PERFORM INITIAL MEDICARE PART B BILLING – CP1 – PIN# 011050250029 – DUE: 10-28-04 AT 4:00 P.M. This Request for Proposals (RFP) is issued to select a vendor to perform initial Medicare Part B billing for all of Diagnostic and Treatment Centers of the New York City Health and Hospitals Corporation (NYCHHC) network.

Copies of the RFP may be downloaded from the NYCHHC website (http://nyc.gov/hhc) under "What's New - Contracting Opportunities". Printed copies of the RFP may be obtained for $25 by visiting Revenue Management, 160 Water Street, 7th Floor, New York, NY 10038, between 10:00 a.m. and 4:00 p.m. beginning Wednesday, October 13, 2004. Please note that late or unsealed proposals shall not be accepted or considered.

The RFP does not commit the Corporation to award a contract, or to pay cost incurred in the preparation of the response to the RFP. The Corporation reserves the right to accept or reject any or all proposal(s) received as a result of this RFP, to negotiate with any qualified offeror(s) or to cancel in part or in its entirety, this RFP, if the Corporation deems that it is in its best interest to do so. Document Control Number 1768.

The Corporation is seeking to enter into an agreement for a period of one year with the option to renew for two addtional one-year extensions, at the sole discretion of the Corporation, with a firm with demonstrated expertise and experience in providing electronic billing services for institutional providers and practitioners in New York State.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
HHC, Revenue Management, 160 Water Street, Room 742, New York, NY 10038. Attn: Jacqueline Huey, Senior Director (646) 458-3411 or Fax (646) 458-3435.

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement
33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

Human / Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

GENSOURCE SOFTWARE MAINTENANCE RENEWAL – Sole Source – Available only from a single source - PIN# 02505XMIS037 – DUE 11-05-04 AT 5:00 P.M. – The New York City Law Department intends to enter into sole source negotiations with StrataCare, Inc. for provision of GenSource Software Maintenance Renewal for the Workers' Compensation Division's Claims Processing System. The System runs on an IBM R/S 6000 minicomputer platform under IBM's UniVerse Database. GenSource, a Division of StrataCare, Inc. ("GenSource"), was recently purchased by StrataCare, Inc. GenSource is the sole owner of the GenCOMP and GenRISK software products that the Law Department has licensed to use. Both products are proprietary to GenSource and therefore GenSource is the only vendor capable of providing service for these products. Software maintenance services includes, in part, but is not limited to, maintenance services for UniVerse database; periodic application updates; installation of bug fixes; remedial On-call Mainteance Services; Error verification and classification, and the Correction of Errors in the Application Programs. The requirement is for maintenance on one hundred and sixty (160) licenses. Any firm that believes it can provide the above-referenced services is invited to do so indicated by letter, which must be received no later than the vendor response date indicated in this notice.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Law Dept., 100 Church Street, Room 6-221, New York, NY 10007. Leslie Doddato (212) 788-1131 ldoddato@law.nyc.gov

YOUTH AND COMMUNITY DEVELOPMENT

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, November 4, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M. on the following:

IN THE MATTER of a proposed contract between the Department of Youth and Community Development and Friends of the High Line, 430 West 14th Street, New York, NY 10014, for the administration of a program dedicated to the preservation and community reuse of the High Line, an elevated rail structure on the west side of Manhattan. Program goals include community outreach for ideas and support, the completion and publication of a master plan, and the creation of a governance plan. The term of the contract shall be from July 1, 2004 to June 30, 2005 and shall contain no options to renew. The contract amount is not to exceed $200,000.00. PIN# 26005038052C.

The proposed contractor is being funded through City Council Discretionary Funds appropriation, pursuant to Section 1-02 (e) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Department of Youth and Community Development, Office of the ACCO, 156 William Street, 2nd Floor, New York, NY 10038, on business days, between the hours of 9:00 A.M. and 5:00 P.M., from October 22, 2004 to November 4, 2004, excluding holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within 5 days after publication of this notice. Written requests to speak should be sent to Ms. Patricia Chabla, Agency Chief Contracting Officer, 156 William Street, 2nd Floor, New York, NY 10038, pchabla@dycd.nyc.gov. If the Department of Youth and Community Development receives no written requests to speak within the prescribed time, the Department reserves the right not to conduct the public hearing.

IN THE MATTER of a proposed contract between the Department of Youth and Community Development and Ridgewood Bushwick Senior Citizens Council, 1474 Gates Avenue, Brooklyn, NY 11237, for the administration of a youth recreation and leadership program offering sports and community development activities. The term of the contract shall be from July 1, 2004 to June 30, 2005 and shall contain no options to renew. The contract amount is not to exceed $25,000.00. PIN# 26005022515C.

The proposed contractor is being funded through City Council Discretionary Funds, pursuant to Section 1-02 (e) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Department of Youth and Community Development, Office of the ACCO, 156 William Street, 2nd Floor, New York, NY 10038, on business days, between the hours of 9:00 A.M. and 5:00 P.M., from October 22, 2004 to November 4, 2004, excluding holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within 5 days after publication of this notice. Written requests to speak should be sent to Ms. Patricia Chabla, Agency Chief Contracting Officer, 156 William Street, 2nd Floor, New York, NY 10038, pchabla@dycd.nyc.gov. NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the President of the Borough of Brooklyn by section 82 of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter that the Office of the President of the Borough of Brooklyn (the "Office") intends to adopt a new rule regarding the increase of the fee for a certain service and the establishment of a fee for a certain service provided by the Topographical Bureau.

Written comments regarding this amendment may be sent to the Chief Engineer, Topographical Bureau, Brooklyn Borough Hall, 209 Joralemon Street, Room 340, Brooklyn, NY 11201, on or before December 1, 2004. A public hearing will be held on November 24, 2004 at 10:00 am., Room 100, Community Room, 1st Floor Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY. Persons seeking to testify are requested to notify Kellie O'Brien, Office Manager, Topographical Bureau, 209 Joralemon Street, Room 340, Brooklyn, NY 11201. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided are asked to notify Ms. O'Brien at the foregoing address by November 12, 2004. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:30 a.m. and 4:30 p.m. in the Topographical bureau at the above address.

New matter is underlined; matter deleted is [bracketed].

Section 1. Section 2-15 subchapter C of Chapter 2 of Title 45 of the Rules of the City of New York is amended by adding two new subdivisions (f) and (g) to read as follows:

(f) "Vanity Address Assignment" means an address that is not a sequential house number, but instead refers to a geographical destination, e.g. One Metro Tech, or a new designation not including a street name, e.g. Bartel Pritchard Square.

(g) "Vanity Address Application" means the filing of an application or a request with the Topographical Bureau requesting:

(i) the review of the appropriateness of a proposed address that is not a sequential house number, but instead refers to a geographical destination, e.g. One Metro Tech, or a new designation not including a street name, e.g. Bartel Pritchard Square; and
(ii) issuance of a Vanity Address Assignment for an existing or proposed building (or a portion thereof);

Section 2. Section 2-16 of subchapter C of Chapter 2 of Title 45 of the Rules of the City of New York is amended as follows:

§2-16 Schedule of Fees, Charges and Limitations.

(a) The fees for the processing of the below listed applications and requests submitted to the Topographical Bureau shall be as follows:

	Fee
(1) street number application	[$50] $100.00 per street number
(2) street status review and report	$250.00 per block face
(3) alteration map review	$3,000.00 per map (A separate additional fee of $3,000 is required if a proposed alteration of the City Map will also require the discontinuance and closing of a portion of a street.)
(4) vanity address application	$5,500.00

Statement of Basis and Purpose

The Topographical Bureau of the Office of the Borough President of Brooklyn is responsible for maintaining the official City Map for the borough and for assigning street addresses and vanity addresses to buildings located in the borough. This responsibility includes detailed review and analysis of drawings, maps, surveys, and other information maintained by the Topographical Bureau, other City, State, and Federal agencies and submitted by applicants. These Charter mandated activities require the dedication of substantial resources by the Topographical Bureau. In order to continue to provide these essential services to members of the public, the Office of the Brooklyn Borough President proposes to charge the fees set forth in this rule.

CAMPAIGN FINANCE BOARD

■ NOTICE

Notice of Opportunity to Comment on Proposed Amendments to Campaign Finance Board Rules

IN COMPLIANCE WITH SECTION 1043 OF THE NEW YORK CITY CHARTER, and exercising authority vested in the Campaign Finance Board (the "Board") under Chapter 46 of the New York City Charter (including, but not limited to, Section 1052(a)(8) thereof) and under the New York City Campaign Finance Act (the "Act") (including, but not limited to, Section 3-708(8) of the New York City Administrative Code (the "Administrative Code"), the Board hereby proposes amendments to the Campaign Finance Board Rules. Underscoring denotes proposed additions; ~~strikeout~~ denotes proposed deletions.

I. Explanation, Basis, and Purpose

The Campaign Finance Board Rules (the "Rules") are codified in Chapter 52 of the Rules Compilation of the City of New York. The subject matter of this rulemaking was described in the Board's regulatory agenda for fiscal year 2005, published in The City Record on April 23, 2004.

The proposed amendments would effect the following specific changes, and if adopted following the opportunity for public comment, would take effect thirty days after final publication in The City Record.

Reporting Employment Information of Contributors (Rules 3-03(c)(6) and 5-01(d)(11))

Administrative Code Section 3-703(6) provides that disclosure statements must include employment information for any contributor who contributes more than $99 to a participant. However, the current Rules 3-03(c)(6) and 5-01(d)(11) permit the Board to match contributions of between $99 and $500 without such employment information. The proposed amendment would conform provisions of the Rules (*see* Rules 3-03(c)(6) and 5-01(d)(11)) to the plain language requirements of the law by providing that contributions in excess of $99 will not be matchable if employment information is not reported.

Contributions from a Single Source (Rules 1-04(h) and (i))

Pursuant to Rule 1-04(h), contributions from a single source are totaled for the purposes of compliance with the contribution limits. The policy rationale of the rule is to prevent a contributor from circumventing the purpose of the contribution limits by arranging for contributions by another or multiple other entities whose decisions to contribute to a participant are controlled or substantially influenced by that contributor.

The percentage of contributions from entities, as opposed to individuals, increased in the 2003 City Council Elections. Aside from concerns of undue influence attendant to this increase (*see* the Board's 2003 post-election report, *City Council Elections*, Chapter 2 and p. 47, available at www.nyccfb.info), larger contributions from an increased number of entities made the single-source rule a salient issue, as many contribution limit violations were comprised of contributions from multiple entities constituting a single source. The Board has a long-standing recommendation to prohibit participants from accepting contributions from all entities. As long as participants are permitted to accept these contributions, however, the Board believes the single-source rule requires strengthening and clarification to better establish the types of entities that will be considered single sources and to provide clearer guidance to participants about those single sources.

The proposed amendment would supplement the factors currently contained in the rule and provide a presumption that certain limited liability partnerships, limited liability companies, and labor organizations would be considered single sources for the purposes of compliance with the contribution limits. In addition to curbing the potential undue influence of large organizational contributors on elected participants, establishing clear lines of attribution among certain types of entities through these presumptions should make it easier for participants to comply with the single-source rule. For entities not covered by the presumption, the factors currently in the rule would be applied.

Codifying Advisory Opinion No. 2001-6 (June 14, 2001), the proposed amendment would provide that separate limited liability companies and limited liability partnerships that have a common managing member or a common general partner will be presumed to be a single source for purposes of compliance with the contribution limits. (Where appropriate, such as when a limited liability company's managing member is also the general partner of a limited partnership, the presumption would aggregate contributions from the limited liability company and the limited liability partnership.) Consistent with the Advisory Opinion, registered limited liability partnerships established pursuant to Article 8-B of the New York State Partnership Law, which are not governed in the same manner as other partnerships, would not be covered by the presumption.

The proposed amendments also would clarify that a labor organization is presumed to have established, maintained, or controlled all of its subordinate organizations and that contributions from a labor organization and its subordinate organizations therefore are considered to be from a single source for purposes of compliance with the contribution limits. The proposed amendments would adapt the language of the single-source regulations of the Federal Election Commission ("FEC"). *See* 11 C.F.R. §§ 100.5(g) and 110.3(a). Where the FEC has enacted a per se rule, however, the proposed amendments would only presume that the following are single sources: a union, together with its political committees; a parent union, such as an international/national union, together with all of its regional, state, intrastate, and local unions; and an organization of international/national unions, such as the AFL-CIO, together with all of its regional, state, intrastate, and local bodies. *See id.*

While the Board's experience supports a proposal to attribute contributions from an international or national union and its subordinate unions to a single source, the Board does not believe the record supports codifying a presumption that an organization of international/national unions and its affiliated member unions are a single source. The Board recognizes that whereas international and national unions usually exercise substantial control over their subordinate unions, organizations of international/national unions tend to function as umbrella groups with little authority over the decisions of their loosely affiliated member unions. The

proposed amendments would thus parallel the treatment federal campaign finance law affords umbrella groups. *See* Federal Election Campaign Act, 2 U.S.C.A. §441a(a)(5); 11 C.F.R. §§ 100.5(g) and 110.3(a); *FEC v. Sailors' Union of the Pacific Political Fund*, 828 F.2d 502 (9th Cir. 1987). The proposed amendments would not change the Board's authority to continue to aggregate contributions from an umbrella group and its affiliated unions when appropriate, on a case-by-case basis, by applying the factors currently in Rule 1-04(h).

II. Opportunity to Comment

Written comments regarding the proposed rules must be submitted to the General Counsel of the Campaign Finance Board, 40 Rector Street, 7th Floor, New York, on or before November 22, 2004. A public hearing will be held on November 22, 2004 at the offices of the Board, beginning at 10:00 a.m. Persons wishing to testify are requested to notify the General Counsel of the Board at the foregoing address. Written comments and a transcript of the hearing will be available for public inspection, within a reasonable time after receipt, at the offices of the Board on weekdays between the hours of 9:00 a.m. and 5:00 p.m.

III. Proposed Rules

Reporting Employment Information of Contributors (Rules 3-03(c)(6) and 5-01(d)(11))

Campaign Finance Board Rule 3-03(c)(6) would be amended as follows:

> **(6) Employment information.** The participant need not report the occupation, employer, or business address of any contributor making contributions totaling $99 or less. Matchable contribution claims on contributions ~~of $500 or more~~ totaling more than $99 shall be invalid unless the participant has reported the contributor's occupation, employer, and business address.

Campaign Finance Board Rule 5-01(d)(11) would be amended as follows:

> (11) contributions ~~of $500 or more~~ totaling more than $99 for which a participant has not reported the contributor's occupation, employer, and business address;

Contributions from a Single Source (Rules 1-04(h) and (i))

Campaign Finance Board Rule 1-04(h) would be amended as follows:

> **(h) Multiple contributions from a single source.** If a participant accepts more than one contribution from a single source, the contributions shall be totaled to determine the participant's compliance with the applicable contribution limit. A "single source" includes any person, persons in combination, or entity who or which establishes, maintains, or controls another entity and every entity so established, maintained, or controlled, including every political committee established, maintained, or controlled by the same person, persons in combination, or entity.
>
> (1) General factors. Factors for determining whether a person, persons in combination, or an entity establishes, maintains, or controls another entity include, but are not limited to:
>
> > (i) whether the person or entity makes decisions or establishes policy for the other entity, including determinations of the recipients of its contributions and the purposes of its expenditures;
> >
> > (ii) whether the person or entity has the authority to hire, appoint, discipline, discharge, demote, remove, or otherwise influence other persons who make decisions or establish policies for the other entity;
> >
> > (iii) whether contributions made by the person or entity and the other entity reflect a similar pattern; and
> >
> > (iv) whether the person or entity knows of and has acquiesced in public representations by the other entity that it is acting on its behalf or under its direction.
>
> (2) Labor organizations. The following shall be presumed to be single sources for the purpose of compliance with the applicable contribution limit:
>
> > (i) a single national or international union, together with any political committee of such union, and the regional, state, intrastate, local and other subordinate organizations of the national or international union, along with any political committees of such subordinate organizations;
> >
> > (ii) an organization of national or international unions, together with any political committee of such organization, and the regional, state, intrastate, and local central bodies of such organization, along with any political committee of such bodies.
>
> For the purposes of this paragraph, a "labor organization" shall mean any organization of any kind, or any agency or employee representation committee, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work. A "labor organization" shall also include any organization of labor unions.
>
> **(3) Limited liability partnership and limited liability company contributions.**
> A general partner or general manager and each limited partnership and limited liability company it controls shall be presumed to be a single source for the purpose of compliance with the applicable contribution limit, except that this paragraph shall not apply to registered limited liability partnerships established pursuant to Article 8-B of the New York State Partnership Law.

Campaign Finance Board Rule 1-04(i) would be amended as follows:

> **(i) Partnership and limited liability company contributions.**
>
> (1) Every contribution made by a partnership is considered to be a contribution by (i) the partnership as a whole; and (ii) by its partners to the extent required by state law. In addition, the provisions of Rule 1-04(h) shall be applied to contributions from partnerships for the purposes of compliance with the contribution limits.
>
> (2) Every contribution made by a limited liability company (i) is considered to be a contribution by the limited liability company as a whole, and (ii) to the extent such contribution, together with all other contributions from such limited liability company to any one participant, exceeds $2,500 in the aggregate, is considered to be a contribution by each member whose share of the contribution exceeds ninety-nine dollars. In addition, the provisions of Rule 1-04(h) shall be applied to contributions from limited liability companies for the purposes of compliance with the contribution limits.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ.....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ.....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA.....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA.....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB.....Procurement Policy Board
PQ.....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE.....Service Contract Short-Term Extension
DP.....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations/Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement/**only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition
For ongoing construction project only:
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE.....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)
OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

Tax Commission
Meets in Room 936, Municipal Building, Manhattan, New York 10007, each month at the call of the president.

BRONX BOROUGH PRESIDENT

■ PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. on Tuesday, October 26, 2004 at 10:00 a.m.. The hearing will take place in the office of the Borough President, 198 East 161st Street (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CD 1-ULURP APPLICATION NO: C 050060 ZMX- IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. changing from an R6 district to an R7-2 District property bounded by Concourse Village East, Morris venue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. changing from an C8-3 District to an R7-2 District property bounded by Concourse Village East, the centerline of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

3. establishing within the proposed R7-2 District a C2-4 District bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 westerly of Morris Avenue, and East 153rd Street;

Community District 3, Borough of The Bronx, as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1-ULURP APPLICATION NO: 050061 HAX-IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a. the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59, and 60) as an Urban Development Action Area; and

   b. an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate construction of an eight-story missed use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1-ULURP APPLICATION NO: 050062 HUX-IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development pursuant to Section 503 Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan;

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).

2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2 "Land Amends Section C.2.a, "Residential: has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate Income," and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.

3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.

4. Has been modified to conform to the current HPD language, terminology and methodology for urban removal plans.

These changes would facilitate development of an eight story mixed use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

ANYONE WISHING TO SPEAK MY REGISTER AT THE HEARING. PLEASE CONTACT THE BOROUGH PRESIDENT'S OFFICE AT (718) 590-6124 WITH ANY QUESTIONS CONCERNING THIS MATTER.

o19-25

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, November 3, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 050060 ZMX**

IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. **changing from an R6 District to an R7-2 District property bounded by** Concourse Village East, Morris Avenue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. **changing from a C8-3 District to an R7-2 District property bounded by** Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street; and

3. **establishing within the proposed R7-2 District a C2-4 District bounded by** Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1 **C 050061 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59 and 60) as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1 **C 050062 HUX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan:

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).

2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2, "Land Use Plan." Section C.2.a, "Residential" has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate income", and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.

3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.

4. Has been modified to conform to the current HPD language, terminology and methodology for urban renewal plans.

These changes would facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

BOROUGH OF BROOKLYN

CD 7 **C 020573 ZMK**

IN THE MATTER OF an application submitted by Lutheran Medical Center and Shore Park Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 22a:**

1. **changing from an M3-1 District to an R6 District property bounded by** Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street; and

2. establishing within the proposed R6 District a C1-3 District bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street;

as shown on a diagram (for illustrative purposes only) dated August 23, 2004.

CD 7 **C 030020 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for the removal of the "Community Facility Use Only" restriction on property located at the corner of 56th Street and Second Avenue, (Block 836, p/o lot 19).**

Note: This formally city-owned property was sold with the above restriction pursuant to an application (C900433 PPK) submitted by the Department of Citywide Administrative Services and approved by the City Planning Commission on October 10th, 1990 (Cal. No. 43).

BOROUGH OF MANHATTAN

CD 11 **C 050032 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2081, 2083, 2085, 2087, 2089, and 2091 Madison Avenue, 43, 45/47, and 49 E. 131 Street, and 46 E. 132 Street (Block 1756, Lots 21-26, 28, 45, 51, and 52), as an Urban Development Action Area; and

   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of the above properties, except 2081 Madison Avenue (Block 1756, Lot 24), to a developer to be selected by HPD;

to facilitate development of a ten-story building tentatively known as The Nave, with approximately 118 units of housing, retail space and a day care center, to be developed under the New York State Homes for Working Families Program.

CD 1 **C 040048 ZSM**

IN THE MATTER OF an application submitted by 380 Broadway LLC pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (GENERAL PROVISIONS) to allow residential use (Use Group 2 uses) on the 2nd through 5th floors of an existing five-story building located at 380-382 Broadway** (Block 195, Lot 1), in an M1-5 District, within the Tribeca East Historic District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

YVETTE V. GRUEL, Calendar Officer
City Planning Commission
22 Reade Street, Room 2E
New York, New York 10007

CITY PLANNING

■ **PUBLIC HEARINGS**

PROPOSED 2005 CONSOLIDATED PLAN
30 DAY PUBLIC COMMENT PERIOD
AND PUBLIC HEARING

A **PUBLIC HEARING** on the formulation of the Proposed 2005 Consolidated Plan: the Five-Year Strategy 2005 - 2009 for HUD Entitlement Funds will be held on **November 4, 2004** beginning at **3:30 P.M.** at the Department of City Planning located at 22 Reade Street, Spector Hall, Manhattan. The Public Hearing will be followed by a question and answer session with City agency representatives in attendance.

A PUBLIC COMMENT PERIOD begins on **October 12, 2004** and will extend for 30 days ending **November 10, 2004.**

The Proposed Consolidated Plan defines the use of federal entitlement funds for housing, homeless assistance, supportive housing services and community development programs and is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy, and the City's application for the four HUD Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). In addition, the Proposed Plan describes the five-year strategic objectives and the use of these federal funds for Consolidated Plan Program Years 2005 - 2009.

Comments maybe sent to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New York 10007, (212) 720-3337.

INDUSTRIAL DEVELOPMENT AGENCY

■ **PUBLIC HEARINGS**

The New York City Industrial Development Agency (the "Agency") is empowered under the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law), and Chapter 1082 of the 1974 Laws of New York, as amended, to issue nonrecourse revenue bonds to provide financing for qualified projects, and to enter into industrial and small industry incentive program transactions and other straight-lease transactions for the benefit of qualified projects, and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York (the "State") and to improve their prosperity and standard of living. The Agency has been requested (i) to make available the proceeds of its bonds to be issued in the approximate aggregate dollar amounts, to be used by the persons, for the purposes, and at the addresses

identified below, and (ii) to participate in industrial and small industry incentive program straight-lease transactions and other straight-lease transactions for the purposes and at the addresses also identified below. As used herein, "bonds" are bonds, the interest on which may be exempt from local and/or State and/or Federal income taxes; and the "City" shall mean The City of New York. As used herein with reference to bond amounts, "approximately" shall be deemed to mean up to such stated bond amount or a greater principal amount not to exceed 10 % of such stated bond amount.

Approximately $20,000,000 civic facility revenue bond transaction for American Civil Liberties Union Foundation, Inc., a not-for-profit organization which provides advocacy and educational services on civil liberties issues, in order to finance acquisition, renovation, equipping and furnishing of floor 19 at 125 Broad Street, New York, New York ("the building") as a condominium unit consisting of approximately 35,000 square feet, and to finance acquisition of approximately 4,500 square feet of the 60,000 square foot parcel of land located under the building. Bond proceeds will also be used to refinance the outstanding balance of approximately $4,000,000 in Agency bonds issued in the aggregate amount of $6,000,000 on June 27, 1997 to finance acquisition, renovation and equipping of condominium units on floors 17 and 18 of the building, consisting of approximately 70,000 square feet. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Approximately $1,617,000 civic facility revenue bond transaction for the benefit of Advocates for Services for the Blind Multihandicapped, Inc., a provider of residential and habilitation services for people with developmental disabilities, in connection with the acquisition, renovation, equipping, furnishing, financing and/or refinancing of an approximately 2,100 square foot building located on an approximately 2,800 square foot parcel of land located at 457 81st Street, Brooklyn, New York, such facility to be used as a residential habilitation house for people with special needs. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (commercial retention) transaction for the benefit of Bear, Stearns & Co. Inc. and its eligible affiliates in connection with the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures and other tangible personal property located on approximately 140,652 additional square feet located at 320 Park Avenue, New York, New York (Floors 11, 12, 14, 15 and a portion of Floor 16). This project was induced and authorized on December 9, 1997 and April 20, 1999, respectively. No new financial assistance is being provided.

Straight-lease (commercial retention) transaction for the benefit of BlackRock, Inc. and its eligible affiliates, in connection with the renovation of approximately 90,000 additional square feet of office space on Floors 11, 12 and 14 of 55 East 52nd Street, New York, New York and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures and other tangible personal property all for use at the above additional location. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes. The financial assistance for this project was induced and authorized on April 11, 2000 and June 13, 2000 respectively. No additional financial assistance is being provided.

Approximately $2,640,000 civic facility revenue bond transaction for the benefit of Eden II School for Autistic Children, Inc., a provider of habilitation and special education services for children and adults with developmental disabilities, in connection with the acquisition, renovation, equipping, furnishing, financing and/or refinancing of an approximately 13,800 square foot building located on an approximately 32,000 square foot parcel of land located at 94 Wright Avenue, Staten Island, New York, such facility to be used as a day rehabilitation and day training center for people with special needs. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Straight-lease transaction for the benefit of FC Beekman Associates LLC and/or one or more of its affiliates and Pace University and/or one or more of its affiliates, in connection with the construction of an approximately 330,000 square foot condominium unit as part of an approximately 950,000 square foot building on an approximately 44,289 square foot parcel of land that comprises most of the block bounded by Beekman, Spruce, Nassau and Gold Streets, New York, New York, identified as Tax Lot 1 of Block 100. The condominium unit will be used for a business school and dormitories for Pace University, with the remainder of the building to consist of residential units for rent and/or sale. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes.

Approximately $18,000,000 civic facility revenue bond transaction for the benefit of French Institute - Alliance Française de New York – Federation of French Alliances in the United States, a cultural organization that includes a French language school and a French language library, in connection with (i) the improvements to and renovations of an approximately 43,210 square foot building located on an approximately 6,600 square foot parcel of land located at 22 East 60th Street, New York, New York, (ii) an expansion of 4,238 square feet to the aforementioned building and (iii) the purchase of machinery and equipment. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Approximately $9,500,000 civic facility revenue bond transaction for the benefit of Global Country of World Peace, a New York not-for-profit corporation, organized and operated for charitable, educational, and scientific purposes for the establishment of world peace, in connection with the acquisition, renovation, furnishing, and equipping of an approximately 15,000 square foot building on an approximately 2,904 square foot of parcel of land located at 70 Broad Street, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (Industrial Incentive Program) transaction for the benefit of Marjam Supply Company, a building supply company, in connection with the acquisition, renovation and equipping of an approximately 50,000 square foot existing building on an approximately 65,000 square foot parcel of land, located at 8 Rewe Street, Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes and exemption from City and State sales and use taxes.

Straight-lease (commercial retention) transaction for the benefit of News America Incorporated and its eligible affiliates in connection with the renovation of office space and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures and other tangible personal property located at the following additional locations: approximately 68,053 square feet located at 1350 Avenue of the Americas, New York, New York (basement and Floors 2 through 4); approximately 250,953 square feet located at 1211 Avenue of the Americas, New York, New York (Concourse 1, a portion of Street Level, and Floors 7, 8, 15, 17 18, 28 and 31); approximately 15,000 square feet located at 18 West 18th Street, New York, New York (Floor 5); and approximately 500,000 square feet located at 900 East 132nd Street, Bronx, New York. This project was induced and authorized on June 16, 1996 and December 12, 1996 respectively. No new financial assistance is being provided.

Approximately $2,576,000 civic facility revenue bond transaction for the benefit of Young Adult Institute, Inc., a provider of habilitation services for people with developmental disabilities, in connection with the acquisition and/or leasing, renovation, furnishing, equipping, financing and/or refinancing of the following facilities: (i) the 9th, 11th and 12th floors comprising in the aggregate approximately 90,000 square feet within an approximately 527,280 square foot building located on an approximately 34,650 square foot parcel of land located at 460 W. 34th Street, New York, New York, for an approximate cost of $1,320,000, such facility to be used as an administrative office, and (ii) an approximately 4,400 square foot building located on an approximately 2,100 square foot parcel of land located at 48-46 58th Place, Woodside, New York, for an approximate cost of $1,256,000, such facility to be used as a community residence for people with special needs. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Pursuant to Section 859a of the General Municipal Law of the State of New York and Internal Revenue Code Section 147(f), the Agency will hold a hearing on the proposed financings and transactions set forth above at the office of the New York City Economic Development Corporation ("NYCEDC") 110 William Street, 6th Floor, New York, New York commencing at 10:00 A.M. on Thursday, **November 4, 2004.** Interested members of the public are invited to attend. The Agency will present information at such hearing on the proposed financings and transactions set forth above. Pursuant to subdivision 3 of the above-referenced Section 859a, the Agency will, in addition, provide an opportunity for the public to review at such hearing the project application and the cost-benefit analysis for each of the proposed financings and transactions. For those members of the public desiring to review project applications and cost benefit analyses before the date of the hearing, copies of these materials will be made available, starting on or about noon on the Friday preceding the hearing. Persons desiring to obtain copies should call (212) 312-3543. Persons desiring to make a brief statement regarding the proposed financings and transactions should give prior notice to the Agency at the address or phone number shown below. Written comments may be submitted to the Agency to the attention of Mr. David Shelley at the address shown below. Please be advised that certain of the aforementioned proposed financings and transactions may possibly be removed from the hearing agenda prior to the hearing date. Information regarding such removals will be posted on NYCEDC's web site, www.nycedc.com on or about noon on the Friday preceding the hearing.

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ JOINT PUBLIC HEARINGS

HEARING CONTINUED

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004, commencing at 10:00 A.M. at 22 Reade Street, Main Floor, 2nd Floor Conference Room, Borough of Manhattan, in the matter of a transfer of control of Neon Communications, Inc. ("NEON"), sole parent of Neon Transcom, Inc. ("Transcom") to Globix Corporation ("GLOBIX") pursuant to which NEON will merge with and into a newly-formed wholly-owned subsidiary of GLOBIX and amendment to appendix G of the franchise agreement. NEON Transcom has a franchise with the City of New York for the provision of high capacity telecommunications services.

On Tuesday, October 12, 2004 (Cal. No. 1) the joint public hearing was continued until November 8, 2004.

Draft copies of the proposed merger agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Monday, September 27, 2004 through Monday, November 8, 2004, by appointment, between the hours of 9:30 A.M. and 3:30 P.M., exclusive of Saturdays, Sundays and Holidays. Interested parties should contact Roxanne Chambers at (212) 788-6610.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYC TV-CHANNEL 74, on Sundays from 5:00 P.M. to 7:00 P.M.

o18-n8

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004 commencing at 10:00 AM at Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, to approve a transfer of control of Comet Communications, Inc.("Comet"), holder of a franchise to operate public pay telephones on the streets of the City of New York to Alex Steiner and Dennis Danforth, principals of Phone Management Enterprises, Inc. ("Phone Management"), a current public pay telephone franchisee, to operate and maintain Comet's public pay telephones on the streets of the City of New York. Also approval of the Amendment to Appendices E and I of the Franchise Agreement.

A copy of petition, resolution, and Amendment to Appendices E and I of the Franchise Agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Thursday October 14, 2004 through Monday November 8, 2004, by appointment, between the hours of 9:30 A.M. and 4:30 P.M., exclusive of Saturdays, Sundays and Holidays.

NOTE: Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

This Hearing may be broadcast in its entirety on NYC TV-Channel 74, on Sundays, from 5:00 P.M. to 7:00 P.M. For more information visit: www.nyc.gov/tv.

TAXI AND LIMOUSINE COMMISSION

■ **MEETING**

Notice of Commission Meeting

PUBLIC NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY TAXI AND LIMOUSINE COMMISSION will hold a Commission Meeting and public hearing on Monday, October 25, 2004 at 9:30 a.m., at the offices of the New York City Taxi and Limousine Commission, located at 40 Rector Street, 5th Floor, New York, New York. The purpose of the public hearing will be to receive testimony from licensees, insurance providers, regulators and other members of the public concerning the cost and availability of insurance for taxicabs, for-hire vehicles, paratransit vehicles and commuter vans licensed by the Commission. The Commission is particularly interested in hearing public comment concerning insurance premiums, availability of insurance in the voluntary market, the operation of the assigned risk plan as it relates to Commission licensees, barriers to entry into the voluntary market, and other issues which may impact upon the availability and cost of insurance. The Commission is also particularly interested in obtaining information concerning the availability of insurance in the voluntary market for vehicles capable of transporting passengers with disabilities. **THE COMMISSION HAS NOT PROPOSED RULEMAKING AND NO REGULATORY ACTION WILL BE TAKEN BY THE COMMISSION AT THIS MEETING.**

The Commission will also accept written comments from interested members of the public. Written comments received on or before October 22, 2004 will be provided to the Commissioners at the public meeting. Comments may be mailed to:

Peter M. Mazer
General Counsel
Taxi and Limousine Commission
40 Rector Street
New York, NY 10006

Persons wishing to pre-register to testify may notify the Commission, either in writing at the address stated above, or by telephone: (212) 676-1117. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify the Commission by no later than October 21, 2004.

CITY UNIVERSITY

■ SOLICITATIONS

Services

WORKFORCE DEVELOPMENT ADMINISTRATOR – 1 CSB – PIN# 000000UCO104 – DUE 11-23-04 AT 11:00 A.M. – The City University of New York, in cooperation with the New York City Council, seeks an organization to work closely with the Council and to act as the administrator for a workforce development initiative to address structural unemployment in New York City. The initiative will include several programs, primary research on the cause of long-term employment, and an evaluation of the progress of the initiative. The administrator who is selected shall collaborate with the New York City Council in administering the initiative. The administrator will also select (through a public solicitation) and enter into contracts with community-based and citywide organizations to execute each of the programs.

In order to be considered, prospective proposers must meet a number of requirements, including:

1. having been in the program development, grant-making, and contract management business, with a particular expertise in workforce development, for a period of at least (3) years immediately prior to the Proposal Due Date;
2. agreement to not charge the University or the New York City Council any fee for its services;
3. agreement to commit an investment of a sum of at least two hundred fifty thousand dollars ($250,000) of its funds towards the initiative; and
4. agreement to locate and obtain matching funds for investment towards the Initiative by working with the private sector, philanthropic organizations, and other governmental entities.

Copies of the Request for Proposals may be requested by written request to the address or fax number set forth for the Submit To (Proposal Due) Location.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RANDALL'S ISLAND WATERFRONT PATHWAYS – Public Bid – DUE 11-12-04 AT 11:00 A.M. – Located in the area from the 103rd Street Pedestrian Bridge to the boardwalk over the Little Hell Gate Inlet in Manhattan. The project is for construction of two parallel paths—one for biking and in-line skating and one for walking and jogging. The project will include pedestrian level lighting and minor plumbing work. The scope in general will include clearing and grubbing, rough and final grading; stone screening pavement, concrete pavers, asphalt pavement, lighting and related electrical work, water fountains and related plumbing work, site furniture including, but not limited to, benches and bicycle racks, and landscaping, and all other work incidental thereto, as more specifically described in the Contract Documents.

Each bid must be prepared and submitted in accordance with the 'Invitation for Bids' and with a Bid Security for 10% of the amount of the bid in the form of a Certified Check, Bid Bond or Bank Check in the amount of (10%) ten percent of the bid amount.
The successful bidder will be required to furnish a Performance Bond and Labor and Material Bond each for 100% of the amount of the Contract. The construction duration for this project is expected to be two-hundred ten (210) contract calendar days.

This project is in part funded by grants from the of New York State (NYS) Office of Parks, Recreation and Historic Preservation through Title 3 of the Clean Water/Clean Air Bond Act of 1996, through Title 9 of the Environmental Protection Act of 1993, and from the New York State Department of State, Division of Coastal Resources through Title 11 Local Waterfront Revitalization Program of the Environmental Protection Fund.

It is the policy of NYS to encourage the greatest possible participation of minority and woman-owned business enterprises in State-funded projects. The General Contractor, by bidding on the contract, acknowledges his/her understanding and support for this policy and pledges to fully cooperate with the NYC EDC in meeting NYS requirements as set forth in the Bidding and Contract Documents.

Bid Documents may be obtained upon payment of a fee of $100 for an initial set and $100 for each additional set, no part of which will be refunded. Payment is to be in the form of money order or certified funds payable to "New York City Economic Development Corporation." The Contract Documents, including Bid Forms for Contract Work, will also be on file with NYCEDC and may be inspected by prospective bidders during normal working hours.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation
Contract Administration, 110 William Street, 6th Floor

o12-n2

CONSTRUCTION OF THE SCHAEFER BREWERY ESPLANADE – Public Bid – DUE 11-17-04 AT 11:00 A.M. – at the site of the former Schaefer Brewery, in the Williamsburg section of Brooklyn, located between Kent Avenue and the East River, approximately bounded by South 9th Street and South 10th Street. This work will include upland site demolition and excavation, utility installation, and new upland construction including new pavements, plantings, amenities and railings, with all work incidental thereto. The bid package consists of the following:
- Notice To Bidders, Technical Specifications (1 book).
- Contract Drawings (1 set).

A pre-bid meeting is scheduled to take place at 10:00 a.m. on Wednesday, November 3, 2004 at the site. Attendance is not mandatory, however, bidders are strongly encouraged to attend. Representatives from Han-Padron Associates, LLP, and Abel Bainnson Butz, LLP, the design consultants, will be available to address any questions you may have regarding the project. Any additional questions you may have after the pre-bid meeting must be submitted in writing to NYCEDC at the e-mail address listed below and received no later than 5:00 p.m. on Friday, November 5, 2004. Answers will be posted at www.nycedc.com no later than 9:00 a.m. on Thursday, November 11, 2004.

The contract will be awarded by NYCEDC in consultation with Han-Padron Associates, LLP and Abel Bainnson Butz, LLP (design consultants), to the Lowest Responsive Bidder. Sealed bids must contain a 10% Bid Bond and be received no later than Wednesday, November 17, 2004 at 11:00 a.m. No bids will be accepted after 11:00 a.m.

The cost for the package is $100 per package.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

PERFORM INITIAL MEDICARE PART B BILLING – CP1 – PIN# 011050250029 – DUE: 10-28-04 AT 4:00 P.M. This Request for Proposals (RFP) is issued to select a vendor to perform initial Medicare Part B billing for all of Diagnostic and Treatment Centers of the New York City Health and Hospitals Corporation (NYCHHC) network.

Copies of the RFP may be downloaded from the NYCHHC website (http://nyc.gov/hhc) under "What's New - Contracting Opportunities". Printed copies of the RFP may be obtained for $25 by visiting Revenue Management, 160 Water Street, 7th Floor, New York, NY 10038, between 10:00 a.m. and 4:00 p.m. beginning Wednesday, October 13, 2004. Please note that late or unsealed proposals shall not be accepted or considered.

The RFP does not commit the Corporation to award a contract, or to pay cost incurred in the preparation of the response to the RFP. The Corporation reserves the right to accept or reject any or all proposal(s) received as a result of this RFP, to negotiate with any qualified offeror(s) or to cancel in part or in its entirety, this RFP, if the Corporation deems that it is in its best interest to do so. Document Control Number 1768.

The Corporation is seeking to enter into an agreement for a period of one year with the option to renew for two additional one-year extensions, at the sole discretion of the Corporation, with a firm with demonstrated expertise and experience in providing electronic billing services for institutional providers and practitioners in New York State.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
HHC, Revenue Management, 160 Water Street, Room 742, New York, NY 10038. Attn: Jacqueline Huey, Senior Director (646) 458-3411 or Fax (646) 458-3435.

Human/Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

JUVENILE JUSTICE

■ SOLICITATIONS

Human/Client Service

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, November 4, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M. on the following:

IN THE MATTER of a proposed contract between the Department of Youth and Community Development and Ridgewood Bushwick Senior Citizens Council, 1474 Gates Avenue, Brooklyn, NY 11237, for the administration of a youth recreation and leadership program offering sports and community development activities. The term of the contract shall be from July 1, 2004 to June 30, 2005 and shall contain no options to renew. The contract amount is not to exceed $225,000.00. PIN# 26005022515C.

The proposed contractor is being funded through City Council Discretionary Funds, pursuant to Section 1-02 (e) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Department of Youth and Community Development, Office of the ACCO, 156 William Street, 2nd Floor, New York, NY 10038, on business days, between the hours of 9:00 A.M. and 5:00 P.M., from October 22, 2004 to November 4, 2004, excluding holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within 5 days after publication of this notice. Written requests to speak should be sent to Ms. Patricia Chabla, Agency Chief Contracting Officer, 156 William Street, 2nd Floor, New York, NY 10038, pchabla@dycd.nyc.gov. If the Department of Youth and Community Development receives no written requests to speak within the prescribed time, the Department reserves the right not to conduct the public hearing.

HEALTH AND MENTAL HYGIENE

■ NOTICE

New York City Department of Health and Mental Hygiene Local Law 73 Implementation Plan

Introduction

This implementation plan presents the steps that the New York City Department of Health and Mental Hygiene (DOHMH) will take in order to ensure compliance with Local Law 73 of 2003.

This plan also shows DOHMH's commitment to provide meaningful access to all individuals seeking benefits and services, including individuals with limited English proficiency. Individuals should not face obstacles to receiving social services for which they may be eligible because they do not speak English. The purpose of this plan is to ensure that persons eligible for social services receive them and to avoid the possibility that a person who attempts to access services will face discrimination based on the language he or she speaks.

The mission of DOHMH is to protect and promote the health and mental health of all New Yorkers, which includes those with limited proficiency in English. DOHMH currently strives to ensure that limited English proficient (LEP) clients receive meaningful and timely access to our services through various methods, including employing appropriate bilingual staff, providing intake forms and important health information documents in various languages, and using a contracted telephone interpretation service.

1. Identification of Primary Language
Relevant Portion of Law:
Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by an other covered agency, the other covered agency shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the other covered agency shall inform the individual in his/her primary language of available language assistance services.

"Primary language" means the language in which a limited English proficient individual chooses to communicate with others.

Implementation Plan:
A. Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by DOHMH, the employee shall determine the primary language of such individual and whether the person prefers an interpreter or translation assistance.
B. Employees should use Language Identification Cards to determine a client's primary language. Employees can ask the client to point to his or her primary language on the Language Identification Card. DOHMH will provide clinics and other appropriate service sites with Language Identification Cards. It is planned that all appropriate sites will have a supply of language identification cards by the end of calendar year 2005.
C. If an employee has difficulty determining a client's primary language, the employee shall first use the Language Identification Card and then, if necessary, shall contact the Language Assistance Coordinator or the telephonic interpretation service for assistance.

2. Notice Regarding Free Language Assistance
Relevant Portion of Law:
Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by an other covered agency, the other covered agency shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the other covered agency shall inform the individual in his/her primary language of available language assistance services.

Implementation Plan:
A. Once the primary language of a client has been determined, using language identification cards or other appropriate means, the client shall be informed of his/her right to free language assistance services in his/her primary language by DOHMH staff or interpreters, or using the language identification card.
B. DOHMH will post multilingual signage in clinics and other appropriate service sites advising clients of the availability of language assistance. These posters will be made available by DOHMH Office of Cross Cultural Communications. The posters are available from our contracted telephone interpretation service. Signage is planned to be posted up in clinics by the end of calendar year 2005.
C. Protocols will be developed for answering telephone calls and providing notification of the availability of interpretation services. The protocols will be disseminated throughout DOHMH and adapted for the needs of each programs. This training will be provided by the end of calendar year 2007.

3. Language Assistance Services
Implementation Plan:
A. DOHMH will develop protocols for delivery of language services for LEP clients.
B. DOHMH Office of Cross-Cultural Communications will assemble and distribute a "Language Access Toolkit," including guidelines for staff providing service to LEP clientele and resources to facilitate communications during the encounter. Options will include direct service by bilingual staff, interpretation by staff, the DOHMH Volunteer Language Bank, and telephone interpretation. All sites will have access to telephone interpretation through the existing agency contract. Resources in the toolkit will include language identification tools, contact information for community organizations, and other references. Guidelines will also specify standard operating procedures for determining language preferences. Information contained in the toolkits will also be made available on the DOHMH intranet.
C. As staffing and available language skills will vary at each clinic site, each program will adapt the communications protocol to prioritize responses depending upon program or site-specific capacity. Guidelines will discuss benefits and caveats of various options. Community demographics, including information on languages spoken and immigrant populations represented in the catchment area, will be included.
D. DOHMH will distribute the Language Access Toolkit by July 2005.
E. DOHMH translates materials into multiple languages. As requested by individual programs and sometimes by other agencies, the Cross-Cultural Communications unit (CCC) solicits translations and review by qualified translators. In FY04, CCC translated over 300 documents, up from 230 in FY03. CCC works with its vendors and clients to improve accuracy and appropriateness of translations. In recent years, the agency has translated health materials into over 20 languages. Fact sheets on West Nile virus have been available in 17 languages. Other materials from Oral Health, School Health, and HealthStat have been produced in more than five languages. Individual bureaus attempt to develop materials that reflect the linguistic profile of its clientele. The TB Control Bureau provides materials in several languages including Spanish, Chinese, Haitian Creole, Russian, and French, and has added patient brochures in several new languages, including Hindi, Urdu, and Bengali. The agency recently licensed machine translation technology from the Pan American Health Organization to assist with the translation of health information into Spanish. All Health Bulletins and most press releases are now translated into Spanish and Chinese, and in some cases, other languages as deemed appropriate. The agency will improve multilingual access to its public website over the coming year.

4. Quality Assurance Measures
Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, every other covered agency shall maintain records of the primary language of every individual who seeks or receives ongoing benefits or services. At a minimum, the other covered agency shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the other covered agency, disaggregated by language translated by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:
A. DOHMH will devise quality assurance methods for testing the accuracy of primary language recording.
B. DOHMH currently provides quality assurance for translations, through the selection of qualified vendors; reviews by independent translators; and the development of reference materials, such as glossaries, to improve accuracy and consistency of translated documents. DOHMH will also establish periodic reviews by language review panels for the most requested languages. Periodic review panels will be established by the end of calendar year 2005.

5. Training
Implementation Plan:
A. DOHMH will provide, or contract to provide, to all appropriate personnel in covered programs, training in how to elicit (using language identification cards) and record clients' primary languages. This training will be provided by the end of calendar year 2006.
B. Protocols will be developed for answering telephone calls and providing notification of the availability of interpretation services. The protocols will be disseminated throughout DOHMH and adapted for the needs of each

programs. This training will be provided by the end of calendar year 2007.

C. DOHMH will train all appropriate personnel on protocol for delivery of language services.

6. Record Keeping and Monitoring

Relevant Portion of Law:

No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, every other covered agency shall maintain records of the primary language of every individual who seeks or receives ongoing benefits or services. At a minimum, the other covered agency shall maintain specific records of the following:

1. The number of limited English proficient individuals served, disaggregated by type of language assistance required and primary language;

2. The number of bilingual personnel and the number of interpreter personnel employed by the other covered agency, disaggregated by language translated by such personnel;

3. Whether primary language determinations are recorded properly; and

4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:

A. "Ongoing benefits and services." The Department's programs encompass areas of disease control, environmental health, epidemiology, health care access and improvement, health promotion and disease prevention, and mental hygiene services, serving the more than 8 million people who live in New York City. Certain programs see clients on an ongoing basis. Those programs will be covered by this portion of the plan."1:

B. DOHMH programs that serve individuals seeking "ongoing benefits and services" shall maintain records of the primary language of every individual. Certain programs already track clients' primary languages. Other programs will change client intake procedures to track this information. Programs will also track the type of language assistance provided to clients.

C. Record Keeping of Bilingual/Interpreter Personnel. DOHMH programs that serve individuals seeking "ongoing benefits and services" will keep records of the number of bilingual personnel disaggregated by language translated or interpreted by such personnel, as well as by office location.

[1] Many of DOHMH's services are contracted. Contracted services are not covered by the law.

7. Coordination

DOHMH will designate a Language Assistance Coordinator to ensure compliance with Local Law 73 and this implementation plan.

8. Implementation Updates and Annual Reports

Relevant Portion of Law:

Implementation updates and annual reports. No later than 90 days after the end of each calendar year after the publication of the implementation plan and before implementation is complete, the agency and each other covered agency shall publish an implementation update. The implementation update shall describe steps taken over the prior year to implement the requirements of this chapter and shall describe any changes in the agency or other covered agency's plan for implementing the remaining requirements of the local law that added this chapter before the date set forth in subdivision a of this section. The implementation update for every year after 2004 shall include a report on the number of limited English proficient people served, disaggregated by language and by agency office or other covered agency office. Not later than 90 days after the end of each calendar year beginning with 2008, the agency and each other covered agency shall publish an annual report on language assistance services. At a minimum, this annual report of the agency, each agency contractor and each other covered agency shall set forth the information required to be maintained by this chapter.

Implementation Plan:

A. DOHMH will collect the above information from the covered programs, and produce an annual report, beginning 60 months from the effective date of the law.

B. Prior to the effective date for producing annual reports (60 months), DOHMH will produce implementation updates every year. These reports will provide updates about our implementation of the plan, and detail any changes in the plan.

9. Use of Friends & Family Members as Interpreters

It is DOHMH's policy that personnel should never require an individual to use family members or friends as interpreters.

☛ o25-26

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Local Law 73 Implementation Plan

Introduction

This implementation plan presents the steps that the New York City Human Resources Administration/Department of Social Services (HRA/DSS) has taken and will take in order to be in compliance with Local Law 73 of 2003. This plan is a continuation of HRA/DSS's commitment to provide meaningful access to all individuals seeking benefits and services, including individuals with limited English proficiency.

HRA/DSS has a long history of providing the public with language services assistance. In continuing this tradition of serving limited English proficient individuals within the City, HRA/DSS created a dedicated unit in 2000, the Office of Refugee and Immigrant Affairs (ORIA), to monitor the Agency's client contact points, centralize contract management of translation and interpretation contracts, assist program areas in drafting and implementing policies regarding service to limited English speaking ability (LESA) customers, contract for testing of prospective bilingual workers, and provide training to Agency staff on LESA related matters.

1. Identification of Primary Language

Relevant Portion of Law:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by the agency or an agency contractor, the agency or agency contractor shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the agency or agency contractor shall inform the individual in his/her primary language of the right to free language assistance services.

"Primary language" means the language in which a limited English proficient individual chooses to communicate with others.

Implementation Plan:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by HRA/DSS, the employee shall determine the primary language of such individual and whether the person requires language assistance services.

Of those making the initial contact by telephone, the majority call 311 or HRA's InfoLine where bilingual staff are available and have access to telephone interpreter services for languages not spoken by staff.

For individuals presenting in person, and for whom the language is not immediately recognized, employees will utilize the Language Card to make the determination. The HRA Language Card Form W-194 (6/27/03) instructs employees, "If you do not know the language of the person who wants your help, use this card. The person can point to the language needed and you can arrange for an interpreter."

The Language Card then proceeds to ask in 17 languages (Albanian, Arabic, Bosnian, Simplified Chinese, Traditional Chinese, Creole, French, Hebrew, Hindi, Italian, Khmer, Korean, Russian, Spanish, Urdu, Vietnamese, and Yiddish), including the covered languages, "do you speak... please be seated. I will call an interpreter for you."

The Family Independence Administration (FIA), with assistance from ORIA, developed LESA procedures for staff at all Job Centers, Non Public Assistance Food Stamp Centers, and the Special Needs Region to determine the primary language and the need for language assistance by LESA applicants and clients. These procedures also can serve as a template for each Agency program area to adapt to its particular program specifications.

2. Notice Regarding Free Language Assistance

Relevant Portion of Law:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by the agency or an agency contractor, the agency or agency contractor shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the agency or agency contractor shall inform the individual in his/her primary language of the right to free language assistance services.

The agency shall provide in all application and recertification packages an 8 ½ inch x 11 inch or larger notice advising participants that free language assistance services are available at its offices and where to go if they would like an interpreter. This notice shall appear in all covered languages.

The agency and each agency contractor shall post conspicuous signs in every covered language at all agency offices and agency contractor offices informing limited English proficient individuals of the availability of free language assistance services.

Implementation Plan:

A. The majority of HRA/DSS public offices currently have 11x17 posters stating inassistance. Signs are printed the following languages: English, Albanian, Arabic, Bosnian/Serbo-Croatian, Chinese, Haitian Creole, French, Hebrew, Hindi, Italian, Khmer, Korean, Russian, Spanish, Vietnamese, and Yiddish. "If you do not speak English, interpreting services are available. If you would like an interpreter and one has not been provided for you, please contact..." Plans are being developed for the dissemination of posters to the balance of the HRA/DSS offices as well as to HRA/DSS contractors. Of those making the initial contact by telephone, the majority call 311 or HRA's InfoLine where bilingual staff are available and have access to telephone interpreter services for languages not spoken by staff.

B. All public assistance HRA/DSS centers have LESA Liaisons whose names are listed on the posters and are designated to procure interpreter services for an applicant/participant. LESA Liaisons are authorized to have a bilingual worker assigned to assist the client, call for a contracted telephone interpreter, or order a contracted on-site interpreter to report to the location.

C. All public assistance and food stamps application kits currently contain an insert advising of the availability of free language services.

3. Language Assistance Services

Relevant Portion of Law:

When a limited English proficient individual seeks or receives benefits or services from an agency office or agency contractor, the agency office or agency contractor shall provide prompt language assistance services in all interactions with that individual, whether the interaction is by telephone or in person. The agency office or agency contractor shall meet its obligation to provide prompt language assistance services for purposes of this subdivision by ensuring that limited English proficient individuals do not have to wait unreasonably longer to receive assistance than individuals who do not require language assistance services.

Where an application or form requires completion in English by a limited English proficient individual for submission to a state or federal authority, the agency or agency contractor shall provide oral translation of such application or form as well as certification by the limited English proficient individual that the form was translated and completed by an interpreter, as set out in internal policies and procedures..

The agency shall make all reasonable efforts to provide language assistance services in person by bilingual personnel.

The agency shall translate all documents into every covered language as of the first day of the sixtieth month after the effective date of the local law that added this chapter.

"Covered language" means Arabic, Chinese, Haitian Creole, Korean, Russian or Spanish.

The agency shall phase in language assistance services for covered functions as follows:

1. *As of the first day of the twenty-fourth month after the effective date of the local law that added this chapter, no less than 20% of covered functions provided by agency offices.*
2. *As of the first day of the forty-eighth month after the effective date of the local law that added this chapter, no less than 40% of covered functions provided by agency offices.*
3. *As of the first day of the sixtieth month after the effective date of the local law that added this chapter, 100% of covered functions provided by agency offices.*

Contractors:

1. *In all covered contracts entered into or renewed after January 1, 2005, the contractor shall certify that it shall make available language assistance services and maintain and provide access to records as required by this chapter.*
2. *Every covered contract must contain a provision in which the contractor acknowledges that the following responsibilities constitute materials terms of the contract:*
   a. *to provide language assistance services as required by this chapter;*
   b. *to comply with the record keeping requirements set forth in this chapter;*
   c. *to provide the city access to its records for the purposes of audits or investigations to ascertain compliance with the provisions of this section, to the extent permitted by law; and*
   d. *to provide evidence to the city that the contractor is in compliance with the provisions of this section, upon request.*
3. *If an agency contractor enters into a subcontract agreement to provide any benefits or services under a covered contract, that subcontract will be considered a covered contract for purposes of this section and the provisions of this section will bind the subcontractor Each contractor is required to include the contract provision set forth in paragraph 2 of this subdivision in any such subcontract agreement.*

"Covered contract" means a contract between the agency and a contractor to perform a covered function.

"Covered function" means any of the following functions:

1. *Benefits or services offered or provided at agency offices;*
2. *Benefits or services provided by agency contractors to provide employment services in connection with participation of individuals engaged in activities required by sections 335 through 336-c of the social services law;*
3. *Home care services; and*
4. *Determinations regarding eligibility for subsidized childcare.*

Implementation Plan:

A. Before the enactment of Local Law 73, HRA/DSS was in the process of translating its food stamp-related, city-generated, client-contact forms into nine languages. The languages are Spanish, Arabic, Chinese, French, Haitian Creole, Korean, Russian, Vietnamese and Yiddish. These languages were identified as the most common foreign languages of HRA/DSS food stamp customers in a survey conducted by HRA/DSS in the fall of 2001. Almost all client contact forms and informational brochures are available in Spanish.

B. The Agency has invested in technology solutions to provide customers with computer-generated notices in English, Spanish, Arabic, Chinese, French, Haitian Creole, Korean, Russian, Vietnamese, and Yiddish.

C. HRA/DSS's Office of Constituent and Community Affairs manages the Infoline Call Center, a crucial telephone "help line" available to the general public seeking information on all HRA/DSS programs. Infoline posters, Form W-184 (revised 01/04) are 11x17 posters in English, Spanish, Arabic, Chinese, Korean, Haitian Creole, and Russian, which state, "For assistance with any HRA Program-Call This Toll-Free Number." These posters are conspicuously posted in all waiting rooms throughout the Agency where people

present themselves in person for assistance.

D. Homebound applicants may call the Infoline number to request an application or a home visit. Automated information is available 24 hours a day through a multilingual toll-free service. During business hours, Infoline is staffed by bilingual representatives who are available to answer questions in English, Spanish, Russian, Chinese, and Vietnamese. Language access for all other languages is provided with the help of the Agency's telephone interpreter contracts.

E. Certain Agency human services contracts already require language access for participants, and as of January 2005, any new or renewed contracts will contain said language. All HRA/DSS contracts conform to current Procurement Policy Board Rules.

F. ORIA contacted program areas throughout HRA/DSS from February 2004-September 2004 to notify them of the passage of Local Law 73. ORIA asked each program area to fill out a survey to identify "documents," as defined by this law, which includes city-generated:

- Application forms and corresponding instructional materials
- Notices that require a response from the participant
- Notices that concern the denial, termination, reduction, increase or issuance of a benefit or service
- Notices regarding the rights of participants to a conference and or fair hearing
- Notices describing regulation changes that affect benefits.

ORIA is presently in the second phase of HRA/DSS's implementation process, to rank documents by frequency of use. This information will be used to set the order in which as-yet-untranslated documents will be translated. This task will be conducted from September 2004-February 2005. In its third and final phase, based on identification of documents in Phase 2, HRA will have met or exceeded the translation schedule outlined in the matrix below:

LL 73 Effective date	12 months after effective date	24 months after effective date	48 months after effective date	60 months after effective date
February 5, 2004	February 1, 2005	February 1, 2006	February 1, 2008	February 1, 2009
City-generated Forms and Documents Translated	10% Complete	20% Complete	40% Complete	100% Complete
Program Area:				
Family Independence Administration	10%	20%	40%	100%
Medical Insurance Community Services Administration	10%	20%	40%	100%
Office of Policy and Program Development	10%	20%	40%	100%
Office of Revenue and Investigation	10%	20%	40%	100%
Customized Assistance Services	10%	20%	40%	100%
CUMULATIVE PERCENTAGE	10%	20%	40%	100%

4. Quality Assurance Measures

Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, the agency and each agency contractor shall maintain records of the primary language of every individual who seeks or receives benefits or services from the agency or agency contractor. At a minimum, the agency and each agency contractor shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by agency, agency contractor or contractor, agency office, type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the agency, disaggregated by language translated or interpreted by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

The agency and each agency contractor shall screen bilingual personnel and interpreter personnel for their ability to provide language assistance services. The agency and each agency contractor shall provide annual training for bilingual personnel and interpreter personnel and ensure that they are providing appropriate language assistance services.

Implementation Plan:

A. ORIA monitors HRA/DSS's contact points to assess whether primary language determinations are recorded properly and whether documents are translated accurately and disseminated properly.

B. ORIA contracts for testing of the oral, written and reading language skills of prospective bilingual employees.

C. ORIA currently reviews Agency aggregate coding of LESA cases to identify potential errors by searching for anomalies. Possible miscodes are referred to centers for investigation and, if appropriate, corrective action. This process is continuing under Local Law 73.

D. ORIA currently performs case file reviews using professional standards for sampling and data analysis. In the future case file reviews meeting professional standards will be designed and implemented to fulfill the requirements imposed by Local Law 73.

E. ORIA reviews the assignment of LESA cases semi-monthly to identify trends and ensure that LESA cases are being matched to available bilingual staff. This process is continuing under Local Law 73.

F. HRA/DSS will conductany recruitment of bilingual staff based on the data shared by ORIA which tracks the number of bilingual staff assigned to cases. All prospective bilingual hires will be tested as outlined above.

G. HRA contracts with a quality assurance firm to review the accuracy of vendor provided translations.

5. Training

Relevant Portion of Law:
The agency and each agency contractor shall provide annual training for bilingual personnel and interpreter personnel and ensure that they are providing appropriate language assistance services.

Implementation Plan:
ORIA provides training to HRA/DSS staff on matters related to limited English speaking ability customers, including the utilization of contracted interpretation services (telephone and on-site).

6. Record Keeping and Monitoring

Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, the agency and each agency contractor shall maintain records of the primary language of every individual who seeks or receives benefits or services from the agency or agency contractor. At a minimum, the agency and each agency contractor shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by agency, agency contractor or contractor, agency office, type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the agency, disaggregated by language translated or interpreted by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:

A. ORIA tracks the percentage and number of limited English speaking ability customer cases within the Family Independence Administration.

B. ORIA receives data semi-monthly for analysis of the number of LESA coded cases. Current data reflects that 15.6% of cases at Agency Job Centers are coded for Spanish and 3.5% for other languages; 13.59% of Food Stamp only cases are coded for Spanish and 5.35% are coded for other languages.

C. Based on the tracking of bilingual workers and the number of LESA cases, ORIA issues a bimonthly report on the Agency's performance.

7. Coordination

ORIA serves as the coordinating body within HRA/DSS to ensure compliance with Local Law 73 and this implementation plan.

8. Implementation Updates and Annual Reports

Relevant Portion of Law:
Implementation updates and annual reports. No later than 90 days after the end of each calendar year after the publication of the implementation plan and before implementation is complete, the agency and each other covered agency shall publish an implementation update. The implementation update shall describe steps taken over the prior year to implement the requirements of this chapter and shall describe any changes in the agency or other covered agency's plan for implementing the remaining requirements of the local law that added this chapter before the date set forth in subdivision a of this section. The implementation update for every year after 2004 shall include a report on the number of limited English proficient people served, disaggregated by language and by agency office or other covered agency office. Not later than 90 days after the end of each calendar year beginning with 2008, the agency and each other covered agency shall publish an annual report on language assistance services. At a minimum, this annual report of the agency, each agency contractor and each other covered agency shall set forth the information required to be maintained by this chapter.

Implementation Plan:

A. Before the effective date for producing annual reports (60 months), HRA/DSS will produce implementation updates every year. These reports will provide updates about our implementation of the plan, and detail any changes in the plan.

B. The implementation update for 2005 (which will be released in 2006), and all reports thereafter, will include information on the number of limited English proficient people served, disaggregated by language and by agency office.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ.....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ.....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA.....Date bid/proposal documents available
DUE.....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA.....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB.....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE.....Service Contract Short-Term Extension
DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement/**only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition
For ongoing construction project only:
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE.....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.

o21-27

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, November 3, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 050060 ZMX**

IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. **changing from an R6 District to an R7-2 District property bounded by** Concourse Village East, Morris Avenue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. **changing from a C8-3 District to an R7-2 District property bounded by** Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street; and

3. **establishing within the proposed R7-2 District a C2-4 District bounded by** Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1 **C 050061 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59 and 60) as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and
2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1 **C 050062 HUX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan:

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).
2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2, "Land Use Plan." Section C.2.a, "Residential" has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate income", and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.
3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.
4. Has been modified to conform to the current HPD language, terminology and methodology for urban renewal plans.

These changes would facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

BOROUGH OF BROOKLYN

CD 7 **C 020573 ZMK**

IN THE MATTER OF an application submitted by Lutheran Medical Center and Shore Park Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for **an amendment of the Zoning Map, Section No. 22a:**

1. **changing from an M3-1 District to an R6 District property bounded by** Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street; and
2. establishing within the proposed R6 District a C1-3 District bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street;

as shown on a diagram (for illustrative purposes only) dated August 23, 2004.

CD 7 **C 030020 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for the removal of the "Community Facility Use Only" restriction on property located at the corner of 56th Street and Second Avenue, (Block 836, p/o lot 19).**

Note: This formally city-owned property was sold with the above restriction pursuant to an application (C900433 PPK) submitted by the Department of Citywide Administrative Services and approved by the City Planning Commission on October 10th, 1990 (Cal. No. 43).

BOROUGH OF MANHATTAN

CD 11 **C 050032 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at 2081, 2083, 2085, 2087, 2089, and 2091 Madison Avenue, 43, 45/47, and 49 E. 131 Street, and 46 E. 132 Street (Block 1756, Lots 21-26, 28, 45, 51, and 52), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and
2) pursuant to Section 197-c of the New York City Charter for the disposition of the above properties, except 2081 Madison Avenue (Block 1756, Lot 24), to a developer to be selected by HPD;

to facilitate development of a ten-story building tentatively known as The Nave, with approximately 118 units of housing, retail space and a day care center, to be developed under the New York State Homes for Working Families Program.

CD 1 **C 040048 ZSM**

IN THE MATTER OF an application submitted by 380 Broadway LLC pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (GENERAL PROVISIONS) to allow residential use (Use Group 2 uses) on the 2nd through 5th floors of an existing five-story building located at 380-382 Broadway** (Block 195, Lot 1), in an M1-5 District, within the Tribeca East Historic District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

YVETTE V. GRUEL, Calendar Officer
City Planning Commission
22 Reade Street, Room 2E
New York, New York 10007
Telephone No. (212) 720-3370

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ **JOINT PUBLIC HEARINGS**

HEARING CONTINUED

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004, commencing at 10:00 A.M. at 22 Reade Street, Main Floor, 2nd Floor Conference Room, Borough of Manhattan, in the matter of a transfer of control of Neon Communications, Inc. ("NEON"), sole parent of Neon Transcom, Inc. ("Transcom") to Globix Corporation ("GLOBIX") pursuant to which NEON will merge with and into a newly-formed wholly-owned subsidiary of GLOBIX and amendment to appendix G of the franchise agreement. NEON Transcom has a franchise with the City of New York for the provision of high capacity telecommunications services.

On Tuesday, October 12, 2004 (Cal. No. 1) the joint public hearing was continued until November 8, 2004.

Draft copies of the proposed merger agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Monday, September 27, 2004 through Monday, November 8, 2004, by appointment, between the hours of 9:30 A.M. and 3:30 P.M., exclusive of Saturdays, Sundays and Holidays. Interested parties should contact Roxanne Chambers at (212) 788-6610.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYC TV-CHANNEL 74, on Sundays from 5:00 P.M. to 7:00 P.M.

o18-n8

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004 commencing at 10:00 AM at Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, to approve a transfer of control of Comet Communications, Inc.("Comet"), holder of a franchise to operate public pay telephones on the streets of the City of New York to Alex Steiner and Dennis Danforth, principals of Phone Management Enterprises, Inc. ("Phone Management"), a current public pay telephone franchisee, to operate and maintain Comet's public pay telephones on the streets of the City of New York. Also approval of the Amendment to Appendices E and I of the Franchise Agreement.

A copy of petition, resolution, and Amendment to Appendices E and I of the Franchise Agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Thursday October 14, 2004 through Monday November 8, 2004, by appointment, between the hours of 9:30 A.M. and 4:30 P.M., exclusive of Saturdays, Sundays and Holidays.

NOTE: Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

This Hearing may be broadcast in its entirety on NYC TV-Channel 74, on Sundays, from 5:00 P.M. to 7:00 P.M. For more information visit: www.nyc.gov/tv.

WORKFORCE DEVELOPMENT ADMINISTRATOR – 1 CSB – PIN# 000000UCO104 – DUE 11-23-04 AT 11:00 A.M. – The City University of New York, in cooperation with the New York City Council, seeks an organization to work closely with the Council and to act as the administrator for a workforce development initiative to address structural unemployment in New York City. The initiative will include several programs, primary research on the cause of long-term employment, and an evaluation of the progress of the initiative. The administrator who is selected shall collaborate with the New York City Council in administering the initiative. The administrator will also select (through a public solicitation) and enter into contracts with community-based and citywide organizations to execute each of the programs.

In order to be considered, prospective proposers must meet a number of requirements, including:

1. having been in the program development, grant-making, and contract management business, with a particular expertise in workforce development, for a period of at least (3) years immediately prior to the Proposal Due Date;
2. agreement to not charge the University or the New York City Council any fee for its services;
3. agreement to commit an investment of a sum of at least two hundred fifty thousand dollars ($250,000) of its funds towards the initiative; and
4. agreement to locate and obtain matching funds for investment towards the Initiative by working with the private sector, philanthropic organizations, and other governmental entities.

Copies of the Request for Proposals may be requested by written request to the address or fax number set forth for the Submit To (Proposal Due) Location.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
University Contracting Office, The City University of New York, 555 West 57th Street, 14th Floor, New York, NY 10019. Attn: Lynn Hung-Taylor, Assistant Director of Procurement Operations, Tel.#: (212) 397-5642, Fax #: (212) 397-5647.

RANDALL'S ISLAND WATERFRONT PATHWAYS – Public Bid – DUE 11-12-04 AT 11:00 A.M. – Located in the area from the 103rd Street Pedestrian Bridge to the boardwalk over the Little Hell Gate Inlet in Manhattan. The project is for construction of two parallel paths—one for biking and in-line skating and one for walking and jogging. The project will include pedestrian level lighting and minor plumbing work. The scope in general will include clearing and grubbing, rough and final grading; stone screening pavement, concrete pavers, asphalt pavement, lighting and related electrical work, water fountains and related plumbing work, site furniture including, but not limited to, benches and bicycle racks, and landscaping, and all other work incidental thereto, as more specifically described in the Contract Documents.

Each bid must be prepared and submitted in accordance with the 'Invitation for Bids' and with a Bid Security for 10% of the amount of the bid in the form of a Certified Check, Bid Bond or Bank Check in the amount of (10%) ten percent of the bid amount.

The successful bidder will be required to furnish a Performance Bond and Labor and Material Bond each for 100% of the amount of the Contract. The construction duration for this project is expected to be two-hundred ten (210) contract calendar days.

This project is in part funded by grants from the of New York State (NYS) Office of Parks, Recreation and Historic Preservation through Title 3 of the Clean Water/Clean Air Bond Act of 1996, through Title 9 of the Environmental Protection Act of 1993, and from the New York State Department of State, Division of Coastal Resources through Title 11 Local Waterfront Revitalization Program of the Environmental Protection Fund.

It is the policy of NYS to encourage the greatest possible participation of minority and woman-owned business enterprises in State-funded projects. The General Contractor, by bidding on the contract, acknowledges his/her understanding and support for this policy and pledges to fully cooperate with the NYC EDC in meeting NYS requirements as set forth in the Bidding and Contract Documents.

Bid Documents may be obtained upon payment of a fee of $100 for an initial set and $100 for each additional set, no part of which will be refunded. Payment is to be in the form of money order or certified funds payable to "New York City Economic Development Corporation." The Contract Documents, including Bid Forms for Contract Work, will also be on file with NYCEDC and may be inspected by prospective bidders during normal working hours.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

o12-n2

CONSTRUCTION OF THE SCHAEFER BREWERY ESPLANADE – Public Bid – DUE 11-17-04 AT 11:00 A.M. – at the site of the former Schaefer Brewery, in the Williamsburg section of Brooklyn, located between Kent Avenue and the East River, approximately bounded by South 9th Street and South 10th Street. This work will include upland site demolition and excavation, utility installation, and new upland construction including new pavements, plantings, amenities and railings, with all work incidental thereto. The bid package consists of the following:

- Notice To Bidders, Technical Specifications (1 book).
- Contract Drawings (1 set).

A pre-bid meeting is scheduled to take place at 10:00 a.m. on Wednesday, November 3, 2004 at the site. Attendance is not mandatory, however, bidders are strongly encouraged to attend. Representatives from Han-Padron Associates, LLP, and Abel Bainnson Butz, LLP, the design consultants, will be available to address any questions you may have regarding the project. Any additional questions you may have after the pre-bid meeting must be submitted in writing to NYCEDC at the e-mail address listed below and received no later than 5:00 p.m. on Friday, November 5, 2004. Answers will be posted at www.nycedc.com no later than 9:00 a.m. on Thursday, November 11, 2004.

The contract will be awarded by NYCEDC in consultation with Han-Padron Associates, LLP and Abel Bainnson Butz, LLP (design consultants), to the Lowest Responsive Bidder. Sealed bids must contain a 10% Bid Bond and be received no later than Wednesday, November 17, 2004 at 11:00 a.m. No bids will be accepted after 11:00 a.m.

The cost for the package is $100 per package.

PERFORM INITIAL MEDICARE PART B BILLING – CP1 – PIN# 011050250029 – DUE: 10-28-04 AT 4:00 P.M. This Request for Proposals (RFP) is issued to select a vendor to perform initial Medicare Part B billing for all of Diagnostic and Treatment Centers of the New York City Health and Hospitals Corporation (NYCHHC) network.

Copies of the RFP may be downloaded from the NYCHHC website (http://nyc.gov/hhc) under "What's New - Contracting Opportunities". Printed copies of the RFP may be obtained for $25 by visiting Revenue Management, 160 Water Street, 7th Floor, New York, NY 10038, between 10:00 a.m. and 4:00 p.m. beginning Wednesday, October 13, 2004. Please note that late or unsealed proposals shall not be accepted or considered.

The RFP does not commit the Corporation to award a contract, or to pay cost incurred in the preparation of the response to the RFP. The Corporation reserves the right to accept or reject any or all proposal(s) received as a result of this RFP, to negotiate with any qualified offeror(s) or to cancel in part or in its entirety, this RFP, if the Corporation deems that it is in its best interest to do so. Document Control Number 1768.

The Corporation is seeking to enter into an agreement for a period of one year with the option to renew for two additional one-year extensions, at the sole discretion of the Corporation, with a firm with demonstrated expertise and experience in providing electronic billing services for institutional providers and practitioners in New York State.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
HHC, Revenue Management, 160 Water Street, Room 742 New York, NY 10038. Attn: Jacqueline Huey, Senior Director (646) 458-3411 or Fax (646) 458-3435.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013. Harry T. Bavaro-324 (212) 925-7729 hbavaro@djj.nyc.gov

YOUTH AND COMMUNITY DEVELOPMENT

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Thursday, November 4, 2004, in Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, commencing at 10:00 A.M. on the following:

IN THE MATTER a proposed contract between the Department of Youth and Community Development and Big Brothers/Big Sisters, Inc. of New York City, 223 East 30th Street, New York, NY 10016, for the administration of a mentoring program aimed at at-risk New York City youth with the goal of increasing their self-esteem and social skills. Elements of the program include tutoring and educational workshops, cultural and recreational outings and counseling. The term of the contract shall be from July 1, 2004 to June 30, 2005 and shall contain no options to renew. The contract amount is not to exceed $391,000.00. PIN #: 26005062014C.

The proposed contractor is being funded through City Council Discretionary Funds appropriation, pursuant to Section 1-02 (e) of the Procurement Policy Board Rules.

A draft copy of the proposed contract may be inspected at the Department of Youth and Community Development, Office of the ACCO, 156 William Street, 2nd Floor, New York, NY 10038, on business days, between the hours of 9:00 A.M. and 5:00 P.M., from October 26, 2004 to November 4, 2004, excluding Saturdays, Sundays and holidays.

Anyone who wishes to speak at this public hearing should request to do so in writing. The written request must be received by the Agency within 5 days after publication of this notice. Written requests to speak should be sent to Ms. Patricia Chabla, Agency Chief Contracting Officer, 156 William Street, 2nd Floor, New York, NY 10038, pchabla@dycd.nyc.gov. If the Department of Youth and Community Development receives no written requests to speak within the prescribed time, the Department reserves the right not to conduct the public hearing.

Website: NYC.gov/buildings

Statement of Substantial Need for Earlier Implementation

I hereby find, pursuant to § 1043, subdivision e, paragraph 1(c) of the New York City Charter, and hereby represent to the Mayor, that there is substantial need for the implementation of Title 1 of the Rules of the City of New York § 28-02, governing carbon monoxide detecting devices and systems, upon the publication in the *City Record* of its Notice of Adoption

Local Law Number 7 for the Year 2004, which becomes effective November 1, 2004 (180 days after its enactment into law) requires the installation of carbon monoxide detecting devices in occupancies classified in Building Code occupancy groups G, H-2, J-1, J-2, and J-3. The Local Law further reqires that the Department of Buildings, in consultation with the Fire Department and the Department of Health and Mental Hygiene, promulgate rules setting forth the general types of and general requirements for carbon monoxide detecting devices and systems to be installed within these occupancies, and rules defining which dwelling units in buildings are in close proximity to carbon monoxide sources. Finally, the Local Law requires that the Department of Buildings "take all actions necessary for ... implementation, including the promulgation of rules" no later than forty-five days prior to the effective date. Thus, the Department is required to promulgate Title 1 of the Rules of the City of New York § 28-02 on or before September 17, 2004.

Pursuant to the stautory mandate, the proposed rule sets forth the types of and general requirements for carbon monoxide detecting devices and systems to be provided for and installed in occupancies within occupancy groups J-1, J-2, J-3, G, and H-2. The rule also defines which dwelling units in buildings are in close proximity to carbon monoxide sources. The proposed rule was the subject of a public hearing on August 27, 2004, with the public comment period ending on September 10, 2004. Early implementation of the rule is thus necessary for the Department to meet the statutory rule promulgation deadline set forth in the Local Law.

Patricia J. Lancaster, FAIA
Comissioner
Department of Buildings

APPROVED:
Michael R. Bloomberg
Mayor

DATE: 10/13/04

PROMULGATION OF PROPOSED RULE 28-02 RELATING TO CARBON MONOXIDE DETECTING DEVICES AND SYSTEMS

Pursuant to Section 1043 of the New York City Charter, this rule was previously published in the City Record on July 27, 2004, and a public hearing was held on August 27, 2004. The Department of Buildings hereby adopts the following rule relating to carbon monoxide detecting devices and systems.

Dated: October 6, 2004
New York, New York

Patricia J. Lancaster, FAIA
Commissioner

New material is indicated by underlining.

CHAPTER 28 SMOKE DETECTING DEVICES AND SYSTEMS AND CARBON MONOXIDE DETECTING DEVICES AND SYSTEMS

Section 2. It is proposed to amend Chapter 28 of Title 1 of the Rules of the City of New York by adding a new section 28-02, to read as follows:

§ 28-02 Required Carbon Monoxide Detecting Devices and Systems.

(a) Definitions.

(1) The term "CO" means carbon monoxide.

(2) The term "CO alarm" means a "carbon monoxide alarm" as defined in RS 17-14, and shall also mean a "carbon monoxide detecting device" as such term is used in the Subchapter 17 of Chapter 1, and Subchapter 2 of Chapter 2, of Title 27 of the Administrative Code of the City of New York. Such CO alarms may be combined with smoke detecting devices provided that the combined unit complies with the respective provisions of the administrative code, reference standards and departmental rules relating to both smoke detecting devices and CO alarms.

(3) The term "dwelling unit" means one or more rooms in a dwelling or building that are arranged, designed, used or intended for use by one or more families, including such units in occupancy groups J-1 (hotels, motels, lodging houses, rooming houses, etc.), J-2 (apartment houses, apartment hotels, school dormitory buildings, etc.), and J-3 (one- and two-family dwellings, rectories, convents, group homes, etc.).

(4) The term "fossil fuel" means coal, kerosene, oil,wood fuel gases and other petroleum products

(5) The term "fuel gases" shall include, but not be limited to, methane, natural gas, liquified natural gas and manufactured fuel gases.

(6) The term "fossil fuel burning equipment" shall mean any furnace, boiler, water heater, fireplace, apparatus, appliance or device that burns fossil fuel, excluding household cooking appliances and household (Type 1) gas clothes dryers.

(b) Location of CO alarms.

(1) In buildings containing dwelling units, including dwelling units classified in occupancy group J-1 (hotels, motels, lodging houses, rooming houses), J-2 (apartment houses, apartment hotels, school dormitory buildings) and J-3 (one-and two-family dwellings, rectories, convents, group homes), CO alarms shall be located as follows:

A. CO alarms shall be installed for the following affected dwelling units:
i. Every dwelling unit located within a building that contains any fossil fuel burning furnace, boiler, or water heater as part of a central system;

ii. Every dwelling unit located within a building served by a central fossil fuel burning furnace, boiler or water heater that is located in an adjoining or attached building.

iii. If not already provided for by (i) or (ii) above, every dwelling unit on the same floor as, the floor below, and the floor above any other fossil fuel burning equipment that is located within the same building; and

iv. If not already provided for by (i) or (ii) above, every dwelling unit on the same floor as, the floor below, and the floor above any enclosed parking that is located in the same building.

B. When a CO alarm is required by 28-02(b)(1)(A), such CO alarms shall be installed within fifteen feet of the primary entrance to any room used for sleeping purposes. Where the dwelling unit comprises only one room (as in hotels), the CO alarm shall be installed within such room.

C. In J-1 occupancies, the owner may in the alternative elect to install a line-operated zoned CO detecting system with central annunciation and central office tie-in. Such system shall provide a CO alarm:

i. in all public corridors and public spaces at intervals specified by the manufacturer;

ii. in every room or space that contains a fossil fuel burning furnace, boiler or water heater;

iii. in every room or space adjacent to and on the same floor as the fossil fuel burning furnace, boiler or water heater;

iv. in every dwelling unit on the same floor as, on the floor below, and the floor above a room that contains a fossil fuel burning furnace, boiler or water heater;

v. in every dwelling unit connected by ductwork or ventilation shafts to a room that contains a the fossil fuel burning furnace, boiler or water heater; and

vi. in every dwelling unit on the same floor as, the floor below, and the floor above any enclosed parking that is located in the same building.

(2) In buildings classified in occupancy groups G and H-2, CO alarms shall be located as follows:

A. Occupied rooms and spaces. CO alarms shall be installed within such rooms or spaces where such rooms or spaces contain any fossil fuel burning equipment.

B. Sleeping rooms. CO alarms shall be installed within fifteen feet of the primary entrance to any room or space used for sleeping purposes in H-2 occupancies such as nursing homes, orphanages, and similar occupancies (except patient rooms in hospitals) located within a building containing any fossil fuel burning furnace, boiler, or water heater as part of a central system. Such CO alarms may be located in public corridors, provided that at least one CO alarm is located within 15 feet of the primary entrance to each sleeping room.

C. Non-occupied rooms and spaces. Supervised CO alarms shall be installed within such rooms or spaces where such rooms or spaces contain any fossil fuel burning equipment. However, in existing buildings classified in occupancy groups G and H-2 that are not substantially altered or improved as per § 28-02(d)(2)(A) of this rule, any required CO alarms may, at the option of the owner, be single-station CO alarms in compliance with the installation requirements of § 28-02(d)(2).

(c) Equipment Requirements.

(1) All CO alarms for occupancy groups J-1, J-2, J-3, G, and H-2 shall be in compliance with RS 17-13, however, for G and H-2 occupancies, the design professional may utilize CO alarms responding to a lower level of CO concentration (PPM) than the reference standard, subject to approval of the department and of the Fire Department of New York..

(2) For J-1 occupancies, all line-operated zoned CO detecting systems with central annunciation and central office tie-in shall also comply with the following:

A. The individual alarm that detects CO shall sound locally , and may, at the option of the owner, also sound other alarms on that zone or elsewhere in the building.

B. Each CO alarm shall report to a central station monitoring company approved by the Fire Department of New York as an "alarm signal" and shall be identified to the monitoring company as CO. CO alarm troubles shall be reported to the central station as a "trouble signal."

C. Such system shall be either:

i. powered and supervised by a fire alarm system, installed in accordance with RS 17-3, 3A, or 3B, and connected to a central station transmitter; such system shall comply with RS 17-14 §§ 5.3.7 and 5.3.9; or

ii. powered and supervised by a dedicated CO alarm system, installed in accordance with RS 17-3 and connected to a central station transmitter; such system shall comply with RS 17-14 § 5.3.9.

D. The CO alarms, control panels and central station transmitters of such systems must be approved by the Material Equipment Acceptance Division (MEA).

(3) For G and H-2 occupancies, except for existing buildings not substantially altered or improved as per § 28-02(d)(2)(A), supervised CO alarms for non-occupied rooms and spaces shall also comply with the following:

A. Each CO alarm shall sound locally within the non-occupied room or space;

B. Except where the CO alarm signal does not report to a central station monitoring company as provided for in ii. below, each CO alarm shall report to a central station approved by the Fire Department of New York as an "alarm signal" and shall be identified to the monitoring company as CO. CO alarm troubles shall be reported to the central station as a "trouble signal." Such system shall be either:

i. powered and supervised by a fire alarm system, installed in accordance with RS 17-3, 3A, or 3B, and in accordance with RS 17-14 § 5.3.7; or

ii. powered and supervised by a dedicated CO alarm system, installed in accordance with RS 17-3; however, such system is not required to transmit to a central station monitoring company provided that the system is continually monitored by full time on-site staff during periods that the building is occupied.

C. Such systems' CO alarms, and control panels must be approved by the Material Equipment Acceptance Division (MEA).

(d) Installation.

(1) Power source. All CO alarms shall be hard-wired, receiving their primary power from the building wiring, in compliance with RS 17-14 § 5.2.2, with secondary battery back-up in compliance with RS 17-14 § 5.2.4. Where more than one hard-wired CO alarm is required within the same dwelling unit, all such alarms shall be interconnected.

(2) Existing buildings. Buildings in existence on November 1, 2004, and buildings with work permits issued prior to November 1, 2004, may, in the alternative, be equipped with battery-operated CO alarms compliant with RS 17-14 § 5.2.3 or plug-in type CO alarms with a back-up battery compliant with RS 17-14 § 5.2.4, except where such buildings are substantially improved or altered on or after November 1, 2004.

A. A building shall be deemed to have been substantially improved or altered if:

i. 50 percent or more of the dwelling units in occupancy group J-1, J-2, or J-3 are improved or altered and the cost of such improvement or alteration exceeds the sum of $25,000 per dwelling unit;

ii. 50 percent or more of the square footage of the structure is improved or altered for J-1, J-2, J-3, G, or H-2 occupancies and the cost of the improvement or alteration exceeds $500,000; or

iii. there has been a change in the occupancy or use of the entire structure to J-1, J-2, J-3, G, or H-2 occupancies.

B. In applying the foregoing provisions where cost is the factor, items falling within the scope of minor alterations or ordinary repairs, as set forth in §§27-124 and 27-125 of the Administrative Code, thereby exempt from permit requirements based on §27-147, as well as any other cost associated with any matters that are not regulated by the Building Code, are not included within calculation of the cost.

C Costs of alterations are not cumulative, provided any application filed with this department is signed off as satisfactorily completed prior to the filing of a subsequent application; and, if a Certificate of Occupancy is involved, that a final Certificate of Occupancy has been issued for the pertinent application.

D. Time for compliance. The CO alarms shall be operational in existing buildings in occupancy groups J-1, J-2, J-3, G, and H-2 by November 1, 2004; however, the commissioner may upon good cause shown extend the period of compliance to June 30, 2005.

E. Where a dwelling has existing hard-wired smoke detecting devices installed pursuant to 1 R.C.N.Y § 28-01(b)(1), combination smoke detecting device/CO alarms are not permitted unless the combination units are hard wired.

F. Extension of time for compliance.

i. Appeals to the commissioner for extension of the period of compliance shall be set forth on a form filed at the applicable borough office of the Department of Buildings, no later than December 1, 2004, and contain the following information:

aa. Location of premises, block and lot, Building Department Application number, if any, Occupancy Classification, number of dwelling units, estimated number of CO alarms, type, and where they are to be installed.

bb. The hardship to be considered with regard to the delivery or installation of the equipment.

cc. The proposed time table for compliance.

dd. A copy of the signed contract for the purchase and/or installation of the system. (Cost figures may be deleted).

ii. The Commissioner will not consider "good cause" appeals unless all required annual boiler inspections for the building are filed and up to date and no open boiler violations exist and:

aa. The installation of the CO alarms is hard-wired into the building's electrical system in accordance with RS 17-14 § 5.2.2.; or

bb. The number of units in single ownership or management responsibility exceed 500, and a complete schedule for installation is submitted prior to December 1, 2004; or

cc. Special circumstances not covered by subdivisions (i) or (ii) above are involved.

iii. Notice of approved extensions for J-1, J-2, and J-3 occupancies are to be forwarded to the Commissioner of the Department of Housing Preservation and Development.

(3) Reference Standard. CO alarms for J-1, J-2, J-3, G, and H-2 occupancies shall be installed in accordance with RS 17-14.

(e) Filing requirements.

(1) Applications for the installation of any CO alarm system in J-1, G, or H-2 occupancies that connects to a fire alarm system or reports to a central station monitoring company shall be filed with the Department of Buildings and Fire Department of New York following the same administrative procedures as filing of fire alarm applications.

(2) Applications for the installation of any CO alarm system in G or H-2 occupancies that is required to be continually monitored may be filed under Directive 14 of 1975 provided:

i. the system is not connected to a fire alarm system; or

ii. the system does not report to a central station monitoring company.

(3) Applications for the installation of other hard-wired CO alarms shall be filed with the Bureau of Electrical Control where filing is required by the New York City Electrical Code.

(4) For existing buildings that are not substantially improved or altered, installation of single station CO alarms that receive primary power from batteries or that are plug-in type with back-up batteries does not require filing with the Department of Buildings.

STATEMENT OF BASIS AND PURPOSE

The Department of Buildings, in consultation with the Fire Department and the Department of Health and Mental Hygiene, is promulgating new rule 1 RCNY § 28-02 relating to carbon monoxide detecting devices and systems. This rule is promulgated in order to implement Local Law #7 of 2004, known as the New York City Carbon Monoxide Detecting Device Act of 2004. The rules set forth the types of and general requirements for carbon monoxide detecting devices and systems to be provided for and installed in buildings within occupancy groups J-1, J-2, J-3, G, and H-2. The rules also define which dwelling units in buildings are in close proximity to carbon monoxide sources.

Reference Standard 17-13
UL No. 2034, Standard for Single and Multiple Station Carbon Monoxide Detectors, October 29, 1996, with revisions through June 28, 2002.

Reference Standard 17-14
NFPA No. 720, Recommended Practice for the Installation of Household Carbon Monoxide (CO) Warning Equipment, 2003 Edition, as modified. The following sections of this standard are modified to read as follows (deleted text is in brackets; new text is italicized):

Title on page 720-4: "NFPA 720 Recommended Practice for the Installation of [Household] Carbon Monoxide (CO) Warning Equipment, 2003 Edition"

1.1.2 This document is limited to carbon monoxide warning equipment for use in *J-1, J-2, J-3, G and H-2 occupancies* [family living units] that contain fuel-burning *equipment*, appliances or fireplaces or have attached garages.

1.1.3 This document contains recommendations for the selection, installation, operation, and maintenance of equipment that detects concentrations of carbon monoxide that could pose a risk to the health of most occupants [in family living units].

2.3.1 UL Publication. Underwriters Laboratories, Inc., 333 Pfingsten Road, Northbrook, IL 60062. UL 2034, Standard for Single and Multiple Station Carbon Monoxide Detectors, October 29, 1996, *as revised through June 28, 2002.*

3.2.2* Authority Having Jurisdiction (AHJ). *The New York City Department of Buildings, New York City Fire Department, New York City Department of Housing Preservation and Development, and New York City Department of Health and Mental Hygiene.* [The organization, office, or individual responsible for approving equipment, materials, an installation, or a procedure.]

3.3.3 *Dwelling* [Family Living] Unit. *One or more rooms in a building occupied in whole or in part as the temporary or permanent home or residence of one or more families, where such room or rooms are arranged, designed, used or intended for use by one or more families, including such units in occupancy groups J-1 (hotels, motels, lodging houses, rooming houses, etc.), J-2 (apartment houses, apartment hotels, school dormitory buildings, etc.), and J-3 (one- and two-family dwellings, rectories, convents, group homes, etc.).* [One or more rooms in a single family detached dwelling, single family attached dwelling, multifamily dwelling, or mobile home for the use of one or more persons as a housekeeping unit with space for eating, living, and sleeping and permanent provisions for cooking and sanitation.]

3.3.9 Separate Sleeping Area. The area of a *dwelling* [family living unit] where the bedrooms or sleeping rooms are located.

3.3.10.1 Alarm Signal. A signal indicating a concentration of carbon monoxide that could pose a risk to the life safety of the occupants [in the family dwelling unit] and requiring immediate attention.

4.2 Supplemental Functions. Supplemental functions, including the transmission of an alarm beyond the *premises* [household] should be permitted and should not interfere with the performance recommendations of this document.

4.3 Total System. Where the AHJ requires both the alarm and transmission beyond the *premises* [household] and the total system to comply with the applicable sections of [NFPA 72, National Fire Alarm Code] *RS 17-3, 17-3A, or 17-3B*, the recommendation of Section 5.1 and 5.4.2 of this document *shall* [should] be followed.

Title of Chapter 5: Chapter 5 [Household] Carbon Monoxide Warning Equipment

5.1 *Required* [Recommended] Protection.

5.1.1.1 A carbon monoxide detecting alarm or detector *shall* [should] be centrally located *as provided for in § 5.1.2 and 1 R.C.N.Y. § 28-02* [outside of each sleeping area in the immediate vicinity of the bedrooms.].

5.1.1.3 Each alarm or detector *shall* [should] be located on the wall, ceiling, or other location as specified in the installation instructions accompanying the unit. *To help prevent false alarms, such alarm or detector should be located away from sources of humidity such as bathrooms and should be located away from a range or other fossil fuel burning equipment. To prevent damage by occupants, such alarm or detector should be located out of reach of children and pets.*

5.1.2 Alarm notification appliances. Each alarm or detector *shall* [should] cause the operation of an alarm notification appliance that *shall* [should] be clearly audible in all bedrooms over background noise with all intervening doors closed, *in accordance with Annex A, § A.5.1.1.1.*
5.2.1.1 All power supplies *shall* [should] have sufficient capacity to operate the signal(s) for at least 12 continuous hours.

5.2.1.2 For electrically powered household carbon monoxide warning equipment, the primary (main) power source *shall* [should] be ac, unless otherwise permitted by the following:

(1) Detectors and alarms are permitted to be powered by a monitored dc circuit of a control unit when power for the control unit meets the recommendations of section 5.2 and the circuit remains operable upon the loss of primary (main) ac power.

(2) A detector and a wireless transmitter that serves only that detector are permitted to be powered from a monitored batter (main) source where part of a listed, monitored, low-power radio (wireless) system.

[(3) In existing construction, a monitored battery primary (main) power source, as described in 5.2.3, is permitted.]

5.2.2.1 An ac primary (main) power source *shall* [should] be a commercial light and power supply or other dependable source *and shall be provided with a secondary (standby) power supply complying with § 5.2.4.*

5.2.2.2 A visible "power on" indicator *shall* [should] be provided.

5.2.2.3 Primary (main) ac power *shall* [should] be supplied from either a dedicated branch circuit or the unswitched portion of a branch circuit also used for power and lighting.

5.2.2.4 All electrical systems *shall comply with the New York City Electrical Code* [designed to be installed by other than a qualified electrician should be powered from a source not in excess of 30 volts that meets the requirements for Class 2 circuits as defined in Article 725 of NFPA 70, National Electrical Code®].

5.2.2.7 The recommendation of 5.2.2.6 does not apply *in J-1, J-2, and J-3 occupancies* where a ground fault circuit interrupter serves all electrical circuits within the household.

5.2.2.9 [Where a secondary (standby) battery is provided, the] *The* primary (main) power supply should be of sufficient capacity to operate the system under all conditions of loading with *the* [any] secondary (standby) battery disconnected or fully discharged.

5.2.3 Primary Power Supply – Monitored Battery. [Household] [c]Carbon monoxide warning equipment *may* [should] be [permitted to be] powered by a battery *only where permitted by 1 R.C.N.Y. 28-02 and*[,] provided that the battery is monitored to ensure that the following conditions are met:
(1) All power recommendations are met for at least one year of battery life, including monthly testing.
(2) A distinctive audible trouble signal sounds before the battery is incapable of operating the device(s) (from causes such as aging or terminal corrosion) for alarm purposes.
(3) Automatic transfer is proved from alarm to a trouble condition for a unit employing a lock-in alarm feature.
(4) The unit is capable of producing an alarm signal for at least 12 hours at the battery voltage at which a trouble signal is normally obtained, followed by not less than 7 days of trouble signal operation.
(5) After the initial 4 minutes of alarm, the 5-second "off" time of the alarm signal should be permitted to be changed to 60 seconds ± 10 percent.

5.2.4.1 When provided, a secondary (standby) power supply *shall* [should] have sufficient capacity to power the unit for 8 hours, followed by not less than 12 hours of alarm, followed by not less than 7 consecutive days of trouble signals.

5.2.4.2 After the initial 4 minutes of alarm, the 5-second "off" time of the alarm signal *shall* [should] be permitted to be changed to 60 seconds ± 10 percent.

5.2.4.3 Removal or disconnection of a battery used as a secondary (standby) power source *shall* [should] cause [an] audible [or]*and* visible trouble signals.

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:
5.2.4.6
5.3.1.3
5.3.2.1 through 5.3.2.4
5.3.3.1
5.3.4.1 and 5.3.4.2
5.3.5.1 through 5.3.5.3
5.3.6.1 through 5.3.6.4

5.3.6.5 Each electrical carbon monoxide system *shall* [should] have an integral test means to allow the *occupants* [householder] to test the system operation.

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:
5.3.7.1 and 5.3.7.2

5.3.8.1 Where carbon monoxide alarms or detectors are interconnected to fire alarm or combination control units, connections *shall* [should] be via *alarm* [supervisory] circuits only, *and all alarms and/or detectors and control units shall be certified as compatible by the manufacturer(s) and shall be approved by the Materials Equipment Acceptance Division of the Department of Buildings.*

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:
5.3.8.2 and 5.3.8.3

5.3.9.1 Supervising station systems requiring transmission of signals to continually staffed locations providing supervising station services (for example, central station service, proprietary stations, or remote stations) *shall* [should] also comply with the applicable requirements of [Chapter 8 of NFPA 72®, National Fire Alarm Code.®] *3 R.C.N.Y 17-01, Rules of the Fire Department of New York.*

5.3.9.2 Where carbon monoxide alarms, detectors, multipurpose detectors, or combination or multiple station alarms or systems are connected to supervising station fire alarm systems, receipt of alarm signals *shall* [should] be distinctively indicated as "*alarm* [supervisory] signal carbon monoxide" or other non-fire alarm signal designation acceptable to the AHJ.

5.3.9.3 Signals received by the supervising station *shall* [should] be processed by the supervising station personnel in accordance with the *rules of the Fire Department of New York.* [following recommendations:

(1) They should retransmit the supervisory signal to public fire service communications center.
(2) They should notify the subscriber by the quickest available method.
(3) When the signal results from a pre-arranged test, action recommended by 5.3.9.3 (1) and (2) is not necessary.]

5.3.10.1 Carbon monoxide warning systems utilizing low-power wireless transmission of signals within the protected [household should] *premises shall* comply with the *applicable* requirements of [NFPA 72®, National Fire Alarm Code®] *RS 17-3, 17-3A, or 17-3B, and must be approved by the Material Equipment Acceptance Division (MEA).*

The word should which indicates recommendation shall be replaced with the word shall which indicates mandated compliance in the following sections:
5.4.1.1 through 5.4.1.6
5.6.1 through 5.6.3

SPECIAL MATERIALS

COMPTROLLER

■ NOTICE

NOTICE OF ADVANCE PAYMENT OF AWARDS
PURSUANT TO THE STATUTES IN SUCH cases made and provided, notice is hereby given that the Comptroller of the City of New York, will be ready to pay, at 1 Centre Street, Room 629, New York, NY 10007 on November 8, 2004, to the person or persons legally entitled an amount as certified to the Comptroller by the Corporation Counsel on damage parcels, as follows:

Damage Parcel No.	Block	Lot
187	3305	37
327	3376	3
354	3396	30
310	3370	49

acquired in the proceeding, entitled: Bushwick II U.R.A. Third Amended Stage II subject to any liens and encumbrances of record on such property. The amount advanced shall cease to bear interest on the specified date above.

William C. Thompson, Comptroller

HEALTH AND MENTAL HYGIENE

■ NOTICE

New York City Department of Health and Mental Hygiene
Local Law 73 Implementation Plan

Introduction

This implementation plan presents the steps that the New York City Department of Health and Mental Hygiene (DOHMH) will take in order to ensure compliance with Local Law 73 of 2003.

This plan also shows DOHMH's commitment to provide meaningful access to all individuals seeking benefits and services, including individuals with limited English proficiency. Individuals should not face obstacles to receiving social services for which they may be eligible because they do not speak English. The purpose of this plan is to ensure that persons eligible for social services receive them and to avoid the possibility that a person who attempts to access services will face discrimination based on the language he or she speaks.

The mission of DOHMH is to protect and promote the health and mental health of all New Yorkers, which includes those with limited proficiency in English. DOHMH currently strives to ensure that limited English proficient (LEP) clients receive meaningful and timely access to our services through various methods, including employing appropriate bilingual staff, providing intake forms and important health information documents in various languages, and using a contracted telephone interpretation service.

1. Identification of Primary Language
Relevant Portion of Law:
Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by an other covered agency, the other covered agency shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the other covered agency shall inform the individual in his/her primary language of available language assistance services.

"Primary language" means the language in which a limited English proficient individual chooses to communicate with others.

Implementation Plan:
A. Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by DOHMH, the employee shall determine the primary language of such individual and whether the person prefers an interpreter or translation assistance.
B. Employees should use Language Identification Cards to determine a client's primary language. Employees can ask the client to point to his or her primary language on the Language Identification Card. DOHMH will provide clinics and other appropriate service sites with Language Identification Cards. It is planned that all appropriate sites will have a supply of language identification cards by the end of calendar year 2005.
C. If an employee has difficulty determining a client's primary language, the employee shall first use the Language Identification Card and then, if necessary, shall contact the Language Assistance Coordinator or the telephonic interpretation service for assistance.

2. Notice Regarding Free Language Assistance
Relevant Portion of Law:
Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by an other covered agency, the other covered agency shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the other covered agency shall inform the individual in his/her primary language of available language assistance services.

Implementation Plan:
A. Once the primary language of a client has been determined, using language identification cards or other appropriate means, the client shall be informed of his/her right to free language assistance services in his/her primary language by DOHMH staff or interpreters, or using the language identification card.
B. DOHMH will post multilingual signage in clinics and other appropriate service sites advising clients of the availability of language assistance. These posters will be made available by DOHMH Office of Cross Cultural Communications. The posters are available from our contracted telephone interpretation service. Signage is planned to be posted up in clinics by the end of calendar year 2005.
C. Protocols will be developed for answering telephone calls and providing notification of the availability of interpretation services. The protocols will be disseminated throughout DOHMH and adapted for the needs of each programs. This training will be provided by the end of calendar year 2007.

3. Language Assistance Services
Implementation Plan:
A. DOHMH will develop protocols for delivery of language services for LEP clients.
B. DOHMH Office of Cross-Cultural Communications will assemble and distribute a "Language Access Toolkit," including guidelines for staff providing service to LEP clientele and resources to facilitate communications during the encounter. Options will include direct service by bilingual staff, interpretation by staff, the DOHMH Volunteer Language Bank, and telephone interpretation. All sites will have access to telephone interpretation through the existing agency contract. Resources in the toolkit will include language identification tools, contact information for community organizations, and other references. Guidelines will also specify standard operating procedures for determining language preferences. Information contained in the toolkits will also be made available on the DOHMH intranet.
C. As staffing and available language skills will vary at each clinic site, each program will adapt the communications protocol to prioritize responses depending upon program or site-specific capacity. Guidelines will discuss benefits and caveats of various options. Community demographics, including information on languages spoken and immigrant populations represented in the catchment area, will be included.
D. DOHMH will distribute the Language Access Toolkit by July 2005.
E. DOHMH translates materials into multiple languages. As requested by individual programs and sometimes by other agencies, the Cross-Cultural Communications unit (CCC) solicits translations and review by qualified translators. In FY04, CCC translated over 300 documents, up from 230 in FY03. CCC works with its vendors and clients to improve accuracy and appropriateness of translations. In recent years, the agency has translated health materials into over 20 languages. Fact sheets on West Nile virus have been available in 17 languages. Other materials from Oral Health, School Health, and HealthStat have been produced in more than five languages. Individual bureaus attempt to develop materials that reflect the linguistic profile of its clientele. The TB Control Bureau provides materials in several languages including Spanish, Chinese, Haitian Creole, Russian, and French, and has added patient brochures in several new languages, including Hindi, Urdu, and Bengali. The agency recently licensed machine translation technology from the Pan American Health Organization to assist with the translation of health information into Spanish. All Health Bulletins and most press releases are now translated into Spanish and Chinese, and in some cases, other languages as deemed appropriate. The agency will improve multilingual access to its public website over the coming year.

4. Quality Assurance Measures
Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, every other covered agency shall maintain records of the primary language of every individual who seeks or receives ongoing benefits or services. At a minimum, the other covered agency shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the other covered agency, disaggregated by language translated by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:
A. DOHMH will devise quality assurance methods for testing the accuracy of primary language recording.
B. DOHMH currently provides quality assurance for translations, through the selection of qualified vendors; reviews by independent translators; and the development of reference materials, such as glossaries, to improve accuracy and consistency of translated documents. DOHMH will also establish periodic reviews by language review panels for the most requested languages. Periodic review panels will be established by the end of calendar year 2005.

5. Training
Implementation Plan:
A. DOHMH will provide, or contract to provide, to all appropriate personnel in covered programs, training in how to elicit (using language identification cards) and record clients' primary languages. This training will be

provided by the end of calendar year 2006.

B. Protocols will be developed for answering telephone calls and providing notification of the availability of interpretation services. The protocols will be disseminated throughout DOHMH and adapted for the needs of each programs. This training will be provided by the end of calendar year 2007.

C. DOHMH will train all appropriate personnel on protocol for delivery of language services.

6. Record Keeping and Monitoring

Relevant Portion of Law:

No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, every other covered agency shall maintain records of the primary language of every individual who seeks or receives ongoing benefits or services. At a minimum, the other covered agency shall maintain specific records of the following:

1. The number of limited English proficient individuals served, disaggregated by type of language assistance required and primary language;

2. The number of bilingual personnel and the number of interpreter personnel employed by the other covered agency, disaggregated by language translated by such personnel;

3. Whether primary language determinations are recorded properly; and

4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:

A. "Ongoing benefits and services." The Department's programs encompass areas of disease control, environmental health, epidemiology, health care access and improvement, health promotion and disease prevention, and mental hygiene services, serving the more than 8 million people who live in New York City. Certain programs see clients on an ongoing basis. Those programs will be covered by this portion of the plan."[1]:

B. DOHMH programs that serve individuals seeking "ongoing benefits and services" shall maintain records of the primary language of every individual. Certain programs already track clients' primary languages. Other programs will change client intake procedures to track this information. Programs will also track the type of language assistance provided to clients.

C. Record Keeping of Bilingual/Interpreter Personnel. DOHMH programs that serve individuals seeking "ongoing benefits and services" will keep records of the number of bilingual personnel disaggregated by language translated or interpreted by such personnel, as well as by office location.

[1] Many of DOHMH's services are contracted. Contracted services are not covered by the law.

7. Coordination

DOHMH will designate a Language Assistance Coordinator to ensure compliance with Local Law 73 and this implementation plan.

8. Implementation Updates and Annual Reports

Relevant Portion of Law:

Implementation updates and annual reports. No later than 90 days after the end of each calendar year after the publication of the implementation plan and before implementation is complete, the agency and each other covered agency shall publish an implementation update. The implementation update shall describe steps taken over the prior year to implement the requirements of this chapter and shall describe any changes in the agency or other covered agency's plan for implementing the remaining requirements of the local law that added this chapter before the date set forth in subdivision a of this section. The implementation update for every year after 2004 shall include a report on the number of limited English proficient people served, disaggregated by language and by agency office or other covered agency office. Not later than 90 days after the end of each calendar year beginning with 2008, the agency and each other covered agency shall publish an annual report on language assistance services. At a minimum, this annual report of the agency, each agency contractor and each other covered agency shall set forth the information required to be maintained by this chapter.

Implementation Plan:

A. DOHMH will collect the above information from the covered programs, and produce an annual report, beginning 60 months from the effective date of the law.

B. Prior to the effective date for producing annual reports (60 months), DOHMH will produce implementation updates every year. These reports will provide updates about our implementation of the plan, and detail any changes in the plan.

9. Use of Friends & Family Members as Interpreters

It is DOHMH's policy that personnel should never require an individual to use family members or friends as interpreters.

o25-26

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Local Law 73 Implementation Plan

Introduction

This implementation plan presents the steps that the New York City Human Resources Administration/Department of Social Services (HRA/DSS) has taken and will take in order to be in compliance with Local Law 73 of 2003. This plan is a continuation of HRA/DSS's commitment to provide meaningful access to all individuals seeking benefits and services, including individuals with limited English proficiency.

HRA/DSS has a long history of providing the public with language services assistance. In continuing this tradition of serving limited English proficient individuals within the City, HRA/DSS created a dedicated unit in 2000, the Office of Refugee and Immigrant Affairs (ORIA), to monitor the Agency's client contact points, centralize contract management of translation and interpretation contracts, assist program areas in drafting and implementing policies regarding service to limited English speaking ability (LESA) customers, contract for testing of prospective bilingual workers, and provide training to Agency staff on LESA related matters.

1. Identification of Primary Language

Relevant Portion of Law:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by the agency or an agency contractor, the agency or agency contractor shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the agency or agency contractor shall inform the individual in his/her primary language of the right to free language assistance services.

"Primary language" means the language in which a limited English proficient individual chooses to communicate with others.

Implementation Plan:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by HRA/DSS, the employee shall determine the primary language of such individual and whether the person requires language assistance services.

Of those making the initial contact by telephone, the majority call 311 or HRA's InfoLine where bilingual staff are available and have access to telephone interpreter services for languages not spoken by staff.

For individuals presenting in person, and for whom the language is not immediately recognized, employees will utilize the Language Card to make the determination. The HRA Language Card Form W-194 (6/27/03) instructs employees, "If you do not know the language of the person who wants your help, use this card. The person can point to the language needed and you can arrange for an interpreter."

The Language Card then proceeds to ask in 17 languages (Albanian, Arabic, Bosnian, Simplified Chinese, Traditional Chinese, Creole, French, Hebrew, Hindi, Italian, Khmer, Korean, Russian, Spanish, Urdu, Vietnamese, and Yiddish), including the covered languages, "do you speak... please be seated. I will call an interpreter for you."

The Family Independence Administration (FIA), with assistance from ORIA, developed LESA procedures for staff at all Job Centers, Non Public Assistance Food Stamp Centers, and the Special Needs Region to determine the primary language and the need for language assistance by LESA applicants and clients. These procedures also can serve as a template for each Agency program area to adapt to its particular program specifications.

2. Notice Regarding Free Language Assistance

Relevant Portion of Law:

Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by the agency or an agency contractor, the agency or agency contractor shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the agency or agency contractor shall inform the individual in his/her primary language of the right to free language assistance services.

The agency shall provide in all application and recertification packages an 8 ½ inch x 11 inch or larger notice advising participants that free language assistance services are available at its offices and where to go if they would like an interpreter. This notice shall appear in all covered languages.

The agency and each agency contractor shall post conspicuous signs in every covered language at all agency offices and agency contractor offices informing limited English proficient individuals of the availability of free language assistance services.

Implementation Plan:

A. The majority of HRA/DSS public offices currently have 11x17 posters stating ina ssistance. Signs are printed the following languages: English, Albanian, Arabic, Bosnian/Serbo-Croatian, Chinese, Haitian Creole, French, Hebrew, Hindi, Italian, Khmer, Korean, Russian, Spanish, Vietnamese, and Yiddish. "If you do not speak English, interpreting services are available. If you would like an interpreter and one has not been provided for you, please contact..." Plans are being developed for the dissemination of posters to the balance of the HRA/DSS offices as well as to HRA/DSS contractors. Of those making the initial contact by telephone, the majority call 311 or HRA's InfoLine where bilingual staff are available and have access to telephone interpreter services for languages not spoken by staff.

B. All public assistance HRA/DSS centers have LESA Liaisons whose names are listed on the posters and are designated to procure interpreter services for an applicant/participant. LESA Liaisons are authorized to have a bilingual worker assigned to assist the client, call for a contracted telephone interpreter, or order a contracted on-site interpreter to report to the location.

C. All public assistance and food stamps application kits currently contain an insert advising of the availability of free language services.

3. Language Assistance Services

Relevant Portion of Law:

When a limited English proficient individual seeks or receives benefits or services from an agency office or agency contractor, the agency office or agency contractor shall provide prompt language assistance services in all interactions with that individual, whether the interaction is by telephone or in person. The agency office or agency contractor shall meet its obligation to provide prompt language assistance services for purposes of this subdivision by ensuring that limited English proficient individuals do not have to wait unreasonably longer to receive assistance than individuals who do not require language assistance services.

Where an application or form requires completion in English by a limited English proficient individual for submission to a state or federal authority, the agency or agency contractor shall provide oral translation of such application or form as well as certification by the limited English proficient individual that the form was translated and completed by an interpreter, as set out in internal policies and, procedures..

The agency shall make all reasonable efforts to provide language assistance services in person by bilingual personnel.

The agency shall translate all documents into every covered language as of the first day of the sixtieth month after the effective date of the local law that added this chapter.

"Covered language" means Arabic, Chinese, Haitian Creole, Korean, Russian or Spanish.

The agency shall phase in language assistance services for covered functions as follows:

1. *As of the first day of the twenty-fourth month after the effective date of the local law that added this chapter, no less than 20% of covered functions provided by agency offices.*
2. *As of the first day of the forty-eighth month after the effective date of the local law that added this chapter, no less than 40% of covered functions provided by agency offices.*
3. *As of the first day of the sixtieth month after the effective date of the local law that added this chapter, 100% of covered functions provided by agency offices.*

Contractors:

1. *In all covered contracts entered into or renewed after January 1, 2005, the contractor shall certify that it shall make available language assistance services and maintain and provide access to records as required by this chapter.*
2. *Every covered contract must contain a provision in which the contractor acknowledges that the following responsibilities constitute materials terms of the contract:*
   a. *to provide language assistance services as required by this chapter;*
   b. *to comply with the record keeping requirements set forth in this chapter;*
   c. *to provide the city access to its records for the purposes of audits or investigations to ascertain compliance with the provisions of this section, to the extent permitted by law; and*
   d. *to provide evidence to the city that the contractor is in compliance with the provisions of this section, upon request.*
3. *If an agency contractor enters into a subcontract agreement to provide any benefits or services under a covered contract, that subcontract will be considered a covered contract for purposes of this section and the provisions of this section will bind the subcontractor Each contractor is required to include the contract provision set forth in paragraph 2 of this subdivision in any such subcontract agreement.*

"Covered contract" means a contract between the agency and a contractor to perform a covered function.

"Covered function" means any of the following functions:

1. *Benefits or services offered or provided at agency offices;*
2. *Benefits or services provided by agency contractors to provide employment services in connection with participation of individuals engaged in activities required by sections 335 through 336-c of the social services law;*
3. *Home care services; and*
4. *Determinations regarding eligibility for subsidized childcare.*

Implementation Plan:

A. Before the enactment of Local Law 73, HRA/DSS was in the process of translating its food stamp-related, city-generated, client-contact forms into nine languages. The languages are Spanish, Arabic, Chinese, French, Haitian Creole, Korean, Russian, Vietnamese and Yiddish. These languages were identified as the most common foreign languages of HRA/DSS food stamp customers in a survey conducted by HRA/DSS in the fall of 2001. Almost all client contact forms and informational brochures are available in Spanish.

B. The Agency has invested in technology solutions to provide customers with computer-generated notices in English, Spanish, Arabic, Chinese, French, Haitian Creole, Korean, Russian, Vietnamese, and Yiddish.

C. HRA/DSS's Office of Constituent and Community Affairs manages the Infoline Call Center, a crucial telephone "help line" available to the general public seeking information on all HRA/DSS programs. Infoline posters, Form W-184 (revised 01/04) are 11x17 posters in English, Spanish, Arabic, Chinese, Korean, Haitian Creole, and Russian, which state, "For assistance with any HRA Program-Call This Toll-Free Number." These posters are conspicuously posted in all waiting rooms throughout the Agency where people present themselves in person for assistance.

D. Homebound applicants may call the Infoline number to request an application or a home visit. Automated information is available 24 hours a day through a multilingual toll-free service. During business hours, Infoline is staffed by bilingual representatives who are available to answer questions in English, Spanish, Russian, Chinese, and Vietnamese. Language access for all other languages is provided with the help of the Agency's telephone interpreter contracts.

E. Certain Agency human services contracts already require language access for participants, and as of January 2005, any new or renewed contracts will contain said language. All HRA/DSS contracts conform to current Procurement Policy Board Rules.

F. ORIA contacted program areas throughout HRA/DSS from February 2004-September 2004 to notify them of the passage of Local Law 73. ORIA asked each program area to fill out a survey to identify "documents," as defined by this law, which includes city-generated:

- Application forms and corresponding instructional materials

- Notices that require a response from the participant
- Notices that concern the denial, termination, reduction, increase or issuance of a benefit or service
- Notices regarding the rights of participants to a conference and or fair hearing
- Notices describing regulation changes that affect benefits.

ORIA is presently in the second phase of HRA/DSS's implementation process, to rank documents by frequency of use. This information will be used to set the order in which as-yet-untranslated documents will be translated. This task will be conducted from September 2004-February 2005. In its third and final phase, based on identification of documents in Phase 2, HRA will have met or exceeded the translation schedule outlined in the matrix below:

LL 73 Effective date	12 months after effective date	24 months after effective date	48 months after effective date	60 months after effective date
February 5, 2004	February 1, 2005	February 1, 2006	February 1, 2008	February 1, 2009
City-generated Forms and Documents Translated	10% Complete	20% Complete	40% Complete	100% Complete
Program Area:				
Family Independence Administration	10%	20%	40%	100%
Medical Insurance Community Services Administration	10%	20%	40%	100%
Office of Policy and Program Development	10%	20%	40%	100%
Office of Revenue and Investigation	10%	20%	40%	100%
Customized Assistance Services	10%	20%	40%	100%
CUMULATIVE PERCENTAGE	10%	20%	40%	100%

4. Quality Assurance Measures
Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, the agency and each agency contractor shall maintain records of the primary language of every individual who seeks or receives benefits or services from the agency or agency contractor. At a minimum, the agency and each agency contractor shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by agency, agency contractor or contractor, agency office, type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the agency, disaggregated by language translated or interpreted by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

The agency and each agency contractor shall screen bilingual personnel and interpreter personnel for their ability to provide language assistance services. The agency and each agency contractor shall provide annual training for bilingual personnel and interpreter personnel and ensure that they are providing appropriate language assistance services.

Implementation Plan:
A. ORIA monitors HRA/DSS's contact points to assess whether primary language determinations are recorded properly and whether documents are translated accurately and disseminated properly.

B. ORIA contracts for testing of the oral, written and reading language skills of prospective bilingual employees.

C. ORIA currently reviews Agency aggregate coding of LESA cases to identify potential errors by searching for anomalies. Possible miscodes are referred to centers for investigation and, if appropriate, corrective action. This process is continuing under Local Law 73.

D. ORIA currently performs case file reviews using professional standards for sampling and data analysis. In the future case file reviews meeting professional standards will be designed and implemented to fulfill the requirements imposed by Local Law 73.

E. ORIA reviews the assignment of LESA cases semi-monthly to identify trends and ensure that LESA cases are being matched to available bilingual staff. This process is continuing under Local Law 73.

F. HRA/DSS will conductany recruitment of bilingual staff based on the data shared by ORIA which tracks the number of bilingual staff assigned to cases. All prospective bilingual hires will be tested as outlined above.

G. HRA contracts with a quality assurance firm to review the accuracy of vendor provided translations.

5. Training
Relevant Portion of Law:
The agency and each agency contractor shall provide annual training for bilingual personnel and interpreter personnel and ensure that they are providing appropriate language assistance services.

Implementation Plan:
ORIA provides training to HRA/DSS staff on matters related to limited English speaking ability customers, including the utilization of contracted interpretation services (telephone and on-site).

6. Record Keeping and Monitoring
Relevant Portion of Law:
No later than the first day of the sixtieth month after the effective date of the local law that added this chapter, the agency and each agency contractor shall maintain records of the primary language of every individual who seeks or receives benefits or services from the agency or agency contractor. At a minimum, the agency and each agency contractor shall maintain specific records of the following:
1. The number of limited English proficient individuals served, disaggregated by agency, agency contractor or contractor, agency office, type of language assistance required and primary language;
2. The number of bilingual personnel and the number of interpreter personnel employed by the agency, disaggregated by language translated or interpreted by such personnel;
3. Whether primary language determinations are recorded properly; and
4. Whether documents are translated accurately and disseminated properly.

Implementation Plan:
A. ORIA tracks the percentage and number of limited English speaking ability customer cases within the Family Independence Administration.

B. ORIA receives data semi-monthly for analysis of the number of LESA coded cases. Current data reflects that 15.6% of cases at Agency Job Centers are coded for Spanish and 3.5% for other languages; 13.59% of Food Stamp only cases are coded for Spanish and 5.35% are coded for other languages.

C. Based on the tracking of bilingual workers and the number of LESA cases, ORIA issues a bimonthly report on the Agency's performance.

7. Coordination
ORIA serves as the coordinating body within HRA/DSS to ensure compliance with Local Law 73 and this implementation plan.

8. Implementation Updates and Annual Reports
Relevant Portion of Law:
Implementation updates and annual reports. No later than 90 days after the end of each calendar year after the publication of the implementation plan and before implementation is complete, the agency and each other covered agency shall publish an implementation update. The implementation update shall describe steps taken over the prior year to implement the requirements of this chapter and shall describe any changes in the agency or other covered agency's plan for implementing the remaining requirements of the local law that added this chapter before the date set forth in subdivision a of this section. The implementation update for every year after 2004 shall include a report on the number of limited English proficient people served, disaggregated by language and by agency office or other covered agency office. Not later than 90 days after the end of each calendar year beginning with 2008, the agency and each other covered agency shall publish an annual report on language assistance services. At a minimum, this annual report of the agency, each agency contractor and each other covered agency shall set forth the information required to be maintained by this chapter.

Implementation Plan:
A. Before the effective date for producing annual reports (60 months), HRA/DSS will produce implementation updates every year. These reports will provide updates about our implementation of the plan, and detail any changes in the plan.

B. The implementation update for 2005 (which will be released in 2006), and all reports thereafter, will include information on the number of limited English proficient people served, disaggregated by language and by agency office.

SCHOOL CONSTRUCTION AUTHORITY

■ NOTICE

Pursuant to §1731 of the New York City School Construction Authority Act, notice has been filed for the proposed site selection of Block 2246, Lots 36 and 43, and any other property in the immediate vicinity which may be necessary for the proposed project, located in the Borough of Manhattan, to be used to construct a new 630-seat primary and intermediate school facility serving Region No. 10/ Community School District No. 6.

The proposed site is an approximately 31,600 square foot property located on the south side of Dyckman Street between Henshaw Street and Payson Avenue in the Inwood section of Manhattan. Site plans and a summary thereof for the proposed action are available at:

New York City School Construction Authority
30-30 Thomson Avenue
Long Island City, New York 11101

Attention: Ross J. Holden

Comments on the proposed actions are to be sent to the New York City School Construction Authority at the above address and will be accepted until December 10, 2004.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ.....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA.....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA.....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB.....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE.....Service Contract Short-Term Extension
DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations/Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4....
CP/PQ/4....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement/**only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition
For ongoing construction project only:
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE.....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)
OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

BRONX BOROUGH PRESIDENT

■ PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. The hearing will take place on Thursday, November 4, 2004 at 11:30 a.m., in the office of the Borough President, 198 East 161st Street, (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CD 1-ULURP APPLICATION NO: C 050120 ZMX - IN THE MATTER of an application submitted by the Department of City Planning pursuant to Section 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 6a and 6b:

1. changing from an R6 District to an M1-2/R6A District property bounded by the northeasterly boundary line of a Park, the northwesterly centerline prolongation of East 134th Street, Bruckner Boulevard (Triborough Bridge Approach), East 133rd Street, Cypress Place, Bruckner Boulevard, St. Ann's Avenue, and the southeasterly centerline prolongation of East 134th Street;

2. changing from an M1-2 District to an M1-2/R6A District property bounded by:

   a. East 134th Street, St. Anne's Avenue, Bruckner Boulevard, Cypress Place, East 133rd Street, Bruckner Boulevard, and Brown Place; and

   b. East 134th Street, a line 280 feet northwesterly of Willow Avenue, a line 100 feet northeasterly of East 33rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, Triborough Bridge Approach);

3. changing from an M1-2 District to an M1-5/R8A District property bounded by Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, and Lincoln Avenue;

4. changing from an M3-1 District to an M1-5/R8A district property bounded by East 132nd Street, a line perpendicular to the southwesterly street line of East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, and Willis Avenue Bridge; and

5. changing from an M2-1 District to an M1-3/R8 District property bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Lincoln Avenue and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation; and

6. establishing a Special Mixed Use District (MX-1) bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Brown Place, East 134the Street, the northerly boundary line of a Park, East 134th Street and its northwesterly centerline prolongation, a line 280 northwesterly of East 133rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, Willis Avenue Bridge, East 132nd Street, and Lincoln Avenue, and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation;

Borough of The Bronx, Community District 1, as shown on a diagram (for illustrative purposes only) dated October 4, 2004.

CD 8-APPLICATION NO: N 050093 ZRY - The Department of City Planning proposes to amend the text of the Special Natural Area District (Article X, Chapter 5 of the Zoning Resolution). The district is mapped to protect areas with significant natural features including topography, trees, botanic environment, and rock outcroppings. The district is mapped in Staten Island (CD 1 and CD 2), the Bronx (CD 8), and Queens (CD 7).

The amendment would better protect significant natural features by strengthening performance standards, focusing review on significant natural features, removing grandfathering privileges, and allowing limited as-of-right development

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE OFFICE OF THE BOROUGH PRESIDENT WITH ANY QUESTIONS AT (718) 590-6124.

Victor L. Robles
City Clerk, Clerk of the City Council

o21-27

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Wednesday, November 3, 2004:

RESOLUTION NO. 519

CITYWIDE **20055057 GFY**

Proposed authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for installation of telecommunications equipment and facilities on, over and under the inalienable property of the City in connection with the provision of telecommunications services.

MANHATTAN CB - 4 **C 040249 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 District to a C6-4 District property bounded by a line midway between West 42nd Street and West 43rd Street, a line 450 feet westerly of Eleventh Avenue, West 43rd Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-135.

MANHATTAN CB - 4 **C 040250 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 district to an M1-5 District, property bounded by West 47th Street, Twelfth Avenue, West 48th Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-136.

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Wednesday, November 3, 2004:

BRONX CB - 3 **C 040442 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at 863 Melrose Avenue and 383, 387 East 160th Street, part of Site 44 within the Melrose Commons Urban Renewal Area (Block 2407, Lots 23, 27 and 28), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property, to a developer selected by HPD;

to facilitate development of an eight-story building tentatively known as Plazoleta Hall, with approximately 54 units for homeless families and young adults aging out of

foster care, to be developed under the HPD Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20055086 HAM through 20055091 HAM.

☛ o27-n3

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, November 3, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 050060 ZMX**

IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. changing from an R6 District to an R7-2 District property bounded by Concourse Village East, Morris Avenue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. changing from a C8-3 District to an R7-2 District property bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street; and

3. establishing within the proposed R7-2 District a C2-4 District bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1 **C 050061 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59 and 60) as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1 **C 050062 HUX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan:

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).

2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2, "Land Use Plan." Section C.2.a, "Residential" has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate income", and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.

3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.

4. Has been modified to conform to the current HPD language, terminology and methodology for urban renewal plans.

These changes would facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

BOROUGH OF BROOKLYN

CD 7 **C 020573 ZMK**

IN THE MATTER OF an application submitted by Lutheran Medical Center and Shore Park Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 22a:

1. changing from an M3-1 District to an R6 District property bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street; and

2. establishing within the proposed R6 District a C1-3 District bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street;

as shown on a diagram (for illustrative purposes only) dated August 23, 2004.

CD 7 **C 030020 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for the removal of the "Community Facility Use Only" restriction on property located at the corner of 56th Street and Second Avenue, (Block 836, p/o lot 19).**

Note: This formally city-owned property was sold with the above restriction pursuant to an application (C900433 PPK) submitted by the Department of Citywide Administrative Services and approved by the City Planning Commission on October 10th, 1990 (Cal. No. 43).

BOROUGH OF MANHATTAN

CD 11 **C 050032 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2081, 2083, 2085, 2087, 2089, and 2091 Madison Avenue, 43, 45/47, and 49 E. 131 Street, and 46 E. 132 Street (Block 1756, Lots 21-26, 28, 45, 51, and 52), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of the above properties, except 2081 Madison Avenue (Block 1756, Lot 24), to a developer to be selected by HPD;

to facilitate development of a ten-story building tentatively known as The Nave, with approximately 118 units of housing, retail space and a day care center, to be developed under the New York State Homes for Working Families Program.

CD 1 **C 040048 ZSM**

IN THE MATTER OF an application submitted by 380 Broadway LLC pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (GENERAL PROVISIONS) to allow residential use (Use Group 2 uses) on the 2nd through 5th floors of an existing five-story building located at 380-382 Broadway** (Block 195, Lot 1), in an M1-5 District, within the Tribeca East Historic District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

YVETTE V. GRUEL, Calendar Officer
City Planning Commission
22 Reade Street, Room 2E
New York, New York 10007
Telephone No. (212) 720-3370

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF THE BRONX

COMMUNITY BOARD 1 - Thursday, October 28, 2004, 6:30 P.M., Lincoln Hospital - Conference Room #6, 234 Morris Avenue, Bronx, NY

C 050120ZMX

IN THE MATTER OF an application submitted by the Department of City Planning pursuant to Sections 197-c and 201 of the NYC Charter for an amendment of the zoning map, Section Nos. 6a and 6b:

1. Changing from and R6 district to an M1-2/R6A district property ; changing from an M1-2 district to an M1-2/R6A district property; changing from an M1-2 district to an M1-5/R8A; changing from an M3-1 district to an M1-5/R8A district, changing from an M2-1 district to an M1-3/R8 district property; and establishing a Special Mixed Use District (MX-1).

o22-28

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BRONX

COMMUNITY BOARD NO. 12 - Thursday, October 28, 2004, 6:30 P.M., 4101 White Plains Road, Bronx, NY

189-03-BZ

This application is filed pursuant to Section 73-11 of the Zoning Resolution of the City of New York, as amended, to request an amendment of the previous Board of Standards and Appeals grant to permit the enlargement and conversion of the existing accessory service bays to an accessory convenience store at 836 East 233rd Street.

(2) Community Board 12 will hold a Public Hearing regarding fiscal year 2006's Capital and Expense Budget Priorities.

o22-28

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 11 - Monday, November 1, 2004, 7:30 P.M., M.S. 158, 46-35 Oceania Street, Bayside, NY

 # 144-03-BZ

An application has been filed with the NYC Board of Standards and Appeals pursuant to Sections 72-01 and 72-22 of the NYC Zoning Resolution to reopen and amend a previously granted variance for modifications including the change of the (4) retail stores (UG 6) to a bank (UG 6) on the first floor and cellar level and minor architectural changes to the site plan, facades of building and layouts of the (2) residential units on the second floor.

A proposal to name 211 Street at the corner of 28th Avenue "Glenn J. Travers Sr. 9/11 Memorial Way". Mr. Travers was killed in the World Trade Center attack.

o26-n1

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF STATEN ISLAND

COMMUNITY BOARD 1 - Monday, November 1, 2004, 8:00 P.M., Community Board #1 Office, 1 Edgewater Plaza Suite #217, Staten Island, NY

N040304ZAR

Development on a zoning lot containing steep slope, modification of grading controls, and future subdivision to facilitate the development of three (3) detached, two-family homes on (3) zoning lots on Wandel Avenue.

N040300ZAR

Development on a zoning lot containing steep slope, modification of grading controls, and future subdivision to facilitate the development of four (4) semi-detached, single family homes.

BSA 309-04/310-BZ

Application submitted under Section 11-331 of the Zoning Resolution to extend the time of construction of development for (6) months. Previous plans approved for construction of two (2) 3-story, two-family dwellings.

o26-n1

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BROOKLYN

COMMUNITY BOARD NO. 14 - Monday, November 1, 2004 at 7:30 P.M., 810 East 16th Street, Brooklyn, NY

BSA #322-04-BZ
1124 East 21st between Avenue I and Avenue J

An application has been filed with the BSA, pursuant to Section 72-21 of the zoning resolution of the City of New York, to request a variance to extend the floor area ratio, side and front yard requirements of an existing synagogue and

rabbi's apartment, which are contrary to Sections 24-111(a), 24-35, and 24-34.

373 Webster Avenue between Coney Island Avenue and East 8th Street

Community residence has been proposed by the HASC Center, Inc. and the New York State Office of Mental Retardation and Development Disabilities to establish a residence for (8) mildly mentally disabled adult males from the community between 17 and 21 years of age in a two-family semi-detached masonry house. The program will provide housing, meals, recreation, companionship, vocational placement and competitive employment programs, special education and continuous supervision.

BUREAU OF ENVIRONMENTAL ENGINEERING

■ PUBLIC HEARINGS

THIS PUBLIC HEARING HAS BEEN CANCELLED

NOTICE IS HEREBY GIVEN THAT a Public Hearing will be held at the Department of Environmental Protection offices at 59-17 Junction Boulevard, Seventeenth Floor Conference Room, Corona, Queens, on Thursday, October 28, 2004 commencing at 10:00 a.m. on the following:

IN THE MATTER of a proposed contract between the Department of Environmental Protection and United States Geological Survey, 425 Jordan Road, Troy, New York 12180, for HVR-100: Hillview Reservoir Embankment Investigation. The Contract term shall be 730 consecutive calendar days from the date of the written notice to proceed. The Contract amount shall be $449,000.00 - Location: New York City Watershed Region - PIN 82605W000091.

The Contract was selected by Government to Government Purchase, pursuant to Section 3-13 of the PPB rules.

A copy of the Contract may be inspected at the Department of Environmental Protection, 59-17 Junction Boulevard, Flushing, New York 11373, on the 17th Floor Bid Room, on business days from October 28, 2004 to October 28, 2004, between the hours of 9:30 a.m. - 12:00 p.m. and 1:00 p.m. - 4:00 p.m.

Pursuant to Section 2-11(c)(3) of the Procurement Policy Board Rules, if DEP does not receive, by October 21, 2004, from any individual a written request to speak at this hearing, then DEP need not conduct this hearing. Written notice should be sent to Ms. Debra Butlien, NYCDEP, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373 or via email to dbutlien@dep.nyc.gov.

Note: Individuals requesting Sign Language Interpreters should contact Debra Butlien, Office of the ACCO, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373 (718) 595-3423, no later than FIVE (5) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

o22-27

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ JOINT PUBLIC HEARINGS

HEARING CONTINUED

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004, commencing at 10:00 A.M. at 22 Reade Street, Main Floor, 2nd Floor Conference Room, Borough of Manhattan, in the matter of a transfer of control of Neon Communications, Inc. ("NEON"), sole parent of Neon Transcom, Inc. ("Transcom") to Globix Corporation ("GLOBIX") pursuant to which NEON will merge with and into a newly-formed wholly-owned subsidiary of GLOBIX and amendment to appendix G of the franchise agreement. NEON Transcom has a franchise with the City of New York for the provision of high capacity telecommunications services.

On Tuesday, October 12, 2004 (Cal. No. 1) the joint public hearing was continued until November 8, 2004.

Draft copies of the proposed merger agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Monday, September 27, 2004 through Monday, November 8, 2004, by appointment, between the hours of 9:30 A.M. and 3:30 P.M., exclusive of Saturdays, Sundays and Holidays. Interested parties should contact Roxanne Chambers at (212) 788-6610.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service. The Hearing may be cablecast on NYC TV-CHANNEL 74, on Sundays from 5:00 P.M. to 7:00 P.M.

o18-n8

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004 commencing at 10:00 AM at Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, to approve a transfer of control of Comet Communications, Inc.("Comet"), holder of a franchise to operate public pay telephones on the streets of the City of New York to Alex Steiner and Dennis Danforth, principals of Phone Management Enterprises, Inc. ("Phone Management"), a current public pay telephone franchisee, to operate and maintain Comet's public pay telephones on the streets of the City of New York. Also approval of the Amendment to Appendices E and I of the Franchise Agreement.

A copy of petition, resolution, and Amendment to Appendices E and I of the Franchise Agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Thursday October 14, 2004 through Monday November 8, 2004, by appointment, between the hours of 9:30 A.M. and 4:30 P.M., exclusive of Saturdays, Sundays and Holidays.

NOTE: Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

This Hearing may be broadcast in its entirety on NYC TV-Channel 74, on Sundays, from 5:00 P.M. to 7:00 P.M. For more information visit: www.nyc.gov/tv.

WORKFORCE DEVELOPMENT ADMINISTRATOR – 1 CSB – PIN# 000000UCO104 – DUE 11-23-04 AT 11:00 A.M. – The City University of New York, in cooperation with the New York City Council, seeks an organization to work closely with the Council and to act as the administrator for a workforce development initiative to address structural unemployment in New York City. The initiative will include several programs, primary research on the cause of long-term employment, and an evaluation of the progress of the initiative. The administrator who is selected shall collaborate with the New York City Council in administering the initiative. The administrator will also select (through a public solicitation) and enter into contracts with community-based and citywide organizations to execute each of the programs.

In order to be considered, prospective proposers must meet a number of requirements, including:

1. having been in the program development, grant-making, and contract management business, with a particular expertise in workforce development, for a period of at least (3) years immediately prior to the Proposal Due Date;
2. agreement to not charge the University or the New York City Council any fee for its services;
3. agreement to commit an investment of a sum of at least two hundred fifty thousand dollars ($250,000) of its funds towards the initiative; and
4. agreement to locate and obtain matching funds for investment towards the Initiative by working with the private sector, philanthropic organizations, and other governmental entities. Copies of the Request for Proposals may be requested by written request to the address or fax number set forth for the Submit To (Proposal Due) Location.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
University Contracting Office, The City University of New
York, 555 West 57th Street, 14th Floor, New York, NY 10019.

RANDALL'S ISLAND WATERFRONT PATHWAYS – Public Bid – DUE 11-12-04 AT 11:00 A.M. – Located in the area from the 103rd Street Pedestrian Bridge to the boardwalk over the Little Hell Gate Inlet in Manhattan. The project is for construction of two parallel paths—one for biking and in-line skating and one for walking and jogging. The project will include pedestrian level lighting and minor plumbing work. The scope in general will include clearing and grubbing, rough and final grading; stone screening pavement, concrete pavers, asphalt pavement, lighting and related electrical work, water fountains and related plumbing work, site furniture including, but not limited to, benches and bicycle racks, and landscaping, and all other work incidental thereto, as more specifically described in the Contract Documents.

Each bid must be prepared and submitted in accordance with the 'Invitation for Bids' and with a Bid Security for 10% of the amount of the bid in the form of a Certified Check, Bid Bond or Bank Check in the amount of (10%) ten percent of the bid amount.

The successful bidder will be required to furnish a Performance Bond and Labor and Material Bond each for 100% of the amount of the Contract. The construction duration for this project is expected to be two-hundred ten (210) contract calendar days.

This project is in part funded by grants from the of New York State (NYS) Office of Parks, Recreation and Historic Preservation through Title 3 of the Clean Water/Clean Air Bond Act of 1996, through Title 9 of the Environmental Protection Act of 1993, and from the New York State Department of State, Division of Coastal Resources through Title 11 Local Waterfront Revitalization Program of the Environmental Protection Fund.

It is the policy of NYS to encourage the greatest possible participation of minority and woman-owned business enterprises in State-funded projects. The General Contractor, by bidding on the contract, acknowledges his/her understanding and support for this policy and pledges to fully cooperate with the NYC EDC in meeting NYS requirements as set forth in the Bidding and Contract Documents.

Bid Documents may be obtained upon payment of a fee of $100 for an initial set and $100 for each additional set, no part of which will be refunded. Payment is to be in the form of money order or certified funds payable to "New York City Economic Development Corporation." The Contract Documents, including Bid Forms for Contract Work, will also be on file with NYCEDC and may be inspected by prospective bidders during normal working hours.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

CONSTRUCTION OF THE SCHAEFER BREWERY ESPLANADE – Public Bid – DUE 11-17-04 AT 11:00 A.M. – at the site of the former Schaefer Brewery, in the Williamsburg section of Brooklyn, located between Kent Avenue and the East River, approximately bounded by South 9th Street and South 10th Street. This work will include upland site demolition and excavation, utility installation, and new upland construction including new pavements, plantings, amenities and railings, with all work incidental thereto. The bid package consists of the following:

- Notice To Bidders, Technical Specifications (1 book).
- Contract Drawings (1 set).

A pre-bid meeting is scheduled to take place at 10:00 a.m. on Wednesday, November 3, 2004 at the site. Attendance is not mandatory, however, bidders are strongly encouraged to attend. Representatives from Han-Padron Associates, LLP, and Abel Bainnson Butz, LLP, the design consultants, will be available to address any questions you may have regarding the project. Any additional questions you may have after the pre-bid meeting must be submitted in writing to NYCEDC at the e-mail address listed below and received no later than 5:00 p.m. on Friday, November 5, 2004. Answers will be posted at www.nycedc.com no later than 9:00 a.m. on Thursday, November 11, 2004.

The contract will be awarded by NYCEDC in consultation with Han-Padron Associates, LLP and Abel Bainnson Butz, LLP (design consultants), to the Lowest Responsive Bidder. Sealed bids must contain a 10% Bid Bond and be received no later than Wednesday, November 17, 2004 at 11:00 a.m. No bids will be accepted after 11:00 a.m.

The cost for the package is $100 per package.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ SOLICITATIONS

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals -
PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement 33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Name, Description and Location of Proposal:

Special Bay Ridge District Rezoning and Text Amendment
The applicant, the New York City Department of City Planning, is proposing amendments to the zoning map and zoning text amendments to Zoning Resolution (ZR) Section 114-00 for the 249 block Special Bay Ridge District (SBRD) in the Bay Ridge section of Brooklyn Community District 10. The proposed zoning map amendments for the SBRD are as follows:

- Preservation Area A, would be changed from R6 to R3A, R3X, R4A, R4-1, R4B and R6A;
- Preservation Area B would be changed from R6 to R6B;
- Preservation Area C would be changed from R6 to R6A and C4-2 to C4-2A;
- Preservation Area D would be changed from C4-2 to C4-2A and R7-1 to R7B;
- Preservation Area E would be changed from R2, R3-1 and R3-2 to R2, R3-1, R3-2 and R4A; R7-1 to R7A; C8-1 to C8-2; and a portion of the existing M1-1 to R5B; and
- All commercial overlays would be changed from C1-2 to C1-3 and C2-2 to C2-3.

The proposed zoning text amendment would eliminate the SBRD's preservation sub-areas which comprise the majority of the text. Future land use development would be regulated by the proposed contextual districts. The following SBRD regulations would be maintained or modified as they provide additional protections greater then those of the proposed underlying districts:

- Maintenance of the 32-foot height limit for Community Facility development in R3-2, R3A, R3X, R4A, R4-1, R4B and R5B zoning districts, and continuing to limit permitted FARs for Community Facility uses to 1.65 in R4A, R4-1, R4B and R5B;
- Modification of the proposed C8-2 district, limiting the FAR for Community Facility uses to 3.0, equal to that permitted in the adjacent proposed C4-2A district surrounding 86th Street to the north. The SBRD would also impose a height limit in this district equivalent to the C4-2A district, with a total building height of 70 feet after a maximum setback at 60 feet; and
- Modification of ZR Section 33-42, Permitted Obstructions, to allow elevators, stair bulkheads, roof water tanks, cooling towers and other mechanical equipment to exceed the maximum height limit in R7A, R7B, R6A, R6B, C4-2A and C8-2 districts.

The proposed zoning changes would preserve neighborhood scale and character through the mapping of lower density and contextual zoning districts and revisions to the existing special district text. These proposed zoning changes would protect the detached, semi-detached and limestone rowhouse character of most neighborhood mid-blocks and would reinforce several of the avenues as corridors for mid-rise mixed retail/residential buildings and larger elevator buildings. The proposed rezoning would utilize a range of lower density and contextual zoning districts that would preserve and protect existing building types and their neighborhood context. These lower density and contextual districts would match the existing built conditions. The proposed districts would have bulk regulations governing building type, FAR, lot width, lot area, height, density, side yards, curb cuts and parking which provide substantially more protection than the existing SBRD regulations.

Sites expected to be developed as a result of the proposed action include four projected development sites. There are ten potential development sites that are considered less likely to be developed. Under existing zoning approximately 25 dwelling units, 38,555 square feet of commercial floor area and 51,982 square feet of community facility floor area could be developed by 2014. Under the proposed action, it is projected that when compared to the development that could occur in the future without the proposed action, a net gain of approximately 42 dwelling units, 9,855 square feet of commercial floor area and 12,995 square feet of community facility floor could be developed by 2014.

To avoid the potential for impacts related to air quality, the proposed rezoning includes (E) designations for air quality on four of the projected and two of the potential development sites. Accordingly, (E) designations will be mapped on the following parcels:

Block 6053, Lots 14 and 17
Block 6065, Lots 28 and 39
Block 6082, Lots 6 and 13
Block 6086, Lot 1
Block 6116, Lots 35 and 39

The text of the (E) designation for air quality for the above properties is as follows:

Any new residential and/or commercial development on the above-referenced properties must use natural gas as the type of fuel for space heating and hot water (HVAC) systems.

To avoid the potential for impacts related to noise, the proposed rezoning includes (E) designations for noise on two of the potential development sites. Accordingly, (E) designations will be mapped on the following parcels:

Block 6126, Lots 7 and 12
Block 6106, Lot 34

The text of the (E) designation for noise for the above properties is as follows:

In order to ensure an acceptable interior noise environment, future residential/ commercial uses must provide a closed window condition with a minimum of 30 dB(A) window/wall attenuation in order to maintain an interior noise level of 45 dB(A). In order to maintain a closed-window condition, an alternate means of ventilation must also be provided. Alternate means of ventilation includes, but is not limited to, central air conditioning or air conditioning sleeves containing air conditioners or HUD-approved fans.

To avoid the potential for impacts related to noise, the proposed rezoning includes (E) designations for noise on one of the projected development sites. Accordingly, (E) designations will be mapped on the following parcels:

Block 6116, Lots 35 and 39

The text of the (E) designation for noise for the above properties is as follows:

In order to ensure an acceptable interior noise environment, future residential/ commercial uses must provide a closed window condition with a minimum of 35 dB(A) window/wall attenuation in order to maintain an interior noise level of 45 dB(A). In order to maintain a closed-window condition, an alternate means of ventilation must also be provided. Alternate means of ventilation includes, but is not limited to, central air conditioning or air conditioning sleeves containing air conditioners or HUD-approved fans.

To avoid the potential for impacts related to hazardous materials, the proposed rezoning includes (E) designations for hazardous materials on two of the projected development

sites and five of the potential development sites. Accordingly, (E) designations will be mapped on the following parcels:

Block 6082, Lots 6, 13 14, and 33
Block 6066, Lots 19, 31, 32, and 35
Block 6065, Lots 28, and 39
Block 6107, Lot 1

The potential for contamination sites receiving (E) designation for hazardous materials can be classified as petroleum based, non-petroleum based, or both. The NYCDEP has developed protocols for both petroleum and non-petroleum based (E) designated sites that are required to be followed in order to address possible contamination. The placement of the (E) designation on the zoning map would eliminate the potential for significant adverse impacts from hazardous materials and would ensure that appropriate testing and remediation, if needed, would be undertaken. The text of the (E) designation is as follows:

Due to the possible presence of hazardous materials on the aforementioned designated site there is potential for contamination of the soil and groundwater. To determine if contamination exists and preform and appropriate remediation, the following tasks must be undertaken by the fee owners(s) of the lot restricted by this (E) designation prior to any demolition or disturbance of soil on the lot.

Task 1

The fee owner(s) of the lot restricted by this (E) designation will be required to prepare a scope of work for any soil, gas, or groundwater sampling and testing needed to determine if contamination exists, the extent of the contamination, and to what extent remediation may be required. The scope of work will include all relevant supporting documentation, including site plans and sampling locations. This scope of work will be submitted to DEP for review and approval prior to implementation. It will be reviewed to ensure that an adequate number of samples will be collected and that appropriate parameters are selected for laboratory analysis.

No sampling program may begin until written approval of a work plan and sampling protocol is received from DEP. The number and location of sample sites should be selected to adequately characterize the type and extent of the contamination, and the condition of the remainder of the site. The characterization should be complete enough to determine what remediation strategy (if any) is necessary after review of the sampling data. Guidelines and criteria for choosing sampling sites and performing sampling will be provided by DEP upon request.

Task 2

A written report with findings and a summary of the data must be presented to DEP after completion of the testing phase and laboratory analysis for review and approval. After receiving such test results, a determination will be provided by DEP if the results indicate that remediation is necessary.

If DEP determines that no remediation is necessary, written notice shall be given by DEP.

If remediation is necessary according to test results, a proposed remediation plan must be submitted to DEP for review and approval. The fee owner(s) of the lot restricted by this (E) designation must perform such remediation as determined necessary by DEP. After completing the remediation, the fee owner(s) of the lot restricted by this (E) designation should provide proof that the work has been satisfactorily completed.

A DEP-approved construction-related health and safety plan would be implemented during excavation and construction activities to protect workers and the community from potentially significant adverse impacts associated with contaminated soil and/or groundwater. This Plan would be submitted to DEP for review and approval prior to implementation.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated October 14, 2004, prepared in connection with the ULURP Application (N050133 ZRK, 050134 ZMK). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statements:

The above determination is based on an environmental assessment which finds that no significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative Declaration, you may contact Katherine Bucke at (212) 720-3493.

LATE NOTICE

BOARD OF STANDARDS AND APPEALS

■ PUBLIC HEARINGS

NOVEMBER 23, 2004, 10:00 A.M.

NOTICE IS HEREBY GIVEN of a public hearing, *Tuesday morning,* November 23, 2004, 10:00 A.M., at 40 Rector Street, 6th Floor, New York, N.Y. 10006, on the following matters:

SPECIAL ORDER CALENDAR

151-02-BZ
APPLICANT - Law Offices of Howard Goldman, LLC, for Cavan Development Corp., owner.
SUBJECT - Application July 8, 2004 - reopening for an amendment to the resolution to permit the conversion of portion of cellar to livable space.
PREMISES AFFECTED - 223 West 80th Street, between Broadway and Amsterdam, Block 1228, Lot 19, Borough of Manhattan.
COMMUNITY BOARD #7M

APPEALS CALENDAR

273-04-A
APPLICANT - Michael S. Greun, Esq. for Katrina Maxtone Graham, Felix C. Ziffer, Michelle R. Yogada, Stanley Ely. adjacent neighbors.
OWNER - Allen Stevenson School.
SUBJECT - Application August 5, 2004 - An Administrative Appeal challenging the Department of Building's final determination dated August 3, 2004 in which the Department refused to revoke approvals and permits which allow an enlargement of a school that violates the rear yard requirements under ZR Sections 33-26 & 33-301.
PREMISES AFFECTED - 128/32 East 78th Street and 121/23 East 77th Street, between (but not abutting) Park and Lexington Avenues, Block 1412, Lot 58, Borough of Manhattan.
COMMUNITY BOARD #8M

NOVEMBER 23, 2004, 1:30 P.M.

NOTICE IS HEREBY GIVEN of a public hearing, *Tuesday afternoon,* November 23, 2004, at 1:30 P.M., at 40 Rector Street, 6th Floor, New York, N.Y. 10006, on the following matters:

ZONING CALENDAR

355-03-BZ
APPLICANT - Agusta & Ross, for D'Angelo Properties, Inc., owner.
SUBJECT - Application September 27, 2004 - under Z.R. §72-21 to permit the proposed four story and penthouse mixed-use multiple dwelling, Use Groups 2 and 6, in a C2-2/R4 zoning district, which does not comply with the zoning requirements for residential floor area, building height, number of dwelling units and residential front yard, is contrary to Z.R. §23-141, §23-60, §35-20, §23-22 and §23-45.
PREMISES AFFECTED - 64-01/07 Grand Avenue, northeast corner of 64th Street, Block 2716, Lot 1, Borough of Queens.
COMMUNITY BOARD #5Q

203-04-BZ
APPLICANT - Dennis D'Dellangelo, for Benjamin Epstein, owner.
SUBJECT - Application May 17, 2004 - under Z.R. §73-622 to permit the proposed horizontal enlargement to an existing detached one family dwelling, which creates non-compliance with respect to open space ratio and floor area ratio, is contrary to Z.R. §23-14.
PREMISES AFFECTED - 2801 Avenue "N", northeast corner of East 28th Street, Block 7664, Lot 9, Borough of Brooklyn.
COMMUNITY BOARD #14BK

204-04-BZ
APPLICANT - Dennis D'Dellangelo, for Simy Kofman, owner.
SUBJECT - Application May 17, 2004 - under Z.R. §73-622 to permit the proposed horizontal enlargement to an existing detached one family dwelling, which creates non-compliance with respect to open space ratio, floor area ratio, also rear and side yards, is contrary to Z.R. §23-14, §23-46 and §24-47.
PREMISES AFFECTED - 1116 East 22nd Street, west side, 340' south of Avenue "J", Block 7603, Lot 65, Borough of Brooklyn.
COMMUNITY BOARD #14BK

268-04-BZ
APPLICANT - The Law Office of Fredrick A. Becker, for Paula Saff, owner.
SUBJECT - Application July 30, 2004 - under Z.R. §73-622 to permit the proposed enlargement of a single family residence in an R-2 zoning district, which does not comply with the zoning requirements for floor area ratio, open space ratio and side and rear yards, is contrary to Z.R. §23-461, §23-141 and §23-47.
PREMISES AFFECTED - 1246 East 22nd Street, between Avenues "K" and "L", Block 7621, Lot 78, Borough of Brooklyn.
COMMUNITY BOARD #14BK

311-04-BZ
APPLICANT - Rothkrug Rothkrug Weinberg Spector, for Jack Madonia, owner.
SUBJECT - Application September 14, 2004 - under Z.R. §72-21 to permit the proposed one-family dwelling, located in an R1-2 (NA-1) zoning district, which does not provide the required lot area, requires tree removal, modification of topography and waiver of the front and rear yards requirements, is contrary to Z.R. §105-50, §105-421, §105-423 and §105-432.
PREMISES AFFECTED - 380 Lighthouse Avenue, south side, 579' west of Winsor Avenue, Block 2285, Lots 1 and 45, Borough of Staten Island.
COMMUNITY BOARD #2SI

Pasquale Pacifico, Executive Director

☛ o27-28

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

BRONX BOROUGH PRESIDENT

■ PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. The hearing will take place on Thursday, November 4, 2004 at 11:30 a.m., in the office of the Borough President, 198 East 161st Street, (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CD 1-ULURP APPLICATION NO: C 050120 ZMX - IN THE MATTER of an application submitted by the Department of City Planning pursuant to Section 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 6a and 6b:

1. changing from an R6 District to an M1-2/R6A District property bounded by the northeasterly boundary line of a Park, the northwesterly centerline prolongation of East 134th Street, Bruckner Boulevard (Triborough Bridge Approach), East 133rd Street, Cypress Place, Bruckner Boulevard, St. Ann's Avenue, and the southeasterly centerline prolongation of East 134th Street;

2. changing from an M1-2 District to an M1-2/R6A District property bounded by:

   a. East 134th Street, St. Anne's Avenue, Bruckner Boulevard, Cypress Place, East 133rd Street, Bruckner Boulevard, and Brown Place; and

   b. East 134th Street, a line 280 feet northwesterly of Willow Avenue, a line 100 feet northeasterly of East 33rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, Triborough Bridge Approach);

3. changing from an M1-2 District to an M1-5/R8A District property bounded by Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, and Lincoln Avenue;

4. changing from an M3-1 District to an M1-5/R8A district property bounded by East 132nd Street, a line perpendicular to the southwesterly street line of East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, and Willis Avenue Bridge; and

5. changing from an M2-1 District to an M1-3/R8 District property bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Lincoln Avenue and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation; and

6. establishing a Special Mixed Use District (MX-1) bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Brown Place, East 134the Street, the northerly boundary line of a Park, East 134th Street and its northwesterly centerline prolongation, a line 280 northwesterly of East 133rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, Willis Avenue Bridge, East 132nd Street, and Lincoln Avenue, and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation;

Borough of The Bronx, Community District 1, as shown on a diagram (for illustrative purposes only) dated October 4, 2004.

CD 8-APPLICATION NO: N 050093 ZRY - The Department of City Planning proposes to amend the text of the Special Natural Area District (Article X, Chapter 5 of the Zoning Resolution). The district is mapped to protect areas with significant natural features including topography, trees, botanic environment, and rock outcroppings. The district is mapped in Staten Island (CD 1 and CD 2), the Bronx (CD 8), and Queens (CD 7).

The amendment would better protect significant natural features by strengthening performance standards, focusing review on significant natural features, removing grandfathering privileges, and allowing limited as-of-right development

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE OFFICE OF THE BOROUGH PRESIDENT WITH ANY QUESTIONS AT (718) 590-6124.

o27-n3

STATEN ISLAND BOROUGH PRESIDENT

■ PUBLIC MEETING

Staten Island Borough Board
Conference Room 122 at 5:30 P.M.
Wednesday, November 3, 2004
Borough Hall - Stuyvesant Place
Staten Island, New York 10301

o25-n2

CITY COUNCIL

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Wednesday, November 3, 2004:

RESOLUTION NO. 519

CITYWIDE **20055057 GFY**

Proposed authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for installation of telecommunications equipment and facilities on, over and under the inalienable property of the City in connection with the provision of telecommunications services.

MANHATTAN CB - 4 **C 040249 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 District to a C6-4 District property bounded by a line midway between West 42nd Street and West 43rd Street, a line 450 feet westerly of Eleventh Avenue, West 43rd Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-135.

MANHATTAN CB - 4 **C 040250 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 district to an M1-5 District, property bounded by West 47th Street, Twelfth Avenue, West 48th Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-136.

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Wednesday, November 3, 2004:

BRONX CB - 3 **C 040442 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at 863 Melrose Avenue and 383, 387 East 160th Street, part of Site 44 within the Melrose Commons Urban Renewal Area (Block 2407, Lots 23, 27 and 28), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property, to a developer selected by HPD;

to facilitate development of an eight-story building tentatively known as Plazoleta Hall, with approximately 54 units for homeless families and young adults aging out of foster care, to be developed under the HPD Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20055086 HAM through 20055091 HAM.

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, November 3, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 050060 ZMX**

IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. changing from an R6 District to an R7-2 District property bounded by Concourse Village East, Morris Avenue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. changing from a C8-3 District to an R7-2 District property bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street; and

3. establishing within the proposed R7-2 District a C2-4 District bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1 **C 050061 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59 and 60) as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1 **C 050062 HUX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan:

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).

2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2, "Land Use Plan." Section C.2.a, "Residential" has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate income", and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.

3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.

4. Has been modified to conform to the current HPD language, terminology and methodology for urban renewal plans.

These changes would facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

BOROUGH OF BROOKLYN

CD 7 **C 020573 ZMK**

IN THE MATTER OF an application submitted by Lutheran Medical Center and Shore Park Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 22a:

1. changing from an M3-1 District to an R6 District property bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street; and

2. establishing within the proposed R6 District a C1-3 District bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street;

as shown on a diagram (for illustrative purposes only) dated August 23, 2004.

CD 7 **C 030020 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for the removal of the "Community Facility Use Only" restriction on property located at the corner of 56th Street and Second Avenue, (Block 836, p/o lot 19).**

Note: This formally city-owned property was sold with the above restriction pursuant to an application (C900433 PPK) submitted by the Department of Citywide Administrative Services and approved by the City Planning Commission on October 10th, 1990 (Cal. No. 43).

BOROUGH OF MANHATTAN

CD 11 **C 050032 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at 2081, 2083, 2085, 2087, 2089, and 2091 Madison Avenue, 43, 45/47, and 49 E. 131 Street, and 46 E. 132 Street (Block 1756, Lots 21-26, 28, 45, 51, and 52), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of the above properties, except 2081 Madison Avenue (Block 1756, Lot 24), to a developer to be selected by HPD;

to facilitate development of a ten-story building tentatively known as The Nave, with approximately 118 units of housing, retail space and a day care center, to be developed under the New York State Homes for Working Families Program.

CD 1 **C 040048 ZSM**

IN THE MATTER OF an application submitted by 380 Broadway LLC pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (GENERAL PROVISIONS) to allow residential use (Use Group 2 uses) on the 2nd through 5th floors of an existing five-story building located at 380-382 Broadway** (Block 195, Lot 1), in an M1-5 District, within the Tribeca East Historic District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

YVETTE V. GRUEL, Calendar Officer
City Planning Commission
22 Reade Street, Room 2E
New York, New York 10007
Telephone No. (212) 720-3370

WORKFORCE DEVELOPMENT ADMINISTRATOR – 1 CSB – PIN# 000000UCO104 – DUE 11-23-04 AT 11:00 A.M. – The City University of New York, in cooperation with the New York City Council, seeks an organization to work closely with the Council and to act as the administrator for a workforce development initiative to address structural unemployment in New York City. The initiative will include several programs, primary research on the cause of long-term employment, and an evaluation of the progress of the initiative. The administrator who is selected shall collaborate with the New York City Council in administering the initiative. The administrator will also select (through a public solicitation) and enter into contracts with community-based and citywide organizations to execute each of the programs.

In order to be considered, prospective proposers must meet a number of requirements, including:

1. having been in the program development, grant-making, and contract management business, with a particular expertise in workforce development, for a period of at least (3) years immediately prior to the Proposal Due Date;
2. agreement to not charge the University or the New York City Council any fee for its services;
3. agreement to commit an investment of a sum of at least two hundred fifty thousand dollars ($250,000) of its funds towards the initiative; and
4. agreement to locate and obtain matching funds for investment towards the Initiative by working with the private sector, philanthropic organizations, and other governmental entities.

Copies of the Request for Proposals may be requested by written request to the address or fax number set forth for the Submit To (Proposal Due) Location.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

CONTRACT ADMINISTRATION AND PROCUREMENT

■ SOLICITATIONS

Construction / Construction Services

RANDALL'S ISLAND WATERFRONT PATHWAYS – Public Bid – DUE 11-12-04 AT 11:00 A.M. – Located in the area from the 103rd Street Pedestrian Bridge to the boardwalk over the Little Hell Gate Inlet in Manhattan. The project is for construction of two parallel paths—one for biking and in-line skating and one for walking and jogging. The project will include pedestrian level lighting and minor plumbing work. The scope in general will include clearing and grubbing, rough and final grading; stone screening pavement, concrete pavers, asphalt pavement, lighting and related electrical work, water fountains and related plumbing work, site furniture including, but not limited to, benches and bicycle racks, and landscaping, and all other work incidental thereto, as more specifically described in the Contract Documents.

Each bid must be prepared and submitted in accordance with the 'Invitation for Bids' and with a Bid Security for 10% of the amount of the bid in the form of a Certified Check, Bid Bond or Bank Check in the amount of (10%) ten percent of the bid amount.

The successful bidder will be required to furnish a Performance Bond and Labor and Material Bond each for 100% of the amount of the Contract. The construction duration for this project is expected to be two-hundred ten (210) contract calendar days.

This project is in part funded by grants from the of New York State (NYS) Office of Parks, Recreation and Historic Preservation through Title 3 of the Clean Water/Clean Air Bond Act of 1996, through Title 9 of the Environmental Protection Act of 1993, and from the New York State Department of State, Division of Coastal Resources through Title 11 Local Waterfront Revitalization Program of the Environmental Protection Fund.

It is the policy of NYS to encourage the greatest possible participation of minority and woman-owned business enterprises in State-funded projects. The General Contractor, by bidding on the contract, acknowledges his/her understanding and support for this policy and pledges to fully cooperate with the NYC EDC in meeting NYS requirements as set forth in the Bidding and Contract Documents.

Bid Documents may be obtained upon payment of a fee of $100 for an initial set and $100 for each additional set, no part of which will be refunded. Payment is to be in the form of money order or certified funds payable to "New York City Economic Development Corporation." The Contract Documents, including Bid Forms for Contract Work, will also be on file with NYCEDC and may be inspected by prospective bidders during normal working hours.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation
Contract Administration, 110 William Street, 6th Floor

o12-n2

CONSTRUCTION OF THE SCHAEFER BREWERY ESPLANADE – Public Bid – DUE 11-17-04 AT 11:00 A.M. – at the site of the former Schaefer Brewery, in the Williamsburg section of Brooklyn, located between Kent Avenue and the East River, approximately bounded by South 9th Street and South 10th Street. This work will include upland site demolition and excavation, utility installation, and new upland construction including new pavements, plantings, amenities and railings, with all work incidental thereto. The bid package consists of the following:

- Notice To Bidders, Technical Specifications (1 book).
- Contract Drawings (1 set).

A pre-bid meeting is scheduled to take place at 10:00 a.m. on Wednesday, November 3, 2004 at the site. Attendance is not mandatory, however, bidders are strongly encouraged to attend. Representatives from Han-Padron Associates, LLP, and Abel Bainnson Butz, LLP, the design consultants, will be available to address any questions you may have regarding the project. Any additional questions you may have after the pre-bid meeting must be submitted in writing to NYCEDC at the e-mail address listed below and received no later than 5:00 p.m. on Friday, November 5, 2004. Answers will be posted at www.nycedc.com no later than 9:00 a.m. on Thursday, November 11, 2004.

The contract will be awarded by NYCEDC in consultation with Han-Padron Associates, LLP and Abel Bainnson Butz, LLP (design consultants), to the Lowest Responsive Bidder. Sealed bids must contain a 10% Bid Bond and be received no later than Wednesday, November 17, 2004 at 11:00 a.m. No bids will be accepted after 11:00 a.m.

The cost for the package is $100 per package.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.
Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can

obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement
33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

LANDMARKS PRESERVATION COMMISSION

■ **NOTICE**

BINDING REPORT

ISSUE DATE: 10/12/04	DOCKET #: 043135	SRB #: SRB 05-2744
ADDRESS: 1000 FIFTH AVENUE Metropolitan Museum of Art INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 1111 / 1

To the Mayor, the Council, and the Commissioner of the Department of Cultural Affairs.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for work at the roof of the Metropolitan Museum of Art, an individual and interior landmark. The work concerns removing three (3) telecommunications antennas and patching all holes; installing two new telecommunications panel antennas, pole-mounted at the northmost interior wall of the north roof, and installing two telecommunications panel antennas, which will not exceed the height of and will be painted to match the adjacent louvers, located at the south elevation of the north mechanical penthouse; installing a new GPS antenna, attached to the existing railing, at the north portion of the roof; and installing associated equipment cabinets on existing steel dunnage; as shown in drawings labeled "Metropolitan Museum IB0212A," dated September 2002, revised Drawings A19, A20, A21, dated received September 29, 2004, prepared by Robert Toms, PE, catalog cut sheets, dated received September 29, 2004, a letter, dated September 28, 2004, prepared by Rick Jones, Jr., of MTM, and proposed condition photo montages, all submitted as components of the application.

In reviewing this proposal, the Commission notes that the designation report states that the building is a Beaux-Arts style museum built in 1864-1990 and designed by Vaux and Mould, R.M. Hunt, McKim Mead and White, and others. The Commission also noted that the building is within the Central Park Scenic Landmark.

With regard to this proposal, the Commission finds that the proposed installations will have no adverse effect on protected features of the building; that the proposed work will not affect any significant roof features or profiles; that, although the north-most antennas will be visible from Central Park, their painted finish, mounting height and flush-mounted attachment will minimize their visual obtrusiveness; that, although the antennas at the south elevation of the mechanical bulkhead will be visible from Fifth Avenue, their painted finish, visibility in conjunction with an existing mechanical roof feature, their mounting height and set back location from the street, will help them to be a neutral presence at the building's roof; and that the mechanical equipment will not be visible from any public thoroughfare. Based on these findings, the proposed work is determined to be appropriate to the Metropolitan Museum of Art Individual and Interior Landmark.

The issuance of this permit is contingent upon the condition that the painted finish of the antennas, mounts and coaxial cable be maintained. The Commission reserves the right to revoke this permit, upon written notice to the applicant, if the painted finish of the antennas or cable is allowed to deteriorate to the point where the antennas and cable no longer blend in with the surrounding facade. The permit is also contingent on the review and approval of finish samples for the cladding of the equipment shelter.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Meisha Hunter.

Robert B. Tierney
Chair

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT .....Amount of Contract
BL .....Bidders List
CSB .....Competitive Sealed Bidding (including multi-step)
CB/PQ .....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ .....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA .....Date bid/proposal documents available
DUE .....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE .....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA .....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB .....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN .....Procurement Identification Number
PPB .....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS .....Source required by state/federal law or grant
SCE .....Service Contract Short-Term Extension
DP .....Demonstration Project
SS .....Sole Source Procurement
ST/FED .....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB .....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations / Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS .....**Sole Source Procurement/**only one source
RS .....Procurement from a Required Source/ST/FED
NA .....Negotiated Acquisition
For ongoing construction project only:
NA/8 .....Compelling programmatic needs
NA/9 .....New contractor needed for changed/additional work
NA/10 .....Change in scope, essential to solicit one or limited number of contractors
NA/11 .....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12 .....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F .....Federal
IG/S .....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A .....Life
EM/B .....Safety
EM/C .....Property
EM/D .....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE .....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer / Reason (award only)
OLB/a .....anti-apartheid preference
OLB/b .....local vendor preference
OLB/c .....recycled preference
OLB/d .....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

BRONX BOROUGH PRESIDENT

■ PUBLIC HEARINGS

A PUBLIC HEARING IS being called by the President of the Borough of The Bronx, Honorable Adolfo Carrion, Jr. The hearing will take place on Thursday, November 4, 2004 at 11:30 a.m., in the office of the Borough President, 198 East 161st Street, (one block east of the Grand Concourse) 2nd Floor, The Bronx, New York 10451 on the following items:

CD 1-ULURP APPLICATION NO: C 050120 ZMX - IN THE MATTER of an application submitted by the Department of City Planning pursuant to Section 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section Nos. 6a and 6b:

1. changing from an R6 District to an M1-2/R6A District property bounded by the northeasterly boundary line of a Park, the northwesterly centerline prolongation of East 134th Street, Bruckner Boulevard (Triborough Bridge Approach), East 133rd Street, Cypress Place, Bruckner Boulevard, St. Ann's Avenue, and the southeasterly centerline prolongation of East 134th Street;

2. changing from an M1-2 District to an M1-2/R6A District property bounded by:

   a. East 134th Street, St. Anne's Avenue, Bruckner Boulevard, Cypress Place, East 133rd Street, Bruckner Boulevard, and Brown Place; and

   b. East 134th Street, a line 280 feet northwesterly of Willow Avenue, a line 100 feet northeasterly of East 33rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, Triborough Bridge Approach);

3. changing from an M1-2 District to an M1-5/R8A District property bounded by Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, and Lincoln Avenue;

4. changing from an M3-1 District to an M1-5/R8A district property bounded by East 132nd Street, a line perpendicular to the southwesterly street line of East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, and Willis Avenue Bridge; and

5. changing from an M2-1 District to an M1-3/R8 District property bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Lincoln Avenue and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation; and

6. establishing a Special Mixed Use District (MX-1) bounded by East 135th Street, the southwesterly centerline prolongation of Rider Avenue, Major Deegan Expressway, Third Avenue Bridge Approach, Bruckner Boulevard, Brown Place, East 134the Street, the northerly boundary line of a Park, East 134th Street and its northwesterly centerline prolongation, a line 280 northwesterly of East 133rd Street, a line 80 feet northwesterly of Willow Avenue, East 133rd Street, Bruckner Boulevard, St. Ann's Avenue, East 132nd Street, distant 370 feet southeasterly (as measured along the street line) from the point of intersection of the southwesterly street line of East 132nd Street and the southeasterly street line of Willis Avenue Bridge, a line 210 feet southwesterly of East 132nd Street, Willis Avenue Bridge, East 132nd Street, and Lincoln Avenue, and its southwesterly centerline prolongation, the U.S. Pierhead and Bulkhead Line, and Park Avenue and its southwesterly centerline prolongation;

Borough of The Bronx, Community District 1, as shown on a diagram (for illustrative purposes only) dated October 4, 2004.

CD 8-APPLICATION NO: N 050093 ZRY - The Department of City Planning proposes to amend the text of the Special Natural Area District (Article X, Chapter 5 of the Zoning Resolution). The district is mapped to protect areas with significant natural features including topography, trees, botanic environment, and rock outcroppings. The district is mapped in Staten Island (CD 1 and CD 2), the Bronx (CD 8), and Queens (CD 7).

The amendment would better protect significant natural features by strengthening performance standards, focusing review on significant natural features, removing grandfathering privileges, and allowing limited as-of-right development

ANYONE WISHING TO SPEAK MAY REGISTER AT THE HEARING. PLEASE CONTACT THE OFFICE OF THE BOROUGH PRESIDENT WITH ANY QUESTIONS AT (718) 590-6124.

o27-n3

CITY COUNCIL

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT the Council has scheduled the following public hearing on the matter indicated below:

The Subcommittee on Zoning and Franchises will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 9:30 A.M. on Wednesday, November 3, 2004:

RESOLUTION NO. 519

CITYWIDE **20055057 GFY**

Proposed authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for installation of telecommunications equipment and facilities on, over and under the inalienable property of the City in connection with the provision of telecommunications services.

MANHATTAN CB - 4 **C 040249 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 District to a C6-4 District property bounded by a line midway between West 42nd Street and West 43rd Street, a line 450 feet westerly of Eleventh Avenue, West 43rd Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-135.

MANHATTAN CB - 4 **C 040250 ZMM**

Application submitted by Verizon New York, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 8c, changing from an M2-3 district to an M1-5 District, property bounded by West 47th Street, Twelfth Avenue, West 48th Street, and Eleventh Avenue, within the Special Clinton District, Borough of Manhattan, Community District 4, as shown on a diagram (for illustrative purposes only) dated June 7, 2004, and subject to the conditions of CEQR Declaration E-136.

The Subcommittee on Planning, Dispositions and Concessions will hold public hearings on the following matters in the Council Committee Room, City Hall, New York, New York 10007, commencing at 1:00 P.M. on Wednesday, November 3, 2004:

BRONX CB - 3 **C 040442 HAX**

Application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:
   a) the designation of property located at 863 Melrose Avenue and 383, 387 East 160th Street, part of Site 44 within the Melrose Commons Urban Renewal Area (Block 2407, Lots 23, 27 and 28), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of such property, to a developer selected by HPD;

to facilitate development of an eight-story building tentatively known as Plazoleta Hall, with approximately 54 units for homeless families and young adults aging out of foster care, to be developed under the HPD Supportive Housing Program.

Proposals subject to Council review and action pursuant to the Urban Development Action Area Act, Article 16 of the New York General Municipal Law, at the request of the Department of Housing Preservation and Development ("HPD"), which requests that the Council:

1. Find that the present status of the listed areas tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve an exemption of the project from real property taxes pursuant to Section 577 of the Private Housing Finance Law for Non-ULURP Nos. 20055086 HAM through 20055091 HAM.

NON-ULURP NO.	ADDRESS	BLOCK/LOT	BORO	PROGRAM	COMMUNITY BOARD

CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS have been adopted by the City Planning Commission scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street, New York, New York 10007, on Wednesday, November 3, 2004, commencing at 10:00 a.m.

BOROUGH OF THE BRONX

CD 1 **C 050060 ZMX**

IN THE MATTER OF an application submitted by The Department of Housing Preservation and Development pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 6a:

1. changing from an R6 District to an R7-2 District property bounded by Concourse Village East, Morris Avenue, East 153rd Street, a line 100 feet westerly of Morris Avenue, and the center line of the former East 154th Street and its westerly centerline prolongation;

2. changing from a C8-3 District to an R7-2 District property bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street; and

3. establishing within the proposed R7-2 District a C2-4 District bounded by Concourse Village East, the center line of the former East 154th Street and its westerly centerline prolongation, a line 100 feet westerly of Morris Avenue, and East 153rd Street;

as shown on a diagram (for illustrative purposes only) dated September 7, 2004.

CD 1 **C 050061 HAX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1. pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at East 153rd Street, Park Avenue and 2996 Concourse Village East (Site C) within the Melrose Urban Renewal Area (Block 2442, Lots 34, 59 and 60) as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2. pursuant to Section 197-c of the New York City Charter for the disposition of such properties to a developer selected by HPD;

to facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

CD 1 **C 050062 HUX**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal (Urban Renewal) Law of New York State and Section 197-c of the New York City Charter, for the 4th amendment to the Melrose Urban Renewal Plan for the Melrose Urban Renewal Area.

The proposed plan:

1. Indicates that Site C will be rezoned from R6 and C8-3 to R7-2 and that the existing C2-4 overlay on the Morris Avenue side of Site C will be maintained. The C2-4 overlay on the Morris Avenue side of Site C will be expanded to include all of the block bounded by Morris Avenue, East 153rd Street and Concourse Village East (Park Avenue).

2. Amends Section C.2, "Proposed Uses" to reflect the actual land uses listed in Map 2, "Land Use Plan." Section C.2.a, "Residential" has been modified to exclude a requirement that all housing be developed to serve low and moderate income families. All references to "Public Housing" "Moderate income", and "projects with a Section 8 rent subsidy" have been revised to exclude Site C.

3. Deletes the provision for pedestrian circulation and pedestrian plazas on Site C and D.

4. Has been modified to conform to the current HPD language, terminology and methodology for urban renewal plans.

These changes would facilitate development of an eight story mixed-use building, tentatively known as Nueva Era Apartments, with approximately 210 rental units and retail space.

BOROUGH OF BROOKLYN

CD 7 **C 020573 ZMK**

IN THE MATTER OF an application submitted by Lutheran Medical Center and Shore Park Properties, Inc. pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 22a:

1. changing from an M3-1 District to an R6 District property bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street; and

2. establishing within the proposed R6 District a C1-3 District bounded by Second Avenue, 57th Street, a line 125 feet northwesterly of Second Avenue, and 56th Street;

as shown on a diagram (for illustrative purposes only) dated August 23, 2004.

CD 7 **C 030020 PPK**

IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, **for the removal of the "Community Facility Use Only" restriction on property located at the corner of 56th Street and Second Avenue, (Block 836, p/o lot 19).**

Note: This formally city-owned property was sold with the above restriction pursuant to an application (C900433 PPK) submitted by the Department of Citywide Administrative Services and approved by the City Planning Commission on October 10th, 1990 (Cal. No. 43).

BOROUGH OF MANHATTAN

CD 11 **C 050032 HAM**

IN THE MATTER OF an application submitted by the Department of Housing Preservation and Development (HPD):

1) pursuant to Article 16 of the General Municipal Law of New York State for:

   a) the designation of property located at 2081, 2083, 2085, 2087, 2089, and 2091 Madison Avenue, 43, 45/47, and 49 E. 131 Street, and 46 E. 132 Street (Block 1756, Lots 21-26, 28, 45, 51, and 52), as an Urban Development Action Area; and
   b) an Urban Development Action Area Project for such area; and

2) pursuant to Section 197-c of the New York City Charter for the disposition of the above properties, except 2081 Madison Avenue (Block 1756, Lot 24), to a developer to be selected by HPD;

to facilitate development of a ten-story building tentatively known as The Nave, with approximately 118 units of housing, retail space and a day care center, to be developed under the New York State Homes for Working Families Program.

CD 1 **C 040048 ZSM**

IN THE MATTER OF an application submitted by 380 Broadway LLC pursuant to Sections 197-c and 201 of the New York City Charter **for the grant of a special permit** pursuant to Section 74-711 of the Zoning Resolution **to modify the use regulations of Section 42-00 (GENERAL PROVISIONS) to allow residential use (Use Group 2 uses) on the 2nd through 5th floors of an existing five-story building located at 380-382 Broadway** (Block 195, Lot 1), in an M1-5 District, within the Tribeca East Historic District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

YVETTE V. GRUEL, Calendar Officer
City Planning Commission
22 Reade Street, Room 2E
New York, New York 10007

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 11 - Monday, November 1, 2004, 7:30 P.M., M.S. 158, 46-35 Oceania Street, Bayside, NY

144-03-BZ

An application has been filed with the NYC Board of Standards and Appeals pursuant to Sections 72-01 and 72-22 of the NYC Zoning Resolution to reopen and amend a previously granted variance for modifications including the change of the (4) retail stores (UG 6) to a bank (UG 6) on the first floor and cellar level and minor architectural changes to the site plan, facades of building and layouts of the (2) residential units on the second floor.

A proposal to name 211 Street at the corner of 28th Avenue "Glenn J. Travers Sr. 9/11 Memorial Way". Mr. Travers was killed in the World Trade Center attack.

o26-n1

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF STATEN ISLAND

COMMUNITY BOARD 1 - Monday, November 1, 2004, 8:00 P.M., Community Board #1 Office, 1 Edgewater Plaza Suite #217, Staten Island, NY

N040304ZAR

Development on a zoning lot containing steep slope, modification of grading controls, and future subdivision to facilitate the development of three (3) detached, two-family homes on (3) zoning lots on Wandel Avenue.

N040300ZAR

Development on a zoning lot containing steep slope, modification of grading controls, and future subdivision to facilitate the development of four (4) semi-detached, single family homes.

BSA 309-04/310-BZ

Application submitted under Section 11-331 of the Zoning Resolution to extend the time of construction of development for (6) months. Previous plans approved for construction of two (2) 3-story, two-family dwellings.

o26-n1

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF BROOKLYN

COMMUNITY BOARD NO. 14 - Monday, November 1, 2004 at 7:30 P.M., 810 East 16th Street, Brooklyn, NY

BSA #322-04-BZ
1124 East 21st between Avenue I and Avenue J

An application has been filed with the BSA, pursuant to Section 72-21 of the zoning resolution of the City of New York, to request a variance to extend the floor area ratio, side and front yard requirements of an existing synagogue and rabbi's apartment, which are contrary to Sections 24-111(a), 24-35, and 24-34.

373 Webster Avenue between Coney Island Avenue and East 8th Street

Community residence has been proposed by the HASC Center, Inc. and the New York State Office of Mental Retardation and Development Disabilities to establish a residence for (8) mildly mentally disabled adult males from the community between 17 and 21 years of age in a two-family semi-detached masonry house. The program will provide housing, meals, recreation, companionship, vocational placement and competitive employment programs, special education and continuous supervision.

o26-n1

ENVIRONMENTAL PROTECTION

BUREAU OF WATER SUPPLY

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

■ **JOINT PUBLIC HEARING**

HEARING CONTINUED

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004, commencing at 10:00 A.M. at 22 Reade Street, Main Floor, 2nd Floor Conference Room, Borough of Manhattan, in the matter of a transfer of control of Neon Communications, Inc. ("NEON"), sole parent of Neon Transcom, Inc. ("Transcom") to Globix Corporation ("GLOBIX") pursuant to which NEON will merge with and into a newly-formed wholly-owned subsidiary of GLOBIX and amendment to appendix G of the franchise agreement. NEON Transcom has a franchise with the City of New York for the provision of high capacity telecommunications services.

On Tuesday, October 12, 2004 (Cal. No. 1) the joint public hearing was continued until November 8, 2004.

Draft copies of the proposed merger agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Monday, September 27, 2004 through Monday, November 8, 2004, by appointment, between the hours of 9:30 A.M. and 3:30 P.M., exclusive of Saturdays, Sundays and Holidays. Interested parties should contact Roxanne Chambers at (212) 788-6610.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYC TV-CHANNEL 74, on Sundays from 5:00 P.M. to 7:00 P.M.

o18-n8

NOTICE OF A JOINT PUBLIC HEARING between the New York City Department of Information Technology and Telecommunications ("DoITT") and the Franchise and Concession Review Committee ("FCRC") to be held on Monday, November 8, 2004 commencing at 10:00 AM at Spector Hall, 22 Reade Street, Main Floor, Borough of Manhattan, to approve a transfer of control of Comet Communications, Inc.("Comet"), holder of a franchise to operate public pay telephones on the streets of the City of New York to Alex Steiner and Dennis Danforth, principals of Phone Management Enterprises, Inc. ("Phone Management"), a current public pay telephone franchisee, to operate and maintain Comet's public pay telephones on the streets of the City of New York. Also approval of the Amendment to Appendices E and I of the Franchise Agreement.

A copy of petition, resolution, and Amendment to Appendices E and I of the Franchise Agreement will be available for viewing at DoITT, 75 Park Place, 9th Floor, New York, New York 10007, commencing Thursday October 14, 2004 through Monday November 8, 2004, by appointment, between the hours of 9:30 A.M. and 4:30 P.M., exclusive of Saturdays, Sundays and Holidays.

NOTE: Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

This Hearing may be broadcast in its entirety on NYC TV-Channel 74, on Sundays, from 5:00 P.M. to 7:00 P.M. For more information visit: www.nyc.gov/tv

STUDENT ATHLETIC ACADEMIC COACHING SERVICES – Negotiated Acquisition – PIN# 52704040 – NYC DOE to enter into an agreement with the National Football League and College Hall of Fame, Inc., located at 22 Maple Avenue, Morristown, NY 07960, to provide student athletic academic coaching services. NYCDOE sought to enter into a contract with the National Football League and College Hall of Fame, Inc. (NFF), for the provision of student athletic academic coaching services, using the Play It Smart program. Play It Smart is a well established school-based academic coaching program that uses athletics as a medium to enhance the personal, academic and social development of student athletes from underserved communities. This model uses an academic mentor (with the strong support of the school's management) to help the school based athletes reach their academic, personal and career potential. This contract is for the period September 1, 2004 through August 31, 2005, for an annual amount not to exceed $203,000.

WORKFORCE DEVELOPMENT ADMINISTRATOR – 1 CSB – PIN# 000000UCO104 – DUE 11-23-04 AT 11:00 A.M. – The City University of New York, in cooperation with the New York City Council, seeks an organization to work closely with the Council and to act as the administrator for a workforce development initiative to address structural unemployment in New York City. The initiative will include several programs, primary research on the cause of long-term employment, and an evaluation of the progress of the initiative. The administrator who is selected shall collaborate with the New York City Council in administering the initiative. The administrator will also select (through a public solicitation) and enter into contracts with community-based and citywide organizations to execute each of the programs.

In order to be considered, prospective proposers must meet a number of requirements, including:

1. having been in the program development, grant-making, and contract management business, with a particular expertise in workforce development, for a period of at least (3) years immediately prior to the Proposal Due Date;
2. agreement to not charge the University or the New York City Council any fee for its services;
3. agreement to commit an investment of a sum of at least two hundred fifty thousand dollars ($250,000) of its funds towards the initiative; and
4. agreement to locate and obtain matching funds for investment towards the Initiative by working with the private sector, philanthropic organizations, and other governmental entities.

Copies of the Request for Proposals may be requested by written request to the address or fax number set forth for the Submit To (Proposal Due) Location.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

ECONOMIC DEVELOPMENT CORPORATION

CONTRACT ADMINISTRATION AND PROCUREMENT

■ SOLICITATIONS

Construction / Construction Services

RANDALL'S ISLAND WATERFRONT PATHWAYS – Public Bid – DUE 11-12-04 AT 11:00 A.M. – Located in the area from the 103rd Street Pedestrian Bridge to the boardwalk over the Little Hell Gate Inlet in Manhattan. The project is for construction of two parallel paths—one for biking and in-line skating and one for walking and jogging. The project will include pedestrian level lighting and minor plumbing work. The scope in general will include clearing and grubbing, rough and final grading; stone screening pavement, concrete pavers, asphalt pavement, lighting and related electrical work, water fountains and related plumbing work, site furniture including, but not limited to, benches and bicycle racks, and landscaping, and all other work incidental thereto, as more specifically described in the Contract Documents.

Each bid must be prepared and submitted in accordance with the 'Invitation for Bids' and with a Bid Security for 10% of the amount of the bid in the form of a Certified Check, Bid Bond or Bank Check in the amount of (10%) ten percent of the bid amount.

The successful bidder will be required to furnish a Performance Bond and Labor and Material Bond each for 100% of the amount of the Contract. The construction duration for this project is expected to be two-hundred ten (210) contract calendar days.

This project is in part funded by grants from the of New York State (NYS) Office of Parks, Recreation and Historic Preservation through Title 3 of the Clean Water/Clean Air Bond Act of 1996, through Title 9 of the Environmental Protection Act of 1993, and from the New York State Department of State, Division of Coastal Resources through Title 11 Local Waterfront Revitalization Program of the Environmental Protection Fund.

It is the policy of NYS to encourage the greatest possible participation of minority and woman-owned business enterprises in State-funded projects. The General Contractor, by bidding on the contract, acknowledges his/her understanding and support for this policy and pledges to fully cooperate with the NYC EDC in meeting NYS requirements as set forth in the Bidding and Contract Documents.

Bid Documents may be obtained upon payment of a fee of $100 for an initial set and $100 for each additional set, no part of which will be refunded. Payment is to be in the form of money order or certified funds payable to "New York City Economic Development Corporation." The Contract Documents, including Bid Forms for Contract Work, will also be on file with NYCEDC and may be inspected by prospective bidders during normal working hours.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation
Contract Administration, 110 William Street, 6th Floor

CONSTRUCTION OF THE SCHAEFER BREWERY ESPLANADE – Public Bid – DUE 11-17-04 AT 11:00 A.M. – at the site of the former Schaefer Brewery, in the Williamsburg section of Brooklyn, located between Kent Avenue and the East River, approximately bounded by South 9th Street and South 10th Street. This work will include upland site demolition and excavation, utility installation, and new upland construction including new pavements, plantings, amenities and railings, with all work incidental thereto. The bid package consists of the following:

- Notice To Bidders, Technical Specifications (1 book).
- Contract Drawings (1 set).

A pre-bid meeting is scheduled to take place at 10:00 a.m. on Wednesday, November 3, 2004 at the site. Attendance is not mandatory, however, bidders are strongly encouraged to attend. Representatives from Han-Padron Associates, LLP, and Abel Bainnson Butz, LLP, the design consultants, will be available to address any questions you may have regarding the project. Any additional questions you may have after the pre-bid meeting must be submitted in writing to NYCEDC at

the e-mail address listed below and received no later than 5:00 p.m. on Friday, November 5, 2004. Answers will be posted at www.nycedc.com no later than 9:00 a.m. on Thursday, November 11, 2004.

The contract will be awarded by NYCEDC in consultation with Han-Padron Associates, LLP and Abel Bainnson Butz, LLP (design consultants), to the Lowest Responsive Bidder. Sealed bids must contain a 10% Bid Bond and be received no later than Wednesday, November 17, 2004 at 11:00 a.m. No bids will be accepted after 11:00 a.m.

The cost for the package is $100 per package.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
Economic Development Corporation, Contract Administration, 110 William Street, 6th Floor, New York, New York 10038, Paul Tamboia, CPPB Agency Chief Contracting Officer at (212) 312-3969 or e-mail SchaeferBid@nycedc.com

STUDENT ATHLETIC ACADEMIC COACHING SERVICES – Negotiated Acquisition – PIN# 52704040 – NYC DOE to enter into an agreement with the National Football League and College Hall of Fame, Inc., located at 22 Maple Avenue, Morristown, NY 07960, to provide student athletic academic coaching services. NYCDOE sought to enter into a contract with the National Football League and College Hall of Fame, Inc. (NFF), for the provision of student athletic academic coaching services, using the Play It Smart program. Play It Smart is a well established school-based academic coaching program that uses athletics as a medium to enhance the personal, academic and social development of student athletes from underserved communities. This model uses an academic mentor (with the strong support of the school's management) to help the school based athletes reach their academic, personal and career potential. This contract is for the period September 1, 2004 through August 31, 2005, for an annual amount not to exceed $203,000.

HOMELESS SERVICES

OFFICE OF CONTRACTS AND PROCUREMENT

■ **SOLICITATIONS**

Human / Client Service

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 12-30-04 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the

Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.
Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.
Department of Homeless Services, Office of Procurement
33 Beaver St., 13th Fl., Bid Desk, NY, NY 10004.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

LANDMARKS PRESERVATION COMMISSION

■ NOTICE

BINDING REPORT

ISSUE DATE: 10/19/04	DOCKET #: 061818	SRB #: SRB 05-2961
ADDRESS: 513 WEST 161ST STREET Fire Engine Co. #84 and Hook and Ladder Co. #24 INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 2120 / 46

To the Mayor, the Council, and the Commissioner, Department of Design and Construction.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing five through-the-wall vents through the rear façade, and interior alterations, as shown in drawings A0 and P3, dated July 30, 2004, and D1, A1, A2a, A2b, A3, P1, P2, M1 and M2, dated July 19, 2004, prepared by RKT&B-ERM Architects, and photographs of the existing conditions. With regard to this proposal, the Commission finds in accordance with the provisions of Title 63 of RCNY, Section 2-11, that the vents will not be visible from any public thoroughfare; that the vents will not project more than 5" from the rear façade; and that no decorative masonry or other significant architectural feature of the landmark will be affected by the installation. Based on these findings, the Commission determines the proposed work to be appropriate to the Fire Engine Company #84 and Hook and Ladder Company #24 Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

■ NOTICE

State Environmental Quality Review Act/
City Environmental Quality Review
NOTICE OF COMPLETION OF DRAFT
ENVIRONMENTAL IMPACT STATEMENT

Name of Action: New Comprehensive Solid Waste Management Plan
CEQR #: 03DOS004Y
SEQRA Classification: Type I
Lead Agency: New York City Department of Sanitation, 125 Worth Street, NY, NY 10013
Location: Citywide

This notice is issued pursuant to Article 8 (State Environmental Quality Review Act - SEQRA) of the Environmental Conservation Law; 6 NYCRR Part 617, the regulations implementing SEQRA; and the City Environmental Quality Review procedures set forth in Executive Order 91 of 1977 as amended (43 RCNY Chapter 6) and Chapter 5, Title 62 of the Rules of the City of New York (CEQR). The Department of Sanitation for the City of New York (DSNY) is proposing a new Solid Waste Management Plan for the 20-year planning period 2004-2024 (New SWMP), together with related solid waste management facility development and procurement (collectively, the Proposed Action). A Draft Environmental Impact Statement (DEIS) has been prepared for the Proposed Action pursuant to a public scoping and enhanced outreach process, including a series of public scoping meetings held between June 15 and July 1, 2004. DSNY as lead agency has determined that the DEIS is adequate with respect to scope and content and is now available for public review. The DEIS may be inspected at the offices of the contact person below or at public repositories located in each of the five boroughs, listed below. The DEIS is available on the Department's website http://nyc.gov/sanitation, together with the Final Scope. Comments on the DEIS are requested and will be received and reviewed by DSNY at its offices. To be considered, public comments must be received by the Contact Person designated below by 5 pm on December 22, 2004. A series of public hearings also will be held on the DEIS and the related permit applications. Notice will be given as to the time and place of the public hearings at least 14 days in advance of the first hearing date. For further information or to obtain a compact disc (CD) of the DEIS, please contact:

Harry Szarpanski, Assistant Commissioner
New York City Department of Sanitation
44 Beaver Street, 12th Floor, New York, NY 10004
Phone: (917) 237-5520 Fax: (212) 269-0788

The repositories for the DEIS are located as follows:

Location of Action: City-wide, with certain specific sites for solid waste management facilities to include four existing DSNY Marine Transfer Station (MTS) sites: Southwest Brooklyn MTS, Shore Parkway at Bay 41st Street, Brooklyn; Hamilton Avenue MTS, Hamilton Avenue near Second Avenue at the Gowanus Canal, Brooklyn; East 91st Street MTS, East 91st Street and York Avenue, Manhattan; and North Shore MTS, 31st Avenue and 122nd Street, Queens. DSNY would contract with up to five existing private transfer stations for DSNY-managed waste (see below), and make the existing MTS located at West 59th Street and Marginal Street, Manhattan available for receipt of commercial putrescible waste. DSNY would procure services from a new private recyclables recovery and processing facility to be built at the 30th Street Pier in the South Brooklyn Marine Terminal, and a recyclables acceptance transfer facility would be located at the site of the former DSNY MTS facility on Pier 52 at Gansevoort Street in the Hudson River Park or at another Manhattan waterfront location to be identified.

Description of Proposed Action: The New SWMP would provide for the management of all solid waste generated in New York City for the 20-year planning period, as required under the Environmental Conservation Law for the permitting of new solid waste management facilities. The New SWMP incorporates certain elements of the existing SWMP, which was approved in 1992 and subsequently amended, and proposes changes to the City's Long Term Export Program for DSNY-managed Waste, to the City's Recycling Program, and to management of commercial waste in the City. The Planning Unit is the City of New York. The New SWMP requires approval by the New York City Council and the New York State Department of Environmental Conservation (DEC). In addition, the New SWMP elements related to the siting of the four proposed Converted MTSs require discretionary approval from the New York City Planning Commission pursuant to Uniform Land Use Review Procedure (ULURP), DEC, U.S. Army Corps of Engineers, New York State Office of General Services, and certain other approvals.

Approximately 50,000 tons per day (tpd) of waste is generated in New York City. Waste that DSNY collects from residents, not-for-profit institutions and other City, state and federal agencies, as well as waste from special DSNY operations such as street and lot-cleaning operations consists of refuse (mostly collected from curbside) and source-separated recyclables (collectively, DSNY-managed waste). In FY 2002, this DSNY-managed waste averaged approximately 11,123 tpd of refuse and 2,555 tpd of separately collected recyclables: newspaper and mixed paper; metal, glass and certain plastics (MGP) and yard wastes. DSNY-managed refuse is exported from the City under short-term contracts entered into for the phased closure of the City's Fresh Kills landfill, which closed completely in March 2001 pursuant to state law. DSNY delivers some of this refuse in collection vehicles directly to disposal facilities or private transfer stations outside of New York City, a smaller portion to a private transfer station in the Bronx where it is loaded onto rail for further transport, and approximately half of this refuse to other private transfer stations in the City, which load it onto truck trailers for further transport out of the City for disposal. Under a 20-year contract DSNY delivers much of the recyclable paper to the West 59th Street MTS for transport by barge to a private paper mill on Staten Island, while DSNY delivers the remaining paper and the MGP to other private recyclables handling and processing facilities in Queens, Brooklyn, the Bronx and New Jersey. DSNY also collects leaves and yard waste seasonally for composting. Other DSNY and City managed wastes that are recycled (derelict vehicles, auto tires, lot cleaning, asphalt and asphalt millings from road resurfacing, interagency road material reuse, etc.) totalled approximately 2,840 tpd in FY2002. Commercial carters collect waste generated by the private sector, such as commercial construction and demolition debris (C&D debris), soil and rock from excavations (clean fill), and refuse and source-separated recyclables from business establishments (collectively, Commercial Waste). In 2003, commercial waste quantities generated in the City averaged approximately 7,248 tpd of putrescible waste (having organic matter that causes odors), 2,641 tpd of designated recyclable waste (mainly paper and metal); 8,626 tpd of non-putrescible C&D debris (excluding clean fill), and 19,069 tpd of clean fill material. Much C&D debris, and virtually all clean fill material, is recycled. Other waste generated in the City but not managed by DSNY includes medical waste, dredge spoils, and biosolids from water pollution control plants.

New SWMP

The New SWMP identifies the quantity and types of solid waste generated in the City and the proposed or existing solid waste management facilities used to manage such waste, and makes projections of future population, waste generation and changes to the waste stream. It determines the appropriate capacity of DSNY's solid waste management facilities, such as the proposed Converted Marine Transfer Stations discussed below, to process DSNY-managed putrescible waste, analyzes various alternatives, and assesses the potential impacts associated with each alternative. The principal elements of the Proposed Action are described more fully in the New SWMP, issued for public review in October 2004. As outlined below, this New SWMP will generally continue the City's waste reduction and recycling programs and reliance on the export of non-recyclable municipal solid waste from the City for disposal, but includes a major initiative for the recycling program, and will rely more on barge and rail transport of DSNY-managed waste. In addition, the New SWMP includes several initiatives designed to address issues related to the management of commercial waste in the City.

Waste Reduction and Recycling Elements

A proposed change to DSNY's recycling program would be a 20-year contract for the receipt, processing and marketing of source-separated recyclable MGP and a portion of the City's paper. DSNY would procure services from a new private recyclables recovery and processing facility to be built by Hugo Neu Corporation (HNC) at the 30th Street Pier in the South Brooklyn Marine Terminal (SBMT). This facility would require the removal of piling remnants, dredging of 40,000 cubic feet of material, and the construction of two 400-foot long by 60-foot wide docks on piles, a 50,000 square foot (sf) enclosed receiving building for unloading two barges with an overhead crane and receiving truckloads of recyclables, a 60,000 sf processing area for mixed recyclables, a 50,000 sf area for baling and storage of MGP (non-ferrous metals) and residue, an area for metals processing and a 76,000 sf glass processing area, a 32,000 sf loading area for outbound barges for metal and glass, container storage, load out docks, two truck scales, a 3-story 20,000 sf administration building/visitor's center with parking, and fencing (numbers approximate). Approximately 85% of the recyclables would be delivered by barge to this facility, and 75% will leave post-processing via barge. DSNY trucks collecting curbside recyclables in the Bronx would tip this material at the existing HNC facility in the Bronx from which it would be transported by barge to the SBMT facility. DSNY trucks collecting curbside recyclables in northern Brooklyn and Queens would tip this material at HNC's facility in Long Island City, from which it would be transported by barge to the SBMT facility. DSNY trucks collecting curbside recyclables from southern Brooklyn would tip their material directly at the SBMT facility.

In addition, DSNY proposes to construct and operate a recyclables acceptance facility (recyclables handling and recovery facility under 6 NYCRR §360-12) at the former DSNY MTS facility on Pier 52 at Gansevoort Street in the Hudson River Park or at another location on the Manhattan waterfront, at which MGP and certain paper would be transferred to barge for transport to the HNC facility at the SBMT in Brooklyn for processing. This recyclables acceptance facility would require amendment of the Hudson River Park Act and would be the subject of a supplemental environmental review once a facility design is developed. DSNY would no longer deliver recyclable paper to the West 59th Street MTS in Manhattan, but would take it instead to the new recyclables acceptance facility for further transport by barge.

The New SWMP also discusses certain waste reduction, reuse and recycling program initiatives. These include, among other things, conducting a comprehensive waste characterization study, undertaking an electronics recycling effort, adding a website for the NYC Stuff Exchange, expanding the NY Wa$teMatch industrial materials exchange program, and enhancing education and outreach efforts.

Long Term Export Elements

The New SWMP continues DSNY's planned use of the Staten Island Transfer Station, at 310 West Service Road, Staten Island, to which a rail connection is under construction, for the long-term export of containerized Staten Island residential refuse. Certain New SWMP elements and procurements for other DSNY-managed refuse would be as follows:

- For the Manhattan wasteshed formerly served by the West 59th Street MTS and the West 135th Street MTS (Community Districts [CD's]1, 2, 3, 4, 7, 9, 10, and 12), DSNY would enter into a long term service agreement by which DSNY would deliver this waste in collection vehicles directly to the Essex County Resource Recovery Facility owned by the Port Authority of New York and New Jersey and operated by American Ref-Fuel, in Newark, N.J. This waste-to-energy facility currently receives most of Manhattan's residential waste under interim export contracts.
- For the Manhattan wasteshed formerly served by the East 91st Street MTS (CD's 5, 6, 8 and 11), DSNY would develop a City-owned MTS (Converted MTS) on the same site, at which DSNY-managed putrescible waste would be containerized (loaded into sealed, leak-proof containers) for export by barge. This facility would have a maximum design capacity to containerize 4,290 tpd of refuse (this is less than current permitted capacity of 4800 tpd)

but would receive approximately 720 tpd on average of DSNY-managed waste, which is comparable to historic use of this site.

- For the Bronx wasteshed (CD's 1 through 12) formerly served by the South Bronx MTS and currently served by two private waste transfer stations under interim export contracts, DSNY would enter into a long-term contract with one or both of these private waste transfer stations for truck-to-rail disposal of the waste. The two candidate facilities are Waste Management's transfer station at Harlem River Yard, 98 Lincoln Avenue, which exports waste by rail; and Allied Waste Services' transfer station at East 132nd Street, Bronx, in conjunction with a related intermodal rail facility at Oak Point Rail Yard, Oak Point Avenue and Barry Street, Bronx.

- For the Brooklyn wasteshed formerly served by the Greenpoint MTS (CD's 1, 3, 4 and 5), DSNY would enter into a long-term contract with one or two private waste companies for truck-to-rail or truck-to-barge transport and disposal of waste. The two candidate facilities are Waste Management's transfer station at 485 Scott Avenue (which currently receives DSNY waste under interim export), and Allied/BFI's transfer station at 72 Scott Avenue/598 Scholes Street, Brooklyn.

- For the Brooklyn wasteshed formerly served by the Hamilton Avenue MTS (Brooklyn CD's 2, 6, 7, 8, 9, 10, 14, 16, 17 and 18), DSNY would develop a City-owned Converted MTS on the same site, where DSNY-managed Waste will be received and containerized for export. This facility would have a maximum design capacity to containerize 4,290 tpd of refuse (this is less than current permitted capacity of 4800 tpd) but would receive approximately 1900 tpd on average of DSNY-managed waste, which is comparable to historic DSNY use of this site.

- For the Brooklyn wasteshed formerly served by the Southwest Brooklyn MTS (Brooklyn CD's 11, 12, 13 and 15), DSNY would develop a City-owned Converted MTS on the site of the former Southwest Brooklyn Incinerator, where DSNY-managed Waste will be received and containerized for export. This facility would have a maximum design capacity to containerize 4,290 tpd of refuse (this is less than current permitted capacity of 4800 tpd) but would receive approximately 950 tpd on average of DSNY-managed waste, which is comparable to historic DSNY use of this site.

- For the Queens wasteshed formerly served by the Greenpoint MTS in Brooklyn (Queens CD's 1 through 6), DSNY would enter into a long-term contract with Waste Management for truck-to-rail or truck-to-barge transfer and disposal of DSNY-managed Waste. DSNY would deliver waste to Waste Management's transfer station at 30-58 Review Avenue, Queens, where it would be containerized and either be transported by barge or drayed to the Maspeth Rail Yard on Maspeth Avenue and Rust Street in Queens, for transloading onto railcars for export from the City. The Review Avenue facility currently receives DSNY-managed Waste under interim export.

- For the Queens wasteshed formerly served by the North Shore MTS (Queens CD's 7 through 14), DSNY would develop a City-owned Converted MTS on the same site, where DSNY-managed Waste will be received and containerized for export. This facility would have a maximum design capacity to containerize 4,290 tpd of refuse (this is less than current permitted capacity of 4800 tpd) but would receive approximately 2200 tpd on average of DSNY-managed waste, comparable to historic DSNY use of this site.

For the four wastesheds to be served by Converted MTS's, DSNY would also enter into 20-year service agreements with one or more waste management companies for transport of containerized waste by barge directly from an MTS to disposal facilities or to intermodal facilities for transloading to railcars or a larger barge for further transport to an appropriately permitted out-of-City disposal facility. The new Converted MTS facilities would require solid waste management facility permits from the New York State Department of Environmental Conservation, and other approvals. They would in include, among other things, a dedicated waste tipping floor, container cranes and associated environmental controls, and a slightly larger footprint than the existing facilities. Sufficient on-site queuing areas and tipping bays would be provided at all MTS facilities to prevent the queuing of DSNY trucks on public streets at all times. The barges serving the converted MTS's could carry up to 48 intermodal containers each containing up to 22 tons of waste and would be towed by tugboat to intermodal facilities, where the containers would be transloaded to trains or ocean-going vessels for transport to out-of-City disposal facilities. The Hamilton Avenue Converted MTS would include the construction of a kingpile bulkhead wall. Support facilities for the Converted MTSs may include the 52nd Street Barge Staging Area at 52nd Street and First Avenue, Brooklyn used by DSNY in the past, an intermodal Barge-to-Rail yard located at Waste Management's Harlem River Yard transfer station facility at East 132nd Street and St. Ann's Avenue in the Bronx, and an intermodal Barge-to-Rail yard (65th Street Rail Yard) in Brooklyn.

Commercial Waste Elements

The New SWMP proposes to allow and encourage a certain amount of locally-generated commercial putrescible solid waste to be received and containerized at the Converted MTSs, in quantities that would not exceed relevant environmental thresholds. Such commercial waste would be accepted during the 8:00 pm to 8:00 am period. The East 91st Street MTS could potentially receive up to 780 tpd, North Shore MTS up to 1000 tpd, Hamilton Avenue MTS up to 1274 tpd, and Southwest Brooklyn MTS up to 828 tpd, respectively, of commercial putrescible waste. In addition, the New SWMP proposes to make the existing West 59th Street MTS available to private waste management companies to use for the transfer of commercial putrescible waste collected by private carters in Manhattan. The facility could be refurbished and used to tip uncontainerized waste into hopper barges as in the past, which would be unloaded at an enclosed barge unloading facility (EBUF) developed elsewhere. Alternatively, the facility could be redeveloped as a containerization facility. In addition, through the procurement process for private transfer station and disposal services for Bronx, Brooklyn and Queens DSNY-managed waste outlined above, DSNY proposes to secure agreement from the transfer station operator that all commercial waste (in addition to DSNY-managed waste) exported from the facility would be containerized and exported by barge and/or rail, and thus reduce out-bound transfer trailer traffic. The New SWMP discusses certain other recent or pending DSNY initiatives related to stricter regulation of commercial waste transfer stations in the City and additional limits on where such facilities may be sited.

Environmental Review

The DEIS provides an environmental review of 17 sites/facilities that are elements of the Proposed Action for the New SWMP. (Final site selection for certain elements of the Proposed Action is dependent upon the outcome of current procurement actions by DSNY.) The DEIS also evaluated a reasonable range of facilities and sites as Alternatives to the Proposed Action. Environmental reviews were also conducted for 14 Alternative sites/facilities considered during development of the New SWMP, as further discussed below.

In compliance with CEQR/SEQRA, the DEIS addressed: Land Use, Zoning, and Public Policy; Socioeconomic Conditions; Community Facilities and Services; Open Space; Cultural Resources; Urban Design, Visual Resources, and Shadows; Neighborhood Character; Natural Resources; Hazardous Materials; Water Quality; Waterfront Revitalization Program; Infrastructure, Solid Waste and Sanitation Services, and Energy; Traffic, Parking, Transit, and Pedestrians; Air Quality; Odor; Noise; Public Health; and Construction Impacts. Several of these facilities are existing permitted facilities that require no modifications or permit approvals for exporting DSNY-managed Waste by barge or rail, while others require only minor modifications not requiring environmental review, and still others would require discretionary permits or major modifications requiring environmental review. As such, the level of environmental review conducted for these facilities varied. The analysis for the proposed Converted MTSs conservatively used current conditions (with no waste activities at these currently permitted facilities) as the baseline against which to compare future conditions, rather than comparing future build conditions with past activity at these MTS sites.

The Proposed Converted MTSs would operate in conformity with zoning performance standards, solid waste management facility permit standards under 6 NYCRR part 360, and local Air and Noise Code standards. The facilities would have state-of-the-art odor controls that neutralize odor rather than mask it with a scent, and would be equipped with sufficient ventilation to maintain negative air pressure to prevent the escape of untreated air from building openings. There would be no queuing of DSNY collection vehicles on city streets. Four of the five private transfer stations proposed for the Long Term Export program would require permit modifications to the facilities for barge or rail export and/or expansions of their existing permitted capacities. The Waste Management truck to rail transfer station at Harlem River Yard in the Bronx would require no permit modifications to accept DSNY-managed waste under long term contracts. The Allied Waste Services Transfer Station (truck-to-truck-to rail) at East 132nd Street in the Bronx would require the minor addition of a lidding facility. The Waste Management transfer station at 485 Scott Avenue, Brooklyn would require a containerization floor plan, lidding area, bulkhead and platform for the loadout of containers onto barges. The Allied Waste Services transfer station at 72 Scott Avenue/598 Scholes Street, Brooklyn (proposed as truck-to-rail) would require the consolidation of operations among three separate facilities and certain rail improvements, and a 1148 tpd expansion in permitted capacity. The Waste Management transfer station at 30-58 Review Avenue would expand its permitted capacity by 242 tpd and modify the facility to add containerization, a lidding area, and (for the truck to barge option) a bulkhead and platform for the loadout of containers onto barges. Two alternative proposals for Brooklyn for the same site on Meserole Street on both sides of Gardner Avenue between Scott Avenue and Stewart Avenue would involve the construction and permitting of a new truck-to-rail transfer station with a 2000 tpd capacity.

Use of the Staten Island Transfer Station was the subject of an Environmental Impact Statement as part of the 2000 SWMP Modification. This facility is fully permitted and is under construction. The Essex County Resource Recovery Facility is a permitted and operating waste-to-energy facility. Both the East 132nd Street Truck-to-Truck-to-Rail Transfer Station in the Bronx and the Review Avenue Truck-to-Truck-to-Rail Transfer Station in Queens would dray containers between the respective transfer stations and intermodal rail yards that are in the project service areas but not directly at the transfer station facilities. These intermodal yards are existing facilities that do not require discretionary approvals. The DEIS considered the movement of containers on tractor chassis between the transfer stations and the intermodal yards. The timetable for designing and permitting the proposed Recyclables Acceptance Facility on the Manhattan waterfront is approximately seven years, and therefore supplemental environmental review of this facility would occur once necessary information is available.

The Proposed Action would generally result in a reduction in truck traffic from facilities that currently export DSNY-managed waste by transfer trailer, as this waste would be exported by barge or rail. Using the applicable impact thresholds from the CEQR Technical Manual of 2001 as supplemented by relevant guidance from the NYC Department of Environmental Protection (such as for the analysis of fine particulate matter known as $PM_{2.5}$), the only potential impacts that were estimated to be significant without mitigation were with respect to traffic and noise, and all such impacts could be mitigated and are proposed to be mitigated. For the Proposed Action, the following measures were identified to mitigate estimated significant adverse impacts related to traffic and noise, respectively:

- Traffic signal timing adjustments would mitigate estimated traffic impacts identified at three intersections near the Southwest Brooklyn Converted MTS; two intersections near the Hamilton Avenue Converted MTS; two intersections near the East 91st Street Converted MTS; two intersections near the North Shore Converted MTS; and one intersection near the Scott Avenue/Scholes Street Truck to Rail Transfer Station.

- A reduction in the number of DSNY and other City agency vehicles making deliveries to the facility during the facility peak hour would be required to mitigate estimated traffic impacts identified at one intersection near the East 132nd Street Transfer Station and Oak Point Rail Yard; and

- A restriction on the number of Commercial Waste vehicles delivering waste to the Hamilton Avenue, East 91st Street and North Shore Converted MTSs during certain hours will mitigate estimated off-site noise impacts at receptors along the routes to these facilities between 8:00 p.m. and 8:00 a.m.

No other significant adverse impacts were identified for any of the CEQR/SEQRA categories analyzed.

Alternatives

Alternatives to the Long Term Export elements of the Proposed Action that were considered included conversions of four other existing DSNY MTS sites to Converted MTSs to containerize waste: West 135th Street MTS in Manhattan; the West 59th Street MTS in Manhattan; the Greenpoint MTS in Brooklyn; and the South Bronx MTS in the Bronx. In addition, an alternative was considered that would involve the development of a new truck to rail facility in Brooklyn Community District 1 to serve the Brooklyn portion of the former Greenpoint MTS wasteshed. The DEIS also analyzed the alternative of refurbishing and reactivating the existing MTSs to supply DSNY-managed waste in open hopper barges to an enclosed barge unloading facility (EBUF) in the New York/New Jersey harbor region where it would be containerized for transport to disposal sites, although no location for such an EBUF has been identified. The DEIS includes by reference the investigation conducted for the 2004 Comprehensive Commercial Waste Management Study concerning four potential sites for truck-to-rail/barge transfer stations in Manhattan. DSNY in 2000 had previously evaluated the technical feasibility and environmental impacts associated with developing each of 24 export facility options on 15 different sites, pursuant to the 2000 SWMP Modification Final Environmental Impact Statement. DSNY's consideration of alternatives also evaluated the information obtained through a Request for Expressions of Interest to Provide Waste Disposal Capacity on February 17, 2004, that sought expressions of interest to (1) sell or otherwise provide to DSNY, for its exclusive use, permitted waste disposal capacity in New York State; (2) sell or otherwise provide to DSNY, for its exclusive use, land in New York State that is suitable to serve as a site for a waste disposal facility; and/or (3) serve as a host community for a disposal facility located in New York State that would receive waste managed by DSNY.

The consideration of the alternatives and additional information gathered since the start of the environmental review process has led to refinements to the Proposed Action into the form presented in the DEIS. None of the alternatives presented in the DEIS was found to be preferable to or otherwise to result in fewer significant environmental impacts than the current Proposed Action elements.

October 22, 2004

Harry Szarpanzki, Assistant Commissioner
New York City Department of Sanitation
Bureau of Long Term Export

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS OFFICIAL NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contracts at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

AB ..... Acceptable Brands List
AC .....Accelerated Procurement
AMT.....Amount of Contract
BL .....Bidders List
CSB.....Competitive Sealed Bidding (including multi-step)
CB/PQ.....CB from Pre-qualified Vendor List
CP .....Competitive Sealed Proposal .....(including multi-step)
CP/PQ.....CP from Pre-qualified Vendor List
CR .....The City Record newspaper
DA.....Date bid/proposal documents available
DUE.....Bid/Proposal due date; bid opening date
EM .....Emergency Procurement
IG .....Intergovernmental Purchasing
LBE.....Locally Based Business Enterprise
M/WBE .....Minority/Women's Business Enterprise
NA.....Negotiated Acquisition
NOTICE....Date Intent to Negotiate Notice was published in CR
OLB.....Award to Other Than Lowest Responsible & Responsive Bidder/Proposer
PIN.....Procurement Identification Number
PPB.....Procurement Policy Board
PQ .....Pre-qualified Vendors List
RS.....Source required by state/federal law or grant
SCE.....Service Contract Short-Term Extension
DP .....Demonstration Project
SS.....Sole Source Procurement
ST/FED.....Subject to State &/or Federal requirements

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

CSB.....**Competitive Sealed Bidding** (including multi-step)
Special Case Solicitations/Summary of Circumstances:
CP .....***Competitive Sealed Proposal*** (including multi-step)
CP/1 .....Specifications not sufficiently definite
CP/2 .....Judgement required in best interest of City
CP/3 .....Testing required to evaluate
CB/PQ/4 ....
CP/PQ/4 ....**CB or CP from Pre-qualified Vendor List/**Advance qualification screening needed
DP .....Demonstration Project
SS.....**Sole Source Procurement/**only one source
RS.....Procurement from a Required Source/ST/FED
NA.....Negotiated Acquisition
For ongoing construction project only:
NA/8.....Compelling programmatic needs
NA/9.....New contractor needed for changed/additional work
NA/10.....Change in scope, essential to solicit one or limited number of contractors
NA/11.....Immediate successor contractor required due to termination/default
For Legal services only:
NA/12.....Specialized legal devices needed; CP not advantageous
WA .....**Solicitation Based on Waiver/Summary of Circumstances** (Client Services/BSB or CP only)
WA1 .....Prevent loss of sudden outside funding
WA2 .....Existing contractor unavailable/immediate need
WA3 .....Unsuccessful efforts to contract/need continues
IG .....**Intergovernmental Purchasing** (award only)
IG/F.....Federal
IG/S.....State
IG/O .....Other
EM .....**Emergency Procurement** (award only) An unforeseen danger to:
EM/A.....Life
EM/B.....Safety
EM/C.....Property
EM/D.....A necessary service
AC .....**Accelerated Procurement/**markets with significant short-term price fluctuations
SCE.....**Service Contract Extension/**insufficient time; necessary service; fair price
Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)
OLB/a.....anti-apartheid preference
OLB/b.....local vendor preference
OLB/c.....recycled preference
OLB/d.....other: (specify)

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction. Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ **SOLICITATIONS**

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.
