READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

78-06
Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations.

Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 8 - WEDNESDAY, July 19, 2006, 7:30 P.M., Hillcrest Jewish Center, 183-02 Union Turnpike, Flushing, NY

Notification of the Interest and intent of HeartShare Human Services of New York under the auspices of the New York State Office of Mental Retardation and Developmental Disabilities to increase staffing at the above address. In March 2001, when this residence was developed, the consumer needs and services required a maximum of four hours of daily supervision. The needs of the three consumers have since changed and they now require 24 hours, seven days a week staffing.

At the Public Hearing, we may either:
1. Approve the site recommended, 2. Suggest one or more suitable sites within the jurisdiction, which could accommodate such a facility. 3. Object to the establishment of a residence at the site because to do so, in the Board's opinion, would result in such a concentration of residential facilities that the nature and character of the neighborhood would be substantially altered.

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 4 - TUESDAY, July 18, 2006, 7:15 P.M., Flanders Field Post #150, 51-11 108th Street, Corona, NY

#020127ZMQ

Re: 45-02/16 83rd Street and 45-15 82nd Street

The applicant, H.K. Development Group Ltd. proposes a zoning map amendment for the block fronting the south side of 45th Avenue between 82nd and 83rd Streets, in the Elmhurst section of Community Board 4, Queens. This action would facilitate the development of a new residential building with a commercial base. The proposal seeks to rezone a portion of tax block 1536 from an R6B with a partial C2-3 commercial overlay to an R7A with a C2-3 commercial overlay.

SUPREME COURT

■ **NOTICE**

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;

2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – PIN# 056060000455 – DUE 08-01-06 AT 2:00 P.M. – The New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/ rehabilitated elevators at Police Headquarters.

Any entity which believes that it can provide the required services is invited to indicate such interest by letter. The letter should be sent to Jordan Glickstein, Deputy ACCO, NYPD Contract Administration Unit, 51 Chambers Street, Room 310, New York, NY 10007, and must be received on or before August 1, 2006 at 2:00 P.M.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – PIN# 056060000455 – DUE 08-01-06 AT 2:00 P.M. – The New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/ rehabilitated elevators at Police Headquarters.

Any entity which believes that it can provide the required services is invited to indicate such interest by letter. The letter should be sent to Jordan Glickstein, Deputy ACCO, NYPD Contract Administration Unit, 51 Chambers Street, Room 310, New York, NY 10007, and must be received on or before August 1, 2006 at 2:00 P.M.

Notice of Opportunity to Comment on Proposed Rule

Revision of Chapter 19 of Title 38 of the Official Compilation of Rules of the City of New York

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Police Commissioner (the "Commissioner") by Section 434(b) of the New York City Charter and in accordance with the requirement of Section 1043 of the New York City Charter, that the Police Department proposes to amend Chapter 19 of Title 38 of the Official Compilation of Rules of the City of New York.

Written comments regarding the proposed rules may be sent to Assistant Deputy Commissioner Thomas P. Doepfner, New York City Police Department, 1 Police Plaza, Room 1406, New York, New York 10038, by August 23, 2006. A public hearing shall be held on Wednesday, August 23, 2006, in the 1st Floor Auditorium, at 1 Police Plaza, New York, New York at 6:00 P.M. Persons seeking to testify are requested to notify Assistant Deputy Commissioner Thomas P. Doepfner at the address stated above. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Assistant Deputy Commissioner Thomas P. Doepfner at the foregoing address by August 16, 2006. Written comments and a tape recording of oral comments received at the hearing will be available for public inspections, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. in Room 1406, 1 Police Plaza, New York, New York 10038.

New material is indicated by underlining. Deletions are indicated by brackets.

Section 1. Subdivision (a) of section 19-02 of Title 38 of the Official Compilation of the Rules of the City of New York is amended to read as follows:

(a) A "parade [or procession]" is: 1) any [march, motorcade, caravan, promenade, foot or bicycle race, or similar event of any kind,] procession or race which consists of a group of two or more pedestrians, vehicles, bicycles or other devices moved by human power, or ridden or herded animals proceeding together upon any public street or roadway in a manner that does not comply with all applicable traffic laws, rules and regulations; 2) any procession or race which consists of a group of 20 or more vehicles, bicycles or other devices moved by human power, or ridden or herded animals proceeding together upon any public street or roadway; or 3) any procession which consists of 35 or more pedestrians proceeding together along a sidewalk on foot or in any other manner authorized by law.

§ 2. Section 19-02 of Title 38 of the Official Compilation of the Rules of the City of New York is amended to add new subdivisions (e) and (f) to read as follows:

(e) "Fifth Avenue" shall mean Fifth Avenue in the borough of Manhattan south of 114th Street and north of 15th Street.

(f) "Applicant" shall mean a person or entity responsible for organizing a parade, or a person or entity that publicizes a parade through advertisements or other means of mass communication.

§ 3. Subparagraph (ii) of paragraph (2) of subdivision (b) of section 19-03 of Title 38 of the Official Compilation of the Rules of the City of New York is amended to read as follows:

(ii) if the application is made on behalf of a corporation, organization or association, it must be signed by a representative of the corporation, organization or association giving the full name and relationship to the corporation, organization or association, if any, and a statement as to the source of the representative's authority to sign the application, if any;

STATEMENT OF BASIS AND PURPOSE

The Police Department is charged with preserving the public peace and preserving order at assemblies that obstruct the free passage of public streets and sidewalks. In that connection, the Department is authorized to promulgate rules and regulations governing permits for processions, parades and races that occur on City streets and sidewalks. These amendments are intended to clarify the circumstances under which groups using City streets or sidewalks for purposes of assembly are required to obtain a permit. By clarifying the type of activity that constitutes a parade and is thus required to obtain a permit, these rules are designed to protect the health and safety of participants in group events on the public streets and sidewalks and members of the public who find themselves in the vicinity of these events.

Accordingly, the definition of parade is amended to include groups of 2 or more pedestrians, vehicles, bicycles or other devices that use public streets in a manner that does not comply with all applicable traffic laws, rules and regulations; groups of 20 or more vehicles, bicycles or other devices moved by human power on public streets that operate in compliance with traffic rules and regulations and processions consisting of 35 or more pedestrians proceeding together along a sidewalk on foot or in any other manner authorized by law.

Each of these types of activities has the likelihood to significantly disrupt vehicular and pedestrian traffic and adversely affect public health and safety, unless subject to regulatory control via the permitting process. The amendments to the rules will permit the Police Department to adequately preserve the public peace and prevent obstructions of public streets and sidewalks. In addition, these amendments have the added benefit of making it clear to all members of the public the circumstances under which parade permits must be sought.

These rules are also amended to clarify who may apply for a parade permit. So as to make it possible for someone who promotes, but does not organize, a parade to apply for a permit, these rules clarify that any person or entity that publicizes a parade through advertisements or other means of mass communication may apply for a parade permit.

CITY PLANNING

■ NOTICE

The applicant, Downtown Real Properties, LLC, is proposing an amendment to the Zoning Map to change an M3-1 district to an R6A district, an R6A/C2-4 district, and a M1-2 district within a two block area in the Bushwick neighborhood of Community District 4, Brooklyn. The area proposed to be rezoned is bounded by Noll Street on the north, the prolongation of Melrose Street on the south, Central Avenue to the east and Evergreen Avenue to the west; and includes Block 3153, Lots 1, 7, 8, 9, 11, 31, 49, 50 (all); Block 3156, Lot 1; and Block 3163, Lots 50 (part) and 100.

The proposed action would facilitate a proposal by the applicant to develop a six-story residential building with ground-floor retail uses on a 45,400 SF parcel located at 60 Central Avenue (Block 3163, Lot 100) within the rezoning area. The applicant has stated that it intends to redevelop the property, which is currently used for vehicle and open storage, with a mixed building containing 165 dwelling units affordable to low-to-moderate-income households and 6,200 gsf of ground floor retail space.

The applicant is expected to apply for financing from the NYC Housing Development Corporation (HDC) through the New Housing Opportunities Program (New HOP) for low-to-moderate-income households with the Community Preservation Corporation serving as lender. A coordinated environmental review of the proposed actions has been conducted with HDC acting as an involved agency.

In addition to facilitating development on the applicant's site, the proposed action may also induce development on a 22,276 SF parcel located at 87 Evergreen Avenue (Block 3153, Lots 1, 7, 8, 9, 49, and 50). Under the proposed R6A district, the site could be redeveloped with a 6-story apartment building containing approximately 67 dwelling units. The other lots in the proposed R6A rezoning area are occupied by PS 145, the Andrew Jackson elementary school at 100 Noll Street (Block 3153, Lot 11) and Williamsburg Community Church of God at 31 George Street (Block 3153, Lot 31), and they are not expected to be redeveloped as a result of the proposed action. The proposed M1-2 rezoning area is occupied by a parking on Block 3163, Lot 50 and a 5-story commercial and light industrial building on Block 3156, Lot 1; no new developments are projected on these lots as a result of the proposed action.

The proposed action includes (E) designations for hazardous materials and noise to avoid the potential for significant adverse impacts. The (E) designation for hazardous materials would be mapped on the development site located 87 Evergreen Avenue, consisting of the following parcels:

Block 3153, Lots 1, 7, 8, 9, 49, and 50

The (E) designation would require that the fee owner of an (E) designated site conduct a testing and sampling protocol, and remediation where appropriate, to the satisfaction of the DEP before the issuance of a building permit by the Department of Buildings (pursuant to Section 11-15 of the Zoning Resolution-Environmental Requirements). The (E) designations also include mandatory construction-related health and safety plans which must also be approved by the DEP. The (E) designations would ensure that future redevelopment of the these sites would not result in hazardous materials impacts.

The text of the (E) designation is as follows:

● **Task 1 – The fee owner(s) of the lot restricted by this (E) designation must submit to the New York City Department of Environmental Protection (DEP), for review and approval, a soil, soil gas, and ground water testing protocol, including a description of methods, and a site map with all sampling locations clearly and precisely represented.**

No sampling program should begin until written approval of a protocol is received from the DEP. The number and location of sample sites should be selected to adequately characterize the site, the specific source of suspected contamination, and the condition of the remainder of the site. The characterization should be complete enough to determine what remediation strategy (if any) is necessary after review of the sampling data. Guidelines and criteria for choosing

sampling sites and performing sampling will be provided by DEP upon request.

● Task 2 – A written report with findings and a summary of the data must be presented to DEP after completion of the testing phase and laboratory analysis for review and approval. After receiving such test results, a determination will be provided by the DEP if the results indicate that remediation is necessary. Written notice shall be given by the DEP if it determines that no remediation is necessary. Remediation should be conducted where appropriate to the satisfaction of the DEP before the issuance of a building permit by the Department of buildings (pursuant to Section 11-15 of the zoning Resolution Environmental Requirements).

● Task 3 – Mandatory construction-related health and safety plans must be prepared and approved by DEP. This will ensure protection of human health and the environment by requiring that suspected hazardous materials associated with these lots would be mitigated before future construction on these parcels.

If remediation is necessary according to the test results, a proposed remediation plan must be submitted to DEP for review and approval. The fee owner(s) of the lot restricted by the (E) designation must perform such remediation as determined necessary by DEP. After completing the remediation, the fee owner(s) of the lot restricted by this (E) designation should provide proof that the work has been satisfactorily completed.

To avoid any potential impacts associated with noise, (E) designations for noise are proposed for the applicant's site and the development site located at 87 Evergreen Avenue, consisting of the following parcels:

Block 3153, Lots 1, 7, 8, 9, 49 and 50; and
Block 3163, Lot 100.

The text of the (E) designation is as follows:

In order to ensure an acceptable interior noise environment, future residential/commercial uses must provide a closed window condition with a minimum of 30 dBA window/wall attenuation in all facades in order to maintain an interior noise level of 45 dBA. In order to maintain a closed-window condition, an alternate means of ventilation must also be provided. Alternate means of ventilation includes, but is not limited to, central air conditioning or air conditioning sleeves containing air conditioners or HUD-approved fans.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated July 6, 2006, prepared in connection with the ULURP Application (060138ZMK). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. The applicant agrees via a restrictive declaration to prepare a hazardous materials sampling protocol including a health and safety plan, which would be submitted to the Department of Environmental Protection (DEP) for approval. The applicant agrees to test and identify any potential hazardous material impact pursuant to the approved sampling protocol and, if any such impact is found, submit a hazardous material remediation plan including a health and safety plan to DEP for approval. If necessary, remediation measures would be undertaken pursuant to the remediation plan.

On June 7, 2006, the DEP confirmed that the applicant filed a DEP-approved Restrictive Declaration with the New York City Department of Finance-Office of the City Register.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. DEP has reviewed the project's EAS, including the June 1999 Soil Mechanics and July 1999 Langan Engineering Phase I Environmental Site Assessments conducted for 70 Central Avenue (Block 3156, Lot 12, Block 3163, Lots 17-16, 28-35, and 37-48), and June 8, 2000 Soil Mechanics remedial Activities Report for 70 Central Avenue, available in the proposal's CEQR file. A restrictive declaration was recommended, as stated in a memo by DEP dated February 21, 2006, due to the potential presence of hazardous material on the site as a result of past and present land uses at the applicant's site. The declaration requires that Phase II testing would occur and is binding upon the property's successors and assigns. The declaration serves as a mechanism to assure the potential for hazardous material contamination that may exist in the sub-surface soils and groundwater on the applicant's sites would be characterized prior to any site disturbance (i.e., site grading, excavation, demolition, or building construction).

With the implementation of the condition described above, no significant adverse impacts related to hazardous materials would occur.

2. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Conditional Negative Declaration, you may contact Susan Lim at (212) 720-3321.

OFFICE OF THE MAYOR'S

OFFICE OF CONTRACT SERVICES

■ NOTICE

Section 4-06 of the Procurement Policy Rules requires City agencies to process contract payments efficiently and expeditiously so as to assure timely contract payments to those suppliers doing business with the City.

The Rule further requires that when payments are made after the Required Payment Date ("RPD"), interest, unless otherwise specified in the Rules, must be paid to the supplier.

The Comptroller and the Office of Management & Budget (OMB) have jointly set the new Prompt Payment Interest Rate. The new Prompt Payment Interest Rate is 5.75% effective on payments for the six month period July 1, 2006 - December 31, 2006.

Questions on this notice should be directed to:

David Taylor-Fink, Chief of Staff
Mayor's Office of Contract Services

■ PUBLIC NOTICE

The City of New York

Determination and Findings of the City of New York Pursuant to Section 204 of the NYS Eminent Domain Procedure Law

Whereas, the acquisition of certain street properties known as portions of Richmond Terrace between John Street and Nicholas Avenue has been proposed by the City of New York; and

Whereas, the acquisition is pursuant to the NYS Eminent Domain Procedure Law ("EDPL") which provides a uniform procedure for condemnations by municipalities throughout the State; and

Whereas, pursuant to the EDPL, the City of New York is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above-mentioned properties and the impact of such acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City of New York held a public hearing concerning this acquisition on April 19, 2006, in the borough of Staten Island.

Now, therefore, let it be known that the City of New York, pursuant to section 204 of EDPL, hereby determines and finds:

(1) The public use and benefit of this project is for the construction of a new storm sewer in order to alleviate the severe flooding in the area, to upgrade existing sanitary sewer, and replace the aging unlined water mains along Richmond Terrace between John Street and Nicholas Avenue.

(2) The properties to be acquired is shown on the Tax Map of the City of New York for the Borough of Staten Island and include the following: Block 1116, part of Lots 30, 40 and 75; and the bed of street for Richmond Terrace.

The location of the proposed acquisition is:

Richmond Terrace between John Street and Nicholas Avenue

In the Borough of Staten Island, City of New York. The location was selected based on the need to install new storm sewers and upgrade the existing sanitary sewers and water mains.

(3) The general effect on the neighborhood will be improved living conditions. The proposed project involves standard sewer extension and will have no significant adverse effect on the environment.

(4) Comments and concerns raised by property owners at the public hearing and through subsequent written submissions are currently being reviewed by the City. Issues raised at the hearing include concerns regarding the presence of radioactive materials within the project limits. This concern was based on a newspaper account in the Staten Island Advance. In response, DDC is conducting testing of the soil for radioactive materials that could be exposed during excavation activities. Based on the analytical results, remediation measures will be incorporated in the contract document to protect the workers and the community.

NOTICE:

Pursuant to EDPL section 207, property owners have thirty (30) days from completion of the publication of this determination and findings to seek judicial review of the determination and findings. Expected date of publication is July 17 to July 19, 2006.

Pursuant to EDPL sections 207 and 208, exclusive venue for judicial review of these determination and findings is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

Copies of this determination and findings of the New York City are available without cost upon written request to:

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for

and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 8 - WEDNESDAY, July 19, 2006, 7:30 P.M., Hillcrest Jewish Center, 183-02 Union Turnpike, Flushing, NY

Notification of the Interest and intent of HeartShare Human Services of New York under the auspices of the New York State Office of Mental Retardation and Developmental Disabilities to increase staffing at the above address. In March 2001, when this residence was developed, the consumer needs and services required a maximum of four hours of daily supervision. The needs of the three consumers have since changed and they now require 24 hours, seven days a week staffing.

At the Public Hearing, we may either:
1. Approve the site recommended, 2. Suggest one or more suitable sites within the jurisdiction, which could accommodate such a facility. 3. Object to the establishment of a residence at the site because to do so, in the Board's opinion, would result in such a concentration of residential facilities that the nature and character of the neighborhood would be substantially altered.

Re: 45-02/16 83rd Street and 45-15 82nd Street

The applicant, H.K. Development Group Ltd. proposes a zoning map amendment for the block fronting the south side of 45th Avenue between 82nd and 83rd Streets, in the Elmhurst section of Community Board 4, Queens. This action would facilitate the development of a new residential building with a commercial base. The proposal seeks to rezone a portion of tax block 1536 from an R6B with a partial C2-3 commercial overlay to an R7A with a C2-3 commercial overlay.

DESIGN & CONSTRUCTION

■ NOTICE

The City of New York

Determination and Findings of the City of New York Pursuant to Section 204 of the NYS Eminent Domain Procedure Law

Whereas, the acquisition of certain street properties known as portions of Richmond Terrace between John Street and Nicholas Avenue has been proposed by the City of New York; and

Whereas, the acquisition is pursuant to the NYS Eminent Domain Procedure Law ("EDPL") which provides a uniform procedure for condemnations by municipalities throughout the State; and

Whereas, pursuant to the EDPL, the City of New York is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above-mentioned properties and the impact of such acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City of New York held a public hearing concerning this acquisition on April 19, 2006, in the borough of Staten Island.

Now, therefore, let it be known that the City of New York, pursuant to section 204 of EDPL, hereby determines and finds:

(1) The public use and benefit of this project is for the construction of a new storm sewer in order to alleviate the severe flooding in the area, to upgrade existing sanitary sewer, and replace the aging unlined water mains along Richmond Terrace between John Street and Nicholas Avenue.

(2) The properties to be acquired is shown on the Tax Map of the City of New York for the Borough of Staten Island and include the following: Block 1116, part of Lots 30, 40 and 75; and the bed of street for Richmond Terrace.

The location of the proposed acquisition is:

Richmond Terrace between John Street and Nicholas Avenue

In the Borough of Staten Island, City of New York. The location was selected based on the need to install new storm sewers and upgrade the existing sanitary sewers and water mains.

(3) The general effect on the neighborhood will be improved living conditions. The proposed project involves standard sewer extension and will have no significant adverse effect on the environment.

(4) Comments and concerns raised by property owners at the public hearing and through subsequent written submissions are currently being reviewed by the City. Issues raised at the hearing include concerns regarding the presence of radioactive materials within the project limits. This concern was based on a newspaper account in the Staten Island Advance. In response, DDC is conducting testing of the soil for radioactive materials that could be exposed during excavation activities. Based on the analytical results, remediation measures will be incorporated in the contract document to protect the workers and the community.

NOTICE:

Pursuant to EDPL section 207, property owners have thirty (30) days from completion of the publication of this determination and findings to seek judicial review of the determination and findings. Expected date of publication is July 17 to July 19, 2006.

Pursuant to EDPL sections 207 and 208, exclusive venue for judicial review of these determination and findings is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

Copies of this determination and findings of the New York City are available without cost upon written request to:

New York City Department of Design and Construction
Office of General Council – 4th Floor
30-30 Thomson Avenue, Long Island City, New York 11101

■ NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such

parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

COMMUNITY BOARDS

■ PUBLIC HEARINGS

PUBLIC NOTICE IS HEREBY GIVEN THAT the following matters have been scheduled for public hearing by Community Boards:

BOROUGH OF QUEENS

COMMUNITY BOARD NO. 8 - WEDNESDAY, July 19, 2006, 7:30 P.M., Hillcrest Jewish Center, 183-02 Union Turnpike, Flushing, NY

Notification of the Interest and intent of HeartShare Human Services of New York under the auspices of the New York State Office of Mental Retardation and Developmental Disabilities to increase staffing at the above address. In March 2001, when this residence was developed, the consumer needs and services required a maximum of four hours of daily supervision. The needs of the three consumers have since changed and they now require 24 hours, seven days a week staffing.

At the Public Hearing, we may either:
1. Approve the site recommended, 2. Suggest one or more suitable sites within the jurisdiction, which could accommodate such a facility. 3. Object to the establishment of a residence at the site because to do so, in the Board's opinion, would result in such a concentration of residential facilities that the nature and character of the neighborhood would be substantially altered.

DESIGN & CONSTRUCTION

■ NOTICE

The City of New York

Determination and Findings of the City of New York Pursuant to Section 204 of the NYS Eminent Domain Procedure Law

Whereas, the acquisition of certain street properties known as portions of Richmond Terrace between John Street and Nicholas Avenue has been proposed by the City of New York; and

Whereas, the acquisition is pursuant to the NYS Eminent Domain Procedure Law ("EDPL") which provides a uniform procedure for condemnations by municipalities throughout the State; and

Whereas, pursuant to the EDPL, the City of New York is required to hold a public hearing to determine whether the public would be served by the proposed acquisition of the above-mentioned properties and the impact of such acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City of New York held a public hearing concerning this acquisition on April 19, 2006, in the borough of Staten Island.

Now, therefore, let it be known that the City of New York, pursuant to section 204 of EDPL, hereby determines and finds:

(1) The public use and benefit of this project is for the construction of a new storm sewer in order to alleviate the severe flooding in the area, to upgrade existing sanitary sewer, and replace the aging unlined water mains along Richmond Terrace between John Street and Nicholas Avenue

(2) The properties to be acquired is shown on the Tax Map of the City of New York for the Borough of Staten Island and include the following: Block 1116, part of Lots 30, 40 and 75; and the bed of street for Richmond Terrace.

The location of the proposed acquisition is:

Richmond Terrace between John Street and Nicholas Avenue

In the Borough of Staten Island, City of New York. The location was selected based on the need to install new storm sewers and upgrade the existing sanitary sewers and water mains.

(3) The general effect on the neighborhood will be improved living conditions. The proposed project involves standard sewer extension and will have no significant adverse effect on the environment

(4) Comments and concerns raised by property owners at the public hearing and through subsequent written submissions are currently being reviewed by the City. Issues raised at the hearing include concerns regarding the presence of radioactive materials within the project limits. This concern was based on a newspaper account in the Staten Island Advance. In response, DDC is conducting testing of the soil for radioactive materials that could be exposed during excavation activities. Based on the analytical results, remediation measures will be incorporated in the contract document to protect the workers and the community.

NOTICE:

Pursuant to EDPL section 207, property owners have thirty (30) days from completion of the publication of this determination and findings to seek judicial review of the determination and findings. Expected date of publication is July 17 to July 19, 2006.

Pursuant to EDPL sections 207 and 208, exclusive venue for judicial review of these determination and findings is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

Copies of this determination and findings of the New York City are available without cost upon written request to:

New York City Department of Design and Construction
Office of General Council – 4th Floor

SUPREME COURT

■ **NOTICE**

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and

County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

AGENCY RULES

TRANSPORTATION

■ **NOTICE**

Notice of Opportunity to Comment on Proposed Rule regarding street opening and excavation permits.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by section 2903(b) of the New York City Charter, and in accordance with section 1043 of the Charter, that the Department of Transportation proposes to amend title 34 of the Official Compilation of the Rules of the City of New York by adding two new subparagraphs (i) and (ii) to paragraph (1) of subdivision (a) of section 2-11 of Chapter 2 of Title 34 of the Official Compilation of the rules of the City of New York, the Highway Rules. Matter underlined is new; matter [in brackets] is deleted. This rule was included in the agency's regulatory agenda.

Written comments regarding the proposed rules may be sent to John Liszczak, Executive Director, Office of Permit Management, Department of Transportation, 40 Worth Street, 9th floor, New York, N.Y. 10013, on or before August 9, 2006. A public hearing shall be held on August 16, 2006 at 40 Worth Street, Room 1015, New York, N.Y. at 10:00 A.M. Persons seeking to testify are requested to notify Executive Director John Liszcazk at the address stated above by August 9, 2006. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Executive Director John Liszcazk at the address stated above by August 9, 2006. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Iris Weinshall, Commissioner.

Paragraph (1) of subdivision (a) of § 2-11 of Chapter 2 of Title 34 of the Rules of the City of New York is amended to read as follows:

(a) Permit Required.

(1) No excavations shall be made in any street unless a Street Opening Permit is obtained.

(i) For plumbing work requiring a street opening or excavation, a Street Opening Permit will only be issued to a licensed master plumber as defined in section 26-141 of the Administrative Code.

(A) The licensed master plumber shall be required to provide a valid New York City licensed master plumber's certificate issued by the New York City Department of Buildings. The licensed master plumber shall also present a copy of any documentation issued by the New York City Department of Environmental Protection regarding the plumbing work that is to be conducted. These items must be submitted to the Department before the Department approves the Street Opening Permit.

(B) In the event that any licensed master plumber or any company affiliated with such master plumber's license pursuant to section 26-142 of the Administrative Code, is found liable by a court or in a proceeding before the environmental control board of a violation of a rule or order of the Department or the terms or conditions of a permit issued by the Department or other applicable law, the Department may refuse to issue a Street Opening Permit to such licensed master plumber or any company affiliated with such licensed master plumber pursuant to section 26-142 of the Administrative Code.

(ii) Notwithstanding (a) (i), for any work performed pursuant to a valid contract with a local or state governmental entity requiring a street opening or excavation, a Street Opening Permit will be only be issued to the contractor retained by the local or state governmental entity to perform the work requiring the street opening or excavation.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to regulate work taking place on City streets and sidewalks pursuant to section 2903 of the New York City Charter and Title 19 of the New York City Administrative Code.

Paragraph (1) of subdivision (a) of Section 2-11 is being amended to add subparagraphs (i) and (ii). Subparagraph (i) provides that Street Opening Permits will only be issued to a company affiliated with a master plumber's license and authorizes the Department to refuse issuance of a Street Opening Permit to a licensed master plumber or affiliated companies of the licensed master plumber company who have been found by the environmental control board to be in violation of any rule or order of the Department. Subparagraph (i) also requires a licensed master plumber or a company affiliated with the master plumber's license to provide the certificate issued to such company by the New York City Department of Buildings and additional documentation from the New York City Department of Environmental Protection before the Department issues a Street Opening Permit. Subparagraph (ii) provides that where a Street Opening Permit is necessary for any work performed pursuant to a valid contact with a local or state governmental entity, the Street Opening Permit will be issued to the general contractor performing work.

Currently, when a street has to be excavated for the purposes of conducting plumbing work, a permit is issued directly to the excavators. These subcontractors performing excavation work are not required to hold professional licenses and sometimes do not restore the streets that they have excavated to the satisfaction of the Department. This amendment is being proposed to change the Department's permit process in order to ensure stricter compliance with agency requirements for restoring the streets, and to impose this responsibility directly upon licensed master plumbers in the manner similar to requirements already imposed upon other corporate entities.

Name, Description and Location of Proposal
West 43rd and 44th Street Hotel Complex
The applicant, SCW West, LLC., is requesting a special permit pursuant to the New York City Zoning Resolution, Section 74-681, for development over a railroad right-of-way. The project site is a 20,010 square foot lot with frontage on West 43rd and West 44th Streets between 10th and 11th Avenues (Block 1072, Lot 24) in the Clinton neighborhood of Manhattan Community District 4. An Amtrak railroad right-of-way occupies approximately 11,200 square feet of the project site.

The project site is located within an M1-5 district and an R8/C2-5 district within the Special Clinton District. The R8/C2-5 portion is within the Preservation Area and the M1-5 portion is in the Other Area of the special district.

The proposed action would facilitate a proposal by the applicant to erect a platform over the easement and develop the site with a hotel complex consisting of one ten-story and one eleven-story hotel with a total of 350 rooms and a 23-space accessory parking garage. The ten-story hotel would have an entrance on West 44th Street and the eleven-story hotel would have an entrance on West 43rd Street. The accessory parking garage would be accessed via a new curb cut on West 43rd Street. It is expected that the complex would be constructed and occupied by 2008.

The project site is currently vacant and consists of an open railroad right of way, flanking steeply sloped rock walls which form ledges to its west and east. The area immediately surrounding the proposed project site consists of residential, commercial, automotive and institutional uses.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated July 7, 2006 prepared in connection with the ULURP Application (ULURP No. 060334 ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment once it is modified as follows:

1. The applicant, SCW West, LLC agrees via a restrictive declaration to prepare a hazardous materials sampling protocol including a health and safety plan, which would be submitted to the Department of Environmental Protection (DEP) for approval. The applicant agrees to test and identify any potential hazardous material impact pursuant to the approved sampling protocol and, if any such impact is found, submit a hazardous material remediation plan including a health and safety plan to DEP for approval. If necessary, remediation measures would be undertaken pursuant to the remediation plan.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. A Phase I Environmental Site Assessment (ESA), available in the proposal's CEQR file was prepared in November 2004 for the sites located at 505-513 West 43rd Street and 506-512 West 44th Street in Manhattan (Block 1072, Lot 24). It identified no potential environmental concerns or potential hazardous materials impacts. However, the New York City Department of Environmental Protection (DEP), in a letter dated June 6, 2006 concluded that there is a potential for environmental contamination on the project site.

   DEP found that historic on-site/off-site land uses, such as an adjacent gas station and an urban fill of unknown origin were of potential environmental concern. A Phase II Investigation would be necessary to adequately identify/characterize all potential environmental contaminants within the surface/subsurface soils and groundwater at this site.

   The declaration, binding on all successors and assigns of the applicant, requires that additional Phase II testing be prepared, including a sampling protocol and a health and safety plan for DEP's review and approval. If hazardous materials impacts exist, the declaration requires that the applicant submit a remediation plan for DEP's review and approval and provide for such remediation. The declaration serves as a mechanism to assure the potential for hazardous material contamination that may exist in the sub-surface soils and groundwater on the applicant's property would be characterized prior to any site disturbance.

   The restrictive declaration was executed on July 6, 2006. On July 6, 2006, the DEP confirmed, via written correspondence, that the applicant filed a DEP-approved Restrictive Declaration with the New York City Department of Finance of the City Register.

2. With the implementation of the condition described above, no significant adverse impacts related to hazardous materials would occur.

   No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions are not fully incorporated into the proposed action, the Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before proceding further with said proposal.

Name, Description, and Location of Proposal:
Douglaston/Littleneck Rezoning and R2A Text Amendment
The Department of City Planning (NYCDCP) proposes to amend the Zoning Map on all or portions of 135 blocks, encompassing 2,331 lots, in the northeastern Queens neighborhoods of Douglaston and Little Neck, Community District 11, from R1-2, R2, R3-1, R3-2, R4 and C3 to lower-density or contextual zones where appropriate. The rezoning area is generally bounded by Little Neck Bay and Long Island Sound to the north, the boundary of the City of New York and Nassau County to the east, Grand Central Parkway to the south and Douglaston Parkway, Alley Pond Park and Little Neck Bay to the west.

The proposed amendments to the Zoning Map are as follows:

- A change from an R1-2 district to an R1-1 district;
- A change from an R3-1 to an R1-2 district;
- A change from an R4/C1-2 district to an R1-2 district;
- A change from a C3 district to an R1-2 district;
- A change from an R1-2 district to an R2A district;

- A change from an R2 to an R2A district;
- A change from an R3-1 district to an R2A district;
- A change from an R3-1/C1-2 district to an R2A district;
- A change from an R3-2 district to an R2A district;
- A change from an R4 district to an R2A district;
- A change from an R4 district to an R2 district;
- A change from an R2 district to an R3-1 district;
- A change from an C3 district to an R3-1 district;
- A change from an R3-2 district to an R3X district;
- A change from an R4 district to an R4-1 district and
- A reduction in the depth of existing C1-2 commercial overlay districts.

These actions are intended to preserve the predominant one- and two-family character of Douglaston and Little Neck and encourage future residential development that reflects the surrounding building patterns, scale and character. The proposed modifications to the commercial overlay districts will preclude commercial development on residential side streets and reinforce their residential character.

Also included in the application is a zoning text amendment to create a new subsection of Zoning Resolution section 11-33. The proposed section 11-335, *Building Permits for Other Construction in R2A Districts,* would allow homeowners with alterations in newly-designated R2A districts to vest if they have completed the structural framing for their alterations and continue construction without having to file an application with the Board of Standards and Appeals to renew the building permit. It would allow an alteration to continue based on a determination by the Commissioner of Buildings that structural framing for the alteration is complete. The proposed text amendment would apply to the rezoning proposal included in this application and to all subsequent R2A rezonings.

The majority of the rezoning area is composed of detached housing. The Douglaston/Little Neck rezoning proposal would limit new development to a housing type and density that corresponds to the neighborhood's residential context and form.

The proposed actions are not expected to have a substantial effect on the amount of new construction in the foreseeable future. It would neither induce nor preclude new development, but rather it would ensure that new construction and development would occur in a manner that reflects the existing lowscale character of the area.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated July 7, 2006 prepared in connection with the ULURP Applications (ULURP Nos. 060562 ZMQ and N 060563 ZRY). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no significant effects on the environment which would require an Environmental Impact Statement are foreseeable. This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Name, Description, and Location of Proposal:

Clifton Rezoning

The Department of City Planning proposes to amend the Zoning Map by rezoning all or portions of nine (9) blocks in the Clifton area of Staten Island Community District 1 from R3-2 to the lower density contextual district of R3X. The proposed rezoning would preserve the area's low-density character and ensure that further residential development is consistent with its surrounding neighborhood. The neighborhood of Clifton is located in northeast Staten Island area and is generally bounded by Vanderbilt Avenue to the north, Bay Street to the east, Greenfield Avenue to the south, and Park Hill Lane to the west.

The area that is subject to this action is currently zoned with an R3-2 classification that does not reflect the contextual makeup of this area, which is almost fully developed with one-and two-family detached homes. R3-2 districts typically allow low-rise attached houses, small multi-family apartment houses, and detached and semi-detached one-and two-family residences. In recent years, due to strong development pressures, the trend has increasingly been to demolish large one - and two - family homes and to replace them with attached housing. The provisions of the proposed R3X zones would limit the building type that could be developed in the rezoning area to one-and two-family detached structures. This application to rezone the area from R3-2 to R3X would preserve the existing character of the neighborhood by encouraging construction of new homes that reflect and preserve historical character and prevent the demolition of older homes and the construction of out of character new, attached homes. The proposed action is not expected to induce or preclude new development, but rather it would ensure that new construction and development would occur in a manner that reflects the existing low-scale character of the area.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated December 16, 2005 prepared in connection with the ULURP Application (ULURP No.060259 ZMQ). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Project Title: New York Hospital Queens Expansion and Modernization

Conditional Negative Declaration

The proposal involves an application by New York Hospital Queens (NYHQ) for the following actions in connection with the proposed upgrading and modernization of its Flushing Campus in Queensboro Hills, Community District 7, Queens:

1. a zoning map amendment to rezone one block from an R4 zoning district to an R6 zoning district;
2. a CPC authorization, pursuant to Zoning Resolution (ZR) Section 79-31, to permit accessory off-street parking spaces to locate anywhere within a Large Scale Community Facility Development (LSCFD);
3. a special permit, pursuant to Section ZR 74-53, for an accessory parking garage and rooftop parking; and
4. a revocable consent to construct, maintain and use an enclosed pedestrian bridge over Booth Memorial Avenue, connecting the hospital to the proposed parking garage.

The NYHQ campus occupies approximately six acres (280,163 sf lot area) on two blocks bounded by 56th Avenue to the north, 141st Street to the east, 58th Avenue to the south and Main Street to the west. Booth Memorial Avenue separates the two hospital blocks that, together, comprise the LSCFD.

The proposed action would facilitate a proposal by NYHQ to construct: a new five-story, 97,217 square-foot (sf) West Building, which would house expanded cardiology and surgery services, consolidated acute care services and an additional 80 acute care beds; a four-level, 372-space accessory parking garage on the south hospital block; a pedestrian bridge over Booth Memorial Avenue, connecting the new parking garage with the Main building of the hospital on the north hospital block; and a new 2,098 square-foot hospital entrance, which would be constructed on the north hospital block at Main Street and Booth Memorial Avenue. The new entrance would include an off-street drop-off area, upgraded sidewalks, curbs and landscaping. The new entrance would serve inpatients, visitors and ambulatory outpatients and connect the West Building with the Lang Auditorium.

The project site is located within an existing R4 zoning district, which is a general residence district that permits Use Groups 1 through 4. NYHQ is a Use Group 4 community facility. The rezoning area, consisting of Block 5165, Lots 1 and 28 is bounded by 56th Avenue, Main Street, Booth Memorial Avenue and 141st Street, and would be rezoned from an R4 district to an R6 district.

The rezoning would increase the permitted community facility FAR from 2.0 to 4.8 and facilitate the construction of the proposed five-story, 97,219 SF West Building on Lot 1. The new West Building on Lot 1 would increase the hospital's floor area on the north block from 467,091 SF at 1.7 FAR to 566,408 SF at 2.2 FAR. Under the R6 regulations for community facilities, a total of 178 on-site parking spaces are required for the uses on the north hospital block. The proposed authorization, pursuant to ZR Section 79-31, would allow the applicant to locate these parking spaces as part of the LSCFD on the south hospital block.

A portion of the rezoning area is occupied by a gasoline service station (Block 5165, Lot 28) and is not controlled by the applicant. With the proposed action, the site could potentially be redeveloped with a residential building pursuant to the proposed R6 regulations.

In addition to the zoning map amendment, the proposed West Building requires a BSA variance for waiver of rear yard equivalent and initial setback requirements. Under the proposed R6 regulations, a 30-foot rear yard equivalent is required at the north end of the West Building, adjacent to a hospital property line. The building is located within this area in order to configure room at the southern end of the block to accommodate the new South entrance. In an R6 zoning district, a 15-foot setback is required for the building along a wide street. Within that setback, the building may rise to 60 feet or 6 stories, whichever is less, and then must set back. The new West building is designed to have a rooftop mechanical room along the length of the Main Street frontage that penetrates the sky exposure plane by approximately 12.5 feet.

The proposed action includes an authorization which would facilitate the construction of a 372-space accessory parking garage with rooftop parking to be located directly across Booth Memorial Avenue on the south hospital block (Block 6401). It would consist of one basement, three above-grade levels and a rooftop level and be connected to the Main building by a pedestrian bridge (discussed below), linking the garage with one of the hospital's primary entrances. The location of the accessory parking garage would allow for the consolidation of medical and patient programs within interconnected buildings on the north hospital block. Vehicular access to the accessory off-street parking garage would be provided via two curb cuts on Booth Memorial Avenue.

The proposed accessory parking garage requires a BSA variance for height and setback, front yard, rear yard, side yard and lot coverage requirements. The proposed structure would exceed the permitted lot coverage and encroach into the required yard areas along 141st Street, Booth Memorial Avenue and along property lines in the interior of the south hospital block. These encroachments are the result of the building's design to accommodate ramps, 80 parking spaces and aesthetic treatments to the building exterior.

The proposed action includes a revocable consent to construct a pedestrian bridge over Booth Memorial Avenue. The proposed bridge would connect the third level of the new parking garage on the south block with the new entrance on the north hospital block. The two-story pedestrian bridge would be located approximately 18' above the street level and is designed to be as transparent as allowed by code. The pedestrian bridge would be designed in accordance with the latest guidelines and design standards of the New York City Department of Transportation (NYCDOT), the New York State Department of Transportation (NYSDOT) the American Association of State Highway and Transportation Officials (AASHTO) and seismic design standards. The bridge would be designed to provide a safe and protected path over traffic on Booth Memorial Avenue.

In addition to the City actions described above, the proposed action includes a request for authorization of the issuance of tax-exempt, fixed-rate bonds on behalf of NYHQ as part of the Dormitory Authority of the State of New York (DASNY) Hospitals Program. A coordinated environmental review of the proposed action has been conducted with DASNY acting as an involved agency.

The proposed action includes an (E) designation for hazardous materials to avoid the potential for significant adverse impacts. The (E) designation for hazardous materials would be mapped on the potential development site located on Block 5165, Lot 28 and would ensure that adequate testing, and, if necessary, remediation would occur prior to any potential redevelopment of the site, therefore eliminating the potential for adverse hazardous material impacts.

The text for the (E) designation would be as follows:

Due to the possible presence of hazardous materials on the aforementioned designated site there is potential for contamination of the soil and groundwater. To determine if contamination exists and perform and appropriate remediation, the following tasks must be undertaken by the fee owners(s) of the lot restricted by this (E) designation prior to any demolition or disturbance of soil on the lot.

Task 1 - The fee owner(s) of the lot restricted by this (E) designation will be required to prepare a scope of work for any soil, gas, or groundwater sampling and testing needed to determine if contamination exists, the extent of the contamination, and to what extend remediation may be required. The scope of work will include all relevant supporting documentation, including site plans and sampling locations. This scope of work will be submitted to the New York City Department of Environmental Protection (DEP) for review and approval prior to implementation. It will be reviewed to ensure that an adequate number of samples will be collected and that appropriate parameters are selected for laboratory analysis.

No sampling program may begin until written approval of a work plan and sampling protocol is received from DEP. The number and location of sample sites should be selected to adequately characterize the type and extent of the contamination, and the condition of the remainder of the site. The characterization should be complete enough to determine what remediation strategy (if any) is necessary after review of the sampling data. Guidelines and criteria for choosing sampling sites and performing sampling will be provided by DEP upon request.

Task 2 - A written report with findings and a summary of the data must be presented to DEP after completion of the testing phase and laboratory analysis for review and approval. After receiving such test results, a determination will be provided by DEP if the results indicate that remediation is necessary.

If DEP determines that no remediation is necessary, written notice shall be given by DEP.

If remediation is necessary according to test results, a proposed remediation plan must be submitted to DEP for review and approval. The fee owner(s) of the lot restricted by this (E) designation must perform such remediation as determined necessary by DEP. After completing the remediation, the fee owner(s) of the lot restricted by this (E) designation should provide proof that the work has been satisfactorily completed.

A DEP-approved construction-related health and safety plan would be implemented during excavation and construction activities to protect workers and the community from potentially significant adverse impacts associated with contaminated soil and/or groundwater. This Plan would be submitted to DEP for review and approval prior to implementation.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated July 6, 2006, prepared in connection with ULURP Applications (N060304 ZAQ, 060305 ZSQ, 060303 ZMQ and 060306 GFQ). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. Hazardous Materials
   - Upon completion of the subsurface investigation activities, the applicant agrees to submit to DEP a Phase II subsurface investigation report for DEP's review and approval. The report will include at a minimum: an executive summary, a narrative of the field activities, laboratory data and conclusions, comparison of soil and groundwater analytical results to TAGM 4046, updated site plans depicting sample locations, boring logs and any remedial recommendations, as warranted.
   - The applicant has entered into a restrictive declaration with the DEP which would bind the applicant to Phase II testing. In written correspondence dated June 9, 2006, the DEP stated its acceptance of the terms of the restrictive declaration. The restrictive declaration will be recorded for all parcels under the control of the applicant, New York Hospital Queens, to ensure that the potential hazardous materials issues are adequately addressed prior to and during construction activities.
   - The applicant agrees to submit a copy of the executed and recorded restrictive declaration to DEP.

2. Traffic and Parking

In order to mitigate the significant adverse traffic impact at Main Street and Booth Memorial Avenue, the applicant

agrees to notify NYCDOT prior to completion of the project so that NYCDOT can evaluate implementation of the proposed mitigation measures described below. With these measures in place, no significant adverse impacts to traffic would occur as a result of the proposed action.

•AM Peak Hour
Readjust the existing traffic signal timing to provide three additional seconds of green time to the eastbound/westbound phase. Green time is to be reapportioned from the northbound/southbound green time. This would result in 34 seconds of green time to the eastbound/westbound approaches and 76 seconds of green time to the northbound/southbound approaches.

•PM Peak Hour
The proposed mitigation measures include the removal of on-street parking and an adjustment of signal timing. The existing on-street parking regulation at the southbound approach is currently posted as "No Parking 11-12:30 P.M. Wednesday." The existing on-street parking regulation at the north bound approach is currently posted as "No Parking 8:30-9:00 AM Wednesday/1-hour Parking 9:00 AM-7:00 PM except Sunday." The proposed mitigation measure would eliminate on-street parking for the northbound approach for a distance of approximately 115 feet from the curb of Booth Memorial Avenue and the southbound approach for a distance of approximately 107 feet from the curb of Booth Memorial Avenue with new parking signage indicating "No Standing 4-7:00 PM Monday through Friday." With the new on-street parking requirement in place, the existing traffic signal timing would be readjusted to provide ten additional seconds of green time to the eastbound/ westbound phase. This green time is to be reapportioned from the northbound/southbound green time. This would result in 47 seconds of green time to the eastbound/westbound approaches and 63 seconds of green time to the northbound/ southbound approaches.

3. Transit and Pedestrians
•The applicant agrees to study pedestrian safety conditions at the intersection of Main Street and Booth Memorial Avenue when the proposed project is built and occupied. Measures such as leading pedestrian interval, leading westbound phase, high visibility crosswalks and yield to pedestrian/ advance warning of pedestrian crossing signage could improve the safety at this location.

•The applicant will develop detailed plans for NYCDOT review and approval, if warranted.

Supporting Statement:

1. Hazardous Materials
The above determination is based on an environmental assessment which finds that as a result of historic on-site/off-site land uses and/or potentially concerning environmental conditions such as an adjacent gas station and demolition and grading activities of the proposed project, there is the potential for hazardous material contamination in the future with the proposed action.

With implementation of the above recommendations related to hazardous materials, the proposed action would not pose a significant environmental or health risk to on-site workers and/or future occupants.
The applicant has entered into a restrictive declaration with the DEP which would bind the applicant to Phase II testing. With the institution of the Restrictive Declaration for properties under the applicant's control, the potential for significant adverse hazardous materials impact would be avoided.

2. Traffic and Parking
The proposed action would result in significant adverse traffic impacts at the intersection of Main Street and Booth Memorial Avenue. Significant adverse impacts would occur in the AM and PM peak hours, as described below:

•AM Peak Hour
The eastbound movement and westbound left-turn movement approaches would operate at LOS E.
•PM Peak Hour
The eastbound movement and the westbound left-turn movement approaches would operate at LOS F in the PM peak hour.

3. Transit and Pedestrians
•The intersection of Main Street and Booth Memorial Avenue is a high accident location which experienced 5 or more pedestrian accidents in the most recent 3-year period (2003-2005). At the intersection of Main Street and Booth Memorial Avenue, there were 25 accidents including 5 injuries in 2003.There were 22 accidents including 9 injuries in 2004. There were 18 accidents including 8 injuries in 2005. Total injures from 2003 to 2005 at this intersection were 22, including 12 pedestrian injuries and 10 non-pedestrian injuries.

4. The applicant agrees to submit all of the required drawings and designs as per NYCDOT specifications for NYCDOT review and approval. The proposed pedestrian bridge will be designed in accordance with the latest guidelines and design standards of NYCDOT, NYSDOT, AASHTO and seismic design standards. NYCDOT will participate in the review process relating to the proposed pedestrian bridge, as well as all future modifications to geometric alignment, striping and signage during the preliminary and final design phase of the project. The applicant will be responsible for any cost associated with the design, construction and maintenance of all improvements, including the proposed pedestrian bridge, consistent with customary and standard NYCDOT practice.

5. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable. It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Conditional Negative Declaration, you may contact Patrick Blanchfield at (212) 720-3346.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

   (1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

   (2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential

development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Human / Client Service

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

As part of this effort, the City is pleased to announce the following contracting opportunities for construction/construction services and construction-related services.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times, there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. Each community award will be for $150,000 and will run for twelve months from registration of the contract. The estimated total duration of the Community Partnerships Initiative is 23 months, from August 2006 to June 2008. This timeframe does not include evaluation.

ACS finds this procurement to be a demonstration project because the City has never delivered services via a coalition approach. It is therefore in the City's best interest to test and evaluate this proposed approach for feasibility and efficiency without a large commitment of resources.

ACS also finds this procurement to be innovative because of its selection process. The traditional selection approach for demonstration projects is inadequate as outlined in the Procurement Policy Board (PPB) Rules section 3 - 11 (e-g) because no proposed vendor has been identified, there will be multiple awards from this procurement, and negotiations will be held only with vendors (in a coalition) who submit a proposal. Incorporating a proposal selection process into this method is also innovative and will require all who wish to participate to develop or join a coalition, and submit a proposal.

This method will be evaluated to determine whether it is in the City's interest to codify the method used into future PPB Rules.

Anyone interested in expressing comments on or submitting an expression of interest in this procurement may do so by writing to Michael Walker, Administration for Children's Services, Office of Contracts, 150 William Street, 9th Floor, New York, NY 10038. All statements of interest or comments must be received by 4 P.M., August 15, 2006.

PROCUREMENT

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. As part of this effort, the City is pleased to announce the following contracting opportunities for construction/construction services and construction-related services.

ADMINISTRATION FOR CHILDREN'S SERVICES

CONTRACTS

■ **SOLICITATIONS**

Human / Client Service

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times,

there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF OPPORTUNITY TO COMMENT ON PROPOSED RULE 52 RELATING TO NOTIFICATION TO THE DEPARTMENT OF THE COMMENCEMENT OF WORK PURSUANT TO AN EARTHWORK PERMIT.

Notice is hereby given pursuant to the authority vested in the Commissioner of Buildings by section 643 of the New York City Charter, and in accordance with section 1043 of the Charter and Section 27-195 of the NYC Administrative Code, that the Department of Buildings proposes to add a new Chapter 52 to Title 1 of the Official Compilation of the Rules of the City of New York. Matter underlined is new.

A public hearing on the proposed rule will be held at the **Executive Offices of the Department of Buildings, 280** Broadway, 3rd Floor Conference Room New York, New York **on August 22, 2006 at 1:00 P.M. Written comments regarding the proposed rule may be submitted to Deborah Glikin,** Assistant General Counsel, New York City Department of Buildings, General Counsel's Office, 280 Broadway, 7th **Floor, New York, New York 10007, on or before August 29, 2006.**

Written comments and an audio tape of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. at the Office of the Commissioner, Executive Offices, Department of Buildings.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Angela Orridge at the foregoing address by August 4, 2006.

This rule was included in the agency's regulatory agenda.

Title 1 of the Rules of the City of New York is amended by adding a new chapter 52 as follows:

Chapter 52

Notification to the Department of Commencement of Work Pursuant to an Earthwork Permit

§52-01 Notification to the Department of Commencement of Work Pursuant to an Earthwork Permit

(a) Notification to the Department. Pursuant to Section 27-195 of the Administrative Code and subject to the exceptions set forth in subdivision (e) herein, no earthwork within the property line shall commence unless the permit holder notifies the Department as here prescribed at least twenty-four (24) but no more than forty-eight (48) hours prior to the commencement of such work. The notification shall state the date that such earthwork is to commence. Should the notification date fall on a weekend or an official holiday, the permit holder shall notify the Department on the last business day before the commencement date.

(b) Cancellation. In the event that the earthwork does not begin on the date provided in the notification to the Department, the permit holder shall notify the Department of its cancellation not more than twenty-four (24) hours prior to but no later than the date for which the earthwork was scheduled. Should the cancellation date fall on a weekend or an official holiday, the permit holder shall notify the Department on the next business day after the intended commencement date. The permit holder shall notify the Department of the new intended commencement date pursuant to the provisions of subdivision (a), above.

(c) Method of notification and cancellation. Such notification and cancellation shall be made by telephone or electronically.

(d) Stop work order. The Commissioner may issue a stop work order if there is a failure to provide notice as required in this section and if the work is found to violate any of the provisions of the Building Code, the Zoning Resolution or other applicable law, rule or regulation. Upon issuance of such stop work order, the work shall be stopped for a minimum of three (3) business days to enable the Department to take any other appropriate action to ensure that the earthwork is being performed in a safe manner. The earthwork shall not recommence until the stop work order has been lifted.

(e) Exceptions. The provisions of this section shall not apply to:

(1) Hand excavation work that extends five (5) feet or less below the grade existing at the time of earthwork commencement and is two (2) feet or more from an existing foundation. This exception shall not apply to any hand excavation work performed anywhere in existing or demolished basements or cellars that adjoin existing foundations.
(2) Test pits for geotechnical observation that do not exceed ten (10) feet in length, width or diameter and that are excavated under the direction of a licensed professional.
(3) Work on cemetery grounds.
(4) Emergency work performed by the Department of Housing Preservation and Development (HPD) or other agency as directed by the Commissioner or work on unsafe buildings performed by HPD or other agency pursuant to a precept.

STATEMENT OF BASIS AND PURPOSE

This rule is proposed pursuant to the authority of the Commissioner of Buildings under sections 643 and 1043 of the New York City Charter and Section 27-195 of the New York City Administrative Code.

The Department proposes to require 24- to 48-hour notification prior to the start of earthwork in order to enable the Department to investigate whether the work is being performed according to accepted safety standards. The proposed rule will help in promoting the safety not only of adjacent properties and property owners, but also of the workers at the site.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

■ NOTICE

NOTICE OF INTENT TO AWARD A CONCESSION

The Department of Citywide Administrative Services, Division of Real Estate Services, subject to the Franchise and Concession Review Committee approval, intends to award an occupancy permit to Dircksen and Talleyrand for use and occupancy of approximately 3,900 square feet of waterfront property identified as Block 25, Part of Lot 1, located in the area at the foot of Cadman Plaza West, in the Borough of Brooklyn. The term of this permit shall be for a period of one (1) year with two additional one (1) year renewal terms exercisable at the City's sole discretion. The charge for the initial term will be $16,800 annually, an amount established by a fair market appraisal. Dircksen and Talleyrand will use the property for parking for the River Cafe. The permit will be awarded through sole-source procedures.

Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section,** no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots#

comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations.

Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

SUPREME COURT

NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

PROCUREMENT

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. As part of this effort, the City is pleased to announce the following contracting opportunities for construction/construction services and construction-related services.

ADMINISTRATION FOR CHILDREN'S SERVICES

CONTRACTS

■ **SOLICITATIONS**

Human / Client Service

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times, there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. Each community award will be for $150,000 and will run for twelve months from registration of the contract. The estimated total duration of the Community Partnerships Initiative is 23 months, from August 2006 to June 2008. This timeframe does not include evaluation.

ACS finds this procurement to be a demonstration project because the City has never delivered services via a coalition approach. It is therefore in the City's best interest to test and evaluate this proposed approach for feasibility and efficiency without a large commitment of resources.

ACS also finds this procurement to be innovative because of its selection process. The traditional selection approach for demonstration projects is inadequate as outlined in the Procurement Policy Board (PPB) Rules section 3 - 11 (e-g) because no proposed vendor has been identified, there will be multiple awards from this procurement, and negotiations will be held only with vendors (in a coalition) who submit a proposal. Incorporating a proposal selection process into this method is also innovative and will require all who wish to participate to develop or join a coalition, and submit a proposal.

This method will be evaluated to determine whether it is in the City's interest to codify the method used into future PPB Rules.

Anyone interested in expressing comments on or submitting an expression of interest in this procurement may do so by writing to Michael Walker, Administration for Children's Services, Office of Contracts, 150 William Street, 9th Floor, New York, NY 10038. All statements of interest or comments must be received by 4 P.M., August 15, 2006.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

RENT GUIDELINES BOARD

■ NOTICE

2006 Apartment & Loft Order #38

June 27, 2006

Order Number 38 - Apartments and Lofts, rent levels for leases commencing **October 1, 2006** through **September 30, 2007.**

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY RENT GUIDELINES BOARD BY THE RENT STABILIZATION LAW OF 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended, implemented by Resolution No 276 of 1974 of the New York City Council and extended by Chapter 82 of the Laws of 2003, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Rent Guidelines Board (RGB) hereby **adopts** the following levels of fair rent increases over lawful rents charged and paid on **September 30, 2006**. These rent adjustments will apply to rent stabilized apartments with leases commencing on or after **October 1, 2006** and through **September 30, 2007**. Rent guidelines for loft units subject to Section 286 subdivision 7 of the Multiple Dwelling Law are also included in this order.

ADJUSTMENT FOR RENEWAL LEASES (APARTMENTS)

Together with such further adjustments as may be authorized by law, the annual adjustment for renewal leases for apartments shall be:

Where heat **is** provided or required to be provided to a dwelling unit by an owner from a central or individual system **at no charge** to the tenant, the adjustments are as follows:

For a **one**-year renewal lease commencing on or after **October 1, 2006** and on or before **September 30, 2007**: **4.25%**

For a **two**-year renewal lease commencing on or after **October 1, 2006** and on or before **September 30, 2007**: **7.25%**

Where heat is neither provided nor required to be provided to a dwelling unit by an owner from a central or individual system, the adjustments are as follows:

For a **one**-year renewal lease commencing on or after **October 1, 2006** and on or before **September 30, 2007**: **3.75%**

For a **two**-year renewal lease commencing on or after **October 1, 2006** and on or before **September 30, 2007**: **6.75%**

These adjustments shall also apply to dwelling units in a structure subject to the partial tax exemption program under Section 421a of the Real Property Tax Law, or in a structure subject to Section 423 of the Real Property Tax Law as a Redevelopment Project.

VACANCY ALLOWANCE FOR APARTMENTS

No vacancy allowance is permitted except as provided by sections 19 and 20 of the Rent Regulation Reform Act of 1997.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

EQUALIZATION ALLOWANCE

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

ADDITIONAL ADJUSTMENT FOR RENT STABILIZED APARTMENTS SUBLET UNDER SECTION 2525.6 OF THE RENT STABILIZATION CODE

In the event of a sublease governed by subdivision (e) of section 2525.6 of the Rent Stabilization Code, the allowance authorized by such subdivision shall be **10%**.

ADJUSTMENTS FOR LOFTS (UNITS IN THE CATEGORY OF BUILDINGS COVERED BY ARTICLE 7-C OF THE MULTIPLE DWELLING LAW)

The Rent Guidelines Board **adopts** the following levels of rent increase above the "base rent", as defined in Section 286, subdivision 4, of the Multiple Dwelling Law, for units to which these guidelines are applicable in accordance with Article 7-C of the Multiple Dwelling Law:

For **one**-year increase periods commencing on or

after **October 1, 2006** and on or before **September 30, 2007**: **3.75%**

For **two**-year increase periods commencing on or after **October 1, 2006** and on or before **September 30, 2007**: **6.75%**

VACANT LOFT UNITS

No Vacancy Allowance is permitted under this Order. Therefore, except as otherwise provided in Section 286, subdivision 6, of the Multiple Dwelling Law, the rent charged to any tenant for a vacancy tenancy commencing on or after **October 1, 2006** and on or before **September 30, 2007** may not exceed the "base rent" referenced above plus the level of adjustment permitted above for increase periods.

FRACTIONAL TERMS

For the purposes of these guidelines any lease or tenancy for a period up to and including one year shall be deemed a one year lease or tenancy, and any lease or tenancy for a period of over one year and up to and including two years shall be deemed a two-year lease or tenancy.

ESCALATOR CLAUSES

Where a lease for a dwelling unit in effect on May 31, 1968 or where a lease in effect on June 30, 1974 for a dwelling unit which became subject to the Rent Stabilization Law of 1969, by virtue of the Emergency Tenant Protection Act of 1974 and Resolution Number 276 of the New York City Council, contained an escalator clause for the increased costs of operation and such clause is still in effect, the lawful rent on **September 30, 2006** over which the fair rent under this Order is computed shall include the increased rental, if any, due under such clause except those charges which accrued within one year of the commencement of the renewal lease. Moreover, where a lease contained an escalator clause that the owner may validly renew under the Code, unless the owner elects or has elected in writing to delete such clause, effective no later than **October 1, 2006** from the existing lease and all subsequent leases for such dwelling unit, the increased rental, if any, due under such escalator clause shall be offset against the amount of increase authorized under this Order.

SPECIAL ADJUSTMENTS UNDER PRIOR ORDERS

All rent adjustments lawfully implemented and maintained under previous apartment orders and included in the base rent in effect on **September 30, 2006** shall continue to be included in the base rent for the purpose of computing subsequent rents adjusted pursuant to this Order.

SPECIAL GUIDELINE

Under Section 26-513(b)(1) of the New York City Administrative Code, and Section 9(e) of the Emergency Tenant Protection Act of 1974, the Rent Guidelines Board is obligated to promulgate special guidelines to aid the State Division of Housing and Community Renewal in its determination of initial legal regulated rents for housing accommodations previously subject to the City Rent and Rehabilitation Law which are the subject of a tenant application for adjustment. The Rent Guidelines Board hereby **adopts** the following Special Guidelines:

For dwelling units subject to the Rent and Rehabilitation Law on **September 30, 2006**, which become vacant after **September 30, 2006**, the special guideline shall be the greater of:

4. **50%** above the maximum base rent, or

5. The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on **October 1, 2006**.

DECONTROLLED UNITS

The permissible increase for decontrolled units as referenced in Order 3a which become decontrolled after **September 30, 2006**, shall be the greater of:

(1) **50%** above the maximum base rent, or

(2) The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on **October 1, 2006**.

CREDITS

Rentals charged and paid in excess of the levels of rent increase established by this Order shall be fully credited against the next month's rent.

STATEMENT OF BASIS AND PURPOSE

The Rent Guidelines Board is authorized to promulgate rent guidelines governing apartment units subject to the Rent Stabilization Law of 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended. The purpose of these guidelines is to implement the public policy set forth in Findings and Declaration of Emergency of the Rent Stabilization Law of 1969 (§26-501 of the N.Y.C. Administrative Code) and in the Legislative Finding contained in the Emergency Tenant Protection Act of 1974 (L.1974 c. 576, §4 [§2]).

The Rent Guidelines Board is also authorized to promulgate rent guidelines for loft units subject to Section 286 subdivision 7 of the Multiple Dwelling Law. The purpose of the loft guidelines is to implement the public policy set forth in the Legislative Findings of Article 7-C of the Multiple Dwelling Law (Section 280).

EXPLANATORY STATEMENT - APARTMENT ORDER #38
Explanatory Statement and Findings of the Rent Guidelines Board
In Relation to 2006-07 Lease Increase Allowances for Apartments and Lofts
under the Jurisdiction of the Rent Stabilization Law[1]

Summary of Order No. 38

The Rent Guidelines Board (RGB) by Order No. 38 has set the following maximum rent increases for leases subject to renewal on or after October 1, 2006 and on or before September 30, 2007 for **apartments** under its jurisdiction:

LEASE RENEWALS - WHERE HEAT IS PROVIDED OR REQUIRED TO BE PROVIDED TO A DWELLING UNIT BY AN OWNER FROM A CENTRAL OR INDIVIDUAL SYSTEM AT NO CHARGE TO THE TENANT

1 Year	2 Years
4.25%	**7.25%**

LEASE RENEWALS - WHERE HEAT IS NEITHER PROVIDED NOR REQUIRED TO BE PROVIDED TO A DWELLING UNIT BY AN OWNER FROM A CENTRAL OR INDIVIDUAL SYSTEM

1 Year	2 Years
3.75%	**6.75%**

VACANCY ALLOWANCE

The vacancy allowance is now determined by a formula set forth in the State Rent Regulation Reform Act of 1997 and in Chapter 82 of the Laws of 2003, not by the Orders of the Rent Guidelines Board.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

SUBLET ALLOWANCE

The increase landlords are allowed to charge when a rent stabilized apartment is sublet by the primary tenant to another tenant on or after October 1, 2006 and on or before September 30, 2007 shall be **10%**.

ADJUSTMENTS FOR LOFTS

For **Loft units** to which these guidelines are applicable in accordance with Article 7-C of the Multiple Dwelling Law, the Board established the following maximum rent increases for increase periods commencing on or after October 1, 2006 and on or before September 30, 2007. No vacancy allowance or low rent allowance is included for lofts.

1 Year	2 Years
3.75%	**6.75%**

The guidelines do not apply to hotel, rooming house, and single room occupancy units that are covered by separate Hotel Orders.

Any increase for a renewal lease may be collected no more than once during the guideline period governed by Order No. 38.

---

[1] This Explanatory Statement explains the actions taken by the Board members on individual points and reflects the general views of those voting in the majority. It is not meant to summarize all the viewpoints expressed.

SPECIAL GUIDELINES

Leases for units subject to rent control on September 30, 2006 that subsequently become vacant and then enter the stabilization system are not subject to the above adjustments. Such newly stabilized rents are subject to review by the State Division of Housing and Community Renewal (DHCR). In order to aid DHCR in this review the Rent Guidelines Board has set a special guideline of whichever is greater:

1. **50%** above the maximum base rent, or

2. The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

Such HUD-determined Fair Market Rents will be published in the Federal Register, to take effect on October 1, 2006.

All rent adjustments lawfully implemented and maintained under previous apartment Orders and included in the base rent in effect on September 30, 2006 shall continue to be included in the base rent for the purpose of computing subsequent rents adjusted pursuant to this Order.

Background of Order No. 38

The Rent Guidelines Board is mandated by the Rent Stabilization Law of 1969 (Section 26-510(b) of the NYC Administrative Code) to establish annual guidelines for rent adjustments for housing accommodations subject to that law and to the Emergency Tenant Protection Act of 1974. In order to establish guidelines the Board must consider, among other things:

(1) the economic condition of the residential real estate industry in the affected area including such factors as the prevailing and projected (i) real estate taxes and sewer and water rates, (ii) gross operating and maintenance costs (including insurance rates, governmental fees, cost of fuel and labor costs), (iii) costs and availability of financing (including effective rates of interest), (iv) overall supply of housing accommodations and overall vacancy rates;

(2) relevant data from the current and projected cost of living indices for the affected area;

(3) such other data as may be made available to it.

The Board gathered information on the above topics by means of public meetings and hearings, written submissions by the public, and written reports and memoranda prepared by the Board's staff. The Board calculates rent increase allowances on the basis of cost increases experienced in the past year, its forecasts of cost increases over the next year, its determination of the relevant operating and maintenance cost-to-rent ratio, and other relevant information concerning the state of the residential real estate industry.

Material Considered by the Board

Order No. 38 was issued by the Board following two public hearings, seven public meetings, its review of written submissions provided by the public, and a review of research and memoranda prepared by the Board's staff. A total of approximately 54 written submissions were received at the Board's offices from many individuals and organizations including public officials, owners and owner groups, and tenants and tenant groups. The Board members were provided with copies of public comments received by the **June 21, 2006** deadline. All of the above listed documents were available for public inspection.

Open meetings of the Board were held following public notice on March 28, April 7, April 26, May 2, and June 1, 2006. A written transcription or audio recording was made of all proceedings. On **May 8, 2006**, the Board adopted proposed rent guidelines for apartments, lofts, and hotels.

Public hearings were held on **June 19, 2006** and **June 22, 2006** pursuant to Section 1043 of the New York City Charter and Section 26-510(h) of the New York City Administrative Code. Testimony on the proposed rent adjustments for rent-stabilized apartments and lofts was heard from 4:00 P.M. to 9:15 P.M. on June 19, 2006 and from 10:00 A.M. to 7:30 P.M. on June 22, 2006. Testimony from members of the public speaking at these hearings was added to the public record. The Board heard testimony from approximately 120 apartment tenants and tenant representatives, 33 apartment owners and owner representatives and 5 public officials. On **June 27, 2006** the guidelines set forth in Order No. 38 were adopted.

PRESENTATIONS BY HOUSING EXPERTS INVITED BY MEMBERS OF THE BOARD

Each year the staff of the New York City Rent Guidelines Board is asked to prepare numerous reports containing various facts and figures relating to conditions within the residential real estate industry. SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM Tenants and Tenant Groups[2]

Comments from tenants and tenant groups included:

"Once again this year, every indicator before the New York City Rent Guidelines Board leads to the conclusion that landlords of rent-stabilized properties are doing quite well while tenants whose homes are in rent-stabilized apartments are struggling to make ends meet. It is time—high time—that the Rent Guidelines Board members pay attention to the question of affordability, and consider whether the rent increases you adopt are affordable to rent-stabilized tenants, whether these rent increases are burdensome to tenant households. The excessive rent hikes of the last three years have created financial hardship for many rent-stabilized tenants."

"The landlords talk about increasing costs, but never mention increasing profits and the huge increases in property values. My landlord has never appeared before this Board, because he is not suffering from any decrease in profits. As far as I know the landlords have never opened up their books. I had to submit my tax return in order to be SCRIE eligible."

"Most tenants in rent-stabilized apartments do not get income increases commensurate with rising costs, as landlords argue as the basis for their demand for rent increases...Most of us do not have the option of turning to the government to demand income increases in order to cover higher costs. We continue to pay more for everything, on incomes, which, for many of us, do not rise at all. In addition, most of us do not have the financial resources and assets that wealthy real estate owners have as their back-up 'cushion' in times of financial strain. As you know, the middle class is being driven from our wonderful City, my life-long and beloved home."

"I have watched the politicians and the landlords erode tenant protections against exorbitant rent increases for some years now. In my building, a very ordinary pre-war apartment building, I have watched rents go through the roof as tenants move out and turnovers push the rents to the $2000 a month threshold that then allows landlords to charge whatever the traffic will bear. The one-bedroom next door now rents for $3600 a month...After almost 10 and a half years in my building, I am paying $981 for a small studio apartment so it's no wonder that landlords would like to see my rent pushed to the $2000 level."

"Our people are still paying rent to live in substandard housing. How would you like to live in an apartment where your teen-aged daughter is apprehensive about taking a bath because she can hear the rats crawling through the walls? ...The buildings in our neighborhood are still in as poor condition as ever—No entrance security, elevators that work sporadically, inoperable windows, stairs with rotting risers, leaks from other apartments ruining furniture and weakening the structure of the building itself. And, lest we forget—rats, mice and roaches everywhere."

"I have been fighting with my landlord for over 25 years to improve living conditions...Every time we go to court, there is a loophole discovered in favor of the landlord and the tenant always loses. Why is that? Before the board agrees on anything, someone should check all landlords and see how many violations are against their properties and determine if they are worthy of any increase or not."

SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM OWNERS AND OWNER GROUPS[3]

Comments from owners and owner groups included:

"This year's guideline must factor in the inadequacy of recent rent increases and the deteriorating economics of rental housing. If the RGB again proposes a range of preliminary guidelines, the range should be equal to the range of commensurate adjustments (5-8% for one-year leases). We suggest a one-year guideline of 8% to cover last year's cost increases and provide some degree of catch-up for inadequate rent increases. The RGB should not provide a two-year lease adjustment, and instead make the second-year adjustment next year. The RGB should provide a supplemental adjustment of $15 per room for apartments renting for $600 or less which have been continuously occupied by the same tenant for 10 years or more."

"Cumulative effect of issuing guidelines below the PIOC over the last five years, the successive PIOCs, compounded, show price increases of 46%, meaning that RGB documented that price rises of this magnitude actually occurred. For the same five years, the one year guidelines issued have been, compounded, 17.8%. There is of course a gap here, but it is enormous. It is nearly 30%. You have withheld large cash flows to this industry, and you have done so over a sustained period of time. In doing so you jeopardize the health of the second largest industry in the city."

"Our expenses this past year skyrocketed. This year's increases in expenses are higher than last year, substantially higher. Operating rent regulated property in New York became more problematic this year than any other year. Fuel prices remain high, real estate taxes go up, labor increases were substantial primarily due to health benefit increases and this year marked a dramatic change in the way lead paint had to be handled in our building. Local Law #1 caused a dramatic increase in expenses which were not shown in the PIOC."

"No matter what guidelines you pass, affordability in buildings like mine will be maintained by another mechanism beyond the control of any of us—the market. Just because guidelines allow for a certain legal increase doesn't mean an owner can collect it; what owners ultimately charge is determined by the market."

"I urge the Rent Guidelines Board to set realistic rent increases which reflect today's substantially increased costs. The maximum percentages proposed by the board must be adopted to keep owners whole. We need reasonable guidelines that reflect not only this year's increases in operating costs but uncompensated cost increases from the last few years as well."

"With the constant increases in oil prices, similar increases are received from every vendor (building supply, elevator maintenance company, exterminator, etc.). Every vendor letter always begins with 'due to the unusual rise in fuel costs, we have no choice but to raise our prices.'...I believe that the rent increases set last June were completely out of sync with the rising costs of running a building properly. I trust that this year the Committee will set the rent guidelines more appropriately. In addition, I would like to recommend that the Committee consider reinstating the rent surcharge for rent stabilized apartments paying well below market value. I believe there should be a surcharge for any rent stabilized apartment paying under $700 monthly."

SELECTED EXCERPTS FROM ORAL AND WRITTEN TESTIMONY FROM PUBLIC OFFICIALS[4]

Comments from public officials included:

"Data recently released by the Department of Labor has shown that living expense have risen dramatically for New York City tenants in the past year. During the same period, household incomes have remained stagnant. Therefore, the RGB's proposed ranges of increases, which could potentially be the largest in fifteen years, are unreasonable and unfair to tenants, and will result in increased financial hardship for the low- and moderate-income families who play such a vital role in this city."

"Every week my office receives dozens of calls from tenants who are unable to find affordable housing, who cannot afford to live in the places they have called home for so long, and who are alarmed by the scarcity of affordable housing in this city. There is a clear connection between the RGB increases and the loss of affordable housing as more units become subject to vacancy decontrol. We must do all we can to ensure that New York City retains its rich diversity and supports all its citizens. Low- and middle-income tenants must not be forced out of their homes, which will surely happen if the RGB approves yet another rent increase."

"I am also dismayed that the Board in its initial vote did not support the idea of restoring home rule over New York City's rent and eviction laws. The absence of home rule has for too long compromised the goal of providing affordable housing in New York City and usurped the rightful legislative authority of local elected officials. I, along with much of New York City's delegation in Albany, support ending this blatant unfairness in the law. It is disturbing that the Rent Guidelines Board, a board comprised of mayoral appointees, has refused to support home rule. Repeal of the Urstadt law is crucial to New York City's future, unless the RGB is dedicated to eliminating mixed-income neighborhood that have been the hallmark of New York City's success."

"We suffer from a housing affordability crisis. Due to the rent hikes of the last few years and to a shrinking number of rent controlled and stabilized apartments and an extremely tight housing market, financial hardship is widespread among rent stabilized tenants. Incomes of rent stabilized tenants went down while rents went up. Between 2002 and 2005 stabilized rents rose by over 8% while incomes for stabilized tenants went down by 8.6%."

"The RGB has the power to adopt resolutions with respect to the legislative design and administration of the rent stabilization laws. I strongly urge the RGB to pass a resolution calling upon the City Council, the Mayor and the State Legislature to return home rule to New York City."

"This year's proposed increase could be the largest in 15 years. Given that the RGB has a statutory duty to consider the full economic situation of the real estate industry in determining these adjustments, this increase is unwarranted and inappropriate. The RGB's determination of the economic situation is lopsided—the proposal has not considered the host of methods that landlords use, legally or illegally, to increase their revenues, and instead considers only the costs incurred."

FINDINGS OF THE RENT GUIDELINES BOARD

RENT GUIDELINES BOARD RESEARCH

The Rent Guidelines Board based its determination on its consideration of the oral and written testimony noted above, as well as upon its consideration of statistical information prepared by the RGB staff set forth in these findings and the following reports:

(1) *2006 Mortgage Survey Report*, March 2006, (An evaluation of recent underwriting practices, financial availability and terms, and lending criteria);

(2) *2006 Income and Expense Study*, May 2006, (Based on income and expense data provided by the Finance Department, the *Income and Expense Study* measures rents, operating costs and net operating income in rent stabilized buildings);

(3) *2006 Tenant Income and Affordability Study*, April 2006, (Includes employment trends, housing court actions, changes in eligibility requirements and public benefit levels in New York City);

(4) *2006 Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City*, April 2006, (Measures the price change for a market basket of goods and services which are used in the operation and maintenance of stabilized buildings);

(5) *2006 Housing Supply Report*, June 2006, (Includes new housing construction measured by certificates of occupancy in new buildings and units authorized by new building permits, tax abatement and exemption programs, and cooperative and condominium conversion and construction activities in New York City); and,

(6) *Changes to the Rent Stabilized Housing Stock in NYC in 2005*, June 2006, (A report quantifying all the events that lead to additions to and subtractions from the rent stabilized housing stock).

The six reports listed above may be found in their entirety on the RGB's website, www.housingnyc.com, and are also available at the RGB offices, 51 Chambers St., Suite 202, New York, NY upon request.

2006 PRICE INDEX OF OPERATING COSTS FOR RENT STABILIZED APARTMENT HOUSES IN NEW YORK CITY

The *2006 Price Index of Operating Costs For Rent Stabilized Apartment Houses in New York City* found a 7.8% increase in costs for the period between April 2005 and April 2006.

This year, the PIOC for rent stabilized apartment buildings increased by 7.8%, 2.0 percentage points above the PIOC percentage change from the year before (5.8% in 2005). The PIOC was driven upward by increases in fuel costs (22.8%), real estate taxes (7.8%), and utility costs (7.9%). These increases were offset by more moderate growth in both insurance and labor costs of 2.5%. Increases in the remaining four cost components ranged from 4.5% to 6.5%. See Table 1 for changes in costs and prices for all rent stabilized apartment buildings from 2005-06.

The "core" PIOC, which excludes erratic changes in fuel oil, natural gas and electricity costs, is useful for analyzing long-term inflationary trends. The "core" PIOC, which excludes erratic changes in fuel oil, natural gas and electricity costs, is useful for analyzing long-term inflationary trends. The core PIOC rose by 5.3% this year, which was more than the growth in the Consumer Price Index (CPI) of 3.8%.

Local Law 63/ Income & Expense Review

Following computerization of I&E filings, the sample size for the I&E study has been greatly increased to over 12,000 buildings. Unlike the prior thirteen years, the staff this year was unable to obtain longitudinal data in addition to cross-sectional data. In the cross-sectional analysis, the RGB staff found the following average monthly (per unit) operating and maintenance (O&M) costs in 2005 Real Property Income and Expense (RPIE) statements for the year 2004:

Table 2

2006 Income and Expense Study Average Monthly Operating and Maintenance Costs Per Unit

	Pre '47	Post '46	All Stabilized
Total[7]	$630	$732	$654

Source: *2006 Income and Expense Study*, from 2005 Real Property Income and Expense filings for 2004, NYC Department of Finance.

In 1992, the Board benefited from the results of audits conducted on a stratified sample of 46 rent stabilized buildings by the Department of Finance. Audited income and expense figures were compared to statements filed by owners. On average the audits showed an 8% over reporting of expenses. The categories, which accounted for nearly all of the expense over reporting, were maintenance, administration, and "miscellaneous." The largest over-reporting was in miscellaneous expenses.

If we assume that an audit of this year's income and expense data would yield similar findings to the 1992 audit, one would expect the average O&M cost for stabilized buildings to be $601, rather than $654. As a result, the following relationship between operating costs and residential rental income was suggested by the Local Law 63 data:

5 Totals may not add due to weighting and rounding.
6 Totals may not add due to weighting and rounding.
7 Individual categories of operating and maintenance costs were not reported in the *2006 Income and Expense Study*.

On May 4, 2006 the staff of the Rent Guidelines Board released the first of two memos for Board members addressing comments and queries regarding the *2006 Income and Expense Study*. The following is the text from the first memo:

The following is a breakdown of the number of distressed buildings in 2004. The largest numbers of distressed buildings are located in mid-sized, pre-47 buildings in Manhattan, the Bronx and Brooklyn, as well as small-sized, pre-47 buildings in Core Manhattan:

Pre-47 Buildings

	Citywide	Bronx	Brooklyn	Manhattan	Queens	St. Island	Core Man	Upper Man
11-19 units	427	70	89	228	40	0	184	44
20-99 units	865	273	200	333	58	1	163	170
100+ units	20	4	4	7	6	0	7	0
All Pre-47	1312	347	293	568	103	1	354	214

Post-46 Buildings

	Citywide	Bronx	Brooklyn	Manhattan	Queens	St. Island	Core Man	Upper Man
11-19 units	14	3	2	6	3	0	4	2
20-99 units	61	13	13	12	23	0	8	4
100+ units	33	2	5	19	7	0	19	0
All Post-46	108	18	20	37	33	0	31	6

8 Overall O&M expenses were adjusted according to the findings of an income and expenses audit conducted by the Department of Finance in 1992. The unadjusted O&M to Rent ratios would be 0.76 (All), 0.78 (Pre-47), and 0.74 (Post-46), respectively. The unadjusted O&M to Income ratios would be 0.67 (All), 0.68 (Pre-47), and 0.67 (Post-46).

All Buildings

	Citywide	Bronx	Brooklyn	Manhattan	Queens	St. Island	Core Man	Upper Man
11-19 units	441	73	91	234	43	0	188	46
20-99 units	926	286	213	345	81	1	171	174

The chart below shows median household income, in both nominal dollars and inflation-adjusted 2004 dollars, between 1990 and 2004 among rent stabilized tenants in New York City (Since the HVS is not done annually, data is not available for most years):

On May 30, 2006 the staff of the Rent Guidelines Board released the second of two memos for Board members addressing comments and queries regarding the *2006 Income and Expense Study*. The following is an excerpt from the second memo:

In response to a board member's query, on the next page is a map showing whether each Community District (CD) has a proportion of distressed buildings that are above or below the citywide average of 11.6%. The map reveals that the majority of Community Districts that contain a higher proportion of distressed buildings are in the Bronx and Brooklyn.

In addition, on the following pages is a chart showing several statistics, broken down by Community District: the number and proportion of distressed buildings; the median rent and household income of rent stabilized units; the median household income of all rental units; the median contract rent-to-income ratio of rent stabilized units and the frequency of serious housing code violations, which are considered to present an immediately hazardous condition, among rental buildings in each Community District. As you will see, Community Districts with a higher than average proportion of distressed buildings generally have lower median incomes and stabilized rents, as well as greater numbers of serious housing code violations.

Forecasts of Operating and Maintenance Price Increases for 2006-07

In order to decide upon the allowable rent increases for two-year leases, the Rent Guidelines Board considers price changes for operating costs likely to occur over the next year. In making its forecasts the Board relies on expert assessments of likely price trends for the individual components, the history of changes in prices for the individual components and general economic trends. The Board's projections for 2006-07 are set forth in Table 3, which shows the Board's forecasts for price increases for the various categories of operating and maintenance costs.

Source: *2006 Price Index of Operating Costs for Rent Stabilized Apartment Houses in New York City*, which includes the 2007 PIOC Projection.

Overall, the PIOC is expected to grow by 6.2% from 2006 to 2007, with projected increases in every PIOC component. The three most volatile components, Fuel, Insurance Costs, and Utilities, are projected to rise 3.7%, 7.5%, and 7.3% respectively. Taxes are projected to increase 9.3% due to an increase in the tax rate and billable assessments for Class Two properties. Contractor Services and Administrative Costs are expected to rise at the same rate (4.8%) while Labor Costs are projected to increase by 2.9%. The table on this page shows predicted changes in PIOC components for 2007. The core PIOC is projected to rise more rapidly than the overall PIOC, by 6.6%.

Commensurate Rent Adjustment

Throughout its history, the Rent Guidelines Board has used a formula, known as the commensurate rent adjustment, to help determine annual rent guidelines for rent stabilized apartments. In essence, the "commensurate" combines various data concerning operating costs, revenues, and inflation into a single measure indicating how much rents would have to change for net operating income (NOI) in stabilized buildings to remain constant. The different types of "commensurate" adjustments described below are primarily meant to provide a foundation for discussion concerning prospective guidelines.

In its simplest form, the commensurate rent adjustment is the amount of rent change needed to maintain landlords' current dollar NOI at a constant level. In other words, the formula provides a set of one-and two-year renewal rent increases or guidelines that will compensate owners for the change in prices measured by the PIOC and keep net operating income "whole."

The first commensurate method is called the "Net Revenue" approach. While this formula takes into consideration the types of leases actually signed by tenants, it does not adjust landlords' NOI for inflation. The "Net Revenue" formula is presented in two ways, first adjusting for the mix of lease terms and second, adding an assumption for stabilized apartment turnover and the impact of revenue from vacancy increases. Under the "Net Revenue" formula, a guideline that would preserve NOI in the face of this year's 7.8% increase in the PIOC is 6.5% for a one-year lease and 11.0% for a two-year lease. Guidelines using this formula and adding assumptions for the impact of vacancy increases on revenues when apartments experience turnover are 5.0% for one-year leases and 9.5% for two-year leases.

The second commensurate method considers the mix of lease terms while adjusting NOI upward to reflect general inflation, keeping both O&M and NOI constant. This is commonly called the "CPI-Adjusted NOI" formula. A guideline that would preserve NOI in the face of the 3.8% increase in the Consumer Price Index (see Endnote 1) and the 7.8% increase in the PIOC is 8.0% for a one-year lease and 13.5% for a two-year lease. Guidelines using this formula and adding the estimated impact of vacancy increases are 6.5% for one-year leases and 12.0% for two-year leases.[9]

The original formula that has been in use since the inception of the Rent Guidelines Board is called the "traditional" commensurate adjustment. The "traditional" commensurate yields 5.3% for a one-year lease and 7.5% for a two-year lease, given the increase in operating costs of 7.8% found in the 2006 PIOC and the projection of a 6.2% increase next year.[10]

As a means of compensating for cost changes, this "traditional" commensurate rent adjustment has two major flaws. First, although the formula is supposed to keep landlords' current dollar income constant, the formula does not consider the mix of one- and two-year lease renewals. Since only about three-fifths of leases are renewed in any given year, with a preponderance of leases having a two-year duration, the formula does not necessarily accurately estimate the amount of income needed to compensate landlords for operating and maintenance (O&M) cost changes.

A second flaw of the "traditional" commensurate formula is that it does not consider the erosion of landlords' income by inflation. By maintaining current dollar NOI at a constant level, adherence to the formula may cause profitability to decline over time. However, such degradation is not an inevitable consequence of using the "traditional" commensurate formula.[11]

All of these methods have their limitations. The "traditional" commensurate formula is artificial and does not consider the impact of lease terms or inflation on landlords' income. The "Net Revenue" formula does not attempt to adjust NOI based on changes in interest rates or deflation of landlord profits. The "CPI-Adjusted NOI" formula inflates the debt service portion of NOI, even though interest rates have been generally falling, rather than rising, over recent years. Including a consideration of the amount of income owners receive on vacancy assumes both that vacancy increases are charged and collected, and that turnover rates are constant across the City.

Finally, it is important to note that only the "traditional" commensurate formula uses the PIOC projection and that this projection is not used in conjunction with or as part of the "Net Revenue" and "CPI-Adjusted NOI" formulas. As stated previously, all three formulas attempt to compensate owners for the adjustment in their operating and maintenance costs measured each year in the PIOC. The "Net Revenue" and the "CPI-Adjusted NOI" formulas attempt to compensate owners for the adjustment in O&M costs by using only the known PIOC change in costs (7.8%). The traditional method differs from the other formulas in that it uses both the PIOC's actual change in costs as well as the projected change in costs (6.2%). If the change in projected costs, which may not be an accurate estimate of owner's costs, is added to the "Net Revenue" and "CPI-Adjusted NOI" formulas, the resulting guidelines will likely over- or under-compensate for the change in costs.

Each of these formulae may be best thought of as a starting point for deliberations. The other Rent Guidelines Board annual research reports (e.g. the Mortgage Survey report and the Income and Expense Study) and testimony to the Board can be used to modify the various estimates depending on these other considerations.

9 The following assumptions were used in the computation of the commensurates: (1) the required change in landlord revenue is 67.7% of the 2006 PIOC increase of 7.8%, or 5.3%. The 67.7% figure is the most recent ratio of average operating costs to average income in stabilized buildings; (2) for the "CPI-Adjusted NOI" commensurate, the increase in revenue due to the impact of inflation on NOI is 32.3% times the latest 12-month increase in the CPI ending February 2006 (3.83%) or 1.2%; (3) these lease terms are only illustrative—other combinations of one- and two-year guidelines could produce the adjustment in revenue; (4) assumptions regarding lease renewals and turnover were derived from the 2002 Housing and Vacancy Survey; and (5) for the commensurate formulae, including a vacancy assumption, the 9.46% median increase in vacancy leases found in the rent stabilized apartments that reported a vacancy lease in the 2004 Apartment registration file from the Division of Housing and Community Renewal was used.

10 The collectability of legally authorized adjustments is assumed. Calculating the "traditional" commensurate rent adjustment requires an assumption about next year's PIOC. In this case, the 6.2% PIOC projection for 2007 is used.

11 Whether profits will actually decline depends on the level of inflation, the composition of NOI (i.e. how much is debt service and how much is profit), changes in tax law and interest rates.

On May 2, 2006 the staff of the Rent Guidelines Board released a memo to Board members with additional Price Index of Operating Costs information. The text of that memo follows:

At the April 26, 2006 *Price Index of Operating Costs* presentation, one question was asked of RBG staff for which an answer was not immediately available. A detailed answer is provided in this memo.

Question 1: How many buildings in the PIOC are pre-47 and how many are post-46?

In order to calculate the number of buildings in the PIOC that are pre-47 versus post-46, we looked to the tax component portion of the PIOC, the only component of the PIOC that specifically identifies the age of the building surveyed. This year's PIOC utilized tax data from a total of 38,265 buildings (38,220 of which contained information about construction dates). Ninety-one percent of these buildings were pre-47 (34,796) and 9% were post-46 (3,424). These buildings contained a total of 1,146,612 units, 70.8% (811,728) of which were pre-47 and 29.2% (334,884) of which were post-46. These results are virtually equal to last year's equivalent ratios.

Consideration of Other Factors

Before determining the guideline, the Board considered other factors affecting the rent stabilized housing stock and the economics of rental housing.

Effective Rates of Interest

The Board took into account current mortgage interest rates and the availability of financing and refinancing. It reviewed the staff's *2006 Mortgage Survey* of lending institutions. Table 4 gives the reported rate and points for the past nine years as reported by the mortgage survey.

12 Institutions were asked to provide information on their "typical" loan to rent stabilized buildings. Data for each variable in any particular year and from year to year may be based upon responses from a different number of institutions.

On April 7, 2006, the staff of the Rent Guidelines Board prepared a memo for Board members addressing comments and queries regarding the *2006 Mortgage Survey*. The following is the text from that memo:
In response to queries about our research last year into the frequency of lending by non-traditional lenders, the following is from an endnote that appeared in the *2005 Mortgage Survey Report*:

> To determine the frequency of which non-primary lenders finance rent stabilized buildings, a random sample of 229 separate rent stabilized buildings was researched using the NYC Department of Finance's Automated City Register Information System. Among the sample, no instances of lending by non-primary lenders were found, suggesting that rent stabilized buildings owners mainly rely on primary lending institutions when financing or refinancing their buildings.

Condition of the Rent Stabilized Housing Stock

The Board reviewed the number of buildings owned by the City following *in rem* actions and the number of units that are moving out of the rental market due to cooperative and condominium conversion.

Calculating of the Current Operating and Maintenance Expense to Rent Ratio

Each year the Board estimates the current average proportion of the rent roll which owners spend on operating and maintenance costs. This figure is used to ensure that the rent increases granted by the Board compensate owners for the increases in operating and maintenance expenses. This is commonly referred to as the O&M to rent ratio.

Over the first two decades of rent stabilization, the change in the O&M to rent ratio contained in Table 8 (hereinafter, referred to as "Table 14" - its past designation) was updated each year to reflect the changes in operating costs as measured by the PIOC and changes in rents as measured by staff calculations derived from guideline increases. Over the years, some Board members and other housing experts have challenged the price index methodology and the soundness of the assumptions used in calculating the O&M to rent ratio in "Table 14". Several weaknesses in the table have been acknowledged for some time.

The first problem with "Table 14" is that the calculation does not account for the changes in the housing stock and market factors, both of which have certainly affected the relationship between rents and operating costs to some degree. Next, for the purpose of measuring the relationship between legal regulated rents and operating cost changes, the usefulness of "Table 14" is also limited. The rent index contained in the table does not adjust for administrative rent increases (MCI's and Apartment Improvement increases) and rents charged below established guidelines (preferential).

The operating cost index contained in the table is more troublesome. The .55 base contained in the table reflects an estimate concerning nearly all post-war units. The vast majority of stabilized units (about 7 out of 10) are now in pre-war buildings, which had higher O&M ratios in 1970. The cost index was adjusted (departing from the PIOC) in the 1970's in an attempt to accommodate for this influx of pre-war buildings into the stabilized sector. This attempt was misguided. The rent index reflects changes in rents initially in the post-war sector - so adjustments to the cost index to reflect the influx of pre-war units' results in a one-sided distortion of the changing relationship between costs and rents.

Staff's research suggests that the PIOC may have overstated actual cost increases from 1970 to 1982. However, from 1989-90 to 2002-03, the I&E rose 91% and the adjusted PIOC also rose 91%. What remains clear, however, is that "Table 14," in its current form, presents a highly misleading picture of the changing relationship of operating costs to rents over time.

14 1st Quarter Average refers to the change of the CPI average of the first three months of one year to the average of the first three months of the following year.

For years the staff has expressed serious reservations about the usefulness and accuracy of "Table 14". With current longitudinal income and expense data staff has constructed a new and far more reliable index, using 1989 as a base year. Except for the most recent year and the coming year, this new index measures changes in building income and operating expenses as reported in annual income and expense statements. The second to last year in the table will reflect actual PIOC increases and projected rent changes. The last year in the table - projecting into the future - will include staff projections for both expenses and rents. The proposed new index is in Table 9.

While we believe this to be a more reliable index, it is not without limitations. First, as noted, for the past and coming year the index will continue to rely upon the price index and staff rent and cost projections. Second, while the new table looks at the overall relationship between costs and income, it does not measure the specific impact of rent regulation on that relationship. This new table is listed as Table 9.

18 The 4.22% increase in rent roll estimated for leases signed during the period 10/1/05-9/30/06 under Order 37 reflects the following: (1) Renewal guidelines are estimated to contribute a 0.827% and 1.658% increase in the rent roll with 30.1% of all units experiencing a one-year lease signing (2.75%) and 30.2% of all units experiencing two-year lease signings (5.5%). These figures are derived from the 2002 Housing and Vacancy Survey (HVS), Table 58, which gives reported lease terms. "Less than one year" was assumed to be a one-year lease and "More than one year" and "More than two years" were assumed to be a two-year lease. These figures for renewal leases (33% of stabilized households have a one-year lease and 67% have two-year leases) were reduced by the turnover rate of 9.6%, derived from the average households who moved in the 2002 HVS (95,239 is the average number of stabilized households that moved annually1999-2001) and taken as percentages of all stabilized lease signers (988,393); (2) the vacancy allowance of 18.0%, which is the median vacancy increase found in the 2001 annual DHCR rent registration data for apartments is estimated to increase overall rent rolls by 1.734% when multiplied by the HVS turnover rate (9.6%), which estimates the percentage of rent stabilized units that will enter into vacancy leases under Order 37.

19 The 4.38% increase in rent roll estimated for leases signed during the period 10/1/06-9/30/07 under Order 38 reflects the following: (1) Renewal

guidelines are estimated to contribute a 1.277% and 2.186% increase in the rent roll with 30.1% of all units experiencing a one-year lease signing (4.25%) and 30.2% of all units experiencing two-year lease signings (7.25%). These figures are derived from the 2002 Housing and Vacancy Survey (HVS), Table 58, which gives reported lease terms. "Less than one year" was assumed to be a one-year lease and "More than one year" and "More than two years" were assumed to be a two-year lease. These figures for renewal leases (33% of stabilized households have a one-year lease and 67% have two-year leases) were reduced by the turnover rate of 9.6%, derived from the average households who moved in the 2002 HVS (95,239 is the average number of stabilized households that moved annually1999-2001) and taken as percentages of all stabilized lease signers (988,393); (2) the median vacancy increase of 9.46% found in the 2004 annual DHCR rent registration data for apartments is estimated to increase overall rent rolls by 0.912% when multiplied by the HVS turnover rate (9.6%), which estimates the percentage of rent stabilized units that will enter into vacancy leases under Order 38.

20 Operating and expense data listed is based upon unaudited filings with the Department of Finance. Audits of 46 buildings conducted in 1992 suggest that expenses may be overstated by 8% on average. See Rent Stabilized Housing in New York City, A Summary of Rent Guidelines Board Research 1992, pages 40-44. Figures in parentheses are adjusted to reflect these findings.

21 Estimated expense figure includes 2004 expense estimate updated by the PIOC for the period from 4/1/04 through 3/31/05 (5.8%). Income includes the income estimate for 2004 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/04 through 3/31/05 (5.31% - i.e., the 10/1/03 to 9/30/04 rent projection (5.72) times (.583), plus the 10/1/04 to 9/30/05 rent projection (4.75) times (.417)).

22 Estimated expense figure includes 2005 expense estimate updated by the PIOC for the period from 4/1/05 through 3/31/06 (7.8%). Income includes the income estimate for 2005 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/05 through 3/31/06 (4.53% - i.e., the 10/1/04 to 9/30/05 rent projection (4.75) times (.583), plus the 10/1/05 to 9/30/06 rent projection (4.22) times (.417)).

23 Estimated expense figure includes 2006 expense estimate updated by the staff PIOC projection for the period from 4/1/06 through 3/31/07 (6.2%). Income includes the income estimate for 2006 updated by staff estimate based upon renewal guidelines and choice of lease terms for a period from 4/1/06 through 3/31/07 (4.28% - i.e., the 10/1/05 to 9/30/06 rent projection (4.22) times (.583), plus the 10/1/06 to 9/30/07 rent projection (4.38) times (.417)).

CHANGES IN HOUSING AFFORDABILITY

For the second year in a row, New York City's economy continued to rise from recession, with declining unemployment rates, rising wages and employment levels, and Gross City Product growing steadily from the last quarter of 2003 through the third quarter of 2005 (fourth quarter data for 2005 was not yet released as of publication). Unemployment rates decreased for the second year in a row, falling 1.2 percentage points to 5.8%, the lowest citywide level since 2000. Total employment levels in the City increased 1.4%, and the City's Gross City Product increased by 3.6% during the first three quarters of 2005, with positive growth expected during the fourth quarter. Real wages also increased by 3.7% between 2003 and 2004 (the most recent year for which there are statistics). And after rising last year, public assistance cases fell by almost 5% between fiscal years 2004 and 2005.

BUILDINGS WITH DIFFERENT FUEL AND UTILITY ARRANGEMENTS

The Board was also informed of the circumstances of buildings with different fuel and utility arrangements including buildings that are master-metered for electricity and that are heated with gas versus oil (see Table 10). Under some of the Board's Orders in the past, separate adjustments have been established for buildings in certain of these categories where there were indications of drastically different changes in costs in comparison to the generally prevailing fuel and utility arrangements. This year the Board made no distinction between guidelines for buildings with different fuel and utility arrangements under Order 38. However, the Board did make a distinction in guidelines for tenants who pay to heat their apartments as a separate expense from their rent.

On May 31, 2006 the staff of the Rent Guidelines Board released a memo to Board members which researched the extent to which deregulation has taken place throughout the five boroughs of New York City and the percentage of the total rent stabilized units that register each year with the Division of Housing and Community Renewal (DHCR). The following is an excerpt from that memo:

The staff determined that it was not possible to count every deregulated unit because owners were not required to report these units until 2000, resulting in an unknown universe of units that have been deregulated. In lieu of an actual count of deregulated units, the staff compared the number of owner reported stabilized units to the total number of residential units in the same subset of rent stabilized buildings. This analysis **does not** result in the total number of apartments that have been deregulated. However, it does approximate the percentage of units in regulated buildings that have been reported to be rent stabilized.[24]

24 The Rent Guidelines Board does track the number of additions and subtractions of dwelling units to and from the rent stabilized housing stock annually in our *Changes to the Rent Stabilized Housing Stock in New York City* report. Since 1994, there has been an estimated net loss of 96,120 rent stabilized units. This figure represents a floor or minimum count of the actual number of deregulated units since 1994.

Methodology

In order to perform this analysis, the RGB had to first identify buildings that contain rent stabilized units. Owners of rent stabilized apartments are required to register their buildings annually with DHCR. As a part of this annual registration, the owners are instructed to indicate the number of apartments in the building that are rent stabilized. Therefore, we used the DHCR buildings registration database to identify properties that contained stabilized units from 2004, the most recent data available to the RGB.

The next step was to determine the total number of residential units in each building, regardless of their regulatory status. The Department of Finance's (DOF) Real Property Assessment Division (RPAD) database contains the total number of residential units in a building and is used to determine the assessed value for properties in NYC. The buildings registered in 2004 with DHCR were merged with those found in the RPAD file by matching the borough, block and lot (BBL) numbers from both files. Buildings with duplicate BBLs were identified and eliminated from the DHCR file prior to this merge. A total of 34,906 BBLs matched. Owners that did not report a count of stabilized units were eliminated. In addition, any building that owners specifically registered as a hotel, SRO, rooming house, co-op, or condo was also removed from our analysis. This resulted in a sample that contained 33,065 buildings. The end result was a file of properties that contained rent stabilized apartments, indicating the number of owner-reported stabilized apartments and the total number of residential units in each building. The percentage of reported stabilized units was determined by dividing the total stabilized unit count by the total residential unit count.

It is important to note the following when considering the findings from the aforementioned methodology. First, this analysis simply tells us the percentage of rent stabilized units as reported by owners to the DHCR. Although owners with rent stabilized apartments are required to register these units with DHCR annually, 100 percent compliance by owners is unlikely. Therefore this analysis is from a subset of rent stabilized buildings in NYC and does not include every stabilized building or unit. Second, the reported rent stabilized units include those units that are occupied, vacant and temporarily exempt. Third, the "non-stabilized units" are those **not** reported as stabilized by owners of stabilized buildings. This "non-stabilized unit" universe includes rent controlled units[25]. Thus, one cannot conclude that all these units are permanently exempt from rent stabilization. Finally, we are comparing data reported to DHCR by owners to a list of buildings maintained by the DOF. Therefore, one must realize that the data sources are different and unit counts are reported and maintained using different definitions and methods.

25 The 2005 Housing and Vacancy Survey reports that there are 43,317 rent controlled units in New York City.

Findings

Citywide, 81.2% of the apartments in the subset of rent stabilized buildings analyzed were reported by owners to be rent stabilized. Stabilized buildings in the Bronx had the highest percentage of reported stabilized units at 93.1%, followed by Staten Island (90.6%), Brooklyn (88.7%), and Queens (86.8%). Stabilized buildings in Manhattan had the lowest percentage, with 67.6% of the units reported to be rent stabilized. Core Manhattan (the area south of East 96th and West 110th Streets) showed 59.0% of the units being rent stabilized. Upper Manhattan had a percentage similar to that seen in the outer boroughs, with 88.1% of the units reported by owners as rent stabilized. In addition to the borough level analysis, the percentage of rent stabilized units in each Community District (CD) was also calculated. Nearly all the Community Districts in core Manhattan had fewer then 75% of their units reported as rent stabilized. Conversely, nearly all of the CD's outside of core Manhattan saw at least 75% of the their units reported by owners as rent stabilized. For a full breakdown of rent stabilized units by borough and CD see tables A and B of this memo.

In addition to the geographical analysis, we also examined the proportion of owner reported rent stabilized units by building size and age. Large buildings had a lower percentage of reported stabilized units (63.9%) compared to buildings with fewer than 100 units (85.8%). In buildings with 100 or more units in core Manhattan, less than half (46.8%) of the units were reported to be rent stabilized. Outside core Manhattan, over 75% of the units in 100 or more unit buildings were reported as rent stabilized. In addition, newer buildings contained a lower percentage of reported rent stabilized apartments than older properties. For buildings constructed after 1946, owners reported 71.0% of these units as rent stabilized compared to 84.1% in pre-1947 buildings. For a full breakdown of rent stabilized units by building size see table A of this memo.

Staff also looked at the rent burdens of tenants who live in rent stabilized units by borough and Community District. Using data from the 2005 Housing and Vacancy Survey (HVS), we found that Manhattan had a contract rent-to-income ratio of 26.5%, while the Bronx (32.7%), Brooklyn (30.2%), and Queens (30.0%) all had higher ratios. Staten Island had a rent-to-income ratio of 25.2%. All Community Districts in core Manhattan had median contract rent-to-income ratios under 30%. See table B for a breakdown of median incomes and contract rent-to-income ratios by community district.

On June 8, 2006 the staff of the Rent Guidelines Board released a memo to Board members analyzing building violation data from the Department of Housing Preservation and Development. The following is the text from that memo:

As per the Board's request, the following is an analysis of building violation data from the NYC Dept. of Housing Preservation and Development (HPD). The file provided from HPD includes the total number of Class "A," "B," and "C" violations that were open as of December 2005.

Class "A" violations are considered the least severe, and include violations such as defective gutters, proper notice of smoke detector requirements, proper notice of superintendent contact information, and filing of building registration with HPD. Class "B" violations are more serious than Class "A" and include such violations as broken smoke detectors, unlawful cooking spaces, improper collection of garbage, and illegal occupancy of a basement. Class "C" violations are the most severe, and are the focus of the research presented in this memo. These violations are considered to present an immediately hazardous condition. Class "C" violations include defective fire escapes, inadequate heat or hot water, rodent problems, and lead-based paint hazards.

A file of more than 800,000 records obtained from HPD was matched to DHCR 2004 building registration data, a file of 42,285 records. A total of 36,830 records from the DHCR file corresponded accurately to HPD data, a match on more than 87% of DHCR records. More than 20,000 of these buildings had either an "A," "B," or "C" violation open as of December 2005 (more than 56% of buildings), while over 40% of buildings had no violations presently open as of that date. Proportionally, the Bronx has had the most violations presently open, with 77.4% of buildings having at least one open "A," "B," and/or "C" violation, compared to lows in Queens and Staten Island of 42.3% and 43.9% respectively, while Brooklyn and Manhattan were each above 50%. The Bronx also had the highest number of violations issued of the boroughs, a median of 20 "A," "B," and/or "C" violations, double that of the citywide median of 10. In addition, 60.6% of Bronx buildings have open "C" violations (the most severe violations), with a median of 6 violations per building, double that of the citywide median of 3. A summary of the "A," "B," and "C" violations open as of December 2005 follows in **Table A.**

Note that the analysis only includes buildings that have received at least one violation in the relevant category (i.e. in some cases more than half of buildings in the borough have been excluded from the mean and median). It is also important to note that the open violations data analyzed in this memo should be considered a ceiling of violations that are currently open. An unknown percentage of these violations have been corrected but not reported as closed to HPD by owners.

Because the total number of violations in a borough does not take into account the size of the buildings, the data from HPD was also analyzed by the reported number of units in the building (as reported by HPD). Again, the data is analyzed using only those buildings with at least one violation open as of December 2005, and is broken out into eight separate categories of unit size. A summary, by borough, for presently open Class "C" violations follows in **Table C.**

Violations can also be analyzed by the reported age of the buildings. As expected, in many cases the older the building, the more likely it has a higher number of "C" violations. Citywide, buildings constructed between 1915 and 1929 have a median of five "C" violations while buildings constructed between 1975 and 2005 have a median of two. A summary of "C" violations open as of December 2005, by age and borough, is presented in **Table D.**

Class "C" building violations were also grouped by the total number of violations in the buildings. Grouping in this manner shows that citywide 63.4% of buildings had no open Class "C" violations as of December of 2005, while 23.1% of buildings had been cited with 1-5 violations. Less than 1% of buildings (253 of 36,830 buildings) had more than 50 violations opened as of last December. The lowest percentage of zero violation buildings was in the Bronx, where 39.4% of buildings had no open "C" violations during December. A summary of "C" violations grouped by total number of violations is presented in **Table E.**

COVERED BY ARTICLE 7-C OF THE MULTIPLE DWELLING LAW (LOFTS)

Section 286 sub-division 7 of the Multiple Dwelling Law states that the Rent Guidelines Board "shall annually establish guidelines for rent adjustments for the category of buildings covered by this article." In addition, the law specifically requires that the Board, "consider the necessity of a separate category for such buildings, and a separately determined guideline for rent adjustments for those units in which heat is not required to be provided by the owner, and may establish such separate category and guideline."

In 1986, Abt Associates Inc. conducted an expenditure study of loft owners to construct weights for the Loft Board's index of operating costs and to determine year-to-year price changes. In subsequent years, data from the PIOC for stabilized apartments was used to compute changes in costs and to update the loft expenditure weights. This is the procedure used this year.

The increase in the Loft Index this year was 6.4%, 1.4 percentage points lower than the increase for apartments. This difference is explained by the fact that Labor Costs for lofts increased by 1.9%, compared to 2.5% for apartments, and that Attorney fees, which rose 2.0%, are much more important for lofts than for apartments. In addition, the increase in the Utilities component was 6.5% for lofts versus 7.9% for apartments. These three disparities placed more downward pressure on the Loft Index.

This year's guidelines for lofts are: **3.75%** for a one-year lease and **6.75%** for a two-year lease.

SPECIAL GUIDELINES FOR VACANCY DECONTROLLED UNITS ENTERING THE STABILIZED STOCK

Pursuant to Section 26-513(b) of the New York City Administrative Code, as amended, the Rent Guidelines Board establishes a special guideline in order to aid the State Division of Housing and Community Renewal in determining fair market rents for housing accommodations that enter the stabilization system. This year, the Board set the guidelines at the greater of the following:

(1) 50% above the Maximum Base Rent, or
(2) The Fair Market Rent for existing housing as established by the United States Department of Housing and Urban Development (HUD) for the New York City Primary Metropolitan Statistical Area pursuant to Section 8(c) (1) of the United States Housing Act of 1937 (42 U.S.C. section 1437f [c] [1]) and 24 C.F.R. Part 888, with such Fair Market Rents to be adjusted based upon whether the tenant pays his or her own gas and/or electric charges as part of his or her rent as such gas and/or electric charges are accounted for by the New York City Housing Authority.

The Board concluded that for units formerly subject to rent control, either an increase to rent levels reflecting the Fair Market Rent guidelines established by the U.S. Department of Housing and Urban Development (HUD), or 50% above the maximum base rent was a desirable minimum increase. Notably, the HUD guidelines differentiate minimum rents on the basis of bedroom count.

INCREASE FOR UNITS RECEIVING PARTIAL TAX EXEMPTION PURSUANT TO SECTION 421 AND 423 OF THE REAL PROPERTY TAX LAW

The guideline percentages for 421-A and 423 buildings were set at the same levels as for leases in other categories of stabilized apartments.

This Order does not prohibit the inclusion of the lease provision for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 per cent per annum where the dwelling unit is receiving partial tax exemption pursuant to Section 421-A of the Real Property Tax Law. The cumulative but not compound charge of up to 2.2 per cent per annum as provided by Section 421-A or the rate provided by Section 423 is in addition to the amount permitted by this Order.

VACANCY ALLOWANCE

As of June 15, 1997, Vacancy Allowances are now determined by a formula set forth in the State Rent Regulation Reform Act of 1997 and in Chapter 82 of the Laws of 2003.

SUPPLEMENTAL ADJUSTMENT

There shall be **no supplemental adjustment** for apartments renting below any specified amount for renewal leases.

There shall be **no equalization allowance** for apartments continuously occupied for a specified period of time for renewal leases.

SUBLET ALLOWANCE

The increase landlords are allowed to charge under Order 38 when a rent stabilized apartment is sublet by the primary tenant to another tenant on or after October 1, 2006 and on or before September 30, 2007 shall be **10%**.

NEW YORK CITY RENT GUIDELINES BOARD

2006 Hotel Order #36

June 27, 2006

Order Number 36 - Hotels, Rooming Houses, Single Room Occupancy Buildings and Lodging Houses. Rent levels to be effective for leases commencing **October 1, 2006** through **September 30, 2007**.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY RENT GUIDELINES BOARD BY THE RENT STABILIZATION LAW OF 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended, implemented by Resolution No. 276 of 1974 of the New York City Council and extended by Chapter 82 of the Laws of 2003, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Rent Guidelines Board hereby **adopts** the following levels of fair rent increases over lawful rents charged and paid on **September 30, 2006**.

APPLICABILITY

This order shall apply to units in buildings subject to the Hotel Section of the Rent Stabilization Law (Sections 26-504(c) and 26-506 of the N.Y.C. Administrative Code), as amended, or the Emergency Tenant Protection Act of 1974 (L.1974, c. 576 §4[§5(a)(7)]). With respect to any tenant who has no lease or rental agreement, the level of rent increase established herein shall be effective as of one year from the date of the tenant's commencing occupancy, or as of one year from the date of the last rent adjustment charged to the tenant, or as of **October 1, 2006**, whichever is later. This anniversary date will also serve as the effective date for all subsequent Rent Guidelines Board Hotel Orders, unless the Board shall specifically provide otherwise in the Order. Where a lease or rental agreement is in effect, this Order shall govern the rent increase applicable on or after **October 1, 2006** upon expiration of such lease or rental agreement, but in no event prior to one year from the commencement date of the expiring lease, unless the parties have contracted to be bound by the effective date of this Order.

RENT GUIDELINES FOR HOTELS, ROOMING HOUSES, SINGLE ROOM OCCUPANCY BUILDINGS AND LODGING HOUSES

Pursuant to its mandate to promulgate rent adjustments for hotel units subject to the Rent Stabilization Law of 1969, as amended, (§26-510(e) of the N.Y.C Administrative Code) the Rent Guidelines Board hereby **adopts** the following rent adjustments:

The allowable level of rent adjustment over the lawful rent actually charged and paid on **September 30, 2006** shall be:

1) Residential Class A (apartment) hotels -	2.0%
2) Lodging houses -	2.0%
3) Rooming houses (Class B buildings containing less than 30 units) -	2.0%
4) Class B hotels -	2.0%
5) Single Room Occupancy buildings (MDL section 248 SRO's) -	2.0%

Except that the allowable level of rent adjustment over the lawful rent actually charged and paid on **September 30, 2006** shall be **0%** if permanent rent stabilized or rent controlled tenants paying no more than the legal regulated rent, at the time that any rent increase in this Order would otherwise be authorized, constitute fewer than **80%** of all units in a building that are used or occupied, or intended, arranged or designed to be used or occupied in whole or in part as the home, residence or sleeping place of one or more human beings.

NEW TENANCIES

No "vacancy allowance" is permitted under this order. Therefore, the rents charged for tenancies commencing on or after **October 1, 2006** and on or before **September 30, 2007** may not exceed the levels over rentals charged on **September 30, 2006** permitted under the applicable rent adjustment provided above.

ADDITIONAL CHARGES

It is expressly understood that the rents collectible under the terms of this Order are intended to compensate in full for all services provided without extra charge on the statutory date for the particular hotel dwelling unit or at the commencement of the tenancy if subsequent thereto. No additional charges may be made to a tenant for such services, however such charges may be called or identified.

STATEMENT OF BASIS AND PURPOSE

The Rent Guidelines Board is authorized to promulgate rent guidelines governing hotel units subject to the Rent Stabilization Law of 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended. The purpose of these guidelines is to implement the public policy set forth in Findings and Declaration of Emergency of the Rent Stabilization Law of 1969 (§26-501 of the N.Y.C. Administrative Code) and in the Legislative Finding contained in the Emergency Tenant Protection Act of 1974 (L.1974 c. 576, §4 [§2]).

EXPLANATORY STATEMENT - HOTEL ORDER #36
Explanatory Statement and Findings of the Rent Guidelines Board In Relation to 2006-07 Lease Increase Allowances for Hotels Under the Jurisdiction of the Rent Stabilization Law

Explanatory Statement and Findings of the Rent Guidelines Board Concerning Increase Allowances for Hotel Units Under the Jurisdiction of the Rent Stabilization Law, Pursuant to Hotel Order Number 36, Effective October 1, 2006 through and including September 30, 2007.[26]

Pursuant to the authority vested in it by the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974, implemented by Resolution Number 276 of 1974 of the New York City Council, and extended Chapter 82 of the Laws of 2003, it is the responsibility of the Rent Guidelines Board to establish guidelines for hotel increases. Hotel Order Number 36, adopted on June 27, 2006, applies to stabilized hotel units occupied by non-transient tenants.

Hotel Order Number 36 provides for an allowable increase of **2.0%** over the lawful rent actually charged and paid on September 30, 2006 for rooming houses, lodging houses, Class B hotels, single room occupancy buildings, and Class A residential hotels. The Order does not limit rental levels for commercial space, non-rent stabilized residential units, or transient units in hotel stabilized buildings during the guideline period. The Order also provides that for any dwelling unit in a hotel stabilized building which is voluntarily vacated by the tenant thereof, the level of rent increase governing a new tenancy shall be the same as the guideline for rent increases set forth above.

Rooming house, lodging house, Class B hotel, single room occupancy building, and Class A residential hotel owners shall not be entitled to any of the above rent adjustments, and shall receive a **0 percent adjustment** if permanent rent stabilized or rent controlled tenants paying no more than the legal regulated rent, at the time that any rent increase in this Order would otherwise be authorized, constitute fewer than **80%** of all units in a building that are used or occupied, or intended, arranged or designed to be used or occupied in whole or in part as the home, residence or sleeping place of one or more human beings.

The following was read and entered into the public record of the June 27 meeting to outline the Rent Guidelines Board's intent of the above proviso:

The Board's intention for the meaning of this proviso is that ALL dwelling units in the hotel, whether occupied, vacant, rented to tourists, transients, contract clients, students or other non-permanent tenants, or to permanent rent stabilized tenants, be counted in the denominator of the calculation. The only type of units in the hotel that may be excluded from the denominator are units that are used as stores or for similar business purposes such as doctor's offices. The numerator of the calculation is the number of units occupied by permanent rent stabilized or rent controlled tenants.

Here are two examples. One: a hotel has 100 units and 2 stores. 32 units are rented to permanent rent stabilized tenants, 10 are vacant and 58 are rented to transients and tourists. The calculation is as follows, the denominator is 100 and the numerator is 32. This calculation results in an occupancy percentage of LESS than 80% under the formula (32%) and an increase CANNOT be taken for the permanent stabilized tenants.

Two: a hotel has 150 units, 2 of which are used by a dentist and a doctor for their businesses, 8 are rented to tourists, 10 are vacant and 130 are occupied by permanent rent stabilized tenants. The denominator would be 148 and the numerator would be 130. This calculation results in an occupancy percentage of GREATER than 80% under the formula (88%) and an increase CAN be taken for the permanent stabilized tenants.

[26] This Explanatory Statement explains the actions taken by the Board on individual points and reflects the general views of those voting in the majority. It is not meant to summarize all viewpoints expressed.

Definitions

For the purpose of determining the appropriate classification of a hotel stabilized unit, the Board has set its definitions as follows:

- Residential hotels are "apartment hotels" which are designated as Class A multiple dwellings on the Certificate of Occupancy.
- Rooming houses are Class B multiple dwellings having fewer than thirty sleeping rooms as defined in Section 4(13) of the multiple dwelling law.
- A single room occupancy building is a Class A multiple dwelling which is either used in whole or in part for single room occupancy or as a furnished room house, pursuant to Section 248 of the multiple dwelling law.
- A Class B hotel is a hotel, which carries a Class B Certificate of Occupancy and contains units subject to rent stabilization.
- Lodging houses are those buildings designated as lodging houses on the Certificate of Occupancy.

Background

Public meetings of the Board were held on March 28, April 7 and 26, May 2 and June 1, 2006 following public notices. On May 8, the Board adopted proposed rent guidelines for hotels, apartments, and lofts.

Two public hearings were held on June 19 and June 22, 2006 to hear comments on the proposed rent adjustments for rent stabilized hotels and apartments. The hearings were held from 4:00 P.M. to 9:15 P.M. on June 19 and from 10:00 A.M. to 7:30 P.M. on June 22. The Board heard testimony from 24 hotel tenants and tenant representatives, one hotel owner, and 5 public officials. In addition, the Board's office received approximately 12 written statements from owners and owner groups, tenants and tenant groups, and public officials. On June 27, 2006, the guidelines set forth in Hotel Order Number 36 were adopted.

Selected Oral and Written Testimony from Owners and Owner Groups:

– "I ask you to please give the SROs and other building groups a 10% increase across the Board so that they may have the incentive to stay in business."

– "If we put aside the expectation that a business exists to ultimately make a profit, we cannot continue to expect these owners to go on year after year losing money, facing costs that are mandatory in order to meet City regulations without any incentive or relief. In my dealings with this Board as well as past boards, I have always believed that at some point we would be able to come to an amicable solution to this problem. And yet, they were voted NO INCREASE at all. Even a 2% increase would be some recognition, while still not bringing them to parity with other owners. To deny them this is truly a sad commentary."

– "We have lost so many owners, we need to make every effort to keep those we still have. An increase for the landlords is a winning situation for the tenants, who will still be able to continue to live in their buildings and neighborhoods. Otherwise, we face complete change in New York City, one that would surely displace the current tenants."

– "My real estate taxes, fuel, electric, insurance, and repair costs have skyrocketed. I cannot get a mortgage on the property, an additional mortgage, because my rents are so low and my costs are so high."

– "I need the Rent Guidelines Board's help so I am not forced out of the City that I've lived in, and born in, and lose my property....I'm a small property owner. It's just not fair. I and other small property owners of these SRO buildings that are under 20 units need reasonable rents and not fall through the cracks. 0% increases are unreasonable."

Selected Oral and Written Testimony from Tenants and Tenant Groups:

– "The City's well documented housing crisis affects all New Yorkers, but perhaps no one group can be said to be in more imminent danger of becoming homeless than SRO tenants. Such housing if not often maintained by choice, but rather by necessity, as the majority of this tenant population struggles to survive on fixed income that often isn't enough to afford both the basic necessities and the rent in this housing of last resort."

– "In all but the rarest of cases, SRO owners do not derive their income from their permanent tenants. They either take advantage of the myriad of additional uses they can put their property towards, or they simply "warehouse" vacant units and empty out entire buildings for good in order to find more lucrative uses for them."

– "On behalf of all SRO tenants in the City living on the brink, we ask that the Rent Guidelines Board not issue any rent increase for permanent tenants of hotels, rooming houses and lodging houses for 2006. SRO owners are not dependent on the dwindling tenant population to cover their overhead and make a healthy profit, and the impact of even the smallest increase on these individuals will serve only to worsen the City's homeless crisis."

– "I do not feel that a rent increase is warranted. I have been paying for many services that were guaranteed to me that I have not been receiving. For example, maid & linen service, cooking, furnishings, exterminators, fuses, lights, window shades, etc....Please keep the Proviso. The greed of the landlords will make it impossible for many New Yorkers of low-income to remain in their homes."

– "I am writing to say that a zero increase is what landlords deserve in the city! No rent increase! My apartment has not been painted in 18 years, my kitchen sink is stained down to the cast iron underlining and every time I take a shower, I stand in 8-10 inches of water, due to the lack of proper cleaned drains in my building."

Selected Oral and Written Testimony from Public Officials:

– "Another egregious example is the illegal practice of renting units in SROs and apartment buildings to tourists. This robs the city of an already diminishing source of affordable housing, and creates unsafe situations for existing tenants, but it also is an illegal stream of revenue for landlords who ought to be renting those apartments to rent-stabilized tenants. The DHCR has tacitly condoned these practices by turning a blind eye and refusing to address these problems."

– "Single Room Occupancy (SRO) buildings and residential hotels continue to constitute an important part of the rent-stabilized housing stock. SRO owners derive a bulk of their income from their transient guests, not from permanent tenants. While a rent increase would have a minimal effect on the total income of these landlords, such an

increase would have a very large impact on the incomes of tenants living in SROs. The Rent Guidelines Board should NOT issue any rent increase for permanent tenants of hotels, rooming houses, and lodging houses."

– "Tenants have invested their lives in our City and have improved our neighborhoods. The Board should be proactive in preserving New York City's affordable housing so that poor and middle-class working people can continue to live here. Towards that end, I strongly urge you to impose an immediate freeze on rents for all apartments, lofts, hotels, rooming houses, single room occupancy (SRO) buildings and lodging houses."

Material Considered by the Board

In addition to oral and written testimony presented at its public hearing, the Board's decision is based upon material gathered from the 2006 Price Index of Operating Costs for Hotel Stabilized Units in New York City, prepared by the staff of the Rent Guidelines Board, reports and testimony submitted by owner and tenant groups relating to the hotel sector, and reports submitted by public agencies. The Board heard testimony from invited guest speakers on May 2, 2006. Guest speakers representing hotel tenants included Terry Poe, Tenant Organizing Supervisor, from the Goddard-Riverside Community Center's West Side SRO Law Project and Christopher Schwartz, Staff Attorney, from the East Side SRO Law Project of MFY Legal Services. There were no guest speakers representing hotel landlords at this meeting but Helen Maurizio, Executive Director of the Associated Hotels and Motels of Greater New York, submitted written testimony.

FINDINGS OF THE RENT GUIDELINES BOARD

Rent Guidelines Board Research

The Rent Guidelines Board based its determination on its consideration of the oral and written testimony noted above, as well as upon its consideration of statistical information prepared by the RGB staff set forth in these findings and the following reports:

(1) *2006 Mortgage Survey Report*, March 2006, (An evaluation of recent underwriting practices, financial availability and terms, and lending criteria);

(2) *2006 Tenant Income and Affordability Study,* April 2006, (Includes employment trends, housing court actions, changes in eligibility requirements and public benefit levels in New York City);

(3) *2006 Price Index of Operating Costs for Rent Stabilized Hotels in New York City,* April 2006, (Measures the price change for a market basket of goods and services which are used in the operation and maintenance of stabilized hotels);

(4) *2006 Housing Supply Report*, June 2006, (Includes information on the conversion of Hotels to luxury apartments and transient use, new housing construction measured by certificates of occupancy in new buildings and units authorized by new building permits, tax abatement and exemption programs, and cooperative and condominium conversion and construction activities in New York City); and,

(5) *Changes to the Rent Stabilized Housing Stock in NYC in 2005,* June 2006, (A report quantifying all the events that lead to additions to and subtractions from the rent stabilized housing stock).

The five reports listed above may be found in their entirety on the RGB's website, www.housingnyc.com, and are also available at the RGB offices, 51 Chambers St., Suite 202, New York, NY upon request.

Price Index of Operating Costs for Rent Stabilized Hotel Units

The Price Index for all stabilized Hotels increased 7.5% this year, 1.8 percentage points higher than the 5.7% increase found the year before. The Price Index for Hotels was just 0.3 percentage points lower overall than the increase in costs measured in the Apartment Price Index. The primary difference between the increase in the Hotel Index and the Apartment Index was in the Utilities component. The increase in Utilities for all types of Hotels was 3.8% overall versus 7.9% in apartment buildings. This disparity in utilities cost placed downward pressure on the Hotel Index, resulting in an index that was slightly lower than that for apartments.

Prices in all other components in the Hotel Index had similar changes in rates to the same components in the Apartment Index. Taxes increased in Hotels by 8.4%, 0.6 percentage points higher than for apartments. Labor Costs increased more rapidly in Hotels (3.6%) than the 2.5% rise in apartments. Conversely, the rates for Contractor Services did not rise as quickly in Hotels (4.3%) as they did in apartments (5.9%) this year. Because the Contractor Services component is less important in the Hotel Index (accounting for about 8% of the weight) than in the Apartment Index (about 13% of the weight), the lower increase in maintenance rates did not offset the overall Hotel Index significantly. Insurance costs increased at the same rate in both indices and Fuel costs were slightly higher in the Apartment Index. See the table on the next page for changes in costs and prices for all rent stabilized hotels from 2005-06.

Among the different categories of Hotels, the index for "traditional" hotels increased 7.9%, the index for Rooming Houses increased 7.2%, and SROs increased by 8.3%. The differences between these indices are primarily due to the increased weight placed on the Tax component for "traditional" hotels and the disparity among the three hotel types in the weights for the Fuel and Utilities components.

Changes in Housing Affordability

For the second year in a row, New York City's economy continued to rise from recession, with declining unemployment rates, rising wages and employment levels, and Gross City Product growing steadily from the last quarter of 2003 through the third quarter of 2005 (fourth quarter data for 2005 was not yet released as of publication). Unemployment rates decreased for the second year in a row, falling 1.2 percentage points to 5.8%, the lowest citywide level since 2000. Total employment levels in the City increased 1.4%, and the City's Gross City Product increased by 3.6% during the first three quarters of 2005, with positive growth expected during the fourth quarter. Real wages also increased by 3.7% between 2003 and 2004 (the most recent year for which there are statistics). And after rising last year, public assistance cases fell by almost 5% between fiscal years 2004 and 2005.

Consumer Price Index

The Board reviewed the Consumer Price Index. Table that follows shows the percentage change for the NY-Northeastern NJ Metropolitan area since 1999.

Effective Rates of Interest

The Board took into account current mortgage interest rates and the availability of financing and refinancing. It reviewed the staff's *2006 Mortgage Survey* of lending institutions. The table below gives the reported rate and points for the past nine years as reported by the mortgage survey.

27 1st Quarter Average refers to the change of the CPI average of the first three months of one year to the average of the first three months of the following year.

28 Institutions were asked to provide information on their "typical" loan to rent stabilized buildings. Data for each variable in any particular year and from year to year may be based upon responses from a different number of institutions.

Hotel Conversion

The trend of converting hotels to luxury apartments continued unabated over the past year. Among the conversions in the pipeline is the 700-room Barbizon Hotel, which will now house 66 condos, ranging in price from $1 million for a one-bedroom to $15 million for the penthouse. Estimates are that 15 hotels have partially or completely removed rooms from the tourist market, with a loss of 3,579 rooms since 1999. Fourteen other hotels are currently being entirely or partly converted, including the Plaza and the Stanhope.

Conversion of single room occupancy (SRO) buildings also continued in high numbers over the past year. SRO owners may convert SRO housing to other uses after obtaining a "Certificate of No Harassment" from HPD. The last several years have seen significantly more Certificates issued than in previous years in Manhattan, where the vast majority of SRO's are located. In 1995 and 1996, an average of 67 applications were filed each year. However, from 1997 through 2001, an average of 114 applications for Certificates were filed, and in 2005 214 applications were filed, down slightly from 258 in 2004, but still evidence that SRO owners are increasingly converting their buildings for non-SRO uses.

On June 8, 2006 the staff of the Rent Guidelines Board released a memo to Board members analyzing building violation data from the Department of Housing Preservation and Development. The following is the text from that memo:

As per the Board's request, the following is an analysis of building violation data from the NYC Dept. of Housing Preservation and Development (HPD). The file provided from HPD includes the total number of Class "A," "B," and "C" violations that were open as of December 2005.

Class "A" violations are considered the least severe, and include violations such as defective gutters, proper notice of smoke detector requirements, proper notice of superintendent contact information, and filing of building registration with HPD. Class "B" violations are more serious than Class "A" and include such violations as broken smoke detectors, unlawful cooking spaces, improper collection of garbage, and illegal occupancy of a basement. Class "C" violations are the most severe, and are the focus of the research presented in this memo. These violations are considered to present an immediately hazardous condition. Class "C" violations include defective fire escapes, inadequate heat or hot water, rodent problems, and lead-based paint hazards.

A file of more than 800,000 records obtained from HPD was matched to DHCR 2004 building registration data, a file of 42,285 records. A total of 36,830 records from the DHCR file corresponded accurately to HPD data, a match on more than 87% of DHCR records. More than 20,000 of these buildings had either an "A," "B," or "C" violation open as of December 2005 (more than 56% of buildings), while over 40% of buildings had no violations presently open as of that date. Proportionally, the Bronx has had the most violations presently open, with 77.4% of buildings having at least one open "A," "B," and/or "C" violation, compared to lows in Queens and Staten Island of 42.3% and 43.9% respectively, while Brooklyn and Manhattan were each above 50%. The Bronx also had the highest number of violations issued of the boroughs, a median of 20 "A," "B," and/or "C" violations, double that of the citywide median of 10. In addition, 60.6% of Bronx buildings have open "C" violations (the most severe violations), with a median of 6 violations per building, double that of the citywide median of 3. A summary of the "A," "B," and "C" violations open as of December 2005 follows in **Table A.**

Note that the analysis only includes buildings that have received at least one violation in the relevant category (i.e. in some cases more than half of buildings in the borough have been excluded from the mean and median). It is also important to note that the open violations data analyzed in this memo should be considered a ceiling of violations that are currently open. An unknown percentage of these violations have been corrected but not reported as closed to HPD by owners.

In response to a direct inquiry from the tenant members on the Board, the data was also analyzed by the number of violations per unit. **Table B** presents the number of buildings per borough that have at least three "B" or "C" violations per unit open as of December 2005, as well as the number of buildings with three or more "C" violations per unit.

Because the total number of violations in a borough does not take into account the size of the buildings, the data from HPD was also analyzed by the reported number of units in the building (as reported by HPD). Again, the data is analyzed using only those buildings with at least one violation open as of December 2005, and is broken out into eight separate categories of unit size. A summary, by borough, for presently open Class "C" violations follows in **Table C.**

Violations can also be analyzed by the reported age of the buildings. As expected, in many cases the older the building, the more likely it has a higher number of "C" violations. Citywide, buildings constructed between 1915 and 1929 have a median of five "C" violations while buildings constructed **between 1975 and 2005 have a median of two. A summary of** "C" violations open as of December 2005, by age and borough, is presented in **Table D.**

Class "C" building violations were also grouped by the total number of violations in the buildings. Grouping in this manner shows that citywide 63.4% of buildings had no open Class "C" violations as of December of 2005, while 23.1% of buildings had been cited with 1-5 violations. Less than 1% of buildings (253 of 36,830 buildings) had more than 50 violations opened as of last December. The lowest percentage of zero violation buildings was in the Bronx, where 39.4% of buildings had no open "C" violations during December. A summary of "C" violations grouped by total number of violations is presented in **Table E.**

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

EDUCATION

■ NOTICE

AGENDA

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 AM, Thursday, July 27, 2006.

ITEM(S) FOR CONSIDERATION:

1. Center for Alternative Sentencing and Employment Services (CASES)

Service(s): The Office of Alternative, Adult and Continuing Education Schools and Programs is requesting a non-competitive award for a three-year agreement with CASES. CASES will facilitate a school re-engagement program at the Community Prep High School for students returning from the custody of law enforcement. Over the last five years CASES has worked in partnership with the DOE to facilitate the transition of court-involved youth to community schools.

The term of this agreement will be for 3 years from July 1, 2006 through June 30, 2009 at a total cost of $600,000, or $200,000 annually.

TERM: 7/1/2006-6/30/2009 Contract Cost: $600,000

2. Heart of Change; Change of Heart Associates

Service(s): Region 3 is requesting a non-competitive award to continue to use Heart of Change. Heart of Change has been working with Region 3 for the past 2 years, and the prior Professional Development RFP that was utilized has now expired. Heart of Change provides direct services to principals and school teams to build the capacity for school leaders and instructional supervisors and coaches.

The term of this agreement will be from July 1, 2006 to June 30, 2007 at a cost of $137,500.

TERM: 7/1/2006-6/30/2007 Contract Cost: $137,500.00

INDUSTRIAL DEVELOPMENT AGENCY

■ **PUBLIC HEARINGS**

The New York City Industrial Development Agency (the "Agency") is empowered under the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law), and Chapter 1082 of the 1974 Laws of New York, as amended, to issue nonrecourse revenue bonds to provide financing for qualified projects, and to enter into industrial and small industry incentive program transactions and other straight-lease transactions for the benefit of qualified projects, and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York (the "State") and to improve their prosperity and standard of living. The Agency has been requested (i) to make available the proceeds of its bonds to be issued in the approximate aggregate dollar amounts, to be used by the persons, for the purposes, and at the addresses identified below, and (ii) to participate in industrial and small industry incentive program straight-lease transactions and other straight-lease transactions for the purposes and at the addresses also identified below. As used herein, "bonds" are bonds, the interest on which may be exempt from local and/or State and/or Federal income taxes; and the "City" shall mean The City of New York. As used herein with reference to bond amounts, "approximately" shall be deemed to mean up to such stated bond amount or a greater principal amount not to exceed 10 % of such stated bond amount.

Approximately $12,500,000 civic facility revenue bond transaction for the benefit of All Stars Project, Inc., a not-for-profit corporation that provides out-of-school educational and performing arts activities to New York City youth, in connection with (i) the refinancing of approximately $7,665,000 in outstanding bonds issued in 2002 in the original amount of $8,500,000 by the New York City Industrial Development Agency that were used to finance the acquisition, renovation, and equipping of a facility consisting of approximately 30,209 square feet and located on an approximately 30,209 square foot parcel of land at 543 West 42nd Street, New York, New York, and (ii) the financing of approximately $4,500,000 in new renovations and improvements for the aforementioned facility which serves as the organization's headquarters, educational, training and theater production facility. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (commercial retention) transaction for the benefit of American International Group (AIG), Inc. and its eligible affiliates for the renovation of office space and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures and other tangible personal property located at the following additional location: approximately 82,157 square feet located at 1 World Financial Center, Floors 14-15, New York, New York. The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes. The financial assistance for this project was induced and authorized on November 12, 1996. No new financial assistance is being provided.

Straight-lease (commercial retention) transaction for the benefit of The Board of Trade of the City of New York and its affiliates for the renovation of office space and for the acquisition and/or leasing and installation of machinery, equipment, furniture, fixtures and other tangible personal property at the following additional locations: approximately 1,654 square feet located at 1 North End Avenue, New York, New York (a portion of 12th floor); and approximately 6,181 square feet at 39 Broadway, New York, New York (a portion of 14th floor). The financial assistance proposed to be conferred by the Agency will consist of exemption from City and State sales and use taxes. This project was induced and authorized on May 11, 1999 and January 11, 2000, respectively. No new financial assistance is being provided.

Straight-lease (Industrial Incentive Program) transaction for the benefit of BTM Development Partners, LLC or an affiliated real estate holding company to be determined, in connection with the development and construction of an approximately 957,000 square foot retail center and an approximately 915,000 square foot six-level parking facility, to be known as Gateway Center at Bronx Terminal Market, all on land to be leased from The City of New York, and located on an approximately 18 acre site bounded by the Metro-North Rail Road tracks to the north, River Avenue to the east, 149th Street to the south, and Exterior Street to the west, Bronx, New York, Block 2356, Lot 20; Block 2357, Lot 1 and 86; and Block 2539, Lot 32 and p/o Lot 60 on the Tax Map for Bronx, New York. The financial assistance proposed to be conferred by the Agency shall consist of exemption from City and State mortgage recording taxes.

Straight-lease transaction for a real estate holding company to be formed for the benefit of Century Worldwide Moving, Inc., a commercial and residential moving and storage company, in connection with the acquisition, renovation and equipping of an approximately 17,000 square foot building located on an approximately 17,000 square foot parcel of land at 1611 Decatur Street, Ridgewood, Queens, New York, Block 3556, Lot 14. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Straight-lease (Small Industry Incentive Program) transaction for a real estate holding company to be determined for the benefit of D.C. Center Corp., a laundry processor and dry cleaning plant, in connection with the acquisition, renovation, furnishing and equipping of three buildings totaling approximately 18,500 square feet on an approximately 11,500 square foot parcel of land located at 269 Freeman Street, Brooklyn, New York on Block 2506, Lots 27, 30 and 36. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Straight Lease (Industrial Incentive Program) transaction for the benefit of Federal Express Ground Package System, Inc. ("FedEx Ground"), a wholly-owned subsidiary of FedEx Corporation, and Steel Equities ("Steel"), which will develop the build-to-suit facility, in connection with the construction, furnishing and equipping of an approximately 225,265 square foot facility (expandable to approximately 253,337 square feet) to be used by FedEx Ground as a new business-to-business and business-to-residential small package transportation facility, to be located on an approximately 927,392 square foot parcel of land located at 20th Avenue and 31st Street and at 36-16 19th Avenue in Astoria, Queens, New York, and further identified as Block 850, Lot 1, Block 826, Lot 28 and Block 826, part of Lot 41. The financial assistance proposed to be conferred by the Agency to FedEx Ground and to Steel, which will be passed through to FedEx Ground, will consist of exemption from City and State sales and use taxes, exemption from City and State mortgage recording taxes and payments in lieu of City real property taxes.

Straight-lease (Industrial Incentive Program) transaction for a real estate holding company to be determined for the benefit of Isogon Interum LLC, designers and manufacturers of wooden furniture and millwork, in connection with the acquisition, renovation, furnishing and equipping of an approximately 16,000 square foot building located on an approximately 8,000 square foot parcel of land located at 156 Hinsdale Street, Brooklyn, New York. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Approximately $12,000,000 civic facility revenue bond transaction for the benefit of Ruach Chaim Institute, an independent, not-for-profit private, boys school serving students in nursery through grade eight, in connection with the (i) refinancing of outstanding taxable debt used to purchase an approximately 6,300 square foot parcel of land located at 2911 Avenue L, 2901 Avenue L and 1189 East 29th Street, Brooklyn, New York; (ii) financing of the acquisition of an approximately 2,100 square foot parcel of land located at 1187 East 29th Street, Brooklyn, New York and (iii) financing of the construction and equipping of an approximately 30,000 square foot facility including three stories above-ground and one story below-ground to be located on an approximately 8,400 square foot parcel of land, located at 2911 Avenue L, 2901 Avenue L, 1187 East 29th Street and 1189 East 29th Street, Brooklyn, New York to be used as a school. The financial assistance proposed to be conferred by the Agency will consist of such bond financing and exemption from City and State mortgage recording taxes.

Straight-lease (Industrial Incentive Program) transaction for the benefit of Samuel Feldman Lumber Co. Inc., a warehouser and distributor of lumber and construction materials, in connection with the acquisition, renovation, furnishing and equipping of approximately 32,745 square feet in three buildings located on an approximately 215,000 square foot parcel of land located at 1281 Metropolitan Ave. (a.k.a Block 2948 Lot 1), 220 Gardner Ave (a.k.a Block 2948 Lot 8), 232 Gardner Ave (a.k.a. Block 2948 Lot 12), and 1256 Grand St. (a.k.a. Block 2948 Lot 13, Block 2948 Lot 17, and Block 2948 Lot 35) in Brooklyn, New York. The project will incorporate expansion of two of the above referenced existing buildings so as to create one larger building. Along with this construction, this project also includes the addition of a separate freestanding building and an area for parking. The total size of the expansion and new construction is approximately 34,000 square feet, in addition to the existing approximately 32,745 square feet. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

Straight-lease transaction for a real estate holding company to be formed for the benefit of Sherland & Farrington, Inc., a commercial flooring and carpet company, in connection with the acquisition, renovation and equipping of an approximately 39,025 square foot building located on an approximately 46,300 square foot parcel of land at 3402 Laurel Hill Boulevard in Maspeth, Queens, New York, Block 2520, Lot 6. The financial assistance proposed to be conferred by the Agency will consist of payments in lieu of City real property taxes, exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes.

To amend the Agency's Uniform Tax Exemption Policy ("UTEP") established pursuant to Section 874(4)(a) of the Article 18-A, Title 1 of the General Municipal Law (the "Act"), which is applicable to the provision of financial assistance pursuant to Section 859(a) of the Act, to provide for the following: I. revisions to the Agency's not-for-profit guidelines including compliance criteria for private schools; II. revisions to the Agency's requirements for deviating from UTEP and for recapturing financial assistance granted under UTEP; III. revisions with respect to the terms of various types of financial assistance and other technical modifications; and IV. guidelines for the provision of financial assistance by the Agency for projects within the Hudson Yards Uniform Tax Exemption Policy Area ("HY UTEP Area"), defined more particularly as the area of Manhattan bounded by a line beginning at the intersection of Eleventh Avenue and West 30th Street, then running along West 30th Street to the intersection with Ninth Avenue, then northward to the intersection with West 31st Street, then eastward to the intersection with Seventh Avenue, then northward to the intersection with West 33rd Street, then westward to the intersection with Eighth Avenue, then northward to the intersection with West 35th Street, then westward to a point 150 feet west of Eighth Avenue, then northward to the intersection with West 39th Street, then eastward to the intersection with Eighth Avenue, then northward to the intersection with West 40th Street, then westward to the intersection with Ninth Avenue, then northward to the intersection with West 41st Street, then eastward to a point 297 feet distant from Ninth Avenue, then northward to the intersection with West 42nd Street, then eastward to a point 150 feet west of Ninth Avenue, then northward 100 feet, then westward 100 feet, then southward to the intersection with West 42nd Street, then westward to the intersection with Tenth Avenue, then northward to the intersection with West 43rd Street, then westward to the intersection with Route 9A, then south-westward to the intersection with West 42nd Street, then south to the intersection with West 41st Street, then eastward to the intersection with Eleventh Avenue, then southward to the intersection with West 30th Street.

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD WEDNESDAY, AUGUST 23, 2006, PURSUANT TO SECTIONS 6 AND 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, ARTICLE 2 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED ATLANTIC YARDS LAND USE IMPROVEMENT AND CIVIC PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:30 p.m. on Wednesday, August 23, 2006, by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC") pursuant to Sections 6 and 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "UDC Act"), Article 2 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and

the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively "SEQRA") to consider: (a) the General Project Plan (the "General Project Plan") for the proposed Atlantic Yards Land Use Improvement and Civic Project (the "Project"); (b) the proposed acquisition by condemnation of certain property located within the Project site (described below) in furtherance of the Project; (c) the essential terms of proposed leases and conveyances with respect to the Project; and (d) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to provide comments on the General Project Plan, pursuant to Section 16 of the UDC Act; (3) pursuant to Section 6 of the UDC Act, giving all interested persons an opportunity to comment on the essential terms of the proposed leases and conveyances with respect to the Project; (4) reviewing the public use to be served by the Project and the impact of the Project on the environment and residents of the locality where the Project would be constructed, pursuant to Article 2 of the EDPL; (5) advising all persons and property owners within the Project site of what properties are contemplated for acquisition by eminent domain; and (6) giving all interested persons the opportunity to give testimony on the DEIS, pursuant to SEQRA.

Project Site and Project Description
The Project site encompasses approximately 22 acres in Brooklyn and includes (i) all the property bounded by Atlantic Avenue, Flatbush Avenue, Dean Street and Vanderbilt Ave, except that within Block 1128 (bounded by 6th Avenue, Dean Street, Carlton Avenue and Pacific Street) only lots 1, 2, 4, 85, 86, 87, 88 and 89 are included in the Project site) and (ii) a parcel bounded by Atlantic Avenue, Flatbush Avenue, Pacific Street and 4th Avenue, including Block 927, lots 1 and 16 but excluding Block 927 lot 26 (the site of a community garden).

The Project is described in detail in the General Project Plan, available to the public as set forth below. It includes the development on the Project site of (i) an approximately 18,000 seat arena, (ii) a reconfigured Vanderbilt rail yard to be operated by the Metropolitan Transportation Authority ("MTA"), (iii) subway improvements, (iv) the development of 16 buildings for residential, office, retail and possibly hotel uses, including approximately 5,790 to 6,860 low, moderate and market rate housing units, and (v) a minimum of 7 acres of publicly accessible open space.

Public Purpose
The public purposes of the Project include: (a) enhancement of the surrounding area by eliminating blighted conditions on the Project site; (b) provision for new development at the Project site, including an arena for sporting, entertainment and civic events, including professional basketball; office space; housing, including housing available for low, moderate and middle income families; related local retail and community facilities; and a minimum of seven acres of publicly accessible open space; (c) reconfiguration and improvement of the Vanderbilt rail yard and the opening of a new subway station entrance; and (d) generation of substantial fiscal and economic benefits for the City and State and the creation of construction and permanent jobs.
A number of ESDC discretionary actions are subject to review pursuant to the UDC Act, EDPL and SEQRA. These actions include ESDC's affirmation of the General Project Plan, the condemnation of privately owned land and City owned land, the disposition by ESDC of the Project site and the provision of State funds in furtherance of the Project.

After the public hearing is held and a 30-day public comment period is concluded, a Final Environmental Impact Statement ("FEIS") will be completed by ESDC and ESDC Directors will be requested to issue the FEIS and affirm, or if appropriate, modify the General Project Plan, and make statutory findings under the EDPL and SEQRA. In addition, to effectuate the Project, as described in the General Project Plan, ESDC would exercise its statutory authority to override local zoning requirements that apply to the Project site and any other local laws which are inconsistent with the General Project Plan.

Proposed Property Acquisition
The General Project Plan contemplates that ESDC would acquire title to the Project site (exclusive of those parcels retained by the MTA to operate its train yard and certain real estate interests, primarily air space, that the MTA would convey directly to ESDC) by exercise of its statutory power of eminent domain.

The following is a list of the specific parcels that would be acquired by eminent domain, which list includes parcels owned by the City, Forest City Ratner Companies ("FCRC") or its affiliates, or unrelated private third parties:

1129	62	645 Dean Street	
1129	76	603 Dean Street	
1129	81	585-601 Dean Street	

The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street addresses and the tax blocks and lots, the block and lot information shall control.

In addition, the following street beds would be acquired by eminent domain: (i) 5th Avenue between Atlantic and Flatbush Avenues (inclusive of the small traffic island bounded by Flatbush and 5th Avenues and Dean Street); (ii) Pacific Street between Flatbush and 6th Avenues; and (iii) Pacific Street between Carlton and Vanderbilt Avenues.

All acquisitions by condemnation would be made in full compliance with the requirements of the UDC Act, SEQRA and EDPL. According to EDPL Section 202(C), those property owners who may subsequently wish to challenge the condemnation of their property via judicial review, may do so only on the basis of issues, facts, and objections raised at the public hearing.

Proposed Disposition
Once the Project site is assembled by ESDC, ESDC would enter into leases and convey parcels within the Project site, as follows:

(i) Arena parcel - ESDC would lease the arena parcel for $1.00, for an initial term of 30 to 40 years, to a newly-created local development corporation ("LDC"). The LDC would simultaneously sub-lease the Arena parcel for $1 to an affiliate of FCRC, referred to as "Arena Co.", for the same initial term. Arena Co. would be responsible for constructing the arena (with the use of bond proceeds from bonds issued by the LDC) and, at its sole cost and expense, would be responsible for maintaining and operating the arena. Arena Co. would sub-sub-lease the arena to the owner of the New Jersey Nets professional basketball franchise, which would also enter into a non-relocation agreement with ESDC and the City for the duration of the initial term of the lease. Upon the expiration of the initial term, the sublease between LDC and Arena Co. would terminate, and Arena Co. would have the right to lease the arena from ESDC, at fair market rental, for a term which, when added to the initial term of the sublease, would not exceed 99 years (the "Extended Lease"). Pursuant to the Extended Lease between Arena Co. and ESDC, Arena Co. would have the option to purchase the arena parcel and arena at any time for its fair market value. As a result of ESDC ownership, the premises would be exempt from real estate taxes, mortgage recording taxes, if applicable, and would be exempt from sales tax with respect to initial construction and fit-out and any capital replacement and repairs. For the initial term, Arena Co. would be obligated to make payments-in-lieu-of taxes equal to the lesser of debt service on tax exempt bonds expected to be issued to finance the Arena (plus a potential 10% overage) or an amount equal to what full taxes would be if the property were not tax exempt. After the initial term, pursuant to the Extended Lease, Arena Co. would be obligated to make payments-in-lieu-of-taxes equal to what full taxes would be if the property were not tax exempt, with 10% of such payments-in-lieu of taxes being applied to maintenance and repair of the arena and the balance being remitted to the City. The arena would be designed in accordance with Design Guidelines established by ESDC and the City (as set forth in the General Project Plan).

(ii) Other development sites – ESDC expects to enter into leases for each of the 16 other development sites to an affiliate of FCRC for base rent of $1 a year. The essential terms for each of the leases would be the same. ESDC would retain title to each leased parcel through the completion of construction thereon. The lease would provide for additional rent, or payments-in-lieu-of taxes, in an amount to be agreed to by the City. The FCRC affiliate would have responsibility for maintaining the site and constructing the improvements on the site. Upon the completion of construction, the FCRC affiliate would have an option to purchase the site and improvements thereon for $1, or ESDC may unilaterally convey the premises to the FCRC affiliate for $1. As a result of ESDC ownership, each development site would be exempt from real estate taxes through completion of construction thereon and certain mortgage recording taxes. Under the terms of the leases, the appropriate FCRC affiliate would be obligated to pay the equivalent of what sales and use taxes for construction of the improvements would have been but for ESDC ownership.

(iii) MTA conveyance – To facilitate the development and operation of the reconfigured Vanderbilt yard, ESDC would convey, for $1, a portion of the real estate interests in Block 1121, Lot 47 and Block 1121, Lot 42 to the MTA.

(iv) Public Spaces – ESDC would convey to a special purpose not-for-profit corporation, established to own, operate and maintain the public spaces, for $1, the sites described in the General Project Plan that would constitute the public open spaces. The operation and maintenance of the public spaces would be funded by the owners of the surrounding developments within the Project site.

Potential Impacts of the Project
ESDC, as the SEQRA lead agency, has certified the DEIS which has been prepared in accordance with both City and State environmental regulations for the actions described above. The Project is classified as a Type I action under SEQRA. The DEIS identifies the following areas of potential significant adverse impact: schools, cultural resources, visual resources, shadows, traffic, pedestrian crossings, noise and construction. The DEIS describes practicable and feasible measures to mitigate these impacts, where applicable.

Availability of the General Project Plan and DEIS
The General Project Plan, which contains a detailed description of the Project, as well as the DEIS, are on file at the office of ESDC, 633 Third Avenue, New York, New York 10017 and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday, public holidays excluded.

A copy of the General Project Plan and the executive summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. A CD-ROM that includes the entire DEIS is also available at no charge upon request. Paper copies of the complete DEIS are available for purchase. Copies of the General Project Plan are also available at the ESDC web site at http://www.nylovesbiz.com/AtlanticYards/. In addition, copies of the DEIS are available at the Brooklyn Public Library at its central location at Grand Army Plaza and at the branches located at 25 Fourth Avenue (Pacific Branch), 496 Franklin Avenue (Bedford Branch), 93rd Street and Edwards Street (Walt Whitman Branch) and 380 Washington Avenue (Clinton Hill Branch). Pursuant to Section 16(2) of the UDC Act, ESDC also has filed a copy of the General Project Plan, and the findings required under Section 10 of the UDC Act, in the office of the Clerk of Kings County and the office of the Clerk of the City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of Kings County, the Chair of the City Planning Commission, and the Chairs of Brooklyn Community Boards 2, 6 and 8. Copies of the DEIS have been provided to all involved agencies and to other parties as required under SEQRA. Copies of the General Project Plan and an inspection copy of the DEIS will also be available at the public hearing. To inspect and/or obtain copies of the General Project Plan and DEIS from ESDC, please contact Maria Mooney at (212) 803-3133.

Comments
Comments on the General Project Plan, the DEIS, the proposed condemnation of real property and the terms for the proposed acquisition and conveyance of the Project site are requested. Comments must be received within thirty days of the date of the public hearing (i.e. on or before 5:30 p.m. on September 22, 2006). Written comments should be delivered to ESDC, at 633 Third Avenue, New York, New York 10017 (Attention: Maria Mooney), or may be submitted by e-mail to atlanticyards@empire.state.ny.us.

Comments may also be made verbally at the public hearing or at a community forum which will also be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m on September 12, 2006. ESDC representatives will be present at the community forum.

All verbal comments made at the public hearing or at the community forum, and all written comments received by ESDC prior to 5:30 pm on September 22, 2006 will be considered by ESDC prior to final consideration of the General Project Plan and issuance of the FEIS.

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 27, 2007 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;
2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;
3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,
4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 27, 2008 (which is two (2) calendar years from the title vesting date).

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/rehabilitated elevators at Police Headquarters.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times, there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. Each community award will be for $150,000 and will run for twelve months from registration of the contract. The estimated total duration of the Community Partnerships Initiative is 23 months, from August 2006 to June 2008. This timeframe does not include evaluation.

ACS finds this procurement to be a demonstration project because the City has never delivered services via a coalition approach. It is therefore in the City's best interest to test and evaluate this proposed approach for feasibility and efficiency without a large commitment of resources.

ACS also finds this procurement to be innovative because of its selection process. The traditional selection approach for demonstration projects is inadequate as outlined in the Procurement Policy Board (PPB) Rules section 3 - 11 (e-g) because no proposed vendor has been identified, there will be multiple awards from this procurement, and negotiations will be held only with vendors (in a coalition) who submit a proposal. Incorporating a proposal selection process into this method is also innovative and will require all who wish to participate to develop or join a coalition, and submit a proposal.

This method will be evaluated to determine whether it is in the City's interest to codify the method used into future PPB Rules.

Anyone interested in expressing comments on or submitting an expression of interest in this procurement may do so by writing to Michael Walker, Administration for Children's Services, Office of Contracts, 150 William Street, 9th Floor, New York, NY 10038. All statements of interest or comments must be received by 4 P.M., August 15, 2006.

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/rehabilitated elevators at Police Headquarters.

REQUEST FOR PROPOSALS
Mixed-Use Development Opportunity
City-Owned Former Brig Site
Wallabout, Brooklyn

The New York City Department of Housing Preservation and Development (HPD) is pleased to invite experienced real estate developers to respond to a Request for Proposals (RFP) for a mixed-use development on a 103,000 square foot City-owned site in Wallabout, Brooklyn. The project will include a mix of housing types (homeownership, rental, and permanent supportive housing), ground-floor neighborhood retail/ commercial space, 15,000 square feet of community facility space, landscaped open space, and parking. As a pilot for New York City's Design and Construction Excellence Initiative, this project should serve as an outstanding example of high-quality, sustainable design and construction that is financially feasible and responsive to the community. All buildings in the project must achieve Leadership in Energy and Environmental Design (LEED) certification. Applicants are responsible for assembling a development team that will include members with expertise in mixed-use development and design excellence. Proposals will be reviewed by HPD with input from the New York City Department of Design and Construction (DDC) and the Community Task Force for the Redevelopment of the Brig Site.

A minimum of 50% of the residential units, not including the permanent supportive housing, must be affordable to households earning a maximum of 130% of the Area Median Income (AMI); a minimum of 20% must be affordable to households earning a maximum of 80% of AMI. A minimum of 75 permanent supportive housing studio units must be provided and affordable to individuals earning a maximum of 60% of AMI.

The RFP will be available on July 20, 2006 on HPD's website, http://www.nyc.gov/html/hpd/html/developers/rfp.shtml, or a hard copy may be purchased for a $75 non-refundable fee in the form of a certified check or money order payable to the New York City Department of Finance.

A pre-submission conference will be held at HPD, 100 Gold Street, Room 1R, New York, NY 10038 on August 2, 2006 at 2:00 P.M. All proposals are due by hand no later than 4:00 P.M. on November 1, 2006. AGREEMENT entered into this 3rd day of July 2006, by and between the City of New York (hereinafter referred to as the "Employer"), and the Uniformed Sanitationmen's Association, Local 831, International Brotherhood of Teamsters (hereinafter referred to as the "Union"), for the period from November 23, 2002 to March 1, 2007.

WITNESSETH:

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing, NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I -UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The Employer recognizes the Union as the sole and exclusive collective bargaining representative for the bargaining unit set forth below, consisting of Employees of the Employer, wherever employed in the below listed title, and in any successor title(s) that may be certified by the Office of Collective Bargaining to be part of the unit herein for which the Union is the exclusive bargaining representative.

SANITATION WORKER

Section 2.

(a) The terms "Employee" and "Employees" as used in this Agreement shall mean, except as otherwise used in Article IV, Sections 1 and 3, only those persons in the unit described in Section 1 of this Article who were and still are employed by the Employer under the title of Sanitation Worker on the date of the signing of the Waiver and Release required by Article XII of this Agreement.

ARTICLE II - DUES CHECKOFF

Section 1.

(a) The Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each Employee in accordance with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Relating to the Checkoff of Union Dues" and in accordance with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" or any successor(s) thereto.

(b) Any Employee may consent in writing to the authorization of the deduction of dues from the Employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form acceptable to the City, which bears the signature of the Employee.

Section 2.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - SALARIES

Section 2. Longevity

(a) Sanitation Workers who have completed 5, 10, 15, or 20 years of service shall receive an annual longevity differential payment according to the following schedule:

Longevity Differential Payment

Years of Service	Effective 11/23/02
Five	$1,495
Ten	$2,395
Fifteen	$3,295
Twenty	$4,195

(b) These salary adjustments shall be computed as salary for pension purposes under the following conditions. The five and ten year steps are pensionable after 20 years of service and the 15 and 20 years steps are pensionable after 25 years of service. In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments. Such negotiations will be commenced forthwith. If no agreement is reached, pursuant to the New York City Collective Bargaining Law, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

(c) Calculation of night shift differential payments shall be based upon the old longevity amount of $200 after five years of service.

(d) ITHP and pension benefit calculations shall only include the amount of the annual longevity payment that is pensionable.

Section 3. Uniform Allowance

Effective November 23, 2002, a per annum Uniform Allowance of $800 shall continue to be provided pursuant to provisions of the appropriate certificate of the Director of Management and Budget.

Effective November 23, 2005, the per annum Uniform Allowance shall be increased to $900.

Section 4.

The Employer also agrees to compensate any of the Employees for the period of this Agreement, for services rendered and to be rendered, as follows:

(a) Sunday Work to be paid for at double time (2x) the respective prorated daily rate. This provision shall be likewise applicable to snow removal activities performed on Sundays.

Saturday Work to be paid for at straight time (1x) for the first six (6) hours and thereafter at time and one-half (1-1/2x) for the next two (2) hours at the respective pro-rated daily rate.

Chart Day - work performed on chart days to be paid for at double time (2x) the respective pro-rated daily rate. This provision shall not be applicable to snow removal activities performed on Chart Days.

(b) Snow Removal Activities - in accordance with the respective budget certificates relating thereto; it being understood that, should any of the Employees be required to

report for legal emergencies and/or snow work, on other than the Employee's regularly scheduled tours, the Employee shall be guaranteed and paid a minimum of eight (8) hours pay at time and one-half (11/2x) the pro-rated daily rate if the Employee reports for such work.

(c) Holiday Work - in addition to the compensations referred to herein, the Employer hereby also agrees to provide additional payment to each Employee of one and one -half (1-1/2) day's pay for each eight (8) hour day actually worked by the Employee on the following holidays:

New Year's Day	Independence Day
Veterans Day	Lincoln's Birthday
Labor Day	Thanksgiving Day
Washington's Birthday	Columbus Day
Christmas Day	Memorial Day
Election Day	

(d) Night Differential- in addition to all other compensations referred to herein, the Employer agrees to pay each affected Employee who is required actually to work a night shift, the sum not to exceed ten percent (10%) of the Employee's daily rate computed on the basis of the respective annual compensation set forth in Section 1 hereof. For these purposes a night shift shall be any shift in which four (4) or more hours of the shift fall after 3:00 p.m., except, that work performed on snow removal for which additional compensation is provided in accordance with Section 4(b) above and for which additional compensation is also provided in accordance with Sections 4(a) and 4(c) above, and all other excused or unexcused absences with or without pay shall be excluded from this provision.

Section 5. General Wage Increase

(a) (i) Effective November 23, 2002, Employees shall receive a rate increase of 5%.

(ii) Effective November 23, 2003, Employees shall receive an additional rate increase of 5%.

(iii) Effective March 2, 2005, Employees shall receive an additional rate increase of 3%.

(iv) Effective March 2, 2006, Employees shall receive an additional rate increase of 3.15%.

(b) The increases provided for in Section 5(a) above shall be calculated as follows:

(i) The increase in Section 5(a)(i) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable title in effect on November 22, 2002;

(ii) The rate increase in Section 5(a)(ii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable title in effect on November 22, 2003;

(iii) The rate increase in Section 5(a)(iii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable title in effect on March 1, 2005; and

(iv) The rate increase in Section 5(a)(iv) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable title in effect on March 1, 2006.

(c) The general increase provided in Section 5(a) shall be applied to the base rates and salary grades herein fixed for the applicable titles.

(d) Employees newly hired on or after January 1, 2006 shall receive the salaries set forth in Article III, Section 1.(d).

ARTICLE IV - HEALTH AND WELFARE BENEFITS

Section 1.

(a) Security Benefits Fund - Effective November 23, 2002, the Employer agrees to continue to provide the annual amount of $1,325 for each incumbent Employee, or the pro rata share thereof for each Employee employed during the term of this Agreement for a period less than the full term of this Agreement, for the purpose of furnishing certain supplementary benefits for the period of employment of such Employee by the Employer during the term of this Agreement, all as provided for in a supplemental Agreement to be approved as to form by the Corporation Counsel. Effective November 23, 2004, the pro-rata annual contribution shall be increased to $1,408 for each incumbent Employee.

The payments as above indicated shall be remitted by the Employer to the Uniformed Sanitationmen's Association Security Benefits Fund subject to the said supplemental Agreement to be entered into between the Employer and the Union for the benefit of each Employee and further subject to periodic audit by the Comptroller of the City of New York.

(b) Effective November 23, 2002, Employees who have been separated from service subsequent to December 31, 1970, and who were covered by the Uniformed Sanitationmen's Association Security Benefits Fund at the time of such separation pursuant to a separate agreement between the Employer and the Union shall continue to be so covered, subject to the provisions of Section 1(a) hereof, on the same contributory basis as incumbent Employees. Contributions shall be made only for such time as said individuals are eligible to be primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the Employer through such Program.

(c) The Union agrees to provide welfare fund benefits to domestic partners of covered Employees in the same manner as those benefits are provided to spouses of married covered Employees.

Section 2.

As additional compensation to each Employee, the City shall, during the term of this Agreement, pay into the Uniformed Sanitationmen's Association Compensation Accrual Fund (formerly or currently known as the Uniformed Sanitationmen's Association Annuity Fund) the following amounts per Employee for each working day for which such Employee is paid by the City, but not to exceed an aggregate of the per annum amount shown below per Employee, for the purpose of furnishing certain additional benefits to each Employee. The Compensation Accrual Fund shall be maintained in accordance with the provisions of a supplemental Agreement to be entered into between the City and the Union approved as to form by the Corporation Counsel and shall be subject to periodic audit by the Comptroller of the City of New York.

Effective Date	Daily Amount	Per Annum Amount
November 23, 2002	$5.25	$1,370.25

Section 3.

The City shall continue to provide a choice of health and hospitalization insurance plans for each Employee, not to exceed 100% of the full cost of HIP-HMO on a category basis. There will be an annual reopening period during the term of this Agreement for active Employees to exercise their choice among medical plans.

Section 4.

Retirees shall have the option of changing their previous choice of Health plans. This option shall be:

(a) a one time choice;
(b) shall be exercised only after one year of retirement; and
(c) can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three (3) months after the month in which the application has been received by the New York City Health Insurance Program.

Effective with the reopener period for Health Insurance subsequent to January 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. The option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

Section 5.

(a) Effective July 1, 1983 and thereafter, the City's cost for each Employee and each retiree under age 65 shall be equalized at the community rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family, e.g., the Blue Cross/GHI-CBP payment for family coverage shall be equal to the HIP/HMO payment for family coverage.

(b) If a replacement plan is offered to Employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided in Section 6(a) hereof, the City shall not bear the additional costs.

(c) The City shall continue to contribute on a City Employee benefits program-wide basis the additional annual amount of $30 million to maintain the Health Insurance Stabilization Reserve Fund which shall be used to continue equalization and protect the integrity of health insurance benefits.

(d) The Health Insurance Stabilization Reserve Fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the Blue Cross/GHI-CBP plan; and, if sufficient funds are available, to fund new benefits.

(e) The Health Insurance Stabilization Reserve Fund shall be credited with the dividends or reduced by the losses attributable to the Blue Cross/GHI-CBP plan.

(f) Pursuant to paragraph 7 of MLC Health Benefits Agreement, notwithstanding the above, in each of the fiscal years 2001 and 2002, the City shall not make the annual $35 million contributions to the health insurance stabilization fund.

Section 6. Health Care Flexible Spending Account

(a) A flexible health care spending account shall be established after July 1993 pursuant to Section 125 of the IRS Code. Those Employees eligible for New York City health plan coverage as defined on page 32, section 4(B) of the 1992 New York City Health Summary Program Description shall be eligible to participate in the account. Participating Employees shall contribute at least $260 per year up to a maximum of $5,000 per year. Said contribution minimum and maximum levels may be modified by the MLC Health Advisory Committee based on experience of the plan. Any unfunded balance may be deducted from final salary payments due an Employee.

(b) Expenses of the account shall include but not be limited to deductibles, co-insurance, co-payments, excess expenses beyond plan limits, physical exams and health related transportation costs for vision, dental, medical and prescription drug plans where the Employee and dependents are covered. In no case will any of the above expenses include those non-deductible expenses defined as non-deductible in IRS Publication 502.

(c) An administrative fee of $1.00 per week for the first year shall be charged for participation in the program. An Employee's participation in the account is irrevocable during a plan year. At the close of the plan year any excess balance in an Employee's account will not be refunded.

ARTICLE V - TIME AND LEAVE, DEATH BENEFITS

Section 1.

Sick leave and/or line-of-duty injury benefits shall be granted to Employees in accordance with Chapter 551 of the Laws of 1962 (New York State).

Section 2.

(a) For Employees Hired Prior to July 1, 1988

The Employer further agrees to continue to grant to each Employee an annual vacation allowance of twenty-five (25) days, and to continue to grant terminal leave of one (1) month for every ten (10) years of service prior to retirement.

(b) For Employees Hired On or After July 1, 1988

Employees shall accrue an annual vacation allowance at a rate of eighteen (18) days in each of their first four (4) years of service, at a rate of twenty (20) days in their fifth year of service and at a rate of twenty-five (25) days in their sixth year of service. The Employer further agrees to continue to grant terminal leave of one (1) month for every ten (10) years of service prior to retirement.

Section 3.

Employees shall be entitled to the following days off with pay:

New Year's Day	Independence Day
Veterans Day	Lincoln's Birthday
Labor Day	Thanksgiving Day
Washington's Birthday	Columbus Day
Christmas Day	Memorial Day
Election Day	

In the event that another day is officially designated as the day of observance of any of the above-listed holidays, that day shall be considered the holiday for the purpose of this Section.

Section 4.

Employees shall be entitled to four (4) working days off with pay in the event of a death in the immediate family. The family shall be defined for this purpose as spouse; natural, foster, or step-parent; child, brother or sister; father-in-law or mother-in-law; grandchildren; or any relative residing in the household.

Section 5.

In the event an Employee dies because of a line-of-duty injury received during the actual and proper performance of sanitation service and directly resulting from a characteristic hazard of such service, through no fault of his own, a payment of $25,000 shall be made from funds other than those of the Retirement System in addition to any other payment which will be made as a result of such death. Such payment shall be made to the beneficiary designated under the Retirement System or, if no beneficiary is so designated, to the estate of the deceased.

Section 6.

If an Employee dies while employed by the Employer, his beneficiary designated under the Retirement System or, if no beneficiary is so designated, the deceased's estate shall receive payment in cash for the following as a death benefit:

(i) All unused accrued leave up to a maximum of fifty-four (54) days' credit.

(ii) All unused accrued compensatory time earned subsequent to January 1, 1971 which is verifiable by official Department records up to a maximum of two hundred (200) hours.

ARTICLE VI - PERSONNEL AND PAY PRACTICES

Section 1. Hours

(a) The work-week shall consist of forty (40) hours, consisting of five (5) eight (8) hour days, exclusive of Sundays.

(b) The Employer shall promulgate a schedule of days off other than Sunday to be known as a chart system and shall post such schedule in each work location. Such chart system shall continue to be based on a "25" week chart cycle in those work locations where the "30" week chart cycle was heretofore in effect. Such "25" week chart cycle shall provide each Sanitation Worker every fifth week a long week-end (3 days) or a short week-end (2 days). The City and the Union may mutually agree in writing to change or modify the then existing chart system.

(c) In the event of an emergency caused by accident, fire, flood, riot or a potential danger to health, life or property, the Employees, when called, shall report to work, and shall be compensated at the premium rate as set forth in Article III hereof. The Employer shall inform the Union of the nature of the emergency and the reason for changing the normal starting time.

(d) In the event a change in the lunch period is deemed necessary, the Employee shall be notified at roll call except in case of a snow or other emergency requiring such change. An entry shall be made in the blotter noting the reasons for the change. Information relating to such changes shall be made available to the Union upon request.

(e) The present practice for granted paid rest periods and/or coffee breaks shall be continued. The first coffee break shall be for a period of fifteen (15) minutes and it shall start two (2) hours after the beginning of the shift. The second coffee break shall be taken one and one half (1-1/2) hours after the lunch period is completed and this one shall be for a period of ten (10) minutes. In the event of overtime, another coffee break or rest period of ten (10) minutes shall be taken one (1) hour after the start of the overtime period. During a normal work day (7:00 a.m. to 3:00 p.m.) the following is an example of the coffee break or rest period that will be taken:

1st period	-	9:00 a.m. to 9:15 a.m.
2nd period	-	1:30 p.m. to 1:40 p.m.
O/T period	-	4:00 p.m. to 4:10 p.m.

(f) In the event a truck is replaced in the field for reasons other than a breakdown, an Employee assigned to such replacement truck will receive a ten (10) minute rest period. In the event the Employer institutes a general relay system whereby trucks are replaced in the field, this subsection (f) may be reopened for negotiation.

(g) Each Employee shall be granted fifteen (15) minutes of paid time for the purpose of washing and changing immediately prior to the end of the shift.

(h) Special Summer Shifts may be established for the period starting with the second Monday in June of each year through the second Saturday in September of each year, conditions permitting, and the day shift shall start at 6:00 a.m. for the work force on refuse collection and those cleaning functions as designated by the Employer.

(i) Sign out sheets shall be made available in ample time for the Employee to sign out prior to the end of the shift. However, no Employee is to leave the Employee's assigned work location prior to the end of the shift. The designated Shop Steward shall be the last person to leave the premises at the conclusion of the assigned shift.

(j) The regular shifts shall be as follows: 12:00 A.M. to 8:00 A.M.; 7:00 A.M. to 3:00 P.M.; 8:00 A.M. to 4:00 P.M.; 3:00 P.M. to 11:00 P.M.; 4:00 P.M. to 12:00 A.M.; 7:00 P.M. to

3:00 A.M.; night plow operations – 11:00 P.M. to 7:00 A.M. Other than regular shifts may be established from time to time in special situations as specifically approved by the Director of Operations. The Employer shall inform the Union of the nature of the new shift and the reasons for establishing such shift. Except in an emergency, no shift will overlap into a premium day. An emergency, for these purposes, shall be declared in writing by the Commissioner or the Commissioner's designee who shall be guided generally by the standards fixed by the Health Code and what constitutes an "Act of God." With respect to all night shifts, night picks will be conducted every six (6) months. A night shift, as that term is used in this Agreement, will be any shift in which four (4) or more hours worked by the Employee fall between the hours of 3:00 P.M. and 7:00 A.M.

(k) In accordance with existing practice, the Department will request a list of volunteers in each Sanitation District who would be willing to work on their chart days if the need arises. Available personnel shall be taken from the volunteer list.

Section 2. Premium Pay and Overtime

(a) Premium pay and overtime shall be paid in accordance with the terms and conditions and at the rates set forth in Article III hereof.

(b) Sunday, Chart and Holiday work shall be offered to the Employees on the basis of district seniority and each Employee shall be selected in turn according to the Employee's place in order of rotation previously agreed to by the Employer and the Union. Special Assignments will not be given priority. An exception to the foregoing rotational procedure is when an Employee would be required to work two consecutive shifts. An Employee requesting to be skipped when assigned to work Sundays, Charts or Holidays shall not be re-assigned for such work until the Employee's name is reached again in orderly sequence. There will be no waivers submitted to or accepted by the Employer for Sunday, Chart or Holiday work. When an Employee is transferred from one work location to another work location the Employee's name shall be placed on the Sunday, Chart and Holiday lists in the Employee's proper seniority order immediately. When an Employee is detached for one (1) year or more, the Employee's name will be placed on the Sunday, Chart and Holiday lists, in the Employee's proper seniority order, at the location to which the Employee is detached. The Employee shall at all times work in accord with the needs of the location to which the Employee is detached.

(c) Overtime work shall be offered first on a seniority basis. In the event a sufficient number of Employees have not volunteered, then the Employer will order the required overtime on the basis of inverse seniority. When overtime is deemed necessary by the Employer, except in an emergency, the Employee shall be notified by the Employer by the end of the Employee's lunch period of the day on which the overtime is to be worked. These provisions are not applicable in times of snow emergency and other Acts of God.

(d) There shall be a "Special Emergency List" established in each Sanitation District. Such list shall be used on a priority basis for Employees called in during an emergency. There shall be no less than ten (10) Employees so assigned. Assignments to such a "Special Emergency List" shall be made annually during the month of November, in accordance with this Subsection (d). Such work shall not affect an Employee's position on the regular Sunday and Holiday work rotation list. The Employee who signs for such "Special Emergency List" must call his work location during any snow alert. If the Employee is not at home during a snow alert and the Employer calls his home, whoever answers the call must contact the Employee. Discretion must be used when notifying whoever answers the phone in that a child may not be expected to notify her/his father/mother who is not at home. Messages left on an "answering machine" shall be considered sufficient notification. The Employee will not have the right to refuse to report to work. The provisions of this Subsection (d) shall apply only to those districts having a list of ten (10) or more Employees so assigned. If this number is not obtained, no list shall be posted. The location will then use the regular established Sunday and Holiday list for personnel for emergencies. However, the provisions of this Subsection (d) which pertain to call in and reporting when contacted during emergencies shall apply to the regular list during such emergencies.

Section 3. Vacations

(a) The applicable provisions of the Department's General Order with respect to vacations as promulgated each year shall regulate vacations.

(b) In the event that a Sanitation Worker is hospitalized due to illness or injury while on vacation, the Chief Medical Examiner shall terminate the Sanitation Worker's vacation and place the Employee on sick leave. The Union may file a grievance at Step 5 of the Grievance Procedure, when claiming a violation of this Subsection (b), without resort to prior steps in the Grievance Procedure.

(c) After hospitalization, an Employee who is seriously disabled and submits proof of such disability satisfactory to the Department which shall properly exercise its discretion therein, may have such leave time charged to sick leave and not to annual leave provided that the Employee's annual leave is not, under such circumstances, carried over to the next vacation year, except that upon good cause shown, the Commissioner may grant such extension.

Section 4. Seniority and Assignments

(a) (i) Seniority as used in this Section shall be the date of the most recent appointment to the title as set forth in Article I, Section 1 of this Agreement.

(ii) Seniority shall be applied as follows: in the Bureau of Cleaning and Collection: by district; in the Bureau of Waste Disposal: by work location, defined as the physical work location to which an Employee is permanently assigned.

(b) (i) Seniority as defined and applied in this Section shall be the basis for temporary or permanent transfer; vacation period choice; or desired work shift.

(ii) Seniority as defined and applied in this Section shall be the basis for permanent special assignments within the Bureau of Cleaning and Collection and transfer to the Bureau of Waste Disposal, except that the Employer reserves the right to establish:

(1) Minimum qualifications for such assignments; and

(2) a four-week training and evaluation period.

Shop Stewards, designated by the Union in Accordance with Article IX, Section 1(b) of this Agreement shall be considered the most senior Employee in their respective work location in the Bureau of Cleaning and Collection and the Bureau of Waste Disposal, for purposes of this provision, for such period during which they retain such designation.

(iii) When it becomes necessary to assign any Employees to a location other than the Employee's regular work location, the assignment will be offered on a seniority basis. In the event a sufficient number of Employees have not volunteered, the Employer will order the required change on the basis of inverse seniority, the Shop Steward to exercise the right as the most senior Employee. The provisions of this Subsection (b)(iii) shall also apply to transfers between sections that are ordered prior to the beginning of the shift.

(iv) Out-of-Town work means work done out of zone. There will be four (4) hours of time in the book for the first day that such work is performed in each zone. In the event the instances of such work occur at times other than after holidays, more than occasionally, the Union will seek to negotiate similar compensation with the Commissioner. If that proves unsuccessful, the issue shall be taken to binding arbitration.

(c) The following assignments in the Bureau of Cleaning and Collection shall be deemed permanent special assignments for the purpose of this Article:

Large Wrecker	Mechanical Brooms
Garage Utility	EZ Pack
Hoist Fitted Chassis	Greaser
Gas and Oil Worker	Offal Truck
Roll-on/Roll-off	House Truck (Where a full time house truck is approved by Chief of Staff)

Employees assigned to special equipment may be given other assignments by the Department when the special equipment is not available or when the needs of the Department do not require the use of the abovelisted special functions.

(d) The procedure for filling a permanent vacancy in an assignment enumerated in Subsection (c) of this Section shall be as follows:

(i) The District Superintendent in the District in which vacancy occurs shall assign the senior qualified Employee requesting such duty.

(ii) If there are no volunteers for a special duty assignment, the District Superintendent shall assign the least senior qualified Employee.

(iii) A senior Employee, desiring such duty but deemed not qualified, shall be given a reasonable opportunity to acquire the skills required for the assignment. In the event a senior Employee desiring such duty is passed over because of failure to meet the minimum qualifications, the Employee and/or the Union may file a grievance in accordance with the applicable provisions of this Agreement.

(iv) Training will be offered to Employees seeking assignment to special equipment in accordance with the terms of this Agreement and the needs of the Employer.

(e) The following rules shall apply to the filling of vacancies in the permanent special assignments enumerated in Subsection (c) of this Section:

(i) Temporary vacancies, due to Employees being sick, on compensation, on vacation, compensatory time off, on chart, etc. shall be filled by the Garage Shop Steward if the Steward elects to assume such temporary assignment. Should the Garage Shop Steward elect to fill such assignment, the Steward's starting time, whenever practicable, shall be the same as that of the majority of the Employees the Steward represents. In the event the Garage Shop Steward does not so elect, the temporary vacancy shall be filled by assignment by the District Superintendent, provided, however, that such selection shall not result in a more senior Employee being required to go on the night shift or out of location.

(ii) An Employee assigned to a permanent special assignment may request a transfer to any other such assignment. Such request shall be processed in accordance with Section 4(d) of this Article.

(iii) Employees newly transferred into a District may not be assigned to a permanent special assignment for a period of one (1) year from the date of physical transfer.

(iv) An Employee assigned to a permanent special assignment may not be displaced by a senior Employee.

(v) Any other special assignment, now in force or to be created hereafter in a District, shall be filled in accordance with the provisions of this Section.

(f) The Department shall review and act upon requests for transfers no less frequently than every six (6) months.

Section 5. Health and Safety

(a) The Employer shall provide the following equipment, maintained at all times in good working order and in proper quantity: clean lavatory facilities; shower and wash basin facilities with hot and cold running water; heating facilities; proper ventilation; proper lighting and ample supplies of soap, other cleansers, paper towels, paper tissue and other clean-up materials.

The Employer and the Union shall conduct periodic inspection of all facilities which house Employees in order to insure that all such facilities are adequately maintained and provide sanitary working conditions. Where deficiencies are found and/or repair necessary, the Employer will take steps to make such repairs immediately. Since there is a large backlog of needed repairs, the Employer will proceed on a priority basis.

The Union reserves the right to challenge the Employer's priority list.

In the event it is beyond the Employer's capacity to make such repairs, the Employer, where possible, will seek additional funds to effectuate such repairs.

In the event that repairs cannot be made or funds to effectuate such repairs are not available, and the conditions at the location are such that they constitute a hazard to the life, health or safety of Employees, the Employer will take immediate steps to transfer all Employees to a more suitable location.

In the event the Union holds the Employer to be in default of this Subsection (a), the Union shall present the issue to the arbitrator for decision within forty-eight (48) hours, without resort to the other steps of the Grievance Procedure.

(b) Two (2) qualified Sanitation Workers' shall respond to any call for a large wrecker in cases involving arterial highways. One (1) of these will operate the wrecker to the scene, the other shall operate a back-up vehicle to the scene for safety purposes and then assist the wrecker operator. On all other calls where a back-up vehicle is not required one (1) Employee may respond to the call.

(c) The Employer shall maintain complete medical records on injured Employees.

(d) The Employer will endeavor to minimize and reduce accidents and injuries by maintaining its equipment and facilities in good working order. Each Employee shall make every effort to perform the duties in a safe and efficient manner commensurate with the requirements of the Employer. Complaints involving the safety of equipment or working conditions may be processed as grievances.

Section 6. Rights of Employees

(a) When an Employee has completed the respective work shift, and has been notified of his or her assignment for the next work day, the Employee will not be called at home for any change out of his or her district. He or she may only be called when it involves reporting to a location within his or her own district, or when it involves change of shift. The above provisions shall not apply in the event of snow emergency or Act of God. The Employee will be responsible to report by roll call to the location within the district where he or she is scheduled to work.

(b) Whenever an Employee is called to the Main Office of the Department or called by any other agency of Government for interrogation, the Employee shall be notified of the right to counsel or union representation. Such Employee shall be given ample time to secure such representation, if the Employee so elects.

(c) The Employee when summoned to the Department shall be called whenever possible during ordinary working hours. In the event the proceedings in the Department go beyond the ordinary working hours, the Employee shall be paid time and one-half (1-1/2x) in accordance with the provisions of this Agreement.

(d) Following signout from any day shift, an Employee may be recalled if the night city superintendent has been contacted and a determination is made that the position must be filled.

Section 7.

Effective July 1, 1978, any Employee applying for either ordinary or line-of-duty disability retirement shall begin to receive his accrued time, including accrued vacation, compensatory time, terminal leave and any other accrued leave, as of the date he submits the disability retirement application, provided that the time taken does not extend beyond the effective date of retirement.

Section 8. Interest

(a) Interest on wage increases shall accrue at the rate of three percent (3%) per annum from one-hundred-twenty (120) days after the execution of this Agreement or one-hundred-twenty (120) days after the effective date of the increase, whichever is later, to the date of actual payment.

(b) Interest on shift differentials, holiday and overtime pay, shall accrue at the rate of three percent (3%) per annum from one-hundred-twenty (120) days following their earning or one-hundred-twenty (120) days after the execution of this Agreement, whichever is later, to the date of actual payment.

(c) Interest accrued under (a) or (b) above shall be payable only if the amount due to an individual Employee exceeds five dollars ($5.00).

Section 9.

A laid-off Employee who has returned to service in the Employee's former title or in a comparable title from a preferred list shall receive the basic salary rate that would have been received by the Employee had the Employee never been laid-off up to a maximum of two (2) years of general salary increases.

Section 10. Performance Compensation

The City acknowledges that each of the uniformed forces performs an important service that reflects the diverse missions of the City's uniformed agencies. In order to reward service of an outstanding, exceptional nature, each of the uniformed agencies will establish a performance compensation program to recognize and reward such service, tailored to the unique missions of the individual uniformed agency.

The parties agree that additional compensation may be paid to Employees performing outstanding, exemplary, difficult and/or unique assignments. The City will notify and discuss with the Union of its intent to pay such additional compensation and the individuals to be compensated.

The criteria for the granting of performance-based compensation shall be based upon outstanding performance in the work assigned, and/or performance of unique and difficult work.

The performance-based compensation payments provided for in this section shall be one-time, non-recurring cash payments subject to applicable pension law. An Employee can receive no more than one payment annually.

This provision shall not affect any existing productivity programs covered in any existing collective bargaining agreements. Nor shall this provision be construed to waive any obligation of the City to negotiate over future productivity programs as required by applicable law.

ARTICLE VII - REFUSE/RECYCLING COLLECTION

Section 1. Refuse Collection

(a) The Employer and the Union recognize that the Employer has the unilateral right to set and establish refuse

collection routes. The Employer and the Union enter this Agreement without prejudice to, and without waiver of, any rights that they may have under law, rule, regulation or contract in that regard.

(b) Effective upon the date of execution of this Agreement, if the Employer determines that a Sanitation Worker has not completed the refuse collection route designated by the Employer, the Sanitation Worker shall not receive the "1980 Two Worker Truck differential", described herein, for the period of time which the Sanitation Worker failed to complete the designated refuse collection route. The implementation of this provision shall be consistent with Section 3 of this Article.

(c) If a situation arises whereby the amount of refuse exceeds that which was originally presented to the Union upon the execution of this Agreement, then the Union shall have the right to present that situation to the Labor-Management Committee designated in Article VIII, Section 1 of this Agreement.

Section 2. Recycling Collection

(a) The Employer and the Union recognize that the Employer has the unilateral right to set and establish recycling collection routes.

The Employer and the Union enter this Agreement without prejudice to, and without waiver of, any rights that they may have under law, rule, regulation or contract in that regard.

(b) Effective upon the date of execution of this Agreement, if the Employer determines that a Sanitation Worker has not completed the recycling collection route, as designated by the Employer, the Sanitation Worker shall not receive the "1980 Two Worker Truck differential", described herein, for the period of time which the Sanitation Worker failed to complete the designated recycling collection route. The implementation of this provision shall be consistent with Section 3 of this Article.

(c) If a situation arises whereby the amount of recycling exceeds that which was originally presented to the Union upon the execution of this Agreement, then the Union shall have the right to present that situation to the Labor-Management Committee designated in Article VIII, Section 1 of this Agreement.

Section 3. Impartial Chair/Appeal Procedure

Any Sanitation Worker who may not receive the "1980 Two Worker Truck differential" pursuant to this Article, shall have the right to appeal the Employer's determination to a Tripartite Dispute Resolution Panel for a hearing to be held within forty-eight (48) to seventy-two (72) hours of the Department's notification to the Sanitation Worker. The Tripartite Resolution Dispute Panel shall be made up of a representative designated by the Employer, a representative designated by the Union and an Impartial Chair selected by the parties' two representatives. The standards governing the determination of the panel shall include those set forth in the Kelly Impasse Award referenced in the "Two Worker Truck Agreement" attached hereto and made a part hereof. A claim by the Sanitation Worker that the design or length of the refuse/recycling collection route prevented the Sanitation Worker from completing the collection route shall not constitute good cause. The decision of the Tripartite Dispute Resolution Panel shall be final and binding and not subject to any further appeal.

ARTICLE VIII - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union, having recognized that cooperation between management and Employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support the following LaborManagement committees.

There shall be one general Labor-Management Committee to consider and recommend to the Commissioner changes in working conditions of the Employees within the agency who are covered by this Agreement. Matters subject to the Grievance Procedure shall not be appropriate items for consideration by the Labor-Management Committee. This Labor-Management Committee shall consist of six (6) members who shall serve for the term of this Agreement. The Union's three (3) members shall be the Union President, the Union Vice President and one other executive board member. The Agency's three (3) members shall be the Commissioner, the First Deputy Commissioner and one other deputy commissioner. Vacancies shall be filled by the appointing party for the balance of the term served. Each member may designate one (1) alternate. The Committee shall select a chair from among its members at each meeting. The chair of the Committee shall alternate between the members designated by the Agency and the members designated by the Union. The Committee shall make its recommendations to the Agency head and the Union in writing. This Committee shall meet at the call of either the Union or the Employer at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide to the other party a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the Committee.

There shall be separate Labor-Management committees established to review the following issues:

Section 2. Trial Room

(a) A Labor-Management Committee shall be established to study the current trial room. This committee shall complete its work within ninety (90) days of the execution of this Agreement.

(b) The committee defined in 2(a) shall be comprised of three (3) representatives of the Union and three (3) representatives of the Employer. This committee shall set forth its recommendations to the Union and the Employer at the conclusion of the ninety (90) day period.

Section 3. Gainsharing/Productivity

(a) A Labor-Management committee shall be established to discuss the feasibility of programs to improve the efficiency with which services are delivered by the Department. These discussions shall include, among other things, the feasibility of establishing Department Employee incentive programs such as the sharing of savings between the City, as employer, and its Employees, as represented by the Union, realized by programs involving intensified efficiency, the application of new technology or methods of cleaning, collection and disposal, the intensified utilization of equipment, the improvement of routings and scheduling and attrition of staff, without reduction of services.

(b) The committee defined in 3(a) shall be comprised of three (3) representatives of the Union and three (3) representatives of the Employer. This committee shall make recommendations to the Union and the Employer.

Section 4. Recycling Program

(a) A Labor-Management committee shall be established to study various aspects of the City's recycling program, including the utilization of new technologies and equipment.

(b) The committee defined in 4(a) shall be comprised of three (3) representatives of the Union and three (3) representatives of the Employer. This committee shall make recommendations to the Union and the Employer.

ARTICLE IX - PRODUCTIVITY PROGRAMS

New productivity programs have been instituted by the Employer which involve the Union's input and cooperation. In the event the Employer may consider other alternatives of service delivery, including managed competition, such consideration may include a review of the Department's cost effectiveness and work performed by private carters in New York City and other municipalities.

ARTICLE X - GRIEVANCES

Section 1. Grievance Representation

(a) Any grievance of any Employees within the bargaining unit shall be processed and presented solely by the duly designated representatives of the Union.

To meet with, aid or encourage any- non-certified minority organization and/or group representing Employees in the civil service title of Sanitation Worker for purposes of collective bargaining or processing of grievances shall be regarded as an infringement of this Agreement.

(b) One (1) Shop Steward shall be duly designated by the Union for the following work shifts and job locations:

(i) Bureau of Cleaning and Collection: Days One (1) Steward for each section, garage, and any other field location.

Nights One (1) Steward for each district.

(ii) Bureau of Waste Disposal: One (1) Steward for each shift at each field location.

(c) An agreed number of Borough Grievance Representatives duly designated by the Union shall have the right, without loss of pay, to investigate grievances in the bargaining unit, within their prescribed borough, and to process these grievances in all levels from the officer in charge of the given job location to the Borough Superintendent's level in the Bureau of Cleaning and Collection, or the Division Head level in the Bureau of Waste Disposal.

The Union Borough Grievance Representatives, while engaged in duties as the Union's Representative, shall, when reporting to a job location, sign the prescribed time sheet and shall keep a daily record of time spent and location visited.

Section 2. Grievance Procedure

(a) The term "grievance" shall mean a dispute concerning the application or interpretation of the terms and provisions of this Agreement or of the terms of a personnel order of the Mayor.

(b) The grievance procedure shall be as follows:

Step 1. The Shop Steward and the grievant shall have the right to present the grievance to the supervisor in charge of the location either before Roll Call or at the end of the lunch period of that shift. Roll Call shall not be delayed or interrupted because of the presentation of grievances. The Shop Steward shall have the right to avail himself of the services of the Borough Grievance Representative of the Union or any duly designated officer of the Union for the purpose of processing the grievance. The grievance must be presented within one hundred twenty (120) days after the grievance was discovered or reasonably should have been discovered.

Step 2. If a grievance remains unresolved at the job location (Step 1) for three (3) working days after its presentation, the Union representative shall have the right to present the matter in dispute to the appropriate Department representative at the Borough level in the Bureau of Cleaning and Collection, or the Division level in the Bureau of Waste Disposal. Such presentation must take place within five (5) working days after the grievance was first presented in the job location.

Step 3. If a grievance remains unresolved at the Borough level (Step 2) in the Bureau of Cleaning and Collection or the Division level (Step 2) in the Bureau of Waste Disposal within three (3) working days after its presentation, the duly designated officers and/or staff of the Union shall have the right to present the unresolved grievance to the respective Bureau head involved.

Step 4. If a grievance has not been resolved within three (3) working days after its presentation to the Bureau head (Step 3), the duly designated officers and/or staff of the Union shall have the right to process the grievance with the Director of Operations or the Director's duly designated representative.

Step 5. If the grievance has not been resolved at Step 4 within five (5) working days after its presentation, the President of the Union and/or the President's duly designated representative shall have the right to process the grievance with the Commissioner of Department of Sanitation and/or the Commissioner's duly designated representative.

Step 6. In the event the grievance remains unresolved within fifteen (15) working days after all the steps in the procedure stipulated above have been executed the Union shall have the sole right to invoke arbitration. The arbitration shall be conducted consistent with the procedures developed by the parties under applicable law. The costs and fees of such arbitration shall be borne equally by the Union and the Employer. The decision or award of the arbitration shall be final and binding in accord with applicable law. As a condition to the right of the Union to invoke impartial arbitration as set forth in this Article, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the rights, if any, of the Employee or Employees and/or the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

(c) Any grievance of a general nature affecting a group of several or more Employees shall be filed at the option of the President of the Union at Step 5 of the grievance procedure without resort to previous grievance steps.

(d) The City shall have the same right and the same obligation as the Union to bring to arbitration any dispute between the parties concerning any matter defined as a "grievance" herein. It is expressly understood that, notwithstanding any provision to the contrary in this Article, the City and the Union shall have identical rights and obligations with respect to arbitration.

(e) If the Employer exceeds any time limit prescribed at any step in the grievance procedure, the Union may invoke the next step of the procedure and only the Union may invoke impartial arbitration under Step 6.

(f) The Employer shall notify the Union in writing of all grievances filed by the Employees, all grievance hearings and all grievance determinations. The Union shall have the right to have a representative present at each step of the grievance procedure and shall be given forty-eight (48) hours advance notice of all grievance hearings.

(g) Each of the steps in the grievance procedure, as well as time limits prescribed at each step thereof, may be waived by mutual agreement of the parties.

(h) The grievance and arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. The sole remedy for alleged violations of this Agreement shall be a grievance pursuant to this Article. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

(i) In the event an officer in a job location seeks to suspend a Sanitation Worker summarily, the officer cannot do so of his own accord. He must refer the recommendation to the Officer-in-charge of the Borough Office. That Officer must then try to resolve the dispute with both parties - the officer recommending the suspension and the Sanitation Worker, together with the Union representative - before ordering the suspension. The only exception to the foregoing is when there is an immediate threat of life, limb or property or an imminent violation of civil or criminal law.

ARTICLE XI - NO STRIKES

Neither the Union nor any Employee shall induce or engage in any strikes, slowdowns, work stoppages, or mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE XII - APPLICATION OF CONTRACT

It is specifically understood and agreed that the terms and provisions of this Agreement and the benefits granted thereunder shall be applicable as of the effective date of this Agreement to each Employee who was and still is employed by the Employer in the title of Sanitation Worker on the date of the signing of the Waiver and Release required by this Agreement and who executes the following instruments and complies with the provisions of such instruments:

(a) A Waiver of any rights such Employee may have under Section 220 of the Labor Law in a form and manner approved by the Corporation Counsel's Office for such purposes (see: Appendix "A"); and

(b) A Release to the City of New York in the form now used by the City for such purposes (see: Appendix "B").

ARTICLE XIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are modified by and subject to any applicable provisions of law, including the New York State Financial Emergency Act for the City of New York, as amended.

ARTICLE - XIV APPENDICES

The Appendix or Appendices, if any, attached hereto and initialed by the undersigned shall be deemed a part of this Agreement as if fully set forth herein.

ARTICLE XV - SAVINGS CLAUSE

Section 1.

In the event that any provisions of this Agreement are found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions thereof.

Section 2.

This Agreement expresses all agreements and understandings between the parties and no other agreement, understanding or practice shall be of any force or effect.

UNIT: Sanitation Worker

TERM: November 23, 2002 to March 1, 2007

AGREEMENT made this 3rd day of July 2006, by and between the Uniformed Sanitationmen's Association, Local 831, IBT and the City of New York for the period November 23, 2002 to March 1, 2007.

WHEREAS, it is the desire and intent of the parties to continue the two-worker collection program

NOW, THEREFORE, it is agreed as follows:

1. That the following shift differentials shall be paid by shift per individual for the operation of collection vehicles manned by two workers:

A. Side loading collection vehicles when engaged in regular collection functions.

Effective Date	Amount
11/23/02	$27.91
11/23/03	$29.31
03/02/05	$30.19
03/02/06	$31.14

B. Rear loading "20 yd^3" collection vehicles, when engaged in side loading collection districts.

Effective Date	Amount
11/23/02	$27.91
11/23/03	$29.31
03/02/05	$30.19
03/02/06	$31.14

C. Rear loading "20 yd^3" collection vehicles, when engaged in regular collection operations.

Effective Date	Amount
11/23/02	$27.91
11/23/03	$29.31
03/02/05	$30.19
03/02/06	$31.14

D. Rear loading "25 yd^3" collection vehicles, when engaged in regular collection operations.

Effective Date	Amount
11/23/02	$33.52
11/23/03	$35.20
03/02/05	$36.26
03/02/06	$37.40

E. "Cut down" collection vehicles engaged in bulk collection; Rear loading vehicles assigned to "basket" collection.

Amount
$0

F. "EZ Pack" collection vehicles, when engaged in regular collection operations.

Effective Date	Amount
11/23/02	$18.96
11/23/03	$19.91
03/02/05	$20.51
03/02/06	$21.16

G. "Route Extension" Differential under previous contract

Effective Date	Amount
11/23/02	$9.82
11/23/03	$10.31
03/02/05	$10.62
03/02/06	$10.95

2. That the collection shift differential be paid on those shifts a Sanitation Worker actually performs collection functions on a collection vehicle manned by two workers which excludes payment for such days not worked as holidays, annual leave, sick and terminal leave.

Further, it is agreed that the foregoing standard shall be implemented in accordance with the "Agreed Upon Productivity Standard" described in the Memorandum of Robert Shrank to Bruce McIver and Jack Bigel dated June 30, 1981. Consistent with current policy the standards will be established for the Districts and may be reviewed by the parties at regular quarterly intervals after the implementation of the program in the District.

3. That, effective March 1, 1992, collection shift differential earned in the previous year shall be pensionable and shall be treated for pension purposes in the same manner as the night shift differential. Deductions for pension contributions will be made on all shift differential payments.

4. That from the date of implementation of this agreement through March 1, 2007, the collection shift differential shall be included in the rate for all purposes (except as otherwise provided in paragraphs 2, 3(a) and 3(b) above) and, as of July 1, 1982 shall be increased by any general wage increases negotiated on or after that date.

5. That the Tripartite Dispute Resolution Panel formed pursuant to the Kelly Impasse Award dated December 10, 1980, except as modified in the 1991-95 collective bargaining agreement, shall continue and shall hear and decide any and all disputes arising out of the implementation of this two worker sanitation collection vehicle program.

6. The City will continue to utilize its best efforts to maintain the sanitation cleaning and collection workforces so that adequate levels of service can be provided. The City recognizes that the workforce engaged in collection will be at a reduced level after full implementation of current productivity programs. The City within the context of its fiscal condition will seek to maintain an adequate workforce for purposes of cleaning and collection. The City will meet and discuss with the Uniformed Sanitationmen's Association when the net uniform attrition of Employees engaged in cleaning and collection in the Sanitation Department is anticipated to be more than the Citywide average in any fiscal year. Such discussions will include an explanation of the reasons for such action, an examination of the workload impact on the remaining uniform workforce, and possible alternative actions. Furthermore, there will be no layoffs at any time as a result of implementation of the extension of the two-worker truck program to the entire department.

Further, it is the understanding of the parties that while the foregoing paragraph on Workforce indicates the City's intent regarding cleaning and collection, it does not give rise to any rights or liabilities that are not already contained in contract or law.

7. In converting each District to two-worker operation the Department has used equipment of the same type as that used previously. The Department has, however, reserved the right to deploy trucks of different types in circumstances such as holiday weeks, snow and the like. In the event the Department seeks to deploy trucks of different type in other circumstances and cannot obtain the consent of the District Labor-Management Committee, the issue shall be presented for expeditious resolution by the Tripartite Committee. The parties understand and agree that the foregoing shall not limit the Department in the deployment of bulk and alley trucks with two men and with the payment of a differential equal to that applicable to the side loading vehicle.

8. That there shall be established a joint health committee that shall call upon a mutually agreed upon industrial health specialist to examine and report on health and safety issues relating to the two-worker operation of sanitation collection vehicles.

9. The parties shall continue to operate Labor-Management committees at the district level to deal with implementation of the extension of this two-worker collection program. Furthermore, the parties shall continue to utilize the contractual Labor-Management forum to pursue other productivity measures which may be applicable to other areas of the Department.

10. An equipment committee shall be established to assist in the Department's purchase or modification of collection vehicles. This committee shall include an equal number of representatives from the Department and the Union, and such other individuals as shall be mutually agreed upon.

11. This agreement shall constitute part of the collective bargaining agreement entered into between the parties for all purposes.

Dear Mr. Nespoli:

This is to confirm that the City of New York, as employer of the bargaining unit Sanitation Workers (the "Employer"), agrees, in accordance with applicable law, that any conversion of the function(s) of the Department of Sanitation to any public authority established by or at the request of the Mayor, City Council or other Governmental body, insofar as such functions pertain to that bargaining unit, shall be conditioned upon the public authority's acceptance of (i) its obligation to recognize and bargain with the Uniformed Sanitationmen's Association, Local 831, IBT (the "Union") and (ii) the terms of the then existing collective bargaining agreement between the Employer and the Union for the remainder of that agreement's effective period.

Very truly yours,
James F. Hanley

Dear Mr. Nespoli:

This is to confirm our mutual understanding and agreement regarding the legislation enacted providing Tiers Two and Four Sanitation Workers, represented by the Uniformed Sanitationmen's Association ("USA"), with half pay pension after twenty (20) years of service and the right to vest after fifteen (15) years of service.

Said Sanitation Workers shall be required to make additional pension contributions in the amount of 5.35%, effective July 1, 1992. These additional amounts shall not be subject to social security offset or loans.

There shall also be an additional employee contribution of .55% of payroll to fund the increased cost of health insurance and welfare fund coverage for this new category of retirees. These amounts shall be paid into a separate fund maintained for this purpose.

In no event shall the enabling legislation result in a variation of the agreement between the City and the Uniformed Sanitationmen's Association.

In the event that any provision of the enabling legislation once enacted into law shall for any reason be adjudged to be invalid or unconstitutional by a Court of competent jurisdiction, the above agreement shall cease nunc pro tunc and the parties shall be required to negotiate a new agreement.

It is further agreed and understood that this legislation shall also apply to Uniformed Sanitation employees outside the bargaining unit.

If the above accords with your understanding, please execute the signature line provided below.

Re: Work Experience Program (WEP)

Dear Mr. Nespoli:

This is to confirm our mutual understanding and agreement that the City and the Union recognize that no current Sanitation Workers are intended to be displaced as a result of Work Experience Program (WEP) assignments through the loss of job or position, reduction of wages and benefits, or infringement of promotional opportunities. The parties will discuss development of a procedure to ensure that displacement does not occur.

If the above accords with your understanding, please execute the signature line provided below.

Mr. Harry Nespoli
President
Uniformed Sanitationmen's Association
Local 831, IBT
23-25 Cliff Street
New York, New York 10038

Dear Mr. Nespoli:

The Uniformed Sanitationmen's Association, Local 831, IBT ("the Union") and the City of New York ("the City") (together, the "Parties") mutually understand and agree that the general wage increases, the new supplemental payments to the Uniformed Sanitationmen's Association Compensation Accrual Fund, and the new productivity differentials are funded

in part, through savings to be achieved through increased productivity and other cost-savings mechanisms including the new salary schedule for new hires.

The Parties mutually agree that should the productivity initiatives set forth in the new 10.7 tons refuse and 6.2 tons recycling Tons Per Truck Shift Program and/or the Dumping-on-Shift Program and/or the One-Worker Roll-on/Roll-off Program fail to achieve the savings agreed upon herein to fund the 1.3% wage increases in this and subsequent collective bargaining agreements, the Parties agree to meet and confer to evaluate whether or not operational changes may be made to facilitate achieving the agreed-upon savings. Should such savings not be able to be realized, the Parties agree to consider new or alternative funding mechanisms to address any shortfall(s) in projected savings. In the event that the parties are unable to agree, the matter shall be submitted to the Tripartite Dispute Resolution Panel formed pursuant to the Kelly Impasse Award dated December 10, 1980 (the "Tripartite Panel") for resolution.

The Parties agree that the program will be reviewed periodically after implementation and thereafter excluding the four (4) month break-in period. The Parties will meet to discuss changes in productivity standards and/or shift differentials or other forms of compensation, if the agreed upon standards are exceeded or are not met. Any disagreements, not otherwise precluded by the parties' collective bargaining agreement and/or by prior decision or law, will be determined by the Tripartite Panel.

Refuse and Recycling Targets

In accordance with Section 9 of the Two-Worker Truck Agreement, the Parties have mutually agreed to have the Citywide and local district labor management committees recalibrate the Citywide target average tons per truck shift in the refuse collection and recycling programs to 10.7 tons per truck shift for refuse collection and to 6.2 tons per truck shift for recycling collection, respectively.

Individual district goals will be established for each program after the Sanitation Department (the "Department") and the Union, through the Citywide and district labor management committees, reach agreement on the individual district goals.

The Citywide target may be more (or less) than the 10.7 refuse / 6.2 recycling tons per truck shift subject to the agreement of the Parties, and the number of truck shifts shall be adjusted accordingly.

The Parties agree to eliminate the 4.8, 5.4 and 7.2 targets for recycling and the 10.6 target for refuse. The Parties recognize that there are now two components of the collection productivity differentials, one for the underlying "two-worker truck" program as indicated in the Two-Worker Truck Agreement Paragraphs 1.A. through F), and one for the new 10.7 tons per truck shift for refuse collection and the 6.2 tons per truck shift for recycling collection targets that combines the payment provided under Paragraph G. with the supplemental payment to the Uniformed Sanitationmen's Association Compensation Accrual Fund. It is therefore possible for a Sanitation Worker to receive neither component, only the "two-worker truck" component, or both the "two-worker truck" component and the new 10.7/6.2 "combined" component.

The docking trigger for the 10.7/6.2 combined component is 10.7/6.2, and the docking trigger for the "two-worker truck" component, is 10.1/6.0.

The 10.7 tons per truck shift for refuse collection and the 6.2 tons per truck shift for recycling collections, as well as the 45.6% of trucks dumped on shift, are the agreed upon targets to be reached for the new tons per truck shift and dumping-on-shift programs.

It is agreed that the Citywide bank for refuse and recycling will be used to address unexpected circumstances and temporary difficulties in a district. If the district 2% bank is frequently exceeded, then the Department and the Union shall meet promptly to resolve the truck shift issue in the affected district while maintaining the Citywide 10.7 and 6.2 tons per truck shift targets. The number of trucks assigned on a holiday shall have no effect on the bank for that week.

The parties agree to review the adequacy of the "banks" on a district-by-district basis.

The Parties have mutually agreed that the combined differential for the 10.7 and 6.2 collection targets consists of the component indicated in Paragraph 1. G of the Two-Worker Truck Agreement and a separate contribution in the flat amount of $2.00 per qualifying shift to be paid to the Uniformed Sanitationmen's Association Compensation Accrual Fund (the "Supplemental Payment"). The $2.00 per shift Supplemental Payment shall be adjusted by future across-the-board increases, if any, but the Supplemental Payment shall not be subject to any premium payments. Eligibility for payment will begin in a district once the district begins the new program. The Supplemental Payment component will be paid on a standard four-week cycle subject to a determination that the standards for receiving the payment have been met.

If the tons per truck shift targets for a given District are unmet, the combined differential shall be paid provided that the District has met its targeted number of truck shifts and the new routes, designed to achieve a Citywide average of 10.7 tons per truck shift for refuse and 6.2 tons per truck shift for recycling, have been completed.

The Supplemental Payment shall not be paid to any member subject to the established docking procedure unless and until the employee appeals such decision and such appeal is upheld.

	Effective Date	Amount
"Refuse and Recycling" collection vehicles when engaged in regular collection operations under the 10.7/6.2 TTS programs.	01/09/06	$ 2.00
	03/02/06	$ 2.06

Dumping-on-Shift Targets

The Parties have mutually agreed to a new program for refuse and recycling crews that shall be part of a comprehensive productivity agreement, the purpose of which is to establish new performance measurements for attaining savings to be derived from "dumping on shift" and to provide a differential payment for achieving and maintaining those performance standards.

The Citywide and district targets and cut-off times will be adjusted through labor management committees as is the current practice. The productivity program assumes that a "dumping-on-shift" performance standard of at least 45.6% (combined standard for refuse and recycling) shall be maintained. The Parties agree that payments will be made based on a weekly target of 45.6% of loads dumped on shift as long as a floor of 40% is attained Citywide. The floor of 40% is intended to address circumstances and difficulties that may occur. When the 40% floor is not attained Citywide (excluding non-normal operations, e.g., snow and transfer station issues), the differential payment will not be paid to any employee for that week. The Union may appeal such a decision to the Tripartite Panel.

The Parties have mutually agreed that a new differential in the amount of $3.00 per qualifying shift will be paid for each dump made on shift (only one payment shall be made for a split-body truck) when the route is cleaned. Eligibility for payment will begin during the initial monitoring period of four (4) months. During the four month monitoring period, the Parties agree to a trial program in which supervisors in the district, after consultation with the designated shop steward, shall determine which sections and trucks will be sent to the dump site first if they have finished the route.

The dumping-on-shift differential shall not be paid if the route is incomplete except as otherwise provided below. The "dump-on-shift" differential payment shall be paid in all cases where the employee is dispatched to dump by assigned supervision. Payment shall not be made for exigencies such as, but not limited to, longer term operational issues such as a facility being closed for an extended period of time and/or going off-line in which case the program shall be suspended in the affected location(s).

Any Sanitation Worker who has been denied the "dump-on-shift" differential pursuant to this Agreement shall have the right to appeal the denial to a review committee consisting of the First Deputy Commissioner or designee(s) and the President of Local 831, IBT, or designee(s). If the matter is still unresolved, the Union may appeal the Employer's determination to the Tripartite Panel for a hearing to be held within forty-eight (48) to seventy-two (72) hours of the Department's notification to the Sanitation Worker pursuant to the provisions of Article VII of the collective bargaining agreement between the City of New York and the Uniformed Sanitationmen's Association, Local 831, IBT, covering the period from November 25, 2002 to March 1, 2007 (the "Collective Bargaining Agreement").

The standards to be established Citywide and for the Boroughs under the new productivity program shall be reviewed (monitored) at regular quarterly intervals, or at the request of either Party, after the implementation of the program to determine whether or not the agreed upon targets are continuing to be met. The Parties shall promptly meet and make any necessary adjustments to ensure continuing savings are being attained.

The "dumping-on-shift" differential shall not become part of the employee's basic salary rate nor be added to the Employee's basic salary for the calculation of any salary-based benefits. The differential shall be adjusted by future across-the-board collective bargaining increases, if any, and it shall be subject to any premium payments. The differential shall be pensionable consistent with applicable law. Eligibility for the "dumping-on-shift" differential will begin in a District once the District begins the new program.

This agreement shall not supersede the provisions of Article VII, Sections 1 (a), 2 (a) and 3 of the Collective Bargaining Agreement.

"Dumping-on-Shift" when engaged in regular collection and recycling operations.	Effective Date	Amount
	01/09/06	$5.00
	03/02/06	$5.16

Roll-on/Roll-off Program

The parties have mutually agreed to a new program – a "Roll-on/Roll-off" productivity agreement using one Sanitation Worker in place of a two Sanitation Worker crew on certain "Roll-on/Roll-off" vehicles to be determined by the Department, without any reduction in current productivity standards. Any changes will be discussed through the labor-management committee created through the productivity programs (the "Labor-Management Committees").

Current assigned locations shall remain the same unless changed through the Labor-Management Committees.

The Parties have mutually agreed that a new differential in the amount of $80.00 per qualifying shift will be paid in the same manner as other differentials. Current productivity standards shall be maintained.

The "Roll-on/Roll-off" differential shall not become part of the employee's basic salary rate nor be added to the Employee's basic salary for the calculation of any salary-based benefits. The differential shall be adjusted by future across-the-board collective bargaining increases, if any, and shall be subject to any premium payments. The differential shall be pensionable consistent with applicable law. Eligibility for the "Roll-on/Roll-off" differential will begin in a District once the District begins the new program.

The "Roll-on/Roll-off" vehicles will be added to the list of permanent special assignments contained in Article VI, Section 4 (c) and treated in accordance with the provisions of such Article for all subsequent assignments to such vehicles.

The current side letter concerning "Roll-on/Roll-off" assignments is hereby rescinded and is replaced by the terms of a new side letter (attached).

This agreement is subject to the terms of the currently effective collective bargaining agreement between the City of New York and Local 831 of the International Brotherhood of Teamsters.

"Roll-on/Roll-off" collection vehicles when engaged in one-person collection operations.	Effective Date	Amount
	01/09/06	$ 80.00
	03/02/06	$ 82.52

Any dispute, controversy, or claim not otherwise precluded by the parties' collective bargaining agreement and/or by prior decision or law concerning or arising out of the execution, application, interpretation or performance of any of the terms or conditions of this agreement shall be submitted to the Tripartite Panel.

Dear Mr. Nespoli:

A Labor-Management Pension Committee will be established to investigate pension enhancement legislation for eligible Sanitation Workers.

The Committee will analyze the actual costs and additional contribution rates required to provide this benefit without any cost to the City.

Upon mutual acceptance of the Committee's recommendations, including plan design and costs, the parties agree to jointly support the legislation necessary to implement the benefit changes.

If the above accords with your understanding, please execute the signature line below.

Dear Mr. Nespoli:

This is to confirm our mutual understanding and agreement regarding the $83.00 additional welfare fund contribution that became effective on November 23, 2004. This payment is provided in Article IV, Section 1. (a) and (b) of the 2002-2007 Agreement.

For the first payment cycle beginning on or after November 23, 2004 and ending on or about November 22, 2005, 100% of the $83 increased annual contribution otherwise payable to the active welfare fund shall instead be remitted by the Department of Sanitation to the retiree welfare fund. For the payment cycle beginning on or about November 23, 2005 and for the remainder of the term of the Agreement, $73 of the $83 increased annual contribution otherwise payable to the active welfare fund shall instead be remitted to the retiree welfare fund (the remaining $10 shall be remitted to the active welfare fund). These payments shall be cost-neutral.

The USA asserts that the above-described allocation does not violate the Trust Agreements under which the active welfare fund and the retiree welfare fund are established and maintained and will take any necessary action to ensure continued compliance. The USA agrees on its own behalf, and on behalf of its members, to hold the City harmless in the event there is a lawsuit or a challenge to the use of the sum of money specified above.

The arrangement expressed in this agreement may be continued beyond the expiration date of the collective bargaining agreement subject to the mutual written agreement of the parties. It is understood and agreed that the City of New York shall not unreasonably withhold its approval to extend these terms. In the absence of such explicit written agreement to extend, the $83.00 per annum per active employee will default to the active welfare fund.

If the above conforms to your understanding, please execute the signature line below.

Very truly yours,

James F. Hanley

Dear Mr. Nespoli:

The roll on/roll off trucks will be added to the list of permanent special assignments contained Article VI, Section 4, of the collective bargaining agreement.

The following procedures are to be implemented when the new productivity program for Roll on/Roll off becomes effective:

The former Auxiliary Field Force employees currently assigned as Roll on/Roll off operators and not displaced by the reduction from two workers to one worker pursuant to this program, will be first to operate their assigned vehicles at their location, subject to Article VI, Section 4 of the currently effective collective bargaining agreement. Any available tissue openings at a location shall be filled by seniority..

The most senior available Sanitation Worker who has a Roll on/Roll off tissue in a District shall have the opportunity to bid for available Roll on/Roll off assignments in that District.

Roll on/Roll off truck assignments shall be made first by A.F.F. personnel then by seniority from among the Sanitation Workers assigned to these vehicles.

If a location with an assigned Roll on/Roll off truck has no available former A.F.F. crew member to back-fill or replace a Roll on/Roll off truck operator, then the provisions of Article VI, Section 4, would be utilized to fill the assignment.

After the foregoing has been complied with, all future permanent special assignments will be filled in accordance with the provisions of Article VI, Section 4, of the collective bargaining agreement.

Completely new members assigned will receive eight (8) days training. Five (5) at Training Division, three (3) on the job.

This letter shall subject to the currently effective collective bargaining agreement between the City of New York and Local 831 IBT and constitute part of the Agreement entered into between the parties.

Dear Mr. Nespoli:

This will confirm the Department of Sanitation's intention to apply the following procedure for lunch time truck diversion:

Where the need arises to divert a collection truck and crew to another area at lunch time, seniority will prevail for the loaders. Seniority will not prevail for the operator, unless the truck is diverted out of the district. This procedure shall only apply at the specific lunch location, wherever it is that day, that the officer and crew are present.

Dear Mr. Nespoli:

This letter is to confirm our understanding with respect to the Union's position on certain issues raised during collective bargaining on October 7, 2005, between the City of New York and Local 831 IBT.

The language of Article VI, Section 2(d), which provides for an emergency list, also states that if there is no emergency list in a district the "... regular established Sunday and Holiday list...." will be used for emergencies and subject to call in and reporting requirements of that subsection.

The issue of a requirement that Sanitation Workers call their assigned work location when an emergency occurs can be satisfied with notification by the Department, through radio and television media, with an announcement that Sanitation Workers are to contact their respective work location for such assignment as may be required. This would be sufficient notice to the employees that they are required to call in.

This letter shall be subject to the currently effective collective bargaining agreement between the City of New York and Local 831 IBT and constitute part of the Agreement entered into between the parties.

ASSISTANT DEPUTY WARDENS/DEPUTY WARDENS
2003 - 2008 Agreement

AGREEMENT made this 3rd day of July 2006, by and between the City of New York (hereinafter called the "City"), acting by the Commissioner of Labor Relations, and the Assistant Deputy Wardens Association (hereinafter called the "Union"), for the fifty-six month period from July 1, 2003 to February 29, 2008.

WITNESSETH:

WHEREAS, the Assistant Deputy Wardens, Deputy Wardens, Deputy Wardens-in-Command, Warden (Correction) Level I, and Warden (Correction) Level II employed by the City have duly designated the Union as their exclusive bargaining representative for the purpose of collective bargaining with the City with respect to wages, hours and conditions of employment; and

WHEREAS, the Union and the City desire to cooperate in establishing conditions which will tend to secure standards and conditions of employment consistent with the dignity of Assistant Deputy Wardens, Deputy Wardens, Deputy Wardens-in-Command, Warden (Correction) Level I, and Warden (Correction) Level II, and to provide methods for fair and peaceful adjustment of disputes that may arise between the Union and the City; and

WHEREAS, as a result of collective bargaining the parties have reached an agreement which they desire to reduce to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The City recognizes the Union as the sole and exclusive collective bargaining representative for the unit consisting of the employees of New York City in the titles of Assistant Deputy Warden; Warden (Correction) Level I; Warden (Correction) Level II detailed as Deputy Warden; and Warden (Correction) Level II detailed as "Deputy Warden-in-Command") (except for the position found to be confidential in Decision #21-95) hereinafter referred to under the general term of "Assistant Deputy Warden", "Deputy Warden", and "Deputy Warden-in-Command", respectively.

Section 2.

Except as otherwise provided herein, for purposes of this Agreement, the terms "employee", "employees", "Assistant Deputy Warden", "Deputy Warden" and "Deputy Warden-in-Command" shall be interchangeable and shall relate solely to employees in the unit described in Section 1 of this Article.

ARTICLE II - UNION SECURITY DUES CHECKOFF

Section 1.

All employees covered by this Agreement shall be free to become and remain members of the Union in good standing.

Section 2.

The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in the unit in accord with the Mayor's Executive Order No. 98, dated May 15, 1969 entitled "Regulations Regulating the Checkoff of Union Dues" and in accord with the Mayor's Executive Order No. 107, dated December 29, 1986 entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" and any executive orders which amend or supersede said Executive Orders.

Section 3.

An employee may consent in writing to the authorization of the deduction of dues from his wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form, acceptable to the City, which bears the signature of the employee.

Section 4.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference.

ARTICLE III- HOURS AND OVERTIME

Section 1.

Overtime performed by Deputy Wardens and Deputy Wardens-in-Command shall be compensated for in compensatory time off at the rate of time and one-half when such overtime is ordered by the Commissioner, or the Chief of Department, N.Y.C. Department of Correction, or their designee, or is performed during an emergency without prior approval and when requests for compensation therefor after performance of such overtime are forwarded through channels together with recommendations and are approved by the Chief of Department, or designee, for such purposes.

Section 2.

a. All ordered and/or authorized overtime in excess of forty (40) hours in any week or in excess of the hours required of an Assistant Deputy Warden by reason of his/her regular duty chart if a week's measurement is not appropriate, whether of an emergency nature or of a non-emergency nature, shall be compensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the Assistant Deputy Warden. Such cash payments or compensatory time off shall be computed on the basis of fifteen (15) minute segments.

b. In order to preserve the intent and spirit of this Section on overtime compensation, there shall be no rescheduling of Assistant Deputy Wardens' days off and/or tours of duty except as provided below. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory re-assignment of personnel to different days off and/or tours of duty. Notwithstanding anything to the contrary contained herein, the Department shall not have the right to reschedule Assistant Deputy Wardens' tours of duty, except that the Department shall have the right to reschedule Assistant Deputy Wardens' tours of duty on five occasions per year for training purposes without payment of pre or post-tour overtime provided that the Department gives at least 24 hours advance notice to the employee whose tours are to be rescheduled.
In addition, the Department shall have the right to reschedule Assistant Deputy Wardens' tours of duty on two (2) other occasions per calendar year without payment of pre-tour or post-tour overtime provided that the Department gives at least 24 hours advance notice to the employee whose tours are to be rescheduled.

c. Overtime shall be computed on a monthly basis and the Department shall make every reasonable effort to pay such overtime within six (6) weeks following the submission of the monthly report.

d. Effective July 1, 1990 the Department shall establish a 21 hour overtime bank for all Assistant Deputy Wardens whereby the first 21 hours of overtime actually worked each year by an Assistant Deputy Warden shall not be compensable.

In addition, the Department shall establish a 47.5 hour overtime bank for all Assistant Deputy Wardens promoted on or after November 1, 1992 whereby the first 47.5 hours of overtime actually worked each year by an Assistant Deputy Warden promoted on or after November 1, 1992 shall not be compensable.

Effective July 1, 1994, the overtime banks in this section will be reduced according to the following schedule:

1. After four (4) years in service as an Assistant Deputy Warden, the overtime bank will be reduced by 8-1/2 hours.

2. After five (5) years in service as an Assistant Deputy Warden, the overtime bank will be reduced by an additional 8-1/2 hours, for a total reduction of 17 hours.

3. After six (6) years in service as an Assistant Deputy Warden, the overtime bank will be reduced by an additional four hours for a total reduction of 21 hours.

ARTICLE IV - RECALL AFTER TOUR

Any Assistant Deputy Warden who is recalled to duty after having completed the employee's regular tour of duty shall receive pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off at the sole option of the employee at the rate of time and one-half for the time actually worked. The Department will issue a directive to the heads of all commands informing them that an Assistant Deputy Warden who is recalled shall be put to work.

ARTICLE V - COMPUTATION OF BENEFITS

Since the average basic forty-hour week has not been changed by this Agreement, the current standard practice for the computation of compensation for holidays, vacation days, personal leave days, annuity fund contributions and other relevant benefits, shall continue to be calculated on the basis of an eighthour work day.

ARTICLE VI - SALARIES

Section 1. - Salary Rates

b. Increments granted annually on anniversary date.

Section 2.

A laid off employee who is returned to service in the employee's former title or in a comparable title from a preferred list, shall receive the basic salary rate that would have been received by the employee had the employee never been laid off, up to a maximum of two (2) years of general salary increases.

Section 3. - General Wage Increase

a. (i) Effective July 1, 2003, Employees shall receive a rate increase of five percent (5%).

(ii) Effective July 1, 2004, Employees shall receive an additional rate increase of five percent (5%).

(iii) Effective March 1, 2006, Employees shall receive a general wage increase of three percent (3%).

(iv) Effective March 1, 2007, Employees shall receive a general wage increase of three and fifteen hundredths percent (3.15%).

b. The increases provided for in this Section 3a above shall be calculated as follows:

(i) The increase in Section 3a(i) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on June 30, 2003;

(ii) The rate increase in Section 3a (ii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on June 30, 2004;

(iii) The rate increase in Section 3a (iii) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on February 28, 2006; and

(iv) The rate increase in Section 3a (iv) shall be based upon the base rate (which shall include salary or incremental schedules) of the applicable titles in effect on February 28, 2007.

c. The general increase provided in this Section 3 shall be applied to the base rates and salary grades fixed for the applicable titles, except to the extent that the base rates and salary grades are modified by Section 3d below.

d. Employees promoted to Assistant Deputy Warden or Deputy Warden on or after July 1, 2006 shall be subject to the salary schedules set forth in Section 1a(ii) and 1a(iv), respectively, above.

Section 4.

Paychecks shall be delivered to commands by 3:00 p.m. on the Thursday preceding payday for distribution after 3:00 p.m. on said Thursday.

Section 5. - Salary Itemization

The Department shall make available in convenient places in each command the appropriate payroll work sheets for the purpose of enabling each employee to verify the salary components of the employee's paycheck. The parties will review further the feasibility of otherwise advising each employee of all payroll components along with the employee's paycheck.

ARTICLE VII- UNIFORM ALLOWANCE

In Fiscal Years 2004, 2005, and 2006, the City shall pay to each employee a uniform allowance of $980 in accord with the existing standard procedures. In Fiscal Years 2007 and 2008, the City shall pay to each employee a uniform allowance of $780 in accord with the existing standard procedures.

ARTICLE VIII - LONGEVITY ADJUSTMENTS

Section 1.

a. Longevity adjustments shall continue to be paid as follows:

(i) Upon the completion of five years of service, employees shall receive a longevity adjustment of $2,595.

(ii) Upon completion of ten years of service, employees shall receive a longevity adjustment of an additional $1,000.

(iii) Upon completion of fifteen years of service, employees shall receive a longevity adjustment of an additional $1,000.

(iv) Upon completion of twenty years of service, employees shall receive a longevity adjustment of an additional $1,000.

b. The adjustment after the 5th and 10th years shall not be computed as salary for pension purposes until after completing 20 years of service. The adjustment after the 15th and 20th years shall not be computed as salary for pension purposes until after completion of 25 years of service. In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments. Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

c. The calculation of night shift differential payments shall be based upon the same factors, amounts and methodology as previous utilized.

d. ITHP and pension benefit calculations shall only include the amount of the longevity payment that is pensionable.

ARTICLE IX - PAYMENT FOR HOLIDAY WORK

Each employee shall receive eleven (11) paid holidays annually, payments for which shall be made in accord with existing procedures.

ARTICLE X - LEAVES

Section 1. - Sick Leave

a. Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect, whether or not servic-connected in accordance with existing procedures.

b. Effective January 1, 1990:

(i) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect which is service-connected pursuant to Section 14-122.1 of the Administrative Code.

(ii) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect, whether or not service connected.

Section 2. Death-in-Family Leave

In the event of a death in an employee's immediate family and upon application to and approval of the employee's commanding officer or supervisory head, an employee shall receive leave with pay not exceeding four (4) consecutive regular tours of duty. For the purposes of this Section, the phrase, "Immediate Family", shall include any of the following: (a) a spouse; (b) a natural, foster or stepparent, child, brother or sister; (c) a fatherinlaw or mother-in-law or (d) any relative residing in the employee's household. The commanding officer or supervisory head granting such leave shall verify the death and relationship of the deceased. If the deceased was in the military service of the United States at the time of death, the employee requesting leave shall produce the official notice of death.

Section 3. - Military Leave

Military leave not exceeding a total of thirty (30) days in one calendar year and not exceeding thirty (30) days in any one continuous period of such absence shall be granted with pay to satisfy military obligations.

Section 4. - Special Excusals

Excused time accorded to other personnel employed by the City under circumstances such as excusals for the Dr. Martin Luther King, Jr. and the Senator Robert F. Kennedy funerals and the Moon Landing Observation Day shall be granted equally to employees covered by this Agreement. All compensating days off shall be subject to the exigencies of the Department.

Section 5. - Leave to Attend Hearings

Individual employee grievants shall be granted leave with pay for such time as is necessary to testify at arbitration hearings.

Leave with pay shall be granted to three (3) employees who are named grievants in a group arbitration proceeding, for such time as is necessary for them to testify at their group arbitration hearings.

Leave with pay for such time as is necessary to testify at their hearings shall be granted to employees who, after final adjudication of proceedings under Section 210 paragraph 2h of the Civil Service Law are determined not to have been in violation of Section 210.

ARTICLE XI - VACATIONS

Section 1.

a. Effective July 1, 1994, the Department shall provide the authorized annual vacations of twenty-seven (27) workdays to Assistant Deputy Wardens promoted prior to November 1, 1992.

b. Effective July 1, 1994, for Assistant Deputy Wardens promoted on or after November 1, 1992 and prior to January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	21 days
2nd year	22 days
3rd year	23 days
4th year	24 days
5th year	25 days
6th year	27 days

c. Effective July 1, 1994, for Assistant Deputy Wardens promoted on or after January 1, 1995 the Department shall provide the authorized annual vacations as follows:

1st year	20 days
2nd year	21 days
3rd year	22 days
4th year	23 days
5th year	24 days
6th year	26 days

d. Employees covered by Article XI, Section 1. b. and c. who are promoted to Deputy Warden and/or Deputy Warden-in-Command on or after June 18, 1996, shall continue on their respective reduced vacation schedule for the portion of time remaining as if they had remained in the title Assistant Deputy Warden.

e. Effective July 1, 1998, the Department shall provide all employees the authorized annual vacations of twentysix (26) workdays.

f. Effective July 1, 1998, for employees promoted on or after November 1, 1992 and prior to January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	20 days
2nd year	21 days
3rd year	22 days
4th year	23 days
5th year	24 days
6th year	26 days

g. Effective July 1, 1998, for employees promoted on or after January 1, 1995, the Department shall provide the authorized annual vacations as follows:

1st year	19 days
2nd year	20 days
3rd year	21 days
4th year	22 days
5th year	23 days
6th year	25 days

Section 2.

Vacations shall be scheduled in accordance with existing procedures.

Section 3.

The Department agrees to allow employees to use their accrued vacation days in the vacation year in which they are earned subject to the exigencies of the Department.

Section 4. - Accrual of Vacation

If the Department of Correction calls upon an employee in writing to forego the employee's vacation or any part thereof

that portion up to a maximum of three (3) weeks of vacation shall be carried over until such time as it can be liquidated in the following calendar year subject to the following conditions:

(1) the selection of such vacation days shall be in the discretion of and subject to the exigencies of the Department; and

(2) the selection of such days in the following calendar year shall be made after the regular vacation picks; and

(3) the utilization of this vacation time shall be restricted to the months of January through May and September through November.

It is the intention of the Department of Correction to allow an employee to request permission to accrue vacation consistent with this provision and to grant such requests which are reasonable.

ARTICLE XII - HEALTH AND HOSPITALIZATION BENEFITS

Section 1.

The City shall continue to provide a fully paid choice of health and hospitalization insurance plans for each employee, not to exceed 100% of the full cost of HIP-HMO on a category basis. There will be an annual reopening period during the term of this Agreement for active employees to exercise their choice among medical plans.

Section 2.

Retirees shall have the option of changing their previous choice of Health Plans. This option shall be:

(a) a one time choice;

(b) exercised only after one (1) year of retirement; and

(c) can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three (3) months after the month in which the application has been received by the New York City Health Insurance Program.
Effective with the reopener period for Health Insurance subsequent to July 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

Section 3.

a. Effective July 1, 1983 and thereafter, the City's cost for each employee and for each retiree under age 65 shall be equalized at the community rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family, e.g. the GHI-CHP/Blue Cross payment for family coverage shall be equal to the HIP/HMO payment for family coverage.

b. If a replacement plan is offered to employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided in Section 3a, the City shall not bear the additional costs.

c. The City (and other related Employers) shall continue to contribute on a City employee benefits program-wide basis the additional annual amount of $30 million to maintain the health insurance stabilization reserve fund which shall be used to continue equalization and protect the integrity of health insurance benefits. The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the GHI-CBP/Blue Cross plan; and, if sufficient funds are available, to fund new benefits.

The health insurance stabilization reserve fund shall be credited with the divisions or reduced by the losses attributable to the GHI-CBP/Blue Cross plan.

d. Pursuant to paragraph 7 of MLC Health Benefits Agreement, notwithstanding the above, in each of the fiscal years 2001 and 2002, the City shall not make the annual $35 million contributions to the health insurance stabilization fund.

e. In the event that there is a Citywide or program-wide health insurance package which exceeds the cost of the equalization and stabilization fund described above, the parties may negotiate reconfiguration of this package which in no event will provide for costs in excess of the total costs of this Agreement as set forth herein. However, it is understood that the ADW/DWA will not be treated any better or any worse than any other Union Participating in the Citywide or Program-wide Health Program with regard to increased health insurance costs.

Section 4.

Where an employee is suspended without pay prior to disciplinary trial for disciplinary reasons for more than 30 days, the employee shall receive full health and hospitalization benefit coverage during the period of the suspension following the first 30 days. Where an employee is subsequently restored to full pay status, as of the date of suspension, the employee shall be restored to full health and hospitalization coverage for the first 30 days of the suspension.

Section 5. Health Care Flexible Spending Account.

a. A flexible health care spending account shall be established after July 1993 pursuant to Section 125 of the IRS Code. Those employees eligible for New York City health plan coverage as defined on page 32, section 4(B) of the 1992 New York City Health Summary Program Description shall be eligible to participate in the account. Participating employees shall contribute at least $260 per year up to a maximum of $5,000 per year. Said contribution minimum and maximum levels may be modified by the MLC Health Advisory Committee based on experience of the plan. Any unfunded balance may be deducted from final salary payments due an employee.

b. Expenses of the account shall include but not be limited to deductibles, co-insurance, co-payments, excess expenses beyond plan limits, physical exams and health related transportation costs for vision, dental, medical and prescription drug plans where the employee and dependents are covered. In no case will any of the above expenses include those non-deductible expenses defined as non-deductible in IRS Publication 502.

c. An administrative fee of $1.00 per week for the first year shall be charged for participation in the program. An employee's participation in the account is irrevocable during a plan year. At the close of the plan year any excess balance in an employee's account will not be refunded.

ARTICLE XIII - SECURITY BENEFITS FUND

Section 1.

a. Effective July 1, 2003, the City shall contribute the pro-rata annual amount of $1,325 for each Assistant Deputy Warden, Deputy Warden and Deputy Warden-in-Command for remittance to the Security Benefits Fund of the Assistant Deputy Wardens Association of the City of New York ("Welfare Fund") pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

b. Effective July 1, 2006, the Employer shall decrease the pro-rata annual amount by $100.00 to $1,225.

c. To the extent permitted by law, part of the amounts so contributed may be applied to maintain an appropriate legal services plan, pursuant to the terms of a supplemental agreement between the parties as approved by the Corporation Counsel.

d. Effective August 1, 1995, employees who have been separated from service subsequent to December 31, 1970, and who were covered by the Security Benefits Fund of the Assistant Deputy Wardens Association at the time of such separation pursuant to a supplementary agreement between the City and the ADWA shall continue to be so covered, subject to the provisions of Section 1(a) hereof, on the same contributory basis as incumbent employees. Contributions shall be made only for such time as said individuals remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such Program.

e. Deputy Wardens and Deputy Wardens-in-Command who have retired and have been covered by the Management Benefits Fund shall remain in the Management Benefits Fund for as long as they are otherwise entitled.

f. The Union agrees to provide Welfare Fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

h. Civil Legal Representation Fund

Effective July 1, 2003, the City shall contribute $189 per annum for each active Assistant Deputy Warden, Deputy Warden and Deputy Warden-in-Command to the Welfare Fund to establish a civil legal representation fund pursuant to the terms of a supplemental agreement between the City and the Union as approved by the Corporation Counsel. While these funds shall be administered by the applicable Welfare Fund, they are to be maintained in a separate account and shall not be commingled with the other monies received by the Welfare Fund. Only the $189 provided above may be used for civil legal representation. No additional monies from the Welfare Fund may be used for civil legal representation.

i. Such payments shall be made pro-rata by the City every twenty-eight (28) days.

j. Legal Support/Representation Fund

Effective July 1, 2006, the City shall remit a one-time lump sum payment of $400 per active member to the Legal Support/Representation Fund to be established pursuant to the terms of a supplemental agreement between the City and the Union as approved by the Corporation Counsel.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the date of the suspension, the employee shall receive full Security Benefits Fund coverage for the period of the suspension.

ARTICLE XIV - ANNUITY FUND

Section 1.

a. Effective December 1, 2000, the City shall continue to contribute for each Assistant Deputy Warden promoted to Assistant Deputy Warden after July 1, 1990, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such employee is paid by the City which amount shall not exceed $728.19 per annum per employee. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

b. Effective December 1, 2000, the City shall contribute for all employees promoted to Assistant Deputy Warden prior to July 1, 1990, and for all Deputy Wardens and Deputy Wardens-in-Command, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such employee is paid by the City which amount shall not exceed $1,119.69 per annum per employee. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

c. As soon as practicable, upon ratification, the Employer shall remit to the annuity fund a one-time lump sum payment of $2,400 on behalf of each member of the bargaining unit in active pay status as of March 1, 2006.

d. Effective March 1, 2003, for Assistant Deputy Wardens *who were promoted after July 1, 1990*, the City shall contribute for each employee, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such employee is paid by the City which amount shall not exceed $780.39. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

e. Effective March 1, 2003, for Assistant Deputy Wardens *who were promoted prior to July 1, 1990,* and for all Deputy Wardens and Deputy Wardens-in-Command, the City shall contribute for each employee, on a twenty-eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such employee is paid by the City which amount shall not exceed $1,302.39. Contributions hereunder shall be remitted by the City each twenty-eight (28) days to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the effective date of the suspension, the employee shall receive full annuity fund coverage for the period of the suspension.

ARTICLE XV - GENERAL

Section 1. - Safety Helmets

The City agrees to furnish a safety helmet and equipment when required.

Section 2. - Maintenance of Facilities

All commands and other Departmental places of assignment shall have adequate heating, hot water and sanitary facilities. The Union shall give notice to the Department of any failure to maintain these conditions. If not corrected by the Department within a reasonable time, the Union may commence a grievance at Step 2 of the grievance procedure concerning that failure.

Section 3. - Semi-Private Hospital Accommodations for Line-of-Duty Injuries

The City shall prepare, submit and support legislation to provide semi-private hospital accommodations for employees injured in the line-of-duty.

Section 4. - Meal Scheduling

Employees shall not be assigned meals as a matter of practice during either the first hour and one-half or last hour and one-half of their tours. In cases of emergency this practice may be altered.

Section 5. - Lump Sum Payments

Where an employee has an entitlement to accrued annual leave and/or compensatory time, and the City's fiscal condition requires employees who are terminated, laid off or who choose to retire in lieu of layoff to be removed from the payroll on or before a specific date, or where an employee reaches the mandatory retirement age, the Employer shall provide a monetary value of accumulated and unused annual leave and/or compensatory time allowances standing to this credit in a lump sum. Such payments shall be in accordance with the provisions of Executive Order 30, dated June 24, 1975.

Where an employee has an entitlement to terminal leave and the City's fiscal situation requires that employees who are terminated, laid off or retired be removed from the payroll on or before a specific date, or where an employee reached the mandatory retirement age, the Employer shall provide a monetary lump sum payment for terminal leave in accordance with the provisions of Executive Order 31, dated June 24, 1975.

Section 6. - Interest Payments

Interest on wage increases shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days after execution of this Agreement or one hundred-twenty (120) days after the effective date of the increase, whichever is later, to the date of actual payment. Interest on longevity and step-up increments, differentials and holiday pay shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days after the execution of this Agreement, or one hundred-twenty (120) days following its earning, whichever is later, to the date of actual payment. Interest on overtime pay shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days following its earning or one hundred-twenty (120) days following the employee's submission of an overtime report, whichever is later. Interest accrued pursuant to this paragraph shall be payable only if the amount of interest due to an individual employee exceeds five dollars ($5.00).

Section 7. - Layoffs

Where layoffs are scheduled the following procedure shall be used:

1. Notice shall be provided to the Union not less than thirty (30) days before the effective dates of such projected layoffs.

2. Within such 30-day period designated representatives of the Employer will meet and confer with the designated representatives of the Union with the objective of considering feasible alternatives to all or part of such scheduled layoffs, including but not limited to (a) the transfer of employees to agencies with re- training, if necessary, consistent with the Civil Service Law but without regard to Civil Service title, (b) the use of Federal and State funds whenever possible to retain or re-employ employees scheduled for layoff, (c) the elimination or reduction of the amount of

work contracted out to independent contractors and (d) encouragement of early retirement and the expediting of the processing of retirement applications.

When a layoff occurs, the Department will provide the Union with a list of employees who are on a preferred list with the original date of appointment utilized for the purpose of such layoff.

Section 8. - Public Transportation

The City and the Union will use their best efforts to effect free transportation on buses and subways for employees covered by this Agreement.

Section 9. - Personnel Folder

The Department will upon written request to the Chief of Administration by the individual employee, remove from the Personnel folder, investigative reports which upon completion of the investigation are classified exonerated and/or unfounded.

Section 10. - Performance Compensation

The City acknowledges that each of the uniformed forces performs an important service that reflects the diverse missions of the City's uniformed agencies. In order to reward service of an outstanding, exceptional nature, each of the uniformed agencies will establish a performance compensation program to recognize and reward such service, tailored to the unique missions of the individual uniformed agency.

The parties agree that additional compensation may be paid to employees performing outstanding, exemplary, difficult and/or unique assignments. The City will notify and discuss with each affected union of its intent to pay such additional compensation and the individuals to be compensated.

The criteria for the granting of performance-based compensation shall be based upon outstanding performance in the work assigned, and/or performance of unique and difficult work.

The performance-based compensation payments provided for in this section shall be one-time, non-recurring cash payments subject to applicable pension law. An employee can receive no more than one payment annually.

This provision shall not affect any existing productivity programs covered in any existing collective bargaining agreements. Nor shall this provision be construed to waive any obligation of the City to negotiate over future productivity programs as required by applicable law.

ARTICLE XVI - UNION ACTIVITY

Section 1.

Time spent by Union officials and representatives in the conduct of labor relations shall be governed by the provisions of Mayor's Executive Order No. 75, as amended, dated March 22, 1973, or any other applicable Executive Order or local law, or as otherwise provided in this Agreement. No employee shall otherwise engage in Union activities during the time the employee is assigned to the employee's regular duties.

Section 2.

Union officers and delegates shall be recognized as representatives of the Union within their respective commands. For the purpose of attending the regularly scheduled monthly meeting, Union delegates shall be excused from duty if the meeting coincides with the delegate's scheduled tour, provided that the command has received at least seventy-two (72) hours advance notice of such request for excusal.

Section 3.

The Department of Correction will issue a memorandum to all heads of institutions instructing them to discuss labor/management problems with alternate Union delegates when a regular delegate is not available, and such alternate will be released for the regularly scheduled monthly meeting when the regular delegate is unable to attend said monthly delegate meeting because of illness which requires remaining at home or hospitalization, or absence from the New York metropolitan area on leave or by assignment, or required court appearance.

ARTICLE XVII - NO DISCRIMINATION

In accord with applicable law, there shall be no discrimination by the City against any employee because of Union activity.

ARTICLE XVIII - BILL OF RIGHTS

The Guidelines for Interrogation of members of the Department in force at the execution date of this Agreement will not be altered during the term of this Agreement, except to reflect subsequent changes in the law or final decisions of the Supreme Court of the United States and the Court of Appeals of the State of New York regarding the procedures and conditions to be followed in the interrogation of a member of the Department. No less than two (2) weeks' written notice of such proposed alteration of the said Guidelines shall be given to the Union.

ARTICLE XIX - NIGHT SHIFT DIFFERENTIAL

a. Effective July 1, 1980 a 10% night shift differential shall continue to be paid to all employees assigned to rotating tours of duty for all work actually performed between the hours of 4:00 P.M. and 8:00 A.M. Effective July 1, 1980 a 10% night shift differential shall continue to be paid to all other employees for work actually performed between the hours of 4:00 P.M. and 8:00 A.M., provided that more than one (1) hour is actually worked after 4:00 P.M. and before 8:00 A.M.

b. Where overtime compensation is to be calculated for tours in the regular duty chart, the overtime calculation shall be based on the rate paid for the tour to which the overtime is attached; for tours not in the regular duty chart, the overtime calculation shall be based on that rate paid for half or more the hours of the tour to which the overtime is attached.

c. For all employees promoted to Assistant Deputy Warden on or after November 1, 1992:

Effective February 1, 1998, 75% of the night shift differential as described in paragraph 'a' above earned by a similarly situated Assistant Deputy Warden promoted prior to November 1, 1992 shall be paid until the employee has completed five (5) years of service as an Assistant Deputy Warden.

d. Employees covered by paragraph c. who are promoted to Deputy Warden and/or Deputy Warden-in-Command on or after June 17, 1996, shall continue to receive the reduced night shift differential set forth in paragraph c. for the portion of time remaining as if they had remained in the title Assistant Deputy Warden.

This paragraph d. shall not apply to employees promoted to Deputy Warden and/or Deputy Warden-in-Command prior to June 17, 1996.

e. Night-shift differential for Deputy Wardens and Deputy Wardens-in-Command shall be applicable to paid tours only.

ARTICLE XX - GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. - Definition

For the purpose of this Agreement the term "grievance" shall mean:

a. a claimed violation, misinterpretation or inequitable application of the provisions of this Agreement;

b. a claimed violation, misinterpretation or misapplication of the rules, regulations, or procedures of the agency affecting terms and conditions of employment, provided that, except as otherwise provided in this Section 1a, the term "grievance" shall not include disciplinary matters;

c. a claimed violation, misinterpretation or misapplication of the Guidelines for Interrogation of Members of the Department referred to in Article XVIII of this Agreement;

d. a claimed improper holding of an open-competitive rather than a promotional examination;

e. a claimed assignment of the grievant to duties substantially different from those stated in the employee's job title specification.

Section 2.

The grievance procedure, except for paragraph d. of Section 1 above, shall be as follows:

Step I The employee and/or the Union shall present the grievance or in the form of a memorandum to the "Head of the Facility" not later than ninety (90) days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The Head of the Facility shall take any steps necessary to a proper disposition of the grievance and shall reply in writing by the end of the third work day following the date of submission.

Step II An appeal from an unsatisfactory decision at Step I shall be presented in writing to the agency head or the designated representative. The appeal must be made within five (5) working days of the receipt of the Step I decision. The agency head or the designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a decision by the end of the tenth work day following the date on which the appeal was filed.

Step III An appeal from an unsatisfactory decision at Step II shall be presented by the employee and/or the Union to the Commissioner of Labor Relations, in writing, within ten (10) working days of the receipt of the Step II decision. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or designee, shall review all appeals from Step II decision and shall answer such appeals within fifteen (15) working days.

Step IV An appeal from an unsatisfactory decision at Step III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) working days of receipt of the Step III decision. In addition, the City shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance." The City shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accord with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the City. The decision or award of the arbitrator shall be final and binding in accord with applicable law and shall not add to, subtract from or modify any contract, rule, regulation, existing policy or order mentioned in Section 1 of this Article.

Section 3.

As a condition to the right of a Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee or employees and the Union to submit the underlying dispute to any other administration or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

Any grievance of a general nature affecting a large group of employees and which concerns the claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement shall be filed at the option of the Union at Step III of the grievance procedure, without resort to previous steps.

Section 5.

If a decision satisfactory to the Union at any level of the grievance procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at Step III of the grievance procedure; or if a satisfactory Step III decision has not been so implemented, the Union may institute a grievance concerning such failure to implement at Step IV of the grievance procedure.

Section 6.

If the City exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may invoke the next step of the procedure, except, however, that only the Union may invoke impartial arbitration under Step IV.

Section 7.

The City shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 8.

Each of the steps in the grievance procedure, as well as time limits prescribed at each step of this grievance procedure, may be waived by mutual agreement of the parties.

Section 9.

a. Any grievance relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The decision shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within fifteen (15) days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within seventy-five (75) days of its presentation to him. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Union and the City.

Section 10.

The availability of the grievance or arbitration procedure shall not justify a failure to follow orders.

Section 11.

The grievance and arbitration procedures contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievance" herein. This Section shall not be construed in any manner to limit the statutory rights and obligations of the City under Article XIV of the Civil Service Law.

ARTICLE XXI - LINE-OF-DUTY DEATH BENEFIT

In the event an employee dies because of line-of-duty injury received during the actual and proper performance of Assistant Deputy Warden, Deputy Warden, and/or Deputy Warden-in-Command service relating to the alleged or actual commission of an unlawful act, or directly resulting from a characteristic hazard of Assistant Deputy Warden, Deputy Warden, and/or Deputy Warden-in-Command duty, through no fault of the employee's, a payment of $25,000 shall be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the beneficiary designated under the Retirement System or, if no beneficiary is so designated to the estate of the deceased.

ARTICLE XXII - DEATH BENEFITUN-USED LEAVE AND COMPENSATORY TIME

If an employee dies while employed by the City, the employee's beneficiary designated under the Retirement System or, if no beneficiary is so designated, the deceased's estate shall receive payment in cash for the following as a death benefit:

a. All unused accrued leave up to a maximum of fifty-four (54) days' credit;

b. All unused accrued compensatory time earned subsequent to January 1, 1971 which is verifiable by official Department records up to a maximum of two hundred (200) hours.

ARTICLE XXIII - NO STRIKES

In accord with applicable law, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, or mass absenteeism, or induce any mass resignation during the term of this Agreement.

ARTICLE XXIV - BULLETIN BOARDS

The Union may post notices on bulletin boards in places and locations where notices usually are posted by the Employer for employees to read. All notices shall be on Union stationery, shall be used only to notify employees of matters pertaining to Union affairs, and shall not contain any derogatory or inflammatory statements concerning the City, the Department, or personnel employed by either entity.

ARTICLE XXV - NO WAIVER

Except as otherwise provided in this Agreement, the failure to enforce any provision of this Agreement shall not be deemed a waiver thereof. This Agreement is not intended and shall not be construed as a waiver of any right or benefit to which Assistant Deputy Wardens, Deputy Wardens, and/or Deputy Wardens-in-Command are entitled by law.

ARTICLE XXVI - SAVINGS CLAUSE

If any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XXVII - LABOR-MANAGEMENT COMMITTEE

Section 1.

The City and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee in each of the agencies having at least fifty (50) employees covered by this Agreement.

Section 2.

Each labor-management committee shall consider and recommend to the agency head changes in the working conditions of the employees within the agency who are covered by this Agreement. Matters subject to the grievance procedure shall not be appropriate items for consideration by the labor-management committees.

Section 3.

Each labor-management committee shall consist of six (6) members who shall serve for the term of this Agreement. The Union shall designate three (3) members and the agency head shall designate three (3) members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one (1) alternate. Each committee shall select a chairman from among its members at each meeting. The chairmanship of each committee shall alternate between the members designated by the agency head and the members designated by the Union. A quorum shall consist of a majority of the total membership of a committee. A committee shall make its recommendations to the agency head in writing.

At the request of either the Department of Correction or the Assistant Deputy Wardens/Deputy Wardens Association, a representative of the Office of Labor Relations will sit in on the Labor Management Committee.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the City members at times mutually agreeable to both parties. At least one (1) week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of a committee.

ARTICLE XXVIII - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law including the New York State Financial Emergency Act for the City of New York, as amended.

WHEREFORE, we have hereunto set our hands and seals this 3rd day of July, 2006.

Re: ADW/DWA Agreement for the period July 1, 2003 to February 29, 2008

Dear Mr. Schwartzbaum:

When the Departmental Doctor determines that an Assistant Deputy Warden is injured in the line of duty and is incapacitated and unable to return to work for a finite period of time, then the Department will not confine such officer to his residence for that period. If the administrative determination by the Commissioner or his designee is different from that of the Departmental Doctor, then the change will be communicated to the officer by telephone or in writing.

It is expressly understood that the determination by the Commissioner or his designee is final and not subject to the grievance procedure. This procedure does not affect any other rule or regulation of the Department.

Very truly yours,

Martin T. Horn

Re: ADW/DWA Agreement for the period July 1, 2003 to February 29, 2008.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding the increased number of appearances required by certain Assistant Deputy Wardens as follows:

Each employee promoted to Assistant Deputy Warden on or after July 1, 1990 shall be required to work six (6) additional tours per year beyond the number required for a similarly situated incumbent Assistant Deputy Warden.

Effective July 1, 1998, upon completion of six (6) years of service as an Assistant Deputy Warden, employees promoted to Assistant Deputy Warden on or after July 1, 1990 shall be required to make the same number of appearances as a similarly situated Assistant Deputy Warden who had been promoted before July 1, 1990.

Effective March 1, 2003, immediately upon completion of four (4) years of service as an Assistant Deputy Warden, employees promoted to Assistant Deputy Warden on or after July 1, 1990 shall be required to make the same number of appearances as a similarly situated incumbent Assistant Deputy Warden who had been promoted before July 1, 1990.

The parties agree that the increased number of appearances required by certain employees who are promoted to Assistant Deputy Warden on or after July 1, 1990, whereby they shall be required to work six (6) additional tours per year beyond the number required for a similarly situated incumbent Assistant Deputy Warden, shall cease to apply upon such employees' promotion to Deputy Warden and/or Deputy Warden-in-Command.

Dear Mr. Schwartzbaum:

The City and the ADW/DWA recognize that, pursuant to Administrative Code Section 12-127, the City is obligated to pay for the cost of line of duty injury prescription drugs for ADW/DWA members. The parties further recognize that a significant number of ADW/DWA members have utilized the ADW/DWA Security Benefits Fund to pay for these prescription drugs without reimbursement by the City. The ADW/DWA agrees to waive any and all claims retroactively and prospectively against the City for the reimbursement of the cost of line of duty injury prescription drugs.

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding Article XVI of the above Agreement.

In consideration of the fact that the ADW/DWA agrees to forego seven (7) of the regularly scheduled monthly meetings, release time with pay shall continue to be permitted for one (1) day per week for each of the following positions: President; Vice President; and, one (1) other individual designated by the ADW/DWA, for a total of three (3) days per week. The ADW/DWA will give advance notice to the Department of Correction of its request for such release time.

For the purpose of attending the five (5) remaining regularly scheduled meetings (to be held in January, March, May, September, and November), Union delegates shall be excused from duty if the meeting coincides with the delegate's scheduled tour, provided that the command has received at least seventy-two (72) hours advance notice of such request for excusal.

"Legal Support/Representation Fund"

Dear Mr. Schwartzbaum:

This is to confirm our mutual understanding and agreement regarding the "Legal Support/Representation Fund" established pursuant to collective bargaining on the above-captioned agreement.

Effective as soon as practicable upon ratification, the City shall remit a one-time lump sum payment of $400 on behalf of each active Assistant Deputy Warden, Deputy Warden and Deputy Warden-in-Command to establish a legal support/representation fund pursuant to the terms of a supplemental agreement between the City and the Union as approved by the Corporation Counsel. While these funds shall be administered by the Welfare Fund administrator, they are to be maintained in a separate account and shall not be commingled with any other monies received by the Welfare Fund and/or the Civil Legal Representation Fund. Only the $400 provided above may be used for legal support/representation. No monies from the Welfare Fund and/or the Civil Legal Representation Fund may be used for such legal support/representation.

The ADW/DWA expressly understands and agrees that the monies from the legal support/representation fund cannot and shall not be used in any action directly or indirectly adverse to the interests of the City.

The ADW/DWA further agrees that the legal support/representation fund cannot and shall not be used in any manner that would otherwise conflict with the terms of the side letter dated July 17, 1985 that sets forth the

"Legal Support/Representation Fund"

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section**, no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots#

comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not seek:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

EDUCATION

■ NOTICE

AGENDA

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 AM, Thursday, July 27, 2006.

ITEM(S) FOR CONSIDERATION:

1. Center for Alternative Sentencing and Employment Services (CASES)

Service(s): The Office of Alternative, Adult and Continuing Education Schools and Programs is requesting a non-competitive award for a three-year agreement with CASES. CASES will facilitate a school re-engagement program at the Community Prep High School for students returning from the custody of law enforcement. Over the last five years CASES has worked in partnership with the DOE to facilitate the transition of court-involved youth to community schools.

The term of this agreement will be for 3 years from July 1, 2006 through June 30, 2009 at a total cost of $600,000, or $200,000 annually.

TERM: 7/1/2006-6/30/2009 Contract Cost: $600,000

2. Heart of Change; Change of Heart Associates

Service(s): Region 3 is requesting a non-competitive award to continue to use Heart of Change. Heart of Change has been working with Region 3 for the past 2 years, and the prior Professional Development RFP that was utilized has now expired. Heart of Change provides direct services to principals and school teams to build the capacity for school leaders and instructional supervisors and coaches.

The term of this agreement will be from July 1, 2006 to June 30, 2007 at a cost of $137,500.

TERM: 7/1/2006-6/30/2007 Contract Cost: $137,500.00

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD WEDNESDAY, AUGUST 23, 2006, PURSUANT TO SECTIONS 6 AND 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, ARTICLE 2 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED ATLANTIC YARDS LAND USE IMPROVEMENT AND CIVIC PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:30 p.m. on Wednesday, August 23, 2006, by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC") pursuant to Sections 6 and 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "UDC Act"), Article 2 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively "SEQRA") to consider: (a) the General Project Plan (the "General Project Plan") for the proposed Atlantic Yards Land Use Improvement and Civic Project (the "Project"); (b) the proposed acquisition by condemnation of certain property located within the Project site (described below) in furtherance of the Project; (c) the essential terms of proposed leases and conveyances with respect to the Project; and (d) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to provide comments on the General Project Plan, pursuant to Section 16 of the UDC Act; (3) pursuant to Section 6 of the UDC Act, giving all interested persons an opportunity to comment on the essential terms of the proposed leases and conveyances with respect to the Project; (4) reviewing the public use to be served by the Project and the impact of the Project on the environment and residents of the locality where the Project would be constructed, pursuant to Article 2 of the EDPL; (5) advising all persons and property owners within the Project site of what properties are contemplated for acquisition by eminent domain; and (6) giving all interested persons the opportunity to give testimony on the DEIS, pursuant to SEQRA.

Project Site and Project Description
The Project site encompasses approximately 22 acres in Brooklyn and includes (i) all the property bounded by Atlantic Avenue, Flatbush Avenue, Dean Street and Vanderbilt Ave, except that within Block 1128 (bounded by 6th Avenue, Dean Street, Carlton Avenue and Pacific Street) only lots 1, 2, 4, 85, 86, 87, 88 and 89 are included in the Project site) and (ii) a parcel bounded by Atlantic Avenue, Flatbush Avenue, Pacific Street and 4th Avenue, including Block 927, lots 1 and 16 but excluding Block 927 lot 26 (the site of a community garden).

The Project is described in detail in the General Project Plan, available to the public as set forth below. It includes the development on the Project site of (i) an approximately 18,000 seat arena, (ii) a reconfigured Vanderbilt rail yard to be operated by the Metropolitan Transportation Authority ("MTA"), (iii) subway improvements, (iv) the development of 16 buildings for residential, office, retail and possibly hotel uses, including approximately 5,790 to 6,860 low, moderate and market rate housing units, and (v) a minimum of 7 acres of publicly accessible open space.

Public Purpose
The public purposes of the Project include: (a) enhancement of the surrounding area by eliminating blighted conditions on

the Project site; (b) provision for new development at the Project site, including an arena for sporting, entertainment and civic events, including professional basketball; office space; housing, including housing available for low, moderate and middle income families; related local retail and community facilities; and a minimum of seven acres of publicly accessible open space; (c) reconfiguration and improvement of the Vanderbilt rail yard and the opening of a new subway station entrance; and (d) generation of substantial fiscal and economic benefits for the City and State and the creation of construction and permanent jobs.
A number of ESDC discretionary actions are subject to review pursuant to the UDC Act, EDPL and SEQRA. These actions include ESDC's affirmation of the General Project Plan, the condemnation of privately owned land and City owned land, the disposition by ESDC of the Project site and the provision of State funds in furtherance of the Project.

After the public hearing is held and a 30-day public comment period is concluded, a Final Environmental Impact Statement ("FEIS") will be completed by ESDC and ESDC Directors will be requested to issue the FEIS and affirm, or if appropriate, modify the General Project Plan, and make statutory findings under the EDPL and SEQRA. In addition, to effectuate the Project, as described in the General Project Plan, ESDC would exercise its statutory authority to override local zoning requirements that apply to the Project site and any other local laws which are inconsistent with the General Project Plan.

Proposed Property Acquisition
The General Project Plan contemplates that ESDC would acquire title to the Project site (exclusive of those parcels retained by the MTA to operate its train yard and certain real estate interests, primarily air space, that the MTA would convey directly to ESDC) by exercise of its statutory power of eminent domain.

The following is a list of the specific parcels that would be acquired by eminent domain, which list includes parcels owned by the City, Forest City Ratner Companies ("FCRC") or its affiliates, or unrelated private third parties:

1129	62	645 Dean Street	
1129	76	603 Dean Street	
1129	81	585-601 Dean Street	

The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street addresses and the tax blocks and lots, the block and lot information shall control.

In addition, the following street beds would be acquired by eminent domain: (i) 5th Avenue between Atlantic and Flatbush Avenues (inclusive of the small traffic island bounded by Flatbush and 5th Avenues and Dean Street); (ii) Pacific Street between Flatbush and 6th Avenues; and (iii) Pacific Street between Carlton and Vanderbilt Avenues.

All acquisitions by condemnation would be made in full compliance with the requirements of the UDC Act, SEQRA and EDPL. According to EDPL Section 202(C), those property owners who may subsequently wish to challenge the condemnation of their property via judicial review, may do so only on the basis of issues, facts, and objections raised at the public hearing.

Proposed Disposition
Once the Project site is assembled by ESDC, ESDC would enter into leases and convey parcels within the Project site, as follows:

(i) Arena parcel - ESDC would lease the arena parcel for $1.00, for an initial term of 30 to 40 years, to a newly-created local development corporation ("LDC"). The LDC would simultaneously sub-lease the Arena parcel for $1 to an affiliate of FCRC, referred to as "Arena Co.", for the same initial term. Arena Co. would be responsible for constructing the arena (with the use of bond proceeds from bonds issued by the LDC) and, at its sole cost and expense, would be responsible for maintaining and operating the arena. Arena Co. would sub-sub-lease the arena to the owner of the New Jersey Nets professional basketball franchise, which would also enter into a non-relocation agreement with ESDC and the City for the duration of the initial term of the lease. Upon the expiration of the initial term, the sublease between LDC and Arena Co. would terminate, and Arena Co. would have the right to lease the arena from ESDC, at fair market rental, for a term which, when added to the initial term of the sublease, would not exceed 99 years (the "Extended Lease"). Pursuant to the Extended Lease between Arena Co. and ESDC, Arena Co. would have the option to purchase the arena parcel and arena at any time for its fair market value. As a result of ESDC ownership, the premises would be exempt from real estate taxes, mortgage recording taxes, if applicable, and would be exempt from sales tax with respect to initial construction and fit-out and any capital replacement and repairs. For the initial term, Arena Co. would be obligated to make payments-in-lieu-of taxes equal to the lesser of debt service on tax exempt bonds expected to be issued to finance the Arena (plus a potential 10% overage) or an amount equal to what full taxes would be if the property were not tax exempt. After the initial term, pursuant to the Extended Lease, Arena Co. would be obligated to make payments-in-lieu-of-taxes equal to what full taxes would be if the property were not tax exempt, with 10% of such payments-in-lieu of taxes being applied to maintenance and repair of the arena and the balance being remitted to the City. The arena would be designed in accordance with Design Guidelines established by ESDC and the City (as set forth in the General Project Plan).

(ii) Other development sites – ESDC expects to enter into leases for each of the 16 other development sites to an affiliate of FCRC for base rent of $1 a year. The essential terms for each of the leases would be the same. ESDC would retain title to each leased parcel through the completion of construction thereon. The lease would provide for additional rent, or payments-in-lieu-of taxes, in an amount to be agreed to by the City. The FCRC affiliate would have responsibility for maintaining the site and constructing the improvements on the site. Upon the completion of construction, the FCRC affiliate would have an option to purchase the site and improvements thereon for $1, or ESDC may unilaterally convey the premises to the FCRC affiliate for $1. As a result of ESDC ownership, each development site would be exempt from real estate taxes through completion of construction thereon and certain mortgage recording taxes. Under the terms of the leases, the appropriate FCRC affiliate would be obligated to pay the equivalent of what sales and use taxes for construction of the improvements would have been but for ESDC ownership.

(iii) MTA conveyance – To facilitate the development and operation of the reconfigured Vanderbilt yard, ESDC would convey, for $1, a portion of the real estate interests in Block 1121, Lot 47 and Block 1121, Lot 42 to the MTA.

(iv) Public Spaces – ESDC would convey to a special purpose not-for-profit corporation, established to own, operate and maintain the public spaces, for $1, the sites described in the General Project Plan that would constitute the public open spaces. The operation and maintenance of the public spaces would be funded by the owners of the surrounding developments within the Project site.

Potential Impacts of the Project
ESDC, as the SEQRA lead agency, has certified the DEIS which has been prepared in accordance with both City and State environmental regulations for the actions described above. The Project is classified as a Type I action under SEQRA. The DEIS identifies the following areas of potential significant adverse impact: schools, cultural resources, visual resources, shadows, traffic, pedestrian crossings, noise and construction. The DEIS describes practicable and feasible measures to mitigate these impacts, where applicable.

Availability of the General Project Plan and DEIS
The General Project Plan, which contains a detailed description of the Project, as well as the DEIS, are on file at the office of ESDC, 633 Third Avenue, New York, New York 10017 and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday, public holidays excluded.

A copy of the General Project Plan and the executive summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. A CD-ROM that includes the entire DEIS is also available at no charge upon request. Paper copies of the complete DEIS are available for purchase. Copies of the General Project Plan are also available at the ESDC web site at http://www.nylovesbiz.com/AtlanticYards/. In addition, copies of the DEIS are available at the Brooklyn Public Library at its central location at Grand Army Plaza and at the branches located at 25 Fourth Avenue (Pacific Branch), 496 Franklin Avenue (Bedford Branch), 93rd Street and Edwards Street (Walt Whitman Branch) and 380 Washington Avenue (Clinton Hill Branch). Pursuant to Section 16(2) of the UDC Act, ESDC also has filed a copy of the General Project Plan, and the findings required under Section 10 of the UDC Act, in the office of the Clerk of Kings County and the office of the Clerk of the City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of Kings County, the Chair of the City Planning Commission, and the Chairs of Brooklyn Community Boards 2, 6 and 8. Copies of the DEIS have been provided to all involved agencies and to other parties as required under SEQRA. Copies of the General Project Plan and an inspection copy of the DEIS will also be available at the public hearing. To inspect and/or obtain copies of the General Project Plan and DEIS from ESDC, please contact Maria Mooney at (212) 803-3133.

Comments
Comments on the General Project Plan, the DEIS, the proposed condemnation of real property and the terms for the proposed acquisition and conveyance of the Project site are requested. Comments must be received within thirty days of the date of the public hearing (i.e. on or before 5:30 p.m. on September 22, 2006). Written comments should be delivered to ESDC, at 633 Third Avenue, New York, New York 10017 (Attention: Maria Mooney), or may be submitted by e-mail to atlanticyards@empire.state.ny.us.

Comments may also be made verbally at the public hearing or at a community forum which will also be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m on September 12, 2006. ESDC representatives will be present at the community forum.

All verbal comments made at the public hearing or at the community forum, and all written comments received by ESDC prior to 5:30 pm on September 22, 2006 will be considered by ESDC prior to final consideration of the General Project Plan and issuance of the FEIS.

SUPREME COURT

■ NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;

2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Coordinates and bearings are in a system established by the United States Coast And Geodetic Survey for the Borough of Staten Island.

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§ 503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before June 27, 2007 (which is one (1) calendar year from the title vesting date), to file a written claim with the Clerk of the Court of Richmond County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL § 504, the claim shall include:

1. the name and post office address of the condemnee;

2. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

3. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

4. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL § 503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

PLEASE TAKE FURTHER NOTICE, that, pursuant to § 5-310 of the New York City Administrative Code, proof of title shall be submitted to the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007 on or before June 27, 2008 (which is two (2) calendar years from the title vesting date).

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times, there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. Each community award will be for $150,000 and will run for twelve months from registration of the contract. The estimated total duration of the Community Partnerships Initiative is 23 months, from August 2006 to June 2008. This timeframe does not include evaluation.

ACS finds this procurement to be a demonstration project because the City has never delivered services via a coalition approach. It is therefore in the City's best interest to test and evaluate this proposed approach for feasibility and efficiency without a large commitment of resources.

ACS also finds this procurement to be innovative because of its selection process. The traditional selection approach for demonstration projects is inadequate as outlined in the Procurement Policy Board (PPB) Rules section 3 - 11 (e-g) because no proposed vendor has been identified, there will be multiple awards from this procurement, and negotiations will be held only with vendors (in a coalition) who submit a proposal. Incorporating a proposal selection process into this method is also innovative and will require all who wish to participate to develop or join a coalition, and submit a proposal.

This method will be evaluated to determine whether it is in the City's interest to codify the method used into future PPB Rules.

Anyone interested in expressing comments on or submitting an expression of interest in this procurement may do so by writing to Michael Walker, Administration for Children's Services, Office of Contracts, 150 William Street, 9th Floor, New York, NY 10038. All statements of interest or comments must be received by 4 P.M., August 15, 2006.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/rehabilitated elevators at Police Headquarters.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

REQUEST FOR PROPOSALS
Mixed-Use Development Opportunity
City-Owned Former Brig Site
Wallabout, Brooklyn

The New York City Department of Housing Preservation and Development (HPD) is pleased to invite experienced real estate developers to respond to a Request for Proposals (RFP) for a mixed-use development on a 103,000 square foot City-owned site in Wallabout, Brooklyn. The project will include a mix of housing types (homeownership, rental, and permanent supportive housing), ground-floor neighborhood retail/c ommercial space, 15,000 square feet of community facility space, landscaped open space, and parking. As a pilot for New York City's Design and Construction Excellence Initiative, this project should serve as an outstanding example of high-quality, sustainable design and construction

that is financially feasible and responsive to the community. All buildings in the project must achieve Leadership in Energy and Environmental Design (LEED) certification. Applicants are responsible for assembling a development team that will include members with expertise in mixed-use development and design excellence. Proposals will be reviewed by HPD with input from the New York City Department of Design and Construction (DDC) and the Community Task Force for the Redevelopment of the Brig Site.

A minimum of 50% of the residential units, not including the permanent supportive housing, must be affordable to households earning a maximum of 130% of the Area Median Income (AMI); a minimum of 20% must be affordable to households earning a maximum of 80% of AMI. A minimum of 75 permanent supportive housing studio units must be provided and affordable to individuals earning a maximum of 60% of AMI.

The RFP will be available on July 20, 2006 on HPD's website, http://www.nyc.gov/html/hpd/html/developers/rfp.shtml, or a hard copy may be purchased for a $75 non-refundable fee in the form of a certified check or money order payable to the New York City Department of Finance.

A pre-submission conference will be held at HPD, 100 Gold Street, Room 1R, New York, NY 10038 on August 2, 2006 at 2:00 P.M. All proposals are due by hand no later than 4:00 P.M. on November 1, 2006. Inquiries should be directed to: Carolyn Zern, HPD Office of Development, Division of Planning and Pipeline Development, 100 Gold Street, Room 9G-4, New York, NY 10038; Telephone: (212) 863-6519; E-mail: zernc@hpd.nyc.gov.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

78-06
Ownership

(a) Except as otherwise provided in this Section, any #large-scale residential development# for which application is made for an authorization or special permit or modification thereto in accordance with the provisions of this Chapter shall be on a tract of land that at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. **Except as otherwise provided in this Section,** no authorization or special permit or modification thereto shall be granted for such #development# unless the applicant(s) acquired actual

ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #development#) of, or executed a binding sales contract for, all of the property comprising such tract.

(b) Except as otherwise provided in paragraph (c) of this Section with respect to a #large scale residential development# within an urban renewal area or former urban renewal area, for any #large scale residential development# located in the Community District(s) listed in this paragraph, the owner(s) of a vacant parcel(s) may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), provided that such modification does not:

(1) result in the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or

(2) increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond that amount permitted by the applicable district regulations. Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.

Community District	Borough
Community District # 7	Queens

(c) When a #development# is part or all of a designated urban renewal project, the City's urban renewal agency, or a person authorized by such agency, may make application for and be granted authorizations or special permits under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale residential development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

In the event that the urban renewal plan has expired, the owner(s) of a vacant parcel(s) within such #large scale residential development#, if located in a former urban renewal area listed in this ~~Section~~ paragraph, (c), may make application for and be granted modifications of authorizations or special permits previously granted under the provisions of this Chapter with respect to such parcel(s), ~~provided that such modification does not:~~ pursuant to and subject to the limitations of paragraph (b) of this Section.

~~(a) the distribution of #floor area# from any #zoning lot# not included within such parcel(s); or~~

~~(b) to increase the total allowable #floor area# on any #zoning lot# included within such parcel(s) beyond the amount permitted by the applicable district regulations.~~

~~Such modifications may include the withdrawal of such parcel(s) from the boundaries of the #large scale residential development#, provided that such modification would not create a non-compliance within the #large scale residential development#.~~

Former Urban Renewal Area	Community District
West Side Urban Renewal Area	CD 7, Manhattan

(d) When a #residential large scale residential development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, other than the City's urban renewal agency, or its agent, having the power of condemnation, authorizations or special permits may be applied for and granted under the provisions of this Chapter, even though such #large scale residential development# does not meet the ownership requirements set forth elsewhere in this Section.

EDUCATION

■ NOTICE

AGENDA

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 AM, Thursday, July 27, 2006.

ITEM(S) FOR CONSIDERATION:

1. Center for Alternative Sentencing and Employment Services (CASES)

Service(s): The Office of Alternative, Adult and Continuing Education Schools and Programs is requesting a non-competitive award for a three-year agreement with CASES. CASES will facilitate a school re-engagement program at the Community Prep High School for students returning from the custody of law enforcement. Over the last five years CASES has worked in partnership with the DOE to facilitate the transition of court-involved youth to community schools.

The term of this agreement will be for 3 years from July 1, 2006 through June 30, 2009 at a total cost of $600,000, or $200,000 annually.

TERM: 7/1/2006-6/30/2009 Contract Cost: $600,000

2. Heart of Change; Change of Heart Associates

Service(s): Region 3 is requesting a non-competitive award to continue to use Heart of Change. Heart of Change has been working with Region 3 for the past 2 years, and the prior Professional Development RFP that was utilized has now expired. Heart of Change provides direct services to principals and school teams to build the capacity for school leaders and instructional supervisors and coaches.

The term of this agreement will be from July 1, 2006 to June 30, 2007 at a cost of $137,500.

TERM: 7/1/2006-6/30/2007 Contract Cost: $137,500.00

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD WEDNESDAY, AUGUST 23, 2006, PURSUANT TO SECTIONS 6 AND 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, ARTICLE 2 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED ATLANTIC YARDS LAND USE IMPROVEMENT AND CIVIC PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:30 p.m. on Wednesday, August 23, 2006, by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC") pursuant to Sections 6 and 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "UDC Act"), Article 2 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively "SEQRA") to consider: (a) the General Project Plan (the "General Project Plan") for the proposed Atlantic Yards Land Use Improvement and Civic Project (the "Project"); (b) the proposed acquisition by condemnation of certain property located within the Project site (described below) in furtherance of the Project; (c) the essential terms of proposed leases and conveyances with respect to the Project; and (d) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to provide comments on the General Project Plan, pursuant to Section 16 of the UDC Act; (3) pursuant to Section 6 of the UDC Act, giving all interested persons an opportunity to comment on the essential terms of the proposed leases and conveyances with respect to the Project; (4) reviewing the public use to be served by the Project and the impact of the Project on the environment and residents of the locality where the Project would be constructed, pursuant to Article 2 of the EDPL; (5) advising all persons and property owners within the Project site of what properties are contemplated for acquisition by eminent domain; and (6) giving all interested persons the opportunity to give testimony on the DEIS, pursuant to SEQRA.

Project Site and Project Description
The Project site encompasses approximately 22 acres in Brooklyn and includes (i) all the property bounded by Atlantic Avenue, Flatbush Avenue, Dean Street and Vanderbilt Ave, except that within Block 1128 (bounded by 6th Avenue, Dean Street, Carlton Avenue and Pacific Street) only lots 1, 2, 4, 85, 86, 87, 88 and 89 are included in the Project site) and (ii) a parcel bounded by Atlantic Avenue, Flatbush Avenue, Pacific Street and 4th Avenue, including Block 927, lots 1 and 16 but excluding Block 927 lot 26 (the site of a community garden).

The Project is described in detail in the General Project Plan, available to the public as set forth below. It includes the development on the Project site of (i) an approximately 18,000 seat arena, (ii) a reconfigured Vanderbilt rail yard to be operated by the Metropolitan Transportation Authority ("MTA"), (iii) subway improvements, (iv) the development of 16 buildings for residential, office, retail and possibly hotel uses, including approximately 5,790 to 6,860 low, moderate and market rate housing units, and (v) a minimum of 7 acres of publicly accessible open space.

Public Purpose
The public purposes of the Project include: (a) enhancement of the surrounding area by eliminating blighted conditions on the Project site; (b) provision for new development at the Project site, including an arena for sporting, entertainment and civic events, including professional basketball; office space; housing, including housing available for low, moderate and middle income families; related local retail and community facilities; and a minimum of seven acres of publicly accessible open space; (c) reconfiguration and improvement of the Vanderbilt rail yard and the opening of a new subway station entrance; and (d) generation of substantial fiscal and economic benefits for the City and State and the creation of construction and permanent jobs.
A number of ESDC discretionary actions are subject to review pursuant to the UDC Act, EDPL and SEQRA. These actions include ESDC's affirmation of the General Project Plan, the condemnation of privately owned land and City owned land, the disposition by ESDC of the Project site and the provision of State funds in furtherance of the Project.

After the public hearing is held and a 30-day public comment period is concluded, a Final Environmental Impact Statement ("FEIS") will be completed by ESDC and ESDC Directors will be requested to issue the FEIS and affirm, or if appropriate, modify the General Project Plan, and make statutory findings under the EDPL and SEQRA. In addition, to effectuate the Project, as described in the General Project Plan, ESDC would exercise its statutory authority to override local zoning requirements that apply to the Project site and any other local laws which are inconsistent with the General Project Plan.

Proposed Property Acquisition
The General Project Plan contemplates that ESDC would acquire title to the Project site (exclusive of those parcels retained by the MTA to operate its train yard and certain real estate interests, primarily air space, that the MTA would convey directly to ESDC) by exercise of its statutory power of eminent domain.
The following is a list of the specific parcels that would be acquired by eminent domain, which list includes parcels owned by the City, Forest City Ratner Companies ("FCRC") or its affiliates, or unrelated private third parties:

1129	62	645 Dean Street	
1129	76	603 Dean Street	
1129	81	585-601 Dean Street	

The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street addresses and the tax blocks and lots, the block and lot information shall control.

In addition, the following street beds would be acquired by eminent domain: (i) 5th Avenue between Atlantic and Flatbush Avenues (inclusive of the small traffic island bounded by Flatbush and 5th Avenues and Dean Street); (ii) Pacific Street between Flatbush and 6th Avenues; and (iii) Pacific Street between Carlton and Vanderbilt Avenues.

All acquisitions by condemnation would be made in full compliance with the requirements of the UDC Act, SEQRA and EDPL. According to EDPL Section 202(C), those property owners who may subsequently wish to challenge the condemnation of their property via judicial review, may do so only on the basis of issues, facts, and objections raised at the public hearing.

Proposed Disposition
Once the Project site is assembled by ESDC, ESDC would enter into leases and convey parcels within the Project site, as follows:

(i) Arena parcel - ESDC would lease the arena parcel for $1.00, for an initial term of 30 to 40 years, to a newly-created local development corporation ("LDC"). The LDC would simultaneously sub-lease the Arena parcel for $1 to an affiliate of FCRC, referred to as "Arena Co.", for the same initial term. Arena Co. would be responsible for constructing the arena (with the use of bond proceeds from bonds issued by the LDC) and, at its sole cost and expense, would be responsible for maintaining and operating the arena. Arena Co. would sub-sub-lease the arena to the owner of the New Jersey Nets professional basketball franchise, which would also enter into a non-relocation agreement with ESDC and the City for the duration of the initial term of the lease. Upon the expiration of the initial term, the sublease between LDC and Arena Co. would terminate, and Arena Co. would have the right to lease the arena from ESDC, at fair market rental, for a term which, when added to the initial term of the sublease, would not exceed 99 years (the "Extended Lease"). Pursuant to the Extended Lease between Arena Co. and ESDC, Arena Co. would have the option to purchase the arena parcel and arena at any time for its fair market value. As a result of ESDC ownership, the premises would be exempt from real estate taxes, mortgage recording taxes, if applicable, and would be exempt from sales tax with respect to initial construction and fit-out and any capital replacement and repairs. For the initial term, Arena Co. would be obligated to make payments-in-lieu-of taxes equal to the lesser of debt service on tax exempt bonds expected to be issued to finance the Arena (plus a potential 10% overage) or an amount equal to what full taxes would be if the property were not tax exempt. After the initial term, pursuant to the Extended Lease, Arena Co. would be obligated to make payments-in-lieu-of-taxes equal to what full taxes would be if the property were not tax exempt, with 10% of such payments-in-lieu of taxes being applied to maintenance and repair of the arena and the balance being remitted to the City. The arena would be designed in accordance with Design Guidelines established by ESDC and the City (as set forth in the General Project Plan).

(ii) Other development sites – ESDC expects to enter

into leases for each of the 16 other development sites to an affiliate of FCRC for base rent of $1 a year. The essential terms for each of the leases would be the same. ESDC would retain title to each leased parcel through the completion of construction thereon. The lease would provide for additional rent, or payments-in-lieu-of taxes, in an amount to be agreed to by the City. The FCRC affiliate would have responsibility for maintaining the site and constructing the improvements on the site. Upon the completion of construction, the FCRC affiliate would have an option to purchase the site and improvements thereon for $1, or ESDC may unilaterally convey the premises to the FCRC affiliate for $1. As a result of ESDC ownership, each development site would be exempt from real estate taxes through completion of construction thereon and certain mortgage recording taxes. Under the terms of the leases, the appropriate FCRC affiliate would be obligated to pay the equivalent of what sales and use taxes for construction of the improvements would have been but for ESDC ownership.

(iii) MTA conveyance – To facilitate the development and operation of the reconfigured Vanderbilt yard, ESDC would convey, for $1, a portion of the real estate interests in Block 1121, Lot 47 and Block 1121, Lot 42 to the MTA.

(iv) Public Spaces – ESDC would convey to a special purpose not-for-profit corporation, established to own, operate and maintain the public spaces, for $1, the sites described in the General Project Plan that would constitute the public open spaces. The operation and maintenance of the public spaces would be funded by the owners of the surrounding developments within the Project site.

Potential Impacts of the Project
ESDC, as the SEQRA lead agency, has certified the DEIS which has been prepared in accordance with both City and State environmental regulations for the actions described above. The Project is classified as a Type I action under SEQRA. The DEIS identifies the following areas of potential significant adverse impact: schools, cultural resources, visual resources, shadows, traffic, pedestrian crossings, noise and construction. The DEIS describes practicable and feasible measures to mitigate these impacts, where applicable.

Availability of the General Project Plan and DEIS
The General Project Plan, which contains a detailed description of the Project, as well as the DEIS, are on file at the office of ESDC, 633 Third Avenue, New York, New York 10017 and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday, public holidays excluded.
A copy of the General Project Plan and the executive summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. A CD-ROM that includes the entire DEIS is also available at no charge upon request. Paper copies of the complete DEIS are available for purchase. Copies of the General Project Plan are also available at the ESDC web site at http://www.nylovesbiz.com/AtlanticYards/. In addition, copies of the DEIS are available at the Brooklyn Public Library at its central location at Grand Army Plaza and at the branches located at 25 Fourth Avenue (Pacific Branch), 496 Franklin Avenue (Bedford Branch), 93rd Street and Edwards Street (Walt Whitman Branch) and 380 Washington Avenue (Clinton Hill Branch). Pursuant to Section 16(2) of the UDC Act, ESDC also has filed a copy of the General Project Plan, and the findings required under Section 10 of the UDC Act, in the office of the Clerk of Kings County and the office of the Clerk of the City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of Kings County, the Chair of the City Planning Commission, and the Chairs of Brooklyn Community Boards 2, 6 and 8. Copies of the DEIS have been provided to all involved agencies and to other parties as required under SEQRA. Copies of the General Project Plan and an inspection copy of the DEIS will also be available at the public hearing. To inspect and/or obtain copies of the General Project Plan and DEIS from ESDC, please contact Maria Mooney at (212) 803-3133.

Comments
Comments on the General Project Plan, the DEIS, the proposed condemnation of real property and the terms for the proposed acquisition and conveyance of the Project site are requested. Comments must be received within thirty days of the date of the public hearing (i.e. on or before 5:30 p.m. on September 22, 2006). Written comments should be delivered to ESDC, at 633 Third Avenue, New York, New York 10017 (Attention: Maria Mooney), or may be submitted by e-mail to atlanticyards@empire.state.ny.us.

Comments may also be made verbally at the public hearing or at a community forum which will also be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m on September 12, 2006. ESDC representatives will be present at the community forum.

All verbal comments made at the public hearing or at the community forum, and all written comments received by ESDC prior to 5:30 pm on September 22, 2006 will be considered by ESDC prior to final consideration of the General Project Plan and issuance of the FEIS.

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the METROPOLITAN TRANSPORTATION AUTHORITY ("MTA"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 31, 2006, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law:

(a) authorizing MTA to file an acquisition map in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan;

(b) directing that, upon the filing of the order and of such map, title to the real property easements sought to be acquired shall immediately vest in MTA;

(c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and

(d) granting the MTA such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the easements in the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by MTA are located on West 41st Street on Block 1013, Lot 6 (640 8th Avenue) and Block 1050, Lot 1 (538 10th Avenue), Lot 6 (455 West 40th Street), Lot 61 (554 10th Avenue) and Lot 158 (454 West 41st Street), all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. The temporary easement affecting Block 1013, Lot 6 is located on the northerly side of West 41st Street east of Eighth Avenue and is approximately 24.75 feet wide running the length of Lot 6 in an easterly-westerly direction and shall be situated approximately 15 to 60 feet below street level. The permanent easements affecting Block 1050, Lot 1, 6, 61 and 158 are adjacent and are located on the southerly side of West 41st Street, east of Tenth Avenue. The permanent easements are approximately 5 feet wide, run in an easterly-westerly direction along the northern property lines of those lots and are located some 40 feet to 90 feet below street level.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map showing the perimeters of the property to be acquired is set forth below:

SUPREME COURT

■ NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.

The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;

2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

COMMUNITY PARTNERSHIP INITIATIVE – Innovative Procurement – PIN# 06807INV0001 – DUE 08-15-06 AT 4:00 P.M. – ACS seeks community-based organizations to work with ACS-funded foster care, preventive, and child care/Head Start organizations, as well as ACS child protective staff, as members of coalitions for a demonstration project. ACS wishes to determine the feasibility and efficiency of a community based approach to children's services. ACS believes this approach will lead to services that will be more community-oriented and will tap into the wealth of resources available within the community to help children and their families.

ACS intends to conduct demonstrations in the following 11 differentcommunity districts throughout the five boroughs: Mott Haven (Bronx CD 1), Highbridge (Bronx CD 4), Soundview (Bronx CD 9), Bedford-Stuyvesant (Brooklyn CD 3), East New York (Brooklyn CD 5), Bushwick (Brooklyn CD4), Lower East Side (Manhattan CD 3), East Harlem (Manhattan CD 11), Elmhurst/ Corona (Queens CD4), Jamaica (Queens CD 12), and Stapleton (Staten Island CD 1).

After the expression of interest/comment period, ACS will send a solicitation letter, describing the scope of services necessary for proposals from interested coalitions, to all who express interest in response to this notice. In addition ACS will hold Community Partnership Initiative meetings in each of the 11 community districts.These meetings will be widely publicized, with the date set forth in both the solicitation letter and in a separate notice, and will be open to all community members and organizations. As this is a coalition approach, interested vendors are strongly encouraged to attend the meeting in their community, in order to engage other interested vendors and ask questions. During these meetings ACS will discuss the scope of services. Additionally, ACS will send the solicitation letter to anyone expressing interest at the meetings. Coalitions will have four weeks after their Community Partnership meeting to submit their proposals. Vendors may contact Michael Walker at (212) 341-3525 to be notified of Community Partnership meeting dates and obtain a copy of the solicitation letter. ACS will rank all proposals received from each community coalition based on pre-determined criteria; the organizations that have submitted the proposal which is determined to be in the best interest of the City will be selected as the coalition for that community district. ACS will then negotiate and develop a complete strategic plan with that coalition and make any award.

ACS recognizes that it cannot launch all 11 demonstrations simultaneously. Therefore, ACS plans to roll out the community partnership demonstrations in three stages: the first will commence with the solicitation of proposals in approximately August 2006, the second in approximately December 2006, and the third in approximately January 2007. Although these stages will be launched at different times, there will be a period where all coalitions will be working concurrently. The approximate value of this procurement will be $1,650,000. Each community award will be for $150,000 and will run for twelve months from registration of the contract. The estimated total duration of the Community Partnerships Initiative is 23 months, from August 2006 to June 2008. This timeframe does not include evaluation.

ACS finds this procurement to be a demonstration project because the City has never delivered services via a coalition approach. It is therefore in the City's best interest to test and evaluate this proposed approach for feasibility and efficiency without a large commitment of resources.

ACS also finds this procurement to be innovative because of its selection process. The traditional selection approach for demonstration projects is inadequate as outlined in the Procurement Policy Board (PPB) Rules section 3 - 11 (e-g) because no proposed vendor has been identified, there will be multiple awards from this procurement, and negotiations will be held only with vendors (in a coalition) who submit a proposal. Incorporating a proposal selection process into this method is also innovative and will require all who wish to participate to develop or join a coalition, and submit a proposal.

This method will be evaluated to determine whether it is in the City's interest to codify the method used into future PPB Rules.

Anyone interested in expressing comments on or submitting an expression of interest in this procurement may do so by writing to Michael Walker, Administration for Children's Services, Office of Contracts, 150 William Street, 9th Floor, New York, NY 10038. All statements of interest or comments must be received by 4:00 P.M., August 15, 2006.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/ rehabilitated elevators at Police Headquarters.

■ **NOTICE**

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the addition of Chapter 49 to Title 1 of the Official Compilation of the Rules of the City of New York, regarding "Sign[s]" as such term is used in Section 12-10 of the Zoning Resolution of the city of New York.

This rule was first published on August 15, 2005 and a public hearing thereon was held on September 14, 2005. This rule shall take effect 30 days from the date of publication.

Patricia J. Lancaster, F.A.I.A.
Commissioner

Dated: July 19, 2006
New York, New York

Section 1. Title 1 of the Rules of the City of New York is amended by adding a new chapter 49 to read as follows:

CHAPTER 49 – OUTDOOR SIGNS

Subchapter A - General Provisions

§ 49-01 Definitions. For the purposes of this chapter, the following terms shall have the following meanings:

Accessory sign. The term "accessory sign" shall mean an accessory sign within the meaning and intent of the term "accessory use" as defined in section 12-10 of the Zoning Resolution.

Advertising sign. The term "advertising sign" shall mean an "advertising sign" as defined in section 12-10 of the Zoning Resolution.

Affiliate outdoor advertising companies. The term "affiliate outdoor advertising companies" or "affiliate OACs" shall mean two or more outdoor advertising companies interrelated with one another such that one or more of such outdoor advertising companies maintains an interest in the others as hereinafter described: An outdoor advertising company ("OAC") (A) has an interest in another OAC (B) where one or more of the following are present:

(1) A owns 10 percent or more of the voting stock of B, where B is a stock-issuing entity;

(2) A is a general partner in B, where B is a partnership or joint venture;

(3) A has an ownership interest of 10 percent or more in B, in a form not otherwise described in (1) or (2) above, where such ownership interest confers a power or right to vote or exercise similar control over the affairs of B proportionate to such ownership interest;

(4) A has one or more officers in common with B;

(5) A has one or more key managers (chief executive officer; chief financial officer; chief operating officer; or persons with equivalent functions, irrespective of organizational title) in common with B;

(6) A, by agency or other agreement, whether written or oral, conducts part or all of B's outdoor advertising business or has the power or right to direct part or all of B's outdoor advertising business;

(7) A, by way of advertising, promotions or other methods, holds itself out as having the authority to, via a shared inventory arrangement, sell or lease space on signs situated on buildings or premises within the city, for outdoor advertising purposes, where the ownership, leasehold, license or other form of site control with respect to such signs is held by B.

For the purposes of this chapter both A and B shall be known and referred to individually by the term "affiliate OAC" or "affiliate" and collectively by the term "affiliate OACs" or "affiliates."

Affiliates shall be jointly and severally liable for compliance with this chapter. Where affiliation is established only by virtue of a shared inventory of signs, sign structures or sign locations as described in example (7) above, responsibility for compliance and any resulting liability shall be limited to the extent of such shared inventory.

Affiliated outdoor advertising company. The term "affiliated outdoor advertising company" or "affiliated OAC" shall mean a single OAC that has authorized a responsible affiliate to act on its behalf for registration in accordance with this chapter.

Applicant. The term "applicant" shall mean an OAC that has filed an application for registration with the Department as required by section 26-260 of the Administrative Code and subchapter B of this chapter. Except where application is made pursuant to section 49-12(a)(3) of this chapter, the party holding fee or the dominant lease to a sign, sign structure or sign location, shall act as the applicant. With respect to an application for registration filed on behalf of an affiliated OAC the term "applicant" shall mean the responsible affiliate.

Approach. The term "approach" as found within the description of arterial highways indicated within appendix C of the Zoning Resolution, shall mean that portion of a roadway connecting the local street network to a bridge or tunnel and from which there is no entry or exit to such network.

Arterial highways. The term "arterial highways" shall mean arterial highways as defined by section 26-253(c) of the Administrative Code.

Commissioner. The term "Commissioner" shall mean the Commissioner of Buildings or his/her designee.

Days. The term "days" shall mean calendar days.

Department. The term "Department" shall mean the Department of Buildings.

Material change. The term "material change" shall mean a change in information supplied to the Department on an application form where the Department has indicated on such form by asterisk or otherwise that the information to be supplied is considered by the Department to be significant.

Non-conforming sign. The term "non-conforming sign" shall mean a sign that is "non-conforming" as defined by section 12-10 of the Zoning Resolution. The extent of the "non-conforming" use status shall be as set forth in sections 32-66, 42-55, and 42-58 of the Zoning Resolution.

Outdoor advertising business. The term "outdoor advertising business" shall mean "outdoor advertising business" as defined by section 26-259(c) of the Administrative Code. For the purposes of this rule, property owners and managers shall not be considered engaged in the outdoor advertising business where they are involved strictly to the extent of leasing space on property they control to an independent registered OAC that has registered the sign within its sign inventory. Such exclusion shall not apply where the property owner/manager has any interest in an OAC or role in any aspect of the OAC's operation or management.

Outdoor advertising company. The term "outdoor advertising company" or "OAC" shall mean "outdoor advertising company" as defined by section 26-259(b) of the Administrative Code.

Responsible affiliate. The term "responsible affiliate" shall mean the applicant that is authorized, by written instrument filed with the Department, to file an application for registration and to otherwise act on behalf of an affiliated OAC and receive all notices required to be sent under this chapter on behalf of such affiliated OAC. For the purposes of this chapter any direction or requirement imposed upon an OAC shall, with respect to an affiliated OAC, be undertaken by the responsible affiliate on behalf of the affiliated OAC and such affiliated OAC shall be bound by the act or failure to act of such responsible affiliate.

Responsible officer. The term "responsible officer" shall mean an officer or official of an OAC who is authorized to bind and commit such OAC and any affiliate(s).

Sign. The term "sign" shall mean a sign as defined in section 12-10 of the Zoning Resolution. Such term shall not include any sign erected upon property not subject to Department jurisdiction. Each sign face shall be a sign.

Sign inventory. The term "sign inventory" shall mean the list of signs, sign structures and sign locations under the control of an OAC, responsible affiliate or affiliated OACs as required and specified by section 26-261 of the Administrative Code and section 49-15 of this chapter.

Sign location. The term "sign location" shall mean sign location as defined by section 26-259 (f) of the Administrative Code.

Sign structure. The term "sign structure" shall mean the supports or uprights, including the sign face(s), whether attached to a building or other structure or freestanding, of a sign.

Within view. The term "within view" shall mean that part or all of the sign copy, sign structure, or sign location that is discernable.

Work permit. The term "work permit" shall mean a permit to erect, alter or install signs or sign structures issued pursuant to section 27-177 of the Administrative Code.

§49-02 Obligation to cooperate with inquiries. All OACs and all principals thereof, shall cooperate with Department investigations into the conduct of the outdoor advertising business within the City of New York, and shall provide prompt, accurate and complete responses to reasonable inquiries by the Department about the conduct of such business.

§49-03 Obligation to comply with an order of the Commissioner. OACs shall be obligated to comply with any order issued by the Commissioner pursuant to this chapter.

§49-04 Severability. If any clause, sentence, paragraph, section or part of this rule or the application thereof to any person or circumstance shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this rule or the application thereof to other persons or circumstances, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person or circumstance involved.

Subchapter B - Registration of Outdoor Advertising Companies

§49-11 Effective dates. (a) On and after the 60th day after the effective date of this chapter, it shall be unlawful for an OAC to engage in the outdoor advertising business, or, by way of advertising, promotions or other methods, hold itself out as engaging in the outdoor advertising business, unless such OAC is registered with and has been issued a registration number by the Department and such registration has not expired or been revoked. Notwithstanding the foregoing provision, an OAC that is in existence on the effective date of this chapter may continue to do business as an OAC pending the issuance of a registration number if such OAC has filed a registration application pursuant to section 49-12 of this chapter on or prior to the 60th day after the effective date of this chapter and such application has not been rejected by the Department in accordance with subdivision c of such section.

(b) On and after the 60th day after the effective date of this chapter, it shall be unlawful for an OAC to sell or otherwise transfer control of a sign, sign structure, or sign location or any right of such OAC to sell, lease, market, manage, or otherwise make space on a sign, or sign structure, or at a sign location available to others for advertising purposes, to an OAC other than one that is registered in accordance with this chapter and that has been issued a registration number by the Department and such registration has not expired or been revoked, or to a OAC that has timely filed for registration pursuant to section 49-12 of this chapter and such application has not been rejected by the Department.

(c) On and after the 60th day after the effective date of this chapter it shall be unlawful to erect, alter, install, maintain, attach, affix, paint on, or in any other manner represent on a building or premises any sign that is under the control of an OAC unless such OAC is registered in accordance with this chapter, and has been issued a registration number by the Department and such registration has not expired or been revoked or, with respect to an OAC that is in existence on the effective date of this chapter, such OAC has filed a registration application pursuant to section 49-12 of this chapter on or prior to the 60th day after the effective date of this chapter and such application has not been rejected by the Department in accordance with subdivision c of such section.

§49-12 Application for registration. (a) The application for registration or the renewal of registration shall contain all of the information required by the application form and these rules. Except where an application is filed pursuant to subsection (3) below, the party holding fee or the dominant lease to the sign, sign structure or sign location, shall act as the applicant for registration. An applicant shall:

(1) file an application for registration and be issued an OAC registration number; or,

(2) where an affiliated OAC exists, file an application for registration on behalf of itself and any affiliated OAC only to the extent of their shared control of any sign(s), sign structure(s), and sign location(s), and each such shared inventory shall be issued the OAC registration number that has been assigned to the applicant; or,

(3) file a single application for registration on behalf of itself and every affiliated OAC, including all signs, sign structures, and sign locations under the control of the applicant and every affiliated OAC.

A responsible officer of the applicant shall certify the completeness and accuracy of the application and accompanying documents. A responsible officer of the affiliated OAC shall authorize the applicant to submit an application and act on behalf of the affiliated OAC. The Department shall act upon the application either by accepting the application or by notifying the applicant of deficiency in accordance with subdivision c of this section promptly but not later than 60 days after the date of receipt of the application, except that on or before such 60th day, the Commissioner may on good cause shown and upon notification to the applicant, extend such time for an additional 45 days. If the Department fails to act upon the application within such 60-day period or, where applicable, within such further 45-day period, the application shall be deemed accepted.

(b) The Department shall accept applications complying with the provisions of these rules and other applicable law. An OAC registration number shall be issued to the applicant of each accepted registration application. Where the application is for the renewal of an existing registration, the applicant shall be notified of such acceptance.

(c) The Department may reject an application for registration or for the renewal of registration if it finds that the application, including the accompanying listing of sign inventory required by section 49-15 of this chapter, is not complete and accurate or all required documents have not been submitted with the application. Before rejecting an application, the Department shall provide the applicant with an explanation of the deficiency and a period of time, but not more than 45 days, within which the applicant may submit a corrected application and any missing documents. Upon written request and for good cause, the Commissioner may extend the time for submitting a corrected application.

(d) An OAC registration number issued by the Department pursuant to this section shall not be transferable.

(e) An OAC shall notify the Department within 30 days thereof of any material change in the information provided in the most recent registration or renewal application submitted pursuant to this chapter. Where the material change involves the addition of an affiliated OAC, such additional affiliated OAC shall not do business as an OAC until notice of such material change is received.

§49-13 Term and fees. (a) The term of the registration shall be for two years commencing on the date of issuance of an OAC registration number. The fee for the initial registration shall be $1,500 per applicant, plus $125 for each: sign; sign structure vacant of signage; and tax lot vacant of both signage and sign structures, listed in the sign inventory. The biennial registration renewal fee shall be $750 per applicant, plus $50 for each: sign; sign structure vacant of signage; and tax lot vacant of both signage and sign structures, listed in the sign inventory. The fee per material change shall be $25.

(b) A registration renewal application shall be filed no sooner than 90 or later than 60 days prior to the expiration date of the current term of the registration. Notwithstanding the renewal fee set forth in subdivision (a), where a registration renewal application is submitted later than 60 days before the expiration of the current term of the registration, the renewal fee shall be $1500 per applicant OAC, plus $125 for each: sign; sign structure vacant of signage; and tax lot vacant of both signage and sign structures, listed in the sign inventory. A registration renewal application may not be submitted after the expiration of the current term of the registration. Nothing in this section shall prohibit an OAC with an expired registration from filing a new application for registration, subject to the filing requirements and fees of an initial registration application.

§49-14 Acceptable type of security. (a) An applicant shall maintain security in the form of a letter of credit from an issuing bank or other security acceptable to the Department for all signs included in its inventory. Proof of such security must be filed with the Department with the initial application for registration and with all registration renewal applications. OACs may post one letter of credit or other security acceptable to the Department with respect to all affiliates or separate security for each affiliated OAC. The maximum number of letters of credit or other security acceptable to the Department shall not exceed the total number of signs in the inventory. The security must be in full force and effect from and after the date of registration. When a letter of credit or other security acceptable to the Department expires, is cancelled, is not renewed or for any reason becomes unenforceable, it shall be replaced forthwith and notice of such replacement shall be filed with the Department within 30 days thereafter. The bank shall be required to notify the Department promptly in the event of cancellation, failure to renew or other event that would render the security unavailable to the Department.

(b) The amount of security shall be $25,000 for the first 20 signs in the sign inventory, plus $10,000 for each additional 20 signs, or part thereof.

(c) Replenishment. The Department shall draw upon the security in accordance with applicable law. Upon the Department drawing upon the security, the OAC or responsible affiliate shall replenish the amount within 14 days of notice by regular mail from the Department to the OAC, or, if applicable, such responsible affiliate. Evidence thereof shall be submitted to the Department within 30 days.

§49-15 Sign inventory to be submitted with registration application. (a) In addition to the information and documentation required by section 49-12(a) of this chapter, an applicant shall submit, pursuant to section 26-261 of the Administrative Code, a sign inventory that shall include all signs, sign structures and sign locations located (1) within a distance of 900 linear feet from and within view of an arterial highway; or (2) within 200 linear feet from and within view of a public park of one half acre or more. Such sign inventory shall be filed together with the registration application and each renewal registration application. The sign inventory submitted in connection with the renewal registration application shall include all material changes since the last registration or renewal registration application, and shall be accompanied by a statement that identifies all material changes since such prior registration. A registration application or renewal application submitted without such sign inventory or statement shall not be considered complete and may be rejected in accordance with subdivision (c) of section 49-12 of this chapter.

(b) A sign inventory submitted by a responsible affiliate on behalf of:

(1) an affiliated OAC, in accordance with subdivision (a)(2) of section 49-12 of this chapter, shall include all signs, sign structures and sign locations under the shared control of such responsible affiliate and affiliated OAC; or,

(2) every affiliated OAC, in accordance with subdivision (a)(3) of section 49-12 of this chapter, shall include all signs, sign structures and sign locations under the control of such responsible affiliate and every affiliated OAC.

(c) The sign inventory shall be accompanied by a signed statement of a responsible officer of the OAC or, if applicable, the responsible affiliate, stating that the listing of its inventory is a complete listing of all signs, sign structures and sign locations under its control, subject to section 26-261 of the Administrative Code.

(d) The sign inventory shall be submitted on forms to be prescribed by the Department and shall include the information specified on such forms for each sign, sign structure and sign location including, but not limited to, the following:

(1) For each sign, sign structure and sign location, the public park and/or arterial highway to which it is proximate pursuant to section 49-15(a) shall be identified, and its distance in feet from such public park or arterial highway shall be listed. Such distance shall be calculated as the length of a horizontal plane extending between a vertical plane reflecting the edge of the sign, sign structure or sign location closest to the park or arterial highway and a vertical plane reflecting the portion of the park or highway closest to the sign, sign structure or sign location. Where a sign location is vacant of buildings or other structures to support signage, the measurement shall be from the edge of its tax lot closest to the public park and/or arterial highway.

(2) The block and lot numbers and the address, if one exists, for the premises of each sign, sign structure and sign location.

(3) The size of each sign and sign structure described in linear feet and inches.

(4) The height in feet and inches of the highest portion of each sign and sign structure above the curb level.

(5) Each sign shall be identified as either "advertising" or "non-advertising." To the extent a sign is a non-conforming sign, it must further be identified as "non-conforming advertising" or "non-conforming non-advertising." A sign identified as "non-conforming advertising" or "non-conforming non-advertising" shall be submitted to the Department for confirmation of its non-conforming status, pursuant to section 49-16 of this chapter.

(6) For each accessory sign, the name and mailing address of the business to which the sign directs attention, the nature of such business and the square footage of the floor space occupied by such business on the zoning lot.

(7) The name and address of all parties with an interest in the premises where each sign, sign structure and sign location is situated.

(8) The name and address of all parties with an interest in the sign or sign structure.

(9) A diagram, labeled with the information required by (1), (2) and (3) above, eight and one-half by eleven inches in size, that shows the position of the sign, sign structure or sign location on the lot with the distance in feet to the proximate highway or park.

(10) Digitized and printed eight inch by ten inch color photographs, clearly showing a front view and, if

practicable, a rear view of the entire sign and sign structure and the building or other structure to which the sign or sign structure is attached.

(11) The work permit for the erection, installation, or most recent alteration of the sign or sign structure. To the extent such document is unavailable, the Department may accept a statement of diligent search.

(12) For each conforming sign, the name and license number of the master or special sign hanger who hung or erected each sign.

(13) Whether the sign is illuminated and if so whether such illumination is indirect as such term is defined in section 12-10 of the Zoning Resolution. If the sign is illuminated, the sign inventory shall include the permit number assigned by the Electrical Division of the Department for the associated power connection and if applicable, the illuminated sign permit number.

(14) Where a sign inventory is submitted on behalf of affiliated OAC(s), the legal name of the OAC that markets or manages each sign, sign structure or sign location and the legal name of the OAC with an ownership interest in each such sign, sign structure or sign location, if different, shall be identified.

(15) With respect to each sign that has been identified in the sign inventory as a non-conforming sign, the following additional information shall be included with the registration application:

(a) The Zoning Resolution section that establishes the sign as a non-conforming sign.

(b) Evidence that the non-conforming sign existed and the size of the sign that existed as of the relevant date set forth in the Zoning Resolution to establish its lawful status. Acceptable evidence may include permits, sign-offs of applications after completion, photographs and leases demonstrating that the non-conforming use existed prior to the relevant date. Affidavits, Department cashier's receipts and permit applications, without other supporting documentation, are not sufficient to establish the non-conforming status of a sign. The submitted evidence must specifically establish the non-conforming aspect of the sign. For example, where evidence is submitted to establish that a sign is a non-conforming advertising sign, proof that the sign was erected, but that does not establish that it was advertising, will not be sufficient.

(c) Affidavit signed by the registered architect or professional engineer, that he or she reasonably believes the sign to be non-conforming based on the evidence submitted.

(1) A responsible officer of the OAC shall co-sign the affidavit, that he or she reasonably believes the sign to be non-conforming based on the evidence submitted, and that to the best of his or her knowledge there has not been any discontinuance of the non-conforming use for two or more years.

(e) Except as to non-conforming signs, the sign inventory shall be accompanied by a certification by a registered architect or licensed professional engineer, co-signed by a responsible officer of the OAC, that he or she has personal knowledge that the signs in the sign inventory are in compliance with the Zoning Resolution.

(f) The Department shall issue to each sign, or if vacant of signage, each sign structure and sign location listed in a sign inventory of a registered OAC, a "sign identification number."

(g) The Department's acceptance of an application for registration or for the renewal of registration, and the issuance of an OAC registration number to an applicant or a sign identification number for any sign, sign structure or sign location in the sign inventory, shall not constitute a decision or determination by the Department that a sign or sign structure is lawful under the Zoning Resolution or that a sign may lawfully be erected at the sign location.

(h) An OAC shall amend its sign inventory to reflect material changes in its portfolio of signs. The amendment shall be made within 30 days after such change.

(i) The applicant shall provide a list of signs believed to be exempt from registration and not subject to Department jurisdiction and located (1) within a distance of 900 linear feet from and within view of an arterial highway; or (2) within 200 linear feet from and within view of a public park of one half acre or more.

§49-16 Non-conforming signs. (a) With respect to each sign identified in the sign inventory as non-conforming, the registered architect or professional engineer shall request confirmation of its non-conforming status from the Department based on the evidence submitted in the registration application. The Department shall review the evidence submitted and accept or deny the request within a reasonable period of time. A sign that has been identified as non-conforming on the initial registration application may remain erected unless and until the Department has issued a determination that it is not non-conforming. The registration of the OAC and remaining sign inventory shall continue unimpeded while such a determination is pending.

(b) The Department shall maintain a list of all signs that it accepts as non-conforming.

(c) The Department may withdraw its acceptance of a non-conforming sign upon discovering evidence that the sign was improperly considered, or should no longer be considered, a non-conforming sign, and upon such withdrawal and after notice to the OAC, the sign must be removed pursuant to the Zoning Resolution.

§49-17 Information required on signs. On and after the 90th day after the approval of the OAC registration, all signs included in an OAC's inventory shall have posted thereon the name of the OAC to which it is registered, the OAC registration number and, unless a permit is not required, the permit identification number for the installation, alteration or erection of such sign and, if applicable, for the maintenance of such sign. All required information shall contrast with the background and be visible from the arterial highway and/or public park.

Subchapter C – Administrative remedies of the Department pursuant to section 26-260(d) of the Administrative Code.

§49-21 Department's discretionary power to revoke, suspend or refuse to renew registration and impose fines pursuant section 26-260(d) of the Administrative Code. (a) The Department may revoke, suspend or refuse to renew the registration of an OAC on the grounds specified in section 26-260(d) of the Administrative Code. For the purposes of this section it shall be presumed that an OAC knew or should have known that such inventory was incomplete or inaccurate if the OAC or, if applicable, an affiliated OAC thereof, owns or has a contract for control of the sign, sign structure or sign location that is omitted from or inaccurately described in the sign inventory.

(b) Procedure for revocation of registration. Prior to revoking, suspending or refusing to renew the registration of an OAC or imposing fines or other penalties, the Department shall give such OAC notice and opportunity to be heard as follows:

(1) The Department shall serve notice on the OAC by regular mail, to the address and name provided in the most recent application for registration or renewal, listing the instances of liability by date, tribunal, section of law or rule found to have been violated, and title, caption, index number or other identifying indicator of the violation proceeding, if any.

(2) The notice shall advise the OAC of its right to submit papers in opposition to revocation, suspension of or refusal to renew the registration, and the deadline to do so, which shall not be less than 10 days after the date of mailing of such notice.

(3) Such notice, when the Department seeks to revoke or suspend the registration, also shall advise the OAC of its right to a hearing at the Office of Administrative Trials and Hearings ("OATH"), pursuant to the provisions of Chapter 13 of these Rules.

Subchapter D – Removal, Storage, and Disposal of Signs and Sign Structures.

§49-31 Applicability. The provisions of this subchapter shall apply to signs and sign structures removed by the Department or its authorized representatives pursuant to Administrative Code sections 26-127.3 and 26-262(d).

§49-32 Procedure. (a) Where the signs and sign structures are physically removed, they shall be vouchered and maintained in a secure location.

(b) Within ten days after removal, the Department or an authorized representative designated by the Department shall send notice of such removal by regular mail to the owner of the sign and/or sign structure if the address and identity of such owner is reasonably ascertainable. If applicable, such notice shall include the place where the sign and/or sign structure may be claimed and the procedure for making a claim.

(c) The owner or other person lawfully entitled to possession of such property shall submit a claim for the release of such property to the Department or to an authorized representative designated by the Department. Such claim shall be accompanied by documentary proof establishing entitlement to such property.

(d) The costs of removal and storage of the sign shall be determined by the Department. Such costs shall be paid prior to release of the sign and/or sign structure unless the sign and/or sign structure is under the control of an OAC and the Department has served notice on such company and drawn upon the letter of credit or other security acceptable to the Department posted by such company, in accordance with section 26-127.3 of the Administrative Code.

(e) If, after consulting with the Department's enforcement unit, it is determined that fines or civil penalties have been imposed for a violation related to such sign or that an action or proceeding is pending in which such fines or civil penalties may be imposed, the sign and/or sign structure shall not be released without proof of payment of such fines and civil penalties or, if the action or proceeding is pending in which such fines or civil penalties may be imposed, proof that a letter of credit or other security acceptable to the Department has been provided in an amount sufficient to guarantee such payment.

§49-33 Disposal of abandoned signs and/or sign structures. Signs and/or sign structures that are not claimed in accordance with the procedure set forth above within 30 days after removal shall be deemed abandoned and shall be sold at public auction or turned over to the Department of Sanitation in accordance with subdivision i of section 26-127.3 of the Administrative Code.

Subchapter E – Application for Sign Work Permit

§49-41 Application requirements. (a) An application to erect, alter or install a sign and/or sign structure in an area that is subject to inclusion on the sign inventory as set forth in section 49-15 of this chapter that is larger than 200 square feet shall be accompanied by the following documentation:

(1) A detailed description and/or drawing of the proposed sign, including its size;

(2) A plot plan indicating the block and lot, zoning lot and exact location and size of the proposed sign and/or sign structure, as well as the location, size, and, if available, sign permit and OAC identification numbers for all other signs on the zoning lot, with their size in square feet;

(3) A statement indicating whether the proposed sign and/or sign structure will be within view of a public park of one-half acre or more or of an arterial highway.

(4) A statement indicating the distance in feet to each public park of one-half acre or more that is within 200 feet of the proposed sign, and to each road designated as an arterial highway, that is within 900 feet of such proposed sign. Distance to the public park or arterial highway shall be calculated as set forth in section 49-15(d)(1) of this chapter;

(5) A statement whether the proposed sign is to be "advertising," "accessory" to a business, or "non-commercial;"

(6) For accessory signs, the following items shall be submitted with the application in addition to the other required items listed in this section:

a. The corporate name and D/B/A name of the use on the zoning lot that the proposed sign is to advertise and the name of the owner or principal of such business.

b. A written description of the existing or proposed business operation on the zoning lot, including the size of the business operation in square feet and average number of daily employees regularly on-site, signed and notarized by a principal or officer of such business;

c. A drawing and/or description of the proposed sign copy;

d. A complete lease signed by a principal or officer of the business, demonstrating the amount of space leased at the zoning lot by the business being advertised. If the business being advertised at the zoning lot owns the subject premises, a copy of the deed is to be provided;

e. A statement signed by the property owner indicating the parties with ownership, lease or creditor interest in the sign and sign structure;

f. An approved alteration application and/or a certificate of occupancy or satisfactory historical evidence acceptable to the Borough Commissioner demonstrating that the specified business use to which the sign directs attention is permitted on the zoning lot;

g. A restrictive declaration, signed by a fee owner of the real property, that binds the owner and its successors to remove the sign and sign structure if at any time the use of the premises is changed, or an occupant of the premises ceases tenancy, such that the sign is no longer an accessory sign. The declaration shall further provide that if the sign is not removed, the Declarant consents to allow the City to enter onto the premises to remove the sign and sign structure and the Declarant agrees to reimburse the City for all actual costs associated with such removal. Proof of recording of the restrictive declaration must be submitted prior to approval of the sign work permit application; and

h. Financial statements detailing actual or projected income from the business at the zoning lot and demonstrating that no income or financial benefit shall be derived or expected from the sign.

(b) The work permit application shall be accompanied by a certification by a registered architect or licensed professional engineer that he or she has personal knowledge that the proposed sign and sign structure shall be in compliance with the zoning resolution and, if accessory, that the requirements of Paragraph (a)(6) of this section have been satisfied.

(c) No work permit shall be issued to erect a sign structure, unless a sign application has been approved to erect a sign thereon.

§49-42 Accessory sign permits. (a) A sign permit for an accessory sign shall only be issued to a sign with non-changeable copy, except that the Borough Commissioner may, upon review, accept changeable copy for a digital sign, provided the name of the business to which the sign is directing attention appears prominently at all times on the sign, the changeable copy directs attention only to products sold at the premises, and the Department is provided with a direct access means to monitor the copy.

(b) The Borough Commissioner may request an inspection prior to issuing a permit for any accessory sign, to confirm that the sign will direct attention to a bona fide business on the zoning lot.

(c) No sign with a permit for non-changeable copy may be changed, including a change in its copy, without obtaining a new permit from the Department. A change in copy on a sign that was permitted for non-changeable copy may be considered an alteration of the sign for purposes of sections 27-147 and 27-177 of the Administrative Code.

§49-43 Advertising Signs. Absent evidence that revenue from the sign is clearly incidental to the revenue generated from the use on the zoning lot to which it directs attention, the following signs are deemed to be advertising signs for purposes of compliance with the Zoning Resolution:

(a) Signs that direct attention to a business on the zoning lot that is primarily operating a storage or warehouse use for business activities conducted off the zoning lot, and that storage or warehouse use occupies less than the full building on the zoning lot; or

(b) All signs, other than non-commercial, larger than 200 square feet, unless it is apparent from the copy and/or depictions on the sign that it is used to direct the attention of vehicular and pedestrian traffic to the business on the zoning lot.

§ 2. Subdivision a of section 13-11 of chapter 13 of title 1 of the rules of the city of New York is amended by adding new paragraphs 14 and 15 to read as follows:

(a) These rules are instituted in order to establish guidelines for the adjudication procedures of the Department. Pursuant to City Administrative Procedure Act, Charter §1048, all hearings concerning the following matters under the jurisdiction of the Department will be held before the Office of Administrative Trials and Hearings and governed by the rules of procedure utilized at that tribunal and the rules contained herein:

* * *

(14) A petition by which the Department seeks an order of removal of an outdoor sign and/or sign structure pursuant to section 26-127.3 and/or section 26-262(d) of the Administrative Code.

(15) A petition by which the Department seeks to revoke or suspend the registration of an outdoor advertising company and /or impose a fine or other penalties, pursuant to section 26-260(d) of the Administrative Code.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Department is proposing a new rule, Chapter 49 of Title 1 of the Rules of the City of New York, to establish criteria for regulating Outdoor Signs under the Zoning Resolution of the City of New York. The rule sets forth the procedures to implement Local Law 14/2001, as amended by Local Law 31/2005, such as the registration of outdoor advertising companies, amount of fees, deadlines, enforcement and penalty procedures for failure to comply, as well as sign application requirements.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

REQUEST FOR PROPOSALS
Mixed-Use Development Opportunity
City-Owned Former Brig Site
Wallabout, Brooklyn

The New York City Department of Housing Preservation and Development (HPD) is pleased to invite experienced real estate developers to respond to a Request for Proposals (RFP) for a mixed-use development on a 103,000 square foot City-owned site in Wallabout, Brooklyn. The project will include a mix of housing types (homeownership, rental, and permanent supportive housing), ground-floor neighborhood retail/commercial space, 15,000 square feet of community facility space, landscaped open space, and parking. As a pilot for New York City's Design and Construction Excellence Initiative, this project should serve as an outstanding example of high-quality, sustainable design and construction that is financially feasible and responsive to the community. All buildings in the project must achieve Leadership in Energy and Environmental Design (LEED) certification. Applicants are responsible for assembling a development team that will include members with expertise in mixed-use development and design excellence. Proposals will be reviewed by HPD with input from the New York City Department of Design and Construction (DDC) and the Community Task Force for the Redevelopment of the Brig Site.

A minimum of 50% of the residential units, not including the permanent supportive housing, must be affordable to households earning a maximum of 130% of the Area Median Income (AMI); a minimum of 20% must be affordable to households earning a maximum of 80% of AMI. A minimum of 75 permanent supportive housing studio units must be provided and affordable to individuals earning a maximum of 60% of AMI.

The RFP will be available on July 20, 2006 on HPD's website, http://www.nyc.gov/html/hpd/html/developers/rfp.shtml, or a hard copy may be purchased for a $75 non-refundable fee in the form of a certified check or money order payable to the New York City Department of Finance.

A pre-submission conference will be held at HPD, 100 Gold Street, Room 1R, New York, NY 10038 on August 2, 2006 at 2:00 P.M. All proposals are due by hand no later than 4:00 P.M. on November 1, 2006. Inquiries should be directed to: Carolyn Zern, HPD Office of Development, Division of Planning and Pipeline Development, 100 Gold Street, Room 9G-4, New York, NY 10038; Telephone: (212) 863-6519; E-mail: zernc@hpd.nyc.gov.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

EDUCATION

■ NOTICE

AGENDA

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services

described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 AM, Thursday, July 27, 2006.

ITEM(S) FOR CONSIDERATION:

1. Center for Alternative Sentencing and Employment Services (CASES)

Service(s): The Office of Alternative, Adult and Continuing Education Schools and Programs is requesting a non-competitive award for a three-year agreement with CASES. CASES will facilitate a school re-engagement program at the Community Prep High School for students returning from the custody of law enforcement. Over the last five years CASES has worked in partnership with the DOE to facilitate the transition of court-involved youth to community schools.

The term of this agreement will be for 3 years from July 1, 2006 through June 30, 2009 at a total cost of $600,000, or $200,000 annually.

TERM: 7/1/2006-6/30/2009 Contract Cost: $600,000

2. Heart of Change; Change of Heart Associates

Service(s): Region 3 is requesting a non-competitive award to continue to use Heart of Change. Heart of Change has been working with Region 3 for the past 2 years, and the prior Professional Development RFP that was utilized has now expired. Heart of Change provides direct services to principals and school teams to build the capacity for school leaders and instructional supervisors and coaches.

The term of this agreement will be from July 1, 2006 to June 30, 2007 at a cost of $137,500.

TERM: 7/1/2006-6/30/2007 Contract Cost: $137,500.00

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD WEDNESDAY, AUGUST 23, 2006, PURSUANT TO SECTIONS 6 AND 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, ARTICLE 2 OF THE NEW YORK STATE EMINENT DOMAIN

PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED ATLANTIC YARDS LAND USE IMPROVEMENT AND CIVIC PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:30 p.m. on Wednesday, August 23, 2006, by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC") pursuant to Sections 6 and 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "UDC Act"), Article 2 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively "SEQRA") to consider: (a) the General Project Plan (the "General Project Plan") for the proposed Atlantic Yards Land Use Improvement and Civic Project (the "Project"); (b) the proposed acquisition by condemnation of certain property located within the Project site (described below) in furtherance of the Project; (c) the essential terms of proposed leases and conveyances with respect to the Project; and (d) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to provide comments on the General Project Plan, pursuant to Section 16 of the UDC Act; (3) pursuant to Section 6 of the UDC Act, giving all interested persons an opportunity to comment on the essential terms of the proposed leases and conveyances with respect to the Project; (4) reviewing the public use to be served by the Project and the impact of the Project on the environment and residents of the locality where the Project would be constructed, pursuant to Article 2 of the EDPL; (5) advising all persons and property owners within the Project site of what properties are contemplated for acquisition by eminent domain; and (6) giving all interested persons the opportunity to give testimony on the DEIS, pursuant to SEQRA.

Project Site and Project Description
The Project site encompasses approximately 22 acres in Brooklyn and includes (i) all the property bounded by Atlantic Avenue, Flatbush Avenue, Dean Street and Vanderbilt Ave, except that within Block 1128 (bounded by 6th Avenue, Dean Street, Carlton Avenue and Pacific Street) only lots 1, 2, 4, 85, 86, 87, 88 and 89 are included in the Project site) and (ii) a parcel bounded by Atlantic Avenue, Flatbush Avenue, Pacific Street and 4th Avenue, including Block 927, lots 1 and 16 but excluding Block 927 lot 26 (the site of a community garden).

The Project is described in detail in the General Project Plan, available to the public as set forth below. It includes the development on the Project site of (i) an approximately 18,000 seat arena, (ii) a reconfigured Vanderbilt rail yard to be operated by the Metropolitan Transportation Authority ("MTA"), (iii) subway improvements, (iv) the development of 16 buildings for residential, office, retail and possibly hotel uses, including approximately 5,790 to 6,860 low, moderate and market rate housing units, and (v) a minimum of 7 acres of publicly accessible open space.

Public Purpose
The public purposes of the Project include: (a) enhancement of the surrounding area by eliminating blighted conditions on the Project site; (b) provision for new development at the Project site, including an arena for sporting, entertainment and civic events, including professional basketball; office space; housing, including housing available for low, moderate and middle income families; related local retail and community facilities; and a minimum of seven acres of publicly accessible open space; (c) reconfiguration and improvement of the Vanderbilt rail yard and the opening of a new subway station entrance; and (d) generation of substantial fiscal and economic benefits for the City and State and the creation of construction and permanent jobs.
A number of ESDC discretionary actions are subject to review pursuant to the UDC Act, EDPL and SEQRA. These actions include ESDC's affirmation of the General Project Plan, the condemnation of privately owned land and City owned land, the disposition by ESDC of the Project site and the provision of State funds in furtherance of the Project.

After the public hearing is held and a 30-day public comment period is concluded, a Final Environmental Impact Statement ("FEIS") will be completed by ESDC and ESDC Directors will be requested to issue the FEIS and affirm, or if appropriate, modify the General Project Plan, and make statutory findings under the EDPL and SEQRA. In addition, to effectuate the Project, as described in the General Project Plan, ESDC would exercise its statutory authority to override local zoning requirements that apply to the Project site and any other local laws which are inconsistent with the General Project Plan.

Proposed Property Acquisition
The General Project Plan contemplates that ESDC would acquire title to the Project site (exclusive of those parcels retained by the MTA to operate its train yard and certain real estate interests, primarily air space, that the MTA would convey directly to ESDC) by exercise of its statutory power of eminent domain.
The following is a list of the specific parcels that would be acquired by eminent domain, which list includes parcels owned by the City, Forest City Ratner Companies ("FCRC") or its affiliates, or unrelated private third parties:

1129	62	645 Dean Street	
1129	76	603 Dean Street	
1129	81	585-601 Dean Street	

The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street addresses and the tax blocks and lots, the block and lot information shall control.

In addition, the following street beds would be acquired by eminent domain: (i) 5th Avenue between Atlantic and Flatbush Avenues (inclusive of the small traffic island bounded by Flatbush and 5th Avenues and Dean Street); (ii) Pacific Street between Flatbush and 6th Avenues; and (iii) Pacific Street between Carlton and Vanderbilt Avenues.

All acquisitions by condemnation would be made in full compliance with the requirements of the UDC Act, SEQRA and EDPL. According to EDPL Section 202(C), those property owners who may subsequently wish to challenge the condemnation of their property via judicial review, may do so only on the basis of issues, facts, and objections raised at the public hearing.

Proposed Disposition
Once the Project site is assembled by ESDC, ESDC would enter into leases and convey parcels within the Project site, as follows:

(i) Arena parcel - ESDC would lease the arena parcel for $1.00, for an initial term of 30 to 40 years, to a newly-created local development corporation ("LDC"). The LDC would simultaneously sub-lease the Arena parcel for $1 to an affiliate of FCRC, referred to as "Arena Co.", for the same initial term. Arena Co. would be responsible for constructing the arena (with the use of bond proceeds from bonds issued by the LDC) and, at its sole cost and expense, would be responsible for maintaining and operating the arena. Arena Co. would sub-sub-lease the arena to the owner of the New Jersey Nets professional basketball franchise, which would also enter into a non-relocation agreement with ESDC and the City for the duration of the initial term of the lease. Upon the expiration of the initial term, the sublease between LDC and Arena Co. would terminate, and Arena Co. would have the right to lease the arena from ESDC, at fair market rental, for a term which, when added to the initial term of the sublease, would not exceed 99 years (the "Extended Lease"). Pursuant to the Extended Lease between Arena Co. and ESDC, Arena Co. would have the option to purchase the arena parcel and arena at any time for its fair market value. As a result of ESDC ownership, the premises would be exempt from real estate taxes, mortgage recording taxes, if applicable, and would be exempt from sales tax with respect to initial construction and fit-out and any capital replacement and repairs. For the initial term, Arena Co. would be obligated to make payments-in-lieu-of taxes equal to the lesser of debt service on tax exempt bonds expected to be issued to finance the Arena (plus a potential 10% overage) or an amount equal to what full taxes would be if the property were not tax exempt. After the initial term, pursuant to the Extended Lease, Arena Co. would be obligated to make payments-in-lieu-of-taxes equal to what full taxes would be if the property were not tax exempt, with 10% of such payments-in-lieu of taxes being applied to maintenance and repair of the arena and the balance being remitted to the City. The arena would be designed in accordance with Design Guidelines established by ESDC and the City (as set forth in the General Project Plan).

(ii) Other development sites – ESDC expects to enter into leases for each of the 16 other development sites to an affiliate of FCRC for base rent of $1 a year. The essential terms for each of the leases would be the same. ESDC would retain title to each leased parcel through the completion of construction thereon. The lease would provide for additional rent, or payments-in-lieu-of taxes, in an amount to be agreed to by the City. The FCRC affiliate would have responsibility for maintaining the site and constructing the improvements on the site. Upon the completion of construction, the FCRC affiliate would have an option to purchase the site and improvements thereon for $1, or ESDC may unilaterally convey the premises to the FCRC affiliate for $1. As a result of ESDC ownership, each development site would be exempt from real estate taxes through completion of construction thereon and certain mortgage recording taxes. Under the terms of the leases, the appropriate FCRC affiliate would be obligated to pay the equivalent of what sales and use taxes for construction of the improvements would have been but for ESDC ownership.

(iii) MTA conveyance – To facilitate the development and operation of the reconfigured Vanderbilt yard, ESDC would convey, for $1, a portion of the real estate interests in Block 1121, Lot 47 and Block 1121, Lot 42 to the MTA.

(iv) Public Spaces – ESDC would convey to a special purpose not-for-profit corporation, established to own, operate and maintain the public spaces, for $1, the sites described in the General Project Plan that would constitute the public open spaces. The operation and maintenance of the public spaces would be funded by the owners of the surrounding developments within the Project site.

Potential Impacts of the Project
ESDC, as the SEQRA lead agency, has certified the DEIS which has been prepared in accordance with both City and State environmental regulations for the actions described above. The Project is classified as a Type I action under SEQRA. The DEIS identifies the following areas of potential significant adverse impact: schools, cultural resources, visual resources, shadows, traffic, pedestrian crossings, noise and construction. The DEIS describes practicable and feasible measures to mitigate these impacts, where applicable.

Availability of the General Project Plan and DEIS
The General Project Plan, which contains a detailed description of the Project, as well as the DEIS, are on file at the office of ESDC, 633 Third Avenue, New York, New York 10017 and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday, public holidays excluded.
A copy of the General Project Plan and the executive summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. A CD-ROM that includes the entire DEIS is also available at no charge upon request. Paper copies of the complete DEIS are available for purchase. Copies of the General Project Plan are also available at the ESDC web site at http://www.nylovesbiz.com/AtlanticYards/. In addition, copies of the DEIS are available at the Brooklyn Public Library at its central location at Grand Army Plaza and at the branches located at 25 Fourth Avenue (Pacific Branch), 496 Franklin Avenue (Bedford Branch), 93rd Street and Edwards Street (Walt Whitman Branch) and 380 Washington Avenue (Clinton Hill Branch). Pursuant to Section 16(2) of the UDC Act, ESDC also has filed a copy of the General Project Plan, and the findings required under Section 10 of the UDC Act, in the office of the Clerk of Kings County and the office of the Clerk of the City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of Kings County, the Chair of the City Planning Commission, and the Chairs of Brooklyn Community Boards 2, 6 and 8. Copies of the DEIS have been provided to all involved agencies and to other parties as required under SEQRA. Copies of the General Project Plan and an inspection copy of the DEIS will also be available at the public hearing. To inspect and/or obtain copies of the General Project Plan and DEIS from ESDC, please contact Maria Mooney at (212) 803-3133.

Comments
Comments on the General Project Plan, the DEIS, the proposed condemnation of real property and the terms for the proposed acquisition and conveyance of the Project site are requested. Comments must be received within thirty days of the date of the public hearing (i.e. on or before 5:30 p.m. on September 22, 2006). Written comments should be delivered to ESDC, at 633 Third Avenue, New York, New York 10017 (Attention: Maria Mooney), or may be submitted by e-mail to atlanticyards@empire.state.ny.us.
Comments may also be made verbally at the public hearing or at a community forum which will also be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m on September 12, 2006. ESDC representatives will be present at the community forum.

All verbal comments made at the public hearing or at the community forum, and all written comments received by ESDC prior to 5:30 pm on September 22, 2006 will be considered by ESDC prior to final consideration of the

General Project Plan and issuance of the FEIS.

PLEASE TAKE NOTICE that an application will be made by the METROPOLITAN TRANSPORTATION AUTHORITY ("MTA"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 31, 2006, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law:

(a) authorizing MTA to file an acquisition map in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan;

(b) directing that, upon the filing of the order and of such map, title to the real property easements sought to be acquired shall immediately vest in MTA;

(c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and

(d) granting the MTA such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the easements in the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by MTA are located on West 41st Street on Block 1013, Lot 6 (640 8th Avenue) and Block 1050, Lot 1 (538 10th Avenue), Lot 6 (455 West 40th Street), Lot 61 (554 10th Avenue) and Lot 158 (454 West 41st Street), all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. The temporary easement affecting Block 1013, Lot 6 is located on the northerly side of West 41st Street east of Eighth Avenue and is approximately 24.75 feet wide running the length of Lot 6 in an easterly-westerly direction and shall be situated approximately 15 to 60 feet below street level. The permanent easements affecting Block 1050, Lot 1, 6, 61 and 158 are adjacent and are located on the southerly side of West 41st Street, east of Tenth Avenue. The permanent easements are approximately 5 feet wide, run in an easterly-westerly direction along the northern property lines of those lots and are located some 40 feet to 90 feet below street level.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map showing the perimeters of the property to be acquired is set forth below:

SUPREME COURT

■ **NOTICE**

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.
The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;
2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;
3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and
4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, November 5, 2003, Final Section No. 16 of the Borough and County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 09-01-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 pursuant to the terms of the solicitation document.

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/ rehabilitated elevators at Police Headquarters.

CITY PLANNING

■ **NOTICE**

**NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT
TO THE 2006 CONSOLIDATED PLAN**

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

REQUEST FOR PROPOSALS
Mixed-Use Development Opportunity
City-Owned Former Brig Site
Wallabout, Brooklyn

The New York City Department of Housing Preservation and Development (HPD) is pleased to invite experienced real estate developers to respond to a Request for Proposals (RFP) for a mixed-use development on a 103,000 square foot City-owned site in Wallabout, Brooklyn. The project will include a mix of housing types (homeownership, rental, and permanent supportive housing), ground-floor neighborhood retail/commercial space, 15,000 square feet of community facility space, landscaped open space, and parking. As a pilot for New York City's Design and Construction Excellence Initiative, this project should serve as an outstanding example of high-quality, sustainable design and construction that is financially feasible and responsive to the community. All buildings in the project must achieve Leadership in Energy and Environmental Design (LEED) certification. Applicants are responsible for assembling a development team that will include members with expertise in mixed-use development and design excellence. Proposals will be reviewed by HPD with input from the New York City Department of Design and Construction (DDC) and the Community Task Force for the Redevelopment of the Brig Site.

A minimum of 50% of the residential units, not including the permanent supportive housing, must be affordable to households earning a maximum of 130% of the Area Median Income (AMI); a minimum of 20% must be affordable to households earning a maximum of 80% of AMI. A minimum of 75 permanent supportive housing studio units must be provided and affordable to individuals earning a maximum of 60% of AMI.

The RFP will be available on July 20, 2006 on HPD's website, http://www.nyc.gov/html/hpd/html/developers/rfp.shtml, or a hard copy may be purchased for a $75 non-refundable fee in the form of a certified check or money order payable to the New York City Department of Finance.

A pre-submission conference will be held at HPD, 100 Gold Street, Room 1R, New York, NY 10038 on August 2, 2006 at 2:00 P.M. All proposals are due by hand no later than 4:00 P.M. on November 1, 2006. Inquiries should be directed to: Carolyn Zern, HPD Office of Development, Division of Planning and Pipeline Development, 100 Gold Street, Room 9G-4, New York, NY 10038; Telephone: (212) 863-6519; E-mail: zernc@hpd.nyc.gov.

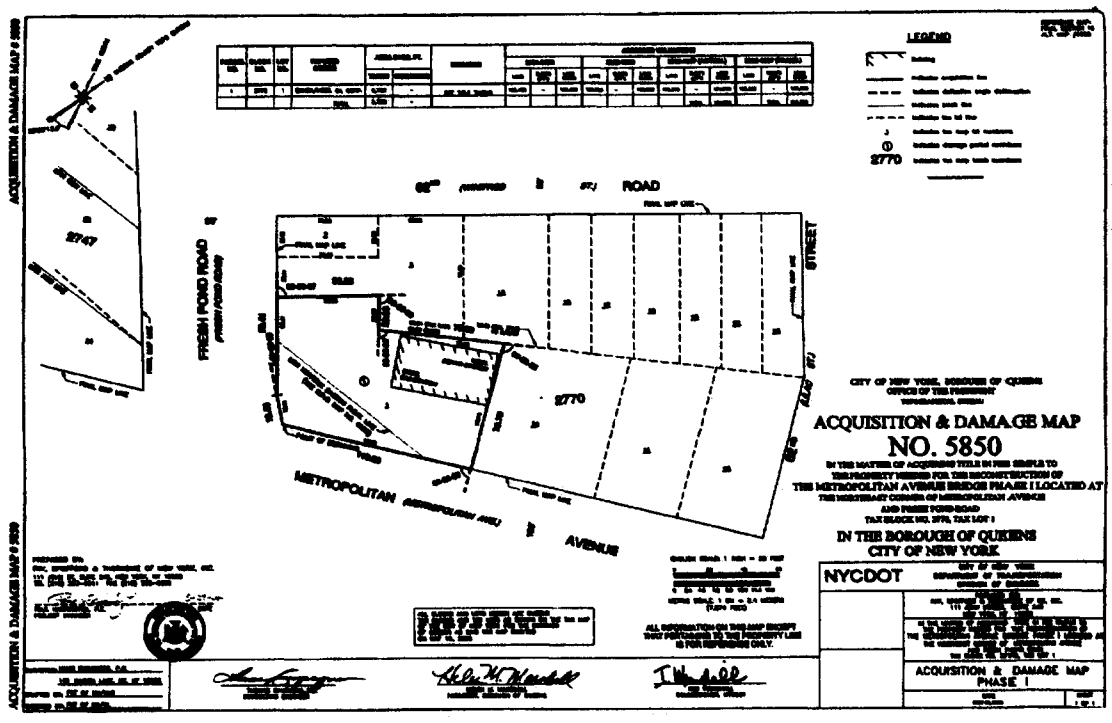
COURT NOTICE MAP FOR METROPOLITAN AVENUE BRIDGE - PHASE 1



READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

DIVISION OF REAL ESTATE SERVICES

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT A REAL PROPERTY ACQUISITIONS AND DISPOSITIONS PUBLIC HEARING, in accordance with Section 824 of the New York City Charter, will be held at 10:00 A.M. on August 16, 2006 in the second floor conference room, Spector Hall, 22 Reade Street, in Manhattan.

In the matter of a proposed Lease Amendment and Extension Agreement for the City of New York, as Tenant, of approximately 426,234 rentable square feet of space on the first through eighteenth floors and a portion of the concourse level in a building located at 150 William Street (Block 93, Lot 1), in the Borough of Manhattan, for the Administration for Children's Services to use for its Headquarters or for any other such purpose as the Commissioner of the Department of Citywide Administrative Services may determine.

The proposed Lease Amendment and Extension Agreement shall expand the premises leased pursuant to the original lease dated June 12, 1996, as amended (the "Original Lease"; the Original Lease and the Lease Amendment and Extension Agreement are referred to collectively as the "Lease"), to include approximately 7,800 rentable square feet of licensed space on the 13th Floor, for a total area of 426,234 rentable square feet. Rent for the 7,800 rentable square feet of space on the 13th Floor shall commence as of December 1, 2005 and shall expire on August 31, 2023.

Tenant shall pay base rent for the 13th floor for the period from December 1, 2005 until August 31, 2008 in the amount of $240,360.00 ($30.81 per square foot) per annum, and additional rent in the amount of $19,500.00 ($2.50 per square foot) per annum for electricity, payable in equal monthly installments.

The proposed Lease Amendment and Extension Agreement shall extend the term of the Original Lease for a period of fifteen (15) years commencing on September 1, 2008 and expiring on August 31, 2023, at a base rent of $11,209,954.20 ($26.30 per square foot) for the first five (5) years, $12,062,422.20 ($28.30 per square foot) for the following five (5) years, and $13,128,007.20 ($30.80 per square foot) for the last five (5) years, payable in equal monthly installments at the end of each month.

Further information, including public inspection of the proposed lease may be obtained at One Centre Street, Room 2000 North, New York, NY 10007. To schedule an inspection, please contact Chris Fleming at (212) 669-7497.

NOTICE IS HEREBY GIVEN THAT A REAL PROPERTY ACQUISITIONS AND DISPOSITIONS PUBLIC HEARING, in accordance with Section 824 of the New York City Charter, will be held at 10:00 A.M. on August 16, 2006 in the second floor conference room, Spector Hall, 22 Reade Street, in Manhattan.

In the matter of a proposed lease for the City of New York, as Tenant, of approximately 1,500 rentable square feet of space on a portion of the ground floor of a building located at 464 East Fordham Road (a.k.a. One Fordham Plaza) (Block 3033, Lot 53) in the Borough of the Bronx, for the Department of Health and Mental Hygiene to use as a Pet Receiving or for such other use as the Commissioner of the Department of Citywide Administrative Services may determine.

The proposed lease shall be for a period of approximately nine (9) years, commencing upon lease execution and expiring July 31, 2015, at an annual rent of $49,500 ($33.00 per square foot) for the period from lease execution through July 31, 2010; and $52,000.00 ($35.00 per square foot) for the period from August 1, 2010 through July 31, 2015, payable in equal monthly installments at the end of each month.

Within ninety (90) days of lease execution, Tenant shall pay Landlord a lump sum representing the difference between "Tenant Not a Holdover" rent ($25.00 per square foot per annum) now being paid and the negotiated fair market rent ($33.00 per square foot per annum) for the period from August 1, 2005 until the date of lease execution.

The Tenant shall have the right to terminate the lease at any time after the seventh (7th) year upon six (6) months prior written notice.

Tenant shall have one (1) option to renew the lease for a period of five (5) years at an annual rent of $55,500.00 ($37.00 per square foot per annum).

Further information, including public inspection of the proposed lease may be obtained at One Centre Street, Room 2000 North, New York, NY 10007. To schedule an inspection, please contact Chris Fleming at (212) 669-7497.

Individuals requesting Sign Language Interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than FIVE (5) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING.

NOTICE OF COMPLETION DRAFT ENVIRONMENTAL IMPACT STATEMENT ATLANTIC YARDS ARENA AND REDEVELOPMENT PROJECT

Pursuant to the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617), a Draft Environmental Impact Statement ("DEIS") has been prepared for the proposed Atlantic Yards and Arena Redevelopment Project (the "project"), and copies thereof are available upon request to the offices of the lead agency as set forth below.

Project Location: The proposed project would occupy an approximately 22-acre site in the Atlantic Terminal area of Brooklyn, roughly bounded by Flatbush and 4th Avenues on the west, Vanderbilt Avenue on the east, Atlantic Avenue on the north, and Dean and Pacific Streets on the south.

Project Description: The proposed project would include the development of an approximately 18,000 seat arena, 16 buildings for residential, office, retail, community facilities, parking, and possibly hotel uses, and a minimum of 7 acres of publicly accessible open space. The proposed project would also include a reconfigured and improved Vanderbilt rail yard and improved access to the Atlantic Terminal subway station.

SEQRA Classification: Type I

Lead Agency: New York State Urban Development Corporation, d/b/a Empire State Development Corporation (ESDC)

Lead Agency Contact: Rachel Shatz
Director, Planning and Environmental Review

A Public Hearing will be held on the DEIS pursuant to SEQRA and other relevant statutes on Wednesday, August 23, 2006, 4:30 p.m. to 8:30 p.m. at New York City Technical College (Klitgord Auditorium), 285 Jay Street, Brooklyn.

Copies of the DEIS are available for inspection at ESDC, 633 Third Avenue, New York, NY 10017. A CD of the entire DEIS and/or a paper copy of the executive summary of the DEIS are available at no charge upon request. Paper copies of the complete DEIS are available for purchase. The DEIS is also available at ESDC's web site at: http://www.nylovesbiz.com/AtlanticYards. In addition, the DEIS is available at branches of the Brooklyn Public Library at: Grand Army Plaza, 496 Franklin Avenue, 380 Washington Avenue, 25 4th Avenue, and 93 St. Edwards Street. An inspection copy of the DEIS will also be available at the Public Hearing. To inspect and/or obtain copies of the DEIS from ESDC, please call (212)803-3233 or email atlanticyards@empire.state.ny.us.

Comments on the DEIS may be made orally or submitted in writing at the Public Hearing. Comments must be received within 30 days of the date of the Public Hearing (i.e., on or before 5:30 p.m. on September 22, 2006). Written comments may be submitted by email to atlanticyards@empire.state.ny.us or by mail to the attention of Maria Mooney, ESDC, 633 Third Avenue, New York, NY 10017. Written comments, whether received at or after the Public Hearing will be afforded the same weight as oral testimony, and those wishing to submit lengthy or complex testimony are urged to do so in writing or by email. Oral or written comments may also be made or submitted at a community forum, which will be held at New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m. on September 12, 2006.

LEGAL NOTICE
NEW YORK STATE URBAN DEVELOPMENT CORPORATION
D/B/A EMPIRE STATE DEVELOPMENT CORPORATION
NOTICE OF PUBLIC HEARING TO BE HELD WEDNESDAY, AUGUST 23, 2006, PURSUANT TO SECTIONS 6 AND 16 OF THE NEW YORK STATE URBAN DEVELOPMENT CORPORATION ACT, ARTICLE 2 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW AND ARTICLE 8 OF THE ENVIRONMENTAL CONSERVATION LAW IN CONNECTION WITH THE PROPOSED ATLANTIC YARDS LAND USE IMPROVEMENT AND CIVIC PROJECT

PLEASE TAKE NOTICE that a public hearing, open to all persons, will be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:30 p.m. on Wednesday, August 23, 2006, by the New York State Urban Development Corporation d/b/a Empire State Development Corporation ("ESDC") pursuant to Sections 6 and 16 of the New York State Urban Development Corporation Act (Chapter 174, Section 1, Laws of 1968, as amended; the "UDC Act"), Article 2 of the New York State Eminent Domain Procedure Law ("EDPL") and the State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and the regulations adopted pursuant thereto (6 NYCRR Part 617) (collectively "SEQRA") to consider: (a) the General Project Plan (the "General Project Plan") for the proposed Atlantic Yards Land Use Improvement and Civic Project (the "Project"); (b) the proposed acquisition by condemnation of certain property located within the Project site (described below) in furtherance of the Project; (c) the essential terms of proposed leases and conveyances with respect to the Project; and (d) the Draft Environmental Impact Statement ("DEIS") for the Project.

The public hearing is for the purpose of: (1) informing the public about the Project; (2) giving all interested persons an opportunity to provide comments on the General Project Plan, pursuant to Section 16 of the UDC Act; (3) pursuant to Section 6 of the UDC Act, giving all interested persons an opportunity to comment on the essential terms of the proposed leases and conveyances with respect to the Project; (4) reviewing the public use to be served by the Project and the impact of the Project on the environment and residents of the locality where the Project would be constructed, pursuant to Article 2 of the EDPL; (5) advising all persons and property owners within the Project site of what properties are contemplated for acquisition by eminent domain; and (6) giving all interested persons the opportunity to give testimony on the DEIS, pursuant to SEQRA.

Project Site and Project Description
The Project site encompasses approximately 22 acres in Brooklyn and includes (i) all the property bounded by Atlantic Avenue, Flatbush Avenue, Dean Street and Vanderbilt Ave, except that within Block 1128 (bounded by 6th Avenue, Dean Street, Carlton Avenue and Pacific Street) only lots 1, 2, 4, 85, 86, 87, 88 and 89 are included in the Project site) and (ii) a parcel bounded by Atlantic Avenue, Flatbush Avenue, Pacific Street and 4th Avenue, including Block 927, lots 1 and 16 but excluding Block 927 lot 26 (the site of a community garden).

The Project is described in detail in the General Project Plan, available to the public as set forth below. It includes the development on the Project site of (i) an approximately 18,000 seat arena, (ii) a reconfigured Vanderbilt rail yard to be operated by the Metropolitan Transportation Authority ("MTA"), (iii) subway improvements, (iv) the development of 16 buildings for residential, office, retail and possibly hotel uses, including approximately 5,790 to 6,860 low, moderate and market rate housing units, and (v) a minimum of 7 acres of publicly accessible open space.

Public Purpose
The public purposes of the Project include: (a) enhancement of the surrounding area by eliminating blighted conditions on the Project site; (b) provision for new development at the Project site, including an arena for sporting, entertainment and civic events, including professional basketball; office space; housing, including housing available for low, moderate and middle income families; related local retail and community facilities; and a minimum of seven acres of publicly accessible open space; (c) reconfiguration and improvement of the Vanderbilt rail yard and the opening of a new subway station entrance; and (d) generation of substantial fiscal and economic benefits for the City and State and the creation of construction and permanent jobs. A number of ESDC discretionary actions are subject to review pursuant to the UDC Act, EDPL and SEQRA. These actions include ESDC's affirmation of the General Project Plan, the condemnation of privately owned land and City owned land, the disposition by ESDC of the Project site and the provision of State funds in furtherance of the Project.

After the public hearing is held and a 30-day public comment period is concluded, a Final Environmental Impact Statement ("FEIS") will be completed by ESDC and ESDC Directors will be requested to issue the FEIS and affirm, or if appropriate, modify the General Project Plan, and make statutory findings under the EDPL and SEQRA. In addition, to effectuate the Project, as described in the General Project

Plan, ESDC would exercise its statutory authority to override local zoning requirements that apply to the Project site and any other local laws which are inconsistent with the General Project Plan.

Proposed Property Acquisition
The General Project Plan contemplates that ESDC would acquire title to the Project site (exclusive of those parcels retained by the MTA to operate its train yard and certain real estate interests, primarily air space, that the MTA would convey directly to ESDC) by exercise of its statutory power of eminent domain.
The following is a list of the specific parcels that would be acquired by eminent domain, which list includes parcels owned by the City, Forest City Ratner Companies ("FCRC") or its affiliates, or unrelated private third parties:

1129	81	585-601 Dean Street	

The above-identified street addresses are included for ease of reference only. In the event of any inconsistency between the street addresses and the tax blocks and lots, the block and lot information shall control.

In addition, the following street beds would be acquired by eminent domain: (i) 5th Avenue between Atlantic and Flatbush Avenues (inclusive of the small traffic island bounded by Flatbush and 5th Avenues and Dean Street); (ii) Pacific Street between Flatbush and 6th Avenues; and (iii) Pacific Street between Carlton and Vanderbilt Avenues.

All acquisitions by condemnation would be made in full compliance with the requirements of the UDC Act, SEQRA and EDPL. According to EDPL Section 202(C), those property owners who may subsequently wish to challenge the condemnation of their property via judicial review, may do so only on the basis of issues, facts, and objections raised at the public hearing.

Proposed Disposition
Once the Project site is assembled by ESDC, ESDC would enter into leases and convey parcels within the Project site, as follows:

(i) Arena parcel - ESDC would lease the arena parcel for $1.00, for an initial term of 30 to 40 years, to a newly-created local development corporation ("LDC"). The LDC would simultaneously sub-lease the Arena parcel for $1 to an affiliate of FCRC, referred to as "Arena Co.", for the same initial term. Arena Co. would be responsible for constructing the arena (with the use of bond proceeds from bonds issued by the LDC) and, at its sole cost and expense, would be responsible for maintaining and operating the arena. Arena Co. would sub-sub-lease the arena to the owner of the New Jersey Nets professional basketball franchise, which would also enter into a non-relocation agreement with ESDC and the City for the duration of the initial term of the lease. Upon the expiration of the initial term, the sublease between LDC and Arena Co. would terminate, and Arena Co. would have the right to lease the arena from ESDC, at fair market rental, for a term which, when added to the initial term of the sublease, would not exceed 99 years (the "Extended Lease"). Pursuant to the Extended Lease between Arena Co. and ESDC, Arena Co. would have the option to purchase the arena parcel and arena at any time for its fair market value. As a result of ESDC ownership, the premises would be exempt from real estate taxes, mortgage recording taxes, if applicable, and would be exempt from sales tax with respect to initial construction and fit-out and any capital replacement and repairs. For the initial term, Arena Co. would be obligated to make payments-in-lieu-of taxes equal to the lesser of debt service on tax exempt bonds expected to be issued to finance the Arena (plus a potential 10% overage) or an amount equal to what full taxes would be if the property were not tax exempt. After the initial term, pursuant to the Extended Lease, Arena Co. would be obligated to make payments-in-lieu-of-taxes equal to what full taxes would be if the property were not tax exempt, with 10% of such payments-in-lieu of taxes being applied to maintenance and repair of the arena and the balance being remitted to the City. The arena would be designed in accordance with Design Guidelines established by ESDC and the City (as set forth in the General Project Plan).

(ii) Other development sites – ESDC expects to enter into leases for each of the 16 other development sites to an affiliate of FCRC for base rent of $1 a year. The essential terms for each of the leases would be the same. ESDC would retain title to each leased parcel through the completion of construction thereon. The lease would provide for additional rent, or payments-in-lieu-of taxes, in an amount to be agreed to by the City. The FCRC affiliate would have responsibility for maintaining the site and constructing the improvements on the site. Upon the completion of construction, the FCRC affiliate would have an option to purchase the site and improvements thereon for $1, or ESDC may unilaterally convey the premises to the FCRC affiliate for $1. As a result of ESDC ownership, each development site would be exempt from real estate taxes through completion of construction thereon and certain mortgage recording taxes. Under the terms of the leases, the appropriate FCRC affiliate would be obligated to pay the equivalent of what sales and use taxes for construction of the improvements would have been but for ESDC ownership.

(iii) MTA conveyance – To facilitate the development and operation of the reconfigured Vanderbilt yard, ESDC would convey, for $1, a portion of the real estate interests in Block 1121, Lot 47 and Block 1121, Lot 42 to the MTA.

(iv) Public Spaces – ESDC would convey to a special purpose not-for-profit corporation, established to own, operate and maintain the public spaces, for $1, the sites described in the General Project Plan that would constitute the public open spaces. The operation and maintenance of the public spaces would be funded by the owners of the surrounding developments within the Project site.

Potential Impacts of the Project
ESDC, as the SEQRA lead agency, has certified the DEIS which has been prepared in accordance with both City and State environmental regulations for the actions described above. The Project is classified as a Type I action under SEQRA. The DEIS identifies the following areas of potential significant adverse impact: schools, cultural resources, visual resources, shadows, traffic, pedestrian crossings, noise and construction. The DEIS describes practicable and feasible measures to mitigate these impacts, where applicable.

Availability of the General Project Plan and DEIS
The General Project Plan, which contains a detailed description of the Project, as well as the DEIS, are on file at the office of ESDC, 633 Third Avenue, New York, New York 10017 and are available for inspection by the general public between the hours of 9:30 a.m. to 5:00 p.m., Monday through Friday, public holidays excluded.
A copy of the General Project Plan and the executive summary of the DEIS are available, without charge, to any person requesting such copies at the office of ESDC at the address given above. A CD-ROM that includes the entire DEIS is also available at no charge upon request. Paper copies of the complete DEIS are available for purchase. Copies of the General Project Plan are also available at the ESDC web site at http://www.nylovesbiz.com/AtlanticYards/. In addition, copies of the DEIS are available at the Brooklyn Public Library at its central location at Grand Army Plaza and at the branches located at 25 Fourth Avenue (Pacific Branch), 496 Franklin Avenue (Bedford Branch), 93rd Street and Edwards Street (Walt Whitman Branch) and 380 Washington Avenue (Clinton Hill Branch). Pursuant to Section 16(2) of the UDC Act, ESDC also has filed a copy of the General Project Plan, and the findings required under Section 10 of the UDC Act, in the office of the Clerk of Kings County and the office of the Clerk of the City of New York, and has provided copies thereof to the Mayor of the City of New York, the Borough President of Kings County, the Chair of the City Planning Commission, and the Chairs of Brooklyn Community Boards 2, 6 and 8.

Copies of the DEIS have been provided to all involved agencies and to other parties as required under SEQRA. Copies of the General Project Plan and an inspection copy of the DEIS will also be available at the public hearing. To inspect and/or obtain copies of the General Project Plan and DEIS from ESDC, please contact Maria Mooney at (212) 803-3133.

Comments
Comments on the General Project Plan, the DEIS, the proposed condemnation of real property and the terms for the proposed acquisition and conveyance of the Project site are requested. Comments must be received within thirty days of the date of the public hearing (i.e. on or before 5:30 p.m. on September 22, 2006). Written comments should be delivered to ESDC, at 633 Third Avenue, New York, New York 10017 (Attention: Maria Mooney), or may be submitted by e-mail to atlanticyards@empire.state.ny.us.
Comments may also be made verbally at the public hearing or at a community forum which will also be held at the New York City College of Technology (Klitgord Auditorium), 285 Jay Street, Brooklyn, New York, from 4:30 p.m. to 8:00 p.m on September 12, 2006. ESDC representatives will be present at the community forum.

All verbal comments made at the public hearing or at the community forum, and all written comments received by ESDC prior to 5:30 pm on September 22, 2006 will be considered by ESDC prior to final consideration of the General Project Plan and issuance of the FEIS.

NOTICE OF APPLICATION TO CONDEMN

■ NOTICE

NOTICE OF APPLICATION TO CONDEMN PURSUANT TO SECTION 402(B) (2) OF THE EMINENT DOMAIN PROCEDURE LAW

PLEASE TAKE NOTICE that an application will be made by the METROPOLITAN TRANSPORTATION AUTHORITY ("MTA"), to the Supreme Court of the State of New York, County of New York, Room 130, 60 Centre Street, New York, New York, on July 31, 2006, at 9:30 o'clock in the forenoon of that day, for an order pursuant to Section 402(B)(2) of the Eminent Domain Procedure Law:

(a) authorizing MTA to file an acquisition map in the Office of the Clerk of the County of New York or the Office of the Register, Borough of Manhattan;

(b) directing that, upon the filing of the order and of such map, title to the real property easements sought to be acquired shall immediately vest in MTA;

(c) providing that the compensation which should justly be made be ascertained and determined by the aforesaid Supreme Court, without a jury and without referral to a referee or commissioner; and

(d) granting the MTA such other and further relief as the Court may deem just and proper.

PLEASE TAKE FURTHER NOTICE that the easements in the real property in the Borough of Manhattan, City, County and State of New York sought to be acquired by MTA are located on West 41st Street on Block 1013, Lot 6 (640 8th Avenue) and Block 1050, Lot 1 (538 10th Avenue), Lot 6 (455 West 40th Street), Lot 61 (554 10th Avenue) and Lot 158 (454 West 41st Street), all being a part of the No. 7 Subway Extension - Hudson Yards Rezoning and Development Program site. The temporary easement affecting Block 1013, Lot 6 is located on the northerly side of West 41st Street east of Eighth Avenue and is approximately 24.75 feet wide running the length of Lot 6 in an easterly-westerly direction and shall be situated approximately 15 to 60 feet below street level. The permanent easements affecting Block 1050, Lot 1, 6, 61 and 158 are adjacent and are located on the southerly side of West 41st Street, east of Tenth Avenue. The permanent easements are approximately 5 feet wide, run in an easterly-westerly direction along the northern property lines of those lots and are located some 40 feet to 90 feet below street level.

PLEASE TAKE FURTHER NOTICE that a diagram or representation of the acquisition map showing the perimeters of the property to be acquired is set forth below:

SUPREME COURT

■ NOTICE

QUEENS COUNTY
IA PART 8
NOTICE OF PETITION
INDEX NUMBER 14832/06

In the Matter of the Application of the CITY OF NEW YORK relative to acquiring title in fee simple absolute to certain real property where not heretofore acquired for the reconstruction of the **Metropolitan Avenue Bridge – Phase 1** located at the Northeast Corner of Metropolitan Avenue and Fresh Pond Road in the Borough of Queens, City and State of New York.

PLEASE TAKE NOTICE that the Corporation Counsel of the City of New York intends to make application to the Supreme Court of the State of New York, Queens County, IA Part 8, for certain relief.

The application will be made at the following time and place: Queens Supreme Court, at 88-11 Sutphin Boulevard, Queens, New York, 11435, Part 8, in the Borough of Queens, City and State of New York, on August 11, 2006, at 9:30 A.M., or as soon thereafter as counsel can be heard.
The application is for an order:

1. authorizing the City to file an acquisition map in the office of the Clerk of Queens County;

2. directing that upon the filing of said map, title in fee simple absolute to the property sought to be acquired shall vest in the City;

3. providing that just compensation therefor be ascertained and determined by the Supreme Court without a jury; and

4. providing that notices of claim must be served and filed within one calendar year from the vesting date.

The City of New York, in this proceeding, intends to acquire title in fee simple absolute to certain real property where not heretofore acquired for the same purpose, for reconstruction of the Metropolitan Avenue Bridge in the Borough of Queens, City and State of New York.

The description of the real property to be acquired in fee simple absolute, is bounded and more fully described as follows: All that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situated, lying and being in the Borough of Queens, County of Queens, City and State of New York, more particularly bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Metropolitan Avenue and the easterly line of Fresh Pond Road, as said streets are shown on Alteration Map No. 4958 approved by the City Planning Commission, **November 5, 2003, Final Section No. 16 of the Borough and** County of Queens, City and State of New York and on Acquisition and Damage Map No. 5850 dated March 1, 2006;

Running thence northerly along the easterly line of Fresh Pond Road, for 18.06 feet to a point;

Thence continuing northerly along the easterly line of Fresh Pond Road, deflecting to the right 09 degrees 23 minutes 43 seconds from the last mentioned course, for 59.41 feet to a point;

Thence easterly along a line, deflecting to the right 90 degrees 58 minutes 07 seconds from the last mentioned course, for 59.83 feet to a point;

Thence southerly along a line, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 20.00 feet to a point;

Thence easterly along a line, deflecting to the left 83 degrees 30 minutes 00 seconds from the last mentioned course, for 73.68 feet to a point;

Thence southerly along a line, deflecting to the right 97 degrees 36 minutes 25 seconds from the last mentioned course, for 78.75 feet to a point;

Thence westerly along the northerly line of Metropolitan Avenue, deflecting to the right 90 degrees 00 minutes 00 seconds from the last mentioned course, for 113.00 feet to the easterly line of Fresh Pond Road, the point or place of beginning.

The area to be acquired in fee simple absolute is shown at the northeast corner of Metropolitan Avenue and Fresh Pond Road, Queens Tax Block 2770, Lot 1, on Alteration Map No. 4958 adopted by the City Planning Commission, November 5, 2003, on Final Section No. 16 of the City of New York adopted by the Board of Estimate and Apportionment, February 8, 1912, copies of which were filed in the Office of the President, Borough of Queens, October 7, 1912, and the Clerk of the County of Queens, September 30, 1912 and in the Office of the Corporation Counsel, September 30, 1912, and on the Acquisition and Damage Map No. 5850 dated March 1, 2006.

The property affected by this proceeding is located in Queens Tax Block No. 2770, Lot 1 as shown on the Tax Map of the City of New York for the Borough and County of Queens as said Tax Map existed on March 1, 2006.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

ELEVATOR AND ESCALATOR MAINTENANCE, SERVICE AND REPAIR – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 056060000455 – DUE 08-03-06 AT 11:00 A.M. – To insure the continuity of mission critical services related to the infrastructure of Police Headquarters, the New York City Police Department (NYPD) intends to enter into negotiations with New York Elevator and Electric Corp. ("New York Elevator") for a two year contract extension of its existing contract with New York Elevator for the maintenance and repair of all eight elevators and two escalators at Police Headquarters.

The NYPD is currently in the final stages of completing an upgrade and rehabilitation of the elevators at Police Headquarters. The work is being performed by New York Elevator. All of the elevators that have been worked on come with a 2 year warranty. The warranty will start later this summer when the work on the elevators is completed. It is essential that during this warranty period that the maintenance and all repairs on the elevators be done by the same company that is providing the warranty since improperly performed maintenance or repairs can void the warranty. The current maintenance and repair contract with New York Elevator has already been extended for 12 months, and it is now set to expire on August 5, 2006. Thus, under Section 3-04(b)(2)(iii) of the PPB Rules, there is a compelling need to extend this expiring maintenance and repair contract by two years beyond the now permissible twelve-month limit to cover the period of the warranty on the upgraded/ rehabilitated elevators at Police Headquarters.

CITY PLANNING

■ NOTICE

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New

York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

HOUSING PRESERVATION & DEVELOPMENT

■ NOTICE

REQUEST FOR PROPOSALS
Mixed-Use Development Opportunity
City-Owned Former Brig Site
Wallabout, Brooklyn

The New York City Department of Housing Preservation and Development (HPD) is pleased to invite experienced real estate developers to respond to a Request for Proposals (RFP) for a mixed-use development on a 103,000 square foot City-owned site in Wallabout, Brooklyn. The project will include a mix of housing types (homeownership, rental, and permanent supportive housing), ground-floor neighborhood retail/commercial space, 15,000 square feet of community facility space, landscaped open space, and parking. As a pilot for New York City's Design and Construction Excellence Initiative, this project should serve as an outstanding example of high-quality, sustainable design and construction that is financially feasible and responsive to the community. All buildings in the project must achieve Leadership in Energy and Environmental Design (LEED) certification. Applicants are responsible for assembling a development team that will include members with expertise in mixed-use development and design excellence. Proposals will be reviewed by HPD with input from the New York City Department of Design and Construction (DDC) and the Community Task Force for the Redevelopment of the Brig Site.

A minimum of 50% of the residential units, not including the permanent supportive housing, must be affordable to households earning a maximum of 130% of the Area Median Income (AMI); a minimum of 20% must be affordable to households earning a maximum of 80% of AMI. A minimum of 75 permanent supportive housing studio units must be provided and affordable to individuals earning a maximum of 60% of AMI.

The RFP will be available on July 20, 2006 on HPD's website, http://www.nyc.gov/html/hpd/html/developers/rfp.shtml, or a hard copy may be purchased for a $75 non-refundable fee in the form of a certified check or money order payable to the New York City Department of Finance.

A pre-submission conference will be held at HPD, 100 Gold Street, Room 1R, New York, NY 10038 on August 2, 2006 at 2:00 P.M. All proposals are due by hand no later than 4:00 P.M. on November 1, 2006. Inquiries should be directed to: Carolyn Zern, HPD Office of Development, Division of Planning and Pipeline Development, 100 Gold Street, Room 9G-4, New York, NY 10038; Telephone: (212) 863-6519; E-mail: zernc@hpd.nyc.gov.

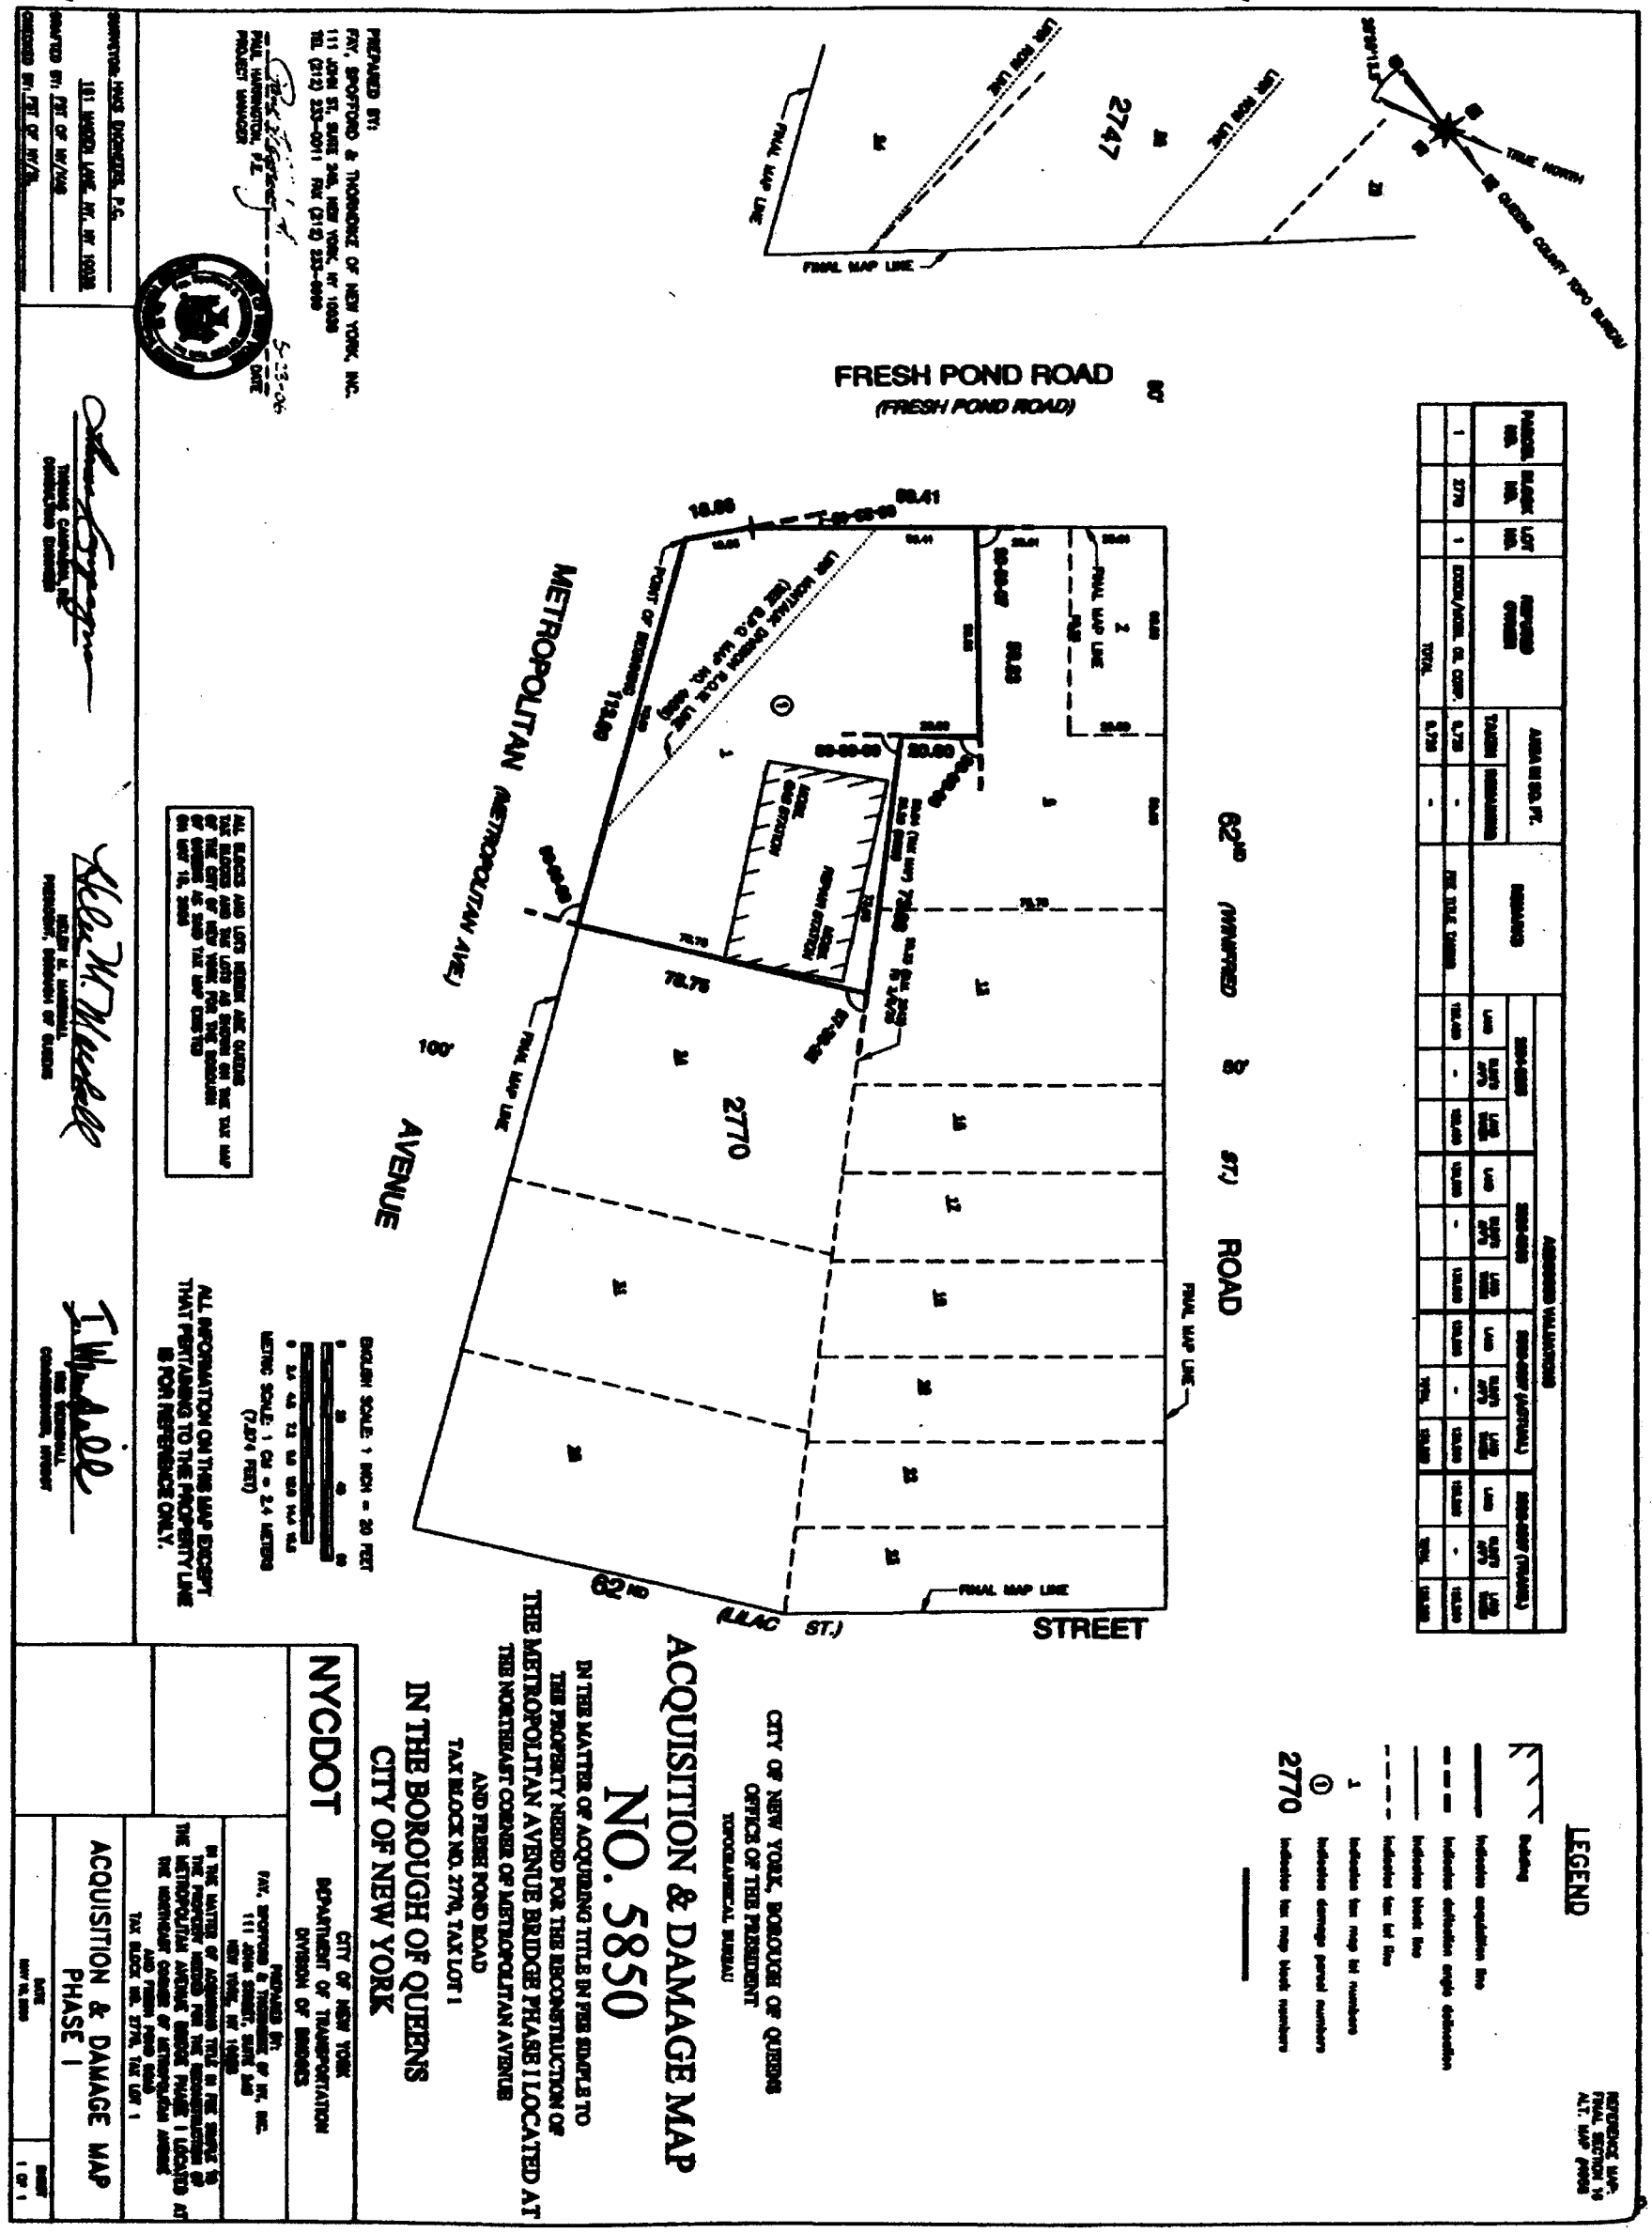
ACQUISITION & DAMAGE MAP # 5850

ACQUISITION & DAMAGE MAP # 5850



READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

ADJUSTMENT IN HUDSON YARDS DISTRICT IMPROVEMENT BONUS CONTRIBUTION AMOUNT

As provided in Section 93-31 of the Zoning Resolution of the City of New York, the required contribution amount per square foot of bonused floor area available through the District Improvement Fund Bonus in the Special Hudson Yards District has been increased from $100.00 per square foot to $106.48 per square foot as of July 1, 2006.

In accordance with Section 93-31, this increase is based on the change in the Consumer Price Index for All Urban Consumers (CPI), as published by the U.S. Department of Labor, Bureau of Labor Statistics. The CPI change for the period between January 19, 2005 (the date of enactment of Section 93-31) and July 1, 2006 was an increase of 6.48 percent.

This increased contribution amount per square foot of bonused floor area applies to all contributions pursuant to Section 93-31 received on or after July 1, 2006, until such time as the amount is further modified in accordance with the Zoning Resolution.

NOTICE OF RULEMAKING

Pursuant to the power vested in me as Commissioner of Finance by sections 389(b) and 1043 of the New York City Charter and section 11-208.1(g) of the Administrative Code of the City of New York, I hereby promulgate the within amendment to the Rules Relating to the Filing of Income and Expense Statements. These rules were published in proposed form on June 23, 2006. A hearing for public comment was held on July 24, 2006.

Martha E. Stark
Commissioner of Finance

Note: Material to be deleted in [brackets]; New material is underlined.

Amendment to Rules Relating to the Filing of Income and Expense Statements

Section 1. Subdivision (d) of 19 RCNY section 33-02 is amended by adding a new paragraph 8 to read as follows:

(8) Notwithstanding any other provision of these rules, with respect to power plants, generators, telecommunication lines and other equipment defined as real property in paragraphs (d), (e), (f) and (i) of subdivision 12 of section 102 of the Real Property Tax Law, the filing requirements of section 11-208.1 of the New York City Administrative Code will be met by the owner of such property if, no later than September 1 each year, the owner files with the Department of Finance a statement that includes a description of the use and the cost of:

(i) all such property owned by such owner in the City of New York as of the end of the reporting year;
(ii) any such property that was retired during the reporting year; and
(iii) any such property that was added to inventory during the reporting year, including any such property the construction of which remained in progress as of the end of the reporting year.

BASIS AND PURPOSE OF AMENDMENT

Section 11-208.1 of the Administrative Code of the City of New York requires that owners of income producing real property in New York City file income and expense statements relating to the property each year no later than September 1. The information provided on the statements is used by the Department of Finance in assessing real property in the City.

With respect to equipment such as power plants, boilers, generators and telecommunications lines that are defined and assessed as real property under the Real Property Tax Law, the Department has determined the particular information that it must receive from the owner to assist in assessing such property. The amendment will best enable the Department to accurately assess the property by requiring annual statements to be filed and identifying the information that such property owners must submit in the statements.

NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2006 CONSOLIDATED PLAN

The City of New York announces the 30-day public comment period for the substantial amendment to the 2006 Consolidated Plan. This amendment adjusts the HOME Investment Partnership (HOME) entitlement grant allocation and the American Dream Downpayment Initiative (ADDI) sub-grant allocation from the grant amounts originally requested (approximately $124.172 million, and $2.564 million, respectively) to the actual amount awarded (approximately $116.896 million, and $1.347 million, respectively) as a result of the Federal Fiscal Year 2006 (FFY06) appropriations. The amendment includes three new HOME-funded programs which will be funded through the reallocation of funds from existing HOME-funded programs.

In addition, the amendment adjusts the Housing Opportunities for Persons with AIDS (HOPWA) allocation from the proposed $47.056 million to the amount awarded $56.610 million. This amount serves the City of New York and the Counties of Putnam; Rockland and Westchester (New York State). The newly revised number reflects the increase in the entitlement grant funds actually awarded as a result of the FFY06 appropriations. The amendment adjusts the HOPWA funds for the City of New York's use from the proposed $45.155 million to approximately $54.289 million, an increase of approximately 20%. HOPWA programs provide housing and supportive housing assistance to persons with AIDS or related illnesses and their families.

The amended 2006 Consolidated Plan also incorporates the amended Calendar Year 2006 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

The public comment period will begin on August 8, 2006 and extend thirty (30) days to September 6, 2006. Copies of the amended 2006 Consolidated Plan can be obtained at the Department of City Planning Bookstore, 22 Reade Street, New York, New York 10007 (Monday - Friday; 10:00 A.M. to 4:00 P.M.). Written comments should be sent to: Charles V. Sorrentino, Consolidated Plan Coordinator, 22 Reade Street 4N, New York, N.Y. 10007.

TO: HEADS OF CONCERNED CITY DEPARTMENTS AND AGENCIES
FROM: JAMES F. HANLEY, COMMISSIONER
SUBJECT: EXECUTED CONTRACT: POLICE OFFICERS
TERM: AUGUST 1, 2002 TO JULY 31, 2004

Attached for your information and guidance is a copy of the executed contract entered into by the Commissioner of Labor Relations on behalf of the City of New York and the Patrolmen's Benevolent Association on behalf of the incumbents of positions listed in Article I of said contract.

The contract incorporates terms of an agreement reached through collective bargaining negotiations and related procedures.

REGISTRATION
OFFICIAL CONTRACT
NO: 07003
DATE: JUL 24 2006

Patrolmen's Benevolent Association
2002 -2004 Agreement

AGREEMENT made this 28 day of June 2006 by and between the City of New York (hereinafter called "the City" or "the Employer"), acting by the Commissioner of Labor Relations, and the **Patrolmen's Benevolent Association of the City of New York, Inc.** (hereinafter called "the Union" or the "PBA"), for the two year period from August 1, 2002 to July 31, 2004. The parties agree that this Agreement modifies the 1995-2000 collective bargaining agreement based upon the September 4, 2002 and June 27, 2005 public arbitration panel awards ("2002 and 2005 panel awards").

WHEREAS, the Police Officers employed by the City have duly designated the Union as their exclusive bargaining representative for the purpose of collective bargaining with the City with respect to wages, hours, and conditions of employment; and

WHEREAS, the Union and the City desire to cooperate in establishing conditions which will tend to secure standards and conditions of employment consistent with the dignity of Police Officers, and to provide methods for fair and peaceful adjustment of disputes that may arise between the Union and the City; and

WHEREAS, as a result of collective bargaining, and the 2002 and 2005 panel awards, the parties have reached an agreement which they desire to reduce to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The City recognizes the Union as the sole and exclusive collective bargaining representative for the unit consisting of the employees of the New York ' City Police Department in the title of Police Officer, except those detailed as First, Second or Third Grade Detectives.

Section 2.

Except as otherwise provided herein, for purposes of this Agreement, the terms "employee" and "employees" or "Police Officer" shall be interchangeable and shall relate solely to employees in the unit described in Section 1 of this Article.

ARTICLE II - UNION SECURITY DUES CHECKOFF

Section 1.

All employees covered by this Agreement shall be free to become and remain members of the Union in good standing

Section 2.

The Union shall have the exclusive right to the check-off and transmittal of dues in behalf of each employee in the unit in accord with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Regulating the Checkoff of Union Dues" and in accord with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" and any executive orders which amend or supersede said Executive Orders.

Section 3.

An employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in the proper form, acceptable to the City, which bears the signature of the employee.

Section 4.

The parties agree to an agency shop to the extent permitted by applicable law as described in a supplemental agreement hereby incorporated by reference into this Agreement.

ARTICLE III - HOURS AND OVERTIME

Section 1.

a. All ordered and/or authorized overtime in excess of forty (40) hours in any week or in excess of the hours required of an employee by reason of the employee's regular duty chart if a week's measurement is not appropriate, whether of an emergency nature or of a non-emergency nature, shall becompensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the employee. Such cash payments or compensatory time off shall be computed on the basis of completed fifteen (15) minute segments.

b. In order to preserve the intent and spirit of this Section on overtime compensation, there shall be no rescheduling of days off and/or tours of duty. Notwithstanding anything to the contrary contained herein, tours rescheduled for court appearances may begin at 8:00 A.M. and shall continue for eight (8) hours and thirty-five (35) minutes. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory reassignment of personnel to different days off and/or tours of duty. In interpreting this Section, T.O.P. 336, promulgated on October 13, 1969, shall be applicable. Notwithstanding anything to the contrary contained herein, the Department shall not have the right to reschedule employees' tours of duty, except that the Department shall have the right to reschedule employees' tours of duty on fifteen occasions without payment of pretour or post-tour overtime provided that the Department gives at least 24 hours notice to the employees whose tours are to be rescheduled, and on the following occasions the Department may reschedule employees' tours of duty by not more than three (3) hours before or after normal starting time for such tours, without payment of the pretour or post-tour overtime provided that the Department gives at least seven (7) days advance notice to the employee whose tours are to be so rescheduled: New Year's Eve, St. Patrick's Day, Thanksgiving Day, Puerto Rican Day, West Indies Day, and Christopher Street Liberation Day.

Section 2.

Notwithstanding anything to the contrary herein, employees assigned to the Detective Bureau as so-called "white shield detectives" shall receive overtime compensation in accord with the arbitrator's award in O.C.B. Docket No.A-148-70, dated September 8, 1971, unless such compensation in cash is approved by the Borough Commander.

Section 3.

Overtime shall be computed on a monthly basis and shall be paid no later than six (6) weeks after submission of the monthly report.

ARTICLE IV - RECALL AFTER TOUR

Section 1.

Any employee who is recalled to duty after having completed the employee's regular duty but four (4) hours or more before the commencement of the employee's next regular tour and who is released without having been assigned to duty prior to the commencement of said next regular tour shall receive a minimum of four (4) hours' pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off at the sole option of the employee at the rate of time and one-half (i.e., the equivalent of six (6) hours compensation at the employee's straight time rate).

Section 2.

Any employee who is recalled to duty after having completed the employee's regular tour of duty but six (6) hours or more before the commencement of the employee's next regular tour and who is assigned to duty and then released from duty prior to the commencement of said next regular tour shall receive a minimum of six (6) hours' pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off, at the employee's sole option, at the rate of time and one-half (i.e., the equivalent of nine (9) hours' compensation at the employee's straight time rate).

Section 3.

In the event the actual time spent on recall defined in Sections 1 and 2 of this Article extends beyond the minimum periods provided herein, the employee shall receive pay pursuant to the regular overtime provisions of this Agreement for the full period of time actually spent on such recall.

Section 4.

Notwithstanding anything to the contrary provided in Sections 1 through 3 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but before the commencement of the next regular tour and who is assigned to duty or held without assignment for the period which extends into the commencement of that next regular tour shall receive pay pursuant to the regular overtime provisions of this Agreement only for the actual time so assigned or held.

Section 5.

a. Notwithstanding anything to the contrary in Sections 1 through 4 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but less than four (4) hours before the commencement of the employee's next regular tour and who is released without having been assigned to duty prior to the commencement of that next regular tour shall receive pay in cash or compensatory time off at the employee's sole option, at the rate of time and one-half, for the actual time between the beginning of such recall and the commencement of that next regular tour.

b. Notwithstanding anything to the contrary in Sections I through 4 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but less than six (6) hours before the commencement of the employee's next regular tour and who is assigned to duty and then released from duty prior to the commencement of that next regular tour shall receive pay in cash or compensatory time off at the employee's sole option, at the rate of time and one-half, for the actual time between the beginning of such recall and the commencement of that next regular tour.

ARTICLE V - COMPUTATION OF BENEFITS

Since the basic forty-hour week has not been changed by this Agreement, any modification of the nine (9) squad or any other standard charts and use of other tours shall not affect current standard practice for the computation of compensation for holidays, vacation days, personal leave, annuity fund contributions and other relevant benefits, which shall remain on the basis of an eight-hour work day calculation, except as otherwise agreed to by the parties.

ARTICLE VI – SALARIES

Section 1. Salary Rates

NOTE: The amounts indicated in this Section by asterisks (* and **) include the longevity adjustments in Article VII of this Agreement. The longevity adjustments in the amounts indicated herein by a single asterisk (*) shall not be deemed to be part of salary for purposes of retirement allowances unless at the time of retirement an employee paid at such rates shall have completed twenty years of service; and the longevity adjustments in the amounts indicated herein by a double asterisk (**) shall not be deemed to be part of salary for purposes of retirement allowances unless at the time of retirement an employee paid at such rates shall have completed twenty-five years of service; except that an employee who has more than twenty years, but less than twenty-five years of service at the time of retirement shall have the adjusted rates indicated by a capital letter R deemed to be part of salary for purposes of retirement allowances. In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments. Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

Section 2

A laid off employee who is returned to service in the employee's former title or in a comparable title from a preferred list, shall receive the basic salary rate that would have been received by the employee had the employee never been laid off, up to a maximum of two (2) years of general salary increases.

Section 3. General Wage Increase

a. (i) Effective August 1, 2002, Employees shall receive a rate increase of 5.00%.

(ii) Effective August 1, 2003, Employees shall receive a rate increase of 5.00%.

b. The increases provided for in Section 3a above shall be calculated as follows:

(i) The increase in Section 3a(i) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on July 31, 2002; and

(ii) The increase in Section 3a(ii) shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on July 31, 2003; and

c. The general increase provided in this Section 3 shall be applied to the base rates and salary grades fixed for the applicable titles, except to the extent that the base rates and salary grades are modified by Section 3 (d) of this provision.

d. Employees hired on or after July 26, 2005 shall be subject to the salary schedule set forth in Section 1 (b) above.

Section 4.

Paychecks shall be delivered to commands by 3:00 p.m. on the Thursday preceding payday for distribution after 3:00 p.m. on said Thursday.

Section 5. Salary Itemization

The Department shall make available in convenient places in each precinct the appropriate payroll work sheets for the purpose of enabling each employee to -verify the salary components of the employee's paycheck. The parties will review further the feasibility of otherwise advising each employee of all payroll components along with the employee's paycheck.

Section 6. Performance Compensation

The City acknowledges that each of the uniformed services performs an important service that reflects the diverse missions of the City's uniformed agencies. In order to reward service of an outstanding, exceptional nature, each of the uniformed services will establish a performance compensation program to recognize and reward such service, tailored to the unique missions of the individual uniformed agency.

The parties agree that additional compensation may be paid to employees performing outstanding, exemplary, difficult and/or unique assignments. The City will notify and discuss with each affected union of its intent to pay such additional compensation and the individuals to be compensated.

The criteria for granting of performance-based compensation shall be based upon outstanding performance in the work assigned, and/or performance of unique and difficult work. The performance-based compensation payments provided for in this section shall be one-time, non-recurring cash payments subject to applicable pension law. An employee can receive no more than one payment annually.

These provisions shall not affect any existing productivity programs covered in any existing collective bargaining agreements. Nor shall this provision be construed to waive any obligation of the City to negotiate over future productivity programs as required by applicable law.

ARTICLE VII -UNIFORM ALLOWANCE

The City shall continue to pay to each employee a uniform allowance of $1,000.00 in accord with existing standard procedures.

ARTICLE VIII- LONGEVITY ADJUSTMENTS

Section 1.

a. Longevity adjustments shall continue to be paid as follows:

(i) Upon the completion of five years of service, a Police Officer First Grade shall receive a longevity adjustment of $3,745.

(ii) Upon completion of ten years of service, a Police Officer First Grade shall receive a longevity adjustment of an additional $1,000.

(iii) Upon completion of fifteen years of service, a Police Officer First Grade shall receive a longevity adjustment of an additional $1,000.

(iv) Upon completion of twenty years of service, a Police Officer First Grade shall receive a longevity adjustment of an additional $1,025.

b. The adjustment after the 5th and 10th years shall not be computed as salary for pension purposes until after completing 20 years of service. The adjustment after the 15th and 20th years shall not be computed as salary for pension purposes until after completion of 25 years of service.

In the event this provision is declared invalid under the law, the parties shall reopen negotiations to resolve the issue of the increased cost of changing the effective date of the pensionability of the above adjustments, Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

c. The calculation of night shift differential payments shall be based upon the same factors, amounts and methodology as previously utilized.

d. ITHP and pension benefit calculations shall only include the amount of the longevity payment that is pensionable.

Section 2.

The longevity adjustments provided in Section 1 of this Article VIII are reflected in the table of salaries set forth in Article VI, Section 1 of this Agreement.

ARTICLE IX - PAYMENT FOR HOLIDAY WORK

Each employee shall receive eleven (11) paid holidays annually, payments for which shall be made in accord with existing procedures.

ARTICLE X - LEAVES

Section 1. Sick Leave

a. (i) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect which is service-connected pursuant to Section 14-122.1 of the Administrative Code.

(ii) Each employee shall be entitled to leave with pay for the full period of any incapacity due to illness, injury or mental or physical defect, whether or not service connected.

b. The Chief of Personnel shall consult with representatives of the Patrolmen's Benevolent Association regarding the enforcement of the Sick Leave program in order to insure that undue restrictions will not be placed upon employees. Departmental orders in connection therewith shall be issued after consultation with the Patrolmen's Benevolent Association.

Section 2. Death-in-Family Leave

In the event of a death in an employee's immediate family and upon application to and approval of the employee's commanding officer or supervisory head, an employee shall receive leave with pay not exceeding four consecutive regular tours of duty. For the purposes of this Section, the phrase, "immediate family", shall include any of the following: (a) a spouse, (b) a natural, foster or step-parent, child, brother or sister, (c) a father-in-law or mother-in-law, or (d) any relative residing in the employee's household. The commanding officer or supervisory head granting such leave shall verify the death and relationship of the deceased. If the deceased was in the military service of the United States at the time of death, the employee requesting leave shall produce the official notice of death.

Section 3. Military Leave

Military leave not exceeding thirty (30) calendar days in any one calendar year and not exceeding thirty (30) days in any one continuous period of such absence shall be granted with pay to any employee requiring such leave to satisfy military obligations.

Section 4. Special Excusals

Excused time accorded to other personnel employed by the City under circumstances such as excusals for the Dr. Martin Luther King, Jr., and the Senator Robert F. Kennedy funerals and the Moon Landing Observation Day shall be granted equally to employees covered by this Agreement. All compensating days off shall be subject to the exigencies of the Department.

Section 5. Leave to attend hearings

Individual employees grievants shall be granted leave with pay for such time as is necessary to testify at arbitration hearings.

Leave with pay shall be granted to three (3) employees who are named grievants in a group arbitration proceeding, for such time as is necessary for them to testify at their group arbitration hearings.

Leave with pay for such time as is necessary to testify at their hearings shall be granted to employees who, after final adjudication of proceedings under Section 210 paragraph 2h of the Civil Service Law are determined not to have been in violation of Section 210.

ARTICLE XI – VACATIONS

Section 1.

The Department shall continue to provide the following authorized annual vacations for employees hired prior to July 1, 1988:

a. Following the first 3 years of service (First Grade Police Officer): twentyseven (27) work days.

b. During the first 3 years of service (Second, Third, Fourth Grade and Probationary Police Officer): twenty (20) work days.

Section 3.

Employees may select individual vacation days at the time vacations are picked, provided that the maximum number of employees allowed to take such individual vacation days at any time shall be 2% of the Force and provided further that no employee may choose more than one of the following holidays as an individual vacation day: Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and New Year's Day. Any employee who fails to select such individual vacation days at the time the employee makes his regular vacation pick may select such individual vacation days at a later time subject to the exigencies of the Department. Such individual vacation days shall be treated as regular vacation picks.

Section 4. Accrual of Vacation

If the Police Department calls upon an employee in writing to forego the employee's vacation or any part thereof that portion up to a maximum of three (3) weeks of vacation shall be carried over until such time as it can be liquidated in the following calendar year subject to the following conditions:

(1) the selection of such vacation days shall be in the discretion of and subject to the exigencies of the Department; and

(2) the selection of such days in the following calendar year shall be made after the regular vacation picks; and

(3) the utilization of this vacation time shall be restricted to the months of January through May and September through November.

It is the intention of the Police Department to allow an employee to request permission to accrue vacation consistent with this provision and to grant such requests which are reasonable.

ARTICLE XII - HEALTH AND HOSPITALIZATION BENEFITS

Section 1.

The City shall continue to provide a fully paid choice of health and hospitalization insurance plans for each employee, not to exceed 100% of the full cost of HIP-HMO on a category basis. There will be an annual reopening period during the term of this Agreement for active employees to exercise their choice among medical plans.

Section 2.

Retirees shall continue to have the option of changing their previous choice of Health Plans. This option shall be:

(a) a one time choice;

(b) exercised only after one year of retirement; and

(c) can be exercised at any time without regard to contract periods.

The effective date of change to a new plan shall be the first day of the month three months after the month in which the application has been received by the New York City Health Insurance Program.

Effective with the reopener period for Health Insurance subsequent to January 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the Employer. The Union will assume the responsibility of informing retirees of this option.

Section 3.

a. Effective July 1, 1983 and thereafter, the City's cost for each employee and each retiree under age 65 coverage shall be equalized at the Community-rated basic HIP/HMO plan payment rate as approved by the State Department of Insurance on a category basis of individual or family, e.g. the Blue Cross/GHI-CBP payment for family coverage shall be equal to the HIP/HMO payment for family coverage.

b. If a replacement plan is offered to employees and retirees under age 65 which exceeds the cost of the HIP/HMO equalization provided in Section 3a, the City shall not bear the additional costs.

c. The City (and other related Employers) shall continue to contribute on a City employee benefits program-wide basis the additional amount of $35 million to maintain the health insurance stabilization reserve fund which shall be used to continue equalization and protect the integrity of health insurance benefits.

The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of

health insurance benefits provided under the Blue Cross/GHI-CBP plan; and, if sufficient funds are available, to fund new benefits.

The health insurance stabilization reserve fund shall be credited with the divisions or reduced by the losses attributable to the Blue Cross/GHI-CBP plan.

d. In the event that there is a Citywide or program-wide health insurance package which exceeds the cost of the equalization and stabilization fund described above, the parties may negotiate reconfiguration of this package which in no event will provide for costs in excess of the total costs of this Agreement as set forth herein. However, it is understood that the PBA will not be treated any better or any worse than any other Union participating in the Citywide or Program-wide Health Program with regard to increased health insurance costs.

Section 4. Health Care Flexible Spending Account.

a. A flexible health care spending account shall be established after July 1993 pursuant to Section 125 of the IRS Code. Those employees eligible for New York City health plan coverage as defined on page 32, section 4(B) of the 1992 New York City Health Summary Program Description shall be eligible to participate in the account. Participating employees shall contribute at least $260 per year up to a maximum of $1,000 per year. Said contribution minimum and maximum levels may be modified by the MLC Health Advisory Committee based on experience of the plan. Any unfunded balance may be deducted from final salary payments due an employee.

b. Expenses of the account shall include but not be limited to deductibles, co-insurance, co-payments, excess expenses beyond plan limits, physical exams and health related transportation costs for vision, dental, medical and prescription drug plans where the employee and dependents are covered. In no case will any of the above expenses include those non-deductible expenses defined as non-deductible in IRS Publication 502.

c. An administrative fee of $1.00 per week for the first year shall be charged for participation in the program. An employee's participation in the account is irrevocable during a plan year. At the close of the plan year any excess balance in an employee's account will not be refunded.

ARTICLE XIII - HEALTH AND WELFARE FUND

Section 1.

a. Effective August 1, 2002, the City shall continue to contribute the pro-rata annual amount of $1,400 for each employee for remittance to the Health and Welfare Fund of the Patrolmen's Benevolent Association of the City of New York ("Welfare Fund") pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

b. Pursuant to its commitment, the PBA will continue to provide benefits to employees' domestic partners.

c. To the extent permitted by law, part of the amounts so contributed maybe applied to maintain an appropriate legal services plan, pursuant to the terms of a supplemental agreement between the parties as approved by the Corporation Counsel.

d. Effective August 1, 2002, employees who have been separated from service subsequent to December 31, 1970, and who were covered by the Health and Welfare Fund of the Patrolmen's Benevolent Association at the time of such separation pursuant to a supplementary agreement between the City and the PBA shall continue to be so covered, subject to the provisions of Sections l (a), (b), and (c) hereof, on the same contributory basis as incumbent employees. Contributions shall be made only for such time as said individuals remain primary beneficiaries of the New York City Health Insurance Program and are entitled to benefits paid for by the City through such Program.

e. **Civil Legal Representation Fund**

Effective August 1, 2002, the City shall continue to contribute $75 per annum for each active Employee to the Welfare Fund to establish a civil legal representation fund pursuant to the terms of a supplemental agreement between the City and Union as approved by the Corporation Counsel. While these funds shall be administered by the applicable Welfare Fund, they are to be maintained in a separate account and shall not be commingled with the other monies received by the Welfare Fund. Only the $75 provided above may be used for civil legal representation. No additional monies from the Welfare Fund may be used for civil legal representation.

f. Such payments shall be made pro-rata by the City on a monthly basis.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the date of the suspension, the employee shall receive full Health and Welfare Fund contribution for the period of the suspension.

ARTICLE XIV - ANNUITY FUND

Section 1.

Effective April 1, 1995, the City shall continue to contribute for each employee, on a twenty eight (28) day cycle basis, a pro-rata daily contribution for each working day for which such employee is paid by the City which such amount shall not exceed $522.00 per annum for each employee in full pay status in the prescribed twelve (12) month period. Contributions hereunder shall be remitted by the City each twenty eight (28) to a mutually agreed upon annuity fund pursuant to the terms of a supplemental agreement to be reached by the parties subject to the approval of the Corporation Counsel.

Section 2.

Where an employee is suspended without pay for disciplinary reasons and is subsequently restored to full pay status as of the effective date of the suspension, the employee shall receive full annuity coverage for the period of the suspension.

ARTICLE XV - SENIORITY

The Department recognizes the importance of seniority in filling vacancies within a command and shall make every effort to adhere to this policy, providing the senior applicant has the ability and qualifications to perform the work involved. While consultation on such matters is permissible, the final decision of the Department shall not be subject to the grievance procedure.

ARTICLE XVI - GENERAL

Section 1. Safety Helmets

The City agrees to furnish a safety helmet and equipment related thereto for each employee. Such headgear shall conform to Police Department specifications in effect at the time of this Agreement.

Section 2. Parking Facilities

It is the intent of the Department to make available without liability to the City, Cityowned property -And on-street location adjacent to, near or part of police stations or other command locations, as parking facilities for the personal cars of employees. A single designated representative of the Department and a single designated representative of the PBA will survey locations in the vicinity of station houses to determine what space is available which could reasonably be used for police parking and, where space exists, the Department and the PBA will jointly request of the appropriate City agency designation of such locations. This expressed intent of the Department does not imply any obligation or commitment on the part of the City or the Department to make available any such location or parking facilities. Where such property is provided and so designated for this purpose, the City shall not be obligated to improve the same, nor to maintain it for parking. The City need not continue to provide such property for parking when the City, in its discretion, decides to make a different use of it.

All inquires or complaints from employees concerning the subject matter or application of this section shall be referred directly to the PBA for investigation and review. The PBA shall screen and thereafter shall present only those inquiries or complaints which it believes are justified to the Commanding Officer of the Office of Labor Relations of the Police Department, or the Commanding Officer's designee, for discussion and possible adjustment.

This Section shall not be subject to the grievance procedure.

Section 3. Maintenance of Facilities

All commands and other Departmental places of assignment shall have adequate heating, hot water and sanitary facilities. The Union shall give notice to the Department of any failure to maintain these conditions. If not corrected by the Department within a reasonable time, the Union may commence a grievance at Step 3 of the grievance procedure concerning that failure.

Section 4. Private Hospital Accommodations for Line-of-Duty Injuries

It is the intent of the City to use its best efforts to secure private room accommodations in a hospital for employees injured in the line of duty. This Section shall not be subject to the grievance procedure.

Section 5. Information Exchange

a. The Department will provide the Union with a copy of all Orders, Department Bulletins, "Open Door" issues, and press releases. The details of delivery shall be worked out between the parties.

The Department will provide to the Union on a semi-annual basis a computer printout containing names and addresses of employees, listed alphabetically.

b. The Union will provide the Department with a copy of Union publications, bulletins and press releases.

Section 6. Meal Areas.

A representative of the Department and a representative of the PBA will meet to determine an adequate meal area for employees within each command and other Departmental places of assignment. This does not contemplate rebuilding or extensive remodeling.

Section 7. Personal Folder

a. The Personnel Bureau will provide the Union with a list of categories of items included in the Personal Folder with an indication of those confidential items which an employee is not permitted to review.

b. Employees may view their folders on normal business days between the hours of 9 A.M. and 5 P.M. by appearing in person at the Employee Management Division, Personnel Bureau, 10th Floor, Police Headquarters. To avoid delay, employees should call the Employee Management Division at least one day in advance.

c. The Department will upon written request to the Chief of Personnel by the individual employee, remove from the Personal Folder investigative reports which, upon completion of the investigation are classified "exonerated" and/or "unfounded".

Section 8. Disciplinary Records

Where an employee has been charged with a "Schedule A" violation as listed in Patrol Guide 118-2 and such case is heard in the Trial Room and disposition of the charge at trial or on review or appeal therefrom is other than "guilty", the employee concerned may, after 2 years from such disposition, petition the Police Commissioner for a review for the purpose of expunging the record of the case. Such review will be conducted by a board composed of the Deputy Commissioner Trials, Department Advocate, and the Chief of Personnel, or their designees. The Board will make a recommendation to the Police Commissioner. The employee concerned will be notified of the final decision of the Police Commissioner by the Deputy Commissioner Trials.

Section 9. Disciplinary Procedure

The parties, through a joint subcommittee, shall develop procedures to insure that:

a. All disciplinary charges shall be brought in a timely fashion pursuant to the current departmental regulations.

b. Departmental trials shall be held as promptly as possible, utilizing additional hearing personnel.

c. Reimbursement shall be made for any period of suspension in excess of any penalty ultimately levied.

Section 10. Fixed Post Duty

A commanding officer may limit fixed post duty for a single employee to a single fourhour period.

Section 11. Meal Scheduling

Employees shall not be assigned meals as a matter of practice during either the first hour and one-half or last hour and on-half of their tours. In cases of emergency this practice may be altered.

Section 12. Lump Sum Payment

Where an employee has an entitlement to accrued annual leave and/or compensatory time, and the City's fiscal condition requires employees who are terminated, laid off or who choose to retire in lieu of layoff to be removed from the payroll on or before a specific date, or where an employee reaches the mandatory retirement age, the employer shall provide the monetary value of accumulated and unused annual leave and/or compensatory time allowances standing to the employee's credit in a lump sum. Such payment shall be in accordance with the provisions of Executive Order 30, dated June 24, 1975.

Where an employee has an entitlement to terminal leave and the City's fiscal situation requires that employees who are terminated, laid off, or retired be removed from the payroll on or before a specific date, or where an employee reaches the mandatory retirement age, the employer shall provide a monetary lump sum payment for terminal leave in accordance with the provisions of Executive Order 31, dated June 24, 1975.

Section 13. Interest Payments

Interest on wage increases shall accrue at the rate of three percent (3%) per annum from one hundred-twenty (120) days after execution of this Agreement or one hundred-twenty (120) days after the effective date of the increase, whichever is later, to the date of actual payment. Interest on longevity and step-up increments, differentials and holiday pay shall accrue at the rate of three percent (3 %) per annum from one hundredtwenty (120) days following its earning or one hundred-twenty (120) days after the execution of this Agreement, whichever is later, to the date of actual payment. Interest on overtime pay shall accrue at the rate of three percent (3 %) per annurn from one hundred-twenty (120) days following its earning or one hundred-twenty (120) days following the employee's submission of an overtime report, whichever is later. Interest accrued pursuant to this paragraph shall be payable only if the amount of interest due to an individual employee exceeds five dollars ($5).

Section 14. Layoffs

Where layoffs are scheduled the following procedure shall be used:

a. Notice shall be provided to the appropriate Union not less than 30 days before the effective dates of such projected layoffs.

b. Within such 30-day period designated representatives of the Employer will meet and

confer with the designated representatives of the appropriate Union with the objective of considering feasible alternatives to all or part of such scheduled layoffs, including but not limited to (a) the transfer of employees to agencies with retraining, if necessary, consistent with Civil Service Law but without regard to Civil Service title, (b) the use of Federal and State funds whenever possible to retain or re-employ employees scheduled for layoff, (c) the elimination or reduction of the amount of work contracted out to independent contractors and (d) encouragement of early retirement and the expediting of the processing of retirement applications.

When a layoff occurs, the Department will provide the Union with a list of employees who are on a preferred list with the original date of appointment utilized for the purpose of such layoff.

Section 15. Public Transportation

The City and the PBA will use their best efforts to effect free transportation on buses and subways for police officers.

Section 16. Funding Applications

The City shall continue to apply for Federal funding to hire additional police officers.

Section 17. Polygraphs

The current practice concerning the use of polygraphs in internal investigations shall be maintained during the term of this Agreement.

Section 18. Seniority for Steady Tours

Operation Order #105 dated 11/6/78 shall be modified to delete all references to seniority as the basis for assignment to steady tours. Police Officers who are currently assigned to steady late tours pursuant to the old clause will be "grandfathered," but subject to the current rules on removal for cause. Volunteers for steady late tours shall be solicited in the first instance by seniority with the commanding officer having the discretion to choose volunteers. If the most senior volunteer is not chosen, the officer may appeal to the First Deputy Commissioner or his designee whose decision shall be binding and not subject to the grievance and arbitration procedure.

ARTICLE XVII - UNION ACTIVITY

Section 1.

With respect to time spent by Union officials and representatives in the conduct of labor relations, the provisions of Mayor's Executive Order No. 75, dated March 22, 1973, or any other applicable Executive Order or local law, or as otherwise provided in this Agreement shall be deemed applicable. No employee shall otherwise engage in Union activities during the time the employee is assigned to the employee's regular duties.

Section 2.

PBA Trustees and delegates shall be recognized as representatives of the PBA within their respective territories and commands. For the purpose of attending the regular scheduled monthly delegate meeting, PBA delegates shall be assigned to the second platoon and excused from duty for that day. In the event the delegate so assigned to the second platoon is unable to attend said monthly delegate meeting because of illness which requires remaining at home or hospitalization, or absence from the New York metropolitan area on leave or by assignment, or required court appearance, then and only then will a designated alternate delegate be excused from duty as spelled out in this Section. The Union will provide the City with a list of those attending each such meeting, which shall be the basis for their payment.

Section 3.

The parties shall explore a further clarification of Departmental rules and procedures to enable PBA delegates and officers to represent properly the interests of employees. An appropriate Departmental order in this regard shall be issued.

ARTICLE XVIII- NO DISCRIMINATION

In accord with applicable law, there shall be no discrimination by the City against any employee because of Union activity.

ARTICLE XIX - NIGHT SHIFT DIFFERENTIAL

a. There shall be a 10% night shift differential effective January 1, 1971 applicable to all employees assigned to rotating tours of duty for all work actually performed between the hours of 4:00 P.M. and 8:00 A.M. There shall be a 10% night shift differential effective January 1, 1971 applicable to all other employees for all work actually performed between the hours of 4:00 P.M. and 8:00 A.M., provided that more than one hour is actually worked after 4:00 P.M. and before 8:00 A.M.

b. Where overtime compensation is to be calculated for tours in the regular duty chart, the overtime calculation shall be based on the rate paid for the tour to which the overtime is attached; for tours not in the regular duty chart, the over-time calculation shall be based on the rate paid for half or more of the hours of the tour to which the overtime is attached.

c. For all employees hired after June 30, 1991:

1. No night shift differential shall be paid to those employees while they are assigned to the Police Academy as a recruit or for Recruit Training.

2. Thereafter, 55 % of the night shift differential as described in paragraph "a" above earned by a similarly situated Police Officer hired prior to July 1, 1991 shall be paid until the employee reaches First Grade after five years. Effective January 1, 1995, the rates paid to Police Officers shall equal the ratio between the Police Officer's base salary and the Basic First Grade salary in effect at the time. Those rates shall be as follows:

Second Grade: 78%
Third Grade: 75%
Fourth Grade: 71%
Fifth Grade: 68%
Sixth Grade: 64%

ARTICLE XX - OVERTME TRAVEL GUARANTEE

Section 1.

The assignment of an employee to a post not within the employee's permanent command shall in the first instance be accomplished so that the assignment originates and terminates within such employee's permanent command and within the employee's regular tour of duty.

Section 2.

Overtime travel guarantee compensation shall continue to be paid as follows:

a. In the event that an employee is assigned to a post outside the employee's permanent command and is required to re-port at such post at the start of the employee's regular tour of duty, the employee shall accrue an allowance for travel to the post to assigned post at the rate of time and one-half for forty-five (45) minutes of travel time if the assigned post is within the same patrol borough as the employee's permanent command or at the rate of time and one-half for 1-1/4 hours if the assigned post is in a different patrol borough from that of the employee's permanent command.

b. In the event that an employee is assigned to a post outside the employee's permanent command and cannot return to the permanent command within the regular tour of duty, the employee shall accrue an allowance for travel to the permanent command at the same rate as stated in Subsection 2a of this Article XX.

Section 3.

The overtime accrued pursuant to this Article for any one day shall be taken by the employee at the employee's sole option either all in cash or all in compensatory time off.

Section 4.

In the administration of the provisions of this Article the arbitrator's award in OCB Docket No. A-114-70 shall be applicable except that the provisions of this Article shall apply to employees assigned to the Tactical Patrol Unit.

Section 5

a. All claims for payment of compensatory time off which is earned as provided in Article XX of the contract on April 1, 1977 or thereafter must be submitted to the appropriate payroll personnel by the applicant within 180 days from the date payment is earned for payment in cash. All applications submitted after 180 days up to 365 days from the date payment is earned will be granted the appropriate compensatory time off only for claims under Article XX.

b. If a request for payment is timely submitted and rejected by the Police Department, the grievant shall have 90 days from the date of receipt of a written rejection notice to file a grievance pursuant to Article XXI.

c. The above clarification shall apply only to Article XX claims earned on April 1, 1977 or thereafter.

d. This clarification applies to a grievance brought under this collective bargaining contract only. It has no applicability to any other legal remedy which an individual may have.

ARTICLE XXI - GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Definitions.

a. For the purpose of this Agreement, the term "grievance" shall mean:

1. a claimed violation, misinterpretation or inequitable application of the provisions of this Agreement;

2. a claimed violation, misinterpretation or misapplication of the written rules, regulations or procedures of the Police Department affecting terms and conditions of employment, provided that, except as otherwise provided in this Section 1a, the term "grievance" shall not include disciplinary matters;

3. a claimed improper holding of an open competitive rather than a promotion examination;

4. a claimed assignment of the grievant to duties substantially different from those stated in the grievant's job title specification.

b. For the purposes of this Agreement, the term "Commanding Officer" shall mean the immediate Commanding Officer of the aggrieved employee.

c. For the purposes of this Agreement, the term "Reviewing Officer" shall mean the superior officer in charge of the next higher command or level above a Commanding Officer.

d. For the purposes of this Agreement, the term "Board" shall mean the Personnel Grievance Board to be composed of three (3) members, as follows: a Deputy Commissioner or other designee of the Police Commissioner, who shall be Chairman of the Board, the Chief of the Department or the Chief of the Department's designee, and the President of the Union or the President's designee.

e. For the purposes of this Agreement, the term "grievant" shall mean an employee or group of employees asserting a grievance or the Union or both, as the context requires.

Section 2.

The availability of the grievance or arbitration procedure shall not justify a failure to follow orders.

Section 3.

a. Every grievant shall have the right to present a grievance in accord with the procedure provided herein free from coercion, interference, restraint or reprisal.

b. The informal resolution of differences or grievances is urged and encouraged at all levels of supervision.

c. Commanding Officers and Reviewing Officers shall promptly consider grievances presented to them and, within the scope of their authority take such necessary action as is required herein.

d. Commanding Officers, Reviewing Officers and members of the Personnel Grievance Board shall consider objectively the merits of grievances with due consideration to the harmonious interrelationship that is sought to be achieved among all members of the force and for the good of the Police Department.

e. Any employee may present the employee's own grievance through the first four steps of the grievance procedure either individually (with the aid of the employee's own counsel if the employee so chooses), or through the Union, provided, however, that the Union shall have the right to have a representative present at each step of the grievance procedure.

Section 4.

Under the grievance procedure herein a grievance must be initiated within 90 days following the date on which the grievance arose or the date on which the grievant should reasonably have learned of the grievance or the execution date of this Agreement, whichever date is the latest. Grievances shall be processed according to the following procedure:

STEP I.

A grievant shall present the grievance to the Commanding Officer either orally or in writing. The Commanding Officer shall carefully consider the matter, make a decision thereon and advise the grievant of the decision within five (5) days of the grievance's submission.

STEP II.

If the grievance is not satisfactorily adjusted at Step I, the grievant may seek the following review within ten days after receipt of the Step I decision. The grievant shall reduce the grievance to writing on Form P.D. 158-151 (in triplicate), setting forth a concise statement of the grievance and the results of the proceedings at Step I. The grievant shall forward two copies to the appropriate Reviewing Officer and retain one copy for personal use. The Reviewing Officer shall forward one copy to the Commanding Officer, requesting the Commanding Officer's comments. The Reviewing Officer shall carefully consider said grievance, make a determination, and notify the grievant and the Commanding Officer of the Reviewing Officer's decision within ten (10) days following receipt of the grievance.

STEP III.

If the grievance is still not satisfactorily adjusted, the grievant may, not later than ten days after notification of the Reviewing Officer's decision, seek further review as follows:

The grievance shall be submitted to the Chairman of the Personnel Grievance Board on the grievance form supplied by the Office of Labor Relations of the Police Department. The Board shall forward one copy to the Reviewing Officer,

requesting the Reviewing Officer's comments thereon. The Personnel Grievance Board shall meet at least once a month on a date designated by the Chairman. At each meeting, the Board shall consider all grievances which, at least five days prior to such meeting, have been properly referred to the Board. The grievant may choose to have the grievant's representatives present at the meeting, at which time oral and written statements may be presented.

The Board shall carefully consider said grievance, make a determination and notify the grievant, the Commanding Officer and the Reviewing Officer, in writing, of its decision within seven days after the meeting at which the grievance is considered.

It is understood and agreed by and between the parties that there are certain grievable disputes which are of a Department level or of such scope as to make adjustments at Step I or Step II of the grievance procedure impracticable, and, therefore, such grievances may be instituted at Step III of the grievance procedure by filing the required written statement of the grievance directly with the Chairman of the Personnel Grievance Board; the Chairman or Chairman's designee shall convene a meeting of the Board within five (5) working days following receipt of the grievance, and the Board shall render its decision within five (5) working days following that meeting.

STEP IV.

Where the grievance is not satisfactorily adjusted at Step III, the grievant may refer the grievance, not later than thirty (30) calendar days after notification of the Board's decision, to the Police Commissioner for determination; and the Police Commissioner shall make a determination within ten (10) working days following receipt of the grievance. This determination shall be made after appropriate consultation with any or all parties to the grievance, including the Chairman of the Board and/or the Board members; and copies shall be sent to the grievant and the Union.

Grievances which affect substantial numbers of employees may be compressed by elimination of the fourth Step of the grievance procedure.

Section 5.

At every step of these procedures, the grievant and the officer considering the grievance shall work for a satisfactory adjustment. At any step, the Commanding Officer, the Reviewing Officer, and the Board shall have the right to summon the grievant and any and all persons considered necessary to the equitable adjustment of the grievance. Proceedings shall be informal. The Chairman of the Personnel Grievance Board shall take such steps to implement the provisions concerning grievances as are necessary for the proper and effective operation of the procedures provided for herein. The Chairman shall resolve questions as to jurisdictional responsibility of Commanding Officers and Reviewing Officers and shall work out the operational details of the program. For these purposes, the Chairman shall issue orders and instructions through the Chief of Department not inconsistent with the provisions of this Article.

Section 6.

The grievance procedure established hereinbefore is designed to operate within the framework of, and is not intended to abolish or supersede, existing rules and procedures providing for additional methods of redress. These include, but are not limited to, the existing rights of a grievant to request an interview with the Police Commissioner.

Section 7.

Any or all of the foregoing grievance steps may be waived by the written consent of both parties.

Section 8.

Within twenty (20) days following receipt of the Police. Commissioner's Step IV decision, the Union shall have the right to bring grievances unresolved at Step IV to impartial arbitration pursuant to the New York City Collective Bargaining Law and the Consolidated Rules of the New York City Office of Collective Bargaining. In addition, upon ten (10) days' written notice to the Union, the -City shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined as a "grievance" herein. The City shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining, with a copy to the Union; and the matter shall proceed pursuant to the Consolidated Rules of the Office of Collective Bargaining.

A permanent rotating Panel of a minimum of five (5) Arbitrators shall be established, drawn from the official panel of the Office of Collective Bargaining, as agreed to by both parties. The members of the Panel shall be assigned on a rotating basis to arbitrate all grievances under this Section.

The assigned Arbitrator shall hold a hearing at a time and place convenient to the parties and a transcript shall be taken unless the taking of a transcript is waived by both parties. The arbitrator shall attempt to issue an award within ten (10) days after the completion of the hearing.

The City and the Union shall each pay 50% of the fees and expenses of the Arbitrator and of all other expenses incidental to such arbitration. The costs of one copy for each party and one copy for the Arbitrator of the transcripts shall be borne equally by the parties.

Section 9.

In case of grievances falling within Sections 1(a)(1), 1(a)(2), or 1(a)(3) of this Article, the arbitrator's decision, and order or award (if any), shall be limited to the application and interpretation of the collective bargaining Agreement, rule, regulation, procedure, order or job title specification involved, and the Arbitrator shall not add to, subtract from, or modify any such Agreement, rule, regulation, procedure, order or job title specification. An Arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accord with Article Seventy-Five of the Civil Practice Law and Rules, except that awards as to grievances concerning assignment of the grievant to duties substantially different from those stated in the grievant's job title specification or the use of an open-competitive rather than promotional examination, shall be final and binding and enforceable only to the extent permitted by law. An Arbitrator may provide for and direct such relief as the Arbitrator determines to be necessary and proper, subject to the limitation set forth above and any applicable limitations of law.

Section 10.

The time limits contained in this Article may be modified by mutual agreement. In the event that the Department fails to comply with the time limits prescribed herein, the grievance may be advanced to the next step.

ARTICLE XXII - LINE-OF-DUTY DEATH BENEFIT

In the event an employee dies because of a line-of-duty injury received during the actual and proper performance of police service relating to the alleged or actual commission of an unlawful act, or directly resulting from a characteristic hazard of police duty, through no fault of the employee's own, a payment of $25,000 shall be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the beneficiary designated under the Retirement System or, if no beneficiary is so designated, to the estate of the deceased.

ARTICLE XXIII - DEATH BENEFIT-UNUSED LEAVE AND COMPENSATORY TIME

If an employee dies while employed by the City, the employee's beneficiary designated under the Retirement System or, if no beneficiary is so designated, the decreased's estate shall receive payment in cash for the following as a death benefit:

a. All unused accrued leave up to a maximum of 54 days' credit.

b. All unused accrued compensatory time earned subsequent to January 1, 1971 which is verifiable by official Department records up to a maximum of two hundred (200) hours.

ARTICLE XXIV - OPTIONAL WORK DURING VACATION

Section 1.

Any employee may volunteer to work for one five-day period per year during such employee's vacation leave. Whether the volunteer will be assigned to duty is within the discretion of the Department. If assigned to such duty, the assignment shall be at the discretion of the Department to any regular platoon in any one command for the entire five (5) day period. No employee shall be discriminated against in the application of this Section because the employee is in the last year of service.

Section 2.

An employee who so volunteers shall be compensated at the employee's regular straight time rate of pay for all work performed during the employee's assigned platoon's regular hours of work. Except as otherwise provided in this Article, all other provisions of this Agreement shall be applicable to work so performed.

Section 3.

Contributions under Article XIII (Health and Welfare Fund) and Article XIV (Annuity Fund) of this Agreement shall not be paid for work performed pursuant to this Article.

Section 4.

For the purposes of Article XX, (Overtime Travel Guarantee) of this Agreement, the command to which an employee is so assigned for the five (5) day period shall be deemed that employee's "permanent command."

ARTICLE XXV - NO STRIKES

In accord with applicable law, neither the Union nor any employee shall induce or engage in any strikes, slowdowns, work stoppages, or mass absenteeism, or induce any mass resignations during the term of this Agreement.

ARTICLE XXVI - BULLETIN BOARDS

The Union may post notices on bulletin boards in places and locations where notices are usually posted by the Employer for employees to read. All notices shall be on Union stationary, shall be used to only notify employees of matters pertaining to Union affairs, and shall not contain any derogatory or inflammatory statements concerning the City, the Department, or personnel employed by either entity.

ARTICLE XXVII - LABOR-MANAGEMENT COMMITTEE

Section 1.

The City and the Union, having recognized that cooperation between management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a labor-management committee.

Section 2.

The labor-management committee shall consider and may recommend to the Police Commissioner changes in the working conditions of the employees, including, but not limited, to the following subjects: the adequate levels of Police coverage to ensure the safety of employees on duty; an excusal policy for employees appearing in court after the midnight tour. Matters subject to the grievance procedure shall not be appropriate items for consideration by the labor-management committee.

Section 3.

The labor-management committee shall consist of six (6) members who shall serve for the term of this Agreement. The Union shall designate three (3) members and the Police Commissioner shall designate three (3) members. Vacancies shall be filled by the appointing party for the balance of the term to be served. Each member may designate one (1) alternate. The committee shall select a chairman from among its members at each meeting. The chairmanship of the committee shall alternate between the members designated by the Police Commissioner and the members designated by the Union. A quorum shall consist of a majority of the total membership of the committee. The committee shall make its recommendation to the Police Commissioner in writing.

Section 4.

The labor-management committee shall meet at the call of either the Union members or the City members at times mutually agreeable to both parties. At least one (1) week in advance of a meeting the party calling the meeting shall provide to the other party a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

ARTICLE XXIII - NO WAIVER

Except as otherwise provided in this Agreement, the failure to enforce any provision of this Agreement shall not be deemed a waiver thereof. This Agreement is not intended and shall not be construed as a waiver of any right or benefit to which employees are entitled by law.

ARTICLE XXIX - SAVING CLAUSE

If any provision of this Agreement is ' found to be invalid such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XXX - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York, as amended.

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year 1st above written.

Re: P.B.A. AGREEMENT FOR THE PERIOD APRIL 1, 1995 TO JULY 31, 2000

Dear Mr. Matarasso:

This is to confirm our mutual understanding and agreement that the Police Department shall establish a pilot program for the life of this agreement to refer disciplinary matters to the Office of Administrative Trials and Hearings for hearing.

I will retain the right to choose those matters which I determine would be in the best interest of the Department to remain in the Department.

Very truly yours,

Re: P.B.A. AGREEMENT FOR THE PERIOD
APRIL 1, 1995 TO JULY 31, 2000

Dear Mr. Matarazzo:

This is to confirm that during negotiations for the successor agreement to this 1995-2000 agreement the parties shall negotiate the issue of increasing the City's contribution to the PBA Health and Welfare Fund as the first issue to be addressed. The issues to be negotiated shall include the intent of the parties to equalize the City's total contribution to the PBA Health and Welfare Fund with the total contributions made by the City to other health and welfare funds on behalf of other employees and that the PBA shall be responsible for the cost of such increased contributions.

If the above conforms to your understanding, please execute the signature line below.

Re: P.B.A. AGREEMENT FOR THE PERIOD
APRIL 1, 1995 TO JULY 31, 2000

Dear Mr. Matarazzo:

The City and the PBA recognize that, pursuant to Administrative Code Section 12-127, the City is obligated to pay for the cost of line of duty injury prescription drugs for PBA members. The parties further recognize that a significant number of PBA members have utilized the PBA Health and Welfare fund to pay for these prescription drugs without reimbursement by the City. The PBA agrees to waive any and all claims retroactively and prospectively against the City for the reimbursement of the cost of line of duty injury prescription drugs.

If the above conforms to your understanding, please execute the signature line below.

Re: P.B.A. AGREEMENT FOR THE PERIOD
APRIL 1, 1995 TO JULY 31, 2000

Dear Mr. Matarazzo:

This is to confirm our mutual understanding and agreement regarding the method of calculation and 20 and 25 years of service for the "pensionability" of longevity adjustments pursuant to Article VIII, Section 1(c) of the Agreement. The following categories of service for purposes of computing the 20 or 25 year pensionability of longevity differential payments:

-laid-off police time which has been purchased for pension credit
-prior City uniformed service
-prior State service credited under the pension law as uniformed service.

The following category of service shall be considered police service for purposes of computed the 25 year pensionability of longevity differential payment:

-prior City service, including trainee time

If the above conforms to your understanding, please execute the signature line below.

Very truly yours,

James F. Hanley

LATE NOTICE

EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Harvey A. Gordon at 65 Court Street, Room 1201F, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M. Friday August 4, 2006.

ITEM(S) FOR CONSIDERATION:

Preamble to Items for Consideration Numbered 1-7

Starting in the 2006-07 school year, the DOE will provide schools with a comprehensive package of diagnostic and periodic assessments, expert assistance to schools in using and designing diagnostic assessments, and training in data-driven differentiated education for all children. These supports will be identified and provided through one or more fully competitive Request for Proposal(s) to be issued by the DOE to all potential providers of these services in late 2006 or early 2007. The DOE intends to use the current school year to pilot a variety of options in different schools for a short period of time. The seven proposals that follow are designed to enable the DOE, on a pilot basis, to experiment with a variety of possibilities and to assist in planning more competitive procurements going forward.

1. Institute for Learning

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with the Institute for Learning (IFL). IFL, under the leadership of Dr. Lauren Resnick, is proposing to offer schools their Instructional Quality Assessment toolkit and accompanying training which would allow instructors to evaluate how instruction provides opportunities to study rigorous content and engage in high levels of learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $177,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $177,000

2. UniServices

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Auckland UniServices Limited (UniServices) to deliver their formative assessment solution. This will provide teachers with supported training and a test creation process that allows instructors to create assessments with levels of difficulty and other variables optimized to their instructional model.

The term of this agreement will be for 1 year from August 5, 2006 through August4, 2007 at an estimated cost of $250,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $250,000

3. America's Choice

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with America's Choice to assist schools in designing their own assessments and customizing default option assessments. America's Choice will also design and implement a study to establish the equivalent rigor of each school's system in relation to the default offering.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $154,000.

TERM: 8/5/06-8/4/07 Contract Cost: $154,000

4. Northwest Evaluation Association

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with Northwest Evaluation Association (NWEA) to provide schools NWEA's Measures of Academic Progress (MAP) assessment solution. MAP evaluates functional level testing and reports growth measurement. NWEA will also provide professional development around data usage to the schools it serves.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $400,000.

TERM: 8/5/06 -8/4/07 Contract Cost: Estimated $400,000

5. ETS/Assessment Training Institute

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with ETS/Assessment Training Institute (ATI). ETS/ATI is proposing to conduct training and workshops for school-based teams. The trainings and workshops will focus on building assessment systems linked to everyday student learning.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $121,000.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $121,000

6. TERC/Using Data Project

Services: For the reasons described in the Preamble above, the Office of Accountability is requesting a non-competitive award for a one-year requirements contract with TERC/Using Data Project to train data facilitators in schools and regional offices. The service will include training and technical assistance on the Using Data process to prepare instructors and administrators for the role of data facilitators.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $198,000.00.

TERM: 8/5/06-8/4/07 Contract Cost: Estimated $198,000

7. The Princeton Review

Service(s): For the reasons described in the Preamble above, the Office of Accountability is requesting approval to enter in to an agreement with The Princeton Review for a one-year pilot program in high schools city wide to provide periodic assessments. The Princeton Review has experience in providing assessments of student abilities, both online and in print form, along with rapid scoring to allow high schools to focus on using data to improve instruction.

The term of this agreement will be for 1 year from August 5, 2006 through August 4, 2007 at an estimated cost of $1,738,565.

TERM: 8/5/2006-8/4/2007 Contract Cost: Estimated $1,738,565

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
