SUPREME COURT

■ NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 13712/06

In the Matter of Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for portions of **130th Avenue At Guy Brewer Boulevard** located in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County for certain relief.

The application will be made at the following time and place: At the Courthouse located at 88-11 Sutphin Boulevard, Room 26, in the Borough of Queens, City and State of New York, on July 14, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the Office of the Clerk in the County of Queens or the City Register;

2. directing that upon the filing of said map, title to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for street purposes in the Borough of Queens, City and State of New York.

The description of the real property to be acquired is as follows:

All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situate, lying and being in the Borough and County of Queens, City and State of New York, more particularly bounded and described as follows: Beginning at the point formed by the intersection of the southwesterly line of Guy R. Brewer Boulevard with the northwesterly line of 130th Avenue as shown on the Official Map of The City of New York for the Borough of Queens, which point is distant 198.06 feet southeastwardly, as measured along the southwesterly line of Guy R. Brewer Boulevard, from the point formed by the intersection of the southwesterly line of Guy R. Brewer Boulevard with the southeasterly line of 129th Avenue and which point is on the northeasterly line of Tax Lot 66 in Tax Block 12276 as shown on the Tax Map of The City of New York for the Borough of Queens, as said Tax Map existed on July 17, 2001, and is distant 22.17 feet northwestwardly, as measured along the northeasterly line of Tax Lot 66 in Tax Block 12276, from the northwesterly line of Tax Lot 69 in Tax Block 12277 as shown on the Tax Map of The City of New York for the Borough of Queens, as said Tax Map existed on July 17, 2001, and distant 37.83 feet southeastwardly, as measured along the northeasterly line of Tax Lot 66 in Tax Block 12276, from a southeasterly line of Tax Lot 63 in Tax Block 12276; Running thence southwestwardly along said northwesterly line of 130th Avenue through Tax Lot 66 in Tax Block 12276 and through Tax Lot 69 in Tax Block 12277 for 97.27 feet to a line dividing Tax Lot 63 in Tax Block 12276 from Tax Lot 69 in Tax Block 12277;

Thence southeastwardly along the southeastwardly prolongation of said dividing line, being partly along the southwesterly line of Tax Lot 69 in Tax Block 12277 and partly along the southwesterly line of Tax Lot 71 in Tax Block 12277, across 130th Avenue as shown on the Official Map of The City of New York for the Borough of Queens for 52.06 feet to the southeasterly line of 130th Avenue as shown on the Official Map of The City of New York for the Borough of Queens at a point in the southwesterly line of Tax Lot 71 in Tax Block 12277 which is distant 7.06 feet southeastwardly, as measured along the southwesterly line of Tax Lot 71 in Tax Block 12277, from the line dividing Tax Lot 71 from Tax Lot 69 in Tax Block 12277 and distant 12.64 feet northwestwardly, as measured along the southwesterly line of Tax Lot 71 in Tax Block 12277 and being also measured along a northeasterly line of Tax Lot 20 in Tax Block 12277, from a northwesterly line of Tax Lot 20 in Tax Block 12277;

Thence northeastwardly along said southeasterly line of 130th Avenue through Tax Lots 71 and 69 in Tax Block 12277 for 97.05 feet to the point formed by the intersection of said southeasterly line of 130th Avenue with the southwesterly line of Guy R. Brewer Boulevard as coincident with the northeasterly line of Tax Lot 69 in Tax Block 12277 and the northeasterly line of Tax Lot 66 in Tax Block 12276;
Thence northwestwardly along said southwesterly line of Guy R. Brewer Boulevard for 52.12 feet to the point or place of beginning.

The above described parcel consists of part of Tax Lot 66 in Tax Block 12276 and part of Tax Lots 69 and 71 in Tax Block 12277, being part of the bed of 130th Avenue as shown on the Official Map of The City of New York for the Borough of Queens.

The property shall be acquired subject to encroachments, if any, of the structures, improvements and appurtenances standing or maintained partly upon the above described parcels and partly upon the lands and premises adjoining the same, as long as such encroachments shall stand.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

NOTICE OF PROPOSED RATEMAKING

Notice of Opportunity To Comment on Proposed Schedule of Charges for Fire Department Ambulance Service

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Fire Commissioner of the City of New York pursuant to Section 487(f) of the New York City Charter, the New York City Fire Department intends to increase its charges for Fire Department Emergency Medical Service (EMS) ambulance service. New material is underlined and material to be deleted is [bracketed].

A public hearing will be held on Wednesday, August 2, 2006, at 10:30 a.m., in the Auditorium at Fire Department Headquarters at 9 MetroTech Center, Brooklyn, New York 11201-3857. Written comments regarding this ratemaking may be submitted to the Counsel to the Department, at Fire Department Headquarters, by the above date.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify the Counsel to the Department at the foregoing address by Wednesday, July 19, 2006.

The Notice of Proposed Ratemaking, Proposed Schedule of Charges for Fire Department Ambulance Service, and Justification for Proposed Ratemaking, will be available on the Fire Department Internet Home Page at: www.nyc.gov/fdny

The Fire Department proposes to amend its schedule of charges for ambulance service provided by the Fire Department's Emergency Medical Service through the New York City 911 System, as set forth in Appendix A to Title 3 of the Rules of the City of New York (following Chapter 43 thereof), as follows:

Schedule of Charges for Fire Department Ambulance Service
(effective [November 24, 2002] (new effective date))

Type of Service	Charge
Basic Life Support Ambulance	$[420.00] 475.00
[Advanced Life Support Ambulance	$ 535.00]
Advanced Life Support Ambulance Service – Level 1 (ALS1)	$ 600.00
Advanced Life Support Ambulance Service – Level 2 (ALS2)	$ 700.00
Additional Charges: – Mileage (distance traveled to hospital)	$[6.00] 7.00/mile
– Provision of Oxygen (as applicable)	$ 50.00

JUSTIFICATION FOR PROPOSED RATEMAKING:

The Fire Department is proposing to increase the amounts it charges patients and insurers for Emergency Medical Service (EMS) ambulance transport service provided through the New York City 911 System, to reflect increased costs and help defray the City's cost of providing these services.

The charges for ambulance transport service were last increased in November 2002. The rates adopted at that time and currently in effect are $420 for an ambulance response (including treatment and transport) by a Basic Life Support (BLS) ambulance staffed by two Fire Department Emergency Medical Technicians; $535 for an ambulance response (including treatment and transport) by an Advanced Life Support (ALS) ambulance staffed by two Fire Department Paramedics; $6.00/per mile for hospital transports; and $50.00 for provision of oxygen.

The Department proposes to increase the rates to continue to bring them more in line with the cost of providing these services. The proposed schedule of charges continues the existing single rate for BLS service, but proposes separate rates for the two levels of ALS service established by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services for Medicare reimbursement, which have become the nationally-

accepted standards for ambulance service levels.

ALS1 service comprises all regular ALS ambulance treatment and transport. The ALS2 level of service is limited to treatment and transport requiring certain advanced care, as set forth in Medicare regulations, including manual defibrillation, endotracheal intubation, the insertion of a central venous line, and the intravenous administration of certain medications, such as morphine, diazepam, lidocaine and lasix.

The proposed schedule of charges reflects a 13% increase above the current BLS rate. With respect to the proposed ALS rates, more than 90% of ALS transports involve the provision of ALS1 care, and accordingly the estimated average bill for all ALS transports (ALS1 and ALS2 combined) under the proposed ALS rates would be $605, also an increase of 13% above the current ALS rate.

The proposed 13% increase in BLS and ALS rates is necessitated by increased costs. The most significant cost increases during the relevant time period were the collective bargaining increases for the Fire Department EMS personnel who staff the ambulances, and the very substantial capital investment made by the Fire Department in new communications equipment. The balance of the proposed increase is accounted for by a general increase in non-personnel costs, based on the cost of living index.
This substantial capital investment was made for the purchase, installation and operation, in all Fire Department ambulances, of automatic vehicle locator (AVL) equipment, which utilizes global positioning satellite technology. By providing exact locations for each of the Fire Department's ambulances as they move around the city, this technology will enable the Fire Department's Computer Aided Dispatch system and Fire Department dispatchers to identify more precisely the ambulances best situated to respond to a call for medical assistance, thereby reducing ambulance response time.

The current and proposed charges set forth above are the amounts that the Fire Department would bill for EMS ambulance service. The charges do not necessarily reflect the amounts accepted by the Fire Department as payment for such services from government and private health insurance plans.
The increase in mileage charges is consistent with the mileage rate approved by the Centers for Medicare and Medicaid Services.

Neither the current nor proposed rates apply to emergency medical care provided by Fire Department firefighters as certified first responders. The Fire Department does not charge for such services.

Fire Alarm Dispatchers
2005-2006 Agreement

AGREEMENT entered into this 26th day of June, 2006 by and between the City of New York and related public employers pursuant to and limited to their respective elections or statutory requirement to be covered by the New York City Collective Bargaining Law and their respective authorizations to the City to bargain on their behalf (hereinafter referred to jointly as the "Employer"), and the **Fire Alarm Dispatchers Benevolent Association, Inc.**, (hereinafter referred to as the "Union"), for the period from September 1, 2005 to September 12, 2006.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing,

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.
The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of employees of the Employer, wherever employed, whether full-time, part-time per annum, hourly or per diem, in the below listed title(s), and in any successor title(s) that may be certified by the Board of Certification of the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive collective bargaining representative and in any positions in Restored Rule X titles of the Classified Service the duties of which are or shall be equated by the City Personnel Director and the Director of the Budget for salary purposes to any of the below listed title(s):

71010 Fire Alarm Dispatcher
71060 Supervising Fire Alarm Dispatcher (Levels I and II)

Section 2.
The terms "Employee" and "Employees" as used in this Agreement shall mean only those persons in the unit described in Section 1 of this Article.

ARTICLE II – DUES CHECKOFF

Section 1.
a. The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Procedures for Orderly Payroll Check-Off of Union Dues and Agency Shop Fees."

b. Any Employee may consent in writing to the authorization of the deduction of dues from the Employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the Employee.

Section 2.
The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 1.
a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 as amended, except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement or level increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of 40 hours except as provided for in Article IV, Section 1. In accordance with Article IX, Section 24 of the 1995–2001 Citywide Agreement, Employees who work on a full-time, per-diem basis shall receive their base salary (including salary increment schedules) and/or additions-to-gross payment in the same manner as a full-time, per-annum Employee. An Employee who works on a part-time per annum basis and who is eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such Employee and the number of hours in the said normal work week, unless otherwise specified.

c. Employees who work on a part-time per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

Per diem rate - 1/261 of the appropriate minimum basic salary.

Hourly Rate - 40 hour week basis -1/2088 of the appropriate minimum basic salary.

d. The maximum salary for a title shall not constitute a bar to the payment of any salary adjustment or pay differentials provided for in this Agreement but the said increase above the maximum shall not be deemed a promotion.

Section 2.
During the term of this Agreement, the following basic salary rates shall prevail for Employees:

FIRE ALARM DISPATCHERS

Hired Prior to 10/1/91	Effective 9/1/05
4th Grade	$35,385

4th Grade	$65,115
3rd Grade	$66,697
2nd Grade	$68,278
1st Grade	$69,861

Section 3. Wage Increase

a. General Wage Increase

The general increase, effective as indicated, shall be:

i. Effective September 1, 2005, Fire Alarm Dispatcher, and Supervising Fire Alarm Dispatcher, Levels I and II shall receive a general increase of 3.25 percent.

ii. Part-time per annum, per session, hourly paid and part-time per diem employees (including seasonal appointees) and Employees whose normal work year is less than a full calendar year shall receive the increase provided in Sections 3(a)(i) on the basis of computations heretofore utilized by the parties for all such Employees.

b. The increase provided for in Section 3(a) above shall be calculated as follows:

i. The general increase in Section 3(a)(i) shall be based upon the base rates (including salary or incremental salary schedules) of the applicable titles in effect on August 31, 2005.

ii. Notwithstanding the provisions set forth in Sections 3 (a)(i), the appointment rate for any Employee newly hired on or after July 1, 1993 shall be the minimum rate which was in effect for the applicable title on December 31, 1991. Upon completion of one year of service, an Employee hired on or after July 1, 1993 shall be paid the indicated minimum for the applicable title in effect on the one year anniversary of such Employee's original date of appointment to the title.

c. i. The general increase provided for in this Section 3 shall be applied to the base rates, incremental salary levels and the minimum "hiring rate", minimum "incumbent rates" and maximum rates (including levels), fixed for the applicable titles.

New Hires.
The following provisions shall apply to Employees newly hired on or after September 1, 2004:

Upon completion of one year of active or qualified inactive service, such employee shall be paid the indicated rate for fifth grade. Upon completion of the second year, such employee shall be paid the indicated rate for the fourth grade.

Section 4.
Each general increase provided herein, effective as of each indicated date, shall be applied to the rate in effect on the date as specified in Section 3 of this Article. In the case of a promotion or other advancement to the indicated title on the effective date of the general increase specified in Section 3 of this Article, such general increase shall not be applied, but the general increase, if any, provided to be effective as of such date for the title formerly occupied shall be applied.

Section 5.
In the case of an Employee on leave of absence without pay, the salary rate of such Employee shall be changed to reflect the salary adjustments specified in Article III.

Section 6.
The service increments listed below shall be paid to all eligible Employees upon completion of the specified years of "City" service in pay status in the pro-rated annual amounts listed below. Such Employees shall begin to receive such pro-rata payments on the Employee's anniversary date. The pro-rata payments provided for in this Section shall be deemed included in the base rate of the eligible Employee for all collective bargaining purposes. The provisions of Section 3(a) of this Agreement shall not apply to the service increment set forth in this Section 6.

Service Increments	Effective 9/1/05
10 year	$61
15 year	$707
20 year	$589

ARTICLE IV – HOURS & LEAVE

Section 1.
The hourly work week for Fire Alarm Dispatcher and Supervising Fire Alarm Dispatcher shall be 40 hours. It is understood and agreed that Fire Alarm Dispatchers and Supervising Fire Alarm Dispatchers, Level I shall continue to work on the average of 40.32 hours per week.

Section 2.
Employees shall receive the following eleven (11) regular

holidays with pay:

New Year's Day	January 1st
Lincoln's Birthday	February 12th
Washington's Birthday	Third Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4th
Labor Day	First Monday in September

Veteran's Day	November 11th (or other date established by N.Y.S. Legislature)
Election Day	First Tuesday following the First Monday in November
Thanksgiving Day	Fourth Thursday in November
Christmas Day	December 25th

Section 3.
Notwithstanding anything to the contrary contained in the 1995-2001 *Citywide Contract* or the *Time and Leave Rules* which are incorporated by reference therein, and in lieu thereof, the Fire Department shall promulgate a ten (10) group vacation chart for Fire Alarm Dispatchers and Supervising Fire Alarm Dispatchers, Level I.

Section 4.
Employees in the title of Supervising Fire Alarm Dispatcher, Level II shall continue to be covered for shift differential pursuant to Article III, Section I of the 1995-2001 Citywide Agreement through August 30, 2002.

ARTICLE V – WELFARE FUND

Section 1.
In accordance with the election by the Union pursuant to the provisions of Article XIII of the *1995-2001 Citywide Agreement* negotiated pursuant to Section 1173-4.3 (a)(2) of the New York City Collective Bargaining Law recodified as Section 12-307 (a)(2) of the current New York City Collective Bargaining Law or its successor Agreement(s), the Welfare Fund provisions of that *Citywide Agreement* as amended or any successor(s) thereto shall apply to Employees covered by this Agreement.

Section 2.
The unions agree to provide welfare fund benefits to domestics partners of covered Employees in the same manner as those benefits are provided to spouses of married covered Employees.

Section 3.
In accordance with the Health Benefits Agreement dated January 11, 2001, each welfare fund shall provide welfare fund benefits equal to the benefits provided on behalf of an active Employee to widow(er)s, domestic partners and/or children of any Employee who dies in the line of duty as that term is referenced in Section 12-126(b)(2) of the New York City Administrative Code. The cost of providing this benefit shall be funded by the Stabilization Fund.

ARTICLE VI- PRODUCTIVITY AND PERFORMANCE
Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels
(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on Employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

(b) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

Section 2. Supervisory Responsibility
(a) The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise standards for supervisory responsibility in achieving and maintaining performance levels of supervised employees for employees in supervisory positions listed in Article I, Section 1, of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

Section 3. – Performance Compensation
The Union acknowledges the Employer's right to pay additional compensation for outstanding performance.

The Employer agrees to notify the Union of its intent to pay such additional compensation.

ARTICLE VII- GRIEVANCE PROCEDURE

Section 1. - Definition:
The term "*Grievance* " shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the Personnel Rules and Regulations of the City of New York shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of Employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination; and

e. A claimed wrongful disciplinary action taken against a permanent Employee covered by Section 75(1) of the Civil Service Law upon whom the agency head has served written charges of incompetence or misconduct while the Employee is serving in the employee's permanent title or which affects the Employee's permanent status.

f. A claimed wrongful disciplinary action taken against a provisional Employee who has served for two years in the same or similar title or related occupational group in the same agency.

Section 2.
The Grievance Procedure, except for grievances as defined in Sections 1 d, 1e and 1f of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1c, no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance.

Step I - The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose. The Employee may also request an appointment to discuss the grievance. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II - An appeal from an unsatisfactory determination at STEP I shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in STEP I. The appeal must be made within five (5) work days of the receipt of the STEP I determination. The agency head or designated representative, if any, shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III - An appeal from an unsatisfactory determination at STEP II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV - An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance." The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer. The assigned arbitrator shall hold a hearing at a time and place convenient to the parties and shall issue an award within 30 days after the completion of the hearing.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.
As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the Employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.
In any case involving a grievance under Section 1e of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A - Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the Employee is satisfied with the determination in STEP A above, the Employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law. As a condition of accepting such determination, the Employee shall sign a waiver of the Employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law.

STEP B (i) - If the Employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law. As an alternative, the Union with the consent of the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the Employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Sections 75 and 76 of the Civil Service Law or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B (ii) - If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall review the grievance and shall issue a written reply to the Employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment.

STEP C - If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D - If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 5.
In any case involving a grievance under Section 1f of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A - Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP B (i) - If the Employee is not satisfied with the determination at STEP A above, then the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through STEP III. The Union, with the consent of the Employee, shall have the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. The period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B (ii) - An appeal from the determination of STEP A above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C - If the grievant is not satisfied with the determination of the agency head or designated representative, the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D - If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6.
A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure. Such group grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits including time limits set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 7.
If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so

implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 8.
If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 9.
The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 10.
Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 11.

a. Any grievance relating to a claimed improper holding of an open-competitive rather than promotional examination shall be presented in writing by the Employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the employer and the Union.

Section 12.
The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 13. Expedited Arbitration Procedure.

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. **Selection and Scheduling of Cases:**

(1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 13 and notify the parties of proposed hearing dates for such cases.

(2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.

(3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. **Conduct of Hearings:**

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

(5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

(6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE VIII – BULLETIN BOARDS: EMPLOYER FACILITIES

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for the Employees to read. All notices shall be on Union stationery, and shall be used only to notify Employees of matters pertaining to Union affairs. Upon request to the responsible official in charge of a work location, the Union may use Employer premises for meetings during Employees' lunch hours, subject to availability of appropriate space and provided such meetings do not interfere with the Employer's business.

ARTICLE IX – NO STRIKES

In accordance with the New York City Collective Bargaining Law, as amended, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE X – CITYWIDE ISSUES

Except as otherwise provided, herein, this Agreement is subject to the provisions, terms and conditions of the Agreement which has been or may be negotiated between the City and the Union recognized as the exclusive collective bargaining representative on Citywide matters which must be uniform for specified employees, including the employees covered by this Agreement.

Employees in Rule X titles shall receive the benefits of the *Citywide Agreement* unless otherwise specifically excluded herein.

ARTICLE XI – UNION ACTIVITY

Time spent by employee representatives in the conduct of labor relations with the City and on Union activities shall be governed by the terms of Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its employees and on Union Activity" or any successor thereto.

ARTICLE XII – LABOR-MANAGEMENT COMMITTEE

Section 1.
The Employer and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labormanagement committee.

Section 2.
The labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.
The labor-management committee shall consist of six members who shall serve for the term of this Agreement. The Union shall designate three members and the agency head shall designate three members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one alternate. Each committee shall select a chairperson from among its members at each meeting. The chairpersonship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

Section 4.
The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XIII – FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.

ARTICLE XIV - APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XV – SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

***WHEREFORE*, we have hereunto set our hands and seals this 26th day of June, 2006.**

RE: 2005-2006 FADBA Agreement

Dear Mr. Rosenzweig:

This is to confirm our mutual understanding and agreement regarding the above Agreement which was negotiated in the context of the April 15, 1986 effective date for the application of the Fair Labor Standards Act (*FLSA*) to State and Local governments:

Notwithstanding the provisions of the FLSA, Supervising Fire Alarm Dispatchers, Level I shall be compensated in the same manner as Fire Alarm Dispatchers for hours of work.

In the event that the FLSA is further modified by amendment, regulation or interpretation in a manner that impacts upon the costing of this Agreement, either party may reopen this Agreement for the limited and sole purpose of determining the cost impact of such modification under the above Agreement.

In the event that the Fire Department makes a change in the configuration of the work schedule which has more than a negligible impact upon the costing of this Agreement in light of the FLSA, the Union may reopen this Agreement for the limited and sole purpose of determining the cost impact of such modification under the above Agreement, and shall have the right to bargain on that impact.

In no event shall any such reopening result in a cost that exceeds the costs previously agreed upon.

Dispatcher Directive #84-7 (Revised) dated December 3, 1985, shall be amended in part to read:

The availability of personnel on a city-wide basis will be the criterion upon which approval will be made. SFAD Level I requests will be approved to a level of one SFAD Level I below the scheduled city-wide SFAD, Level I manning for each tour. SFADs, Level I on terminal leave will not be counted as part of the scheduled manning.

If the above accords with your understanding, please execute the signature line below.

Very truly yours,
JAMES F. HANLEY

Dear Mr. Rosenzweig:

This is to confirm our mutual understanding and agreement regarding the changes in the adjusted factor with respect to the payment of the Night Shift Differential.

1. Effective June 1, 2000, Employees in the title of Fire Alarm Dispatcher and Supervising Fire Alarm Dispatcher, Level I shall continue to receive the adjusted factor with respect to the payment of Night Shift Differential of .0502.

2. Effective August 31, 2002, Employees in the title of Fire Alarm Dispatcher and Supervising Fire Alarm Dispatcher, Level I shall receive the adjusted factor with respect to the payment of Night Shift Differential of .0593.

3. Effective August 31, 2002, Employees in the title of Supervising Fire Alarm Dispatcher, Level II shall receive the adjusted factor with respect to the payment of Night Shift Differential of .0593 in lieu of any other shift differential.

If the above accords with your understanding, please execute the signature line below.

Re: 2005-2006 FADBA Agreement

Dear Mr. Rosenzweig:

This is to confirm the parties' mutual understanding and agreement regarding the "Joint Labor Management Committee on Productivity Initiatives" referenced in the side letter to the 2005-2006 FADBA Agreement dated December 8, 2004.

Nothing contained in the current 2005-2006 FADBA Agreement shall preclude the parties from continuing discussions to identify, review, recommend and develop initiatives that will generate workplace savings, maximize the potential of the City workforce and ensure the provision of essential services, while at the same time providing increased compensation for the City workforce. The parties agree, however, that any such initiatives and/or programs developed by the Committee must be the result of unanimous agreement.

To the extent an initiative and/or program is mutually agreed upon, but there is a dispute as to the amount of savings generated by the implementation of such initiative, or in the event the savings generated by a mutually agreed upon program is not paid pursuant to this agreement, a party may file for final and binding arbitration pursuant to the grievance procedure contained in the parties' collective bargaining agreement.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,
James F. Hanley

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT, pursuant to Section 1045-j(3) of the Public Authorities Law, after a public hearing was held on June 13, 2006, in accordance with the provisions of such law, the New York City Water Board (the "Board"), at its meeting held on June 23, 2006, adopted a resolution approving an increase in the rate charged for water provided and made available to customers of the Water Supply System of the City of New York (the "System") that are located outside of the City. The basis for this increase is contained in a report prepared by the Amawalk Consulting Group, LLC, Rate Consultant to the Board, which report sets forth the unit cost of water based on the costs of water supply works and facilities located north of the City for the fiscal year commencing July 1, 2006. The following rate changes became effective as of July 1, 2006:

The regulated rate for water provided to users outside the City from either the Croton or Catskill/Delaware systems which does not exceed the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York has been increased from $617.79 per million gallons ("MG") to $691.91 per MG; and

The rate for water supply provided in excess of the allowance quantities set forth in the Section 24-360 of the Administrative Code of the City of New York is continued at a level equal to the in-city metered water rate which also has been increased from $2,205.88 to $2,419.79 per MG.

Any member of the public who would like additional information regarding this matter should contact Kevin Kunkle, New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Flushing, New York 11373 (718) 595-3601.

COURT NOTICE ACQUISITION MAP FOR EXTENSION OF THE NO. 7 SUBWAY LINE

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR.*

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

AGENCY RULES

SMALL BUSINESS SERVICES

■ **NOTICE**

NOTICE OF INTENTION TO AMEND TITLE 66 OF THE RULES OF THE CITY OF NEW YORK TO CREATE A MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISE PROGRAM

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Small Business Services (the "Commissioner") pursuant to sections 1043, 1301 and 1305 of the New York City Charter, the Department of Small Business Services hereby proposes promulgation of amendments to Chapter 11 of Title 66 of the Rules of the City of New York, which govern the Division of Economic and Financial Opportunity, to create a minority- and women-owned business enterprise program pursuant to section 1304 of chapter 56 of the New York City Charter and section 6-129 of the Administrative Code of the City of New York.

Written comments regarding this proposed amendment may be sent to Anthony Dell'Olio, Deputy General Counsel, Department of Small Business Services at 110 William Street, 8th Floor, New York, New York 10038, on or before August 11, 2006. A public hearing on the proposed amendment to the Rules will be held on August 15, 2006 at 110 William Street, 4th floor, at 10:00 am. Persons who request that a sign language interpreter or other form of reasonable accommodation for disability be provided at the hearing are asked to notify Anthony Dell'Olio, by August 8, 2006. Written comments and a summary of the oral comments will be available for public inspection within a reasonable time after receipt between the hours of 9:00 a.m. and 4:30 p.m. at the office of the General Counsel. The following proposed amendment was not included in this agency's regulatory agenda.

Proposed Rule Amendment

New material is indicated by underlining. Deleted material is indicated by [bracketing].

Section 1. Section 11-21 of title 66 of the rules of the city of New York is amended to read as follows:

Definitions.
As used in these rules, the following terms shall have the following meanings:

Applicant. "Applicant" means a business enterprise which has applied for certification as an MBE and/or WBE.

Audit. "Audit" means an examination of a business enterprise to determine whether the business enterprise is eligible for certification as an MBE and/or WBE, and may include an examination of books, records, physical facilities and interviews of applicants.

Business enterprise. "Business enterprise" means any entity, including a sole proprietorship, partnership or corporation which is authorized to and engages in lawful business transactions in accordance with the laws of New York State.

Certified business. "Certified business" means a business enterprise which has been approved for certification as an MBE or WBE in accordance with the procedures set forth in §11-22 of these rules, subsequent to verification that the business enterprise is owned, operated, and controlled by minority group members as defined in §11-21 of these rules, or women.

Certification letter. "Certification letter" means the letter sent by [DBS] DSBS to an applicant notifying it of its certification as an MBE or WBE.

City. "City" means the City of New York.
Commissioner. "Commissioner" means the Commissioner of the New York City Department of Small Business Services or his or her designee or his or her successor in function.

§ 3. Paragraph (4) of subdivision (d) of § 11-22 of title 66 of the rules of the city of New York is amended to read as follows:

(4) [DBS] DSBS may grant eligible status to any business enterprise eligible under § 11-22 of these rules, and (A) certified as an MBE or WBE by the New York State [Office] Department of Economic Development, Division of Minority and Women's Business Development pursuant to Article 15-A of the New York State Executive Law and any rules or regulations promulgated thereunder, or (B) certified as an MBE or WBE by another governmental or other certifying entity whose minority- and women-owned business enterprise certification criteria are determined by the commissioner to be consistent with the certification criteria set forth in these rules. Unless otherwise determined by the commissioner, the maximum period for which any certification granted by [DBS] DSBS pursuant to this subdivision is valid [only for] shall be the period during which the business enterprise is certified as an MBE and/or WBE with the original certifying [governmental] entity;

§ 3. Subdivision (b) of § 11-23 of title 66 of the rules of the city of New York is amended to read as follows:

(b) An applicant shall submit such information or documentation as may be required by [DBS] DSBS in connection with its certification as an MBE or WBE. Failure to submit such information or documentation may result in the rejection or revocation of such certification.

§ 4. Subdivision (c) of § 11-23 of title 66 of the rules of the city of New York is amended to read as follows:

(c) If a certification application is received by [DBS]

DSBS and required documents are missing, questions are unanswered or the certification application is not properly notarized, [DBS] DSBS shall send to the applicant, within [forty-two (42)] 45 days of the initial date stamped on the certification application, a notice of status and deficiency (the "Notice"), stating any deficiency arising from missing documents, unfinished questions or deficiencies in notarization. An applicant may cure the noticed deficiency by providing [DBS] DSBS with documents or information requested in the Notice, within [twenty-eight (28)] 30 days of the date of the Notice.

§ 5. Subdivision (d) of § 11-23 of title 66 of the rules of the city of New York is amended to read as follows:

(d) When the applicant cures a noticed deficiency, pursuant to procedures set forth in § 11-23(c) of these rules, [DBS] DSBS [has] shall have an additional [forty-two (42)] forty-five (45) days to advise the applicant of any further deficiency which may be cured in accordance with § 11-23(c) of these rules.

§ 6. Subdivision (b) of § 11-24 of title 66 of the rules of the city of New York is amended to read as follows:

(b) In the event certification is approved by the director, the applicant will be sent a certification letter and will be certified as an MBE or WBE for [two (2)] five years from the date of the certification letter or until notified [for] of the need to reapply at the director's request, whichever is earlier, so long as the applicant submits to the Division an affidavit of no material change in ownership or control annually.

§ 7. Section 11-25 of title 66 of the rules of the city of New York is amended to read as follows:

A business entity denied certification or re-certification as an MBE or WBE shall be given written notice by [DBS] DSBS of the grounds for such denial and an opportunity to appeal such denial in writing to the commissioner. Such appeal or a request for an extension to file an appeal[,] must be received by the commissioner no later than thirty (30) days after the date of the notice denying the business enterprise's certification or re-certification. The commissioner may extend the period in which to initiate an appeal for good cause shown. Such appeal shall include, at a minimum, a description of the reasons why the decision to deny certification or re-certification is in error and provide evidence to support its appeal. Such person shall provide such other documentation or information as is requested by the commissioner, in his or her sole discretion. The commissioner shall render a written determination no later than sixty days after receipt of the appeal, unless the time to render a determination has been extended upon agreement of the commissioner and the business enterprise. If the commissioner's determination is not made within the prescribed sixty days after receipt of the appeal or within the agreed upon extended time period, then the appeal is deemed denied. The decision of the commissioner granting or denying such appeal shall constitute the final agency determination.

§ 8. Subdivision (a) of § 11-26 of title 66 of the rules of the city of New York is amended to read as follows:

(a) A certified business must notify [DBS] DSBS within [forty-two (42)] forty-five (45) days of any material change in the information contained in the [original] certification application. A material change may include, but is not limited to, a change in any of the following: ownership; address; officers; or services provided by the certified business. If a material change occurs, a review may be conducted by [DBS] DSBS and certification may be revoked. If an MBE's or WBE's certification is revoked, such business enterprise may reapply for certification at any time following revocation. If a certified business fails to notify the director of such material change, the director may in his or her discretion, revoke the certification of an MBE or WBE for a period of up to [two (2)] five years.

§ 9. Subdivision (b) of § 11-26 of title 66 of the rules of the city of New York is amended to read as follows:

(b) [DBS] DSBS, upon having reason to believe or upon receiving allegations indicating that a certified business enterprise is not eligible for certification as an MBE or WBE, may meet with minority group members or women claiming ownership and control of the certified business and/or conduct an audit of such business enterprise, and shall take the following actions:

§ 10. Subdivision (e) of § 11-26 of title 66 of the rules of the city of New York is amended to read as follows:

(e) If at any time [DBS] DSBS has reason to believe that an applicant or certified business has willfully and knowingly provided incorrect information or made false statements, it shall refer the matter to the Department of Investigation for investigation. Falsification of any document by an applicant or a certified business may lead to the imposition of civil and criminal penalties as provided by law and contract, de-certification as an MBE or WBE and debarment from City contracts.

§ 11. Title 66 of the rules of the city of New York is amended by adding a new subchapter D to read as follows:

Black Americans	12.63% of total annual agency expenditures on such subcontracts
Asian Americans	9.47% of total annual agency expenditures on such subcontracts
Hispanic Americans	9.06% of total annual agency expenditures on such subcontracts

For professional services subcontracts under one million dollars:

Race/gender group:	Participation goal:
Black Americans	9% of total annual agency expenditures on such subcontracts
Hispanic Americans	5% of total annual agency expenditures on such contracts
Caucasian females	16.5% of total annual agency expenditures on such subcontracts

(2) Agencies shall develop agency utilization plans pursuant to section 11-64 of this subchapter. Agencies shall seek to ensure substantial progress toward the attainment of these goals in as short a time as practicable.

(3) The citywide goals shall not be summarily adopted as goals for individual procurements; rather, as set forth in section 11-xx of this subchapter, goals for such procurements may be set at levels higher, lower, or the same as the citywide goals.

(4) Beginning January 29, 2007 and every two years thereafter, the commissioner, in consultation with the city chief procurement officer, shall, for each industry classification and each minority group, review and compare the availability rates of firms owned by minorities and women to the utilization rates of such firms in agency contracts and subcontracts, and shall on the basis of such review and any other relevant information, where appropriate, revise by rule the citywide participation goals set forth in this section. In making such revision, the commissioner shall consider the extent to which discrimination continues to have an impact on the ability of minorities and women to compete for city contracts and subcontracts. The commissioner shall submit the results of such review and any proposed revisions to the participation goals to the speaker of the council at least sixty days prior to publishing a proposed rule that would revise participation goals.

§ 11-62. Responsibilities of the division. (1) The division shall create and maintain and periodically update directories by industry classification of MBEs and WBEs which it shall supply to all agencies, post on its website and on other relevant city websites and make available for dissemination and/or public inspection at its offices and other locations within each borough.

(2) The division shall make its resources available to assist agencies and contractors in (i) determining the availability of MBEs and WBEs to participate in their contracts as prime contractors and/or subcontractors; and (ii) identifying opportunities appropriate for participation by MBEs and WBEs in contracts.

(3) The division shall develop and maintain relationships with organizations representing contractors, including MBEs and WBEs, and solicit their support and assistance in efforts to increase participation of MBEs and WBEs in city procurement.

(4) The division shall coordinate with city and state entities that maintain databases of MBEs and WBEs and work to enhance city availability data and directories.

(5) The division shall keep agency M/WBE officers informed of conferences, contractor fairs, and other services that are available to assist them in pursuing the objectives of this section.

(6) The division shall conduct, coordinate and facilitate technical assistance and educational programs for MBEs and WBEs and other contractors designed to enhance participation of MBEs and WBEs in city procurement. The division shall further develop a clearinghouse of information on programs and services available to MBEs and WBEs.

(7) The division shall develop standardized forms and reporting documents for agencies and contractors to facilitate the reporting requirements of this section.

(8) The division shall direct and assist agencies in their efforts to increase participation by MBEs and WBEs in any city-operated financial, technical, and management assistance program.

(9) The division shall study and recommend to the commissioner methods to streamline the M/WBE certification process.

(10) Each fiscal year the division, in consultation with the city chief procurement officer, shall audit at least 5% of all contracts for which utilization plans are established in accordance with section 11-66 of this subchapter and 5% of all contracts awarded to MBEs and WBEs to assess compliance with this subchapter. All solicitations for contracts for which utilization plans are to be established shall include notice of potential audit

(11) The division shall assist agencies in identifying and seeking ways to reduce or eliminate practices such as bonding requirements or delays in payment by prime contractors that may present barriers to competition by MBEs and WBEs.

§ 11-63. Responsibilities of agency M/WBE officers. Each agency head shall designate a deputy commissioner or other executive officer to act as the agency M/WBE officer who shall be directly accountable to the agency head concerning the activities of the agency in carrying out its responsibilities pursuant to this section. The duties of the M/WBE officer shall include, but not be limited to:

(i) creating the agency's utilization plan in accordance with section 11-64 of this subchapter;
(ii) acting as the agency's liaison with the division;
(iii) acting as a liaison with organizations and/or associations of MBEs and WBEs, informing such organizations and/or associations of the agency's procurement procedures, and advising them of future procurement opportunities;
(iv) ensuring that agency bid solicitations and requests for proposals are sent to MBEs and WBEs in a timely manner, consistent with this section and rules of the procurement policy board;
(v) referring MBEs and WBEs to technical assistance services available from agencies and other organizations;
(vi) reviewing requests for waivers and/or modifications of participation goals and contractor utilization plans in accordance with paragraph 13 of section 11-66 of this subchapter;
(vii) working with the division and city chief procurement officer in creating directories of certified MBEs and WBEs. In fulfilling this duty, the agency M/WBE officer shall track and record each contractor that is an MBE or WBE and each subcontractor hired pursuant to such officer's agency contracts that is an MBE or WBE, and shall share such information with the commissioner and the city chief procurement officer;
(viii) for contracts for which utilization goals have been established pursuant to section 11-66 of this subchapter, monitoring each contractor's compliance with its utilization plan by appropriate means, which shall include, but need not be limited to, job site inspections, contacting MBEs and WBEs identified in the plan to confirm their participation, and auditing the contractor's books and records;
(ix) monitoring the agency's procurement activities to ensure compliance with its agency utilization plan and progress towards the participation goals as established in such plan; and
(x) providing to the city chief procurement officer information for the reports required in section 11-69 of this subchapter and providing any other plans and/or reports required pursuant to this subchapter or requested by the city chief procurement officer.

§ 11-64. Agency utilization plans. (1) Beginning May 15, 2006, and on April 1 of each year thereafter, each agency which has made procurements in excess of five million dollars during the fiscal year which ended on June 30 of the preceding calendar year shall submit an agency utilization plan for the fiscal year commencing in July of the year when such plan is to be submitted to the commissioner. Upon approval by the commissioner such plan shall be submitted to the speaker of the council. Each such plan shall, at a minimum, include the following:

(i) the agency's participation goals for MBEs and WBEs for the year;
(ii) an explanation for any agency goal that is different than the participation goal for the relevant group and industry classification as determined pursuant to section 11-61 of this subchapter;
(iii) a list of the names and titles of agency personnel responsible for implementation of the agency utilization plan;
(iv) methods and relevant activities proposed for achieving the agency's participation goals; and
(v) any other information which the agency or the commissioner deems relevant or necessary.

(2) An agency utilization plan may be amended from time to time, in consultation with the division to reflect changes in the agency's projected expenditures or other relevant circumstances and resulting changes in such agency's participation goals. Such amendments shall be submitted to the commissioner, the city chief procurement officer and the speaker of the council at least thirty days prior to implementation.

(3) In planning its procurement activities over the course of the fiscal year, each agency subject to this section shall consider how it will achieve the goals set forth in its approved agency utilization plan. This determination should be guided by the agency's knowledge of the market involved in the procurement, and the level of progress it has made during the fiscal year toward meeting its goal for the relevant category of procurement.

§ 11-65. Achieving agency participation goals. (1) Each agency head shall be directly accountable for the goals set forth in his or her agency's utilization plan.
(2) Each agency shall make all reasonable efforts to meet the participation goals established in its agency utilization plan. Agencies shall, at a minimum, use the following methods to achieve participation goals:

(i) Agencies shall engage in outreach activities to encourage MBEs and WBEs to compete for all facets of their procurement activities, including contracts awarded by negotiated acquisition, emergency and sole source contracts, and each agency shall seek to utilize MBEs and/or WBEs for all types of goods, services and construction they procure.
(ii) Agencies shall encourage eligible businesses to apply for certification as MBEs and WBEs and inclusion in the directories of MBEs and WBEs. Agencies shall also encourage MBEs and WBEs to have their names included on their bidders lists, seek pre-qualification where applicable, and compete for city business as contractors and subcontractors. Agencies are encouraged to advertise procurement opportunities in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations, and send written notice of specific procurement opportunities to minority and women's business organizations.
(iii) All agency solicitations for bids or proposals shall include information referring potential bidders or proposers to the directories of MBEs and WBEs prepared by the division.
(iv) In planning procurements, agencies shall consider the effect of the scope, specifications and size of a contract on opportunities for participation by MBEs and WBEs.
(v) For construction contracts, agencies shall consider whether to enter into separate prime contracts for construction support services including, but not limited to, trucking, landscaping, demolition, site clearing, surveying and site security.
(vi) Prior to soliciting bids or proposals for contracts valued at over ten million dollars, an agency shall submit the bid or proposal to the city chief procurement officer for a determination whether it is practicable to divide the proposed contract into smaller contracts and whether doing so will enhance competition for such contracts among MBEs and WBEs and other potential bidders or proposers. The agency shall follow the instructions of the city chief procurement officer in cases where he or she determines that it is both practicable and advantageous in light of cost and other relevant factors to divide such contracts into smaller contracts.
(vii) Agencies shall examine their internal procurement policies, procedures and practices and, where practicable, address those elements, if any, that may negatively affect participation of MBEs and WBEs in city procurement.
(viii) Agency M/WBE officers shall, in accordance with guidelines established by the city chief procurement officer, establish a process for quarterly meetings with MBEs and WBEs to discuss what the agency looks for in evaluating bids and proposals.
(ix) Agencies shall encourage prime contractors to enter joint venture agreements with MBEs and WBEs.

§ 11-66. Participation goals for construction and professional services contracts. (1) Prior to issuing the solicitation of bids or proposals for individual construction and professional services contracts, agencies shall establish a target subcontracting percentage for the contract and participation goals for MBEs and WBEs. The "target subcontracting percentage" for the contract shall represent the percentage of the total contract which the agency anticipates a typical prime contractor in the relevant industry would in the normal course of business award to one or more subcontractors for amounts under one million dollars The participation goals established for a contract shall represent a percentage of the total dollar value of all subcontracts for amounts under one million dollars pursuant to the award. Such goals may be greater than, less than or the same as the relevant citywide goal or goals established pursuant to section 11-61 of this subchapter. In determining the participation goals for a particular contract, an agency shall consider the following factors:

(i) the scope of work;
(ii) the availability of MBEs and WBEs able to perform the particular tasks required in the contract;
(iii) the extent to which the type of work involved in the contract presents subcontracting opportunities for amounts under one million dollars;
(iv) the agency's progress to date toward meeting its annual participation goals through race-neutral, gender-neutral and other means, and the agency's expectations as to the effect such methods will have on participation of MBEs and WBEs in the agency's future contracts;and(v) any other factors the contracting agency deems relevant.

(2) A contracting agency shall not be required to establish participation goals

(i) for procurements described in section 11-74 of this subchapter; or
(ii) when the agency has already attained the relevant goal in its annual utilization plan, or expects that it will attain such goal without the use of such participation goals.

(3) For each contract in which a contracting agency has established participation goals, such agency shall state in the solicitation for such contract that bidders and/or proposers shall be required to agree as a material term of the contract that, with respect to the total amount of the contract to be awarded to one or more subcontractors pursuant to subcontracts for amounts under one million dollars, the contractor shall be subject to participation goals unless such goals are modified by the agency in accordance with this section.

(4) For each contract in which participation goals are established, the agency shall include in its solicitation and/or bidding materials, a referral to the directories prepared by the division pursuant to section 11-62 of this subchapter.

(5) For each contract for which participation goals are established the contractor shall be required to submit with its bid or proposal, a utilization plan indicating the percentage of the work it intends to subcontract, and the percentage of work it intends to award to subcontractors for amounts under one million dollars, and, in cases where the contractor intends to award subcontracts for amounts under one million dollars, a description of the type and dollar value of work designated for participation by MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end. When the utilization plan indicates that the bidder or proposer does not intend to award the target subcontracting percentage, the bid or proposal shall not be deemed responsive unless the agency has granted a pre-award waiver pursuant to subdivision 12 of this section.

(6) For each contract for which a utilization plan has been submitted, a material term of the contract shall be that, with respect to the total amount of the contract to be awarded to one or more subcontractors pursuant to subcontracts for amounts under one million dollars, the contractor shall be subject to participation goals unless such goals are modified by the agency in accordance with this section

(7) For each contract for which a utilization plan has been submitted, the contracting agency shall require that within thirty days of the issuance of notice to proceed, the contractor submit a list of persons to which it intends to award subcontracts within the next twelve months, and a written confirmation that the contractor has notified each MBE or WBE included in such list. For multi-year contracts, the contractor shall submit such a list of persons and written confirmation of notification to the agency annually. In the event that a contracting agency disapproves a contractor's selection of a subcontractor or subcontractors, the contracting agency shall allow such contractor a reasonable time to propose alternate subcontractors.

(8) For each contract for which a utilization plan has been submitted, the contractor shall, with each voucher for payment, and/or periodically as the agency may require, submit statements, certified under penalty of perjury, which shall include, but not be limited to, the total amount paid to subcontractors (including subcontractors that are not MBEs or WBEs); the names, addresses and contact numbers of each MBE or WBE hired as a subcontractor pursuant to such plan as well as the dates and amounts paid to each MBE or WBE. The contractor shall also submit, along with its voucher for final payment, the total amount paid to subcontractors (including subcontractors that are not MBEs or WBEs); and a final list, certified under penalty of perjury, which shall include the name, address and contact information of each subcontractor that is an MBE or WBE hired pursuant to such plan, the work performed by, and the dates and amounts paid to each

(9) If payments made to, or work performed by, MBEs or WBEs are less than the amount specified in the contractor's utilization plan, the agency shall take appropriate action in accordance with section 11-72 of this subchapter, unless the contractor has obtained a modification.

(10) When advertising a solicitation for bids or proposals for a contract for which a participation goal has been established, agencies shall include in the advertisement a general statement that the contract will be subject to participation goals for MBEs and/or WBEs.

(11) In the event that a contractor with a contract that includes a utilization plan submits a request for a change order the value of which exceeds ten percent of such contract, the agency shall establish participation goals as if for a new contract for the work to be performed pursuant to such change order.

(12) Pre-award waiver. If the level of subcontracting set forth in a utilization plan is less than the target subcontracting percentage, the bidder or proposer shall submit a request to the contracting agency, prior to the deadline for such requests established by the contracting agency as indicated in the invitation to bid or propose, for a full or partial waiver of the targeted subcontracting percentage. Such request shall include documentation to support the bidder's or proposer's capacity to perform the contract without any subcontracting, or to perform the contract without awarding the amount of subcontracts for under one million dollars represented by the targeted subcontracting percentage. (i) Subject to paragraph (ii) of this subdivision, the contracting agency may grant a full or partial waiver of the target subcontracting percentage to a bidder or proposer who demonstrates that it has legitimate business reasons for proposing the level of subcontracting in its utilization plan. The contracting agency shall make its determination in light of factors which shall include, but not be limited to, whether the bidder or proposer has the capacity and the bona fide intention to perform the contract without any subcontracting, or to perform the contract without awarding the amount of subcontracts for under one million dollars represented by the target subcontracting percentage. In making such determination, the agency may consider whether the utilization plan is consistent with past subcontracting practices of the bidder or proposer, and whether the bidder or proposer has made good faith efforts to identify portions of the contract that it intends to subcontract

The administrative code provides that within thirty days of the registration of a contract, the city chief contracting officer shall notify the council of any such waiver granted with respect to the contract.

(ii) The administrative code provides that the agency M/WBE officer shall provide written notice of requests for a full or partial waiver of the target subcontracting percentage to the division and the city chief procurement officer and shall not approve any such request without the approval of the city chief procurement officer, provided that the city chief procurement officer, upon adequate assurances of an agency's ability to administer its utilization plan in accordance with the provisions of this section, may determine that further approval from the city chief procurement officer is not required with respect to such requests for an agency's contracts or particular categories of an agency's contracts. The administrative code provides that the city chief procurement officer shall notify the speaker of the council and the division in writing within thirty days of the registration of the contract for a full or partial waiver of a target subcontracting percentage, provided that where an agency has been authorized to grant waivers without approval of the chief procurement officer, such notice shall be provided to the speaker of the council and the division by the agency. Such notification shall include, but not be limited to, the name of contractor, the original target subcontracting percentage, the waiver request, including all documentation, and an explanation for the approval of such request.

(13) Modification of utilization plans. (i) A contractor may request modification of its utilization plan after the award of a contract. Subject to paragraph (ii) of this subdivision, an agency may grant such request if it determines that such contractor has established, with appropriate documentary and other evidence, that it made all reasonable, good faith efforts to meet the goals set by the agency for the contract. Prior to granting such request, an agency shall consult with the division. In making such determination, the agency shall consider evidence of the following efforts, as applicable, along with any other relevant factors:

(A) The contractor advertised opportunities to participate in the contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations;

(B) The contractor provided notice of specific opportunities to participate in the contract, in a timely manner, to minority and women's business organizations;

(C) The contractor sent written notices, by certified mail or facsimile, in a timely manner, to advise MBEs and WBEs that their interest in the contract was solicited;

(D) The contractor made efforts to identify portions of the work that could be substituted for portions originally designated for participation by MBEs and/or WBEs in the contractor utilization plan, and for which the contractor claims an inability to retain MBEs or WBEs;

(E) The contractor held meetings with MBEs and/or WBEs prior to the date their bids or proposals were due, for the purpose of explaining in detail the scope and requirements of the work for which their bids or proposals were solicited. Documentation of such meetings shall include the dates, times, and locations of such meetings, meeting announcements and invitations, meeting agendas, documents distributed at such meetings, and attendance lists;

(F) The contractor made efforts to negotiate with MBEs and/or WBEs as relevant to perform specific subcontracts, or act as suppliers or service providers. Documentation of such negotiation shall include the names, addresses, and telephone numbers of MBEs and/or WBEs that were solicited; the date of each such solicitation; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to the reasons that agreements could not be reached with MBE and/or WBEs to perform the work.

(G) Timely written requests for assistance made by the contractor to the agency M/WBE liaison officer and to the division, as well as documented requests for assistance made by the contractor to organizations that provide assistance in the recruitment and placement of MBEs and/or WBEs, including but not limited to, minority and/or women community organizations, minority and/or women contractors' groups; local, state and federal business assistance offices;

(H) Description of how recommendations made by the division, the contracting agency, and other organizations described in subparagraph (G) of this paragraph were acted upon and an explanation of why action upon such recommendations did not lead to the desired level of participation of MBEs and/or WBEs.

(I) The contractor rejected bids byMBEs and/or WBEs for sound reasons based upon a thorough investigation of their capabilities. The MBE's or WBE'S political or social affiliations or lack thereof shall not be a legitimate reason for rejecting or not soliciting bids to meet the goals.

(J) The contractor designated portions of the work to be performed by MBEs and/or WBEs in order to increase the likelihood that the goals will be met, including but not limited to, breaking out the work under the contract into feasible units to facilitate MBE and/or WBE participation, even when the contractor might otherwise have preferred or been able to perform the work with its own organization.

(K) The contractor made efforts to assist interested MBEs and/or WBEs in obtaining bonding, lines of credit, or insurance as required by the City or the contractor.

(L) The contractor made efforts to assist interested MBEs and/or WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

(ii) The administrative code provides that the agency M/WBE officer shall provide written notice of requests for such modifications to the division and the city chief procurement officer and shall not approve any such request for modification without the approval of the city chief procurement officer, provided that the city chief procurement officer, upon adequate assurances of an agency's ability to administer its utilization plan in accordance with the provisions of this section, may determine that further approval from the city chief procurement officer is not required with respect to such requests for an agency's contracts or particular categories of an agency's contracts. The administrative code provides that the city chief procurement officer, shall notify the speaker of the council and the division in writing within seven days of the approval of a request for modification of a utilization plan, provided that where an agency has been authorized to grant modifications without approval of the chief procurement officer, such notice shall be provided to the speaker of the council and the division by the agency. Such notification shall include, but not be limited to, the name of the contractor, the original utilization plan, the modification request, including all documentation, and an explanation for the approval of such request.
(iii) The agency M/WBE officer shall provide written notice to the contractor of its determination that shall include the reasons for such determination.

(14) Substitution of the MBE and/or WBE subcontractor whose participation was necessary to achieve a participation goal shall be permitted only with approval of the contracting agency, and only in the following circumstances:

(A) Unavailability after receipt of reasonable notice to proceed;

(B) Poor performance;

(C) Financial incapacity;

(D) Refusal by the subcontractor to honor the bid or proposal price or scope;

(E) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

(F) Failure of the subcontractor to meet insurance, licensing, or bonding requirements;

(G) The subcontractor's withdrawal of its bid or proposal;

(H) Decertification of the subcontractor as an MBE or WBE;

(I) The contractor becomes aware of information negatively reflecting on the subcontractor's business integrity;

(J) Other circumstances allowed by the agency after consultation with the division.

Where the contractor has established the basis for substitution to the satisfaction of the contract compliance officer, it shall make good faith efforts to substitute with a subcontractor which can be counted toward achievement of the relevant goal. If the contractor plans to hire a subcontractor on any scope of work that was not previously disclosed in the compliance plan, the contractor shall obtain approval of the agency M/WBE officer and must make good faith efforts to ensure that MBEs and/or WBEs have a reasonable opportunity to bid on the new scope of work.

(15) For each contract in which a contracting agency has established participation goals, the agency shall evaluate and assess the contractor's performance in meeting such goals. Such evaluation and assessment shall be a part of the contractor's overall contract performance evaluation required pursuant to section 333 of the charter.

§ 11-67. Determining credit for MBE and WBE participation. (1) An agency's achievement of its annual goals shall be calculated as follows:

(i) The total dollar amount that an agency has paid or is obligated to pay to a prime contractor which is an MBE or WBE may be credited toward the relevant goal.
(ii) The total dollar amount that a prime contractor has paid or is obligated to pay to a subcontractor which is an MBE or WBE may be credited toward the relevant goal.
(iii) For requirements contracts, credit may be given for the actual dollar amount paid under the contract
(iv) Where one or more MBEs or WBEs is participating in a qualified joint venture, the dollar amount of the percentage of total profit to which MBEs or WBEs are entitled pursuant to the joint venture agreement shall be credited toward the relevant goal
(v) No credit shall be given for participation in a contract by an MBE or WBE that does not perform a commercially useful function.
(vi) No credit shall be given for the participation in a contract by any company that has not been certified as an MBE or WBE in accordance with section 1304 of the charter.
(vii) In the case of a contract for which the contractor is paid on a commission basis, the dollar amount of the contract may be determined on the basis of the commission earned or reasonably anticipated to be earned under the contract.
(viii) No credit shall be given to a contractor for participation in a contract by a graduate MBE or WBE.

(2) A contractor's achievement of the goals established in its utilization plan shall be calculated in the same manner as described for calculating the achievement of agency utilization goals as described in subdivision (1) of this section; provided that no credit shall be given to the contractor for the participation of a company that is not certified in accordance with section 1304 of the charter before the date that the agency approves the subcontractor.

§ 11-68. Small purchases. (1) Each agency shall, consistent with the participation goals established in section 11-61 of this subchapter and such agency's M/WBE utilization plan, establish goals for purchases valued at or below five thousand dollars which shall be made from MBEs and/or WBEs.

(2) Whenever an agency solicits bids or proposals for small purchases pursuant to section three hundred fourteen of the charter, the agency shall maintain records identifying the MBEs and WBEs it solicited, which shall become part of the contract file.

§ 11-69. Compliance reporting. (1) The administrative code provides that the city chief procurement officer, in consultation with the division shall prepare and submit semiannual reports to the speaker of the council as described in this section. A preliminary report containing information for the fiscal year in progress shall be submitted to the speaker of the council by April 1, 2007, and annually thereafter, and a final report containing information for the preceding fiscal year shall be submitted to the speaker of the council by October 1, 2007 and annually thereafter. The reports, which shall also be posted on the division's website, shall contain the following information, disaggregated by agency:

(i) the number and total dollar value of contracts awarded, disaggregated by industry classification, provided that contracts for amounts under five thousand dollars need not be disaggregated by industry;
(ii) the number and total dollar value of contracts awarded to MBEs and WBEs, disaggregated by minority and gender group and industry classification, provided that contracts for amounts under five thousand dollars need not be disaggregated by industry;
(iii) the total number and total dollar value of contracts awarded valued at less than five thousand dollars and the total number and total dollar value of such contracts awarded to MBEs and WBEs, disaggregated by minority and gender group;
(iv) the total number and total dollar value of contracts awarded valued at between five thousand and one hundred thousand dollars and the total number and total dollar value of such contracts awarded to MBEs and WBEs, disaggregated by minority and gender group and industry classification;
(v) the total number and total dollar value of contracts awarded valued at between one hundred thousand dollars and one million dollars and the total number and total dollar value of such contracts awarded to MBEs and WBEs, disaggregated by minority and gender group and industry classification;
(vi) the total number and total dollar value of contracts awarded valued at over one million dollars and the total number and total dollar value of such contracts awarded to MBEs and WBEs, disaggregated by minority and gender group and industry classification;
(vii) for those contracts for which an agency set participation goals in accordance with section 11-66 of this subchapter:

A. the number and total dollar amount of such contracts disaggregated by industry classification;

B. the number and total dollar value of such contracts that were awarded to qualified joint ventures and the total dollar amount attributed to the MBE or WBE joint venture partners, disaggregated by minority and gender group and industry classification;

C. the number and total dollar value of subcontracts entered into pursuant to such contracts and the number and total dollar amount of such subcontracts awarded to MBEs and WBEs, disaggregated by minority and gender group and industry classification; and

D. a list of the requests for waiver or modification of participation requirements for such contracts made pursuant to subdivisions 11 and 12 of section 11-66 of this subchapter and the determinations made with respect to such requests, and the number and dollar amount of those contracts for which such waivers or modifications were granted, disaggregated by industry classification;

(viii) a detailed list of each complaint received pursuant to subdivision 1 of section 11-72 of this subchapter which shall, at a minimum, include the nature of each complaint and the action taken in investigating and addressing such complaint including whether and in what manner the enforcement provisions of subdivision o of this section were invoked and the remedies applied;
(ix) a detailed list of all non-compliance findings made pursuant to subdivision 4 of section 11-72 of this subchapter and actions taken in response to such findings;
(x) the number of firms certified or recertified in accordance with section 1304 of the charter during the six months immediately preceding such report;
(xi) the number and percentage of contracts audited pursuant to subdivision 10 of section 11- of this subchapter and a summary of the results of each audit.
(xii) a summary of efforts to reduce or eliminate barriers to competition as required pursuant to paragraph 11 of section 11-62 of this subchapter;
(xiii) a list of all solicitations submitted to the city chief procurement officer pursuant to paragraph vi of subdivision 2 of section 11-65 of this subchapter and a summary of the determination made regarding each such submission; and
(xiv) any other information as may be required by the commissioner.

(2) The annual reports submitted in October shall, in addition, contain a determination made by the commissioner, as to whether each agency has made substantial progress toward achieving its utilization goals and whether the city has made substantial progress toward achieving the citywide goals established pursuant to section 11-61 of this subchapter. The first three annual reports shall also include detailed information about steps that agencies have taken to initiate and ramp up their efforts to comply with the requirements this section, including but not limited to, demonstrating specific efforts made to comply with section 11-63 of this subchapter.

(3) The data that provide the basis for the reports required by this section shall be made available electronically to the council at the time the reports are submitted.

§ 11-70. Agency compliance. (1) The agency shall submit to the commissioner and the city chief procurement officer such information as is necessary for the city chief procurement officer to complete his or her report as required in section 11-69 of this subchapter. The administrative code provides that the commissioner and the city procurement officer shall review each agency's submissions and whenever it has been determined that an agency is not making adequate progress toward the goals established in its agency utilization plan, the commissioner and the city chief procurement officer shall act to improve such agency's performance, and may take any of the following actions:

(i) require the agency to submit more frequent reports about its procurement activity;
(ii) require the agency to notify the commissioner and the city chief procurement officer, prior to solicitation of bids or proposals for, and/or prior to award of, contracts in any category where the agency has not made adequate progress toward achieving its utilization goals;
(iii) reduce or rescind contract processing authority delegated by the mayor pursuant to sections 317 and 318 of the charter; and
(iv) any other action the city chief procurement officer or the commissioner deem appropriate.

(2) Noncompliance. The administrative code provides that whenever the city chief procurement officer or the commissioner finds that an agency has failed to comply with its duties under this section, he or she shall attempt to resolve such noncompliance informally with the agency head. It further provides that in the event that the agency fails to remedy its noncompliance after such informal efforts, the city chief procurement officer shall submit such findings in writing to the mayor and the speaker of the council, and the mayor shall take appropriate measures to ensure compliance.

(3) Failure by an agency to submit information required by the division or the city chief procurement officer, in accordance with this section, including but not limited to the utilization plan required pursuant to section 11-64 of this subchapter, shall be deemed noncompliance.

§ 11-71. Pre-qualification. An agency establishing a list of pre-qualified bidders or proposers may deny pre-qualification

to prospective contractors who fail to demonstrate in their application for pre-qualification that they have complied with applicable federal, state and local requirements for participation of MBEs and WBEs in procurements. A denial of pre-qualification may be appealed pursuant to applicable procurement policy board rules.

§ 11-72. Enforcement. (1) Any person who believes that a violation of the requirements of section 11-29 of the administrative code of the city of New York or these rules, or any provision of a contract that implements section 11-29 of the administrative code of the city of New York or these rules, including, but not limited to, any contractor utilization plan, has occurred may submit a complaint in writing to the division, the city chief procurement officer and the comptroller. Such complaint shall be signed and dated. The division shall promptly investigate such complaint and determine whether there has been a violation.

(2) Any complaint alleging fraud, corruption or other criminal behavior on, the part of a bidder, proposer, contractor, subcontractor or supplier shall be referred to the commissioner of the department of investigation.

(3) Contract award. (i) When an agency receives a protest from a bidder or proposer regarding a contracting action that is related to section 11-29 of the administrative code of the city of New York or these rules, the agency shall send copies of the protest and any appeal thereof, and any decisions made on the protest or such appeal, to the division and the comptroller.

(ii) Whenever a contracting agency has determined that a bidder or proposer has violated section 11-29 of the administrative code of the city of New York, or these rules, the agency may disqualify such bidder or proposer from competing for such contract and the agency may revoke such bidder's or proposer's prequalification status.

(4) Contract administration. (i) Whenever an agency believes that a contractor or a subcontractor is not in compliance with section 11-29 of the administrative code of the city of New York, these rules, or any provision of a contract that implements section 11-29 of the administrative code of the city of New York or these rules, including, but not limited to any contractor utilization plan, the agency shall send a written notice to the city chief procurement officer, the division and the contractor describing the alleged noncompliance and offering an opportunity to be heard. The agency shall then conduct an investigation to determine whether such contractor or subcontractor is in compliance.

(ii) In the event that a contractor has been found to have violated section 11-29 of the administrative code of the city of New York, these rules, or any provision of a contract that implements section 11-29 of the administrative code of the city of New York or these rules, including, but not limited any contractor utilization plan, the contracting agency shall, after consulting with the city chief procurement officer and the division, determine whether any of the following actions should be taken:

(A) enter an agreement with the contractor allowing the contractor to cure the violation;

(B) revoke the contractor's pre-qualification to bid or make proposals for future contracts;

(C) make a finding that the contractor is in default of the contract;

(D) terminate the contract;

(E) declare the contractor to be in breach of contract;

(F) withhold payment or reimbursement;

(G) determine not to renew the contract;

(H) assess actual and consequential damages;

(I) assess liquidated damages or reduction of fees, provided that liquidated damages may be based on amounts representing costs of delays in carrying out the purposes of the program established by this section, or in meeting the purposes of the contract, the costs of meeting utilization goals through additional procurements, the administrative costs of investigation and enforcement, or other factors set forth in the contract;

(J) exercise rights under the contract to procure goods, services or construction from another contractor and charge the cost of such contract to the contractor that has been found to be in noncompliance; or

(K) take any other appropriate remedy.

(5) To the extent available pursuant to rules of the procurement policy board, a contractor may seek resolution of a dispute regarding a contract related to section 11-29 of the administrative code of the city of New York or these rules. The contracting agency shall submit a copy of such submission to the division.

(6) Whenever an agency has reason to believe that an MBE or WBE is not qualified for certification, or is participating in a contract in a manner that does not serve a commercially useful function, or has violated any provision of section 11-29 of the administrative code of the city of New York or these rules, the agency shall notify the commissioner who shall determine whether the certification of such business enterprise should be revoked.

(7) Statements made in any instrument submitted to a contracting agency pursuant to these rules shall be submitted under penalty of perjury and any false or misleading statement or omission shall be grounds for the application of any applicable criminal and/or civil penalties for perjury. The making of a false or fraudulent statement by an MBE or WBE in any instrument submitted pursuant to these rules shall, in addition, be grounds for revocation of its certification.

(8) A contractor's record in implementing its contractor utilization plan shall be a factor in the evaluation of its performance. Whenever a contracting agency determines that a contractor's compliance with a contractor utilization plan has been unsatisfactory, the agency shall, after consultation with the city chief procurement officer, file an advice of caution form for inclusion in VENDEX as caution data.

(9) Any complaint alleging fraud, corruption or other criminal behavior on the part of a bidder, proposer, contractor, subcontractor or supplier shall in addition be referred to the department of investigation

§ 11-74. Procurements by elected officials and the council. (1) In the case of procurements by independently elected city officials other than the mayor, where these rules provide for any action to be taken by the city chief procurement officer, such action shall instead be taken by such elected officials.

(2) In the case of procurements by the council, where these rules provide for any action to be taken by the city chief procurement officer, such action shall instead be taken by the speaker of the council.

q. Applicability. Agencies shall not be required to apply participation requirements to the following types of contracts :

(i) those subject to federal or state funding requirements which preclude the city from imposing the requirements of this subchapter;
(ii) those subject to federal or state law participation requirements for MBEs and/or WBEs;
(iii) contracts between agencies;
(iv) procurements made through the United States general services administration or another federal agency, or through the New York state office of general services or another state agency, or any other governmental agency.
(v) emergency procurements pursuant to section three hundred fifteen of the charter;
(vi) sole source procurements pursuant to section three hundred twenty-one of the charter
(vii) small purchases as defined pursuant to section three hundred fourteen of the charter; and
(viii) contracts awarded to not-for-profit organizations.

§ 11-75. Comptroller. The comptroller shall randomly examine contracts for which contractor utilization plans are established to assess compliance with such plans. All solicitations for contracts for which contractor utilization plans are to be established shall include notice of potential comptroller examinations.

§12. Subchapter C of chapter 11 of title 66 of the rules of the city of New York is repealed.

§13. These rules shall take effect immediately.

NOTICE OF PROPOSED RATEMAKING

Notice of Opportunity To Comment on Proposed Schedule of Charges for Fire Department Ambulance Service

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Fire Commissioner of the City of New York pursuant to Section 487(f) of the New York City Charter, the New York City Fire Department intends to increase its charges for Fire Department Emergency Medical Service (EMS) ambulance service. New material is underlined and material to be deleted is [bracketed].

A public hearing will be held on Wednesday, August 2, 2006, at 10:30 a.m., in the Auditorium at Fire Department Headquarters at 9 MetroTech Center, Brooklyn, New York 11201-3857. Written comments regarding this ratemaking may be submitted to the Counsel to the Department, at Fire Department Headquarters, by the above date.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify the Counsel to the Department at the foregoing address by Wednesday, July 19, 2006.

The Notice of Proposed Ratemaking, Proposed Schedule of Charges for Fire Department Ambulance Service, and Justification for Proposed Ratemaking, will be available on the Fire Department Internet Home Page at: www.nyc.gov/fdny

The Fire Department proposes to amend its schedule of charges for ambulance service provided by the Fire Department's Emergency Medical Service through the New York City 911 System, as set forth in Appendix A to Title 3 of the Rules of the City of New York (following Chapter 43 thereof), as follows:

Schedule of Charges for Fire Department Ambulance Service
(effective [November 24, 2002] (new effective date))

Type of Service	Charge
Basic Life Support Ambulance	$[420.00] 475.00
[Advanced Life Support Ambulance	$ 535.00]
Advanced Life Support Ambulance Service – Level 1 (ALS1)	$ 600.00
Advanced Life Support Ambulance Service – Level 2 (ALS2)	$ 700.00
Additional Charges:	
– Mileage (distance traveled to hospital)	$[6.00] 7.00/mile
– Provision of Oxygen (as applicable)	$ 50.00

JUSTIFICATION FOR PROPOSED RATEMAKING:

The Fire Department is proposing to increase the amounts it charges patients and insurers for Emergency Medical Service (EMS) ambulance transport service provided through the New York City 911 System, to reflect increased costs and help defray the City's cost of providing these services.

The charges for ambulance transport service were last increased in November 2002. The rates adopted at that time and currently in effect are $420 for an ambulance response (including treatment and transport) by a Basic Life Support (BLS) ambulance staffed by two Fire Department Emergency Medical Technicians; $535 for an ambulance response (including treatment and transport) by an Advanced Life Support (ALS) ambulance staffed by two Fire Department Paramedics; $6.00/per mile for hospital transports; and $50.00 for provision of oxygen.

The Department proposes to increase the rates to continue to bring them more in line with the cost of providing these services. The proposed schedule of charges continues the existing single rate for BLS service, but proposes separate rates for the two levels of ALS service established by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services for Medicare reimbursement, which have become the nationally-accepted standards for ambulance service levels.

ALS1 service comprises all regular ALS ambulance treatment and transport. The ALS2 level of service is limited to treatment and transport requiring certain advanced care, as set forth in Medicare regulations, including manual defibrillation, endotracheal intubation, the insertion of a central venous line, and the intravenous administration of certain medications, such as morphine, diazepam, lidocaine and lasix.

The proposed schedule of charges reflects a 13% increase above the current BLS rate. With respect to the proposed ALS rates, more than 90% of ALS transports involve the provision of ALS1 care, and accordingly the estimated average bill for all ALS transports (ALS1 and ALS2 combined) under the proposed ALS rates would be $605, also an increase of 13% above the current ALS rate.

The proposed 13% increase in BLS and ALS rates is necessitated by increased costs. The most significant cost increases during the relevant time period were the collective bargaining increases for the Fire Department EMS personnel who staff the ambulances, and the very substantial capital investment made by the Fire Department in new communications equipment. The balance of the proposed increase is accounted for by a general increase in non-personnel costs, based on the cost of living index.
This substantial capital investment was made for the purchase, installation and operation, in all Fire Department ambulances, of automatic vehicle locator (AVL) equipment, which utilizes global positioning satellite technology. By providing exact locations for each of the Fire Department's ambulances as they move around the city, this technology will enable the Fire Department's Computer Aided Dispatch system and Fire Department dispatchers to identify more precisely the ambulances best situated to respond to a call for medical assistance, thereby reducing ambulance response time.

The current and proposed charges set forth above are the amounts that the Fire Department would bill for EMS ambulance service. The charges do not necessarily reflect the amounts accepted by the Fire Department as payment for such services from government and private health insurance plans.
The increase in mileage charges is consistent with the mileage rate approved by the Centers for Medicare and Medicaid Services.

Neither the current nor proposed rates apply to emergency medical care provided by Fire Department firefighters as certified first responders. The Fire Department does not charge for such services.

WATER BOARD

■ NOTICE

PUBLIC NOTICE IS HEREBY GIVEN THAT, pursuant to Section 1045-j(3) of the Public Authorities Law, after a public hearing was held on June 13, 2006, in accordance with the provisions of such law, the New York City Water Board (the "Board"), at its meeting held on June 23, 2006, adopted a resolution approving an increase in the rate charged for water provided and made available to customers of the Water Supply System of the City of New York (the "System") that are located outside of the City. The basis for this increase is contained in a report prepared by the Amawalk Consulting Group, LLC, Rate Consultant to the Board, which report sets forth the unit cost of water based on the costs of water supply works and facilities located north of the City for the fiscal year commencing July 1, 2006. The following rate changes became effective as of July 1, 2006:

The regulated rate for water provided to users outside the City from either the Croton or Catskill/Delaware systems which does not exceed the allowance quantities set forth in Section 24-360 of the Administrative Code of the City of New York has been increased from $617.79 per million gallons ("MG") to $691.91 per MG; and
The rate for water supply provided in excess of the allowance quantities set forth in the Section 24-360 of the Administrative Code of the City of New York is continued at a level equal to the in-city metered water rate which also has been increased from $2,205.88 to $2,419.79 per MG.

Any member of the public who would like additional information regarding this matter should contact Kevin Kunkle, New York City Water Board, 59-17 Junction Boulevard, 8th Floor, Flushing, New York 11373, (718) 595-3601.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

BINDING REPORT

BINDING REPORT

ISSUE DATE: 06/09/06	DOCKET #: 055293	SRB #: SRB 06-8760
ADDRESS: 100 OLD SLIP First Precinct Police Station INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 34 / 37

To the Mayor, the Council, and the Commissioner, Department of Cultural Affairs.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for work at the First Precinct Police Station, an individual landmark. The work concerns installing three (3) telecommunications antennas at three wood window mullions, all with a green painted finish and no exposed conduit, which will be located at the west-most portion of the building; and installing associated equipment cabinets on the fifth floor; as shown in drawings labeled "Sprint: NY Police Museum" dated May 25, 2005, and received June 8, 2006, prepared by Saseen Abujawden, PE, existing condition photographs, and proposed condition photo montages, all submitted as components of the application.

In reviewing the proposal, the Commission notes that the designation report describes 100 Old Slip (former First Precinct Police Station; formerly 48 Old Slip), as an Italian Renaissance Palazzo style police station, designed by Hunt & Hunt and built in 1910-11.

With regard to this proposal, the Commission finds that, although the antennas will be visible from points south, west, and north of the building, their mounting location in close proximity to the plane of the wood window mullions, their green painted finish, and their mounting height, will help to minimize their visual obtrusiveness; and that the work will be reversible in nature. Based on these findings, the proposed work is determined to be appropriate to the First Police Precinct Museum Individual Landmark.

The issuance of this permit is contingent upon the condition that the painted finish of the antennas be maintained. The Commission reserves the right to revoke this permit, upon written notice to the applicant, if the painted finish of the antennas is allowed to deteriorate to the point where the antennas no longer blend in with the adjacent window mullions.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Meisha Hunter.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Re: 45-02/16 83rd Street and 45-15 82nd Street

The applicant, H.K. Development Group Ltd. proposes a zoning map amendment for the block fronting the south side of 45th Avenue between 82nd and 83rd Streets, in the Elmhurst section of Community Board 4, Queens. This action would facilitate the development of a new residential building with a commercial base. The proposal seeks to rezone a portion of tax block 1536 from an R6B with a partial C2-3 commercial overlay to an R7A with a C2-3 commercial overlay.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 27, 2007 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 27, 2008 (which is two (2) calendar years from the title vesting date).

Robert Dobruskin, Director (212) 720-3423
Environmental Assessment and Review Division
New York City Department of City Planning

Pursuant to City Environmental Quality Review (CEQR), Mayoral Executive Order No. 91 of 1977, and the regulations of Article 8 of the State Environmental Conservation Law, State Environmental Quality Review Act (SEQRA) as found in 6 NYCRR Part 617, a Final Environmental Impact Statement (FEIS) has been prepared for the action described below. Copies of the FEIS are available for public inspection at the office of the undersigned. The proposal involves actions by the City Planning Commission and Council of the City of New York pursuant to Uniform Land Use Review Procedures (ULURP). A public hearing on the Draft Environmental Impact Statement (DEIS) was held on May 24, 2006. Written comments on the DEIS were requested and were received by the Lead Agency until the 10th calendar day following the close of the public hearing. This FEIS incorporates responses to the public comments received on the DEIS and additional analysis conducted subsequent to the completion of the DEIS.

The FEIS analyzes a proposal by Terra Cotta, LLC to develop "Silvercup West", an approximately 2.77 million gross square foot (gsf) mixed-use development on an approximately 6-acre waterfront site (the project site) located at 42-20 Vernon Boulevard (Block 477, Lots 13, 15, 20 and 24) in the Long Island City neighborhood of Queens Community Board 2. The project site is generally bounded by the Queensboro Bridge to the north, Vernon Boulevard to the east, 43rd Avenue to the south, and the East River to the west, and is located within the area covered by the Waterfront Access Plan (WAP) Q-1 for Northern Hunters Point. The proposed development would be comprised of the following uses:

- Residential: approximately 1,044,000 gsf (1,040 dwelling units)
- Production Studios: approximately 347,000 gsf
- Office: approximately 655,000 gsf
- Retail: approximately 77,000 gsf
- Catering Facility: approximately 45,000 gsf
- Cultural/Community Facility: approximately 131,000 gsf
- Health Club: approximately 43,000 gsf
- Parking: approximately 433,760 gsf (1,400 accessory spaces)

The proposed project would contain three towers. Two residential towers at the southern portion of the building would be 517 feet and 600 feet in height, respectively, and a commercial tower at the northern portion of the building would be 557 feet in height. The project would also include a 1,400-space accessory parking garage with access provided by two driveways on Vernon Boulevard. Also, the portion of 43rd Avenue along the southern portion of the project site, between Vernon Boulevard and the East River, which is a mapped but currently unimproved street, would be re-graded and improved as part of the proposed project, and the East River bulkhead would be reestablished along the project site's western boundary. The proposed project would provide a publicly accessible waterfront esplanade between the project site's western boundary and the East River and an upland connection along the project site's northern boundary. The development requires the following actions:

- An amendment to the zoning map to change the zoning designation of the project site from M1-4 to an MX (M1-5/R10) Special Mixed-Use District.
- a zoning text amendment to Zoning Resolution (ZR) Section 123-90 to establish the Special Mixed-Use District, and to create a CPC special permit to allow accessory signage within the Special Mixed-Use District with a greater surface area and height than that allowed by ZR Section 123-40;
- a special permit pursuant to the above proposed text amendment to allow an accessory sign on the project site with a greater surface area and height than allowed by ZR Section 123-40;
- a special permit pursuant to ZR Sections 13-134 and 13-561 to allow an accessory parking garage exceeding 225 spaces;
- a special permit pursuant to ZR Section 62-736 to modify the bulk regulations of ZR Section 62-341 for development on a waterfront block;
- an authorization pursuant to ZR Section 62-722 to modify the waterfront public access and visual corridor design requirements of ZR Section 62-60;
- an amendment to the City Map for 43rd Avenue between Vernon Boulevard and the East River to modify the elevation of this mapped but unimproved portion of the street;
- a Board of Standards and Appeals (BSA) special permit pursuant to ZR Section 73-36 for a physical culture or Health Establishment; and
- permits from the New York State Department of Environmental Conservation (NYSDEC) and, possibly, the US Army Corps of Engineers to reestablish the bulkhead along the site's western boundary.

The project site is currently occupied by a New York Power Authority (NYPA) power generating facility and a New York City Department of Sanitation (DSNY) open storage pile of de-icing salt and sand, both of which would be relocated from the site prior to construction of the proposed project. The site also contains the Terra Cotta Company building (Lot 20), which is a New York City designated landmark and is listed on the State and National Register of Historic Places. This building is currently being renovated and would be retained as part of the proposed project. Construction of the proposed project is expected to be completed by 2009.

The FEIS identifies significant adverse impacts related to hazardous materials, traffic, bus service and pedestrian conditions, and identifies measures that would mitigate the impacts. The FEIS considers three alternatives to the proposed project: the No Action Alternative, the Reduced Bulk Alternative, and the Alternative Size, Design or Configuration Alternative.

Copies of the FEIS may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, NY 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, NY 10038, Robert Kulikowski, Ph.D., Director (212) 788- 2924.

This notice has been prepared in accordance with Article 8 of the New York State Environmental Conservation Law.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Excused: Council Members Gallagher and Martinez.

The presence of a quorum was announced by the Public Advocate (Ms. Gotbaum).

There were 49 Council Members present at this meeting.

INVOCATION

The Invocation was written by Rabbi Jonathan Glass, Civic Center Synagogue, 49 White Street, New York, New York 10013 and delivered by the First Deputy Clerk and Acting Clerk of the Council Michael McSweeney.

Men and women of the City Council, memory is more than just a function of intellect, it literally defines who we are, both individually and collectively; and this is why an occasion, such as the upcoming holiday of Memorial Day is so important. It is an opportunity to remember that this is country whose core values are worth fighting for, and that untold myriads have indeed lost their lives in this struggle. To forget this would be forgetting much of what we are as a nation.

Please accept my blessing on this meeting of the Council, that it should reflect its special role in preserving that which was achieved at such great cost. Amen.

Thank you. Jonathan Glass.

Council Member Nelson moved to spread the Invocation in full upon the record.

ADOPTION OF MINUTES

Council Member James moved that the Minutes of the Stated Meeting of April 26, 2006 be adopted as printed.

MEMORANDUM IN SUPPORT

LEGISLATIVE REFERENCE S.5357-B – by Senator Padavan – Transportation Com.

TITLE **AN ACT** to amend the vehicle and traffic law and the administrative code of the city of New York, in relation to increasing the number of intersections where traffic-control signal photo violation-monitoring systems may be installed and operated, reporting upon the use of such systems and in relation to the civil liability of vehicle owners for traffic-control signal violations

SUMMARY OF PROVISIONS This bill amends Section 1111-a of the Vehicle and Traffic Law, Chapter 746 of the Laws of 1988 amending the Vehicle and Traffic Law, the General Municipal Law, and the Public Officers Law, Section 19-210 of the Administrative Code of the City of New York and Local Law Number 46 of the City of New York for the year 1989, by increasing (from 50 to 100) the number of intersections where traffic-control signal photo violation-monitoring systems may be installed and operated. The bill also requires that the program utilize any necessary technologies to ensure, to the extent practicable, that photographs taken shall not include photographs that identify the driver, other passengers, or the contents of a vehicle; and establishes that it is a defense that a traffic signal was not working properly. Lastly, the bill provides for additional reporting requirements and clarifies existing reporting requirements.

REASONS FOR SUPPORT In 1988, the State Legislature enacted legislation that allowed cities with a population of one million or more to establish a demonstration program to install traffic-control photo violation-monitoring devices to record vehicles going through red light signals at traffic intersections. Since that date, the State Legislature has extended the duration of the demonstration program five times: in 1991, 1993, 1995, 1999 and 2004.

New York City's "Red Light Camera Program" has proven to be an effective traffic safety measure. Since its inception in December of 1993, hundreds of thousands of vehicles, including buses and taxicabs, have been caught going through red lights by the traffic control monitoring devices. In calendar year 2005 alone, 306,117 violations or Notices of Liability ("NOLs") were issued to violators. A NOL is treated as the equivalent of a parking ticket; that is, no points are assessed against the driver.

The Red Light Camera Program has played an integral role in the City's efforts to enhance public safety. A large number of traffic accidents resulting in bodily injury and death to motorists, passengers, pedestrians and bicyclists are due to the failure of motorists to obey traffic-control signals located at intersections. "Right angle" and pedestrian accidents attributed to red light running are among the leading causes of traffic fatalities on the City's streets. By reducing the number of vehicles running red lights, the likelihood of "right angle" and pedestrian type accidents is reduced. The extended use of these devices has been shown to dramatically reduce the number of violations at the intersections being monitored.

Since the Program's inception, the New York City Department of Transportation has found that red light cameras have significantly altered driver behavior. NOLs have declined as much as 40 percent from the first year of introduction at intersections where red light cameras have been installed.

STATE OF NEW YORK

5357--B

2005-2006 Regular Sessions

IN SENATE

May 12, 2005

Introduced by Sen. PADAVAN -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation -- recommitted to the Committee on Transportation in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the vehicle and traffic law and the administrative code of the city of New York, in relation to increasing the number of intersections where traffic-control signal photo violation-monitoring systems may be installed and operated, and reporting upon the use of such systems and relating to the civil liability of vehicle owners for traffic-control signal violations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision (a) of section 1111-a of the vehicle and traffic law, as amended by chapter 651 of the laws of 1995, is amended to read as follows:

(a) 1. Notwithstanding any other provision of law, each city with a population of one million or more is hereby authorized and empowered to adopt and amend a local law or ordinance establishing a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications in such city in accordance with the provisions of this section. Such demonstration program shall empower a city to install and operate traffic-control signal [~~photo monitoring~~] photo violation-monitoring devices at no more than [~~fifty~~] one hundred intersections within such city at any one time.

2. Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such traffic-control signal photo violation-monitoring systems shall not

include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that such city has made a reasonable effort to comply with the provisions of this paragraph.

§ 2. Subdivisions (b), (c) and (d) of section 1111-a of the vehicle and traffic law, as added by chapter 746 of the laws of 1988, are amended to read as follows:

(b) In any city which has adopted a local law or ordinance pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of subdivision (d) of section eleven hundred eleven of this article, and such violation is evidenced by information obtained from a traffic-control signal photo violation-monitoring system; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of subdivision (d) of section eleven hundred eleven of this article.

(c) For purposes of this section, "owner" shall have the meaning provided in article two-B of this chapter. For purposes of this section, "traffic-control signal photo violation-monitoring system" shall mean a vehicle sensor installed to work in conjunction with a traffic-control signal which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of each vehicle at the time it is used or operated in violation of subdivision (d) of section eleven hundred eleven of this article.

(d) A certificate, sworn to or affirmed by a technician employed by the city in which the charged violation occurred, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a traffic-control signal photo violation-monitoring system, shall [~~by~~] be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to a local law or ordinance adopted pursuant to this section.

§ 3. Subdivision (k) of section 1111-a of the vehicle and traffic law, as added by chapter 746 of the laws of 1988, is amended to read as follows:

(k) 1. If the owner liable for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to this section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

2. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator failed to obey a traffic-control indication. For purposes of this subdivision there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator failed to obey a traffic-control indication.

§ 4. Subdivision (m) of section 1111-a of the vehicle and traffic law, as amended by chapter 667 of the laws of 2004, is amended to read as follows:

(m) In any city which adopts a demonstration program pursuant to subdivision (a) of this section, such city shall submit [~~a~~] an annual report on the results of the use of a traffic-control signal [~~photo-monitoring~~] photo violation-monitoring system to the governor, the temporary president of the senate and the speaker of the assembly [~~by March~~] on or before June first, two thousand [~~nine~~] seven and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include, but not be limited to:

1. a description of the locations where traffic-control signal [~~photo-monitoring~~] photo violation-monitoring systems were used;

2. within each borough of such city, the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the year preceding the installation of such system, to the extent the information is maintained by the department of motor vehicles of this state;

3. within each borough of such city, the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used, to the extent the information is maintained by the department of motor vehicles of this state;

4. the number of violations recorded at each intersection where a traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily, weekly and monthly basis;

[~~3.~~] 5. the total number of notices of liability issued for violations recorded by such systems;

[~~4.~~] 6. the number of fines and total amount of fines paid after first notice of liability issued for violations recorded by such systems;

[~~5.~~] 7. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made for violations recorded by such systems;

[~~6.~~] 8. the total amount of revenue realized by such city from such adjudications; [~~and~~]

9. expenses incurred by such city in connection with the program; and

[~~7.~~] 10. quality of the adjudication process and its results.

§ 5. Section 1111-a of the vehicle and traffic law is amended by adding a new subdivision (n) to read as follows:

(n) It shall be a defense to any prosecution for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to a local law or ordinance adopted pursuant to this section that such traffic-control indications were malfunctioning at the time of the alleged violation.

§ 6. Subdivision (a) of section 19-210 of the administrative code of the city of New York, as amended by local law number 20 of the city of New York for the year 1998, is amended to read as follows:

(a) 1. Notwithstanding any other provision of law, the parking violations bureau is hereby authorized and empowered to establish a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications in accordance with the provisions of this section. The department of transportation, for purposes of implementation of such program, shall be authorized to install and operate traffic-control signal photo violation-monitoring devices at no more than [~~six-ty~~] one hundred intersections at any one time.

2. Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such traffic-control signal photo violation-monitoring systems shall not

include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a vehicle, provided that such city has made a reasonable effort to comply with the provisions of this paragraph.

§ 7. Subdivision (b) of section 19-210 of the administrative code of the city of New York, as added by local law number 46 of the city of New York for the year 1989, is amended to read as follows:

(b) 1. The owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of subdivision (d) of section eleven hundred eleven of the vehicle and traffic law, and such violation is evidenced by information obtained from a traffic-control signal photo violation-monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of subdivision (d) of section eleven hundred eleven of the vehicle and traffic law.

2. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator failed to obey a traffic-control indication. For purposes of this subdivision, there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator failed to obey a traffic-control indication.

§ 8. Subdivisions (d) and (e) of section 19-210 of the administrative code of the city of New York, as added by local law number 46 of the city of New York for the year 1989, are amended to read as follows:

(d) For purposes of this section, "traffic-control signal photo violation-monitoring system" shall mean a device installed to work in conjunction with a traffic-control signal which, during operation, automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of each vehicle at the time it is used or operated in violation of subdivision (d) of section eleven hundred eleven of the vehicle and traffic law.

(e) A certificate, sworn to or affirmed by a technician employed by the department, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a traffic-control signal photo violation-monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation imposed pursuant to this section.

§ 9. Subdivision (o) of section 19-210 of the administrative code of the city of New York, as amended by local law number 14 of the city of New York for the year 1992 and the opening paragraph as amended by chapter 667 of the laws of 2004, is amended to read as follows:

(o) The commissioner shall submit to the governor, the temporary president of the senate, the speaker of the assembly and the council [~~a~~] an annual report on the results of the use of a traffic-control signal photo violation-monitoring system on or before [~~March~~] June first, two thousand [~~nine~~] seven and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include, but not be limited to:

1. a description of the locations where traffic-control signal [~~photo monitoring~~] photo violation-monitoring systems were used;

2. within each borough of such city, the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the year preceding the installation of such system, to the extent the information is maintained by the department of motor vehicles of this state;

3. within each borough of such city, the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used, to the extent the information is maintained by the department of motor vehicles of this state;

4. the number of violations recorded at each intersection where a traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily, weekly and monthly basis;

[~~3.~~] 5. the total number of notices of liability issued for violations recorded by such systems;

[~~4.~~] 6. the number of fines and total amount of fines paid after first notice of liability issued for violations recorded by such systems;

[~~5.~~] 7. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made for violations recorded by such systems;

[~~6.~~] 8. the total amount of revenue realized by such city from such adjudications; [~~and~~]

9. expenses incurred by such city in connection with the program; and

[~~7.~~] 10. quality of the adjudication process and its results.

§ 10. Section 19-210 of the administrative code of the city of New York is amended by adding a new subdivision (p) to read as follows:

(p) It shall be a defense to any prosecution for a violation of subdivision (d) of section eleven hundred eleven of the vehicle and traffic law pursuant to this section that such traffic-control indications were malfunctioning at the time of the alleged violation.

§ 11. This act shall take effect immediately; provided, however, that the amendments to subdivisions (a), (b), (c), (d), (k) and (m) and the addition of subdivision (n) of section 1111-a of the vehicle and traffic law as made by sections one through five of this act and the amendments made to subdivisions (a), (b), (d), (e) and (o) and the addition of subdivision (p) of section 19-210 of the administrative code of the city of New York as made by sections six through ten of this act shall not affect the expiration or repeal of such sections and shall be deemed to expire or be repealed therewith.

NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1

BILL NUMBER: S5357B REVISED 05/10/06

SPONSOR: PADAVAN

TITLE OF BILL:

An act to amend the vehicle and traffic law and the administrative code of the city of New York, in relation to increasing the number of intersections where traffic-control signal photo violation-monitoring systems may be installed and operated, and reporting upon the use of such systems and relating to the civil liability of vehicle owners for traffic-control signal violations

SUMMARY OF PROVISIONS:

This bill amends Section 1111-a of the Vehicle and Traffic Law and Section 19-210 of the Administrative Code of the City of New York by increasing (from 50 to 100) the number of intersections where traffic-control signal photo-monitoring devices may be installed and operated. The bill also requires that the program utilize any necessary technologies to ensure, to the extend practicable, that photographs taken shall not include photographs that identify the driver, other passengers, or the contents of a vehicle; and establishes that it is a defense that a traffic signal was not working properly. Lastly, the bill provides for additional reporting requirements and clarifies existing reporting requirements.

REASONS FOR SUPPORT:

In 1988, the State Legislature enacted legislation that allowed cities with a population of one million or more to establish a demonstration program to install photo-monitoring devices to record vehicles going through red light signals at traffic intersections. Since that date, the State Legislature has extended the duration of the demonstration program four times: in 1991, 1993, 1995, 1999 and 2004.

New York City's "Red Light Camera Program" has proven to be an effective traffic safety measure that prevents injuries and the loss of life due to accidents caused by red light running. Since its inception in December of 1993, hundreds of thousands of vehicles, including buses and taxicabs, have been caught going through red lights by the traffic control monitoring devices. In calendar year 2005 alone, 306,117 violations or Notices of Liability ("NOLs") were issued to violators. An NOL is treated as the equivalent of a parking ticket; that is, no points are assessed against the driver.

The Red Light Camera Program has played an integral role in the City's efforts to enhance public safety. A large number of traffic accidents resulting in bodily injury and death to motorists, passengers, pedestrians and bicyclists are due to the failure of motorists to obey traffic control signals located at intersections. "Right angle" and pedestrian accidents attributed to red light running are among the leading causes of traffic fatalities on the City's streets. By reducing the number of vehicles running red lights, the likelihood of "right angle" and pedestrian type accidents is reduced. The extended use of these devices has been shown to dramatically reduce the number of violations at the intersections being monitored.

Since the Program's inception, the New York City Department of Transportation has found that red light cameras have significantly altered driver behavior. NOLs have declined as much as 40 percent from the first year of introduction at intersections where red light cameras have been installed. The success of the Program in enhancing public safety throughout the City's five boroughs has led to the City's interest in expanding the Program. This bill increases from 50 to 100 the number of allowable traffic Control signal photo monitoring devices that may be installed and operated. The number was increased to 50 back in 1995, and by the end of June 2001, this maximum number will be reached. By increasing the limit on the total number of red light cameras allowable Citywide, the City will be able to install this successful accident reduction tool at many more high accident locations throughout its boroughs.

New York City's Red Light Camera Program has proven itself as a viable instrument in enhancing safety for motorists, passengers, pedestrians and bicyclists. It has proven to be an effective traffic safety initiative whose success has been recognized by the State Legislature and the New York City Council in their repeated authorizations to extend the initial demonstration program. This legislation will affirm the Program's success by increasing the number of intersections where traffic control signal photo-monitoring devices may be installed.

LEGISLATIVE HISTORY:
S.2472-A of 2003-04 and S.6727 of 2001-02.

EFFECTIVE DATE:
This act shall take effect immediately; provided, however, that the amendments to subdivisions (a), (b), (c), (d), (k) and (m) and the addition of subdivision (n) of section 1111-a of the vehicle and traffic law as made by sections one through five of this act and the amendments made to subdivisions (a), (b), (d), (e) and (0) and the addition of subdivision (p) of section 19-210 of the administrative code of the city of New York as made by sections six through ten of this act shall not affect the expiration or repeal of such sections and shall be deemed to expire or be repealed therewith.

MEMORANDUM IN SUPPORT

LEGISLATIVE REFERENCE A.10470 - by M. of A. Abbate – Governmental Employees Committee

S.7840 – by Senator Golden – Civil Service & Pensions Committee

TITLE **AN ACT** to amend the administrative code of the city of New York, in relation to the rate of regular interest used in the actuarial valuation of liabilities for the purpose of calculating contributions to the New York city employees' retirement system, the New York city teachers' retirement system, the police pension fund, subchapter two, the fire department pension fund, subchapter two and the board of education retirement system of such city by public employers and other obligors required to make employer contributions to such retirement systems, the making of contributions to such retirement systems by such public employers and such other obligors, including contributions for administrative expenses, investment expenses and certain cost-of-living adjustments, and the crediting of special interest and additional interest to members of such retirement systems, and the allowance of supplementary interest on the funds of such retirement systems; and to amend the education law, in relation to employer contributions to the board of education retirement system of such city

SUMMARY OF PROVISIONS This bill would continue the current 8% per annum statutory rate of interest used by the New York City Employees' Retirement System, Teachers' Retirement System, Board of Education Retirement System, Police Pension Fund and Fire Department Pension Fund in valuing retirement system liabilities for the purpose of computing the amount of employer contributions to those systems. The 8% valuation rate would remain in effect with respect to employer contributions due for each fiscal year through fiscal year 2008-2009.

The bill also would establish a one-year lag methodology for the purpose of computing employer contributions to the five City retirement systems. Under current law, employer contributions are based on a valuation of retirement system liabilities and assets as of the June thirtieth which immediately precedes the fiscal year in which the employer contributions are to be paid to the system. Under the one-year lag methodology, employer contributions would be based on a valuation of liabilities and assets as of the second June thirtieth which precedes the fiscal year in which employer contributions are to be paid to the system. The new methodology would be effective with respect to employer contributions for fiscal year 2005-2006 and, in accordance with that methodology, the employer contributions for that fiscal year would be based on a June 30, 2004 valuation. In conjunction with the one-year lag methodology, investment and administrative expenses which are paid from retirement system assets would be recovered with interest through employer contributions to the systems in the second fiscal year following the fiscal year in which such expenses were paid. Under current law, such expenditures are recovered with interest through employer contributions in the fiscal year immediately following the expenditures.

The bill also would eliminate the current 10-year phase-in established by Chapter 278 of the Laws of 2002 for funding the actuarial liabilities attributable to cost-of-living adjustments ("COLAs") payable to eligible retirees of the City retirement systems pursuant to Chapter 125 of the Laws of 2000. Beginning with fiscal year 2005-2006, the actuarial liabilities attributable to the COLAs would be funded through annual normal employer contributions.

REASONS FOR SUPPORT The boards of trustees of the five City retirement systems have adopted resolutions recommending enactment of the funding provisions set forth in this bill. In general, the Chief Actuary of those retirement systems has recommended such funding provisions based upon his evaluation of the experience of the retirement systems and their financial situation, and an experience study of the systems for the period from July 1, 1997 to June 30, 2001 performed by a firm of actuarial consultants. Specifically, the Chief Actuary has stated that he could recommend the continuation of a valuation interest rate of 8% through June 30, 2009 as reasonable and justified based upon (1) the recent investment performance of the retirement systems; (2) a study of the long-term performance of the United States capital markets; and (3) the relationships among economic assumptions used for actuarial valuation purposes.

The one-year lag methodology would bring greater certainty to the budgetary process of the City of New York and the other public employers which participate in the five City retirement systems. Under the current methodology, the Chief Actuary, near the start of each fiscal year, makes the best possible estimate of each participating employer's contributions to the retirement system for the fiscal year based upon valuation data as of the June thirtieth which immediately precedes the fiscal year. During the fiscal year, each participating employer makes contributions in accordance with that estimate. Near the end of the fiscal year, the Chief Actuary sends each participating employer a "true-up" letter which sets forth the actual amount of that employer's contributions for that fiscal year. That actual contribution amount may vary significantly from the previous estimate. Under the one-year lag methodology, the Chief Actuary, using valuation data as of the second June thirtieth which precedes the fiscal year, would be able to provide each participating employer with the actual expected amount of its retirement system contributions before the start of the fiscal year. Thus, such a change in methodology would provide employers with greater budgetary certainty with respect to retirement system contributions. Chapter 49 of the Laws of 2003 authorized a comparable one-year lag methodology for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

This bill would implement a sound, well-conceived plan for funding the retirement systems through fiscal year 2008-09.

Accordingly, the Mayor urges the earliest possible favorable consideration of this proposal by the Legislature.

Respectfully submitted,

ANTHONY P. PISCITELLI
Legislative Representative

IN SENATE

May 2, 2006

Introduced by Sen. GOLDEN -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the administrative code of the city of New York, in relation to the rate of regular interest used in the actuarial valuation of liabilities for the purpose of calculating contributions to the New York city employees' retirement system, the New York city teachers' retirement system, the police pension fund, subchapter two, the fire department pension fund, subchapter two and the board of education retirement system of such city by public employers and other obligors required to make employer contributions to such retirement systems, the making of contributions to such retirement systems by such public employers and such other obligors, including contributions for administrative expenses, investment expenses and certain cost-of-living adjustments, and the crediting of special interest and additional interest to members of such retirement systems, and the allowance of supplementary interest on the funds of such retirement systems; and to amend the education law, in relation to employer contributions to the board of education retirement system of such city

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision f of section 13-103 of the administrative code of the city of New York, as added by chapter 593 of the laws of 1996, is amended to read as follows:

f. Whenever the assets of the retirement system are drawn upon pursuant to the provisions of paragraph one of subdivision c of this section, all monies so withdrawn shall be made a charge to be paid by each participating employer otherwise required to make contributions to the retirement system no later than the end of the fiscal year next succeeding the time period during which such assets were drawn upon, provided, however, that where such charge is for assets so withdrawn in fiscal year two thousand four--two thousand five or in any fiscal year thereafter, such charge shall be paid by each such participating employer no later than the end of the second fiscal year succeeding the time period during which such assets were drawn upon. The actuary shall calculate

and allocate to each such participating employer its share of such charge by multiplying such charge by a fraction, the numerator of which shall consist of the total salaries of the employees of each participating employer as of the June thirtieth succeeding the withdrawal of assets and the denominator of which shall consist of the total salaries of members of the retirement system as of such June thirtieth. All charges to be paid pursuant to this subdivision shall be paid at the regular rate of interest utilized by the actuary in determining employer contributions to the retirement system pursuant to the provisions of paragraph two of subdivision b of section 13-638.2 of the code.

§ 2. Paragraph 2 of subdivision b of section 13-127 of the administrative code of the city of New York is amended by adding a new subparagraph (a-1) to read as follows:

(a-1) Notwithstanding any other provision of law to the contrary, for the purpose of calculating the amount of the normal contribution due from the city to the contingent reserve fund pursuant to subparagraph (c) of this paragraph in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, both the total lisbility of the retirement system, as calculated by the actuary in accordance with subparagraph (a) of this paragraph, and the normal rate of contributions, as calculated by the actuary in accordance with subparagraph (b) of this paragraph, shall be determined as of June thirtieth of the second fiscal year preceding the fiscal year in which the normal contribution is payable, provided, however, that (i) the actuary shall use for such calculations the mortality and other tables that are applicable at the time he or she performs such calculations; (ii) the total funds on hand, as determined by the actuary pursuant to sub-item (E) of item (i) of subparagraph (b) of this paragraph, shall be adjusted by adding to such amount the present value of all employer contributions required to be paid into the contingent reserve fund in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary; and (iii) the present value of the prospective future salaries of all members, as computed by the actuary for the purposes of item (ii) of subparagraph (b) of this paragraph, shall be reduced by the present value of the salaries expected to be paid to all members in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary.

§ 3. Subparagraph (c) of paragraph 2 of subdivision b of section 13-127 of the administrative code of the city of New York, as amended by chapter 249 of the laws of 1996, is amended to read as follows:

(c) (i) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and ending with the two thousand four--two thousand five fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of June thirtieth next preceding such fiscal year, by the aggregate annual salaries of the members on such next preceding June thirtieth, and shall be payable in such fiscal year next following such June thirtieth, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(ii) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the two thousand five--two thousand six fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of the second June thirtieth preceding the fiscal year in which the normal contribution is payable, in accordance with the provisions of subparagraphs (a-1) and (b) of this paragraph, by the aggregate amount of the salaries expected to be paid to the members during the fiscal year in which the normal contribution is payable, as determined by the actuary, and such normal contribution shall be payable in the second fiscal year following the June thirtieth as of which the normal rate of contribution is determined, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(iii) In the case of the normal contribution payable in the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and in any subsequent fiscal year, the term "regular interest", as used in this subparagraph, shall mean regular interest as defined by the applicable provisions of subparagraph (ii) or subparagraph (iii) of paragraph (c) or paragraph (d) of subdivision twelve of section 13-101 of this chapter.

§ 4. Subdivision h of section 13-216 of the administrative code of the city of New York, as added by chapter 292 of the laws of 2001, is amended to read as follows:

h. Whenever the assets of the pension fund are drawn upon pursuant to the provisions of paragraph one of subdivision e of this section all monies so withdrawn shall be made a charge to be paid by the employer otherwise required to make contributions to the police pension fund no later than the end of the fiscal year next succeeding the time period during which such assets were drawn upon, provided, however, that where such charge is for assets so withdrawn in fiscal year two thousand four--two thousand five or in any fiscal year thereafter, such charge shall be paid by such employer no later than the end of the second fiscal year succeeding the time period during which such assets are drawn upon. The actuary shall calculate such charge to be paid by the employer. All charges to be paid pursuant to this subdivision shall be paid at the regular rate of interest utilized by the actuary in determining employer contributions to the pension fund pursuant to the provisions of paragraph two of subdivision b of section 13-638.2 of this title.

§ 5. Paragraph 2 of subdivision b of section 13-228 of the administrative code of the city of New York is amended by adding a new subparagraph (a-1) to read as follows:

(a-1) Notwithstanding any other provision of law to the contrary, for the purpose of calculating the amount of the normal contribution due from the city to the contingent reserve fund pursuant to subparagraph (c) of this paragraph in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, both the total liability of the pension fund, as calculated by the actuary in accordance with subparagraph (a) of this paragraph, and the normal rate of contribution, as calculated by the actuary in accordance with subparagraph (b) of this paragraph, shall be determined as of June thirtieth of the second fiscal year preceding the fiscal year in which the normal contribution is payable, provided, however, that (i) the actuary shall use for such calculations the mortality and other tables that are applicable at the time he or she performs such calculations; (ii) the total funds on hand, as determined by the actuary pursuant to sub-item (F) of item (i) of subparagraph (b) of this paragraph, shall be adjusted by adding to such amount the present value of all employer contributions required to be paid into the contingent reserve fund in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary; and (iii) the present value of the prospective future salaries of all members, as computed by the actuary for the purposes of item (ii) of subparagraph (b) of this paragraph, shall be

reduced by the present value of the salaries expected to be paid to all members in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary.

§ 6. Subparagraph (c) of paragraph 2 of subdivision b of section 13-228 of the administrative code of the city of New York, as amended by chapter 598 of the laws of 1996, is amended to read as follows:

(c) (i) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and ending with the two thousand four--two thousand five fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of June thirtieth next preceding such fiscal year, by the aggregate annual salaries of the members on such next preceding June thirtieth, and shall be payable in such fiscal year next following such June thirtieth, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(ii) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the two thousand five--two thousand six fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of the second June thirtieth preceding the fiscal year in which the normal contribution is payable, in accordance with the provisions of subparagraphs (a-1) and (b) of this paragraph, by the aggregate amount of the salaries expected to be paid to the members during the fiscal year in which the normal contribution is payable, as determined by the actuary, and such normal contribution shall be payable in the second fiscal year following the June thirtieth as of which the normal rate of contribution is determined, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(iii) In the case of the normal contribution payable in the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and in any subsequent fiscal year, the term "regular interest", as used in this subparagraph (c), shall mean regular interest as defined by the applicable provisions of subparagraph (ii) or subparagraph (iii) of paragraph (c) or paragraph (d) of subdivision eight of section 13-214 of this subchapter.

§ 7. Paragraph 2 of subdivision b of section 13-331 of the administrative code of the city of New York is amended by adding a new subparagraph (a-1) to read as follows:

(a-1) Notwithstanding any other provision of law to the contrary, for the purpose of calculating the amount of the normal contribution due from the city to the contingent reserve fund pursuant to subparagraph (c) of this paragraph in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, both the total liability of the pension fund, as calculated by the actuary in accordance with subparagraph (a) of this paragraph, and the normal rate of contribution, as calculated by the actuary in accordance with subparagraph (b) of this paragraph, shall be determined as of June thirtieth of the second fiscal year preceding the fiscal year in which the normal contribution is payable, provided, however, that (i) the actuary shall use for such calculations the mortality and other tables that are applicable at the time he or she performs such calculations; (ii) the total funds on hand, as determined by the actuary pursuant to sub-item (G) of item (i) of subparagraph (b) of this paragraph, shall be adjusted by adding to such amount the present value of all employer contributions required to be paid into the contingent reserve fund in the fiscal year next preceding

the fiscal year in which the normal contribution is payable, as determined by the actuary; and (iii) the present value of the prospective future salaries of all members, as computed by the actuary for the purposes of item (ii) of subparagraph (b) of this paragraph, shall be reduced by the present value of the salaries expected to be paid to all members in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary.

§ 8. Subparagraph (c) of paragraph 2 of subdivision b of section 13-331 of the administrative code of the city of New York, as amended by chapter 249 of the laws of 1996, is amended to read as follows:

(c) (i) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and ending with the two thousand four--two thousand five fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of June thirtieth next preceding such fiscal year, by the aggregate annual salaries of the members on such next preceding June thirtieth, and shall be payable in such fiscal year next following such June thirtieth, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(ii) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the two thousand five--two thousand six fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of the second June thirtieth preceding the fiscal year in which the normal contribution is payable, in accordance with the provisions of subparagraphs (a-1) and (b) of this paragraph, by the aggregate amount of the salaries expected to be paid to the members during the fiscal year in which the normal contribution is payable, as determined by the actuary, and such normal contribution shall be payable in the second fiscal year following the June thirtieth as of which the normal rate of contribution is determined, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(iii) In the case of the normal contribution payable in the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and in any subsequent fiscal year, the term "regular interest", as used in this subparagraph (c), shall mean regular interest as defined by the applicable provisions of paragraph (f) or paragraph (g) of subdivision eight of section 13-313 of this subchapter.

§ 9. Subdivision d of section 13-518 of the administrative code of the city of New York, as added by chapter 593 of the laws of 1996, is amended to read as follows:

d. In the event that the assets of the retirement system are drawn upon pursuant to the provisions of paragraph one of subdivision b of this section all monies so withdrawn shall be made a charge to be paid by each participating employer otherwise required to make contributions to the retirement system no later than the end of the fiscal year next succeeding the time period during which such assets were drawn upon, provided, however, that where such charge is for assets so withdrawn in fiscal year two thousand four--two thousand five or in any fiscal year thereafter, such charge shall be paid by each such participating employer no later than the end of the second fiscal year succeeding the time period during which such assets were drawn upon. The actuary shall calculate and allocate to each such participating employer its share of such charge by multiplying such charge by a fraction, the numerator of which shall consist of the total salaries of the employees of each

participating employer as of the June thirtieth succeeding the withdrawal of assets and the denominator of which shall consist of the total salaries of members of the retirement system as of such June thirtieth. All charges to be paid pursuant to this subdivision shall be paid at the regular rate of interest utilized by the actuary in determining employer contributions to the retirement system pursuant to the provisions of paragraph two of subdivision b of section 13-638.2 of the code.

§ 10. Subdivision b of section 13-527 of the administrative code of the city of New York is amended by adding a new paragraph 1-a to read as follows:

(1-a) Notwithstanding any other provision of law to the contrary, for the purpose of calculating the amount of the normal contribution due from the city to the contingent reserve fund pursuant to paragraph four of this subdivision in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, both the total liability of the retirement system, as calculated by the actuary in accordance with paragraph one of this subdivision, and the normal rate of contribution, as calculated by the actuary in accordance with paragraphs two and three of this subdivision, shall be determined as of June thirtieth of the second fiscal year preceding the fiscal year in which the normal contribution is payable, provided, however, that (a) the actuary shall use for such calculations the mortality and other tables that are applicable at the time he or she performs such calculations; (b) the total funds on hand, as determined by the actuary pursuant to item (v) of subparagraph (a) of paragraph two of this subdivision, shall be adjusted by adding to such amount the present value of all employer contributions required to be paid into the contingent reserve fund in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary; and (c) the present value of the prospective future salaries of all members, as computed by the actuary for the purposes of subparagraph (c) of paragraph two of this subdivision, shall be reduced by the present value of the salaries expected to be paid to all members in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary.

§ 11. Paragraph 4 of subdivision b of section 13-527 of the administrative code of the city of New York, as amended by chapter 249 of the laws of 1996, is amended to read as follows:

(4) (a) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and ending with the two thousand four--two thousand five fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of June thirtieth next preceding such fiscal year, by the aggregate annual salaries of the members on such June thirtieth next preceding such fiscal year in which such amount is due and shall be payable in such fiscal year next following such June thirtieth, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(b) The amount of the normal contribution due from the city to the contingent reserve fund in each city fiscal year, commencing with the two thousand five--two thousand six fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of the second June thirtieth preceding the fiscal year in which the normal contribution is payable, in accordance with the provisions of paragraphs one-a, two and three of this subdivision, by the aggregate amount of the salaries expected to be paid to the members

during the fiscal year in which the normal contribution is payable, as determined by the actuary, and such normal contribution shall be payable in the second fiscal year following the June thirtieth as of which the normal rate of contribution is determined, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(c) In the case of the normal contribution payable in the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and in any subsequent fiscal year, the term "regular interest" as used in this paragraph four shall mean regular interest as defined by the applicable provisions of subparagraph (ii) or subparagraph (iii) of paragraph (c) or paragraph (d) of subdivision twenty-two of section 13-501 of this chapter.

§ 12. Paragraph 2 of subdivision b of section 13-638.2 of the administrative code of the city of New York, as amended by chapter 133 of the laws of 2005, is amended to read as follows:

(2) With respect to each retirement system, such rate of interest shall be as hereinafter set forth in this paragraph:

§ 16. Subdivisions i and j of section 13-696 of the administrative code of the city of New York, subdivision i as amended and subdivision j as added by chapter 278 of the laws of 2002, are amended to read as follows:

i. Notwithstanding any other provision of law, and subject to the provisions of [~~subdivision~~] subdivisions j and k of this section, the cost-of-living adjustment payable by an actuarially funded retirement system pursuant to this section shall be funded by obligors responsible for supplementation (as defined in subdivision b of section 13-694 of this article) through the normal contribution, provided, however, that the additional employer costs attributable to the increase in benefits provided by this section shall be phased in over a period of five fiscal years; the actuary for each such retirement system, in calculating the normal contribution for each obligor in each of the following fiscal years, shall include in the calculation of the final amount of the normal contribution for each obligor the following percentage of the increase in the normal contribution for each such fiscal year that is attributable to the increase in benefits provided by this section: (a) twenty percent in fiscal year two thousand--two thousand one, (b) forty percent in fiscal year two thousand one--two thousand two, (c) sixty percent in fiscal year two thousand two--two thousand three, (d) eighty percent in fiscal year two thousand three--two thousand four, and (e) in fiscal year two thousand four--two thousand five and in each fiscal year thereafter, the full amount of the increase in the normal contribution that is attributable to the increase in benefits provided by this section shall be included in the calculation of the final amount of the normal contribution for each such obligor.

j. Notwithstanding the provisions of subdivision i of this section, or any other provision of law to the contrary, and subject to the provisions of subdivision k of this section, the method of funding the cost-of-living adjustment payable by an actuarially funded retirement system pursuant to this section set forth in subdivision i of this section shall be modified retroactively in accordance with the provisions of this subdivision, commencing with fiscal year two thousand--two thousand one. Such cost-of-living adjustment payable by an actuarially funded retirement system shall be funded by obligors responsible for supplementation (as defined in subdivision b of section 13-694 of this article) through the normal contribution, provided, however, that the additional actuarial present value of benefits provided by this section, as determined by the actuary, shall be phased in over a period of ten fiscal years in accordance with the following percentages:

Fiscal Year	Percentage
2000-2001	10%
2001-2002	20%
2002-2003	30%
2003-2004	40%
2004-2005	50%
2005-2006	60%
2006-2007	70%
2007-2008	80%
2008-2009	90%

In fiscal year two thousand nine--two thousand ten and in each fiscal year thereafter, the actuary for each such retirement system shall include in the calculation of the final amount of the normal contribution the full amount of the increase in the actuarial present value of benefits, as determined by the actuary, that is attributable to the increase in benefits provided by this section, provided further that the amount of the normal contribution that would otherwise be payable for fiscal year two thousand two--two thousand three shall be reduced by an amount equal to the difference between (a) the total amount of the

increase in the normal contribution for fiscal years two thousand--two thousand one and two thousand one--two thousand two, which was attributable to the increase in benefits provided by this section, as calculated by the actuary in accordance with the provisions of subdivision i of this section, and which was paid for such fiscal years, and (b) the total amount of the increase in the normal contribution for fiscal years two thousand--two thousand one and two thousand one--two thousand two, which was attributable to the increase in benefits provided by this section, as calculated by the actuary in accordance with the provisions of this subdivision, and which would have been paid for such fiscal years if the act which added this subdivision had been in effect at the time such normal contribution was made for such fiscal years. In no event, however, shall the normal contribution be less than that amount necessary, as determined by the actuary, to provide for the funding requirements of the group life insurance fund.

§ 17. Section 13-696 of the administrative code of the city of New York is amended by adding a new subdivision k to read as follows:

k. (1) Notwithstanding the provisions of subdivision i or j of this section, or any other provision of law to the contrary, the cost-of-living adjustment payable by an actuarially funded retirement system pursuant to this section shall be funded in accordance with the provisions of subdivision j of this section through and including fiscal year two thousand four--two thousand five.

(2) Notwithstanding the provisions of subdivision i or j of this section, or any other provision of law to the contrary, commencing in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, the cost-of-living adjustment payable by an actuarially funded retirement system pursuant to this section shall be funded by obligors responsible for supplementation (as defined in subdivision b of section 13-694 of this article) through the normal contribution, and the actuary for each such retirement system shall include in the calculation of the final amount of the normal contribution for each such fiscal year the full amount of the increase in the actuarial present value of benefits, as determined by the actuary, that is attributable to the increase in benefits provided by this section.

§ 18. Subdivision d of section 13-705 of the administrative code of the city of New York, as added by chapter 85 of the laws of 2000, is amended to read as follows:

d. In each city fiscal year, beginning with investment expenses paid during the nineteen hundred ninety-eight--nineteen hundred ninety-nine fiscal year, whenever the income, interest or dividends derived from deposits or investments of the funds of a retirement system are used pursuant to subdivision [e] b of this section to pay the expenses incurred by such retirement system in acquiring, managing or protecting investments of its funds, the monies so paid shall be made a charge to be paid by each participating employer otherwise required to make contributions to such retirement system no later than the end of the fiscal year next succeeding the fiscal year during which such monies were drawn upon, provided, however, that where such charge is for such investment expenses paid during fiscal year two thousand four--two thousand five or during any subsequent fiscal year, such charge shall be paid by each such participating employer no later than the end of the second fiscal year succeeding the fiscal year during which such monies were drawn upon. In the event that such retirement system has more than one participating employer, the actuary shall calculate and allocate to each such participating employer its share of such charge. All charges

to be paid pursuant to this subdivision shall be paid at the regular rate of interest utilized by the actuary in determining employer contributions to the retirement system pursuant to the provisions of paragraph two of subdivision b of section 13-638.2 of this title.

§ 19. Subparagraph 4 of paragraph (c) of subdivision 16 of section 2575 of the education law is amended by adding a new item (i-A) to read as follows:

(i-A) Notwithstanding any other provision of law to the contrary, for the purpose of calculating the amount of the normal contribution annually due from the board of education to the contingent reserve fund pursuant to item (iv) of this subparagraph in fiscal year two thousand five--two thousand six, and in each fiscal year thereafter, both the total liability of the retirement system, as calculated by the actuary in accordance with item (i) of this subparagraph, and the normal rate of contribution, as calculated by the actuary in accordance with items (ii) and (iii) of this subparagraph, shall be determined as of June thirtieth of the second fiscal year preceding the fiscal year in which the normal contribution is payable, provided, however, that (A) the actuary shall use for such calculations the mortality and other tables that are applicable at the time he or she performs such calculations; (B) the total funds on hand, as determined by the actuary pursuant to clause five of sub-item (A) of item (ii) of this subparagraph, shall be adjusted by adding to such amount the present value of all employer contributions required to be paid into the contingent reserve fund in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary; and (C) the present value of the prospective future salaries of all members, as computed by the actuary for the purposes of sub-item (C) of item (ii) of this subparagraph, shall be reduced by the present value of the salaries expected to be paid to all members in the fiscal year next preceding the fiscal year in which the normal contribution is payable, as determined by the actuary.

§ 20. Item (iv) of subparagraph 4 of paragraph (c) of subdivision 16 of section 2575 of the education law, as amended by chapter 249 of the laws of 1996, is amended to read as follows:

(iv)(A) The amount of the normal contribution annually due from the board of education to the contingent reserve fund in each city fiscal year, commencing with the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and ending with the two thousand four--two thousand five fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of June thirtieth next preceding such fiscal year, by the aggregate annual salaries of the members on such June thirtieth next preceding such fiscal year in which such amount is due and shall be payable in such fiscal year next following such June thirtieth, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(B) The amount of the normal contribution annually due from the board of education to the contingent reserve fund in each city fiscal year, commencing with the two thousand five--two thousand six fiscal year, shall be the amount obtained by multiplying the normal rate of contribution, as determined by the actuary as of the second June thirtieth preceding the fiscal year in which the normal contribution is payable, in accordance with the provisions of items (i-A), (ii) and (iii) of this subparagraph, by the aggregate amount of the salaries expected to be paid to the members during the fiscal year in which the normal contribution is payable, as determined by the actuary, and such normal contribution shall be payable in the second fiscal year following the June

thirtieth as of which the normal rate of contribution is determined, together with such regular interest thereon which may be due, if any, as calculated by the actuary.

(C) In the case of the normal contribution payable in the nineteen hundred eighty--nineteen hundred eighty-one fiscal year and in any subsequent fiscal year, the term "regular interest," as used in this item (iv) shall mean regular interest as defined by the applicable provisions of subparagraph three or subparagraph four of paragraph (b) of this subdivision.

§ 21. Paragraph (e) of subdivision 23 of section 2575 of the education law, as added by chapter 307 of the laws of 2002, is amended to read as follows:

(e) Whenever the assets of the retirement system are drawn upon pursuant to the provisions of subparagraph one of paragraph (b) of this subdivision, all monies so withdrawn shall be made a charge to be paid by each participating employer otherwise required to make contributions to the retirement system no later than the end of the fiscal year next succeeding the time period during which such assets were drawn upon; provided, however, that where such charge is for assets so withdrawn in fiscal year two thousand four--two thousand five or in any fiscal year thereafter, such charge shall be paid by each such participating employer no later than the end of the second fiscal year succeeding the time period during which such assets were drawn upon. The actuary for the retirement system shall calculate and allocate to each such participating employer its share of such charge by multiplying such charge by a fraction, the numerator of which shall consist of the total salaries of the employees of each participating employer as of the June thirtieth succeeding the withdrawal of assets and the denominator of which shall consist of the total salaries of members of the retirement system as of such June thirtieth. All charges to be paid pursuant to this subdivision shall be paid at the regular rate of interest utilized by the actuary in determining employer contributions to the retirement system pursuant to the provisions of paragraph two of subdivision b of section 13-638.2 of the administrative code of the city of New York.

§ 22. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after July 1, 2005. Notwithstanding any other provision of law, for the purposes of calculating an actuarial reserve pursuant to the provisions of section 13-557 of the administrative code of the city of New York, the valuation rate of interest and mortality tables in effect on June 30, 1988 shall be utilized by the actuary.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

BACKGROUND: During August 2005, the Actuary for the five actuarially-funded New York City Retirement Systems ("NYCRS") (i.e., the

* New York City Employees' Retirement System ("NYCERS")
* New York City Teachers' Retirement System ("TRS")
* New York City Board of Education Retirement System ("BERS"),
* New York City Police Pension Fund ("POLICE"), and
* New York City Fire Pension Fund ("FIRE")),

presented to each of the NYCRS Boards of Trustees proposed changes in actuarial assumptions and methods for determining employer contributions for Fiscal Years beginning on and after July 1, 2005 ("Reports") (i.e., the "Gold Books").

These Reports were developed by the Actuary after reviewing an actuarial experience study that was required by the New York City Charter and prepared by the independent actuarial auditor, Gabriel, Roeder, Smith

and Company ("GRS") under the direction of the Office of the Comptroller of the City of New York.

The principal components of the Actuary's proposed changes in actuarial assumptions and methods are to:

* Update actuarial assumptions to reflect more recent experience.
* Recognize all actuarial liabilities by eliminating the current use of a 10-year phase-in set forth in Chapter 278 of the Laws of 2002 ("Chapter 278/02") for funding the Actuarial Present Value of Benefits ("APVB") attributable to the post-retirement Supplementation and Automatic Cost-of-Living Adjustments ("COLA") enacted by Chapter 125 of the Laws of 2000 ("Chapter 125/00").
* Increase budget predictability by implementing a "One-Year-Lag" methodology.
* Further smooth the impact of investment market fluctuations by revising the Actuarial Asset Valuation Method ("AAVM") to phase-in investment gains and losses over six years instead of the current five years.

Certain of the proposals of the Actuary (e.g., probabilities of decrement from active service, probabilities of death after retirement) require adoption by the Board of Trustees of each of the NYCRS.

Other proposed changes in actuarial assumptions and methods require passage of enabling legislation by the New York State Legislature and enactment by the Governor.

The provisions of this proposed legislation, together with the adoption of actuarial tables by the Boards of Trustees of the NYCRS and application of the revised AAVM, represent the packages of actuarial assumptions and methods proposed by the Actuary for financing the NYCRS.

PROVISIONS OF PROPOSED LEGISLATION: This proposed legislation would amend Sections 13-103, 13-127, 13-216, 13-228, 13-331, 13-518, 13-527, 13-638.2, 13-696 and 13-705 of the Administrative Code of the City of New York ("ACNY") and Section 2575 of the Education Law by including provisions impacting the development of employer contributions to the NYCRS.

Specifically, for each of the NYCRS (unless noted otherwise), this proposed legislation would:

* Retain through Fiscal Year 2009 the Actuarial Interest Rate ("AIR") assumption of 8.0% per annum to be used for developing employer contributions.
* Retain the current Frozen Initial Liability ("FIL") Actuarial Cost Method ("ACM") and current Unfunded Actuarial Liabilities ("UAL").
* Eliminate the 10-year phase-in under Chapter 278/02 for funding the actuarial liabilities attributable to post-retirement Supplementation and Cost-of-Living Adjustments ("COLA") provided under Chapter 125/00.
* Establish a One-Year Lag methodology for the purpose of computing employer contributions for Fiscal Years on and after 2006. Under this methodology, employer contributions for each Fiscal Year would be based on actuarial valuations as of the June 30 of the second preceding Fiscal Year.
* Retain the recovery of administrative and investment expenses but not recover those expenses until the second Fiscal Year following the Fiscal Year incurred in the development of employer contributions, consistent with the One-Year Lag methodology.

ACTUARIAL PRESENT VALUES OF BENEFITS: Enactment of this proposed legislation, together with the other changes in actuarial assumptions and methods to be adopted by the Boards, would result in an increase in

the APVB of the NYCRS of approximately $4.2 billion as of June 30, 2004 as shown in the following Table I:

Table I

POLICE	28.3	29.6	1.3
FIRE	11.4	12.2	.8
Total	$139.0	$143.2	$ 4.2

(1) APVB determined as of June 30, 2004 based on the Current Actuarial Assumptions and Methods. APVB includes 50% of the actuarial liability for Chapter 125/00 benefits as provided by Chapter 278/02.

(2) APVB determined as of June 30, 2004 based on the Proposed Actuarial Assumptions and Methods. APVB includes 100% of the actuarial liability for Chapter 125/00 benefits.

ANNUAL EMPLOYER CONTRIBUTIONS: In order to determine the Actuarial Present Values ("APV") of Future Employer Contributions, APVB are reduced by the sum of: (1) the Actuarial Values of Assets, (2) the UAL (if any) and (3) the APV of Future Member Contributions.

These APV of Future Employer Contributions are funded over individual future years in the form of annual Employer Normal Contributions and annual Employer Contributions toward the UAL, if any.

In addition, Employer Contributions include recovery of administrative expenses (all NYCRS except FIRE under current and proposed methodologies) and investment expenses (all NYCRS under current and proposed methodologies).

UAL would be continued based on the FIL ACM and the UAL established as of June 30, 1999 (FIRE only) using the Entry Age Normal Actuarial Cost Method plus UAL established subsequently by other legislation (e.g., Early Retirement Incentives).

The UAL established as of June 30, 1999 would continue to be amortized over the remaining period of 6 years from June 30, 2004, where each annual payment after the first would equal 103% of the preceding annual payment.

The other UAL would continue to be amortized over the time periods originally established.

In addition, the Actuary proposes to revise the AAVM as of June 30, 2004 for each of the NYCRS.

The Actuary currently utilizes a Five-Year Average of Market Values AAVM to determine the Actuarial Asset Value ("AAV") to be used in the actuarial valuations of the NYCRS as of each June 30.

EMPLOYER CONTRIBUTIONS - FISCAL YEARS 2006 TO 2010: The financial impact of the proposed changes in actuarial assumptions and methods, relative to the current actuarial assumptions and methods, is to reduce overall employer contributions to the NYCRS for Fiscal Years 2006 and 2007 and to increase employer contributions thereafter.

The following Table III compares the employer contributions for the five actuarially-funded NYCRS combined under the current actuarial assumptions and methods and under the proposed actuarial assumptions and methods:

CENSUS DATA: The census data used to determine APVB and estimated Fiscal Year 2006 Employer Contributions Before Changes are the active and retired members included in the June 30, 2005 actuarial valuations of the NYCRS with active member salaries reflecting current overtime earnings assumptions.

The census data used to determine APVB and estimated Fiscal Year 2006 Employer Contributions After Changes are the active and retired members included in the June 30, 2004 actuarial valuations of the NYCRS with salaries of active members adjusted to reflect the revised overtime earnings assumptions.

ACTUARIAL ASSUMPTIONS AND METHODS: The actuarial assumptions and methods used to determine estimated Fiscal Year 2006 Employer Contributions Before Changes are the same as those utilized in the June 30, 2004 actuarial valuations of the NYCRS to determine Fiscal Year 2005 employer contributions.

The actuarial assumptions and methods used to determine estimated Fiscal Year 2006 Employer Contributions After Changes are those proposed by the Actuary to the Boards of Trustees of each of the NYCRS during August 2005.

The portions of Employer Contributions estimated for Fiscal year 2006 attributable to Unfunded Actuarial Accrued Liability Contributions are developed as amortizations of UAAL over fixed periods not exceeding 6 years ending on June 30, 2010.

FISCAL NOTE IDENTIFICATION: This estimate is intended for use only during the 2006 Legislative Session. It is Fiscal Note 2006-01, dated January 25, 2006, prepared by the Chief Actuary for the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund and the New York City Fire Pension Fund.

NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1

BILL NUMBER: S7840

SPONSOR: GOLDEN

TITLE OF BILL:

An act to amend the administrative code of the city of New York, in relation to the rate of regular interest used in the actuarial valuation of liabilities for the purpose of calculating contributions to the New York city employees' retirement system, the New York city teachers' retirement system, the police pension fund, subchapter two, the fire department pension fund, subchapter two and the board of education retirement system of such city by public employers and other obligors required to make employer contributions to such retirement systems, the making of contributions to such retirement systems by such public employers and such other obligors, including contributions for administrative expenses, investment expenses and certain cost-of-living adjustments, and the crediting of special interest and additional interest to members of such retirement systems, and the allowance of supplementary interest on the funds of such retirement systems; and to amend the education law, in relation to employer contributions to the board of education retirement system of such city

PURPOSE:
To establish use of the one-year lag methodology in relation to actuarial assessment of employer contributions to particular retirement plans

SUMMARY OF PROVISIONS:
This bill would continue the current 8% per annum statutory rate of interest used by the New York City Employees' Retirement System, Teachers' Retirement System, Board of Education Retirement System, Police Pension Fund and Fire Department Pension Fund in valuing retirement system liabilities for the purpose of computing the amount of employer contributions to those systems. The 8% valuation rate would remain in effect with respect to employer contributions due for each fiscal year through fiscal year 2008-2009.

The bill also would establish a one-year lag methodology for the purpose of computing employer contributions to the face City retirement systems. Under current law, employer contributions are based on a valuation of retirement system liabilities and assets as of the June thirtieth which immediately precedes the fiscal year in which the employer contributions are to be paid to the system. Under the one-year lag methodology, employer contributions would be based on a valuation of liabilities and assets as of the second June thirtieth which precedes the fiscal year in which employer contributions are to be paid to the system. The new methodology would be effective with respect to employer contributions for fiscal year 2005-2006 and, in accordance with that methodology, the employer contributions for that fiscal year would be based on a June 30, 2004 valuation. In conjunction with the one-year lag methodology, investment and administrative expenses which are paid from retirement system assets would be recovered with interest through employer contributions to the systems in the second fiscal year following the fiscal year in which such expenses were paid. Under Current law, such expenditures are recovered with interest through employer contributions in the fiscal year immediately following the expenditures.

The bill also would eliminate the current 1O-year phase-in established by Chapter 278 of the Laws of 2002 for funding the actuarial liabilities attributable to cost-of-living adjustments (COLAs) payable to eligible retirees of the City retirement systems pursuant to Chapter 125 of the Laws of 2000. Beginning with fiscal year 2005-2006, the actuarial liabilities attributable to the COLAs would be funded through annual normal employers contributions.

JUSTIFICATION:
The boards of trustees of the five City retirement systems have adopted resolutions recommending enactment of the funding provisions set forth in this bill. In general, the Chief Actuary of those retirement systems has recommended such funding provisions based upon his evaluation of the experience of the retirement systems and their financial situation, and an experience study of the systems for the period from July 1, 1997 to June 30, 2001 performed by a firm of actuarial consultants. Specifically, the Chief Actuary has stated that he could recommend the continuation of a valuation interest rate of 8% through June 30, 2009 as reasonable and justified based upon (1) the recent investment performance of the retirement systems; (2) a study of the long-term performance of the United States capital markets; and (3) the relationships among economic assumptions used for actuarial valuation purposes.

The one-year lag methodology would bring greater certainty to the budgetary processes of the City of New York and the other public employers which participated in the five City retirement systems. Under the current methodology, the Chief Actuary, near the start of each fiscal year, makes the best possible estimate of each participating employer's contributions to the retirement system for the fiscal year based upon valuation data as of the June thirtieth which immediately precedes the fiscal year. During the fiscal year, each participating employer makes contributions in accordance with that estimate. Near the end of the fiscal year, the Chief Actuary sends each participating employer a "trueup" letter which sets forth the actual amount of that employer's contributions for that fiscal year. That actual contribution amount may vary significantly from the previous estimate. Under the one-year lag methodology, the Chief Actuary, using valuation data as of the second June thirtieth which precedes the fiscal year, would be able to provide each participating employer with the actual expected amount of its retirement system contributions before the start of the fiscal year. Thus, such a change in methodology would provide employers with greater budgetary certainty with respect to retirement system contributions. Chapter 49 of the Laws of 2003 authorized a comparable one-year lag methodology for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

This bill would implement a sound, well-conceived plan for funding the retirement systems through fiscal year 2008-09.

NEW YORK STATE ASSEMBLY
MEMORANDUM IN SUPPORT OF LEGISLATION
submitted in accordance with Assembly Rule III, Sec 1(f)

BILL NUMBER: A10470

SPONSOR: Abbate

TITLE OF BILL: An act to amend the administrative code of the city of New York, in relation to the rate of regular interest used in the actuarial valuation of liabilities for the purpose of calculating contributions to the New York city employees' retirement system, the New York city teachers' retirement system, the police pension fund, subchapter two, the fire department pension fund, subchapter two and the board of education retirement system of such city by public employers and other obligors required to make employer contributions to such retirement systems, the making of contributions to such retirement systems by such public employers and such other obligors, including contributions for administrative expenses, investment expenses and certain cost-of-living adjustments, and the crediting of special interest and additional interest to members of such retirement systems, and the allowance of supplementary interest on the funds of such retirement systems; and to amend the education law, in relation to employer contributions to the board of education retirement system of such city

SUMMARY OF PROVISIONS:

This bill would continue the current 8% per annum statutory rate of interest used by the New York City Employees' Retirement System, Teachers' Retirement System, Board of Education Retirement System, Police Pension Fund and Fire Department Pension Fund in valuing retirement system liabilities for the purpose or computing the amount of employer contributions to those systems. The 8% valuation rate would remain in effect with respect to employer contributions due for each fiscal year through fiscal year 2008-2009.

The bill also would establish a one-year lag methodology for the purpose of computing employer contributions to the five City retirement systems. Under current law, employer contributions are based on a valuation of retirement system liabilities and assets as of the June thirtieth which immediately precedes the fiscal year in which the employer contributions are to be paid to the system. Under the one-year lag methodology, employer contributions would be based on a valuation of liabilities and assets as of the second June thirtieth which precedes the fiscal year in which employer contributions are to be paid to the system. The new methodology would be effective with respect to employer contributions for fiscal year 2005-2006 and, in accordance with that methodology, the employer contributions for that fiscal year would be based on a June 30, 2004 valuation. In conjunction with the one-year lag methodology, investment and administrative expenses which are paid from retirement system assets would be recovered with interest through employer contributions to the systems in the second fiscal year following the fiscal year in which such expenses were paid. Under current law, such expenditures are recovered with interest through employer contributions in the fiscal year immediately following the expenditures.

The bill also would eliminate the current 10-year phase-in established by Chapter 278 of the Laws of 2002 for funding the actuarial liabilities attributable to cost-of-living adjustments ("COLAs") payable to eligible retirees of the City retirement systems pursuant to Chapter 125 of the Laws of 2000. Beginning with fiscal year 2005-2006, the actuarial liabilities attributable to the COLAs would be funded through annual normal employer contributions.

REASONS FOR SUPPORT:

The boards of trustees of the five City retirement systems have adopted resolutions recommending enactment of the funding provisions set forth in this bill. In general, the Chief Actuary of those retirement systems has recommended such funding provisions based upon his evaluation of the experience of the retirement

systems and their financial situation, and an experience study of the systems for the period from July 1, 1997 to June 30, 2001 performed by a firm of actuarial consultants. Specifically, the Chief Actuary has stated that he could recommend the continuation of a valuation interest rate of 8% through June 30, 2009 as reasonable and justified based upon (1) the recent investment performance of the retirement systems; (2) a study of the long-term performance of the United States capital markets; and (3) the relationships among economic assumptions used for actuarial valuation purposes.

The one-year lag methodology would bring greater certainty to the budgetary process of the City of New York and the other public employers which participate in the five City retirement systems. Under the current methodology, the Chief Actuary, near the start of each fiscal year, makes the best possible estimate of each participating employer's contributions to the retirement system for the fiscal year based upon valuation data as of the June thirtieth which immediately precedes the fiscal year. During the fiscal year, each participating employer makes contributions in accordance with that estimate. Near the end of the fiscal year, the Chief Actuary sends each participating employer a "true-up" letter which sets forth the actual amount of that employer's contributions for that fiscal year. That actual contribution amount may vary significantly from the previous estimate. Under the one-year lag methodology, the Chief Actuary, using valuation data as of the second June thirtieth which precedes the fiscal year, would be able to provide each participating employer with the actual expected amount of its retirement system contributions before the start of the fiscal year. Thus, such a change in methodology would provide employers with greater budgetary certainty with respect to retirement system contributions. Chapter 49 of the Laws of 2003 authorized a comparable one-year lag methodology for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

This bill would implement a sound, well-conceived plan for funding the retirement systems through fiscal year 2008-09.

Accordingly, the Mayor urges the earliest possible favorable consideration of this proposal by the Legislature.

LEGISLATIVE REFERENCE A.11288-A – by M. of A. Benedetto – Cities Committee

S.7920-A – by Rules Committee – Cities Committee

TITLE AN ACT to authorize the City of New York to discontinue certain land as park land

SUMMARY OF PROVISIONS This bill will authorize the City of New York to discontinue as mapped park land a portion of the existing Pelham Bay Park at the westerly end of the existing City Island Road Bridge (approximately 1.17 acres) in the Bronx and to use such land for the construction of a new replacement bridge and its approach. The bill will also authorize a temporary easement (approximately 1.64 acres) for the construction of a temporary bridge and its west approach that will allow access to City Island while the permanent replacement bridge is being constructed.

REASONS FOR SUPPORT The existing City Island Road Bridge was built in 1901 and is the only vehicular, bicycle and pedestrian access between the mainland Bronx and City Island. The bridge is part of City Island Road, which is located within Pelham Bay Park. With seven spans and six piers in the water, the bridge has outlived its useful life and requires extensive continuous maintenance. In addition, the existing bridge has three substandard lanes (one travel lane in each direction and one lane in the middle for emergency access). Therefore, it is not possible to close one-half of the bridge, while the other half is being rehabilitated due to insufficient lane widths.

The New York City Department of Transportation ("DOT") will be replacing the existing bridge with a new single span, single tower cable-stayed bridge on the existing alignment. The new bridge, however, will be approximately 17 feet wider than the existing one to accommodate three standard 12-foot wide traffic lanes, a 6-foot wide bike lane and a 6-foot wide pedestrian walkway on each side. To accommodate this wider width, the alienation of approximately 0.53 acres of existing park land will be required for the construction of the new bridge, its approach and embankments. The 1.17 acres to be discontinued as mapped park land includes this 0.53 acres of park land that is needed, as well as 0.64 acres of the existing City Island Road and bridge structure that were built on mapped park land in the early 1900s. The new bridge will be designed to current standards and, with its wider roadway, will allow future repair and rehabilitation to be carried out while maintaining one 12-foot lane in each direction.

In order to maintain traffic during the demolition of the existing bridge and construction of the new bridge, a temporary bridge will be constructed on the south side of the existing bridge. Since a portion of this temporary bridge will be constructed on park land, a temporary easement of approximately 1.64 acres will be required from the New York City Department of Parks and Recreation ("DPR") for a period of about three years.

In exchange, DOT will transfer to DPR approximately 0.53 acres which it owns in the Esplanade area at the end of the City Island Road Bridge on City Island, and restore and improve the park land being impacted for the temporary easement. Additionally, DOT will make improvements to the Esplanade area including, but not limited to, new plantings, new benches, new coping and new railing for the sea wall, all conforming to DPR standards. Lastly, DOT will also inspect and repair the sea wall where necessary as part of these improvements.

The benefits associated with the completion of this project include:

Economic: The new cable-stayed bridge will encourage more visitors to the island. This will create an economic benefit to the businesses located on the island. In addition, construction activity over the three year period will generate new business for eateries and general supply stores.

Public Access: The project will create dedicated bike lanes on the bridge in addition to the ADA compliant pedestrian walkways. Therefore, it will improve public access to the island.

Safety: With a new bridge that meets all of the current design standards, the project will eliminate substandard lane widths and improve safety for motorists, as well as pedestrians and bicyclists by featuring a 6-foot walkway and a 6-foot bike lane on each side of the bridge.

Visual Resources: The new structure with a dramatic appearance will become a focal point for Pelham Bay Park, City Island, and from approaching marine vessels in Eastchester Bay and the surrounding waters. The mast-type structures (i.e., towers with cables) resembles the sailboats maintained in the boatyards to the north and south of the City Island Road Bridge, and accentuates the maritime heritage of the area, which continues today.

Community Benefit: The community will benefit from this project due to improvements to the existing City Island Park/Esplanade.

Future Maintenance: The new bridge will eliminate the current continuous maintenance and substandard features, and reduce considerably the future maintenance costs.

This bill will enable the City of New York to replace the City Island Road Bridge and reconstruct its approaches, and will enhance the City's ability to maintain the bridge in the future. An environmental study in accordance with CEQR has been completed for this project, and it has the support of various federal, state, and local agencies, and the local community.

Accordingly, the Mayor urges the earliest possible favorable consideration of this proposal by the Legislature.

AN ACT to authorize the city of New York to discontinue certain land as park land

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subject to the provisions of this act, but notwithstanding any provision of any general, special or local law to the contrary, the city of New York is hereby authorized to discontinue permanently the use as park land, the land more particularly described in section three of this act for use in connection with the construction of a new replacement bridge connecting the Bronx mainland to City Island, and to discontinue temporarily the use as park land, the land more particularly described in section four of this act, for use in connection with the construction of a temporary bridge to be used during the construction of such permanent new replacement bridge. Upon the completion of the construction of the permanent replacement bridge, the city of New York shall restore and improve the surface of the lands described in section four of this act and the lands shall continue to be used for park purposes.

§ 2. The authorization provided for in section one of this act shall be subject to the requirement that the city of New York shall dedicate additional waterfront park land on City Island and/or perform capital improvements to existing waterfront park land on City Island and in Pelham Bay Park directly adjacent to the City Island Bridge so that such lands and/or improvements are equal to or greater than the fair market value of the lands being discontinued in sections three and four of this act.

§ 3. The land authorized by this act to be discontinued permanently as park land, Area 1, is in Pelham Bay Park in the Borough of the Bronx, city and state of New York, and being more particularly bounded and described as follows:

NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1

BILL NUMBER: S7922

SPONSOR: GOLDEN

TITLE OF BILL:

An act to amend the retirement and social security law, in relation to authorizing public retirement systems to preserve records by alternative processes which accurately reproduce or form a durable medium for reproducing any original document or record

PURPOSE:

To establish protocols and authorization for alternative methods of preserving retirement system records

SUMMARY OF PROVISIONS:

This legislation adds a new Section 808 to the Retirement and Social Security Law to establish protocols and authorization for alternative methods of preserving retirement system records.

JUSTIFICATION:

The procedures and policies established by statute and regulation concerning retirement system membership and the administration of various other benefits and programs require the filing of various legally-binding documents by members, prospective members, retirees and the beneficiaries of deceased members. In fact, there are over twenty separate forms that members may need to file for various reasons during their careers and even after retirement.

Many of the procedures and policies established by statute and regulation with regard to the filing and maintenance of records for members, retirees and beneficiaries were established long before the advent of computer and other technologies. Many members, retirees and their beneficiaries have been denied or had other problems applying for and/or receiving newly-enacted or other benefits because of their hard copy paper files maintained by their retirement system had been

inadvertently misplaced, damaged-or destroyed. Moreover, the retirement systems have been forced to greatly expand their facilities to maintain the hard copy paper files for all of their members, retirees and their beneficiaries. The retirement systems and the members, retirees and beneficiaries for whom they administer benefits and authorize benefit changes are not well served by this antiquated and inefficient system of document maintenance and archiving.

This legislation, if enacted, would authorize New York's public retirement system to utilize reliable and commonplace technologies to reproduce, maintain and preserve the files and records of their members, retirees and their beneficiaries. Any hard copy paper files converted to other media in accordance with the provisions of this legislation, if enacted, would have the same force and effect as the original documents.

FISCAL IMPLICATIONS:
See bill.

MEMORANDUM IN SUPPORT

LEGISLATIVE REFERENCE S.5170 - by Senator Marchi –Calendar # 1000

A.7459 – by M. of A. Cusick - Corporations, Authorities and Commissions Committee

TITLE **AN ACT** to amend the business corporation law, the not-for-profit corporation law and the administrative code of the city of New York, in relation to the dissolution of a corporation responsible for the payment of taxes to the city of New York

SUMMARY OF PROVISIONS Sections 1 and 3 of the bill amend §§ 1004 of the Business Corporation Law ("BCL") and the Not-for-Profit Corporation Law ("NPCL"), respectively, to provide that the Department of State shall not file a certificate of dissolution for a corporation that has done business in the City of New York and incurred tax liability to the City under chapters six, seven, eight, ten, eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-four, twenty-five or twenty-seven of title 11 of the Administrative Code without attaching a consent from the New York City Commissioner of Finance (the "Commissioner").

Sections 2 and 4 of the bill amend §§ 1007 of the BCL and NPCL, respectively, to add tax claims and other claims of the New York City Department of Finance to those of the State and federal government, which are not required to be filed by a date specified in a notice published and mailed by a dissolving corporation in order to be preserved. Sections 2 and 4 further provide that, as with claims of the State and federal governments, the City's claims are not barred if not so filed and that distribution of the assets of a dissolving corporation, or any part thereof, may be deferred until determination of outstanding claims of the City's Department of Finance.
Section 5 adds a new § 11-129 to the City's Administrative Code to provide that the Commissioner shall issue a consent to dissolution of a corporation under the BCL or NPCL only if the Commissioner has determined that all fees, taxes, penalties and interest imposed on the corporation under chapters six, seven, eight, ten, eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-four, twenty-five and twenty-seven of title 11 of the Administrative Code have been paid in full or paid pursuant to an offer of compromise under § 1504 of the City's Charter. Notwithstanding this requirement, the Commissioner may issue a consent to dissolution of a corporation if the corporation executes a written agreement with the Commissioner to pay all such fees, taxes, penalties and interest.

Section 6 provides that the act takes effect immediately.

REASONS FOR SUPPORT Presently, corporations doing business in New York City that are seeking to dissolve must pay their outstanding State taxes but may dissolve while still owing City taxes. This bill will protect the interests of the City of New York by requiring the consent of the New York City Commissioner of Finance before the Department of State allows a corporation to dissolve. It will provide the same protection for New York City tax revenue that already exists for New York State tax revenue.

In addition, current law exempts tax claims of the State and the federal government from the requirement that creditors and claimants of a dissolving corporation file claims by a date specified in a notice published and mailed by a dissolving corporation. Due to the large number of claims of the City's Department of Finance and the difficulty involved in researching each case and determining and filing the City's claims within the time frame allowed, it is urged that the revenues of the City of New York be provided with protection similar to that provided to the State and federal governments.

Accordingly, the Mayor urges the earliest possible favorable consideration of this proposal by the Legislature.

Respectfully submitted,

STATE OF NEW YORK

S. 5170 A. 7459

2005-2006 Regular Sessions

SENATE - ASSEMBLY

April 18, 2005

IN SENATE -- Introduced by Sen. MARCHI -- read twice and ordered printed, and when printed to be committed to the Committee on Corporations, Authorities and Commissions

IN ASSEMBLY -- Introduced by M. of A. CUSICK -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the business corporation law, the not-for-profit corporation law and the administrative code of the city of New York, in relation to the dissolution of a corporation responsible for the payment of taxes to the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 1004 of the business corporation law, as renumbered by chapter 834 of the laws of 1962, is amended to read as follows:
§ 1004. Certificate of dissolution; filing.
(a) The department shall not file such certificate unless the consent of the state [~~tax commission~~] **department of taxation and finance** to the dissolution is attached thereto. Upon such filing, the corporation is dissolved.
(b) Notwithstanding paragraph (a) of this section, with respect to any corporation that has done business in the city of New York and incurred liability for any tax or charge under chapter six, seven, eight, ten, eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-four, twenty-five or twenty-seven of title eleven of the administrative code of the city of New York, the department shall not file such certificate unless the consent of the commissioner of finance of the city of New York to the dissolution is also attached thereto.
§ 2. Paragraph (c) of section 1007 of the business corporation law, as amended by chapter 834 of the laws of 1962, is amended to read as follows:

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD11028-01-5

(c) Notwithstanding this section and section 1008, tax claims and other claims of this state [~~and~~], of the United States **and of the department of finance of the city of New York** shall not be required to be filed under those sections, and such claims shall not be barred because not so filed, and distribution of the assets of the corporation, or any part thereof, may be deferred until determination of any such claims.
§ 3. Section 1004 of the not-for-profit corporation law is amended to read as follows:
§ 1004. Certificate of dissolution; filing; effect.
(a) The department of state shall not file a certificate of dissolution unless the consent of the state [~~tax commission~~] **department of taxation and finance** to the dissolution is attached thereto. Upon filing the certificate, the corporation is dissolved.
(b) Notwithstanding paragraph (a) of this section, with respect to any corporation that has done business in the city of New York and incurred liability for any tax or charge under chapter six, seven, eight, ten, eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-four, twenty-five or twenty-seven of title eleven of the administrative code of the city of New York, the department of state shall not file a certificate of dissolution unless the consent of the commissioner of finance of the city of New York to the dissolution is also attached thereto.
§ 4. Paragraph (c) of section 1007 of the not-for-profit corporation law is amended to read as follows:
(c) Notwithstanding this section and section 1008, tax claims and other claims of this state [~~and~~], of the United States **and of the department of finance of the city of New York** shall not be required to be filed under those sections, and such claims shall not be barred because not so filed, and distribution of the assets of the corporation, or any part thereof, may be deferred until determination of any such claims.
§ 5. The administrative code of the city of New York is amended by adding a new section 11-129 to read as follows:
§ 11-129 Consent to dissolution of a corporation. Where a corporation files an application for consent to dissolution with the commissioner of finance for purposes of obtaining non-judicial dissolution under article ten of the business corporation law or article ten of the not-for-profit corporation law, such consent shall be issued by such commissioner only if such commissioner has determined that all fees, taxes, penalties and interest imposed on such corporation under chapters six, seven, eight, ten, eleven, twelve, thirteen, fourteen, fifteen, twenty-one, twenty-four, twenty-five and twenty-seven of this title have been (a) paid in full, or (b) paid pursuant to an offer in compromise pursuant to paragraphs c or d of subdivision two of section fifteen hundred four of the charter of the city of New York. Notwithstanding the preceding sentence, the commissioner of finance is authorized in his or her discretion and in such manner and on such terms as he or she may determine to issue a consent to dissolution if a written agreement for payment of such fees, taxes, penalties and interest is executed with such commissioner. Such applications shall be filed in the form and manner determined by such commissioner.
§ 6. This act shall take effect immediately.

NEW YORK STATE ASSEMBLY
MEMORANDUM IN SUPPORT OF LEGISLATION
submitted in accordance with Assembly Rule III, Sec 1(f)

BILL NUMBER: A7459

SPONSOR: Cusick

TITLE OF BILL: An act to amend the business corporation law, the not-for-profit corporation law and the administrative code of the city of New York, in relation to the dissolution of a corporation responsible for the payment of taxes to the city of New York

PURPOSE OR GENERAL IDEA OF BILL: This bill relates to dissolution of a New York City corporation.

SUMMARY OF SPECIFIC PROVISIONS: Sections 1 and 3 of the bill amend §§ 1004 of the Business Corporation Law ("BCL") and the Not-for-Profit Corporation Law ("NPCL"), respectively, to provide that the Department of State shall not file a certificate of dissolution for a corporation that has done business in the City of New York and incurred tax liability to the City under chapters six, seven, eight, ten, eleven, twelve, thirteen, fourteen, twenty-one, twenty-four, twenty-five or twenty-seven of title 11 of the Administrative Code without attaching a consent from the New York City Commissioner of Finance (the "Commissioner").

Sections 2 and 4 of the bill amend §§ 1007 of the BCL and NPCL, respectively, to add tax claims and other claims of the New York City Department of Finance to those of the State and federal government, which are not required to be filed by a date specified in a notice published and mailed by a dissolving corporation in order to be preserved. Sections 2 and 4 further provide that, as with claims of the State and federal governments, the City's claims are not barred if not so filed and that distribution of the assets of a dissolving corporation, or any part thereof, may be deferred until determination of outstanding claims of the City's Department of Finance.

EFFECTIVE DATE: This act shall take effect immediately.

Referred to the Committee on State and Federal Legislation.

REPORTS OF THE STANDING COMMITTEES

Report of the Committee on Finance

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Finance and have been favorably reported for adoption.

Report for Res. No. 339

Report of the Committee on Finance in favor of approving a Resolution concerning the establishment of the Bay Ridge 5th Avenue Business Improvement District in the Borough of Brooklyn and setting a new date, time and place for the public hearing to hear all persons interested in the establishment of such district.

The Committee on Finance to which was referred on May 24, 2006 the annexed resolution respectfully

REPORTS:

ANALYSIS:

This Preconsidered Resolution No. is required by the existing law, Chapter 4 of Title 25 of the New York City Administrative Code, as amended by Local Law 82 of 1990, which authorized the City Council to establish Business Improvement Districts (BIDs).

BIDs, which are specifically established areas, use the City's property tax collection mechanism to approve a special tax assessment with which to fund additional services that would enhance the area and improve local business. The additional services are normally in the areas of security, sanitation, physical/capital improvements (lighting, landscaping, sidewalks, etc.), seasonal activities (Christmas lighting) and related business services (marketing and advertising). The BID demarcates the areas in which services will be enhanced and also establishes the mechanism for the assessment needed to generate the required budget.

The main purpose of the Preconsidered Resolution No. is to set a new public hearing date, time and place for the review of the local law, which would establish the Bay Ridge Fifth Avenue Business Improvement District.

On May 10, 2006, the Committee adopted Preconsidered Reso. No. 295 setting the public hearing date, time and place for the review of the local law, which would establish the Bay Ridge Fifth Avenue Business Improvement District for May 24, 2006. Preconsidered Reso. No. 295 also directed that all notices required under the BID law be properly given by the Department of Small Business Services ("SBS") and the Bay Ridge 5th Avenue BID Steering Committee, respectively.

Due to an oversight by SBS, notice was not properly given as required by section 25-406 of the Administrative Code of the city of New York. In order to comply with the statutory requirements establishing BIDs, this Preconsidered Reso. sets a new public hearing date, time and place. The new hearing on the local law and the BID plan, is scheduled to be held on June 13, 2006 in the City Council Committee Room, 2nd Floor, City Hall at 11:00 a.m., before the Committee on Finance.

The Preconsidered Reso. also directs that all notices required under the BID law be properly given by SBS and the Bay Ridge 5th Avenue BID Steering Committee, respectively.

Accordingly, Your Committee recommends its adoption.

ATTACHMENT to Committee Report:

CITY PLANNING COMMISSION

February 8, 2006 Calendar No. 15 N 060222 BDK

IN THE MATTER of an application submitted by the Department of Small Business Services on behalf of the Bay Ridge 5th Avenue Business Improvement District pursuant to Section 25-405 of the Administrative Code of the City of New York, as amended, concerning the formation of the Bay Ridge 5th Avenue Business Improvement District, Borough of Brooklyn, Community District 10.

On September 28, 2005, the Mayor authorized the preparation of a district plan for the Bay Ridge 5th Avenue Business Improvement District (BID). On November 14, 2005, on behalf of the Bay Ridge 5th Avenue District Management Association (DMA), the Department of Small Business Services (DSBS) submitted the district plan for the BID, located in Community District 10 in the Borough of Brooklyn.

BACKGROUND

The proposed Bay Ridge 5th Avenue BID is located in the area generally known as Bay Ridge, in the Borough of Brooklyn. The BID's boundaries extend along 5th Avenue from 65th Street to 85th Street.

There are 340 properties in the BID, most of which are mixed-use buildings consisting of commercial use on the ground floor and residential units above. The District represents 320 property owners and 320 businesses.

The District can be described as a local commercial neighborhood street. Two existing BIDs anchor each end of the proposed BID including the 86th Street Bay Ridge and the Sunset Park 5th Avenue BIDs. There are approximately 1200 residential units, typically in the upper floors of three-to-four story buildings.

The services of the expanded BID will include sanitation and graffiti removal, security, holiday lighting and marketing. The sanitation program may include cleaning and sweeping of sidewalks and gutters; maintenance of street trees and snow removal at bus shelters and crosswalks. The BID proposes to employ a sanitation crew of four persons, and services will be provided 7 days a week. The program will supplement the existing municipal sanitation program.

The budget for the first year of the BID is projected to be $338,000. The budget will allocate $175,000 to sanitation/graffiti removal, $38,000 to security, $30,000 to holiday lighting, $ 30,000 to merchant promotions, $ 50,000 to administration and $15,000 towards the contingency plan.

The BID assessment method is based upon linear front footage. Commercial properties will be assessed at $41 dollars per linear foot. Corner lots will be additionally assessed $100. Vacant lots along with wholly residential properties will be assessed at $1, annually. Government and not-for-profit owned properties

devoted in whole to public and/or not-for-profit use will be exempt from assessment.

Outreach to property owners, merchants and residents was done by the Bay Ridge 5th Avenue Steering Committee. The outreach efforts included eleven meetings with property owners and merchants; six informational mailings; two hand-delivered informational material distribution; two public meetings and fifteen newspaper article announcements. The outreach for the BID was documented and submitted to City Planning.

ENVIRONMENTAL REVIEW

The district plan was reviewed pursuant to the New York State Environmental Quality Review Act (SEQRA) and the SEQRA regulations set forth in Volume 6 of the New York State Code of Rules and Regulations, Section 617.00 et seq., and the New York City Environmental Quality Review (CEQR) Rules of Procedure of 1991 and Executive Order No. 91 of 1977. The designated CEQR number is 06SBS003K. The lead agency is the Department of Small Business Services.

After a study of the potential environmental impact of the proposed action, a negative declaration was issued on November 1, 2005.

LAND USE REVIEW

On November 14, 2005 the Department of Small Business Services submitted the district plan for the Bay Ridge 5th Avenue Business Improvement District (BID) to the Department of City Planning. The plan was then transmitted for review to the Office of the Mayor, Office of the Brooklyn Borough President, City Council Speaker, City Council Member of Community Distr ict 43 and Brooklyn Community Board 10.

Community Board Public Hearing

On December 19, 2005, Community Board 10 adopted a resolution recommending approval of this application (N 060222 BDK).

City Planning Commission Public Hearing

On December 19, 2005 (Calendar No. 28) the Commission scheduled January 11, 2006 for a public hearing on the district plan. On January 11, 2006 (Calendar No. 24), the hearing was duly held. There were three speakers in favor of the proposal and none in opposition.

A property owner spoke about how the BID would be beneficial to aid in the maintenance of the recent investments completed in the area that included street and roadway improvements, utility upgrades and urban design enhancements that included

streetlights, benches and trees.

The chairman of the steering committee , as well as a property and business owner, spoke about how establishing a BID for the area would improve the quality of life for the residents in the community and help sustain the businesses in the distri ct. He also spoke of the issues which plague the area such as garbage, graffiti and safety, and how the issues would be alleviated if a BID existed there.

The executive director of the 86th Street Bay Ridge BID stated that he was in support of the proposed BID.

There were no other speakers and the hearing was closed.

Consideration

The Commission believes that the proposal to create the Bay Ridge 5th Avenue Business Improvement District in Brooklyn is appropriate.

The Commission has carefully reviewe d the documents that the proposed BID sponsor submitted regarding notification of constituents about the pending BID and believes that these outreach efforts for the BID were adequate and satisfactory.

BIDs are important to the City because they help retai n and attract businesses to the District and promote healthy economic development for the City.

Resolution

The Commission supports the proposed plan and has adopted the following resolution:

RESOLVED, that the City Planning Commission certifi es its unqualified approval of the proposed district plan for the Bay Ridge 5th Avenue Business Improvement District.

The above resolution duly adopted by the City Planning Commission on February 8, 2006 (Calendar No. 15) is filed with the City Council and the City Clerk pursuant to Section 25 -405 of the Administrative Code of the City of New York.

I. MAP OF THE DISTRICT

The Bay Ridge 5th Avenue Business Improvement District (hereinafter the "District") is located in the Borough of Brooklyn in the area generally known as Bay Ridge. It extends twenty (20) blocks along 5th Avenue on both sides of the street from 65th Street to 85th Street. Properties in the District are indicated on the map (the "District Map") hereto marked Exhibit A.

The Mayor of the City of New York, by written authorization dated September 28th 2005, a copy of which is annexed hereto as Exhibit B, has provided for the preparation of this plan (the "Plan") pursuant to authority granted by Local law 96 of 1989 (the "Law").

II. DISTRICT PROFILE: PRESENT USES OF DISTRICT PROPERTY

A. DISTRICT PROFILE

5th Avenue is a long-established commercial corridor that runs north to south along the western side of the Borough, from Flatbush Avenue to the southern end at 94th Street. The northern neighbor of the proposed District is the Sunset Park Business Improvement District (BID), and at the southern end is the 86th Street Bay Ridge BID. The housing stock that supports the proposed BID is principally 1st floor professional and retail businesses, with two- to six-family apartments above, the majority of these buildings built in the 1920s – 1930s. The population of those homes is primarily blue collar and city services workers. The areas adjacent to 5th Avenue are a mix of one- to three-family homes with some higher density apartment buildings.

The proposed District has just benefited from a New York City street and roadway reconstruction. It has been determined that the area would continue to benefit the most from the creation of a BID. Our surveys clearly showed that the business and property owners along 5th Avenue between 65th Street and 85th Street were interested in addressing issues of sanitation, graffiti, safety, marketing, holiday promotions and parking. This proposed District is located in the heart of Bay Ridge. Property owners and merchants are well aware of the marked progress and improvements of our neighboring BIDs (Sunset Park and Bay Ridge 86th Street). 5th Avenue is a stable commercial corridor with national and local retailers, grocery stores, professional offices, restaurants, banks and taverns.

The proposed District is within the boundaries of Brooklyn Community Board 10, and is covered by the 68th Police Precinct, and Sanitation District #BK10. Bay Ridge is also served by a volunteer group known as Bay Ridge Development Association.

B. PRESENT USES OF DISTRICT PROPERTY

1) ZONING

The District zoning is primarily R-6B.

2) COMMERCIAL/RETAIL

The District is a healthy, vibrant community encompassing approximately 340 properties (blocks & lots) with very few vacancies. The buildings within the boundaries of the District are sound, predominately three- to four-story buildings, 1st floor utilized for retail, commercial and professional purposes.

The District is served by several MTA bus lines (B1, B4 and B63) and the subway "R" train, which runs along 4th Avenue with stations at Bay Ridge Avenue (69th Street), 77th Street and 86th Street.

The District contains approximately three hundred and twenty (320) businesses such as restaurants, bakeries, green grocers, clothiers, optical, and other variety and convenience stores. The District is also accented by a variety of professional practices including local and regional

banking institutions, REALTORS®, and beauty salons, medical and dental centers. In addition, several national chains (e.g. Eckerd Drugs, Petland Discounts, Dunkin' Donuts, Carvel, Baskin-Robbins) have positioned themselves on the avenue. Limited on the 2nd floor above storefront business is additional office space.

3) RESIDENTIAL

The District serves the predominately middle-class population. The area is basically residential with a strong real estate and rental markets. Many of the buildings are well over 60 years old or older, but appear to be structurally sound and maintained.

4) NOT-FOR-PROFIT AND PUBLIC

On both sides of 5th Avenue between 66th Street and 67th Street, the properties are part of the Leif Ericksson Park, owned by the City of New York. The park consists of a playground, softball fields and basketball courts. There are no other Federal, State or City offices in the proposed District.

5) TRANSPORTATION

Brooklyn is an eclectic mix of public transportation and the automobile. The District presently has a mix of one-hour and two-hour parking meters. There is a municipal parking garage located at 85th Street, just east of 5th Avenue.

Public transportation includes MTA bus lines (B1, B4 and B63) with the subway "R" line on 4th Avenue with local stops at Bay Ridge Avenue (69th Street), 77th Street and 86th Street.

6) GENERAL COMMENTS

5th Avenue has recently completed a major overhaul of the streetscape. This three-year project included: sewer and watermain work, and uilities (such as Verizon, Keyspan, Time-Warner Cable, and Con Edison) all contributing to the major upgrade of 5th Avenue. Entire District then received new sidewalks, new roadway, new and additional street lighting plus other sidewalk amenities.

5th Avenue is alive and vibrant mix of retail stores and restaurants. For quite a number of years, property owners, business owners, residents and tenants have recognized the need to renew and maintain a clean and attractive environment. Many of the businesses have participated in the 5th Avenue Board of Trade, which, in the past, has sponsored activities such as cooperative advertising and holiday lighting. However, a few property owners and merchants did not participate and therefore did not pay their fair share of the costs of these events and activities, yet they benefited by them. That coupled with the knowledge from our survey we need to address the perception that 5th Avenue is an area that is dirty, unsafe, and uninviting to shoppers and businesses.

Over the past few months, a series of meetings were held, together with a survey form mailed to all property owners and merchant. A consensus has been reached to develop a mechanism to provide funds and services through a Business Improvement District (BID) similar to our adjoining BID Districts. Only with a coordinated approach and dedicated staffing, which a BID District can provide, will we see positive results.

III. PROPOSED SERVICES

A. DESCRIPTION OF SERVICES

The services to be provided pursuant to this Plan (the "Services") shall include any services required for the enjoyment, protection, and general welfare of the public, the promotion, and enhancement of the District, and to meet needs identified by the members of the District. These Services shall not take the place of, but supplement those services provided by the City on a citywide basis. The Services shall be performed under the direction of the Bay Ridge 5th Avenue District Management Association (hereinafter, "DMA").

1) SANITATION

The DMA Sanitation Program may be carried out in-house or it may be contracted out. The Program may include, but shall not be limited to, manual sweeping and cleaning of sidewalks, curbs and gutters, emptying of pedestrian trash receptacles, cleaning of graffiti from street furniture including security gates, maintenance of street trees and tree pits, and snow removal at bus shelters and crosswalks. The DMA plans to purchase trash receptacles that would include the BID logo and the maintenance firm will be responsible for their maintenance thereby assuring litter reduction. Special attention will be given to problems of overflowing trash receptacles, trash bags awaiting pickup being ripped open, and other sanitation problems in the hours prior to retail shops opening - all negatively impacting on vision and perception of a grand shopping avenue. Unauthorized posters/signs will be removed. Catch basins will receive special attention. The District will closely coordinate its sanitary activities with the New York City Sanitation Department and the local Community Board.

It is anticipated that four (4) uniformed maintenance personnel will work seven (7) days a week for eight (8) hours per day. The scheduled hours may vary depending on seasonal needs and activities. This Program may include such other maintenance service as are required from time to time in order to achieve a clean environment. This Sanitation Program will complement, but not replace, New York City Sanitation services.

2) MARKETING AND PROMOTION

A Marketing and Promotion Program for the District may include joint advertising, special events, website and publications. The purpose of the Program is to increase awareness of the businesses, and to increase business activity for all retailers and businesses within the District. Marketing and promotion are of prime importance to the merchants within the District. The DMA may also develop a website that will have a comprehensive directory of all our retailers and professionals. The website service directory will enable us to highlight our fine restaurants and shops. Other promotions will include the St. Patrick's Day and Norwegian Day Parades, and the Annual 5th Avenue Street Fair. Special events, to include discount coupons, late night shopping, holiday lighting with balloons, hot cocoa, snacks, etc., all may be sponsored by the DMA.

3) BEAUTIFICATION

The DMA may provide special identity banners and/or hanging baskets to reflect the changing seasons.

4) HOLIDAY LIGHTING

Holiday and other seasonal decorations may include, but will not be limited to, the installation of ornaments and/or lighting in the District.

5) PUBLIC SAFETY

It is anticipated that the DMA will contract out safety patrol service to a private security company that is licensed by the State of New York. The Safety Patrol will be motorized with uniformed personnel. The number of days and schedule of patrol times will vary in accordance with special events and seasonal requirements.

6) PARKING

Parking has always been a major headache along 5th Avenue. The DMA will study and make several alternative recommendations for consideration. The objective is to fine tune a system to increase available parking during peak shopping hours, and allow for longer periods of parking in off-peak hours.

7) ADMINISTRATION

Administration of the District (DMA) shall be by a salaried staff (the "Staff") that may include an Executive Director, clerical support and/or other special staff and/or consultants that the Board of Directors may, from time to time, deem necessary. The Executive Director will oversee District

Services and Improvements (such as the Sidewalk and Street Maintenance Program, Public Safety, Holiday Lighting, etc.) as directed by the DMA Board of Directors. In addition, the Executive Director will serve as ombudsman/spokesperson for the Bay Ridge 5th Avenue Business Improvement District collectively and/or individually. Administrative expenses also may include office rental, utilities, equipment, supplies, insurance, postage, etc. Legal and accounting services will be contracted as required. Whenever possible, in-kind services will be used.

8) ADDITIONAL SERVICES

Subject to any approvals and controls that may be required by a New York City agency having jurisdiction thereof, and in addition to the approval of the Board of Directors of the DMA, in subsequent years the District may provide such additional services as are permitted by law.

B. IMPLEMENTATION

It is anticipated that the DMA will commence most Services during the first Contract Year (hereinafter defined).

C. GENERAL PROVISIONS

1) All Services shall be in addition to and not in substitution for required and customary municipal services provided by the New York City on a citywide basis. Benchmarks for existing New York City services will be developed and monitored by the DMA.

2) All Services need not be performed in every Contract Year.

3) The staff and/or subcontractors of the DMA may render such administrative services are as needed to support performance of the Services.

4) In the event that in any given Contract Year the Sources of Funding (as hereafter described) do not in the aggregate produce revenues equal to the Total Budget Amount (as hereinafter described) for such Contract Year, the DMA may, subject to the Contract (as hereinafter defined) forego providing one or more or all Services in order to have revenues sufficient to pay debt service required in the Budget (as hereafter defined) for the Contract Year.

IV. PROPOSED IMPROVEMENTS

A. IMPROVEMENTS

The improvements (the "Improvements") to be provided pursuant to this Plan may include, but are not limited to, the following, provided that any Improvements that require review and approval by an appropriate New York City Agency shall be submitted to that New York City Agency and to the affected Community Board prior to undertaking any Improvements.

1) Sidewalk amenities to identify, enhance and beautify the District including the following proposals but not limited to:

a. Sidewalk plantings, trees, shrubs and flowers in accordance with New York City guidelines.

b. Sidewalk logos/plaques identifying the area as a BID.

c. Kiosks, with a complete location index of merchants/professionals, in the District at several locations.

d. Street identification.

e. Pedestrian crossing enhancements.

B. IMPLEMENTATION SCHEDULE

The Improvements may be implemented on as-needed basis.

C. GENERAL PROVISIONS

1) All Improvements shall be in addition to and not in substitution for required and customary municipal improvements provided by New York City on a citywide basis, benchmarks for which are presently being studied and recorded.

2) The staff and/or subcontractors of the DMA may render such administrative services as are needed to support implementation and construction of the Improvements.

V. PROPOSED SOURCE OF FUNDING

A. SOURCES OF FUNDING: GENERAL

The proposed sources of funding for all (i) Services, (ii) Improvements, (iii) proceeds arising from indebtedness as permitted pursuant to paragraph D herein below, and (iv) administrative costs necessary to support the program contemplated under this Plan shall be the sources of funding described in paragraphs B through F (inclusive). Subject to requirements of the law, the DMA may apply all monies derived from the sources of funding permitted herein to fund any expenditure permitted under this Plan.

B. SOURCES OF FUNDING: ASSESSMENTS

The DMA may enter into a Contract (hereinafter defined) for the purpose of having New York City levy and collect and then disburse to the DMA, assessments with respect to the Benefited Properties (hereinafter defined) in exchange for the rendering of Services and Improvements. Such assessments, as described herein below, shall be defined as "Assessments".

1) GENERAL

To defray the cost of Services and Improvements in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the Services and Improvements. Each property shall be assessed an amount determined by the DMA, that when totaled together with amounts for other properties in the District shall yield an amount sufficient to meet the District's annual budget. Each individual assessment shall be calculated based upon a formula (set forth below) applicable to the class of property (hereinafter defined).

The amounts, exclusive of debt service, assessed and levied in a given year against the Benefited Properties as Assessments, may not exceed 20% of the total general city taxes levied in that year against the Benefited Properties.

2) SPECIFIC FORMULA

All properties as classified in the most recent New York City tax rolls and as described below as Classes A, B, C and D shall be assessed as follows:

CLASS A PROPERTY – COMMERCIAL

All properties in whole or in part devoted to commercial and/or mixed uses shall constitute Class A property and shall be assessed at a rate that shall not exceed $42.25 per individual property linear front foot for the first contract year.

$$\text{Rate 1} = \frac{\text{Budget (total Assessment)}}{\text{Total Class A Linear Front Feet}}$$

Individual assessment = Rate 1 X Individual Property Front Feet

(** Corner properties will be assessed an additional $100 per year.)
(*** In the event a movie theatre becomes a mini-mall, there will be an additional assessment of $500.00 per year)

CLASS B PROPERTY – VACANT LOTS

All vacant lots, if any, will be assessed at one dollar ($1.00 per year).

CLASS C PROPERTY – RESIDENTIAL

All property devoted in whole to residential uses will be assessed at one dollar ($1.00) per year.

CLASS D PROPERTY - PUBLIC USE AND NOT-FOR-PROFIT

Government and not-for-profit owned property devoted in whole to public or not-for-profit use shall be exempt from district assessment. Government or not-for-profit owned property devoted in part to commercial/for-profit uses shall constitute Class A property and the proportion of the property devoted to commercial/for-profit uses shall be assessed in the same manner as those properties listed in Class A properties.

C. SOURCE OF FUNDING: GRANTS AND DONATIONS

The DMA may accept grants and donations from private institutions, the City, other public and private entities and individuals, and other not-for-profit organizations.

D. SOURCE OF FUNDING: BORROWING

1) Subject to Subparagraphs 2 and 3 immediately herein below, the DMA may borrow money from private lending institution, the City, other public and private entities or individuals, and other not-for-profit organizations for the purposes of funding operations or financing the cost of Improvements.

2) The use of monies received by the DMA from the City or from any other public entity, whether in the form of a grant or as proceeds from a loan, shall be subject to (i) all statutory requirements applicable to the expenditure and use of such monies, and (ii) any contractual requirements imposed by the City (whether pursuant to the Contract or otherwise) or by any other public entity, as the case may be.

3) Any loans, which the DMA may enter into as a borrower shall be subject to Section VI of this Plan.

E. SOURCE OF FUNDING: CHARGES FOR USER RIGHTS

Subject to the approval and control of the appropriate City Agency, the DMA may, in accordance with Section IX of this Plan, impose charges as consideration for the sub-granting or sub-licensing of User Rights (hereinafter defined) as such charges and User Rights are described in Section IX of this Plan.

F. SOURCE OF FUNDING: OTHER

The DMA may derive revenues from any other sources of funding not heretofore mentioned and which are permitted by law.

G. ASSIGNMENT OF FUNDING

The DMA may assign revenues from the sources of funding described in paragraphs B, C, D, E and F of this Section V for the purpose of securing loans which the DMA may enter in pursuant to paragraph D of this Section V, provided such assignments are subject to the requirements of Section VI of this Plan.

VI. PROPOSED EXPENDITURES: ANNUAL BUDGETS

A. TOTAL ANNUAL EXPENDITURES AND MAXIMUM COST OF IMPROVEMENTS

The total amount proposed to be expended by the DMA for Improvements, if any, Services and operations for the first Year is $338,000 as more fully set forth in Subsection B of this Section VI.

The total, as proposed to be expended by the DMA for any subsequent Contract Year shall not be greater than aggregate amount of all monies which the DMA may collect for the Contract Year in question from all funding sources permitted under Section V of this Plan. During the existence of this BID, the maximum cost of the Improvements, if any, will not exceed $1,500,000.

B. ANNUAL BUDGET

1) FIRST YEAR BUDGET

It is estimated that the annualized budget of proposed expenditures to be made during the first Contract Year shall be as follows:

a. SERVICES

i. Supplemental Sanitation; Graffiti Removal	$175,000
ii. Holiday Promotions (lights, decorations, flowers, baskets, trees, etc.)	$ 30,000
iii. Merchant Promotions (sales promos, directories, website, etc.)	$ 30,000
iv. Safety and Security (5 days)	$ 38,000
v. Administration (rent, salary, benefits, insurance, utilities, equipment, postage, etc.)	$ 50,000
vi. Contingency	$ 15,000
TOTAL FIRST YEAR BUDGET	$338,000

2) SUBSEQUENT BUDGETS

The DMA shall establish for each Contract Year after the first Contract Year, a proposed budget of expenditures. Such proposed budgets shall (with respect to the Contract Years to which they respectively apply): (i) reasonably itemized the purposes for which monies are proposed to be expended by the DMA; (ii) specify the amount, if any, proposed to be expended by the DMA for debt service; and (iii) set forth the total amount proposed to be expended (the "Total Annual Budget Amount"). A proposed assessment budget, whether for the First Contract Year or for a subsequent Contract Year shall be referred to as a "Budget".

C. GENERAL PROVISIONS

1) The DMA shall make no expenditure other than in accordance with and pursuant to:

(i) a Budget for which a Total Annual Budget Amount has been approved by the City and the Directors of the DMA;

(ii) any provisions in the Contract providing for the satisfaction of outstanding obligations of the DMA; or

(iii) any provisions in the Contract providing for the expenditure of amounts provided in the budget for, but unexpended in, a previous Contract Year.

2) The Total Annual Budget Amount shall not exceed the maximum total and annual amount that the DMA may expend for the Contract Year in question, pursuant to Paragraph A of this Section VI.

3) The Total Annual Budget Amount shall not be less than the amount needed to satisfy the DMA's debt service obligations for the Contract Year in question.

4) Subject to the DMA's need to satisfy its debt service for the Contract Year in question, the DMA may revise the itemizations within any Budget accordingly.

5) In the event that in any given Contract Year the sources of funding do not in the aggregate produce revenues equal to the Total Annual Budget Amount for such Contract Year, the DMA may, subject to the Contract, forego some or all of the non-debt service expenditures as are provided for in the Budget in question in order to have revenues sufficient to pay the debt service provided for in such Budget.

6) In the event the DMA needs to reallocate its non-debt service expenditures for the Contract Year in question, and provided further, that any debt service has been provided for, the DMA may revise the itemizations within any Budget to accomplish such goal.

VII. BENEFITED PROPERTIES

The providing of Services and Improvements shall benefit all properties within the District (the "Benefited Properties"). The Benefited Properties are described by the District Map (Exhibit A) and tax block and lots indicated in Exhibit C herein below.

VIII. DISTRICT MANAGEMENT ASSOCIATION

The DMA established for the Bay Ridge 5th Avenue BID shall be incorporated under Section 402 of the New York State Not-for-Profit Corporation Law. The DMA shall be organized for the purpose of executing the responsibilities of a DMA as set forth in the Law. Furthermore, the DMA shall carry out the activities prescribed in the Plan and shall promote and support the District.

The DMA shall be organized exclusively for charitable and education purposes as specified in Section 501 (c) of the Internal Revenue Code.

The DMA shall have four classes of voting membership and one class of non-voting membership. The voting classes are composed of: (i) owners of record of real property located within the District; (ii) commercial tenants leasing space within the District; (iii) residential tenants leasing space within the District, (iv) public representatives. The non-voting class shall include community board representatives, and may include others with an interest in the welfare of the District.

Each voting class shall elect members to the Board of Directors in the manner prescribed by the by-laws of the Corporation. The Board of Directors includes the representatives of owners of record of real property located within the District (which shall constitute a majority of the board), representatives of both commercial and residential tenants (including proprietary leases) leasing space in the buildings within the District and one member appointed by each of the following public officials: the Mayor of the City; the Comptroller of the City; the Borough President of Brooklyn; and the City Council member who represents the District or, if more than one City Council member

represents a portion of the District, by appointment of the Speaker of the City Council. The Community Board Chairperson or designated representative shall serve in a non-voting capacity.

IX. USER RIGHTS

A. USER RIGHTS: GENERAL

The DMA may undertake or permit commercial activities or other private uses of the streets or other parts of the District in which the City has any real property interest (the "User Rights"), provided, however, that the User Rights to be so undertaken or permitted by the DMA shall have been: (i) set forth in this Plan or authorized for licensing or granting by the City Council, and (ii) licensed or granted to the DMA by the City, and (iii) authorized by the appropriate City Agency having jurisdiction thereof. Once so granted or licensed, the User Right(s) in question shall be undertaken or permitted by the DMA in such a manner as to conform to the requirements, if any, set forth in this Plan, or the aforesaid Local Law with respect to User Right(s), and conform to the requirements authorized by the appropriate City Agency having jurisdiction thereof. Such requirements may include but shall not be limited to: (i) requirements as to what consideration the DMA shall pay to the City for the grant and/or license in question, (ii) requirements as to whether and how the DMA may permit other persons to undertake the User Right(s) in question pursuant to a sub-grant or sub license; (iii) requirements as to what charges the DMA may impose upon other persons as consideration for such sub-grant or sub-license; and (iv) requirements as the general regulation of the User Right(s) by whomsoever undertaken.

B. USER RIGHTS: PROPOSED

Subject to the approval and control of the appropriate City Agency and/or subject to any requirements set forth by the City, the DMA may undertake or permit the following User Rights, subject to the requirements set forth in the Contract: (1) information and promotion kiosks; (2) newsstands; and (3) news boxes.

X. REGULATIONS

The rules and regulations proposed for governing the operation of the District and the provision of Services and Improvements by the DMA ("the Regulations") are set forth herein below.

1. The DMA shall obligate itself to provide the Services and Improvements in a Contract or Contracts into which both the DMA and the City shall enter (collectively, the "Contract") for a specified term (each year or the Contract term to be defined as a "Contract Year"). The City shall, pursuant to the terms, conditions and requirements of the Contract, levy, collect and disburse to the DMA the Assessments. Such disbursements shall be made in accordance with general procedures for the payment of other City expenditures.
2. The DMA shall comply with all terms, conditions and requirements (i) elsewhere set forth in this Plan, and (ii) to be set forth in the Contract and in any other Contracts into which both the DMA and the City may enter, and (iii) shall comply with all terms, conditions and requirements set forth by the appropriate City Agency which is required to give its approval.
3. The DMA shall let any sub-contracts that it intends to enter into in connection with providing the Services and/or the Improvements.

Reports of the Committee on Governmental Operations

Report for Int. No. 190-A

Report of the Committee on Governmental Operations in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York in relation to the reporting of lobbyist activities and the enforcement of the lobbying law.

The Committee on Governmental Operations to which was referred on March 22, 2006 (Minutes, page 1036) the annexed amended proposed local law respectfully

REPORTS:

I. Introduction

On April 24, 2006, the Committee on Governmental Operations, chaired by Council Member Simcha Felder, will vote on Proposed Int. Nos. 190-A, 191-A and 192-A. Proposed Int. Nos. 190-A, 191-A and 192-A would make amendments to various sections of the New York city charter and the administrative code of the city of New York which would: (1) create a mandatory electronic filing system for lobbyists; (2) require full lobbyist disclosure of all fundraising and consulting activities; (3) strengthen enforcement and penalties for violations of the lobbying law; (4) ban all gifts from lobbyists to city officials; and (5) prevent lobbyists' contributions from being matched with public funds. The Committee held a hearing on a prior version of these bills on April 4, 2006.

II. Lobbying Reform Background

Lobbying scandals on the federal and state level, such as the Jack Abramoff lobbying scandal in 2005 ("Abramoff scandal"), have reduced the public's trust in its elected officials. The Abramoff scandal involved allegations that lobbyists illegally gave federal legislators gifts and made campaign donations in return for votes or support of legislation.[1] While the legislators argued there was no undue influence as a result of these gifts, these accusations raised serious questions of impropriety.

With the Abramoff scandal as a backdrop, City Council Speaker Christine Quinn and Mayor Michael Bloomberg introduced legislation to reform the city's lobbying laws. The proposed reforms seek to reduce the impact of lobbying culture and special interests in City Hall and strengthen the integrity, transparency and accessibility of city government for its constituents.[2]

III. New York City Lobbying Laws

Under the current New York City lobbying laws, which are contained in subchapter 2 of chapter 2 of title 3 of the administrative code of the city of New York ("administrative code"), the city clerk is responsible for enforcing compliance with the requirements of the lobbying laws.[3] One of the city clerk's responsibilities is to keep statements of registration filed annually by lobbyists open to public inspection for a period of five years.[4] The lobbyists' annual statement of registration must include:

(1) the name, address and telephone number of the lobbyist; (2) the name, address and telephone number of the client by whom or on whose behalf the lobbyist is retained, employed or designated; (3) if such lobbyist is retained or employed pursuant to a written agreement of retainer or employment, a copy of such shall also be attached and if such retainer or employment is oral, a statement of the substance thereof; (4) a written authorization from the client by whom the lobbyist is authorized to lobby, unless such lobbyist has filed a written agreement of retainer or employment pursuant to paragraph three of this subdivision; (5) a description of the general subject or subjects on which the lobbyist is lobbying or expects to lobby; (6) the name of the person or agency before which the lobbyist is lobbying or expects to lobby; and (7) if the lobbyist has a financial interest in the client, direct or indirect, information as to the extent of such interest and the date on which it was acquired.[5]

Lobbyists are also required to report to the city clerk within thirty days after the lobbyist terminates the retainer, employment or designation for which a statement of registration was filed.[6]

Further, pursuant to administrative code section 3-216, if a lobbyist "in any lobbying year expends, receives or incurs combined reportable compensation and expenses in an amount in excess of two thousand dollars"[7] then the lobbyist must file a first periodic report with the city clerk by "the fifteenth day next succeeding the end of the reporting period on which the cumulative total for such lobbying year equalled such sum."[8] Additionally, any lobbyist that files a periodic report must subsequently file with the city clerk "a periodic report for each reporting period that such person expends, receives or incurs combined reportable compensation and expenses in an amount in excess of five hundred dollars for the purposes of lobbying during such reporting period."[9] The periodic report must include:

(1) the name, address and telephone number of the lobbyist; (2) the name, address and telephone number of the client by whom or on whose behalf the lobbyist is retained, employed or designated; (3) a description of the general subject or subjects on which the lobbyist has lobbied; (4) the person or agency before which the lobbyist has lobbied; (5) (i) the compensation paid or owed to the lobbyist, and any expenses expended, received or incurred by the lobbyist for the purpose of lobbying. (ii) expenses required to be reported pursuant to subparagraph (i) of this paragraph shall be listed in the aggregate if seventy-five dollars or less and if more than seventy-five dollars such expenses shall be detailed as to amount, to whom paid, and for what purpose; and where such expense is more than seventy-five dollars on behalf of any one person, the name of such person shall be listed. (iii) for the purpose of this paragraph, expenses shall not include: (A) personal sustenance, lodging and travel disbursements of such lobbyist; (B) expenses, not in excess of five hundred dollars in any one calendar year, directly incurred for the printing or other means of reproduction or mailing of letters, memoranda or other written communications. (iv) expenses paid or incurred for salaries other than that of the lobbyist shall be listed in the aggregate. (v) expenses of more than fifty dollars shall be paid by check or substantiated by receipts."[10]

The city clerk is required to keep the periodic reports on file and open to public inspection for five years.[11]

Under the lobbying laws, "every lobbyist required to file a statement of registration pursuant to section 3-213 of this subchapter or any client retaining, employing or designating a lobbyist or lobbyists, if during the year such client expended, received or incurred an amount in excess of two thousand dollars of combined reportable compensation or expenses, as provided in paragraph five of subdivision (c) of this section, for the purposes of lobbying," is also required to file an annual report.[12] The annual report must be filed with the city clerk "by the fifteenth day of January next following the year for which such report is made and shall contain on an annual cumulative basis all the information required in periodic reports by section 3-216 of this subchapter."[13] The annual report must contain the same information as contained in the periodic report.[14] Further, any statement or report that must be filed under subchapter 2 may be filed in person with the clerk or done by mail.[15]

Section 3-223 outlines the penalties for violation of subchapter 2.[16] First, a person or organization is guilty of a class A misdemeanor if he or she knowingly or willfully violates any provision of subchapter 2.[17] The person or organization will also be "subject to a civil penalty, in an amount not to exceed fifteen thousand dollars, to be assessed by the city clerk, or an order to cease all lobbying activities subject to the jurisdiction of the city clerk for a period of time as determined by said clerk not to exceed sixty days, or both such civil penalty and order." [18] Second, if a person or organization "violates a cease and desist order of the city clerk issued under subdivision (a) or enters into a contingency agreement or accepts or pays any contingency fees as proscribed in section 3-218 of this subchapter, shall be guilty of a class A misdemeanor."[19] Also, the person or organization could be subject to a civil penalty "in an amount not to exceed fifteen thousand dollars, to be assessed by the city clerk."[20] Third, if a person or organization fails to file a statement or report after notification by the city clerk it "shall constitute a class A misdemeanor."[21] Additionally, the person or organization may be subject to a civil penalty of up to ten thousand dollars.[22] Fourth, if a person or organization violates any provision of subchapter 2 not punishable under subdivisions a, b, or c of section 3-223 then such person shall be subject to the imposition, by the city clerk, of a civil penalty of up to ten thousand dollars.[23] However, under section 3-223(e), the city clerk cannot assess

IV. New York City Conflict of Interest and Campaign Financing Laws

Under New York city laws governing conflicts of interest, it is impermissible for a public servant to accept any "valuable gift, as defined by rule of the [Conflicts of Interest] board, from any person or firm which such public servant knows is or intends to become engaged in business dealings with the city, except that nothing contained herein shall prohibit a public servant from accepting a gift which is customary on family and social occasions."[25] The Conflicts of Interest Board ("COIB") has defined a "valuable gift" as "any gift to a public servant which has a value of $50.00 or more, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form."[26]

Under the New York City campaign finance act, a candidate may be eligible for optional public financing if they meet certain requirements.[27] Once the candidate for nomination for election or election has met the requirements contained in section 3-703 of the administrative code, the next inquiry is whether the contribution received can be matched under the program with public funds.[28] In order to obtain campaign finance matching funds, a gift must be matchable.[29] Under the administrative code, loans and the following contributions are not matchable:

(a) in-kind contributions of property, goods, or services; (b) contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value; (c) contributions in the form of the purchase price paid for or otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes; (d) money order contributions from any one contributor that are, in the aggregate, greater than $100; and (e) contributions from individuals under the age of eighteen years.[30]

Under the campaign financing program, each participating, limited participating, or non-participating candidate and his or her principal committee must complete a disclosure report about all "contribution, loan, guarantee, or other security for such loan received by the candidate and such committee..."[31] Finally, the campaign finance board has responsibility for promulgating rules and regulations and providing necessary forms to implement the program.[32]

V. Provisions of Proposed Int. No. 190-A

Proposed Int. No. 190-A would make various structural and procedural changes to the city's lobbying laws, which if implemented would among other things: (1) create a stronger enforcement mechanism with the Office of the City Clerk ("Clerk"), (2) broaden lobbyists' disclosure requirements and (3) create a commission to review the law's efficacy and to make recommendations on ways to strengthen or improve the law.

The Clerk currently has authority to administer and enforce the lobbying laws, however, the Clerk has not effectively enforced the lobbying laws. Instead the Clerk's office has served as a mere storehouse for lobbyist information. Proposed Int. No. 190-A seeks to redress this problem by enhancing the enforcement powers of the Clerk's office by equipping the Clerk's office with in-house investigators, trained by the Department of Investigation ("DOI"). Under the proposed bill, the investigators at the clerk's office would not only be responsible for reviewing all of the lobbyists' filings currently required by the lobbying law, i.e., statements of registration, periodic reports, and annual reports, but would also be responsible for conducting random audits of these statements and reports.

Proposed Int. No. 190-A further enhances the Clerk's enforcement powers by increasing the fines applicable for violation of the lobbying laws. The proposed bill would increase the penalty for willful violations of the lobbying laws or violations of a Clerk's order to cease and desist from fifteen thousand dollars to thirty thousand dollars. Further, if a lobbyist does not timely file a statement or report required under the law, in addition to the criminal penalties that may be assessed, the lobbyist would be subject to daily penalties for the first fourteen days of delinquency. The Clerk would conform, by rule, the amount of the daily penalties to the fees assessed by the New York Temporary State Commission. Under the current lobbying law, the Clerk may also assess civil penalties against a lobbyist that fails to file any statement or report.[33] Proposed Int. No. 190-A would increase the civil penalty for failure to submit statements or reports, as well as for violations that do not fit within the aforementioned categories, from the current maximum fine of ten thousand dollars to a maximum fine of twenty thousand dollars.

Proposed Int. No. 190-A would also substantially increase the Clerk's public reporting requirements. Specifically, the City Clerk would be required to post annually on the internet a report detailing the number of complaints received from the public and the disposition of such complaints, the number and amount of civil penalties imposed, the number and duration of orders issued, the number of random audits conducted by the clerk and outcomes of the audits, and compliance programs developed and implemented for lobbyists by the Clerk. In addition, each time an order or civil penalty is issued, the Clerk would be required to post information on the internet identifying the lobbyist or client who committed the violation, the specific provision of law violated and the duration of the order or amount of the penalty. Further, the proposed bill would also increase the public's access to lobbying information by requiring that all statements and reports required to be filed by lobbyists with the Clerk be filed electronically and placed on the internet by the Clerk in a timely manner. These activities will accomplish the goals of the Speaker and the Mayor in proposing these reforms by making lobbying activity in City Hall more transparent.

A. Amendments to Reporting Requirements

Proposed Int. No. 190-A would require lobbyists to include their name, address and telephone number and the names, addresses and telephone numbers of their spouse or domestic partner and unemancipated children, if the lobbyist is an individual, in their statement of registration. In addition, if the entire entity is a lobbying business such as a lobbying firm, then it would be required to include the names, addresses and telephone numbers of all of its officers and employees. Finally, if an organization has a government affairs or lobbying division, the statement of registration would have to include the names of the employees or members of that division of the organization. Spouses and domestic partners as well as unemancipated children of such officers and employees required to be listed in the statement of registration must also be provided.

Under the current lobbying laws, lobbyists are required to disclose information regarding the subjects they lobby or expect to lobby in their periodic and annual reports. In practice, however, lobbyists do not comply with this requirement and most provide generic responses, such as lobbied about "public policy." Proposed Int. No. 190-A attempts to deter this practice by expanding lobbyists' disclosure requirements and making the reporting requirements much more specific. In particular, under the proposed bill, lobbyists would be required to "include additional information to identify the local law or resolution, procurement, real property, rule, rate making proceeding, determination of a board or commission, or other matter on which the lobbyist is lobbying or expects to lobby."

The proposed bill would also create a new reporting requirement for lobbyists to cover instances where a lobbyist acts in the dual capacities of lobbyist as well as fundraiser and/or political consultant for a candidate. Proposed Int. No. 190-A would require that "any lobbyist required to file a statement of registration pursuant to section 3-213 of this subchapter who in any calendar year to which the statement of registration relates, or in the six months preceding such calendar year, engages in fundraising or political consulting activities shall file with the city clerk, on forms supplied by the city clerk, a fundraising and/or political consulting report." The lobbyist would file the fundraising and/or political consulting reports on the same period schedule as the periodic reports are filed, except that the "first fundraising and/or political consulting report filed in any calendar year shall include information on fundraising and/or political consulting activities that occurred in any period beginning six months preceding the calendar year to which the statement of registration relates through the end of the reporting period for which the report is filed, to the extent such information has not been reported in a fundraising and/or political consulting report filed in the preceding calendar year. Each subsequent fundraising and/or political consulting report filed in or with respect to the calendar year to which the statement of registration relates shall include information on fundraising and/or political consulting activities that occurred since the end of the reporting period for which the previous report was filed through the end of the reporting period for which the current report is filed." The fundraising and/or political consulting activities must be reported, "whether they are conducted directly by the lobbyist, or through any other entity of which such lobbyist is a principal."

The intent of this provision is to ensure that lobbyists who are paid by candidates or on behalf of candidates by their campaign committees must report their dual roles. Employees of good government or other organizations who lobby and may provide political advice to candidates, but are paid by their employer, would not be required to make this filing.

The fundraising and/or political consulting report would contain the following information:

(1) the name, address and telephone number of the lobbyist and the individuals employed by the lobbyist engaged in such fundraising and/or political consulting activities; (2) the name, address and telephone number of the candidate, public servant, or elected official to whom or on whose behalf the lobbyist provided fundraising and/or political consulting services; (3) (i) the compensation paid or owed to the lobbyist for such fundraising and/or political consulting activities, and any expenses expended, received or incurred by the lobbyist for the purpose of providing fundraising and/or political consulting services; (ii) Expenses required to be reported pursuant to subparagraph (i) of this paragraph shall be listed in the aggregate if seventy-five dollars or less and if more than seventy-five dollars such expenses shall be detailed as to amount, to whom paid, and for what purpose; and where such expense is more than seventy-five dollars on behalf of any one person, the name of such person shall be listed; and (4) in the case of fundraising activities, the total dollar amount raised for each candidate for which such activities were performed.

Finally, the Clerk would be required to keep all fundraising and/or political consulting reports available in electronic form for inspection by the public.

In order to ensure that the city's lobbying reporting process is as streamlined as possible, the proposed bill would require the Clerk to adopt rules to conform the reporting periods and reporting forms, to the extent practicable, to those used by the New York Temporary State Lobbying Commission.

B. Implementation Commission

Finally, to ensure compliance with the reforms in the legislation, the proposed bill would require the mayor and the city council to jointly appoint a five-member

commission, within twenty-four months of the enactment of Proposed Int. No. 190-A, to review whether the legislation has been effectively implemented. Within six months of the commission's appointment, the commission would be required to give a report to the mayor and city council about its administrative and legislative recommendations for strengthening the administration and enforcement of the law and whether the commission would recommend raising the dollar threshold for the filing of a statement of registration.

Proposed Int. No. 190-A would become effective in two stages. The provisions contained in sections three, nine, ten, eleven, thirteen and fourteen of the law would become effective one year after the law is enacted and the remaining sections would become effective on the one hundred eightieth day after the law's enactment. The bifurcated enactment clause provides for additional time (one year) to the Clerk and other agencies to implement the provisions of the proposed bill that deal with the creation of electronic systems The increased penalties, additional dual-role reporting by lobbyists and more specific reporting requirements would take effect six months after the law's effective date.

VI. Provisions of Proposed Int. No. 191-A

Proposed Int. No. 191-A adds a new subchapter 3 to chapter 2 of title 3 of the administrative code, which would prohibits gifts by lobbyists to public servants.

Section one of the bill, which creates a new section 3-225 of the administrative code, prohibits lobbyists from offering or giving a gift to any public servant. Unlike the current Conflicts of Interest provisions which prohibit public servants from accepting "valuable gift[s]" defined as "any gift to a public servant which has a value of $50.00 or more..." Int. No. 191-A's ban on gifts from lobbyists applies only to the lobbyist.

Further, section one of the bill, which creates a section 3-228 of administrative code, authorizes COIB to consult with the Clerk to promulgate rules to ensure that the law is implemented, "including rules defining prohibited gifts, and exceptions to the prohibition on offering and receiving gifts...which to the extent practicable, shall be promulgated by COIB in a manner consistent with its rules and advisory opinions governing receipt of valuable gifts by public servants." The introduced version of the bill was amended to give further parameters to COIB about exceptions to the lobbyist gift-giving ban. This is done for "*de minimis* gifts," such as pens, mugs and t-shirts, gifts from family members and close personal friends on family or social occasions,[34] and those items such as invitations to events that are currently considered by the COIB to be gifts to the City that a public servant may accept in his or her official capacity.

COIB would be responsible for receiving, investigating and adjudicating any alleged violations of these new provisions, as well as all existing provisions, and they will do so in the same manner as they currently investigate and adjudicate conflicts of interest pursuant to section sixty-eight and thirty-four of the charter. In the event that COIB finds a violation of these provisions, if the person or organization knowingly and willfully violated the provisions they "shall be guilty of a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed thirty thousand dollars."

Proposed Int. No. 191-A would become effective "on the one hundred eightieth day after it shall have become a law provided that, upon enactment of this local law, the relevant city agencies shall take all necessary steps, including but not limited to the promulgation of forms and rules, to ensure the prompt implementation of this local law upon its effective date."

VII. Provisions of Proposed Int. No. 192-A

Proposed Int. No. 192-A amends the administrative code to strengthen the campaign finance system by prohibiting voluntary participants in the campaign finance program from receiving public matching funds for contributions by lobbyists and their spouses, domestic partners and unemancipated children. Proposed Int. No. 192-A was amended to remove the onus from the candidate to determine if a contributor was a lobbyist and therefore the contribution could not be submitted to the CFB for public matching funds. Under the amended legislation, the CFB is responsible for determining the matchability of lobbyist's contributions – the candidate is not.

Proposed Int. No. 192-A shifts the responsibility for determining whether a contribution is from a lobbyist and therefore not matchable to the CFB. In determining whether a contribution is not matchable based on the contributor's status as a lobbyist or person required to be included in a statement of registration filed pursuant to section 3-213 of the administrative code (or a spouse, domestic partner or unemancipated child of such person), the CFB shall "rely on the database maintained by the city clerk pursuant to section 3-221 or such other information known to the board." Pursuant to Proposed Int. No. 190-A, a lobbyist would be required to include their name, address and telephone number, if the lobbyist is an individual, as well as the name, address and telephone number of their spouse or domestic partner and unemancipated children in their statement of registration. The address and telephone numbers of spouses, domestic partners and unemancipated children would not be made available to the public. Further, if the lobbyist is an organization, the lobbyist must include "the names, addresses and telephone numbers of any officer or employee of such lobbyist who engages in any lobbying activities or who is employed in an organization's division that engages in lobbying activities of the organization and the spouse or domestic partner and unemancipated children of such officers or employees," in their statement of registration. When the statement of registration is electronically submitted to the Clerk's office and the Clerk's database is operational, the CFB will access the Clerk's database for purposes of determining if a contribution is not matchable because the contribution was from a lobbyist.

Proposed Int. No. 192-A would become effective immediately and would be applicable to all public funds claims for elections held after the effective date. Although the CFB would rely on the database created by the Clerk's office to determine if a contribution is not macthable, by making the law effective immediately, it ensures that all lobbyist contributions submitted to the CFB before the next election are still considered not matchable under the law.

(The following is the Fiscal Impact Statement for Int. No. 190-A:)

FISCAL IMPACT STATEMENT:

	Effective FY 06	FY Succeeding Effective FY 07	Full Fiscal Impact FY 07
Revenues (+)	*	*	*
Expenditures (-)	**	***	***
Net	$0	$0	$0

***IMPACT ON REVENUES:** This legislation would double the maximum allowable fines for non-compliance. These maximum fines would be large – in some cases up to $30,000. While some large fines may be levied, no significant revenues are foreseen, as the rationale for the fine increase is to foster compliance.

IMPACT ON EXPENDITURES: This legislation would generate both Personal Services (PS) and Other Than Personal Services (OTPS) costs for the city clerk. On an annualized basis, the city clerk would need approximately four investigators at $50,000 each and four support staff at $35,000 each. OTPS costs would include approximately $10,000 for printing costs associated with training and educational materials, and $30,000 in lease costs should existing City-owned space be unavailable. (** It should be noted that funds totaling $100,000 were appropriated for the City Clerk in the Fiscal 2006 Second Quarter Budget Modification, MN-5, to enable the agency to meet its additional responsibilities associated with this proposed legislation.) Additionally, undetermined one-time technology costs (likely to impact the Capital Budget) would also be required to establish the city clerk's on-line lobbyist registration system and upgraded internet site. (*** It should also be noted that funds totaling $350,000 for five full-time positions in PS for Fiscal 2007 and the outyears and $25,000 in OTPS for Fiscal 2007 and $5,000 for Fiscal 2008 and the outyears were appropriated for the City Clerk in the Fiscal 2007 Executive Budget to fund lobbyist activity enforcement staff.)

A Local Law to amend the administrative code of the city of New York in relation to the reporting of lobbyist activities and the enforcement of the lobbying law.

Be it enacted by the Council as follows:

Section 1. Section 3-211 of the administrative code of the city of New York is amended by adding new subdivisions (g) through (i) to read as follows:

(g) The term "public servant" shall mean a public servant as defined in subdivision nineteen of section two thousand six hundred one of the charter.

(h) The term "fundraising activities" shall mean solicitation or collection of contributions for a candidate for nomination for election, or election, to the office of mayor, public advocate, comptroller, borough president or member of the city council, or for the political committee of any such candidate by a lobbyist, or the solicitation or collection of contributions for any public servant who is a candidate for nomination for election, or election, to any elective office, or for the political committee of any such candidate by a lobbyist. For purposes of this subchapter, the term "contribution" shall have the meaning set forth in subdivision eight of section 3-702 of the administrative code, and the term "political committee" shall have the meaning set forth in subdivision eleven of such section. The term "lobbyist" shall mean a lobbyist as defined in subdivision (a) of this section and the spouse or domestic partner and unemancipated children of the lobbyist, and if the lobbyist is an organization, the term "lobbyist" shall mean only that division of the organization that engages in lobbying activities and any officer or employee of such lobbyist who engages in lobbying activities of the organization or is employed in an organization's division that engages in lobbying activities of the organization and the spouse or domestic partner and unemancipated children of such officers or employees.

(i) The term "political consulting activities" shall mean the activities of a lobbyist who for compensation by or on behalf of the candidate or elected official, as applicable, (i) participates in the campaign of any candidate for nomination for election, or election, to the office of mayor, public advocate, comptroller, borough president or member of the city council by providing political advice, or (ii) participates in the campaign of any public servant who is a candidate for nomination for election, or election, to any elective office by providing political advice, or (iii) provides political advice to the mayor, public advocate, comptroller, borough president or member of the city council.

§2. Section 3-212 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

§3-212 Powers and duties of the city clerk. *(a)* In addition to any other powers and duties specified by law, the city clerk shall have the power and duty to administer and enforce all the provisions of this subchapter, subpoena witnesses and records, issue advisory opinions to those under its jurisdiction, conduct any investigation *and audits* necessary to carry out the provisions of this subchapter, prepare uniform forms for the statements and reports required by this subchapter and promulgate such rules as he or she deems necessary for the proper administration of this subchapter.

(b) In addition to any audits required to enforce the provisions of this subchapter, the city clerk shall conduct random audits of the statements and reports required to be filed by lobbyists and clients pursuant to this subchapter. The city clerk shall select statements and reports for random audit in a manner pursuant to which the identity of any particular lobbyist or client whose statements or reports are selected for audit is unknown to the city clerk. In conducting such random audits, the city clerk shall require the production of such witnesses and records as may have been relevant to the preparation of the statements or reports audited.

(c) The city clerk shall prepare and post on the internet an annual report relating to the administration and enforcement of the provisions of this subchapter. Such report shall contain information regarding (i) the number of complaints received from the public and the disposition of such complaints; (ii) the number and amount of civil penalties imposed pursuant to subdivisions (a), (b), (c) and (d) of section 3-223 of this subchapter; (iii) the number and duration of orders issued pursuant to subdivision (a) of section 3-223 of this subchapter; (iv) the number of random audits conducted by the clerk and outcomes thereof; (v) compliance programs developed and implemented for lobbyists and clients; and (vi) such other information and analysis as the city clerk deems appropriate. Such report shall be posted on the internet no later than March first of each year and shall contain information relating to the preceding calendar year.

(d) The city clerk shall, as soon as practicable after the issuance of an order pursuant to subdivision (a) of section 3-223 of this subchapter or imposition of a civil penalty pursuant to subdivision (a), (b), (c) or (d) of section 3-223 of this subchapter, post on the internet information identifying the lobbyist or client who committed the violation that resulted in the issuance of such order or imposition of such penalty, the provision of law violated, the duration of such order or the amount of such penalty.

(e) Twenty-four months after the effective date of the section of the local law that added this subdivision, the mayor and the city council shall jointly appoint a commission to review and evaluate the activities and performance of the city clerk in implementing the provisions of this subchapter. Within six months of such appointment the commission shall report to the mayor and city council on its review and evaluation which report shall include any administrative and legislative recommendations on strengthening the administration and enforcement of this subchapter, as well as whether the commission would recommend raising the dollar threshold for the filing of a statement of registration. The commission shall be comprised of five members and the mayor and the city council shall jointly designate a chair from among the members.

§3. Subdivision (b) of section 3-213 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

(b) Such statements of registration shall be kept [on file for a period of five years] *in electronic form in the office of the city clerk* and shall be [open to] *available for* public inspection [during such period].

§4. Paragraph 1 of subdivision (c) of section 3-213 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

(1) the name, address and telephone number of the lobbyist *and the spouse or domestic partner and unemancipated children of the lobbyist, and if the lobbyist is an organization the names, addresses and telephone numbers of any officer or employee of such lobbyist who engages in any lobbying activities or who is employed in an organization's division that engages in lobbying activities of the organization and the spouse or domestic partner and unemancipated children of such officers or employees, provided that the addresses and telephone numbers of spouses, domestic partners and unemancipated children shall be not be made available to the public but may be accessed by the campaign finance board for the sole purpose of determining whether a campaign contribution is matchable pursuant to section 3-702*;

§5. Paragraph 5 of subdivision (c) of section 3-213 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

(5) a description of the [general] subject or subjects on which the lobbyist is lobbying or expects to lobby, *including information sufficient to identify the local law or resolution, procurement, real property, rule, rate making proceeding, determination of a board or commission, or other matter on which the lobbyist is lobbying or expects to lobby*;

§6. Section 3-215 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

§3-215[.] Termination of retainer, employment or designation. Upon the termination of a lobbyist's retainer, employment or designation, such lobbyist and the client on whose behalf such service has been rendered shall both give written notice to the city clerk within thirty days after the lobbyist ceases the activity that required such lobbyist to file a statement of registration; however, such lobbyist shall nevertheless comply with the *reporting requirements of section 3-216.1 of this subchapter and the* reporting requirements for the last periodic reporting period up to the date such activity has ceased as required by this subchapter and both such parties shall each file the annual report required by section 3-217 of this subchapter. The city clerk shall enter notice of such termination in the appropriate monthly registration docket required by section 3-214 of this subchapter.

§7. Paragraph 1 of subdivision (a) of section 3-216 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

(1) any lobbyist required to file a statement of registration pursuant to section 3-213 of this subchapter who in any lobbying year expends, receives or incurs combined reportable compensation and expenses in an amount in excess of two thousand dollars, as provided in paragraph five of subdivision (b) of this section, for the purpose of lobbying, shall file with the city clerk a first periodic written report, on forms supplied by the city clerk, *which to the extent practicable shall be identical in form to the periodic reporting forms used by the New York Temporary State Commission on Lobbying,* by the fifteenth day next succeeding the end of the reporting period on which the cumulative total for such lobbying year equaled such sum. Such reporting periods shall be the period from January first to March thirty-first, April first to May thirty-first, June first to September thirtieth, and October first to December thirty-first[.], *or such other dates as the city clerk shall designate by rule to conform the periodic reporting periods with the periodic reporting periods of the New York Temporary State Commission on Lobbying.*

§8. Paragraph 3 of subdivision (b) of section 3-216 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, is amended to read as follows:

(3) a description of the [general] subject or subjects on which the lobbyist has lobbied, *including information sufficient to identify the local law or resolution, procurement, real property, rule, rate making proceeding, determination of a board or commission, or other matter on which the lobbyist has lobbied*;

§9. Paragraph 2 of subdivision (d) of section 3-216 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

(2) Such periodic reports shall be kept [on file] *in electronic form* in the office of the city clerk [for five years] and shall be [open to] *available for* public inspection [during such time].

§10. Subchapter 2 of chapter 2 of title 3 of the administrative code of the city of New York is amended by adding a new section 3-216.1 to read as follows:

§3-216.1 Fundraising and political consulting reports.

(a) Any lobbyist required to file a statement of registration pursuant to section 3-213 of this subchapter who in any calendar year to which the statement of registration relates, or in the six months preceding such calendar year, engages in fundraising or political consulting activities shall file with the city clerk, on forms supplied by the city clerk, a fundraising and/or political consulting report. Such

report shall be filed in accordance with the schedule applicable to the filing of periodic reports, provided that the first fundraising and/or political consulting report filed in any calendar year shall include information on fundraising and/or political consulting activities that occurred in any period beginning six months preceding the calendar year to which the statement of registration relates through the end of the reporting period for which the report is filed, to the extent such information has not been reported in a fundraising and/or political consulting report filed in the preceding calendar year. Each subsequent fundraising and/or political consulting report filed in or with respect to the calendar year to which the statement of registration relates shall include information on fundraising and/or political consulting activities that occurred since the end of the reporting period for which the previous report was filed through the end of the reporting period for which the current report is filed. Such activities shall be reported whether they are conducted directly by the lobbyist, or through any other entity of which such lobbyist is a principal. Such fundraising and/or political consulting reports shall be filed not later than the fifteenth day next succeeding the end of such reporting period.

(b) Such fundraising and/or political consulting report shall contain:

(1) the name, address and telephone number of the lobbyist and the indivtduals employed by the lobbyist engaged in such fundraising and/or political consulting activities;

(2) the name, address and telephone number of the candidate, public servant, or elected official to whom or on whose behalf the lobbyist provided fundraising and/or political consulting services;

(3) (i) the compensation paid or owed to the lobbyist for such fundraising and/or political consulting activities.

(ii) a list of all persons or entities with whom the lobbyist contracted for the purpose of providing fundraising and/or political consulting services;

(4) in the case of fundraising activities, the total dollar amount raised for each candidate for which such activities were performed.

(c) All such fundraising and/or political consulting reports shall be subject to review by the city clerk.

(d) Such fundraising and/or political consulting reports shall be kept in electronic form in the office of the city clerk and shall be available for public inspection.

§11. Subdivision (b) of section 3-217 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

(b) Such report pursuant to paragraph one of subdivision (a) of this section shall be filed with the city clerk, on forms supplied by the city clerk, by the fifteenth day of January next following the year for which such report is made and shall contain on an annual cumulative basis all the information required in periodic reports by section 3-216 of this subchapter *and all the information required in fundraising and/or political consulting reports by section 3-216.1 of this subchapter.*

§12. Paragraphs 3 and 4 of subdivision (c) of section 3-217 of the administrative code of the city of New York, as added by local law number 14 for the year 1986, are amended to read as follows:

(3) a description of the [general] subject or subjects on which each lobbyist retained, employed or designated by such client has lobbied, *including information sufficient to identify the local law or resolution, procurement, real property, rule, rate making proceeding, determination of a board or commission, or other matter on which each lobbyist retained, employed or designated by such client has lobbied*;

(4) the person or agency before which such [client] *lobbyist* has lobbied;

§13. Paragraph 2 of subdivision (d) of section 3-217 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

(2) Such annual reports shall be kept [on file] *in electronic form* in the office of the city clerk [for a period of five years] and shall be [open to] *available for* public inspection [during such period].

§14. Section 3-221 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

§3-221 Filing of statements and reports. Any statement or report required by this subchapter [may be filed with the city clerk either in person or by mail] *shall be filed by electronic transmission in a standard format as required by the city clerk.* [It shall be deemed properly filed by mail when deposited in an official depository under the exclusive care and custody of the United States Postal Service, properly addressed in a post-paid wrapper. In the event it is not received, such statement shall be promptly filed upon notice from the city clerk of its non-receipt.] *Statements, reports, dockets and any other information required to be kept on file in the office of the city clerk for public inspection pursuant to this subchapter shall be kept in a computerized database and shall be posted on the internet as soon as practicable.*

§15. Section 3-223 of the administrative code of the city of New York, as amended by local law number 67 for the year 1993, is amended to read as follows:

§3-223 Penalties. (a) Except as provided for in subdivision (b) of this section, any person or organization who knowingly and wilfully violates any provision of this subchapter shall be guilty of a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed [fifteen] *thirty* thousand dollars, to be assessed by the city clerk, or an order to cease all lobbying activities subject to the jurisdiction of the city clerk for a period of time as determined by said clerk not to exceed sixty days, or both such civil penalty and order.

(b) Any person or organization who violates a cease and desist order of the city clerk issued under subdivision a of this section or enters into a contingency agreement or accepts or pays any contingency fees as proscribed in section 3-218 of this subchapter, shall be guilty of a class A misdemeanor. In addition to such criminal penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed [fifteen] *thirty* thousand dollars, to be assessed by the city clerk.

(c) *The city clerk shall designate by rule penalties for late filing of any statement or report required by this subchapter, which shall conform with the schedule established by the New York Temporary State Commission on Lobbying for such charges.* Following a failure to make and file any *such* statement or report [required by this subchapter], the city clerk shall notify the person or organization of such fact by certified mail that such filing must be made within fourteen business days of the date of mailing of such notice. The failure to file any statement or report within such time shall constitute a class A misdemeanor. In addition to such criminal *and late* penalties, said person or organization shall be subject to a civil penalty, in an amount not to exceed [ten] *twenty* thousand dollars, to be assessed by the city clerk. For the purposes of this subdivision, the chief administrative officer of any organization required to file a statement or report shall be the person responsible for making and filing such statement or report unless some other person prior to the due date thereof has been duly designated to make and file such statement or report.

(d) Any person or organization who violates any provision of this subchapter not punishable under subdivisions [a, b or c] *(a), (b) or (c)* of this section shall be subject to a civil penalty, in an amount not to exceed [ten] *twenty* thousand dollars, to be assessed by the city clerk.

(e) Any civil penalty to be assessed under subdivision [d] *(d)* of this section, or any order issued under subdivision [a] *(a)* of this section, may only be imposed or issued after written notice of violation and the expiration of fourteen business days from the date of mailing of such notice. If such violation is cured within such fourteen-day period, then such civil penalty or order shall not be imposed or issued.

(f) The amount of any assessment made or duration of order issued pursuant to this section shall be determined only after a hearing at which the party shall be entitled to appear and be heard. Any assessment imposed under this section may be recovered in an action brought by the corporation counsel.

(g) The city clerk shall be charged with the duty of reviewing all statements and reports required under this subchapter for violations, and it shall be his duty, if he deems such to be willful, to report such determination to the [appropriate authority for criminal prosecution] *department of investigation. Where the city clerk receives a report or otherwise suspects that a criminal violation of law, other than a violation of this subchapter, has been or may have been committed, the city clerk shall report any information relating thereto to the department of investigation.*

(h) The department of investigation shall provide assistance to the city clerk for the purpose of training personnel who are responsible for the administration and enforcement of the provisions of this subchapter. The city clerk shall develop compliance programs for lobbyists and clients.

§16. If any provision of this local law, or any amendments thereto, shall be held invalid or ineffective in whole or in part or inapplicable to any person or situation, such holding shall not affect, impair or invalidate the remainder of this local law, and all other provisions thereof shall nevertheless be separately and fully effective and the application of any such provision to other persons or situations shall not be affected.

§17. This local law shall take effect on the one hundred eightieth day after its enactment, provided, however, that sections three, nine, eleven, thirteen and fourteen of this local law shall take effect one year after the enactment of this local law, and provided, further, that, upon enactment of this local law, the relevant city agencies shall take all necessary steps, including but not limited to the promulgation of forms and rules, to ensure the prompt implementation of this local law upon its effective date.

Int. No. 191-A

By The Speaker (Council Member Quinn) and Council Members Arroyo, Avella, Brewer, Fidler, Garodnick, Gonzalez, James, Koppell, Lappin, Mark-Viverito, Martinez, Nelson, Palma, Weprin, White, Liu, Vacca, Gennaro, Gentile, Jackson and The Public Advocate (Ms. Gotbaum) (in conjunction with the Mayor).

A Local Law to amend the administrative code of the city of New York and the New York city charter, in relation to gifts by lobbyists.

Be it enacted by the Council as follows:

Section 1. Chapter two of title three of the administrative code of the city of New York is amended by adding a new subchapter 3 to read as follows:

Subchapter 3

Prohibition of Gifts by Lobbyists

§3-224 Definitions. Whenever used in this subchapter, the term "public servant" shall mean a public servant as defined in subdivision nineteen of section two thousand six hundred one of the charter.

§3-225 Prohibition of gifts. No person required to be listed on a statement of registration pursuant to section 3-213(c)(1) of subchapter 2 of this chapter shall offer or give a gift to any public servant.

§3-226 Enforcement. Complaints alleging violations of this subchapter shall be made, received, investigated and adjudicated in a manner consistent with investigations and adjudications of conflicts of interest pursuant to chapters sixty-eight and thirty-four of the charter.

§3-227 Penalties. Any person required to be listed on the statement of registration pursuant to section 3-213(c)(1) that knowingly and willfully violates any provision of this subchapter shall be subject to a civil penalty, which for the first offense shall be not less than two thousand five hundred dollars and not more than five thousand dollars, for the second offense not less than five thousand dollars and not more than fifteen thousand dollars, and for the third and subsequent offenses not less than fifteen thousand dollars and not more than thirty thousand dollars. In addition to such civil penalties, for the second and subsequent offenses a person required to be listed on the statement of registration pursuant to section 3-213(c)(1) that knowingly and willfully violates the provisions of this subchapter shall also be guilty of a class A misdemeanor.

§3-228 Rulemaking. The conflicts of interest board, in consultation with the clerk, shall adopt such rules as necessary to ensure the implementation of this subchapter, including rules defining prohibited gifts and exceptions including de minimis gifts, such as pens and mugs, gifts that public servants may accept as gifts to the city and gifts from family members and close personal friends on family or social occasions, and to the extent practicable, such rules shall be promulgated in a manner consistent with the rules and advisory opinions of such board governing the receipt of valuable gifts by public servants.

§2. Chapter 68 of the New York city charter is amended by adding a new section 2607 to read as follows:

§2607. Gifts by lobbyists. Complaints made pursuant to subchapter three of chapter two of title three of the administrative code shall be made, received, investigated and adjudicated in a manner consistent with investigations and adjudications of conflicts of interest pursuant to this chapter and chapter thirty-four.

§3. If any provision of this local law, or any amendments thereto, shall be held invalid or ineffective in whole or in part or inapplicable to any person or situation, such holding shall not affect, impair or invalidate the remainder of this local law, and all other provisions thereof shall nevertheless be separately and fully effective and the application of any such provision to other persons or situations shall not be affected.

§4. This local law shall take effect on the one hundred eightieth day after it shall have become a law provided that, upon enactment of this local law, the relevant city agencies shall take all necessary steps, including but not limited to the promulgation

of forms and rules, to ensure the prompt implementation of this local law upon its effective date.

(The following is the text of the Mayor's Message of Necessity for the Immediate Passage of Int No. 191-A:)

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

Pursuant to authority invested in me by section twenty of the Municipal Home Rule and by section thirty-six of the New York City Charter, I hereby certify to the necessity for the immediate passage of a local law; entitled:

A LOCAL LAW

To amend the administrative code of the city of New York, in relation to gifts by lobbyists.

Given under my hand and seal this 24th day of May, 2006 at City Hall in the City of New York

Michael R. Bloomberg
Mayor

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report for Int. No. 192-A

Report of the Committee on Governmental Operations in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York in relation to campaign contributions by lobbyists.

The Committee on Governmental Operations to which was referred on March 22, 2006 (Minutes, page 1042) the annexed amended proposed local law respectfully

REPORTS:

(For text of the report, please see the Report of the Committee on Governmental Operations for Int. No. 190-A printed above in these Minutes.)

(The following is from the text of the Fiscal Impact Statement for Int. No. 192-A:)

FISCAL IMPACT STATEMENT:

	Effective FY 06	FY Succeeding Effective FY 07	Full Fiscal Impact FY 2010
Revenues (+)	$0	$0	$0
Expenditures (-)	$0	$0	$500,000
Net	$0	$0	$500,000

IMPACT ON REVENUES: This legislation would have no impact on revenues.

IMPACT ON EXPENDITURES: Based on the impact that this legislation would have had on campaign matching fund payments in Fiscal 2006 (associated with the Fall 2005 citywide elections), it is estimated that during fiscal years having citywide elections this legislation would save the City approximately $500,000 in matching fund costs; the next such fiscal year is Fiscal 2010 (during which the Fall 2009 citywide elections will be held). In other fiscal years the impact on matching fund expenditures will be de minimis.

SOURCE OF FUNDS TO COVER ESTIMATED COSTS: General Fund

SOURCE OF INFORMATION: City Council Finance and Government Affairs Divisions, Office of the Mayor

ESTIMATE PREPARED BY: James Caras, Deputy General Counsel
Andy Grossman, Assistant Director
Paul Scimone, Senior Legislative Financial Analyst
Eisha Williams, Legislative Financial Analyst

HISTORY: Int. No. 192 was introduced on March 22, 2006 and referred to the Committee on Governmental Operations. It was considered and laid over by the Committee on April 4, 2006. An amended version of the bill (Proposed Int. No. 192-A) will be considered by the Committee on May 24, 2006.

Accordingly, Your Committee recommends its adoption, as amended.

(The following is the text of Int. No. 192-A:)

Int. No. 192-A

By The Speaker (Council Member Quinn) and Council Members Arroyo, Avella, Brewer, Fidler, Garodnick, Gonzalez, James, Koppell, Lappin, Mark-Viverito, Martinez, McMahon, Nelson, Palma, Weprin, White, Liu, Vacca, Jackson, Gentile, Gennaro and The Public Advocate (Ms. Gotbaum) (in conjunction with the Mayor).

A Local Law to amend the administrative code of the city of New York, in relation to campaign contributions by lobbyists.

Be it enacted by the Council as follows:

Section 1. Subdivision 3 of section 3-702 of the administrative code of the city of New York, as amended by local law number 58 for the year 2004, is amended, and new subdivisions 16 and 17 are added to such section to read as follows:

3. The term "matchable contribution" shall mean (i) a contribution, (ii) contributions or (iii) a portion of a contribution or contributions, not greater than the applicable contribution limitation set forth in paragraph (f) of subdivision one of section 3-703 for all covered elections held in the same calendar year, made by a natural person resident in the city of New York to a participating candidate which has been reported in full to the campaign finance board in accordance with subdivision six of section 3-703 by the candidate's principal committee and has been contributed on or before December thirty-first in the year of such election that may be matched by public funds in accordance with the provisions of this chapter. Any contribution, contributions, or a portion of a contribution determined to be invalid for matching funds by the board may not be treated as a matchable contribution for any purpose. A loan may not be treated as a matchable contribution. The following contributions are not matchable:

(a) in-kind contributions of property, goods, or services;

(b) contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value;

(c) contributions in the form of the purchase price paid for or otherwise induced by a chance to participate in a raffle, lottery, or a similar drawing for valuable prizes;

(d) money order contributions from any one contributor that are, in the aggregate, greater than $100;

(e) contributions from individuals under the age of eighteen years; [and]

(f) contributions from individual vendors to whom the participating candidate or his or her principal committee makes an expenditure, in furtherance of the nomination for election or election covered by the candidate's certification, unless such expenditure is reimbursing an advance; *and*

(g) contributions from lobbyists or other persons required to be included in a statement of registration filed pursuant to section 3-213(c)(1). The board shall rely on the database maintained by the city clerk pursuant to section 3-221 or such other information known to the board to determine whether a contribution is not matchable based on the contributor's status as a lobbyist or person required to be included in a statement of registration filed pursuant to section 3-213.

16. The term "lobbyist" shall mean a lobbyist as defined in subdivision (a) of section 3-211 of this title and the spouse or domestic partner and unemancipated children of the lobbyist, and if the lobbyist is an organization, the term "lobbyist" shall mean only that division of the organization that engages in lobbying activities and any officer or employee of such lobbyist who engages in lobbying activities of the organization or is employed in an organization's division that engages in lobbying activities of the organization and the spouse or domestic partner and unemancipated children of such officers or employees.

17. The term "lobbying" or "lobbying activities" shall mean lobbying and lobbying activities as defined in section 3-211 of this title.

§2. If any provision of this local law, or any amendments thereto, shall be held invalid or ineffective in whole or in part or inapplicable to any person or situation, such holding shall not affect, impair or invalidate the remainder of this local law, and all other provisions thereof shall nevertheless be separately and fully effective and the application of any such provision to other persons or situations shall not be affected.

§3. This local law shall take effect immediately and shall be applicable to all public funds claims for elections held on or after the effective date, regardless of whether the claim for public funds was submitted prior to the effective date.

SIMCHA FELDER, Chairperson; JOSEPH P. ADDABBO JR., LARRY B. SEABROOK, PETER F. VALLONE JR., INEZ E. DICKENS, Committee on Governmental Operations, May 24, 2006.

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report Summary:

COMMITTEE ACTION

DATE: May 16, 2006

The Committee recommends that the Council approve the attached resolution and thereby approve the proposals, grant the requests made by the Department of Housing Preservation and Development, and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 344

Resolution approving an Urban Development Action Area Project located at 303 Grand Street (Block 2383/Lot 27) and 280-82 Grand Street (Block 2395/Lot 5), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 127; 20065398 HAK).

By Council Members Katz and Garodnick

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on April 12, 2006 its request dated March 20, 2006 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 303 Grand Street (Block 2383/Lot 27) and 280-82 Grand Street (Block 2395/Lot 5), Community District 1, Borough of Brooklyn (the "Disposition Area"):

1. Find that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now an eligible area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the

construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on May 16, 2006;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement pursuant to Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Disposition Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the July lst following the conveyance of the Disposition Area to the Sponsor, during the last ten years of which such exemption shall decrease in equal annual decrements.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Disposition Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

Report Summary:

COMMITTEE ACTION

DATE: May 16, 2006

The Committee recommends that the Council approve the attached resolution and thereby approve the termination of the existing tax exemption, consent to the voluntary dissolution of the Redevelopment Company and approve the tax exemption.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 347

Resolution approving a project and related tax exemptions for a Project located at 1971 and 1975 Grand Avenue (Block 2869/Lots 159 and 163), the Bronx, pursuant to the Private Housing Finance Law (Preconsidered L.U. No. 160); 20065458 HAX).

By Council Members Katz and Garodnick.

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on April 26, 2006 its request dated April 24, 2006 that the Council take the following actions regarding the following (the "Project") located at 1971 and 1975 Grand Avenue (Block 2869/Lots 159 and 163), Community District 5, Borough of the Bronx (the "Disposition. Area"):

1. Approve pursuant to Section 125 of the PHFL, the termination of the partial tax exemption of the Exemption Area granted by the board of Estimate on December 15, 1983 (Cal. No. 27), which termination shall be effective (1) day preceding the date of the conveyance of the Exemption Area from the Redevelopment Company to the Sponsor.

2. Consent pursuant to Section 123(4) of the PHFL, to the voluntary dissolution of the Redevelopment Company after the date of conveyance of the Exemption Area from the Redevelopment Company to the Sponsor.

3. Approve the partial exemption of the Project from real property taxes pursuant to Section 577 of the PHFL.

Whereas, upon due notice, the Council held a public hearing on the Project on May 16, 2006;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council approves pursuant to Section 125 of the PHFL, the termination of the partial tax exemption of the Exemption Area granted by the board of Estimate on December 15, 1983 (Cal. No. 27), which termination shall be effective (1) d ay preceding the date of the conveyance of the Exemption Area from the Redevelopment Company to the Sponsor.

The Council consents pursuant to Section 123(4) of the PHFL, to the voluntary dissolution of the Redevelopment Company after the date of conveyance of the Exemption Area from the Redevelopment Company to the Sponsor.

The Council approves the partial exemption of the Project from real property taxes pursuant to Section 577 of the PHFL.

a. For the purposes hereof, the following terms shall have the following meanings:

(1) "Bond Regulatory Agreement" shall mean the regulatory agreement of this Project entered into between HDC and the Owner.

(2) "Commencement Date" shall mean the date of conveyance of the Project by the Sponsor.

(3) "Exemption Area" shall mean the real property located in the Borough of Bronx, City and State of New York, known as Block 2869, Lots 159 & 163.

(4) "Expiration Date" shall mean the earlier to occur of (i) a date which is thirty (30) years from the Commencement Date, (ii) the date upon which the Exemption Area ceases to be owned by the Sponsor, (iii) the date upon which the Partnership or any successor of the Partnership ceases to be controlled by a housing development fund company or (iv) the expiration or termination of the Bond Regulatory Agreement.

(5) "HDC" shall mean the New York City Housing Development Corporation.

(6) "HPD" shall mean the Department of Housing Preservation and Development of the City of New York.

(7) "Maximum Shelter Rent Tax" shall mean $97,347.00, plus (ii) additional amount equal to twenty-five percent (25%) of the amount by which the total contract rents applicable to the Exemption Area for that year (as adjusted and established pursuant to Section 8 of the United States Housing Act of 1937, as amended), exceed the total contract rents which are authorized as of the Commencement Date.

(8) "Partnership" shall mean Target V, L.L.P.

(9) "Sponsor" shall mean Target V Housing Development Fund Company, Inc.

b. All of the value of the property in the Exemption Area, including both the land and any improvements (excluding those portions, if any, devoted to business or commercial use) shall be exempt from real property taxes, other than assessments for local improvements, for a period commencing upon the Commencement Date and terminating upon the Expiration Date.

c. Commencing upon the Commencement Date, and during each year thereafter until the Expiration Date, the Owner shall make real property t ax payments in the sum of the Maximum Shelter Rent Tax. Notwithstanding the foregoing, the total annual real property payment by the Owner shall not at any time exceed the amount of real property taxes that would otherwise be due and payable in the absence of any form of tax exemption or abatement provided by an existing or future local, state, or federal law, rule or regulation.

d. In consideration of the tax exemption provided hereunder, the Owner, for so long as the partial tax exemption hereunder shall remain in effect, shall waive the benefits, if any, of additional or concurrent real property tax abatement and/or tax exemption which may be authorized under any existing or future local, state or federal law, rule or regulation.

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Reports of the Committee on Rules, Privileges & Elections

At this point, the Speaker (Council Member Quinn) announced that the following items have been **preconsidered** by the Committee on Rules, Privileges & Elections and have been favorably reported for adoption.

Report for Res. No. 348

Report of the Committee on Rules, Privileges & Elections in favor of approving a Resolution amending certain Rules and adding certain Rules of the Council in relation to limiting access of lobbyists.

The Committee on Rules, Privileges & Elections to which was referred on May 24, 2006 the annexed Rules resolution respectfully

REPORTS:

RE: PRECONSIDERED RESOLUTION NO. 348

SUBJECT: Resolution amending certain Rules and adding certain Rules of the Council in relation to limiting access of lobbyists.

ANALYSIS: Before the Committee for its consideration are proposed changes to the Council Rules regarding limiting access of lobbyists to the Council-controlled side of City Hall.

In February, City Council Speaker Christine Quinn and Mayor Michael Bloomberg proposed a number of reforms to the City's lobbying laws. The proposed reforms seek to reduce the impact of the lobbying culture and special interests in City Hall by strengthening the integrity, transparency and accessibility of city government for its constituents.[1] At that time, the Council Speaker announced a number of changes to the Council's own rules to explicitly limit physical access by lobbyists from locations on the Council's side of City Hall where Members are conducting business and the public is not invited. These rules limit access from areas such as the non-public areas of the Speaker's Office, the Council Lounge and the Floor of the Chambers and Committee Room during Stated and Special Meetings.

These changes to the Council Rules implement these reforms. Specifically the changes would:

1. Explicitly prohibit lobbyists and persons other than Members and staff from all but certain demarcated areas of the Speaker's Office unless present for a meeting or event;

2. Explicitly prohibit lobbyists and persons other than Members and staff from the Council Lounge unless present for a meeting with a Member;

3. Explicitly prohibit lobbyists and persons other than Members, staff, press, the Mayor and certain members of his staff from the floor of the Council Chambers and Committee Room during Council meetings and limit former Council Members who are lobbyists to the sections of the Chambers floor reserved for VIPs.

4. Explicitly prohibit lobbyists and persons other than Members and staff from the Council Member dais and behind the Council Member dais at Committee Hearings.

In connection herewith, Council Member Reyna offered the following resolution:

Res. No. 348

Resolution amending certain Rules and adding certain Rules of the Council in relation to limiting access of lobbyists.

By Council Member Reyna.

Section 1. The Rules of the Council are hereby amended by adding rules 2.05 and 2.25 to read as follows:

2.05. Speakers' Office - No person, including but not limited to registered lobbyists, except Members of the Council and Council staff, shall be permitted access to the Speaker's Office, except in specific designated areas, except when such person is attending a scheduled meeting or a public event. Such designated areas shall be demarcated by the posting of signs or the placement of a gate.

2.25. Council Lounge – No person, including but not limited to registered lobbyists, except Members of the Council and Council staff, shall be permitted access to the Council Lounge, except that persons other than Council Members and Council staff may be granted admission for the purpose of attending meetings with Members or public events. Notice of such meetings with individual Council Members shall be provided to the Sergeant-at-Arms in advance by such Member to the extent practicable, indicating the name(s) of the attendees.

§2. Rule 7.60 of the Rules of the Council is hereby amended to read as follows:

7.60. Public Hearings – a. A committee chairperson may call public hearings on any matter referred to such committee, and at such public hearing shall maintain decorum. The chairperson shall have general control over the Chamber, lobbies, rooms and corridors in that part of the building assigned to the committee. The chairperson may allow public testimony on any item being considered by the committee at that hearing.

b. No person, including but not limited to registered lobbyists, except Members of the Council and Council staff, shall be permitted access to, or behind, the Council Member dais during a committee hearing.

§3. Rule 8.20 of the Rules of the Council is hereby amended to read as follows:

8.20. Admission to Floor of Council Chamber – No person, including but not limited to registered lobbyists, shall be admitted to the floor of the Council Chamber during the [sessions] stated and special meetings except:

a. The Mayor [or the], Deputy Mayors or employees of the Mayor's Office of Intergovernmental Affairs.

b. The employees of the Council and the Clerk of the Council and his or her employees as are required by the Council to assist in the performance of its functions.

c. Heads of City departments and agencies, when their presence is requested or required by the Council.

d. [Reporters of public newspapers] Members of the press in the sections of the Chamber assigned for their use.

e. Such other persons as may [by resolution of the Council be authorized to be present, or may by regulations] be granted the courtesy of admission to the floor.

f. Former Council Members, including but not limited to those former Council Members who are registered lobbyists, in the area of the Council Chambers designated for VIPs.

§4. The Rules of the Council are hereby amended by adding Rule 8.21 to read as follows:

8.21. Admission to the Committee Room During Stated and Special Meetings - No person, including but not limited to registered lobbyists, shall be admitted to the Committee room during stated and special meetings except:

a. The Mayor or the, Deputy Mayors.

b. The employees of the Council and the Clerk of the Council and his or her employees as are required by the Council to assist in the performance of its functions.

c. Heads of City departments and agencies, when their presence is requested or required by the Council.

d. Members of the press.

e. Such other persons as may be granted the courtesy of admission to the floor.

Report for M-117

Report of the Committee on Rules, Privileges & Elections in favor of approving the appointment of Margery H. Perlmutter as a Member of the New York City Landmarks Preservation Commission.

The Committee on Rules, Privileges & Elections to which was referred on May 10, 2006 (Minutes, page 1693) the annexed communication respectfully

REPORTS:

Topic I: New York City Landmarks Preservation Commission – (Candidate for appointment upon advice and consent review by the Council)

- **Margery Harriet Perlmutter [M-117]**

Pursuant to *Charter* § 3020, the New York City Landmarks Preservation Commission ("LPC"), which consists of 11 members, is responsible for establishing and regulating landmarks, portions of landmarks, landmark sites, interior landmarks, scenic landmarks and historic districts. Also, LPC regulates alterations to designated buildings. The *Charter* requires that LPC's membership include at least three architects, one historian qualified in the field, one city planner or landscape architect, and one realtor. Prior to appointing an architect, historian, city planner or landscape architect, the Mayor may consult with the Fine Arts Federation of New York or any other similar organization. By statute, LPC's membership must have at least one resident from each of the five boroughs.

The Mayor appoints members of LPC for staggered three-year terms. Each member continues to serve as a commissioner until his or her successor is appointed and qualified. The Mayor designates one of the members to serve as Chair of LPC, and another to serve as Vice Chair. Both of these appointees serve until a successor is designated. Members other than the Chair serve without compensation, but are reimbursed for expenses necessarily incurred in the performance of their duties. The Chair's salary is currently $157,421. The LPC appoints a full-time executive director. The LPC may employ technical experts and such other employees as may be required to perform its duties.

As enumerated in the *Charter*, LPC is required to provide opportunities for comment in advance of any hearing on a proposed designation of a landmark, landmark site, interior landmark, scenic landmark, or historic district. [1] Notices of proposed designation must be sent to the New York City Planning Commission ("CPC"), all affected Community Boards, and the Office of the Borough President in whose borough the property or district is located.

Within ten days of making a designation, LPC is required to file a copy of the designation with CPC and the City Council. Within 60 days after the filing, CPC must hold a hearing and submit a report to the City Council with its recommendations. The City Council may modify or disapprove by majority vote any designation of LPC within 120 days after having received such designation, provided that either CPC has submitted the required report on the designation or at least sixty days has elapsed since the original filing of the designation. A City Council vote shall be filed with the Mayor who has five days to disapprove. If the Mayor disapproves, the Council may override within ten days by a two-thirds vote.

In addition to the designation of landmarks, LPC may at any time make recommendations to CPC regarding amendments to *Zoning Resolution* provisions applicable to improvements in historic districts. [*Administrative Code* § 25-303(i).] Moreover, LPC is responsible for determining whether a proposed alteration or demolition affecting a landmark is consistent with the *Landmarks Preservation and Historic Districts* chapter of the Administrative Code. In instances where LPC determines that the proposed change complies with the *Code,* it may grant *Certificate of Appropriateness.* Otherwise, LPC may deny the applicant's request. [*Administrative Code* § 25-307.]

A five-member Hardship Appeals Panel, independent of LPC, reviews appeals from determinations of LPC denying applications for *Certificates of Appropriateness*

on the grounds of hardship. The Panel's review is applicable only to tax exempt properties.

If appointed to LPC, Ms. Perlmutter, a Manhattan resident, will be eligible to complete the remainder of a three-year term that expires on June 28, 2008. Ms. Perlmutter will replace Vicki Match Suna who has been serving in a holdover capacity since June 28, 2002. Copies of Ms. Perlmutter's résumé and the proposed Committee report/resolution are annexed to this briefing paper.

[1] According to LPC's website, "Landmarks are not always buildings. A landmark may be a bridge, a park, a water tower, a pier, a cemetery, a building lobby, a sidewalk clock, a fence, or even a tree. A property or object is eligible for landmark status when at least part of it is thirty years old or older." [http://www.nyc.gov/html/lpc/html/faqs/faq_about.shtml]

After interviewing the candidate and reviewing the relevant material, the Committee decided to approve the appointment of the nominee.

In regard to the nominee, the Committee on Rules, Privileges & Elections respectfully reports:

Pursuant to §§ 31 and 3020 of the *New York City Charter,* the Committee on Rules, Privileges and Elections, hereby approves the appointment by the Mayor of Margery H. Perlmutter, as a Member of the New York City Landmarks Preservation Commission to serve for the remainder of a three-year term that expires on June 28, 2008.

The matter was referred to the Committee on May 10 2006.

In connection herewith, Council Member Reyna offered the following resolution:

Res. No. 350

Resolution approving the appointment by the Mayor of Margery H. Perlmutter as a member of the New York City Landmarks Preservation Commission.

By Council Member Reyna.

RESOLVED, that pursuant to §§ 31 and 3020 of the *New York City Charter*, the Council does hereby approve the appointment by the Mayor of Margery H. Perlmutter, as a Member of the New York City Landmarks Preservation Commission to serve for the remainder of a three-year term that expires on June 28, 2008.

Report of the Committee on Standards and Ethics

Report for Int. No. 165

Report of the Committee on Standards and Ethics in favor of approving and adopting, a Local Law to amend the administrative code of the city of New York, in relation to the annual disclosure of financial interests by certain officers and employees of or affiliated with the city of New York.

The Committee on Standards and Ethics to which was referred on March 1, 2006 (Minutes, page 806; softcover edition page 704) the annexed proposed local law respectfully

REPORTS:

Introduction

Today, the Committee on Standards and Ethics is expected to vote on Int. No. 165 which would amend the City's financial disclosure law. The purpose of the financial disclosure law is to provide accountability on the part of public servants, and to help insure that there are no prohibited conflicts of interest between a City employee's official functions and his or her private interests. Int. No. 165 of 2006, introduced by request of the Mayor, would amend the financial disclosure law to conform it to changes to State Law, make technical amendments, and codify certain longstanding practices of the Conflicts of Interest Board, which enforces the law.

Background

Current Financial Disclosure Law[35]

The financial disclosure ("FD") law is administered and enforced by the New York City Conflicts of Interest Board, as mandated by the New York City Charter.[36] Elected officials, including the Mayor, Members of the City Council, the Borough Presidents, the Comptroller, and the Public Advocate, are required to file financial disclosure reports. Local political party officials as defined in the Administrative Code, and all candidates for the above offices must file as well.

Any New York City employee who is an agency head, a deputy agency head, an assistant agency head, a paid member of any board or commission, a member of the Management Pay Plan in title M4 or higher, or who holds a policymaking position, or who has involvement in contracts, leases, franchises, revocable consents, concessions, or applications for zoning changes, variances, or special permits, is also required to file a financial disclosure report.

If a person who is required to file a financial disclosure report leaves City service, he or she must also file a report for that part of the last year in which he or she was a public servant. This report is due within 60 days after the employee/official leaves City service or by May 1st, whichever comes first.

Candidates for elective office must file their financial disclosure reports on or before the last date for filing designating petitions pursuant to the Election Law.

Any intentional violation of the financial disclosure law, including a failure to file, failure to include assets or liabilities, or a misstatement of assets and liabilities, is a misdemeanor punishable by imprisonment for not more than one year or by a fine of up to $1,000 or both.[37] An intentional violation is also grounds for disciplinary penalties including removal from office. In addition, any intentional violation of the law can subject the person required to file a report to assessment by the Conflicts of Interest Board of a civil penalty of up to $10,000.[38]

If a report is not filed within one week after the due date, and the filer has not been granted an extension, the late filer is subject to a fine of not less than $250, nor more than $10,000.

History of the Financial Disclosure Law

New York City initiated financial disclosure ("FD") in 1975, essentially for elected officials, board members, agency heads, deputy agency heads, assistant agency heads, and employees earning $25,000 or more.[39] The disclosure required at that time was considerably less extensive than that required under the current law. Completed FD reports were filed with the City Clerk's office.

In 1987 the state enacted the 1987 Ethics in Government Act[40], which among other things, mandated financial disclosure in counties, cities, towns, and villages with a population of 50,000 or more. Municipalities that failed to adopt their own FD law were subject to a state FD law, which essentially paralleled the FD law for state officials.[41] Among those municipalities, only New York City was mandated to have a financial disclosure law that is "at least as stringent in scope and substance as the provisions of" the state financial disclosure law.[42]

In April 1990, after the establishment of the Conflicts of Interest Board ("COIB"), the City amended its FD law to require that FD reports be filed with the COIB instead of with the City Clerk's office.[43] In December 1990, the City amended its FD law to comply with the New York State mandate, in particular, to increase substantially the extent of disclosure.[44] Although the amended FD form closely paralleled the state form, the City went beyond the state law with respect to who must file FD reports, resulting in a number of persons filing reports who face little prospect of significant conflicts of interest. Accordingly, the COIB proposed amendments to the City's FD law that would, among other things, bring the required classes of filers more in line with the New York State mandate. Those amendments were drafted by the Law Department with COIB assistance, and were passed in 2003.[45]

In 2003, the state amended Private Housing Finance Law to place the Housing Development Corporation ("HDC") under the jurisdiction of COIB[46], and, in 2006, passed the public Authorities Accountability act of 2005[47], which broadens the group of people who are required to file FD to include the officers and employees of non-profit entities and local public authorities that are affiliated with the City. incorporate these changes to state law, to make several technical amendments, and to codify several COIB practices, the Law Department drafted additional amendments that were introduced on March 1, 2006 at the request of the Mayor as Int. No. 165.

Proposed Amendments

The following amendments to § 12-110 of the New York City Administrative Code are proposed in Int. No. 165:

- Add the HDC to the list of agencies considered to be City employees, and deem members of the HDC board to be compensated for the purposes of FD law[48] as required by state law.
- Add tax assessors to the list of required filers, add a "catch-all" for all present and future state additions to the list of required filers, and broaden the section to include the employees of non-profit entities and local public authorities affiliated with the City, as required by state law.
- Add the Mayor's office and any other agency that does not employ M-levels for managers to the list of agencies, the employees of which must file if their responsibilities involve the independent exercise of managerial or policymaking functions.
- Treat direct payments for official expenses as reimbursements rather than gifts.
- Set forth the procedure for notifying a filer of the COIB's determination of a filer's privacy request and his or her right of appeal.
- Authorize the COIB to withhold information in a report from public inspection where the COIB finds that the release of information would constitute a risk to the safety or security of any person, even when the filer does not request that the information be withheld.
- Provide that, when a filer amends his or her report, the original report will remain available for public inspection.
- Make explicit that the COIB may release a filer's report to a law enforcement agency, for law enforcement purposes, without notifying the filer.
- Make certain technical amendments:
- Add "child" to the definition of "relative,"
- Add children of a spouse to the definition of "unemancipated child,"
- Change "profession or employment" to "employer or business," and
- Delete duplicative definitions of "relative."

Discussion

The Housing Development Corporation

The HDC is a public benefit corporation, created by New York State law, which has two of its board members appointed by the Governor of New York.[49] Under Public Authorities Law, the HDC is, therefore, a "state authority."[50] Normally, as a state authority, HDC members, officers and employees would be required to file state annual financial disclosure statements.[51] Private Housing Finance Law § 653, however, exempts the HDC from all state filing requirements,[52] and places the HDC under the jurisdiction of COIB. Private Housing Finance Law § 653, furthermore, provides that members of the HDC board shall be considered compensated for the purposes of Adm. Code § 12-110, which means board members must file.[53]

Int. No. 165 § 2 codifies this state law by adding the HDC in the list of agencies and organizations that will be considered "city employees" for the purposes of New York City FD law, and by providing that HDC board members shall be deemed to be compensated.

Non-Profit Entities and Local Public Authorities

The Public Authorities Accountability Act of 2005 ("PAAA") was signed into law on January 13, 2006. The PAAA, amended the Public Authorities Law by adding a new § 2, defining "local authority" to include public benefit corporations, not-for-profit corporations, local industrial development agencies, and the affiliates of such authorities. The PAAA also added a new paragraph 3 to § 2825 of the Public Authorities Law, requiring board members, officers, and employees of local public authorities to file annual financial disclosure statements pursuant to Article 18 of the General Municipal Law.

Article 18, § 810 of the General Municipal Law defines "local officer or employee," as it is used in §§ 811—812, to include the "heads... of any agency, department, division, council, board, commission, or bureau of a political subdivision and their deputies and assistants, and the officers and employees of such agencies, departments, divisions, boards, bureaus, commissions or councils who hold policy-making positions." It furthermore states that members, officers and employees of industrial development agencies and authorities shall be considered employees of the municipality for whose benefit the agency or authority was established. General Municipal Law § 812 states that cities shall require each local officer and employee to file an annual statement of financial disclosure.

[48] The City's FD law exempts unpaid members of boards and commissions from disclosure. NYC Ad. Code § 12-110(a)(3)(a)(1). The state law allows no such exemption. *See* Gen. Mun. Law §§ 810(3), 812(1)(a)(i). The COIB has not sought an amendment of the City's FD law to bring it into compliance in this regard because of the virtually certain negative impact that such a change would have upon the City's ability to recruit unpaid members of boards and commissions.

[49] Private Housing Finance Law § 650 et. seq.

[50] Public Authorities Law § 2(1); "[S]tate authority" shall mean a public authority or public benefit corporation created by or existing under this chapter or any other law of the state of New York, with one or more of its members appointed by the governor or who serve as members by virtue of holding a civil office of the state, other than an interstate or international authority or public benefit corporation, including subsidiaries of such public authority or public benefit corporation.

[51] Public Authorities Law § 2825(3).

[52] General Municipal Law Article 18, Public Officers Law §§ 73, 73-A.

[53] Adm. Code § 12-110(b)(3)(a)(1).

The PAAA is much more expansive than current FD law, requiring persons not currently within the City's definition of "city officers and employees" to file an FD report. Int. No. 165 § 3 codifies the requirements of the PAAA by requiring all "persons" who meet the requirements of Adm. Code § 12-110 to file a FD report, instead of just "city officers and employees."

Tax Assessors

The state enacted in 2003, and revised in 2004, a law requiring assessors who are not otherwise required to file a FD report to file one, unless they earn less than $20,000 per year.[54] The state law also provides the form of the tax assessor' FD report, a form that is shorter than the City's form.[55] In order to make explicit COIB's power to fine non-filing or late-filing assessors, however, Adm. Code § 12-110 needs to be amended to require assessors to file.

Int. No. 165 § 3 requires assessors, who are required by Real Property Tax Law § 336 to file, to file the shortened form prescribed by Real Property Tax Law § 336.

Catch-All

So that Adm. Code § 12-110 will not need to be amended every time state law adds another class to those who are required to file a FD report, Int. No. 165 § 3 adds a "catch-all" provision, requiring "any other person required by New York law" to file. This provision will catch those required to file by the PAAA.

The Mayor's Office and Other Agencies

Current FD law requires all city employees who are members of the Management Pay Plan with an "M-level" of M4 or higher to file. Unfortunately, the Mayor's office and several other agencies do not assign M-levels, and therefore the COIB may not have a way to require those high-level managers to file. The current practice in the Mayor's office is that high-level managers file FD reports voluntarily.

Int. No. 165 § 3 would codify this practice by requiring all employees of the Mayor's office, or any other agency that does not employ "M-levels," whose responsibilities involve the independent exercise of managerial or policymaking functions, to file a FD report.

Reimbursements

Int. No. 165 § 6 would clarify that direct payments for official expenses will be considered reimbursements rather than gifts.

Filer Notification

Int. No. 165 §§ 13, 16 restore the requirement that a filer must be notified when his or her FD report is requested by the media, or other member of the public, for public inspection. This requirement was inadvertently omitted from Local Law 43 of 2003.

Privacy Requests

Int. No. 165 § 14 sets out the procedure by which a filer will be notified of the COIB's determination of the filer's request to withhold information from the publicly available portion of a filer's FD report, and of their right to appeal that determination.

Withholding of Information

Due to security concerns that have developed in recent years, Int. No. 165 § 15 would allow the COIB to redact any information from the publicly available portion of a filer's FD report, that, in the judgment of the COIB, would compromise the safety or security of any person.

Amended Filings

It is the current practice of the COIB to make available both a filer's original and amended FD reports for public inspection. Int. No. 165 § 15 would codify this practice.

Release of Information to Law Enforcement Agencies

Int. No. 165 § 16 makes it explicit that the COIB may release a filer's entire FD report to any law enforcement agency, provided that the report is requested for a law enforcement purpose, and that the COIB shall not be required to notify the filer of that request to examine his or her FD report. It has been COIB practice to disclose FD reports to law enforcement agencies for law enforcement purposes without notifying the filer to avoid potential obstruction of justice. The COIB requires that the law enforcement agency state on official agency letterhead that the information is being requested for a law enforcement purpose before the information will be released.

Technical Amendments

Int. No. 165 makes several technical amendments to make the intentions of Adm. Code § 12-110 clearer. Int. No. 165 § 2 adds "child" to the definition of "relative," and § 4 adds the children of a spouse to the definition of "unemancipated child," both of which were inadvertently omitted from Local Law 43 of 2003.

Int. No. 165 § 5 clarifies Adm. Code § 12-110(d)(3)(a) concerning outside employers or businesses.

[54] Chapter 85 of the Laws of 2004, codified at Real Property Tax Law § 336.

[55] General Municipal Law § 811(1)(a).

Int. No. 165 §§ 7-12 deletes the duplicative definition of "relative" found in several paragraphs and subparagraphs of Adm. Code § 12-110(d).

Effective Date

Int. No. 165 § 17 states that the law will take effect immediately, and would apply to FD reports required to be filed for the calendar year 2005.

(The following is from the text of the Fiscal Impact Statement for Int. No. 165:)

FISCAL IMPACT STATEMENT:

	Effective FY 06	FY Succeeding Effective FY 07	Full Fiscal Impact FY 07
Revenues (+)	$0	$0	$0
Expenditures (-)	$0	$0	$0
Net	$0	$0	$0

IMPACT ON REVENUES: Since this legislation would almost triple the number of people required to file financial disclosure forms, it is possible that it would increase the amount of revenue collected from fees associated with individuals who do not file in a timely manner (late filing fees). However, at this time, the Council determines that there would be no impact on revenues.

IMPACT ON EXPENDITURES: Since this legislation would almost triple the number of people required to file financial disclosure forms, it is possible that it would increase the workload for the employees at COIB. However, COIB's Executive Director Mark Davies has recently indicated that the Board cannot presently determine if this legislation would cause a need for additional resources until late Fiscal 2007. At this time, the Council determines that there would be no impact on expenditures. It should be noted that the current switchover to electronic filing might mitigate the need for additional resources.

Report of the Committee on Transportation

Report for Int. No. 339-A

Report of the Committee on Transportation in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York in relation to the public sale of additional taxicab licenses.

The Committee on Transportation to which was referred on May 10, 2006 (Minutes, page 197) the annexed amended proposed local law respectfully

REPORTS:

INTRODUCTION

On May 24, 2006, the Committee on Transportation, chaired by Council Member John Liu, will hold a hearing on Proposed Int. No. 339-A. Proposed Int. No. 339-A would amend Section 19-532 of the Administrative Code by amending subdivisions (a) and (b), adding a new subdivision (c) and amending and re-lettering the current text of subdivision (c) as subdivision (d). This bill is an amended version of Int. No. 339, which was heard by the Committee on Transportation on May 16, 2006.

In 2003, the New York State Legislature and the City Council authorized the issuance of 900 new taxicab medallions. Of those new medallions, at least 9% (81) were required to be used with a hybrid electric or a compressed natural gas vehicle ("alternative fuel vehicle") and at least 9% (81) additional licenses were to be used with a wheelchair accessible vehicle. The City auctioned 300 medallions in spring 2004 and 292 in fall 2004. The Administration's current plan is to auction off the remaining 308 medallions on June 16, June 22 and June 29, 2006. In the two prior auctions, 19 alternative fuel medallions and 27 wheelchair-accessible medallions were sold. In the June sale, at least 62 alternative fuel medallions and at least 54 wheelchair-accessible medallions are to be sold, in accordance with existing provisions of law.

BACKGROUND

New York City's medallion taxicab industry uses 12,779 licensed taxicabs to service New York's 8.1 million residents and its workers and visitors. Taxicabs provide a crucial transportation service for New Yorkers and often serve as an important supplement to public transportation. Demand responsive transportation, such as taxicabs, is especially vital for wheelchair users in New York City. The City's public transportation system is largely inaccessible to the disabled, making demand responsive taxi services important with respect to the daily transportation needs of the City's disabled residents. New York's taxi industry also represents an opportunity to improve the City's air quality. Currently, the industry overwhelmingly relies upon vehicles that have poor gas mileage and consequently add to the City's air pollution problem.

Gasoline Fueled Vehicles

The Committee will examine Proposed Int. No. 339-A as a means of increasing use of hybrid-electric and compressed natural gas ("CNG") vehicles to improve air quality and fuel conservation. A focused review of the potential use of hybrid-electric and CNG vehicles for taxicabs is especially appropriate because many taxicabs operate virtually twenty-four hours per day, producing an enormous amount of emissions.

The burning of fossil fuels is a major source of greenhouse gases that contribute to the growing problem of global warming. Furthermore, while fuel prices continue to escalate, the nation and the City's reliance on fossil fuels and foreign sources of oil have not subsided. Therefore, it is important to consider legislation whose purpose and effect is to encourage the use and development of hybrid-electric and compressed natural gas vehicles for increasing fuel efficiency, reducing air pollution and lowering dependence on foreign oil. Currently, only 19 medallions have been sold that were designated specifically for alternative fuel vehicles. After the TLC's promulgation of vehicle specifications for hybrid vehicles in response to the Council's enactment of Local Law 72 of 2005, eight people who owned regular medallions also bought hybrid electric vehicles. As of May 11, 2006, there are now a total of 22 alternative fuel vehicles in the taxi fleet.

Compressed Natural Gas Vehicles

Cars and trucks that run on CNG have distinct environmental benefits compared with gasoline- or diesel-powered vehicles. The combustion produces fewer greenhouse gases, less particulate matter and lower smog-causing emissions. The differences are so significant that a number of state and local governments, as well as corporations, have added CNG vehicles to their fleets. Additionally, natural gas is

primarily a domestically-produced energy source with nearly all of that consumed in the United States produced in North America.[56]

In New York City in 2004, approximately 6,000 natural gas fleet vehicles were in use, many of which were being operated by Consolidated Edison or by City agencies, with access to about 20 refueling stations. CNG is also used in municipal transit fleets in Atlanta, Washington, Boston, Cleveland and Phoenix, and by many utilities.[57]

Compared with gasoline, combustion of CNG in cars produces 70 percent less carbon monoxide and 87 percent less nitrogen oxide. According to the Union of Concerned Scientists, an environmental advocacy group, CNG shuttle vans and school buses, produce five times less soot and two times less smog-forming compounds than comparable diesel-fueled vehicles. Natural gas vehicles produce about 20 percent less emissions of the greenhouse gases causing global warming, such as carbon dioxide, than comparable petroleum-fueled vehicles.[58]

Hybrid-electric Vehicles

There is a movement towards the development and use of hybrid-electric vehicles that combine the use of an efficient gasoline engine and an electric motor for fuel economy. The electric motor powers the car at low speeds, alternating to the gas engine at highway speeds. Hybrids combine the power of both the electric- and gas-powered engines in order to accelerate. When braking, the hybrid vehicle recharges the electric motor using energy that other cars waste. Other technologies ranging from smart transmissions to idle-off starters to aerodynamic design and better materials are all additional features of the hybrids intended to save fuel.[59]

Hybrid-electric vehicles are not dependent on the availability of specific energy-related infrastructure, such as special refueling facilities. Hybrids also reduce fuel costs and contaminant emissions, as demonstrated in an analysis of hybrid vehicles compared to the conventional gasoline-powered vehicle of the same brand. (See Table 1 in Attachment A.)

CITY COUNCIL PASSES LOCAL LAW 72 OF 2005

To further the City's policy of improving air quality and conserving fuel, the Council enacted Local Law 72 of 2005, which required the Taxi and Limousine Commission ("TLC") to identify current models of hybrid-electric vehicles for use by New York City taxi drivers. Local Law 72 amended chapter 5 of title 19 of the Administrative Code of the City of New York by adding a new section 19-533, entitled "Clean air taxis," that required the TLC to approve one or more hybrid-electric vehicle models for use as a taxicab within ninety days after the enactment of this law. The law also required the approved vehicle to be eligible for immediate use by all current and future medallion owners, including successful bidders for medallions sold pursuant as a result of Local Law 51 of 2003.[60] The bill took effect immediately after its enactment.

Through the City's rulemaking process, TLC promulgated Rule 3-03.1, which implements section 19-533 of the Administrative Code of the City of New York, as enacted by Local Law 72 of 2005. TLC staff identified six hybrid-electric vehicle models with four doors or more that are available in the mass production consumer market in the United States: the Ford Escape/Mercury Mariner, the Honda Accord, the Honda Civic, the Lexus RX400H, the Toyota Highlander, and the Toyota Prius. The rule permits the hack-up of any of these six models. On May 11, 2006, the TLC announced at its public hearing the approval of the Toyota Camry Hybrid and the Saturn Vue Hybrid for use as hybrid-electric taxicabs. TLC staff research indicates that the number of available hybrid-electric vehicle models will likely double in the 2007 model year.[61]

A preliminary analysis by the Taxi and Limousine Commission demonstrates the potential fuel savings and efficiency from using hybrids compared to the standard Ford Crown Victoria Stretch, which is the gasoline-fueled vehicle authorized by the agency and comprises the bulk of the City's 12,779 medallion taxicabs. The per-vehicle cost savings in fuel costs over the course of a year is estimated to be over $5,000 for one particular hybrid model. (See Table 2 in Attachment A.)

Based on TLC's preliminary analysis, a driver may also reduce operational costs with a hybrid-electric vehicle compared to the standard Ford Crown Victoria Stretch. These estimated annual expenses (including maintenance, insurance, loan payments, fuel, and the purchase cost of the vehicle are approximately $25,296.48 for the Crown Victoria, while the expenses for the Toyota and Honda models range approximately between $18,000 and $19,000. (See Table 3 of Attachment A.)

These vehicles are made even more financially attractive by the fact that their purchasers would be eligible for significant potential Federal tax incentives that total, in some instances, more than $6,000. The TLC's preliminary analysis finds that all 2006 hybrid models eligible for taxi use, except for the Lexus RX 400H, provide overall net savings to the driver compared to traditional Ford Crown Victoria Stretch. (See Table 4 of Attachment A.)

Wheelchair-Accessible Vehicles

There are approximately 60,000 people who use wheelchairs in New York City.[62] The New York City Transit Authority transported people with disabilities an estimated 64,000 times a month.[63] Access –A –Ride receives requests to conduct approximately 10,500 rides per day, which includes non-ambulatory passengers who may or may not be using a wheelchair.[64] Nonetheless, Access-A-Ride's quality of service delivery has been questioned, with the Council conducting two oversight hearings[65] in which it explored complaints that include late pick-ups, rides that take too long, driver no-shows, the requirement of reservations far in advance, denials of rides, prolonged stand-by policy and general wait times, and stranded riders

Beyond the shortcomings of Access-A-Ride, wheelchair-users in the City continue to have difficulty getting from place to place because of the limited access to the use of taxicabs as a transportation option. The likelihood of hailing one of the 27 currently available wheelchair-accessible taxis is very small. Current law authorizing the next medallion sale would increase the number of taxis designated for wheelchair accessibility only to 81, which, besides not positively impacting significantly enough on the needs of the disabled community, is arguably also too small a number for conducting an informed analysis on the performance of these vehicles and identifying how to provide the best quality service vehicles and features for the accessibility community.

The for-hire vehicle industry arguably has not met the needs of the disabled community to compensate for where the taxi industry has fallen short. While the TLC lists only 17 base stations within New York City that provide accessible service directly,[66] advocates for the disabled community also contend that 120 base stations contract with one provider, A Ride For All,[13] where reservations need to be made up to one week in advance. A survey was conducted in 2003 in which a wheelchair-accessible vehicle was requested, approximately one third of liveries refused to pick up wheelchair-accessible passengers and only 11 companies (2.7 percent) out of the 415 base stations surveyed were in compliance with TLC rules, providing access to specially-equipped vehicles with the same fare rate, response time, and availability as standard for-hire vehicles.[67] According to the TLC, 159 base stations were inspected by TLC personnel in 2005, resulting in 110 notices to comply with the TLC rule regarding accessibility and 23 summonses were issued for non-compliance.[68]

American Transit, the major insurance carrier for the yellow cab industry, reportedly announced it would not insure wheelchair-accessible vehicles because, American Transit contends, a) extra training would be required for drivers; b) passengers face the danger of being hurt when being loaded into the vehicles in traffic by drivers; and c) insurance companies face the possibility of fraud. However, there are seventeen other insurance providers in New York State. In addition, that the Department of Insurance, in a letter dated August 5, 2004, states that "no insurer's rate filing reflected any surcharge or other adjustment to its premium rates based on whether a vehicle is accessible."[69]

ANALYSIS

Subdivision (a) of Section 19-532 authorizes the TLC to issue the additional 900 taxicab licenses in accordance with requirements stipulated in New York State law. Proposed Int. No. 339-A clarifies subdivision (a) by specifying that the public sale was authorized by chapter sixty-three of the laws of two thousand three, rather than a generic reference to New York State law, and makes a technical revision by referring to "rules" of the TLC, rather than "regulations".

Subdivision (b) of Section 19-532 of the Administrative Code currently states that of the total number of taxicab licenses that may be issued in accordance with the 2003 authorization, at least nine percent of the licenses require that the vehicles operated under the license be powered by compressed natural gas or be a hybrid electric vehicle. An additional nine percent of the licenses are to require that the vehicles operated under the license be fully accessible to persons with disabilities in accordance with standards established by the TLC. The section also provides that if the prices obtained for the issuance of licenses requiring the operation of an accessible vehicles or alternative vehicle does not exceed ninety percent of the average price otherwise obtained by the TLC for licenses not subject to the requirement, the requirement is waived.

Proposed Int. No. 339-A amends subdivision (b) to require that of the remaining 308 licenses that were authorized to be issued in 2003 and that will be issued after June 1, 2006, 254 of those licenses would require that they be used in conjunction with the operation of vehicles that are either powered by compressed natural gas or be a hybrid electric vehicle, and fifty-four would require that they be used in conjunction with the operation of vehicles that are fully accessible to persons with disabilities, in accordance with standards that have been established by the TLC.

[60] Local Law 51 of 2003 amended Chapter 5 of Title 19 of the New York City Administrative Code by adding a new Section 19-532 with respect to additional public sales of taxicab licenses. Subdivision (b) of the law requires that of the total number of taxicab licenses issued by the Commission pursuant to this new section, at least nine percent shall be issued subject to the requirement that the vehicles operated by or under agreement with the owners of these licenses either be powered by compressed natural gas or be a hybrid-electric vehicle. The Commission is exempted from this requirement if the prices that the commission is able to obtain for the issuance of licenses for these alternative fuel vehicles does not exceed ninety percent of the average price otherwise obtained by the commission for the issuance of licenses as set forth in this new section of the law.

Proposed Int. No. 339-A adds a new a new subdivision (c), which would require that in the event that the City of New York is authorized to issue taxicab licenses in addition to those authorized by chapter sixty-three of the laws of 2003, the TLC would issue these additional licenses only after the Commission completes any reviews that may be required by Article 8 of the New York State Environmental Conservation Law and that the first 150 of these licenses would be required to be used in conjunction with the operation of vehicles that are fully accessible to persons with disabilities in accordance with standards established by the TLC.

Proposed Int. No. 339-A would re-letter the current text of subdivision (c) as subdivision (d). Subdivision (d) clarifies that all vehicles operated as a result of licenses issued pursuant to Section 19-532 are authorized to accept hails from passengers in the street in accordance with paragraph one of subdivision a of section 19-504 of the Administrative Code.

REVISIONS TO INT. NO. 339

Int. No. 339 would have amended only subdivision (b) of Section 19-532 so that for all licenses issued after June 1, 2006, fifty percent of the remaining 308 unissued licenses would be required to be used in conjunction with the operation of vehicles that are either powered by compressed natural gas or be a hybrid electric vehicle, and the remaining fifty percent would be required to be used in conjunction with the operation of vehicles that are fully accessible to persons with disabilities in accordance with standards established by the TLC. This would have resulted in the creation of 154 licenses designated for any combination of hybrid electric vehicles and CNG vehicles and 154 licenses designated for wheelchair-accessible vehicles in the upcoming public sale in June 2006 and for any future public sale.

The Mayor announced on May 18, 2006 that the TLC would designate 254 of the licenses for public sale towards alternative fuel vehicles, with the remaining 54 licenses going to wheelchair-accessible vehicles, in accordance with current law. The Committee is considering Proposed Int. No. 339-A with the understanding that Council and the Mayor will approach the State Legislature to request 150 wheelchair-accessible vehicle medallions in the near future.

Update

On May 24, 2006, the Committee voted in favor of the Proposed Int. No. 339-A by a vote of nine in the affirmative and none in the negative with no abstentions. Accordingly, the Committee recommends its adoption.

Int. No. 339-A

By Council Members Liu, Gennaro, Koppell, Mendez, Yassky, Brewer, Fidler, Lappin, Mark-Viverito, Nelson, Stewart, Vacca, Seabrook, Gallagher, Garodnick and Weprin.

A Local Law to amend the administrative code of the city of New York, in relation to the public sale of additional taxicab licenses.

Be it enacted by the Council as follows:

Section 1. Section 19-532 of the administrative code of the city of New York is hereby amended to read as follows:

a. Notwithstanding any other provision of law to the contrary, the commission is hereby authorized to issue additional taxicab licenses, provided, however, that such additional licenses shall be issued only after completion by the commission of such review as may be required by article eight of the New York state environmental conservation law. Such additional licenses shall be issued in a number not to exceed the number of taxicab licenses whose public sale [is] *was* authorized by [New York state law] *chapter sixty-three of the laws of two thousand three*, and shall be fully transferable and subject to the provisions of this chapter and of chapter sixty-five of the New York city charter. The commission shall prescribe by [regulation] *rule* the procedures for the issuance and public sale of such additional licenses, by public auction, sealed bids or other competitive process.

b. Of the total number of taxicab licenses issued by the commission pursuant to *subdivision a of* this section, at least nine percent shall be issued subject to the requirement that the vehicles operated by or under agreement with the owners of such licenses either be powered by compressed natural gas or be a hybrid electric vehicle, and at least nine percent shall be issued subject to the requirement that the vehicles operated by or under agreement with the owners of such licenses be fully accessible to persons with disabilities in accordance with standards established by the commission[.]; *provided however, of the licenses authorized to be sold pursuant to subdivision a of this section that are issued after June 1, 2006, two hundred fifty-four shall be issued subject to the requirement that the vehicles operated by or under agreement with the owners of such licenses either be powered by compressed natural gas or be a hybrid electric vehicle, and fifty-four shall be issued subject to the requirement that the vehicles operated by or under agreement with the owners of such licenses be fully accessible to persons with disabilities in accordance with standards established by the commission;* [Provided however,] *and provided further* that if the prices which the commission is able to obtain for the issuance of licenses subject to either of the foregoing requirements does not exceed ninety percent of the average price otherwise obtained by the commission for the issuance of licenses pursuant to this section, the commission is authorized to issue such licenses without such requirement.

c. *In the event that the city of New York is authorized to issue taxicab licenses in addition to those authorized by chapter sixty-three of the laws of two thousand three, such additional licenses shall be issued by the commission only after completion by the commission of such review as may be required by article eight of the New York state environmental conservation law. Such additional licenses shall be issued in a number not to exceed the number of taxicab licenses whose public sale is authorized by law and in accordance with the procedures and conditions set forth in subdivision a of this section, except that the first one hundred fifty such licenses issued shall be subject to the requirement that the vehicles operated by or under agreement with the owners of such licenses be fully accessible to persons with disabilities in accordance with standards established by the commission, regardless of the prices which the commission is able to obtain for the issuance of such licenses.*

d. The terms and conditions for the public sale of licenses pursuant to this section shall explicitly provide that vehicles operated by or under agreement with the owners of such licenses shall be entitled to accept hails from passengers in the street in accordance with *paragraph one of subdivision a of* section 19-504[(a)(1)] of this code.

§ 2. This local law shall take effect immediately upon its enactment into law.

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

Pursuant to authority invested in me by section twenty of the Municipal Home Rule and by section thirty-six of the New York City Charter, I hereby certify to the necessity for the immediate passage of a local law; entitled:

A LOCAL LAW

To amend the administrative code of the city of New York, in relation to the public sale of additional taxicab licenses.

Given under my hand and seal this 24th day of May, 2006 at City Hall in the City of New York

Michael R. Bloomberg
Mayor

On motion of the Speaker (Council Member Quinn), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

INTRODUCTION AND READING OF BILLS

Int. No. 350

By Council Members Addabbo Jr., Fidler, Seabrook, Stewart and White (by request of the Mayor).

A Local Law to amend the New York city charter, the administrative code of the city of New York and local law number 58 for the year 1996, relating to performance by the police department of certain functions previously performed by the department of transportation, in relation to authorizing employees of the police department to perform parking enforcement functions.

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 435 of the New York city charter, as added by local law number 58 for the year 1996, is amended to read as follows:

b. The provisions of law and the rules and regulations of the commissioner of transportation relating to regulating, directing, controlling and restricting the parking of vehicles and the movement and conduct of vehicular and pedestrian traffic for the facilitation of traffic and the convenience of the public as well as the proper protection of human life and health may also be enforced by an employee of the police department [who is in a title with the classified city civil service pursuant to which such activities may be performed and which title was within the department of transportation on the effective date of this paragraph or any successor title thereto].

§2. The heading and subdivision a of section 14-118.2 of the administrative code of the city of New York, as added by local law number 58 for the year 1996, are amended to read as follows:

§14-118.2 Traffic *and parking* enforcement by employees not police officers.

a. Notwithstanding any other provision of law, the commissioner may employ persons who shall not be police officers to engage in the performance of [such] duties [relating to] *involving* the enforcement of laws and regulations relating to *(1) the parking of vehicles and (2)* the regulating, directing, controlling and restricting of the movement of vehicular and pedestrian traffic, [for] *both such duties in furtherance of* the facilitation of traffic, [and] the convenience of the public [as well as the] *and the* proper protection of human life [any] *and* health [may also be enforced by an employee of the police department who is in a title within the classified city civil service pursuant to which such activities may be performed and which title was within the department of transportation on the effective date of this section or any successor title thereto].

§3. Section 3 of local law number 58 for the year 1996 is amended to read as follows:

§3. [(a)] In order to effectuate the provisions of subdivision b of section four hundred thirty-five of the New York city charter, as enacted by section one of this local law, officers and employees in the classified city civil service who are engaged in the performance of the functions, powers or duties described in such section shall be transferred to the police department without further examination or qualification, and shall retain their respective civil service classifications and civil service status.

[(b) Notwithstanding subdivision a of this section, officers and employees of the department of transportation classified in the parking control specialist series shall not be transferred pursuant to this local law.]

§4. In order to effectuate the provisions of subdivision a of section 14-118.2 of the administrative code of the city of New York, as amended by section 2 of this local law, officers and employees in the classified city civil service who are engaged in the performance of the functions, powers or duties described in such section shall be transferred to the police department without further examination or qualification, and shall retain their respective civil service classifications and civil service status; provided, however, that employees who are subject to pending disciplinary charges on the date of the functional transfer, or against whom a disciplinary penalty has been assessed but not yet served or paid on or prior to such date, may be retained in the employment of the department of transportation until the resolution of the adjudicative or administrative proceedings and until any outstanding disciplinary penalty has been served or paid.

§5. No existing right or remedy of any character to the city shall be lost or impaired or affected by reason of the enactment of this local law.

§6. No civil, criminal or administrative action or proceeding pending at the time when this local law shall take effect, brought by or against the city or any agency or officer of the city, shall be affected or abated by the enactment of this local law or by anything contained herein; but any or all such actions and proceedings may be assigned or transferred to the police department, but in that event the same may be prosecuted or defended by the police commissioner.

§7. This local law shall take effect July 2, 2006, or as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to this local law and subdivision 2 of section 70 of the civil service law; provided, however, that any or all actions necessary to effectuate such transfer may be taken prior to such effective date.

Referred to the Committee on Civil Service and Labor.

Res. No. 334

Resolution calling upon the New York State Legislature to pass S.5456-A/A.8420-A, also known as "The Employee's Mail Order Pharmacy Bill of Rights", legislation which would prohibit any health insurance policy from imposing an additional fee or co-pay requirement on any employee or insured person who elects to purchase prescribed drugs from a pharmacy source other than a mail order provider.

By Council Members Addabbo Jr., Avella, Brewer, Clarke, Dickens, Felder, Gennaro, James, Koppell, Liu, Mark-Viverito, Monserrate, Palma, Seabrook, Sears, Weprin and White.

Whereas, Escalating costs in prescription drugs present an enormous challenge to consumers; and

Whereas, In order to save costs, most prescription benefit plans use pharmacy benefit managers (PBMs), who essentially act as middlemen who negotiate on behalf of their clients for discounts from drug manufacturers; and

Whereas, PBMs have become increasingly reliant on mandatory mail order pharmacy plans; and

Whereas, Many consumers with prescription drug coverage are being forced to either use mandatory mail order plans, or if they choose not to, pay full cost and higher fees; and

Whereas, According to findings from a study done by the Creighton University Medical Center's School of Pharmacy and Health Professions, mail order prices were actually higher than those of community pharmacies in many cases; and

Whereas, In addition to imposing financial burdens, these mandatory mail order plans remove an essential component of health care for many patients - their neighborhood pharmacist; and

Whereas, These pharmacists often have knowledge of a patient's medical history and thus are better able to ensure that negative drug interactions are avoided, and can provide face-to-face consultation with patients; and

Whereas, The increased reliance on mandatory mail order prescriptions has resulted in economic hardship for many community-based pharmacists; and

Whereas, The Pharmacists Society of the State of New York has estimated that hundreds of millions of taxpayer dollars would leave New York State and New York City as a result of drug-store closures in the event that greater reliance on mail order pharmacies continues; and

Whereas, S.5456-A/A.8420-A, also known as "The Employee's Mail Order Pharmacy Bill of Rights", legislation introduced in the New York State Legislature, would preserve the choice of certain consumers with respect to purchasing prescribed drugs; and

Whereas, This legislation would provide that no health insurance policy may impose an additional fee or co-payment requirement on any employee or insured who elects to purchase prescribed drugs from a pharmacy source other than a mail order provider, if such fee or co-payment is not otherwise imposed; and

Whereas, This legislation would also require that employees be notified of their right to express a preference for a network pharmacy in the community when mail order delivery is also offered by their plan; and

Whereas, This legislation would also require that employees and their family members who receive prescription drug benefits receive 30 days notice prior to any change in prescription benefits, and that employees have 14 days to inform an employer of his or her plan preferences; and

Whereas, Employees deserve the right to choose whether or not to use mail order pharmacies, and should not be penalized for making the choice not to use them; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass S.5456-A/A.8420-A, also known as "The Employee's Mail Order Pharmacy Bill of Rights", legislation which would prohibit any health insurance policy from imposing an additional fee or co-pay requirement on any employee or insured person who elects to purchase prescribed drugs from a pharmacy source other than a mail order provider.

Res. No. 335

Resolution calling upon the Federal Communications Commission to strengthen and broaden the scope of its rules and consistently enforce higher penalties for unlawful and threatening language over the airways and condemning the recent actions of radio disc jockey Troi "Star" Torain of Power 105 WWPR-FM's "Star and Buckwild" morning show.

By Council Members Baez, Clarke, Comrie, Fidler, Gennaro, James, Koppell, Liu, Mark-Viverito, Palma, Seabrook, Weprin, White, Vallone Jr. and Lanza

Whereas, The New York City Council recognizes the importance of the First Amendment, guaranteeing the right to free speech, one of the foundations of a liberal and democratic society; and

Whereas, In 1859's *On Liberty*, a definitive and groundbreaking discourse on free speech, philosopher John Stuart Mill recognized in his often-referenced "Harm Principle" that "the only purpose for which power can be rightfully exercised over any member of a civilized community, against his will, is to prevent harm to others;" and

Whereas, Title 18 of the United States Code, Section 1464, prohibits the broadcasting of "any obscene, indecent, or profane language by means of radio communication;" and

Whereas, The United States Supreme Court has fashioned a three-pronged test to define "obscene" communications such that material in question must be found by an average person to appeal to prurient interest; depict or describe, in a patently offensive way, sexual conduct specifically defined by applicable law; and the material, considered in its full context, must lack serious literary, artistic, political, or scientific value; and

Whereas, The Federal Communications Commmission, in determining whether material is "patently offensive," employs its own three-pronged test of factors any or all of which might lead to penalty, seeking to determine whether broadcast material is explicit or graphic; dwells on portrayals of sexual organs; and seems panderous or intentionally shocking in nature; and

Whereas, New York State law defines the crime of "menacing" as action or speech in which the target of such action or speech causes fear of the potential victim's imminent serious injury; and

Whereas, Troi Torain, a disc jockey for popular hip-hop station Power 105 WWPR-FM better known as "DJ Star" and who is known for past offensive statements regarding Asian and Jewish communities, recently and on air voiced a stream of violently sexually graphic and degrading statements regarding the young daughter of rival colleague Rashawn "DJ Envy" Casey; and

Whereas, Mr. Torian further supplemented such statements with repugnant, misogynistic, and racial slurs directed toward Mr. Casey's wife; and

Whereas, Mr. Torain's statements could not be considered anything other than harmful under John Stuart Mill's foundational definition, obscene under the definition constructed by the United States Supreme Court, patently offensive under the definition constructed by the Federal Communications Commission, or menacing under the definition of New York State law; and

Whereas, Shortly after making such statements, Mr. Torain was arrested on charges of endangering the welfare of a child and aggravated harassment as well as criminal possession of a weapon and failure to report a change of address on a gun permit; and

Whereas, Recognizing the transgressive nature of Mr. Torain's statements, both in terms of overstepping legal boundaries and violating the security and well-being of Mr. Casey and his family, Power 105 WWPR-FM, at the urging of members of the City Council, terminated Mr. Torain's employment; and

Whereas, The Federal Communications Commission is currently conducting an investigation into this matter and determining any applicable penalties; and

Whereas, Federal Communications Commission violation penalties inflicted upon individual radio stations are consistently lower than those levied upon the television industry, and radio industry penalties often do not surpass the exceedingly modest sum of $55,000; and

Whereas, the Federal Communications Commission is empowered only to penalize obscenity and profanity-related speech, has no regulations regarding threatening, menacing, or hateful speech; and

Whereas, The New York City radio industry, while like many industries often the unfortunate subject of public scrutiny only in sporadic instances of unbecoming conduct, has in the past several years appeared to have become a breeding ground for increasingly offensive and insensitive speech; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Federal Communications Commission to strengthen and broaden the scope of its rules and consistently enforce higher penalties for unlawful and threatening language over the airways and condemns the recent actions of radio disc jockey Troi "Star" Torain of Power 105 WWPR-FM's "Star and Buckwild" morning show.

Res. No. 336

Resolution calling on President George W. Bush to immediately withdraw all American troops from Iraq and further urging the United States Congress to reject the President's request for additional funds for the war while at the same time making budget cuts to vital domestic programs.

By Council Members Barron, Clarke, Dickens, Foster, Palma, Seabrook and White.

Whereas, On March 19, 2003, President George W. Bush launched a war against Iraq, an operation that, according to the President, was intended to disarm Iraq of weapons of mass destruction, free its people, defend the world from grave danger and remove Saddam Hussein and his sons from power; and

Whereas, According to published reports, in January 2004, the Bush Administration acknowledged that Saddam Hussein and Iraq may never have possessed the weapons of mass destruction they cited as one of the reasons to go to war; and

Whereas, To date, over 2,400 members of the United States Armed Forces have been killed since the beginning of the Iraqi war in March 2003, of which over 1,950 have died as a result of hostile action, according to the United States Defense Department; and

Whereas, The National Priorities Project has recently indicated that the war in Iraq has already cost American taxpayers over $277 billion, and that the Bush Administration has requested an additional $72.4 billion in the Fiscal Year 2007 budget to fund the war in Iraq, a request that if granted, would bring total spending on the war to more than $349 billion; and

Whereas, President Bush's request for additional funds for the war in Iraq in the Fiscal Year 2007 budget come at the same time he seeks to make drastic reductions to popular domestic programs that have a positive impact on the lives of American citizens; and

Whereas, According to the Center on Budget and Policy Priorities, President Bush's Fiscal Year 2007 budget calls for $183 billion in reductions over five years to a wide range of "domestic discretionary" programs such as education, environmental protection, transportation, veterans' health care, medical research, law enforcement and food and drug safety inspection; and

Whereas, The Center on Budget and Policy Priorities also reports that President Bush's Fiscal Year 2007 budget makes cuts to "entitlement" programs such as Medicaid, food stamps and agricultural subsidies; and

Whereas, March 19, 2006 marked the third anniversary of the beginning of the United States-led war against Iraq, and in an effort to protest the war, on March 19, 2006, many people from around the country converged in New York City to declare the Iraqi war as illegal and immoral and a misuse of government and taxpayer funds; now, therefore, be it

Resolved, That the Council of the City of New York calls on President George W. Bush to immediately withdraw all American troops from Iraq and further urges the United States Congress to reject the President's request for additional funds for the war while at the same time making budget cuts to vital domestic programs.

Res. No. 337

Resolution calling upon the federal government to reauthorize the Older Americans Act and increase the funding available pursuant to this Act for programs and services that improve the quality of life of senior citizens.

By Council Members Brewer, Felder, Fidler, Foster, Gennaro, Gonzalez, James, Koppell, Liu, Mark-Viverito, Monserrate, Palma, Seabrook, Sears, Weprin and White.

Whereas, The Older Americans Act (OAA), enacted on July 14, 1965, created the federal Administration on Aging, as well as authorized grants to states for community planning and services programs, research, and demonstration and training projects in the field of aging; and

Whereas, Later amendments to the OAA added grants to Area Agencies for the Aging for local needs identification, planning and funding of services to the elderly; and

Whereas, The New York City Department for the Aging (DFTA) administers OAA programs in New York City, and is the largest Area Agency for the Aging in the nation; and

Whereas, According to DFTA, there are 1.3 million persons over the age of 60 in New York City, which represents 15.6 percent of the City's population, and DFTA estimates that there will be 1.6 million seniors living in the City by 2015; and

Whereas, OAA is the main legislative vehicle for delivering social and nutritional services to older Americans, and the services funded by the Act include meals on wheels, counseling, elder abuse prevention programs and a long-term care ombudsman program to investigate the complaints of nursing home residents; and

Whereas, DFTA received approximately $29 million in FY '05 in funding from OAA to provide such services as home delivered meals, congregate meals, transportation, and information and referral services to senior citizens in New York City; and

Whereas, The OAA has been reauthorized approximately every five years, and the last reauthorization expired in September 2005; and

Whereas, The White House Conference on the Aging (WHCoA) meets once every decade to make recommendations to the President and Congress to help guide national aging policies for the next ten years and beyond; and

Whereas, The number one resolution of the 2005 WHCoA was to call upon the President and Congress to reauthorize the OAA within the first six months following the 2005 WHCoA; and

Whereas, Congress voted to extend the OAA until September 30, 2006, but a reauthorization will still be needed to enable the OAA to continue in effect beyond that date; and

Whereas, In addition to the lack of a reauthorization beyond September 30, 2006, the Alliance for Retired Americans points out that President Bush's proposed budget for FY '07 contemplates a $76 million cut for the OAA if it is continued in effect; and

Whereas, OAA programs enhance the lives of older Americans, who are a growing and vital population in our society, and it is therefore essential that the OAA be reauthorized and that funding for OAA be increased, rather than decreased; now, therefore, it be

Resolved, That the Council of the City of New York calls upon the federal government to reauthorize the Older Americans Act and increase the funding available pursuant to this Act for programs and services that improve the quality of life of senior citizens.

Referred to the Committee on Aging.

Res. No. 338

Resolution recognizing the contributions of Caribbean Americans and people of Caribbean descent to the City of New York and designating June of 2006 as "Caribbean Heritage Month".

By Council Members Clarke, Vann, Stewart, Jackson, Reyna, Comrie, Mendez, Baez, Dickens, Fidler, Foster, Gennaro, James, Koppell, Liu, Mark-Viverito, Martinez, McMahon, Palma, Recchia, Sanders, Seabrook, Weprin and White.

Whereas, People of Caribbean ancestry have a long and distinguished history in New York City; and

Whereas, New York City's Caribbean American population represents a wide array of countries, ranging from the Dominican Republic and Puerto Rico to the many islands of the West Indies; and

Whereas, This remarkably diverse population has brought an extraordinary variety of cultural influences into the City; and

Whereas, Caribbeans are among New York City's oldest and most established ethnic groups, having lived in New York City since the City's founding in the 17th Century; and

Whereas, Caribbean Americans in New York City have risen to distinction in countless fields ranging from government to the arts, and include such influential and accomplished New Yorkers as Alexander Hamilton, the first Secretary of the Treasury, Shirley Chisholm, the first African American elected to the United States Congress, civil rights leader Marcus Garvey, historian and writer Arthur Schomburg, former Secretary of State Colin Powell, actor and musician Harry Belafonte and legendary actor Sidney Poitier; and

Whereas, In 2005, The United States Congress adopted a resolution authored by Representative Barbara Lee that designated June as "Caribbean Heritage Month;" and

Whereas, The Institute of Caribbean Studies will be hosting and coordinating a variety of events in New York City during Caribbean Heritage Month, including book fairs, parades and other events; and

Whereas, The extraordinary music, dance, poetry, theatre and cuisine of the Caribbean region have greatly enriched the cultural life of New York City; and

Whereas, Caribbean Americans have earned the recognition of New York City's government for the important roles that they and their ancestors have played in the development of the City; now, therefore, be it

Resolved, That the Council of the City of New York recognizes the contributions of Caribbean Americans and people of Caribbean descent to the City of New York and designates June of 2006 as "Caribbean Heritage Month".

Int. No. 351

By Council Members Fidler, Jackson, Weprin, Katz, Recchia Jr., Stewart, Yassky, Felder, Gentile, James, Gonzalez, Nelson, Vann, Dilan, Clarke, Comrie, Dickens, Rivera, Addabbo Jr., Arroyo, Avella, Brewer, Foster, Gallagher, Garodnick, Gerson, Gennaro, Gioia, Lappin, Liu, Martinez, McMahon, Mendez, Sears, Vallone Jr., White, Barron, Palma and the Public Advocate (Ms. Gotbaum).

A Local Law to amend the administrative code of the city of New York, in relation to allowing schoolchildren to carry cellular phones to and from school for safety purposes.

Be it enacted by the Council as follows:

Section one. Legislative intent. Cellular phones have proven to be invaluable tools in facilitating communication between schoolchildren and their parents or guardians as such children travel to and from school. The use of such phones allows parents or guardians to ensure their children's safe arrival at school in the morning and back at home at the end of the school day, and enables any children traveling to or from school who become injured or lost, or who find themselves in a remote location or in other dangerous circumstances, to contact their parents or guardians or the police. It is therefore the Council's intent to allow schoolchildren to carry cellular phones with them to and from school for the purpose of being used outside of school for safety reasons.

§2. Title 10 of the administrative code of the city of New York is amended by adding a new section 10-165 to read as follows:

§10-165 Use of cellular telephones by schoolchildren for safety purposes. a. Definitions. For the purposes of this section:

(1) "Cellular telephone" shall mean any mobile analog, wireless, digital or other similar telephone or communications device, which can be used to access two-way real time voice telecommunications service that is interconnected to a public switched telephone network and is provided by a commercial mobile radio service, as such term is defined by 47 CFR § 20.3.

(2) "School" shall mean any educational facility under the jurisdiction of the New York city department of education and any non-public school that provides educational instruction to students at or below the twelfth grade level.

(3) "School premises" shall mean the buildings, grounds or facilities, or any portion thereof, owned, occupied by, or under the custody or control of the New York city department of education or any non-public school authority for the primary purpose of providing educational or recreational instruction to students.

(4) "Student" shall mean any person under the age of eighteen enrolled in a school.

b. Any parent or guardian of any student shall have the right to provide such student with a cellular telephone for any lawful use en route to and from school. No person shall interfere with such right or use.

c. Nothing in this section shall be interpreted to affect or limit the right of any school or law enforcement official to enforce regulations regarding the use of cellular telephones.

§3. This local law shall take effect immediately after its enactment into law.

A Local Law to amend the administrative code of the city of New York, in relation to creating a plan to promote the use of clean air taxis and for-hire vehicles.

Be it enacted by the Council as follows:

Section 1. Declaration of legislative findings and intent. The Council finds that the use of hybrid-electric vehicles as taxis and for-hire vehicles furthers the City's goal of saving energy and reducing pollution. The use of hybrid-electric vehicles in the taxi and for-hire vehicle industries is especially appropriate because many taxis operate almost twenty-four hours per day and for-hire vehicles operate many hours during a day, thereby using a significant amount of fuel and negatively impacting the City's air quality.

To promote the City's policy of saving energy and reducing pollution, the Council enacted legislation in 2005 requiring the Taxi and Limousine Commission ("TLC") to approve one or more hybrid-electric vehicle models for use as a taxi. Subsequently, TLC approved six hybrid-electric vehicle models and there are now hybrid-electric taxis serving the people of New York City. There are currently, however, approximately 25 hybrid-electric vehicles operating in a total fleet of 12,779 taxis and fewer than 100 hybrid-electric for-hire vehicles in operation.

The Council believes that the TLC should do more to promote the use of hybrid-electric vehicles for use as taxis and for-hire vehicles. Because hybrid-electric vehicles are relatively new, many people in the taxi and for-hire vehicle industry may not be aware of the benefits of operating such a vehicle. The Council is enacting this law to ensure that the TLC actively takes steps to increase the number of hybrid-electric vehicles in the taxi and for-hire vehicle fleets and to increase awareness of the benefits of hybrid-electric vehicles in the taxi and for-hire vehicle industries, thereby promoting their use.

§2. Section 19-533 of the administrative code of the city of New York is hereby amended to read as follows:

§ 19-533 Clean air taxis. The commission shall approve one or more hybrid-electric vehicle models for use as a taxicab within ninety days after the enactment of this law. The approved vehicle model or models shall be eligible for immediate use by all current and future medallion owners, including successful bidders for medallions sold pursuant to local law number 51 for the year 2003. For the purposes of this [law] *chapter*, a hybrid-electric vehicle shall be defined as a commercially available mass production vehicle originally equipped by the manufacturer with a combustion engine system together with an electric propulsion system that operates in an integrated manner.

§ 3. Chapter 5 of title 19 of the administrative code of the city of New York is hereby amended by adding thereto a new section 19-534 to read as follows:

§ 19-534 The clean air taxi and for-hire vehicle plan. a. For the purposes of this section only, the following terms shall have the following meanings:

(1) "Alternative fuel" shall have the same meaning as in paragraph one of subdivision a of section 24-163.1 of this code.

(2) "Alternative fuel vehicle" shall mean a motor vehicle that is operated using solely an alternative fuel or is operated using an alternative fuel in combination with gasoline or diesel fuel, and shall not include bi-fuel motor vehicles.

(3) "Bi-fuel motor vehicle" shall have the same meaning as in paragraph four of subdivision a of section 24-163.1 of this code.

b. No later than ninety days after the effective date of this section, the commission shall develop and approve a plan to significantly increase the number of hybrid-electric vehicles operating in the taxicab and for-hire vehicle fleets in New York city. Such plan shall include, but not be limited to:

(1) a description of specific measures to increase the number of hybrid-electric vehicles operating within the New York city taxicab and for-hire vehicle fleets and periodic goals for achieving increases in the number of such vehicles;

(2) a schedule, including interim and final milestones, for implementing such measures; and

(3) an education campaign that provides taxicab and for-hire vehicle owners with information regarding hybrid-electric vehicles.

c. The commission shall implement the plan prepared and adopted pursuant to subdivision b of this section.

d. (1) The education campaign, set forth in paragraph three of subdivision b of this section shall include, but not be limited to, information regarding available hybrid-electric vehicle models, including: the fuel economy of such vehicles, as compared with gasoline-powered models typically used as taxicabs and for-hire vehicles in New York city; costs and savings associated with the purchase and use of such vehicles; the air quality benefits associated with the use of such vehicles; available governmental and manufacturer incentives; and, any other information that the commission deems relevant. This information shall be provided to owners of taxicabs and for-hire vehicles upon issuance or renewal of a license in accordance with section 19-504 of this chapter, shall be posted on the commission's web page, and, where practicable, shall be sent to such owners with other commission documents and notices.

(2) The commission shall conduct at least two informational workshops regarding hybrid-electric vehicles every calendar year. Owners of taxicabs and for-hire vehicles shall be required to attend at least one workshop every calendar year, until at least fifty percent of the taxicabs or for-hire vehicles they own are hybrid-electric vehicles.

e. The commission shall prepare and submit to the speaker of the council by January 31 of each year an annual status report covering the immediately preceding calendar year, which shall include, but not be limited to:

(1) The implementation status of the education campaign and other measures included in the plan prepared and adopted pursuant to subdivision b of this section; and

(2) The numbers of hybrid-electric vehicles operating in the taxicab and for-hire vehicle fleets in New York city and how these numbers compare to those of the previous year and with the goals set forth in such plan.

f. (1) On an annual basis, the commission shall review its plan, required pursuant to subdivision b of this section, to determine, among other things, whether it has helped to increase the number of hybrid-electric vehicles operating in the taxicab and for-hire vehicle fleets and whether scheduled milestones and goals included in such plan have been met. The commission shall revise such plan as necessary.

(2) As part of its annual review, the commission shall assess whether additional alternative fuel vehicles should be incorporated into the plan, including the education campaign. The commission shall incorporate into such plan those alternative fuel vehicles it deems appropriate for inclusion as a result of such assessment and thereafter include information regarding such vehicles in the report required pursuant to subdivision e of this section.

§ 4. This local law shall take effect immediately after its enactment into law.

Referred to the Committee on Transportation.

Int. No. 353

By Council Members Gennaro, Liu, Yassky, Koppell, Mendez, Brewer, Clarke, Comrie, Fidler, Foster, James, Mark-Viverito, Martinez, McMahon, Palma, Recchia, Sanders, Stewart, Weprin and White.

A Local Law to amend the administrative code of the city of New York, in relation to clearly identifying clean air taxicabs and providing information regarding such vehicles.

Be it enacted by the Council as follows:

Section 1. Section 19-514 of Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new subdivision h to read as follows:

h. Each hybrid-electric taxicab and taxicab dedicated to operate on compressed natural gas shall clearly display the words "CLEAN AIR TAXI" in two prominent locations on the vehicle's exterior. For the purposes of this subdivision, "hybrid-electric taxicab" shall mean a commercially available mass-produced vehicle originally equipped by the manufacturer with a combustion engine system together with an electric propulsion system that operates in an integrated manner, which is approved by the commissioner for use as a taxicab.

§2. Title 19 of the administrative code of the city of New York is amended by adding a new section 19-534 to read as follows:

§19-534 Clean air taxi labeling and information. a. For the purposes of this section, the term "hybrid-electric taxicab" shall mean a commercially available mass-produced vehicle originally equipped by the manufacturer with a combustion engine system together with an electric propulsion system that operates in an integrated manner, which is approved by the commissioner for use as a taxicab.

b. The commission shall develop and provide information to each owner of a hybrid-electric taxicab and taxicab dedicated to operate on compressed natural gas, which shall be displayed in each such vehicle in a manner that is clearly apparent to a passenger located in the back seat of such vehicle, and which:

(1) identifies such taxicab as a clean air taxi; and

(2) includes the air quality benefits associated with the use of such vehicle; where such vehicle is a hybrid-electric taxicab, the fuel economy associated with the use of such vehicle, as compared with gasoline-powered taxicab models; and the address of the commission web page, required pursuant to subdivision c of this section, where additional information regarding such vehicle can be found.

c. The commission shall establish a web page that contains information regarding hybrid-electric taxicabs and taxicabs dedicated to operate on compressed natural gas. Such web page shall include, but not be limited to, the following information:

(1) the total number of such taxicabs operating in New York city, broken down by vehicle model;

(2) the information required pursuant to paragraph two of subdivision b of this section, including the aggregate air quality benefits and fuel savings associated with such taxicabs operating within New York city;

(3) available governmental and manufacturer incentives for the purchase of such vehicles; and

(4) links to governmental and other websites that contain additional information regarding such vehicles.

§3. This local law shall take effect thirty days after its enactment into law.

Res. No. 339

Resolution concerning the establishment of the Bay Ridge 5th Avenue Business Improvement District in the Borough of Brooklyn and setting a new date, time and place for the public hearing to hear all persons interested in the establishment of such district.

By Council Members Gentile, Comrie and Sanders (by request of the Mayor)

WHEREAS, Pursuant to the authority granted by Chapter 4 of Title 25 of the Administrative Code of the City of New York (the "Law"), the Mayor, by authorization dated September 28, 2005, provided for the preparation of a district plan (the "Plan") for the Bay Ridge 5th Avenue Business Improvement District (the "District") in the Borough of Brooklyn; and

WHEREAS, Pursuant to Local Law No. 82 of 1990, the City Council assumed responsibility for adopting legislation establishing Business Improvement Districts; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the New York City Department of Small Business Services ("SBS") submitted the Plan to the City Planning Commission (the "CPC") on November 14, 2005; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the City Council on November 14, 2005; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the Council Member representing the council district in which the proposed District is located on November 14, 2005; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the CPC submitted the Plan to the community board (Brooklyn Community Board Number 10, hereinafter referred to as the "Community Board") for the community district in which the proposed District is located on November 14, 2005; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the Community Board notified the public of the Plan in accordance with the requirements established by the CPC; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the Community Board conducted a public hearing on December 19, 2005; and

WHEREAS, On December 19, 2005, the Community Board voted to approve the establishment of the District; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the CPC reviewed the Plan, held a public hearing and prepared a report certifying its unqualified approval of the Plan; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, the CPC submitted its report to the Mayor, to the City Council and to the Council Member representing the council district in which the proposed District is located; and

WHEREAS, Pursuant to section 25-405 (c) of the Law, a copy of the CPC's report, together with the original Plan, was transmitted for filing with the City Clerk on February 16, 2006; and

WHEREAS, Pursuant to section 25-406 (a) of the Law, a copy of the Plan, and the CPC's report are annexed hereto and are made part of this Resolution; and

WHEREAS, Pursuant to section 25-406 (a) of the Law, the Plan is on file for public inspection in the Office of the City Clerk, Municipal Building, Room 265, New York, New York; and

WHEREAS, Pursuant to Section 25-406 (b) of the Law, any owner of real property, deemed benefited and therefore within the District, objecting to the Plan must file an objection at the Office of the City Clerk within thirty days of the conclusion of the hearing held by the City Council, notice of which is provided by this Resolution, on forms made available by the City Clerk; and

WHEREAS, Pursuant to Section 25-406 (b) of the Law, if owners of at least fifty-one percent of the assessed valuation of all the benefited real property situated within the boundaries of the District proposed for establishment, as shown upon the latest completed assessment roll of the City, or at least fifty-one percent of the owners of benefited real property within the area included in the District proposed for establishment, file objections to the Plan with the City Clerk within the thirty-day objection period, the District will not be established; now, therefore, be it

RESOLVED, that the Council of the City of New York, pursuant to Section 25-406 of the Law, hereby directs that:

(i) June 13, 2006 is the date and 11:00 a.m. is the time and the City Council Committee Meeting Room, 2nd Floor, City Hall is the place for a public hearing (the "Public Hearing") to hear all persons interested in the establishment of the District;

(ii) the Bay Ridge 5th Avenue BID Steering Committee shall, not less than ten nor more than thirty days before the date of the Public Hearing, mail a copy of this Resolution or a summary thereof to each owner of real property within the proposed District at the address shown on the latest City assessment roll, to such other persons as are registered with the City to receive tax bills concerning real property within the proposed District, and to the tenants of each building within the proposed District; the Department of Small Business Services shall arrange for the publication of a copy of this Resolution or a summary thereof at least once in the City Record or a newspaper in general circulation in the City, the first publication to be not less than ten nor more than thirty days before the date of the Public Hearing; and

(iii) in the event that the Bay Ridge 5th Avenue BID Steering Committee mails, or the Department of Small Business Services arranges for the publication of, a summary of this Resolution, such summary shall include the information required by section 25-406 (c) of the Law.

Adopted by the Council (preconsidered and approved by the Committee on Finance.)

Res. No. 340

Resolution calling for the re-introduction and adoption of State Senate Bill S.7360 and State Assembly Bill A.11706, which would allow the City to provide tax credits to landlords of multiple dwelling residences who provide grab bars for senior citizen and disabled tenants who live in such dwellings.

By Council Members Gerson, Brewer, Clarke, Dickens, Felder, Foster, Gonzalez, James, Koppell, Liu, Mark-Viverito, McMahon, Recchia, Sanders, Weprin and White.

Whereas, According to the New York City Department of Health and Mental Hygiene, falls are the leading cause of injury related deaths for New York City residents over the age of sixty-five; and

Whereas, The Council of Senior Centers and Services reports that 20% to 30% of those seniors who fall sustain moderate to severe injuries, and 25% of seniors who sustain hip fractures die within one year after such incidents; and

Whereas, According to a 2003 report by the Council of Senior Centers and Services, in 1994, the nationwide cost for all falls by senior citizens was $20.2 billion, and is expected to rise to $32.4 billion by the year 2020; and

Whereas, Protective devices such as grab bars that help prevent slippage in bathtubs and shower stalls are essential in preventing accidents for seniors and the disabled; and

Whereas, New York City's Independent Budget Office has estimated that the initial cost of installing grab bars in all eligible households would be $38 million; and

Whereas, The cost of installation would be significantly less each subsequent year, as the number of eligible residents requesting grab bars would decline since many grab bars would have already been installed; and

Whereas, Once grab bars are properly installed, they continue to stay in place for many years, requiring almost no cost or effort to maintain, and thus can be useful tools in helping to prevent accidents and in saving the City and State money that would otherwise be spent in treating such accidents; and

Whereas, In 2004, Senate Bill S.7630 and Assembly Bill A.11706, both of which would allow the City the option of providing real property tax credits to owners of multiple unit dwellings for the purchase and installation of grab bars in units occupied by senior citizens or persons with physical needs who qualify, were introduced at the request of the New York City Council; and

Whereas, An owner of a multiple unit dwelling should not have to solely bear the financial burden of installing grab bars; now, therefore, be it

Resolved, That the Council of the City of New York calls for the re-introduction and adoption of State Senate Bill S.7360 and State Assembly Bill A.11706, which would allow the City to provide tax credits to landlords of multiple dwelling residences who provide grab bars for senior citizen and disabled tenants who live in such dwellings.

Res. No. 341

Resolution calling upon the United States Congress to amend all current federal laws which require the release of contact information of high school students to military recruiters unless such students or their parents or guardians "opt-out" of providing such information, to require instead that such contact information be released only upon the request of a student or their parent or guardian.

By Council Members James, Clarke, Foster, Liu, Mark-Viverito, Vann and White.

Whereas, Under federal law, local educational agencies that receive funding under the No Child Left Behind Act (NCLB), are required to provide the names, addresses and telephone listings of secondary school students to a military recruiter if a request for such information is made by such a recruiter; and

Whereas, The law also provides for a consent procedure whereby a secondary school student or parents or guardians of such student may request that the student's information not be released without prior written parental or guardian consent; and

Whereas, Despite the consent procedure, many civil liberties organizations, advocacy groups, educators, parents and students have spoken out against what they believe is an overly aggressive campaign to recruit high school students, and in particular, low-income students and students of color; and

Whereas, According to a November 2005 New York Civil Liberties Union (NYCLU) press release, the U.S. Department of Defense's Joint Advertising and Marketing Research and Studies office specifically targets students of color through "Marketing to Hispanics" and "Marketing to African Americans" literature; and

Whereas, In addition, in November 2005, the National Priorities Project (NPP) released an independent analysis of Pentagon data that found that two-thirds of the nation's recruits are from lower-income communities; and

Whereas, According to the NPP analysis, 70% of Black recruits come from neighborhoods at or below the U.S. median household income; and

Whereas, The NPP analysis also found that in 2004, Kings County, New York, was one of three counties in the nation with the highest numbers of Black Army recruits; and

Whereas, In addition to unfairly targeting low-income communities and students of color, there is also evidence that the Department of Defense (DOD) may not be in compliance with the section of federal law that enables students or their parents or guardians to "opt-out" of providing recruiters with contact information; and

Whereas, In April 2006, six New York City high school students, along with the NYCLU, filed a federal lawsuit against the DOD alleging, among other claims, that despite submitting the "opt-out" form and requesting that their name be removed from email lists, the students are continuing to be heavily recruited by the military; and

Whereas, Developing a policy that releases student contact information only by request of that student or their parent or guardian would help alleviate the problems of targeted and improperly continued recruitment efforts; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Congress to amend all current federal laws which require the release of contact information of high school students to military recruiters unless such students or their parents or guardians "opt-out" of providing such information, to require instead that such contact information be released only upon the request of a student or their parent or guardian.

Res. No. 342

Resolution calling on the Department of Education ("DOE") to place a moratorium on the confiscation of students' cellular phones during random searches of middle and high schools, to immediately convene public hearings in every community school district to discuss its policy banning cellular phones in public schools and to develop, in consultation with all interested parties, an alternative policy governing the presence of cellular phones on school property.

By Council Members James, Brewer, Avella, Clarke, Fidler, Foster, Liu, Weprin and White.

Whereas, Sections V(D-G) of Chancellor's Regulation A-412 and the New York City Department of Education's ("DOE") Citywide Standards of Discipline and Intervention Measures (the "Discipline Code") prohibit students from possessing cellular phones on school property and allow school personnel to confiscate such devices; and

Whereas, In most schools, the DOE has had a "don't ask, don't tell" policy with regard to students' possession of cellular phones; and

Whereas, Pursuant to a school safety initiative announced by Mayor Bloomberg in April of 2006, school safety officers with mobile scanners have begun to search middle and high school students at unannounced locations upon their arrival at school; and

Whereas, As a result of such random searches, there has been a recent increase in the confiscation of students' cellular phones in these schools, which has led to heightened scrutiny of DOE's cellular phone policy; and

Whereas, In many cases, it has taken several days for students to retrieve their cellular phones; and

Whereas, The DOE is exceeding its authority by effectively prohibiting students from carrying and using cellular phones to and from schools; and

Whereas, The DOE's cellular phone policy has provoked a strong reaction from parents and legal guardians of students in the public school system, who feel that the policy does not take their concerns about their children's safety into consideration; and

Whereas, Many parents and legal guardians use cellular phones to contact their children while their children are traveling to and from school, and when they need to deal with any immediate changes in schedules or events; and

Whereas, Despite these concerns, the DOE has indicated that a ban on cellular phones is necessary because cellular phones have been used for improper purposes and are disruptive in the classroom; and

Whereas, Interested stakeholders have offered suggestions for revising the current policy that take into account the DOE's concerns, as well as the concerns of parents, guardians and students; and

Whereas, For example, in a resolution dated May 1, 2006, the Executive Board of the United Federation of Teachers called on the DOE to allow students to bring cellular phones to school, but to allow each school develop and enforce a policy prohibiting cellular phone use in school buildings; and

Whereas, Critics of the DOE's absolute ban on cellular phones have pointed out that in other major cities, such as Boston, school authorities have revised their policies to allow students to bring cellular phones to school so that students may use them before and after school; and

Whereas, Such policies reflect a recognition of the fact that cellular phone usage has become widespread and is a useful tool in facilitating communication between students and their parents or guardians; and

Whereas, Members of the New York City public school community have expressed anger over what they perceive as the DOE's unwillingness to accept this new reality; and

Whereas, Members of the New York City public school community, including parents, guardians and students, have asked that they be given the opportunity to discuss the DOE's cellular phone policy in a public forum; and

Whereas, Pursuant to section 2801(3) of the New York State Education Law, the Chancellor is required to develop the Discipline Code "in collaboration with student, teacher, administrator, and parent organizations"; and

Whereas, Section 2801(5)(a) of the New York State Education Law requires the Chancellor to "annually review and update the district's codes [*sic*] of conduct if necessary, taking into consideration the effectiveness of code provisions and the fairness and consistency of its administration"; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York City Department of Education to place a moratorium on the confiscation of students' cellular phones during random searches of middle and high schools, to immediately convene public hearings in every community school district to discuss its policy banning cellular phones in public schools and to develop, in consultation with all interested parties, an alternative policy governing the presence of cellular phones on school property.

A Local Law to amend the administrative code of the city of New York, in relation to displaying the international wheelchair insignia on the exterior of accessible taxicabs.

Be it enacted by the Council as follows:

Section 1. Section 19-514 of Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new subdivision h to read as follows:

h. Any accessible taxicab shall display the international wheelchair insignia in two prominent locations on the vehicle's exterior. For purpose of this subdivision "accessible taxicab" shall mean any vehicle equipped with a hydraulic lift or ramps designed for the purpose of transporting persons using wheelchairs or other personal mobility aids, such as scooters, or containing any other physical device or

alteration designed to permit access to and enable the transportation of physically disabled persons and that complies with the accessibility requirements of the Americans With Disabilities Act of 1990, as amended, and any regulations promulgated thereunder, or any vehicle determined to be accessible to physically disabled persons pursuant to rules promulgated by the commissioner; provided that such vehicle is approved by the commissioner for use as a taxicab.

By Council Members Koppell, Liu, Gennaro, Mendez, Yassky, Brewer, Clarke, Fidler, Foster, James, Mark-Viverito, Martinez, McMahon, Monserrate, Recchia, Sanders, Seabrook, Stewart, Weprin and Lanza

A Local Law to amend the administrative code of the city of New York, in relation to accessible clean air taxis.

Be it enacted by the Council as follows:

Section 1. Legislative findings and intent. New York City's medallion taxicab industry uses 12,779 taxicabs to service New York's 8.1 million residents. Taxicabs provide a crucial transportation service for New Yorkers and often serve as an important supplement to public transportation. Demand responsive transportation, such as taxicabs, is especially vital for wheelchair users in New York City. The City's large public transportation system is largely inaccessible to the disabled, making demand responsive taxi services important with respect to the daily transportation needs of the City's disabled residents. New York's taxi industry also represents an opportunity to improve the City's air quality. Currently, the industry overwhelmingly relies upon vehicles that have poor gas mileage and add to the City's air pollution problem.

The Council finds that the City's taxicab industry should play an important role in providing transportation for the disabled and should actively attempt to reduce harmful automotive emissions in the City. However, there are currently no accessible hybrid electric vehicles available in the United States. The Council therefore finds that the Taxi and Limousine Commission should establish specifications for an accessible hybrid electric vehicle for use as a taxicab in the City and establish a competition for the design of such a vehicle. Such a competition would indicate the interest of the City of New York in such a vehicle and spur development in this area.

§2. Chapter 5 of title 19 of the administrative code of the city of New York is hereby amended by adding a new section 19-533.1 to read as follows:

§19-533.1 Accessible clean air taxis. a. Definitions. For the purposes of this section, the following terms shall have the following meanings:

1. "Accessible hybrid electric vehicle" shall mean any vehicle equipped with a hydraulic lift or ramps designed for the purpose of transporting persons using wheelchairs or other personal mobility aids, such as scooters, or containing any other physical device or alteration designed to permit access to and enable the transportation of physically disabled persons and that complies with the accessibility requirements of the Americans With Disabilities Act of 1990, as amended, and any regulations promulgated thereunder, or any vehicle determined to be accessible to physically disabled persons pursuant to rules promulgated by the commissioner, and is at the same time a commercially available mass-produced vehicle originally equipped by the manufacturer with a combustion engine system together with an electric propulsion system that operates in an integrated manner; provided that such vehicle shall be approved by the commission for use as a taxicab.

b. The commission shall approve specifications for an accessible hybrid electric vehicle model for use as a taxicab in the city of New York within one hundred twenty days after the enactment of the local law that added this section.

c. The commission shall establish a competition for the development of an accessible hybrid electric vehicle for use as a taxicab in the city of New York according to specifications approved by the commission pursuant to subdivision b of this section within thirty days of such approval.

§3. This local law shall take effect immediately after its enactment into law.

Int. No. 356

By Council Members Koppell, Liu, Gennaro, Mendez, Yassky, Brewer, Fidler, Foster, Gonzalez, James, Mark-Viverito, Martinez, McMahon, Recchia, Sanders and Weprin

A Local Law to amend the administrative code of the city of New York, in relation to creating a Central Accessibility Dispatch System.

Be it enacted by the Council as follows:

Section 1. Subdivision b of section 19-508 of Chapter 5 of title 19 of the administrative code of the city of New York is hereby amended to read as follows:

b. The commission may permit or require the installation of radio or other equipment of specified types in licensed vehicles, [except] *provided* that the commission shall require that wheelchair accessible vans contain two-way radios where the owner employs a dispatcher, a number of portable or fixed seat belts equal to the maximum capacity of the van, safety ties sufficient to secure any wheelchair or wheelchairs which the van may at any given time be transporting and such other special equipment as the commission shall determine is necessary to insure the safe transportation of physically handicapped persons, *provided further that the commission shall require that wheelchair accessible taxicabs and wheelchair accessible for-hire vehicles that participate in the central accessibility dispatch system established pursuant to § 19-521(b) of this code contain two-way radios.* The commission shall require the use of a specified frequency for any radio used by licensed vehicles, said frequency to be assigned by the federal communications commission.

§2. Section 19-521 of chapter 5 of title 19 of the administrative code of the city of New York is amended to read as follows:

§19-521 Central dispatcher services [at all major transit terminals].

a. The commission shall institute a plan for the industry relating to the establishment of a central dispatch system operating at all air terminals within the city of New York. Such a program shall be instituted at all such air terminals to provide service to any and all points in the five boroughs, and in such other locations as from time to time the commission shall deem necessary.

b. The commission shall institute a plan for the industry relating to the establishment of a central dispatch system for all wheelchair accessible taxicabs and wheelchair accessible for-hire vehicles. Such a program shall utilize the 311 citizen service center in order to enable the public to call such center to obtain the services of a wheelchair accessible vehicle.

1. The commission shall submit a report to the mayor and the city council every six months beginning on January 1, 2007 regarding the operation of the central dispatch system established pursuant to this subdivision. Such reports shall include but not be limited to: (i) the number of calls received, (ii) the date and time of each call received, (iii) the zip code and borough from which each call was received, (iv) the type of vehicle dispatched, (v) the zip code and borough from which each vehicle was dispatched, (vi) the length of time from when a call was received to when the dispatched vehicle picked up the passenger and (vii) any complaints received regarding the central dispatch system.

2. Nothing in this section shall be construed to limit the ability of a wheelchair accessible taxicab to pick-up street hails of any passenger as authorized pursuant to § 19-502 (l) of the this Code.

§3. This local law shall take effect one hundred and twenty days after the date of enactment, provided that the commissioners of the taxi and limousine commission and the department of information technology and telecommunication may promulgate any rules and take any other actions as shall be necessary for the timely implementation of this local law prior to such effective date.

State Legislation Res. No. 112

State Legislation Resolution requesting the New York State Legislature to pass bills introduced by Senator Marchi, S.7432, and Assembly Member Cusick, A.10801, "AN ACT to authorize Jean Sergent to purchase service credit in the New York city teachers' retirement system".

By Council Members Lanza, McMahon and Recchia.

Whereas, bills have been introduced in the New York State Legislature by Senator Marchi, S.7432, and Assembly Member Cusick, A.10801, "AN ACT to authorize Jean Sergent to purchase credit in the New York city teachers' retirement system"; and

Whereas, the enactment of the above State Legislation requires the concurrence of the Council of the City of New York as the local legislative body; now, therefore, be it

Resolved, that the Council of the City of New York, in accordance with the provisions of Section 2 of Article 9 of the Constitution of the State of New York, does hereby request the New York State Legislature to enact into law the aforesaid pending bills.

By Council Members Oddo, Gallagher, Avella, Felder, Fidler, Gennaro, Martinez, McMahon, Monserrate, Recchia, Sanders, White, Gerson and Lanza.

A Local Law to amend the New York city charter, in relation to the displaying of the POW/MIA flag on property under the care and control of the Department of Education.

Be it enacted by the Council as follows:

Section 1. Legislative intent. The Prisoner of War/Missing in Action (POW/MIA) flag was designed to honor and express the United States' gratitude to those members of the United States Armed Forces who have been or remain prisoners of war, and those who remain missing in action. The POW/MIA flag is a powerful symbol of our nation's concern and commitment to determining, as fully as possible, the fates of American military personnel still imprisoned or missing overseas.

It is the Council's intent to require the POW/MIA flag to be flown over every piece of property under the jurisdiction of the Department of Education, whenever the American flag is flown over such property.

§2. Title 20 of the New York city charter is amended by adding a new section 530 to read as follows:

§530 Displaying a POW/MIA flag over department of education property. a. Until such time as all members of the United States Armed Forces listed either as missing in action or prisoners of war are accounted for by the United States government, the chancellor of the department of education shall assure that the Prisoner of War/Missing in Action (POW/MIA) flag is flown over all public property under the care and control of the department of education whenever the American flag is flown over such property.

b. Thirty days after the effective date of the local law that added this section, the chancellor shall submit to the mayor and the speaker of the city council a report indicating that all requirements of subdivision b of this section have been met, and listing all public property under the care and control of the department of education over which the POW/MIA flag is flown.

§3. This local law shall take effect one hundred and eighty days after its enactment into law.

Referred to the Committee on Education.

A Local Law to amend the administrative code of the city of New York, in relation to access to the public areas of offices at which the city administers public benefits programs.

Be it enacted by the Council:

Section 1. **Declaration of Legislative Findings and Intent.** The extremely high volume of people applying for and receiving public benefits makes the city's task in administering its benefits programs very difficult. Additionally, the large number of benefits claimants in the city whose primary language is not English makes communication between claimants and the city agencies that distribute benefits particularly difficult.

It is the policy of the city of New York to provide claimants with information and resources to help them understand, apply for, and establish their eligibility for those benefits. The process of applying and recertifying for public benefits is often difficult and complicated. Termination of tenancy proceedings and termination of subsidy proceedings are likewise difficult and complicated for recipients to navigate without assistance. Non-profit advocacy organizations can assist claimants navigating the process and facilitate the public administration of benefits programs in numerous ways. They advise claimants about how best to comply with agency requests for information, explain their rights and obligations, and answer questions about application and recertification processes. Advocates also help claimants by translating documents and providing interpretation, helping fill out agency forms, helping gather and produce information that agencies seek, clarifying miscommunications between claimants and government officials, and in other important ways. Some advocates represent individual claimants in interactions with government officials, and refer claimants to non-governmental resources available to assist them. Finally, some advocates advise, refer and provide information to tenants who are facing termination of tenancy proceedings and termination of subsidy proceedings, including by providing information about possible defenses and referrals to legal aid or legal services organizations that may be able to provide representation.

Claimants often have a particularly pressing need for advocates' assistance while they are in government offices, where they must fill out complicated forms, produce essential documents and other information, and interact with government officials reviewing their eligibility. When advocates are admitted into the offices at which the city administers public benefits, the city is better able to adhere to its policy of providing information and resources to help those seeking benefits obtain and keep those benefits. When advocates are excluded from those offices, claimants are denied access to a critical source of assistance.

It is also the policy of the city of New York to provide information to the public about how the city administers benefits programs. One important way for the city to provide such information is by authorizing advocacy groups to enter and observe the public areas of the offices where the city administers benefits programs.

There are several important things that advocates are able to do when they are able to observe government officials and speak to claimants in those offices. Advocates are able to monitor the government's compliance with federal, state and local laws and regulations and with court orders. Advocates can also learn how the agencies operate, which enables them to provide claimants with better advice about how to meet the agencies' requirements. Finally, advocates are able to determine ways the government could improve its administration of benefits programs.

While some city agencies that distribute government benefits allow claimants to bring advocates with them into the agencies' offices, that is not always the case. State law requires city agencies distributing public assistance benefits to allow "an applicant or recipient . . . to appear with an attorney or other representative at any interview or conference with a representative of a social services district, whenever such interview or conference relates to questions of eligibility for public assistance and care, or the amount to which the person interviewed is or was entitled." 18 N.Y.C.R.R. § 351.1(d). It is the city's official policy to comply fully with that regulation, which embodies constitutional norms, and is also required by federal law. Nonetheless, advocates report that some Human Resources Administration (HRA) offices covered by the regulation do not consistently allow them to accompany clients into those offices. Moreover, HRA prohibits any advocate from entering a Job Center unless the advocate is representing an individual claimant or is entering pursuant to a contract with the city.

Experience demonstrates that advocates perform a useful role in offices that administer public benefits. For several decades, HRA allowed welfare advocates to enter the public areas of its Income Maintenance Centers, regardless of whether the advocates were representing individual claimants. The cities of San Diego and Los Angeles currently provide advocates with similar access. The State of New York currently allows advocates to staff a table located inside the state's public assistance fair hearings office in Brooklyn. Likewise, the New York City family and housing courts permit advocates to staff information tables on their premises. These experiences demonstrate that the city can usefully authorize advocates to enter the public areas of the city's benefits offices.

For all these reasons, there is a need to ensure that advocates have access to the offices at which the city administers public benefits.

§2. Title 21 of the administrative code of the city of New York is amended to add a new chapter 9 as follows:

CHAPTER 9

ACCESS TO PUBLIC AREAS OF CITY PUBLIC BENEFITS OFFICES

§ 21-901 Definitions
§ 21-902 Advocate Access
§ 21-903 Advocate Activities
§ 21-904 Soliciting Prohibited

§ 21-905 No endorsement
§ 21-906 Rules and Regulations

§21-901. Definitions. For purposes of this chapter, the following terms shall have the following meanings:

a. "Advocate" means:

1. a not-for-profit organization with a mission of serving, advocating on behalf of, or otherwise benefiting individuals served by a covered agency; or

2. a member or employee of, or volunteer for, such an organization.

b. "Covered agency" means a city agency that administers a public benefits program, including, but not limited to, the New York City Administration for Children's Services, the New York City Department of Housing Preservation and Development and the New York City Human Resources Administration/Department of Social Services, or any individual, sole proprietorship, partnership, joint venture or corporation or other form of doing business that enters into or renews a contract with the city after the effective date of the local law that added this section, to assist in the administration of a public benefits program.

c. "Claimant" means an applicant for or recipient of a public benefits program.

d. "Condition on the receipt of public benefits" means any requirement that is mandated for receipt of a public benefit, including assessments, work experience, job search and job readiness activities, educational activities, job skills training, public and private sector employment programs, alcohol or substance abuse treatment programs, child support cooperation, finger imaging, and cooperation with a wellness program.

e. "Public area" means a lobby, waiting room or hallway.

f. "Public benefits program" means:

1. cash assistance, including but not limited to family assistance, safety net assistance, and emergency assistance;

2. Food stamps;

3. Medicaid;

4. reimbursement for transportation expenses;

5. reimbursement for work-related expenses;

6. subsidized housing and housing subsidies and services;

7. child care benefits.

g. "Termination of subsidy proceeding" means a proceeding before the New York City Department of Housing Preservation and Development where termination of a tenant's Section 8 voucher benefits is sought.

h. "Termination of tenancy proceeding" means a termination of tenancy proceeding before the New York City Department of Housing Preservation and Development where a certificate of eviction is sought.

§21-902. Advocate access. Every covered agency shall permit advocates to enter the public areas of all offices at which the covered agency allows or requires claimants to: apply or be evaluated for eligibility for initial or continued receipt of public benefits or participation in or exemption from conditions on the receipt of the public benefit; defend against termination of tenancy proceedings; or defend against termination of subsidy proceedings.

§21-903. Advocate activities. Advocates admitted to public areas of offices at covered agencies pursuant to § 21-902 shall be permitted to talk with and distribute literature to claimants; walk around public areas; and sit at a table, unless a table would impede entry into, exit from, or free movement within a particular public area. The advocates shall be allowed into public areas of the covered agency, and shall be permitted to engage in the activities described in this section during all hours that the covered agency permits claimants to be present in those areas.

§21-904. Soliciting prohibited. Advocates admitted pursuant to § 21-903 shall not be permitted to solicit funds from claimants while on the premises of a covered agency.

§21-905. No endorsements. A covered agency's admission of advocates into public areas is not, and shall not be construed as, an endorsement of the advocates, or of any oral or written statements or policy positions advanced by the advocates. A covered agency may require advocates to indicate by their statements or dress that they are not employees of or affiliated with covered agencies or other city agencies.

§21-906. Rules and regulations. Each covered agency that is a city agency shall promulgate such rules and regulations as are necessary for the purposes of implementing and carrying out the provisions of this chapter. Each covered agency that promulgates rules or regulations under this part shall seek state approval of those regulations if approval is required by state law.

§3. Severability. If any section, subsection, sentence, clause, phrase or other portion of the local law that added this chapter is, for any reason, declared unconstitutional or invalid, in whole or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which shall continue in full force and effect.

§4. This local law shall take effect ninety days after its enactment into law.

Int. No. 360

By Council Members Rivera, Foster, James, Liu, McMahon, Seabrook, Sears, Lanza and Oddo

A Local Law to amend the administrative code of the city of New York, in relation to raising the legal age to buy tobacco to twenty-one years.

Be it enacted by the Council as follows:

Section 1. Legislative intent. According to the American Lung Association, ninety percent of smokers begin smoking before age twenty-one. Each year, more than 440,000 deaths in the United States are attributed to the accumulated effects of smoking. The 2000 National Youth Tobacco Survey found that people who begin smoking at an early age are more likely to develop severe levels of nicotine addiction than those who start at a later age. Of adolescents who have smoked at least 100 cigarettes in their lifetime, most of them report that they would like to quit, but are not able to do so. Moreover, a 1994 Report of the United States Surgeon General, titled, "Preventing Tobacco Use Among Young People," found that tobacco use in adolescence is also associated with a range of health-compromising behaviors, including being involved in fights, carrying weapons, engaging in high-risk sexual behavior, and using alcohol and other drugs.

In raising the legal age to buy tobacco to twenty-one years, the Council seeks to augment existing tobacco prevention and control programs in order to help prevent the initiation of smoking by teenagers and improve the general health of all New Yorkers.

§2. Section 17-620 of chapter 7 of title 17 of the administrative code of the city of New York is hereby amended to read as follows:

§17-620 **Sale of tobacco products to minors prohibited.** Any person operating a place of business wherein tobacco products are sold or offered for sale must be licensed as required by section 17-617.1 of this code and is prohibited from selling such products to individuals under [eighteen] *twenty-one* years of age, and shall post in a conspicuous place a sign upon which there shall be imprinted the following statement, "SALE OF CIGARETTES, CIGARS, CHEWING TOBACCO, POWDERED TOBACCO, OR OTHER TOBACCO PRODUCTS, ROLLING PAPER OR PIPES, TO PERSONS UNDER [EIGHTEEN] *TWENTY-ONE* YEARS OF AGE IS PROHIBITED BY LAW." Such sign shall be printed on a white card in red letters at least one-half inch in height. Sale of tobacco products in such places, other than by a vending machine, shall be made only to an individual who demonstrates, through a driver's license or other photographic identification card issued by a government entity or educational institution, that the individual is at least [eighteen] *twenty-one* years of age. Such identification need not be required of any individual who reasonably appears to be at least twenty-five years of age, provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of a tobacco product to an individual under [eighteen] *twenty-one* years of age.

§3. Effective date. This local law shall take effect sixty days after its enactment into law.

Referred to the Committee on Health.

A Local Law to amend the administrative code of the city of New York, in relation to extending the license term for base stations with hybrid-electric vehicles.

Be it enacted by the Council as follows:

Section 1. Section 19-502 of the administrative code of the city of New York is amended by adding new subdivisions x and y to read as follows

x. "Hybrid-electric vehicle" shall mean a commercially available mass-produced vehicle originally equipped by the manufacturer with a combustion engine system together with an electric propulsion system that operates in an integrated manner.

y. "Qualified hybrid-electric vehicle" shall mean a hybrid-electric vehicle that has a United States environmental protection agency city mileage published label value, pursuant to section 32908(b) of title 49 of the United States code, of 45 miles per gallon or greater.

§2. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-511.2 to read as follows:

§19-511.2 Duration of license for bases with clean air for-hire vehicles. a. The license term for a base station, black car base or luxury limousine base where at least twenty-five percent of the vehicles affiliated with such base station or base are hybrid-electric vehicles, but fewer than twenty-five percent of such vehicles are

qualified hybrid-electric vehicles, shall be one year longer than the applicable standard license term established by the commission.

b. The license term for a base station, black car base or luxury limousine base where at least twenty-five percent of the vehicles affiliated with such base station or base are qualified hybrid-electric vehicles shall be two years longer than the applicable standard license term established by the commission.

c. The provisions of this section shall not apply to any base station, black car base or luxury limousine base for which there is a license as of the effective date of this section until the renewal of such license subsequent to such effective date.

§3. This local law shall take effect immediately after its enactment into law.

78-06
Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted

by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF STATEN ISLAND

COMMUNITY BOARD NO. 1 - THURSDAY, July 13, 2006 at 7:30 P.M., Mount Carmel Hall, 36 Amity Street, Staten Island, NY

#C060536ZMR
IN THE MATTER OF an application submitted by Rosebank Homeowners and Tenants Association and Council Member Michael E. McMahon pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the zoning map, Section No. 21d changing from an R3-2 district to an R3X district property, bounded by Vanderbilt Avenue, a line 200 feet southwesterly of Bay Street, Townsend Avenue, a line perpendicular to the south easterly street line of Townsend Avenue.

jy11-13

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 8 - WEDNESDAY, July 19, 2006, 7:30 P.M., Hillcrest Jewish Center, 183-02 Union Turnpike, Flushing, NY

Notification of the Interest and intent of HeartShare Human Services of New York under the auspices of the New York State Office of Mental Retardation and Developmental Disabilities to increase staffing at the above address. In March 2001, when this residence was developed, the consumer needs and services required a maximum of four hours of daily supervision. The needs of the three consumers have since changed and they now require 24 hours, seven days a week staffing.

At the Public Hearing, we may either:
1. Approve the site recommended, 2. Suggest one or more suitable sites within the jurisdiction, which could accommodate such a facility. 3. Object to the establishment of a residence at the site because to do so, in the Board's opinion, would result in such a concentration of residential facilities that the nature and character of the neighborhood would be substantially altered.

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 4 - TUESDAY, July 18, 2006, 7:15 P.M., Flanders Field Post #150, 51-11 108th Street, Corona, NY

#020127ZMQ

Re: 45-02/16 83rd Street and 45-15 82nd Street

The applicant, H.K. Development Group Ltd. proposes a zoning map amendment for the block fronting the south side of 45th Avenue between 82nd and 83rd Streets, in the Elmhurst section of Community Board 4, Queens. This action would facilitate the development of a new residential building with a commercial base. The proposal seeks to rezone a portion of tax block 1536 from an R6B with a partial C2-3 commercial overlay to an R7A with a C2-3 commercial overlay.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 27, 2007 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;
2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 27, 2008 (which is two (2) calendar years from the title vesting date).

BINDING REPORTS

ISSUE DATE: 07/05/06	DOCKET #: 070014	SRB #: SRB 07-0036
ADDRESS: 120 WEST 83RD STREET HISTORIC DISTRICT: UPPER WEST SIDE-CPW	BOROUGH: MANHATTAN	BLOCK/LOT: 1213 / 41

To the Mayor, the Council, and the Assistant Commissioner of Architecture & Engineering, DDC.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has received a proposal for the installation of rooftop mechanical equipment and related interior mechanical alterations; as shown in photographs and drawings labeled T-1, G-1, G-2 and C-1 through C-5, all dated May 30, 2006, prepared by Shaw Environmental & Infrastructure.

With regard to this proposal, the Commission finds, in accordance with the provisions of Title 63 of the R.C.N.Y., Section 2-19, that the work consists solely of mechanical equipment; that the work does not result in the damage to, or demolition of a significant architectural feature of the roof of the structure on which the rooftop installation is to be constructed; that the rooftop equipment will be only minimally visible; and will not adversely affect significant architectural features of this individual Landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ISSUE DATE: 07/05/06	DOCKET #: 070024	SRB #: SRB 07-0041
ADDRESS: 1 CENTRE STREET Municipal Building INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 121 / 1

To the Mayor, the Council, and the Deputy Commissioner, DCAS.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of

any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has received a proposal to clean smoke staining from above window openings at the 20th floor of the north facade; as shown in a photographs and described in specifications prepared by Brisk Waterproofing Company, all submitted as components of the application.

In reviewing this proposal the Commission notes that the designation report describes the building as a Beaux-Arts style skyscraper office building designed by William M. Kendall of McKim, Mead and White and built from 1909-1914.

With regard to this proposal, the Commission finds that the cleaning of the facade will be done by the gentlest effective methods in a manner which will not damage the stone face; and that the cumulative effect of this work will be to enhance the special architectural and historic character of the building and the historic district. Based on these findings, the Commission determines that the work is appropriate to this Individual Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRESS: 253-256 BROADWAY former Home Life Insurance Company Building INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 134 / 7501

To the Mayor, the Council, and the Assistant Commissioner, DCAS.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of October 25, 2005, following the Public Hearing of the same date, voted to issue a favorable report for the removal of wood double-hung windows and the installation of new metal double-hung windows with a red finish (to match Benjamin Moore 2084-10, Brick Red), as put forward in your application completed on September 25, 2005, and as you were notified in Status Update Letter 06-3261 (LPC 062341), issued October 25, 2005. All work was shown on presentation boards consisting existing condition and historic photographs, paint sample, plan, section, elevation and detail drawings, dated September 26, 2005, prepared by Swanke Hayden Connell Partners LLP and submitted as components of this application, and presented at the Public Hearing and Public Meeting.

In reviewing this proposal, the Commission noted that the designation report for the (former) Home Life Insurance Company Building describes this portion of the building as a neo-Renaissance style skyscraper designed by Pierre L. LeBrun and built in 1892-94.

With regard to this proposal, the Commission found that the deteriorated condition of the existing windows warrants their replacement; that the proposed aluminum window sash will match historic in terms of operation, configuration, details, and finish; that the profiles and dimensions of the proposed metal panning will closely match those of the deteriorated historic wood brick mold; that the deeply recessed location of the sashes will minimize any perception of the proposed change in materials; and that the finish of the proposed windows will match the historic painted finish found on windows in this building. Based on these findings the Commission determined the work to be appropriate to this Individual Landmark and voted to approve it.

However, in voting to approve this proposal, the Commission required that two complete sets of drawings be submitted for review and approval by the staff of the Commission. Subsequently, on June 6, 2006, the staff received drawings labeled T-0, T-1, T-2, A-201 through A-208, A-501 through A-506, A-701 through A-708, and A-801 through A-822, all dated May 16, 2006, prepared by Swanke Hayden Connell Architects. Accordingly the staff reviewed these drawings and determined that the approved design had been maintained. The staff also noted that this set of drawings also included restorative work issued under separate permit(s). These drawings have been marked approved by the LPC with a perforated seal, and this report is being issued.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Art Commission of the City of New York, for its archives.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRESS: 253-256 BROADWAY former Home Life Insurance Company Building INDIVIDUAL LANDMARK	BOROUGH: MANHATTAN	BLOCK/LOT: 134 / 7501

To the Mayor, the Council, and the Assistant Commissioner, DCAS.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of April 11, 2006, following the Public Hearing of the same date, voted to issue a favorable report for the removal of multi-light steel casement windows at the installation of metal tilt-and-turn window sash with multi-light sash above, and double hung aluminum windows painted Beige (to match Benjamin Moore, HC-44), as put forward in your application completed on March 16, 2006, and as you were notified in Status Update Letter 06-7252 (LPC 065975), issued April 11, 2006. All work was shown on presentation boards consisting existing condition and historic photographs, paint sample, plan, section, elevation and detail drawings, dated February 22, March 13 and April 4, 2006, prepared by Swanke Hayden Connell Partners LLP and submitted as components of this application, and presented at the Public Hearing and Public Meeting.

In reviewing this proposal, the Commission noted that the designation report for the (former) Home Life Insurance Company Building describes this portion of the building as a neo-Renaissance style office building designed by George Edward Harding & Gooch built in 1892-94, and altered in 1936 by Ely Jacques Kahn and in 1963-69 by Sapolsky & Slobodien. The Commission also noted that the base of the building was modified in 1936 by Ely Jacques Kahn and has been subsequently modified, and that original windows were replaced with the existing multi-pane steel casement sash and glass block infill when the building was altered in 1963-69 by Sapolsky & Slobodien.

With regard to this proposal, the Commission found that the deteriorated condition of the existing windows warrants their replacement; that the removal of the existing windows will not eliminate features that are either original or that date to later significant alterations to the facade; that the proposed aluminum window sash will match the historic windows in terms of configuration, details, and finish; that the profiles and dimensions of the proposed metal windows will provide a level of articulation typically found on historic windows in buildings of this age, style and type; that the finish of the proposed windows will be of a similar value to the window sash visible in historic photographs; and that the proposed work will return the building more closely to its historic appearance. Based on these findings, the Commission determined the work to be appropriate to this Individual Landmark and voted to approve it.

However, in voting to approve this proposal, the Commission required that two complete sets of drawings be submitted for review and approval by the staff of the Commission. Subsequently, on June 6, 2006, the staff received drawings labeled T-0, T-1, T-2, A-201 through A-208, A-501 through A-506A-701 through A-708, A-801 through A-822, all dated May 16, 2006, prepared by Swanke Hayden Connell Architects. Accordingly the staff reviewed these drawings and determined that the approved design had been maintained. The staff also noted that this set of drawings also included restorative work issued under separate permit. These drawings have been marked approved by the LPC with a perforated seal, and this report is being issued.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

78-06
Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban

renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 8 - WEDNESDAY, July 19, 2006, 7:30 P.M., Hillcrest Jewish Center, 183-02 Union Turnpike, Flushing, NY

Notification of the Interest and intent of HeartShare Human Services of New York under the auspices of the New York State Office of Mental Retardation and Developmental Disabilities to increase staffing at the above address. In March 2001, when this residence was developed, the consumer needs and services required a maximum of four hours of daily supervision. The needs of the three consumers have since changed and they now require 24 hours, seven days a week staffing.

At the Public Hearing, we may either:
1. Approve the site recommended, 2. Suggest one or more suitable sites within the jurisdiction, which could accommodate such a facility. 3. Object to the establishment of a residence at the site because to do so, in the Board's opinion, would result in such a concentration of residential facilities that the nature and character of the neighborhood would be substantially altered.

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 4 - TUESDAY, July 18, 2006, 7:15 P.M., Flanders Field Post #150, 51-11 108th Street, Corona, NY

#020127ZMQ

Re: 45-02/16 83rd Street and 45-15 82nd Street

The applicant, H.K. Development Group Ltd. proposes a zoning map amendment for the block fronting the south side of 45th Avenue between 82nd and 83rd Streets, in the Elmhurst section of Community Board 4, Queens. This action would facilitate the development of a new residential building with a commercial base. The proposal seeks to rezone a portion of tax block 1536 from an R6B with a partial C2-3 commercial overlay to an R7A with a C2-3 commercial overlay.

NOTICE OF APPLICATION TO CONDEMN

■ NOTICE

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the METROPOLITAN TRANSPORTATION AUTHORITY ("MTA"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 31, 2006, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law:

(a) authorizing MTA to file an acquisition map in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan;

(b) directing that, upon the filing of the order and of such map, title to the real property easements sought to be acquired shall immediately vest in MTA;

(c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and

(d) granting the MTA such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the easements in the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by MTA are located on West 41st Street on Block 1013, Lot 6 (640 8th Avenue) and Block 1050, Lot 1 (538 10th Avenue), Lot 6 (455 West 40th Street), Lot 61 (554 10th Avenue) and Lot 158 (454 West 41st Street), all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. The temporary easement affecting Block 1013, Lot 6 is located on the northerly side of West 41st Street east of Eighth Avenue and is approximately 24.75 feet wide running the length of Lot 6 in an easterly-westerly direction and shall be situated approximately 15 to 60 feet below street level. The permanent easements affecting Block 1050, Lot 1, 6, 61 and 158 are adjacent and are located on the southerly side of West 41st Street, east of Tenth Avenue. The permanent easements are approximately 5 feet wide, run in an easterly-westerly direction along the northern property lines of those lots and are located some 40 feet to 90 feet below street level.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map showing the perimeters of the property to be acquired is set forth below:

Coordinates and bearings are in a system established by the United States Coast And Geodetic Survey for the Borough of Staten Island.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 27, 2007 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 27, 2008 (which is two (2) calendar years from the title vesting date).

CHANNEL EXTENSION EQUIPMENT FOR PRINTERS AND TERMINALS – Request for Information – PIN# 12707EX00074 – DUE 07-18-06 AT 10:00 A.M. – FISA's Computer Data Center uses equipment that allows devices such as printers and terminals to appear locally attached to the mainframe while being physically located at greater distances from the mainframe than these devices normally allow. We need to upgrade the current equipment, which is a McData 9200 channel extension box to currently available hardware and networking technology in order to maintain an extended connection to two later printers and two non-SNA 3174 control units which are at the Comptroller's Office. The network connection currently is and will continue to be established through Citynet.

Please submit channel extension specifications, approximate cost including warranty and 3 years of maintenance costs and E-Mail responses to Schee@fisa.nyc.gov and Acroce@fisa.nyc.gov

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Adoption of Amendments to Rules Governing City-Aided Limited-Profit Housing Companies

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Housing Preservation and Development by §1802 of the New York City Charter and Sections 32(3) and 32-a of the Private Housing Finance Law, and in accordance with the requirements of § 1043 of the New York City Charter that the Department of Housing Preservation and Development intends to adopt amended rules for City-Aided Limited-Profit Housing Companies. The required public hearing was held on March 31, 2005.

Additions to the rules are underlined and proposed deletions are [bracketed].

Section 1. Subparagraph (vi) of paragraph (2) of subdivision (i) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(vi) A copy of any applicable documents relating to the rental development, including, but not limited to, the urban renewal plan, the plan and project, the deed or lease, the land disposition agreement, any applicable Board of Estimate or City Council resolution and the temporary certificate of occupancy and permanent certificate of occupancy, or any other documents requested by HPD. Such documents shall also be given to the Tenants Association as well as to a management office on site (or, if there is no management office on site, to a management office located within the city of New York). At such management office, such documents shall be made available to any tenant of such rental housing company and/or his or her representative upon request.

The owner shall notify all tenants by ordinary mail or distribution at or under each apartment door and by posting a copy in a conspicuous place on the lobby floor of each building affected of its intent to dissolve or reconstitute at or about the same time as the delivery of the notice of intent to HPD.

§ 2. Paragraph 6 of subdivision (i) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(6) *Mutual Housing companies—Special Meeting.* A board of directors of a mutual housing company intending to dissolve and/or reconstitute pursuant to §35 shall call a special meeting in conformance with the mutual housing company by-law requirements for the purpose of ascertaining shareholder interest in dissolution. The secretary of the board of directors shall submit to HPD a certified resolution stating that not less than a majority of the shareholders present at such special meeting approved an expenditure of funds in a specified amount for the purpose of preliminary exploration of dissolution and/or reconstitution, unless the by-laws of the company mandate a greater affirmative vote. Said resolution shall include language as follows:

" This resolution authorizes the board of directors to take steps necessary to ascertain the desirability of dissolution and/or reconstitution. This resolution authorizes the expenditure of $_____ for such investigation and notifies the shareholders that there are Private Housing Finance Law requirements for dissolution. This resolution also advises the shareholders that the New York State Department of Law requirements must be met prior to actual dissolution and/or reconstitution."

A certified copy of the resolution shall be submitted to HPD within seven (7) business days after such vote. Expenditure of funds authorized above shall require prior written approval of HPD, if the dollar amount for any one retainer, agreement, or contract exceeds [$10,000] $15,000 for mutual housing companies with fewer than five hundred (500) dwelling units and [$25,000] $30,000 for those with five hundred (500) or greater.

§ 3. A new paragraph (7-a) is added to subdivision (i) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York to read as follows:

(7-a) Conduct of Special Meetings. Special meetings required pursuant to paragraphs six-a and seven of this subdivision shall be conducted by an independent election company. Prior to conducting such special meetings, the mutual housing company must notify HPD in writing of the name of the independent election company, and of the intended special meeting procedures. If the cost of any such special meeting exceeds $15,000 in housing companies with fewer than five hundred (500) dwelling units or $30,000 in housing companies with at least five hundred (500) dwelling units, the contracts will require HPD's prior written approval. Such independent election company must submit proof to HPD that the requirements of this paragraph have been met.

Statement of Basis and Purpose. The rule amendments clarify certain dissolution procedures for City-aided limited-profit housing companies. First, the requirement that dissolution documents submitted by a limited-profit housing company also be submitted to the Tenants Association has been enhanced by also requiring that such documents be given to either a management office on site, or, if there is no management office on site, to a management office in New York City. This amendment is to ensure that such documents are still accessible to tenants at large, as well as to their representatives in developments with a Tenants Association. Finally, it allows for distribution at or under each door of a dwelling unit in case certain doors do not have space beneath them to slip documentation. The second amendment makes the dollar thresholds for HPD approval of the funding of the feasibility study the same as they are currently for contracts in general. The third amendment requiring that two of the special meetings (first to authorize preparation of an offering plan and filing of a Notice of Intent, and second to authorize withdrawal from the Mitchell-Lama Program after the acceptance by the Attorney General's Office of the offering plan) relating to the dissolution of a mutual housing company be conducted by an independent election company ensures that these meetings are conducted in a fair and professional manner. Since the votes taken at such meetings are often contentious and have a huge impact on the cooperators, it is critical that they be supervised and regulated by a fair and impartial party.

Notice of Adoption of Amendments to Rules Governing City-Aided Limited-Profit Housing Companies

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Housing Preservation and Development by §1802 of the New York City Charter and Sections 32(3) and 32-a of the Private Housing Finance Law, and in accordance with the requirements of § 1043 of the New York City Charter that the Department of Housing Preservation and Development intends to adopt amended rules for City-Aided Limited-Profit Housing Companies. The amended rules were proposed and published on April 17, 2006. The required public hearing was held on May 22, 2006.

Material to be added is underlined. Material to be deleted is in [brackets].

Section one. A new paragraph (6-a) of subdivision (i) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York is added, and paragraph (7) of such subdivision is amended, to read as follows:

(6-a) Special meeting to authorize preparation of an offering plan and filing of Notice of Intent.

(i) Pursuant to the applicable notice period in the mutual housing company's by-laws, a special meeting shall be convened by the board of directors of the mutual housing company to authorize the (A) preparation and submission to the office of the Attorney General of the State of New York of a private cooperative or condominium offering plan for the housing project, and (B) submission to HPD of the mutual housing company's notice of its intention to dissolve and/or reconstitute ("Notice of Intent"). Eligible voters for purposes of a quorum and for a vote on preparation and submission of such plan and such Notice of Intent shall be persons named on the stock certificate. Preparation and submission of such plan and such Notice of Intent requires approval of two-thirds (2/3) of the outstanding shares of the corporation as mandated by the Business Corporation Law.

(ii) The Notice of Intent shall be submitted to HPD no later than 365 days prior to the anticipated date of dissolution and/or reconstitution. It shall be accompanied by evidence of the appropriate shareholder vote and resolution authorizing the preparation and submission of the offering plan and such Notice of Intent in accordance with subparagraph (i) of this paragraph and shall contain the following information and supporting documents:

(A) Name and address of the housing development;

(B) Name and address of proposed transferee, if property is being sold or transferred and the proposed date of any such transfer.

(C) A current rent roll reflecting carrying charges last ordered by HPD and/or by HUD including surcharges, subsidy and other special charge data.

(D) A list of cooperators who are presently receiving subsidies which may be discontinued as a result of dissolution and the proposed carrying charges to be charged such subsidy recipients after dissolution.

(E) A copy of any applicable documents relating to the mutual development, including, but not limited to, the urban renewal plan, the plan and project, the deed or lease, the land disposition agreement, any applicable Board of Estimate or City Council resolution and the temporary certificate of occupancy and permanent certificate of occupancy, or any other documents requested by HPD. Such documents shall also be given to a management office on site (or, if there is no management office on site, to a management office located within the city of New York). At such management office, such documents shall be made available to any cooperator of such mutual housing company and/or his or her representative upon request. Such mutual housing company shall notify all cooperators by ordinary mail or distribution at or under each apartment door and by posting a copy in a conspicuous place on the lobby floor of each building affected of its intent to dissolve or reconstitute at or about the same time as the delivery of the Notice of Intent to HPD.

(7) Special meeting to authorize dissolution and/or reconstitution of mutual housing companies. Pursuant to the applicable notice period in the mutual housing company's by-laws, a special meeting to authorize dissolution and/or reconstitution shall be convened by the board of directors of the mutual housing company after the acceptance by the office of the Attorney General of the State of New York of the filing of the offering plan pertaining to the proposed transfer from the mutual company to a private cooperative or condominium corporation. Eligible voters for purposes of a quorum and for the vote on dissolution and/or reconstitution shall be persons named on the stock certificate. Dissolution and/or reconstitution of the mutual housing company requires approval of two-thirds (2/3) of the outstanding shares of the corporation as mandated by the Business Corporation Law.

§ 2. Paragraph (8) of subdivision (i) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(8) [Notice of intent for mutual housing companies. A mutual housing company intending to dissolve and/or reconstitute shall notify HPD no later than 365 days prior to the anticipated date of dissolution and/or reconstitution of its intentions to dissolve and/or reconstitute. ("Notice of Intent").

The Notice of Intent shall be accompanied by evidence of the appropriate shareholder vote and resolution to dissolve.] Reserved.

Statement of Basis and Purpose. The amendments are intended to clarify the dissolution procedures for mutual housing companies. The proposed amendments provide that the special meeting for shareholders to vote to authorize the dissolution or reconstitution of such housing companies cannot occur until after the acceptance by the Attorney General's Office of the filing of the offering plan for the proposed conversion to a private cooperative or condominium corporation. The Attorney General's Office has informed HPD that under the Martin Act, it must accept a comprehensive offering plan before a final vote is taken by shareholders to dissolve and reconstitute a Mitchell-Lama cooperative into a private cooperative. The rule change ensures that HPD's Mitchell-Lama rules are in conformity with this requirement.

Notice of Adoption

Notice of Adoption of Amendments to Rules Governing City-Aided Limited-Profit Housing Companies

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Housing Preservation and Development by §1802 of the New York City Charter and Sections 32(3) and 32-a of the Private Housing Finance Law, and in accordance with the requirements of § 1043 of the New York City Charter that the Department of Housing Preservation and Development is adopting amendments to the rules governing City-Aided Limited-Profit Housing Companies. The amended rules were proposed and published on April 17, 2006. The required public hearing was held on May 22, 2006.

Additions to the rules are underlined and proposed deletions are [bracketed].

Section one. Paragraph three of subdivision (p) of section 3-02 of title 28 of the Rules of the City of New York is amended to read as follows:

(3) Unless otherwise prohibited by occupancy restrictions based upon income limitations pursuant to federal, state or local law, regulations or other requirements of governmental agencies, if the tenant/cooperator has permanently vacated the apartment, any member of such tenant/cooperator's family, who has resided with the tenant/cooperator in the apartment as a primary residence, as determined by §3-02 (n)(4) of these rules, for a period of not less than two years immediately prior to the tenant/cooperator's permanent vacating of the apartment, and has appeared on the income affidavits for at least the two consecutive annual reporting periods prior to the tenant/cooperator's permanent vacating of the apartment, or where such person seeking succession rights is a senior citizen or disabled person, for a period of not less than one year immediately prior to the tenant/cooperator's permanent vacating of the apartment, and has appeared on the income affidavit for at least the reporting period immediately prior to the permanent vacating of the apartment by the tenant/cooperator, or from the inception of the tenancy or commencement of the relationship if for less than such periods, may request to be named as a tenant/cooperator on the lease and where applicable on the stock certificate. In the event that HPD has authorized the housing company not to collect surcharges based on income affidavits, the family member shall be asked to provide other evidence of occupancy for the required period of time. The burden of proof is on said family member to show use of the apartment as his or her primary residence during the required period to be eligible to succeed to possession.

§ 2. Subdivision (d) of section 3-03 of title 28 of the Rules of the City of New York is amended to read as follows:

(d) *General requirements.* (1) In the event that a tenant/cooperator shall fail to return a fully completed affidavit by April 30th of each year, the income of such tenant/cooperator shall be presumed to have exceeded the maximum allowable income by 150 percent or more. Written notice shall thereupon be given, informing such tenant/ cooperator that the maximum surcharge will be imposed effective July 1st. In the event completed income affidavits are submitted after April 30th but prior to June 30th, the maximum surcharge will not be imposed. However a non-refundable administrative fee, payable to the housing company, shall be charged. This fee shall not exceed $50.00. The housing company may remit half of any such fee collected to the managing agent to compensate for the additional administrative work.

In the event completed income affidavits are submitted after June 30th, a correction to the maximum surcharge billing shall be made effective the first day of the month following the submission of such income affidavit. However, a non-refundable administrative fee, payable to the housing company, shall be charged. This fee shall not exceed $150.00. The housing company may remit half of any such fee collected to the managing agent to compensate for the additional administrative work. HPD may permit reimbursement of excess surcharge to the tenant/cooperator in extenuating circumstances.

(2) [If eviction proceedings are commenced against a tenant/cooperator because of failure to pay a maximum surcharge imposed or because of failure to submit his or her fully completed income affidavit, the housing company shall seek to recover all legal fees and costs incurred by the housing company in such proceedings against such tenant/cooperator. Legal fees and court costs are in addition to the penalty charged for late submission.] Reserved.

(3) Whenever changes occur in rentals or carrying charges or any component thereof used in the computation of surcharges, surcharges shall be recalculated by the housing company or its managing agent.

(4) [Summary dispossess proceedings shall be commenced by the] A housing company cannot bring an eviction proceeding against any tenant/cooperator who fails or refuses to pay surcharges without the issuance of a certificate of eviction by HPD following an administrative hearing by an HPD designated hearing officer in accordance with section 3-18 of this chapter.

(5) Housing companies or their managing agents shall submit a copy of the surcharge information tabulation sheets, and all changes thereto, together with copies of the income affidavits for HPD review and evaluation. Surcharge records shall be kept available by the housing company or its managing agent for inspection by HPD.

(6) Tenant/cooperators and other occupants shall be required by HPD to furnish certified copies of their IRS and New York State income tax returns. The cost for the certified report is to be borne by the tenant/cooperator.

§ 3. Subdivision (a) and subdivision (d) of section 3-18 of title 28 of the Rules of the City of New York are amended to read as follows:

(a) Preliminary notice of grounds of eviction, administrative hearing and certificate of eviction. Except as otherwise provided in this subdivision, no eviction proceeding based upon a holdover or a breach of the terms of the lease or occupancy agreement shall be initiated by a housing company against a residential tenant/cooperator without the issuance of a certificate of eviction by HPD following an administrative hearing by an HPD designated hearing officer. The hearing officer's decision shall be final without recourse to an administrative appeal. Notwithstanding the foregoing, such hearing and certificate of eviction shall not be required for any eviction proceeding based upon non-payment of rent/ carrying charges[, surcharges]or any sum which constitutes rent or additional rent pursuant to the applicable lease or occupancy agreement. Furthermore, at HPD's sole discretion, such hearing and certificate of eviction may be waived in accordance with subdivision (e) of this section.

To set an eviction hearing the housing company shall notify HPD in writing of the facts which it contends justify eviction, together with an affidavit stating that a preliminary notice of grounds for eviction has been served upon the tenant/cooperator as follows:

(1) The notice shall be sent to the tenant/cooperator by regular first class mail, and by certified or registered mail, return receipt requested; and

(2) A copy of the notice shall also be served by personal delivery to the tenant/cooperator; or by delivery to a person of suitable age and discretion occupying the apartment in question; or if admittance cannot be obtained and such person cannot be found, by affixing a copy upon the door or placing a copy under the door of the apartment.

(3) The notice may be served simultaneously with any notice to cure which may be required by the tenant/ cooperator's lease/occupancy agreement, and shall advise the tenant/cooperator of the following:

(i) The specific charges against him or her;

(ii) that he or she has the opportunity to appear before an HPD hearing officer to deny or explain the charges against him or her;

(iii) that he or she may retain counsel to represent him or her at a hearing;

(iv) that the findings of the HPD hearing officer, should a hearing take place, may be determinative as to the factual issues.

(d) *Summary proceedings.* The above procedures do not apply to summary proceedings for non-payment of rent, carrying charges[, surcharges] and any other monetary obligations of the tenant/cooperator to the housing company pursuant to his or her lease or occupancy agreement or any other agreement between the tenant/cooperator and the housing company with respect to ancillary services, except as specified in subdivision (a) of this section.

§ 4. Subdivision (c) of section 3-21 of title 28 of the Rules of the City if New York is amended to read as follows:

(c) *Surcharge billing, collection and remittance.* Refinanced housing companies are obligated to bill and collect surcharges. HPD will continue to supervise the billing and collection of surcharges as required by the Private Housing Finance Law and § 3-03 of this chapter. All [leases and occupancy agreements must contain appropriate language regarding the obligations of tenant/cooperators to submit income affidavits and to pay surcharges. Similarly, all] agreements with managing agents must include a provision that it is the responsibility of the managing agent to bill and collect surcharges. Refinanced housing companies are obligated to recognize hardship cases as set forth in § 3-03 of these rules.

Statement of Basis and Purpose. The first amendment clarifies the timing of the co-residency requirement for succession to a Mitchell-Lama apartment. The other amendments to the Mitchell-Lama rules primarily address the issue of surcharges. Courts do not allow housing companies to bring summary dispossess proceedings against tenant/cooperators who have failed to pay their surcharges. This is because the housing companies do not list surcharges as a component of rent on their leases and occupancy agreements. To conform our rules to the case law, the amendments require housing companies to obtain a certificate of eviction following an administrative hearing by an HPD designated hearing officer pursuant to 28 RCNY § 3-18. The last amendment conforms HPD's Mitchell-Lama rules to the federal government's rules regarding surcharges.
