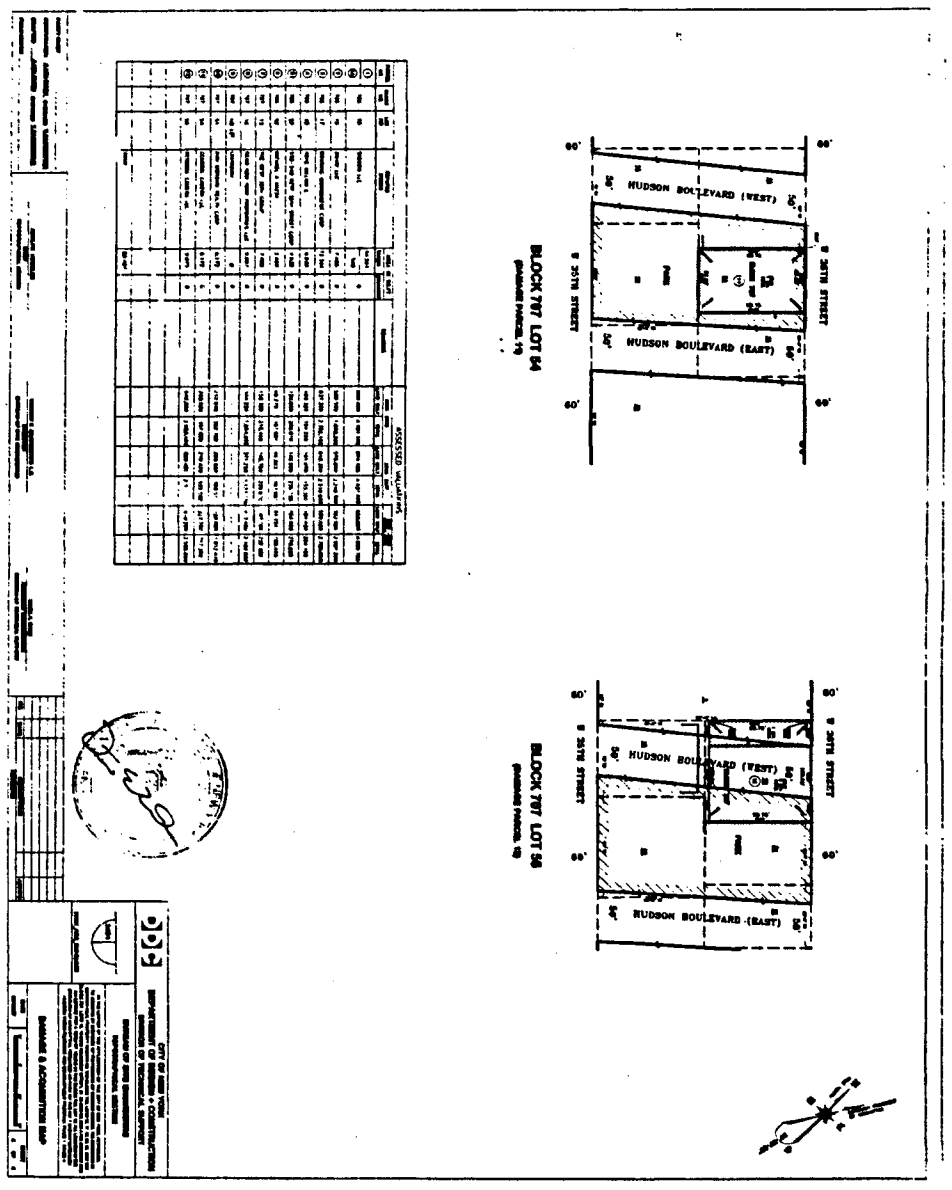
COURT NOTICE MAPS FOR PHASE 1, STAGE 4 OF THE NO. 7 SUBWAY EXTENSION - HUDSON YARDS REZONING AND DEVELOPMENT PROGRAM









READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.
* * *
Fair rent
* * *
However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *
In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.
Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *
However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.
* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.
* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

In the designated areas set forth in Section 23-922

(Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

* * *

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts
* * *

However, in ~~designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable~~ #Inclusionary Housing designated areas#, as listed ~~below~~ in the following table, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas). The locations of such districts are specified in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas).

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.
However, in the designated areas set forth in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

RENT GUIDELINES BOARD

■ NOTICE

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Tuesday, **June 19, 2007** at the LaGuardia Performing Arts Center, 31-10 Thomson Avenue, Long Island City, NY, 11101 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2007 through September 30, 2008.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will take place between the hours of **4:00 P.M. and 10:00 P.M.** on Tuesday, **June 19, 2007.** Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Monday, **June 18, 2007.** For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Frank at the above address by **Monday, June 4, 2007** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **Monday, May 7, 2007** and published in the City Record on **Friday, May 11, 2007.** Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address and at the Board's website: **housingnyc.com.**

In order to ensure that the members of the Rent Guidelines Board are able to deliberate and to hear members of the public with regard to renewal lease adjustments, and that members of the public are able to participate meaningfully in the public meeting and hearing process, items that are reasonably likely to disrupt the proceedings, such as noisemakers and drums, are prohibited and may not be brought into meeting and hearing venues. We encourage you to arrive early to avoid delays and help speed the entry of all members of the public. Your cooperation, patience and understanding are greatly appreciated.

SOLICITATIONS

Services (Other Than Human Services)

MEDICAL WASTE REMOVAL – Competitive Sealed Bids – PIN# 81607ME32001 – DUE 07-26-07 AT 3:00 P.M. – This soliciation is for the provision of Regulated Medical Waste Removal Services at OCME locations in all five boroughs. The Office of Chief Medical Examiner ("OCME") investigates unusual and suspicious deaths which occur in NYC. This results in approximately 5,500 autopsies per year being conducted by the OCME. Regulated medical waste must be picked up, transported, and lawfully disposed of from all OCME facilities on a regular basis. The bidder should also be advised that the OCME is required to respond to emergency situations which may involve a mass disaster and that the prospective bidder should be prepared to be flexible in order to pick up, transport, and remove a greater than average volume of regulated medical waste in the case of an emergency. Bidder shall acquaint themselves with conditions to be found at the sites and shall assume all responsibility for placing and installing the equipment needed in the required locations.

A mandatory pre-bid conference will be held on Wednesday, June 20, 2007 at 10:00 A.M. at 421 East 26th Street, New York, NY 10016, in the Tenth Floor Conference Room East. Vendor Source ID#: 42094.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Ltd., 140 South Columbus Avenue, Mt. Vernon, NY 10550.
The City of New York through its Department of Citywide Administrative Services intends to negotiate a one year extension of time with the current contractor, Central Office Alarm Co. Ltd. The contract will be extended from March 17, 2007 to March 16, 2008.
If your company is interested in bidding on future solicitations regarding the maintenance of the central station to transmit fire alarm signals, please contact the Vendor Enrollment Center at (212) 857-1680 or by e-mail at nyc.gov/selltonyc to ensure that your firm is listed in the proper categories for fire alarm systems maintenance.

There is a compelling need to extend the contract beyond the expiration date because the City of New York is mandated to have working fire alarm systems in its buildings.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of Buildings by Section 643 of the New York City Charter (the "Charter"), and pursuant to Section 1043 of the Charter, that the Department of Buildings hereby adopts the amendment to Chapter 19 of Title 1 of the Rules of the City of New York by creating Section 19-04 regarding the Master Plumber and Master Fire Suppression Piping Contractor License Board.

This rule was first published on March 20, 2007 and a public hearing thereon was held on April 20, 2007. This rule shall take effect 30 days from the date hereof.

Dated 5 June, 2007
New York, New York

Patricia J. Lancaster, F.A.I.A.
Commissioner

Section 1. Chapter 19 of Title 1 of the Rules of the City of New York is amended by creating Section 19-04, to read as follows:

§19-04 Master Plumber and Master Fire Suppression Piping Contractor License Board – Qualification Recommendations

(a) In accordance with section 26-134 and 26-144 of the Administrative Code, the commissioner authorizes the Master Plumber and Master Fire Suppression Piping Contractor License Board ("Board"), as part of its investigation of unlicensed practitioners, to examine the qualifications of applicants for Master Plumber and Master Fire Suppression Piping Contractor Licenses.

(b) The Board may investigate the nature and quality of the supervision Master Plumber and Master Fire Suppression Piping Contractors provided to license applicants and report to the commissioner regarding whether licensees and the people they supervised were performing lawful work in accordance with Sections 26-142 and 26-146 of the Administrative Code:

(1) in the design and installation of plumbing systems in the United States, under the direct and continuing supervision of a licensed Master Plumber as defined by Section 26-141(c) of the Administrative Code; and

(2) in the design and installation of fire suppression piping systems in the United States, under the direct and continuing supervision of a licensed Master Fire Suppression Piping Contractor as defined by Section 26-141(c) of the Administrative Code.

(c) The Board is authorized to require the applicant to provide the Board with any information pertaining to the plumbing and fire suppression trades in furtherance of the Board's investigation into improper or illegal practices.

(d) The Board is authorized to require an applicant to provide the Board with documentation in support of his or her application including, but not limited to, the following:

(1) payroll records, time cards, sign-in sheets, work orders, and assignment or route logs;

(2) notarized letters or sworn statements from supervising licensees stating the time period during which he or she supervised the applicant, the number of hours per week he or she supervised the applicant, the work the applicant performed for the licensee, and jobs where such work was performed; and

(3) such other documentation the Board deems appropriate.

(e) Based on the review of the documentation, and any testimony before the Board, the Board shall make its recommendation to the commissioner as to whether:

(1) license applicants designed and installed plumbing work under the supervision of a licensed Master Plumber or Master Fire Suppression Piping Contractor;

(2) the licensees who supervised each applicant did so in a lawful manner; and

(3) license applicants obtained sufficient experience as set forth in section 26-146 of the Administrative Code to qualify for a Master Plumber or Master Fire Suppression Piping Contractor license.

(f) Based on the documentation, and any testimony before the Board, the Board may refer improper or illegal activities to the Department's investigative units for further investigation and/or disciplinary action.

STATEMENT OF BASIS AND PURPOSE

Section 26-144 authorizes the Master Plumber and Master Fire Suppression Piping Contractor License Board ("Board"), upon appointment by the Commissioner, to investigate unlicensed activities. The purpose of the rule is to allow the Commissioner to more effectively exercise his or her power under Section 26-134, to grant and deny applications for Master Plumber and Master Fire Suppression Piping Contractor licenses by enabling the Board, a body of industry professionals with specific knowledge of these trades, to assist the commissioner in his or her investigation of the qualifications of license applicants as part of the application review process, as well as further the Board's investigations of illegal practices.

763 8th Avenue, Manhattan	60/07	May 11, 1991 to Present

Prior to the issuance of a permit by the Department of Buildings for the alteration or demolition of residential buildings in certain areas of the **Special Clinton District**, the Department of Housing Preservation and Development is required to certify that: 1) prior to evicting or otherwise terminating the occupancy of any tenant preparatory to alteration or demolition, the owner shall have notified HPD of the owner's intention to alter or demolish the building and 2) the eviction and relocation practices followed by the owner of the building satisfy all applicable legal requirements and that no harassment has occurred.

The owner of the building located at the above-referenced address seeks the issuance of an HPD Certification. The owner has represented and certified to HPD of the owner's intention to alter or demolish the building and that the eviction and relocation practices followed by the owner satisfy all applicable legal requirements and that no harassment has occurred. For your information HPD considers harassment to include, but not be limited to, the threatened or actual use of physical force, deprivation of essential services such as heat, water, gas or electric, or any other conduct intended to cause persons to vacate the premises or waive rights related to their occupancy.

HPD requests that if you have any comments or evidence of unlawful eviction and relocation practices or harassment occurring at the above referenced premises that you notify the Anti-Harassment Unit, 3rd Floor, 100 Gold Street, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement call (212) 863-8272.

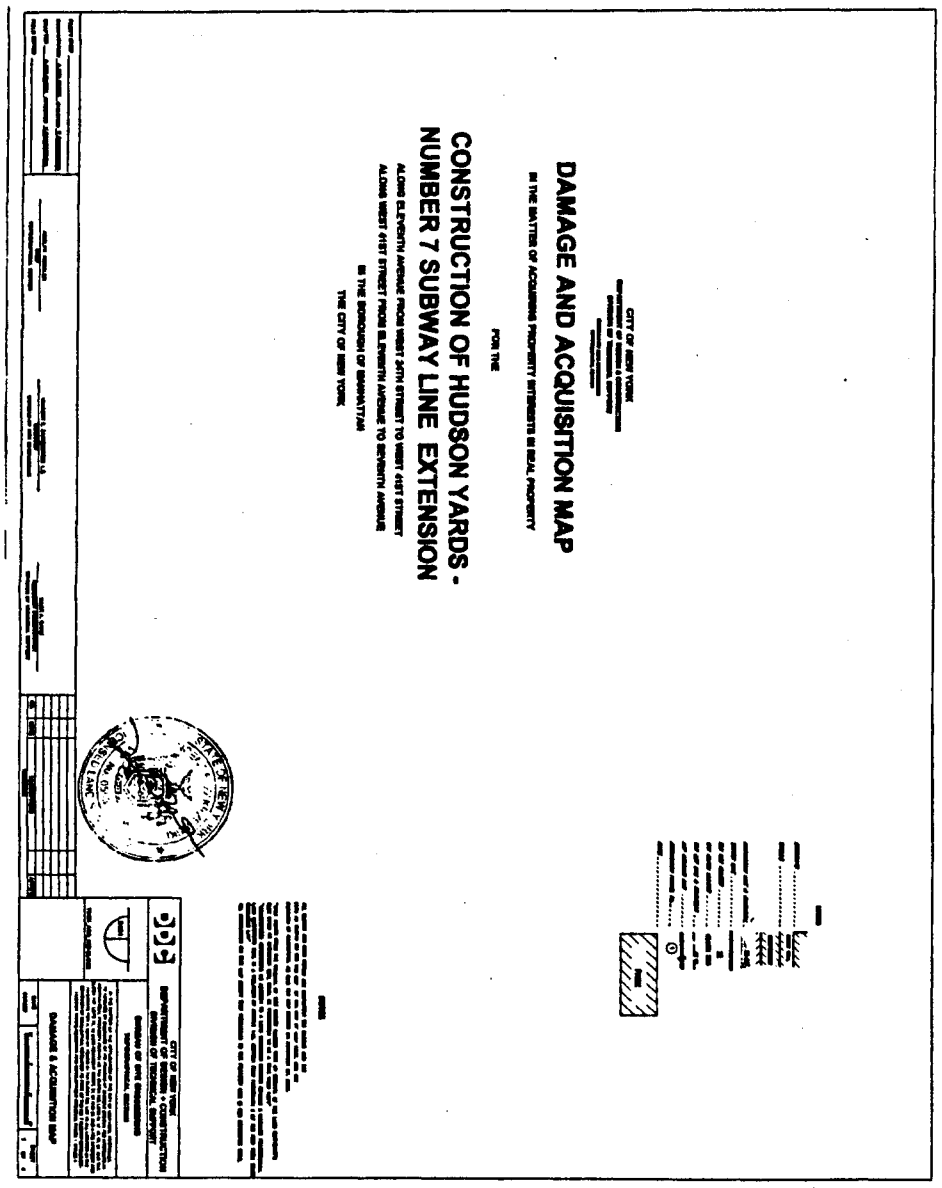
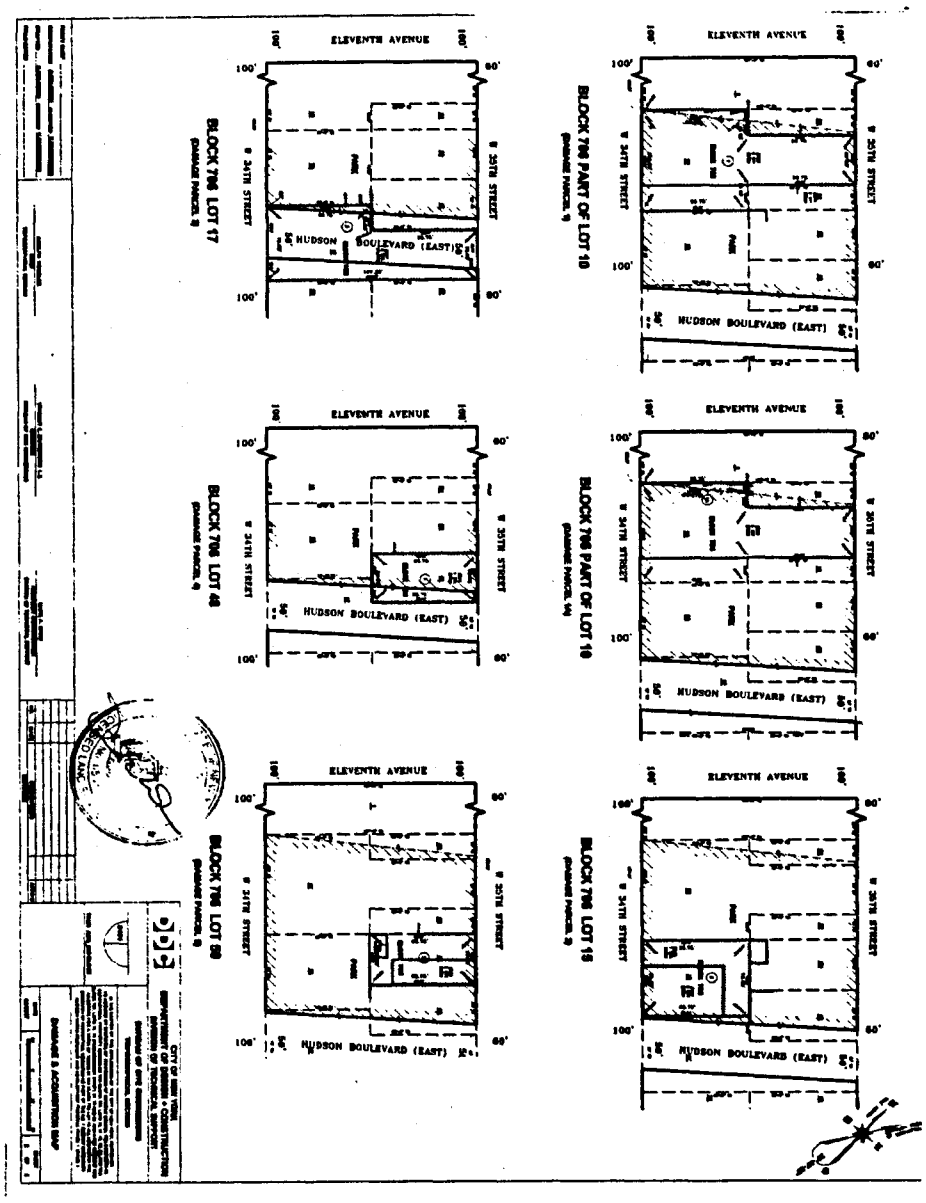
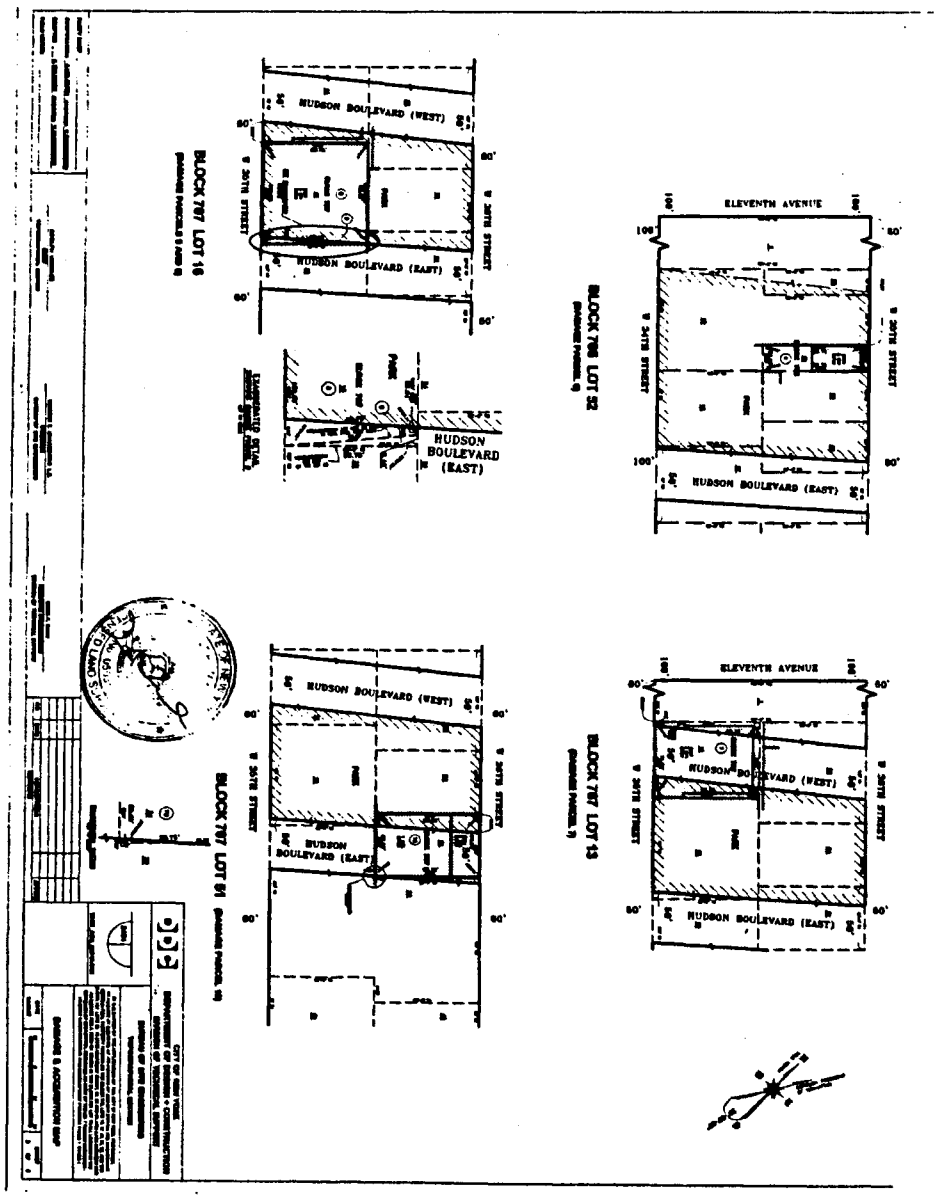
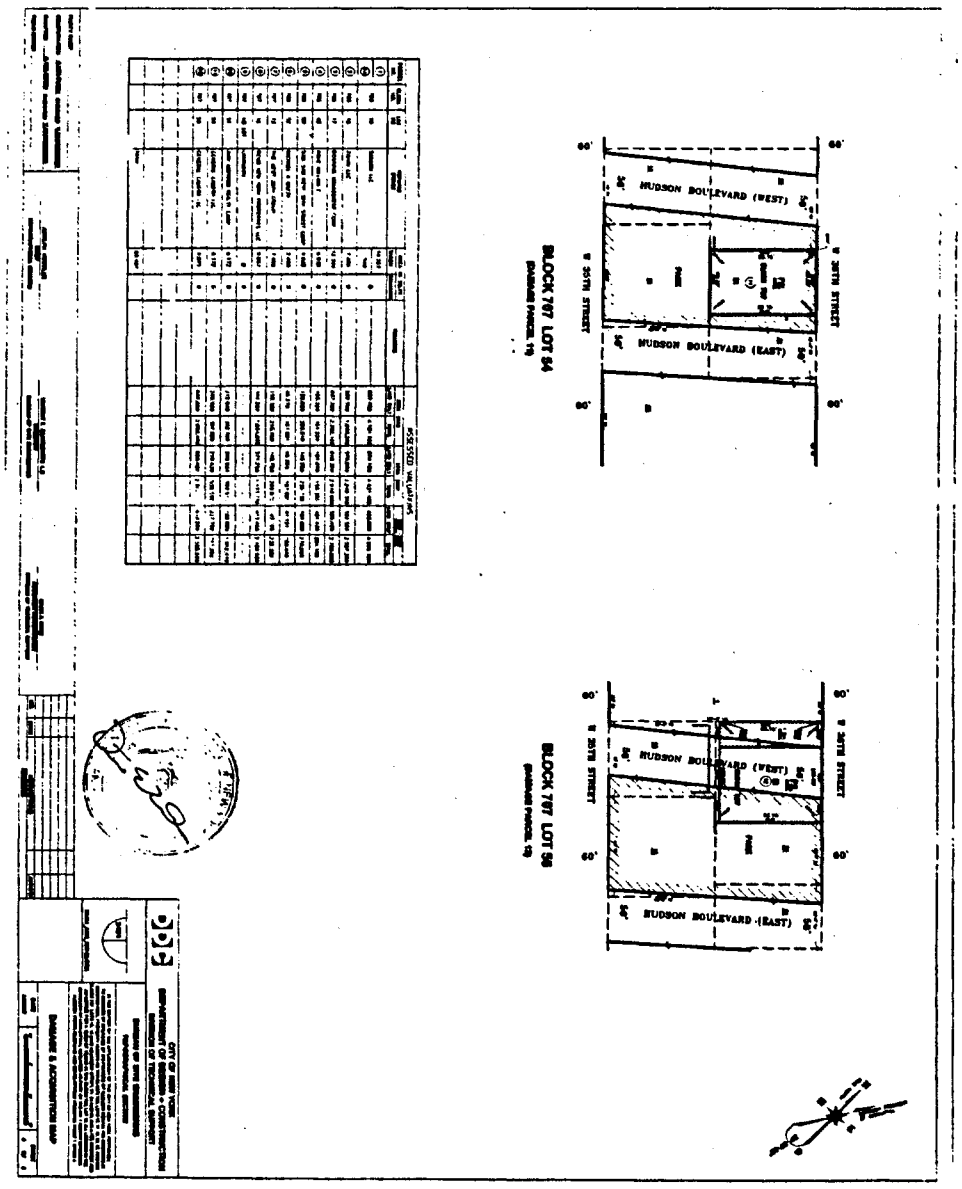
COURT NOTICE MAPS FOR PHASE 1, STAGE 4 OF THE NO. 7 SUBWAY EXTENSION - HUDSON YARDS REZONING AND DEVELOPMENT PROGRAM









READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

* * *

Fair rent

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.
* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.
* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

RENT GUIDELINES BOARD

■ NOTICE

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Tuesday, **June 19, 2007** at the LaGuardia Performing Arts Center, 31-10 Thomson Avenue, Long Island City, NY, 11101 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2007 through September 30, 2008.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will take place between the hours of **4:00 P.M. and 10:00 P.M.** on Tuesday, **June 19, 2007.** Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Monday, **June 18, 2007.** For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Frank at the above address by **Monday, June 4, 2007** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **Monday, May 7, 2007** and published in the City Record on **Friday, May 11, 2007.** Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address and at the Board's website: **housingnyc.com.**

In order to ensure that the members of the Rent Guidelines Board are able to deliberate and to hear members of the public with regard to renewal lease adjustments, and that members of the public are able to participate meaningfully in the public meeting and hearing process, items that are reasonably likely to disrupt the proceedings, such as noisemakers and drums, are prohibited and may not be brought into meeting and hearing venues. We encourage you to arrive early to avoid delays and help speed the entry of all members of the public. Your cooperation, patience and understanding are greatly appreciated.

COURT NOTICE

SUPREME COURT

■ NOTICE

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the CITY OF NEW YORK ("the City"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 12, 2007, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law: (a) authorizing the City to file an acquisition map, in connection with Phase 1, Stage 4 of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program, in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan; (b) directing that, upon the filing of the order and of such map, title to the real property sought to be acquired, and an estate for a term of years in one parcel, shall immediately vest in the City; (c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and (d) granting the City such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by the City is generally located between Tenth and Eleventh Avenues, and West 34th and West 36th Streets, in the Borough of Manhattan, City, County and State of New York, and includes:

(a) title in fee simple absolute to the entirety of Tax Block 706, Lots 15, 17, 48, 50 and 52, Tax Block 707, Lots 13, 16, 51, 54 and 56, and an unlotted strip of land between Lots 16 and 20, on Tax Block 707;

(b) title in fee simple absolute to an easterly portion of Tax Block 706, Lot 10; and

(c) an estate for a term of seven years in the remainder of Tax Block 706, Lot 10;

all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. Such properties are described in metes and bounds in Schedule A attached hereto.

The following interests are excluded from these acquisitions:

(a) All right, title and interest of the New York City Transit Authority in and to the following property, if and to the extent located within the property being acquired: (1) routes, tracks, tunnels, switches, sidings, extensions, connections, platforms, structures, or terminals; (2) wires, conduits, pipes, ducts, telephones, signal and other communication or service facilities; (3) columns, footings, bracings, foundations and other structural members; and (4) any other devices, equipment and facilities used in connection with the operation or maintenance of the subway system;

(b) Public and governmental utility facilities having a physical manifestation within the area being acquired; all recorded easements, licenses, and other agreements, if any, for such public and governmental utility facilities; and reasonable rights of access to such public and governmental utility facilities necessary for the maintenance, operation, repair, replacement or use of the same whether or not embodied in recorded instruments;

(c) So long as they stand, walls of buildings built on property not being acquired, which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map, and any cornices or lintels which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map, which shows the perimeters of the property to be acquired, is set forth below:

Services (Other Than Human Services)

BID EXTENSION: AUDIT SERVICES – Request for Proposals – PIN# 071-08S-02-1085 – DUE 07-09-07 AT 2:00 P.M. – BID EXTENTION: The New York City Department of Homeless Services (DHS) is responsible for providing temporary housing and administering prevention programs for homeless families and single adults. Many of these services are provided by contracting with not-for-profit organizations city-wide. DHS is seeking appropriately qualified certified public accounting (CPA) firms to conduct program audits of the organizations currently under contract with DHS. The audits will consist of examinations of fiscal, compliance and programmatic data regarding the providers. The portfolio of contracts to be audited is comprised of approximately 258 human service provider contracts of varying contract dollar values. Audit evaluations will also be conducted for any reimbursement agreements regarding homeless services. The CPA firm program audits are needed in order to assure DHS that the organizations are providing services and expending funds in accordance with the contractual agreements.

It is anticipated that the term of the contract(s) awarded from this RFP will be for three (3) years, subject to the availability of funds. The contract(s) may additionally include a one year option to renew, likewise subject to the availability of funds. The agency reserves the right prior to contract award to determine the length of the contract term and each option to renew, if any.
The Request for Proposals is available online at www.nyc.gov/cityrecord

Any questions regarding this solicitation should be directed to George M. Sharples Contracts Officer, DHS, 33 Beaver Street, Cubicle 1316C, New York, N.Y. 10004 at (212) 361-8435 or e-mail at gsharple@dhs.nyc.gov.

TREE PLANTING – Request for Information – PIN# 846988852 – DUE 06-27-07 AT 4:00 P.M. – The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation. As part of that effort, the Department of Parks and Recreation ("Parks") is soliciting responses to a Request for Information ("RFI") from vendors interested in providing trees to the City. Pursuant to the City's PlanNYC, released in April 2007, the City is embarking on an extensive tree planting effort, with a commitment to plant one million trees, throughout the five boroughs, over the next ten years. This program involves increasing the current street stocking levels from 74 percent to 100 percent, as well as reforesting approximately 2,000 acres of parkland. Parks seeks to understand the capacity of vendors to meet this need.

Copies of the RFI can be obtained immediately at the Agency's website http://www.nyc.gov/parks, the City Record's website www.nyc.gov/cityrecord and at the Olmsted Center, Room 47, Flushing Meadows-Corona Park, Flushing, NY 11368 during the hours of 9:00 A.M. to 4:00 P.M., Monday - Friday from June 12, 2007 to June 26, 2007. Responses are due June 27, 2007.

Vendor should note that no contract for the provision of trees/tree planting services will be awarded from this RFI and that responding to this RFI will neither increase nor decrease any vendor's chance of being awarded a contract from a subsequent solicitation by the City for the requisite goods and/or services.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

BID EXTENSION: AUDIT SERVICES – Request for Proposals – PIN# 071-08S-02-1085 – DUE 07-09-07 AT 2:00 P.M. – BID EXTENSION: The New York City Department of Homeless Services (DHS) is responsible for providing temporary housing and administering prevention programs for homeless families and single adults. Many of these services are provided by contracting with not-for-profit organizations city-wide. DHS is seeking appropriately qualified certified public accounting (CPA) firms to conduct program audits of the organizations currently under contract with DHS. The audits will consist of examinations of fiscal, compliance and programmatic data regarding the providers.

The portfolio of contracts to be audited is comprised of approximately 258 human service provider contracts of varying contract dollar values. Audit evaluations will also be conducted for any reimbursement agreements regarding homeless services. The CPA firm program audits are needed in order to assure DHS that the organizations are providing services and expending funds in accordance with the contractual agreements.

It is anticipated that the term of the contract(s) awarded from this RFP will be for three (3) years, subject to the availability of funds. The contract(s) may additionally include a one year option to renew, likewise subject to the availability of funds. The agency reserves the right prior to contract award to determine the length of the contract term and each option to renew, if any.

The Request for Proposals is available online at www.nyc.gov/cityrecord

Any questions regarding this solicitation should be directed to George M. Sharples Contracts Officer, DHS, 33 Beaver Street, Cubicle 1316C, New York, N.Y. 10004 at (212) 361-8435 or e-mail at gsharple@dhs.nyc.gov.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

TREE PLANTING – Request for Information – PIN# 846988852 – DUE 06-27-07 AT 4:00 P.M. – The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation. As part of that effort, the Department of Parks and Recreation ("Parks") is soliciting responses to a Request for Information ("RFI") from vendors interested in providing trees to the City. Pursuant to the City's PlanNYC, released in April 2007, the City is embarking on an extensive tree planting effort, with a commitment to plant one million trees, throughout the five boroughs, over the next ten years. This program involves increasing the current street stocking levels from 74 percent to 100 percent, as well as reforesting approximately 2,000 acres of parkland. Parks seeks to understand the capacity of vendors to meet this need.

Copies of the RFI can be obtained immediately at the Agency's website http://www.nyc.gov/parks, the City Record's website www.nyc.gov/cityrecord and at the Olmsted Center, Room 47, Flushing Meadows-Corona Park, Flushing, NY 11368 during the hours of 9:00 A.M. to 4:00 P.M., Monday - Friday from June 12, 2007 to June 26, 2007. Responses are due June 27, 2007.

Vendor should note that no contract for the provision of trees/tree planting services will be awarded from this RFI and that responding to this RFI will neither increase nor decrease any vendor's chance of being awarded a contract from a subsequent solicitation by the City for the requisite goods and/or services.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") proposes adoption of rules governing paratransit vehicles.

These rules are proposed pursuant to sections 1043 and 2303(b)(11) of the Charter and section 19-503 of the Administrative Code of the City of New York. These proposed rules were not included in the TLC's regulatory agenda for Fiscal Year 2007, because the need for these rules was not anticipated when that agenda was published.

A public hearing on these proposed rules will be held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006 on August 9, 2007, at 9:30 a.m. Persons wishing to testify at the hearing may notify the TLC in advance, either in writing or by telephone to the TLC's Office of Legal Affairs at the address and telephone given below. Any request for a sign language interpreter or other form of reasonable accommodation at the hearing for a disability must be submitted to the Office of Legal Affairs in writing, by telephone, or by TTY/TDD no later than August 2, 2007.

Written comments in connection with these proposed rules should be submitted to the Office of Legal Affairs, addressed as follows, and must be received no later than July 16, 2007:

Charles R. Fraser
Deputy Commissioner for Legal Affairs / General Counsel
Taxi and Limousine Commission
40 Rector Street, 5th Floor, New York, New York 10006
Telephone: 212-676-1117 Fax: 212- 676-1102
TTY/TDD: 212- 341-9569

New material is underlined.
[Material inside brackets indicates deleted material.]

Section 1. Section 4-01 of chapter 4 of Title 35 of the Rules of the City of New York is amended to read as follows:

§4-01 **Definitions.**

Applicant. An applicant is an individual applying for an original or renewal license for a paratransit vehicle and/or to operate such vehicle and/or to operate a paratransit base.

Base. [Base] A base is [the place of business] a central facility approved [and licensed] by the Commission [for the purpose of dispatching] which manages, organizes and/or dispatches a licensed [paratransit] vehicle or vehicles. This location should also be the official location on record with the New York State Department of Transportation.

Base Owner. A base owner is any individual, partnership or corporation licensed by the Commission to own and operate a base.

[**Call sheet.** A call sheet is a trip record.]

Chauffeur's license. Chauffeur's license means a valid New York State Chauffeur's license or its equivalent from another state of which the licensee is a resident.

Commission. Commission shall refer to the New York City Taxi and Limousine Commission.

Common carrier. A common carrier is a vehicle licensed by the state for public use in the conveyance of persons or property within New York State.

Dispatch of a paratransit vehicle. Dispatch of a paratransit vehicle is a dispatcher's instruction to a paratransit driver (usually by radio) directing the driver to provide service to a prospective passenger on a prearranged basis.

Driver. A driver is a person licensed by the Commission to drive a [wheelchair accessible van (]paratransit vehicle[) or ambulette] in the City of New York.

Fastening devices. A fastening device is a device, as approved by the New York State Department of Transportation, which will securely hold wheelchairs in position in a paratransit vehicle and will not cause a tripping hazard.

Electronic Trip Record System. The "electronic trip record system" is hardware and software that collects and stores the electronic trip record data required by section 4-09(gg). The specific locations and times of pick-up and drop-off and any other data that may be collected in the vehicle must be done contemporaneously with the trip.

Lease card. A lease card is a card issued to a lessee of a paratransit vehicle by the Commission, setting forth the name and address of the lessee, the period of the lease and any other information prescribed by the Commission.

Licensed vehicle. A licensed vehicle is a paratransit vehicle or ambulette authorized by the Commission to transport, by prearrangement and for hire, any person with a disability.

Mailing address. A [Mailing] mailing address is the address designated by the paratransit vehicle owner, base owner or driver for the receipt of all notices and correspondence from the Commission and for the receipt of service of summonses by the Commission. In the case of the base owner, the mailing address shall be the base address. In the case of the driver, it shall be the home address of the driver. In the case of the paratransit vehicle owner, [An] an individual shall designate the home address of such individual or, if a partnership, of one of the partners [of such individual.] and [A] a corporation shall designate the address of the secretary of the corporation. However, the licensee may also designate a U.S. post office box number as a mailing address. Any notice from the Commission shall be deemed sufficient if sent to the address last furnished to the Commission by the paratransit vehicle owner, base owner or driver.

[**Operator.** An operator is the driver of a paratransit vehicle.]

Owner. An owner is any individual, partnership, association, organization (including non-profit), or corporation licensed by the Commission to own a paratransit vehicle. Accordingly, under these rules, the term includes an agent or employee of such owner having authority to act on behalf of the owner, including a lessee of a paratransit vehicle.

Paratransit driver's license. A paratransit driver's license is a license issued by the Commission to persons who meet Commission qualifications as paratransit vehicle drivers.

Paratransit service. A paratransit service is a transportation service for persons with disabilities, including all ambulette services.

Paratransit vehicle. A paratransit vehicle [is], also known as a wheelchair accessible van or ambulette, is any motor vehicle equipped with a hydraulic lift or ramp(s) designed for the purpose of transporting persons who use wheelchairs, or containing any other device designed to permit access to and enable the transportation of a person with a physical disability. [For the purposes of these rules, this term shall include all ambulettes (whether wheelchair accessible or not)].

Paratransit vehicle [identification card (also known as a paratransit identification card.)] license. A [Paratransit] paratransit vehicle [identification card] license is a [card] license issued by the Commission to an owner of a [licensed] paratransit vehicle which displays the vehicle's license number and other data prescribed by the Commission which serves as evidence that the vehicle is licensed to operate in New York City.

Passenger. A passenger is any individual carried in a paratransit vehicle for travel for hire to a given destination.

Person with a disability. A person with a disability is an individual with a physical [or mental] impairment, including any person with a mobility impairment who uses a wheelchair, three-wheeled motorized scooter or other mobility aid, or is semi-ambulatory, and who cannot board, ride or disembark from a vehicle without the assistance of a wheelchair lift or other boarding assistance device.

Service Animal. A service animal is a guide dog, signal dog or any other animal trained specifically to work or to perform tasks for an individual with a disability, including, but not limited to, guiding individuals with visual impairments, alerting individuals with hearing impairments to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair or retrieving dropped items.

[Transportation service for people with disabilities (also known as paratransit or ambulette service). A transportation service for people with disabilities is a non-profit organization or other provider of transportation via one or more vehicles for hire which transports persons with disabilities in the city by means of a vehicle(s) which contain wheelchair accessible devices or other devices or alterations designed to permit access to
and the transportation of a person with a disability.]

Trip Record. A [Trip] trip record, also known as a trip sheet, is a written document or data in electronic form [also known as a trip sheet, or call sheet,] setting forth or containing the origin and destination of each trip as well as other information required by the Commission[, which,] pursuant to section 4-09(gg) of this chapter. Written trip records, when permitted by section 4-10(m) of this chapter, must be carried by the paratransit vehicle driver.

Weapon. A weapon is any instrument or thing whether real or simulated, capable of inflicting or threatening bodily harm.

Wheelchair accessible van (also known as paratransit vehicle). A wheelchair accessible van is any motor vehicle, equipped with a hydraulic lift or ramp(s) designed for the purpose of transporting persons who use wheelchairs or containing any other physical device[s] or alteration designed to permit access to and enable the transportation of a person with a physical disability.

Section 2. Paragraph (a)(10) and subdivision (b) of Section 4-03 of Chapter 4 of Title 35 of the Rules of the City of New York are amended, and a new paragraph (a)(11) is added, to read as follows:

§4-03 Paratransit Driver's License.

(a) An applicant for a paratransit driver's license must be:

. . . .

(10) familiar with New York City geography, streets and traffic regulations, as well as New York State Vehicle and Traffic Law;

(11) qualified pursuant to Article 19-A of the New York State Vehicle and Traffic Law to drive a paratransit vehicle.

(b) A Commission application for a paratransit driver's license must be signed and filed by the applicant with the Commission. An applicant for a [paratransit operator's] driver's license shall agree that service of any paper, notice, letter, summons, complaint or legal process of any kind or nature may be made by the City of New York, or any department thereof, upon the person to whom the license is issued by leaving a copy of any such paper, notice, letter, summons, complaint or legal process with any member of his or her family or other person with whom he or she may reside at the address listed as a mailing address in his or her application.

Section 3. The title of Section 4-04 of chapter 4 of Title 35 of the Rules of the City of New York and paragraph (b)(5) and subdivisions (d), (i) and (k) of such section are amended to read as follows:

§4-04 Paratransit Vehicle Licensing.

(b) The applicant must also:

. . . .

(5) provide the certificate of title or a copy thereof and the certificate of registration, both of which must be in the applicant's name unless title is retained by a lessor or conditional vendor; provided, however, in addition to the terms set forth in this paragraph (b)(5), on and after January 1, 2008, the applicant must provide (i) the certificate of title or a copy thereof and (ii) the certificate of registration that evidences that the paratransit vehicle is of a model year that is not excluded by section 4-18 of this chapter and will not be required to be retired prior to the expiration of the two-year term of licensing.

(d) If the paratransit vehicle is leased, a copy of the leasing agreement must be filed with the license application.

. . . .

(i) The Commission may deny [a] an [paratransit vehicle] owner's renewal application or suspend or revoke [his] the owner's paratransit vehicle license should the Commission become aware of information that the owner no longer meets the requirements for a paratransit vehicle owner's license.

. . . .

(k) If an application for a paratransit vehicle license or its renewal is denied, the applicant or owner shall be entitled to a hearing before the Commission at which [he] the applicant or owner may be represented by an attorney or by a non-attorney representative. However, the Commission may, for cause, deny a non-attorney representative the opportunity to appear at such hearing.

Section 4. Subdivisions (a) and (d) and paragraph (e)(3) of Section 4-05 of Chapter 4 of Title 35 of the Rules of the City of New York are amended and new subdivision (h) is added, to read as follows:

§4-05 Base License.

(a) The base must be located on commercial property[,] or within a zone which permits a base operation, unless there are four vehicles or less in which case the base may be maintained at the [owners] base owner's residence.

. . . .

(d) The base must maintain records of all paratransit vehicles dispatched.

(e) The applicant for the base license must complete and file the required Commission application form and also submit:

. . . .

(3) if the base owner is a partnership, a copy of the partnership agreement if such agreement exists;

. . . .

(h) The Commission may deny a base owner's renewal application or suspend or revoke the base owner's license should the Commission become aware of information that the base owner no longer meets the requirements for a base license.

Section 5. Subdivisions (a), (c), (h), (l), (m), (p), (r), (s) and (t) and paragraphs (d)(1) and (d)(2) of Section 4-06 of Chapter 4 of Title 35 of the Rules of the City of New York are amended to read as follows:

Section 10. Subdivision (a) of Section 4-13 of Chapter 4 of Title 35 of the Rules of the City of New York is amended to read as follows:

§ 4-13 Mandatory Penalties.

Any licensee who has been found to have violated a provision of [§§] sections 4-06(b), 4-07(d), 4-08(g), 4-08(i)(1), 4-08(n), 4-08(t), 4-09(a), 4-09(b), 4-09(c), 4-09(h), 4-09(w), 4-09(bb), 4-11(g), 4-11(h) or any combination thereof, shall be fined not less than $100 nor more than $350 for each violation for which a licensee is convicted. Any licensee who has been found in violation of any of the provisions of such rules or any combination thereof, for a second time within a twenty-four month period shall be fined not less than $350 nor more than $500. The Commission shall mandatorily revoke the driver's, the base owner's or the owner's license of any paratransit driver, base owner or owner who has been found to have violated any of the provisions of [§§] sections 4-06(b), 4-07(d), 4-08(g), 4-08(i)(1), 4-08(n), 4-08(t), 4-09(a), 4-09(b), 4-09(c), 4-09(h), 4-09(w), 4-09(bb), 4-11(g), 4-11(h) or any combination thereof, three times within a twenty-four month period. Nothing contained herein shall limit or restrict any other authority the Commission may have to suspend or revoke a paratransit driver's license.

Section 11. New Section 4-18 of Chapter 4 of Title 35 of the Rules of the City of New York is added to read as follows:

Section 4-18 Vehicle Retirement and First Licensing.

(a) All paratransit vehicles first licensed by the Commission on or after January 1, 2008, shall meet the mileage specifications of a qualified replacement paratransit vehicle set forth in subdivision (j) of this section and shall comply with subdivision (h) of this section unless excepted pursuant to subdivision (i) of this section.

(b) All paratransit vehicles that are of model year 1998 or earlier must be retired from paratransit service no later than the expiration dates of their paratransit vehicle licenses on and after January 1, 2008.

(c) All paratransit vehicles that are of model year 2000 or earlier must be retired from paratransit service no later than the expiration dates of their paratransit vehicle licenses on and after January 1, 2009.

(d) All paratransit vehicles that are of model year 2002 or earlier must be retired from paratransit service no later than the expiration dates of their paratransit vehicle licenses on and after January 1, 2010.

(e) All paratransit vehicles that are of model year 2004 or earlier must be retired from paratransit service no later than the expiration dates of their paratransit vehicle licenses on and after January 1, 2011.

(f) On and after January 1, 2012, all paratransit vehicles shall be retired no later than seven (7) years after the vehicle was first licensed.

(g) A paratransit vehicle that cannot pass the New York State Department of Transportation inspection must be retired, regardless of whether its retirement date has been reached. A paratransit vehicle which has reached its retirement date must be retired, regardless of whether it may still pass the New York State Department of Transportation inspection.

(h) When the paratransit vehicle is first licensed and when the paratransit vehicle license is being renewed, the Commission's Safety and Emissions Division shall verify that the mileage on the paratransit vehicle accords with the specifications in subdivision (j) of this section.

(i) An owner may request an extension of a vehicle's retirement date no later than two months before that retirement date. The extension request must include documentation demonstrating that a new vehicle has been ordered but will not be delivered until after the retirement date, but no later that 60 days after the retirement date. The Commission's Chairperson, or his or her designee, may confirm the delivery date independently. Should the owner's documentation comply fully with the terms of this section and the compliant delivery date is confirmed, an extension of the vehicle's retirement date to the projected delivery date of the new vehicle shall be granted.

(j)(1) On and after January 1, 2008, all qualified replacement paratransit vehicles shall have been driven less than 100,000 miles;
(2) On and after January 1, 2009, all qualified replacement paratransit vehicles shall have been driven less than 50,000 miles;
(3) On and after January 1, 2010, all qualified replacement paratransit vehicles shall have been driven less than 25,000 miles; and
(4) On and after January 1, 2011, all qualified replacement paratransit vehicles be of the most recent model year or the immediately preceding model year and shall have been driven less than 500 miles.

Statement of Basis and Purpose of Proposed Rules

The proposed rules would amend existing Commission rules relating to paratransit vehicles and paratransit services in four respects.

First, the proposed rules would govern the age of paratransit vehicles for the first time. Beginning on January 1, 2008, newly licensed paratransit vehicles and qualified replacement paratransit vehicles would be required to have been driven less than 100,000 miles. There will be a phase in period annually reducing the permissible mileage on the paratransit vehicles to 50,000, 25,000 and on and after January 1, 2011, to less than 500 miles. To verify the mileage, the paratransit vehicle would be required to be taken to the Commission's Safety and Emissions Division where the paratransit vehicle's mileage would be verified and the Commission's paratransit vehicle decal would be

installed. Also, after a phase-in period ending January 1, 2012, paratransit vehicles would be required to be retired no later than seven years after the vehicle was first licensed. The Commission may grant a retirement extension to the owner of a paratransit vehicle who demonstrates that a replacement vehicle is unavailable and a shipment date that is not more than sixty (60) days from the retirement date.

The purposes of this proposal are to enhance the safety of paratransit vehicles and to reduce the volume of pollutants created by those vehicles. Newer vehicles generally operate more safely and efficiently, and more recently manufactured vehicles are generally equipped with more recent safety and air quality technologies.

Second, the proposed rules would require the conversion from written to electronic trip records by July 1, 2008. The purposes of this proposal are to enhance the accountability of paratransit drivers to paratransit vehicle owners and paratransit bases, and to enhance the accountability of the paratransit industry as a whole to its customers and to the Commission, by creating a more accurate and reliable record of the paratransit vehicle's operations. The proposed rules would require a vehicle owner and a base owner to transmit electronic trip records to the Commission once a month.

Third, the proposed rules would clarify the responsibilities of paratransit bases and paratransit vehicle owners. Existing rules specify the responsibilities of paratransit vehicle owners (sections 4-09 to 4-11), and assume that the paratransit base owner and the paratransit vehicle owner are identical – which is usually, but not always, the case. Therefore, the proposed rules would separately state the obligations of paratransit bases and paratransit vehicle owners. The proposed rules would also provide that service of notice from the Commission to a paratransit base is sufficient if sent to the last mailing address furnished to the Commission by the base owner and also that the Commission may deny a base owner's renewal application or suspend or revoke the base owner's license should the Commission become aware of information that the base owner no longer meets the requirements for a base license.

Fourth, the proposed rules would amend the definitions of "paratransit vehicle", " person with a disability" and "wheelchair accessible van" to reflect more closely the definition of a wheelchair accessible van in the Administrative Code of the City of New York as "any motor vehicle equipped with a hydraulic lift or ramps designed for the purpose of transporting persons in wheelchairs or containing any other physical device or alteration designed to permit access to and enable the transportation of physically handicapped persons."

TRANSPORTATION

■ NOTICE

Notice of Opportunity to Comment on Proposed Amendments to the rules relating to the posting of a sign setting forth bicycle safety procedures at the place of employment of businesses that engage in delivering packages, parcels, papers or articles of any type by bicycle.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by subdivision (a) of Section 2903 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation proposes to amend subdivision (p) of Section 4-12 of Chapter 4 of Title 34 of the Official Compilation of the Rules of the City of New York, the Traffic Rules. Matter underlined is new; matter in [brackets] is deleted. These rules were not included in DOT's regulatory agenda because they were not anticipated at the time the agenda was published.

Written comments regarding the proposed rules may be sent to Joshua Benson, Bicycle Program Coordinator, Office of Alternative Modes, Department of Transportation, 40 Worth Street, Room 1035, New York, NY 10013 on or before July 10, 2007. A public hearing shall be held on July 17, 2007 at 40 Worth Street, Room 1015, New York, NY at 10:00 a.m. Persons seeking to testify are requested to notify Joshua Benson at the address stated above by July 10, 2007. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Joshua Benson at the foregoing address by July 10, 2007. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Janette Sadik-Khan, Commissioner.

It is proposed to amend subdivision (p) of section 4-12 of Title 34 of the Rules of the City of New York by adding a new paragraph (4), to read as follows:

(4) Bicycle safety poster.

(i) Every person, firm, partnership, joint venture, association or corporation which engages in the course of its business, either on behalf of itself or others, in delivering packages, parcels, papers or articles of any type by bicycle shall post one or more bicycle safety posters at each employment site.

(ii) The bicycle safety poster shall be in English, Spanish and any other language spoken predominately by any bicycle operator utilized by the business. It shall be clear and conspicuous to the bicycle operators and patrons of the business.

(iii) The poster shall be at least eleven (11) inches by seventeen (17) inches in size. It shall be printed with dark colored ink on durable material with a light colored background. The titles on the poster shall be a minimum of 0.3 inches or twenty-one (21) point font and must be accommodated on only one line. The headings on the poster shall be a minimum of 0.25 or eighteen (18) point font and must be accommodated on only one line. The lettering on the rest of the poster shall be a minimum of 0.22 inches in height or sixteen (16) point font.

(iv) A model of the poster shall be made available on the Department of Transportation's website.

(v) The poster shall include the following:

(A) Responsibilities of Commercial Bicycle Operators:

- Obey Traffic Signs and Signals.
- Bicycles must obey all NYC Traffic Rules. Bicyclists have the same rights, privileges and duties as other vehicular traffic.

Wear a Helmet.

- While working, commercial bicyclists must wear a properly fitted bicycle helmet.
- Never Ride Against Traffic. Bicyclists cannot ride against the flow of traffic. Ride with traffic to avoid accidents. If available, bicyclists must use bicycle lanes.

Stay Off Sidewalks and Limited Access Roadways.

- Bicycles are not permitted on sidewalks unless bicycle wheels are less than 26 inches in diameter and the rider is 12 years or younger, or if signs allow.
- Bicycles are also prohibited on expressways, drives, highways, interstate routes, bridges and thruways, unless authorized by signs.

Be Safe

- Yield to pedestrians.
- Bicyclists must have at least one hand on the steering device or handlebars at all times.
- Bicyclists cannot wear more than one earphone attached to a radio, tape player or other audio device while riding.
- No attaching of a bicycle to another vehicle being operated on the roadway.
- Any bicyclist involved in an accident resulting in a death or injury to a person or damage to property must stop and give their name, address, insurance information, etc., and must report the accident to the police department

Be Visible.

- Ensure visibility at night by wearing light-toned clothing with reflective tape material.
- From dusk to dawn, bicyclist must use a white headlight and red taillight.

Be Prepared.

- Bicycle operators must wear upper body apparel with the business' name and the operator's identification number.
- Bicycle operators must also carry and produce, on demand, a numbered business ID card with the operator's photo, name, home address and business' name, address and phone number.

(B) Responsibilities of Business Owners Who Employ Bicycle Operators:

Businesses must provide their bicycle operators with the following:

- A bicycle helmet;
- A bicycle placard with the business' name and phone number;
- Upper body apparel with the business' name and operator's identification number;
- Numbered business ID card with the operator's photo, name, home address and the business' name, address and phone number;
- A white headlight and red taillight;
- A bell or other audible signal (not whistle);
- Working brakes;
- Reflective tires and/or other reflective devices on new bicycles.

Businesses must maintain a log book of all bicycle deliveries that must be filed with the police department annually.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding parking and traffic in the City pursuant to Section 2903 of the New York City Charter.

Subdivision (p) of section 4-12 is being amended to add the requirements set forth in section 10-157.1 of the Administrative Code of the City of New York, added by Local Law No. 10 of 2007. This new section of the Administrative Code requires the Department to effectuate the rules and regulations governing the content, size and manner of display of a poster setting forth bicycle safety procedures. The poster must be placed at commercial business locations where the business is engaged in delivering packages, parcels, papers or articles of any type by bicycle.

An English language model of the poster required by this proposed rule will be made available and model posters in other languages, including but not limited to, Spanish, Chinese, Korean and Russian, may be made available on the Department's website.

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

BINDING REPORT

ISSUE DATE: 05/31/07	DOCKET #: 078332	SRB #: SRB 07-8896
ADDRESS: 2 EASTERN PARKWAY, The Brooklyn Public Library, Central Building, INDIVIDUAL LANDMARK	BOROUGH: BROOKLYN	BLOCK/LOT: 1183 / 2

To the Mayor, the Council, and the Director of the Brooklyn Public Library.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to install a bronze book drop adjacent to the main entrance, as shown in drawings BD-A1 through BD-A5, dated May 1, 2007, prepared by Allanbrook Benic Czajka Architects and Planners LLP.

In reviewing this proposal, the Commission notes that the Brooklyn Public Library, Central Building designation report states that the building is a limestone-clad Modern Classical structure designed by Alfred Morton Githens and Francis Keally with Art Deco detailing by sculptors Thomas Hudson Jones and C. Paul Jennewein, and constructed in 1935-41.

With regard to this proposal, the Commission finds that only plain, unornamented stone will be removed to install the book drop; that the book drop will match the material of the historic entrance doors; that book drops are typically found on library buildings adjacent to the entrance; and that the proposed work will not cause damage to any significant protected features of the landmark, nor detract from its special architecural and historic character. Based on these findings, the Commission determines the proposed work to be appropriate to the Brooklyn Public Library, Central Building, Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

* * *

Fair rent

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. ... Determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.
* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.

* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

* * *

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

* * *

However, in ~~designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable~~ #Inclusionary Housing designated areas#, as listed ~~below~~ in the following table, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas). The locations of such districts are specified in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas).

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.
However, in the designated areas set forth in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

RENT GUIDELINES BOARD

■ NOTICE

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Tuesday, **June 19, 2007** at the LaGuardia Performing Arts Center, 31-10 Thomson Avenue, Long Island City, NY, 11101 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2007 through September 30, 2008.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will take place between the hours of **4:00 P.M. and 10:00 P.M.** on Tuesday, **June 19, 2007.** Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Monday, **June 18, 2007.** For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Frank at the above address by **Monday, June 4, 2007** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **Monday, May 7, 2007** and published in the City Record on **Friday, May 11, 2007.** Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address and at the Board's website: **housingnyc.com.**

In order to ensure that the members of the Rent Guidelines Board are able to deliberate and to hear members of the public with regard to renewal lease adjustments, and that members of the public are able to participate meaningfully in the public meeting and hearing process, items that are reasonably likely to disrupt the proceedings, such as noisemakers and drums, are prohibited and may not be brought into meeting and hearing venues. We encourage you to arrive early to avoid delays and help speed the entry of all members of the public. Your cooperation, patience and understanding are greatly appreciated.

COURT NOTICE

SUPREME COURT

■ NOTICE

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the CITY OF NEW YORK ("the City"), to the Supreme

Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 12, 2007, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law: (a) authorizing the City to file an acquisition map, in connection with Phase 1, Stage 4 of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program, in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan; (b) directing that, upon the filing of the order and of such map, title to the real property sought to be acquired, and an estate for a term of years in one parcel, shall immediately vest in the City; (c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and (d) granting the City such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by the City is generally located between Tenth and Eleventh Avenues, and West 34th and West 36th Streets, in the Borough of Manhattan, City, County and State of New York, and includes:

(a) title in fee simple absolute to the entirety of Tax Block 706, Lots 15, 17, 48, 50 and 52, Tax Block 707, Lots 13, 16, 51, 54 and 56, and an unlotted strip of land between Lots 16 and 20, on Tax Block 707;

(b) title in fee simple absolute to an easterly portion of Tax Block 706, Lot 10; and

(c) an estate for a term of seven years in the remainder of Tax Block 706, Lot 10;

all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. Such properties are described in metes and bounds in Schedule A attached hereto.

The following interests are excluded from these acquisitions:

(a) All right, title and interest of the New York City Transit Authority in and to the following property, if and to the extent located within the property being acquired: (1) routes, tracks, tunnels, switches, sidings, extensions, connections, platforms, structures, or terminals; (2) wires, conduits, pipes, ducts, telephones, signal and other communication or service facilities; (3) columns, footings, bracings, foundations and other structural members; and (4) any other devices, equipment and facilities used in connection with the operation or maintenance of the subway system;

(b) Public and governmental utility facilities having a physical manifestation within the area being acquired; all recorded easements, licenses, and other agreements, if any, for such public and governmental utility facilities; and reasonable rights of access to such public and governmental utility facilities necessary for the maintenance, operation, repair, replacement or use of the same whether or not embodied in recorded instruments;

(c) So long as they stand, walls of buildings built on property not being acquired, which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map, and any cornices or lintels which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map, which shows the perimeters of the property to be acquired, is set forth below:

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

TREE PLANTING – Request for Information – PIN# 846988852 – DUE 06-27-07 AT 4:00 P.M. – The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation. As part of that effort, the Department of Parks and Recreation ("Parks") is soliciting responses to a Request for Information ("RFI") from vendors interested in providing trees to the City. Pursuant to the City's PlanNYC, released in April 2007, the City is embarking on an extensive tree planting effort, with a commitment to plant one million trees, throughout the five boroughs, over the next ten years. This program involves increasing the current street stocking levels from 74 percent to 100 percent, as well as reforesting approximately 2,000 acres of parkland. Parks seeks to understand the capacity of vendors to meet this need.

Copies of the RFI can be obtained immediately at the Agency's website http://www.nyc.gov/parks, the City Record's website www.nyc.gov/cityrecord and at the Olmsted Center, Room 47, Flushing Meadows-Corona Park, Flushing, NY 11368 during the hours of 9:00 A.M. to 4:00 P.M., Monday - Friday from June 12, 2007 to June 26, 2007. Responses are due June 27, 2007.

Vendor should note that no contract for the provision of trees/tree planting services will be awarded from this RFI and that responding to this RFI will neither increase nor decrease any vendor's chance of being awarded a contract from a subsequent solicitation by the City for the requisite goods and/or services.

Name, Description, and Location of Proposal:

Design Regulations for Commercial and Community Facility Parking Lots
The New York City Department of City Planning (DCP) proposes to amend the *Zoning Resolution* to establish design guidelines for the construction of open parking areas accessory to community facility and commercial uses in all zoning districts. The design standards are comprised of three main components: perimeter screening, interior landscaping, and maneuverability standards for vehicles. The new design guidelines would facilitate the design and construction of high-quality commercial and community facility parking lots.

The proposal would amend numerous sections of the *Zoning Resolution* located in Article II, Chapter 5; Article III, Chapter 6; Article III, Chapter 7; Article IV, Chapter 4; Article X, Chapter 7; and Article XI, Chapters 2 and 6.

The purpose of the proposed regulations can be broken down into three main categories: aesthetics, environmental, and safety. The regulations are intended to provide aesthetic and visual relief to large areas of paved surfaces, to reduce the urban heat island effect, to manage stormwater runoff efficiently, and to improve safety for drivers and pedestrians within parking lots. The lack of design requirements in current zoning regulations can result in unsightly parking lots, negatively affect the ambient quality and safety of parking lots for their users, and contribute to an increase in the urban heat island effect citywide.

The proposed text changes do not involve modifications to regulations governing bulk or use. Underlying parking regulations would remain unchanged. Consequently, the proposed text amendment would not induce new development, nor would it affect the type or location of future development. The principal effect of the proposed text amendment would be to improve the design and quality of new commercial and community facility parking lots in all five boroughs.

The analysis year for the proposed action is 2017.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated June 15, 2007, prepared in connection with the ULURP Application (ULURP No. 070509 ZRY). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative Declaration, you may contact Adam Lynn at (212) 720-3493.

■ VENDOR LISTS

Services (Other Than Human Services)

PRE-QUALIFIED LIST FOR BRIDGE DESIGN AND CONSTRUCTION SUPPORT SERVICES AND RESIDENT ENGINEERING INSPECTION SERVICES – The Department of Transportation invites engineering firms to be considered for inclusion on the agency's Pre-Qualified Lists for the following categories of service: (1) Bridge Design and Construction Support Services and/or (2) Bridge Resident Engineering Inspection (REI) Services. In order for a firm to be Pre-Qualified the firm must meet specific criteria requirements as stated on the Pre-Qualification Forms and SF254/255 Forms which can be obtained from the New York City Department of Transportation (NYCDOT). Information and applications to be included on such lists may be obtained from the NYCDOT Office of the Agency Chief Contracting Officer, and may be submitted at any time. Firms already on the Pre-Qualified Lists do not need to be re-certified for inclusion on the list(s) at this time.

For the two categories described above, three (3) lists (Large, Medium and Small) are established according to project size. No firm may be placed on more than two of the three lists for the Bridge Design and Construction Support Services or the Bridge Resident Engineering Inspection Services category. Firms that are placed on these Pre-Qualified lists may be invited to receive RFPs (Request for Proposals) on selected Capital Bridge Projects without additional public notification. The Pre-qualification Lists are as follows:

SMALL BRIDGE DESIGN/REI: (for projects of less than $3 million construction cost)
MEDIUM BRIDGE DESIGN/REI: (for projects of $3 to $10 million construction cost)
LARGE BRIDGE DESIGN/REI: (for projects in excess of $10 million construction cost)

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

23-93
Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

* * *

Fair rent

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.

* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

* * *

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

* * *

However, in ~~designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable~~ #Inclusionary Housing designated areas#, as listed ~~below~~ in the following table, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas). The locations of such districts are specified in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas).

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.
However, in the designated areas set forth in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

SERVICES TO INNER CITY YOUTH TO HELP PREVENT JUVENILE DELINQUENCY AND DRUG ABUSE – Sole Source – Available only from a single source – DUE 06-26-07 AT 5:00 P.M. –
PIN# 00208DMPS340 - Police Athletic League/Playstreets
PIN# 00208DMPS341 - Police Athletic League/Centers and Sports Leagues

In accordance with Section 3-05 of the Procurement Policy Board Rules, the Criminal Justice Coordinator's Office ("CJC"), intends to enter into negotiations with the Police Athletic League ("PAL") to provide supervised programs to inner-city youth to help prevent juvenile delinquency and drug abuse and overcome mistrust of authority figures through the Playstreets and Centers and Sport Leagues programs. It has been determined that PAL is the only vendor that is able to provide the above-referenced services with the level of success that they do primarily because of the integral role that the New York City Police Department plays in coordinating these youth programs.

The term of the contracts shall be from July 1, 2007 to June 30, 2010. The contract amount for the PAL Centers and Sports Leagues is $2,803,635 and the contract amount of the PAL Playstreets contract is $2,189,820. Vendors interested in responding to a future solicitation for these services should so indicate in writing to the address listed or via e-mail to the e-mail address listed by the due date.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

SERVICES TO INNER CITY YOUTH TO HELP PREVENT JUVENILE DELINQUENCY AND DRUG ABUSE – Sole Source – Available only from a single source – DUE 06-26-07 AT 5:00 P.M. –
PIN# 00208DMPS340 - Police Athletic League/Playstreets
PIN# 00208DMPS341 - Police Athletic League/Centers and Sports Leagues

In accordance with Section 3-05 of the Procurement Policy Board Rules, the Criminal Justice Coordinator's Office ("CJC"), intends to enter into negotiations with the Police Athletic League ("PAL") to provide supervised programs to inner-city youth to help prevent juvenile delinquency and drug abuse and overcome mistrust of authority figures through the Playstreets and Centers and Sport Leagues programs. It has been determined that PAL is the only vendor that is able to provide the above-referenced services with the level of success that they do primarily because of the integral role that the New York City Police Department plays in coordinating these youth programs.

The term of the contracts shall be from July 1, 2007 to June 30, 2010. The contract amount for the PAL Centers and Sports Leagues is $2,803,635 and the contract amount of the PAL Playstreets contract is $2,189,820. Vendors interested in responding to a future solicitation for these services should so indicate in writing to the address listed or via e-mail to the e-mail address listed by the due date.

CAPITAL PROJECTS DIVISION

■ SOLICITATIONS

Goods & Services

TREE PLANTING – Request for Information – PIN# 846988852 – DUE 06-27-07 AT 4:00 P.M. – The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation. As part of that effort, the Department of Parks and Recreation ("Parks") is soliciting responses to a Request for Information ("RFI") from vendors interested in providing trees to the City. Pursuant to the City's PlanNYC, released in April 2007, the City is embarking on an extensive tree planting effort, with a commitment to plant one million trees, throughout the five boroughs, over the next ten years. This program involves increasing the current street stocking levels from 74 percent to 100 percent, as well as reforesting approximately 2,000 acres of parkland. Parks seeks to understand the capacity of vendors to meet this need.

Copies of the RFI can be obtained immediately at the Agency's website http://www.nyc.gov/parks, the City Record's website www.nyc.gov/cityrecord and at the Olmsted Center, Room 47, Flushing Meadows-Corona Park, Flushing, NY 11368 during the hours of 9:00 A.M. to 4:00 P.M., Monday - Friday from June 12, 2007 to June 26, 2007. Responses are due June 27, 2007.

Vendor should note that no contract for the provision of trees/tree planting services will be awarded from this RFI and that responding to this RFI will neither increase nor decrease any vendor's chance of being awarded a contract from a subsequent solicitation by the City for the requisite goods and/or services.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

■ VENDOR LISTS

Services (Other Than Human Services)

PRE-QUALIFIED LIST FOR BRIDGE DESIGN AND CONSTRUCTION SUPPORT SERVICES AND RESIDENT ENGINEERING INSPECTION SERVICES – The Department of Transportation invites engineering firms to be considered for inclusion on the agency's Pre-Qualified Lists for the following categories of service: (1) Bridge Design and Construction Support Services and/or (2) Bridge

Resident Engineering Inspection (REI) Services. In order for a firm to be Pre-Qualified the firm must meet specific criteria requirements as stated on the Pre-Qualification Forms and SF254/255 Forms which can be obtained from the New York City Department of Transportation (NYCDOT). Information and applications to be included on such lists may be obtained from the NYCDOT Office of the Agency Chief Contracting Officer, and may be submitted at any time. Firms already on the Pre-Qualified Lists do not need to be re-certified for inclusion on the list(s) at this time.

For the two categories described above, three (3) lists (Large, Medium and Small) are established according to project size. No firm may be placed on more than two of the three lists for the Bridge Design and Construction Support Services or the Bridge Resident Engineering Inspection Services category. Firms that are placed on these Pre-Qualified lists may be invited to receive RFPs (Request for Proposals) on selected Capital Bridge Projects without additional public notification. The Pre-qualification Lists are as follows:

SMALL BRIDGE DESIGN/REI: (for projects of less than $3 million construction cost)
MEDIUM BRIDGE DESIGN/REI: (for projects of $3 to $10 million construction cost)
LARGE BRIDGE DESIGN/REI: (for projects in excess of $10 million construction cost)

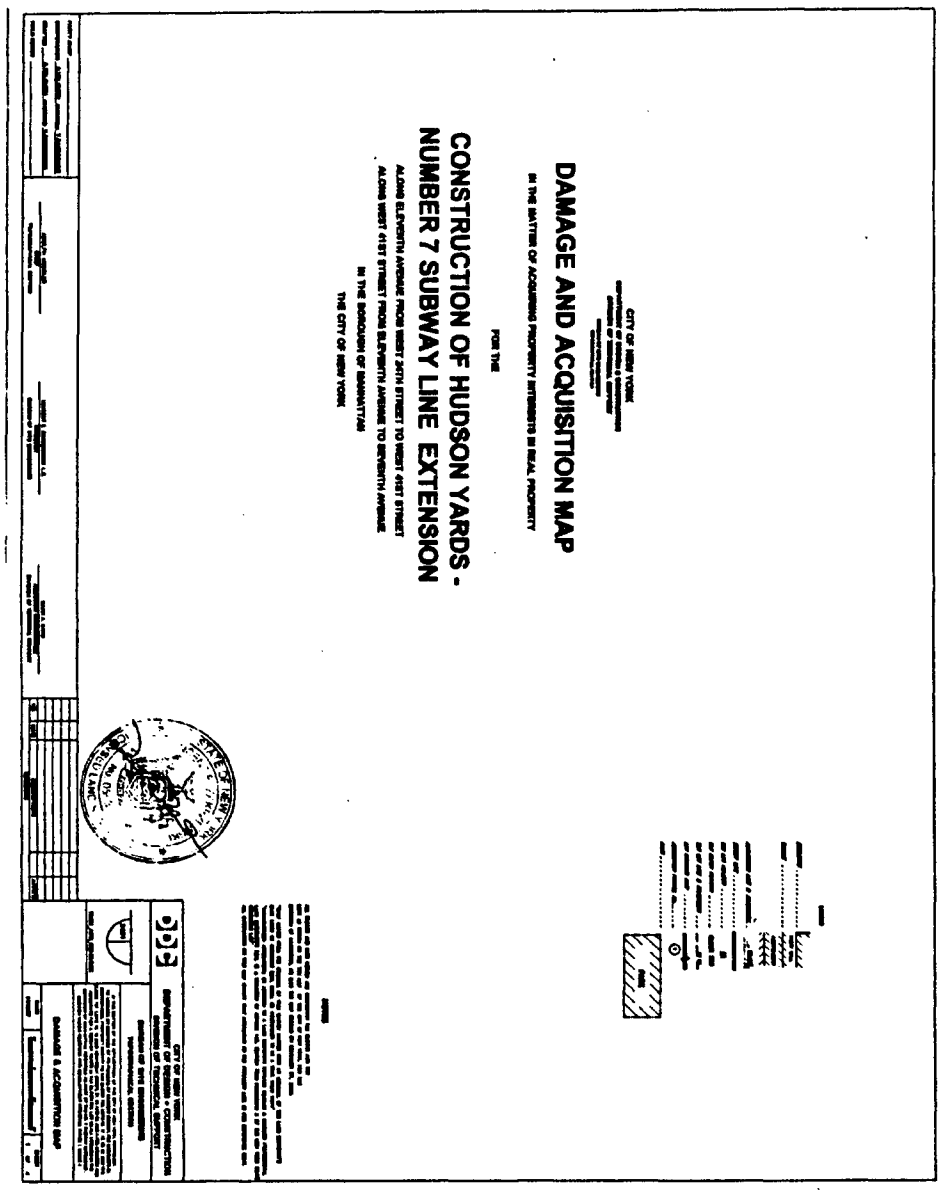
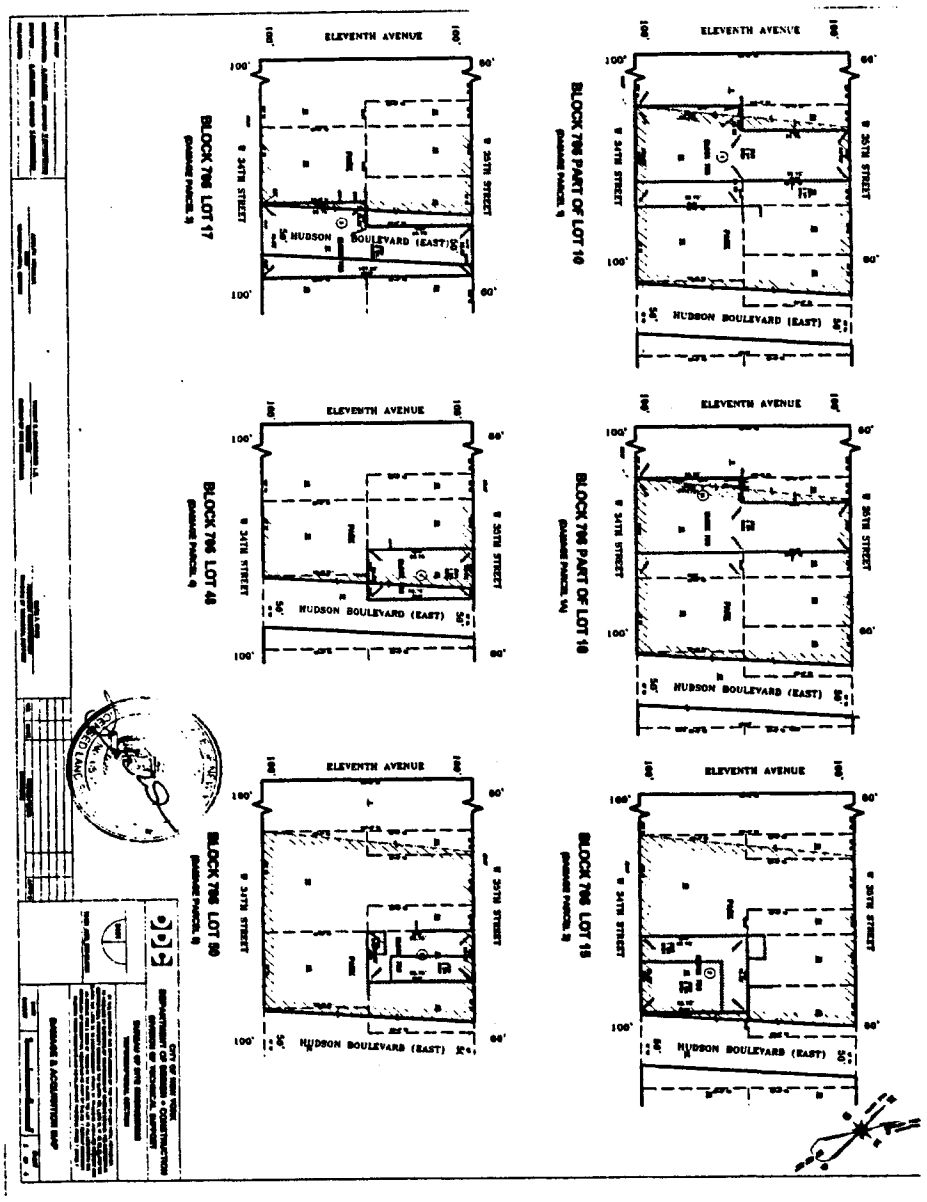
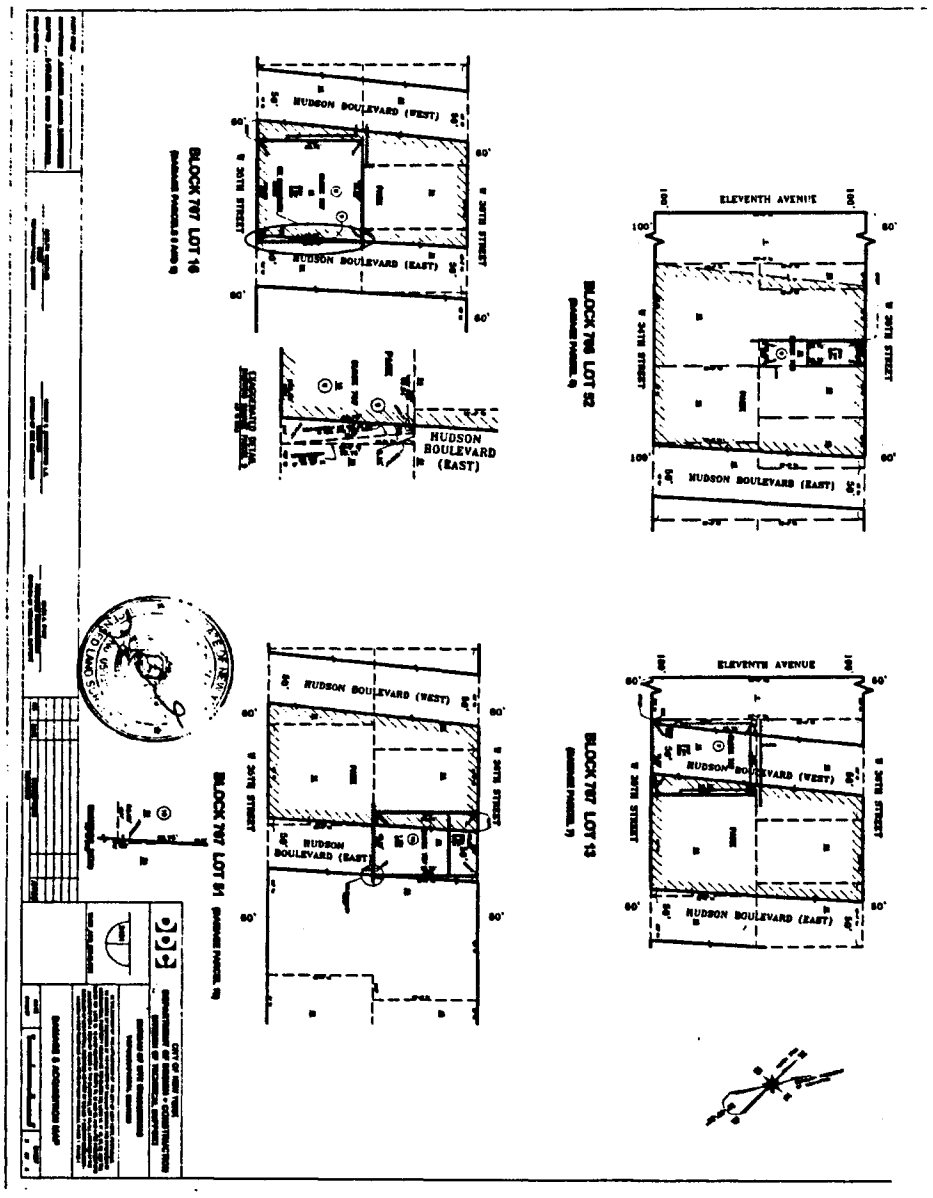
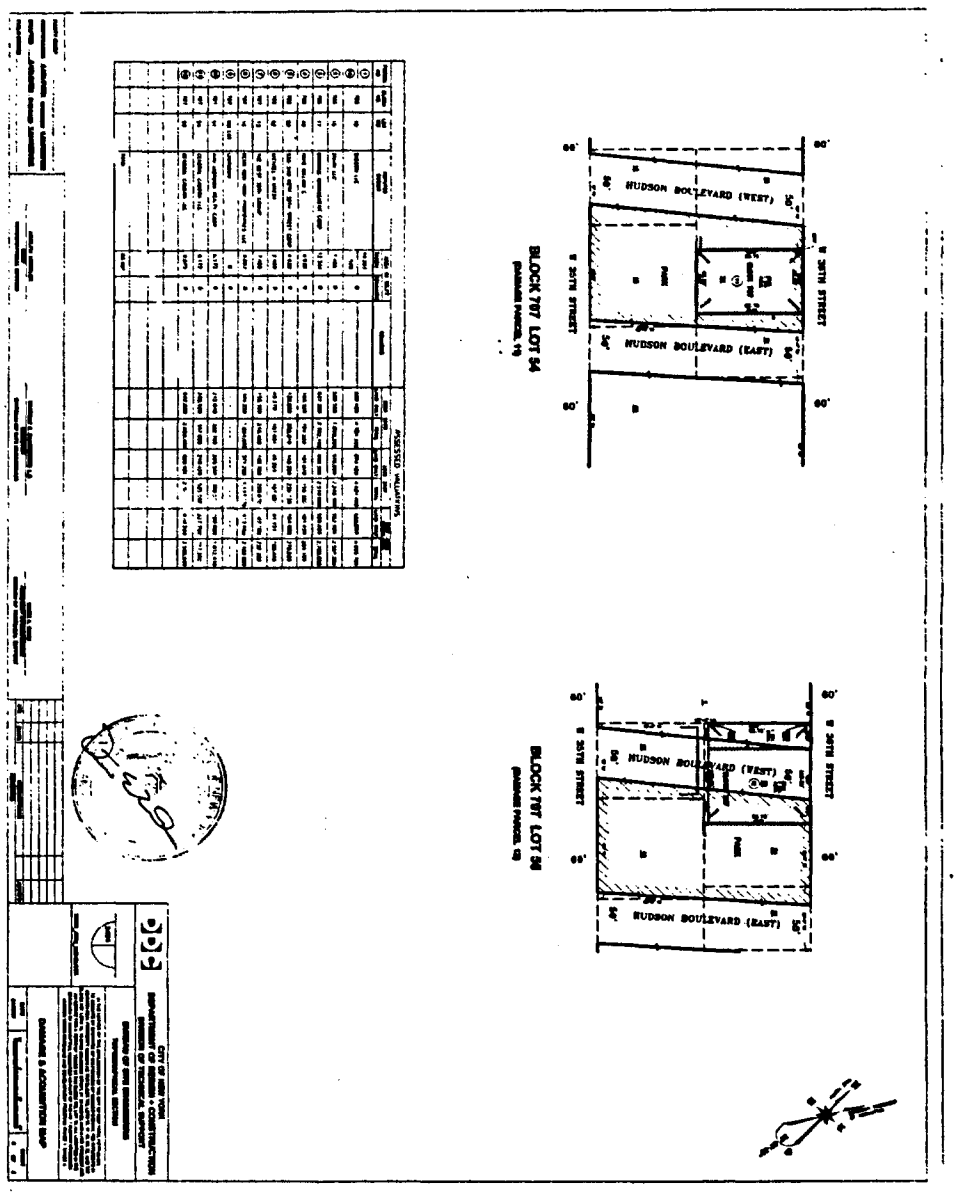
COURT NOTICE MAPS FOR PHASE 1, STAGE 4 OF THE NO. 7 SUBWAY EXTENSION - HUDSON YARDS REZONING AND DEVELOPMENT PROGRAM









READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Definitions

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful. However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to City, State or Federal funding sources, to serve as the #administering agent# during such compliance period.

* * *

Fair rent

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household=s# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.
Inclusionary Housing designated areas

"Inclusionary Housing designated areas" shall be those areas specified in Section 23-922 (Inclusionary Housing designated areas).

Lower income household

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

* * *

However, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

* * *

~~R6, R7 and R8 designated areas~~

~~"R6, R7 and R8 designated areas" shall be those areas specified in Section 23-922 (Certain R6, R7 and R8 Districts).~~

* * *

23-941
In R10 Districts other than Inclusionary Housing designated areas

The #floor area ratio# of a #development# may be increased from 10.0 to a maximum of 12.0 at the rate set forth in this Section, if the developer of such #development# provides #lower income housing# pursuant to Section 23-95 (Lower Income Housing Requirements).

* * *

23-942
In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas

The provisions of this Section shall apply in the designated areas set forth in Section 23-922, except within Waterfront Access Plan BK-1 and in R7-3 Districts within Community District 1, Borough of Brooklyn.

* * *

23-951
On-site new construction option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

* * *

In #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, if the #lower income housing# is subject to the requirements of City, State or Federal programs assisting the #lower income housing# that have size and distribution requirements conflicting with the size and distribution requirements of this paragraph, (b), then the size and distribution requirements of this paragraph, (b), may be waived by the Commissioner of Housing Preservation and Development to facilitate the #development# of #lower income housing#.

23-952
Substantial rehabilitation and off-site new construction options

To qualify for one or more of these options, the designated #lower income housing# shall meet the following requirements:

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

23-953
Preservation option

To qualify for this option, the designated #lower income housing# shall meet the following requirements.

(a) The #lower income housing# shall be located either:

* * *

Furthermore, in #~~R6, R7 and R8~~ Inclusionary Housing designated areas#, the #administering agent# shall not be required to verify the income of households in tenancy, as of the date upon which the Commissioner of Housing Preservation and Development approves the #lower income housing plan#.

* * *

24-161
Maximum floor area ratio for zoning lots containing community facility and residential uses

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

35-31
Maximum Floor Area Ratio for Mixed Buildings

* * *

In the designated areas set forth in Section 23-922 (Inclusionary Housing designated areas ~~Certain R6, R7 and R8 Districts~~), except within Waterfront Access Plan BK-1, the #floor area ratios# of Section 23-942 shall apply where the #residential# portion of a #building# is #developed# or #enlarged# pursuant to the Quality Housing Program.

* * *

123-63
Maximum Floor Area Ratio and Lot Coverage Requirements for Residential Buildings in R6, R7, R8 and R9 Districts

* * *

However, in ~~designated R6, R7 or R8 Districts where the Inclusionary Housing Program is applicable~~ #Inclusionary Housing designated areas#, as listed ~~below~~ in the following table, the maximum permitted #floor area ratio# shall be as set forth in Section 23-942 (In ~~R6, R7 and R8 Districts~~ Inclusionary Housing designated areas). The locations of such districts are specified in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas).

123-64
Maximum Floor Area Ratio and Lot Coverage Requirements for Mixed Use Buildings

(a) Maximum #floor area ratio#

* * *

(4) Maximum #floor area# in #mixed use buildings#

The maximum total #floor area# in a #mixed use building# in #Special Mixed Use Districts# shall be the maximum #floor area# permitted for either the #commercial#, #manufacturing#, #community facility# or #residential# portion of such #building#, as set forth in this Section, whichever permits the greatest amount of #floor area#.

However, in the designated areas set forth in Section 23-922 (~~Certain R6, R7 and R8 Districts~~ Inclusionary Housing designated areas), except within Waterfront Access Plan Bk-1, the #floor area ratios# of Section 23-942 shall apply.

CITY PLANNING

■ NOTICE

PUBLIC NOTICE OF A SCOPING MEETING
DRAFT ENVIRONMENTAL IMPACT STATEMENT
(CEQR No. 05DCP020M)

Notice is hereby given that pursuant to Section 5-07 of the Rules of Procedure for Environmental Review (CEQR) and 6 NYCRR 617.8 (State Environmental Quality Review) the New York City Department of City Planning (DCP), acting on behalf of the City Planning Commission as CEQR lead agency, has determined that a draft environmental impact statement is to be prepared for the proposed Fordham University Lincoln Center Master Plan, CEQR Number 05DCP020M.

The applicant, Fordham University, proposes to expand its facilities at its Lincoln Center campus (the project site) located on the superblock bounded by Columbus and Amsterdam Avenues and West 60th and 62nd Streets (Block 1132; Lots 1, 20, and 35) in the Upper West Side neighborhood of Manhattan Community District 7. The project site has a total lot area of 302,048 square feet and is located within a C4-7 zoning district within the Special Lincoln Square District. The current zoning on the site would not change.

The proposed development requires the following discretionary approvals:

- Special permits from the City Planning Commission (CPC) pursuant to Zoning Resolution (ZR) Section 82-33 to waive height, setback, and minimum distance requirements (including minimum distance between buildings and minimum distance between windows and walls or lot lines), and inner and outer court regulations for the buildings proposed to be developed. The waivers are being requested to facilitate a good design for the entire campus and provide design flexibility for the specific buildings proposed to be developed.

- Special permits from the CPC pursuant to ZR Section 13-561 to allow the proposed number of accessory parking spaces on two sites. These special permits are needed because accessory parking is not permitted in the Special Lincoln Square District without a special permit. In connection with the special permit for accessory parking on one of the sites, the applicant is requesting an extension of the period normally allowed for the automatic lapse of the special permit for accessory parking to 10 years pursuant to ZR Section 11-42. This extension will ensure that the development of the proposed accessory parking could proceed in the event that the start of construction is delayed by completion of the City's Third Water Tunnel access shaft.

It is also possible that Fordham may in the future seek approval from the Dormitory Authority of the State of New York (DASNY) for the authorization of the issuance of tax-exempt bonds. In addition, certain elements of the proposed project are expected to be controlled by a restrictive declaration. The restrictive declaration would likely include, but not be limited to, provisions for a publicly accessible interim plaza and stairways into the campus from the streetline. Preliminary drawings for the stairways on Columbus Avenue and West 62nd Street would likely be included in the restrictive declaration and would be subject to Department of City Planning (DCP) review when these areas are designed.

The proposed actions would facilitate a proposal by the applicant to develop approximately 2.5 million gross square feet (gsf) of newly constructed floor area, and would bring the total floor area on the zoning lot to 3,171,128 gsf, including about 2.38 million zoning square feet (zsf) of academic and dormitory space, and about 701,073 zsf of new residential space (approximately 876 dwelling units) in two buildings on the northwest and southwest corners of the block to be built by a private developer. In addition, accessory parking of approximately 470 spaces would be provided in two below-grade parking garages. Entrances to most of the spaces would be on West 62nd Street, while the entrance for the parking associated with residential development at the southwest corner would be on West 61st Street (Alvin Ailey Place). Fordham would also create new loading areas accessed from West 61st Street and West 62nd Street and would retain its existing loading entrance on West 60th Street. The proposed project would be constructed in two phases. The first phase of construction is anticipated to be completed in 2014, and the second phase is anticipated to be completed by 2032.

The project site is currently developed with three buildings: the Law School building; the Lowenstein building, which is occupied by the Graduate Schools of Business Administration, Social Services and Education; and McMahon Hall, a dormitory for undergraduate and graduate students. These buildings are connected by an elevated, open plaza. The University's library, auditorium and additional academic and student support space are located in the area beneath the plaza.

The first phase of construction would create a new Law School, a new dormitory, and approximately 155 accessory parking spaces for the University's use. At the same time, private development of a new residential building with approximately 512 dwelling units and 68 accessory parking spaces would proceed at West 62nd Street and Amsterdam Avenue. The remainder of the first phase of construction would result in additional dormitory space, a student center, and the second private residential development containing approximately 364 dwelling units and 137 accessory parking spaces. Development of this part of the proposed project could be constructed in one of two configurations: as separate buildings for academic/dormitory and residential uses, or as a single building with residential uses "stacked" above academic/dormitory uses.

The second phase of development would create a new building for the Schools of Business, Social Services, and Education, an expansion of the library, a new theater, additional dormitory facilities, and an additional 110 accessory parking spaces for the University's use. The development of the second phase would require demolition of the existing Law School Building (159,921 gross square feet) as well as a proposed interim extension of the Lowenstein Center (2,613 gross square feet) on Columbus Avenue. As stated above, it is expected that full development of the proposed project would be completed by 2032.

Absent approval of the proposed action (no-action condition), Fordham plans to lease or otherwise convey the northwest and southwest corners of its site as well as a portion of the site in the midblock on West 62nd Street to private developers to build three new residential buildings. There would be the same amount of residential development with either the proposed action or the no action condition, but the height and configuration of the buildings in the no-action condition would be different than those under the proposed action, and there would be three residential buildings in the no action condition versus two with the proposed action. In addition, since accessory parking is not permitted in the Special Lincoln Square District without a special permit, the residential buildings would not have accessory parking in the no-action condition.

Public comments are requested with respect to the issues to be addressed in the draft environmental impact statement.

A public scoping meeting has been scheduled for Tuesday, July 24, 2007 at 10:00 AM at the City of New York Department of City Planning, Spector Hall, 22 Reade Street, New York, New York 10007. Written comments will be accepted by the lead agency through the tenth day following the scoping meeting.

Copies of the Draft Scope of Work and the Environmental Assessment Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, Room 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; the Office of Environmental Coordination, 253 Broadway, 14th Floor, New York, New York 10007, Robert Kulikowski, Ph.D., Director (212) 788-2937; and on the New York City Department of City Planning's website at www.nyc.gov/dcp

EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Jay G. Miller at 65 Court Street, Room 1201, Brooklyn, NY 11201. Responses should be received no later than 9:00 AM Thursday, June 28, 2007.

ITEM(S) FOR CONSIDERATION:

1. Spherion Technology Architects

Service(s): The Office of Student Enrollment requests an extension for Spherion Technology Architects to continue to provide maintenance of the High School Application Process System (HSAPS), installation of the system to additional high schools and implementation of necessary enhancements to the system beyond the June 30, 2007 expiration. DOE intends to initiate an attempt to procure these services competitively before the expiration of this extension term.

The term of this agreement will be from July 1, 2007 through June 30, 2008, at a total contract cost of $2,247,781.

TERM: 12/1/06-9/30/07 Contract Cost: $2,247,781

2. CES Industries, Inc.

Service(s): The Division of Contracts and Purchasing requests approval to award a contract CES Industries, Inc. to provide career and technical education (CTE) services and related products for selected high schools. CES has been selected via an open-competitive Pre-Qualified Solicitation (PQS), however, the contracts to be awarded via that PQS are not ready for formal award at this time. Further, the services to be received from CES are to be funded primarily by a grant that expires June 30, 2007. Therefore, a bridge contract that runs through the award pursuant to the PQS will ensure that DOE does not lose these grant funds.

The term stated in this exception is for one year, from July 1, 2007 to June 30, 2008, with a related contract cost not to exceed $400,000. However, it is expected that the award via the PQS will occur prior to the end of the term, thereby decreasing the actual cost incurred through this exception.

TERM: 7/1/07-6/30/10 Contract Cost/Not to exceed: $400,000

Two contracts:
Boys & Girls Republic
Good Shepherd

Service(s): The Division of Alternative High Schools and Programs, District 79, is requesting a scope of work amendment to contracts with Boys & Girls Republic and Good Shepherd. These vendors have been providing transitional services for ninth-graders through the New Beginnings program. However, District 79 has announced that the New Beginnings programs will be discontinued at the end of the current school year. New Beginnings and one-year suspension center programs are largely similar, as are the services and facilities requirements. This exception will enable these vendors to provide one-year suspension center services to the middle and high school students of District 79 in lieu of the previously contracted New Beginnings services.

The term of each agreement will be for one-year, from July 1, 2007 through June 30, 2008. It is anticipated that the total contract cost will be $350,000 per vendor, or $700,000.

TERM: 7/1/07-6/30/08 Contract Cost: $350,000 each
Total: $700,000

SUPREME COURT

■ NOTICE

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the CITY OF NEW YORK ("the City"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 12, 2007, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law: (a) authorizing the City to file an acquisition map, in connection with Phase 1, Stage 4 of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program, in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan; (b) directing that, upon the filing of the order and of such map, title to the real property sought to be acquired, and an estate for a term of years in one parcel, shall immediately vest in the City; (c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and (d) granting the City such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by the City is generally located between Tenth and Eleventh Avenues, and West 34th and West 36th Streets, in the Borough of Manhattan, City, County and State of New York, and includes:

(a) title in fee simple absolute to the entirety of Tax Block 706, Lots 15, 17, 48, 50 and 52, Tax Block 707, Lots 13, 16, 51, 54 and 56, and an unlotted strip of land between Lots 16 and 20, on Tax Block 707;

(b) title in fee simple absolute to an easterly portion of Tax Block 706, Lot 10; and

(c) an estate for a term of seven years in the remainder of Tax Block 706, Lot 10;

all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. Such properties are described in metes and bounds in Schedule A attached hereto.

The following interests are excluded from these acquisitions:

(a) All right, title and interest of the New York City Transit Authority in and to the following property, if and to the extent located within the property being acquired: (1) routes, tracks, tunnels, switches, sidings, extensions, connections, platforms, structures, or terminals; (2) wires, conduits, pipes, ducts, telephones, signal and other communication or service facilities; (3) columns, footings, bracings, foundations and other structural members; and (4) any other devices, equipment and facilities used in connection with the operation or maintenance of the subway system;

(b) Public and governmental utility facilities having a physical manifestation within the area being acquired; all recorded easements, licenses, and other agreements, if any, for such public and governmental utility facilities; and reasonable rights of access to such public and governmental utility facilities necessary for the maintenance, operation, repair, replacement or use of the same whether or not embodied in recorded instruments;

(c) So long as they stand, walls of buildings built on property not being acquired, which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map, and any cornices or lintels which encroach on property within the acquisition lines as such lines are shown on the Acquisition Map.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map, which shows the perimeters of the property to be acquired, is set forth below:

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year

option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 20th Floor, New York, NY 10038. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

TREE PLANTING – Request for Information – PIN# 846988852 – DUE 06-27-07 AT 4:00 P.M. – The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation. As part of that effort, the Department of Parks and Recreation ("Parks") is soliciting responses to a Request for Information ("RFI") from vendors interested in providing trees to the City. Pursuant to the City's PlanNYC, released in April 2007, the City is embarking on an extensive tree planting effort, with a commitment to plant one million trees, throughout the five boroughs, over the next ten years. This program involves increasing the current street stocking levels from 74 percent to 100 percent, as well as reforesting approximately 2,000 acres of parkland. Parks seeks to understand the capacity of vendors to meet this need.

Copies of the RFI can be obtained immediately at the Agency's website http://www.nyc.gov/parks, the City Record's website www.nyc.gov/cityrecord and at the Olmsted Center, Room 47, Flushing Meadows-Corona Park, Flushing, NY 11368 during the hours of 9:00 A.M. to 4:00 P.M., Monday - Friday from June 12, 2007 to June 26, 2007. Responses are due June 27, 2007.

Vendor should note that no contract for the provision of trees/tree planting services will be awarded from this RFI and that responding to this RFI will neither increase nor decrease any vendor's chance of being awarded a contract from a subsequent solicitation by the City for the requisite goods and/or services.

PRE-QUALIFIED LIST FOR BRIDGE DESIGN AND CONSTRUCTION SUPPORT SERVICES AND RESIDENT ENGINEERING INSPECTION SERVICES – The Department of Transportation invites engineering firms to be considered for inclusion on the agency's Pre-Qualified Lists for the following categories of service: (1) Bridge Design and Construction Support Services and/or (2) Bridge Resident Engineering Inspection (REI) Services. In order for a firm to be Pre-Qualified the firm must meet specific criteria requirements as stated on the Pre-Qualification Forms and SF254/255 Forms which can be obtained from the New York City Department of Transportation (NYCDOT). Information and applications to be included on such lists may be obtained from the NYCDOT Office of the Agency Chief Contracting Officer, and may be submitted at any time. Firms already on the Pre-Qualified Lists do not need to be re-certified for inclusion on the list(s) at this time.

For the two categories described above, three (3) lists (Large, Medium and Small) are established according to project size. No firm may be placed on more than two of the three lists for

the Bridge Design and Construction Support Services or the Bridge Resident Engineering Inspection Services category. Firms that are placed on these Pre-Qualified lists may be invited to receive RFPs (Request for Proposals) on selected Capital Bridge Projects without additional public notification. The Pre-qualification Lists are as follows:

SMALL BRIDGE DESIGN/REI: (for projects of less than $3 million construction cost)
MEDIUM BRIDGE DESIGN/REI: (for projects of $3 to $10 million construction cost)
LARGE BRIDGE DESIGN/REI: (for projects in excess of $10 million construction cost)

The proposed rules were not listed in the Department's most recent regulatory agenda.

Statement of Basis and Purpose

On December 29th, 2005, Mayor Bloomberg signed Local Law 113 for the year 2005. The law amended the Administrative Code of the City of New York in relation to the Noise Control Code. Specifically, the law established standards and procedures to reduce noise from construction, and established sound level standards and procedures for specific noise sources. The law also mandated, in section 24-223(e)(4) of the Administrative Code, the adoption of rules setting forth a list of construction activities with minimal noise impact and specific noise mitigation measures applicable to such activities. Pursuant to that section, these rules set forth such a list and prescribe the methods and procedures that shall be used whenever any one or more of the construction activities with minimal noise impact are employed or performed.

The rules are authorized by section 1043 of the Charter of the City of New York as well as section 24-223(e)(4) of the Administrative Code of the City of New York.

The text of the rules follow. New matter is underlined.

Title 15 of the Rules of the City of New York is amended by adding a new Chapter 30 to read as follows:

Chapter 30

Minimal Noise Impact Construction Activities

§ 30-101 Definitions
§ 30-102 Minimal Noise Impact Construction Activities
§ 30-103 Noise Complaint Procedure
§ 30-104 Undue Hardship

§ 30-101 Definitions

(a) "DEP" shall mean the New York City Department of Environmental Preservation.

(b) "Power Tools" shall mean all tools other than those powered solely by the person using them, including pneumatic tools.

(c) "Responsible Party" shall mean, with respect to any activity regulated or covered by this chapter, the owner of the premises on or where such activity occurs, and any agent of the owner engaged in such activity or any participant in such activity, including contractors and subcontractors. Any agency of the City of New York may also be a responsible party.

§ 30-102 Minimal Noise Impact Construction Activities

(a) Pursuant to §24-223(e) (4) of the New York City Administrative Code, the activities listed in this section shall constitute the list of construction activities with minimal noise impact and the mitigation measures applicable to such activities. The activities listed herein are not intended to impede or supersede the authority for Department of Buildings and Department of Transportation authorization that otherwise exists in the New York City Administrative Code.

(b) For the purpose of this chapter, the use of power tools within twenty-five feet of a legal residential unit within the building or abutting location is prohibited.

(c) The following interior construction activities within a structure before window placement are classified as creating a minimal noise impact:

1. Taping of dry wall without the use of power tools.
2. Paint application without power tools and without removal of existing material from the surface.
3. Caulking, without removal of existing material from the surface and without the use of power tools.
4. Interior plastering or spackling without removal of existing material from the surface.
5. Carpeting without the use of power tools.
6. Flash patching walls and floors without removal of existing material from the surface and without the use of power tools for the J3 occupancy group only.
7. Gluing interior moldings without the use of power tools.
8. Landscaping within the premise property line and without power tools and as further restricted pursuant to §24-242 of the New York City Administrative Code.
9. Interior cleanup without power tools and without removing attached surface and wall material.

(d) The following exterior construction activities are classified as creating a minimal noise impact before window placement:

1. Installation of roofing membrane without the use of power tools; and
2. Insulation of non-structural and non-demolition activities without the use of power tools.

(e) Interior activities within a structure, after window placement, in new vacant and existing vacant buildings, are classified as creating a minimal noise impact so long as the following conditions are met:

1. All windows and doors shall be tightly sealed; and
2. Any openings to the outdoors that allow the external emission of noise are prohibited; and
3. Such work entails only non-structural and non-demolition construction activities as those activities are defined by the Department of Buildings or the Department of Transportation, as applicable.

(f) Interior construction activities within a structure, after window placement, in non-vacant buildings, are classified as creating a minimal noise impact so long as the following conditions are met:

1. Windows and doors shall be tightly sealed and;
2. Any openings to the outdoors that allow the external emission of noise are prohibited; and
3. Such work entails only non-structural and non-demolition construction activities as those activities are defined by applicable authorizing agencies; and
4. Such activities take place where the floors directly below and above the floor are unoccupied; and
5. Notice has been given, to the maximum extent possible, to all residents regarding the time, place and nature of the construction activities.

(g) All work performed pursuant to this section where power tools are permitted can only be performed when the responsible party, acting in good faith, selects and uses the quietest tools reasonably available for such work

§ 30-103 Noise Complaint Procedure

If DEP receives noise complaints, determined to be valid after inspection, regarding any construction activities performed pursuant to this section, DEP, after consultation with the responsible party, can require said party to make modifications to the construction activities or seek from the responsible party certain noise mitigation methods, including but not limited to, changing of truck routes, providing mitigation barriers, using different devices, or other mitigation techniques that shall be employed at the site so that said activities can continue after hours. The failure to comply with the modifications required by DEP may result in DEP issuing noise-related violations pursuant to this chapter and/or requesting that any City permits be suspended, revoked or denied renewal. Responsible parties shall be on notice that section 24-223(d) of the New York City Administrative Code is not applicable to the activities listed in this chapter.

§ 30-104 Undue Hardship

After complying with the procedures outlined in §24-223(e)(5) of the New York City Administrative Code, responsible parties may seek authorization from the Department of Buildings or the Department of Transportation for after hours construction work.

STATUTORY AUTHORITY

This amendment to the Health Code is promulgated pursuant to §§558 and 1043 of the Charter. Section 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 grants the Department rule-making authority.

STATEMENT OF BASIS AND PURPOSE

The Department of Health and Mental Hygiene (DOHMH or Department), Division of Environmental Health, Bureau of Food Safety and Community Sanitation proposes that the Board of Health amend Article 131 of the New York City Health Code to delegate to the Department of Housing Preservation and Development (HPD) the authority to issue Commissioner's Orders to Abate a Nuisance (COTA) for missing or improperly installed window guards in public areas and units in multiple dwellings where a child under age eleven resides.

Since the adoption of New York City Health Code §131.15 ("Window guards") in 1976, window guards have been required on windows in multiple dwelling units and public areas in multiple dwellings in the City where children ten years of age and younger reside. This provision has had the effect of preventing many falls. From 1973-1976 there were approximately 200 preventable falls annually, and an average of 25 fatalities per year. In 1977, the first year after §131.15 went into effect, there were 151 preventable falls, resulting in the deaths of 26 children. In more recent years, e.g., from 1998-2007, there has been an average of eight preventable falls annually, with no more than two fatalities occurring in any year.[1] No preventable falls or fatalities have been reported to date for calendar year 2007.

The owners, lessees, agents or other persons who manage or control multiple dwellings must provide, install, and maintain a window guard approved by the Department on each window, and in public hallways, except that the law does not apply to windows giving access to fire escapes. Section 131.15(d) provides that failure to install or maintain window guards constitutes a public nuisance and a condition dangerous to life and health, as described in §17-145 of the New York City Administrative Code (Administrative Code). It further provides, in §131.15(d)(3) of the Health Code, that whenever a nuisance or condition, such as an improperly installed guard is observed, the Department may order the landlord to provide, maintain and/or install windows guards within five days. It further states that when such order is not complied with within five days after service, the Department may request that an agency of the City execute the order pursuant to §17-147 of the Administrative Code to install or repair the window guards, and that owner of the building is responsible for payment of any expenses incurred by the City. Currently, the City's Department of Housing Preservation and Development (HPD) executes such orders to abate when owners fail to do so.

As noted, the Department currently enforces Health Code §131.15, by issuing notices of violations (NOVs) and COTAs for missing or improperly installed window guards in units where a child under age eleven resides. HPD currently executes many of these COTAs by making the window guard repairs and installations. Although HPD has authority under Housing Maintenance Code (HMC) §27–2125 "to cause or order corrections of violations" in multiple dwellings if such violations are dangerous to human life and safety or detrimental to health, there is no specific provision within the HMC authorizing HPD to issue violations relating to absent or improperly installed window guards. At present, HPD has reported that it observes window guard problems (lack of window guards or improperly installed guards) in approximately 950 to 1,000 units per month when its inspectors are in a unit for inspection of other housing-related complaints. Enabling HPD to issue COTAs for window guard violations would enhance and expedite enforcement of Health Code window guard provisions so that a COTA may be issued by HPD directly upon observation of the window guard condition, thereby providing the owner with the earliest possible notice of the condition and an opportunity to correct before HPD does so. The safety of children residing in these apartments would be better protected if the Board of Health authorized HPD as well as the Department to issue the DOHMH COTA for window guards directly to the landlord so that window guard repair and installation occurs expeditiously.

Accordingly, the Department proposes that §131.15 of the New York City Health Code be amended by adopting a new subdivision (e) to authorize HPD to issue orders to abate window guard nuisances to landlords for the repair and installation of window guards.

The amendment is as follows:
Matter underlined is new
Matter to be deleted is indicated by [brackets].

RESOLVED, that §131.15 of Article 131 of the New York City Health Code, set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on the eleventh of September, nineteen hundred eighty-six, be, and the same hereby is, amended by adding a new subdivision (e) to be printed together with explanatory notes, to read as follows:
(e) Orders to install or repair window guards in multiple dwellings required by this section and any rules of the Department may be issued by the Commissioner, and by the City's Department of Housing Preservation and Development, or successor agency.

Notes: Subdivision (e) was added by resolution adopted on XXX to authorize the City's Department of Housing Preservation and Development to issue orders for window guard installation and repairs directly to persons obligated to install and maintain window guards where required.

[1] There were two fatalities from preventable falls in 1998, 2003 and 2004, and one in 2005.

NOTICE OF ADOPTION
TO AMEND ARTICLE 11 OF THE NEW YORK CITY HEALTH CODE

In compliance with §1043(b) of the New York City Charter (the "Charter") and pursuant to the authority granted to the Board of Health by §558 of said Charter, the Notice of Intention was published in the City Record on March 13, 2007. A public hearing was held on April 20, 2007. No one testified and the Department received no written comments. The Board of Health at its June 14, 2007 meeting adopted the following resolution.

STATUTORY AUTHORITY

This amendment to the New York City Health Code ("Health Code") is promulgated pursuant to Sections 556, 558 and 1043 of the New York City Charter ("Charter"). Section 556 of the Charter grants the New York City Department of Health and Mental Hygiene ("Department") jurisdiction to regulate matters affecting health in the City of New York. Specifically, Section 556(c)(2) of the Charter authorizes the Department to supervise the reporting and control of communicable and chronic diseases. Section 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 of the Charter grants rule-making powers to the Department.

STATEMENT OF BASIS AND PURPOSE

The New York City Department of Health and Mental Hygiene (Department) is amending Section 11.03 (a) of the New York City Health Code (Health Code) to remove "urethritis, non-gonococcal" (commonly referred to as "NGU") from the list of reportable diseases/conditions because there is no longer a public health value in having this reported to the Department.

NGU was made a reportable disease/condition with the intent that it serve as a surrogate measure of *Chlamydia trachomatis* infection in the male population. At the time NGU was made reportable, there were very limited diagnostic tests for *Chlamydia trachomatis*, and men were not routinely tested or screened for that infection. There are now highly sensitive and specific tests for *Chlamydia trachomatis* which may be performed on male urethral and urine specimens, and males are being tested and screened for this infection with increasing frequency, and reported to the Department. For this reason, reports of NGU are no longer likely to represent *Chlamydia trachomatis* infection, and in any event, monitoring reports of laboratory-confirmed *Chlamydia trachomatis* infection is the best means of measuring the burden of that disease in the population. Therefore, the Department hereby amends §11.03 of the Health Code by removing NGU from the list of reportable diseases/conditions.

The rule amendment is as follows:

Note - Matter in brackets [ ] is to be deleted.
Matter underlined is new.

RESOLVED, that subdivision (a) of Section 11.03 of Article 11 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on June 15, 2006, be and the same hereby is amended, to be printed together with explanatory notes, by deleting the entry for "Urethritis, non-gonococcal", as follows:

§11.03 . Diseases and conditions reportable.

(a) Cases and carriers affected with any of the following diseases and conditions, and persons who at the time of their death were apparently so affected, shall be reported to the Department:

***

Tularemia

Typhoid fever

[Urethritis, non-gonococcal]

Vaccinia disease, defined as:

(1) Persons with vaccinia infection due to contact transmission; and,

(2) Persons with the following complications from vaccination: eczema vaccinatum, erythema multiforme major or Stevens-Johnson syndrome, fetal vaccinia, generalized vaccinia, inadvertent inoculation, myocarditis or pericarditis, ocular vaccinia, post-vaccinial encephalitis or encephalomyelitis, progressive vaccinia, pyogenic infection of the vaccination site, and any other serious adverse events (i.e., those resulting in hospitalization, permanent disability, life-threatening illness or death).

***

Notes: The Department removed "urethritis, non-gonococcal" from the list of reportable diseases/conditions on June 14, 2007, because there is no longer a public health value in having this reported to the Department.

NOTICE OF ADOPTION
TO AMEND ARTICLE 175 OF THE NEW YORK CITY HEALTH CODE

In compliance with §1043(b) of the New York City Charter (the "Charter") and pursuant to the authority granted to the Board of Health by §558 of said Charter, the Notice of Intention was published in the City Record on March 13, 2007. A public hearing was held on April 20, 2007. No one testified and the Department received no written comments. The Board of Health at its June 14, 2007 meeting adopted the following resolution.

STATUTORY AUTHORITY

These amendments to the New York City Health Code ("Health Code") are being adopted pursuant to Sections 556, 558 and 1043 of the New York City Charter ("Charter") and applicable state and federal law. Section 556 of the Charter grants the New York City Department of Health and Mental Hygiene ("Department") jurisdiction to regulate matters affecting health in New York City (NYC). Specifically, Section 556 (c)(11) of the Charter authorizes the Department to regulate all aspects of ionizing radiation within the five boroughs of New York City. Sections 558 (b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 of the Charter grants rule-making powers to the Department. The New York State (NYS) Sanitary Code (10 NYCRR §16.1(b)(3)) delegates radiation licensure regulation to those localities that have a population of more than 2,000,000, provided that said requirements are consistent with NYS Sanitary Code requirements. Section 274 of the Federal Atomic Energy Act of 1954 (the Act) (codified at 42 USC §2021) authorizes "Agreement States" to regulate byproduct material, source material and special nuclear material in quantities not sufficient to form a critical mass. New York State is an "Agreement State" within the meaning of the Act, and the New York City Department of Health and Mental Hygiene is a component of and a party to the relevant Agreement.

STATEMENT OF BASIS AND PURPOSE

The Office of Radiological Health (ORH) licenses and inspects radioactive materials facilities for compliance with Article 175 of the New York City Health Code for the protection of the health and safety of patients, radiation program employees and the general public. There are about 375 licensed sites in New York City possessing radioactive material for medical, academic and research purposes. ORH inspects these facilities at frequencies of once every one, two or three years depending on the type of usage.

New York State is an "Agreement State", which means that the State and the United States Nuclear Regulatory Commission (NRC) have entered into an agreement under the Atomic Energy Act, which delegates authority to NYS to regulate radioactive material at non-reactor sites within its jurisdiction. The New York State Agreement is comprised of three regulatory programs - New York State Department of Health (DOH), New York State Department of Environmental Conservation (DEC), and the New York City Department of Health and Mental Hygiene (DOHMH). Formerly, the radiation protection division of the New York

State Department of Labor (DOL) was a fourth agency, which regulated commercial and industrial sources of radiation. This division of DOL has recently been subsumed under DOH. Under this Agreement State structure, the New York City Department of Health and Mental Hygiene, through ORH, regulates radioactive material for medical, academic and research purposes within the five boroughs of New York City.

Each Agreement State program (there are currently 33) is required to maintain compatibility with NRC regulatory program requirements. To ensure compatibility with applicable federal regulations on radioactive materials, the NYC Health Code must be amended.

CHANGES TO HEALTH CODE

In May 2006, the NRC reviewed portions of Article 175 submitted to it by ORH. This NRC review resulted in 8 (eight) comments, which were transmitted to DOHMH by letter dated June 12, 2006. Based on these NRC comments, the following eight amendments to Article 175 are being adopted to address NRC's compatibility concerns:

- **Radiation Protection Requirements: Amended Definitions and Criteria**
  1. Amend the §175.02(a) definition "Member of the Public".
  2. Amend the §175.02(a) definition "Occupational Dose".

- **Recognition of Agreement State Licenses in Areas Under Exclusive Federal Jurisdiction Within An Agreement State**
  3. Amend §175.101(m) to indicate that non-NRC licensees are to provide 3 days advance notice to NRC of activity in areas under exclusive federal jurisdiction within NYC.

- **Radiological Criteria for License Termination**
  4. Amend §175.02(a) definition "Background Radiation".
  5. Amend §175.02(a) by adding the definition "Critical Group".
  6. Amend §175.02(a) by adding the definition "Decommission".
  7. Amend §175.02(a) by adding the definition "Distinguishable from background".
  8. Amend §175.02(a) by adding the definition "Residual radioactivity".

1. Amend the §175.02(a) definition of "Member of the Public" to include the reference to 'occupational dose' as contained in the NRC's definition of 10 CFR §20.1003.

The definition of "Member of the Public", located at §175.02(a)(132), is being changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:

"Member of the public" means any individual, except [an] when that individual [who is performing assigned duties for the licensee or registrant involving exposure to sources of radiation] is receiving an occupational dose.

This amendment is to satisfy the following NRC Comment: "NYCDH needs to include the phrase "occupational dose" to 175.02(132) [sic] to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now identical to the NRC definition of "Member of the Public".

2. Amend the §175.02(a) definition of "Occupational Dose" to differentiate between licensed and unlicensed sources of radiation consistent with NRC's definition.

The definition of "Occupational Dose", located at §175.02(a)(141), is being changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:
"Occupational dose" means the dose received by an individual in the course of employment in which the individual's assigned duties involve exposure to [sources of] radiation[,] or to radioactive material from licensed and unlicensed sources of radiation, whether in the possession of the licensee, registrant, or other person. Occupational dose does not include doses received[:] from background radiation, from any medical administration the individual has received, from exposure to individuals administered radioactive material and released under §175.103(c)(9) [as a patient from medical practices], from voluntary participation in medical research programs, or as a member of the public.

This amendment is to satisfy the following NRC Comment: "NYCDH needs to revise the definition of "occupational dose" to include both licensed and unlicensed sources of radiation add the phrase to 175.02(141) [sic] to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now essentially identical to the NRC definition of "Occupational Dose".

3. Amendment of §175.101(m) concerns reciprocity approval by NRC. NRC is requiring three-day advance notice to it for approval prior to any initial activity by any Agreement State licensee/non-NRC licensee in areas under exclusive federal jurisdiction within NYC.

§175.101(m)(2) is being changed by inserting the underlined text as indicated below in italics:

The holder of a license issued by the New York State Department of Labor, the New York State Department of Health, the New York City Department of Health and Mental Hygiene or an Agreement State must obtain reciprocity approval from the U.S. Nuclear Regulatory Commission to conduct licensed activity in areas of exclusive federal jurisdiction within New York City. At least three days before engaging in each activity for the first time in a calendar year, the licensee will provide the U.S. Nuclear Regulatory Commission with advanced notice of its proposed activity in areas under exclusive federal jurisdiction within New York City, as indicated in 10 CFR § 150.20, or its successor regulation.

This amendment is to satisfy the following NRC Comment: "NYCDH needs to include a reference to advance notification in 175.101(m) to meet Compatibility Category C designation assigned to Section 10 CFR 150.20." The amended provision now captures the essential objectives of the NRC requirement.

4. Amend the §175.02(a) definition of "Background radiation" to include the phrase "or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under control of the licensee" compared to NRC's definition.

The definition of "Background radiation", located at §175.02(a)(20), is being changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:

"Background radiation" means radiation from cosmic sources; naturally occurring radioactive material[s], including radon[,] (except as a decay product of source or special nuclear material[,]); and [including] global fallout as it exists in the environment from the testing of nuclear explosive devices or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under the control of the licensee. "Background radiation" does not include radiation from any regulated sources of radiation.

This amendment is to satisfy the NRC Comment: "NYCDH needs to add the phrase "or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under control of the licensee" to 175.01(20) (sic) to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now essentially identical to the NRC definition of "Background radiation".

5. Amend §175.02(a) by adding the definition "Critical Group" from 10 CFR §20.1003. The definition "Critical Group" as shown in the underlined text below, is being inserted in §175.02(a) in alphanumeric order, and all subsequent subdivisions are being re-numbered accordingly.

"Critical Group" means the group of individuals reasonably expected to receive the greatest exposure to residual radioactivity for any applicable set of circumstances.

This amendment is to satisfy the following NRC Comment: "NYCDH omitted a definition for "critical group" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The definition is identical to the NRC definition of "Critical Group".

6. Amend §175.02(a) by adding the definition "Decommission" from 10 CFR §20.1003. The definition "Decommission" as shown in the underlined text below, is being inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions are being re-numbered accordingly.

"Decommission" means to remove a facility or site safely from service and reduce residual radioactivity to a level that permits -
(i) Release of the property for unrestricted use and termination of the license; or
(ii) Release of the property under restricted conditions and the termination of the license.
This amendment is to satisfy the following NRC Comment: "NYCDH omitted a definition for "decommission" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category designations assigned to these portions 10 CFR 20.1003, 30.4, 40.4 and 70.4." The definition is identical to the NRC definition of "Decommission".

7. Amend §175.02(a) by adding the definition "Distinguishable from background" from 10 CFR §20.1003. The definition "Distinguishable from background" as shown in the underlined text below, is being inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions are being re-numbered accordingly.

"Distinguishable from background" means that the detectable concentration of a radionuclide is statistically different from the background concentration of that radionuclide in the vicinity of the site or, in the case of structures, in similar materials using adequate measurement technology, survey, and statistical techniques.

This amendment is to satisfy the following NRC Comment: "NYCDH omitted a definition for "distinguishable from background" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The definition is identical to the NRC definition of "Distinguishable from background".

8. Amend §175.02(a) by adding the definition "Residual radioactivity" from 10 CFR §20.1003. The definition "Residual radioactivity" as shown in the underlined text below, is being inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions are being re-numbered accordingly.

"Residual radioactivity" means radioactivity in structures, materials, soils, groundwater, and other media at a site resulting from activities under the licensee's control. This includes radioactivity from all licensed and unlicensed sources used by the licensee, but excludes background radiation. It also includes radioactive materials remaining at the site as a result of routine or accidental releases of radioactive material at the site and previous burials at the site, even if those burials were made in accordance with the provisions of 10 CFR Part 20.

This amendment is to satisfy the following NRC Comment: "NYCDH omitted a definition for "residual radioactivity" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The definition is identical to the NRC definition of "Residual radioactivity".

The adopted rules are as follows:

Note - Matter in brackets [ ] is to be deleted.
Matter underlined is new.

RESOLVED, that subdivision (a) of Section 175.02 of Article 175 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on September 26, 2006, be and the same hereby is amended, to be printed together with explanatory notes, by adding new paragraphs (54), (58), (70) and (195), by renumbering all paragraphs following new paragraph (54), and by amending paragraph (20) and paragraphs (135) and (144) (as renumbered), to read as follows:

§175.02 Definitions

(a) As used in this Code, the following definitions shall apply:

***

(20) "Background radiation" means radiation from cosmic sources; naturally occurring radioactive material[s], including radon[,] (except as a decay product of source or special nuclear material[,]); and [including] global fallout as it exists in the environment from the testing of nuclear explosive devices or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under the control of the licensee. "Background radiation" does not include radiation from any regulated sources of radiation.

(54) "Critical Group" means the group of individuals reasonably expected to receive the greatest exposure to residual radioactivity for any applicable set of circumstances.

(58) "Decommission" means to remove a facility or site safely from service and reduce residual radioactivity to a level that permits –
(i) Release of the property for unrestricted use and termination of the license; or
(ii) Release of the property under restricted conditions and the termination of the license.

(70) "Distinguishable from background" means that the detectable concentration of a radionuclide is statistically different from the background concentration of that radionuclide in the vicinity of the site or, in the case of structures, in similar materials using adequate measurement technology, survey, and statistical techniques.

[(132)] (135) "Member of the public" means any individual, except [an] when that individual [who is performing assigned duties for the licensee or registrant involving exposure to sources of radiation] is receiving an occupational dose.

[(141)] (144) "Occupational dose" means the dose received by an individual in the course of employment in which the individual's assigned duties involve exposure to [sources of] radiation[,] or to radioactive material from licensed and unlicensed sources of radiation, whether in the possession of the licensee, registrant, or other person. Occupational dose does not include doses received [:] from background radiation, from any medical administration the individual has received, from exposure to individuals administered radioactive material and released under §175.103(c)(9) [as a patient from medical practices], from voluntary participation in medical research programs, or as a member of the public.

(195) "Residual radioactivity" means radioactivity in structures, materials, soils, groundwater, and other media at a site resulting from activities under the licensee's control. This includes radioactivity from all licensed and unlicensed sources used by the licensee, but excludes background radiation. It also includes radioactive materials remaining at the site as a result of routine or accidental releases of radioactive material at the site and previous burials at the site, even if those burials were made in accordance with the provisions of 10 CFR Part 20.

Notes: A number of definitions in §175.02(a) in Article 175 of the NYC Health Code were added and/or amended on June 14, 2007 in order to assure compatibility with applicable federal U.S. Nuclear Regulatory Commission regulations on radioactive materials and licenses.

RESOLVED, that paragraph (2) of subdivision (m) of Section 175.101 of Article 175 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on March 10th, 2005, be and the same hereby is amended, to be printed together with explanatory notes, to read as follows:

§175.101. General requirements for radioactive materials licenses

***

(2) The holder of a license issued by the New York State Department of Labor, the New York State Department of Health, the New York City Department of Health and Mental Hygiene or an Agreement State must obtain reciprocity approval from the U.S. Nuclear Regulatory Commission to conduct licensed activity in areas of exclusive federal jurisdiction within New York City. At least three days before engaging in each activity for the first time in a calendar year, the licensee will provide the U.S. Nuclear Regulatory Commission with advanced notice of its proposed activity in areas under exclusive federal jurisdiction within New York City.

***

Notes: §175.101(m) in Article 175 of the NYC Health Code was amended on June 14, 2007 to provide reciprocity approval by the U.S. Nuclear Regulatory Commission (NRC). NRC required that the Department amend the NYC Health Code to include a 3-day advance notice requirement to NRC for prior approval to any initial activity by any Agreement State licensee/non-NRC licensee in areas under exclusive federal jurisdiction within NYC, as per 10 CFR §150.20.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

NOTICE IS HEREBY GIVEN in accordance with section 1043(e) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules governing taxicab markings.

These rules are promulgated pursuant to sections 1043 and 2303(b)(11) of the Charter and section 19-503 of the Administrative Code of the City of New York.

These rules were published on May 9, 2007, for public comment in The City Record. On June 14, 2007, a public hearing on such proposed rules was held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006. At the public hearing these rules were voted on and passed. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days following the publication in The City Record.

New material is underlined.
[Material inside brackets indicates deleted material.]

Section 1. Subdivisions (a) and (b) of Section 1-35 of Chapter 1 of Title 35 of the Rules of the City of New York are amended to read as follows:

§1-35 Markings and Advertising.

(a) An owner of a taxicab shall [print legibly on both rear doors of such taxicab the words "NYC Taxi" and the medallion number of] apply taxicab markings approved by the Commission, specifically, two taxicab logo decals, two rate of fare decals, two medallion number decals and two checkerboard stripe decals, to such taxicab [except in the case of authorized stand-by vehicles which shall have "SBV" and the SBV number in lieu of the medallion number] at the locations described in section 1-36 of this chapter. An owner of a taxicab shall obtain the approved taxicab markings from a person or entity authorized by the Commission to print and distribute such decals. A depiction of the decals described herein and a list of persons authorized to print and distribute such decals shall be available on the Commission's website and/or through other means determined by the Commission and announced on its website. Authorized stand-by vehicles shall display SBV number decals in lieu of the medallion number decals.

(b) An owner shall not display by lettering, emblem, or advertising of any kind on the exterior of a taxicab, its windows or an exterior accessory, by means of paint, stencil, decal, sticker, or otherwise, unless authorized by the Commission, except;

(1) the [legal rate of fare] taxicab markings specified in subdivision (a) of this section;

(2) [the words "NYC Taxi" and the medallion number of the vehicle, except in the case of authorized stand-by vehicles which shall have "SBV " in lieu of the medallion number;

(3)] such inscriptions as are permitted or required by these rules or the Commission's Marking Specifications for Taxicabs; and

(4)] (3) such advertising that may be authorized by the Commission on the vehicle's rate card.

Such inscriptions and advertising shall be maintained in good condition.

Section 2. Subdivisions (a), (b), (e) and (f) of section 1-36 of Chapter 1 of Title 35 of the Rules of the City of New York are amended, and new subdivisions (n) and (o) are added, to read as follows:

Inscription	Location	Size
(a)Rate of fare [as set forth below] decals (required). ([Decal permitted; non-detachable] Non-detachable type only.) [Required inscription: TAXI FARE $2.50 Initial charge 40¢ Per 1/5 Mile 40¢ Per Minute, Stopped/Slow Traffic $1.00 Weekday Surcharge 4:00 P.M. – 8:00 P.M. 50¢ Night Surcharge 8:00 P.M. – 6:00 A.M.]	Both [front] rear doors [in approximate center of panel areas below windows (Use flat vertical surface only.)] centered left to right and located in the upper half of the flat surface between the bottom edge of the door and the door handle. The base line of the rate of fare and taxicab logo decals shall be parallel and the same distance to the bottom door edge.	[Dollar number 2" minimum. Cents numbers ½" minimum. Capital 1 letters ¾" minimum. Small letters ½" minimum. (Total area of rectangle not less than 130 square inches.)] The size of the approved rate of fare decals shall be determined by the Commission.
(b) ["NYC Taxi and license medallion number] Taxicab logo decals (required) ([Decal permitted; non-detachable] Non-detachable type only.)	Both front doors [not more than 6" below window unless greater distance is needed to reach a flat, reasonably vertical surface. Must be at least 4" from any other inscription] centered left to right and located in the upper half of the flat surface between the bottom edge of the door and the door handle. The base line of the rate of fare and taxicab logo decals shall be parallel and the same distance to the bottom door edge. [(Avoid placing name on an extreme curve; use flat, vertical surfaces only.)]	["NYC Taxi" in 2" high, ¼" thick letters; Medallion number in 3" high, ½" thick letters. Avoid overcrowding, use full width of door panel or two lines of lettering if necessary. (Bold block lettering only.)] The size of the taxicab logo decals shall be determined by the Commission.
. . . . (e) "Owner-Driver" (optional) (Detachable signs suspended from door frames are not permitted.)	. . . . . [On same doors as rate of fare, not more than 2" below window unless greater distance needed to reach a flat, vertical space. Must be at least 4" from rate of fare.] Rear of taxi.	. . . . . 3" maximum height [, occupying not over 2/3 of door.]
(f) EMBLEMS (Optional) (1) Fleet Owner (2) Owner Association (3) Taxicab Driver's Union insignia (4) Taxicab manufacturer	[On rear doors, in approximate center of panel area below window or on] On rear baggage compartment in lower right corner of deck lid. Consult the [Taxi] Commission if contour of lid requires another location on the lid.	2" high letters ¼" thick. Avoid overcrowding.
. . . . (n) Medallion number decals (required). (Non-detachable decals only.)	. . . . . Immediately before the checkerboard stripe decal so that the two decals appear to be one stripe. The decals shall be applied to both rear quarter panels, just below the rear windows or following the line created by the bottom edge of the windows, such that the number and checkerboard are aligned and appear to be one stripe. On some vehicles, such as minivans, the medallion number may be placed at the rear of the sliding door, but must still align with the checkerboard stripe.	. . . . . The size of the medallion number decals shall be determined by the Commission.
(o) Checkerboard stripe decals (required). (Non-detachable decals only.)	Immediately behind the medallion number decal so that the two decals appear to be one stripe. The decals shall be applied to both rear quarter panels, just below the rear windows or following the line created by the bottom edge of the windows, such that the number and checkerboard are aligned and appear to be one stripe. The tailing end of the checkerboard may be shortened, if necessary, on vehicles with short quarter panels.	The size of the checkerboard stripe decals shall be determined by the Commission.

Statement of Basis and Purpose

The rules promulgated herein enhance the visibility of medallion taxicabs, making them more identifiable to the riding public and making the exterior posted rates of fare and medallion number decals more easily visible to the passengers entering the taxicabs.

The rules promulgated herein require that taxicab logo decals be placed on the front doors of medallion taxicabs, rather than on the rear doors, and rate of fare decals be placed on the rear doors of taxicabs, rather than on the front doors, permitting the rate of fare to be observed by the passengers entering through rear doors. The rules promulgated herein also require that checkerboard stripe logo decals to be placed horizontally on the rear quarter panels of the vehicle, just below the window, increasing the visibility of medallion taxicabs. The medallion number decals shall be placed forward of and aligned with the checkerboard stripe decals so that the two decals appear to be one stripe.

The decals shall be of the non-detachable type only.

OFFFICE OF THE CRIMINAL JUSTICE COORDINATOR

■ NOTICE

The U.S. Department of Justice, Bureau of Justice Assistance (BJA), recently announced that $6,776,335.00 is available for New York City under the Justice Assistance Grant (JAG) program. Funds may be used for several purpose areas, including: law enforcement programs, prosecution and court programs, prevention and education programs, corrections, drug treatment, planning, evaluation, and technology improvement programs.

The Mayor's Office of the Criminal Justice Coordinator, in consultation with the New York City Office of Management and Budget, is in the process of preparing a distribution plan for JAG funds. The City is required to submit an application for funding to BJA by July 2, 2007. Individuals or organizations who wish to provide comment about the distribution of JAG funds in New York City, should send comments to:

Grants Coordinator
New York City Mayor's Office of the Criminal Justice Coordinator

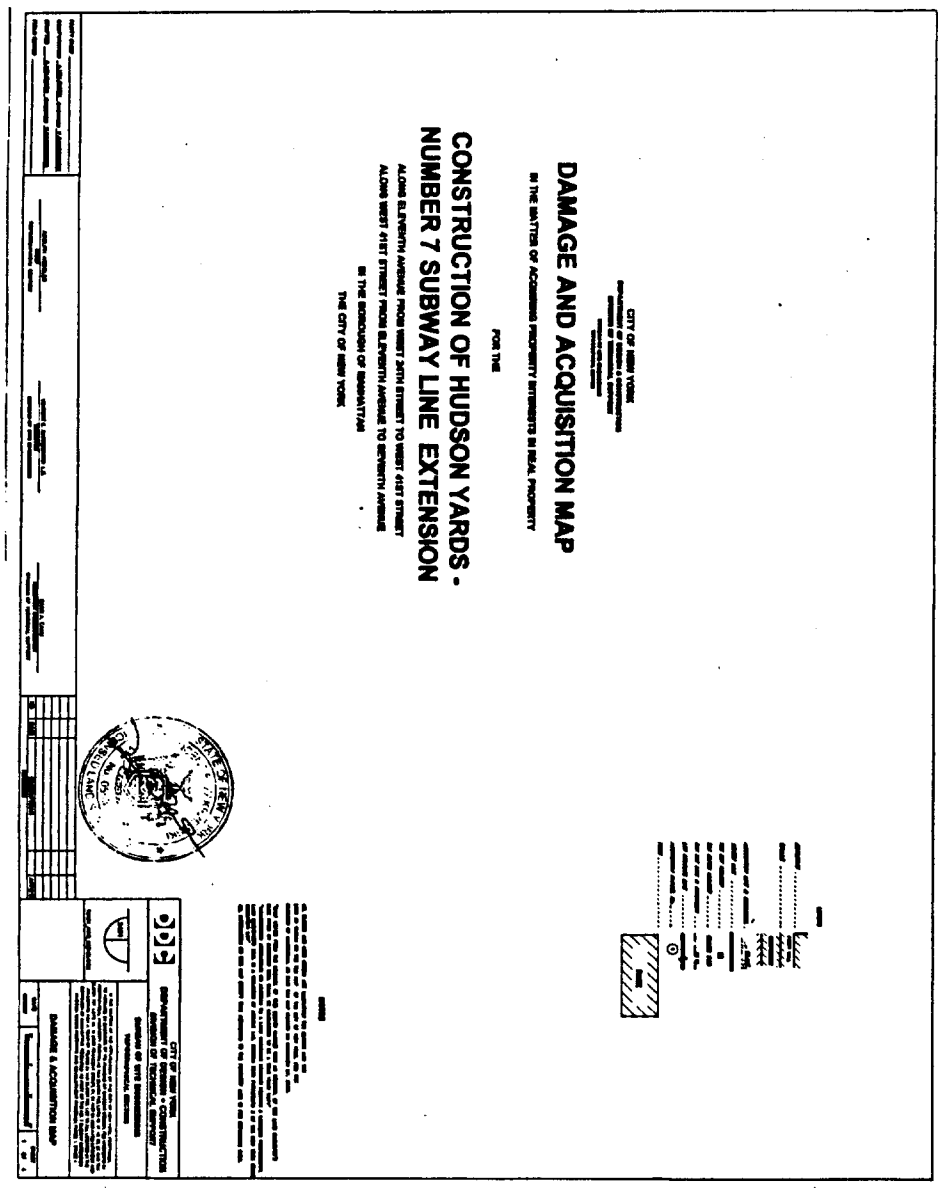
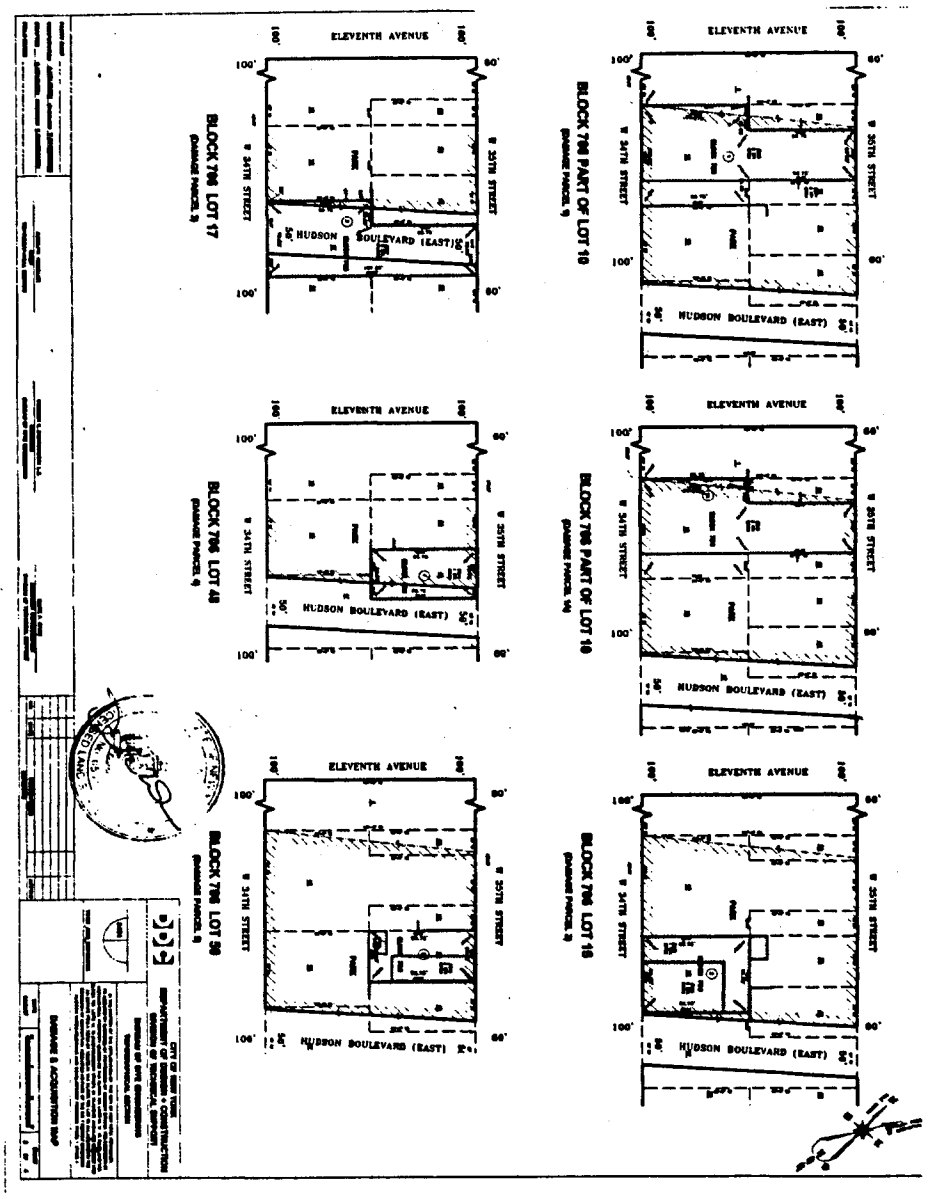
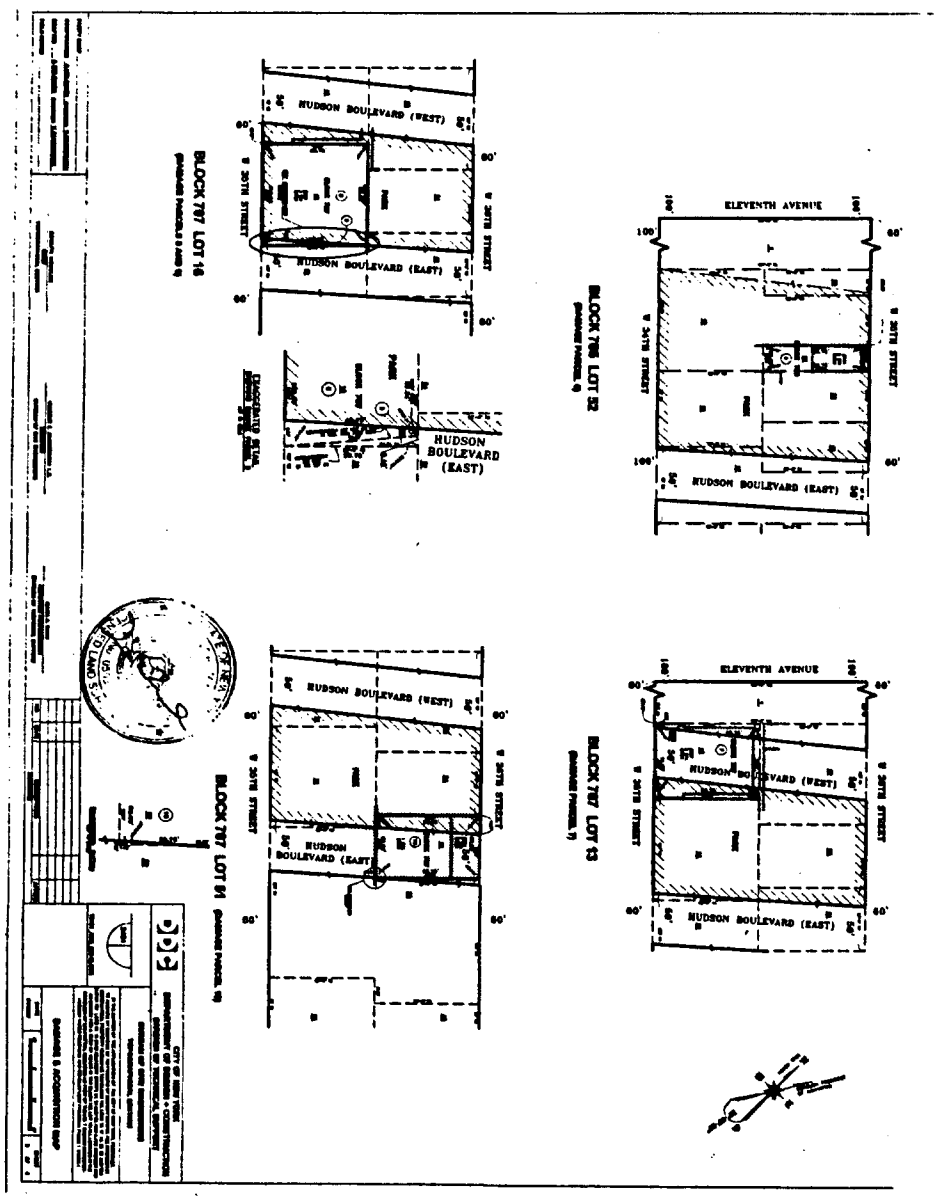
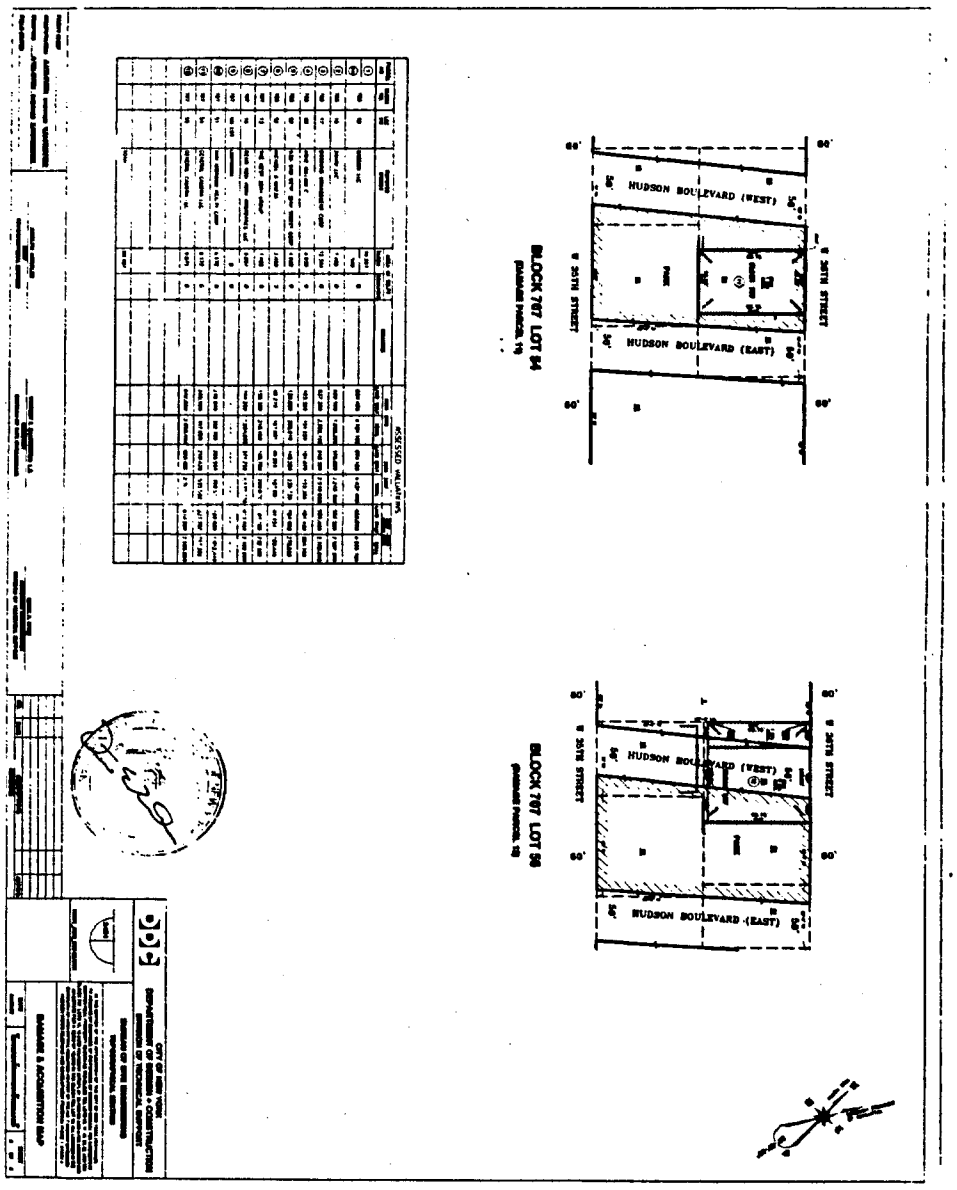
COURT NOTICE MAPS FOR PHASE 1, STAGE 4 OF THE NO. 7 SUBWAY EXTENSION - HUDSON YARDS REZONING AND DEVELOPMENT PROGRAM









READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Editor's Note: There is presently still one vacancy in the Council (40th Council District, Brooklyn) pending the certification of the results of a second Special Election to be held on April 24, 2007 in that district.

INVOCATION

The Invocation was delivered by Rabbi Kenneth A. Stern, Park Avenue Synagogue, 50 East 87th Street, New York, NY 10128.

Speaker Quinn, Members of the City Council, Ladies and Gentlemen: Thank you for this honor.

In the Jewish tradition: our meetings and assemblages-other than prayer services-usually begin--or end--with words of learning rather than a prayer. Prayer services and meals have prayers-all other gatherings a time to study to impart the transmission of a text, and based on that text, a message--a lesson to take to heart.

So permit me to share a message out of the Jewish tradition as you begin your tasks this afternoon.

In the Book of Deuteronomy there are five sets of laws that refer to the Elders of the City-your forerunners--before they were organized into city councils: and these elders had an official function in cases of

homicide and the cities of Refuge or asylum;

homicide when the identities of the victim and killer are unknown parents who had a rebellious child

a new spouse accusing his mate of unchastity and levirate marriage

Now I can imagine that most of you have no desire to be directly involved these matters---that's what law enforcement and social agencies are for

But when we examine the role of the city elders in these instances we become aware of the variety of functions the city elders performed: adjudication, serving as witnesses, acting in representative capacities, and performing ceremonial acts.

In all of these roles, the city elders' authority and duties are devoted to maintaining the moral integrity, and social and economic well being of their community-now that is not just a more appealing role; --it is also a noble and worthy role, and a vital one.

And set within its Deuteronomic context, we see that the welfare of the entire nation is tied to and dependent on the welfare of the local communities.

So may God bless you and the work at hand before you today-however mundane, however routine it may appear to be, always be mindful of the fact that these matters are the essential components-the very fiber and fabric upon which far loftier ideals, dreams and aspirations are dependent.

Vehi noam -- May the beauty of the lord our God be upon us and establish the work of our hands-may God firmly establish it.

Council Member Brewer moved to spread the Invocation in full upon the Record.

At this point, the Speaker (Council Member Quinn) asked for a Moment of Silence in memory of and in silent prayer for the following individuals:

The thirty-two students and faculty members killed and twenty others wounded in the morning of April 16, 2007 on the Virginia Tech university campus. The gunman was a 23 year old student who later took his own life. The perpetrator had easily obtained his two weapons in Virginia gunshops. According to news reports, this was the deadliest shooting in United States history. The victims who perished as a result of this horrible tragedy hailed from all over the world and excelled in their various fields of study and included several individuals from the areas surrounding New York City.

ADOPTION OF MINUTES

Council Member Vann moved that the Minutes of the Stated Council Meeting of March 28, 2007 be adopted as printed.

Communication from the Office of Management and Budget - Transfer City funds between various agencies in Fiscal Year 2007 to implement changes to the City's expense budget, pursuant to Section 107(b) of the New York City Charter. (MN-4)

April 19, 2007

TO THE CITY COUNCIL

Dear Council Members:

In accordance with Section 107(b) of the New York City Charter, I request your approval to transfer City funds between various agencies in fiscal year 2007 to implement changes to the City's expense budget.

This modification - MN 4 - will implement expense budget changes, which were reflected in the City's January Financial Plan modification, as amended to reflect changes resulting from discussions with the City Council.

Appendix A details the State, Federal and other funds impacted by these changes.

Your approval of modification - MN 4 - is respectfully requested.

Yours truly,

Mark Page

Preconsidered M-618

Communication from the Office of Management & Budget - Appropriation of new revenues of $1.82 billion in fiscal year 2007, pursuant to Section 107(e) of the New York City Charter. (MN-5)

April 19, 2007

TO THE CITY COUNCIL

Dear Council Members:

In accordance with Section 107(e) of the New York City Charter, I seek your approval to appropriate new revenues of $1.82 billion in fiscal year 2007. These revenues were reflected in the January Financial Plan modification.

The $1.82 billion of new revenues results from forecasted increases in tax revenues of $1.25 billion, miscellaneous revenues of $168.4 million and savings in prior payables of $400 million.

This modification – MN 5 – appropriates $1.1 billion to the Budget Stabilization Account in the City's Debt Service budget and provides for prepayments of $224.8 million to the Library Systems, $91.1 million to the Health and Hospitals Corporation, $207.8 million for Transit subsidy payments and $100.0 million for lease debt payments, and decreases the General Reserve in the Miscellaneous Budget by $171.9 million. In addition, this modification appropriates $226.5 million to the Department of Social Services for adjustments related to the timing of certain Medical Assistance payments to the Health and Hospitals Corporation.

Your approval of modification – MN 5 – is respectfully requested.

Yours truly,

Mark Page

(For text of the MN-5 numbers, please see the attachment to Resolution No. 828 printed in the Report of the Committee on Finance for M-618 & Res. No. 828 printed in these Minutes.)

Reports of the Committee on Consumer Affairs

Override Report for Int. No. 331-A

Report of the Committee on Consumer Affairs in favor of approving and adopting, notwithstanding the objection of the Mayor, a Local Law to amend the administrative code of the city of New York in relation to regulating and licensing pedicabs.

The Committee on Consumer Affairs to which was referred on May 10, 2006 (Minutes, page 1949) and originally adopted by the Council on February 28, 2007 (Minutes, page 297) the annexed amended proposed local law respectfully

REPORTS:

INTRODUCTION

On Friday, April 20, 2007, the Consumer Affairs Committee, chaired by Leroy Comrie, will consider whether to file and accept the mayor's veto message related to Introductory Bill Number 331-A ("Int. No. 331-A") and whether Int. No. 331-A should pass and be submitted for a vote to the full Council, the Mayor's veto message notwithstanding. Int. No. 331-A, in relation to pedicabs, would add a new subchapter nine to chapter two of title twenty of the administrative code of the City of New York.

UPDATE

At a February 28, 2007 hearing, the Committee on Consumer Affairs unanimously approved the proposed Int. No. 331-A by a vote of four in favor to zero opposed. In preparation for that hearing, the Mayor's Office conducted an assessment of the potential environmental impact of Proposed Intro 331-A and, after a thorough investigation, concluded that the bill's passage would have no negative environmental effects. Accordingly, at the same hearing, the Committee approved Preconsidered Resolution No. 713 ("Reso. No. 713"), adopting the City's findings that Int. No. 331-A would have no adverse impact on the environment and was consistent with the state environmental quality review act. Finally, Int. No. 331-A and Reso. No. 713 also on February 28, 2007 were sent to the full City Council and passed by a vote of thirty-eight in the affirmative, seven in the negative, and four abstentions, with one Member not voting.

On March 30, 2007, Mayor Bloomberg vetoed Int. No. 331-A; a copy of the Mayor's veto is attached.

(The following is from the text of the Fiscal Impact Statement for Int. No. 331-A:)

FISCAL IMPACT STATEMENT:

	Effective FY 07	FY Succeeding Effective FY 07	Full Fiscal Impact FY 08
Revenues (+)	$0	$0	$53,000
Expenditures (-)	$0	$0	$0
Net	$0	$0	$53,000

IMPACT ON REVENUES: According to the Office of Management and Budget, there will be minimal impact on revenues in Fiscal 2008 totaling approximately $53,000 for additional fees resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: There would be no impact on expenditures resulting from the enactment of this legislation.

§20-263 Penalties.

§20-264 Enforcement.

§20-265 Rules.

§20-266 Reporting.

§20-248 ***Legislative findings.*** *It is the purpose of this subchapter to regulate and control pedicab businesses to protect consumers and to ensure the safety of the public, including passengers and drivers operating pedicabs. It is also the purpose of this subchapter to minimize the effect of pedicabs on traffic and congestion by establishing a maximum number of pedicabs that can be authorized to operate in the city. It is the purpose of this subchapter to require the inspection of pedicabs to ensure that pedicabs are safely operated in the streets of the city, and to provide a process for their removal if they have not been inspected as required.*

§20-249 ***Definitions.*** *Whenever used in this subchapter:*

a. "Family member" shall mean a member of the immediate family, including, but not limited to, a spouse, domestic partner, sibling, child, grandchild, parent or grandparent.

b. "Owned" or "owns" shall mean possession with good legal title, or possession under a lease, reserve title contract, conditional sales agreement or vendor's agreement or similar agreement.

c. "Pedicab" shall mean a bicycle as defined in the vehicle and traffic law or other device that is designed and constructed to transport or carry passengers, that is solely propelled by human power, and that is operated to transport passengers for hire.

d. "Pedicab owner" or "owner" shall mean any person who owns one or more pedicabs in the city of New York.

e. "Pedicab business" or "business" shall mean a pedicab owner who operates or authorizes the operation of one or more pedicabs in the city of New York.

f. "Pedicab business license" shall mean a license issued by the commissioner pursuant to section 20-250.

g. "Pedicab driver" shall mean any natural person who propels and operates a pedicab in the city of New York.

h. "Pedicab driver license" shall mean a license issued by the commissioner to a pedicab driver to operate a pedicab.

i. "Person" shall mean any natural person, firm, partnership, joint venture, corporation or association.

§20-250 ***Pedicab business license.*** *a. It shall be unlawful for a pedicab owner to conduct a pedicab business unless such pedicab owner shall have first obtained from the commissioner a pedicab business license.*

b. In order to obtain, amend or renew a pedicab business license, a pedicab owner must provide the commissioner with the following:

1. A list of all pedicabs owned, leased or controlled by such pedicab owner for which such owner seeks registration pursuant to section 20-255. Each such pedicab shall be uniquely identified on such list;

2. Proof that there is in force for the full license term a policy of public liability and property damage insurance that meets the requirements of section 20-253 of this subchapter for each pedicab listed pursuant to paragraph one of this subdivision; and

3. Such other information as the commissioner may require to establish the pedicab owner's eligibility for a pedicab business license under this subchapter.

c. A pedicab business license shall be valid for a term of one year. There shall be an annual fee of one hundred and ten dollars for such license that shall include the fee for registration, required by section 20-255, of one pedicab. The registration fee for each additional pedicab shall be sixty dollars.

d. Notwithstanding subdivision a of this section, a person holding a pedicab driver license shall not be required to obtain a pedicab business license to drive a pedicab that is owned by a pedicab business licensed under this subchapter.

§20-251 ***Cap on pedicabs.*** *a. The commissioner shall not issue registration plates or replaceable registration tags or decals, pursuant to section 20-255, to more than three hundred and twenty-five pedicabs at any one time.*

b. The commissioner shall not issue registration plates or replaceable registration tags or decals to more than thirty pedicabs for any pedicab business at any one time. A pedicab business shall be deemed to have more than thirty pedicab registrations if:

(1) an owner of such pedicab business has a direct or indirect beneficial interest in one or more other pedicab businesses and the businesses together have more than thirty pedicab registrations;

(2) a family member of the owner of such business has a direct or indirect beneficial interest in one or more other pedicab businesses and the businesses together have more than thirty pedicab registrations;

(3) a person who has a direct or indirect beneficial interest in such pedicab business has a direct or indirect beneficial interest in one or more other pedicab businesses and the businesses together have more than thirty pedicab registrations; or

(4) a family member of a person who has a direct or indirect beneficial interest in such pedicab business has a direct or indirect beneficial interest in one or more other pedicab businesses and the businesses together have more than thirty pedicab registrations.

c. The commissioner may prescribe by rule the process by which the number of pedicabs that each pedicab business can register is determined, consistent with the caps specified in subdivisions a and b of this section, including but not limited to, the procedures for the initial application and issuance of pedicab business licenses. Such selection process may consider whether the applicant has, prior to the enactment of this subchapter, owned or operated a pedicab and give priority to applicants who can provide proof of such previous ownership or operation of a pedicab.

§20-252 ***Issuance of pedicab business license.*** *a. A pedicab business license shall be issued only to a person who meets all the requirements of this subchapter and any rules promulgated by the commissioner to effectuate the purposes of this subchapter.*

b. A pedicab business license shall be valid only for the person in whose name it is issued.

c. The commissioner may refuse to issue to a pedicab owner a pedicab business license or to renew a pedicab business license to a pedicab owner based upon a determination that such applicant has engaged in conduct that would constitute a basis for license suspension or revocation as set forth in subdivision a of section 20-261 of this subchapter.

d. A pedicab business license cannot be transferred or sold. The commissioner shall promulgate rules as to whether, and the extent to which, a pedicab business license remains valid after any change in the beneficial ownership of a pedicab business, including, without limitation, any such change resulting from a direct or indirect, voluntary or involuntary, sale or transfer of a beneficial ownership interest.

20-253 ***Insurance.*** *a. It shall be unlawful for any pedicab business to operate or authorize the operation of a pedicab within the city unless there is in force for such pedicab a policy of insurance that meets the requirements of this section.*

b. Such policy of liability insurance shall insure such pedicab business and all pedicab drivers of the pedicabs of such business, whether such pedicab drivers are employees of the pedicab business or operate such pedicabs otherwise by agreement with the pedicab business. Such insurance policy must provide, at minimum, the following protection:

1. The pedicab business carries a policy providing liability coverage for injury or death of any person or persons, and damage to or destruction of any property in a combined single limit amount of two million dollars, or such higher amount as the commissioner may determine pursuant to rule, with a maximum of one million dollars for each accident, where liability for such injury or death of a person or persons, or damage to or destruction of property shall arise out of the operation of the pedicab business's pedicabs; or

2. Each pedicab is insured in at least the following amounts, unless the commissioner establishes higher amounts pursuant to rule, where liability for such injury or death of a person or persons, or damage to or destruction of property shall arise out of the operation of the pedicab:

(i) for personal injury or death to one person, one hundred thousand dollars;

(ii) for personal injury or death to all persons in one accident, three hundred thousand dollars, with a maximum of one hundred thousand dollars for each person; and

(iii) for property damage, fifty thousand dollars.

c. Such policy of liability insurance shall name the city of New York as an insured party.

d. The pedicab business shall notify the commissioner of any modification, amendment, cancellation or substitution of any insurance policy required under

subdivision b of this section within fourteen days of the date of the notice to the pedicab business of such modification, amendment, cancellation or substitution.

e. If the policy of insurance required by this section lapses for any reason, the license issued pursuant to section 20-250 shall become void for such pedicab business.

§20-254 ***Required equipment of pedicabs.*** *a. Each pedicab operated in the city shall be equipped with the following features:*

1. three or more wheels;

2. a unibody frame for the entire vehicle;

3. seating for no more than three passengers;

4. hydraulic or mechanical disc or drum brakes, which are unaffected by rain or wet conditions;

5. a secondary or emergency brake system;

6. battery-operated headlights capable of projecting a beam of light for a distance of 300 feet;

7. battery-operated taillights which are visible from 500 feet;

8. turn lights;

9. passenger seat belts;

10. an audible signaling device;

11. reflectors on the spokes of the wheels of the pedicab;

12. a timer, of a type approved by the commissioner, affixed within clear view of passengers, if the rate charged is based on period of use;

13. a sign attached to the interior of the pedicab within view of passengers indicating the name and telephone number of the pedicab business, the pedicab's registration number and a telephone number that can be used to direct consumer complaints about such pedicab to the department; and

14. a sign conspicuously posted on the exterior of the pedicab indicating the amount to be charged for the use of the pedicab or the basis for calculating such amount.

b. The maximum width of a pedicab shall be fifty-five inches and the maximum length of a pedicab shall be ten feet.

c. It shall be unlawful for a pedicab business to operate or authorize the operation of, or for a pedicab driver to operate, a pedicab that does not comply with the requirements of this section.

§20-255 ***Inspection; pedicab registration plate.***

a. It shall be unlawful for a pedicab business to operate or authorize the operation of, or for a pedicab driver to operate, a pedicab unless:

1. it has been inspected by the department;

2. it has been issued a registration plate that indicates on such plate, or by a

replaceable registration tag or decal, the expiration date of the current registration; and

3. such registration is in effect.

b. The registration shall be valid for a period no longer than one year and the expiration date of such registration plate or replaceable registration tag or decal shall be a date specified by the commissioner by rule.

c. If the commissioner determines after such inspection that a pedicab is equipped with the features set forth in subdivision a of section 20-254, upon payment of the registration fee provided by section 20-250 of this subchapter, the department shall issue a registration plate or replaceable registration tag or decal to the pedicab business that leased or otherwise authorized the operation of such pedicab.

d. Such registration plate shall be securely affixed by the department to a conspicuous and indispensable part of each pedicab.

e. The registration plate may, in the discretion of the commissioner, be of a permanent nature with a replaceable registration tag or decal attached thereto, indicating the expiration date of the current registration tag or decal.

f. The registration plate and the replaceable registration tag or decal shall be of such material, form, design and dimension and set forth such distinguishing number or other identification marks as the commissioner shall prescribe.

g. A pedicab business shall pay an additional fifty-five dollars as the re-inspection fee for any pedicab that is determined upon inspection not to meet the requirements of this section and such business re-applies for a registration plate or replaceable registration tag or decal.

§20-256 ***Records.*** *Every pedicab business shall maintain such records related to the ownership and operation of its pedicabs as the commissioner may prescribe by rule. Such records shall be made available for inspection by the commissioner at his or her request at either the offices of the pedicab business or at the offices of the department.*

§20-257 ***Pedicab driver license.*** *a. It shall be unlawful for a pedicab driver to operate a pedicab unless the pedicab driver shall have first obtained a pedicab driver license from the commissioner.*

b. It shall be unlawful for a pedicab business to permit the operation of any pedicabs owned by it by a person who does not have a pedicab driver license and a motor vehicle driver's license in full force and effect.

c. In order to obtain or renew a pedicab driver license, a pedicab driver shall file an application with the commissioner for such pedicab driver license. Such application shall be made upon such form as prescribed by the commissioner and shall contain such information as the commissioner may require to establish the applicant's eligibility for a pedicab driver license under this subchapter.

d. To be eligible for a pedicab driver license, an applicant shall:

1. be at least eighteen years of age;

2. possess a currently valid motor vehicle driver's license;

3. not have his or her New York State motor vehicle driver's license suspended or revoked; and

4. meet such fitness requirements as the commissioner may determine by rule.

e. A pedicab driver license shall be valid for a term of one year. There shall be a fee of thirty-five dollars for such license. The commissioner shall establish the expiration date for such license by rule.

f. The commissioner may refuse to issue a pedicab driver license or to renew such a license based upon a determination that such pedicab driver has engaged in conduct which would constitute a basis for the suspension or revocation of a pedicab driver license as set forth in subdivision c of section 20-261 of this subchapter.

§20-258 ***Display of pedicab driver's identification.*** *a. The commissioner shall provide a photo identification card to each pedicab driver who has obtained a pedicab driver license. Such photo identification card shall include the license number of such pedicab driver license and the motor vehicle driver's license number of such pedicab driver, as well as the issuing state of such motor vehicle driver's license.*

b. The pedicab driver shall wear such photo identification card so that it is visible to passengers and enforcement officers when such pedicab driver is operating a pedicab. A copy of such photo identification card shall also be displayed inside any pedicab under the control of such driver in a manner clearly visible to the passengers of such pedicab.

§20-259 ***Restrictions on the operation of pedicabs.*** *a. A pedicab driver shall be subject to all provisions of state and local law governing the operation of a bicycle, which include, but are not limited to, provisions of the vehicle and traffic law, the New York city administrative code, and rules of the city of New York promulgated by the department of transportation and the department of parks and recreation.*

b. A pedicab driver shall not:

1. operate a pedicab to transport more than three passengers.

2. operate a pedicab in motion while a passenger is standing in such pedicab.

3. operate a pedicab on any bridge or in any tunnel or in any bicycle lane.

4. permit a pedicab to be operated simultaneously by anyone in addition to him or herself.

5. operate a pedicab that is designed or constructed to permit propulsion by more than one individual at any one time.

6. operate a pedicab while such pedicab driver's ability to operate such pedicab is impaired by the consumption of alcohol, the use of any drug or by any other means or while such pedicab driver is in an intoxicated condition. A pedicab driver operating a pedicab which has been involved in an accident or has been operated in violation of subdivision a of this section shall be deemed to have given consent to a breath test and shall, at the request of a police officer, submit to a breath test to be administered by the police officer. Failure to submit to such breath test shall serve as the basis for an immediate suspension of the pedicab driver's license, subject to a prompt post-suspension hearing.

7. operate a pedicab without a currently valid motor vehicle driver's license or while such pedicab driver's New York State motor vehicle driver's license is suspended or revoked.

c. Pedicabs can be operated within any public park or any property under the charge or control of the department of parks and recreation pursuant to the rules of the department of parks and recreation and in accordance with the rules of the department of transportation.

d. A pedicab business shall submit to the department, upon such form prescribed by the commissioner, a written report of every accident relating to a pedicab by such pedicab business within twenty-four hours after the occurrence of such accident. Such form shall be signed by a principal or officer of such pedicab business as well as by the pedicab driver involved in such accident with an affirmation of the truth of the contents of the form.

e. If there are exigent circumstances and a police officer or other authorized officer or employee of any city agency directs a pedicab driver to move his or her pedicab from any street, avenue or other location, such pedicab driver shall not operate his or her pedicab at such street, avenue or location for the duration of such exigent circumstances.

1. For the purposes of this subdivision, exigent circumstances shall include, but not be limited to, unusually heavy pedestrian or vehicular traffic, existence of any obstructions in the public space, an accident, fire or other emergency, a parade, demonstration or other such event at or near such location.

f. If there are exceptional circumstances, the police commissioner, in consultation with the commissioners of the departments of consumer affairs and transportation, shall be authorized, upon notice, to restrict or prohibit any pedicab driver from operating his or her pedicab on any street, avenue or other location for a specified period of time. Such specified period of time shall not exceed fourteen days except, during the period that commences November 12 and concludes January 7 of the following year, in and around the area of Manhattan bound on the north by Fifty-ninth Street, on the south by Thirty-ninth Street, on the east by Lexington Avenue and on the west by Eighth Avenue, the fourteen day time limit shall not be in effect.

1. For the purposes of this subdivision, exceptional circumstances shall include, but not be limited to, unusually heavy pedestrian or vehicular traffic, existence of any obstructions in the public space, a parade, demonstration or other such event or occurrence at or near such location.

g. Every affected community board may, at any time subsequent to enactment of this local law, conduct public hearings hereon and submit written recommendations to the department of consumer affairs, the department of transportation, the police department and the council. Such recommendations may include, but not be limited to, methods to address any impact this law may have on such community with respect to pedestrian and vehicle traffic flow.

§20-260 ***Rates of pedicabs.*** *a. The basis for calculating the amount of the charge for the use of a pedicab shall be displayed on the pedicab at all times.*

b. It shall be unlawful for a pedicab driver to charge a passenger more than the amount or rate displayed on the pedicab.

c. The pedicab driver shall provide passengers with a receipt listing the amount of the charge for the use of the pedicab, the license number of the pedicab business and a telephone number of such business to which complaints by consumers shall be directed, the pedicab driver's license number and the telephone number at the department where complaints by consumers can be reported.

§20-261 ***Denial of license or renewal, suspension and revocation.***

a. In addition to any of the powers that may be exercised by the commissioner pursuant to this subchapter or chapter one of this title, the commissioner, after due notice and an opportunity to be heard, may suspend or revoke a pedicab business license upon the occurrence of any one or more of the following conditions:

1. the occurrence of fraud, misrepresentation, or false statements contained in the application for such license;

2. the operation of a pedicab, owned by the pedicab business, by a pedicab driver who does not have in full force and effect a pedicab driver license and a motor vehicle driver's license;

3. the operation of a pedicab, owned by the pedicab business, that has not been inspected or that does not have affixed to it a registration plate or replaceable registration tag or decal as required by section 20-255 of this subchapter; or

4. violation by a pedicab business of any of the provisions of chapter one of this title, provisions of this subchapter, rules promulgated pursuant to this subchapter, or any other law applicable to the operation of a pedicab business.

b. Notwithstanding subdivision a of this section, upon the occurrence of any of the conditions set forth in subdivision a, if the commissioner determines that continued possession by a pedicab owner of a pedicab business license would pose an exigent danger to the public, the commissioner may suspend such pedicab business license, subject to a prompt post-suspension hearing.

c. In addition to any of the powers that may be exercised by the commissioner pursuant to this subchapter or chapter one of this title, the commissioner, after due notice and an opportunity to be heard, may suspend or revoke a pedicab driver license upon the occurrence of any one or more of the following conditions:

1. the occurrence of fraud, misrepresentation, or false statements contained in the application for such license;

2. the operation of a pedicab that has not been inspected or that does not have affixed to it a registration plate or replaceable registration tag or decal as required by section 20-255 of this subchapter; or

3. the violation by a pedicab driver of any of the provisions of chapter one of this title, provisions of this subchapter, rules promulgated pursuant to this subchapter, or of any other law applicable to the operation of a pedicab by such pedicab driver.

d. Notwithstanding subdivision c of this section, upon the occurrence of any of the provisions set forth in subdivision c of this section, if the commissioner determines that continued possession by a pedicab driver of a pedicab driver license would pose an exigent danger to the public, the commissioner may suspend such pedicab driver license, subject to a prompt post-suspension hearing.

e. Any pedicab business that has been found, or pedicab driver who has been found, to have committed at least three violations of this subchapter within any twelve-month period shall have its, his or her license suspended by the commissioner for a period of not less than three months. For purposes of this subdivision only, all violations committed on any one day shall constitute a single violation.

f. Notwithstanding the provisions of subdivision e of this section, any pedicab business that has been found, or pedicab driver who has been found, to have committed at least five violations of this subchapter within any twelve month period shall have its, his or her license revoked by the commissioner. For purposes of this subdivision only, all violations committed on any one day shall constitute a single violation.

g. A pedicab business that, or pedicab driver who, has had its, his or her license revoked, in accordance with this section may not apply for a new license for three years from the date of revocation.

§20-262 ***Failure to display pedicab registration or pedicab driver's license.*** *a. In any civil, criminal or administrative action or proceeding, the failure to*

display the registration tag or decal on the pedicab on which it is required to be displayed as provided in section 20-255 of this subchapter shall be presumptive evidence that such pedicab has not been inspected and is not duly registered as required by this subchapter.

b. In any civil, criminal or administrative action or proceeding, the failure by a pedicab driver who is required to be licensed pursuant to the provisions of this subchapter to display or to exhibit on demand such pedicab driver's license in accordance with the provisions of this subchapter to any officer or employee authorized to enforce the provisions of this subchapter, shall be presumptive evidence that such pedicab driver is not duly licensed.

§20-263 ***Penalties.*** *a. It is a traffic infraction to violate any provision of this subchapter and such traffic infractions shall be punishable in accordance with section eighteen hundred of the New York state vehicle and traffic law.*

b. Any person who violates any provision of this subchapter or any rules promulgated pursuant to this subchapter shall be subject to a civil penalty that shall not be: (1) less than two hundred nor more than five hundred dollars for the first violation and for each additional violation committed on the same day; (2) less than five hundred nor more than one thousand dollars for the second violation committed, and each additional violation committed on the same day, within a one year period; (3) less than one thousand nor more than four thousand dollars for the third violation committed, and each additional violation committed on the same day, within a one year period. The pedicab business that authorizes the operation of such pedicab shall be jointly and severally liable with the pedicab driver thereof, for the penalties imposed by this section.

c. A violation of section 20-250 or 20-257 or paragraph 6 of subdivision b of section 20-259 of this subchapter or any rules promulgated thereunder shall constitute a violation punishable by a fine of not more than five hundred dollars or imprisonment of up to fifteen days, or by both such fine and imprisonment.

d. Any police or peace officer or authorized officer or employee of the department, upon service on the pedicab business or pedicab driver of a notice of violation for the failure of the pedicab business to obtain the required inspection of a pedicab pursuant to subdivision a of section 20-255 or for the failure of a pedicab driver to be licensed pursuant to section 20-257, may seize such pedicab. Any pedicab seized pursuant to this subdivision shall be delivered into the custody of the department or other appropriate agency. The commissioner shall hold a hearing to adjudicate the violation of subdivision a of section 20-255 or section 20-257 within two business days after the date of the seizure and shall render his or her determination within two business days after the conclusion of the hearing.

e. A pedicab business shall be eligible to obtain release of a pedicab seized pursuant to subdivision d of this section prior to the hearing provided for in such subdivision, if such business has not been found liable for a violation of subdivision a of section 20-255 or section 20-257 within a five-year period prior to the violation resulting in seizure. The pedicab shall be released to such business upon the posting of an all cash bond in a form satisfactory to the commissioner in an amount sufficient to cover the maximum civil penalties which may be imposed for a violation of subdivision a of section 20-255 or section 20-257 and all reasonable costs for removal and storage of such vehicle.

f. Where the commissioner, after adjudication of the violation of subdivision a of section 20-255 or section 20-257, finds that the pedicab business has not violated such subdivision, the department shall promptly release such pedicab upon written demand of the pedicab business.

g. Where the commissioner, after adjudication of the violation of subdivision a of section 20-255 or section 20-257, finds a violation of such subdivision or such section, then (i) if the pedicab is not subject to forfeiture pursuant to paragraph one of subdivision i of this section, the department shall release such pedicab to the pedicab business upon payment of all applicable civil penalties and all reasonable costs of removal and storage; or (ii) if the pedicab is subject to forfeiture pursuant to paragraph one of subdivision i of this section, the department may release such pedicab to the pedicab business upon payment of all civil penalties and all reasonable costs of removal and storage, or may commence a forfeiture action within ten days after the written demand by such business for such pedicab.

h. The department shall establish by rule the time within which pedicabs that are not redeemed may be deemed abandoned and the procedures for disposal.

i. 1. In addition to any other penalty or sanction provided for in section 20-261 or in this section, a pedicab seized pursuant to subdivision d of this section, and all rights, title and interest therein shall be subject to forfeiture to the city upon notice and judicial determination thereof if the pedicab business that owns such pedicab has been found liable at least two times within a five-year period for failing to have such pedicab inspected as required by subdivision a of section 20-255 or for permitting operation by an unlicensed pedicab driver in violation of section 20-257.

2. A forfeiture action pursuant to this subdivision shall be commenced by the filing of a summons with a notice or a summons and complaint in accordance with the civil practice law and rules. Such summons with notice or a summons and complaint shall be served in accordance with the civil practice law and rules on the pedicab business that owns such pedicab, and on any person listed on an application or other record of the department as an owner of such pedicab. A pedicab which is the subject of such action shall remain in the custody of the department or other appropriate agency pending the final determination of the forfeiture action.

3. Any person who receives notice of the institution of a forfeiture action who claims an interest in the pedicab subject to forfeiture may assert a claim in such action for the recovery of the pedicab or satisfaction of such owner's interest in such pedicab.

4. Forfeiture pursuant to this subdivision shall be made subject to the interest of a person who claims an interest in such pedicab pursuant to subdivision three of this subdivision, where such person establishes that: (i) such pedicab was operated without having been inspected as required by subdivision a of section 20-255 or operated in violation of section 20-257 without the knowledge of such person, or if such person had knowledge of such operation, that such person did not consent to such operation by doing all that could reasonably have been done to prevent such operation, or (ii) that the operation of such pedicab without having been inspected as required by subdivision a of section 20-255 or operated in violation of section 20-257 was conducted by any person other than such person claiming an interest in the pedicab, while such pedicab was unlawfully in the possession of a person who

acquired possession thereof in violation of the criminal laws of the United States or any state.

5. The department or agency having custody of the pedicab, after judicial determination of forfeiture, shall, by public notice of at least five days, sell such forfeited pedicab at public sale. The net proceeds of any such sale shall be paid into the general fund of the city.

6. In any forfeiture action commenced pursuant to this subdivision, where the court awards a sum of money to one or more persons in satisfaction of such person's interest in the forfeited pedicab, the total amount awarded to satisfy such interest or interests shall not exceed the amount of the net proceeds of the sale of the forfeited vehicle after deduction of the lawful expenses incurred by the city, including reasonable costs of removal and storage of the pedicab between the time of the seizure and the date of sale.

j. The penalties provided by subdivisions a, b, c, d and i of this section shall be in addition to any other penalty imposed by any other provision of law or rule promulgated thereunder.

§20-264 ***Enforcement.*** *Authorized officers and employees of the department, the police department and any department designated by the commissioner, and any police or peace officer shall have the power to enforce any provision of this subchapter or any rule or regulation promulgated pursuant to this subchapter.*

§20-265 ***Rules.*** *a. The commissioner may make and promulgate such rules and prescribe such forms as are necessary to carry out the provisions of this subchapter. The commissioners of the department of transportation and the department of parks and recreation may also make and promulgate such rules as are necessary to carry out the provisions of this subchapter.*

b. The commissioner may authorize pedicabs to display advertising to the extent permitted by rules promulgated pursuant to this section.

§20-266 ***Reporting.*** *Eighteen months after the local law that added this section, the commissioner, in consultation with the commissioners of the departments of transportation and the police department, shall submit a report to the mayor and the speaker of the council regarding the effectiveness of these regulations at ensuring the safety of pedicab consumers and minimizing the effects of pedicabs on traffic and congestion. Such report shall include, among other things, the number of pedicab business licenses issued, the number of pedicabs that have registered, the number of pedicab driver licenses issued, the number of pedicab business and pedicab driver applications received by the department, the number of pedicab business and pedicab driver applicants on a waiting list, if any, and the number of traffic accidents involving pedicabs.*

§2. Subdivision b of section 20-452, as amended by local law 14 for the year 1995, is amended to read as follows:

b. "General vendor." A person who hawks, peddles, sells, leases or offers to sell or lease, at retail, goods or services, including newspapers, periodicals, books, pamphlets or other similar written matter in a public space. This definition shall not include a food vendor as defined in subdivision c of section 17-306 of chapter three of title seventeen of this code, or a person required to be licensed under section 20-229 of subchapter seven of chapter two of this title of this code. This definition also shall not include persons who use stands or booths in a public space for the shining of shoes. *This definition shall not include a pedicab driver licensed in accordance with subchapter nine of this chapter, who is operating a pedicab registered pursuant to subchapter nine and shall not include a pedicab owner licensed pursuant to such subchapter.*

§3. Title 19 of the administrative code of the city of New York is amended by adding a new section 19-171.1 to read as follows:

§19-171.1. Multi-passenger wheeled device and motorized pedicab prohibited.

a. Definitions. For purposes of this section:

1. "Motorized pedicab" shall mean a wheeled device that is designed and constructed to transport or carry passengers, that is propelled in whole or in part by other than human power, and that is operated to transport passengers for hire.

2. "Multi-passenger wheeled device" shall mean a wheeled device with three or more wheels that is designed and constructed to permit seating by more than two people, that is propelled by human power, and that is designed to permit propulsion by more than two individuals simultaneously.

3. "Owner" shall mean any person who possesses with good legal title, or possesses under a lease, reserve title contract, conditional sales agreement or vendor's agreement or similar agreement one or more motorized pedicabs or multi-passenger wheeled devices in the city of New York.

4. "Tandem bicycle" shall mean a wheeled device that is constructed so that its wheels are aligned in a straight line, one behind the other, permitting operation by two or more people.

b. It shall be unlawful to operate, or cause to be operated, any motorized pedicab or multi-passenger wheeled device, other than a tandem bicycle, on any street, sidewalk, highway, bridge, tunnel or park within New York City.

c. Any person who violates subdivision b of this section may be issued a notice of violation and shall be subject to a civil penalty that shall not be: (1) less than two hundred nor more than five hundred dollars for the first violation; (2) less than five hundred nor more than one thousand dollars for the second violation committed within a one year period; (3) less than one thousand nor more than four thousand dollars for the third violation committed within a one year period. Such penalty may be recovered in a proceeding before the environmental control board.

d. A person who violates subdivision b of this section shall be guilty of a misdemeanor, punishable by a fine of not more than two hundred fifty dollars or imprisonment of up to sixteen days, or by both such fine and imprisonment.

e. Where a police or peace officer or an authorized employee of a department designated by the commissioner serves a summons or notice of violation for violation of this section on a person operating a multi-passenger wheeled device or motorized pedicab, such multi-passenger wheeled device or motorized pedicab may be seized. Any device seized pursuant to this subdivision shall be delivered into the custody of the police department. The environmental control board shall hold a hearing to adjudicate the violation of subdivision b of this section on an expedited schedule and shall render its determination accordingly.

f. The owner of a multi-passenger wheeled device or motorized pedicab seized pursuant to subdivision e of this section shall be eligible to obtain release of such device prior to the hearing provided for in such subdivision, if such owner has not been found liable for a violation of subdivision b of this section within a five year period prior to the violation resulting in seizure. The multi-passenger wheeled device or motorized pedicab shall be released to such owner upon the posting of an all cash bond in a form satisfactory to the commissioner in an amount satisfactory to cover the maximum civil penalties which may be imposed for a violation of subdivision b of this section and all reasonable costs for removal and storage of such device.

g. Where the environmental control board finds that there was no violation of subdivision b of this section, the owner shall be entitled forthwith to possession of the multi-passenger wheeled device or motorized pedicab without charge or to the extent that any amount has been previously paid for release of the device, such amount shall be refunded.

h. Where the board, after adjudication of the violation of subdivision b of this section, finds a violation of such subdivision, then (i) if the multi-passenger wheeled device or motorized pedicab is not subject to forfeiture pursuant to paragraph one of subdivision j, the police department shall release such device to its owner upon payment of all applicable civil penalties and all reasonable costs of removal and storage; or (ii) if the multi-passenger wheeled device or motorized pedicab is subject to forfeiture pursuant to paragraph one of subdivision j of this section, the police department may release such device to its owner upon payment of all civil penalties and all reasonable costs of removal and storage, or may commence a forfeiture action within ten days after the written demand by such owner for such device.

i. The department shall establish by rule the time within which multi-passenger wheeled devices or motorized pedicabs that are not redeemed may be deemed abandoned and the procedures for disposal.

j. 1. In addition to any other penalty or sanction provided for in this section, a multi-passenger wheeled device or motorized pedicab seized pursuant to subdivision e of this section, and all rights, title and interest therein shall be subject to forfeiture to the city upon notice and judicial determination thereof if the owner of such multi-passenger wheeled device or motorized pedicab has been found liable at least two times within a five-year period for violation of subdivision b of this section.

2. A forfeiture action pursuant to this subdivision shall be commenced by the filing of a summons with a notice or a summons and complaint in accordance with the civil practice law and rules. Such summons with notice or a summons and complaint shall be served in accordance with the civil practice law and rules on the owner of such multi-passenger wheeled device or motorized pedicab. A multi-passenger wheeled device or motorized pedicab which is the subject of such action shall remain in the custody of the police department or other appropriate agency pending the final determination of the forfeiture action.

3. Any person who receives notice of the institution of a forfeiture action who claims an interest in the multi-passenger wheeled device or motorized pedicab subject to forfeiture may assert a claim in such action for the recovery of such device or satisfaction of such owner's interest in such device.

4. Forfeiture pursuant to this subdivision shall be made subject to the interest of a person who claims an interest in such device pursuant to subdivision three of this subdivision, where such person establishes that: (i) such multi-passenger wheeled device or motorized pedicab was operated in violation of this section without the knowledge of such person, or if such person had knowledge of such operation, that such person did not consent to such operation by doing all that could reasonably have been done to prevent such operation, or (ii) that the operation of such multi-passenger wheeled device or motorized pedicab in violation of this section was conducted by any person other than such person claiming an interest in the device, while such device was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States or any state.

5. The police department, after judicial determination of forfeiture, shall, by public notice of at least five days, sell such forfeited multi-passenger wheeled device or motorized pedicab at public sale. The net proceeds of any such sale shall be paid into the general fund of the city.

6. In any forfeiture action commenced pursuant to this subdivision, where the court awards a sum of money to one or more persons in satisfaction of such person's interest in the forfeited device, the total amount awarded to satisfy such interest or interests shall not exceed the amount of the net proceeds of the sale of the forfeited device after deduction of the lawful expenses incurred by the city, including reasonable costs of removal and storage of the device between the time of the seizure and the date of sale.

k. The penalties provided by subdivisions c, d, e and j of this section shall be in addition to any other penalty imposed by any other provision of law or rule promulgated thereunder.

§4. Severability clause.

If any clause, sentence, paragraph, subdivision, section or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remaining portions of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision,

section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§5. This local law shall take effect 150 days after it shall have become a law, except that prior to such date, the Commissioner may take such actions, including the promulgating of rules and the processing of applications as provided in subchapter 9 of chapter 2 of title 20 of the administrative code of the city of New York and in such rules, as necessary to implement this local law, and except that section three of this local law shall take effect immediately and except that section 20-251 of the administrative code of the city of New York, as added by section one of this local law, shall be deemed repealed two years after it shall have become a law.

Reports of the Committee on Finance

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Finance and have been favorably reported for adoption.

Report for L.U. No. 428

Report of the Committee on Finance in favor of approving Section 202 Supportive Housing Program for the Elderly, Moffat Gardens Senior Housing, 16,18,20,22,24,26 Moffat Street, Brooklyn, Community District No. 4, Council District No. 37.

The Committee on Finance to which was referred on April 23, 2007 the annexed Land Use resolution respectfully

REPORTS:

(The following is the text of a Memo to the Finance Committee from the Finance Division of the New York City Council).

April 23, 2007

TO: Hon. David Weprin
Chair, Finance Committee

Members of the Finance Committee

FROM: Anthony Brito, Finance Division

RE: Finance Committee Agenda of April 23, 2007-Resolution approving a tax exemption for one preconsidered Land Use Item (Council District 37).

HPD has submitted a request to the Council to approve a property tax exemption for the Moffat Gardens Senior Residences located at 16,18,20,22,24,26 Moffat Street in Council Member Dilan's District.

The Moffat Gardens Senior Residence will be a newly constructed 6-story elevator building that will provide 71 units of rental housing for elderly persons of low income. The sponsor, Moffat Gardens Housing Development Fund Corporation, will develop the project under the Section 202 Supportive Housing Program For The Elderly with financing and operating subsidies from the United States Department of Housing and Urban Development ("HUD"). The value of the tax exemption is projected at $367,051 in the first year of the exemption and $17.7 million over the 40-year length of the exemption.

This item has the approval of Council Member Dilan.

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Member Weprin offered the following resolution:

Res. No. 826

Resolution approving a partial exemption from real property taxes for property located at 16,18,20,22,24,26 Moffat Street (Block 3444, Lots 13,14,15,16,17, p/o 18) Brooklyn, pursuant to Section 422 of the Real Property Tax Law (Preconsidered L.U. No. 428).

By Council Member Weprin

WHEREAS, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council its request dated March 19, 2007 that the Council take the following action regarding a housing project (the "Project") to be located at 16,18,20,22,24,26 Moffat Street (Block 3444, Lots 13,14,15,16,17, p/o 18) Brooklyn ("Exemption Area "):

Approve a partial exemption of the Project from real property taxes pursuant to Section 422 of the Real Property Tax Law (the "Tax Exemption");

WHEREAS, the project description that HPD provided to the Council states that the purchaser of the Project (the "Sponsor") is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

WHEREAS, the Council held a hearing on the Project on April 23, 2007;

WHEREAS, the Council has considered the financial implications relating to the Tax Exemption;

RESOLVED:

The Project shall be developed upon the terms and conditions set forth in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The Council hereby grants an exemption from real property taxes as follows:

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Approve the designation of the Disposition Area as an Urban Development Action Area pursuant to Section 693 of the General Municipal Law;

3. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

4. Approve, pursuant to Section 422 of the Real Property Tax Law, a partial tax exemption as follows:

a. All of the value of the property included in the housing project, including both Disposition Area and improvements, shall be exempt from real property taxes, other than assessments for local improvements, from the date of conveyance of the land to the Sponsor until the date of issuance of the temporary or permanent Certificate of Occupancy for the housing project.

b. All of the value of the property included in the housing project (excluding those portions, if any, devoted to business or commercial use), shall be exempt from real property taxes, other than assessments for local improvements, commencing upon the date of issuance of the temporary or permanent Certificate of Occupancy for the housing project (or, if the housing project is constructed in stages, upon the date of issuance of the temporary or permanent Certificate of Occupancy for each such stage) ("Effective Date") and terminating upon the earlier to occur of (i) the date the HUD mortgage is satisfied, or (ii) a date which is forty (40) years from the Effective Date ("Expiration Date"); provided, however, that the Sponsor shall make an annual real estate tax payment commencing upon the Effective Date and terminating upon the Expiration Date.

c. Commencing upon the Effective Date and during each year thereafter until the Expiration Date, the Sponsor shall make real estate tax payments in the sum of (i) $34,165, which is ten percent (10%) of the annual shelter rent for the housing project, as determined by HPD in accordance with the formula agreed upon with HUD, plus (ii) an additional amount equal to twenty-five percent (25%) of the amount by which the total contract rents applicable to the housing project for that year (as adjusted and established pursuant to Section 8 of the United States Housing Act of 1937, as amended) exceed the total contract rents which are authorized as of the Effective Date. Notwithstanding the foregoing, the total annual real estate tax payment by the Sponsor shall not at any time exceed the lesser of either (i) seventeen percent (17%) of the contract rents, or (ii) the amount of real estate taxes that would otherwise be due in the absence of any form of tax exemption or abatement provided by any existing or future local, state, or federal law, rule or regulation.

d. In consideration of such tax exemption, the Sponsor, for so long as the partial tax exemption provided hereunder shall remain in effect, shall waive the benefits, if any, of additional or concurrent real property tax abatement and/or tax exemption which may be authorized under any existing or future local, state, or federal law, rule or regulation

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Finance and have been favorably reported for adoption.

Report for M-617

Report of the Committee on Finance in favor of approving a Communication from the Office of Management and Budget regarding the transfer City funds between various agencies in Fiscal Year 2007 to implement changes to the City's expense budget, pursuant to Section 107(b) of the New York City Charter. (MN-4)

The Committee on Finance to which was referred on April 23, 2007 the annexed communication respectfully

REPORTS:

Introduction. At a meeting of the Committee on Finance of the City Council of the City of New York on April 23, 2007, the Committee on Finance received a communication, dated April 19, 2007 from the Office of Management and Budget of the Mayor of The City of New York, of a proposed request, (the "Modification"), to modify units of appropriation and transfer city funds between units of appropriation in the Fiscal 2007 Expense Budget (as defined below) pursuant to Section 107(b) of the Charter of the City of New York (the "Charter").

Analysis. The Council annually adopts the City's budget covering expenditures other than for capital projects (the "expense budget") pursuant to Section 254 of the Charter. On June 29, 2006, the Council adopted the expense budget for fiscal year 2007 (the "Fiscal 2007 Expense Budget"). This modification (MN-4) represents the transfer of funds within and between various agencies to reallocate appropriations reflected in the Fiscal 2007 Expense Budget. Changes in MN-4 include a transfer of the General Reserve of $92,680,998 to various agencies; $71 million for additional collective bargaining cost, of which $39 million represents UFT contract costs; $92 million in Administration of Children's Services for costs related to child abuse, child care and foster care; and $15 million to begin implementation of the Mayor's poverty commission recommendations.

If the Mayor wishes to transfer part or all of any unit of appropriation to another unit of appropriation from one agency to another or such that the transfer results in any unit of appropriation being increased or decreased by the greater of five percent or $50,000, Section 107(b) of the Charter requires that the Mayor must first notify the Council of the proposed action. Within 30 days after the first stated meeting of the Council following receipt of such notice, the Council may disapprove such proposed action. If the Council fails to approve or disapprove such proposed action within such 30-day period, the proposed action becomes effective and the Mayor has the authority to make such transfer.

Description of Above-captioned Resolution. In the above-captioned resolution, the Council would approve the Modification pursuant to Section 107(b) of the Charter. Such resolution would take effect as of the date of adoption.

(The following is the text of a Fiscal Impact Memo to the Finance Committee from the Finance Division of the New York City Council:)

TO: Honorable Christine Quinn
Speaker

Honorable David I. Weprin
Chairman, Finance Committee

FROM: Staci Emanuel, Deputy Director-Expense
Finance Division

DATE: April 20, 2007

SUBJECT: A budget modification (MN-4) for Fiscal Year 2007 to reallocate appropriations in the FY 2007 Adopted Budget and transfer funds from the General Reserve to various agencies.

INITIATION: By letter dated April 19, 2007, the Director of the Office of Management and Budget submitted to the Council, pursuant to section 107(b) of the New York City Charter, a request for approval to transfer funds totaling $586,898,376 between various agencies in Fiscal Year 2007 to implement changes in the City's expense budget.

BACKGROUND: This modification (MN-4) reallocates appropriations that were reflected in the City's January Financial Plan and reflect changes resulting from discussions with the City Council.

FISCAL IMPACT: This modification represents the reallocation of appropriations and the transfer of funds from the General Reserve in the Miscellaneous Budget to various agencies. The net effect of this modification is zero.

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Weprin offered the following resolution:

Res. No. 827

Resolution approving the modification (MN-4) of Unites of Appropriation and the transfer of City funds between agencies proposed by the Mayor pursuant to Section 107(b) of the Charter of the City of New York.

By Council Member Weprin.

Whereas, at a meeting of the Committee on Finance of the City Council of the City of New York (the "City Council") on April 23, 2007, the Committee on Finance received a communication, dated April 19, 2007, from the Office of Management and Budget of the Mayor of The City of New York (the "Mayor"), of a proposed request, attached hereto as Exhibit A (the "Modification"), to modify units of appropriation and transfer city funds in the amount of $586,898,376 between various agencies in the Fiscal Year 2007 expense budget as adopted by the Council on June 29, 2006, pursuant to Section 107(b) of the Charter of the City of New York (the "Charter"); and

Whereas, pursuant to Section 107(b) of the Charter, the City Council has thirty (30) days after the first stated meeting of the City Council following such receipt within which to act upon the Modification;

NOW, THEREFORE, The Council of The City of New York hereby resolves as follows:

1. Approval of Modification. The City Council hereby approves, pursuant to Section 107(b) of the Charter, the actions proposed by the Mayor as set forth in the Modification.

2. Effective Date. This resolution shall take effect as of the date hereof.

ATTACHMENT: Exhibit A

April 19, 2007

TO THE CITY COUNCIL

Dear Council Members:

In accordance with Section 107(b) of the New York City Charter, I request your approval to transfer City funds between various agencies in fiscal year 2007 to implement changes to the City's expense budget.

This modification - MN 4 - will implement expense budget changes, which were reflected in the City's January Financial Plan modification, as amended to reflect changes resulting from discussions with the City Council.

Appendix A details the State, Federal and other funds impacted by these changes.

Your approval of modification - MN 4 - is respectfully requested.

Yours truly,

Mark Page

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Finance and have been favorably reported for adoption.

Report for M-618

Report of the Committee on Finance in favor of approving a Communication from the Office of Management & Budget regarding the appropriation of new revenues of $1.82 billion in fiscal year 2007, pursuant to Section 107(e) of the New York City Charter. (MN-5)

The Committee on Finance to which was referred on April 23, 2007 the annexed communication respectfully

REPORTS:

Introduction. At the meeting of the Committee on Finance of the City Council on April 23rd, 2007, the Council received a communication, from the Office of Management and Budget of the Mayor, dated April 19th, 2007, of a proposed request to modify, pursuant to Section 107(e) of the Charter of the City of New York, the Fiscal 2007 Expense Budget, and the revenue estimate related thereto prepared by the Mayor as of June 29, 2006 and modified (MN-3) on February 28th, 2007.

Analysis. The Council annually adopts the City's budget covering expenditures pursuant to Section 254 of the Charter. On June 29, 2006, the Council adopted the expense budget for fiscal year 2007 (the "Fiscal 2007 Expense Budget"). On June 29, 2006, the Mayor submitted to the Council a revenue estimate related to the Fiscal 2007 Expense Budget. Circumstances have changed since the Council adopted the Fiscal 2007 Expense Budget. On February 28th, 2007, the Council passed MN-3 that increased revenues by $2.2 billion.

Section 107(e) provides one mechanism for the Mayor and the Council to amend the expense budget and related revenue estimate to reflect changes in circumstances that occur after adoption of a budget. Section 107(e) permits the modification of the budget in order to create new units of appropriation, to appropriate new revenues from any source other than categorical federal, state and private funding or to use previously unappropriated funds received from any source.

Discussion of Above-captioned Resolution. The above-captioned resolution would authorize the modifications to the Fiscal 2007 Expense Budget and related revenue estimate requested in the Communication.

This modification (MN-5) seeks to increase revenues in the net amount of $1,819,270,491 for Fiscal 2007. This amount includes an additional $1.251 billion in tax revenues, an increase of $168.4 million in miscellaneous revenue sources and recognizes $400 million in savings from prior year payables.

The increase in tax revenue is a result of the combination of strong collections of real estate related tax revenue sources, as well as personal income tax and business tax collections exceeding expectations. Major non-tax revenue changes include increases in interest income ($58 million), decreases in PVB fine revenue (-$30 million), a net increase in franchise / license revenue sources ($33 million), additional affirmative litigation revenue ($15 million) and an increase in anticipated commercial rental income ($14 million).

This revenue modification appropriates $1.141 billion to the Budget Stabilization Account in the Debt Service Budget for the purposes of prepaying Fiscal 2008 general obligation debt service, provides for prepayments of $224.8 million to the Library Systems, $91.1 million to the Health and Hospitals Corporation, $207.8 million for Transit subsidy payments and $100 million for lease debt prepayments. This modification also reduces the General Reserve in the Miscellaneous Expense Budget by $171.9 million and provides for a $226.5 million appropriation to the Department of Social Services for adjustments related to the timing of certain Medical Assistance payments to the Health and Hospitals Corporation.

The resolution would also direct the City Clerk to forward a certified copy thereof to the Mayor and the Comptroller so that Mayor, the Comptroller and the City Clerk may certify the Fiscal 2007 Expense Budget as amended thereby as the budget for the remainder of the fiscal year. The above-captioned resolution would take effect as of the date adopted.

(The following is a Fiscal Impact Memo to the Finance Committee from the Finance Division of the New York City Council:)

TO: Honorable Christine Quinn
Speaker

Honorable David Weprin
Chairman, Finance Committee

FROM: Pablo Zangerle
Deputy Director, Finance Division

DATE: April 23rd, 2007

SUBJECT: A Preconsidered Budget Modification (MN-5) for Fiscal 2007 that will recognize a net increase in revenues of $1,819,270,491.

INITIATION: By letter dated April 19th, 2007, the Director of the Office of Management and Budget submitted to the Council pursuant to section 107(e) of the New York City Charter a request to increase revenues by $1,819,270,491.

BACKGROUND: This modification (MN-5) seeks to increase revenues in the net amount of $1,819,270,491 for Fiscal 2007. This amount includes an additional $1.251 billion in tax revenues, an increase of $168.4 million in miscellaneous revenue sources and recognizes $400 million in savings from prior year payables.

This revenue modification appropriates $1.141 billion to the Budget Stabilization Account in the Debt Service Budget for the purposes of prepaying Fiscal 2008 general obligation debt service, provides for prepayments of $224.8 million to the Library Systems, $91.1 million to the Health and Hospitals Corporation, $207.8 million for Transit subsidy payments and $100 million for lease debt prepayments. This modification also reduces the General Reserve in the Miscellaneous Expense Budget by $171.9 million and provides for a $226.5 million appropriation to the Department of Social Services for adjustments related to the timing of certain Medical Assistance payments to the Health and Hospitals Corporation.

FISCAL IMPACT: This modification represents a net increase in the Fiscal 2007 budget of $1,819,270,491.

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Member Weprin offered the following resolution:

Res. No. 828

Resolution approving a modification pursuant to Section 107(e) of the Charter of the City of New York.

By Council Member Weprin

Whereas, on April 23rd, 2007, the Committee on Finance of the City Council received a communication, dated April 19th, 2007, from the Mayor's Office of Management and Budget, of a proposed request to recognize a net increase in revenue pursuant to Section 107(e) of the Charter of the City of New York, attached hereto as Exhibit A (the "Request to Appropriate"); and

Whereas, Section 107(e) of the Charter requires the City Council and the Mayor to follow the procedures and required approvals pursuant to Sections 254, 255 and 256 of the Charter, without regard to the dates specified therein, in the case of the proposed appropriation of any new revenues and the creation of new units of appropriation; and

Whereas, Section 107(e) of the Charter requires that any request by the Mayor respecting an amendment of the budget that involves a increase in the budget shall be accompanied by a statement of the source of current revenues or other identifiable and currently available funds required for the payment of such additional amounts, attached hereto as Exhibit B (together with the Request to Appropriate, the "Revenue Modification");

NOW, THEREFORE, the Council of the City of New York hereby resolves as follows:

1. Approval of Modification. The City Council hereby approves the Revenue Modification pursuant to Section 107(e) of the Charter.

2. Further Actions. The City Council directs the City Clerk to forward a certified copy of this resolution to the Mayor and the Comptroller as soon as practicable so that the Mayor, the Comptroller and the City Clerk may certify the Fiscal 2007 Expense Budget as amended by this resolution as the budget for the remainder of the fiscal year.

3. Effective Date. This resolution shall take effect as of the date hereof.

Director

April 19, 2007

TO THE CITY COUNCIL

Dear Council Members:

In accordance with Section 107(e) of the New York City Charter, I seek your approval to appropriate new revenues of $1.82 billion in fiscal year 2007. These revenues were reflected in the January Financial Plan modification.

The $1.82 billion of new revenues results from forecasted increases in tax revenues of $1.25 billion, miscellaneous revenues of $168.4 million and savings in prior payables of $400 million.

This modification - MN 5 - appropriates $1.1 billion to the Budget Stabilization Account in the City's Debt Service budget and provides for prepayments of $224.8 million to the Library Systems, $91.1 million to the Health and Hospitals Corporation, $207.8 million for Transit subsidy payments and $100.0 million for lease debt payments, and decreases the General Reserve in the Miscellaneous Budget by $171.9 million. In addition, this modification appropriates $226.5 million to the Department of Social Services for adjustments related to the timing of certain Medical Assistance payments to the Health and Hospitals Corporation.

Your approval of modification - MN 5 - is respectfully requested.

Yours truly,

Mark Page

REPORTS:

SUBJECT

BROOKLYN CB - 13 **C 070138 HUK**

City Planning Commission decision approving an application submitted by the Department of Housing Preservation and Development (HPD) pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 11th amendment to the Coney Island I Urban Renewal Plan for the Coney Island I Urban Renewal Area.

INTENT

To facilitate the disposition of Site 7A.

Report Summary:

COMMITTEE RECOMMENDATION AND ACTION

DATE: April 19, 2007

The Committee recommends that the Council approve the attached resolution and thereby approve the amended plan, and the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 829

Resolution approving the 11th Amendment to the Coney Island I Urban Renewal Plan, approving the designation of the area and approving the decision of the City Planning Commission on ULURP No. C 070138 HUK (L.U. No. 384).

By Council Members Katz and Garodnick

Whereas, the City Planning Commission filed with the Council on March 30, 2007, its decision and report dated March 28, 2007 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development ("HPD"), pursuant to Section 505 of Article 15 of the General Municipal Law of New York State and Section 197-c of the New York City Charter, regarding the proposed 11th Amended Coney Island I Urban Renewal Plan (the "Plan") for the Coney Island I Urban Renewal Area (the "Area") (ULURP No. C 070138 HUK), Community District 13, Borough of Brooklyn (the "Application");

Whereas, the Application is related to ULURP Application Number C 070139 HAK (L.U. No. 385), an urban development action area project designation, project approval and disposition of city-owned property;

Whereas, the City Planning Commission has certified that the Plan for the Area complies with the provisions of Section 502 of the General Municipal Law, conforms to the comprehensive community plan for the development of the municipality as a whole and is consistent with local objectives, and that the Plan is in conformity with the findings and designation of the Area;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the Area Designation is subject to review and action by the Council pursuant to Section 504 of the General Municipal Law;

Whereas, the Plan is subject to review and action by the Council pursuant to Section 505 of the General Municipal Law;

Whereas, the New York City Department of Housing Preservation and Development submitted to the Council its request dated April 11, 2007 regarding the Application;

Whereas, upon due notice, the Council held a public hearing on the Decision and the Plan on April 11, 2007;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on November 1, 2006 (CEQR No. 05HPD019K); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and the Plan;

Resolved:

The Council finds that this action will have no significant effect on the environment.

Pursuant to Section 504 of the General Municipal Law, the Council approves the Designation of the Area.

Pursuant to Section 505(4) of the General Municipal Law, the Council finds that:

1. The Area is a substandard or insanitary area or is in danger of becoming a substandard or insanitary area and tends to impair or arrest the sound growth and development of the municipality;

2. The financial aid to be provided to the municipality is necessary to enable the project to be undertaken in accordance with the Plan;

3. The Plan affords maximum opportunity to private enterprise, consistent with the sound needs of the municipality as a whole, for the undertaking of an urban renewal program;

4. The Plan conforms to a comprehensive community plan for the development of the municipality as a whole;

5. There is a feasible method for the relocation of families and individuals displaced from the Area into decent, safe and sanitary dwellings, which are or will be provided in the Area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities, at rents or prices within the financial means of such families or individuals, and reasonably accessible to their places of employment; and

6. The undertaking and carrying out of the urban renewal activities in stages is in the best public interest and will not cause any additional or increased hardship to the residents of the Area.

Pursuant to Section 505 of the General Municipal Law, the Council approves the 11th Amended Urban Renewal Plan for the Coney Island I Urban Renewal Area, dated September 2006.

Pursuant to Section 197-d of the New York City Charter, and on the basis of the Decision and Application, the Council approves the Decision.

Report Summary:

COMMITTEE RECOMMENDATION AND ACTION

DATE: April 19, 2007

The Committee recommends that the Council approve the attached resolution and thereby approve the designation and project, make the findings required by Article 16, approve the disposition and approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 830

Resolution approving the decision of the City Planning Commission on an application submitted by the Department of Housing Preservation and Development, ULURP No. C 070139 HAK, approving the designation of the property located at 2953 West 31st Street (Block 7050/Lot 74), Site 7A within the Coney Island I Urban Renewal Area, Brooklyn, as an Urban Development Action Area, approving the project for the area as an Urban Development Action Area Project, and approving the disposition of such property to a developer selected by the Department of Housing Preservation and Development (L.U. No. 385; C 070139 HAK).

By Council Members Katz and Garodnick

Whereas, the City Planning Commission filed with the Council on March 30, 2007 its decision dated March 28, 2007 (the "Decision"), on the application submitted by the Department of Housing Preservation and Development pursuant to Section 197-c of the New York City Charter and Article 16 of the General Municipal Law of New York State regarding:

a) the designation of property located at 2953 West 31st Street (Block 7050/Lot 74), Site 7A within the Coney Island I Urban Renewal Area, as an Urban Development Action Area (the "Area");

b) an Urban Development Action Area Project for such area (the "Project"); and

pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by the Department of Housing Preservation and Development (the "Disposition") to facilitate development of an accessory parking lot (ULURP No. C 070139 HAK), Community District 13, Borough of Brooklyn (the "Application");

Whereas, the Application is related to ULURP Application Number C 070138 HUK (L.U. No. 384), the 11th amendment to the Coney Island I Urban Renewal Plan;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council its recommendations regarding the Application on April 11, 2007;

Whereas, upon due notice, the Council held a public hearing on the Application and Decision on April 11, 2007;

Whereas, the Council has considered the relevant environmental review (CEQR No. 05HPD019K) and the fact that a Negative Declaration was issued on November 11, 2006;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Application;

Resolved:

The Council finds that the actions described herein will have no significant effect on the environment;

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 070139 HAK).

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a

designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that the Department of Housing Preservation and Development has submitted to the Council, a copy of which is attached hereto.

The Council approves the disposition of said property to a developer selected by the Department of Housing Preservation and Development.

Report Summary:

COMMITTEE RECOMMENDATION AND ACTION

DATE: April 19, 2007

The Subcommittee recommends that the Committee approve the proposals, grant the requests made by the Department of Housing Preservation and Development, and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 832

Resolution approving an Urban Development Action Area Project located at 758 East 168th Street (Block 2662/Lot 13), 764 East 168th Street (Block 2662/Lot 15), 1279 Rev. James Polite Avenue a.k.a. 1279 Stebbins Avenue (Block 2970/Lot 73), 1421 Prospect Avenue a.k.a. 1419 Prospect Avenue (Block 2962/Lot 38), the Bronx, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 422; 20075332 HAX).

By Council Members Katz and Garodnick

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on March 27, 2007 its request dated March 5, 2007 that the Council take the following actions regarding an Urban Development Action Area Project (the "Project") located at 758 East 168th Street (Block 2662/Lot 13), 764 East 168th Street (Block 2662/Lot 15), 1279 Rev. James Polite Avenue a.k.a. 1279 Stebbins Avenue (Block 2970/Lot 73), 1421 Prospect Avenue a.k.a. 1419 Prospect Avenue (Block 2962/Lot 38), Community District 3, Borough of the Bronx (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law; and

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

Whereas, the Project is to be developed on land that is now an eligible area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on April 17, 2007;

Whereas, the Council has considered the land use implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Disposition Area as an urban development action area under Section 693 of the General Municipal Law pursuant to said Section.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be disposed of and developed upon the terms and conditions in the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

To facilitate the construction of a new building for the Eagle Academy for Young Men which is located in a building that is over 100% of capacity.

Report Summary:

COMMITTEE RECOMMENDATION AND ACTION

DATE: April 19, 2007

The Committee recommends that the Council approve the attached resolution and thereby approve the Site Plan.

In connection herewith, Council Members Katz and Lappin offered the following resolution:

Res. No. 834

Resolution approving the site plan for a public school facility to be located on the south side of East 176th Street between Bathgate and Third Avenues (Block 2923, Lots 17, 23 and 26), Bronx (Non-ULURP No. 20075266 SCX; Preconsidered L.U. No. 429).

By Council Members Katz and Lappin

Whereas, the New York City School Construction Authority submitted to the Council on April 12, 2007 a site plan dated April 9, 2007 pursuant to Section 1732 of the New York State Public Authorities Law for a new, approximately 570-seat intermediate/high school facility, known as Eagle Academy For Young Men, Bronx, to be located at the south side of East 176th Street between Bathgate and Third Avenues (Block 2923, Lots 17, 23 and 26), in DOE Instructional Region No. 1/Community School District No. 9, Community Board No. 6, Borough of the Bronx (the "Site Plan");

Whereas, the Site Plan is subject to review and action by the Council pursuant to Section 1732 of the New York State Public Authorities Law;

Whereas, upon due notice, the Council held a public hearing on the Site Plan on April 17, 2007;

Whereas, the Council has considered the relevant environmental issues and the Conditional Negative Declaration issued on March 9, 2007 (SEQR Project Number 07-011); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Site Plan;

Resolved:

The Council finds that the action described herein will have no significant effect on the environment provided that the measures enumerated in the attached report are adhered to.

Pursuant to Section 1732 of the Public Authorities Law, the Council approves the Site Plan.

Long Island City, New York 11101-3045

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law. Pursuant to §1730.2 of the Public Authorities Law, the New York City School Construction Authority (SCA) is SEQR Lead Agency.

The SCA, as Lead Agency, has determined that the proposed action described below will not have a significant effect on the quality of the environment once modified as described under the Conditioned Negative Declaration below. A Draft Environmental Impact Statement (DEIS) will only be prepared if significant new information is presented. Comments on this declaration will be accepted for thirty (30) days from the date of this notice at the address presented above.

NAME OF ACTION: Eagle Academy, Bronx

LOCATION: South Side of East 176th Street between Bathgate and Third Avenues, Bronx, New York
Tax Block 2923, Tax Lots 17, 23 & 26

SEQR STATUS: Unlisted

CONDITIONED NEGATIVE DECLARATION

Description of Action:

On behalf of the New York City Department of Education (DOE), the New York City School Construction Authority (SCA) proposes the site selection, acceptance of construction funding, and construction of a new, approximately 570-seat intermediate/high school facility in the Borough of the Bronx. The proposed facility would serve students in sixth through twelfth grades, and would be occupied by the Eagle Academy for Young Men (Eagle Academy), which currently shares a recently constructed school building located at 244 East 163rd Street, Bronx, with the Bronx

School for Law, Government and Justice. Construction of this proposed facility would be conducted pursuant to DOE's Capital Plan for Fiscal Years 2005-2009.

The proposed site is located on the south side of East 176th Street between Bathgate and Third Avenues in the Bronx, and is an assemblage of three vacant City-owned lots which have been assigned to DOE's control (Block 2923, Lots 17, 23 & 26). Lots 17 and 23 were most recently used by a month-to-month tenant as a parking lot for a towing company; that towing company vacated the site in September, 2006. The assemblage contains a total of approximately 19,200 square feet of lot area.

The purpose of the proposed project is two-fold. First, it would provide additional permanent capacity at the intermediate and high school levels within Community School District No. 9 and the Borough of the Bronx. According to the Capital Plan, the Borough of the Bronx needs a total of twelve (12) new school facilities providing a total of 9,912 seats at the high school level in order to address the overcrowding of existing facilities and to meet demographic projections. During the 2005-2006 school year, existing high school facilities in DOE Region Nos. 1 and 2 (which encompass almost all of the Bronx) collectively operated at 106 percent of their intended capacity.

Second, the Eagle Academy school organization was created in 2004, and has been housed temporarily within a building shared with the Bronx School of Law, Government and Justice; Eagle Academy currently has an enrollment of approximately 289 students in grades nine through eleven. However, the existing space is insufficient to accommodate both the needs of the Bronx School of Law, Government and Justice and Eagle Academy's planned steady growth to serve approximately 570 students in sixth through twelfth grades. The proposed new facility would allow Eagle Academy to relocate to a dedicated building, and would free space within the Bronx School of Law, Government and Justice.

Under the proposed project, the SCA would construct a new intermediate/high school facility on the site. The proposed new four-story (plus cellar) facility would contain approximately 87,300 gross square feet, consisting of classrooms, special educational facilities, library, cafeteria, science labs, music and art rooms, and administrative/ support space. Construction activities would begin in 2007, with student occupancy of the completed facility expected to begin in September 2009.

Reasons Supporting This Determination:

A comprehensive Environmental Assessment Form (EAF) and Supplemental Environmental Studies for this action were completed and issued on March 9, 2007. Based upon those documents (which are appended hereto), the SCA has determined

that the proposed project will have no significant adverse impacts on environmental conditions related to the following areas: land use and zoning; socioeconomic conditions; community resources; open space and recreational facilities; shadows; urban design and visual resources; neighborhood character; natural resources; hazardous materials; infrastructure; air quality; noise; construction impacts; and, public health.

As part of the evaluation of the site's soil and groundwater conditions, two Phase I Environmental Site Assessments (ESAs) and two Phase II Environmental Site Investigations (ESIs) were completed. The most recent Phase I ESA and Phase II ESI were completed on the SCA's behalf. In addition, a geotechnical investigation prepared for the SCA was reviewed to evaluate soil and groundwater conditions.

The investigations included the completion of thirty-six (36) soil borings, five (5) temporary monitoring wells, four (4) permanent monitoring wells, and four (4) soil vapor sampling locations to evaluate the on-site environmental conditions. The subsurface soils generally consist of approximately 12 feet of fill materials consisting of sandy and gravelly soils with a trace to a little miscellaneous debris consisting of brick, glass, concrete, wood, coal ash, tile, and plastic. No volatile organic compounds (VOCs) greater than State cleanup levels were encountered in the on-site soils. Elevated concentrations of selected semi-volatile organic compounds (SVOCs), metals and pesticides were detected at levels above the corresponding State cleanup levels. These contaminants are attributed to the on-site fill materials. In addition, soils containing low level petroleum constituents were encountered in the southern and northwestern portions of the site.

Groundwater was encountered from a depth of 8 to 13 feet across the site and is anticipated to flow in an east-southeast direction towards the Bronx River. Groundwater sampling conducted in 2002 revealed elevated concentrations of petroleum-related compounds in the northern portion of the site. The results of the October 2006 groundwater sampling round did not confirm the presence of petroleum-related compounds in groundwater across the site.

Petroleum-related VOCs were not detected in soil vapor at concentrations above the anticipated background levels provided by New York State Department of Health. Only tetrachloroethene (PCE), a common chlorinated solvent, was detected in the soil vapor at concentrations above the anticipated background levels. The detected concentrations of PCE were below the corresponding State air guideline value that recommends remedial action.

Based on the results of these investigations, the SCA has identified and developed measures that will be incorporated into the development of the proposed new school

facility. First, any excess fill materials and petroleum-impacted soils will be removed from the project site and managed in accordance with applicable local, State and Federal regulations. Second, a soil vapor barrier will be installed beneath the proposed school building as a precautionary measure to prevent potential soil vapor intrusion into the new school building. Third, a twenty-four (24) inch layer of environmentally clean soil will be placed over all on-site exposed areas located beyond the building footprint. Since these measures will be implemented as part of the proposed project, no adverse impacts due to the identified site contamination would occur.

The EAF and Supplemental Environmental Studies identified the potential for impacts to occur with respect to the following assessment areas which are discussed in greater detail below: cultural resources, and, traffic and transportation.

Cultural Resources
In addition to and as part of this environmental assessment, the SCA has consulted with the New York State Office of Parks, Recreation and Historic Preservation (OPRHP) regarding the project's potential to impact historic structures or archaeological resources. A Phase 1A Cultural Resource Assessment was prepared which evaluated the project's potential to affect historic structures and potential archaeological resources. That assessment found that while the project would not adversely affect historic structures, the project site may contain buried cultural resources.

To address this potential impact, if the project's final design calls for disturbance of the archaeologically sensitive area, the SCA will complete Phase 1B archaeological field testing prior to the start of construction to determine whether archaeological resources are indeed present. The results of the field testing will be submitted to OPRHP for review and comment, and any additional measures needed to ensure that the project results in no significant adverse cultural resource impacts will be established in consultation with that agency and implemented by the SCA.

Traffic and Transportation
For the streets in the vicinity of the site, future intersection volumes would generally increase over existing traffic volumes, but those increases could be accommodated by the street capacities for the majority of the locations. However, based on City Environmental Quality Review standards, the proposed project could result in significant impacts at one (1) local intersection during the analyzed peak periods. The traffic analysis also indicated that those impacts could be mitigated through relatively simple, low-cost and conventional traffic engineering methods. These improvements are subject to review and approval by the New York City Department of Transportation (NYCDOT):

East Tremont Avenue and Third Avenue
The traffic analysis indicated that during both the AM and PM peak hours, the northbound approach to this intersection would experience significant adverse impacts due to the proposed project. During the AM peak hour, the northbound approach would operate at Level of Service F (LOS F) with 94.3 seconds of delay in the future without the project. The proposed project would increase the average delay experienced at that approach to 105.8 seconds during the AM peak hour. Similarly, during the PM peak hour, the northbound approach would operate at LOS F, with 80.4 seconds of delay in the future without the project. The proposed project would increase delay for the northbound approach during the PM peak hour to 91.2 seconds.

These impacts could be mitigated through adjustments to the signal timing of this intersection during both the AM and PM peak hours. Specifically, shifting one (1) second of green time from the eastbound-westbound phase to the northbound-southbound phase during both the AM and PM peak hours would fully eliminate the project-generated impacts to the intersection during the peak hours.

The proposed project would have the beneficial impact of providing approximately 570 additional seats of permanent public school capacity at the intermediate and high school levels within Community School District No. 9 and the Borough of the Bronx. Further, the project would provide Eagle Academy with modern and appropriate facilities to support the school's planned growth in enrollment.

In conclusion, the environmental assessment found that the project would have no significant adverse impacts on the environment provided the following measures are implemented:

1. The SCA shall complete Phase 1B archaeological field testing of the area where archaeological remains may be present, should the school's final design call for construction within that area. The results of the testing shall be submitted to OPRHP for review and consultation. Any additional measures determined to be necessary to avoid significant impacts to cultural resources will be established in consultation with OPRHP and implemented by the SCA, and,

2. The SCA shall petition the New York City Department of Transportation (NYCDOT) prior to the completion of construction to implement signal timing modifications such that the new school facility will not result in a significant adverse impact to local traffic conditions.

REPORTS:

Comment:

On May 3, 2006, the Committee on Parks and Recreation will hold a hearing to consider a bill renaming thoroughfares and public places. The Council acts upon the authority granted in Title 25 of the New York City Administrative Code, section 102.1 (b), which states:

b. Unless the local law specifically provides otherwise, any local law changing the name of a street, park, playground or portion thereof, or any facility or structure, located and laid out on the city map, that bears a name indicated on the city map shall not be construed to require a change in such name as it is indicated on the city map; provided, however, that in the case of a local law changing the name of a street or portion thereof, the name added by such local law shall be posted on a sign placed adjacent to or near a sign bearing the name of such street or portion thereof indicated on the city map.

The following street name changes are not to be construed as a change in the City map, but as additional names to be posted near or adjacent to the street or location indicated on the City map.

Section 1. Alvin Ailey Place
Introduced by Council Member Brewer
January 5, 1931 – December 1, 1989
Alvin Ailey was a New Yorker of great artistic vision and social leadership who made legendary advances in the field of dance and was a vital contributor to New York City's identity as a hub for artistic innovation. He was an extraordinary contributor to the cultural landscape of New York City including Ailey Dance Kids, AileyCamp and the Alvin Ailey American Dance Theater.

Section 2. Angela Padavano Way
Introduced by Council Member McMahon
April 8, 1929 – September 29, 2006
Angela Padavano was a prominent Staten Island fund-raiser helped garner hundreds of thousands of dollars for charity during four decades of philanthropy. In an interview she gave before being named Woman of Achievement in 2001, she said, "I run wherever I'm needed because I love people and want to keep busy." She also received other honors for her charity work including three Distinguished Volunteer awards from the Staten Island Unit of the American Cancer Society, the Above and Beyond medal from the Deborah League and the service award from Staten Island Mental Health Society.

Section 3. Bro. George Washington Way "Legendary Boxing Trainer"
Introduced by Council Member Vann
April 13, 1927 – June 11, 2006
George Washington was raised in Birmingham, Alabama where he attended Parker High School before moving to Brooklyn, New York. He joined the Marine Corps and became a member of the United States Marine Corps Boxing Team. His record in 114 professional fights was 100 wins and 14 defeats with 80 knockouts. Before his death, George Washington trained boxers voluntarily for over ten years at the New Bedford-Stuyvesant Boxing Center.

Section 4. Patrick Sullivan 9-11 Memorial Way
Introduced by Council Member Gentile
Died on September 11, 2001
Patrick Sullivan was a generous man who was devoted to his family. He lived in Brooklyn his entire life and his sense of humor and winning smile always brightened up Bay Ridge.

Section 5. Officer Timothy M. Hurley Way
Introduced by Council Member Dilan

Born April 23, 1856
Granville T. Woods was an engineer and inventor who not only revolutionized the rail transportation system, but made it safer as well. He dedicated his life to developing a variety of inventions relating to the railroad industry and his inventions were pivotal during the industrial age and the way we use these inventions today. His greatest and most recognizable invention the third rail, made subway travel possible. His other invention is one that all people who enjoy Coney Island should be grateful for, the electrical figure 8 amusement apparatus that allowed the first of many roller coasters to begin to appear.

Section 16. Grace Nichilo Place
Introduced by Council Member Recchia, Jr.
Born October 30, 1922
Grace Nichilo was a landmark of the community in Coney Island. She became a strong worker and supporter of Our Lady of Solace Church and her children attended the OLOS School. When Neptune Avenue was host to the annual Coney Island Feast, it was Ms. Nichilo who worked on the floats and on the delicious foods that were involved in the event.

Section 17. Harry Schwartz Way
Introduced by Council Member Recchia, Jr.
Died on December 1, 2002
For twenty years Harry Schwartz taught Industrial Arts at Bildersee Jr. High School in Canarsie. He served on Community Board 13 and on School Board 21 where he was also a past president. He was also a past Deputy Grand Chancellor of the Knights of Pythias Kings County Lodge 573, the commander of the Harold Helfgott Lodge of Jewish War Veterans, Post 130 and former president of the Brightwater Tenants Council. Harry helped form the Brownsville Boys Club and was the founder of the Knights of Pythias Incentive Youth Program which was responsible for giving out thousands of awards for athletic and academic achievements over a twenty-year period. Politically active, he served as Chief of Staff for former City Councilman Sam Horwitz and a delegate at both the 1984 and 1988 Democratic Natioanl Conventions.

Section 18. Bobby Draxdorf Way
Introduced by Council Member Recchia, Jr.
Bobby Draxdorf fondly was named the "mayor" of the neighborhood around Mill Road. He would be the first to check in on his neighbors if there was a blackout, if the heat was not working properly or just to see if anyone needed help. Bobby was a well-rounded caretaker of his community.

Section 19. Bernice Singletary Square
Introduced by Council Member Mark-Viverito
October 25, 1932 – August 9, 2004
Bernice Singletary migrated with her husband to New York in 1958 and worked with Marionat Bridal Veils, Inc. as a seamstress and later at the Board of Education as a Paraprofessional from 1968 until her retirement in June 1995. She also served as the Woodrow Wilson Tenant Association President for over thirty years. As an activist for the East Harlem Community, she instituted several programs through the Drug Elimination Program such as karate, computer, sewing and music classes.

Section 20. Boimah Cooper Drive
Introduced by Council Member McMahon
June 6, 1999 – February 17, 2006
Boimah Cooper was discovered by a group from the Staten Island Liberian Community Association (SILCA) during a Humanitarian Relief Mission to bring goods from local school children to various villages surrounding Monrovia. He was found under a tree crying and unable to walk with bones budging from his back. The group from SILCA immediately rushed Boimah Cooper to the local hospital in Monrovia. JFK Hospital recommended that he return with the group to America for spinal reconstructive surgery.
During the year that he spent in the United States, he touched the lives of all he met. He attended PS 57 and basically adopted the children as his extended family and had the thrilling opportunity to tell the Mayor and the NYC Parks Commissioner about his work at Elbs Pond Park. He adored our local politicians and aspired to be the President of Liberia.

Section 21. NYS Senator Mark W. Allen Way
Introduced by Council Member McMahon
1877 – 1958
Mark W. Allen was born in Fairfax County, Virginia in 1877. He came to Staten Island in 1898, to work as a carpenter for the Baltimore and Ohio Railroad, and soon became superintendent of carpenters. In 1906, he started a lumber company with his brother George, the Allen Bothers Lumber Company. The company was also involved in real estate development in the West New Brighton area. In 1935 the firm, located on Broadway in West New Brighton became the Mark W. Allen Lumber Company and was one of the largest in the borough. In addition to selling building supplies, the company also erected buildings and developed real estate. Allen was very involved in local business and civic affairs, serving on the board and also as president of the Staten Island Chamber of Commerce and of the Port Richmond and West New Brighton Boards of Trade. He was on the local school board for many years and was an officer or on the boards of numerous local groups, including the Prudential Building and Loan Association, the Richmond Memorial Hospital, and the local Kiwanis Club.
Allen was also very active in his church, serving as chairman of the board of trustees of the Trinity Methodist Church and president of the Trinity Men's Bible Class. Allen represented Richmond and Rockland Counties in the New York State Senate in 1923-24, during which time he introduced a bill to construct two bridges between Staten Island and New Jersey. The Outerbridge Crossing and the Goethals Bridge between Holland Hook, Staten Island and Elizabeth, New Jersey provided important connections for Staten Islanders. When they were opened in 1928, these cantilevered spans served as a spur for significant development on Staten Island.

Section 22. East 143rd Street
Introduced by Council Member Arroyo

Section 23. Casita Maria Way
Introduced by Council Member Arroyo
Casita Maria had a long-standing commitment to the South Bronx and East Harlem for over 73 years. Because of her innovating programming and services, many families have experienced a better quality of life. On March 1, 2007, the Bronx community celebrated the groundbreaking ceremony for The Bronx Studio School for Writers and Artists at a new building named for Casita Maria.

Section 24. Hugh White Jr. Way
Introduced by Council Member Oddo
April 23, 1982 – October 4, 2006
Hugh White Jr. touched the lives of all who met him. He worked as a private contractor for the Time Warner Cable Company. Hugh was a graduate of the College of Staten Island and was planning to continue his education in Architectural Engineering. He especially loved music and children and was part of a disc jockey group called the Abstract DJ's.

Section 25. Eileen Sweeney Place
Introduced by Council Member Jackson
Born on October 5, 1934
Eileen Sweeney was a long-time community activist who devoted many years to the betterment of Washington Heights and Inwood. She was a member of Community Board 12 Manhattan and worked for Assembly Members Edward H. Lehner and Herman D. Farrell, Jr. Eileen was also a fierce housing and tenant advocate and protector of the interests of the Washington Heights/Inwood community.

Section 26. Joe Imp's Place
Introduced by Council Member Gioia
December 17, 1944 – July 24, 2005
A long time resident of Long Island City, Queens, Joseph Imperato was much loved by his family, friends, neighbors and peers. He was a community leader dedicated to assisting the elderly, keeping his neighborhood clean and serving St. Mary's Church. Joseph owned and operated Joe Imp's Restaurant in Long Island City for many years and was a fixture in the neighborhood. Prior to the opening of his

restaurant, he also served as a City sanitation worker and as a soldier in the United States Army.

Section 27. Joseph M. Rota Place
Introduced by Council Member Avella

Introduced by Council Member Reyna
February 15, 1940 – June 6, 2006
Father Donald J. Kenna, an ordained priest of the Roman Catholic Church since 1964, had been a tremendous asset to his community. He unselfishly gave himself to his parishioners and was an integral part of the renovation of abandoned buildings and helped to create low-income housing an affordable home ownership in the community.

Section 41. Betty "Moe" Trezza Way
Introduced by Council Member Reyna
August 4, 1925 – January 16, 2007
Betty Trezza left her job as a Garment District embroiderer to play women's professional baseball and went on to smack a memorable championship-winning hit. She brought to the All-American Girls Professional Baseball League, created in the 1940's to keep baseball alive during World War II, memorable base-running speed and a rifle arm. She also had a popular, peppy personality honed in stickball games in the streets of Brooklyn.

Section 42. Crossing Guard Joan Rice Way
Introduced by Council Member McMahon
July 11, 1921 – October 25, 2006

In 1968, Joan Rice began her part-time job as a crossing guard, but soon after she started, she realized that this was much more than a part-time job. It ultimately became a 25-year labor of love for the children of Trinity Lutheran School. She was so well loved by the students, parents and faculty that in 1975, during a New York Citywide layoff of all crossing guards, the community took up a collection to pay her salary and keep their beloved crossing guard working. At the time, Joan was one of the only crossing guards on duty in the entire city of New York.

Section 43. The Honorable Nicholas Coffinas Way

Introduced by Council Member Yassky

August 3, 1919 – September 2, 2006

The Honorable Nicholas Coffinas has been called by many in the New York Judicial Community the best and finest administrator to serve in the Brooklyn Criminal Court. He was extremely well liked, known for treating everyone he met with respect and dignity and having insight into people. It was those qualities that enabled him to settle more cases than anyone else in Brooklyn court history. He began his judicial career as a Criminal Court judge moving to administrator of that court and finally served as a Supreme Court judge. He continued his service to the community after his retirement in 1995 when he was appointed by the Appellate Division as a referee to hear and dispose of cases pending appeal from the Supreme Court.

Reports of the Committee on Youth Services

Override Report for Int. No. 341-A

Report of the Committee on Youth Services in favor of approving and adopting, as amended, notwithstanding the objection of the Mayor, a Local Law to amend the administrative code of the city of New York, in relation to prohibiting the use of non-wood bats.

The Committee on Youth Services to which was referred on May 10, 2006 (Minutes, page) and originally adopted by the Council on March 14, 2007 (Minutes, page 659) the annexed amended proposed local laws respectfully

REPORTS:

On Wednesday, April 18, 2007, the Committee on Youth Services will hold a hearing on Int. No. 341-A, which would amend the New York City Administrative Code with respect to prohibiting the use of non-wood bats. At this time, the Committee is expected to override a Mayoral veto of this bill, which was adopted by the Council on March 14, 2007. Previous hearings were held on this legislation on October 23, 2006 and March 12, 2007.

Background

On September 27, 2002, the Committee considered Int. No. 100, which would have prohibited the use of non-wood bats by minors.[1] During this hearing, testimony was received regarding legislation that would prohibit any person from using non-wood bats in competitive baseball games in which minors are participants and which take place in connection with a league operating in New York City.

Int. No. 341-A, as amended and discussed below, would prohibit the use of non-wood bats in any competitive baseball game in which high school age children are participants and which involves the participation and/or sponsorship of a school. Advocates of the legislation argue that the use of non-wood bats has introduced an unacceptable risk of injury into the game of baseball, and that such a risk is heightened in the field of competitive high school baseball, where there is an obvious increase in the hitting power of players.

NCAA Standards and Specifications for Non-Wood Bats

In August of 1998, the National Collegiate Athletic Association (NCAA) Baseball Rules Committee, concerned with both player safety and the competitive balance between offense and defense that seemed to be eroding due to the introduction of high-tech metal (non-wood) bats, voted to recommend baseball bat performance standards that would be implemented in January of 1999 for NCAA play.[2] These recommendations included a maximum batted-ball exit velocity of 93 miles per hour (plus a one mile per hour deviation for test variance), as well as a maximum allowable bat diameter of 2 5/8 inches (reduced from 2¾ inches) and a length to weight unit differential of 3 (reduced from 5).[3] In August of 1998, the NCAA Executive Committee approved the recommendations made by its Baseball Rules Committee, moving the effective date to August 1, 1999, "to ensure that proper testing could take place and that bats would be available."[4] In approving the new bat performance standards, the NCAA Executive Committee recognized that "the rules committee's concern over the potential for injury is real and serious."[5] The NCAA's decision to limit the ball exit speed to 94 miles per hour (including the one mile deviation) was based on "research that the average time to react to a ball hit from [home plate to the pitcher's mound] is approximately 0.4 seconds. The ball-exit velocity that matches this reaction time is 93 miles per hour." [6] The NCAA's adopted standards did not address the variances that can occur in non-wood bats with respect to the center of swing gravity or mass distribution.

In response to the NCAA's actions to limit non-wood bat performance, Easton Sports, Inc., a major manufacturer of metal bats, filed a restraint-of-trade lawsuit against the NCAA in August of 1998, seeking $267 million in damages and injunctive relief.[7]

In January of 1999, the NCAA Executive Committee created the NCAA Baseball Research Panel to study risk issues in college baseball.[8] The Panel made recommendations regarding non-wood bat performance in June of 1999, with Chairperson Milton Gordon noting, "[w]ooden bat risk levels should be the safety standard for all non-wooden bats,"[9] and "[i]n terms of both risk and integrity, the panel concluded that wood should be the standard."[10] At that time, the Panel recommended that the NCAA should adopt a batted-ball exit speed for non-wood bats that equates to the highest average exit speed of a Major League Baseball quality, 34 inch, solid wood bat.[11] Other Panel recommendations included increasing the testing speeds for baseballs and bat swings from 70 miles per hour to 80 miles per hour in order to better approximate game conditions, testing to determine the effect of "work hardening" (whether a bat begins to perform better the more it is used) and testing to determine the distribution of mass on non-wood bat performance.[12] Finally, the Panel recommended January 1, 2000 as the implementation date for the new standards for regular-season competition.[13]

It appears that the NCAA Executive Committee did not adopt most of its Baseball Research Panel's recommendations. In August of 1999, the NCAA Executive Committee voted to suspend implementation of specifications for non-wood bats set to be effective that month until additional test data could be collected.[14] Thereafter, according to an NCAA News Release dated September 28, 1999, the NCAA Executive Committee approved a batted-ball exit speed of 97 miles per hour, stating that "[t]he committee's decision supports a recommendation from the NCAA Baseball Research Panel that solid northern ash wooden bat performance should become the standard for setting limits on all baseball bat performance."[15] However, as previously noted, the Panel recommended a batted-ball exit speed for non-wood bats that equates to the highest *average* exit speed of a Major League Baseball quality, 34 inch, solid wood bat.[16] According to ESPN, the new rule was based on the highest exit speed at which one Major League bat was tested (96.5 miles per hour), rather than based on an average exit speed of such bats as was recommended by the Panel.[17] Moreover, the 97 miles per hour speed limit was based on a wood bat swung at 67 miles per hour, despite the fact that the Panel recommended an 80 mile per hour bat swing speed.[18] Finally, it should be noted that the newly-endorsed 97 mile per hour exit speed represents an about-face for the NCAA Executive Committee, who, as discussed above, previously adopted a 94 mile per hour exit speed recommended by its own Rules Committee.[19] According to Bill Thurston, then-Secretary of the NCAA Rules Committee, "the testing protocol was changed to standards we meant to be illegal."[20] While the NCAA "approved the panel's recommendation of January 1, 2000 as the implementation date for the standard," it declared a three-year moratorium on changes.[21]

The same NCAA press release describing the new 97 mile per hour bat standard states that "[i]n a related matter, the Executive Committee announced that Easton Sports, Inc., has indicated that it will drop a lawsuit filed by the company against the Association in August 1998."[22]

In June of 2000, the NCAA Baseball Research Panel made more recommendations concerning non-wood bat specifications. The recommendations included establishing a moment-of-inertia (MOI) requirement, using a swing-speed sliding scale for non-wood bats in testing and establishing a uniform ball-exit speed based on the highest average exit speed of a 33-inch wooden bat as the standard for certification of non-wood bats."[23] The Panel also recommended raising the pitch speed used during testing to 80 miles per hour (as it suggested in 1999), setting specific standards for baseballs used during testing and ensuring that bats of differing lengths be swung at different speeds during testing.[24] Furthermore, the Panel again recommended that the NCAA collect data to determine the accuracy of testing procedures and support experiments relating to "workhardening."[25]

In response to the Baseball Research Panel's recommendations, the NCAA Rules Committee decided in July of 2000 that there would be no immediate changes

in the specifications for manufacturing baseball bats and balls.[26] Instead, the Rules Committee indicated that an MOI standard would be set "for each bat length and weight based on bats previously certified by the NCAA Bat Certification Program," noting that "[a]ll currently certified bats will meet the MOI standard."[27] Thus it appears that MOI requirements were "grandfathered in" for currently-certified bats as of 2000, and that the floor for MOI control would be based on bats that previously did not have to meet any MOI standards.[28] The Committee also decided to implement a sliding scale (based on the 97 mile per hour ball exit speed) for swing speed based on bat length, effective January 1, 2003.[29] Additionally, the Committee supported the Panel's recommendation to conduct further study on the "work hardening" effect on non-wood bat performance.[30]

The current NCAA standard for testing baseball bat performance requires that any non-wood bat submitted for certification meet the above-mentioned specifications, including having a maximum bat diameter no greater than 2.625 inches, a length to weight differential not exceeding three units without the grip and an MOI about the point of the bat 6 inches from the base of the knob greater than or equal to a specified value.[31] Once a bat is tested under controlled conditions at the Baseball Research Center at the University of Massachusetts, it is assigned a Ball Exit Speed Ratio (BESR) number. If a non-wood bat falls at or below a predetermined BESR value set by the NCAA, then that bat is certified.

Significant controversy continues to surround the NCAA's non-wood bat standards. In addition to concerns voiced with respect to the process by which such standards were adopted, a number of questions have been raised regarding the adequacy of testing used for BESR certification. Those who argue that the current testing is flawed point to the fact that testing protocol does not adequately address a bat's MOI, since the MOI restrictions established by the NCAA for non-wood bats are not comparable to the MOI of wood bats.[32] Indeed, a typical 34 inch wood bat has an MOI of 11,000 oz-in2,[33] while the NCAA MOI scale indicates that a 34 inch non-wood bat may have an MOI of 9530 oz-in2.[34]

Bat mass distribution differs in metal and wood bats of equal mass and length, and a wood bat has more of its weight concentrated in the barrel while a metal bat has more of its weight concentrated closer to the hands.[35] Bats with smaller MOIs (non-wood bats) have the weight concentrated close to the hands and are easier and faster to swing than wood bats, thus producing an increased ball exit velocity.[36] Pursuant to this view, the failure to take into account the real differences in weight distribution between a wood bat and a non-wood bat means that non-wood bats can produce ball exit speeds higher than such speeds purported to be acceptable by the NCAA.[37]

National Federation of State High School Standards and Specifications for Non-Wood Bats

In 2001, the Baseball Rules Committee of the National Federation of State High School Associations (NFHS), which establishes consistent standards and rules for competition across the country, approved the requirement (effective January 1, 2003) that a BESR certification mark be present on all non-wood bats at high school level games.[38] Such a mark "denotes that non-wood bats have a maximum exit speed of 97 miles per hour (under a set of laboratory conditions) and they have met moment-of-inertia requirements, as well as a maximum diameter of the bat and a minus-3 differential between the length and weight of the bat."[39] Both public and private schools in the City adhere to standards adopted by the NFHS.[40]

It appears that before the NFHS Rules Committee approved the BESR changes, it made broader recommendations to the NFHS Board of Directors, which were

rejected in 2000.[41] Two deferred proposals included imposing a more restrictive maximum exit ball speed than the one adopted by the NCAA and establishing an MOI requirement.[42] In making its recommendations regarding the restriction on non-wood bat performance to the Board of Directors, the Rules Committee indicated that it assessed potential rule changes in light of risk minimization, maintenance of an appropriate balance between offense and defense and preservation of the sound traditions of the sport of baseball.[43] The Rules Committee also noted that "[c]ommon sense tells us that ...risk is increased in some measure when balls come off premium non-wood bats at greater exit speeds," and that "[t]he change proposed by the Committee may be viewed, in part, as precautionary against a future uptrend in injuries."[44]

Major League Baseball Standards

Major League Baseball, the organization that oversees elite, professional baseball play in the United States, prohibits the use of non-wood bats in any of its leagues. Pursuant to Major League Baseball rules, wood bats are allowed for Major League play, while wood, wood laminated or wood composite bats are permitted for Minor League Short Season, Rookie Advanced or Rookie League play.[45] No bat may be used in any such elite league unless prior approval is received by the designee of the Commissioner of Major League Baseball.[46] Any wood laminated or wood composite bat submitted for use in professional baseball must meet performance and durability tests, and must thereafter receive final approval from the Commissioner's designee.

The Commissioner of Major League Baseball, Allan H. (Bud) Selig, has written a letter to New York City Council Speaker Christine Quinn in which he expressed support for the Council's efforts to prohibit the use of non-wood bats.[47]

Player Development and Baseball Tradition

In addition to citing safety concerns, those who advocate for a prohibition on the use of non-wood bats note that the use of such bats is harmful to player development and deleterious to the traditional way baseball is supposed to be played. Many baseball purists believe that wood bats are essential to preserve the integrity of the game. Because Major League Baseball prohibits the use of non-wood bats, players without experience using wood bats are arguably at a distinct disadvantage with respect to achieving status as a professional player. Studies have indicated that players who changed from using aluminum bats during NCAA play to using wood bats in the Cape Code League (wood only) experienced a drop of approximately 100 points in their batting averages, while homeruns declined from one per 25 at bats to one per 75 at bats.[48]

It is common knowledge that it is easier to get a hit off a non-wood bat than it is to hit off a wood bat, due in part to its larger sweet-spot. Furthermore, metal bats can produce ball exit speeds at higher velocities than wood bats, as discussed above.[49] This difference in bat performance arguably has a negative effect on batter development, as well as the development of pitchers who have to use "drastically different strategies when pitching against players using aluminum bats than they would if they were pitching against players using wooden bats." [50] For purposes of observing a player's batting talent, Major League Baseball scouts are primarily concerned with seeing players hit with wood, as it is misleading to rely on a player's metal bat performance. [51]

In an effort to provide players with the skills necessary to compete at the professional level, a significant number of all-wood collegiate summer leagues have been established nation-wide, including eight leagues affiliated with the National Alliance of College Summer Baseball (NACSB) and the Cape Cod Baseball League, which as the first NCAA-sanctioned league to go all wood, is widely regarded as the model for summer leagues. Such programs are well known and frequented by scouts looking for prospective professional ball players.[52]

The Move to Switch to Wood

Because of the significant safety concerns regarding the use of non-wood bats, as well as the desire to improve player development and adhere to the traditions of the game, there has been an increasing trend toward prohibiting the use of non-wood bats in favor of wood and wood composite bats. Organizations that have made the switch include the Nassau Suffolk Catholic High School Athletic Association,[53] the Prospect Park Baseball Association of Brooklyn,[54] the Garden City Athletic Association,[55] the North Dakota High School Athletic Association,[56] Wyckoff Township[57] and Montvale.[58] State Legislatures that are considering a ban on non-wood bats include Montana[59] and New Jersey.[60]

Int. No. 341-A

Int. No. 341-A would amend Title 10 of the Administrative Code of the City of New York by adding a new section 10-165.

Section one of the local law would state the legislative findings and intent, noting that the Council finds that the use of non-wood bats poses an unacceptable risk of injury to children, particularly those who play competitive high school baseball. Section two of Int. No. 341-A would amend Title 10 of the Administrative Code by adding a new section 10-165. Subdivision a of §10-165 would provide for the following definitions:

1. "Competitive baseball game" would mean any organized baseball game at which a certified umpire officiates and which takes place in the city of New York.

2. "High school age children" would mean persons older than thirteen years of age, but younger than eighteen years of age.

3. "School" would mean any public or private school which includes any grade nine through twelve and which is located in the city of New York.

4. "Wood bat" would mean any baseball bat constructed exclusively of wood or any wood laminated or wood composite bat, which is approved by major league baseball, pursuant to such organization's official rules, for major league or minor league baseball play; provided that such term shall not include any bat made in whole or in part of metal, including, but not limited to, aluminum, magnesium, scandium, titanium or any other alloy compound.

Pursuant to subdivision b of §10-165, only wood bats shall be used in any competitive baseball game in which high school age children are participants and which involves the participation and/or sponsorship of a school.

Section 3 of Int. No. 341-A would provide that this local law would take effect on September 1, 2007.

Notwithstanding the objection of the Mayor, Your Committee recommends the adoption of Int. No. 341-A.

[53] NSCHAA became a wood only league in spring of 2006. According to its President, Donald Buckley, "We are very proud of our decision and confident that in the long run, it is in the best interest of the children and baseball to continue using the wood bats." Letter from Mr. Buckley dated November 30, 2006, on file with Committee staff.

[54] PPBA prohibited metal bats for its older players in Spring 2007. According to its wood bat policy (on file with Committee staff), "the greatest concern about the increased risk of injury to players using metal versus wood bats lies with older players, who hit the ball harder than younger players." Participating organizations include: 78th Precinct Youth Council, St. Francis Xavier Youth Sports, Camp friendship, Holy Name Fathers Guild, Immaculate Heart of Mary, Brooklyn Angels, Our Lady of Guadalupe, Sacred Heart Youth Program and South Brooklyn Youth Organization.

[55] A January 2007 letter (on file with Committee staff) from the GCAA Board of Directors indicates that a decision was made to switch to wood bats because "[e]very split-second matters." According to the Board, "After careful consideration and review of the issues, we, the GCAA Board, have decided that we respectfully disagree with our colleagues at Little League Baseball, Inc., though we believe their opinion to be sincere and well-intentioned. Our responsibility, first and foremost, is to the children who participate in our programs. While we cannot make our programs risk-free, we can, and must, take all necessary steps to eliminate what we believe are the very real risks presented by metal bats."

[56] NDHSAA voted to switch to wood on June 21, 2005. As per the testimony of Joel Swanson, an NDHSAA Advisory Representative for Baseball and Association Scout for the Tampa Bay Devil Rays, "safety, weather and cost were the main reasons cited for the change." Mr. Swanson also indicated that "[w]ith the introduction of composite bats, we feel this is the perfect situation for ND."

[57] Wyckoff Township Recreation Officials passed the ban in late 2006 for grades 2-8, after Steven Domalewski of Wayne, New Jersey, was seriously injured by a ball hit off a metal bat. Board President Richard Weiner noted, "[w]e thought there was a need [for us] to be pioneers in this area." The Record, Bergen County, "*Rec League Bars Metal Bats*," December 22, 2006.

[58] According to Alan Weinstein, Baseball Commissioner of Montvale's Athletic League, the ban, which was passed in October of 2006 and would affect players in kindergarten through eighth grade, will make kids safer, as well as better hitters. Int. No. 341-A

By Council Members Oddo, Fidler, Sears, White, McMahon, Vallone Jr., Felder, Martinez, de Blasio, Gallagher, Comrie, Mendez, Reyna, Brewer, Stewart, Yassky, Nelson, Seabrook, Addabbo Jr., Recchia, Gioia, Barron, Arroyo, Baez, Palma, Vacca, Koppell, Gonzalez, Lappin, Vann, Ignizio, Rivera and The Public Advocate (Ms. Gotbaum)

A Local Law to amend the administrative code of the city of New York, in relation to prohibiting the use of non-wood bats.

Be it enacted by the Council as follows:

Section 1. Declaration of legislative findings and intent. The Council hereby finds that the use of non-wood bats poses an unacceptable risk of injury to children, particularly those who play competitive high school baseball.

§2. Title 10 of the administrative code of the city of New York is amended by adding a new section 10-165 to read as follows:

§10-165 Prohibition of use of non-wood bats. a. Definitions. When used herein, the following terms shall have the following meanings:

1. "Competitive baseball game" shall mean any organized baseball game at which a certified umpire officiates and which takes place in the city of New York.

2. "High school age children" shall mean persons older than thirteen years of age, but younger than eighteen years of age.

3. "School" shall mean any public or private school which includes any grade nine through twelve and which is located in the city of New York.

4. "Wood bat" shall mean any baseball bat constructed exclusively of wood or any wood laminated or wood composite bat, which is approved by major league baseball, pursuant to such organization's official rules, for major league or minor league baseball play; provided that such term shall not include any bat made in

Report of the Committee on Land Use in favor of approving ULURP Application no. C 050037 ZMQ with modifications, a amendment to the Zoning Map, Community Board 4, Queens.

The Committee on Land Use to which was referred on April 12, 2007 (Minutes, page 1085) and originally reported to the Council on April 12, 2007 (Minutes, page 1036) the annexed Land Use resolution respectfully

REPORTS:

SUBJECT

QUEENS CB - 4 **C 050037 ZMQ**

City Planning Commission decision approving an application submitted by Kopang, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 9d and 10b, establishing within an existing R6B District a C2-4 District bounded by Corona Avenue, Junction Boulevard, 50th Avenue, and a line 100 feet westerly of Junction Boulevard, as shown on a diagram (for illustrative purposes only) dated November 13, 2006.

INTENT

To amend the Zoning Map, Section Nos. 9d and 10b.

Report Summary:

COMMITTEE RECOMMENDATION AND ACTION

DATE: April 11, 2007

The Committee recommends that the Council approve the attached resolution and thereby decision of the City Planning Commission with modification; and further referring this modification back to City Planning Commission.

FILING OF MODIFICATION WITH THE CITY PLANNING COMMISSION

The Committee's proposed modification was filed with the City Planning Commission on April 16, 2007. The City Planning Commission filed a letter dated April 23, 2007, with the Council indicating that the proposed modification is not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Katz and Avella offered the following resolution:

Res. No. 835

Resolution approving with modification the decision of the City Planning Commission on ULURP No. C 050037 ZMQ, a Zoning Map change (L.U. No. 417).

By Council Members Katz and Avella

WHEREAS, the City Planning Commission filed with the Council on March 30, 2007 its decision dated March 28, 2007 (the "Decision"), on the application submitted by Kopang, Inc., pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment to the Zoning Map (ULURP No. C 050037 ZMQ) (the "Application");

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on April 11, 2007;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues and the Negative Declaration, issued on November 13, 2006 (CEQR No. 05DCP009Q);

RESOLVED:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, the Council approves the Decision with the following modification:

Matter ~~strikethrough~~ is old, to be deleted by the City Council;
Matter underlined is new, to be added by the City Council.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section Nos. 9d and 10b, by establishing within an existing R6B District a C2-4 District bounded by Corona Avenue, Junction Boulevard, 50th Avenue, a line perpendicular to the northwesterly street line of 50th Avenue distant 50 feet southwesterly (as measured along the street line) from the point of intersection of the northwesterly street line of 50th Avenue and the westerly street line of Junction Boulevard, a line 50 feet southerly of Corona Avenue, and a line 100 feet westerly of Junction Boulevard, ~~as shown on a diagram (for illustrative purposes only) dated November 13, 2006~~, Community District 4, Borough of Queens.

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

RESOLUTIONS
Presented for voice-vote

The following are the respective Committee Reports for each of the Resolutions referred to the Council for a voice-vote pursuant to Rule 8.50 of the Council:

Report for voice-vote Res. No. 742-A

Report of the Committee on Youth Services in favor of approving, as amended, a Resolution calling upon the United States Congress, the Governor of the State of New York and the New York State Legislature to ensure the continued operation of 21st Century Community Learning Centers.

The Committee on Youth Services to which was referred on March 14, 2007 (Minutes, page 713) the annexed amended resolution respectfully

REPORTS:

On Wednesday, April 18, 2007, the City Council's Committee on Youth Services, chaired by Council Member Lewis Fidler, will conduct a hearing to consider Proposed Resolution No. 742-A.

Background

The 21st Century Community Learning Centers ("Centers") are nationwide after-school programs created by federal statute in 1997 under the 21st Century Community Learning Centers Act.[1] These Centers provide opportunities for students at high-poverty, low-performing schools to participate in youth development and academic enrichment programs, including tutoring services, in order to meet State and local academic standards in core subjects such as reading and math.[2] The Centers serve students in grades K-12, middle school and high school.[3]

The Centers are federally funded and until 2001, the funds were directly awarded to public school districts and their community partners by the U.S. Department of Education. With the reauthorization of The 21st Century Community Learning Centers Act by the 2001 No Child Left Behind Act ("Act"), state education agencies were charged with the responsibility of distributing federal funds to eligible applicants.[4] Pursuant to the Act, the State must use at least 95 percent of the federal

amounts received to award grants to eligible Center grantees.[5] The Act is set to expire in 2007.[6]

Five-year contracts to operate the Centers are awarded through a competitive Request for Proposals (RFP). [7] The contracts awarded to New York State service providers in 2002, known as "the first cohort," are set to expire this June 2007.[8] The first cohort had expected the opportunity to participate in a second RFP for the continued operation of their Centers. [9]

In late February 2007, the State Education Department sent a letter to 207 programs throughout the State informing them that due to a shortage of funds, there would not be an RFP as originally expected.[10] Two hundred and seven Centers, 67 of which are in the five boroughs, will be forced to close in June of 2007 unless other funding is found.[11] Of the approximately 34,000 students that will be without Center services, 60 percent, or 20,000 students, are in New York City.[12]

On April 1, 2007, the State Legislature passed the State budget, which included $7.5 million in aid for the "first cohort" Centers. [13] This is less than a quarter of the estimated $31 million necessary to keep these Centers open for one year. [14] The current funding crisis appears to be a consequence of the State Education Department's management of funds, as well as inadequate federal funding amounts, which has decreased from approximately $98.9 million for the State in 2004 to approximately $90 million in 2006. The State Education Department has stated that the funding shortage is not expected to affect future RFP's for the other cohorts as long as federal funding continues to be issued in its current amounts. [15]

Proposed Resolution No. 742-A

Proposed Resolution No. 742-A would note that 207 21st Century Community Learning Centers throughout New York State, 60 percent of which are located in New York City, are in jeopardy of being shut down in June 2007 due to a funding shortage. The Proposed Resolution would point out that these after-school Centers provide valuable academic support and enrichment opportunities for the children of New York at high-poverty and low-performing schools, and would also point out that these Centers help to improve State literacy and education levels by successfully helping many students to meet State and local standards in core academic subjects, such as reading and math. Additionally, the Proposed Resolution would also state that working parents of approximately 34,000 children in the State have come to depend on the Centers, which operate every day from 3 to 6 pm.

Proposed Resolution No. 742-A would note that the 21st Century Community Learning Centers Initiative is the only federal funding source dedicated exclusively to after-school programs. The Proposed Resolution would point out that while the 2001 No Child Left Behind Act ("Act") includes an annual schedule of authorized amounts to be appropriated to the Centers, each year Congress has consistently appropriated less funding than such authorized amounts. The Proposed Resolution would also point out that the total funding for the nation's Centers appropriated by Congress for fiscal year 2007 was approximately $981 million, which is not even half of the $2.5 billion authorized for appropriation under the Act.

Proposed Resolution No. 742-A would note that pursuant to the Act, the New York State Education Department ("SED") is charged with the responsibility of distributing federal funds to New York State Centers, and would also note that pursuant to the Act, each fiscal year the State must reserve not less than 95 percent of the amount allotted to the State for awards to eligible Center grantees.

Proposed Resolution No. 742-A would note that in February of 2007, the SED announced that due to a shortage of funds there would be no request for proposals issued, as was expected this year, thereby leaving 207 operational Centers State-wide without the opportunity to apply for continued funding.

Proposed Resolution No. 742-A would note that the current funding crisis appears to be a consequence of inadequate federal funding, which has decreased from approximately $98.9 million for the State in 2004 to approximately $90 million in 2006, as well as SED's management of such funds. The Proposed Resolution would also note that the United States Congress should provide adequate funds to enable these Centers to fulfill their mandate under the Act to provide students with opportunities for academic enrichment and other programs that complement the regular academic program.

Proposed Resolution No. 742-A would point out that if the Centers are not funded beyond June of 2007, approximately 34,000 children in 207 Centers in the State will lose vital after-school programs, 20,000 of whom are in New York City.

Proposed Resolution No. 742-A would note that pursuant to the State budget passed on April 1, 2007, the Centers will receive $7.5 million in aid, which is less than a quarter of the $31 million estimated as necessary to keep Centers open for one year. The Proposed Resolution would also note that during a time when the State budget surplus is approximately $1.5 billion, a possible solution would be to amend the State budget to provide a one-year extension of State funds in the additional amount of approximately $23.5 million, for a total amount of $31 million in State aid, which would give the Centers time to secure additional necessary funds while continuing program operation.

Proposed Resolution No. 742-A would note that the Governor of the State of New York should do all that is within his power to ensure that these valuable Centers, which help working parents throughout the State and enrich the lives and academic performance of 34,000 children, will continue to remain open. Finally, Proposed Resolution No. 742-A would state that the SED should ensure that funding for these important Centers is carefully managed so that threats of Center shutdowns do not occur in the future.

Res. No. 742-A

Resolution calling upon the United States Congress, the Governor of the State of New York and the New York State Legislature to ensure the continued operation of 21st Century Community Learning Centers.

By Council Members Fidler, Brewer, Gennaro, Gonzalez, Nelson, Recchia, Seabrook, Weprin, Mark-Viverito, Mendez, Dickens, Liu, Sears and White

Whereas, Two hundred and seven 21st Century Community Learning Centers ("Centers") throughout New York State, 60 percent of which are located in New York City, are in jeopardy of being shut down in June 2007 due to a funding shortage; and

Whereas, These after-school Centers provide valuable academic support and enrichment opportunities for the children of New York at high-poverty and low-performing schools; and

Whereas, The Governor of the State of New York should do all that is within his power to ensure that these valuable Centers, which help working parents throughout the State and enrich the lives and academic performance of 34,000 children, will continue to remain open; and

Whereas, The SED should ensure that funding for these important Centers is carefully managed so that threats of Center shutdowns do not occur in the future; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Congress, the Governor of the State of New York and the New York State Legislature to ensure the continued operation of 21st Century Community Learning Centers.

Pursuant to Rule 8.50 of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing no objections, the Public Advocate (Ms. Gotbaum) declared **Res. No. 742-A** to be adopted.

Adopted unanimously by the Council by voice vote.

Report for voice-vote Res. No. 747

Report of the Committee on Lower Manhattan Redevelopment in favor of approving a Resolution calling upon the United States Environmental Protection Agency to abandon its technically and scientifically flawed 2006 Test and Clean Program, and work with residents and workers, community and labor organizations and elected officials to design an effective, science-based sampling and cleanup program for residences and workplaces in Lower Manhattan, Brooklyn and all affected areas.

The Committee on Lower Manhattan Redevelopment to which was referred on March 14, 2007 (Minutes, page 720) the annexed resolution respectfully

REPORTS:

INTRODUCTION

On April 16, 2007, the Committee on Lower Manhattan Redevelopment, chaired by Council Member Alan J. Gerson, will meet to consider Res. No. 747. Res. No. 747 calls upon the United States Environmental Protection Agency to abandon its technically and scientifically flawed 2006 Test and Clean Program and work to design and implement an effective, science-based sampling and cleanup program to clean dust contaminated in the 9-11 attacks on the World Trade Center from residences and workplaces in Lower Manhattan, Brooklyn and elsewhere in New York City.

BACKGROUND AND ANALYSIS

The attacks on the World Trade Center on September 11, 2001 not only killed and injured thousands but also caused multiple contaminants, including lead, mercury, asbestos and other toxic substances, to be deposited upon and within residences, workplaces, schools and mixed-use buildings in Lower Manhattan and elsewhere in New York City.

The legal responsibility for ensuring a thorough cleanup of these buildings after such acts of terrorism rests with the United States Environmental Protection Agency (EPA), in accordance with federal law as expressed in the National Contingency Plan, the National Response Plan and Presidential Decision Directive 62.

In the summer of 2002, EPA implemented a voluntary residential test and clean program that ultimately provided some cleanup of only 3,425 of the more than 25,000 apartments (and none of the workplaces) below Canal Street in Manhattan. EPA's 2002 program was the subject of substantial criticism, including from EPA's own Office of Inspector General, which, in an August 2003 report, called on EPA to ensure that the cleanup met minimum Superfund site cleanup goals, to treat impacted buildings as a single system rather than simply addressing individual apartments, to include workspaces as well as residences and to include all geographic areas impacted by WTC dust.

In response to the criticism and due particularly to the efforts of Senator Hillary Rodham Clinton and Congressman Jerrold Nadler, in March 2004, EPA convened the World Trade Center Expert Technical Review Panel which was charged with characterizing any remaining exposures and risks, identifying unmet public health needs, and recommending steps to further minimize risks associated with the aftermath of the World Trade Center attacks.

Later that year, in September 2004, the Government Accountability Office (GAO) issued a report entitled "September 11 Health Effects in the Aftermath of the World Trade Center Attack." In that report the GAO described a broad and continuing health impact, based on evidence that thousands of people involved in WTC rescue, recovery and cleanup, as well as those who lived and worked in the WTC vicinity, had been treated for respiratory illnesses.

Further, in testimony before the EPA WTC Expert Technical Review Panel and, on March 29, 2004, before the Council Committee on Lower Manhattan Redevelopment meeting jointly with the Committee on Health, medical experts reported finding evidence of serious, ongoing, and still emerging 9-11 related environmental health impacts among Ground Zero workers, and downtown and Brooklyn residents and workers.

Finally, on November 29, 2005, twenty months after the creation of its Expert Technical Review Panel, the EPA released a revised, "final Test and Clean Program" without the endorsement of the Technical Review Panel. Thereafter, on December 13, 2005, the Panel met for the last time and was disbanded.

On February 27, 2006, the Council Committee on Lower Manhattan Redevelopment held a hearing on the status of EPA's cleanup of WTC dust contamination in Lower Manhattan and elsewhere. Although EPA declined the Committee's invitation to testify at the hearing, among the witnesses who did testify were representatives of New York City's Departments of Environmental Protection and Health and Mental Hygiene, EPA's Expert Technical Review Panel, Congressman Jerrold Nadler, representatives of Manhattan Community Board No. 1 and of other elected officials and community groups. Most of the witnesses criticized EPA's 2005 Test and Clean Program as being inadequate, grossly underfunded and technically and scientifically flawed.

Thereafter, on April 28, 2006, the Council Committee on Lower Manhattan Redevelopment considered and adopted Res. No. 187-A which spelled out many of the most significant criticisms of the EPA's 2005 "Test and Clean Program", and called on EPA to abandon its flawed program and to design an effective cleanup plan for residences and workplaces in all affected areas. On May 10, 2006, Res. No 187-A was adopted by the Council.

In fact, EPA did give further consideration to its 2005 "Test and Clean Program" which delayed the plan's implementation. Eventually, however, in December 2006, EPA announced a "new" and final "test and clean" program which it planned to put into effect beginning in early 2007. The new plan, however, is essentially identical to EPA's earlier plan and continues to receive strenuous criticism from community groups, labor and all the elected officials representing the affected areas.

On January 11, 2007, the Council Committee on Lower Manhattan Redevelopment held a follow-up hearing to consider the EPA's new and "final" plan for cleanup of WTC dust contamination from indoor spaces. This time, EPA Region II Administrator, Alan Steinberg, testified and defended the EPA Program. But an array of scientific, community and labor witnesses, as well as elected officials, denounced the new plan as no better than previous plans and called on EPA to withdraw it.

Res. 747 spells out in some detail many of the most significant criticisms of EPA's 2006 "Test and Clean Program". It notes that the program again limits cleanup to the area south of Canal Street and west of Pike and Allen Streets, thus excluding parts of Lower Manhattan and all of Brooklyn that were subject to the 9-11 dust plume and the smoke and dust from the ongoing fires that burned for weeks after 9-11. It notes that the Program again excludes workplaces, again proposes to test and, if necessary, clean individual apartments rather than addressing buildings as integrated systems, and again fails to provide cleanup of building heating and ventilation systems thus, according to critics, making it likely that cleaned spaces will be recontaminated.

Further, it points out that the $7 million available for the Program is grossly insufficient to test and clean the residences and workplaces in all the affected parts of Manhattan, Brooklyn and elsewhere in New York City.

EPA has defended its 2006 Program as being scientifically sound, but its arguments have not satisfied critics, especially those living and working in the affected communities.

Accordingly, Your Committee recommends its adoption.

Pursuant to Rule 8.50 of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing no objections, the Public Advocate (Ms. Gotbaum) declared **Res. No. 747** to be adopted.

Adopted unanimously by the Council by voice vote.

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Public Safety and have been favorably reported for adoption.

Report for Res. No. 822

Report of the Committee on Public Safety in favor of approving a Resolution denouncing the massacre at the Virginia Polytechnic Institute and State University located in Blacksburg, Virginia, expressing outrage at the senseless casualties suffered by students and faculty, and offering solidarity and support to the Virginia Tech and Blacksburg communities.

The Committee on Public Safety to which was referred on April 23, 2007 the annexed resolution respectfully

REPORTS:

I. INTRODUCTION

On April 23, 2007 the Committee on Public Safety, chaired by Council Member Peter F. Vallone Jr., will conduct a hearing and vote on a Preconsidered Resolution denouncing the massacre at the Virginia Polytechnic Institute and State University ("Virginia Tech") located in Blacksburg, Virginia, expressing outrage at the senseless casualties suffered by students and faculty, and offering solidarity and support to the Virginia Tech and Blacksburg communities.

This Resolution follows the April 16, 2007 massacre at Virginia Tech, which left thirty-three students and faculty members dead and at least twenty other individuals wounded. Cho Seung-Hui, a 23-year-old senior at Virginia Tech, while wielding two handguns, first shot and killed two people in a residence hall and then burst into an academic building and opened fire on students and faculty before taking his own life.

In response to this devastating tragedy, the Resolution offers the solidarity and support of the Council of the City of New York to the Virginia Tech and Blacksburg communities, and to all of the affected loved ones throughout the country and the world. The Council denounces this massacre and expresses outrage at the many senseless injuries inflicted and casualties suffered. It is the Council's hope that expressions of support such as this may aid the community in its healing process.

(For text of the resolution, please see the Introduction and Reading of Bills section printed in these Minutes).

Pursuant to Rule 8.50 of the Council, the Public Advocate (Ms. Gotbaum) called for a voice vote. Hearing no objections, the Public Advocate (Ms. Gotbaum) declared **Res. No. 822** to be adopted.

Adopted unanimously by the Council by voice vote.

Int. No. 563

By Council Members Fidler, Nelson, Gonzalez, James, Koppell, Weprin and White

A Local Law to amend the administrative code of the city of New York, in relation to the sale of personal watercraft and specialty prop-craft.

Be it enacted by the Council as follows:

Section 1. Chapter five of title twenty of the administrative code of the city of New York is amended by adding a new subchapter sixteen to read as follows:

Subchapter 16. PERSONAL WATERCRAFT

§20-810. Definitions. a. "Personal watercraft" means a vessel which uses an inboard motor powering a water jet pump as its primary source of motive power and which is designed to be operated by a person sitting, standing, or kneeling on, or being towed behind the vessel rather than in the conventional manner of sitting or standing inside the vessel.

b. "Specialty prop-craft" means a vessel which is powered by an outboard motor or a propeller driven motor and which is designed to be operated by a person sitting, standing or kneeling on, or being towed behind the vessel rather than in the conventional manner of sitting or standing inside the vessel.

c. "Retailer" shall mean any person, firm, corporation or partnership that sells, leases, hires, or rents to the public personal watercraft or specialty prop-craft, or offers for sale, lease, hire or rent to the public personal watercraft or specialty prop-craft.

§20-811. Prohibitions. a. No retailer shall sell, lease, hire, or rent a personal watercraft or a specialty prop-craft to any person unless:

1. such person is sixteen years of age or older;

2. the retailer, prior to completion of such sale, lease, hire or rental of such personal watercraft or specialty prop-craft to such person, explains and demonstrates to such person by video or actual in-water demonstration the operating procedures for such personal watercraft or specialty prop-craft and the use of such vessel's safety equipment;

3. such person, after receiving the explanation and demonstration required pursuant to paragraph two of this subdivision, demonstrates to such retailer the ability to operate such vessel and use the applicable safety equipment;

4. such person has presented genuine proof of identification and age and has demonstrated compliance with section forty-nine of the New York state navigation law, to such retailer prior to the time of sale, lease, hire or rental of such vessel; and

5. such retailer, at the time of such sale, lease, hire or rental, records the name, address and age of the user of the vessel sold, leased, hired or rented, and the model, year, name of manufacturer, and state registration or federal documentation numbers of such vessel. Such records shall be maintained for a period of not less than one year.

b. No retailer shall sell lease, hire, or rent a personal watercraft or a specialty prop-craft unless such vessel is equipped with:

1. a United States Coast Guard approved device for arresting carburetor backfire;

2. at least two ventilators fitted with cowls or their equivalent for the purpose of properly and efficiently ventilating the bilges of every engine and fuel tank compartment in order to remove any inflammable or explosive gases provided, however, if the vessel is constructed so as to have the greater portion of the bilges under the engine and fuel tanks open and exposed to the natural atmosphere at all times such vessel need not be fitted with such ventilators;

3. an efficient sound producing mechanical appliance, other than a siren, capable of producing a blast of two seconds or more in duration and of such strength as to be heard plainly for a distance of at least one-half mile in still weather;

4. a fluorescent-orange distress flag which shall be a minimum of one foot square in size or other appropriate United States Coast Guard-approved visual distress signal; and

5. a notice no less than six inches in length and one inch in height permanently affixed to a clearly visible and indispensable part of the personal watercraft or specialty prop-craft in a clearly distinguishable font and color that reads: "Pursuant to section 73-a of New York State Navigation Law, no person shall operate or ride this craft unless each person is wearing a securely fastened United States Coast Guard approved personal flotation device."

§20-812. Penalties. Any retailer that violates section 20-811 of this subchapter shall be liable for a civil penalty of five hundred dollars per violation. Such penalties shall be recovered in a civil action or in a proceeding commenced by the service of a notice of hearing that shall be returnable before the administrative tribunal of the department.

§20-813. Police officers, and authorized employees of the department and any other agency designated by the mayor, shall have the authority to enforce the provisions of this section.

§2. This local law shall become effective sixty days after its enactment into law.

Referred to the Committee on Waterfronts.

Int. No. 564

By Council Members Garodnick, Brewer, Fidler, Gonzalez, James, Koppell, Martinez, Sanders, Seabrook, Weprin and White

A Local Law to amend the administrative code of the city of New York, in relation to enforcing the Energy Conservation Construction Code of New York State.

Be it enacted by the Council as follows:

Section 1. Statement of findings and purpose.

The Energy Conservation Construction Code of New York State (the Energy Code) sets standards for the energy performance of buildings throughout New York. However, while the Energy Code states that its administration and enforcement within municipalities is the "responsibility" of that municipality, the Code does not dictate the manner of such enforcement. In addition, for existing buildings, the Energy Code only applies when a renovation leads to the replacement of at least 50% of a building's subsystem or subsystems, meaning there are no energy efficiency requirements for many renovation projects of a lesser magnitude or lower threshold.

Accordingly, the Council declares that it is reasonable and necessary to establish parameters to enforce the Energy Conservation Construction Code of New York State within New York City and to impose energy standards for renovation projects of a lower threshold than that mandated by the Energy Code.

§2. Chapter one of title 27 of the administrative code of the city of New York is amended by adding a new subchapter 20 to read as follows:

Subchapter 20

Energy Performance

§27-1080 Definitions.

§27-1081 Enforcement of the energy code.

§27-1082 Inspection of compliance documents.

§27-1083 Guidance for renovations.

§27-1080 Definitions. a. The following definitions shall apply for the purposes of this subchapter:

(1) "Design professional" means a registered architect or professional engineer licensed by the New York state department of education;

(2) "Energy code" means the energy conservation construction code of New York state as provided for in article 11 of the energy law, or any portion thereof, and any modification of or amendments thereto;

(3) "Equipment" means plumbing, heating, electrical, insulating, ventilating, air conditioning, and refrigerating equipment, elevators, escalators, and other mechanical additions or installations but does not include any items constituting an industrial or commercial process;

(4) "Subsystem" shall mean a building assembly made up of various components which serve a specific function, including but not limited to exterior walls, roof and ceiling, floors, lighting, piping, ductwork, and equipment.

§27-1081 Enforcement of the energy code. a. The department shall enforce the energy code and shall not grant any permit for the construction or alteration of a building or structure or for any other type of permit for a project that is subject to the energy code unless the department has received a signed written statement from a design professional stating that to the best of his or her knowledge, belief and professional judgment, the plans and specifications are in compliance with the energy code or a statement from such design professional that such plans or specifications did not meet the minimum threshold necessary to mandate compliance with the energy code or any energy performance measures established pursuant to this subchapter.

b. A design professional shall provide to the department a written certification that after the completion of any test or series of tests, such as those for heating, ventilation and air conditioning and system balancing required under the energy code, in the professional opinion of the design professional, the appropriate system is operating as designed. The design professional shall retain copies of the test reports for a minimum period of twenty years.

c. Whenever plans or specifications are submitted in connection with applications for building permits, such plans or specifications shall show all data and features of the building, the equipment, and the subsystems in sufficient detail to permit an evaluation by the department of such plans or specifications for compliance with the energy code. The plans shall clearly note the applicable provisions of the energy code and the method used to achieve compliance.

d. Documentation to verify compliance with the energy code shall be made available when requested by the department to permit an evaluation by the department of any plans or specifications for compliance with such energy code.

§27-1082 Inspection of compliance documents. The department shall inspect the plans and any necessary documentation required under or requested pursuant to subdivisions c and d of section 27-1081 of this code prior to granting a permit for at least twenty percent of the applications for permits for projects subject to the energy code in any given fiscal year.

§27-1083 Guidance for lesser renovations. By July 1, 2008, the department shall develop rules to impose energy performance measures for a building subsystem or subsystems not subject to the energy code because less than fifty percent of such building subsystem or subsystems is being replaced. Such rules shall, at a minimum, include requirements for lighting, windows, heating, air conditioning and ventilation.

§3. If any section, subdivision, sentence, clause, phrase or other portion of this local law is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§4. This local law shall take effect on July 1, 2007; provided, however, that if Local Law 99 of 2005 becomes effective after July 1, 2007, this local law shall take effect on such later date; and further provided that the commissioner of buildings shall take all actions necessary, including the promulgation of rules, to implement this local law on or before the date upon which it shall take effect.

Referred to the Committee on Housing and Buildings.
