If the Department of Housing Preservation and Development determines that an application for a #certification of no harassment# contains a material misstatement of fact, the Department of Housing Preservation and Development may reject such application and bar the submission of a new application with respect to such #multiple dwelling# for a period not to exceed three years.

6. Before determining whether there is reasonable cause to believe that #harassment# has occurred with respect to any #multiple dwelling#, the Department of Housing Preservation and Development shall publish a notice in such form and manner as shall be specified in the rules promulgated pursuant to paragraph (c)(3) of this Section. Such notice shall seek public comment regarding whether there has been #harassment# of the lawful occupants of such #multiple dwelling# from the #referral date# to the date of submission of comments. If the Department of Housing Preservation and Development receives comments containing material evidence that #harassment# occurred on or after the #referral date# and more than fifteen years prior to the #application date#, the Department of Housing Preservation and Development shall, in accordance with paragraph (a)(8) of this Section, set the commencement of the #inquiry period# on a date prior to the date of such alleged harassment.

7. The Department of Housing Preservation and Development shall determine whether there is reasonable cause to believe that #harassment# has occurred during the #inquiry period#.

(i) If there is no reasonable cause to believe that #harassment# has occurred during the #inquiry period#, the Department of Housing Preservation and Development shall issue a #certification of no harassment#.

(ii) If there is reasonable cause to believe that #harassment# has occurred during the #inquiry period#, the Department of Housing Preservation and Development shall cause a hearing to be held in such manner and upon such notice as shall be determined by the Department of Housing Preservation and Development, unless the applicant waives the right to a hearing. Following receipt of the report and recommendation of the hearing officer, or receipt of a waiver of the right to such a hearing from the applicant, the Department of Housing Preservation and Development shall either grant or deny a #certification of no harassment#.

8. The Department of Housing Preservation and Development may deny a #certification of no harassment# without a prior hearing if there has been a finding by the Division of Housing and Community Renewal or any court having jurisdiction that there has been harassment, unlawful eviction or arson at the #multiple dwelling# during the #inquiry period#.

(d) Certification of Cure For Harassment

Failure to comply with the terms and conditions set forth in the #restrictive declaration# shall constitute a violation, and a basis for revocation, of any certificate of occupancy containing such restriction.

(iv) The Department of Buildings shall include the occupancy restrictions of the #restrictive declaration# in any temporary or permanent certificate of occupancy for any new or existing structure or portion thereof on the #cure requirement lot#, except where the management and operation of the #cure compliance lot# is wholly controlled by, and the #restrictive declaration# requires that management and operation of the #cure compliance lot# remain wholly controlled by, an independent not-for-profit administering agent that is not affiliated with the owner of the #cure requirement lot#. Failure to comply with the terms and conditions set forth in the #restrictive declaration# shall constitute a violation, and a basis for revocation, of any certificate of occupancy containing such restriction.

In lieu thereof, and notwithstanding any provision to the contrary contained in this Chapter, the following curative measures shall apply where there has been any harassment as defined in paragraph (d) of this Section.~~

~~(d) For the purposes of this Chapter, "harassment" (including other failure to satisfy applicable legal requirements in eviction and relocation practices) shall mean any conduct, as described below, by or on behalf of an owner of a #building# containing #dwelling units# or #rooming units# which materially advanced #development#, #enlargement#, demolition of a #building#, the conversion or alteration of a #building# or the #extension# of a #use# within a #building#, in the furtherance of which the permit is sought:~~

~~(2) the interruption or discontinuance of essential services which:~~

~~(i) interferes with or disturbs or is intended to interfere with or disturb the comfort, repose, peace or quiet of any person lawfully entitled to occupancy of a #dwelling unit# or #rooming unit# in the use or occupancy of such #dwelling unit# or #rooming unit#; and~~

~~(4) any other conduct which prevents or is intended to prevent any person from the lawful occupancy of such #dwelling unit# or #rooming unit# or causes or is intended to cause such person lawfully entitled to occupancy of such #dwelling unit# to vacate such unit or to surrender or waive any rights in relation to such occupancy, including but not limited to removing the possessions of any occupant from the #dwelling unit# or #rooming unit#, removing the door at the entrance to the #dwelling unit# or #rooming unit#, removing, plugging or otherwise rendering the lock on such entrance door inoperable, or changing the lock on such entrance door without supplying the occupant with a key.~~

~~Such determination of harassment for the purpose of this Chapter shall be made by the Department of Housing Preservation and Development after a hearing in accordance with applicable statutes and regulations, prior to certification of compliance with the aforementioned Sections 96-107, 96-108, 96-109, 96-23 or 96-24.~~

Office of the Deputy Mayor for Economic Development and Rebuilding

NOTICE IS HEREBY GIVEN THAT, pursuant to Section 5-07(b) of the Rules of Procedure of the New York City Charter, a public scoping meeting will be held on **Wednesday, November 30, 2005, at the Former Homeport, located at 455 Front Street (at the intersection of Canal Street), Staten Island, New York, at 5:00 p.m.**, as submitted by the New York City Economic Development Corporation on behalf of the Office of the Deputy Mayor for Economic Development and Rebuilding, to hear comments from the public regarding the proposed scope of work for the Environmental Impact Statement (EIS) for the New Stapleton Waterfront Development Plan.

The Project Area includes the former United States Navy Homeport, generally bounded by the approximate extension of St. Julian Place to the north, Front Street to the west, Vanderbilt Avenue to the south, and Upper New York Bay to the east (the Homeport Site), and the adjacent properties located between Hannah Street to the north, the Staten Island Rapid Transit (SIRT) tracks to the west, Willow Avenue to the south, and the waterfront to the east.

The New Stapleton Waterfront Development Project is a plan for the redevelopment of the former Homeport Navy base along the waterfront in the Stapleton section of Staten Island. The development project is the result of a public planning effort by the Mayor's Homeport Task Force, a working group comprised of city and elected officials and community and business representatives. The New Stapleton Waterfront Development Project is a mixed-use plan combining residential, local retail, restaurant/event space, sports complex, commercial uses. The development is expected to total approximately 682,500 square feet. The project also includes the creation of a waterfront esplanade and open spaces, the reconstruction of Front Street, which borders the site to the west, and site preparation to establish developable parcels within the site.

Implementation of the proposed development project requires several land use approvals subject to the ULURP process, including zoning map changes, zoning text changes, the disposition of city-owned property and changes to the City Map. In addition to the Homeport Site, the rezoning includes the blocks immediately west of the site between the SIRT tracks and Front Street, which could result in approximately 343,000 square feet of residential and local retail development.

The purpose of the scoping meeting is to provide the public with the opportunity to comment on the scope of analysis proposed to be included in the EIS for the referenced project. A copy of the Scoping Document for the project may be obtained by any member of the public from:

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Name, Description and Location of Proposal:

325 Fifth Avenue
The proposal involves an application by the Continental Residential Holdings, Inc., for a special permit pursuant to Zoning Resolution Sections 13-562 (Public parking garages and public parking lots) and 74-52 (Parking garages or public parking lots in high density central areas).

The proposed action would allow the development of a two-story 36,475 square foot parking garage with 124 public spaces and 50 accessory spaces located in the cellar and sub-cellar of a new, as-of-right 41-story mixed-use building located at 325 Fifth Avenue (Block 862, Lots 1, 3, 4, 9, 11, and 73), between East 32nd Street to the south and East 33rd Street to the south. The project site is located in a C5-2 zoning district in the Midtown Section of Manhattan Community Board 5.

Without the proposed action, the applicant would develop the mixed use building on the project site without the parking garage. The proposed building, with or without the parking garage, would contain 247 dwelling units, 6,013 square feet of ground floor commercial space, and 8,270 square feet of public plaza area. The as-of-right building is currently under construction. Construction of the parking garage is expected to be completed in 2006.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated October 27, 2005, prepared in connection with the ULURP Application (050257 ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. The applicant agrees to contact the New York City Department of Transportation (DOT) within six months after the completion of the project and to inform them of the need to implement signal timing modification at the following intersection:

   Madison Avenue and East 32nd Street - Weekday AM and PM Peak hours: Transfer 2 seconds of green time from the north-south phase to the eastbound phase.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. The proposed project has the potential to create significant adverse traffic impacts at the intersection of *Madison Avenue and East 32nd Street* weekday AM and PM peak periods.

   The DOT has completed its review of the traffic section of the Environmental Assessment Statement for this project. As per their letter dated October 7, 2005, which is included in the project's CEQR file, the DOT has stated that the proposed mitigation measure appears reasonable and appropriate. After being contacted by the applicant, following the completion of the project, DOT will investigate the feasability of implementing the mitigation measures. With the implementation of the mitigation measures, significant adverse impacts would not occur.

2. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Conditional Negative Declaration, you may contact Katherine Bucke at (212) 720-3493.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge–, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

For the purposes of the Inclusionary Housing program, matter in italics is defined either in Section 12-10 (DEFINITIONS) or in this Section.

Administering agent

The "administering agent" is the entity or entities identified in the #lower income housing plan# as responsible for ensuring compliance with such plan.

The #administering agent# shall be a not-for-profit organization, unless the Commissioner of Housing Preservation and Development finds that a good faith effort by the developer of the #compensated development# to secure a qualified not-for-profit organization as the #administering agent# was unsuccessful, or, in Community District 1, Borough of Brooklyn, if the #floor area# of the #standard units# comprising the #lower income housing# constitutes less than half of the total #residential floor area# or community facility #floor area# used as a not-for-profit institution with sleeping accommodations in the #building#. However, in Community District 7, Borough of Brooklyn, the Commissioner may approve an entity that is responsible for compliance monitoring pursuant to city, state, or federal funding sources, to serve as the #administering agent# during such compliance period.

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and

(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in Community Districts 1 and 7, Borough of Brooklyn, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In Community Districts 1 and 7, Borough of Brooklyn, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of

SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In Community Districts 1 and 7, Borough of Brooklyn, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, in Community Districts 1 and 7, Borough of Brooklyn, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

However, in Community District 7, Borough of Brooklyn, the amount of #lower income housing# required to receive such bonus #floor area# need not exceed 20 percent of the total #floor area#, exclusive of ground floor non-#residential floor area#, in the #building#.

~~(d) For the purposes of this Chapter, "harassment" (including other failure to satisfy applicable legal requirements in eviction and relocation practices) shall mean any conduct, as described below, by or on behalf of an owner of a #building# containing #dwelling units# or #rooming units# which materially advanced #development#, #enlargement#, demolition of a #building#, the conversion or alteration of a #building# or the #extension# of a #use# within a #building#, in the furtherance of which the permit is sought:~~

~~(1) the use or threatened use of force which causes or is intended to cause any person lawfully entitled to occupancy of a #dwelling unit# or #rooming unit# in such multiple dwelling to vacate such unit or to surrender or waive any rights in relation to such occupancy;~~

~~(3) the failure to comply with the provisions of subdivision (c) of Section 27-2140 of Article 7 of subchapter 5 of the Housing Maintenance Code which causes or is intended to cause such person lawfully entitled to occupancy of such #dwelling unit# or #rooming unit# to vacate such unit or to waive any rights in relation to such occupancy; or~~

~~(4) any other conduct which prevents or is intended to prevent any person from the lawful occupancy of such #dwelling unit# or #rooming unit# or causes or is intended to cause such person lawfully entitled to occupancy of such #dwelling unit# to vacate such unit or to surrender or waive any rights in relation to such occupancy, including but not limited to removing the possessions of any occupant from the #dwelling unit# or #rooming unit#, removing the door at the entrance to the #dwelling unit# or #rooming unit#, removing, plugging or otherwise rendering the lock on such entrance door inoperable, or changing the lock on such entrance door without supplying the occupant with a key.~~

~~Such determination of harassment for the purpose of this Chapter shall be made by the Department of Housing Preservation and Development after a hearing in accordance with applicable statutes and regulations, prior to certification of compliance with the aforementioned Sections 96-107, 96-108, 96-109, 96-23 or 96-24.~~

~~Notwithstanding anything set forth in this Section, no act of harassment which occurred prior to September 5, 1973, shall constitute harassment for the purposes of this Chapter.~~

NOTICE OF PUBLIC SCOPING
NEW STAPLETON WATERFRONT DEVELOPMENT PROJECT

Office of the Deputy Mayor for Economic Development and Rebuilding

NOTICE IS HEREBY GIVEN THAT, pursuant to Section 5-07(b) of the Rules of Procedure of the New York City Charter, a public scoping meeting will be held on **Wednesday, November 30, 2005, at the Former Homeport, located at 455 Front Street (at the intersection of Canal Street), Staten Island, New York, at 5:00 p.m.,** as submitted by the New York City Economic Development Corporation on behalf of the Office of the Deputy Mayor for Economic Development and Rebuilding, to hear comments from the public regarding the proposed scope of work for the Environmental Impact Statement (EIS) for the New Stapleton Waterfront Development Plan.

The Project Area includes the former United States Navy Homeport, generally bounded by the approximate extension of St. Julian Place to the north, Front Street to the west, Vanderbilt Avenue to the south, and Upper New York Bay to the east (the Homeport Site), and the adjacent properties located between Hannah Street to the north, the Staten Island Rapid Transit (SIRT) tracks to the west, Willow Avenue to the south, and the waterfront to the east.

The New Stapleton Waterfront Development Project is a plan for the redevelopment of the former Homeport Navy base along the waterfront in the Stapleton section of Staten Island. The development project is the result of a public planning effort by the Mayor's Homeport Task Force, a working group comprised of city and elected officials and community and business representatives. The New Stapleton Waterfront Development Project is a mixed-use plan combining residential, local retail, restaurant/event space, sports complex, commercial uses. The development is expected to total approximately 682,500 square feet. The project also includes the creation of a waterfront esplanade and open spaces, the reconstruction of Front Street, which borders the site to the west, and site preparation to establish developable parcels within the site.

Implementation of the proposed development project requires several land use approvals subject to the ULURP process, including zoning map changes, zoning text changes, the disposition of city-owned property and changes to the City Map. In addition to the Homeport Site, the rezoning includes the blocks immediately west of the site between the SIRT tracks and Front Street, which could result in approximately 343,000 square feet of residential and local retail development.

The purpose of the scoping meeting is to provide the public with the opportunity to comment on the scope of analysis proposed to be included in the EIS for the referenced project. A copy of the Scoping Document for the project may be obtained by any member of the public from:

110 William Street
New York, New York 10038

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Fair rent

At initial occupancy of #lower income housing#, "fair rent" (the "Section 8 Standard") is an annual rent for each such housing equal to not more than either the public assistance shelter allowance if the #family# receives public assistance, or 30 percent of the annual income of the tenant of such housing, provided that such tenant is a #lower income household# at the time of initial occupancy pursuant to the provisions of this program.

Upon renewal of a lease for an existing tenant in #lower income housing#, #fair rent# (the "Rent Stabilization Standard") is not more than the then-current #fair rent# for such housing plus a percentage increase equal to the percentage increase for a renewal lease of the same term permitted by the Rent Guidelines Board for units subject to the rent stabilization law.

After initial occupancy, upon rental of #lower income housing# to a new tenant, #fair rent# is not more than the higher of:

(a) the then-currently applicable "Section 8 Standard"; or

(b) the Rent Stabilization Standard.

In order for rent to be #fair rent#, the following must also apply:

There shall be no additional charge to the tenant for the provision of heat and electric service, except that the Commissioner of Housing Preservation and Development may approve a #lower income housing plan# making a #lower income household# responsible for the payment of utilities as long as the sum of:

(1) the initial #fair rent#; and
(2) the monthly costs of a reasonable compensation for these utilities, by an energy conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment do not exceed 30 percent of said #lower income household's# income.

However, in Community Districts 1 and 7, Borough of Brooklyn, the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of City, State or Federal programs assisting #lower income housing# will be considered #fair rent#, provided that such rents do not exceed 30 percent of #lower income household's# income, as applicable, and provided further that upon expiration or termination of the requirements of the City, State or Federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

At initial occupancy of any #lower income housing#, no portion of the #fair rents# shall be for the payment of the principal or interest on any debt, and the #lower income housing# shall not secure any debt and shall be free of all liens, except liens for real estate taxes, water charges and sewer rents and other governmental charges for which payment is not yet due. #Fair rents# may be used for the payment of principal or interest of debt only if such debt was incurred after the date of initial occupancy and is for a capital improvement to such #lower income housing# other than those capital improvements set forth in the #lower income housing plan#.

In Community Districts 1 and 7, Borough of Brooklyn, at initial occupancy of any #lower income housing#, a portion of the #fair rents# may be for the payment of the principal or interest on debt, and such housing may secure debt, provided that, as of the date of the approval of the #lower income housing plan#, the Commissioner of Housing Preservation and Development finds that the total annual rent, when such interest and principal payments are deducted, is in compliance with the requirements of Section 23-95, paragraph(c), and provided that the lender agrees to enter into a written agreement which subordinates such debt to the provisions of the #lower income housing plan#.

Lower income household

A "lower income household" is a #family# having an income equal to or less than the income limits (the "80 Percent of SMSA Limits") for New York City residents established by the U.S. Department of Housing and Urban Development pursuant to Section 3(b)(2) of the United States Housing Act of 1937, as amended, for lower income families receiving housing assistance payments.

In Community Districts 1 and 7, Borough of Brooklyn, #lower income households# shall also include all existing households in tenancy, provided such households occupy units that are within a #building# in which rents for all occupied units are regulated by City or State law, and the aggregate maximum permitted annual rent roll for such occupied units, divided by the number of occupied units, is less than 30 percent of the applicable income limit for a #lower income household# as provided in this Section. In determining the applicable income limit for such #lower income households#, the Commissioner of Housing Preservation and Development may make adjustments, consistent with U. S. Department of Housing and Urban Development regulations, for the number of persons residing in each unit.

Lower income housing

"Lower income housing" are #standard units# occupied or to be occupied by #lower income households#. #Lower income housing# shall not include #standard units# assisted under city, state or federal programs, except where such assistance is in the form of:

(a) real estate tax abatements and exemptions which are specifically limited to the #lower income housing#; or

(b) operating assistance that the Commissioner of the Department of Housing Preservation and Development determines will be used to enable households with incomes of not more than 62.5 percent of the "80 Percent of SMSA Limits" to afford such #lower income housing#.

However, in Community Districts 1 and 7, Borough of Brooklyn, #lower income housing# shall include #standard units# assisted under City, State or Federal programs.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.
All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

Statement of Basis and Purpose of Final Rule The Environmental Control Board is making the following revisions to the ECB Penalty Schedules: (1) The Board is revising the Landmarks Preservation Penalty Schedule found in Section 31-114 of Subchapter G of Chapter 31 of Title 15, of the Rules of the City of New York. These revisions are made following enactment of Local Law 18 of 2005, which modifies the Landmarks Preservation Law by authorizing the Landmarks Preservation Commission to issue Notices of Violation for failure to maintain landmark structures in good repair. The revisions include re-designating former type "B" violations as type "C" violations, and creating a new type "B" violation for failure to maintain an improvement in good repair. Additionally, a second-offense penalty category is added to the various landmarks charges in order to provide a more effective deterrent and to encourage violators to bring their landmark buildings into compliance with the law; (2) The Board is revising the Department of Transportation Penalty Schedule found in Section 31-124 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to include six new charges. These charges are for violations of already existing DOT rules and are being added to the ECB Penalty Schedule to enable DOT to cite these rules on their Notices of Violation. Three of the charges pertain to the storage of tool carts and three pertain to street operations. The toolcart charges apply when a toolcart is (a) stored on the roadway without a permit; (b) stored on the sidewalk without a five foot minimum walkway; and (c) stored on the sidewalk while obstructing a hydrant, bus stop, or driveway. The street operations charges apply in connection with (a) a failure to replace loose, slippery or broken utility maintenance hole covers or castings; (b) a failure to repair defective street conditions found within an area extending 12 inches outward from covers or gratings; and (c) illegally working on a street during an embargo period.

If a determination satisfactory to the **Union** at any level of the Grievance Procedure is not implemented within a reasonable time, the **Union** may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the **Union** may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 7.
If the **Employer** exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the **Union** may invoke the next step of the procedure, except that only the **Union** may invoke impartial arbitration under **STEP IV**.

Section 8.
The **Employer** shall notify the **Union** in writing of all grievances filed by **employees**, all grievance hearings, and all determinations. b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the **Commissioner of Labor Relations** may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the **Union**, in writing, for arbitration within 15 days of the presentation of such grievance to the **Commissioner of Labor Relations**, and the arbitrator shall decide such grievance within 75 days of its presentation of such grievance to the **Commissioner of Labor Relations**, and the arbitrator shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the **Employer** and the **Union**.

Section 11.
A non-Mayoral agency not covered by this **Agreement** but which employs **employees** in titles identical to those certified by this contract may elect to permit the **Union** to appeal an unsatisfactory decision received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the **Commissioner of Labor Relations**. If such election is made, the **Union** shall present its appeal to the **Commissioner of Labor Relations** in writing within ten (10) work days of the receipt of the last step determination. Copies of such appeals shall be sent to the agency head. The **Commissioner of Labor Relations**, or the **ommissioner's** designee, shall review all such appeals and answer all such appeals within ten (10) work days. An appeal from a determination of the **Commissioner of Labor Relations** may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 12.
The grievance and the arbitration procedure contained in this **Agreement** shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the **Employer** under **Article XIV** of the **Civil Service Law**.

Section 13. Expedited Arbitration Procedure
a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not be limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 13 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VII - UNION ACTIVITY

Section 5.
With the exception of temporary transfers, all vacancies that the Employer has decided to fill shall be posted on a department bulletin board five (5) working days in advance of the effective date prior to filling except when such vacancies are to be filled in an emergency. (With respect to the Department of Sanitation, the posting period as set forth in this Section, shall be for ten (10) working days and shall apply to transfers between zones only).

Section 6.
In the event that the Employer subsequently hires employees, an employee who was involuntarily transferred pursuant to Section 3 of this Article, has the right within one year and without a bid to return to the work location from which he was transferred before any other employee can be placed in that work location.

Section 7.
With the exception of temporary transfers, an opening from which an employee is transferred and its resulting vacancy, if any, may be processed in accordance with Section two (2) and three (3) of this Article. Further transfers resulting from the aforementioned vacancy shall be exempt from this Article VI, and filled in the manner set forth in Section three (3) of this Article.

ARTICLE XI - BULLETIN BOARDS AND NOTICES

Section 1.
The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. The minimum space to be provided on any such bulletin board shall be sufficient for a document on paper size "8-1/2 x 13".

Section 2.
Notices or announcements shall not contain anything political or controversial or anything reflecting upon the Employer, any of its employees, or any labor organization among its employees and no material, notices or announcements which violate the provisions of this Section shall be posted. A violation of this Section which continued after notice to the Union shall result in revocation of the rights and privileges contained in this Article XI.

ARTICLE XII - WORKING CONDITIONS

Section 2.

Such segregated areas shall have warning devices such as signs, lights and other safety equipment to prevent accidental entrance of vehicles.

ARTICLE XIII - LABOR-MANAGEMENT COMMITTEE

Section 1.

If in the opinion of the Union the Employer does not achieve compliance within a reasonable period of time, the Union may reassert its claim to the arbitrator. Upon such second submission if the arbitrator finds that the Employer has had a reasonable time to comply with the terms of this Section and has failed to do so, then and only then, the arbitrator may order the Employer to follow a particular course of action which will effectuate compliance with the terms of Section 1. However, such a remedy shall not exceed appropriations available in the current budget allocation for the involved agency for such purposes.

ARTICLE XV - BARGAINING BAR DURING TERM OF AGREEMENT

Section 1.
The parties acknowledge that they have raised and negotiated in good faith concerning all mandatory subjects of collective bargaining. The parties acknowledge that when a successor agreement to this collective bargaining agreement is fully executed, including all required approvals, such successor agreement shall supersede this Agreement. A dispute concerning the application or interpretation of the terms of this economic collective bargaining agreement shall be subject to the Grievance Procedure of this Agreement. Except for the foregoing, the terms of this collective bargaining agreement represent the entire agreement of the parties. All subjects, not provided for herein, were disposed of in the course of negotiations; and the parties, accordingly, acknowledge that there remains no further duty to bargain concerning them unless consented to in writing.

Section 2.
Nothing herein shall authorize or require collective bargaining between the parties during the term of this Agreement, except that the parties may mutually agree in writing to engage in collective bargaining where (a) the matter was not specifically covered by the agreement or raised as an issue during the negotiations out of which such agreement arose and (b) there shall have arisen a significant change in circumstances with respect to such matter which could not reasonably have been anticipated by both parties at the time of the conclusion of negotiations.

Section 3.
There shall be no resumption of negotiations during the term of an agreement upon the claim that the agreement is not consummated or not executed or that one of the parties promised to resume negotiations on any particular matter unless such claim is substantiated by a written document signed by the party against whom the claim is made.

Re: 2002-2005 Auto Service Worker Agreement

Dear Mr. Colangelo:

This letter is to confirm certain mutual understandings and agreements regarding the above-captioned agreement.

The parties agree to establish a "Joint Labor Management Committee on Productivity Initiatives" ("Committee")

Composition of the Committee

The Committee shall comprise representatives designated by: the Deputy Mayor for Operations, the Law Department, the Office of Labor Relations, the Office of Management and Budget, the Office of Operations, and Local 246.

Goals and Objectives

The Committee shall work to identify efficiencies in the administration and delivery of governmental services, which shall in turn be utilized to provide additional compensation to employees. This agreement expresses the joint labor and management commitment to associate improved City service and performance with appropriate compensation for the workforce.

The goal of the Committee's work shall be to identify, review, recommend and develop initiatives that generate workplace savings, maximize the potential of the City workforce and ensure the provision of essential services while at the same time improving compensation for the City workforce. To that end, the parties will seek to identify quantifiable savings while at the same time maintaining or improving City services.

The Committee shall make all reasonable efforts to issue a report or reports on or about October 1, 2004 which propose initiatives representing meaningful, quantifiable, recurring savings to the City and which generate funding to be utilized to compensate employees. Upon completion and acceptance of all committee members of the report, an additional one percent (1%) increase shall be paid to employees covered by this agreement.

The parties agree to meet and negotiate the application of any additional savings above 1% generated by the programs developed by the Committee.

Areas for Consideration

The Committee's study may encompass such matters, including, but not limited to, absence control, contracting in, workers compensation and other efficiencies.

Sick leave usage. The Committee will seek to design a program to examine baseline data as to sick leave usage as a benchmark for comparison. The goal will be to reduce employee sick leave usage on an ongoing basis as a productivity enhancement.

Contracting-in. The Committee shall identify areas wherein City services are now being outsourced with the goal of providing those services by City employees with a cost savings to the City.

Workers Compensation Cost Containment Task Force. The Committee shall create a special task force, requesting such assistance of cost containment experts as necessary, with the goal of developing reforms that emphasize effective treatments and speed the return to work; that explore the manner in which treatment services are provided; that set specific standards of evaluation and treatment; and that serve to root out fraudulent claims.

Such other areas as the Committee may mutually agree.

Implementation of Savings

The initiatives and programs developed pursuant to this Committee must be unanimously agreed upon. In the event there is a dispute as to the amount of savings generated by an initiative or the implementation of a program, or the savings generated by a program are not paid pursuant to this agreement, it shall be submitted to arbitration upon written notice therefor by any of the parties to this Agreement to the party with whom such dispute or controversy exists. The matter submitted for arbitration shall be submitted to an arbitration panel consisting of the three impartial members of the Board of Collective Bargaining pursuant to Title 61 of the rules of the City of New York. Any award in such arbitration proceeding shall be final and binding and shall be enforceable pursuant to Article 75 of the CPLR.

If the above accords with your understanding, kindly execute the signature line provided below.

AGREEMENT entered into this 25th day of October, 2005 by and between **the City of New York** ("Employer"), and the **EMS Superior Officers Association** ("Union"), for the period from December 5, 2001 to December 31, 2002.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the covered positions in the bargaining unit as defined in Board of Certification Decision No. 10-2001 dated December 5, 2001, as corrected by Board of Certification Decision No. 4-2002 dated July 9, 2002, and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative:

5305E Supervising Emergency Medical Service Specialist, detailed as Deputy Chief, and Supervising Emergency Medical Service Specialist, detailed as Division Commander

Section 2.

The terms "Employee" and "Employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II - DUES CHECKOFF

Section 1.

a. The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each Employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986 entitled "Procedures for Orderly Payroll Checkoff of Union Dues and Agency Shop Fees."

b. Any Employee may consent in writing to the authorization of the deduction of dues from the Employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the Employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967, as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. All salary provisions of this Agreement, including minimum and maximum salaries, are based upon a normal work week of 35 hours. In accordance with Article IX, Section 24 of the 1995–2001 Citywide Agreement, an Employee who works on a full-time, per-diem basis shall receive his or her base salary (including salary increment schedules) and/or additions-to-gross payment in the same manner as a full-time per-annum employee. An Employee who works on a part-time per-annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such Employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a part time per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per Diem Rate - 1/261 of the appropriate minimum basic salary

Hourly Rate - 35 hour week basis - 1/1827 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement, but the said increase above the maximum shall not be deemed a promotion.

Section 2.

Employees assigned to the following details on or after the date of execution of this Agreement shall be paid the following specified annualized salaries:

Supervising Emergency Medical Service Specialist, detailed as Deputy Chief	Maximum	$70,000
	2nd Step	$69,000
	1st Step	$68,000
Supervising Emergency Medical Service Specialist, detailed as Division Commander	Maximum	$90,000
	2nd Step	$89,000
	1st Step	$88,000

An Employee shall advance one step annually, dating from the anniversary date of the assignment of the detail.

Section 3. Recurring Increment Payment (RIP)

a. Effective December 31, 2002, full-time per-annum Employees in the titles Supervising Emergency Medical Service Specialist, detailed as Deputy Chief and Supervising Emergency Medical Service Specialist, detailed as Division Commander, with 15 years of City service (including service at the NYC Health & Hospitals Corporation) shall be eligible to receive a Recurring Increment Payment (RIP) as specified below:

After 15 years	$664	$664

b. The rules for eligibility for the RIP described above shall be set forth in the Appendix to this Agreement and are incorporated by reference herein.

Section 4. Quartermaster

The Employees shall continue to be part of the FDNY Quartermaster program.

Section 5. Uniform Allowance

a. A uniform maintenance allowance in the amount of $120 per year shall be established for the titles Supervising Emergency Medical Service Specialist, detailed as Deputy Chief and Supervising Emergency Medical Service Specialist, detailed as Division Commander.

b. Employees on "active payroll status" as of the date of execution of this Agreement and on "active payroll status" in December 2005 shall receive retroactive uniform maintenance allowance payments that otherwise would have been paid in December 2003 and December 2004. Such retroactive payments shall be made in December 2005.

c. There shall not be any duplication of payment of the uniform maintenance allowance; specifically, an Employee shall not receive two payments for the same fiscal year.

d. The maintenance allowance will be issued free from Federal and New York State withholding taxes to those employees who file an affidavit with the New York City Fire Department in which they attest that the funds received are to reimburse them for expenses incurred in cleaning and maintaining their uniforms.

ARTICLE IV - LINE OF DUTY BENEFITS

a. Line of Duty Injury (LODI) benefits shall be granted in accordance with the following:

Upon determination by the Employer that an Employee of the Emergency Medical Service in the title of Supervising Emergency Medical Service Specialist, detailed as Deputy Chief or Division Commander has been physically disabled as the result of an injury arising out of and in the course of the Employee's official duties, including assaults, and through no fault of the Employee, the Employer will grant the disabled Employee a leave of absence with pay not to exceed twelve (12) months.

An Employee granted a leave of absence pursuant to this Agreement shall, without charge to the Employee's annual or sick leave balances, receive his/her regular weekly salary subject to an offset for any Workers' Compensation benefits, if applicable. Such Employee shall, as a condition of receiving benefits under this Agreement, agree to examinations by Employer-designated physicians; shall participate in Employer-sponsored or designated rehabilitation programs; and shall execute an assignment of any judgment or settlement of any third-party actions arising from the injury, in the amount that the salary received pursuant to this Agreement and medical disbursements, if any, made by the Employer exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The disabled Employee shall also agree to undergo such medical examinations as are required by the Employer, and when found fit for duty by the Employer shall return to the Employee's employment.

Benefits provided pursuant to this Agreement shall be in addition to but not concurrent with benefits provided under Sections 7.0 and 7.1 of the Leave Regulations for Employees Who Are Under the Career and Salary Plan.

b. LODI benefits are applicable only to injuries sustained on or after the execution of this Agreement.

c. The parties agree that an injury arising out of and in the course of the Employee's official duties incurred by an Employee while the Employee is on duty shall be eligible for LODI coverage so long as the injury is sustained through no fault of the Employee and the Employee is not under the influence of drugs or alcohol. The term "on duty" shall be defined as the time between when the Employee signs in or clocks in and the time the Employee signs out or clocks out, including any authorized overtime work. If an Employee is on call or asked to standby in his/her home and is then called to work, the Employee shall be eligible for LODI coverage upon the Employee's signing in or clocking in for such assignment, or if the Employee is unable to sign in or clock in, then upon the arrival of the Employee at the location where the Employee was assigned to report. Eligibility for LODI coverage shall cease when such Employee signs out or clocks out or, if the Employee is unable to sign out or clock out, when the Employee is released from such assignment.

d. Employees must remain in their place of recuperation for eight (8) hours each day in accordance with EMS Operating Guide Procedure 125-02 when implemented. An Employee who is found by EMS on two (2) separate occasions to be in violation of EMS Operating Guide

Procedure 125-02 shall be terminated from LODI.

e. An Employee who is terminated from LODI shall have the right to appeal such termination to the FDNY Assistant Commissioner for Human Resources, but such appeal shall not be heard by the same person who initially terminated the Employee's LODI benefits. Should a meeting be necessary to hear the appeal, the Employee shall have the right to bring a Union representative to the appeal hearing. Any further appeal shall be taken directly to Step III of the grievance procedure contained in Article VI of this Agreement.

f. An Employee's request for annual leave when he or she will leave his or her place of recuperation for reasons unrelated to his or her LODI leave of absence shall not be unreasonably denied provided the reason for leaving the place of recuperation is consistent with the Employee's medical condition. An Employee on a leave of absence pursuant to this Agreement shall request annual leave when he or she will be away from his or her place of recuperation for one or more hours, and the reason for leaving the place of recuperation is not related to his or her LODI leave of absence. The use of annual leave by an Employee who is on LODI leave pursuant to this Agreement shall have such time charged to his or her annual leave balance.

1) An Employee on LODI leave of absence pursuant to this Agreement who has or develops a medical condition or requires medical treatment not related to his or her LODI injury shall request sick leave for such purpose. Sick leave requests shall not be unreasonably denied. Sick leave will be granted in increments of one (1) hour. Any use of sick leave by the Employee shall have such time charged to her or his sick leave balance.

2) Use of sick leave or annual leave pursuant to this paragraph shall in all other ways conform to EMS procedures pertaining to sick leave or annual leave including required documentation. However, use of annual leave or sick leave during the LODI period shall not extend the twelve (12) month maximum LODI grant.

g. Where an Employee on LODI is required to participate in unsupervised physical or occupational therapy, the Employer may request a copy of the medical doctor's and/or therapist's prescription for unsupervised physical or occupational therapy. Further, the Employer may require the Employee to certify, on a form acceptable to the Employer, when, where, and for how long the Employee participated in such therapy. The Employer may request such certification for each unsupervised physical or occupational therapy session.

h. An Employee shall accrue annual leave and sick leave only for the first six months while on LODI leave. If an Employee returns to work in a light/limited duty capacity, the Employee shall accrue annual and sick leave during the period of the light/limited duty assignment. However, time spent in a light/limited duty assignment shall not extend the LODI period past the twelve (12) month maximum.

i. The parties agree that Employees covered by this Agreement shall not be covered by Article V, Section 10 of the 1995-2001 Citywide Agreement or its successor. The parties further agree than any Employee receiving benefits under this Agreement shall not be covered by Article V, Section 11 of the 1995-2001 Citywide Agreement or its successor.

j. An Employee who refuses to accept a light/limited duty assignment shall have his/her LODI terminated, unless the Employer certifies that the Employee is not physically able to perform the light/limited duty assignment. If there is a disagreement about the Employee's ability to perform said assignment between the Employer and the Employee's own physician, the Employer shall request the opinion of a specialist in the area of the injury in question to determine whether the Employee is capable of performing the assignment. The decision of the specialist shall be final and binding and not subject to appeal through the parties' contractual grievance procedure.

k. An Employee who has been receiving LODI benefits for more than 60 calendar days shall be required to pick up his/her paycheck at their work location, assuming the Employee is physically able to pick up his/her paycheck.

l. The Employer agrees that employees' medical files and records concerning LODI will be kept confidential.

ARTICLE V - WELFARE FUND

Section 1.

a. In accordance with the election by the Union pursuant to the provisions of Article XIII, Section 1(a) of the 1995-2001 Citywide Agreement as amended between the City of New York and related public employers and District Council 37, AFSCME, AFL-CIO, the Welfare Fund provisions of that Citywide Agreement, as amended, or any successor(s) thereto shall apply to Employees covered by this Agreement.

b. When an election is made by the Union pursuant to the provisions of Article XIII, Section l(b), of the 1995-2001 Citywide Agreement, as amended, between the City of New York and related public employers and District Council 37, AFSCME, AFL-CIO, the provisions of Article XIII, Section 1(b) of the 1995-2001 Citywide Agreement, as amended or any successor(s) thereto, shall apply to Employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement, if any. In no case shall the single contribution provided in Article XIII, Section 1(b) of the 1995-2001 Citywide Agreement, as amended, or any successor agreements thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

c. The payments shall be remitted by the Employer to the *Organization of Staff Analysts* Welfare Fund subject to the said supplemental agreement to be entered into between the Employer and the Union for the benefit of each Employee and further subject to periodic audit by the Comptroller of the City of New York.

Section 2.

The Union agrees to provide welfare fund benefits to domestic partners of covered Employees in the same manner as those benefits are provided to spouses of married covered Employees.

Section 3.

In accordance with the Health Benefits Agreement dated January 11, 2001, each welfare fund shall provide welfare fund benefits equal to the benefits provided on behalf of an active Employee to widow(er)s, domestic partners and/or children of any Employee who dies in the line of duty as that term is referenced in Section 12-126(b)(2) of the New York City Administrative Code. The cost of providing this benefit shall be funded by the Stabilization Fund.

ARTICLE VI - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures may be used to determine acceptable performance levels, prepare work schedules and to measure the performance of each Employee or group of Employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on Employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. Supervisory Responsibility

a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for Employees in supervisory positions listed in Article I, Section 1 of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on Employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

b. Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

Section 3. Performance Compensation

The Union acknowledges the Employer's right to pay additional compensation for outstanding performance.

The Employer agrees to notify the Union of its intent to pay such additional compensation.

ARTICLE VII - GRIEVANCE PROCEDURE

Section 1.

DEFINITION: The term **"Grievance"** shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Personnel Rules and Regulations of the City of New York shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of employees to duties substantially different from those stated in their job specifications.

Section 2.

The Grievance Procedure shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at **Step I.**

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1 c, no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to out-of-title work.

No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed with the time limitation set forth in Step I below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

STEP I The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The Employee may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II An appeal from an unsatisfactory determination at **STEP I** where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in **STEP I.** The appeal must be made within five (5) working days of the receipt of the **STEP I** determination. The agency head or designated representative, if any, shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at **STEP II** shall be presented by the Employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) working days of the receipt of the **STEP II** determination. The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) working days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) working days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance." The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the Employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at **STEP III** of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 5.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 6.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **STEP IV.**

Section 7.

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given fortyeight (48) hours' notice of all grievance hearings.

Section 8.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 9.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and

obligations of the Employer under Article XIV of the Civil Service Law.

Section 10. Expedited Arbitration Procedure

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of the grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall be made pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in Section 10 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent a good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties, shall whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and all endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VIII - BULLETIN BOARDS; EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE IX - NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any Employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE X - CITYWIDE ISSUES

This Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on City wide matters which must be uniform for specified Employees, including the employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the City-wide Agreement unless otherwise specifically excluded herein.

ARTICLE XI - UNION ACTIVITY

Time spent by Employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its Employees and on Union Activity" or any other applicable Executive Order.

ARTICLE XII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York, as amended.

ARTICLE XIII - APPENDICES

The Appendix attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XIV - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

WHEREFORE, we have hereunto set our hands and seals this 25th day of October, 2005.

Appendix

The following rules shall govern the eligibility of Employees for the Recurring Increment Payment (RIP) provided for in Article III, Section 4 of the 2001-2002 EMS SOA Unit Agreement.

1. Only service in pay status shall be used to calculate the qualifying years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the qualifying years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.

2. Part-time Employees shall be ineligible to receive RIPs, but prior part-time service shall be credited to full-time employees on a pro rata basis, provided all other terms and conditions set forth herein are met.

a. An Employee must have regularly worked at least one half the regular hours of full time Employees in the same title or if no full-time equivalent title exists then at least 17 -1/2 hours for white collar positions or 20 hours for blue collar positions.

b. Such part time service shall be prorated by dividing the number of hours worked per week by a part-time Employee by the number of hours worked per week by a full time employee in the same title. If no full-time equivalent title exists then the divisor shall be 35 hours for white collar positions or 40 hours for blue collar positions.

3. Service in pay status prior to a break in service of more than one year shall ***not*** be used to calculate the qualifying years of service.

4. The following time in which an Employee is not in pay status shall not constitute a break in service, but such time shall ***not*** be used to calculate the qualifying years of service:

a. time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization,

b. time prior to a reinstatement,

c. time on a preferred or recall list, and

d. time not in pay status of 31 days or less.

5. RIPs shall be considered a salary adjustment for the purposes of Article III, Section 1 (d) of this Agreement and the maximum salary of an eligible title shall not constitute a bar to the payment thereof.

6. Once an Employee has qualified for a RIP and is receiving it, the RIP shall become part of the Employee's base rate and included in calculating all salary-based payments, except as provided in paragraph 7 below. Any future negotiated general increases shall be applied to RIPs.

7. A RIP shall not become pensionable until two years after the Employee begins to receive such RIP.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

If an entity other than a not-for-profit organization is proposed to serve as the #administering agent#, and the affected Community Board objects during its review period to the approval of the proposed entity, the Commissioner shall respond in writing to the Community Board's objections prior to approving the proposed entity to serve as #administering agent#.

Fair rent

"Fair rent" shall be as defined in Section ~~93-92~~ 23-93 with respect to #standard units# occupied by #lower income households#, except that the Commissioner of Housing Preservation and Development may determine that rents satisfying the requirements of city, state or federal programs assisting #lower income housing# will be considered 'fair rent", provided that such rents do not exceed 30 percent of a #lower income household#'s income, and provided further that upon expiration or termination of the requirements of the city, state or federal program, rent increases and re-rentals shall be subject to the higher of the then-currently applicable Section 8 Standard or the Rent Stabilization Standard.

(c) Certification of No Harassment

1. The Department of Housing Preservation and Development shall determine and certify whether there has been #harassment# of the lawful occupants of a #multiple dwelling# during the #inquiry period#.

2. There shall be a rebuttable presumption that #harassment# occurring within the #inquiry period# was committed by or on behalf of the owner of such #multiple dwelling# and that such #harassment#:

(ii) If there is reasonable cause to believe that #harassment# has occurred during the #inquiry period#, the Department of Housing Preservation and Development shall cause a hearing to be held in such

manner and upon such notice as shall be determined by the Department of Housing Preservation and Development, unless the applicant waives the right to a hearing. Following receipt of the report and recommendation of the hearing officer, or receipt of a waiver of the right to such a hearing from the applicant, the Department of Housing Preservation and Development shall either grant or deny a #certification of no harassment#.

8. The Department of Housing Preservation and Development may deny a #certification of no harassment# without a prior hearing if there has been a finding by the Division of Housing and Community Renewal or any court having jurisdiction that there has been harassment, unlawful eviction or arson at the #multiple dwelling# during the #inquiry period#.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.
All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

City Official goes in Description field

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The staff of the Landmarks Preservation Commission has reviewed a proposal for the removal and replacement of deteriorated elements of the wood decking and columns at the north and south porches, including elements of the handicap access ramp, as shown and described in photographs and specifications submitted by the Historic House Trust.

In reviewing this proposal, the Commission notes that the designation report states that the Lefferts Homestead is an 18th century Dutch Colonial farmhouse, built between 1777 and 1783, and moved to its current location within Prospect Park in 1918. The Commission also notes that photographs show that specif elements of the porches and ramp are severely deteriorated and in need of replacement.

The Commission finds that the work is restorative in nature and will return the building more closely to its historic appearance; that the proposed work will help protect the building's facade and structure from further damage due to water infiltration; and that replacement of deteriorated elements will not cause the removal of significant architectural fabric from the building. Based on these findings, the proposed work is determined appropriate to the Lefferts Homestead Individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS	BOROUGH:	BLOCK/LOT:
25 WEST 40TH STREET Bryant Park INDIVIDUAL LANDMARK	MANHATTAN	1257 / 1

To the Mayor, the Council, and the Executive Director, Bryant Park Restoration Corporation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed an application to legalize mechanical equipment installed at the cellar, first and mezzanine levels of the food service facility at the southern end of the terrace, as shown in drawings, M-101, dated revised April 17, 2005, prepared by Kevin C. White.

The Commission notes that the designation report describes Bryant Park as a formal French style garden designed in 1933 by Lusby Simpson. The Commission further notes that the park was reconstructed and partially redesigned by Hanna/Olin in 1988-91, and that a food service facility was constructed at the southern half of the terrace.

With regard to this proposal, the Commission finds, the work will have no effect on the significant landscape features of Bryant Park. Based on these findings, the proposed work is determined to be appropriate to the Bryant Park Scenic Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRESS	BOROUGH:	BLOCK/LOT:
RIVERSIDE PARK Riverside Park and Riverside Drive SCENIC LANDMARK	MANHATTAN	1897 / 19

To the Mayor, the Council, and the Commissioner, Department of Parks & Recreation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal to create pathways that connect the Fireman's Memorial to existing paths located at West 99th Street and West 101st Street. The proposed curvilinear pathways will be approximately 6' wide, paved with exposed aggregate asphalt pavement and feature granite block edging and drainage channels. The proposal also includes replacing asphalt paving at the adjoining pathways and replacement of plantings damaged by soil compaction. The proposal was shown in presentation boards labeled 2 through 5, and drawings labeled S1, S2, R1, R2, D1 and L1 through L4, all dated August 1, 2005, prepared by the City of New York Department of Parks & Recreation.

In reviewing this proposal the Commission noted that the Riverside Park and Riverside Drive Scenic Landmark Designation Report describes Riverside Park as an English Romantic-style park built in 1873-75 and designed by Frederick Law Olmsted, with modifications and additions built in 1934-37 and designed by Clifton Lloyd and Gilmore Clarke.

With regard to this proposal, the Commission found that the proposed pathways will connect to existing pathways at West 99th Street and West 101st Street and will be simple in design and consistent with the contiguous existing pathways, thereby making the proposed pathway harmonious with the surrounding park that the curvilinear paths will be harmonious with Olmstead's original design of the park; that the proposed pathways will formalize desire paths that are degrading the park and causing drainage problems, and will help restore greenery adjacent to the monument, that the asphalt paving will be topped by aggregate gravel material and will harmonize with existing materials and support the naturalistic character of the park; that the proposed paths will provide barrier-free access to the monument; and that the proposed work will not detract from the significant architectural and historic character of the Riverside Park and Riverside Drive Scenic Landmark. Based on these findings, the proposed work is determined appropriate to the Riverside Park and Riverside Drive Scenic Landmark. The work, therefore, is approved.

Please provide one or more 8 by 10 black and white photographs of the completed work to the Art Commission of the City of New York for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS	BOROUGH:	BLOCK/LOT:
4881 BROADWAY Dyckman Farmhouse INDIVIDUAL LANDMARK	MANHATTAN	2241 / 35

To the Mayor, the Council, and the Commissioner, NYC Department of Parks & Recreation.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission received a proposal for the replacement of a pipe handrail, located at the top of an embankment that runs along Broadway, as shown on drawings labeled 1 through 3, dated October 22, 2005, prepared by The New York City Department of Parks & Recreation.

In reviewing this proposal, the Commission notes that Dyckman House is a fieldstone, brick, and wood house built ca. 1785.

With regard to this proposal, the Commission finds that the replacement of the railing will not cause the removal of historic fabric; that the railing is modest in height and simple in design and therefore will not detract from the appearance of this Individual Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals -
PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

LEGAL REPRESENTATION AT WORKERS COMPENSATION HEARINGS AND DEPOSITIONS HELD OUTSIDE THE CITY OF NEW YORK – Negotiated Acquisition – PIN# 02506X100014 – DUE 12-15-05 AT 5:00 P.M. – The New York City Law Department seeks expressions of interest from law firms with expertise in providing legal representation before the New York State Workers' Compensation Board at hearings, appeals, and depositions that may be conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the term of the proposed contract will commence as of May 15, 2006 and continue through May 14, 2009 with one option to renew for an additional two-year term. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York but outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: John Sweeney, Division Chief, Workers' Compensation Division, New York City Law Department, 350 Jay Street, 9th Floor, Brooklyn, New York, 11201. EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in workers' compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the workers' compensation-related legal services.
The Law Department intends to award one contract predicated upon a fee-per-hearing and fee-per-service basis. Based on the Department's review of EOIs received by the above-stated deadline, each firm whose EOI is determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

The Corporation Counsel has determined that it is not practicable or not advantageous to use Competitive Sealed Proposals as the method of source selection for the award of this contract, which is a contract for Legal Services.

All attorneys performing services under any contract that may result from this solicitation shall be members in good standing of the Bar of the State of New York.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

DEVELOP TRANSITIONAL RESIDENCE FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-00S-003-262 – DUE 01-03-06 AT 5:00 P.M. – The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 20 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid procurement method is not the most advantageous method because judgment is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13th Floor, NY, NY 10004, to request a copy of the RFP application, which is available for pick-up Monday through Friday on business days between the hours of 9:00 a.m. to 5:00 p.m.

LEGAL REPRESENTATION AT WORKERS COMPENSATION HEARINGS AND DEPOSITIONS HELD OUTSIDE THE CITY OF NEW YORK – Negotiated Acquisition – PIN# 02506X100014 – DUE 12-15-05 AT 5:00 P.M. – The New York City Law Department seeks expressions of interest from law firms with expertise in providing legal representation before the New York State Workers' Compensation Board at hearings, appeals, and depositions that may be conducted at hearing points outside the City of New York. The Department intends to enter into negotiations with one or more qualified firms and to award a single contract for the services. Contract award will be by the Negotiated Acquisition method of source selection because it has been determined that it is not practicable or not advantageous to use Competitive Sealed Proposals; that it is not in the best interest of the City to use Competitive Sealed Proposals, and that award of the contract by Negotiated Acquisition is justified. It is projected that the term of the proposed contract will commence as of May 15, 2006 and continue through May 14, 2009 with one option to renew for an additional two-year term. The selected firm will be required to handle such matters on an as-required basis at hearing points within the State of New York but outside the City of New York. It is estimated that approximately 4000 hearings were held outside the City's geographical limits last year, the majority of which were held at various Nassau, Suffolk and Westchester County hearing points. Interested firms should send one original and four (4) copies of an Expression of Interest ("EOI") to: John Sweeney, Division Chief, Workers' Compensation Division, New York City Law Department, 350 Jay Street, 9th Floor, Brooklyn, New York, 11201. EOI should contain the following information, which should be organized under the following headings:

1. a description of the firm as a whole, including the firm's areas of practice and specialization, the number of offices maintained by the firm and it/their location(s), and the number of attorneys, paralegals, and support personnel at each such office;

2. a detailed description of the firm's background and experience as counsel for respondents in workers' compensation matters;

3. a detailed description of the firm's attorneys, paralegals and other personnel resources available to provide the workers' compensation-related legal services.

The Law Department intends to award one contract predicated upon a fee-per-hearing and fee-per-service basis. Based on the Department's review of EOIs received by the above-stated deadline, each firm whose EOI is determined to be within a competitive range of Technical Merit will be provided with a detailed Scope of Work, a Law Firm Questionnaire, Price Proposal Forms, and instructions for submitting these materials. Subsequent decisions with respect to contract award will be made on the basis of the evaluation of these materials.

The Corporation Counsel has determined that it is not practicable or not advantageous to use Competitive Sealed Proposals as the method of source selection for the award of this contract, which is a contract for Legal Services.

All attorneys performing services under any contract that may result from this solicitation shall be members in good standing of the Bar of the State of New York.

PUBLIC NOTICE OF A SCOPING MEETING DRAFT ENVIRONMENTAL IMPACT STATEMENT (CEQR No. 05DCP063Y)

Notice is hereby given that pursuant to Section 5-07 of the Rules of Procedure for Environmental Review (CEQR) and 6 NYCRR 617.8 (State Environmental Quality Review) the New York City Department of City Planning (DCP), acting on behalf of the City Planning Commission as CEQR lead agency, has determined that a draft environmental impact statement is to be prepared for the proposed West 61st Street Rezoning and Citywide GLSD Text Amendment, CEQR Number 05DCP063Y.

West End Enterprises, LLC and West 60th Street Associates, LLC, proposes an amendment to the zoning map to change the zoning designation of the western half of the block bounded by West End Avenue, West 61st Street, Amsterdam Avenue, and West 60th Street (Block 1152, Lots 1, 5, 8, 10-13, p/o 43, 52, 53, 55-58, and 61) from M1-6 to C4-7 and C6-2 in the Upper West Side neighborhood of Manhattan Community Board 7.

The applicant is also requesting a special permit pursuant to Zoning Resolution (ZR) Section 74-52 for a public parking garage, a special permit pursuant to ZR Section 74-74 for a general large-scale development, and a zoning text amendment to the provisions of ZR Section 74-74 to modify the open space requirements for certain large-scale developments in R8, C4, C5, and C6 zoning districts citywide.

The proposed actions would facilitate a proposal by the applicant to develop a mixed-use building on a property located at 239 West 60th Street (Block 1152, Lots 5, 8, 10-13, 43, 52, 53, and 55), which is a through-lot site with frontages on both West 60th Street and West 61st Street.

The proposed building would contain a total of approximately 481,425 gross square feet (gsf) of floor area consisting of 342 residential units; 4,420 gsf of medical office space; 10,340 gsf of ground-floor retail space; and 281 parking spaces, of which 121 would be accessory parking spaces and 160 would be public parking spaces. The applicant has merged the properties located at 242 West 61st Street (Block 1152, Lot 56) and 244 West 61st Street (Block 1152, Lot 57) with the project site to create a combined zoning lot. This would allow a portion of the unused development rights from these properties, which are developed with two 5-story residential buildings, to be used in developing the proposed project. The proposed project would be comprised of a 29-story tower with a maximum height of 372 feet and three mid-rise components of 7, 9 and 14 stories. Construction of the proposed project is expected to be completed in 2008.

Although the applicant intends to construct a development with 342 dwelling units on the projects site, a development with more dwelling units could be built under the proposed zoning. The reasonable worst case development scenario (RWCDS) to be analyzed in the EIS assumes that 559 units could be constructed on the project site, which would be the maximum number of dwelling units allowed under the proposed zoning.

The RWCDS also assumes that four additional properties would be developed as a result of the proposed rezoning. The property located at 246 West 61th Street (Block 1152, Lot 58), which is not under the control of the applicant, would be developed with a 10-story residential building containing approximately 61 dwelling units. In addition, the property located at 28 West End Avenue (Block 1152, Lot 61), also not under the control of the applicant, would be developed with a 31-story building containing approximately 190 dwelling units and a 100,000 gsf middle school. The RWCDS also assumes that the two 5-story residential buildings located at 242 West 61st Street (Block 1152, Lot 56) and 244 West 61st Street (Block 1152, Lot 57), which are under the applicant's control, could each be enlarged with an additional penthouse unit.

The proposed text amendment to modify the open space provisions of ZR Section 74-74 would allow the City Planning Commission to waive the open space requirements for proposed general large-scale developments in R8, C4, C5, or C6 zoning districts provided that the applicant comply with the applicable open space requirements of the Quality Housing Program. The zoning districts within which the proposed text amendment could potentially be utilized (R8, C4, C5, and C6) are located within areas of Manhattan Community Districts 1-8, and 10-12; Queens Community Districts 1-10, and 12-14; Bronx Community Districts 1-3, 5-7, and 9-12; Staten Island Community Districts 1-3; and Brooklyn Community Districts 1-6, 8, 9, 11, 12, and 14-18.

Public comments are requested with respect to the issues to be addressed in the draft environmental impact statement.

A public scoping meeting has been scheduled for Tuesday, December 20, 2005 at 10:00 A.M. at the City of New York Department of City Planning, Spector Hall, 22 Reade Street, New York, New York 10007. Written comments will be accepted by the lead agency through the tenth day following the scoping meeting.

Copies of the Draft Scope of Work and the Environmental Assessment Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, New York 10038, Robert Kulikowski, Ph.D., Director (212) 788-2937.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge–, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
